Chapter 2871: respect the old and love the young

“No... Young master, I didn’t mean to slap your face ...”

Han Zhanying wiped the cold sweat off his forehead and said awkwardly, “ you don’t know this, but at that moment, the pressure from Chen Zhufeng’s body was like the pressure of our Zhu family’s ancestor when he was furious! It’s really too strange!”

what??? ”

Zhu qiuhe’s face was filled with shock. “How can that little bastard’s pressure be on par with our ancestor? And it’s the pressure of the old ancestor when he’s enraged?”

that’s right ... han Zhanying nodded his head repeatedly. “This kid is neither angry nor irritated, but his pressure is already so terrifying! If he was as furious as our ancestor, how terrifying would his pressure be?”

“You’re saying that his ... His pressure is even stronger than our ancestor’s?” Zhu qiuhe sucked in a cold breath.

“That’s right!”

Han Zhanying nodded and said nervously, “ “Pressure is a kind of aura that is emitted from the inside out. It can’t be faked or acted out! At the same time, Chen Zhufeng is definitely not an ordinary person!”

“What do you mean? Don’t tell me you think that Chen Zhufeng’s cultivation level is higher than yours?” Zhu qiuhe’s brows furrowed, “I’ve checked him clearly with my primordial spirit domain. He’s just a late-stage golden core trash!” You’re afraid of that?”

“It’s better to be safe than sorry,” Han Zhanying was really terrified. He said awkwardly, “ if his cultivation level is higher than mine, his essence soul domain can interfere with all of our essence soul domains and allow us to detect the wrong cultivation level!

“What? His cultivation level is higher than yours?” Zhu qiuhe swallowed his saliva. He couldn’t help but feel his scalp go numb and his back turn cold.

“It’s not impossible!” Han Zhanying said in a low voice, “ the man BA tumeng captured is the respectable King of the fire cloud region of Nanzhan state. He’s a peak seven-star earth immortal! It’s said that he fought Chen Zhufeng one-on-one and was defeated in one move without being able to fight back!”

this ... Zhu qiuhe was dumbfounded.

He thought that he had set up an inescapable net and could easily stomp Chen Xiaobei to death! However, he had never expected that he would actually kick an iron plate!

“Young master, think about it! Chen Zhufeng is so cunning, why would he come here to commit suicide?”

Han Zhanying swallowed his saliva and thought, since he has the guts to challenge our ancestor, he might be a peak earth immortal! We don't even have the intention to form a formation, and it's too late to do so now. If he starts a massacre, none of us will be able to escape!"

"Zicheng ... Zicheng, what do you think?" Zhu qiheng was very clear about the seriousness of the situation and asked in a trembling voice.

I think ... han Zicheng hesitated for a moment and decided to follow Chen Xiaobei's plan."I think young master should go and invite the old ancestor! This way, it would be foolproof! It's better than us taking the risk, isn't it?"

"Yeah!" the best solution is to invite the elder, " han Zhanying said sheepishly. otherwise, if Chen Zhufeng starts a massacre, you'll be the first one to die, young master!

"Alright! Don't say anymore! Zhu qiheng had goosebumps all over his body. After he finished speaking, he left without even turning his head.

Chen ... Chen Zhufeng!

Han Zhanying took a deep breath and shouted in a trembling voice, " "My young master has already gone to invite the old ancestor. You ... You're a man, so just you wait! Don't ... Don't make a move first!"

Chen Xiaobei's dark eyes flashed with a cold smile. "Heh, as long as you don't make a move, I promise I won't!"

"This is crazy ... Young master Chen! You're completely crazy ... qing bao was sweating."Don't tell me you're really going to wait for the Zhu family's ancestor to come? That's a top-tier giant demon that's not inferior to my master! Once he comes, we'll die without a doubt ..."

"You little coward!" hehe! Chen Xiaobei laughed. it took me so much effort to lure the enemy into my trap. Just wait and see!

"What? A trap? Where was the trap? don't lie to me ... qing bao was dumbfounded. He looked left, right, up, and down, but couldn't see any traps around.

Chen Xiaobei was speechless."Idiot! What's the use of the trap if the enemy sees it?"

it's over ... It's over ... We're really going to be a pair of mandarin ducks with the same fate ... qing Bao's eyes turned red, and tears began to flow. She looked like she was about to cry.

"Don't cry! I'm most afraid of women crying!" Chen Xiaobei quickly held qing Bao's hand.

tsk ... qing bao couldn't help but moan. Her heart was beating fast, and she was nervous and shy. Her fear was greatly diluted.

At a distance.

"See? I knew Chen Zhufeng came prepared!" "Chen Zhufeng still has the mood to flirt at a time like this!" Han Zhanying said. It's obvious that he has prepared a powerful trump card that is enough to fight with our ancestor!"

“What kind of trump card can allow him to fight with our ancestor?” Han Zicheng said seriously, “even if he is a peak earth immortal, can he fight against the nine-headed Python’s body of our ancestor after he transformed into a demon? Could it fight against the great mountain-guarding formation? Can it fight against the heavenly Yin divine Pearl?”

this ... han Zhanying was taken aback. He frowned and said, “You don’t need to worry about this! Chen Zhufeng would definitely be defeated by the elder anyway! Let him show off now, but he’ll soon be struck by lightning!”

boom boom boom ... Boom boom boom ...

Not long after, a loud noise that sounded like thousands of soldiers and horses galloping suddenly came from the sky!

Han Zhanying and the other demons were overjoyed. They all looked in the direction of the voice with admiration and respect!

Han Zicheng, on the other hand, frowned slightly, a trace of uneasiness flashing through his eyes, and he silently put away the spring and autumn beam.

Han Zicheng knew very well that from this moment on, all his plans and trump cards were useless. The situation was completely out of his control. How things would develop in the future would all depend on Chen Xiaobei!

“This disciple respectfully welcomes the arrival of old ancestor ...”

Millions of demonic beasts roared in unison. The thick and huge sound waves even caused the clouds to disperse and the space to tremble!

In the distant sky, a black chariot was flying over!

The war chariot was made of metal, with sharp edges and corners, showing off its sharpness! It exuded a deep and heavy aura of an Emperor!

Two black horses with a single horn on their heads and a pair of wings on their backs were pulling the chariot in the air! His speed was so fast that it was hard to see with the naked eye. He was probably no lower than an eight-star earth-god!

The heavenly Horse pulled the carriage and sped through the air!

Only one person could make such a grand entrance!

The Zhu family’s ancestor, Zhu Tian Zong!

Chen Xiaobei looked up and saw an old man in a black robe sitting in the middle of the chariot!

The old man’s eyes were closed as if he was resting! It was as if the wind and clouds around him were surging, and the powerful enemies below the field were not worthy of him opening his eyes even a little!

Zhu qiheng stood at the side and bowed his head like a little eunuch. He said in a low voice, “ancestor, we’re here! That damn Chen Zhufeng is right in front of us!

“Whatever methods he has, let him use them directly! I’m very busy, I don’t have time to talk nonsense with him!” Zhu tianzong still didn’t open his eyes as he spoke indifferently.

Obviously, Zhu tianzong did not take Chen Xiaobei seriously at all!

No matter what Chen Xiaobei did, Zhu tianzong was confident that he would be able to resolve it!

However, before Zhu qiuhe could say anything, Chen Xiaobei had already spoken.

“You are the Zhu family’s ancestor?”

Chen Xiaobei raised his eyebrows and smiled evilly. “Don’t say that this young master doesn’t respect the old and cherishes the young. If you have any powerful means, just use them first! I’ll give you three moves!”

Chapter 2872: pretending to be a pig to eat a Tiger

“What? Give me three moves?”

Zhu tianzong was so angry that he suddenly stood up. His eyes were as wide as a bull’s and it seemed as if they were about to spit fire!

Chen Xiaobei’s Kung Fu was really good at angering people!

Zhu tianzong had been resting with his eyes closed the moment he appeared. He looked down on Chen Xiaobei!

But Chen Xiaobei’s words made him so angry that his eyes widened and he was fuming! The composure of a Supreme-being expert was instantly swept away!

Of course, this was not strange at all!

Zhu Tian was the leader of the heavenly Yin Hall! The ruler of thousands of countries! It was a nine-headed Python! He was controlling a heaven immortal artifact with one hand! A heavenly immortal level magical formation! There were also millions of powerful disciples who could form a divine immortal level battle formation!

Zhu tianzong was only ranked tenth among the top ten powerhouses in the earth-god Realm!

However, even the top nine powerhouses would not dare to say such crazy words in the heavenly sound mountain range that Zhu Tian Zong would only need three moves!

Except for the real heaven Immortals, no one in the human world could resist Zhu tianzong’s three trump cards!

But Chen Xiaobei had said that he would let Zhu tianzong have three moves! He said it as if it was true!

Those who did not know better would think that Chen Xiaobei was a God!

His tone was so big that there was no end to it!

