#### Chapter 3121: one after another

Chen Xiaobei did not expect that there would be a fortune-teller like Yuan Tiangang hidden in the enemy's camp!

However, this was not strange. In the long history of China's civilization, which era did not have extraordinary people?

He fell in the long river of history, settled down in the land to cultivate, and finally obtained the opportunity to be reincarnated in the winter solstice festival.

Now, in the earth-god Realm, any extraordinary existence could appear!

There were only things that Chen Xiaobei could not think of, but nothing that could not appear!

[ Shan Xiongxin: a fierce general of the Sui and Tang dynasties, with a golden nail date sun banner in his hand, he killed in all directions, and was known as the red-haired spiritual official! ]

This man was the one who was talking to Chen Xiaobei.

He had thick brows, big eyes, and was in high spirits. His Scarlet hair was loose, giving off a wild and fierce feeling.

[ Qin Yong: Qin Qiong's godson. He rides a charcoal Dragon stallion and wields an eight-edged purple-gold demon-subduing pestle. He is one of the best among the younger generation of the Sui and Tang dynasties. People call him the silver-faced Skanda! ]

This person was flying to the right of Shan Xiongxin. His face was calm, and his eyes were like a Falcon's, faintly revealing a thick killing intent.

[ Pei Yuanqing: wields a pair of silver Octagon plum blossom hammers and is ranked third on the outstanding talents list of sui and Tang! ] He was known as the silver Hammer tycoon!

This person was standing on Shan Xiongxin's left, and he had the appearance of a handsome young man.

It looked at Chen Xiaobei with a pair of curious eyes, as if it did not care.

It was not hard to tell that Pei Yuanqing was very proud and did not think much of Chen Xiaobei.

[ Wu Tianxi: good at using a pair of short phoenix wings and golden drums. He is incomparably brave in the Army's campaigns. People call him invincible with the pair of drums! ]

This person stood next to Qin Yong with bright and piercing Tiger Eyes, strong arms, and a bear-like waist that gave people a feeling of great power.

[ Wu yunzhao: Wu Tianxi's clan brother. He uses a silver snake spear and has outstanding combat strength. He once fought with the second most powerful general on the outstanding man list of sui Tang! ] He was known as the Nanyang Marshal!

This person looked similar to Wu Tianxi in both body and mind. Although they were brothers of the same clan, they even looked like real brothers.

“Bro bei ... What are you doing?”

what’s going on? ” six-eared macaque asked in a low voice when he saw that Chen Xiaobei was not talking.

In fact, Chen Xiaobei was not in a daze. He was shocked by the information in the Three Realms illustrated guide.

Just by looking at this information, one would know that these five people were all fierce people who ruled over an area when they were alive.

After his death, he was unwilling to be reincarnated, so he devoted himself to cultivation and enlightenment in the land. After reincarnation, he received guidance from the tribe of humanity’s mighty people and attained the cultivation of a peak earth level deity.

Even if they used their toes to think, they knew that they would only be more ferocious than when they were alive after being reborn!

When he was alive, he could dominate a region. At this moment, he could naturally look down on the earth-god Realm and treat all the immortal cultivators in the world like grass!

“Since you’ve already calculated my movements, then you’re coming for me!”

Chen Xiaobei calmed himself down and suppressed all the shock in his heart. His face turned cold and his eyes were as sharp as a sword. He looked at the five of them and did not show any signs of weakness.

“Heh, you’re a smart person!”

Shan Xiongxin smiled indifferently. however, you don’t have to be nervous. We’re just here to have a talk with you. If we can talk, we won’t be enemies!

“What if the deal doesn’t go through?” Who are you? ” Chen Xiaobei asked.

“If the negotiation fails, heh, then don’t blame us for bullying the few with our numbers!”

Shan Xiongxin was also a person who was used to big scenes and was very domineering, “Don’t blame me for not warning you! Although it’s not right to bully the few with numbers, we must complete the orders of the master of the contract! Therefore, once the negotiation fails, we will force you to agree to our request at all costs!”

However, Chen Xiaobei was even more domineering, ” “If this is a normal negotiation, you can speak! If it involves my family, friends, or confidants, then you’d better shut up and get out of my sight! Otherwise, you will be killed without mercy!”

There was no doubt that Chen Xiaobei was most sensitive to family and friendship! It was like a dragon’s reverse scale, and anyone who touched it would die!

Besides, six-eared macaque had mentioned that Li Shimin and the other members of the tribe of humanity were hoping to find a great opportunity through Wu Zetian's reincarnation.

Chen Xiaobei and Song Qincheng were already very close to each other.

She was not only Chen Xiaobei's confidante, but also his family.

Even if the heavenly Dao wanted to do something to Song Qincheng, Chen Xiaobei would not allow it.

This was Chen Xiaobei's bottom line. Whoever touched it would be killed!

"Heh, you're not capable, but you have a big mouth!"

you should be happy that we're willing to talk to you," Pei Yuanqing said with a look of disdain. otherwise, it wouldn't be just the five of us here today!

This guy looked like the youngest of the five, but in history, he was ranked third on the outstanding talents list of the Sui and Tang dynasties. He could be considered the most outstanding hero of that time.

Now that he had more powerful abilities, he was naturally more arrogant than ever and did not put Chen Xiaobei in his eyes.

However, his words had unintentionally revealed an important piece of information.

And that was, the five people who had come today were far from being the strongest in Li Shi Min's group.

If the negotiations failed, Li Shimin might send out even more terrifying people.

Even someone as proud as Pei Yuanqing was willing to admit that those people were more powerful. One could imagine how terrifying they were.

At the very least, he wouldn't be any weaker than the three Spider demons!

"So, are you threatening me?"

Chen Xiaobei knew very well what Pei Yuanqing was trying to do. He wanted to use an even more powerful existence as a threat. He wanted to scare Chen Xiaobei and force him to admit defeat.

However!

you ... Chen Xiaobei had never been afraid of threats. do you know what the consequences are for threatening me? "

"Ha, what are you trying to show off for?"

Pei Yuanqing was very arrogant and said very arrogantly, "Don't say that I'm trying to scare you, but those monsters who didn't come today can take care of you without a heaven-immortal artifact! Moreover, with the five of us joining hands today, I'm afraid you won't even have the chance to see those monsters!"

"Then come and try!" Chen Xiaobei was ready to use the Dragon's edge at any time.

“Chen Zhufeng! You’re already at death’s door! Quickly kneel down and beg for mercy!”

Just then, another arrogant voice came from the sea below.

“Woof! Buzzzzzz! Yi ...”

In the blink of an eye, five more figures emerged from the water and flew into the air, blocking Chen Xiaobei’s other side.

[ ding! Ancient demon reincarnated, nine-headed bug discovered! ]

[ ding! Ding! Ding! Reincarnated ancient demon, sharp-toothed Tiger demonic shark! ]

[ ding! Ding! Ding! Reincarnated ancient demon, ice-armored snapping turtle! ]

[ ding! Discovered reincarnated ancient demon, shadow Punisher! ]

[ ding! Ancient demon reincarnated, netherworld demonic beast discovered! ]

#### **Chapter 3122**

3122 Twenty strong enemies

As the five figures rushed out of the sea, the Three Realms illustrations kept popping up with notifications.

The introduction of these monsters was similar.

They were all ancient Fey of the water race. When they were alive, they were existences that ruled over a region in the heavenly realm.

The nine-headed bug was the most special.

He was the son-in-law of the Jade ripple pond’s WAN Sheng Dragon King, and he had a conflict with Sun Wukong over the theft of the Buddha treasure sarira.

After that, Sun Wukong found Yang Jian and crushed the nine-headed bug. One of its heads was even bitten off by the celestial Hound.

However, Yang Jian didn’t chase, so the nine-headed bug ran.

At this moment, the cause of death of the nine-headed bug mentioned in the Three Realms illustrations was actually a massacre in the ancient desolate land.

To be able to escape from Monkey King and Yang Jian, one could see that when the nine-headed bug was alive, it was really strong. At the same time, one could see that the danger in the ancient desolate land was even more terrifying!

“I don’t seem to have any grudges with you, so why do you say I’m about to die?”

what’s wrong?” Chen Xiaobei asked as he looked at the five ancient demons who had taken human form.

Six-eared macaque was nervous. He was worried about being surrounded by the clanism's enemies.

However, before the clan of Enlightenment's enemies appeared, there was a wave of enemies from the clan of humanity and the demon clan. The situation had become more complicated and dangerous.

"We're following the orders of the master of the contract to take your head! Even if there's no enmity between us, you'll still have to die!"

the nine-headed bug's face was thin and its eyes were yellow. It was really demonic and didn't look like a normal person.

