Chapter 3151: universe turns

There was no doubt that Galatian demon was not joking, and he would not ask Chen Xiaobei a third time.

Or, Chen Xiaobei would agree to join the devil and become a Lackey of mo Luo Wutian.

Or Chen Xiaobei refused to join the demonic path and allowed the Galatian demon's arrow to pierce through his dantian, destroying his Dharmakaya, nascent soul, and soul. He would disappear from the Three Realms and would not even have the chance to reincarnate in the earth realm.

Childe Zhufeng ... Yun fanqing frowned and said in a low voice, " if you really can't do it, just agree to her request. As long as there's life, there's hope!

"Oh? A little nun! You've finally opened your mind!"

The Blood Moon Swordmaster narrowed his eyes and grinned hideously. "It's a Supreme honor to be able to join the devil! They could also obtain absolute freedom and indulgence! How was it? Little nun, why don't you join the devil too! That way, you can ride a horse and do whatever you want with the person you like!"

I ... Yun fanqing blushed and shook her head decisively. "I'm a Buddhist disciple, I'd rather die than join the devil! Please let Childe Chen go, and I'll take my life!"

"Heh, your life is worthless!"

if Chen Zhufeng is willing to become a demon, " Garo said coldly. I won't trade you ten thousand lives for it!

this ... Yun fanqing's beautiful brows furrowed, and her small face was extremely pale.

In the face of such a powerful Galatian demon, Yun fanqing had no way of dealing with it.

Yun fanqing's life could not change the situation, so Chen Xiaobei's life or death would depend on his answer!

Yun fanqing, the Blood Moon Swordmaster, and Galos demon all looked at Chen Xiaobei, waiting for his answer.

"All Buddhist disciples know how to defend their loyalty with their lives! How could a Dao sect disciple lose to a Buddhist sect?"

Chen Xiaobei did not change his expression and said, " Even if my soul is destroyed and my body is destroyed, I will never betray my master! Unless shizun becomes a devil, otherwise, I absolutely won't become a devil!"

"If that's the case, then you can just die!"

Galos's eyes were cold, and his blade-like thin lips made a sound like the death God's judgment.

“BOOM!”

Just as Galatian demon was about to release the arrow, the giant array in the distance actually exploded with a loud earth-shaking sound!

“What’s going on?”

Galos’s thoughts were instantly disrupted, and he immediately turned back to look.

Even in his dreams, Galos would never have thought that the formation with a million people below would actually collapse!

The huge true essence formation instantly shattered like a broken plate.

The experts at the thousands of formation eyes all vomited blood and fell to the ground. Their faces were pale and they exerted all their strength, no longer able to form the formation.

how ... How is this possible?!

The Blood Moon Swordmaster was dumbfounded as if he had seen a ghost, and his eyeballs almost fell out of his eye sockets. how could the one-star late-stage heaven immortal’s heavenly demon prison suppression formation be destroyed just like that ...

Emperor River!?

Chen Xiaobei’s eyes lit up as he looked at the handsome young man who was trapped in the magical formation.

“Ha, what Bullsh * t” heavenly demon prison suppression formation “? In front of my heavenly witch star shattering mysterious formation, it’s not even worth a mention!”

Emperor Jiang tapped the ground with the tip of his foot and instantly rushed into the clouds, heading straight for Galos.

“Don’t ... Don’t come any closer!”

Jialuo turned pale with fright, his eyes filled with endless fear, and even his voice began to tremble. you ... If you dare to come any closer, I’ll kill Chen Zhufeng immediately!

“Hehe, with me, Di Jiang, here, you still want to kill bro bei? Don’t you think you’re too naive?” Emperor Jiang sneered disdainfully, and his flying speed didn’t decrease at all.

“How domineering!” Chen Xiaobei grinned, the nervousness in his heart was gone, and in its place was absolute calmness.

Because he had absolute confidence in dijiang, Chen Xiaobei did not bother and waited for the outcome of the battle.

don’t come over!!!

Because of his panic, Galos ‘mind was in a mess. He didn’t dare to delay any longer and released the arrow!

“Whoosh ...”

A one-star heavenly immortal level power burst out from the metal arrow, and a dragon-like dark spiritual light appeared around it.

At that moment, Galos was less than ten meters away from Chen Xiaobei.

With the speed of a one-star divine fairy, the metal arrow would kill Chen Xiaobei in one-thousandth of a second.

“Universe reversal!”

However, at this moment of life and death, Emperor Jiang, who was still hundreds of meters away, just opened his mouth and said calmly, ”

“Whoosh ...”

The next moment, the metal arrow that was aimed at Chen Xiaobei disappeared!

“What ... What is going on?”

Chen Xiaobei, Yun fanqing, and the Blood Moon Swordmaster were all dumbfounded. They could not believe their eyes.

“Emperor Jiang ... You must not attack me! Let’s have a talk! We can have a good talk ...”

Jia Luo looked nervous, and his eyes, which were as bright as amethysts, were full of extreme fear. He looked at Di Jiang as if he was looking at death.

“Bro bei, do you want to talk?” Emperor Jiang flew over with a domineering expression, as if he had already controlled the life and death of Galatian demon.

Life and death were all in Chen Xiaobei’s hands.

“She’s not fit to talk to me.”

Chen Xiaobei gave the final verdict.

Chen Xiaobei had wanted to talk to Galatian demon, but the witch did not cherish the opportunity.

“Understood!”

Emperor Jiang smiled indifferently, raised his right hand, and snapped his fingers casually.

Whoosh!!!

The next moment, the metal arrow that had disappeared into thin air was shot out again!

This time, it was not aimed at Chen Xiaobei but at Galatian demon!

Moreover, it was shot at Galos from a very close distance behind him!

“I’m finished ...”

Galos wailed in despair. She couldn't guess where the arrow would come from in a flash. By the time she sensed it, it was already too late to defend or dodge.

She was only a peak earth immortal. If she was hit by that arrow, she would definitely be destroyed.

It was because of this that she had been so afraid of Emperor Jiang.

“Clang!!!”

However, the moment the metal arrow hit Galos, a dark spiritual light suddenly flashed and blocked the arrow.

a master-protecting puppet!?

Chen Xiaobei and Di Jiang furrowed their brows. They did not expect this to happen.

“Woof!”

However, Emperor Jiang had a lot of combat experience.

The moment the master-protecting puppet appeared, Emperor Jiang suddenly accelerated and rushed directly in front of Galos. He clutched her throat with one hand and gathered his ultimate vital essence with the other, aiming at her sea of Qi dantian!

“Even with a protective puppet, you'll still die!”

Emperor Jiang said coldly. Once the vital essence in his palm exploded, it could also blow up Galos 'dantian, Dharmakaya, and nascent soul.

Suddenly, Chen Xiaobei's phone rang.

[mo Luo Wu Tian has sent you a private message.]

Chapter 3152: sin of the heavenly Dao

“Emperor River! Wait!”

Chen Xiaobei quickly ordered dijiang to stop.

“Bro bei! Demons are sinister and cunning. You must not be bewitched by her beauty, otherwise, there will be endless trouble!”

Emperor Jiang frowned. I was trapped by the formation just now. If it weren't for the fact that Galatian demon had left the core formation eye, I wouldn't have had a chance to break the formation. The best choice now is to kill her to avoid any more trouble!

Without a doubt, Emperor Jiang was an extremely powerful existence. If even he was so nervous, it was clear that Galos was an extraordinary and powerful existence.

For example, in the battle just now, Galatian demon had been suppressing the core formation eye and could have trapped Emperor Jiang with 100% certainty.

If not for the fact that he had to save the Blood Moon Swordmaster, Galos would not have left the core formation eye, and Emperor Jiang would not have been able to escape. The final outcome of this battle would have been unknown!

Emperor Jiang knew the power of Galatian demon, so he didn't dare to take it lightly.

It wasn't easy to subdue Galos, so it was definitely the wisest and safest way to eliminate the roots.

I'm not asking you to spare her life out of pity. It's because Wutian has contacted me.

Chen Xiaobei picked up his phone and showed the channel to dijiang.

"What!"

Emperor Jiang was stunned. He couldn't believe his eyes. "Mo Luo Wu Tian actually contacted you personally! What does he want to do?"

The Fiend ancestor is contacting him personally?!

Seeing this scene, even Galos was shocked. He said excitedly, "Chen Zhufeng! It's definitely a Supreme honor for devil ancestor Wutian to contact you personally. It might also be the greatest opportunity!"

"Bro bei! He must be careful! We can't trust Wutian so easily!" Emperor Jiang immediately reminded.

"I know!" "Let's see what he wants first." Chen Xiaobei nodded.

[mo Luo Wu Tian: Chen Zhufeng!] I've long heard of your great name! I've long heard that you've caused the heavenly Lord Yuanshi to suffer losses, turned the human world upside down, and filled the secrets of heaven with variables. Today, I see that you're indeed worthy of your reputation!

