Chapter 3311

3311 Super livestream

All of a sudden, the people who no longer had their phones by their side rushed madly towards the young soldier.

The people who had their phones with them all took out their phones and entered the stream of 'society, your bro bei'. In just a short while, they had gathered many comrades around them.

The news spread like wildfire. In just a short moment, all 50000 soldiers in the camp began to watch the live broadcast.

.....

At the same time.

In the Dragon God Palace's military camp.

"Everyone, hurry up! Put on your equipment! Put on your weapons!"

The officers were giving orders to the soldiers in full swing, boosting their morale."In half an hour, we will launch a full-scale attack on the nine nether platform's camp! Lord Dragon God has said that this is the final battle!"

"After this battle, the enemy will be completely separated! The abysmal Saint realm will become our territory! Every one of us brothers will receive a generous reward! You can also do whatever you want in the nearby cities!"

"After resting for seven days, we will also attack the heavenly Yin Holy region. In one go, we will completely destroy the remaining forces of the heavenly Yin Hall! To achieve the perfect unification of Northern Kuru's Luzhou!"

"At that time, our Dragon God Palace will become the only master of the northern kuruzhou and the most powerful force in the earth-god Realm! Let everyone prostrate at our feet, look up to us, and worship us!"

Dragon God Palace had an army of one billion.

At this moment, these words were being repeated by tens of thousands of officers, big and small, reaching the ears of every soldier.

It had to be said that such bold words were really inspiring.

All of a sudden, the Dragon God Palace's one billion troops were all burning with intense fighting spirit!

"Why wait for another half an hour? We'll kill our way over now! We've won nine times in a row anyway, and we know all of the enemy's strength and trump cards. There won't be any changes!"

“Yup! Let’s set off now! Dugu zang Xian has already been beaten by Lord Dragon God and has fled without a trace. He doesn’t even dare to show his face, so what else do we have to worry about?”

“So what if immortal dugu zang is here? Lord Dragon God had invited ten ancient Immortals to help him! Even if dugu zang Xian called her husband, Chen Zhufeng, he wouldn’t be enough to fill the gaps between our teeth!”

“Well said! The ten ancient Celestials were extremely powerful! Chen Zhufeng is as weak as an ant in front of them!”

“We will win this battle without a doubt! He really hoped that the war would start soon! We can’t wait to taste the fruits of victory!”

The one billion Dragon God Army was like a pack of wolves and tigers. They could not wait to kill their way into the camp of nine nether platform and wipe out the 500 million defeated soldiers of nine nether platform who were in despair.

“Not good! It’s not good!”

However, at this moment, a soldier of the Dragon God Palace jumped up with a mobile phone in his hand. “Chen Zhufeng and dugu zang Xian are livestreaming! Moreover, the place where they are livestreaming seems to be within our Dragon God Palace!”

BOOM!

His words were like a nuclear bomb exploding in the camp of Dragon God Palace.

The one billion soldiers all began to watch the live broadcast.

Even ao hengkong and the ten reincarnated ancient Immortals in the main tent of the central Army had entered the live broadcast room.

.....

At the same time.

In the entire earth-god Realm, the number of viewers watching this live broadcast had exceeded 100 billion.

The vast majority of them were the common people of Luzhou, Northern kulu.

This battle was related to the future of Northern Kuru’s Luzhou, and this live broadcast was likely to reverse the trend of the battle.

Chen Xiaobei and dugu zang Xian appeared on the live stream together.

Chen Xiaobei’s first sentence shocked all the viewers in the live stream.

“My dear brothers! Long time no see!”

With a frivolous smile on his face, Chen Xiaobei waved his hand and said, “ the livestream I’m bringing to everyone today is the subjugation of the Dragon God sanctuary. I hope everyone will like it!

The livestream's viewers instantly exploded with excitement upon hearing this!

What the f * ck! What the f * ck! Your bro bei is still your bro bei! After not streaming for so long, he had to do such an explosive operation! It was simply insanely cool!

Suan ni subdued the divine Dragon Saint? Are you kidding me? Even a three-year-old child would not believe such nonsense!

Yingluo was right! Do you think we're fools? The Dragon God Palace was one of the top ten forces. How could he subdue it just like that? Why don't you just say that the entire earth-god Realm is your family?

Whoever did not trust bro bei must be a newbie who had just watched the live stream! My bro bei never brags! He never acted tough!

In the past, bro bei had made countless bold statements during his live streams. In the end, all of them came true and never let us down!

Yes! We believe in bro bei because he's a man who's born to create miracles!

"It might be the first time for many of them to watch my live stream, so they don't trust me! Then I'll serve an appetizer first. Do you guys know where I am now?"

of course not! Chen Xiaobei smiled. I bet no one would have guessed that this is the most mysterious core Treasury of the Dragon God Palace!

"It's said that apart from Long Shen Ao and the Crown Prince of the Dragon God Palace, no one else has ever stepped into this place!"

today, I'll bring everyone to see this treasure vault. I'll also livestream the opening of a treasure chest!

Earlier, Chen Xiaobei and the others found two treasure chests. They had only opened one of them and had not opened the other one.

Yingluo, do you see this! I told you that bro bei never brags! He had already entered the core Treasury of the Dragon God Palace, so how far would it take to conquer the Dragon God Palace?

He was livestreaming the treasure chest! How interesting! I watch live broadcasts every day, but I've never seen this kind of content.

This is interesting. I wonder if the Dragon God ao hengkong is watching the live broadcast? She really wanted to see what kind of expression he had at the moment!

Everyone's attention was focused on him.

Whether Chen Xiaobei was lying or not, the answer would be revealed once the treasure chest was opened.

"Ladies and gentlemen, please don't blink!"

Chen Xiaobei faced the camera and slowly opened the second chest.

There was a dark yellow demon beast's horn in the box. It looked like a dragon's horn, but it was obviously much smaller than a Dragon's horn. Moreover, its spirituality and pressure were far inferior to a true Dragon's.

To be honest, Chen Xiaobei could not tell what it was at first glance.

However, there were hundreds of billions of viewers in the livestream room. There would always be some capable people who could see through things and see through the secrets of heaven with a single sentence.

These were the horns on the horned Earth Spirit Python's head! Judging from its size, it should be an Earth Spirit Python of the earth-god level!

It was strange! It was just a five-star earth-god level item. Why put it in the core Treasury of the Dragon God Palace? He even used a treasure chest to store it solemnly? Why was this so?

Lao Ai, could it be that ao hengkong did not have a Dragon bloodline? Was his true form the horned Earth Spirit Python? When he was young, he had cut off his own horns to conceal his true body and to deceive the entire Dragon God Holy domain!

If Yingluo was really like that, then it would be too interesting!

Chen Zhufeng! You and I are irreconcilable! All soldiers of the Dragon God Palace, listen up! No more live broadcasts! Follow me back to the divine Dragon Saint domain!

Ao Heng Kong was upstairs? (Peeing in laughter)

[Red Envelope Group of the Three Realms](#)

Chapter 3312: character collapse

Face smacking!

A 360-degree spiral explosive Tathagata's palm smacked his face!

Ao hengkong's appearance in the livestream proved that Chen Xiaobei was telling the truth! Chen Xiaobei was not joking when he said that he wanted to conquer the divine Dragon Sacred Realm!

The irrefutable evidence was a ruthless slap to the face!

A moment ago, ao hengkong and the one billion Warriors of the Dragon God Palace were sure that they would win the war! He had even begun to fantasize about taking over the nine nether platform and the hall of heavenly Yin and becoming the only Overlord of the northern kuruzhou.

At this moment, the truth was right in front of their eyes. It was a loud slap to their faces! The ruler of Northern Kuru, glory, wealth, and a bright future, all of it would vanish into thin air!

What was even more terrifying was that if Chen Xiaobei really subdued the divine Dragon sacred territory, all of them would become stray dogs!

This face slap was simply too terrifying!

At the same time.

The soldiers who were cursing at Chen Xiaobei and dugu zang Xian in the jiuyou platform's military camp were also slapped in the face.

Of course, their stance was completely different from the Dragon God Palace. Although they had been slapped in the face, this live broadcast had saved their lives.

Just a moment ago, they were still cursing and swearing.

But the situation had completely changed. Everyone was holding their phones and thanking Chen Xiaobei as if they were praying to Buddha. Their voices filled the entire camp.

After all, he really did save her life.

Those who had a conscience would be grateful to Chen Xiaobei from the bottom of their hearts, and even believe in him.

Bro bei was so cool! Mighty, domineering, handsome, and invincible! They had quietly raided the Dragon God Palace!

