Chapter 3301

3301 Three promises

“Six-eared!”

Chen Xiaobei looked at six-eared macaque again, hoping to get more answers.

Six-eared macaque shook his head and said, “the Holy eternal water is only sentient and doesn’t have a complete consciousness ... I can only sense what I sensed just now. I can only ask this woman for the rest!

“How is it? You don’t dare to act rashly now, do you?” “Why aren’t you withdrawing your true essence?” Athena sneered.

Six-eared macaque looked at Chen Xiaobei.

Seeing Chen Xiaobei nod, six-eared macaque unwillingly withdrew his ethereal force and stopped suppressing Athena.

“You guys can leave!”

Athena said in a commanding tone, “As long as you all leave, I can guarantee that immortal dugu zang will be safe and sound! If you don’t listen to me, I’ll make immortal dugu zang die with me!”

“Don’t be in such a hurry!”

“Don’t you know that you’re not done with your revenge yet?” Chen Xiaobei said. There was another force called the temple of the gods in the earth-god Realm! What they inherited is the orthodoxy of the Western divine Palace!”

“I know!”

When Athena heard this, her expression became fierce again. In the past trillion years, there have been people who have occasionally broken into this place. After capturing them, I will naturally be able to know what is happening outside!

Moreover, dugu Tatian had sent dugu zang Xian here back then. I cured dugu zang Xian’s strange illness, and dugu Tatian used the intelligence network of nine nether platform to help me investigate everything I wanted to know!

“That’s why I know about the existence of the temple of the gods!”

Of course! Athena said solemnly, “I treated dugu zang Xian, taught her cultivation, and even made her form a contract with the eternal holy water so that she could use the eternal power to cultivate quickly! It’s all so that one day, she can destroy the temple of the gods for me!”

The others were surprised, but Chen Xiaobei understood more.

Before this, Chen Xiaobei had been holding back on dugu zang Xian because he felt that dugu zang Xian was hiding some secrets.

For these secrets, dugu zang Xian was willing to sacrifice everything, including Chen Xiaobei.

Chen Xiaobei finally understood that the secret that dugu zang Xian was hiding was to destroy the temple of the gods.

“But! Immortal dugu zang has truly disappointed me!”

I thought that she could Annex heavenly Yin Hall this time, ” Athena said. she could strengthen her own strength and then go to war with the temple of the gods!

“However, she was utterly defeated in the hidden Sky Mountain! If I hadn’t sacrificed all of my spiritual energy to get the Holy eternal water to help, she would have long become the Dragon God’s toy!”

It was clear that Athena had also signed a contract with the Holy eternal water.

By sacrificing one’s spiritual energy, one could exchange it for some eternal energy or a water attribute special ability.

At the same time, these words also revealed a clue.

Even if Athena was here, she would know dugu zang’s location and what was happening around him.

There were two possibilities. One was that immortal dugu zang had reported it to her, and the other was that she had cast something special on him.

For example, Gu worms!

Chen Xiaobei had the scholar heart, so he immediately made the connection!

That was because Lord scorching heat had a Gu worm that allowed him to know dugu zang Xian’s location.

Chen Xiaobei, on the other hand, did not think that dugu zang Xian had anything to do with the witch tribe.

Then there was only one possibility, the Gu worms in Lord scorching heat and dugu zang Xian’s hands were from Athena.

Athena had traveled all over the earth-god Realm for at least tens of millions of years, so it was completely reasonable that she had come into contact with the Sorcerer tribe and obtained some sorcerer Gu.

Moreover, Athena kept saying that she wanted dugu zang to be buried with him, as if she controlled his life and death.

This was definitely related to Gu worms.

Unfortunately, the waiter had been in a deep sleep ever since he had eaten a small part of the underworld mountain armor.

Otherwise, if he let the waiter out, all the Gu worms in the human world would have to kneel down and call him Grandpa.

Since Xiao 'er had not woken up, Chen Xiaobei would have to solve the problem himself.

"I've already said what I needed to say! If you don't want to see immortal dugu zang die, you must leave this place immediately!" Athena urged impatiently.

"What do you plan to do to her after we leave?" Chen Xiaobei asked.

"Hmph! Immortal dugu zang has truly disappointed me! She could no longer rise again! In order to keep this place a secret, I can't let her leave!"

Athena said coldly, " she will stay here with me for the rest of her life. She will use her spiritual energy to provide for the Holy water of eternity! So don't worry, I won't kill her!"

after I find a new successor and completely exterminate the orthodoxy of the Western divine Palace, if dugu zang Xian still has a lifespan, I promise to return her freedom and let her leave this place!

As soon as he said this, everyone's brows furrowed tightly. They were in a dilemma.

If he did, he might even threaten dugu zang's life.

If they retreated, dugu zang Xian would most likely be trapped here for the rest of his life. Just like Athena, he would slowly turn from a radiant goddess to an old woman who had experienced many vicissitudes of life.

"Senior Athena!"

Suddenly, Chen Xiaobei stepped forward and said politely, " "After hearing the whole story, I can be sure that you've only been blinded by hatred! You can guarantee that you will return Xian 'er's freedom after the matter is over, which shows that your good intentions have not been extinguished!"

Just as Chen Xiaobei had said, Athena was just a pitiful person who had been deceived by the Western Palace.

It was her obsession with revenge that influenced her actions. It made her a person who would do anything to achieve her goals.

Her heart was actually not bad.

"What's the point of saying all this now?"

yes," Athena said coldly. my kindness made me believe in the Western Palace. I was loyal and devoted to them! The result proved that kindness was simply the stupidest and most lowly thing! I even regret having good intentions!"

"Senior, don't be anxious!"

"I can help you with three things!" Chen Xiaobei said with a smile. In exchange for Xianer's freedom!"

"Three things?"

“Unless you can destroy the temple of the gods,” Athena said disdainfully, “I won’t agree to three or even thirty thousand requests, let alone three!”

Not only Chen Xiaobei, but everyone else around him smiled at him.

“The first thing I’m going to do is to destroy the temple of the gods!” The second thing is to help you increase your lifespan and restore your former glory! Third, I guarantee that you’ll successfully transcend your tribulation and ascend to the heavenly realm!”

what???

Athena was stunned, as if she had heard a great joke. She said with disdain, “You brat, you don’t even make a draft when you brag? You can do these three things? Why don’t you just say that you can make the sun rise from the North?”

[Red Envelope Group of the Three Realms](#)

Chapter 3302: gaining trust

It had been a long time since Athena had received news from the outside world. She had no idea about Chen Xiaobei’s feats that had shaken the earth-god Realm.

Chen Xiaobei was glad that dugu zang Xian had never betrayed him. He didn’t come to rescue her in vain.

At this time, Lord scorching heat stood out and said, “Martial ancestor! You don’t know this, but Childe Chen has destroyed the temple of the gods! The headquarters of the shrine on Mount pantheon has also become a branch of bei Xuan faction!”

“What? The temple of the gods had become a branch of bei Xuan faction? This ... How is this possible?”

Athena’s expression froze for a moment before she shook her head. “Don’t you dare lie to me! Do you think I’m an idiot if you think you can save immortal dugu zang like this?”

“Your grand-disciple wouldn’t dare ... But this is absolutely true! The entire earth-god Realm already knows about it!” Lord scorching heat hurriedly explained.

“Evidence!”

Athena looked at Chen Xiaobei suspiciously and said, “ unless you can produce concrete evidence, I will never believe you!

“Of course I have evidence!”

Chen Xiaobei smiled and took out the staff of wisdom and the 108 Saint Cloth boxes.

“This ... This is ...”

Athena knew better than anyone what these things were, but she had never dreamed that these things she had brought from heaven and destroyed with her own hands would actually appear in front of her eyes.

“I took these things out from the core Treasury of the pantheon Palace!” “If you don’t believe me, you can come with me to the temple of the gods!” If I lie, you can kill Xian ‘er at any time!”

this ... Athena’s expression changed drastically.

Just a second ago, Athena did not believe Chen Xiaobei at all.

But when she saw what Chen Xiaobei took out and his confident attitude, Athena believed him.

After all, Athena had obtained a lot of confidential information about the earth-god Realm through dugu Tatian.

