Chapter 3231: four against six

Chen Xiaobei's plan seemed to be the only way out of this situation.

However, if he were to use this plan, he would have to take a huge risk.

Unleashing primordial spirit attacks to the extreme would severely overdraw one's mental energy. It would be fine if one was only unconscious, but if one's brain or nerves were injured, it was very likely that one would become demented.

Jia Luo was a very proud ancient demonic god. Even if he died, he would not accept the result of being reduced to an idiot.

However, the enemy was already eyeing him covetously, and he couldn't allow Jia Luo to slowly struggle.

"Boom boom boom ..."

Bai Shou waved his hand and activated the power of the talisman in his hand. "Our goddess white bones said that you're not a simple woman. We have to take you down at all costs! So, you'll just have to obediently accept your death!"

As soon as he said this, the six enemies around him also prepared their talismans. As long as Jia Luo's arrow was blocked, they would attack at the same time and give him a fatal blow.

"Whoosh ... Weng!"

Bai Shou's celestial artifact summoning talisman had summoned a pale giant sword that was 10000 meters long!

The size of the giant sword had far exceeded the maximum space that Di Jiang could control with his current cultivation.

Therefore, Emperor Jiang had already seen through everything.

He knew very well that even if he used the heaven and earth reversal, he would only be able to shift away a very small portion of the damage. It would be completely useless.

Moreover, this huge sword looked as if it was made from white bones.

The sword exuded a sinister and strange aura, as if it was a cold-blooded demon that had torn through space and entered the human world from hell. It wanted to wipe out all living beings and turn this world into a new hell.

One had to know that just the descent of this terrifying aura was enough to make Yun fanqing, the Blood Moon Swordmaster, and the king of devil crows shudder in fear and even lose their souls.

If the white bone sword really descended, its terrifying pressure would probably annihilate everyone in an instant without any suspense.

bro bei ... If we don't get out of this, we're all going to die ...

Even Di Jiang, who had a strong mental state, could not help but remind Chen Xiaobei when he saw the giant sword coming down.

It was obvious that Chen Xiaobei had a way to block this attack!

Don't forget that there was a two-star heaven immortal level shield mountain armor hidden in the blood God burning deity painting!

As long as everyone hid under the tortoiseshell, they would be able to escape.

but ...

The fatal danger was right above his head. He was only a hair's breadth away from death, but Chen Xiaobei stood there as steady as a mountain. He had no intention of using the shield mountain armor.

Of course, Di Jiang knew that Chen Xiaobei was trying to force Jia Lou to attack and exhaust his energy.

After all, Jia Luo was the subordinate of mo Luo Wu Tian.

Mo Luo Wu Tian and the heavenly Dao were like fire and water. He even wanted to replace the heavenly Dao!

This meant that he was at odds with sect master Tongtian!

Chen Xiaobei knew from the very beginning that his cooperation with mo Luo Wutian was only temporary!

In the future, if mo Luo Wutian did not change his ways, a life-and-death battle would break out between him and Chen Xiaobei!

Because of this, Chen Xiaobei was always on guard against Molo Wutian, trying to exhaust him in preparation for the war that would come after they had a falling out.

This was absolutely correct. Emperor Jiang understood and supported it very much.

However, in Di Jiang's opinion, it was too risky to gamble everyone's lives in order to consume Jia Luo.

If Jia Luo didn't make a move, then wouldn't everyone have to die with her?

This was simply a gamble of life and death!

Di Jiang had warned Chen Xiaobei not to take such a risk! The risk was too great!

"Swish!"

However, in the next moment, Jia Luo had already drawn his bow and arrow, releasing his spiritual power without reservation, stimulating the primordial Spirit's special ability to the extreme.

Obviously, Chen Xiaobei had won the bet!

A second ago, Emperor Jiang had been extremely worried. Now, he suddenly realized.

How could a person with off-the-charts luck lose?

On the contrary, if he didn't bet now, it would be a waste of his good luck!

three-star critical strike!!!

Jia Luo growled and released the arrow with all her might!

"Woof!"

The light purple arrow was shot out, and the arrow light exploded like a Purple Moon, which changed the color of the sky and earth.

Not only was his avatar dazzling, but the power of this arrow was also extremely powerful!

Although the falling star bow was only an early-stage one-star heaven immortal item, when it was combined with the special ability of Jia Lou's primordial spirit, it could actually cross two minor realms and burst out the mighty power of a peak one-star heaven immortal!

"BOOM! Rumble ..."

The next moment, the white bone sword and the purple Moon collided.

A terrifying impact force suddenly burst out. The strong wind caused by the aftermath alone was enough to make everyone teetering and unable to stand firmly. Even the entire sky prison island was shaking.

Of course, although the power of this collision was extremely great, the strength of the two sides was equal.

In the end, the white bone greatsword and the purple full moon both used up all their energy and disappeared.

Chen Zhufeng ... I'm counting on you now ...

Jia Lou's face was pale, and his body seemed to have been drained of energy. He collapsed to the ground, and the falling star bow also fell to the side.

Bai Shou didn't seem to hear the name 'Chen Zhufeng', and he immediately shouted, "That woman has fallen! Brothers! Let's attack together! Kill all her subordinates! Only bring her to Lady White bone!"

"Alright!" The remaining six reincarnated ancient Fey also became excited and immediately launched their killing attacks.

"Whoosh! Whoosh! Whoosh ..."

In an instant, six celestial artifact summoning talismans were all activated at once.

Then, six immortal artifact clones were summoned.

"I'm quite lucky!"

"These six clones are only one-star mid-tier heaven Immortals!" Chen Xiaobei said. Without a more powerful existence, they can't hurt us at all!"

"Woof! Buzzzzzz! Buzzzzzz! Whoosh!"

Chen Xiaobei took out the demonic Dragon's edge, the heaven-destroying and earth-shattering banner, the dark Demon bone blade, and the lunar divine Pearl.

As for the chaos Blood Sword, Chen Xiaobei did not use it because he did not have any spiritual Qi.

This meant that Chen Xiaobei had to fight four against six, and he had to force his enemies to attack him.

"Black blade? Dragon's edge? That ... That kid is Chen Zhufeng?"

Upon seeing this scene, the enemy's seven reincarnated ancient Fey instantly revealed expressions of shock. They even revealed a deep sense of fear.

"What's there to be afraid of!"

no! Bai Shou shouted arrogantly. no matter how strong Chen Zhufeng is, he can't win four against six!

[Red Envelope Group of the Three Realms](#)

Chapter 3232: Black Lightning armor strip

Bai Shou could tell that Chen Xiaobei's four trump cards were all one-star mid-stage heaven Immortals, the same level as the six talismans.

Under normal circumstances, in a battle of equal strength, the side with more people would definitely win.

That was why Bai Shou was so confident that he could defeat Chen Xiaobei.

you're right ... Although Chen Zhufeng is famous in the mortal world, we still have the numbers. We have a high chance of winning!

Upon hearing Bai Shou's words, the remaining six ancient Fey all heaved a sigh of relief.

All of them thought that they could really defeat Chen Xiaobei. The fear on their faces turned into a victorious smile.

"A bunch of idiots!"

However, Chen Xiaobei did not care about them at all, " "Since you guys can recognize the Dragon's edge, why don't you know its special ability?"

"The special ability of the Dragon's edge? What special ability?" The seven reincarnated ancient Fey, including Bai Shou, were all surprised.

To be honest, they really didn't know about the special abilities of the upgraded Dragon's edge.

"Overlord, armor strip!"

Chen Xiaobei did not explain.

In an instant, the demonic Dragon tribulation burned out 60 billion upper-grade spiritual energy and activated the power of a one-star mid-stage heaven immortal, as well as its special ability!

boom boom boom ... Boom boom boom ...

Six Black Lightning bolts that were as thick as dragons suddenly burst out from the blade.

The black Lightning directly struck the six immortal artifact clones.

Lightning with blade energy, fast! Accurate! Ruthless! All of them hit six of the enemy's targets.

"Pipi ... Pipi ..."

The lightning of the Nirvana Black Thunder struck the six immortal artifact avatars, and they slithered around like countless black snakes.

However, it didn't take long for the black Lightning to dissipate, but the six celestial artifact clones that had been summoned were still intact.

Seeing this, Bai Shou and the others burst into laughter, "Chen Zhufeng! Are you kidding me? Was this the special ability of the Dragon's edge? Oh my God! It was simply too weak! Hahaha ..."

At the same time, Yun fanqing, the Blood Moon Swordmaster, and the demonic Crow King were all dumbfounded. They could not understand what Chen Xiaobei was doing.

