#### Chapter 3791: Reincarnation

3791 Reincarnation

Chaotic stone ancient forest.

Although it had the word “Lin” in it, there was not a single tree in this huge area. There were only mountains that looked like pillars of heaven.

Tens of thousands of mountain peaks gathered in one place, like a stone Forest. It was a magnificent sight.

Chen Xiaobei led the three reincarnated ancient witches into the depths of the forest.

There were obvious traces of a fight here!

Thousands of huge mountain peaks were blasted into waste. The earth and mountains were broken and shattered into ruins.

“I first used the heaven glimpse Saint talisman to see Taiyin true immortal here ... Later, I used the heaven glimpse Saint talisman to check the location of the celestial Hound, and it was also nearby ...”

Chen Xiaobei frowned and said worriedly, “Looking at the situation now, it’s possible that the Taiyin true immortal has already engaged in a great battle with Yang Jian! I don’t know who won ...”

“It should be a draw.”

“Yang Jian and Taiyin true deity are both seven-star sages-to-be!” Emperor Jiang said. If we fight to the death, the entire Stone Forest will be razed to the ground. Even the entire ancient Barrens land will shake and collapse!”

“You mean, they only exchanged a few blows?” Chen Xiaobei asked.

judging from the traces of the fight, they might not have met, ” Emperor Jiang said. perhaps Taiyin true immortal just ran into a demonic beast in the mountain and killed it casually.

“If you say so, I can be more at ease ...”

it’s a pity that I’ve already used the talisman to locate Rahu’s location. I can only use it again tomorrow. Otherwise, I wouldn’t be able to make any wild guesses here ... Chen Xiaobei said.

“Actually, there’s no need to guess blindly!”

Houtu’s beautiful eyes flickered slightly. She stretched out a slender finger and pointed at a huge crack on the ground, saying, “There’s a reason why true immortal Taiyin came here!”

“Why do you say so?” Chen Xiaobei asked.

Houtu said seriously, ‘there seems to be a secret hidden under the ground! I can already faintly sense the aura of reincarnation ...”

“Reincarnation? What do you mean by that?” Chen Xiaobei was very confused.

“My sister is the reincarnation witch. She is the only one who can sense anything related to the power of reincarnation!” The candle Dragon explained.

“Follow me! Let’s go down and take a look first!” Houtu took the lead and flew in front.

Chen Xiaobei and the other two immediately followed.

Right now, Chen Xiaobei’s cultivation was at the pinnacle of nine-Star Mystic immortal, higher than the other three.

So, if there was any danger, Chen Xiaobei had to take on the responsibility of protecting everyone.

But then again, Chen Xiaobei’s current condition was not that great. He could not say that he was confident.

First of all, he only had 10000 years left to live. He didn’t even need to think about the world-extinguishing Saint marrow and the nine transformations of the demonic Saint.

Secondly, all the spiritual jades and resources had been used up, so their endurance was very weak.

Thirdly, even though he had the ancestral Dragon Holy vein whip, the kun Peng could only use it with his peak-stage sainthood cultivation. So, there was no spiritual Qi in it. In other words, Chen Xiaobei could not use it!

Fourth, the six-eared macaque had not recovered from its injuries. It could not participate in the battle.

Fifth, the four Saint Venerables of the Holy puppet city were very strong, but Chen Xiaobei did not want them to be exposed to Yang Xiao. So, he would not let them fight.

Chen Xiaobei’s strongest trump card was the one-star God-tier chaos Blood Sword.

The dangers ahead were huge! Chen Xiaobei could not guarantee that he would be able to escape unscathed!

Luckily!

This used to be the territory of the Sorcerer tribe!

“Whoosh ...”

Houtu cleared the way. After going thousands of meters deep into the ground, she actually activated a space gate with black and white circulating patterns!

At the same time, Houtu smiled and said, “That’s great! This is a relic left behind by one of my disciples! I should be able to control everything!”

After that, everyone passed through the space gate and entered an independent small world.

There was sunlight, rain, dew, birds chirping, and the fragrance of flowers here. There was also an abundance of spiritual energy. It was simply a paradise hidden from the world.

However, he didn’t find any traces of Taiyin true deity or Yang Jian.

“Follow me!”

Fortunately, Houtu could sense the power of reincarnation, which no one else could.

Following this mysterious aura, everyone began to quickly enter the interior of this small world.

The deeper he went, the greater the change in the surrounding environment.

The sun began to dim, the rain and dew began to dry up, the plants withered, and the birds became white bones on the ground.

It was a scene of doomsday.

“There won’t be any danger ahead, right?” Chen Xiaobei was a little worried.

After all, his strength was greatly limited, and he didn’t dare to take the risk with everyone.

Chen Xiaobei was not afraid of death, but he was afraid that his friends and brothers would get hurt. He had to be extremely careful!

bro bei, don’t worry. Everything you see is just an illusion created by the reincarnation formation!

the level of this formation isn’t low,” Houtu said. it seems to be the work of a high-level Sage-to-be great wizard. Without me leading the way, even the Taiyin true immortal and Yang Jian would be completely lost here!

“Lost? Are they here? Can we still find them?” Chen Xiaobei was very worried.

After all, Taiyin true deity and Xiao Tianquan were Chen Xiaobei’s best friends. He could not let anything happen to them.

Houtu nodded and said indifferently, “for now, I’m just guessing. They have come here. If my guess is right, I have a way to find them!

“That’s great! Fortunately, I have you!” Chen Xiaobei heaved a sigh of relief.

According to the analysis before they came in, it was highly likely that the Taiyin true immortal had entered this place, and Yang Jian was nearby, so there was a high chance that he had chased them in.

Soon after.

Under Hou Tu’s lead, everyone was moving in circles around a sphere.

From the Paradise at the beginning, to the doomsday wasteland, and then to the Paradise ...

This cycle repeated over and over again.

In the end, it spun nine times before it stopped.

However, after he stopped, the surrounding scene underwent a huge change.

Everyone entered an ancient heavenly paradise. It was like a spatial dislocation. It was extremely mysterious and could not be explained with common sense.

“This is the” great reincarnation formation “! The person who set up the formation was not bad. He had set up a nine reincarnation cycles! If I personally set up the formation, I can form a Grand reincarnation cycle of 81 lives!”

just now, I took you through the gap of the magic formation,” Houtu said indifferently. those who don’t know this will definitely be sucked into the magic formation!

then, from the day he was born, he would slowly experience every day of growth, aging, and death. Only then would it be considered a reincarnation!

“Those who are unable to see through reincarnation will be trapped in this formation for nine lives! Attention! It was the nine lives in real time! Most people will be trapped until they die of old age!”

### Red Envelope Group of the Three Realms

#### **Chapter 3792: Saint orb**

“Heavens! He was trapped in the real nine lives! Unless they live as long as the heavens and earth, most people will be trapped to death!”

Chen Xiaobei was shocked. He did not expect the reincarnation formation to be so terrifying.

“Houtu! Quickly find a way to help me find the Taiyin true deity and the celestial Hound!” Chen Xiaobei said impatiently.

Obviously, if Taiyin true immortal and Xiao Tianquan were really trapped here, they would definitely be trapped to death if they were not rescued.

“Bro bei, don’t worry!”

Houtu said, ‘it’s as easy as flipping my hand to solve this formation! However, if we unseal the formation, the Taiyin true deity and Yang Jian will face each other, and a big battle will inevitably break out. In the worst case, both sides will suffer great losses!’

moreover, I’m not sure if there are other experts suppressed in the formation. If they are released together, the situation will be even more out of control!

Obviously, Houtu’s worry was completely correct.

Right now, Chen Xiaobei’s power was limited. If more ancient mighty figures were released, the situation would be chaotic and it could even put everyone’s lives in danger.

Chen Xiaobei’s life was not as simple as his own.

Inside the verdant Emperor’s divine gourd were Chen Xiaobei’s most important friends, brothers, and confidants! There were also hundreds of millions of demons! Golden armored mysterious Spider! The Jade-winged magic snake!

Chen Xiaobei’s death meant everyone’s death!

Because of this, he had to be careful with every step he took and think twice before acting!

“Since we can’t remove the formation, what do you think we should do?” Chen Xiaobei asked.

This was Houtu's home ground, and Chen Xiaobei had to listen to her.

