Chapter 3691: Means of transportation

3691 Means of transportation

this young master isn't from the 81 heavens of the primordial era?!

The middle-aged man was a little surprised. How could there be people who didn't know about the food situation?

"My master is from the outside, so he doesn't know!" Xu Tianxin said.

"I see ..."

The middle-aged man composed himself and said, "The 81 heavens of the primordial era lacked spiritual energy and water to begin with, so it was very difficult to grow food! It's not just the front line that's lacking in food, even the common people are lacking in food!"

"The reason why only the thirty-three heavens have formed an alliance at the front line is because the other heavens can't grow food and can only hunt for a living! If the men go to the battlefield, the old, the weak, the women, and the children will starve to death!"

It was obvious that the middle-aged man did not only know about the secret mission of the forty-eight heavens.

However, the lack of food was also an important reason that restricted the forty-eight heavens from sending troops.

if I have a way to solve the food problem, will it be helpful to the war? "

Chen Xiaobei voiced his thoughts.

"Do you still need to ask?"

if we have enough food, " the middle-aged man said with a bitter smile, " the armies of the other forty-eight heavens will arrive. Even if we can't defeat the demons, we can definitely keep them at the North of the Dragon Sparrow mountain!

"Alright!"

yes! Chen Xiaobei nodded and said, " tomorrow at this time, right here, I want to meet the ruler of the 81 heavens! I'll help them solve all their food problems!"

how ... How is this possible?!

Not only the middle-aged man, but even Xu Tianxin was dumbfounded. She couldn't believe what she had just heard.

"I can't explain this in a few words, but I can definitely do it!" Chen Xiaobei said.

The middle-aged man said in a deep voice, "young master, even if you have good intentions, you can't do it." Even if I believe you! However, the Chieftains must stay on the front line. They will not leave the battlefield and come here to see you just because of your words!"

"It's fine if you don't believe me, but you should at least believe in your great shaman Chi You!" Chen Xiaobei then ordered, "Tianxin, let him see your ability!"

"Yes!"

Xu Tianxin calmed down and immediately summoned the heavenly spear of Chiyou.

"This ... This ... This ..."

The middle-aged man was stunned for three seconds. Then, he kneeled down and bowed to Xu Tianxin. "Are ... Are you the messenger of the great Magus Chi You?"

Xu Tianxin did not answer but looked at Chen Xiaobei.

"Old brother, get up first!"

Chen Xiaobei helped the middle-aged man up and said, "Don't ask about this youth's identity. Just tell what you saw and heard to those chieftains. It's up to them if they want to come!"

"Come! They will definitely come back to see the envoy of the great shaman Chi You!" The middle-aged man's pupils contracted and his voice was filled with excitement. He looked at Chen Xiaobei and Xu Tianxin as if they were gods.

"Then I'll see you tomorrow!" Chen Xiaobei smiled.

The middle-aged man nodded repeatedly and rushed to the front line with great excitement!

the Sorcerer tribe is so devoted to their religion ... He's already so excited by just the Dharma form of Chiyou's heaven-battling spear. If I take out Chiyou's head, he'll faint from excitement!

Chen Xiaobei smiled, but at the same time, he frowned.

The Sorcerer tribe was so devoted to their faith! It was almost impossible for Chen Xiaobei to make them his followers!

It was obvious that the Sorcerer tribe was very brave! Persistence! Piety! Unyielding might! Life and death can not be shifted!

Such believers were super loyal. They were Chen Xiaobei's favorite and most needed backup!

To Chen Xiaobei, it would be a huge regret if he could not subdue the witch tribe!

"Wait a minute! I don't only have the head of a Chiyou!"

Chen Xiaobei was very smart and immediately changed his mind, "I have Emperor Jiang and the candle Dragon! Zhurong and Gonggong were still locked up in the Meru space! There were four Grand Wizards in total! Chi You's true body was also on the way! They must have a way for me to subdue the Sorcerer tribe!"

Chen Xiaobei was excited and said, "Tianxin! Let's go back to where we were!"

"Back ... Back underground?" Xu Tianxin's face was filled with confusion. "Didn't we just come up? Also, I ... I want to go to the front line and pay my respects to my father ..."

it won't take too long this time. Come with me. I'll lend you a magical item. Maybe we can find your father's body and bury him! Chen Xiaobei said.

Obviously, Chen Xiaobei was a very filial son.

Therefore, Chen Xiaobei appreciated Xu Tianxin's filial piety. Even if he had to use up the heaven glimpse talisman, he would help Xu Tianxin!

"R-really? Oh no! This must be true!"

Xu Tianxin was so excited that tears rolled down her face. "Shizun's words have never been false! I absolutely believe in shizun!"

Soon after.

The two of them used earth escape immortal Gu again and sneaked into the ground, entering an area that could connect to the Three Realms immortal network.

Chen Xiaobei immediately took out his communication jade talisman and sent a message to song Qincheng.

He wanted song Qincheng to buy a huge amount of food seeds from earth!

Rice, soybeans, corn, vegetable seeds, melon seeds, and so on ... As long as they could be bought, they bought everything!

Because Chen Xiaobei had left song Qincheng a hotspot on the Three Realms intranet, she could send things to Chen Xiaobei through red packets.

As for earth, Jin Fei was still in charge of it. He could definitely buy a large number of seeds in a day!

Chen Xiaobei then sent a message to Di Jiang and the candle Dragon.

After receiving the reply, Chen Xiaobei stuffed the verdant Emperor divine gourd into a red envelope and sent it to Di Jiang and then to the candle Dragon.

Finally, the verdant Emperor's divine gourd was sent back!

Chen Xiaobei summoned Emperor Jiang and candle jiu Yin from the verdant Emperor's divine gourd.

That's right!

Chen Xiaobei used the verdant Emperor's divine gourd as a means of transportation to bring the candle Dragon and Emperor Jiang to his side.

Originally, Chen Xiaobei had wanted to use the same method to get Chiyou.

However, Chiyou might have already entered the ancient Barrens and could not be contacted.

But then again, Emperor Jiang and candle jiuyn were both ancestors of sorcery who ruled the ancient desolate land! With them around, wouldn't it be easy to find Chi You?

"I've settled my business!"

Chen Xiaobei let out a sigh of relief, took out the talisman and handed it to Xu Tianxin. you just need to communicate with your spirit, and this talisman will help you find your father's body!

"Good! I'll try it now!" Xu Tianxin took the talisman eagerly.

It was a Black diamond-shaped jade talisman that had been carved into the shape of an eye!

The moment it was activated, a change immediately occurred!

Chapter 3692: Pangu bloodline

3692 Pangu bloodline

The Jade talisman emitted a mysterious spiritual light that shone on Xu Tianxin's forehead.

Xu Tianxin closed her eyes, and on her forehead, the spiritual light opened another illusionary eye for her.

This eye had a mysterious spirituality and a profound aura that was as deep as the universe. It was as if it could see through everything in the world, even the three worlds, six paths, heavens, and ten thousand worlds!

"Abba ... Abba!"

Suddenly, Xu Tianxin shrieked in surprise. "I see Abba! He was not dead yet! I saw it ... My Abba is still alive! That's great ... That's great!"

"What?"

Chen Xiaobei's eyes lit up. "It seems that although Xuan Yutian's Army has been defeated, not everyone has died! They might have just been scattered to some place outside the battlefield!"

"Master is right!"

yes! Xu Tianxin nodded and said, "I saw my father. He was in a forest about 30000 miles North of the Dragon Sparrow mountain! There were other Warriors around him! It doesn't look like he was defeated, but more like he was on a mission!"

"I don't care what they're doing!" Chen Xiaobei nodded. You just need to remember the location of the forest, we'll go there directly underground!"

"I've already remembered it!" Xu Tianxin nodded and returned the talisman to Chen Xiaobei.

Then, Xu Tianxin activated her earth escape immortal Gu again and quickly headed to her destination from underground.

Of course, Chen Xiaobei did something else before he left.

He immediately opened the merit points ledger and exchanged for a total of 8.1 trillion bags of immortal fertilizer.

[ding! Merit points reward, exchange successful. 8.1 trillion merit points deducted!]

– your current merit points are 191750 billion and 40 million.(Charm: 19175,0400,000, luck: 19175 billion and 4 million!

Chen Xiaobei wanted to get so many seeds from earth so that he could plant them in the 81 heavens of the primordial era.

The celestial fertilizer that he had exchanged for now was just enough for each heaven to get 100 billion bags.

