Red Envelope Group of the Three Realms

Chapter 3161: you've lost if you fight back

Daoist Flying Star and the other two tried their best to activate their primordial spirit domains and spy on their surroundings with their divine senses.

However, after a long time, they only found Yun fanqing hiding behind Chen Xiaobei, as well as the unconscious Jia Luo and the Blood Moon Swordmaster. There was no other person.

It was obvious that Emperor River was indeed hidden not far away.

However, Emperor Jiang's primordial spirit domain was far stronger than that of the other three.

Unless Emperor Jiang withdrew his own primordial spirit domain, these three guys would not be able to detect his existence.

"Chen Zhufeng! Are you trying to scare us?"

Daoist feixing glared at Chen Xiaobei and said, "There's no one else nearby!"

"It's up to you to believe it or not!" Chen Xiaobei chuckled.

"Acting tough!"

Daoist feixing's eyes were serious. He held the Galo longbow in his left hand and the blood Sky-reaching sword in his right hand as he approached Chen Xiaobei.

As Jia Luo and the Blood Moon Swordmaster were currently unconscious, the spiritual communication with the magical treasures was temporarily cut off.

Therefore, Daoist Flying Star could also control the two heaven immortal items.

"You said I'm pretentious? Then I'll show you!"

Chen Xiaobei shrugged, and his avatar returned to his body. The power of [power of reaching the peak] also faded away, and he even put away the dark Demon bone blade.

what do you mean by that?!

Daoist Flying Star, perfected Crimson light, and Daoist forgotten Creek were all stunned. They could not understand Chen Xiaobei's actions.

"What I mean is, you guys just attack. If I fight back or dodge, it's my loss!"

Chen Xiaobei was nonchalant about it, and he stood there in a frivolous manner.

"What?"

Not only Daoist Flying Star and the other two, but even Yun fanqing was shocked. They did not understand what Chen Xiaobei meant.

Childe Chen, are you kidding me? "

Yun fanqing could not hold it in anymore. He lowered his voice and said softly, " "There are three enemies, all of whom are extremely powerful and have two celestial immortal artifacts in their hands! Even if you have helpers, it's impossible for you to stop this battle!"

"It doesn't matter. Put away your magic weapon as well!" Chen Xiaobei shrugged and said nonchalantly. this ... Yun fanqing was dumbfounded.

She even suspected that Chen Xiaobei had lost his mind. He was still fighting hard just now, how did he become so trifling in the blink of an eye?

This was simply courting death! Seeking death!

"Chen Zhufeng! We know that your acting is good! But this time, you can't lie to us!"

Daoist Flying Star thought that he had seen through everything. He said disdainfully, " "You must have used up all the spiritual energy in your magic treasure, so you're using this method to scare us away! Let me tell you! No way!"

"That's right! Chen Zhufeng must have used up all his cards and is trying to scare us with his acting!"

Daoist crimsonbright and Daoist River of forgetfulness both nodded, saying disdainfully, "This kind of little trick can be used to deceive others! The three of us are the ancient Immortals of the clan of enlightenment! He had rich combat experience! How could I fall for your trick?"

"The ancient Immortals of the clan of enlightenment? I'm so scared!"

Chen Xiaobei raised his right hand, extended his index finger and hooked it at the man provocatively. "If you have the guts, come and fight! Whoever's a coward is a dog!"

"You ..."

Daoist Flying Star and the other two were instantly enraged.

In their eyes, Chen Xiaobei was just a useless ant, while they themselves were the ancient Celestials of the clan of enlightenment!

An ant actually dared to provoke them like this. To the three of them, this was simply a form of contempt, even humiliation!

Who couldn't endure it!

"My two junior martial brothers! Don't be polite with this kid! Let's attack together and directly cripple him! We'll let him know the consequences of acting tough in front of us!"

Daoist feixing was extremely angry. His eyes were like a hungry wolf that had locked onto its prey, staring at Chen Xiaobei. It was as if it wanted to eat Chen Xiaobei's flesh and drink his blood!

"No problem!"

Reverend chiming and Daoist River of forgetfulness nodded heavily. "Senior brother, use your Dharma Treasure to suppress the Golden Bell. The three of us will attack Chen Zhufeng from the left, middle, and right! He'll definitely be unable to escape and die on the spot!"

“This is too easy!”

Daoist Flying star’s eyes narrowed. He activated the power of the Galo longbow and the blood Sky-reaching sword at the same time and shouted in an extremely vicious way, “Chen Zhufeng! Be prepared to die! This time, we’ll do our best and won’t give you any chance to catch your breath!”

“Clang!!!”

In the next moment, the blood Sky sword flew out first and instantly turned into a huge sword! The blood-red light enveloped the world and the four Seas. Its power could destroy the heavens and earth and suppress all directions!

“Woof!”

Then, Daoist Flying Star drew his bow and shot out an arrow that looked like metal! A terrifying storm that looked like a Black Tornado swept everything around it!

“My two junior martial brothers! Let’s attack together!”

die! Daoist Flying Star roared and, together with the other two, charged at Chen Xiaobei from the left, middle, and right!

It was obvious that they had already calculated everything.

If he used the Galos longbow and the blood Sky-lifting sword, he would definitely be able to suppress the Jiu fan Golden Bell.

Then, the three of them would join forces and use their trump cards. They would definitely be able to subdue Chen Xiaobei.

In fact, the strength of these three guys could not be underestimated!

Daoist Flying star’s primordial spirit ability alone was enough to toy with Chen Xiaobei and Yun fanqing.

In addition, the primordial spirit abilities of Reverend crimsonbright and Daoist River of forgetfulness had yet to be displayed. Even if they were not as good as Daoist Flying Star, they were probably not much weaker than him.

If only Chen Xiaobei and Yun fanqing were here, they would not be able to gain any advantage even if they tried their best.

However, the enemy would never have thought that Chen Xiaobei was telling the truth!

There really were other helpers nearby!

“Universe reversal!”

He heard a low shout from afar.

In such a situation, the three of them had no time to react.

Just as the strange thought emerged in the three people’s minds, an incredible phenomenon suddenly erupted.

“Chi ... Chi ...”

The blood Sky-reaching sword and the metal arrow suddenly disappeared.

The blood shadow and the dark storm in the air also dissipated.

what ... What’s going on?!

Daoist Flying Star and the other two were dumbfounded. They stood rooted to the ground as if they had seen a ghost.

“Woof! Whoosh!”

The next moment, the blood Sky-reaching sword and the metal arrow appeared out of thin air!

In addition, they appeared behind Reverend crimsonbright and Daoist forgetfulness!

Swish ... Swish ...

He had no time to react and didn’t even know what had happened.

Reverend chiming’s body was directly split in half by the blood-sky sword!

Daoist River of forgetfulness’s body was pierced by the metal arrow, and the strong wind even tore his upper body apart!

Red Envelope Group of the Three Realms

Chapter 3162

3162 Face-slapping on the spot

this ... This, this, this ... What the hell is going on?!

At the sight of this, Daoist Flying Star shrieked hysterically as if he had seen a ghost. He had never seen such a strange scene in his life.

How did the two heaven-immortal instruments that were supposed to attack Chen Xiaobei suddenly disappear and reappear? And how could he have turned his gun around and killed both Daoist crimsonbright and Daoist River of forgetfulness?

Daoist Flying Star and the others had never seen or heard of such a strange scene. Perhaps only people of their master’s generation could recognize it.

This was the primordial spirit power of the space ancestral wizard, Di Jiang!

“Chen Zhufeng! What the hell are you doing? What happened just now?”

The flying spiritual master’s eyes were as wide as a bull’s. He looked at Chen Xiaobei as if he was looking at a super demon that could not be understood by common sense.

Chen Xiaobei shrugged and laughed, “I’ve said it before, I have other helpers! You don’t believe me, so you’re blaming me?”

“You ...”

Daoist Flying Star was so angry that he almost vomited blood.

He had clearly used his essence soul domain to check the surroundings. There was no one else around.

If not for that, they would not have had the courage to attack Chen Xiaobei, and they would not have been caught off guard when two of them were killed.

“Woof! Whoosh!”

Chen Xiaobei was too lazy to explain. He released two streams of ethereal force and captured the nascent souls of Chi Ming Zhenren and forget Chuan Daoist.

These two guys were only peak earth immortal realm Warriors. They should have been killed immediately, and even their nascent souls should have been destroyed.

However, the reversal of heaven and earth could only affect a certain area of space. Hence, the power of the dark arrows and blood Sky-reaching sword was reduced to a certain extent, slightly lower than that of a divine immortal.

