Chapter 2981

2981 Seeking the truth

“What!”

As soon as he said that, the crowd exploded!

“Sixth junior! Are you confused? How can you say such things?” Feng Qingyang’s face changed and his heart beat wildly. He quickly scolded.

Qiu Ling ‘er, tai yitan, Huo yuanba, and Taoist Yiru all looked solemn, as if they had a bad feeling.

Even the carefree Wu aofeng felt his scalp go numb and broke out in cold sweat.

Kill old ancestor Xuanyuan!

Such words could be said in private! How could he come to the Xuan Yuan heavenly Palace and say this? And in front of Xuanyuan guanghong!

Wasn’t this a declaration of war against the entire Xuanyuan family?

Seeing the scene in front of him, Lou Yuhong instantly had the thought of escaping.

Lou Yuhong was already worried that he would be implicated by Chen Xiaobei.

However, what Chen Xiaobei did to the two disciples of the Xuanyuan heavenly sect was just a small fight! At this moment, he was even thinking about the life of old ancestor Xuanyuan!

Unless Lou Yuhong was an idiot, he would not dare to follow Chen Xiaobei even if he had the guts!

But then again, Lou Yuhong wanted to see how Chen Xiaobei would respond!

After all, it was Xuanyuan tuohai who had said those arrogant words! As long as Chen Xiaobei handled it well, Xuanyuan tuohai would be the only one to blame for the crime, and Lou Yuhong would not be implicated!

“Brother guanghong!”

Chen Xiaobei looked at Xuanyuan guanghong, who had a complicated expression on his face.

“Childe Chen! You have to give me an explanation for this!”

Xuanyuan guanghong composed himself and became serious. today is the birthday banquet of the old ancestor of the Xuanyuan family. If you have any ill intentions, I can only ask you to leave immediately!

“Brother, I treat you as one of us! I won’t hide this from you!”

“This kid’s name is Xuanyuan tuohai, the Son of the Demon!” Chen Xiaobei said. I didn’t come here today to offer my birthday greetings, but to seek justice!”

“What? This ... How is this possible?”

Xuanyuan guanghong was dumbfounded. He couldn't believe his ears. that child was already poisoned to death that year. I was also one of the witnesses. He can't possibly be alive!

"I can't confirm the identity of this child yet!"

but what we can be sure of is that your family's ancestor wanted this child's life. Then, he crippled the child's father and drove the child's mother crazy! Chen Xiaobei said.

"Elder brother guanghong, put yourself in his shoes. If you were this kid, don't you want to kill the old ancestor Xuanyuan?"

Chen Xiaobei could tell that Xuanyuan tuohai was a loyal man, and he did not agree with the old ancestor's way of doing things.

Because of that, Chen Xiaobei did not hide anything and laid his cards on the table.

Seeing this scene, Qiu Ling 'er and Lou Yuhong were both stunned.

They had joined bei Xuan faction late and did not know about these things. They would never have thought that Xuanyuan tuohai was the son of the evil demon! What was even more unexpected was that Chen Xiaobei was here for Xuanyuan tuohai!

Lou Yuhong had hoped that Chen Xiaobei would push the blame on Xuanyuan tuohai!

However, Chen Xiaobei's attitude was clearly on Xuanyuan taohai's side, and Buxi had even fallen out with Xuanyuan guanghong!

Once Xuanyuan guanghong was enraged, he would probably summon all the experts of the Xuanyuan family!

This was the Xuanyuan heavenly Palace!

Ancestor Xuanyuan had a heaven immortal item! There was a divine fairy level array in the heavenly Palace! The disciples of the heavenly sects could form a divine immortal level battle formation!

By then, even if Chen Xiaobei had the nine heavenly net, he would still be dead!

With this in mind, Lou Yuhong secretly took two steps back and was really ready to escape!

However, in the next second, Lou Yuhong's footsteps stopped! Xuanyuan guanghong's next words were something that he had never expected.

"Childe Chen! You're a good person! It's been more than ten years, and you're still willing to seek justice for your dead child!"

Xuanyuan guanghong's expression was grave as he said in a deep voice,"I won't hide it from you! I, Xuanyuan guanghong, am the child's grandfather!"

Chen Xiaobei went straight to the point. Xuanyuan guanghong was not a shy person. He also revealed the secret that he had kept hidden for many years.

my son, Xuanyuan Hengfeng, was crippled. My daughter-in-law, Wei Wanrong, was driven mad. My grandson died an innocent and tragic death ... My heart is in more pain than anyone else!

“It’s because of this that I gave up my position as the third elder of the family and ran to Nanzhan state to focus on managing the Dongsheng Chamber of Commerce!” Xuanyuan guanghong said in a deep voice. In fact, I just can’t face this cruel and sad place!”

“Childe Zhufeng, I’m very grateful that you want to get justice for our child! However, the dead can not be brought back to life. No matter what you do, that child is already dead! Bringing up the past for no reason will only harm his parents!”

It was obvious that Xuanyuan guanghong was certain that the child was dead. There was no point in seeking justice for the child!

On the contrary, Xuanyuan Yifeng’s cultivation had been crippled, and Wei Wanrong had become a mad woman. Both of them had been imprisoned for more than ten years, so it was obvious that they had seriously offended the Xuanyuan ancestor!

The reason why they were still alive was because Xuanyuan guanghong and the Wei family were still working for the Xuanyuan family. Furthermore, they were doing their best!

It would be meaningless to make a big deal out of it for the sake of a dead child. On the contrary, it would only enrage ancestor Xuanyuan again!

Today was the birthday banquet, and the Xuanyuan ancestor had lost face. Naturally, he wouldn’t give Xuanyuan guanghong and the Wei family any face!

At that time, Xuanyuan Yifeng and Wei Wanrong would surely become his punching bags, and a single word from ancestor Xuanyuan would make them die without a burial place!

That was why Xuanyuan guanghong was grateful to Chen Xiaobei but did not support him.

“Old brother, you’re right, the dead can’t be brought back to life! However, what if the person did not die at all? Don’t you want to seek justice?” Chen Xiaobei said.

“He didn’t die? This is impossible ...”

Xuanyuan guanghong said dejectedly, “back then, I personally saw my child being fed a poison pill!” There’s no way a newborn baby can resist that kind of poison!”

Chen Xiaobei said seriously, “Take me out to see the child’s mother. If I’m not wrong, she will definitely be able to confirm the child’s identity!”

“Wei Wanrong?” “She’s already gone crazy ... How can we be sure?” Xuanyuan guanghong said helplessly.

“If faking death and acting crazy could save the child’s life, would Wei Wanrong do it?” Chen Xiaobei asked.

“Fake death? Pretending to be crazy?”

Xuanyuan guanghong’s expression froze for a moment before he suddenly understood. “What you said makes sense! Let’s go! I’ll bring you to see Wei Wanrong immediately!”

There was only one truth!

Red Envelope Group of the Three Realms

Chapter 2982: extreme anger

So, Xuanyuan guanghong only brought Chen Xiaobei and Xuanyuan tuohai along.

As for the others, they were left behind.

Lou Yuhong originally wanted to run away, but he never thought that Xuanyuan guanghong was actually Xuanyuan tuohai's grandfather!

If it was proven that Xuanyuan taohai was the son of the devil, then Xuanyuan guanghong would definitely stand on Chen Xiaobei's side and seek justice for this child!

By then, Chen Xiaobei and the Xuanyuan family's old ancestor would have a great fight!

Lou Yuhong was afraid of being dragged into this, but his killer instinct told him that Chen Xiaobei was just like the Chen Xiaobei who faced the demon fighter the other day!

Even though the enemy looked invincible, Chen Xiaobei was calm and composed, as if he had everything under control!

Lou Yuhong knew very well that Chen Xiaobei was not a reckless man with courage but no brains!

Since Chen Xiaobei dared to come today, he must have made full preparations!

If Xuanyuan taohai was truly the son of an evil demon, how would the situation develop? If Chen Xiaobei and the Xuanyuan ancestor were to fight, who would win?

Lou Yuhong was very worried and even a little afraid. However, his curiosity was completely hooked, and his bragging overwhelmed his worry and fear!

In the end, Lou Yuhong didn't run away, but sat back in his seat!

Obviously, Lou Yuhong was just as curious as everyone else present. He really wanted to know what was going to happen next!

.....

The 300th level of the Xuanyuan heavenly Palace!

In the Northwest corner, there was an abandoned house with the thinnest spirit weapon. The heaven sect's core disciples didn't even look at this damn place, so it was empty and no one lived there!

Xuanyuan guanghong had brought Chen Xiaobei and Xuanyuan tuohai here.