This way, they could harvest a large amount of food in a short period of time. Although it could not feed them for a lifetime, it was definitely not a problem to feed them for two to three months!

Chen Xiaobei was confident that he could end the war within two to three months.

After he was done with the celestial fertilizer, Chen Xiaobei entered the Meru space with the Emperor River candle Dragon.

Xu Tianxin, on the other hand, continued her journey.

Within the Meru space.

“I hope I didn’t disrupt your original plan by suddenly calling you here?” Chen Xiaobei asked.

“Bro bei, you’re overthinking! We’ve already used some methods to break through to the one-star Mystic immortal realm. We’re planning to come to the ancient Barrens land to look for greater opportunities!”

bro bei, ” Emperor Jiang said calmly. you saved us a lot of time by bringing us here with the verdant Emperor divine gourd. You also saved us a lot of danger along the way!

“This is good!”

yes! Chen Xiaobei nodded and said, ” I heard that the ancient Barrens is the territory of the witch tribe! Returning here is equivalent to your home ground!”

“Although we have returned to our homeland, we don’t even need to look to know that the ancient Barrens has changed!” Zhu Jiu sighed.

“Indeed!”

yes! Chen Xiaobei nodded. I heard that after the witch race declined, someone emptied all the spiritual veins in the ancient Barrens land! After trillions of years, this land has become a desert, and it’s completely uninhabitable!”

the descendants of the Sorcerer tribe are becoming weaker and weaker. Now, the most powerful sorcerer tribe is probably the Chieftains of the 81 heavens. It is said that they are only at the mysterious God Realm and don’t even have a Sage-to-be!

At this point, Emperor Jiang and candle jiuyin's faces turned very ugly. There was anger, unwillingness, and hatred in their eyes.

Ordinary people might not know the truth, but Emperor Jiang and the candle Dragon knew it clearly. It was the scheme of the way of heaven that caused the Wu tribe to decline and almost go extinct.

After that, the way of heaven chased after the survivors of the Sorcerer tribe. If nothing unexpected happened, the way of heaven must have been responsible for the ancient desolate land's current state.

"The winner is king and the loser is Bandit! We acknowledge our failure back then!"

Emperor Jiang's eyes narrowed, and he said solemnly, " although we don't have the ability to take revenge, since we have a chance to live again, we will definitely do our best to help bro bei. One day, bro bei will step on the heavenly Dao!

The candle Dragon nodded his head and his mind was firm as if this was the only meaning of their lives.

"I called you over this time to ask you to help me deal with something!"

I want to conquer the 81 heavens of the primordial era. I want to gather all the descendants of the Sorcerer tribe under my command!

"This is great!" brother bei! Emperor Jiang said excitedly. our descendants will be able to work for brother bei! They will be able to live a better and happier life! This will be the greatest happiness in their lives!

but the problem is that the people of the witch tribe are extremely devoted to their faith. They will never be my loyal followers! Chen Xiaobei said.

"This is not absolute!"

"The Wu tribe is indeed loyal to the twelve ancestors of sorcery and a few extremely powerful Grand sorcerers in the ancient times!" Said the candle Dragon. However, there is a belief that is even more majestic than that of the ancestors of sorcery and the great sorcerers!"

" if bro bei can form a connection with this highest faith, " Emperor Jiang added, " the people of the witch tribe will definitely respect and believe in him. They will become his most devout believers!

Chen Xiaobei asked, " that highest religion ... Who ... Who is it!?"

Ancestral Saint Pangu!

Emperor Jiang said solemnly, " the ancestral Saint created the world and turned into the untainted land! The twelve drops of blood essence became the twelve ancestors of sorcery and gave birth to the Sorcerer tribe!"

yes! candle jiuyin nodded and said, " in the Wu tribe, not only the common people, but all the Grand sorcerers and Grand sorcerers have absolute loyalty to the ancestral Saint Pangu!

"I understand ..."

Chen Xiaobei nodded and asked, " but, how can I establish a connection with the ancestral Saint Pangu?"

"Pangu's bloodline!"

Emperor Jiang and candle jiuyn said almost in unison, " if the ultimate ruin of the ancient Barrens is still there, we can help you merge with the Pangu bloodline, bro bei!

this ... This ... Chen Xiaobei was stunned.

He had wanted to upgrade his witch Dragon bloodline because it was too low level, but he had never expected that he would have the chance to merge with the Pangu bloodline.

This was a super surprise!

"What kind of special ability does the bloodline of Pangu have? What kind of changes would happen after he combined with the witch Dragon bloodline? How strong can you become in the end?"

Chen Xiaobei's heart was filled with doubt, but also anticipation.

Chapter 3693: -demon pterosaur

we don't know the details, because no one has ever fused with Pangu's bloodline ...

Emperor Jiang and candle jiuyn shook their heads silently. This matter was beyond their knowledge. Unless they had done it before, they could not imagine the possible effect.

"Then, where is the ultimate relic you mentioned? How do I enter?" Chen Xiaobei asked.

the location of the ultimate relic is in the creation wood! Di Jiang said.

creation wood!?

Chen Xiaobei was stunned. "What you're talking about is the legendary creation wood of the primeval sacred tree that connects the Three Realms?"

that's right. According to legend, the creation wood grows in the human world. The heaven realm is at the top of the tree crown, and the earth realm is at the bottom of the tree roots!

The candle Dragon said,"however, that was after the World was created and the creation wood had just grown!" With the passage of time, the creation wood will be able to connect even more worlds!"

is ... Is it that powerful?! the creation wood is so huge and so important. But why have I never seen it before? why have I rarely heard people mention it? " Chen Xiaobei asked in disbelief.

"It's simple!"

"After the last immeasurable cultivation tribulation, the untainted land was completely shattered, and the builder tree is nowhere to be found!" Emperor Jiang said.

he's gone?! "Isn't the heavenly realm just 36 levels of heaven? Even Dao ancestor Hongjun can't find the creation wood?"

“No! There are more than thirty-six heavens in the heaven realm!”

The candle Dragon replied, “the West heaven of bliss!” The extreme purity WA divine sky! They were the two largest heavens apart from the thirty-six heavens! There were also many heavens of various sizes! Even the ancient Barrens is an independent heaven!”

you ... You mean ... Chen Xiaobei felt his scalp go numb. “The builder tree might have gone to an unknown world with the broken pieces of the untainted land, one that even the Dao ancestors could not find?”

“Right!”

“No one knows the location of the creation wood!” Emperor Jiang nodded and said. It might even be in the middle of the spatial turbulence and not have a fixed position at all!”

Chen Xiaobei was stunned. “We’ve been talking for so long, isn’t it all nonsense? How are we going to find Saint Pangu’s relic if we don’t even know where the creation wood is?”

“Bro bei, don’t worry!”

The candle Dragon said, “I just said that the creation wood can connect to all the worlds!” On the other hand, as long as we find the exit, we can use the Sorcerer tribe’s Secret technique to reverse the flow and return to the creation wood!”

“I understand!” there’s an exit in the ancient Barrens! Chen Xiaobei’s eyes lit up. there’s an exit connected by the builder tree! As long as we get there, we’ll be able to find the builder tree and the ancestral Saint Pangu’s remains!”

“That’s right!”

“We all know the location of the exit,” said Emperor Jiang in a deep voice. The only thing they had to worry about now was whether the exit had been destroyed! Also, using the reverse sorcery technique requires the consumption of a huge amount of spiritual Qi. This is also a huge problem!”

“It doesn’t matter! As long as we have a goal, we can overcome any difficulty!” Chen Xiaobei’s confidence was ignited.

As long as he had a direction, he would be able to reach his destination!

“You’re right! This matter could not be rushed! Bro bei’s strength is also a big problem!” bro bei is only an early two-star heaven immortal now! Emperor Jiang frowned. even if we find the creation wood, I’m afraid we won’t be able to do anything!

“Indeed ...”

The candle Dragon said, “ the creation Wood’s body is like a big world. It’s filled with danger and powerful people run amuck. You must not barge in without sufficient strength!

“Alright! You two are thinking too far ahead!”

“Come back to your senses!” Chen Xiaobei interrupted. Let’s take it one step at a time and solve the current problem first, then slowly think about the future! You have to believe that things will work out when they come to that!”

.....

After a while, Chen Xiaobei, Di Jiang, and the candle Dragon all left the Meru space.

At this time, Xu Tianxin had already arrived at her destination. She activated her earth escape immortal Gu and brought everyone to the surface.

“Where is he?”

Xu Tianxin looked around impatiently, but she couldn’t see anyone, let alone her father.