Of course, not a single one of the million demons believed that Chen Xiaobei was a divine immortal! They would never believe it!

Since they did not believe him, they thought that Chen Xiaobei was just acting cool and trying to scare them!

The crowd was stunned at first, and then an uproar broke out!

“Pretentious d * ck! I’ve lived for more than 100000 years, and I’ve never seen such a crazy pretentious criminal! Brainless posturing! He’s so stupid!”

“Little bastard! Do you think we’re scared? You said you’ll let our ancestor have three moves because you want us to be suspicious and afraid that you really have a trump card! This way, you can scare us and win without a fight! Stop dreaming! I won’t fall for your trick!”

“I’ve seen through it! Other than being full of tricks, this little bastard didn’t have any real ability! If senior brother Zhan Ying hadn’t been scared off just now, he would have been able to defeat him!”

“You’re right! This little bastard only knows how to put on a pretense to scare people. To put it bluntly, he’s just a paper tiger, completely useless!”

It was obvious that the members of heavenly Yin Hall were quite smart!

They all knew that Chen Xiaobei was more cunning than a Fox! That was why he immediately realized that Chen Xiaobei was just bluffing!

“Everyone’s so right!”

Zhu qiheng also nodded his head and said, “this kid doesn’t have any real ability, he’s just bluffing with his mouth!” He said that he would let the ancestor have three moves, so that we would all suspect that he is really extremely powerful and not dare to touch him!”

that makes sense ... han Zhanying nodded, and said awkwardly, ” “I really shouldn’t have sneaked away just now. If I had used a move to test him, I would have immediately seen through his mask ...”

Without a doubt, Chen Xiaobei’s extraordinary wisdom and stratagems had left an impression of cunning in the minds of his enemies!

This way, no matter what Chen Xiaobei said or did, the enemy would be the first to suspect that he was up to something!

At that moment, Zhu qiheng, han Zhanying, and the millions of demons around them all thought that they had seen through Chen Xiaobei’s ‘trick’. They believed that Chen Xiaobei was just trying to scare them!

With that, everyone’s wariness of Chen Xiaobei was greatly reduced!

In addition, their ancestor Zhu Tian Zong’s arrival made everyone feel even more at ease, and even completely relaxed their vigilance!

“Hmph! This Lord thought that a terrifying Big Shot had arrived, and he actually wanted this Lord to come personally! After all this, he’s actually a little trash who only knows how to talk big!”

Zhu tianzong replied with a disdainful look, "my primordial spirit domain can clearly see that you're at the late-stage golden core realm!" Unless you're a celestial immortal, I'm not wrong! Of course, you can't be a celestial immortal!"

"You talk too much nonsense!"

Chen Xiaobei shrugged and said, "That's not the point! The point is, I'll let you have the first three moves!"

"You're stubborn!" Zhu tianzong's face was full of disdain as he said, "Mere ants! Which of my killing moves can you take?"

"Don't you have a divine instrument and a divine-level magical formation?" Just directly show it! It's only interesting this way!"

As soon as he said that, the crowd burst out with ridicule and disdain again.

To the crowd, Chen Xiaobei was simply courting death by picking out the two trump cards of candle tianzong! Fancy death seeking!

Even qing Bao's face was pale. She looked at Chen Xiaobei in confusion, unable to understand why Chen Xiaobei would do this!

Even if Chen Xiaobei had the destructive aura shield, he could only activate it once. He could not defend against Zhu tianzong's two trump cards!

If Zhu Tian Zong really attacked, Chen Xiaobei would die!

However!

Just when everyone thought that Chen Xiaobei was seeking death, a wise light shone in the depths of Chen Xiaobei's eyes!

Because the enemy had already fallen into their trap!

"You want me to use a heaven immortal artifact and a heaven immortal grade formation? Bah! What the hell are you? Are you even worthy?"

"You're just an ant. I can crush you 100 million times with one finger!" Zhu tianzong replied with disdain. Using a heaven immortal artifact and a heaven immortal level array will consume the energy of a large energy vein. It's the biggest waste to use it to kill you!"

Without a doubt, this was Chen Xiaobei's trap!

When Chen Xiaobei said that he would let Zhu tianzong have three moves, he was not just trying to show off. He was trying to numb everyone!

Everyone thought that they were smart enough to see through Chen Xiaobei's 'trick'!

In fact, they were all too smart for their own good!

Because they had seen through his 'trick', they had let down their guard and even started to look down on Chen Xiaobei!

If Zhu tianzong really took out his divine instrument or activated a divine-level formation, Chen Xiaobei would be in a passive position. He might even be doomed!

This was because the annihilation star banner could only be used once, but the Zhu family's magical treasures and arrays could be used ten times!

However, Zhu tianzong had already fallen into his trap! He did not even bother to use his ultimate skill on Chen Xiaobei!

Chen Xiaobei's plan had succeeded!

This plan was the most powerful, cool, and cool legendary divine plan in the pugilistic world-pretending to be a pig to eat the Tiger!

"You're too petty! You're not even willing to use a heaven immortal artifact or a heaven immortal magical formation?"

"Oh right, aren't you a nine-headed Python?" Chen Xiaobei laughed. Change your body and let this young master have some fun!"

"What? Transform to make you happy? Do you think I'm a monkey?" Zhu tianzong was furious.

"I let you make the first move, why are you still angry?" Chen Xiaobei took out a Black Flag and smiled evilly, "If you don't need me to give way, I don't mind making the first move!"

Chapter 2873: massacre begins

"Heh, a mere ant. I'd like to see what kind of tricks you can play!"

Zhu tianzong did not take Chen Xiaobei seriously.

However, the black flag in Chen Xiaobei's hand had a very strong spiritual aura, which attracted Zhu tianzong's attention.

"Ancestor! Chen Zhufeng is running!"

Zhu qiuhe quickly said, "if I'm not wrong, the flag he's holding is the eleventh Heaven immortal tool of the earth immortal world!" Earth escape immortal Gu!"

"Earth escape immortal puppet?" Zhu tianzong's expression slightly changed as he asked, "How did you know?"

I was completely defeated by Chen Zhufeng's flag on rainbow cloud Island!

after that, I spent a lot of money to buy information from Tianji city. The old man of Tianji personally confirmed that the flag in Chen Zhufeng's hand is called the earth escape immortal puppet. It is a support-type magical treasure that can only be used to escape underground! Zhu qiuhe said in a deep voice.

"That's not right ..." Zhu tianzong said, "I remember that you said that Chen Zhufeng's flag was yellow, but it's Black now!"

"Ancestor! What kind of person was Chen Zhufeng? He's more cunning than a Fox!" "He must have dyed the flag black to deceive us!" Zhu qiuhe said.

"Are you sure?" Zhu tianzong was an experienced man after all. He was very cautious at the critical moment!

"I'm basically sure!" Zhu qiuhe frowned and said, "if I'm not wrong, Chen Zhufeng will say that the flag is called the destruction flag! Back then, he tricked me like this!"

"Old man Zhu! Are you ready?"

Chen Xiaobei was holding the flag pole and said, "Don't say I didn't warn you! This heaven-immortal item of mine is called the heaven-destroying and earth-destroying banner! As long as I want to, I can activate the sky-destroying Black Lightning and the earth-destroying blood lightning! Everything within a radius of a million miles was scorched! All of us will die without an intact corpse, and our souls will be scattered!"

Not only was Zhu Tian Zong not afraid, he even laughed after hearing this.

hahaha ... Zhu Tian Zong laughed, "Qiu Heng! You were right! That kid is trying to use his old tricks to trick us again!"

"Forefather is wise!" of course not! Zhu qiuhe sneered. when Chen Zhufeng tricked me last time, he only said that everything within a ten thousand mile radius would be scorched! This time, he's bluffing you with an even bigger tone. It's a million miles now! Hahaha ..."

Chen Zhufeng really doesn't speak the truth!

Zhu tianzong raised his eyebrows and laughed loudly, "Chen Zhufeng! If you want to make a move, just come! Don't think that this old man doesn't know that your tattered banner can't even hurt a hair on this old man's head!"

"Are you sure?" Chen Xiaobei laughed.

"Nonsense! Do you think that by dyeing it, this old man wouldn't know that it's an auxiliary magic treasure, the earth-escaping immortal puppet?"

Zhu tianzong said disdainfully, "to put it bluntly, you can only use it to escape!" He had consumed the spirit Qi of a large spirit vein just to escape! You've lost so much in this wave! If this gets out, you'll become the laughing stock of the world! Hahaha ..."

The millions of demons around him laughed at Chen Xiaobei as if he was an idiot!

"Sect leader Chen is really stupid! They came to save people, thinking that they could scare us into saving them! Great, now that we've seen through their scheme, not only did they fail to save her, they even had to sacrifice a large spirit vein. Hahaha ..."

