

## Envelope 3371

### [Red Envelope Group of the Three Realms](#)

#### Chapter 3371: everything under control

Clearly, Baiqi had only seen the strength on paper.

In fact, Xu Fu had already reached the half-step heaven immortal realm, but his primordial spirit had left his body and possessed the body and cultivation of another peak earth immortal.

Of course, if Chen Xiaobei dared to stand there, it meant that he had a way to deal with Xu Fu. This was something that could not be seen on the surface.

Thus, the situation became quite delicate.

“Chen Zhufeng! Come on! Let’s be like men and throw away all our treasures and trump cards. Let’s fight fair and square with our own strength!”

Xu Fu put away the nine luminaries hell cutting saber and started to circulate his genuine vitality.

“What?”

Chen Xiaobei’s eyes lit up with joy.

Don’t forget, the storage bracelet was a type of spatial treasure. With the “treasure falling formation,” it couldn’t be used freely!

At that moment, Xu Fu put away the nine luminaries hell cutting saber.

This meant that Xu Fu might be hiding a dimensional space!

If that was the case, then Xu Fu’s real body and the last two pieces of the mysterious weapon grade tokens would definitely be in this Meru space!

After all, a cautious person like Xu Fu would never let his true body and the mysterious weapon token leave his control!

Xu Fu could only feel at ease if he kept it with him in the Meru space.

If he really couldn’t defeat the enemy, he could still escape with the Meru space after releasing his quintessential essence.

This was definitely the safest and most secure method!

Chen Xiaobei was overjoyed.

Originally, after defeating Xu Fu, Chen Xiaobei still had the time to interrogate him about the whereabouts of the weapon Mystic token.

It was all good now! As long as he won the battle, he would be able to find the Meru space and get the last two pieces of the weapon Mystic token!

Xu Fu could never have imagined that such a simple action of subconsciously retracting his saber would expose his biggest secret!

“Come on! Let’s fight with our own strength!”

Chen Xiaobei shrugged and said, “Just attack, I’ll give you three moves!”

“What? You want to give me three moves?”

Hearing that, Xu Fu was dumbfounded. He could not believe his ears. “You’re just a six-star unity stage middle-stage cultivator. What right do you have to give me three moves? Are you tired of living?”

Childe Zhufeng ... You ... Can you stop joking around? ” Bai Qi’s condition had stabilized, but Chen Xiaobei was so worried that he almost spat out blood.

In Bai Qi’s eyes, Chen Xiaobei had countless ways to defeat Xu Fu, but he chose the most difficult one, which was to fight Xu Fu head on!

Chen Xiaobei’s cultivation was three levels lower than Xu Fu’s!

More importantly, Chen Xiaobei was going to give Xu Fu three moves?

This was no longer seeking death, but a 360-degree fancy spiral burst seeking death!

“Chen Zhufeng! You’re too pretentious!”

Xu Fu was extremely angry. He felt that he had been greatly provoked. He gritted his teeth and shouted angrily, “ if I can’t kill you with one move, I, Xu Fu, will be your grandson!

“Come on! Grandson!”

Chen Xiaobei raised his hand and curled his index finger at Xu Fu, his face full of mockery.

“Numbing! You still dare to mock me! Accept your death!”

Xu Fu’s anger had reached its peak. Like a Raging Bull, he charged at Chen Xiaobei.

At that moment, Xu Fu thought that Chen Xiaobei was just acting cool, while Bai Qi thought that Chen Xiaobei was just courting death.

However, this was a decision that Chen Xiaobei had made after careful consideration.

This was because Chen Xiaobei’s goal in this battle was not to kill Xu Fu but to capture his primordial spirit alive!

If he were to use the witch Dragon heavenly flame or any other trump cards, the huge impact might not only destroy Xu Fu, but also wash away his Meru space!

Don’t forget, the Meru space was smaller than dust. If it was scattered in a space that could accommodate three billion people, it would be countless times more difficult to find it than finding a needle in a haystack!

In addition, if they did not withdraw the Army of Two billion otherworldly demons, Xu Fu’s primordial spirit would most likely possess one of their bodies. It would be like looking for a needle in a haystack if they wanted to find Xu Fu among the two billion people. It was extremely difficult!

Because of this, using any of his trump cards was a huge risk. Only by fighting face to face would Chen Xiaobei be able to control everything.

Chen Xiaobei was not looking for trouble, nor was he trying to act cool. He had made the wisest decision!

Heavenly Fire demon-slaying!!!

At the same time, Xu Fu was already in front of Chen Xiaobei.

His vital essence at the peak of the earth-god level burst out, transforming into a dazzling Heavenly Sword that was as hot as fire, and suddenly slashed at the six-winged Buddhist fiend.

Childe Chen!

Bai Qi shrieked out of anxiety, his face turning as pale as a sheet of paper.

With a difference of three levels, Bai Qi believed that Chen Xiaobei had no chance of winning. If he did not use his other trump cards, he would die a horrible death.

However, what happened next almost made Xu Fu and Bai Qi's eyes pop out of their sockets.

“BOOM!”

With a loud explosion, the Scarlet Flame Heavenly Sword suddenly struck the six-winged Buddhist demon's body.

As Xu Fu's cultivation technique was not of a low level, the flames that erupted from his attack had extremely high temperature and destructive power.

Even a peak earth immortal of the same level would not be able to withstand such a move.

But no one would have thought that this attack would not cause any harm to Chen Xiaobei! The six-winged Buddhist demon stood firmly on the spot without even wavering!

this ... How is this possible???

At the sight of this, Xu Fu and Bai Qi were dumbfounded. They could not believe their eyes and even wondered if they were hallucinating!

After hesitating for three seconds, Xu Fu and Bai Qi finally came back to their senses. They were certain that they were not dreaming, but the truth.

Both Xu Fu and Bai Qi were experienced in the pugilistic world. After they calmed down, they quickly saw through the profoundness of the situation.

“The defensive power of this avatar has already surpassed Childe Chen's cultivation and reached the peak earth-god level! This is unbelievable!” Baiqi exclaimed.

Baiqi was not mistaken! Chen Xiaobei's body had devoured the evil bone ancestral Demon King's bones, and his defense had long reached the peak of earth-god level. He was no weaker than Xu Fu!

other than my defense, the black hole ability has also absorbed 10% of my strength! Xu Fu's eyes widened in shock.

The six-winged Buddhist demon's body was shrouded in a dark halo as if it was plated with a layer of Black Gold!

And this layer of black-gold spiritual light was actually a layer of protection from the black hole special ability. It could absorb 10% of the power of an enemy's attack! At most, it could absorb the energy equivalent to a peak one-star heaven immortal artifact!

That was why Xu Fu's all-out attack could not even hurt the hair of the six-winged Buddhist demon!

Everything was under control. Chen Xiaobei smiled and said provocatively, "Grandson, I'm asking you, are you convinced?"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3372: Big fish takes the bait**

"I ..."

Hearing that, Xu Fu's face turned from red to green, as if he had been slapped 10000 times by an invisible hand. He was so embarrassed he wanted to die!

Before he attacked, Xu Fu had claimed that he could not kill Chen Xiaobei in one move and that he was Chen Xiaobei's grandson.

Chen Xiaobei was not even hurt by a single strand of hair after the attack. It was a resounding slap to his face.

Of course, a shameless guy like Xu Fu had long been shameless. Why would he care about being slapped in the face?

"I'm not convinced!"

"You said you'd let me have three moves, and it's only one move now!" Xu Fu said confidently. Why should I be convinced by you?"

"You're really shameless!" In the distance, Bai Qi's face was filled with contempt. The way he looked at Xu Fu was even more disgusting than looking at maggots in a latrine.

"Come on!"

Chen Xiaobei shrugged and laughed, "As a grandfather, I have to give in to my grandson!"

"Numbing! Chen Zhufeng! Don't be so arrogant! I will definitely kill you with this move!"

Xu Fu was so angry at Chen Xiaobei that he gritted his teeth. "If I can not kill you! I'll take your surname!"

"Heh, since you're so sincere, I'll reluctantly agree to your request!" Chen Xiaobei laughed cynically and said, "From today onwards, you will be called Chen Xiaofu!"

“Holy!! ck! You’ve gone too far!” &Quot; you ... &Quot; Xu Fu flew into a rage. He had never been humiliated like this in his life.

“Heavenly Yuan explosion!”

The next moment, Xu Fu let out a furious roar.

A ray of red light shot out from Xu Fu’s forehead and headed straight for Chen Xiaobei’s dantian.

“Childe Chen! Quickly Dodge!”

Looking at the scene before him, Bai Qi anxiously shouted out, “That’s Xu Fu’s primordial spirit attack! I was hit by this move just now. My dantian exploded and my half-step heaven immortal cultivation base was completely crippled!”

Without a doubt, Xu Fu’s primordial spirit attack had reached the heaven immortal level, and it must have reached the high level.

