### Red Envelope Group of the Three Realms

#### Chapter 3671: unmoving

Don't think that Zheng SANDAO looks like a bandit.

But in fact, he was very smart and calm.

After releasing his primordial spirit territory, he checked Chen Xiaobei's cultivation. Chen Xiaobei's cultivation was at zero, which could mean that Chen Xiaobei was stronger and was deliberately hiding his cultivation.

However, Zheng SANDAO did not give up. He continued to check on Chen Xiaobei's physical condition and found that Chen Xiaobei was weak and in a bad mental state.

That was why Zheng SANDAO could tell that Chen Xiaobei was in an extremely weak state.

That was why Zheng SANDAO had suddenly attacked and wanted to kill Chen Xiaobei!

If Chen Xiaobei was dead, Xu Tianxin's cultivation would be the same as Zheng SANDAO'S. Zheng SANDAO would have a high chance of winning. Even if he could not defeat Xu Tianxin, he could still run away.

In a moment, Zheng SANDAO took the initiative to stall for time and took the opportunity to calculate everything clearly.

It could be seen that this person was really very smart and very scheming.

Of course, there was nothing Chen Xiaobei could do about this situation. His body was already in poor condition, and he had to stay up all night with Xu Tianxin. He could not hide his fatigue and weakness.

"Boom boom boom ..."

A terrifying amount of celestial core power surged towards Chen Xiaobei like a raging river.

"Master!"

Xu Tianxin was shocked. He did not expect that Zheng SANDAO, who had been so polite just a second ago, would suddenly attack Chen Xiaobei without warning!

"Don't mind me! Attack!"

However, at this critical moment, Chen Xiaobei was not afraid at all. He shouted loudly.

"This ..."

Xu Tianxin could not imagine why Chen Xiaobei would make such a decision.

In Xu Tianxin's eyes, Chen Xiaobei had just recovered from a serious injury and his body was in a bad condition. There was no way he could withstand Zheng SANDAO's celestial core power.

However, Xu Tianxin did not dare to hesitate for too long.

It was too late for him to save Chen Xiaobei. The only thing he could do was to follow Chen Xiaobei's instructions and attack Zheng SANDAO with all his might. That might be able to save Chen Xiaobei and save him.

"BOOM!"

Xu Tianxin didn't dare to hold back. She circulated her celestial core power to the strongest state and attacked Zheng SANDAO's back!

"Hmph! It's too late to make a move now!"

Zheng SANDAO's eyes were full of disdain. He had already made his own wishful thinking.

Chen Xiaobei could not gather his divine essence, mental power, or physical strength. He could not Dodge!

Zheng SANDAO and Xu Tianxin were of the same cultivation realm, and Zheng SANDAO had made his move earlier than Xu Tianxin.

This way, Zheng SANDAO could easily kill Chen Xiaobei and then Dodge Xu Tianxin's attack.

Obviously, this was a very reasonable plan! In Zheng SANDAO's opinion, there was no way he would fail!

"BOOM!"

The next moment, Zheng SANDAO's celestial core power had already landed on Chen Xiaobei.

The terrifying power caused the entire space to shake.

"Oh no... I was still one step too late ... I really shouldn't have hesitated ..."

Xu Tianxin's face had become very pale. She was filled with regret and self-blame.

He should have listened to Chen Xiaobei and launched an attack.

However, he had hesitated and missed the best opportunity.

If anything were to happen to Chen Xiaobei, Xu Tianxin would never be able to forgive herself.

it's over ... Young master Xuan bei can't Dodge it. He's definitely going to die ...

At the same time, Xu's mom and the ordinary people also looked extremely sad and regretful.

They could tell that Chen Xiaobei's body was in a very bad condition. If he could not Dodge the attack, he would be like a fish on a chopping board, waiting to be slaughtered by Zheng SANDAO.

This was definitely an extremely despairing result!

If Chen Xiaobei died in battle, Xu Tianxin would lose her support. Under the pressure of the eastern tomb divine Palace, Xu Tianxin would die and the Xu family would be destroyed!

From now on, all the commoners would continue to live in the shadow of the Golden Leopard and suffer all kinds of bullying and humiliation!

At the thought of this, Xu's mother and the People's mood instantly fell into the abyss. They could not see any hope at all.

But!

At this moment!

"This ... This ... This ..."

The Golden leopards, who should have been rejoicing and gloating, now looked as if they had seen a ghost. They were so shocked that they couldn't even say a proper word.

how ... How is this possible?!

At the same time, Zheng SANDAO also let out an incredulous cry of surprise. His expression was stiff, his eyes were dull, and his brain was about to short-circuit!

Who dared to think about it?

Facing Zheng SANDAO's sudden burst of celestial core power, Chen Xiaobei did not Dodge or defend. He just stood there calmly.

All the power was blocked, but Chen Xiaobei did not even take half a step back. In fact, he did not even move!

"What's going on?"

No one else could see it, except for Xu Tianxin. "Zheng SANDAO's celestial core power didn't even touch master's body!"

That's right!

Zheng SANDAO's celestial core power could only reach three centimeters in front of Chen Xiaobei and could not advance any further!

Throughout the entire process, Chen Xiaobei did not activate his protective celestial core, nor did he use his primordial spirit to attack. He just stood there quietly!

And Zheng SANDAO's immortal essence was completely blocked just like that!

This was simply unbelievable!

"BOOM!"

Of course, Xu Tianxin had learned her lesson just now. At this moment, it was only a thought that flashed through her mind. Her attack did not stop at all, and in the blink of an eye, she had already arrived behind Zheng SANDAO.

"Not good!"

Zheng SANDAO sucked in a cold breath.

According to his plan, after killing Chen Xiaobei, he would immediately run away.

However, the strange scene that appeared in front of him made Zheng SANDAO freeze on the spot for nearly a second.

With Xu Tianxin's cultivation, one second was more than enough for her to sprint at such a close distance!

"Uh ..."

With a shrill cry, Zheng SANDAO was sent flying. He landed a hundred meters away like a dog pouncing on sh \* t.

"Pfft ..."

The moment he opened his mouth, Zheng SANDAO spat out a large mouthful of blood before he could even speak.

However, fortunately, the cultivation of both sides was the same, so Zheng SANDAO was not killed instantly. After calming down for a while, he stood up shakily.

"Master ... Are you alright ..."

On the other hand, Xu Tianxin was not in the mood to kill Zheng SANDAO. She rushed to check on Chen Xiaobei.

"I'm fine," she said.

Chen Xiaobei shrugged and smiled. "I'm just unable to use magic treasures of my own accord! However, I have some treasures on me that can passively protect me!"

a magic treasure?!

Xu Tianxin looked left and right, up and down, but she could not see any Dharma Treasure on Chen Xiaobei.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3672: Pretending to be a pig to eat a Tiger**

3672 Pretending to be a pig to eat a Tiger

"Silly boy, stop looking!"

Chen Xiaobei was amused by Tianxin. "If you could see it, would Zheng SANDAO still be fooled?"

"Oh, right!"

Xu Tianxin nodded in agreement. Her master was indeed an expert. How could he be seen through so easily?

"Master, can you tell me what kind of treasure it is?" Xu Tianxin asked curiously.

"A master-protecting Golem."

this magical item will protect me when my life is in danger! But, it can only be used once a day! Chen Xiaobei said.

That's right!

The reason why Chen Xiaobei was confident enough to ask Xu Tianxin to leave him alone during the crisis was because of the master-protecting puppet.

Chen Xiaobei's netherspirit battlescouter had been upgraded to nine-star divine-level thanks to the five red packets from Hades.

In other words, the master-protecting puppet could withstand the power of a nine-star heaven immortal once.

It was indeed a waste to use it to block Zheng SANDAO's attack.

However, he had no choice.

Chen Xiaobei's body was in terrible condition, especially his primordial spirit!

The side effect of the infinite Saint demon pill had severely damaged Chen Xiaobei's primordial spirit, and the blood Bodhi could not heal it at all.

In other words, even without the suppression of the saint's power, Chen Xiaobei's primordial spirit would still be in a state of extreme weakness, in danger of collapsing at the first touch.

Therefore, even though Zheng SANDAO's attack was not strong, if it landed on Chen Xiaobei's dantian, there was a chance that Chen Xiaobei's primordial spirit would be completely destroyed.

That was why the master-protecting puppet had to appear to protect Chen Xiaobei.

"It's so magical!"

Xu Tianxin was surprised. She had never heard of such a Dharma Treasure.

