

Envelope 3571

Red Envelope Group of the Three Realms

Chapter 3571: Can't hear it

It had to be said that Madam Yun was indeed impressive.

Since she dared to stand out, she had already calculated the way to win.

By letting Chen Xiaobei be the banker, Chen Xiaobei's advantage would be gone. On the contrary, as the leader of the four pillars, Mrs. Yun must have her own way of checking the numbers in the dice cup.

This way, Mrs. Yun would be able to win. Not only would she not have to pay the 740 billion that she had just lost, but she would also be able to kill Chen Xiaobei without anyone having anything to say.

This was the perfect solution.

"Kid, aren't you very powerful? Why did he not dare to make a sound? Don't tell me he's scared?"

One-armed immortal Weng squinted his eyes and looked at Chen Xiaobei provocatively, "Didn't you just say that you wanted to teach this old man gambling? Didn't you say that everyone is your little brother? Are they all just pretending?"

At the same time, the thousand-hand boy also said in a deep voice, "Childe Chen, you should know that if you don't accept this bet, it will be difficult for you to leave this place!

Obviously, the thousand-hand boy spoke tactfully, but his words revealed a threatening meaning.

What he meant was that if Chen Xiaobei did not accept the bet, not only would he not get the 740 billion compensation, he might even lose his life. He would not be able to leave safely!

It was obvious from the attitudes of the one-armed immortal Weng and the thousand-hand boy that they had absolute confidence in Madam Yun and were certain that she would win.

So, whether it was the one-armed immortal elder's taunting or the thousand-hand boy's threat, they were all trying to get Chen Xiaobei to accept the bet.

"Since that's the case, I'll do as you wish!"

Chen Xiaobei looked at her and said, "I accept this bet! However, if you still want to renege on your debt, I promise that I won't let you leave alive!"

As soon as he said that, everyone was stunned at first, then they all laughed coldly.

"Idiot! You actually dare to agree?" One-armed immortal Weng squinted his eyes and said with a proud expression, "Madam Yun is the leader of our four pillars. The person who can defeat her simply doesn't exist!"

The thousand-hand boy's face was filled with admiration and respect. "Madam Yun is really amazing. She can turn the tide the moment she appears! If I had half of her abilities, I would be content with my life!"

Obviously, the one-armed immortal Weng and the thousand-hand child were in a good mood when Chen Xiaobei agreed to the bet.

They were certain that Mrs Yun would win, and they had even started to fantasize that they would be able to gain a lot from Chen Xiaobei after she won!

Chen Xiaobei's bloodline, his wealth, all of his trump cards and resources would be in their pocket.

This result was simply too satisfying!

"Please!"

Mrs. Yun was very calm. She was not happy that Chen Xiaobei had accepted the bet, nor did she look down on him.

From this, it could be seen that Madam Yun's state of mind was also very strong.

No matter when and where, no matter who her opponent was, as long as she went out, she would definitely give it her all!

She never underestimated her enemies, which was also an important reason for her invincibility.

Moreover, Chen Xiaobei had already displayed extraordinary abilities. Madam Yun would not underestimate him.

this is my first time shaking the dice cup. I hope Madam Yun can forgive me!

Unlike them, Chen Xiaobei did not roll up the dice skillfully and shake them in the air.

Chen Xiaobei held the top of the dice cup, covered the three dice, and shook them on the table. His movements and techniques were very amateur.

At the same time, Madam Yun slowly closed her eyes, and her ears were rhythmically twitching.

Was she trying to determine the location by listening?

Chen Xiaobei's face was filled with shock.

One had to know that the dice cup on the third floor was enchanted with a very high-level "isolation array"!

Unless one had a God-level primordial spirit domain or a God-level clear Jade divine light, no one could know what was going on inside the dice cup! He couldn't even listen to his voice!

However, looking at Madam Yun's expression, she was clearly listening carefully!

Could it be that Madam Yun's hearing is some kind of divine ability?

One had to know that the quality of a primordial Spirit's special ability was not related to the level of the user's cultivation.

For example, Chen Xiaobei was now an eight-star earth-god, but he could use many divine abilities, and even the divine ability, heaven-severing thought.

Therefore, if Madam Yun originally had a divine hearing ability, she would really be able to tell the number on the dice.

In other words, it was the same as Chen Xiaobei seeing through the dice cup.

This way, Mrs. Yun would not be defeated. No matter how Chen Xiaobei shook her, she would win!

Unless Chen Xiaobei could produce a divine-tier or higher concealment formation, he would definitely lose!

However, Chen Xiaobei did not have such a formation. Even if he did, he would not be able to set it up in a short time!

“Little brat! Hurry up! There’s no end to it!”

The one-armed immortal Weng urged impatiently. He could not wait to see Chen Xiaobei lose everything and die a miserable death.

The thousand-hand boy also sneered, gloating and watching a good show.

huh?!

Suddenly, Madam Yun’s eyes widened and she looked at Chen Xiaobei in disbelief.

That shocked gaze was like he had seen a ghost.

“Madam ... Madam Yun? What happened? Why do you have that expression?”

The one-armed immortal Weng and the thousand-hand boy immediately sensed something strange and looked at Madam Yun with surprise.

“I ... I can’t hear you ...”

Madam Yun’s expression was stiff and her eyes were filled with horror. Even her voice was trembling.

This was the first time in her life that she had encountered such a situation. She couldn’t hear the sound of the dice cup. This directly subverted her three views and even made her doubt her life.

“I’m done! You can place your bet now!”

Chen Xiaobei let go of the cup.

At that moment, a tiny wisp of purple Qi seeped into Chen Xiaobei’s palm from the dice cup. This detail was very well hidden, and no one noticed it at all.

That’s right!

It was the purple Qi that Yan Lingshi had given to Chen Xiaobei.

Yan Lingshi had turned into a demon from primordial violet Qi!

The primordial violet vapor had a shape and form, but it had no attributes! It was even above the Three Realms and six paths! It was known as the foundation of the great Dao, and even Saints could not plot against it!

Even though Chen Xiaobei did not have the real primordial violet Qi, it was more than enough to fool Mrs. Yun.

As expected, Madam Yun's ability could not penetrate Yan Lingshi's Natal purple Qi.

She didn't hear the final number of the three dice.

"Hurry up and place your bet! Aren't you sure of your victory? Didn't you say you wanted my life? Are you pretending?"

Chen Xiaobei mimicked the one-armed immortal Weng's tone, and like an invisible slap, he slapped his opponent.

[Red Envelope Group of the Three Realms](#)

Chapter 3572: main character appears

"This ... This ..."

The one-armed immortal elder and the thousand-hand child were speechless. They knew that Chen Xiaobei was slapping them in the face, but they did not even dare to let out a fart.

That was because Madam Yun did not hear him!

This meant that they already had a chance of losing in this bet, and the probability of losing was higher than the probability of winning.

At this moment, the one-armed immortal Weng and the thousand-hand boy didn't dare to speak at all. Whether they placed their bets or not, and how they placed their bets, were all directly related to the ownership of a one-star divine item!

Even if the two of them were members of the four pillars, they would definitely not be able to shoulder such a huge responsibility.

At this moment, both of them were terrified. They hid behind Madam Yun and put all the responsibility and pressure on her shoulders.

"What a joke! He didn't dare to place a bet on a bet he had set! If word of this gets out, the entire Greenwing Imperial City will probably laugh their heads off!"

Chen Xiaobei raised his eyebrows and released his aura. "I'll say the ugly words first, this is a bet! If you want to run away after acting cool, I'll make you pay with your life!"

Obviously, Chen Xiaobei could not be soft now. Only by being tough enough would the other party not dare to deny it.

Before they could deny it, they would have to think twice. Could they afford to offend Chen Xiaobei?

Chen Xiaobei's cultivation was only at eight-star earth-god level.

However, Chen Xiaobei was able to nullify Madam Yun's God-tier power! This was enough to prove that Chen Xiaobei's methods and Foundation were not as simple as an eight-star earth-god.

They even suspected that Chen Xiaobei was a super-elite who had hidden his cultivation.

After all, the overbearing aura that Chen Xiaobei was exuding was extremely terrifying and overbearing. A mere eight-star earth-god would not be able to display such power.

