Chapter 3811: shocking

“Bro bei! This is bad! We were tricked by Chu yingheng!”

The celestial Hound was shocked. It never thought that Chu yingheng, who was still polite and pleasant a second ago, would change his face in this second!

“Don’t panic ...”

Chen Xiaobei frowned. Although he was upset that he was being lied to, he was still calm and did not panic.

“Hahaha ... You little brat! You’re too naïve! You actually believed everything I just said!”

Chu yingheng proudly raised his chin and mocked, “Now, you’ve left your strongest helper on the ninth floor! Now, if I want to kill you two, it’ll be even easier than killing bugs!”

Obviously, Chen Xiaobei was not naïve. The main reason was that Chu yingheng’s lie was flawless.

For one, ancestor Red Cloud and the Zhen Yuan immortal were best friends. Many people in the Three Realms knew this, even the celestial Hound!

Secondly, Chu yingheng had the heaven and earth in the sleeve of the Zhen Yuan immortal, which was also an irrefutable evidence!

That was why Chen Xiaobei believed Chu yingheng.

The only flaw was that Chu yingheng’s celestial core power was fire, which countered Greenwood’s.

Of course, when Chen Xiaobei discovered this flaw, he did not think that it was a bad idea. But it was too late for him to react now.

“Fourth brother, what’s going on? Who are they?”

At this time, Wang Lu lianfeng from the Second World asked in a deep voice.

Chu yingheng pointed at Chen Xiaobei and said, “That kid called himself Chen Xiaobei from the Jie sect! He said that he was here to look for the three people from before! You attacked me just now and almost destroyed my physical body!”

“Find the three people from before? That means you’re here to die!” Lu lianfeng’s huge monster body let out a roar.

The voice was like thunder, shaking the entire space! At the same time, it exuded a terrifying killing pressure, which instantly made the celestial Hound’s pupils shrink and it swallowed its saliva.

It was obvious that the three people were Yang Jian, Sun Wukong, and Taiyin true deity!

At this moment, Lu lianfeng’s attitude was filled with hostility and even killing intent. It was clear that he would never treat Yang Jian and the others as guests.

how are my three friends now?! Who are you? ” Chen Xiaobei asked.

Chen Xiaobei’s anger was ignited.

First, he had been cheated, and now his friend’s life was threatened. Chen Xiaobei’s reverse scale was not just touched, but seriously provoked.

BOOM!

As he shouted, Chen Xiaobei’s body also exploded with an aura that was even more terrifying than Lu lianfeng’s! He was like a Supreme Saint who was suddenly enraged! Trillions of stars exploded at the same time, and the heavens of the universe were destroyed!

Chu yingheng and Lu lianfeng’s hearts beat wildly and their nerves tensed up. They even had the illusion that they were about to be crushed into dust. It was terrifying!

“What a terrifying pressure!”

Chu yingheng gasped and said in disbelief, ” “Who is this kid? Wasn’t the Jie sect already destroyed? Since when did we have such a terrifying disciple?”

It wasn’t hard to tell that the celestial race really wouldn’t leave the creation wood. They weren’t too clear about what was happening outside.

“Who can you blame for that?”

Lu lianfeng calmed himself down and said murderously, ” “It’s just that he has a strong mental state and a terrifying pressure! In terms of cultivation, we can destroy him with a single thought! There’s no need to worry at all!”

There was no doubt that Chu yingheng and Lu lianfeng were both peak stage Sage-to-be. Moreover, Lu lianfeng’s terrifying demon body talent could further enhance his strength!

It wasn’t an exaggeration to say that even if the six-eared macaque stood there with the ancestral Dragon Holy vein whip, it would still be dead.

In comparison, Chen Xiaobei and the celestial Hound were pitifully weak.

“You’re right!”

Chu yingheng also gradually stabilized his state of mind, he laughed evilly, ” “This kid is so stupid! I had a very strong helper who could have almost killed me! Unfortunately, he had left his helper on the ninth floor! No one can protect him now!”

“You two are full of nonsense. Are you done?”

Not only was Chen Xiaobei not afraid, his aura became even more domineering, and there was even a tangible killing intent.

“What!”

Lu Lianfeng's tone turned cold and he said disdainfully, "You little trash! You're on the verge of death, yet you still dare to speak to us in such a tone! I'm going to crush you to death now! I'll let you die without a complete corpse and your divine soul be destroyed!"

"Third brother! Why do I need you to deal with this little trash?"

Chu Yingheng's expression was extremely contemptuous, as if he was looking at two specks of dust, and he said, "I'll take care of it. Third brother, you can rest assured that I'll definitely torture them to death!"

"Hmph! Well said! They're not worthy of me taking action!" Lu Lianfeng snorted coldly, then stood still on the spot.

"Little trash! If you have any last words, then say them quickly!"

"If you don't tell me quickly, I'm afraid you'll only be able to scream and wail in pain later and won't be able to say anything!" Chu Yingheng sneered.

"Bro bei ... He's dead! We're really dead this time ..."

Looking at the scene in front of him, the celestial Hound was already in complete despair.

In fact, before entering the Jianmu world, the celestial Hound had already smelled an extremely terrifying aura.

And at this moment, the facts in front of him also proved that the celestial Hound was right!

The enemy's strength was so terrifying that it was completely unstoppable. There was no suspense in this battle at all!

However, at this critical moment ...

The celestial Hound, however, said with extreme affection and righteousness, "Bro bei! Quickly leave! I'll try my best to block him! I hope I can buy you some time!"

"Hahaha ... Are you trying to make me laugh?"

Chu Yingheng sneered with extreme disdain, "You're just a five-star quasi-Sage, I can turn you into ashes with a snap of my fingers! Still trying to delay time? It was simply ridiculous ... Ridiculous ... Oh my God! What ... What is that?"

All of a sudden, Chu Yingheng's expression changed drastically and he let out a shrill scream. His pupils contracted uncontrollably, his scalp turned numb and he had goosebumps all over his body!

hiss ... This ... How is this possible?!

On the other side, Lu Lianfeng's condition was not much better. His voice was filled with shock, and his mountain-like monster body trembled violently. His legs, which were like heavenly pillars, were somewhat weak, and he almost couldn't stand still!

bro ... Bro bei ... You ... What are you ...

At the same time, the celestial Hound was also dumbfounded. Its eyes were as wide as a bull's, and its mouth opened and closed, unable to say a single word for a long time!

Under the three people's extremely shocked gazes!

Chen Xiaobei activated his demonic Saint bloodline and turned into his true form as the purple-gold demonic Saint.

"Nine transformations of the demon saint! Stepping on the peak! Open the primal Chaos!"

Chapter 3812: darkening

[ding Yingying's cultivation level: half-step true sage. Lifespan: 75 billion years, physical body XXX, combat power: [xxxxx, primordial spirit attack-sacred level!]

In the blink of an eye, Chen Xiaobei had burned ten billion years of his lifespan and stepped into the pseudo true divine realm.

With the purple-gold dragon scales on his body, he was like a domineering battle armor! The purple-gold Pengornis wings and fins spread out behind him, like four huge wings!

At the same time, a Supreme holy light that illuminated the space of a trillion miles was emitted!

In contrast, the purple-gold light on Lu lianfeng's body was like a grain of rice competing with the sun and the moon, it was so dim that it was not worth mentioning!

"Fourth brother! Quickly run!"

Lu lianfeng's reaction was quick, as he let out a shrill shriek, clearly frightened out of his wits! His fighting spirit was completely dispelled, and he did not dare to fight Chen Xiaobei, not even for half a second!

run ... Run!!!

Chu yingheng was also scared out of his wits. He almost used all his strength to transform into his demon form and flew into the sky with all his might.

"Bro bei! We can't let them escape!" The celestial Hound hurriedly shouted.

Both of them were peak-stage pre-Saints. They were unbelievably fast. In the blink of an eye, they had already traveled tens of millions of miles.

Moreover, the jianmu world was their territory. If he ran away, they wouldn't be able to catch him!

"Don't worry! They won't be able to fly out of my Five Finger Mountain! I can even let them fly a little longer!"

Chen Xiaobei's tone was calm and overbearing. It was clear that everything was under his control.

"Whoosh! Whoosh!"

Chen Xiaobei's Pengornis fin expanded to cover a distance of a trillion miles!

In an instant, it had covered Chu yingheng and Lu lianfeng.

Under the huge wings and fins of the purple-gold ROC, Ying Heng and Lu lianfeng were as small as ants.

Just a moment ago, Chu yingheng and Lu lianfeng were laughing at Chen Xiaobei and Xiao Tianquan, saying that they could kill them like two ants.

At this moment, Chu yingheng and Lu lianfeng were like two ants that were crushed to death.

“Woah! “Whoosh!!!”

