#### Chapter 2901: sky-high price

On the way here, Chen Xiaobei had already prepared the items for the auction. He put them in a storage bracelet and gave them to Xuanyuan guanghong.

Because every item was too precious, it prevented others from interfering.

Xuanyuan guanghong personally took it out from his storage bracelet and displayed it to all the guests.

“Our first item today is a seven-star earth-god spiritual herb! A spirit herb of this level is already extremely rare, and the spirit herb we’re going to auction today is even rarer!”

Xuanyuan guanghong incited the crowd, whetting the appetites of the guests. Then, he waved his hand and took out a Lingzhi that was as bright as a crystal.

There was no need for Xuanyuan guanghong’s detailed introduction. The guests present were all big shots who had seen the world. Naturally, there would be no lack of people who knew what was good. Immediately, exclamations rang out.

“Quickly look! Wasn’t that the legendary seven treasure crystal Zoysia? Although it was a seven-star earth-god medicine, it was as precious as an eight-star earth-god medicine! Normally, you wouldn’t be able to buy it even if you had money!”

“As expected of the Dongsheng Chamber of Commerce! He actually took out the seven treasure crystal Zoysia to auction! It’s simply too awesome!”

“You don’t understand, do you? The Dongsheng merchant Association is only a middleman in charge of the auction. The one who really took out the seven treasure crystal Zoysia is the client behind the scenes!”

“Heavens! Who was the client? He was actually willing to sell such a precious earth-god medicine! If it were me, I would definitely treat the seven treasures Crystal Zoysia as a family heirloom and collect it for generations!”

The crowd at the scene cried out in surprise again and again. While they marveled at the preciousness of the seven treasures Crystal Zoysia, a large number of people naturally developed a strong interest in the seven treasures Crystal Zoysia!

“The starting price for the seven treasures Crystal Zoysia is one billion upper spiritual stones, and each increment must be no less than ten million upper spiritual stones!” Xuanyuan guanghong announced. Let the auction begin!”

“I bid one billion and ten million!”

“One billion and twenty million! I’m determined to get this seven treasure crystal Zoysia!”

“One billion and fifty million! This is what I call determined! Don’t fight with me!”

.....

"I bid 1.8 billion!"

"1.83 billion!"

.....

Very quickly, the scene was boiling. The auction price of the seven treasure crystal Zoysia also began to soar rapidly, directly charging towards two billion!

"I'll bid three billion!"

At this moment, a young man in the front row of the VIP seats suddenly stood up.

This man had an arrogant air about him. He was dressed luxuriously and exuded a faint demonic aura.

Anyone with eyes could see that he was definitely one of the top demon clans in Northern kuruzhou.

With his loud shout, all the guests present were stunned at first, and then they burst into an uproar!

"Oh my God! The last bid was less than 2 billion! The young man bid three billion the moment he stood up! He had increased the bid by one billion! This is crazy!"

"Too overbearing! At this rate, aside from the representatives of the peak forces in the front row and a few wealthy great emperors, no one else can compete with him!"

"That young man is a monster, right? Which of the three major forces of Northern kuruzhou was he a member of? He's actually so rich!"

"You don't even know him? He is the young master of the heavenly Yin Hall, Zhu qiuhe!"

"What? He is Zhu qiuhe? Wasn't Tian Yin Hall wiped out by a 'reclusive Almighty' named Chen Zhufeng? millions of disciples were killed, and the three thousand Peaks in the South of the mountain were flattened. Why does he, Zhu qiuhe, still have the mood to participate in the auction?"

it seems that the losses of heavenly Yin Hall are not as great as the rumors say. A peak power is still a peak power. Even if it is slightly shaken, it is not something that outsiders can underestimate!

"Yup! In the future, when you see people from heavenly Yin Hall, you have to be more careful!"

Obviously, everyone present was a top figure in the earth-god Realm. They were respectable Kings, great emperors, and representatives of the top forces!

They had originally thought that heavenly Yin Hall had suffered a heavy blow and would fall into a low! There were even some people who were already planning to find an opportunity to take advantage of the situation and reap some benefits from the territory of heavenly Yin Hall!

However, at this moment, after personally witnessing Zhu qiuhe's bid, most of the people present realized that heavenly Yin Hall had not fallen. They still possessed extremely strong strength and Foundation. They could not be underestimated, and they could not be offended easily!

"Our ancestor is indeed a divine schemer!"

Zhu qiuhe narrowed his eyes and scanned the entire place. He sneered in his heart.

In the eyes of outsiders, Zhu Qiu Heng Hua's three billion was purely because he was rich and willful, completely unreasonable!

However, in reality, this was the scheme of the Zhu family's ancestor, Zhu Tian Zong!

Zhu Tian Zong wanted to use this auction to show the world the strength and Foundation of the Zhu family. To put it bluntly, he was warning everyone not to think that they could do whatever they wanted just because the heavenly Yin Hall was injured!

At this moment, Zhu tianzong's plan worked!

Zhu qiuheng shocked the world with a single brilliant feat, shocking everyone present!

And the guests at the scene were all first-class big shots in the earth-god Realm! If even they did not dare to offend the heavenly Yin Hall, the other forces would not dare to either!

"The young master of the Zhu family is indeed domineering! Three billion upper spiritual stones. I believe no one here will bid higher!"

Xuanyuan guanghong raised the small hammer in his hand and said, congratulations to the young master of the Zhu family for winning the first item for three billion upper spiritual stones ...

"Wait a moment!"

However, at this moment, dugu zang Xian suddenly spoke!

Her voice was extremely pleasant to hear!

However, coupled with her cold and elegant aura, in addition to the unique pressure of a person of power, that pleasant voice actually revealed a domineering aura!

hiss ... Xuanyuan guanghong sucked in a breath of cold air. His heart shook, and the small hammer that was already in the air was unable to strike down!

"I bid 5 billion!" Immortal dugu zang's eyes narrowed as he exuded a domineering aura!

"Mother! Who was that woman? It was too, too, too, too scary! Zhu qiuheng added one billion, she actually directly added two billion! This is a heaven-defying rhythm!"

"No way! You don't even know her? She's the Holy Lord of the netherworld seal, immortal dugu zang!"

"What? She's immortal dugu zang? How can he be so young?"

"The sacred Lord of the dark seal is high and mighty, and his actions are elusive. It's normal that you don't know about it! However, don't think that she's easy to mess with just because she's young! All of the guests today added together can't even withstand a single slap from her!"

"Provoke her? Are you kidding me? Even if you lend me a hundred million guts, I wouldn't dare to provoke her!"

"But then again, what is she thinking? No matter how rare the seven treasures Crystal Zoysia is, it's still worth more than five billion upper spiritual stones!"

“You don’t understand, do you? Immortal dugu zang’s goal isn’t the seven treasures Crystal Zoysia, but to completely trample on the Zhu family!”

“This is amazing! If these two peak powers were to fight, I’m afraid the seven treasure crystal Zoysia would be sold for a sky-high price!”

“Let’s wait and see! It’s definitely going to be a sky-high price!”

### Red Envelope Group of the Three Realms

#### **Chapter 2902: crazy bidding**

Those with discerning eyes could see that on the surface, Zhu qiuhe and dugu zang Xian were fighting for the seven treasures Crystal Zoysia! But in reality, they were competing for who was better! There were strong and weak!

Zhu tianzong’s plan was to amaze the world with a single brilliant feat at the auction, and make the world not dare to look down on the heavenly Yin Hall.

Immortal dugu zang’s plan was naturally to trample over heavenly Yin Hall! Let the world know that the heavenly Yin Hall was inferior to the nine nether platform!

This way, when nine nether platform started a war with heavenly Yin Hall, the major forces in the earth immortal world would not stand on heavenly Yin Hall’s side even if they did not help nine nether platform!

Because of this, both sides would definitely fight to the death! The seven treasure crystal Zoysia would definitely be auctioned off at a sky-high price!

“Six billion!”

Zhu qiuhe did not even think and continued to increase the price! He couldn’t allow dugu zang to trample over him, or else the world would definitely look down on heavenly Yin Hall and value the nine nether platform! Once the battle started, the scale of victory would lean towards the nine nether platform!

“Eight billion!”

Dugu zang didn’t show any weakness and added another two billion in one go! It was as if he was not adding high-tier spirit stones, but dirt and grass. He did not even blink his eyes!

“This ...”

Zhu qiuhe’s expression froze, and he immediately frowned.

It was not difficult to see that Zhu qiuhe’s goal this time was to get first place and buy the first auction item at a high price to shock the entire place!

The most expensive item would usually be auctioned last. Therefore, the first item would usually not be too expensive!

Because of this, Zhu qiuhe did not bring too many spiritual stones out!

Moreover, dugu zang Xian had raised the bid to eight billion upper spiritual stones, which was already an extremely high price!

This was almost equivalent to the total cash of 80 main city-level forces!

Even if an ordinary Royal city-level power were to use all their resources, it would be difficult to gather so many spiritual stones!

Seeing that Zhu qiuhe was in a difficult position, the guests started to discuss again. As expected, the situation that Zhu qiuhe did not want to see the most appeared.

It seems like the Zhu family really can't make it. They've been trampled on by nine nether platform. If the two families fight, nine nether platform will definitely win!

