#### Chapter 3451: desperate fight

“Little brat! Accept your death!”

die! the Tian can demon Emperor roared, and one of his metal tentacles shot toward Chen Xiaobei.

bro bei, be careful!

Cang tianao quickly tried to protect Chen Xiaobei.

“Don’t rush!”

Chen Xiaobei took out his Dragon’s edge.

Previously, the saber had already been infused with a large amount of spiritual energy, so there was no need to supplement it.

“Woof! Swish ...”

Chen Xiaobei waved the black saber in his hand and pulled out a Black Electric net in front of the two.

“Whoosh!”

When the metal tentacle passed through the black Electric net, its power was instantly reduced by ten percent.

Normally, the black Thunder of destruction could weaken the enemy’s power by 30%. However, the level of the Dragon’s edge was too far away from the Tian can demon Emperor, so the effect was not as obvious.

“Witch Dragon’s nine transformation! Swallow the four Seas!”

The next moment, Chen Xiaobei let out a roar as purplish-Golden Dragon scales grew around his mouth, and purplish-golden fangs grew out of his mouth.

In the past, Chen Xiaobei’s body was weak and could not absorb much energy.

But now, Chen Xiaobei already had a two-star divine immortal’s physique. After eating the blood Bodhi, he had reached the mid-tier two-star divine immortal level.

Even though it was still two levels lower than the Tian can demon Emperor, it could at least devour another ten percent of his power.

It was a pity that Xue Bodhi could not break through to the next realm. Otherwise, Cang tianao would be able to kill the Tian can demon Emperor with his eyes closed.

“Hiss ...”

The next moment, Chen Xiaobei devoured a large amount of the divine essence that was added to the metal tentacle.

This meant that Tian can demon Emperor had lost 20% of his power.

“Bro bei! Your ... Your ability is too strong!”

Seeing this, Cang Tian ao was overjoyed, ” “We can fight him now!”

It was obvious that Tian can demon Emperor’s power had increased by thirty percent with the blood spirit sacrifice, and Cang Tian ao’s power had increased by ten percent after transforming back into the wolf demon body.

Now, Chen Xiaobei had helped to weaken the Tian can demon Emperor’s power by 20%!

Cang tianao and Tian can demon Emperor would be on the same starting line, so they would naturally be able to face each other.

“Let’s attack together!”

“I’ll try to defeat him in one strike!” Chen Xiaobei said. Or else ...”

Chen Xiaobei wanted to say something but stopped.

However, those with discerning eyes could see that the second half of his sentence was to say, “otherwise, we will still lose!”

The blood spirit sacrifice consumed the essence of the surrounding tens of thousands of otherworldly demons to strengthen the Tian can demon Emperor.

Now that it was enhanced by 30%, it did not mean that it could only be enhanced by 30%!

As long as the Tian can demon Emperor was willing to weaken the tens of thousands of sky demons, it was possible for him to increase his power by fifty to a hundred percent!

If Chen Xiaobei and Cang tianao could not defeat the crippled demon Emperor in one go ...

Otherwise, it would only enrage the tiancan demon Emperor and force him to kill Chen Xiaobei and Cang tianao with more power.

“Understood!”

Cang tianao was a smart person. He did not need Chen Xiaobei to say anything and would use his full strength.

“Whoosh ...”

Silver immortal essence gushed out like a volcanic eruption and covered Cang Tian ao’s body.

“Don’t move! Listen to my instructions!”

Chen Xiaobei activated the power of the nine-luminaries hell cutting saber.

Xu Fu had used this saber before, and there was still enough spirit Qi left in the saber to activate its power once.

“Boom boom boom ...”

Chen Xiaobei swung his saber, and a terrifying power burst out of the blade, like lava, and went straight for the metal tentacle!

“Heaven-defying!”

At the same time, a purple-gold dragon fin burst out from Chen Xiaobei’s back. The devouring power was like a rocket, pushing Chen Xiaobei forward.

“Chi ...”

At the same time, Chen Xiaobei took out the universe war god Holy garment and put it on while he was flying.

“Bro bei! Don’t!”

Cang tianao finally understood what Chen Xiaobei meant.

It turned out that Chen Xiaobei was going to bet all his cards and even his life to defend against the crippled demon Emperor’s attack.

What Cang tianao wanted to do was to take advantage of the gap in the Tian can demon Emperor’s second attack to deal the fatal blow.

“Boom boom boom ...”

Indeed, everything was just as Cang tianao had predicted.

Although the power of the metal tentacle had been weakened, it had still broken through the power of the nine luminaries hell cutting saber and the heaven-defying ability.

“Bang!”

The next moment, the metal tentacle slammed into Chen Xiaobei’s body!

“BOOM!”

The universe war god Holy garment was like a glass bottle smashed by a heavy hammer, instantly shattering into countless pieces.

“Swish ...”

The Nightstalker outfit that Chen Xiaobei was wearing was also cracked.

“Pfft ...”

Chen Xiaobei felt as if he had been struck by lightning. His ribs were all shattered, and his internal organs were all shattered. His stomach was in turmoil, and he spat out a mouthful of blood mixed with some minced meat!

Terrifying!

It was extremely terrifying!

This was the difference in power!

Even though Chen Xiaobei had used all his trump cards, he was still severely injured.

“Hahaha ..... Really stupid!”

The Tian can demon Emperor laughed proudly. “What kind of trash cultivation base do you have to dare to make a move in front of me? It’s a waste of medicinal pills to cure this kind of brainless idiot!”

“Roar!”

However, just as the Tian can demon Emperor was at his proudest, Cang Tian ‘ao’s attack had already been launched. Furthermore, it had already arrived in front of the Tian can demon Emperor at its fastest speed!

“Not good!”

The Tian can demon Emperor was shocked. Although he managed to react, Cang Tian ao was already prepared. He was so fast that the Tian can demon Emperor could not react in time.

“Uh ...”

The Tian can demon Emperor could only try his best to Dodge.

One had to admit that the Tian can demon Emperor was an experienced expert.

If he didn’t move to the side, Cang tianao’s fangs and celestial core power-enhanced Wolf mouth would directly snap his neck!

It was this instinctual movement that allowed the Tian can demonic Emperor to avoid being hit on his neck, saving his body from death!

However, this was already the limit of what he could do.

Cang tianao’s Wolf mouth still managed to bite the Tian can demon Emperor’s right shoulder.

“Swish!”

Cang tianao used all his strength and tore off the Tian can demon Emperor’s right arm.

ow ... Owuu!!!

The Tian can demon Emperor let out a hysterical scream. His face was twisted, and his eyes turned dark green.

bro bei!!!

Cang tianao spat out the severed arm of the crippled demon Emperor and looked at Chen Xiaobei.

“Don’t be nervous! I’m fine!”

Chen Xiaobei’s practicing body had already stuffed a blood Bodhi into his body’s mouth.

In less than three seconds, Chen Xiaobei’s body, which had been almost completely destroyed, had completely recovered. He stood up again, perfectly fine.

#### **Chapter 3452: A fine line between life and death**

3452 A fine line between life and death

“Dammit! What right does a piece of trash like you have to possess such a heaven-defying divine item? Damn it!”

The Tian can demon Emperor was flustered and yelled hysterically.

Chen Xiaobei was uninjured, but the crippled demon Emperor had lost his right hand!

It was like a lion being bitten by an ant, but the ant was safe and sound.

To the Tian can demon Emperor, this was a huge humiliation.

And all of this was because of the divine fruit, blood Bodhi, in Chen Xiaobei’s hands.

Seeing this, the 33 soldiers were all excited. They even cheered excitedly, seeing the hope of victory.

However ...

Chen Xiaobei, Yan Lingshi, and Cang tianao were frowning. They could not relax at all.

It seemed like the Tian can demon Emperor had suffered a huge loss in this battle.

But in reality, Chen Xiaobei had also paid a huge price.

A blood Bodhi, a universe war god robe, and a Nightstalker outfit!

These three huge chips were only exchanged for the crippled demon Emperor’s right arm. Objectively speaking, Chen Xiaobei did not get the upper hand. He even missed the best chance to win!

According to his original plan, he was going to finish off the Tian can demon Emperor with this attack.

But now, he had only broken an arm of demon Emperor Tian can.

This way, the Tian can demon Emperor would be prepared for the next attack.

The same move could not possibly be of any use.

Moreover, this had angered the crippled demon Emperor. He would use even more power to take revenge on Chen Xiaobei and Cang tianao.

Chen Xiaobei did not have any more blood Bodhi.

