Red Envelope Group of the Three Realms

Chapter 2841

2841 Heaven-defying great Dao

“Are you f * cking crazy? It’s just comprehending the great Dao of the Golden core, what right do you have to think that you can win against me?”

Zhan Lu bared his fangs and roared. His aura and killing intent did not weaken at all!

He did not even think that he would lose to Chen Xiaobei.

After all, Chen Xiaobei could only unleash the combat power of an early stage nascent soul cultivator, while Zhan Jihu was a peak nascent soul cultivator with two additional levels of combat power!

Not only Zhan Jiuchenghu, but everyone around him was certain that even if Chen Xiaobei had comprehended the way of the Golden core, he would not be able to make up for the huge difference in strength between him and Zhan Jiuchenghu!

“Three seconds are up!”

Chen Xiaobei was too lazy to explain. His dark eyes were filled with murderous intent!

“Whoosh ...”

The next moment, the four symbols killing formation activated Chen Xiaobei’s maximum power!

That was equivalent to the power of an early Yuanying stage cultivator!

More importantly, under Chen Xiaobei’s control, this initial power existed in the form of fire element!

“I’m not trying to act cool! The Dao of the five elements is definitely achieved by the strongest Jindan, and can even surpass the God level!”

Chen Xiaobei activated the five elements Dao!

Fire begets earth! His initial strength had been converted to the earth attribute, and he had received a layer of enhancement!

Earth begets gold! His strength had been converted to the metal attribute, and he had obtained the second level of enhancement!

Gold begets water! His strength had been converted to water attribute, and he had obtained the third level of enhancement!

Water begets wood! His power turned into the wood attribute! He had obtained the fourth layer of enhancement!

Wood begets fire! His strength was finally converted back to the initial fire attribute, and he finally obtained the fifth level of enhancement!

At this point, the five elements great Dao had completed one circulation!

From the fluctuation of his ethereal force, Chen Xiaobei's strength had been raised by a small realm! His strength had reached the middle stage of the original level!

how ... How is this possible?!

Zhan Lu was shocked and his eyes widened like a bull's. "This ... Reaching the Golden core stage can actually forcefully increase one's strength! Furthermore, he had directly advanced a minor realm! This is simply too heaven-defying!"

At the same time, everyone at the scene was extremely shocked.

If they had not seen it with their own eyes, they would not have believed that Chen Xiaobei, who was only a late-stage golden core cultivator, could raise his combat power to mid-stage nascent soul in such a short time!

What was even more unbelievable was that Chen Xiaobei's combat power had not stopped increasing!

"Whoosh ..."

Very quickly, the five elements great Dao had completed another circulation!

This time, his initial strength was at the middle stage of the original level. After five rounds of enhancement, it soared to the late stage of the original level!

"Whoosh ..."

Chen Xiaobei did not stop and continued to channel the five elements Dao.

This time, his initial power had reached the advanced stage of the original level. After five levels of enhancement, it had reached the power of the peak of the original level!

"Oh my God ... How can his golden core Dao keep increasing his power? Was there no upper limit? After two more circulations, his strength will be equal to mine! Furthermore, he used his attribute to suppress me and directly suppressed me ..."

Zhan Lu was so shocked that he even stopped in his tracks. He was extremely shocked. If his power can be increased infinitely, then wouldn't he be able to fight against gods and true immortals with his mortal body? "

"Young master Hu! Why are you in a daze? If you let that kid use his golden core Dao again, you'll lose for sure!" The bodyguards around him started to shout, their eyes red with anxiety.

The bodyguards wanted nothing more than to kill Chen Xiaobei, but e Huo Yuntian and qing bao were not far away.

Although these bodyguards were anxious, they weren't stupid. If they were to make a move, e Huo Yuntian would definitely make a move as well. At that time, even if they were to join forces, they wouldn't be able to withstand a single move from e Huo Yuntian!

After all, the three big families that these bodyguards served were not considered to be too powerful! Therefore, the cultivation base of these bodyguards was only around four to five stars earth immortal, not even enough to fill the gaps between e Huo Yuntian's teeth!

Even if they had a hundred guts, they wouldn't dare to disrupt the battle!

Of course, in the eyes of the bodyguards, as long as Zhan Lu could defeat Chen Xiaobei before he could activate his golden core Dao twice, the situation would be under control!

Therefore, these bodyguards did not have to take action!

"Roar!"

Zhan Lu regained its senses and stomped on the ground with its Four Paws. Its huge body turned into a shadow and charged at Chen Xiaobei at the fastest speed possible!

They were not far from each other, and with Zhan Lu's strength, he was right in front of Chen Xiaobei!

"Woof! Whoosh!"

Zhan Lu swung its claws at Chen Xiaobei's throat and heart!

Clearly, Zhan Lu had realized that he could not continue to underestimate Chen Xiaobei!

Crippling Chen Xiaobei and torturing him were no longer important!

The safest way was to kill Chen Xiaobei in one blow and end the battle! Only then could he completely get rid of future trouble!

"Chi ... Chi ..."

However, Zhan Lu's claws, which were filled with all his strength, missed in the next moment!

At first glance, it looked like the claws had torn Chen Xiaobei's body apart!

But in reality, that body was just an afterimage left behind by Chen Xiaobei's high-speed movement!

That's right!

In that split second, Chen Xiaobei activated his bloodline ability, with Dragon's nine transformation!

Ling jiuxiao!

The short distance teleportation allowed Chen Xiaobei to easily avoid Zhan Lu's fatal blow! Furthermore, he had flashed behind Zhan Lu and chenghu!

"Where ... Where is he?"

Zhan Lu and chenghu were dumbfounded. They did not even have time to react. What exactly happened?

The surrounding people were dumbfounded as if they had seen a ghost. They were horrified, dumbfounded, and in disbelief!

Everyone had the same thought!

Chen Xiaobei was like a black hole! Outsiders would never know how many secret weapons he had hidden in his body!

“The five elements mysteries! Fire Dragon’s thorn!”

In that instant, Chen Xiaobei had completed the operation of the five elements Dao!

The initial power was of the fire element. After five full circulations, the combat power that erupted was the purest and most blazing fire element!

Fire subdues metal! It was a perfect counter to Zhan Lu’s true essence attribute!

“Boom boom boom ...”

Chen Xiaobei pointed his finger in the air, and the pure power of fire condensed into a sharp spike with the tip of his finger as the center!

There were also streaks of flames swirling around, like fire dragons coiling around. It was gorgeous and overbearing!

“Swish!”

The sharp whistle was ear-piercing, and a fierce might exploded!

The fire Dragon spike fell at an extreme speed and directly shattered Zhan Lu’s protective Zhen Yuan. It then pierced through his back and nailed his huge Tiger body to the ground!

The flames continued to burn, directly melting Zhan Lu’s muscles and skin. Even his bones were burned into charcoal and shattered with a single touch!

“Da!”

The next moment, Chen Xiaobei landed on the ground and looked at Zhan Lu and chenghu. “I’ll give you face! You’re shameless! I let you live, but you’re looking for death! You’re only a nascent soul left, do you have any last words?”

[Red Envelope Group of the Three Realms](#)

Chapter 2842: low IQ

young master, please spare me ... Young master Chen, please spare me ... Please spare me ...

From the burnt body of the Tiger, a nascent soul in the form of a little tiger flew out and kneeled in front of Chen Xiaobei, begging for mercy. It did not dare to have any other thoughts!

After experiencing Chen Xiaobei’s terrifying attack, Zhan Lu knew that his nascent soul could not escape from Chen Xiaobei’s palm!

There was no other way out except to beg for mercy!

“Heh, if I remember correctly, you just said that I’m not fit to be called ‘gongzi’? But now, you’re calling out so affectionately? Isn’t this just slapping his own face?”

Chen Xiaobei’s tone was cold, and the murderous look in his eyes did not weaken even though Zhan Lu was begging for mercy.

"It's all my fault! It's all my fault for looking down on people! It's all my fault for failing to recognize Mount Tai!"

"Young master Chen, you're the real young master!" Zhan Lu and chenghu wailed. The eldest young master! Compared to you, I'm just trash! Oh, no... I am scum! Please don't lower yourself to my level ... I beg you ..."

"I didn't plan to let you go!" but ... Chen Xiaobei said, " you're not the only one to blame for what happened today!

"Yes, yes, yes! You really can't blame it all on me ..."

When Zhan Lu and chenghu heard this, they quickly shifted the blame and said, " "Yuan kuangbiao! Yang Zhuo Mu Feng! And those six bitches just now! They had all mocked young master Chen! He even wanted to kill young master Chen! I was just muddleheaded for a moment, that's why I followed them ... I beg young master Chen to be wise ..."

"Heh, stop putting on an act!"

