Chapter 3711: meeting an old friend

The information in the lizard demonic General's memory had given Chen Xiaobei a lot of confidence.

Since neither Moro Wutian nor the demonic quasi-Sage could escape, Chen Xiaobei only needed to restore his primordial spirit and accumulate enough lifespan to dominate the entire northern region of Dragon Sparrow mountain.

Because of this, Chen Xiaobei only needed two more moves to control the situation. Naturally, he was full of confidence and drive!

Soon after.

Chen Xiaobei absorbed some of the spiritual Qi in the spiritual storage bag to recover his celestial core power.

After that, Chen Xiaobei had six-eared macaque use his spiritual Qi to transform into Gonggong and Zhurong. Although they were reincarnations of an ancestral witch, their cultivation was very low and they did not need much spiritual Qi.

After the transformation, the six-eared macaque split the process into two parts, and located the locations of Gonggong and Zhurong's bodies.

The two corpses were not in the ancient Barrens land and they were extremely far away.

It was likely that a spatial Rift had been torn open during the battle, and many corpses had been swept into the spatial turbulence and transported to different places.

Of course, Chen Xiaobei was too focused on his goal right now to care about anything else. So, he only asked six-eared macaque to remember the two locations and head there as soon as possible.

After all this was done.

Chen Xiaobei asked everyone to stay in the Meru space while he continued his journey.

This time, Chen Xiaobei chose a different route to avoid the underground cave where Di Jiang's body was in. He did not want to bump into the demonic Army who had gone to investigate.

In the beginning, the journey was smooth.

Chen Xiaobei activated the night God dark spirit set's stealth ability and headed north. Along the way, he met some demonic Scouts, but their cultivation was not high and they could not detect Chen Xiaobei.

But!

Not long after, Chen Xiaobei had no choice but to stop!

If one had not seen it with their own eyes, they would not have imagined that there was a demonic army camp as vast as the ocean on Chen Xiaobei's way!

Not to mention the number of demon soldiers, there were tens of millions of military camps.

These military camps were lined up in a row, with no end in sight. They were like a flood of steel that directly cut across the entire continent.

Terrifying!

It was unusually terrifying!

Such a huge force was simply an astronomical figure!

More importantly, these soldiers needed to be equipped with weapons and equipment, and they needed to be paid. The daily consumption was probably hundreds of thousands of times more!

From this, it could be seen that after mo Luo Wutian took over the demon race, he had really brought unprecedented prosperity to this race!

Population! Wealth! Combat strength! Reserve Foundation! Every single one of them was unbelievably powerful, and could even compete with the heavenly court!

No wonder!

Without such a solid foundation, how would mo Luo Wutian dare to have the idea of going against the heaven and the Dao?

“This is going to be troublesome ...”

Chen Xiaobei was standing on a Hill far away, looking at the demonic army camp in front of him.

if we take a detour, we will waste a lot of time. The candle Dragon’s body might be gone by the time I arrive!

“But if we don’t take a detour, we’ll have to run the risk of being discovered and get through these military camps ...”

Obviously, although mo Luo Wu Tian and the quasi-sages of the demon race were not present, there were many heavenly God-level demons in the military camp. Even the most powerful high-level profound God would be in the military camp.

As long as a heavenly God-tier being released their primordial spirit territory, they would be able to ignore the night God dark spirit set’s special ability and discover Chen Xiaobei’s whereabouts.

This was clearly a difficult choice.

However, Chen Xiaobei’s calm mind quickly made a decision, ” “Let’s just go through it directly! Firstly, the candle Dragon’s corpse is very important and we can not lose it!”

“Secondly, I still need to sneak into the demon’s core military camp to rescue the two tribal chiefs of the witch race. It’s a good time to enter their military camp and familiarize yourself with the environment!”

Clearly, Chen Xiaobei had made this decision with long-term considerations. He would not just walk in like a fool.

“Whoosh ...”

Chen Xiaobei activated his Dharmakaya.

After devouring jieyin’s blood essence, Chen Xiaobei’s Dharmakaya was the same as his real body. They were both in a physical state, and no one below the level of heavenly path Saint could see through them.

Then, Chen Xiaobei put on the night God dark spirit set on his body.

This way, Chen Xiaobei could use the night God dark spirit set to hide himself. If he was discovered, he could use his Dharmakaya ability to demonize his Dharmakaya and lie that he was a demon. At least he would have the chance to talk and not be surrounded by the enemy.

Chen Xiaobei’s plan to infiltrate the enemy’s camp was not a spur of the moment decision, but a well-calculated plan.

But then again, there were still risks.

That was the injury to Chen Xiaobei’s primordial spirit!

Once he used the demonic ability, the damage to his primordial spirit would worsen. Chen Xiaobei was not sure if he could hold on.

However, no matter what, things had already come to this point, and there was no possibility of turning back.

Chen Xiaobei calmed himself down and sent his corporeal body into the Meru space. His practicing body immediately went into stealth mode and went straight to the demonic army camp.

At first, things went well. The ordinary soldiers could not detect Chen Xiaobei.

If they deliberately avoided the main tents where the commanders lived, they would basically not be discovered.

Of course, Chen Xiaobei did not have it easy at all. As he advanced carefully, he also had to observe the situation in the camp.

The layout, the number of soldiers, the patrol guards, the levels of the powerhouses ... Chen Xiaobei had to memorize all of them.

Firstly, he wanted to go to the core military camp to save chieftain Xuan Yu and chieftain Yan hen.

Secondly, it was to prepare for the future war. Even if the passage between the demon world and the ancient desolate land was cut off, the vast demon Army would still be there. A final battle was absolutely inevitable!

“Eh? That’s ...”

Suddenly, when Chen Xiaobei reached the center of the camp, his eyes lit up. He saw two familiar figures!

The two of them were very good-looking.

One of them had a demonic appearance. His skin, long hair, and eyes were all a faint purple color. He was wearing a suit of purple armor and carried a silver longbow on his back!

This person was the demoness Jia Luo!

The other person had a clean appearance and was wearing a simple monk robe. It was very plain and even a little shabby, but even so, it could not hide her perfect figure and otherworldly temperament!

That's right!

This person was Yun fanqing!

However, at this moment, she had already grown a head of short white hair, and her eyes were constantly filled with a faint blood-red color!

fan Qing ... How did he become like this?!

All of a sudden, Chen Xiaobei's heart was filled with mixed feelings.

"No! I have to get to the bottom of this!"

Chen Xiaobei was the most loyal person in the world. There was no way he would just sit back and do nothing!

Chapter 3712: Important mission

3712 Important mission

To Chen Xiaobei, Jia Lou was just a friend. If they were to meet here, Chen Xiaobei would just pretend that he did not see him.

However, Yun fanqing was different. She and Chen Xiaobei had been through life and death together!

More importantly, she had never expressed her feelings because of her shyness. But in fact, she had fallen deeply in love with Chen Xiaobei.

Although Chen Xiaobei did not know Yun fanqing's true feelings, he did have a good impression of this innocent and kind girl.

Seeing Yun fanqing in such a state, Chen Xiaobei was filled with doubts. He was determined to get to the bottom of this and protect Yun fanqing at all costs.

"It seems like they are waiting for someone? I'll observe for a while before taking action!"

Chen Xiaobei was hiding in a perfect spot. He would not be discovered, and he could also observe from the dark.

[ding Qianqian's cultivation base: intermediate-stage five star heaven immortal; lifespan: 80.21 million years, physical body: 4500 trillion, combat power: 4500 trillion, primordial spirit attack-quasi-Sage!

Chen Xiaobei activated his netherspirit battlescouter to check on Jia Lou's strength.

"I didn't expect that Jialuo's primordial spirit attack could actually reach the quasi-Sage level! I remember that she's only the reincarnation of an ancient demon God and hasn't reached the quasi-Sage Stage yet ..."

Chen Xiaobei was confused.

However, this was only the beginning.

Then, he used his netherspirit battlescouter to check Yun fanqing's strength.

[ding Qianqian's cultivation base: intermediate-stage five star heaven immortal; lifespan: 80.21 million years, physical body: 4500 trillion, combat power: 4500 trillion, primordial spirit attack-quasi-Sage!

"Hmm? What ... What's going on?"