Chen Xiaobei: " enough with the formalities. Say something useful!

Mo Luo Wutian,"you're so straightforward!" I like it! Since that's the case, I won't beat around the bush! You said that Jia Lou is not qualified to talk to you, so I will talk to you personally about our joint cooperation plan!

Chen Xiaobei: You and me?

Mo Luo Wutian,"that's right!" I, mo Luo Wutian, will cooperate with you, Chen Zhufeng!

Chen Xiaobei: " hehe! If you want me to become a demon, then don't even think about it! I'll never betray my master in this life!

Mo Luo Wu Tian thought,"how loyal!" I like it! I really envy sect master Tongtian for having such a good disciple! If I can come out of seclusion earlier, even if I have to snatch you by force, I will snatch you as my disciple!

Chen Xiaobei,"you seem to like talking nonsense."

[mo Luo Wu Tian: back to the topic. Our cooperation doesn't require you to join the devil. In fact, you don't even need to submit to me!] We can have a mutually beneficial cooperation on the premise of being on equal footing!

Chen Xiaobei: " that sounds good. But we're not on the same path. You want to destroy the heavenly Dao. I won't cooperate with you on this point alone.

Mo Luo Wutian thought, "it's too early to come to a conclusion."

Chen Xiaobei:

[mo Luo Wu Tian: the Saint is heartless and treats all living beings as dogs!] Was this the heavenly Dao? Since the heavenly Dao wants to destroy the demon race, then I will fight to the death today!

[mo Luo Wu Tian: I didn't say that. It was Eastern Emperor Tai Yi who shouted that before he died!]

Chen Xiaobei: Why did he say that?

[mo Luo Wu Tian: the first decree of the immemorial heavenly axiom. Pangu opened the sky, Nuwa created the spirit, and Taiyi ruled the world!] The East Emperor Taiyi unified all the tribes in the untainted land and collectively called them the demon tribe!

"Mo Luo Wu Tian, the second immeasurable cultivation tribulation will be the catastrophe between the demon tribe and the Wu tribe!" The final result was that these two strongest races had completely collapsed and were on the verge of extinction!

[mo Luo Wutian: the others don't know the reason. They only think that the Wu clan and the demon clan have formed a great enmity that will not end until one of them is dead!] However, the truth was that the heavenly Dao was behind all this and had single-handedly created this world-ending catastrophe!

Chen Xiaobei: Are you saying that the battle to the death between the Sorcerer tribe and the demon tribe was caused by the way of heaven? Do you have any evidence?

Mo Luo Wutian thought, "I have too much evidence!"

[mo Luo Wu Tian: Taiyi's merit is boundless when he rules the world. He's definitely not inferior to Nuwa!] Why did Nuwa become a Sage while Taiyi could only be a Sage-to-be?

Chen Xiaobei:

Mo Luo Wu Tian thought, "if Taiyi becomes a Sage, how would the Sorcerer tribe dare to start a war?"

Chen Xiaobei:

Mo Luo Wu Tian thought, "if the Dao ancestor or any other heavenly path Sage were to intervene, how could the war have developed to the point of the extinction of the two races?"

Chen Xiaobei:

[mo Luo Wu Tian: Tai Yi has an elder brother named Emperor Jun!] Originally, Emperor Jun had a chance to defeat the Wu tribe with the cosmic stars formation set up by the river map of the book of Luo!

[mo Luo Wutian: but at this time, a traitor stole the book of Luo and the river diagram!] The formation was broken, and the Emperor had to self-destruct, dying together with the three ancestors of Sorcery!

[mo Luo Wutian: from now on, the demon race has completely lost their chance of winning!] Taiyi was besieged by the eight ancestors of sorcery. In the end, after saying what I just said, Taiyi also self-destructed his spirit form and died with the eight ancestors of Sorcery!

Chen Xiaobei, "who the hell is that traitor?"

[mo Luo Wu Tian: you'd never expect that man to be as close as a brother to the Taiyi Emperor Jun. He was revered as the demon master in the original heavenly court of the demon race!]

Chen Xiaobei thought, "kun Peng, the demonic master?"

Mo Luo Wutian, "that's right!" It was the kun Peng! If this guy had not betrayed them at the last moment, the demon tribe led by Taiyi and Emperor Jun would have won! Even today, the demon race would still be the most powerful race in the Three Realms!

Chen Xiaobei thought, 'kun Peng could have won the battle and he didn't need to run for his life. Why did he betray us?'

Mo Luo Wu Tian thought, that's a very good question!

From a normal person's point of view, kun Peng's betrayal would not benefit him at all! He was even forced to hide in the beiming youhai and didn't dare to resist when the book of Luo and the river map were snatched away by zhenyuanzi! It's simply a hundred disadvantages with no benefits!

[mo Luo Wutian: but if you think deeper, the answer is very obvious!] Kunpeng must have been instructed by Hongjun or even the way of heaven to betray him at the critical moment!

Mo Luo Wutian thought, "in the eyes of outsiders, the kun Peng is extremely stupid!" However, both Taiyi and Emperor Jun were dead, while Kunpeng was alive and well. He even passed the third immeasurable cultivation tribulation! Obviously, he was not stupid at all!

Chen Xiaobei-if what you said is true! Then, the heavenly Dao would be the main culprit that caused the death of the demon and Wu tribes! The so-called 'punishing evil and promoting good', 'unifying to stop the war', and 'protecting the common people'. ... Were all just hypocritical masks to cover up the ugliness!

Mo Luo Wutian thought, "what's the point of this?" The heavenly Dao's crimes were far from just this!

[Red Envelope Group of the Three Realms](#)

Chapter 3153

3153 Wutian's Red packet

Obviously, Wutian's analysis was very thorough.

If Taiyi had become a saint, the war wouldn't have broken out. The heavenly Dao could have completely controlled that.

If Hongjun or other sages of the way of heaven had intervened, the war would not have caused such a huge loss of lives. The two races would not have been destroyed, and the way of heaven could have settled this easily.

If the kun Peng didn't steal the book of Luo and the river diagram, the demon tribe would win. At least this tribe could survive and half the casualties would be lost. If not for the heavenly Dao, the kun Peng would never do such a stupid thing.

From this, it could be seen that the heavenly Dao intended to exterminate the demon and sorcerer tribes.

No matter which side won, at least one of the two tribes would survive.

However, it was precisely because of all these schemes and manipulation that this war had finally developed to the point where both sides lost.

Even the small number of survivors of the Sorcerer tribe were regarded as evil alien races by the heavenly court. They were hunted down and killed in a frenzy, determined to get rid of them as soon as possible!

Xu Fu's pursuit of Bai Qi and Taiyin true deity's enmity with the heavenly court were the best proof.

Chen Xiaobei knew about these two things, and he did not need Wutian to tell him.

Chen Xiaobei: " go on. What other crimes did the heavenly axiom commit? "

[mo Luo Wu Tian: the first immeasurable cultivation tribulation is called the Dragon-Phoenix initial tribulation!] At that time, the Dragon Tribe, Phoenix tribe, and Qilin tribe were the most powerful tribes. In the end, a life-and-death battle broke out between the Dragon Tribe and the Phoenix tribe, and the Qilin tribe was also involved!

[mo Luo Wutian: after that catastrophe, the tribesmen of the three clans were almost annihilated!] Only after that was there the word 'Phoenix Feather and Qilin horn'! The number of Dragons, phoenixes, and Qilins were pitifully few!

[mo Luo Wu Tian: the third immeasurable cultivation tribulation is the battle to the death between the tribe of severity and the tribe of enlightenment!] At that time, sect master Tongtian had controlled the God-killing sword formation, and no one below Hongjun could defeat him! The Jie sect was full of geniuses, such as the Taoist of many treasures, the Three Holy Mothers, Zhao Gongming, and fairy sanxiao. They were all outstanding figures in the realm of Sage-to-be. There were countless experts under it, tens of thousands of Immortals came to pay their respects, and the incense offerings were extremely prosperous!

[however, in that cultivation tribulation, sect master Tongtian was besieged by the four great sages, primitive, Taishang, zhunti, jieyin, and broke the God-killing sword formation!] Neither Hongjun nor Nuwa dared to interfere. In the end, the disciples of the tribe of severity were either killed or scattered, or captured by the enemy! Now, only sect master Tongtian and you are left, just two people!

Chen Xiaobei: " so you're saying that the heavenly axiom is behind every infinite cataclysm? "

"Mo Luo Wu Tian, don't you think that the first three immeasurable cultivation tribulations are too similar?" The three tribes of Dragon, Phoenix, and Qilin, the Wu and demon tribes, and the tribe of severity ... Weren't they the most powerful tribes in the three eras?

