### [Red Envelope Group of the Three Realms](#)

#### Chapter 3281: what's wrong with defying the heavens

He was using a half-step heaven immortal to trigger the heavenly Tribulation!

Chen Xiaobei had used this tactic before to win the war in Videha.

The enemy's trump cards and schemes were not as good as Chen Xiaobei's. The only way to win this battle was to imitate Chen Xiaobei's actions.

Houtu's own strength could be called cheating. As long as her spiritual power was enough, any attack could be reincarnated back to the opponent. She was almost invincible.

In other words, Chen Xiaobei would not be able to defeat Houtu in a short time.

As long as Hou Tu was not dead, the heavenly Tribulation would continue. For everyone on the scene, it would be a terrible disaster!

boom boom boom ... Boom boom boom ...

Streams of green wood true essence fell from the sky and landed on the ground. They were like a cage, forming a huge Heavenly Tribulation realm.

All the higher-ups and 300 million soldiers of bei Xuan faction, as well as the enemy's higher-ups and 4 billion soldiers, were all covered in this domain.

In other words, everyone was regarded by the heavenly Tribulation as a help for Houtu to cross the Tribulation!

Once the heavenly Tribulation broke out, it would deal a fatal blow to everyone present!

Either Houtu died, or Houtu passed the heavenly Tribulation successfully. Otherwise, the heaven realm would never calm down. Even if all the people on the scene died, as long as Houtu was still alive, the heavenly Tribulation would still be there!

More importantly, the intensity of the heavenly Tribulation was not fixed!

The more evil a tribulation transcended, the more severe the Tribulation would be. For example, patriarch shield mountain's tribulation had directly triggered a three-star Heavenly Tribulation!

In addition, the more help the Tribulation taker had, the more severe the Tribulation would be.

At present, there were many peak earth Immortals on both sides, as well as 4.3 billion Warriors. All of them would be regarded as Houtu's help.

In this way, the power of this Heavenly Tribulation would inevitably increase correspondingly.

Chen Xiaobei's most powerful treasure was the northern profound prison painting. As long as the power of the heavenly Tribulation exceeded that of a late-stage one-star celestial immortal, Chen Xiaobei would not be able to withstand it.

“Is ... Is this the legendary Heavenly Tribulation realm? Why are we all trapped inside?”

“Isn’t general Gao Yan here to provide reinforcements? Does he want to kill us too?”

“No way ... What if the heavenly realm descends? Don’t even think about escaping!”

Seeing this scene, the enemy camp immediately burst out with screams of fear and despair.

“This is crazy! Have the higher-ups of Chanism gone crazy?”

At the same time, Chen Xiaobei’s brows were furrowed and he was boiling with anger. “Just to kill me, you’re going to let over four billion people die with me? This was simply insane! It was completely inhumane! Isn’t the old primordial thief afraid of being punished by the heavens?”

“Heh, in a battle between two armies, there is no distinction between good and evil! Whoever wins, whoever stops the battle, will obtain the recognition of the heavenly Dao!”

Gao Yan smiled indifferently and said, “as long as we can get rid of you and destroy your Bei Xuan faction, the merit of stopping the war in Nanzhan state will fall on the clan of enlightenment! Not only will heavenly Lord Yuanshi not be punished by the heavens, but he will also be rewarded by the heavenly Dao!”

“There is no good or evil in a war between two armies, but you can’t kill your own people, right?” Chen Xiaobei was really pissed.

The enemy’s four billion soldiers did not all want to start a war. Most of them just wanted to live a peaceful life.

However, because of the orders from the higher-ups, they had no choice but to go into battle in leather armor and risk their lives for the higher-ups.

Even their enemy, Chen Xiaobei, had never thought of killing them. But their own leaders and higher-ups were treating them like ants and grass, not even caring about their lives.

Chanism wanted to end the war with the lives of these four billion people! Although the result was indeed a ceasefire!

However, this process was definitely against justice!

Not only did the heavenly Dao not punish such an act, it even rewarded him!

Chen Xiaobei could not agree with such an indiscriminate method of looking at the final result!

Of course, Mo Luo Wu Tian had already revealed the true nature of the heavenly axiom to Chen Xiaobei!

Punishing evil and promoting good was just a pretense!

In fact, the heavenly Dao itself was an extremely selfish existence! Only those who were absolutely obedient would be able to obtain the recognition and reward of the heavenly Dao!

The slightest bit of disobedience would be completely obliterated by the heavenly Dao or calculated to death!

During the first immeasurable cultivation tribulation, the Dragon, Phoenix, and Qilin were almost wiped out in a battle to the death.

In the second immeasurable catastrophe, the Sorcerer and demon races also fought to the death and both headed towards extinction.

In the third immeasurable cultivation tribulation, the two religions fought to the death. The tribe of severity completely collapsed, leaving only sect leader Tongtian. The clan of enlightenment itself was also greatly damaged, while Buddhism benefited from it and rose up strongly.

These three great calamities all had one thing in common!

The war broke out between the most powerful races at that time. All the parties involved in the war, except for the clan of enlightenment, did not have a good end.

Though the clan of enlightenment looked glorious on the surface, it didn't gain much from the war.

From this, it could be seen that the three great wars were most likely the schemes and operations of the heavenly axiom. Its purpose was to get rid of the powerful tribes that could threaten it and stabilize its position forever.

More importantly, these were not just mo Luo Wutian's conjectures. There were many suspicious points, and even irrefutable evidence!

In the battle between Luohou and Hongjun, why did Hongjun become a Sage while Luohou was completely defeated?

Obviously, it was because Hongjun was absolutely obedient to the way of heaven! And Rahu's ambition was too great, and he couldn't control it at all!

In the battle to the death between the Dragon, Phoenix, and Qilin, any Saint of the heavenly path could end the war. Why didn't anyone show up?

Clearly, it was because these three races had seized the good fortune of heaven and earth and were too powerful! If they were allowed to develop, they would definitely threaten the authority of the heavenly Dao!

Pangu created the heavens, Nuwa created the spirit, and Taiyi ruled the world! Why did Pangu and Nuwa both become sages of the heavenly way, but Taiyi couldn't and died in the war between the Sorcerer and demon tribes?

Clearly, this was because Nuwa had no ambition and would not threaten the heavenly Dao! At that time, Taiyi was the most prestigious Sovereign of the Three Realms!

At this moment, Houtu had once sacrificed her life to evolve the six paths to complete the law of reincarnation and obtain infinite public virtue.

According to reason, Houtu could also be like Nuwa, who could achieve Dao with merits.

However, if Houtu had become a saint at that time, the war between the Sorcerer and demon tribes would have stopped midway, and the two tribes would not have been destroyed.

The way of heaven didn't want to see this result, so it stopped Houtu's actualization, just like how it stopped Taiyi's actualization.

All kinds of evidence were placed in front of them, enough to prove that the heavenly Dao was holding the banner of justice on the surface, but it was not necessarily justice in its bones.

"The heavenly Dao is unkind! He treated all living beings as his dogs! If this is the heavenly Dao, why shouldn't I go against it?"

The anger in Chen Xiaobei's heart allowed him to see the heavenly Dao even more clearly. Chanism wants to harm your lives! The heavenly Dao doesn't care whether you live or die! But I, Chen Zhufeng, will protect you! From now on, you will be with me!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3282: dilemma**

The Saints were unkind! This was Taiyi's last roar before he died!

The heavenly Dao was unkind! This was Chen Xiaobei's own realization!

Justice and kindness should be the foundation of a Saint and the foundation of the heavenly Dao.

However, the facts had proven that the Saints and the heavenly Dao were not as perfect and divine as people had imagined.

On the contrary, the Saints were subservient to the will of the heavenly Dao, and the heavenly Dao itself only cared about its own interests.

When kindness, justice, and the will of the heavenly path were in line, the sages would represent the heavenly path to uphold justice and protect kindness.

However, when benevolence and justice were against the will of the great path, the Saints would become blind, as if they did not know anything.

Chen Xiaobei looked down on Saints and the will of the heavens!

This was because Chen Xiaobei's Dao heart had always been that of absolute justice.

Besides, Chen Xiaobei had never submitted himself to the will of the heavens. In fact, he had already thought of going against the will of the heavens.

At this moment, the heavenly will and his Taoist heart were opposite. Chen Xiaobei did not hesitate to stick to his own justice!

Or he would die Here! Either protect everyone from harm!

This battle! He wouldn't retreat even if he died!

"Did you hear that? Chen Zhufeng ... Oh no! Zhufeng Zhenren said he'll protect us!"

this is so ironic ... The higher-ups that we've been following with our lives want us to die, but master Zhufeng, who we see as our enemy, wants to protect us out of kindness!