It was precisely because of this that only the physical bodies and dharmakayas of Reverend chiming and Daoist River of forgetfulness were destroyed, while their nascent souls were preserved.

Of course, their nascent souls were already severely injured and could not resist Chen Xiaobei’s capture. In the blink of an eye, they were all swept to Chen Xiaobei’s side.

Five out of the six ancient Celestials had lost their physical dharmakayas. Only five nascent souls were left. They were trapped by Chen Xiaobei’s ethereal force and were at Chen Xiaobei’s mercy.

“Chen Zhufeng! You’re ruthless! Let’s wait and see!”

Daoist feixing saw that things were not going well and gave up on fighting Chen Xiaobei. He was ready to abandon his five companions and escape alone.

The five nascent souls that were under Chen Xiaobei’s control started to scream.

“Senior brother feixing! Hurry up and leave!”

“We can’t be saved!” Reverend chiming shouted. If you leave with two heaven immortal artifacts, then this battle will not be too bad! Where there’s life, there’s hope!”

“That’s right! Senior brother feixing! Don’t bother about us! Quickly use your primordial Spirit’s special ability to escape this place!” Han Zheng agreed.

senior brother! Daoist forget Chuan thought deeper. after you escape, tell the master of the contract about Chen Zhufeng’s trump cards and secrets. Let the entire clan know about it. We’ll come back to deal with Chen Zhufeng when we have a plan!

“Chen Zhufeng! You can just wait for your death!”

Both Meng Qi and Bai mucu were excited and filled with hatred for Chen Xiaobei. “Senior brother feixing’s primordial Spirit’s special ability can burst out the speed of a peak one-star heaven immortal.

He's absolutely invincible in the earth-god Realm! The next time we meet, I'll definitely beat you to death! Take revenge for us!"

It was obvious that they were reincarnated ancient Immortals and had signed primordial spirit contracts with their Masters. They were 100% loyal.

In order to fulfill the chanism's plan of killing Chen Xiaobei, the five of them were willing to sacrifice themselves so that Daoist Flying Star could escape.

"My five junior martial brothers! Don't you worry!"

Daoist Flying star's blood was boiling. He patted his chest and promised, "I will definitely make a contract with master and even let the original Sage know about this! Your sacrifice is worth it! Next time, Chen Zhufeng will definitely die!"

"Go! Senior brother! You are the hope of all of us!" The five nascent souls that were trapped by Chen Xiaobei looked relieved. as long as senior brother feixing can escape successfully, it will be worth it even if we die!

"You guys are too naive!"

Seeing this, Chen Xiaobei could not help but laugh evilly, "you all regard Flying Star as the hope of the whole village. Unfortunately, he can't escape from my five fingers mountain!"

"You little brat! I'm afraid you don't know my speed!"

Daoist Flying Star was very confident in his speed. He raised his chin and said arrogantly, "If we fight to the death, I may not be able to defeat you! But when it comes to running away, it's not that I'm trying to act cool, but the entire earth-god Realm is trash!"

"Heh, you're running! If you can escape, I'll admit defeat!" Chen Xiaobei shrugged nonchalantly.

Childe Chen, what are you thinking? "

At this moment, even Yun fanqing could not stand it anymore. "We've already seen the enemy's speed! Both Jia Luo and the Blood Moon Swordmaster had been completely defeated by him! If you let him escape, it will be as difficult as ascending to the heavens to capture him again!"

"You still want to catch me! Hehe, maybe in the next life!"

Flying Star didn't want to waste any more time. He activated the supernatural ability of his primordial spirit. Flying Star instant flash!!!

That's right!

This was the move!

Just now, Jia Luo and the Blood Moon Swordmaster had entered the island as cannon fodder to test the waters, but they had been crushed by the flying Star instant flash to the point that they could not fight back at all. Even their heaven immortal artifacts had been taken away by Daoist Flying Star!

One could only imagine how powerful this move was.

Daoist Flying Star might even have a way to escape from a peak one-star heaven immortal.

That was why the five people and Flying Star Daoist were so confident that they did not even consider what to do if they could not escape.

“Woof!”

As soon as he finished speaking, Daoist Flying Star had disappeared into thin air.

Seeing this, the five nascent souls that were trapped began to clamor again.

“Chen Zhufeng! What else do you have to say?”

you can’t even see senior brother feixing’s speed! perfected being chiming sneered. you, Chen Zhufeng, can’t even see him clearly! He was probably thousands of meters away by now! Hahaha ...”

“Chen Zhufeng! Does your face hurt?” Daoist River of forgetfulness also laughed smugly, “Just now, you said that senior brother feixing couldn’t escape from you, but he was slapped in the face immediately! “Pa pa pa!” Does it feel good? Hahaha ...”

Bai mucu, Meng Qi, and Han Zheng were also beaming with joy and were extremely excited.”Senior brother feixing has escaped. Our deaths will be worth it! He will come back to you with my hope and hatred! I’ll make you beg for death! Hahaha ...”

“Universe reversal!”

Suddenly, the space in front of Chen Xiaobei trembled.

Daoist feixing, who had disappeared into thin air, reappeared. He was like a Toad lying under Chen Xiaobei’s feet. He could not even move a finger, as if he was being suppressed by a huge force.

six jokers! Does your face hurt? ” Chen Xiaobei laughed.

[Red Envelope Group of the Three Realms](#)

Chapter 3163: complete victory

this ... How is this possible??? ”

At the sight of this, the five trapped nascent souls-Reverend crimsonbright, Daoist Wangchuan, Bai mucu, Han Zheng, and Meng Qi-were completely frozen as if they had been hit by a petrifying spell! He felt as if he had been struck by lightning, and his heart was hit by a nuclear explosion that was one billion times stronger!

what ... What’s going on??? ”

Even Daoist Flying Star, who was lying on the ground, was also dumbfounded. I’ve already escaped dozens of meters away. How did I end up in front of Chen Zhufeng again? And I can’t move at all ... It’s like seeing a ghost ...”

Of course, other than shock, their faces were all smashed to smithereens!

Just a moment ago, Daoist Flying Star was still claiming that the earth-god Realm cultivators were all trash in terms of speed! The five of them took turns to mock Chen Xiaobei.

The truth was right before his eyes. Not only did Daoist Flying Star fail to escape, he was being suppressed in front of Chen Xiaobei.

This face slap was simply too loud!

“I told you, you can’t escape!”

Chen Xiaobei chuckled. His tone was calm, but it exuded a domineering air of having everything under control.

“It’s over ... I’m completely finished ...”

In an instant, the six ancient Immortals of the clan of enlightenment all wailed in despair.

If Daoist Fei Xing was the hope of the entire village, then Chen Xiaobei had completely destroyed their hope.

Disclose Chen Xiaobei’s Secret! Plotting against Chen Xiaobei! I’ll take revenge on Chen Xiaobei!

All of this was just an illusion. The six of them could only imagine it in their hearts, and it would never come true!

On the contrary, Chen Xiaobei had the power to decide her life and death! He could deal with these six ancient Immortals of the clan of enlightenment at will!

“Whoosh ...”

Chen Xiaobei did not want to waste any more time. He activated God’s greed and extracted all of Daoist Flying star’s cultivation and abilities.

“Swish!”

At the same time, Chen Xiaobei released a giant raven from the ring of all beasts. It was completely black, without a single stray hair!

That’s right!

This was the bi ‘an demonic Crow King that Chen Xiaobei had subdued!

In the ten thousand Beast Ring, there were ten thousand mayfly demonic crows, and the one in front of him was the strongest Esper!

“Whoosh ...”

Chen Xiaobei then transferred Daoist feixing’s cultivation into the demonic Crow King’s body.

Divine greed could transfer cultivation and Dharmakaya, but it couldn’t transfer the special ability of primordial spirit.

The demonic Crow King instantly reached the peak of the earth immortal realm and had a peak earth immortal level body. However, he couldn’t get the Super powerful Flying Star flash.

Of course! The mayfly demonic crow’s innate ability was its extreme speed! It was like a nightmare, so fast that it was hard to see with the naked eye.

Although he didn't get the flying Star flash skill, The Raven King's innate ability had greatly improved along with his cultivation. Moreover, his primordial Spirit's special ability had also been activated.

"Qianqian, fly at full speed and let me see your speed!" He said. Chen Xiaobei ordered.

"Yes, sir!" The misty demonic crow's voice was hoarse and it was filled with the aura of a King.

"Swish!"

It flapped its huge wings, and countless Black Dagger-like feathers seemed to shake, bursting out a surge of black demonic Qi.

In an instant, its huge body disappeared without a trace.

