#### Chapter 3141: killing intent

Before breaking through to the next level, Chen Xiaobei's lifespan was 310000 years. He had used the pinnacle of cultivation twice in the battle of Eastern Sea, which reduced his lifespan by 120000 years and left him with 190000 years.

Now that he had broken through, Chen Xiaobei's lifespan had increased by 160000 years, reaching 354000 years.

In terms of combat power, it had increased by 150 million in one go, which was a huge improvement.

However, the gains and losses corresponded to each other.

While Chen Xiaobei was improving, he had been cultivating for 150000 hours.

Every hour, it would consume 60000 upper spiritual stones of spiritual Qi.

In total, they had reached an astonishing nine billion.

"Pheh ..."

Chen Xiaobei could not help but sigh. He frowned and said, "not only have I used up all my cash, but I've also used up all the spiritual stones I got from the twenty enemies in the previous battle! he thought.

His training went very smoothly. If he had enough spiritual stones, he could continue to train until he reached the peak.

Unfortunately, Chen Xiaobei was penniless and had no choice but to stop his cultivation.

It was as if he had suddenly stopped in the middle of a 'hehe', and both his mind and body were quite depressed.

I have to think of a way to earn spiritual stones as soon as possible. Otherwise, my future activities and cultivation will be severely hindered!

Chen Xiaobei's eyes were filled with desire for the spiritual stones.

"Master!"

Tenshou immediately said, "In the Treasury of my Tenshou headquarters, there are ten billion upper spiritual stones. Poseidon's sea deity Palace also has at least ten billion upper spiritual stones! If you need it, we can go and get it now!"

"Oh?" Chen Xiaobei's eyes lit up and he said, "it's like a drowsy night meeting a pillow. I'll happily accept these two sums of money!

Beside him, Poseidon's face turned green. He wanted to pounce on Tenshou and strangle him.

Tenshou was controlled by the infinite soul ring and had lost his loyalty to Chen Xiaobei. He always thought of Chen Xiaobei.

However, Poseidon's life was only controlled by the demonic god tribulation curse. In order to survive, he did not dare to betray Chen Xiaobei. But in his heart, he only wanted to save his own life. He would not think for Chen Xiaobei.

When he heard that Chen Xiaobei was going to the Poseidon family's Treasury to get the spiritual stones, Poseidon felt as if his flesh was about to be cut and his blood was about to be drained.

However, no matter how uncomfortable he felt, Poseidon did not dare to have any thoughts of resisting. He could only squeeze out an awkward but polite fake smile. "You're welcome to head to the sea deity Palace at any time, master. Everything there belongs to you!"

"Good! Let's set off now!" Chen Xiaobei grinned and left the verdant Emperor's divine gourd with Tenshou and Poseidon.

Of course, Chen Xiaobei also brought six-eared macaque with him.

Six-eared macaque was just a weak Yin soul, so Chen Xiaobei had him stay in the Meru space.

Tenshou and Poseidon stayed by Chen Xiaobei's side to lead the way.

The internal affairs of bei Xuan faction were handled by song Qincheng, Jiang Ziya, and old Wang. Chen Xiaobei did not need to worry about anything.

Lu Bu and Zhao Yun would be sent to the battlefield to speed up the unification of the beixuan Army.

Diao Chan, Wenyuan, Lin Xiang, and Murong Xiaoyao were assigned to song Qincheng and LAN Mengcheng to help them with daily tasks.

As for Chen Zhongfu and Zhang Chui 'er, they didn't have any combat experience and didn't want to tire themselves out, so they stayed in the peach Garden to cultivate and enjoy their lives.

.....

Chen Xiaobei's journey was smooth as he did not have to worry about the rear.

Since Tenshou was 100% loyal and Poseidon would not dare to resist, Chen Xiaobei asked them to empty their treasure vault and bring it to Chen Xiaobei.

Chen Xiaobei, on the other hand, went to the Pearl region of Nanzhan state through the portal.

A long time ago, Chen Xiaobei had come here as a disciple of the Putuo City branch in Tianji city to participate in a special mission for the Pearl Hall.

Originally, Chen Xiaobei had planned to join the Pearl Hall so that he could access the higher-ups 'secrets in Tianji city and investigate the seven Forbidden Lands.

However, many things happened after that. Lord scorching heat was controlled by Fang longqi's dog food, and Chen Xiaobei fed him another dog food.

Chen Xiaobei did not join the Pearl Hall. Instead, he asked Fang longqi to investigate the seven forbidden grounds.

Chen Xiaobei had already locked onto two forbidden places that he needed to understand as soon as possible.

One was the endless Dead Sea.

There were 9999 evil bone Berserker ghosts in there, and Chen Xiaobei had always wanted to subdue them.

At the same time, there was also a large spiritual vein that had no owner. It could solve Chen Xiaobei's urgent need for spiritual Qi.

Most importantly, the endless Dead Sea might have a kind of restriction that even the demonic dragon apocalypse could not break! Taiyi once said that it was very likely to be a key opportunity to modify the blood God's immortal-burning painting!

The other forbidden area that Chen Xiaobei was concerned about was the prison of heaven.

According to Lu Yue's memory, his master, Ju liusun, had already formed an alliance with a terrifying existence in the monster race. He would even be sentenced to the clan of enlightenment in this immeasurable cultivation tribulation.

Ju liusun had ordered Lu Yue to give the white bone Demon of the demon sect 11 life-threatening heavenly phoenixes!

The life-demanding heavenly centipede was a very powerful poison. Back in Saint Duke ruins, Chen Xiaobei was almost forced to cut off one of his arms in order to survive!

Moreover, apart from its terrifying poison ability, the life-threatening heavenly centipede itself was also an extremely rare poison.

Each of the seven Spider demons only had one life-threatening heavenly centipede.

In that case, the eleven life-demanding heavenly phoenixes that the white bone Spirit had taken away were most likely handed over to the eleven reincarnated ancient demons who would become Chen Xiaobei's enemies!

If he did not find all 11 enemies, Chen Xiaobei would have 11 time bombs planted around him.

Even if Chen Xiaobei and Luo puti were not afraid of the poison, Chen Xiaobei's family and friends, as well as his generals, disciples, and soldiers, would all be threatened by it.

So, Chen Xiaobei had to get rid of all eleven of them.

In order to find these eleven people, he must first find the white bone Spirit.

According to Lu Yue's memory, the last time he saw the white bone Spirit, it was outside the prison.

This was Chen Xiaobei's only clue. If he wanted to pursue the white bone Spirit, he had to start from the heavenly prison.

.....

Pearl region, Pearl Royal City.

Chen Xiaobei found Fang longqi in a quiet courtyard.

greetings, bro bei ... Fang longqi said respectfully.

“No need for nonsense.”

Chen Xiaobei went straight to the point, ” “Have you investigated the things I asked you to?”

I can’t say that I’ve found everything, but I’ve got the general information. Bro bei, please follow me ...

Fang longqi bowed humbly. However, his eyes were filled with killing intent.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3142: desperate**

Obviously, Fang longqi had already eaten Shen gongpao’s high-grade heavenly dog biscuit, and Chen Xiaobei’s second one did not work on him.

However, Fang longqi thought that Chen Xiaobei did not know about this. So, he had been pretending to be 100% loyal to Chen Xiaobei, hoping to take the opportunity to get rid of Chen Xiaobei.

This time, Fang longqi had just received Chen Xiaobei’s call and he had already planned a deadly trap. He had even informed Shen Gongbao to come over and take the treasures from Chen Xiaobei.

However, even if Fang longqi had a hundred million brains, he would never have guessed that Chen Xiaobei had already guessed that Fang longqi had been fed with the public display of affection from the moment he saw Lord scorching Heat’s assassination attempt.

The reason why Chen Xiaobei gave Fang longqi that useless piece of dog food was to beat him at his own game. First, he wanted to use Fang longqi to get the information he needed. Second, he wanted Fang longqi to lure out the mastermind behind this.

So, Chen Xiaobei and Fang longqi were just putting on an act.

Fang longqi pretended to be a loyal dog, thinking that he had fooled Chen Xiaobei, while Chen Xiaobei pretended to be the victim, waiting to trick Fang longqi and Shen Gongbao.

bro bei, please look at this map!

In the study, Fang longqi pointed at a large map on the wall and said, ” this is a big map of the Earth-god Realm. I’ve marked the locations of the seven forbidden areas on it!

In order to gain Chen Xiaobei’s absolute trust, Fang longqi had put in a lot of hard work.

“Not bad!”

