Chapter 3251: defeating Tian Peng

There were many types of heavenly Dao halos.

Other than the cultivation Halo and longevity Halo that Chen Xiaobei had already chosen, there were also other halos such as attack, defense, speed, luck, charm, and so on.

The most special one was to weaken the power of the heavenly Tribulation.

Chen Xiaobei still had a long way to go before he could ascend, so he did not need to consider the weakened Halo.

As for the other halos, although their effects were not bad, it was not wise to bite off more than one could chew. The effects of many low-level halos were clearly not as good as the effects of one or two high-level halos.

That was why Chen Xiaobei had to prioritize the cultivation and life halos.

“I’ll upgrade my cultivation Halo first!”

Chen Xiaobei sat on the back of the demonic Crow King and made his decision.

[level-nine heavenly Dao cultivation Halo has reached its upper limit. Further improvement will require you to reach the heavenly immortal realm.]

A notification rang in Chen Xiaobei’s mind. It did not upgrade the cultivation Halo as Chen Xiaobei had requested.

it seems that this is the restriction of the human world’s laws. In this plane, there can’t be too heaven-defying existences. Otherwise, the balance of the plane will be broken, and it may even destroy the entire plane!

Chen Xiaobei could not help but think of the power of Zhurong’s two-star heaven-immortal instrument summoning talisman!

At that time, its power had exploded in the “ sky-imprisoning painting of the northern Mystic ” and almost shattered the space within the painting. If not for the underworld mountain armor, the outcome would have been hard to say.

From this, it could be seen that if such power appeared in the real world, it would be enough to shake a continent and destroy hundreds of major cities.

For this reason, when the heavenly Lord of the origin forbade the immortal world from privately sending red packets to the human world, sect leader Tongtian did not object, and Dao ancestor was very supportive.

From a certain point of view, this was actually a kind of protection for the earth-god Realm.

Otherwise, if Chen Xiaobei or the reincarnated ancient Celestials were to get their hands on a high-tier divine instrument or even a divine instrument, the entire earth-god Realm would be destroyed just like the untainted land, and all lives would be lost.

“It seems like the law of the earth-god Realm has set a limit. The upper limit of each heavenly Dao Halo is level nine!”

alright! Chen Xiaobei said, “ if that’s the case, I’ll have to continue upgrading my life aura!

[you have exchanged for a level 7 heavenly Dao life Halo. You have spent 7 billion new believers.]

[you have exchanged for a Level-8 heavenly Dao life Halo. 8 billion new believers have been consumed.]

[the number of new believers has increased by 5 billion!] The total number of believers was 86 billion! (Only ‘100 million’ as the unit, the rest of the numbers are not calculated in detail.)

Out of the 20 billion new believers, 15 billion had been consumed, leaving 5 billion left.

With another four billion new followers, Chen Xiaobei would be able to upgrade his life aura to level 9.

If it was in the past, four billion believers would be a huge number, and it would be very difficult to increase it.

However, Xuanyuan tuohai had already led his Army to conquer the Jade Mirage Sacred Realm and the gods Sacred Realm.

Although most of the people would not change their faith, as long as a small portion of them were willing to believe in Chen Xiaobei, it would be enough to increase Chen Xiaobei’s number of new believers.

After all, there were more than a trillion people in both sanctuaries. Four billion was nothing.

The only problem was time.

The accumulation of four billion believers could not be completed in an instant. They had to wait.

Of course, Xuanyuan tuohai would not let Chen Xiaobei wait too long.

Chen Xiaobei had taken care of the forces from both regions. He had even taken control of the hollow Jade temple and the temple of the gods ‘headquarters. Xuanyuan tuohai’s Army had entered an uninhibited place. It was a piece of cake for him to conquer both regions!

“Bro bei! The coast of the North Sea is just ahead!”

The Raven King gradually slowed down and asked in a deep voice, “ “Where’s the exact location we’re going?”

“Ocean divinity sect!”

second Shixiong is waiting for us there. You can stop when you get close. I’ll call him! Chen Xiaobei said.

“Yes, sir!” The demonic Crow King didn’t say anything and rushed towards the ocean-God sect.

The bird had a heaven immortal bloodline, so it was much faster than the average peak earth immortal. It soon arrived above the ocean deity sect.

“Bro bei!”

Before Chen Xiaobei could make the call, Tian Peng’s voice came from the front.

This guy’s cultivation had not increased, and he could only fly on a flying sword, but his body size had expanded quite a bit.

When he first came to the earth-god Realm, Tian Peng was still a tall, strong, and handsome young man.

At this moment, his face was as fat as a ball, and his stomach was bulging as if he had been pregnant for ten months.

“Pfft ... Second senior brother ...”

Chen Xiaobei was annoyed and said, “How long has it been since we last met? How can you be so fat? Don’t tell me he’s been eating and drinking every second of the day?”

Tian Peng patted his fat belly and grinned, “You only asked me to monitor Deng Jie Yu and nothing else. I just ate and didn’t eat, so naturally I got fat!”

Chen Xiaobei smiled and said, “come! Let me introduce you! You’ve seen six ears and the devil Crow! This is the head of the twelve ancestors of sorcery, Emperor Jiang!”

di ... Emperor River!? Tian Peng’s expression changed slightly. He rolled his eyes, showing some nervousness and some fear.

However, this gaze only flashed for a moment, and no one noticed it.

“Old brother dijiang! I’ve long heard of your great name!”

Tian Peng quickly cupped his hands and said with a smile, we didn’t have the chance to meet in the heavenly realm back then. I didn’t expect that we’d all be gathered here by bro bei’s side! I’m really lucky!”

you’re welcome. Bro bei’s brother is my brother! Emperor Jiang laughed straightforwardly and was very friendly.

“Let’s go! I’ll take you to see Deng Jie Yu!” Tian Peng jumped onto the back of The Raven King and kept his flying sword.

But strangely enough, after Tian Peng got on the back of the demonic Crow King, he did not get close to Chen Xiaobei. Instead, he went closer to Di Jiang.

brother dijiang, I’ve obtained a strange treasure earlier. I’d like you to take a look at it and see what secret it’s hiding! Tian Peng took out a wooden box from his storage bracelet.

“You’re a celestial immortal yourself. Are there any treasures in the earth immortal world that you can’t see through?” Emperor Jiang smiled with great interest and said, “Open it, I’ll help you take a look!”

“Alright!” Tian Peng nodded and slowly opened the wooden box.

They were all on the same side, so Emperor Jiang and six-eared macaque were not on guard at all. They focused on the wooden box.

“One thought, heaven interception!”

Suddenly, Chen Xiaobei used his killer move on Tian Peng.

At this moment, Tian Peng’s attention was all on Emperor Jiang. He was also caught off guard and was hit by the sky severing thought.

“Uh ...”

Tian Peng wailed in pain. His nascent soul was severely injured and the intense mental torture made him kneel on the ground in pain. bro bei ... What ... What are you doing?!

Red Envelope Group of the Three Realms

Chapter 3252: flawed reasoning

“Bro bei? What are you doing?”

Not only Tian Peng was caught off guard, but even Emperor Jiang and six-eared macaque were stunned.

They could not figure out why Chen Xiaobei would attack the canopy great country.

“Bro bei ... Did I do something wrong? Why are you doing this to me ... We’re brothers ...”

Tian Peng knelt on the ground in pain. His true essence was cut off and his body was exhausted from the mental torture.

Tian Peng was Chen Xiaobei’s best friend, and he felt wronged when he was ambushed by Chen Xiaobei.

“Your acting skills are not bad, but it’s a pity that you have too many flaws!”

Chen Xiaobei had always been a man who valued relationships, but at this moment, his eyes were empty, without a trace of emotion.

Chen Xiaobei released his ethereal force and took the wooden box into his hand. He opened the lid and asked, “Tell me, What is this?”

this ... Tian Peng’s expression changed when he saw what was in the box.

Chen Xiaobei had already seen through his plan. Even if he had a hundred mouths, he would not be able to prove his innocence.

life-demanding heavenly centipede!?

Emperor Jiang and six-eared macaque recognized what was in the box immediately.

It was a special poison made by Lu Yue. After Lu Yue was captured, there was only one person in the entire earth-god Realm who could produce this poison.

Lady White bone!

Back then, Lu Yue had given Lady White bones a total of 11 life-threatening heavenly phoenixes.

The seven reincarnated ancient Fey that had been captured each had one. That meant that lady White bones had four left!