“We must have been blind. Why would we follow such a high-level battle? Even if we end the war, we won’t have a good life!”

“You’re right! This kind of high-level is not worth our lives! From now on, I’m leaving the Alliance! He had officially joined the beixuan Army! We are soldiers! Even if I have to die in battle, I have to die for a wise master like Zhufeng Zhenren!”

“Well said! I’m also leaving the Alliance Army ... We’re all leaving the Alliance Army ... Please accept us ... From now on, we’ll live and die with you!”

As the saying goes, when a person is about to die, his words are also kind.

At the moment of life and death, it was best to see the nature of willfulness.

Anyone who was not an idiot could tell that following Chen Xiaobei was the best and only choice.

Because the heavenly Tribulation was brought by the clan of enlightenment, and the clan of enlightenment didn’t want to let them live! If they stayed in the Alliance Army, they would die without a doubt. There was no chance of survival!

On the other hand, if they were to join Chen Xiaobei’s Army, even if the chances were slim, at least they would have a chance of survival!

If they could survive, they would know that following Chen Xiaobei would give them a better future.

Because of this, the four billion people in the Alliance Army all turned to Chen Xiaobei’s side, vowing to live and die with him!

“Hahaha ... That’s too stupid!”

However, Gao Yan laughed disdainfully when he saw the scene in front of him. “Chen Zhufeng! You can’t even protect yourself, how can you protect everyone? With just one mouth? Hahaha ...”

“Everyone, open up your minds and don’t refuse!” Chen Xiaobei ignored Gao Yan. He took out the verdant Emperor’s divine gourd and raised it high.

Whoosh ... Whoosh ... Whoosh ...

The verdant Emperor’s divine gourd was a spatial divine artifact. As long as the crowd didn’t resist, they would immediately be sucked into the gourd.

The heavenly Tribulation was still brewing. Chen Xiaobei had to get everyone into the verdant Emperor’s divine gourd before the heavenly realm descended.

Chen Xiaobei thought that the somersault cloud was too slow, so he summoned the demonic Crow King and used it to circle the entire battlefield as fast as possible.

Fortunately, the verdant Emperor’s divine gourd was a divine artifact, so it could absorb the energy very quickly.

Finally, before the heavenly Tribulation descended, all 4.3 billion Warriors were put into the space.

Although the bloodspring planet wasn’t too big, it was enough to accommodate everyone temporarily.

Other than them, Luo puti, six-eared macaque, Ying Zheng, Lu Bu, Zhao Yun, little white, and Sky Wolf, the five core disciples of bei Xuan faction, were also kept in the storage space.

Even though they were worried about Chen Xiaobei, they could not help him if they stayed outside. Instead, they might become Chen Xiaobei's burden. So, entering the house was the best choice.

As long as the verdant Emperor's divine gourd was not broken, no matter how the heavenly Tribulation attacked, everyone would be able to survive.

Finally.

On bei Xuan faction's side, only Chen Xiaobei and Di Jiang, who was still trapped in the spatial cage, were left.

The enemy was left with Houtu, a half-step heaven immortal, and 31 peak earth Immortals led by Gao Yan.

boom boom boom ... Boom boom boom ...

At the same time, the Tribulation lightning in the sky was making a loud noise.

Just this terrifying sound wave alone caused the space within the heavenly Tribulation domain to tremble.

This Heavenly Tribulation had already been brewing to the critical point. Although it had not truly descended yet, one could basically judge from the pressure and energy fluctuations that this was another three-star Heavenly Tribulation!

Chen Zhufeng, do you know why we didn't even bother to stop you when you were recruiting? "

The corner of Gao Yan's mouth raised, and he sneered coldly, " "Because you're going to die today. All your treasures will eventually fall into our hands! Of course, that includes the cyan Emperor's divine gourd!"

"Bro bei ..."

Trapped in the space cage, Emperor Jiang said anxiously, " "A Great Tribulation is coming. What should we do next? Are we just going to wait for death?"

"Don't be afraid!"

Chen Xiaobei said, " "Gao Yan and the 30 peak earth Immortals are reincarnated ancient Immortals from the clan of enlightenment, Buddhism, and the clan of humanity! I'm afraid they won't be willing to be buried with me! Especially Gao Yan! The Grand stalwarts of the heavenly stars had boundless prospects! How can I die Here?"

"This ..."

Hearing this, Emperor Jiang came to a sudden realization and said, " "I understand! Gao Yan was definitely not here to die! He must have a way to save his life! As long as we can take away his life-saving trump card, we can escape from this calamity!"

“Tsk tsk tsk! I have to admit that you’re a powerful man!”

Gao Yan looked at Chen with admiration and said, “At such a critical moment, you can still calmly analyze the problem and find a way to break out of it! With your state of mind, I, Gao Yan, am inferior!”

“Chi ...”

Chen Xiaobei took out the sky-imprisoning painting and said, “Since I’ve already found a way to break out of this situation, aren’t you going to obediently surrender?”

“Oh, although you are calm, you have underestimated me, Gao Yan.”

you can think of a way to break out of this situation,” Gao Yan said with a smile. do you think I can’t think of a way to deal with it? ”

“A countermeasure?”

Chen Xiaobei was surprised. “You mean you have the ability to resist?”

I’m not afraid to tell you that my Meru space is enhanced by a tribulation-avoiding immortal talisman. As long as we hide in the Meru space, we can avoid the attack of the heavenly Tribulation!

“But, even if I open the Meru space, you might not dare to follow me in!” Gao Yan provoked.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3283: kindness will be rewarded**

“Woof! Buzzzzzz! Yi ...”

As they were talking, the 30 people behind Gao Yan entered Gao Yan’s Meru space one after another.

Without a doubt, Chen Xiaobei’s guess was correct.

Taoism, Buddhism, and chanism would not let so many reincarnated ancient Celestials die with Chen Xiaobei for nothing. So, they would definitely prepare an escape route for them.

And this path of retreat was Gao Yan’s Meru space.

Unlike Chen Xiaobei’s Meru space, Gao Yan’s Meru space had a tribulation avoiding talisman, which protected him from the attacks of the heavenly realm.

Therefore, Gao Yan and the others could hide in it and avoid the attack of the heaven realm, and they were all safe.

There were only two options for Chen Xiaobei. One was to forcefully charge Gao Yan’s dimensional space into the dimensional space when the dimensional door was open, and the other was to stay in the real world and wait for the heavenly Tribulation to come.

Chen Xiaobei’s original plan was to take Gao Yan’s Meru space.

However, Gao Yan had clearly told Chen Xiaobei and even provoked him, saying that Chen Xiaobei would not dare to follow him in.

It did not take a genius to figure out that there must be a very powerful trump card in the Sumeru space, powerful enough to defeat Chen Xiaobei.

However, if he did not enter the Meru space, he would have to face a three-star Heavenly Tribulation!

If the gold armored mysterious Spider was not in hibernation, Chen Xiaobei would not be afraid.

However, the gold armored mysterious Spider was still unconscious, so Chen Xiaobei's trump card could not do anything to the heavenly Tribulation.

Although he could hide in the verdant Emperor's divine gourd.

However, if Houtu were to ascend with the verdant Emperor's divine gourd and hand it over to the primeval Lord of heaven, Chen Xiaobei would probably suffer a fate worse than being killed by the heavenly Tribulation.

Chen Xiaobei was now stuck between a rock and a hard place.

"BOOM! BOOM!"

Right at this moment, the Tribulation lightning in the sky burst out with a dark yellow light, as if an evil Dragon was ready to attack. From the thick dark clouds, it stretched out its ferocious claws and teeth.

This meant that the heavenly Tribulation would officially break out in a dozen seconds.

"Chen Zhufeng! Don't say I didn't take care of you!"

my space gate will remain open until the heavenly Tribulation comes. It's up to you whether you dare to come in or not! Gao Yan sneered.

After that, Gao Yan turned around and entered the space gate.

"Bro bei! Quickly leave! Staying behind was doomed to death! There might be a chance of survival if we enter the Meru space!" Emperor Jiang urged.

"I won't leave you behind even if you want to leave!"

Chen Xiaobei charged towards dijiang and stopped beside the spatial cage. "Crack the void!"

– ding Yingying's cultivation base: peak stage of soul transformation] Year 524210, physique: 150 million, combat power: 1.5 billion, primordial spirit attack-sacred!

60,000 years of his lifespan was directly burned away, and the special ability of the witch Dragon's nine transformation was suddenly unleashed.

The spatial dimension in the heavenly Tribulation realm was at least a three-star heavenly immortal. Chen Xiaobei's lifespan was not enough to tear it apart.