Chen Xiaobei said, " "If you didn't force qing bao to drink, if you didn't say that I wasn't worthy of drinking for qing bao! With just the few of them, how dare they mock me? How dare you threaten me? In the end, you're the main culprit!"

young master, please spare me ... Young master Chen, please spare me ... Zhan Lu and chenghu were speechless."As long as you can spare my life ... I'll do anything you want me to do ... Please! Please, I beg you ..."

Chen Xiaobei nodded and took out the verdant Emperor's divine gourd. "Call back the six Demonesses and these 24 bodyguards. Let them all enter my magical treasure!"

"Yes! 'Yes, sir!'

Without hesitation, Zhan Lu rushed to the door of the private room and shouted angrily, " "You six bitches! You actually dare to abandon me and run away! If you don't want to die, get back here immediately. Otherwise, this young master will slaughter your entire family!"

The six Demonesses were all hiding downstairs. When they heard Zhan Lu's roar, they thought that Zhan Lu had won and ran back quickly!

But when they returned, they were shocked to find that half of Zhan Lu's body had been burnt. His nascent soul was lying in front of Chen Xiaobei. He had lost, and it was a crushing defeat!

"You six! If you don't want to die, then do as young master Chen said! Enter that magic treasure!" Zhan Lu threatened.

The six Demonesses were only one-star or two-star earth Immortals. They were very weak! Moreover, their family backgrounds were very poor, so they didn't dare to reject Zhan Lu and chenghu!

They didn't dare to resist in their hearts and were completely obedient! Chen Xiaobei then put all of them into the verdant Emperor's divine gourd!

“Next is you guys!”

Chen Xiaobei glared at the 24 bodyguards and said, “Although you didn’t attack, I could already feel the killing intent from you! When I was at a disadvantage in terms of strength, all of you wished for me to be tortured to death!”

no, no, no... We wouldn’t dare ... We wouldn’t dare ... the group of bodyguards instantly knelt on the ground as if they had been electrocuted. Their scalps were numb, and they were sweating profusely. Their hearts were about to fly out of their throats!

“Don’t play dumb, your acting skills are terrible! If I hadn’t comprehended the Dao of the five elements and was killed by Zhan Lu on the spot, I’m afraid you would have stepped on my corpse a few more times and even cut off a few pieces of my flesh to report back!”

Chen Xiaobei’s face was as cold as ice. “You won’t be able to get your revenge or escape! Obediently enter my verdant Emperor’s divine gourd and help me do one thing. Then, I will let you Live!”

As soon as he said that, the bodyguards immediately chose to surrender. “Good! We will listen to young master Chen ... As long as we can live, we will do whatever young master Chen asks us to do!”

The bodyguards knew very well that Chen Xiaobei did not want today’s incident to be leaked! They would either have to obey Chen Xiaobei or be killed!

Chen Xiaobei was already strong enough, not to mention that e Huo Yuntian and qing bao were also there. Even if these bodyguards had wings, they would not be able to escape!

There was only one way to survive!

And that was to obey Chen Xiaobei!

“Woof! Buzzzzzz! Yi ...”

The bodyguards were all submissive, and Chen Xiaobei kept all of them in the verdant Emperor’s divine gourd!

Without a doubt, Chen Xiaobei did not kill them because he wanted to use their lives!

After all, even though e Huo Yuntian had a long lifespan, he could not afford Chen Xiaobei’s endless consumption!

Therefore, it was definitely the best and most cost-effective way to catch some evil people or enemies to consume their lifespan!

Besides, Chen Xiaobei would let them live after using up their lives! Give them a chance to turn over a new leaf!

This was much better than killing them directly!

“Alright, alright! The matter had been successfully resolved! Young master Chen, can I leave now?”

Zhan Lu looked at Chen Xiaobei expectantly. He could not wait to leave the scene and escape from Chen Xiaobei’s control!

“Who told you that the matter has been resolved?” Chen Xiaobei said, “You, Zhan Lu, chenghu, are the main culprit of this whole incident! But there is an even more detestable mastermind behind you!”

“The mastermind? Who is it?” Zhan Lu was dumbfounded. He did not know who Chen Xiaobei was talking about.

“He Qingxi!”

Chen Xiaobei raised his eyebrows and looked to the other side. “You’ve really played a good move! These idiots are being used by you, and in the end, they don’t even know!”

“Ah?”

He Qingxi put on an innocent face and said pitifully, “Young master Chen! What are you talking about? I don’t understand a single thing!”

Zhan Lu, e Huo Yuntian, and qing bao were all dumbfounded. They did not understand what Chen Xiaobei meant!

How did he Qingxi suddenly become the mastermind behind this whole incident?

“Young master Chen! Are you sure you’re not mistaken?” “We all know young master he’s character. He won’t harm us on purpose!” Qing bao frowned.

“Yup ...”

E Huo Yuntian also nodded and said, “master, I was originally very wary of young master he!” “But gradually, I realized that his character is really good! Are you mistaken?”

“A traitor who is as loyal as a man! The great false seems real!” he Qingxi’s acting skills are not bad! Chen Xiaobei smiled. it’s a pity that he’s too stupid!

Everyone was shocked by his words!

[Red Envelope Group of the Three Realms](#)

Chapter 2843: scheming

Low intelligence?

Could it be that Chen Xiaobei had already discovered the flaw? Otherwise, how could he say such words?

“Young master Chen! You must have misunderstood me!”

He Qingxi was a little flustered, but he put on a good-hearted expression and said pitifully, “Those who know me all know what kind of person I am! I’ve always treated my friends with sincerity, and I’ll never use them to harm my friends!”

“You’re right!”

Chen Xiaobei nodded. I’ve always felt that you’re a good person ever since I met you. I’ve always felt that you’re a good person! He was polite, took care of his friends, and was very reliable! I’m even sincerely planning to make you my friend!”

He Qingxi nodded and said, " that's right! I've been sincerely trying to be friends with young master Chen from the start! Therefore, I will never harm you!"

"I haven't finished my words!"

Chen Xiaobei changed the topic and said, " "I've always thought that you're not bad! But! When I saw the three friends you've invited tonight, I immediately knew that your so-called good character was all a hypocritical act!"

"This ... Why do you say this?" He Qingxi continued to play dumb. He looked so aggrieved that he was about to cry.

Qing bao and e Huo Yuntian couldn't stand it anymore, and wanted to put in a few good words for he Qingxi.

Chen Xiaobei did not give them the chance to do so. He continued, " "You, he Qingxi, have just met Zhan Lu and chenghu, and you're already asking him if he has a female companion? This means that you're very clear that Zhan Lu and chenghu are lechers!"

"Qing bao is so pretty and lovely. You can invite anyone you want, he Qingxi. Why did he have to invite Zhan Lu and chenghu? If you're not intentionally stirring up trouble, then what are you doing?"

you're not lying! Chen Xiaobei said coldly. your acting is so good that you almost fooled me! It's a pity that you're not smart enough to reveal such a big flaw. I could've noticed it even with my eyes closed!"

"The pitiful ones are Yuan kuangbiao, Yang Zhuo mufeng, and Zhan Lu chenghu! Two of them lost their lives, and one's body was destroyed! In the end, I still don't know that I've been used by you, my friend with a good character!"

.....

"This ... This is just a coincidence!" He Qingxi swallowed his saliva and quibbled, " "I really just wanted to treat the three of them to a meal! He didn't think too deeply about it! I admit that I was thoughtless, but I definitely didn't have the intention to harm anyone!"

"You're talking nonsense!"

At this moment, Zhan Lu roared, " "Biaozi, Mu Feng, and I have plans for another dinner this morning! If it wasn't for your constant phone calls and pleas! We wouldn't even be coming here today!"

He Qingxi immediately panicked and said,'a Tiger! Don't talk nonsense! When did I call you over and over again to beg you? You ... You're slandering me!"

Zhan Lu pouted like a tiger and said,"f * ck!" My phone is in my storage bracelet, and all the call records are still there! Even if you have a hundred mouths, you won't be able to deny it!"

I ... I, I, I ... he Qingxi's expression changed drastically. He was instantly rendered speechless by the irrefutable evidence!

"He Qingxi! I didn't expect you to be this kind of person!" Qing bao was simple-minded, but not stupid. He immediately understood the whole thing!

Zhan Lu and chenghu were witnesses! The call records were evidence!

The evidence was solid enough to prove that Chen Xiaobei's deduction was the complete truth!

He Qingxi had deliberately invited Zhan Lu chenghu to the dinner to make use of his perverted personality to cause trouble and use him to get rid of Chen Xiaobei!

sinister and cunning, despicable and shameless!

E Huo Yuntian even cursed, "I actually thought you had a good character, and even wanted to intercede for you?" I must have been blind!"

"He Qingxi! You're an animal!"