With a casual flap of the purple-gold ROC’s wings and fins, the sudden explosion of a huge force could even tear apart time and space. Just the impact of the wind alone was enough to knock Chu yingheng and Lu lianfeng off their feet, leaving them at a loss!

“Bang! Bang!”

In an instant, with two loud thuds, Chu yingheng and Lu lianfeng were hit by the purple-gold ROC’s wings!

Chu yingheng and Lu lianfeng were severely injured and spat out blood on the spot from the impact!

His body, bones, and internal organs were all shattered!

The avatar was instantly destroyed and could not reform!

His primordial spirit was severely injured in an instant, and he was like a lamp without oil!

Chen Xiaobei’s simple attack had killed Chu yingheng and Lu lianfeng in an instant!

If not for Chen Xiaobei holding back, Chu yingheng and Lu lianfeng would have been killed in an instant!

“Whoosh! Whoosh!”

The next moment, the purple gold celestial core power wrapped up Chu yingheng and Lu lianfeng’s demonic bodies and flew back to Chen Xiaobei.

Whoosh ... Whoosh ...

Then, Chen Xiaobei took out the chaos Blood Sword and activated the chaos devour!

Chu yingheng, Lu lianfeng, and their two huge demon bodies were all swallowed into the chaos Blood Sword.

This was the reason why Chen Xiaobei had shown mercy!

After all, these two demon bodies were at the peak stage of Sage-to-be. They could provide enormous energy for the chaos Blood Sword and greatly improve its level!

With that, the heaven and earth spiritual aura that Chen Xiaobei had prepared in the heaven and earth furnace could be used to upgrade the Dragon’s edge.

Of course, Chen Xiaobei had only used the chaos Blood Sword to swallow the demonic bodies of Chu yingheng and Lu lianfeng.

However, their severely injured primordial spirits were left behind.

After all, Chen Xiaobei still had things to ask them!

“Woof! Whoosh!”

Of course, before he asked the question, Chen Xiaobei took away Chu yingheng’s world in the sleeve and Lu lianfeng’s Sumeru space.

There were also many high-level treasures in the Meru space, but there were almost no Dharma Treasures or elixirs.

However, on second thought, it might not be that the celestial race was not good at refining weapons and pills.

However, ordinary Dharma Treasures and pills were useless to people at the level of Chu yingheng and Lu lianfeng. After all, peak quasi-Saint weapons and pills were very rare, and Saint weapons and Saint pills were even rarer!

That was why they didn’t have any Dharma Treasures or pills in their storage space.

As for spiritual Jade, there was no such thing. After all, the celestial race did not need spiritual energy at all.

After that, Chen Xiaobei took back the ownership of universe creator and kept all the items.

At this moment, the time limit of the nine transformations of the demon saint was up.

With a lifespan of 10 billion years, he could only use the nine transformations of the demon saint for a little more than ten seconds.

Of course, Chu yingheng’s and Lu lianfeng’s primordial spirits were already severely injured. They were not a threat to Chen Xiaobei at all. Even if Chen Xiaobei returned to his original form, he would not be afraid!

“Tell me the truth!”

Chen Xiaobei asked, “My third brother’s friend, where is he? Also, what was ancestor Red Cloud up to? He was a good friend of the Zhen Yuan immortal! Why do you want to kill me?”

Chu yingheng and Lu lianfeng looked at each other.

At this point, they could not fight back at all. Chen Xiaobei could destroy their primordial spirits with a single thought and wipe them out from the three worlds and six paths!

On the contrary, if they could retain their primordial spirits, they would still have a chance to reconstruct their physical bodies and regain new life!

Therefore, they did not dare to challenge Chen Xiaobei’s patience or lie to him!

“I’ll talk ... I’ll talk ...”

“Yang Jian!” Lu Lianfeng said, trembling. Sun Wukong! Taiyin true deity! The patriarch had specifically asked to see these three people! The four world Kings would not stop him! By now, the three of them should have already met the patriarch!”

“Ancestor Red Cloud, why do you want to see them?” Chen Xiaobei asked.

“If ... If the ancestor wants to refine the river diagram of the book of Luo of the Grand immortal Zhenyuan, he has to borrow the power of the sage ...”

“The patriarch wants to use Yang Jian and true immortal Taiyin as bargaining chips to negotiate with the heavenly Lord Yuanshi!” Lu Lianfeng said, embarrassed. Or use Sun Wukong as a bargaining chip to negotiate with mother Nuwa ...”

refine the river diagram of the book of Luo?!

Chen Xiaobei was shocked and asked, “That brings me back to my second question! Wasn’t Grandmaster Hongyun the best friend of the Zhen Yuan immortal? Why did you refine the Saint weapon of the Grand deity Zhen Yuan?”

“Best friends ... That’s all in the past ...”

Chu Yingheng said with a mournful voice, “the great ancestor has been kind to others all his life!” Qu Yin had lost his Saint position! There was a reason for the sneak attack! It wasn’t easy for him to reincarnate, but he was intercepted and killed by the netherworld River ...”

in the past trillion years, patriarch has been known as the best old man in the Three Realms on the surface, but in secret, everyone has mocked patriarch for being the greatest idiot in the Three Realms ...

“Kind people are bullied! The old ancestor had long understood this truth! Ever since he was saved by the Grand deity Zhen Yuan, the old ancestor had been enduring patiently! So that one day, I can return all the humiliation to you in double!”

This ...

Chen Xiaobei and the celestial Hound were both shocked.

In Earth’s words, ancestor Red Cloud had completely turned evil!

“I can understand Hongyun’s feelings!”

Chen Xiaobei changed the topic and said, “But! For the sake of revenge, he had harmed his best friend! This kind of behavior is absolutely unforgivable!”

[Red Envelope Group of the Three Realms](#)

Chapter 3813: deadlock

The truth was already very obvious!

After ancestor Red Cloud was killed by Minghe, he had turned completely dark! However, ancestor Red Cloud had always been patient and patient. No one could tell that he was determined to take revenge! Even his best friend, the Grand deity Zhen Yuan, had been deceived!

Do you dare to believe it?

From the beginning of the world to the fourth cataclysm, ancestor Red Cloud had always maintained the image of a good man in the eyes of others!

As the saying goes, it's never too late for a gentleman to take revenge!

However, ancestor Red Cloud had been holding back this anger for billions of years! His determination and resilience were simply terrifying!

Originally, it was natural to take revenge!

But!

Ancestor Red Cloud would even lie to his best friend for the sake of revenge!

Without a doubt, both the world in the sleeve and the river map of the Luo River were obtained by ancestor Hongyun from the hands of the Zhen Yuan immortal. In fact, the Zhen Yuan immortal had already become ancestor Hongyun's prisoner!

It was clear that ancestor Red Cloud was heartless, black-hearted, and black-hearted!

Chen Xiaobei looked down on this kind of person from the bottom of his heart.

Moreover, Zhen Yuan was Chen Xiaobei's old friend. Chen Xiaobei was very serious and valued friendship.

Whoever dared to hurt Chen Xiaobei's friends would definitely receive Chen Xiaobei's ultimate revenge! It was even more serious than hurting Chen Xiaobei himself!

It was obvious that Chen Xiaobei saw red Cloud Grandmaster as an enemy!

young master Chen ... If you have anything to say, we can slowly talk about it ... Please don't be rash ...

Chu yingheng and Lu lianfeng were trembling in fear at Chen Xiaobei's terrifying aura.

Their nascent souls were already severely injured and extremely weak. If Chen Xiaobei accidentally destroyed their primordial spirits, it would be too late for them to regret it.

"Heavenly roar! You control them! It might be of use later!" let's go! Chen Xiaobei ordered, then looked up into the sky.

"Bro bei! You ... What do you plan to do?"

The celestial Hound kept the primordial spirits of Chu yingheng and Lu lianfeng into its Sumeru space, then looked at Chen Xiaobei nervously.

"As long as Hongyun isn't a heavenly path Sage! I will be able to fight him!" Chen Xiaobei's eyes were cold, and there was a gloomy fighting spirit in them that could make anyone lose hope.

"Don't be impulsive!"

Hongyun! the celestial Hound quickly tried to persuade him, " now, my Erlang immortal master, the great sage equal to heaven, the Taiyin immortal master, and even the Zhen Yuan immortal master have

all become Hongyun's hostages! Bro bei, you might be able to fight them, but you'll definitely be threatened!"

Obviously, the celestial Hound knew Chen Xiaobei very well.

With Chen Xiaobei's personality, he would rather die than let anything happen to his friends.

If Red Cloud Grandmaster threatened Chen Xiaobei with a hostage, Chen Xiaobei would probably give up without a fight and use his life to exchange for his friend's.

This way, it would not be a battle at all, but a one-sided death.

"Don't worry!"

Even though Chen Xiaobei was ready to fight, he remained calm. "I'm very clear that if we rush up directly, not only will we not be able to save them, but we will also harm everyone!"

