#### Chapter 2831: bullying

“Is there any misunderstanding?”

Chen Xiaobei frowned and looked at the wolf goblin captain with his dark eyes.

“Young master, don’t speak!”

Qing bao stopped Chen worriedly and smiled apologetically. “This soldier! We’re really herb merchants! You’ve already checked it! Please don’t make things difficult for us ...”

“What are you talking about? If I say you’re spies, then you’re spies!”

The wolf goblin captain waved his hand and said, “Capture all of them, throw them into the dungeon, and torture them for interrogation! As for their Storage Treasures, we’ll confiscate them all!”

“You’re being unreasonable!” Qing bao was very angry. She glared at the wolf goblin captain with her beautiful eyes.

“Why should I be reasonable with you?”

of course! the wolf goblin captain sneered. this is a critical period. I have the right to suspect anyone! This was for the safety of evil wolf City! I’d rather catch the wrong person than release the wrong person!”

“Bah!”

Qing bao wasn’t stupid. He immediately shouted, “You keep saying that you’re doing this for the safety of evil wolf City! In fact, we don’t look like locals! He’s deliberately looking for an excuse to capture us and seize our property!”

Qing bao deliberately raised his voice, immediately attracting the attention of the surrounding crowd!

All of a sudden, the people, merchants, and other city guards who were going in and out of the main city, a vast number of thousands of people, all noticed the situation here.

However, no one stood up to speak for qing bao.

On the contrary, there were waves of gloating and mocking in the crowd, as if they were watching this matter as a joke.

“Those three foreigners are so stupid that they’re pitiful! We’re in a critical period right now. Without familiar connections, who would dare to come to evil wolf capital city to do business?”

“Yup! Nine nether platform and heavenly Yin Hall were at daggers drawn and could go to war at any moment! It was not the first or second day that these city guards had taken the opportunity to fish for oil and water! During this period of time, there were at least 8000 to 10000 people who had been caught in the dungeon! Almost all of them were wronged!”

“So what if I’ve been wronged? This was the main City of Evil wolf! It was the Zhu family’s border! As long as we can ensure the safety of the city’s defense, the Zhu family will not hesitate to malign 10 or 100 times more people, let alone 10000!”

“In the end, these three guys are too stupid! He didn’t know what was going on, and he just walked right into the muzzle! He deserves to be unlucky!”

The people, merchants, and the city guards were all laughing at Chen Xiaobei and the other two!

From this, it could be seen that a Crooked Stick will have a crooked shadow!

With such a sinister and shameless higher-up like the Zhu family, the atmosphere below had been led astray!

There were thousands of people, but not a single one of them had a sense of justice!

They knew that the city guards were doing evil, but no one said a word of justice, and even laughed at the foolishness of the wronged!

In their subconsciousness, it was only right for them to be slandered and bullied, and it was foolish for them to be arrested for no reason!

Evil wolf City!

The city was equally famous! It was true that the people were evil and lacked righteousness!

The ridicule from the surrounding crowd further boosted the wolf goblin captain’s arrogance. “You three idiots, don’t resist. Otherwise, it won’t be as simple as being captured and thrown into the dungeon! Instead, he would kill them on the spot! He’ll die without an intact corpse!”

this ... qing bao was completely panicked.”I ... Let’s go, alright? We’re not entering the city!”

The wolf goblin captain narrowed his eyes and grinned hideously, “heh, you want to run?” That means you have a guilty conscience! It’s a dead end!”

“You ... Don’t you go too far!” Qing bao frowned and felt extremely depressed.

“Heh, I’m bullying you! What’s wrong? You’re not convinced?”

The wolf goblin captain stretched his neck arrogantly and patted his cheek. He laughed evilly and said, “If you’re not convinced, then hit me! I’ve already bullied you like this, so why don’t you hit me to vent your anger!”

you ... qing bao gritted her teeth and clenched her fists. She wished she could punch this b \* tch to the sky.

In terms of cultivation, qing bao was much stronger than the wolf goblin captain. He could kill the wolf Goblin hundreds of times with one slap!

However, qing bao couldn’t do anything, so he could only swallow his anger! Because if this matter was blown up, Chen Xiaobei’s plan would be completely ruined!

Qing bao idolized Chen Xiaobei and wanted to help him. She did not want to mess things up because of her!

“I see that you, this girl, have some good looks!”

Qing Bao’s tolerance made the wolf goblin captain even more arrogant. “How about this, you accompany me for the night! Not only will I not arrest you, but I’ll also guarantee that you’ll be able to enter and leave the evil wolf capital city freely!”

Qing Bao’s expression froze for a moment, and he was hesitating whether he should agree to this bitch first.

After all, once they entered the city, the three of them would leave through the portal immediately. They did not have to spend the night with this b \* tch!

However, before qing bao could make a decision, the wolf goblin captain pouted and kissed qing Bao’s little face, ignoring the gazes of the surrounding people!

“If you don’t say anything, I’ll take it as a promise! Hehe ...”

The wolf goblin captain pouted. His fangs had turned yellow because he had not brushed them for years! There were even stinky bits of meat between his teeth, and his bad breath could be smelled from far away!

What was even more disgusting was that when he opened his mouth, sticky and stinky saliva flowed out from the corner of his mouth and dripped onto the armor. He didn’t even wipe it off!

“Ugh ...”

Qing bao felt nauseated just by looking at it and almost vomited!

If she was kissed by this b \* tch, qing bao was worried that her little face would turn sour and never be clean for her entire life!

However, qing bao did not dare to resist!

Qing bao thought that as long as he sacrificed himself to keep the wolf Goblin in check, he would be able to help Chen Xiaobei pass through the obstacles and reach the Red Lotus city where the Red Lotus Guild was located!

That way, the risk would be reduced to the lowest! To ensure that Chen Xiaobei’s departure was smooth and his return safe!

However, once qing bao resisted, he would definitely not be able to pass through this obstacle smoothly! If the Zhu family’s higher-ups were to come, Chen Xiaobei’s plan would be ruined! In the end, he could only escape and end up in a sorry state!

Therefore, after a rational and calm plan, forbearance was definitely the best choice!

Although qing bao was disgusted by the wolf goblin captain, she decided to endure it for the sake of Chen Xiaobei and dugu zang Xian!

“I didn’t know that you were so well-behaved!”

The wolf goblin captain pouted and was already in front of qing bao. He smiled and said, “Little beauty! Her brother was here! Let big brother dote on you! Mu ~~~ ah!”

At this moment, the wolf goblin captain’s stinky mouth was about to kiss qing Bao’s fair and tender little face! Everyone around them widened their eyes and waited for the wolf goblin captain to put on a passionate show!

However! No one had expected this!

What was supposed to be a passionate drama suddenly turned into an action movie!

Chen Xiaobei’s punch was like a cannonball, landing right on the wolf Goblin’s face!

#### **Chapter 2832**

2832 The wolf demon youth

“Mu ~~~ ah!!!”

The leader of the wolf Goblin team thought that he was going to kiss the Beauty’s face and was very excited. Never in his dreams did he expect that in the next moment, he would let out a heart-wrenching howl!

Chen Xiaobei was now a late-stage golden core cultivator with 85 million combat power. That was more than enough to crush this Guard Captain!

The punch made the wolf goblin captain feel as if his face had been hit by a cannonball!

He was sent flying more than ten meters away, creating a huge pit on the ground!

“Captain! Captain, are you alright? Hiss ...”

The group of guards hurriedly ran over. With just a glance, there were waves of gasps that erupted one after another!

The bones in half of the wolf goblin captain’s face were shattered, and all his teeth fell off. His head had exploded, and blood and brain matter flew everywhere. He was completely breathless. His death was too horrible to watch!

“Murder! That kid killed our Guard Captain! Warning! Sound the alarm immediately! Requesting reinforcements! We can’t let that kid get away!”

When they came back to their senses, the group of guards started to scream. Some of them pulled out their weapons and stared at Chen Xiaobei, while others ran to the back to ask for help.

The surrounding people were stunned at first, and then an uproar broke out!

“Heavens! That kid must be crazy! He actually dared to kill the captain of the guards! Even if you want to die, you can’t court death like this!”

“This is a critical period! He had killed the captain of the guards, which was equivalent to treason! This time, even the dungeon did not dare to accept him! He’ll be beheaded in public, his head hung on the City Tower, and his body cut into pieces to be fed to the dogs!”

“He deserves it! At this time, he still didn’t know how to swallow his anger! A mere Jindan stage cultivator dares to stand out, he doesn’t know how to write the word “death”!”

“Just wait and see, the wolf battle general will immediately come and kill him! There’s no suspense!”

