Chapter 3411: suppressing ten thousand races

that's right ... This is the first time I've seen Rahu's primordial spirit ability. As for brother Taiyi's primordial spirit ability, I've never seen it before!

Chen Xiaobei's eyebrows twitched, and all his worries were gone. What replaced them was curiosity.

The demon race's Rahu's mental Demon Sacred curse was invisible and unavoidable. It could kill enemies of the same level and low level in a large area. It was quite heaven-defying!

When East Emperor Taiyi was at his peak, even if he was slightly weaker than Luo Yi, the difference was not too big. His primordial spirit attack would definitely be on the same level!

Rahu's primordial spirit attack couldn't skip levels, but it could destroy the enemy in a large area.

Taiyi's primordial spirit attack could skip levels, so it could be concluded that it was a single-target attack that could only be used on one enemy.

"Die!"

At the same time, Cang guanhai had already charged out.

The confrontation just now had already made Cang guanhai feel extremely humiliated. Now that there were so many people gathered at the city gate, he could not afford to lose any more face.

Otherwise, how could a high-ranked noble and commander of the Imperial Army have the face to walk around the city in the future?

"Roar!"

A terrifying wolf howl could be heard as Cang guanhai transformed from his human form to his demonic beast form.

Its body continued to expand, and it actually grew into a ferocious giant wolf that was a hundred meters long!

Its black and grey mane was like a sword, and its huge body was like a mountain range. The most amazing thing was that the Golden armor was also transformed into a shape that could be worn by wolves, which perfectly matched the form of a demon beast.

In an instant, Cang guanhai had turned from a dignified middle-aged man into a giant Golden Wolf!

"Heavens! Was that the true body of a heavenly demon beast? It's simply too spectacular ..."

"As expected of Lord guanhai! He's so handsome ..."

"A demonic beast's original form can unleash its innate wild nature, and its battle strength will be 30% stronger than humans of the same level! Even if they have a one-star heaven immortal, they are no match for Lord guanhai!"

I can sense that the strongest person on the other side is only a peak earth immortal. He's not even enough to fill the gaps between Lord guanhai's teeth!

"Isn't His Excellency guanhai making a mountain out of a molehill? To deal with a group of peak earth Immortals, why did he need to show his true form of a heavenly demon? This is like killing a chicken with a dragon slaying knife!"

Within the city gate's restriction, the commoners discussed animatedly.

The people could only sense the strength of Chen Xiaobei's side on the surface through their primordial spirit territory. They could not sense their physical bodies or their primordial spirit abilities at all.

Otherwise, these people would not think that Cang guanhai was making a mountain out of a molehill. Instead, they would be worried for him.

roar!!!

Of course, Cang guanhai did not know the true strength of his opponent. He roared and charged at Chen Xiaobei and the others.

Just like what the people said, after Cang guanhai turned back into his demon wolf form, his talent was also fully activated. On top of the one star heaven immortal battle strength, he had further added speed and impact!

In other words, in terms of overall combat power, Cang guanhai in his beast form could absolutely crush a human true immortal of the same realm!

Not to mention, Cang guanhai was wearing a one star heaven immortal level armor!

"Boom boom boom ..."

In an instant, Cang guanhai's celestial core power burst out and turned into a 1000-meter giant grey War Wolf!

This Dharma was like a protective Zhen Yuan that could protect the body. At the same time, it was extremely destructive and could be considered Cang guanhai's first Trump card!

"Chi ... Chi ..."

At the same time, a terrifying energy burst out from the Golden armor and turned into a 10000-meter-long golden War Wolf!

This golden Dharma also had a strong anti-shock ability and a terrifying destructive power.

This was Cang guanhai's second trump card!

Without a doubt, Cang guanhai's attack was an all-out attack without any reservation!

He wanted to kill Chen Xiaobei and the others with a thunderous blow, to show off his power in front of the people, and to regain his lost face and dignity.

"Too weak ..."

However, in the face of Cang guanhai's all-out attack, Taiyi shook his head with a lack of interest and said indifferently, " "Suppress all races!"

"Whoosh ..."

In the next moment, a beam of spiritual light gushed out of Taiyi's forehead.

Immediately after, the Starlight turned into a meteor and spun rapidly in front of Taiyi.

A Dharma gradually emerged from the vortex.

This Dharma was a chaotic, dark-yellow color, and on its surface, the sun, moon, stars, earth, water, fire, and wind appeared! There were mountains, rivers, land, and thousands of races in the wilderness!

what ... What's that?! Chen Xiaobei's heart tightened. He knew that it was not an ordinary item!

"This is one of the three great connate Cardinal treasures! The bell of chaos! It's also called the bell of the East Emperor!"

"This Bell can suppress the primordial world, confine time and space, and reflect all attacks!" Emperor Jiang said. It's said that the five-colored light will illuminate the heavens, and the sacred power of chaos will shake the universe!"

besides the other two primordial Supreme treasures, only the twelve ancestors of sorcery can compete with it if they join forces!

"Whoosh ..."

Before Emperor Jiang's voice had died away, the yellow Dharma form had already taken on the shape of a bronze bell.

As soon as the bell of the East Emperor appeared, heaven and earth lost their color and the universe shook! All the races in the universe submitted to him! No one below the Saint realm could defeat him!

Of course!

What appeared in front of him was not the true body of the eastern Emperor Bell, but an illusory Dharma formed by the Taiyi primordial Spirit's ability.

However, even though it was just a Dharma idol, it could still emit an unprecedented terrifying pressure!

Even Chen Xiaobei, who had a strong mental state, could not help but feel his heart beat faster and his breathing Quicken.

"Hiss ..."

At the same time, Cang guanhai took in a deep breath of cold air as he was also greatly shocked.

However, he didn't back down. "What is it? The Thunder sounds but the rain drops! It was full of momentum, but the energy fluctuations were still at the peak of the earth immortal realm! Can you even hurt me?"

"Swish!"

At the same time, the Dharma power of the eastern Emperor Bell was already charging towards Cang guanhai!

break!!!

Cang guanhai did not seem to care. He raised a huge Wolf Claw and slapped it towards the Dharma form of the donghuang Bell.

This palm contained the power of the Golden Wolf Dharma power, the dark wolf Dharma power, and the power of Cang Guan's sea monster body.

From this, it could be seen that although Cang guanhai underestimated the Dharma power of the eastern Emperor Bell, he was not careless at all and still attacked with all his might!

Only by killing the enemy with thunderous methods could he shock the people and earn enough face!

“Woof!”

However, when the three Wolf claws collided with the eastern Emperor Bell, an incredible scene appeared!

A loud bell sound shook the heaven and earth!

The Dharma power of the donghuang bell at the peak of the earth immortal realm was not damaged at all. Instead, the Golden Wolf and dark Wolf Dharma powers collapsed instantly!

how ... How is this possible?! When Cang guanhai saw this, he was dumbfounded and his eyes almost fell out.

“Uh ... Pfft ...”

In the beginning, before he could figure out what was happening, Cang guanhai felt a sharp pain from his nascent soul. His qi and blood were in chaos and he spat out a mouthful of blood.

[Red Envelope Group of the Three Realms](#)

Chapter 3412: Important resonance

3412 Important resonance

what ... What's going on???

Looking at the blood on the ground, Cang guanhai's pupils had shrunk into needles. His huge monster body trembled and cold sweat poured down like rain.

“Lord Cang guanhai is injured? Injured by a peak earth immortal? This ... This isn't an illusion, right?”

“This ... This is unbelievable! Lord guanhai's demon body is enough to crush human Immortals of the same level. How could he be injured by a human one level lower?”

“It's too damaging to our three views! Hurry ... Hurry up and pinch me to see if it hurts ... This must be a dream! I won't believe it even if you beat me to death ...”

Not only Cang guanhai, but all the people at the scene were dumbfounded.

However, what happened next was something that no one could have imagined.

“Uh ...”

With a scream, Cang guanhai’s Wolf Yuan Shen quickly shrank from a hundred meters to the size of a Husky.

Not to mention the power of a sky demon, his current strength was also the same as the Husky.

It was no exaggeration to say that if Taiyi wanted to kill him, he could crush him 800 times with one finger!

“Oh my God ... God ... That man must be a God ...”

All of a sudden, the commoners knelt down and worshipped Taiyi like they were worshipping a God.

“Senior, please spare me... Senior, please spare me ...”

Cang guanhai ran to Taiyi’s feet like a Husky and begged for mercy.

“Bro bei?”

Taiyi did not make a decision on his own. He looked at Chen Xiaobei.

Cang guanhai and the crowd looked at Chen Xiaobei as if they had just seen a ghost.

As everyone knew, both Rahu and Taiyi had displayed godlike strength!

However, Luo Yi and Taiyi had to follow Chen Xiaobei’s lead!