Chen Xiaobei was confused. "Why are their data the same? His life span and essence soul attack were completely identical! What's going on?"

This was very strange!

If it was only the same cultivation level, that would be normal.

However, their lifespans were exactly the same, which was very strange.

More importantly, although Yun fanqing had an inborn Dharma bone and divine body, he was only at the heavenly god level. How could he have a primordial spirit attack at the quasi-Sage level?

Moreover, the level of the primordial spirit attack was the same as Jia Luo's!

"It's really strange ..."

Chen Xiaobei furrowed his brows and thought to himself, "It seems like it was Mo Luo Wutian who plotted against Yun fanqing! It made her and Jia Lou have some kind of connection! It could even be said that two people were tied together to become one person!"

Chen Xiaobei could not figure out what was going on.

After all, he had never seen or heard of such a thing. It could not be measured with common sense.

"What?"

When Chen Xiaobei heard Jia Lou's voice, he immediately stopped his calculations and focused on listening to what they were talking about.

"The mission we're going on this time is very important! If we can succeed, it will greatly improve our cultivation! Furthermore, it will play a vital role in this war!"

Jia Lou's tone was very serious, obviously very important to the mission she spoke of.

"I know."

Yun fanqing's tone was very cold. His eyes, which were faintly bloodshot, seemed empty and emotionless.

“How long has it been since we were ‘born on the same stem’? Can’t you stop being so cold?” Jialuo’s brows furrowed slightly. He clearly did not like Yun fanqing’s cold attitude.

“What’s wrong with the ice? I think ice is good!”

At this moment, seven or eight young demon men walked over from afar.

Judging from their appearance, they had already transformed into human forms, but their eyes and skin color were still somewhat demonic.

From their attire, they were all dressed in luxurious and exquisite robes and wore jewelry. It could be seen that they were all of high status.

Even some generals would have to smile and flatter them when they saw them.

The person who spoke was at the front. From the moment he spoke until he walked over, his dark green eyes had been staring at Yun fanqing.

This person’s name was Yuan Shesha, and he was the eldest son of a high-level heavenly fiendcelestial! His father commanded tens of thousands of military camps and had great power, so his status was self-evident!

I believe, with my passion, one day, I will be able to melt fan Qing, this block of ice!

Yuan she Sha was born into a noble family and was born with a sense of superiority. With a smile that he thought was charming, he actually wanted to pursue Yun fanqing.

“I’ve already warned you not to talk to me like that! Disgusting!” Yun fanqing’s expression did not change, and his tone was as cold as ever.

what’s with your attitude!?

At this time, the few demon youths around Yuan she Sha all began to clamor in a bad mood.

“It’s your good fortune that our big brother Yuan she Sha has taken a fancy to you! Don’t think that you’re so great just because you’re a quasi-Sage!”

“Well said! You’re just a five-star heaven immortal, and you might lose your life one day. What a waste of your Sage-to-be posture!

if you obediently follow our big brother yuanshe, you will definitely have a bright future. After tens of millions of years, you might really become a quasi-Sage demon venerable!

It was obvious that Yuan she Sha not only had a high status, but his cultivation was also not low. Even the cultivation of the young demons around him far exceeded that of Yun fanqing and Jia Luo.

It was precisely because of this that they dared to be so arrogant.

After all, demons loved to fight and they worshipped the strong!

It could even be said without exaggeration that in the demon race’s territory, whoever had the biggest fist was the Father!

“Both of you, stop talking!”

Jia Luo knew Yun fanqing’s personality and was afraid that she would fly into a rage, so he quickly came forward to smooth things over. “Yuan she Sha, can you properly discipline your follower?”

“Their mouths are on their bodies, how can I control them?” Yuan she Sha smiled coldly. It was obvious that he wanted to use his follower to take Yun fanqing down a notch.

“You don’t care, do you?”

we’re all going on a mission together, ” Jia Lou said coldly. if you start a conflict before we even set off, what will the others think of you? ” Don’t forget! There are other heavenly fiendcelestials ‘sons participating in this mission. If you make a fool of yourself, you’ll be the one losing face!”

“Heh, I don’t think so!”

Yuanshe Sha narrowed his eyes and revealed a sinister smile.”If I can conquer Yun fanqing, my father will be extremely happy! If I can also complete the mission, then it would be even better!”

“You’re dreaming!” Yun fanqing snorted in disdain.

“Hmph! Yun fanqing! Don’t think that you can do whatever you want just because I like you!” Yuan she Sha threatened arrogantly, ” “Do you know what will happen to you if you refuse me in my territory?”

As soon as he finished speaking, the surrounding demon youths immediately surrounded him without even needing Yuan she Sha to give the order.

She was going to use force against Yun fanqing!

“Stop!”

Suddenly, Chen Xiaobei’s angry voice came from not far away, attracting everyone’s attention.

Chapter 3713: Status of the Holy demon

3713 Status of the Holy demon

Chen Xiaobei walked out slowly.

He appeared in front of everyone in the demonized form of his Dharmakaya.

It had black skin, blood-red eyes, a crown-like horn on its head, a pair of dragon-like wings on its back, and sharp claws on its fingers.

What was even more bizarre was that red, blood-like special patterns had appeared on his black skin and wings! The red spiritual light was constantly flowing, and it was very, very cool.

Holy ... Holy ... Holy demon!!!

In an instant, almost everyone at the scene let out a hysterical cry of surprise.

Some of the ordinary soldiers even knelt down in front of Chen Xiaobei. Some of them even prostrated themselves on the ground, not even daring to raise their heads.

The group of demon youths, led by Yuan she Sha, were all stunned on the spot.

Their eyes and mouths were wide open, their scalps were numb, and their bodies were covered in cold sweat. It was countless times more horrifying than seeing a ghost.

“Holy demon! This was a true Holy demon! Hurry ... Hurry up and kneel down!”

Jia Lou’s body and mind trembled, as if he was a devout believer who saw the Supreme God he believed in, and immediately knelt on the ground.

“Hiss ...”

Seeing this, Yuan she Sha and the others didn’t dare to hesitate and hurriedly knelt down, prostrating themselves.

Yun fanqing was the only one who remained where he was, staring at Chen Xiaobei with his bloodshot eyes.

Yun fanqing knew very well that he had never seen this Holy demon before.

However, for some inexplicable reason, he felt a very familiar and intimate feeling towards this Holy demon, as if they had known each other for a long time and had an extraordinary relationship.

“Fan Qing! Hurry up! Quickly kneel down!”

Jia Luo quickly tugged on Yun fanqing’s sleeve and whispered, “ “Seeing the Saint Devil is like seeing the devil ancestor himself! I must prostrate myself in front of you!”

Holy demon!

Chen Xiaobei knew that ever since he had consumed the world-extinguishing sacred marrow, he had the potential to become a Holy demon. In the future, he might even reach the level of mo Luo Wu Tian.

What Chen Xiaobei did not know was that jialuo and Yun fanqing had also absorbed the world-ending sacred marrow. However, they had each taken half of it.

Those demon youths had also said that Yun fanqing had the potential to become a quasi-Sage!

Holy demon! Quasi-Sage!

It was just a difference of one word. Jia Lou was kneeling on the ground while Chen Xiaobei was standing proudly with his head held high. The difference between them was like heaven and earth, cloud and mud. They could not be compared!

Of course, Chen Xiaobei did not know that Yun fanqing and jialuo had absorbed the world-ending sacred marrow.

At the same time, Chen Xiaobei did not expect that his demonized body would bring him such great convenience.

Initially, Chen Xiaobei only wanted to hide his identity. In order to protect Yun fanqing, he had already prepared himself to fight with the enemy.

However, as soon as the Holy demon celestial body appeared, it immediately shocked everyone present.

According to Jialuo, not only Yuanshe Sha, even his father would have to kneel down and bow to Chen Xiaobei!

This result was completely out of Chen Xiaobei's expectations, but it was completely within his expectations.

The demon race worships the strong!

As for Holy demons, they were the most talented and had the most promising future.

Even if Chen Xiaobei was still very weak, as long as he had the looks of a Saint demon, he would be valued by Mo Luo Wu Tian! He could even receive the same treatment as Mo Luo Wu Tian!

The reason was simple!