If Chen Xiaobei was really hiding his true strength, then even the entire Green Wing casino would not dare to mess with him!

“I ... I’m betting on small!”

After hesitating for a while, she decided not to go against Chen Xiaobei.

By placing a bet, there was at least a chance of winning.

If he didn’t place a bet, then there would only be a fight to the death ending.

At this time, Madam Yun could only bite the bullet and take a gamble, hoping that her luck would allow her to get the correct result.

Little did she know that Chen Xiaobei’s luck had reached its peak not long after he unified the earth-god Realm.

In the entire great void universe, there was probably no one more lucky than Chen Xiaobei.

“It’s opened! Four, four, six, big!”

Chen Xiaobei opened the dice cup, and the result was displayed in front of everyone.

He won!

Chen Xiaobei had won the bet once again!

“This ... This, this, this ...”

For a moment, Madam Yun, the one-armed immortal Weng, and the thousand-hand boy all looked as if they had been struck by lightning. Their faces turned pale, their bodies stiffened, their limbs turned cold, and their foreheads and backs were covered in cold sweat.

He had lost!

They had lost to Chen Xiaobei again, and this time, they lost a one-star divine item!

Even in the heaven realm, this was an extremely valuable item!

The most ironic thing was that just a moment ago, the three of them thought that they had Chen Xiaobei in the palm of their hands, but now, they had lost without a single bit of anger.

It was as if they had been slapped by an invisible hand and their faces had exploded.

stop daydreaming. I know you can’t believe it, but I’m willing to accept my loss. Now, hand over the Dragon Pearl!

Chen Xiaobei could not wait to get his hands on the Dragon Ball!

Right now, Chen Xiaobei had the Vajra demonic pestle, the godly wooden sword, the primordial demonic fire, and the five-element divine tablet.

As long as he could obtain the water spirit base.

By combining the power of the five elements, Chen Xiaobei could defeat any Enemy Below God-level.

So, no matter what, Chen Xiaobei had to get his hands on the Dragon Ball.

As he spoke, Chen Xiaobei walked toward Mrs. Yun.

There was no room for discussion on this matter! Even if Mrs. Yun's cultivation was higher than the one-armed immortal Weng, Chen Xiaobei had to take back what was rightfully his!

The main point was that Chen Xiaobei had to be strong in this situation. If he was slightly weaker, the other party might just attack and kill Chen Xiaobei.

Only when Chen Xiaobei was strong enough would the other party be wary of Chen Xiaobei's hidden strength and not dare to go against him.

"Hand it over!"

Chen Xiaobei stood in front of Mrs. Yun, and his overbearing aura pressed down like a tsunami, completely enveloping Mrs. Yun.

"Hiss ..."

Madam Yun couldn't help but gasp. Her pupils contracted and her heart raced.

She felt that the person standing arrogantly in front of her was not an ordinary young man, but a Supreme Overlord who had dominated the Three Realms!

The two simple words 'bring it over' were like a bolt of lightning from the nine Heavens, shaking her mind to the point of almost collapsing. It was like a Supreme saint's decree that absolutely did not allow the slightest doubt!

"No... I can't give it to you ..."

Mrs. Yun bit the tip of her tongue to let the pain stimulate her nerves. She forced herself to stay awake so that she would not be frightened by Chen Xiaobei and collapse mentally.

"You won't?"

Chen Xiaobei said, "Have you thought of the consequences?"

"I know ... You might have the ability to kill me ..." He said.

Madam Yun's face was pale and her heart was pounding, but her attitude was firm. "But this Dragon Pearl is master's most important treasure, and it must not fall into the hands of others! So, I won't give it to you even if I die!"

"I'm willing to bet but not willing to admit defeat! There was no integrity at all! Is this how green Wing casino is?"

you're right! Chen Xiaobei said disdainfully. you're all my subordinates! You have no principles, no bottom line, and no integrity! Your master can't be a good person either!"

just now, the thousand-hand boy said that you want to give the Empire a new life and the welfare of the people. I almost believed him!

“But now it seems that you’re just a bunch of shameless liars who say one thing but do another! It’s impossible for the people of Green Wing Imperial City to have a good life in your hands!”

This was the second time that the other party had gone back on their word. Chen Xiaobei’s anger had been completely ignited.

In Chen Xiaobei’s opinion, people who did not even have basic integrity were people who had no bottom line and no morals!

If such a person started a civil war, it would only bring endless disasters to the people!

Chen Xiaobei had even begun to plan to declare war on the Green Wing casino as the Lord of the human world, and forcibly intervene to calm the Civil War!

“Aunt Yun, give him the Dragon Pearl!”

However, at this moment, a calm and steady voice came from the door of the private room, “Childe Chen, please don’t misunderstand! Aunt Yun has never reneged on her debts in her entire life. This time, she refused to hand over the Dragon Ball entirely for my own benefit!”

“It’s you!”

Chen Xiaobei followed the voice and was shocked.

[Red Envelope Group of the Three Realms](#)

Chapter 3573: complete showdown

The person who spoke was green deercry, who had disappeared without a trace after going upstairs!

He had addressed Madam Yun as aunt Yun and said that Madam Yun had refused to hand over the Dragon Pearl to protect his interests!

In other words, he, green deercry, was the big boss behind the Green Wing casino!

Beside green deercry, there was another white-haired old man. He was one of the four pillars of Green Wing casino, Mr. Mountain river.

Suddenly, the four pillars and the boss appeared in front of Chen Xiaobei.

The mysterious veil of this chess game was finally going to be lifted.

“Yes, sir ...”

yes! Madam Yun nodded and handed the Dragon Ball to Chen Xiaobei with both hands.

“This is more like it!”

Chen Xiaobei collected his thoughts and kept the Dragon Ball. Then, he turned his attention back to green deercry.

“All of you, back down! I want to talk to Childe Chen in private!”

Green deercry waved his hand, his tone was calm and composed, completely different from that good-for-nothing gambler.

“My Lord!”

this person has hidden himself very well, ” Madam Yun said in a deep voice. he’s extremely dangerous. Let me stay and protect you!

As soon as he said that, the other three people also showed a serious expression and were unwilling to leave.

“It doesn’t matter! I know Childe Chen’s character.”

“Furthermore, I’ve already accepted my loss. He has no reason to attack me!” Green deercry laughed.

“Yes, sir!”

Madam Yun nodded and left the private room. The other three people followed closely behind.

“Childe Chen, please take a seat!”

Green deercry walked over and sat on the chair.

At the same time, he was smiling and his attitude was friendly, as if he was an old friend of Chen Xiaobei’s.

“What do you want to tell me?”

Chen Xiaobei walked over and sat opposite him.

there’s a lot I want to say, but what do you want to know? ”

Green deercry asked Chen Xiaobei.

Chen Xiaobei calmed himself down and said, ” “I want to know, you’re clearly the owner of a casino, so why do you pretend to be a lazy gambler? Why did you help me? Why is your cultivation so weak? Why do you want to start a civil war?”

“Heh, Childe Chen, it seems like you already know a lot of details! Then I’ll start from the beginning!” Green deercry smiled indifferently and then began to explain slowly.

my father was originally the Crown Prince of spirit Jade Imperial City. After the late Emperor passed away, it was only right for my father to inherit the position of feather Emperor!

however, my fifth uncle started a mutiny. He ambushed and killed my father while he was away. Then, my fifth uncle became the current Qingyi feather Emperor!

“However, after this bastard ascended the throne, he continued to persecute my family! My mother was taken into the palace and defiled by him! Mother couldn’t bear the humiliation and destroyed her own primordial spirit!”

after that, my mother's family was killed because they were unhappy. The entire family of more than 800 people were dismembered and their primordial spirits were refined. Even the newborn babies were not spared!

"In addition, many of my father's subordinates in the Imperial City were also eliminated by that bastard! Some were imprisoned, some were executed, and many were exterminated!"

At this point, green deercry's originally calm face was now filled with endless anger. Even his eyes began to turn red, Scarlet like blood!

in such a situation, if I don't become a dog-like waste, what awaits me is only death!

"That's why I don't dare to cultivate. I'll let my cultivation be weaker than a child's! I'm addicted to gambling, and after losing all my family's property, I borrow money everywhere. I've almost cut off all my connections!"

that's the only way that bastard would feel that I'm not a threat. That's why he kept me alive and allowed me to live until today!