"That's fast ..."

Chen Xiaobei could not help but exclaim, "Even if it's not as fast as the flying Star flash, it's still as fast as a late-stage one-star heaven immortal! My family's hei Teng's talent is comparable to a divine body! Could it be ... That it also has the bloodline of a divine beast?"

Chen Xiaobei had seen qing Bao's divine body of the blue Luan in beikuluzhou. The little girl had the purest blood of the blue Luan.

Although her current cultivation was not high, she could burst out with a heaven-defying speed that could cross many realms!

This made Chen Xiaobei think that the demonic Crow King might have the blood of a divine beast in its body.

Even if it wasn't an inborn divine body, it was definitely not comparable to an ordinary earth immortal beast.

"Chen Zhufeng ... You're so cruel ..."

With his cultivation drained, Daoist Flying Star had been reduced to a cripple. He was wailing weakly, and his mind had completely collapsed. The extreme despair had even made him lose the will to live.

The Living Dead was the best description for Daoist Flying star's current state.

It was obvious that Daoist Flying Star was the person that mo Luo Wutian wanted to capture.

Even though Chen Xiaobei was working with mo Luo Wu Tian, he had to be wary of him.

By giving a crippled Daoist Flying Star to Molo Wutian, even if it could not destroy his plan, it would at least give him more time and effort, and give Chen Xiaobei more time and space to develop himself!

As for the five injured nascent souls, Chen Xiaobei locked them up in the spirit-condensing space.

Although their physical bodies and dharmakayas had been destroyed, their cultivation was still there as long as their nascent souls were still there!

To Chen Xiaobei, this was very useful. It could be considered an additional gain from this battle.

Finally, Chen Xiaobei gathered all six of their storage bracelets together.

In total, he only found 200 million upper spiritual stones and some insignificant pills.

As for the summoning talismans, they had all been used up. Chen Xiaobei did not find a single one.

Of course, these things were not important!

What Chen Xiaobei really cared about was the reward that mo Luo Wutian had promised!

As long as he handed over Daoist Flying Star, Chen Xiaobei would be able to get a heaven-immortal instrument or 60 billion upper-grade spiritual stones from mo Luo Wutian.

Chen Xiaobei was so short of spiritual stones that he had to stop his cultivation.

As long as mo Luo Wutian kept his promise, Chen Xiaobei would be able to get 60 billion upper-grade spiritual stones, which would solve his urgent need.

“Emperor Jiang, bring them over!” Chen Xiaobei ordered.

The reason why Emperor Jiang had been hiding was because Chen Xiaobei did not want him to be exposed to the clan of enlightenment.

If Daoist Flying Star managed to escape, Emperor Jiang, the Super trump card, would be exposed, and the enemies would be on guard in the future. The higher-ups of the clan of enlightenment would even try to restrain Emperor Jiang.

At this moment, none of the enemies had escaped, so Emperor Jiang could naturally show himself.

As long as the secret was not leaked, Emperor River would be able to play a greater role in future operations.

“Bro bei, I think we should just kill them! In any case, the demons aren’t good people!”

Soon, Di Jiang, Jia Lou, and the Blood Moon Swordmaster came to Chen Xiaobei.

The two of them were seriously injured and were still unconscious.

“No... If people don’t harm me, I won’t harm them! This is my principle!”

no! Chen Xiaobei shook his head and said, “ although I have to be on guard against the demons, I will not take advantage of them when they are down, and I will not kill indiscriminately! Even if I’m a demon, I only kill those who deserve to be killed!”

I see ... Emperor Jiang nodded and stopped talking nonsense.

Childe Chen ...

Yun fanqing pursed his lips and said with a complicated expression, “ “I have something to say to you in private ...”

[Red Envelope Group of the Three Realms](#)

Chapter 3164

3164 The world is in chaos

“Bang!”

Chen Xiaobei released a burst of ethereal force and knocked Daoist Flying Star out. “Emperor Jiang is not an outsider. If you have anything to say, just say it.”

Yun fanqing pursed her lips and hesitated for a moment before saying in a low voice, “Childe Chen, you just used a demonic technique, right?”

Are you referring to the technique that I used to steal Daoist Flying star’s cultivation?”

Chen Xiaobei said with a clear conscience, “It’s indeed a secret skill of demons. I also admit that I’m related to demons. However, I promise you that I’m not a demon, neither would I do anything evil!”

Yun fanqing nodded and said seriously, “Of course, I believe in Childe Chen’s character. However, the demonic Cultivation technique is against the natural order and even goes against human morality. There will be huge side effects if you use it for a long time. I’m worried ...

thank you for your reminder. This secret skill does have a huge side effect. The person who receives the cultivation transfer will form a mental demon contract in their primordial spirit and be controlled by the seven demonic gods of hell.

Chen Xiaobei shrugged and said, “However, I already have a way to resolve this side effect! So, you don’t have to worry about me.”

how ... How is this possible?!

Yun fanqing looked at Chen Xiaobei in disbelief and asked, “I’ve also heard of the mental demon contract. It seems to be a divine immortal-level restriction. Except for the seven demonic gods of hell, no one in the earth-god Realm can break it!

“You’re right.” Chen Xiaobei smiled. I didn’t know how to break the mental demon contract at first. However, the seven demonic gods of hell have all been subdued by me. They were the ones who taught me how to break it.

“What!”

Yun fanqing was shocked when she heard this. Her beautiful eyes widened, and her delicate body trembled. “Childe Chen ... You’re not joking, are you? The seven demonic gods of hell have all been subdued by you?”

“Will I get any candy if I lie to you?”

Chen Xiaobei smiled and said calmly, “not only did I subdue the seven demon gods of hell, but I also subdued hundreds of billions of demons from hell and a billion immortal demons!

I’ve already begun to educate them. I hope that one day, all the demons will be able to understand and respect morality, and build an advanced civilization that belongs to the demons!

Oh my God ... Yun fanqing was completely stunned.

Perhaps all the shock she had experienced in her entire life could not even be compared to one-ten-thousandth of what she was feeling right now.

Ksitigarbha had once made a great vow that he would not become a Buddha until hell was empty!

To a Buddhist disciple, hell had a very special meaning in Yun fanqing's heart.

Exterminate all the demons in hell and defend the peace and tranquility of the world.

This was just a low-grade wish.

It would convert all the demons in hell and allow the demon race to live in peace and prosperity.

This was a high-grade wish.

In comparison, K itigarbha K itigarbha was not as smart as Chen Xiaobei when he led the monk soldiers to fight the Asura religion in the netherworld River at the netherworld blood sea and caused countless deaths.

The point was that Minghe had established the Shura religion when luohou had fallen and most of the demons had gone into hiding.

This sect could at most be considered a small branch of the demon race.

The hell that K itigarbha wanted to clear was the Asura clan that Minghe had given birth to from the unholy blood sea.

However, the demons that Chen Xiaobei wanted to educate were all the demons in the Three Realms.

From this point of view, K itigarbha K itigarbha's great ambition had once again lost to Chen Xiaobei.

Yun fanqing was very smart, so he naturally knew the implications of this.

That was why she was so shocked by Chen Xiaobei's words. Even her heart and the things she had always believed in were shaken.

Childe Zhufeng ... You've shown me a new side of you!

Yun fanqing's eyes were filled with excitement. The way she looked at Chen Xiaobei had changed. It was filled with surprise, admiration, and even respect.

Chen Xiaobei was not greedy for fame, so he asked curiously, " "You're also from aparagodya, so why do you seem to know nothing about this?"

Yun fanqing explained. the headquarters of the three sages nunnery is located above the West Ocean. It's separated from the extreme west Desert by an entire continent. The news might not have reached master's ears yet. I've been pursuing the Blood Moon Swordmaster for a long time, so I naturally don't know the situation ...

"I see ..."

then, do you know that the heavenly Dragon sacred territory is being invaded by a force? they have already lost dozens of cities. Furthermore, the speed of their invasion has not slowed down at all! The heavenly Dragon Temple is even in danger of being replaced!"

"I ... I know about this ..."

Yun fanqing pursed her lips, her face full of anxiety, but she said helplessly, " however, master did not allow me to interfere. Firstly, my mission was to seal the Blood Moon. Secondly, even the abbot of Heavenly Dragon Temple could not do anything about it. Even if I interfered, it would be useless ...

Chen Xiaobei looked at the unconscious Blood Moon Swordmaster and said, " "It seems that even if this guy doesn't mess around, the earth-god World will still usher in an unprecedented chaotic world ..."

"Yup ..."