"Yup! The Zhu family did not have the power to fight back at all! If the two families fight, I will definitely stand on the side of nine nether platform!"

"Nine nether platform will definitely win. Standing on nine nether platform's side will only bring benefits in the future! If we stand on the wrong side and support the heavenly Yin Hall, we can only be buried with the Zhu family in the end!"

This auction was a competition between the two peak forces to see who was stronger!

With immortal dugu zang gaining the upper hand, the leaders of the major forces present all chose to support nine nether platform!

Seeing the scene in front of him, Zhu qiuhe's heart instantly turned cold. He gritted his teeth and steeled his heart. I have an attack-Type seven-star earth-god instrument with me. The price is 10 billion. Are you willing to buy it back? "

"Of course I'm willing!" Xuanyuan guanghong grinned and replied, "The magic treasure in the hands of the Zhu family's young master is naturally a good thing! If we buy it for 10 billion, our Chamber of Commerce won't suffer a loss!"

"That's good!"

"I bid 10 billion!" Zhu qiuhe said in a deep voice.

Without a doubt, Zhu qiuhe was going all out in order to suppress dugu zang Xian!

A seven-star earth-god instrument was a very precious high-level magical equipment in the earth-god Realm. One seven-star earth-god instrument could suppress a main city!

In other words, for this seven treasures Crystal Zoysia, Zhu qiuhe was willing to exchange it with a main city!

This was really, really priceless!

Everyone at the scene instantly cried out in surprise, praising Zhu qiuhe's courage.

However, dugu zang Xian's next words struck everyone in the scene as if they had been struck by lightning, shaking them to the very depths of their souls!

“You, Zhu qiuhe, have six to seven billion in your hands. If you sell a magic treasure, you will at most have 17 billion!”

Immortal dugu zhang smiled indifferently but in an extremely domineering manner, “I bid 18 billion upper spiritual stones! Even if you sell everything you have, don’t even think about fighting with me!”

As soon as he said that, everyone was shocked!

“What the f \* ck! What the f \* ck! As expected of the sacred Lord of the netherworld seal! Zhu qiuhe had just sold a magic treasure at a price of 10 billion! Sacred Lord Netherseal immediately increased the bid by eight billion! Cleanly stomping Zhu qiuhe to death with one foot!”

“Sacred Lord Netherseal is so domineering! Even I, a man, am so excited by her bid! He’s so handsome!”

“It’s more than domineering! The sacred Lord of the dark seal was simply overbearing! Even if Zhu qiuhe sold all his things, he could forget about fighting for the seven treasure crystal Zoya! Just this sentence is enough for me to worship the sacred Lord of the dark seal!”

One had to admit that immortal dugu zhang was truly too domineering! The bid of 18 billion was like a terrifying earthquake, causing a violent shock to the state of mind of everyone present!

Not only were these first-class big shots willing to stand on dugu zhang’s side, but they were even more reverent towards him! More admiration!

“This ...”

Zhu qiuhe’s face turned green in an instant. Originally, he could’ve just spent three billion to show off and make the world not dare to look down on the Zhu family!

But now, not only did Zhu qiuhe fail to complete Zhu Tian Zong’s scheme, he even allowed dugu zhang Xian to gain the limelight and win the hearts of the people!

This was a typical case of not only being pretentious, but also being criticized!

“Zhu qiuhe! Get lost! There’s no place for you here!” Immortal dugu zhang’s voice was calm and pleasant, but every word was like a thunderclap, erupting with unparalleled might and dominance!

“Immortal dugu zhang! Don’t you go too far!” Zhu qiuhe gritted his teeth, and his entire face contorted. He wanted nothing more than to cut dugu zhang Xian into a thousand pieces, grind his bones, and scatter his ashes!

“This is called bullying?”

Immortal dugu zhang’s eyes narrowed and he said solemnly, “If it wasn’t for the face of the Dongsheng Chamber of Commerce, I would have stomped you to death right now!

“Hmph! You b \* tch, why are you acting all high and mighty?” Although Zhu qiuhe’s cultivation was only at the seven-star earth-god level, he was not afraid of dugu zhang at all.

“Others don’t know, but I am very clear about it! Your body is currently in a weakened state, and you only have the power of a one-star earth-god!” “If I really want to fight, I can crush you with one finger!” Zhu qiuhe arrogantly said.

“Is that so?”

“Zhu tianzong is seriously injured, so he must have kept the lunar divine Pearl with him to save his life!” Immortal dugu zang said disdainfully. And you, at most, have an eight-star earth-god instrument in your hands! Even if I don’t have any cultivation, I can easily crush you with a magic treasure!”

It was obvious that dugu zang not only had the universe dark seal but also eight-star and nine-star earth-god instruments.

It was not difficult to deal with Zhu qiuheng!

“Please calm your anger! Please calm down!”

Xuanyuan guanghong saw that the situation wasn’t looking good and quickly tried to persuade him, “This is the imperial capital of Xuanyuan! Once the two of you fight, hundreds of billions of people will be affected! The Xuanyuan family’s ancestor has always been kind, and he will never allow such a thing to happen!”

It was obvious that he was trying to persuade her! It was also a warning!

If dugu zang Xian and Zhu qiuheng didn’t follow the rules, the old ancestor of the Xuanyuan family would definitely interfere!

“Brother guanghong is right!”

Chen Xiaobei grinned and said provocatively, “ Zhu qiuheng, this is an auction. If you have the ability, then increase the price. If you don’t, then get lost. Stop trying to stir up trouble here. If you break the rules of the Xuanyuan family, I’m afraid you won’t be able to leave the imperial capital of Xuanyuan alive.”

“What? I’m stirring up trouble?” Zhu qiuheng heard this and almost fainted from anger.

Dugu zang Xian was the one who was bullying Zhu qiuheng, but after what Chen Xiaobei said, it was all Zhu qiuheng’s fault!

“Cut the crap!”

“If you’re a man, then raise the price!” Chen Xiaobei grinned evilly. If you’re not a man, do you still have the face to stay?”

#### **Chapter 2903: giving up on the auction**

“I ...”

Zhu qiuheng’s expression froze and he almost spat out a mouthful of blood.

For a seven treasures Crystal Zoysia, Zhu qiuheng had already sold a seven-star earth-god instrument. This could already be considered a bloody battle!

Immortal dugu zang’s strength was unparalleled, and Zhu qiuheng was also clear that he couldn’t compete with him. Although he didn’t say it out loud, he was already thinking of retreating in his heart!

But Chen Xiaobei's 'raise the price if you're a man' had pushed Zhu qiuhe into a dilemma!

If he continued to increase the price, he would suffer a huge loss! As long as immortal Dugu Zang didn't give in, this auction would be a bottomless pit!

However, if he didn't increase the bid, he wasn't a man!

Not only would the plan of the Zhu family's ancestor to shock everyone fail, Zhu qiuhe and the entire Zhu family would lose all their face!

At that time, not only would the world not value the Zhu family, they would even look down on the Zhu family!

He couldn't add it, and he couldn't not add it!

Zhu qiuhe's face turned green. He was simply at a loss!

"Young master!"

Right at this moment, Han Zhanying moved closer to Zhu qiuhe's ear and whispered, "Now that things have come to this, we might as well take this opportunity to trick immortal Dugu Zang!"

"Eh? Conning immortal Dugu Zang?" Zhu qiuhe's expression was slightly startled as he asked, "How are we going to trick her?"

Han Zhanying sneered, "Didn't she want to fight with the young lord to the end?" Young master, the higher the price, the better! You gave up at the critical moment and cheated her of tens of billions!"

"Good idea! Although the peak forces are extremely rich, their reserves of spiritual stones are not unlimited!"

Zhu qiuhe's eyes lit up when he heard this. "A peak force usually has around 100 billion upper spiritual stones! If we can swindle Dugu Zang of tens of billions, she will definitely be short of funds when the war starts in the future!"

"Military expenses, weapons, medical supplies, logistics, all of these will cost a lot of spirit stones! Once the war starts, as long as there are problems with these things, the nether platform will definitely be at a disadvantage, and we might even win the opportunity!"

Thinking of this, Zhu qiuhe's tightly furrowed brows instantly relaxed, and a proud smile appeared at the corner of his mouth. It was as if he had already turned the situation around and no longer needed to be in a dilemma!

"In addition to what the young master has said, there's something more important!"

At this moment, Han Zhanying added, "We fought with Dugu Zang Xian until the sky-high price of tens of billions!" Even if we lose in the end, we'll still be able to show off our wealth and Foundation. Not only will it not be too embarrassing, but we'll also be able to complete our ancestor's plan and make the world not dare to look down on us!"

"You're absolutely right!"

Zhu qiuhe praised, "Zhan Ying!" You've really thought of a flawless plan this time! The world only knows that Han Zicheng is smart, but they don't know that you, Han Zhanying, are even more courageous and astute! He's definitely not inferior to Han Zicheng!"

"Hmph! Han Zicheng, that traitor, is not worthy of being mentioned in the same breath as me!" "One day, I'll personally wring off Han Zicheng's head and have the young master kick it around like a ball!" Han Zhanying sneered.

"I believe you! That day will definitely come!" "At that time, I will support you to become the head of the Han family with all my strength!" Zhu qiuhe sneered.