Luckily, he had released Houtu. Otherwise, Chen Xiaobei would not know how to save her. He might have been trapped in the cycle of reincarnation and died from his lifespan being depleted!

Let's go find the reincarnation treasure left behind by the person who set up the formation. We'll bring it into the formation so that we won't lose our minds!

If Taiyin true immortal and Xiao Tianquan are really in the formation," Houtu said. We can take them out directly. That way, we can be absolutely safe!

"Good! I'll listen to you!" Chen Xiaobei nodded.

After that, everyone continued to venture deeper into the Blessed Grotto-heaven and began to search carefully.

This should be the place where the person who set up the array lived and cultivated. The whole cave was full of spiritual Qi, and there was probably a quasi-Sage level spiritual vein underground!

Now that Chen Xiaobei was penniless, he wanted the spiritual vein.

However, this spiritual pulse should be the source of the formation's energy. Once the spiritual pulse was emptied, the formation would stop operating, and the problem that Houtu had been worried about at the beginning might happen.

So, even if Chen Xiaobei wanted it, he could only hold it in for now.

"I can't find it ... That's strange ..."

Hou Tu frowned, and his face turned very ugly.

If she couldn't find the reincarnation treasure, Houtu's plan wouldn't be able to proceed, and all her previous plans would be meaningless.

"Let me do it!"

Chen Xiaobei stepped out and activated his golden gaze fiery eyes and clear Jade divine light!

Chen Xiaobei made a discovery as he examined the entire cave.

"Ka ka ka ..."

Behind a wall, Chen Xiaobei found a secret compartment.

There was a storage bracelet and a black and white Pearl in the secret compartment.

"This is the reincarnation Saint orb!"

Houtu's eyes lit up, and she became excited. "This used to be my magical item! He actually appeared here! No wonder you can set up the nine reincarnations. It turns out that you are borrowing the power of the reincarnation Saint orb!"

"Take it! Let's go and save them now!" Chen Xiaobei said.

“Alright!”

Houtu walked over and picked up the reincarnation Saint orb. She started spiritual communication with it to make it recognize her as its new master.

Then, Houtu picked up the storage bracelet and handed it to Chen Xiaobei without hesitation.

“This ...”

The moment Chen Xiaobei took the storage bracelet, he was stunned.

The resources in the bracelet were like a giant treasure vault. It was extremely rich and huge in quantity. Most importantly, they were all of high grade!

Furthermore, there were 10 billion upper-class spiritual jade pieces among them!

This was the thing that Chen Xiaobei wanted the most! It could be used to activate magic treasures and also for cultivation. It had come at the right time.

“We can set off now!”

the situation inside the formation is under my control,” Houtu said. so, you two brothers don’t need to go with me!

“Alright!”

yes! Emperor Jiang and candle jiu Yin nodded. we’ll guard outside. If anything happens, we’ll cut off the spiritual veins and make the formation lose its energy. It’ll collapse on its own!

“Good! I’ll leave this place to you guys!” Chen Xiaobei nodded and followed Hou Tu into the formation.

Before, Houtu had led the group through the gap of the array.

With the reincarnation Pearl in hand, Houtu led Chen Xiaobei through the outer layer of the formation and into the inner part.

“Whoosh ...”

As if he had broken through a maze, Chen Xiaobei felt that the entire space was shrouded in a hallucinatory fog, and he could not see anything.

Even with the fiery golden eyes and the clear Jade divine light, he could not see it at all.

Clearly, the terror of the power of reincarnation was not something that could be easily seen through.

“Bro bei, come here!”

But then, Houtu took Chen Xiaobei’s hand.

In an instant, the power of the reincarnation Pearl was transferred into Chen Xiaobei’s body.

The fog in Chen Xiaobei’s eyes disappeared and the sky was clear. He could see far, far away at a glance!

“It’s right in front! I think I saw the celestial Hound!”

Suddenly, Chen Xiaobei was so excited that he grabbed Houtu's hand and ran over.

It was a black divine Dog with silver claws and a divine Halo behind it.

He might look like a dog, but his cultivation was actually very high. He had even reached the level of a five-star Sage-to-be.

In the heaven realm, many Immortals and great demons were not the opponent of the celestial Hound.

Legend had it that the celestial Hound was once able to suppress the Monkey King.

However, the Monkey King later ate the immortal peaches and immortal pills, and experienced the Great Tribulation of death in the pill furnace. His cultivation soared, and his strength surpassed the celestial Hound.

"Xiaotian! Howling sky!"

Chen Xiaobei called out Xiao Tianquan's name as he ran over.

However, the celestial Hound didn't have any reaction. It just lay on the ground as if it had fallen asleep, sometimes grinning foolishly, sometimes baring its teeth and roaring angrily.

It looked like she was having a sweet dream and then a nightmare.

Obviously, it was trapped in the illusion of the realm of reincarnation, experiencing every minute and second of its life.

"Houtu! How do I wake Xiao Tian up?" Chen Xiaobei asked impatiently.

"Put your hand on him, I will help you wake him up!" Houtu smiled and activated the power of the Saint orb of reincarnation.

#### **Chapter 3793: not fighting**

"Whoosh ..."

Houtu held Chen Xiaobei's hand and used the reincarnation orb to dispel the formation's effect on the celestial Hound.

"Wuu ... Uh ... Who is it? Who saved me?"

Soon, the celestial Hound woke up, its eyes full of doubt.

"Heavenly roar! It's me! I'm Chen Xiaobei!"

Chen Xiaobei immediately helped the celestial Hound up and said excitedly, "Good brother! We've finally met!"

"Bro bei! Is ... Is it really you?" The celestial Hound couldn't believe its eyes and even suspected that it was still in an illusion.

"It's me! You've seen my photos! How can it be fake?" "It's great to see you safe and sound!" Chen said.

The celestial Hound heard this and also revealed an excited smile, "We used to talk about drinking together in the group ... I didn't expect our first meeting to be in this place!"

"You'll have plenty of chances to drink!"

let's go! Chen Xiaobei said, "the most important thing now is to save Taiyin true deity and find Monkey King! As long as brother monkey is safe, the three of us can drink as much as we want!"

"This is easy!"

The celestial Hound grinned, then twitched its nose.

Obviously, he was sniffing for the aura of the Taiyin true deity.

However, very quickly, his expression changed completely. His smile disappeared completely and was replaced by a frown and a look of bewilderment.

"What's wrong?" Chen Xiaobei could tell that something was wrong and quickly asked.

"He's gone!"

the aura of the Taiyin true deity has disappeared," the celestial Hound said. in addition, the aura of my Erlang immortal master has also disappeared!

"It disappeared? this ... Chen Xiaobei was equally shocked and puzzled.

"There's only one possibility of him disappearing!"

Houtu said seriously with her beautiful eyes, "Taiyin true deity and Yang Jian both saw through the Dao of reincarnation and rushed out of this formation!"

see ... See through the Dao of reincarnation!? Chen Xiaobei and the celestial Hound could not believe what they were seeing.

However, after thinking about it carefully, it was really possible.

Taiyin true deity and Yang Jian were both geniuses, and they had been in a desperate situation more than once.

And this time, they had also relied on their own talent, wisdom, and courage to charge out of the desperate situation.

This was definitely possible!

"But when we came in, we didn't see them!" Chen Xiaobei asked.

"According to my guess ..."

Houtu analyzed, "Taiyin true deity is here for the reincarnation Pearl! However, at the same time as Taiyin true deity, Yang Jian had also seen through the Dao of reincarnation! In order to protect the Saint Pearl, Taiyin true deity left this space and led Yang Jian away!"

"You mean, they have already left this place?" Chen Xiaobei asked.

“Yes, I can confirm that they are not here!”

The celestial Hound said with certainty, “this little sister’s analysis is correct!” When immortal Erlang and I were chasing after Taiyin true deity, we already found out that he was indeed looking for something!”

“Forget it. Since they’re not here, let’s leave.”

“Oh right, heavenly roar, how many of you are chasing after Taiyin true deity?” Chen Xiaobei asked. How many people are trapped in this formation?”

this time, Erlang immortal master brought a total of 3000 celestial soldiers, but 1000 of them were lost on the way. 1700 were killed by Taiyin true immortal. There should be 300 celestial soldiers left in this formation ... the celestial Hound said.

“Only 300 celestial soldiers?” Houtu! Chen Xiaobei grinned and said, “ Houtu, remove the formation! Kill these 300 grasshoppers, and I will take the underground spiritual vein!”