"But ..."

" the battle just now must have alerted Grandmaster Red Cloud. Even if we want to come up with a plan, we don't have much time left ... Chen Xiaobei said.

this ... the celestial Hound's expression was a little stunned. Naturally, it was speechless.

Chen Xiaobei had just used his half-step true Saint power, and the entire jianmu world had trembled. Red Cloud ancestor and the two other world Kings would have noticed it.

If nothing unexpected happened, they would come down to check it out very soon.

To think of a way to break out of this situation in such a short period of time was obviously very, very difficult. One could even say that the success rate was almost zero.

After all, his strength on paper was already there.

Even if Red Cloud Grandmaster did not use the hostage as a threat, Chen Xiaobei's chances of winning against him were not more than 50%!

Don't forget, lady Nuwa had pointed out to Chen Xiaobei many Almighties who had the potential to become Saints!

Ancestor Red Cloud's name was on the list. He was already one of the half-step true sages!

Moreover, ancestor Red Cloud had a wisp of Hong Meng immortal Qi and a very powerful Dharma Treasure, the nine Nine Red Cloud soul-scattering gourd!

On the other hand, Chen Xiaobei did not have any other trump cards that could be used in a battle of this level other than the nine transformations of the demonic Saint. If they really fought, Red Cloud Grandmaster would definitely have the upper hand!

"Heavenly roar! Please listen to me ..."

Chen Xiaobei pondered for a while and said, "The situation this time has completely gone out of my control! I can't think of a way to break out of this situation, and I can't predict what will happen!"

“So, I’ll be the only one to walk the rest of the path! Xiao Tian, immediately return and find Xin ‘er and the others. Then, you all leave the world of the builder tree together and wait for my news outside!”

“No!”

The celestial Hound heavily shook his head and was unusually determined, “We are brothers! Although they couldn’t live together, they had to die together! I won’t leave bro bei and my Erlang immortal master behind! As for Xin ‘er, she has Liu er’s protection and is much stronger than me! It doesn’t matter if I go back or not!”

Chen Xiaobei was taken aback by Xiao Tianquan’s stubbornness, so he did not say anything more.

After all, Chen Xiaobei would not give up his bottom line, so there was no reason for Xiao Tianquan to give up!

Friendship! Loyalty! This was the bottom line of Chen Xiaobei and the celestial Hound!

Even if they had to use their lives and blood to defend, they would never take a step back!

“Forget it, I’ll leave a black demonic Crow here to tell them the danger and let them leave quickly!”

Chen Xiaobei took out a demonic Black Crow from his thousand Beast Ring.

After that, Chen Xiaobei and the celestial Hound continued to move forward, towards the higher levels!

Although he hadn’t come up with a solution yet, it was better to continue moving forward than to wait for death! At the very least, it would buy time for Fu Tian Xin ‘er and the others to escape!

The ninth level of the creation wood!

“Whoosh ...”

After a long time of operation, the divine sunlight cache stopped working.

One had to know that under the divine level sunlight treasure box, one second was equivalent to a few hundred years. Meanwhile, Fu Tian Xin ‘er and Xiao ‘er had already been in the sunlight domain for close to half an hour. In other words, they had cultivated for a few million years!

And these two little fellows were both existences with extraordinary talents. The speed at which they devoured vitality was extremely, extremely fast!

Although the ninth level of the builder tree was extremely huge and vast, all the life force in the entire space had been devoured.

Six-eared macaque stood there, dumbfounded.

According to his estimation, the total amount of life force was equivalent to the spirit Qi of tens of thousands of quasi-Saint level spirit meridians.

Such a huge amount of energy had actually been completely digested by Xiao ‘er and Fu Tian Xin’ er!

It was terrifying!

“You two finally stopped!”

Six-eared macaque asked, "How is it? How much has your cultivation improved?"

Red Envelope Group of the Three Realms

Chapter 3814: not retreating

"I can't even count how many small realms I've broken through ..."

The waiter's voice trembled slightly. He couldn't even believe it himself. He said embarrassedly, "I've already reached the early stage of seven-star perfected golden immortal! In other words, it's the seven Star profound deity realm!"

"Little fool! Your speed is much slower than mine!"

At the side, Fu Tian Xin 'er pouted and said happily, "I've already reached the peak of nine-star perfected golden immortal! I'm just a little bit away from reaching the early stage of one-star primordial chaos golden immortal!"

When the waiter heard this, he didn't feel aggrieved and said indifferently, "Sister Xiao er, what is your talent? How can I compare? Not to mention me, within the Three Realms, there is no one who can be faster than you!"

Obviously, Fu Tian Xin 'er had a Saint level demon body! Sacred level bloodline! Immeasurable public morality!

In terms of cultivation, Fu Tian Xin 'er did not target anyone. Everyone in the Three Realms was her little brother!

"Let's go! Let's continue up!"

Fu Tian Xin 'er impatiently said, "When we reach a higher level and have more life force, our strength will continue to soar! He might even be able to step into the realm of a peak primordial chaos golden immortal! I'm only one step away from the zenith heaven golden immortal of origin!"

"Hiss ... Hiss ..."

Xiao 'er and six-eared macaque both gasped.

One must know that the primordial chaos golden immortal that Fu Tian Xin 'er mentioned was commonly known as the sage-to-be! And primordial chaos zenith heaven golden Immortals were the strongest heavenly path sages in the Three Realms! These were the ultimate existences at the top of the pyramid!

However, from Fu Tian Xin 'er's mouth, it was as if this was a level that could be achieved easily without much effort.

"Don't just stand there! Let's go!"

Fu Tian Xin 'er waved her little hand and flew up first.

Six-eared macaque and Xiao 'er's faces were in a mess. They were truly convinced. They couldn't compare to him and couldn't afford to offend him!

On the 18th floor of the creation wood.

When the three of them arrived at the entrance, they saw a black demonic Crow that Chen Xiaobei had left behind.

The black demonic Crow told the three of them about the possible danger and conveyed Chen Xiaobei's order for them to leave the jianmu world immediately.

"I'm not leaving! I'm determined not to leave!"

Fu Tian Xin 'er pouted and said without hesitation, "Even if I die, I won't leave Xiaobei Gege behind!"

"Little girl! You can't be willful!"

you and Xiao 'er go first! six-eared macaque said. I'll stay here and protect bro bei! You should know that with your strength, not only will you not be of any help, you will only be a burden to bro bei!"

"I will definitely not leave first!"

Fu Tian Xin 'er said firmly, "Xiaobei Gege and mother are the same. They are both the most important people to me! If anything happens to Xiaobei, I'll never have a good life! Therefore, I must stay!"

"I also want to stay!"

"Bro bei is my master!" Xiao 'er said with determination. He raised me up single-handedly! Kindness is the same as parents! If I leave first, I'll be heartless, disloyal, and unfilial! I won't rest in peace even if I die!"

No... Are you two even listening to me?" six-eared macaque was sweating. He had been talking so seriously for so long, but the two of them didn't take it to heart at all.

"I've heard it!"

Fu Tian Xin 'er said seriously, "Aren't you just complaining about my low cultivation? I'll continue cultivating now! With my cultivation speed, as long as I have enough life force, my strength will surpass yours!"

this ... six-eared macaque gulped. It felt as if its heart had received 100000 times critical damage.

In order for the six-eared macaque to transform into a kun Peng and gain the power of a peak-stage Sage-to-be, Chen Xiaobei had caused a huge ruckus in the city. He had refined all the spiritual jades and resources of the seven Saint Venerables and kun Peng. He had also emptied all the spiritual veins in the city.

At first, six-eared macaque thought he was the strongest among his people.

But first, Chen Xiaobei had reached half a step into the true Saint realm, and now, Fu Tian Xin 'er had declared that she wanted to surpass six-eared macaque.

It was really infuriating to compare people!

Six-eared macaque thought he was the Big Brother, but after walking around for a while, he realized he was actually the little brother.

“Whoosh ...”

Fu Tian Xin 'er didn't continue to argue. Instead, she started to activate the divine sunlight cache.

Furthermore, this time, Fu Tian Xin 'er burned her spiritual energy and activated the sacred life tree's special ability, adding it to the divine level sunlight treasure box, greatly increasing its effects.

A second in the outside world was equivalent to tens of thousands of years in the sunlight domain!

This way, even though Fu Tian Xin 'er's spiritual energy would be greatly depleted, her cultivation speed would still increase by tens of times.

The eighteenth level was much larger than the ninth level and had more life force.

However, if there were no accidents, refining all the life force in the eighteenth level should not take more than three minutes!

This way, they could still catch up with Chen Xiaobei.

After that, Fu Tian Xin 'er and Xiao' er once again entered a state of cultivation!

Six-eared macaque had no words to say. No matter what he said, he would not be able to convince Fu Tian Xin 'er and Xiao' er.

