Chapter 3421: uninvited guest

“Ha?”

Yan Lingshi’s face turned red, and she quickly turned her head away, not daring to look at Chen Xiaobei.

Yan Lingshi’s little head was already dizzy from the shock she had just received. She could not help but look at Chen Xiaobei, and she stared at him for a long time.

Yan Lingshi felt so embarrassed that if there was a crack in the ground, she would have jumped in immediately.

“Bro bei ... He’s here!”

Luo Yi’s eyes focused, his eyes like a Falcon as he looked up into the sky.

“Can you guys do it? If you can, then get rid of them!”

Chen Xiaobei said nonchalantly, “Although this is the Hong Meng Demon Realm and there’s no law of merit, killing three demons who have done many evil deeds can be considered as getting rid of evil for the people! I will naturally accumulate some good karma!”

“Of course!” Luo Yi’s heart did not waver at all, as if the ones who were charging over were three idiots who did not know their place.

Taiyi, Emperor Jiang, candle Dragon, and six-eared macaque all stepped forward, waiting for the enemy to come.

By the way, six-eared macaque’s current form was the Fire Witch Zhurong, and it was extremely powerful!

Even though the three old hags that were charging over were already extremely powerful heaven demons, they were still extremely powerful.

But since Chen Xiaobei had spoken, they did not have any fear!

They wanted to fight! Then let’s fight!

Whoosh ... Whoosh ... Whoosh ...

Soon, the three Palace Masters of coitus faction arrived and stood in a line in front of everyone.

“F * ck! You bunch of lowly scumbags! You actually dared to kill my coitus faction’s disciples!”

The second Palace Master, the purple-eyed Scorpion, took a step forward. His ugly face showed an extremely ferocious expression, and the fat on his body trembled because of anger.

f * ck ... This old hag is so ugly ... six-eared macaque rolled his eyes and complained.

“Numbing! Who are you calling an old witch? Who are you calling ugly?”

The second Palace Master, purple-eyed Scorpion, was a typical Shrew. She spoke vulgarly and did not care about her personal image at all. "Do you believe that this old lady will push you down right now and pluck you into a dried corpse in front of your friends!"

pfft ... I choose death ... the six-eared macaque was so disgusted that it almost vomited the meal it had last night.

"Giggle ..."

At the same time, the third Palace Master, the thousand-faced Fox celestial maiden, let out a crisp laugh. Her curvaceous body was extremely eye-catching.

"Little Big brother! Do you think I'm good-looking?" The thousand-faced Fox celestial maiden smiled charmingly, and her eyes were extremely alluring. An ordinary man would not be able to hold back after looking at her once.

"Your looks are not bad!"

Six-eared macaque shrugged and changed the topic. "However, your pretty appearance can't hide your dirty heart! I can smell the stench from your body even from so far away! Furthermore, your disguising technique is very low-level. Once you disperse your cultivation technique, I'm afraid you'll be eight hundred times uglier than that fat woman!"

you ... the thousand-faced Fox immortal almost choked and spat out blood.

Indeed, she had been eating raw hearts and drinking blood all year round, and there was a stench that could not be washed away from her bones.

The reason why she changed her appearance so often was because she used a disguising technique similar to the 'painting skin technique'. Once she dispelled the technique, her original appearance was actually an old and decaying witch!

The thousand-faced fox fairy was furious when six-eared macaque hit her sore spot! He wished he could just pluck the six-eared macaque and turn it into a dried corpse, then rip its chest apart, dig out its bloody heart, and eat it bite by bite!

"Cut the crap! Take them all!"

At this time, the dark profound Demon Spider snorted coldly, its old and hoarse voice filled with anger.

It was obvious that his two younger sisters were no match for the six-eared macaque. If they continued to talk nonsense, they would only be humiliated.

In this situation, the best punishment for the six-eared macaque was to win with his own strength!

"Leave it to me!"

The purple-eyed Scorpion licked his lips, revealing his yellow teeth. He said greedily, "There are six men on the other side, three for big sis! I want two! Third brother, you want one!"

"Why should I only ask for one?"

The thousand-faced fox deity was unconvinced, " second sister doesn't need to do anything to this group of useless scumbags. I can handle them myself! Three Big Sisters! Two of mine! Second sister, one is enough for you!"

In the eyes of the three old hags, Chen Xiaobei and his gang were as weak as ants. They could easily take them down without much effort.

As if it was a free lunch, the purple-eyed poisonous Scorpion and the thousand-faced Fox immortal began to fight over it.

Of course, no matter how they fought, the three spots for the dark profound demonic Spider were ultimately unmoved. This was because they were all clear that the dark profound demonic Spider had a strength that they absolutely could not contend against!

"Stop talking nonsense!"

At this moment, the dark profound demonic Spider had gradually lost its patience. It coldly said, " My three! As for the rest, they belong to whoever catches them!"

"Alright!"

The purple-eyed Scorpion licked its lips and grinned greedily. "I'm two minor realms higher than third brother, what right does she have to compete with me? Hehe ..."

"Woof!"

However, just as the purple-eyed poisonous Scorpion was smugly laughing, the thousand-faced fox fairy had already taken the lead and rushed toward the crowd.

"Third brother! You're cheating!" The purple-eyed Scorpion was furious. It roared as it charged out.

Obviously, although the purple-eyed Scorpion's cultivation was higher, its brain was not as good as the thousand-faced fox fairy's. It was already half a step slower.

"This is bad!"

Upon seeing this, Yan Lingshi's shyness was instantly swept away. She could not help but scream, "They're coming! Hurry ... Hurry up and stop them ... Otherwise, your companions will be dead!"

"Don't worry, they can handle it!" Chen Xiaobei smiled, full of confidence in Luo Yi and the others.

"You little brat! Is there a hole in your brain?" The thousand-faced Fox immortal rushed over and laughed in disdain, " five peak earth Immortals are not enough to kill me with one finger!

At the same time, the purple-eyed Scorpion was also very angry and roared, " "A bunch of idiots! You're no longer ignorant of your own abilities! He was simply courting death! You're courting death!"

"Who will die and who will Live! We'll see immediately!"

Luo Yi's eyes narrowed, and his battle intent increased instead of decreasing. He was ready to use his Saint origin to kill Immortals again!

At the same time, Taiyi was ready to suppress all the races! Emperor Jiang was ready to use the space law! The candle Dragon had prepared the time law! Six-eared macaque was ready to use the law of fire!

Even though his cultivation base was several levels lower than the enemy's! However, everyone's ultimate techniques and primordial spirit abilities were countless levels higher than the enemy's!

A cross-level team battle was not weak at all!

“Stop!”

However, right at this moment, a furious roar came from the distance, accompanied by an extremely powerful aura. Even the dark profound demonic Spider could not help but tremble.

Chapter 3422: Blue Wolf monarch

“What a powerful aura! Could there be more experts?”

Yan Lingshi's delicate brows furrowed tightly, and her pretty face instantly turned pale. In a trembling voice, she said, “The coitus faction's three old hags are already hard enough to deal with ... Now, there's actually someone even more powerful than the dark profound Demon Spider! This ... This is not giving us a way out at all ...”

Yan Lingshi had to admit that Luo Yi and the others were very powerful, and that Chen Xiaobei might be a two-star celestial immortal who had been hiding his true strength!

But even so, Chen Xiaobei and the others were no match for the three old Demonesses from coitus faction!

After all, the dark demonic Spider was a two-star heavenly demonic beast, which was enough to fight against Chen Xiaobei. The purple-eyed venomous Scorpion and the thousand-faced fox fairy were enough to deal with Rahu and the others!

Under such circumstances, Chen Xiaobei's side might have a slim chance of survival!

But now, an even more powerful Overlord had arrived. If this was an enemy, then Chen Xiaobei's side would be dead for sure!

“Whoosh ...”

With a strong immortal essence fluctuation, a middle-aged man in gray battle robes slowly landed on the scene.

This person had a head of silver-gray hair, sword-like eyebrows, and bright eyes. The lines on his face were sharp, and his entire body exuded a powerful and unparalleled pressure of a superior!

“Hiss ...”

The moment it saw this person, the dark profound Demon spider's body trembled slightly, and it let out a gasp under its thick black cloak.

At the same time, the purple-eyed poisonous Scorpion and the thousand-faced Fox immortal also trembled and stopped their attacks. That was because the man had said 'stop'. Even if they had 20000 more guts, they would not dare to move!

how ... How could it be him!?!?

Unsurprisingly, Yan Lingshi also revealed an extremely shocked expression. Her pupils contracted uncontrollably, her scalp went numb, and her beautiful body even started to tremble.