As long as the Holy demon could grow up safely and healthily, they would gain another super expert like Mo Luo Wutian, which would bring more benefits to the entire demon race!

The greedy Mo placed great importance on benefits.

Because of this, most people would follow the rules and give the Holy demon the highest respect and courtesy.

"Fan Qing! Don't be stunned! The rules were set by devil ancestor Wutian. If you don't kneel, you'll be sentenced to death ... Jia Luo was extremely flustered as he desperately tried to pull Yun fanqing.

However, Yun fanqing seemed to be under a petrifying spell. He was frozen on the spot, staring at Chen Xiaobei without blinking.

"She doesn't need to kneel!"

Chen Xiaobei used the wondrous sound perception to make his voice very deep and full of pressure.

This was still to hide his identity.

If Mo Luo Wu Tian knew that Chen Xiaobei was still alive, the consequences would be unimaginable!

In fact, the reason why Chen Xiaobei used the name Chen Xuanbei in the ancient Barrens was also to hide the fact that he was not dead.

If the names of Chen Xiaobei and Chen Zhufeng were to spread to the heavenly realm, it was not hard to imagine the consequences.

Don't need to kneel?

This was a rule that the demon race had never broken for hundreds of millions of years!

Jia Luo couldn't help but feel envious.

Yuanshe Sha and the others were even more shocked and their scalps went numb.

From the looks of it, this Holy demon had taken a fancy to Yun fanqing.

However, they had just wanted to use force against Yun fanqing. If the Lord Holy demon blamed them, how terrible would that be?

"You, accompanied me to the place!"

Chen Xiaobei looked at Yun fanqing and ordered him.

"Alright!"

Yun fanqing walked towards Chen Xiaobei without any hesitation.

"You're not going to ask me where I'm going? What are you going to do if you don't?" Chen Xiaobei was taken aback.

"I won't ask! I just want to go with you!" Yun fanqing said calmly.

"Good! Let's go!"

Chen Xiaobei took Yun fanqing with him and flew across the entire military camp to a safe area.

"That's not right ..."

Yuan she Sha raised his head and looked at Chen Xiaobei's back. "Isn't this Lord Holy demon's speed too slow? He doesn't look like he's even at the Xuan immortal stage ..."

"Big brother, didn't you check Lord Holy demon's cultivation level just now?" The demon race youth beside him asked in a low voice.

"I wouldn't dare! That would be disrespectful!" Yuanshe Sha pouted and said in a bad mood.

"Not good! We might have been tricked!"

A demon youth frowned and said, "Where did this Holy demon come from out of nowhere? I've never even seen or heard of a Holy demon with such a low cultivation level!"

"Yup ..."

Yuan she Sha was stunned for a moment before he suddenly realized, "Anyone who has the potential to become a saint demon will be highly valued by devil ancestor Wu Tian and taken in as his personal disciple! How can he be so weak?"

The demon youth slapped his thigh and said in frustration, "This is our first time seeing a Holy demon. We were so nervous that we forgot about these basic questions! That's a fake! You've deceived us all!"

"Stop talking nonsense!"

At this time, Jia Lou stood up and said with a serious face, "Immediately come with me to save fan Qing! If anything happens to her, all of you will be buried with her! That includes me!"

"Buried together? Who Do You Think You Are?" Yuan she Sha said disdainfully.

"Me?"

Jia Lou's eyes were cold as he said, "I am the secret emissary of devil ancestor Wutian! Gah! Luo!"

Red Envelope Group of the Three Realms

Chapter 3714: seeing through a trick

what???

Yuan she Sha and the others were dumbfounded. They stared at Jia Luo with complicated expressions.

Obviously, they wouldn't believe Jia Luo's words.

But then again, if Jia Lou lied, it would be a capital crime. She had no reason to risk her life to lie.

For a moment, although Yuan she Sha and the others didn't dare to believe it, they were extremely anxious.

"Whoosh ..."

He raised his hand, and a dark cross appeared in his palm.

This devil seal corresponded to the swastika Buddha seal of the Buddhist League. It was a number unique to mo Luo Wu Tian. Moreover, it emitted a special pressure and spirituality. As long as one was a devil, they would be able to distinguish the real from the fake at once.

"Bang Bang Bang ... Bang Bang Bang ..."

Without another word, Yuan she Sha and the others knelt on the ground and kowtowed with all their might, even cracking the rocks on the ground.

There was no doubt that Jia Luo's identity was as she said. There was no lie.

This also meant that Jia Luo and Yun fanqing's identities were far above all the demons here.

Even the most powerful black demonic god, the heaven demon Emperor, who was stationed to the North of the Dragon Sparrow mountain, had to kneel down and pay respects to Jia Luo. Furthermore, if Jia Luo gave an order, he had to carry it out unconditionally.

"All of you, get up!"

"I don't have the time to deal with you now!" Jia Luo shouted angrily. Come with me to save Yun fanqing! Otherwise, you will all die!"

"Yes, sir!"

Yuan she Sha and the others felt as if they had been granted Amnesty, and they all got up to follow jialuo.

As Jia Lou was the secret emissary, they did not make a big deal out of it and did not alert more people. They just followed the direction that Chen Xiaobei had flown off in.

They thought that Chen Xiaobei was a fake Holy demon and could not fly very fast. They should be able to catch up with him easily.

But!

Among them, the strongest Esha was only a Seven Star abstruse immortal.

They would never have guessed that Chen Xiaobei's Holy demon form was a Dharmakaya! The biggest advantage of a Dharmakaya was that it could change, and it was not an absolute physical body!

So, Chen Xiaobei hid the night God dark spirit set in his body, activated the stealth ability, and burned some spiritual Qi to expand the range of the ability, covering Yun fanqing as well.

This way, even if Chen Xiaobei was right under their noses, they would not be able to find him, let alone use their primordial spirit territory to search for him.

.....

After leaving the demon camp.

Chen Xiaobei then found a quiet place to rest.

"What did you bring me here for?" Yun fanqing's expression was cold, and his eyes were filled with doubt.

I have something to ask you ... Chen Xiaobei said.

He had intended to transform back to his original form.

However, the demonic transformation just now had already caused his primordial spirit to feel extremely uncomfortable. It could even be at its limits at any moment.

Therefore, he was unable to return to his original form at the moment and could only hold on with his demonized appearance for the time being.

Chen Xiaobei would never have thought that not being able to transform would save his life.

"You're asking me about the important mission this time, right?"

Yun fanqing did not recognize Chen Xiaobei at all, but he felt a sense of closeness to him. This mission is to open a relic of the Sorcerer tribe. There is a very important treasure in it. As long as we get that treasure, we can definitely defeat the Sorcerer tribe and rule the ancient desolate land!

"You ..."

Chen Xiaobei was shocked.

Our demon race!

Chen Xiaobei could not imagine that Yun fanqing would say something like that!

In other words, the reason why Yun fanqing had become like this was because she had already become a demon!

Chen Xiaobei's heart was filled with complicated emotions.

Ever since Chen Xiaobei swallowed the world-ending sacred marrow in the great void universe and caused mo Luo Wutian to suffer a great loss, the two of them had become enemies.

Chen Xiaobei immediately understood what was going on.

Mo Luo Wutian must have set Yun fanqing up and caused her to become a demon. Then, he used Yun fanqing to further scheme against Chen Xiaobei.

Luckily!

Chen Xiaobei was glad that he did not transform back into his true form. Otherwise, he would not have been Yun fanqing's match in his primordial spirit state.

That damned mo Luo Wu Tian! He actually dared to scheme against fan Qing!

Chen Xiaobei's heart was filled with hatred. He had always been a loyal person and would never allow anyone to hurt his family and friends.

Chen Xiaobei even wanted to kill mo Luo Wutian! One day, he would definitely kill this devil ancestor!

Of course!

Chen Xiaobei's mental state was so strong that no matter how emotional he was, his face and eyes did not change at all. Yun fanqing could not see any flaws in his expression!

"How is it? Are you interested in going on a mission with us?" Yun fanqing asked.

"Me? I'm going too?" Chen Xiaobei hesitated, not sure how to answer.

Of course, he wanted to go, but with his primordial Spirit's current state, there was no point in going. He might not be able to hold on halfway and fall into unknown danger.

