Chapter 3351

3351 The heavenly gate's traction

"Can ... Can I go through the Tribulation now?"

The Vajra was so excited that he couldn't help but tremble.

To him, crossing the Tribulation and ascending to heaven was his lifelong dream. This moment was the closest he had ever been to his dream.

It was as if the goddess you had been pursuing finally agreed to be with you.

That feeling was simply the excitement that came from the deepest part of the soul. It was a hundred and eight thousand times more pleasurable than drinking it.

"As long as you're willing, you can do it now."

Chen Xiaobei shrugged. His tone was calm, but it exuded a domineering aura.

"Won't ... Won't there be any danger?"

The Vajra was very excited, but he was still very afraid of the heavenly Tribulation.

After all, in the history of the earth immortal world, there had been many peak earth Immortals, but those who could successfully pass the Tribulation and ascend were very rare.

Even the previous top ten peak earth Immortals in the earth immortal world did not dare to say that they could pass the Tribulation with a 100% success rate.

"There won't be any danger."

Chen Xiaobei had already seen through everything. He said calmly, "first of all, you're not an evil person. Second, you played a big role in today's battle. You'll receive a lot of merit points from the Three Realms, which will greatly improve your luck. The power of the heavenly Tribulation shouldn't be too great!

"R-really?" The Vajra couldn't believe it. After all, these things were simply unheard of for a mortal.

"Of course it's true!"

when you get to the heavenly realm, you can look for shield mountain. He's one of my people. You two help each other and help me find a way. It won't be long before the core members of bei Xuan faction and I will ascend. Then, we can continue to fight in the heavenly realm together!

"Yes, sir!" The demon Vanquisher Vajra was extremely excited and nodded repeatedly, "In this life, whether in the heaven realm or in hell, as long as sect master is here, I will follow you with my life! If we follow the sect master, our future will be boundless!"

There was no doubt that Chen Xiaobei was already a legendary God in the eyes of the demon fighter.

Omnipotent and invincible!

Following Chen Xiaobei was the best decision the king Kong had ever made in his life.

“Alright! Since you’re ready, we’ll go out now. I’ll make sure you cross the Tribulation safely!”

Chen Xiaobei’s tone was calm, and as soon as he finished speaking, he waved his ethereal force.

“Swish!”

His quintessential essence was like a sharp blade, directly tearing apart the Scarlet Flame ox demon’s broken nascent soul.

After losing his cultivation, the bull demon had lost its value. Chen Xiaobei had already wanted to kill him, so he had to get rid of him now.

His fragile nascent soul was torn to pieces, and the bull demon’s soul was instantly destroyed.

Chen Xiaobei brought the demon fighter back to the real world.

“Boom boom boom ...”

Very quickly, the sky was filled with the sound of Rolling Thunder.

In an instant, the wind and clouds surged, and the sky changed colors. Green true essence fell from the sky and rose from the ground, connecting from top to bottom, surrounding a vast area and forming the heavenly Tribulation realm.

Judging from the pressure and ethereal force, the power of the heavenly Tribulation was not as strong as Chen Xiaobei had expected.

It was estimated to be at the one-star heaven immortal level.

“Sect master ...”

The Vajra was so nervous that he swallowed his saliva. A layer of cold sweat even appeared on his forehead, and his heart was beating very fast.

“No need to worry.”

Chen Xiaobei chuckled.

The three-star heavenly realm, which had refined everything, was nothing to Chen Xiaobei.

BOOM!!!

After a period of preparation, a terrifying Thunderbolt descended from the sky like a terrifying Dragon.

The lightning was green in color and was filled with a terrifying explosive power.

The sudden attack seemed to be able to completely blow up the earth and annihilate all living things.

“Xiaobei ...”

Song Qincheng was also a little nervous. She looked at Chen Xiaobei, as if he was the only person she could rely on.

Obviously, although the laws of human Emperor were powerful, they could not be used limitlessly.

Moreover, the nine-toothed rake had been taken away by Yuan Tiangang. Even if song Qincheng still had the strength, it would be difficult for her to use it.

Because of this, song Qincheng could only rely on Chen Xiaobei to keep her safe.

“Don’t worry!”

Chen Xiaobei took out his Dragon’s edge and said, ” “The black Lightning of destruction originates from the Tribulation lightning, but its level is far superior to this green lightning!”

“Get back!”

Chen Xiaobei swung his sword. The spiritual Qi that he had used the low-grade spiritual Jade to replenish was now equivalent to 60 billion upper-grade spiritual stones.

The power of the Dragon’s edge was directly activated.

The power of a mid-stage one-star heaven immortal was one minor realm higher than the green tribulation lightning.

With the black Thunder of destruction, it could weaken the power of the green lightning.

Victory and defeat had been decided!

“Woof!”

In the next moment, a 90000-meter-long Dark Dragon-Phoenix Dharma power appeared on the black blade.

The Dragon’s body and the Phoenix’s wings flew in the nine Heavens. The black Thunder around him was so powerful that it seemed to be able to tear time and space apart and reverse the chaos of the universe.

“BOOM!”

In the next moment, the Black Dragon-Phoenix Energy construct and the green lightning of tribulation collided.

The difference in strength between the two sides was huge.

The green lightning of tribulation had no power to resist at all. It was completely crushed by the dark Dragon-Phoenix phenomenon. It disappeared for a thousand miles and quickly retreated into the sky.

“Swish ...”

In the end, the green disastrous Thunder was completely crushed back into the thunderclouds. However, the dark Dragon-Phoenix celestial appearance did not stop. Instead, it charged up and tore the thick thunderclouds into pieces.

Domineering! Overbearing! He revealed his sharpness!

The current scene was similar to the time when Saint mother gold spirit transcended her tribulation. The heavenly Tribulation had become the weaker party and was completely suppressed.

“Whoosh ...”

The thunderclouds dissipated, and the seal on the heavenly Tribulation domain was also lifted.

this ... This is it???

The king Kong and song Qincheng were both shocked.

They would never have thought that the most terrifying death tribulation in the world would be so weak in front of Chen Xiaobei. It was not a threat at all!

“Chi ...”

Before Chen Xiaobei could answer, a crack in space had already appeared in the sky.

Through the crack, one could vaguely see a huge white heavenly gate surrounded by a seven-colored Halo. It looked sacred and inviolable.

“Eh? I can’t control my body ... Sect master ...”

Then, the demon fighter was pulled by a special force and slowly floated up into the air, flying toward the gate of heaven.

“Don’t be nervous, you’ve already successfully transcended the Tribulation!”

Chen Xiaobei smiled and looked at the door to heaven. “I wonder what kind of opportunity will descend this time?”

Xiaobei!!!

At this moment, song Qincheng’s expression changed drastically. She was also pulled by an invisible force and flew into the sky.

Chapter 3352

3352 Who’s going to take responsibility?

“What ... What is going on?”

Seeing this, Chen Xiaobei’s heart tightened. He immediately summoned the somersault cloud and chased after them.

“Whoosh ...”

The Vajra directly passed through the space crack and entered the gate of heaven realm, and nothing unusual happened.

However, song Qincheng stopped in front of the spatial crack.

“Could it be ...”

Chen Xiaobei heaved a sigh of relief. “This should be the immortal Ascension pill that the heaven realm is going to reward Qingcheng with!”

Chen Xiaobei and Song Qingcheng were very nervous. After all, Song Qingcheng was only a peak earth-god at the moment. Once she entered heaven, she would be rejected by the laws of heaven and would die.

But at this moment, Song Qingcheng was stopped outside the gate of heaven realm and was not pulled in.

Now that the danger was gone, there was only one possibility.

“Whoosh ...”

Soon, an immortal official of the heaven flew out of the gate of heaven. He was wearing a brocade robe.

This person looked middle-aged, his eyes were bright, and his aura was extraordinary.

Spiritual light glowed around his body, and he was full of spirit.

It was like a god statue that was worshipped in the main hall of a temple, solemn and sacred, and could not be violated.

“By the will of the heavens, the heavenly Emperor decrees!”

The immortal official took out a golden imperial edict, spread his hands, and read aloud, “Today, there is a disciple of the mortal world, Song Qingcheng, who has accumulated good deeds and avoided disasters in the world, achieving the great virtue of the Emperor of the nine mortals!”

“The heavenly Dao punishes evil and promotes good, and specially bestows Song Qingcheng with a tribulation-transcending immortal pill! With it, one could avoid the heavenly Tribulation and directly ascend to the celestial world! Even if he didn’t need it, he could still roam freely in the human world and live nine lives without worry! As you wish!”

After reading the Imperial edict, the immortal official waved his hand and released a seven-colored Halo.

The Imperial edict was slowly flying toward Song Qingcheng.

Following closely behind, an extremely exquisite Jade box also slowly flew over.

“Disciple accepts the decree!”

Song Qingcheng took the Imperial edict and the jade box, and then looked at Chen Xiaobei with excitement.

“Since you’ve received the decree, why don’t you thank me?”

