Chapter 3611: Unique and unmatched

3611 Unique and unmatched

If Chen Xiaobei wanted to sell something, he could only scam outsiders.

He opened two private chat windows at the same time. One was to contact Mo Luo Wutian, and the other was to contact ju liusun.

Since Yuan Tiangang had already ascended and was no longer in charge of the earth-god Realm, Chen Xiaobei contacted ju liusun.

First, it was mo Luo Wutian's side.

Chen Xiaobei: " I have an Ascension elixir for sale. Are you interested? "

[mo Luo Wutian: what took you so long to reply?] Are you possessed? Did he subdue the human path imprint? (Can't wait)

In fact, it had not been that long since Chen Xiaobei had tamed the humanity mark.

So, mo Luo Wutian was still waiting for Chen Xiaobei's message.

Chen Xiaobei: " I don't know if I'm demonized or not. I only know that the world-ending sacred marrow is really unpalatable! I almost died from the pain!

Mo Luo Wu Tian thought,"this ... Just you wait!" I'll know once I calculate it!

Chen Xiaobei: (Hehe)

"How ... How is this possible?!" Why can't I predict your situation at all?

Chen Xiaobei: I have already subdued the human path imprint!

"What?!" Without my guidance, how could you have succeeded! That was impossible! This was absolutely impossible!

Chen Xiaobei: "who said that I need your guidance to succeed?" The human Dao and the devil Dao are two completely different existences, so how can our tests be the same?

Mo Luo Wu Tian, this ...(Speechless)

Chen Xiaobei thought,'but then again, I really have to thank you for the world-ending sacred marrow!' If you did not force me to join the devil, the test of the human path seal would not have started so quickly! I wouldn't have been able to pass so easily!

"What?!" So you're saying that the world-extinguishing sacred marrow helped you activate the test of the human Dao seal?

Chen Xiaobei: No matter how you calculated, you would never have thought that the test of the people Dao mark was a tribulation of the fallen devil!

If I can't survive this, I'll either become a demon or die! After passing this tribulation, I will be able to obtain the recognition of the human path imprint! So, I have to thank you!

"This ... This ... This ..."

As the saying goes, a pure heart is better than all schemes!

Through the hidden chess piece, Mo Luo Wu Tian had already known everything. He had planned everything and was waiting for Chen Xiaobei to become a demon.

However, he did not expect Chen Xiaobei's Taoist heart to be so persistent.

He could actually sacrifice his life to become a demon!

And this action was in line with the great mercy of the human Dao imprint! Great justice!

By chance, it was really Mo Luo Wutian's scheme that had helped Chen Xiaobei a lot.

As for Mo Luo Wutian himself, he was too smart for his own good. Not only did he fail to plot against Chen Xiaobei, but he also lost a drop of the most precious world-ending sacred marrow. What a loss!

Chen Xiaobei: "you've helped me. You're the first person I'll think of when I have good things. How's that?" Should he buy the Ascension elixir? If you don't want it, I'll go find someone else!

"Wait!" Mo Luo Wutian thought. How much do you plan to sell it for?

Chen Xiaobei: "I don't know about prices. Same old rules. You name a price first. I'll ask the others. Whoever offers the highest price will get it!"

Mo Luo Wutian, you profiteer! And you said you have good things to think of me! This is clearly treating me like a fat sheep to be slaughtered!

Chen Xiaobei: "what are you saying? if you think the price is too high, you don't have to buy it. I'm not forcing you!"

"Mo Luo Wu Tian: alright!" I don't want to argue with you! Five billion lower spiritual jade pieces!

Chen Xiaobei:

.....

He was afraid of his grandson.

Chen Xiaobei: "now, we're auctioning one Ascension elixir. The starting price is five billion low-grade spiritual Jade. Every bid must be higher than one billion!"

Ju liusun: "what's going on?" You're even going to sell the immortal Ascension pill? Are you crazy poor?

Chen Xiaobei: "either increase the price or give up. Stop talking nonsense!"

Ju liusun-I offer six billion low-grade spiritual jade pieces!

Chen Xiaobei:

.....

On the side of mo Luo Wu Tian.

[Chen Xiaobei: your opponent has bid six billion low-grade spiritual jade pieces.]

Mo Luo Wu Tian thought, "damn it!" Who was that guy? Can't you just stop fighting with me?

Chen Xiaobei: "to tell you the truth, he's the guy who competed with you for the blood Bodhi last time. He's very rich. He'll never give up until you raise the price to the highest!

Mo Luo Wutian, "what?" It's that guy again! (Depressed) he was the one who stirred up the situation last time and raised the price of the blood Bodhi!

Chen Xiaobei: "come on! Stop dilly-dallying! Just state your highest price!

Mo Luo Wutian, 100 billion lower spiritual jade pieces! This is my limit. If he offers a higher price, you don't need to ask me!

"What? 100 billion? Pfft ... Hahahaha ..."

Chen Xiaobei laughed out loud when he saw the screen. "The starting price is 5 billion, and now it's directly soared to 100 billion, this is simply awesome! Hahaha ..."

100 billion low-grade spiritual Jade was beyond Chen Xiaobei's expectations.

But thinking about it carefully, this was not strange at all.

Only Dao ancestors could concoct the Ascension elixir, and only a renhuang of nine lives could take out an Ascension elixir.

Therefore, it was no exaggeration to say that at this point in time, the only Ascension immortal pill that could be bought in the entire three realms was this one and only one!

The rarer something was, the more precious it would be!

If he missed this ascension elixir, he would never be able to buy a second one!

Therefore, mo Luo Wutian was determined to buy it. Moreover, in his opinion, his opponent would definitely fight for it to the end.

Therefore, mo Luo Wutian did not hesitate. He raised the price to 100 billion.

.....

He was afraid of his grandson.

Chen Xiaobei: "your opponent has bid 100 billion low-grade spiritual Jade. Do you still want to raise the bid?"

Ju liusun thought, "wait for me to ask!"

Chen Xiaobei: Are you kidding me? 100 billion lower-grade spiritual jades, just 1000 middle-grade spiritual jades. As one of the 12 golden Immortals of the clan of enlightenment, can't you make the decision?

Ju liusun: " I just want to ask, who's competing with me? " It wasn't that he couldn't afford it!

Chen Xiaobei: " Hmph! If even you can't figure out his identity, who else can you ask? " The original heavenly Lord?

Ju liusun: " you don't have to care who I ask.

Chen Xiaobei was testing ju liusun to see if he could find out the identity of the mysterious monster leader.

After all, neither Mother Nature Wu Dang nor Yuan Tiangang knew the true identity of the Big Shot of the monster race.

Chen Xiaobei could only rely on himself to investigate.

However, ju liusun kept his mouth shut and did not reveal any clues.

A moment later, his phone rang again.

Ju liusun: " I've asked around. We're not fighting for this ascension immortal pill!

Chen Xiaobei,"do you know who he is?"

Ju liusun: no comment!

After that, ju liusun exited the private chat.

Chen Xiaobei had no choice but to go back to mo Luo Wutian.

Chen Xiaobei: The other party had given up! This immortal Ascension pill ...

Mo Luo Wu Tian: " yes, I'll pay. You'll deliver the goods!

[Red Envelope Group of the Three Realms](#)

Chapter 3612: tribulation together

Ding! Congratulations! You have snatched a red envelope from mo Luo Wutian. You have received 1000 middle-grade spiritual jades. It has been stored in your treasure chest!

[ding!!! You have stuffed the Ascension elixir into the red envelope and sent it to mo Luo Wu Tian!]

Chen Xiaobei,"why are you paying me with middle-grade spiritual Jade this time?"

Mo Luo Wu Tian: " you've already obtained the human Dao imprint. I'm sure you'll be heading to the heaven realm soon. Prepare some middle-grade spiritual Jade. There's nothing bad about it!

Obviously, at mo Luo Wutian's level, not only were middle-grade spiritual jades nothing, but there might also be a lot of upper-grade spiritual jades.

However, ju liusun's sudden withdrawal from the bidding had forced Chen Xiaobei to accept mo Luo Wutian's price.

With that, Chen Xiaobei's wealth had reached more than 258 billion low-grade spiritual Jade.

At present, this was an astronomical figure, but when they reached the heaven realm, this money might not be much.

If he wanted to activate the chaos Blood sword's nine-star heaven-immortal level power, he would need to burn 100 billion low-grade spiritual Jade. Chen Xiaobei's wealth was only enough for two uses.

So, even in heaven, Chen Xiaobei still needed to earn as much money as possible.

If he wanted to continue making money, he had to leave a way out.

Chen Xiaobei: " by the way, what magical equipment did you use to contact me? "

"Communication jade talisman? what's wrong?"

Chen Xiaobei:

Chen Xiaobei then exited the private chat.