Among them was information about the pantheon’s collection of Holy garment boxes.

The Holy garment box was of great importance to the pantheon, and it would never be given to outsiders.

Since Chen Xiaobei had taken out all 108 Saint Cloth boxes, it was enough to prove that Chen Xiaobei had really been to the pantheon’s Treasury and had taken away the most important things.

There was only one possibility!

Chen Xiaobei had really destroyed the temple of the gods, which was why he could freely take control of the things in the core Treasury.

Athena was silent for a long time before she calmed down. She looked at Chen Xiaobei and asked, “You ... How did you do that?”

it’s a long story ... Chen Xiaobei said. Xian ‘er’s life is in your hands anyway. What’s there to worry about?”

“How did you deal with the believers of the temple of the gods?” Athena continued to ask.

Obviously, her biggest obsession was to erase the orthodoxy of the Western divine Palace from the earth-god Realm.

As long as the believers were still there, the orthodoxy would still be there!

Just like in the past, although Athena had destroyed the sect she had built, destroyed the staff, and sealed the Holy garment box, the believers of the western shrine were still there, and gradually, the temple of the gods was created.

By the same logic, even though Chen Xiaobei had destroyed the temple of the gods, as long as the temple’s legacy was still there, it would still be revived many years later!

If you cut the grass and don’t remove the roots, it will grow again in the spring wind!

Athena wanted Chen Xiaobei to kill all his believers.

“Don’t worry!”

“I did a live broadcast before the war between me and the temple of the gods!” The ugly faces of Tianji city, hollow Jade temple, and gods “Palace are already known to everyone!”

this will cause some of the believers who are against war and love peace to collapse their faith and no longer believe in them!

“In addition, they were completely wiped out by me in the great battle! This will cause the other half of the radical and warlike believers to collapse in their faith and no longer believe in them!”

at the same time, my people will soon take full control of the pantheon sanctuary and begin to spread the teachings of my bei Xuan faction!

“The faith of the majority of people has collapsed, and my orthodoxy has forcefully intervened! With both internal and external attacks, all information regarding the Western Orthodoxy will completely disappear with the passage of time!”

“In the near future, the orthodoxy of my bei Xuan faction will become the largest orthodoxy in the earth-god Realm, and even the only one! Your ultimate goal will be achieved!”

Chen Xiaobei was very confident as he spoke, as if everything was under his control.

Di Jiang and six-eared macaque smiled and nodded. They trusted Chen Xiaobei one hundred percent.

However, Athena, Lord scorching heat, and han Zicheng were all dumbfounded, and their hearts had all suffered an incomparably violent impact.

They did not know Chen Xiaobei, and they did not know that Chen Xiaobei’s ultimate goal was to unify the earth-god Realm.

According to a normal person’s train of thought, they would never dare to imagine all this.

However, this was exactly what Chen Xiaobei was doing.

“If what you said is true! Even if you can’t do the other two things you promised me, I’m willing to set Xianer free!”

Athena was willing to believe Chen Xiaobei.

When Chen Xiaobei was speaking, his body was exuding an extremely domineering aura, like a king of the Supreme Emperor. Every word he said was full of persuasion.

Athena was influenced by Chen Xiaobei’s aura and believed him.

In fact, this had something to do with Chen Xiaobei’s charm. However, the effect of his charm was not as obvious as his luck, so not many people noticed it.

“Don’t worry! I’ll do all three things I promised you!”

I know you’ve made some mistakes, but you’ve cured Xianer’s illness, taught her how to cultivate, protected her when her family was destroyed, and helped her take revenge. You’ve also helped her regain control of the nine nether platform!

“All in all, your kindness is greater than your fault! It is also because of this that Xian ‘er would plot desperately at all costs and even use all her strength to attack heavenly Yin Hall just to fulfill your long-cherished wish and help you destroy the gods’ Palace!”

“That’s why I agreed to those three things! This is to repay Xianer’s kindness, and also to save you! I hope you can walk out of your hatred and enjoy the beautiful life that should have belonged to you!”

Obviously, Chen Xiaobei believed in justice, and he believed that good would be rewarded.

Athena had planted many good seeds, enough for her to taste the taste of good.

Originally, these good deeds should have been given to her by the true immortals of the Western divine Palace, but what she had received was deception and betrayal.

Since the heavens were not fair, Chen Xiaobei would personally seek justice!

He had personally bestowed the good karma that should have belonged to Athena!

“Can you really do it? Increase my lifespan? Help me to transcend the Tribulation?”

Athena looked at Chen Xiaobei, and her heart was filled with indescribable emotions.

[Red Envelope Group of the Three Realms](#)

Chapter 3303

3303 One arrow, three birds

It was reasonable to say that after taking her revenge, Athena should have given up on her obsession and accepted death.

But Chen Xiaobei gave her a chance to live, and to enjoy the life that she was supposed to have.

To a person who had lived on the edge of death for a trillion years, this was simply the ultimate temptation. He simply could not resist it.

If even ants wanted to live, why would a person who could live want to die?

“Of course I can do it!”

Chen Xiaobei smiled and took out a pill from his infinite space ring. “This is a type of medicinal pill that I obtained from the enemy’s treasure vault. It can increase one’s lifespan by a hundred years, but as a price, it will reduce one hundred thousand points of physical strength!”

Obviously, Chen Xiaobei had discovered this pill later on. It did not restore much lifespan, but the side effects were severe. It was far less effective than the everlasting blood and longevity pill.

However, making the everlasting blood and longevity pill required the blood of a type of demonic beast, so Chen Xiaobei did not have it on hand.

Of course, for a peak earth immortal with a physical strength of 333.3 billion like Athena, losing a mere 100000 physical strength points was like a drop in the ocean. The impact was minimal.

100 ... 100 years of lifespan?!

Athena was dumbstruck, and she looked at the pill like a demon, not even caring about the loss of health. “If possible, I hope you can give me more of these pills ... The more the better!”

“Senior, there’s no need to be so anxious!”

of course not! Chen Xiaobei smiled. the side effects of this pill are too strong. One pill is enough! The additional 100 years of lifespan is enough for me to operate and let you successfully transcend the Tribulation!”

“As long as you become a true immortal, your lifespan will skyrocket. In the short term, you won’t have to worry about running out of lifespan. Naturally, there’s no need to rely on the power of pills.”

Chen Xiaobei was very confident that Athena would be able to ascend. Naturally, he was considering the problem from the most advantageous angle for Athena.

“Good! I’ll listen to you!”

Athena’s heart was repeatedly shaken. Coupled with Chen Xiaobei’s off-the-charts charm, she had unconsciously developed an instinctive trust in Chen Xiaobei. It was even a form of dependence!

“Here!”

Chen Xiaobei handed the pill to Athena.

Athena swallowed it in one gulp. Probably because she had been in contact with the Holy eternity water for many years, she had been influenced by the power of time. Therefore, Athena could clearly feel that her lifespan had indeed increased by a hundred years.

“Success! He had really succeeded! Young man! You’re a good person! You didn’t lie to me!”

Athena was extremely excited. After being deceived by the Western divine Palace, her heart was very fragile. She was very afraid of being deceived again, so she didn’t trust people easily.

Luckily, Chen Xiaobei did not let her down again. Otherwise, she would have lost all her good will and fallen into the path of extreme evil.

“Of course I won’t lie to you!”

” I’ll make you a femme fatale pill later, ” Chen Xiaobei said with a smile. I’ll help you regain your glory when you were at your peak. Then, when the time comes, I’ll help you cross the Tribulation and ascend to heaven!

“Thank you ... Thank you ...” He said.

Once upon a time, Athena was deceived by the Western Palace and ended up in this state. Now, she was shedding tears because Chen Xiaobei kept his promise.

Just as Chen Xiaobei had said, this was Athena’s redemption, allowing her to regain her heart and kindness.

Of course, there was also the face of the former goddess.

“Gululu ... Gululu ...”

At the same time, dugu zang Xian had a bean-sized lump on the back of his hand.

Gradually, the skin broke open and an ugly Gu worm crawled out.

The Gu worm fell to the ground and was soon frozen to death in the snow.