The four ancient demons on both sides also had strange appearances. Although they were in human form, they exuded a wild and bloodthirsty ferocity from the inside out. The habits of demonic beasts did not seem to have changed at all.

who is your master? " Chen Xiaobei asked.

It was obvious that six-eared macaque had learned from Lu Yue's memory that the mysterious giant demon who had colluded with ju liusun only had the spider demon and the white bone Demon as his subordinates.

The five Water Tribe demons in front of him probably had another master or other goals.

"Heh, you think we're idiots? How can I tell you the identity of the master of the contract?"

The nine-headed bug looked at Chen Xiaobei with disdain, as if it was looking at a man who was about to die, " "Today, Saint mother gold spirit is going through her tribulation, and you, Chen Zhufeng, will also face your death! No matter what, you'll die without a doubt, so there's no need to waste your time trying to get clues from me. It's meaningless!"

"You want to fight? Then let's fight!"

Chen Xiaobei's eyes were as cold as ice, and his black pupils shone with a sharp light."But you have to remember, you want to kill me, so it's natural for me to kill you!"

"What a joke! Today, you've already fallen into a trap, and you still want to kill others? You must be dreaming!"

At this moment, another arrogant voice came from nearby.

Looking in the direction of the sound, there were actually five more figures flying over at high speed.

[ ding! Discovered reincarnated ancient immortal, Deng Zhong! ]

[ ding! Discovered reincarnated ancient immortal, Xin Huan! ]

[ ding! Discovered reincarnated ancient immortal, Zhang Jie! ]

[ ding! Discovered reincarnated ancient immortal, Tao Rong! ]

[ ding! Discovered reincarnated ancient immortal, pang Hong! ]

In an instant, the Three Realms illustrations popped up with the corresponding information.

These five people were all ancient Immortals who had fallen in the last immeasurable cultivation tribulation, and none of them were disciples of the tribe of severity.

Now that they were here to kill Chen Xiaobei, it was obvious that their contract master must be Chen Xiaobei's enemy.

Deng Zhong's face was as blue as Indigo, his hair as red as cinnabar, and his voice was extremely loud and clear as he said, "Chen Zhufeng! Don't think that just because you can't deal with Shen Gongbao, you can't deal with the clan of enlightenment!"

"You are from the clan of enlightenment!"

Chen Xiaobei's eyes narrowed as he began to plan.

Obviously, Shen Gongbao's successive failures had exhausted the trust of the clan of Enlightenment's higher-ups.

The other chanism higher-ups had already started to use their reincarnated ancient Celestials to kill Chen Xiaobei.

"This is bad ..."

The six-eared macaque was completely panicking.

After all, Chen Xiaobei's enemies knew all about his trump cards.

Be it the tribe of humanity, the water-kind, or the clan of enlightenment, all of them had already calculated that if the five of them joined forces, they would be able to take Chen Xiaobei's life. Otherwise, they would not have come here to die!

If the five of them could take Chen Xiaobei's life, then what about the consequences of the fifteen of them?

"Namo Amitabha!"

At this moment, there were still people rushing over.

Looking in the direction of the sound, another five reincarnated ancient Celestials appeared in front of Chen Xiaobei.

[ dinglinglinglingling discovered reincarnated ancient immortal, Zen Master qu Hua! ]

[ ding! You have discovered reincarnated ancient immortal, monk tianyun! ]

[ ding! Discovered reincarnated ancient immortal, Arhat red talisman! ]

[ ding! Discovered reincarnated ancient immortal, Liu Pu! ]

[ ding! Discovered reincarnated ancient immortal, Gou Zhang! ]

The "three realms illustrated guide" continued to pop up information, showing that these five people were also ancient Immortals who had fallen in the last immeasurable cultivation tribulation.

From the introduction of the first three people, these five people were obviously reincarnation ancient Immortals under the Western religious sect.

“The tribe of humanity! The clan of enlightenment! A demonic sect! The Western religious sect!”

Chen Xiaobei’s eyes were filled with a complicated look. Of course, the killing intent in his eyes did not diminish.”The so-called Orthodox sects of the heavenly realm are all here today!”

“Amitabha! Benefactor Chen! Today is your fated death tribulation! Please do not make any unnecessary resistance and take the initiative to face the Tribulation in order to transcend! I can guarantee that after you die, I will definitely perform a soul ferrying ritual for you and let you be reborn into the Western Pure Land of heaven!”

Although Zen Master quhua had reincarnated as a young man, he spoke and acted like an old man. Furthermore, he still retained the Daoism of Buddhism.

“Hur, you say it better than singing it!”

you want me to die? Why Don’t You Just Die? ” Chen Xiaobei said. I’ll also release you from purgatory and let you directly become a saint. Isn’t that great?”

“You ...”

Zen Master qu Hua’s face turned red from the choking and his anger burned. His originally calm gaze suddenly turned fierce.

Obviously, this guy was just like the so-called Vajra bodhisattvas in the ten thousand Buddhas Pagoda. He kept saying that he was Amitabha and merciful, but in fact, he would become fiercer than the devil if he didn’t agree with it.

“Chen Zhufeng! Since you don’t know what’s good for you and don’t want to die obediently, then be prepared to suffer a torture worse than death!”

Arhat red talisman gave a low roar. The vital essence in his body was already circulating, and he was ready to fight at any time.

At the sight of this scene, all the enemies in the surroundings started to rub their fists and glower!

“I’m finished ...”

The six-eared macaque couldn’t help but wail.

When the six-eared macaque turned into Lu Yue, Lu Yue had lost all his cultivation. In other words, the six-eared macaque had no combat power at all.

Chen Xiaobei had to face the twenty powerful enemies alone!

A battle to the death!

It was activated with a single touch!

[Red Envelope Group of the Three Realms](#)

**Chapter 3123: extremely stupid**

“Clang!

Chen Xiaobei did not hesitate and immediately used the Dragon’s edge.

However, the twenty enemies around him showed no fear.

“Black blade? That was the Dragon’s edge! Oh my God! It’s a top-tier divine weapon!”

Deng Zhong stared at the Tribulation of the devil Dragon closely. His eyes were full of fanatical greed. He couldn’t wait to snatch the Tribulation of the devil Dragon and make it his saber.

“It’s a good saber, but its owner is too trash!”

The nine-headed bug laughed coldly, “ this black blade is in Chen Zhufeng’s hands. It’s like a divine flower stuck in cow dung! What a waste of heavenly resources!”

As the saying goes, one doesn’t get up early without benefits!

From Deng Zhong’s and the nine-headed bug’s reaction, it was obvious that they were after the top-tier treasures in Chen Xiaobei’s hands!

It was not new for chanism to covet the Tribulation of the devil Dragon and the chaos Blood Sword.

“Chen Zhufeng, don’t waste your energy!”

At the same time, monk quhua said gloomily, “ we’re not fools who will die in vain. Since we dared to come to kill you, we naturally have enough chips in our hands to fight against the Dragon’s edge!

Shan Xiongxin added, “moreover, our four forces didn’t contact each other in private before we came.” This means that the four of us have at least four trump cards of the same level, enough to crush you, Chen Zhufeng!”

what do you want? ” Chen Xiaobei asked. chanism and demonic sect want my treasure. What do you want? ”

“Oh? Are you willing to negotiate?”

Zen Master qu Hua’s expression changed faster than the flip of a book. He smiled again and said calmly, “ “As long as you give us Rahu and break the primordial spirit contract, I can promise you that the Buddhist League will never be your enemy again!”

Shan Xiongxin also raised his chin and revealed a proud smile, our request is even simpler. As long as you, Chen Zhufeng, hand over the reincarnation of Wu Zetian, we will no longer be your enemies!

Obviously, the two of them thought that they could scare Chen Xiaobei by revealing their trump cards, so they made their demands.

As expected, one wouldn’t wake up early without benefits!

The purpose of these two guilds was also very clear.

However, it was clear that Chen Xiaobei would never agree to their conditions.

Moreover, the four trump cards that they had mentioned could not possibly scare Chen Xiaobei.

“A bunch of idiots!”

“I’m not afraid of being your enemy!” Chen Xiaobei said. If you guys want to fight, I’ll accompany you to the end! If you dare to touch my people, I will exterminate your entire clan!”

boom boom boom!!!

As soon as he said that, the heavenly Tribulation realm in the distance suddenly burst out with a thunderous roar that was countless times more terrifying than before.

If the strange phenomenon just now was only a prelude, then from this moment on, the heavenly Tribulation had officially revealed its ferocious fangs, and could descend at any time.

Of course, Chen Xiaobei was no longer in the mood to visualize the heavenly Tribulation.

“Little brat! I’ve given you face, but you don’t want it. Then give me your life!”

Zen Master quhua was both happy and angry. He roared and took the lead to rush over.

