#### Chapter 3431: extremely powerful

“Little bastard! My patience is limited, I will only count to three! If you don’t do as I say, I’ll definitely make you die a miserable death!”

Xue changgong grinned hideously. He looked at Chen Xiaobei as if he was looking at an ant.

All the onlookers also looked down on Chen Xiaobei. They believed that Chen Xiaobei would agree to Xue changgong’s threat or he would die.

“Ha.”

However, Chen Xiaobei only smiled. He did not take Xue changgong’s words seriously.

He continued to take out medicine to treat the injured.

“Bro bei, let me do it ...”

At this moment, Cang tianao could not stand it anymore.

Since Chen Xiaobei had completely enraged Xue changgong, this matter was not going to end well.

No matter what, Cang tianao would not let the Saint get hurt. He had no choice but to fight Xue changgong himself.

“It’s none of your business. Stand aside.”

Chen Xiaobei waved his hand and slowly stood up. He looked at Xue changgong coldly and said, “If I can’t even take care of this piece of trash, how can I face my little Daji?”

Obviously, the reason why Chen Xiaobei wanted to slap Xue changgong in the face this time was not only to protect tu Hongyuan, but also for little Daji.

Chen Xiaobei did not want Daji to think that his man was a coward after he found her!

Because of this, Chen Xiaobei had to get involved in this matter, and he had to do it himself!

“Numbed! A mere early dongxu stage trash! How dare he be so arrogant! Such arrogance! Do you really not know the immensity of the heavens and earth?”

you! Xue changgong was enraged. His ethereal force surged, and he was ready to kill Chen Xiaobei!

“Woof!”

However, Chen Xiaobei was one step ahead of him. He moved!

The speed was extremely fast!

It was so fast that other than Cang Tian ao, no one else could see it clearly!

There was no fancy movement, nor was there any gorgeous true essence. It was a simple punch!

However, although the speed and power of this punch were not as powerful as that of a two-star heaven immortal, it was definitely far more powerful than that of a one-star heaven immortal! With Xue changgong's cultivation, he could not even Dodge it, let alone block it!

"Bang!"

A loud explosion was heard.

Xue changgong was sent flying backward like a meteorite! It smashed heavily against the door of the palace!

The thick and heavy door, along with the entire wall in front of it, was completely shattered by the huge force, and the entire Palace shook for a moment.

Xue changgong had no reaction among the rubble.

No one could have imagined that the green steel helmet he was wearing had been shattered by a single punch. At the same time, his head had also exploded!

Right!

It was a headshot with one punch!

Xue changgong, who was lying on the ground, was already a corpse! Skulls and brain matter splattered everywhere, it was a terrible sight!

"This ... This, this, this ..."

Seeing this scene, all the onlookers were dumbfounded as if they had been struck by lightning.

All of them were so shocked that their eyes were wide open and their mouths were wide open.

How did this happen?

Did he see a ghost?

help! Ninth Prince, help!

At this moment, Xue changgong's Dharmakaya and nascent soul came out of his body and screamed hysterically. At the same time, they used all their strength to escape into the palace as fast as they could!

"Bro bei, run! Don't provoke Sheng Shijie!"

At the same time, cangtian ao ran over, trying to take Chen Xiaobei and tu Hongyuan away.

Obviously, Cang tianao had already seen through Chen Xiaobei's strength.

Chen Xiaobei's cultivation was at the early dongxu stage, but he had a two-star divine immortal physique.

This kind of strength, to put it bluntly, was strong on the outside but weak on the inside!

He could easily deal with a normal one-star celestial immortal, but against a peak one-star celestial immortal, Chen Xiaobei would only be able to take a beating.

The main point was! Without the protection of a two-star divine fairy's celestial core power, Chen Xiaobei's body would be injured if he was repeatedly hit or slashed by a sharp blade!

Because of this, Cang Tian ao felt that they should stop this battle and not clash with shengshi Jie.

"Ling jiuxiao!"

However, Chen Xiaobei did not listen to Cang tianao. He flashed and gave chase.

"Oh my ..."

ah! Xue changgong screamed. He tried to run away but he could not escape from Chen Xiaobei's grasp.

"Exterminate!"

Chen Xiaobei took out a blood-red sword.

In an instant, the entire area was enveloped by a blood-red light. The overbearing pressure made everyone's heart tremble.

Even Cang Tian ao was no exception!

The moment he saw the chaos Blood Sword, Cang Tian ao knew that it was a great weapon made for killing!

The moment this sword appeared, there would definitely be someone who would sacrifice their life to the sword!

"Woof!"

Chen Xiaobei came down from the sky!

Similarly, there were no complicated moves or Dharma images. It was just a simple and straightforward sword!

"Cha! Yi ..."

Chen Xiaobei's strength and speed were all added to the chaos Blood Sword!

The chaos Blood Sword had been upgraded to a two-star heaven immortal, and its blade was sharp and unparalleled!

With a crisp sound, Xue changgong's Dharmakaya and his dark spirit were cut in half! Then, they all vanished into thin air and no longer existed!

More importantly!

Xue changgong's primordial spirit was directly captured by the blood-red light of the chaos Blood Sword!

After becoming a heaven immortal, one's origin soul could exist independently in the world!

In other words, even if the physical body, Dharmakaya, and Yin soul were all destroyed, as long as the primordial spirit was not destroyed, the heaven immortal would have the chance to regather the soul and rebuild the physical body of the Dharmakaya!

However, at this moment, Xue changgong's primordial spirit had been imprisoned by the death God's cage, and there was no way out!

"Help! Ninth Prince, help!"

Xue changgong could do nothing but ask for help.

audacious!!!

However, at this moment, an angry roar came from the depths of the palace.

The commotion caused by the punch earlier had already alerted the group of young men who were making fun in the palace.

When they heard Xue changgong's shrill screams, they quickened their pace and rushed out.

As the host and Xue changgong's master, Sheng Shijie naturally took the lead and was the first to rush to the scene.

"You have to look at the owner before you hit the dog! How dare you cripple Xue changgong in front of me! Do you think your life is too long and you don't want to live?"

Sheng Shijie was wearing a long black robe with a golden python pattern. He looked very imposing. His dark eyes were staring at Chen Xiaobei like a beast staring at its prey.

At the same time, more than a dozen young men with extraordinary identities who had been drinking in the hall rushed out.

Immediately after, the 1000 black-armored warriors who had escorted Sheng Shijie here also surrounded him.

Everyone was staring at Chen Xiaobei!

Hostility! Killing intent! Battle intent! It instantly enveloped the entire space!

The crowd was so scared that their faces turned pale and their bodies trembled as they retreated.

But!

In Chen Xiaobei's eyes, the enemies that came later were not even worth a fart. get out of my sight in three seconds. Otherwise, I'll kill you without mercy!

#### **Chapter 3432: My territory**

3432 My territory

"What? Kill without mercy?"

When Shengshi Jie heard this, he immediately frowned. His fair face instantly turned gloomy and his gray eyes were filled with unprecedented anger!

All of a sudden, everyone around them was affected by Sheng Shijie's sudden change in aura and began to whisper.

"That kid must be crazy! A strong Dragon can not suppress a snake in its own territory! The Prince of the TU family has been crippled, and he still doesn't give face to the ninth Prince of the Sheng family!"

"That kid is too arrogant! I've never seen such a daring person!"

"Arrogant people usually don't live long! Look! The ninth Prince was truly enraged! Today, even the heavens can't save that idiot!"

.....

"Little brat! I'll give you two choices!"

Sheng Shijie's tone was gloomy as he directly threatened, "You can release Xue changgong's primordial spirit, destroy your cultivation, and kneel down to apologize! Or, this Prince will cripple you, then slice you into meat paste and feed you to the dogs! And seal your soul in the dog's body! I'll make you wish you were dead! A lifetime of shame!"

Everyone was shocked by his words!

Sheng Shijie was too overbearing! And it was very vicious!

Killing people was just a nod! Killing the heart was the most ruthless revenge!

Sheng Shijie did not want Chen Xiaobei's life. He wanted Chen Xiaobei to be a dog for the rest of his life! To live in the shadow of shame and inferiority, a life worse than death!

All of a sudden, everyone looked at Chen Xiaobei with sympathy.

After all, Sheng Shijie and Xue changgong were different!

His status was even higher! His cultivation was even higher! His trump card was even stronger!

The two of them were on completely different levels!

To the crowd, it was understandable for Chen Xiaobei to defeat Xue changgong, but it was impossible for Chen Xiaobei to defeat Sheng Shijie!

"Brother ... You should leave ..."

Even tu Hongyuan couldn't help but try to persuade him again, "Sheng Shijie, this grandson, is too strong! He has already broken through to the peak of one-star sky Demon Realm ... I can't even block one of his moves ... Although you're not weak, you're definitely not his match!"