Chen Xiaobei: " so, you're saying that these people are too strong? they've threatened the heavenly axiom. That's why they're all dead? "

[mo Luo Wutian: that's right!] Hongjun's way of checks and balances originated from the way of heaven! He would step on whoever was stronger. This way, he could ensure that he stood at the top and would never be threatened!

Chen Xiaobei: " I've experienced this before ...

[mo Luo Wutian: if that's the case, you should have seen the true face of the heavenly Dao, right?]

Chen Xiaobei: " I don't want to jump to conclusions ... I still need to further investigate these things.

[mo Luo Wu Tian: to you, it's very easy to verify!] Sect master Tongtian, Taiyi, Emperor Jiang, and even luohou could give you the answer! Back then, if it wasn't for the interference of the heavenly Dao, Luoyi would have long established his Dao as a demon and made the demon race a Supreme existence!

Chen Xiaobei: " that's all I have to say. There's one more thing I'd like to confirm. What's the relationship between the Dao ancestors and the heavenly axiom? "

"Ha, Hongjun is just a dog of the heavenly way," thought mo Luo Wutian. Whatever the heavenly Dao wanted him to do, he would do it. He never dared to resist at all!

Chen Xiaobei:

Mo Luo Wutian,"you don't believe me?" Let me give you an example. Back then, Hongjun loved sect leader Tongtian the most. The four immortal-killing swords and the immortal-killing formation map were all given to sect leader Tongtian by Hongjun!

in addition, Hongjun has also given sect master Tongtian many Supreme treasures. He has protected and supported sect master Tongtian in many things. The reason why the tribe of severity has developed to such a high level is because of Hongjun's help!

however, during the third immeasurable cultivation tribulation, sect master Tongtian and the tribe of severity were schemed against, persecuted, and shamelessly besieged. Finally, they were completely destroyed. Hongjun did not dare to intervene in the whole process!

[it was not until the leader of the heavenly way was willing to spare sect leader Tongtian's life that Hongjun immediately came forward to stop the four sages from chasing after sect leader Tongtian.] One could imagine that Hongjun was a loyal dog of the way of heaven! The master's orders were above all affection! It was even higher than morality!

Chen Xiaobei thought,'no good or evil ... No protection for the living ... No morality ... Is this the heavenly Dao?'

[mo Luo Wutian: Chen Zhufeng, you're very lucky!] With my guidance, you've already seen through the true face of the heavenly Dao so early! He was not like Taiyi, who only realized it at the moment of his death. There was no way to reverse the situation, and he could only die in grief and indignation!

Chen Xiaobei: " if all of this is true, I really have to thank you!

Mo Luo Wutian, "how is it?" Now you want to work with me?

Chen Xiaobei, "on the basis of mutual benefit, I can consider cooperating with you!" But I'll make it clear in advance, I won't do anything that will harm the heavens! I won't do anything that goes against my morals! I won't do anything that threatens my family and friends!

Mo Luo Wu Tian: " don't worry. I know your character. I will not let you do anything that goes against your heart and principles! On the contrary, if you were a person who only cared about benefits and ignored principles, I would not dare to cooperate with you!

Chen Xiaobei: What do you want? What can you give!

[mo Luo Wu Tian: first, I want you to release Jia Luo.] She's my right-hand man, and I still need her for many schemes in the human world.

"Jialuo, I can let her go, but we have to settle our scores!" If she wants to kill me, then she owes me her life! What kind of benefits do you want to use to redeem her life?

[mo Luo Wutian: a heaven immortal artifact. How about it?]

It sounds like I'm not losing out, but if I kill Carol, I'll be able to get her divine instrument! Whether I kill her or not, she's still a heaven immortal artifact, so I don't get any benefits from her life!

[mo Luo Wu Tian: as expected of the number one profiteer in the Three Realms!] He would never suffer a loss! If you let Jia Luo go, I'll give you a heaven immortal item that's filled with spiritual energy!

Chen Xiaobei:

Obviously, what Chen Xiaobei lacked the most right now was spiritual Qi.

Without spiritual energy, even if mo Luo Wutian gave him 100 heaven Immortal Weapons, it would be useless.

As for mo Luo Wutian, he had promised to fill the heaven immortal item with spiritual energy, which was equivalent to 300 billion upper-grade spirit stones, which could be used to activate the power of a heaven Immortal Ten times.

Chen Xiaobei agreed without hesitation.

Ding! Congratulations! Snatching mo Luo Wu Tian's Red envelope!

[Red Envelope Group of the Three Realms](#)

Chapter 3154: cooperation reached

Ding! Congratulations! [you snatched a red envelope from mo Luo Wu Tian. You have received a Dark Demon bone blade. It has been stored inside your treasure chest!]

[ding ... Mysterious demon bone saber: a short white bone saber forged from the claws of a mysterious heavenly demon. It looks like a dagger and is best used for sneak attacks and ambushes. It can kill people without them noticing!] [do you wish to extract?]

"Not in advance for now."

let him go! Chen Xiaobei raised his eyebrows. Di Jiang, let him go!

this ... Di Jiang hesitated, but since it was Chen Xiaobei's order, he would do it.

"Jia Lou, you can report your safety to your master."

Chen Xiaobei then handed the phone to Di Jiang and said, "Take a look at my chat history with Wutian. Is there any loophole? How trustworthy are they?"

Di Jiang let go of Jia Luo, then took the phone and started to check it carefully.

Jia Luo put away his hostility and the longbow in his hand. He took out his mobile phone and contacted mo Luo Wu Tian.

"Bro bei ..."

Soon, Emperor Jiang had finished checking. With a complicated expression, he said, "although Wutian is cunning, I personally think what he said is true!

"I've personally experienced the Great War between the liches and demons! Thinking back, from the start of the battle to the end, the entire process was full of strange things, as if someone had led it to the final outcome step by step!"

"Alright!" alright! Chen Xiaobei nodded. with your words, I have a rough idea of what's going on!

In fact, Chen Xiaobei had already thought of going against the Dao before he spoke to Wutian.

This thought was like a seed that began to take root in Chen Xiaobei's mind, and he would not let it go easily!

Of course, in order to avoid being noticed by the heavenly axiom, Chen Xiaobei would only keep this thought to himself. He would not say it out loud until the time was right.

Childe Chen, The Fiend ancestor has something to say to you! Jia Luo put away his phone and looked at Chen Xiaobei. His attitude was much gentler and even more respectful.

Chen Xiaobei nodded, took back his phone, and entered the private chat.

[mo Luo Wu Tian: first of all, congratulations on our first cooperation. It's been successfully completed!] Secondly, my next plan is to ask you to assist Jia Luo in capturing some reincarnated ancient Immortals!

Chen Xiaobei: Who do you want to catch? I'll make a statement first! You're not allowed to touch any of my tribe of Jie's people!

"Of course!" Mo Luo Wutian replied. For the sake of our cooperation, I won't hurt the Jie sect! On the contrary, I can ask Jia Luo to help you find the ancient immortal of the Jie sect, or even capture him alive and give him to you!

Chen Xiaobei: As long as you keep your promise, our cooperation will continue!

[mo Luo Wutian: then I'll set the rules first. As long as you can catch the person I want!] A single person could be exchanged for a heaven immortal artifact! Or he could exchange it for an ancient immortal of the Jie sect from Jia Luo! Isn't this a fair method?

Chen Xiaobei:

Mo Luo Wutian,"great!" next, you will contact Jia Luo. She will tell you who to catch. If she is in trouble, she may ask for your help. Of course, it will be paid help. She will not let you suffer!

What if I don't want the sky-immortal instrument, and only want the spiritual stones?

"Mo Luo Wutian, capture a person and Exchange them for 60 billion upper spiritual stones!"

Chen Xiaobei:

[mo Luo Wutian: I wish you all the best!] If you encounter any problems that you can't solve, you can also come to me! I'll provide you with help, but of course, I'll pay for it! After all, I don't like to be at a disadvantage!

Chen Xiaobei: If you Don't Let Me Down, I won't let you down!

[mo Luo Wutian: then, we shall meet again!]

After the private chat ended, Chen Xiaobei kept his phone and looked at Jia Lou.

Jia Luo looked at Chen and said seriously, " "The Fiend ancestor has already told me about the mission. From now on, we are in a cooperative relationship! I'll send a list of names to your phone later!"

After that, Jia Lou started to send a list of more than 300 people to Chen Xiaobei.

Chen Xiaobei scanned through the list and confirmed that there were no members of the tribe of severity on it.

In other words, if Chen Xiaobei caught all the people on the list, he could exchange them for more than 300 heaven-immortal instruments, or a trillion spiritual stones, or a large number of ancient Celestials of the Jie sect.

No matter how one looked at it, this kind of cooperation would benefit Chen Xiaobei and the tribe of severity.

Of course, Wutian's demonic sect would also benefit greatly. It might even change the situation of this Eon.

As for how long this cooperation would last? Was the demonic sect a friend or a foe? Chen Xiaobei could not come to a conclusion. But no matter what, mo Luo Wutian was not a kind person. Chen Xiaobei would always be on guard against him, and even be ready to fight him!