Obviously, Athena's state of mind had changed completely. She had chosen to trust Chen Xiaobei completely and not threaten him with dugu zang Xian's life.

Trust!

This was definitely a rare and valuable item.

It was even more difficult to trust each other.

Since Athena believed in Chen Xiaobei, it meant that she was on the same boat as Chen Xiaobei. She would never do anything to harm Chen Xiaobei again.

"Six-eared!"

Chen Xiaobei gave six-eared macaque a look.

"Whoosh ..."

Six-eared macaque understood tacitly. With a thought, he extracted the Holy eternal water from Athena and dugu zang Xian.

At the same time, he had also removed the spiritual contract they had with the Holy eternal water.

"Master!" Lord scorching heat hurriedly rushed over to support the unconscious dugu zang Xian.

"Chi ..."

Then, six-eared macaque flicked the Holy eternal water to Chen Xiaobei.

Chen Xiaobei then put the Holy eternal water into his infinite space ring.

"Phew ... It's finally done!"

Chen Xiaobei heaved a sigh of relief. He was one step closer to his ultimate goal.

It did not take Chen Xiaobei much effort to save dugu zang Xian, rescue Athena, and obtain the Holy water of eternity.

The three major things were smoothly settled, killing three birds with one stone. He was extremely lucky.

There was nothing left to stay here, so everyone left on the devil Crow King.

Before he left, Chen Xiaobei did one more thing.

He released the witch Dragon heavenly flame and completely burned down the entire capital city.

The dead paid particular attention to being buried in peace, and it was very ominous to see a corpse standing there, and it was also a great disrespect to the dead.

Chen Xiaobei cremated all the dead and buried them under the scorched earth of the burning city. It was a form of sending them to their graves to rest in peace. It was a form of good karma.

From now on, one of the seven forbidden places in the earth-god Realm would be reduced to the last three!

.....

Bei Xuan faction.

Because Athena was very weak and Dugu Zang Xian was still unconscious, Chen Xiaobei did not continue to stay in Northern Kuruzhou. Instead, he returned to Bei Xuan faction.

The first thing Chen Xiaobei did when he returned was to feed Dugu Zang a Wuji soul-essence pill. As long as he took a nap and recovered his mental power, Dugu Zang would be able to wake up.

After that, Chen Xiaobei went to the vault, took out a lot of herbs, and started to make the Jade face pill. He then placed the pill furnace under the sunlight treasure box to speed up the pill formation.

After that, Chen Xiaobei summoned another 31 Bei Xuan faction core disciples.

In the previous battle, Chen Xiaobei had captured 31 ancient Celestials, including Gao Yan, alive.

The cultivation of these people was all transferred to the core disciples.

In an instant, there were 31 more peak earth level deities in Bei Xuan faction.

Ten of them went to assist Xiang Yu, another ten went to assist Ying Zheng, and the last eleven went to assist Xuanyuan Tuohai.

Without a doubt, these 31 people would greatly speed up Bei Xuan faction's expansion and unification.

The days where Bei Xuan faction occupied half of the immortal world were getting closer and closer.

After he was done, Chen Xiaobei returned to Athena's side.

There was an important matter that he had to consult Athena on.

[Red Envelope Group of the Three Realms](#)

Chapter 3304

3304 New trump card

"Senior, I've obtained a giant's body by chance, and I want to make a set of armor for him!"

I've heard that the Saint Seiya battle suit can automatically adapt to the owner's body size. Can you teach me the secret?" Chen Xiaobei asked.

Childe Chen, you're being too polite!

you have given me a new life," Athena said without hesitation. not to mention the secret of the Holy garment, even if you want my life, I will give it to you without hesitation!

It had to be said that Athena was also a very emotional person. She would definitely take revenge without any hesitation.

"That's great!"

Chen Xiaobei then took out the staff of wisdom and the 108 Saint Cloth boxes.

“Senior, please teach me!” Chen Xiaobei calmed himself down and waited.

“Actually, you don’t need to make a new set of armor!”

don’t tell me you’ve never thought about it,” Athena said indifferently. my staff of wisdom and these sacred cloth boxes have not reached the divine fairy level. Why can I preach in the earth Fairy world? ” And he even established a force?”

Chen Xiaobei was taken aback.

Indeed, in the ancient times, resources and spiritual energy were extremely rich, and experts were as common as forests, and geniuses appeared in large numbers.

Moreover, at that time, the number of heaven immortal artifacts in the earth immortal realm was probably not small! It was only later on that the Tribulation Transcenders brought them to the heavenly realm, causing the number to be greatly reduced to a mere dozen or so!

In other words, in that environment, it was almost impossible to travel around the Earth-god Realm and preach without a heaven-immortal artifact, let alone establish a big sect and snatch believers.

wait! Chen Xiaobei said, ” senior said that I don’t need to reforge the armor. Does that mean that you have another heaven-immortal item? ” And this heaven immortal item itself is a set of battle armor and Saint clothes?”

“It’s not the other one! It’s everything in front of you!”

Athena smiled and waved her hand, releasing a mysterious true essence energy that removed the restrictions she had placed on the 108 Saint Cloth boxes.

As she had said before, these Saint Cloth boxes were not damaged. The reason why their spirituality was intermittent was because she had added a layer of mysterious restriction.

Now that the restriction was lifted, the spirituality of the sacred cloth box was released.

From the spiritual fluctuations, Chen Xiaobei could clearly feel that the 48 bronze chests were 5-star earth-god tier, 24 silver chests were 6-star earth-god tier, 12 gold chests were 7-star earth-god tier, 12 dark gold chests were 8-star earth-god tier, and the last 12 gold chests were 9-star earth-god tier!

there’s a mysterious unity battle formation hidden in these 108 Saint Cloth boxes. It can be fused into a super powerful one-star late-stage heaven immortal battle suit!

when I first came to the earth-god World, I used this armor to fight against powerful enemies,” Athena said. I fought bit by bit and got to the scale later!

“A late-stage one-star heaven immortal? This was simply too good! It’s just what I want!” Chen Xiaobei said excitedly.

Chen Xiaobei’s trump card was only the sky-imprisoning painting. The rest of them were only one-star intermediate-stage sky Immortals.

Once the armor was fully integrated, it would become another trump card in Chen Xiaobei's hands.

Besides, this armor was something that Chen Xiaobei needed the most right now. Combined with his two-star heaven immortal body, he was like a super tank that could dominate the earth-god Realm.

Childe Chen ... Don't be too happy!

Athena said in a deep voice, 'if I want to fuse these 108 Holy cloth boxes, I must first repair the staff of wisdom! This was the core formation eye of the battle formation, and also the key to fusing the battle armor! Without the wisdom scepter, everything can not be realized!'

"This ..."

Chen Xiaobei was surprised. "How do you repair the staff of wisdom? What materials do you need?"

the repair method is very simple. All you need to do is to smelt and repair the cracks!

Athena paused for a moment before she changed the topic. however, I'm afraid that the earth-god Realm doesn't have the required materials ... It's a one-star heaven-God metal, Starlight pure gold!

"Star splendor adamantine?" Chen Xiaobei was taken aback. He had never heard of such a thing.

This kind of thing probably didn't exist in the earth-god World.

Even if they did, they were extremely rare.

To find it, it was probably as difficult as finding the three great divine items, even harder than finding a needle in a haystack.

"Merit record! I want to exchange for a piece of Starlight adamantine!"

Of course, to Chen Xiaobei, if he could not find it, he would just give up.

After all, it was only a one-star divine item, not a divine item. Chen Xiaobei could accept the exchange price.

[ding! You have successfully exchanged for a merit point reward. 5 billion merit points have been deducted!]

– your current merit points are 10106.67 billion.(Charm: 1010.66 billion, luck: 1010.667 billion!

A one-star heaven immortal item didn't have anything useful. The exchange price was much cheaper than a heaven immortal artifact.

Chen Xiaobei had so many merit points that five billion was just a fraction of his wealth.

"Senior, look!"

Chen Xiaobei smiled and took out the Starlight adamantine.

how ... How is this possible?!

Athena was stunned. "Why do you have star splendor adamantine? This ... This is impossible! This is too much of a coincidence ..."

