### Red Envelope Group of the Three Realms

#### Chapter 3901: rescue

It was obvious that the treasure Daoist had once been a core member of the Western sect, so he knew all the big moves of the Western sect.

K itigarbha and Minghe had an irreconcilable enmity, and he once made a great vow that he would not become a Buddha until hell was empty!

For a long time, the battle between Ksitigarbha and Minghe had never subsided.

In the beginning, Minghe had a great advantage and suppressed Ksitigarbha. Ksitigarbha had no choice but to ask abundant treasures to help and seriously injure Minghe.

However, K itigarbha had been strengthening his strength and power while Minghe was recuperating, and he had caught up with Minghe!

According to the Taoist of many treasures, Ksitigarbha had a great advantage at the moment, and Minghe could not hold on for long!

This was a huge warning to Chen Xiaobei!

If Minghe was defeated and fell into the hands of K itigarbha, he would also fall into the hands of the Western religious sect. He might even be controlled by jieyin. Of course, he might also be threatened and bribed by the way of heaven to become the new Sage!

Not only would Chen Xiaobei lose his ally, Minghe, but he would also put the prime of Tongtian and lady Nuwa in danger!

Chen Xiaobei could not accept this result!

“Since that’s the case, I can’t delay any further! Senior brother, tell me where the battlefield is! I’ll just open a spatial gate and we’ll be able to get there! No matter what, we must protect the netherworld River!”

Chen Xiaobei’s attitude was firm, and he could not wait any longer.

After that, treasure Daoist told Chen Xiaobei the location of the battlefield. Chen Xiaobei then asked Futian Xin ‘er to open the spatial gate near the battlefield.

This time, Chen Xiaobei and treasure Daoist were working together.

Because Daoist jieyin had taken the storage Dharma Treasure from treasure Daoist in advance, treasure Daoist didn’t have any Dharma Treasure or resources at the moment.

So, Chen Xiaobei gave the nine tunes holy river formation and the primeval Dipper to Daoist duo Bao.

As for Chen Xiaobei, he had the eastern Emperor Bell, the tree of Seven Wonders, and some one-star Saint weapons.

Overall, the two of them were already very powerful.

However, he still couldn't let his guard down. After all, the eastern Emperor Bell and the tree of Seven Wonders could only be activated once each, and the nine-turn holy river formation and the chaos golden Dipper could only exert the power of a five-star Saint weapon!

To put it bluntly, such power was not enough to guarantee victory.

One must know that the two accompanying Supreme treasures of ancestor Minghe, ABI and yuantu, were both seven-star Saint weapons.

Even ancestor Minghe couldn't withstand this battle. It was clear that the power that Ksitigarbha King's side could exert had probably reached the peak of a seven-star true sage or even an eight-star true sage!

If Chen Xiaobei's tree of Seven Wonders failed to destroy the enemy in one go, the consequences would be unimaginable.

After all, it was best to save the spiritual Qi of the bell of the East Emperor and use it to prove the way with strength.

So, in this battle, Chen Xiaobei only had one king Bomb. If he did not use it well, he would be doomed!

"Woof! Whoosh!"

After passing through the space gate, Chen Xiaobei and the treasure Daoist arrived at the land.

Just as he had imagined, the main color tone here was darkness!

The black clouds in the sky, the black soil under their feet, and the black evil Qi in the air all filled the entire space with a gloomy and murderous aura.

Of course, in addition to the darkness, the space was also filled with blood.

The corpses on the black soil were like mountains, and blood flowed like a river. The air was filled with the disgusting smell of blood.

From this, it could be seen that this was not the first time a large-scale war had broken out. The number of casualties was even more difficult to estimate.

Upon closer inspection, most of the bones were of Shura Warriors, and only about 30% were of the Western religious sect.

The male Shura Warriors were ugly, and their muscles were bulging! As for the Shura female warriors, they all had extremely good looks and great figures! It was very recognizable and could be recognized at a glance!

On the battlefield, 70% of the Asura race's corpses and 30% of the Western religious sect's corpses were strewn about. It was clear that the combat power of the two sides was not on the same level!

The Western religious sect had a great advantage! It was a completely one-sided situation!

"I'll try to contact Minghe and see how he's doing!"

Chen Xiaobei looked at his surroundings and became more and more worried. He quickly took out his communication jade talisman.

However, there was no reply for a long time after the message was sent.

Chen Xiaobei's face grew more and more serious.

there are only two possibilities for why the netherworld River didn't reply. First, he's in a tough battle. Second, he's already been defeated and controlled by the enemy!

If it was the first possibility, then it would be easy! However, if it was the second possibility, then the problem would be huge.

"Junior Brother Xiaobei! Why don't we change our way of thinking!"

At this time, treasure Daoist stood up and said in a deep voice, " contact Ksitigarbha Bodhisattva and try to talk business with him. Let's test the situation first!

"Business?"

Chen Xiaobei frowned and said, " K itigarbha K itigarbha isn't stupid. He won't talk to me if he doesn't have a bargaining chip!

Daoist of many treasures smiled indifferently and said,"just tell Ksitigarbha that the future Sutra is in your hands!" This Scripture had been lost in the Western religious sect, and it was something that all the pre-Saint Buddhas dreamed of! As long as you say that, Ksitigarbha will definitely talk to you!"

"Heh, what a coincidence!"

"I really do have the future Sutra with me!" Chen Xiaobei grinned. And it was real! It's the real deal!"

how ... How is this possible?! Treasure Daoist's heart was hit hard.

He did not expect that the Scripture would be in Chen Xiaobei's hands.

After that, Chen Xiaobei briefly explained the origin of the Sutra.

"This is great!"

that's great! the Taoist of many treasures was excited. as long as I have the Sutra of the future, even if Minghe really falls into Ksitigarbha Bodhisattva's hands, we can still talk about it!

"Good! Then I'll have a talk with him first!" Chen Xiaobei raised his eyebrows and contacted Ksitigarbha.

K itigarbha-Chen Xiaobei? How ... How could you still be alive? (Shocked)

huh?!

Chen Xiaobei's eyes lit up when he saw K itigarbha K itigarbha's first reaction. He had thought of an even more important question!

"Ksitigarbha doesn't know that I'm still alive! This means that the Daoist jieyin didn't spread the news of our deal! Of course, he did not dare to publicize it! If the heavenly Dao finds out that he made a deal with me, he will be severely punished!"

this means that Ksitigarbha doesn't know that senior brother duo Bao has regained his freedom! Chen Xiaobei said excitedly. As for the chips in my hands, in addition to the Sutra of the future, I can also add senior brother duo Bao!"

