#### Chapter 3341: hidden chess piece takes effect

The so-called creation possession.

Since there was snatching, there must be giving!

Li Shimin was taking away song Qincheng's merit points bit by bit, but at the same time, some memories of the merit points were slowly being transferred into song Qincheng's mind.

Just as Li Shi Min had said, he was only helping song Qincheng to recover her memories, not all of them.

In other words, song Qincheng was slowly figuring out what Chu's merit for governing the world was, and she was beginning to understand the laws of human Emperor contained in it.

As for Wu Zetian's memories from her previous life, they would not be recovered.

Song Qincheng was still song Qincheng.

The only change was that after the possession, song Qincheng would understand Li Shimin's existing, incomplete laws of the human Emperor.

But at the same time, song Qincheng would lose all her merit points.

In this way, even if song Qincheng had comprehended an incomplete law of the human Sovereign, she would not be able to control or use it.

On the contrary, Li Shimin could make use of song Qincheng's merit to complete his own law of the human Emperor, and thus use the hidden power of the human world to become the invincible Supreme human Emperor.

At the same time, after his merit doubled, Li Shimin might even be able to reach the Emperor realm of nine lives, obtain an immortal Ascension pill, and go straight to the heavenly realm, becoming a true immortal.

Without a doubt, this was a well-planned scheme! If he succeeded, Li Shi Min would gain a huge boost in strength, and even in the heaven realm, his path would be smooth sailing, and his future would be boundless!

Of course, Li Shi Min was not the ultimate beneficiary.

The master of the contract behind him was the true winner.

Don't forget, everything that the reincarnated ancient immortal did was not based on his own heart, but on the will of the contract master.

Therefore, there was no good or evil in the reincarnation of the ancient immortal!

If they did good deeds, it could only mean that their contract master was kind! If they did evil things, it could only mean that the master of their contract was evil!

For example, Lu Yue, the gold spirit mother, Gonggong, and Zhurong would not have hurt Chen Xiaobei if they were free.

Li Shimin was the same. If he was free, he wouldn't have been so kind, but at least he wouldn't have used such a method to steal Song Qincheng's merit points.

But then again ...

In the history of the Xuanwu sect, Li Shimin had plotted against his big brother and third brother.

After killing his brother, Li Shimin led his troops to surround the palace and force his father, Li Yuan, to give up the throne.

Although Li Shimin had contributed greatly to the great Tang's prosperity, his methods of ascending to the throne were disgraceful to many!

Of course, these were all in the past.

Now, Li Shi Min was 100% obedient to the master of the contract. What happened back then did not prove anything.

"Not good! It's not good!"

At this moment, the demon fighter Vajra rushed in and shouted, "Chen Zhufeng! according to our spies in the ten thousand Buddhas Pagoda, Chen Zhufeng is heading toward the heavenly Dragon Temple headquarters! Shangxian, quickly go out and take a look!"

The king Kong had received Chen Xiaobei's order and had rushed in to mess things up.

It just so happened that the ten thousand Buddhas Pagoda had always been known for its intelligence gathering ability, and everyone present instantly believed it.

"Dammit! Chen Zhufeng is too fast!" Shen Gongbao frowned and said, "brother Li! How much longer do you need? If you don't do anything, I'm afraid I can't stop Chen Zhufeng!"

Li Shi Min's expression was calm, and he did not say anything.

It was obvious that the creation possession had entered a critical moment, and even someone as powerful as Li Shimin could not afford to be distracted.

"Why are you panicking?"

The young monk spiritual Vulture said with disdain, "We have enough people and trump cards to deal with Chen Zhufeng! If it wasn't for brother Li's cautiousness, we would have attacked bei Xuan faction's headquarters long ago!"

"Oh? Master spiritual Vulture, are you that confident?"

"Could it be that all of you have a two-star heaven immortal item summoning talisman?" Shen Gongbao narrowed his eyes and pondered.

"That's right!"

Sama spiritual Vulture smiled indifferently and said confidently, " from the livestream, Chen Zhufeng's Titan Warrior could withstand a summoning talisman from a celestial artifact, but his body would still be slightly injured!

now, we have a total of nine two-star heaven immortal item summoning talismans. If we use all of them, it'll be enough to severely injure or even destroy Chen Zhufeng's Titan Warrior. By then, we'll definitely win!

It was obvious that the four religions 'Alliance was supported by the headquarters in heaven realm.

Although the number of two-star heaven immortal item summoning talismans was still very small, the main members of this operation would definitely be able to obtain such immortal talismans to ensure the success of the operation.

"If that's the case, then there's nothing to be afraid of!"

let's go! Shen Gongbao said excitedly. let brother li complete the creation and possession process here. We'll go out and meet Chen Zhufeng first! If we succeed, it will save brother li the trouble of having to do it!"

"Good! Let's go!"

Hmph! the Samantabhadra sneered. I'd like to see what kind of person the legendary Chen Zhufeng is!

After saying that, the Samantabhadra monk and Shen Gongbao walked out of the secret room.

Tian Yunzi and mountain moving Demon King looked at each other and then at Li Shimin, who was standing still. Finally, they left the secret chamber.

Although Li Shi Min was the leader of this operation, and the other 3 had to follow his orders.

However, although the four religions were in an Alliance, they were not actually one.

In the face of such a huge contribution, it was impossible for the other three to not be tempted. If they could get to Chen Xiaobei before Li Shimin did, it would be the best outcome for them.

After the others left, only song Qincheng, Li Shimin, and the demon fighter were left in the secret chamber.

Everyone was so eager to make a contribution that they rushed out first, so they didn't notice that the demon fighter had quietly stayed in the secret chamber and didn't follow them out.

"The sect master has said! We must protect miss Qingcheng at all costs!"

The king Kong was determined to follow Chen Xiaobei, and Chen Xiaobei had promised to help him fulfill his lifelong dream.

At this moment, the demon fighter's body was filled with killing intent, and he walked toward Li Shi Min.

Oh ... You ... What do you want to do? "

Li Shi Min didn't dare to be distracted, but now he had to.

“Whoosh ...”

The Vajra didn't say anything. He directly operated his vital essence to the extreme and gathered a sharp vital essence in his hand.

“Don't come over! Don't come over! Uh ...”

Li Shi Min was shocked, and his expression changed drastically. At the same time, his body was also undergoing some uncontrollable changes.

One must know that the creation and possession talisman was a God-grade talisman. With Li Shimin's current cultivation, he couldn't completely control it.

Because of this, Li Shi Min didn't even dare to speak, afraid that the talisman would go out of control.

At this moment, Li Shi Min's huge emotional fluctuation had really triggered the divine talisman.

“Bang!”

The demon Vanquisher Vajra didn't say anything. He used all his strength to gather his Zhen Yuan and hit it on Li Shimin's dantian.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3342: facing a strong enemy**

“Uh ...”

Li Shi Min let out a blood-curdling screech, his pupils constricting as he broke out in a cold sweat, as if he had been severely wounded.

During the process of possession, Li Shimin didn't even dare to speak, let alone gather his protective Zhen Yuan.

Therefore, the demon fighter's attack had seriously injured Li Shimin's dantian.

Of course, Li Shi Min's cultivation was much higher than the demon fighter Vajra, so this degree of injury was nothing to him.

However, the creation and possession divine talisman's special ability had an uncontrollable change at this time.

oh no... It's creation reversing!!!

Li Shi Min's face fell, as he let out a shrill cry.

Because the creation and possession divine talisman was of a very high level, Li Shimin's panic would only bring him more harm than good.

On the contrary, song Qincheng was very smart and calm. She knew that the demon fighter was on her side, so she kept her calm from the beginning to the end.

As the saying goes, when there's gain, there's sacrifice.

Since Li Shi Min was the victim, song Qincheng would naturally benefit from it.

Whoosh ... Whoosh ...

All of a sudden, the merit points that Li Shimin had taken away began to flow back into song Qincheng's body.

stop ... Quickly stop ...

Li Shimin was completely flustered. However, the more flustered he was, the more intense the change in the creation and possession divine talisman became. The speed of the reverse flow of creation also became faster.

In this way, it would not take long for song Qincheng to take back all the merit points that belonged to her, and she could also take away Li Shimin's merit points.

For Li Shimin, this was like trying to steal a chicken but only going for wool and coming home shorn, losing the wife and the Army!

Not only would his master's plan be ruined, but song Qincheng would also be able to fully understand the human Sovereign law, which would be a great help to Chen Xiaobei.

Thinking of this, Li Shi Min's intestines turned green with regret.

If he had known this earlier, he would have secretly taken song Qincheng's merit points. What Bullsh \* t Alliance of four religions? it was not reliable at all!