In fact, not only Xu Tianxin, but most of the people around had never heard of this Dharma Treasure.

Even the Golden Leopard and the group of young nobles were stunned and couldn't believe what they heard.

The entire ancient Barrens land was once the territory of the Sorcerer tribe.

As everyone knew, the Sorcerer tribe had a particularly strong physique and bloodline talent, which was their innate advantage.

However, there were good and bad things in everything!

Nüwa had given the Sorcerer tribe powerful souls and bloodlines as weapons, but at the same time, it had greatly weakened the Sorcerer tribe's talent in refining weapons and elixirs!

Except for the twelve ancestors of sorcery and several senior sorcerers, the entire sorcerer tribe was not good at refining weapons!

Even at the peak of the Sorcerer tribe, the number of magic treasures in the entire tribe was very small.

As a result, as a descendant of the Sorcerer tribe, within the 81 heavens of the primordial era, even the major powers had a hard time using magic weapons. A small power like the Azure cloud tribe could not possibly have any magic weapons.

Ordinary magic treasures were extremely rare. The people of the Azure cloud tribe had never heard of a magical magic treasure like the master-protecting puppet.

Of course!

Only the descendants of the Sorcerer tribe were not good at forging weapons!

And within the 81 heavens of the primordial era, there were other races!

For example, an immortal Dao sect like the eastern tomb immortal Palace! Their ancestors were all humans!

There was almost no difference between the human tribe and the ordinary sorcerer tribe in terms of appearance. The disadvantage of the human tribe was that their physique and bloodline were weaker, but the advantage of the human tribe was that they were more balanced in all aspects and had no obvious shortcomings!

Therefore, there would be top talents in all fields of the human race!

Alchemy Grandmaster, forging Grandmaster, body forging Grandmaster, formation Grandmaster, etc  
.....

“Clang!!!”

Just as everyone was shocked by the master-protecting puppet, Zheng SANDAO suddenly drew out a dark yellow scimitar with a ghost’s head!

“Little brat! You guys are ruthless! You actually managed to injure me, Zheng SANDAO! However, you will have to pay a terrible price for this!”

Zheng SANDAO held his saber with both hands and roared with great confidence, ” “This is a peak six-star heaven immortal artifact in my hand! Let’s see what you have to fight me with. Die for your father!”

As soon as these words were spoken, the people of the entire Azure cloud tribe were dumbfounded. They burst out in exclamations one after another.

“Shit! The other party had a magic treasure! At the same cultivation level, Xu Tianxin will be completely suppressed!”

“We’ve all forgotten ... That they’re from the eastern tomb immortal Palace! The most powerful thing about immortal Dao sects is that they have all kinds of magical treasures!”

“It’s over ... Young master Xuan bei’s magical treasure can only be used once! It’s impossible for Xu Tianxin to defeat Zheng SANDAO alone!”

The commoners were all nervous.

Xu’s mom’s face was also pale. She clenched her fists and couldn’t help but tremble.

No one had expected that another wave would rise before the first wave had even settled! The enemy's strength was a fatal threat to Xu Tianxin!

"We're in for it now!"

The Golden Leopard and the rest could finally heave a sigh of relief and laughed triumphantly, "Chen xuanbei! Xu Tianxin! Aren't you all very arrogant? Aren't you all very powerful? Now, your time of death has arrived! Aren't you going to say your last words? Hahaha ..."

"Master ..."

Xu Tianxin frowned and her face turned pale.

Obviously, Xu Tianxin was not afraid to fight Zheng SANDAO one-on-one, but she was not confident at all when she had a peak six-star heaven immortal artifact.

"Don't be afraid! Wasn't it just a magical treasure? It's as if we didn't!" Chen Xiaobei threw the infinite space ring to Xu Tianxin and said with a smile, "There's a black knife inside, take it out and use it first!"

"Yes, sir!"

Xu Tianxin was very excited. She immediately took out the Dragon's edge from her interspatial ring.

However, as soon as she held the hilt of her sword, she was disappointed.

Although the black blade looked very domineering and cool, it was only a peak four-star heaven immortal, which was two realms lower than Zheng SANDAO's Dharma Treasure.

"Master ..."

Xu Tianxin looked at Chen Xiaobei innocently, her eyes full of confusion.

"Don't worry, I'm not joking with you!"

Chen Xiaobei raised his eyebrows and said in a low voice, "The best use of this blade is to pretend to be a pig to eat a Tiger!"

"Acting like a pig? I understand now!"

Xu Tianxin was very smart and immediately understood what was going on. She held her saber with both hands and charged at Zheng SANDAO.

"Whoosh ..."

Xu Tianxin took the lead in activating her celestial core power to activate the power of the demonic Dragon tribulation.

"What!"

Zheng SANDAO's expression froze for a moment before he burst out laughing. "Little brat! Have you been scared silly? You want to fight me with a four-star heaven immortal item? What's the difference between this and suicide?"

He had successfully pretended to be a pig!

Xu Tianxin's face was expressionless, but she couldn't help but laugh in her heart.

The essence of playing the pig to eat the Tiger was to play the pig.

As long as he played the pig well, the other party would immediately underestimate him, either revealing a flaw or not defending.

This way, it would be easy to eat the Tiger!

eat my three blades first!!!

As expected, Zheng SANDAO thought that he had Xu Tianxin in the bag, so he focused all his attention on attacking and did not condense any protective celestial core power at all.

### Red Envelope Group of the Three Realms

#### **Chapter 3673: primordial spirit ability**

“Woof!”

Zheng SANDAO mustered all his strength, wanting to kill Xu Tianxin in one strike.

In theory, Zheng SANDAO and a peak six-star heaven immortal artifact were enough to suppress Xu Tianxin and determine the winner in one move.

But!

How could Zheng SANDAO have imagined that this four-star heaven immortal level black blade in front of him had such an extremely heaven-defying ability?

pissing!!!

Xu Tianxin swung the demonic Dragon Edge backward and met Zheng SANDAO's blade Force head-on.

At the same time, a strange Black Lightning burst out from the Dragon's edge.

That's right!

This was the special ability of the demonic dragon apocalypse, the black Thunder of Nirvana!

“Clang!!!”

In the next moment, the two sabers collided with each other, making an extremely ear-piercing sound.

However, just as Zheng SANDAO, Huang Jinbao, and the rest were ready to welcome the victory and celebrate, the reality of the situation gave them a tight slap in the face!

He said he would suppress Xu Tianxin! He said he would win with one strike! None of them appeared!

What was even more unbelievable was that Xu Tianxin was actually suppressing Zheng SANDAO in reverse!

how ... How is this possible?!

Zheng SANDAO's face turned green. In that split second, he could not believe his eyes, and was even more unable to make any effective response.

In that instant, the black Thunder of Nirvana greatly weakened Zheng SANDAO's offensive power.

At the same time, Xu Tianxin's celestial core power and the advantage of her physical strength burst out.

The situation on both sides was instantly reversed.

Xu Tianxin, who should have been suppressed by her opponent, was actually suppressing Zheng SANDAO in reverse.

Zheng SANDAO had never thought of this outcome, so he had no protective immortal essence on him at all, and he had no way to break out of this situation!

More importantly!

Xu Tianxin still had a trump card that she hadn't shown yet!

Chiyou heaven-battling spear!!!

attack! Xu Tianxin roared and burned a large amount of spiritual power to unleash a powerful attack from her primordial spirit.

"Woof!"

A blood-red spear shot out of Xu Tianxin's forehead!

In an instant, an extremely terrifying aura suddenly enveloped the area. The boundless killing intent was like a mountain of corpses and a sea of blood. The domineering aura was comparable to that of a peerless demonic god!

"Oh my ..."

Zheng SANDAO shrieked, his pupils involuntarily contracting. His body suddenly trembled violently, and cold sweat poured down like rain!

"Oh my God ... That ... That's the weapon Grandmaster Chi You's Magus weapon! Battle ... The divine spear!"

At the same time, many of the old people around them let out a cry of surprise.

Some people's hearts were beating fast, and their legs were weak. They couldn't help but kneel down and worship Xu Tianxin.

"My Dear Mother! It's really the heaven battling spear!"

The Golden Leopard and the others were shocked. This was the first time they had seen Xu Tianxin's primordial spirit power.

Tianxin ... You are indeed someone who will become a warrior ...

