Red Envelope Group of the Three Realms

Chapter 3011

3011 The miserable prisoner

Kalala ... Kalala ...

Soon, Supreme Xuanhu brought a prisoner from the dungeon, who was chained up.

The prisoner's hair was disheveled, and his face and body were covered in blood. Even his face could not be seen clearly.

His clothes were tattered, and his body was covered in scars. He seemed to have suffered a lot.

The scariest thing was that the man's left arm was like a zombie's limb, with scattered rotten flesh hanging from the White bones.

All the way to his left shoulder, he could see the signs of treatment. The rotten flesh did not continue to extend along his shoulder, otherwise, he would not have been able to save his life!

"Come on, Chen Zhufeng! I'm here to see your patient!"

Supreme Xuanhu threw the prisoner in front of Chen Xiaobei and said, "this man's left hand was seriously injured. Due to improper treatment, the wound was inflamed, suppurated, and ulcerated. His flesh and blood were corroded until only white bones were left!

if I'm not mistaken, this arm has been rotten for more than ten years. It's not a new injury! Chen Xiaobei said. Not only is his skin and flesh rotten, but his bones, tendons, and meridians are all completely lifeless!"

"Your medical skills are indeed not bad, your judgment is completely correct!"

"If you can cure his arm, I'll admit defeat immediately. I'll admit defeat wholeheartedly!" Supreme venerable hanging pot sneered.

"You're crazy!"

At this moment, Lou Yuhong roared angrily, "That was an injury from more than ten years ago. The bones, tendons, and bones are all dead, how can it be cured? Even someone like me, who doesn't know medicine, knows that you're cheating!"

Qiu Ling 'er also said angrily, "we're competing in medical skills!" It's not magic! Why don't you take an entire skeleton Tathagata and let our sect master resurrect it?"

"Heh, Chen Zhufeng said that he could cure anything as long as it's not a curse from an evil spirit! Moreover, if he can't be cured, it's his loss!"

Supreme hanging pot sneered and said, "this man's injuries are only from more than ten years ago. It's not like he's been cursed by an evil spirit!" If he can't be cured, Chen Zhufeng will lose!"

"This is too unreasonable!" Yun fanqing couldn't stand it anymore and frowned. "Patriarch of the Xuanyuan family, you should uphold justice!"

"Justice?"

Chen Zhufeng made the rules himself, " Xuanyuan zhengyong sneered. the hanging-pot master didn't break any rules. Why should I uphold justice? "

Without a doubt, Xuanyuan zhengyong had been hoping that Chen Xiaobei would lose.

How could he help Chen Xiaobei?

Yun fanqing was speechless. He turned his head and gave Wu longyin a look, hoping that this guy would put in a good word for him.

Junior Sister fan Qing, you look really good when you blink!

Wu longyin smirked and realized that Yun fanqing was angry, so he quickly changed his words. there's nothing I can do. The hanging-pot Grandmaster didn't break the rules. Chen Zhufeng can only blame himself for being too arrogant. He set the rules himself and screwed himself over ...

Yun fanqing's eyebrows were tense. If even Wu longyin said so, then there was really no other way.

If Chen Xiaobei could not cure the man, he would lose this round.

When Chen Xiaobei and Xuanyuan zhengyong gambled earlier, he had already bet his life on it!

If he lost, Chen Xiaobei would be killed by Xuanyuan zhengyong in the cruelest way possible. No one would be able to save Chen Xiaobei!

Seeing this, many of the tens of thousands of people on the scene let out a sigh of pity.

it seems like Chen Zhufeng is dead for sure ... Reviving the dead is the work of the gods! Chen Zhufeng is just a mortal. How could he have cured that arm?"

"This is life! I thought bei Xuan faction was going to rise again, but I didn't expect the faction leader to lose his life so soon!"

even if bei Xuan faction is half a step away from the peak, they'll still die if they offend a true peak force. It's just a matter of time!

yes, bei Xuan faction is destined to die. I can only say that the heavens are jealous of geniuses. A legend is about to come to an end.

Chen Xiaobei and Bei Xuan's performance had won the hearts of many people.

At this moment, Chen Xiaobei and Bei Xuan faction were dead. Everyone felt sorry for them.

However, no matter how regretful he felt, he could not do anything.

It was Chen Xiaobei's fault for offending the four top forces.

In this situation, no one in the earth-god Realm could save Chen Xiaobei!

“Don’t panic! It’s just a small scene!”

However, Chen Xiaobei was as calm as ever. He was not afraid at all.

No one could save Chen Xiaobei!

But Chen Xiaobei could save himself!

“This kind of injury isn’t difficult. I’ll just give this person a new arm transplant, and he’ll be fine, right?”
Chen Xiaobei said.

“Heh, you’re too naive!”

Supreme venerable Xuanhu sneered and said, “the tendons must be intact before the arm transplant!”
But I’ve seen his injuries, all his external tendons are dead! Its internal tendons have been severely damaged, and it’s already very different from human tendons!”

even if you cut open his wound and find the tendons that haven’t died from the flesh, you still can’t connect them to the human arm’s tendons!

Supreme venerable Xuanhu smiled proudly and said, “if the tendons can’t be connected, the arm can’t be transplanted!” So, you’ve already lost this challenge!”

“This might not be the case!”

Chen Xiaobei chuckled and activated his golden gaze fiery eyes.

After using his x-ray vision on the man’s left shoulder, Chen Xiaobei could see the condition of the man’s veins.

Just as Xuan Hu had said, the man’s tendons were indeed very different from those of humans. It was absolutely impossible to transplant a human arm using normal methods!

However, this question was not a problem for Chen Xiaobei!

Chen Xiaobei had also learned how to treat demonic beasts in addition to humans!

Chen Xiaobei had once transplanted the Phoenix Heart into Liu xuanxin’s body!

Chen Xiaobei could perfectly connect the veins of a human and a Phoenix!

How could the prisoner’s damaged tendons pose a challenge to Chen Xiaobei?

“Chen Zhufeng! Can’t you have some manners? You have no chance of winning this match! Just admit defeat! Stop wasting time!”

Supreme Xuanhu thought that he would win for sure, so he urged Chen Xiaobei arrogantly.

“Who said I don’t have a chance to win?”

Chen Xiaobei chuckled. Everything was under control after he saw the condition of the prisoner’s nerves. I have a way to successfully transplant it. Now, we’re only missing an arm!

“You really won’t shed a tear until you see your coffin!”

“Where are we going to find you an arm at this time?” Supreme venerable Xuanhu said coldly. The point is, even if I look for you, it’s impossible for the transplant to be successful!”

“Don’t rush!”

Chen Xiaobei walked over and squatted beside the prisoner. “You are Xuanyuan Yifeng, right?”

Hearing this, Xuanyuan guanghong and Xuanyuan tuohai’s expressions changed drastically.

Xuanyuan Hengfeng was Xuanyuan tuohai’s father, Xuanyuan guanghong’s son.

Back then, in order to protect Xuanyuan tuohai, Xuanyuan Yongfeng had fought back, but his cultivation had been crippled by Xuanyuan zhengyong and he had been locked up in the dungeon.

When Chen Xiaobei used his golden gaze fiery eyes, he also used his netherspirit battlescouter.

He could tell that this person’s cultivation had been crippled, and the injuries on his body were basically all from more than ten years ago.

Now, he only needed to admit it himself to confirm his identity!

[Red Envelope Group of the Three Realms](#)

Chapter 3012: complete explosion

“How do you know me?”

Chen Xiaobei’s judgment was right. The person did not deny his identity.

Hearing this, Xuanyuan guanghong and Xuanyuan tuohai immediately rushed over.

“Father ... Is that you?”

Xuanyuan Yifeng’s voice trembled as he looked at Xuanyuan guanghong. His breathing was extremely weak, and it was clear that he had suffered from a serious illness in the dungeon.

“Hengfeng ... You ... How did you become like this ...”

Xuanyuan guanghong’s heart ached, and tears streamed down his face. “For the past ten years, they didn’t let me go to the prison to see you! They said that you were only under house arrest and that you were fine ... They lied to me! They’re all lying to me ...”

“It was house arrest at first ...”

“After that, they forced me to admit that my son was a demon!” Xuanyuan Yifeng said weakly. He forced me to change my words and say that Xuanyuan zhengyong wasn’t the murderer! If I didn’t admit it or change my mind, they would torture me ...”

“After that, the wound on my left arm was seriously infected, but I still didn’t admit it or change my words! They didn’t treat me ... Until my entire arm rotted and died, and I was on my last breath, then someone came to treat me ...”

“When tuo hai was born, he was white and chubby, and he was as cute as a little angel! He’s already been killed, so why are you still putting the label of a devil on him?”

Xuanyuan Yifeng gritted his teeth and said, even if I die ... I won't admit that tuo hai is a demon ... Even if I have to suffer all kinds of torture and go to hell, I'll still say that Xuanyuan zhengyong is a murderer!