Obviously, Chen Xiaobei was in need of spiritual Qi. There was no way he would let go of an entire quasi-Holy spiritual vein.

Once the spiritual vein was emptied, the formation would stop and the people trapped inside would regain their freedom and become Chen Xiaobei’s enemy.

That was why Chen Xiaobei wanted to kill them all.

Of course, if they were willing to submit to Chen Xiaobei, that would be a different story.

“Bro bei! Can you please not kill them?”

“These heavenly soldiers are all Erlang immortal master’s personal soldiers. They can be considered my Good Brothers ...” The celestial Hound said.

“ I’m fine with not killing them, ” Chen Xiaobei said, frowning. but, can you guarantee that they won’t kill me? ”

“I can guarantee that!”

“Well, I’m their superior!” The celestial Hound grinned.

Obviously, the celestial Hound also had an official position in the celestial heavens! Moreover, the cultivation of a five-star quasi-Sage was much stronger than some heavenly generals, so his status and power were naturally higher!

“Good! I believe you!” Chen Xiaobei nodded and gave Houtu a look.

“Whoosh ...”

With a thought, Houtu removed the entire formation.

All the fog in the surroundings had dispersed. On the ground, there were many skeletons. They were obviously people who had been trapped to death in the past trillion years.

These people came from different races, with different cultivation and identities.

However, they all had one thing in common!

That was, they all had storage bracelets, space rings, and even a dimensional space!

“This is really a pleasant surprise!”

Chen Xiaobei had only wanted one spiritual vein, but he did not expect to get so many resources from the place.

This unexpected surprise was really great.

“Woof! Buzzzzzz! Yi ...”

However, before he could get anything, the 300 celestial soldiers flew up and surrounded him at a very fast speed.

These celestial soldiers were all nine-Star Mystic Immortals, and their weapons and equipment were not low in level. It was clear that they were elite troops personally built by Yang Jian.

“General Xiao Tian! Are you alright?”

Although the heavenly soldiers had surrounded the scene, they did not make a move.

“Whoosh ...”

The celestial Hound turned into a human, which was actually a young man wearing black clothes, “I’m fine! From now on, we will form an alliance with God Chen to find Erlang immortal master!”

“What? He ... He is Chen Xiaobei? Isn’t he dead?”

The heavenly soldiers were shocked. Some of them were so frightened that their faces changed and they broke out in cold sweat.

“It’s a long story, I’ll explain it to you later! However, if we want to save Erlang immortal master, we’ll need God Chen’s help!” The celestial Hound said.

“This ...”

The 300 celestial soldiers hesitated, but after some hesitation, they chose to obey. “As you command! Since general Xiao Tian has said so, we will definitely follow his orders!”

It had to be said that Yang Jian still had some skills.

The soldiers he trained were all very loyal and brave. Once they heard that they were going to save him, no one retreated. Even if death was in front of them, they would not retreat.

Moreover, these soldiers were very disciplined and absolutely obeyed orders without any doubts.

“Heavenly roar ...”

Chen Xiaobei pulled the celestial Hound to his side and said, “These soldiers are too loyal ... When I go to war with Yang Jian, they’ll definitely fight to the death to protect their master! He’s still a problem ...”

“I won’t fight!” The celestial Hound heavily shook its head, its attitude was very firm.

## Red Envelope Group of the Three Realms

### Chapter 3794: surprise

“Why not?”

Chen Xiaobei was surprised. Yang Jian is the God of War of the heavenly court and a disciple of the clan of enlightenment. He will not let me go if I don't fight him!

“Trust me!”

“I can help Erlang immortal leave the clan of enlightenment and become Xiaobei's brother!”

how ... How is this possible?! Chen Xiaobei could not believe his ears.

“It's true!”

The celestial Hound said, “my Erlang immortal master brought me up very well. It was very easy!” More importantly, he's just like you, bro bei. He's a very filial and honest man!”

“Sincere and filial? Yang Jing?” Chen Xiaobei was confused.

“Bro bei, don't you know? My Erlang immortal master's mother is the Jade Emperor's sister, fairy Yun Hua!”

The celestial Hound said, “that year, fairy Yun Hua privately had a child with a mortal in the mortal world. She violated the heavenly law! Who would have thought that the Jade Emperor would be so ruthless as to suppress fairy Yun Hua under the peach mountain and directly kill immortal Erlang's father!”

from then on, Erlang immortal master and the heavenly court were at odds. He became a disciple of immortal Yuding, one of the twelve golden Immortals of the clan of enlightenment. He worked thousands of times harder than ordinary people to become stronger!

finally, Erlang immortal master has completed his cultivation. He also experienced the third immeasurable cultivation tribulation and became a Sage-to-be. Among the younger generation of the clan of enlightenment, he is most valued by the heavenly Lord Yuanshi. His future is limitless!

“However, my Erlang immortal master has never forgotten about my mother who is suffering! He was risking the crime of violating the heavenly rules! He was risking his future in chianism! He was determined to kill his way to peach mountain! He carried the mountain and rushed to the sun, split the peach mountain with his strength, and rescued fairy Yun Hua!”

“Since then, my Erlang immortal was put under house arrest at the mouth of Guan River by the Jade Emperor. On the other hand, almost everyone in the clan of enlightenment, except for immortal Yu Ding, cut off all contact with my Erlang immortal! It's obvious that the heavenly Lord Yuanshi has given up on immortal Erlang!”

The celestial Hound was an insider, so he explained in great detail. Many details were unknown to outsiders.

“You're right ...”

Chen Xiaobei could not help but sigh. "In order to save his biological mother, he cultivated with all his might, crossed the cultivation tribulation, disobeyed the heavenly rules, and gave up his future ... Yang Jian is indeed a man with the utmost sincerity and filial piety! I'm convinced!"

but ... Chen Xiaobei thought for a moment, then said, " "Why did Yang Jian become the heavenly court's war god? He used to capture brother monkey, and now he's hunting the Taiyin true deity. He's working for the Jade Emperor!"

that's what I'm going to say next. It's an important reason for Erlang immortal master to form an alliance with bro bei!

The celestial Hound said, "in the past, the great sage equal to heaven wreaked havoc in the heavenly Palace!" The heavenly generals were helpless! It was unknown what Pagoda-bearing Heavenly King Li Jing was planning, but he did not fight with all his strength! The Jade Emperor has been forced to the point where he has no one to use!"

"At that time, the Western religious sect and the Jade Emperor were very close. It was Guan Yin Bodhisattva who came forward and suggested to the Jade Emperor to let my Erlang immortal Lord deal with The Great Sage, Heaven's Equal! At that time, the Jade Emperor didn't dare to agree, for fear that releasing a fierce tiger would hurt him instead!"

"However, the situation at that time was very delicate! The clan of enlightenment seemed to want to test the loyalty of the Jade Emperor and see if he would turn to the Western religious sect when he was forced into a corner. Therefore, the big shots of the clan of enlightenment didn't make a move!"

"The Western religious sect didn't dare to slap the clan of enlightenment in the face, so they didn't interfere directly! Although the Jade Emperor is afraid of my Erlang immortal master, he can't let The Great Sage, Heaven's Equal, destroy the heavenly court!"

therefore, the Jade Emperor decided to lock up fairy Yun Hua again and force my Erlang immortal master to work for him!

"Bro bei, you should know what's going to happen next! Our Erlang immortal master cut off the tail of the great sage equalling heaven and captured him back to the heavenly court ..."

"Since then, the despicable Jade Emperor has been imprisoning fairy Yun Hua. Therefore, my Erlang immortal Lord has no choice but to continue working for him!" The celestial Hound said angrily.

bro bei, if you can promise to help my Erlang immortal master save my mother, then my Erlang immortal master will definitely become your loyal ally!

"No problem!"

After listening to yang Kuai's story, Chen Xiaobei said without hesitation, " "I'm willing to help Yang Jian save his mother! If it was my mother who was caught, I would definitely cut the Jade Emperor into a thousand pieces, grind his bones and scatter his ashes!"

MMM, with bro bei's words, everything will be easier! The celestial Hound nodded. let's leave this place immediately. I'll follow the aura. I should be able to find my Erlang immortal master or Taiyin immortal soon!

“Wait!”

Chen Xiaobei took out the heaven and earth smelt and the earth escape Holy gourd.