His combat strength was only at the peak of the earth immortal realm. He was not afraid of the Dragon’s edge at all.

One could imagine that he must have a powerful trump card in his hands.

bro bei, be careful!

The six-eared macaque was smart. It could guess that the enemy had a strong trump card.

Of course, Chen Xiaobei was not stupid. He would not let his guard down.

“Clang”

Chen Xiaobei swung his saber, but he did not activate the Dragon’s edge. Instead, he used his ethereal force to create a black dharmic image.

Chen Xiaobei’s cultivation of the Scripture of heaven and earth could convert his ethereal force into any attribute. Furthermore, his enemies had never seen the Dragon’s edge before.

This way, the fake Dharma at this moment could confuse the real with the fake.

Moreover, the speed at which he was charging forward was extremely fast. In that split second, he did not even think about sensing the spiritual fluctuations of the fake true energy.

As long as he sensed it, he would know that this fake Dharma was only at the peak of the original level.

However, if one didn’t sense it in time, then this fake Dharma would be regarded as the power of the Dragon’s edge itself.

“Hmph! Although the Tribulation of the demonic Dragon is powerful, I’m prepared for it!”

Zen Master qu Hua grinned and his eyes were filled with pride. He flipped his hand and took out a talisman.

“Whoosh ...”

In the next moment, the talisman turned into spiritual light that filled the sky. It condensed into a monk's robe and Kasaya that shone with golden light. The Kasaya enveloped Zen Master quhua's body.

The light was resplendent, solemn, and Holy. It was as if a Bodhisattva from heaven had descended to the human world. The Buddha Halo was as huge as the sun.

At the same time, a terrifying spiritual fluctuation burst forth. It caused the space around monk quhua to tremble and twist!

This spiritual fluctuation shocked Chen Xiaobei!

"This is a late-stage one-star heaven immortal artifact! No... This is a summoning talisman for celestial artifacts!"

Chen Xiaobei's brows were furrowed and his pupils were constricted. There was a look of worry on his face that he had never seen before.

Chen Xiaobei had seen Chong Heihu and the others use the summoning talisman before in the dark Dragon tomb.

Once a celestial talisman was used, it could summon a projection clone of a heaven immortal artifact through a mysterious summoning spell. The clone's power was exactly the same as the heaven immortal artifact itself. In the human world, it was simply a heaven-defying existence!

Although the heavenly Lord of the origin had set a heavenly rule that no one was allowed to give red packets to the human world and break the balance of power in the human world, and the Dao ancestor had already approved of this heavenly rule.

However, there were policies at the top and countermeasures at the bottom!

This kind of clone wasn't a real entity. After using it, it would Leave No Trace. Moreover, one celestial talisman could only summon it once.

This way, even if Chen Xiaobei were to report this to the Dao ancestor, he would not be able to produce any evidence.

Fortunately, this kind of summoning talisman had just been developed not long ago, and even the heaven realm had a limited number of them.

Otherwise, if the enemy only had a hundred of them on him, Chen Xiaobei would be dead.

"Oh? You can actually recognize the summoning talisman?"

Zen Master qu Hua laughed proudly, "You're not mistaken! I'm using a late-stage one-star heaven immortal summoning talisman! It was just enough to withstand the strongest power of the Dragon's edge! Once the demonic Dragon's tribulation is destroyed, how many waves can you still cause?"

"Whoosh ..."

As soon as he finished speaking, the fake Black Dragon that Chen Xiaobei had created with his ethereal force dissipated on its own. It did not even attack.

“The celestial talisman is a good celestial talisman! It’s a pity that master is an idiot!”

The corner of Chen Xiaobei’s lips curled up into a devilish smile. “I didn’t activate the strongest power of the Dragon’s edge at all. I only used a little bit of true essence, and you actually used your trump card? He’s really stupid!”

what???

When Zen Master quhua heard this, his face was instantly filled with shock. He even had the thought of dying.

### Red Envelope Group of the Three Realms

#### **Chapter 3124: no chance of winning**

It was obvious that the heaven immortal Kasaya that Zen Master quhua had summoned was a defensive magical treasure. It only had a defensive ability and no offensive ability!

Chen Xiaobei did not activate the Dragon’s edge, which meant that the Kasaya’s defensive power had been wasted!

After all, it was just a clone that would disappear after a few minutes!

“Chen Zhufeng! You’re too cunning!”

Zen Master qu Hua was so angry that his face turned red and green, and he almost spat out a mouthful of blood. “If you have the ability, then fight this poor monk fair and square! To use such a scheme is simply despicable and shameless, making people look down on you!”

The moment he said that, the nine-headed bug immediately said, “That’s right! Chen Zhufeng! To think you’re a sect master! He actually used such a despicable trick! Do you still have any shame?”

Pei Yuanqing even shouted angrily, “Chen Zhufeng! You’re simply a gutless rat! He couldn’t fight them head-on, so he used such a sinister scheme! I despise you!”

Deng Zhong sneered and said with disdain, “Chen Zhufeng, is that all you’ve got? What a shame to sect leader Tongtian! You’ve shamed the entire Jie sect!”

It was fine if he did not mention the prime of Tongtian and the tribe of severity, but Deng Zhong’s words had touched Chen Xiaobei’s sore spot.

“He’s really shameless! He’s invincible!”

Chen Xiaobei’s eyes were as cold as the stars in the night sky, emitting a bone-chilling light.

“You schemed in the dark and ambushed me here, and you call this upright? Twenty of you against one of me, this is called shame? You only dare to show off in front of me because you have a powerful trump card. Is this called courage?”

Chen Xiaobei spoke slowly, “The twenty of you can’t even defeat me! Is it my Jie sect that is humiliated? Or is it a collective humiliation for your four families?”

In fact, Chen Xiaobei did not mean to scheme against Zen Master quhua. He only released his ethereal force to test the waters!

As the saying goes, all's fair in war! This was a very normal thing!

It was clearly Zen Master quhua's own stupidity that he did not see through Chen Xiaobei's test and wasted a trump card.

However, the enemies of these four families immediately stood on the moral high ground and mocked Chen Xiaobei!

However, Chen Xiaobei's four rhetorical questions had revealed who was the most despicable, the most cowardly, the most shameless, and the most embarrassing person!

The enemies of the four families had a total of twenty mouths, but at this moment, they couldn't even utter half a word.

He was speechless and unable to refute!

"Brothers! Don't waste your breath on this kid!"

Since he could not reason with Chen Xiaobei, Deng Zhong shouted, "This kid is right! If the 20 of us can't take care of him together! That's a great humiliation to us! Our master of the contract will be shamed! If we don't want to be humiliated, we have to join forces and kill Chen Zhufeng with our strongest power!"

"Well said!"

Shan Xiongxin's battle intent immediately flared up as he shouted, "Everyone, don't have any other thoughts! Chen Zhufeng would not admit defeat. The only way to get rid of him was to kill him! So, don't talk nonsense, just do it!"

"Just what I wanted!"

The nine-headed bug's eyes were filled with viciousness like a venomous snake, ready to unleash its most fatal attack, "Chen Zhufeng must die today! This is a death order we've received. Even if he admits defeat, I won't let him off!"

"Since that's the case, I'll take the lead!"

Zen Master quhua was so angry that he wanted to kill Chen Xiaobei with his own hands. He gritted his teeth and said, "The power of the summoning talisman can last for a few more minutes. I can be your strong shield!"

Soon, the 20 of them reached a consensus. They activated their ethereal force and prepared their trump cards. They were ready to officially start the final battle with Chen Xiaobei!

"Bro bei ... Let's run ..."

Six-eared macaque couldn't help but cry out, "Although you just caused the enemy to lose a trump card, the other three guilds still have other trump cards of the same level ... We have no chance of winning this battle ..."

“Of course I know we have no chance of winning ...”

Chen Xiaobei had a strong mind and was brave, but he was not stupid.

Now that the enemy's trump card had been revealed, it was obvious that Chen Xiaobei's current trump card would not be able to defeat the enemy.

First of all, the Tribulation of the demonic Dragon could only activate its strongest power once and its normal power twice.

Secondly, the nineclaps heavenly net and the destruction of heaven and earth banner had no spiritual Qi.

Third, they were on the ocean. The gold armored mysterious spiders and the hundreds of billions of demons couldn't fly, so they couldn't be released to swim.

In other words, the enemy would only need to exhaust the Dragon's Edge's spiritual Qi and Chen Xiaobei would lose his ability to fight back.

By then, even if Chen Xiaobei summoned luohou and Taiyi out of the rift, they would all die together.

if we have no chance of winning, then let's just think of a way to escape, " six-eared macaque said anxiously.

“Escape? Are you scared silly?”