In other words, Chen Xiaobei was more powerful, more terrifying, and more unpredictable than them!

All of a sudden, everyone was trying to guess who Chen Xiaobei was. Their respect for Chen Xiaobei had surpassed that of Taiyi!

“Great senior ... I failed to recognize Mount Tai ... I beg you, please remove the seal on my power ... In my current state, there’s no way I can survive in the Hong Meng Demon Realm ... Please ... Please ...”

Cang guanhai immediately crawled to Chen Xiaobei’s feet and rubbed his head against Chen Xiaobei’s shoes like a pet dog.

Seeing this, all the onlookers turned to Chen Xiaobei and kowtowed to him. They regarded Chen Xiaobei as a God among gods and were extremely respectful.

“Get lost first.” Chen Xiaobei shouted.

yes ... Cang guanhai nodded and ran to the far end. He squatted down and did not dare to say anything.

“Taiyi, what’s going on?” Chen Xiaobei asked impatiently.

the bell of chaos is my Natal Dharma Treasure. It resonated with my primordial spirit, so it’s also called the bell of the East Emperor!

Taiyi explained, "my primordial Spirit's special ability was also nurtured through the donghuang Bell!" The so-called "suppress all races" means that it can suppress and seal the talents, abilities, cultivation bases, and various abilities of all races in the universe!"

"Of course, there's a limit to the suppression and sealing! The higher the cultivation level of the enemy is, the less I can suppress them! If he's three minor realms higher than me, the effect of the seal will be almost zero!"

"It's ineffective if it's three minor realms higher than you?" but ... Chen Xiaobei was confused, "this piece of trash is clearly one level higher than you! Moreover, it's the essential realm of heaven immortal and earth immortal!"

"This is because the primordial world is an exception!"

that year, " Taiyi said, " when primordial chaos demon ancestor was suppressed and sealed by Dao ancestor, it was the time I unified all the tribes in untainted land and ruled the untainted world! In order to prevent chaos in the Hong Meng Demon Realm, I used the eastern Emperor Bell to suppress this independent plane!"

you mean ... Chen Xiaobei gulped and said, " "The true body of the eastern Emperor Bell is in the Hong Meng Demon Realm?"

"Yes ..."

that's right! Taiyi nodded and said, " it's because the bell of the East Emperor seals the spacetime here that the Hong Meng demons can't enter the Three Realms! It was also unable to produce a time law that flowed even faster! This restricted the development of the Hong Meng Demon Realm and ensured the peace of the Three Realms!"

Chen Xiaobei suddenly had a bold idea."Then do we have a chance to get the bell of the East Emperor?"

"No chance ..."

no! Taiyi shook his head and said, " after I died, the bell of the East Emperor has changed owners. Now it must be in the hands of a Saint trusted by the heavenly axiom. It might even be in the hands of the ancestor! Not to mention us, even your master can't get it!"

yeah ... Chen Xiaobei sighed, " "If it was so easy to get, someone else would have done it already, and we wouldn't have had a chance to ..."

"Bro bei, don't be disappointed!" yes, " Taiyi said in a low voice. although the bell of the East Emperor has changed hands, there is still a mysterious resonance between us. When I recover my peak cultivation, I might be able to try to call it back!

"I understand!" that's right! Chen Xiaobei's eyes lit up. it's precisely because you can still resonate with the bell of the East Emperor that your primordial spirit attack will be especially effective in the Hong Meng Demon Realm!

"That's right!"

yes! Taiyi nodded and said, " I can only suppress thirty percent of Cang guanhai's power in the outside world. But in the Hong Meng Demon Realm, I can suppress all his power!

There was no doubt that Cang guanhai had become like a Husky because all of his cultivation had been suppressed.

"That's great!"

it's yours! Chen Xiaobei said excitedly, " as long as you can still resonate with the bell of chaos, one day, we will have the chance to take it back!

"We must get the eastern Emperor Bell back! This was the scheme of the prime of Tongtian!

Tai Yi composed himself and said,"in the future, if the heavenly Dao doesn't allow you to become a saint!" There was only one way! Prove your Dao with strength!"

"Right!"

yes! Chen Xiaobei nodded and said, " I remember Sifu saying that the bell of the East Emperor is the key to using force to achieve Dao! In addition, he also had to find the indestructible true bodies of the twelve ancestors of Sorcery! Or, you can obtain the seal of Pangu's primordial spirit from the Three Pure Ones!"

"Yes ..."

Taiyi said in a deep voice,"I will definitely not give you the primordial Spirit seals of primogenitor and Taishang Laojun!" Therefore, the bell of the East Emperor and the twelve ancestors of sorcery are the only way for you to prove your Dao with force!"

I know what to do, but I don't have the ability to do that right now ... Chen Xiaobei thought to himself. He was still too weak.

"Take it slow. As long as we don't die, there will be a chance!" Taiyi said seriously.

"Alright ..."

Chen Xiaobei nodded and looked at Cang guanhai.

He beckoned with his finger, and Cang guanhai charged at Chen Xiaobei like a pet dog.

great senior ... Can you please spare me ... Cang guanhai asked pitifully.

I don't know! Chen Xiaobei said, " remove the seal and let me into the city, and I'll spare your life!

[Red Envelope Group of the Three Realms](#)

Chapter 3413: -the Prince arrives

"I can't ..."

"The ashen Wolf seal is personally controlled by His Majesty, the ashen Wolf Emperor!" Cang guanhai said in a mournful voice. Unless His Majesty personally takes action, no one will be able to turn off the restriction!"

“Then give us the wolf imprint! Let us enter the city!” Chen Xiaobei was so angry that he could not wait another second thinking about the joyous Union Palace.

“This ... This isn’t something I can decide ...”

Cang guanhai was shocked by Chen Xiaobei’s aura. He swallowed and said, “The wolf Mark is a unique status symbol of a werewolf aristocrat! The aristocrats were further divided into three levels! Even the insignias of the lower-class nobles have to wait until the first month of each year to be distributed!”

“So, you want to die?” Chen Xiaobei’s eyes were cold and murderous.

mercy ... Great senior ... Please spare me ... Cang guanhai was lying beside Chen Xiaobei’s feet, wailing like his soul was about to be lost.

Upon seeing this, the commoners of the Cheng sect gulped and clenched their fists. Their bodies trembled uncontrollably.

In the eyes of the common people, Cang guanhai was the top noble of the imperial capital and the commander of the Imperial Army. Usually, only others would kneel at his feet and worship him. No one had ever seen him worship anyone like this.

What was even more unbelievable to the people was that Cang guanhai had become like a dog, as if he had lost all his cultivation and abilities.

All of a sudden, the people saw Taiyi as a God, and Chen Xiaobei was a God above Taiyi. A single thought could decide the life and death of Cang guanhai, and even the rise and fall of this city!

“Clang”

As expected, after Cang guanhai told him that he could not enter the city, Chen Xiaobei took out a dark red saber!

“Whoosh ...”

As soon as the saber touched the ground, its pressure instantly enveloped the entire area!

Those with a weak mental state were instantly shocked out of their wits. Their minds went blank and they were completely unable to think about the problem.

For those with a stronger mental state, although their consciousness was still clear, their minds were uncontrollably occupied by illusions! It was as if he had fallen into hell, surrounded by fierce flames, and demons and monsters choosing people to devour. It was a cruel torture, and he would never be reincarnated!

Even Chen Xiaobei, who had a stronger mental state than most people, could not help but shiver. He could clearly feel the terrifying aura coming from the saber! Fiendish! Brutal! Endless killing!

Even Rahu, Taiyi, and the others’ eyes lit up. They did not expect Chen Xiaobei to have such a magical treasure!

“Oh my God ...”

Cang guanhai gasped and almost peed in his pants, ” this ... This is a middle two-star heaven-immortal artifact!?

That’s right!

It was the saber that Chen Xiaobei had taken from Xu Fu, a middle two-star heaven-immortal item, the nine luminaries hell cutting saber!

Even though Chen Xiaobei had successfully upgraded the chaos Blood Sword ...

But right now, Chen Xiaobei’s strongest trump card was definitely this saber.

“Whoosh ...”

Chen Xiaobei ignored Cang guanhai and walked toward the city gate with his saber.

Without a doubt, Luo Yi had just said that he would either open the door or destroy it. This sentence was definitely not a joke!

Those who knew Chen Xiaobei well knew that there was not only love between them, but also a debt of gratitude that she had risked her life to protect him!

Back then, if little fox had not risked her life to save him, Chen Xiaobei would not even have been able to leave earth. He would have been killed.

That was why little fox had an irreplaceable position in Chen Xiaobei’s heart!

In order to find little fox, Chen Xiaobei was willing to pay any price! He did not hesitate to do some crazy things that he would never have done in the past!