The immortal official’s face turned black as he asked in a very unpleasant tone.

Obviously, this wasn't the first time this guy had given the immortal Ascension pill to the human world. The people who had received the decree before had all thanked him and even offered him some treasures.

However, song Qincheng had been so focused on Chen Xiaobei that she did not even bother to talk to the immortal.

Qingcheng got this immortal pill with her own hard work. It's not like you guys are giving it to her. Why do you need to thank me? "

Chen Xiaobei retorted.

Chen Xiaobei could be persuaded by reason but not cowed by force. Since the immortal official did not give him a good look, Chen Xiaobei would not give him one.

"You ..."

The immortal official was at a loss for words. He couldn't get any benefits, and he couldn't see a good expression. He was even more displeased."What are you? You're not worthy of talking to me!"

"Me? I'm afraid you'll be scared to death if I tell you!"

I'm Chen Xiaobei! Chen Xiaobei smiled. I'm the direct disciple of the prime of Tongtian! In terms of seniority, your heavenly court's Jade Emperor can barely be considered my senior brother!"

what???"

The immortal official was stunned and became nervous, " you ... You're the Chen Xiaobei, the number one profiteer in the Three Realms who caused the heavenly Lord of the origin and many other gods to suffer?!

I didn't expect that after so many years of not being an unscrupulous merchant, the heaven realm is still full of my legends! Chen Xiaobei looked at the immortal official and said, " How is it? Are you interested in doing business with me?"

No... I don't dare ... I don't dare ... the immortal official instantly looked like a frightened chick, shrinking his neck and shaking his head repeatedly.

pfft ... song Qincheng was instantly amused by the scene.

The immortal official who was so powerful a second ago was now so scared by the name 'Chen Xiaobei' that he became obedient. It was so ironic!

goodbye ... Goodbye ... the immortal official did not dare to say anything more to Chen Xiaobei. He was afraid that Chen Xiaobei would take advantage of him and quickly left.

"Don't be in such a hurry!"

Oh? " Chen Xiaobei raised his eyebrows. are you in charge of distributing the pills? "

yes ... I'm in charge of it ... the immortal official nodded.

“If there’s a problem with this immortal pill, should I find trouble with you? Or should I find trouble with the Jade Emperor?” Chen Xiaobei asked.

Obviously, Chen Xiaobei was not at ease with the Jade Emperor.

This was because Chen Xiaobei knew a big secret that no one else in the world knew.

Back then, Ying Zheng’s immortal Ascension pill had been replaced by a poisonous pill by the Jade Emperor.

As a result, Ying Zheng, who should have ascended to become an immortal, was directly poisoned to death, and his soul was sealed, even his path of reincarnation was blocked.

The heavenly court must have known about the relationship between Song Qincheng and Chen Xiaobei.

The heavenly court was under the Chanism. They would not miss the chance to trick Chen Xiaobei.

Chen Xiaobei had every reason to suspect that there was something wrong with the elixir in the jade box.

“I won’t!”

The immortal official said very seriously, “The Ascension elixir is a gift from the heavenly Dao. There’s no problem with it!

“Absolutely not?”

Chen Xiaobei asked, “If there’s really a problem, I’ll definitely bring it to the Dao ancestor. At that time, will you be fully responsible?”

this ... the immortal official’s expression froze for a moment, then he said, “Before the immortal pills were distributed, they were kept by the Jade Emperor ... I’m only distributing them on his behalf, I can’t take responsibility ...

Obviously, this guy knew about Chen Xiaobei’s enmity with Chanism. He was not sure if the Jade Emperor would plot against Song Qincheng, so he did not dare to take such a big responsibility.

“Oh! If you don’t take responsibility, then the Jade Emperor will!”

Chen Xiaobei raised his brows and laughed evilly, “I’m going to send this immortal pill to Mother Nuwa to take a look at it. If there are no problems, then everyone will be happy! If there’s a problem, hehehe ...”

“Uh ...”

When the immortal official heard the name of Mother Nuwa, he was even more terrified. He begged with a sad face, “God Chen! If there’s nothing else, please let me go first ... I wouldn’t dare to get involved in the matter between you and His Majesty the Jade Emperor even if I had ten thousand lives ...”

“Don’t rush!”

I'm going to send the elixir to lady Nuwa now! You can stay here and be my witness! Chen Xiaobei said with a smile.

I wouldn't dare ... the immortal official was so scared that he almost peed his pants.

"Don't worry!" Chen Xiaobei took out his phone. Even if there's a problem with the elixir, she'll only blame the Jade Emperor and won't bring you any harm!"

[Jade Emperor has sent you a private message!]

At this moment, a message from the Three Realms red envelope group popped up.

"Heh, this old fox really doesn't have a good heart!" Chen Xiaobei saw through everything.

"You can get lost now!"

Chen Xiaobei looked at the immortal official and laughed evilly, "The Jade Emperor has come to me! Watch how I'll deal with him!"

Red Envelope Group of the Three Realms

Chapter 3353

3353 Fake one-to-two compensation

The immortal official quickly fled, and the gate of heaven realm was closed.

Chen Xiaobei and song Qincheng returned to the ground.

Chen Xiaobei took out his phone and started to chat with the Jade Emperor.

The Jade Emperor: " brother Xiaobei, please don't misunderstand. There's no problem with the elixir I gave song Qincheng!

Chen Xiaobei: Since there's no problem, why did you come all the way here to tell me? It was clear that he had a guilty conscience and was confessing without being beaten!

The Jade Emperor,"misunderstanding!" You've really misunderstood me! I just happened to pass by and heard you say that you were going to show an immortal pill to mother Nuwa! There really wasn't a problem with this pill, so why bother mother Nuwa?

Chen Xiaobei: Mother nüwa has always taken good care of me. All she did was help me take a look, and it didn't take much effort. She definitely wouldn't mind!

The Jade Emperor,"no, no, no!" mother Nuwa is a noble, and she's been listening to the Dao ancestor's lectures recently. Junior Brother Xiaobei, please don't disturb mother Nuwa. If there's any disagreement, we can settle it in private!

Chen Xiaobei:

The Jade Emperor,"yes!" Settle it privately! Tell me your thoughts and I'll try my best to cooperate with you! If things got out of hand, even the immortal officials and heavenly soldiers who were guarding the immortal pills would have to bear the blame! Wouldn't that be too troublesome?

Chen Xiaobei: Let me think!

the Jade Emperor didn't show up earlier or later, but when he heard that I was going to show the elixir to mother Nuwa, he suddenly jumped out. This is enough to prove that he has a guilty conscience. There must be something wrong with the elixir!

but ... Chen Xiaobei said, "there are chat logs in the red envelope group. Even if you beat the Jade Emperor to death, he would never admit that there was something wrong with the pill!

moreover, he has already named the immortal official and the heavenly soldier. Even if I take the immortal pill to goddess Nuwa for verification and there is a problem, the old Jade Emperor will definitely push it to his subordinates to take the blame for him.

"If I continue to pursue this matter, I will only bring disaster to the innocent immortal officials and heavenly soldiers. It will not affect the Jade Emperor at all! It's better to take this opportunity to extort him. At least I can get some benefits."

Chen Xiaobei was indeed the number one profiteer in the Three Realms. In just a few minutes, he had analyzed the pros and cons of the entire situation.

If he found lady Nuwa to settle this matter, the Jade Emperor would definitely find a scapegoat to bail him out. By then, not only would he harm innocent people, but Chen Xiaobei would also not get any benefits.

However, if he settled this matter privately, Chen Xiaobei could take advantage of the situation and extort the Jade Emperor. He would not have to harm the innocent and could even get some real benefits.

A wise man is pragmatic! Chen Xiaobei made his decision!

Chen Xiaobei: "I think there's really something wrong with this pill. If you can return me two of them, I'll return this one!

The Jade Emperor, "what?" (Dumbfounded)

Chen Xiaobei: "back in my hometown, there's a rule that you'll be punished ten times for every fake! I've already done my part by only asking senior brother Jade Emperor to punish both of them!

The Jade Emperor thought, "uh ... You can't count it that way ... The elixir of ascendance is a gift from the heavenly Dao. Every time you use one, you need to be approved by the heavenly Dao!" I can help you exchange it for an immortal pill that has no problem, but I definitely can't use a second one!

Chen Xiaobei: You were the one who said you would cooperate with me! If you refuse me now, I'll have no choice but to go find mother Nuwa!

Obviously, Chen Xiaobei knew that the Jade Emperor had a guilty conscience.

If there was nothing wrong with the elixir, the Jade Emperor would not have jumped out and stopped Chen Xiaobei from giving the elixir to lady Nuwa.

Knowing this, Chen Xiaobei had the Jade Emperor's pigtails in his hands. He was not afraid that the Emperor would not admit defeat.

The Jade Emperor,"if I can take out two immortal Ascension pills, I'll definitely agree to your request!"
But I really have no choice!

"No other way? I don't believe you, this rotten old man is really bad!"