Zhan Lu bared his teeth and wished he could swallow he Qingxi alive. "If it wasn't for you, we wouldn't have become enemies with Childe Chen, and Biao Zi and Mu Feng wouldn't have died! We treat you as a brother, but you treat us as cannon fodder! You're even worse than an animal!"

All of a sudden, qing bao, e Huo Yuntian, Zhan Lu, and Chen Hu all directed their anger at he Qingxi!

Although Zhan Jiucheng, Yuan kuangbiao, and yang zhuomu were not good people, at least they were doing evil on the surface!

In comparison, he Qingxi, who pretended to be a good person on the surface but played dirty tricks behind his back, was even more disgusting! It was even more disdainful!

he Qingxi, now that things have come to this, no one will believe you no matter what you say!

Chen Xiaobei said, " "If you want to live, then tell me your entire plan! If you want to die, I have a hundred ways to pry open your mouth and then send you to your death!"

"I ... I ..."

He Qingxi's face was pale, as if he had been drained of all his energy. He knelt on the ground and said in a sad voice, " I just like qing bao too much. I want to take this opportunity to get rid of you, young master Chen ... This way, no one will fight with me for qing bao!

"Ha, do you think my intelligence is as low as yours?"

"If you really like qing bao, why would you push her to Zhan Lu?" Chen Xiaobei said. If Zhan Lu kills me, you won't get the green Treasure either!"

this ... he Qingxi could not lie to Chen Xiaobei. He was completely speechless.

"It seems that you won't shed tears until you see your coffin!" Chen Xiaobei took out a high-grade heavenly dog biscuit and said, " "E Huo Yuntian, feed him!"

"Yes, sir!" E Huo Yuntian took the dog food, released his Zhen Yuan with one hand, and directly controlled he Qingxi. With the other hand, he forcefully stuffed the high-grade heavenly court dog food into he Qingxi's mouth!

Soon, he Qingxi had become Chen Xiaobei's loyal dog.

“Speak!” Chen Xiaobei said.

“Yes, sir!”

He Qingxi replied honestly, ‘the first step of my plan is to use Zhan Lu and chenghu to get rid of you, master! The second step is to make use of the power of the higher-ups in the Zhan Lu family to completely subdue qing bao!’

“For the third step, I will use my relationship with Zhan Lu to steal qing bao! Give it to the third Prince of the Red Lotus capital!”

“Finally, I can get the ‘beast heart origin pill’ that I’ve been dreaming of from the third Prince. This pill has the chance to help me break through a major realm! He has reached the level of a five-star earth-god!”

.....

Everyone was shocked by his words!

No one had expected he Qingxi to be so scheming!

There were four steps to his plan. First, he would use the Zhan Lu family as his spear, then he would use the Zhan Lu family as his spear, and then he would build his connections with the third Prince of the Red Lotus Family. Finally, he would use his connections to break through to the next realm!

If this plan really succeeded, he Qingxi would undoubtedly be the biggest winner! Of course, he was also the most despicable and shameless conspirator!

Not only did he make use of and betray his friends, but he also cheated qing bao of her feelings!

In the words of Zhan Lu chenghu, he Qingxi was worse than an animal!

“He Qingxi! I’m going to kill you!” Qing bao was furious. He suddenly circulated his vital essence and was about to kill he Qingxi directly!

“Qing bao! Stop!” But Chen Xiaobei stopped qing bao.

Red Envelope Group of the Three Realms

Chapter 2844: seriously injured

“Young master Chen! Don’t stop me! I’m going to kill him!”

Qing bao was furious, “all these years, I’ve always treated him as my brother!” Only today did I understand that he was so good to me in the past all for the sake of obtaining benefits from my master!”

“He knew that my master had broken off relations with the Zhu family and would no longer get any benefits, so he wanted to use me as a bargaining chip to give me to someone else! He lied to me! He never treated me sincerely from the beginning! I’m going to kill him ... I must kill him ...”

Qing bao was very, very angry. She hated he Qingxi even more than Zhan Lu and chenghu, who had been harmed miserably!

That was because, in qing Bao's heart, even if she did not have any romantic feelings for he Qingxi, she already had feelings for him as a brother and sister!

But at this moment, the cruel reality told qing bao that this sibling relationship was fake from the beginning!

The greater the difference in her heart, the more intense qing Bao's anger was!

As an innocent little girl, she really couldn't accept it!

"Qing bao! Please calm down!"

Chen Xiaobei stopped qing bao and said, "An animal like he Qingxi deserves to die! However, my plan has not succeeded yet! The real mastermind hasn't been punished yet!"

"The mastermind?" Qing bao was stunned for a moment, but he gradually calmed down. "Are you talking about the third Prince of the Red Lotus tribe?"

"Right!"

of course! Chen Xiaobei nodded. if it wasn't for the third Prince of Red Lotus who offered the beast heart inner core, he Qingxi wouldn't have taken the risk and come up with this scheme today!

you ... You're going to attack the third Prince of the Red Lotus Group? " Qing bao was shocked.

He Qingxi and Zhan Lu chenghu's faces were also filled with shock. They could not believe their ears!

"Young master Chen ..."

Qing bao pursed her lips and said seriously, "Let's just end this matter here and stop pursuing it! The third Prince of the Red Lotus tribe is backed by the Red Lotus royal family. You can't afford to offend them ..."

"Yup ..."

"Master!" He Qingxi said in a low voice. The Red Lotus royal family was very, very powerful! My evil wolf Clan and the Qing bao family's hai Yue clan can't even compare to one-tenth of the Red Lotus royal family's heritage and strength! Making an enemy of the Red Lotus royal family is simply courting death!"

Even Zhan Lu and chenghu nodded their heads in agreement when they heard this. They were ridiculing him in their hearts. To touch their third Prince in the red Lotus Royal City was equivalent to touching the ground above their heads. It was simply courting death!

"Heh, do you know who he is?"

Chen Xiaobei pointed at e Huo Yuntian.

I ... I don't know ... qing bao, he Qingxi, and Zhan Lu and chenghu all shook their heads in confusion.

The crowd only knew that e Huo Yuntian was Chen Xiaobei's personal guard, but they did not know that he had another identity.

“He used to be Supreme King Fire cloud of the fire cloud region of the Nanzhan state! He should be at the same level as revered King Red Lotus, right?”

but now, he’s my subordinate. The entire firecloud domain is in my hands! Chen Xiaobei said. I want to toy with the third Prince of the Red Lotus clan to death. Is there a problem with that?”

“What? He ... He’s actually Supreme King Fire cloud!” Everyone was shocked. Their pupils contracted and their scalps went numb. They felt as if their three views had been refreshed 10000 times!

The great Supreme King Fire cloud! The Supreme ruler of a region! He was a peak seven-star super expert! They were Chen Xiaobei’s subordinates?

This was a heaven-defying rhythm!

All along the way, e Huo Yuntian had been calling Chen Xiaobei his master!

This was no ordinary superior-subordinate relationship, but the relationship between master and servant!

Chen Xiaobei’s terrifying power was suddenly highlighted by the fact that he had the governor of a territory as his servant! It was a huge blow to the hearts of the three people present!

Based on their relationship, the Red Lotus supremacy was only fit to be Chen Xiaobei’s servant!

In that case, the third Prince of the Red Lotus Group was not even qualified to be Chen Xiaobei’s servant!

that’s amazing ... qing bao pursed her lips and mumbled, ” “No wonder master likes young master Chen! If he wasn’t such a domineering man, how could he be worthy of shizun?”

All of a sudden, little qing Bao’s admiration for Chen Xiaobei soared!

He Qingxi, Zhan Lu, and chenghu were even more shocked. Never in their wildest dreams would they have thought that they would offend such a terrifying and powerful person like Chen Xiaobei!

They thought that they had Chen Xiaobei in the palm of their hands, but in the end, Chen Xiaobei had them all in the palm of his hand!

Perhaps they were still unconvinced earlier, but now, they were completely convinced. They should thank the heavens that they did not die in Chen Xiaobei’s hands!

that’s enough. Zhan Lu and chenghu, you enter the verdant Emperor’s divine gourd as well. I’ll let you go after you help me with my business! Chen Xiaobei kept Zhan Lu in the form of a Tiger.

This guy’s cultivation and family background were not worthy of Chen Xiaobei’s attention! Chen Xiaobei was not even interested in taking him in as a ghostly slave!

A nascent soul had a lifespan of tens of thousands of years, so Chen Xiaobei could use it for a while!

he Qingxi, you stay behind to clean up. I don’t want anything that happened tonight to be leaked out!

I don’t think I need to teach you how to destroy evidence and how to hide it from the public! Chen Xiaobei said.

“Yes, sir!” He Qingxi nodded and immediately took out the storage bracelets of Zhan Qiancheng, chenghu, Yuan kuangbiao, and yang zhuomu and presented them to Chen Xiaobei.