“Silly boy!”

Chen Xiaobei was amused. your Abba and the others are on a mission. They have to keep moving forward. Why would they wait for you? ”

“Master! Let me borrow your Saint talisman again!” Xu Tianxin couldn’t wait any longer.

“The heaven glimpse Saint talisman can only be used once a day!”

don’t worry. Your Abba and the others are moving stealthily. They won’t be able to move very fast. They won’t be able to get very far. We’ll find them soon!

“Alright!”

Xu Tianxin calmed herself down and asked, ” “Master, please point us in a direction. Where should we go?”

“Are all the descendants of the Sorcerer tribe so weak now?” Emperor Jiang looked at Xu Tianxin with heartache.

After that, Emperor Jiang condensed his celestial core power on his fingertip and drew a wizard spell in the air.

“Phew ...”

The next moment, a cool breeze blew by. Emperor Jiang sniffed the wind and said indifferently, ” “A total of thirty-three people. They went north, less than a thousand miles from here!”

“Is ... Is this true?” Xu Tianxin was dumbfounded and couldn’t believe it.

“Of course it’s true!”

The candle Dragon smiled and said, “we, the Sorcerer tribe, worship nature. Wind, frost, rain, snow, grass, earth, and stones are all our companions!” They can all be used by us!”

Xu Tianxin swallowed and said, ” “I ... I’ve heard the old people say the same thing, but I’ve never seen anyone really do it! How do you guys have this kind of ability?”

Chen Xiaobei laughed. They used to be ancestors of Sorcery! Why do you think they have this ability?”

“Grand ... Grand Wizard? this ... This is impossible ... Xu Tianxin gasped as if she had seen a ghost. Her pupils contracted, her scalp went numb, and she broke out in a cold sweat.

“This is the Emperor River! This is the candle Dragon!”

they were already dead! Chen Xiaobei explained. they were reincarnated as spirits!

the ... The wizard ancestor has been Reborn!?

If someone else had said this, Xu Tianxin would never have believed it! However, when Chen Xiaobei said that, Xu Tianxin believed him completely!

“Plop ...”

He knelt down and bowed to Emperor Jiang and candle jiu Yin with utmost sincerity.

Emperor Jiang and Zhu jiu Yin accepted the Junior’s great bow and helped Xu Tianxin up. since you’ve accepted this bow, we’ll teach you some skills on behalf of bro bei in the future!

“Thank you ... Thank you, ancestors of Sorcery!” Xu Tianxin was so excited that she wanted to die, but in the end, she still looked at Chen Xiaobei.

Xu Tianxin knew very well that the person she should thank the most was Chen Xiaobei.

Without Chen Xiaobei, Xu Tianxin would never have such an opportunity in her life. She might not even be able to leave that poor little tribe.

“Let’s go! Let’s increase our speed and catch up to the thirty-three people ahead!” Chen Xiaobei smiled and took the lead.

The group followed closely behind and charged into the depths of the forest.

“Boom boom boom ...”

At the same time, in the forest thousands of miles away, a terrifying battle had already broken out.

One side of the battle was 33 Xuan Yu Warriors, and the other side was a three-headed demon Winged Dragon!

[Red Envelope Group of the Three Realms](#)

Chapter 3694: certain death

“Get into formation!”

The 33 Xuan Yu Warriors raised their sabers and stood in a triangular formation, quickly forming a small battle.

“Roar! Roar ...”

On the other side, the three-headed demon pterosaur flapped its wings and let out an earth-shaking roar.

The three-headed demon pterosaur was several thousand meters long, and its wings spanned a thousand meters when spread. His entire body was emitting a dark yellow immortal essence that burned like a flame.

Every time it flapped its wings, it could sweep up a strong wind of celestial core power and crush the plants below, turning them into ruins.

“Not good! This beast’s cultivation base has reached the three-star Mystic immortal realm. I’m afraid our battle formation can’t withstand its attack!”

“Brother Xu! Quickly think of something! If we can’t break through, our brothers at the front line will have died in vain!”

“Brother Xu! You say something! We’ll listen to you!”

Although this group of Xuan Yu Warriors were not as powerful as the three-headed demon pterosaur, they did not panic. They all followed the lead of a warrior surnamed Xu. It was as if as long as he was around, there was still hope.

That’s right!

This man was Xu Tianxin’s father, Xu ao!

His cultivation had reached the peak of two star Mystic immortal, and he was the strongest warrior of the Azure cloud tribe. He was also the strongest leader of the 33-man team!

“I’m afraid our mission will fail ...”

Xu ao was the hope of the crowd, but his words were full of despair. “Let’s not talk about whether we can resist this demonic beast! Its roar would definitely attract countless demons! We have no way out!”

this ... everyone fell into despair.

Indeed, just that three-headed demon pterosaur alone was enough to kill everyone! Not to mention that the North of the Dragon Sparrow mountain range was already the demon territory. It wouldn’t be long before an Army arrived. The consequences could be imagined!

Boom Boom ... Boom Boom ... Boom Boom ...

While everyone was discussing, the three-headed demon pterosaur didn’t stay idle. Its three large heads all opened their bloody mouths and spat out three dark yellow demonic flames.

This beast’s cultivation had reached the three-star Mystic immortal realm, and its destructive power was rather terrifying.

Wherever the dark yellow demonic flame passed, the surrounding air would distort. The heat wave burned all the vegetation and the earth into magma.

get into formation!!!

Faced with such a terrifying attack, Xu ao let out an unyielding roar, “The Sorcerer tribesmen live for battle! Wherever the blade points, there will be no other way out!”

As soon as he said that, the crowd's blood boiled and their fighting spirit burst. They shouted together with Xu ao, "Where the blade is! There was death! Peerless!"

In the face of fatal danger, they clenched the swords in their hands!

Even if they knew that death was the only way out, they would not Dodge the blade! He wouldn't escape! He would not admit defeat and beg for mercy!

Other than dying in battle, there was no other choice!

These were the Warriors of the wizard tribe!

They were determined to die! It was their glory! It was their belief as Warriors!

They were willing to use their flesh and blood! With his life! He could even use his soul to prove it!

"Fight!"

Following Xu ao's roar, everyone activated their celestial core power to the maximum without holding back.

The 33 wisps of celestial core power formed a special battle formation of the Sorcerer tribe.

With Xu ao as the core of the array, the power of the array was increased by 50%.

This was their strongest power.

Unfortunately, that three-headed demon Winged Dragon had already reached the three star Mystic immortal stage.

At the mystic immortal level, even if there was only a difference of one-tenth of a minor realm, the gap was still extremely huge.

boom boom boom!!!

With an explosion, the first dark yellow demonic flame suddenly bombarded down.

Without any suspense, Xuan Yu's side was completely defeated. The power of the battle formation was directly wiped out, and all the sabers in their hands were shattered. All 33 of them were bombarded to the ground, like fish on a plate, waiting to be slaughtered.

It was obvious that the broken sabers were not Dharma Treasures and could not be activated.

This was also the biggest weakness of the Sorcerer tribe, and often the biggest reason for their deaths.

Boom ... Boom ... Boom ...

The second and third dark yellow Devil flame came at them. Without the protection of the battle formation and the sabers, the Xuan Yu Warriors had been sentenced to death!

The absolute difference in cultivation strength brought about absolute despair!

"Space vortex!"

However, at this moment of life and death, a soft shout came out of nowhere.

Then, the two dark yellow flames were suddenly trapped by the spatial cage and instantly changed direction.

The spatial cage immediately disappeared.

“BOOM! BOOM!”

No one could react in time. Even the three-headed demon pterosaur didn't understand what was going on.

In this moment of hesitation, the two dark yellow demonic flames had already reversed their direction and struck the three-headed demon pterosaur's body.

“Roar ... Roar ...”

Without any defensive preparations, the three-headed demon pterosaur was directly blasted to the ground. It let out a painful and furious roar, and the sound waves alone caused the entire space to tremble.

“Time stop!”

At this moment, another person let out a low roar.

In an instant, the time around the three headed demon Winged Dragon stopped.

Correspondingly, the body of this huge magical beast also became completely still, and even its sound stopped abruptly.

“Chiyou's heaven-battling spear!”

Immediately after, a third roar was heard. It was slightly immature, but it was extremely determined and fierce!

“Swish!”

Words of law! A blood-red spear shot out of Xu Tianxin's forehead!

With an extremely terrifying aura, it blasted towards the three-headed demon Winged Dragon's sea of Qi dantian!

