#### Chapter 3781: arrival

Initially, Chen Xiaobei had left two of the easiest guys to deal with for the Jade Qilin Saint. However, the plan did not change as quickly as he thought it would.

The huge commotion was enough to shock the entire city and would definitely attract everyone's attention.

The long-eared fixed light immortal and even the demon master kun Peng would be on guard.

Of course, Chen Xiaobei did not have the time to think about the troubles that would follow. The most important thing at the moment was to ensure the safety of the Jade Kylin Saint.

This old man was a very good person. Chen Xiaobei would not let anything happen to him.

Golden Phoenix Sacred Palace.

When Chen Xiaobei and the rest arrived, the battle had already ended.

Without a doubt, Golden Phoenix was defeated and fell to the ground, unable to get up.

"Old man! Are you alright?"

Chen Xiaobei immediately rushed to Yu Lin's side.

Tai Yi, the green Goat Saint, and the White Bear Saint followed behind Chen Xiaobei.

I'm fine. Besides, the treasure vault of Saint mo Luan is already in my hands ...

but, I didn't expect that Golden Phoenix wouldn't surrender no matter what," Saint Yulin sighed. he insisted on fighting me ... I'm afraid we've alerted the enemy ...

"It's good that you're alright, old man!"

Chen Xiaobei let out a sigh of relief. now, all we need is the Golden placid saint's treasure vault. Then, our initial plan will be complete. Even if we alert the enemy, I can still handle it!

"Stop dreaming! Even if I die! I would never hand the treasure vault over to evil people like you who Harbor ill intentions! I will never let you harm shizun!"

Golden Phoenix Saint was extremely stubborn. He spat out blood and shouted, "Eldest senior brother will be here soon, and when that time comes, all of you will die! All of you must die!"

little Jinchuan, you can't tell right from wrong and acknowledge a thief as your father. How are you going to face your dead ancestor?"

At this moment, Taiyi stood up and said seriously, "If I'm not wrong, your family's ancestor once had a mutated Hellfire Golden Phoenix! He was once one of the nine court pillars of the demon race's heavenly court!"

“You ... How did you know?” Golden placid Saint master was slightly stunned, and his eyes were filled with disbelief.

this is His Majesty, the East Emperor!

“Jin Lu!” Saint venerable White Bear said solemnly. Quickly kneel down! The East Emperor has already told me everything that happened back then! Kun Peng was a traitor to the demon heavenly court! He was the one who stole the book of Luo and the river diagram, and he harmed everyone!”

how ... How is this possible?! Golden placid said in disbelief.

“Don’t doubt me!”

“I saw with my own eyes His Majesty’s unique celestial core power of sun, moon, and stars suppressing the special abilities of all races!” It can’t be fake!”

“Your Majesty! Is it really you? Your Majesty!”

Saint Jin Lu knew Saint White bear’s character very well.

If Taiyi wasn’t real, he wouldn’t have been able to make the loyal Saint venerable White Bear change sides.

Since golden placid’s ancestor was once a pillar of the demonic heavenly court and was indirectly killed by the kun Peng, he would naturally change his stance and ally with Chen Xiaobei.

After that, Chen Xiaobei had obtained 40 billion upper-grade spiritual Jade and countless other resources from mo Luan and Jin Lu’s Treasuries.

At this point.

Chen Xiaobei now had 160 billion upper-class spiritual jades and all kinds of resources.

With that, the first step of the plan was successfully completed.

The second step of the plan had already begun!

what happened here?!

With a furious roar, a middle-aged man in a gray Daoist robe with an extremely powerful aura flew to the scene.

The moment they saw him, Jade Qilin Saint, White Bear Saint, Green Goat Saint, and golden centipede Saint couldn’t help but look in awe.

That’s right!

This man was the first direct disciple of the demon master kun Peng, a seven-star Sage-to-be, the long-eared dingguang immortal!

“What the hell are you four doing? Such a huge commotion had already alarmed master! If the old man blames you, you won’t have a good ending!”

The long-eared setting light immortal looked down at the four Saint Venerables and rebuked them in an extremely domineering and superior tone. It was like an elder scolding a junior, not caring about the face of the four Saint Venerables.

As for Chen Xiaobei and Taiyi, they were two young humans with pitifully low cultivation. The long-eared dingguang immortal didn't even look at them.

However, the only person who could make the decision and Control the situation was Chen Xiaobei!

“Stupid rabbit! Open your eyes wide and take a good look at who I am!”

Chen Xiaobei took a step forward and appeared in front of the long-eared dingguang Xian in his true form.

“You ... You are ...”

The long-eared immortal of fixed light narrowed his eyes and observed for a moment. “You are Chen Xiaobei! “You ... How are you still alive?” This ... This is impossible! That's absolutely impossible!”

“Aren't you going to ask why I'm here?” Chen Xiaobei's brows were raised, and his dark eyes were filled with sharp killing intent.

“You? You're here ... To look for me?” The long-eared dingguang Xian was puzzled. He could not figure out how Chen Xiaobei had found his way here.

I was looking for kun Peng, but I didn't expect you to be here ... Chen Xiaobei said. so, I want to kill you before I find kun Peng to clean up the Jie sect!

clean up the sect!?

The long-eared immortal dingguang was slightly startled, and his expression became very complicated.

Chen Xiaobei's strength was very weak, so the long-eared dingguang Xian had no reason to lie.

If the long-eared dingguang Xian was not a traitor, he would have explained everything to Chen Xiaobei.

Of course, if the long-eared immortal of fixed light was really a traitor, he would definitely show his ugly and ferocious side.

“Hahaha ...”

Suddenly, the long-eared dingguang immortal threw his head back and laughed. His laughter was filled with disdain and mockery.

“Chen Xiaobei! Was your brain kicked by a donkey? You're just a peak nine-Star Mystic immortal, and you want to kill me? With what? With your mouth?”

The long-eared immortal of fixed light said in a ruthless and disdainful tone, “If sect leader Tongtian was still here, he might have been able to help you. But now, he's almost dead! You still want to be my enemy? It was pure daydreaming! Hahaha ...”

“What happened to my master? Why did he lose his life!” Chen Xiaobei was shocked and immediately asked.

hehe, " the long-eared immortal of fixed light sneered, " sect leader Tongtian is just a dog of the heavenly Dao. Now, this dog is very, very disobedient. The heavenly Dao will naturally not let him Live! I'm only waiting for demon master to become a saint and die for Tongtian!"

Everyone was shocked by his words.

On the other hand, Chen Xiaobei let out a sigh of relief, as if he had already known about this.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3782: war**

Chen Xiaobei and lady Nuwa had already analyzed everything that the long-eared Lord dingguang had said.

That was why Chen Xiaobei had come to the Holy puppet city. His goal was to stop kun Peng from becoming a saint.

As long as Kunpeng couldn't become a saint, the way of heaven wouldn't abandon sect leader Tongtian for the time being.

"What's wrong? You don't seem to be sad at all when you hear that Tong Tian is going to die!"

everyone says that Chen Xiaobei values friendship and loyalty. Tongtian has been so good to you, but you don't care about his life at all! How ironic! the long-eared dingguang deity mocked.

Chen Xiaobei did not explain but said coldly, " "Our master has also treated you well, but you have harmed the entire tribe of severity!"

"Heh, you can't blame me for this! Tongtian could only blame himself for not understanding the situation! He wants to have a higher cultivation and make the tribe of severity stronger and stronger. This has touched the bottom line of the way of heaven and made it feel threatened!"

The long-eared dingguang immortal sneered, " therefore, Tongtian is doomed to die. The tribe of severity is doomed to decline and perish! If I don't betray him, I'll only be implicated by the heavenly master and die with grievances!"

"Now, he, Tong Tian, is about to be killed, but I'm still alive and well. This is enough to prove that my decision back then was completely correct! This was foresight! This was a wise man who understands the times! Hahaha ..."

The long-eared immortal of fixed light laughed complacently. He was not ashamed of his betrayal of the Jie sect, but proud of it.

It was obvious that the long-eared immortal of fixed light was an extremely selfish animal!

In order to save his own life, his betrayal directly caused the death of 90% of the 10000 Immortals of the Jie sect. Those who were still alive were captured and controlled by the great saint sect.

Therefore, before Chen Xiaobei appeared, the entire tribe of severity was only left with the prime of Tongtian and the old green Bull. It was no different from being exterminated!

"Foresight? Understand the current situation?"

Chen Xiaobei's eyes narrowed, and he asked in an extremely cold, brutal, and merciless voice, "Since you're so powerful, did you foresee that today will be the day of your death?"

"Death?"

The long-eared immortal dingguang was slightly startled, but he immediately laughed again. "Hahaha ... You can't really be thinking of fighting me, right?"

