Chapter 2881

2881 Jade Rabbit beauty

“I was thinking the same thing! I’ll take care of Chen Zhufeng!”

Tenshou’s eyes narrowed. The blood-red runes in his eyes could still move slowly, giving off a cold and demonic light!

“Good! I believe that Chen Zhufeng will die without a doubt if you help him!” Zeus nodded with a faint smile.

Amaterasu was expressionless as he turned around and left.

The ascendance military chief hurriedly followed him and left the temple together.

“Your Majesty! Take a look! Quickly take a look!”

The Elf King frowned and was furious. “What the hell is this heavenly reflection? Thousands of years ago, I was just a pug at your feet, wagging my tail and begging for mercy! Now, their eyes are almost on top of their heads!”

Zeus narrowed his eyes and said with a faint smile, “The Pug of the past now has the same cultivation as this King! He’s even closer to the great Dao of celestial Immortals than I am! It was very normal for him to have an arrogant attitude! Isn’t it?”

“How is he arrogant? He’s completely arrogant!”

“Even a mere subordinate of the exalted celestial Musashi dares to talk back to me,” the elven King said angrily. “Tenshou doesn’t care!” It’s clear that in Tenshou’s eyes, we core sovereigns aren’t even as good as one of his subordinates!”

that’s right ... That’s right ... many of the core upper echelons of the temple of the gods in the hall nodded in agreement. They were very unhappy with Tenshou.

“Don’t say anymore!” “no,” Zeus said, waving his hand. Tenshou may be arrogant, but I still have a heaven-immortal artifact in my hands. He can’t escape from me no matter what!

“Your Majesty! You’re too careless!”

“Please don’t!” The elven King said in a deep voice. Chen Zhufeng also had a divine fairy instrument! If Tenshou could kill Chen Zhufeng, he would be able to take Chen Zhufeng’s sky-immortal instrument! At that time, I’m afraid that the pantheon Palace will have a complete change of ownership!”

this ... Zeus’s expression froze, and his heart couldn’t help but tighten.

Tenshou’s cultivation had improved by leaps and bounds, and he was now a threat to Zeus! Zeus had a heaven immortal artifact in his hand, so he wasn’t worried!

However, if Tenshou also obtained a heaven-immortal artifact, Zeus’s position would be in danger!

By then, Tenshou might even replace Zeus and become the new ruler of the Western faction, the new king of gods of the temple of the gods!

At the thought of this, Zeus suddenly panicked. "Hurry up! Go and tell Tenshou! He doesn't need to deal with Chen Zhufeng. I will deal with him myself!"

"No! Your Majesty! Please do not stop Tenshou!" The Elf King smiled wittily and said, "I have a suggestion!" He could kill two birds with one stone! To deal with both Chen Zhufeng and Tenshou at the same time!"

"What suggestion? Hurry up and tell me!" Zeus immediately became excited and asked impatiently.

The Elf King raised his brows and said in a sinister tone, "Let Tenshou continue to deal with Chen Zhufeng. At the same time, we'll secretly send a reliable person to form an alliance with Chen Zhufeng! We'll deal with the Tenshou instead!"

"This King understands!" Zeus sneered. "There's an old saying in the East, when the snipe and clam fight, the third party gains! Your suggestion is to let them fight until both sides suffer, and this King can sit back and reap the benefits!"

"Your Majesty is wise!" "If you trust me, I'll take care of this matter!" The Elf King said with a smile.

"Alright!"

"I'll leave this matter to you!" Zeus nodded. "If you can really make both Chen Zhufeng and Tenshou suffer, I will reward you handsomely!"

"Yes, sir!"

The elven King smiled. He had already begun to plan in his mind, ready to take action at any time.

.....

Tianji city, ten thousand Buddhas Pagoda, gods 'Palace!

These three forces were the same as nine nether platform. They were known for their intelligence gathering ability. They were the first to know about Chen Xiaobei's actions in heavenly Yin Hall, and they were the first to take action!

However, this was only the beginning!

As the news continued to spread, the other top forces would also target Chen Xiaobei!

Of course, the most important thing was that Shen Gongbao would have his eyes on Chen Xiaobei!

.....

In a mysterious independent space.

Shen Gongbao was sitting cross-legged on a rock in a black Taoist robe. He closed his eyes as if he was resting.

The nine-toothed rake stood beside Shen Gongbao, which was stained with blood and stains. It could be seen that Shen Gongbao had been using this weapon in battles recently!

There were four other people sitting cross-legged on the ground!

Lu Yue was at the head, still wrapped in a black cloth, giving off a sinister aura! Those who didn't know would think that he was a mummy!

Then, Lu Yue's first disciple, Zhou Xin, and his fifth disciple, Chu Lun! Both of them were young men with outstanding temperament and good looks!

The last one was the six-eared macaque that had transformed into mo lihai!

They were all sitting quietly, not saying or doing anything!

"Chi ..."

Suddenly, a space gate appeared in the void in front of them.

A figure stepped out of the door and came to the front of everyone.

"Disciple Yang Wenhui pays his respects to master! Greetings, exalted immortal Shen!"

He was also very young, handsome, and gentlemanly. He first bowed to Lu Yue, then to Shen Gongbao!

Obviously, Yang Wenhui was Lu Yue's fourth disciple!

Lu Yue had five direct disciples in total!

Chen Xiaobei had already captured Zhu Tianlin and Li Qi and locked them up in the spirit-condensing space.

Only Zhou Xin, Yang Wenhui, and Chu Lun were left!

"Wen Hui is back!"

Shen Gongbao opened his eyes and said in a deep voice, "Did the operation go smoothly? Do you have any problems with the matter I asked you to do?"

"Reporting to exalted immortal Shen!"

"I've already released the news that the demonic remains have appeared in the North Sea as per your instructions," Yang Wenhui said in a deep voice. Within two to three days, it would definitely be known to everyone! I'm guessing that all the forces will come and interfere!"

Shen Gongbao's eyes narrowed and he said seriously, "It doesn't matter if the other forces come or not! The most important thing is that Chen Xiaobei must come!"

"Immortal Shen, don't worry!"

"I've released the news according to your instructions," Yang Wenhui said. "There's a peerless beauty who's holding a Jade Rabbit in the demonic remains! As long as the moon is high in the sky, I can see the figure of a beauty!"

“Good! Very good!” of course! Shen Gongbao smiled. with this reason, even if Chen Xiaobei knew it was a trap, he would still jump into it!

Yang Wenhui smiled and said, “ it will be the night of the full moon in ten days. At that time, many people will come to the North Sea! As long as the beauty with the Jade Rabbit in her arms appears, Chen Xiaobei will throw himself into the trap even if it means risking his life!”

“Good! You’ve done very well!” Shen Gongbao was overjoyed.

“Exalted immortal Shen, don’t be happy too early!”

But at this moment, Lu Yue, who had been silent, suddenly spoke, “ “Chen Xiaobei will be here in ten days! However, there are still huge variables in The Omen Ridge ...”

Red Envelope Group of the Three Realms

Chapter 2882: ten days

“Even today, you still can’t completely control the demonic remains! He only had a 70% chance of trapping Chen Xiaobei! The remaining 30% are all variables!”

Lu Yue’s brows slightly furrowed. He intentionally or unintentionally glanced at the nine-toothed rake. The blood on it hadn’t even dried yet!

It could be seen how difficult it was to control the demonic remains!

“I understand what you mean ...”

Shen Gongbao frowned slightly and said, “there are one billion ancient demons in the otherworldly demon’s relic!” There were also evil secret techniques that allowed these ancient demons to be reborn infinitely! He couldn’t kill all of them! Unless you have a way to control the core, don’t even think about controlling everything!”

if you can’t control everything, you can only lure Chen Xiaobei here. If he has a way to control everything, not only will you not be able to kill him, but you will also give him a huge opportunity!

“I can’t help it ...”

Shen Gongbao said helplessly, “I wonder what’s happening up there?” The six great heavenly path sages had all been summoned by the Dao ancestor to listen to his lecture! Even senior uncle Dipamkara, who’s at the level of the Deputy sect leader, is waiting outside the Dao ancestor’s purple cloud Palace. I can’t contact him at all!”

“There are only ten days left!” “Contact Dipamkara immortal as soon as possible!” Lu Yue said in a deep voice. If we don’t have a new trump card, then we’ll have to bet on Chen Xiaobei with a 70% chance of winning!”

“Don’t worry!”

when I first came to the North Sea, I had already established a relationship with the Zhu family of Tian Yin, ” Shen Gongbao said indifferently. as long as I promise them enough benefits and let their ancestor bring a heaven fairy weapon here, we will have a 100% chance of winning!

“Exalted immortal Shen, please allow me to interrupt!”

