Chapter 3721: Stop howling

3721 Stop howling

how did this happen?!

In an instant, the scene was in complete chaos.

Even Jialuo and Yun fanqing were not able to react in time, and their bodies were stained with some poison.

The surrounding people were even more speechless. Without exception, all of them were hit. Some of them were even sprayed with venom all over their heads and faces.

“Uh ah ... Uh ah ...”

Soon, those who were contaminated by the poison began to let out hysterical screams!

Starting from the skin, large patches of flesh started to fester. Then, the flesh, bones, and even the bone marrow started to fester rapidly, turning into Black Pus and blood. It was stinky and terrifying.

More importantly, their primordial spirits were unable to leave their bodies!

This meant that if the physical body died, the primordial spirit would die with it. There would be no chance to escape.

Very quickly, seven or eight people who had been infected by the large amount of poison had already died.

The rest of the people also began to show signs of pain, as well as symptoms of their skin swelling and bubbling.

Fortunately, Jia Luo and Yun fanqing were surrounded by the crowd and were the least contaminated by the poison, so their skin was only red and swollen for the time being.

However, no matter how little it was, it was still a deadly poison!

Without the antidote, it was only a matter of time before Jialuo and Yun fanqing died from the poison.

“This is bad ...”

Jia Luo and Yun fanqing's expressions changed drastically. They could not connect to the Three Realms immortal network here, and they could not even ask for help from Mo Luo Wutian.

If he were to escape now, he would probably die from the poison halfway through.

This was really a dilemma.

help ... Help ... Who can save us ... Who can save us ...

The people around him, including Yuan she Sha, were all tormented by the pain. Waves of mournful wails echoed in the cave. It was countless times sadder than hell.

They had been stained with more poison, so they would only die faster than Yun fanqing and Jia Luo. It was impossible for them to escape, so their only hope now was that someone could save them!

However, how could someone else enter such a highly secretive place?

All of a sudden, everyone was in complete despair.

“Stop howling!”

However, at this moment, a calm yet domineering voice came from not far away. It was as if it could control the entire situation. Every word was powerful and confident.

Xuan bei!?

Yun fanqing and jialuo called out the man’s name at the same time.

In an instant, everyone’s eyes immediately focused on him.

They saw Chen Xiaobei and blackpeak walking towards them, looking at them with pity.

“Xuan bei! Don’t come any closer!”

there’s poison all over the ground! Yun fanqing shouted hurriedly. you’ll be dead if you get even a little bit of it!

However ...

Chen Xiaobei and blackpeak did not seem to have heard anything. With a confident look on their faces, they walked past the poison-covered ground without any hesitation.

“Are those two crazy? He knew that he would die, but he still came? Don’t you see the zombies on the ground?”

“Crazy! These two guys are crazy! You want to die with us!”

“Isn’t that the clan leader of the black demon Hunter Clan, hei Feng? That guy is usually as timid as a mouse. How could he take the initiative to die?”

“This ...”

“Could it be that they have a way to detoxify the poison? Right! It must be like this! They’ve been contaminated by the poison, but they’re not affected at all!”

“My Savior! Our Savior is here!”

“Quickly save me! Save me first! Young master Xuan bei! Please save me first ...”

“Save me first ... Save me first ...”

All of a sudden, the scene fell into great chaos, and everyone was eager to be rescued.

However ...

Chen Xiaobei completely ignored them. He only had eyes for Yun fanqing and walked straight to her.

“Fan Qing, I’ll help you detoxify!”

Chen Xiaobei said gently. Then, he took out some herbs, ground them into powder, and placed them on the spot where Yun fanqing was stained with the poison.

“Eh!”

Yun fanqing’s beautiful eyes instantly widened, and his face was filled with shock. “It doesn’t hurt anymore! Your medicine is actually effective! This ... This is too godly!”

Seeing this scene, the surrounding people were even more shocked. Their cries for help were thousands of times louder than before! Some of them were screaming for help, and some of them were even kneeling on the ground and kowtowing to Chen Xiaobei!

“Come here.”

However, Chen Xiaobei ignored them and turned to look at Jia Luo.

Speaking of which, Jia Luo didn’t ask for help like everyone else. Perhaps she still had a bit of pride in her bones.

“Give me your hand!”

Chen Xiaobei pulled over Jia Lou’s poisonous right hand and carefully applied the medicine on it, making sure that no poison was left on her.

“You ...”

Jia Luo’s expression froze for a moment, and his emotions suddenly fluctuated greatly.

As an ancient demonic god, she had been so focused on cultivation in her previous life that she had never had any contact with the opposite sex. Now that Chen Xiaobei was holding her hand and applying the medicine so carefully, she was not used to it. She had a lot of mixed feelings.

“Don’t think of the wrong things!”

Chen Xiaobei was smart enough to see through Jia Lou’s unusual behavior. if you die, fan Qing will not live either. Otherwise, I might not be willing to save you!

“I ...”

Jia Luo was stunned and speechless.

On the other hand, Yun fanqing’s heart beat faster.

This made her feel very surprised, and even a little ashamed! The one I like is Chen Xiaobei! How could her heart beat faster for someone else?

No!

This was absolutely not allowed!

Yun fanqing forced himself to calm down. All he could think about was Chen Xiaobei.

Soon, Jia Lou's poison was removed and he completely recovered.

"Plop!"

Yuan she Sha had been waiting for a long time, and without a word, he knelt down and pleaded, "Young master Xuan bei! I beg you to save me! We've been companions since the beginning of our journey!"

A few other young demons also crawled over and surrounded Chen Xiaobei.

They kept saying that Chen Xiaobei was their companion.

However, they had always felt that Chen Xiaobei was a burden to them and hoped that he would not come.

The result before their eyes was a slap to their faces, and it made them very vexed.

Luckily, Chen Xiaobei did not hear their complaints. That was why they could beg for Chen Xiaobei's help.

"It's not impossible for me to save you, but from now on, you must listen to my command for every step you take!"

Of course, Chen Xiaobei would not be a good person. He had to state his conditions.

"No problem ... We'll listen to you ... We'll do anything you want ..."

Everyone was already at the point of life and death. There was no room for negotiation. They all agreed to Chen Xiaobei's request.

"Take it!"

With a wave of his hand, Chen Xiaobei threw the antidote to the crowd and let them detoxify themselves.

"Xuan bei ..."

Yun fanqing could not help but ask, "How do you have the antidote to this poison?"

[Red Envelope Group of the Three Realms](#)

Chapter 3722: Twin Twin flowers

3722 Twin Twin flowers

Clearly, something was not right.

Chen Xiaobei had never been here before, so how could he have prepared the antidote beforehand?

After Yun fanqing's question, everyone around him felt a strong sense of doubt and could not figure it out no matter how much they thought about it.

"This is all thanks to blackpeak!"

Chen Xiaobei pointed at the clan leader of the black demon hunters, heifeng, and said, " "He could smell the poisonous scent from far away, and he was very careful! And I happen to know some medical skills, so I thought of the antidote's formula on the way here!"

I see ... Yun fangqing nodded."Then I really have to thank you and blackpeak. If it wasn't for the two of you, everyone here would have died without a doubt!"

As soon as these words came out, jialuo and yuanshe Sha felt a burst of shame in their hearts, and their cheeks couldn't help but burn, as if they had been slapped several times.

That was because they had thought that Chen Xiaobei would be a burden to them, but if he did not come, they would all die without a complete body.

This face slap was simply too loud.

At the same time, the crowd started to praise Chen Xiaobei's medical skills and heifeng's sense of smell.

Chen Xiaobei did not feel anything special about the compliments.

However, in blackpeak's ears, these praises were like the rarest and most precious treasures. Such a situation had never occurred before in the past!

This was respect!

The respect from the nobles!

This was something that blackpeak and the entire black demon Hunter Clan had never experienced before!

Blackpeak was extremely excited, and his heartbeat and breathing had already accelerated greatly. His scalp was numb, and he had goosebumps all over his body.

He had never known that the feeling of being respected by others could actually be so good!

Of course, he would never forget that it was all Chen Xiaobei's credit that he was able to earn the respect of these aristocrats!

Without Chen Xiaobei's encouragement, blackpeak would not even dare to step into the ruins!

Chen Xiaobei was right!

If you want to get something, you have to pay a price!