Because of this, even though Bai Qi had already reached the half-step heaven immortal realm, after being hit, his dantian was still destroyed and his cultivation was crippled.

And now, Xu Fu was using the same trick against Chen Xiaobei.

To Baiqi, if Chen Xiaobei did not Dodge, he would end up like him. His cultivation would be destroyed and he would be defeated.

“Chen Zhufeng! If you’re a man, don’t hide!”

Although Xu Fu’s primordial spirit attack was powerful, it was not very fast. If Chen Xiaobei wanted to Dodge it, he would be able to do so easily.

“Don’t worry! I will definitely not Dodge!” Chen Xiaobei shrugged nonchalantly.

“Idiot!” Hearing that, Xu Fu could not help but burst out laughing. &Quot; “No matter how strong your Dharmakaya’s defense is, no matter how mysterious your black hole ability is, you can’t block my Tianyuan explosion! You’ve lost for sure! Hahaha ...”

&Quot; gah ... Cough, cough, cough ... &Quot; however, in the next moment, Xu Fu’s laughter came to an abrupt end. He even choked on his own saliva and started coughing violently.

That was because Xu Fu’s prideful heavenly Yuan blast had landed on Chen Xiaobei.

However, the result was exactly the same as before. Not a single hair on the six-winged Buddhist demon’s body was hurt.

“Chi ...”

A layer of spiritual light shone from six-winged Buddhist demon’s body and dissolved the explosion of heavenly Origin’s special ability completely.

And after this layer of spiritual light appeared, it was shaped like a Kasaya!

That’s right!

This was another special ability of the six-winged Buddhist demon! Spiritual light!

After the fusion of Buddha and demon, the spiritual light Kasaya's special ability had been upgraded to the nine-star heaven immortal level, and it could withstand all primordial spirit attacks below that level!

Xu Fu's primordial spirit attack was not as powerful as a nine-star heaven immortal, so it could not cause any damage to the six-winged Buddhist demon's body.

"Oh my God ... Childe Chen ... Who are you?" Baiqi was dumbfounded. His heart was filled with curiosity, and he even wondered if Chen Xiaobei was a God who had descended to the mortal world.

Don't forget! In the past, Xu Fu was the Supreme Master who had the entire human world in his hands!

But now, Xu Fu was being toyed around by Chen Xiaobei like a monkey!

"Chen Xiaofu! Aren't you going to kneel down and kowtow to me?"

Chen Xiaobei stood where he was and said in a calm voice, but it was full of sarcasm and provocation.

"I ... I ..."

Xu Fu was so angry that he almost spat out a mouthful of blood.

Just a second ago, Xu Fu thought that he would win without a doubt, but in the next second, he changed his name to Xu Xiaofu!

This was really infuriating!

"I'm convinced!"

Of course, Xu Fu was known for his shamelessness and he would not admit defeat so easily. "There's still a third move! You said you would let me have three moves!"

"You're so rude!"

Chen Xiaobei pouted and said, "You've already taken my surname. Even if you want to use the third move, you should first bow to me!"

"You're dreaming!"

Xu Fu gritted his teeth and said, "I'll definitely kill you with the third move! I will return all the humiliation to you a hundred times over!"

"What? You actually want to kill your grandfather!"

"You bastard! You bastard!" Chen Xiaobei pretended to be angry. "He's not worthy to be my grandson! He didn't deserve to be surnamed Chen! From now on, I will take back your family name! In the future, you can call me Fu!"

"Lai Fu? Why wasn't it called Wang Cai?" hahaha ... from afar, Bai Qi burst out laughing. He was so happy to see Chen Xiaobei take care of Xu Fu.

"Numbing! It's so numbing!" Xu Fu's face turned black with anger. His anger was already on the verge of exploding. At this moment, his mind was muddled.

In fact, Chen Xiaobei had been taunting and humiliating Xu Fu! There was only one purpose, and that was to make Xu Fu lose his cool!

“Swish!”

Chen Xiaobei’s goal was finally achieved!

With a thought, Xu Fu took out a body from the Meru space!

This body had the appearance of a middle-aged Daoist. He had regular facial features, a tall and straight figure, and an extraordinary aura. He was wearing a black Daoist robe with strong spiritual nature. He was definitely not an ordinary being!

Without a doubt, this was Xu Fu’s real body!

“Chen Zhufeng! Your death is here!”

“This is my real body!” Xu Fu said viciously. As long as my primordial spirit returns to my true body, I’ll be able to unleash the cultivation base of a half-step heaven immortal! At that time, I will be able to destroy your avatar with one move! I’ll make your soul scatter! Never to reincarnate!”

“Chi ...”

As he was speaking, Xu Fu’s primordial spirit flew out from the old body.

The form of the primordial spirit was very similar to the nascent soul, but it was more ethereal than the nascent soul.

According to Shen Gongbao, only immortal essence and some special heaven Immortal Weapons could harm a primordial spirit.

Of course, primordial spirit could also capture celestial talismans!

“The big fish has finally taken the bait!”

Chen Xiaobei grinned. He had everything prepared!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3373: Super harvest**

3373 Super harvest

Without a doubt, Chen Xiaobei had been plotting against Xu Fu ever since he found out about the existence of the Meru space.

The one-on-one fight was a scheme, the first three moves were also a scheme, and the deliberate taunting was even more so.

Xu Fu was so enraged by Chen Xiaobei that he could no longer calm down. In the end, he stepped into the pit that Chen Xiaobei had dug.

“Whoosh ...”

The moment Xu Fu's primordial spirit left his body, the primordial spirit capturing talisman that Chen Xiaobei had hidden on him from the start was activated.

"Woof! Buzzzzzz! Yi ..."

Rays of golden spiritual light burst out like chains and rushed toward Xu Fu's primordial spirit.

The speed of these golden chains had reached the level of a one-star heaven immortal, which was countless times faster than Xu Fu's primordial spirit. Xu Fu had no time to react.

Countless chains interweaved into an inescapable net, leaving Xu Fu's primordial spirit with no way to escape.

"Huala ..."

In the blink of an eye, Xu Fu's primordial spirit, which was originally illusory, was instantly covered by the golden net.

In the next moment, the celestial talisman flew over and stuck to Xu Fu's primordial spirit, rendering him unable to move or escape.

"What ... What is going on?" Baiqi was dumbfounded. He did not even understand what had happened.

"Chen Zhufeng! You cunning thief! How dare you use your primordial spirit to capture a celestial talisman to scheme Against Me! You're even more cunning than a Fox!" At the same time, Xu Fu started to roar hysterically.

As a true immortal, Xu Fu knew about the talisman. He also knew that he was now Chen Xiaobei's prisoner!

Unless the talisman was stolen, Xu Fu would never be able to escape Chen Xiaobei's control!

"Don't shout, save your strength!"

Chen Xiaobei was too lazy to argue with Xu Fu. He walked toward the old body.

Since the start of the fight, Chen Xiaobei had not attacked this physical body. So, Xu Fu's Sumeru dimension must be above this physical body. As long as he looked carefully, he would be able to find it.

"Chen Zhufeng! What are you doing! Stop! Stop!"

"no!" Xu Fu shouted anxiously. He was afraid that Chen Xiaobei would find out where the Meru space was.

"I found it!"

Chen Xiaobei's luck was off the charts, and he quickly found the Sumeru space that was even smaller than a speck of dust.

Xu Fu's primordial spirit was sealed by the immortal talisman, and he could not communicate with the spirit of the Meru space.

In other words, this Meru space was now ownerless.

Chen Xiaobei then took out many important things from the bag.

The first item was the nine luminaries hell cutting saber!

“Hahaha! It’s a middle-stage two-star heaven-immortal artifact, and there’s still spiritual energy equivalent to two trillion upper-grade spiritual stones left in it!”

Chen Xiaobei grinned and put the nine luminaries hell cutting saber into his infinite space ring. &Quot; “It’s mine!”

&Quot; Chen Zhufeng ... Young master Chen! &Quot;

Seeing this, Xu Fu wailed, “Let’s talk this out! Don’t take my nine luminaries hell cutting saber! That’s my life!”

Chen Xiaobei ignored him and took out the second item. It was a talisman with a very strong spiritual nature.

After the spiritual connection, Chen Xiaobei confirmed that this was a primordial spirit leaving aperture talisman.

According to Shen Gongbao, primordial spirit projection was an ability only heaven Immortals had, and the reason why Xu Fu was able to do it was because of the immortal talisman’s special ability.

“Primordial spirit out of body immortal talisman! It’s also mine!”

Chen Xiaobei quickly put the talisman into his infinite space ring and started to calculate. &Quot; “If I can also have my primordial spirit leave my body! No one in the earth-god Realm can hurt or catch me! He was simply invincible! Hahaha!”

“Young master Chen! Sect leader Chen!”