Chen Xiaobei nodded, satisfied. He looked at the location marked on the map and said, ” “First, tell me about the situation of the endless Dead Sea and the prison of heaven!”

“Yes, sir!”

“The endless Dead Sea is located at the core of the West Sea!” Fang longqi said. There was a Dead Sea there! In the legends, even fish don’t dare to swim in it, and even seabirds don’t dare to fly in the sky!”

“Let’s not talk about legends, say something useful!” Chen Xiaobei said.

“Yes!”

“According to my investigation of some ancient secret manuals and intelligence files, I found out that the endless Dead Sea has a major feature! Even those who entered it would not be able to come out! He might even be completely cut off from the outside world! Because of this, that Sea area is regarded as an absolute forbidden land of death. Even if a peak earth level deity goes there, he will not be able to return!”

“Is there anything else?” I already know everything you’ve investigated! Chen Xiaobei said.

Obviously, Chen Xiaobei had heard about the seal on the endless Dead Sea from the Grand deity Zhen Yuan, and it was exactly as Fang longqi had said.

Even the Tribulation of the demonic Dragon couldn’t break the seal, let alone the other people from the earth immortal world.

“Uh ...”

Fang longqi looked embarrassed and said, “Because those who enter the endless Dead Sea never return, I can only find out this much ...”

“Good-for-nothing!” “What about the heavenly prison?” Chen Xiaobei asked.

“The prison of heaven is located in the chaotic space above the core of the East Sea,” Fang longqi quickly said. That place was always dark and chaotic. The sun, the moon, the stars, the wind, the rain, the lightning, and all other celestial phenomena would not appear. That’s why it’s called sky-trapping!”

“Qiu Tian!” it can even imprison the heavens! Chen Xiaobei frowned. it can’t even show any signs! Could it be that there are also powerful seals and restrictions in this heavenly prison?”

[ bro bei, you’re so wise! ]

Fang longqi said, “according to my investigation, the situation in the prison of heaven is similar to the endless Dead Sea. Even if a peak earth immortal enters it, he will definitely not be able to come out!” The only difference is that the endless Dead Sea is in the sea, and the prison of heaven is in the sky!”

“Interesting!”

Chen Xiaobei furrowed his brows and started to plan in his mind.

Since the heaven imprisoning realm was so similar to the endless Dead Sea, could there also be ownerless spirit veins in the heaven imprisoning realm? Could the seals and restrictions of the prison of heaven also be used by the blood God’s immortal-burning painting?

If these two hypotheses were confirmed! Even if he could not find the white bone Spirit, this prison was definitely worth it.

“Since the heaven imprisoning realm is so similar to the endless Dead Sea, you probably didn’t find any useful information. Continue to introduce the other forbidden areas!” Chen Xiaobei said.

“No problem!”

Fang longqi paused for a moment and said, “bro bei, please wait a moment. I’ll pour you a cup of tea. We can talk about it slowly. The content will take a little longer to explain!”

“No need! Just say it!” Chen Xiaobei did not even need to think to know that Fang longqi was up to something.

In fact, Chen Xiaobei had no intention of letting Fang longqi live today. However, before Fang longqi died, Chen Xiaobei wanted him to be of the greatest value. At the very least, she had to ask him about everything he had found out.

However, Fang longqi did not want to live any longer. He said, “Bro bei, don’t be so impatient! I have the best pre-rain spirit Mist Tea! This tea was known as ‘one leaf for one Spirit stone’, and drinking the tea was like drinking spirit Qi! It’s extremely beneficial to cultivators!”

Fang longqi did not give Chen Xiaobei a chance to refuse. He picked up the teapot and poured Chen a cup of tea.

Obviously, Fang longqi thought that he had gained Chen Xiaobei’s trust. He wanted to make Chen Xiaobei curious about the tea so that he could plot against Chen Xiaobei.

It had to be said that this pre-rain spirit Mist Tea did sound good. One tea leaf was equivalent to one upper-grade spirit stone.

However, Chen Xiaobei had to spend tens of billions of upper spiritual stones just to cultivate. He would die if he just drank tea.

That was why Chen Xiaobei was not interested in the tea at all.

Besides, Chen Xiaobei knew that Fang Long’s tea was life-threatening. Only a fool would drink it.

“I order you to put down the tea and come back to say what you should say!” Chen Xiaobei was very interested in the information, or he would have killed Fang longqi long ago.

bro bei, calm down ... Fang longqi was all smiles as he brought the cup of tea to Chen.

“What’s wrong? You don’t even listen to my orders?” Chen Xiaobei said coldly.

“Whoosh ...”

Fang longqi knew that he could no longer continue acting, so he poured the tea on Chen Xiaobei.

From this action, it could be seen that the cup of tea was poisonous! Furthermore, even if Chen Xiaobei did not drink the tea, he would still be poisoned if his skin touched it!

Chen Xiaobei knew that there was something wrong with the tea, but he did not expect Fang longqi to resort to such desperate measures.

More importantly, the two of them were standing very close to each other. Even Chen Xiaobei could not react in time.

“Shit ...”

Chen Xiaobei's heart tightened.

The moment he thought of this, the tea had already splashed on Chen Xiaobei and stained his right hand.

### Red Envelope Group of the Three Realms

#### **Chapter 3143**

3143 Almost peed in fear

"Hahaha! Chen Zhufeng! You piece of trash! I thought you were more awesome! I didn't expect you to fall into my hands so easily!"

Fang longqi laughed out loud. He was so excited that it was as if he had been injected with chicken blood. It was as if getting rid of Chen Xiaobei was the greatest achievement of his life.

"What?"

Even though Chen Xiaobei's tea was contaminated by the weird tea, he did not feel that anything was wrong.

There was no pain, no weakness, no dizziness, and no signs of poisoning.

Chen Xiaobei was stunned. He could not figure out what was going on.

Seeing Fang longqi's maniacal attitude, he was sure that there was something wrong with the tea. As long as the tea touched the skin, it could completely suppress the immortal cultivator.

But, if there was really something wrong with the tea, why was Chen Xiaobei completely fine?

"Chen Zhufeng! You didn't expect this, did you? I've already eaten Shen shangxian's dog food a long time ago, there's no f \* cking use if you give me more dog food! I've been scheming against you all this time! He had finally succeeded today! Hahaha ..."

Fang longqi saw that Chen Xiaobei did not move or say a word. He thought that Chen Xiaobei had fallen into the trap and started to shout, "This tea has been mixed with the essence spirit poison concocted by exalted immortal Luyue!"

"Yuan Shen Magic Poison?" Chen Xiaobei's brows furrowed as if he had thought of something. He then sat down on a chair not far away and began to put on a show.

"That's right! It's the essence spirit poison!"

Fang longqi said proudly, "this strange poison is actually a primordial spirit attack of a seven-star heaven immortal!" So it's definitely colorless and odorless. Even the best Chinese medicine doctors can't detect its existence!"

once you're hit, your true Yuan and strength will be paralyzed, and you won't be able to use it at all. You'll be like a fish on the chopping board, waiting for me to slaughter you!

Obviously, Fang longqi had been in contact with Shen Gongbao for a long time. In order to deal with Chen Xiaobei, he had obtained this poison from Lu Yue. Today, he finally had the chance to do so.

“What a powerful poison ...”

Chen Xiaobei put on an act, pretending to be shocked and scared. His voice was weak, but he was laughing on the inside.

He finally knew why the problematic tea had no effect on him.

This was because not long ago, Chen Xiaobei had used the formless chaos Dharmakaya to devour a spiritual light relic.

This allowed Chen Xiaobei’s avatar to inherit the sarira’s special ability.

Spiritual light!

This special ability could originally withstand the primordial spirit attack of a four-star heaven immortal. However, the devouring of the evil bone ancestral Demon King’s skeleton had stimulated his massive potential.

It made the spiritual light Kasaya able to withstand the primordial spirit attack of a nine-star heaven immortal, and the defensive strength of the avatar soared to the peak of the earth immortal level.

The Dharmakaya was the protective shell of the Yuanying. If the Dharmakaya was strong enough, the Yuanying could rest easy.

Chen Xiaobei had indeed touched the cup of tea, but the essence spirit poison was only a seven-star heavenly immortal. It could not harm Chen Xiaobei with the protection of the spiritual light.

However, Fang longqi did not know about this at all. He was extremely proud of himself, as if he had won a great battle.

“Uh ... I guess I’m done for today ...”

Chen Xiaobei activated his Best Actor aura and asked weakly, “If I’m not wrong ... You’ve contacted Shen Gongbao, haven’t you?”