On the other side, Xu's mother couldn't help but frown and sigh. I've never allowed you to use your primordial spirit powers in public ... I didn't expect that the first time you used it in public, you would try to take someone's life ... Is this your fate? "

weapon Grandmaster Chi You!? Chen Xiaobei suddenly remembered something important.

The three reincarnated ancient Immortals of his master, sect leader Tongtian, were the time ancestor wizard, candle jiuyn! Mad demon Feilian! And the weapon Grandmaster Chi You!

Could it be that Xu Tianxin and Chi You had some sort of connection?

Or perhaps, the blood of Chiyou flowed in her body?

Moreover, it was very likely that the Chiyou bloodline had mutated in Xu Tianxin's body, which allowed her to master the primordial spirit power that no one else had!

Chen Xiaobei's heart was in turmoil.

As the saying goes, one must have good fortune after surviving a great disaster!

He managed to escape from the Saint, and then he ran into Xu Tianxin!

Chen Xiaobei was certain that Xu Tianxin was going to bring him a huge opportunity!

"Woof!"

While everyone was still in shock, Xu Tianxin's celestial form of the Chiyou heaven-battling spear had already pierced through Zheng SANDAO's sea of Qi dantian!

Logically speaking, since both of them had the same level of cultivation, Xu Tianxin's attack could only seriously injure Zheng SANDAO.

However, at this moment, the celestial form of the Chiyou heaven-battling spear had pierced through Zheng SANDAO's physical body and Dharmakaya, and had destroyed his primordial spirit.

From this, it could be seen that Xu Tianxin's primordial spirit ability was at a very, very high level!

Moreover, the effect of this special ability seemed to ignore defense! As long as it hit the target, it could cause fatal true damage to the enemy!

To some extent, this special ability could even be compared to Chen Xiaobei's heaven severing thought!

Of course, Chiyou was only a senior Magus. At his peak, he might only be a low-level Sage-to-be.

Therefore, the level of Xu Tianxin's supernatural ability was definitely much lower than the heaven severing with a thought. It would lose its effect if it encountered an enemy of a higher level.

"Bang ..."

His primordial spirit was directly strangled to death, and Zheng SANDAO lost his life completely. His corpse fell to the ground stiffly, blood flowing everywhere. It was a very miserable sight.

The Golden leopards and the civilians were all shocked. They looked at Xu Tianxin as if she was the reincarnation of Chi You, full of respect! Fear! There was even a devout belief!

"Heaven's Heart ..."

Xu's mother's expression was also very complicated. After all, this was her son's first time killing someone. She wasn't sure what kind of change her son's mentality would have.

“Mother, I’m fine!”

It was obvious that Xu Tianxin’s strength was far beyond her mother’s imagination.

Facing Zheng SANDAO’s corpse, Xu Tianxin’s expression did not change. Even her heartbeat and breathing were very calm, and there was no fluctuation in her state of mind.

“If the wicked don’t die, they will only make more good people suffer! Today, although I’ve started a killing spree, I have a clear conscience!”

Xu Tianxin stood there proudly, her eyes and tone extremely firm.

It was obvious that he had grown tremendously in this instant.

“Brother ... Brother Xu ... Master Xu ... We know what to do, we’re animals ... Oh no! We’re even worse than animals! Please, I beg you, don’t bother with us, please spare our lowly lives ...”

After hearing Xu Tianxin’s words, the Golden Leopard and the others did not dare to hesitate.

One by one, they crawled over and kneeled on the ground, kowtowing to Xu Tianxin.

Xu Tianxin had already started a killing spree. If they didn’t admit their mistakes, they might be the ones to die in the next second.

However, Xu Tianxin did not say anything. She just looked at Chen Xiaobei with great respect.

young master Xuan bei, please spare our lives ... We were wrong ... We won’t do it again ... Young master Xuan bei, please spare our lives ...

The Golden Leopard and the others immediately crawled in front of Chen Xiaobei and begged for mercy.

A few guys with good acting skills even had snot and tears in their eyes. They looked even more miserable than if their own fathers had died.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3674: Two Mystic Immortals**

3674 Two Mystic Immortals

“If you want to live, you can!”

I won’t make things difficult for you. First, hand over your storage bracelets. Then, destroy your own cultivation! Chen Xiaobei said.

“What?”

When the Golden Leopard and his gang heard this, their faces turned green.

Not only did he hand over his storage bracelet, but he also destroyed his own cultivation? This was not difficult? Then what was difficult?

“I don’t want to say the same thing a second time!”

Chen Xiaobei shrugged and said, “Tianxin, get rid of those three pieces of trash!”

“Yes, sir!”

Without another word, Xu Tianxin walked over and kept the three storage bracelets and Zheng SANDAO’s saber. At the same time, she crippled the cultivation of the remaining two.

“Oh my ...”

The Golden Leopard and his gang finally understood that Chen Xiaobei was not joking with them.

Out of the three Eastern tomb experts, the strongest, Zheng SANDAO, had already been killed. The other two had their cultivation crippled and were lying on the ground, barely alive.

Chen Xiaobei was a man of his word, and there was no room for doubt! He would not allow them to bargain!

“Master ...”

Xu Tianxin left and handed the loot to Chen Xiaobei.

“You can keep it for yourself.”

Chen Xiaobei shrugged and said, “ I don’t need these things! If you take it, you can barely increase your strength!”

“Thank you, master!”

Naturally, Xu Tianxin was very happy. She put all the items in the three storage bracelets into one.

After a simple check, there were no other Dharma Treasures besides Zheng SANDAO’s ghost head scimitar.

Moreover, the three of them were not rich. They only had slightly more than 10000 inferior-grade spiritual Jade in total.

Other than that, there were only some scattered pills, ores, medicinal herbs, and other consumables. To be honest, they were not of much use.

However, Xu Tianxin was already very happy to get Zheng SANDAO’s Dharma Treasure.

“Master, I’ll return this to you!”

Then, Xu Tianxin returned the Dragon’s edge to Chen Xiaobei in her infinite space ring.

Xu Tianxin knew very well that the demonic Dragon’s edge was countless times more precious than the ghost head scimitar. He didn’t dare to take it for himself.

Chen Xiaobei nodded and put the infinite space ring back on. He then squinted at the Golden Leopard and the others.

“Hiss ...”

Chen Xiaobei did not say a word, but those guys gasped. They were so nervous that their faces turned pale, and their hearts were about to fly out of their throats.

“Since you want to die, I’ll fulfill your wish!”

Xu Tianxin’s face was cold. She walked over with the scimitar in her hand.

“Stop!”

However, at this moment, a loud shout came from afar.

Xu Tianxin was stunned for a moment, and her expression became complicated.

However, the Golden leopards were excited as they looked in the direction of the sound.

“Woof! Whoosh!”

Two figures, one in front and one behind, flew to the scene at an extremely fast speed.

“Greetings, second elder! Greetings, third elder!”

All of a sudden, the surrounding commoners knelt down on one knee and placed one hand on their hearts, bowing reverently.

That’s right!

The man was the second elder of the Azure cloud tribe, Huang zhanmou! And the third elder of Yun Cang, Zhu Youjian!

“Dad ... Uncle ... Uncle ... You two came at the right time! Help! Help me ...”

Immediately after, the Golden Leopard and his gang screamed and cheered.

Obviously, at their age, to be able to avoid being called up to the battlefield and still be able to act so arrogantly in the Azure cloud tribe, it was obvious that they had elder Azure cloud as their backer!

There were tens of thousands of tribes of various sizes in the 81 heavens of the primordial age.

And the highest authority in the tribe was the elder!

Because of this, in order to maintain the stability of the tribe, the elders did not need to go to the battlefield.

Among these elders, it was inevitable that they would abuse their power for personal gain. They would use their power to protect the younger men in the family from the battlefield and stay away from danger.

And the situation in front of him was like this!

It was obvious that the Golden leopards were only able to get so many privileges because of Huang zhanyou and Zhu Youjian’s power.

They had thought that they were dead for sure, but they did not expect Huang zhanyou and Zhu Youjian to suddenly appear. This way, the situation had a huge reversal in an instant.

One had to know that the third elder Zhu Youjian had already reached the one-star Mystic immortal realm! The second elder, Huang zhanyou, had even reached the intermediate stage of one-star Mystic immortal realm!

Chen Xiaobei and Xu Tianxin would not be able to defeat either of them.

“Father! Help us take revenge! Take revenge!”

The Golden Leopard was suddenly emboldened, and he started to clamor, ” “Chen xuanbei! Xu Tianxin! You two are dead! Even if you have ten thousand lives, you will still die without a doubt!”

