Red Envelope Group of the Three Realms

Chapter 3071: change in fate

“Hurry up! Chen Zhufeng! Hurry up and take out your black blade! Kill those demons ... Hurry up ...”

Poseidon and the higher-ups of the six-party alliance screamed hysterically. They were all afraid of death.

Childe Chen, with that super powerful black saber, we can all rest easy in this battle! Wu longyin and the 2000 survivors also heaved a sigh of relief.

However, Chen Xiaobei’s answer almost scared everyone to death.

“Who said I’m going to use the black blade?”

30 billion upper spiritual stones? ” Chen Xiaobei pouted. do you think my spiritual stones came from the wind? ”

As soon as he said that, everyone was stunned, and their faces were instantly filled with shock.

Wu longyin and the 2000 people trusted Chen Xiaobei very much, so they did not say anything too extreme.

On the other hand, the enemies sealed in the nine heavenly locks net began to scream like pigs being slaughtered.

“Chen Zhufeng! Are you crazy? The devil nation’s combat forces had come out in full force! You’re not using the black blade, are you trying to commit suicide?”

“Chen Zhufeng! Did you get kicked in the head by a donkey? This was not the time to joke around! Hurry up and draw your blade!”

“Chen Zhufeng! Quickly unsheathe your blade ... As long as you keep me alive ... I’m willing to work like a horse to repay you!”

“I beg you ... Hurry up and draw your saber ...”

Among the enemies, some were cursing and some were begging. In the end, they were all afraid of death!

In their eyes, the only thing that could change the situation was the Dragon’s edge in Chen Xiaobei’s hand! If this blade did not appear, everyone would be dead!

“Ha, if I use my saber just because you want me to, wouldn’t I lose face?”

Chen Xiaobei’s practicing body flew to the front of the group and took out the modified Blood God’s deity-burning painting.

“Whoosh ...”

Chen Xiaobei released a huge amount of black demonic essence.

The 300 million demons that had been killed by the destruction of heaven and earth banner at the beginning climbed up from the pool of red blood.

Even though his body had melted, his physical body had not disappeared.

As long as they received the support of the heavenly demonic vital essence, their bodies could be reconstructed, revived, and restored to their original state!

The demon race was the same as the monster race, they were born with extraordinary talent.

And the demons of this race were born with the ability of rebirth.

“Wuwuwu! Aowuu ...”

As a result, before the demonic Army from the demonic kingdom could rush to the front, 300 million reincarnated demons had already stood up on the battlefield!

Seeing this scene, everyone’s mentality exploded.

The 2,000 survivors looked at Chen Xiaobei as if they had seen a ghost. No matter how much they trusted him, they could not understand what he was doing. “Childe Chen, what are you doing? Not only did he not use his saber to kill the enemy, but he also revived the enemy! Are you digging your own grave?”

“What ... What is going on?” Wu longyin was also stunned.

“This is crazy! Chen Zhufeng! You’re a lunatic!” Zhu tianzong shouted hysterically, “You want to die, but you’re dragging us down with you! You’re simply a lunatic!”

“It’s over ... I’m completely finished ...”

Xu gengnian, Zhao Wanji, and Canaan Yu’s anger was swept away, and what replaced it was endless despair. “A total of one billion demonic soldiers! No matter how powerful Chen Zhufeng’s Black blade was, he would not be able to clear the area within ten strikes! We’re ... Dead for sure ...”

Obviously, a heaven immortal item could be used to attack ten times in a row after being filled with spirit Qi.

However, the Dragon’s edge was not like the world-destroying banner.

The attack of the destruction star banner was a large-scale group attack.

The attack of the demonic dragon apocalypse was a single-target attack with concentrated firepower within a small area.

Even if the Dragon’s edge was filled with spiritual Qi and could burst out ten times in a row, it was not enough to kill 100 million demonic soldiers each time.

After ten slashes, the spirit Qi of the demonic Dragon tribulation would be exhausted, but there would still be a lot of demonic weapons left.

At that time, everyone would only be waiting for death.

With the situation developing to this point, everyone except for Taiyi fell into complete despair.

Poseidon and most of the senior elders were so scared that their faces turned pale and their bodies trembled. They broke out in cold sweat like rain, and they were about to pee at any time!

“Boom boom boom ...”

However, just as the one billion demonic soldiers charged in front of everyone and were about to bring disaster upon them, the situation changed in a way that no one expected.

“Kneel!”

Chen Xiaobei was flying in front of the crowd, and he simply said one word.

Whoosh ... Whoosh ... Whoosh ...

That word seemed to weigh Nine Cauldrons, more like an imperial edict of a King.

In an instant, the billion demonic soldiers all knelt down on one knee, facing Chen Xiaobei, bowing their heads and bowing in worship.

The scene was as shocking as a tsunami and was extremely spectacular!

“What ... What’s going on?”

Seeing the scene in front of them, Wu longyin, Zhu tianzong, the three young masters, more than 50 high-level officials, and more than 2000 survivors were all dumbfounded.

Just a moment ago, they were still in despair, thinking that Chen Xiaobei would not be able to break out of this without the Dragon’s edge.

It was then that they realized that Chen Xiaobei did not even need to break out of the situation. The situation was all under his control.

And every one of them had proved the four big words, mediocrity!

They thought that Chen Xiaobei’s actions would lead to his death if he did not follow their plan.

However, all of this was just their self-righteous fantasy.

Chen Xiaobei did not want to do what they wanted. He wanted them to scare themselves to death and slap their own faces.

“Ah ...”

Chen Zhufeng’s fate is too good ... Lu Yue sighed. he has already taken the opportunity in The Omen Ridge ... It’s over ...

Chen Zhufeng! Zhou Xin frowned and said, ” although we are loyal to the clan of enlightenment, we have to admit that Chen Zhufeng is the hope of the clan of Jie’s revival!

“Don’t think of things as simple!”

I don't think so," Lu Yue said in a deep voice. Dao ancestor emphasizes balance. The more Chen Zhufeng develops, the faster Dao ancestor will side with Chen Zhufeng's enemy! The so-called fate energy is nothing more than a matter of the Dao ancestor's heart!"

yes ... Zhou Xin nodded and said, " in the last immeasurable cultivation tribulation, our tribe of Jie had the fate of being at the peak of the world. Unfortunately, without the support of the Dao ancestor, we finally walked to the end of the road ...

let's wait and see ... Lu Yue frowned and said, " the reincarnated ancient Celestials from the earth-god Realm will definitely rise one after another and become Chen Zhufeng's biggest obstacle ... Whether he can successfully ascend to the immortal realm is still a big question mark!

Zhou Xin was speechless. He absolutely agreed with his master.

"Come!"

die! Chen Xiaobei shouted.

Lu Yue and Zhou Xin were shocked. They thought that Chen Xiaobei was declaring war on all the ancient Celestials, telling them to come at them.

However, when they looked closely, an even more shocking scene broke out at the scene!

[Red Envelope Group of the Three Realms](#)

Chapter 3072

3072 The danger of tribulation

"Whoosh ..."

Chen Xiaobei held the verdant Emperor's divine gourd in his hand and chanted the word 'come'. The demonic soldiers were sucked into the gourd.

The blood God Space was clearly not enough to hold one billion demonic soldiers.

Before the space expanded, these demonic weapons could only stay in the verdant Emperor's divine gourd.

Fortunately, the verdant Emperor's divine gourd was a divine artifact of goddess Nuwa. The space inside it was extremely huge, and it could easily store dozens of planets.

"My God ... Childe Chen, are you a God or a human? That gourd can actually hold so many mo weapons"

Wu longyin and the 2000 survivors were all dumbfounded. They couldn't believe this was real.

After all, there wasn't even a single magic treasure on the level of the verdant Emperor's divine gourd in the earth-god Realm. If they hadn't seen it with their own eyes, no one would have believed that it was real.

"Chen Zhufeng ... You ... You've hidden too much ... Just how deep are your foundations? When will you use up all your trump cards?"

Zhu tianzong and the other three young masters wailed weakly.

In their eyes, Chen Xiaobei was like a bottomless black hole!

Every time they thought that they could see through Chen Xiaobei, Chen Xiaobei would slap them in the face, telling them that what they had seen was just the tip of the iceberg!

Even if he let them go and let them fight Chen Xiaobei one on one, they would not be able to muster up any fighting spirit!

Chen Xiaobei's strength, trump cards, and wisdom were all enough to make them lose!

Soon, the one billion demonic soldiers entered the verdant Emperor's divine gourd.

The adventure in the demonic remains had finally come to an end.

They found the exit in the deepest part of the ruins.

Wu longyin and the two thousand people had all left safely.