In the next battle, Chen Xiaobei and Cang tianao’s chances of winning were almost zero.

bro bei ... How many more of those divine fruits do you have? ”

“As long as we have enough divine fruits, we might be able to exhaust demon Emperor Tian can’s celestial core power!” Cang tianao said in a low voice.

Chen Xiaobei frowned and said, ” “This is a divine fruit! It was not peanuts! I don’t have a single one left ...”

this ... Cang Tian ao's expression changed drastically, even his body and mind were trembling, " if that's the case, then you better think of a way to escape. This battle is bound to be lost. I'm willing to risk my life to buy you some time!

After that, Cang tianao walked in front of Chen Xiaobei and assumed a protective stance.

I can't get away ... Chen Xiaobei shook his head helplessly.

If he was somewhere else, Chen Xiaobei could have used the dimension Shatterer to escape.

However, this was the Hong Meng Demon Realm, and the laws of space had reached the God level!

The higher the level of the space law, the more lifespan it would take to break the void. Chen Xiaobei's current lifespan was not enough!

"Whoosh! Whoosh ..."

At the same time, the surrounding tens of thousands of mountain demons emitted even more intense blood essence than before.

The essence quickly entered the Tian can demon Emperor's body, and his celestial core power began to fluctuate more and more violently.

Ten percent! 20%! 30%! 40%! 50%!

As his blood, Qi, and essence continued to strengthen, the strength of the Tian can demon Emperor's celestial core power was more than 50% stronger than the celestial core power of a peak two-star heaven immortal!

Bang ... Bang ... Bang ...

At the same time, some of the tens of thousands of otherworldly demons in the surroundings had already fainted due to the loss of qi and blood.

Obviously, although this blood spirit sacrifice secret technique was profound and tyrannical, the price to pay was also extremely great.

The otherworldly demons who had fainted would probably need to rest for a few months before they could recover their lost qi and blood.

Of course, the Tian can demon Emperor did not care about the lives of his subordinates.

He didn't even look at the celestial demons who had fainted, and instead laughed arrogantly.

"Hahaha ... You little brat! Are you prepared to pay the price? I don't believe that you'll be able to turn the tables this time!"

The Tian can demon Emperor's right shoulder was still bleeding, and he said through gritted teeth, " I'm going to cripple your cultivation base, mince your limbs bit by bit with my metal whiskers, and burn your nascent soul with demonic fire. I'll make you wish you were dead!

"Bro bei ..."

Cang Tian ao took a deep breath. Although he was not afraid of death, his tone was still very sad, " "It seems that this time, the two of us are going to die in battle ..."

"You dare?" Chen Xiaobei asked.

"I'm not afraid!"

Cang Tian ao shook his head, "I'm just not willing!" We still haven't completed the mission to save the ancestral Dragon!"

"I'm not willing to either ..."

"I still haven't found my little fox! Even if I die, I won't be able to rest in peace!"

"Bro bei! I'm here to help you!"

Yan Lingshi rushed over and stood firmly beside Chen Xiaobei.

"Idiot! What are you doing here?"

Chen Xiaobei frowned and shouted, " "You go back! After I die, call your reinforcements over and take revenge for me!"

"No!"

Yan Lingshi shook her head and said firmly, " "I've taken your money, so I'll do my best to help you before I help you find the person! If we want to live, we'll live together! If we're going to die, we'll die together!"

It was obvious that this was not the first time Yan Lingshi had risked her life to accompany a gentleman.

This was her principle.

"Don't talk nonsense! Return the money to me! Hurry up and go away!" Chen Xiaobei panicked and immediately went to grab her storage bracelet.

"No! I will never!"

Yan Lingshi clutched her storage bracelet tightly. "Unless I don't want it, no one can take the money that's in my pocket!"

"You're crazy! You'll die!" Chen Xiaobei's mind was in a mess. He really wanted to knock Yan Lingshi unconscious and throw her back.

However, if he knocked her out, he wouldn't be able to get help.

"A bunch of idiots! You're on the verge of death, yet you're still acting in front of me?"

The Tian can demon Emperor had gathered enough power, and the dozens of metal tentacles on his left hand were all waving.

The terrifying immortal essence was like a Boiling River of steel. With one strike, it was like an Iron Horse that could turn everything in the world into ruins.

“Don’t be so conflicted! I’ll send you all to hell together!”

The Tian can demon Emperor was furious and would not show any mercy.

“Woof! Buzzzzzz! Yi ...”

With a wave of his left arm, dozens of iron tentacles shot out like a group of Dragons, heading toward Chen Xiaobei and the others.

“Idiot! You’ll die from stupidity!” Chen Xiaobei did not care much about his life or death. Since he could not break out of this situation and he was not willing to give in, he had no choice but to die!

However, Chen Xiaobei could not accept that Yan Lingshi would die with him!

Chen Xiaobei had a good impression of this girl. Even if they were not lovers, they were already very good friends.

The thought of Yan Lingshi being buried with him made Chen Xiaobei’s heart ache.

“Hurry up ... Hurry up ...”

However, at this moment, Yan Lingshi looked up at the sky anxiously, as if she was expecting something.

“You’ve already called for help?” Chen Xiaobei frowned.

#### **Chapter 3453: unsolvable deadlock**

“I don’t want to see you die ...”

Yan Lingshi hugged Chen Xiaobei’s arm tightly. Her eyes were red, and her teeth were biting through her lips.

“Even if you don’t want to see me die, you don’t have to be so stupid as to die with me ...”

Chen Xiaobei’s heart skipped a beat. He looked at Yan Lingshi and pulled her into his arms.

Then, Chen Xiaobei turned his back to the demonic Emperor, using his body to protect Yan Lingshi.

Even if they were to die together, at least Chen Xiaobei had done what a man should.

“Chi ...”

Yan Lingshi could not help but groan. Her delicate body trembled slightly, her heart thumped wildly, her cheeks burned red, and her head buzzed. She even forgot about the imminent death!

No man had ever been in such close contact with her.

No man had ever protected her like this before.

At this moment, her heart was filled with sweetness, inexperience, warmth, and happiness.

It couldn’t be explained.

Perhaps, this was the taste of first love.

However ...

The irony was that Yan Lingshi could only experience this wonderful feeling for a short moment.

Dozens of them were already in front of him!

Death could take away her and Chen Xiaobei's lives in an instant!

All the good things were like a white stallion passing through a crack. Before he had time to carefully appreciate it, it had already slipped away.

"Woof!"

However, at this moment!

A white ray of light fell from the sky at a speed ten times faster than Ironbeard's.

"BOOM!"

The bewildering formation that enveloped the space was instantly shattered!

Who dared to think about it!

The power of this white light had actually reached the terrifying level of a three-star heaven immortal!

"Who's there?"

The Tian can demon Emperor looked up at the sky as if he was struck by lightning.

In an instant, the white light grew larger and closer, and it suddenly slashed down on him.

The Tian can demon Emperor's pupils contracted in fear. His body trembled, and his heart almost jumped out of his throat.

In the heaven immortal realm, there was a huge gap between each minor realm that could not be crossed.

The gap between a major realm was so huge that it could not be described with words.

If hit by this white light, even someone as strong as the Tian can demon Emperor would not be able to survive.

"Chi ..."

One had to admit that the Tian can demon Emperor was powerful.

In that split second, he gave up on killing Chen Xiaobei and used all his strength to move a few meters to the side.

"Swish ..."

The white light almost brushed past the Tian can demon Emperor's body.

"Boom boom boom ..."

A hundred-mile wide chasm was created on the ground.

There were no less than a few thousand mountain Eshan heavenly demons standing in this straight line, but all of them had been annihilated without a complete corpse.

“Ah ... Argh ...”

At the same time, the Tian can demon Emperor let out a heart-wrenching scream.

He was standing on the other side of the chasm.

Everyone looked toward the source of the voice and were instantly dumbfounded, their scalps numb.

Only to see!

Half of the Tian can demon Emperor's body was sliced off. Blood, organs, and brain matter were all flowing out.

That scene was simply too terrifying to look at directly.

However, this was the smallest price that the Tian can demon Emperor could pay!

Although half of his body was cut off, he managed to avoid the important part of his dantian.

Although his physical body had been destroyed, his Dharmakaya and nascent soul were not injured. At least he had escaped death!

“Senior, please spare me! Spare me!”

Demon Emperor Tian can's avatar left his body.

It was a Yimo with an iron beard.

They knelt on the ground and begged for mercy in fear.

“Too ... Too strong ...”

Chen Xiaobei and Cang tianao gasped at the sight.