Even if he used his toes to think, he knew that the silver-haired middle-aged man's identity was extraordinary. Moreover, his strength was also extraordinary!

If he was not mistaken, this silver-haired man's strength should be several levels higher than the two-star celestial demon level dark profound Demon Spider!

"Who is he?"

what's going on?" Chen Xiaobei asked, sensing that the atmosphere was not right.

you ... You don't even know him???"

Yan Lingshi's expression turned extremely ugly. She said sorrowfully, "This man is the number one expert in the Nanhuang region! It was the blue Wolf Emperor! The proud heaven! You were able to escape from the blue Wolf Kingdom's capital because he didn't make a move!"

"But now, he's personally chasing after us! You ... No... We ... Everyone here will die! No one could escape his pursuit! No one ..."

It was obvious that Yan Lingshi was well aware of Cang tianao's strength! It was a power that was powerful enough to make everyone despair!

A peak two-star heaven immortal!

It was three minor realms higher than the dark demonic Spider and two minor realms higher than the nine luminaries hell cutting saber!

Just as Yan Lingshi had said, if Cang tianao were to start a massacre, everyone present would die!

Emperor Blue Wolf ... These ... These little thieves ... Did ... Did they escape from your territory?"

The dark profound Demon Spider swallowed its saliva, its voice stammering and even trembling from its nervousness.

The purple-eyed Scorpion immediately turned to Chen Xiaobei and the others and scolded, "A group of reckless idiots! You even dared to provoke Emperor gray wolf! Even if you have a hundred million lives, it's not enough for you to die!"

"Your Majesty! You don't need to personally deal with a mere ant."

The thousand-faced Fox immortal smiled maliciously and said, "Please wait a moment! Just leave this kind of dirty work to us! We'll definitely help you clean up these ants!"

it's over ... We're dead ... Yan Lingshi's face was pale, and her body was trembling. Her hands were so panicked that she grabbed Chen Xiaobei's sleeves.

"Don't be afraid. If the sky falls, I'll hold it up!" Chen Xiaobei said helplessly.

Even though Chen Xiaobei tried to persuade her, Yan Lingshi did not listen. She was still holding onto Chen Xiaobei's sleeve tightly, her palms drenched in cold sweat!

It was obvious that Yan Lingshi was really afraid.

But he had to admit that she was really honest!

She had left Chen Xiaobei and the others behind when they were in the capital of Cang lang!

But now, after taking Chen Xiaobei's money, she knew that she was going to die, but she still stayed by Chen Xiaobei's side!

This silly girl ...

Chen Xiaobei could not help but smile. He had a better impression of Yan Lingshi now.

"You? What are you going to use?"

The dark profound Demon Spider roared in anger and took a step forward. Its entire body was filled with black Qi, and it was as if the entire space had trembled. Its aura instantly turned cold and gloomy.

"You little brat! He had offended Emperor gray wolf! You will all die today!"

The purple-eyed Scorpion and the thousand-faced fox deity gathered their celestial core power again, ready to launch a deadly attack on Chen Xiaobei and the others.

"I told you to stop! I won't say the same thing a third time!"

However, at this moment, Cang tianao let out a furious roar.

Like a wild beast, his roar emitted a bloodthirsty and violent pressure. Anyone who dared to question him would be beheaded and die without an intact corpse!

"Hiss ..."

The three old hags all sucked in a breath of cold air. As if they had been hit by a petrification spell, they instantly froze on the spot, not daring to move an inch!

The three of them broke out in a cold sweat and their hearts beat wildly. They were so scared that their livers and galls almost burst!

"What ... What is going on?"

Yan Lingshi was dumbfounded by what she saw. She asked in a trembling voice, "As the Great Blue Wolf Emperor, why did he have to kill people personally? Could it be ... That you've caused an even greater disaster in the blue Wolf Kingdom?"

To Yan Lingshi, Chen Xiaobei and the others had barged into the capital city of Blue Wolf and slapped the guards. This was a serious provocation to the capital and was a capital offense!

Even though Yan Lingshi did not know what happened after that, she knew that Chen Xiaobei and his gang must have caused other 'big troubles'!

If not for that, the blue Wolf Kingdom would only need to send their generals and soldiers to capture him, why would Cang tianao need to personally come?

Cang Tian ao's reputation was well known, but he rarely made a move. Every time he made a move, it was bound to be a brutal battle where millions of corpses were killed!

Today, Cang tianao had actually come personally for Chen Xiaobei and a few others! Wasn't this hatred a little too great?

At the thought of this, Yan Lingshi was in utter despair!

Chen Xiaobei shrugged and said with a frivolous smile, " I just snapped my fingers and the sky-slaughtering formation shut down automatically. Is this considered causing trouble? "

"Huh?"

As soon as this was said, not only Yan Lingshi, but even the three old Demonesses from joyous Union Palace were dumbfounded. They simply couldn't believe their ears.

"So it's you!"

At the same time, Cang tianao came to Chen Xiaobei and knelt down on one knee. He said sincerely, "Disciple is proud of the heavens! Greetings, demon ancestor's emissary!"

Chapter 3423: Traitor of the demon Realm

3423 Traitor of the demon Realm

"What? The demon ancestor's emissary?"

A stone that caused a thousand ripples!

Yan Lingshi and the three old hags were dumbfounded and trembling as if they had been electrocuted. Their hearts were even shaken by the magnitude of a nuclear explosion that was a trillion times stronger!

In the Hong Meng Demon Realm, there was only one demon ancestor!

She was the creator of this independent world, the highest faith of all the living beings here!

Anyone who heard the words 'demon ancestor' would not be able to calm down!

Respect! Faith! Piety! Loyal ...

All kinds of complicated emotions would make it impossible for one to calm down, to the point where one could not even believe what they were seeing and hearing!

There was no doubt that Yan Lingshi and the three old hags were in the same situation at this moment.

Although they were on different sides, primordial chaos demon ancestor had an equally important and Supreme position in their hearts!

In the name of primordial chaos demon ancestor, they would resolutely carry out any order! He could even turn enemies into friends on the spot!

At this moment.

Cang tianao kneeled on the ground and called Chen Xiaobei the demon ancestor's Messenger!

If Yan Lingshi and the three old hags had not witnessed this with their own eyes, they would never have believed it even if they were beaten to death!

However, they had seen it with their own eyes! He couldn't help but pinch himself to prove that all this was real!

Chen Xiaobei was really the demon ancestor's Messenger who was worshipped by Emperor Blue Wolf!

"Plop ... Plop ... Plop ..."

The three coitus faction old Demonesses "knees went soft as they knelt down in unison, desperately kowtowing.

"Holy envoy, please spare our lives ... We failed to recognize Mount Tai! We were foolish and ignorant! It's all our fault ... I beg you ... Please spare our lives ..."

The three old hags were scared out of their wits.

Chen Xiaobei's strength aside, if Chen Xiaobei were to say the word, Cang tianao would definitely kill the three of them.

For this reason, even if the three of them were not followers of primordial chaos demon ancestor, they would still kneel and beg for mercy.

Of course, they were actually believers, and they were very devout.

Therefore, he was kneeling to Chen Xiaobei, 30% out of fear and 70% out of sincerity!

greetings ... Greetings, Lord Holy envoy ...

As someone from Hong Meng Demon Realm, Yan Lingshi naturally wanted to kneel and worship the scene before her.

"We're friends, you don't have to kneel!"

Chen Xiaobei held Yan Lingshi and stopped her from kneeling.

Just based on how she had stood by Chen Xiaobei's side when they were on the brink of death, she was worthy of being his friend! Naturally, there was no need to kneel!

"I ... I ..."

Yan Lingshi was still in shock, and her little head was even a little dazed. She kept feeling like she didn't know whether she should kneel or not.

Luckily, Chen Xiaobei was holding onto her arm. Otherwise, she would not be able to stand still.

Obviously!

This was the power of faith!

Chen Xiaobei was standing in front of them with the grandmist demonic flame in the name of the ancestral demonic beast! Regardless of whether they were friend or foe, they were all instantly intimidated!

If primordial chaos demon ancestor himself was standing here, Yan Lingshi and the three old demon women would probably faint on the spot from excitement. Perhaps even Cang tianao would be so shocked that he would be at a loss and lose his mind!

“Cang Tian ao, right?”

Chen Xiaobei raised his eyebrows and asked, “Since you know my identity, you won’t be calculative about what happened in the blue Wolf Kingdom! So, is there anything else that you came here for?”

“Holy envoy, please be wise! Disciple indeed has one more thing!”

“Ever since the defeat of the demon ancestor, Hong Meng Demon Realm has been suppressed by the bell of the East Emperor for billions of years!” Cang tianao said in a deep voice.