Chen Xiaobei looked at Shen Gongbao, who was kneeling beside him, and asked, "Shen Gongbao, can the old Jade Emperor freely use this elixir of ascendance?"

"Master!"

Shen Gongbao said respectfully,"the immortal elixir of Ascension is stored in the ascending heaven Palace!" The palace is sealed by the heavenly Dao, and only when the heavenly Dao acknowledges a human Emperor of nine lives will the seal be lifted and a celestial pill of Ascension be bestowed upon him. Other than that, no one can freely use this celestial pill!"

"In that case, the Jade Emperor didn't lie to me!"

but ... Chen Xiaobei thought for a moment and said, " but, other than the Ascension elixir, I don't have anything else I want ...

I still have more than 10000 low-grade spiritual jades with me. I can still earn more from mo Luo Wu Tian in the future. There's no need to extort the Jade Emperor ...

as for the two-star heaven-immortal artifact, even the people of the four religions of the heaven realm don't dare to bring it to the earth-immortal realm. I can't take it, either. Otherwise, I'll only get burned by the fire and be punished by the Dao ancestors. The consequences will be unimaginable!

What Chen Xiaobei wanted the most was the Ascension elixir.

As long as he could get his hands on two Ascension elixir, his father Chen Zhongfu and mother Zhang Chui 'er would be able to ascend to the immortal world and solve one of Chen Xiaobei's biggest problems.

However, according to Shen Gongbao, the Jade Emperor did not have the authority to give him two pills. Even if he wanted to agree to Chen Xiaobei's request, he could not.

"Master!"

However, at this moment, Shen Gongbao said in a low voice, "Have you forgotten someone?"

"Who is it?" Chen Xiaobei asked.

"Ying Zheng!" Shen Gongbao answered Chen Xiaobei's biggest question with just one word.

"Understood!" Chen Xiaobei was a smart man. He immediately understood and praised excitedly, "You really are a good dog!"

Obviously, Shen Gongbao was now Chen Xiaobei's loyal dog. He was 100% loyal, and everything he did was for Chen Xiaobei's benefit.

Shen Gongbao's mention of Ying Zheng was equivalent to giving Chen Xiaobei a trump card.

Chen Xiaobei: " senior brother Jade Emperor! Did you know that Ying Zheng is right beside me? "

The Jade Emperor, Ying Zheng? Who was he? I don't know him!

Chen Xiaobei, "you don't know him?" But he knows you! (Evil smile) he also told me many little secrets between you two!

The Jade Emperor, "don't listen to his nonsense!" I don't even know him! It must be the people below who harmed him! If you need, I can help you investigate!

Chen Xiaobei: " Hmph! If senior brother Jade Emperor doesn't know Ying Zheng, how would he know that he was killed? "

The Jade Emperor, "this ..."

Chen Xiaobei: " it's been so many years. If we investigate it, the real murderer will probably find someone to take the blame and harm the innocent!

The Jade Emperor, "yes, yes, yes!" Don't investigate anymore! What's there to investigate!

Chen Xiaobei: " I don't mind not looking into it. But, I'm sure Ying Zheng had an Ascension elixir back then. You have to help me find it, senior brother Jade Emperor! (There's a deeper meaning to it)

[Red Envelope Group of the Three Realms](#)

Chapter 3354: scheming against Xu Fu

Obviously, it was not that the Jade Emperor did not know Ying Zheng. He was just finding an excuse for his crime and pretending not to know him.

It was the same in this case. If the investigation continued, the Jade Emperor might find a scapegoat for himself.

If he did not investigate, Chen Xiaobei would have the chance to get the Ascension elixir that he had been dreaming of.

Chen Xiaobei had already seen through the whole thing, but he did not say it out loud.

The reason why Chen Xiaobei mentioned Ying Zheng's name was to remind the Jade Emperor that he had exchanged a poisonous pill for Ying Zheng's divine pill.

In other words, the immortal pill from back then had not been used.

The Jade Emperor would not simply throw away such an item. He would definitely keep it in his hands.

Although Chen Xiaobei had asked the Jade Emperor to look for it, there was a hidden meaning in his words. He wanted the Jade Emperor to hand over the elixir.

The Jade Emperor asked, "brother Xiaobei, can't you change your request?" It would be extremely difficult for me to find something that was lost so many years ago!

Chen Xiaobei: Then I'll ask Mother Nuwa to help me find it!

The Jade Emperor, "no, no, no!" (Urgent) I promise! I'll help you find that immortal pill! Also, give me back the elixir in song Qincheng's hand, and I'll check it for you!

Chen Xiaobei: Accept the red packet!

Since Chen Xiaobei had already grabbed the Jade Emperor's pigtales, he was not afraid that the Emperor would play any tricks. So, he gave the elixir to the Emperor with a red packet.

With the red packet history, Chen Xiaobei was not afraid that the Jade Emperor would go back on his word.

"Xiaobei ... We just got the elixir. How did you lose it?" Song Qincheng asked, confused.

"The Jade Emperor has most likely tampered with this immortal pill. However, I've already seen through his plot! I'll send the immortal pill back to him, and he'll naturally clean up all the mess he's done!"

Chen Xiaobei had already seen through everything. "I have the red packet record in my hands as evidence, and I also have Ying Zheng as a witness! If that old man Jade Emperor still dares to play any tricks, then I'll disclose this matter and see how he deals with it!"

Chen Xiaobei had never been afraid of anyone when it came to scheming.

Chen Xiaobei had already planned everything out. He even knew what would happen after that.

Ding! Congratulations! You've snatched a red envelope from the Jade Emperor. You've received two immortal Ascension pills. They have been stored inside your treasure chest!

Just as Chen Xiaobei had expected, the Jade Emperor had a guilty conscience and just wanted to end this quickly. The red packet was sent over very quickly.

The Jade Emperor, Junior Brother Xiaobei! I've checked song Qincheng's elixir, and there's no problem with it! Besides that, I've also found Ying Zheng's immortal pill, and it was left in a corner! The people below are too careless. I'll definitely reprimand them later!

Chen Xiaobei: Since senior brother Jade Emperor has satisfied my request, I won't disturb you from governing the celestial heavens.

The Jade Emperor replied, "you're too kind, Junior Brother Xiaobei!" When you ascend to the heavenly realm, I'll hold a banquet to welcome you.

Chen Xiaobei: " yeah! I'll definitely come to the heavenly court! We'll see you then!

that old man, the Jade Emperor, has harmed Ying Zheng first, and now he wants to harm Qincheng. I'm letting him off too lightly by asking him to return me two immortal Ascension pills!

Chen Xiaobei furrowed his brows. He was still a little unhappy.

"Master, you don't have to be unhappy!" "Actually, the Jade Emperor's losses this time are far greater than you can imagine, master!" Shen Gongbao said in a deep voice.

"What losses did he suffer?" "Ying Zheng and Qincheng deserved the elixir!" Chen Xiaobei said unhappily. There's something that doesn't belong to the Jade Emperor!"

“Master, you’ve forgotten another person!” Shen Gongbao paused and said, ” “Xu Fu!”

“Xu Fu?” Chen Xiaobei’s eyes lit up and said, ” Are you saying that the immortal pill given by Ying Zheng was prepared by that old man, the Jade Emperor, for Xu Fu? ”

“That’s right!”

Shen Gongbao nodded and said, ” Xu Fu has done all kinds of evil things in the human world. He has been reduced to a Devil King for nine generations! Without the Tribulation-transcending immortal pill, Xu Fu’s Heavenly Tribulation might have reached the level of a nine-star heaven immortal, and he would never be able to transcend the Tribulation and ascend in this lifetime!”

“I understand!”

Chen Xiaobei’s eyes lit up. for so many years, the reason why Xu Fu was willing to stay in the mortal world and work for the Jade Emperor was that the Jade Emperor held Xu Fu’s only hope, which was Ying Zheng’s immortal Ascension pill!

“Yes, I am!”

Shen Gongbao said affirmatively, “Xu Fu is related to me when I plotted against my master!” I learned that as long as Xu Fu can find the nine tokens, he will be able to get Ying Zheng’s tribulation-transcending immortal pill from the Jade Emperor!”

“Profound weapon token?” Chen Xiaobei’s eyes narrowed. I’ve long guessed that Xu Fu was looking for the weapon Mystic token for the celestial heavens!”

“No!”

“To be precise, Xu Fu is looking for the mysterious weapon token for the clan of enlightenment, which is behind the celestial Court. His ultimate goal is to find Su Daji’s spirit body of three lifetimes!” Shen Gongbao said.

“Three spiritual bodies?” spirit body? ” Chen Xiaobei asked. why spirit body? ”

“Master, you don’t know! There is a special demonic Fire Red Lotus mark on Su Daji’s body, and this mark will accompany her for all eternity!”

Shen Gongbao said, “the clan of enlightenment only wants a body with the demonic Fire Red Lotus mark!” As for the person that Su Daji reincarnated into in her third life, the clan of enlightenment doesn’t care whether she’s Dead or Alive!”