Old yellow and the 33 Warriors were knocked out by the terrifying shockwaves, lying all over the ground.

“We ... We didn't die?”

Yan Lingshi poked her head out of Chen Xiaobei's arms, her eyes filled with shock.

“He didn't die! Don't worry!”

Chen Xiaobei patted her head and said, “The helper you found is very powerful ... We're all fine ...” He said.

“He's here?” Yan Lingshi's body trembled, and she hurriedly looked up at the sky.

Chen Xiaobei let go of Yan Lingshi and said, “The Tian can demon Emperor has admitted defeat. You are safe. However, I will not kneel to anyone!”

“No... That’s not Ling sheance!”

Yan Lingshi shook her head, her face full of confusion.”I don’t even know that person ...”

“What?”

Chen Xiaobei looked up at the sky as well.

A young man in a white robe and white boots, glowing with white light, flew down from the sky.

He casually twisted the white jade ring in his hand, his eyes calm and relaxed. He looked down at the crowd as if he was looking at a group of ants, without the slightest emotion.

it’s hou Qingfeng!

Cang Tian ao recognized the person and said with a trembling voice, ” “He’s a formidable person in the territory with terrifying strength and a strong influence! He ... Why is he here? And why did you help us?”

“Woof! Buzzzzzz! Yi ...”

Behind hou Qingfeng, there were six other figures who were slightly slower.

As the six figures approached, Cang Tian ‘ao’s doubts were finally answered!

One of the six people was an old acquaintance of Chen Xiaobei’s.

He was the Emperor of the Sheng family, Sheng kuangzhan.

The answer was obvious.

On the surface, Sheng kuangzhan was giving in to Chen Xiaobei, but in secret, he had asked hou Qingfeng to plot against Chen Xiaobei.

Hou Qingfeng’s sudden arrival was not to help but to pick up the fruit of victory in person!

“Oh no... We’ve been tricked ...”

Yan Lingshi was also very smart. She immediately understood the situation.”Hou Qingfeng is a three star heaven immortal, hundreds of times more powerful than the Tian can demon Emperor! Once he makes a move, we’ll all be dead!”

“This might not be the case!”

no! Chen Xiaobei shook his head and said, ” didn’t you call for help too? Drive the Tiger to swallow the wolf, let the dogs bite the dogs!”

“This ...”

Yan Lingshi shook her head and said awkwardly, ” compared to Ling sheance, hou Qingfeng is not even an ant!

“What?” Chen Xiaobei was so shocked that his heart skipped a beat.

! three-star heaven immortal could not even be considered an ant!

How terrifying was the Ling sheance that Yan Lingshi had found?

Once again, Chen Xiaobei felt that he was too weak, and his heart was filled with a strong desire to become stronger.

Of course, the prerequisite was that they had to survive this tribulation!

“Little brat! Hand over your primordial chaos demonic flame and the divine healing fruit!”

Hou Qingfeng looked down at Chen Xiaobei and said in a commanding tone, “I’ll give you three seconds, do as I say! Otherwise, I’ll kill you and take it myself!”

“Woof! Buzzzzzz! Yi ...”

At the same time, Sheng kuangzhan and the other five people flew behind hou Qingfeng and glared at Chen Xiaobei.

“It seems like we still have to die together ...”

Chen Xiaobei looked at Yan Lingshi in his arms and said helplessly, “There’s no way to play this kind of unsolvable dead end ...”

### Red Envelope Group of the Three Realms

#### **Chapter 3454: Celestial master Shen CE**

3454 Celestial master Shen CE

“No... I suddenly feel that we won’t die ...”

Yan Lingshi’s expression was slightly startled. She said thoughtfully, “When you were hugging me just now, I thought I saw purple Qi coming from the east! This is a good sign!”

“pfft ... Look at the situation now, and you’re still acting like you’re going to die ...” “If your calculations were accurate, we wouldn’t have ended up like this ...”

No... Yan Lingshi shook her head and quickly asked, “Where’s that piece of black tree bark? It’s the one we found in Sheng Shijie’s storage bracelet!”

“Yes ... As you said, I always have it with me!” Chen Xiaobei pointed at his stomach.

Suddenly, Chen Xiaobei’s eyes lit up as if he had just discovered something incredible!

Just a moment ago, the universe Battle God Holy garment and the Nightstalker ghostly garment had both been destroyed!

However, Chen Xiaobei’s dantian was fine and his dharma body was in perfect condition. Only then could he take out the blood Bodhi to heal his physical body.

“This tree bark is protecting my Qi sea dantian! Otherwise, I’m afraid my Dharmakaya would have already been destroyed!”

Chen Xiaobei looked at Yan Lingshi in surprise and joy. “You, a half-immortal, seem to have some skills! This tree bark is really a great opportunity for me!”

“Hmph! I, the Hong Meng half-immortal, do not live up to my reputation.” Yan Lingshi smiled playfully and said, “If I’m not wrong, this tree bark might be the key to break out of this dead end!”

Chen Xiaobei frowned. that may be true, but this tree bark only has a map. It doesn’t have any power or special ability. How can we break out of this? ”

“Uh ...” Yan Lingshi was stunned.”Let me think ...”

“Whoosh ...”

At that moment, the white ring on hou Qingfeng’s finger suddenly shone with a pure white light, as if it contained thousands of knife Qi that could cut everything in the world!

It was obvious.

Hou Qingfeng did not want to waste time with Chen Xiaobei. He had told Chen Xiaobei that he would only wait for three seconds. If he exceeded the time limit, he would be killed immediately!

“Big sister! Have you figured it out yet?”

I can wait for you! Chen Xiaobei was sweating. but hou Qingfeng can’t!

“Swish!”

At this moment, a golden-white shadow fell from the sky like a meteor.

He landed in front of hou Qingfeng.

It was a very handsome young man, wearing a very special Platinum feather coat. He had an extremely noble and cold temperament.

“Who ... Who are you?” Hou Qingfeng was a little surprised. He looked at the man in confusion.

However, hou Qingfeng couldn’t tell the other party’s cultivation level or the grade of the feather armor even with his primordial spirit domain.

Hou Qingfeng’s instinct told him that this man was no ordinary person.

However, it was too late.

“Ant! How dare you not kneel when you see me?”

The man in the Platinum feather coat only snorted coldly and didn’t do anything.

“BOOM! BOOM! Boom ...”

However, in the next moment, hou Qingfeng, Sheng kuangzhan, and the other five were all hit above their heads from an incredible distance.

The seven of them were like seven meteorites, falling toward the ground.

“Bang! Bang! Bang! Bang ...”

In the blink of an eye, the person who was originally high up in the air instantly fell to the ground.

What was even more unbelievable was that their bodies exploded instantly like eggs that fell to the ground, turning into seven pools of broken bones and rotten flesh.

spare me ... Celestial venerable, spare me ... Spare me ...

However, their dharmakayas seemed to have only suffered heavy injuries and were not completely destroyed. They knelt in the pool of blood and kowtowed desperately.

With a single thought, he had crushed Seven Heaven immortal bodies!

Moreover, one of them was the three star heaven immortal Marquis Qingfeng, one was the peak two star heaven immortal Sheng kuangzhan, and the remaining five were the five late two star heaven immortal sons of the hou family!

Even if one used their toes to think, they would know that the man in the Platinum feather robe was extremely powerful.

It wasn't just hou Qingfeng and the other seven.

The Tian can demon Emperor and all the other clear-headed mountain demons were kneeling on the ground with their foreheads touching the ground. They did not dare to look up at the man in the Platinum feather robe!

"Hiss ..."

Even Cang Tian ao's heart trembled and he could not help but turn back into his human form. His legs were trembling and he could kneel down at any moment.

In such a situation.

Only Chen Xiaobei and Yan Lingshi were still standing there calmly.

"He is Ling sheance! The successor of the number one power in the dark domain, the Ling family! He was known as the God of strategy! Nine-star celestial immortal realm! Platinum battle armor demon body!"

Yan Lingshi lowered her voice and quickly told Chen Xiaobei about the man's condition.

The reason why Yan Lingshi was so calm was obviously because she had dealt with Ling sheance before. She was already used to his aura and pressure.

"Why are you telling me this ..."

Chen Xiaobei laughed at himself, "I can't deal with any of his titles ..."

Chen Xiaobei was able to stand there calmly because he had a strong mental state.

Although the other party was strong, Chen Xiaobei would never submit to them.

"Very good! Other than my Lingshi, there's actually someone else who doesn't kneel? I haven't been to the yellow domain for 90000 years. It seems that the ants here have forgotten who I am!"