“Although the lower-level demons of the yellow domain are still loyal to the demon ancestor! However, there were already traitors in the heaven, earth, and profound three regions! There are even people who have begun to establish their own orthodoxies and want to replace the demon ancestor!”

uh ... Wait a minute ... Chen Xiaobei frowned. “Yellow domain? Heaven, earth, and dark three regions? What’s the meaning of this?”

“Reporting to the Saint!”

“The space of the Hong Meng Demon Realm is similar to the heaven realm!” Cang tianao said. There were thirty-six levels of heaven in the heaven realm! In the Hong Meng Demon Realm, there are the four domains of heaven, mystery, earth, and yellow!”

“Where we are right now is the yellow domain at the lowest level! Above them were the earth domain, the mysterious domain, and the heavenly domain! The higher you go, the wider the land area, the thicker the spiritual energy, and the stronger the native demon race!”

Chen Xiaobei was taken aback.

He had never expected that the area he was in right now was only a small part of the Hong Meng Demon Realm!

If they went to the core of the Qing-Yun realm, there would be nine-star sky demons or even more powerful monsters!

After all, the Hong Meng Demon Realm had existed for billions of years. It wasn’t impossible for a Sage-to-be to emerge from it!

“It’s just as I told you! In the long river of time, the Qing-Yun realm has produced many powerful cultivators!”

“Some of them are still loyal to the ancestral Dragon!” Cang tianao said. However, some people had already established their own orthodoxies! They’ve started to establish their own forces in the dark domain and other regions, recruiting disciples and trying to replace the demon ancestor’s position!”

Chen Xiaobei understood what Cang tianao was trying to say.

But he only saw through it and didn’t say it!

After all, Chen Xiaobei had come to Hong Meng Demon Realm to find little Daji’s third generation spiritual lady. He did not want to get involved in anything else!

However, Cang tianao was very persistent and continued, ” “This disciple is only a formidable person in the southern region of the yellow region. I can’t control these traitors who have abandoned their beliefs! But you’re the emissary of the demon ancestor, so you can’t ignore this!”

It was obvious that Cang tianao’s stubbornness came from his unwavering loyalty to his faith!

If he could kneel down to Chen Xiaobei, he had the right to demand that Chen Xiaobei defend his faith!

If Chen Xiaobei did not do anything about it, he, the messenger of the demon race, would be seen as a fake!

Not only would Cang tianao not kneel down, he might even kill Chen Xiaobei, the liar who blasphemed against the sacred faith!

“Proud heaven! I can understand how you feel!”

Chen Xiaobei calmed himself down and said, ” “But I’m here on another mission! As for the traitor you mentioned, I can only deal with him after I’m done with my mission!”

“This disciple understands!”

Cang Tian ao nodded his head and asked sincerely, ” “What mission does the Saint have? This disciple is willing to help the Holy envoy at all costs!”

“That’s good!”

Chen Xiaobei’s eyes lit up. He used his fire ethereal force to conjure a demonic Fire Red Lotus and said, ” “I’m looking for an 18-year-old girl with this birthmark! As long as you can help me find the person! Not only can I help you get rid of the traitor, but I can also help primordial chaos demon ancestor break the seal and return!”

“What!”

When Cang Tian ao heard this, he was so shocked that his entire body trembled, ” “You ... Can you really make the ancestral Dragon return?”

“That’s right!”

yes! Chen Xiaobei nodded and said, " as long as you can help me find the person! I will definitely fulfill my promise!"

Chapter 3424: The number one beauty

3424 The number one beauty

Chen Xiaobei had already promised primordial chaos demonic ancestor that he would save her.

But the heavens did not know this inside story.

As a qualified profiteer, he had to save someone anyway. So, Chen Xiaobei decided to trick Cang tianao into becoming his personal bodyguard.

This way, Chen Xiaobei did not need to fear anyone in the yellow domain.

Most importantly, Cang tianao had the resources, connections, and information Network. He was definitely the best person to find a helper!

"Good! With the words of the Lord Holy envoy! This disciple will definitely do everything in my power to help you find him!"

Cang tianao was truly a loyal believer.

As long as he could bring primordial chaos demonic ancestor back, he would not even bat an eye if Chen Xiaobei wanted Cang tianao dead.

"Get up! We'll be on the same side from now on!"

Chen Xiaobei was a loyal person, and he naturally liked people who valued relationships. He took the initiative to help Cang tianao up.

"Your ... Your Excellency ..."

Seeing this scene, the three old demons of coitus faction couldn't hold it in any longer and said in unison, if you don't mind, we're willing to work for you. We'll find the person you're looking for and let the demon ancestor return!

Although these three old hags were also followers of the demon ancestor, they were definitely not as loyal as Cang tianao.

But in their view, regardless of this matter, they could only stay in coitus faction for the rest of their lives, doing evil things that were spurned by others.

However, if they participated in this and successfully brought back the demon ancestor, the three of them would have a chance to join the demon ancestor's subordinates and earn a bright future.

In the end, other than their faith, they all had their own plans!

"I despise it!"

Chen Xiaobei was smart enough to see through the three old hags' thoughts.

Besides, even if they had no ulterior motives, Chen Xiaobei did not want to bring three old hags who harvested yang energy to replenish yin energy with him.

Not to mention being teased by them, just the thought of it made him nauseous.

“Lord Holy envoy!”

However, at this moment, Cang tianao said, “Although these three old demons are weak, the coitus faction disciples are all over the yellow region! If you want to find someone, they can provide you with a lot of clues!”

“Uh ...”

Chen Xiaobei was taken aback.

From the looks of it, his luck was still off the charts!

Along the way, Yan Lingshi, Cang tianao, and the three demonic women were all of great help in finding the person!

However, why did he not meet little Daji?

Chen Xiaobei was a little depressed. If he could, he was willing to use all his luck to meet Daji again!

But it was obvious that Chen Xiaobei could not control it.

“Alright ...”

alright! Chen Xiaobei nodded and said, “the three of them can help too, but don’t follow me. I’ll be very careful ...”

“Thank you for your trust, Your Excellency! We’ll do our best!”

The three old Demonesses kowtowed repeatedly, thanking Chen Xiaobei for giving them the chance to get close to the demonic ancestor.

“Stop kowtowing! Clearly see all the details of this demonic Fire Red Lotus! Don’t get me the wrong one!”

Chen Xiaobei said in a serious tone.

It was obvious that if one didn’t look carefully, this demonic Fire Red Lotus would easily mix with the other red lotuses.

Chen Xiaobei had suffered this kind of loss, and that was why his father had been stumbling all the way and was almost killed by the joyous Union Palace.

“This disciple has seen it clearly!”

The dark profound Demon Spider nodded heavily and said, “Don’t worry, Lord Holy envoy. We’ll go back and issue the mission immediately! Not only all of my coitus faction’s disciples, but we’ll also use our connections in the evil path! I’ll report to you as soon as I find any clues!”

“Good! You guys go ahead! If you have any clues, contact Cang tianao!” Chen Xiaobei ordered.

“Yes, sir!”

The three old hags kowtowed three times and bowed nine times again, then hurriedly left the scene.

“Lord Holy envoy ...”

At this moment, Cang Tian ao frowned and said, “ I’ve never seen this Red Lotus before, but I know of an 18-year-old girl. All the young men in the yellow domain have gone crazy for her ...

“Who is she? Is it related to the demonic Fire Red Lotus?” Chen Xiaobei did not want to let go of any clues.

“Yes!”

Cang Tian ao nodded heavily and said, “this woman’s name is Xia Yilian. She just turned eighteen this year!” She was known as the number one beauty in the yellow region! The Xia clan was only a small force! In order to strengthen ourselves, we’ve announced the joust for a spouse!”

“When this news came out, the entire yellow region was in an uproar! Countless young men and talents are madly rushing to the Xia family’s territory, and even the forces of the region want to take the beauty home!”

“This ...”

Chen Xiaobei was stunned. this clue is too far-fetched ... Just based on his age of eighteen and the fact that his name has the word ‘Lian’ in it, it doesn’t prove anything!

I also know that this clue is not reliable ... Cang tianao said in a low voice, “ “But this is the only clue we have now!”

“Lingshi!”

Chen Xiaobei frowned and looked at Yan Lingshi, who was beside him. “Can you tell me if I should go to the Xia family’s territory?”

Ever since he started to treat Yan Lingshi as a friend, Chen Xiaobei had stopped calling her miss banxian. Instead, he called her by her maiden name.

“Ah?”

Yan Lingshi’s face was dazed and adorable. She had yet to recover from the shock just now.

Chen Xiaobei then told her about the Xia family.

Yan Lingshi finally understood Chen Xiaobei’s meaning. She then made a rough calculation based on the location of the Xia family and Chen Xiaobei’s physiognomy.

