### [Red Envelope Group of the Three Realms](#)

#### Chapter 2971

2971 Xiangyun Bodhisattva

[ you have gained 4.5 billion new believers! ] The total number of believers was 64.5 billion! (Only '100 million' as the unit, the rest of the numbers are not calculated in detail.)

"My original number of new believers was 4.4 billion, and now there's an additional 100 million! From the looks of it, out of the 500 million evil ghosts that were converted, 400 million chose to reincarnate, while the remaining 100 million stayed in the earth realm to cultivate!"

Chen Xiaobei was very pleased with himself!

As long as there was a mind, no matter if it was a human, a demon, a ghost, or even a demon, they would have their own beliefs!

After the yin ghosts fell into the underworld, since they were unwilling to reincarnate, their memories and thoughts would not be washed away. They could naturally retain their faith!

That was why Chen Xiaobei was able to gain 100 million new followers in such a short time!

"The number of new believers I have now is 4.5 billion. If I manage to reach six billion, I'll be able to continue exchanging for a level 6 heavenly Dao life span Halo! Breaking through to the next realm can increase the lifespan of an ordinary person by seven times!"

Chen Xiaobei was looking forward to it, but he remained calm, "I'm still short of 1.5 billion believers. If nothing major happens, it'll be difficult to accumulate them. I'm afraid I'll have to wait slowly if I want to increase my lifespan aura ... Hmm? This can't be ..."

Suddenly, Chen Xiaobei's face showed a very complicated expression!

Surprise, surprise, and confusion!

"How could this be? The number of new believers began to soar again! Furthermore, it's rising at a much faster rate than before!"

Chen Xiaobei furrowed his brows and asked, "It can't be that all Yin ghosts don't reincarnate, right? Even so, the new number would not exceed 500 million! From the looks of it, they must have come from other places!"

"What is master planning?" The reborn ghost king asked in a low voice.

I can sense that the number of believers is increasing. I don't know what's going on ... Chen Xiaobei frowned.

"A believer? Increase? Master can even sense this?" When the Vajra heard this, he was stunned.

The reborn ghost king thought for a while and said, "I'm guessing that the Holy Light of Buddha that converted the evil ghost just now must have caused the phenomenon of heaven and earth!" When the

people in the three main cities around the Devil's Den see this, they will definitely think that this has something to do with Immortals, Buddhas, and bodhisattvas!"

"Heavenly phenomenon? How could there be such a strange phenomenon?" Chen Xiaobei asked.

"Master, you may not know this, but in order to intimidate the people in the surroundings, I once placed many light-reflecting crystals in the mountain walls that enveloped the Devil's Den!"

normally, these crystals will reflect the eerie ghost fire in the devil's Cave, " the reborn ghost king said. with the addition of the evil and death Qi, the entire Devil's Cave is shrouded in an evil and murderous aura, making the people tremble in fear!

"Just now, when master activated each celestial talisman, it bloomed with ten thousand Zhang of Buddhist light! When there were many, master activated dozens of them in a row! I'm afraid that the light has already been refracted by the light refraction crystals and taken out, causing the devil's Cave to be covered in the light of Buddha!"

Obviously, according to the rebirth ghost king, if the entire rebirth devil cave was enveloped by the holy and bright light of Buddha, the spectacular scene could be called a phenomenon of the heavens and earth!

in other words, the new believers I'm getting now are from the Buddhist commoners who have seen the phenomenon of the world!

Chen Xiaobei was excited. Let's go out and take a look now!"

.....

Outside the devil rebirth cave!

The Sheng deity's Buddha light had gradually dissipated. At the same time, the eerie ghost fire and ghost Qi in the devil's Cave had also disappeared!

In the eyes of outsiders, it was the baptism of the Buddhist light that had completely removed the demonic Qi in the Devil's Den! It would return the world to normal and make it like an ordinary mountain!

The citizens of the three main cities saw all of this!

From the moment the light of Buddha appeared, many people had already noticed the strangeness. They knelt down in the direction of the rising light of Buddha and prayed devoutly!

The discussions about the Buddhist light were endless.

he has wreaked havoc in the devil birth cave for tens of millions of years. The people of our three cities have suffered from the scourge of evil ghosts. Today, the gods and Buddhas have appeared and finally removed this big cancer!

even the ten thousand Buddhas Pagoda, Heavenly Dragon Temple, and three-Saint nunnery can't do anything to the devil birth cave. It must be the spirit of the Buddha who edified all evil and returned peace to the people of our three cities!

“I wonder which Buddha or Bodhisattva is merciful? We should build a temple for him and burn incense to worship him!”

“That’s right ... If you want to build a temple to offer incense, you should at least know which Bodhisattva you’re offering! Otherwise, he would be too insincere!”

Just as the people were discussing, a few energetic young men ran over.

“Everyone! We just went to check it out on our flying swords and saw a black-robed young man fly out of the devil birth cave!”

“That young man is handsome and extraordinary, and he is full of righteousness! He’s stepping on rainbow-colored golden clouds and has a Vajra protector beside him!”

“If I’m not wrong! It was this young man who created the phenomenon of the overflowing Buddhist light just now. He must have cleansed the evil in the Devil’s Den and converted all the evil ghosts!”

Hearing the words of these few youths, the commoners once again broke out into cheers.

“It can’t be wrong! There was no mistake! The light of Buddha filled the sky! The ghostly Qi dissipated! Auspicious clouds as a base! Guardian Vajra! That young man must be a heaven realm Bodhisattva!”

“Well said! The sacred Pagoda Bodhisattva of the ten thousand Buddhas Pagoda was just what the people respectfully called an ordinary Bodhisattva! That young man is the real Bodhisattva from the Western Paradise!”

“The Bodhisattva has appeared! Great mercy! To save people from suffering ... Great mercy! To save people in distress ...”

As the rumors spread, more and more people began to believe from the bottom of their hearts that the young man standing on the clouds was a real Bodhisattva!

In such a situation, even the three city Lords stood out.

“Hurry up! The few of you who are lucky enough to see Bodhisattva in person, quickly find a painter! Draw out the portrait of the Bodhisattva first!”

“After that, I’ll find a craftsman to cast a Dharmakaya for Bodhisattva! From now on, we will build a large number of new temples in our three cities to worship this Bodhisattva!”

“Since this Bodhisattva came on clouds, his temple should be called ‘Xiangyun temple’! We will call him the ‘Xiangyun Bodhisattva’!”

.....

Soon, the legend of Xiangyun Bodhisattva spread throughout the three cities!

Many people, especially those who were conservative and evil, were grateful to the Bodhisattva and gradually became his believers!

At the same time, in the sky!

Chen Xiaobei was stepping on the somersault cloud, slowly leaving the place with the demon fighter.

Without a doubt, the Xiangyun Bodhisattva that the people were so grateful to was none other than Chen Xiaobei!

There were three billion people in the three cities. If only half of them became believers, Chen Xiaobei's wish to upgrade his heavenly life Halo would be fulfilled!

[ new believer added ... ]

### Red Envelope Group of the Three Realms

#### **Chapter 2972**

2972 Birthday wishes from descendants

[ you have gained 6 billion new believers! ] The total number of believers was 66 billion! (Only '100 million' as the unit, the rest of the numbers are not calculated in detail.)

As expected, Chen Xiaobei had achieved the number of believers he had hoped for.

Moreover, even though the speed was greatly reduced, new believers were still increasing in succession.

Good people would be rewarded. It was indeed not nonsense!

This time, Chen Xiaobei had spent 30 billion upper spiritual stones to activate the earth-escape divine gourd, and 500 million merit points to exchange for the heart-returning talisman. He was doing this with the spirit of punishing evil and promoting good!

In the end, Chen Xiaobei obtained a divine-level formation, a large spiritual vein, 3.5 billion merit points, a nine-star earth-god ghostly slave, and 1.6 billion new followers! It was simply profiteering without end!

Of course, the Mithril that Chen Xiaobei had been looking forward to the most was now in his hands. He could now start to strengthen his netherspirit battlescouter!

Other than the rewards mentioned above, there was another important benefit. Chen Xiaobei had become the auspicious cloud Bodhisattva in the hearts of the people of the three cities!

In fact, this was Chen Xiaobei's biggest gain from this trip!

"Congratulations, master! Congratulations, master! Your good deeds are earth-shattering and have won the approval of the people of the three cities!"

The Vajra said with a fawning expression, " "With the identity of the Xiangyun Bodhisattva, you can really reach into the Western aparagodaniya state! It might even be possible for him to subdue the pagoda! After all, you are a true Bodhisattva! He's 108000 times stronger than that Holy tower bald donkey!"

I naturally understand the logic behind this. I don't need you to be long-winded! Chen Xiaobei's tone was cold. He did not like the king Kong.