"Many thanks, young master!" Han Zhanying grinned, his face full of confidence. It was as if his plan had succeeded, and he had become the head of the Han family!

"I bid 20 billion!" Zhu qiuhe immediately raised his hand. In any case, it was to scam Dugu Zang Xian, so it was much easier to call out a price.

On the other side, Han Zicheng immediately discovered that something was wrong, and said in a deep voice, "Master! Zhu qiuhe's condition is not right, be careful of a trap!"

Immortal Dugu Zang was also an extremely intelligent person. He sneered indifferently, "Zhu qiuhe is trying to trick me! Why would I fall for his trick? I give up ..."

"Don't!" Suddenly, Chen Xiaobei whispered into Dugu Zang Xian's ear, "Xian er! You have to fight with him! Furthermore, we must fight to the end!"

"Why is that?" Immortal Dugu Zang's expression froze slightly.

Obviously, only the higher-ups of the Dongsheng Chamber of Commerce knew that Chen Xiaobei was the one who had entrusted the auction to them!

The fiercer the fight between Dugu Zang and Zhu qiuhe, the more Chen Xiaobei would earn!

Chen Xiaobei did not want Dugu Zang Xian to give up just like that. He said in a low voice, "He wants to trick you! Why don't you turn the tables on him?"

"Trap him?" Immortal Dugu Zang's expression froze slightly.

"On that day, although I had severely injured Heavenly Yin Hall, I had to leave the scene because I was worried about the magical formation of Heavenly Yin Hall! Heavenly Yin Hall's Foundation and wealth are all intact, and they are still in control!"

Chen Xiaobei continued, "as the saying goes, money can make the devil turn the millstone! As long as they had enough wealth, they could feed enough troops! If you want to go to war with them, you'll face great resistance!"

"But now, you can use this opportunity to set up Heavenly Yin Hall! If they don't have money, you'll have a greater advantage when the war starts in the future!"

Chen Xiaobei did not reveal the fact that he was the mastermind behind the incident, but he used sufficient reason to explain the necessity of setting Zhu qiuhe up.

Right now, the most pressing matter on dugu zang's mind was to start a war with the Zhu family.

Dugu zang Xian quickly made his decision and raised his hand, "I bid 30 billion!"

As soon as he said that, the crowd erupted!

"30 billion! This was crazy! Although the seven treasure crystal Zoysia was rare, it was definitely not worth three billion! The sacred Lord of the dark seal was actually willing to buy it for 30 billion! This is crazy!"

"Yup! 30 billion upper spiritual stones was equivalent to the spiritual Qi of a large spiritual vein! It was equivalent to using a large spirit vein to exchange for a seven treasure crystal Zoysia! This deal is a huge loss for us!"

"The sacred Lord of the netherworld seal is trying his best to crush the Zhu family! This was no longer a business deal, but a contest! If you don't steam mantou, you'll be able to live up to your reputation!"

"It's really domineering to do this, but it's really irrational! The wealth of a top force was about 100 billion upper spiritual stones! Spending a third of his wealth to fight for pride! You can even say that it's a little stupid!"

The surrounding people were all discussing. They were all big shots, so they could see deeper and their hearts were calmer!

Raising the price to 30 billion, in the eyes of those with discerning eyes, this was really too stupid!

What kind of logic was there to risk one's life to fight for a breath of air?

"I bid 60 billion!"

However, just as everyone was discussing, Zhu qiheng did not hesitate to raise the bid by another two times!

Zhu qiheng had made up his mind to scam dugu zang Xian, so he naturally wouldn't be soft-hearted when he raised the price.

Han Zhanying thought he had seen through everything. He sneered, "If everything goes as planned, immortal dugu zang's next bid will be seventy to eighty billion! At that time, the young lord will give up on the auction, and dugu zang Xian will probably be so angry that he will vomit blood!"

"Hehe! Immortal dugu zang was so angry that he vomited blood! Just thinking about it makes me happy!" Zhu qiheng rubbed his hands, his heart already impatient.

However, the next second, Chen Xiaobei said with a smirk, "My Xian 'er gives up on the auction!"

### Red Envelope Group of the Three Realms

#### **Chapter 2904: tricked to death**

"What?"

Zhu qiuhe and Han Zhanying, who had been laughing foolishly a second ago, felt as if they had been struck by lightning. They were dumbstruck like wooden chickens, charred on the outside and tender on the inside!

“What? Give up on the auction?”

On the stage, Xuanyuan Guanghong's expression froze for a moment before he said awkwardly, “Young master Chen, according to the rules, you can't interfere with other people's bidding ... This matter, you still have to ask the Holy leader!”

It was obvious that Chen Xiaobei was the one who was behind this auction!

According to the rules, Chen Xiaobei was not allowed to bid!

Otherwise, if Chen Xiaobei competed with others for every item, he would be cheating!

One should know that the guests of today's auction were all rich men of the Dongsheng Chamber of Commerce!

If Chen Xiaobei tricked them and the truth got out, not only would Chen Xiaobei be in trouble, but the reputation of the Dongsheng Chamber of Commerce would also be completely ruined! From now on, these investors would no longer do business with the Dongsheng Chamber of Commerce. They would even bear a grudge against the Chamber of Commerce!

Because of this, the Dongsheng Chamber of Commerce could only think of ways to help Chen Xiaobei sell for more money, but they would never allow Chen Xiaobei to scam them!

“I understand the rules!” I'm not bidding. I'm just suggesting that my Xian'er give up on the auction and stop raising the price! Chen Xiaobei said.

Everyone knew that if you wanted to scam someone, you had to continue raising the price!

Chen Xiaobei's suggestion was to give up on the auction. This would not go against the rules of the Dongsheng Chamber of Commerce!

“This is possible!”

Xuanyuan Guanghong was very fair. He looked at Dugu Zang Xian and asked, “Sir Holy master, the decision to give up the auction is up to you!”

I ... Dugu Zang Xian was stunned. Chen Xiaobei was the one who asked her to fight to the end, but now he was asking her to give up. Even someone as smart as her could not understand this!

Of course, he couldn't figure it out! In his heart, Dugu Zang was still willing to believe in Chen Xiaobei!

“I give up!” Immortal Dugu Zang said indifferently.

“Alright then!”

Xuanyuan Guanghong nodded his head and announced, “Saint Lord Dugu has given up on the auction. The Zhu family's young master Qiu Heng has successfully bought the seven treasures Crystal Zoyzia for the price of sixty billion upper-grade spirit stones! Congratulations! Congratulations!”

I ... Zhu qiuhe seemed to have been hit by a petrifying spell. His entire body was frozen on the spot!

His pupils shrank, his scalp went numb, and his entire face was twisted. It was as if a hundred million mud horses were roaring past his heart! It was 108000 times more depressing than eating 10 cartloads of hot shit!

‘Congratulations, your sister! You’ve already lost so much sh \* t, and you’re still congratulating me?

“Young lord Qiu Heng! Young lord Qiu Heng! Why are you in a daze?”

“Hurry up and pay!” Xuanyuan guanghong urged. This old man will also give you the seven treasure crystal Zoya! Let’s complete this deal!”

It was as if Zhu qiuhe had gone deaf. He was frozen on the spot and did not have any reaction.

Xuanyuan guanghong waited for a while before saying solemnly, “Young master Qiu Heng should know the rules of the Dong Sheng merchant Association! Those who bid recklessly will have their cultivation base crippled and be blacklisted, never to set foot in the imperial capital of Xuanyuan ever again!”

Originally, Zhu qiuhe’s status was noble. If it was a normal auction, Xuanyuan guanghong might not pursue the matter.

However, the auction today was different! The Dongsheng Chamber of Commerce attached great importance to this! After vigorous publicity, almost the whole world knew about it and everyone’s attention was on it!

However, this was just the beginning of the first auction, and someone was already making a mess of it!

If he didn’t punish them severely, the Dongsheng merchant Association would become the laughingstock of the world and lose all their face!

Because of this, if Zhu qiuhe did not pay the 60 billion upper spiritual stones, Xuanyuan guanghong would definitely cripple him according to the rules!

After all, behind the victorious East Chamber of Commerce were the three major forces of the Videha!

The Dong Sheng merchant Association had lost face, and the three top forces had also lost face!

Even if it was for the dignity and prestige of the three major forces, Xuanyuan guanghong would never allow Zhu qiuhe to break the rules from the start!

“Young master! Young master, please don’t be in a daze!”

Han Zhanying quickly tugged on Zhu qiuhe’s sleeve and anxiously reminded him, “Xuanyuan guanghong is serious! If you don’t go on stage now, the consequences will be unimaginable!”

“Hiss ...”

Zhu qiuhe instantly sucked in a breath of cold air. After regaining his senses, he immediately cursed, “You still have the face to say that! It’s all your tricks! You didn’t trick immortal dugu zang, but you tricked me to death! 60 billion! Two large-scale spirit veins! Where am I going to find so much money?”

young master ... If you really can't do it, you can borrow money from the Dongsheng Chamber of Commerce ...

"Let's get through this first," Han Zhanying said embarrassedly. "Otherwise, your cultivation will be crippled, and you'll lose your position as the young master!" Even if you lose the face of the Zhu family, our ancestors will not continue to invest resources in you. You can only be a cripple for the rest of your life!"

this ... Zhu qiuhe's lower abdomen swelled. He was so scared that he almost peed his pants.