“It’s an auspicious sign! It’s a great omen!”

Yan Lingshi’s beautiful eyes instantly brightened. She said excitedly, “You must go to the Xia family. Whether you can find her or not, at least you will have a great opportunity!”

“Uh ... Are you sure?” Chen Xiaobei was speechless.

“Of course I’m sure!”

Yan Lingshi said confidently, “just now, I said that it was a bad omen, and three old hags immediately came to kill me!” Isn’t this enough to prove my strength?”

Oh ... I finally know why you’re called a demigod ... Chen Xiaobei pursed his lips.

Although Yan Lingshi had predicted that something bad would happen, the three coitus faction old hags did not actually cause Chen Xiaobei any harm.

Therefore, she had only calculated half of the ominous signs!

In other words, she was only saying that the Xia family was doing well for Chen Xiaobei on the surface. Who knew, something bad might happen after that!

“What do you mean? Don’t you believe me?” Yan Lingshi pouted her little mouth, her expression unhappy. “Why don’t I give you a refund and we break up?”

“Don’t! I’m just casually saying!” I don’t have any other leads anyway! Chen Xiaobei said. why don’t we go to the Xia family to take a look instead of running around like a headless fly!

Hearing this, Cang Tian ao immediately replied, “the joust for a spouse Festival is in three days!” If Lord Holy envoy wishes to go, we can set off now!”

Chapter 3425: She's not as good as you

3425 She’s not as good as you

After that, Chen Xiaobei had luohou, Taiyi, Emperor Jiang, candle Dragon, six-eared macaque, and Wu Gutu all enter the verdant Emperor’s divine gourd.

After all, they were going to the venue of the Xia family’s groom search competition.

Almost all the men who went there would see each other as love rivals, and it was inevitable that there would be conflicts.

Luo Yi and the others were not only men, but they also had quite a temper! If he caused trouble, even Cang tianao might not be able to clean up the mess.

Just like that, Chen Xiaobei, Yan Lingshi, and Cang tianao set off for the Xia family.

It had to be said that Cang tianao was very popular in the Hong Meng Huang domain.

Along the way, they passed by a few main cities. The aristocrats in the cities all worshipped Cang Tian ao like he was a Bodhisattva.

Naturally, Chen Xiaobei and Yan Lingshi benefited from this. They did not encounter any obstacles along the way.

.....

“Bro bei ...”

Cang tianao felt very awkward.

However, Chen Xiaobei had said that it would be troublesome to address him as 'Holy leader', so Cang tianao had no choice but to call him that.

Of course, Chen Xiaobei's concerns were not unnecessary!

A super powerful giant who had betrayed the demon ancestor had already appeared in the Hong Meng Demon Realm!

If Chen Xiaobei's reputation as the ancestral demon's Messenger were to spread, those ambitious people would definitely come to Hong Meng territory!

They could either kill Chen Xiaobei or capture him and use him as a hostage to threaten the ancestral Dragon!

Even if those ambitious tycoons didn't show up, there were still many believers recruited by these tycoons in the primordial chaos Domain and the primordial chaos Domain!

Right now, Chen Xiaobei was not even a match for Cang tianao, let alone the elites of the dark domain and earth domain!

The Xia clan's groom search competition this time would have people from Hong Meng region participating.

Chen Xiaobei did not want the name 'Holy leader' to attract the attention of the regional overlords!

It was not that Chen Xiaobei was a coward, but provoking these people would not help him in finding little Daji the third spiritual girl. Instead, it would only cause endless trouble.

Because of this, Chen Xiaobei had to hide his identity as the ancestral demon's envoy.

"What do you want to say? just say it!"

Chen Xiaobei looked at Cang tianao and said, "The Xia family's town is right in front, but I can see that your expression is very unnatural!"

"Bro bei, you're so observant!"

"The Xia family's town is the territory of one of my sworn enemies!" Cang tianao said. He was the number one expert in the Eastern Region of the Hong Meng Huang domain, Sheng kuangzhan! If he's here, there'll be a battle to the death between us!"

"What?" Chen Xiaobei raised his eyebrows. You're the most powerful man in the South, but you're no match for the most powerful man in the East?"

Sheng kuangzhan and I have similar strength. If we really fight, we'll have a 50 – 50 chance of winning!

Cang Tian ao frowned and said,"but, this time, the Xia family's groom search has regional powers involved!" Sheng kuangzhan is the host of the house. If he were to join forces with these forces, I'm afraid I won't be able to walk out of the Xia family alive!"

Chen Xiaobei was not the only one who did not want to provoke the local forces. Even Cang tianao was afraid of them.

“I see!”

Chen Xiaobei smiled, took out a human skin mask and handed it over. “Wear this, and as long as you hide your cultivation, no one will be able to recognize you!”

thank you, bro bei! Cang Tian ao nodded and immediately put on the human skin mask.

“Waa! This mask is too godly!”

Seeing this, Yan Lingshi instantly exclaimed, “Emperor Blue Wolf’s appearance has completely changed! I’m afraid his wife and son won’t be able to see through it!”

“Miss Yan ...”

Cang Tian ao looked over and said in a deep voice, “You’d better wear a mask too!”

“Why?”

Yan Lingshi’s pretty face was filled with doubt. She said casually, “I don’t have any enemies, so why should I hide?”

“You don’t have any enemies now ... But if you walk into the town ahead, the entire Xia family will be your enemy!” Cang Tian ao said.

“Ha?”

Upon hearing this, Yan Lingshi was instantly dumbfounded. Her fair little face froze. I’m so cute. Unless the Xia family is a bunch of lunatics, how can we become enemies the moment we meet? ”

“That’s right ... Why does the Xia family want to be enemies with Lingshi?” Chen Xiaobei was also very curious. He did not understand what Cang tianao meant.

“The two of you have never seen Xia Yilian’s appearance, right?” Cang tianao asked.

Chen Xiaobei and Yan Lingshi both shook their heads.

Yan Lingshi thought for a moment and said, “you said that Xia Yilian is the number one beauty in the Hong Meng Huang domain!” She should be stunningly beautiful, right?”

“She is indeed very, very beautiful!”

Cang Tian ao paused and said solemnly, “However, to be honest, Xia Yilian’s beauty is far inferior to you, miss Yan!”

“Huh?”

Yan Lingshi’s expression froze. She was dumbfounded. She never expected Cang tianao to give such an answer.

this ... Chen Xiaobei was stunned.

However, upon closer inspection, Yan Lingshi was really a beautiful piece of art that the creator had put in his heart and soul to create!

His looks were impeccable, and his figure was also full marks!

More importantly, she was a very special person.

Clean one's body and stick to the bottom line! It was sometimes witty, and sometimes silly! When you're sly, you're faster than a rabbit. When you're honest, you can risk your life to accompany a gentleman!

From her, you could feel a woman's loyalty! Intelligent! Cute! Tenacity!

Most importantly, all of these qualities were naturally exuded from her body. There was no coy or pretentious act!

To put it simply, anyone who laid eyes on Yan Lingshi for the first time would be deeply attracted by her beautiful appearance.

However, after getting along with her, one would realize that there was an even more charming and interesting soul hidden in her beautiful appearance!

Chen Xiaobei had seen many beautiful women, but when he looked at her carefully, Yan Lingshi was indeed unique.

Of course, Cang tianao would not think as deeply as Chen Xiaobei.

If Cang tianao said that Xia Yilian was not as beautiful as Yan Lingshi, then that must be a comparison purely on the surface!

Whether it was her looks, her figure, or the proportions of her body ... In short, Yan Lingshi must have something extraordinary about her!

And this outstanding point was the reason why Yan Lingshi had made enemies with the Xia family!

"I understand!"

Yan Lingshi pursed her lips and said, "the Xia family is only a small force. This time, they want to use Xia Yilian to strengthen the entire family!" If I steal Xia Yilian's limelight, it would be equivalent to ruining the Xia family's wishful thinking! I'm afraid they won't be satisfied even if they eat me alive!"

"That's right!" "That's why I'd suggest that you wear a mask as well, miss Yan," Cang Tian 'ao said, "to avoid getting into trouble!"

"Thank you for the reminder!"

Yan Lingshi nodded and looked at Chen Xiaobei with her eyes wide open. bro bei! I want a mask too!

"The mask is simple, but I'm very confused ..."

Lingshi? " Chen Xiaobei furrowed his brows. if Xia Yilian can't compare to Lingshi, then Lingshi should be the most beautiful woman in the yellow region!

Chapter 3426: The Prince of the Sheng family

3426 The Prince of the Sheng family

“Why are you saying this ...”

