### Red Envelope Group of the Three Realms

#### Chapter 2931: heaven-defying

“Ah?”

Qiu Ling ‘er’s expression changed slightly, and her face turned a little red. I’ve finished looking at the runes ... There’s no problem at all. It’s perfect ... As long as I inject spiritual energy into it, the new formation will definitely work properly!

“Please answer my question!” why are you staring at me? ” Chen Xiaobei grinned.

“I ...”

Hearing this, Qiu Ling ‘er blushed even more and said shyly, ” “I ... I don’t have any other meaning, I just feel that sect master is simply too amazing!”

“How powerful is he?” Chen Xiaobei laughed.

I’ve always thought of myself as a super-class formation genius, but compared to you, sect leader, I feel that my own formation talent is simply too weak!

I dare say that if you can devote yourself to the study of arrays, you will definitely become one of the top three array Masters in the earth-god Realm. You may even step down from the first place! Qiu Ling ‘er said with admiration.

Chen Xiaobei laughed. I really can’t tell! Even Qiu Ling ‘er knew how to flatter him! And it’s so comfortable!”

I ... I’m not flattering you ... Qiu Ling ‘er’s face was flushed, and her eyes flickered.”I truly admire sect master! Every word I said is true!”

Obviously, Qiu Ling ‘er was not flattering him! Chen Xiaobei’s ability to carve talismans with his sword had really stunned Qiu Ling ‘er!

To carve a talisman with a sword, and to be able to carve it flawlessly, it was even more exquisite than the talismans that other people carefully drew!

This alone made Qiu Ling ‘er admire Chen Xiaobei from the bottom of her heart! They even worshipped Chen Xiaobei!

Of course, what Qiu Ling ‘er did not know was that Chen Xiaobei had the scholar heart. He had a strong ability to learn and understand everything!

After drawing a few times on the paper, Chen Xiaobei had a model in his heart, and he could draw inferences about other cases from it and use the sword to carve it!

What Qiu Ling ‘er did not expect was that Chen Xiaobei had also gained a unique insight from carving the talisman with the sword!

With this understanding, Chen Xiaobei could even create a unique swordsmanship!

Of course, this was just a concept for now. Chen Xiaobei needed to test it out to see if it was feasible!

If it really worked, Chen Xiaobei would be able to create a whole new school of thought!

It could even stun the world!

“Whoosh ...”

At this moment, there was a sudden movement at the blood pool.

“It’s tuo hai!”

“Tuo hai has successfully refined his body!” Chen Xiaobei’s eyes lit up. Let’s go and take a look!”

.....

Beside the blood pool.

Xuanyuan taohai wiped the liquid off his body and changed into a clean set of clothes. Then, he saw Chen Xiaobei and Qiu Ling ‘er walking towards him.

“Disciple greets master!” Xuanyuan tuohai immediately cupped his hands and bowed to Chen Xiaobei.

“No need to be so polite! Quickly stand still, let master see the results of your body cultivation!” Chen Xiaobei quickly activated his netherspirit battlescouter.

[ ding Yingying’s cultivation base: early primordial soul Stage. Lifespan: Year 2893, physical body: 500 million, combat power: 10 million!]

“What the f \* ck! 500 million! You’ve only completed a four-star earth-god level body tempering, but you’ve already reached a physical strength of 500 million! This is simply a heaven-defying rhythm!”

Chen Xiaobei exclaimed. This result was almost the same as what he had expected. It was extremely shocking!

Chen Xiaobei had also completed a four-star earth-god physique tempering, but his physical strength was only 150 million!

Xuanyuan tuohai’s physical strength of the same level had reached 500 million! He was miles ahead of Chen Xiaobei!

More importantly, Xuanyuan tuohai still had his evil demon bloodline that had not been activated!

Once his bloodline ability was activated, Xuanyuan tuohai’s physical strength would increase by a large margin!

“He’s so handsome!”

that’s great! Chen Xiaobei said excitedly, “ this way, as long as you activate your bloodline ability, your physical strength will reach a shocking 1.5 billion! It was equivalent to the body of a normal six-star earth-god! He can fight someone two realms higher!”

Qiu Ling ‘er was stunned by his words.

One moment it was 500 million, and the next it was 1.5 billion. What demon bloodline?

All of this sounded like a fantasy to Qiu Ling 'er. She could not believe it at all!

After all, Qiu Ling 'er was also a seven-star earth immortal. With her primordial soul realm, she could clearly see that Xuanyuan tuohai was just an elementary-level immortal cultivator in the early stage of the primordial soul realm!

How could a measly 10 million combat power have 500 million physical strength?

And 1.5 billion? That would be even more ridiculous! It was impossible!

"No! It's not just 1.5 billion!"

However, at this moment, Xuanyuan tuohai said something shocking, " "My bloodline ability will improve as my body improves! If I activate my bloodline ability now, my physical strength can reach five billion!"

five billion!?

This time, not only was Qiu Ling 'er shocked, even Chen Xiaobei was shocked! They couldn't believe their ears!

five ... Five billion physical strength ... Doesn't that mean that even I can't hurt him? " Qiu Ling 'er gasped.

One should know that the combat power of an early seven-star earth-god was only 4.5 billion!

In other words, if Xuanyuan tuohai activated his bloodline ability, only a mid-stage seven-star earth-god could hurt him!

Moreover, apart from its extremely strong defense, the evil demon bloodline also had extremely strong killing power!

Chen Xiaobei had seen Xuanyuan taohai's demonized form in the ruins of the limitless demon nation!

They were bloodthirsty like ferocious beasts and murderous like demons!

Moreover, the more blood there was, the stronger the battle intent. Opponents of the same level would almost only be crushed!

In this way, although the mid-stage seven-star earth level deity could hurt Xuanyuan tuohai, he would probably suffer a great loss!

With the support of super strong defense and lethality, Xuanyuan tuohai might even be able to fight against a late-stage seven-star earth immortal!

In this way, it was equivalent to fighting three major realms and two minor realms above him!

It was super heaven-defying! Did you?

"Good boy! You really didn't let me down!"

Oh! Chen Xiaobei grinned and said, "I've just finished my work! Let's go! I'll take you for a walk in the imperial capital of Xuanyuan!"

"Alright!"

Xuanyuan tuohai's eyes narrowed, and he exuded a vigorous heroic spirit. I've always wanted to see what kind of wolves, Tigers, and leopards the Xuanyuan family are!

As the saying goes, even a vicious Tiger would not eat its Cubs!

Xuanyuan tuohai had been abandoned by his family when he was young and was exiled to the outside world, leaving him to fend for himself!

It would be a lie to say that Xuanyuan taohai didn't have any resentment in his heart!

This time, Xuanyuan taohai had risked his life and finally passed the gates of hell in the Overlord body refinement!

He had come to the capital of Xuanyuan to humiliate the Xuanyuan family! He wanted to make this cold and heartless aristocratic family regret it!

.....

Zhaofu restaurant.

As soon as Chen Xiaobei and the others came out, Huo yuanba immediately went up to them and explained what had happened.

Chen Xiaobei's face turned serious. "Go! Let's go to the MU ye branch to save them!"

### Red Envelope Group of the Three Realms

#### **Chapter 2932**

2932 Who's scheming who?

Jin Fei had been caught, and his life was uncertain!

Wu aofeng was a troublemaker!

Chen Xiaobei did not dare to rest for even a second. He immediately led everyone to the Woodleaf division!

.....

No one was familiar with the situation in Videha.

Fortunately, Videha was peaceful all year round, and the Xuanyuan family had a good relationship with the gods' Palace, so they had a teleportation array that could directly reach Muye city!

This main city was the typical main city of the Tenshou orthodoxy!

The buildings, streets, and pedestrians in the city were all filled with the unique characteristics of the Tenshou race!

Samurais and ninjas could be seen everywhere! Kimono and wooden clogs were their standard!

After walking around the city for a while, the group found a hidden dead end.

“Yuan BA! You call ao Feng first! Let’s see what’s the situation over there!”

“Takumi, come here!” Chen Xiaobei ordered. Take this storage bracelet!”

Chen Xiaobei then handed over a storage bracelet with one billion upper spiritual stones.

Xuanyuan taohai was shocked when he checked. “This ... This is too much ...”

“I’ve kept it!” it might be useful in a battle! Chen Xiaobei said, “ after the battle, you can buy something you like! Also, change into a decent outfit, I’ll bring you to celebrate your birthday two days later!”

yes ... Xuanyuan taohai nodded and accepted the storage bracelet, overwhelmed by the unexpected favor.

Ling ‘er, ” Chen Xiaobei said, ” bring Kalise to the streets and let her see if there are any people she knows!