“This is a long story! You’d better teach me the fusion method first!” Chen Xiaobei smiled.

“Good! No problem!” Athena calmed herself down and began to teach Chen Xiaobei how to fuse the battle suit.

.....

Everything that happened after that went smoothly.

First, the Jade face pill was successfully refined. There were seven pills in a furnace.

After that, Chen Xiaobei quickly repaired the wisdom scepter under the sunlight cache. With the help of the witch Dragon Flame, the speed of repair was greatly increased.

Only a few hours had passed in the outside world, and Chen Xiaobei had already restored the staff to its original appearance.

my God ... Childe Chen ... You’re a god!

Athena had witnessed everything that Chen Xiaobei had done with her own eyes.

From Athena’s perspective, Chen Xiaobei’s pill refining speed was way faster than any of the alchemy Masters in the earth-god Realm! His refining speed also far surpassed that of any equipment forging Grandmaster!

Even the ancient alchemy grandmasters were weak compared to Chen Xiaobei.

“No need to be amazed!”

of course! Chen Xiaobei smiled. the real surprise is just the beginning!

w-what?!

Athena was stunned. She could not imagine what Chen Xiaobei would do next that would shock her even more.

“Eat this!”

Chen Xiaobei took out a Jade face pill and said, “When I was watching cartoons, I always wanted to see how stunning the legendary goddess of the west was! Today, my dream can finally be realized!”

[Red Envelope Group of the Three Realms](#)

Chapter 3305

3305 Super cool

can this pill really ... Really restore my youthful appearance? ”

Athena took the pill in disbelief.

According to the standard of alchemy in the earth immortal world, this kind of elixir was absolutely impossible to exist.

However, Chen Xiaobei had never let her down. Every time he fulfilled his promise, Athena's trust in Chen Xiaobei increased.

Even if Athena could not believe it, she would still believe Chen Xiaobei unconditionally.

"Whoosh ..."

As soon as the pill entered his mouth, its magical effects spread rapidly.

There was no doubt that Chen Xiaobei would not let Athena down this time. The recipe for the Jade Beauty Pill came from the heavenly realm, and Chen Xiaobei had already used it before.

The effect wasn't just good, it could be said to be perfect.

Very quickly, the originally aged Athena completed the gorgeous transformation of a butterfly breaking out of its cocoon.

His pale and dry hair turned into a head of smooth golden long hair that reached his waist. He looked noble and elegant.

Her wrinkled and mottled skin instantly became smooth, delicate, and fragile. It was also very fair, like snow White, without the slightest flaw.

Her hunched and shriveled body suddenly straightened up. She was almost as tall as Chen Xiaobei, even taller than most women.

The main point was that she had a typical Westerner figure. Her curvaceous curves could only be described as explosive.

She had clear blue eyes, a tall and delicate nose, and soft, rose-red lips.

Without a doubt!

This was the legendary figure of a devil and the face of an angel!

"It's so beautiful!"

Chen Xiaobei stood at the side and watched the whole process of ugly duckling turning into a White Swan.

This was a magnificent transformation.

Of course, to Athena, this was a new life she had been dreaming of!

Childe Zhufeng ... Thank you ... Thank you!

Athena looked at the changes in her body, and her heart was greatly impacted. Her voice choked, and her eyes turned red. She was actually crying tears of joy, and clear tears fell.

At this moment, there were a thousand words in Athena's heart.

However, when thousands of words were at the tip of his tongue, they finally came together to form a sentence.

Thank you!

It was clear that only one percent of Athena's heart was filled with excitement and joy! The other ninety-nine percent was out of gratitude to Chen Xiaobei!

If it was not for Chen Xiaobei, Athena would still be living a lonely life in the city, tormented by hatred.

If it was not for Chen Xiaobei, Athena would never be able to get her revenge in this lifetime. Perhaps even after a trillion years, she would still be where she was, and the enemy's orthodoxy would grow stronger.

Without Chen Xiaobei, even if Athena had her revenge and regained her freedom, the wrinkles on her face would not be able to be erased! His old and ugly body couldn't be recovered! In this life, he would still have great regrets.

Because of that, Athena's gratitude towards Chen Xiaobei was beyond words.

It was a simple thank you, but it came from the deepest part of his heart and was extremely solemn! He was extremely serious! He was extremely pious!

From this moment on, Athena had even become Chen Xiaobei's believer!

She even believed that she owed Chen Xiaobei her life.

As long as Chen Xiaobei needed it, she was willing to do anything for him.

"You don't have to be so polite, we're all on the same side from now on!"

I still owe you a third promise. When I find a suitable half-step sky immortal, I'll transfer his cultivation to you. After that, you'll be able to pass the Tribulation and ascend at any time! Chen Xiaobei said.

thank you, Childe Chen! This time, Athena did not doubt Chen Xiaobei's words. She believed every single word he said.

"Alright! Now, let me see what the scepter of wisdom will look like after it fuses with the 108 Holy cloth boxes!"

Chen Xiaobei smiled and took out the wisdom staff that had been repaired.

Athena had already taught Chen Xiaobei how to fuse them together. With the scholar heart, it was not difficult at all.

"Whoosh ..."

Chen Xiaobei connected with the intelligence scepter.

The next moment, the illusionary array of 108 Saint Cloth boxes appeared in Chen Xiaobei's mind.

Chen Xiaobei was like the commander of an Army. He could command the 108 formation eyes in his mind to form a combined formation.

The array arrangement was like a set of secrets. Once the arrangement was correct, it could directly activate the fusion of the Holy garment.

“Woof! Buzzzzzz! Yi ...”

The next moment, the 108 Saint Cloth boxes opened automatically.

A series of Saint seiya 'battle suits flew out.

These Saint robes were all made of metal and formed different shapes according to the constellations.

The 108 star constellations, after being combined in a special array, actually formed the shape of a star in the universe.

“Great universe fusion!”

Chen Xiaobei held the scepter of wisdom with both hands, and in an instant, a golden light burst out and enveloped his entire body.

“Whoosh! Whoosh! Whoosh ...”

Then, the hundred and ten divine robes flew toward Chen Xiaobei in a specific order.

Just like the Iron Man suit, the Saint Seiya suit that flew over would automatically fit on Chen Xiaobei's body and fit him perfectly.

What was even more amazing was that after the first Holy garment had automatically worn itself, the second Holy garment immediately covered it.

The third one! The fourth item! The fifth item ...

More and more Holy garments were stacked on top of each other.

In the end, Chen Xiaobei's body was layered with all 108 layers of the Saint Seiya battle suit.

Surprisingly, Chen Xiaobei was not wrapped up like a ball.

Each layer of Holy garment was like a thin film that perfectly fit Chen Xiaobei's body. The 108 layers added together made it as thick as a normal battle suit.

Of course, this battle suit that had fused one hundred and eight layers had undergone a huge change in appearance.

Bronze, Silver, gold, dark gold, and Platinum!

Five types of metals had been fused into an alloy that no one could name.

This alloy seemed to be able to give off different lights of the sun, moon, and stars. It was dazzling and eye-catching.

The entire set of battle armor had sharp edges and corners, making it look majestic! The helmet was like the head of an Azure Dragon, the center of the breastplate was like a rotating black hole, the gauntlet had barbed wristblades, and the Greaves were like chasing the wind and stepping on the clouds!

The most cool part was his back! They were like 36 Crescent Sickles, with 18 on each side, forming a pair of dazzling steel Battle Wings!

“He’s so handsome!”

Chen Xiaobei gasped in surprise and quickly asked, “Does this armor have a name?”

Red Envelope Group of the Three Realms

Chapter 3306

3306 Master and disciple meet

“Universe God of War! That’s its name!”

Athena smiled, and her eyes revealed a trace of love that came from her heart.

Of course, what she liked was how Chen Xiaobei looked when he was wearing the armor, not the kind of love between a man and a woman.

After all, the escape armor had been in Athena’s hands for a long time.

Athena still had some feelings for this set of armor.

In addition, Athena had also worn it back then.

It was just that this set of armor could automatically adapt to the owner’s body shape, so it could be worn by both men and women.

“Universe war god Holy garment?”