Only Di Jiang and six-eared macaque knew what was going on, and they were certain that Chen Xiaobei had won!

"Mr. Dijiang, what's going on?" Yun fanqing could not help but ask.

"Bro bei just shouted 'Conqueror's armor removal'! What is armor removal?" Di Jiang asked.

when a battle general removes his armor, it means removing his armor ... Yun fanqing said doubtfully, "But what does this have to do with the battle situation?"

"The special ability of the black Thunder of Nirvana is to 'remove the armor' of the enemy's attack!" Emperor Jiang said with a faint smile.

this ... Yun fanqing's face was filled with confusion. He still did not understand.

The next moment, the result of the battle completely answered all the doubts in Yun fanqing's heart!

"BOOM! BOOM! BOOM!"

The world-destroying banner, the heavenly Yin divine Pearl, and the dark Demon bone saber all burned up 60 billion upper-grade spiritual energy and unleashed the power of a one-star mid-stage heaven immortal.

Logically speaking, the power of this level was exactly the same as the enemy's attack, so it should be a three-on-three situation where they offset each other.

However, what was unexpected was ...

The heaven-destroying and earth-shattering banner, the heavenly Yin divine Pearl, and the dark Demon bone saber actually displayed a crushing advantage when they clashed with the three immortal artifact clones!

Bang ... Bang ... Bang ...

With three loud explosions, the three celestial artifact clones exploded and dissipated.

The world-destroying banner, the heavenly Yin divine Pearl, and the dark Demon bone saber still had energy left to continue attacking the enemies behind.

“What ... What’s going on? They were clearly at the same level of power, so why did our summoning talisman lose so completely? Why ... Ah ...”

The enemy’s seven reincarnated ancient Fey all let out hysterical screams of horror.

Just a second ago, they had thought that they had the advantage in numbers and had a great chance of winning! In this second, their offensive was instantly disintegrated, and they were defeated like a mountain!

“Uh ... Uh ah ...”

A series of screams could be heard as Chen Xiaobei’s three heaven-immortal instruments crushed down and severely injured six of the seven enemies.

All of them were paralyzed on the ground, howling and vomiting blood, unable to even get up.

Bai Shou was the only one who was lucky enough to escape. He looked at Chen Xiaobei in fear, as if he was looking at a super demon who had defied the heavens and the Dao.

“What’s going on? What’s going on?” Bai Shou looked as if he had seen a ghost. No matter how hard he racked his brains, he could not understand why this situation had occurred.

Bang ... Bang ... Bang ...

Before Bai Shou could figure it out, the demonic Dragon’s edge had already slashed out from the sky!

The black saber unleashed the dragon and phoenix Dharma power and killed the remaining three celestial artifact avatars!

Moreover, the demonic Dragon tribulation’s saber Qi was still there. It went one step further and suddenly slashed towards Bai Shou’s head.

this ... What is going on!?

Bai Shou’s face was full of despair. He was on the verge of death, and he still didn’t know how his side had been defeated?

“Bang!”

Chen Xiaobei did not kill them all. At the last moment, he turned the Dragon’s edge around and used the back of the knife to hit Bai Shou.

“Pfft ...”

Bai Shou suddenly spat out a mouthful of blood and flew backward several hundred meters, completely losing his ability to fight.

Chen Xiaobei did not kill the seven reincarnated ancient Celestials, not because he was merciful, but because he wanted to leave their cultivation to his own disciples.

Among the seven Pro-disciples, only Xuanyuan tuohai had reached the peak of the earth immortal realm. The cultivation of the others was not high.

In the past, Chen Xiaobei could protect them, so he did not need to have high expectations of their cultivation.

But right now, Chen Xiaobei was planning to train his direct disciple to become one of the most powerful figures in the world.

In order to achieve this goal, raising their cultivation base was an indispensable condition.

“Woof! Buzzzzzz! Yi ...”

Chen Xiaobei took out the sky-trapping space, and with a thought, an invisible storm swept up all seven of them, imprisoning them.

“I understand ...”

At this moment, Yun fanqing’s eyes suddenly lit up, and he said excitedly, “ the special ability of the black Thunder of Nirvana greatly weakens the power of the enemy’s attack, which is what Mr. Dijiang called ‘armor removal’!

“Overlord armor removal! This name is so domineering! And it’s really, really worthy of its name!” The Blood Moon Swordmaster also exclaimed in shock.

“My bro bei is still my bro bei! It’s simply too awesome!” The demonic Crow King was even more in awe of Chen.

Chen Xiaobei was not too bothered by the crowd’s shock and admiration. He turned to look at Jia Luo.

At this moment, Jia Luo was already in a deep coma.

How should he deal with her?

[Red Envelope Group of the Three Realms](#)

Chapter 3233

3233 Wutian’s letter

Chen Xiaobei’s attitude toward mo Luo Wutian was very clear. Not only could he not trust him completely, but he also had to be on guard at all times. There might even be a life-and-death battle in the near future.

That was why Chen Xiaobei had to seriously consider how to deal with Jia Lou.

Chen Xiaobei would never kill Jia Lou when he was in danger. This was because this was equivalent to betraying and breaking the agreement of cooperation.

Chen Xiaobei had always been a loyal person, and he would never betray his own morals.

Even if it was a potential enemy, as long as they did not harm Chen Xiaobei, he would not go against his conscience to harm them.

Jialuo and the Blood Moon Swordmaster had been knocked out by Daoist feixing once, but Chen Xiaobei did not kill them. Instead, he healed them.

As for healing Jia Luo again, this was not a wise choice. After all, Jia Lou's mental power was exhausted, and Chen Xiaobei would have to consume a lot of pills to recover it. This was clearly a loss for him.

If Jia Lou's brain and nerves were damaged, it would be even more difficult to treat. That would be a greater loss.

As the number one profiteer in the Three Realms, how could he possibly lose his resources and energy to serve a potential enemy?

Of course, if he could get in touch with mo Luo Wutian and negotiate with him, then all the pills and energy that Chen Xiaobei had invested would be worth it.

More or less, he would be able to make Jia Luo owe him a favor.

Killing two birds with one stone, this was great!

[mo Luo Wu Tian has sent you a private message.]

Just as Chen Xiaobei was deep in his thoughts, he received a message from mo Luo Wu Tian.

"Hey! It's so good to be so lucky, you get whatever you want!"

Chen Xiaobei grinned and opened the private chat.

[mo Luo Wutian: Childe Chen, I just read your message!] Have you really captured daolord Skywind?

Chen Xiaobei: " of course it's true! Do you think I'll get anything if I lie to you? "

"As expected of Chen Zhufeng!" Mo Luo Wutian thought. It could always bring people endless surprises!

Ding! Congratulations! You have snatched a red envelope from mo Luo Wu Tian. You have received 600 lower spiritual jades. It has been stored inside your treasure chest!

Ding! Congratulations! [you snatched a red envelope from mo Luo Wu Tian. You have received a corpse membrane bag. It has been stored inside your treasure chest!]

thank you! mo Luo Wutian did not even need Chen Xiaobei to say anything and sent two red packets over.

If people don't betray me, I won't betray them.

Chen Xiaobei did not hesitate. He immediately placed Daoist Tianfeng into the bag, stuffed a red envelope into it, and sent it to mo Luo Wutian.

[young master Chen is indeed straightforward!] mo Luo Wutian thought. Working with you really saves me a lot of trouble!

[Chen Xiaobei: we're just taking what we need. There's no need to be so polite.]

[mo Luo Wutian: although we're both taking what we need, to be honest, I really hope that our relationship can be further upgraded!]

Chen Xiaobei-if you want me to become a demon, then don't open your mouth! I, Chen Zhufeng, would rather die than betray master! He would not betray the Jie sect!

[mo Luo Wu Tian: I knew you would say that!] If you accept my suggestion, you won't be you.

Chen Xiaobei: " let's get down to business. After we captured daolord Tianfeng, we were ambushed by Lady White bones 'men. They had a one-star Peak heavenly immortal summoning talisman!

Chen Xiaobei thought,'Jia Lou used all his strength to defend and overused his mental power. He's still unconscious!' How do you plan to deal with her?

[mo Luo Wutian: Childe Chen, I'm also familiar with your medical skills!] If Childe Chen claimed to be the second best doctor in the world, no one would dare to claim to be the best!

Chen Xiaobei: " you mean you want me to treat Jia Lou? "

[mo Luo Wutian: Childe Chen, do you have any difficulties?]

Chen Xiaobei: " it's not that difficult for me. But, I'm the best doctor in the world. It's very expensive for me to treat you!