Clearly, tu Hongyuan had also seen through Chen Xiaobei's strength. So, he was very worried that Chen Xiaobei would die at the hands of Sheng Shijie.

"Bro bei ..."

Cang Tian ao was also very worried. He lowered his voice and said, " "If you really want to fight, then let me do it!"

All of a sudden, whether it was his enemies, onlookers, or his own people, everyone thought that Chen xiaobeidou was no match for Sheng Shijie.

However, to everyone's surprise, Chen Xiaobei did not give in. He did not ask Cang tianao to attack. He did not even have any intention of negotiating.

"Three seconds have passed!"

Chen Xiaobei's words were like death's pronouncement.

It was extremely powerful! It was extremely domineering! He was extremely cold-blooded!

"Numbing! I'm giving you face, but you don't want it!"

"I thought you would make the right choice!" Shengshi Jie was enraged. He didn't expect that! You're actually so stupid! Since that's the case, I'll personally take action and let you know what despair is!"

"Cripple him! Ninth Prince! We must cripple this little bastard!"

At this moment, Xue changgong's primordial spirit roared hysterically as if it was possessed. It cursed fiercely and said, " "I want him to suffer! I can't die! I want him to regret being born into this world!"

"You're too noisy!"

Chen Xiaobei's dark eyes flashed with a cold, murderous intent!

"Woof! Buzzzzzz! Yi ..."

Chen Xiaobei's mind moved, and countless tiny rays of blood-red light burst out from the death God's cage!

Like a thousand blades, Xue changgong's primordial spirit was cut into pieces!

"Hiss ... Hiss ..."

Everyone watched in shock as Xue changgong's shattered primordial spirit was absorbed into the chaos Blood Sword.

Capture the essence spirit! He was absorbing the essence of his primordial spirit! This was the special ability of the death Blood Crystal!

However, after the upgrade, the special abilities of the death Blood Crystal and the chaos Blood Sword had undergone some subtle changes!

The essence of the primordial spirit that was absorbed could be used to upgrade the chaos Blood Sword! He could also use it to activate the chaos Blood sword's power!

For example, after devouring the essence of Xue changgong's primordial spirit, the chaos Blood Sword could Strike Ten times with the power of a one-star heaven immortal!

More importantly, it didn't need to consume a single spiritual stone!

In other words, if the chaos Blood Sword could absorb the essence of a two-star heaven immortal's primordial spirit, it could Strike Ten times with the power of a two-star heaven immortal!

One had to know that under normal circumstances, it would take 500 billion upper-grade spirit stones to activate the power of a two-star heaven immortal!

Ten times would save Chen Xiaobei five trillion in expenses!

This was not a joke!

Chen Xiaobei only had 81399 pieces of low-grade spiritual Jade in his hands. Five trillion was more than half of that!

Of course, Xue changgong's cultivation was too weak. Chen Xiaobei was not interested in his power.

Therefore, all of Xue changgong's essence of his primordial spirit was fed back to the chaos Blood Sword.

As long as it absorbed a certain amount of essence of primordial spirit, the chaos Blood Sword would be able to advance by a small realm and become more powerful.

"Chang Gong!"

Sheng Shijie's anger was already on the verge of exploding. Xue changgong's death was equivalent to pouring a bucket of kerosene on Sheng Shijie's anger!

Even though Xue changgong was just Sheng Shijie's dog ...

But this dog was killed by Chen Xiaobei in front of so many people!

As the host, Sheng Shijie felt that his face had been smashed by an invisible slap! To him, this was a great humiliation!

He was furious!

Extreme rage!

As the ninth Prince, Sheng Shijie was treated with respect wherever he went. No one dared to not give him face, and no one dared to slap his face in public!

Therefore, at this moment, the fury that Sheng Shijie burst out was definitely the most intense one he had ever experienced in his life!

ten thousand Python gallop!!!

With a crazy roar, Sheng Shijie didn't hold back at all. He instantly activated his strongest power!

"Whoosh! Whoosh! Whoosh ..."

Countless black ethereal force burst out and turned into thousands of giant pythons that charged at Chen Xiaobei.

Each of these giant pythons had the power of a peak one-star heaven immortal!

The point was that these giant pythons were all condensed by celestial core power. Their impact, lethality, and even the hardness of the Dharma form were all extremely terrifying!

The fangs of the Pythons alone were enough to bite through Chen Xiaobei's body, which was not protected by his celestial core power!

bro bei!!!

brother!!!

Seeing this, Cang tianao and tu Hongyuan couldn't help but scream.

A child holding a sharp knife was enough to stab an adult!

Although Chen Xiaobei's physical body was strong, without the protection of his celestial core power, he would be killed by the attack of the ten thousand pythons!

However, to their surprise, Chen Xiaobei was not only unafraid, but he also withdrew his chaos Blood Sword!

"This is not your territory! This is my territory!"

Chen Xiaobei reached out his right hand and snapped his fingers.

### Red Envelope Group of the Three Realms

#### **Chapter 3433: extremely overbearing**

"What's that kid doing? Are you crazy?"

he actually put away his weapon and snapped his fingers when he was about to die??? He's using his life to show off!"

he shouldn't have been able to survive the ninth Prince's attack. He must have been scared out of his wits to do something so meaningless!

All the high ranking young men, soldiers, and spectators were looking at Chen Xiaobei as if he was an idiot.

They thought that Chen Xiaobei would at least be able to fight shengshi Jie for a few rounds! He didn't expect that he would be so stupid that he would lose his life with a snap of his fingers!

"Brother ..."

Tu Hongyuan was also dumbfounded. He could not understand what Chen Xiaobei was thinking. Did he really want to die?

"Bro bei ..."

Only Cang tianao knew that Chen Xiaobei's snap was not an ordinary snap!

However, this also made Cang Tian ao extremely worried.

This was because Chen Xiaobei might attract an enemy who was many times stronger than Sheng Shijie!

That was the true horror!

“Whoosh ...”

With a snap of Chen Xiaobei’s fingers, an unimaginable scene suddenly erupted!

Those incomparably terrifying 10000 black pythons were actually like a flame that had been doused with a basin of cold water, being extinguished in an instant!

That’s right!

Chen Xiaobei’s one-star pinnacle heavenly immortal essence was completely destroyed by the snap of his fingers.

They did not even hurt Chen Xiaobei, let alone kill him!

this ... This, this, this ... How is this possible?!

At the sight of this scene, Sheng Shijie and everyone else in the surroundings let out an incredulous scream.

Shocking! Aghast! Astonishment! Even if they racked their brains, they still couldn’t figure out what was going on.

How did Chen Xiaobei manage to nullify Sheng Shijie’s killing move with just a snap of his fingers?

This was no longer a cheat! This was simply a fantasy, it couldn’t be true!

Everyone couldn’t believe it, and some even pinched their own thighs!

However, the intense pain quickly told those people that all of this was real! It was definitely real!

“Die!”

Chen Xiaobei did not sit around while everyone was still in shock.

With the chaos Blood Sword in his hand, Chen Xiaobei charged at the dumbfounded Sheng Shijie.

“Your Highness, ninth Prince! Quickly defend! Don’t be in a daze!”

At this moment, the surrounding black-armored soldiers all started to shout.

They were all extremely loyal to Sheng Shijie. If possible, they would even be willing to block a sword for him.

However, the strongest among them was only a half-step heaven immortal. There was no way they could catch up to Chen Xiaobei’s speed.

“Whoosh ...”

Fortunately, Sheng Shijie wasn’t an incompetent person. He reacted quickly, and his state of mind was stable. He calmly condensed his celestial core power to protect his body.

“Woof!”

This time, Chen Xiaobei did not activate the chaos Blood sword's two-star divine immortal power. Instead, he used his physical strength to attack.

With Chen Xiaobei's physical strength, as long as Sheng Shijie defended with all his might, he could block the sword with his protective celestial core.

"Phew ..."

However, as soon as the chaos Blood Sword slashed down, Sheng Shijie's body-protection celestial core power collapsed on its own.

Just like the 10000-headed giant python earlier, it was completely useless.

This time, Chen Xiaobei did not snap his fingers. Many people, including Sheng Shijie, were puzzled.

Anyone with eyes could see that on Chen Xiaobei's right index finger, the infinite space ring had lit up with a red-gold pattern.

That's right!

This was the primordial chaos demonic flame!

Back in the capital of the kingdom of Graywolf, Chen Xiaobei had used the grandmist demonic fire to connect with the energy law of this world, cutting off the energy of the sky slaughtering formation and rendering it completely useless!

It was the same at this moment.

Chen Xiaobei used the primordial demonic fire to connect with the energy law and directly took the root of the problem, causing Sheng Shijie's attack and defense to lose the support of energy.