Then, he activated the merits record and exchanged for a heaven realm communication jade talisman.

[ding! Merit points reward, exchange successful. 10 billion points deducted!]

[your current merit points are 20004845000000 (charm: 2000,4.845 billion, luck: 2000,4.84 billion)!

Extract!

Chen Xiaobei took out the communication jade talisman.

This was a one-star heaven immortal item with a support function, so it would cost ten billion merit points.

The spiritual communication was successful.

Chen Xiaobei connected the Jade talisman to the Three Realms intranet hotspot.

Then, the Jade talisman could sense Chen Xiaobei's phone. Under Chen Xiaobei's control, the Jade talisman could receive messages from the Three Realms red envelope group.

This way, Chen Xiaobei could use the Three Realms red envelope group's function as usual.

The purpose of this was to free Chen Xiaobei's phone.

Chen Xiaobei went to see song Qincheng and gave her his phone and the three Realms intranet hotspot.

This way, Chen Xiaobei and song Qincheng could exchange red packets through the Three Realms intranet.

Chen Xiaobei had good resources that he could send to the earth-god Realm to help the people of bei Xuan raise their cultivation.

When Chen Xiaobei needed it, song Qincheng could send him something unique to the human realm so that he could find a business opportunity in the heavenly realm.

At this point, all the arrangements before his Ascension had been settled.

The Ascension operation could officially begin!

He entered the verdant Emperor's divine gourd.

Chen Xiaobei called for Futian Xin 'er.

Then, Chen Xiaobei took out 300 million low-grade spiritual jades and asked Futian Xin 'er to ripen ten blood Bodhi.

After getting the ripe blood Bodhi, Chen Xiaobei ate three in one go.

[ding Qianqian's cultivation level: dujie middle stage. Lifespan: 40.33 million years, physique ..., Combat power: 150 billion, primordial spirit attack-sacred level!

[ding Qianqian's cultivation level: dujie late-stage, lifespan: 55,330,000 years, physique ... Combat power: 200 billion, primordial spirit attack-sacred level!

[ding Qianqian's cultivation base: tribulation passing pinnacle stage. Lifespan: 75,330,000 years, physical body: 333.3 billion, primordial spirit attack-sacred level!

Three blood Bodhi had allowed Chen Xiaobei to break through three small realms!

Their lifespans increased by 10 million years, 15 million years, and 20 million years! His combat strength had also soared greatly!

At the same time, Chen Xiaobei's physical strength did not change.

As his health increased, the effect of the blood Bodhi would decrease. Three blood Bodhi was not enough to increase his health. He had to use more.

After that, Chen Xiaobei consumed another blood Bodhi. His cultivation and health did not change.

it seems like one blood Bodhi is not enough for me to break through to the half-step heaven immortal realm!

Chen Xiaobei then took another blood Bodhi fruit.

[ding Yingying's cultivation base: half-step heaven immortal, lifespan: 100,330,000 years, physical body: 666.6 billion, primordial spirit attack-sacred level!

In the end, he still managed to successfully break through a small realm.

This time, Chen Xiaobei's lifespan had increased by 25 million years, and his combat power had also doubled.

More importantly, the effects of the five blood Bodhi had helped Chen Xiaobei's physique to break through to the mid-four-star divine immortal level.

"Pheh ... So comfortable!"

Chen Xiaobei heaved a long sigh of relief. He had never felt so comfortable before.

From this moment on, Chen Xiaobei had the cultivation to trigger the heavenly Tribulation at any time.

As long as they got out of the verdant Emperor's divine gourd, the heavenly Tribulation would immediately descend. After passing the heavenly Tribulation, they would be able to ascend to the heavenly realm and become a true celestial immortal.

After that, Chen Xiaobei kept the remaining five blood Bodhi fruits.

At this point, there were only 295 unripe fruits left on the blood Bodhi Divine Tree.

"Girl, get ready. I'm going to take you out!"

Chen Xiaobei called her to his side.

"Go out? Where are we going?"

Fu Tian Xin 'er blinked her large, watery eyes, filled with curiosity and anticipation.

"I'll take you to play in the heaven realm!"

of course not! Chen Xiaobei grinned. the heavenly realm is much bigger than this place. It's filled with countless unknown things. More importantly, you'll have a chance to meet lady Nuwa!

"Yay!"

Fu Tian Xin 'er instantly started cheering. She was extremely happy.

During this period of time, she had played all the games in the verdant Emperor's divine gourd. The novelty had faded, and she inevitably felt bored. Moreover, she still didn't have freedom.

When she heard that Chen Xiaobei was going to take her to heaven, she was overjoyed.

More importantly, she would be able to see mother Nuwa this time. This was something that Fu Tian Xin 'er had been looking forward to the most.

"Xiaobei Gege! I don't need to prepare anything! Let's set off now!"

Fu Tian Xin 'er couldn't wait. She didn't even want to wait for a second longer.

Of course, she said that she didn't need to prepare anything, but in fact, the divine sunlight cache had always been in her hand.

This meant that everything was ready.

"Good! Let's go!"

Chen Xiaobei grinned and took her hand, bringing her out of the verdant Emperor's divine gourd and back to the real world.

boom boom boom ... Boom boom boom ...

As soon as they appeared, the sky suddenly exploded with extremely terrifying thunderous roars, and even the color of the sky and earth changed.

Then, beams of green spiritual light rose from the ground and formed a giant God's trial area with Chen Xiaobei and Fu Tian Xin 'er as the center.

Everyone in bei Xuan faction's headquarters was shocked and turned to look.

Chapter 3613: Shoulder the world

3613 Shoulder the world

"Old woman! Thunder! It's raining, time to pack up your clothes!"

Chen Zhongfu heard the Thunder and shouted towards the garden.

"Do you want to die? I'm afraid there's something evil behind this terrifying lightning. I'll have to leave it to little north to deal with them!"

tsk! Zhang Chui 'er scoffed.

"Mom, this is the heavenly Tribulation! Xiao bei's Heavenly Tribulation!"

Luo puti was sitting on a chair at the side. She was caressing her lower abdomen with one hand while staring at the sky.

"Heavenly Tribulation?"

"Old man!" Zhang Chui 'er shouted excitedly. Come out and see little North's tribulation!"

"What? Is there another festival?" Chen Zhongfu walked out unhurriedly.

"Mom, dad! This was the heavenly Tribulation! It's still very terrifying!" Although Luo puti said it was terrifying, she still had a smile on her face.

Luo puti's icy aura had long disappeared as she looked at the simple and lovely old couple in front of her.

"You call this terrifying? It's just average." Zhang Chui 'er and Chen Zhongfu both shrugged and said, "From what we can see, this isn't even enough to tickle Xiaobei!"

Luo puti's expression froze for a moment before she smiled and nodded. "Yes, Mom and dad, you're right!"

Heavenly Tribulation! It was supposed to be a super deadly tribulation that would make countless people tremble in fear and lose their lives!

Chen Zhongfu and Zhang Chui 'er were originally the most ordinary farmers on earth.

In the past, the Thunder of the heavenly Tribulation would have scared them to death. But now, they didn't care about the heavenly Tribulation at all.

Of course, this was not because they were powerful.

It was because they knew very well that their son was extremely powerful! Extremely outstanding!

It was powerful enough to solve all the difficulties they could imagine!

He was so outstanding that they felt proud of him from the bottom of their hearts!

In their eyes, compared to their son, the heavenly Tribulation mentioned in the legends was simply trash!

At the same time.

All around bei Xuan faction, song Qincheng, Lin Xiang, and the other girls were also staring at the sky.

Of course, they were also very relaxed.

It was as if it was not a Heavenly Tribulation that was about to descend, but an insignificant drizzle.

Song Qincheng had even found a few live streamers to stream the heavenly Tribulation.

Through the live broadcast, the entire earth-god Realm could see the situation.

In Videha, Xuanyuan, Yuxu, pantheon, Tianji, and Xuanyuan tuohai, tai yitan, Lou Yuhong, and Zhao Yun were all watching the live broadcast with their subordinates.

In the three major sub-halls of beikuluzhou, Dragon God, heavenly Yin, and netherworld, Huo yuanba, Daoist Yiru, and dugu zang Xian were also watching the live broadcast.

Feng Qingyang, Wu aofeng, and Shitai Dinghai were also watching the livestream from the three halls of aparagodaniya, Heavenly Dragon, three saints, and ten thousand Buddhas.

The Nanzhan state was a bit special, as it was divided into two branches of the great Qin and great Chu, with Ying Zheng as the head of the great Qin branch and Xiang Yu as the head of the great Chu branch.

At the same time, Baiqi, Lu Bu, Diao Chan, little white, and Sky Wolf each supported the two divisions.