Chen Xiaobei kept the three storage bracelets and said, “I’ll go first. Contact me on the phone after you’re done packing!”

“Yes! Don’t worry, master! I’ll definitely get this done!” He Qingxi nodded heavily.

.....

After that, Chen Xiaobei left the restaurant with qing bao and e Huo Yuntian.

“Uh ...”

When he reached an empty street, Chen Xiaobei moaned in pain. His body leaned forward and he almost fell.

“Young master Chen! What’s wrong with you?” Qing bao quickly caught Chen Xiaobei.

“I’m fine ... Find a place with no one around and let me sit down!” Chen Xiaobei shook his head. Although he said that he was fine, his face was pale and his forehead was covered in cold sweat. There was even blood at the corner of his mouth.

“You ... You’re so heavily injured! How can you say you’re fine?” Qing bao was shocked. She quickly helped Chen Xiaobei into a dark alley and let him sit on the stone steps.

“Phew ...”

Chen Xiaobei heaved a sigh of relief, took out a pill, and swallowed it.

The pill was called the primordial spirit rejuvenation pill. It was a seven-star earth-god level healing spiritual pill that Chen Xiaobei found in the Treasury of the fire Lion City!

As long as one’s physical strength was not higher than that of a seven-star earth-god, no matter how serious the injury was, it could be completely healed!

Moreover, the weaker the body, the faster the healing!

Chen Xiaobei’s body was only at the early stage of the original level. The medicine quickly suppressed his injuries and began to heal his body!

Seeing this, qing bao finally breathed a sigh of relief, but he was still full of doubts. “How did young master Chen get injured?”

[Red Envelope Group of the Three Realms](#)

Chapter 2845: playing along

“It’s a problem with the body!”

E Huo Yuntian, who was guarding at the side, had already guessed the problem, “The five elements great Dao can infinitely increase one’s combat power. It’s indeed more powerful than a divine skill! However, he must have a strong enough physical body to support it! Otherwise, we’ll suffer 800 losses on our own!”

In fact, it was not just his physical body. Even if Chen Xiaobei used an earth-god instrument to activate the five elements Dao, he would need an earth-god instrument that was strong enough to withstand the terrifying power!

Previously, in order to defeat e Huo Yuntian, Chen Xiaobei had used five mid-stage seven-star earth-god instruments to activate the power of a peak seven-star!

As a result, the five mid-stage seven-star earth-god instruments could not withstand the power and cracked on a large scale. They might even collapse at any time!

In the end, the five mid-stage seven-star earth-god instruments were all devoured by the chaos Blood Sword! It could also be considered as being used to the greatest extent!

Chen Xiaobei had to pay the price of five mid-stage seven-star earth-god instruments to defeat e Huo Yuntian!

Tonight, Chen Xiaobei had also paid a huge price to defeat Zhan Lu in his demonic beast form!

That primordial spirit origin awakening pill was very powerful, and could be said to be a life-saving trump card!

If he had sold it, it would have been worth at least 500 million upper spiritual stones, but Chen Xiaobei had eaten it without hesitation!

This price was really not small!

In other words, even though the five elements Dao was powerful, Chen Xiaobei would have to pay a huge price if he wanted to activate it!

“Young master Chen! You can’t use this move again in the future!”

this is a move that will harm both the enemy and yourself,” qing bao said worriedly. if you can’t defeat the enemy in one move, you’ll be doomed eternally!

“That might not be the case!”

Chen Xiaobei shook his head and said, “I have the ‘sky-killing tyrant body technique’. As long as I can find the blood of a powerful demon beast to refine my body, my body will be able to support the Super power of the five elements great Dao!

“What’s the sky-killing tyrant body technique? Is it very powerful?” Qing bao was confused.

“You won’t understand even if I tell you!”

“Let’s take a look at those three silly storage bracelets!” Chen Xiaobei said with a smile. There might be some good stuff!”

After that, Chen Xiaobei checked the storage bracelets of Zhan Lu, chenghu, Yuan kuangbiao, and yang zhuomu.

There were 100 million superior-grade spiritual stones in total. With the spiritual stones that Chen Xiaobei already had, he had a total of 150 million. It was not a lot, but it was enough to make him feel better.

Other than the spiritual stones, there were a few other low-grade items that Chen Xiaobei threw into the heaven and earth furnace!

compared to Prince, these three guys are really poor ... Chen Xiaobei shook his head.

Back then, Chen Xiaobei had taken care of a few fire cloud princes. Each of them had 100 million upper-grade spiritual stones in their storage bracelets, a high-tier earth-god instrument, and even The Burning Sky Warhawk!

In comparison, the storage bracelets of these three guys were really too shabby.

Of course, Chen Xiaobei was not disappointed. In fact, he was full of energy! After all, Chen Xiaobei's next move would be to attack the third Prince of Red Lotus!

There were still a lot of benefits to come!

.....

Not long after, he Qingxi was done cleaning up. He called Chen Xiaobei and arranged to meet him at another restaurant.

In the private room of the restaurant.

"Young master Chen, isn't your goal this time to get information from the Red Lotus Guild?" qing bao asked with a face full of doubt. Aren't you going to see vice guild leader su tomorrow?"

"Idiot!"

"He Qingxi didn't ask Vice-President su out!" Chen Xiaobei said with a smile. We won't be able to see him tomorrow!"

Qing bao was stunned for a moment and suddenly realized.

He Qingxi did not plan to let Chen Xiaobei live through the night, so why would he make an appointment with the Vice President of the Red Lotus?

"What should we do now?" "Do you want to make an appointment to meet with the Red Lotus Guild's higher-ups immediately?" qing bao asked.

"No need to make a reservation!"

I'll make the third Prince my loyal dog! I'll be able to summon the higher-ups of the Red Lotus Guild with a single word! I don't even have to worry about them lying to me!

"Oh, right!"

Qing Bao's eyes lit up, young master Chen, you're so smart! This way, not only will we be able to take care of the Red Lotus third Prince, but we will also be able to achieve our goal for this trip! It was killing two birds with one stone, killing two birds with one stone! It's really awesome!"

Chen Xiaobei nodded and turned to the other side. He Qingxi, do you know what to do? ”

“I know!”

He Qingxi was not stupid, he was a cunning man, he could guess what Chen Xiaobei meant. “Master wants me to play along! We’ll use the green Treasure as an excuse to lure out the Red Lotus third Prince and control him directly!”

“That’s right!”

yes! Chen Xiaobei nodded. you already have an agreement with the third Prince of Red Lotus, and now you have qing Bao’s help. It should be easy to gain his trust!

“Understood!”

He Qingxi nodded and said, “please pretend to be unconscious, miss qing bao. I’ll take a photo and send it to the third Prince of the Red Lotus Group!” If nothing unexpected happens, he will be eager to see me tonight!”

“Very good! You should know how to choose the location of the meeting, right?” Chen Xiaobei asked.

“Of course!”

this is a critical period, ” he Qingxi said. nine nether platform and heavenly Yin Hall have broken off relations. I’ll advise the third Prince of the Red Lotus Group to hide it and meet in a secret place with no one around! This is to prevent the news from being leaked and nine nether platform from taking revenge!”

“Very good!”

I’m sure you can do it! Chen Xiaobei said, satisfied. with your acting skills, I believe you can do it! I’ll be waiting for your good news!”

don’t worry, master. I won’t let you down! He Qingxi nodded heavily. Then, he picked up his phone and contacted the third Prince of Red Lotus.

As expected, as soon as qing Bao’s photo was sent, the third Prince of the Red Lotus Group requested to meet him immediately!

Then, he Qingxi coaxed the third Prince into agreeing to meet him in private!

.....

On the outskirts of the city, in the barren mountains and old forests!

There was no one around, and the third Prince of the Red Lotus tribe did not bring any guards with him!

He saw that the third Prince of the Red Lotus tribe was extremely handsome, and the demonic beast characteristics on his body had all disappeared! He looked like a graceful and elegant human young master!

He was wearing a red robe embroidered with an exquisite Red Lotus pattern!

Of course, this pattern was slightly different from the demonic Fire Red Lotus on the little fox's body. It was not completely the same!

It was impossible to confirm for now whether the Red Lotus capital city was related to the demonic Fire Red Lotus of lady Nuwa.

"Do it!"

Chen Xiaobei and the others had been hiding in the dark for a while. After observing for a while, Chen Xiaobei gave the order!

"Swish!"

E Huo Yuntian immediately rushed out like a lion pouncing on a rabbit, and pounced towards the Red Lotus third Prince!

Red Envelope Group of the Three Realms

Chapter 2846: super gift

He had already observed the surrounding environment. There were no guards or bodyguards! The third Prince was only a mid-tier five-star earth-god!

With E Huo Yuntian taking action, there was naturally no suspense!