Then, Chen Xiaobei went underground and absorbed all the spiritual Qi from the quasi-Saint spiritual vein into the heaven and earth smelt.

After that, Chen Xiaobei released the 10000 demonic Pixiu crows from the ring of all beasts.

Soon, all the storage Treasures in the infinite space were in Chen Xiaobei’s hands.

There were more than 18000 storage bracelets and interspatial rings!

“Whoosh ...”

Chen Xiaobei then activated the divine jade light.

Then, the Xumi space that was invisible to the naked eye turned into small green dots.

Chen Xiaobei personally gathered all the dimensional spaces.

There were actually three hundred of them.

More importantly, when Chen Xiaobei was collecting the Sumeru space, he made another super surprising discovery!

It was the corpse of a Qilin!

The surrounding rocks had been severely weathered and had almost decayed.

It could be seen that this Qilin had died a long time ago.

However, what was amazing was that its corpse was actually intact. It was also shining with spiritual light and not stained by a single speck of dust.

“It won’t stop! Untainted by the mortal world! This is the corpse of a high-rank Qilin!” Houtu said in surprise, “ I didn’t expect that a Qilin would accidentally enter this place in the long years. It’s unbelievable!”

“That’s great! With this Qilin’s corpse, my cultivation will be able to soar greatly!” Chen Xiaobei was excited.

One had to know that a Qilin’s entire body was a treasure, and it was extremely beneficial to the improvement of one’s cultivation! Furthermore, there were no side effects! It was the best way to improve one’s cultivation!

Because of this, almost all of the Qilin clan had been annihilated.

And a Qilin’s corpse had actually appeared here. This was simply countless times more difficult than winning the lottery!

To Chen Xiaobei, this was a huge surprise. It was definitely something he needed the most at the moment.

With the increase in cultivation, one's lifespan would also increase!

With enough life, Chen Xiaobei was not afraid of anyone below the Saint level!

"Let's go!"

After putting away the Qilin's body and all the loot, Chen Xiaobei immediately led the group out of the space.

### Red Envelope Group of the Three Realms

#### **Chapter 3795: discovery**

He couldn't use the heaven glimpse Saint talisman for the time being, so he had to rely on the celestial Hound to travel.

So, Chen Xiaobei had the three ancestors of sorcery assist Xiao Tianquan in its journey. As for the 300 celestial soldiers, Xiao Tianquan kept them in his own Xu mi space.

Chen Xiaobei did not have to worry about the things on the road, but he did not idle around either.

After returning to the verdant Emperor's divine gourd, Chen Xiaobei began to count the spoils of war.

There were more than 18000 ancient Immortals 'Storage Treasures, 300 Xumi spaces, a quasi-Sage level spirit Meridian, and a Qilin corpse!

Among them, there were three billion upper-class spiritual jades, countless other resources, and some powerful ancient magical treasures.

Of course, these resources were far inferior to the resources in the treasure vaults of the Holy puppet city. Although there were many of them, their grades were not high.

After Chen Xiaobei had seen the good stuff, he decided that he would have to melt them down.

Then, he found 30 billion upper-class spiritual Jade in the 300 Sumeru spaces! There were more resources than before, and they were of a higher grade. More importantly, there were some high-level heavenly gods and even high-level Mystic Divine Dharma Treasures.

Of course, even though these items were of high quality, Chen Xiaobei could tell that they were all refined materials.

Chen Xiaobei had only left behind wood, water, fire, and Earth-Four pure 9-star Mystic Divine magical items to be used as a 5-star spiritual base.

The reason why he did not want the gold attribute was because Chen Xiaobei still had a peak-stage pre-Saint ancestral Dragon Holy vein whip. It was an extremely pure gold attribute magical treasure.

With the five elements spirit base, Chen Xiaobei would be able to use the five elements Dao, saving a lot of spiritual Qi.

Other than the four magic treasures that he had picked out, all the other resources were thrown into the heaven and earth smelt.

Chen Xiaobei wanted to use the refined heaven and earth spiritual aura to strengthen his chaos Blood Sword and Dragon's edge. He estimated that with enough time, these two magical items would be greatly improved.

Of course, in addition to the mentioned above, there was the last Sumeru space.

It was the one and only Meru space that he found on the Qilin's body.

The reason why it was unique was that this Meru space had been modified and strengthened. Not only was the space inside huge, but there was also a hidden mystery.

Now that the Qilin was dead, this Xumi space was ownerless.

After the spiritual connection, Chen Xiaobei became the new owner of the Qilin space.

He directly entered the Qilin's space.

Chen Xiaobei was stunned.

Previously, Houtu had said that this Qilin's corpse was immortal and untainted by the mortal world. Although she was not sure of its cultivation, she was sure that its bloodline and status were of a very high level in the Qilin clan!

At this moment, everything that appeared in front of her not only confirmed Houtu's guess, but also proved that this Qilin's cultivation must have been very high when it was alive.

Right in front of Chen Xiaobei, there were 81 quasi-Holy spiritual veins!

Each of them was a trillion kilometers long, as wide as a heavenly River, and they were beautiful and vibrant.

These spiritual veins were not underground, but intertwined in the air. They flowed slowly like the Milky Way in the nine Heavens. However, the stars in the 'Milky Way' were all colorful and beautiful like a dream.

Other than the spiritual vein, Chen Xiaobei also saw a mountain of precious herbs, metals, gemstones, and other treasures.

Furthermore, the grade of these items were all between high level profound deity and Seven Star quasi-Sage.

It wasn't an exaggeration to say that any one of these items was priceless.

On the other side, Chen Xiaobei found three magical treasures floating in the air.

Although there were only three of them, they were all of high quality. They were definitely one in a million. Not only were they extremely powerful, but they were also extremely rare!

The first treasure was a golden sword formation diagram!

This array was called " 10000 swords ", a seven-star pre-Saint array. Once it was used, 10000 swords would come out at the same time and it could be invincible.

Of course, the cost of using it once was huge. It required nine pre-Saint spiritual veins.

After that.

The second magic treasure was a mountain that had been refined to the size of a palm!

This mountain was called the sword cavern. It was also a seven-star Sage-to-be, and once its power was activated, the palm-sized sword cavern mountain would turn into a high mountain. Anyone below the seven-star Sage-to-be would be crushed under the mountain, unable to move.

Of course, the cost of using it once was five pre-Saint level spirit meridians.

In addition, there were 10000 immortal swords hidden in the mountain of sword cavern. They could be used together with the " 10000 sword formation " to further increase its power.

However, the consumption would be even greater.

Finally.

The third magic treasure looked like a broken long sword.

The sword was translucent like Amber, but it was full of cracks. It had been broken into three parts.

The name of this sword was Tian Po!

As it had no spirituality, it was impossible to determine its level.

However, the fact that it was placed together with the previous two spiritual treasures showed that once this sword was repaired, it would be at least a seven-star Sage-to-be!

Of course, Chen Xiaobei would not be able to repair something of this level.

He could only wait until he reached a place where he could connect to the immortal network of the Three Realms and ask Mother Nuwa for help. Perhaps only then would he have a chance to fix it.

After looking at the treasures, Chen Xiaobei continued to venture deeper into the Qilin space.

This space was extremely huge, as if it was boundless. Moreover, the environment inside was very good, and there were even traces of living things.

Perhaps there were many Qilin or other creatures that lived here.

In the center of this space, there was an extremely gorgeous Palace. It seemed to be built with precious stones and Jade, more gorgeous than the scenes in fairy tales.

Obviously, this was the palace where the Kirin used to live.

Perhaps, this Meru space was his country. He had his family, friends, citizens, and the best way of life.

However, for some reason, he was the only one left.

Chen Xiaobei walked into the palace to see if there was anything else he could find.

However, after entering, the palace was already empty. Not to mention treasures, there wasn't even a chair for him to sit on.

Those who didn't know better would think that a thief had broken into the palace and emptied everything.

However, Chen Xiaobei soon found the problem!

“Whoosh ...”

An extremely dazzling red light scattered out from the void in the center of the palace.

Then, slowly, the red light interwove and condensed into the shape of a Red Lotus.

“This ... This is ...”

Chen Xiaobei's pupils constricted and his scalp went numb!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3796: who is it**

That's right!