"Chen Zhufeng is a classic example of trying to steal a chicken but losing the rice instead! Oh no! It had eroded a large spirit vein! Hahaha ... Once this news spreads, the whole world will laugh their heads off!"

not only will Chen Zhufeng become the laughingstock of the world, but even dugu zang Xian will be laughed at by the world! Not only did he find a good-for-nothing to be his fiancé, but this good-for-nothing was also an idiot! Hahaha ...”

Merciless mockery rose and fell from the crowd. The million demons laughed so hard that their bodies convulsed!

In their eyes, this scene was no longer a battlefield, but a theater that was putting on a funny comedy!

“Whoosh ...”

While everyone was laughing, Chen Xiaobei had already started to wave the black Flag in his hand!

“If the heavens are suppressing me! I will destroy the heavens! If the earth doesn’t tolerate me, I’ll destroy the earth!”

As the black Flag was waved, the atmosphere of the entire space changed drastically with Chen Xiaobei as the center!

Dark clouds gathered overhead, and a fierce wind howled! Thunder rumbled, and time and space trembled!

A pitch-black darkness descended, becoming the eternal color of this world!

Destroy the heavens! Annihilate the earth!

A terrifyingly vast pressure came down with the darkness!

All living things lost their color in that instant, turning gray and gloomy, and lifeless!

Everyone’s heart trembled violently. A cold, lonely, brutal, and merciless aura had completely occupied their bodies and minds!

It was as if in the next moment, the darkness would devour everything, including everyone. All life in the world would be cut off, and everything on the ground would be scorched!

“What a terrifying aura ...”

Zhu tianzong took a deep breath and frowned, “That ... That’s really the earth escape immortal puppet? Such a strong killing aura doesn’t seem like a support-type magic treasure!”

“Don’t worry, forefather! That was definitely the earth escape immortal Gu! As a heaven-immortal artifact, it’s normal for it to be a bit more powerful!”

Zhu qiuhe said seriously, “old ancestor, think about it. It’s already a miracle for the eleventh Heaven-immortal instrument to appear in the earth-immortal world! How could there be a twelfth one? How could a mere Chen Zhufeng have two heaven-immortal artifacts?”

“That makes sense!”

that’s right! Zhu tianzong nodded. a heaven-immortal instrument is not as common as cabbages. Even the most powerful man in the mortal world, the old man of heavenly secrets, only has one heaven-immortal instrument. It’s impossible for Chen Zhufeng to have two!

Zhu qiuhe grinned hideously, "large-scale spirit veins are not cabbages!" Chen Zhufeng might be able to run away once, but he would not be able to run away forever! He will fall into our hands sooner or later!"

Hearing this, Han Zhanying laughed coldly. "Hmph, I'll give the order to put Chen Zhufeng on the wanted list! As long as he is still in the territory of my heavenly Yin Hall, we must find a way to capture him!"

However, at the same time, Han Zicheng's expression changed drastically. He unconsciously hid behind Zhu Tianzong's chariot!

If Han Zicheng could not figure out what Chen Xiaobei was trying to do earlier, he had a clear idea of what Chen Xiaobei was trying to do now!

Everything that Chen Xiaobei had done before was to sharpen a knife!

All Chen Xiaobei had to do now was to swing his sword!

"I've already told you in advance that this is the heaven-destroying and earth-destroying banner. Why don't you believe me?"

Chen Xiaobei activated the full power of the flag in his hand, " "Since you're not afraid of death, I'll fulfill your wish!"

With a wave of the flag, a terrifying destructive force that could destroy the world burst out and swept out in all directions!

Slaughter! Start!

Chapter 2874: destruction of heaven and earth

boom boom boom ... Boom boom boom ...

In the sky, black and blood-red lightning bolts were really rolling inside the thick black clouds!

The lightning bolts were huge, and they were like dragons as they writhed in the dark sea of clouds! It twisted and flamboyant, showing off its sharpness!

"No... No..."

Zhu Tianzong was shocked. His face turned pale instantly. "This is definitely not a support-type magical equipment! Chen Zhufeng ... He ... He ... He ... Besides the earth escape divine gourd, he really has a second heaven immortal item! This is bad ..."

At this moment, Zhu Tianzong was so shocked that he wanted to take out his heaven immortal item in a fluster!

However, it was too late!

The attack speed of a heaven-immortal artifact was extremely fast! Zhu Tian Zong was in a panic and didn't have time to defend!

"BOOM! BOOM! Boom ..."

In an instant, billions of blood-red lightning bolts struck down, covering the space within a million miles with blood light!

As soon as the blood-red lightning touched the bodies of the millions of demons, their bodies melted like ice and snow!

No matter how strong his body was, he could not resist it!

As long as they were touched by the blood-colored lightning, they could only watch as their limbs and bodies festered and melted bit by bit. In the end, their entire bodies fell into the blood! He died without an intact corpse!

Some of the more vicious ones had severed their limbs. Although their bodies were no longer melting, the blood-red lightning bolts that followed were like a storm, leaving them no room to Dodge!

Even if he were to be chopped into pieces, he would definitely not be able to escape the fate of being turned into a pool of blood and dying without an intact corpse!

In just a few seconds, there was not a single demon left!

The only thing that remained was the blood that was still flowing, dyeing the ground red!

What was even more terrifying was that the blood carried an extremely strong destructive power, which was even more powerful than boiling lava and molten iron!

Wherever the blood flowed, the grass and trees were instantly incinerated, and the earth was scorched! The mountain, which was originally full of life, no longer had any life left. It had directly turned into a land of death!

“BOOM! BOOM! Boom ...”

Then, Black Lightning struck down!

Those great demons whose bodies had been melted by the blood-red lightning thought that they could escape with the help of their nascent souls!

However, in the face of the terrifying Black Lightning, all the nascent soul cultivators were as weak as mosquitoes!

Wherever the black Lightning passed by, the nascent soul cultivators were instantly turned into dust, vanishing in the wind without leaving a trace!

What was more terrifying was that all the mountains within a million miles were shattered by the black Lightning!

Out of the eight thousand sub-schools of the heavenly Yin Hall, at least one thousand of them had been razed to the ground and ceased to exist!

At the same time, the entire heavenly note mountain range was pulled by this terrifying force, and a terrifying earthquake erupted!

The earthquake was especially intense in Shannan!

Of the three thousand Peaks South of the mountain, one thousand had completely collapsed and been razed to the ground! The remaining 2000 buildings were also destroyed in this terrifying earthquake, turning into ruins!

At this point! The million elders and disciples of the three thousand Peaks in the South of the mountain had all died! The three thousand Peaks of the Academy were all destroyed!

It was not an exaggeration to say that more than one-third of the headquarters of the heavenly Yin Hall, which was a peak force in the world of earth Immortals, had been destroyed by this attack!

This time, his vitality was greatly damaged! It would probably be difficult to make up for it in the next tens of millions of years!

In this way, heavenly Yin Hall could no longer be compared to the other nine top forces!

If Zhu Tian Zong were to die as well, the heavenly Yin Hall would immediately fall from their divine altar and would no longer be able to bear the title of a peak force!

Fortunately, Zhu tianzong was a peerless expert who stood proudly at the peak of the earth-god Realm! He even had the heavenly Yin divine Pearl with him! He had finally managed to keep his life!

However, under Chen Xiaobei's clever plan, Zhu tianzong did not fully activate the lunar Pearl. Although he managed to survive, he had suffered a great loss!

At first, a blood-red lightning bolt struck Zhu tianzong's chariot and the two black heavenly horses pulling it!

The chariot shattered and the Pegasus turned into a pool of blood!

Then, the second blood-red lightning struck Zhu tianzong's body!

Fortunately, he carried the heavenly Yin divine Pearl with him. This heaven immortal item had a spirit, and like the Jiu fan Golden Bell, it could automatically protect its master!

The divine Pearl flew out on its own and blocked the blood lightning ability!

However, the heaven-destroying and earth-destroying banner was a magical treasure recommended by the Monkey King. In addition to its powerful special ability, it was also more lethal than an ordinary heaven-immortal artifact!

The remaining force was not blocked by the dark sky divine Pearl and directly hit Zhu tianzong's body!

In an instant, Zhu tianzong's bones and tendons were all broken, and his peak earth level deity body was instantly reduced to waste!

Then, a black lightning bolt struck down!

Although the dark sky divine Pearl protected its master and blocked most of the power, a small amount of power still hit Zhu tianzong's body!

The black Lightning's special ability was to destroy the souls of nascent soul cultivators!

Although the remaining energy was not enough to destroy Zhu tianzong's soul, it had severely injured his nascent soul and caused his cultivation base to plummet. Although he was a peak earth immortal now, he could only exert the power of a one-star earth immortal!

In this way, although Zhu Tian Zong managed to keep his life, his body and soul had been destroyed, and his cultivation base had plummeted. He had basically become a cripple!

Speaking of which, Zhu qiheng and han Zhanying were both very lucky!