He released his true core strength and it was like a huge cage, imprisoning the third Prince.

"Who's there? Why did you capture me?"

The third Prince was shocked, but he was not afraid. He arrogantly shouted, "Do you know who I am? I advise you to get the hell out of here. Otherwise, don't even think about leaving the Red Lotus region alive!"

cut the crap. Eat this pill. My master wants to see you! E Huo Yuntian's face was indifferent, without the slightest fear.

"F * ck! Are you deaf?"

Although third Prince Hong Lian's body was restrained, he was extremely arrogant. "I'm Nalan Yonghe! The third Prince of the Red Lotus capital! You dare to kidnap me! Aren't you afraid that my Royal father will cut you into a thousand pieces?"

"I'm not deaf, but you, you must be blind!"

E Huo Yuntian said indifferently, "could it be that my true essence fluctuation is lower than that of the Red Lotus honorable King?" I'll say it for the last time, it's my master who wants to see you! Even if the Red Lotus Supreme King was here, he would definitely not be able to protect you!"

this ... Nalan Yonghe's expression froze, and he immediately exclaimed, " "Heavens! Your cultivation has actually reached the peak of seven-star, the same level as my father ... Then how terrifying must your master be!"

Thinking of this, Nalan Yonghe couldn't help but gasp. His pupils contracted, his scalp went numb, and he broke out in a cold sweat!

Nalan Yonghe simply didn't dare to imagine what kind of powerful figure could take in an expert like e Huo Yuntian as a servant.

From another point of view, wouldn't Nalan Yonghe's father also be that person's servant?

In this world, the strong were respected, and strength was Supreme!

Just a second ago, Nalan Yonghe was still acting arrogantly and despotic just because he was the third Prince of the Red Lotus clan, and he didn't even put e Huo Yuntian in his eyes.

At this moment, Nalan Yonghe immediately curled up like a dog and asked in a low voice, "W-who ... Who wants to see me?"

"Eat this and you'll know the answer!" E Huo Yuntian handed over the dog food.

okay ... I'll eat ... Nalan Yonghe swallowed his saliva. His heart was about to fly out of his throat.

Nalan Yonghe was so shocked and terrified that he didn't dare to refuse. He obediently opened his mouth and ate the high-grade heavenly dog food.

"Master! It's done!" E Huo Yuntian finally released his Zhen Yuan and released Nalan Yonghe.

When Chen Xiaobei walked over, Nalan Yonghe had already entered a dazed state. He had successfully recognized Chen Xiaobei as his master and had become a loyal dog that was 100% loyal to Chen Xiaobei!

"Young master Chen! You're really too awesome!"

Qing bao blinked its big, watery eyes and looked at Chen with admiration. he's beating the opponent at their own game. He's easily taken down the third Prince of the Red Lotus Group. It's a piece of cake!

"Heh, this small scene is not worth mentioning at all!"

Chen Xiaobei chuckled, looked at Nalan Yonghe and asked, "Tell me, you're the third Prince of Red Lotus, what kind of beauty have you not seen? Why must you get the green Treasure?"

"Master!"

Nalan Yonghe nodded and bowed, speaking with incomparable respect,"It's because miss qing bao has a rare blue Luan divine body that is rarely seen in billions of years. Her future is limitless! As long as I can conquer her, I'll have an extra bargaining chip when I fight for the throne in the future!"

"Fight for the throne?" your father? " Chen Xiaobei asked. so, you're saying that your father is dying? "

"Yes, I am!"

Nalan Yonghe nodded and said, " my father is cursed by the devil race. Not only is his body getting weaker by the day, but even his nascent soul is gradually weakening. He will pass away in the next few months!

“Demon race’s curse?” “I thought the heavenly wings could remove the demonic curse?” Chen Xiaobei asked. Didn’t your father try?”

“I’ve tried!”

“The heavenly wings race’s holy light blessing is indeed the nemesis of the demon race’s curse!” Nalan Yonghe said. However, curses also had different grades! My father is under the heavenly demon level curse. The heavenly wings race in the earth-god Realm can’t lift it at all!”

A heavenly demon was equivalent to a heavenly immortal. A curse of this level was indeed not something that an ordinary heavenly wing clan could lift!

“You’re really good!”

Chen Xiaobei’s face turned cold and said, “ your father is dying from illness. Instead of being filial to him, you’re already preparing to fight for the throne!

Chen Xiaobei had always valued family, so he did not like unfilial children like Nalan Yonghe.

“The emotionless royal family ...”

“Even if I don’t fight for the throne, my eight brothers will!” Nalan Yonghe sighed. Once they become the new revered King, the rest of my life will be completely over!”

“Forget it, I can’t be bothered with your family matters!” get the Guild Master of the Red Lotus Guild here immediately! I have something to ask him! Chen Xiaobei said.

“Yes, sir!” Nalan Yonghe nodded and immediately did as he was told.

Childe Chen ... qing bao tugged at Chen Xiaobei’s sleeve and whispered to him, “ “Since you already have control over Nalan Yonghe, why don’t you help him fight for the throne?”

“Idiot! If you can think of it, why can’t I?”

“It’s easy to fight for the throne, but what’s Nalan Yonghe’s cultivation level?” What kind of Foundation? Even if he managed to win the throne, would he be able to keep it? And my roots are in the Nanzhan state, I can’t take care of him at all! If we fight for the throne, we’ll lose it anyway, so it’s better to just not fight for it!”

“You can’t take care of him, but my master can!”

yes, ” qing bao said. the Red Lotus region is a border region of the heavenly Yin Hall. It’s only separated from the nine nether platform by the Tiger cage mountain range! As long as we have the cooperation of the newly-appointed Red Lotus Supreme King, my master’s power will be able to easily infiltrate the place!”

what do you mean? ” Chen Xiaobei asked. you’re saying that Nalan Yonghe will be the puppet while your Sifu controls the entire Red Lotus region from behind the scenes? ”

“Yeah!”

Qing bao nodded and said with certainty, " with my master's abilities, it won't be long before the entire Red Lotus region appears to be the territory of the heavenly Yin Hall on the surface, but will secretly be under the control of the nine nether platform!

mm, of course, I know your Sifu's abilities. But ... Chen Xiaobei frowned. He was still wary of dugu zang Xian.

After all, although they were engaged on the surface, in reality, they would not trust each other completely.

"But what?"

Qing bao was very innocent and didn't know the inside story. "Didn't you promise my master to give her a gift? The Red Lotus region is the best, best, best gift!"

"A present?"

Chen Xiaobei's eyes lit up. "Yeah! I do plan to give her a gift! I almost forgot about it if little qing bao didn't mention it! Alright! I'll give the Red Lotus region to her!"

"Wow!"

Qing Bao's eyes were full of stars as he said, 'using an entire region as a gift! In this world, there is no man more domineering than young master Chen!"

I really want to see your Sifu's face when he hears about this! Chen Xiaobei smiled. I'd like to see what kind of expression he'll have on his face!

[Red Envelope Group of the Three Realms](#)

Chapter 2847: counter-attack

"I'm also looking forward to it! Master usually had an unperturbed look! I really want to see her shocked expression!"

Qing bao pouted her little mouth like a naughty child, looking forward to seeing dugu zang Xian's shocked expression.

Chen Xiaobei shrugged. but then again, there are 1000 territories under nine nether platform! I'm afraid she won't be too surprised even if I give her the Red Lotus region!"

"No, no, no! Shizun will be extremely surprised and extremely happy!"

Qing bao explained, "the territory of the nine nether platform is to the East of the Tiger cage mountain range!" The territory of heavenly Yin Hall was located to the West of tiger cage mountain range! The Red Lotus region is the heart of the line of defense that heavenly Yin Hall has set up along tiger cage mountain range!"

"It's not an exaggeration to say that the Red Lotus region's geographical location is a place that every militarist will fight for! If nine nether platform and heavenly Yin Hall were to go to war, the main battlefield would most likely be the Red Lotus zone!"

as long as the Zhu family can defend the Red Lotus region, the Army of the nine Serenities platform will never be able to enter the territory of the heavenly Yin Hall!

“On the other hand, as long as nine nether platform takes down the Red Lotus zone, it’s the same as taking down the gate of defense for heavenly Yin Hall! This way, our Army will have a Foundation, able to attack and defend, and will be completely invincible!”

Qing bao became more and more excited as he spoke, and it seemed like he couldn’t wait for dugu zang Xian to lead his troops over tomorrow!

“So that’s how it is!”

Chen Xiaobei’s lips curled into an evil smile. “Based on what you’re saying, the ownership of the Red Lotus zone will almost determine the outcome of the battle between the two top forces! Its value isn’t as simple as just a region!”

“Yup!”

Qing bao looked confused. He did not know what Chen Xiaobei was planning. He nodded and said, “the strategic significance of the Red Lotus domain is definitely greater than that of dozens, if not hundreds, of large domains. Its value is incalculable!