The six-eared macaque had no choice but to stand guard.

The only thing six-eared macaque could do now was to pray that Chen Xiaobei could come up with a solution.

Otherwise, even if Fu Tian Xin 'er and Xiao' er had reached the peak stage of the sainthood, they would still not be ancestor Red Cloud's match!

If they charged forward like this, they would all be annihilated by ancestor Red Cloud!

The 26th level of the creation wood!

When Chen Xiaobei and the celestial Hound reached this floor, they found a hidden place and stayed there for a while.

That was because the 27th floor was the third King's territory.

bro bei ... Things don't seem to be the same as what we thought!

The celestial Hound frowned and said, “the battle just now must have alerted Hongyun and the other two realm Kings!” But why didn't they have any reaction at all? The third king didn't even come down to check ...”

“There are only two explanations for this situation!”

Chen Xiaobei said, “ “First place! The enemy might be doing something important, and he couldn't check it physically and mentally for the time being! Second! The enemy already knows about our every move and is waiting for us to walk into their trap!”

“This ...”

When the celestial Hound heard this, it was caught in a dilemma: " "If it's the first case, we can charge up and disrupt their plans! However, if it's the second situation, we'll only die if we charge up! What should I do ..."

"Don't be so conflicted!"

Chen Xiaobei composed himself and said, " "Time is not in our favor. The longer we stay, the more danger the hostage will be in! Therefore, even if we know that there is danger, we have to rush up!"

Chapter 3815: Junior Brother

3815 Junior Brother

In fact, both Chen Xiaobei and the celestial Hound knew that their chances of winning this operation were slim.

However, they still came here.

Therefore, no matter what kind of danger lay ahead, they only had one choice! And that was to keep moving forward! Advance! Forward! Until he could save all his brothers and friends!

Of course, it would be best if he could think of a solution before he took action!

If he really couldn't figure it out, he absolutely couldn't waste any more time and had to take immediate action!

After all, ancestor Red Cloud's only goal was to refine the river diagram of the book of Luo.

Once he succeeded, all the hostages in his hands would be meaningless. They would probably all be killed by him.

Therefore, Chen Xiaobei and the celestial Hound did not have time to hesitate.

"Woof! Whoosh!"

Soon, the two of them passed through the space gate that led to the twenty-seventh floor.

As soon as they arrived at the 27th floor, the king of the Third World was already waiting at the entrance.

However, it was strange that the Third World King appeared in his human form. His expression was calm and his aura was gentle. There was no sign of fighting intent or hostility.

bro bei, be careful!

The celestial Hound instinctively went in front of Chen Xiaobei to protect him.

"You two don't need to panic!"

"My name is Xiao xuezhan!" The Third World King said indifferently. Strictly speaking, I should call this person senior brother Xiaobei!"

"What!"

Chen Xiaobei and the celestial Hound were both stunned.

Looking carefully, this man called Xiao xuezhan didn't look old! He was wearing a black robe with Red Dragon patterns, and he exuded the aura of an extremely noble Emperor! His tone was calm and gentle, but he was full of confidence, as if everything was under his control!

"Shixiong Xiaobei, you don't know ..."

"A year ago, the prime of Tongtian traveled through the ancient Barrens!" Xiao xuezhan said seriously. At that time, I was also looking for opportunities in the ancient Barrens land!"

"The prime of Tongtian saw that I had a good aptitude, so he gave me some guidance and my cultivation improved greatly! I used to be the realm King of the ninth level, but now, I've risen to the 27th level!"

at that time, I was very grateful to the prime of Tongtian and I hoped to become stronger. So I became an outer disciple of the tribe of severity!

"The prime of Tongtian said! The reason why I was accepted as an outer sect disciple was that one day, the tribe of severity might face a great disaster. The reason why I didn't enter the inner sect was so that I wouldn't be implicated!"

"At that time, I was extremely touched and swore to repay the prime of Tongtian and help the tribe of severity overcome the difficulties! However, the prime of Tongtian only asked me to guard this place. He said that if Shixiong Xiaobei comes one day, I'll help him at all costs!"

Xiao xuezhan spoke in an extremely serious manner, and it didn't seem like he was lying.

"Bro bei! Don't believe him!"

However, the celestial Hound immediately shouted and reminded, " when we first arrived, Ying Heng was pretending to be nice, after he got our trust, he almost got us into trouble!

"No... I believe him!"

Chen Xiaobei calmed himself down and said seriously, " a year ago, master traveled around the ancient Barrens. Not many people know about this!

"Shixiong Xiaobei is really something! Your eyes are like a torch, and you can see through fire!"

Xiao xuezhan smiled indifferently and said,"I didn't lie, and there's no need to lie!" Just now, if I didn't try to suppress the commotion of your battle, the realm King of the 36th layer and ancestor Red Cloud would have already come down!"

this ... the celestial Hound was naturally speechless.

If ancestor Red Cloud and the realm King of the 36th layer came down, they would most likely be able to kill Chen Xiaobei and the celestial Hound. There was no need for Xiao xuezhan to lie to gain their trust!

Therefore, Xiao xuezhan could be trusted!

"Since you're one of us, you should know the purpose of my visit!"

Chen Xiaobei looked up into the sky and said, "I want to save my brothers and friends. Do you have any suggestions?"

"Did bro bei bring the Dharma Treasure?" Xiao xuezhān asked.

"Which magic treasure?" Chen Xiaobei retorted.

"I once told the prime of Tongtian the details of the jianmu world! He said that he could create a magic treasure that could restrain the life energy of the jianmu world!"

"as long as Shixiong Xiaobei can bring that treasure, I'll have a way to sneak into the thirty-sixth level of the prison and rescue all the hostages! Xiao xuezhān said.

this ... Chen Xiaobei was speechless.

Obviously, Xiao xuezhān really didn't lie!

The magical treasure he was talking about must be the one that Chi You wanted Chen Xiaobei to forge!

Chi You brought two important pieces of information from sect leader Tongtian. One was the entrance to the jianmu world, and the other was the method to make the secret weapon.

Moreover, Chi You had also emphasized that it would be safer for Chen Xiaobei to enter the jianmu world after he had completed the creation of the magical treasure.

"What's wrong? Shixiong Xiaobei, didn't you bring that treasure with you?" Xiao xuezhān's complexion changed, and his expression completely sank. the prime of Tongtian once said that he would definitely let you come with that magic weapon!

I really didn't bring any ... Chen Xiaobei shook his head helplessly. previously, I was anxious to save someone and rushed into the world of the builder tree. That magic treasure had not been forged at all ...

"This ... This is bad!"

Xiao xuezhān frowned and said, "from what I know, Hongyun has already started to negotiate with the heavenly path Sage!" They would probably reach an agreement in three to five days! Within 10 days, he would be able to refine the river diagram of the book of Luo! However, your magic treasure hasn't been forged yet ... There's really nothing you can do to change this!"

"Are you sure there are at least 13 days left?" Chen Xiaobei asked.

"A conservative estimate is at least ten days!"

Xiao xuezhān said, "even if Hongyun's negotiations go smoothly and some heavenly path Saints are willing to help, it will still take at least ten days to refine the Holy weapon, the river diagram of the Luo River! Furthermore, it's under the extreme acceleration of the time law!"

Obviously, the ten days Xiao xuezhān had mentioned was the shortest time limit.

If Hongyun's negotiation did not go well, the time could be extended by a few days. After all, the heavenly path Saints were all sly old foxes. It would not be easy for Hongyun to take them down.

"If that's the case, I won't be afraid anymore!"

“I should be able to gather all the bodies in ten days!” Chen Xiaobei said. If we use the God-level sunlight cache to speed up the forging process, we’ll definitely be able to catch up!”

Chiyou’s corpse!?

Xiao xuezhān’s expression was slightly startled as he said, “Shixiong Xiaobei ... You ... You’re overthinking! The world of the jianmu has been completely sealed off by the red clouds half a year ago. You can only enter and not leave ...”

Chen Xiaobei and the celestial Hound panicked.

Although there were still ten days left, Chen Xiaobei could not get out of here. He could not get Chiyou’s body, and he could not forge the magical treasure!

there’s only one way now ... Chen Xiaobei frowned.

Red Envelope Group of the Three Realms

Chapter 3816: master

“Bro bei! Do you have any ideas?”

The celestial Hound immediately became nervous. In this situation, it seemed that only the magic weapon designed by sect leader Tongtian could help them break out of this situation.

So, it was no exaggeration to say that all their hopes were on Chen Xiaobei’s plan.

“Chi you once told me the method to forge that magic weapon!”

I have the scholar’s heart! I’ve basically learned it already! I can make it myself! Now, all we lack is a corpse!”

“It’s not that simple!”