Unfortunately, there was no medicine for regret in this world.

The situation had been decided, and Li Shimin couldn't stop the creation and possession divine talisman.

Moreover, the stronger the fluctuations in Li Shiming's body, the stronger the divine talisman's reaction. As a result, Li Shiming didn't even dare to circulate his true Yuan to resist the demon-vanquishing Vajra.

Now that things had come to this, Li Shimin could only watch as the reverse flow of fate continued to transfer his merit points into song Qincheng's body.

Li Shimin only hoped that the divine talisman's power could end early. Even if he had to leave a little bit of merit for himself, it was better than letting song Qincheng have it all.

"Shut your stinky mouth! Otherwise, I'll beat you to death!"

The Vajra didn't know what was going on, so he used his Zhen Yuan to punch and kick Li Shi Min.

Li Shimin's physical strength was strong, so his injuries weren't too serious. However, the huge fluctuations in his body were accelerating the speed of the creation countercurrent every second.

One could only say that Chen Xiaobei's luck was so good that he had to send out a hidden chess piece at the last moment. He had not only protected song Qincheng, but also indirectly helped her.

.....

Heavenly Dragon Temple headquarters.

Shen Gongbao and the three religions 'messengers had gathered together and set up an inescapable trap, waiting for Chen Xiaobei to come to them.

Nine two-star heaven immortal item summoning talismans, thirty reincarnated ancient Immortals, the heavenly Dragon temple's Mountain-guarding formation, the battle formation formed by millions of disciples, and the one-star heaven immortal item left by the previous Abbot.

The enemy had taken out all their trump cards and was going all out to end Chen Xiaobei in this battle.

In order to increase their chances of winning, the enemy had even made Lady White bones look like song Qincheng and chained her to a stone pillar.

this time, we have absolute power and a brilliant plan. If Chen Zhufeng dares to come, we'll make sure he won't be able to leave!

The face of the young monk spiritual Vulture was gloomy, and his whole body was full of killing intent.

Obviously, the nine two-star heaven immortal item summoning talismans were his so-called absolute power, and the transformation of the white bone Spirit into song Qincheng was his so-called ingenious plan.

With these two layers of insurance, the chances of defeating Chen Xiaobei were very high.

"I'm just afraid that Chen Zhufeng won't dare to come!"

Tian Yunzi sneered, "this kid is more cunning than a Fox. I'm afraid he won't force himself into this deadly situation for a woman. What if he sniffed the danger and ran away? wouldn't we be wasting our efforts?"

"What are you afraid of?"

of course! mountain moving Demon King said. even if Chen Zhufeng escapes, he can only guarantee temporary safety! When brother li has fully comprehended the human Sovereign law, Chen Zhufeng won't be able to escape from our Five Finger Mountain even if he has wings!"

yes! the Samantabhadra monk nodded and said, "no matter what, Chen Zhufeng will die either way! The only difference is whether you die earlier or later!"

Shen Gongbao said excitedly, "If it's possible, of course, I want Chen Zhufeng to die as soon as possible! It would be best if he died today! I can settle a load on my mind, and you guys can also gain credit!"

"This is only natural!" Chen Zhufeng has become The Public Enemy of the heavenly realm. Whoever kills him will be famous in the heavenly realm. They will also benefit from the four religions! mountain moving Demon King said.

"I'm just afraid that Chen Zhufeng won't dare to come!" Tian Yunzi squinted his eyes and gazed at the distant sky.

"Chi ..."

Before he could finish, a black shadow was already approaching at an extremely fast speed.

“They’re here! Chen Zhufeng is here!”

Tian Yunzi’s pupils shrank as he exclaimed.

Soon, Chen Xiaobei stepped on the demonic Crow King and appeared in front of the crowd.

As for six-eared macaque, he had already sneaked into Heavenly Dragon Temple from behind.

The enemy’s forces were all concentrated in the front, leaving the rear empty. This way, six-eared macaque could take the opportunity to save Shitai Dinghai.

Obviously, the king Kong had told Chen Xiaobei the general situation of the enemy.

Therefore, Chen Xiaobei had already planned out every step of the plan on his way here. He would not let the hostage’s safety be threatened.

“Chen Zhufeng! You’re really bold! He dared to charge over alone! You really don’t know what’s good for you!”

Sama spiritual Vulture stepped forward and glared at Chen Xiaobei.

At the same time, all the enemies had locked onto Chen Xiaobei like a pack of wolves.

Shen gongpao, in particular, looked at Chen Xiaobei like a Wolf looking at a lamb. He wanted to bite off Chen Xiaobei’s neck, eat his flesh, and drink his blood.

“Since I dared to come, I’ve already made preparations. Either I die, or you die!” Chen Xiaobei’s eyes were cold as he scanned the crowd. A terrifying aura and killing intent burst out of him.

These enemies dared to attack song Qincheng. Chen Xiaobei would not show them any mercy.

“Acting tough!”

Chen Zhufeng! sama spiritual Vulture sneered. Chen Zhufeng! Your woman is in our hands! Aren’t you going to obediently surrender?”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3343: seeing through a trick**

“Qingcheng?”

Chen Xiaobei saw ‘song Qincheng’ tied to a stone pillar.

This ‘song Qincheng’ was Lady White bone.

The last time Madam white bones had turned into dugu zang Xian, she had called Chen Xiaobei ‘hubby’ and Chen Xiaobei had seen through her.

This time, Lady White bones had learned her lesson. She lowered her head and pretended to be unconscious, ignoring Chen Xiaobei. Naturally, she was not afraid that Chen Xiaobei would see through her.

“Chen Zhufeng! Don’t blame us for not giving you a chance!”

hehe! mountain moving Demon King laughed coldly and said, " if you surrender now, we'll let your woman go! If you want to resist, we'll cut your woman into pieces right in front of you!"

"Clang"

As he spoke, mountain moving Demon King took out a scimitar and slowly walked towards Lady White bone.

Obviously, mountain moving Demon King was trying to scare Chen Xiaobei into giving up. He was not going to get serious with Lady White bones.

"Stop! Don't you dare touch her!"

Chen Xiaobei did not know the truth yet, so he became nervous. "If you have any requests, you can ask! However, if you dare to hurt a single hair on her head, we will only end up as mortal enemies!"

"Hahaha! You're really a sentimental brat!"

Mountain moving Demon King grinned hideously,"I knew it!" If you can come all the way here for this woman, you must be willing to listen to our orders for her!"

Tian Yunzi also sneered,"even a hero can't overcome a beauty!" In the end, the famous Chen Zhufeng was going to die to a woman! It's so ironic!"

Sama spiritual Vulture, on the other hand, gave him a request and said, " "Chen Zhufeng! I see that you're a man of affection and righteousness, so I won't make things difficult for you! Destroy your cultivation first, then hand over your space ring, and we'll immediately let your woman go!"

As soon as he said that, all the enemies revealed a treacherous smile.

Shen Gongbao, in particular, had a murderous look in his eyes. He had been waiting for Chen Xiaobei to destroy his own cultivation, and then he would rush up and deal with Chen Xiaobei in the cruelest way possible.

"Qingcheng ..."

Chen Xiaobei was frowning in anxiety.

He was a man who valued relationships, and he definitely valued song Qincheng's safety more than his own life.

The enemy had already made their request. If Chen Xiaobei did not obey, song Qincheng would be either dead or injured.

"Good! I promise you!"

Chen Xiaobei calmed himself down and decided to sacrifice himself to save song Qincheng.

[ ding! The king Kong has sent you a message! ]

However, at this moment of life and death, the demon fighter suddenly sent a text message.

"You guys wait a moment!"

Chen Xiaobei quickly took out his phone to check.

The demon vanquishing Vajra was the sect master! Miss Qingcheng is safe! I've also captured Li Shi Min! Right now, we're in the secret underground room. Miss Qingcheng said that she wanted to learn some kind of law, and she needs you to help her buy some time!

"That's great!"

Chen Xiaobei's eyes lit up, and he was excited.

"Chen Zhufeng! What are you playing at?"

The eyes of the young monk spiritual Vulture were cold as he threatened fiercely, "Why aren't you following my orders immediately? Don't tell me you want to see your woman's flesh cut and her blood drained?"

"I've suddenly changed my mind!"

Chen Xiaobei shrugged and smiled. "I don't want to save her anymore! You can kill me or cut me up as you wish!"

what???"

As soon as he said that, all the enemies were dumbfounded.

Even if they had a hundred million brains, they could not understand why Chen Xiaobei was ready to sacrifice himself to save song Qincheng just a second ago, but now he did not care about song Qincheng at all.