Yan Lingshi’s face was slightly flushed.

Since she was young, countless people had praised Yan Lingshi’s beauty.

Yan Lingshi’s ears had already grown calluses from hearing the words ‘number one beauty’, but she did not feel anything at all.

But for some reason, Chen Xiaobei’s words made Yan Lingshi feel so happy that her heart started to beat faster.

“I’m just curious!”

Chen Xiaobei looked at Yan Lingshi and said, “You claim to be a Hong Meng half-immortal, and you even have a cangyun bird as your Mount! Why doesn’t anyone in the yellow domain seem to know you? Why did he lack spirit stones? Even the blue Wolf Kingdom’s guards won’t give you any face?”

this ... Yan Lingshi quickly shut her mouth, afraid that Chen Xiaobei would get some information out of her.

“It’s obvious that you’re not from the yellow domain!” Chen Xiaobei made a clear judgment.

Cang tianao nodded his head and said, “That’s right! If lady Yan is from the yellow domain, I’m afraid all the superpowers in the Hong Meng realm will come to snatch her away!”

“Don’t ... Don’t talk nonsense!” When she heard the words ‘bride kidnapping’, Yan Lingshi’s little heart suddenly skipped a beat, and her expression became very unnatural.

Chen Xiaobei and Cang tianao looked at each other, confirming their suspicions.

“Stop guessing!”

Yan Lingshi’s elegant brows furrowed tightly, and she said angrily, “Knowing my identity will do you no good! If you insist on prying into my secret, then I can only return the money and leave!”

“You little girl, why did you suddenly turn hostile?”

Chen Xiaobei grinned and took out a woman’s mask. “Put it on! I’m still counting on big sister half fairy to divine my fortune!”

“Hmph! This is more like it!”

Hmph! Yan Lingshi snorted. She was not really angry. She put on her mask and followed Chen Xiaobei closely.

.....

Xia clan town.

It was a beautiful scenery by the mountains and rivers.

Although it was only a town, there were more than thirty million residents here. It was three times the size of the werewolf town that Chen Xiaobei and the others had first visited.

Of course, even with a population of 30 million, it could only be considered a ninth-rate power in the Eastern Region of the Hong Meng yellow domain.

The Xia clan was a clan of spirit trees that had turned into demons.

The quality of this Spirit Tree was average. Therefore, as long as one reached the one-star heavenly Demon Realm, they would be able to eliminate all the characteristics of the demon race and turn into a complete human form.

Of course, the members below this realm would more or less have some form of a Spirit Tree on them.

For example, his skin was like tree bark, and his hands and feet were wrapped in vines and roots.

Of course, these characteristics of the demon race were not strange at all in the Hong Meng Huang domain. After all, this was the lowest continent. The cultivation of most demons was below that of the heaven demons. It would be strange if they did not have any characteristics of the demon race.

“Are the two of you here to participate in the groom search?”

Not long after they entered the Xia family town, a man with branch-like hair came up to them and said with a smile, “I’m the Xia family’s welcoming Messenger. If the two of you want to sign up, you can follow me!”

The welcoming emissary looked very respectful and polite.

But in fact, he had first glanced at Chen Xiaobei’s Nightstalker outfit and then at Cang tianao’s battle robe. He could immediately tell that these two sets of clothes were not ordinary. That was why he had such a good attitude.

In the end, his eyes swept over Yan Lingshi’s body restlessly.

The greeters, as the face of the Xia family, were already so unbearable. It could be imagined that the higher-ups of the Xia family were not much better.

“We’re not here for a groom search!”

no! Chen Xiaobei shook his head and said, “I’m here to see the face of the Xia family’s daughter!”

Obviously, Chen Xiaobei only wanted to find someone, not a female friend.

Besides, Chen Xiaobei would not have liked the Xia family the moment they met.

More importantly, if Xia Yilian was really little Daji the third, then what the hell was the point of getting married? Chen Xiaobei would snatch her away at all costs!

But if Xia Yilian was not Daji the third, Chen Xiaobei would have left immediately and not get involved in this mess!

“Two pieces of trash! They didn’t even dare to register! What kind of man are you?”

At this moment, an ear-piercing voice came from nearby.

Chen Xiaobei and Cang tianao furrowed their brows in displeasure.

Looking in the direction of the voice, they saw a man in cyan-steel armor walking toward them with large strides.

“Aiyaya! Wasn’t this the general of constant merit? You’re here personally! The ninth Prince should be here by now, right?”

When the messenger saw the man in the green steel armor, he immediately ran over like a grandson seeing his grandfather.

That face full of smiles! That action of nodding and bowing! It was 108000 times more respectful than Chen Xiaobei!

“The ninth Prince will be here soon!”

The man in the green steel armor looked at Chen Xiaobei and the others with disdain and ordered, “Chase those nobodies away immediately! If he blocked the ninth Prince’s path! This general will kill without mercy!”

The welcoming emissary nodded like a chicken pecking at rice and repeatedly agreed, “Yes, yes, yes ... I’ll clear the path and welcome the ninth Prince!”

“Who is this person?” Chen Xiaobei frowned.

“Xue changgong!”

he’s a dog raised by my nemesis, the Sheng family! Cang tianao said in a low voice.

“I see.” of course! Chen Xiaobei laughed. we’re in their territory. Their dog will bark arrogantly!

“I can feel it! This Xue changgong is very strong!” “The ninth Prince behind him should be even more terrifying!” Yan Lingshi’s brows furrowed.

Cang Tian ao squinted his eyes and said in a deep voice, “ ninth brother of the Sheng family is indeed a very powerful existence for you young people!

“My guests ...”

At this time, the welcoming emissary ran back and said with a slight threat, “ I don’t mean to offend you, but as you can see, the ninth Prince will be here soon. Please move away to avoid trouble!

“Get into trouble?” Chen Xiaobei had always been amenable to coaxing, but not coercion.

“Bro bei! Let’s go! I have something to tell you!” Unexpectedly, Yan Lingshi grabbed Chen Xiaobei and backed away.

Cang Tian ao did not want to cause any trouble, so he followed behind.

welcome, ninth Prince!!!

Not long after, Xue changgong knelt on the ground as he shouted. The main character finally arrived.

An extremely majestic and domineering black chariot slowly drove over!

The chariot itself was a one-star heaven immortal item, and the two purple Electric Ink Jade leopards pulling it were powerful half-step heaven immortal demon beasts!

Behind the chariots, the pace was neat, and the armor clattered. There was actually a black armor Battle team of more than a thousand people!

Be it equipment, aura, or strength, this battle team would not lose to the blue Wolf halberd warrior! In the primordial yellow domain, they could be considered a first-class elite battle team!

Without a doubt, the person in the carriage was the ninth Prince of the Sheng family!

Shengshi Jie!

Chapter 3427: Demonic body of purple Qi

3427 Demonic body of purple Qi

“Why did you drag me here?”

Chen Xiaobei frowned and looked at Yan Lingshi in confusion. “If you have something to say, can’t you just stand there and say it?”

Obviously, Chen Xiaobei was not happy with the threat from the welcoming emissary, and he was even more upset when Yan Lingshi dragged him over.

“Do you still remember what I said about an auspicious omen?”

Yan Lingshi’s beautiful eyes blinked, and the corners of her lips curved into a charming smile. She was simply breathtaking.

“What do you mean?”

Oh? ” Chen Xiaobei was a little surprised. could it be that the ninth Prince of the Sheng family is a good sign for me? ”

“That’s right!”

“When the carriage approached, I thought I saw Purple Air coming from the east. You’re going to be overjoyed!” Yan Lingshi said excitedly.

“Pfft ... Big sis! Can you be more reliable?”

“What purple Qi from the East?” Chen Xiaobei was sweating. Do you think everyone else is blind?”

Yan Lingshi was slightly stunned, and she replied, “I meant as if I could see it!” He didn’t really see it! The purple Air from the East was just a metaphor! It’s an instinct!”

“The intuition of a half-immortal?” Chen Xiaobei was embarrassed.

He suddenly felt that this half fairy was really unreliable.

Could it be that she divined fortune and misfortune based on her feelings?

“Just tell me if you believe me!”

Yan Lingshi pouted her little mouth in a fit of pique. Her fair and tender cheeks puffed up, making her look extremely cute.

“Alright! Even if I believe you! But what do you want me to do?”

let me make this clear. The Sheng family is cangtian ao’s nemesis. I will not be friends with the ninth brother of the Sheng family! Chen Xiaobei said.

“No need to make friends!” Yan Lingshi smiled slyly and said naughtily, “You just need to knock him out and steal his storage bracelet!”

“Pfft ...”