Ling sheance's eyes were locked on Chen Xiaobei.

Even though Cang tianao managed to hold himself up from kneeling, Ling sheance was more concerned about Chen Xiaobei.

That was because Chen Xiaobei was holding Yan Lingshi in his arms!

He combined Ling sheance's actions with the clues that Yan Lingshi had revealed.

He could basically guess that Ling Shence was madly pursuing Yan Lingshi. In order to avoid him, Yan Lingshi sneaked into the yellow domain.

Because of this, as soon as Yan Lingshi sent her location, Ling sheance killed her without any hesitation.

However, never in his wildest dreams would Ling sheance have thought that the goddess he had been chasing after was in Chen Xiaobei's arms.

"Who said you are inferior to Ling sheance in every way?"

Yan Lingshi looked at Chen Xiaobei and smiled slyly. "Ling sheance has been chasing me for three years, but he hasn't even touched a finger of mine! As for you ... You've touched everything you shouldn't have touched ..."

"Uh ..."

Chen Xiaobei did not know whether to laugh or cry. "You mean, my peach blossom luck is the only thing that beat him?"

"You little brat! This celestial venerable is talking to you! You dare to ignore me!" Ling sheance was furious. He took out a Platinum feather sword!

Just now, he had crippled Seven Heaven Immortals with a single thought.

And now, he was facing Chen Xiaobei with a weapon!

"Swish!"

All of a sudden, Ling sheance swung his sword.

He was probably afraid of hurting Yan Lingshi.

A feather-sized white-gold sword Qi was released from the blade.

But without a doubt, although the sword Qi was small, its destructive power was unparalleled.

If it was in the earth-god Realm, this feather could completely destroy a continent!

"It's good that he didn't hurt you ..."

Chen Xiaobei looked at Yan Lingshi tenderly. He was not afraid of death at all.

Even if he had to die, he would not let Chen Xiaobei yield!

"Tree bark!"

However, at this moment, Yan Lingshi suddenly shouted, "Hurry up! Throw the tree bark out!"

## Red Envelope Group of the Three Realms

### **Chapter 3455: a ray of hope**

throwing tree bark!?

Chen Xiaobei was taken aback. He immediately remembered what Futian Xin 'er had said.

She said that this was the bark of a nine-star heaven immortal profound armor tree! The bark itself was hard, impervious to fire and water, and invulnerable to blades and Spears! Only a God grade heavenly flame could burn it!

It was the tree bark that had protected Chen Xiaobei's dantian.

This was the only piece of bark that Chen Xiaobei had that could block Ling sheance's attack.

"Swish!"

Without hesitation, Chen Xiaobei threw the black-armored tree bark at Ling sheance's Platinum feather sword Qi.

Chen Xiaobei had only used the strength of his arm to throw the tree bark. There was no additional energy, nor was there any burning of spiritual energy.

Even if the profound armor tree bark was a nine-star celestial immortal item, it would only be sent flying by the sword Qi. There was no way it could block that fatal move.

However!

"Boom boom boom ..."

Just as the Platinum feather sword Qi struck the profound armor tree bark ...

This black bark lump actually exploded with an incredible amount of immortal essence.

Tens of thousands of black rays shot out and surrounded the black armor tree bark, extending for a million meters.

It looked like a huge black Sun.

It was simply unbelievable.

what's that!?

Seeing this, Ling Shence couldn't help but be surprised.

Even this quasi-mysterious domain heavenly venerate had never seen or heard of such a strange situation.

There was no need to talk about the surrounding people.

No one knew what was going on.

Even Chen Xiaobei and Yan Lingshi were confused. They were just trying their luck and did not understand the reason behind it.

Whoosh ... Whoosh ...

In the next moment, the huge black Sun started to spin.

It was like a huge vortex that kept spinning inside, creating a terrifying gravitational force.

black hole!?

Chen Xiaobei was taken aback. He could not help but think of the black hole he had encountered before.

The huge black Sun was spinning and shrinking as if it was gathering something.

And as this black light ball became smaller and smaller, the gravitational force within the vortex became stronger and stronger.

The Platinum feather sword aura was actually sucked into the darkness.

“Woof! Buzzzzzz! Yi ...”

At the same time, the unconscious soldiers and the mountain demon were all sucked in.

Very quickly, even the awakened jueshan heavenly demon and the one-star heaven immortal Xia Yilian were unable to resist the suction force and were all sucked into the darkness.

“Not good! Our companions have been swept away!” Yan Lingshi was very kind, but she became nervous at once.

In fact, if Chen Xiaobei had not held her, she would have been sucked away by the whirlpool.

“This dark vortex can take people away, so there must be an independent space inside,”

we’ll die if we stay here! Chen Xiaobei said. we only have a chance of survival if we enter the darkness! The proud heaven! Let’s go!”

Chen Xiaobei relaxed his body and let go of the suction force. He carried Yan Lingshi and entered the dark vortex.

“Alright!”

Cang tianao also knew that he might not survive if he entered the whirlpool, but if he didn’t, he would definitely die!

“Woof! Whoosh!”

In the blink of an eye, Chen Xiaobei, Yan Lingshi, and Cang tianao were all sucked into the dark vortex.

Seeing this, Ling shenci frowned, hesitating whether he should go in.

It was obvious that although Ling Shence wanted to pursue Yan Lingshi, he would never risk his life for her!

This profound armor tree bark was clearly a nine-star celestial immortal item.

If they were at the same level, Ling sheance had every reason to suspect that this was Chen Xiaobei's trump card. If he were to rush in rashly, he would be at a disadvantage and might never be able to come out.

Thinking of this, the powerful Ling sheance didn't dare to take even half a step forward. He even wanted to retreat.

"Run ... Let's quickly run ..."

At the same time, hou Qingfeng and the others did not dare to stay any longer. They wanted to escape.

"Whoosh ..."

However, the gravitational force of the dark vortex was increasing every second.

When hou Qingfeng and the others wanted to leave, they could not ...

"Ah ... Help! Lord Marquis, save me ..."

The lingkong quintet and Sheng kuangzhan pushed their speed to the limit, but they were unable to break free from the pull of the vortex's gravitational force. They were slowly being pulled toward the center of the vortex.

"Uh ..."

At the same time, Tian can demon Emperor's body was not spared either. It was pulled into the dark vortex.

"Dammit! I didn't even have time to save you!"

Of course, hou Qingfeng wouldn't risk his life to save others. He tried his best to escape.

However ...

His storage bracelet and the white jade ring were both taken away by the vortex.

"Shit! The blood scar ring is my life bonded magic weapon! We can't lose it!"

Hou Qingfeng did not want to sacrifice himself to save others, but he did not want to give up his Natal Dharma Treasure. He turned around and tried to take back the ring.

The so-called Natal magic weapon was bound to the master's primordial spirit and resonated with the immortal elemental energy. The master would use his essence to nourish the magic weapon, and the magic weapon would use its spirituality to support the master.

People with Natal Dharma Treasures, whether it was by themselves or by activating the special abilities of the Dharma Treasures, could enhance each other and stimulate a power above the same level.

Of course, with benefits came a price!

A Natal magic weapon could enhance its master's power, but at the same time, it was bound to the master's primordial spirit and became a part of the master's body.

Once the Natal Dharma Treasure was lost, the master's combat power would be lower than that of the same level.

Once the Natal Dharma Treasure was damaged, the owner's primordial spirit would be destroyed and could never be repaired. Not only would their combat power plummet, but they might even drop to the next realm and lower their cultivation level!

That was why hou Qingfeng had rushed back desperately to get the snow scar ring back.

"Woof! Whoosh!"

However, the gravitational force of the vortex was increasing significantly every second.

Not only did hou Qingfeng fail to retrieve the snow scar ring, but he was also sucked into the vortex.

"Should I go in or not ..."

Ling sheance was the only one left at the scene.

From the bottom of his heart, he could not bear to part with Yan Lingshi. However, his rationality told him that it might be dangerous if he chased after her!

"However, when I came here just now, I seemed to have heard the grandmist demonic flame and the healing divine level ..."

When Ling sheance arrived, hou Qingfeng was asking Chen Xiaobei for the two items.

Compared to Yan Lingshi, Ling Shence might value his life more.

However, if it was Yan Lingshi, with the help of the primordial demonic flame and the divine healing fruit, it would be a different story!

Ling Shence would be willing to risk his life for such a huge benefit even in normal times.

This time, it would naturally be no exception!

"Enter!"

Ling Shence made up his mind.

"Whoosh!"