Xiao xuezhān shook his head and solemnly said, “The reason why I’m using Chiyou’s corpse is that he used to be a weapon Grandmaster in the untainted land. He has killed countless people in his life, and his evil Qi and killing intent have been condensed for billions of years. Without this vicious aura, it would be impossible to successfully forge that magic treasure!”

“You don’t have to worry about that!”

“As long as I can find a body comparable to Chiyou’s, I’ll have a way to deal with the killing aura!”

how ... How is this possible?!

When Xiao xuezhān and the celestial Hound heard this, their expressions froze and they couldn’t believe it, that’s the number one murderous aura below the sage level. How can it be so easily resolved? ”

“Have you all forgotten? Among my reincarnated ancient Immortals, there’s a person named Luo Yi!”

“Chi You’s killing aura is the strongest under the Saints!” However, the killing and violent Qi of the immortal-killing sword Qi was the first in the untainted land! Number one in the myriad world!”

celestial ... Celestial eradication sword Qi!!!

Xiao xuezhān and the celestial Hound were instantly shocked, and their faces changed dramatically. Even their pupils shrank involuntarily, and their hearts began to beat wildly.

“Luohou once gave me a beam of immortal-killing sword Qi!”

” according to my Sifu’s method, we need to use a strong enough corpse as the foundation to strengthen the Dragon’s edge. This killing aura is used to generate special abilities!

as long as I can find a suitable body and integrate the celestial eradication sword Qi into it, not only will I be able to realize master’s plan, but I can also create a magical treasure that is even stronger than what master has planned!

By this point, Chen Xiaobei was full of confidence in his forging.

However, the only problem was ...

Chi You was a seven-star Sage-to-be and the body of the Wu tribe was naturally strong. It was very difficult to find a body of the same level!

Furthermore, this was the world of the jianmu, which made it even more difficult!

I don’t have any other way ... Xiao Tianquan sighed helplessly and looked at Xiao xuezhān.

At the same time, Chen Xiaobei looked at Xiao xuezhān.

Obviously, this was Xiao xuezhān’s territory, and whether or not they could find a suitable corpse would all depend on him.

“In the world of the jianmu, only one person’s physique can be compared to Chi You’s!”

Xiao xuezhān’s eyes narrowed and he said in a deep voice, ” “That person is the realm King of the 36th layer! Zhao hengtian! As long as we can defeat him and take his body, our problem will be solved!”

“Zhao hengtian? What an arrogant name!” “What’s so special about this guy’s body?” the celestial Hound frowned.

Xiao xuezhān explained, “his demon body was originally a celestial Golden Black Dragon!” After that, a special mutation occurred and a sacred level bloodline was born. Hongyun gave him the name primordial chaos Black divine Dragon! His physical body was extremely strong, comparable to the sacred-level metal, the primordial chaos Black Gold! It’s said to be indestructible and unbreakable!”

“Good! He’s the one!” Chen Xiaobei made a decision, ” “Let’s go to the 30th floor now! Capture this person and take his body!”

“Bro ... Bro bei! Please calm down ...”

The celestial Hound swallowed its saliva and said awkwardly, ” “Do you know about the primordial dark gold? That’s an extremely hard metal. It’s said that it can withstand the attack of a half-step true divine!”

“What?”

Chen Xiaobei was shocked. He frowned and said, " "You mean I can't break his defense even if I use the nine transformations of the demon saint?"

"Right! It can't break through my defense!"

"Not only that," Xiao xuezhao said in a deep voice, "Hongyun has already given the half-step Saint weapon of the Zhen Yuan immortal, the Jade Dragon horsetail whisk, to Zhao hengtian! Shixiong Xiaobei's battle power just now was very shocking, but I'm afraid he's not Zhao hengtian's match ..."

this ... Chen Xiaobei was speechless.

He had thought that his plan would go smoothly, but he didn't expect the enemy to have such a strong defense and a half-Saint weapon.

This way, Chen Xiaobei would not be able to hurt his opponent. The nine transformations of the demonic Saint only had ten billion years of lifespan, and could only be activated for ten seconds!

Chen Xiaobei's remaining lifespan would be depleted in less than two minutes!

Chen Xiaobei's life would end, and the nine transformations of the demonic Saint would fail. He would lose the battle and would not have a chance to turn the tables!

This was an obvious matter.

Chen Xiaobei, Xiao xuezhao, and the celestial Hound could do nothing about it.

"Xiaobei Gege!"

But then, Futian Xin 'er flew over and hugged Chen Xiaobei's arm excitedly.

"Xiaobei Gege! You're fine, that's great! I was worried that I would never see you again!"

Fu Tian Xin 'er pursed her lips and smiled like a flower.

"Little girl ..."

"Didn't I tell you to leave first?" Chen Xiaobei frowned. Why are you all up here?"

After that, six-eared macaque and Xiao 'er followed him.

Six-eared macaque shook his head and said, " "Xin 'er and the waiter refused to leave. I couldn't persuade them, so I could only accompany them and chase after them!"

"Quickly go back! This is not a joke!" I'm not sure! Chen Xiaobei said, " the next enemy is very scary. I have no chance of winning! Your cultivation is too low! You'll only be sending yourself to your death in vain ..."

"Whoosh ..."

As soon as she finished speaking, Fu Tian Xin 'er condensed a ball of celestial core power and said with a smile, " "Xiaobei Gege! Whose cultivation base is too low?"

this ... This ... How is this possible?! Both Chen Xiaobei and the celestial Hound were stunned.

When he had parted ways with Fu Tian Xin 'er, the little girl had only been a three-star Mystic deity.

But now, the fluctuation of celestial core power that this little girl had triggered had clearly reached the late stage of seven-star Sage-to-be!

Three-star Mystic God to seven-star quasi-Sage!

How big of a difference was this?

Chen Xiaobei's scholar heart was so stunned that he could not even count!

This was simply too shocking!

"And me! And me!"

The waiter also flew over and said excitedly, "My cultivation has also reached the six-star quasi-sage realm! Bro bei, look! I've grown two more pairs of wings!"

"As long as I reach the nine-star quasi-sage realm, I will be able to grow my last pair of wings! He would become a true twelve-winged Golden Cicada! At that time, I can even comprehend a super strong special ability! Moreover, I can even transform into a human!"

all of you are very powerful ... But this is not enough ... Chen Xiaobei sighed.

"Xiaobei Gege! What kind of trouble have you encountered?"

Fu Tian Xin 'er pouted and said, "when I reach the peak of the sage-to-be realm, there will be nothing I can't handle in the jianmu world!

who ... Who are you?!

Xiao xuezhan looked at Futian Xin 'er and said in disbelief, "I can faintly sense the aura of the Holy tree's origin on you!"

"Me?"

Fu Tian Xin 'er raised her chin proudly and said in a domineering tone, "I am the master of the sacred life Tree!"

[Red Envelope Group of the Three Realms](#)

Chapter 3817: explosive growth

"M-master ..."

Xiao xuezhan was completely stunned.

The creation wood holy tree was so majestic! How terrifying! A single tree had given birth to a huge world comparable to the heavenly realm! Even the heavenly path sages did not dare to say that they could control the creation wood!

However, this little girl, Futian Xin 'er, actually said that she was the master of the creation wood!

Just this one sentence, and not only Xiao xuezhan, but everyone in the entire jianmu world would be shocked and dumbfounded, their three views shattered!

Of course, if these words were said by someone else, the people of the jianmu world would definitely not believe it.

However, if it came from Fu Tian Xin 'er's mouth, it was completely believable.

This was because Xiao xuezhan, who was the realm King of the 27th layer, could clearly feel the aura of the origin of the creation wood coming from Fu Tian Xin 'er.

Not only did this aura have the same roots as the creation wood, but it was even of a higher grade than the creation wood itself!

If there was a ranking, then Fu Tian Xin 'er was definitely the master of the creation wood! Or rather, only with Fu Tian Xin 'er could there be the creation wood sacred tree!

"Little girl! This is not a joke!"

Compared to Xiao xuezhan, Chen Xiaobei knew Futian Xin 'er better and trusted her more. He asked, "What can you do in the jianmu world after you reach the peak of the sage-to-be realm?"

"What are you doing? I can do so many things that I can't even count them!"

Fu Tian Xin 'er pouted and said confidently, "Tell me the simplest one! As long as I'm in the jianmu world, I'm invincible to anyone below the sage level!"

"Good! If you're sure! Let's start cultivating now!"

you're already a seven-star Sage-to-be. The life force on this 27th floor should be enough for you to break through to the peak of the sage-to-be.

"No problem!"

Fu Tian Xin 'er smiled and immediately took out the divine sunlight cache.

"Whoosh ..."

Under the cover of the sunlight domain, Fu Tian Xin 'er began to rapidly absorb the massive amount of life force in this space.

But this time, the waiter was very self-conscious and did not cultivate at the same time.