Of course, the cooperation had just begun. Mo Luo Wutian would not dare to act rashly.

I've seen the list. If we encounter the target, I'll help you capture him! Chen Xiaobei agreed and said, " "If there's nothing else, Emperor Jiang and I will take our leave!"

"Hold on!"

Jia Lou quickly stopped Chen Xiaobei, his pretty and seductive face showing a little embarrassment. "I want to borrow the Emperor River!"

Obviously, Jia Luo had his own purpose for going to such great lengths to capture Di Jiang.

Jia Luo could have taken Di Jiang by force, but now that she had lost to Chen Xiaobei, she could only ask to borrow Di Jiang's power.

"You want Emperor Jiang to help you catch them?" you're right! Chen Xiaobei raised his eyebrows. Wutian said that I'll pay for any help I give you!

"I know!"

yes! Jia Luo nodded. if we can capture Daoist Flying Star, The Fiend ancestor will give you the reward he promised you in the form of a red packet!

"Daoist Flying Star?"

Chen Xiaobei was surprised. You can form a battle formation of sealing, and you have a powerful heaven immortal weapon and a primordial spirit attack. Even you can't catch him, can Emperor Jiang? "

"Of course, no problem!"

Jia Luo's lips revealed a helpless bitter smile,"How can my insignificant skills be compared to the first wizard ancestor? If I didn't have the advantage of a higher cultivation state, I wouldn't have been able to seal Emperor Jiang just now ... What's more, Emperor Jiang's primordial spirit ability is the absolute nemesis of Daoist feixing!"

Chen Xiaobei raised his eyebrows and asked, " "Emperor Jiang's primordial spirit ability? You mean that move just now? The universe reversal?"

"That's right! It's the universe reversal!" Jia Lou nodded, his eyes filled with respect.

Thinking back to the arrow that had disappeared into thin air and then suddenly appeared, Jia Lou still had a lingering fear in his heart.

If it wasn't for the appearance of the master-protecting puppet, Jia Luo would have died without an intact corpse.

"What exactly is the universe reversal?" Chen Xiaobei asked curiously.

[Red Envelope Group of the Three Realms](#)

Chapter 3155: travel together

Emperor Jiang is the head of the twelve ancestors of sorcery. The power he controls is the law of space!

Jia Luo looked at Di Jiang and said with respect, " although Emperor Jiang is only at the peak of the earth immortal realm and can't exert the strongest profound meaning of the law of space!

"However, his primordial Spirit's special ability can already perform simple spatial displacement! That's also the Qian Kun revolution that he displayed just now!"

spatial dimension laws!?

Chen Xiaobei was stunned for a moment, then he said, " I remember now. Taiyi once mentioned that every wizard ancestor controls the strongest ability in a different domain, which is the law you mentioned!

The time witch, torch Dragon!

The Water Witch, Gonggong!

The Fire Witch, Zhurong!

In this case, Emperor Jiang was the ancestor of space Sorcery!

The reason why Jia Luo's arrow that was about to kill Chen Xiaobei had disappeared was because Di Jiang had moved the arrow to another space.

The reason why the arrow was shot from behind Jia Luo was that Di Jiang had moved the space where the arrow was to behind Jia Luo.

Simply put, the Emperor River could move space within a certain range from its current location to another location.

Then, everything that was contained in the space that was transferred would also be transferred.

Obviously, this was definitely a super divine skill. Not to mention anything else, just the fact that it could shift the enemy's attack to attack the enemy was definitely heaven-defying!

Not only could it save one's life, but it could also turn defense into offense and kill the enemy. As long as it was used at the right time, it would definitely kill two birds with one stone, and yield twice the result with half the effort!

with this skill, wouldn't he be invincible forever? there's no one who can match him! Chen Xiaobei exclaimed.

"How can there be such a good thing ..."

No. Emperor Jiang shook his head and said, " my cultivation is too low now. The space that the universe reversal can control is very limited! It was just an arrow, I can move it! However, if ten thousand arrows were to shoot out at the same time, even the reversal of heaven and earth would not be able to reverse the situation!"

that's not a problem! Cultivation is not a problem for you! If you want to, you can increase your cultivation! Chen Xiaobei grinned.

Emperor Jiang smiled and did not deny it.

For a Supreme ancient expert like him, his mind contained a huge amount of cultivation experience, techniques, tricks, and even medicine, inheritance, and a series of external forces that could be used to quickly improve his cultivation.

Just as six-eared macaque had said, if Rahu, Taiyi, and Emperor Jiang were not waiting for Chen Xiaobei, they would have been able to break through to the half-step divine immortal realm and activate their Heavenly Tribulation to ascend to the heavens.

For experts at their level, they wouldn't encounter any bottlenecks before they reached the quasi-Saint realm.

As long as they had enough resources and time, they could break through as they wished.

let's go. We're going to capture Daoist Flying Star!

Chen Xiaobei made his decision after he understood the situation in dijiang.

First, he would capture Daoist Flying Star and Exchange him for a wave of spirit stones with Luo Yi.

This way, Chen Xiaobei's journey to the endless Dead Sea would be more secure.

"Alright, let's go!"

Jia Luo nodded but hesitated: "I'm afraid it's not convenient for this little nun to travel with us."

Yun fanqing was stunned. She could not understand how Chen Xiaobei could reconcile with Jia Luo after playing with his phone for a while.

Even the Blood Moon Swordmaster was stunned on the spot. He even kept his blood-sky sword and had no intention of attacking.

fan Qing, the problem here has been resolved. If you have nothing else, you can go back first! Chen Xiaobei raised his eyebrows and smiled.

"I ..."

Yun fanqing pursed her red lips and looked at the Blood Moon Swordmaster warily. "Sealing the Blood Moon Sword Master is my life's mission! As long as he remains in this world, I will never be at ease. I will never leave!"

Chen Xiaobei looked at Jia Lou and said, "Jia Luo, master fan Qing is my friend. Please give me some face and let her seal the Blood Moon Swordmaster. Anyway, with my help, a weakling like the Blood Moon Swordmaster is completely dispensable!"

As soon as he said that, Yun fanqing was shocked, and his world view shattered.

The Blood Moon Swordmaster that he could not defeat even if he risked his life was a dispensable weakling in Chen Xiaobei's eyes.

Furthermore, as long as Jia Luo gave Chen Xiaobei face, he would be able to make the Blood Moon Swordmaster surrender obediently. Yun fanqing would not have to risk his life anymore.

Status! Power! Background!

Yun fanqing felt like he had just met a whole new Chen Xiaobei!

With just a few words, he could quell a catastrophe and subdue a super great demon! There was probably no other man in the entire human world who was so domineering and whose words carried enormous weight!

Lord Galatian demon, please spare my life ... I've just escaped from the seal with great difficulty, and I haven't had the time to do anything yet. Even if I die, I don't want to return to the seal ...

The Blood Moon Swordmaster did not dare to refute Chen Xiaobei. After all, even Jia Luo had to be polite to Chen Xiaobei.

Therefore, the Blood Moon Swordmaster could only plead with Jia Lou.

"Childe Chen, why don't you let Blood Moon go? He's a rare talent, and I'll have a use for him in the human world!"

Jia Lou frowned and said helplessly, " Childe Chen, you'll help me, but I can't ask you for help for everything ... I can't afford it ...

Obviously, Jia Lou knew how powerful the unscrupulous merchant of the Three Realms was. If he wanted Chen Xiaobei's help, he would have to prepare a high reward.

That was why Jia Lou would not ask Chen Xiaobei for help unless he had no other choice. He didn't want to owe a huge debt and not know how to pay it back.

"Hmm, you do have a point."

I don't want to make a loss! Chen Xiaobei pouted. I won't help you with everything! It's good to leave you a helper, but you have to guarantee that the Blood Moon Swordmaster will no longer cooperate with Xu Fu to wreak havoc in the human world!"

"No problem!"

Jia Luo nodded heavily. the Blood Moon Swordmaster is a hidden chess piece of our demonic sect. He's only by Xu Fu's side for future plans and schemes. Naturally, he can't do things according to Xu Fu's wishes!

"Fan Qing, did you hear that?"

Chen Xiaobei smiled and said, " Buddha said, put down the butcher's knife and turn back to the shore! The Blood Moon Swordmaster is no longer the great demon who wreaked havoc in the world back then. Please give him a chance to turn back!"

"This ..."

Yun fanqing's face was filled with hesitation. After a long hesitation, he said, " The Buddha is merciful and is willing to forgive any sinner! But I don't dare to believe in the demonic sect! I have to be the one to verify if the Blood Moon Sword Master has returned!"