I can see that although you have the bearing of a sacred demon, you're not famous and your cultivation level is low. Therefore, you didn't enter the vision of devil ancestor Wutian!

Yun fanqing said, " however, if you complete the mission with us this time, devil ancestor Wutian will know about you. With his character of valuing talents, he will definitely take you in as his personal disciple. When that time comes, you will definitely be able to leap over the Dragon's Gate and soar into the sky!

"I can see mo Luo ... No, I should see devil ancestor Wu Tian?" Chen Xiaobei was taken aback, but he quickly began to plan.

"Do you even need to ask?"

I'll repeat myself, " Yun fanqing said. you can become devil ancestor Wutian's personal disciple. Do you think you can see him? "

it's good to see you ... Chen Xiaobei nodded.

Chen Xiaobei was protected by the mark of humanity, so he was not afraid of Moro Wutian's divination. With the help of his magical Dharmakaya ability, Moro Wutian could not see any flaws in Chen Xiaobei's plan.

Therefore, Chen Xiaobei was not afraid of meeting mo Luo Wutian.

On the other hand, if Chen Xiaobei could use this opportunity to get close to mo Luo Wutian, it would be a great opportunity!

With Chen Xiaobei's brain as the number one profiteer in the Three Realms, he could definitely make mo Luo Wutian cry!

"Good! I'll go with you!"

Chen Xiaobei nodded and gave a firm answer, but then he said helplessly, " however, there's something I have to make clear in advance ... My physical condition is very bad. I might need you to take care of me along the way ...

"No problem!" Yun fanqing agreed without hesitation.

"You ..."

Chen Xiaobei was a little hesitant. After a moment of silence, he could not help but ask, " "Why are you so good to me?"

Red Envelope Group of the Three Realms

Chapter 3715: heart of the devil

"I don't know why ..."

Yun fanqing shook her head. although this is the first time I've seen you, I have a feeling that I've known you for a long time. It's like we're old friends, and there's an inexplicable sense of familiarity!

I see ... Chen Xiaobei nodded.

Perhaps joining the devil had only erased Yun fanqing's humanity and changed her faith at the same time.

However, some things in the depths of her heart might not have changed.

Chen Xiaobei was not sure if Yun fanqing, who had been possessed by the devil, could recover.

However, Chen Xiaobei was certain that as long as Yun fanqing still treated him as a friend, she would not be affected no matter what! It was a demon! Or something else! Chen Xiaobei would still treat her as a friend! Help her! Protect her! He would take revenge for her!

"Alright, let's go! many people want to take credit for this mission. If we're late, I'm afraid we won't have a chance ... Yun fanqing said in a deep voice.

alright ... Chen Xiaobei calmed himself down.

After that, Chen Xiaobei deactivated his stealth ability and followed Yun fanqing to the North.

After their concealment was removed, Yuan she Sha and the others quickly used their essence soul domains to lock onto their positions and gathered around them.

"Fan Qing! Where are you going with him?" Jia Luo asked worriedly.

"That's not important! What's important is that I've invited him to go on a mission with us." Yun fanqing said indifferently.

"This ..."

Jia Lou hesitated for a moment and agreed, " "Forget it. He's a demon, so let's go together ..."

"Lord Jia Lou! That guy is a liar! We can't let him go with us!" One of the young demons glared at Chen Xiaobei with hostility. He had no intention of accepting this new member.

"BOOM!"

At this moment, Yuan she Sha struck out with his palm, causing the young man to spit out blood and fly backward. He fell to the ground and stopped moving. No one knew whether he was dead or unconscious.

"Do you think you can question master Jia Lou's decision?" Yuanshe Sha's eyes widened in anger as he shouted in the direction of the man's fall.

As soon as he said that, the remaining demon youths immediately shut their mouths and didn't dare to say a word.

"Why are you in such a hurry to show your loyalty?" Yun fanqing glanced at Yuan she Sha coldly and said indifferently, " "It seems like Jia Lou has already told you our identities!"

"Yes, yes, yes ..."

Yuan she Sha's expression instantly changed, and he said with a big smile, " Lord Jia Lou has already revealed his identity. Don't worry, we will definitely keep this a secret. Furthermore, we will follow your orders along the way!

As Yuan she Sha spoke, he nodded and bowed, extremely respectful and humble. Even if he had ten thousand guts, he would not dare to continue pursuing Yun fanqing.

"Everyone, listen up!"

Yun fanqing pointed at Chen Xiaobei and said, " "He's my friend! From now on, he'll be working with us! He's not in good health, so I order you to protect him!"

"Yes, sir!" Yuan she Sha and the others nodded in unison without a word of objection.

"Right, I haven't asked for your name!" Yun fanqing asked Chen Xiaobei.

"Xuan bei!" Chen Xiaobei could not reveal his identity, so he could only blurt out those two words.

Xuan ... Bei ... Yun fanqing's face stiffened when she heard that, and her eyes could not help but waver.

"Fan Qing! Are you still thinking about Chen Xiaobei?"

Jia Luo frowned slightly and saw through Yun fanqing's thoughts at a glance. He said coldly, " "That kid is already dead! He was killed by a heavenly path Saint! Even the primordial spirit could not be preserved! He had completely disappeared from the three worlds and six paths, completely and thoroughly dead! Even sect master Tongtian can't resurrect him!"

"Enough!"

Jia Lou's face instantly turned cold, and a trace of pain flashed in the depths of his eyes. In a creepy tone, he said, I'm well aware of these things. I don't need you to remind me!

I ... Jia Luo was speechless.

It wasn't because he had nothing to say, but because there was an intense pain in his heart.

Jia Lou was the reincarnation of an ancient devil. What kind of storms had he not seen? what kind of hardships had he not suffered? However, at this moment, she was still tormented by the intense pain in her heart.

He even raised his hand to cover his chest and took deep breaths, but he still couldn't adjust.

"What ... What's going on?"

"Yun fanqing, jialuo, why is your heart aching?" Chen Xiaobei asked. This is too strange!"

"You don't understand!"

I'm her twin, " Jia Luo said helplessly. it's her heart that's hurting, so I'm also hurting ...

"Her heart ached?" Chen Xiaobei looked at Yun fanqing.

Her face was cold and her eyes were sharp. She was no different from before, and no pain could be seen at all!

Unless ... She was holding it in!

Even Jia Luo couldn't bear the heartache, but Yun fanqing was able to remain calm and composed.

It was clear that Chen Xiaobei's death had a huge impact on Yun fanqing. Perhaps, she had been suffering from a sharp pain in her heart every day, and as time went by, she had become numb.

Fan Qing ...

Chen Xiaobei was not stupid. He immediately understood Yun fanqing's feelings for him.

It turned out that this girl had always liked him. She liked him deeply, a love that was engraved in the bones of the people.

Even though Yun fanqing had become a demon, his feelings for Chen Xiaobei did not change. When the news of Chen Xiaobei's death spread, Yun fanqing's heart died with him.

On the contrary, it was Jia Luo who suffered.

Every time Yun fanqing thought of Chen Xiaobei, her heart would ache. Jia Luo could feel the pain as well, so he could only feel it.

fanqing, nothing is absolute in this world. Maybe that Chen Xiaobei still has a chance to live? "

Chen Xiaobei tried to persuade her, " you should relax your mind first and focus on the things in front of you. After some time, you might be able to turn things around!

that's impossible ... Yun fanqing shook her head and said, " he can't possibly withstand Daoist jieyin's attack!

what if I can ... Chen Xiaobei really wanted to admit his true identity. He did not want to see Yun fanqing suffer anymore.

However, there was no doubt that now was not the time!

If Chen Xiaobei's identity was revealed, he would face countless powerful enemies, and the consequences would be many times more dangerous than the war in the heavenly court!

"There's no" what if "!"

Yun fanqing composed herself and said seriously after calming herself down.

"You don't have to comfort me! I know that the dead can not be brought back to life! However, I will never sink into depression! I'll do everything I can because in the near future, I'll personally take revenge for Xiao bei!"

"Re ... Revenge?" he asked. Chen Xiaobei's heart tightened, " "Who do you want to take revenge on?"

"Who?"

Yun fanqing's eyes narrowed, and there was a blood-red light hidden in the depths of his eyes. "One day, I will turn the Western Paradise into a hell of despair! I want that Daoist jieyin to die without a burial place! "I want the heavenly Dao to be completely annihilated!"

