

Envelope 2951

Red Envelope Group of the Three Realms

Chapter 2951: stepping on clouds

“Woof!”

The power of this blood-red shadow had reached the mid-stage eight-star earth immortal realm!

Be it speed or strength, it surpassed Lou Yuhong’s heart-eating poison Dragon! The result of the sudden confrontation between the two was self-evident!

With a howl of the wind and the cry of the sword, the poisonous Dragon formed from true energy was directly cut in half!

The blood-red light flashed, causing the broken poisonous Dragon Dharma power to suddenly return to being illusionary!

“Not good!”

Lou Yuhong cried out in alarm, and his expression changed drastically!

After the blood-colored shadow cut through the poisonous Dragon Dharma, it still had a lot of energy left and continued to attack Lou Yuhong!

At this moment, Amethyst radiance sword was clashing with Heavenly Sword in the air. Their strength was equal, and if Lou Yuhong withdrew his sword to protect himself, he would be crushed by Heavenly Sword!

However, if Lou Yuhong didn’t withdraw his sword, his own protective Zhen Yuan wouldn’t be able to block that blood-red shadow!

“BOOM!”

Sure enough, after a moment, the blood-red shadow directly cut on Lou Yuhong’s head!

His protective Zhen Yuan suddenly collapsed!

A sharp and unparalleled sword edge appeared from the blood-colored spiritual light of the yin fiend. It was going to cut off Lou Yuhong’s head!

“Clang”

However, just as Lou Yuhong was about to be killed by one sword, The Silver Mask on half of his face suddenly flashed with spiritual light!

What was unexpected was that this mask was actually a defensive magical equipment!

“Swish!”

The silver spiritual light expanded and turned into a solid shield Dharma form, blocking the blood-red sword!

“Ka! Creak ...”

However, the Silver Shield only lasted for less than three seconds. With a crisp sound, it was broken by the blood-red sword!

“Uh ...”

Lou Yuhong let out a blood-curdling scream as his entire body was hit by a huge force and flew a hundred meters away!

“Brother Lou! Are you alright?”

Seeing this, Zheng Lun was extremely anxious, and hurriedly rushed over.

The hundreds of masked Men in Black were also intimidated. A moment ago, they were still eager to fight, but now, they were trembling with fear and did not dare to act rashly!

“I ... I’m fine ...” She said.

Lou Yuhong steadied himself. Although his heart was pounding and his breathing was rapid, he could still fly in the air, which showed that his injuries were not serious!

“Thank God, thank God you’re alright!” When Zheng Lun heard this, he heaved a sigh of relief.

When the hundreds of masked Men in Black saw this scene, they also relaxed and praised Lou Yuhong.

“As expected of the left protector of the night slaying Guild! That blood-red shadow had the power of a mid-stage eight-star earth immortal. We all thought that the left protector was dead for sure. We didn’t expect that the mask on his face was actually a high-level magical treasure!”

“The left protector really has hidden her abilities! The defensive power of that mask had probably reached the level of a mid-stage seven-star earth-god! It could be considered a very powerful defensive magical equipment! I’ve never seen the left protector use it before, but it can turn the tide at a critical moment!”

“In our line of work, everyone has to keep a life-saving trump card! Lord left protector’s mask resolved the fatal crisis and protected Lord left protector’s safety. Now, it’s Lord left protector’s turn to counterattack!”

Obviously, in everyone’s eyes, although the blood-red sword light was powerful, its power was first offset by the poisonous Dragon Dharma, and then by Lou Yuhong’s body-protection genuine vitality!

The remaining power slashed at The Silver Mask. Naturally, it couldn’t even hurt a single hair on Lou Yuhong!

If the blood-colored sword Ray’s sneak attack failed, Lou Yuhong could use the Amethyst radiance sword to launch a counterattack!

Based on their understanding of Lou Yuhong, if the enemy’s sneak attack could not hurt Lou Yuhong at all, then this enemy would be defeated without a doubt. It wouldn’t be long before he would be crushed to death by Lou Yuhong!

“Ka!”

However, just as everyone was discussing, Lou Yuhong's Silver mask actually cracked from the middle!

A mid-stage seven-star defensive earth-god instrument was split into two just like that. It slid off Lou Yuhong's face and fell to the ground dejectedly!

"Uh ..."

At the same time, Lou Yuhong's face twitched!

At the place where The Silver Mask had cracked, a long bloody mark directly appeared on Lou Yuhong's originally Fair and Handsome face!

Blood quickly seeped out and dyed half of Lou Yuhong's face red!

The group of masked Men in Black were instantly stunned by the scene before them!

Her cheeks were burning hot, as if she had been slapped by an invisible hand. She was so depressed that she could die!

Just a moment ago, they were still saying that Lou Yuhong was uninjured and were even more certain that the enemy was dead!

At this moment, not only was Lou Yuhong's magic treasure broken, but his handsome face was also cut!

This face slap was simply too loud!

"Brother Lou!" "Are you alright?" Zheng Lun asked in shock.

"Uh ..."

Lou Yuhong's face hurt, and his expression twisted, "Damn it ... Why is that blood-red sword shadow so terrifying? More than half of its power had been offset, so how could it still break my life-saving trump card? This doesn't make sense ..."

It was obvious that the blood-red sword energy had slashed out the poisonous Dragon phenomenon first, and its power had been reduced by 30%! Then, it broke Lou Yuhong's protective Zhen Yuan, and the power was reduced by another 30%!

The remaining 40% of his strength not only broke The Silver Mask, but also injured Lou Yuhong's eight-star earth-god level body!

From this, it could be seen that the blood-red shadow was really powerful and terrifying!

that's Chen Zhufeng's chaos Blood Sword!

Zheng Lun's brows furrowed as he said in a deep voice, "This sword was forged from a Primal Chaos sword embryo, and its true form is at the God tier! He was absolutely invincible among those of the same level as him! And the level of this sword is one small realm higher than your cultivation, so your advantage is even greater!"

god level ... What level is that ... Lou Yuhong swallowed his saliva, his face full of disbelief.

For the immortal cultivators in the human world, a heaven-immortal instrument was already an extremely terrifying thing. For them, a God-tier existence was absolutely unheard of, and they could not even understand the horror of that level!

rumor has it that Chen Zhufeng has lost everything, right?” Lou Yuhong asked in a deep voice.

it’s Chen Zhufeng! Zheng Lun said. his interspatial ring was stolen, and the chaos Blood Sword was hidden in his body. So, it wasn’t stolen!

“Magic treasures can be hidden in the body?” Lou Yuhong was dumbfounded, and his three views were refreshed again.

Zheng Lun didn’t comment. He narrowed his eyes and scanned the surroundings, then shouted coldly, “Chen Zhufeng! Come out! The chaos Blood Sword has already been revealed, so why are you still hiding it?”

Zhufeng ... Don’t come out ... Don’t come out ... Qin Yitian’s heart was in her throat.

She was afraid that Chen Xiaobei would show up because the enemy had already set up an inescapable trap!

However, due to her unspeakable difficulties, she could only remain silent. She could only keep all her yells in her heart!

However, in the next moment!

The person in Qin Yitian’s heart was still standing on the somersault cloud. With a frivolous smile, he descended directly in front of the enemy!

[Red Envelope Group of the Three Realms](#)

Chapter 2952: tenfold price

“Chen Zhufeng! It’s you!”

Zheng Lun’s entire being became alert. Although he had already set up an inescapable net, he still did not dare to be the slightest bit careless!

Other people might not know how powerful Chen Xiaobei was!

However, as Lu Yue’s disciple and an ancient immortal of the heavenly court, Zheng Lun was very clear about this! Underestimating Chen Xiaobei was equivalent to suicide!

you’re Chen Zhufeng?!

Lou Yuhong squinted his eyes and carefully observed Chen Xiaobei from head to toe.”I never thought that the famous Chen Zhufeng would be such a young man! I always thought he was some old monster who had lived for hundreds of millions of years!”

“Zheng Lun! Martial nephew Zheng!”

Chen Xiaobei laughed cynically, not caring about the enemy in front of him!

Even if Lu Yue and one or two top forces were here, Chen Xiaobei would not be afraid, let alone Zheng Lun and a few hundred night Sha assassins!

With the three earth-god instruments in his hands, Chen Xiaobei could attack, retreat, defend, and escape underground!

What heavenly network? What strong enemies? In Chen Xiaobei's eyes, all of this was just a joke!

"Stop trying to get close to me! I'm not your martial nephew!" Zheng Lun said coldly.

Chen Xiaobei shrugged and said, "Lu Yue is my master's disciple, which means he is my senior brother! You're Lu Yue's disciple, so according to seniority, you should call me martial uncle!"

[ding! Discovered reincarnated ancient immortal Zheng Lun!]