When they left, they thanked Chen Xiaobei profusely and even worshipped him. Almost all of them had become Chen Xiaobei's new believers.

By the time they returned to their respective forces, they would definitely develop a new batch of believers. They might even bring the forces under their control and directly join the beixuan dynasty.

On the other side.

Chen Xiaobei activated the returning bracelet and brought Tai Yi, six-eared macaque, and more than 50 enemies from the nine heavenly locks net back to bei Xuan faction.

Qin Yitian was in the Meru space, stabilizing Lu Yue's peak earth immortal cultivation.

Six-eared macaque was in seclusion in the faction, slowly digesting Lu Yue's memories and filtering out the valuable information to tell Chen Xiaobei.

As for the fifty or so enemies, according to Taiyi's suggestion, they should wait until they found Luo Yi and then capture them all to serve Chen Xiaobei.

Chen Xiaobei's plan was to take Zhu tianzong's cultivation and give it to Xiao 'er.

"That's a good idea!"

yes! Taiyi nodded. the twelve-winged Golden Cicada is the top of the ten most ferocious insects in the untainted land. It's very powerful when it grows up. It can command the insects in the Three Realms! But ..."

"But what?" what's there to hide between us? " Chen Xiaobei asked. what's there to hide between us? "

yes! Taiyi nodded and said, " but once you reach the peak of the earth level deity, the twelve-winged Golden Cicada can leave you at any time! Once it reaches the heaven realm, I'm afraid it won't be able to escape from the chanism!"

Xiao 'er? " Chen Xiaobei furrowed his brows. are you saying that the primeval Lord of heaven will track Xiao' er's location and send someone to capture him? "

"Of course!"

Taiyi nodded heavily and said, "don't forget!" You were the one who snatched the twelve-winged Golden Cicada from the heavenly Lord Yuanshi! I'm afraid he'll dream of taking it back!"

if what you're saying is true, then I'm afraid I can't transfer my cultivation to Xiao 'er first ... Chen Xiaobei changed his mind.

"Actually, it's not just the twelve wings Golden Cicada that's in danger ..." He said.

Taiyi's eyes were solemn as he said, " everyone related to you may become a thorn in the side of the clan of enlightenment after reaching the immortal world. You must get rid of them quickly!

"What ... What should we do?"

Qingcheng, Mengcheng, bro Yu, Ying Zheng, old Jiang, old Wang, Sirius, and tuo hai have all reached the peak of the earth-god Realm. Xuan Xin's cultivation speed is very fast. He'll reach it sooner or later ... If they're all in danger after the tribulation, I won't be able to rest in peace in the earth-god Realm!

"Bro bei, don't be too anxious! Things are not absolute!"

"As long as we can find someone we can absolutely trust and send the Tribulation Transcenders to the secret realm where the heavenly Dao hides the opportunities, even the heavenly Lord Yuanshi can't calculate their location!"

"He's absolutely trustworthy ..."

Chen Xiaobei thought for a moment. I have a small group of brothers. I can trust all of them, including Monkey King, Hades, Xiao Tianquan, and Chang 'e. But, Xiao Tianquan and Chang' e have lost contact for a long time. Hades and monkey have their own standpoints. I don't want to drag them down with me ...

"Yes, I am!"

Sun Wukong belongs to the demonic cult, and King Yama belongs to the clan of enlightenment, " Taiyi said. if they help you, they'll both offend the clan of enlightenment. The consequences will be unimaginable!

"Mm ..."

Chen Xiaobei thought about it and said, " I also have some friendship with the three of them. I can absolutely trust Taiyin true deity and Zhen Yuan Grand deity, but I'm afraid they won't agree to help me so easily! As for the netherworld River ... I can only believe half of it!"

"I'll choose the netherworld River!"

first of all, " Taiyi said, " Taiyin true deity has a close relationship with the Wu tribe. He's the mortal enemy of the clan of Enlightenment's heavenly court. It's not convenient for him to show his face, let alone help you protect your people!

“Secondly, zhenyuanzi has never been involved in the disputes of various sects. He’s an aloof existence! Moreover, as a Sage-to-be, he wouldn’t run around for a few newbie heaven Immortals who had just ascended!”

Taiyi’s eyes narrowed and he said with certainty, ” “So, you can only choose the netherworld River!”

“But ...”

Chen Xiaobei frowned. although I’m friends with Minghe, and we’re brothers ... He’s from the evil path of Shura. It’s not that I look down on the evil path, but I’m not 100% sure of his character ... What if he suddenly changes his mind under the pressure of the clan of enlightenment? the consequences will be unimaginable!

Taiyi said in a deep voice, ” Minghe is indeed not a kind man. But he helped the Asura religion to clear its name. He fought K itigarbha and Tathagata the numerous treasures alone. Although he was seriously injured and lost, he is definitely a man of indomitable spirit!

“You mean he’s absolutely trustworthy?” Chen Xiaobei asked.

if you’re still worried, you can take out the 48 clones of the blood God!

Taiyi Xie smiled confidently and said, ” as long as we find Emperor Jiang, we can kill Minghe with the evil power of witchcraft incantation through his clones! Although the netherworld River would not die as long as the blood sea did not dry up! But if Emperor Jiang attacked, he would peel off a layer of his skin even if he didn’t die! The cultivation tribulation is coming, he would not dare to take the risk!”

Red Envelope Group of the Three Realms

Chapter 3073: urgent lack of spirit Qi

“In that case, the problem shouldn’t be too big.”

I can sense luohou and dijiang’s location. I can find them at any time. Then, all our problems will be solved! Chen Xiaobei said.

“Yes, I am.”

alright! Taiyi nodded. but, bro bei, you have to work hard on your cultivation too. Otherwise, you’ll be surrounded by your enemies when we’re all in the immortal realm. It’ll be even more dangerous for you to fight alone!

“Of course I know that, but I don’t have any spiritual stones now, so I can only stop cultivating ...”

I can’t! Chen Xiaobei frowned. also, I can’t use any external help to break through to the next level. Otherwise, I won’t be able to vindicate my Dao in the future! In the end, the improvement of my cultivation base still depends on luck!”

“Cultivation doesn’t necessarily require spirit stones!” “If you can find an ownerless spirit vein, you can also cultivate it!” Taiyi said.

I know that too ... Chen Xiaobei said helplessly, ” however, spirit veins are rare to begin with, and ownerless spirit veins can only be found by chance. How can you find one just because you want to? ”

“You’ll have to ask zhenyuanzi!”

“After the last immeasurable catastrophe, the untainted land was completely shattered, and the fragments turned into billions of stars and universes!” The current four great continents of the earth immortal world were the four largest fragments of the untainted land that zhenyuanzi had found! Because of this, zhenyuanzi was also regarded as the ancestor of the earth Immortals!”

“Zhen Yuan immortal?”

Oh? ” Chen Xiaobei’s eyes lit up. you mean, Grand deity Zhen Yuan must know where the hidden spiritual vein is? ”

he must know. The question is whether he’s willing to tell you!

Taiyi said with certainty, ” after all, zhenyuanzi has never been involved in the disputes of various sects. If he openly sided with you, it would be the same as him siding with the tribe of Jie! This karma will bring him trouble in the future!”

alright, I’ll ask him first ... Chen Xiaobei said.”If he really doesn’t want to reveal it, I won’t force him.”

Chen Xiaobei took out his phone, opened the red envelope group, and started to chat with Grand deity Zhen Yuan.

Chen Xiaobei-Zhen Yuan the deity! How’s your book reading going? Isn’t it wonderful? (Smile)

Zhenyuan immortal, wonderful! It was very exciting! The old sect master’s book became more and more exciting as he went on! It was just that the updates were too slow! Still trying to keep him in suspense! I really captured him to the heavenly realm and forced him to update every day!

Chen Xiaobei ,’this book has 6.3 million words! Our promise ...(Hehe)

Zhenyuan immortal, of course I won’t! I wanted to send you the ginseng fruit when I wrote six million words, but ...

Chen Xiaobei: The Zhen Yuan immortal also has something he can’t say?

Zhenyuan immortal, there’s nothing I can’t say! The cataclysm is coming and I don’t want to be affected by karma!

[Chen Xiaobei: you’re the ancestor of the earth level deities! You’re like the king of the world!] Could it be that they were afraid of chanism? (Frown)

Zhenyuan immortal, don’t try to goad me! This Lord doesn’t buy this!

Chen Xiaobei: ” then please explain yourself! Since you’re not afraid of chanism, why don’t you give me the ginseng fruit?

[immortal Zhenyuan: I have the blessing of the infinite merit for creating the earth-god Realm. As long as I don’t make a big mistake, even the heavenly Lord Yuanshi won’t dare to touch me!] However, the heavenly rules had already set that no one was allowed to privately send red packets to the human world!