Chapter 3716: staying alone

Yun fanqing could only be safe after making such an oath in the ancient Barrens land.

If he said such heaven-defying words in the heaven realm, he would probably be punished by the heavens on the spot and die without a complete corpse.

Of course, what shocked Chen Xiaobei the most was ...

Yun fanqing, a monk who once believed in Buddhism, was now hostile to the Western religious sect because of Chen Xiaobei's death.

Yun fanqing had cultivated in Buddhism before and was also possessed by the devil, but her faith seemed to have never changed.

Chen Xiaobei!

She didn't know when it had started, but these three words had been engraved in her heart and branded into her soul. They had become her only belief in her life!

From this, it could be seen that the reason why Yun fanqing had submitted to mo Luo Wutian was not because she was under his control, but because she could only achieve her revenge plan by borrowing the power of the devil race.

In order to realize this plan, she was even willing to gamble her life!

Fan Qing ...

Chen Xiaobei was not feeling very good.

If he could, he really wanted to reveal his identity as soon as possible and completely untie the knot in Yun fanqing's heart.

"Let's go!"

However, Yun Fan and Qing Yuan were much stronger than Chen Xiaobei had imagined.

She quickly adjusted her state of mind and was the first to fly forward. Nothing could stop her from avenging Chen Xiaobei.

After that, everyone followed closely behind.

Chen Xiaobei's primordial spirit was getting more and more uncomfortable.

Luckily, Yuan she Sha released a stream of celestial core power and lifted Chen Xiaobei up. Not only was it fast, but Chen Xiaobei did not even need to use his strength.

Chen Xiaobei could use this time to rest and recuperate. He hoped that the discomfort in his primordial spirit could be stabilized. Otherwise, he might not be able to take it any time.

.....

Gradually, an unknown mountain range appeared in front of them.

It was as if a Crouching Dragon was suppressing an endless forest. The entire mountain range was majestic and vast.

In front of the mountain range, there was a small military camp of the demons.

The demon soldiers in the Army were all demons with Wolf faces and bodies. There were not many of them, and their cultivation was not high.

He really didn't understand why the demons had sent them here.

Chen Xiaobei's first reaction when he arrived at the military camp was confusion.

At this time, a large number of demons who had come to carry out the mission had to gather in this military camp.

Chen Xiaobei's question was finally answered after listening to everyone's discussion.

It turned out that the demons in this military camp were called black demon hunters!

They had an extraordinary sense of smell, which could distinguish whether there were special treasures nearby from the extremely subtle scent in the air.

This ability was somewhat similar to Xiao 'er's.

Furthermore, the black demon Hunter's sense of smell was even more sensitive than Xiao 'er's.

Simply put, the black demon Hunter was a treasure hunter expert among the demons.

The ruins where the demons were going to carry out their mission this time were discovered by the black demon Hunter squad.

Of course, other than their special ability to smell, the black demon hunters were practically useless! Poor talent, weak physique, greedy and lazy!

It was precisely because of this that the cultivation of the black demon hunters wasn't high!

The average combat strength of the entire battle team was probably only at the two-star heaven immortal realm. The strongest Battle team leader was only at the three-star heaven immortal realm.

In the ancient Barrens land, such a cultivation was pitifully weak.

Therefore, they were only responsible for searching for treasures, but they did not have the ability to obtain them. They could only report the location of the ruins and let others reap the harvest.

But then again, if the black demon hunters could find and obtain treasures, their race would have risen to power a long time ago, and wouldn't be in this state. They could only do the lowest level of work. Other people ate the meat, but they didn't even get the soup!

"Young masters! Miss! General! My Lord ... Everyone has come from far away and has worked hard!"

The black demon Hunter squad Captain stood up and greeted everyone present before speaking in a low voice. "We've found the entrance to the ruins! If you're ready, you can enter now. However, I would like to remind you ..."

At the scene.

The vast majority of them were demon nobles like Yuan she Sha! They were all here for credit and opportunities!

These people had always been arrogant, and didn't even put the black demon Hunter Captain in their eyes. They didn't even bother to listen to him finish speaking, and some of them headed straight for the entrance of the remains.

"Let's hurry up and go in! Don't let anyone else get the first move!"

Yuan she Sha said impatiently, "I've miscalculated this time!" A few people of similar status as me have brought powerful helpers! If it was just the few of us, we wouldn't have been able to get anything if we were half a beat slower!"

"Alright, let's go!" Jia Luo made a prompt decision and led everyone to the entrance.

However, Chen Xiaobei did not move, and Yun fanqing did not leave either.

"Why aren't you leaving? Are you feeling uncomfortable?" Yun fanqing asked.

hmm ... Chen Xiaobei composed himself and said, "I'm indeed feeling a little uncomfortable. Why don't you go in first?"

"This ..."

Yun fanqing hesitated. She did not want to leave Chen Xiaobei behind, but she was more concerned about her revenge in the future. She could not miss this opportunity to fight for credit and fortune.

“Swish!”

Yun fanqing took out a Golden Bell and handed it to Chen Xiaobei. “Take this magic weapon. If you encounter danger, it can save your life!”

The Jiufan Golden Bell!

Chen Xiaobei recognized it. It was the one-star divine instrument that Yun fanqing had in the mortal world.

“This ... No way! If you give me the talisman, what will you do?” Chen Xiaobei refused.

“Don’t worry, I still have other magic weapons!” Yun fanqing said calmly, “besides, Jia Luo is still here. If I die, she won’t live either. She will protect me well!

alright then ... Chen Xiaobei took a deep breath and accepted the bell.

It was only a one-star heaven immortal artifact. Even if Yun fanqing brought it in, it would not be of much use.

“Take care!”

Yun fanqing looked at Chen Xiaobei for a long time, and then, he rushed toward the entrance of the ruins.

Looking at her back, Chen Xiaobei could not help but wonder, “What did she just say? The Jiufan Golden Bell can save my life? Why is that so?”

Of course, Yun fanqing had already left, and Chen Xiaobei did not get the answer.

However, in order to verify the answer, Chen Xiaobei did not put the bell away. Instead, he held it in his palm.

After everyone had entered the remains, Chen Xiaobei walked over to the black demon Hunter Captain.

“My Lord ... Is there anything I can help you with?” The black demon Hunter Captain asked in a trembling voice.

“Nothing else, I just want to hear you finish.” “Is this the least I can do to show you respect?” Chen Xiaobei asked.

respect ... Respect!? The black demon Hunter Captain was stunned, his expression becoming extremely complicated.

[Red Envelope Group of the Three Realms](#)

Chapter 3717: found a treasure

“Sir, you’re being too serious ... We black demon hunters don’t deserve to respect ...”

The black demon Hunter Captain lowered his head, his tone submissive, his entire being appearing extremely humble.

Clearly, the mo liked to fight and were fierce, worshiping the strong.

For example, the black demon Hunter clan's strength was extremely weak. In the demon world, they were the lowest level of existence.

If it weren't for their special ability to smell, they wouldn't even be qualified to join the army. They could only live like bugs in the darkest and dirtiest places of the demon world.

Respect?

This kind of thing sounded very familiar, but the black demon Hunter Clan had almost never truly obtained it.

"Don't be so nervous, I'm different from the other demons! Maybe we can be friends and respect each other!"

Although Chen Xiaobei had the face of a Holy demon, it was the gentle smile on his face that created a strong contrast and moved people's hearts!

"This lowly one wouldn't dare! I wouldn't dare ... to be honest, the black demon Hunter Captain was touched by Chen Xiaobei's smile, but his deep-rooted mindset made him not dare to claim connections with Chen Xiaobei.

"It seems that you still don't believe me!" Chen Xiaobei said, "I'll tell you the truth!"

please ... Please speak ... the black demon Hunter Captain immediately became serious, all ears.

"You should be able to see that I have the potential to become a saint demon. However, I have never become the direct disciple of mo Luo Wu Tian because I want to change the demon world! Or, to put it more bluntly, I want to replace him!"

Chen Xiaobei squinted his eyes as he spoke, staring at the black demon Hunter captain's expression and reaction.