Xuanyuan guanghong was not the only one who was in tears.

Even Xuanyuan tuohai's eyes were red with tears.

A father's love was like a mountain!

Although he had not seen his father for more than ten years, his father's love for him had never stopped for a day! He would rather die than stop!

Xuanyuan tuohai was furious, but he also felt lucky.

He was furious that his father was being tortured and abused.

She was glad that she had the best father.

"Xuanyuan Yifeng! Shut up!"

At this moment, Xuanyuan zhengyong let out an angry roar and stood up from his throne.

Xuanyuan Yifeng's words had obviously touched Xuanyuan zhengyong's most sensitive nerve.

There was no doubt that today was a big day for the Xuanyuan family and a top-notch event that the entire earth-god Realm was looking forward to.

Not only had the Xuanyuan family lost all their face, but they had also been humiliated.

At this moment, the Xuanyuan family's ancestor had to bear the charges of murder and abuse.

If news of what had happened today were to spread, not only would the Xuanyuan family lose face, but their reputation would also be tarnished.

"The one I killed back then was the demon's son that the old man of heavenly secrets had personally prophesied! This old man is placing righteousness before family, and is exterminating evil to protect the Dao!"

Xuanyuan zhengyong roared righteously. He would never admit that he was the murderer!

Xuanyuan zhengyong didn't mention anything about Xuanyuan Hengfeng's abuse, and it was obvious that he wouldn't bear the crime!

"Xuanyuan zhengyong! Open your dog eyes and look clearly!"

Xuanyuan tuohai suddenly stepped forward and shouted, "I'm the Son of the Demon you mentioned! I've never done anything outrageous! I can suppress the evil thoughts of demons and never forget my original intentions! You said I'm a demon! But in my eyes, you're the evil demon in human skin!"

"What? You ... You're Xuanyuan tuohai?" Xuanyuan zhengyong was stunned, and he couldn't believe his ears.

"Tuo hai! You're really tuo hai?" Xuanyuan Yifeng was also extremely shocked and couldn't believe it.

"It's me! Father!"

Xuanyuan tuohai turned around and knelt on the ground. He kowtowed three times and said, "Back then, when you fought to the death and made a scene, mother found an opportunity and gave me an antidote pill! In addition, my bloodline has the ability to resist poison, so I survived in the end!"

Xuanyuan tuohai took out the jade pendant.

"Son! You're really my son! The heavens have finally treated me well! I can see my son again in my lifetime! Even if I die now, I can rest in peace!"

Xuanyuan Yifeng also recognized the jade pendant. He was so excited that his body trembled, and tears of joy welled up in his eyes.

At the same time, the scene was in an uproar. Countless discussions, guesses, and rumors were like a flame that suddenly burst out.

"That young man is Xuanyuan tuohai? Heavens ... He's still alive!"

"We've all seen him activate the power of the evil demon with our own eyes. Although he looks like an evil demon, he's always been clear-headed and hasn't done evil! Even Xuanyuan Ling'an wasn't injured!"

"Could it be that the elder of heavenly secrets's calculations were wrong? Although Xuanyuan tuohai has the bloodline of an evil demon, he won't bring about a catastrophe!"

If the old man of heavenly secrets is wrong, then Xuanyuan zhengyong's act of poisoning his son and torturing Xuanyuan Hengfeng back then was a grave mistake!

"From the looks of it, the elder of heavenly secrets is the culprit! Xuanyuan zhengyong was the prime culprit! Xuanyuan taohai and Xuanyuan Hengfeng are the most pitiful victims!"

"Good and evil will be rewarded in the end! I'm afraid that Chen Zhufeng and Bei Xuan faction are not just here to challenge us!"

"Does Chen Zhufeng still dare to cause trouble for Xuanyuan zhengyong? This was the Xuanyuan family! A strong Dragon can not suppress a snake in its own territory! Moreover, I'm afraid that Chen Zhufeng is not a powerful Dragon!"

"Anyway, Chen Zhufeng is not a simple person! Today's matter has blown up so much that it won't be easily resolved!"

"No matter what the result is, today is destined to be a day that will be recorded in the history books!"

The guests were in an uproar. No one could stay calm. They were all guessing Chen Xiaobei's purpose and looking forward to his performance.

"You evil creature! I didn't poison you to death back then! This old man will completely destroy your soul right now! Never reincarnated!"

Xuanyuan zhengyong was full of killing intent, like a wild, bloodthirsty, and brutal beast who wanted to kill all living beings!

“The heavenly Dao exists to punish evil and promote good!”

Xuanyuan tuohai stood up slowly and said in a deep voice, “Today, I’ve come with my master to seek justice from you!”

“Master? Chen Zhufeng?”

Xuanyuan zhengyong said in disdain, “as we all know, all of Chen Zhufeng’s assets were stolen by Xu chengshou. He’s not going to give up his life to seek justice?”

Xuanyuan zhengyong’s Qi was extremely strong, and his every word carried a terrifying pressure!

Using his life to seek justice!

This was a blatant threat!

In other words, if Chen Xiaobei wanted to seek justice, he would have to be prepared to be killed.

Childe Chen ... You don’t have to die for us ...

Both Xuanyuan guanghong and Xuanyuan Hengfeng looked at Chen Xiaobei.

“Master ... Are you really going to fight?”

The other disciples also looked at Chen Xiaobei.

“Will the clan master of bei Xuan back down? Will this sect be completely destroyed?”

Tens of thousands of eyes were all on Chen Xiaobei.

“Tuo hai!”

Chen Xiaobei said, “Do you believe in your master?”

“Of course!” “I believe in you, master, just like I believe in myself!” Xuanyuan tuohai said without hesitation.

“Then say what you want to say the most now!” Chen Xiaobei said.

Xuanyuan tuohai nodded heavily, took a deep breath, and said word by word.

old ancestor, please die!!!

[Red Envelope Group of the Three Realms](#)

Chapter 3013: killing by force

Xuanyuan tuohai’s tone was firm and his attitude was determined. Every word he said was like a Thunderbolt that shook the entire scene!

Old ancestor, please die!

They wanted Xuanyuan zhengyong to come out and face his death!

He was going to kill a Supreme at the peak of the earth-god Realm!

He wanted to completely break the balance in Videha!

The tens of thousands of guests, the five young masters on the rainbow-Winged Cloud-riding chariot, and even the people from bei Xuan faction were all shocked by Xuanyuan taohai's earth-shattering words!

Of course, the one who had the most intense reaction was Xuanyuan zhengyong himself!

The old man's face was ashen, and his body's pressure surged out like a tsunami!

The terrifying killing intent, the cold killing intent, and the determined will to fight all seemed to have materialized, making it hard for everyone to breathe.

Without a doubt, Xuanyuan zhengyong was extremely furious.

All of this was destined to not end easily!

"Has Xuanyuan taohai gone crazy?"

"His demon bloodline is powerful, but he's no match for ancestor Xuanyuan!" Zhao Wanji frowned. Isn't it courting death to say such stupid things?"

of course, Xuanyuan tuohai can't fight him, but he has Chen Zhufeng's support!

Canaan Yu narrowed his eyes and said coldly, "Xuanyuan tuohai's intention to kill old ancestor Xuanyuan is equivalent to a war between beixuan faction and the Xuanyuan family! Of course, this kind of challenge is no different from suicide!"

how can bei Xuan faction be a match for the Xuanyuan family? "

Chen Zhufeng doesn't even have a single heaven-immortal artifact, " Xu gengnian said disdainfully. even if he did, this is the Xuanyuan family's territory! Old ancestor Xuanyuan has the right time, place, and people. Chen Zhufeng can't do anything!"

It was obvious that the three of them did not like Chen Xiaobei.

Tianji city and ten thousand Buddhas Pagoda had been secretly trying to take Chen Xiaobei's life.

Xuanyuan zhengyong was furious. The three of them were just waiting for Xuanyuan zhengyong to help them get rid of Chen Xiaobei.

Junior Sister fan Qing ... Has Chen Zhufeng gone crazy? "

Wu longyin's brows furrowed, and his aura was solemn, " I thought Chen Zhufeng was just frivolous and wanted bei Xuan faction to be famous! Now, it seemed that he was extremely crazy! Challenging the old ancestor Xuanyuan is the same as destroying bei Xuan faction!"

Yun fanqing was even more anxious. I didn't know that Xuanyuan tuohai was his disciple. I also didn't know that he's here to seek justice for my disciple! Now that things have come to this, even I can't save them!"

Wu longyin and Yun fanqing both looked desperate.

From the bottom of their hearts, they all sympathized with Xuanyuan tuohai's family.

However, judging from the current situation, they were completely helpless and could not change the situation.

Firstly, the three saints nunnery and the heavenly Dragon Temple had friendly relations with the Xuanyuan family, so they couldn't ruin their relationship easily.

Secondly, even if Yun fanqing and Wu longyin were willing to do their best to save him, they were no match for Xuanyuan zhengyong.

After all, this was the Xuanyuan family's territory!