In this way, even if Sheng Shijie had the cultivation base of a heavenly God, it would be useless!

"Swish!"

With a sweep of his sword, the sharp blade went in and out, directly cutting through Sheng Shijie's neck.

"Pfft ..."

In the next moment, Sheng Shijie's head fell to the ground, and blood gushed out like a fountain.

"Beheading ... Beheading?"

This horrifying scene instantly made everyone in the surroundings feel their hearts jump and their jaws drop.

A human head! Fresh blood! Corpse!

The ninth Prince of the Sheng family had been beheaded by a single sword!

No one would have believed such a shocking scene if they had not seen it with their own eyes.

"Brother ... No! Senior! You're simply too strong!"

Tu Hongyuan's voice was shaking. He did not even dare to address Chen Xiaobei as his brother.

One had to know that he, tu Hongyuan, was already one of the top experts among the younger generation in the Hong Meng Huang domain.

However, tu Hongyuan couldn't even block one move from Sheng Shijie!

And now, Sheng Shijie was beheaded by Chen Xiaobei!

In comparison, tu Hongyuan felt that he was too weak to be compared to Chen Xiaobei. He did not have the face to call Chen Xiaobei 'brother'.

"Bro bei! Let's go ..."

Cang tianao knew that the primordial demonic flame had already been exposed.

Those with discerning eyes and smart people, although none of them said anything at the moment, it would not be long before this information reached the ears of many important figures.

Those who wanted to replace primordial chaos demonic ancestor would not let Chen Xiaobei go, especially those who had established their own orthodoxies.

"Leave? You're dreaming!"

Sheng Shijie let out a hysterical roar, and his Dharmakaya flew out from the headless body. He glared at Chen Xiaobei and roared, " "Little bastard! You crippled my body! It's a declaration of war against the entire Sheng family!"

"Just wait for your death! My father will be coming through the teleportation array soon! Even if you want to escape! The ten billion soldiers of the Sheng family will find you even if they have to dig three feet underground and let you die without a burial place!"

As the saying goes, a strong Dragon can not suppress a snake in its own territory!

After all, this was the Sheng family's territory, and if shengshi did not do anything, it would be a slap in the face to the entire Sheng family!

The Emperor of the Sheng family, Sheng kuangzhan, would never let this go!

"Bro bei! Let's go! Otherwise, it'll be too late!"

Cang tianao knew what was at stake and quickly urged Chen Xiaobei.

In reality, even if he, Cang tianao, had made a move, he would not have dared to be so ruthless!

If they declared war on the entire Sheng family, they could forget about leaving the Sheng family's territory alive!

After all, the Sheng family was a Sovereign Lord of the yellow region. They had many experts under them, a strong foundation, and ten billion Yuan worth of armor.

Even if Chen Xiaobei had a wisp of the grandmist demonic fire, it was not invincible!

Just the consumption of mental power alone was enough to kill Chen Xiaobei!

Moreover, if they did not retreat now and entered a stalemate with the Sheng family, there was no guarantee that the higher-ups would not come to kill them.

“Leave?”

However, Chen Xiaobei gave her a domineering answer, ” “Sheng Shijie! I’ll be waiting right here! If your old man dares to come, I’ll send him to hell with you!”

### Red Envelope Group of the Three Realms

#### **Chapter 3434: capture**

Chen Xiaobei’s tone was very calm, very calm, but to the people around him, it was like thunder from the ninth heaven!

Send Sheng Shijie and his old man on their way?

Did ... Did I hear it wrong?

Needless to say, those onlookers were all dumbfounded and couldn’t even speak.

Cang tianao and tu Hongyuan were also dumbfounded.

The two of them knew very well that Sheng Shijie’s father, Sheng kuangzhan, was the Great Eastern Emperor of the Hong Meng yellow region. He was extremely powerful, and even if Cang tianao were to fight him, he would only have a 50% chance of winning.

The surrounding princes and young masters of the big forces were naturally aware of this.

All of them had different plans in their minds, but they all had one thing in common-they were all trying to figure out who Chen Xiaobei was!

Just a moment ago, no one had taken Chen Xiaobei seriously. But now, they no longer saw him as a small fry.

One was about beheading Sheng Shijie and directly challenging Sheng kuangzhan!

It was impossible for an ordinary person to do such a domineering thing!

At this moment, even if Chen Xiaobei was said to be an important figure in the Hong Meng dark domain, or even the heavenly domain, everyone would believe him immediately!

Endless shock had already filled everyone’s heart!

Even Sheng Shijie, who had been clamoring for Chen Xiaobei’s death, was dumbfounded. He did not know what to say.

He had wanted to use the entire Sheng family to threaten Chen Xiaobei.

But Chen Xiaobei did not even care about the Sheng family!

Judging from Chen Xiaobei’s overbearing aura, even if the entire Sheng family and their ten billion-strong Army were to come, Chen Xiaobei would be able to kill them all!

“Why aren’t you talking? Let your old man do it!”

Chen Xiaobei was extremely domineering. Not only was he not afraid, he even urged Sheng Shijie to call Sheng kuangzhan over.

“This ... No... This ...”

Sheng Shijie was dumbfounded. He stammered and couldn't even say a proper sentence.

Chen Xiaobei was too strong!

He was so domineering that Sheng Shijie felt guilty and afraid, and even wanted to retreat!

Human nature was cheap!

If Chen Xiaobei was not so strong, Sheng Shijie would not feel guilty. Instead, he would be even more arrogant and use his family background to threaten Chen Xiaobei and take revenge on him.

However, Chen Xiaobei was so powerful that he looked down on everyone! Sheng Shijie couldn't help but worry!

He was worried that even if he gambled with the entire Sheng family, he would not be able to do anything to Chen Xiaobei. He might even bring harm to the entire family.

Because of Chen Xiaobei's power, Sheng Shijie could not figure out Chen Xiaobei's strength. He had no confidence at all.

After all, a single person challenging a Sovereign Lord's clan was unprecedented in the entire Hong Meng Huang domain. Even in the entire Hong Meng Demon Realm, such a crazy thing had never happened.

If Chen Xiaobei had not become the first person to achieve this, no one would have even thought about it.

“Sheng Shijie! Are you scared? Ah?”

Seeing this, tu Hongyuan roared.

The resentment, anger, and grievance in his heart were all released at once.

Seeing that Sheng Shijie was suppressed by Chen Xiaobei to the point that he could not even speak, tu Hongyuan was overjoyed.

Of course, tu Hongyuan knew very well that the only reason he could vent his anger was all because of Chen Xiaobei. His admiration and respect for Chen Xiaobei was like a raging river that could not be stopped.

bro bei ... He's so cool! He's trying to capture me!

Cang tianao squinted his eyes from afar, his admiration for Chen Xiaobei was endless.

Others might not be able to tell.

However, Cang tianao had already realized that Chen Xiaobei did not want to start a war with the entire Sheng family.

Firstly, it would not help him in his search. Secondly, Chen Xiaobei knew that the primordial demonic flame was not invincible.

If they were to go to war with the entire Sheng family, endless trouble would befall them. Not only would it affect the search, but it would also put Chen Xiaobei's life in danger.

It was precisely because of this.

Chen Xiaobei had used a clever trick!

The more he did not want to start a war with the entire Sheng family, the more he had to show his dominance!

As long as Sheng kuangzhan was not an idiot, he would definitely be wary of Chen Xiaobei's power!

Fear came from the unknown!

Not only did the Sheng family not know Chen Xiaobei well, no one in the entire Hong Meng Demon Realm knew how deep Chen Xiaobei's Foundation was!

In this way, the entire Sheng family would be afraid!

In fact, the entire Hong Meng Demon Realm would be afraid of Chen Xiaobei!

No one with a brain would be the first one to jump out and do something before they could figure out Chen Xiaobei's true strength!

So, Chen Xiaobei's plan was simply amazing!

With just a few simple words, he could intimidate the entire Sheng family and the entire Hong Meng Demon Realm!

Even the overlords in the Qing-Yun realm didn't dare to do anything!

Such a heaven-defying plan, even someone as strong as Cang tianao was in awe of it. He believed from the bottom of his heart that following Chen Xiaobei was the best choice he had ever made in his life!

"Sheng Shijie! My patience is limited!"

I don't know! Chen Xiaobei said, "if you admit defeat now, I can spare your life. Of course, these people around you can live too!"

Everyone was shocked by his words.

The people Chen Xiaobei was pointing at were the princes and young masters of the ten major forces, as well as a thousand black-armored warriors.

Just a moment ago, these people were still surrounding Chen Xiaobei with murderous intent, not taking him seriously at all.

But at this moment, they were completely stunned by Chen Xiaobei.

"Ninth Prince! Hurry up and admit defeat! Don't hesitate anymore!"