‘I only have one essence soul out-of-body immortal talisman left ... Don’t take it!’ Xu Fu cried. I’m begging you, please!”

Chen Xiaobei ignored Xu Fu and took out the third item.

“Hualalala ... Hualalala ...”

Pieces of crystal-clear and round inferior-grade spiritual Jade fell out of the Meru space.

Chen Xiaobei kept all of them into his infinite space ring without any hesitation and counted the number.

“20000 lower spiritual jade pieces! Lai Fu! You’re really rich!”

Chen Xiaobei’s face lit up with joy and excitement. &Quot; “You gave Shen Gongbao 5000 spiritual jades, which means you have 25000 lower spiritual jades in total! Now, they’re all mine! Hehehe ...”

Before that, Chen Xiaobei still had 13400 low-grade spiritual jades, plus 50000 from mo Luo Wutian and 25000 from Xu Fu.

As of now, Chen Xiaobei had 88400 low-grade spiritual Jade in his Treasury.

Chen Xiaobei was overjoyed when he calculated the total number.

This was an unprecedented amount of wealth!

Once Di Jiang found the candle Dragon and upgraded the sunlight cache, Chen Xiaobei could use these spiritual jades to cultivate and enjoy the pleasure of his cultivation soaring!

Of course, the more Chen Xiaobei felt, the more miserable Xu Fu was.

“Faction leader Chen ... I ... Can I call you Grandpa?” he asked.

Xu Fu wailed in despair, “ I’m wrong! It’s all my fault! &quot; I’m begging you! Don’t take my spiritual Jade! The Jade Emperor hasn’t given me any resources for a long time! That’s the last thing I have! I beg you to have some pity on me ...”

&quot; stop talking nonsense. The real despair has just begun! &quot;

Chen Xiaobei laughed and took out the two tokens. He put them into his infinite space ring and said, “ These two pieces of profound weapon tokens are the most important things to you, Xu Fu, right? ”

“If you lose them, all the efforts you’ve made since you came to the human world will be in vain! All your hard work, all your efforts, all your schemes, all of them have become a stupid digestion! Other than being ridiculed by the world, there’s no meaning to it!”

“Grandpa ... Grandpa! I beg you to be magnanimous and not take away my weapon Mystic token ...”

Xu Fu really wanted to cry, ‘the biggest mistake I’ve ever made in my life was believing the nonsense of that old man, the Jade Emperor! I shouldn’t have come down to the mortal world to look for the weapon Mystic token! I shouldn’t have done those evil things!’

“I’m so regretful now! I’m begging you! Please give me a chance to turn over a new leaf! I swear I’ll start over! I’ll be filial to you for the rest of my life, just like a grandson!”

Without a doubt, Chen Xiaobei had Xu Fu’s life in his hands.

At this moment, Xu Fu could no longer care about respect or face. He begged in a low voice, even more humble than a dog.

“Don’t pretend to be pitiful!”

Chen Xiaobei said, “ I will never return the weapon Mystic token to you! But if you’re willing to be my loyal dog, I can point out a clear path for you!”

&quot; this ... &quot; Xu Fu was stunned for a moment, and he fell into extreme despair.

“Heavens! Childe Zhufeng is too awesome! He’s going to drive Xu Fu to his grave!” From afar, Bai Qi was dumbfounded. His admiration for Chen Xiaobei was endless.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3374: instigating Xu Fu to defect**

To be a loyal dog!

Bai Qi did not know the true meaning of his words, but Xu Fu knew it very well.

Chen Xiaobei was planning to give Xu Fu a super heavenly dog biscuit to control his heart.

For Xu Fu, it was the greatest humiliation and the loudest slap in the face!

From the very beginning, Xu Fu was sure that he had the nine luminaries hell-cutting saber and was invincible. He did not even think of Chen Xiaobei as a threat.

However, after a round of fighting, Chen Xiaobei was safe and sound while all of Xu Fu's assets were taken by Chen Xiaobei. In the end, Xu Fu might even become Chen Xiaobei's dog!

Xu Fu had never dreamed of such an outcome. He could not accept it at all.

More importantly, after Chen Xiaobei had obtained the last two pieces of the token, he had all nine of them in his possession.

The result was a hundred million times more critical to Xu Fu's heart!

Don't forget! Xu Fu had spent a lot of time, energy, and effort, but he had not been able to collect all nine pieces of the weapon Mystic token.

Chen Xiaobei's first move had taken care of this matter smoothly!

As the saying goes, comparisons are odious.

If he could, Xu Fu wanted to find a piece of tofu and knock himself to death right now to end all his troubles.

"Chen Zhufeng! You're dreaming! I will never be your loyal dog!"

Xu Fu calmed himself down. Being angry would not solve the problem, and he still had a bargaining chip. "Although you've captured my soul, you can't destroy it! As long as my primordial spirit is not destroyed, I can reincarnate infinitely!"

It was obvious that Chen Xiaobei had not really defeated Xu Fu.

Just as Xu Fu had said, Chen Xiaobei could not destroy Xu Fu's ethereal force. If he did not remove the roots, the grass would grow again.

As long as Xu Fu seized the opportunity, he could still make a comeback.

That was why Xu Fu was not afraid of Chen Xiaobei, and he would not agree to be Chen Xiaobei's loyal dog.

"That old thief Xu Fu is too difficult to deal with ... He can't be killed even with this!"

In the distance, Bai Qi gritted his teeth and glared at Xu Fu. However, he could do nothing to Xu Fu.

"Chen Zhufeng! Accept the reality! You can't kill me! It's even more impossible for me to submit! Although I've been caught by you, I'll find an opportunity to regain my freedom sooner or later!"

Xu Fu was very pleased with himself, and he even laughed madly, "At that time, I will definitely use the most vicious method to take revenge on you! Take revenge on everyone who is related to you! I want

the entire bei Xuan faction to die without a burial ground, and disappear from the three worlds and six paths forever! Hahaha ...”

Chen Xiaobei was not affected by Xu Fu’s smugness. He smiled and said, ” “Heh, don’t laugh yet. Look at what this is!”

After the battle ended, the “treasure falling formation” had been shut down.

Chen Xiaobei’s infinite space ring could be used freely.

“Swish!”

Chen Xiaobei took out an exquisite Jade box. He opened the box and revealed a golden elixir.

“What is this? What a strong spiritual energy!” Baiqi couldn’t help but exclaim, but he couldn’t see the nature of the pill.

“This ... This, this, this ...”

However! Xu Fu could tell at a glance, this is an Ascension elixir! Chen Zhufeng! Why do you have an immortal Ascension pill? Why?”

At the sight of the elixir, Xu Fu was like an old man who had been single for hundreds of millions of years and had just seen a delicate little beauty. His eyes widened like a bull’s, and his face was filled with a fanatical expression.

Temptation!

It was the ultimate temptation!

It was no exaggeration to say that the Ascension elixir was the thing that Xu Fu wanted the most in the world!

One should know that Xu Fu had done all kinds of evil things in the human world and had long been reduced to a Devil King of nine generations.

Only with the help of the Ascension Elixir’s special ability could Xu Fu transcend the Tribulation and become an immortal.

Otherwise, Xu Fu would trigger the nine-star Heavenly Tribulation and die without a doubt.

In order to avoid the heavenly Tribulation, Xu Fu had been hiding in the independent space for countless years. It was like a prison. He was so lonely that he was about to go crazy!

If he could not get the Ascension elixir, Xu Fu would have to live like this for the rest of his life, which would be worse than death.

Because of this, Xu Fu risked his life to find the weapon Mystic token. In the end, he wanted to exchange it for an immortal Ascension pill from the Jade Emperor.

As for the essence soul out-of-body immortal talisman, although it could allow Xu Fu to possess another person’s body, it still could not return Xu Fu his freedom.

As there were not many of these celestial talismans, Xu Fu had to use them carefully.

Every time he took over a person's body, when the person's life was about to end, Xu Fu would have to consume an immortal talisman to let his primordial spirit leave his body and take over the next target.

In other words, the reason why Xu Fu could live for trillions of years was that he relied on primordial spirit out-of-body immortal talismans to possess the bodies of those who had sufficient longevity to extend his life.

Due to the limited number of celestial talismans, Xu Fu had to protect the bodies he had taken over carefully. Otherwise, if anything happened to these bodies, Xu Fu would lose his life.

Because of this, Xu Fu had been hiding in the cave at the top of the mountain all this time. He almost never left his house, which was no different from being imprisoned.

To sum it up, the only way for Xu Fu to regain his freedom was to take an Ascension elixir.

Otherwise, Xu Fu could only be a prisoner for the rest of his life, hiding in the dark corners and never seeing the light of day, never to rise again.

Perhaps one day, when the Jade Emperor was in a bad mood and refused to give him the out-of-body primordial spirit immortal talisman, Xu Fu would have no choice but to wait for death without even having the chance to struggle.