Xuanyuan zhengyong had a heaven immortal item, and the Xuanyuan heavenly Palace had a heaven immortal level formation. Millions of disciples of the Xuanyuan heavenly sect could form a heaven immortal level battle formation!

Even if Yun fanqing and Wu longyin's master were here, they would not be able to save Chen Xiaobei and Bei Xuan faction from Xuanyuan zhengyong's wrath!

Yun fanqing and Wu longyin had no way out of this deadlock.

The outcome would depend on Chen Xiaobei's own luck.

"Swish!"

Xuanyuan zhengyong flew up into the air and looked down at the people from bei Xuan faction.

"Good! Very good! You want this old man's life! Do you think I don't want your lives?"

Xuanyuan zhengyong was extremely furious. He was like a ferocious beast, and he wanted to swallow every single person from bei Xuan faction alive.

"Patriarch Xuanyuan, don't be in such a hurry!"

we're in the middle of a bet. Don't you want to win me? " Chen Xiaobei said with a smile.

"Beat you?"

"In this world, the strong are respected, and strength is Supreme!" Xuanyuan zhengyong said disdainfully. This old man can take your little life with a finger, so why do you need to make an extra move and continue to gamble with you?"

"Ha, the bet has been set. I won't allow you to withdraw halfway!"

"According to the bet, if you lose, the most outstanding descendant of the Xuanyuan family today will become the young master of the family!" After you die, he will inherit the entire Xuanyuan family!"

"Hmph! Do you think this old man is blind?"

Xuanyuan zhengyong's eyes were cold and sharp."Today, you first stepped on the Xuanyuan five heroes, and then suppressed the five Palace Supremes. After beating around the bush, didn't you do all this just to help Xuanyuan taohai rise to the top?"

“Originally, if you didn’t disclose Xuanyuan tuohai’s identity, I would have continued to bet with you. Perhaps, I would have fallen into your trap!”

but now, Xuanyuan tuohai’s identity has been made public, ” Xuanyuan zhengyong said solemnly. I can’t pass the position of the young master to this evil demon’s son who will bring a catastrophe to the Videha!

“The bet has already been set, and everyone here can testify!” Chen Xiaobei said coldly. Do you want to bear the infamy of being a shameless traitor?”

“If I lose, I’ll naturally admit defeat!” Xuanyuan zhengyong said shamelessly, ” “But now, as long as I kill you, the bet can’t continue! This way, I didn’t lose, and I didn’t break my word!”

Chen Xiaobei asked, ” “From what you’re saying, as long as one’s fist is big, everything he says is right? Faith, benevolence, justice, justice, are all just useless nonsense?”

“That’s right!”

“As long as your fist is big enough and you have the ability to kill me, you can say whatever you want in this world!” Xuanyuan zhengyong sneered. Even if you’re unreasonable, you’re still reasonable!”

“No! You’re wrong!”

“The cycle of the heavenly Dao is endless!” Chen Xiaobei said. When good and evil come to an end, they will be rewarded!”

“Hmph! This old man thought you were a formidable character, how could you be so naive?”

“What heavenly Dao?” Xuanyuan zhengyong shouted in disdain. What good and evil? When you die, you’ll know that in front of absolute power, everything else is just an illusion!”

“Extreme Emperor Xuanyuan! One sword to the heavens!”

With a furious roar, Xuanyuan zhengyong released a shocking sword Qi!

The wind was blowing, and the clouds were opening, as if an immortal sword had come from the sky!

In an instant, golden light shone and the earth changed color!

“Woof!”

It was like a flash of lightning!

In an instant, the sword Qi was already on top of Chen Xiaobei’s head! The speed was so fast that almost no one could see it clearly!

Even Chen Xiaobei could not react in time.

“BOOM!”

The sword Qi instantly slashed down, and the huge martial arts field was directly split in half. The ground cracked open dozens of meters wide and the crack was so deep that the bottom could not be seen!

Chen Xiaobei was no longer there!

Red Envelope Group of the Three Realms

Chapter 3014: reversal

Xuanyuan zhengyong was at the peak of the nine-star Heavenly Tribulation stage!

Chen Xiaobei was at the pinnacle of the Golden elixir realm!

The difference between the two was simply huge and incomparable!

And the absolute suppression of cultivation base made the attack just now completely without any suspense!

Chen Xiaobei would never be able to Dodge that! Chen Xiaobei would not be able to withstand such power!

The moment the golden sword Qi came down, everyone thought that Chen Xiaobei was dead for sure!

The golden sword Qi disappeared, and Chen Xiaobei was nowhere to be seen.

“Hahaha! Chen Zhufeng was killed by ancestor Xuanyuan with one strike. His body and soul were both gone!”

haha! Zhao Wanji laughed out loud. there will be no trace of Chen Zhufeng in this world! Without his soul, Chen Zhufeng would not even have the chance to reincarnate!

“It’s really a heart-warming thing!”

Canaan Yu was also beaming with joy, not at all like a monk. “Let Chen Zhufeng be arrogant! Who asked Chen Zhufeng to be so arrogant! Who asked him, Chen Zhufeng, to act cool! This kind of ending is really satisfying!”

Xu gengnian smiled coldly and pretended to be profound. “Chen Zhufeng doesn’t know his place! This ending is completely within my expectations! Not only did he harm himself, but he also harmed everyone in bei Xuan faction!”

Those who were unhappy with Chen Xiaobei were naturally in a good mood.

They could not wait for Chen Xiaobei to die so that they could get rid of their biggest threat and vent their anger on Chen Xiaobei.

The Supreme-beings and geniuses who had lost to bei Xuan faction on the Supreme-being platform also stood up.

“Hmph! In this world, the strong were respected, above strength! No matter how powerful bei Xuan faction is, they’re nothing but a joke in the face of the strongest power!”

“Bei Xuan faction and Chen Zhufeng have been winning all this time! However, one wrong move and the whole game was lost! Exposing Xuanyuan tuohai’s identity and infuriating old ancestor Xuanyuan is like digging your own grave. You’re so stupid!”

“Chen Zhufeng is dead. No one in bei Xuan faction can live! It wouldn’t be long before the world completely forgot about them! As for us, although we’ve lost for a while, we can still be the leader in all fields in the future and be glorious for generations to come!”

It was obvious that these Supreme-beings and geniuses were all outstanding figures in their respective fields.

As long as Chen Xiaobei and Bei Xuan faction were destroyed, they would be able to stand at the top of the earth-god Realm’s pyramid again.

As for the failure and humiliation just now, they would slowly fade away with time.

Listening to these people gloating over her misfortune, Yun fanqing felt extremely upset and silently said, “ Childe Chen, if I had helped you just now, you might not have died ...

“The dead can’t be brought back to life ...”

Wu longyin finally put away his frivolous appearance and said in a serious tone, “ Moreover, you can save him now, but you can’t save him forever! If the weak didn’t move and restrained themselves, they would die sooner or later! This is the sorrow of the weak!”

Yun fanqing was speechless.

Although he didn’t want to admit it, what Wu longyin said was the truth!

The weak should lower their heads, bend their waists, tuck their tails between their legs, and live a humble and low-key life!

This was the sorrow of the weak, and also the fate of the weak!

If Chen Xiaobei was strong enough to defeat Xuanyuan zhengyong, then the situation would have been completely turned around!

Unfortunately, Chen Xiaobei did not have the strength to do so, but he still wanted to do it.

The result was naturally a terrible death!

“Master! Master, how could you die like this ...”

Lou Yuhong wailed, his face twisted in extreme pain.

Originally, Lou Yuhong’s attitude towards bei Xuan sect was harmonious on the surface, but in reality, he wanted to slip away at any time.

However, with the bei Xuan disciples and Chen Xiaobei’s amazing performance, Lou Yuhong had been completely convinced. He had decided to follow Chen Xiaobei loyally and truly regard himself as a member of bei Xuan.

At this moment, this scene had dealt a huge blow to Lou Yuhong’s heart. It even made him fall into despair.

sect master ... If you go, all of us will die ... Qiu Ling ‘er was also in deep despair. Her eyes were even slightly red, and tears were hard to hold back.

beixuan faction leader ... It's me ... It's our family that has caused you this ... Xuanyuan Yifeng's body was weak, and his voice was trembling."If it wasn't for the sake of seeking justice for our family, you wouldn't have died ..."

Xuanyuan guanghong also knelt on the ground and said in a sad voice, " "Brother Zhufeng! I'm sorry ..."

"Father! Grandpa!"

However, at this moment, Xuanyuan tuohai stood proudly on the spot and said firmly, " don't be hurt. You must have confidence in master!

"That's right!"

Feng Qingyang and the other disciples also nodded and said, " "Master is not as simple as he looks. We must have confidence in him!"

"Foolish!"

Xuanyuan zhengyong let out a disdainful roar and flew toward the people from bei Xuan faction!

Without a doubt, no one from bei Xuan faction could stop Xuanyuan zhengyong.