### Red Envelope Group of the Three Realms

#### **Chapter 3902: bargaining**

He took the initiative to contact K itigarbha Bodhisattva. Through K itigarbha Bodhisattva's performance, Chen Xiaobei had a new discovery. This had made the difficult situation suddenly clear. His chances of winning had greatly increased.

Chen Xiaobei-it doesn't matter why I'm still alive! What's important is that I've taken the initiative to find you, and I'll bring you a great opportunity!

Ksitigarbha asked,"chance?" (Bewildered) I don't believe you! You're a bad kid! He's definitely trying to trick me!

Chen Xiaobei, look at you! I haven't even done anything, and you're already afraid!

K itigarbha K,"who ... Who said I'm afraid?" I just don't believe your words! You're known as the number one profiteer of the Three Realms! Don't you have a lot of people who have been tricked by you?

Chen Xiaobei-you can see for yourself if it's a trap!

After that, Chen Xiaobei sent a part of the Sutra to Ksitigarbha.

K itigarbha K itigarbha was not stupid. In order to gain his trust, Chen Xiaobei had to throw out some sweet bait.

And the Sutra of the future was a super fragrant bait that Ksitigarbha could not resist.

I'm not afraid he won't take the bait!

K itigarbha K,"my God!" This ... This ... This is the long-lost Sutra of the future! How did it end up in your hands? (Extremely shocked)

Chen Xiaobei: Did I bring you an opportunity or a huge pit?

Ksitigarbha said,"stop beating around the bush!" What do you want?

"I want to ask you, where is the netherworld River?" Chen Xiaobei asked. How's his current condition?

K itigarbha: ancestor netherworld River? What are you looking for him for? Could ... Could it be that the two of you have already formed an alliance?

Chen Xiaobei: " I'm the one asking you questions! If you want to get the Sutra of the future, then don't talk nonsense with me!

Ksitigarbha snorted. Since you're here for ancestor netherworld River, you don't have the right to be arrogant! Let me tell you the truth! Ancestor Styx River has become my prisoner! I can destroy his primordial spirit at any time! Let him die completely!

Obviously, Ksitigarbha was not lying!

He had been dreaming of getting the Sutra of the future. If he did not have ancestor netherworld River, he would not have dared to fight back against Chen Xiaobei.

Chen Xiaobei: " if that's the case, then things are very simple! I'll use the future Scripture to exchange for the netherworld River! You definitely won't lose out on this deal!

Ksitigarbha replied,"I refuse!"

Chen Xiaobei,"what do you want?"

Ksitigarbha snorted. 'I heard that you, Chen Xiaobei, are a loyal man! For your friend, you can risk your life! If the rumor is true, then you will exchange your life for ancestor netherworld river's!

K itigarbha Bodhisattva was very smart. He had paid close attention to Chen Xiaobei and knew his character very well.

K itigarbha K ritigarbha had taken advantage of Chen Xiaobei's personality and turned the tables on him with the hostage! Not only would he be able to obtain the future Sutra, but he would also be able to take everything that Chen Xiaobei had!

Most importantly, if he killed Chen Xiaobei, K itigarbha K itigarbha would become a great hero to the heavenly axiom. He might even become a new Saint!

Ksitigarbha couldn't help but laugh wildly at the thought of this.

To him, the peak of his life was already close at hand.

K itigarbha Bodhisattva-Chen Xiaobei! I'm not joking with you! In half a day, I want to see you destroy your own cultivation and kneel before me! Otherwise, I'll cut ancestor Minghe into a thousand pieces and destroy his original spirit!

Are you sure you want to threaten me like this? And not a fair deal with me?

K itigarbha K, what nonsense! What right do you have to make a fair deal with me? Unless you're a hypocrite who doesn't care about the life and death of ancestor Minghe, you can only be threatened by me!

Chen Xiaobei, I don't like being threatened! Therefore, those who threaten me usually don't have a good ending!

K itigarbha: I'm not afraid to tell you! Ghost burial mountain had a million Vajra Malla, 108 Arhats, and three Supreme treasures of Saint jieyin! I'm going to threaten you. Let's see who's going to end up badly!

[ if that's the case, we'll meet at ghost burial mountain! ]

Ksitigarbha snorted. Don't say I look down on you! If you really have the guts to come! I'll respect you as a man!

K itigarbha thought that Chen Xiaobei would not dare to come because he had a hostage, ghost burial mountain was his base camp, and he had an Army and a treasure.

So, Ksitigarbha did not forget to provoke Chen Xiaobei with his last sentence.

Of course, Chen Xiaobei did not waste his time arguing with Ksitigarbha. Instead, he started to plan how to break out of this situation.

Logically speaking, since Ksitigarbha had already occupied the right time, place, and people, then this should be a dead end that could not be broken.

However, as the saying goes, paying attention to everything is knowledge!

The key point that Chen Xiaobei had noticed from Ksitigarbha's reaction was the key to breaking the situation and winning!

"Senior brother abundant treasures!"

Chen Xiaobei put away the Jade talisman, went to treasure Daoist and explained the situation to him.

Then, Chen Xiaobei told them his plan, " "Senior brother, hurry to the ghost burial mountain now! Ksitigarbha doesn't know that you've regained your freedom! Therefore, senior brother, you can easily gain his trust!"

"Understood!"

Treasure Daoist was very smart, so he naturally knew what to do.

"There's no time to waste. Senior brother, let's go now! I'll be there in a moment. We can't give Ksitigarbha any time to react, and we can't let him contact jieyin!"

Chen Xiaobei made a quick decision.

"Alright!"

Treasure Daoist's body flashed and disappeared from the scene.

Chen Xiaobei's speed was slower than duo Bao's, but he could not delay any longer.

On his way, Chen Xiaobei received a message from Dao ancestor Hongjun through his communication jade talisman.

[ Chen Xiaobei, I've already reported your request to the heavenly axiom! ] He didn't agree to give you the peak true sage level spirit Meridian!

Sure enough, the result was exactly the same as Taoist Cundi's speculation.

The will of the heavens did not allow Chen Xiaobei to have the chance to become a saint. So, the will of the heavens would not give Chen Xiaobei even half a peak true Saint spiritual vein, let alone three.

Chen Xiaobei: " if you don't agree to my request, then why did you contact me? " Could it be that he wanted to ask about the location of the corpse collection? Don't worry! I'll immediately kill all the gods in the celestial heavens and leave their corpses in the celestial realm!

Hongjun,"don't mess around!" Although I can't give you a peak true sage spiritual heritage! However, the heavenly Dao is willing to agree to your other requests!