The black demon Hunter Clan had nothing left to lose, only their lowly lives! If this cheap life could be exchanged for something that he had never had before, then it would be a great profit! At the very least, he would not lose out!

"Not good!"

However, right at this moment, blackpeak's expression suddenly turned serious."There are other demonic beasts coming this way! Everyone, retreat!"

"What are you afraid of?"

we can defeat that monster just now, ” yuanshe said with a smile. if another one comes, we’ll kill it all the same! Just pay attention to avoid the poison!”

“No! “Not just one ...” Blackpeak swallowed his saliva and said with a frightened expression, ” “It’s ten!”

“What!”

Hearing this, the crowd was shocked.

If it was just one green-eyed mountain pangolin, then it would still be fine, as everyone could still win if they worked together.

However, there were ten of them!

Even if the other party followed the rules of the martial world and attacked one by one, he would still be able to exhaust everyone’s magical treasure and spiritual Qi by the ninth beast. The last beast would be enough to destroy everyone!

Of course, this was just a hypothesis! How could a demonic beast talk to you about rules?

“Boom boom boom ... Boom boom boom ...”

In an instant, the rock walls in all directions started to shake violently with a terrifying sound!

From the direction of the sound, it could be deduced that ten green-eyed mountain-piercing beasts were attacking from different directions. They had already completely surrounded the group!

This demonic beast’s cultivation base was higher than everyone’s. In addition to its super strong physical talent, no one had the slightest chance of winning in a one-on-one fight!

More importantly, in this cave that was restricted by space, he couldn’t even escape!

it’s over ... It’s really over ... Master Jia Lou, you must protect me ...

Yuan she Sha wailed as he revealed his true face.

He had just said that he would protect Jia Luo and Yun fanqing, but at this moment, he was as scared as a dog and hid behind Jia Luo, not even daring to raise his head.

Yuan she Sha’s cultivation was the highest among the crowd, and his magic treasure was the same level as Jia Luo’s. If even he was so terrified, the others would be even more so.

Each of them shrunk their necks and sucked in a breath of cold air. Their bodies were covered in cold sweat, and their hands and feet were ice-cold. They had long lost the will to fight. If possible, they were even willing to kneel and beg for mercy from the green-eyed pangolin.

“Don’t panic!”

Jia Luo’s eyes narrowed as he slowly looked at Yun fanqing and said, ” “Now that things have come to this, I can only use my primordial spirit to attack!”

yes ... Yun fanqing composed herself and did not refute.

The people around them were naturally dumbfounded. They had no idea what they were talking about.

After all, on the surface, Jia Luo and Yun fanqing were only five-star heaven Immortals and were pitifully weak. If Jia Luo's longbow hadn't reached the 9-star Xuan immortal level, no one would have considered him as their backbone.

But Chen Xiaobei knew it all too well.

Jia Luo and Yun fanqing's primordial spirit attacks had both reached the quasi-Saint level.

Initially, Chen Xiaobei wanted to deal with the ten green-eyed pangolin by himself, but he did not say a word and just waited to see how jialuo and Yun fanqing would perform!

There were some things that Chen Xiaobei could not ask directly, but as long as he looked closely with his eyes, he would be able to find some clues and deduce the truth behind it!

Chen Xiaobei was going to pay back twice as much for how mo Luo Wutian had plotted against Yun fanqing!

"BOOM! BOOM! Boom ..."

With just these two sentences, the surrounding stone walls exploded one after another.

From the cracks and caves, huge green-eyed mountain pangolins with dark green Lantern-like eyes quickly emerged.

Their eyes were wide open, and their long whip-like tongues were slowly moving back and forth. It was as if they were in a market, picking delicious food. Once they had chosen something, they would immediately eat it up, leaving nothing behind.

"Help ... Help ..." He cried.

Yuan she Sha and all the young demons let out a mournful wail. Some of the more timid ones had even peed their pants.

"World annihilation! Black Lotus dance!"

However, at that moment, Jia Luo and Yun fanqing entered a strange state at the same time!

A large amount of dark demonic Qi gushed out of their bodies and formed a Black Lotus Dharma image in front of them!

Black Lotus of world destruction!?

Everyone, including Chen Xiaobei, was shocked but also confused.

There was no need to explain their shock. The Black Lotus of destructions was a Supreme sacred object that suppressed the core of the demon world. It was the foundation of the entire demon world. All the demons knew this.

However, it was a little strange. Everyone's impression of the Black Lotus of destruction was that there was only one Lotus! After Chen Xiaobei activated the sacred marrow of annihilation's power, the Black Lotus Dharma only had one flower!

However, at this moment, the black lotuses that Jialuo and Yun fanqing had activated were two twin lotuses!

Red Envelope Group of the Three Realms

Chapter 3723: Why not leave?

3723 Why not leave?

“Woof! Whoosh!”

With the appearance of the Twin black Lotus Dharma, the aura and true energy fluctuations on Jia Luo and Yun fanqing’s bodies underwent an extremely violent change.

It was as if hundreds of millions of volcanoes had erupted at the same time, and he was tens of thousands of times stronger than a five-star heaven immortal!

With the sound of two gusts of wind, Jia Luo and Yun fanqing turned into dark ghosts and charged out from the left and right.

The dark demonic Qi scattered in all directions like smoke and mist. The two beautiful figures shuttled back and forth in the space like a graceful dance, shocking everyone and even more shocking.

“Woof! Buzzzzzz! Yi ...”

Wherever the extreme shadows passed, the green-eyed pangolin’s huge and hard body became like paper. It was completely unable to withstand a single blow and was killed on the spot.

No matter how fast they were, they were far slower than Jia Luo and Yun fanqing.

In just a few seconds, all the green-eyed mountain pangolin had been annihilated.

Of course, more importantly, Jia Luo released his immortal essence and sealed all the green-eyed pangolin’s eyes.

After the venom burst out, it was blocked by immortal essence and no longer splashed towards the crowd.

In this way, this huge danger was quickly crushed by Jia Luo and Yun fanqing.

Looking at Jia Luo and Yun fanqing, who were covered in dark demonic Qi, and the green-eyed pangolin’s body and blood all over the ground, everyone at the scene felt an intense shock.

“He’s too strong! Lord Jia Luo! Lord Yun fanqing! You guys are really too, too, too strong!”

Yuan she Sha and a few of his followers immediately rushed over and gave him a thumbs-up, praising him and flattering him. They looked at Jialuo and Yun fanqing as if they were their great-grandmothers.

The others were naturally no exception. Exclamations and praises rose one after another, and they were endless!

“He’s too strong! The speed was so fast that we couldn’t see it clearly! That power has already reached the level of a golden immortal, it’s the genuine power of a heavenly God!”

“I can’t be wrong! Both of them were at the heavenly God Realm! Fortunately, they’re here. Otherwise, all of us would have died without a burial place!”

“But, why do they only look like five-star heaven Immortals on the surface? This is very strange!”

“What’s so strange about that? The two lords had hidden their strength! It’s that simple!”

.....

Chen Xiaobei was very confused by the crowd’s discussion.

First, Chen Xiaobei could confirm that Jia Luo and Yun fanqing had indeed absorbed the world-ending sacred marrow.

Secondly, the special ability of the world-extinguishing sacred marrow could indeed allow one to temporarily step into the heavenly God Realm.

However, the strange thing was that Jialuo and Yun fanqing’s powers were not as strong as when Chen Xiaobei had activated the world-extinguishing sacred marrow!

In other words, even if Jialuo and Yun fanqing worked together, they would not be able to defeat Chen Xiaobei!

One should not forget that once Chen Xiaobei activated the sacred marrow of world annihilation’s special ability, he would be invincible among his one-star celestial god level!

“Could it be that ... They each ate half a drop of the world-extinguishing sacred marrow? So, the power of your ability can’t compare to mine?”

Chen Xiaobei made a quick guess.

He still remembered that Mo Luo Wu Tian had said that the world extinguishing sacred marrow was the honey of the Black Lotus of destructions, and there were only three drops of it in all the heavens and worlds!

Chen Xiaobei’s speculation was right!

The first drop of the world-extinguishing sacred marrow was consumed by Chen Xiaobei by chance. It was suppressed by the human seal, and Chen Xiaobei was given a special ability without being possessed by the devil.

The second drop of world-extinguishing sacred marrow was originally intended to demonize Yun fanqing, but by chance, half a drop was absorbed by Jia Luo.