The old man flew over slowly like a fierce tiger slowly walking into a flock of sheep!

As long as he wanted to, he could easily kill everyone in bei Xuan faction!

"Chen Zhufeng has already been turned into ashes, his soul has been destroyed! There was no longer such a person in the six paths of reincarnation, he could not even go to hell! You still have confidence in him? Are you scared silly?"

Xuanyuan zhengyong sneered as he raised his hands, sending out two sharp sword Qi."You're very lucky, all of you have unique skills! As long as you leave bei Xuan faction and join the Xuanyuan family, I'll spare your lives! In the future, you will be given an extremely high status and be favored for generations to come!"

"You're dreaming! Even if we die, we will never leave bei Xuan faction!"

Feng Qingyang, tai yitan, Wu aofeng, Huo yuanba, Xuanyuan tuohai, and Taoist Yi ru.

The six disciples who had followed Chen Xiaobei in the beginning rejected Xuanyuan zhengyong without hesitation.

"Although we've only joined bei Xuan faction for a short time, we'll never betray our faction! Even if we die, we'll be bei Xuan faction's ghosts!"

Qiu Ling 'er and Lou Yuhong also immediately expressed their attitude.

If Chen Xiaobei was willing to sacrifice his life to seek justice for his disciple, then his disciple was also willing to sacrifice his life to defend his loyalty.

A human heart for a human heart!

True love was far more important than life and death!

“Good! Very good! Since you don’t know what’s good for you, don’t blame this old man for exterminating you!”

“But don’t think too highly of yourself,” Xuanyuan zhengyong sneered. “I won’t let you become ghosts! You’ll end up like Chen Zhufeng, with your souls and souls destroyed!”

“Sect leader! You’re fine!”

Jiang Ziya shouted excitedly as he looked behind Xuanyuan zhengyong.

“Ha, naive!”

Xuanyuan zhengyong didn’t even look back. He sneered in disdain. “What is Chen Zhufeng’s cultivation level? Even if you have 10000 lives, you’ll take one of my moves! You still want to lie to this old man?”

“He didn’t lie to you! I’m really fine!”

At this moment, an ice-cold voice sounded behind Xuanyuan zhengyong.

“Nine heavenly locks net! Seal!”

[Red Envelope Group of the Three Realms](#)

Chapter 3015: unsolvable deadlock

“What! Chen Zhufeng is still alive!”

Xuanyuan zhengyong gasped. His pupils contracted, and his scalp went numb.

Just a moment ago, everyone thought that Chen Xiaobei was dead for sure, and Xuanyuan zhengyong himself had no doubt about it.

Xuanyuan zhengyong was caught off guard when he heard Chen Xiaobei’s voice from behind.

The voice sounded like the murmurs of the Grim Reaper, emotionless, empty, and indifferent. However, it instantly scared Xuanyuan zhengyong so much that he broke out in a cold sweat.

A peak jiedan stage expert resisting the attack of a peak dujie stage expert!

This could only mean one thing!

Chen Xiaobei had a powerful trump card that no one else knew about!

And something like a trump card, there was often more than one!

“Whoosh ...”

Chen Xiaobei had just finished his sentence when he launched an attack!

Nine black chains flew out of the interspatial ring, burning up the spiritual Qi of 30 billion upper spiritual stones!

In the next moment, the dense heaven immortal level runes on each chain shone with spiritual light and activated a powerful special ability!

The nine chains connected with each other, forming a large iron net!

“A heaven immortal grade seal script!”

Yun fanqing exclaimed, ‘those chains are all carved with heavenly immortal-level runes! When put together, it should be a heaven immortal level array!’

As the saying goes, an expert sees the way!

Yun fanqing could confirm that the runes on the chains were all extremely exquisite and were above that of an earth level deity!

Without a doubt, the array formed by these runes had the power to crush an earth level deity!

Even the earth level deity who was at the peak of the Tribulation stage was no exception!

Swoosh ... Swoosh ...

Just as Yun fanqing had expected, the spirit light runes interweaved like stars and activated a divine immortal-level sealing formation!

“Woof! Whoosh!”

Xuanyuan zhengyong was indeed one of the top powerhouses in the mortal world. In a flash, he slashed the two rays of sword Qi that were meant to kill the people from bei Xuan toward the ninesuns Sky Net!

Bang ... Bang ... Bang ...

With two muffled sounds, Xuanyuan zhengyong’s powerful sword Qi crashed into the nine heavenly lock net!

Unfortunately, one of them was an earth immortal, while the other was a heaven immortal!

Their combat strength and power were completely different!

The two streaks of sword Qi were like clay oxen that entered the sea. They had just touched the nine heavenly locks net when they immediately dispersed!

It didn’t even cause a ripple!

“What ... What is this thing? Dharma Treasures were not like Dharma Treasures, and Dharma arrays were not like Dharma arrays! Yet, its power is so terrifying ...”

Xuanyuan zhengyong’s heart turned cold at once.

He would never have thought that Chen Xiaobei would have such a trump card!

“Whoosh ...”

Xuanyuan zhengyong’s reaction was extremely fast.

However, the speed of the nineclock heavenly net was even faster.

Almost at the same time as Xuanyuan zhengyong shot out two beams of sword Qi, the great sealing formation had already enveloped him.

Even if Xuanyuan zhengyong had another heaven immortal item, he would not be able to use it in time!

With just a thought, the nine heavenly locks net fell and covered Xuanyuan zhengyong, sealing him completely.

how could this be ... This isn't just a sturdy chain ... It's also a sealing array ...

Xuanyuan zhengyong was in despair, 'I can't move my body ... I can't even use my true essence! Even my nascent soul Dharmakaya can't leave my physical body ... There's no way to escape ... I'm Chen Zhufeng's prisoner now!'

One had to know that the nine chains were made of heaven suppressing Black Gold, a material at the divine fairy level!

Although the chains had not been refined into heaven immortal artifacts and did not have any special abilities, they were strong enough to withstand the attack of a one-star heaven immortal artifact!

More importantly, Chen Xiaobei and Qiu Ling 'er had modified the original nine sky sealing magic formation on the chain so that the magic formation did not need to be fixed in one place. It could be retracted at will!

In this way, Xuanyuan zhengyong couldn't break the seal formation with his peak earth level deity cultivation!

Even if an outsider took out a one-star heaven immortal artifact, it would not be able to break the heaven suppressing Black Gold! As long as the runes were intact, the array would not collapse!

Just as Xuanyuan zhengyong was worried about, he was now Chen Xiaobei's prisoner!

Furthermore, no one could save him!

"How could this be ... How could this be the result ..."

Xuanyuan zhengyong wailed in despair, feeling extremely remorseful and regretful.

A moment ago, Xuanyuan zhengyong had thought that Chen Xiaobei would die for sure. He had no doubt about it and was not prepared for it!

At this moment, because he had underestimated his enemy, because he was so full of himself, the situation had instantly reversed, and he had fallen directly from heaven to the abyss!

The scene in front of them shocked everyone.

The tens of thousands of guests looked at Chen Xiaobei as if he was a God!

Everyone from bei Xuan faction, including Xuanyuan guanghong and Xuanyuan Hengfeng, were all overjoyed. They also admired Chen Xiaobei and their respect for him had increased!

Especially Lou Yuhong, he was extremely glad that he had just made the most correct choice in his life!

They would rather die than betray bei Xuan faction!

If Lou Yuhong had turned his back on bei Xuan faction, he would have become Chen Xiaobei's enemy!

However, Lou Yu would rather die than surrender. From this moment on, Chen Xiaobei and everyone in bei Xuan faction would treat him like family!

For Lou Yuhong, the bright future he was looking forward to, from this moment on, could be considered to have truly set sail!

“How is that possible? Chen Zhufeng actually turned the tables!”

Zhao Wanji, Canaan Yu, and Xu gengnian were all dumbfounded.

The Supreme-beings and geniuses on the Supreme-being platform were also dumbfounded.

These people were still gloating, thinking that once Chen Xiaobei died, they would be able to regain their lost face.

But what they did not expect was that not only did Chen Xiaobei not die, he had even turned the tables!

These people’s mood at the moment was as if they had eaten poop, depressed to the extreme.

These people’s cheeks were red and hot, as if they had been slapped.

“Godly! Chen Zhufeng! He’s truly a God!”

Wu longyin was extremely excited, as if he had been injected with chicken blood, ” “I’ve never seen such an awesome counterattack in my life! Chen Zhufeng could subdue Xuanyuan zhengyong in an instant! He was simply a god-like existence! Convinced! I’m totally convinced by Chen Zhufeng!”

“Don’t get so worked up!”

Chen Zhufeng is still alive! Yun Fan frowned. that’s good! But how will the situation develop?”

“Next? Do you even need to ask?” of course! Wu longyin laughed. from now on, whatever Chen Zhufeng says goes! He could do whatever he wanted! Everything is under his control!”

“No!”