The Lotus that had suddenly appeared in the red light was the demonic Fire Red Lotus imprint that was closely related to the heavenly Dao.

is that dead Qilin also a chess piece of the heavenly Dao? ”

what?! Chen Xiaobei was shocked. those who have the demonic Fire Red Lotus mark will explode with a shocking amount of power when they die!

however, the Kirin was trapped by the reincarnation Grand formation and died of old age. He didn't have any real enemies. Therefore, his demonic Fire Red Lotus seal didn't burst out its power and was preserved!

A demonic Fire Red Lotus mark that he had kept appeared in front of Chen Xiaobei.

This was definitely an important matter.

Perhaps, he could find some clues about the heavenly Dao.

Of course, Chen Xiaobei remained calm and did not act rashly. perhaps the illusory Kingdom in the Qilin space was destroyed by the demonic Fire Red Lotus mark!

Chen Xiaobei's deduction made sense.

There was indeed a country in this space.

Even if the Qilin was trapped to death, the environment here was very good. The people in the country could continue to reproduce. As long as the inheritance was passed down from generation to generation, it was impossible for the Qilin to be completely exterminated!

Therefore, it was very likely that the demonic Fire Red Lotus seal was the reason why this country and this Palace were empty.

Not only did Chen Xiaobei not dare to get close, he even took a few steps back.

This was not a joke!

The demonic Fire Red Lotus imprint was something that belonged to the heavenly Dao. If there was really danger, even the heavenly Dao Saints would not be able to resist it.

“Bang!”

However, after Chen Xiaobei took a few steps back, the palace door suddenly closed.

If it was a normal door, it would not be able to block Chen Xiaobei’s way. In fact, no one in the heavenly realm could stop him.

However, at this moment, the door of this Palace was also made of a material like beautiful jade and gems. Not only did it exude a strong spiritual nature, but it also faintly emitted celestial core power!

could it be that ... This ... This Palace is also a magical treasure?! Chen Xiaobei panicked.

Upon closer inspection, he found that the entire Palace was indeed absorbing spiritual Qi from the outside world and then activating a rather strange sealing power.

seven ... Another seven-star quasi-Sage!

Chen Xiaobei did not expect an ownerless Qilin space to have an ownerless Treasure Palace!

“Perhaps the demonic Fire Red Lotus mark is the owner of this Palace!”

Chen Xiaobei quickly made his own judgment, ” “I’m in big trouble now. I’m trapped here, how can I get out? I won’t be trapped here until I die, right?”

It was obvious that Chen Xiaobei did not have the ability to break out of the seal.

Besides, Chen Xiaobei did not dare to touch the demonic Fire Red Lotus mark. He might just disappear from this place.

Of course, it was impossible to attack by force. Who knew if the demonic Fire Red Lotus seal would explode with a counter-attack that could destroy everything?

Although Chen Xiaobei had the humanity mark, he could take damage once every 24 hours.

However, it could only withstand the power of those below the heavenly path Sage level.

And the demonic Fire Red Lotus imprint might even explode with power that surpassed the heavenly path Sage’s.

Just thinking about it made Chen Xiaobei’s hair stand on end. He would not act rashly.

oh no... Am I really going to be trapped here until I die?!

Chen Xiaobei furrowed his brows. He had no other choice.

Luckily, the demonic Fire Red Lotus mark did not attack Chen Xiaobei.

“Think of a way ... I have to think of a way quickly ...”

Chen Xiaobei suppressed the panic and anxiety in his heart and tried to calm himself down.

If one's mental state was strong enough, even if the sky collapsed, they could still remain calm. And a calm mind was often the key to breaking out of a situation!

"Oh right! I still have another key!"

Chen Xiaobei quickly thought of a way to break out of this situation. He summoned six-eared macaque.

Now, the value of transforming the six-eared macaque was once again revealed.

The six-eared macaque had the kun Peng's memories. It might have some special insights about the demonic Fire Red Lotus mark.

bro bei ... This ... This is?! The six-eared macaque was shocked.

"You're not mistaken! This is the demonic Fire Red Lotus imprint!"

I'm trapped here! Chen Xiaobei said. take a look and see if there's any way to leave this place.

"This ..."

Six-eared macaque was taken aback. "Although I have the memories of the kun Peng, I have never seen or heard of such a scene ..."

"It's over ... If even you say that, I'm afraid we really won't be able to get out!" Chen Xiaobei furrowed his brows in despair.

"Bro bei, don't worry! Try to get the kun Peng out again!" "After all, I didn't manage to duplicate the demonic Fire Red Lotus mark!" Six-eared macaque said. Perhaps when the two imprints are put together, some special changes will occur!"

The six-eared macaque's discipline wasn't high enough, so it couldn't copy the demonic Fire Red Lotus mark.

Fortunately, six-eared macaque was smart enough, and his warning was very reasonable.

After all, the demonic Fire Red Lotus imprint came from the same source. Perhaps when the two imprints met, it would really trigger a special change.

"Alright!"

Chen Xiaobei nodded and released the kun Peng.

"What is this place? Cough, cough ..."

The kun Peng's body was impaled with the heaven-nailing cone nail. He was extremely weak and could not stop coughing and panting. It was as if he would faint at any moment.

"Whoosh ..."

In the next moment, before kun Peng could react, a huge change occurred in the entire space.

The demonic Fire Red Lotus in the air exploded with spiritual light, dyeing the entire space blood-red.

At the same time, the demonic Fire Red Lotus mark on the kun Peng's body started to shine.

what ... What's going on???"

Seeing this, kun Peng was stunned. He even trembled and showed an incredulous expression.

Evidently, everything that was happening now had never happened before in kun Peng's memory.

Even kun Peng didn't know what had happened.

"Whoosh ..."

As the two demonic Fire Red lotuses shone on each other, a special resonance was produced between them, and a light screen actually appeared in the middle!

On the light screen, a Sage-like old man with white hair and a white beard was reflected.

The old man sat cross-legged on a twelfth-grade nine-colored Holy Lotus. His robe shone with a round holy light as bright as the sun.

His eyes were closed as if he was in deep sleep, but also as if he was listening attentively to something.

who ... Who is this person?!

Chen Xiaobei was shocked.

Perhaps Chen Xiaobei's voice was too loud and woke the old man up.

He slowly lifted his eyelids and stared at Chen Xiaobei with his deep, universe-like eyes.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3797: breaking out**

Dao ancestor Hongjun!!!

Six-eared macaque and kun Peng exclaimed in unison.

That was because kun Peng had seen the Dao ancestor before. Thus, both of them could recognize the person on the light screen.

Chen Xiaobei!

Hongjun ignored six-eared macaque and kun Peng. He looked at Chen Xiaobei and said in a serious tone, "You've already committed a heinous crime! If he still didn't repent! He will be consigned to eternal damnation and his body and soul will be destroyed!"

"Hongjun! In terms of seniority, I should call you Grandmaster, but you're heartless and completely disregard the life and death of your disciples and Grand-disciples, so don't blame me for not acknowledging you as Grandmaster!"

Chen Xiaobei glared at her coldly. His strong state of mind did not allow him to be afraid at all. "You said that I've committed a heinous crime, but have you ever thought about what I'm doing all this for?"

"Why?" Hongjun asked seriously.

"I wreaked havoc in the heavenly court to save the innocent fairy Chang 'E! I captured kun Peng alive to protect my master!"

what if saving her is what you call a heinous crime?! Chen Xiaobei retorted. Then I want to ask, what is the Justice you keep talking about? What was punishing evil and promoting good? Could it be a fart?"

"What a sharp mouth!" Hongjun said indifferently, " but don't forget that this world is under the control of the way of heaven. Justice recognized by the way of heaven is justice! Only kindness acknowledged by the heavenly Dao is true kindness!"

hehe ... Chen Xiaobei laughed. so you're saying that saving someone that the heavenly axiom does not approve of is a sin? What a joke! If the heavenly Dao can't distinguish black from white, pointing out a deer as a horse, does that mean everyone has to cooperate with him?"

"If you cooperate with the heavenly Dao, I can let you Live! Let me ask you, are you willing to cooperate?" Hongjun asked.

"I understand!"

you Saints! Chen Xiaobei said disdainfully. you're all cooperating with the heavenly Dao in order to survive! You're distorting the truth and calling a deer a horse! You're ignoring justice and harming the good! If I were you, I would definitely kill myself and never bring disaster to the world!"

"You say it so easily!"