As he laughed, the long-eared setting light immortal glanced at Taiyi and the four Saint Venerables. He was still laughing arrogantly and unscrupulously, not putting anyone in his eyes at all.

The truth was, based on their current strength on paper, even if everyone on Chen Xiaobei's side gave it their all, they would still not be a match for the long-eared dingguang celestial.

This was why the long-eared setting light immortal was so arrogant and proud, as if everything was under his control! It was as if everyone's life and death were in his hands.

world-ending devil seal!!!

Chen Xiaobei did not waste any more time. He took a step forward and burned 100 million years of his life to summon the Black Lotus of destructions, helping Chen Xiaobei to reach the false golden immortal realm!

[ ding Qianqian's cultivation base is at the early stage of one-star golden immortal. Lifespan: 11.850.27 billion years, physique: 10 trillion, combat power: Saint level!]

"Dragon ROC stepping on the peak!"

Chen Xiaobei took a second step forward and burned another 200 million years of his lifespan.

In an instant, thousands of purple-gold dragon scales covered Chen Xiaobei's body, and on his back, golden wings and golden centipede fins appeared!

The power of his special ability had allowed Chen Xiaobei to step into the pseudo-golden immortal realm.

[ ding Qianqian's cultivation base is at the early stage of nine-stars golden immortal. Lifespan: 11.650.27 billion years, physique: Xxxxx, combat power xxxxx, primordial spirit attack: Saint level!]

But!

This time, the peak golden immortal realm wasn't the limit!

That was because the witch Dragon's nine transformations had become the demon Sage's nine transformations!

"Whoosh ..."

In the blink of an eye, another 1.6 billion years of his lifespan had been burned out!

The ROC's wings on Chen Xiaobei's back suddenly expanded, covering a distance of 3000 miles, giving off rays of purple-gold spiritual light like divine Dragons.

At first glance, it was as if the heavens and earth had split open a 3000-mile chasm, and tens of thousands of divine Dragons rushed out from it. They suppressed the heavens and earth and suppressed the souls of all living beings. It was so terrifying that they couldn't move.

[ ding Yingying's cultivation base is at the early stage of one-star Sage-to-be. Lifespan: 950.27 billion years, physique: Xxxxx, combat power xxxxx, primordial spirit attack: Saint level!]

Who dared to think about it?

The peak of the eighth transformation of the nine transformations of the demonic Sage had the effect of breaking through the chaos!

One step and Chen Xiaobei was already in the pseudo-Saint stage!

“Woof!”

In an instant, the gold dragon ROC's wings expanded again, covering a distance of a trillion miles!

The essence of the capital Dragon Qi had all changed. From the state of aura, it turned into a dazzling light!

That's right! This light could only be activated by those in the pre-Saint realm ...

The mixed-essence divine splendor!

The tens of thousands of purple-gold Holy splendor Dragons were all billions of miles long! It was flying around the Dragon ROC's huge wings! An incomparably terrifying pressure, murderous aura, and domineering aura filled the entire heaven and earth as if they were real. Even the Holy puppet city seemed extremely small!

Seeing this scene, everyone in the Holy puppet city was shocked and dumbfounded. A large number of demon civilians faced this side and bowed.

“Look! It was the wings of a great ROC! It was a purple-gold ROC that had never been seen before! Oh my God! What kind of Saint Beast is that?”

“No! It wasn't just the ROC! And the purple-gold dragon Qi! It's a strange beast that's the fusion of a Dragon and a ROC! It's an unprecedented and unique existence!”

“Don't just look at the form! The most terrifying thing was the purple-gold primordial chaos holy light! He was an extremely powerful quasi-Sage! Hurry up! Don't just stand there, quickly worship the new Lord!”

The news spread rapidly to every corner of the Holy puppet city.

The vast majority of people chose to kneel down and worship with sincerity and reverence.

At the same time, the four Saint Venerables were all dumbfounded. Their eyes were as wide as a bull's, and their mouths were so open that a fist could be stuffed in. It was as if they had seen the most horrifying scene in the world. Their hearts were beating wildly, their scalps were numb, and they had goosebumps all over their bodies.

Even the eastern Emperor Taiyi, who had experienced the immeasurable cultivation tribulation once, was stunned! He had never seen or heard of such a scene before his eyes. He didn't even dare to think about it!

"Hiss ..."

Of course, the one who was most shocked was the long-eared dingguang immortal.

This guy gasped. He was so scared that his face turned pale, his hands and feet were cold, and his whole body was trembling.

Just a moment ago, he was still mocking Chen Xiaobei. But now, Chen Xiaobei had stepped into the pseudo-Saint level. This was enough to make the long-eared dingguang celestial's world crumble.

However, what really scared the long-eared dingguang celestial was not Chen Xiaobei's pseudo-realm, but the terrifying pressure that Chen Xiaobei was exuding.

The pressure completely enveloped the long-eared immortal of fixed light.

In his opinion, this level of pressure was equivalent to, and even surpassed the demon master kun Peng, and was close to the heavenly path Sage!

Chen Xiaobei was exuding a saint's aura!

The long-eared dingguang immortal was so scared that he almost peed his pants just thinking about it.

"Dragon Air, open the chaos!"

However, it was not over yet.

Chen Xiaobei took the third step and activated the ultimate skill of the nine forms of demonic Saint!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3783: half-step**

Originally, opening the primal Chaos could only be used when one's cultivation was at its peak. After that, one could break through a major realm!

However, Chen Xiaobei's pseudo-realm was at the early stage of one-star Sage-to-be. By right, he should not be able to use it.

However, at this moment, opening the chaos was completely different. It was given an even more heaven-defying effect by the special ability of the purple-gold dragon Dagger!

[ ding Yingying's cultivation level: half-step true sage. Lifespan: 10,000 years, physical body: [ xxxxx, primordial spirit attack-sacred level! ]

This wave of improvement had directly burned up more than 9.05 billion years of his lifespan, and the effect could only last for ten seconds!

But this was something that Chen Xiaobei did not expect.

Half-step true sage!

Wouldn't that be an existence that surpassed the peak of the pre-Saint realm?

At this moment, no one was Chen Xiaobei's match unless a heavenly path Saint descended!

boom boom boom ... Boom boom boom ...

In an instant, the purple-gold dragon fins and purple-gold dragon ROC wings behind Chen Xiaobei's back exploded to a distance of ten trillion miles. The entire beiming youhai was covered in the explosion!

The purple-gold dragon fins were covered with countless dragon scales. They bloomed with the purple-gold Chaos origin divine light and exuded a terrifying pressure. The entire space trembled and even the sea water boiled. It gradually became viscous, like purple gold that was being melted. It was terrifying but extremely gorgeous.

All of a sudden, not only the people in the Holy puppet city, but even the four Saints and donghuang Taiyi could not help but kneel down and look up at Chen Xiaobei!

"Mother of God! Please spare ..."

The long-eared immortal of fixed light let out a hysterical scream.

However, in just a second, before he could even finish begging for mercy, his voice stopped abruptly.

"

Chen Xiaobei waved his hand, and the purple-gold primordial chaos Divine light suddenly condensed into a huge Xiang Dragon!

The Dragon centipede opened its mouth and swallowed the long-eared dingguang immortal like a giant whale swallowing an ant!

"Uh ah ... I'm boiling ah ..."

Then, the long-eared dingguang immortal let out a terrifying scream.

In the mouth of the Xiang Dragon, his body was cut by countless blade-like Hunyuan sacred splendor. He was cut into pieces and finally became minced meat.

His practicing body was burned by a kind of purple-gold Flame, melting bit by bit and being destroyed!

In the end, his primordial spirit was extracted and returned to Chen Xiaobei's palm.

Chen Xiaobei pinched the long-eared dingguang Xian's primordial spirit as if he was pinching a bug! With just a thought, he could be completely destroyed and never reincarnate!

But Chen Xiaobei did not do it immediately.

"Woof!"

Chen Xiaobei appeared right above the core Palace of the yuan religion in a split second.

Chen Xiaobei did not expect the nine transformations of the demonic Saint to be this terrifying.

Originally, Chen Xiaobei only wanted to use the nine transformations of demonic Saint to deal with the long-eared dingguang celestial. But now, it seemed that the remaining seven seconds were more than enough for him to take down kun Peng as well.

“Spare ...”

The long-eared setting light immortal naturally wanted to beg for mercy, but before he could finish, he was once again stunned and scared out of his wits.

Chen Xiaobei waved his hand again. It was simple and casual.

“Hiss!”

In an instant, another Dragon-ROC Dharma form condensed by the purple-gold primordial chaos Divine light swooped down toward the headquarters of the yuan sect.

In order not to be disturbed, Kunpeng had already covered the entire Yuan cult with a peak quasi-Sage level ” Heavenly Divine Phoenix universe crushing formation “.