He wanted to give all his life force to Fu Tian Xin 'er so that she could reach the peak of the pre-Saint realm as soon as possible.

After all, the higher one's cultivation, the more life force one would consume.

When one reached the high level of the pre-Saint realm, the consumption of energy to increase one realm was probably much more than all the previous consumption added up!

The waiter wasn't even sure if she could reach the peak of the pre-Saint realm if he gave all the life force on the 27th floor to her.

Of course, even if Xiao 'er did not cultivate, Chen Xiaobei could!

This was because Chen Xiaobei's cultivation did not consume his life force. All he needed to do was to refine the remaining parts of the Qilin's body.

With the divine sunlight cache's special ability, Chen Xiaobei could quickly break through.

"Whoosh ..."

After entering the sunlight realm, Chen Xiaobei immediately started to refine the Qilin's body.

Previously, Chen Xiaobei had refined the four limbs, and the remaining parts were even more precious treasures!

First, Chen Xiaobei refined all of the Qilin's flesh and blood!

By the same logic, the higher one's cultivation, the harder it was to improve!

This time, although he had refined more flesh than all the previous times combined, the effect of the upgrade was far less than the last time.

In total, he had only advanced twelve minor realms.

[ding Yingying's cultivation level: three stars great principal golden immortal, early stage; lifespan: 120 billion years! [physique: 99] [combat power: 99] [primordial spirit attack: sacred level!]

"Oh?"

Chen Xiaobei asked, "How did the units of combat strength and physique change? What do you mean?"

"Oh, it's like this. After reaching the perfected golden immortal stage, it's hard to calculate the combat strength and physical strength! Therefore, the immortal world has a special agreement!"

"One Yuan is equivalent to a trillion!" The celestial Hound explained.

Oh my God ... That's already an astronomical figure ... Chen Xiaobei was shocked.

"Yup!"

The celestial Hound continued, "not only that, the higher the cultivation, the more terrifying the increase in combat power!" In the later stages, we'll have to continue changing units!"

"You still want to change?"

Chen Xiaobei was shocked, 'one Yuan is equivalent to a trillion! Then wouldn't the next unit be equal to a trillion taels? This ... This is crazy!"

Of course, this brief shock did not affect Chen Xiaobei's actions.

Next, he continued to refine the more important parts of the Qilin's corpse!

Internal organs!

Heart, liver, spleen, lung, and kidney!

These things were the essence of the five elements. They complemented each other and their total value was even higher than all the flesh and blood!

But this time, Chen Xiaobei only managed to increase his cultivation by nine levels.

That was because he was consuming more and more energy.

[ding Yingluo's cultivation base: intermediate stage of five-star perfected golden immortal. Lifespan: 195 billion years! [physique: 10000] [combat power: 10000 pounds!] [primordial spirit attack: sacred level!]

Sure enough, just as the celestial Hound had said, although leveling up was getting more and more difficult, the increase in battle strength, physical strength, and lifespan was also getting bigger and bigger!

After that, Chen Xiaobei started to refine all of the Qilin's bone marrow!

This was something even more essential than internal organs!

Especially the spine marrow! It was simply the lifeline of shenglin! It was extremely precious! It was extremely rare! The energy was also extremely huge!

But this time, Chen Xiaobei had only raised his cultivation by six levels!

[ding Yingying's cultivation base: peak of six-star perfected golden immortal. Lifespan: 330 billion years! [physique: 100 million] Combat power: 100 million yen! [primordial spirit attack: sacred level!]

After that, Chen Xiaobei started to refine the Qilin's head!

The essence was completely concentrated in the brain, and the energy it contained was not much different from that of the spine marrow.

But this time, Chen Xiaobei had only increased his cultivation by two small realms!

[ding Yingluo's cultivation base: seven-star perfected golden immortal middle stage. Lifespan: 550 billion years! [health: 700 billion units] Combat power: 700 billion yen! [primordial spirit attack: sacred level!]

At this point.

The only part of the Qilin's body that had not been refined was the dantian!

This part was definitely the most essential part of the Qilin's corpse! Its value and energy were the highest!

But Chen Xiaobei was not in a hurry to refine it.

Whoosh ... Whoosh ... Whoosh ...

To everyone's shock, Chen Xiaobei took out one quasi-Saint spiritual Meridian after another!

Then, he would absorb the spiritual Qi while practicing the Scripture of heaven and earth. He would continue to improve his cultivation with the normal cultivation methods!

According to the usual time, it might take hundreds of millions of years to advance one minor realm!

And this was already fast!

If not for Futian Xin 'er, Chen Xiaobei would not have used this method to cultivate.

However, at this moment, Fu Tian Xin 'er was right beside him, activating the God-tier sunlight cache and even burning her spiritual energy to greatly increase the sunlight cache's effects.

Very quickly, Chen Xiaobei had refined three quasi-Saint spiritual veins!

He had successfully advanced two minor realms!

[ding Qianqian's cultivation base: peak of seven-star zenith heaven golden immortal ...]

[Red Envelope Group of the Three Realms](#)

Chapter 3818: Almost

3818 Almost

[ding Yingluo's cultivation base: seven-star zenith heaven golden immortal peak stage. Lifespan: 1 trillion years! [physique: 1 trillion] Combat power: 1 trillion! [primordial spirit attack: sacred level!]

Sure enough, just as the celestial Hound had said, the higher the cultivation, the greater the effect of improvement!

It was terrifying!

In just a short while, the number of units had already reached 100 million!

If there were no accidents, this unit would have to be changed again when he reached the quasi-Sage Stage!

"Whoosh ..."

Chen Xiaobei was no longer absorbing spiritual Qi, but was refining the Qilin's dantian!

Smart people should have guessed it.

The reason why he was only refining the Qilin's sea of Qi dantian now was because, according to the normal cultivation method, one had to rely on luck to break through to the next realm!

If Chen Xiaobei refined the Qilin's sea of Qi dantian first, his cultivation would be stuck at its peak, unable to break through to the next realm.

However, Chen Xiaobei had simply reversed the order.

He would use his spirit energy to reach the peak of the seven-star zenith heaven golden immortal, and then use the Qilin's sea of Qi dantian to break through.

This way, the Qilin's dantian would be the key to breaking through to the next realm, and Chen Xiaobei would be able to do so without any problems!

[ding Yingluo's cultivation base: eight-star zenith heaven golden immortal primary stage. Lifespan: 2 trillion years! [physique: 3333 trillion!] [combat power: 3333 trillion!] [primordial spirit attack: sacred level!]

It was all within Chen Xiaobei's expectations.

After refining a small part of the Qilin's sea of Qi dantian, he successfully broke through to the next major realm!

This meant that Chen Xiaobei still had a chance to break through to the next major realm!

Whoosh ... Whoosh ... Whoosh ...

Then, as if it was free, Chen Xiaobei began to absorb and refine the remaining quasi-Saint spiritual veins.

Refine eight! He had broken through to the intermediate stage of eight-star perfected golden immortal!

He refined another 18! He had broken through to the late-stage eight-star perfected golden immortal realm!

He refined another 48! He had broken through to the peak of eight-star perfected golden immortal!

[ding Yingluo's cultivation base: eight-star zenith heaven golden immortal primary stage. Lifespan: 6 trillion years! [physique: 99.9 trillion!] [combat power: 99.9 trillion!] [primordial spirit attack: sacred level!]

At this point.

Out of the 82 pre-Saint spiritual veins that Chen Xiaobei had previously obtained, only five remained!

As for the Qilin's sea of Qi dantian, it was only left with more than half.

According to his previous consumption, the remaining portion of Qilin's dantian was not enough for Chen Xiaobei to break through.

However, this was not enough to stop Chen Xiaobei!

At this critical moment, Chen Xiaobei thought of a brilliant idea!

That was to use the Qilin's sea of Qi dantian as a magic weapon and use the spiritual aura of heaven and earth to upgrade and strengthen it!

After all, the chaos Blood Sword had already devoured the two world Kings' bodies! Furthermore, there was a definite upgrade plan for the Dragon's edge!

Therefore, the heaven and earth spiritual aura that Chen Xiaobei had prepared in the heaven and earth smelt could be used here!

Whoosh ... Whoosh ...

According to Chen Xiaobei's plan, all of the heaven and earth spiritual aura in the heaven and earth furnace would flow into the Qilin's dantian.

Everything was just as Chen Xiaobei had expected!

This Qilin had already died. It had no life and was just an object!

As long as it was an object, it could be upgraded with the spiritual aura of heaven and earth!

Finally, when all the spiritual aura of heaven and earth had been consumed, the quality of the Qilin's sea of Qi dantian had reached the requirement to break through a major realm!

The refinement was complete, and he broke through successfully!

[ding Yingluo's cultivation base: nine-star zenith heaven golden immortal, early stage. Lifespan: 15 trillion years! [body and soul: 1 universe!] Combat power: one universe! [primordial spirit attack: sacred level!]