Hongjun squinted, cupped his hands and bowed to the sky, saying, " "A heavenly decree! If you, Chen Xiaobei, are willing to submit to me, the heavenly axiom will help you become the eighth Saint! From then on, he would stand proudly at the peak of the universe! Undying and imperishable! Ten thousand tribulations won't grind you down!"

"What if I don't submit?" Chen Xiaobei retorted.

"Die!" Hongjun only said one word. His tone was firm and as heavy as the endless universe. Even through the light curtain, one could feel a terrible pressure and killing intent.

Six-eared macaque and kun Peng were so scared that their faces turned pale and their bodies trembled.

Of course, Chen Xiaobei did not feel good either. After all, it was the pressure of a Dao ancestor. It was absolutely terrifying.

However, Chen Xiaobei's state of mind had been greatly enhanced after going through so many life-and-death trials, and facing jiejin, demonic Luo Wutian, and demon master Kunpeng!

Chen Xiaobei could barely hold on. Although it would be tough, he would not be in as much of a sorry state as kun Peng and six-eared macaque.

"Chen Xiaobei ... You ... What are you hesitating for?" she asked. Kun Peng trembled and said, "either you become a saint!" Either you die! Even a retard wouldn't make the wrong choice in this kind of multiple choice question!"

“I’ve said it before, I’d rather die than cooperate with the heavenly Dao’s performance!” Chen Xiaobei answered without even blinking.

Luna ... You are a complete lunatic ... kun Peng trembled and broke out in a cold sweat.

At the same time, six-eared macaque was extremely nervous. “Bro bei! Don’t talk nonsense with Hongjun! As time passes, he might find this place!”

“Don’t worry! If he could find it, he would have already killed his way here!”

Chen Xiaobei’s dark eyes glowed with a sharp light.

“Hongjun! You listen! I don’t care about being a heavenly path Saint! If you can still say something useful, then say it quickly! If you’re still spouting sh \* t like before, then I’m sorry I can’t keep you company!”

Domineering!

Unparalleled power!

Kun Peng and six-eared macaque were stunned by the scene.

Even Dao ancestor Hongjun was stunned. He choked and could not speak for a long time.

Chen Xiaobei was the first person in the universe who dared to speak to Hongjun in such a manner!

“Alright!”

Hongjun calmed himself down and said indifferently, “since you want to die, we will help you sooner or later. However, before I kill you, we need to talk about the kun Peng!”

Chen Xiaobei knew that the kun Peng had a special effect on the heavenly axiom, and that the heavenly axiom would find a way to get the kun Peng back.

This was Chen Xiaobei’s only chance to save the prime of Tongtian.

“Alright, tell me, what do you want to discuss about the kun Peng?” Chen Xiaobei asked.

“If you let kun Peng go, we’ll let Tong Tian go!” Hongjun directly stated the condition of one for one.

“Why should I believe you?” Chen Xiaobei asked.

“Why don’t you believe me?” Hongjun said indifferently, ‘Tongtian is your master! And the kun Peng was just a dog of the heavenly Dao! If the heavenly Dao has other dogs, it’ll be too late for you to believe it!’

Obviously, Hongjun was threatening Chen Xiaobei.

If the heavenly Dao had a new dog, sect leader Tongtian would die without a doubt.

Therefore, if Chen Xiaobei wanted to exchange the hostages, he had to do it as soon as possible. If this dragged on, the prime of Tongtian would be in greater danger.

“I agree with this plan ...”

“But, how can I be sure that you won’t do anything to my Sifu?” Chen Xiaobei asked. And how can we be sure that you won’t betray us at the last minute?”

“This will depend on your own ability!” Hongjun said indifferently, “ don’t forget. You’ve already chosen to die. Even if we did something, even if we betrayed you, it’s only natural!”

“If that’s the case, then everything you said just now was all Bullsh \* t!” “If I can’t save Sifu, why should I return to kun Peng?” Chen Xiaobei said angrily.

“Still the same words!” Hongjun said coldly, “ if you send Kunpeng back, you might be able to see Tongtian. If you don’t send the kun Peng back, you won’t even be able to see Tong Tian when the heavenly Dao has a new Lackey!”

“Alright! Let’s see if the heavenly Dao is faster or I am faster!” no! Chen Xiaobei said coldly, “ if I can capture kun Peng alive, I can also capture anyone who might become the heavenly axiom’s Lackey!

“Hehe, Who Do You Think You Are?”

Hong lie said disdainfully, “ you’re trapped in the red Lotus formation. You can’t even escape. How can you capture the dogs of the heavenly axiom alive? ”

Chen Xiaobei had been sealed in the palace. The level of the seal was so high that it was not something Chen Xiaobei could break.

If this continued, Chen Xiaobei would be trapped and the prime of Tongtian would die.

“Chen Xiaobei! The situation was already very clear! You can’t break out of this!” Hongjun said coldly.

“With your words ...”

Chen Xiaobei looked at her and said, “ “I’m definitely going to break this trap!”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3798: Realm**

##### 3798 Realm

“What a joke! With your current ability, if you can break out of this situation, I’ll let you be the Dao ancestor!”

Hongjun was disdainful. He believed that there was no doubt about this matter.

Even six-eared macaque and kun Peng were in disbelief. They could not figure out how Chen Xiaobei was going to break out of this situation.

After all, the Red Lotus formation was a Seven Star pre-Saint.

None of the Trump cards in Chen Xiaobei’s hand could be compared to this.

Although six-eared macaque had the kun Peng’s cultivation, he was still heavily injured. Even if he risked his life, he could not guarantee that he could break the formation.

After all, the core of the formation was the demonic Fire Red Lotus imprint!

No one could be sure if they would suffer the most fatal counterattack if they tried to break the formation by force.

Because of that, no one believed that Chen Xiaobei had the ability to break out of this situation. Everything was still under the control of the heavenly axiom.

“Whoosh ...”

But the next moment, Chen Xiaobei put the kun Peng back into the Meru space.

The connection between the two demonic Fire Red Lotus seals was forcefully cut off.

Then, the huge light screen closed completely.

This way, Hongjun would not be able to see what was going on here, and Chen Xiaobei would have to make his move to break the situation.

bro ... Bro bei, what are you going to do? ”

Six-eared macaque swallowed his saliva and was very worried. I’ve been following you all this time. You don’t have any trump card that can break the situation!

“You’re right! I don’t have any trump cards that you can see, but there’s one thing that you can’t see ...”

Chen Xiaobei summoned his avatar and said, ” “In the Holy puppet city, I broke through 11 major realms! The avatar has gained 11 chances to devour and strengthen itself!”

“This ... This ...”

Six-eared macaque’s heart skipped a beat. He gulped and said, ” bro bei, are you planning to devour the demonic Fire Red Lotus mark? ”

“Yes, I am!”

I’m ready, ” Chen Xiaobei said as he activated the formless chaotic body.

“I’ve already calculated that this demonic Fire Red Lotus seal is the core of the entire sealing formation! As long as we take this mark, the seal will break on its own!”

“However, if you forcefully attack the demonic Fire Red Lotus mark, you might receive a fatal counterattack. Thus, I can’t let you take the risk!”

“After much thought, devouring is the only way to break out of this situation!”

Chen Xiaobei did not do anything stupid. He had thought about it carefully before coming up with this plan.

“Yeah ... This might be our only way ...”

Six-eared macaque nodded, but he was still worried. however, the level of the demonic Fire Red Lotus imprint might be higher than the ” phaseless chaotic body “. What if I can’t devour the demonic Fire Red Lotus imprint? ”

this problem used to trouble me, but it’s no longer a problem now!

I've got a divine bloodline now! Chen Xiaobei raised his eyebrows. my cultivation has increased by leaps and bounds! The strength of my Dharmakaya and my special ability have also increased!

as long as this demonic Fire Red Lotus seal isn't one realm higher than the Saint level, I can try to swallow it. Even if I can't swallow it in one bite, I don't believe I can't swallow it in eleven bites!

Chen Xiaobei had heard about it from An Hua, the hidden chess piece of the prime of Tongtian, back in the great void universe.

There were Nine Realms in the heaven realm!

True immortal! Mystic immortal! Golden immortal! A perfected golden immortal! A primordial chaos golden immortal! A zenith heaven golden immortal of origin! A chaos limitless gold immortal! Heavenly Lord of Chaos! Supreme Chaos!

