Chapter 3191: reward waiter

Chen Xiaobei already had a lot of trump cards in his hands. However, he had already used most of them in front of his enemies. If he were to use them again in battle, their effectiveness would be greatly reduced.

Moreover, Chen Xiaobei only had one sealing-type magical equipment, the ninesuns Sky Net.

Considering that the material of the nine heavenly locks net was only at the one-star heaven immortal level, its growth was very limited, and it was very difficult to upgrade it to two-star.

Therefore, Chen Xiaobei really needed to add a new piece of sealing magical equipment that the enemy did not know about, and that had a high growth rate.

Chen Xiaobei knew all these important questions, but he had never had the chance to realize them.

But now, Di Jiang was the space witch. Although his cultivation was still low and his primordial spirit could not control the laws of space, he could still help Chen Xiaobei expand the space of his treasures by injecting his spiritual Qi.

.....

In order to speed up, Chen Xiaobei and Di Jiang entered the verdant Emperor's divine gourd.

Tenshou's lifespan was almost exhausted. This time, it was the five old turtles that he had just tamed who controlled the sunlight cache.

As the saying goes, a thousand-year tortoise is eight thousand-year tortoise!

The lifespan of the turtle Clan was very long. With the five old turtles, Chen Xiaobei would not have to worry about finding someone to activate the sunlight cache for a long time.

Chen Xiaobei then took out all his spiritual Qi and low-grade spiritual Jade.

In total, 68.5 billion high-grade spiritual Qi was all given to Emperor Jiang for use.

Di Jiang did not let Chen Xiaobei down. He used his primordial Spirit's power and his ancient sorcery to expand the space within the blood God's deity-burning painting by 300 times.

Thus, this space could hold almost thirty million immortal demon Warriors.

Although it was still far from one billion, it was still an obvious improvement.

As long as Chen Xiaobei could earn more spiritual stones, it would only be a matter of time before he managed to gather one billion immortal demons.

bro bei, what you need to do next is to merge the underworld mountain armor into the blood God's deity-burning painting. Let this treasure have the sealing and defensive abilities of an earth-god Realm warrior! Chen Fan said.

but the problem might be a bit troublesome, ” Emperor Jiang said in a deep voice. the underworld mountain armor and the blood God burning deity painting are two independent magic weapons. They can’t be simply strengthened. They must be integrated to achieve the desired effect!

“This isn’t difficult, I can handle it!” Chen Xiaobei shrugged and smiled.

“Not difficult?”

Emperor Jiang was taken aback and revealed a rare surprised expression.”Bro bei! The fusion of magic treasures is not as simple as you think! “This process is equivalent to fusing two independent and even mutually repulsive individuals into one!”

“If the fusion isn’t perfect enough, the magic treasure that is formed will have a huge flaw! It might even be broken in future battles. Not only would you suffer huge losses, it might even lead to defeat and threaten your life!”

Obviously, Emperor Jiang didn’t know the skill of magic weapon fusion. In his opinion, it was a very high-end and difficult operation that couldn’t be done easily.

you might not know this, but I have the scholar heart. I’ve long learned the ‘treasure fusion technique’ from ju liusun. So, this is just a basic skill for me!

“What? Bro bei, you’ve already learned jiuliusun’s ‘magic treasure fusion’? ”

what? ” Emperor Jiang was even more shocked. ju liusun is one of the 12 golden Immortals of the clan of enlightenment. His magic treasure fusion spell is very famous in the heaven realm! Let alone a mere heaven immortal artifact, it can even fuse with a low-grade divine artifact!”

“That’s right!”

that’s right! Chen Xiaobei smiled. so, leave the task of fusing the underworld mountain armor and the blood God’s deity-burning painting to me! There won’t be any accidents, it will be a perfect fusion!”

Chen Xiaobei then took out the heaven and earth furnace.

He put the blood God’s deity-burning painting and the underworld mountain armor into the furnace.

Before refining it, Chen Xiaobei even let Xiao ‘er out.

Chen Xiaobei had promised the little fellow that he would reward it handsomely.

“Waiter, you can eat the entire part of the shell without any runes. Do you like this reward?”

Chen Xiaobei smiled at Xiao ‘er as if he was looking at a cute little kid.

“I like it! I like it! I really, really like it! Thank you, bro bei! Bro bei is the best!”

Xiao ‘er was a super foodie. He had always been hungry for heavenly treasures. Moreover, the higher the grade of the food, the more delicious it was in his mouth.

The underworld mountain armor itself was made of a nine-star celestial immortal item. To the waiter, it was definitely a rare super delicacy.

This little fellow jumped into the heaven and earth smelt and started gnawing at the shell at the abdomen of the tortoiseshell.

The runes that sealed the endless Dead Sea were all on the shell of the turtle's back. After Xiao 'er ate up the shell, it did not affect the formation at all. Instead, it reduced the difficulty of Chen Xiaobei merging with the magical treasure. It was killing two birds with one stone.

The waiter's ability to eat was truly terrifying!

In just a few minutes, the turtle shell within a radius of three thousand meters had been gnawed clean. It was as if it wasn't a nine-star heavenly immortal item at all, but a cotton candy that was only for show, and it was gone in a few bites.

"Burp ~"

The waiter jumped out of the heaven and earth smelt and couldn't help but burp. Rice bun said weakly, bro bei, I'm so tired right now. I'm going to take a nap ... I might sleep for a long time this time. You have to wake me up if there's anything good to eat ...

"I know, go to sleep!" Chen Xiaobei grinned and put Xiao 'er back into the ring.

It was obvious that Xiao 'er's talent was to strengthen his own strength by devouring everything in the six DAOs.

However, the waiter had to sleep for a period of time every time he finished eating.

The higher the level of the thing he devoured, the longer he would sleep. Of course, the greater the improvement after waking up would be.

After devouring such a huge amount of nine-star celestial immortal items, the waiter's strength would definitely soar when he woke up.

Seeing this, Emperor Jiang reminded them, "bro bei, you don't have to use God's greed to transfer Xiao 'er's cultivation. You can just let Xiao' er eat the next useless heaven-immortal instrument you get from Wutian!

"Yup!"

yes! Chen Xiaobei nodded. Xiao 'er is the top of the ten most ferocious insects in the prehistoric era. He has a lot of room for growth. He even has the potential to become a Sage-to-be! Its cultivation base should also be built up step by step! It might bring me a huge surprise in the future!"

After that, Chen Xiaobei focused all his attention on the heaven and earth smelt.

"Next, it's time for serious business!"

Chapter 3192

3192 The heavenly Dao has gone crazy

"Hiss ..."

Chen Xiaobei took a deep breath and absorbed all the heaven and earth spiritual aura in the heaven and earth furnace.

After a long period of accumulation, the amount of Heaven Earth spiritual aura had already reached an astonishing level.

In just a few seconds, the quality of the witch Dragon Flame had been raised to the peak earth-god level.

“Whoosh ...”

Chen Xiaobei released the upgraded witch Dragon Flame.

The extremely profound secret art of fire control allowed the temperature, intensity, and firepower of the fire to be controlled within the right range, and the two magic weapons were initially refined.

First of all, the underworld mountain armor was patriarch shield mountain’s tortoiseshell, and his bones, blood, tendons, and flesh were still inside.

Even though these bones, blood, tendons, and flesh had been shattered by the Xiang Dragon Saber Qi, they were still half-step heaven Immortals in the end, and were extremely rare blacksmithing materials.

After being refined by the witch Dragon heavenly flame, these items had turned into a very subtle liquid state and became the link that connected the two magical equipment.

This saved Chen Xiaobei the trouble of putting in other materials.

After that, Chen Xiaobei changed the temperature, intensity, and power of the fire. He then began to fuse the two magical items according to the secret technique in the magical item fusion spell.

With the help of the scholar heart, this process was not difficult for Chen Xiaobei at all.

However, this process was extremely complicated and time-consuming.

Just using the witch Dragon Flame continuously would consume a lot of Chen Xiaobei’s mental power.

After all, Chen Xiaobei’s cultivation was low, but the level of the witch Dragon Flame was too high. It was equivalent to overusing his mental power.

Luckily, Chen Xiaobei had some pills that could replenish his mental power.

Moreover, the yin-yang life and death Ring on his hand could release a small amount of life energy, which could also replenish his mind power.