This formation was extremely profound. It was said to have been set up completely after the great heavenly cycle star formation.

If the river diagram of the book of Luo was used to suppress the core of the array, it would be able to unleash the power of a Saint.

It was a pity that after the second immeasurable cultivation tribulation, the Zhen Yuan immortal came to the beiming youhai, beat up the kun Peng and took away the book of Luo and the river diagram.

Because of this, the universe divine astral Supreme formation didn’t have a Saint level treasure to suppress it, so it could only activate the power of a peak pre-Saint.

Originally, Chen Xiaobei did not have the strength to break the formation. That was why he wanted to take down the long-eared dingguang immortal, and then use the excuse of offering treasures to get close to kun Peng.

However, even Chen Xiaobei himself did not expect the nine transformations of the demonic Saint to be this terrifying.

The Dragon split the chaos!

A half-step true sage had appeared!

In the face of absolute power, all plans, schemes, and plots became meaningless.

Don’t mess with those gaudy things! It would be over if he directly attacked!

“Woah! Bzzzzzzzz ...”

As the purple-gold dragon ROC swooped down, its terrifying power instantly crushed the defensive layer of the ” universe divine phoenix soaring formation “!

boom boom boom ... Boom boom boom ...

The Dragon ROC swooped down. Without any excessive movements, the strong wind generated by its wings had completely crushed all the houses, palaces, and roads of the yuan cult into ruins!

“Mother ... Mother ...”

The long-eared immortal of fixed light shrieked in fear. If not for the fact that he was only a ball of primordial spirit, he would have peed himself.

“Chi ...”

At the same time, a dark green Hunyuan sacred flame rose from the center of the ruins and shot into the sky.

An extremely beautiful woman could be seen sitting cross-legged under the dark green primordial chaos holy light. Her eyes were closed as if she didn't know anything about her surroundings.

That's right!

She was the reincarnation of the witch, Houtu!

Chen Xiaobei had met her once in the earth-god Realm, and he knew her very well!

She was the youngest among the twelve ancestors of sorcery, and even the Emperor River candle Dragon was very concerned about her.

Chen Xiaobei had also promised Di Jiang that not only would he not kill her, but he would also protect her and kill her contract master to free her.

At this moment, her contract master, the demon master Kunpeng, was soaring into the sky. He followed the dark green primordial chaos holy light that reached the sky and flew up.

However, the kun Peng demon master did not want to fight. Instead, he wanted to escape.

It was obvious that even the peak quasi-Sage's "divine Phoenix universe dominance absolute formation" had been easily broken. The enemy's strength was not something that kun Peng could compete with.

It could be seen that Kunpeng was very smart. As soon as he sensed danger, he wanted to escape without saying a word. He didn't even take Houtu with him.

“You want to leave? It won't be that easy!”

Of course, Chen Xiaobei would not let him go. He moved his Pengornis fin and moved a hundred times faster to block the kun Peng.

Who are you?!

The demon master Kunpeng's expression changed drastically. since when was there such a terrifying demon under the sage?!

“Whoosh ...”

As he roared, the demon master kun Peng revealed his original demon form.

He knew that the enemy was not friendly. Since he could not escape, he could only fight with all his might.

The black and white robe on his body exploded, and his body expanded at an unbelievable speed. In an instant, he turned into a 900 million-mile-long giant Roc!

### Red Envelope Group of the Three Realms

#### **Chapter 3784: red Lotus**

The dark green primordial chaos holy light surged, and the nine hundred million Li Long kun Peng beast was like a Devata realm. Its head and tail could not be seen, and its circumference was unknown. It was unimaginably huge!

Everyone in the Holy puppet city screamed hysterically at the sight.

“Look! The demon master made his move! The demon master revealed his true demon form and activated the most powerful primordial chaos holy light! They’re going all out!”

“Isn’t the demon master known as the strongest demon ancestor below Nuwa? Why ... Why do I look so much weaker than the other party?”

“Yup! Yao Shi’s kun Peng body is as small as an ant in front of the opponent’s purple-gold Peng wings and kun fins!”

“Who is the other party? It was simply too terrifying! Demon master ... Demon master is dead ...”

The situation was already very clear. As long as one wasn’t blind, one could tell who was stronger and who was weaker.

Although the kun Peng had returned to its demon form, it was an arrow at the end of its flight. It was just a meaningless struggle.

kneel down!!!

Chen Xiaobei let out an angry roar, and a purple-gold ROC wing descended from the sky and landed on the kun Peng’s head!

The wings flapped and there was endless purple-gold primordial chaos sacred light like a dragon or a God. It was so terrifying that it could shake the heavens and the world!

“Ah ... Spare me ... Spare me ...”

Kun Peng shrieked hysterically. His heart trembled and his pupils contracted uncontrollably. His scalp went numb and he broke out in cold sweat. He almost peed!

At this moment, he was facing the incomparably huge purple-gold dragon ROC wings! Kun Peng felt like the sky was falling down!

“Pfft ...”

In the next moment, the kun Peng felt a huge pressure pressing down on him!

His 900 million miles long kun Peng demonic body fell straight to the ground without any resistance.

What was even more terrifying was that his bones, tendons, and meridians were all broken, and his internal organs were almost completely shattered. Then, his Dharmakaya was crushed, and his primordial spirit was seriously injured!

In the process of falling rapidly, the kun Peng's demonic body began to shrink. He did not return to his human form, but turned into a big fish with wings. Then, he fell heavily to the ground.

At this moment, he was already covered in blood and his primordial spirit was seriously injured. He could not even live for a moment longer, let alone escape.

At the sight of this scene, the entire Holy puppet city burst out with unprecedented shock and exclamations like a tsunami.

"That purple ... Purple-gold demon Sage won! He had defeated the demon master in seconds! Oh my God ... Is Holy puppet city going to change hands?"

"He's too powerful! The strength of the purple-gold demonic Sage was probably infinitely close to that of a heavenly path Sage! One move to defeat the demon master, it's simply terrifying!"

"Don't talk nonsense! If you don't want to die, quickly kneel and worship the purple-gold demonic Sage!"

"Greetings, purple-gold demon Sage ... Greetings, purple-gold demon Sage ..."

All of a sudden, all the people in the city began to worship Chen Xiaobei. They saw him as the unparalleled God of War, or even their Supreme faith!

"My God ... God Chen really ... Really did it ... He defeated kun Peng! And it was an instant defeat! As expected of the disciple of the prime of Tongtian! He was indeed the last hope of the Jie sect! He's too terrifying!"

On the other side, the green Goat Saint and the White Bear Saint were both dumbfounded. Their foreheads were covered in cold sweat, and their bodies were trembling.

"Too strong ... Too strong ..."

The Jade Kylin Saint was the same. He was dumbfounded and his body trembled. He was ashamed. I'm so blind. I underestimated God Chen at first ... I didn't expect him to be this powerful!

"Bro bei ... Thank you, bro bei! Take revenge for the demon race's heavenly court!"

Beside him, other than being shocked, Taiyi also cupped his fists and bowed deeply towards Chen Xiaobei, expressing his heartfelt gratitude.

The defeat of the traitor kun Peng was like a huge knot in Taiyi's heart. He couldn't describe his feelings with words.

Even Taiyi's Dao heart underwent a mysterious change at this moment.

"Whoosh ..."

Then, the Pengornis fins on Chen Xiaobei's back also began to shrink.

At the same time, Chen Xiaobei landed and revealed his true form.

Chen Xiaobei stood in front of kun Peng and looked down at him. "You're asking who I am? Now, you should have an answer, right?"

you ... You're ... You're Chen Xiaobei!!!

Kun Peng shrieked in fear.

Without a doubt, it had been billions of years since the kun Peng was born! And this moment was the closest he had ever been to death!

He knew very well that Chen Xiaobei's power had reached an unimaginable level! In the entire universe, perhaps only the invincible Buddha of many treasures, who was below the sage level, could fight it!

The life and death of the kun Peng was in Chen Xiaobei's hands.

What shocked kun Peng the most was his strength!

Chen Xiaobei! He should have died at the hands of the guide, so why did he appear in Holy puppet city? And why did he have such heaven-defying strength?

Kun Peng couldn't figure it out no matter how hard he thought.

you're already at death's door. Say your last words. Don't be unable to rest in peace when you reach the underworld!

Chen Xiaobei looked down at kun Peng, his tone cold and emotionless. He would not give kun Peng any chance of survival!

"No... You can't kill me!" Kun Peng was still vomiting blood and said, "My master is ... The heavenly Dao! Kill me! You'll also die!"

"What a joke! If the heavenly Dao could find me, would I still be alive to stand here?" Chen Xiaobei sneered.

"Yes! You've used some secret technique to make the heavenly Dao and the Saints unable to detect your existence! However, you must not know ..."