“I heard a rumor before I came back today!” Yang Wenhui said awkwardly. They said that Chen Xiaobei was causing trouble at Tian Yin Hall! Zhu tianzong, the severely injured Hall Master, had crushed 3000 peaks in the South of the mountain! Your ... Your plan might fail ...”

“What? This ... How is this possible?” Hearing this, Shen Gongbao jumped up instantly. His eyes were wide open like a bull’s. His scalp was numb and his mind was in a daze. He couldn’t believe what he had just heard.

“Impossible! This is impossible!” Lu Yue, Zhou Xin, and Chu Lun were also shocked as their pupils contracted.

“This matter has already spread,” Yang Wenhui said, “even if the rumors are a little exaggerated, the general situation should not be false! There are rumors that Chen Xiaobei used the destructive banner to defeat Zhu tianzong!”

“What did you just say? The heaven-destroying and earth-destroying banner?”

Hearing this, Shen Gongbao was furious, “Alright! The prime of Tongtian had actually sent Chen Xiaobei a red packet in secret, and a divine instrument at that! I’m going to Sue him! I’m definitely going to report him to the Dao ancestor!”

“Exalted immortal Shen! Don’t underestimate sect master Tongtian!” Lu Yue said, “in my previous life, I was a disciple of the tribe of severity. I know what sect leader Tongtian is like. He’s always been proud and absolutely disdains to secretly cheat!”

“Lu Yue! You need to understand the situation!” “You’re now an earth immortal!” Shen Gongbao shouted angrily. He’s a member of chanism! How can you still speak up for the enemy?”

“I’m not speaking up for sect master Tongtian! I’m just thinking for you!”

I just wanted to remind you that it’s easy for you to complain to him,” Lu Yue said. but when the Dao ancestor checked, he found that the prime of Tongtian did not give Chen Xiaobei any red packets in private! Then you’re making a false accusation. Have you thought of the consequences if the Dao ancestor gets angry?”

this ... Shen Gongbao gasped and was instantly speechless.

of course! Lu Yue said, “ before we entered the demonic remains, Chen Xiaobei had already mobilized his Army in the fire cloud domain! Maybe they’ve already put an end to the war and are using their merit points to exchange for a heaven-immortal item!”

“Right! “You’re right ...” Shen Gongbao swallowed his saliva and said awkwardly, “It’s a good thing you reminded me. Otherwise, I would’ve gotten into big trouble in a moment of anger!”

Lu Yue said indifferently, “since I’m a reincarnated earth immortal, I’ll naturally be 100% loyal to the owner of the contract!” I’ll naturally remind you of the things that I should!”

Shen Gongbao nodded and said awkwardly, “ Brother Lu, what do you think I should do next?”

“Find a way to contact Dipankara immortal!” you’ll need to remove the seal on the nine-toothed rake. It’ll be best if you can reach the middle or late-stage one-star celestial immortal level. Only then can you suppress Chen Xiaobei! said Lu Yue.

“Sigh ... This is easier said than done ...” He sighed.

“I’ve fought with Chen Xiaobei a few times since I came to the human world, but I’ve always failed!” Shen Gongbao sighed. The higher-ups are suspicious of my abilities and have refused to provide me with new trump cards. They are afraid that if I fail, all of them will be taken away by Chen Xiaobei, which will only strengthen Chen Xiaobei’s power!”

“This is the best choice,” Lu Yue said in a deep voice. “You should try your best to convince Dipankara immortal!” To him, removing a part of the seal on the nine-toothed rake is not a difficult task!”

I’ll try to contact uncle dipankara later ... Shen Gongbao asked again, “But if uncle dipankara doesn’t agree, do you have any other suggestions, brother Lu?”

“Super heavenly dog food!”

Lu Yue said, “find a way to get some of them to descend to the mortal world. Then, we can control a group of seven-star to nine-star earth Immortals! Take over the city and stop the war like Chen Xiaobei! He could earn merit points and Exchange them for heaven-immortal artifacts! This way, you can also prove your ability to the higher-ups!”

“That’s a good suggestion ... But ...”

Shen Gongbao frowned and said, ‘if I bring the Super heavenly dog biscuit to the human world, the rarity of this elixir will drop sharply!’ By then, Chen Xiaobei would be able to buy them in bulk at a very low price!”

“If that’s the case, then I have no other choice ...”

you can only hope that Chen Zhufeng will be trapped in the demonic remains in ten days! Lu Yue said seriously. you can only hope that Chen Zhufeng will die in ten days! Otherwise, you will not be able to suppress him! Chanism will soon lose their patience with you and help someone else to deal with Chen Xiaobei!”

Shen Gongbao frowned and thought carefully, “Let’s just wait and see ... Otherworldly demons are existences at the celestial immortal level! If Chen Xiaobei is trapped in the demonic ruin, our worries will be resolved!”

I hope so ... Lu Yue sighed. He had no other choice.

Shen Gongbao nodded and looked to the other side, “Mo lihai! Ten days later, use ‘song of the rainbow under the moon’ to create an illusion of a beauty under the moon. You must lure Chen Xiaobei into your trap!”

exalted immortal Shen ... six-eared macaque frowned and asked, “Who is that woman holding the Jade Rabbit? She’s clearly in the North Sea, so why did she ask me to create an illusion?”

“You don’t need to know who she is!” “You only need to know that my perfect plan will definitely be wonderful!” Shen Gongbao sneered.

yes ... six-eared macaque nodded. He didn’t want Shen Gongbao to get suspicious, so he didn’t dare to ask.

“Exalted immortal Shen! I’ve also heard another piece of news ... at this time, Yang Wenhui spoke again with a complicated expression.

[Red Envelope Group of the Three Realms](#)

Chapter 2883: gathering of the wind and clouds

“If you have something to say, then say it. Why are you hemming and hawing?”

Shen Gongbao looked at Yang Wenhui and asked impatiently.

“It’s like this ...”

three days later, the Dongsheng Chamber of Commerce will hold a large-scale auction, ” Yang Wenhui said. I heard that the transaction amount will be around 50 billion upper spiritual stones, conservatively!

“Oh?” Shen Gongbao narrowed his eyes and calculated, ‘with a sales figure of 50 billion, there must be something of the seven-star earth-god level to be auctioned! It’s a city Lord level item and is of great significance in the earth-god Realm. Who would auction it?”

“The identity of the person behind the scenes hasn’t been disclosed yet,” said Yang Wenhui.”After all, the Dongsheng Chamber of Commerce must keep such a large transaction a secret! Otherwise, whoever accepts this huge amount of spirit stones will become a public target and attract countless thieves!”

the higher-ups didn’t give me any help, and I’ve been lacking spirit stones recently ... Shen Gongbao narrowed his eyes and carefully calculated, ” “Brother Lu, why don’t you go there yourself? After the auction is over, use poison to knock everyone down, then take the spirit stones and leave!”

“You’re underestimating the Dongsheng Chamber of Commerce!” yes! Lu Yue said solemnly, ” since they dare to host such a large auction, their security will definitely be flawless! Otherwise, their golden signboard would have been ruined long ago!”

Shen Gongbao narrowed his eyes and laughed evilly. the Dongsheng Chamber of Commerce is indeed powerful. But it’s a different story if I know the high-level officials in it, isn’t it? ”

“Are you planning to contact the old man of heavenly secrets?” Lu Yue asked.

“Of course!”

Tianji city is the biggest shareholder behind the Dongsheng Chamber of Commerce. It’s not difficult for them to do something at the auction! Shen Gongbao laughed.

Lu Yue shook his head and said, “although the old man of heavenly secrets and you are both under the clan of enlightenment, his master and your master are not so harmonious!” He definitely wouldn’t ruin his own reputation and let you take advantage of him!”

Shen Gongbao sneered, "what if I tell the old man of heavenly secrets that I know where Baiqi is?" He will definitely agree to my request!"

"What? Do you know the whereabouts of the ancient shaman, Bai Qi?" Lu Yue was shocked.

"Of course I don't know!" Shen Gongbao shrugged.

this ... Lu Yue was stunned. "So you're saying that you're planning to deceive the elder of heavenly secrets? If he sees through you, you'll have completely fallen out with him!"

"Bai Qi's hiding place is hidden by the heavenly secrets. Even the old man of heavenly secrets is unable to divine it!" I'll just give you a random spot. When the old man of heavenly secrets gets there, Baiqi will leave in advance. You can't blame me for that! Shen Gongbao laughed.

your method ... Lu Yue frowned and said, " "It's doable ... But it's very disloyal ..."

"Loyal?"

Shen Gongbao rolled his eyes and said shamelessly, " "Can I get spirit stones by being loyal? Can justice help me deal with Chen Xiaobei? Don't joke around! Is that good?"

Lu Yue was speechless.

If it was in the past, when Lu Yue was still a disciple of the tribe of severity, he would not have used this method!

But now, Lu Yue's heart was controlled by the primordial spirit contract and he would only think for the master of the contract!