It was obvious that Wei Wanrong had been imprisoned here.

This place had been abandoned for a long time, and there were broken walls everywhere! Sunlight rarely shone in, but the wind and rain made the place wet and cold. The surrounding air was filled with a pungent moldy smell!

If a normal person lived in this godforsaken place, their body would definitely suffer from serious rheumatism, and even their heart, lungs, and skin would get sick!

As a great doctor of Chinese medicine, Chen Xiaobei could already guess Wei Wanrong's condition even before he met her!

"She's just in front ... Be quiet, don't scare her ..."

Xuanyuan guanghong's brows furrowed slightly, and his expression was very heavy. It wasn't hard to tell that Wei Wanrong's condition was very bad.

"Whoosh ..."

A green light screen appeared behind the corner in front of them.

It was a sealing formation, and Wei Wanrong was imprisoned behind it.

Xuanyuan guanghong was well aware of Wei Wanrong's condition, and he couldn't bear to look at her.

Chen Xiaobei and Xuanyuan tuohai's eyes were fixed on him, and their hearts were filled with anger.

It was a middle-aged woman who was as thin as a stick and in ragged clothes!

Her hair was already white and messy like a beggar's!

She was curled up in the corner of the wall, her eyes staring blankly at the ground as if she was in a daze. However, her body was trembling as if she was looking at a terrifying scene!

Just as Chen Xiaobei had expected, her finger joints were swollen and purple. It was not just serious rheumatism, but also many other complications! Her skin was also red and swollen, and there were even festering spots! As for his heart and lungs, he could tell from his complexion that he was definitely sick!

Without a doubt, this was a pitiful woman!

For more than ten years, her heart had been tormented by the pain of losing her son, and her body had been tortured by all kinds of injuries!

Living like this was worse than death!

To put it bluntly, the Xuanyuan family would rather give her a quick death than imprison her like this!

Chen Xiaobei was furious!

Family and friendship had always been the most important things to Chen Xiaobei! In fact, it was even more important than his own life!

Putting himself in his mother's shoes, Chen Xiaobei would have gone mad if his mother was in such a state. He would not even be satisfied with killing the Xuanyuan family. He would have to kill the entire Xuanyuan family to appease his anger!

Xuanyuan tuohai was also furious!

Ever since he joined the Xuan faction, Xuanyuan tuohai had seen Chen Xiaobei's filial piety more than once!

Chen Zhongfu and Zhang Chui'er were the most respected elders in Bei Xuan faction! Whenever there was a Festival, Chen Xiaobei would always give the two of them anything good!

Xuanyuan tuohai saw this and remembered it in his heart. He hoped that one day, he could learn from Chen Xiaobei and be filial to his parents!

However, before he could fulfill his filial piety, his mother was already living a life worse than death. It could be imagined that his father's situation was definitely not much better!

Then, she thought about how her parents had fallen to such a miserable state because they had protected her! Xuanyuan tuohai's heart burned with anger, like a volcano that could erupt at any moment!

Childe Zhufeng, you've seen Wei Wanrong's condition ... Xuanyuan guanghong said in a low voice. "Do you think she's pretending to be crazy?"

Xuanyuan guanghong's voice wasn't loud, but it provoked Wei Wanrong for no reason.

"The murderer! Xuanyuan zhengyong! You damn murderer!"

ah! Wei Wanrong suddenly screamed and rushed toward Xuanyuan guanghong.

Unfortunately, the green light barrier of the sealing formation stopped her, and she could not rush out at all!

However, she looked at Xuanyuan guanghong as if she had a deep hatred for him. Sometimes, she clenched her fists and smashed at the green light screen, and sometimes, she scratched at it with her sharp nails that had not been trimmed for a long time, as if she wanted to tear Xuanyuan guanghong apart!

"I think she's just pretending to be crazy!"

Chen Xiaobei studied Wei Wanrong's eyes closely.

"Mm ..."

Wei Wanrong's expression froze for a moment. Then, she pounced on Chen Xiaobei and screamed hysterically, "The murderer! Xuanyuan zhengyong! You vicious murderer ... I'm going to take you down with me ..."

"Mrs. Wei, stop pretending!"

Chen Xiaobei said, "When we're not talking, you're very quiet, but the moment we mention that you're acting crazy, you'll suddenly go crazy and lose control! This means that you don't want people to know that you're pretending to be crazy!"

"Xuanyuan zhengyong! Return my son's life to me ... I'm not done with you! I won't let you go even if I become a ghost ... Wei Wanrong grabbed the green light screen like crazy, as if she did not hear Chen Xiaobei's words.

"Madam Wei! You're not in good health, so it's better for you to quiet down and listen to me!"

you're dead! Chen Xiaobei continued, " your current condition is worse than death! The reason why you can't bear to die is because you still have a trace of hope in your heart! You're looking forward to the day when your child can come back and see you again!"

you ... Wei Wanrong's body stiffened, and she stopped her crazy actions. Her empty eyes also flashed with unconcealable emotional fluctuations.

"It seems that I was right! Your child is still alive!" Chen Xiaobei pointed at Xuanyuan tuohai and said, " Mrs. Wei, take a closer look. Is he your child? "

Chapter 2983: paying the price

"Who ... Who is he ..."

Wei Wanrong was very cautious and didn't immediately admit that she was pretending to be crazy. She only observed Xuanyuan tuohai silently and carefully.

Wei Wanrong's originally empty and dull eyes gradually glowed with life.

Although Xuanyuan tuohai was still an infant when the mother and son parted ways, there seemed to be a mysterious connection between mother and child.

Although she didn't admit it, Wei Wanrong was almost certain.

The eyes were the windows to one's soul. Although Wei Wanrong didn't say anything, the warmth in her eyes had already explained everything!

"Mother! I know what you're worried about! Look at this!"

Xuanyuan tuohai could naturally feel that the woman in front of him was his mother, whom he had missed day and night!

Xuanyuan tuohai pulled out a red rope from his collar. At the end of the red string hung a seemingly ordinary jade pendant.

The bystanders couldn't see what was so special about the jade pendant, but Wei Wanrong trembled uncontrollably as if she had been struck by lightning the moment she saw it! His eyes were filled with endless surprise!

Immediately after, Wei Wanrong's eyes turned red, and tears flowed uncontrollably.

There was no doubt that Wei Wanrong had not gone mad. She clearly remembered everything!

This jade pendant was the one that Wei Wanrong had personally hung around Xuanyuan tuohai's neck!

Xuanyuan tuohai was originally an insensible baby. The reason why he knew his true identity and why he was abandoned was because this jade pendant was actually a spiritual object!

After the spiritual connection, the relevant information would be transmitted into Xuanyuan tuohai's mind through the jade pendant!

"The child ..."

Wei Wanrong burst into tears of joy. Tears covered her cheeks, but the corners of her mouth and eyes were overflowing with a loving and happy smile!

“Mother ...”

Xuanyuan tuohai was also crying!

He did not cry when he was abandoned when he was young! He did not cry when he was bullied in the slums! He had cried even though he was a slave in devil earth! He could even endure the excruciating trials of the Overlord body that was on the verge of death!

However, in the face of the most sincere feelings, no matter how strong one’s mental state was, it would melt in an instant!

Every tear was filled with the sadness that Xuanyuan tuohai couldn’t tell anyone for more than ten years. Only in front of his mother could he release these emotions!

Every tear was filled with relief and relief. Xuanyuan taohai had waited for more than ten years and finally received his answer! It wasn’t his parents who had abandoned him! On the contrary, both his father and mother loved him deeply! Although they did not succeed, they had all fought back. Even if they lost everything, they would not hesitate!

Each tear was filled with Xuanyuan tuohai’s pleasure! Although they had been separated for more than ten years, when they reunited again, his parents were his loving family and not cold enemies who had abandoned him. What a lucky thing!

Just like that, Xuanyuan tuohai and Wei Wanrong’s eyes met. Although they only said ‘child’ and ‘mother’, they had a thousand words to say, but they were all unsaid! There were many things that could be clearly understood in one’s heart without having to be said!

This was what it meant to be a close relative! This was flesh and blood!

Even Chen Xiaobei and Xuanyuan guanghong were moved by what they saw.

Especially Xuanyuan guanghong, who looked at Xuanyuan tuohai lovingly.

As his grandfather, Xuanyuan guanghong had never imagined that he would see his only grandson in his lifetime!

As the third core elder of the Xuanyuan family and the great Deacon of Dongsheng Chamber of Commerce, Xuanyuan guanghong was very strong and unyielding in front of outsiders!