Chen Xiaobei almost vomited blood when he heard that. The good sign you’re talking about is to ask me to steal someone else’s things? Wouldn’t that mean that the entire Street was a sign of great fortune? Let’s just steal one, okay?”

“It’s different!”

Yan Lingshi frowned and explained, “why are you so stupid?” Ninth brother’s storage bracelet has your destiny! Other people don’t have it in their storage bracelets!”

Chen Xiaobei shook his head and said, “I just want to find someone! He didn’t need any other opportunities! If the good omen you mentioned doesn’t help in finding the person, then I’d rather not have it! To avoid getting into trouble and wasting a lot of time!”

mm, I know ... Yan Lingshi’s expression froze slightly. Her originally bright eyes dimmed slightly, and her beautiful face revealed an unconcealable sense of loss.

Yan Lingshi did not know why, but when she saw Chen Xiaobei’s desperate look, she felt sour.

Just like how Chen Xiaobei’s praise could make her happy, this was the first time she had felt this sour feeling.

“Uh ...”

Chen Xiaobei calmed himself down and said, “That ... I’m not targeting you! He just wanted to find her as soon as possible! So, if I’m being too harsh, please don’t take it to heart ...”

Clearly, Chen Xiaobei still acknowledged Yan Lingshi as his friend. He did not want his impatience to affect this friendship.

I won’t blame you ... It’s your destiny anyway, so you can decide for yourself whether you want it or not ...

Yan Lingshi pursed her lips and said in a low voice, "I'm just a little envious of the girl with the Lotus mark! To have such a close female friend like you who would do anything for her! It's such a blissful thing!"

Envy!

Yan Lingshi's true thoughts were running through her mind!

Before this, Yan Lingshi had seen Chen Xiaobei get angry because he was looking for someone. He had even smacked his butt!

She had also seen Chen Xiaobei madly slap the guards of the capital of Blue Wolf just to find someone!

She had also seen Chen Xiaobei go against the coitus faction in order to find someone!

And now, in order to find someone, Chen Xiaobei was willing to give up such a great opportunity!

Such sincerity and infatuation were enough to move any girl in the world!

Yan Lingshi's maiden heart was touched by Chen Xiaobei time and time again.

That was why she was so happy when Chen Xiaobei complimented her! She only felt jealous when Chen Xiaobei was fierce to her!

She was really envious of Daji the third spiritual maiden.

She even wished that she could have a man who was as devoted as Chen Xiaobei.

"You're a good girl. In the future, you'll definitely find a man who's deeply in love with you!"

Chen Xiaobei sighed and tried to comfort her.

"Why? Are you giving me the good guy card?"

Yan Lingshi pouted. She raised her chin and said stubbornly, "I didn't say I like you! He was just envious of that girl! My man must be an unparalleled hero who shocks the heavens and earth! I'm not interested in your good person card!"

"It's good that you don't like it!" Chen Xiaobei smiled. Since Yan Lingshi said that she did not like it, he did not have to think too much about it.

"Let's go!" Yan Lingshi smiled coolly. Since you don't want the opportunity, we'll find a way to investigate and see if Xia Yilian has the Lotus imprint!"

"How do you plan to investigate?" Chen Xiaobei asked.

"Idiot!"

Yan Lingshi said, "Xia Yilian is the focus of everyone's attention these few days. She must always maintain her perfect posture!" Bathing and changing clothes were essential! As long as we sneak into her bath area, won't we be able to see if there's a Lotus mark?"

"Pfft ..."

Chen Xiaobei almost spat out blood. “Big sister! Can you be more serious? One moment, you want me to steal the ninth Prince’s storage bracelet, and the next moment, you want me to peek at Xia Yilian bathing ... Why do I feel like I’m on a pirate ship?”

“What are you thinking?”

Yan Lingshi retorted, “I told you to sneak into the bathroom. I’m the one who’s going to help you!” I didn’t ask you to look! Heh, as expected, all crows in the world were equally black! All men in the world are lustful!”

uh ... Chen Xiaobei was sweating. “You say it so easily! Xia Yilian’s bathroom, is it a place that anyone can sneak in?”

“Heh, I’m a primordial half-immortal!”

Yan Lingshi raised her chin and said confidently, “I’m sure I can do the plan I told you! You just wait and see!”

Chen Xiaobei wiped away his cold sweat and said, “I’m afraid that you’ll be caught and hung up, and you won’t even know how to save you.”

“Hmph! Don’t you dare look down on me!” Yan Lingshi looked around vigilantly to make sure that no one was paying attention to them.

“Whoosh ...”

In the next moment, Yan Lingshi’s mind moved, and her entire body turned into a wisp of purple Qi, floating in the air.

this ... This ... This ... Chen Xiaobei was dumbfounded.

Even Cang Tian ao was shocked and said in disbelief, “Lady Yan! You ... Your original form is this wisp of purple Qi?”

“That’s right!”

Yan Lingshi’s voice came from the purple clouds. “I, a half-celestial, am a demon formed from purple Qi! How was it? Isn’t it amazing?”

“Amazing, amazing!”

Chen quickly gave him a thumbs up and said, “Big sister! I’ll leave Xia Yilian’s bathroom to you!”

[Red Envelope Group of the Three Realms](#)

Chapter 3428: battle of the temporary imperial residence

“Just wait for my good news!”

The wisp of purple Qi shrunk to the size of a hair and flew quickly toward the center of the town.

“I didn’t expect this girl to really be of help!”

that's right! Chen Xiaobei could not help but praise, "most people would not be able to see her true form even if they looked closely! I thought I was on a pirate ship just now, but it seems that I was wrong about her ..."

"Bro bei ... Don't you think it's weird?"

However, at this moment, Cang tianao furrowed his brows and said in shock, "I can see through my primordial spirit domain that miss Yan's cultivation base is only at the half-step heaven immortal realm!"

logically speaking, it is impossible for a demon of this level to take on a human form completely. They would more or less retain some of their original characteristics!

"But not only has lady Yan completed her human form, she's also a demon formed from purple Qi! This ... This is unbelievable!"

this ... Chen Xiaobei was also shocked.

Although all living things could cultivate into demons, the demon race was also divided into different grades.

Under normal circumstances, the higher the original form, the more difficult it was to completely transform into a human.

For example, ordinary demons could completely transform into human form after reaching the one-star heaven immortal realm. However, for divine beasts like the true dragon Qilin, some of them would still retain their original characteristics even at the divine level!

Yan Lingshi's original form was a wisp of purple Qi.

If Cang tianao had not mentioned it, Chen Xiaobei would not have paid much attention to it!

Now that he thought about it carefully, this purple Qi was extremely mysterious. It was not like Zi Yuan's poison, nor was it like the infernal spirit mysterious soul's five elements attribute!

Chen Xiaobei had only seen the purple Qi, but he could not sense its existence at all!

The purple Qi did not seem to have any attributes! It was as if it should not exist in the Hong Meng Demon Realm! No! To be precise, this purple Qi might even be above the Three Realms and six paths!

Of course, this was just Chen Xiaobei's personal feeling. There was no concrete evidence!

However, even though it was just a feeling, it was already shocking enough!

That was because Yan Lingshi had completely transformed into a human form. Furthermore, it was an extremely perfect human form!

Even Cang tianao, who had lived in the Hong Meng demonic realm for millions of years, had never heard of such a thing!

bro bei ... Now, it's even more convincing to prove your conjecture!

"Lady Yan isn't from the Hong Meng yellow domain. She must be from the Hong Meng domain!" Cang Tian ao said in a deep voice. It could even be from a higher plane!"

“What? A higher plane?” Chen Xiaobei was shocked.

Chen Xiaobei had already confirmed that Yan Lingshi was not from the Huang Yu.

However, Yan Lingshi hated it when people tried to guess her secret, so Chen Xiaobei did not probe further.

Now that Cang tianao had said that, Chen Xiaobei felt that Yan Lingshi was not as simple as she seemed.

“It’s a pity that this is an independent world, and I can’t connect to the Three Realms immortal network ... Otherwise, I could ask someone ...” He thought.

Chen Xiaobei took out his phone and looked at it. Without the signal of the Three Realms network, the red envelope group could not contact the outside world.

He could only wait until he found Daji the third spiritual lady and left the Hong Meng Demon Realm before asking someone about the purple gas turning into a demon.

“No matter! It’s more important to find him!”

Chen Xiaobei calmed himself down. Nothing was more important than Daji. “Let’s not just sit around and do nothing. Let’s look around and see if we can find any other clues!”

“Yes!”

Cang tianao nodded and followed Chen Xiaobei.

.....

As the day of the competition approached, more and more participants came to the Xia clan’s territory.

Moreover, the more powerful people came, the more powerful they were.