[Zheng Lun: a famous mountain Qi Practitioner from Nine Dragons Island, the fifth disciple of Lu Yue!]

[cause of death: killed by Wei Hu, disciple of the heavenly Lord of Dao and virtue, one of the twelve golden Immortals of the clan of enlightenment, with the demon-subduing pestle!]

Zheng Lun's expression was cold. my master and I were indeed disciples of the tribe of severity in our previous lives, " he said indifferently. but since we've reincarnated, we have to start from zero! Our fate with the Jie sect is over! I have no feelings for you!"

There was no doubt that the primordial spirit contract was created by the Dao ancestor, and the ability to erase one's heart was much stronger than dog food!

After reincarnating, no matter what identity, status, or position they had in their previous life, the ancient Immortals would be 100% loyal to the master of the contract in this life!

Unless the master of the contract removed the contract of his own accord or the master of the contract was killed, this loyalty would never waver!

If not for that, Chen Xiaobei would not have been able to obtain the loyalty of luohou, Emperor Jiang, and Taiyi at the same time!

"Fate is a mysterious thing!"

Chen Xiaobei raised his brows and smiled. "As long as you surrender, I will have a way to bring you back to the Jie sect! I'll continue to be a disciple of the tribe of severity!"

"Hmph! Are you dreaming?" Zheng Lun said disdainfully, " right now, you have nothing. Yet, we've set up an inescapable trap! The one who should have obediently surrendered was clearly you!"

"Clang! Clang! Clang ..."

All the masked Men in Black pointed their weapons at Chen Xiaobei.

"Ha."

Chen Xiaobei laughed. I'm not trying to be pretentious. But you think you can kill me with just these rotten eggs? aren't you a little too naive? "

“It’s naturally not enough with just the few of them!” Zheng Lun smiled, “however, brother Lou has already set up a” deadly poisonous Sha formation “within a radius of a thousand meters!” Once the formation is activated, the entire space will be covered in poisonous gas!”

“Poison?”

Chen Xiaobei raised his eyebrows and said, “Yes, senior brother Lu Yue is an expert in using poison. You can even say that he’s the number one poison expert below the heavenly path Sage! It’s not strange that you can think of using a poison formation to deal with me!”

Zheng Lun smiled, “ your cleansing Bodhi has been sealed by my master’s dark curse profound talisman. You won’t be able to break out of this deadly poisonous Sha formation no matter what! With brother Lou and his Amethyst radiance sword, you won’t be able to escape even if you have wings!”

As soon as he said this, Lou Yuhong took three steps forward, ready to fight at any time!

Obviously, although Lou Yuhong’s face was cut, it was because he was sneak attacked!

If they could prove that the Amethyst lightsaber could suppress the chaos Blood Sword, Lou Yuhong would be able to defeat Chen Xiaobei with his cultivation!

Seeing this, Qin Yitian’s already anxious heart became even more restless!

Qin Yitian had her own difficulties and could not help Chen Xiaobei openly. She could only lure Chen Xiaobei over.

Initially, Qin Yitian had planned to stay behind and let Chen Xiaobei go while he was busy fighting the enemy!

However, the enemy had already made all the necessary preparations. There was no way they would let Chen Xiaobei go! In this situation, even if Qin Yitian went all out, she would not be of much help to Chen Xiaobei!

Qin Yitian fell into despair once again!

There was nothing he could do now. Whether he lived or died, it was all up to Chen Xiaobei!

“Good plan! Good layout! You are truly worthy of being senior brother Lu Yue’s disciple! As expected, you didn’t embarrass the Jie sect!” Chen Xiaobei was as calm as ever. Not only was he not angry, he even praised Zheng Lun and the others.

“Heh, so you’re going to admit defeat?”

Zheng Lun sneered. this is also good. As long as you obediently surrender and follow me to see exalted immortal Shen, I can guarantee that I’ll only cripple your cultivation and won’t torture you any further! Your body will also be protected from the poison!”

“Admit defeat?”

of course not! Chen Xiaobei laughed. I’ll never admit defeat in my life!

“What’s wrong? Could it be that you still think you have the slightest chance of winning?” Zheng Lun’s eyes narrowed, and he had a vague feeling that things might change.

“Chance of winning?”

“I’m not trying to act cool, but I have a hundred ways to deal with you!” And this group of black-clothed jerks!”

“Hmph! Isn’t this posturing?” Zheng Lun said disdainfully, “ you’re already on the road to death. You still dare to say that you have a hundred ways to break out of this situation? This posturing is almost going to the heavens! I’m begging you, have some face, okay?”

“Martial nephew Zheng, you know nothing about your youngest uncle’s ability!” you’ll know soon enough whether I’m acting cool or awesome! Chen Xiaobei said.

“Alright!”

Zheng Lun sneered. I’ll keep my eyes open and see. If you can break out of this, I’ll chop my head off and let you kick it like a ball!

“Lou Yuhong!”

Chen Xiaobei smiled, looked at Lou Yuhong and said, “ you’re a bounty hunter. You work so hard for the bounty, am I right? ”

“That’s right!”

Lou Yuhong nodded and said straightforwardly, “In this world, the strong are respected, and strength is Supreme! If one wanted to possess strength and become an expert, they definitely needed the support of wealth and resources! In order to earn wealth and resources, I’ve already given up my life a few hundred times!”

Chen Xiaobei looked at her and said seriously, “ “Tell me, how many spirit stones will you earn after killing me? I’ll pay ten times the price! I’m buying you to work for me! Are you willing to do so?”

[Red Envelope Group of the Three Realms](#)

Chapter 2953: acknowledge me as master

“What? Ten times the price?”

Everyone was shocked.

Zheng Lun, Lou Yuhong, the hundreds of masked Men in Black, and even Qin Yitian were all looking at Chen Xiaobei as if he was an idiot. He could not understand why Chen Xiaobei would say something like that.

The hundreds of masked Men in Black were especially ridiculing him.

“Chen Zhufeng! Do you think we’re idiots? Who doesn’t know that everything you have was stolen by Xu chengshou! It would be a miracle if you could even pay one-tenth of the price, let alone ten times the price!”

“One-tenth? You’re overestimating Chen Zhufeng! I bet he can’t even afford 1% of the price right now!”

“Right? This time, the one who issued the bounty mission is a top force. The Super high bounty is unprecedented!”

“That’s right! Whoever can kill Chen Zhufeng and get the reward will be able to fight for a few hundred years less!”

There was no doubt that in the eyes of the crowd, Chen Xiaobei had nothing left!

The main point was that it was the temple of the gods in Aparagodya that had issued the bounty mission behind the scenes!

There was a bounty of one billion upper spiritual stones on Chen Xiaobei’s head. Even if they managed to kill Chen Xiaobei, they would still get 700 million upper spiritual stones!

Among the people present, Lou Yuhong had reached the eight-star earth-god level, which was the respectable King level. Half of the hundreds of black-clothed masked men were city Lords, and the other half were even lower than city Lords!

Whether it was the one billion that captured Chen Xiaobei alive or the 700 million that killed Chen Xiaobei, it was a huge amount of wealth to them!

Other than Lou Yuhong, no one else could afford that much money!

That was why they did not believe that Chen Xiaobei, who had nothing, could be richer than them!

“Brother Lou, Chen Zhufeng is obviously talking nonsense!”

don’t waste your breath on Chen Zhufeng,” Zheng Lun said impatiently. just take him down, Dead or Alive. You can go and claim your reward, then come to me. My master has an extra reward for you!

“Good!”

Lou Yuhong’s eyes narrowed and he sneered, “After this, I would like to be Mr. Lu Yue’s disciple. At that time, I hope brother Zheng can put in a few good words for me!”

“This is only natural!”

of course! Zheng Lun smiled. although my master doesn’t take in disciples easily, if you can really take down Chen Zhufeng, he might be happy and take you in!

“Then I’ll thank brother Zheng in advance!” Lou Yuhong smiled and then looked at Chen Xiaobei coldly.

Qin Yitian became nervous when she saw this.

She did not believe that Chen Xiaobei had any more money. Besides, other than money, Lou Yuhong also wanted to be Lu Yue’s disciple!

It was impossible for Chen Xiaobei to persuade Lou Yuhong to change his side!

But even in such a situation, Chen Xiaobei was still calm and composed. He did not show any signs of fear or panic!

“Brat, are you not afraid of death?” Lou Yuhong asked indifferently.

In Lou Yuhong’s eyes, Chen Xiaobei was already trapped in an inescapable net. The only thing left for him was death!

Logically, Chen Xiaobei should have been scared out of his wits. Even if he did not kneel and beg for mercy, he should at least lower his head and admit defeat!

However, Lou Yuhong did not expect Chen Xiaobei to not only not be afraid, but to be even more cynical!