“This is Donghai!” Chen Xiaobei said helplessly. My strongest life-saving trump card, the earth escape immortal puppet, has been destroyed! Although I have the water repelling Pearl, once we enter the water, we will be in the territory of the five water-kind creatures. Where can we escape to?”

“This ...”

The six-eared macaque panicked. Its eyes were filled with despair. “The enemy's plan this time is simply perfect! In the East Sea, they had the geographical advantage! The four sides joined hands and occupied the human peace! The timing! Geographical advantage! Human peace! We've already lost two out of the three. Are we really going to lose?”

“Wait!”

Chen Xiaobei suddenly had an epiphany. “It's time! Geographical advantage! Human peace! They didn't occupy the most important time!”

“Bro bei ... Don't ... Don't even think about it! They're coming!” The six-eared macaque wailed in despair.

The twenty peak earth level deities from the four forces were rushing over.

All of them circulated their vital essence to the maximum. Some even took out strange peak-level earth-god instruments and were even secretly preparing to attack their primordial spirit or their strongest trump card.

Without a doubt, they were determined to fight to the death in this battle. They would not hold back at all. Once they cross swords, it would be the most powerful collision!

“The timing ... The timing ...”

Even so, Chen Xiaobei was still immersed in his own epiphany. He had no intention of fighting.

“Bro bei! do you really want to die?” six-eared macaque was almost in tears.

I’ve thought of it!!!

Suddenly, Chen Xiaobei waved his hand and kept six-eared macaque and Dragon’s edge into the Meru space.

He was facing twenty powerful enemies who were as fierce as wolves and tigers alone!

Of course, it was not that Chen Xiaobei did not want to live, but he had already thought of a way to save himself!

### Red Envelope Group of the Three Realms

#### **Chapter 3125: living towards death**

what is Chen Zhufeng up to this time?”

Zen Master quhua was at the forefront of the enemy. Although he had the immortal weapon summoning talisman’s powerful defense, he was not confident.

Even the remaining 19 enemies looked puzzled and even their speed of killing was greatly reduced.

“Be careful, everyone!”

Shan Xiongxin was a fierce general who had experienced hundreds of battles before he died, and he immediately issued a warning. Chen Zhufeng is full of tricks. He’s even got a helper and a weapon. There must be something going on!

“Well said! Everyone, be careful! Don’t fall into Chen Zhufeng’s trap!” The nine-headed bug was cunning and hid behind the group, not daring to stand out.

Chen Zhufeng isn’t an idiot. He wouldn’t have kept both six-eared macaque and Dragon’s edge if he wasn’t confident ... someone said.

Deng Zhong also had some concerns in his heart. He frowned and said, “But we all know his trump card, and it’s impossible for him to break out of today’s dead end! What is he planning to do?”

It was obvious that the enemies were well prepared and knew all of Chen Xiaobei’s trump cards. Furthermore, the enemy had chosen to attack him above the East Sea. Not only did this mean that Chen Xiaobei had no chance of winning, but it also meant that he had no way out!

No matter what, Chen Xiaobei would die today!

However, when Chen Xiaobei put away six-eared macaque and Dragon’s edge, all the enemies’ confidence was shaken again.

They knew Chen Xiaobei very well!

Chen Xiaobei would not admit defeat, nor would he wait for his death. There was only one possibility for him to suddenly show weakness—he had found a way to break out of this situation!

For the enemy, this ‘method’ was equivalent to a conspiracy!

After all, many people in the Three Realms had already suffered at Chen Xiaobei’s hands.

Therefore, Chen Xiaobei’s intelligence and schemes had instilled fear in his enemies.

“Swish!”

While the enemy was hesitating, Chen Xiaobei released Zi Yuan and said, “Little Zi! Bring me into the sea area covered in thunderclouds!”

“This ...”

Zi Yuan glanced in that direction and was instinctively a little afraid. brother Xiaobei, you must be joking ...

At this moment, the heavenly phenomenon within the heavenly Tribulation realm was becoming more and more terrifying!

The thick black clouds were like a boundless Black Sea. The desolate and heavy aura seemed to be the condensation of primordial and endless power. Once it descended, it would completely crush everything!

The rumbling thunder and lightning were thick and strong, as if they were Dragons swimming in the Black Sea. They were fierce, wild, and even carried a Supreme killing intent from the primordial era, causing the entire space to be dim and lightless!

On the surface of the ocean, the towering water columns looked like a group of Dragons dancing chaotically! It was ferocious, terrifying, and connected to heaven and earth! It had even locked the person undergoing the Tribulation in that terrifying space!

Anyone with a discerning eye could tell that if one didn’t have enough strength, barging into that space rashly would definitely result in certain death!

Even though Zi Yuan was already a peak nine-star earth-god, he did not think that he could survive in that domain!

If he said he wasn’t afraid, he would be lying!

“I’m not joking! This was an order! Hurry up!”

Chen Xiaobei did not have the time to explain. He urged in a serious tone.

“Yes ...”

Although Zi Yuan was afraid, she had already signed a primordial spirit blood contract with Chen Xiaobei and was 100% loyal to him.

As long as it was Chen Xiaobei's order, Zi Yuan would carry it out unconditionally. Even if she knew that she was going to die, she would do it to the end!

"Woof!"

Zi Yuan picked up his speed and brought Chen Xiaobei to the God's trial area as fast as he could.

"What's the matter? Chen Zhufeng is running away?"

Zen Master Qu Hua's expression changed slightly and he said, "That's not right ... Even if he wanted to escape, he shouldn't have escaped into the heavenly Tribulation realm ... That's simply courting death! You'll die even faster than if you were to fight us!"

"That kid couldn't have been scared silly, right?" he's ignorant and fearless," Pei Yuanqing said with a look of disdain. he doesn't know how terrifying the heavenly Tribulation is!

"Everyone, don't be careless! Hurry up and catch up!"

The nine-headed bug warned,"Chen Zhufeng might just be acting!" We must catch up with him and see him enter the heavenly Tribulation realm with our own eyes. Only then will we be at ease!"

"Well said! Everyone, continue the chase!"

Deng Zhong immediately sped up and said with a serious killing intent, "Either we kill Chen Zhufeng with our own hands! Either we watch Chen Zhufeng die in the heavenly Tribulation realm with our own eyes! We can't allow the third situation to happen!"

"Woof! Buzzzzzz! Yi ..."

The 20 enemies increased their speed to the maximum and chased after Chen Xiaobei.

They were all peak earth Immortals, and their flying speed was no slower than Zi Yuan's.

Xiaobei Gege ... We are going to die together ...

The enemy was in hot pursuit, and Zi Yuan had no chance to change his course halfway. He could only brace himself and charge into the heavenly Tribulation realm.

"Idiot! You won't die!" Chen Xiaobei said.

but, I don't want Xiaobei Gege to die either ... Zi Yuan was extremely worried.

I don't want to die either, but at this moment, I only have one choice, and that is to live towards death!

When he was almost at the edge of the territory, Chen Xiaobei recalled Zi Yuan back into the Meru space.

"Swish!"

Riding on the somersault cloud, Chen Xiaobei charged into the God's trial zone alone!

"Hu ... Hu ... Hu ..."

The enemies who were chasing after Chen Xiaobei stopped in their tracks. None of them dared to follow Chen Xiaobei into the cave.

“This kid is crazy ...”

Zen Master qu Hua’s face contorted. He looked at Chen Xiaobei’s back as if he was looking at an idiot. it’s better to die in our hands than to rush into the heavenly Tribulation realm like this!

At this point, the Kasaya split body was still on Zen Master quhua’s body, but he did not dare to chase after it. One could only imagine the power of the heavenly Tribulation. It was not something that the split body could withstand.

In that case, Chen Xiaobei’s trump card would not be able to withstand the power of the heavenly Tribulation.

From what Zen Master quhua could see, Chen Xiaobei charging into the Tribulation realm like that was a death wish! It was a death without any suspense.

“Master is right!”

of course not! Shan Xiongxin sneered. if Chen Zhufeng dies in our hands, he might still have an intact corpse. His broken soul might even return to the land and be reincarnated! However, since he charged into the heavenly Tribulation realm, his body and his heroic soul were destined to be completely destroyed, turning into dust and dissipating without leaving any trace!”

no matter how Chen Zhufeng dies, our mission is complete!

Deng Zhong revealed a proud smile and said, ” Shen Gongbao is an idiot. He had so much support and so many schemes, but he still couldn’t kill Chen Zhufeng. And we killed Chen Zhufeng on our first attack! Just thinking about it gives me a sense of achievement!”

#### **Chapter 3126: life-saving straw**

“Well said! Chen Zhufeng was dead for sure! Once the heavenly Tribulation is over, we can split up and search for Chen Zhufeng’s treasures!”