“Right!”

Fang longqi said excitedly, “you said you were coming, so I contacted exalted immortal Shen!” You can just wait for your death! Shen shangxian already hates you to the bone! He’ll definitely torture you ruthlessly and make you wish you were dead!”

it’s over ... It’s over ... Chen Xiaobei was in despair but he was laughing inside.

Last time, Shen Gongbao had escaped from him in The Omen Ridge. This time, he could catch this guy!

Not only was this guy full of evil tricks, but he also had a lot of secrets in his head. As long as he could capture him, Chen Xiaobei would be able to get more important information than when he captured Lu Yue!

“Hahaha ... Chen Zhufeng, you’ve been wise all your life, but you failed miserably in the end! It was too ironic! It was too laughable! That’s so stupid!”

Fang longqi was so happy that he stood in front of Chen Xiaobei and mocked him. He wanted to tell the world that he had taken down the famous Chen Zhufeng.

.....

After a while, someone finally came to the courtyard.

It was not Shen Gongbao, but a skinny old monk with white eyebrows.

“Master Kong du! Why are you here?”

Fang longqi quickly went up to the old monk and welcomed him with great respect.

“Exalted immortal Shen suspected that Chen Zhufeng was cheating, so he didn’t come personally. He only ordered me to come and kill Chen Zhufeng! It’s a great achievement to be able to bring back Chen Zhufeng’s body and treasures!”

Master Kong du squinted his eyes. He looked kind, but in reality, his eyes were full of murderous intent.

“Exalted immortal Shen is overthinking!”

Chen Zhufeng has already been poisoned by exalted immortal Luyue. He can’t move in the study. If we really want to kill Chen Zhufeng, why would we need Master Kong du to do it? ” Fang longqi said seriously. Isn’t it the same if you let me do it?”

of course! Master Kong du nodded and said, ” if you’ve really taken care of Chen Zhufeng, then it doesn’t matter who kills him! My mission is to bring his body and treasure back safely!”

Fang longqi was a little surprised and said, ”Master’s mission is to transport Chen Zhufeng’s body and treasures? Does that mean I have a new mission?”

“Yes, I am!”

Master Kong du nodded heavily and said in a deep voice, ”Your new mission is to immediately return to the headquarters in Tianji city. Act as exalted immortal Shen’s hidden chess piece and lie in ambush, waiting for the next order!”

“Understood!”

can I see Chen Zhufeng die first? ” Fang longqi asked. can I go to the headquarters in Tianji city after I see him die? ”

“Of course you can!”

Master Kong du grinned and said, ”You’re the main reason why we’re able to defeat Chen Zhufeng! I can even let you kill Chen Zhufeng with your own hands!”

“That’s great!”

Fang longqi was extremely excited. if the world knows that I killed the famous Chen Zhufeng with my own hands, the name Fang longqi will shake the entire earth-god Realm! Just thinking about it made him feel great! Hahaha ...”

“Idiot! Who do you want to kill?”

Chen Xiaobei walked out of the study room and looked at Fang longqi with disdain, as if he was looking at a lowly ant.

“Chen! Chen Zhufeng!”

Fang longqi and Zen Master Kong du were dumbfounded. They almost peed their pants.

### Red Envelope Group of the Three Realms

#### **Chapter 3144: instant kill with one sword**

“Chen Zhufeng? You ... Why are you fine?”

Fang longqi’s eyes were as wide as a bull’s, and his mouth was so wide open that a fist could fit in.

“Fang longqi! You idiot! Didn’t you say that you’ve already taken care of Chen Zhufeng?”

Master Kong du looked as if he had seen a ghost. He was so scared that his face turned pale and his pupils contracted. He was even trembling.

There was no doubt that the difference between a poisoned Chen Xiaobei and a perfectly fine Chen Xiaobei was like the difference between a kitten and a prehistoric Qilin!

Just a moment ago, Fang longqi and Zen Master Kong du thought that they had Chen Xiaobei in the palm of their hands, and that anyone could kill Chen Xiaobei.

However, Chen Xiaobei did not show any signs of being poisoned at all. The tables had turned. Chen Xiaobei could kill Fang longqi and Master Kong du with any method he wanted.

“Hmph! You want to kill me with your little tricks? Then I’m afraid I’d have died 108000 times!”

Chen Xiaobei’s eyes were filled with murderous intent. “Shen Gongbao is smart. He guessed that I wouldn’t die so easily, so he didn’t come over! Otherwise, he would not be able to escape from me today!”

why ... Why did it turn out like this ...

Fang longqi’s expression was as if his father had just died. He felt as if he had fallen from heaven to hell, and his heart had suffered a trillion blows.

“Fang longqi, you stupid pig! I’ve been killed by you ...”

Master Kong DU’s expression was similar to Fang longqi’S. He had come to complete the mission happily, but he had ended up in the arms of the Grim Reaper.

“You two are Shen Gongbao’s loyal dogs, right?”

Chen Xiaobei had a few more questions to ask, but now that things had come to this, the other party would not answer even if he asked.

“Run! Split up and escape!”

Master Kong du roared as he leaped into the air. In the blink of an eye, he was hundreds of meters high. From this, it could be seen that his cultivation had reached at least the eight-star earth-god Realm.

“I can’t run away! Master Kong du! Quickly leave!”

Fang longqi’s cultivation was too low to fly. He could only take out his magical equipment to stall Chen Xiaobei and buy time for Master Kong du to escape.

It was a heavy shield. Judging from the spiritual fluctuations, it had reached the level of a five-star earth-god, which was a very good defensive magical treasure.

Obviously, Fang longqi had completely given up on his plan to escape. All he wanted to do was to protect his companion from Chen Xiaobei.

heh, if I let the two of you get away from me, I’ll become the laughing stock of the earth-god Realm!

Chen Xiaobei slowly raised his right arm and flipped it.

“Woof!”

In the blink of an eye, an extremely sharp blood-colored sword Qi suddenly gushed out!

“BOOM!”

The blood-red sword Qi was like a Blood Dragon, and it hit Fang longqi’s shield.

In an instant, the thick shield was pierced through by the blood Dragon Sword Qi as if it was made of paper. It then completely shattered.

“Uh ...”

The next moment, Fang longqi’s dantian was also pierced by the blood Dragon. The Dragon claws and fins even tore his body and soul apart, ending his life.

“Swish!”

Then, the blood Dragon Sword Qi drew a huge arc that looked like a rainbow. It crossed thousands of meters between the sky and the earth and suddenly caught up with Master Kong du, who had already escaped into the clouds!

A sword of 8000 meters, capable of falling even the sun and moon!

“Chi ...”

A sharp whistle was heard and master hollow felt a chill down his back. Before he could react, his entire body was split into two by the blood Dragon Sword Qi like firewood.

“Whoosh! Whoosh! Whoosh ...”

Master Kongkong didn’t even have time to scream before countless strange blood-red patterns exploded from the blood Dragon Sword energy.

The strange blood-red patterns instantly condensed into a huge beast head.

”

With the terrifying roar of a beast, the strange beast’s head swallowed Master Kong DU’s body and nascent soul in one bite.

That’s right!

The blood Dragon Sword energy was the sword energy of the chaos Blood Sword!

As for this strange beast’s head, it was the special ability of origin devouring!

After the battle at the East Sea, the chaos Blood Sword had devoured the Dharmakaya and nascent soul of three peak earth-god level cultivators and still remained a peak earth-god level instrument.

In terms of speed, strength, and special ability, the chaos Blood Sword had become one of the most powerful existences below heaven immortal artifacts.

In front of the chaos Blood Sword, even a peak-stage earth immortal would be suppressed, not to mention Fang longqi and master kongdu, these two good-for-nothings who were far from reaching the peak-stage earth immortal realm.

Just as Chen Xiaobei had said, it would be a joke if they were to escape.

“Swish!”

The chaos Blood Sword returned to Chen Xiaobei’s hand.

In less than three seconds, the two enemies had been completely wiped out without any suspense.

“Although Fang longqi didn’t tell me all the information about the forbidden Lands, the endless Dead Sea is my primary goal right now. The prison of heaven is my secondary goal. It won’t be too late to investigate the rest after I conquer these two Forbidden Lands!”

Chen Xiaobei kept the chaos Blood Sword and said, ” as for Master Kong du, he’s at least an eight-star earth immortal. If Shen Gongbao wants to take him in as a loyal dog, he’ll have to use super heavenly dog food!