The surrounding crowd discussed animatedly. Thousands of mouths opened, but the comments were almost the same! They all thought that Chen Xiaobei had gone crazy. If he did not know how to swallow his anger, he would die!

“Young master! You ... How could you kill him ...”

Qing bao was completely flustered. Her pretty face was pale and her voice was trembling. “Do you know that killing him will attract countless reinforcements? We can only retreat! Your plan has failed! Young master! You’re too impulsive ...”

Chen pouted and said, “I also want to endure, but that guy is really too cheap! I really can’t hold back!”

Qing bao had a headache. he does need a beating. But you have to consider the consequences!

“Consider the consequences?” “There’s no need for that!” Chen Xiaobei laughed. A mere evil wolf City is not enough to enter my eyes!”

this ... qing bao was speechless. He thought that Chen Xiaobei was being too arrogant. Did he really think that he could shake the entire city by himself?

After all, qing bao could also see that Chen Xiaobei was only a golden core cultivator. Even with e Huo Yuntian’s protection, it would be difficult for them to fight against a main city!

In qing Bao’s eyes, Chen Xiaobei’s arrogance was like an ant trying to shake a tree. He was overestimating himself!

“I know that you think I’m impulsive and overconfident!”

Chen Xiaobei seemed to have read qing Bao’s mind. He smiled and said, “But let me ask you, did you feel good when I blew up that b \* tch with one punch? Is it to vent your anger?”

this ... qing bao was stunned and pursed her lips. it’s great ... It’s so satisfying ... If it wasn’t for your plan, I would’ve blown him up with one punch!

“Isn’t this settled?” you’re my Xianer’s direct disciple! She’ll blame me if you get bullied by anyone! Chen Xiaobei said.

Qing bao was stunned again and suddenly felt warm in her heart.

It turned out that Chen Xiaobei did not kill the wolf goblin captain on impulse. He did it so that qing bao would not be bullied!

but, young master, you ruined the entire plan for me. Is it really worth it? ” Qing bao pursed her lips and asked pitifully.

It felt as if he had ruined Chen Xiaobei’s plan, and he felt very apologetic.

“Who said my plan was ruined?” Chen Xiaobei asked with a smile.

“The wolf Army is about to arrive. Young master, don’t you plan on running away?” Qing bao was confused.

“Escape?”

“There’s no such word in my dictionary!” If evil wolf City wants to fight, I will fight with them!”

“No!”

Qing bao quickly shook his head and said, “once the war starts, the Zhu family’s higher-ups will be able to come here immediately through the teleportation array!” Even if you can take care of evil wolf City, you can’t go against the Zhu family! If we don’t leave now, it’ll be too late!”

“Master! I think miss qing bao is right ...”

E Huo Yuntian couldn’t help but advise him: ” you may be powerful, but the Zhu clan is one of the top ten forces. If the Zhu clan takes action, the consequences will be unimaginable!

“You two should just die from stupidity!” the Zhu family is indeed very strong. I can’t fight them with my strength, but I can outwit them! Chen Xiaobei laughed.

“Outwit him?” Qing bao and e Huo Yuntian were both stunned.

No matter how hard they thought, they could not figure out how Chen Xiaobei was going to outwit a force that stood at the top of the earth-god Realm.

This was simply unbelievable!

“Retreat! All of you, back off!”

At this moment, a handsome young man from the wolf demon clan jumped down from the top of the city wall!

His cultivation had reached the peak of the original level! He was much stronger than the wolf goblin captain!

Therefore, his body was more like a human. His fangs and mane were all hidden, leaving only a wolf tail hidden under the robe. If one didn’t look carefully, it was hard to find that he was a demon!

He landed from the top of the thousand-foot city wall, his brocade robe fluttering in the wind, looking suave and handsome! He landed steadily and gave off the feeling of an elegant young master!

with his appearance, the surrounding Wolf Warriors all retreated, and even the reinforcements no longer came to this side.

strange ... e Huo Yuntian's expression was stunned."This guy doesn't seem to have any hostility, and he even helped me retreat. Could he be a friend of yours, master?"

"Stupid!" Chen Xiaobei looked at e Huo Yuntian and said, " "Didn't you see that the kid's eyes were fixed on qing bao? They are clearly qing Bao's friends!"

As expected! The handsome young wolf demon walked quickly to qing bao, his smile as bright as the sun. "Baby! Why didn't you tell me you were coming? Those fools below are insensible. I'll definitely teach them a lesson later!"

Qing Bao's expression was a little complicated, and he said in a low voice, " senior brother he ... No... Young master he, we're just passing by. If it's convenient for you, can you let us use the transportation array? "

"What are you saying? It's only been a short time since we last met, and you don't want to acknowledge me as your brother anymore?" "Hurry up!" The young man said enthusiastically. Follow me into the city! I'll help you with any request you have, let alone the teleportation portal!"

Before qing bao could answer, Chen Xiaobei pulled her over.

young master he, " Chen Xiaobei said calmly, " we would like to have a few words with qing bao in private. Do you have any objections? "

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2833: daggers hidden in smiles**

"No objections! Of course, I have no objections!"

The young man smiled politely and said, " "Baby's friends are he Qingxi's friends! You guys can continue chatting, I'll be waiting!"

Chen Xiaobei nodded and took a few steps back.

E Huo Yuntian stared at the young man in embroidered robes and was on full alert, in case something happened.

However, e Huo Yuntian stared at him for a while and discovered that the young man didn't have any strange movements. He didn't even release his primordial spirit domain. It could be seen that the young man didn't want to eavesdrop at all. He was only waiting silently!

Gradually, e Huo Yuntian relaxed his vigilance. He even firmly believed in his heart that the youth in embroidered robes was an upright gentleman, and there was no need to guard against him at all times!

On the other side.

Chen Xiaobei lowered his voice and asked, 'qing bao! Who was that guy? What's your relationship with him?"

he's the young lord of Evil wolf City, he Qingxi!

senior brother! qing bao composed himself and said, " before the relationship between nine nether platform and heavenly Yin Hall was broken, he was the direct disciple of the first elder of nine nether platform's headquarters. I have to call him senior brother!

"After that, the Zhu family's plot caused the relationship between the two sides to break down. He couldn't abandon evil wolf City, much less the entire he family! Therefore, he left nine nether platform and returned here to be the young lord of Evil wolf!"

"I see!" Chen Xiaobei then asked, " I heard him call you baby. The relationship between the two of you shouldn't just be senior and junior, right? "

"Young master! What are you thinking!" "I was only nine years old when I became master's disciple!" Qing Baoya said. The senior brothers and sisters of the nine nether platform all call me baby!"

"I'm not blind!" "He's looking at you in a different light!" Chen Xiaobei laughed. You would also be nervous when facing him! I'm an experienced driver, you can't lie to me!"

"Alright ..."

Qing bao pursed her lips and said, " back then, he Qingxi pursued me. But I was still young. I rejected him. But not only was he not angry, he even took good care of me all these years and helped me a lot!"

"So, you fell in love with him?" Said Chen Xiaobei with a smile.

I don't think so ... qing bao frowned slightly. She was only a fourteen or fifteen-year-old girl. She wasn't even sure if she liked him.

"You really don't?"

"From what you just said, that kid must be a good person!" Chen Xiaobei laughed evilly. There aren't many good men left these days. It's even rarer for him to be able to protect you for so many years and silently give in! Don't miss it!"

"Young master! Don't make fun of me ..."

Qing bao blushed. for so many years, I've only treated him as a big brother. The reason why I'm nervous when I see him is that he's too good to me. If he were to pursue me again, I wouldn't know how to reject him!

"Rejected?" what? " Chen Xiaobei was a little surprised. he's a good man and handsome too. Why do you still want to reject him? "

I can't explain it ... qing bao was confused. After all, he was still young and was unfamiliar with the feelings between men and women. He still needed time to understand.

"If that's the case, I won't tease you anymore!"

"Remember, follow your heart!" Chen Xiaobei said. If you like it, don't miss it! If you don't like it, then reject it decisively. Don't feel embarrassed! You'll definitely regret forcing yourself to be together!"

I understand. Thank you for your guidance, young master! Qing bao nodded, taking Chen Xiaobei's words seriously.

“Then let’s go!” that’s great! Chen Xiaobei smiled. let your brother he help us clear the way. That will save us a lot of trouble!

“Alright!” Qing bao composed himself and walked toward he Qingxi.

Chen Xiaobei and e Huo Yuntian followed behind.

After exchanging a few words, he Qingxi patted his chest and said, ” “This small matter is not worth mentioning at all. I’ll take you to the teleportation array now! If you don’t mind, I can even travel with you!”