The nine-headed bug’s eyes focused and it said greedily, ” “I’ll say this first. Chen Zhufeng’s treasure belongs to whoever finds it first! If you dare to snatch it, don’t blame me for not showing any mercy!”

It was obvious that the nine-headed bug was confident that the five of them were reincarnated sea demons and were going to search for treasure.

Deng Zhong sneered, ”who’s your master?” Did they want to go against the clan of enlightenment? Have you considered the consequences?”

Deng Zhong’s group of five were the reincarnated ancient Celestials of the clan of enlightenment. They had been drooling over Chen Xiaobei’s many treasures for a long time, so there was no way they would give up.

you ... although the nine-headed bug was unhappy, it didn't dare to declare war on chanism. It could only suppress its anger and keep quiet.

The other two clans did not dare to declare war on chanism.

Zen Master qu Hua put on a profound smile and said, "Your two clans can slowly compete! We don't want any treasures, we only want Rahu, Taiyi, and Emperor Jiang!"

However, Deng Zhong glared at Zen Master quhua and said coldly, "Taiyi, Emperor Jiang, and luohou, the clan of enlightenment is also determined to have them under our command! If you're not convinced, you can ask your contract owner to talk to the heavenly Lord Yuanshi!"

Shan Xiongxin was smart. He did not say a word and did not mention the reincarnation of Wu Zetian.

However, Pei Yuanqing said, "We don't want the treasures or the three top-tier ancient Immortals! As long as we can get our hands on Wu Zetian's reincarnation, our tribe of humanity's great opportunity will have a chance to come true!"

"What? The reincarnation of Wu Zetian? A great opportunity for the tribe of humanity?"

Deng Zhong's expression was slightly startled, and he asked in an overbearing manner, "Who's that woman? What does it have to do with Chen Zhufeng? In the name of the clan of enlightenment, I order you to answer my question immediately!"

"You still don't know?" Pei Yuanqing was dumbfounded. No matter how simple-minded he was, he had already realized that he had said the wrong thing.

Deng Zhong wasn't the only one who didn't know. Even monk quhua and the nine-headed bug looked at him with a complicated expression.

It was obvious that Pei Yuanqing had inadvertently leaked the important secret of the tribe of humanity. It had already attracted the attention of the other three families.

"Pei Yuanqing! Get out of my way!" Shan Xiongxin was so angry that he almost vomited blood. He wanted to slap this big mouth to death.

"What's the use of you telling him to step down?"

Deng Zhong said arrogantly, "if we don't make this matter clear today, the clan of enlightenment will never let this go!" Don't even think about leaving this place alive!"

With that, both Zen Master quhua and the nine-headed bug pricked up their ears. They would not speak up for Shan Xiongxin and the rest, they only wanted to hear the clues to the big secret.

"Now is not the time to talk about this!"

Shan Xiongxin was very experienced and quickly changed the topic, "The most important thing now is to confirm whether Chen Zhufeng is Dead or Alive! If he survives, it'll be meaningless for us to fight, and he'll only benefit from it!"

this ... Deng Zhong was not stupid. He immediately nodded and said, "That's right! It's more important to make sure that Chen Zhufeng is alive than anything else!"

The nine-headed bug laughed coldly in disdain and said, "Is there a need to be certain? If Chen Zhufeng could survive in such a terrifying God's trial, I'd be willing to cut my head off and let him kick it around like a ball!"

"Isn't that so?"

Zen Master qu Hua also taunted, "Chen Zhufeng is just a piece of trash who only knows how to rely on external forces! The Dragon's edge can only block one lightning bolt at most. After that, Chen Zhufeng will be dead for sure!"

It had to be said that Zen Master quhua's analysis hit the nail on the head and was completely in line with the actual situation.

Even Deng Zhong and Shan Xiongxin nodded their heads when they heard this. They were certain that Chen Xiaobei was dead. All they needed was a final confirmation.

boom boom boom!!!

At the same time, the heavenly Tribulation had been brewing to the extreme, and finally burst out with an unprecedented and ultimate loud sound.

This meant that a terrifying ninth heaven lightning tribulation was about to descend.

Meanwhile, Chen Xiaobei was riding the somersault cloud, charging towards the core of the God's trial area as fast as he could.

Finally, before the heavenly Tribulation descended, Chen Xiaobei saw his life-saving straw!

That's right!

That was the Holy Mother of gold spirit!

At this moment, she was floating in the center of the heavenly Tribulation realm. Her body was shining with golden light, turning into a Dao rune Halo like the sun.

The wind, lightning, and water dragons around him were in a frenzy. It was as if doomsday had arrived, and the entire space was on the verge of collapse.

However, within her golden light, there was peace and harmony.

Her long eyes were slightly closed, as if she was taking a nap. Her hair was as smooth as a waterfall, not messy at all. Her dress fluttered in the wind, like a Lily in the golden light, quiet, elegant, and light.

"Chen Zhufeng ..." He said.

The Golden Spirit Holy Mother did not open her eyes, but her primordial spirit domain had already locked onto the uninvited guest."I really didn't expect you to have the guts to come in!"

we'll definitely die outside. If we come in and find second Senior Sister, we might have a chance of survival! With the Dragon's edge in his hand, Chen Xiaobei quickly approached the gold spirit Holy Mother.

"You're making a huge bet!"

Holy Mother Jin Ling's Red lips opened slightly and she said indifferently, "You must know that I'm no longer your second Senior Sister! It's your enemy who won't stop until you die!"

second Senior Sister has only temporarily lost her true self. One day, I will let you regain your freedom! Chen Xiaobei said in a serious tone.

"Aren't you afraid that I'll kill you? Or let you die under the heavenly Tribulation!" The gold spirit Holy Mother said solemnly.

"Second Senior Sister already said that I'm gambling! Since it was a gamble, there was no use in being afraid! We can only rely on luck!" Chen Xiaobei continued to approach the Golden Spirit Holy Mother. He had no intention of stopping.

"You're really too bold!"

Holy Mother gold spirit frowned and asked in a low voice, "other than trying your luck, you must have your own plans. Otherwise, you wouldn't be so reckless!"

"Since second Senior Sister asked, then I don't need to hide it!"

"The enemy has the geographical advantage and the people, but they did not manage to grasp the most important timing!" This is my plan!"

The moment these words came out, Holy Mother gold spirit finally couldn't hold it in anymore and slowly opened her eyes.

the moment those eyes opened, the already beautiful face of the gold spirit Holy Mother instantly brightened.

It was as bright as the stars and as bright as heavenly crystals!

Such a pair of eyes was simply the most outstanding work of art in the world!

When she closed her eyes to rest, the gold spirit Holy Mother could only be considered as a first-class beauty. When she opened her eyes, she instantly became the most beautiful woman in the world.

Such a face was enough to make any man go crazy.

Even Chen Xiaobei, who had a strong mental state, could not help but feel a little dazed and almost lost his mind.

The Golden Spirit Holy mother's beautiful eyes were filled with puzzlement as she asked seriously, "What kind of timing are you talking about?"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3127: divine light**

"Isn't it obvious? The timing is just right for you to cross the Tribulation, second Senior Sister!"

if I'm not wrong, the order that the old primordial thief gave you was to successfully pass the Tribulation, not to kill me! Chen Xiaobei said. Then, between killing me and going through the Tribulation, second Senior Sister will definitely use all her strength to pass the Tribulation!"

also, since second Senior Sister dared to come out to face the heavenly Tribulation at this time, it means that you have enough strength to resist the heavenly Tribulation!

in this way, second Senior Sister will not kill me, but will help me resist the power of the heavenly Tribulation. I will naturally have a chance of survival!

“This is the importance of timing!” Chen Xiaobei said. The enemy missed this step, so they can’t take my life!”

“What a good plan!” After hearing Chen Xiaobei’s words, Holy Mother Jin Ling could not help but sigh, “it’s the Jie sect’s great fortune to have you, Chen Zhufeng!”

Chen Xiaobei finally let out a sigh of relief. “With second Senior sister’s words, I can be considered to have escaped today!”

The Golden Spirit mother had already admitted that Chen Xiaobei’s plan was correct.

First of all, the order that the Golden Spirit Holy Mother had received was indeed to safely pass the Tribulation.

Because of her special identity, she was of great value to the heavenly Lord Yuanshi.

Therefore, the primeval Lord of heaven had no intention of letting her fight Chen Xiaobei. He only hoped that she could quickly overcome her tribulation and go to the heavenly realm to help the clan of enlightenment grow in power!

Chen Xiaobei was very accurate in his calculations!

The reincarnated earth Immortals must act according to the instructions of the master of the contract!

This way, the Golden Spirit Holy Mother would not give up on her tribulation just to kill Chen Xiaobei!