“Alright!” Qiu Ling ‘er listened to Chen Xiaobei and said, ” “Miss Kalise! Let’s go!”

I ... I don’t dare to go! I want to follow beixuan Zhenren! Said Kalise timidly, her face weak.

He had to admit that this woman’s acting skills were really good.

That pitiful look on her face, as long as it was a man, he would be soft-hearted towards her!

“Don’t worry! I’ll protect you!” Unfortunately, Qiu Ling ‘er was a woman, and a beautiful one at that. Of course, she would not fall for Kalise’s tricks.

can I not go? ” Kalise looked at Chen Xiaobei pitifully.

“You’re the one who brought the news!” not only do you know the enemy’s plan, but you also know that they have captured Jing Fei. This means that you know the enemy! You’re the only one who can find the clues quickly!”

alright ... Kalise was speechless. She could only follow Qiu Ling ‘er and leave.

After they left, Xuanyuan taohai curiously asked, ” “Master, are you suspecting that elf girl?”

“Do you still need to ask?”

“That woman is full of suspicious points!” Chen Xiaobei said. If it wasn’t for the fact that we lost contact with Jin Fei, ao Feng and I wouldn’t have rushed over here so stupidly!”

“Since you have your suspicions, why don’t you get rid of her? Instead, you want her to leave?” “It’s impossible that master doesn’t understand the logic of rearing a Tiger to bring disaster!” Xuanyuan tuohai said doubtfully.

“Of course, I understand that raising a Tiger will bring disaster! But I also know that the enemy of my enemy is a temporary friend!” Chen Xiaobei said.

“The enemy of the enemy?” Xuanyuan tuohai was even more confused.

I don’t think so! Chen Xiaobei said, “ this Kalise obviously has a grudge against the Japanese. That’s why she brought me this news! However, she intentionally set aofeng up. It’s clear that she’s also hostile to us!”

“Master, can you explain? “I’m completely confused ...” Xuanyuan taohai said embarrassedly.

“To put it simply, that Kalise is the enemy of the Japanese, and she sees us as her enemy!” Her goal is to let us fight with the Japanese while she takes advantage of the situation!”

“I understand!”

Xuanyuan taohai suddenly came to a realization. “If Kalise wants us to fight the Japanese, then she will definitely do her best to help us find the Japanese who took Jin Fei! That’s why shizun had to send her out!”

“That’s right!”

alright! Chen Xiaobei nodded and said, “ right now, we have the same goal! We need to find those damn Japanese!”

master ... I can’t get through to third senior brother’s phone either ... Something might have happened to him ... Huo yuanba said worriedly.

“Don’t panic!”

I’m the Japanese’s target! Even if they capture Jin Fei and ao Feng, they will only become hostages! They won’t be in any danger for now!

“What do you plan to do?” Huo yuanba asked.

“What do we do?”

Chen Xiaobei took out 90 billion upper spiritual stones and said, “ “They wanted to kill me, so I’ll kill them all!”

Chen Xiaobei injected 30 billion spiritual Qi into the planet-destroying banner, 30 billion spiritual Qi into the heaven-suppressing chain, and 30 billion spiritual Qi into the earth-escaping divine gourd!

” with these three heaven-God instruments, even if Tenshou comes here personally, I can beat him to a pulp! Chen Xiaobei said.

Huo yuanba and Xuanyuan tuohai gulped and gave Chen Xiaobei 30000 likes in their hearts.

Chen Xiaobei was no longer the Chen Xiaobei he used to be!

I don’t care if you’re the king of the heavens or the heavenly network, Chen Xiaobei is a force to be reckoned with! Are you afraid?

Of course, even though Chen Xiaobei’s actions were very domineering, it also consumed a lot of energy!

He had spent thirty billion upper spiritual stones to activate the black Thunder of destruction, and now he had spent another ninety billion!

In addition, he had given his six disciples six billion Yuan and 100 million Yuan to the chaos Blood Sword!

Chen Xiaobei only had 277.7 billion upper spiritual stones left in his vault! He had already consumed almost half of it!

After that, Chen Xiaobei still had to go to the dark Dragon tomb, the other forbidden places, find Bai Qi, little fox, and fight Shen Gongbao and Xu Fu!

In this way, the remaining spirit stones on hand were insignificant and would be used up in minutes!

Of course, there were only so many spiritual stones. No matter how he spent it sparingly, it would definitely not be enough!

That was why Chen Xiaobei did not want to save any money! Spend as much as you want!

If he spent it all, he could just find a way to earn more!

No matter what, he had to save Jin Fei and Wu aofeng!

“Master, if we really can’t do it, let’s just kill the MU ye chapter!”

Xuanyuan tuohai couldn’t hold it in anymore and said solemnly, “The monk can run, but the temple can’t! The Woodleaf division is in the center of the city, so it’s very easy to find!”

“Yeah!” “As long as we destroy the MU ye branch, they’ll let us go!” Huo yuanba said.

“Don’t rush!”

of course not! Chen Xiaobei said, “but I want Kalise and the Woodleaf division to fight each other! I’ll be the fisherman!”

“What?” Xuanyuan tuohai and Huo yuanba were shocked, and they said in disbelief, “Master, have you already included Kalise in your plan?”

Chen Xiaobei grinned and said, “I’m not trying to act cool! I’ve never been afraid of anyone when it comes to scheming!”

### Red Envelope Group of the Three Realms

#### **Chapter 2933**

2933 Nothing at all

“That’s true ... Master, your wisdom is simply too awesome! Even ghosts can be fooled by you! Even the gods and immortals would be tortured to death by your schemes!”

Xuanyuan tuohai and Huo yuanba nodded at the same time, impressed by Chen Xiaobei’s calculative ability.

“Keep a low profile, a low profile! I’m not as bad \* SS as you guys say!” Chen Xiaobei laughed.

master, you're too humble. You'll only be more awesome than what we say! Xuanyuan tuohai said with a serious look.

Huo yuanba asked curiously, " "Master, what are you planning to do to Kalise? Tell us about it first!"

Chen Xiaobei grinned and took out the heaven and earth furnace. after last night's auction, everyone thought that I had nothing left. But in fact, I have everything. Isn't that the best plan? "

this ... Xuanyuan tuohai and Huo yuanba were slightly taken aback, not fully understanding what he meant.

Chen Xiaobei took a deep breath and absorbed a large amount of heaven and earth spiritual aura from the heaven and earth furnace.

After being in the sunlight cache for over 300 days, the three eight-star earth-god instruments in the heaven and earth smelt had been completely refined!

After absorbing the spiritual aura of heaven and earth from these three eight-star earth-god instruments, Chen Xiaobei would be able to upgrade the witch Dragon Flame to an eight-star earth-god!

At the same time, within the heaven and earth smelt, there was still a portion of heaven and earth spiritual aura that was formed from the three seven-star earth-god instruments and a large amount of resources. He could still use it to upgrade some of his trump cards.

Just as Chen Xiaobei had said, everyone thought that Chen Xiaobei's infinite space ring had been stolen by Xu chengshou, and he had nothing left!

But in reality, Chen Xiaobei had three heaven-immortal items. The chaos Blood Sword and the witch Dragon Flame had both been successfully upgraded. He also had 270 billion upper-grade spiritual stones, a large amount of heaven and earth spiritual energy, and his disciple, Xuanyuan tuohai, who had an unbelievably strong body!

It was not an exaggeration to say that Chen Xiaobei was the most powerful Chen Xiaobei ever!

However, the outsiders did not know about this. They would think that Chen Xiaobei was the weakest Chen Xiaobei!

This was the best plan for Chen Xiaobei!

"Let's go! Let's go! Go straight to the wooden leaf division!" Chen Xiaobei kept the heaven and earth furnace and walked out.

"Master, aren't we going to wait for miss Qiu and Kalise?" Huo yuanba asked.

"What are you waiting for? I deliberately sent Kalise away! When she comes back, there'll be no more scheming!" Chen Xiaobei grinned and quickened his pace.

.....

Mu ye branch.

As a branch of the temple of the gods, the scale of this place was similar to the Putuo domain branch in Tianji city!

However, the temple of the gods itself could not compare to Tianji city. Therefore, although this branch was not small, in reality, the quality of the disciples was generally one level lower than the Putuo region branch!

Of course, the people who dared to plot against Chen Xiaobei were not just any ordinary disciples. They were the higher-ups of the pantheon temple, Tenshou's most capable men!