Duanmu Baoshu swallowed his saliva as he urged, " "This senior's strength is unfathomable! He was probably one of the most powerful figures in the dark domain or even the heavenly domain! Do you want the entire Sheng family to be buried with you?"

The surrounding princes and young masters all nodded their heads like chicks pecking at rice."Ninth Prince! Prince Duanmu was right! Quickly surrender! If you don't want to live, don't drag others down with you! If this senior loses his patience, we'll all be in trouble with you!"

"Surrender, ninth Prince ..."

At the same time, the black-armored warriors put down their weapons and tried to persuade him, " "There are no intact eggs under an overturned nest! Once the Sheng family is destroyed, we will die, and our families will suffer as well! Just show some mercy and surrender!"

Without a doubt, Chen Xiaobei's plan had succeeded.

At that moment, everyone was afraid of Chen Xiaobei. They did not dare to go against Chen Xiaobei.

Sheng Shijie had lost everyone's support and had no other choice."Good! I admit defeat ..."

Since things had come to this, they could have come to an end!

But Chen Xiaobei wanted to be even more domineering, to make others fear him even more!

"It's not enough to admit defeat with your mouth!"

Chen Xiaobei said, " "I want you to destroy your own cultivation and seal your soul into a dog's body!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3435: abandoning the chariot to save the king**

Without a doubt!

Chen Xiaobei had never been a good person. He would never let Sheng Shijie admit defeat so easily!

Moreover, Chen Xiaobei's real purpose was to use Sheng Shijie as a living signboard so that the entire Hong Meng demon world could see clearly that this was the consequence of offending Chen Xiaobei!

Giving him a taste of his own medicine was the best way!

Previously, Sheng Shijie had asked Chen Xiaobei to destroy his own cultivation. He even threatened to seal Chen Xiaobei's soul into a dog's body, so that Chen Xiaobei would live a life worse than death with humiliation.

This was how Chen Xiaobei was going to deal with Sheng Shijie! He wanted him to be Chen Xiaobei's living signboard for the rest of his life!

"He's too domineering ... This kid ... No! This senior was simply too domineering! Can't afford to offend! I can't afford to offend you ..."

"This is a true expert! She had provoked him! We won't stop until we pay a painful price!"

"This time, Sheng Shijie has really kicked an iron plate! There's no other choice!"

The endless shock made the surrounding people sigh again! At the same time, Chen Xiaobei's image in their hearts had become even greater! Even more so, they couldn't be offended!

"No! I don't want to be a dog ... I don't want ..."

Sheng Shijie howled miserably, and even his soul was trembling.

Sheng Shijie could not defeat Chen Xiaobei, and everyone was intimidated by Chen Xiaobei. At this moment, Sheng Shijie was all alone.

"Chi ..."

Left with no choice, Sheng Shijie could only use all his strength and run for his life!

"The monk can run, but the temple can't!"

Chen Xiaobei said, "If you run away now, I'll go to the imperial capital of the Sheng family immediately! By then, I'll seal your entire Sheng family into the bodies of pigs and dogs!"

As soon as he said that, the crowd was shocked again.

Everyone looked at Chen Xiaobei in awe. Some of them were even afraid of him.

Facing Chen Xiaobei's domineering attitude and unyielding Iron Fist! Unless they were prepared to annihilate the entire clan! Otherwise, no one would dare to offend Chen Xiaobei again!

"Whoosh ..."

At this moment, an extremely strong wave of celestial core power came from the distance.

Everyone's eyes focused on him, and they were instantly filled with shock and surprise.

Only to see!

A middle-aged man in golden python armor flew over at an extremely fast speed!

That golden armor was not an ordinary item, and his flying speed was not any slower than Cang tianao!

In fact, other than Chen Xiaobei, everyone else had already recognized the man and exclaimed in surprise!

"It's Sheng kuangzhan! He was the most powerful man in the East of the yellow region! He actually came!"

could it be that the entire Sheng family really wants to start a war with that senior? "

Sheng kuangzhan is, after all, a Sovereign Lord of a region. If he were to swallow this down, he'd really have no face to live in the future!

.....

"Sheng kuangzhan actually came ..."

Cang Tian's brows furrowed and he began to worry, " could it be that bro bei's plan didn't work on Sheng kuangzhan? Was this guy going to risk the lives of his entire clan to fight bro bei? This is crazy!"

It was obvious that Cang tianao was still very worried.

After all, the primordial demonic fire was not invincible. If they really went to war with the Sheng family, Chen Xiaobei's chances of winning were not high. Moreover, it would affect Chen Xiaobei's mission of finding the missing person and his safety.

This was the last thing Cang tianao wanted to see!

Of course, this went against Chen Xiaobei's plan, and it was an outcome that Chen Xiaobei did not want to see!

"Chi ..."

Sheng kuangzhan flew over and stopped in front of Chen Xiaobei.

"Is the war about to start ... Senior! Good luck! Kill him!"

Tu Hongyuan's eyes did not even blink. He gritted his teeth and glared at Sheng kuangzhan. He wanted to see Chen Xiaobei take care of this guy with his own eyes.

At the same time, everyone's eyes were focused on him.

Once the war started, it would be an earth-shattering war that would decide the life and death of an entire race.

No one wanted to miss this exciting moment.

"I admire your courage! But I won't show you any mercy!"

Chen Xiaobei looked at Sheng kuangzhan coldly. Now that things had come to this, they could only fight!

Moreover, this battle could only be won!

If he won, Chen Xiaobei would be able to intimidate the entire Hong Meng demonic realm, and no one would dare to mess with him for a while!

But if he lost, Chen Xiaobei would be targeted by the Sheng family and forces countless times more powerful than the Sheng family. He would not be able to move a single step in the Hong Meng Demon Realm!

Chen Xiaobei started to think about how he could defeat a peak two-star sky immortal. And how could he win beautifully? How could he win without exposing his own strength?

"No, no, no! Senior, please don't misunderstand!"

However, Sheng kuangzhan immediately gave in and said, "I didn't come here to start a war with senior! I'm here to apologize to senior!"

Apologize?

Everyone was shocked by his words!

The Emperor of the Eastern Region, the most powerful man in the Eastern Region, was apologizing to Chen Xiaobei in front of everyone!

Before this, no one had ever heard of Sheng kuangzhan apologizing to anyone!

This was even more unbelievable than the sun rising from the North.

Even Cang tianao was stunned.

He and Sheng kuangzhan had been sworn enemies for their entire lives, but he had never seen Sheng kuangzhan lower himself to such an extent.

Apologizing in public was equivalent to completely putting down his face! He had completely compromised!

bro bei is so awesome ...

Once again, Cang tianao was deeply convinced by Chen Xiaobei.

This plan was a perfect success!

From the moment Sheng kuangzhan apologized, no one in the entire Hong Meng demon world would dare to provoke Chen Xiaobei for a long time!

The road ahead would be smooth, and the mission to find the person would be even smoother!

“Apologize? Then show me your sincerity!”

Chen Xiaobei did not let the victory get to his head. He maintained his strength.

Under such circumstances, the stronger Chen Xiaobei was, the more afraid the enemy would be. On the contrary, if Chen Xiaobei showed any signs of weakness, the enemy would immediately know that Chen Xiaobei was just acting.

That was why even if Sheng kuangzhan apologized, Chen Xiaobei would still make him pay!

“I understand ...”

Sheng kuangzhan didn’t dare to haggle. He waved his hand and released a small ball of immortal essence. He said, “My son’s Dharmakaya has been shattered by me ... His soul is inside, and he’s at your disposal, senior ...”

“Chi ...”

Then, the ball of light flew toward Chen Xiaobei.

Sure enough, Sheng Shijie’s soul had been sealed inside. He struggled desperately, but couldn’t escape.

Everyone was dumbfounded by the scene before them.

Sheng kuangzhan was indeed a formidable character. In order to protect his entire clan, he was willing to sacrifice one of his sons!

This tactic of abandoning the chariot to save the Marshal was not something that ordinary people could do at all!

“This alone is not enough!”

However, Chen Xiaobei did not plan to give up. “You’ll have to pay a higher price for his escape just now!”

### Red Envelope Group of the Three Realms

#### **Chapter 3436: special item**

“This senior is too ruthless! Hagglng over every single detail! He would seek revenge for the smallest grievance! He wanted the other party to pay the price for such a small matter! I can’t afford to offend you ... I can’t afford to offend you!”

“Even Sheng kuangzhan can’t be provoked! It’d be strange if such an awesome person wasn’t ruthless!”

the Sheng family has really kicked an iron plate this time ... They’re so unlucky ...

The crowd discussed among themselves, and their respect for Chen Xiaobei deepened.

“What else does senior want?”