“If Shen Gongbao had exchanged for super heavenly dog biscuit, then the exchange price of super heavenly dog biscuit in the human world should have decreased accordingly! If that’s really the case, then it’s a good thing for me! Hehe ...”

Without hesitation, Chen Xiaobei activated the merit points ledger.

With just a thought, Chen Xiaobei found the option for super heavenly dog biscuit.

[ super heavenly dog biscuit: Xiao Tianquan’s Secret recipe. It can make all living beings below two-star heaven immortal 100% loyal. ]

[ 500 million merit points for one pill! ] Do you want to exchange?

“500 million for one!”

Chen Xiaobei was taken aback. "Shen Gongbao is really going all out this time! Even if it's me, I can't bear to exchange a large amount of them!"

Obviously, the failure in The Omen Ridge had completely exhausted the patience and confidence of the clan of Enlightenment's higher-ups in Shen Gongbao.

At present, Shen Gongbao had basically lost the support of the higher-ups of the clan of enlightenment, so he could only rely on himself to carry out the future plan.

He had already exchanged for high-grade heavenly dog biscuits, and the price was as high as 500 million Yuan each!

One could only imagine how terrifying the price was when he exchanged for the first super heavenly dog biscuit!

Of course, since Shen Gongbao had become the pioneer, the number of super heavenly dog food in the human world would gradually increase, and the price would slowly decrease.

I definitely won't exchange for it now. When I have to exchange for it in the future, it might even be cheaper!

"Now, it's time to release Lord scorching heat." Chen Xiaobei said.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3145: Western bull in turmoil**

When Fang longqi had been controlling Lord scorching heat, Chen Xiaobei had sealed her in the spirit-condensing space.

At this moment, Fang longqi had already been killed, and even his soul had been completely wiped out. Lord scorching heat no longer had anyone he had to be loyal to. With his heart back, he would naturally regain his freedom.

"Mm ..."

After Lord scorching heat came out, he was still not used to it.

His handsome face was a little pale and Haggard, and there was a hint of confusion between his cold and proud brows. He was stunned for a long time before he finally came back to his senses.

Childe Chen?!

Lord Chi Ling looked at Chen Xiaobei in surprise and said, "Are you the one who helped me return to normal? I was poisoned by Fang longqi and I only wanted to kill you ... But now, I've completely given up on that thought!"

Obviously, the effect of dog food was only to deceive people's hearts, but it would not erase people's memories.

Therefore, Lord scorching heat could still remember everything that had happened earlier clearly.

"That's right."

yes! Chen Xiaobei nodded. you were indeed controlled by Fang longqi. But I've already killed him. Now, you're free!

"Freedom ... That's great!"

As if he had been granted Amnesty, Lord scorching heat asked impatiently, "I've been controlled for too long, and I haven't been able to investigate the secret of the divine time sand for master! Childe Chen, have you made any new discoveries?"

"I have indeed discovered something."

"I have a friend who might be able to control the divine time sand!" However, the divine time sand is of utmost importance to me, so I can't give it to you! However, if you're willing to tell me what your master needs, I might be able to lend you the divine sand of time and solve your master's problem first!"

"This ..."

Lord scorching heat frowned slightly. master's question is difficult to answer. I can't tell you without her permission. However, you can go and control the divine time sand first. I'll give you an answer after contacting master!

"Sure!"

"I don't know! Chen Xiaobei said, " anyway, I owe your Sifu a favor. As long as it's within my power, I'm willing to help her!

Childe Zhufeng is a loyal man. I thank you for your help! "I'll take my leave first then. I'll contact Childe Zhufeng again if there's a need!" Lord scorching heat said.

"Alright," he said. Chen Xiaobei nodded and watched as Lord Chi Ling left.

After that, Chen Xiaobei took out his phone and gave the king Kong a call.

The Vajra was originally from the ten thousand Buddhas Pagoda. It was first controlled by Chen Xiaobei's Soul Hunter, and then it sincerely wanted to follow Chen Xiaobei.

The king Kong was safely brought back to the ten thousand Buddhas Pagoda by Chen Xiaobei. He was now waiting for Chen Xiaobei's orders as a hidden chess piece.

Obviously, Master Kong du, who was sent by Shen Gongbao, was not a reincarnated ancient immortal, so he was most likely a Buddhist from aparagodaniya.

Even though Chen Xiaobei was not in a hurry to kill Shen Gongbao, he had to know his enemy well so that he would not fall into Shen Gongbao's trap without knowing it.

"Bro bei! You've finally called!"

Soon, the demon fighter's excited voice came from the other end of the phone, "A lot of things have happened in aparagodaniya recently, and my three views have been refreshed countless times!"

"Don't worry! I'll ask you first!"

Chen Xiaobei asked, "What's master Kong DU's background? Is he related to the recent happenings in aparagodaniya?"

"Bro bei! You're simply godly!"

The Vajra said excitedly, "This Master Kong du was originally the ruler of an Emperor-ranked power in the aparagodaniya continent. He was far inferior to the peak powers in all aspects!"

"But not long ago, Master Kong du got to know a mysterious person known as 'shangxian'! The forces under it began to grow crazily and even openly declared war on the heavenly Dragon Temple!"

"You should know that the heavenly Dragon Temple is a peak force with a strong foundation! In the end, they were forced to retreat by Master Kong DU's forces! We've even lost dozens of cities in a row!"

what's even more incredible is that the two top forces, ten thousand Buddhas Pagoda and three saints nunnery, don't dare to interfere. They just watch Heavenly Dragon Temple being attacked and even the situation of the entire aparagodaniya continent will change!

The Vajra got more and more excited as he spoke, "I'm serious!" I never thought that something like this would happen! If the situation continued to develop like this, the heavenly Dragon Temple might be destroyed! This is simply too traumatizing!"

"Listen well, the shangxian behind Master Kong du is called Shen Gongbao. He's my sworn enemy!"

"From now on, other than being a hidden chess piece in the ten thousand Buddhas Pagoda, you have two more missions!"

bro bei, please tell me! The Vajra truly wanted to follow Chen Xiaobei. Even if he did not eat the dog food, he was still willing to serve Chen Xiaobei.

first, Master Kong du is dead. I want you to sneak into their territory and gather some useful information! Chen Xiaobei said.

"What? Master Kong du is dead? This ... How is this possible?"

The Vajra was shocked and couldn't believe his ears, "A few days ago, master Kungfu arrogantly declared that he would completely swallow up the heavenly Dragon sacred domain and establish a new peak force! How could he die just like that?"

"I killed him a few minutes ago." Chen Xiaobei said.

"This ..."

As if struck by lightning, the Vajra was stunned for a few seconds before he exclaimed, "Bro bei! You're simply too awesome! Master Kong du was unstoppable in aparagodaniya, but I didn't expect him to die the moment he bumped into you ..."

"He's just a piece of trash, what's the big deal? The real difficult person is Shen Gongbao!"

Chen Xiaobei said, "Your second task is to find a way to lock onto Shen Gongbao's position while ensuring your own safety! Once there's any news, inform me immediately!"

“Understood!” don’t worry, bro bei! the king Kong promised. I will do my best to complete the mission!

“I believe you!” “ yes! Chen Xiaobei said, ” after you complete this mission, I will take you into bei Xuan faction and pass you the cultivation of a peak earth-god! That’s your first wish!

The demon Vanquisher Vajra was extremely excited when he heard this. “Thank you, bro bei ... Oh no! Disciple thanks sect master for your help in advance!”

The king Kong had submitted to Chen Xiaobei and Bei Xuan because it had seen how powerful they were. It wanted to use its loyalty to exchange for a chance to break through to the next level.

With Chen Xiaobei’s promise, the king Kong was willing to give it its all, even if it had to risk its life.

After all, without Chen Xiaobei’s help, the demon fighter would never be able to fulfill his wish!

“Chi ...”

After that, Chen Xiaobei hung up the phone, summoned the somersault cloud, and headed towards the southernmost part of the Nanzhan state, the wild mountains.

“Before I go to the endless Dead Sea, I have to find Emperor River.”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3146**

3146 Blood Sword golden seal

Savage barren mountains.

Because of the thin spiritual energy, very few people would usually set foot in this place.

But this time, when Chen Xiaobei arrived, he found very obvious signs of human activity.

There were many footprints in the soil of the mountain, some huge rocks had traces of being moved, and the bushes near the cave were also overturned.

From this, it could be seen that there were many people in the wild mountains, and these people were carefully searching for something.

Chen Xiaobei carefully took out the Nightstalker outfit that he had not used for a long time. After hiding himself, he started to run through the forest, heading straight for the Emperor River.