“Lou Yuhong, if you want to acknowledge a master so much, why don’t you acknowledge me as your master!” Chen Xiaobei gave her a devilish smile, as if he was joking.

As soon as he said that, everyone was stunned at first, and then they burst out with even more intense ridicule.

“Chen Zhufeng! Did your brain get eaten by a dog? You actually want the Lord left protector to acknowledge you as her master? You’re so stupid!”

“The Lord left protector is an eight-star earth-god, and her strength is far above that of an ordinary respectable King. She’s only one step away from the great emperor level! you, a little kid, want to take the left protector as your disciple? He really doesn’t know his place!”

“He’s too pretentious! I’ve never seen such a pretentious person! Why don’t you say you want to take a perfected golden immortal as your disciple? You’re just humiliating the Lord left protector! You’ll soon know what it means to be struck by lightning for acting tough!”

Without a doubt, Chen Xiaobei’s words were a stupid joke to the hundreds of masked Men in Black!

In the entire earth-god Realm, only the top ten magnates were qualified to take Lou Yuhong as their disciple, let alone Chen Xiaobei!

Chen Xiaobei actually wanted Lou Yuhong to be his apprentice? he was daydreaming!

However, for Lou Yuhong to be able to sit firmly in the position of the night temple left protector, other than his skills, he was naturally not stupid.

Everyone was mocking Chen Xiaobei and looking down on him, but Lou Yuhong was the exact opposite! Not only was he not mocking her, he wasn’t even angry!

Chen Zhufeng, you’re calmer and more courageous than I thought!

Lou Yuhong said calmly, “why don’t you tell me why you’re taking me in as your disciple?” What advantage do you have over Mr. Lu Yue?”

“Brother Lou!”

no! Zheng Lun panicked. Chen Zhufeng is just talking nonsense! He’s even more cunning than a Fox! You can’t believe his nonsense!

Lou Yuhong shrugged his shoulders and said indifferently, "It doesn't matter. No matter how cunning the Fox is, he is already in our cage! It's not a big deal to just listen to his nonsense, right?"

"Alright!"

"I also want to hear what other stupid jokes Chen Zhufeng can come up with! Zheng Lun nodded.

All eyes were on Chen Xiaobei.

In the eyes of Zheng Lun and the hundreds of masked men, Chen Xiaobei was just talking nonsense and acting dumb!

They would only see Chen Xiaobei as a joke and would never believe anything he said!

Qin Yitian could not believe that Chen Xiaobei would be able to do that. First of all, Chen Xiaobei had nothing to his name. Secondly, Qin Yitian had come into contact with Lu Yue before. She knew how terrifying Lu Yue was. He was not someone Chen Xiaobei could compare to!

At this moment, only Lou Yuhong believed Chen Xiaobei's words. He looked at Chen Xiaobei with interest and wanted to hear what Chen Xiaobei had to say!

One must know that Lou Yuhong was the left protector of the night temple. He had done countless missions and killed countless people!

Lou Yuhong knew what a person looked like before he died the best!

Even though Chen Xiaobei's words were exaggerated and frivolous, Lou Yuhong could feel that Chen Xiaobei was very different from those who were dying!

Perhaps Chen Xiaobei really had something else to rely on! Therefore, he was not afraid of the danger at all!

Lou Yuhong believed in his intuition! This was an Assassin's intuition!

And so, under everyone's gaze, Chen Xiaobei smiled and said, "Lu Yue, I can only teach you some poison techniques, but I can teach you everything you want to learn!"

[Red Envelope Group of the Three Realms](#)

Chapter 2954

2954 All mine

Can teach everything?

As soon as he said that, everyone present immediately exploded.

"Pretentious! You're acting tough to the extreme!"

"Chen Zhufeng!" Zheng Lun immediately screamed. Do you have any shame? What right do you have to compare yourself with my master?"

Chen Xiaobei shrugged and smiled. Lu Yue is my senior brother. He's only a little older than me. When I reach his age, I'll definitely surpass him in everything!

“PAH!” you’ll die without a burial place today, ” Zheng Lun said disdainfully. my master will re-cultivate to the perfected golden immortal realm and live as long as the heavens and earth! To shine with the sun and the moon! Compared to my master, you’re just a speck of dust!”

“Martial nephew Zheng, don’t be impatient. The facts will prove everything!”

Chen Xiaobei smiled and looked at Lou Yuhong. “Tell me, what do you want to learn? He refined pills, weapons, and seal scripts! Battle tactics, Xuan formation, body-linking soul! Medical skills, Voodoo skills, money-making skills! As long as you are able to say it, I can teach you!”

“You ... You really know so many things?” Lou Yuhong looked at Chen Xiaobei in disbelief.

“Of course! Why Would I Lie to You now?” I don’t believe you! Chen Xiaobei shrugged. if you don’t believe me, you can try me!

Chen Xiaobei was not bragging!

Chen Xiaobei was very proficient in every one of them. At least, no one below the heavenly realm could compare to Chen Xiaobei!

Lou Yuhong did not believe it, but his Assassin’s instinct told him that Chen Xiaobei was not bluffing.

Lou Yuhong thought for a moment and said,“I’m a bounty hunter!” Whether it’s hard training or studying poison and assassination techniques, to put it bluntly, it’s all for the sake of earning more wealth!”

Oh? ” Chen Xiaobei raised his eyebrows. so, you want to learn my way of making money? ”

“Not bad!” “If you can make money in peace and stability, who would still put their head on the knife’s edge and lick the blood?” Lou Yuhong said.

Chen Xiaobei nodded and smiled at Zheng Lun, ” “Martial nephew Zheng, senior brother Lu Yue shouldn’t be good at teaching people how to make money, right?”

“Hmph! What’s so difficult about making money?” as long as I learn unparalleled poison techniques from my master, ” Zheng Lun said disdainfully, ” I can kill a few respectable kings and emperors as I please. I can pay as many spirit stones as I want!

what? ” Chen Xiaobei laughed and asked, ” if Lou Yuhong can’t learn Lu Yue’s peerless poison technique, won’t he be poor for the rest of his life? ”

“This ...”

Oh? ” Zheng Lun’s expression darkened slightly. my master can naturally teach other things. He definitely won’t let his disciple go poor!

“Really?” if I’m not wrong, you don’t even have 100000 high-grade spiritual stones with you right now. If you convert them into spiritual Qi, it won’t even be enough for you to cultivate for an hour! Isn’t this considered poor?”

Zheng Lun’s senior brother, Yang Wenhui, was locked up in the spirit condensing space by Chen Xiaobei.

Chen Xiaobei searched through Yang Wenhui's storage bracelet. There were only 50000 upper spiritual stones, a prosperous monkey fur, and a God's eye talisman. Other than that, there was nothing else. It was pathetic!

That was why Chen Xiaobei could guess that Zheng Lun did not have much wealth and resources on him.

"This ..."

As expected, Chen Xiaobei had hit Zheng Lun's sore spot, and he was left speechless!

Originally, Shen Gongbao and Lu Yue were quite rich.

However, Shen Gongbao had failed to plot against Chen Xiaobei a few times. The clan of enlightenment had gradually lost confidence in Shen Gongbao and their support for him was greatly reduced!

At the same time, Shen Gongbao and Lu Yue were also fighting in The Omen Ridge, trying to take control of the place from the one billion primordial Yimo. As a result, they had consumed a large number of spiritual stones and resources, and there were not many left!

If not, Shen Gongbao would not have sent Yang Wenhui to the auction to steal the transaction amount of that day!

"Brother Zheng ... Is Chen Zhufeng telling the truth?"

Lou Yuhong's brows furrowed, and the way he looked at Zheng Lun became very strange. "You really can't even take out 100000 upper spiritual stones?"

Without a doubt, Lou Yuhong was a bounty hunter, and what he valued the most was profit! And it was a real benefit!

At this moment, in Lou Yuhong's eyes, Zheng Lun was like a prince on a white horse with a noble status! Unfortunately, this Prince only had a gorgeous appearance and couldn't give Lou Yuhong any practical benefits!

Seeing how poor Zheng Lun was!

Even if Lou Yuhong used his toes to think, he knew that if he acknowledged Lu Yue as his master, not only would he not be able to earn money, but he might also be as poor as Zheng Lun!

He couldn't even take out 100000 upper spiritual stones. Not only did Lou Yuhong feel disdainful, but even the hundreds of masked Men in Black showed a look of contempt!

Although they didn't say it out loud, they were all ridiculing him in their hearts. Zheng Lun was full of lies, but in reality, he was a pauper!

Although Lu Yue's guidance was useful, they might not be able to learn from him!

What's more, the people at the scene were bounty hunters because they lacked money! The only way was to get the spirit stones!

Although the crowd didn't completely fall out with Zheng Lun, there was no doubt that Zheng Lun's prestige in their hearts had been greatly reduced!

