#### Chapter 3581: free stall

The target had been set.

Chen Xiaobei and the other two immediately got to work.

After asking around, they learned that the main venue of the food Festival was still ahead.

The merchants could rent some temporary stalls to sell their own delicacies.

Of course.

For such a huge event, all the stalls had been rented out early in the morning.

This was a rare opportunity to make money. It was almost impossible to get someone to rent their stall to Chen Xiaobei.

However, this was not a problem for Chen Xiaobei.

A problem that could be solved with money was not a problem at all!

He found a stall that sold spiritual fruits. The stall owner was a fat middle-aged man.

His spiritual fruits were sold for twenty inferior-grade spiritual jade pieces each, which could be said to be very, very expensive.

After all, a single piece of inferior-grade spiritual Jade was enough for an ordinary family to live an entire year in luxury.

Twenty low-grade spiritual stones for a spiritual fruit was definitely an extremely extravagant thing.

However, because this spiritual fruit was so delicious, there was a long line of people who wanted to buy it.

From this, it could be seen that the heavy star was a very rich planet. Of course, there were many rich people from other planets who rushed over.

They were like the people on earth who were lining up to buy limited edition luxury goods.

As long as the goods could satisfy their psychological needs, make them happy, satisfied, and have face, they were willing to buy it no matter how expensive it was. In fact, he would only buy the expensive ones and not the right ones!

After all, immortal cultivation was a very boring thing.

For some foodies, the feeling of fasting for hundreds of years was even more torturous and torturous than that of a pervert not being able to touch a woman for hundreds of years.

Therefore, when delicious food was placed in front of them, they were all willing to pay a great price to exchange for it.

“Brother, I’ll take all the spirit fruits you have left!”

Chen Xiaobei had been waiting in line for about half an hour, and his turn had finally arrived.

“What? You want them all?”

The fat boss was stunned and thought he had heard wrong.

“Right! I’m taking them all! No matter how many you have!”

Chen Xiaobei did not even bother to bargain.

Clearly, Chen Xiaobei’s real goal was to buy all of the Fatty’s spiritual fruits so that he could clear out the stall.

This way, Chen Xiaobei would have a place to start earning money.

“I still have 100000 spiritual fruits in my storage bracelet, can you afford them?” The boss frowned, thinking that Chen Xiaobei was just joking with him.

“20 inferior-grade spiritual Jade for one, so 100000 of them would be two million inferior-grade spiritual Jade! Am I right?” Chen Xiaobei did not argue. With a wave of his hand, the floor was filled with spiritual Jade.

Two million pieces of lower-grade spiritual Jade formed a small mountain in front of the boss.

“Oh my God ...”

The boss gasped and rubbed his eyes in disbelief, afraid that he was dreaming.

The surrounding crowd couldn’t help but exclaim.

To an ordinary person, twenty pieces of inferior-grade spiritual Jade was already an extremely extravagant expenditure. Two million pieces of inferior-grade spiritual Jade was simply an astronomical figure.

Many people could not even earn that much spiritual Jade in their entire lives.

All eyes were on Chen Xiaobei. People began to point at him and discuss him, trying to guess who he was.

Gradually, more and more onlookers gathered around.

This was the effect that Chen Xiaobei wanted.

A small wave of showing off his wealth was like an . It could attract more attention and more customers!

“Don’t just stand there! Take the money and deliver the goods!” Chen Xiaobei urged impatiently.

“Yes ... Yes, yes, yes ...”

The boss gulped. A second ago, he was still looking at Chen with disdain, thinking that Chen Xiaobei was just joking. But now, he was all smiles and even started to fawn over Chen Xiaobei.

“What is your name, young master? How come I’ve never seen you before?”

While collecting the money, the boss man said, "I'm Wu Liwang, the boss of the Liwang Chamber of Commerce in the west of the city. Young master, if you have nothing to do, you can come to the meeting to have some tea! I still have a lot of delicious and rare spirit fruits!"

"We'll talk about it after drinking some tea!" you've sold out all your stuff. Can you lend me your stall?" Chen Xiaobei asked.

"Of course, no problem!" Wu Liwang nodded.

He wanted to get on Chen Xiaobei's good side, so he would not reject Chen Xiaobei's request.

However, Wu Liwang thought about it and felt that it was inappropriate. "Young master, are you thinking of continuing to sell my 100000 spiritual fruits at this stall?"

"You don't have to worry about that! What I like to sell, that's my business!" Chen Xiaobei shrugged.

At the same time, Chen Xiaobei gave song Qincheng and six-eared macaque a look, asking them to come over and take over the stall.

"No, young master, you've misunderstood! I've already earned enough, so it's no problem for you to continue selling my spiritual fruits!"

of course," said Wu Liwang, "there are two other people in the hall who are selling similar spiritual fruits. Both of them are priced at twenty lower spiritual jade pieces! Young master, if you continue to sell, you won't be able to earn any money!"

Obviously, Wu Liwang really wanted to get on Chen Xiaobei's good side, so he told Chen the truth.

In other words, if Chen Xiaobei was buying these 100000 spiritual fruits just to make a profit from the price difference, that would be impossible.

This was because the other competitors were all selling at 20 yuan. If you raised the price, the customers would go and buy from others.

But if you don't raise the price, you can only buy and sell at the original price. You won't earn a single hair and it's all a waste of effort.

"You don't have to worry about that!"

After Chen Xiaobei took over the stall and the spiritual fruits, he immediately shouted, "Come on! The spiritual fruits continued to be sold at the same price! It's still twenty lower-grade spiritual Jade for one!"

Huh?

Was this kid crazy?

Wu Liwang was dumbfounded. He had already made it clear to Chen, why did Chen Xiaobei still want to sell it for twenty?

Could it be that he had nothing better to do? Too much energy and nowhere to release it?

Very quickly, the long line formed again, and the sales of spiritual fruits returned to normal.

This way, the two million low-grade spiritual Jade that Chen Xiaobei had paid would be returned.

This meant that Chen Xiaobei did not have to spend a single cent to get a stall that was hard to get.

And the main event had just begun!

“Woof! Buzzzzzz! Yi ...”

With a thought, Chen Xiaobei placed first love peach, spicy strips, cigarettes, Coke, Wahaha ... All sorts of new food from earth on the stall.

These strange things were unprecedented in the great void universe and soon attracted a large number of onlookers.

“Young master ... What are these things?” Wu Liwang was dumbfounded, and he couldn’t stop swallowing.

Chen Xiaobei raised his eyebrows and shouted, “Dear audience! These are all rare delicacies that I’ve spent a lot of effort to get! Don’t miss it! I’ll regret it for the rest of my life if I miss it!”

This is the end of Part One,

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3582: real or fake Dog Trust**

“What’s that black liquid? Poison? This was a Food Festival! Don’t mess around!”

“Zhonghua? What was in that red box? It doesn’t look like it’s meant to be eaten!”

“What the hell is that long strip covered in chili oil? It doesn’t have any spirituality, so it’s definitely not delicious!”

.....

All of a sudden, the surrounding crowd began to discuss.

Based on their usual way of thinking, they would not be able to understand what Chen Xiaobei was taking out.

From its appearance and shape, it was hard to associate it with food.

It wasn’t easy for the spicy strip to look edible, but it didn’t have any spirituality. To people at this level, things without spirituality were no different from trash!

It was obvious that the surrounding foodies did not buy the food that Chen Xiaobei brought out.

young master, you just bought all my spiritual fruits. I’ll help you with your business!

Wu Liwang was a good person. He wanted to try Chen Xiaobei’s food in front of everyone. If it was really delicious, he would help Chen promote his food.

“Okay, take a look. What do you want to buy?” Chen Xiaobei asked.

“What kind of peach is that? So big! It was so beautiful! The fragrance of the fruit was also very tempting! I want to buy one!” Wu Liwang pointed at the first love peach and said.

“You really have good taste!”

this is a Supreme-grade mini flat peach! It’s the treasure of my shop! Chen Xiaobei said. Its taste and texture were exactly the same as the heavenly peaches planted by the Queen Mother of the heavenly realm! It’s just that it doesn’t have the same effects as the heavenly Peach, so I call it the small Heavenly Peach!”