He had caused trouble at the auction and had his cultivation crippled!

To the Zhu family, this was definitely a great humiliation!

Even if one used their toes to think, they would also know that once Zhu qiuhe returned, he would immediately be stripped of his position as young patriarch!

If the Zhu family did not give him any resources, Zhu qiuhe would never be able to recover his cultivation in this lifetime. He would only be a complete cripple!

Thinking of this, Zhu qiuhe's hair stood on end. Cold sweat poured down like rain, pouring down continuously!

"Young master! Stop hesitating!"

Han Zhanying advised, "you take the seven treasure crystal Zoya first!" At least, he was stronger than immortal Dugu Zang! He had also earned enough face for the Zhu family! At least, it wasn't empty-handed! More importantly, you can protect yourself!"

"Right! You're right! At the very least, I have to defeat immortal Dugu Zang!" Zhu qiuhe nodded and immediately ran up the stage.

"Young lord Qiu Heng!" Xuanyuan Guanghong smiled and said, "you don't have enough cash, do you?" Do you want to sell something else? My Dongsheng Chamber of Commerce is very willing to buy it!"

I'm not selling anything anymore ... Zhu qiuhe said in a low voice, "I want a loan! Please lend me 43 billion upper spiritual stones first!"

"Loan?" Xuanyuan Guanghong was slightly disappointed.

After all, a high-rank earth-god instrument was very precious, and it was a great deal to buy it! Xuanyuan Guanghong naturally hoped that Zhu qiuhe would sell his things!

As for the loan, as long as the Zhu family paid back the money, the Dongsheng Chamber of Commerce could only earn interest!

As powerful as the Dongsheng Chamber of Commerce was, spirit stones were the last thing they lacked. This was naturally not what Xuanyuan Guanghong wanted the most!

the loan amount is huge. The interest should be increased accordingly! "I borrowed 43 billion and returned 50 billion," Xuanyuan Guanghong said. The deadline was seven days! After seven days, the interest will be increased by 100 million per day!"

what??? ” When Zhu qiuhe heard this, he almost spat out a mouthful of blood onto the ceiling.

What was usury?

In front of Xuanyuan guanghong, all loan sharks were weak!

Seven days deadline, seven billion in interest!

A billion a day!

If it exceeded seven days, the interest would increase every day!

In this way, in order to get the seven treasures Crystal Zoysia, Zhu qiuhe's minimum spending was equivalent to 67 billion! There could be more!

Just thinking about it made Zhu qiuhe's scalp numb and his heart panic!

This one, loan or not?

### Red Envelope Group of the Three Realms

#### **Chapter 2905: a crushing defeat**

“I can't care so much! For my cultivation! For my young master's position! In order to defeat immortal dugu zang!”

Zhu qiuhe gritted his teeth and hardened his heart. He said solemnly, “I'll borrow this money! Mr. Guanghong, please announce it! I'll follow you to sign the loan contract later!”

“The contract is not important! The Zhu family was also a respectable wealthy family! He definitely wouldn't go back on his word! I wouldn't dare to renege on my debt!” Xuanyuan guanghong smiled indifferently.

Without a doubt, with the Tianji city, the Jade void Palace, and the Xuanyuan family, the three Zhu families would not dare to renege on their debt!

“I declare! The transaction was a success! Everyone, let's give a round of applause. Congratulations to young lord Qiu Heng for taking the first place!” Xuanyuan guanghong handed the seven treasure crystal Zoysia to Zhu qiuhe.

As soon as he said that, the venue naturally erupted into thunderous applause!

“Amazing! The Zhu family did not fall! Sixty billion for the seven treasures Crystal Zoysia, this matter will definitely cause a sensation in the entire earth immortal world!”

that's right ... Although the Zhu family has encountered some trouble, they're still a peak force. They can't be underestimated!

“It seems like I have to reconsider the issue of which side I should side with. Perhaps nine nether platform can't win against heavenly Yin Hall. If I side with the Zhu family, I will have a better opportunity in the future!”

“I'm on the Zhu family's side! Just look at his strong financial resources! Look at this young master who is full of courage! It's not possible now, but the future of the Zhu family is definitely promising!”

In an instant, almost everyone was praising Zhu qiuhe's courage and the Zhu family's wealth!

After all, the truth was right in front of their eyes. Zhu qiuhe had indeed amazed the world with a single brilliant feat and had stepped on dugu zhang Xian!

In everyone's hearts, they would naturally re-evaluate the strength of nine nether platform and heavenly Yin Hall!

Hearing the discussions of the crowd, the depression in Zhu qiuhe's heart was somewhat alleviated!

This was undoubtedly a huge loss, but he had at least won against dugu zhang Xian! At least he had completed the Zhu family's ancestor's plan!

This auction would definitely cause a sensation in the earth-god Realm, and the world would not dare to underestimate the Zhu family!

Once he thought of this, Zhu qiuhe pulled himself together and raised the seven treasure crystal Zoya up high. He arrogantly mocked, "Immortal dugu zhang! What else do you have to say now? You've lost this battle! I'm asking you! Do you accept it?"

Dugu zhang's expression turned slightly unsightly upon hearing this, but he was speechless.

After all, giving up the bid was equivalent to admitting defeat. Under the watchful eyes of the public, there was no way to explain the result of failure!

Qing bao and han Zicheng's expressions were also unsightly. Dugu zhang Xian was the master of the nine nether platform!

The honor and disgrace of dugu zhang Xian were equal to the honor and disgrace of everyone in nine nether platform!

The failure of dugu zhang Xian was equivalent to the failure of everyone in nine nether platform!

Zhu qiuhe was incomparably arrogant at this moment, while dugu zhang Xian was left speechless!

When comparing the two, the world would naturally value the Zhu family more and look down on the nine nether platform!

But! At this moment!

Chen Xiaobei smiled and said, "Who said my Xian 'er lost? The result is clearly your Zhu family's complete defeat!"

"What!"

Zhu qiuhe's expression turned cold and he angrily shouted, "You brat, you're lying! Under the watchful eyes of the crowd, immortal dugu zhang gave up on the auction, and you actually said that my Zhu family has lost? You're ridiculous!"

"Hehe, the fool only looks at the surface, while the wise look at the essence!"

of course not! Chen Xiaobei smiled. in terms of wealth, anyone with eyes can see that nine nether platform will not lose to divine Yin temple! However, in terms of intelligence, my Xian 'er is clearly 10000 times better than you!"

"Intelligence?" Zhu qiheng's expression slightly froze.

"Right! It's a problem of intelligence!"

hehe! Chen Xiaobei laughed evilly. it's just a seven treasure crystal Zoysia! It's only worth two billion at most! You, on the other hand, spent more than thirty times the price to buy it. You're so stupid!"

I ... Zhu qiheng naturally knew that he had suffered a huge loss, but things had already come to this point. He could only brace himself and hold on. "The Zhu family is rich! I'm willing to pay a sky-high price! Is that any of your business?"

"Of course I don't care, but I can still laugh!"

of course not! Chen Xiaobei laughed. a top Force's cash reserve is about 100 billion upper-grade spiritual stones. You've burned half of the Zhu family's wealth for a seven-star earth-god medicine! If the nine nether platform goes to war tomorrow! Your Zhu family will be completely defeated!"

Everyone was shocked by his words!

"This young man is right! Zhu qiheng would have to pay at least 67 billion! More than half of the Zhu family's financial resources would be consumed! Once the war started, cash would be spent like water! If the capital chain breaks, we will lose the war without a doubt!"

"Yup! There were no spirit stones! The soldiers would not risk their lives! Weapons and equipment can not be repaired! Injured soldiers could not be treated! The logistics were unable to be supplied! There's no way we can win a war like this!"

"That's why I say you're all fools! He actually wanted to support the Zhu family? What a joke! But a wise man like me is different! From the beginning to the end, I've always been on the side of nine nether platform!"

"I ... I'm not the fool! I've already seen through everything, and I'm firmly supporting the nine nether platform!"

"I ... I'm also a wise man ..."

Without a doubt, Chen Xiaobei's ability to talk was not a joke! In just a few words, he had made the Zhu family seem worthless and pulled everyone back to the front line of dugu zang!

After all, everyone cared about their reputation!

No one was willing to admit that they were fools who only knew how to look at the surface. Even if they had to pretend to be them, they had to pretend to be wise men who could see through the essence!

In this way, the direction of the battle had completely changed. If this matter were to spread, no one in the world would be a fool and would firmly stand on dugu zang's side!

"This ... This, this, this ..."

Seeing the scene in front of him, Zhu qiuhe's arrogant smile instantly froze. It gradually turned into an expression that was even more uncomfortable than eating poop.

On the other side, dugu zhang, qing bao, and han Zicheng couldn't help but laugh.

Just a second ago, he was still very depressed and embarrassed! In this second, not only did he get rid of his anger, but he also gained a lot of face!

"Young master Chen! You're simply too amazing!" Qing bao gave Chen Xiaobei 3200 likes, and was in awe of him.

"I can't match young master Chen's wisdom!" Han Zicheng praised Chen Xiaobei from the bottom of his heart.

"Zhu qiuhe! What else do you have to say?"