That was why Xu Fugang was so excited when he saw the elixir of ascendance.

This ascension immortal pill is not mine, but Ying Zheng's! "Chen Xiaobei smiled.

"Ying Zheng? No... This is impossible!"

Xu Fu could no longer stay calm. He roared hysterically, "Ying Zheng's Ascension elixir is in the hands of His Majesty, the Jade Emperor! You can't get it!"

"Heh, I knew you wouldn't believe me! Come, I'll let you see how the Jade Emperor, whom you've pledged your loyalty to, treats you!" Chen Xiaobei grinned and took out his phone.

Chen Xiaobei took out his phone and showed it to Xu Fu after he found his chat history with the Jade Emperor.

Not only were there chat records, but there were also red packet records.

The evidence was irrefutable, and Xu Fu had no choice but to believe it.

"No... How could this be ... Jade Emperor, you dog! Why did you betray me?"

Xu Fu roared madly, his mind on the verge of collapse, "I've risked my life to do so many shameful things for you, but you've given away my life! Despicable! Shameless! Unkind and unjust!"

"How is it? Now you're willing to have a good talk with me, right?" Chen Xiaobei raised his eyebrows and smiled.

[Red Envelope Group of the Three Realms](#)

**Chapter 3375: Treating Bai Qi**

3375 Treating Bai Qi

Without a doubt, this matter had dealt a huge blow to Xu Fu!

After all, Xu Fu's only hope in this life was the Ascension elixir!

For this reason, Xu Fu did his best to work for the Jade Emperor. Even if he was caught by Chen Xiaobei, he would not surrender to Chen Xiaobei.

However, in order to protect himself, the Jade Emperor betrayed Xu Fu without mercy.

As the saying goes, nothing is more sorrowful than a dead heart!

At that moment, Xu Fu's spirit was completely crushed. He had completely sunk into despair, and even his last desire to live had vanished.

To Xu Fu, there was no meaning in living without the Ascension elixir.

If Chen Xiaobei had not been willing to negotiate with Xu Fu, Xu Fu would have lost his mind on the spot. At the very least, he would have been demented. At worst, he would have died of anger.

"Negotiate ... How do you want to negotiate? Could it be that you're going to give me an immortal Ascension pill?"

"What's wrong?" Xu Fu asked expressionlessly, his mood dejected.

"It's impossible to give you an immortal pill."

Chen Xiaobei shrugged and said, "However, I can take you with me to the heaven realm! As for whether you live or die after you reach the heaven realm, it will depend on your own fortune!"

"Take me to the heaven realm? What do you mean by that?" Xu Fu asked.

"Haven't you heard of the saying," when one person achieves Dao, his chickens and dogs will rise to the heavens "?"

"As long as I successfully ascend to heaven, all my loyal dogs, spiritual beasts, spiritual demons, ghost slaves, and artifact spirits will follow me to heaven! As long as you become my loyal dog, you will follow me to the heaven realm when I ascend!"

"No! I refuse!"

"Of course!" Xu Fu said solemnly, "if I wanted to be someone else's loyal dog, I would have used this method to head to the heaven realm long ago! Why do I have to wait for you to take me there?"

"Heh, don't lie to yourself!"

"Of course!" Chen Xiaobei laughed. "You didn't want to be someone's loyal dog before because the Jade Emperor's Ascension elixir gave you hope! But now, all your hopes have been shattered! If you don't become someone else's loyal dog, you can only be trapped here until you die! There will never be a day when I can turn the tables!"

&quot; well ... &quot; Xu Fu was stunned for a moment, and he was speechless.

“Think about it! All that you’ve done for so many years, was it worth it?”

Chen Xiaobei said, “In the human world, you’ve done all kinds of evil things, but all the benefits are monopolized by the Jade Emperor! After you die, you will carry with you endless sins and fall into the 18 levels of hell forever! And the Jade Emperor was still at large! Are you really willing to accept this?”

&quot; this ... &quot; Xu Fu’s face darkened, and his eyes flickered. He had been convinced by Chen Xiaobei.

Chen Xiaobei seized the opportunity and continued to persuade her, “Trust me! I’ll take you to heaven! If you have a way to protect yourself, I can even return your freedom!”

&quot; freedom!? &quot;

Xu Fu’s expression froze for a moment, and his guard was completely lifted. He asked in a trembling voice, “Can ... Can I trust you?”

“Don’t worry! Although I like to scheme against my enemies, as long as I make a promise, I will definitely do it!”

“If you still don’t believe me, I’m willing to swear on my master’s name!” If I can’t do it, I’ll ask master to expel me from the sect! I’ll let the enemy cut me into a thousand pieces!”

“Okay ... I promise you!” Xu Fu composed himself and said seriously, “However, you must tell me why you are willing to help me. What do you want me to help you with?”

“You’re a smart person!” Chen Xiaobei said. I naturally won’t help you for nothing! In return, you will do me a great favor after I ascend!”

“What can I do to help you?”

Xu Fu’s expression froze for a moment, and he was extremely surprised. &quot; &quot; you’re now like the sun in the sky, and you have endless trump cards in your hands. Even if you go to heaven, you can go smoothly ... I can’t think of how I can help you? ”

“I can’t explain this matter in a few words!” “I can only tell you that I’m going to wreak havoc in the heavenly Palace!” And you will be a very important chess piece in my hands!”

“What? Wreaking havoc in the heavenly Palace?” Upon hearing that, Xu Fu was dumbfounded.

Even Bai Qi, who was standing far away, trembled and his scalp went numb.

“What’s wrong? Don’t tell me you don’t have the guts to help me!” Chen Xiaobei looked straight into Xu Fu’s eyes.

“Who says I don’t have the guts!”

Xu Fu’s eyes narrowed, and he said solemnly, ‘the Jade Emperor, that dog, betrayed me! If I really reach the heaven realm, even if I have to give up my life, I will make the Jade Emperor dog pay the price!”

“Good! Your words are enough!” Chen Xiaobei quickly removed the talisman that was stuck to Xu Fu’s primordial spirit.

“Whoosh ...”

This talisman could only be used once. After it was taken off, it would automatically disappear.

At the same time, Xu Fu’s primordial spirit also regained its freedom.

This was Chen Xiaobei’s way of showing his sincerity.

If Xu Fu went back on his word now, Chen Xiaobei would never be able to get his primordial spirit back.

“Chi ...”

However, Xu Fu did not run away. His primordial spirit returned to his real body in a flash.

As the saying goes, a man lives on!

In order to vent his anger on the Jade Emperor, Xu Fu had made up his mind to work with Chen Xiaobei to create a ruckus in heaven that would shake the Three Realms!

“Bring me the Super heavenly dog biscuit!” Xu Fu made up his mind and took the initiative to say.

“Alright!”

Chen Xiaobei then used the merit points book to exchange for a super heavenly dog biscuit.

[ you have successfully exchanged for a merit reward! ] 500 million merit points will be deducted!

Ding! Ding! Ding! Your current merit points are 20117.67 billion!(Charm: 2011.767 billion, luck: 2011.767 billion!

After that, Chen Xiaobei passed the Super heavenly dog biscuit to Xu Fu.

Xu Fu quickly swallowed it into his mouth and successfully became Chen Xiaobei’s loyal dog.

Xu Fu and Shen Gongbao, the two greatest enemies of the human world, had become Chen Xiaobei’s loyal dogs. They would be of great help to Chen Xiaobei in future operations.

“Brother Baiqi! Sorry to keep you waiting!”

After dealing with Xu Fu, Chen Xiaobei rushed to Bai Qi’s side and started to check on his injuries.

In fact, Chen Xiaobei had already treated the wound.

At this moment, the bleeding of the wound had stopped, but the exploded sea of Qi dantian could not recover in a short time.

Childe Zhufeng ... There’s no need to check ... There’s no way to treat this injury ... &quot;

“If you can help me deal with Xu Fu, I’ll be willing to be a cripple for the rest of my life!” Bai Qi said in a deep voice.

“What cripple? Don’t talk nonsense!” &quot; I can heal your injuries! &quot; Chen Xiaobei smiled.  
&quot; I can also restore your cultivation! &quot;

&quot; how ... How is this possible?! &quot; Baiqi looked at Chen Xiaobei in disbelief.

“Forget it! I’ll let my sister treat you!” Chen Xiaobei took out the verdant Emperor’s divine gourd and said, “ &quot; you’ll need a long time to recover with my treatment. With my sister’s treatment, you’ll be back to normal immediately! &quot;

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3376: wonders of Mahjong**

“Immediately recover? That’s impossible, right?”

Baiqi was dumbfounded and could not believe his ears. &quot; this kind of injury, it’s impossible for an ordinary person to cure it ... Let alone immediately recover ... &quot;

“Don’t rush!”