At the same time, the young aristocrats around them were also excited and eager to beat up Chen Xiaobei and Xu Tianxin 80000 times!

“Tianxin! Restrain them!”

Chen Xiaobei ordered coldly.

“Yes!”

Without hesitation or fear, Xu Tianxin released her celestial core power and pressed the Golden Leopard and the others to the ground. They couldn’t move at all!

“Xu Tianxin! You’re looking for death!”

Huang zhanyou and Zhu Youjian roared at the same time, like two ferocious Tigers that wanted to eat people. They showed their ferocity and their murderous intent soared!

“If you two dare to condense your celestial core power, I’ll immediately kill this group of trash!” Xu Tianxin’s eyes were cold, and she wasn’t afraid at all.

“Don’t ... Don’t mess around!”

Although Huang zhanyou and Zhu Youjian were two Mystic Immortals, Xu Tianxin was holding a hostage. The two of them really did not dare to act rashly.

After all, these hostages were all important members of their Huang and Zhu families ‘younger generation.

“Xu Tianxin! You listen to me!”

Huang zhanhai frowned and said solemnly, ” “As long as you let the Golden Leopard and the rest go, I promise I won’t hurt you!”

“Cut the crap!”

Xu Tianxin’s face was cold and determined. “My master has two conditions. Or accept death! There’s no third option!”

“Don’t ... Don’t go too far!”

“No problem!” Huang zhanyou coldly said. However, he definitely couldn’t destroy the cultivation of Jin Bao and the others! This is the same as destroying their lives, and also destroying the generations of our two families!”

“That means there’s nothing to talk about!” Xu Tianxin’s eyes narrowed, and her killing intent burst out.

“Xu Tianxin! You better think carefully!”

At this moment, Zhu Youjian stood up and said solemnly, “Chen xuanbei has offended the eastern tomb divine Palace! You, Xu Tianxin, are going to follow Chen xuanbei to the end of the world. What awaits you is only death!”

“I’m not afraid!”

Xu Tianxin said, “As long as I can follow master! Even if I have to die, I won’t turn back!”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3675: The saint's arrival**

3675 The saint’s arrival

“What a reckless fool!”

Zhu Youjian was very angry, and his eyes were filled with sharp anger. He gritted his teeth, and he wanted to pounce on Xu Tianxin immediately and tear her into pieces.

However, no matter how angry he was, he had to endure it.

After all, Xu Tianxin still had more than ten hostages. If she was pushed too far, the core members of the younger generation of the Zhu and Huang families might all be buried with her.

“Xu Tianxin! If you still refuse to come to your senses, then we can only ask the people of the eastern tomb immortal Palace to step in!”

Huang zhanyou’s eyes narrowed and he said seriously, “You should know how great the power of the eastern tomb immortal Palace is! They could even affect the battle at the Dragon Sparrow mountain! Don’t forget that your father is still there!”

Xu Tianxin was furious. She glared at him and roared, “How dare you harm my Abba! I’m not done with you!”

“Heh, this isn’t a matter of whether I dare or not! It’s to see if you’re worthy of drinking it!”

it’s simple. Huang zhanyou narrowed his eyes and sneered. as long as you let go of our family members, you’ll be one of us! Not only will we not harm your father, but we will also find a way to protect him!”

“What if I don’t agree?” Xu Tianxin was conflicted. She did not want anything to happen to her father, but she did not want to betray Chen Xiaobei either.

“You don’t agree?”

Huang zhanhai laughed coldly and said, " once the powerhouses of the celestial Palace get involved, you'll definitely die! When that time comes, not only your father, but even your mother will have to pay a tragic price!"

No... No... Xu Tianxin shook her head heavily."The eastern tomb immortal Palace has always been fair! Even if they want to take revenge, they can just come at me! My family won't be in trouble!"

"That's hard to say!"

you have a family," Huang zhanyou continued. don't the three disciples who were killed have family too?" The upper echelons of the eastern tomb immortal Palace were indeed fair and just, but what about the middle echelons? What about the lower level? Who can guarantee that they won't touch your parents?"

this ... Xu Tianxin was speechless.

This was indeed a very realistic problem! If they didn't handle it well, the Xu family might really fall into a desperate situation!

Zhu Youjian struck while the iron was hot and said,"stop hesitating!" Let go of our nephews and we will only seek revenge on Chen xuanbei! I will definitely not make things difficult for your Xu family!"

"No..."

Xu Tianxin refused without any hesitation. "I understand my mom and dad! If I were to protect them by betraying my master, they would rather die! And even if you die, you'll be ashamed of me!"

"You ..."

Huang zhanyou and Zhu Youjian instantly choked and could not speak.

They thought that they would be able to persuade Xu Tianxin. He had never thought that this kid would be so persistent, even to the point of disregarding life and death.

"Good! Very good!"

I'll kill you! Huang zhanyou gritted his teeth and said, " since you want to bury the entire Xu family with Chen xuanbei, I'll fulfill your wish! Let's contact the eastern tomb immortal Palace now and ask them to send someone over to deal with it!"

"Little brat! You can just wait for your death!"

Zhu Youjian's face was livid, and his eyes were fierce."When the people from the eastern tomb divine Palace arrive, you and Chen xuanbei will die without a burial place! I promise that your parents will die a horrible death!"

After he finished speaking, Zhu Youjian took out his communication jade talisman and prepared to contact the people of the eastern tomb immortal Palace.

"No need to trouble yourself!"

At this moment, a shout came from the distance.

Everyone looked in the direction of the voice and saw a group of people flying over.

The first two people were the great elder and the fourth elder of the Azure cloud tribe. Their status in the Azure cloud tribe was also very high. However, at this moment, the two of them were only responsible for leading the way for a dozen other people.

The moment they saw the dozen people, the surrounding crowd let out an unusually excited cry.

“Heavens! It was the Holy maiden! There are also 13 core elders of the eastern tomb immortal Palace!”

Zhu Youjian and Huang zhanmo were instantly dumbfounded. Their scalps even went numb as they swallowed their saliva.”All the core upper echelons of the eastern tomb immortal Palace have appeared! This is the first time in our lives that we’ve seen such a formation!”

“Hahaha ...”

At the same time, the Golden Leopard and the young nobles burst into laughter, gloating. “Xu Tianxin! Chen xuanbei! You’re all dead for sure! Even the heavens can’t save you!”

All around, the commoners let out extremely pious cheers. Many of them were even on their knees, worshipping the sky.

it’s the saintess ... It’s the saintess of the eastern tomb ... Three years ago, she was the one who helped us defend against the demonic beast tide and protected our entire tribe!

greetings to the saintess ... Long live the saintess ... Long live the saintess ...

At this moment, even Xu Tianxin and Xu’s mother were moved.

Speaking of which, before she met Chen Xiaobei, the person Xu Tianxin admired the most was the Holy Virgin of the eastern tomb.

It was because of the words of the Holy Virgin that Xu Tianxin was born with a kind and righteous heart. That was why she was able to save Chen Xiaobei when he was on the verge of death.

“I can’t be that unlucky, right ...”

Chen Xiaobei furrowed his brows when he saw this.

Zhu Youjian and Huang zhanyou, these two abstruse Immortals, were already very difficult to deal with.

These people who had suddenly appeared were at least high-tier Mystic Immortals, and some had even reached the Golden immortal God level!

The strongest among them, the Holy maidens, might even be high-tier heavenly deities!

Chen Xiaobei did not expect that taking care of a few rich kids would involve so many important people!

No matter how hard Chen Xiaobei racked his brain, he could not think of a way to break out of this situation.

“We welcome the Holy maiden! Welcome, core elders!”

Huang zhanyou and Zhu Youjian quickly ran over, cupped their hands, and bowed, welcoming the group of big shots respectfully.

“Whoosh ...”

Only to see the Holy maidens landing gracefully, like fairies descending into the mortal world. That noble and elegant aura, that exquisite beauty was enough to stun all living beings!

Of course, other than Chen Xiaobei, no one else dared to look at her beauty!

After all, this was a world where strength was Supreme. The Holy maiden had the strength of a high-tier heavenly deity and everyone treated her like a deity. Other than respect, no one else dared to offend her.

The remaining 13 core elders were all old women, and there was not a single male!

“What happened here?”

The Holy maiden slowly spoke. Her red lips were like the petals of a flower, exuding a sense of exquisiteness! Her bright eyes were like the blue sky, extremely deep!