Of course, at this moment, the people from the two halls were gathered together, closely watching the live broadcast.

boom boom boom ... Boom boom boom ...

With two terrifying explosions, the heavenly Tribulation finally took shape.

However, Chen Xiaobei was a double nine world Emperor, and Futian Xin 'er was blessed by public morality and had never done anything evil in her life.

Therefore, the power of this Heavenly Tribulation was only the most ordinary one-star celestial immortal level supernova Green Thunder.

“Woof!”

Chen Xiaobei held onto her hand and charged up against the green lightning.

He didn't take out any Dharma Treasure, didn't use any special ability, and didn't even condense a bit of protective Zhen Yuan.

Chen Xiaobei charged forward in the simplest and most brutal way.

“Woof! Whoosh! Whoosh!”

The green lightning of tribulation was like paper. Chen Xiaobei broke through it without any resistance.

Chen Xiaobei's physical strength was already at the level of a four-star mid-tier heaven immortal. The power of a one-star heaven immortal was not even enough to scratch Chen Xiaobei's itch.

At the same time, Chen Xiaobei held Futian Xin 'er in his arms. The little girl was also not hurt.

In just a few seconds, Chen Xiaobei had dispelled all the green lightning bolts.

This situation was completely one-sided. There was no suspense at all.

The heavenly Tribulation's laws were also very human-like. It did not continue to waste energy to trigger the Tribulation lightning, but directly ended the heavenly Tribulation.

"Whoosh ..."

A bright white light appeared in the dark sky! The dark clouds dispersed, and a crack gradually appeared in the sky.

From the crack, a seven-colored spiritual light and an extremely holy aura were emitted.

"Chi ... Chi ..."

Then, two beams of spiritual light descended and covered Chen Xiaobei and Fu Tian Xin 'er, bringing them to the crack.

As he got closer, the gap became bigger and bigger.

Chen Xiaobei and Fu Tian Xin 'er could now see the huge, Jade-white gate to heaven.

This scene was also broadcasted to every corner of the earth-god Realm.

Everyone who cared about Chen Xiaobei cheered. The people who respected Chen Xiaobei were also overjoyed. Chen Xiaobei's followers were so excited that they knelt down and worshipped him!

Almost everyone in the earth-god Realm was happy for Chen Xiaobei!

Ever since Chen Xiaobei had become the master of the earth-god Realm, almost all the people had been living a much better life than before!

They were all grateful to Chen Xiaobei from the bottom of their hearts. Naturally, Chen Xiaobei's happy occasion became everyone's happy occasion!

All of a sudden, the entire earth-god Realm fell into an atmosphere that was more lively than a grand festival.

"Xiaobei Gege, you're so good! The heavenly Tribulation had been passed so easily! We're about to reach the heavenly Dao realm! I'm so excited!"

Fu Tian Xin 'er was just like most people. She was extremely happy, and her pretty face was filled with joy.

"Little girl! Calm down! Don't be careless!"

Suddenly, Chen Xiaobei said, " "You might think that the heavenly Tribulation is very simple! However, compared to the danger in the heaven realm, the heavenly Tribulation was nothing! The real difficulty is yet to come!"

mm ... Futian Xin 'er was very obedient to Chen Xiaobei. She nodded obediently and kept her excitement.

At the same time, Fu Tian Xin 'er also gained more insights!

In the human world, everyone was celebrating happily, but Chen Xiaobei was rushing to a more dangerous place! To struggle, to struggle!

In her eyes, Chen Xiaobei was the one who shouldered the entire mortal world!

When he stood, all living beings in the human world could enjoy peace and happiness! If he fell, the people of the human world would probably be plunged into misery and suffering again!

Without a doubt, this was an extremely difficult and arduous task.

However, Chen Xiaobei had never complained to anyone. No matter what difficulties or dangers he faced, he would shoulder them all without complaint.

This was what a real man was!

He was truly worthy of being the master of the mortal world!

Even though she had always admired Chen Xiaobei, her admiration for him had reached a whole new level!

Looking at the gate to the heaven realm in the distance, Futian Xin 'er silently made up her mind.

She wanted to face all the difficulties together with Chen Xiaobei. She would not let Chen Xiaobei face them alone!

"Heaven realm! We're coming!"

Chapter 3614: I'll clean up

3614 I'll clean up

Under the guidance of the spiritual light, Chen Xiaobei and Fu Tian Xin 'er successfully passed through the spatial gap and arrived in front of the door to heaven.

When they got closer, they found that the gate of heaven realm was extremely majestic. It was tens of thousands of meters high and tens of thousands of meters wide. It was even more magnificent than a mountain.

The door was made of white jade and emitted a holy white spiritual light. It was extremely majestic.

And right above the gate, there was a huge plaque with five big golden words written on it!

Grand Emperor Huang Zengtian!

Chen Xiaobei already knew that there were 36 levels of heaven!

And this Grand Emperor Huang Zengtian was the lowest level of the first heaven.

Because this place was far away from the celestial heavens, it could be said that the mountains were high and the Emperor was far away. Therefore, the situation here was the most chaotic. All the forces were growing wildly, and no one was managing them at all!

Of course, there was also a benefit to this!

Ever since the last immeasurable cultivation tribulation, very few people were able to ascend. Therefore, Grand Emperor Huang Zengtian obtained a long period of time to recuperate. The spiritual veins were abundant, the natural treasures were ripe, and all kinds of resources were unprecedentedly abundant.

That was why di Jiang and the others urged Chen Xiaobei to ascend as soon as possible so that they could seize the resources and gain a firm foothold.

Chen Xiaobei took out his communication jade talisman and was about to contact the first batch of ascended companions.

However, at this moment, a group of heavenly soldiers walked out from the gate of the heaven realm.

There were more than thirty of them, and almost all of them were one-star heaven Immortals in the middle to late stages. They were dressed in bright and beautiful armors and held sharp halberds in their hands, giving off an imposing and awe-inspiring aura.

Among them, there was a leader, a tall and strong Titan Warrior. His cultivation base had reached the two-star heaven immortal realm, and the armor and weapons he was wearing were also of a higher grade.

To be honest, with his cultivation, it was a bit of a waste to be assigned to guard this heavenly gate.

After all, those who had just ascended were only rookies in the early stage of one-star heaven immortal realm. Why should they bother two-star heaven Immortals to manage them?

“Who is it? Report your name!”

The Titan Warrior glared at Chen Xiaobei and Futian Xin'er. It had no interest in Chen Xiaobei, but its eyes were fixed on Futian Xin'er.

First of all, Futian Xin'er was a delicate and pretty little beauty, and any man would like her!

Secondly, Fu Tian Xin'er had already gone through her tribulation, but her lower body still had a long snake tail, which made the Titan Warrior very curious.

“Big idiot! If you dare to look at my sister lecherously again, I'll break your remaining hand!”

Chen Xiaobei threatened.

That's right!

The Titan Warrior only had one arm, and the other arm seemed to have been cut off by a sharp blade.

“This ... This sound? Are you Chen Zhufeng?”

The Titan soldier’s eyes went wide and its body exploded with anger. Its expression turned ferocious, and it bared its teeth as if it was going to eat Chen Xiaobei.

Right!

This guy was the unlucky heavenly soldier from before!

The first time, Chen Xiaobei extorted him for an air-frozen bead. The second time, Chen Xiaobei cut off one of his arms.

He hated Chen Xiaobei to the core! She would never forget Chen Xiaobei’s voice!

“That’s right! I’m Chen Zhufeng!”

Chen Xiaobei raised his eyebrows, not hiding his identity at all.

“Clang! Clang! Clang! Clang ...”

The 30 celestial soldiers raised their halberds and surrounded Chen Xiaobei without waiting for the Titan soldier’s order.

Clearly, the heavenly court was a power under the clan of enlightenment.

Even if the celestial soldiers had not seen Chen Xiaobei’s picture, they knew that the higher-ups would not let Chen Xiaobei off.

Whoever could kill Chen Xiaobei would become the clan’s greatest hero. From then on, they would be like fish leaping over the Dragon Gate and soaring to the sky!

“Everyone, wait!”

The Titan Warrior was not stupid, and it said suspiciously, ” “There’s something strange about this! A few days ago, the higher-ups said that Chen Zhufeng was only an eight-star earth-god and wouldn’t be ascending anytime soon. Why did he suddenly come today?”

The heavenly soldiers around him stared at each other in confusion.

In fact, there was more than one force in the heavenly realm that was plotting against Chen Xiaobei. They wanted to kill Chen Xiaobei on the day of his Ascension and take away everything that Chen Xiaobei had.

Therefore, under normal circumstances, all the forces would have calculated the time of Chen Xiaobei’s Ascension, and then come to the Heaven’s Gate in advance to set up an inescapable net so that Chen Xiaobei would not be able to escape.