The terrifying aura was like a domineering unparalleled demonic god who was coming with a mountain of corpses and a sea of blood to kill all the gods and Buddhas in the sky!

“Woof! Pfft ...”

In an instant, the Chiyou heaven battling spear energy construct pierced through the three-headed demon pterosaur's dantian. A large amount of blood gushed out like a fountain.

Not only that, but the magical body and primordial spirit of the three-headed demon Winged Dragon were also severely injured, and were almost annihilated on the spot.

“Chi ...”

The three-headed demon Winged Dragon no longer had the strength to continue fighting. Its damaged primordial spirit immediately left its body, wanting to escape from the scene.

“God-devouring Blood Sword!”

Another soft cry rang out. Soon after, a blood-red light filled the sky, transforming into thousands of cages that directly locked down the three-headed demon Winged Dragon’s origin soul.

He then pulled the broken primordial spirit back and fused it with a blood-red sword.

you ... Who are you?!

Xu ao and the others were shocked, and they looked at the four people standing behind the blood Sword as if they were looking at gods.

The terrifying three-headed demon pterosaur was actually killed in an instant.

Xu ao and the others were extremely shocked!

That’s right!

The person who was holding the sword was Chen Xiaobei!

The other three were Emperor Jiang, candle jiu Yin, and the young man Xu Tianxin!

Chapter 3695: Hope to break out of the situation

3695 Hope to break out of the situation

“Abba!”

Xu Tianxin rushed over and hugged Xu ao.

“Tianxin? You ... Why are you here?”

Xu ao was so excited that his eyes turned red. He hugged his son tightly and did not want to let go.

Xu ao was overjoyed to see his son’s improvement in cultivation.

However, when he saw Chen Xiaobei, Di Jiang, and the candle Dragon, Xu ao’s heart was filled with shock.

Of course, Xu ao was not the only one who was shocked. The other Xuan Yu Warriors around him were also shocked.

“We can’t stay here for long. Let’s talk somewhere else!”

Chen Xiaobei knew what everyone was thinking, so he gave Tianxin a look.

“Whoosh ...”

Xu Tianxin activated her earth escape immortal Gu and brought everyone underground.

After that, Chen Xiaobei brought everyone into the Meru space. This way, even if the demonic Army arrived, they would not be a threat to their safety.

Within the Meru space.

Chen Xiaobei explained the situation to her.

Xu ao and the other 33 Xuan Yu Warriors knelt on the ground and bowed to Emperor Jiang and the candle Dragon.

Apparently, the spatial rotation and time stop were the unique abilities of Emperor Jiang and the candle Dragon.

Although the current sorcerer tribe had never seen it before, there were many records of it in the legends of the ancestors of sorcerer that had been passed down from generation to generation.

Therefore, Xu ao and the others had no doubt that Emperor Jiang and candle jiu Yin were the ancestors of sorcery. They respected them as if they were gods and were extremely devoted to their beliefs.

Even Xu Tianxin was regarded as the messenger of Chiyou, and she was worshipped by the other 32 except for Xu ao.

Xu ao had wanted to kneel down as well, but Xu Tianxin refused to do so. Plus, Di Jiang had persuaded him, so Xu ao did not bow to his son.

In the end, Xu ao and the rest of the people all looked at Chen Xiaobei.

Although Chen Xiaobei looked very ordinary and his cultivation was much lower than Xu Tianxin's, no one dared to underestimate Chen Xiaobei. In fact, they even had a deep respect for him.

The reason was simple.

Emperor Jiang, Zhu jiu Yin, and envoy Chiyou were all Chen Xiaobei's followers!

It was clear that Chen Xiaobei's status was unimaginably high!

Although Chen Xiaobei did not shamelessly claim to be the envoy of Pangu, Xu ao and the others were still willing to follow Chen Xiaobei's lead and listen to all his orders.

"Tell me about the situation of the battle first!"

Chen Xiaobei asked everyone to sit down in the garden of the poison God Realm and went straight to the point.

Xu ao composed himself and said seriously, "The war at the front line has already exceeded the tolerance level of the thirty-three heavens Alliance!"

"Today, Xuan Yutian and Yan hengtian's armies have been completely defeated! If there are no accidents, the Alliance Army will be completely defeated in these three to five days!"

Hearing this, Emperor Jiang and the others couldn't help but frown. "How could he be defeated so suddenly?"

It was clear that the war had been going on for some time, and both sides were evenly matched, maintaining a relatively balanced situation.

Even if the Sorcerer tribe was going to lose, they should be slowly worn out and gradually headed towards defeat.

But now, according to Xu ao, the Sorcerer tribe was completely crushed by the demon tribe.

the reason why our side was suddenly defeated was because the demons were continuously sending their Army over. There was even a high-level profound deity from the demon race who entered the battlefield to coordinate with the Holy demon battle formation. This caught us off guard!

“If we had the same number of soldiers and combat power, we would not be afraid of the Asmodians!” Xu ao said unwillingly. It’s even more impossible to lose to them!”

Obviously, the Sorcerer tribe was getting weaker and weaker, while the demon tribe was getting stronger and stronger. Xu ao felt very frustrated and aggrieved to be defeated in such a way.

“That’s not right!”

Emperor Jiang frowned and said, “ there’s a peak pre-Saint level ” twelve divine beings killing formation ” in the ancient desolate land. Why should we be afraid of a mere profound deity?”

“We do have a powerful sorcerer tribesman’s magical formation, but we don’t have enough spiritual Qi to activate it,” Xu ao said unwillingly.

uh ... I forgot that the spiritual veins in the ancient Barrens land have been taken away ... Emperor Jiang’s eyes narrowed as he said, “ “The magic formation can’t be used, but the battle formation can be used!”

“Battle formation?”

Xu ao was stunned for a moment, and then he asked respectfully, “ Lord ancestor of sorcery, can you teach us powerful battle formations? ”

“Do you still need to ask?”

of course! Emperor Jiang smiled indifferently and said, “ although it can’t be compared to the twelve divine beings killing formation, it’s still as easy as killing a chicken with a butcher’s knife to deal with a mere Mystic deity!

“That’s great!”

that’s great! Xu ao was overjoyed. this way, as long as we succeed in our mission, we will have a chance to win!

“Dad, what kind of mission are you on?” Xu Tianxin asked.

“We have two missions for this trip!”

the first mission is to rescue the Xuan Yu and the flame scar tribe chieftains who have been captured by the enemy! Xu ao said.

“The second task is to find a way to cut off the passage for the enemy to send more troops! Only by strangling the enemy to death at the source can we stop the war!”

“As long as we succeed in our mission, we will be able to cause great chaos behind the enemy lines! The war at the front line would be eased! Let our Warriors learn the battle formation of the Grand Wizard sect and we can turn the tide!”

The more Xu ao spoke, the more excited he became, as if he had seen infinite hope.

“I really don’t understand where your confidence comes from.”

“With 33 low-level abstruse Immortals, it’s impossible for you to complete the two missions that I mentioned!” The candle Dragon said with a bitter smile.

this ... Xu ao was dumbfounded.

Although the candle Dragon’s words did not sound good, he was telling the truth.

If Chen Xiaobei and the others had not appeared, Xu ao and his team would have been wiped out. How could they still complete the mission? Maybe in the next life!

this matter must be considered at length. We can’t charge in all at once. That’s no different from sending ourselves to our deaths!

Chen Xiaobei agreed with the candle Dragon.

um ... We’ll do as you say ... Xu ao nodded, and his impulsiveness was greatly restrained.

let’s do this for today. After I meet all the Chieftains tomorrow, I’ll use the heaven glimpse talisman to determine the location of the person I want to rescue. At that time, I’ll be able to get it done in one step and avoid many detours!

Chen Xiaobei had already thought of a plan.

Moreover, he still had a few unopened red packets with him. When the time came, they would come in handy.

After that, Chen Xiaobei used the earth escape Holy gourd to return to the location where he could connect to the Three Realms intranet. He then hid underground and waited for song Qincheng’s Red envelope.

While he was waiting quietly, Chen Xiaobei suddenly had a bold idea!

Chapter 3696: I have a divine talisman

3696 I have a divine talisman

“I used the verdant Emperor’s divine gourd as a means of transportation to bring people over. If I operate it in the opposite direction, I can leave the ancient desolate land! With the returning bracelet, I can return to this place at any time!”

Chen Xiaobei did some simple calculations. This method was indeed feasible.

however, I've already contacted mother Nuwa and received red packets from everyone. There's no point in leaving the ancient Barrens!

Chen Xiaobei took out the returning bracelet and set a point of origin on this spot.