Right now, the transporting formation in the blue Wolf Kingdom’s capital was the fastest way to the joyous Union Palace!

Since the city’s defense mechanism was blocking his way, Chen Xiaobei did not mind breaking it down!

It was not an exaggeration to say that if the people in this city blocked his way, Chen Xiaobei would kill them all!

“Run ... Run quickly ... Everyone, run quickly ...”

At the city gate, the crowd was scared witless. They quickly backed away, afraid that Chen Xiaobei’s attack would hurt them.

One should know that the city gate of the blue Wolf Kingdom could only resist one-star heaven Immortals.

With the nine luminaries hell cutting saber, Chen Xiaobei could easily break the restrictive spell. The shockwave from the blade was enough to kill all the onlookers behind the door!

Because of this, everyone was running for their lives. Even if they had a hundred more guts, they would not dare to stay where they were.

“What are you afraid of?”

However, at this moment, a calm voice came from nearby.

Although his voice was calm, it was clearly transmitted to everyone's ears through the use of true essence.

"Isn't it just a middle-stage two-star heaven immortal artifact? I've already connected the city's defense mechanism with the "sky-slaughtering Wolf formation"! The power of the formation had reached the level of a three-star heaven immortal! Even if this brat cuts here for his entire life, he won't be able to see through the city gate's restriction!"

Looking in the direction of the sound, they saw two ferocious Tigers with golden horns and golden armor pulling an extremely luxurious carriage slowly towards them.

Anyone with a discerning eye could tell that the two golden horned Tigers were both half-step heaven Immortals, and the luxurious carriage was a one-star heaven immortal artifact with extremely strong spiritual nature!

Even if one used their toes to think, they would know that the person who could sit in the carriage must be an extraordinary figure.

"Third Prince! The third Prince is here!"

Cang guanhai's body trembled as if he had seen a life-saving straw. He ran over and cried out, "Third Prince, help ... Help ..."

"Heh, what are you panicking for?"

The carriage door opened, and a young man wearing a white jade robe inlaid with gold slowly walked out. His expression was calm and composed, as if everything was under his control.

That's right!

He was the third Prince of the blue Wolf Kingdom, Cang Shanyu!

"Your Highness ..."

"Please save me first ... I don't want to continue like this ... We high-level nobles have lost all our face ..."
Cang guanhai's tears were falling.

"Don't worry!"

Cang Shanyu said indifferently, "you've just been hit by an enemy's primordial spirit attack!" As long as you kill the person who attacked you, you'll naturally recover!"

"As for the face you've lost! As the third Prince of the imperial capital, I will naturally get it back for you! I'll return the blow and humiliation you've suffered ten thousand times over!"

Confidence!

He was extremely confident!

This Cang Shanyu looked like a person who had seen the world.

With his one-star heaven immortal cultivation base, he could still remain calm and composed in the face of the nine luminaries hell cutting saber!

With this state of mind alone, he had already far surpassed Cang guanhai!

Of course, other than his state of mind, the thing that truly gave him absolute confidence was still power!

“Kid!”

Cang Shanyu took out a black token and said indifferently, “If you kneel down now, I will spare your life! Otherwise, I’ll activate the sky-slaughtering Wolf formation! I’ll let you die without a burial place!”

Everyone was shocked by his words!

[Red Envelope Group of the Three Realms](#)

Chapter 3414: how to break out of the situation

Blue Wolf token!?

The moment he saw the token, Cang guanhai was instantly excited. A second ago, he was crying, but now he was beaming with joy!

“Haha The blue Wolf token is actually in your hands, third Prince! He could activate the sky-slaughtering Wolf formation at any time! The power of a three-star heaven immortal is enough to crush this group of reckless idiots to death ten thousand times!”

The reason why Cang guanhai was so excited was because the formation that had protected the kingdom of Cang lang for billions of years had the power to crush Chen Xiaobei’s side.

Chen Xiaobei only had one nine luminaries hell cutting saber. Even if he had 100 or 10000 of them, he would not be a match for the sky-slaughtering Wolf formation.

In other words, the life and death of Chen Xiaobei’s people were in the hands of Cang Shanyu, the third Prince of the ash Wolf tribe.

“I’m not joking!”

Cang Shanyu held his noble head high and said very strongly, “If you refuse to kneel, I will make you lose the chance to kneel forever!”

Seeing this scene, some onlookers slowly gathered behind the city gate.

“The third Prince is so domineering! No wonder he was the most favored Prince in the imperial capital! As expected of the Supreme imperial family!”

“Everyone, stop running! With the third Prince and the Skywolf slaughtering formation, the enemy can forget about taking even half a step into the imperial capital!”

“Not only will the enemy not be able to enter, but they will also have to kneel on the ground and accept the third Prince’s punishment! All the face that Lord guanhai had lost would be taken back! The damage and humiliation will be returned ten thousand times over!”

All of a sudden, the people were all excited.

In their eyes, Chen Xiaobei's side had no chance to fight back. Other than kneeling down and accepting their punishment, there was no other way for them to survive.

Strength was Supreme! The strong were respected!

The final victory would undoubtedly belong to the more powerful Blue Wolf Kingdom!

"It shouldn't be ... How can the situation be completely one-sided? Bro bei doesn't stand a chance at all!"

Six-eared macaque frowned and said, "Bro bei is so lucky! It should be smooth sailing! However, it was fine that he did not find Daji the third! How did you end up in this situation?"

It was clear that six-eared macaque knew Chen Xiaobei's personality very well!

Kneel, there was no way Chen Xiaobei would kneel.

And now, Cang Shanyu was clearly trying to get back his face. He could not take back the words he had said.

If Chen Xiaobei did not kneel, Cang Shanyu would definitely kill him. Even if Chen Xiaobei used all his trump cards, he would not be able to fight back. He was doomed to die!

This shouldn't be a situation where one's luck was off the charts. On the contrary, this was clearly the result of bad luck.

That was why the six-eared macaque was so confused.

Of course, everyone on Chen Xiaobei's side was extremely intelligent. What six-eared macaque thought of, the others thought the same.

bro bei is so lucky! He can't die Here!

"Calm down and think about it. Bro bei must have a way to break out of this!" The candle Dragon said.

"That's right!"

Di Jiang said with certainty, "bro bei must have a way to break out of this. We just haven't thought of it yet! If you think about it carefully, you'll definitely find the answer!"

Luohou and Taiyi both nodded at the same time and began to seriously think about how to solve the dead end!

"Everyone, don't worry!"

Suddenly, Chen Xiaobei's face broke into a smile, "I've already thought of a way to break out of this situation!"

"You've thought of it? So fast?" Six-eared macaque was shocked.

Di Jiang and the others also looked at him curiously. After all, they did not expect Chen Xiaobei to be one step faster than everyone else.

“What? You’ve thought of a way to break out of this situation?”

At the same time, Cang Shanyu’s face was filled with disbelief. “You only have a two-star mid-stage heaven immortal saber in your hand. What right do you have to break my sky-slaughtering Wolf formation?”

“Swish!”

Chen Xiaobei put the nine luminaries hell cutting saber back into his infinite space ring, shrugged and said, “You’re right, this saber can’t break the situation!”

Chen Xiaobei kept the saber and walked slowly to the city gate.

“You ... What do you want to do?”

Cang Shanyu’s face was full of doubt and he couldn’t understand.

If he couldn’t break out of the situation even with the saber, wouldn’t it be even more impossible to put it away?

“Third Prince! Don’t give him a chance! Directly kill him! That kid was no ordinary person! If you give him the chance, things might get out of control!”

Cang guanhai had suffered two losses from Chen Xiaobei. He was extremely afraid of Chen Xiaobei and did not want to give him a third chance.

“No!”

However, Cang Shanyu was young and vigorous. She said seriously, “I don’t believe this! Unless his father was here, or he had the Azure Wolf token! Otherwise, anyone below the level of a three-star heaven immortal would not be able to break through the sky-slaughtering Wolf formation!”

Without a doubt, the “Skywolf slaughtering formation” was the strongest trump card of the Skywolf Kingdom, and it was the foundation of the Cang clan!

Cang Shanyu was full of confidence!

On the other hand, if Cang Shanyu did not have confidence, it would be the same as not having confidence in the Cang clan! If he had no confidence, wouldn’t the commoners have even less confidence?

In this way, not only would they not be able to regain the face they had lost, they would lose even more face!

That was why the Cang Mountain Jade would not stop Chen Xiaobei!

Only when everyone saw Chen Xiaobei’s defeat would they believe in the power of the Cang clan! That’s why he’s so loyal to the blue Wolf Emperor!

With the recognition and support of the people, he would naturally have great face!

This was the result Cang Shanyu wanted!

“I’d like to see what other abilities that kid has.”