On the other hand, immortal dugu zhang revealed a smile that stunned all living beings and asked teasingly, "Before the war even started, your Zhu family has already been completely defeated! I'm asking you! Are you convinced?"

"Pfft ..."

Zhu qiuhe's depression had already reached the deepest part of his soul. His state of mind could not bear the heavy mental pressure. He actually spat out a mouthful of old blood three Zhang high!

The minimum spending of 67 billion was already a huge loss!

But the result?

Not only did Zhu qiuhe fail to complete Zhu Tian Zong's scheme, but he was also laughed at for being stupid, causing the Zhu family to lose face, and even causing all the major forces in the world to lean towards the nine nether platform!

Obviously, Zhu qiuhe and the Zhu family were not just slapped in the face. They were being stomped on by Chen Xiaobei's foot! Friction! Friction!

Even if Zhu qiuhe used his toes to think, he also knew that when he returned this time, his position of young master would definitely not be guaranteed! He would definitely be severely punished by Zhu tianzong! Even if his cultivation base was not crippled, his legs would definitely be broken!

It's finished! He was completely finished!

"Gah ..."

Zhu qiuhe's mental state collapsed in an instant. His dead fish eyes rolled back and he fell to the ground. He had fainted from anger!

"Trash! You want to fight with this young master?"

Chen Xiaobei chuckled. Let's continue the auction! The good show is yet to come!"

As soon as he said that, everyone was filled with anticipation!

## Red Envelope Group of the Three Realms

### **Chapter 2906: high treason**

Zhu qiuheng himself had 7 billion, he sold a magic treasure for 10 billion, took out a loan of 43 billion, for a total of 60 billion upper spiritual stones!

Later on, this sum of money would be paid by the Dongsheng Chamber of Commerce in advance, and the Dongsheng Chamber of Commerce would contact the Zhu family for the loan. The Zhu family would definitely not be able to renege on this debt no matter how bold they were!

Chen Xiaobei could finally rest easy!

Xuanyuan guanghong didn't have any qualms either!

The auction could naturally continue!

The next item up for auction was the ten precious earth-god items that Chen Xiaobei had collected from the Treasury of the eight fiery ramparts!

Back then, Chen Xiaobei had found a lot of things, but most of them went into beixuan's National Treasury to maintain the normal operations of the firecloud domain!

Chen Xiaobei had only picked out these ten earth-god items!

These items were all seven-star earth-god items. They weren't considered very high, but the main point was that these ten earth-god items were extremely rare, just like the seven treasure crystal Zoysia!

As the saying goes, the rarer something is, the more precious it is!

It was impossible to buy these ten items at the price of a seven-star earth-god item in the market!

However, these ten items didn't trigger a fierce battle like before. They were only sold at normal prices!

Each item started at one billion upper spiritual stones, and the average price was around three billion upper spiritual stones!

In the end, all ten earth-god items were sold, and Chen Xiaobei earned another 30 billion upper-grade spiritual stones!

At this point, the auction had temporarily come to an end and entered the intermission.

The guests at the scene were all idle, and the discussion and exclamations erupted one after another.

"This client behind the scenes is really too awesome! It's only the first half of the auction, but the total amount has already reached 90 billion upper spiritual stones!"

if we include the second half, the wealth of this client will definitely exceed the cash reserve of a peak force!

"How can one peak power be enough? All the valuable items will be auctioned in the second half! There were still two final treasures! I estimate that this client's final wealth will exceed the sum of two or three major forces!"

"I'm so curious! Who was this client? Are you going to become the richest man in the earth-god Realm overnight?"

At the scene, almost everyone was amazed and racked their brains to guess the identity of the client behind the scenes.

In the VIP seats, the same topic was also being discussed!

brother Zicheng, you're so smart. Can you guess who the client is? " Qing bao blinked her big watery eyes and asked curiously.

Xiao moxue and Qiu Ling 'er's curiosity had long been piqued, and they looked at han Zicheng with eager eyes.

I can't guess ... han Zicheng shook his head, and said, " in order to protect the client's safety, the Dongsheng Chamber of Commerce has always kept the identity of the client strictly confidential. There are no clues at all!

"Master, do you know who that person is?" Qing bao pouted and looked at dugu zang Xian.

"There are two possibilities ..."

Dugu zang Xian thought for a moment and said,"the first is the Blood Moon Swordmaster!" This person was the ancient devil cult's chief Cult Master! The second was Shen Gongbao, who was said to be a genuine immortal from heaven! In the entire earth-god Realm, there are probably only two people who can take out so many precious resources to auction!"

that's amazing ... qing Bao's eyes were full of stars."Tonight's auction will definitely make the client rich overnight! In terms of cash, I'm afraid that even the three peak forces combined can't compare to him!"

yes ... Qiu Ling 'er sighed. if this person is the Blood Moon Swordmaster, I'm afraid that the bloody storm in the earth-god World is not far away!

"I've heard a lot about 'exalted immortal Shen' recently!" Xiao moxue frowned. This guy wasn't a good person either! The world won't be at peace with the massive amount of spirit stones in his hands!"

As soon as he said this, the four women couldn't help but frown and nod.

In their eyes, the clients of this auction, be it Shen Gongbao or the Blood Moon Swordmaster, would not use the huge amount of spirit stones earned from the auction on the righteous path!

Shen Gongbao or the Blood Moon sword owner would definitely stir up trouble in the earth-god Realm!

"Childe Chen, why do you keep smiling and not saying anything?"

At this moment, it was han Zicheng who was more attentive and asked curiously, " "Could it be that you know who the client is, young master Chen?"

"I do know!" Chen Xiaobei smiled. He's not Shen Gongbao or the Blood Moon Swordmaster!"

"Young master Chen! You know about it?" Qing bao was instantly excited. tell me quickly! Who's the client? " I really admire him!"

Chen Xiaobei shrugged and smiled. "What's there to worship? It's not that much money!"

not much money???"

Everyone was dumbfounded.

"Young master Chen! Your tone is too arrogant!" The green Treasure God pouted and said, "The total transaction amount of tonight's auction is probably the sum of two or three top forces' cash! How can you call this not a lot?"

"Little sister qing bao! Don't believe the nonsense of this bad guy!"

Xiao moxue retorted mercilessly, "He's a typical pretentious d\*ck! He had never seen so many high-tier spirit stones in his life! You still have the nerve to say not much? His skin is really as thick as a city wall, and he can't be shaken by lightning!"

Qiu Ling 'er smiled and did not say anything. However, it was not hard to tell from her expression that she also thought that Chen Xiaobei was just acting cool.

Dugu zang and han Zicheng, on the other hand, were stunned. Although they did not say anything, they believed Chen Xiaobei to a certain extent!

Even though Chen Xiaobei was indeed a pretentious prick! However, dugu zang and han Zicheng were smart people! They knew Chen Xiaobei's personality very well!

As long as Chen Xiaobei said something, no matter how unbelievable it was, it would become a reality!

"Hmph! This little bastard is really funny!"

At this moment, a sarcastic sneer came from the guest table next to them. "No one in the earth-god Realm would think that this huge amount of wealth is too little! He was just a poor guy, and he actually said it wasn't much? What a joke!"

He looked towards the source of the voice and saw that it was the 17th young master of the Xuanyuan family, Xuanyuan noble!

On the side, ao Hanxiao, the fourteenth Prince of the Dragon God Palace, sneered and said, "This little pauper is just a pretty boy who was living off Qiu Ling 'er! Now, he was living off immortal dugu zang! Lying on top of a woman and acting cool, it's really a shame to us men!"

The moment Chen Xiaobei had entered the city, ao Hanxiao and Xuanyuan Mingjue had become enemies with each other!

Now that they had the chance, they were going to mock Chen Xiaobei.

"Ao Hanxiao! Who gave you the guts? How dare he mock young master Chen! Do you think I don't exist?" Qiu Ling 'er's pretty face turned cold as she asked.

After all, Qiu Ling 'er was the princess Jiuling of the Dragon God Palace! The number one formation genius!

Even the Dragon Emperor ao Heng had to give in to Qiu Ling 'er!

Ao Hanxiao had run away because she was afraid of Qiu Ling 'er!

However, ao Hanxiao's expression changed immediately!

"Hmph! Qiu Ling 'er! Do you think I'll be afraid of you?"

"You betrayed the Dragon God Palace!" Ao Hanxiao sneered. I've already confirmed with my father that you're guilty of treason! If you know what's good for you, kneel down immediately! Otherwise, we will kill you without mercy!"

As soon as she said that, an old man beside ao Hanxiao stood up and glared at Qiu Ling 'er.

treason?! Qiu Ling 'er was stunned and surprised.

### Red Envelope Group of the Three Realms

#### **Chapter 2907**

2907 I'll accept you

"Ao Hanxiao! Did you take the wrong medicine?"

Qiu Ling 'er was very surprised and asked angrily, "I'm perfectly fine, how did I commit treason? Did you get your head kicked by a donkey? Are you talking in your sleep?"

"Hmph!"

Ao Hanxiao snorted coldly and said, "Dragon God Palace and nine nether platform are enemies! Don't you know that? You're actually hanging out with dugu zang Xian! If this isn't treason, what is it?"

"You're crazy!"