Chen Xiaobei: Heh, I've proposed it, and the heavenly Dao doesn't agree. What's the point?

Hongjun: " if you don't want to make a request, then I'll give you a price. Let's see if you can accept it.

Chen Xiaobei:

Hongjun, [ as long as you hand over all the hostages, the way of heaven will release Nuwa! ]

### Red Envelope Group of the Three Realms

#### **Chapter 3903: hidden chess piece**

release mother Nuwa!?

Chen Xiaobei was shocked. He did not expect the heavenly axiom to offer such a price!

Chen Xiaobei had considered using the hostages to exchange for the prime of Tongtian or lady Nuwa.

However, after some careful consideration, Chen Xiaobei rejected the idea because he did not think that the heavenly axiom would agree to it. Even if it did, it would definitely do something to it.

But Chen Xiaobei did not expect that the heavenly axiom would take the initiative to release lady Nuwa.

This was beyond Chen Xiaobei's expectations.

Of course, there was a reason for everything that happened.

For the heavenly Dao to suddenly make such a decision, it must be because something had changed.

This time, Chen Xiaobei could already guess what had happened. No, to be more accurate, he did not even need to guess.

There was only one answer!

That was, a new Sage was about to appear, and mother Nuwa had already lost her value!

Chen Xiaobei thought, 'did mo Luo Wu Tian become a saint?

Hongjun said, " I don't need to hide it from you anymore. Under the guidance of the way of heaven, Molo Wutian has successfully separated his three corpses. As long as he signs the primordial spirit contract of living and dying together, he will become the new Sage! To replace nüwa!

No wonder the heavenly axiom released lady Nuwa! As expected, it was because she had lost her value!

Hongjun, [ to be honest, you have no reason to refuse the price offered by the way of heaven! ] There was no room to refuse! Because if you refuse, nüwa will be killed!

Chen Xiaobei: I accept your price! Tell me how you want to make the deal!

Ding! Congratulations! You've snatched Hongjun's Red envelope. You've received a space. It has been stored in your treasure chest!

Hongjun, [ you put all the hostages in this space of manifestation! ] Then, he would send them all over with red packets!

Hongjun, [ at the same time, we will put Nuwa into a space and send you a red envelope! ]

Chen Xiaobei: " this is not a good deal. What if I send you a red packet and you don't? who can I go to? "

Hongjun, [ you're a smart man! ] If we don't come up with an absolutely fair trade plan, you definitely won't agree! That's why we specifically used the manifestation space!

Hongjun said, " this space has two characteristics. First, it can show everything in the space. It is absolutely real and can't be faked.

[ Hongjun, the second feature is that you can activate your self-destruction ability! ] If you let that space recognize you as its master and realize that we've lied to you, you can make the space self-destruct at any time and kill all the gods in the celestial heavens!

Chen Xiaobei thought, sounds like it's going to work! However, I still need to consider it!

Hongjun,"what else is there to consider?" Nüwa is of no value to us anymore. If we can exchange her for the gods of the heavenly court, it's a good deal for us. We don't need to play any tricks on this matter! What if he made a mistake and ruined this stable business instead!

Chen Xiaobei: I'll give you an answer immediately!

After exiting the private chat, Chen Xiaobei forwarded the so-called materialized space to Cundi.

Chen Xiaobei was a smart man. No matter what Hongjun said, he would not believe it.

However, Taoist Cundi's reply came very quickly.

After confirmation, this space was real and had not been tampered with.

That was to say, what Hongjun had just said was true. They had no intention of playing any tricks on this matter.

In other words, this deal could be carried out!

Chen Xiaobei stopped in his tracks.

He sent the gods of the heavenly court, Guang Chengzi, the demon emperors of the five formations, Maitreya Buddha, and the nine-colored Qilin into the space of manifestation.

Of course, Li Jing and Nezha were also among them.

The two of them had been Chen Xiaobei's hidden chess pieces since the day they were taken into beixuan's Saint bestowment painting.

If they were released, Li Jing and Nezha would not be suspected by the enemy. They could help Chen Xiaobei in the future.

At this point.

There was no one locked up in the beixuan Saint-sealing painting.

In other words, the two demonic Fire Red Lotus Imprints in the map could be extracted and used by Chen Xiaobei.

As for the third demonic Fire Red Lotus imprint, it was in Xia Yilian's body.

“Whoosh ...”

Chen Xiaobei released Xia Yilian from the Meru space.

“Greetings, bro bei! Do you have any orders?”

Xia Yilian had always thought that the demonic Fire Red Lotus mark was Chen Xiaobei’s curse. That was why she had been so respectful to Chen Xiaobei the moment she came out.

Chen Xiaobei said, “From now on, you have to listen to every word I say! If you’re smart enough, this will definitely be a heaven-defying opportunity for you!”

“Yes! Bro bei, please tell me! I’m all ears! I don’t dare to miss a single word!” Xia Yilian only wanted to save her own life, so naturally, she would listen to Chen Xiaobei.

now, I’m going to send a group of hostages to the hands of the Dao ancestor, Hongjun! “And you will be one of them!” Chen Xiaobei said.

“Dao ancestor? A hostage?” Xia Yilian was confused. She did not know what Chen Xiaobei was up to.

“You don’t need to know the details!” Chen Xiaobei said. You only need to know that if you play the role of a hostage well, you can become a person by the Dao ancestor’s side!”

act ... Me ... How should I act?! Xia Yilian immediately became excited.

Although she did not know what Chen Xiaobei was planning, Xia Yilian’s goal had always been to become a disciple of the heavenly Lord of the origin. Now, she had the chance to surpass the heavenly Lord of the origin and reach the Dao ancestor!

Such an opportunity, to a person with great ambition, was absolutely filled with an irresistible temptation!

when you get to Hongjun’s side, you can say that you and I have a great enmity. After you were defeated, you were caught by me and sent to the space of manifestation with the gods inexplicably. That’s why you went to Hongjun!

Hongjun won’t believe you so easily! Chen Xiaobei said. when the time comes, you can tell him everything about The Grudge between us! All the conflicts between us can be traced, so I’m not afraid of him investigating!”

“Hongjun will naturally believe you after he has finished his investigation! As the saying goes, the enemy of my enemy is my friend! He’ll definitely arrange a good position for you! With your ruthlessness, I don’t think I need to teach you what will happen next!”

Obviously, Chen Xiaobei had already calculated everything.

The heavenly axiom did not do anything to the hostage exchange, but Chen Xiaobei did!