However, at this moment, Xuanyuan guanghong couldn’t hold back the overwhelming emotions in his heart. He burst into tears and sobbed silently!

.....

After a long time, everyone’s emotions finally calmed down.

Xuanyuan tuohai and Wei Wanrong had a brief exchange and roughly understood each other’s recent situation.

“Mother, don’t worry!”

my master’s medical skills are extraordinary,” Xuanyuan tuohai said seriously. he can cure all your illnesses!

“No... No need ...”

Wei Wanrong shook her head and looked away from Xuanyuan tuohai to Chen Xiaobei.

“Plop!”

To everyone’s surprise, Wei Wanrong knelt down in front of Chen Xiaobei and kowtowed three times without saying a word.

“Madam Wei! What are you doing? Quickly get up! I can’t afford such a big bow from you!”

Chen Xiaobei furrowed his brows. He could not help Wei Wanrong up through the green light, so he could only watch her kowtow three times.

“You can afford it!”

Wei Wanrong stood up with some difficulty and said slowly, “You saved tuo Hai’s life, I’ll pay my respects to you! You’ve taught tuo hai, let him have an extraordinary body, and let him understand the principle of being a human. You have brought tuo hai back and let me see my son. You have fulfilled my life’s wish. I will bow to you three times!”

“Madam Wei, you’re being too serious!”

what?! Chen Xiaobei frowned. I’m a teacher! This is what I should do!

“No!”

Wei Wanrong said in a deep voice, “ordinary human teachers are only responsible for passing on knowledge!” And besides passing on knowledge, you can also take great risks to help your disciples! You can be considered tuo Hai’s master!”

“As the saying goes, a teacher for a day is a father to all living beings! From now on, no matter when, where, under what circumstances, I will make tuo hai respect you, you are like a father!”

Wei Wanrong was indeed a lady from a wealthy family. She was very polite and knew how to repay a debt of gratitude. She would never forget Chen Xiaobei’s kindness in her life!

“Mother, don’t worry!”

Xuanyuan tuohai was also very sensible and promised solemnly, “ you don’t have to say it. I will follow and respect my master for the rest of my life. If I have any second thoughts, I will be struck by lightning and die a horrible death!

“Alright! I’m at ease now ...”

Wei Wanrong nodded. Although she was reluctant, she still said in a deep voice, “Beixuan Zhenren, please take tuo hai away! If you’re discovered by Xuanyuan zhengyong, you’ll all be in danger!”

“No! We’re not leaving!”

Xuanyuan taohai immediately became excited, “mother, don’t worry!” My master is very, very powerful! This time, we’re not only here to see you, but also to seek justice from Xuanyuan zhengyong! I will definitely save you and father!”

“Nonsense!”

Wei Wanrong frowned. the Xuanyuan family is one of the top 10 forces. The Xuanyuan heavenly Palace is their home ground! A strong Dragon can not suppress a snake in its own territory. Don’t you understand such a simple logic?”

“Madam Wei, please calm down!”

I’m not going to leave empty-handed! Chen Xiaobei said. since I’m here today, I have my own plans. I can’t leave empty-handed!

“Mother! I won’t return empty-handed!”

Xuanyuan tuohai’s eyes narrowed and he said with extreme seriousness, “I want to know what happened back then! I will make those who owe us and harm us pay the price!”

[Red Envelope Group of the Three Realms](#)

Chapter 2984: trump card

All of a sudden, everyone’s eyes fell on Wei Wanrong.

The incident back then was extremely strange. Why did everyone think that Xuanyuan taohai was dead? Why was Xuanyuan tuohai secretly sent out of the Xuanyuan family? Why did Wei Wanrong pretend to be crazy?

Even Xuanyuan zhengyong and Xuanyuan guanghong, who had witnessed everything, didn’t know some of the secrets! Even Xuanyuan Yifeng, who was fighting with all his might, didn’t know! Even Xuanyuan tuohai himself was confused!

Only Wei Wanrong, a woman who had pretended to be crazy for more than ten years, knew everything that had happened back then!

Not only Xuanyuan tuohai, but even Chen Xiaobei and Xuanyuan guanghong wanted to know what had happened back then!

Wei Wanrong didn’t want to mention it at first!

In Wei Wanrong’s eyes, Chen Xiaobei was no match for the Xuanyuan family! Telling them about what happened that year would only put Chen Xiaobei and Xuanyuan tuohai in even more danger!

However, Wei Wanrong was worried that if she missed this day, she would never be able to see Xuanyuan tuohai again! He should let Xuanyuan tuohai know what happened back then. After all, he was the victim and had the right to know everything!

More importantly, Wei Wanrong respected Chen Xiaobei. Although she did not think highly of Chen Xiaobei, she could not embarrass him!

“It’s like this ...”

Wei Wanrong composed herself and slowly said, “The old man of heavenly secrets has prophesied that tuo hai is the son of an evil demon! At that time, the entire Videha joined forces to put pressure on the Xuanyuan family!”

in order to appease those forces, Xuanyuan zhengyong decided to execute tuo hai without considering his family. He even invited many people to bear witness!

“It was at that time that tuo Hai’s father, Xuanyuan Hengfeng, wreaked havoc at the venue! He angered Xuanyuan zhengyong and was almost killed on the spot!”

fortunately, eunuch Liu begged for mercy. That’s why Xuanyuan zhengyong didn’t kill him. He only crippled Hengfeng’s cultivation and threw him into the dungeon for life!

“That’s right! Xuanyuan zhengyong is such a cruel and merciless man!”

“He’s been living in this world for far too long,” Wei Wanrong said resentfully, “and he has thousands of descendants! To him, family ties were meaningless. He only valued his descendants who were useful to him! Those useless offsprings are even worse than strangers!”

the good thing was that although Heng Feng was crippled, his actions gave me the opportunity to secretly feed tuo hai a top-grade antidote that our Wei clan had collected!

“Of course, Xuanyuan zhengyong is determined to kill tuohai! The poison pill he gave tuo hai is of a higher grade than my antidote pill!”

that’s why tuo Hai’s heart and breathing stopped after he consumed the poison pill. He looked no different from a dead man!

“I thought tuo hai was dead, but when I was collecting his body and preparing to bury him, he came back to life!”

it’s probably because the evil demon bloodline in his body has a certain resistance to poison. With the help of my Wei family’s detoxification pill, the poison in his body was successfully neutralized and his life was saved!

of course I’m overjoyed that the child is alive, ” Wei Wanrong said excitedly. but I know that he can’t be left alive!

so, I hung the jade pendant on him and secretly sent him to the apocalypse Starfield under the earth-god Realm. I was worried that the spies of the Xuanyuan family would send tuo hai to the apocalypse Starfield under the earth tribulation Starfield!

“I placed tuo hai in the slums! There were many children abandoned by their parents there! I hope that tuo hai can be like them, staying strong and surviving! Although I knew that it would be very, very difficult, I had no better choice at that time!”

Wei Wanrong paused for a moment before she continued, “when I returned to the earth-god Realm, the Xuanyuan family was looking for me all over the world!” I’ve just shown my face and they’ve already captured me and brought me back here!”

“They interrogated me, what did I do? Who had he met? Where should they bury the child? They wanted to ask all of them! I had no choice but to play the fool!”

“For the entire year after that, they tortured me in all sorts of ways. There were a few times when I couldn’t take it and wanted to die! However, I’ve always held a glimmer of hope in my heart, looking forward to seeing tuo hai again!”

finally, I made it through that hellish year. The Xuanyuan family finally believed that I had gone completely crazy, and they imprisoned me here!

there were people guarding me at first, but gradually, everyone thought that the person I was guarding was a lunatic. Even the guards were removed!

Wei Wanrong took a deep breath. After playing the fool for so many years, she had never dared to say a word of this.

As if a huge rock had been lifted off her chest, Wei Wanrong felt her body relax after she blurted everything out.

“Old man Tianji! Xuanyuan zhengyong!”

Xuanyuan tuohai’s eyes narrowed, and he gritted his teeth. “These two people are the culprits who harmed our family of three! I swear that I will make them pay the price!”

“Shut up!”

Hearing this, Wei Wanrong became nervous again. “These two people are the top Supreme powerhouses in the earth-god Realm! You want them to pay the price, aren’t you afraid of losing your life?”

“Madam Wei, don’t worry!”

” I’ll do it for you! Chen Xiaobei said, ” tuo Hai’s business is my business. I’ll do it for him if he can’t!

“This ...”

Wei Wanrong was taken aback and said in a deep voice, ” “Beixuan Zhenren ... I didn’t mean to offend you, but with all due respect, even you can’t do anything to Xuanyuan zhengyong and the old man of heavenly secrets! It was better to leave as soon as possible! Staying alive is more important than anything else!”