Sheng kuangzhan didn’t dare to waste any more time and asked respectfully.

In this situation, even if Chen Xiaobei wanted a star from the sky, Sheng kuangzhan would have to pick one for Chen Xiaobei.

“Don’t be nervous!”

“I’m a very reasonable person!” Chen Xiaobei said. Now that Sheng Shijie had escaped, he would be held responsible for this! As long as you give me his storage bracelet, I’ll forget about this matter!”

“No problem!”

Without hesitation, Sheng kuangzhan took out Sheng Shijie’s storage bracelet and presented it to Chen Xiaobei.

Chen Xiaobei only wanted the storage bracelet and did not cause any serious damage to the Sheng family. This was good news for Sheng kuangzhan.

“Alright! From this moment on, I will not make things difficult for the Sheng family!”

Chen Xiaobei kept the storage bracelet and said, “Someone help me catch a dog!”

There were many people who were willing to serve Chen Xiaobei.

In a short while, more than a dozen dogs had been sent to the scene.

“I’ll take it!”

Chen Xiaobei pointed at a dirty and ugly mottled dog and decided who Sheng Shijie’s soul belonged to.

“Bro bei! Here you go!”

At this moment, Cang Tian ao handed over a talisman and said, “This is a soul fixation talisman! It can seal a soul into something!”

unless bro bei dispels the spell, this soul will never regain its freedom! Even Sheng kuangzhan can't break it!"

"The point is, once this dog dies, Sheng Shijie will die too! So, not only will Sheng kuangzhan not kill this dog, he'll even raise it properly!"

After that, Cang tianao handed the talisman to Chen Xiaobei.

Obviously, Sheng Shijie had wanted to use this talisman to deal with Chen Xiaobei. Now, he had brought it upon himself!

"Whoosh ..."

Chen Xiaobei activated the talisman's special ability.

Sheng Shijie's soul was forcefully integrated into the dog's body.

At the same time, a small light spot flew back to Chen Xiaobei's palm and merged into it.

Clearly, this tiny light spot was the key to removing the seal! Chen Xiaobei was the only one who could let Sheng Shijie regain his freedom!

As long as Chen Xiaobei did not remove the seal, Sheng Shijie would be stuck in the dog's body for the rest of his life. He would act as a living signboard for everyone to see that this was the consequence of offending Chen Xiaobei.

"Hiss ..."

Sheng kuangzhan couldn't help but gasp at the sight before him.

There was no doubt that Sheng kuangzhan was very upset to see his son turn into a dog. He had lost all his face in an instant.

But there was nothing he could do. He could not figure out Chen Xiaobei's strength, so he did not dare to gamble with the lives of his entire family! Even if he gritted his teeth, he could only swallow it!

He, Sheng kuangzhan, had no choice but to swallow this bitter fruit today!

"Get lost!"

Chen Xiaobei waved his hand and said.

"Yes ..."

Sheng kuangzhan humbly nodded. He didn't dare to say another word. He released his immortal essence, picked up Sheng Shijie's sealed dog, and fled the scene.

"Let's go!"

Chen Xiaobei looked at Cang tianao, then walked away from the crowd.

The crowd looked at Chen Xiaobei as if he was a demon. They quickly made way for Chen Xiaobei.

Cang tianao brought tu Hongyuan and the rest of the injured and followed Chen Xiaobei.

.....

“Bro bei! You’re so handsome!”

Not long after he left the crowd, a pleasant voice came from behind.

Yan Lingshi ran to Chen Xiaobei and praised him, “ I just saw it! You blew up Xue changgong with one punch! He beheaded Sheng Shijie with a single sword! He’s so handsome that he’s exploding!”

“In the beginning, I was afraid that you would die a horrible death, so I hid in the crowd and didn’t dare to show my face! I really didn’t expect you to be so powerful! Even Sheng kuangzhan can only act like a coward and admit defeat to you!”

“Awesome! It’s too awesome!”

Yan Lingshi followed Chen Xiaobei around like a fangirl.

The sweet voice made Chen Xiaobei feel very comfortable, and the pleasant fragrance soothed his mood.

Finally, Chen Xiaobei could relax. “You’re such a disloyal girl! If I die, are you going to run away immediately?”

“I won’t!”

Yan Lingshi pouted, her snow-white face full of seriousness as she said, “I was hiding in the crowd to give you a way out! If you can’t take it, I’ll immediately rush out to save you!”

“At least you still have some conscience!”

Chen Xiaobei turned to the main topic and said, “ What’s the result on Xia Yilian’s side? Did you see what you should see?”

“I’ve seen it clearly!”

Yan Lingshi pouted and shook her head. “Xia Yilian doesn’t have a Lotus imprint on her!”

“What?”

Chen Xiaobei was disappointed. “Did you see it clearly?”

“What’s wrong? You’re suspecting me?”

Yan Lingshi was a little upset, but she understood Chen Xiaobei’s desire to find someone. So, she said patiently, “ There’s no Lotus mark! Xia Yilian’s age isn’t right either!”

“What do you mean?” Chen Xiaobei asked.

“I clearly heard Xia Yilian’s conversation with the maidservant who was serving her in the bath. She said that she was actually not even 18 years old yet ... It was because of the family’s interests that they couldn’t wait for her to marry into a powerful force!” Yan Lingshi said.

this ... Chen Xiaobei finally gave up.

The Lotus mark might have been hidden in a secret place, and it was also possible that it could not be seen clearly.

However, one's age could not be faked. A person younger than 18 years old was definitely not Daji the third spiritual maiden.

"Don't be discouraged!"

Yan Lingshi knew how Chen Xiaobei was feeling, so she comforted him, " "Although we didn't find anyone, we didn't come back empty-handed!"

Chen Xiaobei was surprised. "Are you referring to Sheng Shijie's storage bracelet?"

"Yeah!"

"I'm sure that the bracelet will bring you great fortune!" Yan Lingshi said. Maybe I can help you find him!"

"Good! I hope you're not wrong this time!" Chen Xiaobei took out Sheng Shijie's storage bracelet.

This guy was very rich. He actually had 50 billion upper spiritual stones on him.

In addition, there was also a peak one-star heaven immortal artifact, some precious pills, talismans, and earth-god items.

Among them were three of those soul fixation talismans.

Other than the spiritual stones and other miscellaneous items, there was only one special item left in the storage bracelet!

"What is this?"

Chen Xiaobei took out the item and looked surprised.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3437: Can't return**

##### 3437 Can't return

It was a very strange-looking piece of wood.

It was the size of a palm, dry and rough, and its surface was black and gray, like a piece of tree bark that had been peeled off.

The reason why it was strange was because its weight reached an astonishing weight of over ten thousand Jin!

Just a piece of bark the size of a palm weighed more than 5000 kilograms. Just imagine how terrifying that complete tree would be.

"Opportunity! This is your great opportunity! Such dense purple Qi! He couldn't be wrong! I'm definitely not wrong!"

Yan Lingshi couldn't tell what the tree bark was, but she was unusually excited. She jumped up and down in excitement.

"Purple Qi ..."

Chen Xiaobei's mind went blank as he recalled his eight-trigram Qi observation skill.

It was a special ability that originated from the divine patterns of the eight trigrams. It could see the fate energy of every item, and from there, judge the level and value of the item.

Chen Xiaobei used the eight-trigram Qi observation skill and saw the purple-gold fate energy.

This proved that this piece of tree bark was a first-class treasure in the entire Hong Meng Demon Realm.

Could it be that ... The purple Qi that Yan Lingshi saw and the purple gold Qi that Chen Xiaobei saw were the same?

Chen Xiaobei was confused.

He was even more curious when he thought of Yan Lingshi's demonic purple Qi body.

However, Yan Lingshi did not like people mentioning her secret, so Chen Xiaobei did not ask too much.

"You're saying this is my fortune? Then how should I use it?" Chen Xiaobei asked.

uh ... I'm not sure about that ... Yan Lingshi shook her head and said, "Take it with you. When the time comes, it will naturally bring you great benefits!"

alright ... Chen Xiaobei had no choice but to keep the tree bark close to his chest.

Fortunately, the Nightstalker outfit had already reached the level of a one-star heaven immortal. If it had been any other ordinary clothing, it would not have been able to support the weight of the tree bark.

"What's our next step?" Chen Xiaobei asked.

Cang Tian ao thought for a while and said, "since Xia Yilian is not the person you are looking for, then my clues will be temporarily cut off ... Right now, we can only rely on our Cang family's Information Network to further gather useful information!"

"No matter who senior is looking for!" Tu Hongyuan patted his chest and said, "our TU family can help!" Furthermore, we will do it at all costs!"

Cang Tian ao nodded and said, "hmm ... Tell your father!" Bro bei is looking for an 18-year-old girl with the Red Lotus mark!"