I'll give Qianqian 82 points for this move. As for the remaining 18 points, I'll give them to bro bei in the form of 666!

Yingluo, don't be happy yet! As far as I know, the bei Xuan faction's Army is all in the Nanzhan state! Bro bei did not have an Army with him. If the enemy returned, would he have to defend the sanctuary all by himself?

Don't worry! In this society, your bro bei would never fight a battle that he was not confident in! Since he dared to do a live broadcast, he must have a way!

"Thank you for your concern!"

Chen Xiaobei grinned and took out the Golden nine-Dragon Token. actually, I have another hidden identity that I haven't made public to everyone!

The Suan ni ... That's the token left behind by the ancient golden battle Dragon! It's the totem of faith for our Divine Dragon Saint domain!

Didn't he say that the Golden Nine Dragons token was lost? How did it end up in Chen Zhufeng's hands?

Could it be that ... Chen Zhufeng is related to the ancient golden battle Dragon?

"As expected, there are experts among the people!"

"Just as everyone said, this is the Golden nine-Dragon Token of the Golden battle Dragon!" As for my hidden identity, I'm the chosen successor of the Golden battle Dragon! I will replace that liar ao هنگkong and become the new Dragon God!"

What? Chen Zhufeng was the legendary descendant of the Golden battle Dragon? "How ... How is this possible?"

What a rookie! This is the first time you're watching a live broadcast, right? Bro bei is a super purple-gold battle Dragon with the bloodline of a nine-star Divine Dragon! The Golden battle Dragon chose bro bei. It was definitely much better than choosing that long worm!

A brilliant purple-gold battle Dragon? Horned earth Python? This ... There would be no harm without comparison ...

[ao hengkong: don't listen to Chen Zhufeng's nonsense!] The Golden Nine Dragons token in his hand was a fake! That earth Python's horn isn't mine either!

"Fake?"

Chen Xiaobei grinned at the camera and said, "To tell you the truth, I've already used the nine Dragon golden token to seal off all the teleportation arrays in the Dragon God Holy domain! If you don't believe me, you can try!"

It's true! I'm right next to the formation, and I really can't use it!

What bro bei said was true! That golden Nine Dragons token was definitely real! That earth Python's horn was also definitely something that stretched across the sky!

Ao hengkong, "everyone, don't listen to their nonsense!" It was all fake! It was all fake!

Yingluo, I don't believe you! You bad old man! The people of our Divine Dragon sacred zone believe in the powerful dragon clan! You imposter, you've deceived us for so many years. This is blasphemy against our faith!

Qianqian, as a loyal believer of the dragon clan, from now on, you and I will be irreconcilable!

Whoosh-Whoosh! Go to hell! I will no longer fight for you!

Chen Xiaobei's luck was off the charts.

The first treasure chest gave him a golden nine-Dragon Token, which allowed him to control the entire Divine Dragon sanctuary!

The second treasure chest revealed the earth Python's horn, which directly destroyed ao hengkong's public image and shook the morale of the Dragon God sanctuary's Army and people.

At this moment, more than half of the people watching the live broadcast were from the Dragon God sanctuary.

Other than the soldiers, the citizens' faith had also crumbled, and they no longer supported ku hengkong.

At this time, only one person was needed to lead the way and make these people whose beliefs had collapsed completely change their stance.

Qiu Ling 'er appeared on the live broadcast.

"Dear audience! I believe many of you know me!"

Qiu Ling 'er was the number one array master of the Dragon God Palace and the number one beauty of the Dragon God Holy domain. Although her face had been disfigured and hidden for a while, many people in the livestream room still remembered her former appearance.

"That's right! I am Princess Jiuling, Qiu Ling 'er! I've already joined bei Xuan faction and am now following the living Zhenlong, Daoist Zhufeng!"

"Today, the Golden Nine Dragons token has recognized its true owner, and at the same time, ao hengkong's mask has been exposed! The facts have proven that my choice is absolutely correct!"

"I hope that everyone will be like me and join bei Xuan faction! I'm sure everyone's heard of Zhufeng Zhenren's reputation of being tax-free and treating the people kindly!"

"I promise on behalf of master Zhufeng that those who choose to join the light will not suffer any harm or loss! On the contrary, you'll be able to enjoy all the benefits of the people of beixuan!"

Qiu Ling 'er was both beautiful and talented, and she was extremely popular in the divine Dragon Sacred Realm.

At this moment, the faith of the people of Dragon God Palace had collapsed. After hearing what was said, they quickly turned to bei Xuan faction.

Most of them would not immediately become Chen Xiaobei's followers, but they would change their support from ao hengkong to bei Xuan faction.

With that, the divine Dragon sacred territory could no longer escape Chen Xiaobei's grasp.

As long as Chen Xiaobei could make the people feel happy and happy, more and more people would believe in Chen Xiaobei.

Xuxu rebelled! I will no longer work for ao hengkong!

This liar, ao ao Heng Kong, blasphemed our faith! Join bei Xuan faction with me and fight against ao hengkong in the future!

It was master Zhufeng! Since you're the Golden battle Dragon's descendant, please take over the Dragon God sanctuary. We definitely won't resist!

"Thank you for everyone's trust! I, Chen Zhufeng, promise that I won't let you down!"

Chen Xiaobei raised his eyebrows and said, "In three days, I will make the northern kuruzhou stop the war completely! Give everyone a chance at peace!"

Red Envelope Group of the Three Realms

Chapter 3313: winning the hearts of the people

Stop the war in Northern kulu in three days!

Domineering!

An unparalleled domineering aura!

Other than Chen Xiaobei, who else in the earth-god Realm could make such a bold statement?

Bro bei! You're simply too, too, too overbearing! He's so handsome! As your believer! I'm so proud!

I'm bro bei's loyal follower! I firmly believe that bro bei will do what he says! This is the glory of us North Mystic believers! There was no room for doubt!

I'm a citizen of nine nether platform! He really hoped that master Zhufeng could stop the war in beikuluzhou! We all desire peace! He didn't want to live a life of bloodshed and war!

Yingluo-yes! I'm a citizen of heavenly Yin Hall! We're already suffering from the war! If master Zhufeng can really stop the war, we're willing to follow bei Xuan faction with all our hearts!

I'm a citizen of the Dragon God Palace. Although the flames of war didn't affect our home, we've killed and bled, and we'll seek revenge. Our good days will end sooner or later! therefore, we sincerely hope that master Zhufeng will stop the war and unify Northern kuruzhou!

If master Zhufeng can really do what he says, then you're the great benefactor of our Northern kuluzhou! No! You are our Savior!

Without a doubt, Chen Xiaobei's super livestream was going very, very smoothly. The results had far exceeded his expectations.

Originally, Chen Xiaobei only wanted to use this live stream to win the hearts of the people in Dragon God Palace.

Unexpectedly, even the hearts of the nine nether platform and heavenly Yin Hall had been gathered here.

This was definitely a pleasant surprise!

As long as Chen Xiaobei did what he said he would, he would be able to win over the hearts of the people of Luzhou. After defeating ao hengkong, he would then be able to unify Luzhou.

There was even a possibility that Luzhou of Kuru would be able to successfully unify the entire continent before jambu and Videha!

.....

After that, Chen Xiaobei turned on his livestream and strolled around the Dragon God Palace, chatting with the audience and did not do anything else.

However, the substantial changes were already happening at an extremely fast speed.

Dragon God Palace's camp.

One billion soldiers had completely revolted. They brought their weapons and equipment and surrounded the main tent.

Ao hengkong had blasphemed their faith, and to the demon race believers who were loyal to the death, this was enough to make them fight for their lives.

Everyone had the heart of following the masses. Although most of them were ordinary believers, they would all follow when a small group of die-hard believers took the lead. They would surround the middle military tent and force their way through.

“Damn that Chen Zhufeng! I, ao hengkong, will cut you into a thousand pieces, grind your bones, and scatter your ashes!”

Ao hengkong let out a hysterical roar in the tent. His originally dignified face was completely twisted, as if he had just eaten a cart full of poop.

“Don’t shout! If you have that strength, you might as well think of a way!”

At the side, the leader of the ten reincarnation ancient Immortals stood up and said solemnly, “We thought we could use the opportunity of the Nanzhan state war to end the battle quickly and take down beiku state!”

I didn’t expect Chen Zhufeng to settle the war on the northern and southern battlefields of Nanzhan state so quickly. He even dared to wipe out the headquarters of the Dragon God Palace without bringing a single soldier!