However, this spatial cage was only at the half-step heaven immortal realm.

The space-rending spell used up 60000 years of its lifespan to tear the space cage apart.

"Let's go!"

Without hesitation, Chen Xiaobei pulled Di Jiang along with the bi an demonic Crow and charged into the portal.

“Bro bei! Wait a minute!”

At this moment of life and death, besides worry, Emperor Jiang also showed a trace of reluctance and concern for his family.

Without a doubt, Emperor Jiang was worried about Houtu.

After all, this was a three-star Heavenly Tribulation. Although Houtu had a heaven-defying primordial spirit special ability, the gap between their levels was too big.

Emperor Jiang was worried that if Houtu’s spiritual power couldn’t reincarnate into the three-star heaven, she would die without a doubt. Her soul might even be scattered, and she would disappear from the Three Realms and six paths forever.

“Your sister is my sister!”

Chen Xiaobei took the risk of being attacked by the heavenly Tribulation and rode the demonic Crow King to Houtu again.

“Eh? You don’t know your place!”

Houtu did not know what Chen Xiaobei and Di Jiang were thinking.

As a reincarnated ancient deity who had lost her true self, in Houtu’s heart, Chen Xiaobei and Di Jiang were mortal enemies.

When she saw Chen Xiaobei and Di Jiang charging at her, Houtu went into a defensive stance.

“Seamless ... Reincarnation!”

The heavenly Tribulation was coming. Even someone as strong as Houtu didn’t dare to underestimate her enemy, so she directly used her strongest trump card.

“Whoosh ...”

The mysterious divine power of the law of reincarnation formed an invisible protective shield, which covered Hou Tu and blocked the enemy’s attack from all directions.

When Hou Tu had enough spiritual power, any attack that touched the shield would be reflected.

“I’ll give you this!”

Houtu did not expect that Chen Xiaobei would not attack her. Instead, he gave her ten perfect pills that could release spiritual Qi.

“What are you doing?”

Houtu furrowed her brows. She did not understand what Chen Xiaobei was trying to do.

“Emperor Jiang and I don’t want anything to happen to you!”

“This is the Wuji soul essence pill!” Chen Xiaobei quickly said. It can help you quickly recover your spiritual energy! It’ll be helpful for you to transcend the Tribulation! There was no need to doubt! This was absolutely true! I hope that you can successfully pass the Tribulation, and we will meet again in the heaven realm!”

Chen Xiaobei then patted the demonic Crow King, turned around, and ran into the portal.

“This ...”

Hou Tu was stunned. Looking at the ten pills floating in front of him, the expression on his face became extremely complicated.

“Chi ...”

Suddenly, the invisible barrier that was covering Houtu’s body shifted to Chen Xiaobei.

The cycle of karma, the cycle of good and evil!

Chen Xiaobei did not attack, but kindly gave her the pills!

Good will be rewarded!

This was the law of reincarnation, an unquestionable iron law of the Three Realms.

With Houtu’s current cultivation level, she could not control or stop the good from being returned to Chen Xiaobei.

Under such circumstances, Houtu was unable to return the pill. The law of reincarnation forced her most powerful reincarnation power to be transferred to Chen Xiaobei.

Of course, this reincarnation power could only be used once. It would not give Chen Xiaobei this power forever.

But there was no doubt that even if it could only be used once, it would be a great help to Chen Xiaobei. It was equivalent to having an extra life.

“Elder brother dijiang, why do I feel a strength being injected into my body?” Chen Xiaobei did not know the truth.

“Bro bei! Thank you for helping my little sister! This is an opportunity that you deserve!” Emperor Jiang revealed a smile of relief and said, “ with this opportunity, we might be able to turn the tables on our enemies later and turn the tables completely!

“Lucky chance?” What is this? ” Chen Xiaobei was confused. what kind of opportunity is this? it’s so powerful!

“Woof!”

Before Di Jiang could explain, the devil Crow King had already brought them into the space gate.

[Red Envelope Group of the Three Realms](#)

**Chapter 3284**

3284 The great treasure falling formation

“Chi ...”

The space around them changed, and the demonic Crow King brought Chen Xiaobei and Di Jiang into Gao Yan’s Meru space.

The size of this space was not large, about the same as the poison immortal space, with a radius of about 300 square meters.

As soon as he entered, the enemy was clearly standing in the space.

However, the enemy just now was only Gao Yan and the 30 peak earth Immortals from the southern battlefield.

At this moment, there was one more person.

It was a blue-haired young man who was about 25 or 26 years old. He had a handsome face and his eyes were a demonic blue, like two shining sapphires.

More importantly, this young man exuded a sense of arrogance. Gao Yan and the other 30 people all bowed to him with great respect.

[ ding! Gong Gong, reincarnated ancient immortal! ]

[ dinglinglinglinggonggong: the Water Witch-one of the twelve ancestors of sorcery. She once fought with Zhurong and destroyed Buzhou Mountain-the sky Pillar. She is extremely powerful. ]

[ cause of death: perished together with donghuang tai in the final battle of the Sorcerer and demon tribulations. ]

it’s Gonggong!?

Chen Xiaobei and Di Jiang were both shocked. They did not expect that there would be a reincarnated ancestral witch in the Meru space!

No wonder Gao Yan dared to provoke Chen Xiaobei and even opened the door to the Meru space for him.

It turned out that the Water Witch, Gong Gong, was in charge of this space.

Gonggong, who was a half-step heaven immortal, was more powerful than Di Jiang, but he was also many times stronger than Chen Xiaobei.

“Chen Zhufeng! You actually dare to follow me in? Truly, the ignorant are fearless!”

“Since you’ve already recognized the Grand Wizard, Gonggong, you should know that you’re dead now!” Gao Yan sneered.

Not only was Chen Xiaobei not afraid, but he also laughed, “I’ve just ended the War in the North and obtained a huge amount of merit points. I was still wondering why I was trapped in a dead end. Now, it seems that this dead end is actually a great opportunity!”

Chen Xiaobei had long since set the most important mission-to upgrade the sunlight cache.

If he wanted to upgrade the sunlight cache, he would need to obtain the divine sand of time, the eternal holy water, and the sun monarch crystal.

And because the three divine items were all sentient, with their extremely powerful spiritual power, almost no one in the earth-god Realm could subdue them.

Therefore, Chen Xiaobei had to find the ancestral witch of time, candle jiu Yin, water, Gonggong, and fire, Zhurong.

The primordial spirit attacks of the three ancestors of sorcery contained the Law of Time, law of water, and law of fire, which were at the peak level of Sage-to-be. They were the only hope of subduing the three divine objects.

Earlier, Chen Xiaobei had subdued Zhurong in the remains of the exploding flame heavenly sect, but he had not found any clues about the candle Dragon and Gonggong.

He didn't expect that he would meet a Gonggong here after searching for so long!

To Chen Xiaobei, this was a huge opportunity, and the opportunity that he wanted the most!

His luck was off the charts!

After surviving a great disaster, one would be blessed!

As long as he could capture Gonggong, Chen Xiaobei would be one step closer to upgrading the sunlight cache.

"Chen Zhufeng! Don't be happy too early!"

Gao Yan grinned, "there's no opportunity for you here, only your death!" You're doomed to die today!"

"Funny!"

Chen Xiaobei laughed and took out the sky-imprisoning painting. don't say that I'm not humble. As long as I want to, everyone here will become my prisoners!

"Chi ..."

However, before Chen Xiaobei could finish his sentence, the sky-imprisoning painting that was supposed to be floating in the air suddenly cut off its spiritual connection with Chen Xiaobei and fell to the ground.

"What ... What is going on?"

Chen Xiaobei was dumbfounded. He had never seen anything like this before.

"Shit ..."

Emperor Jiang's face was grave, and he became anxious. "In this space, there is a [ great treasure dropping formation ]! Within the range of the formation, any magic treasure below the formation level will lose its spirituality and be out of control!"

what ... What should I do? " Chen Xiaobei quickly released his ethereal force and kept the painting.

After he sensed it carefully, he couldn't sense any spirituality at all, just as Emperor Jiang had said.

This meant that Chen Xiaobei could no longer control the sky-imprisoning painting. He could no longer activate its power.

bro bei, you can't use any of your heaven immortal items in this space ... We can only fight them head-on with our strength! Di Jiang said in a deep voice.

"Emperor River ..."

At this moment, Gong Gong, who had been silent the whole time, finally opened his mouth. His voice was cold, as if he was giving an order, " "Since you've already seen through the mystery of this place, you should know that you have no chance of winning! Just surrender, and you'll suffer less!"