“Good! Very good!”

that’s great! Chen Xiaobei’s smile widened. if that’s the case, my Xian er will be very, very shocked and very, very happy!

“That’s a must!” Qing bao smiled and her eyes were full of stars. “Childe Chen, you’re really too good to my master! I feel that shizun is the happiest woman in the world. Even I’m so envious!”

“Of course!” Chen Xiaobei laughed.

Others might not know, but Chen Xiaobei knew very well that his relationship with dugu zang Xian was all an act!

The so-called fiancé and fiancée were just part of dugu zang Xian’s plan to bind Chen Xiaobei to himself!

Of course! Our Chen Xiaobei is not to be trifled with!

Fairy dugu zang was beautiful and outstanding, but it was not enough to make Chen Xiaobei fall head over heels for her!

The reason why Chen Xiaobei wanted to give the Red Lotus territory to dugu zang Xian was because he had his own plans!

From the very beginning, it was dugu zang Xian who had been plotting against Chen Xiaobei. This time, Chen Xiaobei was going to plot against her!

By giving the Red Lotus domain to dugu zang Xian, it was equivalent to dugu zang Xian owing a huge favor!

One day, even if Chen Xiaobei needed dugu zang Xian to risk her life, she would fight him head-on. She could not and could not refuse!

Even though the Red Lotus territory was given to dugu zang Xian, the Red Lotus noble was Chen Xiaobei's loyal dog!

If Chen Xiaobei did not cooperate, dugu zang Xian would not be able to control the Red Lotus territory no matter how powerful he was!

The Red Lotus zone's gift was a gift on the surface, but in reality, it was a bargaining chip for Chen Xiaobei to restrain dugu zang Xian!

Dugu zang Xian was absolutely unable to resist the temptation of this gift!

And if she wanted to get this gift, she would have to be restricted by Chen Xiaobei to a certain extent!

In other words, even though dugu zang had forcefully tied Chen Xiaobei to his warship, Chen Xiaobei could still use the Red Lotus territory to take back the initiative. He would not be led by the nose by dugu zang! In fact, he could even lead immortal dugu zang along!

To put it bluntly, this was called retaliating!

Of course, little qing bao was very innocent and did not know what Chen Xiaobei was thinking. He thought that Chen Xiaobei was just being nice to dugu zang Xian and his heart was about to explode from Chen Xiaobei's flirtatious actions!

.....

"Master, I've already contacted the Guild Master of the Red Lotus Guild. He has agreed to meet me now! I'll be there in ten minutes!" Nalan Yonghe said.

"Alright!"

Chen Xiaobei nodded and ordered, "Don't just stand there, continue to ask all eight of your brothers out! It would be best if he could invite some of the higher-ups in the capital! As long as your cultivation is below that of a seven-star earth-god, you can date as many people as you can!"

"Young master Chen, what are you planning to do?" Qing bao asked curiously.

"Idiot! Nalan Yonghe had already said that his eight brothers were all trying to fight for the throne!"

"As long as I can control all of them, no one will fight for the throne!" No matter who the current respectable King chooses as his successor, in the end, he'll still be my man!"

"Oh, right! Young master Chen, you're so smart!"

Oh! qing bao suddenly realized. from the looks of it, you control the core upper echelons of the capital to check and balance the other powerful officials who are not under your control! Thus, he can consolidate the new king's position and prevent the powerful ministers from rebelling!"

"It seems like you're not that stupid after all!" Chen Xiaobei laughed.

"You're the stupid one!" "I'm so smart!" Qing bao pouted.

.....

Everything that happened after that was all under Chen Xiaobei's control.

The Guild Master of the Red Lotus Guild was the first to arrive. After asking around, he honestly explained that the abyss Tiger's Claw bone was found in the dark abyss!

According to the legends, the netherspirit Tiger King had cultivated to the peak of the nine-star earth-god Realm and transcended the heavenly Tribulation in the wilderness. In the end, it couldn't withstand the ferocious power of the heavenly Tribulation and was killed by the heavenly lightning, exploding and dying!

The nine-heavens lightning tribulation even split open a bottomless chasm in the ground!

Some people said that the chasm was the gate to hell! Some said that it was a gift from the heavens to the nether Tiger King's grave!

Of course, that was something that happened tens of millions of years ago. There was no concrete evidence!

Now, that chasm was known as the 'dark abyss' because it emitted an evil aura all year round!

The Guild Master of the Red Lotus Guild said that he had personally brought people to that place in the past. The closer they got to the bottom of the abyss, the more terrifying the yin Qi became! Even a nine-star earth-god might not be able to withstand it!

Therefore, they did not go to the deepest part of the forest!

Most of the things that Chen Xiaobei was looking for were still in the abyss. After all, most people would not dare to go to the deepest part of the abyss!

After the conversation, Chen Xiaobei was certain that the Guild leader of the Red Lotus Guild was not lying! Of course, he didn't dare to lie. Otherwise, he would be making an enemy of Nalan Yonghe!

In the end, the Guild Master of the Red Lotus Guild left behind the specific location and left first.

.....

What followed next was naturally a dog-catching operation without any suspense!

[Red Envelope Group of the Three Realms](#)

Chapter 2848: changing heaven immortal artifact

Whether it was an invitation, a plea, or a threat, Nalan Yonghe had tried his best to trick all eight of his brothers into coming over.

E Huo Yuntian took action and ate eight pieces of dog food. The Eight Princes of the Red Lotus Imperial City were all easily subdued and became Chen Xiaobei's eight loyal dogs.

After that, Nalan Yong and his eight brothers began to contact the core upper echelons of the Red Lotus capital!

These nine princes all wanted to fight for the throne. Naturally, there would be a group of core upper echelons of the capital who supported them!

In just one night, Chen Xiaobei had gained another 300 loyal dogs. Almost all of them were the officials of the Red Lotus Imperial City. Some of them were the leaders of the big forces and elders of the big families!

It was not an exaggeration to say that from this moment on, more than half of Red Lotus city was in Chen Xiaobei's hands!

Later on, even if dugu zang's power seeped into the city, she would not be able to take full control of the Red Lotus capital city. In the end, she would still have to give in to Chen Xiaobei!

Chen Xiaobei was overjoyed. The Red Lotus Imperial City could work with dugu zang Xian to start a war! Chen Xiaobei was not happy. 'Then I'm sorry, but don't even think about getting any strategic advantage from the Red Lotus Imperial City!'

In other words, dugu zang Xian wanted Chen Xiaobei to be his fiancé because he wanted to bind an outstanding crew member to his warship!

However, dugu zang Xian had never imagined that this operation was to find a captain for his warship!

On the surface, it looked like dugu zang Xian had tied Chen Xiaobei to the warship, but in reality, it looked like dugu zang Xian had boarded Chen Xiaobei's pirate ship!

In terms of schemes, Chen Xiaobei was not targeting anyone. Everyone below the heavenly realm was his little brother! Chen Xiaobei was the only big brother!

.....

At this point, the Red Lotus capital's plans had come to a temporary end!

Chen Xiaobei did not intend to kill the current king. After all, the king did not have many days left to live!

After the current king passes away, he will personally choose a Prince to inherit the throne!

Only then would he be able to justify himself and convince the entire Red Lotus capital city. He would also be able to hide from the eyes of heavenly Yin Hall!

.....

Of course, Chen Xiaobei would not return empty-handed!

The nine princes each took out 500 million upper spiritual stones and offered them to Chen Xiaobei! A total of 4.5 billion!

The 300 core executives also gave Chen Xiaobei a lot of spiritual stones, a total of five billion!

Of course, this was not all of their wealth!

After all, these people still needed to use their original identities to continue living in the red Lotus capital city!

Of course, Chen Xiaobei could not let them become poor. He had to leave them some wealth to maintain a decent life!

But even so, Chen Xiaobei had gained a lot from this wave of attacks. It could even be said to be a huge profit!

With that, Chen Xiaobei had a total of 9.65 billion upper spiritual stones in his Treasury!

He didn't need to worry about his cultivation needs in the short term.

Later, when the Dongsheng Chamber of Commerce was done with the preparations for the auction, Chen Xiaobei's wealth would increase even more!

By a conservative estimate, Chen Xiaobei's wealth would exceed 50 billion, and could even reach the threshold of 100 billion!

"It seems like I can consider using the merit record to exchange for an offensive heaven immortal item!"

Chen Xiaobei started to plan in his mind.

To activate the power of a one-star heaven immortal artifact, the amount of spirit energy consumed was equivalent to that of a large spirit vein!

When Chen Xiaobei was cultivating on white jade Island, he was certain that the spiritual Qi of a small spiritual vein was equivalent to 300 million upper spiritual stones!