Yun fanqing shook his head. don’t forget that the three major forces of the Dao faculty are as one. They’re bound together for good or bad! Childe Zhufeng’s next move will most likely attract the old man of heavenly secrets and heavenly master Yuxu!”

“This ...”

Wu longyin felt as if a basin of cold water had been poured on him, and his excitement was swept away.

After frowning and pondering for a long time, Wu longyin came to a conclusion: “This dead end ... There’s no way out ...”

[Red Envelope Group of the Three Realms](#)

Chapter 3016: stalemate

“Ancestor! Old ancestor, are you alright?”

In an instant, all the Supreme martial artists and core members of the Xuanyuan family rushed over.

“All of you, back down!”

Chen Xiaobei stood beside the nine-star net and shouted, “I can kill that old bastard Xuanyuan zhengyong with a single thought if anyone dares to come near me!”

don’t ... Don’t don’t don’t ... Don’t hurt our ancestor!

The Xuanyuan family had a total of eighteen nine-star Supreme experts and hundreds of seven-star to eight-star elders.

However, Chen Xiaobei’s one sentence had stunned all of them.

Firstly, Xuanyuan zhengyong was the pillar of the Xuanyuan family! If anything happened to Xuanyuan zhengyong, it would be an irredeemable loss for the Xuanyuan family.

Secondly, these elites were all selfish. They were afraid that Chen Xiaobei would use another killer move. So, although they looked anxious on the surface, none of them wanted to be the first to step out.

As such, no one in the Xuanyuan family dared to take a step forward.

“Don’t be afraid!”

However, while the Xuanyuan family was in fear, Xuanyuan zhengyong maintained his dominance.

“Chen Zhufeng’s treasure is only a sealing formation. He can’t kill me! On the contrary, I’m still in control of everything!”

Xuanyuan zhengyong shouted with confidence, “First elder, hear my order! To activate the Imperial Sword formation! Second elder, hear my order. Gather all the disciples and form the [universal severance battle formation]! Not only Chen Zhufeng, but everyone in the Xuan faction will die!”

“Yes, sir!”

The two white-haired core elders agreed with Xuanyuan zhengyong’s words and immediately followed his orders.

“Hahaha ...”

Seeing this, Xuanyuan zhengyong laughed arrogantly, “Chen Zhufeng! I don’t care how crafty you are! I’ll let you use all your tricks! In the end, you’re still going to be defeated by this old man!”

“Is that so?” Chen Xiaobei retorted.

“Do you still need to ask?”

“The Xuanyuan family is a top force in the earth-god Realm,” Xuanyuan zhengyong said proudly. “Heavenly-god level magical formations and battle formations are our trump cards! Your Foundation can’t compare at all! In the end, you’re the one who’s going to lose this battle!”

“Swish!”

Suddenly, Chen Xiaobei waved his hand and a Black Flag flew up into the air, shining with a blinding spiritual light!

what ... What is this?!

The smug smile on Xuanyuan zhengyong's face instantly froze! His heart trembled as an ominous premonition burst forth!

this is one of the Trump cards of bei Xuan faction!

of course not! Chen Xiaobei smiled. whatever trump cards the Xuanyuan family has, bei Xuan faction has them all! What the Xuanyuan family doesn't have, I, bei Xuan faction, have! Today, you won't be able to escape from my grasp no matter what!"

this ... This is impossible ... Xuanyuan zhengyong gasped, and his pupils contracted.

Seeing this, everyone present was shocked.

"What ... What kind of magic treasure is that Black Flag? What a terrifying spiritual fluctuation! What a terrifying baleful aura!" Zhao Wanji's brows furrowed, and his heart trembled.

"Heaven-destroying and earth-destroying banner!"

Canaan Yu swallowed his saliva and said in fear, "My ten thousand Buddhas Pagoda received the information long ago! This was the flag that Chen Zhufeng used to wreak havoc in Tian Yin Hall!"

"Yes ... That's right ..."

Xu gengnian also became nervous. our Tianji city has also received information. It's the heaven-destroying and earth-destroying banner!

Yun fanqing and Wu longyin looked at each other, equally shocked. "According to the rumors, wasn't the planet-destroying banner invested by Xu chengshou? How did Childe Chen get his hands on it?"

Not only them, but many well-informed people at the scene also recognized the destruction star banner.

Besides bewilderment, there was naturally more fear!

"Great elder! The second elder! If you want to live, obediently stay where you are!"

Chen Xiaobei said, "I don't want to kill the innocent. If you activate the magical formation and the battle formation, I'll defend with all my strength. By then, the entire imperial capital of Xuanyuan will be covered in blood and corpses!"

"This ..."

First elder and second elder were stunned and froze on the spot. They didn't dare to make any rash moves.

With the destruction of heaven and earth banner, Chen Xiaobei could kill the two of them with a single thought. In order to save their lives, they did not dare to move.

Furthermore, just as Chen Xiaobei had said, a heaven-immortal instrument was so powerful that if they were to fight, the entire imperial capital of Xuanyuan would be razed to the ground.

At that time, there would be countless deaths and injuries in the city, and their families would naturally not be able to escape.

With this in mind, they did not dare to act rashly.

“You two idiots! What are you doing?”

Xuanyuan zhengyong roared in extreme anger, “I’m your family head! You guys didn’t listen to my orders, but Chen Zhufeng’s? Are you guys thinking of rebelling?”

“Bang!”

Chen Xiaobei stomped on Xuanyuan zhengyong’s face and shouted, “Old man, the world-destroying banner is right above your head! If you don’t cooperate obediently, I will take your dog life with a snap of my fingers!”

“You ...”

As the ancestor of the Xuanyuan family, Xuanyuan zhengyong had always been worshipped like a god!

Now, he was groveling at Chen Xiaobei’s feet, and his face was being stepped on by Chen Xiaobei!

For Xuanyuan zhengyong, this was absolutely a great humiliation, and he couldn’t take it anymore.

“Chen Zhufeng! Do you think you can scare this old man with a mere heaven immortal artifact?”

“The Xuanyuan family and the Jade Palace of Tianji city have been allies since ancient times!” Xuanyuan zhengyong shouted. If anything happens to me, the old man of heavenly secrets and heavenly master Zhao of the Jade void sect will avenge me!”

“Perhaps the two of them are already on their way! When they arrive, even if you’re a god, you won’t be able to leave the imperial capital of Xuanyuan alive!”

Obviously, the old thief’s thoughts were exactly the same as Wu longyin’s!

The three major factions of the Dao faculty had always been on very good terms.

Tianji city and the Jade Palace would not sit by and do nothing if the Xuanyuan family was in trouble.

Furthermore, if the Xuanyuan family fell into Chen Xiaobei’s hands, Tianji city and Yuxu Palace would not only lose an ally, but they would also have a strong enemy.

Because of this, Tianji city and Jade Palace would definitely support Xuanyuan zhengyong.

The point was that the strength of the heaven’s Secret City and the Jade Palace was the first and second in the earth-god Realm respectively. The old man of heaven’s Secret and the Jade Palace heavenly master Zhao were also the first and second strongest in the earth-god Realm.

These two forces did not need to send out all their forces. They only needed two Supreme-beings at the peak to crush Chen Xiaobei and turn the good situation around.

“Oh, the old man of heavenly secrets and heavenly master Zhao of the Jade virtual Palace?”

“Even if they were here, they wouldn’t dare to touch me!” Chen Xiaobei said.

“Swish!”

As soon as he finished speaking, the heaven-destroying and earth-destroying banner moved and directly rushed toward the rainbow-Winged Cloud-riding chariot!

Red Envelope Group of the Three Realms

Chapter 3017

3017 The arrival of the two strongest

“Not good! A young lord! The young lord of myriad extremes! Chen Zhufeng wants to use you as hostages! Quickly retreat!”

Xuanyuan zhengyong reacted quickly and immediately warned.

However, no matter how fast his reaction was, how could it be faster than the heaven-destroying and earth-destroying banner?

“Whoosh ...”

In the next moment, the heaven-destroying and earth-destroying banner had already appeared above the rainbow-Winged Cloud-riding chariot.

“This is bad!”

The expressions of the people in the car changed drastically.

Zhao Wanji and Xu gengnian, in particular, broke out in cold sweat.

Their cultivation had already reached the nine stars tribulation stage, and they could be considered as experts at the top of the pyramid of the human world.

Unfortunately, in the face of the world-destroying banner, all existences below the heaven immortal realm were as weak as ants.

With just a thought from Chen Xiaobei, he could activate the power of the planet-destroying banner and kill all five people in the car!

“The old man of heavenly secrets and heavenly master Zhao of Jade Mirage are indeed powerful!”

“But I don’t think they would let their successor die with me!” Chen Xiaobei said. Moreover, the inheritors of the three top forces of Buddhism were in the car! If they die too, I’m afraid that both Buddhism and Daoism will completely fall out!”

“This ...”

Xuanyuan zhengyong’s face changed. He had planned this well but in the end, he could not escape from Chen Xiaobei’s plan!