“Now, if I don’t kill Chen Zhufeng! Everything we’ve done will be for Chen Zhufeng, and he’ll enjoy the fruits of victory!”

The other nine reincarnated ancient Celestials all nodded in agreement.

The ancient deity leader scanned the crowd and said solemnly, “since no one objects, let’s return to Dragon God Palace immediately and fight Chen Zhufeng to the death!

“What about the one billion soldiers outside?” Another ancient deity asked.

“Kill them all!”

Ao hengkong’s eyes were ferocious as he spoke with a murderous aura, “They will no longer be loyal to me! If we stay, we’ll definitely become a great threat!”

“Idiot!”

When the ancient deity leader heard this, he immediately cursed, “these one billion people are all the troops of your Dragon God Palace. If you kill them all, how will you unify Northern kuruzhou?”

“This ...” Ao hengkong’s expression faltered as he furrowed his brows. “But if I don’t kill them, they’ll turn around and kill me!”

“What’s the hurry?”

The ancient deity leader said indifferently, “in this world, strength is Supreme, and the strong are respected!” As long as you come back with Chen Zhufeng’s head, I promise that these one billion people will be loyal to you again! And no one in the entire Northern kuruzhou will resist you!”

this ... This can’t be ... ao hengkong couldn’t believe his eyes as he looked at the ancient immortal leader.

“You’re really stupid!”

The leader of the ancient Immortals said solemnly, "the northern kuruzhou is now at war, and everyone is hoping for a Savior to come out and stop the war!" With Chen Zhufeng dead, you, ku hengkong, are the only one who can stop the war! Who else would resist you?"

"Oh! So that's how it is!"

Ao hengkong came to a sudden realization and quickly raised his thumb, praising, " "As expected of a shangxian! High! It's really high!"

"Cut the crap! We'll set off immediately!" The ancient deity leader coldly glanced at ao hengkong, as if he was looking at an idiot.

"Woof! Buzzzzzz! Yi ..."

In the next moment, the ten ancient Immortals and ao hengkong broke through the roof of the central Army's tent at the same time. They flew up into the clouds and left the scene at top speed.

The surrounding one billion Dragon God Warriors were unable to fly, so they could only give up on the idea of surrounding and killing ao hengkong.

In the end, the general and the military counselor had a discussion and decided that the entire Army would be stationed there. They would find a way to contact Chen Xiaobei and see what he would do to them.

.....

Jiuyou terrace's military camp.

The 500 million defeated soldiers were completely excited. They cheered and were in high spirits. They brought out all the food and wine and gathered together to celebrate. It was even more lively than the new year.

Among these soldiers, the one who was mentioned the most was Zhufeng Zhenren!

It was master Zhufeng who saved them from the edge of defeat. He saved their lives, their homes, and even gave them the chance to taste the fruits of victory!

In the hearts of these 500 million people, their view of Chen Xiaobei had completely changed.

Gratitude! Surprise! Shocking! Worship! Faith!

It was not an exaggeration to say that at this moment, they were looking at Chen Xiaobei more highly than the Holy Lord of the netherworld seal, dugu zang Xian!

The 500 million soldiers also chose to set up camp. They didn't wait for sacred Lord Netherseal's orders, but only for master Zhufeng's!

.....

At the headquarters of the Dragon God Palace.

Chen Xiaobei was still broadcasting.

Facing the camera, Chen Xiaobei smiled as if he could see through everything and said, "I'm sure that ao hengkong and his accomplices are charging at me like mad Dogs!

"In order to save time, I will temporarily activate the teleportation array in the Dragon God Palace headquarters! When ao hengkong arrives, I'll face him head on! I'll show everyone my true skills!"

Red Envelope Group of the Three Realms

Chapter 3314: direct confrontation

How domineering! Ao hengkong was just a little brother in bro bei's eyes. He could only be crushed!

Yingluo's livestream today was too awesome! Bro bei tamed the divine Dragon Saint realm while laughing, and he even wanted to beat up ao hengkong! It was simply too explosive!

I'm afraid that this battle won't be that simple ... It's said that ao hengkong has an extremely powerful external helper.

Yingluo-you can do whatever you want! But your bro bei will always be your bro bei! Noob! Just wait for a good show!

Chen Xiaobei's two simple sentences had once again sent the live stream into an uproar.

A small number of people who were watching the live stream for the first time were wondering if Chen Xiaobei could win. To be so frivolous and arrogant before even fighting, this was not the attitude that a strong person should have.

However, Chen Xiaobei's followers knew very well that once Chen Xiaobei said something, he would always keep it. There were no exceptions and he would never disappoint them.

.....

At the headquarters of the Dragon God Palace.

Chen Xiaobei and the others were already waiting by the portal.

This was the only portal that Chen Xiaobei had activated in the entire Divine Dragon sanctuary. If ao hengkong wanted to make his way back, this was the only way in.

Like most of the believers, the people around Chen Xiaobei looked relaxed. They did not seem to care about the battle at all.

After all, Chen Xiaobei's trump card was enough to deal with any enemy from the earth-god Realm.

There was no suspense in this battle. To put it bluntly, it was to raise Chen Xiaobei's prestige and status in Northern kuruzhou, to gather people's hearts and unify Northern kuruzhou as soon as possible!

"Chi ..."

Suddenly, a wave of energy fluctuation was emitted from the teleportation array.

Then, eleven figures appeared on the array platform at the same time.

That's right!

These 11 people were ao hengkong and the 10 reincarnation ancient Immortals who supported him.

[ding! Ancient demon reincarnated, red spider discovered!]

[ding! Discovered reincarnated ancient deity, orange Spider!]

[ancient demon reincarnated, Yellow Spider discovered!]

[ancient demon reincarnated, purple spider discovered!]

Chen Xiaobei's eyes fell on the four seductive women.

The "three realms illustrations" immediately provided him with the relevant information.

It turned out that these four demonic women were the spider demons of the silk cave.

There were seven Spider demons in the cave.

Back at Saint Duke's remains, Chen Xiaobei had taken down the green, cyan, and blue vixens!

At this moment, the remaining four Demonesses had appeared here, making up the true appearance of the Seven Sisters of the silk cave.

At the same time, it also meant that ao hengkong's supporters were indeed from the demon clan of the heaven realm.

Furthermore, the mastermind behind the scenes was the demon giant who had great ambitions and wanted to replace mother Nuwa.

Other than the four female demons, there were six male reincarnated ancient Immortals.

Five of them were nothing special. They were all very ordinary reincarnated ancient Fey.

However, the last one was a great demon with a strong background. He was also the leader of the ten ancient demons.

[ding! Ancient demon reincarnated: Tiger immortal!]

[Tiger immortal: evil Tiger cultivated into a demon and took human form. Once one of the three Grand tutors of the Chechi Kingdom!]

[cause of death: killed by Sun Wukong in-battle of Chachi!]

"Chen Zhufeng! You're really an idiot who doesn't know death! He actually dared to open the teleportation portal and ask us to come here directly! This will only make you die faster!"

The Tiger immortal was very confident in his own strength. He sneered at Chen Xiaobei the moment he saw him.

"Chen Zhufeng! Did you capture our three sisters? Hurry up and release her! Otherwise, we'll make you wish you were dead!"

The four Spider demons also glared at Chen Xiaobei.

Although they did not see Chen Xiaobei fight the other three Spider demons with their own eyes.

However, in the heavenly realm, Chen Xiaobei was the only one who could catch the three Spider demons with the demonic silk.

“Hur, you guys seem to be full of confidence!”

Chen Xiaobei looked at the group of aggressive ancient demons and said, “Are you sure you can fight me?”

“Cut the crap! I’m going to fight you to the death now!”

Ao hengkong took a step forward, his battle intent boiling as he bellowed, “You’re the one who ruined my entire plan! You’ve caused me to be abandoned by the soldiers and the people! If I don’t get my revenge, I won’t let this matter rest!”

Without a doubt, ao hengkong was already burning with rage.

Ao hengkong had been in control of the entire situation and was about to unify beikuluzhou. But Chen Xiaobei’s appearance had turned the tables. All his previous plans and efforts had been completely wasted.

Ao hengkong hated Chen Xiaobei the most.

you, ao hengkong, don’t deserve to be attacked by bei Xuan’s faction master!

However, at this moment, dugu zang Xian took a step forward and said in a cold voice, “At the hidden Sky Mountain, you used a hundred times the number of soldiers to besiege us and killed ten million of my nine nether platform’s elite warriors! Today, I will personally take revenge for them!”

“Revenge? Just you?”