"Sir fenchi! Do you think Chen Zhufeng has the guts to come?" A middle-aged Ninja in green said in a deep voice.

the main issue now is not whether Chen Zhufeng dares to come or not. Who leaked our plan? "

think about it, liuchuan, " stacked courage said in a deep voice. we only captured Jin Fei. We haven't even completed the whole plan, and Bei Xuan faction is already here! Don't you think it's suspicious?"

"Yup! What Sir fenchi said makes sense!"

Liuchuan and Yin Ming became alert,"could it be that there's a mole in our branch?" You've already joined Chen Zhufeng?"

"No! We Tenshou ninjas have believed in the spirit of Bushido since we were young, and we would rather die than be traitors! The news wasn't leaked by a mole, but by someone else!"

the only thing I don't understand is, " stacked courage said. if Chen Zhufeng knew about this, why didn't he come to save her himself? why did he send a weak disciple to die? "

"That's simple!" Xu chengshou! liuchuan said. all of Chen Zhufeng's wealth and trump cards were stolen by Xu chengshou. Chen Zhufeng's cultivation is not high either. He doesn't even dare to come here personally!

if Chen Zhufeng really doesn't dare to come, then we'll be in trouble ...

" I'm sorry, " stacked courage said. the loftiness Lord asked me to set up a trap to kill Chen Zhufeng, but if Chen Zhufeng really cowards and doesn't care about my disciple's life, it'll be meaningless no matter how I set up the trap ...

"From the looks of it, we can only extort a confession through torture!"

if Chen Zhufeng wants to be a coward, we'll force Jin Fei and Wu aofeng to tell us where Chen Zhufeng is. Then, we'll attack! liuchuan said.

"Mm! Bring the person up!" Brave surge nodded and said.

"Yes!" Soon, liuchuan and Yin Ming brought Jin Fei and Wu aofeng up.

Jin Fei's cultivation level was too low, so he did not put up much resistance when he was caught. He was not injured, but his sea of Qi and dantian were sealed by the talisman, and his hands and feet were tied up!

Wu aofeng's condition was worse. He was covered in blood and wounds!

It was obvious that Wu aofeng had just fought a life-and-death battle with a large number of enemies!

From the blood on Wu aofeng's hands, one could tell that he had killed many Japanese!

However, Wu aofeng's cultivation level was too low. Once the Japanese elders made a move, he could only be beaten up.

His skin was torn and his flesh was lacerated. There were countless internal and external injuries, and his clothes were completely dyed red with blood!

Fortunately, Wu aofeng had mentioned that he was a disciple of beixuan Zhenren. Otherwise, he would have been killed by now!

"Japanese ... Jin Fei is just a worker who delivers peaches ... He doesn't know anything ... If you have any tricks up your sleeves, come at your Grandpa Wu!"

Wu aofeng was already very weak, but he was still as strong as ever. "If your Grandpa Wu even frowns, I'll write the word" Wu "backward!"

"Aofeng! Don't force yourself! you're already so injured, why are you still protecting me ... Jin Fei's brows were furrowed, and he was extremely anxious.

Unfortunately, Jin Fei's cultivation level was even lower. His dantian was sealed and his hands and feet were tied up. He could not do anything at all.

"What nonsense are you spouting!"

Wu aofeng spat out a mouthful of blood and said, "I, Wu aofeng, am master's disciple. Even if I die, I will not embarrass master ... You Japanese! Don't touch Jin Fei! If there's anything, come at Grandpa!"

"You're a real man!"

Brave surge looked at Wu aofeng and said, "There's not an inch of intact flesh on your body, and your blood is almost dried up, yet you're still so tough! I really admire you!"

"PAH!"

I hate the Japanese the most! Wu aofeng said. your admiration only disgusts me!

"Tough bones!"

Brave surge squinted his eyes and laughed evilly, "A person like you is definitely not afraid of death! But I know what you're afraid of!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2934: ao Feng crippled**

"I'm not afraid of anything!" "Kill me if you dare!" Wu aofeng roared. Don't be so wishy-washy here!"

"Not afraid of anything? Heh, I don't think so!"

what if I cripple your cultivation, let the most lowly slave humiliate you, and then let everyone know that you are the proudest disciple of bei Xuan Zhenren of bei Xuan faction?! Oh no, it's a trash disciple!"

you ... Wu aofeng's face twisted in pain.

Wu aofeng had a strong character and he was not afraid of death!

However, she had a strong personality and tough bones. In the end, it was all about her strong self-esteem!

Brave surge had seen through this, and he was going to destroy Wu aofeng's cultivation and let the slaves humiliate him. This was trampling on his dignity!

They wanted to let the world know that a useless person who was humiliated by a slave was Chen Xiaobei's disciple. This was an insult to Chen Xiaobei's dignity!

To Wu aofeng, death was not scary. What was scary was losing his dignity!

If brave surge really did that, Wu aofeng's dignity and face would be gone, and Chen Xiaobei's reputation would be damaged as well!

Once the news spread, everyone would laugh at bei Xuan faction and Chen Xiaobei!

This was the result that Wu aofeng was most afraid of and could not accept!

"How is it? Are you scared now?"

Brave surge's face was full of sinister smiles as he threatened and tempted, "Cooperate with me obediently, and I'll give you endless glory and wealth! Otherwise, I'll definitely honor every single word I've said!"

this ... Wu aofeng hesitated.

If this matter only involved him, he would reject it without hesitation!

However, since it involved Chen Xiaobei and Bei Xuan faction, Wu aofeng could not make a rash decision. He had to think about it carefully!

"Stop hesitating!"

"There's no future with bei Xuan faction!" Joining our pantheon is your best way out! If you kill Chen Zhufeng, you'll be the biggest hero and have a bright future!"

"Get lost! Even if I die, I won't join the Japanese!" Wu aofeng spat out a mouthful of blood on brave surge's face.

"You ... You idiot! I've given you face, but you don't want it!" Brave surge's face was covered in blood and phlegm. He was immediately angry and roared, "Liuchuan! Cripple him!"

"Yes, sir!" Liuchuan and Yin Ming's eyes narrowed, and a cold green wood true essence immediately condensed in their hands.

"Woof! Whoosh ..."

The green wood true essence entered Wu aofeng's dantian like a vine!

Immediately after, the green wood true essence spread out countless roots like tree roots! Wu aofeng's dantian was instantly torn apart!

"Uh ..."

Wu aofeng was in so much pain that he let out a heart-wrenching scream!

But right now, the pain in his heart was far more excruciating than his physical injuries!

Among Chen Xiaobei's six direct disciples, Wu aofeng's main cultivation was combat power!

Chen Xiaobei had even passed on the heavenly immortal tier astral Beast Battle technique to Wu aofeng, placing all his hopes on him!

But now, Wu aofeng's cultivation had been destroyed, and his dantian had been destroyed. He had become a cripple without any fighting power!

Bei Xuan faction's disciple, who specialized in combat, had become a cripple with no combat power at all!

Not only did this result crush Wu aofeng's pride, it was also like a loud slap to Chen Xiaobei's face! A slap on Bei Xuan's face!

If word got out, the whole world would laugh at Chen Xiaobei and Bei Xuan faction!

This was also the thing that Wu aofeng could not accept!

Wu aofeng would rather die than see Chen Xiaobei and Bei Xuan's reputation damaged!

However, in this world, the strong were respected, and strength was Supreme!

Without enough cultivation, Wu aofeng could not even die. He was at the mercy of others!

If you have the strength, you can turn everything around. If you don't have the strength, you can only accept everything!

This result was almost destined! It was so ironic! It was extremely miserable! It was even more brutal! It was cold and devoid of any human touch!

"Wu aofeng! I'll give you one last chance! Are you willing to cooperate with me or not?"

Courage Fen Chi wiped the blood and spit on his face and shouted, "You better think clearly before you answer! If you get it wrong, I'll let the most lowly slave humiliate you and let you know clearly what it means to be better off dead than alive!"

"Cooperate ... I'll cooperate ..." He said.

Wu aofeng was panting heavily. When he finally caught his breath, he raised his head and said, "I cooperated with your grandmother, and that's why I have such an unfilial bastard grandson like you!

you ... You ... brave surge thought that Wu aofeng was going to give in, but the sudden change in tone almost made him puke blood!

"You shameless thing! How dare you insult Sir fenchi when you're about to die! I'm going to crush you to death now!" Liuchuan Yiming shouted and raised his hand to slap Wu aofeng to death.

"Oh no... Oh no..."

However, at this moment, a disciple of the MU ye branch rushed in. Chen Zhufeng has brought his men into the sect!

"What did you just say?"

Liuchuan and Yin Ming were stunned, and their hands froze in the air. Chen Zhufeng has nothing left. Why would he come here to die? "

it '@@ s ... It's really Chen Zhufeng! "He also brought two disciples with him, and they're killing everyone in the sect!" The disciple said. We've already lost dozens of people! Chapter leader, quickly go out and take a look!"