I don't think it's difficult for you to supervise us. But, our next operation might be very dangerous. Are you sure you want to come with us? "

Chapter 3156

3156 Two cannon fodder

“I want to travel with you!”

yes, ” Yun fanqing said firmly. as the heaven’s chosen saintess of the three sacred nunnery, I only have one mission in my life from the moment I entered the sect! And that was to seal the Blood Moon Swordmaster! In order to accomplish my mission, I’m even willing to give up my life, so why should I be afraid of danger?”

The heaven’s chosen saintess of the three saints nunnery would become the owner of the Jiu fan Golden Bell from the moment she was chosen.

From then on, the three Holy nunnery would have the best teachers, the best resources, and even the inheritance of the previous saintess.

However, after obtaining so many benefits, the heaven’s chosen Holy maiden had to carry out her own accusations with her life!

That was the only mission of all the saintesses in their lives, to die!

It was precisely because of this that Yun fanqing could not let the Blood Moon Swordmaster go. At least, before he confirmed that the Blood Moon Swordmaster would not bring chaos to the world, he could not let him go.

Otherwise, he would be giving up his mission, going against his Dao heart, and even losing his original heart.

Of course, Chen Xiaobei’s use of the Buddhist saying, ‘put down the butcher’s knife and turn back to shore’, had changed Yun fanqing’s belief in Dao.

Compassion and forgiveness were the core spiritual truth of Buddhism, and their realms were even higher than the exorcism.

Simply put, in the Buddhist ideology, forgiving and enlightening an evil demon was nobler and more complete than eliminating an evil demon. One could also obtain more merit.

Of course, Yun fanqing would not scheme for the merit. She only agreed to give the Blood Moon Swordmaster a chance out of compassion.

“Alright, since you’ve already made up your mind, then come with us!”

it might be very dangerous later. You must hide by my side. I will protect you. Chen Xiaobei smiled.

“Ah?” Yun fanqing’s expression froze, and a complicated look flashed across his beautiful eyes. His pretty face even blushed slightly, and his heart beat faster. He was as cute as a frightened kitten.

Yun fanqing did not know when it started, but she had a special feeling for Chen Xiaobei.

Blushing, heart beating, shyness ... These were all unprecedented emotions that she had never felt before. After meeting Chen Xiaobei, she could no longer control herself.

Could it really be like what Wu longyin said? This was a state that only people who liked someone would have!

Yun fanqing quickly shook his head, warning himself in his heart. You're a monk! He definitely couldn't move his mortal heart! Otherwise, your cultivation will be crippled and you will be expelled from the sect. Even master will be humiliated because of you!

Thinking of this, Yun fanqing forced her face to tighten and said in a deep voice, "Childe Zhufeng, you don't have to worry about me. I'll protect myself!"

Chen Xiaobei did not take it to heart and said, "Since that's the case, let's set off!"

Soon after.

Chen Xiaobei, Di Jiang, Yun fanqing, Jialuo, and the Blood Moon Swordmaster formed a strange team and headed towards a lone island in the South Sea.

.....

Childe Chen, the Lonestar Island is right in front of us!

At an altitude of several thousand meters, Jia Lou stopped flying and pointed at the island below, saying, "according to the clues that I've grasped, Daoist Flying Star was digesting an ancient heritage on this path!"

Chen Xiaobei turned to Di Jiang and asked, "Emperor Jiang, do you know this Daoist Flying Star? How confident are you in taking him down?"

It was obvious that Emperor River was extremely important to Chen Xiaobei. If he was not confident, he would not risk Emperor River.

Emperor Jiang, however, looked indifferent and said, "This Daoist Flying Star is a third generation disciple of the clan of enlightenment. His cultivation base is ordinary. The only powerful thing he has is his primordial spirit attack, Flying Star flash!"

"Flying Star flash?" Chen Xiaobei asked, "What is that ability?"

this skill can increase his speed by a major realm!

Assuming that Daoist Flying Star is a peak earth immortal now, he can burst out the speed of a peak one-star heaven immortal!

"That's so awesome!" Chen Xiaobei's eyes lit up and exclaimed, "No wonder even Jia Luo can't do anything to him!"

yeah ... Jia Luo looked helpless. He looked at Di Jiang with his Amethyst-like eyes and said, "If it wasn't for the fact that I had no other choice, I wouldn't have had any ideas about ancestor of sorcery Emperor River ..."

"I understand!"

of course not! Chen Xiaobei smiled. Emperor Jiang might not be able to catch up to Daoist Flying Star at his current speed, but the Qiankun reversal can form a spatial cage and trap Daoist Flying Star without him knowing!

“That’s right!” Jialuo nodded and said, “if ancestor Sorcerer Emperor Jiang makes a move, he’ll definitely be 100% confident!” There’s absolutely no suspense!”

Hearing this, Emperor Jiang couldn’t help showing a faint smile. His black eyes were full of confidence and dominance. bro bei, just say the word. I’ll go down and capture Daoist Flying Star!

At the side, the Blood Moon Swordmaster was dumbfounded. Never in his dreams would he have thought that Emperor Jiang was such a terrifying existence! He didn’t even take the speed of a peak one-star heaven immortal seriously. It was simply terrifying!

Yun fanqing was even more shocked. No matter how crazy his brain was, he could not understand why someone as powerful as Di Jiang would listen to Chen Xiaobei when it came to such a terrifying mission. Why would he address him as bro bei so respectfully?

For a moment, Yun fanqing felt like he did not know Chen Xiaobei anymore. Who the hell was this guy? How many shocking secrets were hidden behind this?

“No rush!”

Chen Xiaobei shook his head and said, “Jialuo, you and the Blood Moon Swordmaster go down first and lure the flying Star Daoist out!”

“Ah?”

Jia Luo’s brow furrowed slightly, his purple crystal eyes filled with surprise, Childe Zhufeng, Blood Moon and I are no match for Daoist feixing. It’s meaningless to fight him down there. We might even alert him. What if he gets away? ”

yeah ... Emperor Jiang couldn’t help but frown. “Once Daoist Flying Star escapes from my sight, the cosmic revolution will no longer work on him! Let me go down personally, I’ll definitely succeed in one strike!”

“No!”

no! Chen Xiaobei refused again. if Daoist Flying Star was from another faction, it would be fine. But he is from chanism! I understand these enemies too well! They almost never act alone!”

you mean ... Emperor Jiang’s expression froze for a moment, and he immediately became vigilant. I’m afraid that Daoist Flying Star is not the only enemy on this Island!

“That’s right!”

Chen Xiaobei nodded and said, “Jia Lou and blood Moon, go down and test the situation first! Emperor Jiang and I will ambush and attack when we have the chance! This way, we can ensure that nothing goes wrong!”

“This ...”

Jia Lou and the Blood Moon Swordmaster’s faces froze. They did not expect Chen Xiaobei to use them as cannon fodder to test the enemy’s intelligence. This was too cruel!

“Don’t look at me with that kind of eyes!”

Chen Xiaobei raised his eyebrows and said, "In this battle, only the two of you are most suitable to be cannon fodder!"

on what basis???" Jia Lou and the Blood Moon Swordmaster's faces turned green.

[Red Envelope Group of the Three Realms](#)

Chapter 3157: might of a powerful enemy

"On what basis?"

of course! Chen Xiaobei laughed. first of all, dijiang is our only hope of capturing Daoist Flying Star! If he takes the risk and something happens to him, it'll be equivalent to losing an arm. I definitely won't agree to it! Besides, without Emperor Jiang, you will never be able to catch Flying Star!"

"Right! "We can't take risks in Emperor River ..." Jialuo nodded, unable to deny it.

secondly, I'm Wutian's business partner. Wutian promised me that he would treat me as an equal! Chen Xiaobei continued. You call him ancestor devil, so you have to call me North ancestor! Are you going to let the old ancestor be cannon fodder?"

uh ... Jia Luo was stunned and shook his head, "Jia Luo wouldn't dare ... He wouldn't dare ..."

Emperor Jiang and I can't go. Fan Qing is an outsider, so he can't go either!

Chen Xiaobei looked at Jia Lou and laughed, "Obviously, the only people who can go to the scene are you and blood Moon! If you two don't want to go, we'll just go home. I won't lose anything if we don't capture Daoist Flying Star."

"Don't! Don't go ... Jia Lou was so depressed that he was about to explode. He knew that he was going to be cannon fodder, but he could only agree."I'll go down with Blood Moon ... Immediately!"

Obviously, Daoist Flying Star was very important to the demonic sect.

If Chen Xiaobei and Di Jiang left, the demonic sect would be greatly affected.

For this reason, even though Jia Lou and the Blood Moon Swordmaster knew that it was a trap, they could only jump in.

"Woof! Whoosh!"

The two of them took out their heaven immortal artifacts at the same time, and like two meteors, they shot down toward Lonestar Island at extreme speed.

"Bro bei, you're so good at planning!"

Emperor Jiang grinned and couldn't help but raise his thumb. let the demonic sect take the lead and have a dogfight with the clan of enlightenment. Then, I'll attack at the right time. I'll be able to obtain the final victory with the least cost!