"Master is wise, I've spoken too much!"

it's also fortunate that master had the foresight to keep the reborn ghost king into the Meru space in advance. the Vajra continued to flatter him. if someone saw this, I'm afraid that your name as Bodhisattva will be doubted!

"Foolish!"

I'm the one who cleansed the rebirth demon cave! Even if someone saw the rebirth ghost king, they would think that I'm the one who captured him! They would never suspect that I'm in cahoots with him!

"The people won't doubt it, but it's inevitable that someone will make an issue out of this!"

The Vajra said in a low voice, "don't think that aparagodaniya is a Buddhist-style territory and that it's a peaceful and prosperous place! However, in reality, there are many schemes and schemes in the dark. Master, you will slowly learn about them in the future!"

"Forget it, my current goal is not aparagodaniya!" it's not that I don't know! Chen Xiaobei said. tomorrow is old ancestor Xuanyuan's birthday party. I have to go!

yes ... the Vajra stopped talking nonsense and obediently lowered his head.

.....

In the imperial capital of Xuanyuan.

Zhaofu restaurant.

Chen Xiaobei threw out a human-skinned mask to hide the king Kong's true identity and to ensure the safety of the place.

Chen Xiaobei called the six disciples and Qiu Ling 'er into the private room to ask about the situation.

you've been in the city all this time. Have you heard anything about tomorrow's birthday banquet? " Chen Xiaobei asked.

I heard that the birthday banquet will be held at night. However, all the guests from the earth-god Realm will arrive in the morning! Feng Qingyang said.

"Why did you ask the guests to come in the morning?" Chen Xiaobei asked again,

"That's because there's a 'birthday celebration ceremony for our descendants' at noon!" All the guests will be attending the ceremony!"

"Birthday wishes from the descendants? What's the situation then?" Chen Xiaobei asked.

the so-called 'birthday celebration' refers to the descendants of the Xuanyuan family showing off what they have learned in the past year in front of the ancestor and the guests! Huo yuanba explained.

"To the outside world, we must show our talents so that the guests can see that the Xuanyuan family has a worthy successor! The guests will be able to appreciate the strength of the Xuanyuan family!"

"Internally, this birthday celebration is actually the annual family competition of the Xuanyuan family! Whoever can achieve good results and get old ancestor Xuanyuan's recognition will have a much higher status in the family and a bright future!"

“The family competition? This is interesting!” Chen Xiaobei raised his eyebrows and laughed, “It’s such a fun event, let’s go and participate!”

“Hehe! Is shizun going to cause trouble?” Wu aofeng grinned and said, “When the time comes, you must let me be the vanguard!”

Hearing this, Daoist Yiru couldn’t help but smile, “Fourth senior brother’s nickname is face-smacking little tornado! I really can’t stay idle for even a moment!”

“Of course!”

Wu aofeng grinned evilly and said, “I have a master who can help me show off and fly!” God block, God face smacking! Buddha blocks Buddha’s face! Passion! Just thinking about it makes me happy!”

Chen Xiaobei frowned and said, “You better restrain yourself! Haven’t you had enough of the lesson from last time?”

“There are no outsiders here, right?” “Don’t worry, master, I know what to do!” Wu aofeng said cheekily. I’ll be a bit unbridled in front of my own family, but in front of outsiders, I’ll definitely be calm and restrained!”

“Forget it!”

Chen Xiaobei waved his hand and turned to the other side. “Tuo hai, are you ready? Tomorrow will be the day you return to the Xuanyuan family!”

I ... Xuanyuan taohai pursed his lips and hesitated for a long time before asking, “master, are you trying to declare war on the Xuanyuan family by causing such a ruckus at the birthday banquet tomorrow?”

“What’s wrong? You still can’t bear to part with the family that abandoned you?” Chen Xiaobei retorted.

After a moment of silence, Xuanyuan tuohai sighed, “although they abandoned me back then, they at least spared my life ... Master’s thunderous methods will definitely make Xuanyuan tuohai suffer a crushing defeat. I don’t want to see the Xuanyuan clan exterminated ...

“You’re thinking too much!”

I don’t have any deep grudges with the Xuanyuan family. I’m just here to seek justice for you tomorrow! Chen Xiaobei said with a smile. There shouldn’t be any deaths on the day of the birthday banquet!”

with Master’s words, I’m completely at ease ... Xuanyuan tuohai sighed and heaved a sigh of relief.

“Fifth junior! You’re too soft-hearted!”

Wu aofeng said, “When they abandoned you, they did spare your life, but how much have you suffered all these years? How many times had he entered the gates of hell? If it wasn’t for shizun’s rescue, would you still be alive?”

without master’s help, I’m afraid I’d have died on devil earth ... Xuanyuan taohai lamented.

“Isn’t this settled?” “The Xuanyuan family doesn’t care about you, but you care about them?” Wu aofeng asked. Are you panicking because you’re full?”

“That might be true ... But ...”

Xuanyuan taohai’s brows furrowed as he sobbed. my father and mother should still be in the Xuanyuan family. I’ve been dreaming of meeting them all these years ... I wish them well ...

Wu aofeng was speechless!

Everyone’s faces changed as they were deeply touched!

### Red Envelope Group of the Three Realms

#### **Chapter 2973: wareye level up**

“Blood is thicker than water! I can understand tuo Hai’s thoughts!”

Qiu Ling ‘er was a woman, and she was very sensitive. She said in a low voice, “My parents died early. Although I didn’t spend much time with them, they were the ones I missed the most! I’m willing to pay any price if I can see them again!”

Xuanyuan tuohai nodded silently, speechless.

Although Xuanyuan tuohai had the blood of evil spirits, he was a kind person. Following Chen Xiaobei, he had been influenced by the righteousness of punishing evil and promoting good!

Although his parents had made thousands of comparisons, Xuanyuan tuohai could not be heartless.

Furthermore, his parents might have other difficulties!

If he didn’t figure out the truth behind this, Xuanyuan tuohai would never be able to let it go!

“Your master understands your intentions!”

Chen Xiaobei patted Xuanyuan tuohai’s shoulder and said, “ we’ll go over earlier tomorrow. I’ll try to help you inquire about your parents!

“Really?”

Hearing this, Xuanyuan taohai’s dim eyes instantly lit up, and he was extremely excited.”Disciple thanks master! This disciple will never forget shizun’s great kindness!”

“The matter is settled. You can all go back and rest!” let’s go! Chen Xiaobei grinned. we’ll leave together tomorrow morning!

“Yes, sir!” Everyone received the order and left.

Chen Xiaobei sighed, but he could not rest. He entered the verdant Emperor’s divine gourd alone.

He took out his netherspirit battlescouter, Mithril, nine nether evil Qi, and netherworld relics, then took out the witch Dragon strange fire!

That’s right!

Chen Xiaobei was going to start enhancing his netherspirit battlescouter!

“Whoosh ...”

Chen Xiaobei took out the heaven and earth furnace and absorbed all the heaven and earth spiritual aura from it!

He had accumulated enough Heaven Earth spiritual aura to upgrade the witch Dragon heavenly flame to the mid-stage eight-star earth immortal realm!

Then, Chen Xiaobei placed the four core materials into the heaven and earth smelt!

“Merit record!”

Chen Xiaobei then used the merit book to exchange for other supplementary materials.

This time, Chen Xiaobei was going to upgrade his netherspirit battlescouter to a peak nine-star earth-god instrument!

This process was not only long and complicated, but it also consumed a lot of energy!

There were thousands of supplementary materials alone, and each of them was a high-tier earth-god item!

Fortunately, these supplementary ingredients were not rare in the earth-god Realm. The exchange price was quite cheap, so it was not a problem for Chen Xiaobei!

[ ding! Merit points successfully exchanged. 5 billion merit points have been deducted! ]

[ your current merit points are 93.5 billion (charm: 9.35 billion, luck points: 9.35 billion) ]

After exchanging for all the supplementary ingredients, Chen Xiaobei placed them into the heaven and earth smelt according to their respective ratios.

“Whoosh ...”

Chen Xiaobei took out the upgraded witch Dragon Flame and began to modify the netherspirit battlescouter according to the method that Yama had taught him.

Of course, the slaves that were captured last time were taking turns to activate the sunlight cache to help Chen Xiaobei save as much time as possible!

Originally, although the witch Dragon heavenly flame had been upgraded, its fire level was still far lower than the three peak earth-god level core materials. It would take a long time to refine them! It could be as short as a few years, or as long as a few hundred years!

Luckily, Chen Xiaobei had a fragment of Nirvana Black Lightning!

With the help of the black Lightning ability, he had weakened the defense of the three peak-stage earth-god items and greatly accelerated the refining speed!

After all the materials had been refined, Chen Xiaobei released his ethereal force to guide, channel, and merge all the materials into the netherspirit battlescouter!

Chen Xiaobei had the scholar heart, so he followed the instructions of the King of Hell without any mistakes.

.....