Just like that, Chen Xiaobei used up all his energy and replenished it at the same time. After eighty-one days, he finally fused a whole new piece of magical equipment.

On the surface, this was still the painting of a single rider against a thousand.

However, as long as he used his primordial spirit domain to sense it, he could clearly sense that the spirituality of the scroll had soared and reached the peak of the earth-god level.

Of course, this was only the level of the painting itself.

The space inside the scroll had perfectly fused with the underworld mountain armor, which was the true killing move!

First of all, the nine-star heaven immortal underworld mountain armor gave the internal space the defensive power of a nine-star heaven immortal.

Secondly, the trillions of living souls and the great endless black hole formation allowed the internal space to have the sealing ability of a two-star heaven immortal.

In this way, no one in the earth-god Realm could escape once they were taken into the painting space.

Even a real one-star heaven immortal couldn't escape this kind of confinement, let alone an earth immortal.

He was invincible in the earth-god Realm without a doubt!

"I've finally succeeded ..."

Chen Xiaobei let out a long breath and took out the painting from the heaven and earth smelt. He held it in his hands and studied it carefully. He couldn't help but smile. He was obviously very satisfied with his work.

bro bei is really amazing!

After observing, Emperor Jiang was full of praise, "the fusion of the Dharma Treasures is perfect. Not only are there no flaws, but the room for growth has also been greatly increased!

"Although it's only a peak earth-god instrument now, it can at least grow into a nine-star heaven-God instrument in the future! With further integration, it's not impossible for it to become a divine artifact!"

Obviously, Emperor Jiang was also very optimistic about this new magic weapon. He even started to think about how to strengthen it, how to use it, and how to awe the heaven realm.

"This treasure is indeed good, but it is only half complete ..."

Although Chen Xiaobei was very happy, he could not deny the problem. this magical treasure only has the ability to seal, but it doesn't have the ability to take in people!

"In other words, I have to beat the enemy until they can't resist before I can keep them in the map space! They were unable to forcefully take away powerful enemies! To put it bluntly, this is meaningless!"

"Yup ..."

Emperor Jiang nodded and said, "you've crippled the enemy. It's completely unnecessary to put him into the map space. It must be able to forcefully take the enemy away, that is truly overbearing and tyrannical!"

Clearly, the problem that Chen Xiaobei and Di Jiang were facing was similar to the nine sky sealing lock formation.

If it was just the nine sky sealing lock great formation, the seal scripts had to be buried at a fixed location. The eye of the formation had to be set up and the enemy had to walk into the trap.

However, after Chen Xiaobei and Qiu Ling 'er's modification, the ninesuns Sky Net could take the initiative to attack and capture the enemy anywhere.

The scroll in Chen Xiaobei's hand lacked the ability to capture enemies. It was only a half-finished product.

the next step is to find a magical treasure with the ability to forcibly take people in and then merge with it. Only then can this painting be complete and display its true value!

Chen Xiaobei knew what he had to do, but finding such a magical treasure was a problem.

Of course, Di Jiang was very knowledgeable and could give Chen Xiaobei a lot of advice. "There are actually a lot of magic treasures like this. The ROC's yin and yang Qi bottle! The Maitreya Buddha's golden armor and the nameless cloth bag! Taishang Laojun's purple gold gourd and diamond bangle! They're all extremely overbearing grabbing treasures!"

"Uh ..."

Chen Xiaobei looked at her and said, "I've heard about what you've just said, but they're all divine artifacts, and even quasi-Holy artifacts. It's impossible for me to get my hands on them! Even if I get my hands on it, I won't be able to use it!"

of course not! Emperor Jiang shook his head and said, "I don't want you to get these treasures. I just want to give you some inspiration! There are actually a lot of such talismans. If you have the opportunity, you might be able to get one tomorrow!"

uh ... Chen Xiaobei smiled bitterly and said, "My luck hasn't been increasing recently. Instead, it's continuously being consumed. It's impossible for such a good thing to happen ..."

"There's always a way out when there's a car at the foot of the mountain, and the bridge will cross when it comes to it!" there are too many variables in the Three Realms and six paths. Emperor Jiang shrugged. as long as you keep working hard, you'll have a good result sooner or later!

"Understood!"

Chen Xiaobei nodded and said, "I will naturally continue to work hard. Even if I don't have good luck, even if I face many dangers, I will definitely not stop!"

[ding! You have ended the war. You have received 30 billion merit points!]

[ding! You have protected the people. You have been rewarded with 30 billion merit points!]

– your current merit points are 148.47 billion.(Charm: 14.84 billion, luck: 14.84 billion)!

[you have gained 1.3 billion new believers!] The total number of believers was 67.3 billion! (Only '100 million' as the unit, the rest of the numbers are not calculated in detail.)

"What the f * ck! What's the situation?"

Chen Xiaobei was dumbfounded and shocked. has the heavenly Dao gone crazy???

Red Envelope Group of the Three Realms

Chapter 3193

3193 Rushing to Dongsheng

Chen Xiaobei was worried that his luck would drop, and that something bad would happen. He did not expect to receive so many reward notifications.

Not only did the merit points of the Three Realms increase by sixty billion, but the number of believers also increased by one billion.

To Chen Xiaobei, this was a huge sum of money.

Most importantly, Chen Xiaobei did not do anything and he had gained so much.

Chen Xiaobei could not think of any other explanation other than the fact that the heavenly axiom had gone crazy.

“Bro bei, what’s wrong?”

Di Jiang looked at Chen Xiaobei with confusion and asked, “Why would he suddenly say that the heavenly Dao has gone crazy? What happened?”

“Something has happened! Something big had happened! Let’s get out of here!” Chen Xiaobei put away the heaven and earth smelt and the blood God’s deity-burning painting, then left the verdant Emperor’s divine gourd with Emperor Jiang.

Chen Xiaobei’s phone rang the moment he returned to the real world.

It was song Qincheng.

At first, Chen Xiaobei was still confused, thinking that the heavenly axiom had gone crazy. But after seeing the phone call, Chen Xiaobei could guess what was going on.

“Hey, Qingcheng, are you here to tell me about the situation at the front line?” Chen Xiaobei asked.

“That’s right!”

Song Qincheng’s voice came from the other end of the phone, “we’ve just received a report from the front line. Xiang Yu and Ying Zheng are fighting on two fronts, and they have taken down thirty major cities in total!

the most important thing is that the few major policies of the bei Xuan faction have been implemented successfully and have been warmly welcomed and supported by the local officials and people!

from this moment on, the beixuan dynasty will officially have thirty new cities! In addition to the fire cloud domain, our sphere of influence has already reached two large domains!”

Without a doubt, expanding the territory was the top priority for a dynasty.

As the Empress, song Qincheng was in charge of all the government affairs in the beixuan dynasty. To her, this was a great achievement.

It was precisely because of this that she was so excited.

Of course, she did not care about merit or fame. She was only so excited because she was happy for Chen Xiaobei.

In her heart, Chen Xiaobei would always come first.

She liked everything that Chen Xiaobei liked. She would try her best to achieve Chen Xiaobei's goals. Even if Chen Xiaobei had nothing, she was still willing to give up everything and follow him through life and death.

Even through the phone, Chen Xiaobei could still feel song Qincheng's sincerity and emotions.

Chen Xiaobei's heart was filled with warmth as he said in a soft and loving tone, " "You've worked hard these days. Let the Army rest for a few days. You should also have a good rest. Don't be too tired!"

"I'm fine."

As the reincarnation of Wu Zetian, song Qincheng was born to rule a country. I like to help you with these things. It's definitely not tiring. Instead, it makes me full of energy!

"I've already sent the nine disciples you've just promoted to the front line! With their help, the following battles would be much easier! Our territory will also expand even faster!"

It was clear that song Qincheng was not tired at all. She had even thought of Chen Xiaobei's next move.

Perhaps this was really her hobby.

Chen Xiaobei was a little heartbroken, but he did not want to interfere too much. do as you say. I believe you will handle it well.

In fact, Chen Xiaobei also wanted to speed up the expansion of his territory.

This was because the expansion of the territory meant taking down more cities, ending more Wars, and protecting more people. From there, they would obtain more merit and gain more believers.

To Chen Xiaobei, this was the most important thing.