“The same profession?” Qing bao was stunned.

He Qingxi said, ” no matter what, I’m still the young lord of Evil Wolf’s capital city. I have quite a few friends in the red Lotus capital city! It’s a critical time now, and I’m afraid you’ll encounter trouble if you don’t have an acquaintance to lead the way!”

this ... qing bao hesitated and looked at Chen Xiaobei. She wanted to ask for Chen Xiaobei’s opinion before deciding whether to agree or not.

Before Chen Xiaobei could say anything, he Qingxi said sincerely, ” “This young master doesn’t need to worry! I’m only going with you to help you deal with the trouble you might encounter on the road. I will never interfere with your actions! I can guarantee this with my dignity!”

young master he, you’re being too serious. I heard qing bao introduce you just now! Chen Xiaobei said with a smile. I believe in your character, and I also believe in qing Bao’s judgment! So, I don’t mind letting you go with me!”

“Thank you for your trust, young master!” He Qingxi cupped his hands and said politely, ” “I’ll take you to the teleportation portal now!”

.....

Under he Qingxi’s lead, their journey was smooth. They passed through the teleportation portal without any hiccups.

The four of them were teleported to the core of the Red Lotus region, the Red Lotus capital city!

This capital city was about the same size as fire cloud capital city. As the heart of a region, it was very prosperous in all aspects, and its scale was also very large!

It was fortunate that he Qingxi was with them. After they arrived at the Red Lotus capital, he was the one who busied himself at the front. He had indeed bribed many guards who came to check on them! It saved him a lot of trouble!

Most importantly, he Qingxi actually knew one of the Vice-leaders of the Red Lotus Guild and had personally contacted him to help Chen Xiaobei make an appointment!

I’ve asked around. Vice guild leader su is out on a mission. He said that he will only be back tomorrow morning!

He Qingxi smiled and said, " I have nothing to do anyway. I'm meeting a few friends tonight. Let's go for a drink and find something to play. What do you guys think? "

okay ... Uh ... qing bao was very excited, but as soon as the word 'okay' came out of his mouth, he swallowed it back down and looked at Chen Xiaobei with a pair of bright eyes.

He Qingxi raised his eyebrows. A cold glint flashed across his eyes, but the smile on his face did not change."It seems that my baby listens to young master Chen! Then, young master Chen, are you willing to do me the honor?"

Chen Xiaobei was a little surprised, but he said calmly, " "Of course! Young master he has worked hard and helped me a lot along the way. If I don't do you the honor, it would be too unreasonable!"

"Good! Young master Chen is indeed straightforward!" He Qingxi's smile widened. baby, " he said, " you're willing to go now, aren't you? "

"Go! Of course I'm going!"

Qing bao was immediately excited. Fresh, interesting, and exciting things never disappoint me! Of course, I can't miss it!"

"This time, I won't let you down either!" He Qingxi was still smiling, but when his eyes fell on Chen Xiaobei, they turned cold!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2834: powerful young tiger Lord**

In the evening.

He Qingxi's group of friends arrived at the restaurant.

There were both men and women, and they were all around he Qingxi's age.

From their gorgeous clothes and their confident and proud auras, it was not difficult to tell that their status was similar to he Qingxi's.

Even if they were not young men from the royal family of the Red Lotus capital, they would at least be young masters from prestigious families.

The restaurant that they had gathered at was naturally the most luxurious one in the entire Red Lotus capital city. The prices were so high that ordinary people would not be able to afford it!

"Come on! Everyone, quickly take your seats! It's been a long time since we've seen each other, let's all get drunk today!"

He Qingxi had already booked a private room and was welcoming the group of young masters warmly. He had a smile on his face the entire time, clearly in a good mood.

"Oh, it's Qingxi! You've come all the way to the Red Lotus capital city, we should be treating you to this meal!" A brawny man with Scarlet hair walked in front and said loudly.

Behind him, a thin man with horns on his head said with a faint smile, "That's right! I'm really embarrassed that you have to spend so much money every time!"

"Stop your nonsense!"

At this moment, a young man who was closer to a human form and only had a Tiger Tail that was not hidden walked in.

"Don't you know what kind of person he is?" the young man with the Tiger Tail asked. He treated his friends with great care and was very generous! Aren't you guys slapping Qingxi's face by being so wishy-washy here?"

The red-maned young man and the horned young man immediately stepped aside and bowed, "Young master Hu is right! Young tiger Lord, please take a seat!"

"Young master Hu is here! Hurry up! Please take a seat!" He Qingxi's face was also full of smiles. As he welcomed the guests, he asked, "Young master Hu, why didn't you bring a female companion today? This isn't like you!"

"Who said I didn't?" Young tiger Lord laughed lecherously.

Before he finished speaking, six Banshees walked in one after another!

All of them had on heavy makeup and were gorgeously dressed. They crowded around young tiger Lord with hypocritical and hideous smiles on their faces!

It was obvious that they didn't have much of a relationship with young tiger Lord. The only reason they were trying to please him was for his power, status, and wealth!

young tiger Lord is still the same as before. He's so handsome and charming. I'm so envious!

He Qingxi complimented him and quickly gestured for young tiger Lord to sit down.

This young tiger Lord obviously had the highest status, as he sat in the center seat without any hesitation. The six Demonesses also did not show any modesty, and directly sat on the VIP seats on both sides.

All of a sudden, the remaining people were squeezed into the position of accompanying.

Of course, no one dared to say anything. After all, this young tiger Lord was no ordinary person.

"Qing bao! Ask your friend to come over and sit with us!"

After settling the young masters, he Qingxi called for qing bao to call Chen Xiaobei over.

Very quickly, qing bao and Chen Xiaobei walked side by side with e Huo Yuntian following behind.

Qing bao, this girl, was beautiful and lovely. Her long legs were white and tender, and her every move exuded a youthful vigor, making people like her at first sight.

Young master Hu and the other young masters' eyes fell on qing bao almost immediately, and they couldn't take their eyes off her.

The six Demonesses next to him all looked at qing bao with envious, jealous, and even hateful eyes!

“Come! I’ll introduce them to everyone!”

this is qing bao,” he Qingxi said enthusiastically. we were childhood sweethearts and grew up together. I’ve always treated her like a sister! I hope that everyone will take care of her for my sake!”

“Hello, everyone.” Qing bao nodded with a sweet smile, very polite.

At this moment, the three young masters present were all staring at qing bao! Even if this girl’s looks were not the best, they were definitely of a first-class standard! It was tens of thousands of times better than the six ordinary women that young tiger Lord had brought!

Soon, the young man with Crimson fur and looked like a Gorilla was the first to stand up. His eyes were filled with excitement as he said, ” “Miss qing bao, I’m yuan kuangbiao! You’re so beautiful! I’ve long heard from keixi that he has someone he likes, and that person must be you!”

“Biaozi! Can’t you be more tactful with your words? She was still a little girl! Don’t scare them!”

Then, the skinny young man with horns on his head also stood up. “Miss qing bao, I am Yang Zhuo mufeng! My family is in the spirit herb business, it’s a pleasure to meet you!”

“Cough cough!”

At this moment, young tiger Lord suddenly coughed twice.

Yuan kuangbiao and Yang Zhuo mufeng were slightly startled. They looked at each other and quickly sat down, not continuing to talk to qing bao.

“Miss qing bao! Hello there!”

Young tiger Lord stood up with a glass of wine in his hand. He smiled and said, ” “I’m Zhan Lu, chenghu! Since this is our first meeting, let me offer you a toast! I hope we can be good friends!”

After saying that, Zhan Lu and chenghu drank the wine in one gulp in a very straightforward and heroic manner!

A toast was originally a sign of friendliness, and a toast also showed sincerity!

However, qing bao was embarrassed and even a little overwhelmed. He said weakly, ” young master Hu, please forgive me. I ... I don’t know how to drink ...

As soon as he said this, the six Demonesses began to make a fuss.

“Miss qing bao! You’d better watch clearly! The person who proposed a toast to you is our young tiger Lord! Normally, it was the others who fought to toast to young tiger Lord! It’s your greatest honor to have young master Hu offer you a toast!”

“Isn’t it? If young tiger Lord can give me a toast, I’ll wake up laughing at night!”

“To put it bluntly, miss qing bao, you simply don’t know how to appreciate favors! You’re going to suffer if you embarrass young tiger Lord!”

.....

I ... qing bao frowned and quickly explained, " "I know young master Hu has good intentions, but I really don't know how to drink! Master has never allowed me to drink since I was young. If young master Hu doesn't believe me, big brother Qingxi can testify for me!"