Because of this, even though Yun fanqing looked like he was possessed by the devil, he was not completely devoid of humanity. His feelings for Chen Xiaobei were still deeply imprinted in his heart.

At this point, there was only one drop of the world extinguishing sacred marrow left in the universe.

Naturally, Mo Luo Wutian could not bear to use it carelessly. He had always kept it carefully and carried it with him.

there’s another strange problem, and that’s lifespan!

Chen Xiaobei furrowed his brows and thought, "I've seen them before, their lifespans are both 80.21 million years! And I need 100 million years of my life to activate the world-extinguishing sacred marrow! The two of them didn't seem to have consumed as much energy as I did!"

[ding Qianqian's cultivation base: intermediate-stage five star heaven immortal; lifespan: 30.21 million years, physical body: 4500 trillion, combat power: 4500 trillion, primordial spirit attack-quasi-Sage!

[ding Qianqian's cultivation base: intermediate-stage five star heaven immortal; lifespan: 30.21 million years, physical body: 4500 trillion, combat power: 4500 trillion, primordial spirit attack-quasi-Sage!

Chen Xiaobei activated his netherspirit battlescouter to check on jialuo and Yun fanqing's lifespan.

"Understood!"

Chen Xiaobei was smart enough to understand everything. "The two of them each consumed 50 million years of their lifespans, and together, it's exactly 100 million years! This is the true meaning of Twin!"

"Their lives have been firmly tied together by the world-ending sacred marrow! They would live and die together, live and die together! In that case, I will have to protect Jia Luo as well. If anything happens to her, fan Qing will not be able to escape!"

Chen Xiaobei made his decision.

For Yun fanqing's safety, he could only temporarily put aside Jia Luo's identity as an enemy.

But then again, from the moment they met, she had never tricked Chen Xiaobei.

Although jialuo had plotted against Yun fanqing, it was also mo Luo Wutian's intention.

Chen Xiaobei realized that he did not have much enmity towards Jia Lou. He would definitely protect her!

"Everyone!"

At this moment, Jia Lou stood up and said in a deep voice, "It's obvious that we've underestimated the dangers of these ruins! We almost got wiped out when we were near the entrance! To explore the entire ruins, one had to be at least a mid level heavenly deity!

"Therefore, I suggest that everyone return to your respective military camps immediately and invite your uncle's generation of powerhouses to come here! With our current strength, we'll be digging our own graves if we continue to venture deeper into the ruins. There's no chance of success at all!"

Obviously, Jia Lou's analysis was very reasonable.

Moreover, Jia Luo and Yun fanqing's lifespans were too short to activate the power of the world annihilation sacred marrow again.

It was precisely because of this that everyone immediately retreating was definitely the best choice! And it was the only choice!

"Retreat! Retreat! I don't want to die ..."

"I haven't lived long enough either ..."

Everyone present was a noble of the demon world. It was impossible for them to give up their Happy Days and run to seek their own death!

In an instant, most of the people immediately retreated outside.

In the end, there were only five people left on the scene.

Chen Xiaobei and blackpeak were on the same side, jialuo and Yun fanqing would not separate, and yuanshe Sha would not leave either.

“Why don’t you leave?”

Jia Luo looked at Yuan she Sha and coldly said, “Don’t tell me that you’re staying to protect us!”

“I ...”

Yuanshe Sha’s expression stiffened slightly, and a complicated look that was difficult to detect flashed through his eyes.

Red Envelope Group of the Three Realms

Chapter 3724: Immortal Qi protection

3724 Immortal Qi protection

“I don’t have the ability to protect you two ...”

I just want to follow the two of you,” Yuan she Sha said with a big smile. if the two of you have meat to eat, then I can at least have some soup to drink!

“It’s that simple?” Jia Luo’s eyes narrowed, as if he wanted to see through the other party.

“It’s that simple!”

Yuan she Sha said with a serious face, “what strength do I have?” Do you think you can find my five fingers mountain?”

“Alright, then you can follow me!” Jia Luo nodded.

Yun fanqing did not object.

Chen Xiaobei and blackpeak’s faces were filled with mixed emotions.

There was clearly something wrong with this yuanshe Sha, so why did jialuo and Yun fanqing want him to stay?

“Xuan bei, why aren’t you leaving?” Yun fanqing walked over and asked.

“Didn’t you say that I would be able to meet Wutian devil ancestor after completing the mission?” Since I’m already here, I won’t give up until I give it a try!”

your body ... Yun fanqing’s eyes showed worry.

“I’m fine now!”

Chen Xiaobei took out the Jiufan Golden Bell and returned it to Yun fanqing. "Just now, this magic treasure emitted a special gas that made my body feel much more comfortable."

"What? You obtained the Jiufan immortal Qi?"

Yun fanqing was a little surprised and asked, "how did you get the artifact Spirit's approval? It wouldn't give away Jiu fan immortal Qi so easily!"

"You should ask the artifact Spirit yourself." Chen Xiaobei smiled.

The Jiufan Golden Bell had already awakened its spirit. It immediately revealed its spiritual body and said, "Just now, I sensed that you were in danger and Xuan bei's companions wanted to escape. However, Xuan bei insisted on coming to protect you at the risk of his life! I saw that he was sincere and sincerely wanted the best for you, so I gave him the Jiu fan immortal Qi!"

Yun fanqing was stunned. He did not expect that Xuan bei, whom he had just met, would be willing to risk his life to protect her.

Yun fanqing was very surprised and even puzzled.

On the other side, blackpeak's face was red with embarrassment. He was the one who wanted to escape just now! If Chen Xiaobei had not insisted on coming, blackpeak would have run away!

"Xuan bei! Since you saved me just now, I have to remind you!"

At this time, Jia Luo looked over and said in a deep voice, "These ruins are extremely dangerous. If you don't retreat, we may not be able to protect you if anything happens to you!"

Clearly, Jia Luo and Yun fanqing could no longer use the power of the world-ending sacred marrow. They could not even protect themselves, let alone Chen Xiaobei.

Moreover, the deeper they went into the ruins, the more dangerous it was!

Even if Jia Luo and Yun fanqing could still use the power of the world-ending sacred marrow, they could not guarantee that they would be able to move safely in the ruins.

"I can tell that you're doing this for my own good!"

Chen Xiaobei looked at Jia Luo and said, "However, I must continue deeper into the ruins! I can still protect you if you encounter any danger!"

"What? You'll protect us?"

Jialuo and yuanshe both looked at him with contempt.

"Young master Xuan bei! The way you speak is not nice to hear!" Jia Luo said unhappily, "the longbow in my hand has reached the level of a nine-Star Mystic immortal!" You said you wanted to protect me? Ha ..."

"This is young master Xuan bei!"

Yuan she Sha immediately followed and said in a pretentious tone, "I can sense your cultivation! He was just a peak seven-star heaven immortal! This strength can't even compare to a single strand of my leg hair! How are you going to protect us?"

"Heh, you're really an ungrateful Wolf who doesn't recognize people!"

"Who was the one who kneeled on the ground and begged me for help?" Chen Xiaobei sneered. When you ask for help, I'm your biological father and grandfather! Now that the poison has been cured, I can't compare to your leg hair?"

this ... Yuan Shesha almost choked to death. He couldn't speak for a while.

Face smacking!

It was a slap to the face!

Just now, Yuan she Sha was the first to kneel and kowtow the loudest! And now, she was looking down on Chen Xiaobei. This was like slapping her own face!

At the same time, Jia Lou's face burned as if he had been slapped.

Even though she did not beg for Chen Xiaobei's help, he did save her life.

To turn around and look down on Chen Xiaobei was like slapping himself in the face.

"What Xuan bei said makes sense!"

Yun fanqing's beautiful eyes moved slightly, and he immediately decided, "Although Xuan bei's cultivation is low, his medical skills are superb! I'm afraid there will be more people injured in the depths of the ruins. If we bring Xuan bei along, we'll have one more layer of protection!"

As soon as these words were spoken, jialuo and yuanshe could only silently agree, no longer having any reason to refuse.

After that, the group set off again.

Jia Luo and Yuan she Sha both had nine-star Xuan Immortal Weapons, so they walked at the front.

Yun fanqing, heifeng, and Chen Xiaobei were at the back of the group, keeping a safe distance in case they were wiped out in one go.

"Brother! You're really awesome!"