Therefore, Lu Yue could do nothing about Shen Gongbao's shamelessness.

"It's decided then!"

"Yang Wenhui, contact the old man of heavenly secrets!" Shen Gongbao said. Lu Yue, you go personally! You have to bring me the 50 billion upper spiritual stones!"

"Yes, sir!"

Lu Yue and Yang Wenhui both nodded and left the sky Devil space through the space gate.

.....

Because the Dongsheng Chamber of Commerce kept it a secret, no one knew that Chen Xiaobei was the one who organized the auction!

Whether it was Chen Xiaobei's friends or his enemies, they were all very interested!

Moonwater city.

"Have you heard? In three days, there will be a huge auction in Videha!" Qing bao said excitedly, "brother Zicheng, do you want to go and take a look?" Let's go together?"

Han Zicheng frowned and said, "I naturally want to go, but it still depends on master's intention!"

Qing bao pouted and said proudly, "Shizun will definitely listen to young master Chen! When young master Chen comes out, I'll beg him and he'll definitely agree to my request!"

.....

Heavenly Yin Hall.

qiuhe ... Three days later, go to the victorious East continent ... And participate in the auction ... Zhu tianzong lay on the bed and said weakly.

Zhu qiuhe's face was filled with anxiety. He shook his head and said, "Ancestor ... What kind of mess has our heavenly Yin Hall become? I'm not in the mood to attend an auction."

"You must go! And not only do you want to go, you want to go in a high profile and powerful way!"

"Remember this!" Zhu tianzong said solemnly. You are the young master of the Zhu family! You must let the world see clearly that our Zhu family has not fallen! Our wealth and Foundation are still at the level of a peak force! Let those people who want to loot a burning house give up their thoughts as soon as possible!"

this ... Zhu qiuhe's expression was slightly startled. He nodded and said, "I understand! Don't worry, forefather. This time, I'll definitely do a great job and won't let our Zhu family down!"

.....

On the small nine spirits Island.

Princess Jiu Ling was walking forward with another extremely beautiful lady, "little sister inksnow, do you want to go and take a look at the auction that's happening three days later?"

"I didn't want to join in the fun! Those annoying people have been pestering me too much recently ..."

Xiao moxue's smile was enough to stun everyone. "However, if sister Ling 'er wants to go, I'm naturally willing to accompany you! After all, in the past few years, big sister's face was disfigured and she was unwilling to go anywhere. Now that her face has recovered, she should naturally go around and see!"

"Good! Then it's settled!" Princess Jiuling was also very happy. She smiled like a flower. "You will stay on the island today. Three days later, we will go to the Videha!"

.....

On the coast of the South Sea.

In a dark Grotto-heaven, a man in a blood-red robe was sitting!

The man's Silver hair was disheveled and his skin was pale. He looked like a blood clan member!

But his eyes were indeed deep blue, and he looked like a demon!

There were red snake scales on his arms, making him look like a half-orc!

What was even stranger was that his entire body was emitting a blood-red demonic Qi. He was clearly a real demon!

That's right! This person was the Blood Moon Swordmaster, the Supreme Leader of the demonic religion who possessed the blood race, demonic race, monster race, and beast race bloodlines!

"Yitian, three days from now, go to the Videha and take a look!" The Blood Moon Swordmaster said slowly.

"This disciple will obey!" Qin Yitian was standing not far away, holding Heavenly Sword in her arms.

The sword and Qin Yitian's body emitted a sharp murderous aura from the inside out, causing ordinary people to stay far away and not dare to get close to them!

"The heaven's legacy city wants me to return their favor!" "If you meet Chen Zhufeng at the auction, do you know what to do?" the Blood Moon sword owner asked indifferently.

"Kill without mercy!" Qin Yitian's eyes were filled with killing intent!

Red Envelope Group of the Three Realms

Chapter 2884: heart to heart

Moonwater city.

After the Grand welcoming ceremony, for the safety of the major regions and major cities, the important figures left through the teleportation array.

Only immortal dugu zang remained.

As she strolled with Chen Xiaobei in the garden of the governor's residence, dugu zang Xian's pretty face had a rare smile on it.

That bright and beautiful smile seemed to be able to melt ice and snow, as if it could illuminate people's hearts.

This woman was really special!

Her anger could fill the sky with corpses! Her smile could enchant all living beings!

At least, Chen Xiaobei was mesmerized!

Looking at her perfect face, even if she didn't say or do anything, she was still in a good mood and felt comfortable!

"Thank you for the present!"

After walking for a while, dugu zang Xian broke the silence, at first, nine nether platform and heavenly Yin Hall were in a stalemate. However, you severely injured heavenly Yin Hall and completely broke the stalemate, giving me a great chance of winning!

"You don't have to be so polite. Who asked you to be my fiancée?" Chen Xiaobei chuckled.

"There's no one else here, you don't have to act," Dugu zang Xian was a smart person. She knew very well that she had been using Chen Xiaobei all this while. So, she did not expect Chen Xiaobei to develop any feelings for her.

“Life is like a play, it all depends on acting.” Chen Xiaobei shrugged and laughed, “sometimes, I’m too engrossed in my acting. I can’t even tell when I’m in the act. When are you outside of the scene?”

“With your brain, how can you not tell?” Immortal dugu zang’s smile was still on her face, but traces of complicated emotions could be seen in her beautiful eyes.

“It doesn’t matter if you can tell the difference or not.” as long as you’re good to me, I’ll be good to you. It’s simple. Isn’t it more important to be honest with each other?” Chen Xiaobei said.

“Simple, heart to heart?” Dugu zang’s expression froze for a moment before he nodded silently without saying a word.

It was obvious that dugu zang Xian had sacrificed an important chess piece to protect Chen Xiaobei! This incident had changed Chen Xiaobei’s way of thinking!

If Chen Xiaobei was willing to open his heart to dugu zang, it meant that he was willing to be friends with dugu zang!

As for whether the act would turn into reality, it would depend on the subsequent development of the two!

After a moment of silence, Chen Xiaobei asked, “When do you plan to attack heavenly Yin Hall?”

“I’m not sure yet ...”

Immortal dugu zang’s smile gradually disappeared as he spoke with a serious tone, “A centipede dies but never falls down! Even though heavenly Yin Hall had suffered heavy losses, its Foundation had not wavered! The billions of heavenly Yin Warriors in the 30000 countries were all fine! It won’t be easy to start a war!”

so, when you said that you were going to attack the territory of divine Yin temple when you welcomed me, you were just saying it?” Chen Xiaobei asked.

“Of course not ...”

“You’ve indeed helped us create a rare opportunity!” Dugu zang Xian said in a deep voice. However, I still haven’t found a suitable breakthrough point!”

“What kind of breakthrough do you want?” Chen Xiaobei asked again.

“There’s a tiger cage mountain range between the nine nether platform and the hall of heavenly Yin!” Immortal dugu zang said. Both sides rely on the terrain to build their cities and set up defenses. Each main city is easy to defend but hard to attack!”

the main point is that heavenly Yin Hall has been plotting against me for a long time. Therefore, the cities of heavenly Yin Hall on the west side of tiger cage mountain range have all been built to be impregnable. They form a triangular formation and complement each other in both attack and defense. They can be said to be a piece of iron!

“In other words, if I want to invade the hinterlands of heavenly Yin Hall’s territory, I must first pierce through this layer of iron! Otherwise, even if I have a trillion troops, I can only be stopped on the east side of the mountain! Don’t even think about taking over the land of heavenly Yin Hall!”

however, this iron plate can not be broken so easily!

of course! immortal dugu zang frowned and said, “ besides the geographical advantage, the Zhu family’s heaven Immortal Weapons, heaven immortal magical formations, and heaven immortal battle formations will all be deployed on the battlefield! If we forcefully attack, our side will definitely suffer heavy casualties, and the losses will outweigh the gains! The Dragon God Palace might even benefit from it!”

It was obvious that dugu zang Xian wanted to lead his troops and fight his way over, but the current situation prevented him from acting rashly!

If they advanced, they would suffer heavy casualties, and if they retreated, they would miss the opportunity!

For dugu zang Xian, this was definitely a dilemma! She racked her brains and racked her brains, but she still couldn’t find a way to solve the problem. Her heart was being tortured every second!

Chen Xiaobei smiled and said, “ I heard from qing bao that the heavenly Yin Hall has set up a defense line along the Tiger cage mountain range. The heart of the defense line is the Red Lotus region!

“Right!”

of course! immortal dugu zang nodded heavily and said, “ the Red Lotus region’s geographical location is a place that militarists must fight for! The left and right sides of the defense line could be used to ensure the advance and retreat of the Army! As long as the Zhu family can defend the Red Lotus region, my Army will find it difficult to advance!”