Chen Xiaobei: " it's not like you haven't sent me a private message before ... You weren't afraid before. What's there to be afraid of now? "

Zhenyuan immortal, things are different now! The heavenly Lord Yuanshi sees you as a thorn in his side and guards against you as if you're a thief. He'll know the moment I give you a red packet!

Chen Xiaobei: " it's fine if you know. It's just a ginseng fruit. It's not a big deal!

Zhenyuan immortal, [I've said it before. Times are different now!] In the past, the heavenly Lord Yuanshi would not have gotten into an argument with me over such a small matter! But now, heavenly Lord Yuanshi would directly tell Dao ancestor about this!

Chen Xiaobei: (Shocked)

Zhenyuan immortal,"that's right!" You should have already experienced the Dao ancestor's way of checks and balances! When the Jie sect is weak, the Dao ancestor may support you and even give you some benefits! Once the Jie sect rose in power, the Dao ancestor would restrain you!

[immortal Zhenyuan: since the winter solstice festival, your fate energy has been soaring. Recently, it has been rising with the appearance of Taiyi!] The Saints of the various sects had already sensed it, and all of this couldn't escape the eyes of the Dao ancestor!

Chen Xiaobei: " are you saying that the Dao ancestor will suppress me? "

Zhen Yuan immortal thought,"you're not good enough for Dao ancestor to attack!" But if this Lord continues to help you increase your fate at this time, then the Dao ancestor will definitely blame this Lord!

Chen Xiaobei thought to himself,'I see ... You're not afraid of the heavenly Lord Yuanshi, but you're afraid of the ancestral Daoist!

Zhen Yuan immortal thought,"the cultivation tribulation is coming. Offending the Dao ancestor is simply courting death!"

Chen Xiaobei: " what about my ginseng fruit? " (Not happy)

Zhen Yuan immortal, don't worry! I won't mistreat you! When you come to the heaven realm, I'll give you a 9000-year-old ginseng fruit! From now on, I'll give you a 9000-year-old ginseng fruit for every 3000000 words you update!

Chen Xiaobei-that's not right! I'm not even sure if I can ascend to the immortal world! This was like saying,"if you come to the human world, I'll tie up the old Cult Master and give him to you!" It's an empty promise, never be fulfilled!

Zhen Yuan immortal,"then what do you think?" Other than giving out red packets, you want me to do anything!

Chen Xiaobei-you said it yourself! I'm in urgent need of spiritual energy now. As long as you can guide me to find a large spiritual vein without an owner, you don't have to give me the ginseng fruit!

Zhen Yuan immortal, you brat! As expected of the number one profiteer of the Three Realms! A three-thousand-year-old ginseng fruit could only increase one's lifespan by three thousand years, but a large spirit vein could allow one to break through several levels and increase one's lifespan by hundreds of thousands of years!

Chen Xiaobei-you're the ancestor of earth level deities! It was not easy to explore the universe! Could it be that you're willing to see those ownerless spirit veins be buried in the void forever?

Zhenyuan immortal, don't try that!

Chen Xiaobei:

[Zhen Yuan immortal: I can guide you!] However, it will guide you to an extremely dangerous place! If you die, don't blame me!

Chen Xiaobei, did I offend you? Why do you want me to risk my life?

[Grand deity Zhen Yuan: because if I guide you to find the spirit vein, it will help you increase your fate energy. But if I guide you to take risks, you might die without a burial place!] This is both helping you and harming you. The two offset each other, and even the Dao ancestor can't say anything!

Chen Xiaobei,"that's a cruel move!" It was true that a fellow Daoist would rather die than a poor Daoist!

Zhenyuan immortal, I just don't want to be affected by karma and cross the heavenly Tribulation safely! If you don't dare to take the risk, then quickly ascend to the heavenly realm. I'll prepare a 9000-year-old ginseng fruit for you, and I won't go back on my word!

Chen Xiaobei-first, tell me where the spiritual vein is! I'll think about it myself!

[Red Envelope Group of the Three Realms](#)

Chapter 3074: multiple opportunities

Zhenyuan immortal, what a sly fellow! That place was the endless Dead Sea, one of the seven forbidden areas in the earth immortal realm!

Chen Xiaobei,"seven forbidden places?" (Hehe) don't you know? Now, they were already the six great forbidden areas!

The Zhen Yuan immortal, six? What was going on? (Puzzled)

Chen Xiaobei: " the yin-yang life and death Ring and the dark desolation in the dark Dragon tomb are already in my hands. In a few years, the Montenegro abyss will recover its vitality and return to normal!

The Zhen Yuan immortal, what? You've already dealt with the dark Dragon tomb? Wait for this Lord to calculate ...

Chen Xiaobei, Would I Lie to You?

Zhen Yuan immortal, this ... This is actually true! (Headache) I miscalculated ...

Chen Xiaobei: What did that mean?

Zhen Yuan immortal, "I was too absorbed in reading to calculate in advance." I didn't expect you to be so powerful! If nothing unexpected happens, you won't be in too much danger in the endless Dead Sea! This way, this Lord is equivalent to helping you increase your fate!

Chen Xiaobei: So, you're already on my pirate ship?

Zhenyuan immortal, don't be happy too early! The dangers of the endless Dead Sea may not be able to harm you, but the special ability of the endless Dead Sea may trap you!

Chen Xiaobei: What was going on?

Zhenyuan immortal, I can't tell you this! If you were trapped, the reincarnated earth Immortals of the earth immortal world would develop and improve in all aspects, and even take away your city!

[Zhen Yuan immortal: this way, the other sects "fate energy will rise, but your fate energy will fall!] Not only did this Lord not commit any crimes, but I also helped Dao ancestor restrain you, which can be considered a small contribution!

Chen Xiaobei: With your status, aren't you tired of scheming every day?

Zhenyuan immortal, tired? The immeasurable catastrophe was coming, it was better to be tired than to die!

Chen Xiaobei: " I understand your difficulties. Thank you! I will find a way to balance the fate energy between me and the enemy so that you can be excluded from karma!

[Zhen Yuan immortal: if that's the case, I'll give you the ginseng fruit when you get to the celestial immortal world!]

"Hehe, I'll see you then!"

Chen Xiaobei put away his phone and felt very grateful to the Grand deity Zhen Yuan.

After all, he was the Grand deity Zhen Yuan. Even if he did not help Chen Xiaobei, there was nothing he could do.

However, Grand deity Zhen Yuan kept his promise and gave Chen Xiaobei a clear direction.

Even though this was a dangerous and unpredictable direction, it saved Chen Xiaobei the trouble of searching aimlessly like a headless fly.

Moreover, Chen Xiaobei was in dire need of spiritual Qi. He did not have the time nor the energy to search the world.

Therefore, the Zhen Yuan immortal's guidance this time could be considered as timely help.

Of course, Chen Xiaobei would remember this favor, and he would repay it in kind!

"From your expression, you should have gotten a satisfactory result." Taiyi was very smart and had already guessed the general situation.

“One of the forbidden Lands in the earth immortal realm, the endless Dead Sea!” “There’s a large spiritual vein hidden in there!” Chen Xiaobei said with a smile. However, Grand deity Zhen Yuan said that the death sea’s special ability might trap me!”

“It will trap you?”

Taiyi’s expression froze for a moment, and he immediately asked, “Does zhenyuanzi know that the Dragon’s tribulation has been upgraded?”

“Yes, I did mention it.” Chen Xiaobei said.

“Good! That’s great!”

this is great! Taiyi was pleasantly surprised. this time, not only will you get a large spirit vein, but you’ll also get a huge opportunity!

“What opportunity?” Chen Xiaobei’s eyes were wide open. He was so curious.

the Dragon’s edge has been upgraded, but it’s still possible to be trapped. What does this mean? “This means that there’s some kind of treasure in the endless Dead Sea that has an extremely powerful sealing ability!” Taiyi grinned.

Chen Xiaobei was very smart and immediately understood, “You mean, as long as we find that treasure, we can further modify the blood God’s deity-burning painting?”

“That’s right!” Taiyi said, “with my ability, I don’t need any special materials to modify that magical treasure!” As long as the level and ability are similar, I can use different methods to adjust the best sealing ability!”

Chen Xiaobei’s eyes lit up and he was excited. “As you said, the special ability of the endless Dead Sea can even trap the Tribulation of the demonic Dragon. Once it’s transferred to a magic treasure, who in the entire earth-god Realm can’t be trapped by me?”

Taiyi nodded and said with a smile, “as long as you’re trapped in the map, one billion undying demon soldiers and 30 heavenly demon corpses can be refined into essence elixir, which can even exhaust a heaven immortal to death!