Golden Immortals were divine realm experts, primordial origin golden Immortals were Mystic gods, primordial origin golden Immortals were quasi-sages, and primordial origin zenith heaven golden Immortals were true sages!

Above true sage, there were three realms that even sect leader Tongtian could not identify.

With Chen Xiaobei's current strength, as long as the demonic Fire Red Lotus mark was still within the Saint tier, even if it was a Nine Star Saint tier, Chen Xiaobei could try to devour it.

"Bro bei! The kun Peng's memories have information about the realm you mentioned!"

Suddenly, six-eared macaque's eyes lit up. "A primordial chaos zenith heaven golden immortal is a true sage! The next major realm is called the primal Chaos limitless golden immortal, also known as the sacred king realm, which is the Dao ancestor realm!"

up there is heavenly Lord Chaos. I can't be sure, but I feel that this is the realm of the heavenly path. I've seen some vague records in some ancient ruins and called this realm the Saint path realm!

I have no clue about the chaotic Supreme realm after that. However, I only read vague records in ancient books. It should be called the Holy Phoenix realm!

as for whether there are higher realms above that, I have no idea!

Chen Xiaobei was shocked.

True sage, Saint King, Saint path, Saint Phoenix!

The attack was beyond Chen Xiaobei's knowledge and had reached an unimaginable level.

Of course, the latter two realms were only vaguely recorded in ancient books. No one knew if they were real or made up by the author.

However, true saints and Saint Kings were real existences.

"In other words, as long as this demonic Fire Red Lotus seal doesn't reach the Saint King level, I'll be able to slowly devour it with my eleven devouring chances!"

Chen Xiaobei focused his mind and activated his devouring ability to engulf the demonic Fire Red Lotus mark in the middle of the palace.

And now, it was the most critical moment!

If the demonic Fire Red Lotus mark could be devoured, Chen Xiaobei would have a chance to break out of this situation.

If the demonic Fire Red Lotus mark could not be devoured, Chen Xiaobei's plan would be for naught. He would not be able to think of any other way to break out of this situation.

In that case, Chen Xiaobei would have to compromise with the heavenly axiom and he would have no bargaining chips left!

"Whoosh ..."

Chen Xiaobei and six-eared macaque's hearts clenched tightly as the power enveloped them.

Finally!

Under Chen Xiaobei and six-eared macaque's anxious gaze, a small piece of the demonic Fire Red Lotus mark was successfully devoured.

"Success! My method is effective!"

Chen Xiaobei finally let out a sigh of relief.

"That's great!"

The six-eared macaque finally relaxed. It grinned and said, "Bro Bei, you have 11 chances. Even if it's not enough, you can still use the Qilin's body to continue your cultivation! Even if it's just a little bit, I can completely gnaw off this tough bone!"

"That's right!"

Chen Xiaobei calmed himself down and sped up.

It was just as the six-eared macaque had said. He had devoured the demonic Fire Red Lotus seal eleven times, but he had only managed to devour a small portion of it.

However, since the method was right, the next step was only a matter of time!

Chen Xiaobei took out the Qilin's body and studied it carefully. "I'll first absorb the bone marrow and see how much my cultivation can improve!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3799: soaring**

Chen Xiaobei took out the Qilin's body.

After studying it for a while, he still didn't know how to start.

This Kirin's entire body was covered in a unique rainbow-colored luster. Its body was covered in scales that were similar to dragon scales, yet completely different at the same time. The scales were

unimaginably hard. No wonder it was still undying after hundreds of millions of years. It was new and flawless.

Chen Xiaobei even took out his chaos Blood Sword to cut it, but he could not even leave a mark on the Qilin scale.

It was estimated that this Kylin was a high-rank pre-Saint when it was alive, and its bloodline was also at the high-rank pre-Saint level. It might even be more powerful than the Jade Kylin Saint.

“It seems like I can only use fire ...”

Chen Xiaobei then took out the divine Demon Fire.

“Ahem ... Bro bei! Wait a minute!”

But at that moment, the weak six-eared macaque finally recovered from the shock of devouring the demonic Fire Red Lotus seal.

“The kun Peng has a secret skill that is specially used to refine the Qilin race!” Six-eared macaque said.

The Jade Kylin Saint had allied with Chen Xiaobei in the Holy puppet city because he knew that the kun Peng had killed the descendants of the Qilin clan to increase his cultivation.

Therefore, the kun Peng must have a special way to refine everything in the Qilin’s body in the most efficient and safe way!

The Kirin’s entire body was a treasure. Even a single scale could help an immortal cultivator’s cultivation.

The higher the grade of the Qilin, the more obvious the effect of improvement.

“Hurry up! Quickly teach me this secret skill!” Chen Xiaobei said impatiently.

After that, six-eared macaque taught Chen Xiaobei the special secret skill.

With the scholar heart’s blessing, Chen Xiaobei was able to learn and understand everything in no time. He could then start refining it.

In order to speed up.

Chen Xiaobei brought the Qilin’s body into the verdant Emperor’s divine gourd.

Previously, Chen Xiaobei had captured 30 million Yu-winged demonic snakes, and he could use their lifespan to activate the sunlight cache.

Furthermore, there was another piece of good news after entering the verdant Emperor’s divine gourd!

For a long time, the Yu-winged magic snakes had been taking turns to activate the sunlight box to accelerate the growth of the blood Bodhi Divine Tree.

Moreover, Chen Xiaobei had absorbed a huge amount of spiritual Qi into the verdant Emperor’s divine gourd when he was wreaking havoc in the heavenly court.

As such, the 333 fruits on the blood Bodhi Divine Tree had all ripened and could be picked at any time.

“Six ears! Go and pick some blood Bodhi, it should be of some help to your injuries!” Chen Xiaobei said.

Clearly, the six-eared macaque already had the peak of the kun Peng’s Sage-to-be body. Although the blood Bodhi could heal serious injuries, it was not very effective on the six-eared macaque.

Of course, it was good as long as there was an effect. Even if the effect was not great, there were enough blood Bodhi to make the six-eared macaque feel better.

If six-eared macaque could recover its combat power, even if it could only use one move, it would be a great help to Chen Xiaobei. It was definitely worth it to exhaust all the blood Bodhi fruits!

“Alright!” The six-eared macaque nodded and went to pick the fruit.

“Whoosh ...”

On the other side, the Yu-yi demonic snake activated the sunlight cache and covered Chen Xiaobei and the Qilin’s body.

Chen Xiaobei activated the secret skill that he had just learned and started to refine the Qilin’s body.

This secret technique was like a vampire’s special ability. It could directly extract the special energy essence from the Qilin’s body, and the part where the essence was extracted would become a dried corpse.

Chen Xiaobei started with the Qilin’s left front leg.

The Kirin’s Black jade-like hooves quickly dried up and became dark like stones. In the end, they fell apart and completely shattered.

Further up, the Qilin’s scales fell off like shriveled paper, and its skin and muscles became as dry as a corpse.

In places invisible to the naked eye, his blood essence and bone marrow were rapidly drying up. Not a drop was left.

After a period of time, the Qilin’s left foreleg had been completely refined. It looked like a piece of withered wood that had been eroded by wind for many years. It would probably break into pieces with a single poke.

[ ding Qianqian’s cultivation base: early-stage four-star golden immortal. Lifespan: 25 billion years, physical body: 90 trillion, primordial spirit attack-sacred level!

The Hades mark showed Chen Xiaobei’s latest cultivation and lifespan changes.

From the peak of the nine-star Xuan immortal to the early-stage of the three-star golden immortal, there were thirteen small realms in total, which was much more effective than the Jade Kylin divine origin pill.

The rise in battle strength and physical strength was obvious.

The main point was that his lifespan had increased by almost two billion years for each of the 13 minor realms. It was simply amazing!

Of course, this was only the beginning.

“Whoosh ...”

Chen Xiaobei continued to refine the Qilin’s right front leg.

[ ding Qianqian’s cultivation base: advanced-stage six-stars golden immortal. Lifespan: 50 billion years, body: 1 billion trillion, combat power: 1 billion, primordial spirit attack-sacred level!

This time, he had advanced ten minor realms.

On average, the increase of each minor realm would increase one’s lifespan by 2.5 billion years.

“Whoosh ...”

Chen Xiaobei continued to refine the two hind legs of the Qilin.