At the same time, this was also a necessary stage to unify the Nanzhan state, and even the entire earth-god Realm.

Just like now, when Xiangyu and Ying Zheng had taken care of thirty cities at the front line, Chen Xiaobei had gained 60 billion merit points and one billion new followers.

Furthermore, as time passed, the number of believers would only increase.

With one billion people in each city, Chen Xiaobei would have 30 billion new followers in the near future.

Even if some of them were lost, or some of them were not willing to believe in Chen Xiaobei, it would not be less than 20 billion new followers.

This way, Chen Xiaobei could choose a higher level heavenly halo, and his future journey would be smoother.

Most importantly, when Chen Xiaobei became the Emperor of nine lives, the heavenly court might send him some elixir.

This way, Chen Xiaobei would not have to go through the heavenly Tribulation and would be able to ascend and become an immortal.

In history, Houyi, Ying Zheng, and many other great heroes who had saved the world had all received such treatment.

However, Hou Yi's immortal pill was stolen by Chang 'e, while Ying Zheng's immortal pill was replaced by a poison pill by the Jade Emperor.

However, other than them, there were still many people who successfully used immortal pills to ascend to the heaven realm and become true immortals.

Chen Xiaobei was full of anticipation.

However, Chen Xiaobei's goal was to become a saint. He would not use a pill that could forcefully break through a large realm.

Chen Xiaobei was looking forward to it because he was planning to let his parents eat the Golden pill.

Now, Chen Zhongfu and Zhang Chui 'er had both reached the peak of the earth level deity realm and had the possibility of transcending the Tribulation and ascending.

However, they were all extremely inexperienced in combat, and the success rate of resisting the heavenly Tribulation was almost zero.

Chen Xiaobei had always valued family and would never let his parents take risks. So, the Ascension elixir was his best choice.

Chen Xiaobei was willing to pay any price to protect his parents.

That was why Chen Xiaobei had to carry out his plan to unify the earth-god Realm. He could only succeed!

"Xiaobei ..."

On the other end of the phone, song Qincheng continued, " you can leave all the matters in Nanzhan state to me, old Jiang, and old Wang to handle. However, you may have to make a trip to Videha!

"What's wrong? Did something happen to the Xuanyuan family?" Chen Xiaobei asked.

the Alliance of Tianji, Yuxu, and the gods is attacking the Xuanyuan Sacred Realm from three directions at the same time. I believe you know that!

Song Qincheng paused and said in a deep voice, " "But you might not know this, but these three have invited extremely powerful foreign aid! It was said that they were all peak earth Immortals with powerful supernatural abilities! Although tuo hai hasn't asked for help yet, I'm worried that he can't resist ..."

"Understood!"

Chen Xiaobei nodded. He knew very well that the foreign aid that the three families had invited would be powerful reincarnated ancient Celestials with high-tier primordial spirit abilities and even a summoning talisman. Xuanyuan tuohai might not be able to handle it!

"I'll immediately rush over! I'll leave the Nanzhan state to you!" Chen Xiaobei trusted song Qincheng.

After hanging up the phone, Chen Xiaobei brought Di Jiang and six-eared macaque with him and headed straight to Videha.

Red Envelope Group of the Three Realms

Chapter 3194

3194 Critical situation

In Videha, between Xuanyuan sacred domain and heavenly secret sacred domain, there was a mountain range of the ink wind.

If the Tianji city wanted to attack the Xuanyuan family, they had to cross this mountain range.

As an extremely important military strategic point, the ink Wind Mountain range was like the Great Wall, with countless fortresses and formations set up along the way to resist the enemy.

At the only mountain pass, there was a Jing mo Royal City in the middle.

If the Army of Tianji city wanted to pass through the ink Wind Mountain range, the most direct way was to break into the pure ink Royal City.

As long as they occupied this Imperial City, the Army of Tianji city could attack and retreat freely, and they would have a huge advantage.

More importantly, once this city was broken, the northern gate of the Xuanyuan sacred territory would be opened, and all the fortresses and formations along the mountain would be rendered useless. The enemy could come and go freely, and they would be able to attack the thousands of main cities behind the mountain.

In this way, the entire northern region of the Xuanyuan sacred territory would fall and be completely controlled by the Tianji city.

On the contrary, if the Xuanyuan family could defend the jingmo Royal City, they would be able to seal the northern gate and completely block the Army of Tianji city outside.

Of course, as the saying goes, it's easier to attack than to defend. It wouldn't be easy for the Xuanyuan family to seal off the northern gate.

Don't forget, the enemy was the strongest of the top ten powers, Tianji city!

clan head, the local army has begun to stir. It seems like they're about to launch their thirteenth attack on us ...

Xuanyuan guanghong was wearing a set of silver armor, and his white hair and beard were covered in worry and unease.

His armor was originally a high-rank earth-god instrument, but now, its surface was full of holes, cracks, and even blood.

It wasn't hard to tell that Xuanyuan guanghong hadn't taken off his armor and rested for many days.

That was because the enemy's Army had never retreated since they arrived at the city! They were like a pack of hungry wolves that were in an attacking position, staring at their prey, ready to pounce at any moment and give a fatal blow.

grandfather, you don't have to worry ... If they dare to come, I'll behead another million people ...

Xuanyuan tuohai was wearing a set of golden armor, and his breath was weak when he spoke. It was obvious that he had just experienced a fierce battle.

However, the him of today was a far cry from the him of yesterday.

His young face was covered in blood, and his clear black eyes were full of killing intent. He was like a resting Tiger. He looked weak, but if the enemy really dared to charge at him, his Tiger's might could still intimidate everyone.

In fact, Xuanyuan tuohai had completely transformed from a boy to a man ever since Chen Xiaobei had wreaked havoc in the Xuanyuan family.

Through this war, Xuanyuan tuohai was promoted from a man to a Super Battle general with Iron Blood.

Even if hundreds of millions of enemies were in front of him, Xuanyuan tuohai was fearless!

As long as he was still breathing, his heart would only be filled with battle intent and endless killing intent!

fifth senior brother, take some more pills to recover your true essence and mental energy ...

Daoist Yiru took out some pills and handed them to Xuanyuan tuohai. He couldn't help but sigh, "You're the only one holding up the northern Battlefront ... For three consecutive days, a total of twelve major battles ... Even iron Men would be crushed ..."

"It doesn't matter!" Xuanyuan tuohai swallowed the pill and said with a determined look, "If I can't even survive this, what right do I have to be master's disciple? I'm simply unworthy of master's nurturing!"

that's true, but the war is far more complicated and difficult than we thought ...

Feng Qingyang furrowed his brows as he stared at the Restless enemy troops. "Tianji city has practically turned out in full strength this time! Their Army is over a hundred million in number, and they're taking turns fighting us, constantly consuming our physical and mental strength!"

“More importantly, in the enemy’s camp, there is not only the old man of heavenly secrets, Xu yunkong, but also three extremely strange peak earth level deities! If I’m not wrong, they are the reincarnated ancient Immortals that master mentioned!”

Clearly, the appearance of the reincarnated ancient immortal had completely broken the balance of the battle.

If it was only the trillion-strong Army of Tianji city, Xuanyuan tuohai could definitely defend it with the heaven immortal magical formation of jingmo Royal City and the battle formation of the Xuanyuan Army.

However, with the intervention of these reincarnated ancient Immortals, the defense line of the Xuanyuan Army suffered even more attacks.

With wave after wave of attacks from the heaven’s legacy Army, the balance of the war was completely broken.

Although the city had not fallen, the Xuanyuan Army had suffered heavy casualties. The city wall had collapsed in many places, and the people in the city were in a panic. There was even a possibility of internal strife.

What was even more terrifying was that the Xuanyuan Army didn’t have time to rest, reorganize, repair the city walls, or settle down.

This was because the heaven’s legacy Army had a large number of soldiers. After the first wave of soldiers attacked the city, another wave of soldiers in their best condition could immediately continue to attack.

The Xuanyuan Army couldn’t relax for even a moment, and they couldn’t recover their physical strength, let alone their spirit.

Under such mental and physical torture, even the strongest and most loyal warrior would be completely worn down.

This was the enemy’s ultimate goal, and it was also Feng Qingyang’s biggest worry, but there was nothing he could do about it!

As if their sore spot had been hit, all the upper echelons of the Xuanyuan family fell silent.