Now, since there was a life-demanding heavenly centipede in the wooden box, the fake canopy great tree's identity was obvious!

"You're the white bone Spirit?" Emperor Jiang stared at the fake canopy and asked seriously.

"I'm a subordinate of Lady White bone!"

The fake Tianpeng saw that his identity had been exposed, so he stopped pretending and said directly, "I advise you to let me go obediently! Otherwise, the real canopy and Deng Jie Yu will be buried with me!"

"What did you just say? The white bone Spirit captured second brother and Deng Jie Yu?" Chen Xiaobei's expression changed and he became nervous.

"That's right! We saw the message you sent to him from Tianpeng's phone!"

The fake canopy said in frustration, "I was going to poison you to death!" I didn't expect you to bring Emperor River! Emperor Jiang is far stronger than you, so I have to change my target! You discovered my weakness because I approached the Emperor River ... Otherwise, you would have been a dead man by now!"

"Don't talk about these useless things! Give me the evidence! How do you prove that second brother and Deng Jie Yu were caught by you?" Chen Xiaobei's nerves tensed up. He would not trust his enemy so easily. He had to be 100% sure that this was the truth.

Chen Xiaobei had always been a loyal person.

Tian Peng was Chen Xiaobei's brother, and he was more important than his own life.

Although Deng Jie Yu was just a pawn, Chen Xiaobei had promised earth traveler sun that he would protect her. Even if he had to risk his life, he could not swear an oath.

Therefore, Chen Xiaobei would not allow any accidents to happen!

"Evidence? Why don't you call Tianpeng and you'll know?" The fake Tian Peng sneered. Even though his nascent soul was severely injured by the heaven severing with a thought, he did not show any fear.

Chen Xiaobei quickly took out his phone and dialed Canopy's number.

Soon, the call was connected, and a sinister woman's voice came through. "Chen Zhufeng! It's a pity that you called, which means my plan has failed ..."

It was obvious that this woman was Lady White bone!

Tianpeng's phone was in her hands, which meant that Tianpeng himself was in her hands too.

"Cut the crap! Where are my second brother and Deng junyu? How are they doing?" Chen Xiaobei asked.

don't be nervous ... Lady White bone sneered."Although I've captured them, I'm still using them as hostages to capture you. Naturally, I won't hurt them!"

"Good! I'll be waiting for you at the ocean divinity sect! Let them go, and if you have any problems, come at me!" Chen Xiaobei was very generous. For his brothers and friends, he was willing to risk his life.

"Heh, you? Do you think I'm stupid?"

Of course, Lady White bones knew how powerful Chen Xiaobei was. She laughed evilly and said, "I'll send a location to your phone later! Come over here alone and do as I say! Then, I will release Tian Peng and Deng Jie Yu!"

"Why should I believe you?" Chen Xiaobei asked.

you don't have to believe me, " Lady White bone said indifferently. I will still send you a location. You can come directly and collect the bodies of Tianpeng and Deng Kunyu!

"Wait!"

Chen Xiaobei's heart skipped a beat. He had no choice."I believe you! As long as you let go of second brother and Deng Jie Yu, I am willing to follow your arrangements!"

"Very good! As expected of the disciple of sect master Tongtian, you're a man with feelings and loyalty!" The white bone Demon couldn't help but praise, and then laughed evilly,"I'll see you later!"

After saying that, the white bone Spirit hung up the phone.

Chen Xiaobei's face was grim, and his mood was unprecedentedly low. He was desperately trying to think of a way to break out of this situation, but he had no idea.

Lady White bone had a hostage in her hands, and she had to choose the right place.

If Chen Xiaobei were to go alone, he would be in a passive position and would not be able to break out of this dead end.

bro bei, don't worry! There's still a chance!

At this moment, Emperor Jiang remained calm and asked in a deep voice, "How did you find the weakness of the fake canopy? I don't think it's as simple as him getting close to me, right?"

The fake canopy great sage was stunned.

He had thought that he had revealed his weakness because he was close to Emperor Jiang, but it seemed that things were not so simple.

"Phew ..."

Chen Xiaobei tried to calm himself down. "The white bone Demon's disguising technique is very powerful. It has made this person's aura and cultivation almost the same as second senior brother's! Not even the 'three realms illustrations' detected anything!"

“However, the white bone Goblin has neglected one thing! Second senior brother liked to eat and drink, but he also liked women! Every time I saw second senior brother, I could smell the strong fragrance of makeup! But this person doesn’t have any!”

As soon as he said that, everyone came to a realization.

The fake Tianpeng frowned and said unhappily, “the result is the same anyway. What’s the difference in seeing through my flaws?”

“Of course there’s a difference!”

Emperor Jiang’s eyes narrowed, and he said, “the white bone Spirit is very good at changing appearances. You can say that it’s a great master in this field!” There’s no way she’d miss such an obvious problem like the scent of her makeup!”

Chen Xiaobei’s eyes lit up. “In other words, when second brother was brought to the white bone Spirit, the fragrance on his body had already disappeared! It was impossible for the wind to blow away all the fragrance, so there was only one possibility! The fragrance was washed away by the water!”

Red Envelope Group of the Three Realms

Chapter 3253: direct confrontation

“So ... So what if it was washed away by water? What does this mean?”

The fake Tianpeng stammered. It was clear that Chen Xiaobei and Di Jiang’s deduction was correct.

“Idiot!”

second senior brother! Chen Xiaobei laughed coldly. the smell of makeup on second senior brother is very strong. It can only be washed away by a fast current! Waterfalls, rivers, ocean currents, these are all the chosen answers!”

“What do you mean?” The fake canopy great elder’s brain still hadn’t processed the situation and he said awkwardly, “Even if you know how the fragrance on the canopy is washed away, what’s the use?”

“You really are an idiot!”

of course! Emperor Jiang smiled and added, “the white bone Demon will send a location to bro bei later! As long as he could find a rapid current in the vicinity, he might be able to find the white bone Spirit’s lair! By then, not only will bro bei be able to save them safely, but he can also take out all the enemies!”

this ... This this this ... the fake canopy great Sage’s expression changed. His pupils contracted uncontrollably, his scalp went numb and his body trembled.

This once again proved that Chen Xiaobei and Di Jiang’s deduction was correct.

If Chen Xiaobei had really sneaked into the White bone Spirit’s lair, she would not only be unable to threaten Chen Xiaobei, but her life would also be in Chen Xiaobei’s hands.

This way, the white bone Demon’s entire plan would be ruined. Her and her people would all fall into Chen Xiaobei’s hands and be completely defeated!

Thinking of this, the fake canopy great Sage's face turned green. If he could, he would find a way to inform the white bone Spirit even if he had to risk his life.

However, his nascent soul was seriously injured by the heaven severing with a thought, and his vital essence was cut off. He didn't even have the chance to fight back.

Ding! The fate wheel Island of the North Sea!

At this moment, the white bone Spirit sent a message.

"Devil Crow! Let's go to the fate wheel Island!"

you're right! Chen Xiaobei grinned. the white bone Demon wanted to trick me. I'll show her what a real trick is!

"Yes, sir!"

The devil Crow King flapped its wings and rushed forward, heading straight for the fate wheel Island.

.....

"Hualalala ... Hualalala ..."

On the fate wheel Island, a giant waterfall was running non-stop.

The momentum of flying down three thousand feet was extremely majestic.

Of course, it was accompanied by an unusually rapid current.

An ordinary person would not be able to get close to this waterfall. If they wanted to pass through the waterfall, they might even be crushed to death by the current.

Of course, for immortal cultivators with high cultivation, such water currents would not cause any harm. Instead, they would become a natural barrier.

Behind the waterfall, there was a huge cave.

The white bone Spirit was currently sitting on a stone throne in the middle of the cave.

She was dressed in a long white dress. Her figure was beautiful, and she even exuded the elegance of a classical woman.

However, her face was extremely terrifying. It was completely an uneven white skeleton. Its eyes were empty, its teeth were sharp, and there was even a white ghostly aura coming out of it.

If he were to bring it to the mortal world, it would definitely scare children to tears.

"Wake up! Chen Zhufeng might come at any moment, we can't let him take advantage of us!" Lady White bone's eerie voice reverberated in the cave, making the atmosphere even more eerie and terrifying.

"Madam, don't worry!"

In the cave, there were three other reincarnated ancient Fey. They said with great confidence, " we'll keep our primordial spirit domain open to the maximum at all times. As long as Chen Zhufeng gets close, we'll notice him immediately!

