#### Chapter 3641: Just the beginning

3641 Just the beginning

According to Tian Peng, the water of the Jade pool had reached the level of a mysterious God. Furthermore, there was only one of it in the entire heaven realm.

More importantly, the peaches of immortality could only grow by watering them with the water of the Jade pool.

Therefore, in the entire heavenly realm, the Queen Mother was the only one who could grow heavenly peaches.

Originally, there was a restriction on the Jade pool. Anyone who touched the lake would immediately alert the Queen Mother.

The Queen Mother's cultivation might be at the high level profound deity stage, or even the quasi-Sage Stage. She could reach any corner of the heavenly court in an instant.

Therefore, the Jade Lake was very safe most of the time.

However, this was a special situation!

The Queen Mother was already unconscious. Even if Chen Xiaobei activated the seal, she would not be able to get here immediately.

It was precisely because of this! Now was the best time to take away the divine water of the Jade Lake!

"Whoosh ..."

Chen Xiaobei flew over, activated his celestial core power, and extracted the Jade pool WaterSeal. He then stored it in his infinite space ring.

"Xiaobei Gege! I'll help you speed up!"

Futian Xin'er was very smart. She immediately activated her sunlight territory and covered Chen Xiaobei and yaochi.

Only a little time had passed in the outside world, but in the sunlight domain, Chen Xiaobei had successfully extracted all the water from Jasper Lake.

"Chi ... Chi ..."

At the same time, the restriction was like an alarm, constantly emitting intense spiritual fluctuations.

However, the Queen Mother was in a coma and would not come.

"Let's go!"

Chen Xiaobei took out three super prosperous monkey fur and turned himself, goddess Chang'e, and Futian Xin'er into little bugs.

Then, Chen Xiaobei hugged Chang 'e fairy and used his Natal purple Qi to cover the three of them.

The entire process went very, very smoothly.

The three of them had already left the Jade Lake divine Palace before the reinforcements arrived.

Chen Xiaobei had planned to absorb all the spiritual Qi in the underground palace as revenge against the Queen Mother.

However, the appearance of the celestial centipede disrupted Chen Xiaobei's plan.

But now, Chen Xiaobei had emptied out the entire Jade pool. The value of the Jade pool was definitely many times higher than the spiritual Qi.

This was the Jade Lake!

It was one of the most important things to the Queen Mother!

When she woke up and learned that the Jade pool had disappeared, she would probably faint again from anger!

"That's great! Xiaobei Gege! Next, we just need to escape from the celestial heavens 'floating continent through the hole, and we'll be completely free!"

Fu Tian Xin 'er was extremely excited, " I had thought that it would be an extremely dangerous operation. I didn't expect that it would be completed so smoothly. It's really beyond my expectations!

"Don't be too happy yet!"

"I met senior brother duo Bao before I came!" Chen Xiaobei said. He once warned me that our actions could be predicted by others! Furthermore, he advised me not to leave the celestial heavens in a hurry!"

no way ... Fu Tian Xin 'er couldn't believe it.

"I think what senior brother abundant treasures said makes a lot of sense!"

of course! Chen Xiaobei said, " in heaven, there must be someone who will continue to predict my situation! One day, they suddenly couldn't calculate anything! He would definitely guess that I'm about to ascend! And after I ascend, the first thing I'll do is definitely to save fairy Chang 'E! Anyone with a little bit of intelligence would be able to guess all of this!"

No. Fu Tian Xin 'er shook her head, " even if someone can guess it, they won't know that we'll be taking action today!

"No! Don't ever underestimate my enemy! Perhaps they'll be able to guess that it'll be today!"

"Don't forget that the Jade Emperor is holding a banquet today for no reason!" Those who are interested will definitely pay special attention to this day!"

"Woof! Buzzzzzz! Buzzzzzz! Yi ..."

Before Chen Xiaobei could finish his sentence, thousands of extreme shadows appeared in the sky!

These people were extremely fast, and even the weakest of them were high level Mystic Immortals! The strongest one had probably reached the deity level.

More importantly, these people were not wearing any heavenly armors, but something similar to Daoist robes.

In other words, these people were not divine officials of the celestial heavens.

If he was not mistaken, these people were the enemies that Chen Xiaobei had predicted.

“Xiaobei Gege ...”

Fu Tian Xin ‘er immediately became nervous,’ your worry might be right! Things weren’t that simple! It could even be said that the danger has just arrived!”

“Steady!”

“Senior brother duo Bao predicted all of this!” Chen Xiaobei said. Right now, what we can do is to follow senior brother abundant treasures’s instructions and hide in the celestial heavens first, then find an opportunity to leave!”

I saw those people flying towards the Jade Lake divine Palace,” Futian Xin ‘er said. it’s just the right time for us to leave the celestial heavens!

“Silly girl!”

Chen Xiaobei said, “ if I’m not mistaken, the entire celestial heavens has been surrounded by my enemies. I’m afraid not even a fly can escape!

how ... How is this possible?! Fu Tian Xin ‘er frowned and said, “we’re so small, and we have our own bodies to protect!” The enemy can’t possibly discover us!”

“You don’t have to rely on your eyes to find us!” Chen Xiaobei looked up at the sky.

“Whoosh ...”

A dark blue screen of light, like a glass cover, came down from the sky and completely enveloped the floating continent.

“This ... This is ...”

Fu Tian Xin ‘er was dumbfounded,’ this is probably a Mystic God-level or even quasi-Sage level defensive array! We really can’t get out ...”

“Girl!” Chen Xiaobei said. You must remember it! My enemy is the most powerful force in the heaven realm! There’s nothing we can’t think of, but there’s nothing they can’t do!”

“I’ll remember it. But, what should we do now?” Fu Tian Xin ‘er asked anxiously.

“Let’s find a place to hide!”

of course! Chen Xiaobei said, " with the help of the Natal purple Qi, we can avoid the primordial spirit domain of anyone below the nine-star golden immortal level! We can only hope that the enemy won't be able to find us and remove the formation before we can leave!"

Fu Tian Xin 'er's expression froze for a moment, and she asked nervously, " what if a perfected golden immortal above nine-stars golden immortal appears? then ... What should we do? "

Golden Immortals were heavenly gods, and zenith heavens were Mystic gods!

The difference between the two was not just a little bit!

Chen Xiaobei was silent for a long time before he said helplessly, " "If a profound deity really appears, I'm afraid we won't be able to keep our lives!"

"This ..."

Fu Tian Xin 'er was startled, and she could only pray silently, " I hope no profound gods appear ... Otherwise, we'll be finished ...

Chen Xiaobei's heart was heavy.

Without enough power, one could not control their own fate.

Having to depend on the enemy's mood for life and death was a terrible feeling.

Ding! Pagoda-bearing Heavenly King Li Jing has sent you a message!

Suddenly, Chen Xiaobei's communication jade talisman vibrated.

what's going on?!

Chen Xiaobei was shocked,"didn't Li Jing drink the poisoned wine too?" How can you still send messages?"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3642: Nine-Star Mystic God**

##### 3642 Nine-Star Mystic God

After finding a safe corner, Chen Xiaobei and Futian Xin 'er hid in it.

The communication jade talisman had also become very small, so it could be taken out directly.

Pagoda-bearing Heavenly King-Chen Xiaobei! Did you retreat? The chanism had suddenly arrived! It'll be too late if you don't retreat! (Urgent)

Chen Xiaobei,"you ... You're Li Jing?" Shouldn't you have fainted by now?

Pagoda-bearing Heavenly King, [ I knew you would make your move today! ] I only put that cup of wine in my mouth and wrapped it with immortal essence! The moment you left, I vomited!

"Awesome!"

Chen Xiaobei pondered and said, " "Li Jing has his reasons for reaching his current position!"

“Nezha might have told Li Jing that I would come to save her! However, Nezha did not know the exact time of the rescue! They didn’t even know that the wine was poisoned!”

“It’s already very, very impressive that Li Jing was able to guess this! I wonder why he’s looking for me now? Are you going to help me? Or are you trying to trick me?”

Chen Xiaobei-I can’t retreat anymore! The clan of enlightenment had covered the entire floating continent with a blue formation.

Pagoda-bearing Heavenly King: “it should be the ” celestial mysterious water formation “. It’s a nine-Star Mystic Divine level ... You really can’t leave ...

“So, you contacted me just to tell me to retreat?”

Pagoda-bearing Heavenly King,”it seems like you don’t trust me!”

Chen Xiaobei: Just based on the few messages you’ve sent?

Pagoda-bearing Heavenly King,”I’m a disciple of the third generation of the clan of enlightenment. It’s reasonable that you don’t believe me!”