None of them could break out of the predicament that Feng Qingyang had described.

If this stalemate continued, it would only be a matter of time before jingmo capital city was defeated.

“All the soldiers and citizens of jingmo Royal City, I am the old man of heavenly secrets, Xu yingkong! Before we launch the final attack, I’d like to give you a piece of advice!”

At this moment, a figure flew over in the air.

He was wearing a black and white robe, and there was a mysterious Taoist connotation above his head. He was shining with black and white spiritual light, and the Tai Chi spiritual pattern appeared! The

Golden spiritual light under his feet formed the image of the six elements! His eyes were extremely deep, like the starry sky and the universe, all-encompassing!

That's right!

He was the old man of heavenly secrets, Xu yunkong!

"What is this old thief trying to do?"

Xuanyuan taohai suddenly stood up, ready to rush out and fight Xu yankong one-on-one.

After all, Xuanyuan taohai had obtained Xuanyuan zhengyong's cultivation base and was already a peak-stage earth immortal. He also had a heaven immortal tool, the golden sun sword, and his super strong physique from his evil demon bloodline.

In terms of one-on-one combat, Xuanyuan tuohai was not afraid of Xu yankong.

However, it was obvious that Xu yunkong would not be so foolish as to challenge Xuanyuan taohai one-on-one.

This old man was just flying in the sky, not advancing nor retreating.

However, it did not take long for the 30 million Xuanyuan troops and 10 billion ordinary citizens in jingmo capital city to focus their attention on Xu yankong! They also pricked up their ears to hear what Xu mankong had to say!

"Not good!"

Feng Qingyang's expression changed drastically, "this old thief is going to kill me!"

Red Envelope Group of the Three Realms

Chapter 3195: mental attack

"Kill the heart? Not good!"

Xuanyuan guanghong's eyes were filled with anxiety. "That old bastard will definitely use tuo Hai's demon bloodline to make a big deal out of it! We can't let him talk nonsense!"

As everyone knew, Xu yingkong had predicted more than ten years ago that Xuanyuan taohai had the bloodline of the evil ghost and would bring an unprecedented catastrophe to the entire East victory divine region.

More importantly, in the eyes of ordinary people in the earth-god Realm, Xu mangkong was like a living God!

There were even rumors that Xu yunkong could listen to the will of the gods outside the gate of heaven. Therefore, Xu mangkong's prophecy was like the truth that the entire earth-god Realm believed in.

At this moment, if Xu mangkong were to bring up the prophecy from back then again, the soldiers and civilians in jingmo capital city would most likely be shaken.

Even if only a small number of people rebelled, it would cause immeasurable consequences.

“It doesn’t matter! Let him speak!”

However, Xuanyuan tuohai had no intention of attacking. He sat quietly on the spot, watching coldly.

“We can’t let him talk nonsense!”

Xuanyuan guanghong was worried to death. Xu yingkong’s prophecy has never been wrong. He has countless believers in the earth-god Realm. No one in the earth-god Realm can compare to him in terms of ability to sway people’s hearts! If the soldiers and the people rebel, jingmo capital city will be destroyed in an instant, and we will all die!”

“Grandpa! Please calm down!”

Xuanyuan tuo Hai’s expression did not change as he said indifferently, “ “At this time, if I rush out to attack, others will only say that I have a guilty conscience and want to kill to silence you! They’ll be even more certain that Xu mangkong’s prediction is ahead of qianzhen’s!”

this ... Xuanyuan guanghong’s expression froze, and he was instantly speechless.

“Fifth Junior Brother is right!” “We can’t attack now,” Huo yuanba said in a deep voice.”We can only wait and see!” Let’s hear what Xu mangkong has to say and then think of a way to fight back!”

that’s right ... Feng Qingyang nodded, “ we old men are all confused from our anxiety. On the contrary, you young people are calmer!

As soon as he said that, everyone fell silent and waited for Xu mangkong to come up with a brilliant idea.

Xu mangkong put on an act like a living God and said, “ sixteen years ago, I had already predicted that Xuanyuan tuohai was the son of an evil demon, and would bring a huge spatial catastrophe to the Videha, harming the people and killing them!

as the leader of the world’s righteous path, I can’t let the people suffer. Therefore, I’ve joined forces with the Jade virtual Palace, the gods ‘Palace, and many righteous reclusive powerhouses to attack Xuanyuan tuohai and end this catastrophe from the root!

As soon as he said this, the guards on the city wall, the Army formation below the city gate, and the people in the city all became restless and couldn’t help but discuss.

Even the higher-ups of the Xuanyuan family and jingmo capital city looked at Xuanyuan tuohai with strange eyes. Although they didn’t dare to say anything, their eyes betrayed their wavering loyalty.

Killing people is not as good as killing the heart!

Xu mangkong’s appearance at this time to shake the hearts of the people was simply taking drastic measures!

Once they lost the support of the people, the entire jingmo capital city would be defeated from the inside and fall directly into the hands of the enemy.

Such an outcome would result in Xuanyuan tuohai’s complete defeat. He wouldn’t even have the chance to turn the tables.

However, Xuanyuan tuohai and the people from bei Xuan faction had nothing to say in this situation.

After all, Xu yankong's words were deeply rooted in people's hearts, and they couldn't be changed by Xuanyuan tuohai and the others.

"Although I started the war, our Alliance is the Army of justice that will save the Videha! A benevolent master! We will never kill innocent people!"

Xu mangkong took a deep breath and said, "Before we launch the final attack, this old man wants to give all innocent people a chance! As long as you don't support Xuanyuan tuohai, I can guarantee that I won't hurt anyone after we break into the city! Including all the soldiers and civilians, we can live as normal as before!"

As soon as he said that, the entire jingmo capital city burst into a commotion and discussion again.

It was obvious that the hearts of the people were wavering.

He was probably only one step away from the final rebellion!

After fighting for three days and three nights, all the Warriors of Xuanyuan city were exhausted, and the people were even more worried.

Everyone wanted to end this damn war as soon as possible.

And right now, there were only two possible outcomes to end the war.

One was to continue supporting Xuanyuan tuohai and be buried with him after the defeat.

The second was to betray Xuanyuan tuohai and return to the peaceful life in the past.

In the face of such a choice, those who were already disloyal to Xuanyuan taohai would choose to betray him without hesitation. Even those who were loyal to Xuanyuan taohai would inevitably waver.

This was all human nature!

No one would give up on these peaceful days and run to die in a great battle that they were sure to lose!

"What is everyone hesitating for?"

Xu mankong smiled kindly, as if he was an honest, kind, and beautiful elder.

"Xuanyuan tuohai is the son of the evil demon, and we are the Masters of justice! If everyone continued to support evil against justice, that would be going against the heavens, and would not be tolerated by the heavenly Dao! You will fall into hell forever and be consigned to eternal damnation!"

"More importantly, the battle is already in front of us. Xuanyuan taohai will definitely lose! Don't tell me that everyone wants to be buried with this demon?"

Without a doubt, Xu mangkong's hypocritical persuasion was in fact a blatant threat.

If the soldiers and commoners didn't betray Xuanyuan tuohai, they would be buried together with him! And they would be buried together with him!

“Everyone, wake up! The only way out for you is to forsake the darkness and join the light! Kill demons, end disasters, and embrace justice! Your future will be incomparably bright, and your lives will be countless times more blissful than they are now!”

After the threat, Xu mankong immediately laid out a big plan and let everyone see a beautiful hope.

With the combination of coercion and temptation, such a psychological attack, almost no one could continue to stick to their original intention.

At this moment, as long as one person stood out to rebel, countless people would follow suit.

The entire jingmo capital city would collapse in an instant and fall into the enemy’s hands, like an ant’s nest breaking a thousand-mile dam.

Xuanyuan tuohai and the people from beixuan clan looked desperate. They could not turn the situation around.

“Old thief! You’re bullying the weak and defaming my direct disciple. Do you have no respect for me, Chen Zhufeng of North Mystic?”

At this moment of life and death, a young Man in Black descended from the sky. His black eyes were as deep as the starry sky. He looked at Xu mangkong as if he was looking at an ant.

Chapter 3196: war of words

“Chen Zhufeng? Why are you here?”

Xu mankong’s expression changed drastically. A second ago, he had the demeanor of an expert who controlled the entire situation. Now, his pupils shrank and his body trembled. He almost had the word “terrified” written on his face.