"Alright!"

"Since Chen Zhufeng came to me, I don't have to torture him anymore!" Liuchuan said. I'll personally slaughter him!"

"I'll go with you!" yes! hero of the pool said. as long as I kill Chen Zhufeng, I'll go back to the headquarters of the gods 'Palace and ask for a reward for you! Just wait for your generous reward!"

"Thank you, sir fenchi!"

I'll kill this guy who insulted you first! liuchuan said coldly. then I'll go deal with Chen Zhufeng!

"Whoosh ..."

Once again, Yin Ming gathered his ethereal force in his palm and was about to kill Wu aofeng!

"Hehe ..."

Facing the threat of death, Wu aofeng was not afraid. Instead, he laughed, " "My master is here ... You're all dead ... Dead ... Hahaha ..."

"Liuchuan-kun! Don't kill him!"

" let's go! brave surge sneered. take him out and let him see how we kill Chen Zhufeng, who has nothing!

"Good idea!"

this Wu aofeng idolizes Chen Zhufeng so much! liuchuan laughed. it'll be the worst torture for him to see Chen Zhufeng being killed by us!

"You want to kill my master?" you two idiots! Wu aofeng laughed. just wash your necks and wait for your death ... Hahaha ...

[Red Envelope Group of the Three Realms](#)

**Chapter 2935: chasing wind's wrath**

“Hmph! You can laugh all you want! I’ll see how you Cry Later!”

men, take these two dogs with you! Yin Ming ordered coldly. let them see with their own eyes how I torture and kill their master!

After saying that, liuchuan Yiming took the lead and walked out!

“Yes, sir!”

Two disciples ran over. One of them pulled Jin Fei and the other dragged Wu aofeng, and they followed Yin Ming out.

Brave surge, on the other hand, had a carefree smile on his face, as if everything was under his control, there was no suspense!

After all, the temple of the gods was also famous for its intelligence gathering ability! They would know where Jin Fei was, and they would know that Chen Xiaobei had lost everything!

A Chen Xiaobei without a trump card was like a sick cat without claws and fangs!

Not to mention that the leader of the MU ye branch, Chuan yinming, had personally taken action! Even some of the more powerful core disciples could crush Chen Xiaobei!

Brave surge wasn’t worried about this battle at all. He walked out with the attitude of watching a good show!

.....

The outer area of the MU ye branch was in chaos.

Dozens of ninjas and samurais were killed, and their bodies lay on the ground!

Chen Xiaobei, Huo yuanba, and Xuanyuan tuohai’s hands were all stained with blood! Obviously, they had already fought!

Of course, Chen Xiaobei did not reveal any of his trump cards. He only used his peak golden core strength to fight!

Huo yuanba was at the middle stage of the two-star divine sea realm, which was more than enough to deal with ordinary disciples!

On the contrary, Xuanyuan taohai was the most excited!

After refining his body, this kid had a physical strength of 500 million. Even if he didn’t use any true core strength, he could defeat an early five-star earth immortal with just his physical strength!

Two elders had jumped out just now, but Xuanyuan tuohai had directly taken on two of them. He crushed one’s head and tore the other’s chest apart, killing them without mercy!

As for the dead, their blood essence and souls had been sucked away by the chaos Blood Sword. Even their golden core and nascent soul had been devoured!

Chen Xiaobei was responsible for the country's fate. The outbreak of this war was equivalent to establishing a war relationship with the temple of the gods! The Three Realms merit points would only be calculated after the war was over!

Since there was no merit point in killing these evil people, Chen Xiaobei would not let these Japanese souls go!

Grasshoppers were also meat. If they accumulated bit by bit, a quantitative change would definitely lead to a qualitative change. It was not impossible to upgrade the chaos Blood Sword again!

"Master! Those Japanese were scared of sixth Junior brother's killing! They're all huddling together and don't dare to come up!" Huo yuanba said.

"The Japanese are so cowardly! There are a hundred thousand of us, yet you're still afraid of the three of us!" Xuanyuan tuohai said in disdain.

"This is normal!"

the MU ye branch is the same as the Putuo territory branch. The normal disciples are only one-star earth-god level, the strongest core disciples are only four-star earth-god level, and the elders are only five or six-star earth-god level. Of course, they wouldn't dare to come here and die!

"If they don't dare to attack, we'll continue to charge in!" Xuanyuan taohai was filled with battle intent, and a strong demonic nature seeped out of his bones.

"No need!" Chen Xiaobei looked into the distance and said, "The main character is out!"

Upon hearing this, Huo yuanba and Xuanyuan tuohai immediately looked over.

"Chen Zhufeng! Did a donkey kick you in the head? You can't even protect yourself, yet you still dare to come and save others!"

Liuchuan and Yin Ming walked over with an evil smile on their faces. They waved their hands and said, "Your two dogs are right here. If you have the ability, come and save them!"

"Bang! Bang!"

As soon as he finished speaking, Jin Fei and Wu aofeng were thrown out and fell heavily on the ground.

Jin Fei did not mind.

However, Wu aofeng was already severely injured, and his dantian was crushed, adding to his injuries! At this moment, his blood was almost drained dry, and he was almost on his last breath!

"How could this be? What did you do to ao Feng?" Chen Xiaobei's pupils constricted, and his dark eyes were like black holes that were about to explode. A terrifying aura was brewing in them!

"Sect leader! Help! Quickly come and save ao Feng! He's not going to make it!" Jin Fei screamed and broke out in a cold sweat, but he could do nothing.

"Master ..."

Wu aofeng took a deep breath, blood was still flowing out of his mouth, but he smiled and said, "I'm fine ... I didn't embarrass you ... You don't need to worry about me! Just focus on killing these animals ... I can rest in peace even if I die ..."

Wu aofeng had used up all his energy, and as soon as he finished his sentence, he collapsed to the ground. His eyes were empty, and his mind was in a mess. He was already at the end of his rope!

However, he still kept a smile on his face! Under the blood-colored ferocity was actually peace and relief!

Without a doubt, in Wu aofeng's eyes, Chen Xiaobei was invincible!

As long as Chen Xiaobei appeared, none of these damn Japanese would be able to escape! As long as Chen Xiaobei killed them all, Wu aofeng would have his revenge. Even if he died, he could die with a smile!

Wu aofeng was relieved because he had absolute trust in Chen Xiaobei!

But just as Wu aofeng was about to die, he was woken up by Chen Xiaobei's roar. It was as if he had been injected with a needle, stimulating his strong desire to live!

"Wu aofeng! Listen well! I, Chen Zhufeng, will break the heavens and reach the top! You are my personal disciple! As long as you live, I can take you to the top and look down on the world!"

Chen Xiaobei's terrifying aura burst out and he roared, "But! If you're going to give up on yourself so easily and die in such a lowly and weak manner, you're not worthy of being my disciple!"

master ... Wu aofeng's empty eyes suddenly lit up again.

Without a doubt, Wu aofeng had a strong sense of self-esteem!

Even in his dreams, he wanted to follow Chen Xiaobei and enjoy the scenery at the top of the mountain! To enjoy the Supreme glory of being the focus of attention and revered by the common people!

On the contrary, what he was most afraid of was to die with the label of being humble and weak! He was afraid of embarrassing himself, but he was even more afraid of embarrassing Chen Xiaobei!

Live on!

At that moment, Wu aofeng only had one thought in his mind! Even if he had to fight to the death with the otherworldly soldiers who came to steal their souls, he had to survive!

If Wu aofeng could not even survive this, he would not even have the face to call himself Chen Xiaobei's disciple!

"Good! Good job!"

Chen Xiaobei could already feel the change in Wu aofeng's aura! From waiting for death in silence to a strong survival!

Even though Wu aofeng could no longer speak, he was determined to stay alive and not step into the gates of hell!

A person who was about to die could actually hold on until now. This was enough to shock everyone!

However, Chen Xiaobei's next sentence made everyone's body tremble!

"Injuring my disciple is like breaking my limbs!"

Chen Xiaobei took a step forward, and a terrifying aura enveloped the entire place. "I'm going to use all of your lives to avenge ao Feng! To let the world remember that bei Xuan faction can not be humiliated!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2936: burning heaven and freezing earth**

Chen Xiaobei's roar was as terrifying as a top-tier giant's! It was extremely domineering and its Qi pierced through the sky!

All of a sudden, the 100000 disciples of the MU ye branch were all terrified and kept silent!

It was as if an ancient demonic god had descended in front of them and could turn them all into ashes with a snap of his fingers!