With a flash of white-gold light, he charged into the darkness.

#### **Chapter 3456: Mysterious space**

##### 3456 Mysterious space

"Heavens ... What is this place ..."

Yan Lingshi was dumbfounded. She could not believe her eyes.

Even Chen Xiaobei's face was filled with shock. He had never dreamed that the independent space in the dark vortex would be so huge!

The two of them flew out from the black 'sun' in the sky. Because they were tightly hugging each other, they were thrown in the same unknown direction by the huge force of the vortex.

As for Cang Tian ao, he was thrown to another side.

While flying in the air, everyone could see from above that this independent space was like a boundless continent.

There were mountains, rivers, forests, and even large main cities that had long been reduced to ruins.

From the looks of it, this place was probably an independent world similar to the Hong Meng Demon Realm a long time ago.

Of course, the level here was definitely incomparable to that of the Hong Meng Demon Realm. Even the laws of the world used the laws of the Hong Meng Demon Realm.

Therefore, to be precise, this place could only be considered an independent space, not an independent plane.

But no matter what, to be able to build a large number of main cities here and allow a huge number of people to live here!

The original owner of this space must have been an extremely powerful ancient Almighty, who might even be more terrifying than Ling sheance.

"Bang!"

Chen Xiaobei and Yan Lingshi fell to the ground.

The outside of the vortex was the suction force, and the inside was the rejection force.

In the rapid rotation, everyone was repelled to different directions.

Only Chen Xiaobei and Yan Lingshi were left in the vicinity. The rest of the people were left in other areas.

"We're safe for now ... But what about the others?" he asked. Yan Lingshi's elegant brows furrowed slightly. She was very worried.

"At this time, don't think about others!"

"We have to find a way to break out of this situation! Only then can we save more people!" It's meaningless to let your thoughts run wild and worry. You'll only harm yourself and others!"

"Oh ..."

Yan Lingshi pouted, her face blushing as she said, "I'll listen to you ... But can you let go first? I can't breathe ..."

"Uh ..."

Chen Xiaobei's face turned red.

At that moment, Yan Lingshi's two round and tall snow-capped mountains were pressed tightly against Chen Xiaobei's chest.

That feeling ... Just thinking about it made him want to vomit blood!

Chen Xiaobei quickly let go of Yan Lingshi and calmed himself down. He suppressed the primal force that was about to stir.

"You say it! How can we find a way to break out of this situation?" Yan Lingshi asked impatiently.

"It's not safe here. Let's discuss this somewhere else!" Chen Xiaobei then hid the Sumeru space in the bushes nearby.

The Meru space was extremely small. After hiding it carefully, even if the enemy used their primordial spirit domain to search, it would be like looking for a needle in a haystack. The possibility of finding it was almost zero.

After that, Chen Xiaobei and Yan Lingshi entered the Meru space.

"If I want to find a way to break out of this situation, I must first understand my enemy!"

what? " Chen Xiaobei asked, " do you know what Ling sheance's weakness is? "

"No weakness ..."

Yan Lingshi shook her head and said, " Ling shenci's cultivation is very high. His demon body is very strong. The Platinum feather sword in his hand is also a nine-star heaven-immortal instrument. Moreover, he is very smart and rational! Once you enter battle mode, you won't reveal any flaws!"

"Then, what about when you're not in combat?" Chen Xiaobei asked.

this ... Yan Lingshi thought for a moment and said, " I think he has no weakness at all times ... Unless one's cultivation base is higher than his, no one can take advantage of him!

"Is he really that powerful?" Chen Xiaobei frowned. "According to what you've said, he's simply an impeccable perfection!"

"Bah! He's not a perfect person!"

Yan Lingshi said disdainfully, "although he doesn't have any weaknesses, he has countless weaknesses!" He's arrogant, overbearing, cruel ... And what I can't stand the most is that he's extremely lecherous!"

uh ... Chen Xiaobei was speechless."No wonder you don't like him ..."

"You'll never imagine it! He had 108 wives and concubines in his immortal abode! Outside the immortal estate, his mistresses could be found all over the dark domain! If it's not a thousand, it's at least eight hundred!"

"Unless I'm blind and stupid, I'll never marry a scumbag like him!" Yan Lingshi scoffed.

Obviously, other than these shortcomings, Ling sheance was handsome, from a prominent family, and had a high cultivation. There was nothing to pick on.

That was why Ling sheance was so popular with women!

800 female confidants!

In comparison, Chen Xiaobei was so weak!

Of course, most of the women who liked Ling sheance were not good people.

It was obvious that these women were after Ling sheance's status, power, wealth, and other benefits!

Moreover, Ling Shence wouldn't treat these women sincerely. He would stop after a few rounds.

If he gathered all the women, Ling Shence would not be able to tell them apart.

Because of this, a good daughter like Yan Lingshi, who was pure and loyal to her feelings, would rather die than accept a scumbag like Ling sheance.

On the contrary, even though Chen Xiaobei had other women, the feelings between them were above everything else.

Yan Lingshi had witnessed Chen Xiaobei's absolute infatuation with Daji all this time!

For little Daji, Chen Xiaobei had gone crazy, lost control, and did not care about the price! At the risk of their lives!

It was this infatuation that had touched Yan Lingshi time and time again, and that was why she had gradually developed a good impression of Chen Xiaobei.

Coupled with Chen Xiaobei's spirit, courage, pride ... And so much charisma, Yan Lingshi slowly fell in love with Chen Xiaobei.

They were both men, but the gap between them was so huge!

"We're getting off topic ..."

"I can't. Chen Xiaobei calmed himself down and said, "if we were outside, I might be able to think of a way to seduce Ling Shence. But here, there are only you and Xia Yilian. There's no way Ling Shence would fall for it.

yes ... Yan Lingshi nodded."He won't believe me! As for Xia Yilian ..."

"What's wrong? You also noticed that something was wrong?" Chen Xiaobei raised his eyebrows and sneered.

"Yup ..."

Yan Lingshi's brows furrowed, and her tone was dejected."Hou Qingfeng can scheme against us, but there's no way he would know that you have the primordial demonic fire and the divine healing fruit! The only explanation is that someone gave hou Qingfeng a tip!"

"That's right!" that's right! Chen Xiaobei said. the mole is Xia Yilian!

[Red Envelope Group of the Three Realms](#)

**Chapter 3457: Preparing a trump card**

### 3457 Preparing a trump card

“From the start, I was puzzled. Why did she leave the two princes and not marry them? she insisted on following me and even insisted on entering the Tian Lu mountain range together! Now, I finally have the answer!”

In fact, Chen Xiaobei had suspected Xia Yilian from the beginning.

However, Xia Yilian’s act of suicide had piqued everyone’s sympathy, and Chen Xiaobei did not think too much about it.

However, the facts had proven that even the most pitiful people had their own detestable aspects!

Xia Yilian pretended to be pitiful and insisted on following Chen Xiaobei. Her real purpose was more vicious than a snake!

“Don’t even think about the honey trap!”

that’s right! Chen Xiaobei said, “ since Ling sheance has no weakness, we have to find a way to suppress him with our combat power!

how is that possible ... Yan Lingshi said embarrassedly, “ Ling sheance is a celestial master of the dark domain ... Even his opponents of the same realm can’t defeat him, let alone us.

“Heavens! Mysterious! The ground! Yellow!”

‘In the Hong Meng Demon Realm, Ling Shence is not the top of the hierarchy! There are people who are more powerful than him!”

The yellow domain’s representative was a low-level SkyDemon! The representative of the earth realm was a mid level sky demon! The mysterious domain’s representative was a high level sky Yao! The representative of the heaven domain was a God-level existence!

Don’t forget!

Primordial chaos demon ancestor was the earliest peak quasi-Sage at the same level as the Dao ancestors and the devil ancestors!

Ever since she had established the Hong Meng Demon Realm, countless years had passed in this world!

In the heaven domain, there were not only God-level demons, but also quasi-Saints!

If they didn’t even have this bit of strength, how would they dare to establish their own orthodoxy and want to replace primordial chaos demon ancestor?

I know that ... But how can we find someone who is more powerful than Ling sheance? ” “It’s obvious that this independent space has been abandoned for a long time. It’s almost impossible for there to be any living people here!” Yan Lingshi’s brows furrowed.

“No! It was not necessarily a human who was stronger than Ling sheance! It can also be something left behind by a human!”

think about it! That piece of profound armor tree bark is a nine-star heavenly immortal! It's only the entrance to this space!"

this ... Yan Lingshi's expression froze, and her heart instantly started beating wildly.