Pagoda-bearing Heavenly King,”but I’m going to tell you now that chanism has already sent another nine-Star Mystic Divine level third generation disciple!” I’ll kill you completely at all costs!

Obviously, there were strong and weak disciples in the clan of enlightenment.

For example, Li Jing must have reached the pre-Saint realm and was the strongest among the third generation disciples!

And this Shang hengyun had the cultivation of a nine-Star Mystic deity. Among the third generation disciples, he was an existence that was above average!

It was clear that the chanism was determined to kill Chen Xiaobei. They had sent such a powerful Overlord to Chen Xiaobei when they had the chance, not giving him any chance to breathe!

Chen Xiaobei: Nine-Star Mystic God? (Extremely shocked)

“Hiss ...”

Chen Xiaobei gasped, and his whole body tensed up. “From the looks of it, the Natal purple gas can only avoid the primordial spirit domain of a nine-star celestial God! However, the clan of enlightenment sent a nine-Star Mystic God to kill me!”

“Once this person arrives, his essence soul domain will cover the entire floating continent, and he’ll be able to find me in an instant! At that time, only death would be awaiting me! There isn’t even a chance of turning the tables!”

Pagoda-bearing Heavenly King, [ this person is called Shang hengmo. Right now, he is suppressing the formation core of the celestial mysterious water formation! ]

Pagoda-bearing Heavenly King-other than Shang hengmo, there were already three thousand disciples of the fourth and fifth generation of the clan of enlightenment who had entered the celestial heavens! Among them were high level Mystic Immortals and heavenly deities of various levels!

Pagoda-bearing Heavenly King thought,"logically speaking, these fourth and fifth generation disciples are enough to kill you!" Of course, if they did not succeed, Shang Hengjie would personally take action!

"Phew ... I finally heard some good news!"

"As long as Shang Hengjie doesn't make a move, I still have time to think of a solution!"

Chen Xiaobei, it seems like you want to help me?

Pagoda-bearing Heavenly King, whether you believe it or not! This isn't the first time I've helped you!

"When have you ever helped me?" Chen Xiaobei asked. Give me an example?

Pagoda-bearing Heavenly King, [ the first time, I used Nezha to give you the spiritual bone of the demonic Black Dragon! ]

Chen Xiaobei: "How ... How is this possible?" (Unbelievable)

Pagoda-bearing Heavenly King,"think about how important the demonic Black Dragon's spiritual bone is!" My Li family's treasure vault is extremely secure!

Pagoda-bearing Heavenly King,"if I didn't go easy on him, Nezha wouldn't even be able to touch the door of the treasure vault!" How was it possible to steal the demonic Black Dragon's spiritual bone?

Chen Xiaobei,"now that you've mentioned it, it seems to be true!"

Pagoda-bearing Heavenly King, you should believe me now, right? I'm risking my life to text you! If I'm discovered and reported to the heavenly Lord Yuanshi, I'll definitely die without a burial place!

Chen Xiaobei: I believe you! Is there any other way for me to escape?

Pagoda-bearing Heavenly King,"I have no choice ... I only wanted to inform you to retreat as soon as possible, but now, Shang hengmo has control of the situation!" You're already at the end of your rope!

It was obvious that with Li Jing's strength, he could easily crush Shang henggan and tear apart the celestial dark water formation.

But!

Li Jing also had his own concerns!

The entire Li family was in the heavenly court. Even if it was for his family, Li Jing would have to hide himself. He would not sacrifice his entire family to help Chen Xiaobei.

To be honest, the fact that Li Jing was able to tell Chen Xiaobei about this was already a very good sign of loyalty.

Chen Xiaobei: " since you don't have a solution, then ... If I do, can you cooperate with me? "

Pagoda-bearing Heavenly King, "you ... You really have a way?" (Surprised) you're indeed the pro-disciple of sect master Tongtian. Can you turn the tables in this situation? (Dumbfounded)

Chen Xiaobei: " just tell me. Can you cooperate? "

Pagoda-bearing Heavenly King: As long as you don't threaten my safety, I'll do my best to help you!

Chen Xiaobei, I want to enter the peach Garden! Immediately! Immediately!

Pagoda-bearing Heavenly King, Peach Garden? You're going to use the peaches of immortality to increase your lifespan? Was he planning to use the void splitter of the witch Dragon's nine transformation?

Pagoda-bearing Heavenly King-I have to remind you immediately! The witch dragon's blood was only at the nine-star heavenly god tier! And the heavenly court's spatial dimension laws had reached the quasi-Sage level! Your space rending skill can't tear space apart to Dodge!

Chen Xiaobei: " first of all, I'm not planning to use the dimension Shatterer! Secondly, do you know all nine abilities of the witch Dragon nine transformations?

Pagoda-bearing Heavenly King, "well ... I've only heard from Nezha about the first eight types. As for the ninth type, I really don't know!" Most likely, no one in the Three Realms knew of this! Because you've never used it!

[ Chen Xiaobei: ninth transformation, activate chaos! ] This is the key to breaking out of today's situation! Therefore, I need to replenish my lifespan!

Pagoda-bearing Heavenly King, understood! Hurry to the peach Garden and wait for my red envelope!

Chen Xiaobei: What did this have to do with the peach Garden? (Puzzled)

Pagoda-bearing Heavenly King: " I don't have time to explain. Quickly do as I say! (Emergency)

Chen Xiaobei: I'll listen to you!

Chen Xiaobei put away the communication jade talisman, carried the unconscious Chang 'e fairy, and brought Futian Xin'er to the peach Garden.

When they arrived near the peach Garden, they found another place to hide.

Ding! Congratulations! You've snatched a red envelope from Pagoda-bearing Heavenly King. You've received a Queen Mother gold token. It has been stored inside your treasure chest!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3643: -take them all**

"The Queen Mother's gold token! I understand now! This token can break the formation that covers the peach Garden!"

Chen Xiaobei's eyes lit up, and he was very excited.

Pagoda-bearing Heavenly King, "I stole the token from the Queen Mother!" With this token, you will be able to enter the peach Garden!

Chen Xiaobei: (Fist salute)

Pagoda-bearing Heavenly King, I can only help you this much! Whether you can live or not after this will all depend on you!

Chen Xiaobei-you've already done a great favor! If he couldn't enter the peach Garden ... I'm going to die today!

Pagoda-bearing Heavenly King, I'm just asking! What are the chances of you entering the peach Garden?

Chen Xiaobei, 30%!

Pagoda-bearing Heavenly King,"only ... Only 30% ..." (Anxious)

Chen Xiaobei: It was better than having no chance of winning!

He put away the communication jade talisman again.

Chen Xiaobei brought Futian Xin 'er and Chang' e fairy to the peach Garden.

A large number of celestial soldiers were patrolling near the peach Garden.

These heavenly soldiers were all at the late-stage or even the pinnacle of the Xuan immortal realm. Any one of them was many times stronger than Chen Xiaobei.

However, Chen Xiaobei had the Queen Mother golden token in his hand, so he could ignore all the celestial soldiers.

Buzz ... Buzz ... Buzz ...

Chen Xiaobei brought Futian Xin 'er and Chang' e goddess to the area above the peach Garden.

"Whoosh ..."

Then, Chen Xiaobei took out the Queen Mother gold token and removed the magical formation that was covering the peach Garden.

Then, they immediately entered the peach Garden.

"Whoosh ..."

Chen Xiaobei activated the Queen Mother's golden token again, and the formation was reactivated.

The magical formation that was supposed to protect the peach Garden had now become Chen Xiaobei's protective shield.

Even if the celestial soldiers outside discovered that there was an intruder, they would not be able to enter the peach Garden.

"Chi ... Chi ..."

Then, Chen Xiaobei and Fu Tian Xin 'er returned to their original forms.

As for Chang 'e fairy, she was still in her little bug form and was still unconscious.

“Little girl! Use the God-level sunlight cache to cover the entire peach tree!”

let’s go! Chen Xiaobei said, “ let’s make 27000 years pass by as fast as possible!

“Alright!”

Futian Xin ‘er did as Chen Xiaobei said without hesitation.

In the peach Garden of immortality, there were three grades of peaches of immortality.

They were 3000-year-old heavenly peaches, 6000-year-old heavenly peaches, and 9000-year-old heavenly peaches!

The high-grade 9000-year-old Saturn Peach bloomed, bore fruit, and ripened every 9000 years. In total, it took 27000 years to mature!

Therefore, Chen Xiaobei only needed to speed up Futian Xin ‘er’s cultivation by 27000 years so that all the 9000-year-old Peaches in the peach Garden could ripen!