When the lightning struck, they were all beside Zhu Tian Zong. The heavenly Yin divine Pearl had absorbed most of the power, while Zhu Tian Zong had to bear the remaining power!

In the end, Zhu qiheng and han Zhanying were only slightly injured!

Of course, the most fortunate one was still han Zicheng!

Han Zicheng had already guessed Chen Xiaobei's intention and hid behind Zhu tianzong's battlefield. In the end, he was not even injured!

"Ancestor! "Ancestor, are you alright ... You can't die ... You can't die ..." Zhu qiheng completely broke down and subconsciously controlled his sword to rush to the ground to take care of Zhu tianzong who had fallen to the ground!

"Oh my God ... Chen Zhufeng is not a human! he ... He's a demon ... A demon ... han Zhanying took a deep breath, turned around, and ran. He didn't care about anyone else's life and death, he only cared about running for his life!

"We won! We've won ... Young master Chen! You're really amazing!"

Seeing this scene, qing bao woke up from the extreme shock and cheered excitedly!

"Zhu tianzong has several trump cards in his hands and is almost invincible! However, young master Chen, you only used one card to severely injure Zhu Tian Zong! He has severely injured the entire heavenly Yin Hall!"

Qing Bao's eyes were full of stars as she looked at Chen Xiaobei with admiration. "Young master Chen! You're simply awesome! It's a great honor for me to be able to witness all of this with my own eyes! When I go back, I can brag to my friends for the rest of my life!"

"Alright, stop it! There's still serious business to attend to!" Chen Xiaobei looked ahead.

The entire space was already empty, and only han Zicheng hadn't left, still flying on his sword at his original place.

"Interesting! It's really interesting!"

"Han Zicheng, can you tell me the truth now?" Chen Xiaobei smiled.

[Red Envelope Group of the Three Realms](#)

Chapter 2875

2875 You're so good to me

“The truth? What truth?”

Qing bao looked at Chen Xiaobei and then at han Zicheng. She did not understand what was going on between the two.

Han Zicheng didn't answer, but instead asked, “young master Chen is so wise!” The truth shouldn't be too hard to guess, right?”

“Then I'll take a guess!”

of course! Chen Xiaobei smiled. when I first arrived at green rock peak, you could have come up with a better plan! Even if the elder were to take action, it would cause me a lot of trouble!”

“But you had your disciples activate the great treasure sealing formation to deal with me! Not only did this stupid move not hurt me at all, but it also killed all four hundred blue stone Peak disciples!”

“After that, you should have reported this to the higher-ups of the Zhu family and let the true experts come and kill me! But you just had to bring Zhu qiheng, who trusted you the most!”

“If I'm not wrong, you're planning to kill Zhu qiheng!” Chen Xiaobei laughed. It's just like killing the disciples of green stone Peak!”

Obviously, Chen Xiaobei's judgment was correct!

On green rock peak, it was han Zicheng who had strongly advised the three elders not to take action. Then, in the great treasure sealing array, more than four hundred disciples had been wiped out by half a sword strike from the chaos Blood Sword!

At this time and place, it was han Zicheng who had brought Zhu qiheng here again. He even wanted to use the spring and autumn beam to directly ambush Zhu qiheng and turn him into a hostage!

“What? What ... What is going on?”

Qing bao was dumbfounded. “Han Zicheng! Why did you harm your own people? This ... This doesn't make sense ...”

Han Zicheng did not answer. He just smiled at Chen Xiaobei, waiting for him to continue.

“The answer is simple!”

no! Chen Xiaobei said, “ whether it was the 400 disciples at green rock peak or Zhu qiheng here, han Zicheng's goal is the same. He wants to protect me so that I can leave Sky Moon Mountain safely!

“What?”

Qing bao was even more confused, “young master Chen!” You're not sick, are you? Why was he talking nonsense again? Han Zicheng was the enemy! How can he protect you?”

“I'm not sure about that ...”

Chen Xiaobei shrugged and smiled evilly. “Perhaps my charm is off the charts, han Zicheng was subdued by my personal charm and fell in love with me at first sight ... Bah! It's because I'm like an old friend at first sight, and you want to switch to my banner!”

this ... qing bao frowned and said, " this doesn't make sense! Han Zicheng didn't see you at green stone Peak!"

"Did I guess wrong?" Chen Xiaobei looked at han Zicheng.

Han Zicheng shook his head,"young master Chen's personal charm is indeed extraordinary, but it's not enough to make me submit!" And I will not join young master Chen's side!"

"If it's not because of my charm, then there's only one possibility!" "You're a pawn that my Xian 'er planted in Tian Yin Palace!" Chen Xiaobei said.

"What? Han Zicheng is shizun's chess piece?" Qing bao was completely dumbfounded. Looking at han Zicheng in a daze, he muttered, " "Impossible! I've never seen him before! Childe Chen, you must have guessed wrong!"

"I can't be wrong!"

I don't know han Zicheng at all! Chen Xiaobei said. but in order to save me, he was even willing to ambush Zhu qiuhe and make a deadly enemy of Tian Yin Hall!

"Han Zicheng wasn't my best friend, but he was willing to risk his life to save me! He must have been trained by someone, and is ready to sacrifice himself at any time!"

of course not! Chen Xiaobei said. in the entire earth-god Realm, I can't think of anyone else other than my Xianer who could cultivate a genius like han Zicheng, control him, and make him so loyal to her!

Chen Xiaobei's analysis was correct!

Han Zicheng was a God's favored one, and apart from the leaders of the top ten forces, no one else could train him, let alone control him!

The leaders of the top ten forces either had nothing to do with Chen Xiaobei or wanted Chen Xiaobei dead!

The only person who was willing to help Chen Xiaobei was dugu zang Xian!

"Young master Chen is indeed smart!"

Han Zicheng said in a deep voice,"I was the first to know that BA tu had captured e Huo Yuntian!" After I reported this information to the Holy master, she concluded that you would go up the mountain to save her and ordered me to protect you at all costs! Even if I die, I'll make sure you're safe!"

Chen Xiaobei's heart was moved by her words."Xian 'er really wants you to protect me even if you have to sacrifice your life?"

"The truth is right in front of our eyes!" Han Zicheng said, " if it wasn't for young master Chen's insistence on having Zhu tianzong come over, I would have long since launched a sneak attack on Zhu qiuhe. I would have used him as a hostage to protect young master Chen and leave!

Chen Xiaobei could not help but sigh. "I didn't expect Xian 'er to be so good to me!"

It was obvious that dugu zang Xian must have invested a huge amount of resources, time, and energy in order to cultivate a person like han Zicheng!

In order to let han Zicheng hide in heavenly Yin Hall and gain the appreciation and trust of the upper echelons of heavenly Yin Hall, it would require countless thoughts and calculations. The slightest mistake would cause all previous efforts to go to waste!

Today, han Zicheng had already become a talent, and had obtained Zhu qiuhe's absolute trust. He had even received the appreciation of the Zhu family's higher-ups, and had received endless gifts!

It was no exaggeration to say that the importance of han Zicheng, this hidden chess piece, could even be compared to a heaven immortal artifact at a critical moment! As long as it was used well, it was enough to determine the success or failure of the two forces!

However!

It was today! To protect Chen Xiaobei! Immortal dugu zang was actually willing to abandon han Zicheng, an important hidden chess piece that he had nurtured with his heart and soul!

Chen Xiaobei was very touched, and even a little guilty!

All this while, Chen Xiaobei had thought that dugu zang Xian was just using him. He had never given him any powerful trump cards, nor did he care about whether he was Dead or Alive!

But now, Chen Xiaobei saw with his own eyes that dugu zang Xian had used his most important trump card to ensure Chen Xiaobei's safety!

He didn't care about his own losses, only asking for the safety of the other party!

Such a relationship was definitely not a mutual exploitation! Even if it wasn't love, at least it was loyalty!

"Young master Chen!"

Han Zicheng said very seriously, " I'm not a talkative person, but I've never seen the affection my Holy master has for you from a second person! I truly hope that you won't let down my Holy master!"

"I know what I'm doing!" Chen Xiaobei nodded and said, " Xian 'er gave me a big gift, so I will naturally return him an even bigger gift!"

Han Zicheng laughed. young master Chen has almost destroyed half of the heavenly Yin Hall and seriously injured Zhu tianzong. This is already a great gift! I think Sir Holy master will soon start an all-out war against heavenly Yin Hall! And the chances of winning are extremely high!"

"No! Other than that, I have a big gift!" "I think she'll like it very much!" Chen Xiaobei laughed.

"There's no time to waste! Let's go!" Han Zicheng said.

"Wait a moment!"

"Why don't we chase after Zhu tianzong and kill him?" qing bao quickly asked. Why don't you destroy the entire heavenly Yin Hall?"

Chapter 2876

2876 The saintess of the demon race

“You’re so stupid!”