Blackpeak looked at Chen Xiaobei excitedly and complimented, "At first, I didn't believe that you could detoxify the poison, but I didn't expect that you could really cure it! Your medical skills are really awesome!"

"Can you stop flattering me?" "We just passed the first stage!" Chen Xiaobei said. If you continue to be so smug, you might die an ugly death immediately!"

"This ..."

Blackpeak's body trembled, and he immediately became nervous. "Brother, don't scare me! Although my life isn't worth much, I still have my parents to take care of, and I don't want to die young ..."

"If you don't want to die, then don't be talkative!"

Chen Xiaobei said, " take a good whiff of the air around you! Tell us immediately if there's any movement!"

"En!" Blackpeak nodded his head, immediately turning serious.

"You're so smart!" Yun fanqing looked at Chen Xiaobei and said, " "The others didn't think of bringing black demon hunters in, only you did!"

"I'm not smart! It's the other nobles who are too full of themselves!"

of course not! Chen Xiaobei shrugged. those aristocrats all think that they can do anything. Of course, they wouldn't ask for help from the black demon hunters! But I'm different, I treat the black demon hunters as my friends, I need their help, and they're willing to help me!"

Hearing this, Yun fanqing could not help but be silent for a moment, then said lightly, " "You are very different from the demon race!"

"You too!" Chen Xiaobei laughed.

"Boom boom boom ..."

At this moment, a terrifying tremor suddenly erupted from the depths of the ruins.

"BOOM! BOOM! Boom ..."

Then, the explosion of a large amount of immortal essence collided with each other. It was like Rolling Thunder, shaking the entire space.

"This is bad!"

At the same time, blackpeak smelled a unique aura. a green-eyed pangolin King has appeared in front of us!

[Red Envelope Group of the Three Realms](#)

Chapter 3725: empathy

What?

The green-eyed pangolin King?

Everyone was shocked by his words!

"Blackpeak! This was a matter of life and death! You dog slave, don't speak nonsense!"

Yuan she Sha immediately let out an irascible roar.

Firstly, he had always looked down on blackpeak, and secondly, he wanted to use his anger to cover up the fear in his heart.

He, Yuan she Sha, was not even a match for an ordinary green-eyed mountain piercing beast.

If a green-eyed pangolin King really appeared, he, Yuan she Sha, would not be able to survive even if he had ten thousand lives.

“I’m not talking nonsense!”

that’s right! blackpeak said with certainty. the green-eyed pangolin King is fighting with someone up ahead. If you don’t believe me, you can go over and take a look!

“What should I do ...”

Jia Lou’s brows immediately furrowed, and his face began to fill with anxiety. the distant rumbles are still ongoing. This means that the green-eyed pangolin beast King is currently fighting the three heavenly demonic gods from before!

“Moreover, the battle is still ongoing! This means that the green-eyed pangolin beast King’s strength is at least at the one-star celestial deity realm. In addition to its body’s innate talent, it’s not at a disadvantage even when it’s fighting one against three!”

At this point, not only jialuo, but even Yun fanqing’s expression turned grave.

With the rest of their lives, they would no longer be able to activate the special ability of the world extinguishing sacred marrow.

Moreover, even if they could activate their special abilities, they were no match for the green-eyed pangolin King.

As such, they had just decided to continue deeper into the ruins, but they had not gone far before they were trapped in place.

Without enough strength, going forward was no different from courting death.

“Let’s continue forward ...”

However, just as everyone was worried, Chen Xiaobei stepped forward and said confidently, “I have a way to deal with the green-eyed pangolin King. It won’t block our way!”

what did you just say?!

Everyone looked at Chen Xiaobei in disbelief. They could not believe their ears.

“Heh, you’re really good at acting!”

Yuan she Sha said disdainfully, “I admit that your medical skills are not bad!” However, against the green-eyed pangolin King, what we need is strength. Your medical skills are of no use!”

“If you don’t dare to go in, you can get lost. I didn’t ask you to come with me!” Chen Xiaobei shrugged. He looked at yuanshe Sha as if he was looking at an ant.

“You ...”

Yuanshe Sha was flustered and exasperated, but he had nothing to say.

Chen Xiaobei did not ask him to go with him, so it was none of his business whether he was Dead or Alive.

fan Qing, if you trust me, I'll follow you. If you don't, you can leave! Chen Xiaobei looked at Yun fanqing and said, "Let's go, blackpeak!"

After that, Chen Xiaobei walked away.

Blackpeak took a deep breath. Without any hesitation, he immediately followed.

Earlier on, blackpeak had already made up his mind to risk his life and fight to the end with Chen Xiaobei.

The first stage had been cleared, and Chen Xiaobei did not disappoint blackpeak. He had even won the respect of the crowd.

Now that they were on their way to the second stage, blackpeak would not leave Chen Xiaobei behind.

"I want to go in with him!"

Yun fanqing hesitated for a moment, but he still made his final decision.

She did not know why, but she felt a strong sense of familiarity towards 'Xuan bei', whom she had just met for the first time. She could not bear to see 'Xuan bei' die.

"You're not allowed to go!"

Jia Luo was anxious and quickly pulled Yun fanqing back, saying, "You should know very well how dangerous it is inside! We're here to complete the mission! I'm not here to die!"

"Get out of the way!" Yun fanqing's tone was cold, and his eyes were filled with determination. He would not waver in the slightest.

"I won't! I can't go back even if you die! I won't let you do anything stupid!" Jia Luo grabbed Yun fanqing tightly and said sternly.

"I believe in Xuan bei!" Yun fanqing looked straight at jialuo and said, almost word by word, "If he says he can do it, then he can!"

"Yun fanqing! Are you bewitched?"

"Xuan bei is just a stranger we've met for the first time. Why do you trust him so much?" Jia Luo shouted angrily. Just because his medical skills are good? These were two completely different things! His cultivation base is pitifully weak. How could he possibly defeat the green-eyed pangolin King?"

"Right! This is the first time we've met him, but just now, he risked his life to save us! Why can't I risk my life to go with him?" Yun fanqing retorted.

"Yun fanqing!" Jia Luo shouted. Don't forget! We Are All Demons! There was no need to talk about friendship! I'm very grateful to Xuan bei for saving us! However, if he wants to court death, I have no reason to be buried with him!"

"No! We're not demons!"

Yun Fan said indifferently, 'you and I are connected! I have your demonic nature, and you have my human nature! You should know very well that I have to go! In fact, there's a voice in your heart that's urging you to go over! Isn't that the case?'

this ... Jia Luo's expression froze and he was instantly speechless.

It was obvious that Jia Luo and Yun fanqing were twins. Not only did it tie their lives together, but it also fused their hearts and minds into one!

When Yun fanqing missed Chen Xiaobei, jialuo's heart would ache as well.

Chen Xiaobei had risked his life to save Yun fanqing, and Jia Luo could empathize with him. He was touched.

In fact, when Chen Xiaobei carefully and gently removed Yun fanqing's poison, Jia Luo's heart would beat faster and faster. He would be immersed in a tenderness that he had never experienced before, and he would not be able to extricate himself.

Obviously, as Yun fanqing had said, Jia Luo already had human nature.

Furthermore, with the interaction between Yun fanqing and Chen Xiaobei, jialuo might even fall in love with Chen Xiaobei.

"Swish!"

Taking advantage of Jia Luo's distraction, Yun fanqing quickly flew away and broke free from Jia Luo's hand, rushing into the depths of the ruins.

"Fan Qing!"

Jialuo suddenly woke up. Although he didn't want to die, Yun fanqing was dead, and she couldn't live either.

Without a choice, Jia Luo could only chase after him.

"Are these two women crazy?"

Yuan she Sha was stunned for two seconds, but he also chased after her.

In fact, Chen Xiaobei had already noticed that there was something wrong with the yuan she Sha, and now, the problem was even more obvious.

After all, most of the nobles had already retreated.

Only Yuan she Sha did not retreat.

At this moment, it was clear that advancing was equivalent to suicide, but he, Yuan she Sha, still did not retreat.

It was pure nonsense to say that he was loyal to Jia Luo and Yun fanqing! He risked his life to chase after them, so he definitely had his own secrets that he could not tell others!

.....

“Boom boom boom ... Boom boom boom ...”

In the depths of the ruins, the battle was still ongoing.

However, the scale of victory had already tilted greatly.