O-peaches of immortality!? Wu Liwang’s expression froze, and he couldn’t help but feel his heart skip a beat.

The surrounding crowd also instantly let out a burst of exclamations, the sound was very strong.

“You don’t even need a draft to brag! The peaches of immortality had to be watered by the divine water of the Jade pool and nourished by the spiritual Qi of the heavenly realm! Other than the Queen Mother’s Peach Garden, there’s no other place that can grow it!”

“Liar! That kid must be a liar! Although our great void universe is isolated from the heaven realm, many people from the heaven realm have come to travel and bring with them many legends about the heaven realm. Don’t think that you can deceive us just because we don’t know anything!”

“Liar! This kid is a liar! Everyone, let’s disperse! Scattered! Disperse!”

The crowd did not believe that a mere eight-star earth-god like Chen Xiaobei would be able to produce a spiritual fruit that was comparable to the flat peach.

They didn’t want to waste any more time on a liar.

“Wait a minute! Everyone, please wait!”

Wu Liwang saw that the situation wasn’t looking good and immediately shouted, ” “This young master has made it very clear that these are small heavenly peaches, not real heavenly peaches! As long as the small flat peach tastes good enough, this young master is not lying to us!”

Obviously, Wu Liwang was still trying to get on Chen Xiaobei’s good side.

But the crowd didn’t buy it at all, even scolding Wu Liwang.

“Fatty, you’re a dog’s supporter! He’s acting in concert with that kid, does he think we’re idiots?”

“Even if you say it’s delicious, we won’t believe you!”

“Let’s go! No one would buy their things! Let this scammer play with the dog!”

This was how people thought. Once they had a bad first impression, it was very difficult to remedy it.

Moreover, people liked to follow the trend.

Most people thought that Chen Xiaobei was a liar and that Wu Liwang was a dog. Only a small number of people believed him without thinking.

All of a sudden, the crowd that had gathered with great difficulty was about to disperse.

how much does one of these Supreme-grade small flat peaches cost? I want to try it!

Suddenly, a familiar figure appeared in front of Chen Xiaobei's stall.

That's right!

This man was the one Chen Xiaobei had been looking for, the kind-looking old man.

"Why are you here ..."

Chen Xiaobei was shocked to see the old man shake his head.

Chen Xiaobei suddenly realized that he could not talk to the old man now, or he would be treated like a dog by the onlookers!

Now that he thought about it, the scene just now could be explained.

The old man's sudden appearance was to guide Chen Xiaobei and the others to the food Festival venue.

The old man's sudden disappearance was to avoid suspicion so that he could help Chen Xiaobei at the most critical moment.

As expected!

With the appearance of the old man, the crowd that was about to leave stopped in their tracks.

"Is this old man stupid? She had already told him that it was a scam, so why did he still have to bite the bullet? Iron-headed doll?"

looking at this old man's kind face, he shouldn't be a fake. Maybe he's really curious!

"Don't go yet! I'm willing to bet that after this old man finished eating, he would definitely curse that kid as a liar! Maybe he would even cause a huge ruckus! There will be a good show to watch then!"

Everyone stopped in their tracks and gloated as they waited for the old man to expose Chen Xiaobei's 'scam'.

"Boss, how much does one peach cost?" The old man asked.

"Two million lower spiritual Jade for one! No bargaining!" Chen Xiaobei said.

BOOM!

A stone that caused a thousand ripples!

The old man didn't even have time to speak before the surrounding crowd exploded!

"Young master! You're joking, right?" Wu Liwang sucked in a breath of cold air. He could not believe his ears.

He had sold 100000 spiritual fruits to Chen Xiaobei for only two million low-grade spiritual Jade.

But now, one of Chen Xiaobei's tiny flat peaches was going to be sold for two million!

“Crazy! This kid must be crazy! Two million inferior-grade spiritual Jade for a peach? I might as well just Rob them!”

“Not even robbers are as ruthless as him! Who can snatch so many spiritual jades in one go?”

“Only the rich can afford it at this price! However, a tycoon is only rich, not an idiot. Why would he spend such an unnecessary amount of money?”

“That kid is the real idiot! He didn’t even know how to lie! Two million? who the hell would fall for that?”

The crowd was full of contempt, disdain, and even contempt for Chen Xiaobei!

In their eyes, Chen Xiaobei was a brainless idiot. No one would fall for such a clumsy scam.

“Good! I’d like to have a taste and see what kind of delicious food is worth such a price!”

The old man took out two million low-grade spiritual jades and handed them to Chen Xiaobei.

Everyone was stunned by the scene before them.

The two million pieces of lower spiritual Jade were like a super-pervented, exploding slap that slapped everyone’s face.

Their faces were red and hot. Their views were shattered and they even began to doubt their lives.

At the same time, everyone’s eyes immediately focused on the old man.

No!

To be more precise, they were all focused on the first love peach that the old man was holding!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3583: -business giant**

“Creak ...”

The old man held the first love peach and took a big bite.

The White, tender, and crystal-like peach flesh split open, and a sweet juice immediately flowed out. The refreshing fragrance of the fruit quickly spread out, causing many people around to be jolted.

“It smells so good ... I can’t help but drool ...”

“What’s going on? Why did it smell so good? It was fresh and sweet! Fragrance! It’s the smell of nature, the smell of sunlight ...”

“Is ... Is this the aroma of the heavenly Peach? Oh my God, just smelling it was extremely enjoyable! He was extremely intoxicated! OWW! I can’t hold on any longer! The glutton is rebelling!”

All of a sudden, the people who were closer to them became restless.

The first love Peach’s fragrance instantly aroused the appetite of these foodies. It even caused a 180-degree change in their attitude.

“Delicious! It’s so delicious!”

All of a sudden, the old man exclaimed, ” “The flesh of the fruit is soft and dense, and the fruit juice is fresh and sweet. My God ... I’ve never eaten such delicious food! It was perfect! This was a feast of taste! It was the Supreme enjoyment of a foodie! It’s simply too, too, too cool!”

The old man had a kind face and gave people a feeling of sincerity. This made every word he said more convincing, once again causing a huge impact on the hearts of the surrounding people.

“Heavens! Was it really that delicious? Isn’t this too exaggerated?”

“That old man doesn’t look like someone who would lie! It’s definitely super perverted, unrivaled, and delicious!”

“Don’t tell me we’ve all misunderstood that kid? He’s not a scammer, but he really brought us a lot of delicious food that we’ve never seen before!”

from the looks of it, he really isn’t a liar. It’s just that we’re too inexperienced and ignorant, so we thought he was lying ...

The old man’s reaction made everyone believe that the first love peach was indeed a delicacy.

When they thought about how they had mocked, insulted, and looked down on Chen Xiaobei, they suddenly realized how stupid and ridiculous they were.

They were like a group of frogs in a well, mocking the Eagle that was soaring in the sky.

To put it bluntly, most of the people around could only look at the first love peach that cost two million lower spiritual jade pieces. They could not afford it at all.

They were like a group of people who said that grapes were sour when they couldn’t eat them. They were both laughable and pitiful.

This face slap was simply too loud.

Of course, there were all kinds of birds in a big forest! In the vast sea of people, there would definitely be no lack of rich people!

Furthermore, this was the boundary between the middle and inner layers of the great void universe. Besides being more powerful overall, the people here were also richer!

The main point was that today was the annual food festival. Even the nouveau riche who usually didn’t go out might appear today!

“I’ll have ten Supreme-grade small flat peaches! Let’s try it first! If it’s really that good, I’ll take as much as you have!”

Sure enough, a noble and beautiful woman in gorgeous clothes walked over slowly.

There were no less than ten personal bodyguards in front and behind her, and each of them had a cultivation base no lower than the five-star heaven immortal realm.

If they were placed on the periphery of the great void universe, her group of bodyguards could all become Kings who could rule a planet.

Even if one used their toes to think, they would know that this woman's identity was absolutely extraordinary!

For a moment, the surrounding crowd unconsciously made way for her, not daring to block the woman's way.

"Who is this person?" Chen Xiaobei asked.

"Madam Qian! She was the president of the ten thousand origin Chamber of Commerce! With a stomp of his feet, the business world on this planet will tremble!"