“What if I give you the Red Lotus territory?” Chen Xiaobei asked.

what???” Dugu zang was taken aback. Her delicate body trembled slightly, and her pupils contracted. She simply couldn’t believe her ears.

of course not! Chen Xiaobei smiled. I have the nine princes and most of the upper echelons of the Red Lotus zone under my control! Once the current Red Lotus honorable King passes away and the new king ascends to the throne, I’ll be able to take complete control of the Red Lotus region!”

“My God ... Zhufeng! You ... You’re really a God!”

Dugu zang was startled, and he was both surprised and delighted as he said, “As long as we can take down the Red Lotus region, we’ll be able to take down the core of heavenly Yin Hall’s line of defense! My Army can attack and defend at will, and it’s an undefeatable place!”

Before Chen Xiaobei left, he had said that he would give dugu zang Xian a gift! At that time, dugu zang Xian was afraid that Chen Xiaobei would be in danger and did not want Chen Xiaobei to prepare a gift!

However, the two gifts that Chen Xiaobei had given dugu zang were both super surprises that he desperately needed!

Chen Xiaobei smiled and said gently, "It's good that you like it!"

tsk ... dugu zang Xian gasped. He felt that Chen Xiaobei was the most handsome and domineering man in the world!

Different women liked different types of men!

Dugu zang Xian's heart felt like it had been struck by lightning when Chen Xiaobei gave him a region of land and gently said that he was fine as long as he liked it.

Her face couldn't help but turn slightly red, and her heart couldn't help but beat faster!

A strange illness in his childhood, the extermination of his clan, and seven thousand years of bitter cultivation had caused dugu zang Xian to forget the feeling of a young girl!

Such a blushing face and palpitating heart seemed to have never appeared in dugu zang's memories!

"What's wrong with you? Her face and ears are all red!" Chen Xiaobei raised his brows and smiled evilly. "Don't tell me you've fallen for me?"

[Red Envelope Group of the Three Realms](#)

Chapter 2885: heart of the strong

"Don't talk nonsense! Our relationship is just a temporary disguise. Don't take it seriously! I don't want you to misunderstand!"

Dugu zang turned his head away and looked into the distance to avoid Chen Xiaobei's sight.

No matter how strong a woman was, she would still have her moments of gentleness.

"You mean what you say?"

Chen Xiaobei chuckled and changed the topic, "there might still be some time before the death of revered King Red Lotus. You can make some preparations first!"

"Yes, I know what to do!"

After thinking for a while, dugu zang Xian asked, "there'll be an auction in three days, and it'll be held in the 'Xuanyuan imperial capital' of Videha!" This can be considered the largest auction in hundreds of years. Are you interested in participating?"

I don't think I'll be going ... Chen Xiaobei raised his eyebrows and pretended to be disappointed. "I'm quite poor recently, so I can only look around. I'm afraid I can't afford anything good."

"It doesn't matter. No matter what you like, I'll buy it for you when the time comes!" Immortal dugu zang said indifferently.

Chen Xiaobei laughed, "This relationship was great! If there's a rich lady providing for him, I must go and take a look!"

"What rich lady ... And kept as a mistress ... You're too talkative!" Dugu zang Xian smiled as his cheeks burned and his heart fluttered. After saying that, he turned around and left.

“Where are you going? Why are you leaving?” Chen Xiaobei quickly asked.

I have something important to attend to ... We'll meet in the imperial capital of Xuanyuan in three days ... dugu zang Xian's voice trembled slightly, and he left in a hurry as if he was feeling guilty.

“I won't leave until we meet!” The corners of Chen Xiaobei's mouth lifted into a frivolous smile.

.....

Fire cloud domain!

In the time that Chen Xiaobei was away, the entire fire cloud territory was developing in a good direction!

Song Qincheng had the talent of being an Empress in her previous life, and Jiang Ziya had the ability to be a Prime Minister. With the two of them working together and the 100% loyalty of the officials, fire cloud capital city and the 36 main cities in the region were all in good order. The people lived in peace and happiness!

At the same time, Xiang Yu, Ying Zheng, Zhao Yun, and Lu Bu had trained their troops from top to bottom to raise their morale, and they were very familiar with the tactics and battle formations!

The elite soldiers were all stationed at the eight walls of fiery flame. Together with Nezha, Hong Hai 'er, Lin Nan, the nine Grand shamans, and the ten ghostly slaves, they formed an iron-like line of defense!

The country is peaceful and the people are at peace, and the Army is strong!

During these days, the entire fire cloud region had changed!

Although there were many big regions around them who were eyeing covetously and were eager to attack the fire cloud region, none of the forces dared to stand out first!

In this way, the fire cloud region enjoyed a rare peace!

.....

Fire cloud capital city.

After Chen Xiaobei returned, he did a quick inspection and was very satisfied with song Qincheng and Jiang Ziya's control.

After that, Chen Xiaobei summoned his six direct disciples!

After seeing qing bao and han Zicheng's abilities, Chen Xiaobei suddenly realized that he needed to train his own disciples well!

Even if he did not expect them to be of much help, at least they would not embarrass Chen Xiaobei when he told them his Sifu's name!

His eldest disciple, Feng Qingyang, had learned medicine! His second disciple, tai yitan, had learned the art of Gu! The third disciple, Wu aofeng, had learned the astral Beast Battle technique! His fourth disciple, Huo yuanba, had learned the art of refining! His sixth disciple, Daoist justice, had learned alchemy!

Chen Xiaobei summoned them one by one and tested them on what they had learned during this period of time. He also gave them some pointers on things that they did not understand so that they could understand the essence of the various ultimate Arts faster!

Chen Xiaobei had the scholar heart, so he knew all these things like the back of his hand! When giving pointers, every sentence went straight to the main point! In just half a day's worth of guidance, these five disciples had been enlightened and had made great progress!

Other than these five people, Chen Xiaobei's fifth disciple, Xuanyuan tuohai, was also studying the sky-killing tyrant body technique. However, because this secret technique was extremely dangerous, Xuanyuan tuohai had never truly started cultivating it!

"Tuo hai! Are you ready?"

The other five disciples left, leaving Chen Xiaobei alone with Xuanyuan tuohai.

"I've already prepared for it!"

Xuanyuan tuohai's expression was firm and unwavering. "I was abandoned by my family when I was born! They were living in the slums! Disciple has been abused, humiliated, and even almost lost my life!"

"This disciple knows better than anyone else that in this world, the strong are respected and strength is Supreme! If you can't become a strong person, you can only live the life of a lowly ant!"

"Rather than that, it's better to risk my life! As long as I can succeed, I will be able to follow in master's footsteps and become a powerhouse for a lifetime! Even if I fail, I'm not a coward. I won't ruin the reputation of master and Bei Xuan faction!"

The reason why Chen Xiaobei did not teach the heavensharping tyrant body technique to Xuanyuan tuohai was because the trial was extremely dangerous! Secondly, it was to give Xuanyuan tuohai enough time to consider!

If Xuanyuan tuohai did not have the guts to risk his life, Chen Xiaobei would not force him!

But now, it seemed that Xuanyuan tuohai did not disappoint Chen Xiaobei! His determination was beyond Chen Xiaobei's imagination!

That was the heart of the strong!

In order to become stronger, Buxi was risking his life!

Those who had the heart of a strong person were destined to be extraordinary! As long as he experienced the wind and rain, he would definitely soar for hundreds of millions of miles!

"Good! Since you've already decided, I'll tell you one more thing!"

Chen Xiaobei said, "Three days later, I'm going to the imperial capital of Xuanyuan! As long as you can cultivate the "sky-killing tyrant body technique," I will take you with me! Let them know that abandoning you back then was the stupidest decision they've ever made!"

"Alright!"

Hearing this, Xuanyuan tuohai's blood boiled like a young calf filled with battle intent. "As long as I don't die, I'll make the Xuanyuan family regret this!"

"You're ambitious!"

master! Chen Xiaobei said, " I will do my best to help you!

.....

Inside the verdant Emperor's divine gourd.

Following Chen Xiaobei's instructions, e Huo Yuntian had prepared nine spiritual beasts from one star to nine stars! He had also caught four earth immortal beasts, from one-star to four-star!

Chen Xiaobei had wanted a five-star earth-god beast, but most of the beasts were cultivating in Northern kuruzhou. There were very few of them in Nanzhan. He would have to be extremely lucky to find one in the vast mountains and seas!

Chen Xiaobei's luck had plummeted. He had not found a five-star earth-god demonic beast!

Of course, being able to reach the four-star earth-god Realm in one go was enough for Xuanyuan tuohai to crush his opponents of the same level!

"Tuo hai! Are you ready?"

Chen Xiaobei asked, " "The first step of the trial of the Overlord body is to destroy your current body and soul! Furthermore, it's a complete destruction!"

[Red Envelope Group of the Three Realms](#)

Chapter 2886: heaven-defying physique

"I'm ready!"