The three heavenly demonic gods were all heavily injured and in a precarious situation! On the other hand, the green-eyed pangolin beast King became more and more courageous as it fought. It mustered all its strength and wanted to exterminate the three of them here.

[Red Envelope Group of the Three Realms](#)

Chapter 3726: -sacred demon's power

“Bang! Bang!”

With two loud explosions, the two heavenly demonic gods fell like meteorites and crashed to the ground.

Two huge pits were created on the Hard Rock, and the entire space trembled as if it had been hit by a star, which could lead to the end of the world at any time.

“Pfft ... Pfft ...”

Both of them suffered from the green-eyed pangolin King’s fatal attacks. They fell into the pit and spat out blood. Not only were their physical bodies seriously injured, but even their Dharmakaya and primordial spirits were severely injured. They had completely lost their ability to fight.

In this way, only the last heavenly Demon God was left, and it still had some fighting ability.

As for the three young nobles they were supposed to protect, two of them had already been eaten by the green-eyed pangolin King when the battle broke out, and one had been stomped to death.

“Hiss ... Hiss ...”

The last heavenly demonic god was gasping for cold air. He seemed to be exhausted. Although he still had some fighting power, he was just struggling on his last breath. He could not pose any threat to the green-eyed pangolin beast King.

“Gululu ... Gululu ...”

The green-eyed pangolin beast King let out a series of strange sounds as it slowly approached the heavenly demon.

Its huge body was over a hundred meters long, and each of its legs was as thick as a giant tree! The two large eyes on its head were more than ten meters in diameter. They were round and gave off a dark green glow.

As it got closer, the heavenly fiendgod’s entire body was illuminated green.

At this moment, the fear of death had already descended. The heavenly demonic god was scared out of his wits. His pupils contracted uncontrollably, and his body trembled violently. Cold sweat poured down his body like rain!

Whoosh!!!

Suddenly, the green-eyed pangolin beast King's tongue shot out like a long whip. It wrapped around the heavenly demonic God's body at an extremely fast speed and pulled him toward its bloody mouth!

"Ka ka ka ... Ka ka ka ..."

The green-eyed pangolin beast King's physical strength was extremely strong. The heavenly demonic god was still flying in the air, and more than half of its bone armor had already been broken.

The sound of bones breaking rose and fell, making one's hair stand on end.

Crack ... Crack ... Crack ...

In the next moment, the heavenly fiendgod flew into the green-eyed pangolin beast king's mouth and was chewed into pieces. Even his primordial spirit did not manage to escape and was swallowed into the green-eyed pangolin beast King's stomach.

"Help ... Help ..." He cried.

Seeing this, the two injured heavenly demonic gods let out hysterical wails at the same time.

To them, this was their final day.

With the green-eyed pangolin King's speed, it would only take a few seconds for the two of them to become delicacies in its stomach. Not even a bit of residue would be left.

"Whoosh! Whoosh!"

As expected, the green-eyed pangolin beast King stuck out its tongue twice and swallowed the two of them. Then, it began to chew on them and swallowed them in a few bites.

it's ... It's so terrifying!

At the same time, Chen Xiaobei and the others had just arrived and witnessed the terrifying scene.

Blackpeak shrieked in fear, his pupils constricting to the size of needle tips. His heart beat wildly, and he found it difficult to breathe. He was so frightened that he almost fainted on the spot.

At the scene, Yuan she Sha was the strongest and was at the seven-star Mystic immortal realm! Blackpeak's second rank was at the three-star Mystic immortal stage! Chen Xiaobei was a peak seven-star sky immortal! Jia Luo and Yun fanqing were mid-stage five-star heaven Immortals!

Even if all of them were to join forces, they would still not be a match for a heavenly Demon God.

However, at this moment!

The green-eyed pangolin beast King had devoured three heavenly fiendcelestials as if they were jelly beans!

The result was simply terrifying! It had a strong impact on the hearts of everyone present, making them regret coming here!

Of course, Chen Xiaobei was an exception.

Facing the green-eyed pangolin King, Chen Xiaobei was not afraid at all. He even had a confident smile on his face, as if everything was under his control.

“How can you still smile?”

Jia Luo’s brows furrowed and her face gradually turned pale. Even her voice trembled. “We should have retreated just now! Now, he was being targeted by the green-eyed pangolin King! We can’t run even if we want to!”

Yuanshe Sha, on the other hand, had an exasperated expression on his face. He gritted his teeth and said, “I’ve told you not to believe this guy, but you didn’t listen! Now, everyone is going to be buried with him!”

“Xuan bei ...”

Yun fanqing’s brows were also tightly furrowed. Her face was filled with anxiety but she still chose to believe Chen Xiaobei. “You said you have a way. I believe you can do it!”

“Of course!”

if the green-eyed pangolin King’s cultivation was a little higher, I might have a headache. But it’s only an early one-star celestial God! I’m not afraid of it at all!

It was obvious that if the green-eyed pangolin King’s cultivation had reached the middle stage of one-star divine realm, the battle would have ended long ago. It would not have continued until now.

So, Chen Xiaobei’s guess was correct. The green-eyed pangolin King’s cultivation was at the early stage of one-star divine realm! It had relied on its superb physical talent to defeat three heavenly demonic gods alone.

This way, Chen Xiaobei was confident that he could defeat his opponent!

Witch Dragon’s nine transformation, chaos Blood Sword, demonic Dragon’s tribulation, demon subduing heart sealing talisman, Chiyou’s heavenly spear, and the power of the ancestral witch’s law ... Chen Xiaobei had so many ways to win.

However, Chen Xiaobei could not use any of his trump cards that would expose his identity. Otherwise, a hidden identity would be completely exposed.

Of course, even if he could not use most of his trump cards, Chen Xiaobei would still be able to win.

“Night God! Dark spirit kill!”

Chen Xiaobei activated the night God dark spirit set’s special ability again.

In the blink of an eye, the power of a one-star heavenly god tier beast suddenly burst out, and with an extremely fast speed, it suddenly rushed toward the green-eyed pangolin King.

“Gululu ...”

The green-eyed pangolin King’s body was indeed very strong. It jumped and its speed was three times faster than Chen Xiaobei’s.

However, this battle was not a competition of speed, but of abilities!

Jiu fan's immortal Qi had protected Chen Xiaobei's primordial spirit, allowing him to use his own special ability!

Especially the Dharmakaya!

After devouring the jieyin's blood essence, Chen Xiaobei's Dharmakaya had undergone a qualitative leap. Each of his abilities had been greatly enhanced!

"Swish!"

Suddenly, the green-eyed pangolin King took the lead and shot its long tongue at Chen Xiaobei.

"The power of the Holy demon!"

go! Chen Xiaobei shouted calmly.

A blood-red swastika suddenly appeared on his right palm.

[Red Envelope Group of the Three Realms](#)

Chapter 3727: fight again

The blood-red swastika was very well hidden. It was in Chen Xiaobei's palm and no one else could see it!

However, it was this tiny mark that had activated Chen Xiaobei's Dharmakaya's special ability. On top of that, it had brought about a huge improvement to his special ability.

The Dharmakaya power that Chen Xiaobei was using right now was the power of dragon and phoenix!

Its effect was to add more power to the existing foundation and forcibly increase combat power.

In addition to the support of the blood essence, the effect of the enhancement was multiplied!

"Swish!"

Chen Xiaobei waved his hand!

His speed immediately increased, and he actually managed to catch the green-eyed pangolin King's long tongue in an instant!

At the same time, his strength had also increased greatly. No matter how the green-eyed pangolin King struggled, it could not pull its tongue out of Chen Xiaobei's palm!

"Wu ... Wululu ..."

The more it struggled, the more intense the pain became. It could even feel that if Chen Xiaobei wanted to, he could easily tear off its entire tongue!

how ... How is this possible?!

Seeing this scene, the few people in the distance were instantly dumbfounded.

"Isn't that guy a seven-star celestial immortal? How ... How could there be one-star celestial deity's power? This ... This can't be a dream, right?"

Yuanshe's eyes were wide open. Seeing Chen Xiaobei's power, his scalp went numb and his heart raced. It was as if he had seen a ghost.

"No! It's not just one-star divine realm power!"

Jia Luo's face also revealed extreme shock, his small mouth opened and closed, and he actually stuttered, "Xuan bei's strength has already reached the middle stage of the one-star celestial deity realm! It's one minor realm higher than the green-eyed pangolin King!"