Mo Luo Wutian,"I understand ... Name your price."

Chen Xiaobei: " I'm in need of spiritual stones.

"60 billion upper spiritual stones. What do you think?"

Chen Xiaobei:

Ding! Congratulations! You have snatched a red envelope from mo Luo Wu Tian. You have received 600 lower spiritual jades. It has been stored inside your treasure chest!

Mo Luo Wu Tian was very straightforward. The red packets were sent out in seconds, as if they had been prepared in advance.

Chen Xiaobei was overjoyed when he got the red envelope.

One piece of inferior-grade spiritual Jade was equivalent to 100 million superior-grade spiritual stones. 600 inferior-grade spiritual Jade was equivalent to 60 billion superior-grade spiritual stones.

Now that all of Chen Xiaobei's trump cards had been upgraded, he needed to spend 60 billion upper spiritual stones to activate them.

Although he had won the battle just now beautifully, he had not lost.

But in fact, it had consumed 240 billion upper spiritual Qi.

When Chen Xiaobei found the giant spiritual vein in the endless Dead Sea, he thought that 300 billion was a lot. But this battle had almost used up all of it.

One could imagine how much Chen Xiaobei needed spiritual stones.

And now, Chen Xiaobei had obtained 120 billion from mo Luo Wutian in just a few words.

Even though this amount was still very little compared to the consumption.

But compared to Chen Xiaobei's sacrifice, this was a huge gain. It could even be said that he had gained nothing.

First of all, daolord Tianfeng had been devoured by the sky-trapping formation and the three-tailed Tiger had absorbed most of his energy. Chen Xiaobei did not even have to do much to do that, which meant that he had picked up 60 billion for free.

After that, Jia Lou's mental power was depleted by the white bone Spirit's minions. Chen Xiaobei had the pills and his medical skills, which meant that he had picked up another 60 billion.

Although these two spiritual stones weren't a lot, they were basically free.

One word was awesome!

Of course, Chen Xiaobei's appetite was not that small.

The true nature of a profiteer was only starting to show now.

Chen Xiaobei: " don't worry! I'll take your spiritual stones and I'll cure jialuo!

Chen Xiaobei: " but, the enemy's summoning talismans are getting higher and higher. Aren't you going to get some for Jia Luo? " If she's beaten to death next time, I won't reply to her no matter how many spirit stones you give me!

Mo Luo Wu Tian: " to be honest, I've been in seclusion for the past few days to develop the summoning talisman. It's an immortal weapon! Although it has been successfully developed, its level still needs to be improved. When I create a high-level talisman, I will naturally give it to Jia Luo as soon as possible.

Chen Xiaobei, can you give me a few as well? (Joke)

[mo Luo Wu Tian: of course not!] Childe Zhufeng is a reliable and straightforward person. If something happens to you, it will be a loss for me!

Chen Xiaobei: Then it's settled! When the summoning talisman is ready, remember to send it to me! One-star was not too low, nine-star was not too high, and God-level was even better! (Awesome)

[young master Chen, You must be joking!] mo Luo Wutian thought. The summoning talisman was a new kind of talisman that had just been developed! Currently, I still need to study the high-level runes, and I'm not sure how long it will take me to create a one-star Peak heaven immortal ...

[mo Luo Wu Tian: but as far as I know, the clan of enlightenment seems to have already started to develop a two-star divine fairy!] Childe Chen, you must be careful!

Chen Xiaobei: A two-star celestial immortal?

[Red Envelope Group of the Three Realms](#)

Chapter 3234: huge transaction

[mo Luo Wutian: that's right!] It was a two-star! The clan of enlightenment was the first power in the heaven realm to develop the summoning talisman! Therefore, their research speed was always one step ahead of others.

Chen Xiaobei thought to himself, 'this is going to be a headache ... Even if I can cure Jia Lou, I still won't be able to defend against a two-star divine-immortal summoning talisman.'

[mo Luo Wutian: yes. Therefore, Childe Zhufeng, you'd better avoid the clan of enlightenment in the future. It's better to be safe than sorry.]

Chen Xiaobei: Since you know the internal situation of the clan of enlightenment, you must have some people in the clan, right?

Mo Luo Wutian, "that's right!" However, I can't reveal this person's identity!

Chen Xiaobei: " then, can you ask this person to think of a way to get you a two-star summoning talisman? "

[mo Luo Wutian: I'm still thinking of a way, but it's definitely not easy to do.]

Chen Xiaobei thought to himself, "hmm ... Maybe I can think of something!"

Mo Luo Wu Tian: Does this mean Childe Zhufeng has his own people in the clan of enlightenment?
(Surprised)

Chen Xiaobei-yes, but I can't tell you!

Mo Luo Wutian thought, "Childe Chen is indeed the biggest variable in this immeasurable catastrophe!"
He could actually plant spies in the forces of his mortal enemy!

Chen Xiaobei:

[mo Luo Wu Tian: back to the topic!] If Childe Chen can get me a two-star summoning talisman, I'm willing to buy it at a high price!

Chen Xiaobei: How high was it?

Mo Luo Wutian, six trillion upper spiritual stones! How was it?

Chen Xiaobei, six trillion? You're not joking, right? 60 billion just to help you catch a person ... That's a hundred times more!

"Of course not!" Mo Luo Wutian replied. The reward I give Childe Chen is directly proportional to the difficulty of the mission! Catching someone in the human realm naturally couldn't be compared to finding something in the heaven realm! Moreover, it was something from chianism!

Chen Xiaobei: " if that's the case, isn't six trillion a little too low? "

Mo Luo Wu Tian: " of course it's not a high price. But don't forget, I'm also studying it. If I can figure it out in advance, then the celestial talisman you've obtained will be worthless!

Chen Xiaobei: " understood! 6 trillion! Deal!

Just like what mo Luo Wu Tian had said, he was also researching how to create a high grade immortal weapon summoning talisman.

To put it bluntly, six trillion was just a price to buy an answer in advance and save some research time. Even if he could not buy it, Wutian could do it himself. It was just a matter of time.

Therefore, the price of six trillion was very reasonable. Chen Xiaobei had no reason to reject it.

Mo Luo Wutian: " Childe Chen, you're a wise man. I hope you can succeed. It'll be good for both of us!

Chen Xiaobei: " got it. If there's nothing else, let's call it a day.

[that's all, but I'd like to remind Childe Chen again!] All the forces in the heaven realm were studying the summoning talisman! The number of low-level ones would increase, and the high-level ones would also gradually appear! Childe Chen, you must be very careful in the future!

Chen Xiaobei-thanks for the reminder! I know what to do!

After that, Chen Xiaobei kept his phone.

It had to be said that up until now, mo Luo Wutian was still a competent partner.

At least, he had never harmed Chen Xiaobei, and he was also very generous in paying him. He was even willing to share information with Chen Xiaobei, reminding him to pay attention to the enemy's strength.

Ding!

At this moment, Jia Lou's phone rang. It was a message.

Chen Xiaobei's eyebrows twitched. The first thing that came to his mind was the reply that mo Luo Wu Tian had given Jia Luo.

However, Chen Xiaobei had no intention of peeking at his phone. He did not want to do such a despicable thing.

Chen Xiaobei walked over and reached out one hand to hold her up. He then took out a pill with his other hand and put it into her lilac lips.

"Childe Chen! 'You ...' The Blood Moon Swordmaster was worried that Chen Xiaobei would do something to Jia Lou.

"Don't be nervous, I'm treating her!" Chen Xiaobei's hand was still on her back, and he was observing the changes in her complexion.

"How is it?" The Blood Moon Swordmaster asked worriedly.

At the same time, Yun fanqing was also very worried. Her beautiful eyes were fixed on Chen Xiaobei and Jia Luo.

After all, she had been with Jia Luo for a while, and Yun fanqing was kind-hearted. She didn't want anything to happen to Jia Luo.

"The situation isn't too good ..."

Chen Xiaobei observed for a while and shook his head. "The level of this pill isn't high. Although it can recover spiritual power, the speed and degree of recovery are not high! I need to find a better medicine to wake her up as soon as possible!"

this ... the Blood Moon Swordmaster was worried."Where can I find better medicine? Just say the word and I'll go look for it immediately!"

It had to be said that the Blood Moon Swordmaster was truly loyal to Jia Lou, and his faith in the demons was very pious.

Chen Xiaobei shook his head and sighed. "I don't know where to go ..."

Yun fanqing comforted her softly. it's okay. As long as she can recover, there's nothing to be afraid of. As long as we look for her slowly, we'll find better medicine!