Without a doubt, Chen Xiaobei's words were the most heinous crime in the demon race. If the black demon Hunter Captain did anything, Chen Xiaobei would have to kill him to silence him.

"My Lord! You can't just say that!"

However, the black demon Hunter Captain did not seem to blame Chen Xiaobei. Instead, he lowered his voice and said, "My Lord! It's fine for you to say this to me ... But if anyone else were to hear this, you'll definitely die!"

"Don't worry!"

"This is the first time I'm saying this!" Chen Xiaobei smiled. No one else will know a word about it!"

"First time?" "Then why are you telling me?" the black demon Hunter Captain was dumbfounded.

“Since you’ve asked, I’ll be frank with you! These words might be a little unpleasant to hear, so you have to be mentally prepared!”

Chen Xiaobei said, “You black demon hunters are the lowest class of the demon world! No freedom! He had no dignity! No power! No status! It can be said that other than a rotten life, you have nothing to lose!”

“This ...”

The black demon Hunter Captain was taken aback, but he didn’t have any intense reaction, only calmly saying, “Your Excellency is right! In fact, we’ve been used to hearing even worse words than yours since we were young!”

On the other hand, Chen Xiaobei’s expression changed.

He had never thought that the black demon Hunter Clan would be so lowly.

“So, don’t you want to change the status quo?”

Chen Xiaobei said, “ use your rotten lives to exchange for everything that you didn’t have before!!!

“I ... I ...”

The black demon Hunter captain’s mind and body were both trembling slightly.

It seemed that he had been successfully brainwashed by Chen Xiaobei.

“I want to!”

Finally, the black demon Hunter Captain released himself from the extreme pressure. “I, blackpeak, am willing to lead the entire black demon Hunter Clan and submit to my Lord! Mo Luo Wutian has been unkind to us, so don’t blame us for being disloyal! We’ll change our way of living if we risk our rotten lives!”

Obviously, the demon race’s belief was related to benefits!

Mo Luo Wu Tian did not care about the interests of the black demon Hunter Clan at all.

On the contrary, Chen Xiaobei could give them everything they had never experienced before.

The black demon Hunter Clan naturally knew what to choose!

Of course, in the black demon Hunter captain’s eyes, Chen Xiaobei was still very weak. He could not bring them any real benefits.

Therefore, the two sides only formed an alliance.

However, if in the future, the black demon hunters were to receive benefits from Chen Xiaobei, their faith would change to Chen Xiaobei.

After all, Chen Xiaobei was a real Holy demon!

The reason why the black demon Hunter Captain had formed an alliance with Chen Xiaobei, other than being brainwashed, was because of Chen Xiaobei’s talent!

If Chen Xiaobei lost, the captain of the black demon Hunter team could get rid of Chen Xiaobei.

However, if Chen Xiaobei won, then the black demon hunters' future would be bright.

Alright, since we're allies now, you can relax and finish what you wanted to say. What do you want to remind everyone about?"

Chen Xiaobei's tone was very calm, as if he was talking to a friend.

Obviously, Chen Xiaobei was not just brainwashing them. If they were willing to treat him with sincerity, Chen Xiaobei would not let them down.

Friends! It's sincerity for sincerity!

The black demon Hunter Captain could feel Chen Xiaobei's respect for him. "I just wanted to remind you that there is the aura of a living thing in the ruins, and it is very powerful! In addition, there are poisonous gases in the ruins. It's best to prepare some antidotes!"

Chen Xiaobei was a little confused. "It's such an important matter and they didn't want to listen to you. Do you want to see them all die inside?"

"My Lord, don't worry!"

the people who came today are almost all the great nobles of the demon Realm," the black demon Hunter Captain said. everyone has a life-saving method in their hands, and a few of them even brought heavenly God-tier bodyguards. Of course they'll live well!

"I see ..."

Chen Xiaobei then asked, "I have another question. Recently, mo Luo Wutian has been sending people to excavate something ... That thing, was it also discovered by your black demon Hunter Clan?"

"Excavate? Are you talking about the wizard ancestor's corpse?"

The black demon Hunter Captain didn't hide anything. "That's right. Our treasure hunting team has smelled the scent of two special corpses. We can confirm that these two corpses are unique existences in this world! If I'm not mistaken, it's the corpse of a wizard ancestor!"

It was obvious that there were many races in the universe.

However, the only corpses that could be found were the twelve ancestors of Sorcery!

Their true bodies had unique bloodline forms. Other than the twelve of them, no other living beings could grow a body like theirs.

Even within the Sorcerer tribe, no one was like them.

It was precisely because of this that the black demon Hunter squad was able to confirm that it was the corpse of the Grand Wizard.

That was why mo Luo Wutian had spent so much effort to dig it up.

"I've really picked up a treasure!"

Chen Xiaobei looked at the captain of the black demon hunters, and a meaningful smile appeared on his face.

Red Envelope Group of the Three Realms

Chapter 3718: must go

It was obvious that the black demon Hunter Clan might seem weak and puny, but in reality, they were more useful than anyone else when it came to finding the body of the wizard ancestor! He was even more powerful than a heavenly path Sage!

Even the heavenly path sages couldn't determine the location of the wizard ancestor's corpse. However, as long as you marked out an area, the black demon Hunter Clan would be able to help you find it!

From this moment on, the black demon hunters would belong to Chen Xiaobei alone!

This was definitely an important chess piece! In Chen Xiaobei's hands, other than searching for corpses, there were many other uses for it!

"Let's go, blackpeak! You'll enter the ruins with me!"

Chen Xiaobei extended an invitation.

I ... I won't go ... If the nobles see this, they won't be happy ... blackpeak gulped, not daring to touch the nobles' interests.

"Don't worry! If the sky falls, I'll hold it up for you!" Chen Xiaobei patted blackpeak's shoulder, giving him great courage.

Blackpeak's face was filled with shame. He composed himself and said solemnly, "I just said some heroic words. If I admit defeat now, it would be too embarrassing! Let's go! No matter what happens, we'll face it together!"

"By the way, I still don't know how to address you?" Blackpeak asked.

"I'm Xuan bei!" Chen Xiaobei smiled as he held the Jiu fan Golden Bell in his hand and walked into the ruins with blackpeak.

It was a deep abyss between the mountains and the earth.

After flying down the abyss for about a few million meters, they could see a cave on the mountain wall.

Entering from the entrance meant that they had entered the mysterious ruins.

As a large number of demons had already swarmed in, the danger at the entrance had long been eliminated. Everything was very peaceful.

As Chen Xiaobei walked, he asked, "I heard that there's a treasure in the ruins! It would allow the demonic Army to defeat the Sorcerer tribe! What is that thing?"

"It's also a corpse!"

"It's a mutilated corpse, and it's emitting a strong killing intent and an incomparably thick smell of blood!" Blackpeak said in a deep voice. It should be a part of the body of the head of the Grand Magi, Chi You!"

Chi You was defeated by the Yellow Emperor Xuanyuan and was dismembered by five dragon horses. The dismembered body was buried in different places.

In fact, Chen Xiaobei had already found the head to the South of Dragon Sparrow mountain. He did not expect that there was another part of the head to be hidden North of Dragon Sparrow mountain.

"That's not right ..."

"What kind of treasure is a corpse?" Chen Xiaobei asked. How can you defeat the Sorcerer tribe?"

"You still don't know?" "There was a peak quasi-Sage formation in the 81 heavens of the primordial era!" Blackpeak explained. Once this formation is activated, our demon Army will be completely annihilated!"

I think I've heard of it before ... It's the twelve divine beings killing formation, right? " Chen Xiaobei asked.

"Right!"

Blackpeak composed himself and continued,"Originally, the Sorcerer tribe did not have enough energy to activate the formation. By sacrificing the corpses, we can activate the formation and turn the tide of the battle!"

"I think I understand ..."

of course! Chen Xiaobei said slowly, " originally, the demonic tribe had the upper hand on the battlefield, but the witch tribe still had a chance to use the twelve divine beings killing formation to counterattack! However, as long as the demon tribe gets a part of Chiyu's body, this formation will not be able to be activated. The Wu tribe will be defeated sooner or later!"

"That's right! It's like this!"

Blackpeak furrowed his brows, his expression complicated."This Chi You is really an awesome person! Originally, after a sorcerer tribe member dies, their corpse would turn into energy and merge into the ancient desolate land!"