Wu Liwang sucked in a breath of cold air and gulped. He looked at the woman as if she was his own mother. He was extremely respectful.

"I'm sorry! I'm not selling ten!"

Chen Xiaobei looked at Madam Qian and said calmly, "Each person can only buy one! I won't sell even one more!"

"What?"

As soon as he said that, everyone around him was dumbfounded.

Chen Xiaobei did not even want to accept a business offer? Could it be that he was too rich? Is he crazy?

"You're such a strange person. Don't you want to earn money?" Mrs. Qian frowned slightly, feeling a little unhappy.

Chen Xiaobei smiled. He would not change his mind just because the other party was unhappy. "I'm sorry, Supreme-grade mini flat peaches are too rare, and each person can only buy one! If you're interested, you can try my other delicacies!"

"I see."

Mrs. Qian was smart and immediately saw through Chen Xiaobei's intention.

The first love peach was the treasure of Chen Xiaobei's shop, and it was also his living signboard. If all of them were bought by one nouveau riche, it would be hard for Chen Xiaobei to attract more nouveau riche.

However, even though each person could only buy one, Chen Xiaobei could still attract hundreds of rich people.

This way, Chen Xiaobei could sell as many of the other items he had.

I'm not going to beat around the bush. Madam Qian, I'm sure you won't be able to finish all the food I have. I need more people to pay attention to my food!

Chen Xiaobei smiled.

The truth was that Chen Xiaobei had already sold all his first love peaches.

However, after being chased by the three ape Kings, Chen Xiaobei managed to get back another 600 first love peaches.

After the old man had eaten one, there were only 599 left, which was an extremely rare resource.

In Earth's words, this was an absolute limited edition that had one less to sell!

Chen Xiaobei had to use these first love peaches to attract more nouveau riche so that he could quickly sell the millions of peaches he had.

"Alright, let me try a first love peach first!"

Lady Qian did not argue with Chen Xiaobei and paid the two million low-grade spiritual Jade in full.

Chen Xiaobei handed her a first love peach.

"Kacha ..."

Mrs. Qian took a bite eagerly.

The result was without any suspense!

As the fruit and juice flowed into her mouth, the taste of happiness flowed through her body like an electric current.

From her head to her toes, every pore of hers was caught in a storm of sweet happiness.

Her chest was thumping wildly, her face was slightly red, and she even had goosebumps all over.

Chen Xiaobei did not tell her that it was actually a first love peach.

However, at this moment, she truly tasted the taste of first love, and even touched the softest part of her heart.

"It's ... It's so delicious ..."

Madam Qian held the first love peach that she had only taken a single bite of. Her eyes couldn't help but redden as sparkling hot tears flowed out.

It was so delicious that he cried!

"This ... This, this, this ..."

Seeing this, the crowd exploded.

If the old man's earlier reaction had stirred up the crowd's greed, then Madam Qian's current reaction had directly touched everyone's heart, causing them to fall into endless shock and curiosity!

Just how delicious was it?

To be able to move a business magnate like Madam Qian to tears!

This was simply unbelievable!

## Red Envelope Group of the Three Realms

### **Chapter 3584: crazy rush to buy**

"It's so good ... So ... So good ..."

Madam Qian was crying like a Pear Blossom bathed in rain. She couldn't help but say, "Please sell me a few more Supreme-grade mini flat peaches. I'm willing to pay three times ... No! I'm willing to pay ten times the price!"

I'm sorry. I've already set the rules. I can't break them!

you can try my other cuisines! Chen Xiaobei said. it'll be different! I dare to Pat my chest and guarantee that I will definitely not let you down!"

I ... I'll take a break first ... Mrs. Qian held the first love peach and stood at the side, eating it in small bites. Tears were still flowing down her face, making her look like a wronged little girl. She didn't look like a strong woman at all.

It was like a huge golden signboard that was placed right beside Chen Xiaobei's stall.

What happened here quickly spread from one person to ten, ten to a hundred, and completely spread throughout the entire venue.

"Have you heard? Madam Qian had spent two million inferior-grade spiritual Jade on a peach! She cried after just one bite! It's simply unbelievable!"

"Nonsense! Would Madam Qian cry? Unless the sun rises from the North!"

"It's true! Madam Qian was willing to pay ten times the price to buy those small flat peaches, but the stall owner didn't sell them and said that each person could only buy one!"

"Let's go! Let's go take a look! What kind of super delicacy is it that's so awesome?"

I'm not going. I can't afford it even if! go. You, a rich man, can go and take! look. After you buy one, if you don't want to eat it, you can sell it to Madam Qian and make a fortune. Isn't that great! "

I heard that person has many other delicacies. Even if you're not a local tyrant, you can go and take a look!

"I won't say anymore! Let's go now!"

"Let's go, let's go!"

Very quickly, the crowd gathered from all directions and surrounded Chen Xiaobei's stall.

Those who couldn't afford it were all watching from the outside, while the rich who could afford it all went forward.

Only to see ...

The old man stood on the left, while Madam Qian stood on the right.

The two living signboards were savoring the first love peach with great enjoyment. Just by looking at their expressions, it was enough to make those wealthy foodies unable to hold back!

“I want a Supreme-grade small flat peach!”

“This way! I also want one ...”

“I’ll have one ...”

In just a few moments, all the first love peaches had been sold.

In other words, there were at least 600 nouveau riche-level existences gathered around.

Some of them had bought the first love peach for investment purposes. After buying it, they kept it and were prepared to sell it at a higher price in the future.

The other group of people were foodies and couldn’t wait to start tasting it. Some people cried like rain, some screamed and cheered, and some even knelt on the ground to taste it.

This exaggerated scene once again pushed the atmosphere to a new peak.

Around them, many people who could not buy the first love peach were now eager to try out Chen Xiaobei’s other stock.

“A pack of dejected ecstasy bars costs 20000! Ecstasy cigarettes cost 10000 a pack! 10,000 a bottle of Coca-Cola ...”

Chen Xiaobei took advantage of the high atmosphere and announced the prices of the various stocks.

Dejected ecstasy was spicy sticks, ecstasy was China, and happy beverages were Coke ...

There were also many other types of stocks.

This time, Chen Xiaobei’s price was not too high, so that more people could afford it.

No matter how many spiritual jades he bought, Chen Xiaobei would still make a profit.

A lower price would allow them to clear out the stock faster. Furthermore, more people would be able to afford it and enjoy the joy of Earth’s delicacies.

As expected! Many people could accept such an offer!

Soon, some people who were not rich but had a lot of money stood up and began to buy the food they liked.

The result was not surprising at all.

A series of exclamations erupted from the crowd.

“It’s so cool! This dejection note! It’s fragrant, spicy, and very chewy. I’ve never had such a feeling before! It’s so f \* cking satisfying!”

“The ecstasy smoke is the most special! With a single breath, one’s entire body could relax. It even felt like one was floating in the clouds! It’s simply unbelievable!”

“No! A fat otaku’s happy drink was the most, most, most, most satisfying! This black liquid contains a unique sweet smell. Countless bubbles burst in my mouth, and that stimulating taste simply makes my blood boil!”

It was obvious that the people of the great void universe had never come into contact with these things.

After trying it out, all sorts of adjectives appeared. They might not be accurate, and might even be particularly exaggerated.

However, this was indeed what they felt from the bottom of their hearts.

One word was so cool that it exploded!

“I want ten more packets of dejected ecstasy!”

“Give me 20 packets of ecstasy cigarettes, I’ll buy it even if I have to sell my entire pot!”

“Give me a hundred bottles of Coca-Cola! I want to put it in my restaurant to entertain the most distinguished guests!”

The lively atmosphere at the scene completely set off a crazy wave of purchases.

Some ordinary people bought in small amounts, while some wealthy people bought in bulk.

Some people wanted to enjoy the food themselves, while others wanted to make money with the food.

No matter the reason, everyone was going crazy over Chen Xiaobei’s food.

Some people really sold everything they had.

Of course, even though Chen Xiaobei was an unscrupulous merchant, he was not a black-hearted person.

“I want to remind everyone of something! Smoking is bad for your health! Don’t smoke too much every day! Also, you must never allow minors to smoke! Remember! Remember this!”