"No way! The unit of measurement changed so quickly! It's much faster than I expected!"

Chen Xiaobei could not help but gasp.

He didn't expect that he would improve at such a terrifying speed!

Could it be that the unit of measurement would continue to change when one reached the late-stage quasi-Sage or true sage?

It was really a little messy ...

However, in the end, it was just a unit of measurement.

For Chen Xiaobei, other than his lifespan, his physical strength and combat power were not that important.

After all, as long as he had enough lifespan, he could use the nine transformations of the demonic Sage to gain the combat strength and physical strength of a half-step true sage.

Chen Xiaobei would only care about his combat power and physical strength if he had reached the true Saint realm.

"Swish!"

After he was done with his cultivation, Chen Xiaobei rushed out of the divine sunlight cache.

At this moment, Fu Tian Xin 'er was activating the God-tier sunlight cache at full speed!

Although Chen Xiaobei's breakthrough seemed to have taken a lot of time, it had actually taken him millions of years!

Of course, after leaving the sunlight domain, not much time had passed in the outside world.

The celestial Hound and Xiao xuezhan were still in shock.

He had never seen such a heaven-defying cultivation speed.

Of course, on the other side, Fu Tian Xin 'er was still in the midst of her cultivation. From the looks of it, she wouldn't be able to stop for a while.

One could imagine how difficult it was to break through to the peak of the pre-Saint realm!

Fortunately, according to what Xiao xuezhao had said, everyone still had at least ten days to prepare. They could afford to wait for Fu Tian Xin 'er to cultivate.

After a long, long time!

Everyone could clearly feel that the life force in the entire space had been completely exhausted. Not a single bit could be absorbed.

"Phew ..."

At this moment, Fu Tian Xin 'er let out a long breath of white air and finally stopped her cultivation.

She slowly opened her beautiful eyes, but there was a hint of disappointment in them. Xiaobei Gege ... I haven't reached the peak stage of the quasi-Sage Stage yet ... There's not enough life force here!

"Then what realm have you broken through to?" Chen Xiaobei asked.

late stage nine-star quasi-Sage ...

Fu Tian Xin 'er was a little annoyed, " if I have enough life force, I'll be able to reach the peak of the sage-to-be realm in three minutes!

"That's easy!"

"Let's go back to the 26th floor. The life force there is abundant. It's enough for you to use!" The waiter interrupted.

"No!"

However, Xiao xuezhao immediately denied it, "This young lady consumes a lot of life force! If he went to the twenty-sixth level to cultivate, he would alert everyone on that level! Among them, there would definitely be someone who would inform the higher-ups! There are too many people, even I can't suppress them!"

It was clear that Xiao xuezhao's worries were correct.

At this point, Chen Xiaobei was not confident that he could win. Even if he only alerted Wang zhaoheng of the 36th layer, he would not be able to clear the situation, let alone Hong Yun!

"Sigh ..."

"If what you said is true, then no matter which level we go to cultivate, we might alert the higher-ups!"

yes ... Xiao xuezhao helplessly nodded.

"This is really infuriating! Just a little more!" Fu Tian Xin 'er was very angry, and she chewed her lips very high. She was very unhappy.

Of course, the reason she was unhappy was not because she could not increase her cultivation, but because she could not help Chen Xiaobei.

In this situation, Chen Xiaobei had to make sure that Fu Tian Xin 'er reached the pinnacle of Sage-to-be. Only then would he have the confidence to defeat Zhao hengtian!

However, the little girl was still a step away from victory!

How could she not be angry?

“Little girl! Don’t worry!”

Suddenly, Chen Xiaobei smiled and said, “Let’s go straight to the thirty-sixth floor! Your bro bei can buy you three minutes!”

“Really?”

Fu Tian Xin ‘er’s eyes widened in disbelief.

“Of course! When have I ever lied to you?”

Chen Xiaobei grinned and said, “ not to mention three minutes, even if it’s three hours, your bro bei can still hold on!

[Red Envelope Group of the Three Realms](#)

Chapter 3819: hiding

Indeed, Chen Xiaobei was not bragging!

10 billion years of lifespan could last for ten seconds at the half-step true sage realm!

And now, Chen Xiaobei had 15 trillion years of life! It could last for 15000 seconds! That was a full 250 minutes! That was equivalent to four hours and ten minutes!

And Futian Xin ‘er only needed Chen Xiaobei to hold on for three minutes!

So, this matter was completely under Chen Xiaobei’s control. He could do it one hundred percent!

however, my only concern is whether the battle in the 36 levels of heaven will alert Hongyun in the 37 levels of heaven.

Chen Xiaobei raised his concern.

From the beginning, gewu of the feather Man race had mentioned that above the 36 heavens of the jianmu world, there was an extremely mysterious 37 heavens!

It was obvious that the 36 heavens was Zhao hengtian’s territory!

The 37 levels of heaven that no one else could enter was naturally the place where ancestor Red Cloud was!

Chen Xiaobei would have no problem holding Zhao hengtian off for three minutes. However, if Red Cloud Grandmaster was alerted, the situation would be different!

One must know that other than being a true half-step true sage, ancestor Red Cloud also had a strand of Hong Meng immortal Qi and an extremely powerful treasure, the nine Nine Red Cloud soul-scattering gourd!

According to the legends, this gourd was a sacred object that grew from the spirit root of an innate sacred Meridian! After that, ancestor Red Cloud refined it into a half-Saint weapon after countless years!

Before the first measureless cataclysm, this gourd had already killed countless powerful beings. It had even killed many half-step true sages of the same level! One could see how powerful this treasure was!

And now, the fourth immeasurable catastrophe was coming, and countless years had passed. Hongyun was still holding a wisp of Hong Meng purple Qi.

There was one possibility ...

The nine Nine Red Cloud soul-scattering gourd had been strengthened. It had surpassed the level of a half-step Saint weapon and reached the level of a true Saint!

If that was the case, Chen Xiaobei would not even know how he died if Red Cloud ancestor was alerted.

“Shixiong Xiaobei, don’t worry!”

Xiao xuezhao said, “the thirty-seventh floor where Hongyun is located is an independent small world!” After all, Hongyun wasn’t from the celestial race! He needs spiritual Qi, so he lives in that independent small world all year round!”

Chen Xiaobei asked, “So you’re saying that no matter how big of a commotion I make on the thirty-sixth floor, Hongyun won’t know?”

“Yes! Unless Hongyun came down of her own accord, or someone went up to inform him! Otherwise, he wouldn’t have known!”

“In the end, it’s because Hongyun trusts Zhao hengtian!” Xiao xuezhao said. In Hongyun’s eyes, Zhao hengtian alone was enough to suppress the jianmu world! He, Hongyun, would be completely free of worries! Therefore, he rarely left the 37 heavens! The chances of alerting him are minuscule!”

“Good! I’m relieved to hear that!”

let’s go! Chen Xiaobei raised his eyebrows. let’s not waste any time! We’ll go up now! When the time comes, I’ll go out first and delay Zhao hengtian! Xiao xuezhao, you take xiner to a hidden place to cultivate! You must protect her well!”

“No problem! I’ll listen to Shixiong Xiaobei!” Xiao xuezhao nodded his head heavily and obeyed.

After that, everyone did not delay any longer and headed straight for the 36 levels of heaven!

They arrived at the entrance.

Chen Xiaobei stepped into it first.

As for Fu Tian Xin ‘er and the others, they were led by Xiao xuezhao to wait for an opportunity to enter the 36th layer of heaven.

But strangely, after Chen Xiaobei entered the 36th level, he did not see the legendary strongest realm, Wang Zhao.

However, this was exactly what Chen Xiaobei wanted.

Since there were still ten days before the deadline, every second Zhao hengtian appeared here would be more advantageous to Chen Xiaobei.

It would be best if Zhao hengtian came out three minutes later. That way, Chen Xiaobei could save a lot of life.

Of course, if Zhao hengtian did not show up, Chen Xiaobei would have to be on edge for another second.

After all, it was easy to Dodge a spear in the open, but hard to defend against a spear in the dark.

Chen Xiaobei was not afraid of a direct confrontation, but he was afraid of Zhao hengtian's schemes.

If an extremely powerful enemy was extremely smart and shameless, then he would be much more dangerous!

A smart person knew how to save effort!

Shameless people don't talk about rules or morality with you. Sneak attacks and sneak attacks are unscrupulous!

Just like that, Zhao hengtian never appeared.

However, Xiao xuezhao didn't know about the situation here, so he brought everyone up.

Xiao xuezhao had originally wanted to bring Futian Xin 'er to a hidden place to cultivate.

But! At this moment!

The space gate leading to the thirty-sixth floor had been sealed.

This was the same as directly sealing off everyone's escape route.