“You ... You’re not here to avenge your disciple?”

Huang zhanyou and Zhu Youjian were both stunned. How could the Holy maiden not know what had happened here?

“Disciple? What disciple?”

The Holy maiden frowned, she calmly replied, “We’re here to check on yesterday’s heaven and earth phenomenon!”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3676: returning the favor**

“Heaven and earth phenomenon?”

Zhu Youjian’s expression froze, and he said awkwardly, “You’re talking about the space crack yesterday, right? At that time, a person who was about to die fell in, and then the crack closed. Nothing special happened!”

The Holy maiden nodded, first elder and fourth elder told me that the heavily injured man was saved by a young man named Xu Tianxin!

“Rescued? Didn’t you bury it?”

Zhu Youjian and Huang zhanyou were instantly dumbfounded.

Of course, they were not stupid. They quickly turned to look at Chen Xiaobei! Their gazes instantly became extremely complicated!

Could it be that Chen Xiaobei was referring to the guy who was on the verge of death yesterday?

This ... This is too unbelievable!

“Little sister saintess! I’m the one who’s heavily injured!”

Chen Xiaobei grinned, his dark eyes shining with wisdom, as if he could see the hope of breaking out of this situation.

“Very good! I have something very, very important that I need to discuss with you!” The Holy maiden’s eyes brightened, her tone grew even louder.

“Holy maiden!”

Huang zhanyou saw that the situation was not good and immediately said, “This Chen xuanbei is not a good person! Of the three disciples of the eastern tomb immortal Palace, one had been killed by him and the other two had their cultivation crippled! Isn’t the immortal Palace going to take revenge for this?”

“What?”

The Holy maiden’s expression stiffened as she asked, “Where are the three disciples you mentioned?”

As she spoke, her gaze swept across the entire scene.

The 13 core elders of the eastern tomb were also scanning the surroundings, but they didn’t discover any of their own disciples.

“It’s right there!”

Huang zhanyou pointed at Zheng SANDAO’s body in the distance and the other two crippled men. the three of them are the disciples of the eastern tomb immortal Palace!

“They!”

The Holy maiden’s eyes flashed as she asked, “Who told you that they are disciples of the eastern tomb immortal Palace?”

“Ah?”

Huang zhanyou and Zhu Youjian were stunned, and cold sweat instantly broke out. “They ... They said it themselves ...”

“You’ve been tricked!”

The Holy maiden shook her head, “I don’t even know these three people! They’re obviously pretending to be disciples of the East tomb immortal Palace and going around swindling people. I’ll have to thank young master Xuan bei for taking care of them!”

what???

Huang zhanyou and Zhu Youjian instantly felt as if they had been struck by lightning. Their pupils suddenly contracted, and their bodies trembled violently. Even their hands and feet were completely cold.

The Golden Leopard and his gang almost exploded on the spot.

He would never have thought that the three helpers he had spent so much money to hire were actually three big liars.

If the three of them were not disciples of the eastern tomb divine Palace, Chen Xiaobei and Xu Tianxin would not have been targeted by them.

Now, the Golden leopards had lost their bargaining chips. Chen Xiaobei could take their lives with a single word.

“Men! Take the two liars who pretended to be disciples of the eastern tomb and execute them!”

Zhu Youjian’s eyes narrowed, and he hurriedly roared.

“Wait!”

However, Chen Xiaobei saw through Zhu Youjian’s thoughts immediately. He sneered, “Why are you in such a hurry to kill? Are you trying to silence me?”

“Kill ... Kill what? I don’t understand what you’re saying!” Zhu Youjian directly played dumb.

Oh? ” Chen Xiaobei raised an eyebrow. call the two scammers over. Tell them what happened to the Holy Virgin!

It was obvious that the situation had completely reversed!

A moment ago, Zhu Youjian and Huang zhankong wanted to use the eastern tomb divine Palace to crush Chen Xiaobei!

At this point, Chen Xiaobei was going to give her a taste of her own medicine! He would borrow the Holy maiden’s power to deal with the Zhu and Huang clans!

Very quickly, the two scammers whose cultivation had been crippled were brought over.

Chen Xiaobei had spared their lives, but Zhu Youjian wanted to kill them!

Even without Chen Xiaobei’s reminder, the two of them knew what to say to the Holy Virgin.

Soon, the two scammers had explained everything to them about how the Golden Leopard and the young nobles had paid them to deal with Xu Tianxin and Chen Xiaobei.

“Preposterous!”

When the Holy maiden heard this, her anger flared up, ” the Golden Leopard and the rest have bullied the weak and the people. They are guilty and must be punished!

“Little sister saintess, don’t be so anxious!”

Chen Xiaobei raised his brows and looked around. Then, he shouted, ” “My fellow villagers, how did the Golden Leopard and the others bully you? You can say it now!”

“With the saintess here, all the humiliation you’ve suffered in the past will be gone! Oppression! Tribulation! Bullying! Today, we can exact our revenge on the murderer!”

if you choose to remain silent, the murderer will definitely get away with it. Your future days will still be in deep waters and suffering!

As soon as he said that, all the people at the scene were enraged.

Without a doubt, the Golden Leopard and his gang did not just bully Xu Tianxin. In the entire tribe, they had hurt countless ordinary people.

All of a sudden, the commoners began to denounce the crimes of the Golden Leopard and his gang.

“Damn it!”

After listening for a while, not only the Holy maidens, even the 13 core elders were enraged.

“This animal! He brought disaster to the village and the people, he deserved to die!”

The Holy maiden was no ordinary woman!

As an ambitious person in charge of a region, she had the principle of absolute fairness, and even more so, she had the lightning-like means of killing decisively!

“Whoosh! Whoosh! Whoosh! Whoosh ...”

With a single thought, the saintess released a dozen streams of immortal energy, instantly piercing through the dantian of the Golden Leopard and his men, destroying their Yuan Shen.

In an instant, the Golden Leopard and his men were all dead!

“Long live! Long live the saintess! Long live ...”

Seeing this scene, the surrounding commoners cheered once again. They were truly excited! Their respect for the Holy maiden also skyrocketed. In fact, many of them even became her followers!

“This ... This ...”

At the same time, Zhu Youjian and Huang zhanyou were so angry that they almost vomited blood!

If they had known this would happen, they would have agreed to Chen Xiaobei’s request to destroy the Golden Leopard’s cultivation. At least they would be able to keep their lives!

However, they did not hurt Chen Xiaobei at all. Instead, they had annihilated the Golden leopards!

However!

Zhu Youjian and Huang zhanyou would never have thought that the matter was far from over!

“Little sister Saint!”

Chen Xiaobei said coldly, “The Golden leopards must have a backer for them to be so reckless! Only by getting rid of their backer could they completely cure the cancer in the tribe! Let the people live and work in peace!”

[Red Envelope Group of the Three Realms](#)

**Chapter 3677: two trump cards**

! backer?

Zhu Youjian and Huang zhanhai's faces turned green when they heard this.

It was obvious that Chen Xiaobei was going to make them his victims.

"That makes sense!"

The Holy maiden's gaze turned to Zhu Youjian and Huang zhanyou as she coldly spoke, " even if young master Xuan bei didn't say anything, I would still hold them responsible!

"Saintess ... It's a misunderstanding! "This is all a misunderstanding ... We had no idea that the juniors were running amok. We really didn't know ..." Zhu Youjian and Huang zhanyou immediately began to quibble.

Anyway, the Golden Leopard and his gang were all dead, and the dead could not testify. Zhu Youjian and Huang zhanyou would definitely push all the blame to the dead to protect themselves.

"Well, just pretend you don't know!"

The Holy maiden nodded her head. But all of a sudden, she changed the topic, but you can't possibly tell me that you don't know about Xuan Yutian's decree either, right? "

fa ... Fa Ling ... Zhu Youjian and Huang zhanhai gasped. Their pupils contracted uncontrollably, and their bodies trembled violently.

"You won't shed tears until you see the coffin!"

The Holy maiden coldly replied,"Xuan Yu heaven has issued a strict order!" All sorcerer tribesmen above the age of 16 had to go to the Dragon Sparrow mountain to fight against the demons! However, the youths of your Huang and Zhu families are all staying in the tribe! You don't know about this?"

this ... Zhu Youjian and Huang zhanyou were drenched in cold sweat. Their limbs and hearts were already cold.

"There's no need to do this and that!"