Yun fanqing nodded and said worriedly, " "The war is already raging in the state of Nanzhan, and the jiuyou platform and the hall of heavenly Yin in the state of Luzhou are in an all-out war! With the war in the heavenly Dragon Holy domain of West aparagodaniya continent, the ten thousand Buddhas Pagoda is eyeing us covetously. Sooner or later, it will be disrupted!"

"There's also Videha, Tianji city, Yuxu Palace, and gods 'Palace. Attack the Xuanyuan family from three directions! The three armies have already set off, and I'm afraid that in less than a month, a world-shaking battle will break out!"

"In this way, the four major continents of the earth-god Realm will all be caught in war! This was an extremely terrifying situation! Even when the Blood Moon Swordmaster wreaked havoc back then, there was no such chaos!"

Yun fanqing's face was filled with worry, but his eyes were filled with confusion.

It was obvious that no matter how powerful a person was, in front of the waves of an entire generation, they were still as insignificant as ants.

If life could end the chaotic world, Yun fanqing might not hesitate to do so.

However, he was just an ant. So what if he sacrificed his life?

In the chaotic situation, Yun fanqing's life was not even a ripple, let alone change anything.

"I must end this chaotic world!"

However, while Yun fanqing was feeling helpless, Chen Xiaobei's heart was unusually firm. The decision that he had made a long time ago was now clear again, and he would not waver in the future!

"How to end it?" Yun fanqing asked, frowning.

Chen Xiaobei's eyes were as deep as the sky, and his state of mind was as unshakeable as a mountain."Unify the earth-god Realm!"

[Red Envelope Group of the Three Realms](#)

Chapter 3165: Natal magic weapon

"Unify ... The earth-god Realm ..."

Yun fanqing felt as if he had been struck by lightning. The shock he received was no less than Chen Xiaobei's declaration of converting all the demons in the world.

Ever since the earth-god Realm had existed, it had been divided into four continents.

In the past trillion years, there had been countless ambitious people and super experts who wanted to unify the earth-god Realm, but no one had ever succeeded.

In the four continents, beliefs and races could not coexist.

There were also countless mutually exclusive factors in the details.

For this reason, in the eyes of most people, unifying the earth-god Realm was even more difficult than making the sun rise from the North.

you don't have to be so agitated. I've already started on this matter, and I'll definitely do it! Chen Xiaobei did not explain much, but his heart was firm and unquestionable.

Yun fanqing was completely stunned and had nothing to say.

Rationally Speaking, she could not believe that Chen Xiaobei could do all this.

But for some reason, she could feel an attraction from Chen Xiaobei.

That power had attracted her so much that she was willing to believe in Chen Xiaobei, even if it was just a blind and baseless belief.

It was as if she trusted herself and did not need a reason at all.

"Bro bei, it's time for us to leave!"

the battle just now was too loud, " Emperor Jiang said in a deep voice. if there are other experts on the sea, I'm afraid they'll be here soon!

"Good! Let's go first!"

Chen Xiaobei nodded and kept the unconscious Jia Lou, the Blood Moon Swordmaster, and the flying Star Daoist into the Meru space. Then, he snapped his fingers.

"Swish!"

In an instant, the black demonic Crow flew down at a speed that was hard to be seen by the naked eye.

Chen Xiaobei, Di Jiang, and Yun fanqing stood on the back of the Zhuanxu demonic Crow. The Zhuanxu demonic Crow flapped its wings and flew into the clouds.

.....

The black demonic crow's speed was extremely fast.

When they came, they had flown for about seven to eight hours. When they returned, it was less than five minutes. The Pi Xiu demonic Crow had sent them back to the wild mountains.

Yun fanqing was still worried about the Blood Moon Swordmaster, so he did not leave.

Meanwhile, Chen Xiaobei used acupuncture and the pills he found on Flying Star Daoist and the others to heal Jia Lou and the Blood Moon Swordmaster.

Not long after, Jia Lou and the Blood Moon Swordmaster woke up.

“Uh ... Cough cough ...”

Jia Lou clutched his chest and coughed dryly. His body trembled and rose in an astonishing arc. An ordinary man would have a nosebleed at any moment.

Of course, with Chen Xiaobei and Di Jiang’s state of mind, this level of beauty in front of them could not even cause them to be moved.

“Blood Sky sword ... Where’s my Blood Sky sword ...”

The Blood Moon Swordmaster placed great importance on his heaven-immortal weapon. He could not care less about the pain and immediately searched for the blood-sky sword the moment he woke up.

“Look at your useless face!” what? ” Chen Xiaobei said, ” isn’t it just a heaven-immortal instrument? It’s as if it’s some rare treasure!”

After that, Chen Xiaobei threw the blood Sky sword back to the Blood Moon Swordmaster.

Seeing this scene, Yun fanqing’s eyes widened again.

That was a heaven immortal artifact!

In the earth-god Realm, it could cause the top ten forces to fight with all their might.

However, in Chen Xiaobei’s hands, a heaven-immortal instrument was like a little cabbage that he could throw away at will.

Even though Yun fanqing admired and respected Chen Xiaobei a lot, deep down, she could not help but think that Chen Xiaobei was being too pretentious.

But the truth was, Yun fanqing only thought that way because she knew nothing about Chen Xiaobei’s trump card!

Chen Xiaobei already had the earth escape divine gourd, the nine heavenly lock net, the dark Demon bone spur, and the lunar Pearl.

There was also the one-star heaven immortal middle-stage demonic Dragon’s tribulation and the one-star heaven immortal late-stage immortal weapon summoning talisman that were more powerful than the blood Sky sword.

Because of this, in the eyes of others, the blood Sky sword was a Supreme treasure that the top ten forces would fight for.

But in Chen Xiaobei’s eyes, the blood-sky sword was just too ordinary!

Even if it was a free gift, Chen Xiaobei would still think that it was a waste of spiritual stones!

It was clear that Chen Xiaobei was not acting cool at all, he was just too awesome!

Yun fanqing could not see through Chen Xiaobei, that was why she thought that Chen Xiaobei was just acting cool. When she did, her pretty face would be filled with a wonderful expression, and her respect for Chen Xiaobei would soar!

thank you, Childe Chen!

After the Blood Moon Swordmaster took the blood-sky sword, he stood up and bowed deeply to Chen Xiaobei, ignoring his unhealed injuries.

Chen Xiaobei smiled and said, "Heh, I couldn't tell! The chief sect master of the demonic sect in the earth-god Realm is so polite!"

Childe Zhufeng, you don't know ... the Blood Moon Swordmaster sat on the ground again and said in a deep voice, "the blood Sky-reaching sword is my Natal Dharma Treasure. Once it falls into the hands of the enemy, half of my life will also fall into the hands of the enemy!"

"Life source magic weapon? What do you mean by that?" Chen Xiaobei asked.

"A Natal Dharma Treasure is a special Dharma Treasure that is extremely close to an immortal cultivator and can produce spiritual resonance, even a soul resonance! There were as many immortal cultivators in the earth immortal world as there were hairs on an ox, but only a few of them could find their Natal Dharma Treasures! In fact, it's hard to find one in a billion!"

"However, once a Natal Dharma Treasure is found and a spiritual connection is established, a mysterious resonance will be formed between the Dharma Treasure and the immortal cultivator!" They complement each other and enhance each other's strength, thus greatly increasing their battle prowess!"

"I see ..."

no wonder you can suppress fan Qing's Buddha bone divine body! In addition to the four Blood Fiend body, you've also received the power of the blood Sky sword!"

"That's right ..."

of course! the Blood Moon Swordmaster nodded. the blood Sky sword is extremely important to me. Childe Zhufeng, you've saved my life by helping me get it back! I will definitely find an opportunity to repay this favor!"

Chen Xiaobei looked at the Blood Moon Swordmaster carefully.

Judging from his words and actions, he did not seem to be controlled by Jia Lou. He was even able to thank Chen Xiaobei and repay Chen Xiaobei as he wished.

Of course, Chen Xiaobei had seen through it and did not mention it.

"Jialuo! Continue!"

After that, Chen Xiaobei returned jialuo's longbow to her.

thank you, Childe Chen!

Jia Luo thanked him, but he didn't look too happy. I'm more concerned about the whereabouts of Daoist Flying Star than this heaven immortal item!

"What's wrong? Do you think that Emperor Jiang and I can't catch a Flying Star Daoist?"

Chen Xiaobei then pulled the unconscious Daoist Flying Star out of the Meru space and said, "60 billion upper spiritual stones! Wutian, pay up! I'll give you the person!"

Red Envelope Group of the Three Realms

Chapter 3166

3166 Inferior-grade spiritual Jade

"No problem! No problem! That's no problem at all!"