Time passed, and in the blink of an eye, it was already the morning of the next day!

Chen Xiaobei had been working for a total of 20 hours! 1200 minutes!

Within the sunlight cache's special ability, this was equivalent to 1200 days and nights, which was almost more than three years!

One could only imagine how difficult the strengthening this time was!

Fortunately, despite the difficulties, the final result was very satisfactory!

"Done! The netherspirit battlescouter had been successfully upgraded! It's only one step away from becoming a heaven-immortal artifact!"

Chen Xiaobei put away the heaven and earth smelt and put on his netherspirit battlescouter. He was in a good mood.

The lifespans of the captured slaves were almost depleted. Chen Xiaobei was so happy that he let them go.

Of course, Chen Xiaobei was not going to let them run around. He had The Guardian deity watch over them and sent them through the portal back to the divine Yin temple.

.....

"Is everyone ready? We'll set off now!"

Chen Xiaobei gathered Qiu Ling 'er and the six disciples and walked out of zhaofu tower in high spirits.

"Disciple greets master!"

Suddenly, a figure walked towards Chen Xiaobei and kneeled down in front of him with great respect!

"Who is this?"

Qiu Ling 'er and the six disciples all frowned, not knowing who this man was.

"Get up!"

Chen Xiaobei smiled and introduced, "This is my newly accepted seventh direct disciple, Lou Yuhong!"

"The seventh disciple?" Qiu Ling 'er and the six disciples were all a little surprised. They carefully observed Lou Yuhong, but no one could see through Lou Yuhong's cultivation. It was clear that Lou Yuhong's cultivation was far above theirs!

"Yuhong, remember this!"

"This is miss Qiu Ling 'er. She's The Guardian of bei Xuan faction!" These six are your senior martial brothers!"

"Disciple Lou Yuhong greets protector Qiu! Greetings, six senior brothers!" Lou Yuhong, on the other hand, was very respectful. Although he was very strong, he was very polite.

sect master ... Qiu Ling 'er frowned and asked, "What cultivation level is this Lou Yuhong at? How come I can't see through it?"

[ ding Yingluo's cultivation: early Mahayana stage. Lifespan: 910,000, physical body: 20 billion, combat power: 20 billion, primordial spirit attack-three-star heaven immortal level!

Chen Xiaobei used his netherspirit battlescouter and saw through Lou Yuhong's background!

Originally, the netherspirit battlescouter was only a seven-star earth-god level device, and it could only spy on people below that level!

But now that his netherspirit battlescouter had reached the peak of earth-god level, Chen Xiaobei could see anything below heaven-god level!

"Eight-star Mahayana realm, 20 billion combat power and physical strength!"

of course! Chen Xiaobei said, "Yu Hong might be my seventh disciple, but his cultivation is the strongest among all the philosophers!

"What? Eight-star Mahayana stage?" Everyone was shocked when they heard this.

Who would have thought that Chen Xiaobei would take in such a powerful disciple!

Chen Xiaobei smiled, feeling proud of himself.

Of course, Chen Xiaobei was more interested in Lou Yuhong's primordial spirit attack!

Three-star heaven immortal level!

In the earth-god Realm, this was a very rare level!

If I'm not wrong, this must be related to Lou Yuhong's special physique!

"Master, you're going to the Xuanyuan family to offer your birthday greetings, right?" Lou Yuhong asked.

Chen Xiaobei shrugged and smiled. "

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2974**

2974 The Xuanyuan heavenly Palace

"Not ... Not to offer birthday greetings? Then what are you going to do?"

Lou Yuhong's face was filled with shock.

It was a happy day for the birthday banquet, and they went there with such a large number of people, but it was not for the birthday celebration. What good thing could it be?

An ominous premonition welled up in his heart, making Lou Yuhong feel a little uneasy.

Chen Xiaobei was smart enough to see through Lou Yuhong's thoughts. He said calmly, "If you don't dare to go, you can stay in zhaofu brothel. You're not needed today anyway."

As soon as he said that, the faces of Qiu Ling 'er and the six disciples all changed slightly!

They could sense that there was still some barrier between Chen Xiaobei and Lou Yuhong. They did not have absolute trust in each other!

“No, master, you’ve misunderstood!”

Lou Yuhong’s expression was slightly startled. Naturally, he didn’t want to be suspicious of his master and senior brother, so he quickly said, from the moment I acknowledged you as my master, I’ve already become a member of bei Xuan faction. We’re bound together for good or bad, so of course we’ll stick together!

“Well, it’s good that you can think like this!” Chen Xiaobei nodded and smiled. as long as you’re loyal, the entire bei Xuan faction will treat you as family!

“Yes! This disciple will remember shizun’s teachings!” Lou Yuhong nodded heavily, not daring to be negligent.

In fact, Lou Yuhong was already 70% loyal!

Firstly, he really wanted to learn how to make money from Chen Xiaobei! Secondly, he could tell that Chen Xiaobei was not an ordinary person. If he followed Chen Xiaobei now, he might be able to reach the top in the future!

However, other than loyalty, Lou Yuhong still had 30% of his concerns!

After all, in Lou Yuhong’s eyes, Chen Xiaobei was too arrogant and overbearing. He did not know how to keep a low profile at all. He would go head to head with the top forces!

Lou Yuhong’s concern was that if anything happened to Chen Xiaobei, he would be implicated!

Of course, as long as Chen Xiaobei could show enough strength to stand on equal grounds with the top forces, Lou Yuhong’s worries would be dispelled! He even completely convinced Lou Yuhong and made him 100% loyal!

It was human nature to seek good fortune and avoid disaster!

Lou Yuhong was worried about the danger, so he had some concerns!

But if Chen Xiaobei could teach Lou Yuhong how to make money, give him a bright future, and ensure his safety!

Then, what reason would Lou Yuhong have to be disloyal to Chen Xiaobei?

So, Lou Yuhong’s loyalty was all dependent on Chen Xiaobei’s performance!

That was why Lou Yuhong had chosen to follow Chen Xiaobei even though he knew that nothing good would come out of it. He wanted to observe Chen Xiaobei’s strength and Foundation!

.....

The Xuanyuan heavenly sect!

It was located at the core of the imperial capital of Xuanyuan. The scale of the sect was huge, and the number of disciples alone was more than five million!

In the core of the Xuanyuan heavenly sect, there was a huge Palace as tall as a mountain!

The Xuanyuan heavenly Palace!

The ancestor of the Xuanyuan family, Xuanyuan zhengyong, lived at the top of the palace!

The core members of the Xuanyuan family, the direct descendants, the descendants of the concubine, the distant relatives, the elders of the Xuanyuan heavenly sect, and the most outstanding core disciples of the Xuanyuan heavenly sect lived below them.

This huge Xuanyuan Celestial Palace was like a huge tree. It started from ancestor Xuanyuan and spread its branches and leaves, covering an area and supporting a part of the Xuanyuan sacred territory in the most powerful way!

The Xuanyuan heavenly Palace was more like a pyramid. From top to bottom, it clearly defined the seniority of the elders and symbolized the top and Supreme position in the entire Xuanyuan sacred territory!

As long as one could live in the Xuanyuan heavenly Palace, they would be given a high status in the Xuanyuan sacred region. Officials and merchants would give way to them, and the people would respect them. They could even be superior to others in all aspects!

Because of this, all the five million disciples of the Xuanyuan heavenly sect and billions of young people of the Xuanyuan sacred region wanted to live in the Xuanyuan heavenly Palace!

That was a Supreme honor! It would be a boundless future!

sect leader, the palace that is so tall that it reaches the clouds is the Xuan Yuan heavenly Palace!

Qiu Ling 'er looked up and said in a deep voice, " "It's a festive and lively place with lanterns and streamers! This year's birthday banquet seems to be even more Grand than the previous years. I wonder if there will be any special circumstances?"

"Aren't we here because of special circumstances?" Chen Xiaobei grinned evilly.

yes ... Qiu Ling 'er nodded, then reminded him, " "What I mean is, sect master must be careful. If something unexpected happens and threatens your actions, it will not be good!"

"Hmm, you're quite attentive!" I know what I'm doing! Chen Xiaobei smiled. even if something happens, it won't be a big deal!

yes, sect master is confident. I have nothing to worry about. Qiu Ling 'er nodded.

"So many people!"

As they were walking, Wu aofeng suddenly shouted, " "Master, look! The gate of Xuanyuan heavenly sect has been tightly surrounded. At least tens of thousands of people are queuing up to enter!"

As soon as he said that, everyone looked forward.

The front gate of the Xuanyuan heavenly sect was full of people!

They were different forces and different races, but they all had one thing in common, which was that they all had a large number of gifts in their hands!

so many people ... Huo yuanba frowned and sighed. the Xuanyuan family earns a fortune just by receiving birthday gifts every year. No wonder they're so rich!

"Hmph! Just looking at it makes me angry!"