“What the f * ck! Just thinking about this magical equipment makes me so happy!” Chen Xiaobei was so excited, “Zhen Yuan immortal has really helped us a lot this time!”

“Then what do we do next? Go find Luo Yi first? Or should we go to the endless Dead Sea first?” Taiyi asked.

“Of course we’re going to find Rahu first!”

first of all, many of my friends have already signed the mental demon contract. I have to get rid of it as soon as possible! Secondly, we must immediately control those fifty or so enemies!”

“Alright! Then, who do you plan to give Zhu Tian Zong’s cultivation base to?” Taiyi asked again.

I was going to give it to Xiao ‘er, but Primal Chaos City leader will keep an eye on it. I’ll just take it with me!

“As for Zhu tianzong’s cultivation, I can give it to Zi Yuan first!” This little poison demon was only a four-star earth-god, too weak! He can be of more help to me if he can reach the peak of the earth immortal realm!”

Chen Xiaobei immediately released Zi Yuan from the Meru dimension.

Chen Xiaobei now had four powerful demons in his hands-the reborn ghost king, Inferno spirit, dark soul, and Zi Yuan.

The weakest one was Zi Yuan.

However, if his cultivation level became stronger, Zi Yuan might actually be the one with the most powerful combat strength!

“Whoosh ...”

Chen Xiaobei used God’s greed to transfer Zhu tianzong’s cultivation to Zi Yuan.

Zi Yuan already possessed the butterfly-winged girl’s avatar. After obtaining Zhu tianzong’s cultivation, he didn’t turn into Zhu tianzong’s avatar.

Of course, the practicing body of the girl with butterfly wings had been greatly improved. She had become a peak nine-star practicing body.

thank you, brother Xiaobei!

Because Zi Yuan’s strength was not enough, he had been trapped in the Meru space for a long time and had long been exhausted. At this moment, she was like a little butterfly dancing around Chen Xiaobei, extremely happy.

“You don’t need to hide anymore! You can just stay by my side!” Chen Xiaobei smiled.

“Yay! That’s great!” Zi Yuan was very happy.

bro bei, this old man is useless now. Should we just kill him? ” Taiyi glanced at Zhu tianzong and asked.

“Don’t ... Don’t kill me ...”

Zhu tianzong screamed and wailed, “Chen Zhufeng! I’m willing to be your slave, I’m willing to give you the entire heavenly Yin Hall! I just beg you not to kill me ...”

[Red Envelope Group of the Three Realms](#)

Chapter 3075

3075 Despicable and shameless

“You’re giving me heavenly Yin Hall? Do you think I’m stupid?”

Chen Xiaobei raised his eyebrows and sneered, “Shen Gongbao has run away. He will tell your allies that you have fallen into my hands! Even if I let you out, you will never be able to return to the position of the leader of the heavenly Yin Hall! Because no one will believe you anymore!”

Just as Chen Xiaobei had said, Shen gongpao would definitely contact the six-faction Alliance after he escaped.

By then, everyone in the six-faction Alliance would know that Qin Yitian had betrayed them, and that Zhu tianzong, the three young masters, Poseidon, and more than 50 higher-ups had been captured by Chen Xiaobei.

Even if Chen Xiaobei let them go, the six-party alliance would never trust them again.

Because of this, Zhu tianzong had lost his value after his cultivation was taken away. That was why Taiyi wanted to kill him.

“No... Childe Chen! Please listen to me ... I know a lot of secrets about heavenly Yin Hall ...”

Zhu tianzong didn't dare to hide anything as he was about to die. He revealed the most important secret, “I'm the only one who can open the treasure vault in heavenly Yin Hall! I'm the only one who knows the formation of the [great lunar Yin formation]! I'm the only one who can control the large spiritual vein under the sun Moon Mountain!”

“Your secrets are of no use to me!”

Xianer! Chen Xiaobei said expressionlessly, “ my Xianer is launching a full-scale attack on the heavenly Yin Holy region! She's not only after the territory, she's also after all of heavenly Yin Hall's inner secrets!”

“What if I secretly take action and empty out all the resources of heavenly Yin Hall? Wouldn't that mean that Xian 'er's efforts were in vain? When that time comes, she and all the Warriors of jiuyou platform who fought a bloody battle will hate me!”

Even though Chen Xiaobei was in need of spiritual Qi, he would not harm his friends for it.

At least, dugu zang had never harmed Chen Xiaobei, so Chen Xiaobei could not steal the fruit of his victory.

This was the most basic moral principle of a person!

Moreover, Chen Xiaobei valued friendship and would never forget about it for the sake of profit!

“Don't ... Don't kill me ...”

Zhu tianzong swallowed his saliva and quickly said, “I also know the secret of the six-party alliance! He knows the secret of the strongest Man in the earth-god Realm!”

“Oh? Tell me about it!” Chen Xiaobei's eyebrows twitched. He was finally interested.

Zhu tianzong heaved a sigh of relief. Tianji city, Jade Mirage Palace, ten thousand Buddhas Pagoda, heavenly Yin Hall, gods 'Palace, and blood Moon sect. This is the current six-party alliance!

“Get to the main point! Stop your nonsense!” Chen Xiaobei said in disdain.

“Yes, yes, yes ...”

Zhu tianzong nodded and said, "the most powerful man in the earth-god Realm is the head of the Xu family in Tianji city, Xu Fu!" Mr. Fu! He's an existence above the Lord of Tianji city, Xu yunkong. He's a true ancient powerhouse at the top of the earth-god Realm!"

"Back then, under Mr. Fu's leadership, the six of us colluded in secret, massacred Jiuli, exterminated the Xiu clan, and seized the demon bone ... We did many evil deeds that angered the heavens and the people! In the end, we established our status as the peak forces!"

"After that, the Blood Moon Swordmaster's ambitions grew and he led the demonic sects in the world, wanting to invade the earth-god Realm! At that time, he had burned the entire immortal world with the flames of war, and he had massacred cities wherever he went! Trillions of people died in vain, causing the number of believers of each religion to decrease sharply!"

"The Buddhist sect was the first to be dissatisfied. Led by the three-Saint nunnery, they activated the nine Brahman Golden Bell formation and called on all the top powers to attack the Blood Moon Swordmaster together! Mr. Fu was also very angry about the decline of his followers, and secretly ordered the other five families to help the three saints nunnery!"

"In this way, the Blood Moon Swordmaster will be completely sealed, and the earth immortal world will regain its peace. That's why there's a balance between the top ten forces today."

Zhu tianzong spoke in a long-winded manner and didn't hide anything.

what you've just said is history! It can't be changed! Chen Xiaobei was not happy. I want to know the future!"

"Isn't there an order to this?"

Zhu tianzong swallowed his saliva and continued, "Not long ago, the Blood Moon Swordmaster broke out of the seal with Mr. Fu's help! When the Blood Moon appeared, the world would be in chaos! This sentence has been passed down for thousands of years and has not been forgotten. It can be seen that the earth-god World is about to enter a super chaotic world!"

"At the same time, Xuanyuan taohai has taken over the Xuanyuan family. However, the six-party alliance has already started to plan to launch an all-out war against the Xuanyuan sacred territory with Tianji city, Yuxu Palace, and gods 'Palace from three sides. They want to completely swallow the territory of the Xuanyuan family and kill Xuanyuan tuohai!"

Chen Xiaobei and Taiyi's faces changed.

When the Blood Moon appeared, the world would be in chaos! This was a well-known saying in the earth immortal world!

The evil demon's son would bring a catastrophe to Videha. This was also a prophecy that the old man of heavenly secrets had personally made more than ten years ago. Almost everyone in the earth-god Realm believed in it!

According to Zhu tianzong's words, the entire earth-god Realm was destined to be in chaos!

Moreover, the origin of this chaos was in the Xuanyuan sacred territory of Videha!

“Xu Fu is really shameless!”

Chen Xiaobei said, “The world is in chaos, and the East victory catastrophe isn’t a matter of fate! This was all a scheme he had planned!”

“He’s indeed shameless!”

Taiyi’s eyes showed a rare coldness.”It was Xu Fu’s plan to release the Blood Moon and besiege Xuanyuan! However, in the end, the world would pin all the blame on Blood Moon and Xuanyuan! He, Xu Fu, has become the future God of the Prophet, and even the Savior of the world!”

“I won’t let him succeed in his plan!” “Zhu tianzong, I will give you a chance to live!” Chen Xiaobei said. Do you want it?”

yes, yes, yes ... Zhu tianzong nodded his head like a chick pecking at rice.

yes! Chen Xiaobei nodded and said, “ I want you to remove the spiritual connection between you and the Pearl!