It turned out that green deercry's image of a lazy gambler was all an act. Furthermore, he had no choice but to act.

Qingyi feather Emperor naturally wouldn't take a useless person with no cultivation, no ability, and no connections seriously.

Only in this way could green deercry survive.

as for this casino, the original owner was aunt Yun. She and my father met on another planet and had a relationship, but my father chose my mother in the end, so aunt Yun never contacted my father again. That b * stard didn't know the relationship between aunt Yun and my father either!

"I didn't know at first, but there was one time when I owed someone money and was almost beaten to death. Aunt Yun came to my rescue! It was also from then on that aunt Yun proposed a plan to start a civil war to take revenge and seize the throne!"

"Assuming that my father didn't die, he should be the current Emperor Yu! And I will become the Crown Prince! My bloodline and identity can be recognized by the vast majority of the people! As long as I can defeat that dog, I can become the new emperor!"

"It's precisely because of this that aunt Yun and the others regard me as their master, obey me, and assist me!" Green deercry's tone gradually eased. When he mentioned Madam Yun, his tone was filled with gratitude and respect.

"I think I understand!"

that's right! Chen Xiaobei nodded. that's why you've been staying in this casino all these years. This is the safest place!

the main point is that the wealth accumulated here all year round can be used as funds to start a war, allowing you to quickly recruit soldiers and buy horses to have your own army!

“Right!”

Green deercry did not deny it and continued, “ as for why I’m pestering you to teach me gambling, it’s because this is the first time I’ve seen someone win money from the four pillars, and it’s a hundred million lower spiritual jade pieces!

that’s why I kept pestering you to tell me how you won the money. That way, we could come up with a way to make you return to the casino and spit out all the money you won!

“But the facts have proven! You didn’t tell me the truth! Your lucky charm is indeed useful, but you didn’t rely on it to win money!” “Am I right?” green deercry asked after a pause.

“That’s right!”

I won! Chen Xiaobei did not deny it. I did use other methods to win money, but I still won!

“Childe Zhufeng, don’t be nervous. I’ll admit defeat! No matter what method you used, I’ll admit it!”

“However, I would like to ask young master Zhufeng to help me with something with your ability!” Qinglu Ming said. I wonder if Childe Zhufeng will agree to it?”

“You didn’t even say what you want me to do, how can I agree?” Chen Xiaobei did not comment.

Childe Zhufeng, I want you to help me steal the commander’s seal of the Golden Crow guards! The green deercry said.

“Fierce battle puppet? The number one expert of the green wings?” Chen Xiaobei was confused. I think he’s very protective of you. Isn’t he one of your people? “

[Red Envelope Group of the Three Realms](#)

Chapter 3574: Who could he be?

3574 Who could he be?

“Childe Chen is very smart! Lie zhanmu is also one of my people!”

but, ” green deercry explained, ” there are thirty million people in the jinwu guards. Besides lie zhanhou, the highest commander, there are thousands of generals. Most of them only listen to the orders of the current Emperor Yu!

“The commander’s seal of the jinwu guards is also in the hands of Emperor Yu! Only when lie zhanmu obtained the commander’s seal would those generals who took orders from Emperor Yu obey lie zhanmu’s orders! Otherwise, lie zhanmu would only be able to mobilize a very small number of troops!”

Obviously, the current Emperor Yu did not completely trust lie zhanmu! In the Army, Emperor Yu had trained and promoted many generals who only obeyed the emperor’s orders! Without the commander’s seal, fierce battle puppet couldn’t mobilize these people!

On the other hand, if Chen Xiaobei could help him steal the commander’s seal, lie zhanhu could use the name of Emperor Yu to gather, imprison, or kill all those who did not listen to him!

At that time, the only generals left in the Army would be lie zhanmo's men, and the thirty million golden Crow guards would have to obey lie zhanmo's commands!

In this way, lie Zhan and Chu Qingyi's strength as the most powerful man in the city, together with all the soldiers in the city, would be enough to win!

This plan could be said to be perfect!

But!

The most important thing was that he had to get the commander's seal!

Otherwise, lie zhanqu would only be able to mobilize a very small number of soldiers and would be suppressed very quickly. It was impossible for lie zhanqu to fight against the remaining soldiers alone. Moreover, there were probably protective arrays around the Imperial Palace.

It was because they had not obtained the commander's seal that green deercry and the rest had to delay their plans indefinitely.

It was only when he met Chen Xiaobei that green deercry realized that his chance had finally come!

"Why do you need my help?"

Chen Xiaobei asked.

"To be honest! Fierce battle puppet has sneaked into the palace countless times, but he just can't find the commander's seal!"

"If I'm not wrong, the commander's seal must be hidden under every high-level 'isolation array', and you, Childe Chen, just happen to have the ability to see through it! Therefore, only you can do this!"

"So that's how it is! No wonder you asked Madam Yun to give me the Dragon Ball! So you have a favor to ask of me!" Chen Xiaobei raised his eyebrows. He knew exactly what green deercry was thinking.

"Right!" Green deercry stood up and bowed respectfully to Chen Xiaobei, " Childe Chen, I'm begging you to help me!

Chen Xiaobei shrugged. I won the Dragon Ball. It should be mine! I don't owe you anything, why should I help you? Just because you said so, I have to risk my life? Do you think I'm stupid?"

"I understand!"

Green deercry said,"if Childe Chen is willing to help me, I'm willing to share this Empire with you!" Childe Zhufeng owns half of everything I've got!"

It had to be said that green deercry was very sincere.

Chen Xiaobei shook his head and said, " "What use do I have for this half of the Empire? These benefits are not enough for me to risk my life!"

In fact, Chen Xiaobei did not even care about Green Wing Imperial City.

Strictly speaking, the entire universe, and even the entire mortal world, now belonged to Chen Xiaobei alone.

The only difference was that Chen Xiaobei had yet to fully control the great void universe.

But this was only a matter of time.

Therefore, a Mere Green Wing Imperial City was not a real benefit to Chen Xiaobei. There was no need to risk his life for it.

if Childe Zhufeng doesn't even want half of the Empire ... I can't think of anything better to offer you ...

Green deercry's face was full of bitterness.

He had already shown his utmost sincerity, but Chen Xiaobei still rejected him.

In this way, his plan for revenge, his plan to build a new empire and fulfill the long-cherished wish of the new dynasty, would have to continue to be delayed.

When he thought of this, green deercry even felt some despair.

Day after day, year after year, who knew how long it would drag on?

"I'll make a request. Let's see if you can agree to it!" Chen Xiaobei's eyes narrowed.

"Childe Chen, please speak! As long as it's within my means, I'll definitely agree to it!" Green deercry instantly became spirited. One second ago, he was in deep despair, but now, he saw hope again. He was extremely excited.

there's a nine-star celestial Pearl in the Green Wing Palace. Do you know about it? " Chen Xiaobei asked.

As soon as these words were spoken, green deercry's expression changed slightly, and he even nodded nervously, "I know! It was an extremely terrifying Pearl! I've heard that anyone who has seen it will be exterminated!"

"The successive generations of Emperor Yu had sealed that Pearl in a forbidden area beneath the Imperial Palace! No one is allowed to get close! I've only heard of it when I was young, but I've never seen it with my own eyes! Of course, if I've seen it before, I wouldn't have lived to this day!"

"Right! I'm looking for this Pearl!"

Chen Xiaobei suddenly became alert and said in a deep voice, "I can help you steal the commander's seal, but I need fierce battle puppet's cooperation to help me get that Pearl!"

"Childe Chen! Don't you understand what I'm saying?" Green deercry said worriedly, "anyone who has seen that Pearl will be met with a disaster, the kind that will definitely die!" This is definitely not a joke!"

"I know that the Pearl is powerful, but I have a way to deal with it!" Chen Xiaobei said insistently, "I only have one request. If you agree to it, I'll help you. Otherwise, we'll go our separate ways. You can go find someone else!"

this ... green deercry hesitated for a moment, and after about half a minute, he still nodded heavily and said, " alright, we'll do as Childe Zhufeng says!