Xu mankong knew more or less about Chen Xiaobei’s trump card after his encounter with the ancient deity.

Even though Xu mangkong was the strongest of the top ten earth-level deities in the earth-god Realm, he knew very well that in front of Chen Xiaobei, a peak earth-level deity was like an ant.

“He is the leader of bei Xuan faction, Chen Zhufeng! He single-handedly broke the balance of power in the Xuanyuan family, and even the current head of the Xuanyuan family is his direct disciple!”

At the same time, all the higher-ups of the Xuanyuan family were sighing and groaning. They looked at Chen Xiaobei with fear, as if they were looking at an overbearing Emperor. There was only fear in their eyes, and they would not dare to offend him.

The upper echelons of pure ink Royal City also had the same expression. They had already witnessed Chen Xiaobei’s power at Xuanyuan zhengyong’s birthday party. Even if they had ten thousand guts, they would not dare to offend Chen Xiaobei.

“Quickly look! That young Man in Black was the leader of bei Xuan faction! He’s also the master of the Xuanyuan family’s patriarch!”

“This young man is amazing! The entire earth-god World was shocked by his name! He has stirred up the situation in the four major continents and has even plunged them into chaos!”

if bei Xuan faction leader interferes, will the outcome of this war change? ”

“There will definitely be changes! Fortunately, we didn’t betray Xuanyuan tuohai. Otherwise, we might have died in the hands of the clan leader of bei Xuan!”

that’s right ... Although the clan master of bei Xuan isn’t a bad person who kills the innocent, he’s definitely not a fool who would allow a traitor to escape!

“Everyone, calm down! Let’s see the next change! Right now, the outcome is still unknown, so we must not stand on the wrong side!”

Even though it was the first time the soldiers and citizens in the city had seen Chen Xiaobei, they had heard countless legends about him. They were curious and in awe of Chen Xiaobei, so they did not dare to act rashly.

Xu mankong’s face turned green.”Damn that Chen Zhufeng! This old man almost succeeded!”

If Chen Xiaobei had not appeared, Xu mangkong would have only needed to say a few more words to break everyone’s heart and make the people and soldiers abandon Xuanyuan tuohai.

However, Chen Xiaobei’s appearance had turned the situation around! It would make Xu mangkong’s previous efforts and wishful thinking completely fall through and waste his energy!

This result was all thanks to Chen Xiaobei’s own deterrence.

Just by coming to the scene, he didn’t need to do anything. Just a word, or even a look, was enough to shock everyone.

Even Xu yingkong, the most powerful man in the earth-god Realm, couldn’t be compared to him.

“Woof! Buzzzzzz! Yi ...”

At this moment, three figures suddenly flew out from the enemy Army.

[ding! Ding! Ding! Reincarnated ancient immortal, Eternal Heaven rend!]

[ding! Discovered reincarnated ancient immortal, tie lingzhan!]

[ding! Discovered reincarnated ancient immortal dan Guzi!]

Suddenly, three notifications popped up from the Three Realms illustrated guide, putting Chen Xiaobei on high alert.

From the information in the illustrated guide of the Three Realms, these three were all chanism reincarnated ancient Immortals who fought to the death in the battle with the enemy.

When he activated his netherspirit battlescouter, he found that all three of them were at the peak of the earth immortal realm. Moreover, they all had primordial spirit attacks of the five-star heaven immortal realm.

More importantly, they had the courage to stand up for Xu mangkong. This meant that they had a trump card that could suppress Chen Xiaobei.

“Xu yingkong! There’s no need to feel guilty!”

The eternal Heaven split flew to Xu mangkong’s side and said very domineeringly, ” “With us here, you can say whatever you want! If Chen Zhufeng dares to touch you, we’ll take care of him!”

Tie lingzhan and dan Guzi followed closely behind. After they flew to the sides, they glared at Chen Xiaobei.

“Thank you for your support!”

Xu mangkong heaved a sigh of relief. A moment ago, he was still afraid of Chen Xiaobei, but now, he was no longer afraid.

This further proved that the eternal Sky rend and the other two really had a very powerful trump card in their hands, enough to support Xu mangkong.

everyone in the pure ink Royal City, listen up!

Xu mangkong took a deep breath and prepared to attack the city from the inside.

“What’s wrong? You can’t break the city with force, so you want to break it with words?” Chen Xiaobei laughed. I’m not trying to pick on anyone. But when it comes to talking big, you’re just a piece of trash!

you ... Xu mangkong was about to continue attacking Chen Xiaobei’s heart when Chen Xiaobei choked on his breath.

Eternal Sky split took a step forward and said menacingly, ” “It’s not that we can’t use force to break through the city, but we don’t want to kill the innocent! Otherwise, once the celestial artifact summoning talisman is used, the city will be destroyed and millions of people will die!”

“Shameless!”

you guys didn’t want to kill the innocent? why didn’t you give them a chance to surrender on the first day? ” Chen Xiaobei said. Why did he only say that he didn’t want to kill the innocent after three days? Didn’t you guys take human lives in the past three days?”

this ... Eternal Heaven split’s expression froze, and he was instantly rendered speechless.

“What a sharp-tongued Chen Zhufeng! Believe it or not, I’m going to kill you right now!” Tie lingzhan was extremely irascible, and his battle intent instantly boiled.

“Heh, you can’t beat my disciple, so you’re just talking big! You can’t win an argument against me, and now you want to fight?” Chen Xiaobei laughed. do you think that the three of you can kill me? Stop dreaming!”

“Who says we can’t win in an argument against you!”

Dan Guzi's brows furrowed and his eyes turned cold."No matter how sharp-tongued you are, you can't change the fact that Xuanyuan tuohai is an evil demon! The heavenly Dao punishes evil and promotes good. We are good, and you are evil! This was the original sin! It's the reason for your defeat!"

"Heh, good, evil, and justice are all in the hearts of the people!"

if tuo hai is really a demon and you guys are really good people, then there is no need for Xu yankong to say anything. Before the war even starts, the entire Xuanyuan sacred territory would have betrayed tuo hai and supported you guys! Chen Xiaobei said.

"However, the soldiers fought to the death for three days and three nights, and the commoners waited for three days and three nights in fear and uneasiness. Until this moment, they did not rebel! This is enough to show that they don't think tuo hai is an absolute demon, and they also don't think you guys are absolute good!"

this ... dan Guzi's tongue seemed to be tied up. He was completely speechless.

The four enemies could not win an argument against Chen Xiaobei, so they could only force themselves to act shamelessly, " "No matter what! Xuanyuan tuohai was the devil! A devil must be eliminated! This was the heavenly Dao! It was justice! It's an irreversible ending!"

"Ha, what a joke!"

Chen Xiaobei's lips curved into a devilish smile and he asked, " "If I can prove that you guys can't compare to tuo hai, then should the heavenly Dao eliminate the evil demon? Or should I get rid of you scum?"

Chapter 3197

3197 Witness's appearance

"What? You want to prove that we are not as good as Xuanyuan tuohai?"

Xu mangkong and the three from the clan of enlightenment were stunned. Then, their faces were full of disdain and contempt."Xuanyuan tuohai is a demon that wreaks havoc in the world! And our righteous men who exterminate demons and defend the Dao! What's there to compare him to us? How can an evil demon be better than us? are the people of this world fools?"

Obviously, in the minds of the people in the world, demonic city was evil, and those who eliminated the evil were naturally good.

Xu mangkong and the other three from the clan of enlightenment insisted on this point. They stood on the moral high ground and attacked Xuanyuan tuohai's identity as a demon.

If they were allowed to continue instigating, the morale of the Army and the people might still waver.

The only way to fight back was to prove that these righteous men were not as good as the demon Xuanyuan tuohai.

However, even though he had a way, how could he beat them?

All of a sudden, Xuanyuan tuohai and the people from bei Xuan faction looked at Chen Xiaobei with suspicion.

Obviously, no one could do anything about it. Whether or not they could turn the situation around was all up to Chen Xiaobei!

“Xu mangkong, I heard you say from afar that if we break into the city, we will not hurt the soldiers and people in the city. We will let them live their lives in peace, right?”

Chen Xiaobei narrowed his eyes and looked at Xu mangkong.