Ao hengkong’s face was filled with disdain as he looked at dugu zang Xian as if he was looking at an idiot. He sneered, “The old man of heavenly secrets has already told me The Secret of You entering the weakened state! When the spiritual energy of the universe dark seal is exhausted, what will you use to take revenge?”

Immortal dugu zang’s expression was indifferent. He immediately formed a hand seal and said, “The spiritual energy of the universe dark seal has been exhausted, but so has the spiritual energy of your Coiling Dragon heaven battling spear! I’ll use my strength to take revenge on you today!”

“Strength? Was he a one-star earth-god? “Hahaha …” Ao hengkong laughed disdainfully.”You just attack. If I defend, I lose!”

Ao hengkong raised his voice on purpose and aimed it at the live broadcast camera.

It was obvious that ao hengkong wanted to use this opportunity to humiliate dugu zang and at the same time, re-establish his dignity.

After all, this was a world where strength was Supreme and the strong were respected.

As long as he displayed enough strength, he could still turn the situation around.

great dark seal ... Sky-shattering crack!

Dugu zang Xian didn't explain anything. Instead, he let out a low growl and charged towards ao hengkong.

"Heh, you really dare to attack? Are you looking to die?"

"You're no match for me even if you're at your peak," ao hengkong said disdainfully, "not to mention that you're only a one-star earth-god! Even if I use my true Qi, I'm still bullying you!"

It was obvious that ao hengkong didn't care about dugu zang Xian at all, as he hadn't even condensed his protective true Yuan.

After all, when a one-star earth-God's power hit a peak earth-god, it was no different from scratching an itch.

"Whoosh ..."

However, just as dugu zang was about to approach ao hengkong, a terrifying burst of peak earth-god level true essence suddenly erupted from her body.

"The elder of heavenly secrets has revealed my secret! But he didn't know that bei Xuan faction leader had already helped me get through my weakened state!"

Immortal dugu zang's eyes were as cold as ice, and an extremely cold killing intent flickered in them. "This will be my strongest attack at my peak! If you can survive, I'll admit defeat!"

[Red Envelope Group of the Three Realms](#)

Chapter 3315: broken in one move

"What? You've already passed the weakened state?"

Ao hengkong instantly sucked in a breath of cold air. His pupils contracted uncontrollably, his scalp went numb, and his heart was beating so wildly that it was almost about to jump out of his throat.

One had to know that at this moment, he did not have any defense at all, and he did not even gather any protective Zhen Yuan.

On the other hand, dugu zang Xian had prepared his strongest attack and utilized his strongest true essence. Furthermore, it was aimed directly at ao hengkong's sea of Qi dantian.

Such a situation was like two peers, one completely defenseless, the other holding a long blade.

If a knife was stabbed into an ordinary part of the body, it would definitely cause serious injuries! If it was a vital point, it would definitely be a one-shot kill.

"BOOM!"

Everything happened in an instant. Ao hengkong didn't even have time to react before his sea of Qi dantian was struck by dugu zang Xian's attack.

"Pfft ..."

With a muffled sound, ao hengkong's body exploded from the position of his dantian.

White true essence emitted by immortal dugu zang seeped out of the crack and spread out rapidly. In an instant, it tore ao hengkong's body apart.

Minced meat, broken bones, blood, and internal organs exploded in an instant.

The surrounding ten reincarnated ancient Fey's faces were instantly covered in blood and flesh as they turned pale with fright.

They were shocked not because of the splattering blood and flesh, but because they had never dreamed that dugu zang Xian, who was supposed to be in a weak state, could actually burst out with such a terrifying power.

However, what was even more unbelievable was that dugu zang Xian's attack also contained a special ability of his primordial spirit.

"BOOM!"

With a loud explosion, a white and eerie seal appeared in his flesh!

This was the evolved form of dugu zang's essence soul's special ability, the netherworld seal!

This seal was specialized in breaking Dharmakaya and spirit-destroying bodies, and its power was very strong!

"Spare me ... Spare me ..."

Ao hengkong instantly let out a hysterical scream.

That was because his celestial body had been destroyed by the netherworld seal with the explosion.

Although the avatar only had a small crack and did not completely collapse, the power of the netherworld seal had already entered the avatar and attacked ao hengkong's nascent soul.

Once his nascent soul was destroyed, ao hengkong would be dead for good.

If his soul was destroyed, he would disappear from the three worlds and six paths, never to be reincarnated.

"If I don't kill you, how can the millions of soldiers of the hidden Sky Mountain die in peace?"

die! immortal dugu zang shouted coldly and mercilessly increased the intensity of his essence Spirit's special ability.

"Swish!"

The power of the netherworld seal pierced through ao hengkong's nascent soul like a white arrow!

The netherworld seal had a great restraining effect on Dharmakaya and spiritual bodies. Under the attack, ao hengkong's nascent soul was like an ice block melted by a raging fire. In just a few seconds, it completely disappeared without a trace.

One move!

One of the top ten magnates, long shenkao, had died!

“Phew ...”

Dugu zang Xian let out a long breath and looked up at the sky in silence, as if he was consoling the Warriors of the nine nether platform who had died in the battle in the hidden Sky Mountain.

Yingying is so strong! As expected of the sacred Lord of the netherworld seal! He could actually insta-kill ao hengkong!

Ao hengkong could only blame his own stupidity! He believed the elder of heavenly secrets’s words and actually underestimated the Netherseal sacred Lord! He deserved to be killed instantly!

No! It wasn’t that ao hengkong was stupid! It’s just that my bro bei is too awesome! Dugu zang Xian said that it was bro bei who helped her get through her weakened state. So, the biggest credit for this battle should belong to my bro bei!

Bro bei was so cool! Although he didn’t make a move, he had already dominated the victory and defeat of the battle!

Bro bei! He was so handsome! Six six six!

“I miscalculated ...”

The Tiger immortal immediately frowned.”With the death of ao hengkong, our plan in Northern kuruzhou will be completely destroyed ...”

“Don’t bother about the previous setup! As long as we can take down Chen Zhufeng, we’ll be able to make the greatest contribution, which will make the Lord happier than taking down Northern kuruzhou!”

The red spider was very smart, decisive, and ruthless. With a thought, it activated its own primordial spirit ability.

“Hiss! Hiss! Hiss ...”

A large amount of tianluo spider silk shot out from the red spider’s belly button and enveloped dugu zang Xian at an extremely fast speed.

The Skynet demonic silk was extremely powerful. Its primordial spirit attack had reached the level of a seven-star heaven immortal.

First of all, it was extremely tough. Once entangled, one’s entire body would be restrained, and one wouldn’t be able to move a finger.

Secondly, it also had a special ability. The true essence, Dharmakaya, and nascent soul of the person who was entangled would all be sealed, and they couldn’t abandon their physical body even if they wanted to.

In the past, Zhu Bajie was peeking at seven Spider demons bathing outside the cave of coiled threads. In the end, he was entangled by this demonic silk and couldn’t move.

Now that the seven Spider demons had reincarnated and re-cultivated, the strength of the Skynet demonic silk was far from what it was when it was binding Zhu Bajie. However, it was still a piece of cake for it to bind dugu zang Xian.

The enemy was really shameless! He actually sneaked an attack when the Holy Lord of the netherworld seal was comforting the undead! He was simply shameless to the extreme!

The enemy's attack seemed to be very powerful. If Netherseal sacred Lord couldn't defend in time, he would probably suffer a great loss!

What's there to be afraid of! Bro bei is here, no surprise!

"Ling jiuxiao!"

Without a doubt, Chen Xiaobei already knew the identity of the enemy. In his mind, he had already calculated the possible actions of the enemy.

Activating the witch Dragon nine transformation, Chen Xiaobei dashed forward and stood in front of dugu zang.

"Zhufeng!"

Immortal dugu zang was greatly alarmed and couldn't help but scream.

She knew very well that Chen Xiaobei was only a six-star earth-god.

If even she, dugu zang Xian, could not withstand the enemy's attack, then Chen Xiaobei would be digging his own grave by charging out like this.

"Woof! Buzzzzzz! Yi ..."

The sky Net demonic silk was extremely fast, and it descended in the blink of an eye. Even if dugu zang wanted to stop Chen Xiaobei, it was too late.

"Whoosh ..."

However, Chen Xiaobei's Dharmakaya suddenly left his body.

Half-Buddha, half-demon, four wings spread! If I want to become a Buddha, I will become a Buddha. If I want to become a devil, I will become a devil!

In an instant, the enemies, comrades, and all the viewers in the live streaming room were shocked.

He had never seen or heard of such a Dharmakaya.