After all, sneaking into the palace to steal the commander's seal was already a near-death experience. He was not afraid of taking another risk and taking out the orb.

Moreover, other than this, green deercry had no other bargaining chip to use to convince Chen Xiaobei.

"Good! Then it's a deal!"

wait! Chen Xiaobei said, " contact lie zhanhou as soon as possible! I want to start the operation as soon as possible!

"Good! I'll make the arrangements!" Green deercry nodded.

"Wait!"

Chen Xiaobei suddenly thought of something else and asked, " Do you still remember the old man I asked you about before? Is he one of your people?"

"An old man?" Green deercry's expression slightly changed, " That kind-looking old man whose cultivation base is inferior to mine?"

"Right! It's him!"

of course! Chen Xiaobei nodded. in fact, he was the one who guided me to Green Wing casino. That's how I found the way to break out of this situation!

he's not one of my people ... green deercry shook his head and said, " I don't even know that old man!"

"What!" "He's not one of your men?" Chen Xiaobei asked. Then who is he?"

[Red Envelope Group of the Three Realms](#)

Chapter 3575: seeking a breakthrough

Clearly, that old man was definitely not simple!

The first time he appeared, he had already pointed Chen Xiaobei to green deercry!

There were so many royal families in the Imperial City. Why did he ask Chen Xiaobei to go to green deercry?

The second time he appeared, he was at the entrance of the killing feathers Guild!

Even though he had left after seeing Chen Xiaobei and green deercry, Chen Xiaobei had a feeling that if lie zhanhu had not appeared, the old man would have joined the killing feathers Guild to help solve the problem.

There was even a possibility that lie zhanmu, who had suddenly appeared, had been found by that old man!

Chen Xiaobei had been thinking about all these things, but he had no clue who the old man was. And why did he help Chen Xiaobei?

Initially, Chen Xiaobei thought that the old man was one of green deercry's men. But now, green deercry denied that thought.

Green deercry had already told Chen Xiaobei everything. There was no need for him to lie.

Chen Xiaobei's lead was cut off again. If he wanted to know who the old man was, he would have to ask him in person the next time they met.

Childe Chen, if you have no other questions, I'll take my leave. "I'll inform you to take action immediately after I've made the arrangements with fierce battle puppet!" Green deercry said.

"There's one more thing!"

"Can you help me get the blood of three to nine-star demonic beasts?" I want to make some preparations while you're planning!"

"Demonic beast blood?"

Green deercry's expression slightly changed, "It's easy to get three-star and four-star ones, but it's very difficult to get five-star and above ones! On some planets, a five-star heaven immortal demonic beast could even become an Emperor!"

"As for the eight-star and nine-star demonic beasts, they can even become the emperors and rulers of the planets in the inner layer of the great void universe! There's no way I can get it!"

Obviously, this planet was only in the middle level of the great void universe, and the seven-star heaven immortal lie zhanmu was already the strongest expert!

It was conceivable that seven-star, eight-star, and nine-star heaven immortal demonic beasts were the top masters in their respective fields. How could they be captured so easily?

Although it was possible to catch a five or six-star heaven immortal demonic beast, it would take some time.

For example, people like the thousand-eyed spiritual Emperor and the thousand-eyed Crown Prince would have to go to the most likely planet to find them.

However, if other planets were protected by a seven-star heaven immortal magical formation or battle formation, then even if lie zhanmo went there, he would only return empty-handed.

Therefore, he could only get three-star or four-star heaven immortal demonic beasts as soon as possible.

"Alright! Then help me get three-star and four-star ones!"

Chen Xiaobei nodded and reminded her, "Be careful, both types of blood must be in large quantities, enough to fill a pond at the very least! In addition, he had to be fast! I don't have time to waste!"

"I understand! I'll immediately get aunt Yun to handle the matter of the beast blood! Don't worry about her!" Green deercry nodded and left the private room.

Obviously, Green Wing casino had accumulated a huge fortune over the years.

On the surface, Madam Yun was the manager of the gambling den. She had managed to establish a huge network of connections in the Imperial City. She had many ways to get things done, and her efficiency was extremely high.

In less than ten minutes, Madam Yun had brought the blood of two different demonic beasts to Chen Xiaobei.

"Childe Chen, here's what you wanted! If you need anything else, you can tell me!" Madam Yun maintained her usual elegance and handed the two storage bracelets to Chen Xiaobei.

"If there's nothing else, I want to take a rest alone!" Chen Xiaobei said.

"Alright!" Mrs. Yun nodded and left the room, locking the door. She was either afraid that Chen Xiaobei would run away or that someone would come in and disturb him.

Chen Xiaobei did not care about that. He immediately took action after obtaining the beast blood.

First, he put the verdant Emperor's divine gourd into the Meru space, and then he entered it.

In this way, the tiny Meru space was like dust drifting in the private room. Outsiders would not be able to find it easily.

Within the Meru space.

Xu Fu, the loyal dog, was still waiting for him.

In the spirit condensation space, there were still many sealed ancient Immortals of the Jie sect.

Of course, Chen Xiaobei did not have the time to care about them. He entered the verdant Emperor's divine gourd.

Song Qincheng, six-eared macaque, and Heng Yongxu had been waiting for Chen Xiaobei's news. They wanted to know what was going on outside.

Fu Tian Xin 'er also came over, her face filled with curiosity. She wanted to hear something new.

Chen Xiaobei explained as he poured the beast blood into the blood pool.

After he jumped into the blood pool, he let Fu Tian Xin 'er help him activate the God tier sunlight treasure box. At the same time, he circulated the heavens killing tyrant body technique, increasing his physique strength as quickly as possible.

The divine sunlight cache's special ability was extremely overbearing.

Half a minute later, Chen Xiaobei's physical strength had broken through two major realms, reaching the level of a four-star divine immortal!

"Phew ..."

Chen Xiaobei let out a long breath, but he was not in a good mood.

After all, even if he broke through to the four-star heaven immortal realm, his physical strength would still be very weak in the great void universe and would not bring any substantial help.

Of course, a skyscraper rises from the ground. Regardless of cultivation or physical strength, they all needed to be improved step by step.

The improvement now was only to build a foundation for the future!

This kind of Foundation was essential. In the end, it was very beneficial!

After leaving the blood pool, Chen Xiaobei changed into his Nightstalker outfit.

The Nightstalker outfit's defense was far weaker than Chen Xiaobei's skin.

If it were not for the fact that he had to use his stealth ability every now and then, Chen Xiaobei would not have needed this magical item.

I need to find a way to upgrade my Nightstalker outfit and my netherspirit Battlesuit. It'll be best if I can upgrade them too!

I still have the earth escape divine gourd, the nineslope Skynet, the 'heavenly imprisoning painting of the North' and the witch Dragon Flame ... These trump cards are not of high level!

"I probably won't be able to use the nine heavenly locks net in the future, so I might as well just refine it! As for the earth escape immortal Gu, it doesn't need to be upgraded to continue to be used!"

when I get more spiritual aura, I'll have to upgrade the 'heaven imprisoning scroll of the northern Mystic' and the witch Dragon strange fire! he thought.

After upgrading his physical body, the first thing that came to Chen Xiaobei's mind was to upgrade all his powerful trump cards.

Of course!

And the most important point was cultivation!

Chen Xiaobei was now an eight-star earth-god, and he had to see if he could find a way to break through to nine-star!

After all, the time limit for fairy Chang 'E's safety was getting closer!

If Chen Xiaobei was unable to ascend, even if he managed to connect the nine stars and master the human seal, he would still regret it for the rest of his life!

Therefore, Chen Xiaobei needed to race against time and find a way to break through!

[Red Envelope Group of the Three Realms](#)

Chapter 3576: Listen to my command

3576 Listen to my command

He left the verdant Emperor's divine gourd and returned to the private room on the third floor of the casino.

One could only say that Chen Xiaobei was super lucky.

Not long after, green deercry returned and gave a definite answer, "Childe Chen! Lie zhanqiu had already made the arrangements! It just so happened that he was on duty to guard the palace today! It's the best time to act!"

"Very good! Then I'll go find him now!" Chen Xiaobei did not want to wait a second longer. He stood up immediately.

yes, Childe Zhufeng can wait at the back door of the lie residence. Lie zhanxuan will come out to receive you! "As for the rest, I'll have to rely on you, Childe Chen!" Green deercry said solemnly.