Secondly, the gold spirit Holy Mother had enough power to resist the heavenly Tribulation.

One must know that other peak earth level deities were very afraid of the heaven test. No one dared to say that they could pass it with 100% success rate.

However, Holy Mother Jin Ling dared to walk out of the independent space and take the Tribulation on her own initiative.

This was enough to show that she was fully confident that she could successfully pass the heavenly Tribulation and ascend to become an immortal.

Chen Xiaobei had predicted this!

Since the gold spirit Holy Mother could withstand the power of the heavenly Tribulation, then the closer he was to her, the safer he would be!

Because of that, Chen Xiaobei had been riding the somersault cloud to get closer to where the gold spirit Holy Mother was.

“You’re really smart!”

The Golden Spirit Holy Mother said with complicated emotions, " "Today, not only will you be able to escape, but you will also receive a great opportunity!"

"Lucky chance?"

Chen Xiaobei was surprised and said, " "Right! I almost forgot! Liu er had said that as long as the Tribulation taker successfully knocked open the gate of heaven! There will be some special opportunities that will fall into the human realm during the gap between the opening of the gate of heaven realm!"

"You're not fated to die today!"

Holy Mother Jin Ling slowly raised her head and looked at the thickest and largest green lightning bolt in the sky. She said indifferently, " "I hope you can come to the heaven realm alive. At that time, I will deal with you personally!"

"Don't worry, second Senior Sister!"

I'll definitely make it to heaven alive! I'll set you free! Chen Xiaobei grinned.

"BOOM!"

Just as Chen Xiaobei finished his sentence, the green lightning that Holy Mother Jin Ling had locked on to had already struck down!

The Thunderbolt stretched across millions of miles, and the thickest part of it had a radius of more than ten thousand miles. It was countless times larger than any flood Dragon Chen Xiaobei had ever seen!

The power within didn't need to be said.

Judging from its speed and strength, it had probably reached the strength of a late-stage one-star heaven immortal.

This was exactly what the six-eared macaque had expected. Even if the Dragon's edge was at its strongest, it wouldn't be able to withstand a single bolt of lightning.

Even Chen Xiaobei was shocked by what he saw. under such terrifying power, the success rate of an ordinary peak earth level deity is even lower than winning the lottery! No wonder the number of people who have successfully passed the Tribulation in the earth-god Realm in the past trillion years can be counted on one hand!"

Chen Xiaobei could not help but feel worried.

Even though the gold spirit Holy Mother had already reached the legendary half-step heaven immortal realm, she was still far from being able to break through. But did she really have the ability to withstand the power of a celestial immortal?

If Holy Mother gold spirit failed, Chen Xiaobei would lose his second Senior Sister, who was both beautiful and well-known!

Just thinking about it made him feel very, very regretful!

However, in the next second, Chen Xiaobei realized that he had worried for nothing!

“Boom ... Boom Boom ...”

Only to see that incomparably huge green lightning suddenly bombarding onto the golden light around Holy Mother Jin Ling. Although it erupted with an intense and shocking movement, it was unable to shake that golden light in the slightest! They wouldn't be able to harm the Golden Spirit Holy Mother at all!

Holy Mother Jin Ling was still floating in the golden light. Her aura was calm and elegant, like a fairy in a painting. Even her hair didn't move.

Even Chen Xiaobei, who was hiding behind the golden light, was safe and sound. Other than the pain in his eardrums, he was fine.

“Only the star-exploding Green Thunder? It's too boring ...”

The beautiful eyes of the Golden Spirit Holy Mother revealed a deep disappointment. Her red lips opened slightly and she said indifferently, “Let's go ...”

“Chi ... Chi!”

in the next moment, the golden light around the Golden Spirit divine Mother suddenly exploded, transforming into a massive golden wish Dharma idol.

“BOOM! BOOM! Boom ...”

The huge golden scepter suddenly pushed upward, and as it swayed, the green Thunder was defeated and retreated.

Immediately after, the Golden Ruyi took advantage of its victory and directly blasted into the black clouds!

He swept forward and back, invincible!

Wherever the golden light passed, the lightning of tribulation exploded and even the black clouds that were as thick as the ocean were torn apart, leaving a crack that spanned tens of millions of miles!

From the crack, the blue sky was revealed, and the seven-colored divine light scattered!

“That ... That's the gate of heaven realm?”

Suddenly, Chen Xiaobei saw a door that seemed to be carved out of white jade in the center of the seven-colored divine light!

The door slowly opened, and Chen Xiaobei could no longer see what was behind the door. He could only see more seven-colored divine light falling from the sky.

Chen Zhufeng, you're so lucky!

let's go! Holy Mother Jin Ling said indifferently. At the same time, her body was already enveloped by the seven-colored divine radiance, and she began to fly toward the gate of heaven realm uncontrollably.

“My luck?”

Chen Xiaobei focused his mind and quickly chased after her on the somersault cloud.

“Whoosh ...”

As he charged forward, the seven-colored divine light fell on Chen Xiaobei’s body like spring rain falling on the soil, and it was all absorbed into his body.

Without a doubt, this was Chen Xiaobei’s opportunity! It was also the ‘good luck’ that the gold spirit Holy Mother was referring to!

however, the Golden Spirit Holy Mother quickly entered the gate, and the gate to the heaven realm closed.

“Swish!”

Chen Xiaobei absorbed the last wisp of divine light, dispersed the somersault cloud, and fell into the sea!

As he fell, his eyes were filled with surprise! Of course, he was also brewing his killing intent!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3128**

3128 The soul transformation stage

“Chi ...”

Chen Xiaobei fell into the sea, but at the same time, his cultivation, lifespan, and physical strength had all risen to a whole new level!

[ ding Yingying ] cultivation level: early stage of soul transformation, lifespan: [ year 314240, physique: 150 million, combat power: 450 million, primordial spirit attack: Saint level!

That’s right!

When the door to heaven opened, the divine light absorbed by Chen Xiaobei helped him break through to the next level.

To Chen Xiaobei, this was a chance that he desperately needed and dreamed of.

In order for Chen Xiaobei to reach the peak of the divine path and become a saint of the infinite path of the origin, he could not rely on pills or other people’s inheritances or magical powers to break through each major level.

They could only rely on their own comprehension or natural opportunities to break through a major realm.

That was why breaking through to the next realm was the most difficult thing for Chen Xiaobei.

It was like an impassable chasm that had formed many restrictions and obstacles for Chen Xiaobei, but he could not do anything about it.

From this, it could be seen that the result this time was simply smooth beyond imagination!

Chen Xiaobei had just broken through to the peak of the original level before they left. He didn't even dare to dream that he could break through a major realm in the near future.

However, the world was fickle, misfortune and fortune depended on each other, and the alternation of disaster and opportunity was so mysterious that it could not be described with words!

Just a moment ago, Chen Xiaobei was still in a hopeless situation!

At this moment, it was already a great blessing to have escaped death!

The breakthrough had increased Chen Xiaobei's lifespan by 150000 years!

In addition, his combat power had also increased by 110 million.

Although his physical strength did not increase, it was not that important to Chen Xiaobei at this stage.

This was because the formless chaos Dharmakaya had increased the defensive power of Chen Xiaobei's Dharmakaya in proportion to his cultivation!

This meant that even if Chen Xiaobei abandoned his physical body, his Dharmakaya's defense would be equivalent to 450 million physical strength. It was more than enough to fight against opponents of the same level!

Moreover, Chen Xiaobei had enough lifespan to use the power of treading on Pinnacle Anytime. Even if he did not give up his physical body, his physical strength was enough to fight any Enemy Below the level of a sky immortal!

With the double support of Dharmakaya and treading on air, Chen Xiaobei did not need to rush to increase his physical strength in the short term.

Of course, in the long run, the strength of the physical body was of utmost importance and must be increased!

As long as he could upgrade the sunlight cache, he would be able to use the "sky-killing tyrant body technique" easily. The problem of health would no longer be a problem!

Right now, Chen Xiaobei only had two things to do.

First, he could find a powerful treasure to devour and make his avatar stronger.

Second, attract the enemy to 'seek treasure' and take the opportunity to take revenge!

In the sky, Chen Xiaobei had no chance of winning against twenty people!

But in the deep sea, if the enemies split up, Chen Xiaobei would have a high chance of winning!

"Plop!"

Chen Xiaobei fell from an extremely high altitude like a meteorite, creating a huge splash on the sea.

In the distance, the 20 enemies were closely watching the situation inside the heavenly Tribulation realm. They could clearly see the opening of the heavenly gate and the dissipation of the Tribulation clouds.

“The heavenly Tribulation has already dissipated! Chen Zhufeng must have died in the heavenly Tribulation realm!”