Obviously, Gonggong was very confident in his own strength. He did not think that Chen Xiaobei and Di Jiang could win.

If they were at the same cultivation level, Emperor Jiang would be slightly stronger than Gong Gong.

But at this moment, Gonggong was a half-step heaven immortal, while Emperor Jiang was only a peak earth immortal. They were on two completely different levels.

Emperor Jiang would definitely lose if they fought head on.

As for Chen Xiaobei, he had just broken through to the six-star earth-god level. Even though the four-winged Buddhist fiend's defense had reached the peak of earth-god level, he was still a long way from becoming a half-step heaven immortal.

Just like Di Jiang, Chen Xiaobei was no match for Zhurong in terms of cultivation.

Moreover, the enemy still had the 31 reincarnated ancient Immortals led by Gao Yan.

When Chen Xiaobei could use his magical equipment, these people were a bunch of noobs.

But now that Chen Xiaobei could no longer use his magical equipment, these people had become a formidable enemy that could not be underestimated!

" bro bei ... It looks like we can only fight to the death ... Di Jiang's brows were furrowed. His fighting spirit was boiling, but his eyes were filled with determination.

Obviously, in Di Jiang's eyes, the chance of winning this battle was almost negligible. Even if he fought with his life, the final result would be a narrow escape.

"Don't panic!"

However, Chen Xiaobei remained calm and picked up the gourd.

Chen Xiaobei did not have the time to put away the gourd after he had used the gourd to absorb 4.3 billion people.

If it was in his storage treasure, Chen Xiaobei would not be able to take it out even if he wanted to.

"The" great treasure falling formation "in this space can't possibly be god tier right?"

Chen Xiaobei raised his eyebrows and smiled confidently. as long as the verdant Emperor's divine gourd can still be used, we won't die!

"The cyan Emperor's divine gourd?"

Gonggong said disdainfully, "you're not thinking of hiding in the verdant Emperor's divine gourd, are you?" It's not like you, Chen Zhufeng, would come up with such a stupid idea!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3285: appearance of strong reinforcements**

It was obvious that as long as Chen Xiaobei and Di Jiang hid inside the verdant Emperor's divine gourd, Gonggong would immediately take control of it.

Once he sent the verdant Emperor's divine gourd to the heavenly Lord Yuanshi, Chen Xiaobei would be finished. He would have no chance of turning things around.

Because of this, hiding in the verdant Emperor's divine gourd was definitely the stupidest idea.

"Who said I was going to hide?"

However, Chen Xiaobei only smiled and said, "Isn't it just a head-on confrontation? You're speaking as if I'm afraid of you!"

"What?"

Gong Gong slightly frowned, his ice-blue eyes showing a strong confusion. "What right do you have to fight me head on? Could it be ... That you have a trump card hidden in the verdant Emperor's divine gourd?"

"Impossible!"

Before Chen Xiaobei could answer, Gao Yan said, "Before this operation, I already knew all of Chen Zhufeng's trump cards! The 'sky-imprisoning painting of the northern Mystic' was his strongest killing move! There can't be any other trump cards!"

"Ha, if an Ace can be found by you, how can he be considered an Ace?"

you think your plan is perfect? " Chen Xiaobei smiled. you think you can trap me in this space? " But have you ever thought that this cage can trap me to death, but it can also trap you to death!"

"Don't give me that!"

Gao Yan said disdainfully, "you, Chen Zhufeng, are famous for your cunning!" I bet you don't have any other trump cards at all. You're just bluffing and trying to stall for time!"

hehe! Chen Xiaobei chuckled. since I'm just bluffing, then come and attack me! I promise you'll die a horrible death!"

"You think I don't dare to?" die! Gao Yan shouted through gritted teeth. He channeled his ethereal force and charged at Chen Xiaobei.

"Stop!"

However, right at this moment, Gong Gong said in a deep voice, " "With Emperor Jiang here, it's not your turn to attack!"

yes ... Gao Yan composed himself and quickly withdrew his true Yuan.

Indeed, Gao Yan was not afraid of Chen Xiaobei in a direct confrontation. However, with Di Jiang watching over him, Gao Yan would be sending himself to his death.

"Whoosh ..."

However, in the next moment, a terrifyingly great water true power was generated from Gong Gong's body.

Because he had mastered the law of water, Gong Gong's life energy was more powerful, purer, and more powerful than that of his opponents in the same cultivation level.

It was not an exaggeration to say that he was invincible among those of the same level.

bro bei, be careful! Di Jiang was shocked and quickly stood in front of Chen Xiaobei to protect him.

Without a doubt, Emperor Jiang had lost to Gong Gong in terms of cultivation state, so he didn't have any confidence in this battle.

If war was inevitable, Di Jiang's only choice would be to give up his life to buy Chen Xiaobei as much time as possible.

Although the time he bought might not be able to change anything, it was the only thing Emperor Jiang could do at this moment.

"Don't worry! I have my ways!"

However, Chen Xiaobei pulled Di Jiang behind him and released a half-human, half-snake figure from the verdant Emperor's divine gourd.

That's right!

At this critical moment, Chen Xiaobei released Fu Tian Xin 'er from the verdant Emperor's divine gourd.

The [ treasure falling formation ] in this space was far below god tier, so it could not affect the verdant Emperor's divine gourd. Fu Tianxing 'er had been playing around inside the verdant Emperor's divine gourd.

Since he could not use his sky immortal item, Chen Xiaobei decided to send out a half-step sky immortal to fight him.

Although Gong Gong was invincible among his peers, he was still a powerful being.

However, our Fu Tian Xin 'er is definitely not an ordinary half-step heaven immortal.

She had the same longevity as the heaven and earth, the bloodline of mother Nuwa, the sacred level primordial spirit attack, and the cultivation technique she cultivated was also of the sacred level.

The most important point was that Fu Tian Xin 'er's Wood true essence had an innate advantage over the water true essence.

In this battle of the same level, Fu Tian Xin 'er's chances of winning were clearly higher!

Without a doubt, Chen Xiaobei had planned this all out, or he would not have let this girl take such a risk.

Xiaobei Gege?!

Fu Tian Xin 'er was suddenly summoned, and she pouted her lips as she grumbled, "Just now, a few billion people suddenly appeared on the bloodspring planet! I was playing with them, why did you suddenly bring me out?"

Looking at this innocent and cute girl, everyone was stunned.

Emperor Jiang and Gong Gong knitted their brows, showing complicated expressions.

Gao Yan and the others were dumbfounded. They had no idea why Chen Xiaobei had called this little girl out.

idiot, Didn't I tell you that if I went to a fun independent space, I would call you out!

Chen Xiaobei pointed at Gonggong and said, "Do you see that guy? He wanted to kill me. If I didn't call you out, you might not be able to see me again!"

"What?"

When Fu Tian Xin 'er heard this, she was like an angry little tiger. Her face was instantly filled with anger as she glared at Gonggong and pouted, "You bastard! How dare you try to kill my Xiaobei Gege! Do you believe I'll kill you first?"

"Who ... Who are you?" Gonggong didn't say anything, but he was filled with curiosity about her identity.

Emperor Jiang couldn't help but prick up his ears, waiting for an answer.

Obviously, only Emperor Jiang and Gonggong could see that Fu Tian Xin 'er was extraordinary.

As for the others, they only treated her as a little girl who hadn't grown up and didn't even put her in their eyes.

"You stinky girl! How dare you be so rude to Lord Gong Gong!" Gao Yan took a step forward and glared at Fu Tian Xin 'er like a fierce tiger.

"Bang!"

Before he could finish his words, a green vital essence suddenly fell from the sky and hit Gao Yan's head.

As the leader of this operation, Gao Yan had no ability to resist and was directly bombarded to the ground.

"Pfft ..."

Both his physical body and magical body were injured at the same time, and Gao Yan spat out a mouthful of blood.

At the same time, the green wood true essence turned into countless vines, pressing Gao Yan to the ground. Even if he used all his strength, he couldn't get up.

"I'm being unreasonable to you guys because you're all detestable!"

Fu Tian Xin 'er tilted her head, and her bright eyes were filled with anger. She extended her index finger and used her true Yuan.

That's right!

Fu Tian Xin 'er had only used one finger to suppress and injure Gao Yan!

how ... How is this possible?!

Gao Yan and the 30 reincarnated ancient Celestials looked as if they had just seen a ghost. They would never have thought that Chen Xiaobei would have such a powerful master by his side.

"Anyone who wants to kill my brother Xiaobei can take a step forward!"

Fu Tian Xin 'er said domineeringly, "I'll take care of all of you today! It will save us trouble in the future!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3286: changes in the battle**

It had to be said that this girl, Futian Xin 'er, was really domineering! It was even a little overbearing!