“This means that Primal Chaos City leader also knows about the connection between the demonic Fire Red Lotus and the heavenly Dao!”

Chen Xiaobei’s brows furrowed as he started to calculate in his mind, ” fortunately, I have more weapon Mystic tokens in my hands. Otherwise, little Daji in this life would have fallen into the hands of the clan of enlightenment. I’m afraid she would only have a dead end!

As Shen Gongbao had said, the clan of enlightenment only cared about the spiritual body with the demonic Fire Red Lotus. They did not care about the life and death of little Daji.

No matter what, Chen Xiaobei would not let Daji's reincarnation fall into the chanism's evil hands.

"Shen Gongbao! Contact Xu Fu immediately!"

Chen Xiaobei immediately came up with a plan. tell Xu Fu that you've found a piece of the weapon Mystic token and you plan to deliver it to him personally!

The reason why Chen Xiaobei did not kill Shen gongpao was because of his special identity. He could easily gain the trust of Chen Xiaobei's other enemies.

Since Xu Fu's last mission was to find the token, Chen Xiaobei decided to give him one.

No matter how cautious Xu Fu was, he could not resist such a temptation.

As long as Xu Fu agreed to let Shen Gongbao deliver it to him, Chen Xiaobei would be able to follow the trail to where Xu Fu was hiding, and take the two tokens from him!

"Yes, sir!" Shen Gongbao nodded and immediately took out his mobile phone to contact Xu Fu.

However, things were not as simple as Chen Xiaobei had imagined.

Don't forget! The old man of heavenly secrets was trained by Xu Fu!

In terms of divination and divination, Xu Fu was definitely the best in the earth-god Realm!

[Red Envelope Group of the Three Realms](#)

Chapter 3355

3355 Huge suspicion

"Shen Gongbao? Why did you contact me?"

A deep and hoarse voice came from the other end of the phone. It was like an underground demon, and just listening to it made one's blood run cold.

It was Xu Fu's voice.

At the same time, Shen gongpao turned on the hands-free function of his phone so that Chen Xiaobei could hear every single word that Xu Fu said.

"Brother Xu, haven't you been looking for the weapon Mystic token?" Shen Gongbao lowered his voice and pretended to be mysterious, "I've found one of them, and I want to send it to you personally!"

"What? You've found a profound weapon token?"

Xu Fu was very surprised, but he quickly changed the topic and said, "Impossible! How could you possibly find the weapon Mystic token?"

"Why not?" Shen Gongbao was afraid that Xu Fu would see through his plan and cause Chen Xiaobei's plan to fail.

I've done countless divinations and calculations about the mysterious weapon token!

of course! Xu Fu said, " right now, the token is one-third of the way. One is in my hands, one is in Chen Zhufeng's hands, and the last one is in Bai Qi's hands!

"Chen Zhufeng is your nemesis. You can't get the weapon Mystic token from him! Bai Qi is hiding in an extremely secretive place that even I can't find. You won't be able to find him either!"

Without a doubt, the search for the token was the last task given to Xu Fu by the Jade Emperor. As long as he completed the task, Xu Fu would be able to get the immortal Ascension pill from Ying Zheng, transcend the Tribulation, and get out of the current predicament.

One should know that Xu Fu had done all kinds of evil things in the human world and had almost become a demon King for nine generations.

On top of that, his cultivation base had reached the half-step heaven immortal realm, so he could only hide in an independent space, not daring to show his face.

Xu Fu had been living like this for many years. To put it nicely, he was avoiding calamity.

But to put it bluntly, his life was like being in jail.

Because of this, Xu Fu wanted to find the weapon Mystic token as soon as possible and get out of his current predicament.

It was no exaggeration to say that 99% of Xu Fu's energy was spent on finding the weapon Mystic token.

Therefore, Xu Fu must have done countless divinations and predictions about the mysterious weapon token.

As long as he calculated that the token was one-third of the way, even if Xu Fu was dead, Shen Gongbao would not be able to find any piece of the token.

"This ..."

Shen Gongbao was at a loss for words. He did not know how to respond. He was afraid that he would say something wrong and ruin Chen Xiaobei's plan.

"Shhh ..."

Chen Xiaobei made a gesture for Shen Gongbao and Song Qincheng to keep quiet.

Shen Gongbao and Song Qincheng understood tacitly and nodded their heads, keeping their mouths shut.

Chen Xiaobei then used his long-unused sound perception to perfectly imitate Shen Gongbao's voice and said, " Brother Xu might not know this, but I have found the God slaying sword in Bai Qi's hand and I can confirm where he is hiding!"

Shen Gongbao and Song Qincheng were shocked. They did not expect Chen Xiaobei to have such a hidden card up his sleeve.

The truth was, Chen Xiaobei did not know that Bai Qi had a piece of the mystical weapon token, which was why he did not rush to look for him.

But now, from the conversation between Xu Fu and Shen Gongbao, Chen Xiaobei finally found out about this important clue.

No wonder Xu Fu wanted to kill Bai Qi at all costs. It was because Bai Qi had something that Xu Fu wanted the most.

Now that he knew that Bai Qi had the last piece of the mystical weapon token, Chen Xiaobei had to look for him immediately.

At the same time, the God-killing sword that had been sealed away for a long time finally came in handy.

“What? How did Bai Qi’s God slaying sword end up in your hands?” Xu Fu’s voice was filled with shock.

Of course, although he was shocked, Xu Fu’s state of mind and mind were not bad, so he naturally would not lose his calm.

“Is this true? You’re not lying to me, right?” Xu Fu directly expressed his doubts.

“What’s wrong? Brother Xu, do you not trust me?”

Chen Xiaobei said, “Chen Zhufeng and I have a huge feud! As long as it’s not good for Chen Zhufeng, I’ll do it! If brother Xu doesn’t believe me, I can immediately send you the picture of the God-slaying sword!”

“Mm ...”

of course! Xu Fu said after a moment of silence. the enmity between you and Chen Zhufeng will never end. I have no doubt about it. If you can send me a picture of the God-slaying sword, I will apologize to you!

What was scheming? Just look at this moment!

The reason Chen Xiaobei did not kill Shen gongpao was to numb his other enemies.

Almost everyone knew that Shen gongpao and Chen Xiaobei had a blood feud. Unless the sun rose from the North, Shen gongpao would never stand on Chen Xiaobei’s side.

In this way, as long as Shen Gongbao appeared, it would be easy to deceive the trust of other enemies.

For example, at this moment, Xu Fu had a very strong divination ability. With a simple divination, Xu Fu could tell that Shen Gongbao was of one mind.

However, Shen gongpao and Chen Xiaobei’s hatred was already deeply rooted in Xu Fu’s heart. He had never thought that Shen gongpao would help Chen Xiaobei, so he would not even think about divination.

This plan was to deceive the heavens!

“The photo has been sent. Please take a look, brother Xu.”

Chen Xiaobei quickly took out the Godslayer, took a picture and sent it over.

“That’s great! That’s great! That’s great!”

Xu Fu's voice instantly became excited and he said impatiently, "Brother Shen! I was being too suspicious just now! I apologize to you! You just said you wanted to deliver it personally, right? I'll send you the address, please come now!"

Shen Gongbao's identity and the photo of the God-killing sword instantly dispelled Xu Fu's doubts.

Ding!

With a crisp sound, Shen Gongbao received the location sent by Xu Fu on his mobile phone.

"Alright! I'll be there as soon as possible! We'll talk when we meet!" Chen Xiaobei said goodbye and hung up the phone.

"Master! You're simply godly! Even an amazing person like Xu Fu is being played by you!" Shen Gongbao gave Chen Xiaobei a thumbs up and looked at him in shock.

Chen Xiaobei did not deny it and said, "let's kill our way over now. We'll kill Xu Fu and take the weapon Mystic token!"

"Good! We'll head over now!"

master! Shen Gongbao said excitedly, "please lend me a magic weapon. I can take advantage of Xu Fu's trust and launch a sneak attack on him. He will die without any preparation! In case master starts a fierce battle, it won't be good if other variables arise!"

"I don't need you to teach me!" I'm not going to kill you! Chen Xiaobei smiled. I'm keeping you alive to do this!

"Yes, yes, yes! With master's intelligence, he must have thought of everything that I can!" Shen Gongbao nodded his head repeatedly and flattered.

"Xiaobei ..."

However, at this moment, Song Qincheng frowned and said seriously, "We can't go there so easily! Because there's still a huge suspicion in this matter!"

Chen Xiaobei and Shen Gongbao were both shocked and confused.

Chapter 3356: turn of events

Things had been going smoothly. As long as they followed the location given by Xu Fu and Shen Gongbao launched a sneak attack on Xu Fu when he was unprepared, the problem would be solved perfectly.

But!

However, Song Qincheng raised a huge suspicion at this time.

"Qingcheng! What did you find?" Chen Xiaobei furrowed his brows and immediately became cautious.