Naturally, the 3000-year-old and 6000-year-old heavenly peaches would ripen at the same time!

Of course, during this process, the water of the Jade pool was used to water the plants.

Fu Tian Xin ‘er was in charge of speeding up the process while Chen Xiaobei walked around the peach Garden, watering the thousands of peach trees.

Fortunately, he had stolen the water of the Jade pool. Otherwise, this plan would not have been able to be implemented.

In the process of watering the plants.

Chen Xiaobei realized that the most special thing about the water of the Jade pool was that it contained an extremely dense amount of spiritual Qi. It was like the spiritual liquid that was condensed after the spiritual Qi had taken on a physical form.

Chen Xiaobei estimated that the spiritual Qi in a drop of water from Jasper Lake was equivalent to a piece of superior-grade spiritual Jade!

That’s right!

It was a superior-grade spirit Jade!

Watering the peach trees non-stop was equivalent to burning money every minute and second!

In the past 27000 years, Chen Xiaobei had used up 70% of the water in Jasper Lake.

The consumption could be said to be extremely great!

No wonder the heavenly Peach Banquet was only held once a year! The supply of heavenly peaches was also extremely limited!

Of course, the Queen Mother had the sunlight cache. She could ripen as many heavenly peaches as she wanted in a short period of time!

However, she couldn't bear to waste the water of the Jade pool!

That was why the peaches of immortality grew slowly and became extremely precious!

However, Chen Xiaobei was different!

The water of the Jade pool had been obtained for free, and in this situation, he urgently needed his life span to break out of this predicament!

Even though he had 350 million years of life now, it was still far from enough.

Whoosh ... Whoosh ...

27,000 years passed by quickly. Chen Xiaobei released 10000 demonic Pixiu crows from the myriad Beast Ring and had them spread out to pick the peaches of immortality.

There was strength in numbers.

Soon, nearly 30000 peaches of immortality were piled up in front of Chen Xiaobei.

Chen Xiaobei did not waste any time either. He started devouring the food like crazy.

Among them were 10000 9000-year-old Saturn peaches. They were supposed to increase his lifespan by 90 million years, but with the help of the heavenly life Halo, Chen Xiaobei's lifespan was increased by 900 million years!

By the same logic, 10000 6000-year-old Saturn peaches had added 600 million years to Chen Xiaobei's life! 10,000 3000-year-old Saturn peaches had added 300 million years to Chen Xiaobei's life!

"The peaches of immortality have given me 1.8 billion years of life! In addition to my current lifespan, it's a total of 2.15 billion years! However, I'm afraid that's still not enough ..."

xiner! The sunlight domain is covering the 9000-year-old peach tree! It will speed up the process by 27000 years!

"Alright!" Fu Tian Xin 'er immediately did as she was told.

Chen Xiaobei immediately flew over and used the remaining water in Jasper Lake to water each of the 9000-year-old peach trees.

There was only about 30% of the water left in Jasper Lake, so Chen Xiaobei could only water the 9000-year-old peach tree.

As for the 3000 and 6000-year-old books of the heavenly Peach, without the water of the Jade pool, they would no longer bloom and bear fruit.

In the end, Chen Xiaobei managed to harvest another 10000 ripe 9000-year-old Saturn peaches.

He ate it all.

His lifespan had increased by another 900 million years.

With that, Chen Xiaobei's total lifespan has reached 3.05 billion years!"

“This should be enough ...”

Chen Xiaobei looked out of the peach Garden.

At this moment.

Although nearly 60000 years had passed in the sunlight domain!

However, less than half a second had passed outside the peach Garden.

It was clear that Fu Tian Xin 'er had used the sacred tree of Life's special ability and burned her celestial core power and spiritual energy to greatly increase the divine sunlight cache's special ability.

This way, even though Fu Tian Xin 'er had become a little weak, and her mental state was also very poor, she was still very weak.

However, less than half a second had passed in the real world, and the 30000 celestial soldiers outside the peach Garden didn't respond at all!

“Xin 'er! Just hold on a little longer!”

we're already here! Let's go all out and take all the peach trees! Chen Xiaobei said.

“No problem!”

Fu Tian Xin 'er nodded and continued to speed up time.

Chen Xiaobei took out his chaos Blood Sword and activated his nine-star heavenly immortal power. He started to cut the peach Garden from the ground.

Not only did Chen Xiaobei want to take away all the peach trees! He didn't even let go of the soil in the peach Garden!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3644: epic battle**

What was hatred! Just look at Chen Xiaobei!

In the past, when brother monkey caused a great disturbance at the heavenly Peach Banquet, he only had a full meal in the peach Garden!

However, not only did Chen Xiaobei eat all of them, he also wanted to take all of the peach trees and the soil that was used to plant them!

How could the word “ruthless” be so powerful?

If the Queen Mother woke up and saw the empty Jade pool, she would be so angry that she would faint. If she saw the peach Garden again, she would faint for the third time!

“Alright, I'm done!”

Chen Xiaobei then put all the peach trees and soil into his infinite space ring.

At this moment, there was only a little bit of water left in the Jade pool.

However, this last bit was somewhat similar to the water spirit of the heavenly River. It could be said to be the core source of the water of the Jade pool.

In other words, as long as Chen Xiaobei had enough spiritual Qi to nourish the core of the water, he could produce more Jade pool water.

This way, Chen Xiaobei could continue to plant the peaches of immortality.

In fact, it was the same for the Queen Mother to plant peaches.

The spiritual Qi in the heavenly court was abundant, and it kept nourishing the core source of the water of the Jade pool, producing new water of the Jade pool bit by bit.

Over the years, the amount of water the Queen Mother used to water the immortality peach tree was about the same as the amount of water produced by the origin, so the Jade pool had never dried up.

If he had sped up the planting like Chen Xiaobei did, the Jade Lake would have dried up a long time ago.

“Not good! Someone has invaded the peach Garden! The peach trees have all disappeared!”

Almost one second had passed in the real world. The celestial soldiers in charge of guarding the peach Garden finally noticed the abnormality inside.

“How could this be? The formation was clearly fine! Why did someone enter the peach Garden?”

“Don’t think about why! Hurry up! Hurry up and surround the peach Garden! We can’t even let a fly go!”

“Go! Report to the Queen Mother immediately! Ask her to come and take charge of the situation!”

The celestial soldiers were extremely shocked, but they were celestial soldiers after all. They were well-trained and had a good state of mind.

Even though they were shocked, they still had a clear division of labor.

A small number of people rushed to report.

Most of the people had surrounded the peach Garden from all directions and every angle in the sky.

They circulated their immortal essence, took out their weapons, and activated their essence soul domains. They were highly focused.

In such a state, even a grain of sand could not escape from the peach Garden, let alone a fly.

“I found it! There were two people in the peach Garden! Was the woman from the snake tribe? Or the Qiang tribe? The man is ... Is ... Is Chen Zhufeng!”

Soon, some of the heavenly soldiers screamed as if they had seen a ghost. Their faces changed and they even broke out in cold sweat.

At the same time, Chen Xiaobei quickly turned Futian Xin ‘er back into the little bug.

The heavenly soldiers were all focused on Chen Xiaobei and did not pay much attention to Fu Tian Xin ‘er. They did not even know if she was from the snake tribe or the duon tribe.

“Xiaobei Gege ... What should we do now?” what’s wrong? ” Futian Xin ‘er asked as she flew beside Chen Xiaobei.

“You protect fairy Chang ‘E! Leave the rest to me!” Chen Xiaobei handed Chang ‘e fairy to her.

“Mm ...”

Fu Tian Xin ‘er nodded her head and wrapped her celestial core power around Chang’ e, protecting her.

“Whoosh ...”

Chen Xiaobei used the Queen Mother’s golden token to remove the magical formation around the peach Garden.

“Xiaobei Gege! What are you doing? Without the formation! The enemies will all come for us!” Fu Tian Xin ‘er was shocked and said anxiously.

“This is the only way!”

“The enemy has a nine-Star Mystic God! He will destroy this formation sooner or later!” We have nowhere to hide! We can only fight for a chance of survival if we face them head-on!”

hard ... Hard ... Fu Tian Xin ‘er was starting to get nervous.

Although she didn’t say anything, it wasn’t hard to tell from her reaction that she didn’t have the slightest confidence in a head-on battle.

This was not surprising at all. After all, she and Chen Xiaobei were only one-star celestial Immortals. Any heavenly soldier around them could easily kill them, let alone the clan of enlightenment disciples!

There was no suspense in a battle like this. It would be strange if Fu Tian Xin ‘er was confident!