However, after a brief moment of shock, the red spider still sneered confidently."Hmph! So what if the Dharmakaya is powerful? in front of the Tian Luo demon silk, it can only be completely imprisoned!"

The sky Net demonic silk was extremely terrifying. Regardless of whether it was a physical body or a spiritual body, as long as one was wrapped by it, they would be completely bound.

That was why, in the red spider's eyes, Chen Xiaobei's Dharmakaya was mysterious, but there was no way it could withstand the sky Net demonic silk.

“You know nothing about my Dharmakaya!”

Chen Xiaobei was a million times more confident than red spider. “No matter how strong your special ability is, I can break it in one move! Spiritual light!”

Chapter 3316

3316 Absolute dominance

“Whoosh ...”

Words of law!

A touch of brilliant rainbow-like spirit light burst out from the four-winged Buddhist demon’s celestial body. It condensed and formed a barrier that looked like a Kasaya of an eminent monk.

“Hiss! Hiss! Hiss ...”

In the next moment, the Skynet demonic threads that were rushing toward him landed on the layer of translucent Kasaya.

The red tarantula and the group of ancient demons were still sneering at Chen Xiaobei, as if he was an idiot.

They were certain that Chen Xiaobei’s Dharmakaya would be bound by the spider silk and would not be able to escape.

“Chi ...”

However, as soon as the spider silk touched the spiritual light Kasaya, it was as if its strength was sucked out and it became soft and slow.

“Swish!”

The four-winged Buddhist demon waved his hand, and as if it could scatter clouds and smoke, he gently dispersed all the spider silk.

The spider silk didn’t even touch a finger of the four-winged Buddhist demon, let alone wrap around him.

how ... How is this possible?!

Upon seeing this scene, the ten ancient Fey of the enemy, all of their companions, and all of the viewers in the live stream room were dumbfounded.

No one had expected that the red tarantula’s trump card would be so easily defeated by Chen Xiaobei.

“What is going on?” The red spiders and the ancient demons were dumbfounded. They couldn’t believe their eyes.

“What ... What skill is that? It doesn’t seem to have anything to do with cultivation level ... The sect leader is only a six-star earth-god, but he can withstand the primordial spirit attack of a seven-star heaven immortal!” Qiu Ling ‘er, Athena, and dugu zang Xian were also stunned.

Yingluo, do you see this! This was the power of bro bei! Only we can’t think of it, there’s no one that bro bei can’t do!

Bro bei is here! No surprise!

But then again, how did Yingying do it? There had to be an explanation, right?

Obviously, most people were just extremely shocked, but they couldn’t see the mystery behind it.

this is bro bei’s Dharmakaya power!

At this moment, Di Jiang stood up. He was the most experienced among the people present, and he had seen through everything. bro bei has cultivated East Emperor Taiyi’s ‘formless chaos Dharmakaya’. This kind of Dharmakaya is ever-changing. It’s the strongest Dharmakaya below the sage level!

Six-eared macaque nodded with a smile. With Gonggong’s memories, he could see through everything Emperor Jiang could.

However, the others were not as calm.

The ten great reincarnated ancient Fey opposite him looked as if they had seen a ghost. Their pupils shrank and their scalps turned numb as they gasped one after another.

As for the three girls on his side and the hundreds of millions of viewers in the live stream, they did not know what it meant to be below the Saint level. But they knew that it was an extremely powerful realm. That was why Chen Xiaobei’s status in their hearts had risen by a lot.

“Even if it’s the” non-phase chaos Dharmakaya,”in the earth-god Realm, the Dharmakaya’s special ability can’t be improved to a high level at all!”

The Tiger immortal stepped forward and said,”Red spider, you four sisters, attack together! I don’t believe this kid can take it!”

“That’s right!”

Red spider nodded and said,”I’ve heard that as the practitioner breaks through a major realm, he can devour a treasure at each major realm to strengthen his Dharmakaya!”

The orange Spider nodded heavily and said,”the treasures in the earth-god Realm are all very low-level!” Even if Chen Zhufeng devoured it, it would not strengthen his avatar much! Using your special ability by force will consume a lot of your mental strength!”

“That’s right! Spiritual power is our breakthrough!”

let’s do it together! the yellow Spider chimed in. I don’t believe that Chen Zhufeng’s psychic energy alone can be more powerful than the four of us combined!

“What are you waiting for? My sisters! Let’s attack together! We can definitely take down Chen Zhufeng!” The purple spider was impatient and was the first to rush out.

“You ... Can you handle it?” At the sight of this, a trace of worry flashed through dugu zang Xian’s eyes.

“You go back first, leave this to me!” The four-winged Buddhist demon figure waved his hand. His tone was very calm, but it revealed a domineering aura that was in control of the entire situation.

alright ... dugu zang Xian was a little worried, but her intuition told her that Chen Xiaobei would not let her down. She just had to leave and let Chen Xiaobei handle everything.

“Woof! Buzzzzzz! Buzzzzzz! Whoosh!”

After dugu zang had left, the four Spider sisters surrounded Chen Xiaobei from all four directions.

“Chen Zhufeng! You’re really arrogant. You know that the four of us are going to join forces, but you still don’t run!” The red spider glared at Chen Xiaobei, its eyes filled with killing intent.

hehe! Chen Xiaobei laughed. even if there were ten of you, I wouldn’t back down, let alone four of you!

“You little brat! You’re too arrogant! We’ll definitely make you regret this!” The orange Spider roared.

“This is what you call arrogance?” I don’t know! Chen Xiaobei laughed. when I was arrogant, you guys were still playing with mud.

“How arrogant! Ignorant! I’m afraid you don’t understand your situation!” The yellow spider’s body trembled in anger. It wanted to tie Chen up and beat him up a hundred times.

It had to be said that these female Demonesses all had excellent figures. When they were angry, their delicate bodies trembled, and they were actually very eye-catching.

Many of the wolves in the live stream were praising Chen Xiaobei for being a good streamer.

“Detestable!”

Purple spider was furious and immediately attacked. “Sisters! Don’t argue with this brat! Take him down directly! Let him pay the price for his frivolity!”

“Woof! Buzzzzzz! Buzzzzzz! Whoosh!”

With the purple spider leading the way, the other three sisters immediately cooperated.

A sharp whistling sound came from all directions as a large number of Sky Net demonic silk shot out from their white and tender bellybutton and headed toward Chen Xiaobei from all directions.

“Spiritual light dense mist!”

Chen Xiaobei’s smile did not falter, and he took out the spiritual light Kasaya again.

Obviously, the enemy thought that Chen Xiaobei had not consumed any high-tier treasures, and that his Dharmakaya’s special ability was not high enough to resist the sky Net demonic silk, which would consume a lot of his mental power.

Unfortunately, they would never have imagined that Chen Xiaobei had devoured the corpse of evil bones ancestral fiend King, a nine-star heavenly immortal.

Most importantly, after the fusion of the Buddha and the demon, the spiritual light relic, which was not of a high grade, had its mysterious potential stimulated.

The level of the spiritual light Kasaya's special ability was instantly raised to the nine-star heaven immortal level. The original defensive power of the practicing body had also been upgraded to the peak earth-god level.

In other words, the spiritual light Kasaya's special ability was two levels higher than the sky Net demonic silk.

Even if there were 400 Spider demons of the same level, they would not be able to defeat Chen Xiaobei, let alone the four Spider sisters.

"Woof!"

The four-winged Buddhist fiend waved its claws, and the spider silk that filled the sky exploded as if it had vanished into thin air. "Open your eyes wide and look carefully! What is a powerful primordial spirit ability?"

Red Envelope Group of the Three Realms

Chapter 3317

3317 Five-colored treasure carriage

"One thought, severing the nine Heavens!"

go! Chen Xiaobei shouted, and the four-winged Buddhist demon's body flashed out at top speed.

"Whoosh! Whoosh! Whoosh ..."

The spider silk that filled the sky was instantly dispersed by the four-winged Buddhist demon's dharma body. It could not form any obstruction at all.

"Not good!"

The four seductresses shrieked when they saw this.

In their eyes, the four of them together would be enough to suppress Chen Xiaobei and quickly exhaust his mental power.

A second ago, they were extremely confident and completely unprepared.

However, even in their dreams, they would never have thought that the fusion of the Buddha and demon would bring about an unprecedented change to Chen Xiaobei's Dharmakaya.

Not only were they unable to suppress Chen Xiaobei, they were not even a threat to him.

"Woof! Buzzzzzz! Yi ..."

Just as they were screaming, Chen Xiaobei had already broken through the spider web and dealt them a fatal blow.