Chen Xiaobei’s eyes lit up. This was a very Western name. It reminded him of the cartoon he watched when he was young.

“However, I’m not the one who’s wearing this armor ...”

when I’m facing a powerful enemy, I’ll need a 300-meter-tall divine immortal body to wear this armor. Is that okay?” Chen Xiaobei asked.

“Of course, no problem!”

this set of armor is a late-stage one-star heaven immortal artifact,” Athena said. it was made in ancient times and is very magical! Not to mention 300 meters, even a 1000 meter tall humanoid magical beast can wear it!”

it can only adapt to a height of 1000 meters! Chen Xiaobei gasped, “The 1000-meter giant is wearing armor! The title of universe war god is indeed well-deserved!”

Athena nodded and continued, “Other than its size, this set of battle armor’s defensive power is also very strong! Furthermore, it also had a very powerful offensive ability! Even if Childe Zhufeng were to wear it, it would still be extremely powerful!”

“Both offensive and defensive! That’s just what I want!” “That saves me the trouble of looking for a giant weapon!” Chen Xiaobei grinned.

Athena smiled sweetly, her beautiful eyes sizing up Chen Xiaobei.

Men liked to look at beautiful women, but women liked to look at handsome men too.

“Let’s go. We should go out and see Xian ‘er. She should be awake by now.”

With a thought, Chen Xiaobei’s cosmic war god Holy garment detached itself from his body. It did not split into 108 pieces, but formed a brand new Holy garment box.

From this, it could be seen that the 108 Saint Cloth boxes had one form when they were fused and another form when they were separated.

Unless Chen Xiaobei took control of it, it would remain in the same form for a long time.

From now on, this set of Cosmic Saint raiment was Chen Xiaobei’s. He did not need any other Saint seiya, so there was no need to separate them.

.....

Bei Xuan faction.

In the garden.

Immortal dugu zang had indeed woken up. He was strolling around with Liu xuanxin.

Back then, dugu zang had helped Liu xuanxin once. Therefore, the two of them still had a few words to say to each other.

Back then, Liu xuanxin was still very weak, but today, in terms of individual combat strength, she had already surpassed dugu zang Xian.

When the two of them were alone, Liu xuanxin was not nervous at all. She was calm and composed, neither servile nor overbearing, and she gave Chen Xiaobei enough face.

On the other hand, dugu zang Xian was shocked. He could not figure out what kind of method Chen Xiaobei had used to make Liu xuanxin change so much.

“Xuan Xin! Xianer! I’ve finally found you!”

Chen Xiaobei walked over with Athena.

Without a doubt, Liu xuanxin and dugu zang Xian’s attention immediately fell on Athena.

This Western woman was simply too beautiful!

She had blonde hair, blue eyes, fair skin, and an explosive figure. She would not lose out even if she was placed among Chen Xiaobei’s beauties.

“Xian ‘er!”

Athena also couldn’t help but call out to her disciple.

“You ... You know me?”

A trace of doubt appeared on dugu zang Xian’s pretty little face.

In fact, dugu zang Xian had a special feeling toward Athena. He felt very familiar and close to her.

However, the huge change in Athena’s appearance had diluted this feeling.

“I’m your master!”

Athena quickly walked over and said, “ Childe Zhufeng used a pill to extend my life. He also used a Jade face pill to restore my appearance when I was young!

this ... dugu zang had always been reserved and calm, but at this moment, he couldn’t help but reveal an expression of shock.

Even if her brain exploded, she did not dare to imagine that this extremely beautiful woman in front of her was actually her old master.

“I still remember that you had a strange illness when you were young. When your life was in danger, your father brought you to me!”

Athena said in a deep voice,“I used a special ancient Immortal Technique to cure your strange illness!” He even taught you how to cultivate and let you use the eternal power to quickly improve your cultivation. The moment you leave the mountain, you will be a peak earth immortal!”

“After you left, we master and disciple have not seen each other for many years! However, the connection between us has never been cut off! This phone was left to me by your father!”

As Athena spoke, she took out an old phone and said, “ “Your father and you both used this phone to contact me and provide me with information about the outside world! Now, you should believe me, right?”

“This ... This is real!”

Dugu zang Xian’s expression instantly changed, and he couldn’t help but rush over to hug Athena. He said with great excitement, “ “Master! It really is you! That’s great ... I didn’t expect to meet you outside!”

This phone was Athena’s only connection with the outside world! It was like a token that could prove Athena’s identity!

“Yup ...”

I never thought that I’d be able to leave the capital alive and start a new life ... Athena sighed. it’s all thanks to Childe Chen ...

“Childe Chen!”

Dugu zang turned around and faced Chen Xiaobei. He was about to kneel down and thank him.”Immortal dugu zang thanks you for the kindness you have shown to my master! I will remember your great kindness forever! I will repay you with my life!”

“Quickly, stand properly!”

Chen Xiaobei quickly held dugu zang Xian up and stopped her from kneeling. “I didn’t encounter any danger in this matter, nor did I put in much effort! It’s nothing, you don’t need to care so much!”

how ... How is this possible?! Upon hearing this, immortal dugu zang was dumbfounded.

She could not imagine how Chen Xiaobei was able to enter the forbidden death zone without any danger or effort.

This was simply unbelievable!

“It’s a long story, I’ll explain it later. Anyway, you don’t have to thank me. I’m embarrassed to hear that ...”

Oh! Chen Xiaobei calmed himself down and said, “also, I have a question that I don’t understand. I want to ask you! Pills that can increase one’s lifespan are not rare in the earth-god Realm. Why don’t you send some to Athena?”

[Red Envelope Group of the Three Realms](#)

Chapter 3307

3307 Stealing from his lair

Childe Chen, you can’t judge others based on your own strength ...

Athena said helplessly, “to you, the Holy eternal water is just something in your bag. It poses no threat!” However, to ordinary people like us, the Holy eternal water is a supreme ruler that we can not resist!”

“Unless you become a slave to the Holy eternal water and provide for it with your spiritual power, no one will be able to freely enter and exit the snowy night capital! Back then, dugu Tatian only went to the city gate. After talking to me, he asked Xianer to stay!”

“At that time, Xianer’s life was hanging by a thread. I used the power of the Holy eternal water to bring her to my side! In order to prevent her from becoming a slave to the Holy eternal water! I consume twice the amount of spiritual energy every day to provide for the Holy eternal water!”

then, I spent nine months to cure her strange illness and taught her the most suitable cultivation technique. I also injected a small amount of eternal energy into her body. After she learned it, she left the capital.

“After that, it took me seven thousand years to reach the peak of the earth level. I found the Dark Universe seal and regained control of the nine nether platform! She collected a lot of life-prolonging pills for me! However, it can no longer be sent in!”

“That’s because the eternal energy I gave Xian ‘er during those nine months was originally given to me by the Holy water to sustain my life! If I give some to Xian ‘er, my lifespan will be reduced a little! In the end, you only have one day left to live!”

“I can no longer use double my spiritual power to feed the Holy eternal water. If Xian ‘er enters the snowy night capital again, she will never be able to leave alive! She wanted some death row prisoners to deliver the medicine, but these people were not trustworthy at all, so I refused!”

“After all, I’ve signed a contract with the Holy eternal water. Even if I consume a pill that can increase my lifespan, I still won’t be able to leave the capital! Therefore, Xianer couldn’t come, and there was no point in sending her! I’ll just give up on this idea!”

Athena slowly explained the problem that had existed at that time.

Just as she had said, not everyone could subdue the Holy eternal water, and even more so, not everyone could come and go as they pleased in the snowy night capital.

Without Chen Xiaobei, no matter how many life pills Athena took, she would not be able to escape the Holy water of eternity's binding!

And from Athena's words, he could also hear another layer of information.

She had sacrificed a lot for immortal dugu zang back then. Although she wanted to use him to take revenge, she had already regarded him as her family.

Treating strange illnesses and imparting cultivation techniques were nothing.

The main point was that Athena had used twice the amount of mental energy in exchange for a little bit of eternal energy, which she had to give to dugu zang Xian.

There was no doubt that Athena was treating dugu zang Xian with sincerity.