In fact, Chen Xiaobei had a feeling that this matter was too simple and too smooth.

Don't forget, Xu Fu was a true immortal who had descended to the mortal world. He had dominated the human world for hundreds of millions of years. How could he be killed so easily?

"Cell phone signal!"

Xu Fu has already reached the half-step heaven immortal realm," song Qincheng said in a deep voice, "he should be hiding in an independent space. The mobile phone signal in the real world can't reach him at all!

Chen Xiaobei and Shen Gongbao gasped in shock.

"Heavens! We were too careless! You actually forgot the most basic question!"

Shen Gongbao said with lingering fear, "we are lucky to have miss song's reminder. Otherwise, we might not be able to see Xu Fu's real body even if we just killed our way there!

"That's right!"

yes! Chen Xiaobei nodded. Xu Fu's real body must be hiding in some isolated space. The person who answered the call just now must be someone else! If we go there directly, not only will we not be able to hurt Xu Fu, but we will also alert the enemy. We might never find Xu Fu himself!"

Just as Chen Xiaobei had said, Xu Fu was hiding in an isolated space. As long as he did not show his face, no one would be able to find him.

If he killed the fake Xu Fu this time, the real Xu Fu would probably hide forever, and he would never be found.

"What should we do now?" Shen Gongbao was a little confused and asked, "the location sent by the fake Xu Fu, are we still going?"

"Go! Of course I'm going!"

Chen Xiaobei was very calm and decisive. "Although the one who spoke to me was a fake Xu Fu, he must be related to the real Xu Fu! If we want to find the real one, the only clue is this fake one!"

"I understand! Then let's set off now!"

Shen Gongbao nodded and said, "let's try to get as many clues as possible from the fake!" After that, we'll consider our next move!"

"Woof! Whoosh!"

After that, Chen Xiaobei and song Qincheng entered the Meru space at the same time.

As for the Meru space, it was hidden on Shen Gongbao's body.

.....

In the heavenly secret Holy domain of Videha.

Tianji city's headquarters.

Because of Xu Fu's presence, Chen Xiaobei did not allow Xuanyuan tuohai's Army to come and conquer the heavenly secret Holy realm.

Therefore, for now, the heavenly secret Holy territory was still calm, no different from before.

The location sent by the fake Xu Fu was actually near the headquarters of Tianji city.

It was a huge mountain that reached into the clouds. It was tens of thousands of meters high, as if it was a stone pillar supporting the sky. From below, the peak could not be seen.

Shen Gongbao arrived at the foot of the mountain according to the location.

A young Daoist child was already waiting there. "You must be exalted immortal Shen? Mr. Fu has ordered you to meet him at the cave at the top of the peak!"

"Alright!" Shen Gongbao nodded.

The Taoist child waved his hand and summoned a white-feathered spiritual crane. It carried Shen Gongbao and flew to the peak of the mountain.

This mountain was extremely tall. White clouds surrounded the mountainside, and the peak was tens of thousands of meters above the White clouds. It was even about to break out of the atmosphere and enter the universe.

"Exalted immortal Shen, please!"

At the peak of the mountain, there was a man-made cave. The Taoist child waved his hand and led Shen Gongbao to the entrance of the cave.

"Chi ..."

The stone door opened automatically, and Shen Gongbao walked in.

He saw that the space inside the cave was very large. The table, chairs, bed cabinet, cups, pots, and lamps that he needed for daily life were all available.

Among them, an old man in a black Daoist robe slowly walked over.

"Shen Gongbao, you're finally here!"

The old man said with excitement, "Hurry up! Let me see the God-slaying sword you found!"

"No rush!"

Shen Gongbao's eyes narrowed and he said seriously, "You are not Xu Fu, are you? This immortal's cave is not an independent space, so it can't protect you from the heavenly Tribulation!"

"Well ... Since you asked, I don't need to hide it from you!"

"I'm Xu Fu," the old man said indifferently. "It's just that my primordial spirit left my body and took over this body!"

“Primordial spirit projection? This ... How is this possible!” Shen Gongbao was instantly dumbfounded. He was greatly shocked and said, “The astral projection of the primordial spirit is an ability only true immortals have! You haven’t ascended yet, so how can you do that?”

As everyone knew, entering the earthly immortal realm was the true step on the road of immortal cultivation.

The first stage of the earthly immortal realm was called the primordial spirit realm.

Only after possessing the primordial spirit could immortal cultivators develop the divine sea through the primordial spirit, form the Golden core, break the core to give birth to the soul, the soul transformation to merge, and attain the Grand Ascension of the dongxu stage!

It could be said that the primordial spirit was like a seed. As the earthly immortal realm advanced, this seed would also grow bit by bit.

When immortal cultivators transcended tribulations and became true immortals, the seed of primordial spirit would completely mature and transform into a special existence.

From now on, the nascent soul was no longer the most important thing.

As long as the primordial spirit was not destroyed, even if the physical body, Dharmakaya, and nascent soul were all destroyed, a genuine immortal could still use the primordial spirit to take over a body and be reborn.

At that moment, the old man in front of him had been possessed by Xu Fu’s primordial spirit and had become his puppet.

In this way, Xu Fu’s true body, which had the cultivation base of a half-step heaven immortal, was hidden in the independent space.

The consciousness of the old man in front of him had been replaced by Xu Fu’s primordial spirit, but his cultivation level was still the old man’s own cultivation level. This way, he would not trigger the heavenly Tribulation.

There was no logical problem with this explanation!

However, only true immortals had the ability to project their primordial spirit out of their bodies. How did Xu Fu manage to do it?

“That’s simple!”

Xu Fu smiled indifferently and said, “it’s because the Jade Emperor needs me to do something for him. He gave me a few primordial spirit out-of-body immortal talismans! Forcefully extract my primordial spirit so that I can leave the independent space and take charge of the earth-god Realm!”

I ... I see ... Shen Gongbao was very shocked.

He had thought that this was a fake Xu Fu, but he did not expect it to be the real one.

However, Shen Gongbao could not launch a sneak attack according to the original plan, because Xu Fu's real body was hidden in an independent space, and the two pieces of the weapon Mystic token must be hidden in the most hidden place.

Even if the sneak attack was successful, Shen Gongbao would not be able to capture Xu Fu's primordial spirit. It would only alert the enemy and Chen Xiaobei would never be able to find the last two tokens.

The situation took a turn for the better. For a moment, Shen Gongbao did not know what to do.

Chen Xiaobei was also in the Meru space, so Shen Gongbao did not even have the chance to ask him.

"Shen Gongbao! What are you doing? Hurry up and give me the God-slaying sword!" Xu Fu urged impatiently.

[Red Envelope Group of the Three Realms](#)

Chapter 3357: primordial spirit out of body

Chen Xiaobei's initial plan was for Shen Gongbao to ambush the real Xu Fu and take the weapon token away!

After Song Qincheng's reminder, Chen Xiaobei changed his plan. He thought that since Shen Gongbao had met the fake Xu Fu, he could not ambush him. He could only try to get as many useful clues as possible.

However, Chen Xiaobei did not expect Xu Fu to be able to use his primordial spirit projection, an ability that should have belonged to a true immortal.

The situation instantly turned into a dilemma, which was far beyond what Shen Gongbao could handle.

If he did not ambush Xu Fu, he would have to take out the God-slaying sword, which would probably bring harm to Bai Qi.

However, if he launched a sneak attack on Xu Fu and failed to capture Xu Fu's primordial spirit, he would only alert the enemy.

Shen Gongbao was at a loss and wanted to ask for Chen Xiaobei's opinion.

However, Chen Xiaobei was in the Meru space. He had no idea what was going on outside, and could not give Shen Gongbao any useful instructions.

"Shen Gongbao! You're not playing with me, right?"

Seeing Shen Gongbao's hesitation, Xu Fu immediately sensed that something was wrong. "Didn't you just say that you'd do anything that would harm Chen Zhufeng? Why aren't they taking any action?"

As he said that, Xu Fu had already raised his hand and was ready to perform a divination with his fingers.

"No! Of course, I'm not playing with you!"

Shen Gongbao did not dare to let Xu Fu do the divination, so he said, "It wasn't easy for me to obtain the God-slaying sword! Brother Xu can't possibly let me work for nothing, right?"

"Oh, so you want some benefits!"

Xu Fu smiled indifferently and gave up the idea of calculating. He said, " "You, Shen Gongbao, have always been greedy. I will not let you work for nothing! As long as you bring out the real God-slaying sword, I can agree to any of your conditions!"

"Uh ..."

Shen Gongbao was stunned for a moment. He did not expect Xu Fu to agree so readily. I ... I want a hundred million upper-class spiritual jade pieces!

"What? You still dare to say that you're not playing with me?"

Xu Fu's face turned cold, and he instantly shouted angrily, " "The exchange rate for spiritual Jade is 100 million! A high-grade pill was equivalent to 100 million mid-grade pills, and a mid-grade pill was equivalent to 100 million low-grade pills! Even in the heavenly realm, a hundred million upper-class spiritual Jade was an astronomical figure! How could I possibly give it to you!"