When it came to selling other things, Chen Xiaobei would be very straightforward. But when it came to selling cigarettes, Chen Xiaobei would always remind the other party.

Smoking is bad for your health!

Smoking is prohibited for minors!

.....

Time slowly passed.

The 600 tycoons and the sea of gluttons had completely emptied Chen Xiaobei’s inventory!

Finally, Chen Xiaobei did a quick check.

They had earned a total of 150 billion lower-class spiritual jade pieces from the food Festival!

That’s right!

One thousand five hundred! A hundred million!

Before this, Chen Xiaobei's wealth was less than 7.5 billion.

After this series of actions, his wealth directly soared by twenty times, which was simply awesome!

The main credit for this was Chen Xiaobei.

He had the foresight to have prepared this stock long ago.

Coupled with his clever commercial hype, coupled with the right price, he finally completed this textbook-like rush to buy!

Of course, other than Chen Xiaobei's contribution, the old man had also contributed to it.

If not for the old man's guidance, Chen Xiaobei would not have noticed the food Festival. If not for the old man's cooperation, Chen Xiaobei would have been mistaken as a scammer.

old Sir, you've done me a big favor again. I think we should sit down and have a good talk!

Chen Xiaobei extended a sincere invitation.

"Get the seventh orb first, then we'll talk!" The old man's eyes narrowed.

you have a way for me to break out of this situation!? Chen Xiaobei's spirits were lifted.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3585: Heaven-defying scheme**

3585 Heaven-defying scheme

"This isn't the place to talk, come with me!"

The old man said indifferently and walked forward.

Chen Xiaobei, song Qincheng, and six-eared macaque quickly followed.

As if he was extremely familiar with the environment, the old man quickly led the group away from the noisy crowd and to an ancient and hidden house.

"Please take a seat."

The old man led everyone into the living room and began to pour tea unhurriedly.

It was a very special type of green tea. After drinking it, the fragrance lingered in their mouths and refreshed their minds. It quickly calmed the three of them down.

old senior, before we get down to business, I'd like to return the two million inferior-grade spiritual jade pieces to you!

Chen Xiaobei knew very well that even blood Brothers had to settle their debts clearly.

This old man was here to help, and he couldn't let him lose another two million Yuan.

"No need."

However, the old man shook his head and said, "spiritual jades are of no use to me. You can keep them for yourself. They will come in handy in the future!

"How can we do that? You've helped me a lot, and I'm still letting you lose money. That's not fair!" Chen Xiaobei had always been proud, so how could he take advantage of his friends?

"My life is for you! It's just a little spiritual Jade, you don't have to take it to heart!" The old man's tone was calm, but his words were shocking.

w-what did you say?!

Chen Xiaobei, Song Qincheng, and six-eared macaque could not believe what they were hearing.

The old man composed himself and said very seriously, "I said, my life is for you, Shixiong Xiaobei! If you want it, just say the word and you can have it!"

"What ... What do you mean?" Song Qincheng and six-eared macaque were confused.

"What did you just call me? Shixiong Xiaobei?" Chen Xiaobei was stunned for a moment, but then he quickly reacted, "Don't tell me, you and my master ..."

"That's right!"

yes. the old man nodded and said, "I was in a great disaster back then. I was almost on my last breath. It was the prime of Tongtian who saved me from the gates of hell! It was also the prime of Tongtian's guidance that allowed me to break through the transcendent state and enter the ranks of golden Immortals!"

"The prime of Tongtian has given me a new life. I wanted to join the tribe of severity and repay this favor with my life! However, the prime of Tongtian only recognized me as an outer disciple and assigned me a task. If I can complete it, I can become an official disciple of the tribe of Jie!"

"And this mission is to help you complete the nine Star Pearl ritual and completely control the human Dao seal! That's why I've already found out where each orb is and how to get them. I've been waiting for you, Shixiong Xiaobei!"

"Shixiong Xiaobei could have easily obtained the orbs from before, so I didn't show up! I was worried that Shixiong Xiaobei would waste too much time when we reached the Imperial City, so I came out to guide Shixiong Xiaobei to find green deer cry!"

"And the combined strength of this Zhongheng Imperial City is more than a hundred times that of Greenwing Imperial City. Therefore, this old man has no choice but to appear again and guide you to the food Festival! First, we can earn a lot of money, and second, we can attract the attention of the royal family!"

The old man explained everything in great detail and gave the final conclusion, "as long as you can enter the Zhongheng Palace, you will have a chance to get the seventh orb!"

Chen Xiaobei praised, "I really didn't expect that when my master was traveling around the rift to the great void, he actually laid a hidden chess piece like you! This was the true foresight! It's a truly heaven-defying scheme!"

the prime of Tongtian is far-sighted and has already planned everything! The old man said, "not only in the great void universe, but in many other places!" However, they can't show themselves before the time is right!"

"Understood!" Chen Xiaobei nodded.

He admired and trusted sect master Tongtian very much! Since the time had not come yet, he would not pursue the matter!

"By the way, what should I call you?" Chen Xiaobei asked.

"Shixiong Xiaobei, you can just call me by my real name, An Hua!" The old man said respectfully.

Even though An Hua was older and had a higher cultivation level, he could only act like a junior in front of Chen Xiaobei.

After all, he was only an outer sect disciple.

Chen Xiaobei was the disciple of the prime of Tongtian! Even if An Hua had entered the inner sanctum, she was still a junior and had to address Chen Xiaobei as senior brother.

"An Hua ... This is too distant, and it's easy to arouse suspicion!" "I'll just call you elder Hua in front of outsiders!" Chen Xiaobei said. When we return to the Jie sect, we will follow the rules!"

"Yes! I'll follow senior brother's arrangements!" An Hua nodded, obediently following his orders.

Oh! Chen Xiaobei thought for a moment and asked, "Oh right, you said that you've broken through to transcendent state and reached golden immortal! What level was that? How are the levels of the heaven realm divided?"

An Hua composed herself and said, "the heavenly realm has a total of nine major realms!" True immortal! Mystic immortal! Golden immortal! A perfected golden immortal! A primordial chaos golden immortal! A zenith heaven golden immortal of origin! A chaos limitless gold immortal! Heavenly Lord of Chaos! Supreme Chaos!"

"True immortals and Mystic Immortals are commonly known as celestial Immortals! Golden Immortals and perfected golden Immortals were commonly known as God-tier! A primordial chaos golden immortal was a Sage-to-be! The zenith heaven golden immortal of origin is a Sage of the heavenly path!"

An Hua's eyes focused, and she sternly said, as for the last three levels, I've only heard the prime of Tongtian mention them once. Even he can't be 100% sure!

even my master can't be sure!? Chen Xiaobei was shocked.

"Yup ..."

"According to my speculations, primordial chaos limitless golden Immortals are existences on the level of Dao ancestors!" An Hua said. And heavenly venerate Primal Chaos might correspond to the heavenly Dao! The primal Chaos Supreme is equivalent to an existence above the heavenly Dao!"

how ... How is this possible?! Chen Xiaobei swallowed hard. His worldview was completely overturned!

Who dared to think about it?

There was actually a higher existence above the heavenly Dao!

What kind of terrifying thing would that be? Was it a form of consciousness? A supreme law? And an extremely powerful supreme ruler?

Chen Xiaobei's mind was filled with questions, and he was stunned.

Seeing this, An Hua hurriedly advised, "Shixiong Xiaobei, you don't have to worry about it! That's because the last three stages are just my own guesses! You can ask the prime of Tongtian about the details!"

Chen Xiaobei nodded. "I can't care that much now! He had to first think of a way to realize the nine stars aligned! Then, he would ascend to the heavenly realm and rescue fairy Chang 'E! Only by not leaving any regrets now can you go further in the future!"

"Bang! Bang! Bang! Bang!"

At this moment, there was a heavy knock on the wooden door of the old residence.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3586: impending war**

"Who is it? You actually found this place?"

Six-eared macaque was on high alert. He locked the door with his guard up.

"Don't panic, it's the imperial family!"

An Hua seemed to have already calculated everything. She calmly waved her hand, indicating that six-eared macaque should relax.