It was also because of this that dugu zang Xian still tried his best to avenge Athena even after he took over the power of the nine nether platform!

A human heart for a human heart!

Athena and dugu zang Xian were both people who valued relationships and loyalty!

It was worth it for Chen Xiaobei to risk his life to enter the forbidden death zone and save them all.

"I still have another question!"

"Athena, you're good at using Gu!" This isn't the Western religious sect's doing!"

"Right!"

Athena nodded and said, "this is the witch clan's Voodoo!" I've traveled to the earth-god Realm and met some ancient witches! I learned some simple Voodoo from them!"

"The ancient sorcerer tribe!"

Chen Xiaobei asked, " Bai Qi! Do you recognize it?"

"Bai Qi?"

Athena's eyes lit up when she heard this. "I know him! Back when I was spreading my orthodoxy in the Nanzhan state, I mistakenly entered the vast mountains and seas and had a great battle with the Jiuli ancient tribe!"

"Back then, Bai Qi was just a child in the crowd! The reason why I still remember him so clearly is because he is the only one in the Sorcerer tribe who is willing to accept new things from the outside!"

during that battle, I was defeated and fled. Bai Qi secretly sent me some healing medicine just to listen to me talk about the things that happened outside the mountain. He even listened with great interest to the things that happened in the Western divine Palace!

“Bai Qi is a child who is extremely curious about everything. Furthermore, he is extremely talented! I even want to develop him into a Saint Seiya so that he can follow me and spread the orthodoxy in more places!”

“But I didn’t expect that this child’s belief in witchcraft didn’t change, and he refused to follow me! Even now, I still remember that he said that he wanted to rely on his own strength to travel outside the mountains and see the world’s scenery!”

As the saying goes, there are no stories without coincidences!

Chen Xiaobei was just asking casually, but he did not expect that Athena and Bai Qi really knew each other!

“That’s not right ...”

Chen Xiaobei was surprised. “Athena, you came to the earth-god Realm a trillion years ago! Even if Bai Qi was still a child back then, his lifespan should not have been able to last until today!”

“What? Bai Qi is still alive?”

Athena was stunned for a moment before she shook her head and said, “This is impossible! Although the lifespan of the Sorcerer tribe is longer than that of the human tribe, it is impossible for them to live for trillions of years!”

“It’s true!”

“I have Bai Qi’s God-slaying sword!” Chen Xiaobei said. The sword had his consciousness imprint, which was guiding him to his current location! If he dies, the God-slaying sword will become an ownerless object!”

this ... Athena was stunned and said in disbelief, “Could it be that Bai Qi has obtained some sort of fortune over the years? Your lifespan has been greatly increased?”

“It’s very possible!” Chen Xiaobei nodded and made a bold Association, “It is very likely that Bai Qi found the sun Emperor crystal and obtained the power of time from it, allowing him to survive until now!”

“That’s not right!”

At this moment, Liu xuanxin, who had been silent all this while, finally spoke, “I remember that Bai Qi and fairy Ningling had an enemy called Xu Fu! He has also lived for a trillion years. Could he also be near the sun Emperor crystal?”

Back then, Liu xuanxin had also been to the spirit condensing immortal abode, so she naturally knew about The Grudge between Xu Fu and Bai Qi!

there are too many variables in Xu Fu’s lifespan!

‘Maybe Bai Qi got his hands on something else, and the sun monarch crystal was found by Xu Fu! It was also possible that Xu Fu had used his connections with the Jade Emperor to consume a large number of

immortal pills that could increase his lifespan! At the moment, this is just my guess. Only by finding Bai Qi will we be able to find the answer!”

Childe Chen ...

After a long silence, immortal Dugu Zang couldn't help but say, "Before you go find your friend, can you do me a favor? Nine Nether Platform was about to be taken over by Dragon God Palace! At this moment, only you have the ability to turn the tide!"

"Don't worry! Even if you didn't say it, I would have done it!"

"Didn't the Dragon God Palace attack you from behind?" Chen Xiaobei smiled. "I'll give him a taste of his own medicine! We'll set off today and go steal their lair!"

[Red Envelope Group of the Three Realms](#)

Chapter 3308

3308 Let's visit the treasure vault first

sneaky ... Sneakily stay in Sky Crossing's old nest???"

Dugu Zang was stunned and couldn't believe his ears, "It's true that the divine Dragon Saint domain is currently empty, but we don't have a single soldier in our hands. It's impossible for us to occupy any territory! If Long Shenkao makes a sudden return, our efforts will all be in vain!"

There was no doubt that whether it was conquering cities or unifying a large region, they had to use the commoners and soldiers as the foundation.

Especially the soldiers! They had to attack and defend the city!

Dugu Zang Xian had been reduced to a state where he did not have a single soldier left. On Chen Xiaobei's side, Beixuan's Army had already been sent out and they had no soldiers left.

Because of this, immortal Dugu Zang thought that this was the best opportunity to launch a sneak attack. However, if he could steal but not defend, then this move would be meaningless.

"I have indeed sent out all the ordinary soldiers!"

However, Chen Xiaobei was smiling as if everything was under his control. "However, I still have another demon Army in my hands!"

"What? The demon Army?" Everyone was shocked.

I once went to the Western Desert and took the entire city of hell into the verdant Emperor's divine gourd. Seven demonic gods and a billion demonic soldiers were all under my control! Chen Xiaobei said.

I once entered the sky demon remains, devoured the corpse of the evil bone Saint Demon King, and subdued one billion undead demons!

Chen Xiaobei raised his eyebrows and asked, "Do you think this two billion demonic Army is enough to swallow the Dragon God Saint realm like a whale?"

"This ..."

Dugu zang was taken aback. He nodded in disbelief and said in a daze, "It's ... It's enough ..."

Back then, dugu zang Xian was the Holy Lord of the netherworld seal. He had looked down on Chen Xiaobei and even threatened him.

But now, dugu zang Xian was like a silly girl in front of Chen Xiaobei. She looked at Chen Xiaobei with surprise and even a little admiration.

It had been a while since they last met, but Chen Xiaobei had already risen to a height that dugu zang Xian could only look up to.

what a pity ... dugu zang Xian couldn't help but sigh. my cultivation hasn't recovered yet, and the spiritual energy of the Dark Universe seal has been exhausted. I'm afraid I can't help much in this battle ...

"Who said you can't help?"

hehe! Chen Xiaobei grinned. I've heard Qiu Ling'er mention that the people of the Dragon God Palace are all demons who believe in power!

if you can defeat ao hengkong, the faith of the people of the Dragon God Palace will be shaken, or even collapse. At that time, not only will we win the war, but we will also be able to unify Northern kuruzhou!

Since ancient times, the demon race had followed the law of the jungle, where the strong preyed on the weak.

Therefore, most of the monster race worshipped strength and believed in powerful monster gods.

If it could be proven that dugu zang Xian was stronger than ao hengkong, many of the believers who originally believed in the Dragon God Palace would be shaken.

"That may be true, but in my current state, I can't possibly defeat ao hengkong!"

"Ao hengkong is the number one expert in Luzhou, Northern Kuru. Even if my cultivation base is restored to its peak, I'm still no match for him. Besides, I'm still in my weakened state, so I'm not even qualified to be his opponent ..." Dugu zang Xian said helplessly.

"How long do you have left in your weakened state?" Chen Xiaobei asked.

ninety days ... dugu zang Xian said helplessly.

90 days is 90 minutes. This is nothing! Chen Xiaobei took out the verdant Emperor's divine gourd and said, "Come with me!"

Chen Xiaobei then brought dugu zang into the verdant Emperor's divine gourd.

He found the five old turtles and continued to activate the sunlight cache. you're in the special ability area of this magical treasure. After 90 minutes, you'll be able to pass the weak period!

how ... How is this possible?! Dugu zang was dumbfounded and couldn't believe his ears.

"You'll know when you try!"

actually, I already have this trump card in my hand. It's just that I didn't know about your secret, so I had to be wary of you. Otherwise, I could have helped you get through your weakened state! Chen Xiaobei said.

this ... upon hearing this, immortal dugu zang's mood instantly became complicated.