Obviously, Shen Gongbao was deliberately asking for a sky-high price to make the negotiation fail so that they could leave this place temporarily and ask Chen Xiaobei for his next move.

since you can't agree to my request, then our cooperation can only be interrupted! Shen Gongbao quickly said goodbye and wanted to leave.

"Stop!"

However, Xu Fu was not a kind man. He sealed the door of the cave abode with his mind and said, " the God-slaying sword is of utmost importance to me. Leave the sword behind and I can let you leave alive. Otherwise, don't blame me for being merciless!

this ... Shen Gongbao instantly panicked.

Not only would he not be able to escape, but his life would also be threatened.

Most importantly, Chen Xiaobei's entire plan might fail in an instant.

"I'll say it for the last time, hand over the sword!"

Xu Fu's eyes focused, and his true energy instantly began to boil.

This old body had the cultivation of a peak earthly immortal, which was nothing to Shen Gongbao.

However, at this moment, Shen Gongbao's face was full of fear. He could not even gather any fighting spirit.

This was because Xu Fu's primordial spirit had left his body, and his primordial Spirit's special ability had also been brought into this body.

Moreover, Xu Fu must be hiding an extremely powerful heaven immortal artifact in his hands, one that even the nine-toothed rake was slightly inferior to.

If not for that, Xu Fu would not have attacked Shen Gongbao.

"Brother Xu, calm down! I'll give you the God-slaying sword, alright?"

Shen Gongbao had no choice but to take out the Godslayer that Chen Xiaobei had given him. He held it with both hands and said, "Now that brother Xu has obtained this sword, can you take me to find Baiqi?"

Obviously, Shen Gongbao's nine-toothed rake had been taken away by Yuan Tiangang. He could neither fight nor escape, so he could only hand over the God-killing sword to calm Xu Fu down.

"Swish!"

Xu Fu released a burst of true energy and took the God-slaying sword into his hand. "If you want to go, just follow me!"

Obviously, Xu Fu was very confident and did not think that Shen Gongbao could pose any threat to him. Since Shen Gongbao wanted to follow him, Xu Fu did not bother to refuse.

Moreover, Shen Gongbao was also a member of the clan of enlightenment, and Xu Fu did not want to make the relationship too stiff.

"Why would Bai Qi be hiding there?"

Through the God-slaying sword, Xu Fu could sense Bai Qi's location. "The great wild swamp on the west side of Northern Kuruzhou! This is one of the seven forbidden places in the earth immortal realm!"

the Great Swamp of the wild!? Shen Gongbao was stunned and shocked, "I've heard that it's a boundless Black Swamp that can devour everything. It's impossible for there to be any living beings in it!"

"It's possible!"

"If there's an independent space in the swamp, it's the safest place for Bai Qi to hide in!" Xu Fu said solemnly. Even if I use all my skills, I won't be able to divine it!"

an independent space?! "If that's the case, I'm afraid it'll be difficult to find them if we go there rashly, right?" Shen Gongbao was surprised.

"It's not very difficult! It's very, very difficult!"

the Great Swamp of the Wildlands covers an area of trillions of miles," Xu Fu said. unless the God-slaying sword can give us some guidance by then, it's as difficult as finding a needle in a haystack to find the specific location of the independent space!

Shen Gongbao nodded and said, "in addition, I suggest brother Xu to take your real body with you!" Firstly, Bai Qi has been in seclusion for billions of years, so his cultivation must be extremely powerful. Brother Xu, you have a higher chance of winning if you bring your true body!"

"Secondly, Bai Qi can hide in the independent space. If brother Xu's true body enters, there is no need to worry about attracting the heavenly Tribulation! Maybe we can even get some opportunities, it's killing two birds with one stone!"

Duping!

Obviously, Shen Gongbao was bluffing Xu Fu!

As long as Xu Fu went to retrieve his real body, Shen Gongbao would have a chance to find out where the token was hidden!

“You don’t need to worry!”

Xu Fu didn’t fall for Shen Gongbao’s trick. He said calmly, “I don’t need to use my true form to deal with a mere Bai Qi!”

all right ... Shen Gongbao felt helpless. He didn’t dare to say anything more to avoid exposing his flaws.

“Let’s go!” Xu Fu’s gaze focused, and he took the lead to walk out of the cave abode and fly into the sky.

Xu Fu could not wait any longer. He walked extremely fast and was already thousands of meters away in the blink of an eye.

“Chi ...”

Shen Gongbao took this opportunity to take out the Meru space and inject some genuine Yuan into it.

“Swish!”

The next moment, Chen Xiaobei and Song Qincheng reappeared from the Meru space. This was the signal that they had agreed on.

“How is it? Did you see the fake Xu Fu?” Chen Xiaobei asked.

time is of the essence. Miss Song, hurry back to the Meru space!

“Master, put on the Nightstalker outfit and I’ll explain it to you as we walk!” Shen Gongbao quickly said. The current situation is out of my control, and only you can handle it, master!”

[Red Envelope Group of the Three Realms](#)

Chapter 3358

3358 Important information

Song Qincheng immediately returned to the Meru space.

After putting on the Nightstalker outfit, Chen Xiaobei went into stealth mode.

Because the Nightstalker outfit had been upgraded to a one-star divine immortal, even if Xu Fu released his primordial spirit territory, he would not be able to sense it. So, Chen Xiaobei was very safe.

Then, Shen Gongbao took Chen Xiaobei and flew into the sky.

Shen Gongbao then told Chen Xiaobei everything that had happened.

Xu Fu could not wait and flew with all his might. He was thousands of meters away from Shen Gongbao, so he could not hear the conversation.

“You made the right choice! It’s Xu Fu’s fault for being too cautious and not willing to bring his true body along!” Chen Xiaobei lowered his voice and said.

“What should we do now?” Shen Gongbao asked.

“Right now, we can only go to Bai Qi’s location and observe the situation before deciding on our next course of action!”

Chen Xiaobei calmed himself down and asked, “ the biggest problem now is, how can we capture Xu Fu’s primordial spirit? ”

Shen Gongbao frowned and said, “ primordial spirit is a very special existence. It’s illusory and shapeless. It’s comparable to consciousness and even harder to capture than spirit bodies! At least in the human world, there’s no way to do it!”

“What about in the heaven realm?”

“There’s a way to capture primordial spirit in heaven, right?” Chen Xiaobei said. Otherwise, at the very beginning, celestial Immortals would already be invincible existences that are undying and indestructible?”

“Of course! There are many ways to deal with primordial spirits in the heaven realm!”

“First of all, once you cross the Tribulation and become a genuine immortal, the original genuine vitality will be transformed into another kind of energy called ‘immortal vitality’!” This kind of energy can bind and even destroy the primordial spirit!”

“In addition, there are some special heaven immortal level magical formations, talismans, and magical treasures that can also capture primordial spirits! Some special primordial spirit abilities could also seal the enemy’s primordial spirit! There are many ways, but we can’t achieve them in a short time!”

It was obvious that the astral projection was an ability that only true immortals had, and naturally, only true immortals could deal with it.

Judging from the current situation, Chen Xiaobei did not have any divine essence, nor could he find any magical formation that could deal with primordial spirits. People with special primordial spirit abilities were even rarer.

For the time being, he could not deal with Xu Fu’s primordial spirit at all.

Chen Xiaobei’s own primordial spirit superpower was the heaven severing thought, which could severely injure the enemy’s primordial spirit. The Black Dragon’s edge could also weaken the enemy’s primordial spirit by releasing the black Thunder of Nirvana.

But!

At the moment, the whereabouts of the two pieces of the mysterious weapon token were still unknown. They had to capture Xu Fu’s primordial spirit to solve the problem.

There was no point in severely injuring or weakening Xu Fu’s primordial spirit.

“Master, don’t even think about capturing Xu Fu’s primordial spirit! There’s a more important matter!”

if I’m not mistaken, Xu Fu should have a genuine two-star heaven immortal item in his hands, ” said Shen Gongbao in a deep voice. and in terms of power and combat ability, it even surpasses the current nine-toothed rake!

When he recalled Xu Fu's fighting spirit and killing intent when he attacked just now, Shen Gongbao's worry was absolutely necessary!

That was because Xu Fu did not know that the nine-toothed rake was no longer in Shen Gongbao's hands.

The reason why Xu Fu still dared to attack Shen Gongbao was that his trump card could definitely overpower the nine-toothed rake!

This was also the problem that Shen Gongbao was most worried about!

He couldn't even defeat Xu Fu with the nine-toothed rake! Without the nine-toothed rake, wouldn't that mean certain death?

"This is indeed a serious problem ..."

Chen Xiaobei's brows furrowed as he started to plan.

However, no matter how hard Chen Xiaobei racked his brain, he could not think of a way to break out of this situation.

Xu Fu was a cautious person by nature, so he hid two profound weapon tokens. Most importantly, he still had an absolutely powerful and invincible trump card in his hands.