"Set this starting point and come back if you want to, it can save you the time of using the earth escape immortal Gu to rush back! At critical moments, we can even avoid danger!"

After setting the starting point, Chen Xiaobei started to feel bored again. It would be great if Xin 'er was here. The divine sunlight treasure box can speed up the ripening of the blood Bodhi fruit, help me train my body, and speed up the upgrade of the chaos Blood Sword!

I wonder when mother Nuwa will be able to bring Xin 'er back. This little girl is so stupid. She doesn't even know how to get a communication jade talisman to contact me first. I can't even bring her over even if I wanted to ...

"But then again, this place is too dangerous! The situation is completely out of my control! It's better not to bring Xin 'er over before I can stand firm ..."

Chen Xiaobei did not dare to underestimate the situation.

After all, the demonic Army's reliance was not as simple as just a Mystic deity and a demonic formation!

Behind them was the entire Devil world that was about to erupt. It was the ambitious mo Luo Wu Tian!

Chen Xiaobei could not imagine how things would turn out.

"Bro bei, how long do we have to wait ..."

Xiao 'er climbed onto Chen's shoulder and complained, "I'm getting bored ..."

"You're bored too?" I'm hungry! Chen Xiaobei laughed. I'm always sleeping after I'm full. If I can't sleep, it must be because I'm hungry!

"Hehe! Bro bei knows me the best!" "Let's go find something to eat!" The waiter said. I smell a very, very fragrant scent!"

"How fragrant is it? Is it more fragrant than the leaves of the blood Bodhi Divine Tree?" Chen Xiaobei asked.

"That's right!"

"It's much more fragrant than the blood Bodhi Leaves!" The waiter said with certainty.

"Then what are we waiting for? Point the way! Let's set off now!" Chen Xiaobei said excitedly.

One had to know that the waiter had a special characteristic. The higher the grade of the item, the more fragrant it smelled!

In other words, the delicious food it was smelling was definitely of a higher grade than the blood Bodhi Divine Tree.

In other words, it had surpassed the one-star divine level!

Of course, Chen Xiaobei would not miss out on such a good thing.

.....

With Xiao 'er's guidance, Chen Xiaobei found a large hole that was buried deep underground.

Just as he was about to go in, the waiter panicked, " "Bro bei, let's go! There were many terrifying magical beasts in the cave! I can smell their scent! However, my primordial spirit domain can't detect them. This means that their cultivation is far higher than ours!"

"Don't panic! Let's go in and take a look first!"

Chen Xiaobei took out two super prosperous monkey fur and turned himself and Xiao 'er into tiny little insects.

Then, he used Yan Lingshi's Natal purple Qi.

In this way, he was not afraid of being discovered by the magical beasts in the cave. If he could deal with them, he would attack. If he could not, he would retreat. He was in a perfect and undefeatable position!

After that, Chen Xiaobei and Xiao 'er flew into the cave.

The hole was not big, but the deeper they flew, the more space inside it expanded. In the end, it was as if they had entered an underground world, with a boundless feeling!

As for the magical beasts that the waiter had mentioned, they had also revealed their true faces.

It was a very strange beast. Its main body was like a venomous snake, but it had bat-like wings on its back.

They weren't big, but their numbers were huge.

Inside and out, there were definitely no less than thirty million of them.

Fortunately, their cultivation was not particularly high. On average, they were only seven-star sky Immortals. If they were to fight, Chen Xiaobei would not be afraid.

"Bro bei! It's right in front!"

The waiter lowered his voice, his eyes staring straight ahead.

He saw a Black-winged demonic Snake King with an exceptionally large body lying in the center of the space. Its eyes were closed, and its breathing was calm, as if it was sleeping.

"Where's the delicious food?"

Chen Xiaobei searched for a long time, but he could not find anything that was higher than a one-star God-tier!

This Black-winged demonic Snake King, on the other hand, had reached the three star Mystic immortal realm. It wasn't any weaker than the three-headed demon Winged Dragon that they had encountered earlier!

Once it was awakened, a fierce battle would definitely break out!

“Bro bei, activate your golden gaze fiery eyes! The treasure is in the arms of that huge snake!” The waiter quickly said.

“Oh?”

Chen Xiaobei focused his mind and activated his golden gaze fiery eyes.

Sure enough, in the center of the Black-winged devil Snake King’s coiled body, there was a silver-white treasure chest.

The main point was that his fiery golden eyes could not see through this treasure chest.

This meant that the quality of the treasure chest was very high, at least much higher than Chen Xiaobei’s golden gaze fiery eyes!

“Xiao ‘er, is that the smell of the treasure chest?” Chen Xiaobei asked. Or is it the smell of the treasure in the box?”

“Treasure chest? Is that a treasure chest?”

The waiter didn’t have the ability to see through things, but he said with certainty, “I’m asking about the smell of a two star celestial god tier metal. If I’m not wrong, it might be nine suns cloud pattern silver!”

nine yang cloud pattern silver!?

“That’s right!” Chen Xiaobei quickly made his judgment. The smell you’re smelling is from that silver treasure chest!”

The waiter asked curiously, “the treasure chest is made of two-star divine-quality materials!” How precious is the item in the chest?”

“I think so too!”

Chen Xiaobei’s eyes were filled with anticipation. “That treasure must be extremely precious. I must get it!”

but the snake’s cultivation is too high. We can’t beat it ... the waiter was a little worried.

“Who said we have to fight?” “I can make it listen to my orders!” Chen Xiaobei said.

how ... How is this possible?! The waiter couldn’t believe it.

“It’s impossible if it’s awake! But since it’s asleep, it can’t escape from my palm!”

Chen Xiaobei smiled as he took out Yan Lingshi’s Red packet.

There were three three-star heavenly God-tier demon subduing heart sealing divine talismans in the red packet!

In fact, this divine talisman was given to Yan Lingshi by mother Nuwa for her to use in the Hong Meng Demon Realm.

However, Yan Lingshi was worried about Chen Xiaobei. She only had five of these talismans, so she took out three of them and gave them to Chen Xiaobei.

At this moment, this divine talisman could be put to good use!

“Bro bei! “We seem to have been discovered ...” The waiter said worriedly.

“Don’t be afraid! It’ll be done in an instant!” Chen Xiaobei smiled confidently.

Chapter 3697: The Golden liquid

3697 The Golden liquid

“Hiss hiss hiss ... Hiss hiss hiss ...”

Chen Xiaobei and Xiao ‘er were just two little insects, but when they suddenly took out three talismans, they immediately caught the attention of the Black-winged demonic snakes.

A large number of Black-winged demonic snakes were making strange sounds as they surrounded Chen Xiaobei and Xiao ‘er.

Fortunately, they were only curious. Why did three talismans appear out of thin air? However, they did not sense Chen Xiaobei and Xiao ‘er’s presence, so they did not attack.

Of course, if they were to get closer, they would have noticed Chen Xiaobei and Xiao ‘er.

It was precisely because of this that the waiter was particularly worried.

Once he was discovered and the little snakes attacked, the Snake King would immediately wake up, and the consequences would be unimaginable.

“Demon subduing!”

However, Chen Xiaobei did not hold back. He immediately attacked.

A demon subduing heart sealing divine talisman immediately activated its special ability and flew toward the Black-winged devil Snake King!

The divine talisman was extremely fast, and it instantly enveloped the Black-winged devil Snake King.

“Whoosh ...”

Then, the divine talisman started to burn, emitting a strong green spiritual light. Like a cage, it completely suppressed the Black-winged demonic Snake King.

“Roar!”

The Black-winged demonic Snake King was suddenly awakened. However, under the green spiritual light, its huge body couldn’t move at all. It couldn’t even use a little bit of celestial core power or physical strength.

At the same time, all the Black-winged demonic snakes in the underground space were alarmed. They swarmed over like a tide.

“Bro bei! We’ve been surrounded! Hurry up and prepare for battle!”

The waiter screamed anxiously.

After all, it was only a peak six-star heaven immortal, and any adult Black-winged demonic snake could defeat it.

With thirty million Black-winged demonic snakes swarming towards him, the waiter would naturally feel nervous and scared.

“Don’t worry, everything is under my control!”

Chen Xiaobei, on the other hand, was not afraid at all. He had even revealed his true form, completely unafraid of the Black-winged demonic snakes.

What was even more ridiculous was that Chen Xiaobei had no intention of fighting at all. He completely ignored the Black-winged demonic snakes.

heart lock!!!

run! Chen Xiaobei roared.