"No! I can't take my time! I have to hurry!"

Chen Xiaobei's face turned serious, "Jia Lou's mental power is seriously overdrawn. His brain and nerves are gradually stopping working, and his consciousness is getting weaker and weaker. It might even completely disappear!

"Her brain and nerves are dead, and she'll be paralyzed! If her consciousness disappears, her Yuanying will lose consciousness and be like a vegetable. Although she is alive, she will lose all her abilities!"

As soon as he said that, Yun fanqing and the Blood Moon Swordmaster's expressions changed drastically, and the worry in their hearts increased.

no! Emperor Jiang shook his head helplessly. it happened so suddenly that we don't even know where to find the medicine ... I'm afraid Jia Lou can't escape this!

Chen Xiaobei's face darkened.

Just a moment ago, he had happily accepted mo Luo Wu Tian's reward, but now, he might not be able to save Jia Luo!

Returning the spirit stones was a small problem, but the main problem was that it was too embarrassing!

If this news spread in the heavenly realm, Chen Xiaobei would not have the face to ascend anymore. Even sect leader Tongtian would be embarrassed!

"Bro bei!"

Just when everyone was at their wits 'end, six-eared macaque reminded them, "I remember Lin Dong witch said that once you reach the five-star earth-god Realm, you can open the seventh level of the Wuji nine-floor Pagoda! Do you want to take a look?"

"Yeah! How could I have forgotten about this!"

Chen Xiaobei's eyes lit up and he was excited. "My luck is off the charts now! I'm sure I'll find what I need in the limitless nine-layered Pagoda!"

Chen Xiaobei quickly took out the limitless nine-floor Pagoda.

“Phew ...”

Like a cloud, the witch of winter appeared.

Red Envelope Group of the Three Realms

Chapter 3235

3235 Three types of medicinal pills

“Xiaobei Gege! You asked me to come out, did you break through again?”

Even though Lin Dong witch was in her spiritual form, she was still very pretty and her voice was very pleasant to the ears. At this moment, her eyes were wide open and filled with Chen Xiaobei’s image. She was so excited.

It was not that she had any special feelings for Chen Xiaobei. It was because if Chen Xiaobei broke through, he would be able to open the seventh floor of the limitless nine-floor Pagoda.

In this space, there was a type of elixir that the Lin Dong witch needed the most.

That was the legendary infinite soul-amassing pill.

The witch of winter was the weapon spirit of the limitless nine-floor Pagoda. Logically speaking, she should be able to manifest her form and move freely like the dark Dragon Soul.

However, a long time ago, the demonic soul of the winter Witch was seriously injured, and her cultivation was almost completely destroyed. Her spiritual body could not leave the limitless nine-floor Pagoda, which was equivalent to being trapped in it.

The only way to solve this problem was to use the legendary infinite soul gathering pill.

It was no exaggeration to say that the witch of the winter tribe had been looking forward to this day since the beginning.

“That’s right! I’ve already reached the five elements soul transformation stage! I’m looking for you today to open the seventh level of the limitless nine level Pagoda!”

Of course, Chen Xiaobei would not let the witch of winter down.

In fact, Chen Xiaobei had not only broken through to five-star soul transformation, but he had also reached the peak of soul transformation. He only needed one more opportunity to break through to six-star body integration.

Chen Xiaobei’s luck was off the charts, and he might be able to break through if he was not careful.

“That’s great! This is great!”

The witch of winter was so excited that she had not been this happy for a long time.

Restore his Demon Soul, restore his cultivation base, and regain his freedom!

For the witch of the winter tribe, this was great news!

“Whoosh ...”

After that, Chen Xiaobei released his ethereal force to let the limitless nine-floor Pagoda sense his cultivation. At the same time, the witch of winter cast a spell to acknowledge him.

The two of them verified at the same time and successfully opened the space of the seventh level of the limitless nine-level Pagoda.

“Success! Let me see what good things you have!”

Chen Xiaobei grinned and took out three pills and three pieces of turtle shell from the seventh floor.

The first elixir was dark gray in color and emitted white elixir Qi. One could tell at a glance that it was not an ordinary elixir.

“This is the infinite soul-amassing pill! On the grey tortoiseshell, there are detailed pill recipes and refining techniques!” The witch of winter said impatiently.

“Good! Take it!” Chen Xiaobei grinned. With the recipe in hand, he could make another one anytime. He decided to give the one in his hand to the witch first to fulfill her biggest wish.

“Whoosh ...”

Chen Xiaobei released the witch Dragon Flame and turned all the pills into medicinal Qi.

“Hiss ...”

Lin Dong witch took a deep breath and absorbed all the medicinal Qi into her body.

The medicinal power turned into mysterious spiritual energy, which was successfully absorbed and quickly digested by the spirit of the witch of winter.

“Chi ... Chi ...”

With the fluctuation of the star soul, the spiritual body of the witch of winter began to change greatly.

The originally illusory and faintly discernible form became more and more corporeal and condensed. It even looked no different from a real person.

Obviously, the witch’s demonic soul had been restored and could leave the limitless nine-floor Pagoda. She could move around and cultivate freely, and set foot on a better future.

“I’ve finally recovered! My seven-star earth-god level cultivation has all returned to my body!”

Lin Dong witch was so excited that her voice was trembling, “Xiaobei Gege! Thank you! Thank you so much! If it wasn’t for you, I don’t know when I’d be able to regain my freedom! I’m afraid there’s no hope in this life ...”

“It’s good that you’ve recovered!” of course! Chen Xiaobei smiled. but a seven-star earth-god is too weak!

“Ah?”

Lin Dong witch's expression darkened, and she said in a wronged tone, "it's true that a seven-star earth-god can't help you much, but I promise you that I'll do my best to improve my cultivation ...

it's already very good that you have this thought. As for cultivation, I'll just give you a portion.

Chen Xiaobei chuckled and released a reincarnated ancient demon from the prison.

This time, they had caught a total of seven turning ancient Fey. Minus the one now, there were six left. It was just enough for Chen Xiaobei's direct disciples to improve their strength.

"Whoosh ..."

Using God's greed, Chen Xiaobei transferred this ancient demon's cultivation to the witch of winter.

In a moment, the Lin Dong witch had obtained the cultivation of a peak earth immortal and a complete Dharmakaya of the peak earth immortal level, which directly saved a lot of time and effort.

"Hiss ~"

The winter Witch did not expect Chen Xiaobei to have such a heaven-defying ability in such a short time. It was unbelievable!

Oh! the winter Witch was so surprised that she almost hugged Chen Xiaobei and kissed him.

It wasn't because he had any special feelings, it was simply because he was too excited! He was too surprised!

"Xiaobei Gege! You're really too, too, too amazing! I really don't know how to thank you!"

Her demonic soul had recovered, and her cultivation had improved. This Double Happiness made the Lin Dong witch feel like she was in a dream.

"We're all family, what's there to thank? Don't be so polite!"

"I still have a patient that I need to treat!" Chen Xiaobei shrugged. I hope the remaining two pills can be of use!"

"A patient?" The witch of winter was a little surprised. She looked at Jia Lou and asked, "What happened to her?"

I've exhausted my spiritual power. I have to make up for it as soon as possible. Chen Xiaobei said.

Hearing this, the witch of Lin Dong smiled and said, "Xiaobei Gege, you're so lucky! That green pill is called The Limitless Soul-essence pill. It's very effective in recovering mental power! In addition, the pill recipe is recorded on the green tortoiseshell!"

"Hahaha! It was really like a drowsy person meeting a pillow! It's exactly what I need the most!" Chen Xiaobei grinned and stuffed the pill into Jialuo's mouth.

"Whoosh ..."

Chen Xiaobei's hand was still on Jia Lou's back. He could clearly feel the medicinal effect spreading throughout Jia Lou's body.

At the same time, Jia Lou's complexion also showed obvious signs of recovery.

From this, it could be seen that the speed and effect of this Wuji soul essence pill was more than a hundred times stronger than the previous pill, and it could definitely cure Jia Luo.

"This is good stuff!"

Chen Xiaobei's eyes lit up. I'm going to make more of these pills in the future! Unlimited mental power is equivalent to unlimited use of the witch Dragon Flame and the divine severing thought! This is so cool!

"Mm ..."

Jialuo suddenly woke up. He opened his lilac eyes and saw Chen Xiaobei's handsome face.

why are you hugging me!? Jia Luo was shocked, and his face instantly turned red.

"Uh ... I'm not hugging you, I'm supporting you. Otherwise, I can't treat you ..."