If he directly sent Xia Yilian, this venomous snake, over, even if the enemy side did not die, they would definitely lose a layer of skin!

When everything was ready, Chen Xiaobei contacted Hongjun.

After both parties confirmed, the red packets were sent out at the same time!

### Red Envelope Group of the Three Realms

#### **Chapter 3904: must be saved**

This was because the space had a self-destruction ability.

If Hongjun did not send the red envelope after Chen Xiaobei sent it, Chen Xiaobei could activate the self-destruct function and kill everyone in the boundless space.

Because of this, Hongjun didn't cause any trouble and sent the red packet over.

Ding! Congratulations! Snatch Hongjun's Red envelope and receive a space (including: Nüwa), stored in treasure chest!

Extract!

Chen Xiaobei did not dare to waste a second. He immediately took out the dimension and released lady Nuwa.

At the same time, Hongjun would definitely release all the hostages.

Both sides were racing against time. If they were a little late, the other party might activate their self-destruction ability and kill the person they wanted.

"Mother Nuwa ..."

Chen Xiaobei looked at the snake-bodied woman in front of him with a complicated expression.

First of all, she was stunning. This beautiful woman's face and figure were perfect to the point of invulnerability. There was absolutely no next time.

Then, she was overjoyed. The dimension could not be faked. The red packet was first nüwa's, so it was really nüwa. That meant that Chen Xiaobei had really saved her.

Finally, he was worried because goddess Nuwa's complexion was extremely pale. With Chen Xiaobei's medical skills, he could tell that she was severely injured and was on the verge of death!

"You noticed ..."

Lady Nuwa understood Chen Xiaobei's anxiety, so she explained, "Before releasing me, the heavenly Dao gave me a red ball to eat! My cultivation base has been completely removed from my body ... Now, I'm just an ordinary person who can't even truss a chicken ..."

It was obvious that if mother Nuwa still had her cultivation, she would definitely pose a great threat to the heavenly Dao after she regained her freedom.

It was precisely because of this that the heavenly Dao would never release mother Nuwa.

Of course, mother Nuwa had used the word 'stripped' and did not say that her cultivation had been crippled.

To put it bluntly, goddess nūwa's cultivation as a heavenly path Sage was also an extremely huge amount of energy. The heavenly path was unwilling to waste it directly, so it forcefully extracted it.

Although this would make her lose all her cultivation, there was still a little benefit. Her sea of Qi, dantian, and primordial spirit were not damaged, and she could still cultivate again.

However, the possibility of re-cultivating to become a heavenly path Sage was almost zero.

Not to mention the lack of time and energy, even the opportunity to break through between the major realms was extremely difficult.

Even if goddess nūwa reached the peak of the sage-to-be realm, she would never be able to reach the true sage realm without the permission of the heavenly Dao.

So, the heavenly axiom had also set Chen Xiaobei up. Even though it had set lady Nuwa free, it had also taken drastic measures, causing her to lose the power to help Chen Xiaobei.

furthermore, it's not just my cultivation base. My storage treasure has already fallen into the hands of the heavenly Dao. All my treasures and resources are gone ...

At this point, goddess nūwa's face became very sad. She lowered her head and sighed. "I'm very sorry, Xiaobei ... Not only can I not help, I've even dragged you down! In order to save me, I made you lose an extremely important bargaining chip!"

"If you say that, then you're treating me as an outsider!"

Chen Xiaobei looked at her and said seriously, " "You've helped me so many times! How many times have you saved me! I can't even count them! If I don't save you, then wouldn't my conscience be eaten by dogs?"

"Moreover, something like a bargaining chip has value on both sides to me! The value on the surface is to play with the enemy, but the value on the dark side can help me place a hidden chess piece! I definitely won't lose out on this deal!"

"As far as I'm concerned, so long as mother Nuwa and master can return safely, I'm willing to pay any price! As for the enemies, I'll just wait for my hidden chess pieces to make their move. Even if they don't die, they'll lose a layer of skin!"

It was obvious that Chen Xiaobei had everything planned out.

Xia Yilian, this venomous Scorpion, had extraordinary heaven-defying ambitions! Even without Chen Xiaobei's instructions, she would not stay by the Dao ancestor's side!

Chen Xiaobei knew that Xia Yilian would do everything she could to gain the Saints' trust. Then, when she had the chance, she would absorb the Saints' cultivation and make it her own!

Of course, Saints were not to be trifled with, and Xia Yilian might fail!

Chen Xiaobei had already thought of this!

A heavenly Dao sacred lotus imprint was already hidden in Xia Yilian's body. If Xia Yilian failed and was killed by a Saint, the heavenly Dao sacred lotus imprint would launch a peak true sage level counterattack!

Among the current heavenly path sages, only Taishang Laojun and heavenly Lord Yuanshi were peak true sages. The rest of the sages could not withstand the counterattack of the sacred lotus of heavenly path's Mark!

Moreover, even if it was the Taishang Laojun and the heavenly Lord Yuanshi, they would be severely injured if they were hit by a peak true Sage's power without any preparation. They would either die or be disabled!

As for the Dao ancestor, Xia Yilian probably wouldn't dare to scheme against him.

After all, the level of Xia Yilian's evil technique was not high enough to absorb the cultivation of a Dao ancestor. No matter how many schemes she had, it was meaningless.

So, Chen Xiaobei's plan was very clear.

Xia Yilian would make her move sooner or later. No matter if she succeeded or failed, someone would suffer!

Other than the Dao ancestor, it would depend on which heavenly path Saint was more unlucky!

Of course, Chen Xiaobei would inform Taoist Cundi in advance to let him be on guard against Xia Yilian. At the same time, he would secretly help Xia Yilian and recommend her plan.

All Chen Xiaobei needed to do now was to wait for the good news!

I don't quite understand what you mean. However, with your wisdom and intelligence, once the hidden chess piece is buried, it will certainly be of great use!

Goddess nūwa had full confidence in Chen Xiaobei's plan. She believed in Chen Xiaobei as much as she believed in herself.

"Oh right! Xiaobei!"

After a pause, mother Nuwa immediately became serious. "If possible, I want to take you to save senior brother Tongtian!"

save master!? Chen Xiaobei tensed up. how?!

"I know the place where senior brother Tongtian is being held!"

Goddess nūwa's eyes narrowed and she said in a deep voice, "That place is guarded by the celestial eradication sword formation, and it's extremely dangerous. Even if we try our best, we'll most likely die! However, if we don't take the risk, I'm afraid senior Tongtian's life will be in danger!"

The celestial slaying sword formation!

The number one killing formation of the ages!