“As the saying goes, a centipede dies but never falls down!” Although Zhu tianzong is seriously injured, he still has his heaven immortal tool. My world-destroying banner doesn’t have any spiritual Qi, so how can I kill him? In addition, although 3000 of the heavenly Yin Hall’s branches have been destroyed, the divine immortal grade mountain-guarding formation is still there. What can I use to destroy it?”

this ... qing bao pursed her small lips and her face suddenly turned red.”I ... I do seem a little stupid ...”

“Let’s go!”

Han Zicheng said, “ Zhu Tian Zong was only seriously injured. He’s only catching his breath. Once he activated the great mountain-guarding formation, we won’t be able to escape even if we have wings!

It was obvious that han Zicheng had exposed too many flaws this time!

As long as Zhu tianzong sternly investigated the matter and carefully thought about it, he would definitely find something wrong!

Therefore, han Zicheng could no longer stay in heavenly Yin Hall!

Speaking of which, apart from being smart, han Zicheng was also a person who valued relationships and loyalty!

Before he left, he had even specially made a trip back to green stone Peak to inform the three managing elders to escape as soon as possible!

In fact, from the beginning, han Zicheng had calculated this!

It was han Zicheng who had asked the three elders to stay on green stone Peak and not report to the main hall. Otherwise, the three of them would have died under the heaven-destroying and earth-destroying banner!

These three old men were really lucky to have been regarded as half a master by han Zicheng, and had at least managed to survive!

.....

Red Lotus capital city.

Qing Bao’s speed was very fast. While the headquarters of the heavenly Yin Hall was still in a mess, they had arrived safely.

The nine princes and most of the core members of the upper echelons of the Red Lotus city were all under Chen Xiaobei’s control. Therefore, the Red Lotus city was a very safe place to stay.

In fact, Chen Xiaobei and the other two could use the portal in Red Lotus city to return to evil wolf City. Then, they could cross tiger cage mountain range and return to nine nether platform's territory without stopping.

However, Chen Xiaobei still had one more thing on his mind. That was why he decided to stop by the Red Lotus capital city to ask for more details.

Red Lotus third Prince's estate.

Nalan Yonghe ordered the servants to take care of qing bao and han Zicheng while he accompanied Chen Xiaobei to the study.

"Master, didn't you go to the dark abyss? Why did you come back so quickly?" Nalan Yonghe stood there respectfully.

"You call this fast?"

Chen Xiaobei sat on the chair and said, "Not only did I go to the dark abyss, but I also went to the sky Yin mountain range! If not, I would have returned earlier!"

"Sky ... Sky Moon Mountain range? Master, what are you doing there?"

Nalan Yonghe sucked in a breath of cold air and said awkwardly, "That place isn't somewhere ordinary people can go! Even the lowest-grade disciple who was guarding the array looked up to the sky and was insufferably arrogant! If he was a little unhappy, he would vent his anger on others! When the venerate King and the city Lord go, they'll have to look at their faces!"

Chen Xiaobei nodded and smiled. yes, you're right. Even the lowest-ranked disciples guarding the array are so arrogant. It's indeed not a good place!

"Master, what did you do there? Did they give you any trouble?" Nalan Yonghe asked with concern.

"Making things difficult for me?" they didn't do anything to me! Chen Xiaobei laughed. I'm the one who did!

"What? This ... How is this possible?" Nalan Yonghe's eyes widened in disbelief as he nervously said, "You ... You made things difficult for the disciples guarding the array in the sky Moon Mountain range? It's finished! You're in big trouble this time!"

Chen Xiaobei shrugged and said, "you are the third Prince of the Red Lotus capital city. Is this all you've got?"

"Master, you don't know! Sky Moon Mountain is where the headquarters of Sky Moon Hall is located. The disciples there are all extraordinary geniuses. Moreover, almost all of them have an extremely prominent family background!"

"You've offended an array-guarding disciple," Nalan Yonghe said anxiously, "not only have you offended heavenly Yin Hall, but you've also offended a powerful clan! Even I might not be able to settle the trouble involved!"

“Offend a disciple who is guarding the array? You’ve really underestimated me!” Chen Xiaobei was amused. Even if the sky falls down, I’ll be the first to fall!”

yes ... Nalan Yonghe nodded. Seeing how calm Chen Xiaobei was, he assumed that the problem was not too big and that he had already settled it.

However, even if Nalan Yonghe had a trillion brains, he would never have thought of this!

Not long ago, Chen Xiaobei had severely injured Zhu tianzong and killed a million of elder Tian Yin’s disciples! They had flattened one thousand mountain peaks in the South of the sky Yin mountain and destroyed two thousand sub-schools! It also turned the surrounding one million li of mountain into a charred land, leaving no trace of life!

As qing Bao’s speed was too fast, the news had not spread when the three of them arrived at the Red Lotus capital!

However, no matter how slow it was, this news would spread across all the countries under the wing of heavenly Yin Hall in half a day! In less than a day, the news would spread throughout the entire earth-god Realm!

Nalan Yonghe was full of worry and uneasiness after offending a mere disciple who was guarding the array! If Nalan Yonghe were to know about this, wouldn’t he be scared to death?

When everyone in the world knew about this, they would be shocked to the deepest part of their souls. They would even have their three views subverted and doubt their lives!

“Let’s not talk about this anymore!”

” I’m sorry! Chen Xiaobei waved his hand and said, ” I came here today to ask you about the Red Lotus!

“Red Lotus?” “Master, what do you want to ask?” Nalan Yonghe asked, puzzled.

“I once saw the power of the demonic Fire Red Lotus on someone!” I want to ask, is there any connection between the Red Lotus Imperial City and the demonic Fire Red Lotus? What is the meaning of this Red Lotus to you?”

“Demonic Fire Red Lotus?”

Nalan Yonghe’s expression darkened slightly as he said, “That’s the mark carved by the great demon saint. It’s also the sacred totem that many of us demons believe in and pass on to! The Red Lotus capital reveres the demonic Fire Red Lotus and has been using this name since billions of years ago!”

just because of worship and faith? ” what? ” Chen Xiaobei frowned and asked, ” have you ever heard of anyone who has the mark of the demonic Fire Red Lotus? ” Or perhaps, have you ever heard of something like a profound weapon token?”

Nalan Yonghe shook his head and said, “I’ve never heard of anyone who has a Red Lotus imprint!” If there is such a person, he will become the ‘Holy Son and Holy Virgin’ that billions of demons will worship!”

Chen Xiaobei was shocked.

If little fox had not died protecting Chen Xiaobei, with the demonic Fire Red Lotus 'mark on her body and the special ability of the demonic Fire Red Lotus, she would have become the' saintess 'that Nalan Yonghe had been talking about the moment she came to earth-god Realm!

In this way, the little fox alone could directly affect the situation of the entire demon race in the earth immortal world!

Chen Xiaobei was shocked just thinking about it!

"I've never seen the person you mentioned! But I know about the profound weapon token!" Nalan Yonghe said.

"Hurry up and tell me!" Chen Xiaobei could not wait.

Red Envelope Group of the Three Realms

Chapter 2877: go find

there are a total of nine pieces of the mysterious weapon token. Legend has it that they were the tokens of the mysterious weapon sect in ancient times!

"The founder of the weapon Mystic sect was the most powerful weapon refiner in the human world. He was able to craft a true heaven immortal weapon with a mortal body!" Nalan Yonghe said.

Unfortunately, the ancestral master disappeared for no reason, and the weapon Mystic sect declined and headed towards destruction!"

"When the weapon Mystic sect was at its peak, it was one of the top ten forces! The sect has top-notch secret Arts of smithing, a large number of high-quality earth-god instruments, and most importantly, the heaven-God instruments forged by our founding patriarchs!"

when the weapon Mystic sect was in decline, the other top forces took turns to pressure them and robbed them in the open and in the dark. They almost devoured the foundation of the weapon Mystic sect!

seeing that the weapon Mystic sect was about to be exterminated, the sect leader had no choice but to tear a space crack with a secret technique and transfer all the remaining resources in the sect, along with the heaven immortal weapon, to the other side of the space crack!

"Hundreds of millions of years have passed and the weapon Mystic sect has long been destroyed. The original sect headquarters has long been excavated by various forces! However, no one has ever found that spatial crack, and no one has ever found that legendary heaven-immortal artifact!"

it's said that only by collecting all nine pieces of the mysterious weapon token and going to the ruins of the mysterious weapon sect can we possibly find the spatial crack!

it's a pity that the nine pieces of the weapon Mystic token have long disappeared. In the vast universe, the difficulty of finding a piece of the weapon Mystic token is even more difficult than finding a needle in a haystack!

As the third Prince of the Red Lotus capital, Nalan Yonghe was very familiar with these secret legends! It was almost exactly the same as what Chen Xiaobei had known before!

I know everything you've said. Can you tell me something I don't know? " Chen Xiaobei asked.

"Master, you must not know!" Nalan Yonghe's brows twitched, and he laughed complacently. "I have a profound weapon token in my hand!"