“Brothers! Kill! Whoever could take Chen Zhufeng’s life would become the direct disciple of the heavenly Lord Yuanshi! This is a great contribution!”

Seeing that the formation had been removed, the 30000 celestial soldiers around them were all excited.

In their eyes, Chen Xiaobei was as weak as an ant.

Stepping on an ant to death would earn them a huge contribution, and their future would be limitless.

Anyone with a normal brain would have fought to kill Chen Xiaobei.

In an instant, the 30000 celestial soldiers were like 30000 hungry wolves. They surrounded Chen Xiaobei from all directions.

“Xin ‘er! You hide well! No matter what happens, don’t worry about me!” Chen Xiaobei said seriously.

yes ... I’ll remember it ... Fu Tian Xin ‘er was extremely nervous.

She did not expect herself to be of any help to Chen Xiaobei. She only hoped that she would not drag him down. She was already very satisfied with that.

whoosh ... Whoosh ... Whoosh ...

The 30,000 celestial soldiers charged down at an extremely fast speed.

It was so terrifying that it felt like 30000 mountains were pressing down, which was enough to flatten the entire space!

“I didn’t expect this to be my first battle after my Ascension ...”

Chen Xiaobei stood there proudly, his dark eyes scanning the crowd, his mood gradually rising.

He was facing 30000 high-level Mystic Immortals alone with the cultivation base of a one-star celestial immortal!

The difference in numbers was huge! The difference in cultivation was huge!

Chen Xiaobei would not be able to get the right timing, the right place, and the right people!

The only thing he had was the boiling blood and the burning desire to fight!

Such a battle could be called a shocking epic battle!

Whether he succeeds or fails, lives or dies, Chen Xiaobei’s name will shake the Three Realms, and be remembered by history and all living beings!

However, this was only the beginning!

“All of you stop! You’re just a bunch of small fries, what right do you have to steal this great contribution?”

At this moment, a furious roar came from the sky.

His voice was accompanied by a terrifying pressure, which instantly intimidated the 30000 celestial soldiers.

this ... This voice ... It’s the clan of enlightenment!!!

The 30,000 celestial soldiers looked toward the source of the sound and broke out in a cold sweat.

Three thousand disciples of the clan of enlightenment descended from the sky.

More than half of them were peak Mystic Immortals, while the remaining half were celestial gods!

And the three people flying at the very front were even peak divine realm experts!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3645: Peak Xuan immortal**

3645 Peak Xuan immortal

Chanism’s sovereign sky!

Even the entire heavenly court was only one of the many forces under the clan of enlightenment!

The disciples of the clan of enlightenment had always been superior to others, and they didn’t even care about the divine Palace of the celestial heavens!

If he was the direct disciple of heavenly Lord Yuanshi, his status and authority would be even higher than that of the Jade Emperor!

Because of this, the 30000 celestial soldiers were immediately intimidated by the arrival of the 3000 clan of enlightenment disciples. Not only did they not dare to continue to attack, but they also retreated instinctively.

It was obvious that in everyone's eyes, Chen Xiaobei had made a huge contribution. In fact, he did not even need to use much effort to get this contribution.

The 30,000 celestial soldiers were eager to get the credit, but they didn't dare to compete with the disciples of the clan of enlightenment.

Overbearing!

This was the overbearing nature of chanism!

From this, it could be seen that the members of the clan of enlightenment had a high and mighty attitude in the entire heavenly realm! They would definitely take away any benefits they saw!

Even if it was harming others for his own benefit! Even if it was by force! They didn't care!

They didn't care about first come, first served, or honor and shame!

With their background, they could do whatever they wanted! No one dared to say a word to them!

Because of this, the 30000 celestial soldiers who had already eaten the 'Fat Duck' in their mouths were snatched away, but they didn't even dare to let out a fart!

"....."

Chen Xiaobei's eyes were cold. He already had a grudge against chanism!

Chen Xiaobei was even more displeased after witnessing chanism's arrogance, dominance, and pretentiousness.

His blood was boiling, his fighting spirit was burning like a raging fire, and his dark eyes were filled with a cold and bloodthirsty killing intent!

"Chen Zhufeng! You didn't expect this, did you? We've clearly calculated your whereabouts!"

The three thousand chanism disciples landed and surrounded Chen Xiaobei.

As soon as this person spoke, the 30000 celestial soldiers outside exclaimed.

"Look! It was Chang Zhengfei! He was the best among the fifth generation disciples of the clan of enlightenment! He was extremely talented and had already stepped into the peak Mystic immortal realm before he was thirty thousand years old! He's a first-class genius among the younger generation of the heaven realm!"

"The people around Chang Zhengfei can't be underestimated either! If I'm not mistaken, the top ten young geniuses of the fifth generation disciples of the clan of enlightenment are all here!"

“Don’t look down on these ten people just because they’re all at the peak of the mystic immortal stage. Their essence soul special abilities and bloodline talents are extremely rare, and they can crush geniuses of the same level!”

The 30,000 celestial soldiers exclaimed in shock. Their eyes were wide open and their faces were full of excitement. They were like a group of die-hard fans who were looking at their favorite celebrity with envy, admiration, and extreme reverence!

It was obvious.

Although the clan of enlightenment had sent 3000 disciples, not all of them were worthy of the credit of killing Chen Xiaobei.

Most of the people were only here to watch the battle.

Those who were truly qualified to get a share of the loot were the outstanding disciples of the clan of enlightenment at all levels.

He didn’t know what kind of agreement they had.

In any case, the first to step forward was Chang Zhengfei and the clan of Enlightenment’s top ten fifth generation disciples!

Behind them, there were still a large number of heavenly God-tier disciples who were eager to try. The strongest three of them had even reached the peak of the heavenly God Realm. Among the fourth generation disciples, they could be ranked in the top ten!

“Cut the crap!”

Chen Xiaobei’s eyes were cold as he looked at everyone around him. “All of you come at me together, I’m in a hurry!”

what??? ”

As soon as he said that, the crowd exploded!

“Is this kid crazy? With a cultivation base of one-star heaven immortal realm, he actually asked three thousand disciples of the clan of enlightenment to attack him together? Is this the legendary fancy way of seeking death?”

it’s obvious that he doesn’t think he can win. This way of declaring war is clearly asking for a quick death!

“This kid is really stupid! He was like a comical clown! I’m dying of laughter! Hahaha ...”

The 30,000 celestial soldiers laughed and looked at Chen Xiaobei as if he was an idiot.

“You guys don’t understand!”

At this moment, Chang Zhengfei stepped forward and sneered with his eyes narrowed. Chen Zhufeng is sect leader Tongtian’s direct disciple. If he’s killed by a fifth-generation disciple of the clan of

enlightenment, sect leader Tongtian will lose all his face! But if he dies at the hands of three thousand people, even if he dies, he can at least retain some dignity!”

The other disciples of the fifth generation of the clan of enlightenment laughed ferociously.

“Chen Zhufeng sure is loyal! He didn’t forget to save sect master Tongtian’s face even when he was about to die! But we didn’t do what he wanted! We’ll go one by one!”

“Well said! We’re going to crush him one-on-one! Ravage him! Kill him! Let the Three Realms know that the disciples of the clan of enlightenment are many times better than the disciples of the clan of severity!”

“I think there’s no need to prove it! Who doesn’t know that his tribe of Jie was defeated by my clan of enlightenment! Now, sect leader Tongtian is imprisoned, and the tribe of severity has long been exterminated. It’s not worthy to be compared with us!”

“No matter what! I’m still going to kill Chen Zhufeng alone!”

The youngest man among the ten walked out. He was ready to kill Chen Xiaobei, like a tiger staring at a lamb, ready to pounce on him and kill him!

“Chen Zhufeng! I’ll remember it! The person who killed you is called si Lixin!”

Si Lixin took a step forward, and the celestial core power in his body suddenly surged. It was as if a planet had exploded, emitting a terrifying shock wave that caused the vegetation to hibernate, the houses to collapse, and even the surrounding land to tremble!

“Clang”

In an instant, a sword cry tore through the sky, and tens of thousands of celestial core power condensed into a Supreme giant sword that pierced through the sky and pressed down on the earth. It was majestic and magnificent, like mountains and seas!

“So ... So terrifying ...”

All of a sudden, not only the 30000 celestial soldiers, but some of the fifth generation disciples of the clan of enlightenment with lower cultivation exclaimed in shock.

“Si Lixin is truly worthy of being the tenth-ranked young genius among the fifth generation disciples! Although he is also a peak Xuan immortal, his actual combat power is enough to crush me!”

“He’s too powerful! With this kind of power, Chen Zhufeng can do whatever he wants. He can’t fight back at all!”