"However, Chi You has killed countless people in his life! The killing intent and baleful Qi that had suppressed the world had actually undergone a special change and protected his corpse, not turning it into energy!"

of course, the way the Sorcerer tribe sacrifices Chiyu's corpse is probably to turn it into energy and use it to activate the twelve divine beings killing formation!

Obviously, blackpeak was not stupid. In fact, he was very smart and had thought far ahead. He had even thought of what the Sorcerer tribe would do.

Of course, Chen Xiaobei had also thought of what blackpeak had thought of.

Chen Xiaobei could even guess that the secret mission that the witch tribe had mentioned was to find Chiyou's body.

At the same time, Chen Xiaobei had to consider another problem.

The prime of Tongtian had already sent the reincarnated Chiyou to the ancient Barrens to teach Chen Xiaobei how to use his body.

It seemed like Chiyou's body should not be refined into energy, but used for other important purposes.

As they conversed, they pondered. Before they knew it, Chen Xiaobei and blackpeak had already ventured a certain distance into the ruins. The environment around them had also started to change.

This area was even darker, and there were many marks left behind by the claws and teeth of ferocious beasts on the stone walls.

There were even many bloodstains on the ground.

However, the strange thing was that there were no injured beasts or demons here.

"Could it be that the two sides fought to a draw here? They're retreating again?" Chen Xiaobei was confused.

"No!"

Blackpeak twitched his nose a few times and sniffed the air. His eyes were solemn as he said, "There's the smell of dead bodies ... There are at least ten dead or injured people who came in! I'm afraid the corpse has already been eaten ..."

it's been eaten!? Chen Xiaobei's expression changed and he became alert. "So you're saying that the man-eating demonic beast is still here?"

Blackpeak sniffed again, "No... It has already left!" It's very far from here, but it's very close to the crowd ... It seems that it hasn't eaten its fill ..."

"Run! We'll head over immediately! I can't let anything happen to my friend!" Chen Xiaobei said urgently.

I ... I think we shouldn't go over ... blackpeak swallowed his saliva. that demonic beast is very powerful. Moreover, it comes and goes without a trace. Even the heavenly demonic god can't deal with it. We'll just be courting death if we go ...

"No! I have to save my friend!" Chen Xiaobei was very determined.

This matter concerned Yun fanqing's safety, so there was no room for discussion.

He had to go!

"Brother! "Listen to my advice ..." Blackpeak, of course, still wanted to persuade him.

"Chi ..."

However, at this moment, the Jiufan Golden Bell suddenly let out a buzz and revealed the Dharma form of an eminent monk.

That's right, this was the artifact Spirit of the Jiu fan Golden Bell.

The artifact Spirit used to know Chen Xiaobei, but now, it could not tell who Chen Xiaobei was.

I hate the demons, but since you're willing to save my master, I'll do my best to help you! The artifact Spirit looked at Chen Xiaobei and said seriously.

"You? Don't joke around, okay?"

"It's just a one-star heaven immortal artifact. It can't even defeat me, so what can it do?" blackpeak said with a look of disdain. Don't cause trouble! Is that good?"

"Whoosh ..."

The artifact Spirit ignored blackpeak and emitted a unique rainbow-colored aura from the Jiu fan Golden Bell!

Jiu fan immortal Qi?

Chen Xiaobei's eyes lit up with surprise.

[Red Envelope Group of the Three Realms](#)

Chapter 3719: blocking the retreat

Of course, Chen Xiaobei could recognize the Jiufan immortal Qi.

This was a special ability of the Jiu fan Golden Bell. After consuming a certain amount of energy and a long period of time, it could accumulate a small amount of Jiu fan immortal Qi.

This divine instrument had once saved Chen Xiaobei's life in the earth-god Realm. It had even helped Chen Xiaobei to break through to a higher realm. It was a very magical gas.

Chen Xiaobei finally understood why Yun fanqing had said that this magical item could save his life when he left the Jiu fan Golden Bell.

It turned out that Yun Fan had already known that a new portion of Jiu fan immortal Qi was being nurtured in the Jiu fan Golden Bell.

She could give such an important thing to Chen Xiaobei, and she did not even know his identity.

Even though Chen Xiaobei's appearance was demonized, the two of them were still connected.

The feeling was a very mysterious thing.

Sometimes, liking someone without any reason was because the feeling was right.

"Since that's the case, I won't be polite! Hiss ..."

Chen Xiaobei took a deep breath and absorbed all of the Jiufan divine Qi into his Dharmakaya.

At the same time, Chen Xiaobei consciously gathered the Jiufan divine Qi near his primordial spirit.

There was no doubt that as long as Chen Xiaobei could protect his primordial spirit, everything else would not be a problem.

“Let’s go!”

Chen Xiaobei put away the Jiu fan Golden Bell and walked deeper into the ruins.

Chen Xiaobei did not care about anyone else, but he had to ensure Yun fanqing’s safety.

“Brother!”

Blackpeak’s face turned green. He naturally did not want to take this risk.

However, the heroic words he said before he entered were still fresh in his mind. If he didn’t follow them in, every word he said would become a slap to his own face.

Steeling his heart, blackpeak finally followed.

From the moment he took this step forward, he knew that there was no turning back. He had to risk his life and fight Chen Xiaobei to the end!

.....

In the depths of the ruins, after the battle at the cave entrance, the demons were much more cautious.

With every step he took, he would observe his surroundings carefully. At the same time, he activated his essence soul domain to the fullest, not daring to miss any movements.

Of course, there were exceptions.

There were three young nobles of the demon world who had brought three heavenly gods and demon gods as bodyguards. They had something to rely on, so they were naturally more courageous. They walked in the front and gradually opened up the distance between them and the main group.

Lord Jia Luo, Lord Yun, you two follow me. I will find a way to protect you!

Yuan she Sha’s loyal and devoted appearance was truly touching.

However, jialuo and Yun fanqing did not appreciate his kindness at all.

This was because, during the battle at the entrance, the demonic beasts had suddenly appeared, and Yuan she Sha had been the first to hide.

Even when one of his companions was taken away by a demonic beast near him, he didn’t stop it. He didn’t even gather his immortal essence and just ran away.

There was no way jialuo and Yun fanqing would believe his nonsense!

In fact, anyone with a discerning eye could see that the reason why Yuan she Sha was cowering by Jia Luo and Yun fanqing’s side was not to protect them. On the contrary, he was seeking their protection.

After all, Jia Luo had already revealed his identity as the emissary of the ancestor devil, so he would definitely have a trump card to save his life.

Therefore, in Yuan Shesha's opinion, he would be safe as long as he stayed in Jialuo and Yun fanqing.

Jia Luo saw through Yuan she Sha's scheme with a single glance, and a look of disdain appeared on his face. At the same time, he couldn't help but sigh inwardly. "It's a good thing that Xuan bei didn't come with us. Otherwise, we would have to protect one more person ..."

"Yup!"

Yuanshe Sha was like an insect that responded to the call and immediately echoed, "That Xuan bei is really too weak. He looks so sick, as if he will fall down at any moment! If he comes along, it'll be a huge delay!"

Hearing their words, Yun fanqing frowned slightly but did not refute them.

Obviously, Yun fanqing did not think that Chen Xiaobei was suitable to go with them. If anything happened to him, Yun fanqing would feel very guilty.

It was a good thing he didn't follow her in ...

With that thought in mind, Yun fanqing's mood relaxed slightly.

Kalala ... Kalala ...

However, all of a sudden, a series of strange sounds came from the surrounding stone walls. It was as if something was penetrating the rocks and rushing towards them at high speed.

"Not good! It was a magical beast! That demonic beast is coming for us again!"

Someone shrieked loudly. Then, everyone fell into a state of anxiety.

"Shit! That demonic beast's strength is far stronger than all of us! The three black demonic gods from earlier have already gone far away, so doesn't that mean we're dead?"

"Why are you still thinking of a dead end? Hurry up and escape! Our lives are more important. We're not doing this mission!"

"Run! Hurry up! If we don't escape now, it'll be too late ..."

In an instant, almost all the young demons ran to the back. He wanted to leave the demonic beast's attack range as soon as possible.