"They brought birthday gifts with good intentions!" Wu aofeng replied. Those with insufficient status and status were not allowed to enter, and those with too few gifts were also not allowed to enter! The Xuanyuan family is too snobbish!"

there's nothing we can do about it. If we let everyone in, I'm afraid the birthday banquet will be a complete mess! I can only say that old ancestor Xuanyuan's prestige is too high, " Feng Qingyang said. that's why so many people are here to celebrate his birthday!

Daoist Yiru said in a deep voice, "hurry up and line up!" Looking at the situation, I'm afraid we won't be able to get in even if we wait until noon!"

"That won't do! The Xuanyuan heavenly sect's competition was at noon! He definitely couldn't miss out on this! I'm going to line up first, you guys follow me!" Wu aofeng was very excited and ran to the front.

"Why do we have to line up?"

Chen Xiaobei looked up and said, " "Didn't many people fly directly into the Xuanyuan heavenly Palace? Can't we just fly in?"

"Where did this country bumpkin come from? Don't you know the rules?"

At this moment, an ear-piercing voice came from not far away, " "Only Supreme experts above the respectable King level can fly directly into the Xuan Yuan heavenly Palace! A trash in the Golden elixir realm like you doesn't even have the right to line up! He still wanted to fly into the heavenly Palace? Maybe in the next life!"

Chen Xiaobei and the others immediately turned to look at him!

"Why are you here?" Feng Qingyang, tai yitan, and Taoist Yiru immediately recognized the man.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2975: full of contempt**

"GE BA Pi!"

Feng Qingyang, tai yitan, and Daoist Yiru all knew who this man was!

That day, the three of them had gone to buy medicinal herbs and had a conflict with GE BA Pi!

GE bapi wanted to compete with Feng Qingyang in medical skills just because he was a disciple of the hanging pot Palace! In the end, he was completely defeated by Feng Qingyang. He knelt on the ground and shouted 'bei Xuan is invincible' ten thousand times!

why ... Why are you here?!

Just a second ago, GE BA Pi still had an arrogant expression and did not even look at the crowd.

When GE bapi saw Feng Qingyang and the other two, he was so shocked that his scalp went numb and he swallowed his saliva!

“Heh, it seems that you haven’t forgotten how powerful I am!”

Feng Qingyang glared at him and said coldly, “Kneel down and apologize to my master immediately. Otherwise, I have plenty of ways to deal with you!”

GE BA Pi sucked in a breath of cold air and said awkwardly, “Old senior ... I ... I didn’t offend your master. Are you mistaken?”

In the previous conflict, GE bapi was almost forced to join the eunuch team. He was naturally afraid of Feng Qingyang and would not dare to offend him.

“This is this old man’s master!” Feng Qingyang raised his hand and pointed at Chen.

what???

GE BA Pi’s face was instantly filled with shock. “You ... You’re joking, right? You’re an old senior with extraordinary medical skills! Why would he acknowledge a brat like him as his master?”

“I won’t say the same thing a third time!” Feng Qingyang’s face turned cold, “Kneel down! Otherwise, you will bear the consequences!”

this ... This, this, this ... GE baipi was sweating profusely. He was completely puzzled!

At the same time, many people around him cast a strange look at him.

Feng Qingyang’s hair and beard were all white, and he had a Sage-like demeanor. Moreover, his medical skills were extremely powerful. How could he have a young man as his master? Isn’t this too weird?

“This young master ... Oh, no... This senior!”

GE bapi had no choice but to say to Chen Xiaobei, “I’m a disciple of Xuanyuan heavenly sect’s Xuanhu Palace after all. Please forgive me this once for the sake of Xuanyuan heavenly sect. Otherwise, the Xuanyuan heavenly sect will lose face and you will have to bear the consequences!”

“Are you threatening me?” Chen Xiaobei narrowed his eyes and said, “I hate being threatened!”

“I’m not threatening you, I’m just telling the truth!” “There are so many people watching. The Xuanyuan heavenly sect has lost face and they will definitely take revenge on you!” GE bapi said in a deep voice. Isn’t that the case?”

Although GE BA Pi’s tone was respectful, he was using the Xuanyuan heavenly sect to threaten Chen Xiaobei!

“Heh, you make it sound like I’m afraid of Xuanyuan heavenly sect!”

Chen Xiaobei said coldly, "if you kneel down and apologize, I will let this matter go. However, you keep threatening me. I have to slap the face of the Xuanyuan heavenly sect in front of everyone!

you ... What are you doing ... GE BA Pi's heart turned cold and he suddenly had a bad feeling!

"Don't look at me like that!" "You're not worthy of me fighting you!" Chen Xiaobei laughed.

"Whoosh! Whoosh! Whoosh!"

Without waiting for Chen Xiaobei to do anything, Feng Qingyang flicked his sleeve and three silver needles shot out.

The first two needles pierced GE BA Pi's legs, while the other pierced GE BA Pi's waist.

"Uh ..."

GE bapi wailed and suddenly lost all feeling in his legs. He knelt on the ground uncontrollably!

"Ouch ... It hurts! It hurts so much ..."

Immediately after, an indescribable and terrifying pain came from his waist, causing GE BA Pi to wail in pain!

"Quickly look! What was going on over there? Why is there someone kneeling on the ground and screaming?"

"Isn't that GE BA Pi, a disciple of the hanging pot Palace? He was usually so arrogant! How could he be so miserable? He's screaming more miserably than a pig being slaughtered!"

"Then who did it? How dare you try to take in a disciple of the Xuanyuan heavenly sect right in front of the sect's entrance? you're too arrogant!"

All of a sudden, tens of thousands of eyes turned to him.

"Spare me ... Old senior, spare me ... It hurts! It hurts so much ... GE BA Pi was a disciple of the hanging pot Palace and knew his body's condition very well. If he didn't remove the silver needles in time, the consequences would be unimaginable.

However, with Feng Qingyang's medical skills, the position of the three silver needles, the strength, the depth, and the true energy carried by them were all very particular!

If he didn't remove the silver needles in the right way, not only would GE BA Pi not be able to relieve his pain, he might even injure his bones and become a cripple!

With GE bapi's medical skills, he did not dare to take out the needles himself and could only beg Feng Qingyang for mercy.

"Same old rules!"

Feng Qingyang's eyes narrowed and he said, "I'm sorry, Daoist beixuan! I shouldn't have offended you!"

this ... GE bapi's expression froze. He knew that if he really shouted like this, he would lose all his face. Even the hanging pot Palace would lose face!

Moreover, today was ancestor Xuanyuan's birthday banquet, and the elders of the sect would not let GE bapi off easily for such a scandal!

However, under the torment of the pain, GE BA Pi could not care about this.

"I'm sorry, Daoist beixuan! I shouldn't have offended you ... I'm sorry, Daoist beixuan! I shouldn't have offended you ... I'm sorry, Daoist beixuan! I shouldn't have offended you ..."

GE BA Pi was in so much pain that he wanted to die. He screamed hysterically, more miserable than a pig being slaughtered.

Miraculously, every time GE BA Pi shouted, the pain would decrease by a bit. The louder he shouted, the less pain he felt.

It was clear that the three silver needles Feng Qingyang had placed were related to GE BA Pi's qi and blood circulation. The change in his qi and blood could relieve the pain.

GE bapi was also a medical student, so he could naturally guess some inside information.

Thus, GE BA Pi cried out even louder, only hoping that the pain would be quickly dispelled so that he could pull out and throw away those three damned silver needles!

Naturally, everyone's attention was focused on them. Shocked and astonished discussions broke out one after another!

"Bei Xuan faction! Bei Xuan faction again! Two days ago, GE BA Pi was also the one who knelt in the medicinal herb Market and shouted that bei Xuan faction was invincible! At this moment, it's bei Xuan faction who's taking care of GE bapi again!"

"Bei Xuan faction is too arrogant! One had to look at the owner before hitting the dog! GE bapi was a disciple of the Xuanyuan heavenly sect's Xuanhu Palace! Isn't this a slap to the face for the Xuanyuan heavenly sect?"

"Bei Xuan faction doesn't look that powerful! The sect master was just a little kid, and he had six or seven disciples, and he even brought a woman with him! How dare he challenge the authority of the Xuanyuan heavenly sect? Isn't this just courting death?"

"The Xuanyuan heavenly sect doesn't even care about a small sect like bei Xuan! The Xuanhu Palace alone can destroy bei Xuan faction!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2976**

2976 What's your name?

"You're right! The hanging pot Palace had always been overbearing! This was especially true for the first disciple, Xuanyuan Haofeng. No one would dare to stop him even if he walked around the imperial

capital! GE BA Pi is also Xuanyuan Hao Feng's Lackey, Xuanyuan Hao Feng will never let bei Xuan faction off!"