“Who can you blame? Chen Zhufeng could only blame himself for being stupid! Why did he have to join a useless sect like the Jie sect? He had lost his life in vain! He’s really stupid!”

.....

heaven-splitting sword!!!

die! si Lixin did not waste any time. He immediately activated the giant sword and slashed it at Chen Xiaobei.

“Woof!”

The sword’s blade landed on Chen Xiaobei’s head with the force of a Thunderbolt!

Was everything going to end just like that?

### Red Envelope Group of the Three Realms

#### **Chapter 3646: Directly crushed to death**

3646 Directly crushed to death

“Boom boom boom ...”

The giant sword fell, and a terrifying blast of air burst out. Countless strong winds rolled up shocking shock waves, even breaking the formation of the thousands of celestial soldiers in front of the sword.

Terrifying!

This was simply too terrifying!

One must know that these heavenly soldiers were all late-stage or even peak-stage Xuan Immortals.

Even with such a cultivation realm, they were still scattered by the aftermath of si Lixin’s sword Qi.

From this, it could be seen that even peak Xuan Immortals were divided into different grades.

Si Li Xin was clearly an outstanding peak Mystic immortal, and he could easily crush opponents of the same level.

Si Lixin could even defeat a peak-stage Mystic immortal, let alone a one-star celestial immortal like Chen Xiaobei.

It was obvious that Chen Xiaobei was dead for sure. Even his physical body and primordial spirit had been crushed into ashes, leaving no trace behind.

“Whoosh ...”

However, in the next moment, an unbelievable scene appeared in the scene. It even shocked the deepest part of everyone’s soul!

“BOOM!”

With a loud explosion, the huge sword condensed by celestial core power suddenly shattered.

The wild celestial core power and strong wind scattered in all directions. In the illusion, a strange face gradually appeared!

It was Chen Xiaobei’s face!

However, his eyes had already turned blood red! His head and body were emitting demonic Qi that looked like black flames!

At this moment, his entire aura changed dramatically, as if he was an ancient demon Emperor ruling the world, cold and cruel! Bloodthirsty! Violent! Ruthless!

At his feet, all living beings would either kneel down and submit! Otherwise, he would die without an intact corpse!

“Hiss ...”

In an instant, the sound of people gasping erupted in the crowd.

“Then ... What’s going on? Chen Zhufeng’s cultivation was pitifully weak! How could it possibly shatter the sword that cut the heavens! I ... I’m not dreaming, right?”

“Look! How could Chen Zhufeng have such a terrifying demonic Qi? That’s the most primitive and purest Saint demon Qi!”

“Saint ... Saint demon Qi? Oh my God! Could Chen Zhufeng have been possessed? Furthermore, he was a top existence of the demon race with the bearing of a Saint! Holy demon!”

Everyone was completely stunned. Even if they racked their brains, they couldn’t imagine what was going on.

However, what they could never have imagined was ...

“Woof!”

With a sharp sound of air being torn apart, Chen Xiaobei charged forward at lightning speed and appeared right in front of si Lixin.

This speed was so fast that even the surrounding peak Xuan Immortals could not see it clearly!

“Puchi!”

By the time everyone could see it clearly, Chen Xiaobei’s hand had already formed a claw and pierced through si Lixin’s dantian!

The flesh and blood were easily pierced through by Chen Xiaobei’s fingers like paper!

Chen Xiaobei crushed the mystic immortal dharma body like an eggshell!

Chen Xiaobei’s palm was covered with celestial core power. He grabbed si Lixin’s primordial spirit as if he was holding a little chick. If he exerted a little force, si Lixin would be turned into ashes!

“Help ... Help! Chen Zhufeng’s combat strength had reached the one-star celestial God Realm! With just a thought, he can crush me to death!”

Si Lixin’s primordial spirit shrieked hysterically. He was so frightened by the fear of death that his soul flew out of his body and his guts were torn apart.

“Who said that he would kill me easily? And who said our Jie sect was a useless sect? I’ll remember all of you! I will use your lives to prove it to the world!”

Holding si Lixin's primordial spirit, Chen Xiaobei's blood-red eyes swept across everyone in the room like red lightning.

"I was wrong ... It was all my fault ... I won't do it again ... Please spare my life ..." He begged.

Si Lixin was really scared out of his wits. He said in a low voice, "Besides, I wasn't the only one who said that! You ... You can't possibly kill everyone, right?"

"If everyone says so, I'll kill everyone!" Chen Xiaobei's eyes were blood red, and his pupils were so empty that it made one's hair stand on end. His face was emotionless, and his killing intent was unquestionable!

"Chen Zhufeng! Who Do You Think You Are!"

At this moment, the disciples of the clan of enlightenment who were at the heavenly God Realm all stood up and threatened angrily.

even if you're possessed, you're only a one-star divine realm expert. Any one of us can kill you!

"I advise you to release si Lixin's primordial spirit immediately, and we'll let you die a quick death! Otherwise, we'll definitely make you suffer endless torture and make you wish you were dead! I can't die!"

"Chen Zhufeng! Hurry up and release her! Don't f \* cking refuse my face! Otherwise, you will die a very, very ugly death!"

Even though Chen Xiaobei had defeated si Lixin in a matter of seconds, he was still the same.

However, in the eyes of the chanism's fourth generation disciples, Chen Xiaobei was still very, very weak.

Even the three most powerful innate gods did not bother to speak. They stood behind the crowd, looking down at Chen Xiaobei as if they were in control of the situation.

"Chen ... Chen Zhufeng! Did you hear that! Quickly let me go! Otherwise, my senior brothers will definitely let you die ..."

With everyone's support, si Lixin gained some courage.

Unfortunately, before he could finish his words, he could no longer speak!

"Bang!"

Chen Xiaobei crushed si Lixin's primordial spirit as if he was crushing an ant.

"Chen Zhufeng! You actually killed si Lixin! You're simply too audacious!"

The remaining chanism disciples roared at Chen Xiaobei, their anger erupting like a volcano.

"I've burned 100 million years of my life in exchange for this power! It's such a waste to only kill si Lixin!"

Chen Xiaobei was not afraid of their threats at all. He took another step forward.

Black Lotus of destructions-unparalleled Demon Seal!!!

With a roar, Chen Xiaobei's demonic Qi exploded, and a lifelike Black Lotus of destruction appeared behind his head.

Chen Xiaobei had burned 100 million years of his life to activate the power of the sacred marrow of annihilation.

This power could reach the level of a one-star celestial deity!

Furthermore, he could be invincible among those of the same level!

To think that even someone as powerful as An Hua had almost died to this power!

A mere si Lixin would naturally be killed in an instant!

Just like what Chen Xiaobei had said, killing si Lixin would be a waste of the 100 million years of his lifespan!

"How dare you insult the Jie sect! Kill! Wu! Pardon!"

The next moment, Chen Xiaobei summoned the Black Lotus of destructions and aimed it at the fifth generation disciples of the clan of enlightenment.

These disciples were all peak Mystic Immortals and didn't have the power to fight back.

The outcome could be imagined!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3647: slap the stinky face**

"Whoosh! Whoosh! Whoosh! Whoosh ..."

Thousands of black demonic Qi suddenly burst out from the root of the Black Lotus of destructions.

Like the roots of a tree vine, they twisted and intertwined and extended rapidly, covering all the fifth generation disciples of the clan of enlightenment and the thousands of celestial soldiers behind them.

The power of the Black Lotus of destructions had reached the level of a one-star celestial God, and it was invincible among its peers.

Facing these Mystic Immortals who were a whole level higher, he was simply going to kill them without any suspense! Instant defeat! This was the true meaning of killing!

"Woof! Buzzzzzz! Yi ..."

The black vines shot out like arrows, each vine aimed at an enemy and pierced through their bodies.

Then, the vines twisted and repeatedly pierced through each enemy's body like a needle.

In an instant, nearly 2000 fifth-generation disciples of the clan of enlightenment and 8000 heavenly soldiers were all hit.

His body was riddled with thousands of holes by the dark vines, and blood spurted out. His broken internal organs emerged from the bloody holes, and the scene was simply too horrible to look at.

What was more terrifying was that their Dharma bodies, nascent souls, and primordial spirits could not escape. All of them, along with his body, were destroyed by the dark vines until they were completely destroyed.

“Swish ...”

In just three seconds, the Black Lotus of destructions suddenly trembled, and tens of thousands of bodies with holes in them fell to the ground and broke into pieces. Blood flowed into a small river, with minced meat and ruptured internal organs flowing.

This scene was like the legendary Asura hell. Just looking at it was creepy!