"I'm sorry," Chen Xiaobei said awkwardly, "if you haven't recovered much of your mental power, you can just stand up straight. If you still can't stand properly, then I'll have to help you for now ..."

"I can stand on my own ..."

Jia Luo was very stubborn and tried to stand firm with his own strength.

However, she had just recovered a little bit of her mental power. In a moment of desperation, she felt dizzy and her legs gave way. She fell uncontrollably into Chen Xiaobei's arms.

Chen Xiaobei was the one who had held her back just now.

Now, Jia Luo's soft body fell into Chen Xiaobei's arms, and his pretty face crashed into Chen Xiaobei's face.

Chen Xiaobei was half a head taller than jialuo.

Coincidentally, jialuo's head hit Chen Xiaobei's mouth.

This was f * cking awkward!

you're trying to scam me ... Chen Xiaobei quickly held onto her shoulders and pushed her away. He was afraid that she would fall but he could not let go.

I ... Jia Luo's face instantly turned red, and his originally cold and arrogant eyes actually revealed a strong sense of shyness.

What did he mean by deliberately trying to scam her? It was as if Jia Luo wanted to throw himself into Chen's arms and get a kiss from Chen Xiaobei.

Seeing this, the winter Witch and six-eared macaque both had a wicked smile on their faces.

On the other hand, Yun fanqing frowned slightly. For some reason, there was a sour feeling in his heart, and it was very uncomfortable. Yun fanqing had never experienced this feeling before, so he did not know what was going on.

At the same time, a strange light flashed in Emperor Jiang's eyes, as if he had discovered an extremely important problem.

"Lord Jia Lou, it's great that you're fine! It's all thanks to Childe Chen! We should all thank him!" The Blood Moon Swordmaster was smart. He quickly interrupted and helped to ease the awkwardness.

"I ... I see ..."

Jia Lou's face was still red. He lowered his head and avoided Chen Xiaobei's eyes. Childe Zhufeng ... Thank you for saving me ... Thank you ... he said.

"You're welcome,"

of course! Chen Xiaobei smiled. we're partners! I won't just stand by and do nothing! Besides, Wutian has already paid for your medical fees, so you don't have to take it to heart!"

Oh ... jialuo was not paying attention to what Chen Xiaobei was saying. He only nodded his head instinctively.

Chen Xiaobei furrowed his brows and smiled bitterly.

This atmosphere, this rhythm, everything was a little off ... Jia Lou was a potential enemy, and the relationship between the two couldn't develop in that direction!

Of course, there were some things that could not be said out loud. Chen Xiaobei could only remain silent.

After a while.

Jia Lou's mental power had recovered greatly. Although he was still a little dizzy, he could move freely.

Chen Xiaobei let go of Jia Lou and let him stand by himself.

"Jialuo, I have something to ask you!"

At this moment, Emperor Jiang walked over and asked in a deep voice, "I saw that your face was red, your heart was beating fast, and you were nervous and shy. These were all emotions and reactions from the bottom of your heart! Did Wutian not control your heart?"

Chen Xiaobei's ears perked up.

Obviously, Emperor Jiang had discovered an important detail!

If Jia Luo's heart was controlled, he would be 100% loyal to mo Luo Wu Tian. All of her decisions and reactions would be based on the will of mo Luo Wutian. She would never have her own thoughts and decisions.

Under such circumstances, as long as mo Luo Wutian asked Jia Luo to please Chen Xiaobei, she would not blush even if she had to strip naked and lie in front of Chen Xiaobei!

However, if her heart was not controlled, she could still keep her thoughts, likes, and feelings. She could still decide most things for herself. She could even be controlled by Chen Xiaobei and become his woman.

It was for this reason that Emperor Jiang had asked this question.

“That’s right. Devil ancestor Wu Tian didn’t control my heart, because we Devils regard him as the highest faith! As long as one’s life did not end, their faith would not be extinguished! There’s no need to control The Fiend ancestor. We fiends will naturally be 100% loyal to him!”

Jia Lou didn’t hide anything and gave the answer directly.

After all, Di Jiang and Chen Xiaobei were both smart people. If Jialuo lied and was exposed, it might affect their cooperation.

Therefore, Jia Lou simply told the truth.

“My judgment was right!” Emperor Jiang smiled indifferently. His smile was very profound.

This profoundness was not because he guessed correctly, but because after he guessed correctly, there would be many more variables.

Wutian, you’re so confident!

Chen Xiaobei did not think as far as Emperor Jiang. If all the demons in the Three Realms regard Wutian as their Supreme faith, they will be more United than ever, and they will be more helpful to Wutian than ever!

Chen Xiaobei knew very well what it meant to be a believer.

The significance of a die-hard believer far exceeded that of an ordinary believer.

“You guys chat first, I’ll go and reply to the message.”

Jia Luo’s spirit had greatly improved. He took out his phone at once. When he saw Wutian’s message, he immediately became alert. He retreated dozens of meters away before he turned on his phone to check the message.

Jia Luo: “ please forgive me, ancestor devil. I was in a coma just now, so I couldn’t reply to your message in time!

Mo Luo Wutian: “ it’s okay. Chen Zhufeng already told me that you’re unconscious! How was it? Did Chen Zhufeng give you proper treatment?

“Heal ...”

Jia Lou held the phone in his hand and could not help but recall the intimate contact he had with Chen Xiaobei.

Although it was only a kiss on the forehead, it was unprecedented for Jia Lou. The impact on his heart was not small, and he couldn’t recover in a short time.

[mo Luo Wutian: why aren’t you replying?]

Jia Luo: " don't worry, Your Excellency. Chen Zhufeng didn't set me up. I'm recovering well. There's nothing wrong with me.

Mo Luo Wutian thought,"hmm, it seems like I didn't choose the wrong partner!" Although Chen Zhufeng was full of tricks, he was a loyal person! As long as I don't harm him, he won't harm us!

Jia Luo: " Lord ancestor devil is wise and unparalleled. Naturally, he won't choose the wrong person!

"Mo Luo Wu Tian: alright, back to the main topic!" three days ago, you said that the little nun with the Dharma bone divine body was poisoned by Lu Yue's life-demanding heavenly spirit. There was no cure at first, but she was completely cured after Chen Zhufeng took her away! I've carefully investigated this matter! There was only one possibility!

Jia Luo, Lord ancestor devil, please enlighten me! What was going on? How should I respond?

[mo Luo Wu Tian: if I'm not wrong, Saint Duke's divine flame has a new successor!] And that person was right beside Chen Zhufeng!

[Red Envelope Group of the Three Realms](#)

Chapter 3237

3237 Future variables

[Garo: Holy Duke's divine light!?] Lord ancestor devil, are you talking about the legend that has a mysterious connection with the heavenly Dao from the ancient times?

Mo Luo Wu Tian,"yes!" It was Saint Duke's divine light!

Jia Luo, Oh my God! How could Chen Zhufeng have such a person by his side? This person's value even surpassed Luo Yi, Taiyi, and Emperor Jiang! It was simply too terrifying!

"Mo Luo Wu Tian: don't be nervous!" We're the only ones who know about this! Chen Zhufeng and the Son of divine light were still in the dark!

Jia Luo, you mean ...

[mo Luo Wu Tian: think of a way to find out the identity of the son of Shen Hui. After capturing him alive, send him to me!] As long as you succeed in this matter, you don't have to worry about your other tasks in the human world! And my layout in the heaven realm will be an important chess piece that is enough to win!

Jia Luo thought,"I understand ... But I'm afraid this person is very important to Chen Zhufeng!" I'm afraid it won't be easy to find out!

Mo Luo Wutian,"take it slow!" Don't be impatient! You have to gain Chen Zhufeng's trust first, then you'll have the chance to get in touch with the son of divine light! Remember, you must capture him alive! If he didn't have full confidence, he would rather not make a move!

Jia Lou asked,"does this quest have a time limit?"

[mo Luo Wu Tian: no restrictions!] As long as I can succeed, I can keep waiting! Even if I have to wait for the next immeasurable catastrophe, I must obtain this son of divine light!

Jia Luo, "I understand!" I will definitely complete the mission!

alright, " mo Luo Wutian said, " adjust your emotions and expressions. Don't let Chen Zhufeng see any flaws!

Jia Luo, "I understand!" However, I still have one more thing to ask of you!

[mo Luo Wutian: speak.]

Jia Lou: " Chen Zhufeng's enemies are getting stronger. I can't even protect myself now. If I want to gain Chen Zhufeng's trust, I have to have a stronger trump card and help him when necessary!