"That being said, you still have to be careful!" of course! Madam white bone said seriously. although I have two trump cards, we don't know what Chen Zhufeng has! We can't be too careful!"

"It doesn't matter what cards he has!" "There is a killing formation on the fate wheel Island!" One of the grey rats grinned hideously. Even a celestial being would die Here! If Chen Zhufeng dares to come, he will definitely not be able to return!"

activating the fate wheel formation is the worst case scenario. All of us will be buried with him! I don't think so! Madam white bone said coldly. the best result is that we can use the hostages to take care of Chen Zhufeng. We can all survive and continue to serve master!

After saying that, Lady White bone turned her eyes to the side of the throne.

At this moment, Tian Peng and Deng Jie Yu's heads were stuck with some kind of talisman, causing them to fall unconscious.

Lady White bones had kept them under her watch because she was afraid that Chen Xiaobei would save them.

It was obvious that Chen Xiaobei's strength had been highly regarded by the enemy.

Even though Lady White bones already had two trump cards in her hands, she did not dare to let her guard down. She was afraid that Chen Xiaobei would turn the tables and all her efforts would be in vain.

Ding!

At that moment, Madam white bones 'phone rang.

She picked it up and looked at it. Immediately, she became nervous and said in a deep voice, " Chen Zhufeng has arrived on the island!

The moment that was said, the three reincarnated ancient Fey present became wary.

"Let me go and meet him!"

The grey rat demon was more confident. He patted his chest and said, " I'd like to see what the famous Chen Zhufeng can do!

"No! You've underestimated your enemy!"

no! Lady White bone shook her head decisively. I'll go myself. I can't give Chen Zhufeng any chance to make a comeback!

After saying that, Lady White bone stood up.

Chen Xiaobei had seen through the fake canopy and captured it alive.

This made Lady White bones extremely wary of Chen Xiaobei, and she was not at ease to let her subordinates go.

“Madam, you can’t go!”

The remaining wind Wolf demon and lizard demon spoke almost at the same time, ” “You must stay here. If anything happens, you can take the hostage and leave! If you face Chen Zhufeng directly and he doesn’t care about the lives of Tianpeng and Deng junyu, you will be in deep trouble!”

“You guys are thinking too much!”

Lady White bone’s eyes narrowed and she said indifferently, ” “With Chen Zhufeng’s personality, he wouldn’t leave his brother to die! This was his bottom line as a human, and also the bottom line of his Dao heart! If he really gave up the canopy, Chen Zhufeng would not be Chen Zhufeng anymore!”

Lady White bones ‘tone was firm. She knew Chen Xiaobei’s character very well, so she did not have any doubts.

The three ancient Fey had nothing to say and could only nod in agreement.

“Remember! You must look after the hostage!”

Lady White bone’s tone was solemn as she gave a strict order, ” “If I don’t come back in half an hour, you will evacuate immediately!”

After saying that, Lady White bone walked out of the waterfall.

As she stepped forward, a mysterious primordial spirit power was activated.

Her terrifying white skull began to mutate, slowly transforming into a peerlessly beautiful face.

Ordinary people might not know who the true self of this appearance was.

But Chen Xiaobei recognized it immediately!

The owner of this face should be the sacred Lord of the dark seal, dugu zang Xian!

[Red Envelope Group of the Three Realms](#)

Chapter 3254

3254 Suddenly appeared

“Madam is too cautious!”

The grey rat demon pouted and jumped over to sit on the throne. He crossed his legs and said disdainfully, ” no matter how powerful Chen Zhufeng is, he’s just a mortal. He can’t break out of this dead end today!

“Gray rat! You better be honest!” that’s the madam’s seat, ” the wind Wolf demon said in a deep voice. if she sees you sitting there, you’ll probably lose a layer of skin!

“Relax! The white bone Spirit just left, how could it possibly come back?”

The gray rat demon sneered, ” besides, our contract Masters are not the same as hers! Moreover, our master of the contract has long told us to be on guard against her! Yet, you’re still protecting her? Are you dumb?”

“Master did tell us to be wary of the white bone Demon, but she also told us to listen to her and assist her in her mission!” The wind Wolf demon frowned.

“Stop fighting!”

why don’t you two think about what we should do after the mission is completed? ” the lizard demon said impatiently. what should we do to help master win the most benefits? ”

master will naturally have instructions for this matter. We don’t need to worry about it!

what’s more, ” the wind Wolf demon said in a deep voice. the white bone Spirit might not be able to defeat Chen Zhufeng this time. What if the mission fails? ” This is the problem we should be thinking about!”

“Are you stupid?”

The grey rat demon sneered. Tian Peng and Deng Jie Yu are in our hands. The white bone Demon told Chen Zhufeng to destroy his own cultivation and hand over all his trump cards. As long as Chen Zhufeng does as he is told, do you think he can escape from our five fingers mountain? ”

what if Chen Zhufeng doesn’t care about the life and death of Tian Peng and Deng Jie Yu? ” The wind Wolf demon asked.

“You’re really stupid! Didn’t you see that the white bone Demon turned into dugu zang Xian just now?”

“Even if Chen Zhufeng doesn’t care about Tian Peng and Deng Jie Yu, as long as the white bone Spirit threatens him with dugu zang Xian, Chen Zhufeng will have no choice but to give in!” The grey rat demon laughed.

what if Chen Zhufeng doesn’t even care about dugu zang Xian’s life? ” The wind Wolf demon was extremely cautious.

“Even a hero can’t stand the beauty! Moreover, Chen Zhufeng and dugu zang Xian are engaged. He would never leave dugu zang Xian alone!” The grey rat demon said with certainty.

It was obvious that they had done some research on Chen Xiaobei.

Dugu zang Xian had once publicly announced that she was Chen Xiaobei’s fiancée in order to tie Chen Xiaobei to his warship.

The essence of this matter was false, but the entire earth-god Realm had taken it seriously.

The white bone Spirit and the rest of the gang also thought that dugu zang Xian was really Chen Xiaobei’s fiancée.

That was why the white bone Spirit had changed into dugu zang Xian’s appearance to attack Chen Xiaobei’s heart and make him more cautious so that he could only listen to him.

“But, immortal dugu zang isn’t in our hands! Chen Zhufeng might not believe the white bone Demon!” The wind Wolf demon questioned.

“Immortal dugu zang is indeed not in our hands, but great changes have already occurred in Northern Kuru’s Luzhou! Dragon God Palace launched a sneak attack on nine nether platform, dugu zang Xian disappeared in the battle, and the Army of nine nether platform started to retreat!”

of course! the grey rat demon grinned. at this critical moment, as long as Chen Zhufeng can’t contact dugu zang Xian, the white bone Spirit can fool him. Even if he says that dugu zang Xian is in our hands, Chen Zhufeng will have to believe it!

“I agree with gray rat’s opinion!”

The lizard demon shrugged and said calmly, ” “After all, Chen Zhufeng is just a mortal. There’s no way he knows everything! As long as the white bone Spirit can trick him, she will be able to firmly grasp the initiative!”

moreover, the island is protected by the fate wheel formation. If we really can’t handle it, we can still die together with Chen Zhufeng and complete our mission!

It was clear that the white bone Spirit had already planned out today’s operation and was even prepared to die with Chen Xiaobei.

“Alright ...”

The wind Wolf demon sighed and said helplessly, I hope you’re right. As long as I can kill Chen Zhufeng, I’m willing to pay any price!

“BOOM!”

As soon as the wind Wolf demon finished speaking, a loud explosion erupted from behind him.

A purple-gold pillar of fire shot out of the void and completely enveloped the wind Wolf demon.

“Ah ... Help ... Ah ...”

In the next moment, an extremely painful scream burst out. The wind Wolf demon rolled around desperately in the purple-gold flames.

His peak earth immortal realm body was completely defenseless and was burnt black in an instant.

In just a few seconds, his perfectly fine body was completely turned into ashes.

What was even more terrifying was that his Dharmakaya and nascent soul were not spared either.

Within three seconds, the Dharmakaya was completely destroyed, and the nascent soul was quickly destroyed. With an extremely frightened scream, the body and soul were completely destroyed.

“What ... What the hell is going on? That purple-gold Flame instantly incinerated the wind Wolf. It must have at least reached the power of a one-star heaven immortal ... This ... This can’t be a dream, right?”

Seeing the scene in front of them, the gray rat demon and lizard demon showed an incredulous expression. They felt like they had seen a ghost and even wondered if they were dreaming.