Zhan Lu's face darkened instantly. He glared at he Qingxi coldly, clearly displeased.

"Uh ..."

He Qingxi's expression darkened as he said in a low voice, " "Qing bao, young tiger Lord is not an ordinary person! You were still young a few years ago, so it was normal that you didn't know how to drink! But now that you've grown up, you can try to drink a little!"

brother Qingxi ... qing Bao's entire body trembled, and her little face was instantly filled with disappointment."You've changed! You've always protected me in the past! Towards me! He's never made me do anything I don't like!"

I ... I had no choice ... he Qingxi said in a low voice."Young tiger Lord's status in the red Lotus capital is extremely high! Even my father wouldn't dare to embarrass young tiger Lord, let alone you and me!"

As soon as he said that, the few people at the same table began to make a fuss."Ha! Hurry up and drink! If you don't give young tiger Lord face, you're making us your enemies! Even he Qingxi can't protect you!"

All of a sudden, all the pressure was concentrated on qing bao, making her feel extremely wronged and helpless!

Even he Qingxi, whom he trusted the most, could not be relied on. Could it be that in the face of power, he could only bow his head obediently and do things that he did not want to do?

But just as qing bao was about to give up, Chen Xiaobei stood up.

"Young tiger Lord, it was a good gesture! But the little girl doesn't know how to drink. If you force her again and again, your good intentions will change, and it will become malicious!"

"Why don't we do this?" Chen Xiaobei said, smiling. I'll drink this cup of wine on behalf of qing bao! It's also a way to save young master Hu's face!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2835: heaven and hell**

Chen Xiaobei had always been a soft-spoken person. Young lord Hu and his men had been forcing qing bao to drink. If this was in the past, Chen Xiaobei would not have been so nice to them!

But now, Chen Xiaobei was trying to smooth things over with a smile!

It was not because Chen Xiaobei was afraid of them, but because he was concerned about he Qingxi's reputation.

After all, he Qingxi's attitude had been very good and he had helped a lot along the way! Chen Xiaobei could understand that he Qingxi would not dare to offend young master Hu!

So, even if it was to return he Qingxi's favor, Chen Xiaobei could not afford to fall out with young tiger Lord.

E Huo Yuntian couldn't help but be greatly startled when he saw the scene before him.

E Huo Yuntian knew Chen Xiaobei's personality very well. Overbearing! A fight without a word!

Chen Xiaobei was giving he Qingxi and Hu shaotian a lot of face by taking the initiative to smooth things over!

However, some people did not want face!

"You?"

Young lord Hu looked at Chen with disdain and said, "Who the hell are you? Do you think you're worthy of drinking with me?"

"Young master Hu, you don't know! This young master Chen is qing Bao's good friend!" He Qingxi quickly said. After a pause, he added, "Qing bao has a very good relationship with him! In fact, it's even better than our relationship!"

At first glance, it sounded like he was speaking up for Chen Xiaobei.

However, no one noticed the malicious glint in he Qingxi's eyes as he spoke.

Even a blind man could tell that Zhan Lu was interested in qing bao!

He Qingxi purposely emphasized Chen Xiaobei and qing Bao's relationship, which instantly enraged Zhan Lu and chenghu!

"Childe Chen?"

Zhan Lu narrowed his eyes and said coldly, "Is there a big clan with the surname Chen in Northern kuruzhou? This 'gongzi', is it something any random cat or dog can call?"

As soon as he said that, the crowd burst into laughter.

The six Demonesses laughed and said, "This Chen family's eldest young master doesn't have anything valuable on him! He didn't even have a big clan behind him! The only thing he was considered handsome was his appearance. Could he be a pretty boy who lived off a woman? Hehehe ..."

"Eldest young master Chen!"

Yang Zhuo Mu Feng grinned and sneered, "Looking at your shabby face, you should be in need of money, right? Are you interested in working for my family's medicinal herbs Chamber of Commerce? Ten upper-grade spirit stones a month is enough for you to live a carefree life in the lower class of society!"

heh, ten upper spiritual stones are equivalent to 100000 medium spiritual stones. You can live a good life in the lower class!

Yuan kuangbiao also openly mocked, "However, the cheapest dish on our table today costs 200 upper spiritual stones! The Chen family's eldest young master couldn't even save up this much money after working hard for an entire year! He was quite pitiful! Hahaha ..."

In an instant, everyone at the scene burst into laughter.

Even Zhan Lu and chenghu could not help but sneer, looking at Chen Xiaobei with contempt and disdain.

It was as if he was saying, "you stinky loser, what do you have to compete with me?"

However, Chen Xiaobei was not moved by the crowd's mockery. In fact, he even felt like laughing!

In terms of the power behind him! In terms of wealth! A single hair on Chen Xiaobei's body was enough to crush hundreds of people!

All of them were sneering at Chen Xiaobei. In Chen Xiaobei's eyes, they were just a bunch of clowns!

Chen Xiaobei did not bother to argue with them.

"Enough!"

Chen Xiaobei's mind was as calm as a mountain, but qing bao could not take it anymore. "Young master Chen is the person I respect the most! I'll allow you to humiliate him!"

"Miss qing bao! I heard that qinxi has been pursuing you for many years, but you just won't accept him!"

Yuan kuangbiao stood up, his eyes filled with anger, could it be that the reason you rejected Qingxi was because of this brat? "

"Miss qing bao! You're not young anymore, so don't be too naive when you look at problems!"

Yang Zhuo and Mu Feng also stood up, "this poor kid is 108000 times worse than our Qing Xi!" Compared to young tiger Lord, he was countless times worse! Can't you like anyone? Why did he like this kind of trash? We can't stand it, your parents will never agree to you two being together!"

Qing bao was furious. She clenched her fists tightly, and her patience had reached its limit. "Young master Chen and I are not in the kind of relationship you are talking about! Don't blame me for being impolite if you dare to talk nonsense again!"

It was obvious that qing bao was the personal disciple of immortal dugu zang. Although he was still young, he already had the cultivation of a six-star earth-god!

As for the young masters present, although they were much older than qing bao, their talents were far from his.

Therefore, their cultivation was far from qing Bao's!

Among them, Zhan Lu, chenghu, and he Qingxi had the strongest cultivation. They were only peak four-star earth-god! If they angered qing bao, no one in the room would have a good time!

"Qing bao! You can't do it!"

He Qingxi quickly leaned over and whispered, " "This is the territory of heavenly Yin Hall! If you reveal the cultivation technique of the nine nether platform, you'll be in big trouble!"

As soon as he said this, qing bao was discouraged on the spot!

The nine nether platform of heavenly Yin Hall was in a state of tension. Once qing Bao's identity was exposed, the consequences would be unimaginable!

Seeing that qing bao had lost his temper, everyone became even more arrogant!

"The one surnamed Chen! There is no place for you here! Get lost!" Yang Zhuo Mu Feng laughed coldly.

"Hurry up and get lost! Don't disturb miss qing bao and young tiger Lord's drinking and heart-to-heart talk!" Yuan kuangbiao was even more agitated, he wanted to throw Chen Xiaobei out of the room.

"No! Why did you let him go?"

Zhan Lu laughed coldly, "eldest young master Chen, miss qing bao cares so much about you!" I'll definitely listen to you! If you ask her to drink at a loss, she will definitely agree!"

Humiliation! This was an insult to Chen Xiaobei!

In everyone's eyes, Chen Xiaobei was qing Bao's old friend. Zhan Lu asking Chen Xiaobei to persuade qing bao to drink with him was like asking Chen Xiaobei to make a cuckold out of himself!

To a man, this was the ultimate humiliation!

There was no doubt that Chen Xiaobei would not agree!

Even though Chen Xiaobei was not qing Bao's boyfriend, he would not force her to do something she did not want to do just to save face for others!

Besides, Chen Xiaobei had already given him face!

"Little brat! What are you still doing? Young master Hu is giving you a chance! Listen to young master Hu's words and make him happy, and you'll be able to soar and live a life of superiority!"

"This kind of opportunity to rise to the heavens in a single step, how many people cry and shout but can't get it! Kid, you've really hit the jackpot!"

"Of course, if you dare to reject young tiger Lord, don't even think about leaving here alive! Heaven and hell with a single thought! Don't choose the wrong one! At that time, it'll be too late to regret!"

Everyone was putting pressure on Chen Xiaobei! With both temptation and threat, there was no way Chen Xiaobei would not bow down and give in!

Chen Xiaobei's patience was running out. "I've just given you heaven, but you just want to charge into hell! Since that's the case, I'll fulfill your wish!"

#### **Chapter 2836: breaking it in one move**

Heaven with a single thought! Hell with a single thought!