“No problem!” Zhu tianzong did so without hesitation.

If he lost his life, what was the use of this heaven-immortal artifact?

“Very good! You don’t have to!”

if you want to live a better life, then go through all the details of the six-faction Alliance’s plan! Then, he recorded everything! I’m going to the endless Dead Sea. When I come back, I want to see your records!”

“No problem! No problem at all!” Zhu tianzong agreed.

Chen Xiaobei nodded and released Zhu Tian Zong from the nineslope heavenly net.

This old man had no cultivation at all. Any bei Xuan disciple would be able to keep an eye on him.

After that, Chen Xiaobei and Taiyi left the scene.

However, they did not set off immediately.

Before he set off to look for Rahu, Chen Xiaobei had to find Liu xuanxin.

The demonic Dragon’s edge had absorbed a huge amount of the Emyrean demon’s essence in the Emyrean demon’s remains, and it had broken through a small realm.

Chen Xiaobei wanted to use the demonic spirit petrifying stone to turn the dark Dragon Soul into a demon. Then, he would use Liu xuanxin’s divine Phoenix blood to turn the dark Dragon Soul into a Dharmakaya.

Once it succeeded, it would definitely have endless wonderful uses!

[Red Envelope Group of the Three Realms](#)

Chapter 3076

3076 The lightning Winged Dragon Dagger

Liu xuanxin had been cultivating.

With the support of the heart of the fire Phoenix, her cultivation was advancing by leaps and bounds.

Now that she had successfully broken through to the nine-star earth-god Realm, it would not be long before she reached the peak.

Naturally, Liu xuanxin was very happy to see Chen Xiaobei.

However, Chen Xiaobei still needed to find Luo Yi and Liu xuanxin needed to continue cultivating.

Therefore, the two of them didn't have too much affection.

Chen Xiaobei told her that he wanted to borrow Liu xuanxin's divine Phoenix blood. yes, " Liu xuanxin agreed readily. To her, this was just a small matter. The relationship between the two was so close that there was no need to be polite.

"Whoosh ..."

Chen Xiaobei took out the demonic dragon apocalypse with one hand and held the demonic spirit petrifying stone with the other, activating the demonic spirit of the dragon.

Everything in the world could become a demon as long as they had enough spirituality.

The Obsidian Dragon Soul was only one of the three and seven souls of the blackfiend Dragon. In theory, it was not a complete life.

However, as long as it became a demon, it could regain its life and soul! Just like the reincarnated ghost king, the essence of the dead remnant soul had changed, and from then on, it had lived in the form of a demon.

However, the essence of the dark Dragon Soul was slightly different.

Before it became a demon, it was already the weapon spirit of the dragon's edge.

In other words, as long as the dark Dragon Soul became a demon, it would be equivalent to the demonic Dragon tribulation becoming a demon.

In this way, the Obsidian Dragon Soul was equivalent to the soul and the demonic Dragon tribulation was equivalent to the body. As long as the cultivation of the Obsidian Dragon Soul was high enough, it could take human form with the saber body and even return to the original body of the black demonic Dragon that once dominated the four Seas!

"

With a terrifying dragon roar that shook the heavens and earth, the demon spirit of the dark Dragon Soul was completely activated!

In an instant, the aura of the Dragon's edge had undergone a huge change.

The saber's spirituality became more concentrated, and the saber Qi became more condensed. It felt like a living black Dragon was coiling around the saber, and there was even black Lightning intertwining around it. It was extremely cool!

“What a strong aura!”

Liu xuanxin could not help but exclaim, ‘if I’m not mistaken, the demonic Dragon’s tribulation has already reached the one-star mid-stage heaven immortal realm, and it’s completely invincible among its peers! With your special abilities, you can even fight above your level!”

“Right! You’re not mistaken!”

of all the known heaven-God instruments in the earth-god Realm, none of them can compare to the Dragon’s edge! Chen Xiaobei grinned. Even in the heaven realm, the Tribulation of the demonic Dragon is able to suppress a late-stage one-star heaven immortal!”

“Even so, you must be in need of spirit stones ...”

“The higher the level of the Dragon’s edge, the more spiritual Qi it will consume!” Liu xuanxin said. I’m afraid it’ll cost you 50 billion upper spiritual stones to activate it once!”

“Yup ...”

there’s still 90 billion upper-grade spiritual stones of spiritual Qi left in the Dragon’s edge. It sounds like an astronomical number, but it’s not even enough to activate it twice ... Chen Xiaobei said with a wry smile.

“It’s enough to activate it once!” that’s great! Liu xuanxin heaved a sigh of relief. with the power of the demonic Dragon tribulation, one activation is enough to defeat all the enemies in the earth-god Realm!

“It’s better to be safe than sorry!” what if we can’t kill them all at once? ” Chen Xiaobei frowned. the consequences will be unimaginable!

“Master, don’t worry!”

At this moment, the dark Dragon Soul took the initiative and said, ” “I’ve already become a demon, and I can actively suppress my power! If master only wants to release the power of a one-star earth-god, I can also only consume 30 billion high-grade spiritual energy! It’s flexible and can release more than its current level of power!”

“Oh? This is not bad!” Oh! Chen Xiaobei’s eyes lit up. if the spiritual Qi is properly distributed, 90 billion will be enough to unleash the power of an early stage one-star World and a mid-stage one-star World!

“This is much better!” Liu xuanxin’s pretty face also revealed a smile. a reasonable allocation will save spirit stones, and we’ll have one more choice to make, which will cause more variables!

“I’ll have to rely on you to help the dark Dragon Soul form a Dharmakaya!” Chen Xiaobei said.

“No problem!” Liu xuanxin smiled. She was very willing to help Chen Xiaobei.

“Swish!”

Liu xuanxin used her ethereal force to cut her finger, and the blood of the divine Phoenix dripped onto the Dragon’s edge.

Phoenixes were extremely high level divine beasts.

On the other hand, Liu xuanxin had the heart of a real phoenix, and the purest blood of the divine Phoenix flowed in her body. She was countless levels higher than the descendants of the divine beasts in the earth-god Realm!

“Whoosh ...”

As soon as the blood of the divine Phoenix fell on the Tribulation of the demonic Dragon, it immediately triggered a wild spiritual fluctuation.

It was like a terrifying storm. Not only did it sweep up countless blade-like vortexes, but there were also flashes of lightning and rumbling of Thunder. It was as if time and space were distorted.

“Argh! Hiss!”

Immediately after, the sound of a Phoenix’s cry and a dragon’s cry came from the storm. A terrifying pressure suddenly enveloped them like a mountain, heavy, desolate, and domineering!

It was as if a God among demons had descended to the world, and all demons in the three worlds and six paths had to kneel and worship him!

“Whoosh ...”

Finally, the storm subsided, and the demonic Dragon’s tribulation appeared before Chen Xiaobei and Liu xuanxin.

what ... What’s going on ...

Chen Xiaobei and Liu xuanxin were both stunned by what they saw.

The blade of the Dragon’s edge was still the same, but the aura it was exuding had completely changed.

Originally, the saber Qi was like a life-like black Dragon with Black Lightning flowing around it.

However, at this moment, a pair of wings grew out of the back of the Black Dragon!

And that pair of wings was actually formed from the interweaving of the right black Lightning!

The Dragon had Lightning Wings!

Chen Xiaobei and Liu xuanxin had never seen or heard of such a situation!

this is too cool!!!

While Chen Xiaobei and Liu xuanxin were still in shock, the dark Dragon Soul let out an excited cheer.

“I’ve actually condensed one of the best dharmakayas in the demon race!”

“What’s the situation?” “What Dharmakaya is this?” Chen Xiaobei asked. Are you real or not?”

Liu xuanxin’s ears perked up as well. She was extremely curious.

The blackfiend Dragon Soul said excitedly, “this is only a Dharmakaya. My true form is still the blackfiend Dragon!” However, this avatar’s true body is one of the most powerful Sacred Beasts of the Three Realms, the lightning Winged Dragon!”

“A Dragon carriage?” what? ” Chen Xiaobei was taken aback. are you saying that the combination of a Divine Dragon and a Phoenix is called the Xiang Dragon? ”

“That’s right!”

“In the Three Realms, the number of Xiang Dragons is even rarer than the Qilin!” The dark Dragon Soul said excitedly. There were probably no more than three of them, and they were the rarest of the demonic beasts! The Xiang Dragon’s power is also the strongest among the demonic beasts!”

“Although I’m not the Dragon Emperor, it’s a great opportunity for me to form the Dragon Phoenix celestial body! Among the God-level celestial bodies, the Thunder Dragon was definitely the best! In the future, when we go to the heaven realm, it will be of great use!”