However, the closer Chen Xiaobei got to the location, the more he realized that the area had been searched.

“Could it be that those people are also looking for Emperor River?”

that can’t be ... Chen Xiaobei frowned. other than me, the master of the contract, no one else would know the location of Emperor River!

“There are only two possibilities! First, Emperor Jiang had exposed his position! Second, the other ancestors of sorcery have used some secret skill or bloodline resonance to lock onto the Emperor River.”

Chen Xiaobei did some simple calculations. Indeed, these were the two most likely scenarios.

After all, the enemy had started their search from the outskirts of the forest. It was clear that they did not know the exact location, only a rough area.

the point is that these people went to search for Emperor River, but they didn't contact me in advance. They must be enemies, not friends!

Chen Xiaobei was on high alert, ready to use his strongest trump card at any time.

"Chi ... Chi ..."

Finally, after crossing the mountain, a huge formation appeared in Chen Xiaobei's sight.

The magical formation was very far away, probably tens of thousands of meters away from Chen Xiaobei.

But Chen Xiaobei could still see it clearly. One could only imagine how huge the formation was.

Chen Xiaobei could also clearly sense a spiritual fluctuation. This meant that the magical formation was of a very high level.

More importantly, the formation was located exactly where Emperor River was.

"Shit! The enemy was indeed coming for the Emperor River! And much earlier than I did! But fortunately, the formation still exists, which proves that the Emperor River has not fallen into the hands of the enemy!"

Chen Xiaobei frowned and summoned Zi Yuan.

"Swish!"

let's go! Zi Yuan immediately used his peak nine-star speed and flew in that direction with Chen Xiaobei.

The distance of tens of thousands of meters was nothing for a peak earth immortal realm warrior. Soon, the two of them had arrived.

As expected, it was a huge battle formation formed by millions of people. Moreover, from the spiritual fluctuations, it had even reached the late-stage one-star earth immortal realm! It was above any existing array and battle array in the earth immortal world.

"The Emperor River seems to be under the enemy's control!"

Chen Xiaobei focused his gaze and saw a handsome young man standing in front of the formation.

This young man was the head of the twelve ancestors of sorcery, Emperor Jiang!

He already had the cultivation of a peak earth level deity, but at this moment, his body was enveloped by the spiritual light released by the formation. He could not move at all and could not make any counterattack.

Xiaobei Gege ... In this situation, there's no way we can break the formation and save them ...

Zi Yuan's little face was filled with anxiety. He pouted and said, "That battle formation is too powerful. Even the Dragon's edge can't break it! If we rashly approach, even we will be imprisoned!"

The demonic Dragon tribulation could only exert the power of a one-star mid-stage earth immortal, which was one small realm away from the enemy's magic formation. It was impossible to break the formation by force.

From a distance, even Emperor River was trapped. If Chen Xiaobei and Zi Yuan were to get too close, they would be walking right into a trap.

I know that, but I have to save Emperor Jiang no matter what!

Chen Xiaobei's eyes were cold. Even though he knew that there was danger ahead, his heart was determined and unquestionable.

"Woof!"

Just as Chen Xiaobei and Zi Yuan were observing the situation from afar, a terrifying blood-red sword Qi suddenly appeared in the air and slashed down from hundreds of meters away.

In the blink of an eye, the blood-red light turned into a huge sword!

The sword was blood-red in color. It was a hundred thousand feet long and a hundred feet wide. It drew a huge arc, like a blood-colored waterfall, and suddenly attacked!

"Not good! It's a heaven-immortal artifact!"

Zi Yuan turned pale with fright and couldn't help but scream.

"Blood Sky-raising sword! It's the Blood Moon Swordmaster!"

Chen Xiaobei was also shocked.

He did not expect to meet the Blood Moon Swordmaster here.

A long time ago, Chen Xiaobei had personally witnessed the terrifying power of this Blood Sword.

This sword was the Blood Moon Swordmaster's Natal heaven immortal weapon. It had once broken the nine Brahman Golden Bell formation and could be considered a sinister and ferocious killing weapon!

"Clang ..."

Chen Xiaobei's face changed as he took out his Dragon's edge.

Although there was only 60 billion upper spiritual stones of spiritual Qi left in the Dragon's edge, it would soon be exhausted if it was rashly activated.

Chen Xiaobei did not have any other trump card that could block the sky-Blood sword's attack.

Even if he had to use up all his spiritual energy, he had to save his life first.

"Woof!"

Suddenly, a loud Bell rang from behind Chen Xiaobei.

"Whoosh ..."

The sound of the bell contained a huge amount of ethereal force, which suddenly formed a huge swastika in front of Chen Xiaobei.

This swastika Buddhist seal was like a bright sun that emitted an extremely dazzling golden light. It illuminated the entire world with a golden light that was sacred and majestic.

“BOOM!”

In the next moment, the sword Qi of the blood Sky-raising sword hit the Golden swastika seal.

Like a sharp sword piercing a strong shield, both sides were destined to be enemies.

The killing power of the blood Sky-reaching sword and the defensive power of the swastika Buddhist seal were almost equal. The confrontation ended in a draw, and the sword Qi and Buddhist seal both dissipated.

Chen Xiaobei heaved a sigh of relief. He was safe and sound, and he had saved at least 30 billion high-grade spiritual Qi.

“Swish!”

The next moment, a figure rushed out from the tree in front of him.

The man’s white hair was blowing in the wind, but he looked very young, about 20 years old. His eyes were golden red, which made him look very evil.

“Swish!”

At the same time, another figure came from behind and came to Chen Xiaobei’s side.

She was extremely beautiful, and her figure was perfect. Even if she didn’t have a strand of hair, she was definitely a top-class beauty.

Chen Xiaobei’s eyes lit up as he looked at her. He then laughed, ” “Grandmaster fan Qing! I haven’t seen you for a few days, and you’re even more beautiful than before!”

#### **Chapter 3147**

3147 The battle between Buddha and demon

That’s right!

The bald beauty beside Chen Xiaobei was none other than the heaven’s chosen saintess of three saints temple, Yun fanqing!

“Childe Chen ... I’m a monk! Please mind your words ...”

Yun fanqing’s face had been cold and serious, but Chen Xiaobei’s words made her blush. Her eyes flickered, and she looked very shy.

“Hmph! Once you see a nun, you will lose any bet!”

On the other side, the white-haired young man snorted in disdain. His voice was hoarse and gloomy, revealing a sense of vicissitude that did not match his appearance.

That's right!

This guy was the owner of the blood-sky sword! He was the master of the demonic religion a million years ago! A super genius with four different bloodlines! The Blood Moon Swordmaster!

"Blood Moon! I've been looking for you ever since you escaped from the seal. Today, I've finally found you!"

Yun fanqing composed herself, and a strong fighting spirit appeared in her beautiful eyes. The aura around her became very mysterious.

The aura was very sacred and majestic, as if there were Immortals and Buddhas from the nine Heavens protecting him. Yun fanqing's entire person was enshrouded in the protection of the Buddhist power. Evil could not invade him, and he was untainted by filth. He was extremely Holy!

Other people might not know, but Chen Xiaobei knew that this was the aura of the Buddha bone divine body!

Yun fanqing himself had natural Dharma bones and was a rare genius that was hard to come by among a trillion people!

However, at the beginning, Yun fanqing's Dharma bone divine body was not complete. After overdrawing his life force to seal the Blood Moon Swordmaster, he almost lost his life.

Fortunately, Chen Xiaobei had stepped in to save Yun fanqing's life and helped her to complete her Dharma bone divine body. His cultivation, physical body, and lifespan were all soaring.

That was why Yun fanqing owed Chen Xiaobei a huge favor and wanted to repay him.

"Oh?"

The Blood Moon Swordmaster's eyes narrowed and he sneered. "I didn't expect that after not seeing you for a while, your Dharma bone divine body has already reached the phenomenal success stage! Is this the reason you have the courage to confront me?"

Yun fanqing's pretty face was cold, and her red lips made a promise as sharp as a sword. "Eradicating the Blood Moon is the lifelong duty of the three Holy nunnery's saintesses! This has nothing to do with courage. As long as there's a chance, I'll do it without hesitation until I die!"

"Idiot!"

The Blood Moon Swordmaster's golden eyes were filled with disdain. He said coldly, "Wealth, sex, power, and desire, which one is not good? You haven't enjoyed anything at such a young age, yet you're going to risk your life for your Bullsh \* t duty. Is it worth it?"