Just now, Chen Xiaobei had picked up his wine glass with a smile and tried to smooth things over!

If everyone were to accept it, there would definitely be a happy ending Tonight!

They might even become Chen Xiaobei's friends! Chen Xiaobei would also give them unimaginable benefits and a bright future!

Without a doubt, that would be a Wonderful Life as if he had ascended to heaven!

But unfortunately!

Not only did they not accept Chen Xiaobei's kindness, they even mocked him and threatened him with their lives!

From the moment Chen Xiaobei's patience ran out, the people at the scene were already half a step into hell!

However, they were still unaware of it!

"Little bastard! Young tiger Lord gave you face! You're so f \* cking shameless!"

Yang Zhuo Mu Feng angrily shouted, "you're still allowing us to go to hell?" You're basically using your life to act tough!"

"Why are you still wasting your breath on him?" Yuan kuangbiao roared out with a murderous look, "This is the Red Lotus capital city! It's our territory! If we let this little bastard leave here alive today, where will we put our faces?"

As he spoke, Yang Zhuo mufeng and Yuan kuangbiao stood out, ready to attack Chen Xiaobei.

Seeing this, he Qingxi quickly shouted, " "You two, don't be rash! Young master Chen's guards were extremely powerful! You're not his match!"

"Guards?"

Yang Zhuo mufeng and Yuan kuangbiao squinted their eyes as they looked at e Huo Yuntian and said disdainfully: "Hmph! Wasn't it just one person? What's the big deal? We have more than 20 bodyguards, and they are all waiting downstairs! Should I call him up?"

"Don't! Don't be rash! "If you have something to say, say it properly ..." He Qingxi pretended to dissuade him, but he didn't actually do anything.

"It doesn't matter!"

Chen Xiaobei did not change his expression and said, " "No matter if it's a one-on-one fight or a group fight, no matter how many people you want to call, I'll accompany you to the end!"

"Young master Chen! Don't be rash!"

Qing bao was anxious. He lowered his voice and said, " "I can't make a move. Otherwise, my identity will be exposed! And the bodyguards of the three families were all very powerful! You only have one guard. You're definitely not their match!"

"You brat, you're too pretentious!"

“If you’re a man, then let’s fight one-on-one!” Yuan kuangbiao coldly replied. He didn’t call for guards and bodyguards, and he didn’t use his trump cards and magical treasures! He would fight with his true ability! Do you dare to?”

master, don’t agree to his request ... e Huo Yuntian hurriedly reminded.

In this private room, e Huo Yuntian’s cultivation was the highest. Others could not see through his cultivation, but he had already seen through everyone’s cultivation by using his primordial spirit domain.

This Yuan kuangbiao had the cultivation of a late-stage golden core, the same as Chen Xiaobei!

However, demons could take on the form of demonic beasts, and with the enhancement of their Wild Talents, they could crush humans of the same level!

Chen Xiaobei had just broken through to the late-stage small realm, and he had no chance of winning against Yuan kuangbiao!

“If you don’t dare to fight with Biao Zi, then fight with me!”

Yang zhuomu sneered coldly, “my cultivation is the same as Biao Zi, but my battle talent is not as good as his. If you don’t even dare to fight me one-on-one!” What face did he still have to stand here? Just find a hole in the ground and hide in it!”

“Heh, trash will always be trash!” “Other than acting tough, he doesn’t have any real ability!” Zhan Lu laughed coldly.

The six Demonesses also sneered, “Young master Hu is right! That kid is trash! You keep saying that you’ll help us? In the end, he didn’t even dare to have a one-on-one fight! He was hitting himself! Hahaha ...”

Qing Bao’s and E Huo Yuntian’s faces turned extremely unsightly upon hearing this.

Both of them thought that Chen Xiaobei would not dare to fight them one-on-one, so Chen Xiaobei would have to bear all the humiliation!

He was acting cool! Seeking death! Face smacking!

Each of the other party’s mocking words was like a huge rock that pressed down on qing bao and e Huo Yuntian’s chest, making them extremely depressed and helpless!

However, just when everyone thought that Chen Xiaobei would not dare to fight him one-on-one, Chen Xiaobei’s next words made their eyes pop out of their sockets!

“It’s not that I don’t dare to fight one-on-one, but you guys are not qualified to fight me one-on-one!”

Chen Xiaobei’s tone was calm but extremely domineering, “All of you, come at me together! Don’t waste time on them one by one!”

“What? All together?”

As soon as he said that, the crowd exploded!

“Numbed! I’ve seen a lot of pretentious people, but I’ve never seen anyone pretentious like this!”

Zhan Lu was extremely furious and shouted, "Biao Zi!" Wood wind! Both of you, come at me together! Dig out that kid's golden core! His hands and legs would be chopped off! Let him be a good-for-nothing forever! Trash! Scumbag!"

"Why attack together? I'm enough!" Yang Zhuomu Feng smiled coldly, channeled his ethereal force and walked towards Chen Xiaobei.

"Hmph Hmph!" "Little bastard, your time of death has arrived!" Yuan Kuangbiao sneered.

Seeing this, Qing Bao and Huo Yuntian became nervous. They were ready to help Chen Xiaobei.

"You guys can't do anything!" He Qingxi quickly said. Otherwise, if we break the rules, the three families will also call for reinforcements. At that time, the situation will be out of control!"

Qing Bao and Huo Yuntian wanted to attack, but they couldn't!

After all, Chen Xiaobei's plan had not succeeded yet. If things got out of hand, it would affect Chen Xiaobei's entire plan!

Although Qing Bao and Huo Yuntian were extremely worried, they could only hold it in. They were about to die of grievance!

"Whoosh!"

At the same time, Yang Zhuomu Feng's body had already started to circulate the powerful green wood true essence!

With a combat power of 85 million and a special cultivation technique, a pair of green wooden awls appeared on the horns on his head!

"Go to hell!"

Yang Zhuomu Feng lowered his head and kicked Chen Xiaobei with his horns like a mad RAM.

The talent of demonic beasts was indeed outstanding!

This attack should have only been 8500000 combat power, but Yang Zhuomu Feng's speed was even faster, and his skill was not low either!

Therefore, the actual combat power that erupted from this attack had actually been secretly boosted!

Humans of the same level would definitely be at a disadvantage if they fought against it! The weaker humans would probably have two large holes in their bodies in the first exchange of blows!

Yang Zhuomu Feng's plan was very precise. The angle of his horns was just right, enough to pierce through Chen Xiaobei's heart and head!

Zhan Lu, Yuan Kuangbiao, and the six Demonesses grinned as if they could already see the scene of Chen Xiaobei being killed in seconds!

A sinister smile flashed across He Qingxi's eyes, as if his scheme had succeeded!

"Swish!"

However, what happened next froze their smiles and gradually turned into extreme shock and astonishment!

Chen Xiaobei's left hand reached out like a dragon exploring the ocean and caught one of yang zhuomufeng's horns!

"Crack!"

In a flash, Chen Xiaobei's right hand turned into a claw and tapped on Yang Zhuo mufeng's shoulder!

Then, he lifted the horn with his left hand and pressed down on his shoulder with his right hand!

A crisp sound!

Yang zhuomu Feng's neck was broken by Chen Xiaobei!

#### **Chapter 2837: not using force**

This ...

"How is this possible?!"

In an instant, the entire place fell into a deathly silence!

Everyone's eyes were fixed on Chen Xiaobei. Their pupils could not help but contract, and they could not help but gasp as if they had seen a ghost!

Yang Zhuo Mu Feng! He had a late-stage golden core cultivation! He even had the support of his demonic beast talent! It was enough to overwhelm any human of the same level!

No one could have imagined it even in their dreams! Chen Xiaobei had only used one move to break yang zhuomu Feng's neck! It was as easy as breaking a chopstick!

This was simply unbelievable!

"Bastard! How dare you kill my brother! I want you to die a horrible death!"

Yuan kuangbiao roared like a mad Gorilla. He wanted to pounce on Chen Xiaobei and tear him into pieces!

"I told you all to come at me together! Do you think I'm joking?"

not only that! Chen Xiaobei said, "the two of you must die too! From the moment you threatened me with your lives, you were destined to go to hell!"

The two people Chen Xiaobei was talking about were Zhan Lu, chenghu, and Yuan kuangbiao!

At the sight of this scene, the six demonic women all exclaimed in shock!

"This is crazy! This kid must be crazy! He actually dared to kill young master Mu Feng! This is a declaration of war against the entire Yang Zhuo clan!"

“He actually wants to kill young master Kuang Biao and young tiger Lord? Do you not want to leave the Red Lotus capital alive?”