As soon as Jia Luo saw Daoist Flying Star, the displeasure on his face was instantly swept away and replaced by surprise and joy. As long as we can capture Daoist Flying Star, The Fiend ancestor will fulfill the conditions he promised you!

Without a doubt, Daoist Flying Star was of great value to mo Luo Wutian, which was why Jia Luo was so excited.

As soon as he finished speaking, Jia Luo took out his phone and reported the good news to mo Luo Wutian.

Ding! Congratulations! You have snatched a red envelope from mo Luo Wutian. You have received 600 lower spiritual jades. It has been stored inside your treasure chest!

Ding! Congratulations! [you snatched a red envelope from mo Luo Wutian. You have received a corpse membrane bag. It has been stored inside your treasure chest!]

"What the hell is this?"

Chen Xiaobei was stunned. The 60 billion superior-grade spiritual stones that he had been looking forward to the most did not seem to be in his hands!

Could it be that mo Luo Wutian wanted to renege on his debt?

It's not that bad!

A mere 60 billion upper spiritual stones was not even a drop in the ocean for mo Luo Wutian. There was no need for him to renege on such a small sum.

[mo Luo Wutian has sent you a private message.]

Mo Luo Wutian, "you must be wondering why I didn't pay you according to the agreement, right?"

Chen Xiaobei: "if you know, then give me a reasonable explanation. Otherwise, I'm not going to hand over Daoist Flying Star!"

Mo Luo Wutian: "it's like this. I'm at the top level of the demon Realm. It's equivalent to the three pure realms where the heavenly path sages are! It's hard to find superior-grade spirit stones here ... So, I can only give you inferior-grade spirit Jade.

Mo Luo Wutian: "a piece of lower spiritual Jade is equivalent to 100 million upper spiritual stones. You'll know after you use it. The amount of spiritual Qi is not small at all. Moreover, it's purer and more

refined. It's more convenient for you to absorb and cultivate, as well as inject it into your magical treasure!

Chen Xiaobei: It will save me the trouble of leaving tens of billions of empty spirit stones after I use them up! Furthermore, replenishing spiritual energy during the battle would save him a lot of trouble!

Mo Luo Wutian, "you're a smart person!" He naturally knew how to make use of good things!

Chen Xiaobei, "what's that corpse membrane bag?"

"That's for you to pretend to be Daoist Flying Star!" The red envelope could not be sent to a living person, but as long as he was put in the corpse membrane bag, the system would assume that he was a dead body, and the red envelope could be sent!

Chen Xiaobei:

Chen Xiaobei then took out the corpse membrane bag.

At first glance, it looked like a leather bag. However, the leather looked pale and cold, as if it had been peeled off from a dead person.

"Whoosh ..."

Chen Xiaobei activated the special ability of the bag and sucked the unconscious Flying Star into it.

Next, Chen Xiaobei entered the red packet sending function.

He stuffed the corpse membrane bag into a red envelope and sent it to mo Luo Wu Tian.

[mo Luo Wu Tian: I've received the red packet!] It's been a pleasure working with you! I hope you can help Jia Luo more in the future. I'll give you the reward I promised, not a cent less!

Chen Xiaobei: " I have something that I'm very curious about!

"Mo Luo Wutian: speak!"

Chen Xiaobei: " if the corpse membrane bag can stuff a living person into a red envelope, does that mean I can use it to smuggle a living person into the heavenly immortal world? " This way, he could avoid the danger of the heavenly Tribulation!

"Mo Luo Wu Tian: theoretically, yes!" But in fact, stowaways were not recognized by the heavenly realm. Once they left the corpse membrane bag, the heavenly Tribulation would still come!

Chen Xiaobei: " I see ... Then how do you plan to deal with Daoist Flying Star? " Was he going to leave him in the corpse membrane bag?

[mo Luo Wu Tian: as the saying goes, when a man achieves Dao, his chickens and dogs will rise to heaven!] Daoist Flying Star was a dog of his master. If the heaven recognized his master, it would also recognize him! Therefore, even if he left the corpse membrane bag, he would not trigger the heavenly Tribulation.

I understand now ... Chen Xiaobei said. the loyal dogs, spirit demons, spirit beasts, and ghost slaves have all lost their hearts. They're now like chickens and dogs. As long as their master ascends successfully, they can follow him to heaven and not be threatened by the heavenly Tribulation!

Mo Luo Wutian,"that's right!" It was like this!

Chen Xiaobei: " looks like I'm overthinking things ... My family, brothers, and sisters all have to go through their tribulations normally. They can't sneak into heaven!

[mo Luo Wutian: actually, you don't have to be too worried!] The heavenly Tribulation for ascending to the heavenly realm was the weakest of all heavenly tribulations! There seem to be many types of tribulations. If you need help, I can guide you and even help you!

Chen Xiaobei: " you don't have to worry about that. Even though my Sifu is not here, I can still ask someone else for help!

"It seems like you still can't trust me completely!" But it doesn't matter, as long as we can maintain a fair cooperation, I won't interfere with other things unless you need it!

Chen Xiaobei:

It was obvious that mo Luo Wutian was not someone to be trifled with. He would help Chen Xiaobei, but he would also make Chen Xiaobei pay the price.

Furthermore, there was a cycle of karma.

Chen Xiaobei only wanted to make a clear deal with mo Luo Wutian. He did not want to have any other disputes, and he did not want to owe mo Luo Wutian anything.

Then, Chen Xiaobei put away his phone and looked at Jia Lou. "The deal has been completed. Do you have any clues about the other targets? If not, I'll be leaving first, we'll contact each other later!"

"I don't have any more clues at the moment ..."

Jia Lou said in a deep voice,"I'll continue to investigate the next step. If there's a problem that I can't solve, I'll naturally ask you for help!" Of course, don't forget the name list I gave you! If you encounter anyone from the top, you must help me capture them!"

"I know!"

let's go! Chen Xiaobei shrugged. dijiang, fanqing, let's go!

Yun fanqing shook her head. I can't leave. I have to keep an eye on the Blood Moon Swordmaster!

Chen Xiaobei frowned and said, " "I'm not at ease letting you follow them alone ..."

Childe Chen, don't worry! I owe you my life, " the Blood Moon Swordmaster said. I will definitely not hurt this little nun. I will not let anyone hurt her either!

"You make it sound so easy, I can't trust you!" no! Chen Xiaobei refused. fan Qing is my good friend! I won't let her take any risks!"

The softest part of Yun fanqing's heart seemed to be touched by a wonderful feeling.

She blushed and did not even dare to look at Chen Xiaobei in the eye.

Childe Chen, even if you don't believe in the blood Moon Swordmaster, you should believe in me, right?
" "I swear in the name of the devil ancestor that I will never hurt young master fan Qing!" Jia Luo said in a deep voice.

"I don't believe it!" Chen Xiaobei shook his head. Trust the demon's oath? Unless they had water in their brains!

"Bro bei ..."

However, at this moment, Emperor Jiang smiled indifferently and said, " "You can trust her!"

[Red Envelope Group of the Three Realms](#)

Chapter 3167: Zhu You

"Trust her? Emperor Jiang, Are you sure? Or do you have a way to make her not dare to lie?"

Chen Xiaobei was confused.

With Emperor Jiang's cautiousness, he would not blindly trust a demon.

Since Emperor Jiang dared to believe it, it meant that he must have his own confidence and reliance.

"There's naturally a way."

jialuo, swear again! Di Jiang smiled. that way, bro bei will believe you!

this ... jialuo frowned. She had just made a soft vow, but now she was hesitant.

Obviously, with Emperor Jiang's intervention, this oath would have a completely different meaning.

you don't have to be nervous. I will only cast a curse on you. As long as you don't break your oath, everything will be normal!

Emperor Jiang smiled coldly. His tone was calm, but it revealed an extremely strong threat."Of course, if you go back on your oath, your soul will be cursed by the celestial wizard and be completely annihilated! Wutian's fate energy will also plummet because of you!"

Before Jia Lou could say anything, Chen Xiaobei gasped, " "What the f * ck! What kind of skill was that? That's too awesome! And it even caused Wutian's fate energy to plummet!"

Emperor Jiang smiled and said, " the Sorcerer tribe is best at witchcraft. The Zhu You forbidden spell is one of the most profound pre-Saint level techniques! Once the curse was successfully cast, no one below the heavenly path Sage could break it! Even Wutian is no exception!"

"Awesome!" Chen Xiaobei's eyes were wide open. His understanding of the witch tribe had reached a whole new level.