This huge reversal caught the enemies off guard and left them puzzled.

"Chen Zhufeng! You're challenging our patience!"

Mountain moving Demon King raised the scimitar in his hand and placed it across Lady White bone's face. He threatened, "I will only count to three! If you don't destroy your own cultivation! I'm going to cut this woman's face!"

"Hehe."

you don't have to go through so much trouble. I'll count for you. One, two, three. Please start your performance!

"Uh ..."

Mountain moving Demon King was dumbfounded. Not only did Chen Xiaobei not plead for mercy, he even added fuel to the fire and urged mountain moving Demon King to kill him.

Is this kid crazy?

The enemies around them were dumbfounded.

"What? Hurry up! He dared to say it but did not dare to do it! What kind of man are you?"

Chen Xiaobei continued to mock mountain moving Demon King.

“You ... I ... This ...”

Mountain moving Demon King’s face turned green, and his hand that was holding the saber froze in mid-air. He didn’t know whether to cut down or not. He was so embarrassed that he wanted to die.

What kind of man would dare to say but not do?

This face slap was simply too loud!

In the surroundings, the faces of the young monk spiritual Vulture, Tian Yunzi, and Shen Gongbao were also red and green.

Just a second ago, they thought that Chen Xiaobei was about to destroy his own cultivation and become a fish on the chopping board, waiting for them to slaughter him.

Chen Xiaobei had turned the tables on them, leaving them in a dilemma.

“Cut it down!”

Chen Xiaobei knew that he had to buy some time for Song Qincheng, so he continued to mock her, “You’re an ancient demon King! Was he afraid of seeing blood? Aren’t you a little too timid? He’s really too cowardly!”

“Shut up! Who said I’m afraid of blood!” Mountain moving Demon King was short-tempered and simple-minded, so he was instantly enraged by Chen Xiaobei.

Mountain moving Demon King glared at Lady White bones with his bronze bell-like eyes. The veins on his hand that was holding the saber were bulging. If he were to slash the saber slightly, Lady White bones’ face would be torn open.

“Idiot! Do You Really Want To Hurt Me?”

Now that things had come to this, Lady White bone could no longer pretend. She raised her head and revealed her original form.

The terrifying white skull glared at mountain moving Demon King.

“BOOM!”

Lady White bone opened her hands and freed herself from the chains. “Stop acting! Chen Zhufeng must have already seen through my identity! You’re deliberately using your blades to hurt me!”

As soon as he said that, the enemies’ faces turned very ugly.

He had thought that this was a well-planned scheme, but Chen Xiaobei had seen through it right at the beginning.

It was simply a face-smacking at the speed of light. He had lost all his face.

“White bone Spirit?”

what? ” Chen Xiaobei’s eyes lit up. weren’t you trapped in the formation? ” How could he still be alive?”

“It doesn’t matter how I’m still alive!” what’s important is that you’ll die today! Lady White bone said coldly.

“Heh, I’m completely different from that day!” Chen Xiaobei smiled and said, “Even if all of you come at me together, I won’t be afraid!”

### Red Envelope Group of the Three Realms

#### **Chapter 3344: certain defeat**

The last time he fought the white bone Spirit, Chen Xiaobei did not have enough spiritual stones and trump cards. He had no choice but to use the dimension Shatterer to escape from the island that was surrounded by the formation.

This time, however, things were different. Chen Xiaobei had 13400 low-grade spiritual jades, as well as two trump cards, the heaven imprisoning scroll and the Titan soldier.

There were only about 30 reincarnated ancient Celestials and millions of Heavenly Dragon Temple disciples. Even if the number of people increased by a hundred or a thousand times, Chen Xiaobei would not be afraid.

“Chen Zhufeng! Stop acting tough! Although you’ve seen through our scheme, you’re definitely not strong enough to resist our power!”

The Samanera Samantabhadra snorted coldly. It was too lazy to say anything else, so it took out a two-star heaven immortal item summoning talisman.

“Ha, didn’t you guys watch my live broadcast? A two-star heaven immortal item summoning talisman is useless to me now!”

Chen Xiaobei smiled and took out the cosmic saint’s cloth box and the Titan soldier’s body.

“True universe God of War transformation!”

Chen Xiaobei opened the Saint Cloth box and the transformation process shocked the crowd.

Then, the Titan Warrior appeared beside Chen Xiaobei in a protective stance, not allowing any enemy to hurt Chen Xiaobei.

“Hmph! You’re underestimating us!”

Tian Yunzi sneered, then took out a two-star heaven immortal item summoning talisman and said indifferently, “we’ve already watched your live stream and we’re ready to crush you!”

“Isn’t it just a two-star heaven immortal body?” Mountain moving Demon King sneered. he has a body without cultivation. He can’t gather his protective true Yuan. He’ll definitely be injured if he takes the two-star heaven immortal item summoning talisman head-on!

After saying that, mountain moving Demon King took out a two-star heaven immortal summoning talisman.

“This ...”

Chen Xiaobei's heart tightened.

Just like what mountain moving Demon King had said, without the protection of the body-protection Zhen Yuan, the soul of the giant spiritual warrior would be severely injured if it was hit by the summoning talisman of a two-star heaven immortal item.

During the last livestream, the black Thunder of Nirvana had weakened the power of the two-star heaven immortal item summoning talisman, and then the Holy garment's special ability had blocked it. In the end, the Titan warrior's body was still slightly injured.

At this moment, the enemy had actually taken out three two-star heaven immortal item summoning talismans!

If the three immortal talismans were to attack at the same time, even if the black Thunder of Nirvana could reduce the power by 30%, the remaining power was definitely not something that the universe war god Holy garment could withstand.

At that time, the Saint robe would probably be shattered, and the Titan warrior's body would be severely injured.

Moreover, this was not the worst outcome!

If the enemy had more two-star heaven-immortal item summoning talismans, and the Titan warrior's physical body could not be used, Chen Xiaobei would be in deep trouble.

"Woof! Buzzzzzz! Yi ..."

However, the thing that Chen Xiaobei was most worried about happened.

The other six reincarnated ancient Immortals also took out a two-star heaven immortal item summoning talisman.

According to Chen Xiaobei's calculations, if the Titan soldier and the universe God Saint Cloth were destroyed at the same time, they would be able to withstand three talismans.

Chen Xiaobei could no longer defend himself against the remaining six talismans.

In this way, he was destined to die.

no wonder you dared to fight me head-on. You've already prepared more trump cards, and you're sure to take my trump card!

Chen Xiaobei's brows furrowed. In the face of absolute power, all schemes and calculations were useless.

"We're not fools! If he didn't have full confidence, why would he come here to die?"

The Samanera Samantabhadra sneered,"as you can see, there is no suspense in this battle!" I advise you to give up your meaningless resistance! Surrender obediently, and you'll suffer less!"

"I will never surrender!"

Chen Xiaobei's mind was firm and his Taoist heart was stable. There was no way he would surrender. At most, he would use the dimension Shatterer tactic to escape.

This was only the space of the earth-god Realm. Using the void splitter would only consume 30000 years of lifespan, so it was not a problem at all.

But the problem was that song Qincheng's situation was still uncertain.

According to the message, he needed Chen Xiaobei's help to stall for time. If he used the dimension Rift to escape, Chen Xiaobei was worried that song Qincheng's safety would be threatened.

He couldn't retreat, nor could he stay.

Chen Xiaobei was caught in a dilemma. He could not make a decision.

"Since you're not willing to surrender, then go to hell!"

Mountain moving Demon King had a hot temper and would not give Chen Xiaobei any time to think.

"Whoosh ..."

With a single thought, the summoning talisman of the two-star heaven immortal artifact in mountain moving Demon king's hand was instantly activated.

"You really can't keep your cool!"

The young monk spiritual Vulture was a little displeased, but there was no turning back. He could only shout, "A two-star heaven-immortal item summoning talisman is no threat to Chen Zhufeng! The three of us must attack together! Let's destroy his trump card first!"

"Whoosh ..."

After saying that, the Samantabhadra monk activated his two-star heaven immortal item summoning talisman.

"Whoosh ..."

Tian Yunzi nodded. Without saying anything, he immediately followed and activated the third two-star heaven immortal item summoning talisman.

Chen Xiaobei knew how to plan, but so did the enemy.

Obviously, the enemy wanted to use these three two-star heaven-immortal item summoning talismans to destroy the Titan Warrior and the cosmic war god robe, and then use the remaining six talismans to crush Chen Xiaobei to death!

"Shit ..."

Chen Xiaobei's heart skipped a beat. Since he could not retreat, he had no choice but to face the three talismans head-on.