"If not for your support, how could the youths of the two clans remain?" the Holy maiden replied indifferently. You're insulting my intelligence by making up excuses!"

"We're sined ... We're sined ...

At this point, Zhu Youjian and Huang zhanyou no longer dared to quibble. They both knelt on the ground and begged, " everything that happened before was our fault. Please, saintess, be magnanimous and leave us a way out!

"There's no way he'll live for such a sin!"

The Holy maiden's tone was ice-cold,"Right now, the demons are attacking in a frenzy, and the 81 heavens of the primordial era have reached a critical moment of life and death! As the elders of the tribe, you should set an example and fully support the war!"

“However, you used your power for personal gain and protected your own descendants from the battlefield! Not only that, you even allowed your descendants to do evil things in the tribe and hurt the people!”

“Open your eyes and take a good look! These poor people! In order to resist the demons, they sent their husbands, sons, and even grandsons to the battlefield! They had already sacrificed so much! How could you bear to hurt them?”

The Holy maiden got angrier and angrier as she spoke. A terrifying pressure erupted forth from her.

“We were wrong ... Spare us ... Spare us ...”

Zhu Youjian and Huang zhanyou were already terrified by the aura of the Holy maiden. They were like chickens pecking at rice, desperately kowtowing and begging for mercy.

“Spare my life?”

The Holy maiden’s eyes turned cold, her beautiful face was covered in frost. “The great chieftain of Xuan Yu heavenly tribe! The commoners who had come down to the Azure cloud tribe! Ask them, which one of them is willing to let you off!”

“Don’t ... Don’t ...”

Zhu Youjian and Huang zhankong were in complete despair, and they started wailing hysterically.

“You all deserve this! Accept your death!”

The Holy maiden didn’t show any mercy and released two more streams of immortal elemental energy.

But!

Suddenly, Zhu Youjian seemed to have been possessed. He suddenly released a burst of celestial core power, not to resist, but to attack Chen Xiaobei!

As the saying goes, even a rabbit will bite when it’s anxious!

Zhu Youjian had been forced into a dead end. He was going to drag Chen Xiaobei down with him!

“Not good!”

The Holy maiden’s expression froze. Her attention was completely focused on Zhu Youjian and Huang zhanyou. She didn’t expect that there would be such a huge change in the situation!

In addition, the Holy maiden had already killed him. It was already too late to save him!

“Master!”

Xu Tianxin was shocked. He immediately activated the power of the ghost head scimitar in his hand, and at the same time, he also activated the primordial spirit attack of the Chiyou heaven battling spear, trying to stop Zhu Youjian’s attack.

“BOOM! BOOM!”

Because Xu Tianxin was closer to Chen Xiaobei, she managed to stop him!

The two waves of power crashed into the celestial core power that Zhu Youjian had used at the same time!

Unfortunately, the ghost head scimitar was only a peak six-star heaven immortal, and the power of Chiyou's heaven battling spear could not exert an effective defensive power.

Facing Zhu Youjian's one star Mystic immortal early stage immortal elemental energy, there was no suspense in this confrontation at all.

In the blink of an eye, the power of the ghost head scimitar and the Chiyou heaven-battling spear were destroyed. They couldn't stop the fatal immortal essence at all.

However!

After this confrontation, the power of Zhu Youjian's celestial core power was weakened a little, and it was about the power of a peak nine-star heaven immortal!

"I can already withstand the power! Whether or not we can succeed will depend on our luck!"

At this critical moment, Chen Xiaobei's face showed no fear. Instead, it was filled with anticipation.

"Master!"

Childe Xuan bei!!!

At that moment, everyone was worried about Chen Xiaobei, afraid that he would be killed.

No one would have thought that Chen Xiaobei had two other trump cards!

Of course, these two trump cards were very, very special! Would it be useful? How useful could it be! Even Chen Xiaobei himself could not explain it clearly!

Chen Xiaobei was taking a huge gamble!

Once the trump card was activated, his life would not be in danger!

If the trump card was useless, he would die without an intact corpse!

"Boom boom boom ..."

The next moment, Zhu Youjian's celestial core power was already right in front of Chen Xiaobei.

Although the celestial core power had been weakened by Xu Tianxin, it was still at the peak of a nine-star sky immortal. It was far stronger than Chen Xiaobei's physical strength and was enough to kill him.

"Clang!!!"

At this moment of life and death, the first Trump card was unleashed.

In an instant, the sky was filled with blood light and killing intent! An ear-piercing sword cry tore through the air like a long Dragon galloping, shocking the world!

"The life-bound magical treasure automatically protects its owner! I won the first card!"

Chen Xiaobei's eyes lit up, and he was in a good mood!

That's right!

The Natal Dharma Treasure that Chen Xiaobei was talking about was the chaos Blood Sword that he had used in the great void universe to become one with his sword!

Chen Xiaobei was being suppressed by the saint's power and could not even gather his celestial core power. He could not take out the chaos Blood Sword!

However, the chaos Blood Sword had already merged with Chen Xiaobei's life!

When Chen Xiaobei's life was in danger, the chaos Blood Sword would take the initiative to protect itself!

"Swish!"

A blood-red sword Qi shot out from Chen Xiaobei's glabella. It carried the power of a nine-star sky-immortal and collided with Zhu Youjian's celestial core power.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3678: A major discovery**

3678 A major discovery

Even though the chaos Blood Sword had long been compatible with Chen Xiaobei's Natal item, he had never had the chance to use it. Chen Xiaobei himself did not know much about the magical effects of a Natal item.

At this moment, it was completely out of a gambling mentality.

It all depended on whether the chaos Blood Sword would automatically protect its master after the master-protecting puppet lost its effect.

It seemed that Chen Xiaobei had won the bet!

"Clang!!!"

The blood-colored sword Qi with the power of a nine-star heaven immortal suddenly burst out. At the critical moment, it blocked the enemy's fatal blow.

Of course, there was still a huge gap between their strength.

Even though the chaos Blood sword's power could make him invincible among those of the same level, Zhu Youjian's celestial core power had reached the peak of nine-star heaven immortal, which was three small realms higher than the early stage.

After the two forces clashed, the blood-red sword Qi was obviously suppressed and was completely wiped out.

"Woof!"

After this exchange, Zhu Youjian's celestial core power was once again reduced by a portion, leaving him with the power of a nine-star mid-tier heaven immortal, and he continued to attack Chen Xiaobei.

Although Chen Xiaobei's body could not gather any power, the sky immortal beast blood that Minghe had obtained had given Chen Xiaobei the physical strength of an early nine-star sky immortal, so his defense was still there.

In other words, Chen Xiaobei had to rely on the defense of his body to withstand the attack of a higher level.

Logically speaking, Chen Xiaobei would be either dead or crippled by this attack.

However, Chen Xiaobei did not move. He just stood there quietly.

This was because this power that could severely injure or even kill Chen Xiaobei was the opportunity for him to use his second trump card!

"BOOM!"

The next moment, Zhu Youjian's remaining celestial core power landed on Chen Xiaobei's body.

And at this moment!

Chen Xiaobei could clearly feel that the human seal in his dantian was undergoing a mysterious change!

The nine stars were aligned, forming a formation in the void!

That tiny mark had actually formed a human path formation in Chen Xiaobei's body!

The formation had filled every corner of Chen Xiaobei's body-his veins, muscles, bones, skin, and even his pores!

And at this moment, this extremely mysterious people Dao formation had played a crucial defensive role!

"Boom boom boom ..."

With a loud explosion, Chen Xiaobei, who should have been sent flying, was not injured at all. He did not even take a step back. He just stood there, calm and proud.

"Heh, I won again!"

The corners of Chen Xiaobei's mouth lifted slightly, revealing a profound smile.

The humanity mark was Chen Xiaobei's second life-saving charm.

In fact, the reason why Chen Xiaobei was able to survive jiejin Daoist's attack at the end of the battle in the heavenly court was because the humanity mark had blocked most of the power.

The green Lotus seed of chaos was a sacred object! After combining with the core nomological mark of the eight great people Dao, the power of his special ability had increased greatly!

However, the Lotus seed had not yet grown, so it could not completely resist the power of a Saint.

If one day, the Lotus seed grew into a lotus flower, its defensive power would definitely soar, and it would not be a problem to resist the power of a Saint!

Of course, even with his current special ability, the humanity mark was enough to protect Chen Xiaobei's life in most situations.

From the effect of the ability, the human path imprint was a strengthened version of the puppet to protect its master.