Mo Luo Wu Tian: " Chen Zhufeng has told me about this. He said that he has a way to get the two-star heaven immortal item summoning talisman that the clan of enlightenment has recently developed. I'll make a replica for you. I'm sure it won't be a problem!

Jia Luo, what? Chen Zhufeng had a way to get the chanism's things? "How ... How is this possible?"

[mo Luo Wutian: I also think it's impossible. But don't forget, Chen Zhufeng is a big anomaly!] What was impossible for anyone else might become possible in his hands!

"Lord ancestor Devil's evaluation of him is really high!"

Mo Luo Wutian asked, "what's wrong?" Don't you think he's worthy of such an evaluation?

Jia Luo, "of course you're worthy!" Ever since Chen Zhufeng entered the red envelope group, he had been creating a lot of shock. It's just that this subordinate has never heard Lord fiend ancestor evaluate anyone like this ...

[mo Luo Wutian: because Chen Zhufeng is really special!]

Jia Luo thought, "since Lord ancestor devil admires him so much, why don't you use some methods to force him to join the devil?"

[mo Luo Wu Tian: a forcibly twisted melon is not sweet!] If I use some tricks, even if Chen Zhufeng is possessed, he will never be loyal to me. He will only go Against Me!

Jialuo thought, "but ... If we don't force Chen Zhufeng to become a demon, one day, he might become our mortal enemy!"

"Mo Luo Wutian: no hurry!" Wait! Perhaps Chen Zhufeng would have turned into a demon himself!

Jia Luo, "voluntarily joining the devil?" This was even more impossible ...

[mo Luo Wutian: have you forgotten?] Chen Zhufeng was a big anomaly that could turn the impossible into possible! No one could predict his future!

Jia Luo: " that's true, but he's already made a promise. Even if he dies, he won't betray sect master Tongtian! He wouldn't be possessed by the devil!

[mo Luo Wu Tian: this sentence itself contains a huge variable!] Chen Zhufeng said that he would not betray sect leader Tongtian, but he did not say that he would not betray Taoism! If one day, the way of

heaven, Hongjun, and Taoism could not tolerate sect master Tongtian! What do you think Chen Zhufeng would do?

"This ... With Chen Zhufeng's personality, I'm afraid he'll risk his life!" Defying the heavens, slaying daofathers, exterminating Daoist societies ...

"Mo Luo Wu Tian-if that's the case, then none of the forces in the Three Realms would be able to tolerate him!" Only our demon race is his only home!

Jia Luo, ancestor devil is wise! If that day really came, Chen Zhufeng would turn into a demon! Furthermore, he would overthrow the heavenly Dao at all costs!

Jia Luo thought,"this is exactly the same as the ancestor Devil's goal!" Everything that Chen Zhufeng had done was equivalent to giving his all for the demon ancestor!

[mo Luo Wu Tian: I really hope this day will come soon!]

Jialuo: " that's true. But sect leader Tongtian is a Saint of the heavenly way and Hongjun's favorite disciple. No one can harm him unless he has committed a crime that is against the heaven and the way!

[mo Luo Wu Tian: sect master Tongtian is just like Chen Zhufeng. His greatest strength is that he values friendship. But his greatest weakness is that he also values friendship!]

[Moro Wutian: during the last immeasurable cultivation tribulation, sect leader Tongtian was besieged by four heavenly path sages because he wanted to protect his disciples. He lost the celestial slaying sword formation and all his trump cards. All he has left is a broken Qingping sword. He's in an extremely dire state!]

during the immeasurable cultivation tribulation, sect leader Tongtian still moved the great void crack, the core of the human world, by force for Chen Zhufeng. That's why he was imprisoned by the Dao ancestor. He's going to reflect on his mistakes for an indefinite period of time. He hasn't said when he'll be released yet!

[mo Luo Wu Tian: it's obvious that with sect master Tongtian's character, he will do something impulsive sooner or later!] It was fine if he was a little impulsive, but if he was really out of control, what awaited him would be the execution of the heavenly Dao!

Jia Luo thought to himself, hiss ... Ancestor Devil's scheme is really far-reaching! It's not impossible for Tongtian to be infuriated by your words and fall into bedevilment!

[mo Luo Wu Tian: do you understand what to do now?]

Jia Luo, understood! From now on, I will do my best to gain Chen Zhufeng's trust! The other option was to take down the son of divine light and completely turn against Chen Zhufeng! Otherwise, they could establish a deep friendship in preparation for Chen Zhufeng's demonic transformation!

"Mo Luo Wu Tian: very good!" Your comprehension is excellent. Work hard, and when you return to the mo world, this Lord will reward you heavily! Let you enjoy the worship of the demons of the Three Realms and obtain Supreme glory!

[Jia Luo: thank you, Lord ancestor devil!]

Putting away his phone, Jia Lou returned to the group.

What did Wutian say to you? ” Chen Xiaobei asked.

master ancestor devil said that he’s currently developing a summoning talisman. He should be successful soon and will send it to us to deal with the enemy! Jia Luo was very smart.

yes. Wutian told me the same thing. Chen Xiaobei shrugged. He did not suspect anything.

Childe Chen, what are your plans? ” Jia Luo was not someone to be trifled with. He also started to test Chen Xiaobei.

Red Envelope Group of the Three Realms

Chapter 3238

3238 The northern profound prison sky

“I’m going into closed-door cultivation for a while, so I won’t be joining you guys!”

Of course, Chen Xiaobei would not reveal his secret. He expressed his intention to part ways.

in that case, let’s go first and find the next target.

Jia Lou was smart. He did not pester Chen Xiaobei but chose to leave.

After a simple farewell, jialuo, Yun fanqing, and the Blood Moon Swordmaster set off again on their journey to find the targets on Wutian’s list.

Only Chen Xiaobei, Di Jiang, six-eared macaque, and the winter Witch were left.

The demon Soul of the winter Witch had recovered, and she could now leave the limitless nine-floor Pagoda and move freely. But she did not want to leave Chen Xiaobei.

So, Chen Xiaobei put her into the Meru space.

At this point, there were five great demons in the Meru space: Inferno spirit, Xuan po, Zi Yuan, rebirth ghost king, and Lin Dong witch.

After that, Chen Xiaobei, Emperor Jiang, and six-eared macaque returned to the Xuanyuan sacred territory.

Chen Xiaobei summoned all seven of his direct disciples.

There were still six reincarnation ancient Immortals left in the heaven imprisoning space.

Using God’s greed, Chen Xiaobei transferred the cultivation of a peak earth-god to his six disciples, except for Xuanyuan tuohai.

After giving them a few simple instructions, tai yitan returned to the gods ‘Palace, Lou Yuhong returned to the Jade Mirage Palace, and Xuanyuan tuohai continued to dispatch troops with the remaining four people, preparing to set off for the gods’ Sacred Realm and the Jade Mirage Sacred Realm.

Chen Xiaobei had killed 300 million soldiers in one battle. It was only a matter of time before he took over the two sanctuaries.

Moreover, the Tianji city had no soldiers left, so they couldn't attack the Xuanyuan sacred territory. Therefore, the entire situation in Videha was under Chen Xiaobei's control.

.....

The outcome of the battle in the Xuanyuan sacred territory was decided.

After that, Chen Xiaobei led Di Jiang and six-eared macaque on their journey to find the fire Witch, Zhurong.

In the beginning, Emperor Jiang had pointed out a general direction, and then he and Chen Xiaobei entered the verdant Emperor's divine gourd.

After that, six-eared macaque took the gourd and hurried on.

This way, the time spent on the journey was saved. With the sunlight cache, many things could be done.

Without a doubt, Chen Xiaobei did not waste any time on his journey. The thing that he could not wait to finish was to completely upgrade the blood God's deity-burning painting!

Earlier, Di Jiang had used up all of Chen Xiaobei's spiritual stones to expand the space in the map by 300 times.

Now that he had enough space, Chen Xiaobei merged the underworld mountain armor into the middle of the road, turning the two-star divine-level sealing formation into a formation that could trap his enemies.

This meant that the blood God's deity-burning painting had the ability to trap people. But to Chen Xiaobei, it was only a half-finished product.

This was because the map did not have the ability to attract people. If one wanted to trap someone, the enemy would have to walk into the trap. This was obviously very impractical. After all, there might be fools occasionally, but it was impossible to have them all the time.

Therefore, Chen Xiaobei had to make this drawing have the ability to attract people.

And the heaven imprisoning space that he had just obtained could solve this problem.

The heaven imprisoning formation in the heaven imprisoning space possessed the power of a mid to late-stage one-star heaven immortal. Any Enemy Below this level would be sucked into the heaven imprisoning space without any ability to resist once they were enveloped by the invisible storm.