Lou Yuhong's heart to acknowledge Lu Yue as his master had also wavered!

If Chen Xiaobei could really teach Lou Yuhong how to make a fortune, he would really acknowledge Chen Xiaobei as his master on the spot!

Lou Yuhong pushed Zheng Lun aside and walked towards Chen Xiaobei, "Chen Zhufeng, I'll be honest with you. I really need money. If you can teach me how to make money, I'm willing to be your disciple!

"This is too easy!"

I don't think so. Chen Xiaobei said, "the Qincheng, Beichen, and green Lotus Chamber of Commerce have just arrived in the earth-god Realm, but I'm sure you've heard of them!

"Not bad! I know that!"

Lou Yuhong nodded and said, "the main business of the Qincheng Chamber of Commerce is live streaming and games!" Livestreaming videos had become popular in the earth-god Realm, and the main game, "glory of the apocalypse", was even more popular among young people! The most profitable of the three is the Qing Cheng Chamber of Commerce!"

"The Beichen Chamber of Commerce deals with cosmetics, first love peaches, and the latest hundred fruits Dragon dick moonshine! The production cost of this business was higher than that of livestreaming and gaming! But the rarer something is, the more expensive it is. The profits from the first love peach and Dragon dick moonshine will definitely not be low!"

"Lastly, there's the green Lotus Chamber of Commerce. Their main business is pill refining! Even though the cost of producing elixirs was extremely high, the green Lotus Chamber of Commerce had a special technique that could produce perfect elixirs that could release elixir Qi! It can be said that one pill is hard to find, and the profits are extremely high!"

Lou Yuhong was very short of money and wanted to make money very much. He had a good connection with these three Chambers of Commerce and had obviously done some research.

He even wanted to set up his own Chamber of Commerce, but Lou Yuhong didn't have the technology for live streaming and gaming. Lou Yuhong also didn't have the cost of producing and refining pills. Other than envy, Lou Yuhong couldn't do anything!

Chen Xiaobei saw through everything and smiled. "There's one thing you don't know yet, right? These three Chambers of Commerce are all mine!"

[Red Envelope Group of the Three Realms](#)

Chapter 2955: enemy wavering

how ... How is this possible?!

Chen Xiaobei's casual words had a huge impact on everyone's heart!

Even Qin Yitian could not believe it, let alone the others.

“Chen Zhufeng! Can’t you use your brain before you act tough? Qingcheng, Beichen, and green Lotus Chamber of Commerce were all upstarts in the earth-god Realm! You should be thanking the heavens if you can have one of them!”

“Yup! Chen Zhufeng, you don’t even deserve one! You actually dare to say that all three meetings are yours? Aren’t you afraid that you’ll hurt your tongue when you brag?”

“After deducting the costs, the annual net income of the three Chambers of Commerce will not be less than one billion upper spiritual stones! That was the total tax revenue of an entire capital city! Chen Zhufeng, if you’re that rich, you’ll be so cocky! Why hide your identity as the big boss behind the scenes?”

.....

Everyone didn’t believe it, and Lou Yuhong was even more so. Chen Zhufeng, do you have any evidence for what you said? ”

“Evidence? Aren’t the spirit stones the evidence?”

you guys wait here! I’ll get someone to send the spiritual stones over! Of course, you have to tell me a number in advance!”

“What amount?” Lou Yuhong’s expression froze slightly.

I’ve said it before. I’ll pay ten times the price for you to help me! Chen Xiaobei said. As long as you state your price, I’ll definitely satisfy you!”

“This ... This is actually real?” Lou Yuhong was instantly dumbfounded. Even the hundreds of masked Men in Black were also dumbfounded.

When Chen Xiaobei said that he would pay ten times the price for them to switch sides, they thought that Chen Xiaobei was just acting cool and did not believe him at all!

They would never have thought that Chen Xiaobei would actually offer them ten times the price!

“The world laughed at me for being too pretentious, I laughed at the world for not being able to see through it!”

“I, Chen Zhufeng, have never been a pretentious prick!” Chen Xiaobei smiled. As long as it’s something that comes out of my mouth, it will definitely be fulfilled! Of course, if you want to take my money, you’ll have to complete the mission I’ve assigned you first!”

As soon as he said this, Lou Yuhong and the hundreds of black-clothed masked men replied in unison, “Good! If you can really give us ten times the bounty, we will complete your task even if we have to risk our lives!”

Without a doubt, they were all in need of money! Since he could help others for money, he could help Chen Xiaobei for money too.

Moreover, Chen Xiaobei had offered ten times the price! This meant that these people had to complete ten missions of this level in a row to earn the same amount of money!

The main point was that a mission of this level had never appeared before. Even if they wanted to do it ten times, they would not have the chance!

And now, Chen Xiaobei had given them a chance!

As long as they could complete Chen Xiaobei's mission, they would be able to solve their financial crisis and even save many years of hard work!

They would definitely cherish such an opportunity!

Childe Chen is indeed extraordinary!

Lou Yuhong immediately changed the way he addressed Chen and said, "This time, the 'Demon Vanquisher Vajra' of the ten thousand Buddhas Pagoda of the Western aparagodaniya province has issued a bounty mission. The reward is one billion upper-grade spirit stones to capture you alive!"

"Childe Chen, as long as you can give us 10 billion upper spiritual stones, we'll do anything for you! There's no problem with anything!"

As soon as he said that, the hundreds of masked Men in Black all nodded in agreement!

don't worry! Not only can I give you 10 billion spiritual stones, but I can also have Jin Fei and Yiru deliver them to you personally. That will prove that the three major guilds belong to me!

It was obvious that Chen Xiaobei wanted to recruit Lou Yuhong! Therefore, he did not forget to make Lou Yuhong acknowledge him as his master!

Anyone who could catch Chen Xiaobei's eye must have something special about them!

Perhaps Chen Xiaobei had already discovered something unusual about Lou Yuhong!

Lou Yuhong was really short of money, so he said in a deep voice, if you can prove that the three Chambers of Commerce belong to Childe Chen, I'm willing to become Childe Chen's disciple and learn how to make money!

"Let's wait and see!" Chen Xiaobei smiled, took out his phone and made two calls.

"Brother Lou! You can't believe Chen Zhufeng's nonsense!"

Seeing the scene before him, Zheng Lun instantly couldn't remain calm. "Chen Zhufeng must have called for help! Hurry up and get rid of him, or the consequences will be unimaginable!"

Obviously, Zheng Lun knew about the three Chamber of Commerce. To Zheng Lun, the consequences would be too horrible to imagine!

However, Lou Yuhong had no intention of listening to Zheng Lun. don't worry, brother Zheng. There's the deadly poison Sha formation here. If Chen Zhufeng dares to play any tricks, I can kill him with a snap of my fingers!

"This ..."

Zheng Lun wiped his cold sweat and said awkwardly, "If brother Lou doesn't listen to me, then I can only leave first!"

“Leave first? You wish!” Before Lou Yuhong could say anything, Qin Yitian had already blocked Zheng Lun with Heavenly Sword!

“Qin Yitian! What ... What are you doing?!” Zheng Lun was so flustered that he was sweating profusely.

“I’m not doing anything!” Qin Yitian replied indifferently. However, I can’t let you leave before you finish your mission to assassinate Chen Zhufeng!”

“You ... You don’t look like you want to kill Chen Zhufeng at all! You’re obviously on Chen Zhufeng’s side!” Zheng Lun’s brows furrowed tightly, and his entire body trembled. He was on the verge of peeing.

“What? You’re saying that Chen Zhufeng and I are on the same side?” “Then all the more reason you can’t leave!” Qin Yitian said coldly. You have to stay here and watch me kill Chen Zhufeng!”

miss Qin ... Great aunt Qin ... Zheng Lun’s tears were falling.”You said you wanted to kill Chen Zhufeng! But in fact, you’re just waiting for Chen Zhufeng to kill me! Please let me go, I promise I won’t tell anyone!”

“Do you think I’ll believe your promise?” stay here, ” Qin Yitian said coldly. otherwise, don’t blame me for being merciless!

this ... Zheng Lun looked helplessly at Lou Yuhong. He wanted to ask for help, but Lou Yuhong didn’t want to bother with Zheng Lun at all.

Zheng Lun had no choice but to obediently stay behind.

After a while, two figures flew over from not far away on their swords.

“Look! Two people were coming over! Who are they!”

“Jin Fei! He was a high-ranking official of the Beichen Chamber of Commerce who was escorting the first love peach! I saw him escorting the first love peach to my main city to sell it!”

“The one beside him is righteous man! He was the president of the green Lotus Chamber of Commerce! I saw him when he came out for a big business deal last time!”

It was obvious that the hundreds of masked Men in Black were not ordinary people. Some of them recognized Jin Fei and Daoist Yiru.