Kun Peng took a deep breath and said, "I have a demonic Fire Red Lotus mark on my body!" If you try to kill me, the mark will explode with the power of a Saint and kill you on the spot!"

"What? Demonic Fire Red Lotus imprint?" Chen Xiaobei was shocked.

If kun Peng had said anything else, Chen Xiaobei would not have let him off. But now that kun Peng had mentioned the demonic Fire Red Lotus mark, Chen Xiaobei had to consider it carefully!

Don't forget, little Daji's three reincarnations all had the demonic Fire Red Lotus mark on her body!

Furthermore, Chen Xiaobei and lady Nuwa had a deep discussion about it.

Daji's first life was before the third immeasurable catastrophe, and she was a demon concubine who destroyed a country! She had bewitched King Zhou and caused the people of the Shang Dynasty to live in misery, further intensifying the war between the Zhou and Shang Dynasties!

At that time, the tribe of severity supported the Shang Dynasty, and the tribe of enlightenment supported the Zhou state.

Therefore, the outbreak of this standstill directly triggered the life-and-death battle between the tribe of severity and the tribe of enlightenment.

It could even be said without exaggeration that the third immeasurable catastrophe was triggered by Daji!

However, this was not Daji's original intention! Instead, it was the heavenly Dao controlling her from behind!

It was the way of heaven that felt threatened by the tribe of severity and the tribe of enlightenment, so it deliberately triggered a war between the two sects!

As for the power of the demonic Fire Red Lotus imprint, mother Nuwa had also mentioned it before ...

It could even kill a heavenly path Saint!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3785: heartless**

"Don't try to trick me. Let me see where the demonic Fire Red Lotus imprint is first! Don't think that I'll believe you just because you're talking!"

Chen Xiaobei had made up his mind. If he was sure that the kun Peng really had the demonic Fire Red Lotus mark on him, then he could not touch him.

"It's here ... It's here ..."

The kun Peng turned over with great effort. On his abdomen, there was indeed an obvious mark of the demonic Fire Red Lotus.

Chen Xiaobei had seen it with his own eyes, so it could not be fake.

Moreover, at this moment, the primordial spirit of kun Peng was severely injured and could not activate the celestial core power at all. Therefore, this mark could not be a cover-up.

Therefore, this demonic Fire Red Lotus mark was definitely real.

This meant that Chen Xiaobei could not kill kun Peng for the time being.

Of course, there were good and bad things in everything.

Although Chen Xiaobei could not kill kun Peng now, he could still get more clues about the heavenly Dao from it.

One should not forget that lady Nuwa wanted Chen Xiaobei to find little Daji so that they could use the demonic Fire Red Lotus to find clues about the heavenly axiom.

Little Daji had never come into contact with the heavenly Dao. She was only on a mission to bring chaos to the Shang Dynasty.

However, the connection between the kun Peng and the heavenly Dao would be closer, and there would be more useful information.

Chen Xiaobei was glad that he had spared kun Peng's life. If he had killed kun Peng, the demonic Fire Red Lotus mark would have retaliated and Chen Xiaobei might have been killed.

"God Chen ... Please spare me. I'm very useful ... I can answer many of your questions and help you a lot ... Please! Please don't kill me!"

Kun Peng did not know what Chen Xiaobei was thinking. He thought that Chen Xiaobei had wavered and was begging for mercy so that he could keep his life.

Of course, this was not strange.

For an existence like the kun Peng, he had lived since the creation of the world and cultivated for billions of years. He had experienced many difficulties and finally achieved what he had today. Naturally, he would not bear to die.

But even if Chen Xiaobei did not kill kun Peng, he would not believe him!

He kept saying that he was of great value and that he could answer many questions, but which of his words was true? Which part was fake? Chen Xiaobei could not be sure!

So, Chen Xiaobei's original plan did not change!

"Swish!"

Chen Xiaobei then summoned six-eared macaque from the Meru space.

The plan to create a heavenly path Sage had officially begun!

Six-eared macaque's transformation ability had once stumped all the gods and Buddhas in the sky, and only abundant treasures could see some flaws.

On the other hand, Tathagata the numerous treasures was an invincible existence below the Saint level, which was also the so-called half-step true sage.

This meant that even if the six-eared macaque's power was lower than a half-step true Saint, it could definitely reach the peak of the pre-Saint level.

Therefore, there was no problem in transforming into a kun Peng!

Of course, the prerequisite was that he had to have enough energy.

Liu er, get ready. I need you to transform into the ROC! Chen Xiaobei told her his plan.

Six-eared macaque and kun Peng were shocked.

He did not expect Chen Xiaobei to go this far!

“Bro bei! This ... This is not a joke. The amount of energy required to transform into a peak stage quasi-Sage is beyond description!”

Six-eared macaque looked nervous. He was worried that Chen Xiaobei would not be able to produce so much energy and that his joy would be in vain.

I have 160 billion upper-class spiritual Jade and 300 trillion middle-class spiritual Jade. Is that enough?” Chen Xiaobei asked.

“Not enough ... Far from enough ...”

I don’t think so,” six-eared macaque said. bro bei’s wealth isn’t even enough for one-tenth of what we’re going to use!

“What!” Chen Xiaobei was shocked.

He had never expected that transforming into a peak-stage quasi-Sage would require such a huge amount of energy.

However, thinking about it carefully, it was normal. If a peak level Sage-to-be could transform at will, then Liu er would have been invincible.

But Chen Xiaobei would not give up.

“Can I use the spiritual aura of heaven and earth to replace the spiritual Qi?” I have the resources from seven giant Treasuries with me! All of them are of high quality, and the amount is huge! Chen Xiaobei said.

six-eared macaque nodded and said, “the spiritual aura of heaven and earth can replace spiritual Qi. In fact, it’s even more effective than spiritual Qi! However, I can’t be sure if the exact amount is enough until I see it!”

“Good! With your words, I’ll go all out!”

Chen Xiaobei then took out the heaven and earth furnace and started to transfer all the resources into it.

Originally, Chen Xiaobei did not want to waste these resources and wanted to keep them for his own use.

But now, Chen Xiaobei poured everything he had into the furnace, leaving nothing behind.

Even the weapons, equipment, and rations he had obtained from the core military camp of the demons were all placed into the heaven and earth smelt.

He had intended to give these items to the Sorcerer tribe of the 81 heavens of the primordial era.

But now, in order to solve this urgent problem, Chen Xiaobei had to go all out and hold nothing back.

“Whoosh ...”

After he had placed everything into the heaven and earth smelt, Chen Xiaobei took out a ball of purple-gold Flame.

After his bloodline had been upgraded, the witch Dragon heavenly flame had also been upgraded to a sacred demonic Saint heavenly flame.

Within this strange fire, there were purple-gold dragon scales, purple-gold feathers, and purple-gold dragon fins floating. They were faintly discernible and extremely mysterious.

The power of this strange fire far exceeded that of the true Samadhi fire. If it was used to refine the resources within the heaven and earth smelt, it would naturally be extremely fast.

After a period of time, all the resources were refined into the heaven and earth spiritual aura. Adding on the heaven and earth spiritual aura that was already present in the heaven and earth smelt, the total amount was extremely huge.

Six-eared macaque thought about it and said, "The effect of the spiritual aura of heaven and earth is equivalent to one trillion upper-class spiritual jade pieces. However, it's still not enough ... At least half of it is still missing!"

"Go! Let's go to the kun Peng's treasure house!"

Chen Xiaobei released his celestial core power and wrapped it around the kun Peng.

At the same time, he took away kun Peng's storage bracelet.

They entered the yuan cult's core Treasury.

The resources in this arena were extremely rich, and the level was very high.

First, Chen Xiaobei found 300 billion upper-class spiritual Jade.

Secondly, among these resources, there were a large number of quasi-Sage level precious natural treasures. The rest of the resources were almost all at the mystic Divine level and above.

The last and most important point.

From kun Peng's storage bracelet and the Treasury, Chen Xiaobei found three quasi-divine instruments.

A set of black and white Daoist robes, named the yin-yang Wuji robe, was a five-star quasi-Sage!

The other was a jet-black Gold Dagger, named xuanzhao divine Phoenix dagger, a seven-star quasi-Sage!

The Dragon Bone long whip was called the ancestral Dragon Holy vein whip and was at the peak quasi-Saint level!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3786: A problem**

3786 A problem

With these three items, Chen Xiaobei threw the heaven and earth purple flame feather fan into the heaven and earth smelt.

Of course, this also included all the resources in the yuan cult's treasure vault. Everything was melted down and nothing was left.

After refining it, Chen Xiaobei asked six-eared macaque to take a look.

“It’s still not enough ...”

“About 20% more,” six-eared macaque said.

Chen Xiaobei pondered for a moment. The quality of the magical equipment was more important than the quantity. Furthermore, it could not be activated without spiritual Qi.