However, Chen Xiaobei’s sudden Ascension was not noticed by any of the forces, and they were not prepared for it.

This was very strange!

“Could it be that Chen Zhufeng has a way to hide from the various forces? this is impossible ... the titanwraith soldier frowned and could not help but begin to calculate.

However, the heavenly soldiers around him couldn't wait and urged, ” “Boss! Don't waste time! This is our territory! Wouldn't it be better to just kill him?”

“Heavens! I'm one level higher than Chen Zhufeng! He was actually unable to deduce his situation! There's a huge change in this matter!”

The Titan Warrior was shocked and began to calculate carefully.

However, he did not expect Chen Xiaobei to have the mark of humanity on him. Even if the six heavenly path Saints worked together, they would not be able to predict Chen Xiaobei's condition.

Of course, if sect leader Tongtian was released, the seven heavenly path sages might be able to figure out something if they worked together.

“Boss! You didn't make a move! We're going on our own! This was a huge contribution! Moreover, he could easily get his hands on it! We can't let it escape!”

At the same time, the 30 celestial soldiers could no longer stay calm. They clenched their weapons and approached Chen Xiaobei.

“A bunch of idiots! Do you think you can hurt my brother Xiaobei? Stop dreaming!” Fu Tian Xin 'er looked at them with disdain. She was not targeting anyone, but everyone here was an idiot!

“Hmph! Little girl! You still don't know that there's a “great treasure falling formation” under the heavenly gate!”

The celestial soldiers grinned. Not only were they not afraid of Chen Xiaobei, but they were also full of confidence.

“This is a divine level [great treasure falling formation]! All magic treasures below divine artifacts can not be used in the formation!”

Chen Zhufeng is just an ordinary one-star celestial being without any Dharma Treasure. It's easier than killing a chicken for us to kill him!

“Little girl! I'd advise you to be sensible and leave Chen Zhufeng! Otherwise, swords have no eyes. If you are hurt, we will not be responsible!”

As he spoke, the group of celestial soldiers had already circulated their celestial core power, ready to attack at any time.

“Hmph! I'd like to see who dares to touch my Xiaobei Gege!”

die! Fu Tian Xin 'er shouted as she charged at the enemy.

“Little girl!”

wait! Chen Xiaobei called out to her, trying to stop her.

However, Futian Xin 'er said firmly, "Xiaobei Gege, these pieces of trash don't deserve to be attacked by you! I'll take care of them!"

Red Envelope Group of the Three Realms

Chapter 3615: qualitative leap

Futian Xin 'er had already made up her mind to help Chen Xiaobei with some of his work.

Let's not talk about the distant things, just starting from this battle.

But Chen Xiaobei still held her back and said, "I know that you can fight above your level, but that will expose your existence! If we're discovered by the Dao ancestors, the consequences will be unimaginable!"

It was obvious that Fu Tian Xin 'er was a top-tier demon that was born from the sky-mending divine stone.

Her primordial Spirit's special ability was extremely powerful, enough to fight across a major realm.

However, this kind of primordial spirit special ability had an extremely strong aura and characteristics of the sky-mending divine stone. As long as one was not an idiot, one would be able to find some clues.

That was why Chen Xiaobei did not want her to do anything. He was afraid that she would expose her identity too early and bring about an unbearable danger.

"Xiaobei Gege, don't worry! I'm not an idiot, so I won't show my trump card!"

Fu Tian Xin 'er smiled, full of confidence, "Just wait and see, I'll definitely take care of these idiots!"

"Stinky girl! You dare to look down on us! Die! We'll make sure you die a horrible death, just like Chen Zhufeng!"

The 30 heavenly soldiers had been guarding the heavenly gate all year round and had seen many rookies who had just ascended.

It had always been them bullying rookies. Which rookie would dare to resist them?

Fu Tian Xin 'er's attitude made them extremely angry, and they even felt that they had been humiliated.

Instantly, they all unleashed their powerful celestial core power and surrounded Fu Tian Xin 'er with their halberds.

you want to kill Xiaobei Gege? you can all die now!

Futian Xin 'er's eyes turned cold. She was, after all, the daughter of a Saint and a top-tier demon. The moment the battle began, she displayed a domineering aura of decisiveness and killing. She did not seem like a weak girl at all.

"Swish!"

Futian Xin 'er stood proudly on the spot. She didn't make a move, and she didn't even activate her celestial core power. She simply extended a small hand!

And in her hand, she was holding a trump card that could ignore the God level [falling treasure formation]!

That's right!

It was the God-level sunlight cache!

Hua ... Hua ... Hua ... Hua ...

Fu Tian Xin 'er didn't say anything and immediately activated the sunlight cache, releasing a total of 31 rays of light.

The divine weapon was extremely fast. In an instant, not only the 30 celestial soldiers, but even the Titan Warriors were enveloped by a small, independent sunlight domain.

At the same time, his special ability suddenly erupted!

Although they did not feel any pain and could not even detect anything strange, in fact, the time around them had been accelerated crazily!

Originally, before Fu Tian Xin 'er ascended, the God-tier sunlight cache's acceleration effect was about one second that was equivalent to more than 100 years!

However, at this moment, Fu Tian Xin 'er had already become a heaven immortal, and the energy in her body had been transformed from true energy to celestial energy. Furthermore, her primordial spirit had also been separated from her nascent soul, becoming an independent entity.

By communicating with the divine sunlight cache through the primordial spirit, he could achieve a better effect and greatly enhance the effect of his special ability.

Basically, one second was equivalent to three thousand years!

At the same time, Fu Tian Xin 'er also secretly used the sky-mending divine stone's special ability. The sacred tree of Life transformed Fu Tian Xin' er's celestial core power into a special energy, further strengthening the divine sunlight cache's special ability.

The effect of this additional blessing was even more terrifying. It could basically be achieved. One second was equivalent to three million years.

kill!!!

At the same time, the enemies did not realize the danger that was coming and were still charging towards them.

"Uh ..."

However, two seconds later, a celestial soldier's body suddenly stiffened and fell to the ground, completely dead.

"Hmm? What happened? How did someone fall?"

The rest of the heavenly soldiers turned pale with fright. They stopped their charge and focused on their fallen comrade.

“Uh ... Uh ah ... Uh ...”

However, in the next second, more celestial soldiers fell to the ground one after another. Their bodies were stiff and they were motionless. They had all lost their lives.

“What ... What the hell is going on? What sorcery did that little girl use? How can he be so powerful?”

The rest of the people were even more shocked. They looked at Fu Tian Xin ‘er as if they had seen a ghost. Their eyes narrowed, their scalps went numb, and they broke out in cold sweat.

it’s ... It’s a God-level sunlight cache!

At this moment, the Titan Warrior finally saw through the mystery. Its face changed dramatically, and its eyes were filled with despair.

“Plop ...”

He didn’t say anything and knelt on the ground, kowtowing to her, “ spare me ... Please spare me ... I didn’t do anything just now ... I beg you, please spare me ...”

“Uh ... Uh ... Uh ...”

Before he could finish his sentence, all the remaining celestial soldiers fell to the ground and died one after another.

From this, it could be seen that the lifespan of ordinary heaven soldiers was almost less than ten million years. Under the God-level sunlight cache, they could not even live for three seconds.

Thinking about it carefully, this was not strange. First of all, these heavenly soldiers did not have a heavenly Dao life Halo, so their lifespans were not long to begin with. Second, their lifespans had been consumed a lot over the long years they had spent in the heaven realm.

That was why when Fu Tian Xin ‘er used the sunlight cache, she could easily kill her enemies without even needing Chen Xiaobei to do anything.

“Little girl! You’re really a clever little boy! To think that you could think of such a method!”

Chen Xiaobei grinned and gave her a thumbs up.

At the same time, Chen Xiaobei was also secretly amazed. After Fu Tian Xin ‘er reached heavenly immortal level, her strength and abilities had undergone a qualitative leap! It could actually increase the divine sunlight cache’s special ability effect by a large extent. It was simply too heaven-defying!

“Xiaobei Gege, should we let that guy off? He can hold on for three more seconds at most!” Fu Tian Xin ‘er said.

“Stop!” Oh? ” Chen Xiaobei raised his eyebrows and said, “ I still have some use for this thing!

“Alright!” Fu Tian Xin ‘er nodded her head and kept the divine sunlight cache.

“Phew ...”

The spirit gatherer soldier heaved a long sigh of relief as if he had been granted Amnesty, and he sat on the ground weakly.

His entire body was already drenched in cold sweat, as if he had just walked through the gates of hell. He was in a daze and did not come back to his senses for a long time.

Fortunately, he was a two-star heaven immortal. Otherwise, he would have died of old age like the others.

merit record, exchange for a super heavenly dog food!