“Greetings, sect master!”

“Greetings, master!”

Everyone was shocked to see Jin Fei and Daoist Yiru bow to Chen Xiaobei at the same time.

[Red Envelope Group of the Three Realms](#)

Chapter 2956: take his life

Sect master? Master? What was the meaning of this?

The crowd was shocked. They could not understand why Jin Fei, a high-ranking member of the Beichen Chamber of Commerce, would address Chen Xiaobei as the faction leader. Why did the leader of the green Lotus Chamber of Commerce address Chen Xiaobei as his master?

Even if the two Chambers of Commerce belonged to Chen Xiaobei, they should be calling him boss! The relationship between them was too complicated! Everyone was confused!

“I’ll explain it!”

I’m the faction leader of bei Xuan faction. Qingcheng, Beichen, and Qinglian are all businesses under bei Xuan faction! Jin Fei was the first brother to follow me! Yiru is the sixth of my six direct disciples!”

Hearing this, Jin Fei and Daoist Yiru nodded at the same time, which directly confirmed the relationship between Beichen Chamber of Commerce and Bei Xuan faction in the region of Green Lotus Chamber of Commerce!

Lou Yuhong, Qin Yitian, and the hundreds of masked Men in Black were all shocked!

Especially the hundreds of masked Men in Black, their faces were burning with embarrassment. When they thought of the words they had used to mock Chen Xiaobei, they felt as if they had been slapped in the face!

Qin Yitian finally heaved a sigh of relief. As long as he had the financial support of the two Chambers of Commerce, Chen Xiaobei would have the bargaining chip to negotiate with Lou Yuhong! He could finally get through this difficult time safely!

At the same time, Zheng Lun’s entire body started to shiver. His heart was beating so wildly that it was almost about to fly out of his throat! If Chen Xiaobei had really bribed Lou Yuhong and the others, Zheng Lun would not be able to escape even if he had wings!

“Lou Yuhong, now you should believe that Beichen and Greenlotus Chamber of Commerce are mine, right?”

Chen Xiaobei smiled, took out his phone and said, “As for the Qincheng Chamber of Commerce, the president song Qincheng is my wife! Not only does she have to manage the Chamber of Commerce, but she also has to help me manage two imperial cities. She definitely won’t come, but I have a photo of her in my phone!”

As they were talking, Chen Xiaobei opened the photo album on his phone. He flipped through it and saw many intimate photos of him and song Qincheng.

it can’t be wrong ... It can’t be wrong ... the more Lou Yuhong looked at Chen Xiaobei, the more shocked he became. He finally believed Chen Xiaobei.

After all, song Qincheng’s name was already well-known in the business world!

However, this woman rarely showed her face in public and only appeared in a few promotional events of the live broadcast company.

Countless rich businessmen were looking for opportunities to get close to and even pursue song Qincheng, but they could not find the slightest opportunity!

In the eyes of countless people, song Qincheng was like a mysterious Queen! Even if others wanted to see her, it would be as difficult as ascending to the heavens!

However, Chen Xiaobei's phone was filled with intimate photos of him and Song Qincheng!

What was even more unbelievable was that Song Qincheng, the domineering Queen of the business world, looked like a delicate little wife in the photo!

She was always leaning on Chen Xiaobei like a little bird. The way she looked at Chen Xiaobei was always filled with happiness and even worship, as if Chen Xiaobei was her world! It was her everything!

"I believe you!"

Lou Yuhong swallowed and looked away from Chen Xiaobei's phone screen. "I believe that the three Chambers of Commerce are all under the Xuan faction! Childe Zhufeng is not just pretending, he's really something!"

"It's good that you believe me!" "Trust is the most important thing in business!" Chen Xiaobei grinned.

Jin Fei walked over and handed a storage bracelet to Chen Xiaobei. "Master, here are the 10 billion upper spiritual stones you asked for!" He said.

In fact, the storage bracelet was empty and was just for show.

After Chen Xiaobei took it, he secretly transferred 10 billion upper spiritual stones from his infinite space ring.

Lou Yuhong and the hundreds of black-clothed masked men instantly became excited, their eyes filled with fanaticism!

They were all people who lacked money. Otherwise, they wouldn't have risked their lives to go to the night temple to take on missions!

Chen Xiaobei had ten billion spiritual stones in his hand, which was equivalent to holding the lifeline of these people!

"The money you want is here. Lou Yuhong can come and verify it!" Chen Xiaobei said.

this ... Lou Yuhong's expression was slightly startled, and he said, "Aren't you afraid that I'll suddenly kill you and take all your spirit stones?"

"I'm not afraid!"

"I believe your appetite is not that small!" Chen Xiaobei said. If you wanted to earn more spirit stones, you wouldn't have killed me! Moreover, if you kill me, the three Chambers of Commerce will definitely find more assassins to hunt you down! I don't think you want to see this result!"

"Childe Chen is right! I naturally want to follow you and earn more spirit stones! Not to mention that I won't kill you, even if others want to kill you, I won't agree!" Lou Yuhong walked over and took the storage bracelet from Chen Xiaobei's hand.

Chen Xiaobei nodded and smiled.

After the spiritual communication, Lou Yuhong immediately confirmed, "Childe Zhufeng is a man of his word! There are indeed 10 billion upper spiritual stones in the medium storage bracelet, not a single stone less!"

After that, Lou Yuhong returned the storage bracelet to Chen Xiaobei.

Just as Chen Xiaobei had said, Lou Yuhong's appetite was not that small. If he wanted to earn more spiritual stones, he could not just focus on the immediate benefits!

Only by working with integrity could Lou Yuhong earn big money with Chen Xiaobei!

Seeing this, the hundreds of masked Men in Black became even more fanatical. Their blood was boiling and they were full of fighting spirit.

"Childe Chen! Hurry up and tell me your mission! We'll immediately help you complete it! If you have any other missions in the future, remember to ask us to do them!"

"Childe Chen! This is the first time we've seen such a generous and forthright sugar daddy like you! Just say the word! We won't even bat an eye if we have to climb a mountain of daggers or plunge into a sea of fire!"

"That's right! We'll definitely do a good job in this mission! Childe Chen, if you need anything in the future, just call us!"

Without a doubt, the hundreds of masked Men in Black were not stupid. They all wanted to continue working with Chen Xiaobei! Even a fool wouldn't go against spirit stones!

"Childe Chen! Please give the order! We'll do anything!" Lou Yuhong also expressed his attitude and waited for Chen Xiaobei's orders!

I have three tasks. First, help me take down Zheng Lun. Don't hurt him! Chen Xiaobei said.

"This ... Isn't this too simple?" Lou Yuhong and the hundreds of black-clothed masked men simply couldn't believe their ears.

Zheng Lun almost spat out a mouthful of blood, completely despairing.

secondly, you must keep my relationship with Qin Yitian a secret. You can't tell anyone about it! Chen Xiaobei continued.

"No problem! This is also very simple!" Lou Yuhong and the hundreds of black-clothed masked men immediately agreed.

Chen Xiaobei nodded and said, "third, ask that 'demon subduing Vajra' from the ten thousand Buddhas Pagoda out. I want his life!"

[Red Envelope Group of the Three Realms](#)

Chapter 2957: evil demon's curse

"What? You ... You want to kill the demon-subduing Vajra?"

Chen Xiaobei's casual words had a nuclear-level impact on everyone's heart.

Childe Zhufeng ... Your mission is too difficult ...

Lou Yuhong swallowed his saliva and said awkwardly, "That demon-subduing Vajra is one of the nine Guardian vajras of the ten thousand Buddhas Pagoda! His cultivation has reached the nine-star earth-god Realm. We can't kill him with our strength!"

The hundreds of masked Men in Black around them also fell silent. Their excitement from earlier had been swept away. Their boiling blood and high fighting spirit had been doused with a basin of cold water, turning them cold!

"If that's the case, I won't force you!"

those who do not dare to carry out the third mission, you can come over. Each of you will receive a million upper spiritual stones. Consider it the reward for completing the first two missions!

As soon as he said that, nine out of ten of the hundreds of black-clothed masked men ran over.

A few of them grabbed Zheng Lun and brought him to Chen Xiaobei.

"Childe Chen! Zheng Lun had already caught it! We swear that we won't leak anything about miss Qin! I hope we'll have more opportunities to work together in the future!"

Childe Zhufeng, this is my number. Please note it down. If you have any missions, just call me!

"This is my number ... This is mine ..."

There was no doubt that these people didn't dare to make an enemy of the demon fighter Vajra. After completing the first two tasks, they could easily get one million upper spiritual stones, which was already a great profit for them.