Cang Shanyu squinted her eyes and observed Chen Xiaobei’s every move.

No matter what kind of ultimate move Chen Xiaobei was going to use? Or was he going to take out some magic treasure? Nothing could escape Cang Shanyu’s eyes!

If Cang Shanyu felt that Chen Xiaobei was a threat, she would kill him!

After all, Cang Shanyu only wanted to see Chen Xiaobei fail and not succeed.

Otherwise, the Cang clan would be ruthlessly smacked in the face. The confidence of the entire city’s citizens would be shaken, and their faith might even collapse!

However!

Cang Shanyu would never have dreamed of this! Chen Xiaobei did not attack, nor did he take out any magical equipment. He just strolled casually toward the city gate’s restrictive barrier!

“Is this kid crazy?”

Cang Shanyu was puzzled, ‘without the mark of the ash Wolf, one will be directly blown away by the city gate’s restriction! With his cultivation, I’m afraid he’ll be crushed to pieces!”

“What is bro bei trying to do?”

At the same time, six-eared macaque and the others, like Cang Shanyu, could not figure out how Chen Xiaobei was going to break out of this situation.

Could it be that he was planning to just walk there?

Wasn’t this like a moth flying into the fire, seeking death?

[Red Envelope Group of the Three Realms](#)

Chapter 3415: An instant reversal

3415 An instant reversal

Under everyone’s incredulous gazes, Chen Xiaobei continued to walk unhurriedly towards the restrictive barrier of the city gate!

At that moment, the city gate’s restriction had already been connected to the “sky-slaughtering Wolf formation”!

This meant that even if Chen Xiaobei had a two-star divine immortal’s body, he would still be injured by the force of the impact!

Furthermore, they would definitely not be able to break through the city gates!

Was he crazy?

At that moment, Cang Shanyu, Cang guanhai, six-eared macaque, and the hundreds of onlookers behind the restrictive spell all had a look of disbelief!

Everyone was looking at Chen Xiaobei, but no one knew what he was going to do!

Other than crazily seeking death, no one could think of any other explanation!

“Chi ...”

Finally, Chen Xiaobei reached the restrictive barrier. He extended his right index finger and tapped on the light wall of the restrictive barrier.

“He’s dead! Without the mark of the wolf, one would be instantly shaken by the restriction! The backlash of a three-star heaven immortal is enough to shatter his bones and flesh, leaving only his stinky skin!”

Cang Shanyu’s eyes were serious and his tone was low.

Cang Shanyu had been watching Chen Xiaobei’s every move since the beginning.

Cang Shanyu was certain that Chen Xiaobei had not done anything useful. If he touched the restrictive spell, he would die!

“That’s great! Haha That kid is dead! His companions won’t be a cause for concern!”

Cang guanhai shouted viciously, “I want revenge! I want to cut off every piece of flesh from their bodies with my own hands! Together with the strongest wine, they ate it clean, piece by piece! I want to grind their bones into dust and scatter them in the dirtiest ditch! I want them to ... Hmm?”

At this moment, Cang guanhai’s shouting suddenly stopped! What replaced it was an incredible doubt!

Of course, it was not just Cang guanhai. Everyone who was paying attention to Chen Xiaobei was also shocked!

Because! Chen Xiaobei was completely fine!

“Chi ...”

Chen Xiaobei’s right index finger pierced through the light wall as if it was a drop of water.

The most important thing was that the wall of light did not retaliate at all! There wasn’t even the slightest violent fluctuation!

“Impossible!”

Cang Shan mountain range was dumbfounded. He could not believe his eyes. “Don’t tell me that this kid has the mark of a Wolf? That’s impossible ...”

“Wolf Mark?”

Finally, Chen Xiaobei opened his mouth and said, “Compared to the seal in my hand, the wolf seal is simply too weak!

“What? The mark on your hand?”

All of a sudden, everyone gasped in surprise and their eyes were all focused on Chen Xiaobei’s hand.

However, no one saw any special mark.

On Chen Xiaobei's right index finger, there was an ancient-looking infinite space ring!

Other than that, there was nothing else!

No!

Wait a minute!

On Chen Xiaobei's infinite space ring, there was a thin red-gold pattern that was glowing with spiritual light!

"I see!"

Seeing this, Emperor Jiang and the others immediately understood the mystery.

"What ... What is going on?"

However, the people of the blue Wolf Kingdom did not know the true nature of the Scarlet-gold pattern.

"This place is an independent plane created by primordial chaos demon ancestor! Every blade of grass, every tree, every mountain, and every river here was created by primordial chaos demon ancestor!"

of course," Chen Xiaobei said, "most importantly, all the laws here! They were all created by primordial chaos demon ancestor! Controlled! Time! Space! Energy! The cycle of reincarnation ... Is in my control!"

primordial ... Primordial chaos demon ancestor???"

Hearing this, Cang Shanyu, Cang guanhai, and all the onlookers narrowed their eyes and felt their scalps go numb. Even their souls started to tremble.

To them, the primordial chaos demon ancestor was the Supreme ancestral God of creation! It was the one and only Supreme belief!

In the primordial chaos Demon Realm, the prestige of a Dao ancestor was far inferior to that of the primordial chaos demon ancestor! Even the decree of the heavenly Dao was not as effective as a word from the primordial chaos demon ancestor!

Now that Chen Xiaobei had brought up primordial chaos demonic ancestor, it was as if he was holding onto the lifeline in the deepest part of everyone's soul!

"Little brat! Medicine can be eaten indiscriminately! You can't just say things like that!"

Cang Shanyu composed himself and said with a serious expression, "Primordial chaos demon ancestor is the ancestral God who bestowed the lives and civilization of billions of living beings in this world! It was the Supreme faith of this place! You dare to blaspheme the demon ancestor! We'll be making an enemy of the entire Hong Meng Demon Realm!"

"Blasphemy?"

"Open your eyes and look carefully!" Chen Xiaobei laughed. What the hell is this?"

“Whoosh ...”

With a thought, the Golden-red pattern on the infinite space ring floated up, emitting a dazzling golden spiritual light and an unbelievably high temperature!

That’s right!

This red-gold gossamer was the primordial chaos demonic ancestor’s life flame, and it was also the bridge between her and Chen Xiaobei!

“Primordial chaos demonic flame! It’s the legendary primordial demonic flame!”

Suddenly, some of the people started to shriek as if they had just seen a God. They knelt down and bowed to Chen Xiaobei, ” “This young man is the demon ancestor’s Messenger ... There’s no mistaking it! I’m definitely not wrong!”

how ... How is this possible?! Cang guanhai and Cang Shanyu were instantly dumbfounded. They felt like their brains were about to explode!

They would never have thought that Chen Xiaobei would have a wisp of the grandmist demonic fire!

“Scatter!”

Chen Xiaobei snapped his fingers.

The grandmist demonic flame could actually directly connect to the energy laws.

“Whoosh ...”

With a loud bang, the light wall of the restrictive spell that sealed the city gate instantly collapsed.

The condensation of the light wall required the burning of energy, but the primordial chaos demonic flame controlled the law of energy, instantly cutting off the energy supporting the restriction.

As a result, the restriction was broken without being attacked!

“This ...”

Cang Shanyu was already scared out of her wits, not even daring to breathe.

However, in his last struggle, he activated the blue Wolf token in his hand in an attempt to activate the power of the sky-slaughtering Blue Wolf formation!

However!

Due to the lack of energy, the array did not respond!

Who dared to think about it!

With a snap of Chen Xiaobei’s fingers, the Cang clan’s proudest trump card was instantly destroyed from the inside, rendering it useless!

“Puton...Puton... Puton ... Putong ...”

Before Chen Xiaobei could say anything, Cang Shanyu and Cang guanhai kneeled on the ground and worshipped Chen Xiaobei like the common people.

“Let’s go! Let’s enter the city!”

Chen Xiaobei did not care about the people who were kneeling on the ground. He waved his hand, called his companions, and walked into the city.

News of what had happened at the city gate kept spreading to the city.

Wherever Chen Xiaobei and the others went, the so-called aristocrats of the Grey Wolves kneeled!

There were people worshipping Chen Xiaobei devoutly and cheering hysterically. Some people even fainted from excitement when they saw Chen Xiaobei’s face.

Of course, Chen Xiaobei was not here to accept disciples. He left the place through the portal.

Heading towards the joyous Union Palace!

[Red Envelope Group of the Three Realms](#)

Chapter 3416: The three Palace Masters

3416 The three Palace Masters

Coitus faction was an evil sect that had never been accepted by the Orthodox Dao.

Because of this, Chen Xiaobei and the others had arrived at a main city that was on good terms with the capital of the kingdom of Graywolf.