With that thought in mind, he threw the infinitum Yin Yang robe and the xuanzhao Holy Gang saber into the heaven and earth smelt as well.

All that was left was the ancestor Dragon Holy vein whip at the peak quasi-Saint level!

“It’s still not enough ... I’m still short of 10%!”

Six-eared macaque shook his head helplessly. He couldn’t help but look at the ancestral Dragon Holy Meridian whip.

It was a peak quasi-Saint artifact!

If he were to use it to refine it, it would truly be too much of a pity!

But if he did not use it, Chen Xiaobei’s plan would be ruined!

“I still have a way!”

Chen Xiaobei took out his earth escape Holy gourd and went underground.

That’s right!

Beneath the Holy puppet city, there were several quasi-Sage level spirit veins!

Since Chen Xiaobei was going to do something big, there was no need to keep the spiritual veins!

After going underground, Chen Xiaobei quickly drained three quasi-divine spiritual veins. He did not touch the last one. After all, there were still countless people in the city who needed to live. Chen Xiaobei would not cut off their livelihood.

Finally!

As the three pre-Saint spiritual veins were emptied, the six-eared macaque nodded with joy. “Enough! That’s enough!”

“Alright!”

Chen Xiaobei was also very excited. He immediately brought six-eared macaque back to the ground and started to transform.

Whoosh ... Whoosh ... Whoosh ...

Six-eared macaque was trying its best to absorb the spiritual Qi and the spiritual aura of heaven and earth.

Because the amount was too large, the absorption process alone took a long time.

Chen Xiaobei did not sit around and do nothing. He ordered kun Peng to break the primordial spirit contract between him and Houtu. Of course, kun Peng still had two reincarnated ancient Celestials under his name.

Chen Xiaobei did not ask kun Peng to cancel the contract so that the two of them would not fall into the hands of other forces.

“Um ... I ... Where am I?”

Finally, Houtu opened her eyes in a daze.

She was extremely good-looking and her facial features were exquisite. The main point was that after the primordial spirit contract was terminated, her entire temperament had returned to her original appearance.

As gentle as the clouds, as kind as water!

Her voice was extremely gentle and her temperament was elegant and quiet. She was like a Holy snowflake that people only dared to look at from afar and not touch, for fear that they would dirty her and scare her away!

“Miss Houtu! You still remember us?” Chen Xiaobei chuckled.

you are Chen Xiaobei?!

Houtu had met Chen once before, so she immediately recognized him. She asked, “Where are big brother dijiang and big brother jiuyin? Are they still safe?”

“They’re all here, I’ll send you to them!”

Chen Xiaobei then sent Hou Tu into the Meru space.

Emperor Jiang would explain everything to her clearly.

There was no doubt that from now on, Houtu would stand on the same side as Chen Xiaobei. They would go through life and death together!

“Whoosh ...”

After a long time, the six-eared macaque finally absorbed all the spiritual Qi and the spiritual aura of heaven and earth. It activated its transformation ability!

The entire process was very smooth, but the result was somewhat unexpected.

After this transformation, the six-eared macaque successfully turned into the kun Peng. He inherited the kun Peng’s cultivation, body, bloodline, dharma body, memories ...

However, the six-eared macaque was also severely injured.

In an instant, two huge fish with ROC wings fell to the ground, covered in blood.

Of course, there was a clear difference between the two, and that was the demonic Fire Red Lotus imprint!

The mark was the mark of the heavenly Dao, and it was even higher than the sacred level. Therefore, the six-eared macaque couldn't copy it.

However, this was a good thing. If he copied the demonic Fire Red Lotus mark, the six-eared macaque might also be controlled by the heavenly Dao, which would be a big problem.

"Liu er ... Hold on ..."

Chen Xiaobei quickly rushed over to help six-eared macaque stop the bleeding.

"I'm fine! I have the kun Peng's body now. Although my injuries are heavy, I won't lose my life!"

Six-eared macaque smiled. He was very optimistic.

There was nothing Chen Xiaobei could do about it. The kun Peng was too terrifying. If he transformed after he was cured, Chen Xiaobei would not be able to control the situation.

Luckily, Saint Yu Lin rushed over immediately and took out many healing pills from his storage bracelet.

These pills were all high-grade. Although they were far from the peak quasi-Saint level, they were still very helpful for the six-eared macaque's injuries.

Gradually, Liu er's wounds stopped bleeding and his primordial spirit recovered a little.

Activating his immortal essence, the six-eared macaque returned to its human form.

Qingyang, White Bear, and jinkuang also took out their best healing medicine for six-eared macaque.

Luckily, Chen Xiaobei had asked them to leave something important behind when they were emptying the Treasury. Otherwise, they would not have these pills.

Therefore, there would always be benefits if one didn't go too far.

Gradually, the six-eared macaque's injuries recovered a little, and it could finally move normally again.

"I can't stay here for long! Three Saint Venerables, immediately gather your clansmen and leave the Holy puppet city with me. Otherwise, once this matter is spread, your clan will be exterminated!"

At Chen Xiaobei's order, Qingyang, baixiong, and Jinchuan immediately retreated and gathered their people.

As for Yu Lin Saint venerable, his only Clansman was dugu zang Xian, so he avoided this trouble.

Soon, all the members of the three races had arrived, and Chen Xiaobei sent all of them into the verdant Emperor's divine gourd.

Six-eared macaque and kun Peng were sent into the Meru space.

Chen Xiaobei then took out the returning bracelet!

Open a spatial gate and leave the scene!

That's right!

The other end of the space gate was connected to the ancient Barrens!

The location was underground, and that area was connected to the Three Realms intranet. It was Chen Xiaobei's best secret base!

The first thing Chen Xiaobei did when he arrived was to contact Lady Nuwa.

However, mother Nuwa did not reply. From the looks of it, something major must have happened and she was unable to leave.

Chen Xiaobei calmed himself down and entered the Meru space again.

Now that six-eared macaque had recovered a little, and he had the kun Peng's memories, he could answer many of Chen Xiaobei's important questions.

At the same time, Houtu had completely joined Chen Xiaobei's camp. Her special ability and some things that she knew could also help Chen Xiaobei.

"Six ears! Answer my first question!"

Chen Xiaobei said seriously, "Kun Peng, do you know where my master is?"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3787: The heavenly Dao**

3787 The heavenly Dao

"I know!"

Six-eared macaque nodded and said, "The prime of Tongtian is imprisoned in the 36th level of the overarching heaven of the heaven realm! That's where the Dao ancestor is!"

"Is there any way to save my master?" Chen Xiaobei asked impatiently.

"Not yet ..."

it's the will of the heavenly Dao to imprison him, " six-eared macaque said. not even the Dao ancestors have the right to release him!

"As expected ... It's not that easy to save master!"

Chen Xiaobei thought for a while and asked, "If I use the kun Peng to exchange for my master, will the heavenly Dao agree?"

he might agree ... After all, the heavenly axiom had already decided to give up on the prime of Tongtian!

Six-eared macaque changed the topic and said,"but it's very risky!" If the heavenly Dao reneges or does something, we can't do anything to him! If that happens, we might not be able to save the prime of Tongtian. Instead, you might get yourself killed!"

"I understand ... I just want to know the position of the kun Peng in the heart of the heavenly Dao!" "As long as I have the kun Peng as a bargaining chip, Sifu should be safe for now!" Chen Xiaobei said.

"That's right!"

yes! six-eared macaque nodded and said, " according to kun Peng's memories, the heavenly Dao is a very special existence! If he wants to maintain his strongest power, he must have seven heavenly path sages!"

"In other words, if the heavenly axiom wants to kill the prime of Tongtian, it must first find a substitute! However, this is not easy!"

"At present, Houtu is the only one who has the infinite virtue in all the worlds! Beheading three corpses was not something that could be done casually! Therefore, it's very difficult for the heavenly Dao to find a new replacement!"

and if he can't find a replacement, he won't hurt the prime of Tongtian so easily. So, you can rest assured for now, bro bei!

This was the value of having the six-eared macaque transform!

This important information would never come out of kun Peng's mouth. Only by transforming would Chen Xiaobei know everything.

"Tell me more about the heavenly Dao! Tell me everything kun Peng knows!" Chen Xiaobei said.

"Alright!"

The six-eared macaque went through its memories and said, " first of all, the heavenly Dao is a special existence. We can't be sure of its race, but it must be alive!

secondly, the heavenly Dao is not omnipotent. It has its own concerns and even its own enemies!

"Third, the power and life of the heavenly Dao are closely related to the seven heavenly Dao sages! As the saying went, the death of the heavenly Dao meant the death of the Saints! This saying can be reversed. When a Sage dies, the heavenly Dao no longer exists!"