It was a pity that the trump card that he had spent so much effort to build was going to be completely destroyed.

Although Chen Xiaobei felt his heart ache, he would not regret it.

As long as song Qincheng's safety was guaranteed, Chen Xiaobei was willing to pay any price.

Chen Xiaobei's only worry was that the Titan Warrior and the Holy garment could only block three two-star heaven-immortal item summoning talismans. There were six more left, and he could not take them on at all.

If they didn't retreat now, they would really die without a burial ground.

boom boom boom ... Boom boom boom ...

At the same time, the power of the three talismans had been fully activated. They formed three giant heavenly immortal instrument Dharma images in the air and came crashing down on Chen Xiaobei.

"I don't care anymore ... For Qingcheng! Even if I die, I will hold on until the last moment! Even if it's just one more second, it's good ..."

Chen Xiaobei looked at the three mountain-like Dharma forms and gave up on the idea of retreating. He decided to risk his life and defend until the last moment.

"Xiaobei ... You're so good to me ..."

However, at this moment of life and death, a touched woman's voice came from nearby.

Chen Xiaobei followed the sound and saw song Qincheng flying towards him.

At this moment, her body seemed to have undergone some mysterious and indescribable change. Her entire aura was completely different from before.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3345: power of humanity**

Calm down! Wise! Noble! Overbearing! Proud of the world!

At this moment, the aura that song Qincheng exuded was like that of an Empress in a Golden Age!

how could it be her?!

Seeing this, the core members of the enemy's side were dumbfounded. They couldn't believe their eyes.

"Since this woman came out alive! doesn't that mean brother li is dead ...? the Samantabhadra monk gasped and looked behind song Qincheng.

"That's impossible ..."

Tian Yunzi frowned and said in disbelief, " "After we captured this woman, we sealed all of her power! It was impossible for her to counterattack brother li! Unless ..."

"Unless there's a mole among our own people!" Mountain moving demon monarch gritted his teeth and roared.

"Swish!"

Sure enough, behind song Qincheng, there was another person flying over.

This man was Chen Xiaobei's hidden pawn in the thousand Buddhas Pagoda, the demon fighter.

"The sect master is wise. He had me hide in the ten thousand Buddhas Pagoda! Even in your dreams, you would never have thought that your perfect plan would be broken by our sect master! It's completely effortless!"

The king Kong smiled proudly. He was proud of Chen Xiaobei.

At the same time, the demon fighter's left hand was carrying Li Shi Min, whose dantian had been sealed by a talisman.

In the right hand of the demon fighter was the nine-toothed rake that he had found on Li Shimin.

"Attack ... All of you, attack together ..."

Li Shimin's voice was weak, obviously he was badly beaten by the demon fighter.

However, at this critical moment, Li Shimin did not care about his pain, and loudly warned, "this woman has comprehended the complete law of the human Sovereign ... Don't give her a chance to attack ... Otherwise, we'll lose for sure ..."

"What? She ... She has comprehended the complete law of Human Sovereign?"

As soon as he said this, the hearts of the upper echelons of the enemy instantly suffered an incomparably violent shock. It was as if the sky had collapsed, and unconcealable panic appeared on everyone's faces.

"The laws of the human Emperor? What is that!"

Even Chen Xiaobei was shocked and confused. He could not imagine how song Qincheng, who was in mortal danger just a moment ago, could suddenly comprehend some kind of law.

This was simply unbelievable!

One had to know that laws were the highest standards in a dimension, and one could control all the power related to them.

Spatial laws controlling space! The laws of water and fire controlled water and fire!

Chen Xiaobei had already seen all of this.

But what could the laws of human Emperor control?

"Whoosh! Whoosh! Whoosh ..."

Just as Chen Xiaobei was deep in thought, the enemy's remaining six two-star heaven-immortal item summoning talismans were all activated.

It could be seen that the laws of Human Sovereign were definitely extremely powerful and heaven-defying.

The enemy was like a bird startled by the mere twang of a bow. Song Qincheng had not even made a move, but they were already panicking and fighting back with all their might.

It was as if they would forever lose the chance to attack if they did not act immediately.

boom boom boom ... Boom boom boom ...

All of a sudden, a total of nine two-star heaven-immortal items materialized in the sky, as if they were nine huge mountains hanging in the sky.

If that terrifying aura were to come crashing down, the entire aparagodaniya continent would probably collapse.

are you guys crazy!?

Chen Xiaobei was so shocked that he did not have the energy to think about the human Emperor's law anymore. just to kill me, are you going to bury the entire aparagodaniya province with me? "

"That's right!"

Shen Gongbao was like a demon. He bared his fangs and brandished his claws as he roared, " "As long as I can kill you! We are willing to pay any price! The cultivation tribulation was a major killing tribulation! Not to mention a large state, even if we have to bury the entire earth immortal world with him, we will not hesitate!"

"You dog thief!"

Chen Xiaobei became even more anxious and angry. "The people are innocent, the common people are innocent! So what if it was an Eon tribulation? Why should the innocent be buried with him? You're doing evil! And it was extremely vicious! The heavens are angry!"

"Heh, what's the point of saying all this?" The Samantabhadra monk sneered,"since ancient times, the winner has always been the king and the loser the bandit!" Whether it was good or evil, it was up to the winner to decide! You, Chen Zhufeng, have no right to judge good and evil!"

"Who said that?"

At this moment, song Qincheng shouted and flew to the nine heaven immortal Dharma artifacts.

Her Phoenix eyes swept over all the enemies present, and she said in an overbearing manner, " my Xiaobei said that you're all villains, so you all deserve to die!

"Not good! This woman is going to make a move!" Seeing this, Li Shi Min used the last of his strength and shouted, " "Quickly attack! Otherwise, we will all die!"

"Alright!"

Sama spiritual Vulture and the others did not dare to delay. They immediately activated their two-star heaven-immortal item Dharma images and sent them crashing down on song Qincheng and Chen Xiaobei like meteors.

“The eight desolates and nine prefectures! The endless universe! I am the human Emperor! Borrowing power from the living beings of the human world! Wei my people Dao! It’s brilliant and indestructible!”

At this moment, song Qincheng was not afraid at all. Instead, her aura was even more domineering than before!

Wei my people Dao! Brilliant and inextinguishable!

As soon as he said that, it was as if the entire mortal world could feel the call of the human Emperor and formed a mysterious resonance with him!

At this moment, all living beings in the human world would offer a trace of power.

Human, beast, demon, devil, ghost! Grass, wood, mountains, rivers, and seas! Even every spirit Meridian and every spirit item could not help but offer their power at this moment.

This trace of power was very subtle, and it was divided into every person’s body. It was almost impossible to detect the loss of energy.

However, there were countless living beings in the human world, and there were trillions of spiritual veins and spiritual objects.

The water accumulated into a deep abyss! Gathering sand into a beach!

Countless amounts of energy gathered on song Qincheng’s body, and when all of it was added up, it became an unbelievably huge amount of energy!

“The ninefang divine edge! Lend me to eliminate evil!”

Song Qincheng waved her hand, but she didn’t release her Zhen Yuan. Instead, it was as if she was grabbing something from a distance, and the nine-toothed rake flew into her hand.

“Whoosh ...”

The next moment, a huge amount of energy was injected into the nine-toothed rake.

Originally, the nine-toothed rake, which had been released with the power of a two-star heaven immortal artifact, needed 500 billion upper-grade spirit stones to be activated.

But at this moment, after the massive amount of spiritual Qi was injected, it actually filled the nine-toothed rake in an instant!

That was equivalent to five trillion upper spiritual stones!

“Woof! Buzzzzzz! Buzzzzzz! Yi ...”

Song Qincheng casually threw the nine-toothed rake, and it actually activated its power ten times in a row in midair!

In an instant, a total of ten nine-toothed rake Dharma images appeared in the face of the nine two-star heaven immortal artifacts.

Not only the enemies, but even Chen Xiaobei was stunned.

## Red Envelope Group of the Three Realms

### **Chapter 3346: complete victory**

The laws of the human Emperor! With a single thought, he could borrow power from the entire mortal world!

Activating the nine-toothed rake ten times in a row was equivalent to five trillion upper-grade spiritual energy!

At his peak, Chen Xiaobei only had six trillion upper spiritual stones, but Song Qincheng had spent five trillion with a wave of her hand.

It was true that there would be no harm without comparison.

Boom ... Boom ... Boom ...

In the next moment, the Dharma laksana of the nine-toothed rake collided with the Dharma laksana of the nine two-star heaven immortal items that were falling from the sky.

They were both at the same level of power, and there was no obvious restraint in their attributes. As a result, it was almost impossible to tell who was stronger when the two sides fought head-on, and they were evenly matched.