Severing the nine Heavens with a single thought.

It was the effect of the two major skills, heaven severing with a thought and soaring the nine Heavens.

Before the four Demonesses could defend themselves, Chen Xiaobei had already appeared beside them and used his divine will to end the battle.

“Uh ... Uh ah ...”

A series of wails could be heard.

In the face of a Saint-level primordial spirit attack, the four Demonesses' vital essence was instantly cut off. At the same time, their minds were under immense pressure. They felt dizzy and their primordial spirits were injured, completely losing their ability to fight.

“Woof! Buzzzzzz! Buzzzzzz! Whoosh!”

Everything was going as Chen Xiaobei had expected. In his next move, he released four streams of ethereal force, which wrapped around the four Demonesses and brought them to Di Jiang's side.

What the f * ck! Bro bei was way too strong! In an instant, he had captured the four little demons alive! I didn't even see clearly what happened!

This time, bro bei is in luck! The four female demons were as charming as silk, their bodies were explosive, and their skin was white and smooth. All of them were rare stunner! It would definitely be wonderful to use it to warm the bed!

What a wretched upstairs! Bro bei's wives were getting prettier and prettier. These four little vixens could only be his maids and female slaves at most!

Chen Xiaobei already had a lot of followers, and with the live broadcast earlier, he had won over the hearts of the northern kuluzhou people. At that moment, almost all the spectators were on Chen Xiaobei's side. As long as Chen Xiaobei won, the crowd would be in high spirits, chatting and laughing.

“He's so strong ...”

At the same time, dugu zang Xian and Athena looked at each other, their faces filled with shock.

They knew that Chen Xiaobei was powerful, but they did not expect him to be this powerful.

The four Demonesses, who looked extremely powerful, could not even last one round against Chen Xiaobei.

Di Jiang and six-eared macaque looked calm, as if they had expected this. They knew that the four Demonesses would not be able to defeat Chen Xiaobei.

“Chen Zhufeng! You've really hidden your strength well!”

At the same time, the Tiger immortal and the other five ancient Fey's expressions twisted.

Just a moment ago, they were still laughing and laughing at Chen Xiaobei, thinking that the four Spider sisters would be able to take him down.

The battle was over. The four Spider sisters did not even manage to hurt a single hair on Chen Xiaobei's head before they were annihilated. Their defeat was a complete blow to the ten ancient demons' faces.

"Cut the crap!"

"Who are you going to send next?" Chen Xiaobei said. Or do the six of you want to come at me together?"

"Just you! You're not worthy of me using my strongest trump card!"

The Tiger immortal waved his hand. "The five of you, attack together! Let Chen Zhufeng experience the wind, rain, lightning, and fire!"

"No problem!"

The five reincarnated ancient Fey nodded their heads heavily and rushed out in unison.

According to the introduction of the "three realms illustrations", these five people were five gourds on a celestial vine that had cultivated into demons.

It was a little similar to the calabash Brothers on earth, but the essence was different.

These five gourd demons had vital essence of five attributes, wind, rain, Thunder, lightning, and fire.

Furthermore, they came from the same source and had great chemistry. The mana of the five of them could form a small battle formation.

"The five-colored treasure carriage formation! Rise!"

The five of them surrounded the four-winged Buddhist fiend in five different directions and roared in unison.

"Whoosh! Whoosh! Whoosh ..."

In the next moment, five vital essence burst out and condensed above the four-winged Buddhist demon dharma body, forming a pentagram-shaped formation.

These five attributes were originally independent and almost impossible to integrate with each other. However, under the mysterious secret technique of these five Calabash demons, they actually operated in an orderly manner.

The five attributes circulated in the five-star formation according to a specific order and pattern.

It looked like Chen Xiaobei's five elements Dao.

However, the five stars formation did not have the nature-defying characteristic of the five elements of the great Dao, which could double the power of each other.

The power of the formation of five people could only be invincible among those of the same level, and it was absolutely impossible to fight above one's level.

but ...

Although the “five colored treasure carriage array” wasn’t as heaven-defying as the great Dao of the five elements, the five gourd demons weren’t ordinary.

Their primordial Spirit’s special abilities had reached the level of five-star heaven Immortals.

Moreover, this primordial spirit special ability was specially created for them to cooperate.

the same bloodline!!!

The five Calabash demons shouted at the same time, fully activating the abilities of their primordial spirits.

The next moment, an illusionary Gourd Vine appeared on the five-star array.

This Gourd Vine seemed to have connected the five Forces together, allowing the visible forces to overlap perfectly and produce a mutually beneficial effect.

“Whoosh!”

Its power instantly increased, and a five-colored gourd the size of a mountain suddenly appeared on the five-star formation.

Moreover, as the five gourd demons’ mental energy continued to be consumed, the power of the five-colored Calabash continued to increase.

Everyone in the live audience and the livestream were shocked by the scene before them!

“This ... This is too scary!”

Athena and dugu zang Xian’s beautiful eyes widened, and their red lips trembled. originally, it was only the power of a peak earth-god, but with the support of the special ability of primordial spirit, it actually broke through the heaven-god level in one fell swoop and is still rising!

Oh my God! The enemy’s strength was too terrifying! If the five-colored gourd’s power broke through to the mid-stage one-star skyimmortal realm, bro bei would not be able to withstand it!

Yingluo-no way! Would bro bei lose? No! I don’t believe it! My bro bei is invincible!

This battle was beyond the realm of cultivation. Bro bei’s victory would depend on his trump card!

The Tiger immortal arrogantly laughed.”Chen Zhufeng! I’m not afraid to tell you! The power of the ‘five-colored treasure carriage array’ could reach the level of a late-stage one-star heaven immortal, and all your trump cards would be completely suppressed! Lose! Hahaha ...”

“Swish!”

Chen Xiaobei took out a metal box without a word.

[Red Envelope Group of the Three Realms](#)

Chapter 3318

3318 God of War transformation

“What’s that?”

The Tiger immortal and the five gourd demons all looked at the metal box in confusion.

It was a cube-shaped box made of a very special metal. It glowed with the different lights of the sun, moon, and stars. It was dazzling and eye-catching.

On the surface of the box, there were a large number of religious totems. The carvings were so detailed that they were lifelike.

Was Qianqian bro bei’s trump card? The enemy’s battle formation was capable of unleashing the might of a late-stage one-star heaven immortal! Could such a metal box withstand it?

– think I’ve seen Yingluo somewhere before! This is the Holy garment box of the Western religious sect! It was a very ancient Dharma Treasure, but its level was very low. It was impossible for it to be a match for the enemy!

Yes! That was the Holy garment box! It’s finished! If this was bro bei’s trump card, then he would definitely lose this battle!

As the saying goes, experts are among the common folk!

Although some people didn’t recognize the sacred cloth box, some people could recognize it.

Those who could recognize the Saint Cloth box knew that it was only a high-rank earth-god instrument and could not compete with a heaven-God instrument.

Moreover, it was the power of a late-stage one-star heaven immortal.

This was like a speck of dust clashing with the sun, the moon, and the stars. There was no suspense in the outcome.

“Chen Zhufeng! Did you get scared silly by our [five colored treasure carriage formation]? He actually took out an earth-god instrument to fight? This is ridiculous!”

The five gourd demons all burst into laughter. They looked at Chen Xiaobei as if he was an idiot.

“Don’t talk nonsense! He pushed his mental energy to the limit! Take care of Chen Zhufeng!”

The Tiger immortal excitedly gave the order, already beginning to fantasize.”As long as we can kill Chen Zhufeng, we’ll have made a great contribution! The Lord will definitely give us a huge reward! Our good days are about to begin!”

“No problem!”

The five Calabash demons were also quite excited, and they increased the output of their mental power without holding back.

One had to know that when one’s spiritual power was exhausted to the limit, one would fall into a deep sleep and would need a long time to recover.

The reason why the five of them were pouring out their spiritual power unreservedly was because they were certain that they would win this battle. Even if they fainted after the battle, they would not be in any danger.

Confidence!

Absolute confidence!

Seeing the enemy's confidence, the livestream viewers became even more worried.

What was bro bei thinking? Was he really scared silly? This is not the bro bei we know!

Bro bei! Quickly wake up! You can't let us down!

Bro bei! If you can't, then don't force yourself! Run! We won't blame you! Where there is life, there is hope!

It was obvious that many of the people in the stream were Chen Xiaobei's followers.

They were all willing to trust Chen Xiaobei unconditionally.