"It's the birthday banquet of old ancestor Xuanyuan today, and Xuanyuan Haofeng was worried that he wouldn't have a chance to show off! I bet that Xuanyuan Haofeng will make the people from bei Xuan faction crawl out of the imperial capital! Of course, you might just kill them and throw them out!"

"This is going to be a good show! Those who offend Xuanyuan Haofeng never have a good ending!"

Without a doubt, the crowd did not know much about bei Xuan faction. They all thought that bei Xuan faction was a weak trash faction!

Naturally, a little chick offending a Big Eagle, the result was naturally without any suspense!

In everyone's eyes, the beixuan faction couldn't even defeat the Xuanyuan Palace, let alone the Xuanyuan heavenly sect!

At the same time, listening to everyone's discussion, Lou Yuhong's heart gradually tightened. He didn't say anything, but his heart was in a panic!

Even though Lou Yuhong knew that Chen Xiaobei was frivolous, unruly, and domineering, he did not expect Chen Xiaobei to start a face-smacking battle right in front of the Xuanyuan heavenly sect's entrance. He did not even care about the Xuanyuan heavenly sect!

It was not an ordinary day, but the birthday banquet of old ancestor Xuanyuan!

The surrounding crowd was not ordinary people either. They were all city Lords, sect leaders, elders, Masters ... Everyone was watching this with their own eyes!

If it was a group of ordinary people, the damage to the Xuanyuan heavenly sect would be doubled!

If so, the current situation was at least 100000 times more critical damage to the Xuanyuan heavenly sect!

The Xuanyuan heavenly sect was the third most powerful sect in the earth-god Realm. However, on such a grand day, in front of a group of noble guests, they had been slapped in the face by a small sect!

It was a great humiliation for the Xuanyuan heavenly sect! It was even a stain that could never be erased in the long history of the heavenly sect!

And this was the fundamental reason for Lou Yuhong's panic!

In Lou Yuhong's opinion, if they really angered the Xuanyuan heavenly sect, Chen Xiaobei and the rest of them would be dead for sure. Even bei Xuan sect would be completely annihilated and removed from the earth-god Realm!

Lou Yuhong felt a little regretful. He regretted coming with Chen Xiaobei.

After all, the reason why Lou Yuhong acknowledged Chen Xiaobei as his master was to earn money and for his future, not to die!

Lou Yuhong's face did not change, but he had already made up his mind. If things went wrong, he would immediately leave Chen Xiaobei and the others behind and run away!

"Bei Xuan faction! They're from Bei Xuan faction!"

At that moment, a group of young men in red rushed over and pointed at Huo Yuanba. "It's him! That day at the material market, it was him and another person who beat us up and snatched away the beauty that the young master had his eyes on!"

"What? Just him?"

Immediately after, a man in gorgeous clothes with an arrogant face walked over and said in disdain, "You're just a two-star divine sea realm cultivator, and you dare to steal my woman? Don't you know how to spell the word 'death'?"

"Who are they?" what's the matter?" Chen Xiaobei asked.

Those red-clothed youths are all from the Fu clan. The man behind should be young master Fu!

That day at the material market, it was the same group of young men in red who were chasing after Kalise," Huo Yuanba said. In the end, third senior brother crippled three of them and made the rest kneel on the ground, shouting ten thousand times that Bei Xuan Zhenren is invincible! They're probably here for revenge!"

"You guys really know how to play!" Chen Xiaobei laughed.

"What are you laughing at? I'm here to find trouble! You're actually still laughing!" Young master Fu glared at Chen Xiaobei and roared, "You still dare to laugh! Believe it or not, I'll make you blind from crying!"

As soon as he said that, the group of young men in red immediately surrounded him, ready to attack at any time!

Seeing this scene, the surrounding crowd once again burst into excited and fanatical voices, gloating and mocking!

"Look! It was the Fu clan! They're here to cause trouble for Bei Xuan faction!"

"The Fu family is one of the most powerful families in the imperial capital! It looks like the Hanging Pot Palace doesn't even need to make a move, and Bei Xuan faction will be completely dead!"

"Do you still need to say that? Young master Fu is a disciple of the Palace of War Gods, and his cultivation has reached the level of a five-star earth immortal. If he wants to take care of that bunch of trash, it'll be as easy as stepping on a group of ants. There's no suspense at all!"

The surrounding people were all optimistic about the Fu family. Young master Fu naturally felt that he had gained a lot of face, and his fighting spirit rose even higher. He planned to take action personally and show off in front of everyone!

"Young master Fu ... Come on ... Beat them ..."

At this moment, even GE bapi saw hope. He was looking forward to young master Fu beating up everyone from bei Xuan sect so that he could force Feng Qingyang to come and get the silver needles. Then, GE bapi would not have to continue shouting in shame.

“Don’t worry!”

Young master Fu was very confident and arrogant. “I’ll definitely take care of this group of trash myself! I’ll let them remember that those who offend the Xuanyuan heavenly sect will have a miserable ending! Even if they die, I want them to go to hell with regret!”

“Good! it’s all up to you now ... After this is over, I’ll treat you to some wine ... GE BA Pi was extremely excited, he endured the pain and shouted, ” “Bullshit bei Xuan faction! Go to hell! Hahaha ...”

Fu Xiaoxiao laughed arrogantly and walked towards bei Xuan faction!

“Where’s the other person?”

Young master Fu stared at Huo yuanba coldly. Obviously, he was going to ask about Wu aofeng’s whereabouts.

Huo yuanba shrugged and said, ” I advise you not to look for my third senior brother. He has a bad temper. If you look for him, you’ll only end up in a worse state!

When first young master Fu heard this, he said disdainfully, ”f \* ck!” His strength is not much stronger than yours! You want to deal with me? Maybe in the next life!”

“Alright! Since you’re so sincere in seeking death, then I’ll be merciful and fulfill your wish!” Huo yuanba laughed evilly and shouted, ” “Third senior! Come here, someone is looking for you!”

Wu aofeng was waiting in line at the front, but he was afraid that someone would cut in line, so he did not come.

Since the enemy was looking for him, Wu aofeng would not hesitate to fight!

“Swish!”

Wu aofeng dashed back to young master Fu and rolled his eyes at him. “You’re the one looking for me? It’s so boring, I might as well continue to line up!”

“What?”

“I, Fu Yanjie, am a disciple of the palace of WarGods of the Xuanyuan heavenly sect!” You dare to call me trash?”

“What? What’s your name?”

Wu aofeng was stunned for a moment, then burst out laughing, ” “Fu Yanjie? Beating makes you healthier? Hahaha ...”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2977: conflict escalates**

Fu Yanjie!

The people from the earth-god Realm might not know about this, but Chen Xiaobei, Feng Qingyang, tai yitan, Wu aofeng, and Huo yuanba, who were all from earth, burst into laughter.

There was nothing wrong with the literal meaning of the name, but when one associated it with an for a certain product on earth, one couldn't help but laugh.

It could only be said that the person who gave Fu Yanjie his name was too f \* cking talented.

“What are you laughing at? You bunch of idiots, you're about to die and you're still laughing!”

Fu Yanjie had thought that he was strong enough to scare Huo yuanba and Wu aofeng to their knees and beg for mercy, and that the people from bei Xuan sect would surrender.

However, the people from bei Xuan faction were not afraid at all. Instead, they were all laughing out loud, treating Fu Yanjie as a big joke.

With tens of thousands of eyes watching, Fu Yanjie naturally could not keep a straight face and flew into a rage out of humiliation!

“Numbing! Since you're looking for death, this young master will fulfill your wish! Accept your death!”

die! Fu Yanjie roared as he channeled his true energy and charged towards the bei Xuan faction!

Although Fu Yanjie could not see through Qiu Ling 'er, Lou Yuhong, and Wu aofeng's cultivation, he thought that it was because there was an expert with a high cultivation nearby who was releasing his primordial spirit domain, which interfered with his prying.

In Fu Yanjie's eyes, Chen Xiaobei was only at the pinnacle of the Golden elixir realm, and the cultivation of the others would not be that high.

[ ding Yingying ] cultivation level: early stage of soul transformation, lifespan: 180,000 years, physique: 450 million, combat power: 450 million, primordial spirit attack: Two-star earth-god level!

Chen Xiaobei immediately saw through Fu Yanjie's strength with his netherspirit battlescouter.

This was the power of a five-star earth-god, which was much stronger than Chen Xiaobei's! However, there were many people from bei Xuan faction who were stronger than him!

“Woof!”

Without hesitation, Wu aofeng took a step forward and appeared in front of him! The speed was so fast that most of the people present could not even see it with the naked eye!

[ ding Yingying's cultivation base: early dongxu stage. Lifespan: 430,000 years, physical body: 4.5 billion, combat power: 4.5 billion, primordial spirit attack: seven-star earth-god level!

Chen Xiaobei looked up and saw through Wu aofeng's strength!