“A bunch of idiots, you actually want to kill me? You’re really naive!”

then, where the Golden-purple flame had appeared, a black ghostly face gradually appeared.

Chen Xiaobei's real face was revealed after he took off the mask.

"Nightstalker outfit? You ... You are Chen Zhufeng? That flame just now ... Was it the witch Dragon heavenly flame?"

The grey rat demon and lizard demon gasped, their pupils involuntarily contracted, and even their scalps went numb. Their bodies trembled, and they almost peed their pants.

This scene was too ironic!

Before Chen Xiaobei appeared, gray rat was the most confident. He kept saying that Chen Xiaobei was only a mortal and that he could not break out of this situation. The lizard agreed. It did not expect Chen Xiaobei to be here.

However, the moment Chen Xiaobei appeared, the two of them were scared out of their wits. They were as timid as two little chicks, completely losing their will to fight.

Chen Xiaobei's name had already shaken the earth-god Realm, and the enemy could only rely on schemes to fight Chen Xiaobei. In a confrontation like this, they would not dare to face it head-on even if they had a billion guts.

Of course, even if they had the guts to do so, Chen Xiaobei would not give them the chance!

"BOOM! BOOM!"

Without further ado, Chen Xiaobei's eyes shot out two beams of witch Dragon Flame at the rat demon and lizard demon.

Without a doubt, the power of the heaven immortal witch Dragon heavenly flame was something that these two could not resist.

The flames fell, and the two of them met the same fate as the wind Wolf demon. They were instantly burned to death, both in body and soul.

Chen Xiaobei did not stop and immediately rushed toward Tian Peng and Deng junyu.

He had to save them before the white bone Spirit noticed!

[Red Envelope Group of the Three Realms](#)

Chapter 3255

3255 I'll be leaving first

Chen Xiaobei and Di Jiang had already predicted the possible location of the white bone Spirit's lair.

The demonic Crow King's speed allowed Chen Xiaobei to arrive at fate wheel Island earlier than expected.

The Nightstalker outfit's invisibility allowed Chen Xiaobei to ignore the enemy's primordial spirit realm.

In other words, Chen Xiaobei had already landed on fate wheel Island a long time ago. He had searched the entire Island and finally locked onto this waterfall.

After Chen Xiaobei made sure that Tian Peng and Deng junyu were in the cave, he sent a text message to lure the white bone Spirit away.

Everything that happened after that was all under Chen Xiaobei's control. He killed the three reincarnated ancient demons and came to Tian Peng and Deng junyu's side.

"Swish!"

Chen Xiaobei immediately tore the talisman off Tian Peng's head, turned his true Qi into silver needles, and inserted them into Tian Peng's major acupuncture points. Tian Peng quickly woke up.

"Hmm ... What is this place ... Where is the white bone Demon? Where are the other reincarnated ancient Fey?"

Tian Peng opened his eyes in a daze and his eyes lit up, "Xiaobei! What are you doing here? I thought I'd never see you again!"

"Don't be nervous!" Chen Xiaobei grinned. I've lured the white bone Demon away and taken care of all her subordinates. Second senior brother, you can finally rest assured!"

"Hurry up! Let's go!"

Tian Peng shook his chubby head to make himself more clear-headed, "There's an extremely terrifying formation on this Island! Once it's activated, the entire Island will be completely destroyed!"

"Alright!"

Chen Xiaobei nodded and put Deng Jie into the Meru space.

Deng Jie Yu was the reincarnation of the enemy's ancient deity, so Chen Xiaobei did not plan to wake her up yet.

"Swish!"

However, the white bone Spirit was not stupid. When it did not see Chen Xiaobei at the meeting place, it immediately went back to the cave and ran into Chen Xiaobei.

The white bone Spirit's expression froze for a moment, and countless thoughts appeared in her mind. She even coyly shouted, "Hubby, why are you here ..."

"F * ck ... So disgusting ..."

Chen Xiaobei had goosebumps all over his body. "Immortal dugu zang would never call me that! I know you're a white bone Spirit, you don't have to pretend!"

"Xiaobei! You're really awesome! He saw through the demoness so quickly!"

Tian Peng couldn't help but raise his thumb and said unhappily, "A few days ago, she turned into the fairy Chang'e to seduce me. I was possessed for a moment and was caught by her ..."

"Later, she checked my phone messages and found out that Deng Jie Yu was very important to us, so she brought her here!"

what a dumbass ... Chen Xiaobei said with a look of disdain. "You don't even need to think with your toes to know, how could fairy Chang 'e possibly come to the human world to seduce you? Unless she's taken the wrong medicine!"

uh ... Tian Peng said awkwardly. I drank too much that day ... I didn't think so much ...

"Whoosh ..."

At the same time, a ghastly white ghostly aura rose from the white bone Spirit's face. Dugu zang Xian's face also disappeared, revealing her terrifying skull.

"Chen Zhufeng! You're really powerful!"

"I thought that my plan was perfect and flawless," the white bone Spirit said coldly. "I didn't expect you to find my hiding place and save the hostage!" This is really too surprising!"

"Cut the crap! Do you want to fight me one-on-one? Or do you want to kneel and admit defeat?" don't think that I'll go easy on you just because you're a demoness! Chen Xiaobei said.

"Hmph! You're really like a monkey!" "When I turned into an old man and a young girl, he didn't even blink and killed me three times!" The white bone Spirit couldn't help but complain.

"What's so bad about being like brother monkey? Thank you for the compliment!"

what a pity! My golden gaze fiery eyes is too low level! Otherwise, you can never fool me with your disguise! Chen Xiaobei said.

"I don't need to be forever! Today will be the day you die!" "Don't you want to ask me why I became dugu zang Xian?" the white bone Spirit said indifferently.

"Heh, I don't need to ask."

of course not! Chen Xiaobei grinned. your three goof subordinates have already revealed your true colors! Xian 'er is not in your hands at all. She just disappeared during the battle! I'll naturally go back to find her, you don't have to worry about me!"

this ... the white bone Spirit was stunned and almost spat out a mouthful of blood, " "These three pieces of trash who can't accomplish anything but ruin everything! I couldn't keep a hostage and even ruined one of my trump cards! It's simply hateful!"

Chen Xiaobei shrugged. you can't blame it all on them. I'm just too lucky. I happened to overhear their conversation!

"The cycle of cause and effect, blessing and disaster, the rise and fall of destiny, all of this is full of variables! You can't be lucky forever!"

The white bone Spirit gritted her teeth and said coldly, " "Things will reverse when they reach an extreme, and they will decline when they reach an extreme! When your luck is exhausted and you fall to the bottom, what's waiting for you will be an unprecedented death and disaster!"

“Yes, you’re right!” “But I also know that good comes from bad!” Chen Xiaobei shrugged. As long as he survived the Tribulation, he would be blessed! This was the cycle of heaven and earth, endless! I don’t need you to worry about me!”

“Is that so?”

The white bone Spirit’s eyes were cold as it took out a white jade talisman. “Your little life is already in my hands. Tell me, do you need me to worry?”

Seeing this, Tian Peng became nervous. “Xiaobei! The Jade talisman was the Dharma Treasure to activate the fate wheel formation! With a single thought from the white bone Spirit, I will definitely die Here!”

“Second senior, wait for me in the Meru space!” Chen Xiaobei shrugged and said with a frivolous smile, “I naturally have a way to deal with this demoness!”

but ... Tianpeng was very worried but Chen Xiaobei did not give him a chance to speak. He kept him into the Meru space.

Chen Zhufeng, you don’t think you’re safe just because you’re hiding in the Meru space, do you? ”

The white bone Spirit sneered. once the fate wheel formation is activated, the entire Island will be destroyed. Even your dimension will be destroyed. Everyone in the dimension will die!

“Cut the crap! Hurry up and activate the array!” Chen Xiaobei said nonchalantly.

“You’re looking for death!” The white bone Spirit was so angry at Chen Xiaobei. ‘This kid doesn’t play his cards according to common sense. Does he really not want to live anymore?’

“Whoosh ...”

With a thought, the white bone Spirit activated the special ability of the Jade talisman.

After all, her mission was to kill Chen Xiaobei at all costs, even if it meant perishing together with him.

boom boom boom ... Boom boom boom ...

Soon, the entire fate wheel Island started to shake.

The cave also began to crack and collapse. A huge amount of river water poured in and would soon engulf the entire place.

the formation has been activated? ” Chen Xiaobei raised his brows and smiled evilly, “I’ll be leaving first, you can slowly wait for your death here!”