Chen Xiaobei took out a half-human, half-snake mermaid girl from the verdant Emperor divine gourd.

That’s right!

She was Futian Xin ‘er!

“Xiaobei Gege! Why did you suddenly bring me out?” Fu Tian Xin ‘er pouted and grumbled unhappily, “  
“The seven devil Lords of Hell are teaching me how to play Mahjong! I finally found a good hand!”

“Uh ... Those jokers actually taught you how to play Mahjong?” Chen Xiaobei was annoyed and said, “  
“The next time I go in, I’ll definitely teach them a good lesson!”

“Don’t! Why did you have to teach them a lesson?” &quot; Mahjong? ” Fu Tian Xin ‘er frowned. &quot;  
it’s very fun. I’m not the only one who likes it. The hundreds of billions of demons in the Imperial City of hell all like it! &quot;

&quot; what the hell ... &quot; Chen Xiaobei started to sweat. &quot; I asked them to help me educate the demons, and this is how they teach them???

The thought of hundreds of billions of demonic people playing mahjong in the royal city of hell made Chen Xiaobei’s scalp tingle.

The reason why Chen Xiaobei wanted to take over the 100 billion demons in the royal city of hell was because he had taken Rahu’s advice to educate the demons. He wanted them to know good and evil, to be reasonable, and to follow the rules. In the end, they could be recognized by the heavenly axiom like the other races and live in the Three Realms with dignity.

However, the 100 billion demons didn’t learn anything useful, but they learned to play mahjong first!

Chen Xiaobei was going to die of anger!

“Xiaobei Gege! Don’t be angry!”

“Don’t underestimate Mahjong!” Fu Tian Xin ‘er quickly said. I heard from the Golden-armored Spider Emperor and the seven demons of hell that Mahjong originated from the book of Luo and the river map, which contains rich philosophy!”

“I didn’t learn any philosophy, but I can prove that the demons have learned many rules by playing mahjong! For example, keeping order, waiting patiently, thinking calmly, and paying back your debts ...”

Fu Tian Xin ‘er pouted and continued to ramble on.

After hearing what she said, it seemed that playing mahjong really did have some effect. At least it wasn’t completely negative.

“Alright ... Since it’s effective, I won’t say anything more ...”

Chen Xiaobei rubbed his forehead and said, “I asked you to come out because I want you to help me treat my friend’s injuries!”

“Alright! No problem!” Futian Xin ‘er was very kind and obedient to Chen Xiaobei. She turned and looked at Bai Qi.

“Lady ...” Baiqi still could not believe Chen Xiaobei’s words. Childe Chen said that you can heal me immediately. Is ... Is that true? ”

“Of course! My Xiaobei Gege never lies!” Fu Tian Xin ‘er had a relaxed expression, “ moreover, this isn’t a serious injury. It would be strange if you didn’t recover immediately! ”

“Whoosh ...”

As soon as she finished speaking, Fu Tian Xin ‘er raised a finger and casually shook it, “The sacred life Tree!”

With that, the sacred life Tree Dharma idol condensed at her fingertips!

Previously, Fu Tian Xin ‘er had used the sacred tree of Life’s power to defeat the Water Witch, Gonggong. At that time, the sacred tree of Life absorbed Gonggong’s power and transformed it into a kind of energy similar to life force, then attacked Gonggong in return.

At this moment, the sacred life Tree was slowly exuding a pure life force.

“Nourish the heavens!”

With a casual snap of her fingers, the life force was sent into Bai Qi’s wound.

The next moment, not only Bai Qi, but Chen Xiaobei and Xu Fu were also shocked!

Who would have thought that Bai Qi’s shattered dantian would begin to heal at a speed visible to the naked eye?

In less than ten seconds, his badly mangled dantian was completely healed. There was not even a single scar left behind. It was as if he had never been injured.

&quot; Oh my God ... This is too magical ... &quot; Bai Qi was amazed. The way he looked at Futian Xin 'er was as if he was looking at a God that had descended to the mortal world. It was unbelievable to the extreme.

&quot; this ... This is the sky-mending divine stone's special ability ... &quot; Xu Fu felt as if he had been struck by lightning. He stood rooted to the ground, dumbfounded, and his pupils contracted uncontrollably.

That's right!

Emperor Jiang had said before that Fu Tian Xin 'er was the incarnation of the sky-mending divine stone. As long as she had enough spiritual power, she could use all the special abilities of the sky-mending divine stone!

The sky-mending divine stone could even mend the sky, earth, and void. A mere mortal's sea of Qi and dantian were naturally nothing difficult to repair!

"Awesome!"

Seeing this, Chen Xiaobei touched the yin-yang life and death Ring on his finger and mumbled, "The yin-yang life and death Ring is a three-star heaven immortal artifact forged by lady Nuwa, and it can store and release life energy! However, in terms of healing speed, it can't compare to Xin 'er's special ability ..."

"Alright! Xiaobei Gege, is there anything else that you need help with?"

Fu Tian Xin 'er rubbed her hands and said impatiently, "If there's nothing else, please send me back! I'm still waiting for all of them to be on the bloomers!"

&quot; uh ... &quot; Chen Xiaobei's head hurt."Remember to play less! What if mother Nuwa blames me for leading you astray ... I can't afford to be punished ..."

"I know!" Fu Tian Xin 'er smiled and entered the verdant Emperor's divine gourd.

&quot; master ... &quot; Xu Fu was stunned for a long time before he came back to his senses and asked, "What is the relationship between this girl and mother Nuwa?"

"You don't need to worry about that!" &quot; what? " Chen Xiaobei said, " you should come over and tell me what you have to do! &quot;

&quot; Yes, sir ... &quot; Xu Fu quickly walked over and bowed to Chen Xiaobei and Bai Qi.

Bai Qi looked at Xu Fu, his eyes filled with hatred.

However, he knew that Xu Fu was useful to Chen Xiaobei. So, he suppressed his anger and did not attack Xu Fu.

"Xu Fu!"

"You may have become my loyal dog, but that doesn't mean that your past sins can be erased! What did you do, why did you do it, now tell me everything in detail!"

“Yes ...”

Xu Fu looked at Bai Qi and said in a low voice, “&quot; I chased after Bai Qi and killed fairy Ling ning ... Not because I have a grudge against them, but because they have the profound weapon token that the Jade Emperor wants ... &quot;

&quot; I annihilated the Xiu clan because the Jade Emperor was worried that the reincarnated spirit girl of Su Daji would join the side of the Xiu clan, so he ordered me to eliminate the future trouble first ... &quot;

&quot; I massacred the evil bone demons because the Jade Emperor wanted a large number of evil spirit bones, so he ordered me to kill them all! &quot;

“I massacred the nine Li ancient clan and suppressed the Blood Moon Swordmaster to earn merit points for stopping the war! These merits were all used to help the Jade Emperor exchange for important heavenly materials and earthly treasures. I don’t have any merits left for myself, so I became a nine-generation Demon King ...”

“Jade Emperor! The Jade Emperor! They’re all Jade emperors!” When Baiqi heard this, he was instantly enraged, “This bastard is the main culprit who deserves to die!”

### Red Envelope Group of the Three Realms

#### **Chapter 3377: -Xiniu's predicament**

It had to be said that Xu Fu was a pitiful man.

In order to obtain the Ascension elixir, Xu Fu would do whatever the Jade Emperor said. He had done all kinds of evil things, carried endless sins, and was hated by everyone.

However, in the end, all the benefits were taken by the Jade Emperor, and Xu Fu did not get anything.

Not only that, but the Jade Emperor had also gone back on his word. He had completely abandoned Xu Fu like he was throwing away trash.

After listening to everything Xu Fu had to say, even Baiqi could not bear to listen any longer.

He firmly believed that the Jade Emperor was the most damned culprit!

“Old brother Baiqi, I am relieved that you can think like this ...”

&quot; Xu Fu killed fairy Ningling! &quot; Chen Xiaobei said, “ I should kill him to avenge fairy Ningling! &quot; But in reality, the person who had forced the spirit condensation fairy to her death was the Jade Emperor! If he wasn’t behind this, Xu Fu wouldn’t have attacked fairy spirit condensation!”

“I understand!”

Baiqi nodded and said, “the Jade Emperor is the real culprit!” Childe Zhufeng, I also want the Jade Emperor to pay the price!”

“Since Childe Zhufeng wants to use Xu Fu to deal with the Jade Emperor, I will not kill Xu Fu for the time being! Let’s work together and wreak havoc in the heavenly Palace! Overthrow the Jade Emperor!”

Without a doubt, Baiqi was a wise man. He knew that Xu Fu was just a chess piece, and the Jade Emperor was the one who controlled the chess!

The hatred for fairy Ning Ling's death was 90% due to the Jade Emperor! If he wanted revenge, he should first find the Jade Emperor!