When he spoke, Chen Xiaobei purposely used ethereal force so that everyone in the city could hear him clearly.

Xu mangkong naturally wouldn't let go of this opportunity to win people's hearts. He also used his true essence and said loudly, “That's right! This old man has said it before! As long as the soldiers and commoners don't support Xuanyuan tuohai anymore, this old man will not hurt anyone after we break the city!”

“Are you sure you can keep your word?” Chen Xiaobei laughed.

“Nonsense!”

Xu mangkong patted his chest and said with justice, “As the old man of heavenly secrets, I, Xu yunkong, always keep my word! If you can't do it, then let this old man be struck by lightning and die a terrible death!”

Chen Xiaobei looked at her with disdain, “Not a single word you said is true. You actually dared to use your own life to make a poison vow! You're really shameless, your words are like farts!”

“What right do you have to say that I'm lying? If you don't have any evidence, you're just framing me!” Xu mangkong, this old fox, had very good acting skills!

He was obviously lying, but he did not panic at all. Instead, he glared at Chen Xiaobei and questioned him, as if Chen Xiaobei was really framing him!

“Young master Xu, please come out and be a witness!”

Of course, since Chen Xiaobei wanted to expose Xu mangkong's lies, he would not come empty-handed.

“Swish!”

A figure flew out of the city and landed beside Chen Xiaobei.

It was a young man who looked similar to Xu mang, but his expression was very complicated, as if he was struggling with a difficult choice.

As soon as this person appeared, Xu mangkong's face changed.

At the same time, many people on the scene had also recognized the young man's identity.

That's right!

This person was the young lord of Tianji city, Xu gengnian!

In the earth-god Realm, his name was almost known by everyone. In the Videha, there was no one who did not know him.

It was obvious that Xu gengnian was at a loss because he only had two choices at the moment.

One was to testify for Chen Xiaobei and expose Xu gengnian's lies!

The second was that the demonic god tribulation curse in his body had been activated, and his soul would be destroyed!

As the young master of Tianji city, Xu gengnian naturally hoped that Xu mangkong would win.

But as a normal person, Xu gengnian was extremely afraid of death.

If Xu gengnian was a man who did not fear death, he would have fought back with all his might when Chen Xiaobei caught him. He would not have been planted with the demonic god tribulation curse and become Chen Xiaobei's dog.

He was afraid of death before, and he was naturally the same now.

In the face of Tianji city's victory and his own life, Xu gengnian still chose to save his own life.

"Everyone! I am Xu gengnian! I have something to say to everyone!" Xu gengnian used his vital essence to let his voice spread to every corner of jingmo capital city.

"The seventh year! How are you still alive?"

Xu mangkong was stunned and said with a face full of doubt, "I thought you'd already died in the remains of the heavenly demon ..."

"Right! I am indeed alive!"

Xu gengnian had already made up his mind. He didn't explain and said directly, "It's all thanks to master Zhufeng that I'm still alive today! In order to repay master Zhufeng for not killing me, I have to stand up and testify for him!"

"What?"

Hearing this, Xu mangkong felt as if he had been struck by lightning. No matter how good his acting was, he couldn't pretend anymore. He suddenly looked nervous and shouted, "You little brat, stop talking nonsense! You must have been brainwashed by Chen Zhufeng! Your words can't be used as a testimony!"

"Justice is in the hearts of the people! After I've finished speaking, the people of the world will judge for themselves whether my words are credible or not!"

Xu gengnian took a deep breath and used his true core strength to say in a deep voice, "I once participated in the battle assembly of Tianji city! Their battle plan is to exhaust Xuanyuan tuohai and all the other Xuanyuan fighters to death by taking turns!"

“However, if they can’t take him down by force, Xu yankong will use Xuanyuan tuohai’s bloodline to shake the morale of the Army and the people! Everyone had already seen these two plans! There’s no need to prove its authenticity!”

“But what you don’t know is that everything Xu mangkong said just now was a lie! Once everyone surrenders, Xu mangkong will reveal his cruel and ugly side!”

he will kill all the soldiers, take away all the wealth of the people, turn the beautiful women into toys for the heaven’s legacy Army to vent their anger, and turn the strong youths into the lowest slaves!

besides, it won’t just be the jingmo capital city. Every city in the northern part of the Xuanyuan sacred territory will become a hell on earth!

more importantly, after Tianji city controls the entire northern region of the Xuanyuan Sacred Realm, they will start to impose heavy taxes to further weaken the power of the people in order to achieve their goal of long-term rule!

“What vanquish demons and defend the Dao, what teacher of justice, they’re all hypocritical pretense! The real goal of the Alliance of Tianji city, hollow Jade temple, and gods “Palace is to divide the Xuanyuan sacred territory, plunder resources, enslave the people, and rule this land that used to belong to the Xuanyuan family forever!”

Xu gengnian’s mouth flowed like a river without any pause in between. He didn’t give Xu mangkong a chance to interrupt and explain.

His words were like a bolt of lightning that struck everyone’s heart.

A heated discussion immediately broke out among the soldiers and civilians in the city.

Chapter 3198: mountain-like evidence

“If what Xu gengnian said is true, then Xu mangkong is simply a sinister, cunning, and extremely shameless scum!”

“Xu mangkong said that he wouldn’t hurt us and that he would let us live a happier life! I really didn’t expect that the grand old man of heavenly secrets would be a liar full of lies!”

if everything is true, then Xu yingkong and the coalition Army are the most shameless, sordid, and brutal fiends! In comparison, our clan head is the true kind and just ruler!”

“That’s right ... After the clan leader took office, he immediately exempted all the taxes of the 30000 main cities under Xuanyuan Kingdom! Not only did he not want the People’s wealth, but he also took out spirit stones and resources from the National Treasury to help the poor people!”

“Tax exemption can make the rich and powerful more prosperous! Support and relief can allow the poor people to live and work in peace! Although you’ve just taken the office, the atmosphere of the entire Xuanyuan Sacred Realm has become much more harmonious than before!”

“In comparison, Xu mangkong can’t even be compared to the head of the family! Oh no! Xu mangkong couldn’t even be compared to the filthiest of trash! He’s a complete scumbag!”

It was obvious that the people all knew how good Xuanyuan tuohai was.

However, Xuanyuan taohai had only been in office for a short time, and the people didn't feel the strong contrast yet.

However, at this moment, with the ugliness of Xu yankong as a comparison, the people finally realized how good Xuanyuan tuohai was.

Just as Chen Xiaobei said, the people were very grateful to Xuanyuan tuohai. That was why when the war first started, everyone was loyal to Xuanyuan tuohai and protected the city for three days and three nights.

If Xuanyuan taohai was really an evil spirit, then there was no need for Xu yankong to attack their hearts. The citizens would have rebelled long ago.

At this moment, after hearing Xu gengnian's words, the people deeply felt how rare it was to have a monarch like Xuanyuan tuohai! What a happy thing!

I don't care if he's a God or a devil! To be able to let the people live a good life was true kindness and justice!

All of a sudden, the morale of the people and the Army, which had been seriously shaken and might collapse at any time, was gathered again. They even supported and were loyal to Xuanyuan tuohai like never before!

"Everyone, calm down!"

However, it was obvious that Xu mangkong would not admit defeat so easily. "Who doesn't know how to talk nonsense without any evidence? Xu gengnian was obviously under Chen Zhufeng's control. His words could not be trusted at all! It's purely a false accusation Against Me!"

"Is that so?"

Xu gengnian's eyes focused and he said indifferently, "Xiao Yun 'an! Xiao liangshou! Xiaoguang! MA Dongming! Zhang Changyang ... There are many other names, I won't read them out one by one!"

"These people are the higher-ups of pure ink Royal City! Xiao Yun 'an and Xiao liangshou were even the core upper echelons of the Deputy city Lord! Long before the war began, they had already secretly contacted the heaven's legacy city and expressed their willingness to surrender!"

the promise that Tianji city gave them was to protect their entire family. After the war, they would replace the current city Lord and completely control the pure ink Royal City!

"If you don't believe what I said, you can go to their houses and take a look! Are their family members not here?"

As soon as he said that, many people in the city naturally went to check.

On the city gate tower, the current city Lord of pure ink Royal City, venerated King pure ink, Xiao chengkun, was already glaring at the two people standing beside him.