Extreme fear struck their hearts, causing their souls to tremble uncontrollably!

However, at this moment, an ear-piercing voice could be heard.

"Hahaha ... You must have been scared silly!"

Liuchuan, Yuming, and brave surge both laughed. "The gods' Palace has already investigated you thoroughly. You only have the cultivation of the Golden elixir realm. All your trump cards have been stolen at the Xuanyuan great auction house! You want to kill us all? Simply daydreaming!"

Obviously, liuchuan Yuming and brave surge's mental state was not as strong as Chen Xiaobei's. However, they thought that they had everything under control of Chen Xiaobei and were prepared for the worst. So, not only were they not afraid, they were even mocking Chen Xiaobei!

After hearing what they said, the 100000 wood leaf disciples all heaved a sigh of relief.

Pressure could only have an unexpected effect when others were not prepared. When others were no longer afraid of you, no matter how fierce you were, they would not be afraid!

"So Chen Zhufeng has already become a tiger without teeth! Brothers, we don't need to be afraid of him!"

no wonder Chen Zhufeng wasn't as brutal as the youngest kid. Chen Zhufeng has nothing left!

"Chen Zhufeng is really good at acting! He has nothing and can't even protect himself, yet he still acts like he's so powerful. If it wasn't for the fact that the branch leader has all the information, we would have been fooled by Chen Zhufeng!"

"He's only in the Golden elixir realm. We can just send out a few hundred people and form a battle formation to kill him! To think that he still had the face to act tough! It was really too funny! Hahaha ..."

All of a sudden, the 100000 wood leaf disciples all sneered! Not only were they not afraid of Chen Xiaobei, but they were also eager to kill Chen Xiaobei!

“All of you, be quiet!”

Liuchuan raised his hand, and the crowd immediately fell silent.

of course not! liuchuan laughed coldly. Chen Zhufeng is the number one target of the pantheon headquarters. Zeus, the king of the pantheon, has personally ordered Chen Zhufeng to be killed! Don't take this credit from me! I'm going to kill Chen Zhufeng with my own hands!”

The 100,000 disciples all fell silent. After all, Yin Ming was their branch leader, so no one dared to take the credit!

“Chen Zhufeng! Don't say I'm bullying you! Bring your men and attack together!”

Liuchuan walked out with a smile on his face. His tone was frivolous, and he did not take Chen Xiaobei and the others seriously.

After all, he was a branch leader of Muye branch and had the cultivation of a seven-star earth-god!

Xuanyuan tuohai, the strongest among the three of them, was only an early six-star, and he only had physical strength and no ethereal force!

Liuchuan Yiming naturally put his heart at ease. He was like an old cat ready to play with three little mice. There was no doubt that he would win!

“Master! Let me take care of him!” Xuanyuan tuohai was also a person who valued friendship.

In bei Xuan faction, Xuanyuan tuohai was the youngest brother, and his senior brothers all took care of him.

Especially Wu aofeng, who was cheerful and carefree. He often brought Xuanyuan tuohai around to play Wild horses, and the two of them had always been on good terms!

Seeing Wu aofeng's injuries, Xuanyuan taohai's heart was burning with rage and killing intent!

Although Xuanyuan taohai only had a little more health than an early-stage six-star earth-god, as long as he activated the special ability of his devil bloodline, his health would soar to 500 million, and he would be able to crush liuchuan and Yin Ming easily!

“No! You can't make a move for now!”

no! Chen Xiaobei shook his head and said, “I can't control your demonic nature before that thing is delivered! So, you can't be demonized for the time being!”

“Master, are you going to personally take action?” Huo yuanba asked.

“You want me to personally take action?” “That animal doesn't have the right to do that!” Chen Xiaobei said.

Huo yuanba and Xuanyuan taohai were shocked. They did not understand what Chen Xiaobei meant.

Since Xuanyuan tuohai and Chen Xiaobei were not going to do it themselves, should Huo yuanba do it?

However, Huo yuanba's cultivation base was the weakest among the three of them. He would be courting death if he were to fight!

"Chen Zhufeng! Can you stop talking nonsense? I told the three of you to come at me together, don't you understand?"

Liuchuan Yin Ming was very arrogant. As he walked over, he had already condensed a strong green wood true essence and was full of killing intent.

"Master! He's coming. What are you planning?" Huo yuanba said anxiously.

Xuanyuan tuohai couldn't stay calm either, and his battle intent boiled, "Let me do it! After I'm demonized, I can crush him to death!"

"Calm down!"

However, Chen Xiaobei was not in a hurry. He said calmly, "You're underestimating your master too much! Your master's trump cards are not limited to those you've seen!"

Xuanyuan tuohai and Huo yuanba were both shocked by his words.

They had seen the chaos Blood Sword, Chen Xiaobei's sacred-tier witch Dragon Flame, and Chen Xiaobei charging the three heaven-immortal items with 90 billion upper-grade spiritual stones!

Any one of these trump cards could directly crush liuchuan Yin Ming.

However, Chen Xiaobei did not plan to use these trump cards because liuchuan and Yiming did not deserve to die under these trump cards!

Xuanyuan tuohai and Huo yuanba were very confused. They did not know what Chen Xiaobei was going to do. However, they trusted Chen Xiaobei and believed that he would not let them down!

Xuanyuan tuohai and Huo yuanba were no longer worried. Instead, they were excited to see Chen Xiaobei's performance!

The two of them knew that the moment their master made a move, there was no attack that could not be overcome! He was invincible!

"Chen Zhufeng! Why are you still in a daze? Are you scared silly by me?"

Liuchuan and Yin Ming didn't know the danger was coming, and they said arrogantly, "Alright! Since you don't dare to attack, I will personally send the three of you to your deaths! Anyway, it's just a slap to death, it's not a big deal!"

"Woof! Buzzzzzz! Yi ..."

The next moment, the green wood true energy turned into thousands of vines, like a net that covered the sky, and came crashing down on Chen Xiaobei and the other two!

However, Chen Xiaobei, Huo yuanba, and Xuanyuan tuohai were all calm and composed in the face of the seven-star earth-god instrument. It was as if the Skynet formation was made of tofu and not worth mentioning!

Huo yuanba and Xuanyuan tuohai trusted Chen Xiaobei!

Chen Xiaobei would not let them down. With a wave of his hand, Ice and Fire appeared!

Infernal spirit mysterious soul! Burning the heavens and freezing the earth!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2937: overwhelming suppression**

“Woof! Whoosh!”

Chen Xiaobei waved his hand, and a red flame and a crystal-like ice Light flew out of the Sumeru space!

The fire was like a long Dragon, its power vast and brilliant, turning the sky red in all directions!

The icy light was like a Spiritual Phoenix, cold and unparalleled, colorful and gorgeous, illuminating the land in all directions!

Upon a closer look, the Fire and Ice rays were actually a tiny fire-winged youth and an ice-winged youth respectively. As they flew, they left behind gorgeous afterimages with demonic Qi!

These two youths were only the size of an ordinary person’s palm, and they had wings on their backs!

Of course, their bodies and wings were all complete dharmakayas. They looked like illusions, but in fact, they were real!

That’s right!

This fiery-winged youth was the demoness transformed from the ten-thousand-year infernal spirit! As for the icy-winged youth, he was a demon transformed from a ten-thousand-year-old ice soul!

They were both demons!

Furthermore, with the help of Liu xuanxin’s divine Phoenix blood, they had all formed their dharmakayas the moment they became demons! The wings on his back were also affected by the divine Phoenix bloodline!

The point was that before they became demons, they had already absorbed a vast amount of the essence of heaven and earth. They had even used a vast amount of spiritual Qi to sublimate themselves, turning them into extremely spiritual treasures!

After receiving Chen Xiaobei’s demonic spirit petrifying stone, their spirituality had been completely activated and they had turned into two powerful demonic beasts! Together with their Dharmakaya of great success, they were strong enough to crush humans of the same level!

After that, Chen Xiaobei used the heaven and earth spiritual aura to help them increase their cultivation!

Now, Xuan po and Inferno spirit were both seven-star earth-god level demons. Any one of them could easily defeat liuchuan and Yin Ming!

“Heaven burning explosive flame!”

With a roar from the infernal spirit, a violent fire ethereal force suddenly burst out!

The power of a seven-star earth-god was enhanced by the body of the ten-thousand-year infernal spirit and a Dharmakaya. It was enough to be invincible in the same level!

“Boom boom boom ...”

Words of law!

The infernal spirit roared and suddenly shot out a huge fireball like a meteorite!

With an extremely terrifying force, it directly rushed into the sky and hit the green wood Net that liuchuan Yin Ming was trying to cover!