Xu Fu was Chen Xiaobei's bargaining chip in wreaking havoc in the heavenly Palace. If he killed Xu Fu now, he would be helping the Jade Emperor!

Baiqi would not do such a foolish thing!

Furthermore, Xu Fu was already a Demon King of nine lives. Even if Bai Qi did not kill him, the heavens might still take him in.

"Good! If brother Baiqi has no objections, then this matter is settled!"

"I'm the Magus King of Nine Li now. I can decide not to kill Xu Fu for now!" Chen Xiaobei said. As for the Che clan, elder Ming is the only one left. He must have the same thoughts as us! Don't kill Xu Fu, go straight for the Jade Emperor!"

"Wreaking havoc in the heavenly Palace! Directly attack the Jade Emperor!" Baiqi said in a deep voice. He had already made up his mind.

"Wreaking havoc in the heavenly Palace! Directly attack the Jade Emperor!" Xu Fu clenched his fists tightly. The determination in his heart was no less than Bai Qi's.

"Good! The heaven uproar squad is officially established today!"

Chen Xiaobei grinned and took out the eye of the undying bird. "Brother Bai Qi, this is your item. I'll return it to you!"

"No! You keep it!"

"The power of immortality has been absorbed by me," Bai Qi said, "this divine item can no longer be of any use to me. You can keep it. Perhaps you can make it into a magic item in the future or use it in other ways!"

"Alright! Then I'll respectfully accept your invitation!" Chen Xiaobei nodded and kept the eye of the undying bird.

Just as Bai Qi had said, the eye of the undying bird was a three-star divine item. With Bai Qi's ability, there was no way he could use it. It was better to give it to Chen Xiaobei so that he could better use it!

At this point, the whole matter had finally come to an end.

After that, Chen Xiaobei put Xu Fu into the Meru space and Bai Qi into the verdant Emperor's divine gourd so that they would not have to face each other and feel uncomfortable.

Song Qincheng and Shen Gongbao came out of the Meru space and returned to Aparagodaniya with Chen Xiaobei.

Right now, Aparagodaniya had yet to be completely unified. Someone needed to clean up the mess.

.....

Heavenly Dragon Temple.

After the battle, this place had become an empty city.

The millions of Heavenly Dragon Temple disciples did not surrender because they had eaten the dog food. They were all killed by song Qincheng's nine-toothed rake in the battle.

On the other side, six-eared macaque had successfully rescued Dinghai Shitai of the three saints nunnery.

Everyone gathered in the heavenly Dragon temple's meeting hall to discuss their next move.

"Heavenly Dragon Temple is gone ... Now the entire Heavenly Dragon Holy region is without a leader. If nothing unexpected happens, the forces of heaven realm will soon intervene!" Shen Gongbao was the first to express his opinion.

After all, Shen Gongbao had been the master of the heavenly Dragon sacred domain for a while, so he was more familiar with the situation here.

"Is there any way to gather the hearts of the people of the heavenly Dragon sacred domain?" Chen Xiaobei cut straight to the point.

By then, Chen Xiaobei had already unified the northern kuruzhou. Other than that, the other two continents were also being unified as quickly as possible.

In the process, Chen Xiaobei had come up with the most important condition for unity!

That was the human heart!

As long as the People's hearts were willing, it would be easy to unify!

If the People's hearts were scattered, unification would require the use of force to suppress it or dog food control. There would be huge hidden dangers in the dark, and it could even trigger a civil rebellion at any time!

Therefore, the fastest and best way to unify the heavenly Dragon Holy domain was to gather the People's hearts!

"I don't have a specific method ..."

Shen Gongbao shook his head helplessly and said, "My Army had already conquered the entire Heavenly Dragon sacred domain! But he just couldn't win over the hearts of the people! I had no choice but to possess the Abbot's body and use his identity to rule the heavenly Dragon Holy domain to gain the hearts of the people!"

"However, the heavenly Dragon temple's disciples all know that I'm a fake, so I fed them dog food to make them 100% loyal to me! Only then can I control the entire Heavenly Dragon sacred domain! Other than that, I have no other way of gathering the hearts of the people!"

Obviously, Shen Gongbao had been dreaming of unifying the aparagodaniya state of the West. He could do it in terms of martial strength, but he had no way to win over people's hearts.

For this reason, Shen Gongbao had to become the abbot of Heavenly Dragon Temple and negotiate with Dinghai Shitai and the Bodhisattva of sacred tower to merge the three top forces and unify the Western aparagodya Prefecture.

"It's no use ..."

At this time, Shitai Dinghai shook her head heavily and said in a deep voice, "After this matter, aparagodaniya is destined to fall into great chaos! Not just the heavenly Dragon sacred domain! The heaven realm's forces would interfere with the ten thousand Buddha Sacred Realm and the three Sacred Realms! A Great War is about to break out ..."

"Then let them fight! Go and mess!" Six-eared macaque stood up and said, "When the people are done with the war, bro bei will come out and be the Savior. That way, he can easily win over the People's hearts!";

"No!" "no!" Chen Xiaobei shook his head. "as long as there's a glimmer of hope, I won't let the people be tortured by the flames of war!";

"this ..."; six-eared macaque was stunned. "Bro bei! Now was the time for the saint-like heart to overflow! Those who achieve great things don't bother about trifles! Don't let your kindness hinder your progress!"

"No! This wasn't the heart of a Saint! It's the Dao-heart!" Chen Xiaobei recalled the story that mo Luo Wutian had told him.

If one wanted to obtain the approval of a certain 'Dao', one had to stick to the corresponding Dao heart!

Once one's Dao heart was lost, one would never be able to reach the other side!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3378: method to break out**

"I see ..."

Six-eared macaque was taken aback. After hearing Chen Xiaobei's words, he suddenly realized that his understanding was way too low compared to Chen Xiaobei's.

Six-eared macaque was only thinking about how to do it faster and more efficiently, while Chen Xiaobei was thinking about maintaining his Dao heart and obtaining the approval of the 'Dao'.

As the saying goes, one's outlook determines one's height. Six-eared macaque's outlook was much lower than Chen Xiaobei's, which meant that his future achievements would not be as great as Chen Xiaobei's.

[ demonic Luo Wutian has maintained his Dao heart of slaying Immortals and gods of the demonic path. He has finally obtained the recognition of the demonic path and obtained the demonic seal. ]

Chen Xiaobei had received instructions from the prime of Tongtian to enter the rift in the void. If everything went as planned, Chen Xiaobei would be able to find the human Dao seal.

Whether or not Chen Xiaobei could obtain the human Dao seal would depend on whether or not his Dao heart could be recognized by the human Dao.

Because of this, Chen Xiaobei had to stick to his Dao heart with every step he took. He could not ruin his escape route just for a moment of convenience.

“Good ... Good!”

Hearing this, Dinghai Shitai put her hands together and bowed to Chen Xiaobei. “Childe Zhufeng is a kind and benevolent man. He’s a role model for us ...”

“Master’s words are too serious!”

Chen Xiaobei looked at her and said, “Actually, I’m not a merciful person, but I’ll be the master of the human world sooner or later! I won’t allow any external forces to harm my people in my territory!”

Everyone was shocked by his words!

The six-eared macaque was especially shocked, and he was left speechless.

Just a moment ago, six-eared macaque had said that Chen Xiaobei had the heart of a Saint. But now, six-eared macaque realized that Chen Xiaobei was definitely not a Saint. He was absolutely arrogant! Overbearing! It was extremely powerful!

Chen Xiaobei wanted to protect the people of the human world because he had already regarded the human world as his own territory! Even the forces of the heaven realm were not allowed to act wildly in the human realm!

Chen Xiaobei’s Dao heart was finally showing signs of breaking through!

This was the heart of the Supreme ruler of the people Dao!

“Amitabha ...”

“Childe Zhufeng wants to be the master of the human world. He’s willing to protect the people. This is also a show of mercy and a merit ...”

“It’s a pity that we can’t quickly gather the People’s hearts ... The war that will plunge the entire aparagodya Prefecture into misery and suffering will eventually be unavoidable ...”

Obviously, Chen Xiaobei’s wish was a beautiful one, but reality was cruel.

If they couldn’t gather the People’s hearts, it would be easy for the heaven realm’s forces to intervene. At that time, a war that would affect the entire aparagodaniya Prefecture would be inevitable.

“No! I don’t have any other way!”

At this moment, a young man walked in.

The young man was wearing a Kasaya and had a scar on his head after shaven. He was obviously a Buddhist disciple.

More importantly, he was not an ordinary person. Chen Xiaobei and priestess Dinghai both knew him.

“Wu longyin? What are you doing here?”

Chen Xiaobei and priestess Dinghai asked in unison.

That’s right!

This person was the next Abbot candidate of Heavenly Dragon Temple, Wu longyin!

Chen Xiaobei had met Wu longyin at the old ancestor Xuanyuan’s birthday banquet. They were very close, and even had a little bit of sympathy for each other.