It was obvious that Cang tianao and the TU family were old friends and trusted each other.

Tu Hongyuan was a loyal person, and he would definitely do his best to help Chen Xiaobei find clues.

"In that case, I'll leave for a while!"

I have something else to do. I'll be back in a while. I'll see how you guys do! Chen Xiaobei said.

"Yes, sir!" Cang Tian 'ao agreed without hesitation.

"Bro bei, where are you going? Can you bring me along?" Yan Lingshi pouted her little mouth and asked curiously like a baby.

"I need to go back to the human world. There are some things I need to ask my friends!" Chen Xiaobei said.

Obviously, Chen Xiaobei wanted to ask about the demonic body of the purple Qi. He also wanted to know what the black tree bark was.

Of these two questions, Yan Lingshi refused to answer the former, and no one knew the latter.

However, as long as he went to the Three Realms red envelope group and looked for someone, he would definitely be able to get the answer.

"I also want to go to the human world! I'm begging you! Can you take me there?" Yan Lingshi pleaded pitifully.

"Not good!" no! Chen Xiaobei shook his head. you promised to help me find her. You haven't even found her yet and you're already trying to slack off? "

"Stingy!" Yan Lingshi pouted and glared at Chen Xiaobei. Her fair little face was so beautiful that it made one's heart tremble.

Chen Xiaobei said, " "I'm just teasing you! It's not that I don't want to take you there, but I'll be back in ten minutes. You won't have the chance to play even if you follow."

"On the contrary, a dozen minutes in the human world is equivalent to a few hours in the Hong Meng Demon Realm! Perhaps you can help me find some clues! What do you think?"

"You're right ..."

Yan Lingshi was still very reasonable. She nodded and said, "Then hurry up and come back. I'll try to think of a way to help you!"

"Many thanks!" Chen Xiaobei grinned and summoned the king of demonic crows, planning to head to the exit of the Hong Meng demonic realm.

"Wait a moment!"

However, Yan Lingshi quickly stopped Chen Xiaobei and said, " "Ominous sign! You can't go back to the human world! Once they returned, there would be great danger! It might even be a death tribulation!"

Yan Lingshi's brows were tightly furrowed, and her tone was grave. She was definitely not joking.

"You're so sure?" Chen Xiaobei was a little confused.

Yan Lingshi, this half-deity, was probably half a bottle of vinegar. She was probably accurate, but not so accurate. You say that she's not accurate, but sometimes it's true.

"I'm very sure!"

Yan Lingshi said in a deep voice, "to tell you the truth, I wanted to go to the human world to play by myself. I was already at the exit when I suddenly saw a black aura above me. It must be a bad omen! So, I returned and met you and your friends near the exit!"

"If that's the case, then I have to go back!" Chen Xiaobei said. My family and friends are all in the human world! If there's really a dead end, I'll definitely protect them!"

Yan Lingshi shook her head decisively and said, "no!" This tribulation is targeted at you and me. It won't be dangerous for others to go to the human world, and your family and friends won't be in this tribulation!"

"What!"

Chen Xiaobei was taken aback. "A tribulation targeted at you and me? Could it be that there's some sort of connection between us?"

no connection ... Yan Lingshi shook her head and said, "When I went out earlier, there was a great Tribulation! If you go out now, you will face a calamity! It doesn't matter if our tribulations are different!"

"What if I insist on going out to take a look?" Chen Xiaobei asked.

then you might never see me again ... Yan Lingshi sighed softly, her tone very heavy.

this ... Chen Xiaobei was caught in a dilemma.

She believed in Yan Lingshi. If she did not return to the human world, it would delay many things! However, if he did not trust Yan Lingshi and returned to the human world rashly, he might really be in trouble!

Ding!

At this moment, one of cangtian ao's Dharma Treasures let out a crisp sound.

This magic treasure was very similar to a mobile phone, but it was much more powerful.

After the spiritual communication, the figure of the coitus faction's Grand Palace Master was immediately projected.

"Lord Emperor Blue Wolf? Is the Saint by your side?" The dark profound Demon Spider asked hurriedly.

"Here!" Cang tianao nodded and pointed the treasure at Chen Xiaobei.

"Greetings, Lord Holy envoy!"

The dark profound Demon Spider hurriedly saluted, then impatiently said, "We've found some clues about the matter you asked us to investigate!"

"Hurry up and tell me!" Chen Xiaobei's eyes brightened. He did not care about the Tribulation anymore. Finding Daji was his top priority.

[Red Envelope Group of the Three Realms](#)

**Chapter 3438: not yet mature**

“It’s like this ...”

of course! the dark profound demonic Spider hurriedly said, “ we coitus faction disciples have brothels all over the yellow region. We’ve heard from some guests that a young lady with a Lotus imprint once appeared on the sky Foothill mountain in the Western Region of the yellow region!

“That’s great!”

Chen Xiaobei was overjoyed and said, “ “You’ve done a great job this time! When primordial chaos demon ancestor returns, I’ll definitely ask her to reward you handsomely!”

thank you ... Thank you, Lord Holy envoy ... the dark profound demonic Spider kowtowed repeatedly. It was already overjoyed.

He ended the call.

Chen Xiaobei’s plan changed, and he was about to head to his destination.

“Bro bei, wait!”

“The Tian Lu mountain is not an ordinary place!” Cang Tian ao quickly said. That place was extremely dangerous and was known as the primordial yellow domain of unknown death! Even I don’t dare to step into it!”

“I don’t care what kind of death it is! I must go! No need to talk nonsense! We’ll set off immediately!” Chen Xiaobei was very persistent. He would not slow down even in the face of danger.

“No! I’m not saying I’m not going! Instead, it’s best to bring along a guide!”

of course! Cang Tian ‘ao said, “ one of the onlookers is the eleventh Prince of the Western Region Sovereign Lord, Duanmu Baoshu!

“I understand! Go and find him!” “I’m going to use this time to cultivate!” Chen Xiaobei said.

“Training?”

Cang Tian ao’s expression froze and he was very surprised, “ I’ll get them here in a few minutes. Bro bei, do you want to cultivate too? ”

“Quickly go and come back!” Chen Xiaobei did not explain.

Yan Lingshi and tu Hongyuan were confused. They did not understand what Chen Xiaobei meant.

“Yes, sir!” Cang Tian ao accepted the order and left.

Chen Xiaobei took out the verdant Emperor’s divine gourd and handed it to Yan Lingshi. “Hold onto this treasure for me. I’ll be out soon!”

After that, Chen Xiaobei entered the verdant Emperor’s divine gourd.

“Hey!”

Yan Lingshi wanted to ask more questions, but Chen Xiaobei was already gone.

It was obvious that Chen Xiaobei trusted Yan Lingshi after going through thick and thin with her.

The girl did not disappoint Chen Xiaobei. She held the gourd in her arms and did not even think of anything.

.....

Inside the verdant Emperor's divine gourd.

The moment Chen Xiaobei stepped in, he was shocked by the scene before him.

On the bloodspring planet, there was actually an incomparably huge Divine Tree.

This giant tree was tens of thousands of feet tall. Its branches and leaves covered the sky and extended in all directions. The radius of the crown of the tree reached tens of thousands of feet. It was even more majestic than a mountain!

The reason why it was called a Divine Tree was because its entire body exuded an extremely powerful spirituality and pressure.

The roots, tree trunks, tree bark, and leaves had all reached the level of divine items!

Of course, the most important thing was the blood-red fruits on the tree!

That's right!

This giant tree was the divine blood Bodhi tree that Chen Xiaobei had been dreaming of!

As for those fruits, they were the legendary divine fruit that 'healed serious injuries and increased strength without injuries' - blood Bodhi!

"Xiaobei Gege! You've finally returned!"

With the sunlight cache in her hand, she flew to Chen Xiaobei from under the tree.

"Little girl! You've worked hard!"

Chen grinned and praised, "The last time I left, it was just a small sapling. This time, it has actually grown into a giant tree, and it has even successfully bloomed and borne fruit! This is all thanks to you!"

"Hehe! I'm amazing, right?" Fu Tian Xin 'er laughed smugly. She was sweet and extremely cute.

"Amazing! That's amazing!" Chen Xiaobei gave him a thumbs up and praised, "Without you, I wouldn't have had the chance to eat the blood Bodhi in another thousand years!"

"You can't eat it!"

Futian Xin 'er quickly said, "can't you tell, brother Xiaobei?" These fruits are not ripe yet!"

"What? It's not mature?" Chen Xiaobei looked at the red fruits carefully.

On the surface, these fruits were as red as blood, as warm as Jade, and extremely spiritual.

However, upon careful comparison, one would realize that the spirit of the fruit was much weaker than the spirit of the tree of God.