Both of them could protect Chen Xiaobei in a life and death situation, and they could only be used once a day.

However, there was a difference!

The human path imprint was not purely to resist, but to absorb and devour!

That's right!

The way Chen Xiaobei was protected by the humanity mark was to absorb the enemy's power and turn it into his own!

When Chen Xiaobei was attacked by the Saint, he had fainted on the spot and did not have much insight.

But Chen Xiaobei could feel it clearly.

Zhu Youjian's celestial core power was absorbed by the people Dao mark and transformed into a mysterious power, which was completely absorbed by the green Lotus seed of chaos.

In other words, most of jieyin Daoist's power as a Saint had been absorbed by the green Lotus seed of chaos.

Chen Xiaobei did not know what would happen to the green Lotus of chaos after it absorbed the energy.

But!

Chen Xiaobei had every reason to guess that the energy was a type of nourishment for the green Lotus seed of chaos! It would greatly speed up the growth of the green Lotus seed of chaos!

If that was the case, then Chen Xiaobei had really found a way to speed up the growth of the Lotus seeds!

All of this could be verified with some time.

"BOOM! BOOM!"

While Chen Xiaobei was safe and sound, the Holy Virgin had already killed Zhu Youjian and Huang zhanyou.

"Master! Are you alright?"

"Young master Xuan bei! Are you alright?"

Everyone gathered around Chen to show their concern.

"I'm fine," she said.

Chen Xiaobei shrugged and said, "Rather than caring about me, you should think about how to deal with the aftermath!"

"After the aftermath?" Everyone was stunned.

"Although Huang zhanyou and Zhu Youjian are dead, their family clan's influence is still there!"

Chen Xiaobei said coldly, "If they start protecting the Xu family, the Xu family will be in trouble! The commoners who came forward to testify today would also suffer! We have to deal with this matter!"

"Don't worry, young master Xuan bei!"

At this moment, the fourth elder of Azure cloud stepped forward and patted his chest as he promised, "The safety of the Xu family and the citizens will be in the hands of first elder and me!"

The first elder nodded heavily and did not shirk his responsibility.

In truth, with their strength, it was already enough to take down the Zhu and Huang families.

What's more, these two families were now without a leader, and internal power struggles were inevitable. They couldn't even wait to deal with their own people, so how could they have the energy to make enemies?

Therefore, with the assurance of the fourth elder and the first elder, the Xu family and the people present today could rest easy.

the eastern tomb immortal Palace will also send people over to patrol regularly!

The Holy maiden was still worried. She fed everyone another pill and said, "If the Zhu family and the Huang family dare to make a move, I will directly exterminate these two families!"

well, there's nothing to worry about this way. Chen Xiaobei smiled.

Xu Tianxin, on the other hand, was very grateful.

The reason why Chen Xiaobei asked everyone to clean up the mess was to put Xu Tianxin's mind at ease. Otherwise, how could Xu Tianxin follow Chen Xiaobei out of the ancient Barrens if she could not let go of her mother?

this matter has been settled. Young master Xuan bei, please follow me to the eastern tomb immortal Palace. I have something extremely important to discuss with you!

The Holy maiden's expression turned solemn as she spoke.

"Alright, I'll go with you!"

Chen Xiaobei nodded. He was also very curious.

What did this Holy maiden want exactly?

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3679: Godsfall**

Since Chen Xiaobei was leaving, Xu Tianxin had to go with him.

Xu Tianxin's mother was a smart person. She knew that her son would have a bright future if he followed Chen Xiaobei. So, she did not ask him to stay. Instead, she prepared a lot of clothes and dry food for Xu Tianxin.

Xu Tianxin also wanted to build a career outside and then come back to pick up her mother in glory, so she was very determined to leave.

After a simple farewell, Chen Xiaobei and Xu Tianxin followed the Holy Virgin and the rest back to their sect headquarters.

it had to be said that this faction was different.

The place where the eastern tomb immortal Palace was located was a majestic and continuous stretch of spiritual green mountains.

Every step on the mountain was filled with scenery, and it was as beautiful as a Fairyland.

The disciples were all handsome and outstanding, with an extraordinary temperament and a Sage-like demeanor.

He then thought back to the bandit-like Zheng SANDAO and the others. How could they have the qualifications to take half a step into the eastern tomb celestial mountain? Not to mention becoming a disciple of the eastern tomb!

This was the so-called land spirit of outstanding people!

The most important thing in the eastern tomb celestial mountain was the land spirit!

As soon as they entered the mountain, the spiritual Qi was much denser than outside. Although it could not be compared to the heaven realm, among the 81 heavens of the primordial era, the spiritual Qi here could be considered first-class!

"This way, please!"

The Holy Virgin brought Chen Xiaobei and Xu Tianxin to a Pavilion for receiving guests.

What she wanted to say was obviously extremely important and urgent! He didn't even have time to rest and immediately went straight to the main topic!

"If there's anything you want to say, sister Saint, just say it!"

Chen Xiaobei and Xu Tianxin went in and sat down. They did not want to waste any more time.

young master Xuan bei, do you know about the demons 'invasion of the ancient desolate land?' The Holy maiden asked.

"I have a rough idea of the situation!"

yes! Chen Xiaobei said, " the demons have gathered North of the Dragon Sparrow mountain. They want to attack the 81 heavens South! Thirty-three heavens have already formed an alliance to resist the invasion of the demons!"

"No! It's not only this!"

“In truth, the 81 heavens of the primordial era have all formed an alliance!” It’s just that the remaining forty-eight heavens have an extremely secret mission to carry out, so we only said that there are thirty-three heavens in an Alliance!”

“I see ...”

Chen Xiaobei nodded. I’ve been wondering since the beginning. Why would anyone refuse to form an alliance with us when we’re in such a dangerous situation? ” It turns out that everyone has already started to move in the dark!”

of course not! the Holy maiden replied, ” the eighty-one heavens of the primordial era have deep ties with each other. They have been allies since a trillion years ago! This time, we’ll definitely be working together to resist the enemy without any exception!”

“Uh ... Why are you telling me this?” Chen Xiaobei was taken aback, could it be that they want me to help them complete their secret mission? Forgive me for being blunt, but it’s not convenient for me to do so now!”

“No, you’ve misunderstood!”

The Holy maiden shook her head, “The secret mission is extremely difficult, let alone you! Even the 48 Mystic God chieftains would not dare to say that they could complete it 100%!”

“Then why did you ask me to come?” Chen Xiaobei was confused.

“Because you are an outsider!”

The Holy maiden’s eyes flashed as she spoke in a serious tone, ” “Right now, the 81 heavens of the primordial era have reached a life-and-death juncture! If the secret mission fails, I’m afraid we won’t be able to stop the demon Army!”

Chen Xiaobei was very smart and immediately understood, ” so, you want me to spread the news to the outside of the ancient desolate land? ”

“That’s right!”

“I can tell that you’re from the heaven realm!” The Holy maiden replied with certainty. The heavenly Dao had always regarded the demonic Dao as a thorn in its side! As long as you send the news out, the heaven realm will naturally send a powerful being to come forward and completely quell this war, and even completely eliminate the demon race!”

The Holy Virgin’s plan was very reasonable. She had been very interested in Chen Xiaobei since the beginning.

“No!”

Chen Xiaobei shook his head and said, ” “Although your method of driving the Tiger to swallow the wolf can indeed eliminate the demon race, please tell me, how are you going to send the heaven realm forces away after the victory?”

“Send away the forces of the heaven realm? Why is that so?” The Holy maiden was extremely puzzled.

“Oh right, I almost forgot that the ancestors of your immortal Dao sect were humans!”

Chen Xiaobei said, “ you probably don’t know this, but the heavenly Dao not only views the demon race as a thorn in its side, but it also views the Sorcerer tribe with hostility!

“According to your plan, once the forces of the heaven realm get involved, the first step is to exterminate the demon race, followed by the Sorcerer race! Furthermore, it’s a complete extinction, not even the elderly and children will be spared!”

let me put it bluntly, ” Chen Xiaobei said coldly. if the 81 heavens of the primordial fell into the hands of the demons, it would be a lot better than falling into the hands of the heavenly realm! At least the demon race won’t exterminate the wizard race!”

how ... How is this possible?! The Holy maiden froze, her beautiful eyes filled with disbelief.

Evidently, the ancient desolate land was isolated from the world and the Holy maiden didn’t know about the situation in the heaven realm.