They fought to leave their phone numbers, thinking that Chen Xiaobei's money would be easy to earn, and they could continue to work for him in the future.

no problem. I'll look for you again if I have any missions in the future! Chen Xiaobei did not reject them. First, he locked Zheng Lun into the spirit condensation space. Then, as he distributed the spirit stones, he also left these people's phone numbers!

Obviously, Chen Xiaobei spent this money to keep Qin Yitian's Secret, in case the Blood Moon Swordmaster heard anything and threatened her safety!

If these black-masked men wanted to continue working with Chen Xiaobei, they would definitely keep this a secret!

Soon, more than 300 masked Men in Black had left, and Chen Xiaobei had paid them 300 million upper spiritual stones!

It was not a small number but to Chen Xiaobei, it was just a drop in the ocean! 300 million could buy peace of mind and more than 300 friendships. It was definitely not a loss!

Don't forget, the identities of this group of black-clothed masked men were all existences at the level of city Lord and Deputy city Lord! Chen Xiaobei would need it in the future!

In the end, only Lou Yuhong and 18 masked Men in Black were left!

Obviously, they all knew the power of the demon fighter, but they were all in need of money. They would risk their lives to fight for it!

“Why aren’t you guys leaving?” Chen Xiaobei asked.

Lou Yuhong looked at the 18 people around him and said in a deep voice, “ we’re all in need of spiritual stones. Even though we know that this is a dangerous mission, we still want to try. If we succeed, Childe Chen, please give us the reward!

“No problem!”

I’ll give you all the rewards as long as you listen to me! Chen Xiaobei said. I’ll even help you pay the 300 million that was just given out!

“Childe Zhufeng is such a loyal friend! How forthright! Please give the order, we’re willing to die for you!” Lou Yuhong and the other 18 people bowed to Chen Xiaobei, their respect for him growing.

Chen Xiaobei nodded and said, “ “You guys go and contact that demon fighter first. Tell him that you’ve trapped me and ask him to come and get me!”

“A-are we getting him to come over now?” Lou Yuhong swallowed his saliva and was a little nervous. “Although the deadly poison Sha formation is set up here, the level of the poison is probably not enough to break the ten thousand Buddhas Pagoda’s indestructible body!”

“It doesn’t matter, you guys just have to call him over!” “Go and do it!” Chen Xiaobei said.

yes ... Lou Yuhong and the others nodded and retreated to the distance.

“Yitian,” Chen Xiaobei then turned around and walked towards Qin Yitian.

“Don’t come over! We are enemies! I will kill you!” Qin Yitian looked a little nervous. Her beautiful eyes were filled with complicated emotions.

“Don’t say one thing and mean another! There are no more enemies here!” I don’t care what difficulties you have. Just tell me and I will help you solve them! Chen Xiaobei said.

“No! I don’t have any difficulties ... Qin Yitian shook her head. Her expression was dejected, and her tone was downcast. She was obviously trying to be brave.

“You don’t believe me?” don’t worry! Chen Xiaobei said. we’ve gone through thick and thin together. Have you forgotten about this? ”

I ... Qin Yitian pursed her lips. Her heart was in a mess.

Chen Xiaobei saw through her and said calmly, “ “Don’t worry, no matter what you tell me, I won’t say a word. Until I’m 100% confident that I can help you solve your difficulties, I’ll still pretend to be your enemy! I definitely won’t let the Blood Moon Sword Master harm you!”

“Alright ...”

Qin Yitian struggled for a long time, unable to betray her own heart. Finally, she explained, " back then, in order to avenge you, I went into seclusion to cultivate. In the end, I accidentally activated the seal in Heavenly Sword!

this seal was left behind by the Blood Moon Swordmaster. It seals the true power of Heavenly Sword and the inheritance of an ancient evil demon!

"It was because of this inheritance that I was able to reach the dongxu stage and become a seven-star earth immortal in a short time! However, after I obtained this power, I was planted with the curse of the evil spirit!"

if I don't listen to the Blood Moon Swordmaster, he will activate the curse and make me lose my humanity completely, turning me into a murderous machine!

back then, after my cultivation was successful, I received the Blood Moon Swordmaster's summon. I rejected him at first, but he activated the demonic curse in my body and razed the entire White Tiger Palace to the ground!

I was afraid that innocent people would be implicated by me and have no choice but to accept the Blood Moon Swordmaster's summons. That's why I left you without saying goodbye and left The White Tiger continent on my sword!

"I've been following the Blood Moon Swordmaster since then. He's been busy with his cultivation and recuperation, so he hasn't done anything big yet! His only action was to cooperate with Shen Gongbao and the Tianji city to take your life!"

Obviously, Qin Yitian had always been a good girl who was cold on the outside but warm on the inside. Although she looked murderous on the surface and made people fear her, her heart was very kind and full of justice!

It was precisely because she was afraid of being controlled by the Blood Moon Swordmaster and doing evil things that Qin Yitian had no choice but to lower her head and submit to the Blood Moon Swordmaster temporarily!

"Interesting!"

don't worry! I have a way to get rid of the demonic curse on you! Chen Xiaobei grinned.

how ... How is this possible?! Qin Yitian's expression froze in disbelief.

[Red Envelope Group of the Three Realms](#)

Chapter 2958: sneak attack

"The demonic curse in my body isn't poison, nor is it an injury. It's an extremely evil energy! No matter how good your medical skills are, you can't cure it!"

Qin Yitian shook her head and said, " I've already thought about it. The only solution is for you to kill me. This way, I won't be threatened by the Blood Moon Swordmaster anymore and won't do anything outrageous!

“Is this the end you asked me to come here today?” “Silly girl, trust me!” Chen Xiaobei said. I’ll definitely have a way to help you remove the curse! If you piss me off, I can even help you kill the Blood Moon Swordmaster!”

“What!” you’ve lost everything? ” Qin Yitian frowned. why are you still so arrogant? ” The Blood Moon Swordmaster has a heaven-immortal artifact!”

“A heaven-immortal artifact? Heh, you’re speaking as if I didn’t!”

“I’ll be honest with you since you’re one of us!” Chen Xiaobei laughed. Xu chengshou didn’t steal anything from me that night at the auction! Instead, I took advantage of the fact that everyone was unconscious to kill Xu chengshou and hide the space ring, letting Xu chengshou take the blame for me!”

“Ah?” Qin Yitian was taken aback. Her beautiful black eyes widened, and she could not believe her ears.

“Why don’t you think about who I am!” Chen Xiaobei raised his brows and laughed evilly, ” “Those who want to scheme against me will only be schemed to death by me in the end!”

that ... That’s true ... Qin Yitian nodded, embarrassed.”Smart, cunning, and never at a disadvantage! This is the Chen Zhufeng I know!”

“It seems like you know me well!” Chen Xiaobei chuckled.

“Xu chengshou tried to plot against you, but you killed him instead. He even took the blame for you!” Qin Yitian said, embarrassed. Zheng Lun wanted to scheme against you, but in the end, he didn’t hurt you at all. Instead, he was easily captured by you!”

“That Vajra wanted to kill you ... And now, you’re going to kill him ...”

Qin Yitian swallowed and said nervously, ” “Do you really have the confidence to deal with the demon fighter? He was The Guardian Vajra of the ten thousand Buddhas Pagoda, and his cultivation was extremely high! And he practices external techniques all year round, so his physical strength is shockingly strong!”

don’t worry! I have a hundred ways to kill him! Chen Xiaobei said with a smile.

is ... Is this true? ” Qin Yitian still could not believe it.

“You just have to wait and see!” Chen Xiaobei’s tone was calm, but it exuded a domineering aura, as if he had everything under control.

mm ... Qin Yitian could feel Chen Xiaobei’s confidence. She was willing to trust him.

“Childe Chen!”

At this time, Lou Yuhong ran over and said, the demon fighter has agreed. He’s coming with the reward now!

“Very good!”

Chen Xiaobei nodded and said, ” “Yitian, you should leave this place first. You can’t let the enemy see you!”

"I won't go far. If there's anything strange here, I'll come and help you!" let's go, " Qin Yitian said in a low voice. She immediately flew into the sky on her sword and hid among the dark clouds.

"Lou Yuhong, open the deadly poison Sha formation!" "And give me an antidote!" Chen Xiaobei said.

"Yes, sir!" Lou Yuhong nodded and gave Chen Xiaobei an antidote.

Lou Yuhong and the others still wanted to work with Chen Xiaobei for a long time. Naturally, they would not harm Chen Xiaobei. The antidote would definitely work!

Whoosh ... Whoosh ...

After Chen Xiaobei took the antidote, the poison killing formation was activated and released a dark purple poisonous gas that enveloped the space around Chen Xiaobei.

Chen Xiaobei had taken the antidote, so he was safe and sound.

"Uh ..."

Suddenly, Chen Xiaobei wailed and fell to the ground, his face contorted in pain.

"What ... What is going on?"