These two people were the core upper echelons of the Deputy city Lord level, Xiao Yun 'an and Xiao liangshou.

"City Lord! Don't listen to Xu gengnian's nonsense!"

Xiao Yun 'an and Xiao liangshou immediately became nervous and quickly explained, " we only sent our family to a safe place in advance. We definitely did not collude with the enemy and surrender in advance!

"It's best if you don't!" we might be brothers in the same group, " Xiao chengkun coldly said. I don't want you to scheme against me for the city Lord's position!

No... No... Xiao Yun 'an and Xiao liangshou shook their heads.

In the air, Xu mangkong sneered. "It's human nature to protect oneself and survive! Even if these high-ranking officials of the pure ink Royal City send their families away in advance, it can't prove that Xu gengnian is telling the truth!"

Xu gengnian's face was cold as he said in a deep voice, " "They sent their families into the heavenly secret Holy domain, which is enough to prove that they have long surrendered to the heavenly secret City! Their family's arrangement can prove how evil they and you are!"

what ... What scheme?! Xu mangkong's expression froze and he became nervous.

Very quickly, there was a commotion in the city.

"We've already gone to check, and there's no one in the houses of those higher-ups! However, Xiao Yun 'an and Xiao liangshou's families have already set up a celebratory banquet!"

The commoners in the city saw it with their own eyes, and the results of the investigation were naturally the best evidence!

Xiao Yun 'an, Xiao liangshou, " Xu gengnian said solemnly. since you've already sent your families away, it proves that you're sure that you'll lose this battle. Then, why did you still hold a celebration banquet?"

this ... Xiao Yun 'an and Xiao liangshou were stunned, and they were speechless.

"What's wrong? Haven't you thought of an excuse? Then I'll speak for you!"

Xu gengnian said in a deep voice,"that's not a celebration party at all, but a feast at Hongmen [1]!" The wine in the banquet all contains deadly poison!"

"Once the war is over, Xiao Yun 'an and Xiao liangshou will invite all the high-level officials of jingmo capital city to the banquet! Only those who have surrendered to Tianji city can live. Other than that, everyone from the city Lord to the general must die!"

"Once the higher-ups are dead, the royal city of pure ink will be without a leader! All the soldiers who have participated in this war will be completely slaughtered by Xu mangkong!"

“The reason why we killed all the higher-ups and soldiers who didn’t surrender first was because Xu mangkong wanted to take all the resources in the city! Clear all the obstacles in advance and make jingmo capital city lose all ability to resist!”

Once he said that, the entire city was shocked once again.

Immediately after, the commoners who went to check also gave a definite answer.”Xu gengnian is right! All the wine in the banquet is highly toxic!”

“The evidence is as solid as a mountain! What else do you have to say, Xu mangkong?” Xu gengnian’s eyes were cold. In order to survive, he had completely sold out Xu yunkong and Tianji city.

I ... Xu mangkong was at a loss for words. In front of the evidence, no matter how glib his tongue was, he couldn’t refute it.

Seeing this, Xiao chengkun flew into a rage. He fiercely locked his eyes on Xiao Yun ‘an and Xiao liangshou, and angrily rebuked, ” “You guys really want to poison me to death! I’m your elder brother who shares the same family name as you! Have you lost all your conscience to dogs?”

city Lord, please calm down ... Please calm down ... Xiao Yun ‘an and Xiao liangshou saw that the situation was not good, and quickly said, ” we’re doing this for our niece inksnow!

Xiao chengkun was not the only one who was surprised. Even Chen Xiaobei was surprised.

Red Envelope Group of the Three Realms

Chapter 3199: playing big

Xiao moxue!?

Chen Xiaobei’s mind was suddenly filled with the image of a beautiful genius girl!

Chen Xiaobei and Xiao moxue did not have a deep relationship. However, because of a bet, Xiao moxue became Chen Xiaobei’s mistress in name.

Back then, Chen Xiaobei only knew that Xiao moxue was from the Xiao family of Dongsheng, but he did not expect her to be from the pure ink Royal City.

As a result, the situation became even more complicated.

One must know that Tianji city and the Xuanyuan family had a very good relationship. Xiao moxue entered Tianji city to study and even became a famous core disciple of the headquarters of Tianji city.

In other words, Xiao moxue was a disciple of Tianji city, but her family was the Minister of the Xuanyuan family.

If they were to fight face to face, Xiao moxue’s safety would be threatened!

“Inksnow is my daughter! You don’t have to worry about her!” Xiao chengkun angrily shouted.

“City Lord! You’re really too hard-hearted.”

Xiao Yun 'an and Xiao liangshou said, " we all know that you don't care about Inksnow's safety. You won't surrender to Tianji city no matter what! But we've watched this niece grow up! You can bear to disregard her life and death, but we, as her uncles, can't bear to do so!"

"You can't bear to?" "So you betrayed me!" Xiao chengkun shouted angrily. Even betraying all the soldiers and citizens in the city?"

this ... Xiao Yun 'an and Xiao liangshou were instantly at a loss for words.

"Inksnow's safety is important, but she's only one person! As the master of the Xiao family and the respectable King of Jingmo, I have tens of billions of lives on my shoulders! I had no choice but to abandon my daughter to protect more people!"

Xiao chengkun's eyes were cold. Although his heart was in pain, he did not feel any regret.

"But you two are animals! For the sake of the lives of more than a dozen people in his family, he had actually caused the deaths of tens of billions of people in the city! It's an insult to the Devils to call you heartless scum!"

As soon as he said that, everyone at the scene saw through Xu mankong's lie and saw through this extremely vicious conspiracy.

Of course, all the righteous people, including Chen Xiaobei, could not help but think highly of Xiao chengkun.

This city Lord was willing to sacrifice his daughter's safety for the safety of the city's ten billion people.

In today's world, a city Lord who could be as selfless and sacrifice himself for others as Xiao chengkun was really rare!

Whoosh ... Whoosh ...

Xiao chengkun suddenly condensed two tyrannical Zhen Yuan in his hands and directly blasted it toward Xiao Yun 'an and Xiao liangshou.

"No! Don't kill us!"

Xiao Yun 'an and Xiao liangshou immediately screamed, " "If we die, Xiao moxue won't be able to live! Furthermore, she will be subjected to the cruelest torture and abuse, and will slowly die in endless humiliation and torture!"

"My daughter died for the sake of the ten billion people in the city! She had died in glory! It was extremely majestic! I'm so proud of her!"

Xiao chengkun had already made up his mind and did not waver in the slightest, when the war is over, I, as a father, will atone for my sins with my death. Even if I become a ghost, I will accompany my daughter!

Boom ... Boom ... Boom ...

For the sake of the city's people, Xiao chengkun had already resolved himself to die, so he ruthlessly attacked with his two true Qi.

“Help ... Old man of heavenly secrets! Help ... You promised to protect us and give us power and wealth. You can’t go back on your word ...”

Xiao Yun ‘an and Xiao liangshou’s eyes were filled with fear, and they started to howl hysterically.

However, Xu mangkong had no intention of helping them. He did not even bother to look at them.

In the blink of an eye, Xiao Yun ‘an and Xiao liangshou were both killed by Xiao chengkun.

“Men! Capture all the traitors mentioned by Xu gengnian and cripple their cultivation. When the war is over, kill them all by dismembering them!”

Xiao chengkun roared, his eyes filled with hatred.

He was not only a selfless man, but also a man who hated evil. He was also a father who loved his daughter very much.

For the sake of all the people in the city, he would give up on his daughter.

However, his daughter’s sacrifice had almost become meaningless because of these traitors.

Even if Xiao chengkun was not a brutal person, he could not suppress the anger in his heart at this moment. He wanted to use the most brutal punishment to execute those traitors.

“Zhufeng Zhenren! Lord patriarch!”

Xiao chengkun turned around, knelt on one knee, and sincerely said, “My daughter is destined to be sacrificed. I have no regrets. I only ask that you protect the safety of the people in this city and not let them fall into the hands of the heaven’s legacy city!”

Obviously, if they lost this battle, Xu mangkong would kill 30 million Warriors of Xuanyuan and take all the resources of the city. He would even take over the city and turn it into a living hell.

If this was the outcome, then Xiao moxue’s sacrifice would be meaningless. Even if he died, Xiao chengkun would not be able to rest in peace.