Xuanyuan tuo Hai's expression was like iron, and his eyes were determined. After thinking for a long time, he had already made up his mind, and even life and death would not shake him!

"Alright!"

"You've got to hold it in!" Chen Xiaobei said. You must endure it!"

"Hiss! Hiss! Hiss ..."

Chen Xiaobei waved his hand and released hundreds of thin ethereal force!

Although these gossamers looked thin and weak, in fact, they had used the combat power of a late-stage golden core cultivator, which was 85 million!

When Chen Xiaobei first found Xuanyuan tuohai, he was only at the body consolidation realm, a mere 1000 combat power! However, Wuji Saint Demon King's demon bloodline had allowed his physical strength to reach 300000!

Today, Xuanyuan tuohai had been cultivating in bei Xuan faction for a long time. He had an almost unlimited supply of skybreaking cultivation pills and skybreaking cultivation pills and had reached the one-star earth-god Realm!

[ding Yingying's cultivation base: early primordial soul Stage. Lifespan: [year 2893, physique: 8000000, combat power: 10 million!

He could see with his netherspirit battlescouter that Xuanyuan tuohai's current physical strength had far exceeded what his current cultivation base should have.

Even Chen Xiaobei, who was a late-stage golden core cultivator, had to use all his strength to defeat Xuanyuan tuohai!

“Woof! Buzzzzzz! Yi ...”

Chen Xiaobei exerted his strength, and the hundreds of gossamer ethereal force turned into steel needles, piercing into every acupuncture point in his body, as well as the important parts of his joints!

“Ka! Ka! Ka ...”

As the gossamer entered his body, it instantly activated the strongest destructive power of the metal attribute and began to destroy Xuanyuan tuohai's body in all directions!

The bone armor was shattered! His tendons were broken! His muscles were torn apart! Even his skin was cracking open!

In the blink of an eye, Xuanyuan taohai had turned from a young man into a bloodied man covered in cuts and bruises!

“Bang!”

His bones and muscles were completely crippled. Unable to support himself, Xuanyuan tuohai fell heavily to the ground!

But until this moment, he did not let out a single scream!

The Devil's Blood flowing in his body seemed to give him an unusual coldness, making him more fearless than ordinary people!

hiss ... That brat is too cruel ... He didn't even make a sound after being tortured like that ...

Gasps could be heard from afar when they saw what was happening.

Back in the red Lotus capital, Chen Xiaobei had captured eight Demonesses, 24 bodyguards, and a spoiled brat, Zhan Lu chenghu!

They had witnessed everything with their own eyes. Their pupils contracted and their scalps went numb!

If they were to exchange positions with Xuanyuan tuohai! Even if they were not scared to death, they would die from the pain!

They would never be able to keep quiet in their entire lives!

However, Chen Xiaobei's next words made them break out in cold sweat!

"Tuo hai! You must hold on! The pain that follows will be hundreds of millions of times more intense than it is now!"

"If you can't take it, even if your body can, your mind will collapse!" Chen Xiaobei said. In the worst-case scenario, you'll become demented, and in the worst case, you'll die from a mental breakdown!"

The pain at this moment had already made the group of people's scalps numb and they broke out in cold sweat!

The pain was hundreds of millions of times more intense. Even if this group of people's imagination broke through the horizon, they could not imagine how terrifying that was!

Only Chen Xiaobei knew! That kind of pain was simply inhumane and could not be described with words!

In that kind of pain, ordinary people would want to die!

Of course! As long as he could endure it, he would pass the Overlord body trial. From now on, he would be able to cultivate the "sky killing tyrant body technique" like a cheat, allowing his physical strength to soar!

Moreover, as long as one could endure it, the strength of one's state of mind would also be greatly strengthened. In the future, if one encountered any big waves or big figures, they would be able to smile indifferently and remain calm in the face of changes!

"Come ... Come ..."

Xuanyuan tuohai's voice was already very weak, but his determination did not waver at all!

"Alright!"

Chen Xiaobei used his ethereal force to dig a big hole!

Then, all the one-star to nine-Star Spirit beasts had their throats slit and their blood filled the pit!

"Whoosh ..."

Chen Xiaobei released another burst of ethereal force, lifted Xuanyuan tuohai up, and sent him to the blood pool.

"Tuo hai, You Must Remember This!"

"Once you're in the blood pool, immediately activate the sky-killing tyrant body technique!" No matter how painful it was, he could not stop for a moment! Otherwise, not only will all your previous efforts be in vain, you will also lose your life!"

yes ... Xuanyuan taohai replied with great difficulty.

"Whoosh ..."

Chen Xiaobei then placed Xuanyuan tuohai into the blood pool.

“Uh ... Ah! Uh ... Ah!”

In the next moment, Xuanyuan taohai let out a heart-wrenching scream!

That cry was so miserable and sad that it made people’s hearts tremble! The group of people in the distance all shuddered and felt their blood run cold!

The eight timid demonic women were so scared that they covered their ears tightly, unable to listen to it anymore!

When all his bones and skin were destroyed, Xuanyuan tuohai did not even let out a single scream. Now, he was screaming hysterically and at the top of his lungs!

Even if he used his toes to think, he knew how inhumane this terrible pain was! How insane!

This was the reason why Chen Xiaobei did not teach the sky-killing tyrant body technique to anyone else!

The reason why he chose Xuanyuan tuohai was because of his evil demon bloodline!

Xuanyuan tuohai’s current physical strength was 80 million. Once the demon bloodline’s special ability was activated, he would be able to unleash three times the strength of the gas, which was equivalent to 240 million, which was comparable to a powerhouse in the middle to late nascent Soul Stage!

Once Xuanyuan taohai cultivated the heavens-killing tyrant body technique, coupled with his evil demon bloodline, he would definitely create a heaven-defying super-strong physique!

It could even be said without exaggeration that once Xuanyuan tuohai’s demonic body reached large success, it could even be compared to a divine body! He had become the strongest of all Chen Xiaobei’s direct disciples!

Of course, the result was wonderful, but the process was extremely difficult to endure!

Chen Xiaobei called the group of people over and took turns to activate the sunlight cache.

Chen Xiaobei, on the other hand, did not rest for even a moment. He stood guard at the side, carefully observing Xuanyuan tuohai’s situation!

.....

Perhaps it was because Xuanyuan tuohai had once been abandoned, abused, and humiliated! His state of mind was more determined than the average person, and he wanted to become stronger even more!

Finally, after a few dozen days, his condition had completely stabilized and he had completely absorbed the blood essence of the nine spirit beasts!

Not only did his body return to its original state, but his injuries were also healed. His physical strength had also risen from zero to the peak of the God-Ascension realm!

This meant that Xuanyuan tuohai had successfully passed the Overlord body trial!

The main point was!

When an ordinary person was at the peak of God-Ascension cultivation, they would only have a physical strength of 5.5 million!

Xuanyuan tuohai, on the other hand, had reached a shocking 40 million physical strength!

And more importantly!

Chen Xiaobei had also prepared four other earth-god demonic beasts!

The strength of Xuanyuan tuohai's physique would continue to soar!

Red Envelope Group of the Three Realms

Chapter 2887

2887 Xuanyuan imperial capital

Xuanyuan tuohai had already passed the Overlord body trial, so the rest of the cultivation would no longer be difficult, nor would he have to suffer any more pain!

The one-star to four-star earth-god Realm demonic beasts were still bleeding in the pit!

Xuanyuan tuohai continued to stay in the blood pool, circulating the mental cultivation chant of the heavens-killing tyrant body technique to strengthen his physique!

This process was very slow. Fortunately, the group of people that Chen Xiaobei had captured were working on the sunlight cache non-stop!

Of course, it was not easy to activate the sunlight cache. Chen Xiaobei did not want to waste his time. He took out his spiritual stones and started to cultivate!

Chen Xiaobei had earned 9.5 billion upper spiritual stones in the red Lotus Imperial City!

Later on, in the dark abyss, that large spirit vein had been absorbed by the nether relic for hundreds of millions of years, and there was not enough spirit energy!

In order to activate the power of the planet-destroying banner, Chen Xiaobei not only used up all the energy in the large spiritual vein, but also used up nine billion superior-grade spiritual stones!

Chen Xiaobei was left with only 650 million upper spiritual stones!

Fortunately, he had broken through a small realm and reached the peak of the Golden elixir realm. This was enough!

.....

This time, the cultivation lasted for 1042 minutes!

Under the sunlight cache, he had spent almost 1042 days, which was a total of 25000 hours!

Due to the small increase in his cultivation level, he was consuming 20000 upper spiritual stones every hour!

Just this wave alone had consumed 500 million upper spiritual stones!

Fortunately, even though it took a long time and consumed a lot of energy, Chen Xiaobei had successfully broken through a small realm! The final result was also very gratifying!