The demon subduing heart locking divine talisman in the distance immediately erupted with its second special ability.

All of the green spiritual light quickly entered the Black-winged devil Snake King’s body.

Soon, the Black-winged demonic Snake King quieted down and looked at Chen Xiaobei with a very pious and humble gaze.

“Master!”

The Black-winged demonic Snake King spoke in the human language. It had acknowledged Chen Xiaobei as its master!

That’s right!

This was the core special ability of the demon subduing heart locking divine talisman!

This divine talisman originated from the great demonic Sage, mother Nuwa. It had an absolute restraining effect on the demonic race. Once its special ability hit its target, it could completely subdue the target and turn them into its own spirit beast!

When this divine talisman reached the three-star divine tier, it could originally subdue three-star divine beasts! Using it to subdue a three-star Mystic immortal Black-winged demonic Snake King was like using a dragon slaying knife to kill a chicken!

However, it was all worth it!

Chen Xiaobei was sure that the treasure chest in the Snake King’s Arms contained something that was more than a 3-star heavenly God!

Other than the treasure chest, Chen Xiaobei could also take in 30 million snake slaves!

“Roar ...”

Then, the Black-winged demonic Snake King roared, and the Black-winged demonic snakes around it quieted down and lay on the ground, not daring to attack Chen Xiaobei.

“From now on, all of you will have to obey me!”

Chen Xiaobei took out the verdant Emperor’s divine gourd and put all 30 million Black-winged demonic snakes into it.

As long as the Snake King was around, these little snakes would naturally be loyal to Chen Xiaobei and listen to him.

Chen Xiaobei did not expect to use them in battle, but he wanted to use their lifespan! On average, he was at the seven-star heaven immortal realm, so he had a very sufficient lifespan! This way, he wouldn’t have to let Xu Tianxin consume her lifespan!

“I’ll go! Bro bei! You’re really a God!”

Xiao ‘er heaved a sigh of relief and returned to his original form, full of admiration for Chen Xiaobei.

“Go! Let’s go check out the treasure chest!”

Chen Xiaobei grinned and flew over.

The Black-winged demonic Snake King immediately used its ethereal force to present the treasure chest to Chen Xiaobei.

“What’s in this box?” Chen Xiaobei asked.

I don’t know ... the Black-winged devil Snake King said embarrassedly, “ this chest’s level is too high. I can’t open it at all ...

“Waiter! You do it!”

Chen Xiaobei said, “ Be careful! Be careful of what’s in the box!”

“I know!” As a super foodie, the waiter was not afraid of any danger for the sake of food.

Crack ... Crack ... Crack ...

Very quickly, Xiao ‘er had bitten through the treasure chest.

“Bro bei! There’s a golden liquid inside!”

Although Xiao ‘er was a glutton, he was more loyal to Chen Xiaobei. He stopped eating and used his divine essence to retrieve the liquid for Chen Xiaobei.

This liquid was very special. It formed a ball by itself and would not disperse or leak out.

It emitted a dazzling golden light and an unparalleled spirit.

“A divine item! This is a five star divine item!”

The waiter and the Black-winged devil Snake King exclaimed in excitement at the same time.

However, their eyes were filled with confusion. They did not know what it was.

strange ... This thing has both water and metal attributes. I can't even use it as a spirit base for the five elements ...

Chen Xiaobei was not sure what the Golden liquid was.

"Bro bei ... I'm going to continue eating?" The waiter didn't care about this, he was dying of hunger.

"Eat it. Just make me a small sword!" Chen Xiaobei nodded. He did not really care about the box.

Since it was useless to keep it, he might as well let the waiter eat it to improve his cultivation.

As for the small sword, it was naturally going to be used as a metal attribute spirit base. For the time being, a two-star divine level was already considered pretty good.

"What is this thing?"

Chen Xiaobei's attention was completely focused on the Golden liquid. "This is indeed a five-star divine level expert! But he had no special ability at all! Its attributes were not pure either! It wasn't hard either! It doesn't look like a naturally formed divine item!"

"Master, why don't you try some?" "I feel like this is something to eat!" The Black-winged devil Snake King said, embarrassed.

let me have a taste, alright!? The moment he heard the word 'eat', Xiao'er immediately turned his head and looked at Chen.

This golden liquid was a five-star divine level. To the waiter, it was much more delicious than the box.

"Alright ... Try it!" of course! Chen Xiaobei nodded. you won't be poisoned anyway. You can digest anything you eat!

waah ... the waiter flew over and took a bite of the Golden liquid.

"How is it? Did you taste what it is?" Chen Xiaobei asked curiously.

huh?!

The waiter let out a cry of surprise. His body instantly stiffened, and he couldn't say a word.

Chapter 3698: Qilin golden essence

3698 Qilin golden essence

"Waiter! Are you alright?"

Chen Xiaobei's eyes were filled with shock and worry. Xiao'er had eaten a lot of things before, but he had never seen it behave so abnormally.

If Xiao'er were to get sick from eating it, Chen Xiaobei would regret it so much that his intestines would break.

“Whoosh ...”

However, at this moment, an abnormal celestial core power fluctuation burst out from the waiter’s body, and the intensity of the fluctuation was soaring.

could it be ... Chen Xiaobei’s eyes lit up. This feeling of celestial core power was so familiar. Wasn’t it the sign of a breakthrough?

“Chi ...”

A faint golden light was emitted from Xiao ‘er’s body, like a sun halo.

In an instant, its entire insect’s aura underwent a tremendous change.

“Seven Star heaven immortal stage! I’ve broken through to the seven-star heaven immortal realm!”

The waiter immediately cheered in excitement, “This golden liquid should be the bone marrow of some kind of heavenly god tier spiritual beast Qilin!”

“Spiritual beast Qilin? Golden bone marrow?”

At this time, it was the Black-winged devil Snake King who let out a cry of surprise, and said, “It’s the black gold water Qilin! The most powerful ruler of the black gold Heavenly Lake! A five star heavenly god tier divine beast!”

“Didn’t you just say you didn’t know?” Chen Xiaobei asked.

“How can a small demon like me be qualified to see the black gold water Qilin in person? It’s even more impossible to see his bone marrow!”

“I’m afraid that the black gold water Kirin was killed a long time ago,” the Black-winged demonic Snake King said. that’s why the essence of the bone marrow is in the treasure chest!

“Where did you find this treasure chest?” Chen Xiaobei quickly asked.

yes,” the Black-winged demonic Snake King replied. one time, I went out, and a spatial crack appeared in the void ... I saw a terrifying explosion from the crack, and then this treasure chest flew to me ...

“What else did you see?” Chen Xiaobei asked again.

hmm ... I’m not completely sure ... I can only vaguely see a magnificent palace floating on the clouds!

The Black-winged devil Snake King recalled for a moment and said, “if I remember correctly, there is a golden board hanging above the gate of the palace. On it are two large words ... Yun Yi!

Yunyi!?

Yunyi Celestial Palace?! Chen Xiaobei was shocked. is this the legendary Yunyi Celestial Palace?!

maybe ... Anyway, I’ve never been to that place and I’ve never heard of it. The Black-winged devil Snake King said.

“This is such a coincidence!”

I've already passed the Yunyi Celestial Palace's test and obtained the Yunyi token. I'm now the new master of Yunyi Celestial Palace! Chen Xiaobei said. I didn't expect that this treasure chest containing the black gold water Kirin's bone marrow was actually related to the Yunyi Celestial Palace!"

"Bro bei! We must find the Yunyi immortal Palace!"

The waiter said excitedly, "this Black Gold water Kirin bone marrow can greatly improve cultivation!" And there would definitely be no side effects! It could be said to be an upgraded version of the blood Bodhi spirit fruit! If I can find more, it will be a great help to you!"

yes, I'll definitely find a way to find the Yunyi Celestial Palace, but I don't have the time right now ...
Chen Xiaobei said.

"Then we'll look for it in the future!" "Bro bei!" Xiao 'er said excitedly, "you should hurry up and increase your cultivation!" The rest of the black gold water Qilin's bone marrow can at least help you break through three major realms!"

"Good! I'll try!"

Chen Xiaobei was dying to increase his cultivation. He would not let go of such an opportunity.

"Hiss ..."

With a thought, Chen Xiaobei extracted the same amount of Black Gold water Kirin bone marrow that Xiao 'er had just had from the Golden liquid.

"Uh ..."

All of a sudden, Chen Xiaobei felt a strong wave of energy flowing down his throat into his stomach, and then into his body. The wave of energy was like ten thousand horses galloping, shaking Chen Xiaobei's physical body and dharma body. Finally, it gathered a mysterious power into his primordial spirit.