Hearing Chen Xiaobei’s words, the Holy maiden was lost. “If we can’t even rely on the heaven realm, this war will lose all suspense ...” He thought.

“You don’t have to be so desperate!”

Chen Xiaobei said, “ If you trust me, I might have a way to help you complete your secret mission and stop the demonic invasion!”

“What do you have in mind?” The Holy maiden hurriedly asked.

She did not trust Chen Xiaobei, but there was no other way. She could only try it.

“I don’t have a concrete plan yet, but as long as you help me leave the ancient Barrens land! I’ll definitely give you a satisfactory answer!” Chen Xiaobei was very confident.

“I’m ... I’m afraid that’s going to be difficult ...”

The Holy maiden frowned. the 81 heavens of the primordial era are located in the core region of the primordial land. If we want to leave, we have to pass through the extremely dangerous God perishing lands!

“The God perishing land? What is that place?” Chen Xiaobei asked.

that’s a death domain where demonic beasts run rampant and ghosts and monsters wreak havoc!

divine Phoenix, ” the Holy maiden replied. as the name implies, even heavenly deities who barge into that region can die!

you mean, even you didn’t manage to get me out of the ancient Barrens alive? ” Chen Xiaobei’s eyes widened in shock.

that’s right ... the Holy maiden helplessly nodded. for trillions of years, the ancient Barrens have been isolated from the rest of the world because the people of the 81 heavens of the Barrens are unable to leave!

“This ...”

alright! Chen Xiaobei thought for a moment and said, “ if it really doesn’t work, you can take me to a place where there’s the immortal realm’s network! As long as we can get in touch with the outside world, things will be easy!”

The Holy maiden’s expression turned complicated. She hesitated for a moment before she spoke, “As far as I know, the demon Army seems to be able to communicate with the outside world ...”

### Red Envelope Group of the Three Realms

#### **Chapter 3680: A strange phenomenon**

3680 A strange phenomenon

“What? The demon Army could communicate with the outside world? Are you sure?”

Chen Xiaobei’s eyes lit up with joy.

As long as he could contact the outside world, Chen Xiaobei would be able to use the Three Realms red envelope group and the merit points ledger. By then, he would be able to dissolve the saint’s power in his body and recover his strength quickly.

This was great news for Chen Xiaobei.

“I’m not too sure!”

The Holy maiden helplessly shook her head, “ I’ve never been to the North of the Dragon Sparrow mountain. I’ve only heard that the commanders of the demon Army can use communication Jade talismans to communicate with the demon world!

demonic realm!?”

Chen Xiaobei nodded and said, “ “It’s the same to be able to contact the devil World!”

Clearly, mo Luo Wu Tian was in the demonic realm, and he could contact Chen Xiaobei through the Three Realms intranet.

This meant that the information Network of the demon race had a way to invade the Three Realms immortal network. As long as Chen Xiaobei went to a place with the demonic network, he would have a chance to connect to the Three Realms network.

“If that’s the case, then it’s simple!”

“Use the teleportation formation of the 81 heavens of the primordial era. You can quickly get to the front lines of the Dragon Sparrow mountain!”

“Good! Then let’s not delay any further, I’ll set off now!” Chen Xiaobei could not wait any longer.

Xu Tianxin was even more excited.

This kid had long wanted to go to the battlefield. First, he had the chance to see his father. Second, his dream was to become a great warrior.

“But, with your strength ...”

The Holy Virgin frowned. She was worried that Chen Xiaobei and Xu Tianxin’s cultivation level was too low. She did not say it out loud for their sake.

However, that was the truth.

Chen Xiaobei and Xu Tianxin were not even in the abstruse immortal stage. They could be killed by any demonic beast on the way, let alone the battlefield.

“I know what you mean. We are indeed very weak now!”

Chen Xiaobei did not try to hide it. He smiled and said, “ so, are you willing to be our bodyguard, saintess? ”

“I can’t ...”

The Holy maiden helplessly shook her head, “I’m leaving tomorrow for a secret mission!”

“Tomorrow?” “Didn’t the people on the mission leave a long time ago?” Chen asked.

“That’s right ...”

The Holy maiden nodded. Her expression was somewhat dejected as she spoke, the people from the 48 heavens have already set off for the mission. However, the front line has suffered heavy casualties, and we need new forces to supplement them!

the ... The casualties are heavy ... Chen Xiaobei was stunned.

“Yes, I am!”

“I’ve already told you that you might not be able to complete the secret mission!” That’s why I want to borrow the power of the heavenly realm! Since you said that the heaven realm is more terrifying than the demon Realm, then all the hope of this matter is on the secret mission! We can only succeed, we can not fail!”

“Don’t worry, you still have me!”

“Since it’s not convenient for you, we’ll just go on our own!” As long as I can contact the outside world, I will have a way to break out of this situation!”

let’s hope this is true ... the Holy maiden was also helpless.

After that, the communication Jade talismans of the two parties communicated with each other. This way, they could contact each other within the ancient Barrens.

He left Xuan Yutian.

Chen Xiaobei and Xu Tianxin had finally entered the real ancient Barrens!

The 81 heavens of the primordial era were like the Hong Meng Demon Realm, small worlds independent of the Three Realms.

The real ancient Barrens land was unimaginably huge. Its total area could even be compared to the 36 levels of heaven realm. It was a real major world of the main plane.

Back in the day, when the Sorcerer tribe was at its peak, they had once controlled the entire ancient Barrens land. It was terrifying.

“Master! Xuan Yutian’s teleportation formation is right in front!”

Xu Tianxin LED Chen Xiaobei in the air and pointed at a portal that was built in the yellow soil.

the environment here is really too vile!

Chen Xiaobei was a little absent-minded as he scanned his surroundings. “The spiritual energy is extremely thin, almost equal to zero! The land was extremely barren, and even wild grass would find it difficult to grow! Why would the powerful sorcerer tribe like this place?”

“Master, you don’t know!”

back in the days, the spiritual Qi in the ancient Barrens was extremely rich. The land was fertile and the water was abundant. The Sorcerer tribe never lacked spiritual Qi for cultivation. They never had to worry about food! Xu Tianxin said.

“However, after the war between the Sorcerer and demon tribes, the Sorcerer tribe completely declined! The power from the outside world had invaded the ancient Barrens land and extracted all the spiritual veins there. That’s what caused the current situation!”

the lucky survivors of the Sorcerer tribe, unable to survive, tried their best to establish the 81 heavens of the primordial era. They hid in their independent small worlds and struggled on!

Xu Tianxin’s face was full of disappointment and unwillingness.

“This is strange ...”

Chen Xiaobei was confused. “Which force took the spiritual vein of the ancient desolate land? How could the Wu tribe, which was on the verge of extinction, still have the strength to establish the 81 heavens of the primordial era? And where does the spiritual energy in the 81 heavens come from?”

I don’t know the details ... Xu Tianxin shook her head helplessly. unless we can find the ancient witches who survived that year, no one can answer these questions!

“Hmm, let’s not care about it for now. We’ll take it one step at a time!”

Chen Xiaobei composed himself and said, “We’ll be able to reach flame scar heaven, which is the closest to the Dragon Elephant Mountain range, after passing through the transmitting formation. By then, we might be in danger with every step we take! Are you ready?”

“I’m ready!”

Xu Tianxin replied without hesitation, “as long as I can follow master!” I won’t even frown if I have to climb a mountain of daggers or plunge into a sea of fire!”

“Good! Let’s go!” Chen Xiaobei nodded happily, his blood boiling.

.....

Yan Heng Tian.

The moment they stepped out of the portal, Chen Xiaobei and Xu Tianxin felt a terrifying heat wave.

As far as the eye could see, the surroundings were actually a boundless sea of fire!

Due to the extremely high temperature, the ground had already been melted into lava. Bubbles rolled and black smoke rose. Not to mention plants, not even half a living thing could be seen! The entire space was like hell on earth!

“Phew ... It’s so hot ...”

Chen Xiaobei wiped the sweat off his forehead and asked worriedly, “Tianxin, can you take it?”

Even Chen Xiaobei, who had a nine-star divine immortal’s body, could not bear the heat.

Xu Tianxin was only at the peak of a six-star heaven immortal. Even if the Sorcerer tribe’s physical strength was stronger, it would at most be at the level of a seven-star heaven immortal. Under such high temperature, she might be burned to death or even die!

“I’m fine!”

Tianxin Xu shook her head and said, “Strange, I don’t feel that hot ...”