Chen Xiaobei immediately moved on to the next step.

Chen Xiaobei's attitude towards his enemies had always been very clear. Either they surrender one hundred percent or they die!

[ding! Merit points reward, exchange successful. 10000000 points deducted!]

[your current merit points are 200048.4 billion.(Charm: 2000,4.844 billion, luck: 2000,4.84 billion!]

Obviously, super heavenly dog biscuit was not uncommon in the heaven realm. The exchange price had dropped from 500 million to 10 million, which was really cool.

“Open your mouth!”

Chen Xiaobei walked over and ordered coldly.

Chapter 3616: Three people arguing

3616 Three people arguing

this ... This is super heavenly dog food!?

The Titan Warrior was from the Empyrean, so it knew what Chen Xiaobei was going to give it.

Super heavenly dog food!

At most, it could make a two-star sky immortal lose their conscience and become a loyal dog to Chen Xiaobei!

There was no doubt that anyone with a normal mind would not be willing to eat dog food and become someone else's dog.

Because of this, the Titan Warrior hesitated.

“I don't want to say the same thing a second time!”

Chen Xiaobei's tone was cold and impatient.

Chen Xiaobei had already shown him mercy by sparing his life. How could he give him a choice?

“Ka!”

At the same time, Fu Tian Xin 'er's little hand gripped the divine sunlight cache tightly. Her threat was obvious.

"Hiss ..."

Looking at the dead celestial soldiers on the ground, the Titan Warrior gasped. Its last bit of persistence had completely collapsed, and it didn't dare to say another word.

"Ah ..."

The Titan Warrior opened its mouth wide.

Chen Xiaobei threw the Super heavenly dog biscuit into his mouth.

After that, everything went smoothly. The Titan Warrior had officially recognized Chen Xiaobei as its master and became his loyal dog.

"What's your name?"

Chen Xiaobei asked.

"Master, my name is Gantu lang!"

The Titan Warrior kneeled on the ground and said respectfully.

"Yes, I'll go clean up the battlefield,"

let's go! Chen Xiaobei ordered, and then he walked away with Futian Xin 'er.

"Yes, sir!"

Without another word, gan tulang immediately took action.

He was smart. He took out thirty storage bracelets, thirty one-star heavenly immortal armors, and thirty one-star heavenly immortal halberds.

Then, he put all these things into his storage bracelet.

Finally, he handed over his storage bracelet to Chen Xiaobei.

With that, other than his own armor, all the resources at the scene were now in Chen Xiaobei's hands!

As long as Chen Xiaobei gave the word, gantulang would be willing to take off his own armor and give it to Chen Xiaobei.

Of course, Chen Xiaobei was not interested in a two-star divine-level armor.

"Shua shua shua ..."

Without hesitation, Chen Xiaobei threw everything into the heaven and earth furnace, except for the spiritual Jade, and began to refine them.

Now that the chaos Blood Sword was a nine-star heaven immortal, and the Dragon's edge was a four-star pinnacle heaven immortal, Chen Xiaobei did not need anything below that level, unless it had a special ability.

“Let’s refine those corpses as well!” Chen Xiaobei said.

“Yes, sir!”

Gan tulang obeyed and immediately carried the thirty corpses over, throwing them into the heaven and earth smelt.

By doing so, he could destroy the evidence!

Secondly, a heaven immortal’s body, skin, flesh, tendons, bones, blood, and marrow were all heaven immortal items, so they could also refine a lot of heaven and earth spiritual aura.

Finally, Chen Xiaobei put away the heaven and earth furnace and did a quick check.

In this round, they had gained a total of 100 million lower spiritual jade pieces.

After conversion, each of these heavenly soldiers only had about 3.3 million lower-class spiritual jade pieces.

From small to big, Grand Emperor Huang Zengtian’s people were still very rich.

Even the security guards at the gate were so rich, not to mention those big shots with power and status!

“Let’s go, we’ll talk somewhere else.”

Chen Xiaobei gave gan tulang a look, and the latter immediately understood and led the way.

“Chi ... Chi ...”

When the three of them passed through the gate to heaven, Chen Xiaobei and Fu Tian Xin ‘er’s bodies started to change.

It was like a fish in water, and he felt very comfortable.

No!

To be precise, it should be his primordial spirit that felt extremely comfortable!

After ascending to the heavenly realm, Chen Xiaobei and Fu Tian Xin ‘er’s cultivation level had reached the early stage of one-star celestial immortal.

At the same time, their primordial spirits were separated from their nascent souls and became independent special forms.

The biggest difference between heaven Immortals and earth Immortals was the independence of the primordial spirit.

In other words, an independent primordial spirit was a characteristic of a heaven immortal, and it was also a characteristic that conformed to the laws of the heaven realm.

Therefore, after crossing the gate to heaven, Chen Xiaobei and Fu Tian Xin ‘er had truly entered the world of the divine fairies. Their primordial spirits were highly compatible with the laws of the world, so they naturally felt very comfortable.

“Wow ... This place is so beautiful!”

Fu Tian Xin 'er couldn't help but let out a cry of surprise. She was like a happy little bird as she excitedly rushed forward, dancing and dancing in joy.

Indeed, after passing through the gate of heaven realm, a beautiful grassland appeared in front of him.

The tender green grass stretched as far as the eye could see, and there was a seven-colored spiritual light that flickered like fireflies. The warm blue sky was as warm as Jade, and the air was filled with the fragrance of plants. Even a breeze contained pure spiritual energy.

This was the real immortal land!

It was no wonder that the billions of cultivators in the human world yearned for the heaven realm!

“Little girl! Fly slower!”

Xiao Xiao! Chen Xiaobei shouted. His mood was lifted when he saw the cheerful little girl.

He took a deep breath. It was filled with spirit Qi.

Suddenly, Chen Xiaobei started to like this place.

If there was enough time, Chen Xiaobei would even be willing to sit on the ground and use the Scripture of heaven and earth to breathe in and out the spiritual Qi, slowly enjoying the fun of cultivation.

Of course, this was only an 'if'!

Chen Xiaobei did not want to waste another second before he could save Chang 'e fairy.

After some time.

The three of them successfully arrived at Supreme Imperial City.

Before entering the city, gan tulang specially said, “Master, you have to think of a way to cover your face, because this Supreme Imperial City is the core main city of the first heaven directly under the heavenly court! There might be people in the city who have seen your portrait, so we must be on guard!”

“Yes.” Chen Xiaobei nodded and put on a human-skinned mask.

Just in case, Chen Xiaobei even took out a long black cloak and put it on her.

After that, the three of them entered the city.

.....

At the same time, in the East Sea of the earth-god Realm.

Two women and a man were resting on an unremarkable Island.

One of the women held a metal longbow in her hand. She had a devilish face, but she was very delicate. Her skin, eyes, and hair were all light purple.

The other woman was wearing an ordinary monk's robe, and her head was bald. However, this didn't affect her stunning looks or her beautiful figure.

The last man was wearing a blood-red robe. His eyes were red, his skin was pale, and his teeth were much sharper than normal people. He looked sinister and didn't look like a kind person.

From the outside, these three people were completely unrelated and should not be gathered together at all.

However, they were currently discussing something extremely important. They even had a huge dispute with each other.

Chapter 3617: demon creation plan

That's right!

The three of them were demoness Jia Luo, the little nun Yun fanqing, and the ninth generation Demon King, the Blood Moon Swordmaster!

"No!"

Yun fanqing's pretty and fair little face showed an extremely determined expression, and his tone was unquestionable. "I definitely can't let the Blood Moon Swordmaster leave my sight! This is my mission and my duty!"

"Young master fan Qing! Don't be so stubborn!"

Jia Luo frowned. we've been together for such a long time. You've seen the changes in the blood Moon Swordmaster with your own eyes. He won't harm the earth-god World anymore!

"No! No matter what you say, I won't let you!" Yun fanqing said firmly.

The Blood Moon Swordmaster also lowered himself and advised, "Young master fan Qing, isn't this a special situation? We have to split up. If you don't help, our plan will fail ..."

Yun fanqing did not waver. I'm just traveling with you. I'm not one of your members. Your plan has nothing to do with me! What I need to do is to keep a close eye on the Blood Moon Swordmaster!"

Jia Luo thought for a moment and said, "little master fan Qing!" Even if you don't want to help us, you won't even help Chen Zhufeng?"

"Childe ... Childe Zhufeng? What's wrong with him!" Yun fanqing's expression froze for a moment. When he heard Chen Zhufeng's name, his face started to heat up, and his chest started to pound.

Jia Luo composed himself and said in a deep voice, I just received news that Chen Zhufeng has ascended to heaven today!

"This is a good thing!" Yun fanqing was genuinely happy for Chen Xiaobei.