[ding Yingying's cultivation base: middle-stage two-star true immortal. Lifespan: 210.27 million years, physique: 30000 trillion, combat power 130 trillion, primordial spirit attack: Saint level!

[ding Yingying's cultivation Level: Advanced-stage two-star true immortal. Lifespan: 330.27 million years, physique: 30000 trillion, combat power: Saint level!

[ding Yingying's cultivation base: pinnacle two-star true immortal. Lifespan: 450.27 million years, physique: 30000 trillion, combat power 500 trillion, primordial spirit attack: Saint level!

[ding Yingying's cultivation level: early-stage three-star true immortal. Lifespan: 650.27 million years, physique: 30000 trillion, combat power: 1500 trillion, primordial spirit attack: Saint level!

"What the f * ck! This is too ... Too good ..."

When the celestial core power in his body calmed down, Chen Xiaobei was stunned. a portion of the black gold water Qilin bone marrow actually allowed me to break through three minor realms in a row, plus an additional major realm ... This ... This is simply unbelievable!

Without a doubt, this was a huge blow to Chen Xiaobei's heart.

The huge increase in lifespan and combat strength was nothing.

What delighted Chen Xiaobei the most was that he could successfully break through to the next major realm! This was what Chen Xiaobei needed the most! I like it the most! The effect that he cared about the most!

In order for Chen Xiaobei to reach the pinnacle of the divine path, he could not use pills to break through to the next realm. That would leave a hole in Chen Xiaobei's Foundation and completely cut off Chen Xiaobei's Ascension channel at a certain level!

Furthermore, Chen Xiaobei could not accept the legacy of others because the power of the legacy would reject his own power. It would never be able to merge perfectly, and he would never be able to reach the peak of the celestial path!

Because of this, if Chen Xiaobei wanted to break through to the next realm, he would have to rely on mystical opportunities.

These opportunities were not something that could be obtained just because he wanted to, and they often limited Chen Xiaobei's development.

But! At this moment!

The appearance of the black gold water Kirin bone marrow was a huge opportunity for Chen Xiaobei!

Just like the blood Bodhi spirit fruit, the dark gold water Kirin bone marrow was a pure natural divine item. It did not have any side effects, so it would not cause Chen Xiaobei's Foundation to be flawed.

At the same time, the blood Bodhi Divine Tree originated from the blood Kirin's blood essence! The black gold water Qilin's bone marrow also came from the divine beast Qilin!

In other words, the blood and bone marrow of the Qilin clan could help immortal cultivators improve their cultivation.

However, different types of Qilin would have different effects.

For example, the blood Bodhi could heal serious injuries and increase cultivation without injuries, but it could not break through to the next realm! However, although the black gold water Qilin's bone marrow did not have any healing effects, it could allow one to break through a major realm!

In other words, if he could find a higher level Qilin divine item, it would be of even greater, more, and more magical help to Chen Xiaobei's cultivation!

Of course, Chen Xiaobei was not in the mood to look for anything else!

First, he would finish the black gold water Qilin's bone marrow in his hand. As for the rest, he would talk about it later!

[Red Envelope Group of the Three Realms](#)

Chapter 3699: Four big and three small

3699 Four big and three small

According to Xiao 'er's estimation, the remaining dark gold water Kirin bone marrow could at least allow Chen Xiaobei to break through three realms.

However, the waiter's estimation was too conservative!

Chen Xiaobei continued to absorb and digest the energy, and his cultivation level continued to break through.

The higher the realm, the more Black Gold water Qilin's bone marrow would be consumed.

By the time the last bit of the black gold water Kirin bone marrow was used up, Chen Xiaobei had already leveled up by four whole realms! In addition, he had three minor realms!

Right! That's right!

That means four big ones and three small ones!

[ding Yingying's cultivation base: pinnacle of seven-star true immortal. Lifespan: 2050.27 million years, physique: 30000 trillion, combat power 9000 trillion, primordial spirit attack: Saint level!

His lifespan and combat power had increased by several times, and his cultivation had even surpassed Xiao 'er's!

This kind of feeling was simply so good that it exploded!

Chen Xiaobei was extremely excited. He had not felt so good in a long time!

"I want to find more Black Gold water Qilin bone marrow! I must find more Black Gold water Qilin bone marrow! This feeling of breaking through at such a rapid speed is simply too, too, too cool!"

Chen Xiaobei's eyes were burning with passion, and he was full of energy.

It was obvious that the black gold water Qilin's bone marrow had reached the five elements divine level.

Before Chen Xiaobei's cultivation reached that level, the black gold water Kirin bone marrow would be effective.

So, if he could find more of the black gold water Qilin's bone marrow, he would not have to worry about breaking through to the next realm for a long time.

Coincidentally, Chen Xiaobei had a clue!

The Yunyi token!

This token was a magical item. As long as Chen Xiaobei returned to the heavenly realm, it would lead him to the Yunyi Celestial Palace!

As the new master of the divine Palace, Chen Xiaobei might be able to find more Black Gold water Kirin bone marrow!

In fact, he could even obtain more treasures of a higher grade!

Chen Xiaobei could not wait to find the Yunyi Celestial Palace!

But!

Now was clearly not the time!

First of all, the battle in the ancient Barrens was at its most critical moment!

Secondly, Taiyin true deity, Xiao Tianquan, and Monkey King were still in the ancient Barrens land. They might even be in danger!

The last and most important point! With Chen Xiaobei's current strength, he could not even reach Yunyi Celestial Palace!

It should be known that the black gold water Kirin bone marrow was a five-star divine item. This proved that the Yunyi immortal Palace was at least at the high-level divine level, and even possibly at the mystic Divine level.

Without a similar level of strength, it was impossible to control the Yunyi immortal Palace. If he didn't handle it well, he might even be killed by other jealous people.

So, even though he was excited, Chen Xiaobei had to calm himself down and focus on the present.

bro bei ... I'm so sleepy ... I want to sleep ...

Xiao 'er finished the entire treasure chest. Of course, he did not forget what Chen Xiaobei had told him. While he was eating, he bit out a piece of metal the size of a palm from the treasure chest and turned it into a small silver sword!

The treasure chest was made of a 2-star divine item, so Chen Xiaobei could use the silver sword as his gold spiritual foundation.

"Don't! Help me make another small wooden sword!"

Chen Xiaobei then brought Xiao 'er and the Black-winged demonic Snake King back to the verdant Emperor's divine gourd.

The small wooden sword was naturally going to be bitten off from the blood Bodhi Divine Tree.

A one-star divine level could be used as a wood spirit base!

After that, Chen Xiaobei put Xiao 'er back into the upgraded ten thousand Beast Ring.

This little thing was going to sleep for a period of time. When it absorbed all the essence in the treasure chest and woke up again, its cultivation would definitely have improved greatly.

"Clang"

Then, Chen Xiaobei took out the chaos Blood Sword.

"Chaos devour!"

As Chen Xiaobei shouted, countless blood-red runes shot out from the chaos Blood Sword and quickly interwove into the head of a blood-red beast!

"Owwuuu!"

The strange beast opened its bloody mouth and began to devour the leaves of the blood Bodhi Divine Tree!

That's right!

Chen Xiaobei was going to upgrade the chaos Blood Sword!

The chaos Blood Sword had fused with the essence and blood of the Chaos Beast, thereby giving birth to the chaos devouring ability.

As long as there were enough resources to devour and a certain amount of time to digest and absorb, one could increase their level infinitely!

Not long ago, Chen Xiaobei used the God-devouring heavenly crystal in Luo Yi's Red envelope to upgrade the chaos Blood Sword.

However, the main point was that he had raised his God devouring ability to Nine Star Mystic immortal level.

The chaos Blood sword's level didn't increase much. It was only a one-star Mystic immortal.

Now, Chen Xiaobei was going to upgrade the chaos Blood Sword.

"Swish!"

After devouring a large number of leaves, Chen Xiaobei recalled the chaos Blood Sword.

The chaos devour ability was powerful, but it took a lot of time. This was why Chen Xiaobei rarely used this ability.

However, it was different now. He had just tamed thirty million Black-winged magical beasts, and he could solve the time problem.

Chen Xiaobei gathered the Black-winged demonic beasts and had them take turns to activate the sunlight cache.

This would increase the speed of the chaos Blood sword's upgrade.

Of course, this sunlight cache's level was too low. Even if it kept on accelerating, it still couldn't compare to Fu Tian Xin 'er's God-tier sunlight cache.