Just like that, Chen Xiaobei stepped on Xuanyuan zhengyong’s face. Not only was it a great humiliation, but all his plans had been resolved by Chen Xiaobei. It was a great slap to his face.

At this moment, Xuanyuan zhengyong was in despair and couldn’t think of any other way.

“Chen Zhufeng! This is a grudge between you and the Xuanyuan family! Don’t bring us in!”

Zhao Wanji was already panicking, and Xuanyuan zhengyong couldn’t help but think of a way to save himself. “As long as you let me go, I promise that the hollow Jade temple will not get involved in this matter!”

“I ... I can also guarantee that!”

Xu gengnian was also very worried, “Chen Zhufeng! You must stay calm! There was still room for maneuver! You might not die, so there’s no need to drag us down with you!”

“Just the two of you can’t guarantee it!”

I want the old prophet and celestial master Zhao to personally make a promise to the whole world!
Chen Xiaobei said.

“Chen Zhufeng! You’re talking big!”

At this moment, a deep and aged voice came from the sky.

The voice was not angry, but every word was like Heavenly Thunder, erupting with a terrifying pressure that made everyone’s heart jump.

Following the sound, there were two extreme shadows flying in the sky at an unbelievable speed.

In the blink of an eye, the two figures had arrived at the scene.

One of them was wearing a yellow Daoist robe and holding a seven-colored horsetail whisk! With the Taoist connotation above his head, he stepped on the blue clouds! His brows were filled with wisdom and profoundness, as if a true immortal had descended to the world!

“Great-grandfather!”

“You’ve come at the right time!” Zhao Wanji exclaimed. Save me! Save me!”

That’s right!

This person was the hollow Jade temple master!

Heavenly master, Zhao Tianchao!

The other person was wearing a black and white robe and had nothing in his hands. However, the Dao runes above his head shone with black and white spiritual light and a Tai Chi spiritual pattern appeared! The Golden spiritual light under his feet formed the image of the six elements! His eyes were extremely deep, like the starry sky and the universe, all-encompassing!

“Master! Shizun, save me!” Xu gengnian immediately cried out in alarm.

Obviously!

This person was the Lord of Tianji city!

The old man of heavenly secrets, Xu mangkong!

“Daoist Chao Kong! Daoist brother Tian Chao! As expected, you didn’t break your Alliance! Quickly save me! Quickly save me!”

Xuanyuan zhengyong was also surprised and happy, and his hope was reignited.

“Feng Kong? Xu mangkong?”

Chen Xiaobei furrowed his brows and thought to himself, “Is this your real name or an alias? Was this old man Xu Fu? Or is he a chess piece of Xu Fu?”

“Daoist brother Zheng Yong, there’s no need to panic!”

“Someone told me about this early in the morning!” Xu mangkong said. We already have a plan in mind!”

Obviously, there were many eyes and ears in the heaven’s legacy city. There were naturally people from the heaven’s legacy city among the tens of thousands of guests.

Everything that happened here could not be hidden from Xu mangkong.

Zhao Tianchao wasn’t someone to be trifled with. Naturally, he had his own way of finding out the truth.

However, in the eyes of these two old men, Chen Xiaobei was not able to escape from Xuanyuan zhengyong’s palm, so they were not worried about what was going on here.

However, they did not expect Chen Xiaobei to be able to counterattack. Not only did he turn the tables, but he had also taken control of Xuanyuan zhengyong and the five young masters on the rainbow-Winged Cloud-riding chariot.

It was because of this that the two old men had rushed over in a hurry.

“Chen Zhufeng! You should know what you are doing!”

“But you probably don’t know what the consequences of doing all this are!” Zhao Tianchao said coldly.

“Heh, I’m not scared!”

“I’m not afraid of the consequences!” Chen Xiaobei said with a smile. If you don’t believe me, I can use Zhao Wanji’s life to prove it to you!”

great-grandpa, save me ... I don’t want to die ... I don’t want to die ... Zhao Wanji screamed.

“Shut up! Don’t embarrass yourself here!” Zhao Tianchao glanced coldly at Zhao Wanji. On the surface, he looked angry, but in reality, his eyes were filled with worry.

Zhao Wanji could be considered the most outstanding genius of the Zhao clan in the past few million years.

in order to raise Zhao Wanji, the Zhao family had spent countless resources! He had also spent countless resources and time to help Zhao Wanji find an extremely rare ancient immortal inheritance, allowing his cultivation to advance by leaps and bounds!

Zhao Tianchao had already made up his mind to hand the Jade void Palace over to Zhao Wanji after he passed his tribulation!

If anything happened to Zhao Wanji at this moment, the hollow Jade temple would have no successor! How could Zhao Tianchao face the heavenly Tribulation with peace of mind? How to ascend to heaven and become an immortal smoothly?

The situation on the other side was not much different.

Xu gengnian was also Xu yunkong's favorite successor. If anything happened to Xu gengnian, Tianji city would also have no successor.

Moreover, Xu yankong's cultivation was extremely high. The heavenly Tribulation could come at any time.

If Tianji city didn't have a successor, and the heavenly Tribulation suddenly descended, the entire sect would probably suffer a destructive blow. The consequences would be unimaginable!

"Chen Zhufeng!"

"You're not scared, but you definitely don't want to die in vain!" Xu mangkong said. State your conditions and we can talk!"

"You've finally said something clear!"

"I'm here to seek justice for my disciple!" Chen Xiaobei said. Since it's fair, we have to convince the world! Therefore, I won't make any excessive requests! I only hope that you can resolve the grudges between the grandfather and grandson of the Xuanyuan family as per the bet!"

"A bet?"

Xu mangkong and Zhao Tianchao's eyes narrowed. "You want to continue the bet? To treat Xuanyuan Yifeng?"

"That's right!"

"If I lose, you can kill me or scrape me!" Chen Xiaobei said. If I win, tuo hai will become the young master of the Xuanyuan clan! And you two are the witnesses! Whoever reneges will be spurned by the world!"

[Red Envelope Group of the Three Realms](#)

Chapter 3018

3018 Perfect scheme

Childe Zhufeng, what a good plan!

Wu longyin's eyes narrowed. let Xu mangkong and Zhao Tianchao be the witnesses. As long as Childe Zhufeng wins, these two old guys will honor the bet! If they attack Childe Chen again, they'll be considered treacherous, despicable, and shameless!"

"It's indeed a good plan!"

Yun fanqing nodded and said, "as long as Xu yunkong and Zhao Tianchao don't attack Childe Zhufeng, no one will dare to attack! Then, everything here will fall into Childe Chen's hands!"

most importantly, Xu mangkong and Zhao Tianchao will definitely not attack Childe Zhufeng!

Wu longyin continued,"firstly, this entire matter concerns the Xuanyuan family's family background. It's not right for outsiders to interfere!" Secondly, Xuanyuan zhengyong made the bet himself, and it's only right for him to accept his loss!"

"That's right!"

of course! Yun fanqing said with certainty. if young master Zhufeng wins, Xu and Zhao will still attack by force. They'll be treacherous villains who are standing against the will of justice! Everyone in the world would despise him! The Halo of the leader of the righteous path would become a joke! Their believers might even be shaken! We will no longer believe in them!"

"Childe Zhufeng is so smart! With these two old fellows as witnesses, we've directly pressed their Achilles "heel!"

Wu longyin was very excited, but he was also very worried."The problem now is, can Childe Chen win? Reviving the dead and regrowing flesh from bones is a method that only Immortals have!"

Yun fanqing nodded, but she was also anxious. "You're right ... That's impossible!"

Wu longyin and Yun fanqing were very worried.

What they were worried about was the source of Xu mangkong and Zhao Tianchao's confidence!

Xu mangkong and Zhao Tianchao, these two old men, both knew the contents of the bet. They both thought that Xuanyuan Hengfeng's hand could not be cured.

Since that was the case, so what if he agreed to Chen Zhufeng's request?

"Alright!"

"Chen Zhufeng, we agree to your request!" Xu mangkong and Zhao Tianchao said. We'll be the witnesses of the bet! You've won, and fellow Daoist Zheng Yong will definitely fulfill his promise! You've lost, and you'll die a horrible death!"

"Very good!"

"I can also promise that I won't hurt Zhao Wanji and Xu gengnian before the results are out! Chen Xiaobei said.

"Then let's begin! Don't waste everyone's time!" Xu mangkong and Zhao Tianchao said impatiently.

Chen Xiaobei nodded and said coldly, " Patriarch of the Xuanyuan family! Xuanyuan Yifeng lost an arm because of you. Now, please lend me an arm!"

what ... What are you going to do ... Xuanyuan zhengyong became intense at once.

"Swish!"

Chen Xiaobei took out his chaos Blood Sword and slashed at Xuanyuan zhengyong's left shoulder.

At this moment, Xuanyuan zhengyong was sealed by the nine heavenly locking net, so he couldn't use his true Yuan to protect himself. His body was also in a relaxed state!