It might not be powerful in the heaven realm, but in the human realm, it was definitely a heaven-defying, overbearing, and even unreasonable super-powerful skill!

If he succeeded, Chen Xiaobei would have a trump card in his hand!

Just imagining it was already too good to bear.

"Let's start!"

brother dijiang! Chen Xiaobei said impatiently, " brother dijiang, help me merge the sky-trapping space into it and expand the internal space as much as possible!

"No problem!" As the space wizard ancestor, it was very easy for Emperor Jiang to merge spaces.

This was especially so for a space of this level. Not only could Di Jiang merge with it perfectly, but he could also use his special ability to expand the space to a certain extent, allowing Chen Xiaobei to gain the most benefits.

Shield mountain had already ascended, but his five grandsons were still in the verdant Emperor's divine gourd.

They had extremely long lifespans. Old man Jin had already activated the sunlight cache for a long time, so he still had a lot of time left.

At this moment, old man Jin continued to activate the sunlight cache to greatly speed up Emperor river's fusion.

After a while, Emperor Jiang had successfully completed his task, and he had used up a lot of his spiritual power. He looked a little Haggard."Bro bei, I'm done here! The heaven imprisoning space was perfectly integrated into the blood God's immortal-burning painting! Furthermore, the space within the map has been expanded by ten times!"

Before it was expanded, the space inside the map could hold thirty million immortal demon Warriors.

At this moment, the space in the map could hold three hundred million immortal demon Warriors, which was one big step closer to the total number of one billion.

"That's great!"

Chen Xiaobei grinned and opened the heaven and earth furnace. He took out more than ten green pills and handed one to her. this is the Wuji soul essence pill that I just refined. Eat one, and the mental power you've consumed will be quickly recovered!

While Di Jiang was merging with the dimension, Chen Xiaobei was not idle.

On the seventh floor of the Wuji nine-level Pagoda, there were three types of elixirs and three elixir recipes. The green Wuji essence soul pill was specially used to recover mental power.

Originally, it would take a long time to make it, but with the sunlight cache, this time was saved.

"Alright!"

After taking a Wuji soul-essence pill, Emperor Jiang's spiritual power started to recover quickly. by the way, bro bei, you got three types of pills. Soul gathering and soul essence. What was the third one? "

"Yeah! I would have forgotten about it if you didn't mention it!"

Chen Xiaobei was embarrassed. He had received three types of pills earlier, but after reading the first two, Jia Luo had forced him to take advantage of the situation, completely interrupting Chen Xiaobei's thoughts.

Of course, Chen Xiaobei was also instinctively on guard against Jia Luo. After Jia Luo woke up, he put away the pill and the recipe and did not continue to check it.

Now that there was no one else around, Chen Xiaobei took out the third type of white pill and the third white turtle shell.

“Infinite origin returning pill!”

Chen Xiaobei looked at the content on the White turtle shell and said, “This is a type of pill that can heal the primordial spirit. Its effects should be very good! If your primordial spirit is injured, you can use this pill to treat it!”

“This is good stuff too!”

It’s true! Emperor Jiang’s eyes lit up. If your primordial spirit is injured by the heaven severing with a thought, you can use this elixir to cure it!

“En, I’ll make some later, just in case!” Chen Xiaobei smiled and picked up the scroll that had just merged with the sky-trapping space.

“The main body of this map has been completed! From today onwards, it will be renamed as the ‘sky-imprisoning painting of the northern Mystic’!”

[Red Envelope Group of the Three Realms](#)

Chapter 3239

3239 Very familiar

“Sky-imprisoning painting of the northern profound mystery”!

After the space integration, the theme of this magical treasure was considered to be completed. Although it still needed to be perfected, it could be regarded as 11 highly practical magical treasures!

The heaven imprisoning formation had reached the late-stage one-star heaven immortal realm. Any enemies below this realm would be drawn into the map.

At the same time, the hardness of the underworld mountain armor had reached the level of a nine-star heaven immortal, and the endless sealing formation on it had reached the level of a two-star heaven immortal. Unless the enemy had a way to break the formation, anyone below the level of a nine-star heaven immortal would never be able to get out once they were sucked into the map.

It was no exaggeration to say that this “North profound prison sky painting” was equivalent to two of the seven Forbidden Lands in the earth-god Realm.

The seven Forbidden Lands were the most deadly Forbidden Lands in the earth-god Realm.

There was no guarantee that the endless Dead Sea and the prison of heaven could merge together. In the earth immortal world, there would be no one who could be his match.

Of course, although the trump card was extremely powerful, it also consumed a huge amount of spiritual Qi.

Activating the sky-caging formation once would require 90 billion high-grade spiritual Qi. As for the Infinity formation, it was a seal-type formation that would last for a long time, so Chen Xiaobei did not need to replenish his spiritual Qi.

“Whoosh ...”

Chen Xiaobei did not even have the time to fill his pocket with the 1200 low-grade spiritual jades that he got from mo Luo Wutian. He took out 900 pieces of spiritual Jade and inserted them into the painting.

Chen Xiaobei kept the remaining 300 pills with him in case he needed them.

the lack of spiritual energy is still the biggest problem at the moment!

there’s a huge amount of spiritual energy and life force stored in the heaven and earth furnace. It’s enough to upgrade the heaven imprisoning formation to the peak of a one-star celestial immortal. But without enough spiritual Qi, it can’t be used anymore!

“Indeed!”

yes! Emperor Jiang nodded and said, “ the resources in the earth-god Realm are limited. The top forces have been taken down one by one! The number of spiritual stones and spiritual veins that bro bei could use was getting smaller and smaller! It’s already very difficult to collect hundreds of billions of spirit stones, so we can only find a way to get them from the heaven realm!”

“Can I use the merit points ledger to exchange for spiritual stones?” Chen Xiaobei asked.

“I can, but it’s not worth it ...”

Emperor Jiang said, ‘in the merit record, the lowest price of anything is one merit point! Take the ‘sky-imprisoning painting of the northern profound world’ for example. You’ll have to spend 90 billion merit points to use it once. It’s not worth it!”

Chen Xiaobei nodded and said, “ it seems like the only way to obtain spiritual stones quickly is to cooperate with mo Luo Wu Tian!

it’s definitely not enough to just arrest them. Bro bei, do you have any other way to cooperate? ” Di Jiang asked.

“There are!”

Wutian said that the clan of enlightenment has developed a two-star summoning talisman. If I can get it and give it to Wutian, he’ll give me 60000 low-grade spiritual Jade!

sixty thousand?!

Hearing this, Emperor Jiang’s eyes brightened, and he said, “ that’s a total of six trillion upper spiritual stones! Bro bei, you won’t have to worry about spiritual stones for a long time!

“Yup ...”

Chen Xiaobei let out a long breath and said, " the only thing I'm worried about now is that the newly developed celestial talisman will be highly valued by the clan of enlightenment. I'm afraid it'll be difficult to get it!

Emperor Jiang's expression darkened, and his eyes couldn't help but dim. "This is indeed a big problem! It was extremely difficult to steal the chanism's things! It's even more difficult to steal such an important trump card!"

"I don't care, I'll think of a way to try!"

Chen Xiaobei calmed himself down and said confidently, " anyway, my luck is off the charts now. Maybe something good will happen!

After that, Chen Xiaobei and Di Jiang left the verdant Emperor's divine gourd.

The six-eared macaque was sitting on The Raven King's back, heading towards the southernmost point of the Nanzhan state.

It was a barren land. As far as the eye could see, it was all dried up Yellow Earth. When the wind blew, sand and dust filled the sky.

The Raven King was already a peak earth immortal, but he had to use his vital essence to protect his eyes, mouth, and nose. Otherwise, he couldn't even open his eyes and breathe.

bro bei! Dijiang! You guys came out so quickly! Six-eared macaque had also used his ethereal force to protect his head. When he saw Chen Xiaobei and Di Jiang, he expanded his ethereal force to protect them as well, preventing them from being attacked.

"Is it fast?" "We spent dozens of days in the sunlight cache!" Emperor Jiang shrugged.

"What is this place? Why does he look so familiar?" Chen Xiaobei observed the terrain and environment below him.

"Familiar?"

according to Emperor Jiang's instructions, we are now deep in the southernmost part of the Nanzhan state. This barren mountain is called the small Flaming Mountain by the people of the earth-god Realm!

mini Flaming Mountain?! fire? " Chen Xiaobei was stunned. fire ...

Chen Xiaobei still felt that this place was very familiar, but he could not figure out why.