“There’s no suspense! This brat was destined to die! No one can save him!”

.....

“Young tiger Lord!”

Yuan kuangbiao’s eyes widened in anger as he bared his teeth and roared, “Did you hear that? That brat still wanted to kill you and me! He’s completely looking down on us!”

“Don’t be rash!”

Zhan Lu was relatively calm. He frowned and said, “That kid’s combat strength is very strange! He’s only at the late-stage of the Aurous core stage, but he exploded with the power of the peak of the Aurous core stage!”

After all, Zhan Lu’s cultivation was one level higher than Chen Xiaobei’s. He had seen everything that Chen Xiaobei had done!

In fact, e Huo Yuntian, qing bao, and he Qingxi had all clearly seen the situation just now!

However, none of them could understand how Chen Xiaobei was able to unleash a power that was one small realm higher than his own cultivation!

This was simply too illogical!

Of course, the reason why they could not figure it out was because they knew nothing about Chen Xiaobei’s trump card!

Chen Xiaobei’s strength had increased by an abnormal amount. He had clearly used the primordial Witch King combat enhancement training manual!

This divine skill was given to Chen Xiaobei by the prime of Tongtian. It could increase his combat power by 30%!

Chen Xiaobei’s combat power was 85 million!

After using the primordial Witch King combat enhancement training manual, the price would rise to 110.5 million!

This was 500000 more than the combat power of a Peak Gold core realm cultivator!

With the help of the heaven-killing tyrant body technique, Chen Xiaobei’s physique had long been raised to the level of a four-star earth-god, so he could withstand this power!

Because of that, Chen Xiaobei’s full power was one small realm higher than Yang Zhuo and Mu Feng’s!

The absolute advantage in power caused Yang Zhuo Mu Feng to be unable to resist at all, and was instantly killed!

“So what if you’re at the peak of the Golden core stage? I, Yuan kuangbiao, am not afraid of him! Roar!”

Yuan kuangbiao suddenly let out a furious roar and directly transformed back into his demonic beast form!

His height and muscles began to expand, and his clothes were torn and fell!

Dense red hair grew out of his skin!

Long and narrow fangs grew out of its mouth, and sharp claws grew out of its limbs!

In just a short moment, Yuan kuangbiao had completely transformed from a human youth into a demonic beast giant ape!

“Roar!”

The giant ape’s eyes were blood red as it roared into the sky! That terrifying sound wave caused pain in one’s eardrums and made one’s heart panic!

At the same time, the giant ape pounded its chest with its arms to show off its strength and strength! It also burst forth with a terrifying and overbearing pressure!

“What a wild demonic beast!”

E Huo Yuntian’s brows were tightly knitted. He quickly reminded, “Master! You must be careful! This giant ape’s combat talent was extremely high! After transforming into a demonic beast, its strength and speed will skyrocket, even comparable to a peak golden core cultivator!”

“Not only that!”

Qing bao added, “the yuan family’s” violent martial battle tactics “is famous all over the world, and it can even increase his combat power and speed!” A human at the peak of the Golden core stage is not his opponent at all!”

“Don’t hit me! Everyone, stop! let’s talk things out ... he Qingxi shouted twice, but he had no intention of stopping her.

“Die!”

Yuan kuangbiao roared and charged at Chen Xiaobei!

The giant ape’s heavy fist was like a huge Warhammer! With the demonic beast talent and the violent warrior tactics, his actual combat power was already higher than Chen Xiaobei’s!

“Bastard! I don’t believe that you won’t die this time!” Zhan Lu laughed coldly as he waited for Chen Xiaobei to be killed by the crazy giant ape!

The six Demonesses were also beaming with joy and anticipation!

“Shit! It’s too late!” E Huo Yuntian and qing bao were extremely worried. The giant ape’s fist was already in front of Chen Xiaobei, and it was too late for them to attack!

The moment they clashed, it was up to Chen Xiaobei to decide whether they would live or die!

“Woof!”

The hammer-like fist enveloped Chen Xiaobei's body, as if it was going to smash him into a pulp! heh, it's not that I'm trying to act cool, but anyone below the nascent Soul Stage is trash in front of me! Chen Xiaobei chuckled and extended a finger.

That's right!

With just one finger, he met the giant ape's terrifying fist head on!

"Bang! Whoosh ..."

With a muffled sound, a strong wave of energy spread out, and all the tables and chairs in the room were shattered and scattered.

Just the spreading of the energy was already so terrifying! The power at the core of the confrontation was even more obvious! It was enough to completely crush anyone with a weak physique into meat paste!

However!

Chen Xiaobei had only used one finger to block the giant ape's full-powered punch!

More importantly, Chen Xiaobei did not even move a single step!

"

On the contrary, the giant ape quickly withdrew its hand and cried out in pain, "My finger ... My finger is broken! Aowuu ..."

Everyone looked carefully and immediately saw that the joint of the giant ape's middle finger had been pierced, and there was a small bloody hole!

With the bloody hole as the center, the entire finger bone was bent at a 90-degree angle, completely broken!

This meant that Chen Xiaobei's finger had not only blocked the giant ape's punch! He even broke the giant ape's finger bone with a single finger!

Under everyone's shocked gazes, Chen Xiaobei added, "Why are you screaming so miserably? I haven't even used my full strength yet!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2838: come at me together**

He didn't use his strength? How was this possible?

Everyone was shocked by Chen Xiaobei's words!

Yuan kuangbiao had already transformed into his demonic beast form and his strength was comparable to a peak golden core cultivator. Chen Xiaobei was not injured at all, and he did not even take a step back, but Yuan kuangbiao's middle finger was broken!

In the end, Chen Xiaobei said that he did not even use his full strength?

Even a three-year-old child wouldn't believe such nonsense if it were to spread out!

However, everyone present had witnessed the truth with their own eyes! Chen Xiaobei did not even use his full strength. He was using his physical strength to withstand Yuan kuangbiao's attack!

Yuan kuangbiao's punch was also around 110 million combat power, but Chen Xiaobei's physical strength had reached 150 million!

Because of this, Yuan kuangbiao's full-powered punch, which was like an ordinary person using all his strength, ended up hitting a nail heavily!

Of course, Yuan kuangbiao's fist was countless times more powerful than an ordinary person's! Chen Xiaobei's fingers were even tougher than nails!

Not only did Yuan kuangbiao's punch pierce through Chen Xiaobei's skin, but his bones were also broken by Chen Xiaobei's fingers!

Chen Xiaobei, on the other hand, did not even use his full strength!

Shocking!

Everyone at the scene was in extreme shock!

In their eyes, Chen Xiaobei was only a late-stage golden core cultivator!

However, Chen Xiaobei's strength had far exceeded the limits of his cultivation when he broke yang zhuomufeng's neck!

Now that Chen Xiaobei had broken Yuan kuangbiao's finger, his physical strength had far exceeded his current level!

This was completely illogical!

Normal people would not be able to understand how Chen Xiaobei did it!

If they didn't see it with their own eyes, they wouldn't even believe it was real!

"Swish!"

While everyone was still in shock, Chen Xiaobei did not just sit around!

He did not use his full strength earlier, but now, he was using all his strength!

With the help of the primordial Witch King combat enhancement training manual, his strength soared to the peak of the Golden core realm!

Chen Xiaobei's speed had also reached the same level. In the blink of an eye, he was right in front of Yuan kuangbiao!

"I took a punch from you just now. Now it's your turn to take a punch from me!"

Chen Xiaobei raised his eyebrows, bent his right arm backward and clenched his fist!

In an instant, the power of ethereal force, physical strength, and Divine Art were all gathered on Chen Xiaobei's fist!

"You little brat! Stop acting tough! Even if your physical body is strong, your strength is at the same level as mine! So what if I take a punch from you?"

Yuan kuangbiao remained in his demonic beast form. He did not think that he would lose to Chen Xiaobei.

After all, the reason why his finger was broken was because Yuan kuangbiao was too focused on attacking and was caught off guard. That was why he suffered such a huge loss!

But at this moment, Yuan kuangbiao was only thinking about defense. He circulated his protective Zhen Yuan with all his might, covering his entire body without leaving any blind spots!

That was why Chen Xiaobei could not break Yuan kuangbiao's ethereal force shield when they were at the same level of strength!

Yuan kuangbiao was naturally filled with confidence and wasn't afraid at all!

"BOOM!"

The next moment, Chen Xiaobei's fist landed on Yuan kuangbiao's body-protection ethereal force like a meteorite!

"BOOM!"

However, in the blink of an eye, Yuan kuangbiao's confident protective Zhen Yuan was shattered!

"No... This is impossible! This is impossible ... How did that kid's power get stronger again?"