Qiu Ling 'er said seriously, "I've only been traveling with the sacred Lord of the dark seal. I've never said anything bad to the Dragon God Palace! I've never done anything to betray the Dragon God Palace!"

"Hmph! I won't believe you without any evidence!" if you really have a clear conscience, then kneel down and accept your arrest. When you return to the Dragon God Palace, my father will naturally prove your innocence! ao Hanxiao sneered.

"Impossible!"

Qiu Ling 'er's eyes narrowed, and she said seriously, "I, Qiu Ling 'er, have no father or mother, and I will only kneel before mother Nuwa in this life! Even if ao hengkong was here, I would never kneel!"

"Traitor! Everyone saw it with their own eyes! Qiu Ling 'er has betrayed the Dragon God Palace! From now on, Qiu Ling 'er is the enemy of the Dragon God Palace!" Ao Hanxiao shouted loudly, allowing everyone to hear his words.

All of a sudden, the crowd began to talk, pointing at Qiu Ling 'er and gossiping.

"I, Qiu Ling 'er, have a clear conscience! Ao Hanxiao, you're trying to frame me, and I'll never admit to my crimes! Don't even think about bullying me, even if I have to die!" Qiu Ling 'er was gentle and quiet in front of Chen Xiaobei, but she was extremely strong in front of others.

“Old shark! I’ll have to trouble you to go and capture that traitor!” Ao Hanxiao laughed coldly.

“Yes, sir!” The old man beside him cupped his hands and walked over.

Although ao Hanxiao was the Prince of the Dragon God Palace and had enjoyed countless resources since birth, his cultivation base was not high!

On the other hand, elder Sha was extremely powerful. He was a mid-stage eight-star earth-god, only slightly weaker than the great emperor! It was enough to crush Qiu Ling ‘er, who was a seven-star earth-god!

Qiu Ling ‘er’s face was livid, and an ominous premonition had shrouded her!

“Young lady Qiu!”

At this time, dugu zang Xian said indifferently, “ the Dragon God Palace has gone too far. Why don’t you just make the best of it and really join my nine nether platform?! I promise to give you an even more respected position! I’m even willing to call you my sister! Whoever dares to bully you will be bullying me! I’ll definitely execute his entire family to vent your anger!”

As soon as he said that, before Qiu Ling ‘er could say anything, elder Sha’s footsteps stiffened, and he didn’t dare to come over again.

If Qiu Ling ‘er had really entered the nine nether platform, even a hundred elders would not dare to come and capture her.

“Qiu Ling ‘er! Do you really want to be a traitor?” Ao Hanxiao shouted.

“I can’t stay in this Dragon God Palace anymore!” Qiu Ling ‘er’s brows were tightly furrowed. She knew very well that if she were to be captured and brought back to the Dragon God Palace for treason, even if the Dragon Emperor ao didn’t kill her, he would definitely put her under house arrest!

By then, she would be reduced from the high and mighty Princess Jiuling to a lowly slave!

Upon hearing this, dugu zang’s beautiful eyes immediately revealed a look of joy that he couldn’t hide even if he wanted to!

One had to know that a formation genius like Qiu Ling ‘er was extremely rare and a top talent! In fact, they were even rarer than alchemists and artifact refiners!

Although Qiu Ling ‘er was young, she was already the number one array genius of Dragon God Palace!

Even in the entire earth-god Realm, there were only three or four old monsters who were slightly stronger than Qiu Ling ‘er!

If they had to rank, Qiu Ling ‘er’s attainments in magical formations could at least be ranked in the top five in the earth-god Realm!

To be able to obtain such a talent, it was definitely a huge joyous occasion for nine nether platform! Even someone as powerful as dugu zang could not ask for more! He couldn’t wait!

“Traitor! You damn traitor!”

“Qiu Ling ‘er!” Ao Hanxiao roared. Don’t tell me that you’ve forgotten the kindness of the Qiu family to the ancestors of my Dragon God Palace? Without the protection of my Dragon God Palace’s ancestors, your Qiu family would have been exterminated tens of millions of years ago!”

“Yes! The Qiu family was indeed indebted to the ancestors of the Dragon God Palace! But my Qiu family has served you for tens of millions of years! I’ve already repaid your kindness!”

Qiu Ling ‘er said seriously, “ I won’t go back to Dragon God Palace with you today. That’s equivalent to suicide! However, I can guarantee that I will never join the nine nether platform, which is the enemy of Dragon God Palace!”

As soon as these words were spoken, the smile in dugu zang’s eyes instantly disappeared! What replaced it was deep disappointment!

However, the decision made by Qiu Ling ‘er made dugu zang Xian think more highly of her!

Qiu Ling ‘er refused to enter the nine nether platform, which was a show of gratitude! He valued relationships and loyalty!

For a woman to be able to do this, she had already done her best for the Dragon God Palace! Even if the news were to spread all over the world, no one would blame Qiu Ling ‘er!

If the Dragon God Palace continued to force them, the world would probably turn around and scold them for being heartless and bullying others!

“Sir Holy master, I hope you can understand my difficulties!” Qiuling ‘er looked at dugu zang Xian apologetically.

“Of course I understand! Your choice has no regrets, no regrets for the Qiu family’s ancestors!” Dugu zang then asked, “ If you don’t vote for my nine nether platform, what are your plans for the future?”

As soon as he said that, almost everyone at the scene perked up their ears!

Every respectable King, every great emperor, and even every representative of the peak forces were looking forward to it!

He hoped that he could get Qiu Ling ‘er’s favor and recruit this top talent under his command!

However, the next moment, Qiu Ling ‘er’s words almost shocked everyone! He even started to doubt his life!

“I’m planning to ...”

Qiu Ling ‘er turned to Chen Xiaobei and said, “ If Childe Zhufeng doesn’t mind, I’d like to join bei Xuan faction!

“What? Join bei Xuan faction? What kind of sect was that? I’ve never even heard of it!”

“Is Princess Jiuling crazy? He was actually afraid of being despised after joining such a small broken sect? How is this possible?”

“Princess Jiuling! Any one of us here can easily crush that shit bei Xuan faction! And I promise I won’t despise you!”

“Join my capital! Not only do I not despise you! They’ll even worship you like a Bodhisattva!”

“Come and join my imperial capital! I’ll treat you like my great-grandmother!”

“Come to my place ... Come to my place ...”

All of a sudden, the respectable Kings, great emperors, and representatives of the peak forces were all excited and shouted as if they were on steroids. They were so scared that they almost started a fight!

Unfortunately, Qiu Ling ‘er was not moved at all. She just looked at Chen Xiaobei quietly, her heart and mind unwavered!

Finally, under the envious and jealous gazes of countless people, Chen Xiaobei shrugged and said, “Since you’re so sincere in your request, I’ll accept you!”

As soon as he said that, the crowd exploded!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2908: powerful bet**

So many respectable Kings, great emperors, and representatives of the peak forces were all fighting to recruit Qiu Ling ‘er!

Some of them even declared that they would worship Qiu Ling ‘er like a Bodhisattva and treat her like a great-grandmother, regardless of their status and face!

However, Qiu Ling ‘er did not even look at them. Instead, she asked to join bei Xuan faction. She was worried that Chen Xiaobei would not want her!

The contrast between the former and the latter clearly showed that, in Qiu Ling ‘er’s heart, Chen Xiaobei’s bei Xuan faction had already surpassed all the other top forces! Chen Xiaobei’s actual body was even stronger than any of the top overlords!

All of a sudden, those people who had mocked bei Xuan faction and Chen Xiaobei for being a nobody were slapped in the face!

Of course, an ordinary man was innocent, but he was guilty of possessing a treasure!

Chen Xiaobei had accepted Qiu Ling ‘er as his disciple. Although he had gained a top talent and humiliated everyone, from this moment on, there would be many people who would hate Chen Xiaobei and Bei Xuan!

As the saying goes, misfortune and fortune depend on each other, and there are gains and losses!

Qiu Ling ‘er was not afraid that Chen Xiaobei would dislike her, but she was afraid that Chen Xiaobei would dislike the trouble that she would bring!

Of course, since Chen Xiaobei had agreed to it, Qiu Ling 'er would be a member of bei Xuan faction from now on. No matter what trouble Qiu Ling' er brought to him, Chen Xiaobei was willing to support her and share her happiness and misfortune!

"Many thanks, young master Chen ... Oh no! Thank you for taking me in, sect master!" Qiu Ling 'er cupped her hands, and the worry on her face gradually disappeared, replaced by a relaxed smile.

"Qiu Ling 'er! Is there a hole in your brain?" "Leave the Dragon God Palace, the number one force in Luzhou, Northern Kuru, and join a useless sect that I've never even heard of!" Ao Hanxiao said disdainfully. You're so stupid!"

the Dragon God Palace is indeed powerful. However, it won't be long before it is surpassed by the bei Xuan faction! "If you don't believe me, just wait and see," Qiu Ling 'er said indifferently.

"What? The bei Xuan faction had surpassed the Dragon God Palace? Hahahaha ... This is the stupidest joke I've ever heard in my life!"

Ao Hanxiao laughed out loud,"wealth!" Resources! Connections! A talent! Territory! A believer! An array! A magic treasure! Battle formation! Let bei Xuan faction choose whatever they want. As long as one of them can defeat my Dragon God Palace, I'll lose my head to you and kick it around like a ball!"