It couldn't be broken unless the four Saints worked together!

In such a situation, it was almost impossible to save sect master Tongtian!

However, he had no choice but to save her!

“What happened to Sifu?” Chen Xiaobei asked. Why is his life in danger?”

### Red Envelope Group of the Three Realms

#### **Chapter 3905: The strongest**

Goddess Nuwa said, “as far as I know, Ksitigarbha launched an Army to attack the Shura tribe. He has already defeated Minghe! Soon, K itigarbha K itigarbha would be able to unify the land and obtain a huge merit for stopping the war! At that time, he will become a Buddha on the spot, and even have the chance to behead the three corpses and become a saint!”

It was obvious that mo Luo Wu Tian had become a Sage. This had caused mother Nuwa to lose her value!

If k itigarbha also became a Saint, then sect leader Tongtian would also become an abandoned son! Without any bargaining chips, the prime of Tongtian could be killed at any time!

For this reason, even though she knew that the ‘celestial eradication sword formation’ was protecting the place of imprisonment, mother Nuwa had no choice but to put forward the idea of a risky rescue!

If he didn’t save them, he could only watch sect master Tongtian die!

But!

Even in this situation, Chen Xiaobei did not panic at all. Instead, he wanted to laugh.”Mother Nuwa, don’t worry. Ksitigarbha can’t become a Buddha, let alone a Saint!”

how ... How is this possible?!

Goddess nüwa’s expression froze for a moment, and her beautiful eyes flickered. Then, she came to a sudden realization. don’t tell me that you’ve even included Ksitigarbha Bodhisattva in your plan? ”

“The Empress is extremely intelligent! I’m going to deal with Ksitigarbha now!”

of course! Chen Xiaobei smiled and said, “if I’m not mistaken, K itigarbha and all the members of the Western religious sect will be in my hands! Just like the gods of the celestial heavens, they will also become my bargaining chips!”

you ... You’re that confident?!

Lady Nuwa was in disbelief. She looked at Chen Xiaobei and said, “As far as I know, K itigarbha K itigarbha has used a very, very powerful force this time! Minghe couldn’t even resist with the strength of the entire Shura tribe, and you’re going alone ...”

Halfway through her words, mother Nuwa stopped and did not continue.

What was the difference between going alone and going to die?

This was a question that any normal person would have.

However, lady Nuwa knew Chen Xiaobei very well. The number one profiteer in the Three Realms would never fight a war that he was not confident in winning, and he would never fight a war that would make him lose money!

That was why even though goddess nüwa was a little surprised, she did not think that Chen Xiaobei was going to die.

On the contrary, seeing Chen Xiaobei's confidence, lady Nuwa was relieved.

This was trust!

It was unconditional! Definitely! Pure trust!

As long as Chen Xiaobei said that, lady Nuwa would definitely believe him!

The reason why he trusted her so much was because Chen Xiaobei had never let her down!

if goddess Nuwa is interested, you can watch from afar. I'll go alone and settle all the people of the Western religious sect!

Chen Xiaobei smiled. His tone was calm, but he exuded the aura of an Overlord who was in control of the entire situation.

"Good! I'd like to see your ability with my own eyes!"

Nuwa composed herself, and a smile so beautiful that it could stun all mortals appeared on her face.

Soon after.

The two of them flew all the way to the vicinity of the ghost burial mountain.

Because goddess Nuwa had lost her cultivation, Chen Xiaobei had Xiao 'er and Fu Tianxin' er come out to protect her.

Mother Nuwa and Futian Xin 'er were reunited, and she was naturally overjoyed and excited.

The waiter was drooling as he looked in the direction of ghost burial mountain and muttered to himself, " there's something over there that smells really good ... And they're all very, very high-grade ... If I can have a bite, I'm willing to lose ten years of my life!

Chen Xiaobei and Futian Xin 'er rolled their eyes at the waiter.

This little glutton had a lifespan that was as long as the heavens and the earth. Even if he lost a billion years of his life, it would not matter, let alone ten years.

Of course, mother Nuwa said seriously, " "The twelve wings Golden Cicada is extremely sensitive to heavenly materials and earthly treasures! The enemy must have an extremely powerful Saint artifact!"

Indeed, the older the ginger, the spicier it was.

Mother Nuwa immediately gave an early warning just from the waiter's muttering!

Even though Chen Xiaobei had thought of it, it was necessary to remind him!

“That’s right!”

Chen Xiaobei nodded and said, “ I’ve contacted Ksitigarbha! He said that there are a million Vajra Malla and 108 Arhats in front of us. Furthermore, there are three Supreme treasures from Daoist jieyin!”

the three guiding treasures!?

Goddess nüwa’s eyes narrowed and she said in a deep voice, “ “The pagoda of light! The nine leave horsetail whisk! The intentionless bead! These three items were all Seven Star true sage level treasures! It was the life source magic weapon! It’s even more powerful than magic treasures of the same grade!”

“No wonder the netherworld River lost ...”

of course! Chen Xiaobei said, “ Minghe only has Avici and yuantu, these two divine weapons. Although they’re also Seven Star divine weapons, they’re both weaker! Moreover, there’s one less, so there’s no way we can fight ...”

Obviously, the three jieyin treasures were the Natal magic weapons of the jieyin Taoist. Although they couldn’t be said to be invincible among those of the same level, they were definitely superior existences.

ABI and Yuan tu were considered average and were weaker. Two treasures versus three treasures. The battle had lost its suspense.

“Xiaobei! Do you still have confidence in your plan?” Mother Nuwa couldn’t help but ask with some concern.

Even though goddess nüwa trusted Chen Xiaobei, she was still worried that Chen Xiaobei did not understand the power of the Three Treasures of guidance. It was not too late to turn back now.

“Don’t worry!”

Chen Xiaobei smiled and said, “ a scheme requires brains! Today, K itigarbha Bodhisattva had only controlled the Three Treasures of guidance! Even if he has the good fortune Jade Disk in his left hand and the Pangu axe in his right hand, I can still kill him!”

Arrogant! Overbearing! Haughty!

Chen Xiaobei’s simple words immediately shocked lady Nuwa!

Having followed Chen Xiaobei for a long time, Fu Tian Xin ‘er and Xiao’ er were not shocked at all. Instead, their eyes were full of stars, and they were in awe of Chen Xiaobei!

To Fu Tian Xin ‘er and Xiao’ er, everything that Chen Xiaobei said was the truth. There was no need to doubt it. They just had to believe it! Chen Xiaobei could do what he said!

“Good! Since you still have confidence! Then I’ll believe you too!”