Of course, this was not strange.

That was because her current state of mind was like that of a rebellious teenager.

Even the independent space that mother Nuwa had set up for her had a crack in it. One could imagine that her rebellion was not a joke.

Of course, she was not an unreasonable and unruly girl.

Her rebellion would only appear when she was extremely concerned about something.

For example, freedom. She was extremely eager and yearned for it, which was why she had created that space crack at all costs.

But Chen Xiaobei had spoken her heart out, giving her true freedom.

In her heart, she already saw Chen Xiaobei as a confidant, a benefactor, and even a family member.

Therefore, anyone who wanted to kill Chen Xiaobei would have to face Futian Xin 'er's extreme anger and even the most merciless killing!

"Hiss ..."

Gao Yan was still lying on the ground like a dead dog. The remaining 30 reincarnated ancient Immortals all took a deep breath. Not to mention taking a step forward, they were all retreating with all their might, all shrinking into the corners of the space.

It was a pity that this space was only 300 square meters. Otherwise, they would definitely have to escape from Fu Tian Xin 'er's line of sight before they could be at ease.

"A bunch of trash!"

Gong Gong's face turned cold. He disdained those deserters.

One must know that these 30 reincarnated ancient Immortals came from the tribe of humanity, the Buddhist sect, and the clan of enlightenment. On the surface, they were allies.

But at this moment, it could be seen that they were not really United.

At the critical moment, they chose to run away. It was clear that their master did not give them a death order.

They would even tell them that if their lives were in danger, they should let others die.

It was precisely because of this that the 30 of them chose to run away. Otherwise, they would have charged out fearlessly to fight to the death with her.

From this, it could be seen that not only was this Alliance not United, but they might even have their own ulterior motives and scheme against each other.

For this reason, Gong Gong disdained them, and even felt ashamed for them.

"They've all been well-behaved, and you still don't plan on stopping?"

Fu Tian Xin 'er angrily looked at Gonggong.

At this moment, the water power was still surging around Gong Gong's body, showing no sign of retreating.

I can tell that you are extraordinary. But, I, Gong Gong, will never be afraid of a little girl like you when we are at the same level!

Gonggong was full of fighting spirit, and his blood was boiling. The pride of a powerful expert was released, and he looked down on everyone!

"If you're not convinced, I'll beat you until you're convinced!"

Fu Tian Xin 'er raised her hands, and a burst of green wood true essence suddenly burst out, quickly gathering into the creation wood Dharma.

The space was not large, and the creation wood Dharma instantly filled every corner, encompassing the entire space within. It was vast and extremely powerful.

"Creation ... Creation wood!"

Gao Yan and the 30 reincarnated ancient Immortals shrieked in horror at the sight.

Ordinary people might not know the meaning of creation wood.

However, Gao Yan and the others were all ancient Immortals.

They all knew clearly that the creation wood was the bridge that connected the two realms of heaven and man, and it was a sacred object.

For trillions of years, they had never seen or even heard of anyone who could condense the creation wood Dharma.

“Little girl! Don’t be careless! The opponent is also very powerful!”

While the enemy was still in shock, Chen Xiaobei remained calm. He wanted to sound the alarm for Futian Xin ‘er so that she would not be at a disadvantage.

“Xiaobei Gege! Don’t you underestimate me!”

Fu Tian Xin ‘er was very concerned about Chen Xiaobei’s opinion. In order to prove herself, she immediately cast a spell to gain the upper hand.

Whoosh ... Whoosh ...

As Fu Tian Xin ‘er made a hand seal, the creation wood Dharma started to shake violently. It emitted the sound of waves, like a vast ocean, giving off a feeling of vastness and heaviness.

Next, sharp blade-like leaves and whip-like vines twisted and twisted, transforming into a cyan-green tornado that crushed towards Gong Gong.

“He’s indeed very strong!”

Gonggong had long since seen that Futian Xin ‘er was extraordinary, and now that he had personally witnessed her power, he couldn’t help but exclaim in surprise. This power was even stronger than he had expected.

“Woof!”

Of course, if you insist that you are strong! As one of the twelve ancestors of sorcery, Gong Gong would never back down just because his opponent was too powerful, and he didn’t think that he would be defeated easily.

With a loud explosion, an extremely sharp water ethereal force suddenly burst out.

The water was invisible, but at this moment, it was rapidly condensing into a metal armor with sharp edges and a domineering form. It was as if thousands of soldiers were charging into the enemy’s formation, and it actually exuded a powerful pressure.

“BOOM!”

In the next moment, the two’s true Yuan collided.

The terrifying power exploded with a destructive shock wave.

Chen Xiaobei, Emperor Jiang, Gao Yan, and the 30 ancient Celestials were all pushed back by the force of the impact. Some of them were even pressed against the space wall at the edge, unable to move!

Such a terrifying power was already invincible in the absolute sense of the word.

Chen Xiaobei still had a half-step sky immortal in his hands, the three-tailed Anfeng Tiger from the heavenly prison.

At this moment, if the dark wind three-tailed Tiger was put on the battlefield, both Gonggong and Fu Tian 'er would be able to kill it with one move.

As for the surrounding people, if they were in the center of the collision of the two true Qis, they would definitely be instantly crushed into pieces.

One could imagine that the strength of these two people had already reached an extremely terrifying level.

boom boom boom ... Boom boom boom ...

However, from the looks of the battle, Gonggong and Fu Tian Xin 'er's powers were almost on par. They were evenly matched, and the battle was completely in a stalemate.

In other words, the two's attack power was basically equal, and to determine the winner, it would depend on whose true Qi was more abundant.

Neither of them had any hands, and they continued to add true essence to their Dharma forms.

The two Dharma forms were still in a stalemate in the air, wearing down each other's energy. Whoever ran out of true Yuan in their sea of Qi and dantian first would be doomed to lose.

"Gonggong, stop it! Use your ultimate move!"

At this moment, Gao Yan, with blood in his mouth, shouted impatiently, "They are enemies! There was no need to talk about morality! Don't forget the master's orders!"

"Nonsense! You have no right to tell me what to do!"

Gong Gong was a very proud man. Since this was a face-to-face fight, he should fight fairly. Not to mention, the opponent was just a little girl. Gong Gong wouldn't even try to trick her.

However, Gong Gong's heart had already been suppressed by the primordial spirit contract.

Compared with the order of the master of the contract, Gong Gong's pride and morality could only be put second.

mysterious water heavenly explosion!!!

The gong Gong suddenly burst into a raging roar.

A peak quasi-Sage primordial spirit attack was directly activated!

[Red Envelope Group of the Three Realms](#)

**Chapter 3287**

3287 Absolutely powerful

Mysterious Water Sky explosion?

Chen Xiaobei and Fu Tian Xin 'er did not know what was going on, but they could sense that danger was coming.

“Be careful! Retreat immediately!”

Others might not know, but Emperor Jiang was absolutely clear that this was a fatal danger. that's Gong Gong's soul power. He can control all water elements in a certain space!

“Whether it's the water in nature or the water in the human body, he can control it all! Once hit, even a heaven immortal's body will explode!”

more importantly, the explosion is extremely powerful and will hurt the Dharmakaya and the nascent soul in the opposite direction. Once you are hit, you will almost certainly be defeated!

As expected of a primordial spirit attack at the peak of the sage-to-be. It was comparable to Chen Xiaobei's heaven-severing thought.

As long as they were hit, the battle would basically end in failure.

“Little girl! Quickly Dodge!”

Chen Xiaobei knew the severity of the situation, and he shouted worriedly.

“Hide?”

Gong Gong's ice-blue eyes showed a trace of disdain as he said, “I'm using my true Qi to wrestle with this girl! She dodged my primordial spirit attack, but her true essence will be defeated! He will definitely be crushed by my strongest true essence!”

Obviously, Gong Gong wasn't bragging.

At this moment, Fu Tian Xin 'er and Gonggong's true energy were in a battle of equal strength. Fu Tian Xin 'er had to support herself with all her might in order to resist.

The moment Fu Tian Xin 'er dodged, the true energy barrier would be completely broken.

At that time, Gong Gong's Zhen Yuan would definitely crush Fu Tian Xin 'er's Zhen Yuan. Just like Gong Gong said, Fu Tian Xin 'er would be able to Dodge the attacks of her Yuan Shen, but she would have to take the attacks of Gong Gong's Zhen Yuan head on.

Gonggong had planned everything out long ago. He was basically attacking from both sides, forcing Fu Tian Xin 'er to be in a difficult position.

Of course, under normal circumstances, dodging would definitely be the wisest choice.