"When the Sandpiper and clam fight, the third party gains! This is a principle that has existed since ancient times!" of course not! Chen Xiaobei smiled. but you better keep an eye on him. Don't let Daoist Flying Star get away! I'm still hoping to use him to exchange for grade spirit stones!"

bro bei, don't worry. As long as Fei Xing is within my sight, he won't be able to escape! Emperor Jiang was very confident.

Yun fanqing did not know what Chen Xiaobei and Di Jiang were talking about.

However, Yun fanqing believed that Chen Xiaobei would not do anything harmful, so he did not think too much about it and just watched quietly.

“BOOM! BOOM! Boom ...”

Not long after, a series of violent explosions suddenly erupted on Lonestar Island.

In the sky, one could clearly see patches of dazzling spiritual light flickering non-stop, accompanied by terrifying explosions, deafening tsunamis, and even strange phenomena of ice, fire, and lightning. The entire space fell into chaos in an instant.

“Bro bei! You really have divine foresight!”

Emperor Jiang frowned slightly. After observing for a moment, he said, “Looking at the situation down there, the number of enemies is no less than five, and they all have extremely strong primordial spirit abilities! If you didn't stop me just now, I would have been killed if I had rushed down by myself!”

Chen Xiaobei's expression turned serious and he said, “fan Qing, you wait here. If the situation doesn't look good, you will retreat first!

I ... Yun fanqing wanted to help but before she could finish, Chen Xiaobei had already rushed down.

Di Jiang followed closely behind, protecting Chen Xiaobei.

Looking at Chen Xiaobei's back, Yun fanqing could not help but feel worried. She could not stay where she was.

“Swish!”

After a brief hesitation, Yun fanqing could not care less and immediately gave chase.

On Lonestar Island, it was already a mess.

As Emperor Jiang had predicted, there were six people from the clan of enlightenment, and they had surrounded Jia Luo and the Blood Moon Swordmaster.

According to the “illustrated guide of the Three Realms,” they were Daoist Flying Star, Reverend crimsonbright, Daoist River of forgetfulness, Bai mucu, Han Zheng, and Meng Qi.

Among them, Reverend chiming and Daoist River of forgetfulness each took out an immortal weapon summoning talisman and tied up the longbow in Jia Luo's hands and the Blood Moon Swordmaster's Blood Sky sword.

Bai mucu, Han Zheng, and Meng Qi took the opportunity to release their primordial spirit attacks to further restrain Jia Lou and the Blood Moon Swordmaster.

In such a situation, Jia Lou and the Blood Moon Swordmaster could only barely protect themselves and had no chance to fight back.

However, Flying Star, the strongest among the enemies, had not taken any action yet!

“Who are you two? Why did you attack us?”

The flying Star Daoist stood on a huge rock and stared at Jia Lou and the Blood Moon Swordmaster coldly.

The Blood Moon Swordmaster was from the earth-god Realm, so Daoist Flying Star naturally did not know him.

Jia Luo was the reincarnation of a demon and had changed her appearance. More importantly, she was not in the illustrated book of the Three Realms, so Daoist Flying Star did not know her.

“Cut the crap! Hand over your life!”

Jia Luo naturally wouldn't explain to Flying Star Daoist. He drew his bow and shot an arrow at Flying Star Daoist.

“You don't know what's good for you!”

Daoist Flying star's face turned cold. Without any obvious movement, his body suddenly flashed and disappeared into thin air.

Jia Luo's arrow missed, not even touching Flying Star Daoist.

“Woof!”

In the next moment, before Jia Lou could react, a sharp whistle sounded in her ears.

“Not good!”

Jia Luo was shocked. However, he only had one thought and didn't have time to move!

“Bang!”

With a muffled sound, Jia Lou's entire body suddenly flew backward and smashed into a small mountain dozens of meters away.

Lord Galos!!!

The Blood Moon Swordmaster turned pale with fright. He was about to save Jia Lou when he felt a sharp pain in his chest.

“Woah! Bang!”

The speed of the sound was not as fast as the speed of the pain.

By the time the sound was heard, the Blood Moon Swordmaster had already been sent flying backward, creating a huge pit on the ground.

“Two pieces of trash! You don't even know how much you're worth, you actually dare to sneak attack us? You're giving us two heaven immortal artifacts for free! Hahaha ...”

Then, the flying Star Daoist appeared in the void and landed where the Blood Moon Swordmaster had been.

At the same time, the Galos longbow and the blood-sky sword were both in Daoist Flying star's hands.

Obviously, Daoist Flying Star did not disappear into thin air, but his speed was far beyond the range of the naked eye.

Therefore, in the eyes of ordinary people, he seemed to have disappeared.

"So fast ... This person's speed is too terrifying ..."

At this moment, Yun fanqing, who was hiding in the dark, could not help but exclaim.

"Who's there?"

Daoist Flying Star immediately turned his eyes to them.

oh no... Yun fanqing's heart turned cold, and she fell into a panic.

She knew very well that she was no match for Daoist Flying Star. The enemy would definitely attack her and she would die for sure.

"Don't be afraid, I'm here!"

Suddenly, Chen Xiaobei appeared behind Yun fanqing and walked out from the dark. He smiled at Daoist Flying Star and said, "You don't even know who I am?"

Chapter 3158

3158 Let's attack together

Chen ... Chen Zhufeng!?

Daoist Flying Star was slightly dazed. Then, with a look of surprise and joy in his eyes, he sneered, "There's a way to heaven, but you refuse to take it. There's no Door to Hell, but you're here to send me off! We were just thinking about how to catch you, but you just delivered yourself to our door!"

As soon as he said that, the five ancient Immortals of the clan of enlightenment around him all showed a smug smile, as if a group of fierce wolves were looking at a poor lamb.

"Those two idiots just now were your accomplices, right?"

Reverend chiming sneered disdainfully, "you think you can defeat us just because you have two heaven immortal items?" You're really naive to death!"

"Chen Zhufeng! Just obediently surrender!"

Daoist River of forgetfulness also narrowed his eyes and laughed in disdain. we've already defeated all your helpers. You're the only one left now. It's one against six. Do you have any new tricks up your sleeve? "

“Since I dare to stand out, I naturally have the ability to fight you!” Chen Xiaobei raised his eyebrows and said calmly.

“You?”

Daoist Flying Star sneered disdainfully, “Don’t think that we don’t know that you’ve almost used up all your trump cards after so many battles! The heaven immortal artifacts of your two helpers have also fallen into my hands. What makes you think you can still fight us?”

“Chen Zhufeng! Don’t say we’re bullying you!”

Daoist River of forgetfulness raised his chin and said very arrogantly, “Pick any one of the six of us here and we’ll have a fair one-on-one battle with you! If you can defeat any one of us, I’ll cut my head off for you!”

“I’ll give you another hint!” Chiming Zhenren did not care about Chen Xiaobei at all. He said confidently, “Bai mucu, Han Zheng, and Meng Qi are the weakest among them. You can choose your opponent from them!”

Bai mucu, Han Zheng, and Meng Qi all puffed out their chests and rubbed their palms together. Although they were not as strong as Chen Xiaobei, they were confident that they could defeat him.

Obviously, although they were slightly weaker, they were all at the peak of the earth immortal realm and must have some hidden cards at the celestial immortal level.

That was why they were so confident that no matter who Chen Xiaobei fought, he would definitely lose.

However, Chen Xiaobei’s next answer almost made their eyes pop out of their sockets.

Chen Xiaobei’s lips curled into a playful smile. “I don’t want to waste time. The six of you can come at me together!”

what???

As soon as he said that, the six ancient Immortals of the clan of enlightenment exploded in their minds, as if they had been provoked the most in their lives. They even felt that it was a humiliation!

“Chen Zhufeng!”

Daoist Flying star’s face turned dark. He said coldly, “You want to fight the six of us alone? Are you trying to humiliate us?”

“Chen Zhufeng! You’re simply too arrogant!”

Daoist Flying Star and Reverend chiming were even more furious. They cursed, “You clearly don’t have any more trump cards. In front of us, you’re just a piece of trash! We gave you a chance to fight us one-on-one, and you actually want to fight one against six! Do you know how the word “death” is written?”

“Chen Zhufeng! You’re too arrogant!”

Bai mucu, Meng Qi, and Han Zheng were also seething with anger. They had never been looked down upon like this before. "Any one of the three of us can beat you to a pulp! You actually dare to say that the six of us will attack together! You're simply using your life to act tough!"

"If you want to fight, then fight, no need to talk nonsense!" Chen Xiaobei's face was cold, and his dark eyes were filled with the desire to fight.

"This kid is too pretentious! I can't take it anymore! Senior brothers, I'm the youngest, so I won't be modest with you! I'll take care of him!"

die! Han Zheng roared, jumped up and charged at Chen Xiaobei.