Then, a medium spiritual vein would be worth about three billion! A large spirit vein was equivalent to 30 billion!

If Chen Xiaobei's wealth could reach 100 billion, he would be able to activate the power of a heaven-immortal instrument three times!

Although it was not used many times, as long as it was used at a critical moment, even a real heaven immortal would suffer a great loss. In the earth immortal world, it was enough to determine the success or failure of a Great War!

.....

Then, qing bao transformed into a green Luan and brought Chen Xiaobei to the dark abyss.

He Qingxi had gone back to evil wolf City by himself. He was Chen Xiaobei's hidden chess piece, and he had been hiding there quietly.

E Huo Yuntian entered the Meru space and waited for his next move.

Qing bao was in charge of the journey, while Chen Xiaobei was checking the list of heaven-immortal items in the merit record.

heaven immortal artifacts with different functions have completely different prices!

Chen Xiaobei frowned. the attack type is the most expensive, the curse type is the second, and the defense type is the third. The support type like the earth escape Holy gourd is the cheapest!

“The price will be different according to the rarity! For example, the ‘celestial martial battle spear’ used by heavenly weapons is a one-star heaven immortal, and it costs thirty billion merit points to exchange for one!”

however, although it’s also a one-star heaven immortal, this ‘sun chasing bow’, which was forged by Lord heavenly Smith, requires 80 billion merit points to exchange for one!

“From this, it can be seen that there are too many celestial martial battle Spears, but their rarity is low, resulting in a low price! As for the bow of sun chasing, it’s rare, so its price is even higher!”

Different types would have different prices! The rarity was different, so was the price!

More importantly, there were countless one-star earth-god instruments in the merit record! Chen Xiaobei’s eyes were almost dazzled by the selection.

“Is there any way for me to only buy the right ones and not the expensive ones?”

Chen Xiaobei frowned.

After all, the merit points of the Three Realms were limited and could not be squandered!

Besides, Chen Xiaobei did not want the three of them to drop in rank!

Therefore, he had to be very careful in his first exchange for a heaven-immortal artifact. He had to spend the least amount of merit points in exchange for the best effect!

“I might as well ask in the group! Brother monkey and brother Yama will definitely know more than me!”

Chen Xiaobei could not make up his mind, so he entered the Brotherhood group.

Chen Xiaobei: “@ the great sage,@ King of Hell, are you two brothers in?” I have a question to ask! (Hurry hurry hurry)

The Great Sage, Heaven’s Equal: “just ask if you have any questions! I, Old Sun, will help you answer! (Confident)

‘I have 140 billion merit points now. I want to use the merit points book to exchange for an attack-type one-star heaven-God instrument!’ At the same time, he didn’t want the three renhuangs ‘ranks to drop! Brother monkey, do you have any good recommendations?

The Great Sage, Heaven’s Equal, and the three human emperors required more than 60 billion merits! In other words, you still have 80 billion Yuan of room for manipulation!

Chen Xiaobei: “ it’d be best if you could save it. After all, it’s not easy to accumulate merit points. It’s such a big expense that I feel bad for you!

The Great Sage, Heaven’s Equal-I understand! Of course, I’ll help you save your merit points! After all, this heaven immortal item is just a stepping stone for you, and you will get a stronger one sooner or later. There is no need to invest too much!

Chen Xiaobei, Monkey King, you know me best! (Happy)

The Great Sage, Heaven's Equal: " according to your situation, I recommend you to exchange for a not-so-rare but very powerful magic weapon,'destruction of heaven and earth'!

Chen Xiaobei: (Shocked)

Red Envelope Group of the Three Realms

Chapter 2849: uninvited guest

The Great Sage, Heaven's Equal, said,"I said it's a heaven-destroying and earth-shattering banner!" Why are you so surprised?

Chen Xiaobei: " I once tricked an enemy and told him that the earth escape divine gourd is a heaven-destroying divine gourd! He had directly tricked the enemy away! I was just making it up at that time. I didn't expect that there really was such a celestial artifact!

The Great Sage, Heaven's Equal, [pfft ... You're really good at playing!] Even making up nonsense could scare the enemy away!

Chen Xiaobei thought to himself,'Monkey King, stop laughing at me ... Tell me about the benefits of this Armageddon!' Why did he recommend it?

The Great Sage, Heaven's Equal, thought, this heaven-destroying and earth-destroying banner is a magic treasure of the demon race! In the heavenly realm, there was the existence of the [ten thousand puppet battle formation]! Therefore, the rarity was not high! It was almost the same as the weapons of the celestial soldiers and celestial generals!

The Great Sage, Heaven's Equal said,"however, the power of the destructive hou is very strong. It's definitely one of the best among one-star heaven immortal items!" Although he didn't dare to say that he was invincible among his peers, he was more than enough to overwhelm most celestial artifacts of the same level!

The Great Sage, Heaven's Equal thought,"the point is, its price is reasonable!" If he remembered correctly, fifty billion merit points was enough to exchange for it! It won't affect your three renhuang level, and I can even leave you more than 30 billion merit points to exchange for other things!

Chen Xiaobei thought, Monkey King, you're so thoughtful! It's decided! I'll exchange it for the destruction of heaven and earth!

The Great Sage, Heaven's Equal: " listen to me. I'm sure you won't be wrong! (Confident)

Chen Xiaobei: " Oh right! Monkey King! Last time I asked you to help me ask about Daji. Did you ask her?
"

The Great Sage, Heaven's Equal: I'm in Emperor NVWA's Palace! I don't know what sister Nuwa is doing, but she hasn't come out to meet me!

Chen Xiaobei: " then, when do you think lady Nuwa will come out? "

The Great Sage, Heaven's Equal, who can say for sure? I'm guessing that something big has happened! After all, it was sister Nuwa who asked me to come. If it wasn't for something major, it's impossible that she didn't even have time to see me!

Chen Xiaobei: " I see ... I'm not in a hurry. When you see lady Nuwa, just remember to ask her for me!

The Great Sage, Heaven's Equal: I'll definitely remember your matters and won't forget them for you!

Chen Xiaobei-thank you, Monkey King! Then I'll go exchange for the destruction of heaven and earth Gu first! (Grinning)

The Great Sage, Heaven's Equal:

.....

After exiting the group chat, Chen Xiaobei activated the merit points ledger!

"I want to exchange for the destruction of heaven and earth banner!"

Chen Xiaobei's mind flickered, and the corresponding information appeared in his mind.

[ding-

[ding...Ding...Ding...Ding...50 billion merit points for one sword!]

"I want to exchange for one!" Chen Xiaobei made his decision!

[ding! Number of swords available for exchange: one!]

[ding! Merit points successfully exchanged. 50 billion merit points have been deducted!]

[your current merit points are 95.73 billion.(Charm: 9.573 billion, luck: 9.573 billion!]

"Done! Hahaha ..."

Chen Xiaobei was excited. Even though he had lost 50 billion merit points, he was still in a good mood!

From this moment on, Chen Xiaobei finally had an attack-type heaven-immortal instrument that belonged to him!

In the earth-god Realm, only the top ten forces had heaven-God instruments!

From this moment on, Chen Xiaobei had the chip and the foundation to create a new top force!

In the near future, the beixuan dynasty would definitely reach, or even surpass, all the peak forces and stand at the top of the earth-god Realm!

"Of course, good and bad come together. If there's a good, there's a bad!"

Chen Xiaobei's mind was still calm and collected despite the joy in his heart, " "First of all, spiritual energy is the biggest problem! 30 billion upper spiritual stones for one activation was no joke! Even if I have hundreds of billions of wealth, I can't stand it!"

secondly, my luck and charm have both dropped. In addition, I've already used up a lot of them in the early stages, so my luck might have dropped to a low point! If we encounter any danger later on, we won't be able to rely on luck and charm to pass the test!"

Without a doubt, Chen Xiaobei had to consider these two questions!

First of all, 100 billion was just an idea, and it might not be possible to realize it! Everything would depend on the situation at the auction!

Secondly, Shen gongpao's Secret plan would definitely put Chen Xiaobei in an inescapable situation! After his Qi fell, it was even more difficult for Chen Xiaobei to break out of this situation!

The law of luck, fortune and disaster!

The benefits were always accompanied by some disadvantages, especially a heaven immortal artifact that could affect the overall situation of the human world, which would bring about huge changes!

In the end, it was even possible that success and failure were because of it!

"Young master Chen!"

Qing bao reminded Chen Xiaobei, " "We're almost there! The barren land in front should be where the dark abyss is!"

Chen Xiaobei calmed himself down and stopped thinking about the matter of fate energy. He smiled and praised, " "You're really fast! They had arrived in just a few minutes! If it was The Burning Sky Warhawk, I'm afraid it would take at least half a day to get there!"