Yuan kuangbiao was instantly dumbfounded. His pupils involuntarily contracted, his heart suddenly clenched, and his scalp went numb!

The threat of death immediately enveloped Yuan kuangbiao, causing him to sink into complete despair!

"You know how to use battle tactics? Don't I know how to do it?"

what's the matter?" Chen Xiaobei asked coldly. The power of his fist pierced through Yuan kuangbiao's body-protection true Yuan and landed on the center of Yuan kuangbiao's chest!

Battle tactics!

There was no mistake! Chen Xiaobei's punch was using the star Battle technique of ten thousand beasts!

This divine-level combat technique, on top of the primordial Witch King combat enhancement training manual, gave Chen Xiaobei a second level of strength boost!

Due to this, the power of this punch was not on the same level as Yuan kuangbiao!

Instead, he had completely crushed Yuan kuangbiao!

"Bang!"

Chen Xiaobei's fist landed squarely on Yuan kuangbiao's chest!

In the next moment, that terrifying destructive force suddenly poured into Yuan kuangbiao's chest!

From the front, Yuan kuangbiao's body didn't seem to have changed much!

"Pfft ..."

However, Yuan kuangbiao's back suddenly exploded!

The skin on his entire back split open and his flesh split open, his bones and bones completely shattered! His heart and lungs exploded, and he died instantly!

Shocking!

He was extremely shocked!

Just a moment ago, everyone thought that Chen Xiaobei had no chance of winning. But now, Chen Xiaobei had just killed Yuan kuangbiao with one punch!

It was as powerful as crushing dry weeds and rotten wood!

Not only had this punch killed Yuan kuangbiao, it had also caused an extreme shock to the hearts of everyone present!

"Young master Chen is so strong!" Qing bao was so shocked that she could not believe her eyes.

"Yeah ... He's really too strong ..."

E Huo Yuntian swallowed his saliva and said, "Master's Foundation is unfathomably deep ... What I've seen before is probably only the tip of the iceberg!"

He Qingxi was also frozen on the spot, his face dark. He did not expect Chen Xiaobei to be able to pass two levels in a row!

"Da da da ..."

At this moment, a series of hurried footsteps came from outside the private room. The bodyguards of the three families all rushed up.

When Chen Xiaobei broke Yang Zhuo mufeng's neck earlier, it did not cause much of a commotion.

However, the punch just now had a strong true essence fluctuation and an extremely shocking sound. Naturally, it immediately alerted those bodyguards!

"Young master Mu Feng! Young master kuangbiao! You ... How did you all die ... Who are you?! Who did this? We must kill him!"

The yuan family and Yang Zhuo family's bodyguards wailed.

Looking at the two dead bodies, the bodyguards were certain that they had to kill the murderer at all costs!

It wasn't because of their loyalty, but because if they couldn't kill the murderer, all of them would die!

After all, the enemy and the Yang Zhuo clan were both influential families! If two young masters lost their lives, the bodyguards would definitely not escape responsibility!

all of you, shut up!!!

However, at this moment, Zhan Lu suddenly roared!

The terrifying pressure instantly intimidated the group of bodyguards and made them shut up one after another. They didn't even dare to breathe loudly!

"You little bastard!"

Zhan Lu glared at Chen Xiaobei and said coldly, "You killed two of my Good Brothers! I'm going to personally wring your head off and offer it to their souls in heaven!"

"Funny! I've already told you to come at me together, but where did you get your confidence from? They just want to be killed one by one!" it's not too late now! Call the bodyguards to come with you! Chen Xiaobei said.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2839**

2839 One big and two small

"Get the bodyguards to attack together? Little bastard! You're too arrogant!"

Zhan Lu and chenghu's face turned gloomy and their eyes glowed with ferocity as they shouted, "Even if you have the power of a peak Jindan, even if you have a powerful battle technique! But this young master already has the strength of a peak Yuanying stage cultivator! He's a whole realm higher than you!"

"It's no exaggeration to say that if this young master wants to crush you, it'll be as easy as crushing an ant! You actually want me to call my bodyguards to attack together? You're deliberately humiliating me! You're even using your life to act tough!"

Obviously, other than having a high status and a good family background, Zhan Lu also had superb strength that was above his peers!

Usually, Zhan Lu and chenghu could easily defeat opponents of the same level!

Chen Xiaobei's cultivation level was one level lower than Zhan Lu's, but he wanted Zhan Lu to call his bodyguards to attack him together!

This was clearly an insult to Zhan Lu and a slap to his face!

If Zhan Lu and chenghu had really called their bodyguards to gang up on Chen Xiaobei, even if they won in the end, this matter would become the biggest joke in the world!

He, Zhan Lu, chenghu, would become the laughingstock of the entire Red Lotus capital city! It wouldn't be an exaggeration to laugh until one's teeth dropped!

"Then come!"

that's great! I also want to see what it feels like to defeat a demonic beast that's one major realm higher than me! Chen Xiaobei said with a smile.

Chen Xiaobei had once defeated an opponent who was a whole realm higher than him in the sect competition at the Putuo City branch in Tianji city.

However, his opponent was a human, so there was no additional boost to his combat strength!

But this time, Chen Xiaobei was going to fight Zhan Lu and Chenghu one-on-one! As a demon, Zhan Lu could transform back to his demon beast form when he was in the form of a Tiger! Obtain bestial wild talent's bonus!

From a certain perspective, Chen Xiaobei's battle was more than just a fight across a major realm!

Instead, it was crossing a major realm and a minor realm!

Throughout history, no one had ever won against such a terrifying difference in strength!

Chen Xiaobei was confident that he would be the first person to create this world!

"You reckless fool! Do you think this young master is a vegetarian?! Wuwuwuwu!"

Zhan Lu was already burning with rage. With a deafening roar, he also began to transform into his demonic beast form!

In an instant, the gorgeous brocade robe was directly shattered. His muscles and bones began to change shape, and fur began to grow on his skin!

Very quickly, Zhan Lu transformed from a young man into a huge Tiger!

This ferocious Tiger had fangs that were like long swords, golden mane, sharp claws, and a murderous aura that seemed to have substance!

The Mad Tiger was truly enraged, and its roar shook a thousand mountains!

The pressure and killing intent that came with that roar instantly sent chills down the bodyguards' spines!

Even Qing Bao and Huo Yuntian felt a little uneasy!

The six Demonesses were scared out of their wits. Their legs went soft as they scrambled out of the private room.

"Young master Chen, do you really want a one-on-one fight?"

Qing Bao frowned and was very worried. "Zhan Lu's strength is enough to crush humans of the same level! Even among demonic beasts of the same level, they were considered to be above average! Young master Chen is far too inferior ..."

"Looking at this situation ... Master definitely won't let us interfere ..."

E Huo Yuntian swallowed his saliva and muttered, "Master ... Although you always surprise me, shock me, and make me admire you ... This time, you've gone too far! The difference was one major realm and one minor realm! This kind of battle is simply suicide ..."

"Woof! Buzzzzzz! Yi ..."

In an instant, the metal-type vital essence that was as sharp as a sword suddenly circulated around Zhan Lu's body!

With Zhan Lu as the center, countless true core energies, like countless blades, rolled up a bright and sharp metal Storm!

The countless sharp edges were all enhanced with great strength. It was as if time and space were about to be cut apart. It was intimidating and no one dared to approach it!

The group of bodyguards cheered excitedly when they saw this.

"He's too strong! Was this the strength of young tiger Lord? With the addition of bestiality and the 'sword explosion battle technique' of the Zhan Lu family, this power is enough to crush most opponents of the same level!"

"That's a must! Young tiger Lord's combat power was actually 20 to 30 million combat power higher than a peak nascent soul cultivator! It's equivalent to being one minor realm higher!"

"Young tiger Lord is mighty! That little bastard definitely had no chance of survival! As long as young master Hu kills him, it would be equivalent to avenging young master mufeng and young master kuangbiao, and we would be able to answer to the family!"

"Go! Young tiger Lord! Kill that little bastard! Young tiger Lord is mighty! Young tiger Lord, you're so domineering ..."

The group of bodyguards was extremely excited, especially the yuan and Yang Zhuo family's bodyguards. They were extremely happy!

In their eyes, Chen Xiaobei and Zhan Lu's one-on-one fight was like an ant fighting a ferocious Tiger. There was no chance of winning!

As long as Chen Xiaobei was dead, the revenge of the two dead men would be taken, and the bodyguards of the two families would not have to be buried with them!

That was why when the two bodyguards saw that Chen Xiaobei was going to fight Zhan Lu and chenghu one-on-one, they were overjoyed!