"Shit! We've been discovered!"

Xiao xuezhao's face changed dramatically, and his whole body became nervous.

"What do you mean we've been discovered?"

Six-eared macaque looked confused. the enemy didn't even show up! Bro bei hasn't even started fighting with him yet!

"No! You guys don't know!"

"If Zhao hengtian let you see him, you'll be very safe!" Xiao xuezhao said solemnly. If he was hiding, it meant that he had already locked onto his prey. Once they appear, they will definitely kill!"

"That's impossible ..."

didn't you already suppress bro bei's battle just now? why is Zhao hengtian still on his guard? " the celestial Hound was confused.

"It's possible that Zhao hengtian has predicted the danger!"

"Zhao hengtian is a very cautious man!" Xiao xuezhao said. He often divined the secrets of heaven and foretold good and bad luck! Once there are signs of danger, he will hide and wait for the enemy to come to him!"

"Shit! What do we do now?"

no! the waiter was anxious and said nervously, " the other party is extremely powerful to begin with. Moreover, they've made preparations in advance and even have their eyes on all of us! This situation has already far exceeded our expectations! The consequences will be immeasurable!"

"If you can fight, then don't argue!"

Just as everyone was feeling anxious and nervous, Fu Tian Xin 'er was extremely decisive. She didn't even bother changing her location. She took out the divine sunlight cache and started cultivating.

"Yes! Miss Xin 'er is right! We have no other choice but to take action!"

Xiao xuezhao composed himself and let out a battle cry that boosted his morale."Brothers! Bring out our strongest strength! As long as we can hold on to miss Xin 'er for three minutes, we can turn the situation around!"

"Good!"

Xiao 'er, Xiao Tianquan, and six-eared macaque were all Chen Xiaobei's best friends! In an instant, their blood boiled and their battle intent burned. Even if they had to give up their lives, they would protect Fu Tian Xin 'er with their lives!

"Hehehe ..."

However, at this moment, a sinister sneer was heard in the air.

What followed was a terrifying change!

Chapter 3820: great change

boom boom boom ... Boom boom boom ...

In an instant, the entire space was filled with Black Lightning!

Sharp lightning bolts intertwined and condensed, forming a huge array that covered the entire 30 levels of heaven!

Black Lightning rolled, and the pressure was overwhelming! It was as if a Supreme demonic god had descended into the world! All living beings, even time and space, would bow at his feet and beg for his mercy and mercy!

Even the huge jianmu world was trembling! Heaven and earth turned dark as the strong wind tore through the huge leaves in a radius of hundreds of miles and broke the branches that were like the pillars of heaven and divine Dao!

With the terrifying Thunder, everyone's state of mind was severely impacted. They were anxious, anxious, and terrified. They couldn't calm down at all, and even their combat strength was reduced!

what ... What's going on?!

The waiter was stunned. He stood rooted to the ground and even his body was trembling.

“As I’ve said before, Zhao hengtian’s original form is a primordial chaos Black divine Dragon! This is the “perfect Crow Saint thundercloud formation” that he spent a trillion years to create!”

Xiao xuezhao said, “ this formation has reached the peak of the sage-to-be level. With the power of the Zhen Yuan immortal’s half-step Saint weapon, the power of this formation has reached the level of a half-step true sage. It’s very, very terrifying!

half ... Half-step true sage!?

The celestial Hound and six-eared macaque were both shocked. Their hearts tightened. this Zhao hengtian is already very difficult to deal with. Now, he has another trump card. Can bro bei ... Can he still hold on? ”

There was no doubt that both the celestial Hound and six-eared macaque trusted Chen Xiaobei.

However, the enemy that had appeared was too powerful! It was so powerful that it exceeded everyone’s expectations!

That was why Xiao Tianquan and six-eared macaque were worried about Chen Xiaobei.

“Boom boom boom ...”

While they were talking, a terrifying jet-black Thunderbolt struck down like a Heavenly Dragon!

The extremely terrifying power was enough to kill everyone here!

Even Xiao xuezhao was no exception!

Although Xiao xuezhao was also a peak quasi-Sage, he was far from being able to resist the power of a half-step true sage!

Even if they risked their lives, they would not be able to protect her!

Whoosh ... BOOM! BOOM!

However, at this moment of life and death, a huge purple-gold ROC wing suddenly flew over and blocked the terrifying black sacred lightning!

Chen Xiaobei had been on high alert, afraid that the enemy would launch a sneak attack.

He would burn his lifespan and step into the half-step true sage realm.

Chen Xiaobei had the ability to fight!

“Hehehe ...”

The lightning dissipated, and the sinister cold laughter came from the sky again, “ I didn’t expect that there would be a half-step true sage hidden among this group of trash! I did a divination just now, and the bad omen was because of you!”

Obviously, Chen Xiaobei had the mark of humanity to hide from the heavens, and Zhao hengtian could not predict Chen Xiaobei’s whereabouts.

However, Zhao hengtian could predict his own fate.

It was precisely because he had divined that there was a bad omen that he immediately went into hiding.

Chen Xiaobei's display of power had indeed fulfilled Zhao hengtian's prediction.

"You must be Zhao hengtian? Since you've already anticipated everything, and you've already taken advantage of the situation, why don't you dare to show your true self? Hiding your head and showing your tail is what you, the strongest King of the Universe, can do?"

Chen Xiaobei's purple-gold demonic saint's demonic form had already appeared in front of them, protecting them.

"Hehe, you don't need to talk so much! Trying to goad me is useless!"

Zhao hengtian was extremely calm as he laughed maliciously, "Not only will I not come out and fight you head-on, but I will also not fight you! On the contrary, I've already informed the old ancestor and asked him to come down and deal with you! This was the method that was almost certain of success! Hmph Hmph Hmph!"

"What!"

Even Chen Xiaobei was shocked.

If it was just Zhao hengtian, Chen Xiaobei could have lasted three minutes.

However, with the addition of ancestor Red Cloud, the situation would be completely out of their control and they might even fall into a fatal situation!

Chen Xiaobei was not confident that he could last three minutes against Red Cloud Grandmaster!

"This is the eternal Heaven split! He was an extremely cautious person! It could even be said that he was extremely perverted! He'll only choose the plan that benefits him the most!"

Xiao xuezhān's brows were tightly knitted, and his expression was extremely unsightly.

It was obvious that Xiao xuezhān was very angry that he had not anticipated such a situation.

After all, Chen Xiaobei and the others had chosen to attack him because they trusted him. Now that they were trapped in this situation, Xiao xuezhān felt that he had caused everyone's death.

"It's already been a minute!"

However, at this moment, the waiter flew to Xiao xuezhān's side and reminded him in a low voice.

In addition to reminding him, he was also comforting Xiao xuezhān, telling him not to blame himself too much.

After all, there was still hope of breaking out of this situation.

"Xiao xuezhān! You traitor! You actually dare to collude with outsiders!"

Zhao hengtian wasn't in a hurry to attack. Instead, he turned to Xiao xuezhao and sneered, "The old ancestor will come down soon! He will personally get rid of you! Clean up the sect for our celestial race!"

"Hmph! You still know that you're from the celestial race of the creation wood?"

Xiao xuezhao coldly snorted and angrily scolded, "We, the creation wood divine race, were born and raised in the creation wood! He would only cultivate wood-type immortal essence his entire life! As for the three of you, ever since you followed Red Cloud, you've abandoned your beliefs and bottom lines!"

"Chu yingheng cultivated fire attribute evil techniques in order to ensure that his body and the technique didn't reject each other! It has to drink the blood of nine young girls from the wood spirits every day!"

Lu lianfeng cultivated a poison attribute evil technique, causing a large number of people from the tenth to the seventeenth floor to fall ill with a strange disease, and countless deaths and injuries!

"As for you, Zhao hengtian, you used an evil technique that reversed the origin and underwent a complete mutation! It turned the thirty-three heavens into a land of death. Billions of living beings died, and their vitality was completely exhausted, unable to recover for all eternity!"

Xiao xuezhao's eyes were filled with anger, as if they were about to spit out flames of hatred. "If you want to talk about cleaning up the sect! It's also time to get rid of the three of you, who betrayed your faith and harmed the jianmu world! I've been waiting for this day for a long time! Today, either I die or you die!"

It was obvious that Xiao xuezhao had received the warning from the waiter and was deliberately delaying the time.

Of course, everything he said was the truth!

And this was the reason why he had joined the tribe of severity!

That was because he knew that only the Jie sect could help him clean up his sect and restore the peace of the jianmu world!

"It's been two minutes!"

The waiter was very excited and kept flying around Xiao xuezhao.

However, at this moment, a hoarse voice that was as deep as a mountain and as gloomy as a ghost entered everyone's ears.

"Who gave you the guts? Do you think that I, ancestor Red Cloud, do not exist?"