But now, Xiao chengkun was very clear that it was impossible to reverse the situation by himself.

The only hope of victory in this war was Chen Xiaobei and Xuanyuan tuohai.

“Please rise, city Lord Xiao!”

Xuanyuan taohai hurriedly went over to help Xiao chengkun up and solemnly said, “I’m the head of the Xuanyuan family! Of course, they had to protect the peace of the Xuanyuan sacred territory! This battle not only concerned jingmo city, but also the thousands of major cities in the northern part of the Xuanyuan sacred region! If I’m defeated, then I, Xuanyuan tuohai, will definitely die without a complete corpse! Even if there’s only a wisp of my soul left, I’ll fight to the death!”

“This subordinate thanks the patriarch!”

Xiao chengkun didn’t get up, but bowed to Xuanyuan tuohai respectfully and said, “The people of Xuanyuan sacred territory will remember what you have done for them! Everyone will know that race is not the standard to measure good and evil!”

“Even if you really are a demon, the people will still support you! [loyal to you!] Because you used your heart and your life to protect the people! Compared to those scumbags who speak of benevolence, righteousness, and morality, but have hands full of evil and dirty, you are countless times nobler!”

“City Lord Xiao’s words are too serious!”

“Everything I’ve done is from my master!” Xuanyuan tuohai said in a deep voice. Without my master, I wouldn’t be who I am today!”

“More importantly, the entire Xuanyuan sacred territory is in a life-and-death crisis! In this world, only my master can turn the situation around and save the tide!”

Not only Xiao chengkun, but all the soldiers and citizens of ink cleansing Royal City were looking at Chen Xiaobei.

The enemy’s eyes were all on Chen Xiaobei. “Chen Zhufeng! Since you’ve already seen through our scheme, let’s start a direct battle to the death!”

“No rush!”

However, under such circumstances, Chen Xiaobei raised his eyebrows and said, “I want to play big with you guys!”

Chapter 3200

3200 Huge bargaining chip

“Play big? Hmph! What are you up to this time? This old man won’t be fooled!”

Xu mankong narrowed his eyes and looked at Chen Xiaobei warily. He was afraid that he would fall into Chen Xiaobei’s trap.

“Don’t be nervous, listen to me first. If you have the guts, let’s do it! If you don’t have the guts, then just let me be!”

Chen Xiaobei shrugged nonchalantly.

“Hmph! Goading? I won’t fall for your trap! There was no need to say anything! Let’s fight directly!” Xu mankong was afraid of Chen Xiaobei’s intelligence and did not dare to let the situation develop according to his plan.

“No! Let him speak!”

But at this moment, the eternal Heaven splitter stood up and looked at Chen Xiaobei with interest.

Xu mangkong’s expression froze. Although he was alert, he did not say anything.

After all, the eternal Sky Splitter and the other two were reincarnated ancient Immortals invited by Xu Fu. Even if Xu mangkong was the old prophet, the command and leadership of the battlefield were actually in the hands of the eternal Sky Splitter and the other two.

Power was power. If Xu mangkong wanted to rely on the three of them, he had to be obedient.

first of all, is Xiao moxue in your hands? ”

Chen Xiaobei asked.

As soon as these words came out, Xiao chengkun’s expression changed, his eyes full of doubt and his heart full of pain.

“That’s right!”

Xu mangkong said indifferently, “since we’re going to attack jingmo city, we’ll naturally capture Xiao moxue in advance!” However, Xiao chengkun is stubborn and stupid, so Xiao moxue is no longer of any value!”

“Who said she has no value?”

Chen Xiaobei’s eyes flickered, and he quickly said, “Everyone in the world knows that Xiao moxue is my mistress! If you capture her, you’ll have a huge bargaining chip!”

“Eh? Do you really have that kind of relationship with her?” Xu mangkong was stunned and couldn’t believe it.

Obviously, Xiao moxue became Chen Xiaobei’s mistress because she lost the bet. To the world, it was just a joke. There was no way Xiao moxue and Chen Xiaobei could be together.

But now, Chen Xiaobei had revealed his relationship with Xiao moxue in front of everyone, and even emphasized the importance of her.

This meant that Chen Xiaobei was planning to save Xiao moxue.

“Zhufeng Zhenren! I appreciate your good intentions! But please consider the big picture and don’t put billions of people in the northern part of Xuanyuan sacred region in danger just for my daughter!”

Xiao chengkun had long been determined to die, but at the critical moment, he still had to consider the overall situation.

“I know what I’m doing!” Chen Xiaobei said seriously, “Of course, I’ll protect Xuanyuan sacred territory at the risk of my life, but I won’t sacrifice my woman for nothing!”

this ... Xiao chengkun was instantly speechless. He even felt ashamed.

With Xiao chengkun’s ability, the only thing he could do was to abandon his daughter and save the people.

However, Chen Xiaobei did not only have to protect the people, he had to protect Xiao moxue as well. Xiao chengkun could not even hope to catch up to Chen Xiaobei’s courage and responsibility.

“Heh, according to what you said, we really have a huge bargaining chip in our hands!” I’m very curious, ” Heng tianlie sneered. how do you plan to win back this chip, Chen Zhufeng? If the bet is too small, we’re not interested!”

like I said just now, I’m going to play big. The chips naturally won’t disappoint you! Chen Xiaobei was very calm, but he was very determined.

Everyone at the scene could feel his determination to save her.

“Very good! Then tell me what you have!” The eternal Heaven splitter was curious and excited to see how Chen Xiaobei was going to play.

“My bargaining chip is my life!”

“Three days later, right here!” I will use myself to exchange for Xiao moxue!”

“What!”

Heng tianlie and the others were shocked. They could not believe what Chen Xiaobei had just said.

“Zhufeng Zhenren! This is not a joke!”

Xiao chengkun’s face changed dramatically, and he quickly persuaded, ” “You’re the pillar of our Xuanyuan Sacred Realm! If anything happens to you, the Xuanyuan Sacred Realm will be doomed!”

“Master!” Xuanyuan tuohai and the people from beixuan faction also became nervous.”You’re the only one who can turn the tide of this great battle! You can’t risk your life!”

I, Chen Zhufeng, always do what I say. You guys don’t have to try to persuade me anymore!

Chen Xiaobei shook his head, his eyes still on the eternal Heaven splitter. “If you’re satisfied with my chips, then we’ll meet in three days!”

“If what you say is true, I’m willing to accept your exchange!” Heng tianlie narrowed his eyes and looked at Chen Xiaobei. His sharp gaze seemed to be able to see through Chen Xiaobei.

“Wait a moment!”

Xu mangkong could not help but interrupt. if you want to exchange, why not do it now? why wait for the upper three heavens? ”

“You’re an idiot!”

“I thought you were afraid that I would play some tricks on you?” Chen Xiaobei said. These three days are for you to make preparations! If you don’t need to prepare, then you can hand Xiao moxue over now. I don’t mind!”

“No problem! Xiao moxue is currently locked up in the military camp. I will bring her out now!” Xu mangkong said impatiently.

“No! We need three days to prepare!” The eternal Heaven rend shook his head heavily and directly rejected Xu mangkong’s decision.

this ... Xu mangkong was stunned and said, ” “Exalted immortal, I don’t understand. What else do we have to prepare? He would use Xiao moxue as a hostage and threaten Chen Zhufeng to surrender! Won’t this matter be over then?”

“You really are an idiot!”

“Can’t you tell?” Heng tianlie said coldly. Chen Zhufeng was calm from the beginning to the end, as if victory was already in his grasp! If you reveal Xiao moxue now, Chen Zhufeng might just take her away!”

this ... Xu mangkong was stunned again. even with three Immortals here, you still can’t deal with Chen Zhufeng? ”

of course, we have our trump cards, but Chen Zhufeng is a big anomaly. No one can say for sure that we can defeat him!

“But three days later, we can set up an inescapable net so that all the variables are within our control!” By then, Chen Zhufeng won’t be able to escape even if he has wings!”

“I see!” Xu mankong swallowed his saliva and finally understood. “If that’s the case, then we really should make proper preparations! Are three days enough?”

“That’s enough!” Eternal Heaven rend’s smile was dark and cold, and he was very confident.

I’m very sincere with my offer. I hope that you can return me an unscathed Xiao moxue in three days! Chen Xiaobei said.