I'm doing this for the people of the world. One person's life in exchange for the lives of a trillion people is naturally worth it! Yun fanqing's Dao heart was stable, so she naturally would not be tempted by the Blood Moon Swordmaster's words.

“You’re so stubborn!”

The Blood Moon Swordmaster snorted and said in an extremely domineering manner, “Since you want to play with your life, I’ll fulfill your wish! I also want to see if your Dharma bone divine body or my four blood devil body is stronger!”

“Whoosh ...”

Before he finished his sentence, an extremely strange bloodline ability was triggered from the Blood Moon Swordmaster’s body!

In an instant, the Blood Moon Swordmaster’s Crimson-golden eyes bloomed with a dazzling radiance like two precious pearls. They were dazzling and domineering—a characteristic of the demon race’s bloodline.

Then, a pair of huge red-golden wings made of flesh grew on his back like bat wings. This was a characteristic of the blood clan.

Then, sharp claws grew out of his hands and feet, as well as rock-like scales. These were the bloodline characteristics of the beast race.

In the end, three pairs of twisted horns grew out of his forehead, as if he was wearing the crown of a demon. This was a characteristic of the demon race’s bloodline.

Clearly, the Blood Moon Swordmaster was powerful not only because he had a heaven-immortal weapon, but also because he had four bloodlines. His physical strength was strong, and his special ability was sinister. He was almost unrivaled among those of the same level.

“Childe Chen, leave now! This place is too dangerous!”

Yun fanqing’s brows furrowed. Although her Dao heart was firm and she would fight to the death, in the end, she did not have the confidence to win. She was afraid that if she lost, Chen Xiaobei would also be in danger of dying.

Chen Xiaobei was surprised. “Actually, I can stay and help you ...” He said.

“You can’t help me!”

Yun fanqing did not wait for Chen Xiaobei to finish and urged, “If I didn’t make a move just now, you would’ve been dead long ago. You staying here will only distract me! I can only fight with all my strength when you’re gone!”

Chen Xiaobei was speechless.

He was just a little reluctant to waste his spiritual energy just now, but it was not that he had no way to protect himself.

However, Yun fanqing did not know about Chen Xiaobei’s trump card. That was why he was so worried about Chen Xiaobei.

“You want to leave? Ha, do you think I’m a vegetarian?”

On the other side, the Blood Moon Swordmaster had already grabbed the blood-sky sword with both hands and charged over at an extremely fast speed. "Today, neither of you can leave! I'm going to take everything from you with my own hands! To the great Galatian demon!"

"Young master Chen! Hurry up! I'll go stop him!"

Yun fanqing's eyes narrowed, and her delicate body rushed out in the air. The Jiufan Golden Bell behind her grew from small to large, following her like a shadow.

"Galatian demon? Could it be a reincarnated ancient devil under the command of mo Luo Wu Tian?"

Chen Xiaobei did not leave. Instead, he stood there, deep in thought. "The Blood Moon Swordmaster was originally a member of the six-faction Alliance under Xu Fu's banner and should be serving the clan of enlightenment. Why is he working for the demonic sect? Could it be that this guy has already become a spy?"

Chen Xiaobei immediately became alert. He activated his golden gaze fiery eyes and scanned his surroundings. If the Blood Moon Swordmaster has really submitted to the otherworldly demonic forces, there might be other reincarnated ancient demons nearby!

"BOOM! Boom ..."

At the same time, the Jiu fan Golden Bell and the Xue Qingtian sword had already engaged in a fierce battle on the battlefield.

The two heaven immortal artifacts were equally powerful, and they were locked in a fierce battle.

At the same time, the Blood Moon Swordmaster used his will to control the sword while his actual body charged towards Yun fanqing.

Yun fanqing let the weapon spirit of the Jiu fan Golden Bell fight on its own while he attacked the Blood Moon Swordmaster.

Dark Devil Flash!!!

The Blood Moon Swordmaster roared in Fury, and the three pairs of six horns on his head burst out with Black Spirit light.

"Boom boom boom ..."

The six spirit lights merged into one, like a huge laser electromagnetic cannon, and suddenly shot out a black light wave as thick as a Dragon.

This light wave contained an extremely dense aura of destruction. It was as if an ancient demonic God of Destruction had descended upon the world, bringing the end of the world to all things and all living beings.

"Dharma bone divine marrow!"

Yun fanqing's expression did not change. She raised her hand and drew a swastika seal in front of her.

The swastika Buddha seal seemed to have been imbued with Yun fanqing's purest essence, Qi, and spirit, exuding a pure yang and sacred Buddhist power.

"Whoosh ..."

All of a sudden, the dark shock wave and the crystal Light Buddha seal collided!

### Red Envelope Group of the Three Realms

#### **Chapter 3148: sneak attack**

"Whoosh ..."

Like ice and snow colliding with fire, the terrifying impact of the dark spirit light quickly melted and dissipated after colliding with the crystal Light Buddha seal. Not only was it unable to hurt Yun fanqing, but it was also suppressed and forced to retreat.

"What a good Dharma bone divine marrow! His every movement is supported by extremely strong Buddhist power, the greatest nemesis of evil spirits and Devils!"

The Blood Moon Swordmaster's eyes narrowed. Although his attacks were completely restrained and he was even forced to retreat, he did not feel any fear.

"Since you know that I'm your nemesis, then don't put up any pointless resistance! Surrender and let me seal you. At least you can keep your life!"

Yun fanqing shouted in a low voice, very domineering.

As he spoke, the special ability of the Dharma bone divine marrow was further strengthened, and it suppressed the dark spiritual light.

The crystal Buddhist seal was about to destroy all the dark spiritual light and Strike the Blood Moon Swordmaster.

However, even in such a situation, the Blood Moon Swordmaster's expression did not change and he was as calm as ever.

"Heh, I have four types of bloodlines. Even the monster race, demon race, and blood race are restrained by your Dharma bone divine marrow. However, I also have the bloodline of the beast race that is definitely not evil! Furthermore, there's also the complementary primordial spirit attack of the four branches!"

The Blood Moon Swordmaster laughed sinisterly, and his battle intent boiled instantly. His killing intent even exploded. the one who should really surrender is you, Yun fanqing!

"Woof! Whoosh!"

In the next moment, the Blood Moon Swordmaster waved his arms.

The beast claw, which was like a heavenly hook, suddenly pulled out ten sharp and unparalleled radiances.

This kind of sharpness was supplemented with a metal attribute true Qi that focused on killing. Not only was it not an evil force, but it also revealed a fierce and violent aura.

“The four meridians complement each other! It’s invincible!”

At the same time, the Blood Moon Swordmaster let out a furious roar.

In an instant, the power of the blood race’s bloodline was added to the power of the demon race’s bloodline, then to the demon race’s bloodline, and finally to the beast race’s bloodline.

This four-Meridian primordial spirit attack was similar to Chen Xiaobei’s five elements Dao.

All of them were unleashed with a single force, strengthening it layer by layer, and finally erupting with a battle prowess that far exceeded one’s own cultivation base.

Of course, in terms of actual combat power under the same level, the complementary of the four branches was far inferior to the five elements Dao.

However, the five-element great Dao required five-element objects as a medium to operate its power, which was relatively more troublesome and consumed more energy.

Although the four meridians complemented each other, the increase in power was relatively small, it did not require a medium. It could be said to be very convenient. Moreover, in a battle of the same level, it would have an absolute advantage.

“Swish!”

As expected, as the Blood Moon Swordmaster’s ten claws slashed down, the extremely powerful Crystal Light Buddha seal was instantly torn into pieces. The Blood Moon Swordmaster was not hurt at all.

“Shit ...”

Yun fanqing’s expression changed drastically. He did not expect the Blood Moon Swordmaster’s four Blood Fiend body to be so powerful.

The Jiu fan Golden Bell was held back by the blood Sky sword, and Yun fanqing had no other trump cards. If the Blood Moon Swordmaster came over, the battle would be without suspense.

“Go to hell!”

The Blood Moon Swordmaster was not a kind person. He flapped his golden wings and rushed over at a speed that was above that of a peak earth level deity.

“The four meridians complement each other!”

When he reached a distance where Yun fanqing could not Dodge, the Blood Moon Swordmaster waved his claws again!

Another ten extremely sharp claw winds, after being enhanced with four levels of power, transformed into ten huge moon-hooking Sickles and suddenly slashed at Yun fanqing!

“Woof! Buzzzzzz! Yi ...”

The ten claws were extremely fast and surrounded Yun fanqing from different angles, leaving her no chance to escape.

“We’re really done for this time ...”