Before the second immeasurable catastrophe, the Wu tribe was the most powerful tribe, second only to the demon tribe. Their Foundation and civilization had almost reached the peak of the untainted world.

However, after the Great War between the Sorcerer and demon tribes, the Sorcerer tribe was almost completely wiped out. They were also regarded by the heavenly court as the sworn enemy of the foreign tribe. Sorcery was also regarded as an absolutely forbidden technique. Therefore, the later generations knew very little about sorcery.

The sorcery used by Emperor Jiang was the highest level in the entire sorcerer tribe civilization.

Other than the seven heavenly path sages, no one could break it, let alone the true immortals of the heavenly court.

Of course, this forbidden spell was not invincible.

There were many prerequisites for casting a spell. One had to satisfy these conditions in order to successfully cast the spell.

For example, if he wanted to cast "Zhu You of curse" on Jia Lou, he must do it at the same time as Jia Lou's oath.

The content of the oath would determine the final effect of Zhou Jing and Zhu You.

"Jialuo! Stop hesitating!"

I don't know! Chen Xiaobei raised his eyebrows. Wutian and I are going to work together for a long time anyway. As long as fanqing is safe and sound the next time we meet, you won't be breaking your promise! If you don't dare to swear, it means you have a guilty conscience! Prove that Wutian is not sincere in his cooperation!"

Obviously, Chen Xiaobei wanted to see Zhu You's curse, so he used Wutian to put pressure on Jia Luo.

As Chen Xiaobei had said, if Wutian was sincere in cooperating with him, jialuo could swear that he would protect Yun fanqing!

If he did not dare to swear, it would prove that Jia Luo and Wutian were disloyal!

"I've already said this ... I'm willing to swear ..."

Jia Lou understood the stakes. In order to maintain the partnership between Wutian and Chen Xiaobei, he had to force himself to say, "I swear in the name of devil ancestor Wutian that I will never hurt young master fan Qing! If necessary, I will do my best to protect her!"

"Woof! Buzzzzzz! Yi ..."

As soon as he said that, Emperor Jiang quickly changed his hand seals. Together with his vital essence and primordial spirit power, he condensed a dark golden halo.

This ring of light was only the size of a coin. The patterns within it kept on spinning like a mysterious black hole, containing endless opportunities and karma.

It was even connected to the heavenly Dao, and it was an extraordinary existence that transcended ordinary power.

"Chi ..."

Di Jiang flicked his finger, and the small halo flew directly to Jia Luo. It entered her body from her sea of Qi dantian, penetrated her Dharmakaya, and finally imprinted on her nascent soul.

“Done!”

Emperor Jiang looked at Jia Luo and smiled, “Remember your oath! It is closely related to your life!”

“I naturally won’t break my oath ...”

Jia Luo rubbed his sea of Qi dantian and frowned, “Did you really only use [Zhu You of curse] on me? If you have other plans, I will not let you off!”

Obviously, Jia Luo was worried that Emperor Jiang would scheme against her while he was casting the spell.

hehe! You’ve underestimated me and bro bei!

of course! Di Jiang laughed disdainfully. when you were unconscious, I suggested bro bei to kill you all! But bro bei said that as long as you don’t harm him, he won’t harm you! If bro bei and I were scheming against you, do you think you would still have the chance to swear?”

“This ...”

Jia Lou was stunned, and a thin layer of cold sweat appeared on his smooth forehead. He said in a daze, “I’m sorry, I’ve been too narrow-minded ...”

The Blood Moon Swordmaster swallowed his saliva as well, and his heart turned cold.

Just as Di Jiang had said, if Chen Xiaobei had a plan, even if Jialuo and the Blood Moon Swordmaster did not die, they would be under Chen Xiaobei’s complete control, and might even become his loyal dogs. How could he have the chance to swear?

Both Jia Lou and the Blood Moon Swordmaster could not help but think more highly of Chen Xiaobei.

Putting his position aside, Chen Xiaobei’s decision alone showed that he was a man of integrity, principles, and morality. He was a man with a broad mind!

“The matter has been settled. Let’s split up! Fan Qing, if there’s anything you need, you can contact me at any time!”

let’s go! Chen Xiaobei said, and then, with Di Jiang, he stepped onto the back of the demonic Crow King and flew into the clouds.

Jia Luo and the Blood Moon Swordmaster, on the other hand, continued to look for their next target.

If Yun fangqing wanted to keep an eye on the Blood Moon Swordmaster, he would naturally follow him like a shadow!

.....

Putuo capital city.

This was the core city of the Nanzhan state's Putuo domain, and also where the branch of Tianji city was located.

Before he left for the endless Dead Sea, Chen Xiaobei had to wait for Tenshou and Poseidon to return.

If these two fellows went back to clear their treasure vaults, they should be able to bring back two portions of wealth and resources.

Of course, Chen Xiaobei did not wait there. He entered an old mansion in the city with Di Jiang.

The owner of the house was the leader of the Xiu clan from earth-god Realm, elder Ming.

Back then, all the members of the nine Li Magus tribe's four elements Royal City and the Qiang tribe had suffered a destructive massacre in a catastrophe.

That was why Chen Xiaobei and elder Ming had formed an alliance to investigate the culprit and avenge the death of the two races.

The moment elder Ming saw Chen Xiaobei, he asked impatiently, "Childe Chen! Why did you come to find me today? Have you found out who the real murderer was?"

[Red Envelope Group of the Three Realms](#)

Chapter 3168: waiting for the day

"Yes! I've already found the real murderer!"

Chen Xiaobei followed elder Ming into the inner hall and said, "Zhu tianzong admitted that Xu Fu was the one who massacred Jiuli and destroyed the Xiu clan! As for Tianji, Yuxu, Xuanyuan, all gods, heavenly Yin, and blood Moon, these six-party alliance are accomplices!"

"Xu Fu! Is he the elder of heavenly secrets?" Elder Ming asked hurriedly.

"No."

"The old man of heavenly secrets, Xu mangkong, is just a Lackey of Xu Fu!" If I'm not wrong, Xu Fu has already reached the half-step heaven immortal realm, so he has no choice but to hide in the independent space to avoid the heavenly Tribulation!"

half ... Half-step heaven immortal!?

Elder Ming was taken aback. according to what you're saying, Xu Fu's cultivation has already surpassed that of a peak earth immortal. He must have a powerful heaven-immortal artifact and other trump cards in his hands. Isn't it as difficult as ascending to heaven for us to take revenge? "

"Elder Ming, don't panic!"

yes! Chen Xiaobei said calmly, " Xu Fu is strong but my trump card and Foundation are getting stronger day by day. I have the confidence to take revenge! However, I have to confirm Xu Fu's position first and only make my move when I find a suitable opportunity!"

"Mm! Childe Chen, your name has already shaken the earth-god Realm. I believe that you have the ability to avenge our two races!"

Elder Ming composed himself and said very seriously, "I can't help you in the fight against Xu Fu, but I'm willing to do my best to help Childe Zhufeng in other matters!

Elder Ming was a smart man. He knew that Chen Xiaobei did not come all the way here just to tell the murderer. He must have something important to say.

"I do have other things to do!"

"Elder Ming, you used to be the leader of the Xiu clan in the earth-god Realm!" Do you know the relationship between the profound weapon token and the che clan?"

After his adventure in the dark Dragon tomb, Chen Xiaobei had confirmed that the ancient weapon Mystic sect was most likely a sect supported by goddess Nuwa.

Therefore, the profound weapon token and the Yin Yang life and death Ring were closely related to the Qiang tribe.

Even to find little Daji, he had to use the nine pieces of the weapon Mystic token as the final clue.

Elder Ming happened to be from the Yi clan and had lived since the ancient times. He must have a deeper understanding of the mysterious weapon token and the mysterious weapon sect than ordinary people did.

a profound weapon token!?

Elder Ming's expression froze. He flicked his wrist and took out a token from his storage bracelet. Childe Chen, are you talking about this? "

f * ck!!!

Chen Xiaobei's eyes widened."I've spent so much effort to find nine pieces of the profound weapon token and one of them is actually in your hands, elder Ming! What ... What is going on?"

"In the ancient times, the sect master of the weapon Mystic sect was the patriarch of the che clan! I am the core great elder of both the Qiang tribe and the weapon Mystic sect!"

then, " elder Ming said, " the sect master disappeared for no reason, and the weapon Mystic sect was destroyed. I had no choice but to return to the hidden clan and take over as the che clan's patriarch! This medallion is the token of the Grand Elder!"

Oh my God ... Chen Xiaobei was shocked.

He had never dreamed that elder Ming would be the key to unlocking the secret of the weapon Mystic sect.