“Bang! Bang! Bang! Bang ...”

With a series of muffled explosions, the energy of the two Dharma powers offset each other and dispersed.

The enemy only had nine two-star heaven immortal item summoning talismans.

On Song Qincheng’s side, there were ten nine-toothed rake Dharma.

After the nine-on-nine battle, the enemy had no strength left, and Song Qincheng’s side still had a complete Dharma power left.

“Run! Quickly run! Run!”

Seeing this scene, the enemies all screamed one after another, using all their strength to escape from the scene.

Without the two-star heaven immortal item summoning talisman, they would not be able to withstand a single blow from the nine-toothed rake even if they were all tied up together.

They had no other choice but to escape.

“You still want to escape? Aren’t you too naive?”

Song Qincheng stood proudly in the air, looking down at the crowd. Her Phoenix eyes were cold and indifferent, as if she was looking at a group of unpardonable sinners who were about to be sentenced to death.

“Woof!”

The last of the nine-toothed rake slammed down, and the nine-toothed Divine Blade drew nine terrifying gusts of wind in the air.

Due to the immense power and speed, the strong wind contained a terrifying destructive power.

“Ah ... Spare me ... Spare me ... Ah ...”

For a moment, the scene burst out with continuous wails and screams. No less than a million people were affected by the strong wind, either dead or injured.

“Cha! Creak! Creak ...”

The wind was countless times sharper than a saber. Wherever it passed, a large number of Heavenly Dragon Temple disciples were killed, beheaded, limbs broken, internal organs flowing, and blood covering the ground.

At the same time, more than half of the reincarnated ancient Immortals of the four religions were also affected. They were beheaded, waists cut, and stomachs ripped open. They all died miserably without an intact corpse.

Just a moment ago, these people were still an Army that was full of fighting spirit and wanted to kill Chen Xiaobei.

However, at this moment, the Army was ruthlessly torn apart. Hundreds of thousands of people were completely wiped out, and even a dozen reincarnated ancient Immortals were destroyed in body and soul. It could be said that they were completely defeated.

Screams! Wailing! Begging for mercy!

Under such circumstances, none of the enemies could gather their will to fight. Even if they tried their best to fight back, they would still die.

In the face of absolute power, these enemies were just pitiful weaklings. They could only die miserably or beg for mercy. There was absolutely no third choice for them.

“Woof! Buzzzzzz! Yi ...”

Song Qincheng had already decided to kill him.

From the moment she thought that all the enemies were evil, she had made up her mind to help Chen Xiaobei punish evil and spread good. She would not send these evil people to hell.

Song Qincheng had the talent of a prosperous great Empress. When it came to killing, she was even more decisive than Chen Xiaobei.

If it was Chen Xiaobei, he would have avoided killing and let the millions of Heavenly Dragon Temple disciples go.

However, Song Qincheng was different. When an Emperor was angry, millions of people would die!

Once his killing intent was triggered, he would definitely kill!

In some special circumstances, he might even kill nine generations of his family!

Don't say that song Qincheng was cruel! This was the domineering state of mind that an Empress should have! This was the way she conducted herself in this world!

Either submit, or die! There was no third choice in front of an Emperor!

Furthermore, the enemy had committed a grave sin this time and deserved to die! In order to kill Chen Xiaobei, they were willing to drag all the innocent people of aparagodya down with them!

Such evil deeds could be called extremely evil! It was enough to make the heavens angry, the gods loathe it, and the ghosts loathe it! It would be too easy to kill them, the eighteen levels of hell was where they deserved to go!

“Woof! Buzzzzzz! Yi ...”

As the nine-toothed rake continued to swing, the enemies on the scene fell in large groups into pools of blood like straws cut by Sickles.

The vast majority of the enemy reincarnated ancient Immortals were also killed.

The battle was completely one-sided, and the enemy's complete annihilation was no longer a mystery.

However, the enemy's operation this time was supported by the headquarters of the four religions in the heaven realm. In addition to the nine two-star heaven immortal item summoning talismans, they had also reserved means of retreat.

“Chi ...”

In the midst of the chaos, the Samantabhadra monk used the returning bracelet to open a space gate and was the first to enter.

Before the space door closed, Shen Gongbao, Lady White bone, mountain moving Demon King, and Tian Yunzi also entered it.

“You want to run? No way!”

Song Qincheng was in control of the entire scene, so she naturally noticed this scene. With a wave of her hand, she directed the nine-toothed rake to attack that side.

“Qingcheng! Don't chase!”

Chen Xiaobei shouted from afar.

Since the enemy had already made plans to escape, they would definitely escape to the safest place.

If song Qincheng gave chase rashly, she would most likely fall into the enemy's trap. Not only would she fail to catch him, but she might also put herself in danger.

“Chi ...”

As expected, the nine-toothed rake was sucked into the space gate by an invisible force when it approached it.

“This is bad!”

“I’ve lost control of the nine-toothed rake!” Song Qincheng frowned.

“Forget it! It’s good that you’re fine!”

the nine-toothed rake has recognized Shen Gongbao as its master. As long as Shen Gongbao is not dead, the nine-toothed rake will not recognize a new master. There is no point in keeping it with us! Instead, Shen Gongbao will be able to sense our position and know our movements!”

As Chen Xiaobei had said, the current owner of the nine-toothed rake was Shen Gongbao.

Because Shen Gongbao had lent the nine-toothed rake to Li Shimin, song Qincheng was able to take control of the nine-toothed rake.

Just now, the nine-toothed rake was too close to Shen Gongbao. Therefore, Shen Gongbao instantly regained control of the nine-toothed rake, making it impossible for song Qincheng to retrieve it.

“It’s my fault! I caused you to lose an important treasure ... song Qincheng’s face was full of self-blame and regret.

“Those who don’t know are innocent!” you don’t even know that the owner of the nine-toothed rake is Shen gongbao! It’s just a small mistake! Chen Xiaobei said.

Chen Xiaobei’s heart ached for song Qincheng, so he would not blame her.

Besides, the victory was mostly due to song Qincheng’s contribution. Chen Xiaobei would not blame her for that.

Besides, other than victory, there was also an additional reward!

[ ding Qianqian has protected the common people. You have received merit points from the Three Realms ... ]

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3347**

3347 The heavenly court summons

Without a doubt, if not for song Qincheng’s intervention, the entire Western aparagodaniya Prefecture would have suffered a catastrophe.

Now that the disaster was over, the heavenly axiom would naturally reward them with merit points.

In this battle, song Qincheng was the main contributor. Even though Chen Xiaobei did not stop the battle, he had played a supporting role in it.

If Chen Xiaobei had not been there to buy time, song Qincheng would not have been able to make it in time.

Chen Xiaobei could also get a merit point for this contribution.

[ding Qianqian has protected the common people. You have been rewarded with 100 (+70) billion three realms merit points.]

[your current merit points are 20118.67 billion.(Charm: 2011.867 billion, luck: 2011.867 billion!

“A hundred plus seventy?”

Chen Xiaobei was surprised. “I understand! Ten billion is the merit points I deserve! The additional seven billion is the grade 7 heavenly merit Halo!”

“This is simply too good! If I had known that there would be such a huge improvement, I would have exchanged for the merit Halo first!”

when I unified the northern kuruzhou, I earned ten trillion merit points. If I had the Halo, I would have gotten seventeen trillion, almost double that!

Chen Xiaobei calmed himself down and thought, “ “But it doesn’t matter. The majority of the merit points I can obtain are still behind! Jambu state, shengshen state of the East, and aparagodya state of the West have not been unified yet!”

“Moreover, the ultimate unification of the earth-god Realm has not been completed yet! Only then will the Halo of virtue truly shine!”

Obviously, Chen Xiaobei was only a small support this time. The boost from the Halo of merit was not that shocking.

However, in the near future, Chen Xiaobei would unify the remaining three states, and finally, the entire earth-god Realm.

By then, Chen Xiaobei would have received an unprecedented amount of merit, and the Halo of merit would be at its most effective.

Moreover, Chen Xiaobei could continue to upgrade his merit aura.

Once they were united, there would be tens of trillions, or even hundreds of trillions of additional merit points!

Just thinking about it made Chen Xiaobei’s mood explode!

Of course, all of this was just a dream. Chen Xiaobei still needed to put in more effort to achieve it.

Right now, Chen Xiaobei had to think about song Qincheng’s merit points.

If Chen Xiaobei could get 10 billion merit points just by being a support, then song Qincheng would definitely get even more.

“Why are you looking at me?”

Song Qincheng raised her fair hand and touched her delicate face. She thought that her face was dirty and wondered why Chen Xiaobei was looking at her.