"Frosty Skyblast!"

With a furious roar, Han Zheng suddenly activated his peak true energy and threw out a sky full of ice-blue tokens!

The tokens were like stars, crisscrossing in the air!

It was like a mysterious array, and the power it triggered was 30% stronger than that of a peak earth level deity!

"Mysterious finger technique! Ten fingers in a formation!"

Daoist Flying Star couldn't help but praise, "Junior Brother Han Zheng is indeed a Xuan formation genius! The power of this attack is far stronger than that of a peak earth level deity. If Chen Zhufeng doesn't have a sky level deity trump card, he will definitely lose!"

even if Chen Zhufeng has a divine immortal-grade trump card, he's no match for Junior Brother Han Zheng!

Reverend chiming has a smug smile on his face. Junior Brother Han Zheng is one of the best among the third generation disciples of the clan of enlightenment. He's a well-known genius in the heaven realm. It's like killing a chicken with a dragon-slaying knife to deal with Chen Zhufeng!

"Woof! Buzzzzzz! Yi ..."

The next moment, the sky was filled with ice-blue tokens, raining down on Chen Xiaobei like hailstones.

Not only were the tokens extremely fast, but they also covered Chen Xiaobei from all directions, leaving him no chance to escape.

If an ordinary person were to face such an attack, if they did not have a heavenly immortal-grade trump card, they would definitely die.

But it was clear that Chen Xiaobei was not an ordinary person. He had never been!

"Whoosh ..."

Facing the ice blue talismans that covered the sky, Chen Xiaobei stood there proudly. He did not have any intention of dodging.

With a whistling sound, his practicing body directly drilled out of his sea of Qi dantian.

“Phew ... Hiss ...”

In an instant, a jet-black demonic Qi and a cloud of seven-colored Buddha aura burst out at the same time.

The demonic Qi was like a burning flame, exuding a fierce, murderous, cold-blooded, and brutal aura.

The Buddhist chant was like a mysterious Halo, revealing mercy, compassion, holy God, and solemn pressure.

The two were originally incompatible like fire and water.

However, at this moment, it was fused into one by a mysterious and extraordinary power. It exploded with a mysterious divine power that was beyond the five elements.

“Bang! Bang! Bang! Bang ...”

In the next moment, countless ice-blue tokens bombarded the demonic Qi and Buddhist runes, causing a series of violent and shocking rumbles.

The impact force of those tokens was 30% stronger than that of a peak earth level deity. The first ten peak Supremes in the earth-god Realm might not even be able to withstand a token.

“Chen Zhufeng! You can’t even use your heaven-immortal artifact! As expected, he was here to die! Hahaha ...”

Watching the thousands of tokens exploding and rumbling, Han Zheng laughed complacently.

The other five ancient Celestials of Chan were all beaming with joy. They were even thinking about how they should celebrate after killing Chen Xiaobei. How could he claim credit and reward from the master of the contract?

“Idiot!”

However, just as the explosion of the talismans was about to end, a cold voice was heard from under the piercing spiritual light.

“Are you trying to tickle my Dharmakaya with your attack?”

The spiritual light of the token dissipated, and a unique Dharmakaya in the Three Realms appeared before everyone’s eyes.

In an instant, everyone was shocked!

[Red Envelope Group of the Three Realms](#)

Chapter 3159: avatar suppressing

“Chi ...”

Chen Xiaobei’s avatar was about the same size as his actual body.

He wore a jet-black demon King armor and had a pair of black-gold Wings on his back that were like giant blades. He was majestic and domineering.

However, under the black-gold Wings, there was a pair of Platinum wings.

Moreover, the entire Dharmakaya was shining with a Holy and solemn Buddhist Halo. There was even a seven-colored swastika Buddha seal behind his head!

It was as if a Demon King and a Bodhisattva had merged to form a special existence that was both a God and a demon!

That's right!

It was Chen Xiaobei's four-winged Buddhist demon body!

The fusion of God and Devil, the harmony of fire and water!

If I want to become a Buddha, I will become a Buddha! If I want to become a devil, I will become a devil!

In the vastness of the Three Realms, it was impossible to find a second avatar like this!

"Heavens ... What ... What kind of avatar is that ..." He exclaimed.

The six ancient Immortals of the clan of enlightenment seemed to have been hit by a petrifying spell. They were frozen on the spot, their eyes wide open and their mouths agape. Even if he searched all the memories of his previous life, he had never seen such a Dharmakaya.

"Is ... Is this Buddha or devil?"

Secretly, Yun fanqing was also dumbfounded, and even his three views were refreshed.

As a Buddhist disciple, Yun fanqing's understanding of Buddhism and demons was like his understanding of water and fire.

She had never thought that Buddha and demon could coexist, just like she had never thought that fire and water could coexist.

However, at this moment, a real Buddha and demon Dharmakaya had been presented in front of Yun fanqing. Even if she did not dare to believe it, she had to believe it.

This meant that it really existed!

"As expected of bro bei ..."

Somewhere far away, even Emperor Jiang was extremely shocked. "Although it's Taiyi's formless chaos celestial body, even Taiyi himself doesn't dare to swallow things that are naturally incompatible with him at the same time ... Only bro bei would dare to do that! And he actually succeeded ... This is really unprecedented, something that ordinary people wouldn't dare to do!"

The appearance of the four-winged Buddhist demon's avatar shocked everyone present.

In the midst of this shock, they seemed to have forgotten an extremely important matter.

Battle!

It was not over yet!

Chen Xiaobei's avatar was not only unscathed from the attack of the ice blue token, but it also protected his physical body.

This was because the evil bones ancestral fiend King's body's potential had been activated after the fusion of the Buddha and the demon. This had increased Chen Xiaobei's Dharmakaya's defense to the peak of earth-god level.

Furthermore, the phaseless chaos celestial body was a deity-tier cultivation technique, and the rotten bones ancestral fiend King's corpse was a nine-star celestial immortal item.

So, even though they were both peak earth-god level, the ice blue token could not hurt Chen Xiaobei's Dharmakaya at all.

stepping on the peak!!!

While everyone was still in shock, Chen Xiaobei activated the eighth transformation of the witch Dragon.

[ding Qianqian's cultivation Level: Mid stage of soul transformation. Lifespan: Year 294220, physical body: 150 million, combat power: 600 million, primordial spirit attack-sacred level!

60,000 years of life was used up in an instant. Chen Xiaobei's physical body was covered by purple-gold dragon scales, and a mysterious power from his dantian was added to his Dharmakaya.

Originally, Chen Xiaobei's Dharmakaya only had super strong defensive power, but now, it was also enhanced with super strong combat power!

"Woof!"

The four-winged Buddhist demon suddenly rushed out, faster and more powerful than the ice blue tokens!

"Shit ..."

Han Zheng turned pale with fright and couldn't help but let out a shriek.

However, Chen Xiaobei's speed was too fast. Before Han Zheng's shrieking had died down, Chen Xiaobei's attack had already arrived in front of him!

"Swish!"

With a sudden wave of the demon Claw, the five claw stingers, like five extremely sharp daggers, directly cut open Han Zheng's stomach!

"Pfft ... Huala ..."

Han Zheng's upper body had five deep cracks!

From the middle, it could be seen that his skin, flesh, internal organs, bones, and tendons had all been broken by the claws!

Blood and broken internal organs spurted out from the wound like a exploded tomato. It was a terrifying sight.

With just one claw, Han Zheng's peak earth-god Body was completely destroyed.

"Creak!"

However, before Han Zheng could react, Chen Xiaobei's other demonic claw had already stabbed into Han Zheng's dantian like a saber.

"BOOM!"

Not only was Han Zheng's sea of Qi and dantian pierced through, but his Dharmakaya was also destroyed.

"Swish ..."

The demonic claw pulled out a palm-sized spirit body exactly the same as Han Zheng's from the flesh in Han Zheng's dantian.

That's right! This was Han Zheng's nascent soul!

After the avatar was destroyed, the nascent soul became extremely fragile. If Chen Xiaobei squeezed his claws, Han Zheng's soul would be destroyed and he would disappear from the three worlds and six paths.

"Chen Zhufeng! You better stop! Don't hurt Junior Brother Han Zheng!"

Bai mucu and Meng Qi charged at Chen Xiaobei from both sides.

Whoosh ... Whoosh ...

Bai mucu and Meng Qi were so desperate to save Chen Xiaobei that they did not hold back. They each took out a summoning talisman and prepared to kill Chen Xiaobei in one blow.

With a burst of spiritual light, an eight-thousand-meter long ferule that looked like white jade appeared in front of Bai mucu! A nine-thousand-meter long spear with raging flames appeared in front of Meng Qi!

It was as if two heaven-immortal items were attacking Chen Xiaobei at the same time. No matter how powerful the four-winged Buddhist demon was, it would not be able to withstand the attack that was one level higher than Chen Xiaobei. Moreover, it was a pincer attack from the left and right.