Chen Xiaobei was overjoyed. He hugged Liu xuanxin and kissed her.

[Red Envelope Group of the Three Realms](#)

Chapter 3077

3077 Lackey of hell

“You really are my goddess of luck!”

Chen Xiaobei was so happy that he was like a child holding his favorite stuffed toy, refusing to let go.

“Quickly let go! I still need to cultivate!” Liu xuanxin’s delicate little face turned red instantly. Even her earlobes were burning.

“We’re already an old couple, what are you still shy about?” Chen Xiaobei grinned evilly. He wanted to do something more.

“The dark Dragon Soul has already become a demon! It’s watching from the side!” Liu xuanxin’s face was so red that it was almost bleeding.

“I didn’t see anything! He didn’t hear anything! “Just continue.” The dark Dragon Soul laughed evilly, waiting to watch the fun.

Liu xuanxin pushed Chen Xiaobei away and said, ” “Hurry up and let go, the marriage certificate is more important!”

“Fine ... I’ll fight you when I get back!” Chen Xiaobei smacked his lips and kissed Liu xuanxin’s face. There was still a lingering fragrance on his lips. It was a wonderful taste!

Liu xuanxin glared at Chen Xiaobei and reminded him, ” I heard from big sister Bodhi that the secret of Saint Duke’s ruins has been unraveled. She’s going to look for the black jade wall. You’d better come back and accompany her!

“I know about this.” don’t worry! I’m just looking for a friend! I’ll be back soon! Subhuti’s cultivation is too low. I won’t let her go out alone!”

“Well, it’s good that you know what you’re doing! I’m going back to cultivate, you go and come back quickly too!” Liu xuanxin was afraid that Chen Xiaobei would not leave, so she turned around and left.

Chen Xiaobei put away the Dragon's edge, called for Taiyi, and left bei Xuan faction.

.....

Aparagodaniya.

It was said that the Western Paradise was the Pure Land that all Buddhist cultivators dreamed of, and it was also the best home for good souls.

However ...

To the West of aparagodaniya, or even the westernmost part of the earth immortal world, there was a place called hell.

According to the three major forces of Buddhism, the three-Saint nunnery, Heavenly Dragon Temple, and ten thousand Buddhas Pagoda, the reason why they wanted to set up their religion in aparagodaniya was to guard the gate of hell for the people.

If the demons of hell came out, the disciples of Buddhism would have to defend the human world with their lives, carrying out the eternal Buddhist principle of 'if I don't go to hell, who will?'

However, for hundreds of millions of years, the world had only heard of the name of hell, but had never seen a devil walk out of it.

Gradually, this part of hell was almost forgotten by people.

Of course, hell had never disappeared!

In the earth-god Realm, especially at the top of the pyramid, there were many people who colluded with hell and did many evil and heartless things for their own selfish desires!

"Lord enduring earth! How far do we have to go before we reach 'hell'?"

In the endless yellow sand, a group of Tenshou ninjas in blue martial arts suits were pressing down on hundreds of women as they headed west.

This was the utmost Western Desert.

It was the only way to hell.

Only the lackeys of hell would not lose their way in the sea of sand.

"We'll be there in an hour!"

The guy who was called earth Ninja was a middle-aged man who was as fat as a pig. He was wearing a dark yellow ninja suit, and from afar, he looked like a pile of poop in the desert.

His name was armen yakuro, and he was one of the core members of Tenshou.

we still have to walk for an hour!?

The young Ninja beside him couldn't help but frown and said, "We're fine, but I'm afraid those 100 women won't be able to hold on any longer!"

“Baka!”

The fat on armen yakuro’s face jiggled, and he angrily shouted, ” “We spent a great deal of effort to capture these one hundred virgins, and we’re offering them as a sacrifice to the seven demon gods of hell! If anything happens, how am I going to explain it to Tenshou God?”

“Lord enduring earth, please calm down!”

The young Ninja swallowed and said nervously, ” “We’ve been walking for almost a day and a night. Those women didn’t eat or drink. If they didn’t have some cultivation, I’m afraid they wouldn’t have been able to endure it! Why don’t you give them some water?”

“I won’t!”

Armen yakuro curled his lips and said with a cold face, ” “They are all women of Chinese descent! I just like to see them being tortured!”

but what if a few of them die? how are you going to explain this to master Tenshou?” The young Ninja asked.

“They can still walk now, so they definitely won’t die!”

Armen yakuro glanced at the young girls who were locked in chains and were struggling to move. He sneered, ” “As long as they’re still breathing, they’ll be finished once they’re thrown into hell! It was filled with stinky sewage that they could drink until they were full! Hmph!”

The young Ninja’s expression turned ugly. Drinking the foul-smelling sewage of hell? Just thinking about it was disgusting.

At the same time, the 100 girls behind all heard armen yakuro’s words. Their haggardly little faces all showed the most extreme despair.

They came from different places, had different identities, and were of different ages.

But there was one thing in common!

They were the most beloved daughters of their parents, the most pampered princesses of their families, and the purest girls.

However, at this moment, they were chained up. They didn’t eat or drink, and they had to travel through the sea of sand day and night. Even if they had some cultivation, it was hard for them to withstand such tribulations.

Furthermore, the place they were going to was the most notorious place in the entire human world, hell!

According to the legends, the seven most vicious, brutal, shameless, ugly, lecherous, greedy, and sinister Devils lived there!

Their stories were simply appalling, and could make insensible children cry directly!

At this moment, the hundred young ladies had naturally heard of the story of the seven demon gods.

When they thought about how they were about to be pushed into hell to serve the seven demons, they could even imagine that they would be better off dead for the rest of their lives!

“Just because you look like a pile of shit, do you think everyone has the same hobbies as you?”

At this moment, a black-shirted young master landed from the sky and blocked in front of armen yakuro. He said coldly, “If you want to drink stinky water, go drink it yourself. Leave these girls behind!”

Immediately after, a graceful man in a green robe landed. His Starry Eyes stared coldly at armen yakuro, ready to attack at any time.

“Baka Yalu!”

Armen yakuro shouted angrily, completely not putting the person in his eyes. “Who the hell are you two? how dare you call me shit! You still dare to block my way! Can’t you tell that I’m working for Lord Tenshou?”

“Heavenly reflection?”

The black-clothed youth raised his eyebrows and said coldly, “Listen up, tell Tenshou to get his ass over here! Since we’re going to make a move, I’ll take care of you scumbags together!”

[Red Envelope Group of the Three Realms](#)

Chapter 3078: obliterated in one strike

“Baka!”

Armen yakuro was like a wild boar whose anus had been poked, and he roared ferociously, “Who Do You Think You Are? how dare you say such arrogant and stupid words! Our Lord Tenshou is a core member of the gods “Palace!”

“There are many core high-ranking officials in the temple of the gods, what’s the big deal? I’ve heard that Poseidon, the god of the sea, has become a prisoner of bei Xuan faction!” The young man in Black was Chen Xiaobei.

Poseidon, the sea god, was still sealed in the nineclock heavenly net. His name was quite famous, but he had not let out a single fart from the beginning to the end. He was so scared that he almost peed his pants several times.

The green-robed man beside him was the eastern Emperor Taiyi. If Tenshou really came, Chen Xiaobei would not even need to do anything. Taiyi would be able to take care of them.

“Stop pretending you know what you don’t!”

Poseidon, the sea god, was sent to the North Sea by Zeus, ” armen yakuro said disdainfully. how could he be captured by bei Xuan? ” Do you really think I don’t know anything?”

Obviously, people at the level of armen yakuro could not possibly know Zeus ‘true intentions.

Moreover, Zeus had been secretly guarding against Tenshou, even getting the elven King to frame him. Naturally, he would not tell Tenshou the top secret of the temple of the gods.

As for armen yakuro, he was just a dog of Tenshou, and it was even more impossible for him to know the inside story.

I'm too lazy to waste my breath on trash like you. Get Tenshou over here immediately!

Chen Xiaobei's eyes narrowed and his tone was serious. It was obvious that he was not happy with the Tenshou people and planned to wipe them out today so that the Tenshou would no longer exist in the earth-god Realm!

"You little brat, you're really tired of living!"

Armen yakuro roared, raised his fist, and threw it at Chen Xiaobei. "A mere mid nascent Soul Stage trash actually dares to act tough in front of me! I'll let you know what it means to be struck by lightning for acting tough!"

"Boom boom boom ..."

Although this armen yakuro looked like a lump of poop, his strength was really not weak. He had actually reached the peak of seven-star earth-god!

In the earth-god Realm, this was the existence of a respectable King! To be able to control a King City and twenty to thirty main cities was equivalent to e Huo Yuntian!