Obviously, the night God dark spirit set had a self-concealment effect, and no one under heavenly God could detect the existence of this set of divine artifacts.

So, jialuo and yuanshe thought that was Chen Xiaobei's true strength. They were so frightened that they could not believe their eyes.

Of course, in addition to shock and horror, jialuo and yuanshe Sha were both slapped in the face by the result.

They claimed that following Chen Xiaobei here would be suicide, but Chen Xiaobei was not afraid of the green-eyed pangolin King at all. He could kill it easily!

"Swish!"

As expected, Chen Xiaobei used his strength and broke the green-eyed pangolin King's tongue!

Then, Chen Xiaobei took a step forward. His speed was faster than the green-eyed pangolin King's. In the blink of an eye, Chen Xiaobei was right in front of the green-eyed pangolin King. The pangolin King did not even have time to react.

"BOOM!"

Chen Xiaobei raised his right arm high up in the air, and with his palm facing down, he slammed it down on the green-eyed pangolin King's Head.

Heavenly God annihilation! All life was cut off!

"BOOM!"

Chen Xiaobei's palm exploded with the power of a star that could crush everything in its path!

"Pfft ... Pfft ... Pfft ..."

In an instant, the green-eyed pangolin King's Head was crushed by Chen Xiaobei's palm.

Its two large eyeballs exploded, spewing out dark green venom. Then, blood, brain matter, broken bones, and rotten flesh all burst out from its eye sockets and mouth.

It caused a large area of the surrounding area to become a shocking blood and flesh mudflat.

Of course, Chen Xiaobei was already prepared. Before the venom was shot out, he retreated to a safe area at an even faster speed. He did not have to worry about the venom getting on his body.

"Swish!"

In the next moment, the green-eyed pangolin King's magical body and primordial spirit left its body, trying to escape from the scene.

But there was no doubt that Chen Xiaobei would not let it go!

"Swish!"

Chen Xiaobei's speed was faster than the green-eyed pangolin King's physical speed, and he could easily suppress the green-eyed pangolin's Dharmakaya speed.

However, Chen Xiaobei did not attack immediately.

Instead, he waited until he was out of everyone's sight before he destroyed the green-eyed pangolin King's body and used the chaos Blood Sword to devour its primordial spirit.

After all, the chaos Blood Sword was Chen Xiaobei's signature sword, and he could not let anyone see it.

Otherwise, his identity would be exposed in an instant.

It's a pity that the green-eyed pangolin king's blood ... Contains too much poison. Otherwise, I could have collected it and kept it for body tempering ...

Chen Xiaobei kept the chaos Blood Sword and returned to the group.

"Brother! You're so, so, so awesome!"

Blackpeak was the first to cheer. He was dancing with joy, as if Chen Xiaobei was awesome, and he was as awesome as Chen Xiaobei.

As soon as these words came out, Jialuo and Yuanshe's faces were very embarrassed and ashamed.

They kept saying that Chen Xiaobei was weak!

So, what were they compared to Chen Xiaobei?

"Xuan bei! You're really too strong! If you have such strength, why did you hide it?" Yun fanqing walked over and stared at Chen Xiaobei. She felt like she could not see through this Holy demon.

"I didn't hide it on purpose ..."

I did not feel well at first! Chen Xiaobei explained. Because my primordial spirit is heavily injured, I can't fight at all! However, your magical treasure's special ability protected my primordial spirit. That's why I can fight with all my might!"

"Jiu fan immortal Qi?"

Yun fanqing's expression darkened slightly, and he said, "As far as I know, Jiu fan immortal Qi can't always exist. It will be consumed! After your battle just now, you probably don't have much Jiu fan immortal Qi left, right?"

"You're right!"

yes! Chen Xiaobei nodded. I can feel that the amount of Jiu fan immortal Qi around my primordial spirit has decreased by half. That means I can only fight one more battle before I fall into the state of weakness again ...

“Mm ...”

Yun fanqing frowned. it’s a pity that it takes a long time for the Jiu fan Golden Bell to produce some Jiu fan immortal Qi. I don’t know when the next time will be ...

it’s alright. We’ll take it one step at a time. There’ll be a way! Chen Xiaobei did not really care about the amount of Jiu fan’s immortal Qi.

If it really didn’t work, he could still use the returning bracelet to retreat.

Of course, before they retreated, they had to give it their all!

He still had to have dreams. What if they came true?

“Let’s go! Let’s continue forward!”

Chen Xiaobei took a step forward and said, “Blackpeak! Keep up! Inform me immediately if there are any changes!”

“Alright!” Blackpeak immediately gave chase, following closely behind.

After the battle just now, blackpeak’s blood was boiling. Following Chen Xiaobei was the best! Satisfying! Even if he had to risk his life, at least he had to do it in a good way! Even if he died, at least it would be exciting!

Yun fanqing, jialuo, and yuanshe did not question Chen Xiaobei anymore and followed him.

In terms of strength, none of them had the right to question Chen Xiaobei!

On the other hand, if they followed Chen Xiaobei, they might be able to get the treasure in the deepest part of the ruins. That would be a great achievement!

[Red Envelope Group of the Three Realms](#)

Chapter 3728: Undercover

3728 Undercover

The group continued to advance into the depths of the ruins. Their speed was not fast, and they would only advance after blackpeak had confirmed that there was no danger.

It was strange that after the green-eyed pangolin King, there was no danger.

Blackpeak had been extremely careful throughout the entire journey, yet he had not detected the presence of any other living beings. In theory, the rest of the journey should be extremely safe.

However, some things had no aura!

Blackpeak was unable to detect it, and the others were even more unable to detect it.

No one was aware that a fatal danger was slowly approaching!

“It’s right in front!”

Blackpeak stopped in front of a huge stone wall and said, “As long as I pass through this stone wall, I will be able to reach the deepest part of the ruins. A part of Chiyou’s body should be inside!”

“I can already smell the terrifying killing intent! I can even see the sky filled with corpses and the sea of blood!”

At this point, blackpeak’s expression turned rather unsightly, and his eyes were filled with anxiety and worry. The ease he felt earlier was gone, and even the blood that had been boiling in Chen Xiaobei’s chest had cooled down by 80%.

The people around him might not be able to understand, but blackpeak knew very well how terrifying that killing intent was.

As the clan leader of the black demon Hunter Clan, blackpeak had led the treasure hunting team over the years and had found many historical remains, including various ancient tombs and ancient battlefields! There was a lot of death Qi, but none of them could compare to this place!

“Come on! Let’s break through the rock wall now!”

“We’re only one step away,” Yuan Shesha said impatiently, “and we’ll be able to return with a huge contribution! If it’s really Chiyou’s corpse, our demon race will win against the Wu race! By then, devil ancestor Wu Tian will definitely reward us handsomely!”

As he said this, yuanshe Sha started to circulate his immortal essence and was about to attack.

“Wait a moment!”

“I think ... We should retreat ... I have a bad feeling about this!” Blackpeak quickly advised. It’s very, very strong!”

“Heh, is there a place for you to speak here?” Yuan she Sha said disdainfully, “you’re just a mere servant. Go to the side and wait!” When you’ve made a great contribution, I can reward you with some benefits!”

“No!” Blackpeak insisted. This ... This rock wall really shouldn’t be casually dug through! I’ve never felt such a terrifying killing intent in my life! If we act rashly, there won’t be any good results!”

“Come on!”

Yuan she Sha said with a look of disdain, “isn’t it just a bit of killing intent?” Could it bite you? Look at how cowardly you are! He deserved to be a slave for life! If you’re afraid, then get the hell out of here! I won’t keep you!”

“Yuan she Sha!”

Chen Xiaobei stood up and shouted, “Blackpeak is my friend! If you dare to humiliate him again, I will definitely make you pay the price!”

“Is that so?”

When Yuanshe Sha heard this, not only did he not show any fear, but he also revealed a strange and sinister smile. "You think I'm afraid of you?"

"What's wrong? Are you finally going to take off your mask?" Chen Xiaobei's eyes locked onto Yuan she Sha like a Falcon, his gaze so sharp that it could pierce through him!

Obviously, Chen Xiaobei had already noticed the problem with the Yuan she Sha.

"It really is you?"

At the same time, Jialuo and Yun fanqing also stared at Yuan she Sha like they were looking at prey.

In fact, Jialuo and Yun fanqing were not stupid. They had long noticed the abnormality of Yuan she Sha.