The chaos Blood Sword, on the other hand, was a mid-stage eight-star earth-god and no one dared to underestimate its power!

"Swish ..."

With a sweep of the sword, Xuanyuan zhengyong's entire left arm was cut off from the shoulder!

"Uh ... Ah ... Chen Zhufeng ... Chen Zhufeng! "This old man is absolutely irreconcilable with you!!!" I won't rest until I'm dead!"

Xuanyuan zhengyong roared as if he had gone mad.

The intense pain made him want to tear Chen Xiaobei apart with his own hands! The humiliation of losing an arm made his mental state collapse and he almost went crazy!

Everyone present was deeply shocked by the scene before their eyes.

Chen Xiaobei, however, was as calm as ever. He used his ethereal force to pick up Xuanyuan zhengyong's broken arm and brought it to Xuanyuan Hengfeng.

Childe Zhufeng ... Xuanyuan guanghong and Xuanyuan Hengfeng were at a loss for words. They were filled with worry, fear, apology, and gratitude.

"Master! Please!" On the other hand, Xuanyuan tuohai's mind was firm. No matter if they were Dead or Alive, he would absolutely believe in Chen Xiaobei and stand by his side.

"Don't worry!"

Chen Xiaobei chuckled and immediately got to work.

Drug anesthesia, silver needle circulation, true energy blade, connecting meridians and bones!

This series of actions dazzled everyone in the stadium. It felt like a miracle, rare and unprecedented! Even Xu mangkong and Zhao Tianchao had never seen or heard of such a thing!

But to Chen Xiaobei, this was just a small operation.

Compared to Liu xuanxin's heart transplant surgery, it was not difficult at all, and there would not be any accidents!

"Done!"

After a while, Xuanyuan zhengyong's left arm was successfully transplanted into Xuanyuan Yongfeng's body.

I'm fine! Chen Xiaobei said calmly. you can do some simple exercises now. Although you can't do anything big, with the help of my pills, you'll be fully recovered in ten days!

"Is ... Is this true?"

Xuanyuan Yifeng couldn't believe it, "this arm, did it really succeed?" There's no doctor in the world who can do that ..."

"Father, quickly try it!"

"My master's medical skills are unparalleled, no doctor in the world can compare to him!" Xuanyuan tuohai said proudly. If Shizun says it's possible, then it's definitely possible!"

"Good! I'll try ..."

Xuanyuan Yifeng composed himself and gently bent his left hand. His five fingers slowly bent and then straightened.

Although the wound was still a little painful, all his joints could move normally. Moreover, he was very flexible, as if he had just suffered a minor injury and never lost an arm!

"That's great ... That's great ..."

Xuanyuan Guanghong, Xuanyuan Hengfeng, and Xuanyuan tuohai were all overjoyed. They were very grateful to Chen Xiaobei.

The people from the Bei Xuan faction were overjoyed.

This scene, in the eyes of everyone present, was naturally extremely shocking.

How is this possible ... How is this possible ...

Xuanyuan Zhengyong was dumbfounded, and his heart was like dead ashes. "It's over ... It's all over ..."

Xu Mangkong and Zhao Tianchao's faces were also ashen.

Just a moment ago, they thought that Chen Xiaobei would lose and were even thinking about how to kill him.

Chen Xiaobei had won without any flaws! He didn't even give them a chance to find fault with him!

"You two! The outcome of the bet has been revealed!"

I'm sorry! Chen Xiaobei said, "as witnesses, I hope you can announce the final result!"

Xu Mangkong and Zhao Tianchao's faces twisted. Once the result was announced from their mouths, they had no excuse to interfere in this matter! He could only let Chen Xiaobei do whatever he wanted!

"What's wrong? Are the two giants at the peak of the human realm going back on their word?" you're a liar! You're despicable and shameless! You're just a bully! Chen Xiaobei said.

"Enough!"

Xu Mangkong and Zhao Tianchao shouted at the same time, "We didn't say we were going back on our word! According to the bet, Xuanyuan Zhengyong has failed, so the descendant of the Xuanyuan family who performed the best today must be chosen as the successor of the family!"

[Red Envelope Group of the Three Realms](#)

Chapter 3019: dust settled

Without a doubt, Chen Xiaobei's plan was perfect!

If he let Xu mangkong and Zhao Tianchao be the witnesses and they went back on their word or attacked Chen Xiaobei, it would be like slapping their own faces in front of everyone.

Despicable, shameless, untrustworthy, shameless, and bullying others ... These series of crimes would be nailed onto their bodies.

Not only would this damage their reputation and prestige, but it would also destroy the faith of their believers and make them no longer believe in them.

They were the so-called leaders of the righteous path, so they naturally valued their reputation and prestige!

But in comparison, the importance of believers far exceeded their reputation!

To Tianji city and Jade Mirage Palace, believers were their Foundation and lifeline.

To Xu yankong and Zhao Tianchao, they were both peak tribulation passing experts. The heavenly Tribulation could descend at any time.

The number of believers determined how much the heavens cared for them, and it was also closely related to their fate.

For this reason, before the heavenly Tribulation descended, they could only think of ways to increase the number of believers and would never dare to easily lose believers.

Otherwise, without the blessing of the heavenly Dao, one's fate energy would plummet, and the danger of the heavenly Tribulation would increase greatly!

If they failed to pass the Tribulation, they would die and their souls would be scattered!

They were not willing to face such an outcome!

In order to stabilize their believers, Xu mangkong and Zhao Tianchao did not dare to make any mistakes at this juncture!

chen xiaobei had anticipated this, and that was why he had them here as witnesses!

Now that the bet had been settled, they had no reason to attack Chen Xiaobei! It was even more impossible to overturn the bet!

They would not attack Chen Xiaobei for a while because everyone knew that they had a feud with Chen Xiaobei. Even if they were not the ones who attacked him, the world would think that they were the ones!

"Very good!"

hehe! Chen Xiaobei grinned. old man Tianji, heavenly master Yuxu, you're indeed the leader of the earth-god Realm's Orthodox sects! It's indeed fair and just!"

it's our duty to uphold justice and fairness ... Xu mankong and Zhao Tianchao's faces were livid. They knew that Chen Xiaobei's praise was a slap to their faces, but they could only put on an awkward but polite smile.

you two are so fair! Then, can you please announce who is the most outstanding descendant of the Xuanyuan family today? " Chen Xiaobei asked.

this ... Xu mankong and Zhao Tianchao were taken aback. They realized that Chen Xiaobei's praise was not just a slap in the face, it was a huge trap!

Chen Xiaobei praised them for being fair and just, and then he asked them to announce the results!

If the results they announced were not fair, then the consequences would be exactly the same as going back on the bet!

If they announced it fairly, then the Xuanyuan five heroes would all kneel down and be humiliated. The most outstanding descendant of the Xuanyuan family would have no second choice!

They had no choice but to follow Chen Xiaobei's plan and become the final chess pieces.

we hereby announce ... The best performing descendant of the Xuanyuan family today is ... Xuanyuan tuohai!

Xu mangkong and Zhao Tianchao could only come to this conclusion even if they were extremely unwilling.

Chen Xiaobei's entire plan had come to a perfect end!

Xu mankong and Zhao Tianchao, the two most powerful supreme beings in the earth-god Realm, were like two chess pieces in Chen Xiaobei's hands. They could do whatever he wanted to them!

The most important thing was that none of the tens of thousands of people present retorted.

Even if the news were to spread all over the world, no one would come out to object.

This was because it was a fair and just result.

"Pfft ..."

Seeing this, Xuanyuan zhengyong was so angry that he spat out a mouthful of blood.

Just a moment ago, he was still full of confidence, thinking that Xu mankong and Zhao Tianchao would be able to help him kill Chen Xiaobei.

Not only did Xu mankong and Zhao Tianchao not help, they had become Chen Xiaobei's pawns! He would make the whole thing a done deal, and there would be no room for change!

"Greetings ... Greetings to the young master ..."

At the same time, the core upper echelons of the Xuanyuan family saw the situation clearly.

To protect themselves, Xu mangkong and Zhao Tianchao would not interfere.

Chen Xiaobei had two heaven-immortal instruments in his hands, and he controlled the life and death of everyone present.

The core higher-ups of the Xuanyuan family didn't dare to not lower their heads.

Moreover, Xuanyuan tuohai was already the legitimate young master. If these core higher-ups resisted, it would be equivalent to rebellion! Even if Chen Xiaobei killed them, no one would defend them!

"I hereby announce that today's birthday banquet is canceled! All guests, please leave!"

Xuanyuan tuohai scanned the crowd and said in an imposing manner.

"Let's go!"

Xu mangkong and Zhao Tianchao took Xu gengnian and Zhao Wanji and flew into the void.

Canaan Yu was feeling guilty. He quickly chased after them and left with them so that he would not be killed by Chen Xiaobei.

Right now, Chen Xiaobei had the Xuanyuan family to clean up the mess. If they did not make trouble in public, Chen Xiaobei would not stop them.