Due to its proximity to the joyous Union Palace, although this main city did not acknowledge the joyous Union Palace on the surface, its internal affairs had already been infiltrated by the joyous Union Palace.

Coitus faction’s spies and hidden chess pieces were present in all aspects of politics, military, and commerce.

From this, it could be seen that the three Palace Masters of coitus faction were all formidable characters with very means.

Of course, if he didn’t have any tricks up his sleeve, he wouldn’t be able to gain a foothold in the Hong Meng Demon Realm.

.....

As soon as Chen Xiaobei and the others left the portal, they asked around for directions to get to joyous Union Palace.

Even though he had gotten the answer he wanted.

However, their whereabouts were also known by the coitus faction’s informers and they immediately reported it to the coitus faction headquarters.

“Two big Sisters, the people below reported that a group of humans is looking for our hehuan master. I’m afraid they’re here with bad intentions!”

In the central Palace of the headquarters, the third Palace Master of joyous Union Palace, the thousand-faced Fox immortal, was currently squinting her eyes, flicking her fiery red furry tail while greedily licking her lips.

This woman looked to be in her twenties. She was beautiful and had an explosive figure.

But in reality, she was already tens of millions of years old! There were no less than ten thousand men who had been killed by plucking yang to replenish Yin.

Moreover, according to the legends, the appearance of the thousand-faced fox fairy was not fixed. Sometimes, she was seductive, sometimes pure and sweet, and sometimes hot and sexy.

It was said that the reason why her appearance had changed so much was related to the cultivation technique she cultivated.

In addition to plucking yang to supplement Yin, this kind of cultivation technique also required the swallowing of a heart.

Only in this way could she maintain her beautiful appearance and young appearance.

“What do you mean by ill-intentioned? I think you, third brother, have taken a fancy to those young and handsome humans!”

The second Palace Master was known as the purple-eyed Scorpion. She looked older and was a typical mature woman.

Unlike the thousand-faced fox fairy, this purple-eyed poisonous Scorpion did not care too much about its appearance. It had a negative score for its appearance and was covered in fat, giving people a very greasy feeling.

To be plucked by the thousand-faced Fox immortal and die under a peony flower, he would be a Happy Ghost!

If he was plucked by the purple-eyed Scorpion! Oh my God! That would be worse than death! She would have nightmares even after becoming a ghost!

“It’s just a few peak earth Immortals, right? How much Yang can I harvest?”

At this moment, on the highest throne, the great Palace Master, the dark Xuan Demon Spider, said solemnly, “ just ask the people below to capture him. You two don’t have to be so agitated.

“Yes, sir!”

As soon as the dark profound demonic Spider spoke, the purple-eyed venomous Scorpion and the thousand-faced fox deity immediately agreed seriously, not daring to act rashly.

Speaking of which, this dark profound Demon Spider was hidden under a thick black cloak.

She could only hear her hoarse and gloomy voice, and he could see her appearance and figure.

However, in this world, the strong were respected. From the respectful attitude of the purple-eyed venomous Scorpion and the thousand-faced fox deity, it could be seen that the dark profound demonic Spider must be extremely powerful.

.....

“Bro bei! The red maple forest is right in front!”

In the sky, the devil Crow King’s eyes were sharper than an Eagle’s eyes. He had already locked onto his destination even though he was still far away.

“Hurry up!”

Chen Xiaobei said, “According to the information we’ve gathered, coitus faction is hidden in the red maple forest! Find the demonic Fire Red Lotus! Then, we will be able to find little Daji!”

“Yes!”

The demonic Crow King used all its strength to rush forward at its fastest speed.

“Bro bei, actually ... Don’t get your hopes up ... If we can’t find her again, you’ll be disappointed and you’ll be in a bad mood again ...”

Six-eared macaque said.

Apparently, the reason why the crowd had caused a ruckus in the capital was partly because they were angry that Chen Xiaobei had not found Daji.

Anger could affect a person’s judgment and even lower a person’s intelligence. As a result, they would do something irrational, unreasonable, and even extremely crazy.

That was why six-eared macaque had given Chen Xiaobei a heads up.

Don’t get your hopes up. If you can’t find her, you won’t be too disappointed.

“Liu er, don’t worry. Bro bei is not worried about finding her! Rather, it’s whether he’s in coitus faction or not!”

The candle Dragon revealed the secret with a profound smile.

“This ...”

Six-eared macaque was not stupid. He thought about it and realized, “ bro bei is afraid that he’ll be cheated on???”

The candle Dragon and the others kept silent.

Chen Xiaobei’s face turned even colder, and his aura became even colder.

uh ... six-eared macaque realized he had said something wrong and quickly retorted, “Pei Pei Pei! Bro bei would never be cheated on! Even if Daji the third was in coitus faction, she definitely wouldn’t be like the other Demonesses ...”

However, everyone, including Chen Xiaobei, did not say a word.

Six-eared macaque was embarrassed.

As the old saying goes, love is a ray of light, green until you panic.

What really annoyed Chen Xiaobei was not that he could not find little Daji, but that little Daji might have been in coitus faction Palace and used many men to nourish her yin and yang!

After all, after little Daji reincarnated, she did not have any memories of her previous life. It was possible that she had done something wrong!

No matter how strong Chen Xiaobei's state of mind was, he could not remain calm.

It was because he was worried about Daji's condition that Chen Xiaobei was angry.

If he could confirm that Daji was not in coitus faction, even if he could not find her, Chen Xiaobei would still be very happy.

After all, Chen Xiaobei was already prepared for the difficulty of finding Daji.

Even if he could not find her in a short time, Chen Xiaobei could accept it.

But! The only thing that Chen Xiaobei could not accept was that Daji had gone astray because of reincarnation and made some irreparable mistakes!

"Bro bei! Someone's coming!"

it's a group of Demonesses, " The Raven King said in a deep voice. they're very fast and coming at us! They should be people from the joyous Union Palace!"

"Good!" Chen Xiaobei tensed up.

Without a doubt, the answer to Chen Xiaobei's biggest worry was about to be revealed.

"Woof! Buzzzzzz! Yi ..."

Soon, a dozen beautiful figures appeared in front of them.

Obviously, that was the demoness that the demonic Crow King had mentioned!

They were flying in the sky, and their cultivation base was at the peak of the earth immortal realm. The leader of the group was a half-step heaven immortal.

Apart from their cultivation levels, they all had their own unique features. They were fat and thin, and more or less retained some features of the demon race. Cat tails, rabbit ears, vines, stone bones ... They were of all kinds, and none of them had fully transformed into human forms!

Of course, Chen Xiaobei and the others did not have the time to admire these otherworldly beauties. Their attention was focused on them!

Although these Demonesses came in all shapes and sizes, they all had one common characteristic!

There must be a blooming red Lotus tattooed on a certain part of his body!

Red Envelope Group of the Three Realms

Chapter 3417: Demon Bell of Concord

3417 Demon Bell of Concord

“Phew ...”

After Chen Xiaobei read through it carefully, he finally let out a long sigh of relief. “We’ve been tricked! The tattoos on these demonic women are not demonic Fire Red Lotus!”

Even though he was complaining about being tricked, Chen Xiaobei was relieved.

The Acacia silk demonic Lotus on these demonic women was similar to the demonic Fire Red Lotus in shape and color, but there were huge differences in the details!

People who were not familiar with the two might mix them up.

But Chen Xiaobei could tell that they were two completely different patterns.

This was enough to prove that little Daji’s third generation spiritual maiden was not in coitus faction Palace at all.

Chen Xiaobei’s biggest worry about being threatened by the green light was completely eliminated.

“Let’s go back to the main city and try to find other clues!”

Chen Xiaobei shrugged. He felt much more relaxed now. He had never felt so calm before.

It was obvious that the strength of a person’s mental state was related to what he had experienced!

Although Chen Xiaobei did not seem to have gained much from this incident, he felt that his state of mind was much stronger than before.

Even if he were to encounter the same thing again, Chen Xiaobei would not be as irritable as he was this time!

“Little brothers! Since he was here! Don’t be in such a hurry to leave!”

However, the group of Demonesses was after Chen Xiaobei and the others. They would not let them go so easily.

“Woof! Buzzzzzz! Yi ...”

These Demonesses all sped up and formed a net, surrounding the demonic Crow King in the middle.

“We’re just passing by. There’s no enmity between us, so why are you stopping us?”

Chen Xiaobei asked.

It was obvious that Chen Xiaobei did not have any grudges with coitus faction and did not want to get into a conflict with them.

Moreover, Chen Xiaobei was still in a hurry to find her and did not want to waste his time on unnecessary things.

“This is my coitus faction’s territory, you can pass by, but you have to leave behind the money to buy your way!”

The demoness was a tree demon covered in vines and leaves. She flew directly in front of Chen Xiaobei.