With a series of loud sounds, the edge of armen yakuro's fist actually pulled the earth attribute vital essence in the space. The surrounding yellow sand surged up like a monstrous wave that could directly swallow the entire space!

seeing this, the Tenshou ninjas all cried out in shock.

"Quickly look! Lord Teru Ninja was really angry! He immediately used his most powerful earth Ninja secret scroll [sand wave sea]. With this attack, that little idiot will instantly be ground by the sand and turn into meat paste and blood!"

"Who asked that brat to be so ignorant! Not only did he offend Lord enduring earth, he even dared to offend Amaterasu! He's destined to die a terrible death!"

"You're right! That kid is an idiot who doesn't know his limits! Amaterasu is the spiritual leader of the Amaterasu race! How could a mere Chinese kid offend him?"

On the other side, the 100 Chinese girls all let out cries of despair.

"That young master is a good man, but he's too weak! If you rush out like this to block the road, you will only die in the hands of that evil bastard, armen yakuro!"

"The heavens have no eyes! Good people don't live long, while scoundrels live for a thousand years! Poor young master, he's going to die for us ..."

once that young master is dead, our hope will be completely shattered. The rest of our lives will be worse than death ...

Suddenly, everyone's eyes were on Chen Xiaobei.

In everyone's eyes, there was a gap of three major realms between Chen Xiaobei and armen yakuro. There would be no suspense at all if they fought face to face.

However, everyone had forgotten about Taiyi, who was standing beside Chen Xiaobei!

“BOOM!”

Taiyi didn't move, but in an instant, a bright ball of light exploded!

Compared to the huge wave of sand that covered the sky, this ball of light was too small. If one didn't look carefully, one wouldn't even be able to see it.

“Woof!”

In the next moment, the ball of light shot out at an extreme speed and hit the monstrous sand wave head-on!

Whoosh ... Whoosh ...

Who would've thought that the small light ball would suddenly start to spin like a black hole in the universe, directly engulfing the huge wave of sand!

“BOOM! Bang!”

As it swept across the huge waves, the small light ball did not stop moving forward. In the blink of an eye, it blasted onto armen yakuro's sea of Qi dantian!

With a loud explosion, armen yakuro's sea of Qi dantian was directly blown up!

The small ball of light entered armen yakuro's sea of Qi dantian and came out from his back, leaving a fist-sized bloody hole in his body!

“Whoosh ...”

The terrifying sand was guided by the light ball and penetrated through the bloody hole, penetrating armen yakuro's body!

The bloody hole was being rubbed by the sand, and it was getting bigger and bigger!

If one looked carefully, one would find that the internal organs, bones, nascent soul, and soul of armen yakuro had been completely obliterated by the sand, leaving no residue behind!

A moment later, the ball of light dissipated, and the violent sand calmed down. There was no longer a person called armen yakuro in this world!

He didn't even have the chance to beg for mercy in shock before he completely disappeared!

The ninjas screamed as if they had seen a ghost.

“Mother of God! That's ... That's a Supreme-being expert at the peak of the Tribulation stage! It's too fearsome ... It's simply too fearsome ...”

“How could it be like this? From the looks of it, that black-clothed brat is the Big Brother. Why is the follower a peak Supreme martial artist?”

“No wonder that black-shirted kid dared to challenge Amaterasu! It turns out that he has a peak Supreme martial artist protecting him!”

The terror of a Supreme-being at the peak was simply a nightmare for ordinary immortal cultivators.

Taiyi’s attack had instantly killed armen yakuro. The remaining ninjas were all shocked.

They didn’t even need Tai Yi to say anything, and they all kneeled on the ground, kowtowing and begging for mercy.

“Untie those girls and give them all the water and food, as well as your flying swords!” Chen Xiaobei ordered.

“Yes, yes, yes!”

The group of ninjas didn’t dare to say anything and immediately did as they were told.

After the girls regained their freedom, they were very grateful to Chen Xiaobei and Taiyi.

However, the utmost Western Desert was not a good place after all. After expressing their gratitude, they each took a flying sword in groups of two or three and fled to the nearest main Buddhist city.

“Who can contact Tenshou?” Chen Xiaobei sneered at the ninjas.

Sir ... You think too highly of us. At our level, we don’t even get to see Tenshou God. How could we possibly contact him?” The group of ninjas wailed.

if you can’t contact Tenshou, then you can just die. Chen Xiaobei shrugged.

As soon as he said that, a Ninja immediately jumped out. “Don’t! Don’t! I can contact Tenshou God’s trusted aide! Lord loftiness!”

[Red Envelope Group of the Three Realms](#)

Chapter 3079: full strength

“The loftiness martial ancestor? Heh, an old acquaintance!”

hehe! Chen Xiaobei smirked. contact the loftiness Musashi immediately. Tell him to get Tenshou to come over. If there’s anyone else who wants to die, you can also ask them to come over.

It was obvious that Chen Xiaobei was really angry.

Although this was no longer earth, nor was it his home country, he was still a Chinese citizen. He would not take it lying down if Tenshou bullied him.

Since he would have to fight Tenshou sooner or later, it was better to settle this karma today. He would completely erase Tenshou from the earth-god Realm and wipe out all their forces.

as for the people under Tenshou, as time passed, they would slowly change their faith and completely forget about Tenshou.

“Yes, yes, yes ... I’ll do as you say ...”

The Ninja who had stepped forward immediately took out his phone and called the loftiest martial artist.

In order to reassure Chen Xiaobei, the Ninja even turned on the hands-free function.

Not long after, a deep and dignified voice came from the other end of the phone. It was the loftiness Lord. "Didn't I tell you not to call me if there's nothing important?"

"Master! Something big has happened!" "I followed Mr. Armen yakuro to escort the ritual to hell," the Ninja quickly said, "and I met two young people! They killed master armen yakuro and even let go of all the sacrificial offerings!"

"What?"

The loftiness martial ancestor seemed to have been greatly provoked, and he roared in a rage, "There were a hundred virgins for this sacrificial ceremony. It took a lot of effort to catch enough! Before we set off, I repeatedly warned you to be careful, but how did you do it!"

we have been very careful, but the enemy is too strong ... the Ninja said in a sad voice.

"Idiot!" The loftiest Musashi shouted angrily. Didn't you show me Tenshou God's name? In the earth-god Realm, who would dare to not give face except for the Supreme-beings at the peak?"

of course we did ... the Ninja said awkwardly, " however, not only did the other party not give him face, but he also directly killed armen yakuro-sama, and even said that he wanted you and Amaterasu-God to come and die together!

"Baka!"

The loftiness martial ancestor was infuriated. you keep an eye on those two enemies. I'll bring my men over now and let them know the consequences of offending Tenshou God!

yes ... the Ninja swallowed his saliva and said, " "Remember to ask Tenshou God to come along!"

"Hmph! Why would Tenshou Daren make a move for just two people? I can solve this problem by myself!" The loftiness Lord was confident in his own strength.

"No! You can't!"

The Ninja shook his head and said, "one of the two is a peak earth immortal!" You're only an eight-star earth-god, if you come alone, you'll end up like master armen yakuro, instantly dying without a burial place!"

"What? A peak earth level deity? Why didn't you say so earlier!" Having been slapped in the face, the loftiest martial artist cowered. "If I can't do it alone, I'll take everyone with me!"

"Everyone?" The Ninja swallowed his saliva and his pupils shrank.

"That's right!"

The loftiness Grandmaster said ruthlessly, Amaterasu is in hell right now, but since they have a peak earth level deity, Amaterasu is no match for them!

that's why I'll have all the core members of Tenshou leave the cave and bring three million elite Tenshou soldiers to form the 'shenluo heavenly expedition formation'. We won't give the enemy any chance to escape!

After saying that, the loftiness martial artist hung up the phone.

The Ninja looked at Chen and said, " "Young master ... Did I say something wrong?"

The other ninjas around him were also nervous. Their whispers were filled with fear and resentment. you idiot, how could you reveal that young master's strength at the peak of earth immortal realm? "

"These two young masters only wanted to draw out the Tenshou God, but now, the strongest fighting force under Tenshou has come out! The "shenluo heavenly Conqueror great formation" is at the divine immortal level. These two young masters can't resist it at all!"

"If these two young masters" plan fails, then wouldn't we all be doomed?"

Clearly, in the eyes of these ninjas, Taiyi had the ability to kill Tenshou. That was why Chen Xiaobei had specifically asked Tenshou to come.

However, the Ninja on the phone had revealed Taiyi's strength, and it wasn't just Tenshou who had been attracted. Tenshou's strongest combat force had also been attracted.