Moreover, they seemed to be waiting for Yuanshe Sha to reveal his true face, which was why they had Yuanshe follow them.

"Right! It's me!"

Yuan she Sha sneered. Suddenly, dark red celestial core power bloomed around his body. At first glance, it looked like a dark red flame had been ignited!

"This ... This isn't demonic Qi!"

Chen Xiaobei and Blackpeak were outsiders. They did not know what was going on, but they could clearly feel that the dark red Qi flame on Yuanshe Sha was not demonic Qi.

"It's demonic Qi!"

"This guy is a spy the monster race has planted in our demon race!" Jia Luo said coldly. The true Yuanshe Sha would have been killed by them long ago!"

undercover?!

Chen Xiaobei and Blackpeak were dumbfounded.

"Whoosh ..."

Sure enough, as the dark red flames flowed, the Yuanshe evil revealed its true appearance.

He had red hair and a red beard. He was tall and sturdy, and his mouth revealed two extremely sharp tiger teeth. He was like a beast King that controlled the world, and his entire person exuded an extremely wild and arrogant aura!

"Heavenly ... Heavenly Demon God! Sky-treading Crimson Tiger!"

Jia Lou's expression changed drastically as he instantly recognized the other party's identity.

Yun fanqing could not help but be taken aback. It seemed that he had not expected the other party's strength to be so terrifying.

"What is going on?" "What's going on?" Chen Xiaobei asked, sensing the danger.

Jia Luo composed himself and explained, "not long ago, devil ancestor Wutian said that there are spies from other factions within our ranks!" They want to take this opportunity to find that person!"

however, devil ancestor Wutian was not sure who the spy was, and fanqing and I had just ascended. The spy did not know us, so he was the most suitable person to infiltrate and investigate the spy's true identity!

"That's why fan Qing and I came here, and this sky-treading Crimson Tiger didn't retreat even when everyone else was retreating! Later on, even though he knew that there was danger, he still followed us. It can be seen that there is indeed a problem with him!"

at this moment, we have confirmed the location of Chiyou's corpse. Therefore, he no longer has to hide his identity. He has finally revealed his true identity!

Chen Xiaobei and blackpeak were both shocked by his words.

Blackpeak's heart was naturally filled with boundless fear.

This was because the celestial core power that the sky-treading Red Tiger was displaying had far exceeded Chen Xiaobei's in the battle just now. It had already reached the terrifying level of a three-star celestial God!

Just based on the strength of his opponent, blackpeak felt that his life no longer belonged to him!

Chen Xiaobei was even more surprised!

He didn't expect that the demon race could actually plant spies in The Fiend Race!

Of course, this spy must have nothing to do with lady Nuwa. Otherwise, she would have told Chen Xiaobei about it when they contacted each other.

In other words, this Scarlet fiend sky-treading Tiger either came from the Hong Meng Demon Realm! Or they were the people of that extremely ambitious monster race giant!

The mysterious demon giant wanted to replace goddess Nuwa as the Supreme Saint of the demon race in this infinite cataclysm.

Before this, he had already done many things and set up many schemes. Even ju liusun, one of the twelve golden Immortals of the clan of enlightenment, had been instigated by him to defect!

From the looks of it, the demon race's Big Shot did not only want to replace goddess Nuwa, but he also wanted to take care of Molo Wutian!

This ambition was truly boundless!

"I can only pretend to be a coward before I find the thing ..."

The Scarlet fiend sky-treading Tiger raised its eyebrows and revealed a cruel smile. "When I get what I want, all of you will die!"

[Red Envelope Group of the Three Realms](#)

Chapter 3729: Fluid

3729 Fluid

The sky-treading Red Tiger stared at the rock wall in front of it greedily.

Without a doubt, he had been a spy for a long time and even pretended to be a coward all this time. In the end, it was all for the sake of Chiyou's corpse behind the wall.

To him, getting Chiyou's corpse was his top priority.

As for the life and death of Chen Xiaobei and the others, he was not in a hurry. He could slowly torture them later. Perhaps he could get some valuable information out of them, and then kill them!

"Whoosh ..."

The Crimson fiend sky-treading Tiger waved its hand, and the three-star celestial core power came down like thousands of chains, imprisoning Chen Xiaobei, blackpeak, Yun fanqing, and jialuo.

The absolute difference in cultivation made it impossible for Chen Xiaobei and the others to fight back.

He was completely controlled by the sky-treading Crimson Tiger in an instant.

Fortunately, everyone still had some value. Otherwise, the sky-stepping red fiend Tiger could completely wipe out everyone on the scene with a flip of its hand.

boom boom boom ... Boom boom boom ...

With Chen Xiaobei and the others under its control, the sky-treading Red Tiger had nothing else to worry about. It began to blast its ethereal force at the rock wall in front of it, shattering the rocks and even the mountain itself.

"What do we do now? if we can't escape, then only death awaits us ... blackpeak's expression was desolate, and his voice trembled with panic. He was slowly walking towards despair.

devil ancestor Wutian only asked us to secretly confirm the identity of the spy this time around. He didn't ask us to fight the spy. In other words, he didn't give us a very powerful life-saving trump card ...

Jia Lou's face was also full of worry, and his eyes were filled with unwillingness. He was not willing to die like this, "I didn't think that the spy would be a three-star heavenly Demon God, the sky-treading Scarlet fiend Tiger! We're no match for him at all!"

"No! I can't die Here!"

Yun fanqing's reaction was even more intense than the previous two. He struggled with all his might and shouted, "I haven't taken revenge on Daoist jieyin yet! I haven't let the Western religious sect be buried with Xiaobei yet! I can't die! I can't die!"

Yun fanqing had always been a quiet and elegant little girl. Let alone shouting, one would rarely hear her speak loudly.

However, at this moment, her voice was hysterical and her heart ached! Just like blackpeak, she also felt despair! Just like Jia Luo, she also felt unwilling!

However, her despair and unwillingness were definitely far above the first two!

That was because blackpeak's despair and Jia Lou's unwillingness were both due to the impending death. Yun fanqing's despair was because he could not avenge Chen Xiaobei.

From this, it could be seen that in Yun fanqing's eyes, avenging Chen Xiaobei was more important than her own life.

If she could get revenge for Chen Xiaobei, she would risk her life without hesitation!

If she could not avenge Chen Xiaobei, she would not be able to rest in peace!

"Don't panic!"

However, Chen Xiaobei was very calm.

First of all, Chen Xiaobei could use the sacred marrow of world annihilation and witch Dragon's nine transformation to defeat the sky-treading Red Tiger.

So, to Chen Xiaobei, the situation was still under his control.

Of course, doing so would expose Chen Xiaobei's identity.

Therefore, if the situation allowed, Chen Xiaobei would try to use other trump cards that would not expose his identity to break the situation!

Even though the other party was a three-star celestial demon essence soul and was unimaginably powerful ...

But! Don't forget!

Chen Xiaobei still had a few unused red packets in his hands!

Chen Xiaobei had only used 11 of the 18 red packet kills. In addition, the ear of guidance given by sect leader Tongtian and the blood of the xuanxian beast given by Minghe were not needed for the time being.

In other words, Chen Xiaobei still had five red packets that he had not opened yet. The treasures in them were not of use to Chen Xiaobei before, so he did not open them.

However, things were different now.

Chen Xiaobei and the others were trapped and needed a way out.

And among them, there was a treasure that could directly turn the situation around.

Of course, Chen Xiaobei did not want to reveal his trump card just yet. After all, according to blackpeak, the deepest part of the ruins must be extremely terrifying. There might be other dangers as well.

Therefore, Chen Xiaobei decided not to break out of the trap and let the sky-treading Red Tiger into the deepest part of the ruins. He wanted it to be the cannon fodder to clear the way.

In other words, the danger that Chen Xiaobei was most worried about was not the red fiend sky-treading Tiger, but the thing that was hidden in the deepest part of the ruins.

Chen Xiaobei's thoughts were clear. He kept his eyes fixed on the front, paying attention to the sky-treading Red Tiger's every move, and even more so, to the changes that were about to happen!

"BOOM! Boom boom boom ..."

All of a sudden, a loud explosion erupted from the direction where the sky-treading Red Tiger was advancing.

Immediately after, a dark black energy fluid gushed out like a river of thick ink, crushing toward the sky-treading Red Tiger's head!

"Hmph! You want to hurt me with such a small trick?"