“Don’t you know that you’ve just received a huge amount of merit points?” Chen Xiaobei asked.

I don’t know ... song Qincheng shook her head in confusion.

“Uh ...”

it seems like only by wearing the netherspirit battlescouter will I be able to see the changes in my merit points. Chen Xiaobei said.

The reason why Chen Xiaobei could see the enemy's combat power, merit points, and lifespan was all thanks to the netherspirit battlescouter.

Song Qincheng did not have the netherspirit battlescouter with her, so even if he had obtained a huge amount of merit points, he would not know.

However, one thing was for sure, after Song Qincheng took Li Shimin's merit, even if she was not the Emperor of nine lives, she would be very close to it.

Coupled with the current wave of merits, Song Qincheng was very likely to have reached the Emperor realm.

According to the heavenly rules, the heavenly court would give Song Qincheng an Ascension elixir so that she would not have to go through the heavenly Tribulation and could directly ascend to the celestial level.

Song Qincheng knew what Chen Xiaobei was thinking about. She moved closer to Chen Xiaobei and lowered her voice. I already know what merit is, and I can vaguely feel the call of the heavenly court!

"The heavenly court's summons?"

That's right! Chen Xiaobei's eyes lit up. That means I was right! You've really reached the Emperor realm for nine lives! If nothing goes wrong, the heavenly realm will give you an immortal Ascension pill! You will be the first one to ascend!"

"The immortal Ascension pill?"

Song Qincheng's expression changed. "I want to give such a good thing to uncle or Auntie!"

Song Qincheng was really a sensible girl, and she was really thinking for Chen Xiaobei.

Song Qincheng's first reaction after hearing about the immortal Ascension pill was not what would happen to her after she ascended, but she subconsciously wanted to give the immortal pill to Chen Zhongfu and Zhang Chui'er.

Her filial piety was enough to prove that the relationship between Song Qincheng and Chen Xiaobei was so deep and sincere that they could give up everything for each other.

"It's enough that you have this thought! You can keep the immortal pills for your own use! It's my parents' problem, I'll think of a way!"

Chen Xiaobei smiled. He was willing to risk his life to defend Song Qincheng. Now, he was finally able to exchange his feelings for her. Even if he died, it would be worth it.

"How can you say that?" Song Qincheng furrowed her brows and said angrily, "Your parents are my parents, right? If you think of a way yourself, then what am I? An outsider?"

Chen Xiaobei quickly comforted her, " "You fool! How can you be an outsider? I'm just worried about your safety, so I wanted to leave the immortal pill for you to ensure that you'll pass the Tribulation safely!"

Song Qincheng smiled and said, " "I'm just teasing you! Of course I know you won't treat me as an outsider! However, now that I've comprehended the laws of the human Sovereign, the heavenly Tribulation can no longer threaten me! It would be such a waste if I ate another immortal pill!"

the laws of the human Emperor!? Chen Xiaobei could not help but think of song Qincheng's battle earlier.

She could borrow the power of the entire mortal realm. As long as she did not leave the mortal realm, song Qincheng was almost invincible.

Moreover, song Qincheng had not done anything evil. Even if the heavenly Tribulation were to descend, it would not be too powerful. It would not be a problem for her.

"Alright!"

alright! Chen Xiaobei nodded. we're a family! I'll leave your elixir to my mother! At that time, I'll find a way to get another one myself! My dad can also successfully transcend his tribulation! The two of them are safe, so let's forget about my biggest worry!"

"Your worry is my worry!" Song Qincheng smiled charmingly.

The domineering Empress, who had been decisive in killing a moment ago, had become a charming little wife at this moment.

In the Three Realms, only Chen Xiaobei had the good fortune to see song Qincheng's gentleness and enjoy her beauty.

Of course, this wasn't the time to be sentimental.

"Demon subduing! Bring Li Shi Min here!"

Chen Xiaobei waved his hand and started to plan in his mind.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3348**

3348 Trying to cooperate

Even though Shen Gongbao and the rest had escaped, Li Shimin was still in Chen Xiaobei's hands.

Since Li Shimin could be the leader of the four religions Alliance, in addition to the law of the human Emperor, he must have a very powerful backer.

Chen Xiaobei wanted to see if he could get some extra benefits from this.

"Bang!"

The king Kong threw Li Shimin to the ground. The latter was severely injured and his cultivation was sealed. He was paralyzed on the ground and couldn't escape.

“Victory and defeat have been decided! If you want to kill me or cut me up, just do it!”

Li Shimin was a hundred percent loyal to his master. Since he had lost the battle, he would not negotiate with Chen Xiaobei, nor would he cooperate with him.

“There’s no hurry. I have something to tell you.”

Chen Xiaobei shrugged and stood in front of Li Shimin, “I’ve heard that the Grand Supreme elderly Lord emphasizes non-interference and the Doctrine of the Mean longevity! The disciples of the tribe of humanity are pure-hearted, kind, loyal, and honest. They will never kill billions of people for their own benefit!”

“Of course you’re my role model!” Li Shi Min replied proudly. The disciples of the tribe of humanity are naturally upright and kind! It’s all your fault, Chen Zhufeng. You’ve gone too far and wanted to take over the mortal world and destroy the other orthodoxies! Therefore, I have no choice but to get rid of you!”

“Nonsense!”

“When did I ever wipe out other orthodoxies?” Chen Xiaobei asked. On the contrary, you almost destroyed the Buddhist sect’s orthodoxy in the human world today! Who’s right and who’s wrong, it’s clear at a glance!”

Li Shi Min’s expression froze for a moment, and he was speechless. He then angrily said, “Cut the crap! I’ve already been defeated and I’m at your mercy, so why should you fight over right and wrong?”

“Of course we’re going to fight!”

“First of all, what you’re doing is against the teachings of humanity!” Secondly, the Buddhist sect was also involved. Did they want to destroy their own orthodoxy? These two contradictions are enough to expose your lies!”

“In today’s battle, although you’re under the banner of the four religions Alliance, in fact, your contract owner is not the headquarters of the four religions in heaven! Instead, it’s some ambitious person who wants to see the world in chaos!”

this ... Li Shimin was slightly taken aback. Although he didn’t admit it, his eyes had already betrayed him.

As Chen Xiaobei had said, the mastermind behind today’s battle was someone else.

This person wanted to kill Chen Xiaobei in the name of the four religions Alliance and take all of Chen Xiaobei’s trump cards for himself. At the same time, he wanted to direct the hatred of killing Chen Xiaobei to the four religions in heaven.

There was no doubt that once this scheme succeeded, the four religions of the heaven realm would be subject to the infinite revenge of sect leader Tongtian, and both sides would suffer.

The real mastermind would be the biggest winner.

“So what if you’re right?” “Even if I die, I won’t tell you who my master is!” Li Shi Min said coldly.

“Even if you don’t tell me, I can guess it!”

I know! Chen Xiaobei raised his eyebrows. although your contract master does not represent the four religions, you have nine summoning talismans. That means your contract master must be from one of the four religions. He must be a high-ranking member!

“In this case, the answer is very obvious! One of the masterminds should be Julusun, one of the 12 golden Immortals of the clan of enlightenment! The other mastermind is a demon sect giant who colluded with Ju Liusun!”

Obviously, Ju Liusun and the demonic sect leader had been plotting against Chen Xiaobei since the beginning.

With their current strength, they didn't dare to jump out into the open, so they could only scheme in the dark.

“You ... You're just making a wild guess!” in the heaven realm, there are as many ambitious people as there are hairs on a cow. Do you think you can count them just by randomly pointing at two people?” Li Shimin frowned.

Obviously, Li Shimin was afraid that Chen Xiaobei would find out the truth.

“Of course I'm not randomly pointing at you!”

Chen Xiaobei shrugged and said, “Through Lu Yue's memory, I already knew that the white bone Spirit was the reincarnated ancient demon under the giant of the demon sect! The fact that the white bone Spirit is willing to work for you has proven my guess!”

“So what?”

Li Shi Min couldn't refute, so he simply admitted, “Even if you're right, Ju Liusun is just a Lackey of the Lord! Even if you disclose the truth, your grandson will be punished by the clan of enlightenment, and the supremacy will not be harmed!”

Obviously, the reason why Ju Liusun and the giant of the demonic sect did not dare to take action openly was that there were heavenly Lord Yuanshi and mother Nuwa above them.

Once Chen Xiaobei revealed the truth, the heavenly Lord of the origin would be the first one to come after Ju Liusun.

However, as Li Shimin had said, the true identity of the demonic sect's Big Boss had always been a big secret.