In Amaterasu leaves branch, Chen Xiaobei had used God's greed to convert all of Kalise's cultivation to Wu aofeng's!

Right now, Wu aofeng's cultivation had changed!

A seven-star earth-god, at the insightful emptiness realm!

It was common knowledge that the path of cultivation was more difficult the further one advanced. However, once there was a breakthrough, the improvement one would obtain would naturally be greater!

Wu aofeng's cultivation was two whole realms higher than Fu Yanjie's!

With the breakthrough of these two major realms, Wu aofeng's physical strength and actual combat power were more than ten times higher than Fu Yanjie's!

450 million against 4.5 billion!

How could there still be any suspense in this battle?

“Pa!!”

A loud sound was heard. Wu aofeng did not use any technique, he did not even use his full strength, he just casually slapped!

But even so, Fu Yanjie would definitely not be able to Dodge it.

“Argh ...”

Fu Yanjie let out a shrill cry like a pig being slaughtered. His entire body was sent flying into the air like a top, spinning more than a dozen times. He only stopped when he knocked down the group of Fu clan's Red-clothed youths behind him!

“Ouch ... It hurts ... It hurts so much ...”

Fu Yanjie was paralyzed on the ground. He covered his red and swollen cheek and wailed repeatedly. The moment he opened his mouth, blood flowed out from his teeth. Just by looking at it, the others were in pain for him!

Fortunately, Wu aofeng did not use his full strength. Otherwise, Fu Yanjie's head would have exploded!

“Stop howling! You're so noisy!”

Wu aofeng walked over and looked down at Fu Yanjie. A wave of pressure naturally enveloped Fu Yanjie.

“Hiss ...”

Fu Yanjie gasped, his heart almost flying out of his throat.

This simple slap had already made Fu Yanjie realize the huge gap between him and Wu aofeng!

At that moment, Fu Yanjie looked at Wu aofeng as if he was looking at a Demon King. Although his face was in pain, Fu Yanjie kept his mouth shut and did not dare to make any more sounds.

“Heavens! That guy's cultivation base was too strong, wasn't it? he had crippled Fu Yanjie, a disciple of the palace of WarGods of the Xuanyuan heavenly sect, with a single slap! This is unbelievable!”

“Seven stars realm! That guy’s cultivation had reached the seven Star dongxu stage! It was an existence on the level of a city Lord! But why was his master’s strength only at the peak of the Golden core stage? This doesn’t make any sense!”

perhaps his master’s cultivation is far beyond the dongxu stage, but the release of his primordial spirit domain interfered with our primordial spirit domains, which made us underestimate his strength!

“Mother! He had hidden it too deeply! Beixuan Zhenren! He had never heard of this person before! Could it be some old monster who has been hiding from the world?”

“Daoist beixuan! He had to remember this name. No matter who he was, he would not dare to offend him in the future! I’m already so powerful. If I offend you, I’ll definitely suffer!”

All of a sudden, tens of thousands of guests exclaimed in surprise! They were shocked by Wu aofeng’s cultivation, and even more so by Chen Xiaobei’s Foundation!

Just a moment ago, no one had taken beixuan seriously. But now, no one dared to look down on Chen Xiaobei!

This was how the world was. Strength was Supreme, and the strong were respected!

As long as one was strong enough, no one would dare to underestimate or offend them!

“But then again! This was the gate of the Xuanyuan heavenly sect! The palace of WarGods was also the most important and highest-ranking division in the Xuan Yuan heavenly sect! The palace of WarGods can’t ignore Fu Yanjie’s humiliation!”

“Moreover, I heard that Fu Yanjie has always been on good terms with Xuanyuan Ling an, the leader of the five heroes of Xuanyuan! Whether it’s for public or private reasons, Xuanyuan Ling ‘an will not ignore Fu Yanjie!”

“Publicly, Xuanyuan Ling ‘an is the first disciple of the palace of WarGods, and the most popular candidate to be the young master of the Xuanyuan family! We must protect the sect and family’s face!”

for personal reasons, Xuanyuan Ling an and Fu Yan Jie are on good terms. Naturally, he has to stand up for them. Otherwise, who would still follow him in the future?”

it looks like beixuan Zhenren and the beixuan clan are going to fight with Xuanyuan Ling ‘an and the palace of WarGods!

“Today’s birthday banquet is even more Grand than the previous years. Perhaps Xuanyuan Ling ‘an’s young master status will be directly confirmed! Although bei Xuan Zhenren and Bei Xuan faction are powerful, I’m afraid they’ll end up as Xuanyuan Ling ‘an’s stepping stones!”

“Quickly look! A group of people flew out from the Xuanyuan heavenly Palace! He was rushing over here! From the looks of it, they’re from the palace of WarGods!”

“The escalation of the conflict is completely within my expectations! As the saying goes, a strong Dragon can not suppress a snake in its territory! Although the bei Xuan faction is powerful, they can’t defeat the Xuanyuan heavenly sect!”

## Red Envelope Group of the Three Realms

### **Chapter 2978: shocking everyone**

“Hahaha! People from the sect had arrived! Your death is here!”

Fu Yanjie and GE bapi became excited at the same time. It was as if they had been injected with chicken blood, and their faces were filled with fanaticism!

“The core members of the heavenly sect live in the Xuanyuan heavenly Palace! The higher the floor they lived on, the higher their status! The more powerful you are!”

“Look at where that group of people came out from. They belong to the upper levels of the heavenly Palace!” Fu Yanjie said excitedly. It was obvious that the core upper echelons of the heavenly sect had been alerted! The weakest of the leaders was at the great emperor level! It could even be a Supreme existence!”

“Just wait for your death! You scum from bei Xuan faction!”

GE BA Pi also impatiently shouted, “With the help of the core senior management of the Xuanyuan heavenly sect, you won’t be able to escape even if you have wings! There was only death! There was no other choice! Hahaha ...”

All of a sudden, everyone’s attention was on him!

Everyone’s eyes were focused on the people who had descended from the sky!

“I seem to have seen it clearly! The person in the lead was one of the Presidents of Dongsheng Chamber of Commerce, Xuanyuan Lu Ming! The third core elder of the Xuanyuan family, Xuanyuan guanghong, is also with him!”

“This is amazing! The president of Xuanyuan, Lu Ming, not only has a status equivalent to the Vice sect master of the heavenly sect, but his cultivation is also at the nine stars tribulation stage, a super existence at the Supreme level!”

Xuanyuan guanghong is not weak either. He is at the middle stage of the eight stars Mahayana realm, and he is also at the level of a great emperor!

if the two of them attack together, bei Xuan faction will be dead for sure this time. They won’t have any chance to turn the tables!

The tens of thousands of guests cried out in shock. When they looked at the people from bei Xuan clan again, they were like a bunch of dead people. There was no hope of survival.

It was the birthday banquet of old ancestor Xuanyuan today, and it was even grander than the previous years. Something special must have happened!

Bei Xuan faction had come to the Xuanyuan heavenly sect to teach their disciples a lesson!

Where would the Xuanyuan heavenly sect put their face?

In everyone’s eyes, a huge battle was already inevitable!

“Woof! Whoosh!”

Soon, Xuanyuan Luming and Xuanyuan guanghong arrived at the scene and landed in front of Chen Xiaobei and the others.

A group of middle-aged men followed behind them. They didn't look like disciples of the Xuanyuan heavenly sect, but rather like elders.

In everyone's eyes, just the presence of Xuanyuan Luming and Xuanyuan guanghong had already made the battle lose its suspense. With the addition of this group of elder-level powerhouses, the result was obvious. Bei Xuan faction would definitely be defeated.

“Haha ... You idiots from bei Xuan faction! Your death is here!”

Fu Yanjie and GE bapi were extremely excited and immediately knelt down to pay their respects.

“Disciple greets vice sect leader! Greetings, third elder! Bei Xuan faction has gone too far, they don't respect the sky faction at all, you two can't let them go!”

The two of them put on a pitiful look and tried their best to incite the people from bei Xuan faction, hoping that they would be ruthlessly dealt with. It would be best if they were all killed without a burial ground!

However, Xuanyuan Luming and Xuanyuan guanghong ignored them and walked straight to Chen Xiaobei.

“Kill them! Torture them to death! Crush them!” Fu Yanjie and GE Papi knelt on the ground and kept drawing circles to curse the people from bei Xuan sect.

The tens of thousands of people around were also looking forward to the show of bei Xuan faction being crushed!

However!

The next scene almost made everyone's eyes and hearts burst!

The great battle that was promised did not appear! The promised slaughter didn't even appear!

No one would have imagined that Xuanyuan Luming, Xuanyuan guanghong, and the group of middle-aged elders would all come to Chen Xiaobei with a smile on their faces. They bowed and greeted Chen Xiaobei with great respect!

“Childe Zhufeng, why didn't you tell us that you're coming? We're sorry for not welcoming you from afar! Childe Chen, please forgive me! Please forgive me!”