[Red Envelope Group of the Three Realms](#)

3256: forming an alliance

“What? Leave? Are you dreaming?”

The white bone Spirit sneered, “the fate wheel formation has been activated. The entire Island is covered. Even if you use the demonic dragon apocalypse, you can’t break the formation! Before long, the fate wheel storm would destroy everything here! Including you and me, we will all die!”

"I have a trump card that I rarely use in the past. You don't know about it, do you?" Chen Xiaobei raised his brows and said confidently.

"What ... What trump card?" The white bone Spirit tensed up. No matter how hard it thought, it could not figure out how Chen Xiaobei was going to escape from this deadly situation.

witch Dragon nine transformation, seventh transformation!

Chen Xiaobei took a step forward and shouted, "Crack the void!"

"Whoosh ..."

Chen Xiaobei's chest glowed with a bright purple-gold light!

Immediately after, purple-gold dragon scales grew rapidly like a purple-gold breastplate. They were sharp and majestic!

"What ... What skill is this?" The white bone Spirit had never seen the void splitter before, and its face was full of surprise.

The witch dragon's blood was a nine-star divine item that sect leader Tongtian had found in the ancient desolate land, and it was unique in the heaven realm.

It could be said that no one knew the specific use of the witch dragon's blood except for sect leader Tongtian.

All the information that the enemy had were the ones that Chen Xiaobei used the most-the witch Dragon Flame, soaring to the nine Heavens, and stepping on the peak.

Other than that, the enemy did not know the specific content of the witch Dragon's nine transformation.

Chen Xiaobei had only used the seventh form, dimension Shatterer, once, and all the witnesses except Tian Peng had died!

It was precisely because of this that very few people knew about the ability to split space.

The white bone Spirit naturally stared at each other, not knowing what would happen next.

Swish ... Swish ...

A purple ray shot out from Chen Xiaobei's heart!

The sharp light pierced the space in front of Chen Xiaobei, and the air crackled with the sound of electricity!

What was even more unbelievable was that the purple light had torn a crack in the air in front of Chen Xiaobei!

The crack wasn't big, only enough for one person to pass through!

Looking into the crack, there was only endless darkness!

It was like a black hole that could devour everything in the universe! No one knew what was inside! No one knew where they would be swept to after entering the chaotic void!

That's right! Inside the crack was the legendary void turbulence.

Once he entered, he could only leave through another completely unknown void Rift.

That was why Chen Xiaobei let Tian Peng into the Meru space not to avoid the fate wheel formation but to prevent himself and Tian Peng from being transported to different places in the void.

"Bye Bye!"

Chen Xiaobei waved at the white bone Spirit, took a big step forward and charged into the crack in the void.

.....

Within the chaotic flow of the void!

Even though Chen Xiaobei's cultivation was much higher than before, he still felt dizzy and could not control his body.

He felt as if he was a speck of dust in the middle of a storm, small and powerless. He could only follow the turbulence and be swept to an unknown place.

Time passed by slowly. Chen Xiaobei was still in a daze. He had no idea how many days and nights he had been drifting.

Finally!

In the pitch-black void, a ray of light suddenly appeared!

"It's the exit!"

Chen Xiaobei's eyes lit up. He could finally escape from the chaotic space turbulence and end the chaotic drifting.

"Bang!"

Soon, Chen Xiaobei was thrown out of the spatial Rift and landed heavily on the ground.

"What is this place?"

Chen Xiaobei rubbed his head as he observed his surroundings.

This was a beautiful forest that was like a fairy tale world.

The tender green grass was like a carpet that covered the entire space, and the bright wildflowers decorated the surroundings with a fragrant aroma.

The river was clear, the sky was clear, and the sun was warm. Chen Xiaobei felt so comfortable that he even felt like a child. He wanted to roll on the grass and play in the river.

"It's awesome to be so lucky! To think that he could be transported to such a paradise by the void turbulence!"

After making sure that there was no danger around, Chen Xiaobei took out his phone and gave dijiang a call.

Before they set foot on fate wheel Island, Chen Xiaobei asked Di Jiang and the others to wait in the air. Only Chen Xiaobei was on the island.

Now that Chen Xiaobei had rescued Tian Peng and Deng junyu, he had to let Di Jiang and the others know that he was safe. At the same time, he had to make arrangements for their next move.

"Bro bei! You've finally called!"

On the other end of the phone, Emperor Jiang's excited voice came immediately, " "You don't know, but there was an extremely terrifying power that erupted on the island just now! The huge island had completely disappeared from the sea! We were really afraid that something would happen to you!"

don't worry. I've already used the void splitter to get to a safe place!

retreat! Chen Xiaobei said. now, all of you, retreat to bei Xuan faction! He wanted Qingcheng and old Jiang to find a way to investigate the situation in Luzhou, Northern Kuru! Inform me immediately if you find anything!"

"Alright!" Dijiang was very straightforward and followed Chen Xiaobei's orders strictly.

He hung up the phone.

Chen Xiaobei then opened the red envelope group and looked for tu xingsun's private chat.

Chen Xiaobei: " I've sent Deng junyu into the Sumeru space. Everything's normal. I'm just waiting for your good news!

Earlier, when Chen Xiaobei was bickering with the white bone Spirit, he had said that there would always be good fortune after the worst.

Not long after, earth traveler sun actually replied to the message.

And it was really good news.

Earth traveler sun thought,"I've also succeeded!" But how can I give you the talisman?

Chen Xiaobei:

Earth traveler sun,"no!" In order to catch your accomplices, the heavenly Lord Yuanshi has strictly monitored the function of red packets. Anyone who sends you a red packet will be known to him immediately!

Chen Xiaobei: "if that's the case, send me the picture! It would be fine as long as he could clearly Pat every seal pattern! After you're done, you can put the talisman back! This way, you can also ensure your safety!

Earth traveler sun thought, this ... This isn't like you ...(Puzzled)

Chen Xiaobei, "what do you mean by not like me?"

[earth traveler sun: you're the famous number one profiteer in the Three Realms!] You saved Yu 'er, but not only did you not force me to give you red packets, you even took my safety into consideration ... To you, this is a losing business!

Chen Xiaobei, you're overthinking! From the moment you agreed to help me, we were in the same boat! If you fail, will I have a good ending?

Earth traveler sun, "so you're treating me as one of your own?" (Heavy)

Chen Xiaobei: " I guess so. As long as you don't betray me, I, Chen Zhufeng, will never betray you!

Earth traveler sun thought, "I really didn't expect that master would scheme against me and Yu 'er, and even use our lives as chess pieces!" In the end, you're the one who helped us!

Earth traveler sun, [I'm going to take pictures now!] From now on, you and I are life and death allies!

Chen Xiaobei: " perfect! I have a question that has been bothering me for a long time! I hope you can tell me! Where on earth were the Chang 'e fairy and the celestial Hound? Why did they lose contact?

[Red Envelope Group of the Three Realms](#)

Chapter 3257: major crisis

Earth traveler sun: " I don't know the whereabouts of the Chang 'e fairy. It's said that the celestial Hound went to the ancient Barrens with Yang Jian. It seems to be chasing after an ancient alien race!

Chen Xiaobei, the ancient Barrens? Ancient alien race? However, the ancient Barrens was also under the coverage of the Three Realms network, so they should be able to use the Three Realms red envelope group as usual!

Earth traveler sun: " in theory, it can be used normally. But if Yang Jian and Xiao Tianquan enter an independent space, then it's normal to lose contact.

Chen Xiaobei: " hmm, that makes sense ... I guess I'll just have to wait and see.

Earth traveler sun: " if there's nothing else, I'm going to take some photos. Let's end this as soon as possible to avoid any more trouble.

Chen Xiaobei: " there's one thing. While you're safe, can you help me find out where Chang 'e is? I'm a little worried about her safety.

Earth traveler sun: I'll remember it, and I'll let you know if I have any news!

After the private chat ended, Chen Xiaobei did not rush to leave. Instead, he sat on the grass and waited for a while.

Very quickly, earth traveler sun sent the photo over.

He really wanted to form an alliance with Chen Xiaobei. The photo was very clear and complete. Every detail of the runes was clear.

Chen Xiaobei could learn how to draw these runes himself, let alone send them to Wutian.

With the scholar heart, as long as he had enough energy and materials, Chen Xiaobei could even make his own two-star summoning talisman.

Of course, this was just a hypothesis.

The Cinnabar and yellow paper used to draw the talismans were probably two-star earth-god items.