Yun fanqing’s beautiful eyes were instantly filled with despair. Her pretty face turned pale, and her pupils shrank. There was nothing she could do other than wait for death.

“Idiot, I’m here. Don’t be afraid!”

Suddenly, Chen Xiaobei smiled and moved from behind Yun fanqing to in front of her.

Childe Chen?!

Yun fanqing turned pale with fright and could not help but scream, “the Blood Moon Swordmaster’s abilities are far beyond my imagination. You’re not his match. Quickly Dodge ...”

“Hide? Stop dreaming!”

The Blood Moon Swordmaster sneered and looked at Chen Xiaobei as if he was looking at an idiot. “If he had run from the start, he might have had a chance! However, not only did he not escape, but he even ran into the edge of the blade! With such a fancy way of seeking death, how could he still have a chance to live?”

“Heh, you know nothing about my trump card!”

Chen Xiaobei’s eyes were calm, and his lips curled into a devilish smile. “If you don’t have any other helpers, I’m afraid you can’t even block one of my weapons!”

“Clang!!!”

The chaos Blood Sword flew out of Chen Xiaobei’s hand and went straight for the Blood Moon Swordmaster!

“Eh? Why do you also have a Blood Sword?”

The Blood Moon Swordmaster’s expression froze for a moment, and his pupils suddenly shrank as if he had been electrocuted. His scalp went numb, and he shrieked in fear.

“What terrifying spirituality! What a strong killing intent! There was also the chaotic aura of the ancient times! This sword can compete with a half-step heaven immortal!”

“Beng! Beng! Beng ...”

As the Blood Moon Swordmaster shrieked, the chaos Blood Sword charged forward. Wherever it passed, the ten Crescent scythe Dharma images were destroyed without any resistance.

“Swish!”

As soon as the Dharma form was broken, the chaos Blood Sword was no longer obstructed. Like a demonic shadow, it suddenly stabbed towards the Blood Moon Swordmaster’s glabella with lightning speed.

“Oh my ...”

The Blood Moon Swordmaster gasped and tried his best to escape at his fastest speed.

However, although the Blood Moon Swordmaster was faster than an average peak earth immortal, he was much slower than the chaos Blood Sword.

The Blood Moon Swordmaster had already used all his strength to escape, but the chaos Blood Sword was getting closer and closer to him. There was no way for him to escape.

“Whoosh!”

However, just as the chaos Blood Sword was about to Pierce into the blood Moon Swordmaster’s dantian, a dark flowing light suddenly shot out from the depths of the forest below.

It was an arrow made of metal.

As the arrow shot out, it actually pulled out a huge pillar of light that looked like a meteor.

From the spiritual fluctuations, it had actually reached the one-star heaven immortal level.

Like a Black Rainbow piercing through the sun, the dark arrow arrived first even though it was launched later. It actually blocked the chaos Blood Sword before the Blood Moon Swordmaster was stabbed.

Although the chaos Blood Sword was extremely powerful, it was only a peak earth-god instrument. It had no chance of winning against a heaven-God instrument and was sent flying.

“It’s Lord Galos!”

The Blood Moon Swordmaster felt as if he had been granted Amnesty and cheered in surprise and joy. “Lord Galatian demon has arrived, Chen Zhufeng! Yun fanqing! Your death is here!”

“Whoosh!”

Before he could finish his sentence, the dark arrow changed direction and shot toward Chen Xiaobei!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3149**

3149 Galatian devil

this ... This is a real heaven-immortal artifact, not an illusory immortal artifact summoning clone!

Chen Xiaobei’s pupils constricted when he saw the arrow. He did not expect that his opponent would have a real heaven-immortal instrument!

The main reason why the heavenly Lord Yuanshi forbade the heavenly realm from privately sending red packets to the human realm was to prevent the balance of power in the human realm from being broken and to prevent the human realm’s environment from being destroyed or even destroyed.

Even the Dao ancestor had nodded in agreement to this heavenly rule.

But at this moment, in the enemy’s hand was a heaven immortal artifact that should not have belonged to the mortal world!

Who was so bold?

How dare he privately send a heaven immortal artifact to the human world!

“I can’t care so much! It’s more important to save your life!”

Chen Xiaobei activated the Dragon’s edge and unleashed its full power.

“Hiss!”

A dragon roar burst out from the nine Heavens. With sixty billion upper-grade energy as fuel, the terrifying power of a mid-stage one-star heaven immortal was unleashed!

Without a doubt, Chen Xiaobei did not just want to stay alive. He wanted to use this attack to defeat his enemy.

There was not much spiritual energy in the Dragon’s edge. If he could not defeat the enemy in one strike, he would be exhausted to death by the enemy.

“Chi ...”

The terrifying dark blade energy gushed out like a waterfall and merged into a giant dragon-Phoenix Dharma power that was 90000 meters long!

In an instant, an ancient and endless domineering aura crushed the entire scene like a tsunami!

It was as if a true sacred beast had descended upon the world, causing the heavens and earth to lose their color, yin and yang and the five elements to be thrown into chaos, and all living beings to prostrate themselves in worship!

my God ... What ... What is that!?

Yun fanqing was instantly stunned. His beautiful eyes widened in shock, and his pretty face turned pale. Even his state of mind was deeply shocked by the terrifying pressure, and he could not calm down at all.

A moment ago, Yun fanqing was worried that Chen Xiaobei would die in this battle and had urged Chen Xiaobei to leave.

But then, Yun fanqing was almost defeated by the Blood Moon Swordmaster. It was Chen Xiaobei who saved him, and the chaos Blood Sword almost took the Blood Moon Swordmaster’s life!

Yun fanqing was already shocked by Chen Xiaobei’s attack and had a whole new level of respect for him.

At this moment, Chen Xiaobei had unleashed the Dragon’s Edge’s strongest attack. Its combat power was several levels higher than the chaos Blood Sword.

This attack had completely changed Yun fanqing’s worldview. She would never have thought that Chen Xiaobei would have a one-star mid-tier heaven-God instrument in his hands.

One must know that before this, the strongest weapons in the earth-god Realm were the early one-star heaven-God instruments.

Although the middle stage was only one minor realm higher, in terms of strength, he could display an absolute suppression, and even a huge advantage that could not be made up for.

Yun fanqing was deeply shocked. He felt that he had never seen through Chen Xiaobei! They could not even guess who Chen Xiaobei was! It was like an endless black hole that he could not see through no matter what!

Thinking of this, Yun fanqing's pretty face could not help but blush slightly. He sighed inwardly. It's a good thing Childe Zhufeng didn't leave. Without his protection, I'm afraid I would have died today ...

"Clang!!!"

At the same time, the dark Dragon Emperor had already pressed down.

With a casual flick of his Dragon Claw, the dark arrow that was charging at him was deflected away. Then, he suddenly pressed down in the direction of the sword, trying to kill the jialuo Demon God who had shot the arrow.

"Whoosh ..."

The 90,000-meter-long Darkness Dragon Emperor was like a long river that reached the sky. The might that came crashing down made the entire mountain tremble.

Before it had even landed, the grass and trees were already dormant, the earth and rocks crumbled, and even time and space were distorted.

"Hmph! You think you can kill me like this?"

However, at this moment, a very pleasant female voice came from the forest.

Although it was a pleasant voice, it was clear that the voice was disdainful of Chen Xiaobei. It did not care about the Dragon's Edge's strongest attack at all.

"Fate sacrifice! One-star critical strike!"

The woman shouted. Sure enough, she had another trump card!

"Whoosh ..."

In an instant, an extremely mysterious power condensed at the place where the woman's voice came from, and a unique mysterious purple Qi was revealed!

Whoosh!!!

All of a sudden, another arrow was shot at him.

This arrow swept up the dark aura of the demon race and at the same time, it was wrapped in a mysterious purple Qi.

Although the power and speed of the first arrow did not seem to be much different from the first one, there was a vague sharpness that seemed to be able to steal away the heavens and earth.

Without a doubt, this arrow was different from the first one!

“Clang! Boom boom boom ...”

In an instant, the arrow and the dark Dragon-Phoenix collided head-on.

That arrow was clearly one minor realm lower, but it exploded with a terrifying power that completely put him at a disadvantage.

The dark purple gas exploded and the entire space seemed to be torn apart. Light waves twisted and light beams shot out, even blasting a huge hole in the dark Dragon Emperor energy construct.

In the next few seconds, the Black Dragon-Phoenix phenomenon was blocked by the arrow and could not advance an inch.

In the end, both sides ran out of energy and disappeared.

this ... This is a one-star critical strike!?