“Spare me ... Spare me ...”

It was unknown if he was lucky or unlucky, but Chang Zhengfei, who was the most arrogant at the start, actually managed to escape and was not hit by the dark vines.

At this moment, Chang Zhengfei used all his strength and flew toward the clan of Enlightenment’s fourth generation disciples.

In Chang Zhengfei’s eyes, Chen Xiaobei was only a one-star enlightened master. He was no match for the clan’s fourth generation disciples. As long as he ran to his senior brothers, he would be absolutely safe.

“Zhengfei! Hurry over!”

A disciple of the fourth generation of the clan of enlightenment rushed out, ready to help Chang Zhengfei.

“You want to run? Do you have my permission?”

However, Chen Xiaobei did not plan to let Chang Zhengfei go.

Chen Xiaobei took a step forward and turned into a black shadow. Like a ghost, he appeared next to Chang Zhengfei.

“Bang!”

Without a word, Chen Xiaobei struck out with his palm!

The thick dark demonic Qi on his palm expanded and turned into a dark handprint with a radius of 100 meters!

With a muffled sound, the well-known figure of the fifth generation of the clan of enlightenment, a first-class genius of the younger generation in the heaven realm, was smacked down from the air and pressed to the ground like a poor fly!

“Boom boom boom ...”

the ground trembled, and countless spiderweb-like cracks began to appear on the surface of the earth, with the dark palm at the center.

Chang Zhengfei didn’t move at all under the dark palm.

“Whoosh ...”

After that, the dark palm print disappeared, leaving only a human-shaped pit on the ground. Chang Zhengfei was nowhere to be seen!

Of course, it was impossible for Chang Zhengfei to escape!

In the pit, there was a pile of mush-that was his body!

As for his primordial spirit, because it couldn't leave his body, it was crushed along with his physical body and completely disappeared.

“Flying!”

The fourth generation disciple who wanted to help Chang Zhengfei had just flown halfway when he realized that it was too late. Chang Zhengfei had still died in front of his eyes!

Face smacking!

It was a resounding slap to the face!

This result was like an invisible slap on the face of every disciple of the clan of enlightenment!

Just a moment ago, they were still acting arrogantly and domineeringly because of their background! They even threatened Chen Xiaobei with their cultivation.

However, not only was Chen Xiaobei not afraid of them, but he was also killing them right in front of them!

This face slap simply resounded through the sky!

However!

This was not the end!

Chen Xiaobei's invisible slap had landed on the entire clanism! A slap to the face of the heavenly Lord Yuanshi!

At first, the clan of enlightenment only wanted to use Si Lixin to kill Chen Xiaobei, and then humiliate the clan of severity and the leader of Tongtian!

However, Chen Xiaobei had killed nearly ten thousand people in just three seconds!

This result would only add a glorious stroke to the history of the tribe of Jie! It would only make sect master Tongtian more proud! They were even proud to have Chen Xiaobei as their direct disciple! And pride!

The name of Chen Xiaobei, the direct disciple of the sect leader of the tribe of severity, would shock the Three Realms!

Who would dare to despise and humiliate the Jie sect again?

On the contrary, the clan of enlightenment had lost tens of thousands of people to a single person.

This result would only make people feel that Chanism was incompetent! He felt that the heavenly Lord Yuanshi was useless! After teaching such a group of useless disciples, they still have the face to call themselves the number one force in the heaven realm? He was really shameless and invincible!

This slap was enough to blow up the faces of the clan of enlightenment and the heavenly Lord of the origin!

However, this battle was not over yet. The face-smacking had only just begun!

“Swish!”

Chen Xiaobei did not stop. While everyone was still in shock, he charged forward and killed thousands of them. With lightning speed, he grabbed the Chanism fourth generation disciple who was flying in the air!

“Uh ... Uh ah ...”

The disciple instantly let out a painful wail.

In terms of strength, this person was also an early one-star celestial God, which was the same level as Chen Xiaobei.

But! The quality of the world-extinguishing Saint marrow had reached the peak level of a pre-Saint! Naturally, the power of his special ability would be able to crush opponents of the same level!

Just like how he had clutched An Hua’s throat.

The Chanism’s fourth generation disciple was lifted up by Chen Xiaobei with one hand. No matter how hard he struggled, he could not break free from Chen Xiaobei’s grasp.

What was even more strange was that the dark demonic Qi had enveloped the disciple of the fourth generation of the clan of enlightenment! He couldn’t use his power at all, and his primordial spirit couldn’t leave his body!

“Crack!”

Chen Xiaobei broke the neck of the Chanism’s fourth generation disciple!

The dark demonic Qi poured into his sea of Qi dantian and directly destroyed his primordial spirit!

The disciples of the fourth generation of the clan of enlightenment! One-star celestial deity!

By! Seconds! Kill!

heavens ... This ... This ... This ...

Seeing this scene, everyone who was left at the scene was extremely shocked.

Their eyes were wide open and their mouths were wide open. They couldn’t believe their eyes.

They were shocked not because they were weaker than Chen Xiaobei, but because the combat power that Chen Xiaobei had displayed was beyond their comprehension.

He could crush an opponent of the same level as him like an ant!

This was no longer a crushing defeat! It was a difference of two levels! There was no comparison at all!  
Strong!

It was terrifyingly powerful!

“My fellow brothers! Chen Zhufeng had been possessed! We don’t need to talk about morality with him! All together! We must kill this devil!”

At this time, a peak divine realm expert stood out.

After that, the remaining thousand or so disciples of the clan of enlightenment all activated their celestial core power and entered a state of combat!

### Red Envelope Group of the Three Realms

#### **Chapter 3648: hurry**

Without a doubt, the clan of enlightenment was in a complete panic!

In the beginning, they did not take Chen Xiaobei seriously. They mocked him, scolded him, and even humiliated the prime of Tongtian!

However, in less than half a minute, Chen Xiaobei had killed 2000 fifth-generation chanism disciples, 8000 heavenly court elite heavenly soldiers, and a fourth-generation heavenly God-tier chanism disciple! Furthermore, it was an absolutely overwhelming instant kill!

The result was simply terrifying! Everyone present was hit by a 10000-fold nuclear explosion!

Shocking! Fear! His attitude had completely reversed!

The clan of enlightenment no longer dared to underestimate Chen Xiaobei. They did not even have the courage to fight him one-on-one. They were going to ignore the morals of the pugilistic world and attack him together!

It was a shameless move but the chanism did not know how strong Chen Xiaobei was. They did not know if Chen Xiaobei would show any more power. So, no matter how shameless they were, they could only shamelessly join forces to attack him.

“Woof! Buzzzzzz! Whoosh!”

The three peak heavenly God-level disciples of the clan of enlightenment flew to the front and activated their celestial core power. They even took out three extremely powerful heavenly God-level Dharma Treasures!

Behind them were more than a thousand disciples of the clan of enlightenment, who were one to eight star heavenly gods. They were all nervous, as if they were facing a great enemy. They circulated their celestial core power to the extreme, not daring to hold back.

The remaining 22000 celestial soldiers were terrified, but with the 1000 fourth generation disciples of the clan of enlightenment standing guard, they gathered their courage and surrounded Chen Xiaobei.

With Chen Xiaobei as the center, they had formed two circles, one big and one small.

There were 1000 fourth generation disciples in the inner circle and 22000 elite heavenly soldiers in the outer circle. Overall, Chen Xiaobei was still at a disadvantage.

“Everyone, don’t panic! I’ve already seen through Chen Zhufeng!”

Zhuo Aohan, one of the three peak divine realm experts, took the lead and stood out. She said solemnly, “Chen Zhufeng must have used a sacred demonic item to temporarily reach the ‘pseudo realm’ of the one-star celestial God Realm! His strength could no longer continue to increase! Everyone, there’s no need to be afraid of him!”

The so-called ‘pseudo realm’ referred to a temporary cultivation realm. Usually, there was a time limit. Once the time limit was up, one’s strength would return to normal.

Moreover, the ‘pseudo state’ was related to a person’s cultivation. With Chen Xiaobei’s current cultivation, the strongest ‘pseudo state’ he could reach was 1-star celestial God.

The moment he said that, everyone around him became excited again.

“If that’s the case, that’s great! Any one of us is a mid-stage one-star divine realm expert and we can crush Chen Zhufeng!”

“In theory, yes, but we still have to be careful! Don’t fight him one-on-one, all of you attack together and cripple his cultivation first!”

“What are you afraid of? There was Shishu in the sky! There were still a million celestial soldiers in various places of the celestial heavens! Chen Zhufeng can’t do anything!”