Logically speaking, the fruit was the fruit of the tree of God's heart and blood, so it should be the most essence and the most advanced part. Its spirituality should be the strongest.

But at this moment, the fruit's spirituality was not as good as the tree of God's.

This proved that the fruit was not ripe yet.

"I don't understand ..."

wait! Chen Xiaobei asked, " girl, since you know that the fruits are not ripe yet, why don't you use the sunlight cache to make them ripen faster? "

"Brother Xiaobei is so stupid!"

Fu Tian Xin 'er pouted and said, " "The tree of God needs spiritual energy to grow! The spiritual veins on this planet have been sucked dry by the divine Tree. Even the life force and spiritual aura of heaven and earth in the space have been sucked dry!"

this ... Chen Xiaobei was stunned for a moment.

One had to know that the bloodspring planet itself had a giant spiritual vein.

Furthermore, during patriarch shield mountain's tribulation, countless enemies had their blood essence and souls refined into a sea of life force. The enemies 'Dharma Treasures, resources, and spirit stones had all been refined into a sea of spiritual aura.

Back then, Chen Xiaobei had used the verdant Emperor's divine gourd to absorb the most life force and spiritual aura of heaven and earth.

Chen Xiaobei had thought that the energy would last the demons on bloodspring planet for decades, or even centuries.

He did not expect that the divine blood Bodhi tree had already exhausted all its energy.

Of course, if one thought about it carefully, this was not strange at all. The divine blood Bodhi tree was a God-level existence. Without paying a huge price, it would be impossible to let its fruit ripen!

Xin er, I'm sorry. I neglected this point and wrongly blamed you ...

wait! Chen Xiaobei quickly said, " how much more spiritual Qi do you think it will take for the fruits to ripen? "

"I've counted!" "There are 333 fruits on this tree!" To fully mature, it will require the spiritual energy of about 333 giant spiritual veins!"

"What?"

what?! Chen Xiaobei was shocked. you mean to say that when a fruit ripens, we have to burn a giant spiritual vein? "

"Yes, I am!" Fu Tian Xin 'er nodded, " however, I think that this investment is very worthwhile!

"Why?" Chen Xiaobei asked.

I've used the sacred life tree's origin to sense it! yes! Fu Tian Xin 'er said, " once these fruits ripen, eating one of them will increase your cultivation and physical strength by different degrees!

for example, Xiaobei Gege, you are now at the early dongxu stage. If you eat a fruit, you can immediately break through three small realms and reach the peak of the dongxu stage!

now that your physical strength has reached the two-star heaven immortal level, you can advance by one minor realm to the mid-stage two-star heaven immortal realm!

"In other words, the lower the realm, the more effective the fruit will be! As one's cultivation level increases, the effects of the fruit will gradually decrease. After reaching the one-star divine level, the fruit will no longer be of any use!"

Fu Tian Xin 'er paused for a moment before saying seriously, " I've calculated this in detail. Using spiritual energy to feed the fruits to increase my strength is much more economical than using spiritual energy to cultivate!

"How much can I save?" Chen Xiaobei asked curiously.

### Red Envelope Group of the Three Realms

#### **Chapter 3439: Heaven-defying fruit**

3439 Heaven-defying fruit

as for how much you can save, that will depend on how much you spend on cultivation!

it's simple, " Fu Tian Xin 'er said. you should be able to calculate it yourself!

"Mm ..."

I spent 400 billion upper-grade spiritual stones to break through from the late-stage to the peak-stage of body integration! The amount of spiritual Qi in a giant spiritual vein is equivalent to 300 billion upper spiritual stones!"

"What the f \* ck! I can save a lot!"

Chen Xiaobei's eyes lit up. "A giant spiritual vein can produce a fruit that can allow me to break through three small realms! I'm now in the dongxu stage. I'm afraid I can save a few trillion upper spiritual stones! It's a huge profit!"

"Well said!"

of course! Fu Tian Xin 'er nodded, " however many spiritual stones you have now, you can take them all out to feed the blood Bodhi fruit. I guarantee that you'll make a profit without losing anything!

"Can this fruit help me break through a major realm?" Chen Xiaobei asked curiously.

No... Fu Tian Xin 'er shook her head and said, " "You still have to rely on your own luck to break through the major realm! Otherwise, a hole will be left in your Dao heart, and it will block your Dao vindication one day!"

“If that’s the case, then you’ll have to help me feed the three fruits first!” I can’t break through to the next realm anyway! Chen Xiaobei said. it’s useless to have too many of them! I still have to keep the spirit stones with me to activate my magic treasure!”

“Whoosh ...”

Chen Xiaobei then took out 9000 low-grade spiritual jades.

According to the ratio, it was 900 billion upper spiritual stones, which was equivalent to the giant spiritual vein of the three heavens and the human world.

“I think it’s better to provide for more!”

“Not only can this blood Bodhi fruit increase one’s strength, it can also heal all serious injuries!” Whether it was the physical body, the Dharmakaya, the nascent soul, or the primordial spirit! As long as you’re below God-tier and you’re still alive, you can use a blood Bodhi fruit to heal any injuries!”

Serious injuries must be treated! Gain power without injury!

This was the magical effect of the blood Bodhi!

This was also the reason why Chen Xiaobei was so eager to grow it!

“No need! Let’s start with three!”

I’m fine! Chen Xiaobei said confidently. I’m not in any danger right now. Other than increasing my strength, I don’t really need the blood Bodhi!

“Alright then!”

Fu Tian Xin ‘er nodded and released a burst of true energy to sweep up the 9000 lower spiritual jades. She then took the sunlight treasure box and flew up to the branch.

Whoosh ... Whoosh ... Whoosh ...

After finding the three fruits, Fu Tian Xin ‘er crushed the spiritual jades and let a huge amount of spiritual Qi flow into them.

At the same time, Fu Tian Xin ‘er activated the sunlight cache’s ability to speed up the flow of time, allowing the fruit to ripen quickly.

A few seconds passed in the outside world, but a few hundred years had passed in the sunlight domain.

“Alright! The 3 fruits have already ripened!”

Futian Xin ‘er immediately picked up the three fruits and brought them back to Chen Xiaobei.

As expected, the ripe blood Bodhi fruit exuded a spirituality that was even more intense and terrifying than the entire tree.

Furthermore, it had become like a blood-colored gem, crystal clear and emitting a fragrance.

“Xiaobei Gege! Quickly try one!” Futian Xin ‘er handed the three fruits to Chen Xiaobei.

“Alright!”

Chen Xiaobei nodded and quickly ate one.

This fruit was very magical. As soon as it entered his mouth, it left a fragrant, sweet, crisp, and refreshing taste in his mouth.

However, as the fruit and juice entered his stomach, his internal organs immediately warmed up, as if they were being roasted by a ball of fire.

Immediately after, his entire body began to heat up. Every muscle, every Meridian, every inch of skin, and even every pore felt as if they were about to spew fire.

Ordinary people couldn't bear this feeling at all. Even if they didn't roll on the ground in pain, they would definitely scream.

However, Chen Xiaobei was very calm. He did not even frown.

Although the feeling of being burned by this fire was not good, it was nothing compared to the test of the sky demon's blessing.

With Chen Xiaobei's state of mind and endurance, he could totally withstand it.

[ding Yingying's cultivation base: peak of the dongxu stage. Lifespan: 6476050 years, physique: ..., Combat power: 10 billion, primordial spirit attack: Saint level!]

In the next moment, three notifications popped up from the netherspirit battlescouter.

Chen Xiaobei's cultivation had broken through three small realms, reaching the pinnacle of the dongxu stage.

Calculating it in detail, the increase in lifespan from three breakthroughs was 1 million years, 1.2 million years, and 1.5 million years, respectively!

At the same time, the three breakthroughs increased his combat power by 1 billion, 2 billion, and 2.5 billion respectively!

This blood Bodhi was simply a super plug-in, it was so cool!

More importantly, apart from breaking through three small realms, this blood Bodhi fruit had saved Chen Xiaobei nearly five trillion upper spiritual stones!

After spending 9000 pieces of low-grade spiritual Jade, Chen Xiaobei only had 72399 pieces of low-grade spiritual Jade left.

Fifty thousand was more than two-thirds of Chen Xiaobei's total wealth.

Without the blood Bodhi fruit, Chen Xiaobei would only have 20000 low-grade spiritual jade pieces left after he broke through to the third minor realm.

With such a small amount of spiritual Jade, it was not even enough to raise his cultivation by half a minor realm when he reached the eight-star Mahayana realm.

Not to mention, Chen Xiaobei still needed a large amount of spiritual Jade to activate his magical treasure.

One could only imagine how much help the blood Bodhi fruit had given Chen Xiaobei!

Just thinking about it made him feel so good that he wanted to fly!

“Swish!”