"Is ... Is this true?" Chen Xiaobei stood up immediately. His calm expression turned into one of surprise and joy!

"Of course it's true!" Nalan Yonghe took out a token from his storage bracelet and presented it to Chen Xiaobei with both hands.

"It's really a profound weapon token!"

Chen Xiaobei looked at it carefully and was overjoyed. "It's really easy to find it after a long journey! Adding this one, out of the nine pieces of the profound weapon token, five of them are in my hands! Hahaha ..."

"What!" Hearing this, Nalan Yonghe was dumbfounded. He couldn't believe his ears. "Master ... You ... You originally had four pieces of the profound weapon token in your hands? This ... How is this possible ..."

Chen Xiaobei shrugged and said, "there's no need to be so surprised. I've been looking for the weapon Mystic token since a long time ago. What's so strange about having four pieces in my hands? "

"How can I not be surprised?"

Nalan Yonghe exclaimed, "since hundreds of millions of years ago, all the forces have been desperately looking for the weapon Mystic token!" However, he had never heard of anyone who could find more than two pieces! Even the elder of heavenly secrets only has two!"

"What? The elder of heavenly secrets has two pieces?" Chen Xiaobei frowned. He had a bad feeling.

One had to know that mother Nuwa had said long ago that the clues to finding the little fox were the nine pieces of the weapon Mystic token!

Although Chen Xiaobei had already collected five pieces of the token, he would not be able to find little fox if he could not get the two pieces from the old man of heavenly secrets!

And to obtain those two profound weapon orders from the old man of heavenly secrets was no different from pulling the tooth out of a Tiger's mouth! Even if Chen Xiaobei risked his life, the chances of success were slim!

"Master, you must not have any ideas about the old man of heavenly secrets! That old man is like an immortal!"

Nalan Yonghe swallowed his saliva and said awkwardly, "Not only is his cultivation base at the peak, but the trump card he has is also the strongest in the human world! What was even more terrifying was that he could calculate and almost predict the future! The number one in the human world was definitely him! No one would be able to challenge him! Don't even think about snatching the profound weapon token from him!"

“Old man of heavenly secrets, I will fight him sooner or later!” Chen Xiaobei’s eyes were shining, and his mind was determined.

Of course, the determination in his heart did not affect Chen Xiaobei’s calm thinking.

I’m not strong enough yet. I only have five tokens with me. There’s no chance of me winning if I try to take the two from the old man of heavenly secrets. Even if I get them by luck, it’s meaningless even if I’m short of two! Chen Xiaobei analyzed.

“Even if I want to go head to head with the old man of heavenly secrets, I must first find the two pieces of the profound weapon token that are not in his hands! Only in this way can I successfully gather all the profound weapon orders! If we fight him now, we’ll only alert the enemy and get ourselves into trouble!”

Chen Xiaobei made up his mind and kept the fifth piece of the token. by the way, where did you find this piece of profound weapon token in your hand? ”

“Master, you might not believe me! Even I can’t believe it when I think about it!”

Nalan Yonghe composed himself and said with great excitement, three years ago, I was chasing after an evil bat. I was careless and got hit by its poisonous liquid, falling from the sky!

I thought I was dead for sure. I never thought that I would fall in one of the seven forbidden places in the earth-god Realm, the dark Dragon tomb!

“That evil demon ruin bat didn’t dare to chase after me, so it directly fled! And the place where I fell was actually a Lake. Not only was I unscathed, but the lake water also dissolved the poison I was poisoned with!”

when I was floating in the lake, I accidentally discovered that there was a spiritual light flickering at the bottom of the lake. When I swam down to take a look, I found this profound weapon token!

Without a doubt, Nalan Yonghe’s manager Duan was simply lucky to the extreme!

If he had not eaten dog food and would never lie, Chen Xiaobei would not have believed him!

“You’ve fallen into the Obsidian Dragon tomb? He found the weapon Mystic token? And he even came out safely?” Chen Xiaobei was taken aback. “You’re so lucky!”

that’s right. My luck that time was really off the charts! Nalan Yonghe paused and couldn’t help but sigh.”However, people can’t always be lucky! Ever since then, many things have not gone smoothly for me ...”

“The rise and fall of luck is unpredictable, but as long as you don’t die, the tables will turn sooner or later!” what do you think? ” Chen Xiaobei asked, ” if you follow the route we took last time and return to the lake in the dark Dragon tomb, do you think you can do it? ”

“What? Go ... Go back to the Obsidian Dragon tomb?” Nalan Yonghe swallowed his saliva and said,”master, what are you going to that damn place for?” That’s an absolute forbidden area. Even a peak earth immortal might lose his life there!”

“My great fortune is hidden there!”

Chen Xiaobei said, “In the past, I wasn’t strong enough, so I had to be careful when I did many things! But now, it was different! Luoyi, Taiyi, and Emperor Jiang, I will look for them one by one! I’ll go to each of the seven forbidden areas!”

Nalan Yonghe sucked in a breath of cold air, extremely shocked!

Red Envelope Group of the Three Realms

Chapter 2878: safe return

Nalan Yonghe didn’t know who Luo Yi, Emperor Jiang, and Taiyi were!

However, for Chen Xiaobei to compare the search for these three people with the exploration of the seven forbidden zones, it was clear that these three people must be very powerful!

Thinking about what Chen Xiaobei was going to do, Nalan Yonghe’s body and mind trembled.

Chen Xiaobei did not bother explaining. There was no need to explain to a loyal dog!

After that, Chen Xiaobei left the study! However, he remained in the third Prince’s residence and was not in a hurry to leave the Red Lotus capital city!

Instead, it was Nalan Yonghe who left the Prince’s Mansion with han Zicheng!

Qing bao only cared about tasting the delicious tea and snacks in the Prince’s Mansion and ate with great pleasure.

Chen Xiaobei could calm down and think about his next move if the little girl was not making a fuss.

Even though Nalan Yonghe did not know much about the demonic Fire Red Lotus, his experience had reminded Chen Xiaobei of something!

A person’s luck could not always be good!

Ever since Chen Xiaobei had unified the firecloud territory, many lucky things had happened to him.

It had happened three times in a row recently!

First, he discovered a large spiritual vein in the dark abyss. Then, he wreaked havoc in the sky Moon Mountain range and escaped unscathed. Finally, he easily obtained the fifth piece of the weapon Mystic Order!

If he thought about it calmly, Chen Xiaobei’s luck was almost all gone!

Moreover, Chen Xiaobei’s luck and charm points had also plummeted when he exchanged for the destruction of heaven and earth banner!

This meant that Chen Xiaobei’s luck had probably returned to the level of an ordinary person!

He had to be very careful in all his actions later, and he couldn’t take any chances! Otherwise, if they were unlucky, the consequences would be unimaginable!

Furthermore, Chen Xiaobei’s next target was set in stone-the dark Dragon tomb!

It was one of the seven forbidden places in the earth-god Realm. Legend had it that even a peak earth-god could not come out alive!

It was no exaggeration to say that the dark Dragon tomb was no less dangerous than the sky Moon Mountain!

Luckily, Chen Xiaobei had the destructive hou. Otherwise, he would have died if he went in and took the risk!

Of course, other than the destructive aura shield, Chen Xiaobei also had one more thing to rely on, and that was dugu zang Xian!

Previously, beiming Zhenfeng had said that dugu zang Xian's father had entered the Obsidian Dragon tomb and had come out alive!

Chen Xiaobei had always been wary of dugu zang, and he did not want to owe her a favor, so he did not ask her about the details.

But this time, it was different. In order to protect Chen Xiaobei, dugu zang Xian was willing to sacrifice han Zi, who was an important chess piece.

In Chen Xiaobei's heart, he had already regarded dugu zang Xian as a friend whom he could treat with sincerity.

Chen Xiaobei was even ready to use the sunlight cache to help dugu zang Xian recover from his weakened state and return to his peak cultivation!

Once Chen Xiaobei returned to the nine nether platform, everything would go according to plan.

"Childe Chen, I'm full ..."

Qing bao smacked her lips and mumbled, "When are we going back? I miss shizun ..."

what?! Chen Xiaobei frowned and said, "you heartless girl! Don't you realize that something is missing?"

"What ... What's missing?" Qing bao looked dazed. She blinked her eyes, unable to figure out what was missing.

Chen Xiaobei rubbed his forehead helplessly. "You didn't even notice that a living person was missing?"

"A living person?" Qing bao was stunned and suddenly realized something. "Uncle e Huo Yuntian! He ... Didn't he come back with us? Oh my God ... Did we forget to save him? Could it be that we have to kill our way back to the sky Moon Mountain range?"

ppfft ... Chen Xiaobei was speechless. "How are you going to live the rest of your life with that brain of yours ..."

"Young master Chen! You're despising me again!" Qing bao pouted and protested, "I'm still young!" His brain was still developing! You might be a little stupid now, but you'll definitely be very smart in the future!"