"There's no such thing as an absolute good thing in this world."

you've been with us for so long, " Jia Luo said. you should know the situation in the heaven realm. Many forces see Chen Zhufeng as an enemy. Once he's in the heaven realm, he'll be in danger!

"What ... What should we do?"

Yun fanqing, who was simple-minded, panicked on the spot. "Quickly tell me! How can I help Childe Chen? Hurry up and tell me!"

it's simple. According to our plan, you go to Pan Wang Island, Blood Moon to star Hook Island, and I will go to blood cloud Island!

" if the three of us activate the array on the island at the same time, we'll be able to open up an ancient demonic ruin. Then, the three of us will be able to obtain an extremely powerful inheritance and ascend to heaven to help Chen Zhufeng fight against the enemy! Jia Luo said.

"Is ... Is this true?" Yun fanqing's brows furrowed and she bit her lip, not daring to take the risk.

In Yun fanqing's opinion, his life's mission was to get rid of the Blood Moon Swordmaster.

However, the Blood Moon Swordmaster had promised to put down his blade and was truly remorseful, so Yun fanqing had been traveling with them.

To put it bluntly, Yun fanqing's purpose was to monitor the Blood Moon Swordmaster.

However, Jia Luo's plan now required the three of them to separate, and Yun fanqing was worried that the Blood Moon Swordmaster would take the opportunity to escape.

More importantly, if what Jia Luo said was true, and the three of them had obtained powerful inheritances, would the Blood Moon Swordmaster still come back obediently to be monitored after he became stronger?

Yun fanqing was not confident, so she did not agree to Jia Luo's request.

"Stop hesitating! The longer you hesitate, the more danger Chen Zhufeng will be in in the heavenly realm!"

Jialuo could tell that Yun fanqing was still worried about Chen Xiaobei, so he continued to stir things up. think about it. If Chen Zhufeng is already dead by the time you ascend to heaven, how regretful would you be? "

this ... Yun fanqing was completely shaken."Good! I promise you!"

"That's great, let's move out immediately!"

Jia Luo said, " you can find Pan Wang Island 90000 miles north from here. Contact me when you get there. Remember! The three of us must activate the array at the same time to summon the ruins! Don't make any early moves!"

"Good! I'll remember that!" Yun fanqing nodded and flew straight north.

As the saying goes, concern causes chaos!

This matter was obviously suspicious, and it could even be said to be full of loopholes.

But at this moment, Yun fanqing's mind was on Chen Xiaobei. She did not have the time to think about it. Even if it was a trap, she would still walk through it.

"That's great! The little nun has finally fallen for the trap ..."

The Blood Moon Swordmaster heaved a sigh of relief and asked hurriedly, " what's the next step of Lord ancestor Devil's plan? "

"Devil creation!"

Jia Luo's eyes narrowed and he said in a deep voice, the demonic ancestor wanted Chen Zhufeng to be possessed by the devil, but Chen Zhufeng used the human Dao seal to suppress the world extinguishing sacred marrow. Not only did he not become possessed, but he also obtained a drop of the world extinguishing sacred marrow's power!

"The ancestral fiend is certain that Chen Zhufeng will become our biggest enemy in the future! However, Chen Zhufeng has the protection of the humanity mark, so we can't do anything to him. We can only start with the people around him!"

"Coincidentally, The Fiend ancestor bought an elixir of Ascension from Chen Zhufeng! He could use it to carry out a plan to create the strongest Demon God! And Yun fanqing is the Holy Child chosen by The Fiend ancestor!"

"According to the plan of the demon ancestor, Yun fanqing will grow into an extremely powerful Demon God! Whether it's assassinating Chen Zhufeng or fighting him face to face in the future, I won't lose to him!"

Jia Lou's expression became a little complicated.

There was excitement, anticipation, disappointment, and envy.

What she was excited about was that the demons would have a new member with unlimited potential.

What she was disappointed and envious of was that the person chosen as the Holy Child was not her, but Yun fanqing.

"That's not right!"

However, the Blood Moon Swordmaster was puzzled,'what is the demonic ancestor thinking? Didn't he know that Yun fanqing was born with the Dharma bone and divine body? Wouldn't it be counterproductive to use Yun fanqing to create demons?"

Jia Luo said indifferently,"this is the brilliance of Lord ancestor devil!" The Buddha and the devil had the same body. He used the appearance of the Buddha to hide the essence of the devil! Deceiving the heavens and crossing the sea, it has endless wondrous uses!"

this ... the Blood Moon Swordmaster did not seem to understand, but he still looked very confused.

"No need to doubt it!"

Jia Luo said in a deep voice,"Lord ancestor Devil's plan will never be wrong!" Yun fanqing must have the necessary conditions to become a Holy Child, and she must be more suitable than anyone else!"

I understand ... the Blood Moon Swordmaster nodded without any hesitation.

Soon after.

They didn't go to the other two islands separately, but went straight to Pan Wang Island.

.....

On Pan Wang Island.

Yun fanqing explored the area and soon found a strange Black Altar.

She hesitated for a moment, took out her phone, and called Jia Luo.

"I'm here. How are things on your side?" Yun fanqing asked.

"Go to the center of the altar and tell me!" Jia Luo said.

"Mm ..."

Yun fanqing did not think much of it and walked straight to the center of the altar. "I'm here, and then?"

"Whoosh ..."

In the next moment, a terrifying spiritual fluctuation burst out from above and enveloped Yun fanqing!

[Red Envelope Group of the Three Realms](#)

Chapter 3618: sudden change

"Ah ... What ... What's going on?"

Yun fanqing turned pale with fright and was completely caught off guard. He was instantly imprisoned by the Black Spirit light that shot out from the altar.

This black spiritual light was very gloomy, and it exuded intense demonic Qi, fierceness, bloodthirstiness, cruelty, and ruthlessness ... The aura from the demonic lair of hell could even make people feel despair.

Yun fanqing could not move at all under the restraint of the demonic Qi!

His true essence was sealed and his body was under control. He couldn't even use the Jiu fan Golden Bell!

"Hiss ... Hiss ... Hiss ..."

What was even stranger was that the demonic Qi was slowly absorbing Yun fanqing's mental power.

It wouldn't be long before she passed out. If her spiritual power was exhausted, she might even die immediately.

"Jialuo! Jialuo, save me!"

Yun fanqing had no other choice but to shout at the phone on the ground, asking for Jia Luo's help.

However, there was no sound from the other end of the phone.

how could this be ... How could this be ...

Yun fanqing's face was full of despair, but he was completely helpless. He could only fall into a coma bit by bit and finally lose consciousness completely.

"Whoosh ..."

After that, the black demonic Qi dissipated completely. It did not drain Yun fanqing's mental power.

Then, Jia Luo and the Blood Moon Swordmaster walked out.

There was no doubt that Jia Luo had secretly activated the array in the altar and plotted against Yun fanqing.

And all of this was the scheme of mo Luo Wutian!

"Master Jia Lou, isn't it just knocking out this little nun? Can't we just take action directly? Why waste so much time to trick her into coming here alone?"

The Blood Moon Swordmaster asked in confusion.

"What do you know?"

"Just knock her out, or she'll hate us when she wakes up!" Jia Lou said with a smile. However, we can trick her here and knock her out. After she wakes up, we can say that we saved her. She will trust us even more and will owe us a big favor!"

I see ... the Blood Moon Swordmaster gave a thumbs up."Sir Jia Luo is really brilliant!"

Alright, you wait here. I'll go over and let her be possessed! Jia Luo ordered and walked to the altar alone.

After walking up to the altar.

Jia Luo took out his phone and with a thought, he actually extracted a drop of the world-ending sacred marrow!

According to what mo Luo Wu Tian said, the world-extinguishing sacred marrow was the honey of the Black Lotus of destructions that had been accumulated over countless years. There were only three drops in this world!

There were only two drops left after Chen Xiaobei had taken one.

Now, mo Luo Wutian had actually taken out another drop to make Yun fanqing demonic. He had really put in a lot of effort.

"Little nun! You're really lucky!"

Jia Luo's brows furrowed, his face filled with envy and jealousy.

The Black Lotus of destructions was the Supreme totem of the demons! It was the foundation of the demon world!

All the demons viewed the Black Lotus of destructions as a sacred object. They were loyal to the core and worshiped it with utmost devotion! Even looking at the Black Lotus of destructions from afar would be a lifetime's glory!

The world-extinguishing sacred marrow originated from the Black Lotus of destructions, so it could be considered a part of the Black Lotus.

This was definitely the dream of all demons!

Of course, Jia Luo was no exception!

If he could, Jia Luo would definitely take this drop of world extinguishing Saint marrow for himself!

However, she could not do that, and she did not dare to do that.

That was because she was a demon and was loyal to the demonic path. If she had any other thoughts, mo Luo Wutian would definitely make her die a terrible death.