"Fourth, the ancestral Saint Pangu of the Wu tribe was once the enemy of the heavenly Dao! Pangu's creation of the world was actually a war against the heavenly Dao! The good fortune Jade Disk of the great Dao of nature was broken by Pan Gu!"

"Fifth, the way of heaven wants to find the bodies of the twelve and fifteen ancestors of sorcery, find the Hong Meng immortal Qi, find the entrance to the devil World, and find the Holy tree, the creation wood! It seems that finding these things can make him even stronger!"

"Sixth, only Dao ancestors can see the heavenly Dao!"

"Seventh, anyone who has the demonic Fire Red Lotus mark on them is a chess piece of the heavenly Dao! Bro bei, you have to be careful!"

Six-eared macaque composed himself and said, " "These are all the things that kun Peng knows about the heavenly Dao!"

It was obvious that the kun Peng knew a lot about the heavenly path. Other than the Dao ancestors, no other heavenly path sages would know about this.

For example, lady Nuwa had tried so hard to get Chen Xiaobei to find little Daji the third, Yan Lingshi, just to investigate the heavenly Dao.

However, there were no clues.

Compared to that, Chen Xiaobei was able to obtain so much information so easily!

The six-eared macaque's transformation was definitely worth it!

"According to your estimation, how long will it take for the heavenly Dao to know that I've captured kun Peng?" Chen Xiaobei asked.

"If I'm not wrong, I should have known by now!"

"That's right! six-eared macaque said. with all the commotion in the Holy puppet city, the Dao ancestor will definitely ask about it. Plus, bro bei, you're using your true self to show people. So, by now, the heavenly Dao must already know that you're the one who captured kun Peng!"

"No wonder mother Nuwa didn't reply. It seems she must have been called to a meeting!"

It's a pity that I'm protected by the mark of humanity. Even the six heavenly path Saints can't find me! Chen Xiaobei said.

"So, bro bei, you actually wanted them to know? Am I right?" Six-eared macaque was smart enough to guess Chen Xiaobei's intention.

"That's right!"

Yes! Chen Xiaobei nodded and said, "I did it on purpose to let them know that I took kun Peng away! Only then will I have the chance to negotiate with the heavenly Dao! I can even make the heavenly Dao take the initiative to talk to me! Only then will we have a chance to save master!"

Obviously, Chen Xiaobei's original intention was to protect the prime of Tongtian!

From today onwards, for a long time to come, Chen Xiaobei's goal would be to save the prime of Tongtian!

As long as he could achieve his goal, Chen Xiaobei did not mind sending kun Peng back to the heavenly axiom.

"Bro bei! There's another major problem!"

"If the heavenly Dao finds out that you're still alive, I'm afraid they'll arrest everyone related to you!" Six-eared macaque said. After all, the heavenly Dao can divine their existence!"

"Yeah! I almost forgot about this! Let's come out and talk!"

Chen Xiaobei left the Meru space with six-eared macaque.

After that, Chen Xiaobei started to send messages to his friends who had already ascended.

Nezha was a disciple of the clan of enlightenment, and Li Jing was there to deal with him. He would not be in any danger. Li Jing could just say that he had sent Nezha to Chen Xiaobei as a spy.

Red Boy was a disciple of the demonic sect. Furthermore, he had a friendship with Guan Yin Bodhisattva, so he was not in great danger.

Liu xuanxin and Yan Lingshi had gone to the Hong Meng Demon Realm. Moreover, Yan Lingshi had turned into a demon from Hong Meng immortal Qi, so the heavenly Dao could not figure her out. Therefore, the two of them were safe.

Taiyi, Emperor Jiang, and the candle Dragon were all in the Meru space, so they were naturally very safe.

After that, Chen Xiaobei used the verdant Emperor's divine gourd as a means of transportation to bring Jiang Ziya and Tian Peng to his side.

Besides, even though Shen Gongbao had been fed with dog food and was loyal to Chen Xiaobei, no one knew about this on the surface. So, Shen Gongbao could continue to be a spy in chanzism and help Chen Xiaobei steal the 'list of ancient Immortals'!

There were also two more hidden pawns, shield mountain's patriarch and the demon fighter. No one knew about their relationship with Chen Xiaobei. He would just let them do as they pleased. Who knew, they might one day bring Chen Xiaobei a surprise!

In the end, only one of Chen Xiaobei's friends was still outside-Luo Yi!

"Old Jiang! Did you contact Luo Yi after that?"

I've tried to contact him a few times, but he never replied! Chen Xiaobei said, a little worried.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3788: -chaos**

"I've tried to contact him, but I didn't get a reply ..."

" don't worry too much, bro bei! Jiang Ziya said helplessly. as long as you can still feel Rahu's soul contract, it means that he's fine!

yes! Chen Xiaobei nodded. I can sense the primordial spirit contract, but we are in a dangerous situation right now. I can't be at ease if I don't bring him to my side!

Jiang Ziya sighed helplessly. well, that's true. But we don't know Luo Yi's location, and we can't contact him. There's nothing we can do other than worry ...

"There it is!"

Chen Xiaobei smacked his forehead and said, " "Look at my brain, I'm really confused! I have the heaven glimpse Saint talisman!"

After that, Chen Xiaobei took out the heaven glimpse Saint talisman from Taoist Cundi.

He activated his special ability in an attempt to find Luo Yi's position.

Actually, it was not that Chen Xiaobei was muddleheaded. It was just that he had been busy with a lot of things recently and his brain was working at a high speed every second. It was normal for him to forget things occasionally.

strange ... The heaven glimpse Saint talisman can't find Luo Yi!?

Chen Xiaobei activated his special ability and frowned.

On the other hand, Jiang Ziya grinned and said, "Bro bei, you can really rest assured now! If the heaven Scryer Saint talisman can't find a person, then the heavenly Dao Saints can't find him either!"

"Why do you say so?" Chen Xiaobei asked.

"So stupid!"

On the side, Tian Peng gnawed on a spiritual fruit and said, "The heavenly path Saints are not omnipotent! There were many places in the universe that were not under their control! If the heaven glimpse Saint talisman can't be found, it means that Luo Yi has already entered a mysterious realm that is beyond the control of the Saints. He's naturally safe!"

I see ... Chen Xiaobei thought for a moment. for example, the creation wood, demonic realm, and parts of the ancient Barrens can not be predicted by Saints!

"Not only that!"

there are also some creation Saints who are beyond the control of the Saints! Jiang Ziya said.

"What is the Holy realm of fortune?" Chen Xiaobei asked.

"When Pangu broke the Jade plate of fate, the fragments were scattered in different places, and some of the primordial violet vapor contained in the fragments were integrated into spiritual objects, becoming sacred level Supreme treasures! Some merge into the spiritual veins and become Supreme Holy Lands!"

Tian Peng said, "Luo Yi might have found a Holy land of fortune. When he comes out, all his aspects will soar! This isn't a danger, but one of the greatest opportunities in the universe!"

"Phew ... Now that you've explained it to me, I'm relieved!" Chen Xiaobei nodded.

"There are two more people you can't forget!" Tian Peng put down the spiritual fruit and said seriously, "One is Chang 'e, and the other is Fu Tian Xin' er!"

Chen Xiaobei's expression changed.

"Don't think too much!"

Tian Peng quickly explained, "I already see Chang 'e as my sister-in-law!" As for Fu Tian Xin 'er, she and I were comrades in arms during the war in the celestial heavens, so I naturally have to think of her!"

pfift ... Second senior brother, you're thinking too much ... I know you're lecherous, but I also know that you won't covet your brother's woman. I'm very assured about this!

of course I won't! Chen Xiaobei said. I won't forget about Chang 'e fairy and Xin' er! However, they're both with mother Nuwa and are under strict protection. I can't contact them at all!"

and mother Nuwa has yet to reply, so I'm also waiting for her reply. I'll see what she thinks before I decide if I'll accept them or not!

“It’s good that you didn’t forget!” Tian Peng nodded and began to gnaw on the spiritual fruit again.

“It would be great if luohou could really find a Holy land of fortune!”

that’s great! Jiang Ziya said. by then, we can move bei Xuan faction into the city. Everyone will be safe!

“I hope so ...”

“ even the Saints can’t find it, ” Chen Xiaobei said helplessly, “ the chances of Rahu finding it is not high. I think he must have entered the jianmu world, the demonic world, or some other place that the Saints can’t find.

“Bro bei!”

The six-eared macaque said, “ “There is a memory related to the Holy realm in the kun Peng’s memory!”

“Hurry up and tell me!” Chen Xiaobei was excited.

let’s go! six-eared macaque said. according to kun Peng’s memory, we should find the Yunyi Celestial Palace first. Then, we can find more clues about the creation Sacred Realm!

Yunyi Celestial Palace!? Chen Xiaobei was shocked.

Wasn’t this a coincidence?