Explosive fire burning wood! It had an additional restraining effect!

The battle between the two was decided in an instant!

“BOOM!”

With an explosive sound, the meteorite-like fireball suddenly hit the thousands of green vines!

The terrifying explosion produced extremely violent energy fluctuations that shook the heavens and the earth!

Whoosh ... Whoosh ...

In the next moment, the flames spread rapidly like a wildfire, engulfing the thousands of Greenwood vines and burning them to ashes at an extremely fast speed!

“What ... What is going on? Didn’t Chen Zhufeng have nothing left? Where did this little fiery man come from? Wasn’t he too strong? Help ... Sir fench, help ...”

Liuchuan Yiming screamed hysterically as if he had seen a ghost. His pupils contracted like needles, and he was covered in cold sweat!

There was already a gap in strength, and with the restraint of attributes, liuchuan Yin Ming knew that he had no chance of winning!

He had no other choice but to ask for help!

Seeing this, the bei Xuan faction members were surprised and overjoyed!

“He’s so strong!”

Huo yuanba and Xuanyuan tuohai said excitedly, “It’s truly worthy of being master’s trump card! Not only were there enough of them, but they were also powerful enough! He had instantly turned the tables on that arrogant Japanese! He’s so handsome!”

“The sect master is mighty! Sect master is so domineering!”

Jin Fei was so excited that he was shaking. “Aofeng! Ao Feng, did you see that? His master had already gained the upper hand! Hold on! Master will definitely win! I can definitely save you!”

“Mm ... Mm ...”

Wu aofeng was already severely injured, but he held his last breath with his strong will! He didn’t dare to speak, for fear that he would die completely if he were to give up!

However, the current situation was a huge encouragement to Wu aofeng! It greatly increased his desire to live, and he had to persevere no matter what!

At the same time, the 100000 wood leaf disciples also exclaimed in shock. They couldn’t believe their eyes!

“It’s too terrifying! That little Burning man’s power actually crushed branch leader liuchuan!”

“That should be a fire demon, right? What did Chen Zhufeng do? He could actually control such a powerful demon! It’s unbelievable!”

“Shit! Exploding scorch’s attack was too fierce! Lord liuchuan couldn’t have been killed in one move, right?”

With the clear distinction between the strong and the weak, and the restraint of the attributes, there was no suspense in the battle at all. Naturally, it developed in the direction that everyone had judged!

“Swish!”

After the sea of fire had destroyed thousands of green vines, it continued to come at him. Liuchuan Yiming had no way to avoid it, so he could only take out a Ninja knife in a hurry!

“The Lord of circulation! Defend! I’m here to save you!” At the same time, brave surge took a step forward and rushed forward!

After all, brave surge was from the headquarters of the temple of the gods. His cultivation had reached the early eight-star earth-god Realm, which was very powerful!

In brave surge’s eyes, as long as liuchuan Yiming could hold on for ten seconds, he would be able to save him in time with his cultivation!

“Sir fenchi, come quickly! We’ll kill the enemy together!” Liuchuan Yiming’s confidence was greatly boosted when he saw the vigorous action!

“Clang”

With a desolate sound, liuchuan Yuming activated the power of the Ninja Blade in his hand!

The blade was a seven-star earth-god instrument and was extremely powerful!

“Swish!”

Liuchuan Yin Ming suddenly swung his saber. Like a volcanic eruption, a red flame saber Qi gushed out from the blade!

After the sea of fire had burned down the vines, its power had weakened!

The red fire saber Qi was extremely powerful and directly slashed the sea of fire in half!

“Hahaha ... You want to kill me? It won’t be that easy!”

Yin Ming laughed smugly, “No matter how powerful you are, when Lord fenchi arrives, he will only need one slap to turn you into ashes ... Hmm? Not good!”

Liuchuan Yiming was pleased with himself for less than two seconds. Before he could finish his words, his face suddenly changed and he screamed in fear!

Just now, liuchuan Yin Ming had been so focused on the little fiery man that he had completely forgotten about the existence of the little Ice Man!

“Is it that hard to kill you? Why do I feel like it’s easier than killing a chicken?”

At this moment, Xuan po was already in the air and shouted, “Ten thousand years of extreme cold! Heaven Earth ice!”

“Boom boom boom ...”

With a low roar from black soul, a terrifying and overbearing extreme cold true origin surged out like a tsunami!

It was like an ice-blue Spiritual Phoenix with a body length of three thousand meters and a wingspan of three thousand meters. It was overwhelming and overwhelming! It completely covered liuchuan and Yin Ming!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2938: arrogant and powerful enemy**

“Whoosh ...”

The ice-blue Spirit Phoenix came crashing down, and the flaming blade Qi from liuchuan Yiming’s Ninja Blade was instantly extinguished!

“Oh my God ...”

Liuchuan Yiming shrieked. He had thought that he could easily hold on until the reinforcements arrived, but he didn’t expect that the ice-winged youth’s power wasn’t any weaker than the fire-winged youth’s!

Although they were both at the early stage of the seven-star earth-god Realm, the strength of the two youths could easily suppress liuchuan and Yin Ming and the seven-star Ninja Blade!

“Ka! Ka! Ka ...”

Yin Ming’s body was quickly frozen by the extreme cold. He had been perfectly fine, but now he had turned into an ice sculpture!

The difference in power made it impossible for Yin Ming's body to resist the terrifying extreme cold!

His skin, muscles, blood, and even his internal organs and bone marrow were completely frozen!

In just a few seconds, liuchuan Yin Ming's body was completely dead. Even if the ice melted, he could no longer recover his vitality!

Moreover, he had no chance to melt this fatal ice seal!

"Bursting flames heavenly charge!"

The infernal spirit let out a low roar and suddenly shot out a sharp arrow-like Crimson burst of flames!

"Bang ..."

In the next moment, the Crimson exploding flame hit liuchuan's stiff and necrotic body, directly blasting it into pieces of ice, which fell to the ground!

In an instant, everyone was shocked!

the Lord of circulation!!! Brave surge suddenly screamed.

He didn't expect that the leader of the wood leaf division would be defeated so quickly. He couldn't even last 10 seconds! This was too ironic!

At the same time, the 100000 wood leaf disciples all screamed in fear. Their pupils contracted as if they had seen a ghost.

"He's been defeated! Chapter leader liuchuan had been completely defeated! In the blink of an eye, his physical body was destroyed! Their strength is on a completely different level!"

"Chen Zhufeng is unfathomable! He clearly has nothing left, but he still has the power to counterattack!"

"We underestimated Chen Zhufeng! Fortunately ... Fortunately, there was Sir fenchi! An eight-star earth-god level cultivation is enough to crush the two Ice and Fire demons!"

"That's right! As long as the ice Demon and the fire are killed by master fenchi, Chen Zhufeng will lose all his power to fight back!"

"Well said! Chen Zhufeng was doomed to die today! Even if we release the ice Demons and fire demons, it's just a pointless struggle. It's useless!"

Everyone at the scene exclaimed in shock. They were all shocked by the infernal spirit mysterious soul.

However, even though they were shocked, the hundred thousand wood leaf disciples were not afraid. After all, they were still brave!

This guy was an elder from the headquarters of the gods 'Palace, and he was also Tenshou's capable general. He was extremely powerful!

In the eyes of the 100000 wood leaf disciples, the infernal Spirit Black soul was definitely not the opponent of the brave surge!

The battle situation was still under the control of brave surge. There would be no accidents, and there would be no suspense!

“Chi ...”

The next moment, Yin Ming’s nascent soul flew out. While running for his life, he screamed, “Sir fenchi! You must help me take revenge! Exterminate those two damned demons! We must exterminate them!”

“Don’t worry! They definitely can’t escape!” Brave surge shouted and rushed forward!

Boom ... Boom ... Boom ...

Brave surge raised his arms and suddenly gathered two thick and heavy balls of earth true essence!

Intense true essence shot straight into the sky, as if he was lifting two mountains in his hands, and he could move mountains and fill the sea with just a raise of his hand!

“Eight-star earth-god level! That guy is so strong!” Infernal Spirit’s brows furrowed slightly, and his eyes revealed traces of panic.

“Idiot! Quickly run!” Xuan po flew over and grabbed the infernal Spirit’s hand, pulling him away into the distance!

There was no doubt that although the infernal Spirit Black soul was powerful, it was still unable to fight across a major realm! In front of brave surge, the two of them could only run!

Seeing this scene, the people of the wood leaf division immediately became excited. “Did you see that? Those two little demons were no match for Lord fenchi! The overall situation was set! The two little demons must die! Chen Zhufeng won’t be able to escape even if he has wings!”