Before finding out the truth, if he disclosed the matter rashly, he could only get rid of a Ju Liu grandson. The giant of the demonic sect would inevitably be alerted and completely hide. It would be more difficult to investigate this person's identity.

If they were unable to find this person, it would be equivalent to planting an unknown time bomb by mother Nuwa's side, and the consequences would be completely uncontrollable.

“Chen Zhufeng! Don't think blindly! Even I don't know the true identity of the supremacy! If you don't believe me, you can ask the six-eared macaque to copy my memories!”

Li Shi Min's face was fearless, " however, I advise you not to waste your energy. Just kill me and end this matter once and for all. There's no point in dragging this on!

"Don't rush!"

of course not! Chen Xiaobei chuckled. I don't plan to disclose this to anyone. Instead, I plan to work with the master who is the master of your contract!

cooperation?! Li Shi Min's face changed, as he asked in confusion: "How do you want to cooperate?"

I'm sorry, " Chen Xiaobei said. when I was in the East Sea, my second Senior Sister was going through her divine tribulation. Your five reincarnated earth-level deities attacked me!

originally, on account that they were all disciples of the human sect of the Grand Supreme elderly Lord, I showed mercy and let Qin Yong go back to report the news. I also left Shan Xiongxin, Pei Yuanqing, Wu Tianxi, and Wu yunzhao behind.

I was planning to use these hostages as a bargaining chip to cooperate with the tribe of humanity. Unfortunately, the master of your contract is not the higher-ups of the tribe of humanity!

"But it doesn't matter. It's the same to cooperate with you! In order to show my sincerity, I'm willing to give you the four hostages I have!"

Chen Xiaobei was calm. Since he had already worked with mo Luo Wutian, it was not a big deal to work with the big boss of the demonic sect.

To Chen Xiaobei, as long as he could keep the enemy under control, he would be able to keep the earth-god Realm under control.

In addition, they could also obtain some additional benefits from the cooperation.

Killing two birds with one stone, killing two birds with one stone, why not?

Hearing this, Li Shi Min replied in disdain, " "Hmph! A mere four reincarnated earth Immortals were just four sacrificial pawns to the supremacies! You, Chen Zhufeng, don't deserve to work with the Lord!"

"Brother Li's words are wrong! Who said Childe Chen can't work with you, my Lord?"

At this moment, an extreme shadow flew over from the distant sky. He was dressed in green and held a sword in his hand. He was carefree and ethereal, with an extraordinary temperament!

It was as if the heavens had descended upon the mortal world, looking down on the common people of the nine prefectures!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3349**

3349 Great Tang heavenly master

"Mr. Yuan? Why are you here?"

Li Shi Min's face was filled with shock and embarrassment. It was as if she had been slapped in the face. Her face was red and hot, and it was very uncomfortable.

A moment ago, Li Shimin had said that Chen Xiaobei was not worthy of working with the demonic sect leader.

But now, the green-robed sword immortal was saying that Chen Xiaobei could work with the demonic sect's leader.

Most importantly, from Li Shimin's expression, the words of this green-robed sword immortal carried a lot of weight, and could even represent the intentions of the demonic sect's Supreme Lord!

"Mr. Yuan?"

Chen Xiaobei looked at the man and said, "are you the legendary Great Tang heavenly master, Yuan Tiangang?"

Chen Xiaobei had heard of Yuan Tiangang's name before. There were also records and legends of this person in Chinese history.

Yuan Tiangang was an expert in fortune-telling and was regarded as the heavenly master by the Emperor of the great Tang.

After his death, Yuan Tiangang concentrated on cultivating in the land, and his fortune-telling skills reached the peak.

From the battle of Donghai to today's battle, Chen Xiaobei's whereabouts and movements had been calculated by Yuan Tiangang.

More importantly, the enemy's schemes had all been carefully planned by Yuan Tiangang.

From this, it could be seen that in the enemy camp, Li Shimin and the others were just pawns to charge into the enemy's formation, while Yuan Tiangang was the chess player who planned the strategy to win the battle!

Obviously, for the demonic sect's venerable Lord, Yuan Tiangang's status was definitely the highest among the reincarnated earth Immortals. He could even be regarded as the representative of the demonic sect's venerable Lord in the human world.

Because of this, when Li Shi Min heard Yuan Tian Gang's words, he felt as if he had been slapped in the face. He was extremely embarrassed.

From Li Shi Min's reaction, it was clear that Yuan Tian Gang could decide whether or not to cooperate.

Childe Zhufeng is too polite!

master! Yuan Tiangang flew in front of Chen Xiaobei and saluted him like a scholar.

"Mr. Yuan, you're too polite!"

Chen Xiaobei nodded in return.

Of course, Chen Xiaobei would not let his guard down. He used his netherspirit battlescouter to check Yuan Tiangang's cultivation level and prepared all his trump cards.

Childe Zhufeng told me that he wants to work with my Lord. I can help him! Yuan Tiangang was very decisive. He didn't need to ask the owner of the contract and made his own decision.

Chen Xiaobei raised his eyebrows and said warily, " yes, Mr. Yuan, you agreed too quickly. I can't believe it!

"Childe Chen, don't worry!"

Yuan Tiangang smiled. although my Lord wants to take your life, I've warned you many times. Childe Zhufeng, you're at the peak of your luck now. Normal tricks won't be able to threaten you. Instead, they'll only damage our own strength!

"The facts have also proved my judgment! According to the Lord's order, I've set up three times in Dong Hai, on the fate wheel Island and today, but I failed to hurt Childe Zhufeng at all. Instead, I've lost my men!"

after this battle, I believe that my Lord should be able to see that Childe Chen is the biggest variable in the Three Realms. Even the heavenly path Saints might not be able to kill Childe Chen, let alone me.

"Since we can't kill Childe Chen, cooperation is our best option! As the saying goes, there are no eternal enemies, only eternal interests! If working together can bring benefits to both of us, why not?"

Yuan Tiangang was very eloquent. As he spoke, he clearly analyzed his own thoughts and the pros and cons of the matter.

Chen Xiaobei had no reason to reject the offer. Even Li Shimin changed his mind and nodded, expressing his willingness to work with Chen Xiaobei.

"Alright!"

Chen Xiaobei then released Shan Xiongxin, Pei Yuanqing, Wu Tianxi, and Wu Yunzhao from the spirit space.

"Mr. Yuan is right. As long as your master is willing to cooperate, we can discuss anything!" With a wave of Chen Xiaobei's hand, the four men and Li Shimin were sent in front of Yuan Tiangang by ethereal force.

"Thank you, Mr. Yuan, for saving my life ... Thank you, Mr. Yuan ..."

Li Shi Min and the four men thanked him profusely. They had finally escaped from Chen Xiaobei's evil clutches, and this was all thanks to Yuan Tiangang.

"Xiaobei ... Why did you let him go so easily?"

Seeing this, Song Qincheng frowned and said worriedly, "The other party only agreed to cooperate without any evidence. We didn't get any benefits. Even if they fall out with us, we can't do anything!"

Chen Xiaobei shrugged and smiled. "I've already shown my sincerity. Next, it's up to you, Mr. Yuan!"

"It's impolite not to return the favor!" of course! Yuan Tiangang smiled. Childe Zhufeng let the five of us go, so I'll return one to you!

“Oh?” one for five! Chen Xiaobei raised his eyebrows. this person must be very important!

“Whoosh ...”

Yuan Tiangang used the returning bracelet to open a space gate.

Who dared to think about it!

The young monk spiritual Vulture and Tian Yunzi had actually escorted Shen Gongbao out of the space gate.

At this moment, Shen Gongbao had fallen into a coma. Obviously, he had fallen into their trap.

No! To be precise, Shen Gongbao had ruined Yuan Tiangang’s plan.

Childe Zhufeng and Shen Gongbao have an irreconcilable enmity. Today, I will give Shen Gongbao to Childe Zhufeng to show my sincerity in cooperating with you!

Yuan Tiangang continued to smile and said, ” “However, we’ll be using the nine-toothed rake for the time being! In the future, if Childe Zhufeng can provide us with the appropriate amount of money, we can also exchange the nine-toothed rake for it!”

“No problem! We’ll do as Mister Yuan says!” Chen Xiaobei’s eyes lit up. He was so happy.

He had never thought that Shen Gongbao, who had escaped, would return to him as a prisoner.

This was great news for Chen Xiaobei.

After all, Shen gongpao hated Chen Xiaobei to the core. If he ran away, he would definitely seek revenge on Chen Xiaobei in the future.

On the contrary, if Shen gongpao fell into Chen Xiaobei’s hands, not only would the threat be eliminated, but he would also become an important hidden chess piece in Chen Xiaobei’s hands, which could turn the tables at a critical moment.