Lou Yuhong and the others were shocked, 'Childe Zhufeng took the antidote, how could he still be poisoned? We've taken the antidote too ... We're all fine ... Childe Chen, please be safe ..."

Lou Yuhong and the others were scared out of their wits. They quickly gathered around Chen Xiaobei and examined him carefully.

However, they couldn't see any problems!

"Hehe! It seems like my acting skills haven't deteriorated!"

Suddenly, Chen Xiaobei grinned and lay down on the ground, as if nothing had happened.

Childe Chen ... You ...

Lou Yuhong and the others came to a realization. "Were you just pretending? Your acting skills are too good! You've deceived so many of us!"

"It's just so-so. I was just acting just now!" I can't believe it! Chen Xiaobei shrugged. if I can hide it from you guys, I can probably hide it from the evil king Kong too!

As soon as he said this, Lou Yuhong immediately came to a realization. "I understand! Childe Chen wants to use himself as bait to confuse the Vajra, and then we'll sneak attack him when he's unprepared!"

"Smart!"

Chen Xiaobei nodded and said, " all of you, prepare your trump cards. Sneak attacks and assassinations shouldn't be a problem for you!

"No problem!"

Lou Yuhong and the others nodded heavily and said, with Childe Chen's brilliant plan, our chances of winning have greatly increased!

get ready. Think about how to trick that guy. Find the right time and kill him in one strike! Chen Xiaobei continued to lie on the ground, looking relaxed. He did not take the king Kong seriously.

"Yes!" Lou Yuhong and the others nodded heavily, and their morale was high again.

Originally, they only had a one in ten thousand chance of winning, and they had to risk their lives to fight!

But now, with Chen Xiaobei's brilliant plan, as long as they made their move at the right time, they might be able to complete the mission without any deaths!

All of a sudden, everyone's admiration for Chen Xiaobei increased by another level.

.....

"Swish!"

After a while, a Golden Shadow cut through the dark sky like a shooting star and fell to the peak of Mount Huangchao!

After it landed, a burly figure appeared in the golden light!

It was a warrior monk of the Buddhist League with thick eyebrows, big eyes, and a tough and stocky build! His body was wrapped in a golden protective Zhen Yuan, looking sacred and solemn, as if an Arhat from heaven had descended to the world. Even evil and crooked people would not be able to avoid it!

"We pay our respects to the demon-subduing Vajra!" Lou Yuhong and the other 18 people cupped their hands and saluted, very respectful to the great martial monk.

"Dispense with the formalities!" The head monk waved his hand and asked, "where's Chen Zhufeng?"

"He's lying down in front!"

"Chen Zhufeng's body is special. Although he was poisoned, he didn't die!" Lou Yuhong said. It's not good for us to move him, in case he escapes after leaving the poison formation, so we can only ask the demon fighter Vajra to come and take over!"

"Good! Good job!" The demon vanquishing Vajra grinned. While his mouth was praising, his hand suddenly condensed true Yuan!

"Boom boom boom ..."

Tens of thousands of Zhang *(3.3m per Zhang) of golden light suddenly burst out!

The palm of the Vajra instantly turned into a small sun, which even lit up the dark night!

No one had expected that the terrifying palm, which was infused with the power of a nine-star earth-god, would actually slap Lou Yuhong!

"Not good!"

Lou Yuhong was shocked. His pupils contracted, his scalp went numb, and his heart almost stopped beating!

Lou Yuhong had wanted to find an opportunity to sneak attack the demon-subduing Vajra, but he had never expected that he would be sneak-attacked by the demon-subduing Vajra as soon as they met!

The fatal palm strike was imminent!

Red Envelope Group of the Three Realms

Chapter 2959: hypocritical and shameless

“Clang!”

Lou Yuhong was worthy of being a top assassin. He was best at sneak attacks and had an instinctive premonition against other people’s sneak attacks!

In this moment of life and death, Lou Yuhong suddenly drew his Amethyst radiance sword!

However, the Grand monk had made his move earlier and was so close that before the power of the Amethyst radiance sword could be fully activated, the terrifying golden light palm had already struck!

“Bang!”

Only a muffled sound was heard! The head monk’s Vajra finger palm directly collided with the blade of Amethyst radiance sword!

A huge swastika Buddhist seal appeared, and it actually suppressed the Amethyst radiance sword!

What was even more incredible was that the warrior monk didn’t use any Dharma Treasures. He used his palm to suppress the sword and his palm was not damaged at all!

It could be seen that the strength of this great monk’s body was already comparable to an earth-god instrument!

Just now, Lou Yuhong had mentioned that the ten thousand Buddhas Pagoda had a body-tempering secret technique called the indestructible body of Vajra!

This great martial monk could become one of the nine Guardian vajras of the ten thousand Buddhas Pagoda because he had already cultivated the indestructible body of Vajra to its full state! It was terrifying to train the body and soul!

“Uh ...”

The power of the Amethyst Moonbeam sword was not fully activated and was directly suppressed. Part of the power of the demon fighter’s palm was offset, and the remaining power all hit Lou Yuhong!

Lou Yuhong’s entire body suddenly flew backward a few hundred meters and fell heavily on the ground like a meteorite falling, causing a small part of the mountain to collapse!

And this terrifying impact was mainly concentrated on Lou Yuhong’s arm that was holding the sword!

From his fingertips to his shoulder, at least seven or eight bones in his right arm were broken. His muscles and tendons were swollen and painful as if they were about to explode! The web between his thumb and forefinger split open, and blood gushed out. He almost couldn't even hold his sword!

Seeing this, the eighteen masked Men in Black cried out in alarm.

"He's too strong! Not only does the Vajra train his body, but he also practices the top Buddhist cultivation technique. His true essence is also very strong. Even if the Amethyst radiance sword is fully activated, he's not the Vajra's match!"

we're done for ... The Vajra suddenly launched a sneak attack, and Lord left protector is already seriously injured. The remaining people are not even enough to be killed by the Vajra's palm strike!

"We're finished ... We're completely finished ... We're dead ..."

According to Chen Xiaobei's original plan, the 18 masked Men in Black were going to ambush The Guardian when he was completely defenseless!

However, no one expected that the demon fighter Vajra would take the initiative and sneak attack Lou Yuhong when he was unprepared!

The situation was suddenly reversed. The eighteen masked Men in Black were instantly shrouded in despair, and their fighting spirit was completely scattered!

Without a chance to launch a sneak attack, it would be meaningless even if they fought with all their might! Because of the huge difference in power, no matter how they fought, they would die!

"Uh ..."

At this moment, Lou Yuhong stood up with great difficulty and walked over with tottering steps.

Not only were the eighteen masked Men in Black shocked, but even the Vajra was shocked.

"How can you still stand up after suffering such heavy injuries?" The demon Vanquisher Vajra frowned and couldn't believe his eyes!

One must know that he had used all his strength in the demon-subduing Vajra palm just now!

Although the Amethyst flowing light sword had blocked part of the power, Lou Yuhong's realm was an entire realm lower than the demon fighter Vajra. Even if he wasn't directly smacked to death, he wouldn't be far from death!

How could he still stand? This was too unbelievable!

At the same time, Chen Xiaobei was also secretly observing Lou Yuhong. Using the Traditional Chinese Medicine's Qi observation technique, he could see a deeper level than others!

At this moment, not only did Lou Yuhong stand up, but the injuries on his body were actually slowly recovering on their own!

In fact, this was also the reason why Chen Xiaobei wanted to recruit Lou Yuhong!

Earlier, the chaos Blood Sword had cut through Lou Yuhong's Silver mask and left a bloody mark on his cheek!

No one else but Chen Xiaobei noticed that the wound was slowly healing itself! Even though he was not fast, Chen Xiaobei was sure that Lou Yuhong's physical body was very different from a normal person's!

Chen Xiaobei could not help but think of Yun fanqing's Dharma bone divine body and Qing Bao's Green Phoenix divine body!

Perhaps Lou Yuhong was also the chosen one with an inborn divine body, but his body had not yet matured, so his special ability was not too obvious!

Chen Xiaobei had made up his mind to recruit Lou Yuhong. As long as he was properly trained, he would be a great help to the Xuan faction in the future! It might even bring him other opportunities!

"Demon fighter ... What do you mean?" he asked. Lou Yuhong walked a few dozen meters away and asked with difficulty.

"Heh, you're really something! You can still stand up after taking a palm strike from me!"

The Vajra sneered. Since things have come to this, I'm not afraid to tell you directly. The ten thousand Buddhas Pagoda's bounty for Chen Zhufeng's capture is a top secret. Not a single word can be revealed. Only the dead can keep this secret!

so you're burning the bridge after crossing the river and killing the donkey after it's done ... Lou Yuhong sighed, "I only knew that evil people would do this, but I never thought that the monks who claim to be merciful would do this ..."