It was impossible to solve this dead end with just wisdom!

"Master, why don't you retreat first!"

Shen Gongbao's face was full of anxiety as he said in a deep voice, "You can't solve the problem even if you follow them. Your life will be in danger! I'll follow them and try to get some useful clues!"

"No!"

"I only wanted to use Bai Qi as bait to lure Xu Fu out. I can't let Bai Qi get hurt because of this!" I have to follow him. Otherwise, Bai Qi will definitely die in Xu Fu's hands!"

this ... Shen Gongbao frowned and said, "But, even if you go, you will not be able to save Bai Qi!"

"Don't talk nonsense! Hurry up and fly!" Chen Xiaobei only saw Shen Gongbao as a dog and did not bother to explain to him.

Chen Xiaobei had always been a loyal person. Even though he did not have any direct contact with Bai Qi, Chen Xiaobei had obtained the five elements spiritual Jade, the spirit condensation space, and even the five elements Dao from the spirit condensation fairy!

That was why Chen Xiaobei had always treated spirit fairy as a friend and was grateful for the opportunity she left behind.

Furthermore, Bai Qi and fairy Ning Ling had a relationship.

Therefore, Chen Xiaobei had long regarded Bai Qi as a friend and would not ignore his safety.

As for Shen gongpao, he was a heartless, despicable, and shameless man. Chen Xiaobei was wasting his breath on him.

Of course, Chen Xiaobei was not a reckless man.

Since he wanted to protect Bai Qi, Chen Xiaobei had to come up with a plan. He could not just go and die like a fool and get Bai Qi into trouble.

Chen Xiaobei took out his phone, opened the red envelope group, and contacted mo Luo Wutian.

There was no doubt that only mo Luo Wutian could help Chen Xiaobei solve the problem as quickly as possible.

Chen Xiaobei: I need a way to capture a primordial spirit! Can you provide it to me?

“Mo Luo Wu Tian: capture primordial spirit?” What level of primordial spirit was it?

Chen Xiaobei-half-step heavenly immortal!

[mo Luo Wu Tian: the half-step heaven immortal’s primordial spirit is in the nascent soul, why do we need to capture it?]

Chen Xiaobei: “ the half-step sky immortal I mentioned used the ethereal primordial spirit talisman. Otherwise, why would I come to you? ”

[mo Luo Wu Tian: so that’s how it is!] In that case, a primordial spirit-capturing immortal talisman of one-star heaven immortal level was enough!

Chen Xiaobei: If you give me one of these talismans, I’ll help you catch people next time for free!

[mo Luo Wu Tian: deal!]

Ding! Congratulations! You have snatched a red envelope from mo Luo Wu Tian. You have received a primordial spirit capturing immortal talisman. It has been stored in your treasure chest!

Chen Xiaobei: If there’s nothing else, I’m leaving!

“Mo Luo Wu Tian: wait!” I’ve just developed a few summoning talismans for two-star heaven immortal artifacts, but they can only summon heaven immortal artifacts of the devil race! I promised to give you some, but I don’t know if you still dare to accept it.

Chen Xiaobei: Wouldn’t he be a fool if he didn’t accept red packets?

Ding! Congratulations! You have snatched a red envelope from mo Luo Wu Tian. You have received three two-star heaven immortal item summoning talismans. They have been stored inside your treasure chest!

Chen Xiaobei, you’re a man of your word! I was worried that you would find an excuse not to give me the celestial talisman after you made it! It seems that I’ve worried too much!

Mo Luo Wutian thought, you’re thinking too much! We’re business partners! Not only will I not lie to you, but I can also promise you that if you can get me a higher grade heaven immortal item summoning talisman, I can still give you some after I duplicate it!

“I don’t think I can get a higher grade talisman in a short time. But I do have some important information about you!”

Mo Luo Wu Tian, “what information?!”

Chen Xiaobei thought, ‘this information might be related to your life!’ I want 50000 lower spiritual Jade as a reward!

“What?!” You want to sell a piece of information for 50000 inferior-grade spiritual jade pieces?
(Surprised)

‘Trust me, this information is definitely worth 50000!’

[Red Envelope Group of the Three Realms](#)

Chapter 3359

3359 Devil Dao’s Mark

“Good!” Mo Luo Wutian replied. I promise you! As long as the information is useful, I’ll give you 50000 lower spiritual jade pieces!

Chen Xiaobei: As your business partner, I promise you that I will not cheat you!

Mo Luo Wutian, “pay first?” (Hesitating) are you sure you’re not scamming me?

It seems like you don’t trust me! Then just take it that I didn’t say anything! Anyway, I won’t be the one suffering! (Doesn’t matter)

Mo Luo Wutian, “what kind of information is it?” Why was it worth 50000 inferior-grade spiritual Jade? Why do I have to pay first?

Chen Xiaobei: “ heh! You don’t even trust me! Why are you asking me?! I’m leaving, you can slowly figure it out on your own!

“Mo Luo Wu Tian: wait!” I ... I’ll pay first, okay?

Ding! Congratulations! You have snatched a red envelope from mo Luo Wu Tian. You have received 50000 pieces of lower spiritual Jade. It has been stored in your treasure chest!

There was no doubt that even though mo Luo Wu Tian and Chen Xiaobei were in a cooperative relationship, they would never trust each other.

That was why mo Luo Wutian thought that Chen Xiaobei was trying to set him up.

However, on second thought, he realized that Chen Xiaobei did not need to lie to him.

Destroying their partnership for 50000 low-grade spiritual Jade and losing the chance to gain more benefits was not something Chen Xiaobei would do!

After some thought, he decided to send the spiritual Jade to Chen Xiaobei at the risk of being tricked.

Even if it was a trap, it would not cause too much of a loss to mo Luo Wutian. However, if what Chen Xiaobei said was true, mo Luo Wutian might have missed out on an extremely important piece of information.

“Hahaha! 50,000 low-grade spiritual Jade was in his account! It’s so cool!”

Chen Xiaobei was in a good mood after getting another red envelope. “50000 low-grade spiritual jades is equivalent to 5 trillion high-grade spiritual stones! To me, this is another huge income! After upgrading the sunlight cache, I won’t have to worry about spiritual energy anymore!”

[mo Luo Wutian: Childe Chen!] Where was he? Reply! Are you really trying to trick me? (Headache)

Chen Xiaobei: ” hehe! You’re underestimating me! Although I’m a profiteer, I will never cheat my business partners! This is my bottom line!

“Great!” Mo Luo Wutian thought. That’s great! (Sigh of relief) then hurry up and tell me your information! Don’t keep me in suspense!

Chen Xiaobei: ” according to my Intel, Hongjun has summoned Taishang Laojun, heavenly Lord Yuanshi, goddess nüwa, Taoist Cundi, Taoist jieyin, and my master! I’ll combine the power of the seven heavenly path sages and calculate your movements!

Chen Xiaobei was indeed the number one profiteer in the Three Realms!

This information was exactly what Chen Xiaobei and lady Nuwa had talked about in private.

Chen Xiaobei had only passed on the message and he had charged 50000 low-grade spiritual stones for it.

This was simply a huge profit among profits!

Mo Luo Wutian: what? There was actually such a thing! (Extreme shock)

Chen Xiaobei:

Chen Xiaobei: ” from what I know, even though the seven heavenly path Saints can’t predict where you’re going, they can still predict your general situation!

“If you don’t plan ahead, once they lock onto your position, you’ll be destroyed!”

Mo Luo Wutian,”got it!” Thank you for telling me, Childe Chen! This matter is not only related to my own safety, but also the safety of the entire demon race!

it’s related to the safety of the entire demon race?!

Chen Xiaobei’s eyes lit up as he looked at his phone screen. I only wanted to earn 50000 lower spiritual jade pieces, but it seems that I sold this piece of information too cheaply!

As the number one profiteer in the Three Realms, Chen Xiaobei had to find a way to maximize his profits!

Chen Xiaobei: ” 50000 low-grade spiritual Jade for such a big piece of information? that’s too cheap!

Mo Luo Wutian, "indeed!" The value of this information was far more than 50000 lower spiritual Jade! I owe you a favor! I'll naturally repay you in the future!

Chen Xiaobei: Now, you should return the favor to me!

[mo Luo Wutian: how many more spiritual jades do you want?]

Chen Xiaobei: I don't want the spiritual Jade! I only want to ask you one question!

[mo Luo Wutian: I really can't think of any problem that could make you give up such a huge amount of spiritual Jade!]

Chen Xiaobei: " I've heard that you've learned something special in the demonic core. Since then, you've been separated from the Three Realms and the five elements. You're no longer restricted by the heavenly Dao!

Chen Xiaobei: " what I want to ask you is: what is that thing? " How did you comprehend it?

Mo Luo Wutian thought, "looks like you came prepared!" He had even found the secret of the absolute beginning source!

"As long as you answer my question, I'll consider today's debt paid off!"