I believe that the person who created this space is more powerful than Ling sheance! Chen Xiaobei said.

"The spatial gates at the entrance are all hidden in nine-star celestial immortal items. There must be something of a higher level and more powerful in this independent space! What we need to do is to find these things!"

Obviously, Chen Xiaobei's analysis made sense!

An array! A magic treasure! A talisman! Elixir ... Anything left behind by the ancient Almighty would definitely be extremely powerful and could be the key to break out of this situation!

"That being said ..." Yan Lingshi frowned. but there are enemies outside. I'm afraid we'll die in their hands before we can find anything!

"Of course I've thought about this problem before!"

"I have my ways of dealing with the rest of the enemies except Ling sheance!" Chen Xiaobei said. In other words, in this vast space, we only need to get away from Ling sheance's tracking!"

Yan Lingshi shook her head and said,"the others are easy to deal with, but we can't avoid Ling sheance at all!" The essence soul domain of a nine-star celestial immortal was enough to cover the entire space! He can lock onto our position with a single thought!"

he will target two living people, but will he target an ant? " Chen Xiaobei smiled. He had already thought of a plan.

"Little ant? What do you mean by that?" Yan Lingshi's expression froze, and she was puzzled.

"Didn't they all say that I'm an ant?" I can really become an ant! Chen Xiaobei laughed.

Chen Xiaobei still had some high-tier prosperous monkey fur.

As long as he became an ant, Ling Shence would not care even if he sensed it.

This way, Chen Xiaobei could move around in the medium safely.

"Even if you can turn into an ant ... Where are you going to find something useful?" "It's impossible for you to find anything in such a huge space with your ant body ..." Yan Lingshi frowned.

"You don't have to worry about that!"

of course! Chen Xiaobei grinned. I can use my heavenly eye to lock onto all high-value treasures! Moreover, I've seen the map of this space before! Our movements will definitely be unimpeded!"

heavenly eye!? Yan Lingshi looked at Chen Xiaobei in disbelief, her eyes wide open.

"Right!"

that's right! Chen Xiaobei nodded and said, " it's not hard for me to find the treasure! The only thing I have to worry about is that the enemy might appear at the place where the treasure is hidden. At that time, a fierce battle will be inevitable!"

"Right! You've considered everything!"

Yan Lingshi nodded and said solemnly, " "The enemies here are all stronger than you! Hou Qingfeng, Shen kuangzhan, demon Emperor tiancan, and the five Ling Kong disciples! Any one of them can easily crush you!"

"Right!"

of course! Chen Xiaobei smiled. they can crush me now, but give me some time and I'll show you what a counterattack is!

"Give you some time? What do you want to do?" Yan Lingshi was very confused. No matter how hard she racked her brain, she could not figure out how Chen Xiaobei was going to counterattack.

"Follow me!"

Chen Xiaobei then brought Yan Lingshi into the verdant Emperor's divine gourd.

It was as if the door to a new world had opened. Yan Lingshi was instantly stunned. On the bloodspring planet, the demon race and the insect race coexisted in harmony, and there was even an extremely huge tree of God.

Yan Lingshi felt like she was in a dream.

"What did you bring me here for?" Yan Lingshi asked.

"Prepare your trump cards! Counterattack the enemy!" Chen Xiaobei's lips curled into a domineering smile.

It was as if everything was under his control and there would be no accidents.

"Prepare a trump card?"

"Don't tell me that you have other, more powerful killing moves besides the spiritual treasures and special abilities you just used?" Yan Lingshi asked in surprise.

"I don't have any now!"

I'm fine! Chen Xiaobei shrugged and laughed. but I'll have one soon!

"How fast is very fast?" Yan Lingshi could not understand.

Just a moment ago, they had nearly died together because they had used up all their trump cards.

But now, Chen Xiaobei was saying that he would soon have a trump card that could turn the tide! This was simply unbelievable!

"You just watch! I definitely won't let you down!"

Chen Xiaobei shouted, " "Xin 'er! Come over for a moment! I need your help!"

“They’re coming!”

A pleasant and clear sound was heard.

Soon, Futian Xin ‘er came to Chen Xiaobei and asked with a smile, “ brother Xiaobei, what do you need me to do for you? ”

### Red Envelope Group of the Three Realms

#### **Chapter 3458: Nourishing the heavens with the saint's heart**

3458 Nourishing the heavens with the saint’s heart

“First, help me ripen ten blood Bodhi fruits!”

Chen Xiaobei took out the sunlight cache and 30000 low-grade spiritual jades and handed them to her.

So far, Chen Xiaobei had only returned 42399 pieces of low-grade spiritual Jade.

“Waa! What a beautiful lady!”

Fu Tian Xin ‘er used her true essence to catch all the spirit stones and sunlight treasure boxes. Her bright eyes immediately fixed on Yan Lingshi’s body, as if she was admiring a beautiful scenery. She couldn’t take her eyes off her.

Yan Lingshi’s face was slightly red, and she said shyly, “This little sister is too kind, you’re the one who’s delicate and lovely, beautiful like a flower!”

“Hehe! Thank you for your praise, miss!” Fu Tian Xin ‘er had always been a little girl, so she was naturally happy to be praised. She immediately had a good impression of Yan Lingshi.

“Hey! Little girl!” “This is not the time to chat!” Chen Xiaobei urged. Hurry up and help me deal with the blood Bodhi, I have more important things to do!”

“Alright!” Fu Tian Xin ‘er nodded her head obediently and flew towards the blood Bodhi Divine Tree.

Before she left, Futian Xin ‘er even turned around to look at Yan Lingshi, as if she could see something special about her.

However, Fu Tian Xin ‘er couldn’t tell what was so special about it.

“Who is she? How ... How could it be half-human and half-snake?” Yan Lingshi was also very curious about Futian Xin ‘er.

“The ancient Xiu clan, this is their true form!”

Chen Xiaobei was surprised. “Aren’t you also a monster? Do you not believe in mother Nuwa?”

Obviously, Nuwa was the ancestor and symbol of the Xiu clan. As a member of the demon clan, it was impossible for him not to know about Nuwa.

“Xiu clan? Nüwa?”

Yan Lingshi’s expression changed slightly, and she said solemnly, “Our Hong Meng Demon Realm believes in demon ancestor Jun Moxie! In the teachings of our orthodoxy, Nuwa is the sworn enemy of the

demon ancestor! Not only do we not believe in Nuwa, but we also view the Xiu clan as our greatest enemy!”

this ... Chen Xiaobei was taken aback, but after some thought, he realized that this was normal.

After all, Hong Meng demon ancestor was suppressed and sealed by Dao ancestor Hong Jun.

Furthermore, Nuwa was the direct disciple of Hongjun, the Dao ancestor.

Naturally, the entire Hong Meng Demon Realm regarded Dao ancestor Hongjun and Nuwa as enemies.

“Xin ‘er is my good friend! I treat her as my own sister!”

Chen Xiaobei quickly explained his relationship with Futian Xin ‘er, afraid that Yan Lingshi and Futian Xin’er would not get along.

“Don’t worry ...”

“The demon ancestor has been sealed for countless years. The influence of her orthodoxy in the Hong Meng Demon Realm is getting weaker and weaker, and the loyalty of her believers is also getting weaker and weaker ...” Yan Lingshi said with a smile.

“For the younger generation like me, I’m just learning about faith, not blindly loyal! Moreover, the hatred between the demon ancestor and the Dao ancestor should not be blamed on the later generations!”

Yan Lingshi’s smile was extremely gentle, and the way she looked at Futian Xin ‘er was also filled with genuine love. “This little sister is as pure and innocent as a little angel. Don’t say that I can’t bear to bully her! Even if others want to bully her, I will never allow it!”

Obviously, Yan Lingshi was very smart. She immediately understood Chen Xiaobei’s intention and told him the truth.

Moreover, Yan Lingshi was also very kind and reasonable. She would definitely not involve a little girl in the hatred between the Dao ancestors and the demon ancestors.

“I’m relieved ...”

Chen Xiaobei smiled. He had absolute trust in Yan Lingshi’s character!

“Xiaobei Gege! I’m back!”

With the sunlight cache in hand, it only took her a few seconds to ripen the ten blood Bodhi.

Soon, she flew back and returned the blood Bodhi and sunlight cache to Chen Xiaobei.

“You hold on to the sunlight cache, I still have other things to do!”

Chen Xiaobei kept the blood Bodhi and said, “ look at my clothes now. They’re torn and tattered. Can you help me ‘sew’ them? ”

Yan Lingshi could not help but frown.”Bro bei! This black suit of yours is a one-star heaven immortal artifact, how can you possibly sew it?”