"Of course! "I have the divine body of the blue Luan, and speed is my greatest talent!" Qing bao was very happy to hear Chen Xiaobei's praise.

it's about time to slow down and approach slowly to avoid danger! Chen Xiaobei reminded.

"Alright!" Qing bao concentrated and raised her vigilance.

.....

Qing bao landed on the ground at the edge of the scorched earth and transformed back into his human form.

this place is filled with Yin Qi. The entire place is filled with a deathly chill. Not even a blade of grass can grow here. Insects are also completely extinct!

it's so eerie ... qing bao furrowed her brows slightly, feeling very uncomfortable."This place is too eerie! I feel that there's a great danger hidden within!"

"Of course!"

of course! Chen Xiaobei nodded. if it wasn't for the greatest danger, the best treasures would have already fallen into the hands of others. Why would they wait for me to come and get them? "

Qing bao said worriedly, " that being said, I feel that the danger here is far beyond what we can bear! We're taking a risk right now! I'm risking my life!"

"If you're afraid, you can just wait for me here!" Chen Xiaobei said.

"I ... I'm scared! But I'm more loyal!" Qing bao swallowed and gathered his courage to say, " "Young master Chen, you are the person I admire and respect the most. You are also my good friend! Even if it's risky, I won't leave you behind!"

“Idiot!” you’re not the one who abandoned me! I’m the one who abandoned you! Chen Xiaobei laughed.

“Ah? Why are you the one who abandoned me?” Qing bao was confused.

I know! Chen Xiaobei laughed. you won’t be of much help if you follow me. Instead, you’ll need me to protect you! If you stay here, I won’t have to care about you!”

“Young master Chen! You ... You’re actually despising me!” Qing bao pouted and stomped her feet in anger.

hehe ... Chen Xiaobei grinned evilly. Teasing an innocent girl was really interesting.

But! In the next moment!

Chen Xiaobei’s face changed and he quickly covered qing Bao’s mouth. “Shh! Don’t make a sound! Someone’s coming!”

“Woof! Buzzzzzz! Yi ...”

Dozens of extreme shadows flew over in the sky one after another!

Judging from their speed, the cultivation of these Ji Ying was not low. They were at least three-star earth-god level!

Judging from their figures, these extreme shadows were strangely shaped and abnormally huge. They were definitely not ordinary immortal cultivators!

Chapter 2850: taking in another loyal dog

“It’s a disciple of heavenly Yin Hall! What are they doing here?”

Qing bao recognized the identity of the dozens of extreme shadows at a glance. His little face was full of doubts.

that was clearly a group of monsters. How could they be disciples of the heavenly Yin Hall? ” Chen Xiaobei was also confused.

“Because they have transformed into their demonic beast forms!” it’s just that they’re all strange beasts,” qing bao said. that’s why they look so strange!

Looking up, among the extreme shadows, there were giant beasts with the body of a Lion and the wings of an eagle, strange beasts with the body of a horse and the wings of a flesh beast, and even giant turtles with White Crane wings!

All in all, they were all grotesquely shaped!

It was probably because ‘demons’ were all very ‘strange’, that’s why they were called demons!

“Even if they are all demonic beasts, how do you know that they are disciples of heavenly Yin Hall?” Chen Xiaobei asked again.

Qing bao frowned and said, " I'm not sure about the others, but the 'blue-eyed flying bear' in the front is not only a disciple of the heavenly Yin Hall, but also a core disciple of the headquarters! BA tu Meng!"

"How is he compared to you?" Chen Xiaobei asked.

Qing bao said in a deep voice, " he's also a six-star earth-god. In terms of speed, he's far from my match! But in terms of brute force, I can't beat him!"

"Only a six-star earth-god?" hehe! Chen Xiaobei laughed. looks like I have another group of loyal dogs! This is interesting!"

"You ... You're going to subdue them all?" Qing bao was stunned and surprised.

"To me, this is just a piece of cake!" Chen Xiaobei chuckled and released e Huo Yuntian from the Meru space.

"Master! Have we arrived? How to take action? Please give the order!" E Huo Yuntian was full of fighting spirit as soon as he came out, rubbing his fists and wiping his palms!

"Do you see those jokers in the sky? Help me arrest all of them!" "I want to make them my loyal dogs!" Chen Xiaobei smiled.

After that, Chen Xiaobei gave e Huo Yuntian a hundred pieces of dog food!

"Don't worry, master! I promise to complete the mission!"

E Huo Yuntian was already very familiar with the task of subduing a loyal dog. He kept the dog food, jumped, and directly attacked!

"Let's go! Let's go over too!" Chen Xiaobei smiled and walked over with qing bao.

young master Chen's servant is too powerful! "By the time we get there, those jokers must have been subdued!" Qing bao sighed.

"They? It's not even enough to fill the gaps between e Huo Yuntian's teeth!" Chen Xiaobei chuckled, not expecting anything unexpected to happen.

After all, e Huo Yuntian was a peak seven-star earth-god, and he also had a peak seven-star earth-god weapon, the fire-stabilizing Divine Blade!

There was no doubt that it would be easy to deal with the group of three-star to six-star demons just now!

That was why Chen Xiaobei and qing bao were not worried at all.

.....

A few miles away, a huge chasm appeared in the middle of the vast and dark scorched earth!

It was tens of thousands of meters long and hundreds of meters wide!

This chasm lay in the middle of the scorched earth. It was as if the earth had been torn apart and the entire world was about to be split in half!

And the death Qi that filled this world originated from the inside of this chasm!

“This is the place! Let’s land!”

The dozens of disciples of the heavenly Yin Hall descended to the ground and transformed back into their human forms.

The demon beasts with lower cultivation levels still retained more of the characteristics of beasts, such as manes, claws, tails, feathers, and so on!

As for BA tumeng, who had the highest cultivation, his beast-like characteristics had basically disappeared! Apart from his deep blue eyes, he looked exactly like a normal human being.

Of course, his body was very burly and his muscles were strong, giving people the feeling of a Dragon and a Tiger! This wasn’t something that ordinary humans could compare to!

“Everyone, get ready. Take out the items of pure yang that can resist the yin and evil, and then we’ll enter the dark abyss! We must go deeper today!”

BA tumeng was obviously the leader of this group. He directly gave the order, and everyone followed it without any hesitation.

“You guys don’t have to waste your energy! Obediently wait for master’s arrival!”

Right at this moment, a low roar came from not far away. E Huo Yuntian had suddenly launched an attack!

“Whoosh ...”

The terrifying power of a peak seven-star earth-god came crashing down like a tsunami, directly enveloping the dozens of disciples of the heavenly Yin Hall!

“Who are you? What a terrifying cultivation! A peak seven-star earth-god! That ... That’s a respectable King!”

“Why did he attack us? It’s finished! We’re dead!”

“Senior, please spare my life ... Is there some misunderstanding between us? Spare me ... Spare me ...”

The huge gap between their cultivation levels had rendered the disciples of the heavenly Yin Hall completely helpless! There was no other way out except to beg for mercy!

“Boom boom boom ...”

However, e Huo Yuntian’s heart was as hard as stone. He would only obey Chen Xiaobei’s orders and would not show mercy even if his enemy begged for mercy!

The true energy pressed down like a mountain, crushing the disciples of heavenly Yin Hall to the ground!

All of them prostrated on the ground, unable to even move a finger!

“Senior! Who are you? Why did you attack us? Do you know that we are all disciples of the heavenly Yin Hall? Have you ever considered the consequences of offending heavenly Yin Hall?”

BA tumeng was being pressed down, and even speaking was extremely difficult.

“To me, the heavenly Yin Hall is indeed very powerful!”

E Huo Yuntian smiled indifferently, “it’s a pity that heavenly Yin Hall is nothing to my master!” There is no need to consider the consequences!”

“Your master?”

BA tu thought for a moment and asked in a deep voice, “ your master dares to oppose heavenly Yin Hall. Is he Divine Master dugu of nine nether platform? ”

“Heh, Saint Lord dugu is also very powerful!” E Huo Yuntian laughed, “however, she’s not my master!” She’s just one of my master’s many women!”

“What?” When everyone heard this, they were instantly dumbfounded. They simply couldn’t believe their ears!

The all-powerful dugu zang Xian had actually become someone else’s woman? Furthermore, she was only one of the many women?

This is crazy! That was simply a fantasy! Even a child would know that it was pure nonsense! It couldn’t be true!

However, just as everyone was in shock, a complicated look flashed across BA tumeng’s eyes. “Senior! Is your Master Chen Zhufeng? I’ve heard from young lord Qiu Heng that Chen Zhufeng is dugu zang Xian’s fiancé!”

“It’s good that you know!” E Huo Yuntian smiled and said, “all of you, open your mouths. My master wants to treat everyone to dog food!” This is your honor, don’t refuse it! Otherwise, I’ll stomp you to death like I’m stepping on ants!”