[ding Qianqian's cultivation base: peak-stage golden core. Lifespan: Year 154255, physical body: 150 million, combat power: 110 million, primordial spirit attack: Saint level!

"I've succeeded!"

Chen Xiaobei slowly opened his eyes and started to calculate excitedly. "Peak Jindan! His lifespan had been increased by 54000 years! His combat power had increased by 25 million! It's so cool!"

"The higher one's cultivation level, the harder it is! Fortunately, I have a level nine heavenly Dao cultivation Halo. Otherwise, my combat power would only have increased by 2.5 million! If you want to achieve the results you have now, you will need to spend ten times the time and ten times the spirit stones!"

Chen Xiaobei knew very well the implications of this, so he said, "I need to expand to the regions outside the fire cloud region as soon as possible and gain more believers so that I can exchange for a higher grade heavenly Dao Halo! Just thinking about it made him feel so good that he could fly! Wakaka ..."

"Right, how's tuo hai?" Chen Xiaobei looked at Xuanyuan tuohai as everything was going well.

Xuanyuan tuohai was still cultivating!

Although this "sky killing tyrant body technique" was powerful, it had two restrictions. The first was the beast blood! The second was time!

He had to find a beast blood that was strong enough to refine his body!

And the time spent on body cultivation would be much longer than cultivation!

Of course, as long as the body refinement was successful, it would be like cheating. One would have a physical strength that far exceeded one's actual cultivation level. They would be able to suppress opponents of the same level as them, just like bullying children!

[ding Yingying's cultivation base: early primordial soul Stage. Lifespan: Year 2893, physical body: 100 million, combat power: 10 million!

Chen Xiaobei used his netherspirit battlescouter and was shocked. "Looking at the current situation, tuo Hai's physical body has already reached the level of a two-star earth-god!"

"When an ordinary person reaches the peak of the two-star divine sea realm, his physical strength can only reach 37 million! And tuo Hai's physical strength had reached 100 million! This ... This is a heaven-defying rhythm ..."

Chen Xiaobei gulped. "When tuo hai reaches the original level, won't he be able to reach 500 million? With the addition of the evil demon bloodline, that's 1.5 billion physical strength!"

“If we can make tuo Hai’s physical strength reach the peak of a nine-star earth-god, doesn’t that mean that he can withstand a heaven-immortal artifact with just his physical body? F * ck ... Just thinking about it makes my scalp go numb!”

Chen Xiaobei was shocked!

According to this calculation, once Xuanyuan tuohai’s demonic body reached large success, he would not lose to an ordinary divine body!

As long as Xuanyuan tuohai completed this round of cultivation, even a five-star earth-god would not be able to hurt him! Only a six-star earth-god could barely fight with him!

Xuanyuan tuohai himself was only a one-star earth-god!

“Alright! It’s time to go!”

Chen Xiaobei stood up and stretched his body. “The Xuanyuan imperial capital of Videha! I, Chen Zhufeng, am coming!”

.....

There were ten top forces in the earth-god Realm!

Each top force had ten sovereign domains, one thousand large domains, and thirty thousand main cities under their banner!

There were three major powers in Videha: Tianji city, Yuxu Palace, and the Xuanyuan family!

Xuanyuan imperial capital was the headquarters of Xuanyuan clan and the heart of Xuanyuan imperial domain! It was the foundation of the Xuanyuan family!

Most of the members of the Xuanyuan family lived in the biggest city in the earth-god Realm!

That’s right!

The imperial capital of Xuanyuan city had been known as the most majestic city in the earth-god Realm since ancient times!

Firstly, Videha had inherited the orthodoxy and was the most powerful and prosperous of the four great continents!

Secondly, Tianji city and Jade Mirage Palace existed in the form of sects, and they cultivated in spirited mountain blessed land! They did not use the city as their Foundation! The cities under the banner of these two could not compare to the Xuanyuan imperial capital!

In this way, the imperial capital of Xuanyuan would be the Overlord of the Videha and could naturally dominate the entire earth-god Realm!

.....

As soon as they stepped out of the portal and into the imperial capital of Xuanyuan, Chen Xiaobei and his five direct disciples were shocked!

what a big city ... Wu aofeng swallowed and said, " compared to this city, even if master expanded the royal city of beixuan, it's not even one percent!

that's right ... Feng Qingyang narrowed his eyes and released his Yuan Shen domain."Not only is the city large, but the population density is also high ... A conservative estimate would be that there are no less than 100 billion people living in this city!"

Tai yitan's eyes flashed with wisdom as he looked deeper, " "More importantly! Such a huge city, and it was built in a luxurious and prosperous way! The streets, buildings, and houses were all in good order! The people live and work in peace, and everyone abides by the law!"

"This is the golden age that master has always wanted to pursue!"

but ... enlightened Yi sighed. even if master is completely tax-free, helps the poor, and improves the People's lives, it will still take years, or even decades, to reach the current situation in the imperial capital of Xuanyuan!

"Good food is never late!" I believe that as long as you don't forget your original intention, master, " Huo yuanba laughed heartily. one day, the royal city of beixuan will surpass the imperial capital of Xuanyuan! Beixuan's Golden Age will make the entire earth-god Realm yearn for it!"

"I like to hear that!" of course! Chen Xiaobei laughed evilly. but before I surpass the imperial capital of Xuanyuan, I'm going to turn it upside down! Hehe ..."

"You little brat! Don't mess around!" At this moment, a delicate shout was heard.

He looked over and saw a beautiful woman glaring at Chen Xiaobei.

[Red Envelope Group of the Three Realms](#)

Chapter 2888

2888 Very arrogant

It was a breathtakingly beautiful woman!

His black hair was like smoke, and his white clothes were like snow!

She was like a fairy from the nine Heavens who didn't belong to the mortal world. She was so pure and holy that people could only look up to her and didn't dare to have any evil thoughts!

His brows were like small bridges, and his eyes were like flowing water!

She was like a graceful lady who walked out of an ink painting in Jiangnan. She wasn't ostentatious, nor did she show off, but she was unforgettable!

He was riding the wind in the air, looking valiant and heroic!

Although she was a woman, she had the aura of a woman who was not inferior to men! Especially when she walked, her black hair fluttered and her steps were vigorous. It could be said that she was as graceful as a swan and as strong as a Dragon!

“What a beautiful big sister!” Wu aofeng laughed and said, “As expected of master! He had attracted the attention of such a peerless beauty the moment he appeared! I’m so envious!”

“There’s more than one!” Tai yitan squinted his eyes and laughed evilly.

He saw another very beautiful woman walking over.

Her eyebrows were like rainbows, and her eyes were as bright as stars! Her skin was like snow, and her hair was like a waterfall! His lips were delicate like a flower and his nose was straight like jade! In addition, she had a graceful figure and a noble temperament! She was simply beautiful beyond compare, like a fairy or Jade!

“Master! You’re really awesome!” Huo yuanba gave him a thumbs-up. I’m afraid you won’t be able to find such a beautiful woman even if you search the entire sovereign domain! However, these two were both here for master! It’s so awesome!”

The woman in front of him was not only glaring at Chen Xiaobei, but she also scolded everyone, “What kind of master teaches what kind of disciple! You’re all a bunch of lechers who only know how to judge a book by its cover!”

“This little girl is so fierce!” Enlightened Yi ru slightly frowned.

“He’s indeed shrewish!” Feng Qingyang nodded and smiled, “It’s a pity that no matter how fierce he is, he can’t escape master’s control!”

“You two old things! What are you saying?”

“I’m a well-read, gentle, and virtuous lady,” the woman scolded angrily. “How dare you call me shrewish?” You think you can’t get out of your master’s Five Finger Mountain? You should ask Chen Zhufeng who I am!”

The woman’s voice wasn’t soft, and there were many people on the street, so she immediately attracted a lot of attention!

This woman was really famous, and many of the people present knew her!

“Isn’t that miss Xiao moxue from the ‘extreme Emperor domain’? She was the young master of the Xiao family! Why did he come to the capital of Xuanyuan in person? Could it be that they’re here to attend tonight’s auction?”

“What? She ... She’s the famous Xiao moxue? No wonder she’s the number one beauty in Tianji city, thousand territories, and thirty thousand countries! Seeing it today, it indeed lived up to its reputation! Beautiful! It’s so beautiful!”

“It’s not just beautiful. In addition to her beauty, Xiao moxue was also publicly acknowledged as a heavenly beauty! He had already reached the level of an eight-star earth-god at such a young age! It’s a bit unfair for her to rule the entire extreme Emperor domain in the future!”

“Peerless beauty! The great Emperor’s family! Super talent! Miss inksnow is simply perfect and flawless. The boys and girls around me regard her as a super idol! He worships me to the point of no return!”

“Miss inksnow doesn’t just have a large number of fangirls, she also has countless suitors! These people were all top young talents in the earth-god Realm! There are even young masters of peak forces!”