Chen Xiaobei said, ” “Madam Wei, you might not believe me, but I have three heaven immortal artifacts in my hands, and I have plenty of spirit stones! As long as I fight with all my strength, I’ll definitely be able to trample Xuanyuan zhengyong under my feet!”

“Three ... Three heaven immortal items?” Wei Wanrong was taken aback. She could not believe it.

Even Xuanyuan guanghong was shocked. Chen Xiaobei had just ‘stolen’ his planet-destroying banner at the auction. How did three heaven-immortal instruments suddenly appear? It scared people to death!

but, even if you have three heaven immortal artifacts, it’s still not enough!

Xuanyuan zhengyong has a heaven immortal artifact, ” said Wei Wanrong in a deep voice. there’s a heaven immortal-grade formation in the Xuanyuan heavenly Palace, and millions of disciples can form a heaven immortal-grade battle formation!

“When the two forces cancel each other out, your three heaven immortal artifacts will be trapped! At that time, it would be a competition of individual cultivation! You should know very well that your cultivation base is far from being on par with Xuanyuan zhengyong’s!”

Obviously, Wei Wanrong’s worry was justified!

But Chen Xiaobei did not care and laughed evilly, ” “The Xuanyuan family has three cards, and everyone knows that they’re open! However, my three cards are trump cards that no one knows about! As long as we catch him off guard, we can kill him in one strike!”

Red Envelope Group of the Three Realms

Chapter 2985: main character arrives

“Daoist beixuan ... Aren’t you a little too confident?”

it’s Xuanyuan zhengyong’s birthday banquet today. Wei Wanrong furrowed her brows. you should know the situation outside better than me!

“What’s the situation outside?” Chen Xiaobei was surprised. “You mean, the guests today will also become my enemies?”

Wei Wanrong didn’t answer. Instead, she looked at Xuanyuan guanghong.

“Yes, I am!”

the people who were waiting in line just now are almost all the city Lords of the major cities in Videha, ” Xuanyuan guanghong said in a deep voice. those who entered the Xuanyuan Celestial Palace earlier are all respectable Kings, great emperors, Supreme-beings, and peak Supreme-beings of Videha!

“Other than the gods ‘Palace at the edge of the Videha, the rest of the forces are all Daoist factions, and they have always been on good terms! Moreover, the young masters of Tianji city and hollow Jade temple will also be present today!”

this means that if Childe Zhufeng wants to cause trouble at the birthday banquet, you will have to face not only the Xuanyuan family, but all the Daoist factions in the entire Videha!

Obviously, Xuanyuan guanghong was the core third elder of the family, and he knew the current situation the best!

After hearing what he said, the current situation was obviously more severe and dangerous than what Wei Wanrong had described!

“Don’t worry! I know where I am, and I know what I’m saying!”

Chen Xiaobei only smiled and said mysteriously, ” “The Xuanyuan family has external help, but I don’t?”

“Outside help?”

Xuanyuan guanghong's expression darkened."Childe Zhufeng's helper ... Could it be Lord Netherseal? She doesn't have a good relationship with the Xuanyuan family, so she might not show up!"

my Xianer is busy dealing with Tian Yin temple. I'm afraid she won't show up ... Chen Xiaobei raised his eyebrows."However, I still have other external help!"

"Other external help?"

I don't know! Xuanyuan guanghong frowned. I really can't think of anyone else who can help you with this other than the sacred Lord of the dark seal!

"Let's wait and see!" Chen Xiaobei smiled. He was already very confident!

Seeing Chen Xiaobei's confidence, Wei Wanrong and Xuanyuan guanghong were worried, but they did not say anything.

"Daoist beixuan ... If it's possible, I hope you can go and save Hengfeng ..." He said.

"We were once husband and wife, but we haven't seen each other for more than ten years," Wei Wanrong said in a low voice."To be honest, I miss him very much!" The key is that he's locked up in the dungeon, and his condition is probably worse than mine ..."

"Don't worry! Today, I will definitely save all of you!"

alright! Chen Xiaobei said, " but before your grandchildren come to celebrate, I'll have to trouble you for a while!

"Alright ... We'll leave our lives in your hands ..."

Wei Wanrong still could not believe it, but Chen Xiaobei was her only hope. There was no other way but to believe in him!

.....

After that, Chen Xiaobei, Xuanyuan guanghong, and Xuanyuan tuohai returned to the palace where Xuanyuan Lu Ming lived.

Qiu Ling 'er and the others were naturally very concerned about Xuanyuan tuohai's situation, asking about his well-being and comforting him from time to time.

Lou Yuhong also followed with a few polite words. The intense curiosity in his heart firmly nailed him here. At least, before the answer was revealed, he would not run away!

After some time, the sun was high in the sky, and it was time for the children and grandchildren to pay their respects!

.....

Under Xuanyuan guanghong's lead, the group left the Xuanyuan heavenly Palace and headed to the Xuanyuan heavenly sect's martial arts arena.

At this moment, the martial arts practice field was already surrounded by tens of thousands of city Lords!

There were several high platforms built for the internal test, and on the high platforms that were a little further away, all of them were respectable King-level powerhouses!

On the inner high platform, there were great emperor-level experts!

On the highest and most spacious platform in the middle, Supreme-being experts were seated!

Childe Zhufeng, this is your seat!

Xuanyuan guanghong brought Chen Xiaobei to the Supreme-being's platform and sat beside Xuanyuan Luming.

There were a total of a dozen chairs on the stage. The people who could sit there were all at the level of the Deputy sect Masters of the three major Dao systems 'peak forces! His cultivation was at least at the nine-star earth-god level!

The only reason Chen Xiaobei could be one of them was because of the Dongsheng purple gold Royal token!

Moreover, the Dongsheng Chamber of Commerce had caused Chen Xiaobei 'heavy losses'. With a guilty conscience, they could not afford to neglect Chen Xiaobei, so they could only let him sit here!

As for Qiu Ling 'er and the seven disciples, they stood behind Chen Xiaobei.

After all, the other Supreme-being powerhouses had also brought their own children or personal disciples to attend the ceremony, and they were all standing behind those Supreme-being powerhouses!

Chen Xiaobei used his netherspirit battlescouter to see through the young men.

Some of them had very high cultivation and were considered cultivation geniuses!

Some of them had very mediocre cultivation. However, those who were qualified to stand on this high platform definitely had super high talent in some special skills!

Just as Chen Xiaobei was looking at the group of young people, they looked back at him and started whispering among themselves.

"Who's that kid? How can a peak Jindan sit in the position of a Supreme Master?"

I think he's a nouveau riche ... I think he was the one who was robbed of hundreds of billions of upper spiritual stones at the auction a few days ago!

"Right! It was definitely him! The Xuanyuan family and the Dongsheng Chamber of Commerce were in the wrong, so he was allowed to sit here! Otherwise, how would he have the qualifications to do so?"

"Look at the people behind him ... Are they his disciples? Two of them could be his grandfathers, right? It was really too weird! Hahaha ..."

"But then again, Qiu Ling 'er of the Dragon God Palace has really joined his force! It's really like a fresh flower stuck in cow dung!"

“If that kid still has his heaven-immortal artifact and hundreds of billions of upper-grade spirit stones, then it’s understandable that Qiu Ling ‘er would follow him! But that boy had nothing now, so how could Qiu Ling ‘er still be willing to follow him? Are you crazy?”

“What’s the hurry? Today, the young masters of the Jade void Palace and Tianji city would come, and the three top forces of the Buddhist faction would also send birthday envoys! Qiu Ling ‘er can jump ship at any time!”

“I also heard that the kid provoked the hanging pot Palace and the palace of WarGods! Perhaps he would be taken care of in a while! Even if Qiu Ling ‘er doesn’t want to jump ship, she has to!”

“Just ignore them! Look! The main character is here!”

At this moment, the audience suddenly let out a series of exclamations. Almost everyone’s eyes looked up at the sky!

“Whoosh ...”

A golden Qilin broke through the clouds and descended!

Behind the Qilin was a Golden Chariot with colorful wings and dragon patterns!

The war chariot was extremely spacious, and there were six metal Thrones arranged in a row on it!

Each throne was occupied by a representative of a peak force!

[Red Envelope Group of the Three Realms](#)

Chapter 2986: friend or foe

“Look! That was a nine-star earth-god spiritual beast, the Golden Qilin! There was also the nine-star earth-god instrument, the rainbow-Winged Cloud-riding chariot! As expected of ancestor Xuanyuan! He’s so good at playing cards!”