It was more important to send the photo to mo Luo Wutian.

With six trillion upper spiritual stones in his hands, Chen Xiaobei could do whatever he wanted in the earth-god Realm.

Chen Xiaobei quickly sent the picture of the talisman to mo Luo Wutian.

Ding! Congratulations! You have snatched a red envelope from mo Luo Wu Tian. You have received 60000 lower spiritual jades. It has been stored in your treasure chest!

Mo Luo Wutian was also very forthright and immediately sent the red packet over.

A piece of lower spiritual Jade was equivalent to 100 million upper spiritual stones, which was a total of six trillion.

Mo Luo Wutian thought, "Childe Chen is indeed powerful!" In a short ten days, he had obtained the celestial talisman! It's much faster than I expected!

"Ten days?"

Oh? "Chen Xiaobei was taken aback. that means I've been floating in the void for seven or eight days? " I was wondering how earth traveler sun could succeed so smoothly. It turns out that he's already spent seven or eight days. He's really going all out ..."

Chen Xiaobei: "we're just taking what we need. You don't have to be so polite. Don't forget about me after you're done with the talismans!

Mo Luo Wu Tian: "that's only natural. In the next ten days, a few forces have produced two-star heaven immortal item summoning talismans one after another. I'm afraid they'll all attack you. I don't want anything to happen to you. I'll naturally give you an immortal talisman of the same grade to save your life!

Chen Xiaobei, "what did you say?" How many forces are going to attack me? I don't think I've offended anyone other than a certain Big Shot of the clan of enlightenment and the monster race!

Mo Luo Wutian thought, "heh, Childe Chen, you're really slow to realize this!" To put it bluntly, you have already offended all the forces!

Chen Xiaobei: Are you kidding me?

Mo Luo Wu Tian: "you should know that humans fight for territory, while gods fight for incense. To put it bluntly, they're all fighting for believers! For trillions of years, the wars between the forces of Nanzhan state had never stopped, all for the sake of their believers!

[mo Luo Wutian: but now, your beixuan Army has swept through the Nanzhan state!] More and more people started to believe in you! It's the same for Videha. As time passes, the original followers of the Taoist faction will become your followers!

[mo Luo Wu Tian: simply put, you've already touched the core interests of all the forces!] This was their reverse scale!

"Mo Luo Wutian, the nine Li ancient clan's four ministers Alliance Army and the Blood Moon Swordmaster's demonic sect Army are all the same! They had touched the reverse scale of all the forces and attracted the siege of all the forces. In the end, they could only walk towards defeat!

Chen Xiaobei: " so you're saying that all the forces will attack me and stop me from conquering the Earth-god Realm? "

"Mo Luo Wu Tian: not an obstacle!" They will join forces to suppress you! They would not stop until they trampled you to the point where you would never be able to rise again and could no longer unify the earth-god Realm! Only in this way could they keep their believers!

Chen Xiaobei, thank you for your reminder! I'll be mentally prepared. No matter who stands in my way, I'll walk down this path with determination!

[mo Luo Wu Tian: I know I can't persuade you. But Rationally Speaking, you'd better restrain yourself!] He would do anything to force those shameless Immortals of the heavenly court into a corner!

Chen Xiaobei,"what will they do?"

Mo Luo Wu Tian,"you should know that the Jade Emperor replaced Ying Zheng's immortal pill with a poisonous pill, and even asked Xu Fu to destroy Ying Zheng's soul!"

of course I know! Chen Xiaobei said. Xu Fu was afraid of the wrath of the heavens, so he did not dare to kill the nine human emperors. He only sealed Ying Zheng's soul! Otherwise, Ying Zheng would have been long gone!

[mo Luo Wu Tian: what he used to deal with the Jade Emperor Ying Zheng was a vicious scheme!] The Jade Emperor used the heavenly punishment to deal with the Dragon Conqueror clan!

Chen Xiaobei, the Dragon Conqueror? Who was that?

Mo Luo Wutian, the founder of the weapon Mystic sect! The descendants of the Fuxi! The most talented genius the Xiu clan had produced in the past billions of years!

Chen Xiaobei, he ... He was killed by the Jade Emperor? (Shocked)

[mo Luo Wu Tian: of course it's the Jade Emperor's doing!] Otherwise, how could the most powerful man in the earth-god Realm at that time disappear mysteriously? How could the most powerful sect in the earth-god Realm be completely destroyed?

Chen Xiaobei: The Jade Emperor had broken the balance of the human world, but did mother Nuwa not care?

[mo Luo Wu Tian: goddess nvywa is upright and kind. Without evidence, we can't condemn her!] If it was your master, sect master Tongtian, he would have crushed the southern heavenly gate and the Lingxiao Palace!

Chen Xiaobei: I understand now! (Sudden realization)

Mo Luo Wutian, [you understand?] What did he understand?

Chen Xiaobei: " I can't tell you about this. Let's end our conversation here. If you need anything else from chanism, you can contact me. We can discuss the price!

"No problem!"

After that, Chen Xiaobei kept his phone and sat on the grass with a complicated expression on his face.

"The Dragon Conqueror clan was killed by the Jade Emperor! Mother Nuwa doesn't have any evidence!"

there's no way! Chen Xiaobei furrowed his brows. there must be another reason why goddess Nuwa asked me to find the nine pieces of the mystical equipment token and go to the relic of the mystical equipment sect! She wants me to help her find the evidence!"

"That's right! It must be like this!"

Chen Xiaobei's mind was in turmoil."Although mother Nuwa is kind, she will never allow herself to be bullied! The Fulong clan was the direct descendant of the great God Fuxi, and they were also related to goddess Nuwa! There's no way mother Nuwa won't take revenge for this!"

"Who are you? How do you know about our Xiu clan?!"

Suddenly, a young girl's voice came from not too far away. Chen Xiaobei's jaw dropped.

[Red Envelope Group of the Three Realms](#)

Chapter 3258

3258 Super strong young girl

It was a very cute little girl who looked to be about 15 or 16 years old. Her skin was white and her eyes were black and bright. She gave off a feeling of vitality.

She was wearing a light green chiffon dress. The sleeves fluttered in the wind, and she looked very agile. It complemented the Paradise in front of her. From afar, she looked like a little fairy guarding the forest.

Of course, even though the girl was cute and had an extraordinary aura, Chen Xiaobei was not surprised.

Chen Xiaobei's state of mind was so strong that normal things would not be able to stir him up.

What really shocked Chen Xiaobei was the green snake tail under her dress!

That's right!

This girl's upper body was human-shaped, and her lower body was snake-shaped!

This was the biggest feature of the Xiu clan!

“Weren’t the Xiu clan exterminated by Xu Fu and his men? How could there still be survivors? What ... What was this place? Is it still the earth-god Realm?”

Chen Xiaobei’s brows furrowed as countless speculations popped up in his mind. He even wondered if he was still in the earth-god Realm.

The dimension Shatterer could only create a crack in space. As for where Chen Xiaobei would be sent to, it was all up to the space-time turbulence.

In other words, Chen Xiaobei could not be sure of his current location.

It could be the earth-god Realm, it could also be the lower plane, or even an independent space.

– ding Yingying’s cultivation base: peak stage of soul transformation] 884210 years, physical body: 150 million, combat power: 1.5 billion, primordial spirit attack-sacred!

Chen Xiaobei immediately activated his netherspirit battlescouter to check.

His lifespan had been reduced by 30000 years.

Chen Xiaobei had once used dimension Shatterer in apocalypse Starfield, and it only took him 3000 years of his lifespan.

This meant that the lifespan consumption of using the void-splitting spell was proportional to the level of the plane.

It would take 3000 years to use the void splitter in apocalypse Starfield, 30000 years in the earth immortal realm, and 300000 years in the heaven immortal realm.

Of course, this was very normal!

Different planes had different spatial laws.

Splitting the void was a special ability that could break the laws of space. If one wanted to break the laws of higher levels, they would naturally have to pay a greater price.

If he wanted to crack the void in Hongjun’s 36-layered heaven, he would have to spend trillions of years or even more!

“I’m talking to you, didn’t you hear me?”

The girl walked over and looked at Chen with her big, watery eyes.

“Uh ...”

Chen quickly recollected his thoughts and said seriously, “ my identity is a bit special. I know goddess Nuwa from the heaven realm and elder Ming from the earth immortal realm. So, I know a lot about the che clan!

mother Nuwa is a demonic Saint and the ancestor of the Xiu clan. Who doesn’t know her? ”

The Xiu clan girl pouted her small mouth and said, “ “As for elder Ming ... I think I’ve heard of him before, but I can’t remember ...”