"Yes, flames!"

Emperor Jiang smiled indifferently and said, "Zhurong has always been close to fire!" This place is known as the mini Flaming Mountain, which is enough to prove that the location I sensed was completely correct! As long as you go to the place where the Yang and fire elements are the strongest, you will most likely be the one to find Zhurong himself!"

"Alright!" alright! Chen Xiaobei nodded. then you guys continue on your way. I'll contact my chess pieces in chanism!

“What the f * ck! Bro bei, you’re so cool! There are still pawns in the clan of enlightenment!” Six-eared macaque was shocked. It asked curiously, ” “Who’s that guy?”

Chen Xiaobei took out his phone and smiled. “Ju liusun’s disciple, Deng junyu’s husband, tu xingsun!”

Emperor Jiang and six-eared macaque were shocked. “Earth traveler sun is a third generation core disciple of the clan of enlightenment! He had always been loyal to the clan of enlightenment! Bro bei, how did you get to know him? Is there a trap?”

“Don’t worry, I’ve basically figured out the implications of this! Earth traveler sun will definitely be under my control!” Chen Xiaobei chuckled and sent a private message to her.

Just as Chen Xiaobei had said, earth traveler sun was very nervous and replied almost immediately.

Earth traveler Sun, Chen Zhufeng! What are you trying to do! Don’t you know what’s going on? You’ll get me killed if you send me a private message!

Chen Xiaobei: ” relax! If I wanted to harm you, I would have sent a private message to your Grand Master!

Earth traveler sun,”you ... What do you want to do?”

I want you to help me steal a two-star heaven-immortal item summoning talisman from chanism!

Earth traveler sun thought,”that’s impossible!” As a disciple of the clan of enlightenment, I can’t steal!

Chen Xiaobei:

Chapter 3240

3240 Revealing the truth

Earth traveler sun: ” if this is the reason you’re looking for me, then please give up on this idea. I’ll never help you!

Chen Xiaobei: ” don’t be so sure. I’ve done a lot of things during this period of time. I’ve also learned a lot of things. If you work with me, perhaps you can get rid of all your worries!

“Earth traveler sun, are you trying to use Yu ‘er to threaten me?”

Chen Xiaobei, I’m not that shameless!

Earth traveler sun: ” then why should I work with you? ” Don’t forget, we’re enemies!

Chen Xiaobei: ” first of all, I’ve worked with Deng junyu before. She asked me to help her find a stone tablet called the taisui talisman. Do you know what it’s for? ”

Earth traveler sun, taisui destiny talisman? Are you sure it’s the taisui destiny talisman?

Chen Xiaobei: ” of course I’m sure! I still have the picture in my phone. I’ll send it to you!

After that, Chen Xiaobei took out his phone and sent the picture of the taisui life talisman to tu xingsun.

Not long after, earth traveler sun sent a reply.

Earth traveler sun, "is the taisui destiny talisman still in your hands?" Or had he already given it to Yu 'er?

Chen Xiaobei: "I don't make a losing deal. I've already told you the clue to the taisui talisman. Now, you have to answer one of my questions before you can continue asking!

Earth traveler sun, "what do you want to ask?"

Chen Xiaobei thought, "what is the taisui destiny talisman?"

Earth traveler sun was speechless.

Earth traveler sun, "that's the divine talisman of life that I personally carved before the chaos continent was shattered!"

Chen Xiaobei: What was the use of that thing?

Earth traveler sun, "answer my question first!"

Chen Xiaobei thought, 'uh ... I've already given the taisui life talisman to Deng junyu!

Earth traveler sun, "you're not lying?"

"I've observed that thing. I can't understand the inscriptions on it at all. It doesn't have any spirituality, and it doesn't have any special abilities!" Deng Jie Yu said that it was just a token, and it was useless for her to keep it, so of course she gave it to her!

"Why ... Why did Yu 'er get the taisui destiny talisman ... Why?"

Chen Xiaobei: "calm down. Tell me first. What is the destiny talisman?" Perhaps I can help you analyze the situation!

Earth traveler sun was speechless.

It was obvious that tu xingsun's heart had suffered a great blow. The taisui destiny talisman was of great importance to him, and it even made him doubt some of the things he had firmly believed in.

At this moment, earth traveler sun's heart was shaking violently. He didn't know who to believe, and he didn't know how things would develop. Even his brain was about to short-circuit.

As the saying goes, the onlooker sees more clearly than the involved.

Right now, earth traveler sun could only trust Chen Xiaobei. He had no other choice.

Earth traveler sun thought, "the divine talisman of life is a life-saving method!"

Earth traveler sun, "before the chaos continent was broken, I put a trace of my soul into the taisui destiny talisman!" If anything happens to me in the cataclysm, I can use this remnant soul to reconstruct my three souls and seven spirits so that my soul won't be completely destroyed!

Chen Xiaobei: "that is to say, Deng junyu's contract master wants to get your soul! What was he trying to do?

Earth traveler sun thought, "if I don't listen to them, they can use that wisp of remnant soul as a medium to forcibly control my heart!" Or curse my nascent soul to death!

Chen Xiaobei, "that's right!"

Earth traveler sun, "what match?" What do you know?

Chen Xiaobei: "at this point, we're already on the same boat. There's no need to hide it from you! I've already taken Lu Yue down and had six-eared macaque copy his memories!

Earth traveler sun thought, Lu Yue? My master's reincarnation as an ancient immortal? "How ... How is this possible?"

Chen Xiaobei: "Hmph! It seems like ju liusun has been hiding everything from you. And you're still so foolishly loyal to him!

Earth traveler sun, "why should I believe you?"

Chen Xiaobei: Lu Yue and his five personal disciples are ju liusun and your reincarnated ancient immortal! Even if you don't know what happened to Lu Yue, don't you know that you lost contact with your reincarnated ancient immortal?

Earth traveler sun, "this ... They've lost contact for a long time. Did you capture them all?"

Chen Xiaobei: If you want to see their photos, I can provide them now! How was it? Now, are you willing to believe me?

Earth traveler sun, "say it!" What did you learn from Lu Yue's memories?

Chen Xiaobei: "your Sifu is afraid of his grandsons. He's working with a Big Shot of the demonic race to secretly plan a great conspiracy to replace lady Nuwa! Deng Jie Yu's contract master was one of the subordinates of the monster race's Big Shot!

Earth traveler sun thought, this ... This is impossible! His master was one of the 12 golden Immortals of the clan of enlightenment! How could they collude with the demon race? Was this betraying the sect and the Dao?

Chen Xiaobei: "when I asked you about this, you stammered and did not say anything. I thought you were hiding it on purpose. Now I know that you were actually hiding it from ju liusun! He knew nothing about it!

Chen Xiaobei: "now you should understand. He's afraid that he'll leave a grandson behind and force Deng Kunyu to reincarnate! It was to completely control you! You will never betray them, and you will even sell your life for them!

"Of course, they're also worried that Deng junyu's pawn will lose its effect. That's why they're looking for the taisui talisman!"

Earth traveler sun, [failed?] This was impossible! No matter the price, I will protect Yu 'er. Even if I have to accompany ju liusun in betraying his master and ancestors, I will never abandon Xiao Yu!

Chen Xiaobei-you're such a sentimental person! However, even if you don't give up, it doesn't mean that Deng Jie Yu will be absolutely safe! Have you forgotten that when Deng Jie Yu was just reincarnated, she was sent to a brothel to seduce men! If I didn't help you, you would have become the Hulk!

Earth traveler sun: " I'm very grateful to you for that. Besides, I've already repaid you, haven't I? "

Chen Xiaobei-I've already turned over that matter! What I want to say is that the enemy doesn't care about Deng Jie Yu's condition! As long as the enemy needed it, Deng Jie Yu would do anything! He didn't even mind threatening her life!

Chen Xiaobei thought,'especially after getting the taisui talisman, Deng junyu has become a dispensable pawn! The enemy would have no scruples and would even let Deng Jie Yu do more dangerous things! Sacrificial pawn, cannon fodder, it didn't matter!

Earth traveler sun thought,"this ... Can't do!" This definitely can not happen!

Chen Xiaobei: " calm down! I've been asking second senior brother to keep an eye on Deng Jie Yu! There was no movement from the second brother, which meant that Deng junyu was not in danger for the time being!

Earth traveler sun thought,"second senior brother?" Are you talking about the canopy? That guy was unreliable! You go! Go and help me protect Yu 'er! As long as I can protect her, I will do anything you want! Go! I'll go now! Hurry!

"So, you're willing to help me steal the two-star summoning talisman?"