"Let's go ..."

Yun fanqing stood up and prepared to leave.

"There's no good show to watch, so there's no need to stay!" Wu longyin nodded.

"Please wait!"

Chen Xiaobei stepped on the somersault cloud and flew to the rainbow-Winged Cloud-riding chariot.

"Thank you for your help! I, Chen Zhufeng, will remember this favor!"

Yun fanqing's expression darkened slightly, and he said, "Childe Chen, why do you say that? We didn't help ..."

yes! Chen Xiaobei said, "Master Dragon Seal didn't do anything, but he spoke up for me a few times during critical moments! Every word he said was a great help to my plan!"

"You're too kind, bei Xuan faction master!"

"I just can't stand those people's hypocrisy and contemptible behavior, so I said a few fair words!" Wu longyin said indifferently.

"When I'm weak, any words of Justice are like charcoal in the snow!" Chen Xiaobei said. "I'll remember this favor from Dragon Seal Master! In the future, if Dragon Seal Master has any difficulties, you can look for me for help! I, Chen Zhufeng, will definitely support you!"

Without a doubt, Wu longyin's words were all in Chen Xiaobei's favor.

On the other hand, Chen Xiaobei's enemies would not be happy.

What Chen Xiaobei was trying to say was that if Wu longyin's enemies were to make things difficult for him in the future, Chen Xiaobei would definitely step forward and help him solve the problem!

Wu longyin put his hands together and smiled without saying a word.

Chen Xiaobei looked to the other side and said, "as for master fan Qing, although he did not do anything, you have done me a great favor!

"Since I didn't do anything, how can I help you?" Yun fan's clear eyes narrowed, and her pretty face was full of doubt.

Red Envelope Group of the Three Realms

Chapter 3020

3020 The mystery of the North Sea

others might not know, but I know it very well!

that's right! Chen Xiaobei grinned. the three-Saints nunnery's divine instrument, the Jiufan Golden Bell, is not with the suzerain anymore. It's with Grandmaster fanqing!

this ... Yun fanqing's expression froze.

if master fanqing had taken out the Jiufan Golden Bell when I took out the world-destroying banner, I wouldn't have had the chance to intimidate the Xuanyuan family's elder. The divine level formation would have been activated and the battle formation would have been formed! I'll be beyond redemption!"

"If master fan Qing had taken out the Jiu fan Golden Bell while I was using the world-destroying banner, I wouldn't have had the chance to take Xu gengnian and Zhao Wanji hostage! Once Xu mangkong and Zhao Tianchao arrive, I will lose without a doubt!"

that's why my plan was able to come to a perfect end. Half of the credit goes to Grandmaster fan Qing! I don't even know how to repay this great favor!"

cough, cough ... Yun fanqing's expression froze, and his pretty little face could not help but blush.

She had thought that she would not reveal her true intentions, but Chen Xiaobei had seen through her.

"Aiyaya! Junior Sister fan Qing! You've really made me look at you in a new light!"

Wu longyin laughed evilly, "I always thought that you were as pure as a piece of white paper. I didn't expect you to be so boring!" He hid the Jiufan Golden Bell so well that even I didn't know! It seems like you really do treat Childe Chen differently!"

I ... Yun fanqing's face was shy, and her earlobes turned red.

Chen Xiaobei smiled and said, "Dragon Seal Master, You must be joking! Today's matter, good and evil, right and wrong, right and wrong, black and white, was completely clear at a glance! The reason why master fan Qing helped me was because he had a heart of justice and kindness, and he did not allow the wicked to be arrogant!"

"Yes, yes, yes!" yes! Yun fanqing nodded. I think Xuanyuan zhengyong has gone too far. That's why he hid the Jiufan Golden Bell!

"An explanation is a cover-up!" Wu longyin's mouth twitched, and his evil smile became even more pronounced.

"Wu longyin! I'm a monk! If you dare to talk nonsense again, I'll tell shizun!" Yun fan's delicate brows furrowed slightly as she retorted in an unpleasant tone.

"Don't, don't, don't ... I won't say it! I won't say it again!" Wu longyin swallowed his saliva and quickly admitted defeat.

Oh! Chen Xiaobei was amused. if you two are free, why don't you stay? I'll throw a banquet later to thank you both!

"No need!"

Yun fanqing refused decisively, 'young master Zhufeng, you have to deal with the Xuanyuan family's matter as soon as possible! Otherwise, the commoners of the Xuanyuan sacred territory would be the ones suffering! There was no need to thank him at a banquet! I'll take my leave now!"

After saying that, Yun fanqing rose into the air and flew into the clouds.

"I'm also leaving!"

Wu longyin curled his lips, "although I'm very interested in fine wine, I'm more attracted to beautiful women!" I'll have to attend Childe Chen's banquet later!"

"Master Dragon Seal is going after master fan Qing?" Chen Xiaobei asked.

"Of course not!"

Wu longyin shook his head decisively and said, "although fan Qing is extremely beautiful, her master, Shitai Dinghai, is more terrifying than a prehistoric beast!" Even if you lend me ten guts, I still wouldn't dare to chase after fan Qing!"

"Then who's the beauty you're talking about?" Chen Xiaobei was very curious.

Childe Chen, didn't you hear? "

"Three days later, on the North Sea, there will be a legendary Jade Rabbit beauty who is shockingly beautiful!" Not only me, I'm afraid that many people from the entire earth-god Realm will rush over to see it!"

Jade Rabbit beauty!? Chen Xiaobei was taken aback.

Other people might not know what the Jade Rabbit beauty meant.

But the first thing that came to Chen Xiaobei's mind was Chang 'e.

He remembered that when the Three Realms red envelope group was still very lively, Chang 'e fairy was like a fangirl who supported Chen Xiaobei in everything.

But later on, Chen Xiaobei and chanism had a falling out and Chang 'e fairy disappeared from the group because she supported Chen Xiaobei.

According to his good friends in the Brotherhood Alliance, Chang 'e fairy had been taken out of Guanghan Palace by the Queen Mother.

But Chen Xiaobei knew that things were not that simple!

First, Shen gongpao had been silent for a long time, and the clan of enlightenment did not do anything to Chen Xiaobei! It was like the calm before the storm! The quieter it was, the greater the hidden danger!

Secondly, Shen Gongbao's previous attacks had all ended in failure! This time, after such a long period of silence, he would definitely plan a perfect dead end!

Third, in order to force Chen Xiaobei into a dead end, Shen gongpao had to prepare a bait that Chen Xiaobei could not resist!

The answer was obvious!

Chen Xiaobei had always cherished friendship, and he had a very good relationship with Chang 'E!

If he were to use Chang 'e as a hostage, he would definitely be able to lure Chen Xiaobei into a dead end! He could even threaten Chen Xiaobei! He even wanted Chen Xiaobei to give up on resisting and admit defeat!

Chen Xiaobei also remembered that a long time ago, he had lost contact with six-eared macaque, and Deng Jie Yu had snuck into the Oceanus sect!

From that time on, Shen Gongbao had already laid out his plan in the North Sea!

Coincidentally, the Jade Rabbit beauty also appeared in the North Sea!

"What's wrong? Childe Chen, do you want to go as well?" Wu longyin grinned and laughed evilly.

"I want to go!" Chen Xiaobei nodded.

Fairy Chang 'e had been silent for far too long.

Chen Xiaobei was very worried about her safety.

Whether or not this was Shen gongpao's trap, whether or not the beauty was the goddess Chang 'e, Chen Xiaobei had to go and take a look.

since Childe Zhufeng wants to go too, we'll meet then! Wu longyin laughed evilly and directly rose into the air.

Chen Xiaobei watched as Wu longyin disappeared from his sight."If it's really fairy Chang 'E, I'll save her even if it costs me everything!"

The Jade Rabbit beauty would only appear after three days.

Chen Xiaobei still had something he had to do.

"Swish!"

Chen Xiaobei flew back on a cloud and immediately gave out orders, "Tuo hai, go and get your mother! Qingyang, you follow them and treat Madam Wei's emotional wounds!"

"Yes!"

Xuanyuan tuohai and Feng Qingyang immediately left.

"Brother guanghong, go and gather everyone in the Xuanyuan family!" Tell them that we'll be choosing a new family head today!"

this ... Xuanyuan guanghong was shocked, but he was also very confident in Chen Xiaobei."As you command! I'll go immediately!"

"Chen Zhufeng! You're dreaming! Other than me, no one else can be the master of the Xuanyuan family!"

Xuanyuan zhengyong bellowed,"if I fall, the entire family will suffer a great loss!" The hollow Jade temple and Tianji city both see you as an enemy! Without their support! Even a small temple of the gods could ride on top of the Xuanyuan family! If you want to change the head of the Xuanyuan family, it will only destroy the Xuanyuan family!"

"Heh, don't be too full of yourself!"

"I'm here! Chen Xiaobei smiled. if you can do it, the new master will be able to do it too!"