So, Chen Xiaobei left the chaos Blood Sword in the verdant Emperor's divine gourd to continue upgrading.

Chen Xiaobei returned to the real world.

it's almost time. I should go back and receive Qingcheng's Red packet!

Chen Xiaobei took out the returning bracelet and returned to the location where he could receive the Three Realms intranet.

Sure enough, as soon as the signal was connected, song Qincheng's big red packet was sent over.

There was a huge amount of crops 'seeds inside.

According to song Qincheng, Jin Fei had brought the flying sword and many low-grade spiritual stones back to Earth. Within a day, he had flown all over the world and bought almost all the seeds that could be bought in the market.

For grains like rice, beans, corn, and so on, not only were their seeds bought, but they were also bought for food.

In fact, these grains themselves were also seeds.

“It’s done! With these seeds and the celestial fertilizer, the food we grow will be enough to last until the end of the war!”

Chen Xiaobei was very satisfied with the result, and he was very confident about the meeting that was about to happen.

Then, Chen Xiaobei took out his earth escape divine gourd and headed south of Dragon Sparrow mountain.

At the same time.

The seventy-nine chieftains and two chief high priests of the tribes had gathered and were waiting for Xu Tianxin’s appearance.

It was obvious that these important figures were all here for envoy Chi You.

However, they would never have thought that Xu Tianxin, the envoy of Chiyu, was only the lowest-ranking member of Chen Xiaobei’s group!

Ancestor of sorcery Di Jiang, ancestor of sorcery Zhu juyin, and a future emissary of Pan Gu!

This lineup was enough to shock the entire ancient Barrens land!

Chapter 3700: Giants gather

At the appointed location, the Supreme leaders of the 81 heavens of the primordial era had all gathered.

Among them, there were seventy-nine great tribal chiefs, all one to two star Mystic deities. The other two great priests were Nine Star celestial deities.

The reason why there were two chieftains missing was because the two chieftains of Xuan Yutian and Yan hengtian had been captured by the enemy during the battle. No one knew if they were still alive.

And among these people, the three most senior chieftains were the leaders.

Among them, the Alliance’s only true alliance master, Chu Shang Guyun, was the oldest and had the highest seniority. Everyone was happy to see him, and no one was unconvinced.

The other two vice Alliance leaders were also chieftains of the older generation, Wei Qianzhong and Zuo songxu.

The Sorcerer tribe was very United. The decision of these three people was equivalent to the decision of the entire 81 heavens Alliance.

“Why hasn’t he arrived yet?”

Wei Qianzhong said impatiently, “The battle at the front line is imminent. The longer we delay here, the higher the possibility of the front line collapsing! This is not a joke!”

“Yup ...”

Zuo songxu composed himself and looked displeased. “If the demons know that we’ve left the Dragon Sparrow Fort, they’ll definitely launch an all-out attack! Once we break through the Fort, we’ll be finished!”

From an outsider’s point of view, the two old chieftains seemed to have bad tempers. They had only waited for a moment and were already so impatient.

However, in fact, it was not that they were in a bad mood, but that the war had really reached the final moment of life and death!

Originally, at the beginning of the war, the Sorcerer tribe’s strength was actually greater than the demon tribe’s.

However, as the war continued, the Sorcerer tribe’s combat power, food, and resources were being consumed at a rapid rate. On the contrary, the demon tribe could obtain endless supplies.

With one side losing and the other gaining, the current battle situation was already completely dominated by the demons.

The wizard tribe could only rely on the geographical advantage of the Dragon Sparrow Fort and the desperate fighting of everyone to barely hold the front line.

At this moment, the 81 strongest people in the Alliance had all left the Dragon Sparrow Fort.

If the enemy arrived at this time, there would only be one consequence, and that was the complete defeat of the Sorcerer tribe. There was no other possibility.

“Since we’re here, we’ll take things as they come!”

At this moment, the most senior of them all, MoShang Guyun, stood out and asked in a deep voice, “the battle will be out of our control sooner or later. Instead of waiting for death, we might as well wait for envoy Chiyou to give us some guidance!”

“Yup ...”

As soon as he said that, most of the people around him nodded in agreement. based on the current situation, we’ve already lost the soldiers of two heavens. It won’t be long before we’re completely annihilated!

The reason why everyone was convinced was that MoShang Guyun’s words had hit the point.

If they defended to the death, they would definitely lose!

If he came to see envoy Chiyou, he might have a chance of survival!

At this point, Wei Qianzhong and Zuo songxu had nothing to say. They suppressed their anxiety and waited for the Chiyou emissary to appear.

“Chi ...”

Finally, a human figure appeared in front of everyone.

However, it wasn't just one person, but four!

“I'm the envoy of Chiyou that you want to see!”

Xu Tianxin took the lead and stood out. Her tone was calm and she was neither haughty nor humble.

If it was before, Xu Tianxin would have to bow down to these big shots.

However, Chen Xiaobei had reminded Xu Tianxin that his identity was no longer the same as before, and she could not mess things up.

“Whoosh ...”

After saying that, Xu Tianxin took out the Dharma laksana of the heavenly spear of Chiyou, which completely dispelled the doubts in the hearts of the people.

“As expected! That was the weapon Grandmaster Chi You's weapon! The heaven battling spear! This young man was the envoy of Chiyou! There's no mistake!”

Xu Tianxin! MoShang Guyun exclaimed. He had confirmed Xu Tianxin's identity.

“Greetings, envoy Chiyou!”

Following that, all the influential figures, led by MoShang Guyun, knelt down on the ground and prostrated themselves.

“Don't be in a hurry to bow to me!”

Xu Tianxin's tone became serious, “The person who can really help you resolve the war is my master! Chen xuanbei!”

Everyone's eyes were on Chen Xiaobei.

“Eh? Great Messenger, you're not joking, right?”

this young master Chen is young, and his cultivation is not high, ” Wei Qianzhong said with a puzzled look. what makes him worthy of being your master? ”

“That's right ... Great Messenger! You can't joke about this!”

Zuo songxu also quickly raised his doubts. you're now the noblest being in the 81 heavens of the primordial era. How can you take an ordinary person as your master? ”

At the same time, the people around them were also talking among themselves. They were pointing at Chen Xiaobei, their eyes full of disdain and their tone cold.

It was obvious that these people looked down on Chen Xiaobei from the bottom of their hearts.

However, they could not be blamed for this. First of all, Chen Xiaobei's cultivation was only at the pinnacle of seven-star sky immortal. Compared to the mystic deities and heavenly deities present, he was a hundred thousand miles away. Naturally, no one would be convinced.

"Silence!"

Xu Tianxin growled and said angrily, "I advise you not to offend my master! Otherwise, you'll regret it!"

"Everyone! Listen to the great Messenger's orders!"

MoShang Guyun was the most experienced and prudent among them. He said solemnly, "The Lord Messenger is a Supreme existence. Even if his decision is wrong, we have no right to question it!"

Obviously, MoShang Guyun did not like Chen Xiaobei either. He even said that it was a mistake for Xu Tianxin to become Chen Xiaobei's disciple.

However, MoShang Guyun's words were very effective. After he finished, everyone stopped talking about Chen Xiaobei.

"You're all wrong! I'm not the Supreme one!"

Xu Tianxin composed herself and continued, "This is the space ancestral wizard, Emperor Jiang reincarnation! The one beside him was the reincarnation of the time witch, candle Dragon! Compared to them, I, the envoy of Chiyu, am nothing!"

"What? Grand ... Grand ... Grand Wizard?"

Hearing this, everyone was dumbfounded. Their scalps went numb, and they even wondered if they were hallucinating.

Whoosh ... Whoosh ...

Then, Emperor Jiang and the candle jiuyn displayed their unique special abilities of their primordial spirits.

"Space vortex! Time stop!"

Even without the explanation from Emperor Jiang and candle jiuyn, the crowd had already exclaimed.

"It's true ..."

MoShang Guyun was dumbfounded and his voice was trembling, "The two of them are real ancestors of Sorcery! Oh my God ... I can die with no regrets to be able to see these two abilities in my lifetime!"

Wei Qianzhong, Zuo songxu, and everyone else's eyes were as wide as a bull's, and their mouths were so wide that a fist could fit in. They had been shocked to the extreme!

"Everyone, listen up!"

At this moment, Di Jiang stood out and said seriously, "The candle Dragon and I are both following young master Chen xuanbei! His status is much higher than ours!"

"What!"

As soon as he said that, the entire place exploded.