Before this, Chen Xiaobei had tried his best to investigate, calculate, and speculate, but he could not figure out the truth. But now, he only needed to ask elder Ming and he would have the answer.

In comparison, he had wasted a lot of time and energy in the past.

But then again, Chen Xiaobei only found out about the connection between the token and the duos after he arrived at the dark Dragon tomb.

Before this, Chen Xiaobei did not know about this relationship at all. It was only natural that he did not ask elder Ming.

“Elder Ming! Please give me this profound weapon token! It’s extremely important to me!” Chen Xiaobei said impatiently.

“Hmm ... Sure!”

Elder Ming hesitated for a moment, but he still handed the token to Chen Xiaobei. “This is a token of mine, it can only be kept as a memento! Since it’s so important to Childe Chen, I’ll give it to Childe Chen!”

“Thank you, elder Ming!”

Chen Xiaobei took the token and said excitedly, “in this way, out of the nine pieces of the token, I have obtained six pieces and Xu Fu still has two pieces. In the end, only one piece is left outside!

“As long as I can find the last piece, all nine pieces of the mysterious weapon token will surface! After we settle Xu Fu and find the little fox, we can continue our relationship. It’s only a matter of time!”

Obviously, after getting elder Ming’s mystical tool token, Chen Xiaobei was only two steps away from his final goal!

First, find the lost profound weapon token!

Second, get rid of Xu Fu and take back the last two pieces of the weapon Mystic token!

Finally, after a long adventure and a long wait, Chen Xiaobei finally had the chance to reunite with little fox.

This was what Chen Xiaobei had been looking forward to the most and had never forgotten.

If that could happen, Chen Xiaobei would have no more regrets in the human world.

what???

Just as Chen Xiaobei was getting excited, elder Ming was shocked, “Childe Chen! You ... You’ve already obtained six pieces of the profound weapon token? Is this for real?”

“Of course it’s true!” “My goal is to get nine pieces of the mystical equipment token!” Chen Xiaobei said. I’m only two steps away from achieving my goal!”

Oh my God ... I thought that I would never be able to gather the nine pieces of the mysterious weapon token in my life ...

Elder Ming’s body trembled involuntarily, and his eyes even turned red. all along, I’ve treated the token in my hand as a memento and never dared to hope that I could find the nine pieces of the token again ...

“I never thought that Childe Zhufeng would do something like this! And you’re about to achieve the final success ... This old man is truly in awe of you!”

Obviously, from elder Ming's reaction and words, it was not difficult to see that the nine pieces of the weapon Mystic token had been scattered in different places. After several twists and turns, they had fallen into the hands of different people.

Even elder Ming didn't have the ability to find the nine pieces of the token. He didn't even dare to think about it.

But now, Chen Xiaobei had already obtained six of them. He was getting closer and closer to the last nine.

This shocked elder Ming to the extreme!

As the former Grand Elder of the weapon Mystic sect and the current leader of the Qiang tribe, elder Ming was ashamed of his inferiority to Chen Xiaobei! Exclamations of admiration! Respect! In fact, he even felt a sense of reverence!

"Elder Ming, you're being too serious!"

Chen Xiaobei calmed himself down and asked seriously, "I would like to ask you, what will happen after the nine pieces of profound weapon orders? Was it really like the legends? It could open up a sitting space? Find the heaven immortal artifact that belongs to the equipment Mystic sect?"

[Red Envelope Group of the Three Realms](#)

Chapter 3169

3169 Heading to the Dead Sea

"That's right!"

Elder Ming said in a deep voice, "back then, the weapon Mystic sect had declined to the extreme. There was no way to reverse it!" We, the nine core elders, could only join forces to seal the sect's most precious treasure in a spatial Rift!"

"This spatial Rift leads to a special independent space! Only by collecting all nine of them can you go there and get the one-star Peak heaven immortal artifact that once dominated the entire earth immortal world!"

"What!"

Chen Xiaobei was even more shocked when he heard this. "The heaven immortal artifact owned by the equipment Mystic sect has reached the peak of one-star heaven immortal! Wouldn't he be invincible in the earth-god Realm?"

yes ... Back then, the weapon Mystic sect was the most powerful sect in the earth-god Realm with the most incense offerings!

Elder Ming sighed helplessly. but when the sect master disappeared, he took away all the spirit stones in the sect and drained the spirit vein ... We had a peak one-star heaven-immortal artifact, but we couldn't activate it. That led to the final decline and destruction of the sect!

"It's really three cents that stumped a hero ..."

Chen Xiaobei could not help but sigh. if the weapon Mystic sect had enough spiritual Qi, even if it could only activate the magical treasure once, no enemy would dare to offend it. It would not have declined or even been completely destroyed!

yes ... elder Ming said helplessly, " for immortal cultivators, spiritual stones are not omnipotent. However, it is impossible to do without spiritual stones!

indeed ... Chen Xiaobei nodded. "I'm afraid even someone as strong as Xu Fu has to rely on the Dong Sheng merchant Association to earn spiritual stones, let alone other immortal cultivators! Without the spirit stones, even if you have a divine weapon, it's useless!"

Elder Ming nodded and said in a deep voice, " that's why ... Childe Zhufeng, you have to find a way to earn more spiritual stones. Otherwise, it'll be meaningless even if you collect all nine pieces of the mysterious weapon token!

Chen Xiaobei shook his head and said, " "No, I didn't gather all nine of them for that heaven immortal artifact, but to find a person! She is extremely important to me, even more important than my life!"

"Looking for someone?"

Elder Ming frowned and asked, " we didn't seal anyone else when we sealed the heaven immortal artifact ... Childe Zhufeng, I'm afraid the person you're looking for has nothing to do with the weapon Mystic token ...

Chen Xiaobei shrugged and said, " thank you for your reminder, elder Ming. You don't have to worry about this. I'll naturally get the answer when the time comes.

It was obvious that the gathering of the nine pieces of the mysterious weapon token and finding the little fox was something that mother Nuwa had personally said.

Even if the little fox was not in the isolated space, Chen Xiaobei could still ask Lady Nuwa for the answer once he had all nine of the tokens.

Therefore, he didn't need to worry about not being able to find the little fox.

"Alright, since you're so confident, I won't worry about you ..."

"I just hope you can earn more spiritual stones," elder Ming said in a deep voice."If you can earn 150 billion upper spiritual stones, you can activate that magic treasure once! It will be of great help to you!"

don't worry, elder Ming. I have a way to earn spiritual stones. 150 billion is nothing to me. Chen Xiaobei smiled.

Hearing this, elder Ming couldn't help but gasp. "150 billion is nothing? Childe Chen! You're really a God!"

it's alright ... Chen Xiaobei smiled but did not explain further.

It was obvious that Chen Xiaobei now had mo Luo Wutian as his backer. There were more than 300 people on his wanted list, and he could get 180 billion upper-grade spiritual stones by just capturing three of them.

So, earning spiritual stones was no longer a problem for Chen Xiaobei. It was only a matter of time.

Ding Ling Ling Ling

Chen Xiaobei's phone rang.

It was Poseidon.

He and Tenshou had already arrived at Putuo capital city together and had successfully brought all the wealth and resources in Tenshou's and sea deity Palace's Treasuries.

"Elder Ming, I have something to do, so I'll take my leave first!"

" please help me think of a way. See if we can find the last piece of the mystical equipment token that is lost! Chen Xiaobei said.

"This old man will definitely do his best! "It's just that it'll be hard to find any useful clues ..." Elder Ming wasn't very confident.

If he could find it, he would have already done so. Why would he wait until today?

"Just try your best! As for the rest, we can only depend on luck!" Chen Xiaobei was calm and did not feel conflicted.

After bidding farewell, Chen Xiaobei and Di Jiang left the old mansion and went to the portal to find Poseidon and Tenshou.

Then, the four of them rode on the king of demonic crows and left Putuo capital city, heading straight for the endless Dead Sea.

.....

On the demonic Crow King's back, Chen Xiaobei checked the two storage bracelets from Tenshou and Poseidon.

The Tenshou had brought over 20 billion upper spiritual stones, which was a mountain of resources. For a power of this level, it was already rich.

Poseidon had only brought 10 billion upper spiritual stones. Although it was a lot of resources, it was far less than Tenshou.

With Tenshou keeping an eye on him, there was no way Poseidon would hide anything.

Tenshou could only be said to be too good at plundering and making money. Compared to Poseidon's gift, it was reasonable.

With all his wealth combined, Chen Xiaobei now had 600 low-grade spiritual jades and 33 billion high-grade spiritual stones.

Other than that, all the resources of the two clans were thrown into the heaven and earth smelt to be refined.