However, the absolute difference in strength was right in front of them. No one could see Chen Xiaobei's chances of winning, so they could not continue to believe blindly.

However, the enemy and the audience had already decided that Chen Xiaobei had no chance of winning.

Chen Xiaobei's group, on the other hand, was calm and composed. They even felt like laughing.

Just as the audience had said, Chen Xiaobei had indeed taken out a Holy garment box.

However, no matter how imaginative the audience was, they would never have thought that the Holy garment box was a super Holy garment box made up of the combination of the wisdom staff and 108 Holy garment boxes!

The level of this Saint Cloth box had reached the astonishing level of a peak one-star heaven immortal!

"Universe God of War! Transformation!"

Chen Xiaobei growled in a low voice.

"Ka! Ka! Ka ..."

The next moment, the Holy garment box opened automatically, and the equipment and accessories flew out one after another. Like Iron Man changing clothes, they automatically attached themselves to the four-winged Buddha's Magic Body!

That's right!

Not only could the universe Battle God Holy garment be worn by the physical body, it could also be worn by the avatar. Furthermore, it could automatically adapt to the avatar's body shape, fitting perfectly, as if it was an armor that grew out of the body.

In an instant, the four-winged Buddhist demon's body seemed to be plated with a layer of golden foil. It shone with a spiritual light as bright as the sun, moon, and stars.

Dragon head helmet, black hole armor, spiked wrist blade, cloud-treading boots!

He quickly put on a set of equipment, and it was simply too cool!

What was even more handsome was still his back. A pair of Dark Demon wings and spirit light Buddhist wings were covered by a hammer-like battle armor, turning into a pair of mighty and domineering steel Battle Wings!

Yingluo's mother! So this was a universe war god? Isn't he too too too too too handsome? (Eyes full of stars)

Bro bei! He was simply too handsome! I want to bear your children! (Infatuated girl face)

Wuwu, wait! You're all too shallow! Handsome was only on the surface! The most important change was that the spiritual fluctuation of this armor had already reached the level of a one-star heaven immortal ... No! He was a peak one-star heaven immortal!

Oh my God! 'This ... This is real!' Oh my God! Bro bei actually had such a trump card! It was simply too terrifying!

Bro bei is so scary!

The scene of the universe war god transformation was like a bombshell, causing the livestream's viewers to explode and enter a state of frenzy!

At the same time, Emperor Jiang, six-eared macaque, Athena, and dugu zang Xian were all calm, as they had expected this.

"H-how is this possible? How could Chen Zhufeng have such a powerful trump card?"

As for the five gourd demons, they were all dumbfounded. Their pupils contracted, their scalps went numb, and their faces turned green and black. They were so scared that they almost peed their pants.

At the celestial immortal realm, the gap between each minor realm was extremely huge and could not be made up for.

The five gourd demons had exhausted all their mental energy, but they could only raise the power of the five-colored banner array to the late-stage one-star heaven immortal realm.

In front of the universe Battle God Holy garment, it was not even comparable to scratching an itch.

Once the power of the formation was activated, the five gourd demons would lose their consciousness and be at Chen Xiaobei's mercy.

"You five, don't panic!"

But at this moment, the Tiger immortal suddenly called out, "It will cost 150 billion upper-grade spirit stones to activate a peak one-star heaven-immortal artifact! There's no way Chen Zhufeng could have so many spiritual stones!"

As soon as he said that, the five Calabash demons finally heaved a sigh of relief. “Phew ... You scared us to death! Fortunately, this was the earth-god Realm, not the heaven realm! 150 billion upper spiritual stones is an astronomical figure. Chen Zhufeng can’t afford it!”

“That’s right!”

of course! the Tiger immortal said with certainty. if the armor can’t be activated, your formation will be able to penetrate the armor and kill Chen Zhufeng’s dharma body and nascent soul! We will still win this battle!”

“Whoosh ...”

However, before the Tiger immortal could finish his sentence, pieces of spiritual Jade fell out of Chen Xiaobei’s infinite space ring.

“150 billion is a lot?” Chen Xiaobei laughed.

Red Envelope Group of the Three Realms

Chapter 3319: driving the Tiger to swallow the wolf

Face smacking!

The live broadcast was a crazy face-smacking!

1500 low-grade spiritual jades fell out, just enough to activate the defensive power of the universe Battle God Holy garment.

The Tiger immortal and the five gourd demons couldn’t believe their eyes.

“Whoosh ...”

Chen Xiaobei used his ethereal force to crush all the spiritual jades, and the vast amount of spiritual Qi was absorbed by the universe war god Holy garment.

Mo Luo Wutian had given Chen Xiaobei 60000 low-grade spiritual jades. After the previous consumption, replenishing the spiritual Qi in the earth-god instrument and expanding the space of the sky-imprisoning painting of the North Mystic, there were 16400 low-grade spiritual jades left.

After deducting the 1500 spiritual jades this time, he was left with 14900 inferior-grade spiritual jades.

“It’s over ... It’s completely over ...”

Seeing this scene, the five Calabash demons all let out desperate howls.

At the same time, their spiritual power had been exhausted to the limit.

The five of them fainted on the ground one after another.

“Boom boom boom ...”

However, their attacks did not collapse just like that.

Even though they were all unconscious, the five-colored gourd, which was as big as a mountain, still came crashing down on Chen Xiaobei.

At this moment, the five-colored gourd's power had reached the late-stage one-star heaven immortal realm, which was already considered extremely powerful in the earth immortal world.

The viewers in the live broadcast room couldn't help but exclaim.

Oh my God! This was too terrifying! The gourd was at least 10000 meters tall, and its radius was 3000 meters long! It was even higher and larger than an ordinary mountain!

With such a terrifying power, if it were to hit the ground directly, it would probably be able to smash through the entire Northern kuruzhou!

The mayfly didn't just smash through the continent! There would be a huge earthquake in a radius of hundreds of millions of miles! All the cities would be reduced to ruins!

There was no doubt that the audience in the live broadcast room were all the people of the earth immortal world.

In their minds, the heaven immortal artifacts of the top ten forces were already extremely terrifying.

At this moment, the power of the five-colored gourd was two small realms higher than the original top ten heaven immortal artifacts in the earth-god Realm!

To the audience in the live streaming room, this was definitely a destructive attack that was enough to trigger a huge disaster.

"Woof! Yi ..."

However, in the next moment, the four-winged Buddhist demon simply waved his hand.

1,500 lower spiritual jades were burned up in an instant, and the full power of the universe war god Holy garment was activated.

cosmic meteor fist!!!

go! Chen Xiaobei shouted and threw a hook at the sky.

Athena had said before that the universe Battle God Holy garment was not only a defensive heaven immortal item, but it also had powerful offensive capabilities.

"Boom boom boom ..."

In the next moment, on the fist of the four-winged Buddhist demon body, a mass of burning true essence as huge as the sun suddenly burst out.

The power of this mass of vital essence had reached the peak of a one-star heaven immortal, and it suddenly struck back against the five-colored gourd that was falling from the sky.

"BOOM!"

The five-colored gourd was like a piece of paper, unable to withstand a single blow. It instantly shattered and fell apart.

All of this happened too quickly.

The livestream's viewers were still exclaiming how powerful the five-colored gourd was. They did not expect that Chen Xiaobei would be able to destroy the gourd with just a simple punch!

Oh my God! Bro bei is so awesome! He won in one move again!

He was killed instantly! One punch, instant kill! Bro bei was so cool! He was so handsome that he could shock the heavens and make ghosts and gods cry!

Bro bei ... You're too fast ... We didn't even have time to react and the battle was already over. Are you a demon?

Domineering!

Absolute dominance!

The audience was amazed, and at the same time, they admired Chen Xiaobei!

There was no doubt that after this battle, Chen Xiaobei's followers would increase by a huge amount.

Di Jiang and the others were very happy for Chen Xiaobei when they saw the enthusiastic response from the audience.

Of course, Emperor Jiang didn't stay idle. He released his vital essence and caught the five unconscious gourd demons.

"Chen Zhufeng! Why do you have a low-grade spiritual Jade?"

The Tiger immortal had no time for the five gourd demons, as he had more important things to do.

One must know that low-grade spiritual Jade was something that could not be found in the earth-god Realm.

The heavenly Lord of the origin had long set a heavenly rule that the immortals of the heavenly realm were not allowed to privately send red packets to the human realm.

Since Chen Xiaobei had a large amount of low-grade spiritual Jade, someone must have sent it to him in private.

If this matter was reported to the heavenly Lord Yuanshi, Chen Xiaobei would not be able to bear the consequences.