“Of course you can!”

Fu Tian Xin ‘er smiled and proudly raised her chin, “ give me enough mind power. I can even make up for the universe, spacetime!

Yan Lingshi’s face was filled with shock. She did not understand what he meant.

saint’s heart, heaven mending!!!

Fu Tian Xin ‘er shouted and immediately activated her most powerful Yuan Shen special ability!

“Whoosh ...”

A five-colored spiritual light descended from the sky and enveloped Chen Xiaobei.

Then, the shattered Nightstalker outfit was actually repaired bit by bit! As the cracks healed, the entire set of clothes was restored to its original state!

how ... How is this possible?!

Yan Lingshi was dumbfounded by the scene before her. She could not believe her eyes.

“Little girl! Amazing!”

Chen Xiaobei gave her a thumbs up, praising her.

Chen Xiaobei knew that Futian Xin ‘er’s ability was powerful, but he did not expect it to be this powerful.

In less than half a minute, the Nightstalker outfit, which had been torn and tattered like rags, was completely restored.

Moreover, not only did he recover his form, but his special ability and level were also completely restored, and it didn’t affect his use at all!

“Of course I’m amazing! Why don’t you think about what my true form is?” Fu Tian Xin ‘er raised her chin and had a look of accomplishment on her face.

When the chaos was first created, there was only the chaos Green Lotus of creation in the world!

When the green Lotus withered, the heavenly Lord of the origin obtained the Lotus and turned it into the three treasure Jade Ruyi! Taishang Laojun obtained the Lotus root and turned it into a Taiyi horsetail whisk! Sect master Tongtian got the Lotus leaf and turned it into the Qingping sword! Mother Nuwa obtained the Lotus soil and turned it into a sky-mending divine stone!

And Fu Tian Xin ‘er was a demon race life that was born from the sky-mending divine stone that was blessed by goddess nūwa with her boundless virtues that could mend the heavens and save the world!

The special abilities and characteristics of the sky-mending divine stone were all on Fu Tian Xin ‘er!

The only problem was that these abilities and characteristics all required mental strength to activate.

For example, Fu Tian Xin ‘er could repair the Nightstalker ghostly robe of an early one-star heaven immortal, but if it was a universe Battle God robe of a peak one-star heaven immortal, even if all the fragments were found, Fu Tian Xin’ er’s mind power would not be enough to repair it.

Of course, as one's cultivation level increased, one's spiritual energy would also become stronger.

At that time, Fu Tian Xin 'er would naturally be able to use her powerful and heaven-defying abilities.

Just as she said, even if the universe was broken and time and space collapsed, she could still make up for it.

"Xiner, eat this!"

Chen Xiaobei took out a Wuji soul-essence pill and gave it to Futian Xin 'er to recover her mental power.

the Nightstalker outfit has been repaired. Next, I need to upgrade the chaos Blood Sword!

Chen Xiaobei then took out the chaos Blood Sword and a few other items.

In Chen Xiaobei's plan, as long as he could upgrade the chaos Blood Sword, he would not have to worry about any enemy in the realm other than Ling sheance!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3459: new uses**

When they heard that Chen Xiaobei wanted to upgrade the chaos Blood Sword, both Yan Lingshi and Fu Tian Xin 'er were very confused.

The chaos Blood Sword was already a two-star heaven immortal artifact and it would be very difficult to upgrade it.

Although the God-level sunlight cache could solve the problem of time, the materials and resources were not available.

Yan Lingshi and Fu Tian Xin 'er were even more confused when they saw the item that was taken out at the same time as the chaos Blood Sword.

It was the one-star heaven immortal middle-stage heaven-destroying and earth-destroying banner.

It was a peak one-star heaven immortal's Dharma Treasure that belonged to Sheng Shijie.

It was the arm of the Tian can demon Emperor, a peak two-star heaven immortal!

"Bro bei? What are you doing with these things?"

"Why do you have the crippled demon Emperor's arm?" Yan Lingshi was dumbfounded.

"When we were in the air, this arm just happened to fly past me, so I kept it."

of course! Chen Xiaobei smiled. I'm taking it out now to upgrade the chaos Blood Sword!

Xiaobei Gege, are you joking? " Fu Tian Xin 'er didn't know about the chaos Blood sword's special ability, so she was naturally very confused.

"Just wait and see!"

Chen Xiaobei grinned and said, " "Chaos devour!"

"Whoosh, whoosh, whoosh ..."

In the next moment, countless strange blood-colored patterns shot out from the chaos Blood Sword, intertwining to form the head of a blood-colored beast!

“Owwuuu!”

The beast opened its mouth and swallowed the three items that Chen Xiaobei had taken out.

this ... This is the Chaos Beast’s Dharma??? ” Fu Tian Xin ‘er was dumbfounded, ” this is a quasi-Sage level existence ...

“Yes, it should be a Chaos Beast.” that’s right! Chen Xiaobei nodded and smiled. during the red envelope snatching session, I snatched a drop of chaos blood from the Dao ancestor’s Red envelope and fused it into the chaos Blood Sword!

“Heavens! This is too amazing!”

Fu Tian Xin ‘er finally understood,’ with the chaos devouring ability, upgrading the chaos Blood Sword has become very simple! As long as there are enough resources to devour, you can increase your level limitlessly!”

“I’ll leave the rest to you!” Chen Xiaobei grinned.

“No problem!”

Fu Tian Xin ‘er smiled and activated the divine sunlight treasure box.

He shrunk the sunlight domain to a size that was just enough to cover the chaos Blood Sword.

In this way, everyone only needed to wait for one second to see the final result under the normal flow of time.

“Whoosh! Whoosh!”

With two powerful spiritual fluctuations, the chaos Blood Sword broke through two minor realms and reached the late-stage two-star heaven immortal realm!

Oh my God ... This ... This is too godly ... Yan Lingshi was dumbfounded. She could not believe her eyes.

“Little girl! Well done!”

Chen Xiaobei gave him a thumbs up again and praised, ” fortunately, you’re here. Otherwise, I wouldn’t be able to activate the sunlight cache. Even with the chaos devouring ability, it would take a long time to complete the chaos Blood sword’s life-grade!

“Hehe!” Fu Tian Xin ‘er had the heart of a typical little girl. Once she was praised, she would feel happy.

“Bro bei, what’s going on?” Yan Lingshi was extremely curious.

the chaos Blood Sword has the chaos devour ability. It can devour everything and turn it into energy. When the energy reaches a certain level, the chaos Blood sword’s level will increase!

“The world-destroying banner is my old magic weapon. Its level is too low, and it’s not worth upgrading! The same principle applies to shengshijie’s Dharma Treasure. Therefore, it’s perfect to be transformed into energy!”

“As for demon Emperor tiancan’s right arm, its bones, flesh, and blood are peak two-star heavenly immortal items! And the dozens of iron tentacles embedded in his arm must be a peak two-star heaven immortal artifact! It can also provide a lot of energy for upgrading!”

With this explanation, Yan Lingshi completely understood.

The chaos Blood Sword had the chaos devouring ability. It could directly turn anything into energy for upgrading, regardless of materials, attributes, and refining rules.

This special ability was simply heaven-defying!

Of course, with benefits, there would be sacrifices.

The energy required for the upgrade could only be satisfied with many Dharma Treasures of the same level or a high-level Dharma Treasure.

For example, at this moment.

The chaos Blood Sword was upgraded by two small realms with the help of the one-star heaven immortal middle stage’s world-destroying astral Nova, the one-star heaven immortal peak stage’s Sheng Shijie’s magical treasure, and the dozens of iron whiskers on the Tian can demon Emperor’s right arm.

If he wanted to reach the peak of two-star divine immortal level, he would need to swallow three magical treasures of the same level, or more than ten times the number of items of the same level!

In other words, even though chaos devouring was heaven-defying, the consumption would be three times the normal amount!

It would take three peak two-star heaven immortal artifacts to upgrade the chaos Blood Sword to the same level!

Of course, no matter how huge the consumption was, it was absolutely worth it.

This was because the chaos Blood Sword had a lot of room for growth. It could become a peak quasi-Saint artifact in the future. If it was lucky, it could even be upgraded to a Saint artifact!

In comparison, the heaven-destroying and earth-shattering banner and shengshi Jie’s Dharma Treasures could no longer be upgraded when they reached the high-tier heaven immortal level. They were not worth investing resources to cultivate at all! Turning them into energy was their best destination!

“Bro bei ...”