After all, being struck by a Zhen Yuan attack would only result in a slight injury, but being struck by a Gong Gong's primordial spirit attack would most likely result in a certain death.

Because of this, Di Jiang and Chen Xiaobei did not hesitate to let Futian Xin 'er hide.

However, the next scene was something that no one could have imagined.

“Isn’t it just a primordial spirit attack? You’re speaking as if I don’t know how to do it!”

Fu Tian Xin ‘er didn’t plan to Dodge at all. She locked her eyes on Gonggong, pouted, and angrily shouted, “ sacred life Tree!!!

“Whoosh ...”

As soon as she spoke, a mysterious energy burst out from her primordial spirit, forming a palm-sized creation wood Dharma behind her.

This Dharma idol was different from the Dharma idols that could be condensed with true essence. The surface of the Dharma idol was flowing with a Holy seven-colored spiritual light, and the core of the Dharma idol was emitting a mysterious and eternal life force!

This kind of life force seemed to have existed since the beginning of chaos. It was endless, as long as the heavens and earth, as bright as the sun and the moon!

life ... Sacred life Tree???? ”

Seeing this, Emperor Jiang and Gonggong were dumbfounded. They both looked incredulous, and they were even more terrified than seeing a ghost.

Chen Xiaobei was just as shocked as Di Jiang and Gonggong, but he did not know what the sacred tree of Life was.

Whoosh ... Whoosh ...

In the next moment, the water true essence and primordial spirit attacks all turned into a strange fluid and were sucked into the sacred life Tree like a river flowing into the ocean.

What was even more terrifying was that the primordial spirit attacks and true essence that were absorbed didn’t disappear. Instead, they were transformed into a mysterious energy similar to life force within the sacred life Tree, directly helping Tian Xin ‘er’s true essence increase.

“BOOM!”

Fu Tian Xin ‘er’s true energy was on par with Gong Gong’s.

At this moment, Gonggong’s energy had been converted into Fu Tian Xin ‘er’s energy. The result of the battle was obvious.

Fu Tian Xin ‘er’s Zhen Yuan instantly doubled in power, while Gong Gong’s Zhen Yuan disappeared.

With a loud explosion, Gonggong was struck by Fu Tian Xin ‘er’s true energy, and he was sent flying like a meteorite. He smashed into the spatial wall, and the tremendous force caused the entire Meru space to tremble.

“Pfft ...”

The gong Gong vomited a mouthful of blood. His head was lowered, and he sat on the ground, paralyzed, without moving.

Anyone with eyes could see that Gong Gong's bones, armor, and internal organs were all severely injured, and his body was almost disabled. His clone and nascent soul were also severely injured, and he couldn't even run a tiny bit of his life-force.

Gonggong had completely lost his ability to fight. He was completely defeated!

"You're still alive? You're tough!"

Fu Tian Xin 'er's face was cold, and her watery eyes were filled with anger as killing intent leaked out.

"Little girl! Don't kill him!"

"If you haven't had enough, then take down the rest of them!" Chen Xiaobei said. But don't kill them!"

"They?"

Fu Tian Xin 'er glanced at the remaining 31 people, her face filled with disdain, "They're not even enough to fight me!"

"Woof! Buzzzzzz! Yi ..."

Futian Xin 'er raised her hand, and her Jade-like hand suddenly flipped.

In the next moment, 31 rays of green wood true essence appeared out of thin air and pressed all 31 people to the ground, just like how they knocked down Gao Yan.

Not only were these 31 people seriously injured, but they were also tightly suppressed and completely unable to move.

Powerful!

It was absolutely overwhelming!

This was Fu Tian Xin 'er's true strength!

In the earth-god Realm, perhaps only Luohou and Taiyi, who had reached the half-step heaven immortal realm, had the ability to fight her.

Even if Di Jiang had reached the half-step heaven immortal realm, he might not be her match.

Unfortunately, a half-step heaven immortal was not recognized by the laws of the human world. Once they entered the real space of the human world, they would be rejected by the laws and directly trigger the heavenly Tribulation.

Otherwise, as long as Chen Xiaobei had Futian Xin 'er by his side, he could do whatever he wanted in the earth-god Realm.

"Xin er ... You're really too strong ..."

Chen Xiaobei was stunned. 31 reincarnated ancient Celestials, and they were all subdued by Fu Tian Xin 'er just as he finished his sentence.

"It's just so-so. I haven't even tried my best yet."

Fu Tian Xin 'er shrugged her shoulders and said impatiently, " it's not fun here. Xiaobei Gege, please let me go back to the verdant Emperor's divine gourd. There are many people there. I want to play with them!

It was obvious that Futian Xin 'er had been alone for far too long, so she liked to get close to all sorts of people.

In the verdant Emperor's divine gourd, everyone treated her like a little princess. She could do whatever she wanted, so she was naturally very happy.

"Alright, leave this to me. You can go back first!" Chen Xiaobei looked at her as if she was his little sister. He smiled and put her back into the verdant Emperor divine gourd.

As for the situation before him, it was completely under Chen Xiaobei's control.

Chen Xiaobei was only curious about one thing. "Old brother dijiang, just what is the sacred life Tree that Xin 'er was talking about?"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3288**

3288 Supreme genius

the sacred life Tree is a legendary Supreme existence!

Di Jiang composed himself and said in a deep voice, " at the beginning of the chaos, there were no living things except for the green Lotus of creation, which is the green Lotus of chaos in the heaven realm!

"After that, the green Lotus withered and the heavenly Lord of the origin obtained the Lotus, which turned into the three treasure Jade Ruyi! Taishang Laojun obtained the Lotus root and turned it into a Taiyi horsetail whisk! Sect master Tongtian got the Lotus leaf and turned it into the Qingping sword! Mother Nuwa obtained the Lotus soil and turned it into a sky-mending divine stone!"

"According to the legends, before the Lotus soil turned into a sky-mending divine stone, a holy tree grew on it! In the Three Realms and six paths, all life with the nature of wood is derived from this holy tree!"

after mother Nuwa created humans, she also created the forests, grasslands, vegetables, fruits, and medicinal herbs that humans needed ... And the source of all this was the sacred life Tree!

"I see ..."

Chen Xiaobei nodded. no wonder Xin 'er was able to condense the creation wood Dharma. Apart from a special cultivation technique, the source of the sacred life Tree must have played a vital role!

"No... It's not just that ..."

Emperor Jiang shook his head and said in a deep voice, " "I can sense that miss Xin 'er's aura isn't limited to just the sacred life Tree! In other words, she has more than one primordial spirit ability!"

"What?" Chen Xiaobei was so shocked that his scalp started to tingle.

This girl had the sacred life tree's ability, which was already heaven-defying enough!

However, she actually had more than one ability!

Chen Xiaobei had always thought that he was using a cheat to defy the heavens, but when he compared it to her, he suddenly felt that his cheat was simply too weak.

But thinking about it carefully, this was not strange at all.

Fu Tian Xin 'er was born from the sky-mending divine stone and mother Nuwa's bloodline.

Mother Nuwa saw her as her own daughter.

It could be said that this girl was the one and only second generation Saint in the Three Realms and six paths!

It would be strange if he didn't cheat!

"A divine stone! That little girl just now was the sky-mending divine stone!"

At this moment, Gong Gong, who was lying on the ground, suddenly raised his head and said with difficulty, "As long as she has enough mental energy, she can activate all the special abilities of the sky-mending divine stone!"

"What?" Chen Xiaobei and Di Jiang were both shocked.

According to Gonggong, the sacred life Tree was only one of the many special abilities of the sky-mending divine stone. As long as Fu Tian Xin 'er had enough mental energy, she could use even more heaven-defying abilities.

"You ... What right do you have to say that?" Chen Xiaobei furrowed his brows. After all, Gong Gong was still an enemy. He could not trust his words completely.

"Ha, you don't know?"

hehe. Gong Gong sneered and said, "back then, Nuwa received immeasurable public virtue when she mended the heavens. A large part of it was my credit!"

"What do you mean by that?" Chen Xiaobei was dumbfounded.

Gong Gong lowered his head and didn't say a word. Clearly, he was severely injured, and couldn't even talk.

It was Emperor Jiang who said in a deep voice, "back then, Gonggong and Zhurong didn't get along, and a life-and-death battle broke out!" Gong Gong was defeated. In a fit of anger, he crashed into Buzhou Mountain, the sky Pillar, and broke it!"