After all, Chen Xiaobei had already given the strongest nine-star earth-god instrument in Tenshou to song Qincheng and Jiang Ziya.

Poseidon's nine-star earth-god instrument, the sea god's Trident, was in Chen Xiaobei's hands.

In this way, any high-grade treasures in their Treasuries would naturally be refined.

At this point, the heaven and earth smelt had already refined the resources of three million Tenshou Warriors, the magical bells of the three Spider demons, and the resources from the two Treasuries.

Once all these things were refined into heaven and earth spiritual aura, Chen Xiaobei would be able to upgrade the witch Dragon Flame to a nine-star earth-god level!

Once it reached this level, the witch Dragon heavenly flame would possess the ability to refine heaven immortal items.

Although it would take a long time to refine a heaven immortal artifact, it was still better than not being able to do so before.

Not only could Chen Xiaobei exchange spiritual stones with Wutian, but he could also get a sky-immortal instrument.

Wutian's heaven-immortal instruments were all very ordinary. For example, the dark Demon bone saber would not be able to gain any advantage in a battle of the same level. Chen Xiaobei was not interested in them at all.

In this way, refinement became the final destination of the mysterious demon bone saber.

As long as he refined three of the ordinary divine instruments that Wutian had given him, Chen Xiaobei would be able to upgrade one of his trump cards to divine-level.

For example, he could use the witch Dragon heavenly flame, Nightstalker outfit, and the chaos Blood Sword. He could even use the heaven Earth spiritual aura he had obtained to further advance the demonic Dragon's edge.

After careful consideration, this was also a method to turn waste into treasure, which was of great significance.

"Alright, I'm going to cultivate. Wait for me at the periphery of the endless Dead Sea!"

Chen Xiaobei then entered the verdant Emperor divine gourd.

Chapter 3170

3170 Speeding up cultivation

is this the inferior-grade spiritual Jade? "

After entering the verdant Emperor's divine gourd, Chen Xiaobei took out the low-grade spiritual Jade that mo Luo Wu Tian had given him.

There were 600 round jade stones the size of pigeon eggs.

Its surface was extremely smooth and soft, and it felt like a young girl's skin to the touch.

The spiritual aura within circulated, as if it was filled with seven-colored milk, changing mysteriously like clouds.

If one were to hold it in their hands, one would not be able to sense any spiritual energy from it, only a strong spiritual nature.

But when Chen Xiaobei used his ethereal force to crush the outer shell of a spiritual Jade, he was shocked!

"Whoosh ..."

Like a raging river, a massive amount of spiritual energy flowed out in an instant.

Just like what mo Luo Wutian had said, the spiritual Qi was extremely pure and did not contain any impurities. Furthermore, it was extremely refined and could be easily absorbed by the Qi sea dantian.

"It's indeed a good thing!"

Chen Xiaobei's face was filled with surprise and joy. He was so excited that he could not contain his excitement. "The purer the spiritual energy, the smoother the cultivation! The more refined the spirit Qi was, the faster it would be absorbed! According to my estimation, it can increase my cultivation speed by at least 50%!"

Previously, when he used spiritual stones to cultivate, his combat power or physical strength would increase by 100 points per hour.

If he used spiritual jades to cultivate, his speed would increase by 50%, and he could increase his combat power or physical strength by 150 points in an hour.

This would save Chen Xiaobei a lot of cultivation time, which was very helpful.

"Hiss ..."

After that, Chen Xiaobei began to meditate and cultivate the Scripture of heaven and earth.

.....

This wave of cultivators was Tenshou burning his life to activate the sunlight cache.

The whole refining process lasted for about 93 hours, which was nearly 5556 minutes.

With the sunlight cache's special ability, it would be 5556 days, which was 133333 hours.

His combat power would increase by 150 points every hour. With the addition of the level-nine heavenly Dao cultivation Halo, his combat power would increase by 200 million points in total!

At the same time, the breakthrough of a small realm had extended Chen Xiaobei's life by 180000 years.

[ding Yingluo's cultivation base: late stage of soul transformation. Lifespan: Year 474210, physique: 150 million, combat power: 800 million, primordial spirit attack-sacred level!]

"Phew ..."

Chen Xiaobei let out a long breath and opened his eyes, praising the low-grade spiritual Jade.

“This spiritual energy is really great! This time, he had saved a total of 11 hours of cultivation time! In terms of the time in the sunlight cache, it was more than 600 days! It’s equivalent to saving two years of life!”

Last time, Chen Xiaobei had broken through from the early stage to the mid stage of soul transformation. This time, he had broken through to the late stage.

Logically speaking, it should have taken even longer this time.

It was because he had changed the spiritual Qi He used for cultivation that not only did the time not increase, but it was also shortened by 11 hours.

More importantly, Chen Xiaobei was still in the soul transformation stage. When he reached a higher stage, he would need more time to cultivate. By using this spiritual Qi, he could save a lot of time.

With the upgraded sunlight cache, Chen Xiaobei’s cultivation speed would increase by leaps and bounds.

of course, although time has been saved, the spiritual energy consumption per hour has also increased by 50%. The overall consumption ratio has not changed ...

I’ve consumed 100000 high-grade spiritual Qi in an hour. That’s close to 13.4 billion high-grade spiritual Qi! Chen Xiaobei said.

and each piece of inferior-grade spiritual Jade is equivalent to 100 million superior-grade spiritual stones. In total, 134 pieces of inferior-grade spiritual Jade have been consumed. I still have 466 pieces of spiritual Jade left!

we’re about to enter the endless Dead Sea. I’ll need to put these lower spiritual jades into my heaven-immortal instrument. If I want to cultivate faster, I’ll have to find a way to earn more spiritual jades from Wutian!

Chen Xiaobei did some simple calculations, then he gathered his thoughts and left the verdant Emperor’s divine gourd.

After cultivating for 93 hours, the demonic Crow King had already arrived at the outer periphery of the endless Dead Sea.

The moment Chen Xiaobei stepped out, he was deeply shocked by the scene around him.

This was the center of the West Ocean.

Islands of various sizes were connected to form a huge ring, surrounding a special Sea area.

Outside of this ring, the blue ocean stretched as far as the eye could see, the seabirds and fish were free, and the clouds and wind were light. It was a peaceful and harmonious scene.

However, within this ring, the sea water was as black as ink. Even the sky above the pillar was gloomy, and the black clouds were as thick as a mountain that was about to fall.

"No wonder even the legendary fish don't dare to swim in, and even seabirds don't dare to fly in the sky! Any living being with a brain would stay far away from a place like this and would never dare to set foot in it!"

Chen Xiaobei frowned and sighed.

Chen Xiaobei was standing on a relatively large island.

Emperor Jiang, Poseidon, and the king of demonic crows were all waiting on the side.

I've made a round of inspection of this damn place, and I feel that there's some kind of very evil restriction!

With a solemn expression, Emperor Jiang said warily, "if it's not necessary, it's better if we don't go in ... After all, our cultivation base is very low. It'll be troublesome if we get trapped!"

"No! I have to go in!"

"First of all, there's an ownerless, large spiritual vein down there! This is the clue I got from the Zhen Yuan immortal at the cost of a ginseng fruit! We can't let it go to waste!"

"Secondly, the restrictions in the endless Dead Sea could very well be an opportunity for me to modify my magic treasure! In addition, there were also 9999 evil bone Berserkers that had transformed into evil spirits! I want to convert them!"

Initially, Chen Xiaobei had planned to use these evil spirits to create magical treasures. But now, their strength was not even worth his attention!

However, Chen Xiaobei still wanted to find them.

After Chen Xiaobei had devoured the evil bone ancestral Demon King's body, his body had been greatly enhanced. He had received a good deed, so converting these evil spirits was also a good deed.

Furthermore, the evil bone demons were also exterminated by Xu Fu and his six-faction Alliance. Chen Xiaobei would take revenge for that as well.

It was a cycle of karma.

Ending the karma was something that Chen Xiaobei had to do. It would also help his fate energy.

bro bei, since you've made your decision, I'll follow you to the end! Emperor Jiang's eyes focused. His state of mind was very stable, and he didn't care about life or death.

I can't go ... I haven't lived enough ... I don't want to die ... Poseidon obviously didn't have Emperor Jiang's state of mind and courage. His face was pale, and his body was trembling.

"Sure, take this and you won't have to go!" Chen Xiaobei shrugged and said.

Poseidon gasped and said with a sad face, "Will I still be alive after eating your sword?"

Chen Xiaobei smiled and asked, "Don't you know whether you're Dead or Alive?"