“No one is allowed to snatch the treasure that Chen Zhufeng left behind!” Deng Zhong said with absolute certainty. Otherwise, don’t blame me for falling out with you! Of course, if you can help me find the treasure, I will naturally reward you handsomely in the name of the heavenly Lord Yuanshi!”

It was obvious that the clan of enlightenment was extremely overbearing. They wanted to monopolize all the benefits, and they also wanted others to help. As for the reward, it was just a talk. Deng Zhong’s level was not qualified to report to the heavenly Lord of the origin.

Of course, although the other three forces seemed to be afraid of the clan of enlightenment on the surface, they all had their own Masters and plans in their hearts.

“We’re willing to help ... We’re willing ...”

Shan Xiongxin, nine-headed bug, and Zen Master qu Hua all expressed their willingness to help Chen Xiaobei find the treasures he had left behind.

“Very good!”

“Let’s split up in the four directions, East, West, South, and North!” Deng Zhong said. If I activate my essence soul domain and do a carpet search, I’ll definitely find all the treasures!”

“Good! Let’s set off now!” Shan Xiongxin couldn’t wait to leave.

“Wait a moment!”

Deng Zhong squinted his eyes and said ruthlessly, “All of you have mortal bodies. If your bodies dive into the deep sea, not only will it affect your movements, but you will also have to take a breath every once in a while. It’s really too much of a waste of time!”

this can’t be helped ... Shan Xiongxin’s brows furrowed slightly, and he vaguely felt an ominous premonition.

“I have an idea!”

“I happen to have a Meru space in my hand!” Deng Zhong smiled sinisterly. All of you put your physical bodies in it and only use your dharmakayas to dive to the bottom of the sea. That way, you can move freely without having to take a breath, killing two birds with one stone!”

It was obvious that Deng Zhong was not only targeting the tribe of humanity. His domineering gaze swept across the surroundings, meaning that everyone, including those from the demonic sect and the Western sect, had to do as he said!

“This ...”

It was obvious that everyone was hesitating and didn’t want to hand over their bodies.

For immortal cultivators, although they could abandon their physical bodies, it was equivalent to giving up half of their lives.

Especially for a peak earth immortal, once he abandoned his body, he would have to spend a lot of resources and a long time to refine another body.

If the heavenly Tribulation descended during this period of time when he didn't have a physical body, it would definitely be a disaster, with no chance of survival!

For this reason, no one wanted to give their bodies to Deng Zhong.

“What's wrong? Have you all forgotten that the heavenly Lord Yuanshi controls the Three Realms on behalf of the heavenly Dao?”

Deng Zhong threatened arrogantly, “I advise you to think about it carefully. Can you bear the consequences of disobeying the heavenly Lord Yuanshi?”

It was obvious that Deng Zhong was afraid that they would monopolize the treasure after finding it, so he deliberately kept their bodies. As an alternative ‘hostage’, he used it to threaten them to be obedient.

alright ... We agree to your terms ... the crowd was helpless and could only nod their heads in agreement.

Although they each had their own plans, on the surface, it was not good to fall out with the clan of enlightenment, so they could only obey Deng Zhong for the time being.

Even the five people from the demon sect who were proficient in the fish breathing technique and could move freely in the water could only do as they were told. Otherwise, Deng Zhong would definitely threaten them in other ways.

After that, everyone left their dharmakayas one after another, hiding the storage bracelets in their dharmakayas and handing over their physical bodies to Deng Zhong.

There was indeed a Meru space in Deng Zhong's hand, and he kept everyone's physical bodies in it.

Then, Deng Zhong and the other five members of the clan of enlightenment also left their dharmakayas. After putting on their storage bracelets, they put their physical bodies into the Meru space.

After all, the five of them were also born with mortal bodies, and they couldn't move around in the deep sea for long periods of time with their bodies.

“Everything is ready! We'll set off immediately!”

Deng Zhong shouted proudly and led his men to the East.

The other three charged in the West, South, and North directions.

At that moment, all of them were certain that Chen Xiaobei was dead. So, they were all filled with anticipation for the treasure. They were full of energy and high morale.

However!

They would never have imagined that what awaited them next would be a complete team wipe!

## Red Envelope Group of the Three Realms

### Chapter 3129

3129 The counterattack begins

In the deep sea, the avatar could move freely.

The five members of the Western religious sect began to search the center of the heavenly Tribulation realm from the West.

Everyone's primordial spirit domain had a radius of about thirty-three miles. Therefore, the distance between the two of them was sixty-six miles.

The five of them had to cover a distance of 3300 miles, which was a huge area, so they could find their target faster.

Of course, there was a drawback to this method of searching. The distance between people was too far. If something happened, there was no time to inform their companions.

The Dharmakaya of Zen Master quhua was that of a Buddha with white hair and a Kasaya. His entire body was shining with spiritual light, like a bright lamp in the deep sea! He was also an extremely obvious target!

Without a doubt, Chen Xiaobei's first target was Zen Master qu Hua!

"Eh? There's a treasure with extremely strong spiritual nature up ahead!"

Zen Master quhua's immortal soul suddenly sensed a strong spirituality. "That must be the treasure that Chen Zhufeng left behind! I'm so lucky!"

if I can get the demonic Dragon tribulation or the chaos Blood Sword, I can give up my physical body and bring it back immediately. I'll let my sect's half-step heaven immortal take it to the immortal world and offer it to Amitabha!

With this in mind, Zen Master quhua was like a ravenous Wolf, charging forward at his fastest speed.

hahaha ... It's the chaos Blood Sword!

From afar, monk quhua could already see a thick blood-red aura wavering in the water, casting a sinister and ominous shadow over the space!

"That's great! if I can get the chaos Blood Sword, I'll have made an unparalleled contribution to the Western religious sect! It's just a mere body, so what if I give it to Deng Zhong! Amitabha will naturally help me reconstruct the indestructible golden body of the ancient Buddha!"

Zen Master quhua was so excited that he even forgot himself. As he charged forward, he fantasized about the reward and honor he would receive after he made a great contribution.

However, fortune and disaster co-exist together, and that was the truth of the heavenly Dao!

When people were at their proudest, it was also often the most dangerous time!

"One thought, heaven interception!"

Chen Xiaobei's voice suddenly rang out as quhua was on his way to the chaos Blood Sword.

Although Zen Master qu Hua was fast, he was caught off guard.

Chen Xiaobei hid his physical body in the Meru space and his Dharmakaya in the mud, calculating the best time and angle to attack.

Chen Xiaobei did not initiate the attack on Zen Master qu Hua. It was the latter who was caught off guard by Chen Xiaobei's attack.

"Uh ..."

Zen Master quhua let out a wail. Never in his dreams would he have thought that he would be ambushed when he was just one step away from victory!

The point was that this kind of ambush was the greatest nemesis of Dharmakaya and nascent soul cultivators, severing the heavens with a single thought!

In an instant, the inner Yuan of monk quhua was completely cut off and he could not channel it at all. The terrifying pain in his mind hurt his nascent soul and he could not move at all.

"Whoosh ..."

Chen Xiaobei's practicing body had already emerged from the mud and was looking down at Zen Master quhua.

This Daoist technique was flowing with a dark aura!

He was wearing a set of sharp Demon King battle armor, a Demon King battle helmet, and a pair of giant wings that seemed to be made of Black Gold!

He was like a devil God who had walked out of hell!

Majestic, valiant, arrogant, and overbearing!

Chen ... Chen Zhufeng ... You're still alive???" This ... This is impossible ... How can you survive the heavenly Tribulation?"

Zen Master quhua was already very weak and his voice was trembling. However, this did not affect the fear he felt.

In that instant, Zen Master quhua's three views were completely blown away. He even suspected that he was dreaming.

"Of course I'm not dead!"

The wings of the celestial demon's battle armor were powerful, but his face was still Chen Xiaobei's. His dark eyes were full of disdain."Do you think you can kill me with your rotten eggs? Don't you think it's too much of a joke?"

that's impossible ... That's ... That's impossible ... Zen Master quhua looked as if he had just seen a ghost. No matter how crazy he was, he could not have imagined that Chen Xiaobei would survive.

it doesn't matter whether it's possible or not. Your life and death are already in my hands! Chen Xiaobei released his ethereal force, wrapped around monk quhua, and brought him into the Xumi dimension.

At this moment.

Within the Meru space, six-eared macaque, Zi Yuan, and the other two demons were all extremely anxious. They were afraid that Chen Xiaobei would be in trouble.

When they saw Chen Xiaobei's Dharmakaya enter the room, they could finally breathe a sigh of relief.

"Bro bei! Are you alright? I thought I'd never see you again .... the six-eared macaque was so excited that it felt like it was going to be the last time it saw him.