Xuanyuan Lu Ming smiled. He was a Deputy faction leader, but he still bowed to Chen Xiaobei with great respect.

It was not that Xuanyuan Luming was afraid of Chen Xiaobei, but because of the 'lack of protection' of the Dongsheng Chamber of Commerce, Chen Xiaobei had suffered a 'heavy loss'!

Xuanyuan Lu Ming had always felt apologetic for what had happened in the imperial capital of Xuanyuan. Naturally, he would be more polite to Chen Xiaobei!

Of course, the surrounding people didn't know the inside story!

Because of the auction, the Dong Sheng merchant Association and the Xuanyuan family had lost face! That was why the Xuanyuan family had been trying their best to keep the news a secret!

Only a small number of well-informed forces knew what had happened in the auction!

As for the tens of thousands of guests present, their status was not too high. They were only at the level of city Lords. They even had to line up to offer birthday wishes. Naturally, they did not have the chance to attend the auction that day. They did not know what had happened that day!

When they saw this scene, their eyes and mouths were wide open in shock.

"Oh my God! This can't be an illusion, right? Xuanyuan Lu Ming was actually so respectful to beixuan Zhenren! Could it be that this beixuan Zhenren is a peak Supreme-being?"

"This is crazy! From the looks of it, Xuanyuan Lu Ming is not here to cause trouble, but to welcome beixuan Zhenren!"

"Oh heavens, Oh earth! Just who was this beixuan Zhenren? It's really a slap in the face!"

In addition to the shock, the faces of the surrounding people were burning hot, as if they had been slapped by an invisible hand, turning red!

Just a moment ago, they thought that bei Xuan faction was going to die and they were all waiting to watch a good show!

At this moment, they were slapped in the face by reality. They were so shocked that their scalps went numb!

"Hiss ..."

At the same time, Fu Yanjie and GE bapi sucked in a breath of cold air. Their bodies and minds were trembling, and their lower abdomens were sore and swollen. They felt like they were about to pee.

"Vice sect leader Lu Ming, you don't have to be so polite,"

Chen Xiaobei shrugged and said, "I didn't receive an invitation either. It was just a spur of the moment idea, so I came over to take a look! Naturally, I can't disturb you in advance!"

Xuanyuan Lu Ming said with an apologetic look, "I should have invited Childe Chen, but I couldn't catch the thief. I'm too embarrassed to see Childe Chen, so I didn't invite him to avoid the awkwardness ..."

Chen Xiaobei shrugged and smiled. we can slowly catch the bandits, but the Grand banquet is only held once a year. I wonder if I'm qualified to participate? "

"Childe Chen, you're too humble! Of course, you are qualified!"

of course! Xuanyuan Lu Ming said quickly, "with your status as a purple-gold Supreme VIP, you can be the first-class guest of today's banquet!"

alright! Chen Xiaobei nodded and smiled. then, I'll have to trouble vice faction leader Lu Ming to bring me into the heavenly Palace!

“No problem! Childe Chen, this way please!” Xuanyuan Lu Ming nodded repeatedly.

“Vice sect leader ...”

At this moment, Xuanyuan Guanghong asked in a deep voice, “How should we deal with these two stupid things?”

Upon hearing this, Fu Yanjie and GE bapi were stunned at the same time. Their hearts were palpating with fear as if they were sitting on pins and needles!

### Red Envelope Group of the Three Realms

#### **Chapter 2979: instant reversal**

“You two ...”

Xuanyuan Lu Ming squinted his eyes and immediately exuded a strong pressure unique to a superior. He said coldly, “The two of you should just kneel here and shout ‘I’m sorry, beixuan Zhenren’ ten thousand times! Every time you shout, you kowtow once!”

what???

Fu Yanjie and GE BA Pi instantly felt as if they had been struck by lightning. They had never expected things to turn out like this!

These two idiots thought that the people from the sect would come and kill Chen Xiaobei and the others!

However, the reality was that Chen Xiaobei had become a VIP guest of the Xuanyuan family! These two jokers had to apologize to Chen Xiaobei!

The huge contrast between their ideal and reality shattered their three views and made them want to cry but had no tears!

“Vice sect leader! How can you do this!”

Fu Yanjie was, after all, the young master of a rich and powerful family, so he refused to admit defeat. “GE BA Pi and I are both heaven sect disciples! You want us to kowtow to bei Xuan faction! Wasn’t this boosting other people’s morale and diminishing their own prestige? If word of this gets out, where will the sky sect put its face?”

“Yup! That’s right ...”

GE BA Pi nodded his head repeatedly and agreed, “We’re all disciples of the sky sect. If we’re humiliated, it’s the same as humiliating the sky sect! In the end, he still had to apologize to the enemy? Isn’t the Vice sect leader afraid that the sky sect will become the laughingstock of the world?”

Obviously, the two of them had planned to hold the birthday banquet today. If the Xuanyuan heavenly sect wanted to maintain their dignity, they couldn’t allow them to make a fool of themselves in front of the others!

To put it bluntly, they were using the Xuanyuan heavenly sect’s reputation to threaten Xuanyuan Lu Ming to withdraw his punishment for them!

“I haven’t finished my words!”

Xuanyuan Lu Ming narrowed his eyes and said in a cold voice, “From now on, I’ll officially expel you two from the Xuanyuan heavenly sect! You’re no longer disciples of the sky sect, so your personal honor and disgrace naturally have nothing to do with the sky sect!”

The older the ginger, the spicier it was!

The two jokers wanted to threaten Xuanyuan Luming, but Xuanyuan Luming only used one sentence to eliminate the embarrassment of the Xuanyuan heavenly sect! So that the Xuanyuan heavenly sect wouldn’t lose face because of them!

w-what???

Fu Yanjie and GE bapi were dumbfounded. Never in their wildest dreams would they have thought that not only would they kowtow and admit their mistakes, they would also be expelled from the Xuanyuan heavenly sect!

The Xuanyuan heavenly sect was one of the top ten sects in the earth-god Realm!

It was the dream of countless people to join the Xuanyuan heavenly sect! It was a great honor to join the Xuanyuan heavenly sect!

However, the number of people who could realize this dream was probably less than one in ten million! One could imagine how difficult it was to join the Xuanyuan heavenly sect!

Fu Yanjie and GE bapi were fortunate enough to join the Xuanyuan heavenly sect. Their status, status, and prestige had been greatly enhanced, and their wealth, women, and popularity had also increased!

To them, being a disciple of the Xuanyuan heavenly sect was the most important Halo in their lives, even more important than their own lives!

At this moment, Xuanyuan Lu Ming’s words had completely cut off their ties with the Xuanyuan heavenly sect, directly wiping away the glory above their heads!

Without a doubt, from this moment on, their status, status, prestige, wealth, women, and connections would all plummet! Their lives would completely fall to the bottom!

And this was all because they had offended Chen Xiaobei and Bei Xuan faction!

you two, keep an eye on them. Apologize ten thousand times, kowtow ten thousand times, you can’t miss a single one! Xuanyuan Lu Ming ordered.

“Yes, sir!”

Immediately, two elders stood out and glared at Fu Yanjie and GE bapi. They coldly said, “let’s start now. Ten thousand times is not a small number. Let’s hurry up. We still have to attend the birthday banquet!

“I’m sorry, Zhenren beixuan ... I’m sorry, Zhenren beixuan ...”

Fu Yanjie and GE bapi were in tears. However, they had no room to resist Xuanyuan Luming’s orders!

Unless they didn't want to stay in the imperial capital of Xuanyuan anymore, they had to obey Xuanyuan Lu Ming's orders!

An apology and a kowtow. Under the supervision of the two elders, these two would definitely finish everything without any chance to slack off!

The tens of thousands of guests felt their scalps tingle and a chill run down their spines. They all had a new understanding of Chen Xiaobei and Bei Xuan faction! He made a mental note to never offend Chen Xiaobei and Bei Xuan faction, no matter where or when!

On the other side, Chen Xiaobei and the others had already followed Xuanyuan Luming into the upper level of the Xuanyuan heavenly Palace under the envious and respectful gazes of countless people.

.....

The Xuanyuan heavenly Palace!

The lower 300 levels, the middle 300 levels, and the upper 300 levels!

The higher one went, the higher the status of the people living there, and the better the living environment was!

The core disciples in the lower three hundred floors each had a living space about the size of a courtyard.

The living space of the core elders on the 300 floors was as large as a Palace.

As the Deputy sect master, Xuanyuan Lu Ming's living space was even larger than a Palace! Not only was the interior decorated luxuriously, but there were also exotic flowers and rare herbs everywhere!

More importantly, the spiritual Qi in this space was extremely pure and abundant! It was more than ten thousand times more than the outside!

no wonder everyone wants to live in the Xuanyuan heavenly Palace. It seems that the spiritual Qi here is also very attractive, other than the glory!

wow! Chen Xiaobei could not help but sigh. I can save a lot of spiritual stones by cultivating here!