Her figure was extremely good. A few green leaves covered her important parts, faintly discernible and on the verge of bursting out. It was even more attractive than not wearing anything!

“How many spirit stones do you want?”

Chen Xiaobei was a little upset, but a problem that could be solved with money was not a problem.

As long as he could avoid trouble, find Daji as soon as possible, and spend some money, Chen Xiaobei could accept it.

“Hehe, little brother is so funny!”

The vine demon woman smiled charmingly and said, “Our coitus faction doesn’t pay for passage with spirit stones! It’s the Yang essence of our brothers!”

“What!” Chen Xiaobei frowned.

“Bro bei! They’re trying to pluck us!” I don’t want money, ” six-eared macaque said. I only want women!

“Do I need you to tell me that?” Chen Xiaobei was speechless and said, “We won’t pass this road! Can we go back?”

“You come and go as you please! Do you think my coitus faction Palace is a toilet?”

The vine demon woman’s eyes narrowed, and she said firmly, “You either come with us obediently, or you’ll be subdued by us and dragged away by force! You guys choose!”

“Pfft ...”

Six-eared macaque laughed. “Little demon! Do you know who you are talking to? While bro bei still has some patience, get out of our sight! Otherwise, he’ll blow up your buttocks!”

“Heh, this is my joyous Union Palace’s territory!” “If you want to fight, we won’t show you any mercy!” The Vine Witch said confidently.

“Then come and try!” Six-eared macaque said, “ I’m not trying to be pretentious, but in front of my bro bei, all of you are just a bunch of sick cats. My bro bei can beat all of you up with one hand!

“Ding dang ...”

At this moment, The Vine Witch suddenly waved her left hand.

A pink Bell had appeared in her hand.

The ringtone sounded ordinary, but it contained an evil special ability.

“Not good! Bro bei! Quickly block your ears!”

At this time, Luo Yi immediately shouted, "That demonic Bell is a magic treasure that can mess with one's mind! The ringing of the bell would make people lose their minds! I can't control myself ..."

"Ding Ling Ling ... Ding dang dang ..."

Although Rahu had warned everyone, the ringing was not something that could be avoided by covering their ears.

The true essence transformed into a unique energy fluctuation, and no matter how tightly one covered their ears, they would still hear the ringing.

Delirious! He couldn't control himself!

Soon, everyone present felt that something was wrong. The primordial power that belonged to the man began to stir, and it became more and more intense, as if it could not be suppressed at any time!

The seven emotions and six desires were human nature!

Unless one could truly achieve the state of pure heart, few desires, and Taishang Wangqing, no one could suppress the power of desolation once it erupted!

Chen Xiaobei, six-eared macaque, and The Raven King were all red in the face. Their hearts were beating fast, and their power was boiling!

Luohou, Taiyi, Emperor Jiang, and candle jiuyin, the four ancient Almighty were not spared and fell into an extremely awkward situation!

What was even more strange was that even Wu Gutu, in his Yuan Shen State, was affected by the ringing. His mind was in a mess and he could not control himself!

From this, it could be seen that the strange Bell could not only affect the body's primal power, but also the primordial Spirit's consciousness, producing feelings and illusions in that aspect!

In that case, even the astral projection of the Dharma body would not be able to solve the problem!

Only by releasing the desolation power could it return to normal!

However, once they released their primeval force, everyone would become the target of this group of demonic women!

Even if he didn't die from being plucked, his vitality would be greatly damaged and he would never be able to recover!

"Ha, men!"

The vine demon woman snorted in disdain and said, "In front of the joyous Union Bell, men are like dogs, they can't escape from our hands at all! My sisters! Capture them!"

It was obvious that the joyous unification Bell's special ability was only effective on men.

The women and eunuchs were not affected!

The Demonesses surrounded Chen Xiaobei and the others, ready to capture them alive and bring them back to the headquarters of the pleasure palace to pluck them until they die!

“I’m finished ...”

Chen Xiaobei frowned and said, “ I was careless and fell for the trap of these Demonesses ... The power of desolation is already boiling, and my body and primordial spirit are in extreme discomfort ... If I resist now, I might suffer internal injuries ...

it’s over ... It’s completely over ... Luo hou and the other four ancient peak pre-Saints were extremely depressed! His reputation was ruined because of this! It was enough to make the Three Realms laugh their heads off!

“Hu ... Chi!”

Suddenly, an extreme shadow charged at them, scattering the Demonesses and taking Chen Xiaobei and the others away from the scene.

[Red Envelope Group of the Three Realms](#)

Chapter 3418: -negotiating a deal

“Who are they? You actually dare to snatch someone in my coitus faction’s territory?”

The vine demon woman came back to her senses and stared fiercely in the direction Ji Ying had left.

Ji Ying’s speed had reached the one-star heaven immortal level. The vine demon woman was only a half-step heaven immortal, so she couldn’t catch up.

“I didn’t see who it was ...”

The surrounding Demonesses all shook their heads and said, “ “However, the surroundings of our Acacia silk maple forest are filled with Acacia silk smoke! Release the Acacia silk butterfly and we can find them by following their scent!”

“Whoosh ...”

The Vine Witch nodded and released a strange pink swallowtail butterfly.

This swallowtail butterfly was very intelligent and could distinguish the coitus smoke in the air as well as the smoke fragrance that had been contaminated by outsiders.

The pink swallowtail butterfly flapped its wings and flew in the direction of the Ji Ying.

“You guys, come with me to find him! The rest of you, go back and report to the three Palace Masters!”

The Vine Witch randomly picked a few subordinates and chased after the pink swallowtail butterfly.

.....

A thousand miles away.

He had completely left the scope of coitus faction.

“Take a deep breath ... Hurry up and take a deep breath ...”

He saw a beautiful figure walking around Chen Xiaobei and the others.

She was a top-class stunner. She was wearing a light green chiffon dress that outlined the perfect curves of her delicate body.

Her looks were also top-notch!

Her skin was as white and smooth as milk! Her facial features were exquisite and flawless! A faint floral scent wafted through his black hair, refreshing his mind!

Chen Xiaobei and the others were all men of vigor and vitality. After being affected by the joyous Union Bell's special ability, the primal power in their bodies should have exploded 800 times when they saw such a beautiful woman.

Fortunately, the woman had a calming incense in her hand, which helped Chen Xiaobei and the others to calm their minds and gradually suppress the boiling primal force.

"Thank you ... Miss banxian ..."

Chen Xiaobei let out a long sigh of relief. He had finally managed to keep his chastity.

"Thank you, miss banxian ..."

Luo Yi and the others also expressed their thanks. At least their reputation was not destroyed by the power of the primordial era.

Obviously, everyone knew this half fairy girl!

She was Yan Lingshi!

"Don't be so polite ..."

Yan Lingshi placed the calming incense in front of everyone and said indifferently, "I've been feeling uneasy ever since I tricked you in the blue Wolf Kingdom ... I didn't expect you to escape alive! I'm only saving you now to make up for my mistakes. I don't deserve a word of thanks ..."

It was obvious that Yan Lingshi was kind-hearted. Furthermore, she was willing to change for the better. She was considered a very rare good girl.

"Escaped?"

Chen Xiaobei did not blame her, but asked, "Who said we escaped?"

"Didn't you all escape?"

Yan Lingshi's beautiful eyes widened in curiosity. "I was afraid of being implicated, so I ran away through the teleportation portal as soon as I entered the city! I don't even know what happened after that!"

In Yan Lingshi's eyes, Chen Xiaobei and the others were no match for the blue Wolf Kingdom. They could only escape.

just think of us as escapees ... Chen Xiaobei shrugged. He did not explain in detail what happened next.

This was because Chen Xiaobei had a more important question at hand. "How did you know that we were in danger at joyous Union Palace?"

"Hehe! I'm Yan Lingshi, the Hong Meng half-immortal!"

Yan Lingshi smiled coyly and raised her fair little chin smugly. "After I escaped from the blue Wolf Kingdom, I wanted to help you read your fortune! Find a place with good Fengshui and set up a few tombstones or something ..."

"In the end, I found out that you went to joyous Union Palace and had a peach blossom tribulation! I've tricked you once, so I naturally can't watch you fall into a dead end again! That's why I had the ashen cloud bird rush over at the fastest speed!"

Yan Lingshi's Red lips were tender and alluring. "Fortunately, I arrived in time! If I had been half a step late and you had entered the joyous Union Palace headquarters, I wouldn't have had the ability to save you even if I wanted to! At that time, all of you will be squeezed dry and die a terrible death!"

"I see!" thank you! Chen Xiaobei nodded and said, " first of all, I would like to thank you!

"You're a child of the pugilistic world, no need to be so polite!" Yan Lingshi casually waved her small hand and said, "From now on, we're even! If there's nothing else, I'll take my leave. See you in the underworld!"