Mother Nuwa calmed herself down. She could not imagine what Chen Xiaobei was going to do, but she chose to trust him.

In lady Nuwa’s eyes, Chen Xiaobei was just that reliable!

There was no doubt about it!

“The three of you, stay here and watch. No matter what happens, don’t come any closer!”

let’s go! Chen Xiaobei said. Then, he flew up and rushed to ghost burial mountain.

Lady Nuwa, Fu Tian Xin ‘er, and Xiao’ er were waiting for Chen Xiaobei’s performance!

Ghost burial mountain.

At this moment, the Western religious sect’s Army was already waiting in formation!

K itigarbha K itigarbha was smart, so he didn’t underestimate his enemy at all. He brought out all his combat power.

A million Vajra Malla formed a Saint-level battle formation! The 108 Arhats formed the second Saint-level battle formation! K itigarbha K itigarbha himself took out the three jieyin treasures and sat in the middle, forming the third barrier!

He would wait for Chen Xiaobei with his strongest combat power!

#### **Chapter 3906: Contribution**

##### 3906 Contribution

Without a doubt, Chen Xiaobei’s reputation as the most unscrupulous merchant in the Three Realms had spread far and wide. Even Ksitigarbha did not dare to neglect him.

The first ring of the battle formation formed by millions of Vajra Malla could unleash the power of a peak one-star true sage.

The middle layer was formed by 108 Arhats and they were able to unleash the power of a three-star true sage.

In the center, Ksitigarbha held the Three Treasures of guidance. Any one of them could release the power of a Seven Star true Saint.

In order to make a deal with Chen Xiaobei face to face, K itigarbha had really used up all his trump cards without holding back.

K itigarbha knew very well that he could not afford to be careless when dealing with Chen Xiaobei, who was more cunning than a Fox!

At the same time, K itigarbha K itigarbha had two other important people with him!

The first one was none other than patriarch netherworld River!

At this moment, ancestor Styx River was severely injured and on the verge of death! His body was covered in sealing talismans. Other than his eyes and mouth, he couldn’t move at all. He couldn’t even move his fingers!

The second person was the treasure Daoist.

At this moment, treasure Daoist was still acting like a Buddha, pretending that he had not regained his freedom and was here to check on Daoist jieyin's orders!

"Senior brother abundant treasures has come at the right time!"

Ksitigarbha was very happy and in a good mood. "This time, I've already set up an inescapable trap, and Chen Xiaobei has to deliver himself to me! Now, with the help of senior brother duo Bao, Chen Xiaobei will not be able to escape!"

Obviously, in K itigarbha K itigarbha's view, at this moment, he really had the advantage of time, place, and people! With the addition of the Daoist of many treasures, who was invincible below the sage level, they were like a tiger that had grown wings!

There was no doubt that they could capture Chen Xiaobei alive!

K itigarbha Bodhisattva was looking forward to capturing Chen Xiaobei alive, obtaining everything that Chen Xiaobei had, handing him over to the heavenly axiom, and then receiving its reward! If they were recognized by the heavenly Dao, they might even have the chance to become a saint and reach the peak of their lives!

There was no doubt that this result was perfect for Ksitigarbha! If it really came true, he would be woken up from his dreams by laughter!

"This is all thanks to Junior Brother!"

Treasure Daoist's heart didn't move at all, and he even wanted to laugh. as long as Chen Xiaobei dares to come, your dream will become a reality!

"Dammit!"

Hearing this, ancestor Styx River shouted angrily, " "You two idiots, stop daydreaming! My brother Xiaobei is so smart, how could he walk into a trap! He would not come today! However, one day in the future, he will definitely kill all of you and take revenge for me!"

The netherworld river's voice was very loud, and it was roaring with all its strength.

Even though he said that Chen Xiaobei would not come, he was worried that Chen Xiaobei would really come.

So, he shouted loudly, hoping that if Chen Xiaobei was nearby, he would be able to hear his voice and retreat in time.

It was clear that ancestor netherworld River was a very loyal person. Chen Xiaobei's special trip to save him was not in vain!

"Shut your stinky mouth! Do you even have the right to speak here?"

K itigarbha King gave ancestor Minghe a sidelong glance, and two khaki-colored lightning bolts shot out of his eyes and hit ancestor Minghe.

"Uh ..."

With his cultivation base sealed, ancestor Styx river's skin and flesh were instantly torn open by the lightning, and blood gushed out.

In fact, before this, ancestor Minghe had already been tortured by Ksitigarbha and was almost out of energy.

The two strikes made things worse and almost made ancestor Minghe faint!

"Woof! Whoosh!"

Seeing this, treasure Daoist immediately released two beams of green and white holy light to cover the wounds of ancestor Minghe.

The wound immediately stopped bleeding and pain, and even began to recover quickly.

"Phew ..."

Finally, ancestor Minghe heaved a sigh of relief and looked at the treasure Daoist with a complicated expression.

"Senior brother abundant treasures! What are you doing?"

Ksitigarbha was very puzzled, and his tone was full of blame. "What you just released was the Holy Light of bliss! It took a hundred years to condense one! Why did you use it on that bastard, Minghe?"

"Junior Brother, calm down!"

Treasure Daoist said indifferently, "Minghe is now a hostage!" If you kill him and Chen Xiaobei sees you from afar, he will run away immediately. Then, the trap you've set up so painstakingly will be for nothing!"

"Uh ..."

K itigarbha King was stunned for a moment, then he nodded embarrassedly and said, "What senior brother said makes sense ... In fact, I knew my limits and didn't want to kill Minghe! Senior brother, it's such a waste to use two holy lights of bliss!"

"It's fine!"

as long as we can take Chen Xiaobei down, what's the big deal with two holy lights of bliss?" treasure Daoist said with a smile.

"Well said!"

K itigarbha King composed himself and suddenly felt that something was wrong. He then took out two long swords!

One of them was dark green in color and had a bent blade. It was very strange and was called Avici!

The other was dark red, with a sharp blade and a strong killing intent. It was called yuantu!

The two swords were the eternal spiritual treasures of ancestor Minghe! Legend had it that the netherworld River was born from the blood sea! When he was born, he carried the two swords, ABI and yuantu!

Now, ABI yuantu was already a Seven Star true sage level treasure for killing!

Ancestor Minghe had established the Asura religion by relying on these two Supreme treasures to suppress fate!

In the past, even Ksitigarbha could not do anything to Minghe.

If the Western religious sect hadn't constantly developed and strengthened in the past trillion years, and if Minghe hadn't been injured by the abundant treasures and stayed dormant, it was hard to say who would win today's war!