As for priestess Dinghai, she had a deep relationship with Wu longyin.

In fact, it was Daoist nun Dinghai who first found Wu longyin, who was about to starve to death in the wilderness.

At that time, Dinghai Shitai saw that this boy had an excellent aptitude. Unfortunately, the three saints nunnery only accepted female disciples, so they had no choice but to send Wu longyin to Heavenly Dragon Temple to become a disciple.

“Childe Chen! Shitai Dinghai!”

After Wu longyin nodded in greeting, he said in a deep voice, “&Quot; when the heavenly Dragon Temple was in trouble, master sent me out of the heavenly Dragon Holy domain to hide. I saw Childe Chen’s live broadcast, so I came back immediately! &Quot;

“I see ...”

Chen Xiaobei nodded and asked, “You just said that you have a way to gather people’s hearts?”

“Yes, I am!”

“As we all know, the people of aparagodaniya are the most devout Buddhists!” Wu longyin said. Although aparagodaniya is usually divided into three Holy regions, as long as we can invite a heaven realm Bodhisattva to preside over the overall situation, all the people in the three Holy regions will certainly put aside their differences and completely unite!”

“Heaven realm Bodhisattva?” Chen Xiaobei turned to look at priestess Dinghai.

“Wu longyin is right! The main thing is to invite a heaven realm Bodhisattva, which is enough to unite the entire aparagodya!” “However, the Bodhisattva of heaven won’t descend to the mortal world. We can’t invite him!”

Chen Xiaobei frowned and said, “&Quot; I don’t have a good relationship with the Buddhist League in the heaven realm. It’s impossible for me to ask the Bodhisattva to come down to earth! &Quot;

“No! You don’t really need to go to the heaven realm to invite him!”

At this time, Wu longyin said excitedly, " " when I was traveling, I heard a legend about the Xiangyun Bodhisattva! " ;

"Xiangyun Bodhisattva? I've also heard of it!"

Upon hearing this, Dinghai Shitai quickly said, " "It's rumored that the auspicious cloud Bodhisattva descended from the sky and cleared the devil's Cave in half a day! The three main cities were extremely grateful! Many people have become believers of this Xiangyun Bodhisattva and even built many Xiangyun Bodhisattva temples to offer incense day and night. They are very pious!"

"I've also heard of it!"

At this time, Shen Gongbao also stood up and said, " "Ever since I came to aparagodaniya, I've been hearing about the legend of the Xiangyun Bodhisattva every few days! As far as I know, there are more than a hundred Xiangyun Bodhisattva temples built in the three Saint domains of Buddhism!"

"Not only that!"

Wu longyin added,"as far as I know, even the Western hell was swept clean by this Xiangyun Bodhisattva!" If all these legends could be confirmed, Xiangyun Bodhisattva would definitely be able to establish the mighty name of heaven Bodhisattva! With a single call from billions in aparagodaniya, not to mention gathering people's hearts, even unifying aparagodaniya would be a piece of cake!"

All of a sudden, Dinghai Shishi, Shen Gongbao, and Wu longyin all spoke highly of the Bodhisattva of Xiangyun.

At the same time, Chen Xiaobei, song Qincheng, and six-eared macaque were all amused. They almost burst out laughing.

"Childe Chen? Is there anything wrong with what we said?"

Wu longyin was stunned and said in surprise, " "Childe Chen, please point it out if we're wrong! This matter concerns the entire aparagodaniya, so we can't afford to make the slightest mistake!"

Dinghai Shitai and Shen Gongbao were also very confused. They pricked up their ears to hear Chen Xiaobei's opinion.

"Uh ... You guys are right! Besides, you don't have to waste your time looking for it!"

Chen Xiaobei shrugged and said with a smile, " " because I'm the Xiangyun Bodhisattva that you all talk about! " ;

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3379: Unified livestreaming**

3379 Unified livestreaming

"What? Childe Zhufeng, you're the Bodhisattva Xiangyun? This ... How is this possible?"

As soon as he said this, Wu longyin, Shen Gongbao, and abbess Dinghai were instantly dumbfounded. They couldn't believe their ears.

Song Qincheng and six-eared macaque looked calm and relaxed because they had already known about this.

&quot; Childe Chen ... &quot;

“It’s not that I don’t believe you!” Wu longyin said with embarrassment. However, this matter is of great importance. You must produce enough evidence to make the people of the entire aparagodaniya believe you!”

“Yup ...”

“If there is not enough ironclad evidence to prove your identity, not only will you not be able to gain the trust of the people, you may even be thought to be deliberately teasing the people. In the end, it will backfire!”

Shen Gongbao nodded, indicating that he fully agreed with Wu longyin and Shitai Dinghai.

After all, the identity of the Bodhisattva of Xiangyun was of great importance. It could even directly determine whether the Western aparagodaniya state would fall into chaos.

“Isn’t it easy to get evidence?”

“The reborn ghost king is now my spiritual demon!” Chen Xiaobei laughed. The infernal Kingdom is now in my verdant Emperor’s divine gourd! The somersault cloud under the feet of Xiangyun Bodhisattva is my Dharma Treasure! If that’s not enough, I can broadcast it live to the entire aparagodaniya. I’m sure that there will be people who have seen me before and can recognize me!”

&quot; Oh my God ... This, this, this ... &quot; Wu longyin, Shen Gongbao, and abbess Dinghai were all shocked.

The reincarnation ghost king, the Nimbus Cloud of the devil kingdom of hell, the witness!

There were witnesses and physical evidence. This matter could be said to be irrefutable. Not only would everyone believe it, but some people would even have no reason to doubt it!

“Let’s get to work!” Chen Xiaobei gave song Qincheng a look.

“I understand! I’ll start making arrangements now!” Song Qincheng nodded and began to use Lao Wang’s live broadcast platform’s resources to carry out a large-scale live broadcast that covered the entire earth-god Realm.

At the same time, Chen Xiaobei was not idle either. He started to make some arrangements.

The first thing Chen Xiaobei did was to call Xuanyuan tuohai and tell him to turn to the heavenly secret Sacred Realm after he had completely unified the Jade virtual Sacred Realm and the gods Sacred Realm.

Chen Xiaobei had already taken care of Xu Fu, and the Tianji sacred territory’s Army had been annihilated by Chen Xiaobei when the three forces besieged Xuanyuan.

The entire heavenly secret Holy territory was in a state of disunity. Xuanyuan taohai and his victorious Army would be able to conquer the heavenly secret Holy territory.

In this way, Videha would be United in the truest sense!

A huge amount of merit points was beckoning to Chen Xiaobei!

Of course, there was also Tianji city's treasure vault that was waiting for Chen Xiaobei to explore! If there were no accidents, there would be some good things inside!

On the other hand, Chen Xiaobei called Xiangyu and Ying Zheng.

The two of them led their armies to the north and south of Nanzhan state respectively, and the progress on both battlefronts was very smooth. Within ten days, they would be able to complete the unification of Nanzhan state!

On the other hand, the northern kuruzhou had already been unified. Chen Xiaobei, as the descendant of the Golden battle Dragon, had become the faith of the entire Northern kuruzhou. The people were united, and no external forces could interfere!

As such, he was only left with the last aparagodaniya!

As long as he could unify aparagodya, Chen Xiaobei's dream of unifying the earth-god Realm would be realized!

By then, Chen Xiaobei would be able to obtain a huge amount of merit points from the realm!

At the same time, Chen Xiaobei would truly become the Supreme ruler of the human world!

.....

Song Qincheng was very efficient. After a while, all the preparations for the livestream were done. All that was left was for Chen Xiaobei to start his performance.

"Dear audience! I'm Chen Zhufeng, the leader of bei Xuan faction!"

Chen Xiaobei faced the camera, put away his frivolous attitude and said seriously, " &quot; today's livestream is not for entertainment. We're here to announce an extremely important matter! &quot;

"Those of you who know bei Xuan faction should know that they have already unified Northern kuruzhou! The unification of Videha and jambu was also nearing its end! Right now, only the last Prefecture, aparagodaniya, has not been unified!"

&quot; I thought that aparagodaniya was a Pure Land of Buddhism. There were no wars, no suffering, and the people were Living a Good Life. That's why I didn't need to unify the entire place! &quot;

"However, after I arrived at aparagodaniya, I realized that my previous thoughts were completely wrong! In the so-called Pure Land of Buddhism, there was also a war! There was bullying! The commoners are not having a good time!"

"Just a while ago, a war of extermination broke out in Heavenly Dragon Temple! The reason for the war was that the abbot and disciples of Heavenly Dragon Temple were controlled by external forces, and they colluded with the Bodhisattva of the Holy tower to threaten abbess Dinghai in an attempt to merge the three top forces by force!"