Everyone’s confidence was reignited. They were all ready to attack Chen Xiaobei at any time.

“Chen Zhufeng! What I said just now was right, right?”

Zhuo Aohan narrowed his eyes and sneered. you’re merely an early one-star celestial deity in the pseudo-realm. Yet, you’re still acting as if you can sweep the entire battlefield. Don’t you think that you’re being ridiculous? ”

“Hiss ...”

Chen Xiaobei did not say a word. He activated the yin-yang life and death Ring and released a large amount of life force to replenish the consumed divine core and mental power.

“Why aren’t you talking?”

Zhuo Aohan raised his eyebrows and raised his chin. “Weren’t you very arrogant just now? Didn’t you want to kill us without mercy? Why didn’t he even dare to fart now? Did he know that he was going to die? Are you giving up on resisting?”

As soon as he said that, the surrounding people also laughed hideously.

In their eyes, Zhuo Aohan’s analysis was completely correct. Chen Xiaobei was left speechless and helpless. He could only wait for his death.

“Chen Zhufeng! I’ll give you a chance!”

The more Zhuo Aohan spoke, the prouder she became. She even started to humiliate him. "As long as you destroy your own cultivation and give up all your treasures! I can spare your cheap life and let you be a dog under my feet! Use your mouth to carry my shoes! Hahaha ..."

"You're right! My strength is indeed only at the 'pseudo realm'! The effect will not exceed ten minutes ..."

Finally, Chen Xiaobei, who had been silent the whole time, opened his mouth and said, "100 million years of lifespan in exchange for 10 minutes of 'pseudo-state'? this is too extravagant. I have to hurry ..."

"Eh? What are you trying to do? Should we surrender?"

Zhuo Aohan's expression froze for a moment, and she could not help but laugh hideously. "Heh, at least you know what's good for you! Don't worry, as long as you're obedient, I'll definitely keep my promise and make you my lowly Lackey!"

"No, you've misunderstood!"

Chen Xiaobei calmed himself down and stopped the yin-yang life and death Ring. "I need to hurry up ... And kill!"

Kill! People!

As soon as he said that, everyone present was shocked!

On the surface, it looked like they had the upper hand and Chen Xiaobei would definitely lose.

But now, when Chen Xiaobei said the word 'murder', everyone, including Zhuo Aohan, felt a strong and cold Holy demon's pressure!

This pressure was like an extremely cold ice arrow that directly shot through everyone's mind, making them feel uneasy and afraid from the depths of their souls. It even made them hallucinate as if they had fallen into a bottomless ice abyss and could freeze to death at any time!

Terrifying!

This pressure was simply terrifying!

Chen Xiaobei was obviously going to lose, and he had nowhere to go, so why was he still able to unleash such a terrifying aura?

This was simply inconceivable!

"The eighth transformation of the witch Dragon's nine transformation ..."

While everyone was still in shock, Chen Xiaobei had already taken a step forward in the air and shouted out three words!

"Ta! Peak! Feng!"

The special ability of the witch dragon blood was suddenly activated!

[ ding Yingluo's cultivation base: peak nine-star celestial God. Lifespan: 2.75 billion years, physique: Xxxxx, combat power xxxxx, primordial spirit attack: Saint level!

After spending 200 million years of his life, Chen Xiaobei had used the witch Dragon's ninth transformation to reach the peak of the eighth transformation, while building on the foundation of the pseudo-realm of a one-star celestial God! He directly stepped into the terrifying realm of peak divine realm!

"Shua shua ... Shua shua ..."

As Chen Xiaobei charged towards the enemy, purple-gold dragon scales appeared on his body. It was as if he was wearing a suit of purple-gold dragon-scale armor.

what ... What ... What the hell is this?!

Zhuo aokai was dumbfounded. His pupils contracted uncontrollably, and his heart clenched. His breathing quickened, and he broke out in cold sweat. He was so scared that he almost peed his pants!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3649: Not over yet**

3649 Not over yet

"So ... So terrifying ..."

Even though they were both peak nine-star divine realm experts, Zhuo Aohan could clearly feel the overbearing aura that Chen Xiaobei was exuding!

Compared to Chen Xiaobei, Zhuo Aohan felt like she was as small as an ant!

This wasn't the feeling one should have when facing someone of the same cultivation level!

"Shatter mountains and rivers!"

With a loud roar, the purple-gold extreme shadow suddenly descended in front of Zhuo Aohan!

Although they were at the same cultivation level, the speed of the purple-gold shadow was clearly faster than Zhuo Aohan's!

"BOOM!"

In the next moment, before Zhuo Aohan could even react, the purple-gold dragon Fist had already landed on his face!

The explosive purple gold immortal essence was added to the hard Cannon Fist covered in dragon scales, and the terrifying power was like the fall of a star, which could completely tear a plane apart!

"Boom boom boom ..."

Zhuo Aohan's entire body flew out at lightning speed and crashed into a Palace a few thousand meters away.

The palace collapsed instantly, and even the ground within a radius of hundreds of meters caved in. It was as if it had been hit by a meteorite.

Upon closer inspection, Zhuo Aohan was lying in the middle of the pit.

There were no scars on his body.

However, his head had completely exploded and shattered into pieces.

my God ... This ... This ... This is too terrifying!!!

In the next moment, everyone in the audience burst out screaming in horror.

“What kind of monster is Chen Zhufeng? He had crippled senior brother Zhuo’s physical body with a single punch! I ... I’m not dreaming, right?”

“What kind of power is that? How did Chen Zhufeng suddenly have the combat power of a peak divine realm expert?”

why is Chen Zhufeng’s strength at least 70% higher than senior brother Zhuo’s when they’re both peak sky celestial? ”

“Why? Why is this happening?”

At the scene, everyone was so shocked that their faces turned pale and their souls scattered. They racked their brains but still couldn’t understand what had happened.

Not only did they not dare to get close to Chen Xiaobei, but they also started to run for their lives.

“Ling jiuxiao!”

However, there was no doubt that Chen Xiaobei would not let them go!

The purple-gold extreme shadow suddenly flashed and quickly went to another peak heavenly God disciple of the clan of enlightenment.

This person had long been scared out of his wits. He had no intention of fighting and ran away.

Unfortunately, he could not be faster than Chen Xiaobei.

“Swish!”

The purple-gold dragon Claw pierced through his sea of Qi dantian from his back and pulled out his primordial spirit!

He crushed it with one claw, cleanly and neatly.

“Eight desolations quake!”

Chen Xiaobei then charged towards the third peak heavenly God-tier chanism disciple!

A flying kick directly landed on that person’s sea of Qi dantian.

“Bang! Yi ...”

The next moment, the man's body exploded.

It was like a bag of meat paste. After it exploded, the flesh, internal organs, and even bones that sprayed out had been completely shattered, just like the meat paste.

At the same time, the purple gold immortal essence penetrated the man's dharma body and wiped out his essence spirit.

Black Lotus of destructions-unparalleled Demon Seal!!!

Chen Xiaobei shouted again.

The burning of 100 million years of life just now could sustain the pseudo realm of the world annihilation sacred marrow for 10 minutes.

At this moment, he had burned another 200 million years of his lifespan, allowing his pseudo realm to reach the peak of the heavenly God Realm.

Even though the killing move he was using was the same as before, the surge in his pseudo realm made the might of this move ten thousand times stronger than before!

"Chi ..."

An even larger Black Lotus of destructions suddenly rose up like a Black Sun, enveloping the entire area.

Although the remaining disciples of the clan of enlightenment and heavenly soldiers fled in all directions, they could not escape the darkness.

"Whoosh! Whoosh! Whoosh! Whoosh ..."

In an instant, the roots of the Black Lotus of destructions exploded with black demonic Qi that looked like tree vines.

The demonic Qi twisted and interweaved, extending out rapidly.

Like a storm, the devil Qi vines shot out like thousands of arrows.

Each vine was aimed at an enemy and pierced through their bodies.

Everything that happened next was exactly the same as before.

The demonic Qi vines were like embroidery needles, constantly piercing through the bodies of every enemy.

All the remaining clan of enlightenment disciples, heavenly soldiers, and even Zhuo Aohan's primordial spirit were not spared. They were all struck by the demonic Qi vines.

A few seconds later, Zhuo Aohan's primordial spirit was completely destroyed, and the others' bodies were riddled with holes. Their shattered internal organs popped out of the bloody holes like toothpaste being squeezed out. It was a ghastly sight.

As for the primordial spirits of these people, they could not leave their bodies at all, so they could only end up completely destroyed.

What was more terrifying was ...

The number of demonic Qi vines far exceeded the number of enemies.