"Since you've asked so sincerely, I'll be merciful and tell you!"

Chen Xiaobei raised his eyebrows. He knew that the Tiger immortal was going to tell on him, so he said, "The person who gave me the inferior-grade spiritual Jade is in your demonic sect!"

"Who would have the guts to do that? Could it be nüwa?" The Tiger immortal asked.

mother Nuwa has always been a rule-abiding person. How could she have privately sent me a red packet?" Chen Xiaobei smiled.

"Then who sent it to you?" The Tiger immortal wanted to ask for the truth.

"Heh, do you think I'm stupid? We're enemies, why should I tell you who sent it to me?"

of course not! Chen Xiaobei laughed. if you have the guts, then ask your master to investigate! If you don't have the ability, then mind your own business!"

Chen Xiaobei was digging a hole for the mastermind behind the Tiger immortal!

First of all, the spiritual jades were all given by mo Luo Wu Tian! It seemed that mo Luo Wu Tian had a way to not be restricted by the laws of the Three Realms. No one could find out that mo Luo Wu Tian was related to Chen Xiaobei!

Secondly, even if he did find out, there was no way mo Luo Wutian would just sit back and do nothing. He might end up fighting the mastermind behind the Tiger immortal!

This move was called driving the Tiger to swallow the wolf!

If they were to really fight, Chen Xiaobei would definitely set off firecrackers to celebrate.

Moreover, the mastermind behind the Tiger immortal was only one of the parties that would investigate.

The battle had been live-streamed, and any faction that was against Chen Xiaobei would be investigating it.

If these hostile forces were to fight with mo Luo Wutian, Chen Xiaobei would probably wake up laughing.

"Hmph! Don't be so smug! My Lord naturally has a way to investigate! You'll be crying in due time!" The Tiger immortal was very confident in the mastermind behind this and did not want to argue with Chen Xiaobei.

"Whether I will cry or not is another story. You won't be able to see it anyway!" Chen Xiaobei raised his eyebrows and walked toward the Tiger immortal.

The energy of the universe war god Holy garment hadn't been used up yet, so killing the Tiger immortal would be as easy as crushing an ant.

"Swish!"

But the Tiger immortal suddenly took out a talisman and grinned. indeed, I won't be able to see you cry, because you will die today!

Chen Xiaobei raised his eyebrows and laughed, " "Is that a two-star heaven immortal item summoning talisman? I'm so scared!"

Chapter 3320: transformation again

"You're right, kid! It was a two-star heaven immortal item summoning talisman! Without this celestial talisman, I wouldn't have stupidly come here to fight you!"

The Tiger immortal grinned, not realizing that Chen Xiaobei was being sarcastic. "If you're really afraid, you can still kneel down and admit defeat now! Otherwise, once I make a move, all of you will die!"

As soon as these words came out, it immediately stirred up a great uproar.

Oh my God! Was that a two-star heaven immortal item summoning talisman? I'm a citizen of the Nanzhan state, and I've seen the power of this immortal talisman with my own eyes. At that time, the power exploded in mid-air, and the shock wave alone made the land within a radius of hundreds of millions of miles tremble violently. I thought it was the end of the world!

Yingluo, do you need to say this? It was a two-star heaven immortal artifact! What a terrifying existence that was! If it were to hit the ground, an entire province would probably be completely destroyed!

Qianqian is doomed! Bro bei's universe Battle God Holy robe was only a one-star Peak heaven immortal. Although it was extremely powerful, it was like a piece of tofu in the face of a two-star heaven immortal weapon. It was completely vulnerable!

This time, bro bei was really in trouble! Unless bro bei could use a trump card of the same level, he would definitely lose!

A trump card of the same level? Do you think two-star heaven immortal artifacts are cabbages in the field? There was no way bro bei could have a Dharma Treasure of this level!

If Chengcheng did not have trump card of the same level, bro bei would have no choice but to surrender! This was a live broadcast! Was bro bei's reputation going to be completely destroyed?

No! My bro bei would rather die standing than live on his knees! If bro bei kneels down, I will never believe in faith again!

There was no doubt that for the audience in the earth-god Realm, a two-star heaven-God instrument was simply unattainable. It was even powerful enough to destroy their world!

The moment the audience heard that it was a two-star heaven immortal item summoning talisman, they all fell into a state of despair.

Even Chen Xiaobei's most loyal followers could not believe that Chen Xiaobei could still win this battle.

It was not that they did not trust Chen Xiaobei, but in the face of absolute power, no matter how strong their faith was, they had no choice but to accept defeat.

That was why it was said that in this world, strength was Supreme, and the strong were respected.

In the face of absolute power, everything had to give way! No room for discussion!

"Hahaha! Chen Zhufeng! Since you know fear! Release us immediately!"

Seeing this, the four Spider sisters became excited again and shouted fiercely, "If you obediently kneel and admit defeat, we can spare your life! If you still want to resist, we'll definitely pay you back with the pain we've just suffered a billion times over! I'll make you wish you were dead! I'll even make you regret being born into this world!"

It was clear that the four Spider sisters had been hit by the heaven severing thought, and both their minds and primordial spirits had been severely injured. The pain in their minds was countless times more intense than the pain in their bodies.

That was why they were all waiting for Chen Xiaobei to lose. They were going to use all the cruel methods they could think of to torture Chen Xiaobei to vent their anger!

“Chen Zhufeng! I’ll only count to three! If you don’t kneel and admit defeat, I will activate the power of the celestial talisman and turn you and your friends into ashes, never to be reincarnated!”

The Tiger immortal raised the two-star divine instrument summoning talisman and threatened Chen Xiaobei.

The Tiger immortal was clearly extremely confident.

At the same time, it was not difficult to see that the summoning talisman, a two-star heaven immortal artifact, was still a relatively rare treasure in the heaven realm.

At the very least, the mastermind behind the Tiger immortal probably didn’t have many talismans of this level.

Therefore, the Tiger immortal hoped that Chen Xiaobei would surrender instead of wasting the talisman.

However, the audience was worried and the enemies were confident. On the other hand, Chen Xiaobei’s side was calm and composed. In fact, they even wanted to laugh.

“It’s impossible to admit defeat! I, Chen Zhufeng, will never admit defeat!”

Chen Xiaobei smiled and said, “If you have the ability, then kill me. If you don’t, then kneel down and surrender! Stop talking nonsense!”

“You ...”

The Tiger immortal almost choked on his breath. “Are you crazy? I’m giving you a way out, but you’re looking for death?”

The four Spider sisters were also dumbfounded.

They had seen many iron-headed people, but this was the first time they had seen someone like Chen Xiaobei.

There was clearly no chance of winning, so why did he not admit defeat? Was it better to be dead than alive? Is he crazy?

“Leader! Don’t waste your breath on him!” The purple spider was impatient and said fiercely, “There’s a path to heaven, but he doesn’t want to take it. We’ll send him to hell!”

“Alright!”

The Tiger immortal did not waste any more time. His ultimate goal was to get rid of Chen Xiaobei. If he could not keep the two-star heaven-immortal item summoning talisman, he would use it!

To them, as long as they could get Chen Xiaobei, it was worth it no matter the price.

“Whoosh ...”

With a thought from the Tiger immortal, the power of the two-star heaven immortal item summoning talisman was unleashed.

Spiritual light shone as bright as the stars. Thousands of true essence quickly transformed into a white jade ruler. It was like a white jade staircase that stood in the air. It was extremely spectacular and shocking.

The livestream exploded with excitement upon seeing this.

Waves of exclamations rose one after another, as if they had seen a ghost. It made everyone's heart suffer an extremely strong impact.

However!

The smile on Chen Xiaobei's face became even brighter. "Hahaha! You idiot, you've finally fallen for it!"

"What?" The Tiger immortal's face froze, and he began to grow nervous.

He had long heard that Chen Xiaobei was more cunning than a Fox. His schemes were superb. If one was not careful, they would be burned on the outside and tender on the inside by him. They would not even know how they died.

if you don't use that celestial talisman, you'll always be a threat to me. On the contrary, since you've used this trump card, I have nothing to worry about!

Chen Xiaobei grinned and said, " true universe God of War, transform!!!

"! true universe war god? What is that!" The Tiger immortal was dumbfounded. "Don't tell me that the Saint robe you're wearing can be upgraded?"

At that moment, the entire livestream's viewers were also dumbfounded. They could not understand Chen Xiaobei's plan.

The scene that happened next really subverted everyone's view of the world.

"Swish!"

Chen Xiaobei summoned a 300-meter tall figure.

Seeing this scene, everyone was shocked!