"Boom boom boom ..."

However, this demonic beast already possessed intelligence. With a loud bang, its huge body directly broke through the mountain's rock wall and blocked everyone's path of retreat.

The demonic beast's body was very similar to a pangolin's, but the scales on its body had thorns, and its body was more than 30 meters long.

The most demonic thing about it was that it had two huge, dark green eyes.

They were like two dark green Lanterns, round and emitting a dark green light.

"I'm finished ..."

The moment they saw the monster, despair spread through the crowd like a terrible disease.

The group of 50 to 60 people had just entered the cave, and 18 of them had already died.

One could imagine how terrifying this demonic beast was.

To these demon youths whose cultivation was far inferior to it, it was like a death god that took lives, coming here to harvest lives.

Moreover, this time, it had directly blocked everyone's retreat. From the looks of it, it was going to completely annihilate everyone here.

Whoosh!!!

Without wasting any time, the strange green-eyed mountain-piercing beast immediately launched its attack.

A long tongue, which was enhanced by celestial core power, shot out of its mouth like a long whip.

From the immortal essence fluctuations, its cultivation had already reached the nine Star Mystic immortal realm.

At the same time, the special body structure of demonic beasts gave it a natural talent for attacking.

That long whip-like tongue, in terms of speed and accuracy, had already surpassed nine-Star Mystic Immortals of the same level.

Among all the demon youths present, the strongest was only a Seven Star abstruse immortal like Yuan she Sha.

The result was without any suspense!

"Swish!"

In an instant, a demon youth was directly wrapped up and flicked towards the green-eyed pangolin's mouth!

[Red Envelope Group of the Three Realms](#)

Chapter 3720: Dark green eyes

3720 Dark green eyes

"Whoosh! Crack ..."

With such a huge difference in power, there was no possibility of resistance at all.

That unlucky demon race youth was directly bitten in half by the green-eyed pangolin! Flesh, blood, bones, internal organs, and even primordial spirit were all eaten into the stomach!

Crack ... Crack ...

With a second bite, the green-eyed pangolin devoured a living person completely.

"Run! Escape inside! If I can catch up to the three heavenly demonic gods ahead, I can still be saved!"

Seeing this, everyone lost their will to fight. They didn't dare to fight the green-eyed pangolin head-on. Their retreat had been blocked, so they could only brace themselves and rush deeper into the ruins.

"All of you stop! Do you think that you can be faster than it?"

But at this moment, Jia Lou stood up and took out the silver longbow on his back. His beautiful light purple eyes were like a laser scope, instantly locking onto one of the green-eyed pangolin's eyes.

"Who are you? A mere five-star heaven immortal wanted to fight against that demonic beast? Are you daydreaming?"

The surrounding people looked at Jia Lou with disdain.

However, very quickly, someone discovered the mystery and screamed in surprise, "Look! The longbow in her hand had also reached the nine-Star Mystic immortal realm! Maybe we'll have a chance to defeat that demonic beast!"

Everyone was shocked.

Especially those who had just ridiculed Jia Lou, at this moment, they all showed a look of shame and fear.

They were ashamed because they had underestimated Jia Lou.

What they were afraid of was that Jia Lou's Foundation was unfathomable, and he must be hiding an extremely high identity and status.

Of course, Jia Luo didn't have the time to argue with them. He shouted, "Don't just stare! Take out your life-saving talismans and help me stabilize that demonic beast!"

It was obvious that the longbow in Jia Luo's hand had been strengthened by mo Luo Wu Tian and had become a nine-star Xuan immortal weapon. However, demonic beasts were born with natural talent. The green-eyed pangolin's speed should be faster than an arrow from a longbow!

Because of this, Jia Lou couldn't win by himself. He had to work together with the others to tie down the green-eyed mountain pangolin first, then he could release his arrows.

"I understand ... I understand ..."

With Jia Luo as their backbone, these demon youths instantly calmed down and took out their magic weapons as quickly as possible.

The young men present were all nobles of the devil World. Although their cultivation was not high, the magical treasures in their hands were of high grade.

All of them were at least Seven Star Mystic immortal artifacts, and there were a total of 43 of them.

In fact, Yuan she Sha had another nine-Star Mystic immortal weapon.

"We're in for it now!"

Everyone heaved a sigh of relief.

“Gululu ... Gululu ...”

At the same time, the green-eyed pangolin seemed to have sensed the danger. It did not continue to attack. Instead, it lay on the ground and let out a series of strange sounds.

“Listen to my command! Let’s attack together!”

Jia Luo shouted and held his bow tightly.

He activated his power and a purple flaming arrow was formed on the longbow. He aimed it at the green-eyed pangolin’s right eye!

“Boom boom boom ... Boom boom boom ...”

At the same time, the forty-three Dharma Treasures in the surroundings activated their power and crushed down on the green-eyed pangolin like a storm.

Among them, Yuan she Sha’s magic treasure was the most powerful. It was like a fierce Golden Tiger that charged at the front! The green-eyed pangolin was about to be torn into pieces!

boom boom boom!!!

With a loud explosion, the Golden Tiger suddenly struck the green-eyed pangolin’s head.

“Swish!”

However, at this moment, the green-eyed pangolin’s huge body suddenly jumped up and hung upside down on the ceiling of the cave!

As expected!

A nine-star demonic beast’s physical talent had given it a certain boost in strength. Therefore, it was almost impossible for a force of the same level to hurt it!

Yuanshe Sha’s Golden Tiger Power missed and created a terrifying abyss on the ground. It was as if the mountain had been torn apart. This result was extremely shocking. Unfortunately, it was of no f * cking use. Not even a single hair on the green-eyed pangolin was harmed!

Fortunately, this was only the beginning!

“Boom boom boom boom boom boom ...”

In the next moment, the remaining 40-odd streaks of energy interweaved into an inescapable net and enveloped the green-eyed pangolin.

The amount of power was huge, but the strength was not strong. If the gap between them was more than one major realm, it would be impossible to hurt the green-eyed pangolin. However, it was enough as long as it could trap the green-eyed pangolin!

Even if it could only trap him for a moment!

Whoosh!!!

At this moment, Jia Lou suddenly shot an arrow!

The arrow that was burning with purple flames shot towards the green-eyed pangolin's right eye with lightning speed.

To Jia Lou, the eye was as big as a lantern and was an easy target to hit. At the same time, it should be the green-eyed pangolin's weakest spot.

"Swish!"

The result was indeed not disappointing!

Just as the dozens of Zhen Yuan temporarily trapped the green-eyed pangolin, Jia Luo's arrow had already arrived!

Furthermore, it hit right in the middle of the green-eyed pangolin's eye!

"Swish ..."

The power of this arrow was extremely strong. It suddenly pierced through the green-eyed pangolin's eye and pierced deep into its flesh. It crushed its muscles, broke its bones, and injured its internal organs. In the end, it directly injured its magical body.

After all, it was an attack of the same cultivation level. This arrow had basically crippled the green-eyed pangolin's physical body, but it had not killed its primordial spirit!

"Whoosh!"

The green-eyed pangolin's magical body left its body with its primordial spirit, trying to escape from the scene.

"You want to run? Stop dreaming!"

Yuanshe Sha roared in anger and activated the power of his magic treasure again.

The biggest advantage of demonic beasts was their physical talent.

At this moment, the green-eyed pangolin had lost its physical body, and its magical body had suffered some injuries. It was impossible for it to compete with a magical treasure of the same level!

"Boom boom boom ..."

The second Golden Tiger Dharma form caught up with the green-eyed pangolin's dharma body and forcefully shattered it. Then, it completely crushed the green-eyed pangolin's primordial spirit, not giving it any chance of survival!

"Phew ... I succeeded ..."

Everyone heaved a sigh of relief when they saw this.

After joining hands to defeat the strong enemy, everyone naturally praised Jia Luo. Even Yuan she Sha, who had dealt the last blow, was regarded as a hero and received a lot of praise.

But!

At this moment!

Just when everyone was at their most relaxed and let down their guard, a strange change occurred!

“Bang! Bang!”

Without any warning, the green-eyed pangolin’s huge, dark green eyes suddenly burst open, spraying out a large amount of dark green venom!

Everyone was completely caught off guard and was directly splashed all over!