I hope so ... Chen Xiaobei said helplessly, " "If you continue to be so stupid, my Xian 'er will have a headache!"

"Enough about me!" Qing bao pouted and changed the topic. "Should we go back and save uncle e Huo Yuntian?"

"We're back!"

At this moment, han Zicheng and Nalan Yonghe walked in, with e Huo Yuntian following behind them!

"Eh? Uncle e Huo Yuntian! Why did you come back?" Qing bao was excited.

"It was Zicheng who saved me!" E Huo Yuntian's face was somewhat pale. It was clear that the injuries of his Yuanying were still very serious. Fortunately, apart from the injuries of his Yuanying, there were no other injuries to his body.

"Brother Zicheng?" "Did you just go back to the sky Moon Mountain?" qing bao asked in surprise. You're faster than me? This ... This can't be ..."

Han Zicheng shook his head and smiled without saying anything.

"You're so stupid!"

Chen patted qing Bao's head and said, " "Did you forget, when Zicheng told me the truth, he said something!"

"One sentence?" "What did he say?" qing bao asked, confused.

"Zicheng said that after e Huo Yuntian was captured, he was the first to know about it!" This means that among the group of people who captured e Huo Yuntian, there are Zicheng's trusted aides!"

but didn't that group of people eat dog food? weren't they Shen shangxian's trusted aides? " Qing bao asked.

they did eat dog food, but they didn't know that Zicheng was from nine nether platform!

that is to say, even if Shen gongpao did not give them any clear instructions, they would still continue to live their lives as they were! Chen Xiaobei said. He was originally Zicheng's trusted aide, and he still is!"

"I see!" Qing bao nodded, but then frowned and said, " "But, brother Zicheng didn't say that he could save uncle e Huo Yuntian! Young master Chen, how can you leave the sky Yin mountain range without worry?"

"Zicheng, you're so smart!" Chen Xiaobei said. He knew that my purpose was to save people, but when we left the sky Yin mountain range, he didn't mention e Huo Yuntian and only told us to leave as soon as possible! It's impossible for him to have missed this point. In other words, he must have a way to make use of his trusted aide to rescue e Huo Yuntian!"

"Is that so?" Qing bao couldn't believe it.

Han Zicheng nodded with a smile, and praised, " "Young master Chen is indeed smart! Nothing can be hidden from your all-seeing eyes!"

“Master is right!”

E Huo Yuntian said, “when the heavenly Yin mountain range was in chaos, the guards all thought that a disaster was coming, so they all ran away!” Master Han’s men took advantage of the chaos and took me away. They used the teleportation array and successfully returned here!”

that’s amazing ... qing bao rubbed his head. smart people like you don’t even need to explain clearly when you do things. Just by guessing and calculating, you can already know the results ... I’m afraid I won’t be able to learn this in my entire life!

haha! Chen Xiaobei laughed. you should learn more from your brother Zicheng. If you can learn one-tenth of what he did, it’ll be enough for you to benefit for the rest of your life!

“No, no, no!”

Han Zicheng quickly shook his head and said, “if you want to learn, you should learn from young master Chen!” In terms of intelligence! In terms of courage! In terms of courage! In terms of Foundation! In terms of background! Zicheng was not even one ten-thousandth of Childe Chen in any aspect! I don’t dare to delay Little Junior Sister qing bao!”

“Zicheng, you are too humble!” “Oh right, you’re called Little Junior Sister qing bao?” Chen Xiaobei laughed. So you’re also Xian ‘er’s personal disciple?”

[Red Envelope Group of the Three Realms](#)

Chapter 2879: the world is about to change

“Yes! I’m the third disciple of the Holy master’s master! “I joined the sect a few years earlier than little Shimei qing bao!” Han Zicheng nodded respectfully.

“Interesting!” Chen Xiaobei’s brows twitched as he thought of his own personal disciples.

It seemed that he had to spend some effort to cultivate them!

Chen Xiaobei could not possibly have no worthy direct disciples under him after all his godlike achievements. That would be too embarrassing!

There was no need to say how outstanding han Zicheng was!

Although qing bao was timid and silly, he had a cyan Phoenix divine body, so there was a huge room for him to grow!

Chen Xiaobei’s personal disciples could not even compare to a single hair of qing Bao’s, let alone han Zicheng’s!

Of course, this was only the current situation!

As long as Chen Xiaobei put in the effort to train them, these personal disciples would definitely grow into powerful figures!

Chen Xiaobei was confident that it was only a matter of time!

.....

At this point, the matters in heavenly Yin Hall had all come to an end.

Chen Xiaobei brought qing bao, han Zicheng, and e Huo Yuntian to the evil wolf City.

Young master he Qingxi was already Chen Xiaobei's loyal dog. He had already arranged everything so that Chen Xiaobei and the others could leave the city.

After crossing the Tiger cage mountain range, the group returned to the territory of the nine serenity platform!

.....

Hai Yue city!

This was qing Bao's hometown, which was originally an ordinary main city on the border of the nine nether platform!

However, on this day, all the important figures in the territory of jiuyou platform had gathered, which shocked the people in the city!

If it wasn't for the smiles on the faces of these important figures, the commoners would have thought that today was the day of the final battle with heavenly Yin Hall!

Outside the West Gate.

He was facing tiger cage mountain range.

Immortal dugu zang stood at the very front.

Behind her, there were 13 super powerhouses with extraordinary auras!

These 13 people were all nine-star earth Immortals. They were the core upper echelons of the nine nether platform and were extremely powerful!

Behind them stood hundreds of people, all of whom were at least seven-star earth-god and below! These people were all high-level elders of nine nether platform!

Behind these people from nine nether platform, there were another ten people with extraordinary bearing!

Mo Xiaoyao, Emperor Qilin, was one of the ten!

From this, it could be seen that these ten people were the ten great emperors under nine nether platform!

Their cultivation was between eight-star and nine-star earth-god Realm! They each controlled 100 large domains and 3000 main cities! They could be considered tyrants who ruled over a region!

And behind the ten emperors, there were 3000 demons of all kinds!

The cultivation of these people was around the peak of seven-star earth-god, and they were all respectable Kings who ruled a region!

And behind these 3000 revered Kings, there were a total of 30000 people!

These people were probably in the early seven-star earth-god Realm and were the city Lords of the 30000 main cities under the nine nether platform!

At this point, all the higher-ups under nine nether platform had gathered here!

Holy master! Vice sect leader! Protector! An elder! Great emperor! Respectable King! The city Lord!

He didn't lack a single one and didn't miss a single one!

Such a terrifying lineup had caused the commoners of hai Yue city to be so shocked that their scalps went numb. He even wondered if he was dreaming.

All of a sudden, all kinds of rumors and gossip rose one after another in the city, and it was out of control!

"What are they doing? All the big shots were here! And they were all facing tiger cage mountain range! Could it be that they are going to directly charge over and fight with heavenly Yin Hall?"

"No! This was not a decisive battle! Look at these big shots, all dressed up and smiling, but they didn't bring a single soldier. How does this look like a decisive battle?"

"If it's not a decisive battle, are we going to make peace with the Zhu family? After all, if our two families fight, Dragon God Palace will be the biggest winner!"

"No! This was definitely not a settlement! In the hundreds of millions of years of nine nether platform's history, such a scene has only appeared once! That's the celebration for nine nether platform's unification of 30000 countries and establishing its dominance!"

"You're right! Even if the Zhu family's ancestor were to come here personally to reconcile, he wouldn't be qualified to have all the important figures of nine nether platform come here to welcome him!"

"It's not a decisive battle! It wasn't a reconciliation! What could be more important than the celebration that established the pinnacle of hegemony? I can't think of it even if I crack my head ..."

The commoners in the city were all dumbfounded. No matter how hard they tried, they could not figure out what had happened.

"Whoosh ..."

Finally, when a green spiritual figure crossed tiger cage mountain range and flew toward the crowd, the answer that puzzled everyone finally came to light!

The green spirit shadow was qing Bao's Green Luan demon body!

On qing Bao's back, Chen Xiaobei stood proudly in front, while e Huo Yuntian and han Zicheng stood behind him!

Saint Lord of the dark seal, dugu zang Xian, and all the members of the nine nether platform welcome Childe Chen!

Dugu zang Xian took a step forward and used his vital essence to cover the entire space with his voice so that everyone could hear him clearly.

“Childe Zhufeng has severely injured Zhu tianzong! Trampling the three thousand Peaks in the South of the heavenly Yin mountain! Throughout the earth-god Realm, for hundreds of millions of years, no one had been able to do such an earth-shaking feat! This action has greatly damaged the vitality of heavenly Yin Hall and has given my nine nether platform a rare opportunity!”