“Is there a need to ask? There were only a dozen peak Supreme martial artists in the earth-god Realm! Their every word and action will definitely be dazzling, and all living beings will look up to them in awe!”

“Look at the five people on the colorful wings flying carriage, all of them are the future heirs of the peak forces! Not only is his status extremely noble, but his talent and cultivation are also terrifyingly powerful!”

“Xuanyuan zhengyong is in the middle, Xu gengnian, the young master of Tianji city, is on the left, and Zhao Wanji, the young master of the hollow Jade temple, is on the right!”

“There’s also the heir of the ten thousand Buddhas Pagoda, Buddha son Canaan Yu! The heir of the three saints nunnery, the heaven’s chosen Saint, Yun fanqing! The heir of Heavenly Dragon Temple, Dragon Seal Master!”

although the Supreme martial artists from the other five families didn’t come, this lineup is already luxurious beyond compare!

“I remember that during the birthday banquet a few years ago, these five clans only sent a few Supreme martial artists to offer their congratulations! It seems like the Xuanyuan family is going to do something big this year, other than the birthday banquet of old ancestor Xuanyuan!”

“Don’t say it yet! Hurry up and get up, let’s welcome the old ancestor and the young masters!”

“Yes, yes, yes! You can’t be impolite!”

In an instant, the dozen Supreme martial artists on the central High platform, the dozens of great emperors on the two high platforms, and the thousands of respectable Kings on the outer high platforms all stood up and looked at the sky with reverence!

And around the martial arts practice field, there were tens of thousands of city Lord level powerhouses! These people didn’t even have a seat. They were standing to begin with!

At this moment, when they looked at the sky, it was as if they were looking at a God. Respect, belief, flattery, and all kinds of expressions were present!

This scene was extremely spectacular and was almost impossible to see normally!

However, this scene was also very normal and would not surprise anyone.

After all, the Supremes, great emperors, respectable Kings, and city Lords who came to offer their congratulations were all subjects of the major forces!

Since their master was here, they naturally had to stand up and welcome him reverently!

Some ingratiating villains even knelt on the ground to welcome him. To put it bluntly, it was to please their master!

With just a glance, there was only one person who was still sitting in his seat. Not only did he not stand up, but he even crossed his legs and had a cynical expression on his face.

That’s right, this person was Chen Xiaobei!

Chen Xiaobei was not a subject of these top forces, so he did not need to please them. Naturally, he could sit in his seat.

All of a sudden, countless vengeful gazes were directed at Chen Xiaobei.

In their eyes, Chen Xiaobei was too arrogant and frivolous. He did not care about the six people on the rainbow-Winged Cloud-riding chariot at all. Furthermore, he did not care about the six top forces behind these six people!

The crowd was all from the six top forces, and they were all very upset. They wanted to beat Chen Xiaobei up.

However, the rainbow-Winged Cloud-riding carriage had just descended, so the surrounding people did not dare to be impolite. They obediently kept their mouths shut and naturally did not do anything out of line.

Of course, with everyone standing still, Chen Xiaobei's little green spot in the middle of all the flowers was particularly eye-catching!

The six people on the colorful wings cloud-riding chariot could see it clearly.

"That kid is Chen Zhufeng, right? He was really arrogant! You actually want to be on the same level as us?"

Tianji city was the most well-informed. As the young master, Xu gengnian was the first to recognize Chen Xiaobei.

Not long ago, Xu gengnian had gone to the sky Gate Palace to listen to the elder of heavenly secrets's orders. He did not provoke Chen Xiaobei on the surface, but secretly asked the Blood Moon Swordmaster to kill Chen Xiaobei!

Subconsciously, Xu gengnian was already filled with enmity toward Chen Xiaobei. Now, he was extremely displeased with Chen Xiaobei!

"He is Chen Zhufeng? Heh, how arrogant!"

Zhao Wanji laughed coldly and said in disdain, "Isn't it just some stinky money? His tail was almost raised to the sky! If the hundreds of billions at the auction hadn't been stolen, I'm afraid he would have dared to ride on our heads!"

From the name, Zhao Wanji was most likely Zhao shihuang's blood brother!

Earlier, Chen Xiaobei had beaten Zhao shihuang to a pulp, and he had even kowtowed to Chen Xiaobei to apologize.

Naturally, Zhao Wanji wanted to put the blame on Chen Xiaobei! Naturally, they were hostile to Chen Xiaobei! His words fanned the flames, obviously trying to anger the people around him!

"This brat is indeed detestable!"

The heir of the ten thousand Buddhas Pagoda, Canaan Yu, squinted his eyes and said sinisterly, "we monks don't care about such formalities, but it's old ancestor Xuanyuan's birthday today. Chen Zhufeng's attitude is disrespectful to old ancestor Xuanyuan!"

Not too long ago, the pagoda of ten thousand Buddhas had secretly issued a bounty mission with a reward of one billion upper-grade spiritual stones for the night Killer to kill Chen Xiaobei!

When the pagoda received a message from night temple that Chen Xiaobei had been captured, it sent the demon fighter to take over!

In the end, they could not contact the King Kong and Chen Xiaobei was the only one sitting there, perfectly fine.

The people from the ten thousand Buddhas Pagoda knew that night kill had not only failed to take Chen Xiaobei down, but he had also been tricked by Chen Xiaobei!

Since the demon fighter had been exposed, it meant that the ten thousand Buddhas Pagoda and Chen Xiaobei were now enemies. All that was left was for them to shed all pretense of cordiality!

That was why Canaan Yu wanted Xuanyuan zhengyong to punish Chen Xiaobei for his disrespect!

But then again, who was Xuanyuan zhengyong? The ancestor of the Xuanyuan family! The third most powerful man in the earth-god Realm! An old monster who had lived for hundreds of millions of years!

Who hadn't Xuanyuan zhengyong seen? What scheme had he not played before?

Just a few instigations from Xu gengnian, Zhao Wanji, and Canaan Yu were not enough to move Xuanyuan zhengyong!

To put it bluntly, Xuanyuan zhengyong wouldn't have lived to this day if he had been led by the nose by these three juniors!

"Master fan Qing, Master Dragon Seal, why aren't you guys saying anything?"

Xuanyuan zhengyong narrowed his eyes and asked faintly. There was no expression on his face, no one could see his emotions, let alone guess his thoughts!

Yun fanqing pursed her lips and said in a low voice, "Childe Zhufeng and I are friends. As far as I know, he's not an arrogant and rude person ...

Obviously, Yun fanqing also thought that Chen Xiaobei was being rude, but she knew Chen Xiaobei well enough to know that he would not do that for no reason!

The three people in front of him were hostile to Chen Xiaobei. Only Yun fanqing put in a good word for Chen Xiaobei.

Then, everyone's eyes fell on Dragon Seal Master.

Although this Dragon Seal Master was the successor of the heavenly Dragon Temple, those who knew him knew that he was actually a very improper master!

Which side would he stand on? Was he Chen Xiaobei's Friend or Foe?

[Red Envelope Group of the Three Realms](#)

Chapter 2987: running for young master

Right! You didn't see wrong!

This Dragon Seal Master was really frivolous!

His surname was Wu, and his Dharma name was Dragon Seal. As for the title of 'master', it was just a respectful title for people outside the Buddhist League.

In terms of age, he was actually only a little older than Yun fanqing.

As a monk, he ate meat, drank wine, gambled, and flirted with girls. It could be said that he had no taboos and dared to do anything!

The most exaggerated one was when he went to hit on Yun fanqing. Before he even saw Yun fanqing, he ran into priestess Dinghai of the three saints nunnery and was almost beaten to death!

From this, it could be seen how frivolous this guy was!

Over the years, Wu longyin could not avoid being criticized by others, but he did not take it to heart at all.

As the saying goes, wine and meat pass through the intestines, but Buddha's heart remains! He did all those ridiculous things to train his Buddhist heart!

Others might not even believe the punctuation marks of this story, but the abbot of Heavenly Dragon Temple believed it!

The old Abbot stood his ground against all objections and made Wu longyin the successor of Heavenly Dragon Temple!

Speaking of which, it was quite strange. Before Wu longyin became the successor, he was frivolous and frivolous all day. Many people believed that he would achieve nothing in his life. He should be thanking the heavens and earth if he wasn't chased away by Heavenly Dragon Temple.

However, ever since he became the successor of Heavenly Dragon Temple, Wu longyin seemed to have changed into a different person!

Although he was still as frivolous as ever, his cultivation had improved by leaps and bounds like a rocket. Now, he was a nine-star earth-god!