Yan Lingshi thought for a moment and couldn’t help but say, “Since the chaos devour can absorb and transform everything! Why don’t you let it devour the divine fruit?”

devouring a divine fruit?!

Chen Xiaobei looked at the divine blood Bodhi tree and said excitedly, " "Yeah! I have divine items that are rich in huge amounts of energy! Your reminder is absolutely right!"

"Then what are we waiting for?"

Fu Tian Xin 'er impatiently said, " bro bei, give me some more spiritual jades. We'll use the blood Bodhi fruit to upgrade the chaos Blood Sword to a peak nine-star heaven immortal!

"No!"

Chen Xiaobei shook his head and said, " I won't let the chaos Blood Sword devour the blood Bodhi fruit!

"Why?" Yan Lingshi and Fu Tian Xin 'er's faces were filled with confusion and confusion.

"Because ..."

Chen Xiaobei raised his brows and smiled like a cunning merchant. the leaves are also godly items. Although the energy contained in them is relatively small, there's an endless amount of them!

this ... Yan Lingshi and Fu Tian Xin 'er were both dumbfounded.

"If you can devour leaves, why would you want to devour divine fruits?" Chen Xiaobei grinned and charged at the blood Bodhi Divine Tree with his sword.

bro bei ... What a talent ... Yan Lingshi could not help but exclaim.

"Xiaobei Gege is so smart!" Fu Tian Xin 'er was even more impressed by Chen Xiaobei.

"I'm not smart! It's my master who is powerful!" it's all thanks to the prime of Tongtian! Chen Xiaobei exclaimed.

"I knew it, the red packet from my master will definitely have endless uses! How could it only have two effects, increasing strength and healing? He must have already calculated all of this!"

3460 The return of the foodie

The seed of the blood Bodhi Divine Tree came from a drop of blood Kirin's blood essence given to him by sect leader Tongtian!

The blood Kirin was almost extinct in the heavenly realm. This drop of divine blood was extremely rare and precious. Only sect leader Tongtian would be willing to give it away.

After that, Chen Xiaobei spent a lot of time and energy to finally cultivate the blood Bodhi Divine Tree.

Severe injuries must be treated, and no injuries will increase your strength! These two effects were enough for Chen Xiaobei to make up for all his previous efforts.

And today, Chen Xiaobei had just discovered the third effect of the tree!

Infinite divine items!

As long as the tree of God didn't die, it could grow an infinite number of divine fruits! The leaves were also endless!

Although the leaf contained less spirituality and energy, it was still a one-star divine item!

A starving camel was still bigger than a horse!

Before Chen Xiaobei reached God-tier, he would be of great use to him!

The prime of Tongtian had predicted this, and that was why he had given the blood Kirin's blood essence to Chen Xiaobei. He had also reminded Chen Xiaobei that the earlier he raised the tree, the more benefits he would get.

At this moment.

Chen Xiaobei recalled the prime of Tongtian's warning, and his heart was filled with respect!

Chen Xiaobei finally understood what scheming was after he saw the prime of Tongtian's plan.

In comparison, he was simply too weak.

"Serious injuries must be treated! Gain power without injury! Infinite divine items!"

Chen Xiaobei calmed himself down and had full confidence in the prime of Tongtian. I believe that other than these three great effects, the blood Bodhi Divine Tree will definitely bring me other benefits!

Of course, Chen Xiaobei did not have the time to think about how he could use the tree of God.

The most important thing right now was to quickly upgrade the chaos Blood Sword to the highest level.

"Shua shua shua ..."

Chen Xiaobei flew up to the tree of God and swung his chaos Blood Sword, devouring the leaves of the tree.

As time passed, Chen Xiaobei could not remember how many leaves the chaos Blood Sword had consumed.

All Chen Xiaobei knew was that if it was a normal tree, it would have been completely bald by now!

Of course, the blood Bodhi Divine Tree was huge enough and had enough leaves. Even if a huge amount of leaves were devoured, it would still be lush and green. It would not be affected in the slightest.

"Whoosh!"

Chen Xiaobei returned and handed the chaos Blood Sword to her.

Next, it would be up to Fu Tian Xin 'er.

"Chi ..."

Fu Tian Xin 'er activated the divine sunlight treasure box and once again enveloped the chaos Blood Sword.

Whoosh ... Whoosh ... Whoosh ...

Soon, waves after waves of spiritual fluctuations burst out from the chaos Blood Sword, and each time was stronger than the last!

This meant that the chaos Blood sword's level was constantly increasing with each minor realm.

In theory, as long as it devoured enough leaves, the chaos Blood Sword could become a peak nine-star heaven immortal artifact in one go!

He was invincible below the God-level!

Of course, the prerequisite was that Chen Xiaobei had enough spiritual Qi!

After all, the yin-yang life and death Ring was only a three-star heaven-immortal item. Chen Xiaobei had not been able to activate its special ability even once.

In the end, it was because of the lack of spiritual energy!

In other words, even if the chaos Blood Sword could be upgraded to the peak of a nine-star celestial immortal, Chen Xiaobei would not be able to use its full power.

Of course, there were also benefits to having a high level!

As long as Chen Xiaobei had enough spiritual jades, he would be able to activate the power of the corresponding level, and would not be limited by the level of the magical treasure.

All in all, the benefits of this upgrade definitely outweighed the disadvantages!

Moreover, Chen Xiaobei had not invested any resources into this business. It was a profit that he had earned!

"Chi ..."

Chen Xiaobei then took out Xiao 'er from his ring.

After all, upgrading the chaos Blood Sword required time. The higher the level, the longer it would take.

When Chen Xiaobei thought of the infinite divine item, he naturally thought of the glutton.

"Bro bei! What took you so long to let me out! You didn't forget about me, did you?" The waiter complained as soon as he came out.

"From what you're saying, you've already woken up?" Chen Xiaobei asked.

"Of course! I feel like hundreds of thousands of years have passed!" The waiter said.

uh ... Chen Xiaobei was stunned for a moment before he realized that Xiao 'er had been by his side when he was using the divine sunlight cache to train and refine his body.

In other words, the waiter had been asleep for a long time.

The other half of the underworld mountain armor he had devoured last time had clearly been completely digested.

[ ding Yingying's cultivation base: half-step heaven immortal, lifespan: 666.6 billion, combat power: 666.6 billion Yuan, primordial spirit attack-quasi-Sage!

"As expected! You've broken through so many realms, and you're already a half-step heaven immortal!"

Chen Xiaobei could tell what was going on with Xiao 'er.

Even though it was a huge improvement, Chen Xiaobei did not look satisfied.

"The underworld mountain armor is a nine-star celestial immortal item! You've eaten half of it, but why haven't you broken through to the celestial immortal realm? It still only has a pair of wings on its back!"

Obviously, the investment and reward for this result were not proportional.

To Chen Xiaobei, this was a bad deal, a huge loss.

"Bro bei, don't worry!"

I only need to cross the Tribulation and ascend now," the waiter said. I'll be able to grow a second pair of wings. Moreover, I still have more than half of the energy in my body that hasn't been consumed. When I reach the heaven realm, I'll be able to grow to the level of a three-star heaven immortal very soon!

"I see!" Chen Xiaobei heaved a sigh of relief. "If I calculate it this way, I won't be losing money!"

After all, Chen Xiaobei had never married Xiao 'er off before.

Therefore, it was very time-consuming and resource-consuming to improve it bit by bit.

If half of the underworld mountain armor could help Xiao 'er advance to the realm of three stars heaven immortal, it was definitely a good deal!

by the way, bro bei, why did you let me out this time? is there anything I can help you with? " The waiter asked.

"I originally wanted to let you eat some divine items!" Chen Xiaobei pointed at the divine blood Bodhi tree and smiled. "However, since you've already accumulated enough energy, you can skip this meal!"

"Huh? Don't!"

The moment the waiter saw the blood Bodhi Divine Tree, he immediately revealed his gluttonous nature."Bro bei! Just let me have a little! Anyway, the energy can be accumulated, and I can upgrade when I reach the heavenly realm! Of course, it's better to eat now than later!"

"Heh, I knew it! You little fellow, you will never be full!"

go ahead. You can eat all the leaves and branches you want. The fruits are too precious. I have a use for them. You have to save them for me! Chen Xiaobei said.

"Understood!" The waiter was overjoyed,"I'm not a prodigal!" I won't eat any of the fruits!"

"Go!"

“Make me a wooden sword while you eat!” Chen Xiaobei said. Use the tree trunk to make it, as long as it’s the size of a palm, it’ll do!”