Chen Xiaobei was now the heir to the Yunyi Celestial Palace in name, and with the Yunyi token in his hand, he could go to the Yunyi Celestial Palace at any time.

However, it was clear that this was not the time yet.

The safety of sect leader Tongtian, Xin ‘er, and fairy Chang’ e was still a concern.

Sun Wukong, celestial Hound, and Taiyin true deity also needed to be found immediately.

Also, Emperor Jiang had mentioned that he was looking for the creation wood and Pangu’s relic.

Furthermore, the six-eared macaque had transformed into Zhurong Gonggong and had locked onto the location of their bodies. He had to retrieve them as soon as possible.

In the end, sect leader Tongtian had asked goddess Nuwa to send a message to the Chiyou sect, asking them to help Chen Xiaobei in the ancient desolate land.

Chen Xiaobei had used the talisman to check Chi You’s location. He estimated that he should be in the most dangerous area of the ancient Barrens by now.

Chiyou’s cultivation was not strong. Chen Xiaobei had to go and help him as soon as possible or he would be in danger.

That was what Chen Xiaobei had to do as soon as possible.

Basically, other than searching for Pangu’s relic, everything else could only be done last night before he could go to the Yunyi immortal Palace.

So, Chen Xiaobei kept his cool and did not think too much about the Holy Land.

Of course, the above things seemed to be a lot, but it was actually done very quickly.

[ nüwa has sent you a private message. ]

[ Nuwa: Xiaobei! ] You're really too godly! I was originally worried that you'd be in grave danger if you went to the Holy puppet city. I didn't expect that you'd actually wipe out the entire Yuan religion! (Unbelievable)

Chen Xiaobei: " what's the situation on your side now? "

Nuwa thought, Dao ancestor's purple cloud Palace is already in a mess! No one would have thought that kun Peng would be defeated by you!

Nuwa thought,"you must know that kun Peng is the new Sage appointed by the heavenly Dao!" Your actions are truly earth-shattering and outrageous to the extreme!

[Nuwa: at this moment, those sages are trying their best to track you down. They're trying their best to guess what your next plan is. They're trying their best to come up with a plan to deal with you ...]

Nuwa: "unfortunately, after half a day of chaos, they couldn't figure out anything. All their guesses and plans were meaningless. We can only end the meeting for now! I took the opportunity to slip out for a while, and I'll continue to make a fuss later ...(A soft smile)

What do you think of this, lady Nuwa?

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3789: too much**

Nuwa: " at present, the Dao ancestor hasn't conveyed the will of the heavenly Dao. Therefore, my view on this matter can only remain on the surface!

Chen Xiaobei:

Nuwa said, " according to my observation, The Purple Cloud Palace was in complete chaos just now. It seems that the Kunpeng is very important. You must hold on to this bargaining chip. Maybe you can save senior brother Tongtian!

Chen Xiaobei thought,"I think so too!" In addition, the kun Peng was a chess piece of the heavenly Dao, and it also had the demonic Fire Red Lotus mark on its body! Therefore, the value of this bargaining chip is enough to exchange for my master!

but I'm afraid that the heavenly axiom will do something to us when we switch people, " Chen Xiaobei thought. or it might go back on its word and kill me and Sifu instead ...

[ Nuwa: I didn't expect this! ] The kun Peng is more important than I thought! As for your worry, it's completely necessary!

Nuwa said,"we can't be sure what the heavenly Dao is!" We don't know what he's capable of! If he does something or counterattacks, the situation will be completely out of our control!

[ Nuwa: my advice to you is to control kun Peng first. When the time comes, you can use him for negotiation! ]

Chen Xiaobei, "when is the right time?"

[ Nuwa: for example, when we have a better understanding of the heavenly Dao and are more confident! ] Another example was when he thought of a way to ensure that the heavenly Dao would not play any tricks! This kind of thing needed an opportunity and couldn't be rushed!

Chen Xiaobei: I will think of a way to understand the heavenly Dao as much as possible!

Chen Xiaobei: " Oh right! How's mo Luo Wutian doing? " Did he express his stance? Did he betray the demonic path? Or should he keep his mouth shut?

[ Nuwa: it's obvious that mo Luo Wu Tian doesn't want to lose the mark of the diabolism. Therefore, he can't betray the diabolism. So, he didn't reveal anything about you for the time being! ]

Chen Xiaobei, 'doesn't he know that I've been exposed?

[ Nuwa: I don't know yet. He's been locked up in isolation. He won't have a chance to know! ]

[ if you have the chance, lady Nuwa, why don't you go and remind him? let him know that the news that I'm still alive has already been made public! ]

Nuwa asked, "why is that?" (Puzzled)

[ Chen Xiaobei: mo Luo Wu Tian's biggest bargaining chip is that he knows about me! ] He knew the secret of the human path and demonic path imprints! He didn't want to betray the demonic path, so he kept the secret to his death!

Chen Xiaobei thought, 'but what if he finds out that the secret he has is no longer a secret!' His mentality would start to change!

Nuwa said, "I understand!" You mean to let mo Luo Wu Tian know that he is about to lose his value and could be wiped out at any time! This way, he might choose to betray the demonic path!

Chen Xiaobei: Since everyone already knows that I'm alive, I'm not afraid of mo Luo Wutian turning to the Taoist faction! On the contrary, I hope that he will betray the demonic path as soon as possible. That way, I can control the demonic imprint!

"No problem!" Nuwa replied. I'll find a chance to remind mo Luo Wu Tian! As for whether he betrayed the demonic Dao, it would only be known when the time came!

Chen Xiaobei: " it's fine. I don't have the eighth new Sage now anyway. I'm not in a hurry to get the demonic mark! He had plenty of time to wait!

[ Nuwa: you can't let your guard down either! ] Even though you've taken down the kun Peng, there are still others in the universe who can become the new Sage!

Chen Xiaobei, who else is there? (Shocked)

Chen Xiaobei had thought that it would be a relief to take down kun Peng since becoming a saint was not easy.

He didn't expect that there would be so many new Saint candidates.

Nuwa, for those who were half a step into the true sage realm, had the Buddha of many treasures! The Grand deity Zhen Yuan! It was patriarch Minghe! Ancestor Red Cloud! The peacock Wisdom King! Daolord Lu ya!

Nuwa was a person with great talent and opportunities. The tribe of humanity had the great master xuandu and the sword ancestor lü dongbin! There was the demon sect's ancestor Dragon, the seven-colored Phoenix, and the nine-colored Qilin! There was Guangchengzi of the clan of enlightenment, immortal Yuding, and Daoist dipamkara! The Western religious sect had Ksitigarbha Bodhisattva, Guan Yin, and Maitreya Buddha!

[ Nuwa: in addition, there are four candidates for reincarnation of the ancient Immortals! ] Emperor Jun of the West! The wizard ancestor Xuan Ming! Holy Mother gold spirit! Holy Mother turtle spirit!

[ Nuwa: all the things I've mentioned have the potential to become sages after beheading the three corpses! ] If they were willing to submit, the heavenly Dao could naturally choose a new Saint from them!

Chen Xiaobei thought, 'no way ... There are so many of them ... It's almost impossible to stop the emergence of the eighth Saint!'

Nuwa agreed. The eighth Sage would definitely appear, it was just a matter of time! Therefore, you must not let your guard down. You must always be prepared for the worst!

Chen Xiaobei: I'll be very careful!

Nuwa said, "of course. Kunpeng has the mark of the demonic Fire Red Lotus and 99% of Houtu's merits. So, if possible, the heavenly way still wants Kunpeng to become a Sage!

Chen Xiaobei, I understand what you mean! Although the eighth Sage will definitely appear, I should still be safe in the short term!

[ Nuwa: remember the names I just mentioned. If you can form an alliance, do it as soon as possible! ] This way, he could reduce the number of enemies as much as possible and protect himself!

Chen Xiaobei: I will definitely remember it! After all, among these people, there are people I need to protect and also my close allies. I will find them as soon as possible and settle this matter!

Chen Xiaobei: "also, kun Peng's body is extremely strong. Even though I've injured him, he's recovering very quickly. Does goddess Nuwa have any way to suppress him?" Otherwise, I'll always have a bomb by my side, and I won't be able to feel at ease!

Nuwa said, "I have a way, but if I make a move, Kunpeng will know that I've allied with you!" If you want to use the kun Peng to make a deal with the heavenly Dao, I will be exposed!

[ since lady Nuwa is making things difficult for me, I'll think of another way. ]

Nuwa said, "don't worry. I'll ask senior brother Cundi later and see if he has a way!"

Chen Xiaobei, "alright, I'll be waiting!"

Obviously, the talisman in Chen Xiaobei's hand came from Taoist Cundi.

This heavenly path Saint was very interesting. Although he was one of the two saints of the West, he had always been protecting Sun Wukong.