In fact, Chen Xiaobei did not want to hurt dugu zang Xian's pride.

Chen Xiaobei did not take out the sunlight cache before because he was afraid of dugu zang Xian. The reason Chen Xiaobei took out the sunlight cache was because dugu zang Xian was so weak that he did not need to fear him at all!

This was absolute confidence! He was even more domineering as if he was in control of the entire situation!

alright, you recover well. I still have other things to do!

Chen Xiaobei then went to look for dijiang.

After the battle with Gao Yan, Chen Xiaobei had obtained Gao Yan's Sumeru dimension. He found Di Jiang and he could merge the dimension into the northern Mystic prison painting.

In this way, the internal space of the " sky-imprisoning painting of the northern Mystic realm " would be further expanded. At the same time, it would be able to integrate the " treasure falling formation " in Gao Yan's space and be further strengthened.

When the integration was going to start, Chen Xiaobei also took out 10000 low-grade spiritual jades to help Di Jiang expand the map to accommodate three billion people.

10,000 low-grade spiritual Jade was equivalent to 1 trillion high-grade spiritual stones, which was a huge expense for Chen Xiaobei.

However, before the modification, the space in the map could only accommodate 300 million people. After the modification, it had expanded by ten times, so the spiritual stones were definitely worth it.

This would allow the " sky-imprisoning painting of the northern profound mystery " to gain more wonderful uses.

For example, during the battle in the northern Warzone, Chen Xiaobei went to the back and kept the 300 million enemy soldiers into the map.

After expanding the space, Chen Xiaobei could take in three billion people.

On a normal battlefield, it was equivalent to clearing the field in the blink of an eye, leaving not a single soldier of the enemy.

Just thinking about this effect made him feel great.

Soon after, dugu zang Xian had also successfully passed his weakened state.

.....

Everything was in place.

Chen Xiaobei brought Di Jiang, six-eared macaque, dugu zang Xian, Athena, and Qiu Ling 'er to the divine Dragon sanctuary.

Qiu Ling 'er used to be Princess Jiu Ling of the Dragon God sanctuary, so she was quite familiar with the environment here.

Putting on a human skin mask, Qiu Ling 'er led the group to the core area of Dragon God Palace.

Ao hengkong had gathered all his energy to swallow the nine nether platform in one go, and all the battle generals and soldiers under his command were brought out.

The rear was extremely empty, and even the guards of Dragon God Palace were only left with the old and weak.

The few powerhouses didn't even need to make a move. The devil Crow King descended from the sky, and with just its pressure, it scared the guards to the point where they peed their pants and knelt to beg for mercy.

"Let's go! Let's go to the core Treasury first!"

Chen Xiaobei looked relaxed, as if he was at home, and could go wherever he wanted.

[Red Envelope Group of the Three Realms](#)

Chapter 3309

3309 Nine Dragon golden token

The Treasury of Dragon God Palace was located in a secret place.

However, six-eared macaque had the powerful primordial spirit domain of a half-step heaven immortal, which was three times wider than a peak earth immortal realm. It easily located the treasure.

Opening the door was as easy as blowing off dust. Emperor Jiang used the heaven and earth reversal to move the door of the treasure vault to the side.

The group swaggered in.

However, this time, long shenkao was extremely ambitious. Not only did he want to take over the nine nether platform, but he also wanted to take over the entire heavenly Yin Hall. Therefore, most of the resources in the treasure vault had already been taken away.

This situation was similar to the treasure vault of the gods 'Palace in the Jade virtual Palace. Useful things had been taken away, and only useless or damaged things were left behind.

But then again, at Chen Xiaobei's current level, normal resources were not even worth his time.

He went straight to the deepest part of the treasure vault. There were originally nine treasure chests there, seven of which had already been opened, and the treasures inside had all been taken away.

There were only two closed treasure chests left, and they were Chen Xiaobei's only goal for this trip.

I'm still very lucky. I wonder what good stuff I'll get!

Chen Xiaobei rubbed his hands together and opened the first treasure chest expectantly.

There was a special token in it.

It looked like it was made of an extremely high-grade gold. It was formed by nine hollow divine Dragons. Each Golden Dragon was lifelike as if they would fly out at any time.

“What is this?”

Chen Xiaobei picked up the token and studied it for a while. Then, he shook his head and said, “it’s indeed broken. There aren’t any spiritual fluctuations at all!

At the same time, everyone’s eyes were focused on Qiu Ling ‘er.

Qiu Ling ‘er was frozen in place, her eyes wide open and her mouth half open, staring at the Golden Nine Dragons token as if she were possessed.

“That ... That’s the legendary token left behind by the Golden battle Dragon, the God of faith of the Dragon God sanctuary!”

Qiu Ling ‘er’s voice trembled and she said in disbelief, “I really didn’t expect this! The real golden Nine Dragons token was here! Ao hengkong even made up a lie, saying that the Golden battle Dragon had taken back the token!”

“A God of faith? Golden battle Dragon?” Chen Xiaobei was stunned. “In that case, the Golden nine-Dragon Token is the object of faith of the divine Dragon Saint domain?”

“Yup!”

Qiu Ling ‘er nodded and said, “since ancient times, the people of the divine Dragon sacred domain have been devout believers of the Golden battle Dragon!” Seeing this golden nine-Dragon Token was like seeing the Dragon God Himself! With a command medallion in hand, he can control the entire Divine Dragon sacred domain!”

“Hahaha! This was really like a drowsy person meeting a pillow! This golden nine-Dragon Token is exactly what I need the most!”

“I was worried that using the demonic Army to suppress the divine Dragon Realm would cause a lot of casualties!” Chen Xiaobei laughed excitedly. It’s all good now. We’ve used faith to subdue the divine Dragon Saint, and we can achieve a peaceful unification without shedding a drop of blood!”

“It’s not that simple!”

it’s true! Qiu Ling ‘er quickly said, “this nine Dragon golden token was originally a magical treasure. It can control the protective array of any main city in the nine Dragon Saint domain, as well as the teleportation array. It really has actual control!

“It was precisely because the Golden nine-Dragon Token was damaged and could not be repaired that ao hengkong made up a lie and said that the Golden battle Dragon had taken it away.”

“This means that if sect master can’t repair the nine Dragon golden token, you can’t prove that it’s real, and naturally you can’t convince the people.”

After all, Qiu Ling 'er had once been Princess Jiu Ling of the divine Dragon sacred domain, so she knew all these inside stories.

"That's easy too!"

"According to what you've said, as long as I can fix the Golden nine Dragon Token, I can convince the people of this world!" When that time comes, I'll send troops to the various strategic locations, and there won't be any resistance! The casualties will be minimized!"

"Yes ..."

Qiu Ling 'er nodded and said, "If you can easily repair the nine Dragon golden token, this step can indeed be achieved! However, I'm afraid it won't be that easy to repair it ..."

Chen Xiaobei chuckled and threw the Golden nine Dragon Token to Di Jiang. "Brother, can you and Liu er help me take a look at this material? I've already seen the damaged parts. As long as we can find the corresponding materials, we can easily fix it!"

Chen Xiaobei had learned some refining skills, and he had studied ju liusun's 'magical treasure fusion'.

After a closer look, Chen Xiaobei had probably managed to fix the damaged parts of the token.

However, the premise was that he had to find some similar metals.

"The grade of this material is too low ... We can't tell ..."

However, Emperor Jiang and six-eared macaque shook their heads helplessly.

Emperor Jiang and Gonggong were both the oldest and most experienced twelve ancestors of sorcery.

However, in the environment they lived in at that time, the worst forging materials were heaven immortal grade. Moreover, low-tier heaven immortal grade materials were not worthy of their attention. They did not pay attention to them at all, so naturally, they could not recognize them.

"I only know that it's a one-star celestial immortal item!"

Qiu Ling 'er added, "after ao hengkong became the ruler of the divine Dragon Sacred Realm, he spent a lot of effort to invite all the forging grandmasters in the earth-god Realm!" However, no one knows what material the Golden Nine Dragons token is made of!"

this ... Chen Xiaobei's brows furrowed. His excitement had been doused with cold water.