As soon as he said that, the crowd immediately burst into laughter and ridicule!

"It's so funny! Bei Xuan faction wanted to compete with Dragon God Palace? This was simply an egg hitting a rock! Oh no! It's like an ant trying to shake a tree!"

"You're overestimating yourself! He didn't know when to retreat! He didn't know the immensity of heaven and earth! Bei Xuan faction was nothing but an ant in front of Dragon God Palace! He was simply trash! It's dust!"

"I really didn't expect this! How could the genius Qiu Ling 'er have such a childish idea! The bei Xuan faction had surpassed the Dragon God Palace? Hahaha ... I'm dying of laughter ..."

Without a doubt, almost all the guests present had the same thought!

In their eyes, bei Xuan faction was a nobody, not to mention the three religions and Nine Schools of Thought, they were simply a nobody!

Comparing bei Xuan faction to the most powerful faction in Northern kuruzhou was like comparing sand to the sun and moon. There was no comparison at all!

Qiu Ling 'er's words naturally became a funny and childish joke when they fell into the ears of the crowd!

For a moment, except for dugu zang Xian and a few others, everyone on the scene laughed. Even Xuanyuan guanghong couldn't help but reveal a mocking smile!

"I ..."

Qiu Ling 'er frowned slightly. Facing the ridicule of the crowd, she could only force herself to explain, "I'm talking about the future, not the present!"

Although Qiu Ling 'er was full of confidence in bei Xuan faction, and even believed that bei Xuan faction's future was limitless!

However, judging from the current situation, Qiu Ling 'er herself also believed that there was nothing in bei Xuan faction that could compare with the domain Dragon divine Palace!

Because of this, Qiu Ling 'er could only force herself to explain, but she couldn't make any effective counterattack!

"Future? How long would it take? Could it be that you're talking about the next life? Hahaha ..."

I'm not trying to act cool, " ao Hanxiao said disdainfully. a mere bei Xuan faction? even if it's the next, next, next life! Don't even think about winning against my Dragon God Palace in any way!"

As soon as he said that, the laughter at the scene became even more unrestrained!

Qiu Ling 'er was even more speechless!

After all, it was impossible for Qiu Ling 'er to tell him the exact time when bei Xuan sect would surpass Dragon God Palace! Naturally, he could not refute ao Hanxiao's words!

"There's no need for the next next next next next life!"

Suddenly, Chen Xiaobei raised his eyebrows and mimicked the tone of ao Hanxiao, " I'm not trying to act cool. In terms of financial resources, I can beat the Dragon God Palace as long as the second half of the auction is over!

"What? You want to compete with our Dragon God Palace in wealth?"

Hearing this, ao Hanxiao's face lit up with joy, " "I'm afraid you don't know! My Dragon God Palace is the strongest and richest peak force in Northern kulu's Luzhou! Even a strand of leg hair I pull out is thicker than your waist! Competing in wealth? Are you retarded?"

"Zhufeng ..."

Immortal dugu zang lowered his voice and reminded, " "The Dragon God Palace is indeed rich! His cash reserves were about 20 million upper spiritual stones! Only the combined forces of my nine nether platform and the Zhu family's heavenly Yin Hall can compare! I'm the only one supporting you now, and you can't compete with the Dragon God Palace!"

"Be careful! I don't need your support!" "Ao Hanxiao!" Chen Xiaobei laughed. Do you still mean what you just said?"

"What did he say?" Ao Hanxiao asked.

you said it yourself! Chen Xiaobei said. if bei Xuan faction wins Dragon God Palace in any way, you will lose your head to me and kick it like a ball!

"It counts! Of course it counts!" Ao Hanxiao was extremely arrogant, and did not think that he would lose. but, if you can't defeat my Dragon God Palace, are you going to lose your head to me too? "

“Sure!” alright! Chen Xiaobei raised his eyebrows and said, “ everyone here can be my witness! Our bet is now valid! After the auction ends, the winner will be decided by wealth!”

As soon as he said that, everyone at the scene naturally wanted to watch the fun and expressed their willingness to testify!

On the other hand, Xuanyuan guanghong reminded him in a low voice, “Young master Chen! Your bet is really too big ... I’m afraid that there won’t be a fierce battle like the seven treasure crystal Zoysia in the second half of the auction! You have to think twice!”

It was obvious that Xuanyuan guanghong was worried that the second half’s turnover would not be as high as the first half’s 90 billion!

That way, Chen Xiaobei would not be able to beat the 200 billion cash reserves of the Dragon God Palace even if he added up the total amount of transactions from the first half of the game!

After all, Xuanyuan guanghong still wanted to protect Chen Xiaobei.

But Chen Xiaobei did not care. He smiled and said, “ “Don’t worry, brother guanghong. I won’t lose this bet!”

#### **Chapter 2909: a good show**

“Alright then ...”

Xuanyuan guanghong could not say anything when Chen Xiaobei insisted on setting up the bet. However, he still looked worried.

One must know that Dragon God Palace was a monster clan power, and the monster clan had absolute devotion to their faith!

For example, the Dragon God Palace, from the Dragon Emperor ao hengkong to the commoners of the 30000 countries in its territory, were all loyal followers of the ancestral Dragon Hong Huang!

Once the bet was established, one could not go back on their word. Otherwise, it would be blasphemy against the ‘primitive Dragon’!

With so many witnesses, if Chen Xiaobei lost, even the Dongsheng Chamber of Commerce would not be able to defend him!

First of all, Chen Xiaobei had lost the bet, so it was only right for him to accept his loss!

Secondly, even a force as strong as the Dong Sheng merchant Association would not dare to blaspheme the ancestor Dragon of the wilderness. Otherwise, it would be a declaration of war against all the demon clans in the territory of the Dragon God Palace!

Those loyal followers valued their faith more than their lives! Even if the Dong Sheng merchant Association blasphemed against the ancestor Dragon, they wouldn’t have the slightest fear! Even if he had to risk his life, he had to make the Dongsheng Chamber of Commerce pay a painful price!

Because of that, once the bet was set, the Dongsheng Chamber of Commerce would not interfere anymore. Whether Chen Xiaobei won or lost, it would all be up to him!

“Alright! I believe everyone has rested enough! Next, we will continue the second half of the auction!”

Xuanyuan guanghong took out an earth-god item from his storage bracelet and began to explain it in detail.

After the introduction, those who were interested began to bid!

In the end, the starting price of this earth-god item soared from 100 million upper-grade spirit stones to 300 million, and the hammer fell smoothly!

In the following period of time, Xuanyuan guanghong took out more than a hundred earth-god items and earth-god instruments!

Chen Xiaobei had found all of these in the Treasury of huoyun Kingdom!

Other than the nether Tiger’s Claw bone and the sky Dragon’s Holy garment box, the rest of the items were useless to Chen Xiaobei! However, because these items were rare and precious, they were all brought here to be auctioned!

Among them, the five and six-star earth-god instruments were sold for 10 billion upper spiritual stones!

Five to seven-star earth-god items were sold for five billion upper-grade spiritual stones!

The auction was actually coming to an end!

And the total transaction amount of the auction was only 105 billion upper spiritual stones, which was far less than the cash reserve of the Dragon God Palace!

Chen Xiaobei, on the other hand, only had 150 million superior-grade spiritual stones left after his last cultivation!

All of them added together was still far from enough!

“Everyone! Everyone, please calm down!”

At this moment, Xuanyuan guanghong said in a deep voice, “The next item up for auction is two earth-god instruments! These two earth-god instruments are the most precious items that our Dong Sheng Chamber of Commerce has ever auctioned! It’s also the grand finale of today’s auction!”

As soon as he said that, everyone went silent. They opened their eyes wide and pricked up their ears, focusing all their attention on the auction stage!

At this moment, dugu zang Xian quickly lowered his voice and said, Zhufeng, you should disguise yourself and run away while no one is looking ...

“Escape? Why should I run?” Chen Xiaobei retorted.

“Once the last two earth-god instruments are sold, the auction will be over! When that time comes, ao Hanxiao will definitely not let you off!”

“The people in the Dragon God Palace’s territory are almost all loyal followers of the ancestral Dragon,” dugu zang Xian said with a frown. Even I don’t dare to blaspheme the ancestor Dragon! Otherwise, those die-hard believers would attack nine nether platform without any regard for their lives! This will cause me to lose the best opportunity to attack heavenly Yin Hall!”

“You’re thinking too much!” don’t worry! Chen Xiaobei chuckled. just focus on the auction. I have a way to win against the Dragon God Palace!

how ... How is this possible?! Dugu zang Xian was stunned. He could not figure out how Chen Xiaobei was going to win!

Dugu zang had even made a bold guess in his heart!

She had guessed that Chen Xiaobei was the one who had entrusted the auction to her!

But! Even if that was the case! There were only two items left. As the client, Chen Xiaobei could not possibly turn the tables and attack Dragon God Palace!

The previous transaction amount had reached 105 billion, which was more than the Dragon God Palace. The last two earth-god instruments would have to be sold for at least 100 billion!

As everyone knew, the market price of an early seven-star earth-god instrument was 10 billion upper-grade spiritual stones!

And it was almost impossible for anyone to auction an earth-god instrument that was beyond the early stage of seven-star!