Liuchuan and Yin Ming were so excited that they looked like they had been injected with chicken blood. Their nascent soul was dancing with joy and shouting, “Lord fenchi is mighty! Lord fenchi is domineering! Help me exterminate those two little demons! I’m going to kill Chen Zhufeng with my own hands!”

“Chi ... Chi ...”

The infernal spirit did not dare to fight back. It flew towards Chen Xiaobei and shouted, “bro bei, save me! Bro bei, save me!

“You’re an idiot!”

Brave surge laughed disdainfully, “Are you two little demons retarded? Chen Zhufeng is much weaker than you two! You’re actually begging a trash to save your life? He was really stupid! Hahaha ...”

“You know nothing! Our bro bei is really strong!” Xuan po protested angrily.

“That’s right! Bro bei is much stronger than us! He can easily kill you in seconds!” The infernal spirit had the same confidence in Chen Xiaobei.

“What? Chen Zhufeng can kill me instantly? Hahaha ... You two are indeed retarded! How can you say such stupid words?”

hahahaha! brave surge laughed arrogantly. I’m afraid you guys don’t know this yet. All of Chen Xiaobei’s trump cards have been stolen! Chen Zhufeng is just a paper tiger now! Don’t even talk about killing me, if he doesn’t get killed by me, I’ll consider it my loss!”

As soon as he said this, the people of the MU ye branch all laughed.

“Stupid demon! Hahaha!”

Especially Yin Ming, who couldn’t stop smiling.”I knew it! How could a piece of trash like Chen Zhufeng control a real demon? It turned out to be a trash and a retard, a match made in heaven! Hahaha ...”

As soon as he said this, the laughter of the 100000 wooden leaf disciples became even more enthusiastic.

Without a doubt, in their eyes, there was no longer any suspense in the battle! They did not need to worry about anything. They just needed to enjoy watching a good show as Chen Xiaobei begged for mercy after being tortured!

since you’re hiding behind Chen Zhufeng, I’ll send you to hell with him!

Brave surge’s eyes narrowed, and the smile on his face became ferocious and bloodthirsty, revealing a murderous aura that seemed to have substance.

“Boom boom boom ...”

In the next moment, the two Giant Mountains in brave surge’s hands were thrown out!

It was like Tathagata crushing Monkey King with his Five Finger Mountain. It enveloped Chen Xiaobei and the others, crushing them into meat paste without even leaving their corpses intact!

At this moment, liuchuan, Yin Ming, and the 100000 mu ye disciples were so excited that they were even ready to clap and cheer!

However, in the next moment, everyone present was so shocked that their three views shattered. Their bodies and minds trembled, and some even peed their pants!

Chen Xiaobei’s expression did not change. He took a step toward the Dharma form and said, ” “Witch Dragon! Double explosion!”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2939**

2939 Demonic beast Army

Whoosh ... Whoosh ...

Chen Xiaobei’s eyes suddenly shone with a purple-gold spiritual light!

His originally normal black eyes were actually burning with purple-gold flames!

“BOOM! BOOM!”

In the next moment, the purple-gold Flame in Chen Xiaobei’s eyes suddenly grew and two huge purple-gold fire dragons appeared!

When the two dragons appeared together, they were overbearing and unparalleled!

The Dragon’s body Qi covered 8000 meters, and the Dragon Claw rhinoceros was sharp and cold!  
Capture the sun and the moon, crack the Nebula! Turn the universe, suppress all ages!

In an instant, a desolate and ancient aura enveloped the heavens and earth, as if a Supreme Dragon had descended from the primordial origin!

The entire space was deeply shocked!

All living beings could only lower their heads and submit, not daring to offend him in the slightest!

“What ... What a terrifying pressure ... These ... These two fire dragons ... What kind of power is this? It’s not true essence, but it has the power of an eight-star earth-god!”

Brave surge screamed. Never in his dreams would he have thought that Chen Xiaobei still had a trump card!

What was even more strange was that this trump card was neither a magic treasure nor true essence, but a kind of mysterious heavenly flame!

Although they were also eight-star earth-god level, and the power of their true core strength was the same as that of brave surge, the pressure emitted by the two fire dragons made brave surge feel a sense of foreboding!

“This ... This is an essence soul heavenly flame! And I’m afraid it’s far beyond the celestial grade!”

After all, brave surge was an elder of the headquarters of the gods ‘Palace. He had a lot of experience and knowledge, so he quickly saw the nature of the two fire dragons!

“We’re finished!”

It was fine if he couldn’t see the essence, but as soon as he saw it, brave surge let out a desperate cry!

It was just as he had thought! The two purple-gold dragons were transformed from the witch Dragon heavenly flame!

Chen Xiaobei had just upgraded the witch Dragon Flame to eight-star earth-god level! This level was originally the same as courage in a pool. When both sides faced each other head-on, there should be no winner!

However! The essence of the witch Dragon heavenly flame was a God-level primordial spirit heavenly flame!

It was like a battle between two experts of the same realm. One of them cultivated an ordinary cultivation technique while the other cultivated a God-grade cultivation technique!

Although the power was the same, there was a huge difference in the essence!

Especially at the level of an eight-star earth-god, even a small gap could be magnified infinitely! It would directly determine the outcome of a battle!

Brave surge was experienced and knowledgeable, so he instantly realized the difference between him and the witch Dragon heavenly flame!

He was instantly enveloped by despair!

The reality proved his judgment in the next moment!

“BOOM! BOOM!”

The two purple-gold fire dragons flew up into the sky and destroyed the two Zhen Yuan mountains with their terrifying power!

Brave surge’s true Qi shattered, and he was no longer on guard!

Although the strength of the two purple-gold fire dragons had been weakened a lot, they still had a destructive power that could not be ignored!

From the left and right, the two purple-gold fire dragons landed on brave surge’s body!

“Pfft ...”

Under the impact of the huge force, brave surge was instantly injured. He spat out a mouthful of blood and flew back a hundred meters. Like a meteorite, he crashed into a large building of the Muye chapter!

In an instant, everyone was shocked!

“It’s too terrifying! The power of the two purple-gold fire dragons was simply shocking! Lord fenchi didn’t even have the slightest strength to resist and was completely trampled down in one move!”

“Chen Zhufeng’s hiding too much. Xu chengshou had even stolen his spatial ring! He actually had such a powerful trump card hidden on him!”

“Brothers, run! Even Sir fenchi couldn’t beat Chen Zhufeng! If we don’t run now, we’re all going to die!”

The 100,000 wooden leaf disciples were all shrouded in despair!

Fear invaded their minds like a demon, making them feel fear from the bottom of their bones!

The 100,000 people could not even gather their will to fight. They were all scared out of their wits by Chen Xiaobei!

Just a moment ago, they thought that Chen Xiaobei was going to die, and they were ready to watch Chen Xiaobei get tortured to death!

At this moment, they were all scared out of their wits. They panicked and ran in all directions without a care!

But there was no doubt that Chen Xiaobei would not let them go!

“Revenge for ao Feng!”

Chen Xiaobei ordered coldly.

“Yes, sir!”

Xuan po, infernal spirit, Huo yuanba, and Xuanyuan tuohai rushed out immediately! He was like a ferocious Tiger that had entered a flock of sheep, directly starting a massacre!

whoosh ... Whoosh ... Whoosh ...

Then, Chen Xiaobei waved his hand and released a large number of demonic beasts from the ring!

It was a huge sound wave monster, a three-star earth-god!

There were 10000 mayfly demonic crows covering the sky, and all of them were one-star earth-god level! There was only one demonic Crow King, but it was a three-star earth-god!

Xiao 'er, Xiaobai, and Sirius had all reached one-star earth-god advanced stage. Chen Xiaobei let them out!

With their power and special abilities, they could easily deal with ordinary wood leaf disciples!

“Swish!”

Finally, Chen Xiaobei released a Giant Eagle that was burning with demonic Qi!

That's right! It was The Burning Sky Eagle, an intermediate-stage seven-star earth immortal!

Its target was the core disciples and the elders who had higher cultivation!

One should know that the leader of the branch, Chuan Yin Ming, was only a seven-star earth-god, and the cultivation of the elders and core disciples was far inferior to him. Although there were many of them, they were not enough to fill the gaps between the teeth of Burning Sky Warhawk!

Oh my God ... Why are there so many powerful Chen Xiaobei demonic beasts around Chen Zhufeng? help ... Help ...

No... Don't kill me ... I don't want to die ... Let me escape ... Please let me escape ...

“Have mercy ... Chen Zhufeng ... No! Please spare me, Daoist beixuan! Please spare me ...”