“Yes, as far as I know! The 17th young master of the Xuanyuan family, the 14th Prince of the Dragon God Palace, the young master of Tianji city, and the young master of the hollow Jade temple were all madly pursuing Xiao moxue! If I’m not wrong, they’ll definitely appear!”

“Who is that Chen Zhufeng? In front of miss inksnow, a mere peak Jindan stage cultivator is like an ant. What right does he have to get miss inksnow’s attention?”

“Chen Zhufeng? This name is a little familiar ... But I can’t remember ... Perhaps he’s just an ant!”

Everyone at the scene was in a heated discussion! Almost everyone had a high opinion of Xiao moxue. It was clear that this girl’s popularity was off the charts!

As for Chen Xiaobei, even though the news of him wreaking havoc in Tian Yin Hall a few days ago had spread, he was still a little worried.

In the beginning, the rumors were always exaggerated. From the heavenly Yin Hall to the victorious East continent and then to the Xuanyuan imperial domain, there were already countless versions!

The most exaggerated version was that Chen Zhufeng was a demon at the peak of the earth God Realm with three heads, six arms, and eight eyes!

Because of this, although many people had heard of Chen Zhufeng’s name, they would not link the unparalleled man who had wreaked havoc in Tian Yin Hall with the young Chen Zhufeng in front of them who had ordinary cultivation!

Therefore, in everyone’s eyes, Xiao moxue was the proud daughter of the heavens, and Chen Zhufeng was just a small ant!

However, this ‘tiny ant’ only used one sentence to directly shock everyone’s heart! He had smacked everyone’s face!

“Mistress inksnow!”

Chen Xiaobei walked over and held Xiao moxue’s soft and fair hands. He laughed and said, “I haven’t seen you for so long. Did you miss me?”

“Bastard! “Let go ...” Xin inxue was furious.

“Little wife! You made a bet with me and lost yourself to me!”

Chen Xiaobei would not let go. He smiled and threatened, “Don’t tell me you want me to tell everyone that you, Xiao moxue, are a shameless scoundrel who refuses to admit defeat? Don’t blame me for ruining your perfect image!”

you ... Xiao moxue was speechless.

Oh? ” Chen Xiaobei raised his eyebrows and said, ” also, didn’t the people around us just say that? ” It seems like my love rivals will all be coming! Are you sure you want me to let go?”

this ... Xiao moxue blinked her beautiful eyes and stopped struggling. She took Chen Xiaobei's arm and said, "Brother Zhufeng, I missed you so much!"

A stone that stirred up Ten Thousand Waves!

Chen Xiaobei's frivolous "mistress" and Xiao moxue's "big brother Zhufeng" had caused a double impact on everyone's heart!

The scene in front of her was enough to prove that Xiao moxue was really Chen Xiaobei's mistress! And the two of them had a very good relationship!

Small! Old! Granny!

In an instant, those who had treated Xiao moxue as a Princess were dumbfounded. Their scalps went numb and their views of the world shattered.

Those people who saw Chen Xiaobei as a lowly ant had been slapped in the face. Their cheeks were burning red!

Even Chen Xiaobei's five disciples were shocked. Although they knew that their Sifu had a good affinity with women, they did not know that it was to such a terrifying extent!

"You little brat! Who allowed you to hold Inksnow's hand! Let go of me, or I'll cut off your dog paws!"

However, at this moment, an extremely arrogant voice came from the outer circle of the crowd.

The crowd revealed a look of fear and retreated to the sides, afraid that they would get into great trouble if they stopped the person who came!

"Who are you?" Chen Xiaobei glared at him. How arrogant!"

[Red Envelope Group of the Three Realms](#)

Chapter 2889: there's always someone better

He saw two young men walking over with hostility on their faces!

Their clothes were so bright and luxurious that they were even a little eye-catching!

Behind them were two old men with deep and heavy auras. They naturally exuded the pressure of a strong master! Their cultivation must be extremely high!

Looking at this scene, even if they used their toes to think, they would know that these two young people must have extraordinary status and identity!

"Quickly look! Isn't that the 17th young master of the Xuanyuan family, Xuanyuan Mingjue, and the 14th Prince of the Dragon God Palace, Ao Hanxiao?"

"This is going to be a good show! Both of them are miss Inksnow's hardcore suitors!"

"In order to pursue miss Inksnow, noble Xuanyuan gave up on entering the Xuanyuan sect and entered the heaven's legacy city! Ao Hanxiao is even famous for being like a shadow. Wherever miss Inksnow goes, his figure will be there!"

“These two are the young masters of the peak forces! I’m afraid that Chen Zhufeng is going to be in big trouble!”

The crowd was discussing and gloating over Chen Xiaobei’s misfortune, waiting to see him make a fool of himself!

Noble Xuanyuan took the lead and rushed over, shouting angrily, “Little bastard! I haven’t even touched a corner of inksnow’s clothes, what right do you have to hold her hand? Let go immediately! Otherwise, I’ll cut off your claws!”

Ao Hanxiao followed closely behind, his voice filled with arrogance and rage. “Little bastard! Didn’t you hear what young master seventeen said? Let go of inksnow! Otherwise, you will bear the consequences!”

Without a doubt, these two guys were the young masters of the peak forces. There was almost nothing they couldn’t get their hands on that they wanted!

However, they had pursued Xiao moxue for many years, but they had never even touched her finger!

At this moment, seeing a mere golden core peak-stage brat holding Xiao moxue’s hand that had never been touched by a man before, how could these two young masters, who thought they were extraordinary, swallow their anger?

Seeing this, Xiao moxue’s fair and delicate face couldn’t help but reveal an evil smile.

Before this, Xiao moxue had already suffered many losses at Chen Xiaobei’s hands. Now that she had finally caused Chen Xiaobei trouble, she was in a good mood! It was so satisfying!

Chen Xiaobei knew what Xiao moxue was thinking. He let go of her hand and wrapped his arm around her waist instead.

The two of them instantly pressed their bodies against each other, as ambiguous as they could get!

Chen Xiaobei had never been one to suffer losses! Since Xiao moxue had caused Chen Xiaobei trouble, he had to take advantage of her!

And Xiao moxue? Her small waist was held tightly, and the evil smile on her small face immediately stiffened. That slender and delicate body also stiffened, and even trembled slightly!

Xiao moxue had always been a goddess that could only be admired from afar. Holding hands was her bottom line!

But now, being held in Chen Xiaobei’s arms was beyond what she could bear!

Xiao moxue’s mind was in a mess, and her brain short-circuited. She was so shy that even her ears were red!

But at this moment, Xiao moxue kept one thing in mind! And that was to never push Chen Xiaobei away! Otherwise, everyone would know that she was still single!

In Xiao moxue’s heart, although Chen Xiaobei was annoying, he was still much better than those suitors!

Xiao moxue would rather be taken advantage of by Chen Xiaobei than to be pestered by those suitors!

“Motherf * cker!”

As expected, noble Xuanyuan cursed and revealed his true nature. “Little bastard! I told you to let go, but not only did you not f * cking let go, you even went overboard! This young master must kill you? I’ll make you wish you were dead!”

“I’m tired of throwing grenades!”

Ao Hanxiao immediately circulated his true Yuan and roared, “Little bastard! I’ll only give you three seconds, let go and get lost! Or die on the spot! You do as you see fit!”

These two guys were eyeing covetously and were arrogant and despotic.

Chen Xiaobei, on the other hand, was calm and collected. He continued to hold Xiao moxue in his arms, completely ignoring the threats from Viscount Xuanyuan and ao Hanxiao!

“You’re looking for death!” Lord Xuanyuan and ao Hanxiao were furious and were about to attack.

“The two of you! My master and miss inksnow are in love with each other, they are a match made in heaven!”

Feng Qingyang, the eldest disciple, stood up and said, “moreover, miss inksnow is willing to do so. Who are you to meddle in her business?”

“Eh? Old thing! And who the hell are you? Do you have the right to speak here?” Ao Hanxiao bellowed.

Feng Qingyang puffed out his chest and said, “ I’m Feng Qingyang, the first direct disciple of master Zhufeng from bei Xuan faction!

“What bei Xuan faction? What Zhufeng Zhenren? I’ve never even heard of it!” compared to the Xuanyuan family, you’re not even an ant! Xuanyuan Mingjue said disdainfully. you’re just dust!

“Old man! Did you get kicked in the head by a donkey?”

“You’re already so old, and you’re still acknowledging a little brat as your master?” ao Hanxiao sneered. Join a sect that was as insignificant as dust? He was simply stupid! You tell me! What can he teach you? To teach you how to pick up girls? Hahaha ...”

As soon as he said that, there was a burst of laughter around him.

Indeed, Chen Zhufeng from bei Xuan faction was not very famous in Videha!