As a result, most of the demonic Qi vines flew far away and destroyed a large number of palaces and pavilions, turning the area within tens of thousands of meters into ruins with holes.

“Phew ...”

As a gust of cold wind blew past, the entire space became deathly silent.

In less than three minutes, the three thousand clan of enlightenment disciples and thirty thousand elite heavenly soldiers were all killed.

There was no doubt that since the establishment of the heavenly court, there had never been such a huge casualty! No one had ever been able to destroy thousands of palaces and turn the heavenly court into ruins that spanned tens of thousands of meters!

This time, Chen Xiaobei was really wreaking Havoc in Heaven!

The impact of this was far greater than the battle that Sun Wukong had wreaked havoc in the heavenly Palace!

Of course, this did not mean that Sun Wukong could not do it. The main reason was that Taishang Laojun and Gautama Buddha were both involved. So, the damage and damage that Sun Wukong caused was far less than Chen Xiaobei's.

Other than that, there was another big difference between Chen Xiaobei and sun Wukong!

That was, Chen Xiaobei and chanism had long become mortal enemies! When dealing with enemies, he would definitely kill them decisively and not be soft-hearted!

It was precisely because of this that such a complete massacre had occurred!

Moreover, this massacre was probably not over yet!

This was because the heavenly court had more than just the 30000 heavenly soldiers guarding the peach Garden.

With such a huge commotion, it wouldn't be long before the one million heavenly soldiers guarding the celestial heavens would rush over at full speed.

At the same time.

The clan of enlightenment also had the most powerful reinforcement!

Shang Heng died!

The third generation disciple of the clan of enlightenment! Nine-Star Mystic deity realm! He was able to activate the celestial dark water formation to envelop the entire floating continent of the heavenly court!

Even if one used their toes to think, they would know how terrifying this person was!

“Chen Zhufeng! I want you to die without a burial ground!”

Suddenly, Shang hengmo had removed the celestial dark water formation from the heavenly court. He turned into a beam of light and charged toward Chen Xiaobei.

### Red Envelope Group of the Three Realms

#### **Chapter 3650: ignore levels**

Shang Heng roared, his entire body exploding with a terrifying rage.

Judging from the lineup sent by the clan of enlightenment this time, the disciples of the fourth and fifth generations who were killed just now were all outstanding existences in the clan of enlightenment.

In theory, the higher-ups of the clan of enlightenment wanted these young people to try their luck and see who could kill Chen Xiaobei and become the direct disciple of the heavenly Lord Yuanshi.

To put it bluntly, Shang Heng had come here to protect these young disciples.

But it was good!

Shang Heng and Chu Cai were not careful, and the three thousand disciples of the clan of enlightenment that they had to protect had all died.

This result almost angered Shang Hengjie to death!

Not to mention how he would explain to the higher-ups when he returned to the clan of enlightenment, just the Masters and families of these disciples could swallow him alive.

One had to know that these disciples were all outstanding figures of the younger generation, and were rare geniuses in the entire heaven realm!

These people were all finished just like that. How could their Masters and their families let this matter go?

And this result was all thanks to Chen Xiaobei!

At the thought of this, Shang Hengyan's anger and hatred were like countless volcanoes erupting at the same time. Even the air around him was about to burn!

“Whoosh!”

Shang hengmo landed right in front of Chen Xiaobei. He gritted his teeth like a ferocious Tiger that wanted to eat Chen Xiaobei's flesh and drink his blood.

“What a fast speed!”

Chen Xiaobei used the yin-yang life and death Ring to recover the celestial core power and mental power that he had just used up.”Is this the speed of a peak profound God? If he's so fast, why didn't he just kill me?”

“Hmph! If I want to kill you, it'll be like killing an ant! It's beneath us to launch a sneak attack!”

Shang Heng Mo's expression was cold, his eyes were shining like the sun, his body was burning with immortal essence like the sun.

Where he stood, the air was distorted and the ground was melted into lava.

Terrifying!

Infinite horror!

If he was already in this state before he even made a move, he could probably shatter the void with a snap of his fingers and turn the entire celestial heavens into a sea of fire!

"You seem to hate me?"

Chen Xiaobei's lips curled into a mocking smile. The three thousand disciples of the clan of enlightenment were killed. In the end, it's your fault for underestimating your enemy!

"You ..."

Shang hengmin was speechless after Chen Xiaobei exposed him. His face was burning hot, as if he had just been slapped in the face.

In fact, if Shang hengmo had made his move earlier, Chen Xiaobei would not have been able to kill a single one of them.

However, Shang Heng did not think much of Chen Xiaobei from the very beginning. He did not think that there would be any suspense in the battle.

Therefore, when Chen Xiaobei was on a killing spree, Shang hengmo was using his jade talisman to report the situation to the chanism higher-ups.

Before he could finish his report, Chen Xiaobei had already killed 33000 people.

It was obvious that he, Shang hengmo, had underestimated his enemy and caused everyone's death.

Chen Xiaobei had exposed Shang Hengyu's stupidity.

This face-smacking simply resounded through the thirty-six heavens!

"You little brat! Do you think that you are smart because you can see through everything? Wrong! This will only make you die faster! They'll die even more miserably!"

Shang Heng mo flew into a rage out of humiliation, the Sunfire immortal essence on his body became more and more intense, causing the temperature of the entire space to rise rapidly, and a large area of land to melt into lava.

It was as if the sun god had descended to the world. No matter who it was, anyone who dared to disobey him would be burned to ashes.

"Nine-Star Mystic God! It's indeed powerful!"

Chen Xiaobei's yin-yang life and death Ring stopped working.

"It's too late to be afraid now! This Lord's reputation can not be destroyed by you! Obediently accept your death!"

Shang Hengjie gritted his teeth. His eyes were like two little suns, shining with a dazzling light. He locked his gaze on Chen Xiaobei, not letting him escape!

"Die? Heh, there's no such word in my dictionary!"

Chen Xiaobei took out a blood-red pill from his infinite space ring and swallowed it.

"Even if I die, I'll turn the world upside down first!"

[ ding Yingying's cultivation base: early stage one-star Mystic deity. Lifespan: 2.75 billion years, physique: Xxxxx, combat power xxxxx, primordial spirit attack: Saint level!]

With the pill in his mouth, Chen Xiaobei's pseudo realm had increased again, breaking through a major realm and reaching one-star Mystic Divine realm!

That's right!

This blood-red pill was the one that Chen Xiaobei had obtained from the ninth floor of the limitless nine-floor Pagoda, the limitless Saint demon pill!

The effect of this pill was to allow a person to burst out the power of a higher realm within three minutes.

However, the price was that once three minutes had passed, the user's bones and muscles would be completely shattered, and his primordial spirit would be exhausted. Whether he could survive or not would depend on his luck.

From the moment Chen Xiaobei heard that the enemy had a nine-Star Mystic God, he had already planned to use the infinite Saint demon pill! Even if he had to die, he had to protect Fu Tian Xin 'er and Chang' E!

"Oh? What kind of pill is that?"

Shang hengmo did not rush to attack, but said with interest, " "If I'm not mistaken, that's an evil medicine of the demon race! One thousand damage to the enemy, one thousand damage to oneself! Even if I don't kill you, you'll still be walking on the path of no return!"

This fellow was truly a Nine Star Mystic deity expert. Not only was his cultivation high, but his experience was also extremely rich! He had seen through the mystery with a single glance!

Just as he had said, even if he did not attack, once the effects of the drug wore off, Chen Xiaobei would be severely injured and on the verge of death.

"You're right! I'm going to fight you to the death!" Chen Xiaobei was determined.

"Ha, risk your life? You're thinking too much!"

Shang hengmo was very smart. He squinted his eyes and sneered, " the quality of your witch Dragon bloodline is only at the nine-star heavenly god tier. Once it reaches the mystic Divine realm, the bloodline's special ability will be completely ineffective!

"If you can't use the treading on peak stage, how are you going to fight me with your fake one-star Mystic Divine realm cultivation? It's not that I'm trying to act cool, but even if I don't fight back, you can't hurt me at all!"

Shang hengmo had clearly seen through everything once again. He was extremely confident and was certain that he had victory in his hands!

you're right. Stepping on the peak can't be used anymore!

Chen Xiaobei was not afraid at all. He even laughed coldly. however, you definitely don't know that after stepping into the peak, there is a special ability that can ignore realms!

"What? Ignoring the realm? This ... How is this possible?" Shang hengmo's expression changed slightly, he felt that something was wrong.

witch Dragon's nine transformation, the final profound!

Chen Xiaobei took a deep breath and let out a thunderous roar!

open the chaos!!!