The sky-treading Red Tiger was very confident in its own strength. A faint smile appeared at the corner of its mouth as it charged up its protective immortal essence. It simply stood in place, ready to face the thick ink-like energy fluid head-on!

The reason why the sky-treading Scarlet fiend Tiger was so confident was that the speed and power of the thick black fluid didn't seem too strong. It felt like it was only equivalent to the power of a one-star celestial God.

This was two whole realms lower than the sky-treading Crimson Tiger. To put it bluntly, this little bit of strength wasn't even enough to scratch the sky-treading Crimson Tiger.

But!

In the next moment!

The sky-treading Red Tiger's pupils contracted uncontrollably, and its face turned black in an instant. Its heart and breathing almost stopped, and even its mind began to tremble violently. In its mind, a terrifying illusion of corpses filling the sky and blood dyeing the earth red appeared!

It was obvious that the black fluid didn't just have its appearance, speed, and strength. It also contained a terrifying killing intent and baleful Qi!

This was a killing intent that had truly crawled out from a mountain of corpses and a sea of blood!

Moreover, the mountains of corpses and seas of blood here were piled up by celestial Immortals and celestial gods. There were even the deaths of profound deities and quasi-sages!

The endless killing intent was already terrifying to begin with. After a trillion years, its nature had undergone an extremely mysterious change. It had even undergone a special sublimation and became even more terrifying than before!

This was exactly the case!

just the pressure from the black liquid alone was enough to intimidate a three-star heavenly Fey God!

One could only imagine how terrifying the pressure of the murderous aura was.

"Ah ... Ah ... Ah ..."

Then, accompanied by a series of extremely miserable shrieks, the sky-treading Crimson Tiger was swept into the dark liquid!

And this terrifying dark fluid gushed out through the passage opened by the sky-treading Red Tiger! They were charging at Chen Xiaobei and the others!

Red Envelope Group of the Three Realms

Chapter 3730: lying down

“Ah! Argh ...”

The miserable shrieks continued, but it was obviously getting weaker and weaker.

From this, it could be seen that the sky-treading Crimson fiend Tiger was suffering extreme pain. Moreover, it was already seriously injured, and its physical condition was getting worse!

Then, something even more terrifying happened!

A large amount of blood gushed out of the dark fluid, accompanied by the sound of flesh being crushed and bones being ground!

The dark liquid swirled and surged like a huge meat grinder. In an instant, the three-star heavenly Demon God-level sky-treading Red Tiger's body was directly ground to death.

After the sky-treading Crimson Tiger's body was crushed, its flesh, bones, internal organs, bone marrow, and brain were all devoured by the dark fluid, leaving nothing behind.

“My God ... What is that thing? It's ... It's too terrifying ...”

Seeing this, blackpeak gasped, almost peeing his pants. “I've told you not to barge in rashly, but you didn't listen! Now, he was in trouble! You're asking for it, and now you're dragging us into this ...”

After the dark fluid had destroyed the sky-treading Red Tiger, it directly charged toward them.

Even a three-star heavenly Demon God could not withstand it. If blackpeak and the others were to be drawn into it, even if they had billions of lives, they would probably be turned into ashes in the blink of an eye!

“We're finished ... We're really dead this time ...”

Jia Lou let out a sigh of despair. In the face of such a dead end, her heart was completely in despair. She slowly closed her eyes and silently waited for death.

After all, in this situation, there was nothing she could do other than wait for her death.

“I don't want to die ... I can't die ... No!”

Beside him, Yun fanqing was roaring madly. Even now, he was still thinking about avenging Chen Xiaobei.

Unfortunately, she was also very clear in her heart that death had already arrived in front of her.

And even if all of them combined their strength, they would definitely not be able to save their lives.

If she were to die, her wish to avenge Chen Xiaobei would never be fulfilled!

“Don’t be afraid!”

However, Chen Xiaobei remained calm. It was as if the deadly dark fluid that was crushing over was like a breeze, not a cause for concern at all, and would not hurt them at all.

“Demon subduing Yuan spirit talisman!”

go! Chen Xiaobei shouted.

In the next moment, a three-star heavenly God-tier divine talisman was extracted.

That’s right, this one was also the work of mother Nuwa!

Previously, goddess nūwa had sent Yan Lingshi and Liu xuanxin to the Hong Meng Demon Realm to carry out a mission. She had helped them increase their cultivation and given them many hidden cards.

After that, Yan Lingshi took out three of the demon subduing heart sealing talismans that she had obtained and stuffed them into a red envelope, which she gave to Chen Xiaobei.

Liu xuanxin took out three of the divine talismans she had obtained and gave them to Chen Xiaobei.

Yan Lingshi’s heart-locking divine talisman was used to seal the hearts of all demons below the level of a three-star heavenly Demon God. As long as they were asleep, unconscious, or in a state where they would not resist, they would immediately become Chen Xiaobei’s 100% loyal servants!

At this moment, Liu xuanxin’s heavenly demon Ningyuan divine talisman could directly block the celestial core power of any demon below the level of a three-star heavenly Demon God. The celestial core power fluctuations calmed down, and all destructive power was lost!

“Whoosh ...”

Chen Xiaobei activated the heavenly Yao Ning Yuan divine talisman.

In the blink of an eye, the celestial core power that was restricting everyone’s body was completely wiped away, and everyone regained their freedom.

this is too godly!?

Blackpeak, Jia Luo, and Yun fanqing were all shocked. They did not expect to regain their freedom so easily.

“Brother Xuan bei! If you had such a powerful divine talisman, why didn’t you take it out earlier? Did you cause us a false alarm?” Blackpeak grumbled, his mouth twitching.

“Are you stupid?”

Without waiting for Chen Xiaobei to answer, Jia Luo said, “Xuan bei’s move is called killing with a borrowed knife! If we’d escaped earlier, why would that sky-treading Red Tiger stupidly run to its death?”

“This ...”

Blackpeak was stunned for a moment, before he finally understood."I understand! My brother Xuan bei pretended to be trapped just now, and then he used the danger in the ruins to get rid of the sky-treading Red Tiger. This way, we will have one less fatal danger!"

"Don't talk nonsense! We're not out of danger yet!"

However, at this time, Yun fanqing did not have it easy at all. She immediately circulated her celestial core power and rushed to the distance to escape.

It was obvious that the dark fluid didn't stop there. It quickly rushed in front of everyone and swallowed them all with an irreversible power. They would end up the same as the sky-treading Red Tiger.

Blackpeak and Jia Lou trembled. They naturally didn't dare to say anything more, and they didn't dare to stay any longer. They used all their strength and fled the scene.

But!

At this moment!

Chen Xiaobei stood where he was, not planning to escape at all!

"Brother Xuan bei! What are you doing? Let's go!"

what?! blackpeak shrieked in panic. that dark fluid is extremely terrifying. Even three-star heavenly Fey gods died without an intact corpse. If you don't run, are you just going to wait to be killed!?!?

"Xuan bei!"

ah! Yun fanqing screamed and wanted to turn back to Chen Xiaobei.

All this while, Yun fanqing did not know Chen Xiaobei's true identity, but there was an indescribable feeling in his heart. Familiar! Warmth! He even liked her!

At that moment, Yun fanqing seemed to be possessed. He wanted to rush back to Chen Xiaobei's side, regardless of his life.

Even if they were to die, they would die together with him!

"Don't go over! If you die, I'll die too!"

However, Jia Luo only held on to Yun fanqing and would never let her go back and do anything stupid.

It was obvious that the dark liquid was too terrifying. Even now, no one could figure out what it was.

In the eyes of Jia Lou and hei Feng, Chen Xiaobei was already a dead man.

In Yun fanqing's eyes, blood-red tears flowed uncontrollably.

Obviously, she also thought that Chen Xiaobei would die ... Just like the red fiend sky-treading Tiger.

"Whoosh ..."

Finally, the scene that everyone least wanted to see happened!

The dark fluid was like a Black Dragon as it charged at Chen Xiaobei. The vortex inside it exploded with a terrifying devouring power. It wanted to devour Chen Xiaobei, but it was easier than swallowing an ant!

He ... Was dead!

For a moment, Yun fanqing, Jia Luo, and hei Feng were all in despair, and their hearts were cold.

However, Chen Xiaobei remained calm.

He slowly raised his hand and gently waved it at the dark fluid.

“Get down!”