Xuanyuan Lu Ming nodded. there is a large spirit vein under the Xuanyuan Celestial Palace. When the celestial Palace was built, our ancestors set up a spirit gathering array to gather most of the spirit Qi into the heavenly works. The higher the level, the more abundant the spirit Qi is!

"Of course, as my cultivation level increases, the amount of spiritual energy I need to cultivate also increases. To me, even if I use up all the spiritual energy in the surroundings, it won't be enough for me to cultivate for a few hours! It's better to grow some spiritual flowers and spiritual herbs!"

The higher one's cultivation, the harder it was to improve! This was common sense!

At Xuanyuan Lu Ming's realm, it would be difficult for him to advance one minor realm even if he used up one Spirit Meridian!

[ ding Qianqian's cultivation: early dujie stage. Lifespan: 3.72 million years, physical body: 100 billion, combat power: 100 billion, primordial spirit attack: seven-star earth-god level!

Out of curiosity, Chen Xiaobei took a look at Xuanyuan Luming's cultivation.

He wouldn't have known if he didn't look, but he was shocked when he did!

Nine-star earth-god, tribulation stage!

His physical strength and actual combat power could actually reach 100 billion!

If he wanted to advance a minor realm, he would probably have to increase his physical strength and combat power by 50 billion on this basis!

By rough calculation, he would probably need to empty several spirit veins before he could break through a small realm!

From this, it could be seen that at the later stages of cultivation, the spiritual vein was far from being able to support the consumption. He had to find a way to earn more spiritual stones in order to continue cultivating!

Childe Chen, please sit!

Xuanyuan Lu Ming brought the group to the main hall and said indifferently, "There's still some time before the birthday wishes of our children and grandchildren at noon. Everyone, please have some tea here! I still have to welcome other distinguished guests, so I can't accompany you!"

"It doesn't matter, vice sect master can go and do your work!" alright! Chen Xiaobei nodded and said, "but, I have something to ask you, bro guanghong!"

"No problem!" alright! Xuanyuan Lu Ming nodded and said, "guanghong, you stay here and take care of Childe Zhufeng!"

Then, Xuanyuan Lu Ming left.

"Childe Zhufeng, what do you want to ask?" Xuanyuan guanghong and Chen Xiaobei had a good relationship, so he went straight to the point.

Chen Xiaobei looked at Xuanyuan tuohai, his face turning serious.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 2980: fight to the death**

more than ten years ago, the Xuanyuan family once abandoned a direct descendant because the old man of heavenly secrets predicted that the child was the son of a demon and would bring a great calamity to the Videha!

Chen Xiaobei asked, "I want to ask you, brother guanghong, what happened back then? She's a good child, how could you just abandon her like that?"

Xuanyuan guanghong's expression changed immediately. He asked in surprise, Childe Chen, why are you asking this? "

“I was just curious.”

this matter was made public years ago. The entire Videha praised the Xuanyuan family for placing righteousness before family. They did the right thing! If there isn't any secret, why not tell me?”

“What ... What's so shameful about this ...”

Xuanyuan guanghong said in a deep voice, “the old man of heavenly secrets claims to be able to listen to heavenly secrets. As long as he opens his mouth, he's never wrong!” Therefore, everyone in the entire Videha believes in the divination and prediction of the old man of heavenly secrets!”

naturally. Since the old man of heavenly secrets has personally said that the child is the son of a demon, everyone in the entire Videha will believe it!

that year, the hearts of the people in Videha were wavering. Rumors were spreading everywhere. Countless forces joined forces and demanded that the Xuanyuan family execute that child!

the higher-ups of our families also believe in the old man of heavenly secrets's words. They are afraid that the Xuanyuan family will really give birth to a demon that will bring disaster to the world and damage our family's reputation ...

Xuanyuan guanghong couldn't help but furrow his brows. With a solemn expression, he sighed and said, the pressure from the outside world and the worries of the higher-ups caused the final outcome to be a tragedy!

under the witness of the four top leaders of Dongsheng and dozens of Supreme great emperors, the child was fed a poisonous pill and killed directly ...

executed?!

Chen Xiaobei and Xuanyuan taohai were taken aback by this.

Xuanyuan taohai had clearly been abandoned and was still alive and well. Why did Xuanyuan guanghong say that he had been executed?

At that time, there were four peak magnates, dozens of Supremes, and great emperors. So many people had witnessed it with their own eyes, so there shouldn't be any mistake!

There should be some other hidden agenda!

Xuanyuan tuohai could not hold it anymore. He was about to stand up and question Chen Xiaobei when he stopped him.

“Thanks for your information, elder brother guanghong!”

Chen Xiaobei paused and pretended to ask, “What were the child's parents thinking? Were they just going to watch their children get killed? Those are their blood crystals!”

Hearing this, Xuanyuan tuohai's entire body trembled and his nerves tensed up.

Xuanyuan tuohai had already expressed his feelings for the cold Xuanyuan family in zhaofu restaurant. He had no feelings for them.

However, Xuanyuan tuohai could not easily give up on his parents, whose blood was thicker than water.

Chen Xiaobei knew what was on Xuanyuan tuohai's mind, so he cut straight to the point and asked about his parents.

the parents of that child are still alive ... But ... Xuanyuan guanghong was in a difficult position. He hesitated.

"But what?" Chen Xiaobei asked.

the matter regarding those two is a private matter of the Xuanyuan family. I really don't dare to reveal it ... Xuanyuan guanghong said with a troubled expression.

"Brother!"

Chen Xiaobei said, "I, Chen Zhufeng, call you my brother because I don't treat you as an outsider. This matter is very important to me. I hope you can tell me the truth! I swear on my character that I will not say a word!"

this ... Xuanyuan guanghong's expression froze for a moment, but he didn't immediately reject the offer.

Xuanyuan guanghong and Chen Xiaobei's friendship had been formed back in the astral Sea. This old man was really a loyal person.

Besides, he did not 'protect' Chen Xiaobei well during the auction and caused Chen Xiaobei to 'suffer a great loss'. Xuanyuan guanghong felt bad about it.

"Alright, I can tell you about this! But once I leave this place, I will never admit it!"

Xuanyuan guanghong composed himself and said, the child's parents were naturally unwilling to see their child being executed right after birth. Back then, they had resisted strongly!

unfortunately, the cultivation of the child's father, Xuanyuan Yifeng, was crippled by the great ancestor. He was placed under house arrest in the prison cell at the bottom of the tower and has yet to be released!

"As for the child's mother, Wei Wanrong, she's been acting crazy ever since the child was executed! Luckily, the head of the Weis was a peak great emperor who controlled a hundred domains! In order to appease the Wei family, Wei Wanrong was only put under house arrest in an isolated courtyard, but she's still alive ..."

Xuanyuan guanghong's expression became even more solemn. He seemed to be very lonely and even a little sad.

It wasn't hard to tell that Xuanyuan guanghong didn't agree with what ancestor Xuanyuan did.

Unfortunately, Xuanyuan guanghong was only a third core elder. He couldn't interfere with the decision made by the old ancestor.

I understand ... Chen Xiaobei nodded and sighed.

At the same time, Xuanyuan tuohai's eyes had already turned red. His heart was in turmoil and he could not calm down.

One had to know that Xuanyuan guanghong had always been worried about his parents.

If he was heartless to his parents, Xuanyuan tuohai would naturally not care about them.

However, in order to protect Xuanyuan tuohai, his father's cultivation was crippled by ancestor Xuanyuan, and he was imprisoned until now! His mother was also in extreme pain because of Xuanyuan tuohai's death, turning from a noble lady to a lowly mad woman!

Although his parents failed to protect Xuanyuan tuohai, at least they had fought for him!

Just based on this kinship that blood was thicker than water, Xuanyuan tuohai would definitely not abandon his parents, much less watch as his parents continued to be imprisoned!

Back then, his parents had already fought back!

Today, Xuanyuan tuohai would also fight with all his might!

"What's wrong with this little brother? Xuanyuan guanghong wasn't an ordinary person, so he naturally noticed Xuanyuan tuohai's strange behavior.

"Tuo hai! You must stay calm. No matter what you want to do, master will help you!" Chen Xiaobei looked at Xuanyuan tuohai.

It was obvious that Xuanyuan tuohai had the bloodline of an evil ghost. If he lost control of his emotions, he might turn into a demon.

But Chen Xiaobei's words had calmed him down.

Because Xuanyuan tuohai had absolute trust in Chen Xiaobei. In fact, he had full confidence in Chen Xiaobei!

With Chen Xiaobei's words, Xuanyuan tuohai felt a sense of security, and his mind gradually calmed down.

However, Xuanyuan tuohai, who had calmed down, continued, " "Master! I want to kill that old ancestor!"