It was obvious that this was zhongheng Imperial City, and it would be extremely easy for the royal family to find a person.

Moreover, this was also a part of An Hua's plan.

He wanted the royal family to find Chen Xiaobei and bring him into the palace.

"What do I do now? Are we just going to follow them to the palace?"

Chen Xiaobei looked at An Hua. After all, he was unfamiliar with everything here.

"Right, just follow them!"

"Shixiong Xiaobei has something that Emperor zhongheng wants the most!" An Hua said. When the time comes, give him some and he will agree to let senior brother subdue the Pearl!"

"This is too simple! Qingcheng! Let's go!" Chen Xiaobei's eyes lit up and he stood up to leave.

"Senior brother, wait!"

An Hua quickly stopped Chen Xiaobei and said, " "When you go, put on a disguise for miss Qingcheng!"

“Why?” Chen Xiaobei asked.

“That’s because Emperor zhongheng is an extremely lecherous fellow,” An Hua explained. “If he sees miss Qingcheng’s appearance, you probably won’t be able to walk out of the Imperial Palace!”

“Understood!” Chen Xiaobei nodded and took out a human skin mask for song Qincheng to put on.

On top of that, song Qincheng’s body was too hot. Chen Xiaobei took out a black cloak and put it on song Qincheng, wrapping her up tightly. He was sure that zhongheng and Emperor Hao would not be interested in her at all.

“Old Hua, can’t you just go with bro bei?” “With your cultivation level, you can kill ten thousand emperors with a single slap!” Six-eared macaque said. Why should I be afraid of him?”

“Of course I’m not afraid of him, but I have to hurry to the location of the eighth orb!” “The situation there is constantly changing,” An Hua said. “If I’m late, the orb might be taken by someone else!”

“What!”

Everyone was shocked.

there are other people looking for the orb too?! Chen Xiaobei asked.

“Yup ...”

An Hua nodded and said, “Shixiong Xiaobei, you must not underestimate our enemies!” If the prime of Tongtian could plant a spy in the tear of the great void, so can our enemies!”

“You mean the chanism’s people?” Chen Xiaobei asked.

“Not just the clan of enlightenment!”

“The immeasurable cataclysm is approaching,” An Hua said. “Every great sage sect has its own plans! In this first killing tribulation of the heavenly Dao, suppressing the opponent is also a means of self-protection!”

“I understand!”

of course! Chen Xiaobei nodded and said, “any saint’s religion would try to suppress our tribe of Jie to protect themselves! And once the eighth orb is taken away, shizun’s plan will be completely destroyed!”

“In this way, it will be difficult for our tribe of severity to Rise Up! After the immeasurable cultivation tribulation, our Jie sect will not be able to pose a threat to the other Sage sects! On the contrary, we can only let them bully and crush us!”

Chen Xiaobei was very smart, and he immediately saw through the essence of the matter.

“That’s right!”

“Yes.” An Hua nodded and said, “thus, I must immediately rush over! I’ll leave the seventh orb to you, senior brother!”

“What’s the situation over there?” Chen Xiaobei was worried.

“The situation over there is very complicated!”

“To put it simply, the location of the eighth orb is a strange field of meteorites and nebulae,” An Hua said. “Many powers are searching for it there!”

ever since the prime of Tongtian took the crack of the great void by force, all forces have been searching for months. They have basically locked onto the last core area!

An Hua composed herself, her expression grave as she spoke like she was facing a great enemy, “If nothing unexpected happens, when the eighth orb is found, an ultimate battle will break out!”

“Could it be that there will be an enemy more powerful than you?” Chen Xiaobei’s face turned serious.

Golden immortal! It was commonly known as God-level!

If even An Hua was so nervous, one could easily imagine just how terrifying the enemy would be!

at present, there is no enemy stronger than me. But when the final battle breaks out, it’s hard to say! “There are extremely terrifying experts in the core region of the great void universe!” An Hua said. He might even reach the quasi-Sage level!”

this ... Chen Xiaobei broke out in cold sweat. aren’t we doomed if a quasi-Sage steps out? ”

“It’s unlikely!”

“Our greatest advantage is actually this miss Qingcheng!” An Hua said. She might be able to find the eighth orb first! That way, we’ll be able to retreat before the enemy’s strongest forces arrive!”

“What happens after we retreat?” “Where can I find the ninth orb?” Chen Xiaobei asked. Do you have a plan?”

An Hua helplessly shook her head. “No one knows where the ninth orb is ... I don’t have any plans at all.”

“Mm ...”

Chen Xiaobei did not dwell on it and said, “No matter! Now, what we need to do is to collect the first eight orbs! Otherwise, even if we find the ninth orb, it’ll be meaningless!”

“Senior brother is right!”

An Hua composed herself and said, “If Shixiong doesn’t have any other questions, then I’ll be taking my leave!” When the time comes, we’ll meet up in the meteorite field!”

“Alright!” Chen Xiaobei nodded.

With but a thought, An Hua transformed into a dazzling golden light and vanished from the scene.

He was so fast that even the six-eared macaque could not see him clearly.

“Bang Bang Bang ... Bang Bang Bang ...”

At the same time, the knocking on the door continued.

It was not hard to see that Emperor zhongheng was quite polite to Chen Xiaobei.

Otherwise, the people outside would have barged in long ago and would not have kept knocking on the door.

This was within An Hua's expectations. She knew that Emperor zhongheng would not make things difficult for Chen Xiaobei, so she left him alone to retrieve the seventh orb.

"Let's go and take a look!"

Chen Xiaobei walked out and opened the wooden door.

He saw a guy who looked like a eunuch outside, who was full of smiles as he said, " "This young master! His Majesty Emperor Hao has invited you!"

Behind the head eunuch, there was an extremely luxurious carriage and dozens of guards.

It seemed like Emperor zhongheng really wanted to meet Chen Xiaobei.

Of course, this was exactly what Chen Xiaobei wanted.

"Alright, I'm free anyway, so I'll just follow your orders!"

Chen Xiaobei smiled and led song Qincheng and six-eared macaque into the carriage.

The journey was smooth and light.

It did not take long for the carriage to enter the zhongheng Palace.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3587: I'll like both**

3587 I'll like both

The palace was extremely luxurious and heavily guarded.

All the elite soldiers along the way were at least three-star heaven Immortals, and the commanders were even five-star heaven Immortals. The commanders who were of higher ranks were even more powerful.

Even the chief eunuch who had been smiling the whole time was also a great expert. He actually had the strength of a seven-star heaven immortal.

And these people were far from the highest combat power in the palace.

It was not an exaggeration to say that if it were not for Emperor zhongheng's invitation, Chen Xiaobei and his group would not have been able to enter the palace, much less take the seventh orb.

Luckily, under An Hua's guidance, Chen Xiaobei managed to set off a frenzy of buyers. He had successfully attracted the attention of the royal family.

According to An Hua's plan, as long as he could see Emperor zhongheng, Chen Xiaobei would have a way to get him to hand over the seventh orb.

"Please wait a moment, this old servant will go in and report!"

The head eunuch bowed and then hurriedly ran into a large hall.

This Hall looked like a place where the king and his ministers discussed matters. It was very solemn.

Suddenly, Chen Xiaobei and the others heard a woman's muffled voice coming from the hall.

this Emperor zhongheng is really something ... To think that he's doing it in a place like this ... six-eared macaque smirked.

In the next second, song Qincheng asked in confusion, " why did the sound stop?!

"Pfft ..."

Chen Xiaobei laughed out loud, "this guy is a three-second man ..."

"Pfft ..."

Song Qincheng and six-eared macaque burst out laughing.

The great zhongheng Hao Emperor! His strength was terrifying! Great power! To control a powerful empire!

But in the end, it was actually a man who was fast in three seconds?

This was simply too ironic!

"I seem to have suddenly understood something!"

Oh? " Chen Xiaobei's eyes lit up. I remember An Hua saying that zhongheng Emperor Hao is a perverted guy!

"I understand instantly!"

Song Qincheng and six-eared macaque immediately understood what Chen Xiaobei meant, and their confidence was boosted!

One could only say that An Hua's plan was on point, and Chen Xiaobei had the trump card to break the stalemate!