“Once the war starts, we’ll be invincible and Annex the heavenly Yin territory as quickly as possible!” Dugu zang said in a clear voice. He would definitely create a Supreme hegemony that was even more glorious than the one he had hundreds of millions of years ago when he unified the thousand territories and thirty thousand countries! It’s all thanks to Childe Chen!”

As soon as he said that, all the high-level members of jiuyou platform started to use their true Yuan and shouted in unison.

“Childe Chen, you’ve shocked the world with your battle! Trampling on heavenly Yin, success will cover a thousand years!”

“Childe Chen, you’ve shocked the world with your battle! Trampling on heavenly Yin, success will cover a thousand years!”

“Childe Chen, you’ve shocked the world with your battle! Trampling on heavenly Yin, success will cover a thousand years!”

These people were all great demons with profound cultivation bases. Their shouts were like a tsunami. Not only did they cover the entire hai Yue city, but they could also be heard clearly on the other side of tiger cage mountain range!

Chen Zhufeng had destroyed the headquarters of heavenly Yin!

The higher-ups of nine nether platform greeted him with respect!

Without a doubt, these two things would spread throughout the earth-god Realm in one day! Everyone was going to experience the intense shock of a nuclear explosion! Even the structure of the Earth-god Realm would be shaken by this!

As the forces with the most outstanding intelligence gathering ability, Tianji city, ten thousand Buddhas Pagoda, and gods ‘Palace were naturally the first to be shocked!

Tianji city!

The heavenly gates Palace in the clouds!

A handsome young man in a starry cloud robe and a pair of wind-chasing and moon-stepping boots looked like a celestial being. He was so extraordinary that mortals would admire him!

However, at this moment, this young man knelt in the clouds outside the hall and respectfully kowtowed three times. Then, he said, ” “The world is about to change! The disciple was terrified! Ask the heavenly secrets!”

Chapter 2880: turbulent undercurrent

A moment later, an old voice came from the Heaven's Gate Palace. It was hoarse and deep, but it was filled with a heavy and boundless Majesty. It was like a divine voice that could make all living beings worship it!

That's right! This man was the Supreme ruler of the heaven's legacy city, the strongest Man in the earth-god Realm, the old man of heaven's legacy, who was said to be able to listen to heaven's secrets through the Heaven's Gate!

I already know about Chen Zhufeng!

The old man of heavenly secrets said indifferently, "I've already said that this child is not an ordinary person. He will definitely disrupt the balance of the world!" As expected, today's events have confirmed my prediction!"

"Master's power is boundless and he knows the secrets of heaven. Naturally, he can predict things like a god and calculate without fail!" The handsome young man raised his head and asked respectfully, the situation has changed. The world is going to be in turmoil. How should we deal with it? "

"We must suppress Chen Zhufeng! We can't let him continue to develop and grow as he wishes!"

"As the saying goes, a single spark can set a Prairie on fire!" The elder of heavenly secrets said solemnly. Although Chen Zhufeng is still a small ant, if he isn't completely suppressed, he'll be able to break the heavens sooner or later!"

"I understand!" yes! the handsome young man said. I'll make the arrangements now. Tell the hidden forces to start working and completely suppress Chen Zhufeng!

"No! Don't let our people attack!"

"The cultivation tribulation is coming," the old man of heavenly secrets said, "we must not lose our strength in vain!" Moreover, Chen Zhufeng is still a disciple of Tianji city. How can we fight our own people?"

"I understand! I will contact the Blood Moon Swordmaster now!" The handsome young man's eyes narrowed and he said in a low voice, "Master, you secretly helped him break free from the seal. It's time for him to return this great favor!"

"If there's nothing else, you may leave!" The elder of heavenly secrets said indifferently.

"This disciple is still a little worried!"

"Although the Blood Moon Swordmaster is also an expert who stands proudly at the peak, he only has one heaven immortal weapon!" The handsome young man quickly said. I'm worried that he might not be able to suppress Chen Zhufeng alone!"

"You worry too much!"

"A large-scale spirit vein is extremely rare!" The elder of heavenly secrets said indifferently. The main world's large spirit veins already had owners! As for the large spiritual veins that have yet to appear, they are all hidden by the heavens, and even I can't divine them! Unless you're extremely lucky, it's almost impossible to find it!"

you mean, Chen Zhufeng won't be able to find another large spirit vein in a short time?" the handsome young man asked. As long as the Blood Moon sword owner acts quickly, he will definitely be able to severely injure Chen Zhufeng!"

Chen Zhufeng is an anomaly. I'm not sure if he'll have any more opportunities!

of course not! sky fate elder said. however, I'm sure that Chen Zhufeng's actions in heavenly Yin Hall will attract a lot of potential enemies! Even if he can find one or two large spirit veins, he'll be far from being able to deal with them!"

"A potential enemy?"

The handsome young man's expression froze for a moment before a playful smile appeared on his face. He then respectfully said, thank you for clearing my doubts, master. I have no more concerns. I will take my leave now!

.....

Ten thousand Buddhas Pagoda.

Zen Master nine lanterns, who was a vice sect leader, was sitting cross-legged on an exquisite Lotus futon. He was twirling a string of prayer beads made of dead wood in his hand as he silently chanted a Scripture.

"Crack ..."

All of a sudden, the prayer bead in his hand stopped moving. Zen Master nine lanterns slowly opened his eyes and said in a deep voice,"Chen Zhufeng! This penniless monk did not misjudge! From the moment he entered the Tianji City branch, I already knew that he was a proud Son of Heaven! It's a pity ... I missed it!"

"What's the big deal about this?"

Beside him stood a warrior monk with thick eyebrows, big eyes, and a stocky build. He had a full beard and said casually, " "If senior brother likes this kid, I'll bring 108 Arhats and kidnap him!"

"Nonsense!"

"How many times have I told you? we are monks!" Zen Master nine lanterns said in a serious tone. If you kidnap her, what's the difference between you and the evil?"

The head monk glared and protested, " "We're monks, but we're also cultivators! Unless you don't want to ascend, senior brother! He didn't want to become an immortal! Otherwise, it's impossible to have a pure heart, few desires, and be merciful!"

"Shut up!"

Zen Master nine lanterns narrowed his eyes, and his entire aura changed."There are some things that can only be done and can not be said! Otherwise, the faith of the billions of believers under the flag of the ten thousand Buddhas Pagoda would collapse! Have you thought about the consequences?"

this ... the head martial monk was stunned and couldn't help but swallow his saliva, " "Yes ... I've spoken too much again ... Senior brother, what do you think we should do? I ... I'll listen to you ..."

As the saying went, the glaring Vajra was afraid of the squinting Bodhisattva!

This great martial monk seemed to be very afraid of Zen Master nine lanterns. He immediately lost his temper!

"The night slaying bounty Guild! Send a trusted aide!" Zen Master nine lanterns took out a storage bracelet and handed it over."A reward of one billion upper spiritual stones! The mission objective is to capture Chen Zhufeng alive!"

"Ye ... Ye Sha?" The head monk swallowed his saliva and said awkwardly, " "Those Night Killer are even more terrifying than the evil ..."

"Don't say anything! Don't say anything about it!" The nine lanterns Zen Master closed his eyes and started to spin the prayer bead again.

The head monk frowned. For some reason, he was especially afraid of this kind-looking old Zen Master!

.....

The temple of the gods.

In the Golden and resplendent Hall, an old man with white hair and beard but a strong body sat on the highest throne. His eyes flickered with lightning!

This man was the Supreme ruler of the temple of the gods, the king of the gods, Zeus!

"Tell me! Chen Zhufeng, how should we deal with him?" Zeus's voice was calm, but it exuded a sense of authority. Zhufeng has summoned him to the pantheon Palace, so we'll just kill him!" A Tenshou warrior in red armor and a Odachi at his waist said with a murderous look.

This man was the loftiness martial ancestor, the number one general under the banner of the Tenshou God.

Back at the spirit congealing immortal abode, he had wanted to bring his men to kill Chen Xiaobei. Fortunately, dugu zang Xian had arrived in time and saved Chen Xiaobei's life.

"Musashi! You're too unruly!" Beside him, a handsome elf with fluttering silver hair said solemnly, " your Amaterasu God hasn't even said anything. Do you think you have the right to speak? "

"The Elf King! Even my Tenshou God doesn't care about me, who are you to care about me?" The loftiest commander was extremely domineering.

you ... the Elf King was furious and was about to flip out.

"Shut up!"

I'm sorry! Zeus's eyes narrowed. now, let's talk about Chen Zhufeng! If you two want to fight, then we'll talk after the meeting is over!"

"Your Majesty!"

At this moment, a man in a black robe with strange blood-red patterns in his eyes stepped forward and said, "Chen Zhufeng will never be our friend! We can only kill, we can't let him Live!"

"Oh? The Tenshou who hasn't spoken for many years has finally spoken!" Zeus's expression changed slightly, and his eyes flashed with lightning. "Since you've put it that way, then you'll be the one to take Chen Zhufeng's head! What do you think?"