“Once the external forces succeed in their plot, all the people of the Western aparagodaniya will be controlled by someone who is not a Buddhist! This was a lie to all the people! It’s a blasphemy against the faith of aparagodaniya!”

“As the leader of bei Xuan faction, whether you like it or not, I, Chen Zhufeng, will be the future master of the human world! In the face of such an act of deceiving the people and bringing chaos to the world! I have to stop it!”

Chen Xiaobei said, “ &Quot; some people might say that you, Chen Zhufeng, are not a Buddhist. Who are you to meddle in the affairs of aparagodaniya? I’m going to officially announce my other identity to everyone now!”

“Chi ...”

After that, Chen Xiaobei summoned the somersault cloud and flew into the air.

At the same time, Chen Xiaobei was holding the chaos Blood Sword in his hand and wearing the Nightstalker outfit. He looked exactly the same as he did when he swept through the demon birth cave.

Just as Chen Xiaobei had expected, someone in the livestream immediately recognized her.

The Suan ni was the Bodhisattva of Xiangyun! A few months ago, I saw him fly out of the devil birth cave with my own eyes! He was the one who eradicated all the dead evil spirits and brought fortune to the three main cities around us!

Yes! He was the Bodhisattva of Xiangyun! Back in the Arctic desert, he was the one who saved us sisters from the hands of Tenshou! It was also from that day on that the ultimate West hell completely disappeared!

Oh my God! I’m too embarrassed to say that I’m a big fan of your bro bei! He’s been going to the temple every day to burn incense and worship, but I didn’t know that bro bei was actually Xiangyun Bodhisattva!

What’s the use of just looking like her? He had to show the evidence to make everyone believe him!

“I’ve already prepared the evidence! Everyone, please don’t blink! Take a good look!”

Chen Xiaobei took out the verdant Emperor’s divine gourd and released a large number of demons.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3380: popular sentiment**

Chen Xiaobei had also made ample preparations for this livestream.

At this moment, at least hundreds of millions of demons were released. The originally empty space was instantly filled to the brim.

In the livestream room, most of the people were from aparagodaniya. They had been threatened by the demon race all year round, so they were naturally very familiar with these demons who had suddenly appeared!

Lucifer! Abaddon! That ... That's the seven devil Lords of Hell! Oh my God! Why are they with the faction master of bei Xuan?

Qianqian ... That's the reborn ghost king! Before the descent of Xiangyun Bodhisattva, this guy had done evil things in the three main cities nearby and killed many people. He ... Why is he here?

Qianqian and the hundreds of millions of demons behind her ... What ... What was going on? Could it be that beixuan faction master was colluding with the demons?

Bro bei! You ... You have to explain to us! Otherwise, if the misunderstanding gets worse, people will say that you're a demon too! (Anxious)

"Everyone, please calm down!"

Chen Xiaobei had everything under his control, so he said calmly, " "as I said just now, I'm the Bodhisattva of Xiangyun. I've subdued these demons and converted them. They've turned over a new leaf! " "

As soon as he finished speaking, the reborn ghost king took the lead and walked to the front of the camera. He said very seriously, " "To all the people of aparagodaniya, I am the reincarnated ghost king! The one standing beside me is the one who cleared the devil rebirth cave, the auspicious cloud Bodhisattva!"

" "after I was defeated, Xiangyun Bodhisattva didn't kill me. Instead, he patiently preached Buddhism to me, washing away the evil thoughts in my heart and expiating the sins on my body! " "

"There's a famous saying in Buddhism, put down the butcher's knife and become a Buddha! Although I don't dare to say that I can become a Buddha! However, I can promise everyone that I've put down all my evil thoughts and will never do any evil things again!"

The reborn ghost king bowed three times to the screen solemnly and said with utmost sincerity, " "I hope everyone can give me a chance to turn over a new leaf!"

Look! The reincarnated ghost king had already proven that the beixuan clan master was the Xiangyun Bodhisattva!

It wasn't just that! Not only could the Bodhisattva of Xiangyun vanquish demons and devils, but he could also convert them! Great magic power! Great merit! Great mercy! This was a true Bodhisattva!

I knew it! My bro bei will never let anyone down! As a hardcore fan, I give bro bei 320 likes!

"Hello, everyone! I am the head of the seven demon gods of hell, Lucifer!"

Then, Lucifer also stood up and said seriously, " "on behalf of the hundreds of billions of demons in the ultimate West hell, I will prove to everyone that Chen Zhufeng, the faction master of bei Xuan, is the real Xiangyun Bodhisattva! " "

"The situation of our ultimate West hell is similar to that of the devil's Cave. We've indeed done many evil things in the past! In order to protect the people of the world, Xiangyun Bodhisattva uprooted the entire Western hell with his own strength!"

“However, the Bodhisattva of Xiangyun did not kill our people. Instead, he used the great Buddhist mantras to convert our evil thoughts and sins! Furthermore, think of a way to educate our people so that our demon race will also know about good and evil, abide by the rules, and be reasonable!”

Lucifer also bowed three times devoutly and said, “Buddha has the virtue of caring for life! I hope that the Buddhist believers of aparagodaniya can give us demons a chance! Let me have the chance to live in peace with everyone!”

Oh my God! Xiangyun Bodhisattva was so powerful! Not only did he convert the demons of hell, but he also wanted to educate them!

Suan Ni’s feat of educating hundreds of billions of people was not something that could be accomplished by human strength! If Xiangyun Bodhisattva could really succeed, he would definitely be the Bodhisattva of heaven!

There were still hundreds of millions of demons behind the Suan ni! Judging by their performance, it was clear whether the Enlightenment of the Bodhisattva of Xiangyun had succeeded or not!

The ghost king of reincarnation and Lucifer’s words were enough to prove that Chen Xiaobei was the real Xiangyun Bodhisattva.

The biggest question now was, was this Xiangyun Bodhisattva an ordinary person on earth? A true Bodhisattva from heaven!

The only ones who could answer this question were the hundreds of millions of demons that had just been released!

One must know that educating a race was an extremely difficult task. Not only did it require great ability, but it also required a long time. The expenditure of blood, sweat, and energy was not something that ordinary people could bear!

As long as they could prove that Chen Xiaobei had successfully enlightened the inferno demons, it would be enough to make the entire aparagodya believe that Chen Xiaobei was a real Buddha from the heavenly realm!

“Hello, everyone! I’m a Ghoul!”

At this moment, the lowest-level devil among the Devils crawled out and said to the camera, “Originally, I only knew how to search for corpses, eat rotten meat, and live a dirty and dark life!”

“But now, I’ve learned how to play Mahjong. I don’t eat rotten meat anymore, for fear that my bad breath will affect my friends! I stopped looking for bodies and started to look for a job because I needed money to play mahjong!”

“I’ve learned to think calmly. How can I win? How can I become a big name? I’ve learned to follow the order. I’ll wait patiently when others play and touch their cards!”

“Just like that, my life began to have a pattern. I had a goal and a goal! I don’t want to be a muddleheaded Ghoul anymore!”

&quot; yes! &quot; the ghoulish said excitedly. &quot; I even have a dream to become the best Mahjong player among the demons! &quot;

As soon as he said that, all the audience members were stunned.

Oh my God! Am I dreaming? Ghouls were the lowest-level minions of the demon race. They had low intelligence, were greedy and bloodthirsty, and often killed each other for food! He could actually learn how to play Mahjong? He could even learn to be calm and orderly? He actually had a dream? (Dumbfounded)

Oh my God! A Ghoul actually wanted to find a job! He actually lived a regular life! He actually had a dream! Compared to him, I feel like I'm a salted fish! (Tears)

Tao Wu is too awesome! This was the ghoulish that had been taught by the Bodhisattva of Xiangyun! From small to big, the entire hell demon race must have undergone a qualitative change!

Soon after, many more demons came forward to speak.

Ghouls, little vengeful spirits, hellhounds, skeleton monsters ... All kinds of demons represented different levels and levels.

The audience was even allowed to randomly select demons to answer the questions.

Without a doubt, all the demons who stood out to face the camera showed a mental state that was not inferior to the first Ghoul.

Their answers had also repeatedly verified the authenticity of Xiangyun Bodhisattva! This was irrefutable evidence!

Qianqian was godly! The Bodhisattva of Xiangyun was really a God! He had successfully enlightened the devil race! This was something that mortals could not do!

There was no need to doubt Qingqing! Xiangyun Bodhisattva was definitely a true Bodhisattva from heaven! Our aparagodaniya has been worshiping Buddha all year round. Today, we have finally seen the true Buddha!

I'll definitely support Xuanji Xiangyun Bodhisattva's decision to unify aparagodaniya! With Xiangyun Bodhisattva's great Dharma and compassion, we can definitely live a happier life!

He supported it! I also firmly support it!

Yingluo, we'll all support you!

If the People's hearts desired, great things could be achieved!

[ you have gained new believers ... ]