It must be known that this golden Nine Dragons token was the object of faith of the divine Dragon Realm. It was like a Golden Key. Once it was repaired, it would be very easy to subdue the divine Dragon Realm.

However, if it couldn't be fixed, what was originally a very simple thing would become extremely complicated. It might even trigger a bloody war that would involve billions of lives.

This was the last thing Chen Xiaobei wanted to see.

"Can I take a look?"

But at this moment, Athena, who had been silent all this while, stood up.

In terms of comprehensive experience, Emperor Jiang and Gonggong were definitely more experienced than Athena.

But in terms of experience in the earth-god World, no one present could compare to Athena.

A trillion years ago, Athena had traveled all over the earth-god Realm. At that time, the earth-god Realm was still rich in resources, and some low-level celestial immortal items were often seen.

And the Golden nine Dragon Token was also an item that had existed since ancient times!

“Quickly take a look!”

you’re right! Chen Xiaobei said. now, you’re our only hope!

“Mm ...”

Athena took the Golden nine Dragon Token and carefully observed it for a moment. Her rose-like red lips slightly raised as she confidently said, “I know! This is a one-star heavenly immortal item, the Golden Dragon dark copper!”

copper!? Everyone was shocked when they heard this.

If Athena hadn’t mentioned it, no one would have thought that this golden token was actually cast from dark copper.

[Red Envelope Group of the Three Realms](#)

Chapter 3310

3310 Face-slapping on the spot

the Golden Dragon dark copper is a unique mineral in the ancient times!

Athena explained, “the blood of a divine level gold dragon drops on the copper mine!” After hundreds of millions of years, it will form a Golden Dragon dark copper mine!”

in the ancient times, there were three such mineral veins in the earth-god Realm, but as time went by, they were all mined out. Later generations never had the chance to see this special metal again!

Fortunately, Athena was here, and this huge problem was instantly solved!

This would directly avoid a great battle with heavy casualties!

“That’s great! If we know what material it is, then this won’t be a problem!”

Chen Xiaobei activated the merit points ledger again. it’s just a one-star celestial immortal item. Its price can’t be any cheaper!

[ding! You have successfully exchanged for a merit point reward. 5 billion merit points have been deducted!]

[your current merit points are 10101.67 billion.(Charm: 1010.167 billion, luck: 1010.167 billion!]

Chen Xiaobei now had a huge amount of merit points. The five billion that he had once dared not even imagine was not even worth mentioning.

Soon after.

Chen Xiaobei returned to the verdant Emperor's divine gourd and quickly repaired the Golden Nine Dragons token in the sunlight cache area.

After fixing it, the Golden nine-Dragon Token had only regained its spirit and recognized Chen Xiaobei as its master. However, it did not seem to have any special abilities.

"Oh my God!"

It was only when Chen Xiaobei came out of the verdant Emperor's divine gourd that he was shocked.

The Golden token of Nine Dragons arrived in the real world and quickly connected everything it could control.

Then, a huge illusionary map appeared in Chen Xiaobei's mind.

This map was the map of the Dragon God sanctuary. It clearly marked the one thousand major regions and thirty thousand cities within the Dragon God sanctuary.

Every city's protective formation and portal could be activated and deactivated with a single thought from Chen Xiaobei.

with this golden Nine Dragons token, the territory of the divine Dragon sacred domain will be completely under the sect master's control!

Qiu Ling 'er said with a smile,"seal the teleportation formation and the enemy won't be able to come back in a short time!" If there's any internal resistance, the sect master can use the city's protective formation to take the lives of people hundreds of millions of miles away!"

Everyone smiled and was about to congratulate Chen Xiaobei.

"Not enough!"

Chen Xiaobei shook his head and said, " "Not only can the Golden Nine Dragons token allow me to conquer the divine Dragon Realm's territory, but it can also allow me to conquer the hearts of the divine Dragon Realm's people!"

this ... everyone was stunned. They did not know what Chen Xiaobei was going to do.

The divine Dragon sanctuary would now be Chen Xiaobei's territory.

"It's simple!"

Chen Xiaobei smiled and said, " "I only need one live broadcast to conquer the entire Northern kuruzhou!"

how ... How is this possible?! Everyone, including the most composed Emperor Jiang, was shocked.

A live broadcast had quelled the entire Dragon God sacred domain!

This was simply unbelievable!

In the entire three realms, only Chen Xiaobei would dare to think and do such a thing.

After that, Chen Xiaobei contacted Song Qincheng and used the live streaming platform to broadcast the entire earth-god Realm live.

.....

In the abysmal Saint realm.

At the front line of the battlefield.

The Army of the netherworld, which had been deployed in full force, had all retreated, and were now facing the Army of the Dragon God Palace to the West of the Tiandang mountain.

After a few days of fighting, the Army of nine nether had lost nine battles in a row, and was on the verge of collapse.

In an instant, the nine nether platform's military camp was filled with wails.

The remaining 500 million troops fell into extreme despair.

"We're finished! We don't know where Sir Holy master went ... She must have abandoned us and fled for her life ..."

"Impossible! Sir Holy master was a person who valued relationships and loyalty! They definitely won't abandon us and escape!"

"Don't talk about friendship! We only believe in the truth! Immortal Dugu Zang had indeed not returned! She had also lost contact with the elite troops that she had brought with her! This is the truth!"

That's right ... If Sir Holy leader doesn't return, we definitely won't be able to deal with the next wave of Dragon God Palace's all-out attack ... The result will be defeat without a doubt!

"The territory of our nine nether platform will fall into the hands of Dragon God Palace! Our homeland will become a purgatory of the enemy! Our family members will also be abused and humiliated by the enemy! This is all immortal Dugu Zang's fault!"

"Yup! If immortal Dugu Zang didn't launch the war to attack Heavenly Yin Hall, we wouldn't have fallen to such a low point!"

"Immortal Dugu Zang! It's all your fault! We won't let you off even if we become ghosts!"

The moment of life and death was the best time to see the black and white of human nature!

The despairing soldiers couldn't face the result of defeat, so they pushed the blame onto Dugu Zang Xian.

Grief, anger, curses, and even the collapse of faith.

Of course, they couldn't be blamed for this. After all, when Dugu Zang Xian led them to attack Heavenly Yin Hall, he had promised them generous rewards and a beautiful future.

However, before they could get any benefits, they were directly reduced to the point where their lives were at stake. They definitely wouldn't blame him for being useless. They would only blame immortal dugu zang, the person who started the war.

"Quickly look! Bei Xuan faction's master Zhufeng is livestreaming!"

At that moment, a young soldier ran into the crowd with his phone.

The despairing soldiers were in an extremely bad mood. They didn't even look and started to curse.

"Chen Zhufeng? Is he the fiancé of dugu zang? Bah! This guy isn't a good person either!"

back then, when Chen Zhufeng wreaked havoc in the heavenly Yin Hall and returned to the abysmal Saint domain, dugu zang Xian brought all the high-level core members, the great emperor, the Honorable Kings, and the city Lords to welcome him with a Grand welcome and caused a huge commotion! but now, nine nether platform is in trouble, and not only is Chen Zhufeng not helping, he's even in the mood to do some stupid live broadcast! My conscience has been eaten by a dog!"

"I knew that Chen Zhufeng was a scumbag! He didn't recognize her after pulling up his pants! You don't have any sense of responsibility as a man!"

"Speaking of which, Chen Zhufeng should be the main culprit of this war! If he hadn't wreaked havoc in the heavenly Yin Hall, dugu zang Xian wouldn't have been so obsessed as to attack the heavenly Yin sacred domain with the entire country's military force!"

"Chen Zhufeng is a bastard! Scumbag! Heartless! We won't let him off even if we become ghosts!"

All of a sudden, the crowd's curses were directed at Chen Xiaobei.

These people who were about to die were using Chen Xiaobei as a punching bag, and all sorts of curses could be heard.

However, never in their wildest dreams would they have thought that they would be slapped in the face in the next moment.

"Everyone, quiet down!"

The young soldier raised his phone high and said loudly, "Everyone has misunderstood master Zhufeng and the Holy leader! They didn't ignore us! On the contrary, they've already reversed the situation and we're all saved!"

As soon as he said that, everyone was shocked!