As the host, Sheng Shijie, the ninth Prince of the Sheng family, arrived first. Then, all kinds of heavyweight contestants began to make their appearances.

In order to welcome these people, the Xia family had even built an extremely luxurious palace.

As night fell, the palace was already decorated with colorful lights, singing and dancing, and laughter. It was very lively!

“Everyone! Although my Imperial father wouldn’t come personally for such a small occasion, I, Sheng Shijie, as the ninth Prince of the Sheng family, still have to do my part as the host! Cheers!”

Sheng Shijie was dressed in a black robe with a golden python background. He was leaning on the metal throne in the center of the hall.

Although his words sounded nice, his actions were very arrogant.

He leaned back in his chair and raised his glass. He took a sip and put it down.

On both sides of the hall, there were more than a dozen young men sitting.

Although they were sitting on both sides, their status was not any worse than shengshi Jie.

For example, the eleventh Prince of Emperor Duanmu from the Western Region of the yellow domain, Duanmu Baoshu, sat on the left.

On the right was the twenty-seventh Prince of the TU family, the great emperor of the northern yellow region, tu Hongyuan!

The rest of the people were also direct descendants of the core leaders of the first-rate great factions in the primordial chaos region!

These guys didn't have any friendship with each other on normal days. This time, they were all here for Xia Yilian, so they naturally treated each other as love rivals and were cold to each other.

No wonder Sheng Shijie was so arrogant!

After all, in his own territory, Sheng Shijie had the confidence to be arrogant. He would never let other forces look down on him.

"Sheng Shijie! You brat, you're too pretentious!"

Tu Yuanhong was a rough man who looked like he was flying. He licked his lips and retorted, "We're all princes, why are you in the main seat? He even enjoyed the Luminant gold throne! And we can only stay on the two sides and sit on these broken wooden chairs?"

Obviously, this guy's personality was as rough as his appearance.

Just by having different seats, he felt extremely displeased. Furthermore, he did not know how to hide it at all and directly expressed his displeasure! Wasn't this offending people in public?

Of course, his personality must have something to do with his identity as a Prince!

In his tu clan's imperial capital, he naturally said whatever he wanted to say, and was not afraid of offending people at all!

But it was different here, no one would give in to him!

Especially Sheng Shijie, who not only wouldn't give in to him, but would also suppress him. Otherwise, how could Sheng Shijie, the landlord, start off as a meal? The entire Sheng family would be embarrassed!

"Why should I sit in the main seat? Why should he use the Luminant gold throne? How could you ask such a stupid question?"

Sheng Shijie narrowed his eyes and said with the air of a Prince, "Because this is the Sheng family's territory! If you're not convinced, you can ask your father to come! Let's see if you can turn this place into your TU family's territory!"

"Ha, what a joke! Are you, Sheng Shijie, still a kid? You're always using father as an excuse!"

Tu Hongyuan snorted disdainfully and deliberately bulged his muscles, saying provocatively, "If you have the guts, let's train alone! The strong sat on the Golden seats in the master's position! Weaklings, get out of the palace! How was it? Do you dare to?"

As soon as he said that, the men at the scene looked like they were watching a good show.

In fact, everyone was unhappy with Sheng Shijie, but they didn't say it out loud like tu Hongyuan.

But now, tu Hongyuan, the evil Tiger, had jumped out, which was a good opportunity to dampen Sheng Shijie's spirit!

In an instant, everyone's eyes widened!

Red Envelope Group of the Three Realms

Chapter 3429: ignoring threats

"BOOM!"

All of a sudden, there was a loud explosion, and the terrifying power shook the entire Xia clan town.

"Something has happened in the palace!"

Chen Xiaobei and Cang tianao were taken aback but quickly rushed over.

By the time they arrived, the commotion had already subsided.

There were already many onlookers gathered outside the palace.

"What's going on? The loud noise just now, was it a fight?"

"A room full of love rivals, it's not strange to fight!"

"Judging from the power fluctuation just now, it's about a late-stage one-star heaven immortal! If I'm not mistaken, only the three princes in the younger generation of the yellow domain have this kind of strength!"

"Prince Duanmu is a tactful person, so he won't cause any unhappiness! I'm guessing that the princes of the Sheng family and the TU family are fighting!"

"This is interesting! Who do you guys think will win?"

"Do you still need to ask? Wouldn't you know the answer when you see who will dejectedly leave the palace?"

The crowd was in a heated discussion, filled with a strong interest in this kind of gossip.

"I thought something had happened ..."

Chen Xiaobei was not interested at all. He said disappointedly, "Let's go. We'll go take a look elsewhere,"

bro bei, wait ...

I also want to know," Cang tianao said in a deep voice. between the princes of the Sheng family and the TU family, who will have the upper hand? "

alright, let's take a look then ... although Chen Xiaobei was not interested, he did not have any other leads.

They had basically made a round around the town, and there was no other place to go, so they simply stayed to watch the show and relieve their boredom.

“The situation is a little strange ...”

After a while, Cang Tian ao furrowed his brows and said, “Logically speaking, since we’ve already made a move, we can’t just let things be! Why was there only a loud noise and then no more movement?”

“Maybe the winner has already been decided inside.” Chen Xiaobei said disinterestedly.

“Impossible!”

“As far as I know, Sheng Shijie and tu Hongyuan are both mid-stage one-star heavenly demons, infinitely close to the late-stage!” Cang tianao said in a deep voice. If they fight, it’s impossible to determine the winner in one move!”

“Bang!”

At this moment, a black shadow flew out from the palace gate and landed heavily on the ground.

The force was so great that not only did it create a large crack on the ground, but it also caused the surrounding people to tremble.

In an instant, everyone’s eyes were focused on him.

He saw that the black shadow was a burly man as strong as an ox!

However, this burly man was already seriously injured.

His high-level earth-god gorgeous brocade robe had been torn into pieces.

The burly man’s body was covered in wounds, as if he had been bitten by countless wild beasts. Blood kept flowing out, and in a moment, the ground beneath him was soaked.

“How could this be? Hong Yuan was defeated in one move? And to be defeated so miserably?”

Cang Tian ao recognized the heavily injured man at a glance. He was the Prince of the TU family, Tu Hong Yuan.

From Cang Tian ao’s words and tone, it was not difficult to see that in his eyes, tu Hongyuan’s strength should be about the same as Sheng Shijie’s. Even if he was defeated, it was impossible for him to be defeated in one move, let alone be beaten to such a state!

If he had not seen it with his own eyes, Cang Tian ao would not have believed that this was true.

“What’s wrong? You know him?”

Chen Xiaobei was very smart. He could hear the worry in Cang tianao’s tone.

“I do ...”

Cang Tian ao nodded and said, “I’ve been friends with the TU family for generations!” I watched Hong Yuan grow up ...”

“Hong Yuan fought with Sheng Shijie not because he was stupid, but because he valued friendship too much! I’m the sworn enemy of the Sheng family, and it’s only natural for Hong Yuan to hate the Sheng family!”

“This child has a straightforward personality and can’t hide things! He definitely couldn’t hold back his anger when he faced Sheng Shijie! It’s completely within my expectations when we fight!”

Cang Tian ao frowned and sighed, “it’s just that, I didn’t expect that this child would be beaten up like this!” Sheng Shijie, this scoundrel, simply doesn’t put the tu clan and my Cang clan in his eyes! You’re going too far!”

“Don’t say anymore, let’s go and save them!” Chen Xiaobei said.

Obviously, Chen Xiaobei had always been a loyal person, and he liked people who valued relationships!

What’s more, tu Hongyuan was seriously injured, and his Dharmakaya could not leave his body. If he was not treated in time, his life would be in danger!

“Stop!”

At this moment, a cold snort came from the palace gate.

A battle general with eyes like a Falcon and wearing green steel armor came with the voice.

As soon as this person came out, the surrounding people’s discussions instantly stopped. Some people showed respect, some showed fear, and some even retreated directly.

Even if he used his toes to think, he would know that this battle general was not a kind person!

And that ‘stop’ was directed at Chen Xiaobei!

All of a sudden, everyone looked at Chen Xiaobei with sympathy and pity, as if Chen Xiaobei was about to die a horrible death.

However, Chen Xiaobei was not afraid at all. Instead of stopping, he continued to walk forward.

“I told you to stop! Otherwise! Die!”

The green steel armored man hollered in rage, directly issuing a death threat. He definitely wouldn’t say “stop” a third time.

Arrogant! Overbearing! He was supercilious!

“Bro bei ...”

Cang tianao quickly followed and stopped Chen Xiaobei.

It was not that Cang tianao was afraid of him, but he was worried that he would ruin Chen Xiaobei’s plan and even put Chen Xiaobei in a dead end.