Chen Xiaobei was dumbfounded. “I burned 60 billion superior-grade spiritual energy, but I couldn’t even hurt a hair on him! This kind of critical hit can actually fight a battle one minor realm above. It’s simply too terrifying ...”

One should know that in the heaven immortal realm, the gap of one small realm could be a gap of hundreds of billions of combat power. It was countless times more difficult to fight across realms than in the earth immortal realm!

At this moment, Galos ‘arrows were truly capable of fighting above one’s level!

How could Chen Xiaobei not be shocked?

“Childe Chen! Quickly run!”

At this moment, Yun fanqing let out an extremely anxious cry.

The enemy’s strength was obvious. If there was only the Blood Moon Swordmaster, Yun fanqing and Chen Xiaobei might be able to fight him together.

However, there was another heavenly demon Galos who was far superior to the Blood Moon Swordmaster.

They had basically lost all chances of winning this battle.

Chen Xiaobei and Yun fanqing might even die Here.

“Swish!”

Indeed, what Yun fanqing was most worried about had happened!

The enemy would not give them a chance to escape.

All he saw was a dark shadow shooting up from the forest and in the blink of an eye, it was right in front of Chen Xiaobei.

At the same time, the Blood Moon Swordmaster did not stay idle. He rushed over and blocked Yun fanqing’s escape route.

“Heh, the famous Chen Zhufeng! You’re nothing more than this!”

The black shadow stopped in mid-air and revealed its true appearance. It was an extremely beautiful woman.

She had a head of purple hair, and her eyes were a demonic purple. She was dressed in a valiant dark purple outfit, and a black aura surrounded her. Although she was a demoness, she exuded a charm that other women did not have.

At this moment, her pair of Jade-like hands were drawing the bow and nocking the arrow!

The arrow was aimed at Chen Xiaobei!

#### **Chapter 3150**

3150 Dao extermination by mo Luo

There was no more spiritual Qi in the Dragon’s edge, and Chen Xiaobei only had one trump card left.

It was the one-star late-stage heaven immortal summoning talisman that he had seized from Shan Xiongxin during the war of the East Sea.

However, Galatian demon was already in front of him. He could release another one-star heaven immortal level arrow with just a release of his hand.

Even if Chen Xiaobei wanted to fight back, he would not have the time to use his trump card.

On the other side, the Jiu fan Golden Bell was pinned down by the blood Sky sword, while Yun fangqing was pinned down by the Blood Moon Swordmaster.

In this situation, Chen Xiaobei had lost all chances of survival. He was destined to die.

“Are you a reincarnated ancient immortal?”

Chen Xiaobei knew that he was going to die, but he could not show any fear on his face. He could only try his best to stall for time and try to find a chance to survive.

“What do you think?”

Galos’s lips were very thin and had a faint purple color. He curled his lips into a mocking smile that was as sharp as a blade.

Chen Xiaobei said, “The Blood Moon Sword Master is already a legendary figure in the human world! The fact that you can make him listen to your orders proves that your status should be above the human world!”

“You’re not stupid,”

“I’m indeed a reincarnated ancient devil!” Galos smiled faintly. When I was born, the initial tribulation of the dragon and phoenix had not yet broken out! When I died, the Jie sect was still at its peak!”

no wonder you could unleash such a terrifying attack! You’re an ancient demon! Chen Xiaobei said.

but why didn't the illustrated guide of the Three Realms give you any information? " Chen Xiaobei furrowed his brows in confusion.

Galatian demon was amused."I just praised you for not being stupid, and now you're an idiot again!"

Chen Xiaobei furrowed his brows. He really did not understand.

"Since you're about to die, I might as well tell you."

"Our demonic religion has already jumped out of the Three Realms and is no longer in the five elements!" Even the heavenly Dao can't restrain us, so how can our information be in the illustrated Handbook of the Three Realms?"

"What!"

Chen Xiaobei was shocked, " "Even the heavenly Dao can't restrain the demonic sect? This ... How is this possible?"

"You're making a fuss!"

Jialuo SkyDemon's long eyes moved, revealing a touch of pride. "Ever since the last immeasurable catastrophe, devil ancestor Wutian has been in seclusion! He's now an invincible existence below the sage Stage!"

"In this immeasurable catastrophe, devil ancestor Wutian will become a saint and kill Hongjun directly! Replace the so-called heavenly Dao with the Supreme devil Dao!"

It was obvious that Galos's words had revealed a lot of extremely important information.

First of all, mo Luo Wutian had already been revered as the ancestor of demons and had completely replaced Luo Yi's position in the hearts of all demons.

Secondly, it seemed that mo Luo Wutian had already found the opportunity to prove his way and become a saint. He would definitely make a breakthrough in this immeasurable cultivation tribulation.

The last and most important point was that mo Luo Wu Tian was not controlled by the heavenly Dao. He even wanted to replace the heavenly Dao with the demonic Dao.

Not long ago, Chen Xiaobei had only thought of going against the will of the heavens and was punished by the heavens.

And Mo Luo Wutian's idea was not only to go against the Dao, but to destroy it!

However, the heavenly Dao did not take any action against mo Luo Wutian. It did not suppress him or punish him. It was as if it could not restrain mo Luo Wutian at all.

Chen Xiaobei was reminded of another thing that Galatian demon had said!

The demon race was out of the Three Realms and not within the five elements.

Perhaps, the legendary Devil world that was connected to the ancient Barrens was the Fourth World that was independent of the heaven, earth, and human realms.

The heavenly Dao might not be able to restrain existences beyond the Three Realms!

In this case, there was an explanation for the appearance of Galos. Then, there was an explanation for the one-star heaven immortal longbow.

what are you thinking about?!

Galatian demon squinted his eyes and looked at Chen Xiaobei with interest.

the heavenly Dao can't restrain mo Luo Wu Tian. However, mo Luo Wu Tian's hand can't easily reach into the Three Realms!

that's right! Chen Xiaobei said, " mo Luo Wu Tian took advantage of the winter solstice festival when the law of six paths of reincarnation was loosened to resurrect a group of otherworldly demons in the human world!

"Yes,"

Jialuo SkyDemon didn't avoid the question and calmly nodded."I can tell you another secret! Heaven Immortals couldn't give red packets to the human world, but the Wutian devil race could! The heaven immortal item in my hand was sent by devil ancestor Wutian through a red packet!"

they're really lawless ... Chen Xiaobei furrowed his brows and sighed."It's been a long time since I've snatched a red packet, but you demons can give out red packets as you wish. I'm so envious ..."

"Heh, why envy? It's enough to join the devil!"

"The reason I didn't kill you immediately and told you so many secrets was to give you a chance!" Galos said indifferently. As long as you're willing to join the devil and work for devil ancestor Wutian, I can spare your life!"

"Possessed by the devil?" Chen Xiaobei looked at her and said, " my master is sect master Tongtian. Since my master is a member of Taoism, I can't betray Taoism!

"So you want to die?"

A murderous look appeared on Galos's Jade-white face. His blade-like thin lips opened and closed, exhaling ice-cold air.

"Maybe we can talk about other deals!"

Chen Xiaobei was still calm. His strong mind could remain calm even in the face of death. I don't have any great enmity with the demon race. I even want to educate the demon race so that the demon race can also live in the Three Realms with a proper name!

"Reform the demon race?" Galos was stunned, and his eyes were filled with doubt.

"Right!"

Chen Xiaobei nodded. I've already tamed hundreds of billions of demons. I've started to teach them the rules and help them build a civilization. As long as the demons can understand good and evil and follow

the rules, they will be recognized by the heavenly axiom and live in the Three Realms like the other races.

“pfft ... Chen Zhufeng, are you kidding me?”

Galatian demon was still a little confused, but when he heard Chen Xiaobei's words, he was amused. “We demons want to replace the heavenly Dao, not gain its approval! As for the other races, they'll eventually become our demon race's slaves and will never be able to co-exist with us on equal terms!”

this ... Chen Xiaobei's heart skipped a beat. He had a bad feeling.

Chen Xiaobei had wanted to express his goodwill to the demonic tribe, hoping to get them to cooperate or make some mutually beneficial deals.

However, Galatian demon's words had completely destroyed Chen Xiaobei's hope. He had even declared that Chen Xiaobei was going to die.

The demon race even wanted to destroy the heavenly Dao, so why would they care about being acknowledged by the heavenly Dao?

“Chen Zhufeng! I'll ask you one last time! Do you want to join the devil?” “Your answer will determine your life and death!” Galatian demon said coldly.