"Chen Zhufeng! Die!"

Bai mucu roared, full of fighting spirit, "We originally wanted to let you die an easy death! But you dared to destroy Junior Brother Han Zheng's physical body and Dharmakaya! This blood feud can only be repaid by making you suffer a fate worse than death!"

"Chen Zhufeng! You'll definitely regret this!"

Meng Qi was also menacing, like an enraged Tiger. His blood was boiling, and his fighting spirit was bursting. "I'm going to tear your physical body and Dharmakaya apart with my own hands to avenge Junior Brother Han Zheng!"

Daoist Flying Star, perfected being crimsonbright, and Daoist River of forgetfulness, the three more senior ancient Immortals of the clan of enlightenment, didn't feel much of a stir when they saw this.

In their opinion, the reason why Han Zheng was defeated was that he didn't take into account the tyrannical and terrifying power of the four-winged Buddhist fiend!

Meng Qi and Bai mucu had already used their strongest trump cards, and they were attacking from both sides. Even if Chen Xiaobei had one, he would still be dead!

He had to admit that the enemy's calculations were indeed impressive.

Chen Xiaobei could no longer use any of his trump cards.

However, even if the enemy had a hundred million brains, they would never know that Chen Xiaobei had already obtained a new trump card!

"Swish!"

Chen Xiaobei summoned an extreme white shadow from his body and charged at Bai mucu like a ghost!

Chapter 3160: truth

"What is that thing? What a fast speed! Such overbearing spiritual fluctuations ..."

The moment The White Shadow appeared, all the onlookers had shrieked out of shock.

Upon closer inspection, it was a short knife that seemed to be made of white bone.

The blade and handle were less than 30 centimeters.

There were no cumbersome carvings or decorations, and even the blade looked a little dull, giving people a feeling of simplicity, great skill, but no work.

That's right! It was the divine immortal item that Molo Wutian had given to Chen Xiaobei with a red envelope, the dark Demon bone blade!

"Roar!"

As the black demon bone saber flew out, the 30 billion upper spiritual Qi was instantly burned out.

The small blade suddenly burst out with the howls of thousands of evil spirits, as if the blade had torn the gate of hell. The Army of demons would soon descend on the world, bringing endless slaughter and catastrophe.

"Boom boom boom ..."

In the next moment, the black demon bone saber and the White jade ruler clashed head-on, erupting with a terrifying sound.

It was as if the entire Lonestar Island was shaking!

The terrifying shockwaves broke the surrounding vegetation and crushed even boulders into pieces. Even the surrounding Sea area erupted with violent waves and turned into a frenzied tsunami.

"I didn't expect Chen Zhufeng to have a divine instrument! No wonder he's so arrogant and dared to challenge us!"

Upon seeing this, Bai mucu couldn't help but frown.

He had thought that he could easily deal with Chen Xiaobei, but he did not expect that even after paying such a huge price, he could not hurt Chen Xiaobei at all.

"I don't believe he has a second heaven immortal artifact!"

However, the flaming spear summoned by Meng Qi's summoning talisman had already reached Chen Xiaobei's head.

Clearly, mo Luo Wutian was not an idiot. The heaven-immortal instrument that he gave Chen Xiaobei was only an early one-star heaven-immortal, and there was nothing special about it at all. He would not be able to gain the upper hand in a battle between two people of the same level.

Because of that, the mystic demon bone saber was entangled by the White jade ruler and could not turn around to protect Chen Xiaobei.

"Chen Zhufeng! If you can block senior brother Bai's attack, I don't believe you can block my attack! Just admit your defeat!"

Meng Qi let out a fierce battle cry. His blood was boiling, and he was so excited as if he had won a great battle.

"Whoosh ..."

Before he could finish his sentence, the nine-thousand-meter long flaming spear was already right above Chen Xiaobei's head.

The terrifying heat was like a mountain of Fire, falling down on Chen Xiaobei, trying to burn him and everything around him into ashes.

"Idiot!"

However, Chen Xiaobei was not afraid at all. In fact, he did not even plan to defend himself. He raised his demonic claw and charged at Bai mucu!

"Chen Zhufeng! You actually dare to look down on me! You will regret this!"

Meng Qi was so excited but Chen Xiaobei ignored him. His face turned ugly and twisted. He gathered all his strength and was ready to kill Chen Xiaobei with the flaming spear!

"Chen Zhufeng! You're already at death's door, and you still want to attack me? You're really hopelessly stupid!"

Seeing this, Bai mucu let out a disdainful sneer and said, "No matter how fast your avatar is, can it be faster than a heaven immortal artifact? You haven't even touched me and you've already been annihilated!"

Meng Qi and Bai mucu were certain that Chen Xiaobei had no more cards up his sleeve. He did not defend or dodge, and there was a 10000% chance that he would die under the flaming spear.

"Woof!"

However, at this moment, the spear of flames was blocked by a huge Golden Bell!

The Golden Bell was also a one-star heaven-immortal item. It released a swastika seal that was 3000 meters wide. It was like an indestructible shield that blocked the flaming spear. Chen Xiaobei was not even hurt!

“Swish!”

At the same time, Chen Xiaobei was already in front of Bai mucu.

my God ... This ... How is this possible?!

ah! Bai mucu shrieked as if he had seen a ghost. His pupils contracted uncontrollably, his scalp went numb, and his heart turned cold.

“Swish ...”

All of this happened in the time it took for a spark to fly off a piece of Flint. Before Bai mucu’s shriek had even ended, he felt an excruciating pain in his sea of Qi and dantian, as if his flesh was being torn apart.

One of Chen Xiaobei’s demonic claws had pierced through Bai mucu’s dantian, through his Dharmakaya, and pulled his nascent soul out of his body.

The moment his nascent soul left his body, his physical body lost its soul and fell to the ground. Fresh blood spurted from his mouth, and he was completely crippled.

“Swish!”

Chen Xiaobei did not stop there. His left claw held onto Han Zheng and Bai mucu’s nascent souls while his right claw was ready to strike at Meng Qi’s dantian.

“Help! Three senior brothers, save me!”

no! Meng Qi screamed hysterically. He wanted to retreat but he was not as fast as Chen Xiaobei.

The demonic bone blade wrapped around the White jade ruler, while the Jiu fan Golden Bell wrapped around the blazing Spear.

At that moment, Meng Qi had lost all his means of protection. He thought that he could kill Chen Xiaobei but the tables had turned. He had become Chen Xiaobei’s prey. There was nothing he could do other than run for his life.

“Chen Zhufeng! You better stop!”

Daoist Flying Star, perfected Chi Ming, and Daoist Wang Chuan-the three more experienced ancient Celestials of the clan of enlightenment-no longer dared to put on airs. The three of them rushed out and surrounded Chen Xiaobei!

However, everything was going according to Chen Xiaobei’s plan. From the moment Bai mucu and Meng Qi rushed out, Chen Xiaobei had already planned out his next move.

Daoist Flying Star and the other two reacted quickly, but Chen Xiaobei was one step faster!

“Swish!”

Chen Xiaobei caught up to Meng Qi before he could get far.

The demon Claw directly pulled out Meng Qi’s nascent soul from his sea of Qi dantian.

Chen Xiaobei’s left hand was holding onto Han Zheng, Meng Qi, and Bai mucu’s nascent soul.

As long as he moved his hand, these three guys would be instantly destroyed.

“Stop! Otherwise, bear the consequences!”

Chen Xiaobei’s cold eyes made the three of them stop their attacks.

“Chen Zhufeng! Don’t mess around!”

Daoist Flying Star frowned and said hurriedly, “Let’s have a good talk. As long as you let go of my three junior brothers, I can give you some benefits in exchange!”

Chen Xiaobei looked up and saw that the White jade ruler and the blazing Spear had disappeared. The dark Demon bone blade was back in his hand, and the Jiu fan Golden Bell was back in Yun fanqing’s hand.

Two of the enemy’s trump cards had been destroyed, but Chen Xiaobei and Yun fanqing still had their trump cards.

what right do you have to talk to me? ” Chen Xiaobei sneered.

Reverend chiming angrily scolded, “Chen Zhufeng! You sinister and cunning little rascal, you actually sent people to hide in the dark and launch a sneak attack! He’s really shameless!”

“Idiot! I only told the six of you to come at me together, I didn’t say I was going to fight six of you at once! If you can besiege me, why can’t I find help? Do you think I’m as stupid as you?”

Chen Xiaobei shrugged and said, “To tell you the truth, I still have other helpers lurking in the dark! The three of you don’t even have the right to bargain with me!”

this ... Daoist Flying Star and the other two became nervous instantly. They released their primordial spirit domains vigilantly to spy on their surroundings.

If Chen Xiaobei really had other helpers, the three of them would be in deep trouble.

But they could not understand why Chen Xiaobei would tell them the truth.