Without a doubt, Yuan Tiangang’s gift was a huge surprise for Chen Xiaobei.

The moment he saw Shen gongpao, Chen Xiaobei did not even care about the nine-toothed rake.

As long as he used Shen gongpao well, Chen Xiaobei could even get a return that was a hundred times more valuable than the nine-toothed rake!

our first cooperation was successful. If Childe Zhufeng has nothing else to say, I’ll take my leave with them! Yuan Tiangang said.

“Mr. Yuan, please wait!” alright! Chen Xiaobei said. since we’re working together, can I know who your Supreme Lord is? ”

“Sure!”

“But Childe Zhufeng, you have to pay the price!” Yuan Tiangang said.

Obviously, Yuan Tiangang was very smart and would not lose out.

Although their side had suffered a crushing defeat in this battle, they had obtained the nine-toothed rake! Even though he had given away Shen gongpao, he had won back five 100% loyal subordinates and also a partnership with Chen Xiaobei!

It could be seen that Yuan Tiangang was very good at doing business!

To Yuan Tiangang, if Chen Xiaobei wanted to get something, he had to give something in return.

As long as Chen Xiaobei was willing to pay enough, Yuan Tiangang was willing to tell him the truth, even if it was about his identity as the demonic sect's leader.

"What kind of chips do you want, Mr. Yuan?" Chen Xiaobei asked.

"Your life!" Yuan Tiangang said indifferently.

"What?" what? " song Qincheng was shocked. we just agreed to work together, and now you want to start a war? "

"Don't misunderstand!"

Yuan Tiangang smiled and said, "once my Lord's identity is exposed, he'll be dead!" Childe Chen's life in exchange for my Lord's life. Isn't that fair?"

"Hmm ... It is indeed fair!"

Chen Xiaobei looked at Yuan Tiangang and said, " "Mister Yuan is truly a rare genius! How good would it be if I could use it!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3350: tribulation or not**

It was obvious that Chen Xiaobei admired Yuan Tiangang a lot.

Not only did he admire Yuan Tiangang's talent, but he also admired Yuan Tiangang's courage and bearing.

If it was possible, Chen Xiaobei would take Yuan Tiangang as his subordinate. If he succeeded, he would have a pair of wings. It would be a great help to Chen Xiaobei and Bei Xuan faction.

"Childe Chen, you must be joking."

Yuan Tiangang was calm and said, " "With the primordial spirit contract set up by the Dao ancestor, I will only be loyal to the master of the contract in my life! Although I have high hopes for Childe Chen, it's a pity that we're not meant to be together!"

Yuan Tiangang was very calm and did not hide his approval of Chen Xiaobei.

In fact, Yuan Tiangang had already said that he had predicted that Chen Xiaobei's Qi would be extremely strong and that it would not be good for him to attack.

Other than that, Chen Xiaobei's ability, state of mind, Foundation, courage, and wisdom were all displayed in the previous battle.

That was why Yuan Tiangang admired Chen Xiaobei.

However, with the primordial spirit contract, there was only one way for Chen Xiaobei to get rid of Yuan Tiangang's master.

This was a very difficult task. At least, Chen Xiaobei could not do it in the short term.

"You don't have to be so absolute! Who can say for sure what will happen in the future?"

Chen Xiaobei shrugged and said, "The Green Mountains will not change, and the green water will flow forever! If we work together in the future, there might be other variables!"

"Then we'll talk about it in the future!" let's exchange phone numbers if there's nothing else. Yuan Tiangang smiled. if there's a chance in the future, we can work together to benefit and win!

"Mm, see you again!" Chen Xiaobei nodded.

After exchanging phone numbers, Yuan Tiangang took the five people that Chen Xiaobei had let go and left the place through the dimension portal.

"" Merit record ""!

Without hesitation, Chen Xiaobei activated the merit points ledger. I want to exchange for a super heavenly dog biscuit!

[you have successfully exchanged for a merit reward!] 500 million merit points will be deducted!

[your current merit points are 20118.170 billion.(Charm: 2011.817 billion, luck: 2011.817 billion!

"Swish!"

Chen Xiaobei released his ethereal force and carried the unconscious Shen gongpao to his side.

"Oh ..."

Then, Chen Xiaobei took out the Super heavenly dog biscuit that he had just exchanged, wrapped it with ethereal force and put it into Shen gongpao's mouth.

"Xiaobei, why didn't you kill him?" Song Qincheng asked, her face full of confusion.

Shen Gongbao had been making things difficult for Chen Xiaobei in the Three Realms red envelope group since earth. In the earth-god Realm, Shen Gongbao had even tried to kill Chen Xiaobei several times.

By right, Shen gongpao and Chen Xiaobei had already formed an irreconcilable enmity.

Now that Yuan Tiangang had given up Shen Gongbao, Chen Xiaobei should kill him and get rid of him completely. That was the safest choice.

"It's too easy for him to kill someone!"

Chen Xiaobei's lips curled into a devilish smile. "Shen Gongbao is a special chess piece. At the critical moment, he can help me reverse the fatal situation and also help me exchange for a huge amount of

benefits! After that, I will throw him back to the clan of enlightenment and the primordial old thief will be the first to come after him!”

“Kill!” Song Qincheng gave Chen Xiaobei a thumbs up. “This is the most ruthless!”

“Pa!!!”

Chen Xiaobei then slapped Shen Gongbao’s face.

“Uh ...”

Shen Gongbao wailed and slowly woke up from his coma.

The Super heavenly dog biscuit’s grade had reached the two-star divine immortal level. The medicinal effect took effect instantly, and Shen Gongbao entered the state of master recognition.

The process was very smooth. In just a few seconds, Shen Gongbao had turned from Chen Xiaobei’s mortal enemy into a loyal dog.

“Master ...”

Shen Gongbao knelt on the ground and looked up at Chen Xiaobei, his face full of respect.

“Move aside and kneel.”

Chen Xiaobei did not even bother to reply to Shen Gongbao. He turned around and walked toward the king Kong.

“Sect master!” The Vajra was also very respectful to Chen Xiaobei. He bowed and looked at Chen Xiaobei with sincerity.

“You’ve done very well this time!”

Chen Xiaobei was not stingy with his praise, “If you didn’t step in at the critical moment, I’m afraid Qincheng and I would have lost our lives in this deadly situation!”

The demon Vanquisher Vajra said very modestly, “It’s all because of the sect leader’s foresight. He let me hide in the ten thousand Buddhas Pagoda earlier. Otherwise, my ability alone would not be enough to change today’s situation!”

“You don’t have to be so modest!”

I promised you that I would help you realize your dream. Tell me what you plan to do! Chen Xiaobei said with a smile.

“My biggest dream in life is to be able to cross the Tribulation and ascend to the heaven realm to become a true immortal!” “If it’s possible, I hope it can be realized as soon as possible!” Said the Vajra.

The king Kong was willing to follow Chen Xiaobei because Chen Xiaobei promised that he would ensure that the king Kong would pass the Tribulation.

For ordinary people in the earth-god Realm, it was extremely difficult to cross the Tribulation and ascend.

If someone else had made such a promise, the king Kong would not have believed it. But Chen Xiaobei had made such a promise, and the king Kong was willing to believe it.

This was because the king Kong had seen how extraordinary Chen Xiaobei was. That was why she was willing to bet her life on Chen Xiaobei.

The facts proved that the demon fighter Vajra didn't trust the wrong person.

Chen Xiaobei would not let him down.

"Alright, come with me!"

Chen Xiaobei then brought the demon fighter into the Meru space.

"Chi ..."

Then, Chen Xiaobei released the red flame bull demon that he had captured earlier from the spirit condensing space.

Previously, the Scarlet Flame ox demon had been seriously injured by the primordial demonic flame and was still on the verge of death.

"Whoosh ..."

Chen Xiaobei immediately activated God's greed and transferred the flaming bull demon's cultivation to the demon fighter.

my God ... How did my cultivation level suddenly soar? "

The Vajra couldn't believe it and exclaimed, " he broke through the peak of the earth immortal realm ... Is ... Is this the legendary half-step heaven immortal realm?!"

"Right!"

yes! Chen Xiaobei nodded. you're already a half-step heavenly immortal. As long as you leave the Meru space, the heavenly Tribulation will come. After you pass the heavenly Tribulation, you will be able to ascend to the heavenly realm and become a heavenly immortal!

this ... the Vajra was dumbfounded. He couldn't believe his ears.

"How is it? Do you want to undergo your tribulation now? Or do you want to wait?" Chen Xiaobei smiled, as if everything was under his control.