Chen Xiaobei nodded, calm and confident. don't worry. As long as lie zhanmu allows me to move freely in the palace, I promise that I will deliver the things you want to you before sunrise tomorrow!

"Green deercry is here to thank Childe Chen!" Green deercry cupped his hands and bowed deeply at Chen Xiaobei.

Chen Xiaobei walked out of the private room.

At that moment, the four pillars, led by Madam Yun, were standing at the door.

When they saw Chen Xiaobei come out, the four of them bowed at a 90-degree angle to show their gratitude and respect.

In their eyes, Chen Xiaobei's trip was a gamble with his own life! No matter whether the plan was successful or not, everyone was grateful to Chen Xiaobei and admired him!

.....

Lie residence.

This was a huge mansion that was not inferior to the king's residence.

For the sake of the royal family, lie zhankus had done his duty loyally and had made countless contributions. The successive generations of feather Emperor had constantly rewarded lie zhankus. Not only did this give lie zhankus a position that was only second to one person, but in all aspects, such as the residence, power, glory, and so on, he was also at the top of the entire Empire.

Chen Xiaobei stood at the back door of the lie family's residence and started to think about some questions.

"Squeak ..."

At this moment, the back door slowly opened, and lie zhanmo personally walked out. He said in a deep voice, "Childe Chen, please follow me!"

Then, he brought Chen Xiaobei into the mansion.

When they arrived at the most hidden and safest secret room, lie zhanmo let out a long breath and said in a deep voice, "His Royal Highness has told me about Childe Chen! We can take action tonight!"

"Childe Zhufeng, you'll be able to enter the Imperial City after you put on the armor of my men! I'll replace the guards on patrol tonight with my own men. They'll turn a blind eye to you!"

the plan is that simple," lie zhanmu said directly. Childe Chen, if you have any questions or concerns, you can tell me now.

I'm actually curious. Even if you don't help green deercry or build a new empire, you can still live a good life. Why do you have to take such a risk?" Chen Xiaobei said.

Hearing this, lie zhanxiao could not help but smile bitterly. "I'm living well, that's just what outsiders think! In fact, the current Emperor Yu doesn't trust me at all!"

"There are eyes and ears all around my mansion! Thus, even I, the Supreme Commander of the Empire, have no choice but to go through the back door to see you!"

even my mansion is full of eyes and ears. Only this secret room can allow me to talk to you without worry!

"For personal reasons, if I don't rebel, I will be harmed by the current Emperor Yu sooner or later! When that time comes, not only will I die a horrible death, the entire lie family will be in trouble!"

"Yu Gong, the current Emperor Yu seized the throne through improper means! Out of loyalty to the imperial family, I should uphold justice and uphold justice! Send the person who truly deserves to sit on the throne to that position!"

Lie zhanxiao composed himself and said in a serious tone, "therefore, I must assist Prince Lu Ming, both for public and private reasons!

Indeed, the imperial family paid the most attention to the direct descendants and the Orthodox lineage!

The current Emperor Yu had killed the Crown Prince who was supposed to ascend the throne in order to obtain his current position!

As someone who had died in the royal family, lie zhanmo would definitely not allow such a mistake to continue. Most importantly, this mistake could threaten the survival of the entire daolie clan! Lie zhanmu couldn't just stand by and watch!

"Understood!" Chen Xiaobei nodded. He finally had enough reason to trust lie zhanhou.

After all, once he entered the palace, Chen Xiaobei's life would be in lie zhanhu's hands. If he had any other thoughts, Chen Xiaobei would be in deep trouble.

Fortunately, lie zhanhou would not harm Chen Xiaobei for both public and private reasons. The operation that night was already half-done.

by the way, general lie, with your martial strength, you could have killed the current Emperor Yu directly. Why did you have to steal the commander's seal?" Chen Xiaobei asked again.

“This is a very simple question! The current Emperor Yu had died. According to tradition, it was his son who would inherit the throne! Prince deercry won’t even get a chance!”

that’s right, ” lie zhanmu said. only by controlling the Army and the Empire’s lifeline can we completely restore order and make the current Emperor Yu’s forces unable to resist at all! And the commander tally is the most crucial piece in breaking the situation, the chess piece that can help us win!”

“Yes, I understand.” Chen Xiaobei was smart. He nodded and said, ” “Then what about the thing I wanted? Can you guarantee that I can enter and leave the forbidden grounds of the Imperial Palace safely?”

this ... lie zhanmu’s expression froze for a moment, and he said, ” Childe Zhufeng, just focus on getting the commander’s seal. Once you succeed, I’ll take control of the Imperial City, and the Pearl in the forbidden area will still belong to you!

“Ha, I don’t believe you!”

“I’ll take out the commander’s seal first. Who knows how long you’ll take to take down the palace?” Who knows if the current Emperor Yu is forced into a corner and will take out his precious pearl to die together with you?”

this ... when lie zhanxuan heard this, he was instantly speechless.

“I can’t wait any longer. I have to get the orb as soon as possible! For the public, leaving the Pearl in the palace is equivalent to a time bomb. It might even kill all of you!”

that’s right! Chen Xiaobei said, ” that’s why I have to get the orb first! Otherwise, I will not help you find the commander’s seal!”

Hearing this, lie zhanxiao could not help but sigh, ” “Childe Zhufeng is right, but the palace is strictly forbidden. Not only is it heavily guarded, but it’s also sealed! If we force our way in, we will definitely alert Emperor Yu!”

“That’s not for sure!” Chen Xiaobei raised his eyebrows and said, ” from now on, all operations will be under my command. As long as you do as I say, I can guarantee that you and I will get what we want!

“What? You want me to listen to your commands?” Lie zhanmu’s expression froze for a moment.

This was the first time someone had dared to speak to him like this. Even Emperor Yu would not order him around, let alone others.

“No need for nonsense!” “Listen to my command!” Chen Xiaobei said. Or cancel the plan! Do as you see fit!”

[Red Envelope Group of the Three Realms](#)

Chapter 3577: -take it and leave

“I ...”

Not only did Chen Xiaobei want to command him, but he also wanted to threaten him.

It was not an exaggeration to say that other than Chen Xiaobei, no one else on this planet would dare to do this.

However, no matter how pained lie zhanxiao was, he could only give in.

Other than Chen Xiaobei, they could not think of any other way to break out of this.

alright, I agree. From now on, Childe Zhufeng will be the one to decide everything! Lie zhanmu let out a long breath. Although he was not very willing, he would definitely keep his word!

.....

The sun was setting in the West.

Chen Xiaobei changed into the Golden Crow Guard's armor and followed lie zhanhou into the palace without anyone knowing.

Although the Golden Crow guards were all from the green wings race, those with higher cultivation could even hide their wings and look like normal humans.

So, no one would suspect Chen Xiaobei.

Moreover, Chen Xiaobei was still with lie zhanhu. No one dared to look at them in the eye. It was even more difficult for Chen Xiaobei's identity to be exposed.

"Childe Chen! This is the core area of the Imperial Palace!"

Lie zhanqiu raised his hand and pointed to a large luxurious palace in front of them, saying, "If I'm not mistaken, the commander's seal is definitely in this area!"

"I've said it! Take the Pearl first, then the commander's seal!" Chen Xiaobei was very domineering and unquestionable.

I'm worried that Emperor Yu and the guards will be alerted after we get the Pearl," lie zhanmu said with a frown. by then, we won't have the chance to find the commander's seal!

"You don't have to worry about that!" let's go! Chen Xiaobei said. bring me to the forbidden place where the orb is sealed!

okay ... lie zhanmo had no choice but to follow Chen Xiaobei's instructions and lead the way.

This forbidden area was located under the palace.

The fierce battle puppet led Chen Xiaobei through an extremely long underground tunnel that was probably thousands of meters long.

There was a guard every three steps in this passage.

When they reached the bottom, they found a dark cave that was sealed.

At the entrance of the cave, there were no less than a thousand elite Green-winged warriors guarding it.

The main point was that after reaching this position, even the fierce battle puppet could not take half a step forward. There had to be an imperial edict from Emperor Yu. Otherwise, if anyone dared to cross the line, these one thousand soldiers would fight to the death to stop them.