"Xiaobei Gege! It's great that you're back! That's great!" Zi Yuan was even more excited. He was like a little butterfly, flying around Chen Xiaobei.

you guys have really underestimated bro bei!

Infernal spirit and black soul looked at Chen Xiaobei with admiration and said, " "When has bro bei ever made a mistake? Only the enemy could not do it! Our bro bei will always be the best!"

"That's right! Bro bei is the best! He was invincible! It's invincible!"

The reborn ghost king nodded his head repeatedly, then glanced at Zen Master qu Hua in disdain and said sarcastically, " as for those idiots who dare to fight against bro bei, they're just here to get themselves killed! If one comes, I'll kill one. If two come, I'll kill two!"

if you want to kill ... Then kill ... Cut the crap ... Zen Master quhua was a reincarnated ancient immortal. He would not beg for mercy. He was very unyielding and wanted to die.

"You want to die? It won't be that easy!"

Chen Xiaobei then extracted all of Zen Master qu Hua's cultivation and sent it into Xuan PO's body.

Even though the physical body of Zen Master quhua was not present, Xuan po did not have a physical body either.

After obtaining the power, Xuan po had the cultivation of a peak-stage earth immortal. At the same time, the ice-winged youth's Dharmakaya had also reached the strength of a peak-stage earth immortal.

After that, Chen Xiaobei used a secret technique to remove the mental demon contract, allowing Xuan po to enjoy the upgrade without any side effects.

"Bro bei! I also want to improve my cultivation!" The infernal spirit flew to Chen Xiaobei's side to protest.

"Don't worry! There were many enemies this time! You'll definitely have a share!" Chen Xiaobei smiled. None of the remaining 19 enemies could escape.

"Then I'm relieved!" The infernal spirit laughed happily.

Liu er, this guy only has his soul left. Can you still become him? " Chen Xiaobei asked.

I can ... But I don't want to get weaker and weaker ... six-eared macaque looked depressed.

"Don't worry! When I have enough spirit stones, I can even turn you into a half-step heaven immortal without a problem!" it's not that I don't know! Chen Xiaobei said expectantly. but now, I just want to know the secret in this guy's memory!

### Red Envelope Group of the Three Realms

#### **Chapter 3130**

3130 An important harvest

"No... Don't ... Don't ..."

When Zen Master qu Hua heard that Chen Xiaobei was going to use six-eared macaque's transformation to dig out his memories, he panicked and resisted.

From this, it could be seen that there were some important secrets in the Mind of Zen Master quhua.

If six-eared macaque got his hands on these secrets, the Western religious sect's plans and schemes would be exposed. All their efforts would go to waste and they might even fall into Chen Xiaobei's trap.

Due to his 100% loyalty to his master, he was not even afraid of death. He was only afraid that Chen Xiaobei would find out about his secret.

However, Zen Master quhua could not resist at all. His resistance only served to increase Chen Xiaobei's curiosity.

Six-eared macaque was not stupid. He could tell that monk qu Hua was trying to hide his true intentions! Initially, he did not want to become Zen Master qu Hua, but now, he changed his mind!

"Chi ..."

He took out some low-tier spirit stones and with a wave of energy, the six-eared macaque turned into the spirit of monk qu Hua.

"It's over ... It's all over ..."

Zen Master quhua himself let out a desperate wail, " the Buddha treasure that I tried so hard to determine is going to fall into Chen Zhufeng's hands ...

you look like you're in pain. Let me end your pain! Chen Xiaobei's eyes flashed with killing intent as he waved his hand and released a stream of fire ethereal force.

"Chi ..."

All that was left of Zen Master quhua was his soul, which was extremely weak. In an instant, his soul was burnt to ashes and he disappeared from the three worlds and six paths.

He wanted to kill Chen Xiaobei, so it was no wonder that Chen Xiaobei had completely destroyed him!

"Swish!"

Chen Xiaobei used his ethereal force to take the storage bracelet and began to inspect it.

20 million superior-grade spiritual stones and a bunch of healing pills were too ordinary for Chen Xiaobei.

Chen Xiaobei did not even blink as he kept the spiritual stones and refined the pills.

However, there was one last thing that made Chen Xiaobei happy. there's still one celestial artifact summoning talisman left!

Chen Xiaobei took out the talisman and held it in his hand. His face lit up with joy. although this immortal talisman is only an early one-star heaven immortal, it has an offensive ability!

"With a talisman in hand, it's the same as having a chance to release a divine immortal's power! As long as it's used at the right time, it'll definitely have a miraculous effect!"

but only one is too little ... It's probably because this celestial talisman has just been developed, and each force doesn't have many in stock. They have millions of reincarnated ancient Immortals under their command, so it's normal that they can't share it.

Chen Xiaobei did some simple calculations and put the summoning talisman away.

"Six ears, did you find anything?" Chen Xiaobei turned to six-eared macaque and asked.

"Of course!"

"This guy found an ancient immortal's cave at the bottom of the East Sea!" Six-eared macaque said excitedly. There should be a Buddhist secret treasure within it, a one-star heaven immortal item, the spiritual light relic!"

he was planning to get it after he dealt with bro bei. Who would have thought that he would end up in bro bei's hands? even the treasure would be in bro bei's possession!

"A one-star celestial immortal item, spiritual light relic?"

Chen Xiaobei laughed. "I'm really lucky to have survived a great disaster! I was just worried about finding something good for my Dharmakaya to devour, but I didn't expect to find a target so soon!"

It was different from a heaven immortal artifact.

Although the celestial immortal item's level was high enough, it did not have any special abilities and could not assist in battle, nor could it provide any obvious help.

For this reason, although devouring a heaven immortal artifact was a waste, devouring a heaven immortal item was the best choice.

It was definitely not easy to find a celestial immortal item in the earth immortal world.

It was no wonder that Zen Master quhua had wailed in such a sorrowful manner.

Now that the six-eared macaque had Zen Master qu Hua's memories, it would be a piece of cake for it to obtain the spiritual light relic.

By then, Chen Xiaobei's Dharmakaya would be greatly improved, and even his appearance would change!

“Any other discoveries?” Chen Xiaobei asked again.

“There’s no other important information ...”

Six-eared macaque frowned. this monk quhua’s level is very low. His master of the contract is only a small Bodhisattva in the Western religious sect. He basically has no access to the schemes and plots of the higher-ups in the Western religious sect.

“I see ...”

Chen Xiaobei nodded and asked, “I’m a little confused. Aren’t the highest level of the Western religious sect Taoist Cundi and jieyin? Why did Zen Master quhua keep saying “Amitabha” just now? he didn’t respect zhunti and jieyin at all!”

“It’s like this!”

“After the last immeasurable cultivation tribulation,” six-eared macaque explained, “the Western religious sect led by zhunti and jieyin turned into Buddhism!”

“Zhunti declared himself patriarch Bodhi and retreated into seclusion, rarely leaving the mountain! Jieyin, on the other hand, would declare himself as Amitabha and become the Supreme ruler of the Buddha realm!”

in other words, patriarch Bodhi and Amitabha are self-created titles that are only recognized by Buddhist disciples and believers!

“But in the end, these two are still Dao ancestor’s disciples! Therefore, people outside the Buddhist League in the heaven realm also call them Daoist zhunti and Daoist jieyin!”

After six-eared macaque explained, Chen Xiaobei finally understood.

“It turns out that jieyin has become Amitabha and zhunti has become patriarch Bodhi!”

Chen Xiaobei frowned. Speaking of which, Monkey King’s teacher was Grandmaster Bodhi! However, Grandmaster Bodhi disappeared after brother monkey mastered his mantras. He even forbade brother monkey from telling anyone that he had a master! Thinking back on this, it’s really strange ...”

“I know about this!”

“Zhunti transformed into Grandmaster Bodhi and enlightened Sun Wukong,” six-eared macaque said in a deep voice. “All of this was for the sake of forming a good relationship!”

as a heavenly path Saint, he might have predicted that Sun Wukong would return to the demonic sect in this immeasurable cultivation tribulation!

“When the cataclysm comes, with Sun Wukong’s karma in the middle, perhaps Buddhism and the demonic sect will have the possibility of an Alliance! Even if they’re enemies, they shouldn’t be too stiff!”

“What a good plan!”

Chen Xiaobei could not help but praise, " "This Taoist Cundi really has some of the habits of the Grand Supreme elderly Lord! The battle had yet to begin, but he had to plan for a retreat! This way, we can stand in an undefeatable position!"

of course! six-eared macaque nodded. he's a heavenly path Sage, after all. The longer he plans, the better!

"Yes, I understand!"

Chen Xiaobei nodded and sneered, " "I'll think about the long term. Right now, I just want to take care of those enemies!"