In an instant, the entire Stadium was filled with miserable wails!

In the face of the demonic beast Army, the people of mu ye branch didn't have the power to fight back at all. They could only be killed!

Other than begging for mercy, they couldn't do anything!

Without a doubt, the enemy knew nothing about Chen Xiaobei's trump card!

“Swish!”

While the demonic beast Army was massacring the entire battlefield, Chen Xiaobei had already made his way to Wu aofeng!

“The Lord of circulation! Stop Chen Zhufeng! As long as I capture his disciple, I can threaten him to surrender!”

However, at this moment, brave surge suddenly jumped out from the ruins!

This fellow’s body had been charred Black by the witch Dragon strange fire, and his clothes had been reduced to rags! His left cheek and right chest were burnt to a pulp, with blood flowing out!

However, he still had an eight-star earth-god level physique. Although he was seriously injured, he was not completely defeated!

He charged at Wu aofeng with all his might! He knew that Chen Xiaobei cared about Wu aofeng. He was sure that as long as he held Wu aofeng as a hostage, Chen Xiaobei would not be able to escape!

“I ... I’m going all out!”

Liuchuan knew that his nascent soul would not be able to escape Burning Sky Eagle’s pursuit. He steeled his heart and drove his Seven Star Ninja Blade towards Chen Xiaobei!

“Those who block me ...”

Chen Xiaobei’s eyes narrowed, and a blood-red light burst out of his palm. “Die!”

### Red Envelope Group of the Three Realms

#### **Chapter 2940: nine sword cuts**

“Clang!

The sword cry was like a Dragon’s Roar! The blood demon shook the heavens and earth!

In the blink of an eye, a blood-red long sword appeared in Chen Xiaobei’s palm!

what ... What the hell is that thing?!

Liuchuan and Yin Ming were dumbfounded, and even their nascent souls were trembling.”Trembled ... Chen Zhufeng! How ... How many trump cards do you have? You’re basically cheating ...”

“Swish!”

Chen Xiaobei did not answer. He took a step forward and used the witch Dragon’s nine transformation to reach liuchuan!

Chen Xiaobei swung his sword, and then, without looking back, it brushed past liuchuan Yiming!

“Eh? He ... Why did he leave?”

Liuchuan Yiming’s nascent soul was frozen in place. He could not understand what Chen Xiaobei was doing. He swung his sword randomly and then rushed forward!

probably because Chen Zhufeng was too eager to save his friend, so he didn’t want to fight me ... Yin Ming comforted himself.

However, in the next moment, liuchuan Yin Ming’s nascent soul was so shocked that he couldn’t even pick it up!

Crack ... Clang ...

Even if liuchuan Yin Ming had a hundred million brains, he would never have thought that his seven-star earth-god Ninja Blade would break in the middle and the upper half of the blade would fall to the ground!

Looking at the position of the fracture, it was as if tofu had been cut by a sharp blade. It was flat and smooth, without the slightest bit of stumbling!

“It ... It’s broken? My ninjato actually broke?”

Liuchuan Yiming’s pupils suddenly contracted. He felt his scalp go numb and his heart was shaken. He had never felt such fear before!

“Oh my God ... Chen Zhufeng didn’t just randomly swing his sword just now! His blood-red longsword ... Broke my ninjato ... It’s ... It’s too f \* cking terrifying!”

That’s right!

The chaos Blood Sword had been upgraded to an eight-star earth-god level, and its power was far greater than liuchuan Yiming’s Ninja Blade!

Moreover, the chaos Blood Sword was a divine item, the chaos sword embryo. With Chen Xiaobei’s multiple enhancements, it was already invincible among its peers!

The reason why Chen Xiaobei did not stop and brushed past liuchuan and Yin Ming was because he knew that the outcome of the battle was already decided. There was no suspense at all!

A seemingly casual swing of the sword directly broke a seven-star earth-god ninja sword!

“Roar!”

However, the broken sword was only the beginning!

While Yin Ming was still in shock, the roar of a strange beast came from above his head!

this ... What the hell is this?!

Liuchuan Yiming looked up and almost peed his pants!

The head of a strange beast formed by countless blood-red patterns was opening its mouth and coming down at liuchuan Yin Ming’s nascent soul!

Before Yin Ming could figure out what was going on, the giant head of the strange beast bit down and swallowed his nascent soul!

“Hiss ... Hiss ... Hiss ...”

Immediately after, the strange beast’s head rushed elsewhere. Like the god of death, it continued to harvest the nascent souls, souls, and blood essence of the people who were killed!

Without a doubt, Chen Xiaobei was determined to avenge Wu aofeng!

Not only did he want to kill everyone here, but he also wanted to devour their souls so that they wouldn't even have the chance to reincarnate!

The demonic beast Army massacred the entire battlefield, and the strange beast heads harvested the blood essence and souls!

After this battle, the MU ye branch would be completely removed from the earth-god Realm! The gods' Palace behind the MU ye branch would also remember that offending bei Xuan faction would not end well!

"You, come over here!"

On the other side, brave surge was already a dozen meters away from Wu aofeng. He raised his palm and released his ethereal force, trying to control Wu aofeng!

"Whoosh ..."

The powerful eight-star earth-god's ethereal force enveloped Wu aofeng completely!

Wu aofeng was already heavily injured and on the verge of death. Naturally, he could not fight back at all! With just a thought, brave surge could sweep Wu aofeng away!

"Chen Zhufeng! Your precious disciple is already in my hands! Aren't you going to surrender?"

Brave surge laughed arrogantly, "Even if you've hidden your strength deeply, even if you have countless trump cards, the final winner will still be me! This is your fate! A life of certain death!"

"Swish!"

Chen Xiaobei was still 300 meters away! He didn't say a word and just waved his sword!

"Idiot! You actually dare to resist! "Don't you want your disciple's life anymore ... Argh ..." Brave surge was roaring arrogantly, but before he could finish his words, he suddenly let out an extremely miserable howl!

He only heard the sound of the sword blade whistling past his ears!

Brave surge did not know what was happening, but the arm that he had extended towards Wu aofeng was in excruciating pain!

"Woof! Yi ..."

In the next moment, brave surge's arm slid down from his shoulder! Blood spurted out and dyed the ground red in an instant!

Just like the ninjato, brave surge's arms and shoulders were cut off! The cross-section was as smooth as a mirror. Without a doubt, it had been cut open by a sword!

"What ... What is going on? Brave surge screamed in fear, "Uh ... Uh uh uh ..."

"Woof! Buzzzzzz! Yi ..."

Several sword howls pierced through the air in succession, and the excited screams suddenly turned into miserable screams!

Chen Xiaobei's nine strikes were similar to the Overlord's armor removal, but more overbearing and ruthless!

"Bang! Bang! Bang! Bang ..."

The first sword whizzed past, and the other arm of brave surge was the first to fall to the ground!

Immediately after, his legs were cut into six pieces by three consecutive slashes!

Then, three more sword strikes cut open his stomach, turning his internal organs into minced meat!

The last two swords were to attack the top! The first sword cut his head and neck open, and the second sword cut his entire head open like a watermelon!

Who dared to think about it?

Just a second ago, brave surge was still full of energy, thinking that he had Chen Xiaobei in the palm of his hand! In this second, his entire body was chopped into pieces, and he couldn't even put them back together!

"My God ... Chen Zhufeng! You're not a human ... You ... You're a demon!"

His Yuanying drilled out of the broken body and desperately fled to the distance!

At this moment, even if brave surge had an eight-star earth-god level nascent soul, and even had the support of a Dharmakaya! But in front of Chen Xiaobei who was holding the chaos Blood Sword, they did not have the courage to fight!

Escape!

There was only one year left in his heart! Other than that, he didn't want anything else!

"Argh ..."

Unfortunately, the chaos Blood sword's original devouring ability had already been activated!

The speed of the strange beast's head was far faster than that of a nascent soul cultivator! Before brave surge could run a hundred meters away, the strange beast head had already caught up and swallowed his nascent soul!

As soon as the chaos Blood Sword was drawn, even an eight-star earth-god couldn't resist it!

At this point, the dust had completely settled. They only had to wait for the demonic beast Army and the mutant beast heads to clear the battlefield!

Of course, Chen Xiaobei did not let his guard down. He rushed to Wu aofeng's side.

Wu aofeng was already severely injured and he had held on for so long. He was already on the verge of death!

However, there was no doubt that Chen Xiaobei would not give up on Wu aofeng!

“Aofeng! He had to hold on! I swear, no matter what price I have to pay, I will definitely restore you to your original state!” Chen Xiaobei’s eyes were filled with determination!