After a quick check, lie zhanhu brought Chen Xiaobei out of the forbidden area.

They went to a secluded place.

Lie zhanmo said in a deep voice, "you've seen the situation!" From the underground tunnel to the secret cave, there are nearly five thousand soldiers!"

"There's definitely no dead end along the way! Our every move, every word, and every action, they can see it clearly!"

"The main point is that these five thousand soldiers are all trusted soldiers personally selected by Emperor Yu! The moment we enter, Emperor Yu will receive the news!"

"As long as we do anything out of line, Emperor Yu will immediately bring his men to kill us. Furthermore, the eight-star heaven immortal magical formation guarding the Imperial Palace will also be activated! At that time, you and I will both die without a burial place!"

It was obvious that lie zhanmu's worry was not without reason.

It was an impossible task to take away the orb without anyone knowing.

Once Emperor Yu was alerted, even if he managed to get the Pearl, he would not be able to take it away. It would be impossible to find the commander's seal!

"Childe Chen! Listen to my advice! Let's go find the commander's seal first!"

Lie zhanmu said, "as long as I can find the commander's seal, I will have a way to defeat Emperor Yu. I will take over the entire Palace! When the time comes, I'll definitely give you that Pearl with both hands!"

Chen Xiaobei shook his head and said, "Even after obtaining the commander's seal, you will still need a long time to take down the Imperial Palace!"

"Furthermore, if Emperor Yu were to use the precious pearl to perish together with you! Have you thought about the consequences if you and thirty million jinwu guards are destroyed?"

this ... lie zhanmo was once again speechless.

"By taking the Pearl first, it's equivalent to defusing a super time bomb for you. Only in this way will you have a sure win after getting the commander's seal!" Chen Xiaobei's eyes were filled with determination.

hmm ... I admit that Childe Chen is right!

Lie zhanxiao nodded his head and sighed helplessly, "However, the truth is right in front of our eyes. The possibility of taking the orb away safely is zero! It's absolutely impossible!"

"Ha, what if I can do it?" Chen Xiaobei raised his eyebrows and asked.

this is impossible ... lie zhanxiao furrowed his brows."If Childe Zhufeng can do it, I, lie zhanmu, will listen to your every word in the future! If you say to go east, I will definitely not go west! If you say I'm standing, I definitely won't dare to sit!"

"So you're my underling?" Chen Xiaobei raised his eyebrows and smiled.

To be able to take in this planet's number one powerhouse as his underling, just thinking about it was also an extremely satisfying thing! It was a great sense of accomplishment!

"That's right! As long as Childe Zhufeng can do it, I, lie zhanmu, am willing to be your little brother!" Lie zhanmu was very heroic, not coy at all, and not pretentious at all.

"Good! Then it's a deal!"

Chen Xiaobei took out a yellow flag from his infinite space ring.

After injecting some lower-grade spiritual Jade into it, he immediately activated the special ability of the banner.

"What ... What kind of magic treasure is this?"

Lie zhanqiu was a little nervous, and he hurriedly said, "Childe Chen! You can't use force. Otherwise, once the formation protecting the Imperial Palace is activated, we'll both die Here!"

"Don't worry, I'm not that stupid!" Chen Xiaobei laughed and returned the flag.

"Woof! Whoosh!"

The next moment, Chen Xiaobei and lie zhanhu both burrowed into the ground!

That's right!

This yellow flag was Chen Xiaobei's earth escape Holy gourd.

Although this banner did not have any offensive power and its defensive power was very poor, its ability to burrow underground was extremely practical.

She was always able to help Chen Xiaobei during special times.

It was exactly like this at this moment!

Using the earth escape divine gourd's special ability, Chen Xiaobei and lie zhanhu managed to bypass the underground tunnel that was filled with guards. They even managed to bypass the 1000 elite soldiers who were guarding the secret cave.

In just a few minutes, he had arrived right below the secret cave of the forbidden area without anyone noticing.

"Woof! Whoosh!"

Chen Xiaobei then brought the fierce battle armor through the floor of the secret cave and into it.

"Whoosh ..."

Chen Xiaobei had already planned everything.

He activated the essence energy of Pangu space and created a small spatial cage.

It enveloped a purple pearl that was floating in the middle of the secret cave.

Avoid being hurt by the Pearl.

Then, Chen Xiaobei let song Qincheng out of the verdant Emperor's divine gourd and whispered, "Qingcheng! Don't make a sound! Hurry up and communicate with the Pearl! We'll take it and leave!"

Red Envelope Group of the Three Realms

Chapter 3578: three views subverted

When Chen Xiaobei was training his body, he had already explained his plan.

Song Qincheng was very smart. Naturally, she would not ask too much. She immediately used the law of Human Sovereign to communicate with the Pearl.

"Chi ..."

Very quickly, the Pearl acknowledged song Qincheng, and the two words 'Tang Yao' appeared!

Yao and shun, Yan and Huang, to a Chinese person, should be very familiar with the ancient emperors!

Chen Xiaobei did not have time to ask any more questions. He immediately activated his earth escape divine Gu and brought song Qincheng and lie zhanhu underground.

"Childe Chen! You're simply godly!"

After they were safe, lie zhanhu could not help but give Chen Xiaobei a thumbs up and praise him.

Just a moment ago, he was still confident that Chen Xiaobei could not have gotten his hands on the orb without anyone knowing.

Not only did Chen Xiaobei successfully get the orb, but no one else had noticed it.

According to Emperor Yu's rules, no one was allowed to enter the secret cave of the forbidden area. Therefore, no one would know that the precious pearl had disappeared.

This operation was perfect!

"How is it? Are you convinced?" Chen Xiaobei raised his eyebrows and laughed.

"I'm convinced! I'm sincerely convinced!"

Lie zhanmu was so excited that he did not care about his status at all. He bowed to Chen Xiaobei and said, "From now on, I, lie zhanmu, will be your little brother, Childe Zhufeng! If you have any instructions, just say it!"

from now on, call me bro bei! Chen Xiaobei smiled, looking very domineering.

"Yes! Bro bei!" Lie zhanmu was extremely forthright and always kept his word.

Chen Xiaobei nodded and turned to song Qincheng. "What kind of law imprint does this Pearl contain? Why would it bring about a catastrophe?"

"The law of fate!"

Song Qincheng said, "when others get close to it, their luck will be sucked away!" Naturally, natural and man-made disasters will follow!"

"I see!" Chen Xiaobei and lie zhanqiu were enlightened.

as for fate, it only knows how to absorb it and not release it? " Chen Xiaobei asked again.

Song Qincheng thought for a while and said, "a person's fate is unpredictable!" He couldn't be lucky forever, but he also couldn't be unlucky forever! Logically speaking, since it can absorb, it should be able to release!"

"Can you think of a way to make it release some of it?" Chen Xiaobei asked.

I don't think so ... song Qincheng shook her head and said, " the Pearl doesn't contain true laws, but a kind of nomological mark. Therefore, the absorption and release of fate can't be measured with common sense!

"Alright, then I'll keep it for now." Chen Xiaobei shrugged. He could not force her.

They still had to move on the ground, so Chen Xiaobei put song Qincheng back into the verdant Emperor's divine gourd.

After that, Chen Xiaobei and lie zhanhu returned to the surface and returned to the core area of the palace.

"Clear Jade divine light!"

Chen Xiaobei activated his special ability.

Coupled with the Golden gaze fiery eyes, no corner could escape Chen Xiaobei's eyes.

However, this time, he was not as lucky as when he obtained the orb.

In the name of patrolling, Chen Xiaobei had searched the entire core area, but he could not find the commander's seal.

"Could the commander's seal be on Emperor Yu?" Chen Xiaobei asked.

"I won't!" I've sensed it carefully, " lie zhanmu said. Emperor Yu has never carried the commander's seal with him!

"What if he has an" isolation array "on him?" Chen Xiaobei asked.

this ... This can't be ... lie zhanhou's expression froze, and he couldn't help but swallow his saliva.

why can't he make a box for the isolation formation and put the commander's seal in it? " Chen Xiaobei asked. if you can put the isolation formation into the dice cup, why can't he put the commander's seal in it and carry it around with him? "

Lie zhanmu could not believe it, but he could not deny Chen Xiaobei's guess.

according to bro bei, we have to go and see Emperor Yu! " we can only confirm it with our own eyes, " lie zhanmu said. bro bei, we can only be sure if your guess is right or wrong!