The higher one’s cultivation was, the harder it was to advance. This time, his two hind legs had advanced by a total of ten minor realms.

[ ding Qianqian’s cultivation base is at the early stage of nine-stars golden immortal. Lifespan: 85 billion years, physical body: 100 trillion trillion, primordial spirit attack: Saint level!

His battle power and lifespan were still increasing rapidly.

This time, although it was more difficult to break through to the next minor realm, on average, the increase in lifespan for each minor realm was 3.5 billion years, which was very impressive.

In total, Chen Xiaobei’s level had increased by 33 levels.

As for the Qilin’s corpse, only its four legs had been refined. The most essential parts of its body, its sea of Qi dantian, spinal marrow, lifelines, and head, had not been refined.

If he could refine all of them, Chen Xiaobei felt that he could break through to the advanced-level of the mystic Divine realm.

Of course, Chen Xiaobei had to stop the refining now.

This was because it was a long process. Chen Xiaobei had already spent more than 360 days in the sunlight domain!

According to the effect of the immortal sunlight cache, three hundred and sixty minutes had passed in the outside world, which was six hours!

If Chen Xiaobei did not go out, the celestial Hound would be worried.

If they found yang Kuai or Taiyin true deity during this time and Chen Xiaobei was not around, the consequences would be unimaginable.

So, Chen Xiaobei had to stop refining it.

He put away the Kirin corpse and returned to the palace where the demonic Fire Red Lotus mark was.

“My new devouring opportunity should be enough! I’d like to see what kind of effect it will have after devouring it!”

Chen Xiaobei walked over and activated his Dharmakaya’s devouring ability.

### Red Envelope Group of the Three Realms

#### **Chapter 3800: Saint Ascension**

Finally ...

Therefore, after the devouring opportunity was used up, he would be devoured.

The mid to high-level Saint level demonic Fire Red Lotus mark had been completely devoured.

At that moment, Chen Xiaobei’s dharma body left his body.

A demonic Fire Red Lotus imprint appeared in his palm!

“This ...”

Chen Xiaobei was taken aback, and suddenly felt a little nervous.

Would he be controlled by the heavenly Dao because of this demonic Fire Red Lotus imprint?

If that was the case, wouldn’t he be shooting himself in the foot?

However, after some careful observation, Chen Xiaobei came to a new conclusion.

“This isn’t the true demonic Fire Red Lotus imprint!”

Chen Xiaobei looked at his palm and said, “The things that are devoured by the” non-phase chaotic celestial body “will only integrate their special abilities into my celestial body, and the original physical objects will not be retained!”

in other words, I’ve already digested the demonic Fire Red Lotus imprint. And right now, the imprint in my palm is only the origin of the special ability. That’s all it is and it can’t pose a threat to me!

as for what kind of ability it is ...

Chen Xiaobei calmed himself down and was ready to activate the special ability to see what kind of effect it would have.

However, after trying for a while, Chen Xiaobei was still unable to activate his special ability.

“Could it be ... That this demonic Fire Red Lotus imprint is the same as the real demonic Fire Red Lotus imprint? You’re going to wait until I’m dead before you can unleash a terrifying power that surpasses a Sage? This ... What use do I have for this!”

Chen Xiaobei was having a headache.

After much effort, he finally managed to swallow the demonic Fire Red Lotus imprint.

He didn’t expect to obtain a dead person skill. It was really infuriating!

forget it. At least my cultivation has been greatly improved and I can leave this damn place without being threatened by Hongjun!

Chen Xiaobei sighed and tried to comfort himself.

After all, if Chen Xiaobei was trapped here, the prime of Tongtian would be in even more danger.

However, if Chen Xiaobei left this place, the heavenly axiom and Hongjun would be worried and would not dare to threaten Chen Xiaobei with the prime of Tongtian.

“Eh?”

Chen Xiaobei was about to leave when he suddenly frowned. “I’ve already devoured the demonic Fire Red Lotus imprint, so why hasn’t the sealing formation been removed? What the hell?”

The entire Palace was still sealed by the magical formation. With Chen Xiaobei’s strength, there was no way he could break the formation.

“What the f \* ck! If that’s the case, wouldn’t all my hard work just now have been in vain?”

Chen Xiaobei wanted to vomit blood.

Suddenly, the demonic Fire Red Lotus seal, which had not shown any reaction, sent out a spiritual wave. It seemed to have sensed Chen Xiaobei’s depression and was trying to comfort him.

“Oh right! I can try it!”

Chen Xiaobei’s eyes lit up, and he was very excited.

Chen Xiaobei reached out his palm and focused on activating the demonic Fire Red Lotus mark.

“Whoosh ...”

This time, there was finally a different change!

The sealing formation that covered the entire Palace turned into a blood-red spiritual light and flowed into Chen Xiaobei’s palm.

To be more precise, it was the demonic Fire Red Lotus mark that was flowing into Chen Xiaobei’s palm.

“I understand!”

Chen Xiaobei’s eyes lit up and he said excitedly, “The special ability of the demonic Fire Red Lotus imprint is to control everything related to it!”

just like this array, I’m afraid only the heavenly Dao and I can control and dispel it. Everyone else can only break it with force!

“To be more direct, I now have an ability of the heavenly Dao! In all the universe, there might not be a third person with the same ability!”

Chen Xiaobei was excited at the thought.

“Swish ...”

Chen Xiaobei released kun Peng.

With a single thought, he activated the special ability of the Red Lotus in his palm.

you ... What do you want?!

Kun Peng was dumbfounded. He could not understand how Chen Xiaobei could have the demonic Fire Red Lotus mark on his palm.

“Strip!”

Chen Xiaobei’s mind flickered, and in an instant, a magical scene appeared under the cover of his supernatural power!

The demonic Fire Red Lotus mark on kun Peng’s body left his body and slowly floated in front of Chen Xiaobei!

“Heavens! This ... This ... This ... How is this possible?”

Kun Peng was dumbfounded. He was even more terrified than seeing a ghost. His pupils were locked, his scalp was numb, and he had goosebumps all over his body.

“Chen Xiaobei! How could you take away the demonic Fire Red Lotus imprint on my body?”

The kun Peng shrieked in shock, “in all the worlds, no one can control the demonic Fire Red Lotus mark except for the heavenly Dao!” You ... You ... You can’t be the heavenly Dao’s true self, right?”

“Heh, I’m the true body of the heavenly Dao? If it’s true, I’ll crush you to death right now!”

Chen Xiaobei smiled coldly as he toyed with the kun Peng’s demonic Fire Red Lotus mark. He was in a great mood.

I have just subdued that sealing magical formation. With the kun Peng’s demonic Fire Red Lotus imprint, I can reform the “Red Lotus ultimate formation”!

I can use the 300 Sumeru dimension and this Qilin dimension to strengthen the ‘Northern Mystic prison painting’. It’ll become a powerful magical weapon that can seal a Sage-to-be!

Chen Xiaobei felt so good when he thought about this.

“Wait! I seem to have more than one demonic Fire Red Lotus mark!”

Chen Xiaobei then took out a corpse from his infinite space ring!

That’s right!

That was the corpse of Daji the second!

Back on Earth, Chen Xiaobei had always called her little fox!

In order to save Chen Xiaobei, she had risked her life to block the opponent’s attack.

Chen Xiaobei had used a cleansing Bodhi to keep her body.

Originally, little Daji had already reincarnated into Yan Lingshi for the third time. This corpse was already useless.

However, Chen Xiaobei and lady Nuwa had both decided to keep the body.

This was because there was a demonic Fire Red Lotus mark on the corpse!

“Strip!”

Chen Xiaobei then removed the demonic Fire Red Lotus mark from the corpse.

Chen Xiaobei now had two demonic Fire Red Lotus Imprints.

“Whoosh ...”

After the seal was removed, the corpse turned into a dazzling golden powder and dissipated into the space.

On the ground, there was a cleansing Bodhi!

Chen Xiaobei put away the cleansing Bodhi and held the two demonic Fire Red Lotus Imprints in his hands. He was so happy.

“If I put the two marks into the formation, wouldn’t I be able to form an upgraded version of the [ Red Lotus ultimate formation ]? Is it possible to seal the Saints inside!”

Chen Xiaobei was so happy that he could not describe it.

On the side, kun Peng’s face was filled with horror. His entire face was distorted and his heart was about to explode!

Sealing a Saint?

This was a heaven-defying rhythm!