"The three of you! His Majesty Emperor Hao has invited you!"

The head eunuch quickly walked out and said with a face full of smiles.

He was really fast!

Chen Xiaobei and the other two held back their laughter as they walked toward the main hall.

"The three of you, please take a seat!"

Zhongheng and Emperor Hao were a thin middle-aged man. His expression was somewhat dark and his eyes did not have any life in them.

Anyone with eyes could tell at a glance that this guy was seriously overindulgent.

After all, he was extremely lecherous. After three seconds of “hehehe,” he could probably do it dozens of times in a day.

Just thinking about it made one’s scalp numb.

It was already a miracle that he was still alive.

“Many thanks, Your Majesty!”

Chen Xiaobei and the other two remained polite and sat down on the three chairs that had been prepared.

this must be Childe Zhufeng, who caused a sensation at the food Festival, right? ”

Emperor zhongheng’s eyes fell on Chen Xiaobei, his eyes filled with interest.

you’re too kind, Your Majesty. I’m just making a small amount of money. It’s not a big deal.

Chen Xiaobei was very humble, but at the same time, he was also on guard.

After all, the last time he sold the first love peach, three ape Kings wanted to Rob Chen Xiaobei.

Now that Chen Xiaobei had earned an even greater fortune, he had to be careful of being targeted by others!

“Childe Zhufeng, you don’t have to hide it! I’m not interested in wealth at all!”

The zhongheng Emperor grinned and said, “Perhaps Childe Zhufeng has already heard that I only love beautiful women in my life! For a smile from a beauty, this Emperor is willing to give up all my wealth and even the throne!”

er ... Chen Xiaobei was stunned. “Your Majesty is still a man of character!”

What Bullsh \* t temperamental man! He was clearly a super fatuous ruler!

Song Qincheng snorted in disdain.

According to her character as the prosperous great Empress, she looked down from the bottom of her heart on emperors like henghao Emperor, who played around and lost their will.

Zhongheng and Emperor Hao laughed excitedly. hahaha! Childe Zhufeng, since you know that I’m a man of many people, you should be able to guess why I invited you here, right? ”

hmm, if I’m not wrong, Your Majesty wants something that can get you a beauty! Chen Xiaobei said.

“Smart!”

of course! vast Emperor zhongheng grinned and said, “ I’ve heard that Childe Chen has brought many strange and unprecedented delicacies! I also want to buy some to reward the concubines in the palace!”

“I’m sorry, all the good food has been sold out ...”

“But I do have something that is better than all other delicacies!” Chen Xiaobei said. And I can guarantee that as long as it’s a normal woman, I will like it!”

“What is this thing? Is it really that powerful?”

When zhongheng and Emperor Hao heard this, their eyes lit up. They even stood up from their Dragon Throne and quickly walked up to Chen Xiaobei, looking at him expectantly.

“Childe Chen! This Emperor won’t hide it from you!”

“All kinds of gold and jade artifacts, exotic flowers and rare herbs, heavenly materials and earthly treasures, rare birds and beasts ... As long as you can think of it, I can gift it to you, beauty!”

however, after I rewarded them more, I realized that no matter how valuable the treasures were, it was difficult to arouse the interest of those women!

“I’m very distressed about this! I can’t even sleep all night!”

“If Childe Zhufeng really has a treasure that all women like, then I’ll give it to you!” I’m willing to buy it no matter how expensive it is! I can even trade the zhongheng Empire for it!”

“I’m not interested in the zhongheng Empire!” “What I want is a Nine Star celestial tier orb in the palace!”

“What?” Zhongheng and vast Emperor were stunned for a moment before he asked in surprise, “ Childe Zhufeng, are you talking about the cursed Pearl that will attract heavenly punishment? ”

“Heavenly punishment? ! curse!” Chen Xiaobei was surprised.

that’s right ... zhongheng and Emperor Hao said in a deep voice, “ anyone who gets close to the bead will not have a good end. They will be struck by lightning, or the priests will be killed, or something else ... In short, they will all die in the end!

“Right! This is what I want!”

yes, Your Majesty! Chen Xiaobei said confidently. as long as Your Majesty can give me this Pearl, I can give your Majesty something that any normal woman would like!

Emperor zhongheng was a little worried and said in a deep voice, I can give you the bead, but don’t blame me for not warning you if anything happens to you, Childe Chen!

“Don’t worry! I’ll be responsible for all the consequences!”

it’s settled then! Chen Xiaobei said. bring me to the orb first, and then I’ll give you the mysterious treasure!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3588: ambitious**

“Deal!”

Zhongheng and Emperor Hao were truly a person who would do anything for a woman.

He agreed to Chen Xiaobei's request without any hesitation.

Soon after.

Under Emperor zhongheng's lead, Chen Xiaobei and the other two went to a sealed forbidden area in the deepest part of the palace.

Zhongheng and vast Emperor immediately removed the seal and hid far away, not daring to come close at all.

Chen Xiaobei and the other two were not afraid at all, and they walked straight into the forbidden area.

First, Chen Xiaobei used the space prison to cover the orb so that it could not hurt anyone.

Then, song Qincheng stepped out and communicated with the Pearl using the laws of the human Emperor. After obtaining its approval, she took it.

The entire process was very smooth, without any accidents.

"Xiaobei, keep this well!"

Song Qincheng passed the Pearl to Chen Xiaobei and said, " this Pearl contains a mark of the mortal world's merit law!

merit law?!

Chen Xiaobei took the orb and saw the words 'Yu Shun' on it.

After thinking about it carefully, he immediately understood."Anyone who gets close to this Pearl will have their merit sucked away! When one's merit points dropped to a negative number, one would become an evil person, a devil, a Demon King! They would be punished by the heavens! This is also the heavenly punishment that Emperor Hao spoke of!"

The so-called heavenly punishment was the punishment that the heavenly Dao gave to evil and good to those who were evil.

The amount of merit was the ultimate standard by which the heavenly Dao measured whether a person was good or evil, the highest law!

In fact, this was unreasonable!

Just like those who died under the divine punishment after their merits were drained by Yu Shun's Pearl!

They might not be evil by nature, and might even be good people! But they were dead! He died under the heavenly punishment!

Besides, people like the Jade Emperor, who had done all kinds of evil things, not only did they not have to die, but they could also sit on the throne of the heavenly court because of their deep merit!

From this, it could be seen that the original intention of the heavenly Dao to punish evil and promote good was good. However, it was obviously unfair and irresponsible to judge the good and evil of people only by the amount of merit!

Obviously, it was impossible for the heavenly Dao to not understand such an obvious problem. However, the heavenly Dao still set such a law!

There must be the heavenly Dao's own selfishness!

And this selfishness was destined to have an evil side to the heavenly Dao!

It was also because of this that sect master Tongtian and mother Nuwa had the intention to go against the Dao!

Of course, Chen Xiaobei could only think about it. He could not do anything about it.

There was no point in thinking too much!

Chen Xiaobei gathered his thoughts and focused on what was happening!

Chen Xiaobei kept the seventh orb and the three of them left the forbidden area.

Your Majesty, I've already subdued the orb. According to our agreement, I'll give you the gift you want the most!

Chen Xiaobei walked towards Emperor zhongheng with a smile on his face.

At the same time, Chen Xiaobei took out a hundred small bottles from his infinite space ring.

"What ... What are these things?"

Zhongheng and vast Emperor's face was filled with doubt. He looked left and right, up and down, but could not see what was so special about these small bottles.

"Childe Chen! You're not trying to fool me, right?"

Emperor zhongheng's brows furrowed tightly and his tone turned cold. "My concubines have long been used to all kinds of rare treasures. How could they like such an ordinary little bottle?"

"Of course this is no ordinary bottle!"

"This bottle contains the Supreme Dragon penis wine that I personally brewed!" Her Majesty only needs to drink a small bottle! "Hehe" could last for at least half an hour! It can also promote the second development and perfectly solve a series of problems such as short and soft!"

"What!" Zhongheng and the vast Emperor's expression froze for a moment before his face instantly turned red.