"I can't remember ..."

Chen Xiaobei frowned and reminded her, "After the secret disappearance of the Crouching Dragon clan, elder Ming inherited the position of the che clan's clan leader!"

"The clan leader?"

The girl's eyes were filled with confusion. the more you talk, the more I don't understand ... I've been living alone here since I was young. Without a clan, where did the clan leader come from? " she mumbled.

"Isn't ... Isn't this the earth-god Realm?" Chen Xiaobei suddenly became nervous.

No... the young girl shook her head and said, " this is an independent space, and I've never left it ... My understanding of the outside world is completely through a large rock ...

big rock!? This time, it was Chen Xiaobei's turn to be confused. what kind of stone can actually let you understand the situation outside the independent space? "

"I'm not telling you!" "What if you're a bad person?" the little girl asked with a dazed expression.

"Pfft ..."

you ... Chen Xiaobei was sweating. you've been talking to me for so long. If I'm a bad person, I'd have arrested you long ago!

"You captured me? You won't even blush when you brag!" "Your cultivation is so weak, you can't beat me!" The little girl laughed.

uh ... Chen Xiaobei quickly used his netherspirit battlescouter to check the girl's cultivation.

[ding Yingying's cultivation base: half-step heaven immortal, lifespan: 666.6 billion, combat power: 666.6 billion, primordial spirit attack-sacred level!

"What the f * ck ... What the f * ck ..."

Chen Xiaobei was stunned.

A half-step heaven immortal was not terrifying! What was terrifying was the longevity of heaven and earth! It was a Saint level primordial spirit attack!

Chen Xiaobei would never have imagined that a 15 – 16-year-old duon girl would have such a terrifying background.

In this way, elder Ming could only be considered an elite in the Qiang tribe.

The Crouching Dragon clan could probably be considered a rare super genius.

And this little girl in front of him was definitely a top-notch existence among the Qiang tribe. He might even reach the level of the great God Fuxi! If she had the opportunity to become a Sage, she would be the next mother Nuwa!

"How is it? Do you want to have a contest?"

The little girl raised her chin with a little pride. She was extremely confident in her own strength.

After all, in her eyes, Chen Xiaobei was only a six-star earth-god, and she could easily kill him with a finger.

However, Chen Xiaobei was not afraid at all. He said seriously, " "I'm friends with the Qiang tribe. If we can discuss, we should try not to fight! If I beat you to tears, I won't be able to coax you ..."

"What!"

The little girl's face darkened and she was very unhappy. "Will you die if you stop bragging? A mere six-star earth-god wants to make me cry? Do you think I, Fu Tian Xin 'er, am a little kid?"

"Futian? Xiner?" Chen Xiaobei was taken aback.

"You dare to underestimate me! I'm going to let you know how powerful I am!" The little girl didn't say anything and instantly activated the terrifying green wood true essence.

Whoosh ... Whoosh ...

In the blink of an eye, all the plants in this paradise began to tremble.

In the natural world, a vast amount of green wood element gathered and integrated into the little girl's Green wood true essence.

The little girl's Green wood true essence skyrocketed, even surpassing the half-step heaven Immortals of the same level.

Soon, the green wood true essence condensed into a huge ancient tree behind the little girl!

The ancient tree was 100000 meters tall. The crown of the tree spread out and covered an area of 100000 meters.

This was the most magnificent Dharma form Chen Xiaobei had ever seen! It even surpassed the two-star heaven immortal item summoning talisman!

could this be the legendary creation wood?! A legend appeared in Chen Xiaobei's mind.

"You have some knowledge!" The little girl pouted and said seriously, " "There's still time to surrender now!"

"I will never surrender! However, you can still vote!" Chen Xiaobei shrugged and took out a bunch of trump cards!

[Red Envelope Group of the Three Realms](#)

Chapter 3259

3259 Cruel imprisonment

The seven Heaven-immortal instruments appeared and surrounded Chen Xiaobei like a Halo.

"This ... This, this, this ..."

As expected, the little girl, Futian Xin 'er, was stunned. Her big black eyes were wide open, and her red little mouth turned into an O shape. She was stunned for a long time and was so shocked that she couldn't speak.

Even in her dreams, she would never have imagined that a mere six-star earth-god would have Seven Heaven-immortal artifacts in his hands.

This was simply unbelievable!

One should know that a half-step heaven immortal was still a half-step heaven immortal. Although it was only a half-step difference, it was still a world of difference.

Moreover, Chen Xiaobei did not just take out one piece of heaven-immortal instrument, but seven of them.

No matter how capable Futian Xin 'er was, she could not do anything to Chen Xiaobei.

"Come on, tell me, are you surrendering? Or should we surrender?"

Chen Xiaobei had a frivolous smile on his face. He did not intend to fight at all. He just wanted to show little Futian how strong he was.

"You ... You're being shameless!" The little girl's brows were tightly furrowed, and her little mouth was chewing very high, with an unconvinced expression on her face.

"Shameless?"

"If I'm not wrong, you have the body of a God, and you even have the bloodline of a Saint!" I haven't even said that you're being shameless when you're suppressing an ordinary person like me!"

I ... You ... the little girl was not experienced in the world. How could she be as good at talking as great trickster Chen? He was instantly speechless.

"Alright! I won't lower myself to your level!" it's true! I'm better than you! If I were a bad guy, I would have caught you and spanked you! Chen Xiaobei grinned.

"Hmm, you're right ..."

Futian Xin 'er was pure and kind. After Chen Xiaobei's words, her wariness was greatly reduced.

"Whoosh ..."

As the true essence was retracted, the huge ancient tree Dharma disappeared.

Chen Xiaobei kept all his earth-god instruments and asked, "Was the Dharma power just now the creation wood? According to legend, the roots of the creation wood grew in the human world, but the top of the tree could reach the heaven! It was the bridge between heaven and earth! This kind of Dharma power can't be condensed by ordinary people!"

"You're right!"

The little girl nodded and said, "I've cultivated a Saint-tier cultivation technique. That's why I was able to condense the creation wood Dharma!" Not to mention ordinary people, even ordinary Immortals can't do it!"

"Where did this Saint-tier cultivation art come from?" Chen Xiaobei asked curiously.

"When I was very young, this technique appeared on that huge rock. I followed the instructions and slowly learned it," Futian Xin 'er said calmly.

Chen Xiaobei calmed himself down and said seriously, "I'm not a bad person, can you take me to see that stone?"

"We can't!" Although the little girl was innocent, she was definitely not stupid.

How could he let a stranger see such a big secret that concerned his life?

Chen Xiaobei could understand that, but out of curiosity, he still wanted to find out.

Chen Xiaobei had no choice but to continue to get close to Futian Xin 'er. If they could become friends, everything would be much easier.

"Oh right! Take a look at this!"

Chen Xiaobei quickly raised his hand and showed the ring to the little girl. I obtained this from the dark Dragon tomb. It's a three-star heaven immortal artifact created by mother Nuwa herself!

Fu Tian Xin 'er's eyes lit up, and she hurriedly used her primordial spirit domain to sense. "It really is the aura of the Xiu clan! In addition, it's very friendly and gentle ... Although I've never felt mother Nuwa's aura, I'm certain that she was the one who created this ring!"

"I didn't lie to you, did I?"

I really do have a deep connection with the duos. Let me see that rock. I won't harm you! Chen Xiaobei said. Perhaps I can even take you out of this place and see the outside world!"

"Leave?"

Fu Tian Xin 'er's face stiffened, and her expression suddenly dimmed, "I've always wanted to leave, even in my dreams. However, the big rock has already said that I can never leave, and I can never leave! Otherwise, the heaven realm will face a disaster ... Many, many people will die ..."

"Idiot!" nonsense! Chen Xiaobei said seriously, "these prophecies are all nonsense! When a disaster comes, we'll find a way to settle it! We'll know if we can leave after we try. Why trap yourself in a cage?"

"How do you know that I've never tried it before?"

The little girl pursed her red lips and sighed in disappointment, "I spent thirty thousand years to forcefully open the spatial Rift you entered through! However, I was unable to enter, and you were the first to enter ..."

this ... Chen Xiaobei's expression turned serious."You mean you're sealed in this space? You can't leave even if you tear open a spatial Rift?"

yes ... Fu Tian Xin 'er nodded her head weakly, " this is my destiny. It has appeared on the Boulder long ago.