"Junior Brother! Why did you take out these two weapons?"

The treasure Daoist squinted his eyes and looked at ABI and yuantu carefully! The killing intent within was simply terrifying! It was also rich in spiritual energy and could be activated three times!

"I want to give ABI and yuantu to senior brother duo Bao!" K itigarbha K Zha carried AVI yuantu with both hands and brought him to the treasure Daoist.

"Junior Brother must be joking!"

Treasure Daoist quickly shook his head and said, "how can we give away such a precious treasure so easily?" Besides, one should not accept a reward without doing anything! I don't deserve this!"

"Senior brother is right! I naturally can't give away such a precious treasure for free!"

Ksitigarbha raised his eyebrows and said, " I hope that after senior brother duo Bao takes in ABI and yuantu, you won't fight with me for the credit of capturing Chen Xiaobei!

I see ... treasure Daoist narrowed his eyes and sneered in his heart.

Those who were unaccountably solicitous were either evil or thieves!

K itigarbha King sent Avici and yuantu out because he was afraid that the treasure Daoist would steal the credit!

This little scheme was really well thought out!

Indeed, Avici and yuantu's contribution was nothing compared to capturing Chen Xiaobei!

"We'll do as Junior Brother says! I will not capture Chen Xiaobei today!"

The treasure Daoist grinned and took ABI and Yuan tu with a meaningful smile.

#### **Chapter 3907: Senior brother**

3907 Senior brother

The treasure Daoist's expression did not change, but he was almost bursting with laughter in his heart.

One could only say that Chen Xiaobei's plan was too evil!

He had calculated that K itigarbha K itigarbha didn't know that the treasure Daoist had regained his freedom, so he had sent the treasure Daoist here as an undercover! The battle hadn't even started, and he had already gotten a huge sum from Ksitigarbha!

It felt so good!

At this moment, K itigarbha K itigarbha was also full of smiles. He raised his chin and grinned widely, almost writing the word 'proud' on his forehead!

K itigarbha thought that Chen Xiaobei would not be able to escape today! As long as the treasure Daoist didn't steal the credit, then all the beautiful ideas would become reality!

When he thought about how he was about to become the number one hero under the heavenly Dao! He was about to be heavily rewarded by the heavenly Dao! He was about to become a saint! K itigarbha Bodhisattva was so happy that he flew up! He had never been as happy as he was now!

He could not wait for Chen Xiaobei to appear, the sooner the better!

"Shit ..."

All of a sudden, ancestor Styx's expression turned extremely ugly. He frowned and his eyes were filled with endless anxiety.

Following his gaze, he saw a figure flying over from afar.

It wasn't anyone else! It was Chen Xiaobei himself!

He knew how dangerous the battlefield was, so he was worried that Chen Xiaobei might not be able to make it back alive!

"Hahaha! Chen Xiaobei is really here!"

On the other side, K itigarbha K itigarbha was so excited that he even danced with joy, completely disregarding his status.

K itigarbha K itigarbha was very confident in his trap. He was just afraid that Chen Xiaobei would not dare to come.

Now that Chen Xiaobei was here, K itigarbha K itigarbha felt like his dream was about to come true.

He felt so good that he almost rolled his eyes.

Whoosh ... Whoosh ...

At the same time, the battle formations in the outer and middle layers were activated! A huge amount of celestial core power intertwined and condensed, releasing a terrifying power!

It could even be said without any exaggeration that if these two battle formations were to strike down, under the situation where no one was blocking, they could directly shatter the entire land!

In front of these two formations, Chen Xiaobei was as small as an ant!

More importantly, Chen Xiaobei was unarmed. He did not even have the intention to attack!

Wasn't this courting death?

Chen Xiaobei!

K itigarbha K K itigarbha flew up to Chen Xiaobei and sneered, "I really didn't expect you to have the guts to come alone! I respect you for being a man! Just surrender and I promise I won't torture you!"

"Cut the crap!"

Chen Xiaobei was not moved at all. He said, "Our agreement was to exchange my life for the netherworld river's life! Let me see the hostage first!"

"It's no problem for me to show you the hostage!"

K itigarbha King grinned and said, "senior brother duo Bao!" Please bring the netherworld River here!"

"Swish!"

Soon, abundant treasures brought Minghe to the front.

Minghe had heard everything that Chen Xiaobei had just said. He did not expect Chen Xiaobei to be willing to save his life. He was so touched.

"Brother Xiaobei! You really are my good brother! I've implicated you ... I'm sorry ..."

Minghe was touched, but he also felt guilty.

In Minghe's eyes, Chen Xiaobei was doomed! And the reason for this was that the netherworld River had been captured!

That was why Minghe felt that he was the one who had dragged Chen Xiaobei down! His heart was filled with guilt! He even felt a strong sense of guilt! I'm really sorry for my good brother Chen Xiaobei!

"Brother! Don't think too much! We'll be fine today!"

Chen Xiaobei grinned. Now that he had seen with his own eyes that the netherworld River was safe, it was time to reel in the net.

"You're fine? Heh, Chen Xiaobei, are you dreaming?"

K itigarbha K itigarbha said disdainfully, "although I promised to exchange your life for Minghe's life!" But I'm going back on my word now! Don't even think about leaving this place alive! You'd better surrender! Otherwise, I'll make you wish you were dead!"

Chen Xiaobei did not even bother to argue with Ksitigarbha. He just said, "Senior brother abundant treasures! Make your move!"

"Senior brother abundant treasures?"

K itigarbha King was stunned and said in surprise, "Chen Xiaobei! You're crazy! That's my senior brother abundant treasures! What does it have to do with you? Uh ..."

“Woah! “Whoosh!!!”

In the next moment, before Ksitigarbha finished his words, two sharp howls burst out at the speed of lightning!

Even if Ksitigarbha had 10000 more brains, he would never have thought of this! At this moment, the treasure Daoist was holding the Avici sword in his left hand and the yuantu sword in his right hand. He launched a fatal attack on himself!

K itigarbha had already used all his trump cards Against Chen Xiaobei.

However, K itigarbha didn't guard against the treasure Daoist at all!

“Woof! Whoosh!”

The sword of avicinaraka directly pierced through Ksitigarbha's sea of Qi dantian! He would kill the Dharmakaya, injure the primordial spirit, and cripple his cultivation!

The yuantu sword directly swept across Ksitigarbha's throat, cutting off his head and crippling his body and soul!

In the next moment, K itigarbha's head and corpse fell to the ground like a kite with a broken string, blood spurting out.