"Then what are we waiting for? We'll go now!" Chen Xiaobei said.

"This ..."

Lie zhanmu looked at the sky and said, " "At this time, Emperor Yu should be with his concubines ... Hehehe ..."

"Heh, isn't that even better?" Chen Xiaobei narrowed his eyes and his lips curled into an evil smile.

that's not very good ... lie zhanmu said, " "When Emperor Yu is having fun, he never meets outsiders. If he waits, he might have to wait until dawn!"

"What the f * ck! Wasn't this guy a little too long-lasting? The battle lasted until dawn?" Chen Xiaobei was curious. "Let's go, take me there now! I'd like to see how capable this Emperor Yu is!"

"Now?" Lie zhanxiao could not help but feel annoyed. His intuition told him that Chen Xiaobei was up to no good.

"Right! It's now!" Chen Xiaobei raised his eyebrows and said impatiently, " "Perhaps I can help you to settle Emperor Yu directly!"

"Is ... Is this true?" Lie zhanmu couldn't help but swallow his saliva, and said awkwardly, " "Bro bei, I have to remind you again! We can't use force. Otherwise, once feather Emperor activates the great defensive formation, we won't be able to escape even if we have wings!"

"Heh, I'm not trying to be pretentious, but I have a hundred ways to play him to death!" "Let's go!" Chen Xiaobei raised his eyebrows. Take me there to see!"

Yunxi Palace!

This was the palace where Emperor Yu's favored concubines lived. Recently, Emperor Yu had been spending the night here every day.

Because the palace was very safe, there were not many guards in the place where the concubines lived.

The surroundings were very quiet. Chen Xiaobei and lie zhanhu managed to get close easily. They could hear some muffled sounds from across the wall.

"This feather Emperor is really bold and unrestrained! Not in the bedroom, hehehe, but in the open air of the garden, hehehe ..."

When Chen Xiaobei heard the sound, he was certain that it came from the courtyard.

Lie zhanqiu couldn't help but frown slightly. "Emperor Yu is addicted to women and has no sense of shame! He would chuckle at the concubines almost anytime and anywhere, and he wouldn't even let go of the palace maids! In the garden, you can already be considered to have restrained yourself!"

“Awesome!” Chen Xiaobei could not wait to activate his golden gaze fiery eyes. He wanted to take a good look at this old driver and see how good he was at martial arts!

He wouldn't have known if he didn't look, but he was shocked when he did!

Inside the courtyard wall, the concubine was tied up with a rope and hung from a tree.

On the side, a middle-aged man was twisting his body in an extremely difficult position and chuckling with his favorite concubine.

That posture had completely changed Chen Xiaobei's worldview!

Even a super old driver who had read countless films would definitely not have seen it before!

bro bei ... What are you doing? ” Lie zhanqiu waited for a long time, then lowered his voice and asked, ” “Have you thought it through? How are we going to deal with Emperor Yu?”

Red Envelope Group of the Three Realms

Chapter 3579: Familiar figure

3579 Familiar figure

“What do you mean have you thought it through?”

Chen Xiaobei raised his eyebrows and laughed evilly. “I've said it before, I have a hundred ways to toy with him to death!”

“Then you should hurry up!”

Lie zhanmu urged, ” right now, Emperor Yu is very excited. He doesn't have the time to care about what's going on outside. If he has some free time later, he'll use his primordial spirit domain to scan the area. We'll be exposed immediately! Time waits for no one!”

“I know!”

Chen Xiaobei then activated the merit points ledger.

Chen Xiaobei exchanged for ten one-star celestial level bad luck charms.

[merit points reward, exchange successful. 1 billion points deducted!]

[your current merit points are 20005845000000 (charm: 2000,5.845 billion, luck: 2000,5.845 billion!]

“Swish!”

Chen Xiaobei took out all ten bad luck charms.

“What ... What is this? A lucky charm? the color looks different ... lie zhanming was confused. He could not guess what Chen Xiaobei was trying to do.

Whoosh ... Whoosh ... Whoosh ...

Chen Xiaobei did not bother to explain. Instead, he activated the ten bad luck talismans and used them on Emperor Yu.

“Bro bei! you must not alert Emperor Yu ... lie zhanmo was worried that the talisman would alert the enemy.

“Three! Two! One!” Chen Xiaobei did not answer. Instead, he started the countdown and grinned evilly. “My luck has dropped to the max!”

crack!!!

At this moment, the sound of branches breaking suddenly came from the courtyard.

Originally, the concubine had been hanging from the tree branch, and her weight had been completely supported by the branch.

At this moment, the branch suddenly broke. The concubine’s entire weight had completely pressed onto the most vulnerable part of Emperor Yu’s body!

crack!!!

Any man would know that Emperor Yu’s thing was instantly under great pressure and was broken!

Right! It was broken!

“AIO Ohoo

In the next moment, Emperor Yu let out a shrill cry that sounded like a pig being slaughtered, followed by a cry that sounded like an old hen’s.

“Break!” “Oh!!!”

That feeling was simply sour and cool to the deepest part of the soul!

An unimaginably intense pain spread out in an instant, and Emperor Yu’s entire body collapsed onto the ground. He clutched his injured area and curled up into a small ball. He trembled and broke out in a cold sweat. He even felt dizzy and saw stars.

Chen Xiaobei could not help but clamp his legs together as he looked on with his fiery eyes.

‘F * ck!’

Just looking at it was super painful!

Perhaps Emperor Yu did not react in time, or perhaps the pain was too terrifying. After struggling for a moment, his mental energy was supported to the extreme. Emperor Yu actually did not use his Dharmakaya, and he directly fainted from the pain.

“Men! Someone come quickly! Quickly summon the imperial physician! Summon the imperial physician!”

The concubine was tied up. She shouted and tried to get dressed.

“What’s the matter? What happened inside?” Lie zhanqiu was listening to the strange movements inside, but he couldn’t see what was happening inside. He was extremely anxious.

“It’s your turn! Knock that woman out!” Chen Xiaobei smiled.

bro bei, have you taken care of Emperor Yu? ” Lie zhanmu’s eyes were wide open, and he swallowed his saliva.

“Stop asking! Go and see for yourself!” “Hurry up!” Chen Xiaobei urged. Things will be troublesome if someone else arrives!”

“Alright!” Lie zhanmu quickly got used to being Chen Xiaobei’s underling and took action immediately.

“Woof! Bang!”

Lie zhanmu’s speed was unbelievably fast. In an instant, he had flashed into the courtyard and knocked out the concubine with a palm strike.

When he saw the unconscious Emperor Yu, even someone as strong as lie zhanmo couldn’t help but close his legs!

It was broken!

Are you afraid?

“Swish!”

Then, Chen Xiaobei also jumped into the yard.

“Bro bei! You’re so fierce! I, lie zhanxiao, am convinced! He was convinced! I’m convinced in bold!” Lie zhanxiao swallowed his saliva and gave Chen Xiaobei a thumbs up.

“Follow me!” Chen Xiaobei walked towards the clothes that were scattered on the ground.

“I found it!”

Chen Xiaobei locked his eyes on one of the exquisite wooden boxes. He opened it and saw a black commander’s seal in the shape of a feather!

Seeing the scene before him, lie zhanmo once again praised, ” “Bro bei! You’re really a divine schemer! We would never have thought that Emperor Yu would carry the commander’s seal with him at all times! If it wasn’t for you, bro bei, I’m afraid we wouldn’t have been able to find it in our lifetime!”

“I’ll give you the commander’s seal! We’re even now!” Chen Xiaobei raised his eyebrows and said, ” I want to leave as soon as possible. I hope you can get what you want and complete all your plans!

“Bro bei!” Hearing this, lie zhanxiao’s brows furrowed, and a look of reluctance appeared in his eyes.

“Stop being so wishy-washy!” I’ll see you again! Chen Xiaobei smiled. if we’re fated, let’s meet again in Jianghu!

“En!”