It was impossible for Taiyi to resist a heaven immortal level battle formation with the power of a peak earth immortal.

Chen Xiaobei's plan had failed, and the ninjas would be killed by him.

However, to their surprise, Chen Xiaobei was not angry. Instead, he was smiling.

"You're not wrong! And it was said very well!"

that's right! Chen Xiaobei grinned. what I want is to uproot Tenshou! I can't wait for the loftiness Musashi to bring out all of Tenshou's power! After this battle, there will be no more heavenly reflection!"

this ... the ninjas gasped. They could not believe their ears.

They thought that Chen Xiaobei and Taiyi would kill them and run away.

Not only did Chen Xiaobei and Taiyi not leave, but they also wanted to destroy Tenshou.

The huge contrast between the first and the last filled every Ninja's heart with extreme shock. Even their souls began to tremble.

they shouldn't be here for a while. I'll just cultivate for a while!

Chen Xiaobei then took out the sunlight cache and the nineclock heavenly net from the verdant Emperor divine gourd.

The group of ninjas were stunned for a moment before they exclaimed in shock.

"Heavens! Isn't that Lord Poseidon, the sea god? How did he get caught by this young master?"

“That ... Isn’t that the young lord of Tianji city? And those two are the young masters of the hollow Jade temple and the pagoda!”

there are more than 50 other people. They’re all core upper echelons of the major forces ... Why have they all been captured ...

Obviously, the operation in the demonic remains was a top secret of the six-party alliance, and this group of Ninja minions had no idea what was going on.

However, when they saw the big fish in front of them, the ninjas finally understood that Chen Xiaobei was not bragging! He really had the power to get rid of the Tenshou!

“Woof! Buzzzzzz! Yi ...”

Chen Xiaobei released his ethereal force and took out the storage bracelets of the fifty people.

After gathering all the spiritual stones, Chen Xiaobei pointed at a random Ninja and said, “Come here and help me activate the sunlight cache!”

The Ninja didn’t dare to say anything. He immediately ran over and picked up the sunlight cache with both hands.

[Red Envelope Group of the Three Realms](#)

Chapter 3080

3080 Directly face-slapping

The three young masters had a total of three billion upper spiritual stones.

There were 500 million Poseidon’s, and the remaining 50 or so people had a total of two billion.

As for the sunlight cache, there were dozens of ninjas taking turns to kill it, so it was naturally not a problem.

Therefore, Chen Xiaobei’s training went very smoothly.

[ding Yingying’s cultivation base: mid-nascent Soul Stage. Lifespan: Year 174250, physical body: 150 million, combat power: 24.32 million. Primordial spirit attack: Saint level!

Due to time constraints, the enemy would arrive in about three hours. Chen Xiaobei had to stop his cultivation.

Three hours was 180 minutes. Under the sunlight cache, it was 180 days, which was 4320 hours.

His combat power increased by 100 every hour. With the addition of the level-nine heavenly path cultivation Halo, his combat power increased by a total of 4.32 million.

Although it had increased by quite a bit, it was still not enough to break through a small realm.

In addition, 50000 upper spiritual stones were consumed every hour, so the total consumption was 216 million.

“Phew ...”

Chen Xiaobei let out a long breath and put the sunlight cache and the hostages into the verdant Emperor divine gourd.

He looked into the distance and saw a black shadow that covered the sky!

At first glance, it looked like a huge black cloud, and one couldn't even see the end.

However, if one looked carefully, they would find that it was an Army of immortal cultivators that was advancing rapidly.

That's right!

This was the Tenshou's most elite force, and also the foundation of the Tenshou's orthodoxy!

He saw the loftiness martial ancestor flying at the very front of the Army.

There were dozens of warriors and ninjas with strong auras around him. Each of them was at least a seven-star earth-god, and in their territory, they were at least a city Lord!

As for the Army behind them, there were at least three million of them. All of them were on flying magic treasures and were looking down at the ground with full battle intent.

They were like a group of hungry vultures. As long as they found prey, they would launch the most fatal attack.

"Lord Asmodai, what kind of enemy is this that they want us to send out all our elite forces?" Houno, who was wearing a red martial arts suit, asked in a deep voice.

"I heard that it's a peak earth level deity who's going to harm Tenshou God!" The loftiness Lord squinted. In order to protect Lord Tenshou, we can not be careless!"

"Well said!"

The grey-robed wuren nodded heavily, "Tenshou God is the most revered spiritual leader of us Tenshou. Nothing can happen to him, or our faith will collapse, and our entire race will disappear!"

"Right! We must protect Tenshou God!" All the higher-ups around him said righteously, "For the faith of the Tenshou! Even if we have to sacrifice our lives, we will not hesitate!"

The fiery man thought for a while and said, "but then again ... The earth immortal world has been too strange recently!" A few new peak Supreme martial artists pop up every few days. What a headache!"

"What's the headache? This is great news!"

"The Amaterasu God and the Alliance of the seven demon gods of hell have already learned God's greed," said loftiness Musashi. As long as we take down this peak earth level deity, Tenshou God will become a peak earth level deity!"

as long as we capture more peak earth level deities, I, Tian Chong Musashi, and all of you will have the chance to become peak earth level deities. Just thinking about it makes me feel so good!

As soon as he said that, the Tenshou higher-ups around him began to discuss with greed.

“If we all become peak earth level deities! Then the Tenshou would become the strongest force in the earth-god Realm! I won’t have to live under someone else’s roof and look at Zeus’s face anymore!”

“Not only that! At that time, we will be able to destroy all the top forces in China! We’ll make all the Chinese peasants our slaves!”

“Yes, yes, yes! Let the women of Huaxia become our playthings, let the men of Huaxia do the dirtiest and lowest work! Hahaha ... This is so good ...”

There was no doubt that in the earth immortal world, peak earth Immortals were the strongest at the top of the pyramid!

In the past hundreds of millions of years, the number of peak earth Immortals in the earth immortal world had never exceeded 20 human Venerables!

But now, most of the reincarnated ancient Immortals had rapidly grown into peak earth level deities. They had begun to emerge and become active in the earth level deity world.

In fact, many people had the same ambition as Tian Chong.

If a force could really gather dozens or hundreds of peak earth Immortals, it would be enough to do whatever it wanted in the earth immortal world.

“Stop laughing!”

The eyes of the loftiness martial ancestor narrowed, and he shouted out in a solemn voice, “ I’ve already seen the enemy’s position. Everyone, get ready for battle!

“Why are you so agitated?” we’ve sent out all our strongest fighting forces this time,” the fiery man said with a smile. there’s no doubt that we can deal with a mere peak Supreme martial artist!

Forin also smiled confidently, “you’re right!” With the shenluo heavenly Conqueror formation, we can suppress the enemy in an instant!”

“That’s right! This battle was simply too easy! hahaha ... the dozens of Tenshou higher-ups around him laughed, not taking this battle seriously at all.

“Woof! Whoosh!”

Chen Xiaobei stepped on the somersault cloud and flew toward the Tenshou Army.

“Hmph! Two idiots, we didn’t kill our way over, but they’re in a hurry to die!”

The loftiest commander’s eyes narrowed as he shouted, “ “Tenshou Warriors, listen to my command! Form the shenluo heavenly Conqueror great formation and face the enemy!”

“Whoosh! Whoosh! Whoosh ...”

As soon as he said that, the three million Tenshou Warriors, led by the loftiness warrior and the other higher-ups, activated their true Yuan and formed a battle formation in the air!

In an instant, the color of the sky and earth changed.

A series of strange energy fluctuations burst forth. One could clearly see with the naked eye that the space was trembling, and even a spatial Rift could be vaguely seen.

It was obvious that this battle formation did not have any gaudy special abilities, only extremely powerful destructive power.

If the power was fully unleashed, it could kill all experts under heaven immortal in an instant, and even a real one-star heaven immortal might be injured by the shock!

“Eh? Chen Zhufeng! How could it be you!”

While he was getting into formation, the loftiest ever Tibet martial artist saw an old acquaintance of his. I was wondering who it was that wouldn't even give Tenshou God face. If it's you, Chen Zhufeng, then I'm not surprised!

The other Tenshou higher-ups were also shocked. “What? He's Chen Zhufeng? According to the legends, he's the man who owns three heaven immortal artifacts!”

“Don't panic!”

of course! the loftiness elder said. although Chen Zhufeng has three heaven immortal items, only one of them is offensive. The other one is a seal type and the other one is a support type. They aren't much of a threat to him. Besides, he might not have enough spiritual Qi to activate them!

Everyone heaved a sigh of relief.

“Clang”

However, Chen Xiaobei took out a black knife and smacked his face. “Who said I only have three heaven immortal artifacts?”