"At that time, the untainted land was still there, and Mount Buzhou was the pillar that supported the heaven realm! After the mountain collapsed, the heavenly realm tilted and the space cracked! The heavenly River poured into the human world, and the land of the nine prefectures was flooded! There are even demonic beasts from the heavenly realm that descend to the world and feed humans!"

as the mortal realm was on the verge of destruction, goddess nüwa used the heavenly mending rock to seal the cracks in the void. Then, she cut off the four legs of the divine turtle and forged it into the four

pillars of heaven to restore the balance of the heavenly realm and protect all living beings from the calamity.

Emperor Jiang knew what had happened back then very well, and his words were full of gratitude and respect for Nuwa, so he had always used the honorific 'mother Nuwa'.

"So it's like this!"

Chen Xiaobei looked at Gonggong in disgust and said, "I thought you'd done me a big favor! So it was you who caused the trouble. Mother Nuwa will help you clean up the mess! And you still have the nerve to say that it's your credit!"

"Don't you understand the cycle of cause and effect?"

Gonggong said with difficulty, "without the reason I planted, how could nüwa have the chance to enjoy the fruit?" Our sorcerer tribe was exterminated, and Nuwa received an immeasurable amount of public virtue. Could it be that she doesn't owe me a favor?"

"You're pestering me!" Chen Xiaobei was too lazy to argue with Gonggong.

Although what Gong Gong said made sense, it was all in the past now, and it was meaningless to argue about it.

"That's right!"

that's right! Chen Xiaobei calmed himself down and asked, "if that's the case, then nüwa has received an infinite public virtue when she created the spirit, and nüwa has also received an infinite public virtue when she mended the heavens! Then wouldn't mother Nuwa be able to vindicate Dao twice? To become a higher level heavenly path Saint?"

"Of course not!"

Emperor Jiang shook his head and said, "the heavenly Dao is above the heavenly Dao Sage!" If mother Nuwa becomes even stronger, she'll definitely touch the reverse scale of the heavenly Dao and invite disaster upon herself!"

"You're right ..."

that's right! Chen Xiaobei nodded. with the heavenly axiom's character, if lady Nuwa becomes stronger than the other heavenly path sages, she would be tricked by the heavenly axiom. Even if she doesn't die, she would be skinned alive!

"But wouldn't it be too much of a waste if mother Nuwa doesn't use this much merit?" Chen Xiaobei said, frowning.

it seems that you're not very smart either ... Gong Gong sneered, "Nuwa's second infinite virtue was clearly infused into the sky-mending divine stone. That's why that little girl's life was born!

how ... How is this possible?! Chen Xiaobei could not believe it.

"Gonggong is right ..."

Emperor Jiang said in a deep voice, "all things in the world can be enchanted and become demons to obtain life!" However, the higher the level of the object, the more difficult it was to give birth to life! The sky-mending divine stone is a sacred object. Without infinite morality, it's impossible for it to give birth to life!"

Oh my God ... Chen Xiaobei was stunned. "Xin 'er, this little girl, is simply a walking super cheat! If it wasn't for mother Nuwa sealing her away, she probably would've already become a high-tier celestial immortal!"

"A high-level celestial immortal?" Gong Gong laughed and said, " this little girl is born with great moral values. She is a descendant of the sky-mending divine stone. She also has the bloodline of Nuwa. She is simply the most Supreme genius in the Three Realms and six paths! If she were to develop normally for a trillion years, she would even be able to prove her Dao with her strength and become the second heavenly path Sage of the demonic sect!"

yes ... Emperor Jiang nodded and said, " "Lady Xin 'er's talent is definitely the most terrifying in the Three Realms and six paths! The potential to become a saint is clear at a glance!"

"This ..."

Chen Xiaobei gasped and suddenly realized, " no wonder mother Nuwa wanted to seal Xin 'er. Even if this girl could become a saint, the heavenly Dao would not allow it!

"The heavenly Dao will scheme against Taiyi, just like Houtu, and will completely give up! He might even kill the entire demonic sect, just like he killed our Jie sect!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3289: unlucky heavenly soldier**

What a pity for all parents in the world!

The reason why goddess nüwa sealed Futian Xin 'er was because she had done a lot of thinking and planning. Everything she did was for Futian Xin' er.

Primordial chaos demon ancestor was only a secondary problem!

After all, mother Nuwa had the ability to deal with this giant demon!

However, mother Nuwa was powerless against the heavenly Dao's schemes!

She did not even dare to tell Chen Xiaobei about the dangers of this level.

In the heavenly realm, many super mighty figures would often say 'heaven's secrets must not be revealed'.

Actually, it wasn't that he couldn't reveal it, but he didn't dare to.

As long as it involved the heavenly Dao, even if one said a single wrong word, they might be punished by the heavens and pay an extremely painful price.

Chen Xiaobei knew this very well.

He had only said some heaven-defying things before, but it had drawn the wrath of the heavens, and a Thunderbolt had severely injured Chen Xiaobei.

It was for this reason that even someone as powerful as mother Nuwa did not dare to say anything disrespectful to the heavenly Dao.

They didn't even dare to question whether the heavenly Dao would scheme against her.

Only then did Chen Xiaobei understand why lady Nuwa did not tell anyone.

This was the first time Chen Xiaobei felt so uneasy. He was worried that he might end up doing something bad and bring harm to Futian Xin 'er, lady Nuwa, and even the entire demonic sect.

No wonder mother Nuwa had been so angry.

Of course, what was done was done, and primordial chaos demon ancestor was already in the spatial turbulence. It was useless for Chen Xiaobei to regret it now.

Instead of regretting and blaming himself, it was better to pull himself together!

Since I've saved Xin 'er, I'll do my best to protect her!

If the heavenly Dao blocks me, I will defy the heavens!

Chen Xiaobei's state of mind was extremely strong. He quickly stopped regretting and made up his mind.

Heaven-defying!

This was not the first time Chen Xiaobei had such a thought!

If the heavenly axiom really threatened the people that Chen Xiaobei cared about, he would definitely go against the heavenly axiom!

Alright, I have a rough idea of Xin 'er's situation. There's no point in thinking too far ahead. Let's get out of here and settle the southern Warzone first!

Chen Xiaobei took a deep breath and sealed all 32 of them in his Sumeru space, including Gong Gong and Gao Yan.

After waiting for a long time, Chen Xiaobei and Di Jiang left Gao Yan's Meru realm and returned to the real world. They estimated that the heavenly Tribulation outside should have ended.

Of course, Chen Xiaobei would not miss out on Gao Yan's Meru space. He kept it as soon as he came out.

To Chen Xiaobei, this was a huge gain.

First of all, with the help of Emperor river's spatial laws, this space could be integrated into the "Northern profound heaven imprisoning Painting" and expand the space within the painting.

Secondly, there was a treasure-dropping formation in the Meru dimension. After the fusion, the enemy would be sucked into the dimension of the map and would not be able to use their magical treasures.

Basically, once they were sucked into the map, they would be like fish on a chopping board, waiting to be slaughtered by Chen Xiaobei.

As for the talisman, it should have a time limit and would lose its effect after a while.

Of course, this function was not very practical. After all, it was only to avoid the heavenly Tribulation. It was not like one could encounter heavenly tribulations every day. Therefore, even without this function, it was not a big deal.

it seems that we have underestimated Hou Tu!

After that, Chen Xiaobei looked around and said, " "Looking at this situation, Houtu has already successfully passed the Tribulation! We even hid in the Meru space for half a day and wasted a lot of time ..."

Emperor Jiang didn't deny it, but said seriously, " "Thank you, bro bei! Thanks to your help, my little sister successfully transcended her tribulation, and Zhurong and Gonggong have also been protected! I've finally talked about one of my worries ..."

"Why are you being so polite with me?"

"We're Good Brothers!" Chen Xiaobei said with a smile. Your brothers and sisters are my brothers and sisters! You don't need to say these polite words in the future!"

"Chen Zhufeng! Why is it you again?"

At this moment, an angry roar came from the sky.

Chen Xiaobei and Di Jiang looked up and saw that the door to heaven was not closed.

"It's him?"

Chen Xiaobei was a little surprised. The voice from the other side of the divine Gate sounded very familiar.

That's right!

The owner of the voice was the unlucky heavenly soldier who was tricked by Chen Xiaobei to give him an air-frozen bead!

Houtu's Heavenly Tribulation was the same as patriarch shield mountain's, a three-star One.

And that unlucky heavenly soldier was the same as last time. He did not close the gate of heaven realm for a long time, wanting to take the opportunity to absorb some spiritual aura and vitality of heaven and earth.

"What's wrong? Wasn't it enough for me to teach you a lesson last time? And you're still coming in front of me?" Chen Xiaobei laughed.

I've never seen such a stupid person!

She had already been tricked once, but when she saw Chen Xiaobei, she did not take a detour but instead, moved forward. She was going to fall into the same pit twice!