"Wait! I haven't finished my words!"

Chen Xiaobei quickly stopped Yan Lingshi and said, " "I need to thank you first, and then I need to discuss a deal with you!"

"Business?"

Yan Lingshi's expression froze for a moment, and her pretty little face was instantly filled with interest. "Tell me!"

It was obvious that she had wanted to earn 300 upper spiritual stones.

It was obvious that she loved money and was in need of it.

Now that he had gotten to know Chen Xiaobei, he was pretty sure that Chen Xiaobei and his group were not bad people.

As long as she could earn spiritual stones, Yan Lingshi would be more than happy to do so!

"To tell you the truth, we've come to the Hong Meng Demon Realm this time to find someone!"

it's a girl who's about 18 years old! Chen Xiaobei said. she has the demonic Fire Red Lotus mark on her body! That's not a tattoo! It's a pattern that's like a birthmark!"

"You mean, you want me to help you find someone?" Yan Lingshi was very smart, so she naturally understood what he meant.

"Right!"

I thought you were known as the half-deity Hongmeng? ” Chen Xiaobei nodded. As long as you help me find her! I’m willing to give you as many spirit stones as you want!”

“This is too simple! I won’t trick you! I’ll only charge you 1000 upper spiritual stones!”

Yan Lingshi’s beautiful eyes turned, and she said confidently, “First, tell me her birth characters! The more detailed, the better!”

uh ... I don’t have her birth chart ... Chen Xiaobei shook his head helplessly.

“Huh? You’ll have to pay more!”

Yan Lingshi’s expression froze. Frowning, she said, “Tell me her fortune! The more detailed, the better!”

uh ... Chen Xiaobei laughed awkwardly, “I don’t know what she looks like ...”

“Huh? Then you’ll have to pay more!”

Yan Lingshi rubbed her smooth forehead and said seriously, “There’s no birth chart, and we don’t know your physiognomy, so we can only calculate it from you!”

“No problem. As long as you can calculate it, I’m willing to pay however much you want!” Chen Xiaobei said without hesitation.

In fact, Chen Xiaobei also had the eight trigrams evolving divine pattern!

However, this was the Hong Meng Demon Realm, and the laws of the heavenly secrets were completely different from the Three Realms!

In this place, it was useless to use the eight trigrams to create divine patterns. Hence, they could only rely on Yan Lingshi to solve the problem!

“Don’t move! I’ll read your face first ...”

Yan Lingshi calmed herself down and began to study Chen Xiaobei’s face.

“How is it? Any results?” Chen Xiaobei asked impatiently.

“Not good!”

Yan Lingshi frowned and said, “the area between your eyebrows is dark purple. This is a bad sign!” A great ominous sign!”

[Red Envelope Group of the Three Realms](#)

Chapter 3419: until found

“Ominous sign? What’s the situation?”

Chen Xiaobei’s face fell. His luck was off the charts. He should have been lucky. How did they see through him?

Could it be that his luck had been exhausted? Or had he entered a low point?

This was impossible ...

The surrounding crowd was also very confused. Some suspected that Yan Lingshi had seen wrongly.

“They’re here!”

Yan Lingshi’s eyes focused, and her beautiful eyes, which were as bright as the stars, instantly locked onto the distant sky.

“What’s here?”

Everyone was puzzled and looked in that direction.

“Woof! Buzzzzzz! Yi ...”

As expected, seven or eight extreme shadows appeared in the sky.

These extreme shadows flew over at an extremely fast speed, and everyone quickly saw their identities!

“It’s that group of coitus faction Demonesses!”

Chen Xiaobei frowned and said, “We didn’t go back to take revenge, and they still dare to be so insistent? Do you really think I’m a sick cat?”

Chen Xiaobei was not the only one who was unhappy. Even Luo hou, Tai Yi, and the others were unhappy.

All of them had extraordinary identities. Just now, they were almost schemed against by that group of Demonesses, and their reputation was almost destroyed.

“A bunch of trash, how can they be worthy of the word ominous?”

Luo Yi’s eyes turned cold, and a dark killing light suddenly bloomed in the depths of his pupils. That kind of extremely cold eyes was enough to make people lose hope.

Without a doubt, once Luo Yi made his move, all the Demonesses below the half-step heaven immortal realm would die a tragic death.

“Don’t attack! Let’s quickly escape!”

Yan Lingshi, however, exclaimed, “a few of the girls in that group didn’t come just now. They must’ve gone to the joyous Palace headquarters to report!” We must quickly escape, once those three old demon women from coitus faction catch up, we’ll be dead!”

Obviously, the bad omen Yan Lingshi was referring to was not these seven or eight demonic women! Rather, it was the three Palace Masters of coitus faction who could rush over at any time!

The three of them were sinister and cunning, and they were powerful! Once they caught up, they would pose a great threat to Chen Xiaobei’s side. It might even be a matter of life and death!

This was why Yan Lingshi was so nervous and wanted everyone to escape.

“Escape?”

Taiyi’s eyes were like torches, and an extremely overbearing Emperor’s aura spread out. “It’s fine if they don’t come! If they dare to come, we’ll make sure they won’t be able to return!”

Emperor Jiang and candle jiuyn nodded at the same time. Although they didn't say a word, their fighting spirit was already boiling, ready to start an all-out war with coitus faction at any time!

There was no doubt that the four ancient pre-Saints were truly enraged!

Although in their eyes, coitus faction was no different from an ant, and they disdained to bother about it! However, the ant had already climbed onto their heads and even bit them, so they had to reach out and slap it to death!

"No..."

"I'm not joking!" Yan Lingshi panicked. The three Palace Masters of the joyous Union Palace are the most powerful heaven Fey in this area!"

"The third palatial Lord, the thousand-faced fox fairy, is a middle-stage one-star SkyDemon. The second palatial Lord, the purple-eyed Scorpion, is a peak one-star SkyDemon! The great Palace Master, the dark profound Demon Spider, is a two-star SkyDemon!"

"The strongest among you is only a peak earth immortal, not even enough to fill the gaps between their teeth! Once the three of them arrive, you'll all be harvested into dried corpses!"

"Listen to me, retreat quickly!" Yan Lingshi said anxiously. It's already a great fortune for you to escape from the blue Wolf Kingdom! The peak of prosperity was about to fall! No one's luck can be good forever!"

It was obvious that Yan Lingshi had some understanding of the three Palace Masters of joyous Union Palace.

Apart from their powerful cultivation bases, Yan Lingshi was most afraid of their vicious methods!

In front, the Fox immortal ate the hearts of men, the purple-eyed venomous Scorpion was ugly and bloated, and the dark profound Demon Spider was mysterious and unpredictable!

Chen Xiaobei and the others would not be able to rest in peace if they were to be plucked by these three demonic women!

"Miss banxian, don't worry!"

Chen Xiaobei shrugged and said, "these four friends of mine are all very powerful. Also, this is the first time I've seen them angry! Just leave this battle to them! You continue to help me find her!"

"Huh?"

Yan Lingshi's face was filled with shock. "Did you hear what I said? These four friends of yours are only peak earth immortal realm experts and they can't even defeat the vine demon that is charging at us! Leave it to them? Are you tired of living?"

"Don't worry!" no! Chen Xiaobei shrugged. their abilities can't be measured by cultivation!

"I can't be at ease!" Yan Lingshi shook her head decisively and said, "I'm not doing your business anymore!" If you want to die, don't drag me down with you! See you in the underworld!"

“I’ll pay more, okay?” Chen Xiaobei took out 1000 pieces of low-grade spiritual Jade from his infinite space ring.

“My God ... This, this, this ...”

Yan Lingshi’s expression froze. As if she had been hit by a petrification spell, she was completely frozen on the spot.

Her two beautiful eyes that were as bright as the stars in the night sky were completely fixed on those spiritual jades, and she couldn’t move her eyes away at all.

One had to know that Yan Lingshi’s initial offer was only a thousand high-grade spiritual stones!

Chen Xiaobei’s offer of 1000 pieces of low-grade spiritual Jade was equivalent to raising the price by 100 million times!

A hundred million times!

This was a price that could shock Yan Lingshi’s soul!

It was a price that Yan Lingshi could not resist! No matter how hard she racked her brains, Yan Lingshi could not think of a reason to refuse!

“People say that people die for wealth! Birds die for food! But ... I, Yan Lingshi, will never be able to earn that many spiritual stones in my entire life! If you die, then die!”

Yan Lingshi gritted her teeth and made up her mind. “Give me these spiritual jades, and I’ll follow you until I help you find him!

“Deal!” Chen Xiaobei laughed and handed the lower spiritual Jade to Yan Lingshi.

At this point, Chen Xiaobei had 81399 pieces of low-grade spiritual Jade in his hands. He was still rich.