"Little bastard! Are you ready? I'm going to kill you immediately! I'll let you suffer the cruelest torture! I'll make you regret everything you've done! I'll even make you regret being born in this world!"

Zhan Lu's Tiger-like angry eyes were burning with flames.

His hatred for Chen Xiaobei had made him even more cold-blooded and brutal.

At that moment, Zhan Lu had already started to think about how he would torture Chen Xiaobei after he defeated him so that he would feel the most pain!

“You speak too much nonsense!”

Even in such a situation, Chen Xiaobei remained calm and fearless. He said calmly, “If I were you, I would quickly leave behind my last words! And not say those meaningless words!”

“Numbing! The person who should leave behind his last words is clearly you, you little bastard!” Zhan Lu felt that he had been greatly provoked, and the battle intent in his chest was boiling, while his killing intent soared to the extreme!

In Zhan Lu’s heart, not even God could save Chen Xiaobei today!

boom boom boom!!!

Extreme battle intent! Killing intent! Hatred! Anger! All of them erupted at this moment! He had actually forced out the potential of Zhan Lu’s Tiger form! It allowed Zhan Lu to display an unprecedented tyrannical combat strength!

By their estimation, Zhan Lu’s combat power should be one level higher than Chen Xiaobei’s!

But now, his potential had been activated, allowing Zhan Lu’s combat power to surpass Chen Xiaobei’s by one major realm and two minor realms!

All eyes were on Chen Xiaobei! She was curious if Chen Xiaobei still dared to fight her one-on-one.

#### **Chapter 2840: victory decided**

Zhan Lu and chenghu were already strong enough!

But Chen Xiaobei’s provocation had triggered Zhan Lu’s potential!

Of course, this was not surprising. Zhan Lu was an extremely arrogant person. Normally, everyone would treat him with respect, but Chen Xiaobei did not take him seriously!

This made Zhan Lu chenghu feel like he had been humiliated! It was a great humiliation!

Extreme battle intent! Killing intent! Hatred! Anger! It was filled with the state of mind of a Tiger, affecting his mental energy and further stimulating the nerves in his entire body. It had unexpectedly stimulated the potential of his demonic beast form!

The crowd was not optimistic about Chen Xiaobei’s chances and now, Zhan Lu’s combat power had increased by a huge margin! Chen Xiaobei had no chance of winning!

From the looks of it, Chen Xiaobei was going back on his word and did not dare to continue the one-on-one fight!

No! That was not a one-on-one fight! It was a pure suicide!

“Whoosh ...”

Just when everyone thought that Chen Xiaobei would not dare to fight, Chen Xiaobei took a step forward and activated his ethereal force!

“You don’t know what’s good for you!”

Zhan Lu’s Tiger-like eyes were filled with ferocity. He stomped on the ground with his four claws, creating four large pits!

The huge pushing force caused his huge Tiger-shaped demon body to suddenly rush out at an extremely fast speed!

He raised his front claws with all his strength! It was two levels above the peak of the nascent Soul Stage, Swift and ferocious, capable of tearing an entire mountain apart!

The target of the claws was Chen Xiaobei’s dantian!

Obviously, Zhan Lu did not plan to kill Chen Xiaobei instantly. He wanted to destroy Chen Xiaobei’s cultivation first, then slowly torture him!

He wanted Chen Xiaobei to be in so much pain that he would rather die! He wanted Chen Xiaobei to regret what he had done! They even made Chen Xiaobei cry and kneel on the ground, kowtowing and begging for mercy!

“Boom ...”

There was no doubt that Chen Xiaobei would not back down even if the enemy was ferocious!

With a single thought, he activated the primordial Witch King combat enhancement training manual! Chen Xiaobei’s combat power was now at the pinnacle of the Golden core level!

“Whoosh ...”

Then, he activated his astral Beast Battle technique again, and a small universe appeared behind Chen Xiaobei’s head, further increasing his combat power!

“Woof! Buzzzzzz! Yi ...”

Chen Xiaobei did not stop there. His fingers moved rapidly, and in an instant, hundreds of hand seals were formed!

Mysterious finger technique! Ten fingers in a formation!

That’s right, Chen Xiaobei was using the four symbols killing formation to double his combat power and merge it with the Xuan formation to become even stronger!

A ten-finger formation was equivalent to ten Chen Xiaobeis forming a formation at the same time!

Chen Xiaobei had used the primordial Witch King combat enhancement training manual and the astral Beast Battle tactics to increase his strength twice!

If 10 of such powers were to form a Xuan formation and explode, a conservative estimate would be that it could unleash the power of an early nascent soul cultivator!

“Heavens! The ten-finger formation required one to do ten things at once! Even the strongest genius could not do it! Young master Chen is too amazing!” Qing bao was extremely shocked.

E Huo Yuntian also swallowed his saliva,"as expected!" Master is like an unfathomable black hole. We will never be able to see through how many secrets he has!"

"He's so strong!"

Even the group of bodyguards exclaimed, " "Who is that kid? He could actually form a formation with his ten fingers? From what I remember, only the old monsters at the highest level of the peak forces can do this ... This is too incredible!"

"Ten-finger formation? This kid was truly a monstrous talent! No wonder qing bao worships him so much!"

He Qingxi squinted his eyes. His expression did not change, but he was sneering in his heart. what a pity. The power of a mere early nascent soul realm cultivator is not even enough to fill the gaps between Zhan Lu's teeth!

"Roar!"

As expected, Zhan Lu did not seem to be bothered by Chen Xiaobei's sudden increase in strength. He did not slow down and was already in front of Chen Xiaobei!

Zhan Lu's current strength had exceeded the peak of the nascent Soul Stage by two small realms! Chen Xiaobei's early nascent Soul Stage was five small realms away from him!

Chen Xiaobei was still one major realm and one minor realm lower than Zhan Lu!

"Little bastard! You're already at death's door, aren't you afraid at all?"

Zhan Lu roared like a tiger, but he didn't attack immediately!

That was because Zhan Lu wanted to see Chen Xiaobei kneel down and beg for mercy before they even fought!

This was even more satisfying than crippling Chen Xiaobei and torturing him!

"Afraid?"

hehe! Chen Xiaobei laughed. you're the only one who should be afraid!

Chen Xiaobei's strength was clearly at a disadvantage, but he maintained his absolute dominance! He was full of confidence in this battle!

"The heavens have thirty-three levels, and the pill has three colors ...."

Suddenly, Chen Xiaobei mumbled to himself, " "Dazzling golden light! Dense purple light! It was colorless! With the three as one, the great Dao is in sight!"

Whoosh ... Whoosh ... Whoosh ...

Chen Xiaobei's glabella, chest, and dantian-the three places that had been pierced by external forces but were protected by Jiu fan's immortal Qi-suddenly emitted three rays of spiritual light!

Gold! Purple! Colorless!

In an instant, the three colors combined into one and gave birth to the great Dao of the Aurous core!

The five elements great Dao!

“The Golden core Dao? Oh my God! Young master Chen had comprehended the five elements Dao on the spot? I’m not dreaming, right?” Qing bao was dumbfounded and his scalp went numb. He could not believe his eyes.

“This is crazy! It was as difficult as ascending to heaven for ordinary people to comprehend the great Dao of the Golden core! A large portion of people are unable to comprehend it in their entire lives!”

E Huo Yuntian cried out in alarm, “but, at this very moment, master has actually gently comprehended his own golden core great Dao!” This is too, too, too crazy!”

“Did that kid cheat?”

The surrounding bodyguards ‘eyes almost fell out.”It feels like that kid doesn’t need to put in any effort at all. He can comprehend it whenever he wants! This ... This is even more awesome than cheating!”

“This is unbelievable ...”

He Qingxi’s face was livid. He was both envious and jealous.”I’m already a once-in-a-thousand-years genius of the wolf tribe, and I’ve already reached the peak of the original level! However, no matter how hard I tried, I couldn’t comprehend the way to the Golden core! It was not fair! This is so unfair!”

Even though everyone was exclaiming in shock, it was clear that Chen Xiaobei did not cheat!

Chen Xiaobei’s understanding of the way of the Golden core was unexpected, but it was completely within reason!

This was because Chen Xiaobei had already fully understood the secret of the five elements! In addition to that, Chen Xiaobei’s cultivation of the Scripture of heaven and earth had given him 100% true Yuan! In addition, there was the opportunity left behind by the Jiu fan immortal Qi! Naturally, Chen Xiaobei would be able to comprehend the way of the Golden core!

“The great Dao has been established, and the outcome has been decided!”

Chen Xiaobei’s tone was calm but domineering, ” “Kneel! Or death! You have three seconds to consider!”