Feng Qingyang’s hair and beard were all white, but he was still Chen Zhufeng’s disciple. This was really incomprehensible! It could only be explained by stupidity!

However, Feng Qingyang was still calm and composed even though the crowd was laughing. “My master has countless ultimate skills! I’ve only learned his medical skills and I’ve already benefited for life! Anyone below the heaven realm can be cured!”

“Medical skills?”

“This little brat knows medicine?” ao Hanxiao laughed in disdain. Can he even teach you medical skills? Even a three-year-old child would not believe such a stupid thing! He even benefited for life and cured the world? Aren’t you afraid that you’ll bite your tongue when you brag too much?”

As soon as he said that, the laughter around him became even louder.

After all, in the eyes of ordinary people, a real famous doctor could only be trained after decades or even centuries of dedicated research and repeated practice!

Chen Xiaobei, on the other hand, was still young. How could he be compared to those old Chinese doctors?

“He’s not lying!”

At that moment, the woman who came with Xiao moxue suddenly said, “ I’ve seen Childe Chen’s medical skills with my own eyes. It’s not an exaggeration to say that he’s the best in the world!

“Who the hell are you? Which garlic?” “Don’t think that I won’t punish you just because you’re pretty!” Ao Hanxiao said disdainfully.

“Ao Hanxiao! It’s only been a few years since we last met, but you’ve become much more daring than before!” The woman raised her eyebrows and said coldly, “ Even your father, ao hengkong, has to give in to me! You want to deal with me? Aren’t you afraid that ku Heng Kong will break your legs?”

Chapter 2890: want to eat peaches

There’s always someone better! There’s always someone better!

The woman followed behind Xiao moxue and remained silent. The moment he opened his mouth, he shocked everyone!

“Who is that woman? His looks were off the charts! Her figure is also first-class!”

“Shallow! The most shocking thing was not her appearance, but her identity! She actually dared to call the current Dragon Emperor of the Dragon God Palace by his name! It’s obvious that her identity is even scarier than Xiao moxue’s!”

“The Dragon God Palace is the most powerful of the three major forces in Northern kuruzhou! Only by joining forces with nine nether platform and heavenly Yin Hall could they resist Dragon God Palace! Ao hengkong was so powerful, but he had to give this woman some face! Just thinking about it is enough to make my scalp go numb!”

More and more people gathered around to watch the show, and the discussions and exclamations were endless!

“You woman! Don’t try to play tricks here!”

Xuanyuan Mingjue’s eyes were filled with anger as he shouted, “You? Do you want His Majesty Dragon Emperor to give you some face? What kind of international joke is this? Do you think we are all fools? Do you think we’ll believe whatever you say?”

“If you don’t believe me, you can try to touch me!” The woman’s face was indifferent, and she did not care about the Xuanyuan nobles and ao Hanxiao at all.

“This is the imperial capital of Xuanyuan! This is the Xuanyuan family’s territory! Don’t even talk about touching you! I can even kill you!” Noble Xuanyuan was extremely arrogant. He raised his hand and was about to hit the woman’s face.

“Hold on!” Ao Hanxiao seemed to have discovered an extremely important problem, and she immediately pounced over!

“Pa!!!”

Noble Xuanyuan had always been a local tyrant and was known for his arrogance. This slap was loud and ruthless!

However, it did not land on the woman, but on ao Hanxiao’s face!

argh ... ao Hanxiao cried out in pain. She staggered and fell to the ground!

His fair face instantly swelled up with a bright red palm print! His gorgeous brocade robe was also dirty and wrinkled from the fall!

The 14th Prince of the Dragon God Palace was embarrassed and humiliated!

“Fourteenth Prince! You ... What are you doing?”

Xuanyuan Mingjue was dumbfounded.”I didn’t mean to hit you! You can only blame yourself! Why did he suddenly jump out to take a slap for this woman?

“I ... I ...”

Ao Hanxiao covered her face and said with a frown, ” “I have to stop her ... She ... She’s the number one array genius in our Dragon God Palace! His attainments in formations had reached the peak! Usually, my Imperial father would really give in to her!”

Xuanyuan Mingjue was instantly dumbfounded. He was stunned.”What? She ... She, she, she ... She’s the number one array genius of Dragon God Palace, Princess Jiuling, Qiu Ling ‘er?”

“Yes ... It’s her ...”

Ao Hanxiao nodded and said with a depressed look, ” “A few years ago, her face was completely disfigured, and she locked herself on the nine spirits Island, refusing to see anyone! Now that her appearance has returned to normal, I actually didn’t recognize her just now ...”

“Ao Hanxiao! At least you still have some eyes!” Princess Jiu Ling, Qiu Ling ‘er, smiled and said, ” “If you hurt even half a strand of my hair, I’m afraid you won’t be able to bear the consequences!”

“Sister Princess, please forgive me!”

Ao Hanxiao’s expression changed faster than the flip of a book, and she smiled apologetically. “I really didn’t recognize you just now! Otherwise, I wouldn’t dare to offend you even if I had a hundred guts!”

Qiu Ling 'er said indifferently, "if there's nothing else, then get lost!" I'm just looking at you, it affects my mood!"

"Yes! I'll get lost! Sister Princess! I'll get lost now!" Without another word, ao Hanxiao rolled and crawled away, leaving no trace of the dignity of a Prince!

"I ... I'll also take my leave!" Xuanyuan Mingjue squeezed out an awkward smile, cupped his hands, and ran away.

Even the two elders with extremely high cultivation levels did not dare to say anything else. They chased after Earl Xuanyuan and ao Hanxiao and fled the scene.

Seeing the scene before them, the commoners who were watching the show were so shocked that their pupils contracted and their scalps went numb. They were like a group of frightened chicklings, not even daring to take a deep breath!

Even Chen Xiaobei's five disciples were shocked. They looked at Qiu Ling 'er as if they were looking at a holy being. They did not dare to offend her!

However, even in such a situation, Chen Xiaobei still laughed cynically, "corrupted spirit princess, long time no see!

The tainted spirit princess?

As soon as he said that, everyone was even more shocked!

This was the great Princess Jiuling!

Even the Dragon Emperor ao had to show her some respect! Even mo Xiaoyao, Emperor Qilin, was afraid of her! Even a Prince who saw her was like a mouse seeing a Tiger!

And now, Chen Xiaobei had just called her the tainted spirit princess!

If he had followed Qiu Ling 'er's previous display of power, even if Chen Xiaobei did not die, he would have at least been skinned alive!

However, to everyone's surprise, Qiu Ling 'er did not get angry at all. Instead, she smiled and said, "Childe Chen! Don't make fun of me, it was all a misunderstanding!"

Qiu Ling 'er was very beautiful! She looked even more beautiful when she smiled!

However, it was this beautiful smile that instantly shattered everyone's worldview!

Just a moment ago, Qiu Ling 'er had wanted to break the legs of the fourth prince of Dragon God Palace!

Qiu Ling 'er was not angry at all, even though Chen Xiaobei was teasing her!

The stark contrast between the two of them made everyone reevaluate Qiu Ling 'er and Chen Xiaobei!

From Qiu Ling 'er's attitude, it was clear that Chen Xiaobei's position in her heart was far higher than that of ao Hanxiao! In fact, he was even more powerful than the Dragon Emperor ao Heng!

“Who is that Chen Zhufeng? It was simply insanely cool! Not only could she make Xiao moxue the mistress, but she could also make Qiu Ling ‘er fall in love with her! She’s really giving us men face!”

“Chen Zhufeng is a winner in life! Tianji city’s number one beauty was his second wife! The number one beauty of the Dragon God Palace was probably interested in him! I’m so jealous!”

“Chen Zhufeng! I’ll remember this name! To be able to gain the favor of Xiao moxue and Qiu Ling ‘er, he is definitely not an ordinary person. Sooner or later, he will be earth-shattering!”

All of a sudden, most of the people around him changed their opinion of Chen Xiaobei.

In the beginning, everyone had treated Chen Xiaobei as an ant, disdainful, disdainful, and mocking him!

But now, no one dared to underestimate Chen Xiaobei. They were shocked, envious, and in awe of him!

“There’s still some time before the auction ...” He said.

Chen Xiaobei raised his brows and laughed evilly, “Little wife, is there anything else you want to do? I can go with you!”

“I’m fine! I don’t need your company!” As the crowd dispersed, Xiao moxue immediately pushed Chen Xiaobei away.

Seeing this, Qiu Ling ‘er blinked and said with a smile, “Little sister inksnow, didn’t you say that you wanted to try the latest first love peach on the market? Why are you saying you’re fine?”

“Sister Ling ‘er! You betrayed me!” Xiao moxue stomped her feet in anger.

“You want to eat first love peach?”

“Just follow me!” Chen Xiaobei smiled. I’m very close to the big boss behind the first love peach! You can eat as much as you want!”