At the same time, Chen Xiaobei threw another punch at the sky.

From the speed of the punch and the aftershock of the pull, one could tell that Chen Xiaobei’s physical strength had already reached the level of a two-star mid-tier heaven immortal.

Although Chen Xiaobei had the sky-killing tyrant body technique, this kind of body-tempering technique could only be used to increase his strength by one realm.

At the celestial immortal realm, there would be a huge gap between each minor realm.

The blood Bodhi fruit could allow Chen Xiaobei to easily break through to the next level of his physique, which would make up for the gap between him and his enemies when he could not level up his physique.

“This is too good!”

Chen Xiaobei looked up to the sky and sighed, “that’s a big red packet from Sifu! Although it took a lot of time and resources to plant the tree, the final result was definitely worth it! It’s definitely going to explode!”

“That’s right!”

Chen Xiaobei calmed himself down and asked, “Xin ‘er, do you know of a type of purple Qi? He could only see it, but not sense it! It had a form, but it did not have any attributes! It might even surpass the Three Realms and six paths!”

“Above the Three Realms and six paths?” Fu Tian Xin ‘er’s expression froze as she furrowed her brows, “if you’re sure, there’s only one possibility!”

“What?” Chen Xiaobei’s eyes were wide open.

Fu Tian Xin ‘er’s expression turned serious as she said, “The foundation of the heavenly Dao! The primordial violet vapor!”

3440 The sage no longer exists

“Primordial violet vapor? The ... The foundation of the heavenly Dao?”

Chen Xiaobei could not believe his ears.

Chen Xiaobei would not have been so shocked by the name of a gas, no matter how cool it was.

However, with the words ‘heavenly Dao’, the meaning was completely different!

Furthermore, it was the foundation of the heavenly Dao!

Just thinking about it made Chen Xiaobei’s pupils shrink and his scalp tingle.

“No way! Xiaobei Gege, you don’t even know about the primordial violet vapor?”

Fu Tian Xin ‘er pouted and started explaining, ” “Legend has it that the primordial violet vapor is the first Supreme sacred object to appear in the universe!”

“In the beginning, there were 50 strands of primordial violet vapor. The heavenly Dao controlled 49 of them and sealed them with the good fortune Jade Disk! Finally, one can comprehend the Supreme great Dao from it and create thousands of nomological laws!”

“In other words, the unparalleled divine arts of the heavenly Dao all originate from the primordial violet vapor! Therefore, this Supreme sacred object is also known as the foundation of the heavenly Dao!”

When Fu Tian Xin ‘er was sealed, mother Nuwa had taught her many things.

This kind of basic knowledge, the little girl naturally knew it by heart.

“What the f \* ck ... This ... This primordial violet vapor is too awesome ...”

Chen Xiaobei gasped.

He suspected that Yan Lingshi’s demonic body was not primordial violet vapor. Otherwise, she would definitely be countless times stronger than she was now.

“Girl ... If I say that I saw a strand of primordial violet vapor, would you believe me?” Chen Xiaobei asked.

“I do!”

Fu Tian Xin ‘er nodded,’ out of the 50 strands of primordial violet vapor, the heavenly Dao has only controlled 49 strands! The last one was still missing! As the saying goes, the heavens cast out four nine, and one of them escaped! This is what I meant!”

“It is also because of this escapee that the good fortune Jade Disk is never perfect. There are also flaws in the heavenly Dao orthodoxy and the nomological laws of the Three Realms!”

after that, the great God Pangu proved his Dao with his strength. When he created the world, the Pangu axe hit the good fortune Jade Disk and broke it into pieces!

just like that, the primordial violet vapor sealed in the good fortune Jade Disk was scattered to different places along with the fragments of the Jade Disk.

among them, Dao ancestor obtained the largest fragment, which contained eight strands of primordial violet vapor!

originally, Dao ancestor couldn't take out this primordial violet vapor at all. However, during his battle with luohou, a strand of primordial violet vapor appeared automatically and was absorbed by him!

because of this primordial violet vapor, Dao ancestor successfully became a Saint, killed luohou, and established the Supreme position of Dao ancestor in the universe!

after that, Dao ancestor found out that only those who were recognized by the heavenly Dao could draw out the Hong Meng immortal Qi and use it to become a saint!

just like that, the great elder started preaching in The Purple Cloud Palace of daluotian and found seven people recognized by the heavenly way from the many Almighties of all the heavens and races.

Taishang Laojun, honored Lord of the origin, sect leader Tongtian, zhunti, jieyin, and goddess nvywa, as the pro-disciples of Dao ancestor, each of them received a strand of Hong Meng immortal Qi and successfully became a Sage.

the seventh strand of primordial violet vapor was originally given to ancestor Red Cloud. This person had also listened to the Dao ancestor's lecture, but they were not fated to be master and disciple. In the end, ancestor Red Cloud left with the primordial violet vapor!

"It's said that Grandmaster Hongyun was ambushed by a powerful demonic beast. His body and soul were destroyed, and only his primordial spirit was hiding in the nine Nine soul-scattering gourd! In order to protect himself, ancestor Red Cloud wanted to enter the cycle of reincarnation to reincarnate and start anew."

"But when he entered the netherworld, he was intercepted and killed by ancestor netherworld River! No one knows the final result!"

"Some people say that ancestor Red Cloud has fallen into reincarnation with the primordial violet vapor and the nine Nine soul-scattering gourd and has been reincarnated! Some say that ancestor Red Cloud is dead, and the two Supreme treasures are in the hands of ancestor netherworld River!"

Fu Tian Xin 'er explained in great detail.

of course! Chen Xiaobei quickly said, "Red Cloud Grandmaster is definitely not dead! If Minghe got the Hong Meng immortal Qi, he wouldn't have been severely injured by Tathagata and stayed in the blood sea for billions of years."

"As for that!"

Fu Tian Xin 'er replied, "the primordial violet vapor isn't something you can use just because you have it!" The first forty-nine strands of primordial violet vapor are already under the control of the heavenly Dao. Only those who have been recognized by the heavenly Dao can use them!"

"Minghe is not recognized by the way of heaven. Even with the Hong Meng immortal Qi, it is useless! It's not strange at all for someone with a lower cultivation to be severely injured!"

"I see ..."

Realization dawned on Chen Xiaobei, " "In terms of cultivation base, Rahu isn't inferior to a daofather! In terms of merit, Taiyi Houtu was not inferior to Nuwa! Those who were recognized by the heavenly Dao had all become Saints! Those who aren't acknowledged all die miserably!"

"Well, let's continue talking about the primordial violet vapor!"

"Other than the one that escaped and the eight that Dao ancestor obtained, there are still 41 strands of Primal Chaos purple Qi left!"

"Some of the lower 33 are fused into spiritual items to become sacred level treasures! Some merge into the spiritual veins and become Supreme Holy Lands!"

there are eight left in the other fragments of the good fortune Jade Disk. Everyone is trying to find them, but they haven't found them yet!

"You didn't find him?" "Even the heavenly axiom can't find it?" Chen Xiaobei asked.

"Mm ... The heavenly Dao can't do anything about it!"

"The only way to find the eight strands of primordial violet vapor is to find the one that escaped!"

that strand of primordial violet vapor is very special. It is not controlled by the heavenly Dao. Moreover, it seems to have hidden the whereabouts of the other eight strands of primordial violet vapor in the nine lifetimes!

"The primordial violet vapor is the foundation of the heavenly Dao! The power of the heavenly Dao comes from the primordial violet vapor. Therefore, the escapee has the ability to deceive the heavenly Dao and hide perfectly in the universe!"

amazing ... Chen Xiaobei could not help but exclaim.

How could Yan Lingshi's demonic body be a Supreme sacred object that even the heavenly Dao couldn't do anything about?

He was overthinking ...

I must be overthinking ...

brother Xiaobei, are you looking for the primordial violet vapor? "

Fu Tian Xin 'er pouted and said, " "I advise you to try your best to prove your Dao with strength! I'll have more freedom this way!"

"Why?" Chen Xiaobei was confused.

"To become a saint with the help of the primordial violet vapor, one must obtain the approval of the heavenly Dao! If you want the heavenly Dao's approval, you must tie your life to the heavenly Dao!"

Fu Tian Xin 'er's brows furrowed as she said in a low voice, " "The heavenly Dao is destroyed, and the sage no longer exists! After becoming a saint, you can't leave the hands of the heavenly Dao anymore, let alone have freedom!"

"This ..."

Chen Xiaobei's pupils shrank and he had goosebumps all over his body.

The heavenly Dao was destroyed, and the Saints no longer existed!

What he meant was that once the heavenly Dao was killed, the seven heavenly Dao sages would all die!

He had to say! Heavenly Dao's move was simply too ruthless!

Who would dare to defy the heavens?