“Whoosh ...”

After receiving the Spirit stones, Yan Lingshi immediately became serious and summoned the ashen cloud bird.

“Since you guys want to fight, I’ll fight with you guys to the end!”

Yan Lingshi’s pretty face turned cold, and she said solemnly, “But I’ll say this first! The ash cloud bird was only responsible for killing the vine demon! After we’re done, we must escape immediately! I can’t fight those three old hags face to face! Otherwise, you will die without a doubt!”

“I said, just leave everything to the four of them!” Chen Xiaobei shrugged his shoulders and looked ahead.

“Heart demon saint curse! Greed!”

Luo Yi took a step forward and launched a primordial spirit attack!

This kind of attack was invisible and could not be avoided!

The Demonesses were extremely greedy for Chen Xiaobei and the rest's yang essence, and their inner demons were triggered!

Except for the vine demon whose cultivation was higher than Luo Yi's, the remaining seven demonic women all had blood-red eyes and ferocious expressions. They had completely lost their consciousness as if they were possessed by a demon!

"Ao ... Aowu ..."

The seven bewitched women howled like ghosts and rushed toward the vine demon.

you ... What are you guys doing?!

The vine demon was shocked and quickly dodged.

"Universe reversal!"

At this moment, Emperor Jiang made his move!

Chapter 3420: Saint origin banished immortal

3420 Saint origin banished immortal

Obviously, the vine demon was the leader of this group of Demonesses. Its cultivation base had reached the half-step heaven immortal realm, which was one minor realm higher than the surrounding Demonesses!

Normally, the vine demon could control this group of Demonesses, so naturally, it could obtain more benefits than these Demonesses!

As a result, the seven Demonesses, whose inner demons had been triggered, were naturally driven by greed and regarded the vine demon, who had more rights and benefits, as their mortal enemy!

"Chi ..."

For a moment, the vine demon didn't understand what was happening. In a moment of desperation, it chose to Dodge.

With the speed of a half-step heaven immortal, the vine demon could easily shake off the seven Demonesses who had their inner demons activated!

However, Emperor Jiang had already calculated this step and sealed off the vine demon's retreat path in advance!

"Bang!"

The vine demon crashed into an invisible spatial wall.

Immediately after, her entire body was locked up by the spatial cage condensed by Emperor River.

The universe reversal!

This spatial cage was directly delivered to the seven mental demon puppets!

The spatial cage opened, and all seven heart demon puppets charged in!

As such, the vine demon had nowhere to hide. In order to protect itself, it could only fight against the seven mental demon puppets in that narrow space!

The consciousnesses of these mental demon puppets had already been completely controlled by their mental demons, and they would not rest until they were dead!

The result was obvious!

Due to the difference in their cultivation levels, the seven mental demon puppets were all killed by the vine demon. Their physical bodies were destroyed, their dharmakayas crumbled, and their souls were finally scattered, never to be reincarnated!

“Uh ... Hu ... Hu ...”

The vine demon’s body was already covered with the blood of her companion, Lin Xiang, and she was also injured, gasping for breath.

Clearly, this method of fighting like a trapped beast had exhausted the vine demon greatly. If it wasn’t for the fact that her cultivation was higher, she would have been torn to pieces by the seven heart demon puppets!

“So ... So powerful ...”

At the same time, Yan Lingshi was already dumbfounded. She looked at Luo Yi and Emperor Jiang, then at the vine demon in the space cage. She blinked her big eyes, unable to believe this was real.

Just a second ago, she was still trying to persuade Chen Xiaobei to run away, but now, she was so shocked that she could not move her legs.

“Bro bei, do you want to take in a female slave to carry your shoes?” Rahu’s face was cold as he spoke in an icy tone.

Chen Xiaobei’s answer would decide the vine demon’s life and death.

“Carrying shoes?”

Chen Xiaobei shook his head, “She’s not worthy!”

“Saint origin immortal! Exterminate!”

Luo Yi didn’t waste any words and directly waved his hand.

“Woof!”

In an instant, the black vital essence suddenly condensed into a terrifying sword Qi!

The sword Qi looked like a black shadow, but it exuded an extremely terrifying pressure! Ancient slaughter! It was extremely overbearing! It was as if the entire universe could not resist the power of this sword!

“It’s ... It’s terrifying ...”

Yan Lingshi sucked in a breath of cold air. Her little heart trembled uncontrollably, her pupils shrank, and her scalp went numb.

Even Chen Xiaobei and the rest of the people were shocked!

“Scatter!”

When Emperor Jiang saw the black sword shadow, he didn't dare to hesitate. He immediately dispersed the space cage!

“Woah! Whoosh ...”

The next moment, the black sword shadow pierced into the vine demon's body with a speed faster than a one star heaven immortal!

With a loud tearing sound, the vine demon's body was directly torn in half by the sword Qi!

The practicing body flew out and was torn to pieces!

In the end, only his remnant soul was left, and it was completely annihilated by the black sword Qi, leaving no trace!

“Heavens ...”

Yan Lingshi could not help but tremble. “The sword of a peak earth level deity actually has the power of a one-star heaven immortal! With this black sword Qi, I can fight even if I'm in a higher realm!”

“Oh my ...”

The ash cloud bird gasped and almost peed in its pants, “Great senior! They were all great seniors! It's a good thing we didn't make a move earlier. Otherwise, I wouldn't have been able to block that sword even if I had used all my strength ...”

“That ... That sword Qi ...”

Chen Xiaobei was also dumbfounded. He hesitated for a long time before he asked in disbelief, “That colored sword shadow, could it be the celestial eradication sword Qi?”

The four celestial slaying swords were luohou's accompanying treasures!

It was said that when Rahu was born, he carried the four celestial swords! After that, he created the celestial eradication sword formation!

Immortal execution! Kill Immortals! Immortal trap! Immortal end! The four Swords combined with the sword formation illustration could only be broken by the four great heavenly path Saints working together!

And at this moment, Luo Yi actually took out a sword Qi that surpassed the essence of a human immortal!

Chen Xiaobei could not help but think of the number one weapon of the heavens!

The celestial eradication sword!

“Right! It’s celestial bane!”

Rahu nodded and said, “the four celestial slaying swords are my eternal spiritual treasures. I’ve comprehended a unique skill from each of the four!” Saint origin immortal extermination was the number one killing skill! As long as they’re not one realm higher than me, I can kill anyone below the Saint realm with a single strike!”

“Amazing ...”

Chen Xiaobei was deeply impressed by the legendary four celestial-slaying swords.

After all, during the winter solstice festival, the prime of Tongtian had planned for Chen Xiaobei to get luohou, Taiyi, and dijiang!

Among them, the first to bear the brunt was devil ancestor Luo Yi!

In fact, not only sect leader Tongtian, but everyone also knew that whoever chose luohou would have the chance to gather the four immortal-killing swords! As for the sword formation diagram, it could be retrieved or reconstructed by Rahu!

As long as the four Swords were combined with the array diagram, coupled with enough energy, they would be able to suppress the three heavenly path Saints! This was definitely the most, most, most powerful trump card!

As for donghuang Taiyi’s main purpose, it was to help Chen Xiaobei find the donghuang Bell!

Di Jiang’s purpose was to help Chen Xiaobei find the twelve ancestors of sorcery’s immortal golden bodies!

If Taiyi and Emperor Jiang’s ultimate mission was completed at the same time, they would be able to help Chen Xiaobei become a saint!

If Luo Yi’s mission was successful, he would be able to help Chen Xiaobei fight against three heavenly path Saints! Unless the four Saints joined forces! Otherwise, no one could break the celestial slaying sword formation!

At this moment! Because Luo Yi had almost been caught and plucked, he was really angry and actually used a unique skill he had comprehended from the celestial eradication sword!

Crossing the boundary to kill the enemy! Everyone was shocked! It was really awesome! So handsome that he had no friends!

“Bro bei! What do we do next?”

Although Rahu was powerful, he still had to listen to Chen Xiaobei.

this ... Yan Lingshi was dumbfounded by what she saw. She could not imagine who Chen Xiaobei was. He could actually make a top genius like Luo Yi submit to him!

Of course, not only luohou, but also Taiyi, Emperor Jiang, candle Dragon, and six-eared macaque were all loyal to Chen Xiaobei.

Yan Lingshi's little heart was filled with shock and curiosity about Chen Xiaobei's identity! They even suspected that Chen Xiaobei was one of the leaders of the heavenly realm.

There was wealth! He had character! He had status! More importantly, he was very handsome!

Suddenly, Yan Lingshi felt that Chen Xiaobei was a perfect man!

"Sister banxian ... Can you not look at me like that ..."

"I'm here to look for the person I love. If you fall for me, the situation will become very awkward ..."
Chen said awkwardly.