“Hmph! Don’t be so smug!”

shut up! the unlucky heavenly soldier shouted angrily, “ last time, I delayed the closing of the Heaven’s Gate and violated the heavenly law. That’s why I was threatened by you! But this time, I’ve been ordered to stay behind. Don’t even think about threatening me!”

“Orders to stay?” Chen Xiaobei was surprised. “Who did you leave the door open for?”

“Cut the crap! Chen Zhufeng, you tried to break into the heavenly realm. As the heavenly soldier, I have the right to kill you!”

Not only was the unfortunate heavenly soldier not afraid of Chen Xiaobei’s threats, he even abused his power and accused Chen Xiaobei of trespassing the heavenly realm.

This was using public power to take revenge on a private matter!

“BOOM! Yi ...”

The next moment, a Silver Shadow suddenly came from the gate of heaven realm!

this ... This is the power of a two-star heaven immortal!?

Chen Xiaobei’s pupils constricted and his heart almost jumped out of his throat.

Chen Xiaobei had just experienced the power of a two-star divine instrument, and he knew how terrifying it was.

Chen Xiaobei did not have another summoning talisman of the same level.

All the Trump cards in his hands were not enough to resist the power of this level.

“The verdant Emperor’s divine gourd ...”

Chen Xiaobei quickly took out the verdant Emperor divine gourd.

However, the unlucky heavenly soldier attacked first. The speed of his two-star divine immortal power was countless times faster than Chen Xiaobei’s speed.

Chen Xiaobei would not be able to hide in the verdant Emperor’s divine gourd before he died.

“Chen Zhufeng! Go to hell! Hahaha ...”

The unlucky heavenly soldier laughed smugly, “ As long as I kill you! Then I can go to chanism to get a reward! If the heavenly Lord of the origin is happy, I might become the Supreme Commander of the South Heaven Gate tomorrow! Just thinking about it made him feel great! Wahahahahahahahahahahaha ...”

“Receive your reward? I think you should just accept your death!”

However, at this moment, Emperor Jiang looked calm and completely ignored the two-star heaven immortal power that was already in front of him.

**Chapter 3290**

3290 Immortal arm and immortal blood

“Swish!”

The Silver Shadow tore through the sky and came right in front of Chen Xiaobei.

There was no exaggerated Dharma power, nor was there any dazzling spiritual light. It was just extreme speed and power, and it was a direct crushing!

“Chi ... Chi!”

However, the Silver Shadow seemed to be blocked by an invisible barrier in front of Chen Xiaobei, and its power was slowed down for half a second.

What was even more incredible was that this Silver Shadow actually changed its direction in an instant and bombarded toward the gate of heaven realm.

is ... Is this the great lucky chance I got from Houtu? ”

Chen Xiaobei was taken aback. He immediately thought of Houtu’s primordial spirit power, the infinite reincarnation.

“That’s right!”

Emperor Jiang nodded and said with a smile, “this is the kind reward you got for helping Houtu!” With the power of reincarnation on you, the attack of the heavenly soldier will be reflected back to him!”

the two-star heaven immortal level power just now was reflected back? ” Chen Xiaobei laughed evilly, “So, that unlucky child is going to be unlucky again?”

“Uh! Ah ...”

As expected, before Chen Xiaobei could finish his sentence, a miserable scream came from the door to heaven.

Even if the unlucky heavenly soldier borrowed 100 million brains, he would never have expected that Chen Xiaobei’s body had been blessed with the power of reincarnation.

Just a second ago, the unfortunate heavenly soldier was still gloating, fantasizing about killing Chen Xiaobei, receiving a reward and promotion from the heavenly Lord Yuanshi, reaching the peak of his immortal life, marrying his little fairy, and becoming the Supreme Commander of the southern heavenly gate.

However, the attack that he used to kill Chen Xiaobei was reflected back to him.

The speed of a two-star heaven immortal was extremely fast. In a situation where the unlucky heavenly soldier was caught off guard, he had no time to react at all, and his body would definitely be hit.

Judging from the scream, the unlucky celestial soldier had not only been hit, but he was also severely injured.

“Chi ...”

Soon, an arm shining with silver light fell from the gate of heaven realm.

That's right!

It was an arm! A complete arm that had been cut off!

This arm alone was nearly a hundred meters long!

Moreover, a large amount of blood with silver spiritual light was scattered from the place where it was cut!

that ... That's the arm of a celestial immortal!?

Chen Xiaobei's jaw dropped. This was something that he had not even dreamed of.

Chen Xiaobei did not kill the heavenly soldier, but cut off his own arm.

"Bro bei! Don't be in a daze! He retracted that arm! If possible, collect every drop of blood!"

Looking at the arms and blood falling from the sky, Emperor Jiang said excitedly, "This is a two-star divine weapon with the bloodline of the mighty miracle God! His arm and blood were both extremely valuable! Don't miss this!"

Obviously, Emperor Jiang had seen this kind of celestial soldier before. He was excited because the arm and blood of this kind of celestial soldier were rare in the human world. It was definitely not something that could be obtained just because one wanted it.

"Good! Let's go!"

Chen Xiaobei grinned and went up against the heavens.

With a thought, the huge arm was kept into the space ring.

After that, Chen Xiaobei and Di Jiang released tens of millions of ethereal force to collect the blood that was falling like rain.

I don't know where to put this blood ... Chen Xiaobei frowned. He did not have a suitable container with him.

just place the blood and the arm together in the heaven and earth smelt! Emperor Jiang immediately suggested.

"Why is that?" Chen Xiaobei listened to Di Jiang's words and placed the arm and the blood into the heaven and earth furnace, but he was still confused.

"The greatest characteristic of the heaven and earth smelt is that it can store the spiritual aura of the heaven and earth, ensuring that it doesn't leak out or go bad. There are very few magic treasures in the Three Realms that have this ability."

in the same way, the arm and blood of a heaven immortal must be kept alive," said Emperor Jiang. their spirituality, blood essence, and moisture must not leak out. Only in this way can they be preserved for a long time and avoid rotting.

"I see." yes! Chen Xiaobei nodded. but I still can't think of anything. What can I do with the divine immortal's arm and blood? "

"Do you even need to ask?"

the tendons, bones, skin, flesh, fat, and marrow of a heaven immortal's arm are all two-star heaven immortal items. They have a wide range of uses! Emperor Jiang said excitedly.

"As for blood, it can be used to refine the body! Bro bei had the aura of the sky-killing tyrant body technique! How could you not know the principle of blood body refinement?"

"Uh ..."

Chen Xiaobei looked at her and said, " I used to use beast blood to refine my body, and celestial Immortals feel like humans too ... Using their blood to refine my body, I feel strange ...

bro bei, you're a human. It's not strange for you to think this way ...

Emperor Jiang smiled and said,"but there are thousands of races in the heaven realm, and the weak are prey to the strong!" Humans would often end up as food for heavenly demons and heavenly Devils! Sometimes, sky demons and sky demons can also become delicious food on the table!"

"The flesh and bones of the Buddhas and Bodhisattvas of the Buddhist League are the most coveted cultivation treasures for immortal cultivators! The bodies of our senior Magi are also the best materials for making magic treasures, and our graves are often dug up and stolen!"

"If one is in a desperate situation and at the last moment of survival, even if one is also a human, there is often the behavior of exchanging children for food!"

I'm telling you all this because I want to tell you that to reach the peak of the immortal Dao, it's like trying to survive in a desperate situation. All the resources that can be used must be used!"

Emperor Jiang said seriously,"compared to eating an easy child, refining my body with divine blood is nothing!" The strange feeling in your heart is just a small inner demon! Defeat it, and the road ahead will suddenly open up!"

I understand ... Chen Xiaobei's mental state was strong enough to understand what Di Jiang meant.

Since his goal was to become a saint, he should give up the meaningless mentality of a mortal. Otherwise, if his Dao heart was not connected, he would never be able to become a saint!

Chen ... Chen Zhufeng ...

At this moment, the unfortunate heavenly soldier's painful wail came from the gate of heaven realm, " "It's my fault ... I shouldn't have attacked you ... Please give me back my arm ..." He begged.

Chen Xiaobei laughed and said, " "Heh, you first framed me for breaking into the heaven realm, and then you abused your power to kill me! Can you just admit your mistake? Then I'll kill you first, and then I'll say sorry. Do you agree?"

it's all my fault ... I'm willing to compensate you ... the unlucky heavenly soldier said in a sad voice, ”  
“How about this ... I'll give you my two-star heaven immortal instrument ... And you give me back my  
arm ... That's fine, right?”

“A two-star heaven immortal artifact?” Chen Xiaobei's heart skipped a beat.