"Dida ..."

After a short hesitation, Jia Lou's rationality won over his jealousy.

She opened Yun fanqing's mouth with one hand and used her other hand to control her true essence and drop the world annihilation sacred marrow in.

However, just as the world-extinguishing sacred marrow was about to drip into Yun fanqing's mouth, something suddenly happened.

A Golden Bell Dharma suddenly appeared and collided with the world annihilation sacred marrow.

The world-extinguishing sacred marrow contained an extreme demonic nature of Yin fiend!

The Golden Bell Dharma power contained the purest yang nature of Buddha!

When the two came into contact, they were naturally incompatible as fire and water, and immediately produced an intense rejection.

Following a violent explosion.

A part of the world-extinguishing Saint marrow flew back and splashed on Jia Luo's hand.

However, the power of the world-extinguishing sacred marrow was stronger than the Golden Bell Dharma laksana, so the other part of the world-extinguishing sacred marrow still fell into Yun fanqing's mouth.

"What ... What is going on?"

Jia Lou was stunned. He raised his hand to observe and said in surprise, "This ... This is the Jiu fan Golden Bell? That's not right! She didn't even take out the Jiu fan Golden Bell ..."

Obviously, Jia Luo didn't know that the Jiufan Golden Bell had a special ability, which was to produce Jiufan immortal Qi!

Back then, the Jiufan Golden Bell had given Chen Xiaobei some Jiufan divine Qi and had also saved Chen Xiaobei's life in a critical moment.

At this moment, although Yun fanqing did not take out the Jiu fan Golden Bell, the Jiu fan immortal Qi hidden in her body appeared to protect her.

And this was also a huge variable that Jia Lou didn't expect.

"Hiss ... Hiss ..."

Soon, the world-extinguishing Saint marrow on Jia Luo's hand had drilled into her skin, emitting black demonic Qi.

what ... What should we do?! Jia Luo was dumbfounded. He picked up his phone in a hurry, wanting to ask Mo Luo Wu Tian.

"Uh ..."

However, in the next moment, she suddenly screamed hysterically.

His hand trembled, and he couldn't even hold the phone steadily, dropping it to the ground.

This was because, at this very moment, an extreme pain was erupting from her body starting from her hands. It instantly brought her unbearable torture.

Her body could no longer support her weight and she fell directly next to Yun fanqing.

"Oh ... Ah ..."

Beside him, Yun fanqing also let out a shrill scream.

Without a doubt, that kind of pain had also started to destroy her body, making her feel the most extreme pain in the world.

what's going on?!

From afar, the Blood Moon Sword Master was dumbfounded. His body stiffened, and he wanted to go over to take a look but did not dare to.

Whoosh ... Whoosh ...

Soon, there was a new change!

Jia Luo and Yun fanqing's bodies emitted dark demonic Qi at the same time!

The two strands of demonic Qi intertwined and actually combined into one, forming the Dharma idol of the Black Lotus of destructions!

At this time, the two women were already lying on the ground, motionless and unresponsive.

they ... Shouldn't ... Shouldn't be dead, right?!

The Blood Moon Swordmaster swallowed his saliva.

Seeing them wailing in pain with their own eyes, they would naturally suspect that they were dead.

“If they’re dead! That means I’ll get two heaven immortal artifacts! Furthermore, you’ll be the only support The Fiend ancestor can rely on in the human world!”

The Blood Moon Swordmaster’s eyes lit up, and he was instantly excited.

He was not a kind person to begin with. He had been very well-behaved all this time because his strength was not as good as others.

At this moment, a great opportunity was right in front of him, and he would never miss it!

[Red Envelope Group of the Three Realms](#)

Chapter 3619: extreme regret

“I knew it! I, the Blood Moon Swordmaster, will definitely have a chance to rise again! Today, I’ve finally gotten the chance!”

The Blood Moon Swordmaster’s face revealed an extremely fanatical expression. Like a greedy venomous snake, he slowly approached Jia Luo and Yun fanqing.

Just as the Blood Moon Swordmaster had thought, as long as these two women died, their heaven Immortal Weapons would become ownerless and would be kept by the Blood Moon Swordmaster.

Most importantly, many of mo Luo Wu Tian’s schemes required the manipulation of Jia Luo, the chess piece! With Jia Luo’s death, the Blood Moon Swordmaster’s status would soar and he would be able to form a relationship with mo Luo Wu Tian. His future would be limitless.

At the thought of this, the Blood Moon Swordmaster was even more excited.

“What’s! mere earth-god Realm? The heaven realm is the stage where I can gallop! I’ll definitely become the brightest star in the future of the demon race, making even gods, Immortals, and Buddhas tremble in front of me! Hahaha ...”

The Blood Moon Swordmaster’s emotions gradually became agitated, and there was even a hint of madness.

huh?!

However, when the Blood Moon Swordmaster walked in front of Jia Luo and Yun fanqing, his expression stiffened, and his eyes revealed a complicated look.

“They’re not dead yet ...”

The Blood Moon Swordmaster furrowed his brows and observed carefully.

Only to see ...

Jialuo and Yun fanqing were lying side by side, and their bodies were shrouded in dark demonic Qi.

The demonic Qi of the two combined to form the Black Lotus of destructions.

It was a very strange scene.

However, the Black Lotus of destructions didn’t seem to move. It simply floated above the two of them.

Jia Luo and Yun fanqing were also in a deep coma. Their auras were very weak, and there were almost no fluctuations of true essence in their bodies.

“It seems that they are in a very weak state!”

The Blood Moon Swordmaster composed himself, and the greed in his heart burned like a raging fire. He could not suppress it at all.

The reason why Devils were Devils was because the negative emotions in their hearts would be magnified limitlessly, and it was basically impossible for them to control themselves!

Greed! It was the Blood Moon Swordmaster’s greatest inner demon! It had even completely occupied his state of mind!

He would never give up such a good opportunity!

“Clang!”

All of a sudden, the Blood Moon Swordmaster took out his heaven immortal weapon, the 30000-meter Blood Sword!

There was no doubt that he had already made up his mind. He must seize this great opportunity to counterattack and soar!

Weren’t Jia Luo and Yun fanqing still alive? The Blood Moon Swordmaster was going to send them to their deaths personally!

“Swish!”

The Blood Moon Swordmaster did not hesitate at all. He swung his sword and stabbed at Jia Luo’s sea of Qi dantian.

This sword was a heaven immortal artifact. With this sword, the Dharmakaya and nascent soul of earth immortal jialuo would be destroyed in an instant, completely destroyed.

“Ka!”

However, at this moment of life and death, the Blood Sword stopped a few centimeters above jialuo’s dantian.

how ... How is this possible?!

Clearly, it was not the Blood Moon Swordmaster who suddenly stopped because he found his conscience, but Jia Lou himself.

Jia Luo’s long, lilac palm directly grabbed the blade of the Blood Sword.

No matter how much power the Blood Moon Swordmaster exerted, even activating the power of a one-star heaven immortal, the sword couldn’t move down at all, let alone escape from Jia Luo’s control.

“She’s only a nine-star earth-god, how could she block the power of a heaven-immortal instrument with her bare hands? What was more terrifying was that her palm was not injured at all. It was not even scratched! This was impossible! This is impossible!”

The Blood Moon Swordmaster looked as if he had seen a ghost. He could not understand what he was seeing at all.

However! This was only the beginning!

“BOOM!”

In the next moment, Jia Luo’s palm suddenly clenched and directly crushed the Blood Sword!

Who dared to think about it!

A genuine one-star heaven immortal artifact was crushed by Jia Luo with his bare hands!

This was simply inconceivable!

“Mother! I ... I’m not dreaming, right?”

As if struck by lightning, the Blood Moon Swordmaster’s eyes widened, and his mouth was so wide that a fist could be stuffed in.

He couldn’t help but pinch himself hard.

It hurt!

This wasn’t a dream!

It was the real truth!

Jia Luo, who was an earth immortal, had really crushed a one-star heaven immortal instrument with his bare hands!

this ... This is too terrifying!!!

The Blood Moon Swordmaster gasped, and his pupils contracted uncontrollably. His body trembled violently, and cold sweat poured down his body like rain!

He didn’t dare to hesitate any longer. He threw down the broken sword in his hand, turned around, and ran.

He knew very well that since Jia Luo could crush a one-star heaven immortal artifact, killing him would be as easy as crushing an ant!

“Whoosh ...”

However, before the Blood Moon Swordmaster could even take a step, a dark demonic Qi burst out from the Black Lotus of destructions, imprisoning him and making him unable to move. Even his Dharmakaya and nascent soul could not escape.

“Swish!”

Then, Jia Lou, who was lying on the ground, suddenly stood up!