The main point was that he performed outstandingly every time he went out to carry out a mission! It was almost omnipotent to save the people, quell the plague, and subdue demons!

In just a few years, he had gained countless followers in the heavenly Dragon sacred domain!

The people who had received his help all respectfully called him 'dragonseal Bodhisattva'! They built a temple for him, offered incense, and even regarded him as the reincarnation of Bodhisattva, as a God!

As a result, the criticism from the outside world gradually disappeared without a trace. In its place was the honorific title of Dragon Seal Master!

.....

Yun fanqing was also known as master fanqing because she was the only one who could seal the Blood Moon Swordmaster! This sacred mission made her very respected no matter when and where she was!

Wu longyin was known as the Dragon Seal Master because he had saved countless people!

In comparison, Canaan Yu was much more mediocre! Other than being a nine-star earth-god, he had no other achievements. His prestige in the earth-god Realm was naturally lower!

Therefore, in such a Grand occasion, Yun fanqing and Wu longyin's attitude was far more important than Canaan Yu's attitude! It was more convincing!

That was why Xuanyuan zhengyong had asked.

Even Chen Xiaobei perked up his ears to listen to what the master, who was also sitting with his legs crossed, had to say.

old ancestor Xuanyuan, you've seen a lot of people. Why do you need to ask me about such a simple thing?"

Wu longyin raised his eyebrows and said with a faint smile, "Just because he's sitting doesn't mean he's impolite! On the contrary, with so many people standing and even kneeling, did they all have a heart of respect? Don't you have any selfish desires?"

Xu gengnian, Zhao Wanji, and Canaan Yu's faces all turned grave, and they were left speechless.

Yun fanqing's eyes flickered, and he nodded heavily.

"As expected of the Dragon Seal Master! Your words hit the nail on the head!"

Xuanyuan zhengyong was still expressionless, but he agreed with her. "You can't tell what a person is thinking from the surface!"

most of the people who are standing and kneeling are trying to please the Lord so that they can have a good future. This is selfish, not sincere respect!

as for Chen Zhufeng, he's just sitting there. Although it's a little eye-catching, we still need to observe him further to know what he's thinking!

Although Xuanyuan zhengyong agreed with Wu longyin's words on the surface, in fact, he would never let Wu longyin lead his thoughts!

An old fox like Xuanyuan zhengyong, who had lived for hundreds of millions of years, could tell that something was wrong with Chen Xiaobei just by his sense of smell!

However, Wu longyin and Yun fanqing were both speaking up for Chen Xiaobei, so Xuanyuan zhengyong had to give them face.

More importantly, Xuanyuan zhengyong was also very curious about what Chen Xiaobei was up to.

In Xuanyuan zhengyong's eyes, Chen Xiaobei was like a tiny Grasshopper that could not escape from his palm! He would let Chen Xiaobei do whatever he wanted first, but when he wanted to take care of Chen Xiaobei, he could kill him with a snap of his fingers!

That was why Xuanyuan zhengyong did not get angry. He would let Chen Xiaobei see through the whole thing first before making a decision!

"Whoosh ..."

Very quickly, the rainbow wings cloud riding carriage stopped right above the central High platform.

"Everyone, you can dispense with the formalities!"

Xuanyuan zhengyong waved his hand and said in a clear voice, "it's noon. According to the rules, disciples of the five branches of the Xuanyuan heavenly sect will come to the martial arts field to show what they have learned and practiced in the past year as a gift for my birthday!"

“In the past years, it has always been the disciples of the five great sub-halls competing. However, everyone should have already seen that this year’s birthday banquet is more Grand and special than the previous years! The method of the great tournament will also change!”

As soon as he said that, five young people came to the center of the martial arts practice field.

Upon seeing this scene, the crowd burst into a heated discussion.

“This birthday banquet is really full of hidden mysteries! No wonder the young masters of the five top forces had come at the same time! In the past, those who came were only core elders!”

“The great competition is also different. In the past, the five great sub-halls would compete according to the different categories of cultivation! This time, it was the five chief disciples of the five great sub-halls! Is this a chaotic battle?”

“It’s definitely not a big fight! These five lead disciples were known as the five heroes of Xuanyuan! In the palace of WarGods, Xuanyuan Ling ‘an mainly cultivated combat strength! Weapon spirit Palace, Xuanyuan nandou’s main weapon refinement master! In the array element Palace, Xuanyuan an Yi mainly cultivated the array! Xuanyuan Palace’s flying Lord Xi’s cultivation pill! Xuanyuan Haofeng majored in Chinese medicine in the hanging pot Palace! If it’s a chaotic battle, Xuanyuan Ling ‘an will definitely crush the other four!”

“If it’s not a big chaotic battle, then why did the five lead disciples come on stage? What is the Xuanyuan family trying to do?”

Everyone at the scene exclaimed repeatedly, but at the same time, they were puzzled.

An even more Grand birthday banquet! Even more distinguished guests! A more special competition!

Behind all this, there must be a great mystery that was enough to shake the entire scene!

“Everyone, please be quiet!”

Xuanyuan zhengyong paused, then said in a more serious tone, I hereby announce that after this birthday celebration, I will personally select the future successor of the Xuanyuan family with everyone present as my witness!

Choose young master Xuanyuan?

Everyone was shocked by his words!

Even Chen Xiaobei’s expression changed. He did not expect such an accident to happen!

[Red Envelope Group of the Three Realms](#)

Chapter 2988: challenge mode

A stone that caused a thousand ripples!

After hearing Xuanyuan zhengyong’s words, the crowd instantly became restless.

“So it’s to choose the family’s successor! It was no wonder that the young masters of the five major forces had come to witness such a big event! The newly-selected young master Xuanyuan must be on good terms with these five young masters! We can get closer at the birthday banquet!”

“No wonder! The most outstanding descendants of the Xuanyuan family had always been the five heroes of Xuanyuan! However, they had never been able to determine who would be the first inheritor of the family! The dust will settle today!”

“But then again, the Xuanyuan family hasn’t had a super genius for hundreds of years! That’s why he didn’t choose a young master! Even Xuanyuan Ling an, the strongest of the five heroes of Xuanyuan, is only a seven-star earth-god, which is far inferior to the young masters of the five major forces on the colorful wings cloud-riding chariot!”

“You don’t understand, do you? The reason why those five young masters are able to have the cultivation of nine stars tribulation passing stage, other than the power behind them providing them with unlimited resources, they themselves also have extraordinary great opportunities!”

“That’s right! There was only one reason why the Xuanyuan family was choosing their young master! They had discovered a great opportunity that could rapidly increase their cultivation! This way, even Xuanyuan Haofeng, who has the lowest cultivation level, can have his cultivation level soar and secure his position as the young master!”

“In other words, this competition is actually a stage for the five heroes of Xuanyuan to show off their talents! Their cultivation level was no longer important. They could improve it by chance anyway! The main point is whether they can convince others with what they have shown!”

“Interesting! This is so interesting! This is the first time I’ve seen such a competition. It’s much more interesting than fighting and killing!”

Without a doubt, the Xuanyuan family’s selection of the young master was the most important event in the entire Xuanyuan sacred region, and even the entire Videha!

It was no exaggeration to say that the trend of this competition could directly affect the future changes in the situation of Videha! It would even affect the attitude of the Buddhist faction in aparagodaniya!

All of a sudden, everyone’s enthusiasm was aroused! He was extremely curious! Extreme anticipation! Extreme attention!

“Everyone! Please calm down!”

Xuanyuan zhengyong continued, “as we all know, the five heroes of Xuanyuan are the head disciples of the five branches. They are unrivaled among the disciples. However, they can’t be compared with their Masters! Therefore, the competition will be conducted by accepting external challenges!”

“The five heroes of Xuanyuan state their strengths and accept the challenge of any young man of the same generation! During the challenge, I and the young masters of the five major forces will carefully observe! Choose the most outstanding and convincing one from the five heroes of Xuanyuan to be the successor of the Xuanyuan family!”

Accept external challenges!

In other words, any young disciple could challenge the five heroes of Xuanyuan!

Without a doubt, this rule was very novel and full of challenges!

If the Challenger won, they would be able to make a name for themselves through this event! Therefore, the Challenger would definitely go all out and create a huge obstacle for the five heroes of Xuanyuan!

If the five heroes of Xuanyuan won, they would be able to show their abilities to the world and the family. As long as they could convince the people, they would be qualified to be the young master of Xuanyuan! Therefore, the five heroes of Xuanyuan would also do their best!

Both sides would do their best. Just thinking about such a grand competition was incomparably exciting!