"Your Majesty, you don't have to be embarrassed! As long as it can be cured, it won't be a problem!"

hehe! Chen Xiaobei grinned. your concubines are used to seeing all kinds of treasures, but they can't even enjoy the pleasure of having fun! As long as you drink the Supreme Dragon dick moonshine, I promise you will make them all kneel down and sing your surrender! I'm sure they'll love you to death!"

"Good! I'll give it a try!"

Emperor zhongheng couldn't care less about losing face. He picked up a small bottle, opened the lid, and drank the hundred fruits Dragon dick wine in one gulp.

Chen Xiaobei had taken the hundred fruits Dragon dick moonshine out from the large wine jar. It was thicker than the one sold in the earth-god Realm! Purer! The effect was even more intense!

“Oh ...”

Very quickly, Emperor zhongheng’s eyes suddenly opened wide. Not only did his face turn red, even his neck and ears were completely red.

“Strength! Power! I feel full of energy!”

Zhongheng and vast Emperor cheered with incomparable excitement. “This is the power of desolation! This is the power of desolation that I desire the most! It was too magical! Childe Chen! You are simply a God! I love you to death!”

“Uh ... Don’t love me, go and love your concubine!” alright! Chen Xiaobei shrugged and said, “ keep these 100 bottles of wine well. Just drink one bottle every few days! If you drink too much, I’m afraid your body won’t be able to take it!”

“I know! Thank you, Childe Chen!” Zhongheng and vast Emperor felt as if his entire body was on fire. He said impatiently, “This Emperor can’t take it anymore! Childe Chen, you guys can do as you please! Do as you please ...”

Before he finished speaking, Emperor zhongheng swept up all the hundred fruits Dragon dick moonshine and rushed towards the back Palace.

“Let’s go! Go find An Hua and meet up!”

Chen Xiaobei left without hesitation.

A few minutes later.

The three of them had already left.

A group of people quickly gathered in the palace.

“Your Highness! You can’t go!”

The head eunuch nervously advised, “ “His Majesty has treated Childe Chen as an important guest! He could even be seen as a benefactor! If you do anything to Childe Chen, His Majesty will be furious, and he might even strip you of your position as the Crown Prince!”

The crown prince’s name was Zhong Qianfeng!

Compared to the unambitious Emperor zhongheng, Zhong Qianfeng had a huge ambition! At the same time, there was also an extremely cold Wolf’s nature!

Friendship and morality were not worth mentioning at all to Zhong Qian peak!

In his heart, there was only one word-profit!

“That kid has hundreds of billions of lower spiritual Jade on him, which is three times the wealth of our National Treasury! With this wealth, our zhongheng Empire will become even stronger! This Prince will definitely not let go of this opportunity!”

Zhong Qianfeng narrowed his eyes and sneered, "as for my father, if I can present him with an unparalleled beauty, I'm sure he'll forgive all my mistakes! He might even abdicate the throne to me!"

this ... the head eunuch said in embarrassment, "How can you find such a peerless beauty so easily? Your Highness, please reconsider!"

"That woman in the cloak!" Zhong Qianfeng sneered, "everyone saw it at the food Festival!" Her face, figure, and temperament were all top-notch! I don't need to think twice! We can kill three birds with one stone!"

### Red Envelope Group of the Three Realms

#### **Chapter 3589: -super trump card**

The great void universe was extremely huge.

With the six-eared macaque's speed, it would take a long time to get to the meteorite field. It would take three days and three nights.

Furthermore, the meteorite field was already in the inner layer of the great void universe. The closer one was to that area, the worse and more complicated the surrounding environment would be. It was even filled with danger.

Along the way, Chen Xiaobei and the other two had encountered a series of obstacles such as cosmic thunderstorms, spatial distortions, strange demonic beasts, and so on.

Luckily, Chen Xiaobei's luck was off the charts, and he was able to overcome all the obstacles.

"If only I had the chaos Blood Sword!"

that's great! Chen Xiaobei could not help but sigh. I just killed a few of the demonic beasts that I encountered just now and I can continue to increase my physical strength!

"If only I could be stronger! Then, I can help bro bei catch the demonic beasts!" Six-eared macaque was a little disappointed.

by the way, Liu er, how many spiritual jades do you need to transform into old man An Hua? " Song Qincheng was quick-witted and asked curiously.

Chen Xiaobei was excited to hear that.

He had just earned 150 billion lower spiritual jades, which was just enough to make Liu er's strength soar!

"You're all thinking too much ..."

Liu er shook his head with a bitter smile and said, "When I reach the celestial immortal stage, the energy consumption of my transformation will increase tenfold for every major realm I advance! Old Hua has already reached the divine level, so the energy required to transform at this major level will be a hundred times more!"

this ... Chen Xiaobei was speechless.

The six-eared macaque's transformation into a five-star heaven immortal level void Earth Dragon King had cost him nine billion lower spiritual jade pieces.

90 billion for six-star, 900 billion for seven-star, and 9 trillion for eight-star! Nine stars and ninety trillion!

To transform into a gold immortal would require nine quadrillion pieces of lower-grade spirit Jade!

Chen Xiaobei's current wealth was not even a fraction of Liu er's. He could only transform Liu er into a six-star celestial being at most, let alone a golden immortal.

Of course, if there was a chance, Chen Xiaobei would be more than happy to turn Liu er into a six-star celestial being.

This way, six-eared macaque would have the ability to capture five or six-star heaven immortal demonic beasts, allowing Chen Xiaobei's physical strength to break through two major realms.

To Chen Xiaobei, this was a very important upgrade!

Just imagine, after Chen Xiaobei ascended to heaven, he would be surrounded by one-star divine Immortals. With his six-star divine immortal physique, he would be invincible and could do whatever he wanted. Just thinking about it was enough to make him feel good!

"Boom boom boom ..."

At this moment, a terrifying explosion occurred far behind the three of them.

what's going on?!

The three of them were shocked and turned around.

From the distance, extremely bright spiritual light bloomed from tens of thousands of miles behind.

Then, a terrifying impact force exploded in all directions, which contained extremely strong celestial core power and had incredible destructive power.

"A seven-star heaven immortal!"

Six-eared macaque swallowed and said, " the power of this strike has reached the level of a seven-star heaven immortal, and it can easily destroy a large planet!

it might be a seven-star celestial being. song Qincheng thought for a while and said, " he might have encountered the demonic beasts we had dodged earlier, so he killed them!

"Ominous sign! A great ominous sign!"

Chen Xiaobei stared at the explosion of celestial core power and spiritual light in the distance. He could vaguely see a dark shadow!

There was a wisp of Yan Lingshi's Natal purple Qi in Chen Xiaobei's body.

Although it could not predict good or bad luck like the primordial violet Qi, it could still provide Chen Xiaobei with some useful guidance in some special situations.

“Ominous sign? Are you saying that the seven-star celestial immortal might be our enemy?” Song Qincheng immediately became alert.

“Let’s go!”

Chen Xiaobei then brought song Qincheng and six-eared macaque into the Meru space.

In this vast universe, it was almost impossible for the enemy to find a dimensional space that was smaller than dust.

After entering the medium, the three of them were relatively safe.

“It’s definitely an enemy!”

“The demonic beast we just encountered was only a six-star celestial immortal!” A seven-star heaven immortal can easily escape with his speed. Why would he need to kill that demonic beast?”

Song Qincheng thought for a while and said, “the reason why that seven-star celestial immortal wants to take action is that he might have many subordinates with him!” Only by killing that demonic beast will the large group of people be able to move unhindered!”

“I understand!”

“There’s only one heavy Planet in this vast area,” six-eared macaque said. The large group of people that had suddenly appeared must have come from a Heavy Planet! And it’s coming straight for us! They must be up to no good!”

“Didn’t old Hua say that zhongheng and Emperor Hao would not make things difficult for us? Why are there still pursuers?” Song Qincheng was confused.

“Even a wise man would make a mistake!”

“An Hua may have killed Emperor zhongheng, but she might not have killed everyone on this planet!” The pursuers should be the hands of others!”

“That makes sense ...”

yes! song Qincheng nodded. after all, our operation today was too high-profile. It’s not surprising that we’re being watched!

“What do we do now?”

Six-eared macaque frowned and started to worry. “The enemy’s commander is a seven-star heaven immortal, and he has brought a large group of men and horses with him. We’re definitely not their match! Don’t tell me that we’ll have to hide here forever?”