Lie zhanmu took a deep breath, patted his chest and said, ” “Bro bei, you have to believe me! The next time you come back, this place will have changed! Of course, one thing will never change, and that is, you will always be my bro bei!”

“Alright! Don’t be emotional! Let’s leave the palace first!” Chen Xiaobei smiled.

Although he didn't say it out loud, he had already remembered lie zhanmo as a friend in his heart!

.....

After leaving the Imperial Palace, lie zhanmo naturally contacted green deercry at the first possible moment.

Chen Xiaobei quickly summoned six-eared macaque and left the planet as fast as he could.

After all, Chen Xiaobei's time was of the essence. He did not want to be dragged into the chaos that was about to erupt.

However, Chen Xiaobei still felt a little regretful that he had left in such a hurry.

That was because the mysterious old man did not let Chen Xiaobei see him even once.

Who was he?

This question had been bugging Chen Xiaobei for a long time, and he could not let it go.

.....

Under song Qincheng's guidance, the group soon arrived at their seventh destination.

This was the boundary between the middle and inner layers of the great void universe.

It was a planet called heavy eternity.

This planet was huge, and correspondingly, the forces on the planet were stronger, so the danger and resistance would be more fatal.

Furthermore, the memories in the six-eared macaque's mind were of no use here.

That was because this area was already a domain that the great void Earth Dragon King could not reach.

Chen Xiaobei would have to explore the next step.

Zhongheng Imperial City!

Chen Xiaobei, song Qincheng, and six-eared macaque were walking on the street.

He was surprised to find that the people here were no different from humans. Their appearance, clothes, words, and actions, and even the surrounding streets and houses, all fit the characteristics of human civilization.

Of course, the only difference was that the people here had higher cultivation.

Even an ordinary child was at the one-star heaven immortal realm, while an adult was usually at the two-star to three-star heaven immortal realm.

Chen Xiaobei had already made a clear judgment in his heart.

From here on, it was almost impossible to fight with force for every step after that. He could only use his wits!

“Eh? He ... Why is he here?”

Suddenly, Chen Xiaobei saw a familiar figure.

Red Envelope Group of the Three Realms

Chapter 3580: sea of people

In the middle of the crowd, Chen Xiaobei suddenly saw the kind-looking old man.

Chen Xiaobei had the scholar's heart and a photographic memory. There was no way he would mistake someone for someone else.

However, the strange thing was that the old man they had met earlier was from the green wings race. Now that they saw this person, they didn't see any green wings on his back.

Chen Xiaobei hesitated for a moment.

Just as Chen Xiaobei was about to go over and greet the old man, the old man disappeared into the crowd.

“Bro bei, who did you see?” “Ling Taiji?” six-eared macaque asked curiously. Or is it mu chenye?”

neither ... Chen Xiaobei shook his head. “Do you still remember that old man in the Greenwing Imperial City? Back then, you even used your primordial spirit domain to probe his cultivation!”

“I remember!”

Six-eared macaque nodded, but then asked, “ that old man isn't even a heaven immortal. How can he reach the heavy eternal planet at the same time as us? ”

“Do you even need to ask?” Song Qincheng's eyes narrowed and she said wisely, “ Someone who can make Xiaobei care so much about him is definitely not an ordinary person! That old man was most likely hiding his strength! It also hides a huge secret!”

“That's right!” alright! Chen Xiaobei nodded. keep an eye on him. If you see him again, you must ask him about it!

Song Qincheng nodded and said in a deep voice, “ Although that old man is very special, for now, let's focus on the seventh orb!”

“Yes, you're right!” of course! Chen Xiaobei nodded. the further we go, the more difficult, dangerous, and time-consuming it will be! Therefore, we have to race against time!”

according to my senses, the location of the seventh orb should be in the center of the zhongheng Imperial City! Song Qincheng said, “if nothing goes wrong, it should be in the palace, directly controlled by the royal family!” It's as difficult as ascending to the heavens to obtain it!”

It was clear that the situation was the same as that of Green Wing Imperial City. The pearls were all in the palace.

The Imperial Palace was usually guarded by a defensive formation, super experts, and a large number of elite guards.

The reason why Chen Xiaobei's operation in Green Wing Palace was so successful was because he had gotten to know green deercry and had gotten lie zhanmu's help.

On the other hand, if lie zhanqiu did not help but tried to stop him, Chen Xiaobei would not be able to succeed even if he spent a hundred times more time and energy, even if he risked his life.

Without the green deercry and the fierce battle puppet, it would be extremely difficult for Chen Xiaobei to retrieve the seventh orb from the zhongheng Palace! How dangerous!

"It definitely won't work if we use force!"

Six-eared macaque frowned and said, "we have to think of a way to find a way out of this!" This is the only way to succeed!"

The six-eared macaque was already a five-star heaven immortal realm Earth Dragon King, but he had no confidence in the eternal star.

It was no exaggeration to say that many of the people walking on the road had cultivation levels higher than the six-eared macaque.

The most powerful man in the palace could probably kill the six-eared macaque with a finger.

It definitely wouldn't work if he used force! There was only hope if he outwit them!

As for outwit ...

Chen Xiaobei's eyes lit up. "Originally, we fell into the same situation in Greenwing Imperial City! It was that old man who guided me to find green deercry! Not only did you save Heng Yongxu, but you also indirectly helped me get the orb!"

Song Qincheng and six-eared macaque were both shocked.

If Chen Xiaobei had not mentioned it, they would not have realized that the old man had helped them so much.

But now that Chen Xiaobei had made things clear, song Qincheng and six-eared macaque realized that the old man was the key to breaking the stalemate in Green Wing Imperial City.

Without the old man's guidance, Chen Xiaobei and the others would have had to take many detours. They might have even lost their lives.

"It seems like we just need to find that old man as soon as possible and the problem will be solved!" Song Qincheng was very wise and decisive, she immediately said.

"I think I just saw him walking in that direction! I'll go after him now!" Six-eared macaque was a little impulsive. He ran away quickly.

"Six ears! come back ... Chen Xiaobei wanted to stop her but it was too late."Qingcheng! Let's hurry! I'm not familiar with this place, it'll be troublesome if I get lost!"

After that, Chen Xiaobei and song Qincheng also picked up their pace.

They didn't know what day it was today, but as they walked in the direction that the old man had left, there were more and more pedestrians. Gradually, they even reached the point where people were pushing each other, and it was simply crowded.

Chen Xiaobei and Song Qincheng were both from earth. This scene reminded them of the long holiday on earth, when all the famous tourist spots were crowded with people.

"Bro bei! Hurry up! Hurry over!"

Up ahead, the six-eared macaque was waving and shouting in the crowd, as if it had made a huge discovery.

Chen Xiaobei and Song Qincheng picked up their pace and squeezed their way through the crowd with all their might to meet up with six-eared macaque.

"What's wrong? You're shouting and jumping here, I thought you'd found the old man!" Chen Xiaobei asked, frowning.

"This sea of people is so vast, it's impossible to find that old man!"

"But, I just asked a passerby about it. The reason why it's so lively today is because of the annual God of Cookery Festival!" six-eared macaque said.

"The God of Cookery? A Food Festival?" Chen Xiaobei's eyes lit up.

Speaking of which, Chen Xiaobei and the God of Cookery were somewhat related!

Back then, Chen Xiaobei had eaten a pill from the God of Cookery, and his tongue had gained a very powerful special ability. He could tell the taste of everything he had tasted and the corresponding ingredients. He could even tell the proportion of the ingredients.

As for the food festival ...

This was made for Chen Xiaobei!

After all, Chen Xiaobei had a huge amount of delicious food in his storage bracelet!

Looking at the sea of people, Chen Xiaobei could even sell all the survivors and make a killing!

"I understand!"

Song Qincheng's beautiful eyes flickered as she said seriously, "That old man suddenly appeared and then walked in this direction! Maybe it's a hint to us that this Food Festival is the key to breaking out of this situation!"

"That's right!"

Chen Xiaobei agreed with her. "It must be like this! That old man might not be able to talk to me face to face for some reason, but his actions have already given us hints!"

"What should we do next?" Six-eared macaque asked.

Oh? ” Chen Xiaobei raised his brows and said, ” this is a grand food Festival! There are so many foodies!
If I didn’t make a profit, then I’m really sorry for my stock!”