It was like the prime of Tongtian protecting Chen Xiaobei.

The reason why Cundi gave Chen Xiaobei the talisman was to ensure Sun Wukong's safety in the ancient Barrens.

Sun Wukong's cultivation was not low, but the ancient Barrens was the territory of the Sorcerer tribe when they were at their strongest. The dangers were self-evident.

Chen Xiaobei had a close relationship with the witch tribe, so he was the best person to protect Sun Wukong.

That was why Cundi chose Chen Xiaobei.

Moreover, Taoist Cundi was probably the first one to figure out that Chen Xiaobei was not dead, but he had kept his mouth shut.

It could be seen that Cundi was not loyal to the way of heaven.

Now that mother Nuwa was asking him for help, perhaps she could go one step further and confirm their alliance!

Ding! Congratulations! Snatching Cundi's Red envelope, he received ...

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3790: finding someone**

Heaven's nail drill, stored in treasure chest!

[ Nuwa: Xiaobei, have you received the red packet? ]

Chen Xiaobei: Heaven piercing awl! It looked very powerful!

[ Nuwa: yes! ] This was a sacred object! As long as it was nailed into the kun Peng's body, he would not be able to use any power. Even if he was restored to his best state, he would not be able to move and would be at your mercy!

Chen Xiaobei: With this treasure, I won't have to be afraid of kun Peng anymore!

After the battle in Holy puppet city, Chen Xiaobei only had 10000 years left to live. The demonic Sage's power was strong, but it could not be used. If the kun Peng rebelled, the consequences would be unimaginable.

Now that he had Taoist Cundi's heaven-nailing spike, Chen Xiaobei could finally put his heart at ease.

Chen Xiaobei: " but Taoist Cundi gave me this treasure. Isn't he afraid of being exposed? "

Nuwa replied, "of course he's not afraid!" Senior brother Cundi is extremely smart. What we can think of, he has already thought of it!

Chen Xiaobei-what do you mean?

Nuwa said, " this heaven's nail was originally dipamkara Taoist's magic weapon. He gave it to his disciple and lost it. After several twists and turns, it finally landed in the hands of senior brother Cundi! Even if they were to be exposed, it would be burning lamp Daoist!

Chen Xiaobei, 'pfft ... Hahaha! Taoist Cundi was really bad! Not only did you help me, but you also want to put a basin of sh \* t on coach Chu's head! Hahaha ... I like it!

[ Nuwa: vulgar words, but that's true! ]

Chen Xiaobei thought to himself, I really want to send kun Peng back so that he can bite that old dipamkara! That was the real dog-eat-dog fight! Hahaha ...

[ Nuwa: you're the best at this. I don't have to teach you! ] Do you have any other questions? I should go back!

Chen Xiaobei: " there's also Xin 'er and fairy Chang' E! I'm worried that they'll be found! What was Mother Nuwa going to do with them?

[ Nuwa: your worry is not without reason! ] How about this, I'll get someone to send them to you! You will protect me!

Chen Xiaobei: " no need to trouble yourself. Just get them to contact me. I'll just use a red packet to get them to come to me!

Nuwa agreed. I'll make arrangements for this later! Do you have any other questions?

Chen Xiaobei: " not at the moment. Hurry up and go. Don't arouse any suspicion!

After that, Chen Xiaobei brought the sky-nailing spike into the Meru dimension.

Kun Peng was still severely injured. However, his powerful body had stopped bleeding and was recovering quickly.

"Swish!"

Without a word, Chen Xiaobei went over and stabbed the sky-nailing spike into kun Peng's left shoulder. It went deep into his flesh, causing him to scream in pain.

"This ... This ..."

Kun Peng looked around and said in disbelief, " "This is the burning lamp Daoist's heaven-nailing cone nail! Chen Xiaobei! How did you get this sacred artifact?"

"Hehe, do you even need to ask?"

of course! Chen Xiaobei grinned. I've formed a secret alliance with the lamp-burning Daoist a long time ago. I just asked him for this magical item!

"Impossible!"

Kunpeng couldn't believe it and said, 'the clan of enlightenment is irreconcilable with you! The lamp-burning Daoist is a die-hard fan of the clan of enlightenment and will never form an alliance with you!"

“Die-hard loyalty?”

hehe! Chen Xiaobei laughed, “hehe, this word might have been useful in the past! However, don’t forget that the immeasurable catastrophe is coming. Anyone can change their stance or even their faith in order to survive!”

“I still don’t believe it!”

Kun Peng stubbornly said, “compared to the clan of enlightenment, you are pitifully weak! If lamp-burning Daoist allies with you, not only will he not be able to protect his own life, but he will also die a worse death!”

“Idiot! Don’t you know that a cunning rabbit has Three Burrows?”

of course not! Chen Xiaobei sneered. Daoist dipamkara is still loyal to chanism on the surface, but he’s only forming an alliance with me in private! In the end, the clan of enlightenment won, and he was still the Deputy sect leader of the clan of enlightenment! And if I win, he can immediately join my Jie sect! I won’t die either way!”

“This ...”

Kun Peng was taken aback, but he knew that Chen Xiaobei was right.

Chen Xiaobei had planted the seed of suspicion in kun Peng’s mind.

As time went by, and with Chen Xiaobei’s constant lies, kun Peng would soon believe that dipamkara was Chen Xiaobei’s ally.

“Strange ...”

However, Chen Xiaobei noticed a very important flaw.

“Kun Peng, didn’t you form an alliance with the clan of enlightenment in private? Why do you look like you’re new to this?” Chen Xiaobei asked.

“Who told you that I’m in an alliance with the clan of enlightenment?” Kun Peng was confused. He didn’t seem to be lying.

Chen Xiaobei had always thought that kun Peng was the mysterious powerful demonic being who wanted to replace goddess Nuwa.

And that powerful being of the demon race had made it clear that he had formed an alliance with ju liusun, one of the 12 golden Immortals of the clan of enlightenment.

However, at this moment, the kun Peng’s behavior showed a serious contradiction.

“Six-eared!”

Chen Xiaobei summoned six-eared macaque and asked, “The giant of the demon race that has been plotting in the dark, is it kun Peng?”

“No...”

no! six-eared macaque shook his head. kun Peng didn't form an alliance with ju liusun ... So it's not that mysterious demon overlord!

how did this happen ... Chen Xiaobei frowned. His thoughts were in a mess.

From the looks of it, that monster giant was still alive and well outside, and he was still plotting to replace mother Nuwa!

Chen Xiaobei calmed himself down and started to recall the names that lady Nuwa had mentioned!

There were actually many demons who could replace mother Nuwa!

The peacock Wisdom King, Kong Xuan! Daolord Lu ya! Ancestor Dragon Hong Huang! The seven-colored celestial Phoenix! Nine-colored Qilin!

Among them, Kong Xuan and Luya were already half-step true sages and were the most likely candidates to replace goddess Nuwa.

Chen Xiaobei had to continue to investigate this matter, or else lady Nuwa would be in danger!

Of course, there were no clues for the time being, so it could only be postponed.

Chen Xiaobei's first priority was to find Monkey King! Celestial Hound! And Taiyin true deity!

"Whoosh ..."

He used earth escape immortal Gu to return to the South of Dragon Sparrow mountain range.

After reaching the ground, Chen Xiaobei appeared in the camp of the witch tribe Army.

At this moment, the atmosphere in the military camp was much gentler than before. Although there was still a large Army stationed there, everyone was full of energy and fighting spirit. Compared to the previous atmosphere of despair, it was many times better!

It was clear that the demonic Army had been completely disrupted by Chen Xiaobei and had not launched any more decent attacks.

As for the Sorcerer tribe, they finally had a chance to rest.

Now that the situation had stabilized, Chen Xiaobei had nothing to worry about.

After that, Chen Xiaobei asked Xu Tianxin to stay behind and reunite with his parents!

After the reunion, Xu Tianxin would directly join the witch clan's corpse search team!

Don't forget, the Sorcerer tribe had been carrying out a secret mission to find Chiyou's body!

Xu Tianxin, on the other hand, had the power of Chiyou. If they could find the body of Chiyou, she would be able to subdue it and hand it over to Chen Xiaobei, which would save him a lot of time.

After making the necessary arrangements for Xu Tianxin, Chen Xiaobei summoned six-eared macaque and asked him to bring him along.

Even though six-eared macaque's injuries were not fully recovered yet, he was still much faster than Chen Xiaobei.

Chaotic stone ancient forest!

When six-eared macaque arrived with Chen Xiaobei, he was exhausted. So, Chen Xiaobei told him to go back to the Sumeru space to rest.

After that, Chen Xiaobei summoned Emperor Jiang, candle Dragon, and Houtu!

Don't forget that the entire ancient Barrens land was once their territory!