Therefore, Cang tianao had to stop Chen Xiaobei.

“Oh? It’s you guys?”

When he saw Cang tianao and Chen Xiaobei, the man in the green steel armor sneered, " "You two are the two trash who didn't dare to sign up for the joust for a spouse Festival!"

It was obvious that the man in the green steel armor was the arrogant general of the Sheng family, Xue changgong!

When Chen Xiaobei and Cang tianao said that they did not want to sign up, Xue changgong had mocked them for not being men.

Xue changgong raised his voice and humiliated Chen Xiaobei and Cang tianao in front of everyone.

"Let go ..."

Chen Xiaobei did not want to waste any more time with Xue changgong and told Cang tianao to let go.

"What's wrong? Do you want to save tu Hongyuan?"

Xue changgong sneered arrogantly and said, "listen carefully!" Tu Hongyuan, that idiot, was beaten up like this because he challenged the ninth Prince! The ninth Prince has said that anyone who dares to help Tu Hong Yuan will have the same fate as him!"

"Bang! Bang! Bang! Bang ..."

As soon as he finished speaking, more than a dozen heavily injured people were thrown out of the palace. Each one of them was covered in wounds and blood was flowing.

"Don't say that I'm scaring you two pieces of trash!"

"These people are tu Hongyuan's followers!" Xue changgong said disdainfully. If you take half a step forward, I'll turn you into this!"

A threat!

It was a blatant threat!

bro bei ... This is the Sheng family's territory. No one dares to disobey Sheng Shijie! Cang tianao lowered his voice and said, " and your quest ... Bro bei!!!

Before Cang Tian ao could finish his sentence, he was stunned.

That was because Chen Xiaobei had ignored Xue changgong's threat and Cang tianao's advice!

He took a step forward in anger!

He walked towards tu Hongyuan in a domineering manner!

Chapter 3430: Can only agree

3430 Can only agree

Face smacking!

Strong and violent face slapping!

Initially, Xue changgong wanted to humiliate Chen Xiaobei and Cang tianao by threatening them with his life.

However, Chen Xiaobei's forceful step forward was equivalent to giving Xue changgong a tight slap in the face!

Just now, Xue changgong even brought up Sheng Shijie, but Chen Xiaobei ignored him, which was equivalent to giving Sheng Shijie a tight slap in the face!

"Little trash! I think you're tired of living!"

Xue changgong had wanted to see Chen Xiaobei and Cang tianao being humiliated and then retreat. He did not expect Chen Xiaobei to not be afraid at all. Instead, he slapped him back in front of everyone.

Even though Xue changgong was only Sheng Shijie's dog ...

However, as the saying goes, one must look at the owner before hitting the dog.

For so many years, no one had ever dared to ignore Xue changgong's threat, and no one had dared to not give him face.

Slapping and humiliating others were Xue changgong's specialty!

However, this was the first time that he, Xue changgong, had been slapped in the face and humiliated!

Who couldn't endure it!

"Whoosh ..."

With the explosion of anger, a violent celestial core power emerged from Xue changgong's body.

He was already a one-star SkyDemon!

In the primordial yellow domain, this kind of cultivation could already be considered as middle-tier!

Ordinary demons were simply not his match!

Since he had shown his strength, it meant that Xue changgong was really angry!

With his personality, he would definitely kill Chen Xiaobei and Cang tianao and make them die a horrible death!

Otherwise, Xue changgong would not be able to save face, and Sheng Shijie would not need a dog that would embarrass him!

Because of this, Xue changgong and Chen Xiaobei's heaven's pride were destined to be mortal enemies! Either he, Xue changgong, or Chen Xiaobei and the death of heaven!

"Bro bei ..."

Seeing the aggressive Xue changgong, Cang tianao's brows were furrowed.

To be honest, cangtian ao did not expect Chen Xiaobei to risk his entire plan to find tu Hongyuan!

Cang tianao knew that Chen Xiaobei was very determined to find the person he was looking for! He even gave up on a huge opportunity just like that!

But now, if Chen Xiaobei wanted to save tu Hongyuan, he was destined to become the Sheng family's enemy!

Before they entered the city, Cang Tian ao had said that if the Sheng family colluded with the forces of the Hong Meng region, even he, Cang Tian ao, could not leave this place alive!

One could imagine!

Once he became the Sheng family's enemy! Not only did Chen Xiaobei's plan to find her need to be scrapped! He might even lose his life!

This was why Cang tianao had tried to stop Chen Xiaobei more than once.

In fact, when Xue changgong threatened him for the last time, Cang tianao had already decided to give up on tu Hongyuan.

After all, compared to the faith in Cang tianao's heart, sacrificing one or two people, even sacrificing himself, was absolutely worth it!

However, Cang tianao did not expect Chen Xiaobei to think otherwise!

This made Cang Tian ao very surprised and confused!

However, other than being surprised and puzzled, Cang Tian ao was actually a little touched.

After all, Chen Xiaobei was willing to stand up for someone he had just met!

Such loyalty! Courage! Responsibility! Courage! It was something that ordinary people would never be able to possess!

This convinced Cang tianao that Chen Xiaobei was the demonic ancestor's Messenger!

More importantly, this emissary of the demon ancestor was loyal and worthy of his support!

This was the charm of Chen Xiaobei!

It was because of this charm that Chen Xiaobei could always make men submit to him and be loyal to him!

It was also because of this charm that Chen Xiaobei could always make girls fall in love with him, even to the point of death!

Of course!

Other than Cang tianao, no one else would care about Chen Xiaobei's charm!

In their eyes, Chen Xiaobei was already a dead man.

"Did this kid take the wrong medicine? They didn't even dare to sign up for the groom search! How could you have the guts to provoke General Chang Gong?"

“Yup! This kind of behavior was simply incomprehensible! Isn’t this just courting death?”

“Die! He would definitely die! A mere early dongxu stage trash! General Chang Gong can crush ten thousand of them with a single finger!”

There was no doubt that most of the demon clans in the Hong Meng Huang domain were at the earth immortal level. A one-star heaven immortal like Xue changgong was already considered as an expert in the upper-middle level.

In everyone’s eyes, Chen Xiaobei was only at the early dongxu stage! The difference between him and Xue changgong was 108000 times!

There was no doubt that Chen Xiaobei would survive this battle!

“Little trash! How do you want to die? Hahaha ...”

Xue changgong did not seem to care about Chen Xiaobei. He did not rush to attack, but instead, he shouted arrogantly.

He wanted to attract as many onlookers as possible so that he could kill Chen Xiaobei and save more face.

As expected, more and more people gathered around following his roar.

Without a doubt, no matter how many people came, they all had the same view on this battle! He was certain that Chen Xiaobei would die! There was no suspense at all!

However, Chen Xiaobei did not show any reaction. He walked to tu Hongyuan’s side and took out a lot of spiritual pills and herbs. He either fed them to tu Hongyuan or applied them to his wounds.

“This brother ...”

Tu Hongyuan caught his breath and asked in confusion, “I don’t know you? Why did you risk your life to save me?”

“I’ve stuck to the word” friendship “my entire life, and I can’t bear to see people who value friendship get hurt!” Chen Xiaobei’s tone was calm, but it was firm and domineering!

“Brother ...”

Tu Hongyuan frowned and said, “I’m very grateful for your timely help ... But, can’t you think for yourself?” You’ll end up worse than me if you offend Xue changgong ...”

“My fate? What will happen to me?” Chen Xiaobei turned around and started to treat the rest of the injured.

“You will die! Furthermore! You’ll die a miserable death!”

Xue changgong is a one-star heavenly demon, ” tu Hongyuan said in a deep voice. your strength is far inferior to his!

“You don’t have to worry about that!” Chen Xiaobei shrugged. He was not afraid at all.

“Little trash! Aren’t you afraid at all?”

When he saw that the number of onlookers had exceeded thousands, Xue changgong once again roared arrogantly, “The gap between our cultivation bases is so huge that it can’t be made up! Without any exaggeration, even a sneeze from me can shatter your body into pieces!”

“Is that so?” Chen Xiaobei retorted.

“Isn’t it?” Xue changgong thought that he would definitely win, so he said again, “Of course, if you kneel down now, destroy your cultivation, and kowtow ten thousand times, I’ll spare your dog life!”

As soon as he said that, the crowd exclaimed again.

“Too ruthless! Not only did he want to kneel and kowtow, he even wanted to destroy his own cultivation? He’s going to completely ruin the rest of that kid’s life!”

“So what if he’s ruthless! That kid would still have to agree obediently! Unless he really doesn’t want to live anymore!”

“Yes ... In order to live! Even if it’s a more brutal request, he could only obediently agree ...”