Mo Luo Wutian thought, "you're too smart!" The information you give me is almost priceless! No matter how many spiritual jades I give you, you'll still be at a disadvantage!

Mo Luo Wutian thought, "but the question you're asking now is also priceless!" In exchange, you won't suffer a single loss!

In fact, Chen Xiaobei did not come prepared. It was just that his natural business sense allowed him to sense that there was a greater benefit to be unearthed in this deal.

Chen Xiaobei-as business partners, we should treat each other with sincerity! I hope you can answer my question truthfully! In the future, I will only continue to tell you if I get any important information!

Chen Xiaobei was smart, but mo Luo Wutian was not stupid.

If he did not throw out some bait, mo Luo Wu Tian would not let Chen Xiaobei off so easily.

[it's a deal. Childe Zhufeng, please let me know if you have any important information in the future!] In return, I will pay an equivalent fee! At the same time, to show my sincerity, I will answer your questions truthfully!

Chen Xiaobei-I'm all ears!

[mo Luo Wu Tian: back then, after I entered the core of the demonic realm, I did have some fortuitous encounters!] But it was different from the legends! I didn't comprehend anything, but I obtained a demonic imprint!

Chen Xiaobei, "demonic mark?" What was that?

[mo Luo Wu Tian: the demonic path is the same as the heavenly path. It's a special existence that's above the Three Realms!] I'm not sure if they're living beings or illusory laws of will! I only know that they are on the same level!

[mo Luo Wu Tian: everyone thinks that it was Luo Yi who created the devil World. But in fact, the devil World has existed before Luo Yi was born!] Moreover, the demonic realm was also an existence on the same level as the Three Realms! It could be considered a parallel plane with different laws!

[mo Luo Wu Tian: in other words, the demon Realm is not within the Three Realms and is not controlled by the laws of the Three Realms. That's why it's not restricted by the heavenly Dao!] At the same time, the heavenly Dao Saints would not be able to calculate his exact location!

[mo Luo Wu Tian: the demonic mark carries the will of the demonic path and the laws of the demonic path!] The mark was added to my body, so that I was free from the restrictions of the heavenly Dao and not divined by the Saints!

Chen Xiaobei: If that's the case, does the core of the human realm have the same humanity mark?

Chapter 3360: sticking to the Dao heart

[mo Luo Wu Tian: human Dao imprint!]

Mo Luo Wu Tian: " I can't be sure about this. After all, the core of the human realm has existed for countless years. The number of powerful beings who have entered it is uncountable! If there were human path imprints, they should have appeared in the world long ago!

[mo Luo Wu Tian: of course, the core of the human world is extremely huge. No one has been to every corner of it completely!] Perhaps there was the existence of humanity's Mark, but it had not been discovered yet, so it had not appeared in this world!

Chen Xiaobei: " hmm. Let's not talk about the existence of the humanity mark. Tell me first. How did you get the demonic mark? "

It was obvious that this question was the priceless question that mo Luo Wutian had mentioned!

One must know that even mother Nuwa did not know what exactly mo Luo Wutian obtained. It was even more impossible for him to know how exactly did mo Luo Wu Tian obtain the demonic imprint!

This kind of extremely special existence, even on the same level as the heavenly Dao, was definitely not something that could be easily obtained.

Even if Chen Xiaobei was guided by the prime of Tongtian to the rift in the void and found the human Dao seal!

However, if he did not know the specific method, he would definitely get half the result with twice the effort. He might not even be able to successfully obtain the blessing of the human path imprint.

That was why Chen Xiaobei wanted to ask Mo Luo Wutian how he did it.

This was a priceless question!

If Chen Xiaobei had not brought him a priceless piece of information that concerned the survival of the demonic race, there was no way that mo Luo Wutian would have told Chen Xiaobei the truth!

Mo Luo Wu Tian: " back then, I found the demonic seal in the core of the demonic realm by chance. At that time, a strange force pulled me into an independent space!

[mo Luo Wu Tian: in that space, I saw the seven heavenly path sages standing in front of me!] I've seen countless true gods and true immortals who are more powerful than me!

[mo Luo Wutian: in front of them, I'm as small as an ant!] But I am not afraid of them! I took out an ordinary short knife and directly slashed at them!

[mo Luo Wu Tian: starting from the lowest level of heavenly soldiers, I cut them down one by one, one by one, and cut off countless heads!] However, more and more heavenly soldiers were killed, as if they could never be killed all at once!

[mo Luo Wu Tian: but I didn't give up!] From the beginning to the end, I've never had the slightest thought of giving up! The endless killing continued for a full 300 years! 'Finally, the heavenly soldier disappeared, and I came before the heavenly general!'

[mo Luo Wu Tian: this time, every time I cut those heavenly generals, I only caused very slight damage!] It took me 3000 years to kill Yang Jian and Li Jing, and then I came to the Jade Emperor!

Mo Luo Wu Tian: " I still remember it. When I slashed the Jade Emperor, my knife broke, but the Jade Emperor was unharmed! Thus, I circulated my true Qi and used my own fists to punch him!

[after fighting for 30000 years, the Jade Emperor has finally fallen to my fist!] However, the skin on my arms has split open and the flesh has split open.

[mo Luo Wu Tian: after the Jade Emperor, there are many more powerful gods!] But I still didn't give up! I'll use my feet to kick, my head to hit, and my Dharmakaya to attack!

[mo Luo Wu Tian: it took me 300000 years to finally wipe out all the gods. I've finally arrived before the seven great heavenly path sages!]

Mo Luo Wu Tian: " at that time, my physical body and Dharmakaya had been completely destroyed. My nascent soul was also severely injured. I was already at the point where my soul could be destroyed at any time!

[mo Luo Wutian: can you guess what I did at that time?]

Chen Xiaobei,"you spent more than 300000 years, gave it your all, and even risked your life!" I'm guessing you won't give up even if you run out of energy!

[mo Luo Wutian: that's right!] At that time, I cursed all the ancestors of the seven heavenly path sages and charged towards them, self-destructing my primordial spirit!

"I'm very clear that even if I were to self-destruct my primordial spirit, I wouldn't be able to hurt them at all!" However, even if I die, I will not lower my head to them!

[mo Luo Wu Tian: at the moment when I self-destructed my primordial spirit, I suddenly returned to the real space. It was also at this moment that I obtained the recognition of the demonic path. There was an additional demonic mark on my body!]

“Phew ...”

Looking at the phone screen, Chen Xiaobei could not help but let out a long sigh. “As expected! There was no such thing as easy success in this world! For mo Luo Wutian to have his achievements today, the effort he put in behind the scenes is already far beyond the scope of ordinary people’s imagination!”

[mo Luo Wu Tian: this is the process of me obtaining the demonic imprint!] Although he had said a lot, he could only summarize it in four words!

Mo Luo Wutian, hold fast to his Dao heart!

Chen Xiaobei-stick to your Dao heart? (Deep thoughts) I understand! If you believe in the demonic path, then you must hold fast to the heart of the demonic path! Killing Immortals, destroying gods, and destroying the heavenly Dao!

[for this, you’ve spent a long time and given your all. In the end, you could even give up your life!]

[it’s because of your persistence that you’ve been acknowledged by the demonic path and received a demonic mark!]

Mo Luo Wutian thought, “that’s right ... Now that I think about it, I’m really glad!” If my Dao heart wasn’t firm at that time, I would have been trapped in that illusion for the rest of my life!

Chen Xiaobei: Thank you for sharing!

“It seems like sect master Tongtian has ordered you to enter the core of the human world and try your luck!”

Chen Xiaobei:

[mo Luo Wu Tian: sect master Tong Tian is a talent. He’s also the most special one among the seven heavenly path sages!] From the moment he helped you to collect the tear of the great void, I knew that he wanted you to obtain the people Dao seal!

Chen Xiaobei, “why are you so sure?” I don’t understand why master didn’t find the human path imprints himself?

“The reason is simple!” Sect leader Tongtian believed in the heavenly Dao. The Dao heart that he had to stick to was incompatible with the human Dao, so he naturally couldn’t be recognized by the human Dao!

[mo Luo Wutian: young master Chen, the Dao heart that you’ve been holding on to might look like the heavenly Dao, but it’s actually completely different!]

[mo Luo Wutian: sect master Tongtian finally confirmed that your Dao heart is very close to the human Dao after seeing your performance, Childe Chen!] The point is, you’re using your life to protect this Dao heart!

Mo Luo Wu Tian: " that's why sect master Tongtian has ordered you to enter the tear of the void! If you give the order in advance, your Dao heart will not be firm enough, and that will be equivalent to harming you!

Chen Xiaobei, I understand now ...

"Ever since master collected the tear of the void, he had been secretly plotting a shocking scheme!"

Chen Xiaobei looked at his phone and sighed, " "Master has been paying attention to me! He's making plans for me! He even helped me think of when to enter the rift of the void!"

Chen Xiaobei: " but, my Sifu has planned so much? " Why couldn't he just change his faith and do it himself?