The Vajra sneered and said, "ha, Buddhism is just an orthodoxy, and mercy is just morality!" We can just talk about it, but it's a different matter how we do it!"

"Hypocrite!" Lou Yuhong's face was full of disdain. He spat a mouthful of bloody phlegm on the ground. He looked down on this kind of hypocrite who had a mouth full of mercy but hands full of blood!

In comparison, Lou Yuhong was obviously more open and honest!

Everything he did was for the sake of money. He never hid this, nor did he find an excuse to disguise himself! Even if others ridiculed him for not acknowledging his family for the sake of money, at least he dared to do it, so he dared to admit it!

He was not like the Vajra bodhisattvas in the ten thousand Buddhas Pagoda, who spoke of benevolence and righteousness, but did things that were not benevolent or unjust!

"Hypocritical?"

Hmph! the Vajra sneered. If I tell you that my ten thousand Buddhas Pagoda can save one billion upper-grade spiritual stones by killing all of you, what are you going to scold me for? "

"Shameless!" Lou Yuhong's face was filled with anger.

Even if capturing Chen Xiaobei alive was not a secret and the ten thousand Buddhas Pagoda did not need to kill them, Lou Yuhong and the rest had to die!

That was because the ten thousand Buddhas Pagoda was still thinking about the one billion upper spiritual stones reward!

The ten thousand Buddhas Pagoda was not only unkind, unjust, and hypocritical to the extreme, but also extremely shameless!

For a moment, Lou Yuhong and the 18 people were filled with grief and indignation. They were even more depressed and aggrieved to the extreme!

If they had the ability, they would definitely fight to the death to kill the demon vanquishing Vajra to vent their anger!

Unfortunately, even if all of them combined, they were still no match for the demon-subduing Vajra!

"I've said what I needed to say! Just obediently accept your death!" The Vajra sneered as he gathered his vital essence in his palm again!

Chapter 2960: overbearing

"I'm finished ..."

Lou Yuhong and the 18 black-clothed masked men instantly fell into endless despair.

Although Lou Yuhong's injuries were recovering, the speed of recovery was very slow. Moreover, even if Lou Yuhong fully recovered, he was definitely not the demon-subduing Vajra's opponent!

After all, the Amethyst radiance sword was a nine-star earth-god instrument, while Lou Yuhong was only an eight-star earth-god.

In a state full of spiritual energy, the Amethyst Moonbeam sword could be activated ten times. It had already been activated twice just now, which meant that there were only eight more times left!

Even if the Amethyst radiance sword could block the demon vanquishing Vajra, it would still be defeated after eight exchanges!

The main point was that the demon fighter trained his body and soul, and his true essence was also extremely powerful. He could suppress the Amethyst radiance sword by himself!

Without eight exchanges, Lou Yuhong would probably be completely crushed within three to five moves!

"Clang!"

Of course, Lou Yuhong definitely wouldn't sit still and wait for death. He once again activated the power of the extreme Purple Moonbeam sword.

"What's wrong? Do you still want to make a final struggle? This is completely meaningless!"

you've reminded me," the Vajra sneered. after I kill all of you, all your wealth and treasures will be mine!

The demon Vanquisher Vajra's eyes were filled with greed as he stared at the Amethyst radiance sword. He grinned hideously and said, "My biggest regret in this life is not being able to have a nine-star earth-god instrument of my own! I have to thank you for making up for my regrets!"

"Don't be so smug! Even if I die, I'll peel off a layer of your skin first!" Lou Yuhong was also a ruthless person. He knew that death was the only way out, but he didn't give up easily. As long as he was still breathing, he would fight to the end!

"You're an idiot!"

The Vajra sneered disdainfully, "you?" You can't even hurt a single hair of this Lord, and you want to peel off a layer of this Lord's skin? That's pure nonsense!"

"BOOM! BOOM!"

As he spoke, the demon fighter opened his left and right hands, and his Golden Palms suddenly hit Lou Yuhong!

The resplendent swastika appeared once again. Under the bright and Holy appearance, there was a monstrous killing intent!

There was no doubt that the demon fighter had made up his mind to kill everyone here, and he would never leave anyone alive!

"Yinian! Heaven-severing!"

At the same time, Chen Xiaobei would not let Lou Yuhong get killed. He took advantage of the moment when the demon fighter attacked and launched a sneak attack!

"Swish!"

In an instant, a mysterious black and white spiritual light shot toward the demon-subduing Vajra!

"You want to sneak attack? Heh, aren't you too naive?"

The demon vanquishing Vajra's expression froze for a moment, but he didn't panic and directly dodged!

Because The Guardian was still some distance away from Chen Xiaobei, and its speed was extremely fast, the attack was dodged by The Guardian!

Severing the heavens with a thought was a Saint-level primordial spirit attack. Anyone below the quasi-Sage level would lose their ability to fight once they were hit by it!

However, there was a big flaw in using the severing heaven with a thought. The speed of the attack was directly proportional to Chen Xiaobei's current cultivation!

Chen Xiaobei's cultivation was at the pinnacle of the Golden elixir realm, and his attack speed was at the same level!

Against an enemy that was faster than him, Chen Xiaobei could only sneak up on them. If the enemy dodged, his divine will interception would be completely ineffective!

The current situation was exactly like this!

The king Kong's speed was many times faster than Chen Xiaobei's. In a flash, he dodged the attack!

"Chen Zhufeng? Weren't you poisoned?"

The Vajra looked over and saw that Chen Xiaobei had stood up. He looked normal and did not seem to be poisoned.

Childe Chen?!

Lou Yuhong and the eighteen masked Men in Black were also shocked.

To them, Chen Xiaobei was the one who gave them the mission. He could just lie on the ground and play dead, then take the chance to escape. There was no need for him to get involved in this battle.

They did not expect Chen Xiaobei to stand up, and he did not seem to be afraid of the venerable Exorcist at all!

Chen Xiaobei had a frivolous smile on his face, as if everything was under his control. "I was planning to use the heaven severing single thought to launch a sneak attack and end the battle easily! But I didn't expect this old bald donkey to be so black-hearted and shameless. He actually wanted to kill me to silence me!"

"What? You want to ambush me?"

The Vajra slightly frowned, thought for a moment, and laughed disdainfully, "Hahaha ... You bunch of trash actually dare to have designs on this Lord? He was simply stupid! Don't you know how to spell the word "death"?"

"Childe Chen! Hurry up and leave, I'll help you stall this old bald donkey!" Lou Yuhong held his sword horizontally in front of him, desperately trying to protect his financier.

This was the professional ethics of a bounty hunter, and also Lou Yuhong's bottom line!

"Rest well! I'll take care of this old bald donkey myself!"

Chen Xiaobei smiled and said, "If they want my life, I will make them pay the price!"

this ... Lou Yuhong's expression froze, and he said in surprise: "Your sneak attack has failed, and your magical equipment has been stolen. How are you going to fight this old bald donkey?"

The 18 masked Men in Black were also extremely worried.

In their eyes, Chen Xiaobei was the weakest one in the group! The strange thing was that Chen Xiaobei was not afraid of the demon Vanquisher venerable at all. He seemed to be the strongest one there!

"Little brat, have you been scared silly?" I'm one of the nine Guardian vajras of the ten thousand Buddhas Pagoda. My strength is comparable to a nine-star earth-god instrument. What do you have to fight me with? " Demon Vanquisher venerable sneered.

Chen Xiaobei laughed. I'm not trying to act cool. But if I want to kill you, it'll be as easy as killing a chicken!

“What? You little brat, you actually dare to speak such arrogant words! This isn’t acting cool? You’ve been acting so cool that you’ve reached the heavens!” The Vajra suddenly became furious.

Usually, the demon fighter would be looked up to no matter where he went. Even if he was walking among the top forces, he would be treated with respect by the big shots! Lou Yuhong and the others were terrified when they heard the name of the demon-subduing Vajra!

But in front of Chen Xiaobei, the king Kong was not even as good as a chicken?

Without a doubt, the demon fighter felt extremely humiliated! To him, this was absolutely a great humiliation!

“Boom boom boom ...”

The two swastika Buddhist seals in the Vajra’s palm suddenly expanded by three times! This was all the strength he had, all the strength he had to kill Chen Xiaobei in one move!

Childe Zhufeng ... Lou Yuhong and the 18 masked Men in Black all sighed. They could not understand why Chen Xiaobei would still provoke the king Kong! This was simply courting death! Fancy death seeking!

“Just now, the reason why I chose to launch a sneak attack was to maximize the benefits and reduce the consumption of spiritual energy! Now, since the sneak attack has failed, I can only use up the spiritual energy that should be used!”

However, even in such a situation, Chen Xiaobei only waved his hand casually and said, “Old bald donkey, you can kneel down now!”