Everyone at the scene was excited and couldn't wait for the competition to start. Especially the outstanding disciples of the younger generation, they were all rubbing their fists and eager to try!

if no one has any objections, then this old man will officially announce the start of the Grand competition ...

Xuanyuan zhengyong was about to announce the start of the competition, but he was interrupted before he could finish.

"Wait a moment!"

Everyone turned to look at Chen Xiaobei, who was still sitting in his seat. since we're here to select the young master of the Xuanyuan family, can the other descendants of the Xuanyuan family also participate in the challenge? "

Before Xuanyuan zhengyong could reply, the crowd burst into a wave of mockery.

"Is this guy an idiot? I've already said that the Xuanyuan five heroes are the strongest among the younger generation of the Xuanyuan family. Why would the other descendants still want to challenge them?"

"F * cking retard! I thought he had some brilliant ideas! What's the difference between asking such a question and farting?"

"No! All of you have misunderstood him! He wanted to pretend to be a member of the Xuanyuan family and participate in the challenge! Hahaha ..."

pfft ... Even if he wants to pretend to be a grandson, isn't it courting death to challenge him with his mere peak Jindan strength? "

The crowd was already unhappy with Chen Xiaobei, and now that they had the chance, they began to mock him.

"Everyone, please calm down!"

Xuanyuan zhengyong did not take Chen Xiaobei seriously. He continued, "This old man officially announces ..."

"Wait a moment!"

Chen Xiaobei interrupted again, "Patriarch of the Xuanyuan family, please answer my question. Do all the descendants of the Xuanyuan family have the right to challenge me? If you perform well, do you have a chance to become a young master?"

Xuanyuan zhengyong narrowed his eyes, and a hint of anger flashed through them.

How could there be such an insensible person like Chen Xiaobei who still wanted to ask after being ridiculed like that? If he did this, he would really be an idiot! Or, he was deliberately sabotaging her!

Of course, although Xuanyuan zhengyong was angry, he had to pretend to be polite with his status.

"Yes, I am!"

Xuanyuan zhengyong replied, "as long as you're a descendant of the Xuanyuan family, you can challenge the Xuanyuan five heroes!" As long as he could convince everyone, he would definitely be able to become the young master of Xuanyuan! Is my answer clear enough?"

"Enough!" Chen Xiaobei raised his brows and gave a devilish smile.

The others might not know why Chen Xiaobei was so insistent on getting an answer! However, the people of bei Xuan faction knew it very well!

Chen Xiaobei was planning to use this opportunity to push Xuanyuan taohai out and let him become the young master of Xuanyuan in front of everyone!

After that, as long as he killed Xuanyuan zhengyong, Xuanyuan tuohai would become the next Master of the Xuanyuan family!

This way, Chen Xiaobei could use Xuanyuan tuohai's power to control the entire Xuanyuan sacred territory! Just thinking about it made one's scalp go numb!

"Alright! Everyone should have no objections!"

"I officially announce that the competition begins now!" Xuanyuan zhengyong announced loudly. Everyone, please show your strengths and challenge!"

"I'll go first!"

A young man standing on the Supreme platform in the center took the lead and said in an imposing manner, "I'm the personal disciple of Reverend Zi Yang of the Jade Palace. I want to challenge the Chief of the mysterious core Palace, Xuanyuan xifei!"

[Red Envelope Group of the Three Realms](#)

Chapter 2989: watch me

A young man jumped off the Supreme platform and went to the center of the martial arts practice field.

The man introduced himself. His master was Reverend Zi Yang of the Jade Palace.

Other than Chen Xiaobei, the rest of the people who were able to sit on the chairs on the Supreme tower were all nine-star tribulation transcendents!

An expert of this realm was already at the top of the pyramid in the earth-god Realm. Among the top forces, he was equivalent to a Guardian or even a Deputy sect leader!

It was precisely because of this that experts of this level were called Supreme experts by the world!

At this moment, the disciple of a Supreme-being had come to challenge Xuanyuan xifei, the head disciple of the mysterious core Palace.

This was definitely going to be an exciting match, and it instantly attracted the attention of everyone present.

The guests at the scene naturally exclaimed and discussed animatedly.

Even the six powerhouses on the colorful wings cloud-riding chariot were looking forward to the result of the first battle.

“If I’m not mistaken, you must be Reverend Zi Yang’s first direct disciple! Young master LAN Yue!”

Xuanyuan xifei was the first person to be challenged, and he was also the host. He naturally had a graceful appearance and cupped his hands in greeting, appearing very friendly.

“I am Cheng lanyue!”

The young man also cupped his hands. Although it was a challenge, the relationship between the Xuanyuan family and the Jade Palace had always been good, so he was naturally very friendly!

“I’ve admired young master lanyue’s great name for a long time, and it reverberates like thunder in my ears! Now that I’ve seen it today, it really lives up to its reputation!”

Xuanyuan xifei grinned, and before the fight even started, he started to flatter the other party. “Everyone knows that the alchemy skills of the Jade void Palace are the best in the earth immortal world! Other than sect leader ‘heavenly master Zhao’, Reverend Zi Yang is the most powerful!”

“Young master Xi Fei, you’re too kind.” Cheng lanyue was also very humble and elegant.

“How is it serious?”

Xuanyuan xifei continued to flatter, “Reverend Zi Yang has the title of ‘immortal of alchemy’, and you, Sir lanyue, are also publicly acknowledged as ‘little immortal of alchemy!’” Everyone knows what I’ve just said, so why is master lanyue being so modest?”

“Young master Xi Fei is too polite!” Thousands of ways to pass, but not flattery! Cheng lanyue felt very comfortable after being patted. The pride in her heart was completely revealed on her face, and it was impossible to hide it.

On the Supreme dais.

Daoist Yiru, who was an expert in the Dao of alchemy, frowned and said unhappily, “Is this an alchemy challenge or a flattery challenge? I didn’t see the young pill immortal’s ability, but I saw the shamelessness of the flatterer!”

“You don’t understand, do you?”

of course! Chen Xiaobei smiled. Xuanyuan xifei is actually very smart. He first praised Cheng lanyue in front of everyone and then beat her! That would be the same as announcing to the world that his alchemy skills were superior to the young alchemy fairy's! Everyone here, who would dare to be unconvinced?"

"I see!"

Daoist Yiru suddenly realized,"it seems like Xuanyuan xifei is using Cheng lanyue as a stepping stone!" First, hold up the stepping stone, then step on it later. Your height will be higher!"

"That's right! This is the logic!"

Chen Xiaobei nodded and smiled. of course, if you can use Xuanyuan xifei as a stepping stone, then everything he's doing now will be for you!

"Me?"

Daoist Yiru's eyes narrowed, and he laughed as well, " "This disciple understands! When Xuanyuan xifei stomps Cheng lanyue down, I'll stomp Xuanyuan xifei down!"

"What are you trying to show off for?"

At this moment, dozens of young people not far away cast disdainful looks at them.

This group of young people were the personal disciples of the Supreme martial artists on the high platform. They had been annoyed with Chen Xiaobei for a long time, and now they were even angrier.

"What's this? he wants to step on Xuanyuan xifei and Cheng lanyue in succession? Why don't you say that you want to stomp on the immortals in the sky?"

Xuanyuan xifei is the head disciple of the mysterious core Palace, one of the five heroes of Xuanyuan. His alchemy skills are definitely top notch among the younger generation!

"There's no need to talk about Cheng lanyue. Who in the earth immortal world doesn't know of the title of little fairy doctor? The hollow Jade temple's pill Dao will depend on Cheng lanyue in the future!"

"What unknown nobody wants to step on Xuanyuan xifei and Cheng lanyue? He's really brainless and stupid!"

Without a doubt, this group of young people looked down on bei Xuan faction. Naturally, they could not believe that Daoist Yiru's alchemy skills could be compared to the top two of the younger generation.

In the eyes of the group of young people, Chen Xiaobei and Daoist Yiru were just pretending to be cool, and they did so without thinking. It was just a stupid joke without any credibility.

I ... Daoist Yiru's brows were tightly knitted together. He was instantly enraged by the mockery.

"Don't be impatient!" Chen Xiaobei stopped Daoist Yiru and smiled. anger won't solve the problem. Be prepared and win the challenge. This result is enough to smash those people's stinky faces!

"Yes! This disciple will definitely win!" Daoist Yiru nodded heavily. He swore that he would smash those people's faces and restore the reputation of bei Xuan faction's alchemy!

The group of young people did not take Chen Xiaobei's words seriously. Instead, they started to mock him even more.