The two earth-god instruments were going to be sold for more than 100 billion! That was simply a fantasy that no one would believe!

At the thought of this, immortal dugu zang was extremely worried!

Naturally, qing bao and han Zicheng also looked worried and uneasy!

sect master ... It’s all my fault ... Qiu Ling ‘er blamed herself. I’m the one who brought you death!

“Idiot!”

I’m the one who set up the bet. How could you be the one who started it? ” Chen Xiaobei smiled. Moreover, even if you did, it’s not a disaster, but a huge business opportunity!”

“Business opportunity? What business opportunity?” Qiu Ling ‘er’s face was filled with confusion. She could not guess what Chen Xiaobei was thinking.

Even Xiao moxue, who had always hated Chen Xiaobei, could not help but say, ” “Bad guy! You’re already at death’s door, can’t you just stop acting tough?”

“Yo! Little wife, are you showing concern for me?” Chen Xiaobei laughed.

Xiao moxue pursed her lips and said, ” “Although you’re despicable, you’ve protected sister Ling ‘er! I’m willing to help you once!”

“You’re willing to help me?” Chen Xiaobei’s brows twitched, and his dark eyes glowed with an evil light.

Originally, Chen Xiaobei had his own plan, but if Xiao moxue was willing to help, Chen Xiaobei would be able to dig a huge hole in his plan! He could directly kill all his enemies!

I have a human skin mask here, " Xiao moxue said in a low voice. put it on when no one is looking and then run away! As long as you're fast, I'm sure no one will find out!"

"No, no, no!"

Chen Xiaobei shook his head and grinned. "I don't want your human skin mask, and I won't run away! I just want you to put on a good show for me!"

"A good show?" you ... Xiao moxue's expression changed. how do you want me to act? "

Chen Xiaobei raised his eyebrows and whispered something into Xiao moxue's ear.

Hearing this, Xiao moxue's expression became complicated. Her beautiful eyes gradually fell into a daze and revealed a deep shock!

After Chen Xiaobei finished, Xiao moxue took a while to calm herself down before she said, " "Chen Zhufeng, you're so bad!"

Chen Xiaobei grinned and said, " "Women don't like bad men!"

#### **Chapter 2910**

2910 Almost burst out laughing

"Clang! Clang!"

With a thought, Xuanyuan guanghong took out two sabers, one green and one purple.

Although the two sabers were different in color, their appearance was extremely similar. They were clearly a pair!

Moreover, the murderous aura emitted by the two sabers was the same, extremely strong and terrifying!

That's right! These were the two mid-tier seven-star earth-god instruments that Chen Xiaobei had obtained when he broke through to the Golden elixir realm and opened the sixth floor of the limitless nine-floor Pagoda!

In fact, these two blades were treasures of the limitless demon clan and were extremely rare in the earth celestial realm!

The respectable Kings and great emperors present had never even seen it before, and they immediately burst out in shock!

"What a terrifying killing intent! These two blades were probably seven-star earth-god instruments! This is a treasure that can suppress an entire main city!"

I can feel that the killing intent is far stronger than an ordinary seven-star earth-god instrument. I'm afraid it has reached the middle stage!

“Right! It must be a mid-stage seven-star earth-god instrument! Furthermore, I can vaguely sense a wild demonic nature! I’m afraid his abilities are also extremely powerful!”

“This is really good stuff! He really couldn’t understand! How could someone sell an existence of this level? Is he so short of money that he’s gone crazy?”

“That’s right ... A spiritual treasure of this level is enough to build two main cities with a population of 1.5 billion! Even the peak powers would be reluctant to sell it!”

not only are the top forces reluctant to sell such a treasure, but they will also fight for it!

“That’s right! This wasn’t just a fight for talismans, it was a fight for territory! Fighting for believers! If these two sabers are thrown into the pugilistic world, they will definitely cause a storm of blood!”

“In the pugilistic world, it will cause a storm of blood! The auction house would definitely be filled with fierce battles! This is going to be a good show!”

The crowd was extremely excited. Although most people were destined not to be able to afford these two battle swords, being able to witness an unprecedented epic battle of money was also a great joy in life!

“It seems that I don’t need to make any more introductions! Everyone can already see the quality and value of these two Battle Blades!”

Xuanyuan guanghong said in a deep voice, “I hereby announce that this pair of ‘azulet demonic daggers’ will be auctioned at the same time. The starting price is 60 billion upper-grade spirit stones!” Each bid must be no less than 600 million upper spiritual stones! The bidding officially begins!”

“60.6 billion!”

The next moment, Xiao moxue was the first one to stand up and bid loudly!

As soon as he said that, almost all the eyes in the front row of the VIP seats were focused on him!

In fact, at the price of 60 billion, other than the representatives of the peak forces in the VIP seats, the other respectable Kings and great emperors no longer had the ability to bid. They could only watch from the side!

Ao Hanxiao, the 14th Prince of the Dragon God Palace, and the Xuanyuan family’s noble Xuanyuan were in the VIP seats. They were all Xiao moxue’s loyal suitors!

When they heard Xiao moxue’s bid, the two of them looked as if they had been injected with chicken blood. Their faces were filled with fanatical expressions!

“Inksnow! Do you want these two blades? I’ll buy it for you!” “I bid 62 billion!” Ao Hanxiao said impatiently.

“I bid 63 billion!”

Noble Xuanyuan did not show any weakness, “Inksnow! I’ll definitely buy this pair of ‘azulet demon daggers’! One for you, one for me! Let’s be a pair and fly together!”

I ... I don't want you to buy it ... Xiao moxue pursed her red lips. Her delicate appearance was so pitiful!

In the eyes of others, Xiao moxue was the first to bid, and she had bet almost all of the Xiao family's cash reserves!

This was enough to show that Xiao moxue really wanted to buy the pair of 'purple and green demonic daggers'!

Both ao Hanxiao and Xuanyuan Mingjue had noticed this detail.

Since it was something Xiao moxue wanted so badly, as long as they could buy it, they could please Xiao moxue and even win her heart directly!

Thinking of this, ao Hanxiao and Xuanyuan Mingjue could not remain calm!

"Inksnow! Don't try to be brave!"

Ao Hanxiao raised her chin and said proudly, " "Although your Xiao family is a first-rate power at the level of a great emperor, I'm afraid you can't continue to bid even if you add up all your cash! Just let me be your support! 64 billion!"

"65 billion!" "Ao Hanxiao!" Xuanyuan Mingjue sneered. Although we're brothers, for inksnow's sake, I'll definitely not let you win! In terms of wealth, the Xuanyuan family will never lose to the Dragon God Palace!"

"66 billion!" "The Xuanyuan family's wealth is indeed impressive!" Ao Hanxiao said proudly. However, you, the seventeenth young master, are not favored! I don't think old ancestor Xuanyuan would spend so many spirit stones on you!"

"I don't like what you're saying!" Xuanyuan Mingjue was a little unhappy and said seriously, " "This is the imperial capital of Xuanyuan! Even if I'm not favored! He would not lose to an outsider in his own territory! 68 billion!"

"Seventy billion!"

Ao Hanxiao did not hesitate, " "My Dragon God Palace has a lot of spiritual stones! The main point is that my Imperial father dotes on me very much! Spending 70 billion to marry me a perfect wife, that's simply worth it!"

There was no doubt that so many top young masters in the earth immortal world were pursuing Xiao moxue, not only because of her beauty, but also because of her family background at the level of an Emperor. Moreover, she was extremely talented and could even become an existence that surpassed emperors!

Appearance! Family background! Talent! Future! Xiao moxue was almost perfect in every aspect!

He could still earn more after spending 70 billion! If he missed out on such a perfect wife, he would probably never meet a second one in his life!

"Seven ... 71 billion!" Xuanyuan Ming Jue raised the bid again, but it was obvious that he was not confident anymore.

The Xuanyuan family was prosperous, and the Xuanyuan noble was ranked 17th. He had consumed a lot of resources, but his cultivation was not high. Naturally, he was not valued by the elders, let alone doted on.

If the price was too high, even if he won in the end, he would not be able to escape the heavy punishment!

“Noble Xuanyuan! This is all you can do!” “I bid 72 billion!” Ao Hanxiao laughed coldly. I don’t think you’ll dare to continue bidding! Otherwise, old ancestor Xuanyuan will break your legs!”

I ... Xuanyuan Mingjue swallowed his saliva. He was in a very bad mood and sullen! However, he really didn’t dare to raise the price anymore.

hahaha ... seeing this, ao Hanxiao laughed even more evilly and impatiently said, ” “Xuanyuan guanghong! Hurry up and drop the hammer! The descendants of the Xuanyuan family can’t compete with me! Hahaha ...”

Hearing this, Xuanyuan guanghong’s eyes flashed with displeasure. He said seriously, ” “Ao Hanxiao! This is the imperial capital of Xuanyuan!”

“So what if I am?” Ao Hanxiao raised her chin, looking like a winner. She had obviously gotten carried away.

Xuanyuan guanghong’s face was filled with anger as he said, as the third core elder of the Xuanyuan family, I allow Xuanyuan Mingjue to use the 100 billion upper spiritual stones that the family has stored!

Everyone was shocked by his words! Chen Xiaobei almost burst out laughing!