She opened her eyes, which emitted a Scarlet light. Demonic Qi was dancing on top of her head like a crown of a Demon King!

“Don’t come over ... You ... Don’t come over ... I was wrong! I beg you, please don’t come over ...”

The Blood Moon Swordmaster was scared out of his wits and screamed hysterically.

However, it was as if Jia Luo did not hear him at all, and he instantly appeared in front of the Blood Moon Swordmaster.

“Swish!”

Jia Luo grabbed the Blood Moon Swordmaster’s throat.

It was just like how Chen Xiaobei had grabbed An Hua by the throat.

Perhaps, this was the final ritual for complete obsession.

He had to sacrifice the lives of living people to the world-extinguishing Saint marrow to stimulate the purest and most intense demonic Qi!

“Spare me ... Spare me ...”

Of course, the Blood Moon Swordmaster did not want to die. He wailed with all his might, and his pained expression was completely twisted.

At this moment, he was filled with regret.

If he had known this earlier, he wouldn’t have dared to have any ideas about Jia Luo!

“Swish!”

However, at this moment, Yun fanqing suddenly stood up and rushed to Jia Luo’s side. He raised his hand and grabbed Jia Luo’s arm, trying to stop him from killing.

Yun fanqing’s current state was exactly the same as Chen Xiaobei’S. He had also become half-human, half-demon.

After all, Yun fanqing had only taken half a drop of the world-extinguishing Saint marrow, and he had the Dharma bone divine body.

So, even if her state of mind was weaker than Chen Xiaobei’s, she could still resist the demonic nature’s attack! To retain a clear consciousness!

“Jialuo! Wake up! Once he killed the Blood Moon Swordmaster! You will completely fall into the devil path! There’s no turning back in this life!”

Yun fanqing tugged hard at Jia Luo’s arm, trying to make him turn back.

“Crack!”

However, not only did Jia Luo not react, he even broke the Blood Moon Swordmaster’s neck!

Chapter 3620: Can't go

3620 Can't go

“Pfft ...”

With a strange sound, the Blood Moon Swordmaster’s neck was broken, and his head was separated from his corpse. Blood spurted out like a fountain.

Because the nascent soul couldn’t leave the body, the nascent soul would die with the death of the physical body.

In other words, the Blood Moon Swordmaster had been killed by Jia Luo!

After all, the Blood Moon sword owner was only a nine-star earth-god and could not compare to An Hua, who was a one-star golden immortal.

Under the power of the world-extinguishing sacred marrow, the Blood Moon Swordmaster was as weak as an ant and could not last for long.

“Whoosh ...”

In the next moment, it was as if a sacred priest ritual had been completed.

The demonic Qi that appeared around Jia Luo had completely integrated into her body.

Then, her eyes turned into a strange dark red, and her whole aura became extremely gloomy and fierce, like the most bloodthirsty and ruthless demon, without any human aura!

However, although he looked more like a demon now, his consciousness had returned.

“Yun fanqing! Don’t hold me back, you should quickly become a true Holy demon!”

Jia Luo glanced sideways at Yun fanqing. His tone was bone-chillingly cold, sinister, and terrifying.

No... I don’t want to be demonized ... Please suck away all the demonic Qi in my body ... I really don’t want to be demonized ... Please ... I beg you ...

Yun fanqing held on to the last of his consciousness and tried his best to suppress the demonic nature in his body.

“It’s not that I don’t want to take the power of the world extinguishing Saint marrow for myself! It’s just that you can’t do that!”

Jia Luo said indifferently, “you and I have each absorbed half a drop of the world extinguishing sacred marrow!” Our lives and deaths have already been linked together! Just like the Twin red spider lilies, we can never be separated again!”

“This ...”

Yun fanqing’s expression froze, but he still shook his head and refused. “No matter what you say ... I’d rather die than join the devil!”

There was no doubt that Yun fanqing was kind by nature, and it was her mission to protect the human world since she was young!

She had long been prepared to sacrifice herself for the human world.

Therefore, her determination to be kind was no less than Chen Xiaobei's!

"Whoosh ..."

Thinking of this, Yun fanqing immediately gathered his true essence and wanted to blast it into his sea of Qi dantian.

Just like Chen Xiaobei, she wanted to use her life as the price to cut off the demonic nature.

"Chi ..."

However, Jia Luo would never let her have her wish!

With a flick of Jia Luo's finger, a dark demonic Qi was released from his fingertip. With a strange and powerful force, it easily destroyed Yun fanqing's vital essence.

"It seems that you still need my help!"

Jia Luo's eyes narrowed. He activated some special ability and pulled out a special blood-red light from the void!

This blood light was not spiritual Qi, true essence, or spirit body. It did not even have a physical form, but was just an ethereal existence!

"What ... What is this? What do you want to do to me!"

Yun fanqing was shocked, and his face instantly turned pale. An extremely strong, ominous feeling surged in his heart.

this is the source of the Blood Moon Swordmaster's sin!

hehe ... Jia Lou laughed sinisterly, " it will help you complete your final baptism and become the noblest, noblest, and greatest world-destroying sacred demon!!!

"Chi ..."

After saying that, Jia Luo directly injected the red light into Yun fanqing's forehead.

"Don't ... Don't ..."

Yun fanqing desperately wanted to refuse.

But now, she was like Chen Xiaobei, in a half-human, half-demon state. She could not control her body.

Suppressing the demonic nature was already very difficult, and there was no way to stop the incorporeal blood light from entering his body.

"Uh ..."

With a shrill cry, Yun fanqing had already reached his limit and could no longer suppress the demonic nature of the world annihilation Saint marrow.

One must know that the Blood Moon Sword Master had once incited a Great War that swept across the entire earth-god World, resulting in extremely tragic deaths and disasters.

Therefore, the Blood Moon Swordmaster's sins had long made him a nine-generation Demon King that could not be tolerated by humans and gods.

His source of sin was like adding oil to the fire, which greatly increased the demonic nature of the world extinguishing sacred marrow.

They had completely broken Yun fanqing's last line of defense.

"Whoosh ..."

All the dark demonic Qi in the surroundings merged into Yun fanqing's body.

Her aura had also undergone a tremendous change.

Gloomy, cold, bloodthirsty, ruthless, and even more terrifying than Jia Luo.

"Congratulations! I've finally succeeded!"

Jia Lou grinned, his dark red eyes filled with anticipation. "You're different from me, you're a genuine Buddha and demon! I'm really looking forward to seeing your performance after your Ascension!"

"Then let's ascend now!" Yun fanqing's eyes opened, and they were also a strange dark red.

"Alright!" Jia Luo smiled indifferently.

"Hiss ... Hiss ..."

Immediately after, Jia Luo and Yun fanqing each took a deep breath and absorbed half of the Black Lotus of destructions!

In the next moment, the true energy in their bodies underwent an extremely strange change, and they successfully broke through a minor realm, both reaching the half-step heaven immortal realm.

At the same time, Jia Luo took out the Ascension elixir that mo Luo Wu Tian had bought and split it into two.

Jia Luo and Yun fanqing each took half an Ascension elixir.

Although half an Ascension elixir couldn't help them avoid the heavenly Tribulation, it could greatly reduce the power of the heavenly Tribulation!

At this moment, they were all supported by the power of the world-extinguishing sacred marrow!

Transcending the Tribulation was as easy as flipping his hand!

.....

Supreme Imperial City.

Chen Xiaobei and Fu Tian Xin'er were sitting in the living room of gantulang's house.

Gan tulang was serving Chen Xiaobei tea and water while he explained the general situation of heaven to Chen Xiaobei.

In general, among the thirty-six levels of heaven realm, the lower the level, the more freedom there was, and the higher the level, the more restrictions there were from the heavenly court and the clan of enlightenment. There were even several levels of heaven that were completely the territory of the clan of enlightenment.

Of course, this was not surprising. Since the last immeasurable cultivation tribulation, the heavenly Lord Yuanshi had been the agent of the way of heaven and the executor controlled the power of the Three Realms.

After so many years, the clan of Enlightenment's power in the heaven realm was naturally at its peak. It was well-deserved to be the greatest Sage sect! They were the most powerful! Their influence was the most widespread! Their foundations were also the most robust!

However, Chen Xiaobei did not want to start a conflict with chanism just yet.

After ascending, the first thing he had to do was to safely rescue fairy Chang 'e.

"Gantulang, don't talk about other things!"

what's the matter? " Chen Xiaobei asked. first, tell me how I can get to the heavenly court!

to the heavenly court!?

Gan tulang was stunned for a moment before shaking his head in embarrassment,"Lord, this is absolutely impossible! The reason why the heaven realm was divided into thirty-six levels of heaven was to distinguish Immortals according to their strength! Without enough cultivation, it's impossible to go to a higher level!"