On the other hand, the dozen or so Supreme-beings sitting in front did not speak. Only a few of them shook their heads and sighed slightly. The rest of the people were calm and experienced, showing no expression on their faces.

However, none of these Supreme-beings stopped their disciples from mocking Chen Xiaobei. This was enough to show that they all looked down on Chen Xiaobei.

The reason why they did not mock Chen Xiaobei publicly was because he held the Dongsheng purple gold Royal token and was the most important guest of the Dongsheng Chamber of Commerce.

At the same time, Chen Xiaobei was also a distinguished guest invited by Xuanyuan Luming.

The Supreme-being elites were only keeping their mouths shut and not mocking Chen Xiaobei because of the Dong Sheng merchant Association and the Xuanyuan family.

If it was not for the Dongsheng Chamber of Commerce and the Xuanyuan family, Chen Xiaobei would be nothing more than a lowly ant in the eyes of these Supreme-beings. He would not even be worthy of sitting on this high platform.

In the martial arts practice field.

The challenge had officially begun.

"There's a time limit to the competition, and we have to determine the winner before the banquet, so we'll just refine low-grade spirit pills! First, we'll see who can make it faster, and then we'll see who can make it of the best quality!"

"I set the rules," Xuanyuan Xi Fei said, "it's up to young master lanyue to decide which pill to refine! You can choose a pill that you're good at refining, there's no need to be modest!"

"Alright!"

Cheng lanyue nodded and said, "then we'll concoct a one star Spirit grade pill, the minor vitality pill!" This is what I'm best at. If nothing goes wrong, I'll be able to refine it within an hour!"

"No problem! I'll take the vitality pill!" Xuanyuan xifei was very confident and agreed decisively.

"Two pieces of trash! You guys don't need to compete anymore! Just watch me!"

At this moment, Daoist Yiru took a step forward and jumped off the high platform.

Chapter 2990: double bet

"What? Two pieces of trash? Don't need to compete?"

A stone that stirred up Ten Thousand Waves!

In an instant, everyone's eyes were drawn to it! Those unhappy gazes were like steel nails and sharp arrows, ruthlessly stabbing into Daoist Yiru's body!

“Who’s that old man? Is he crazy? He called Xuanyuan xifei, one of the five heroes of Xuanyuan, and Cheng lanyue, the small elixir immortal of the Jade Palace, trash?”

“That old man is either a lunatic or an idiot! Jumping out like this was equivalent to offending two peak forces in one go. He was simply courting death! You’re courting death!”

“Offend two peak forces? Was he even worthy? He was just a one-star earth-god, and anyone could stomp him to death 10000 times! He’s just courting death!”

The guests at the scene shouted one after another. Firstly, these guests were basically subjects of the three major forces of the Dao faculty. Secondly, they were not used to Daoist Yiru’s arrogance.

Therefore, almost everyone was extremely unhappy with Daoist Yiru.

Of course, the ones who were the most displeased were naturally Xuanyuan xifei and Cheng lanyue!

Although they looked young, they had all been practicing alchemy for decades or even centuries. It was just that her cultivation level was higher, so her appearance did not age.

Over the past few decades, they had relied on their own talents, the guidance of great teachers, and most importantly, their hard work day and night to achieve the results they had today!

One represented the mysterious core Palace and became one of the five heroes of Xuanyuan.

The other person was called the little fairy doctor, and she was responsible for the Jade void pill Dao.

Among the disciples of the earth immortal world, these two could be regarded as well-known figures in alchemy.

Who wouldn’t be respectful to them when they walked outside? Shouldn’t they be flattered? Can’t they provide for them?

However, as soon as Daoist Yiru appeared, he called them trash in public and even told them not to compete!

To the two of them, this was a blatant provocation!

If they didn’t teach the righteous Daoist a good lesson, they would lose all their face. This humiliation would become a stain in their life, and the world would forever remember the label of trash on them!

“Stinky old man! What the hell are you! You dare to humiliate us?”

Cheng lanyue’s schemes weren’t deep, and as soon as she came up, she immediately scolded Daoist Yiru, apologize now, or I’ll kill you with one palm!

Xuanyuan xifei was much more cunning. He squinted his eyes and watched from the side.

“I’m an old man, but I’m not a stinky old man!”

Daoist Yiru’s eyes were like torches, and he didn’t weaken his momentum just because the other party’s cultivation base was higher.”I am the sixth personal disciple of Daoist beixuan! I said you guys are trash, but I was just telling the truth. Why do you need to apologize?”

Beixuan Zhenren?

Everyone turned to look at Chen Xiaobei on the stage.

“Chen Zhufeng! So this is the good disciple you’ve brought up!” shut up! Reverend Zi Yang shouted at Chen Xiaobei.

“Of course my disciple is a good disciple.” Chen Xiaobei shrugged and laughed evilly, “Unlike some people who take in trash as their disciple and still treat him like a treasure.”

you ... Reverend Zi Yang was so angry that he jumped up and down, his eyes almost spitting fire.

“You what you?” I’m not trying to act cool,” Chen Xiaobei said. but when it comes to alchemy, even you are no match for my disciple! My disciple calling your disciple trash is already giving him too much face!”

“Spicy next door! Chen Zhufeng! You’re going too far!” f * ck! perfected Zi Yang cursed at Chen Xiaobei. He was so angry that he even wanted to fight Chen Xiaobei.

“Daoist Zi Yang! Calm down! calm down ... Xuanyuan Lu Ming was stuck in the middle, so he naturally could not let them have a conflict.

“Don’t stop me! I’m going to slap this little bastard to death! This old man is so angry! “I’m so angry ...” Reverend Zi Yang’s eyes widened and his body trembled with anger.

“Daoist Zi Yang! Please calm down!” “Even if you kill Childe Zhufeng, it doesn’t prove which family is better at alchemy!” Xuanyuan Luming quickly said. On the contrary, the world will say that you’re angry from embarrassment and that you’re bullying the weak!”

this ... Reverend Zi Yang’s expression froze for a moment. Sure enough, he became much calmer.

After all, what Reverend Zi Yang wanted to prove was that his own disciple was not a good-for-nothing, which could not be proven by his fists, but by the way of alchemy!

“In my opinion, let’s let the disciples compete in alchemy! Who’s the genius and who’s the trash, it’ll naturally be clear at a glance!”

Xuanyuan Lu Ming said with a hidden meaning, “If Childe Zhufeng’s disciple were to lose, I believe Childe Zhufeng would have to apologize in front of everyone! Don’t you agree?”

“That’s right!”

Reverend Zi Yang understood the underlying meaning and shouted angrily, “Chen Zhufeng! If your disciple is defeated! I want you to kneel down and kowtow to me three hundred times to admit your mistake, do you dare to agree?”

“No problem!” Chen Xiaobei agreed without hesitation.

Then, Chen Xiaobei changed the topic and said, “But if your disciple is defeated, I want you to kneel on the ground and shout ten thousand times that North Mystic’s alchemy Dao is number one! Do you dare to agree?”

“Why wouldn’t this old man dare! It’s decided!” Reverend Zi Yang had full confidence in the disciple he had personally trained, so he set up the bet without hesitation.

Seeing this scene, the crowd naturally burst out in waves of mocking.

Of course, these voices were all mocking Chen Xiaobei and Daoist Yiru, saying that they did not know their place, that they were stupid, and that they were waiting for them to kneel down and kowtow.

Even Lou Yuhong had a depressed expression on his face.

As Chen Xiaobei’s seventh direct disciple, if Chen Xiaobei knelt down and kowtowed, Lou Yuhong would be embarrassed as well. In the future, when he walked around as an earth level deity, he would probably be laughed at no matter where he went.

At the thought of this, Lou Yuhong immediately felt regret. If he had known earlier, he wouldn’t have stayed because of curiosity.

As an assassin, Lou Yuhong would not show his true face most of the time! However, once he revealed his true appearance, he would be laughed at!

Just thinking about that scene made Lou Yuhong depressed to death!

In the martial arts practice field.

“Even our master has made a bet, do you, old man, dare to bet with us?” Cheng lanyue asked as she coldly stared at Daoist Yiru.

“No problem. No matter what you want to bet, I’ll play with you until the end!” Daoist Yiru’s aura was full of vigor and he was not afraid at all.

“If you lose, you’ll have to kneel down and apologize. At the same time, you’ll have to slap yourself every time your master kowtows!” Cheng lanyue coldly said.

“Sure!”

Daoist Yiru narrowed his eyes and said, “ if you lose, you’ll have to kneel beside Daoist Zi Yang. If he says that North Mystic’s alchemy Dao is number one, you’ll have to slap each other! Do you guys dare?”