"Detestable!" Chen Xiaobei furrowed his brows, feeling extremely displeased!

Although Futian Xin 'er was an absolute genius with a divine body, divine blood, and Saint-level Yuan Shen, she had the same lifespan as the heavens and earth!

However, she had been sealed in this space since she was young and had never been able to leave the cage.

To live as long as the heavens and earth was equivalent to a sentence of life imprisonment! No matter how great his fortune was, it was meaningless!

To a cute, innocent, and kind girl, this was definitely an extremely cruel thing.

This filled Chen Xiaobei's heart with sympathy for Futian Xin 'er, but he was also very unhappy with the person who had sealed her.

although we've just met and you may not believe me, I promise you that I'll find a way to get you out of here!

Chen Xiaobei had a heart of justice, and he had a deep relationship with the duos.

Chen Xiaobei was definitely going to get involved in this!

"This ..."

Fu Tian Xin 'er's expression froze, and her black eyes were filled with confusion.

Even though she could not understand why Chen Xiaobei would help her, she could clearly feel the determined aura that Chen Xiaobei was giving off!

It was a kind of unquestionable dominance, and a determination that would be completed even if the sky collapsed and the earth sank!

"I believe you ..."

Her intuition made her choose to believe him, " "No matter what the outcome is, I will be grateful for your help!"

crack the void!!!

Chen Xiaobei activated the witch Dragon's nine transformation again.

Although Fu Tian Xin 'er had blasted open a spatial crack, she had not broken through the restrictions of the spatial laws. As such, she was unable to enter and exit freely.

But the dimension Shatterer was different. In theory, as long as Chen Xiaobei had enough lifespan, the dimension Shatterer would be able to break through any space law below the divine level and break out of this cage.

“Boom boom boom ...”

However, at this moment, the entire space began to tremble violently!

A terrifying change suddenly erupted!

Red Envelope Group of the Three Realms

Chapter 3260

3260 Sky-burning meteorite

“Boom boom boom ...”

A violent tremor came from all directions, as if it had enveloped the entire space.

The strange energy fluctuation triggered a special power that was completely different from true essence.

The originally clear blue canopy instantly turned into a fiery red! The snow-white clouds began to burn.

The surrounding grass and flowers all turned red-gold, as if they were red-hot metal, extremely strange.

The clear rivers had even turned into boiling lava, and as they flowed, they not only spread to the ground.

In an instant, the fairytale-like paradise had turned into a burning hell. He wanted to burn everything in this space to the ground, not leaving any chance of survival.

“What’s going on?”

Chen Xiaobei immediately became alert and looked at her suspiciously.

I don’t know either. This is the first time such a huge commotion has occurred here!

Futian Xin ‘er was even more panicked than Chen Xiaobei.

She had been living here since she was young, like a delicate flower in a greenhouse. When had she ever seen such a terrifying scene?

In her panic and fear, she could not help but get closer to Chen Xiaobei, and her little hand grabbed Chen Xiaobei’s sleeve tightly.

“She’s really a little girl ...”

Chen Xiaobei shook his head helplessly. He knew that he could only rely on himself to solve this problem. Although Futian Xin ‘er was strong, she was of no help.

Of course, the way to break out of this situation was very simple. He had to forcefully use the spatial rend and tear apart the spatial dimension laws of this place!

As long as he could leave this independent space, he would naturally be able to escape the terrifying changes that were happening now.

Swish ... Swish ...

With the witch Dragon's nine transformation activated, purplish-Golden Dragon scales appeared on Chen Xiaobei's chest.

At the position of his heart, a bright and blazing purple light suddenly shot out.

The light was as sharp as a dagger, and it pierced the air in front of Chen Xiaobei.

With the sound of rolling electricity, a crack in the void that was infinitely dark inside was torn open bit by bit.

Unlike the previous two times he had used the void splitter, the speed at which he tore open the spatial Rift this time was very slow. It was expanding millimeter by millimeter, and it even made people suspect that the void splitter this time might not succeed.

"To be able to lock down Fu Tian Xin 'er ... The level of the spatial laws here is indeed high! He was probably at least a one-star heaven immortal! Even if I succeed in splitting the void, my lifespan will be at most 300000 years!"

Chen Xiaobei furrowed his brows. He was a little reluctant to part with her.

After all, it wasn't easy for him to accumulate his lifespan. Consuming 300000 years at once was simply a huge loss.

Of course, Chen Xiaobei did not regret his decision.

First of all, Fu Tian Xin 'er and mother Nuwa had a special relationship! Goddess nüwa had helped Chen Xiaobei many times! Just for goddess nüwa's sake, Chen Xiaobei had to save her!

Secondly, the strange fire in the surroundings was extremely terrifying. It had even reached the level of a one-star heaven immortal! Even with the fire taming Pearl, Chen Xiaobei felt uncomfortable! Once the flames got close to him, he would either die or be injured! In order to protect himself, Chen Xiaobei had to use dimension Shatterer!

Swish ... Swish ...

The crack in the void slowly expanded. Its current width was only one or two centimeters, not enough for one person to pass through at all.

"Boom boom boom ..."

However, an even more terrifying change had already occurred in the fiery red Sky.

A meteorite burning with Crimson-golden flames tore through the sky and fell toward Chen Xiaobei and Futian Xin 'er at an extremely fast speed.

what a terrifying might ... It's at least a late-stage one-star heaven immortal!

Chen Xiaobei tensed up. No wonder even the fire taming Pearl could not withstand the heat. The level of the Crimson-gold heavenly flame must be so high!

“Swish!”

Chen Xiaobei quickly took out the sky-imprisoning painting.

Even though Chen Xiaobei had many earth-god instruments, the only one that could fight against the meteorite was the sky-imprisoning painting.

Fortunately, he had just snatched a big red envelope of six trillion upper spiritual stones from mo Luo Wutian.

Otherwise, he wouldn’t even be able to activate the ‘sky-imprisoning painting of the northern Mystic’.

“Whoosh ...”

Chen Xiaobei immediately pumped 9000 low-grade spiritual Jade into the painting.

That was 900 billion upper spiritual stones, which could activate the sky-imprisoning painting of the North Mystic ten times.

“Qiu Tian! Devour!”

Chen Xiaobei activated the heaven imprisoning formation.

“Boom ... Hu! Whoosh ...”

The sound of wind and thunder suddenly erupted, but only the sound could be heard, not the form!

The invisible storm immediately released the attraction force of a late-stage one-star heaven immortal, trying to suck the huge meteorite into the space in the picture.

With the underworld mountain armor, as long as this meteorite entered the space of the diagram, all its power would be blocked and consumed. It would not cause any damage.

Chen Xiaobei had calculated that if the situation really developed this way, he would be able to turn the situation around.

However, the ideal was beautiful, but the reality was cruel.

Chen Xiaobei’s plan was only half successful!

“Hiss ... Hiss ...”

The invisible storm sucked away all the Golden flames on the meteorite, and even absorbed most of the destructive power into the space in the picture.

However, the meteorites were not sucked into the map. They were still falling towards Chen Xiaobei and Fu Tian Xin ‘er.

could it be that the meteorite’s grade has already surpassed the heaven imprisoning formation? ”

Chen Xiaobei’s face was filled with shock, and his dark eyes were filled with unprecedented anxiety.

“If we can’t capture this meteorite, my method will only be treating the symptoms but not the root cause! After it gathered its power, it would attack again! No matter how many spirit stones I have, they will be used up bit by bit! In the end, you will die without a doubt!”

There was no doubt that this meteorite was of a very high grade, and it was an attack method of this mysterious space.

In other words, this meteorite was like a heaven immortal artifact.

Although the “ sky-imprisoning painting of the northern Mystic ” could absorb the Golden flames and destructive power, it could only keep them safe for a while.

If the meteorites continued to attack him, it would not take long for Chen Xiaobei’s six trillion spiritual stones to be completely depleted.

By then, Chen Xiaobei would not be able to defend himself and would die.

“Whoosh ...”

What he was afraid of came!

The meteorite stopped in the air for a moment before it exploded with heaven-burning flames again! Its might was even more terrifying than before!

“What should we do about this?”

Chen Xiaobei was at his wit’s end, and his eyes were filled with despair.”Crack the void! You’d better hurry! If we don’t completely open the spatial Rift, we’ll be dead ...”

“Big brother ...”

Suddenly, Fu Tian Xin ‘er tugged on Chen Xiaobei’s sleeve and whispered, ” “That meteorite is the big rock I was talking about ...”