Song Qincheng sighed helplessly, “it seems like we can only hide now!” If we go out rashly, we’ll definitely be sending sheep into the Tiger’s mouth!”

“But bro bei is in a hurry! If we keep hiding, bro bei’s future plans might be ruined!”

Six-eared macaque was very anxious, 'first of all, goddess Chang'e can wait for another fifteen days at most! Secondly, old Hua's eighth orb could be found at any time! Once it falls into the hands of some super powerful being, we'll never be able to get it back!"

I know that ... song Qincheng's brows were locked together, her face was pale as she said helplessly, "Although we need to race against time, what's the point of those plans if we lose our lives?"

"You two, stop fighting!"

Suddenly, Chen Xiaobei raised his eyebrows and said calmly, "We have to endure it now! However, forbearance was not a complete hiding! Give me some time, I'll be able to break out of this situation soon!"

"Break the trap? This ... How is this possible!" Song Qincheng and six-eared macaque were both shocked. "The enemy is a seven-star heaven immortal! If I don't defeat him, I won't be able to break out of this situation!"

"I forgot to tell you guys, I have a super trump card in my hand!" Chen Xiaobei grinned and took out the verdant Emperor's divine gourd. He said confidently, "not to mention a seven-star heaven immortal, even if it's a deity-tier golden immortal, I'd dare to fight them head-on!"

### Red Envelope Group of the Three Realms

#### **Chapter 3590: massacre activated**

"What!"

Song Qincheng and six-eared macaque were stunned. They could not believe their ears.

They only knew that Chen Xiaobei's physical strength had increased to the level of a four-star sky immortal, but they could not imagine what kind of trump card Chen Xiaobei had that gave him the confidence to fight a seven-star sky immortal!

This was simply unbelievable!

"Follow me!"

Chen Xiaobei willed the three of them to enter the verdant Emperor's divine gourd.

"Woof! Buzzzzzz! Buzzzzzz! Buzzzzzz! Whoosh!"

Chen Xiaobei took out five divine items without hesitation!

The Vajra demon-subduing pestle, the divine wood small sword, the primordial demonic fire, the five elements divine monument, and the water element Dragon Pearl that he had just obtained not long ago!

this ... This is the five elements spirit base!?

Song Qincheng and six-eared macaque cried out in surprise at the same time.

They all knew that Chen Xiaobei's most powerful killing move was not the chaos Blood Sword nor the Dragon's edge, but the five elements Dao that could infinitely strengthen his power!

According to the mysterious cycle of the five elements, the great Dao of the five elements could turn an extremely weak power into an infinitely powerful power through countless cycles of the five elements!

Of course!

The prerequisite was that he had to have a Spirit Foundation of five elements that could support the power cycle!

As long as the spirit base didn't collapse, the power could be continuously circulated and strengthened. In theory, there was no upper limit!

The five elements spirit base in front of him had all reached the one star divine level.

In other words, if Chen Xiaobei wanted to, he could use the five elements Dao to unleash the power of a golden immortal.

That was why Chen Xiaobei was not afraid of the pursuers.

Chen Xiaobei only needed a little time to solve the problem perfectly.

"Liu er, you do it! This can save time and at the same time, we can cut the weeds and eliminate the roots!"

Chen Xiaobei said.

If Chen Xiaobei were to start the cycle with his eight-star earth-god Power, he would have to do it a lot of times, and it would waste a lot of time.

With the six-eared macaque's five-star heaven immortal power, the number of cycles would be greatly reduced, saving a lot of time.

Of course, the most important thing was that the six-eared macaque had activated his celestial core power, which could destroy a primordial spirit!

This time, Chen Xiaobei was not going to show any mercy!

He didn't make a move! Once he made a move, he would definitely cut the weeds and eliminate the roots!

"Whoosh ..."

The six-eared macaque released a burst of celestial core power.

Like a stream of water, it flowed towards Chen Xiaobei.

Chen Xiaobei immediately activated the Dao of the five elements, and the celestial core power began to circulate according to the order of the five elements.

Every time they resonated, their power would increase a little. Every time they completed a complete cycle of the five elements, their power would increase significantly.

Just like that, round after round, he continued to increase his strength.

After a period of time, the six-eared macaque's five-star heaven immortal power would be raised to a level where it could crush its enemies.

Of course, Chen Xiaobei did not want to waste any time. He specifically asked for her help with the verdant Emperor divine gourd.

Xiao Yatou took out the divine sunlight cache and completed Chen Xiaobei's request in the blink of an eye.

"Alright, I'm done!"

Chen Xiaobei sensed the energy fluctuations in the five elements spiritual base and smiled confidently. this power has already reached the level of an eight-star heaven immortal. It's enough to kill those enemies!

Song Qincheng and six-eared macaque smiled in relief. They no longer had to worry about Chen Xiaobei.

.....

He returned to the real world.

The enemy's Army had already arrived.

Zhong Qianfeng, the Crown Prince of zhongheng, was flying at the very front. He wore a dark green armor and held a Luminant gold battle axe in his hand. He looked majestic and domineering!

Behind him were over 10000 heavy-armored soldiers!

These soldiers were the most elite soldiers, and they were all three-star heaven Immortals! They all lined up in a battle formation! His aura was extraordinary, and his battle intent was bursting!

Without a doubt, this was an extremely powerful force! It was enough to sweep away all the planets in a Galaxy!

It was not an overstatement to say that if Chen Xiaobei did not sense the danger in advance, he would not even have the time to hide in the Meru space when the force arrived. He would have died instantly!

Of course! That was only an 'if'!

Chen Xiaobei had already prepared his trump card. It was as if he was holding a butcher's knife, ready to kill the enemy in front of him at any time!

Whether they lived or died, it all depended on the enemy's own performance.

"Eh? You guys still dare to come out?"

Zhong Qianfeng's eyes narrowed, and he couldn't help but sneer, "I've already guessed that you might have hidden in the Meru space! I was still having a headache over how to find you! But you actually came out to die! He's really stupid!"

"Die? You mean you want to kill all of us?" Chen Xiaobei's face was calm, but his dark eyes were filled with killing intent.

“Ha, do you even need to ask?”

Zhong Qianfeng was extremely confident. He raised his chin and said with contempt, “As the saying goes, an ordinary man is innocent, but he is guilty of possessing a Jade! Although this Prince has no enmity with you! However, you have more than 150 billion lower-grade spiritual jades in your hands! This Prince can’t help but be tempted!”

“As expected, another one is here for money!” Chen Xiaobei clenched the verdant Emperor’s divine gourd tightly.

“Ha, this Prince is not only doing this for the money!”

Zhong Qianfeng looked at song Qincheng with a lecherous smile, his eyes looking extremely perverted, “Other than money, I’m also going to capture this little girl and offer her to my father! Maybe he’ll be happy and give the throne to me!”

Money! Women! The throne!

He wanted all of the Zhong-Qian-peaks, his ambition was really big!

Of course, his ability and his Wolf-like nature were worthy of this ambition!

If his target had been someone else today, the chances of success would have been extremely high!

But unfortunately! His target was Chen Xiaobei!

“I have a habit of killing everyone who wants to kill me!”

Chen Xiaobei’s eyes darkened and he said coldly, “And you, not only want to kill me, you also want to touch my woman! This will definitely cause you to die a terrible death! It’s very tragic ...”

“Ha, what are you pretending for?”

Zhong Qianfeng laughed disdainfully, “two useless earth Immortals and a five star heaven immortal? they’re not even enough to fill the gaps between my teeth! You actually want to kill this Prince? He was really stupid! Hahaha ...”

As soon as he said that, the tens of thousands of soldiers around him all laughed.

These people did not sympathize with Chen Xiaobei at all. Instead, they were all gloating and laughing. Some of them even wanted to kill Chen Xiaobei with their own hands to get the credit.

Without a doubt, these people all deserved to die!

“The five elements are born from each other! All techniques were connected! One thought of the origin! Heaven and earth return to one!”

Chen Xiaobei did not want to waste any more time. He released the five elements spiritual base from the verdant Emperor’s divine gourd.

The massacre had officially begun!