At the same time, K itigarbha's primordial spirit, storage space, and the three jieyin treasures were all in Chen Xiaobei's control!

how ... How is this possible?!

K itigarbha's primordial spirit was dumbfounded. Until this moment, he still hadn't reacted. What the hell was going on?

Just a moment ago, he was still feeling proud of himself and was infinitely close to the peak of his life! However, at this moment, with just one sentence, he had directly fallen into the abyss of eternal damnation!

And this great battle was declared over in the time it took for this one sentence!

There was no suspense to the outcome!

my God ... Ksitigarbha ... Ksitigarbha has been defeated in seconds!

At the sight of this, the surrounding million Vajra Malla and 108 Arhats were all stunned! Many people even thought that they were dreaming and couldn't help but pinch themselves!

Unfortunately, the excruciating pain quickly told them that this was not a dream. Everything was real!

Xiaobei ... Brother Xiaobei ... Duobao ... Duobao Tathagata ...

At the same time, ancestor Styx River was also shocked. He looked at Chen Xiaobei and then at treasure Daoist. He felt like his world view had been blown.

Just a moment ago, he was still worried about Chen Xiaobei, but in the blink of an eye, Chen Xiaobei had won!

What kind of god-like operation was this?

She was simply heavenly!

run ... Everyone, run!!!

In the surroundings, the million Vajra Malla and 108 Arhats had just recovered from their shock and immediately prepared to escape from the scene!

K itigarbha and all the Holy items were in Chen Xiaobei's hands!

If he didn't escape, was he going to wait for death?

"Swish!"

Chen Xiaobei took out the beixuan Saint-sealing painting and said with a wicked smile, "Stop struggling! None of you will be able to escape!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3908: Top secret**

3908 Top secret

The beixuan Saint-sealing painting had not reached the Saint level. If the Western religious sect had activated the battle formation, they would have been able to resist.

However, at this moment, many people who were afraid of death had already escaped, causing the two battle formations to be damaged and unable to activate their power.

Because of this, the appearance of the "Northern Mystic Saint-sealing Painting" was like an invincible existence. Without any suspense, it could even be said that it had sealed all the Western religious sect members into the space of the painting.

Chen Xiaobei ... You ... You ... You ... You're so cruel!

K itigarbha K itigarbha let out a cry of despair that reached the deepest part of his soul. His state of mind collapsed in an instant.

A few minutes ago, he was still at the peak of his life, but now, he was in a bottomless abyss.

Such a huge reversal had brought him a huge psychological drop, and his mentality had completely collapsed.

"Shua shua shua ..."

Chen Xiaobei ignored him and entered the map to retrieve all the enemy's Storage Treasures.

There was a large amount of spiritual Jade in it.

Although there were many of them, they were only enough to activate a two-star Saint weapon once.

Other than that, there was also a huge amount of resources.

The level of these resources was not low, but they were definitely not high either. They were all recycled goods. The good thing was that there was a huge amount of it. With the heaven and earth spiritual aura that Chen Xiaobei had accumulated, he could upgrade the demonic Dragon Slayer godly armor to a half-step true divine!

Other than that, Chen Xiaobei had also obtained the Three Treasures of guidance, the radiant treasure Pagoda! The nine leave horsetail whisk! The intentionless bead!

There was spiritual Qi in these three Dharma Treasures, and each of them could be activated twice!

As for Avici and yuantu, Chen Xiaobei was planning to return them to ancestor netherworld River.

“Brother Xiaobei! ABI and yuantu, you can keep them!”

At this moment, the talismans on Minghe’s body had been removed by abundant treasures, and his injuries were suppressed by more holy light of bliss. He could basically move freely.

“I’ll keep it?”

these two swords are both your eternal treasures! They are the Shura sect’s ultimate treasures! Chen Xiaobei said. How can you let me keep it?”

“Brother Xiaobei, you don’t know! The true treasures of the Shura sect are not ABI or Yuan tu!”

Ancestor Styx River composed himself and said with difficulty, ” cough cough ... If we only had these two treasures, any heavenly path Sage would be able to exterminate my entire clan ... A mere Shura sect would have long since ceased to exist ...

this ... Chen Xiaobei was taken aback. He suddenly realized that there was a hidden secret in Minghe’s words.

At the same time, treasure Daoist’s expression also changed slightly, and he said solemnly, ” “The true treasure of the Asura sect is the core sacred object of the earth realm, the Red Lotus of Hellfire!”

red ... Red karmic fire Lotus!? Chen Xiaobei was shocked.

Back then, the green Lotus of chaos had left behind five lotus seeds, each of which produced the green Lotus of reincarnation in the heaven realm! The Golden Lotus of merit from the Buddhist realm! The Black Lotus of destructions from the demonic realm! The heaven punishing Purple Lotus of the human world! And the red karmic fire Lotus in the land!

“That’s right ...”

Minghe took a deep breath and explained, ” “The red karmic fire Lotus has always been under my control! This is also the reason why the heavenly path sages have never taken the initiative to attack me! Of course, this is also the real reason why K itigarbha K itigarbha refused to let me go!”

“What do you mean I won’t become a Buddha until Hell is empty! This kind of nonsense was only used to deceive children! For a long time, Ksitigarbha has been waging war against me. To put it bluntly, he wants to seize control of the Red Lotus of fire!”

Hearing this, treasure Daoist secretly nodded. As a high-level core member of the Western religious sect, he was well aware of these secrets.

Chen Xiaobei's face changed. He did not expect such a Top Secret!

cough, cough, cough ... The Shura clan has suffered a great loss. I won't be able to recover in a short time ... So, I hope that someone can take care of the Red Lotus of fire for me!

Minghe took a deep breath and shoved ABI and Yuan tu into Chen Xiaobei's hands. "Avici and yuantu are the keys to the red karmic fire Lotus! Brother Xiaobei risked his life to save me. He's worthy of my blessing!"

this ... Chen Xiaobei was stunned.

Even the treasure Daoist was stunned.

What was the red karmic fire Lotus?

It was a peak Saint level sacred artifact! It was the core treasure of the land! He was also a descendant of the chaos Green Lotus!

To the netherworld River and even the entire land, the Red Lotus of fire was the foundation and the most important thing!

Who would have thought that Minghe would be willing to give the red karmic fire Lotus to Chen Xiaobei!

It was not an exaggeration to say that Minghe had entrusted the life and death of the Shura to Chen Xiaobei!

If Chen Xiaobei had any ill intentions, the netherworld River and the Shura would be completely exterminated!

Of course, Chen Xiaobei was willing to risk his life to save the netherworld River, which showed that friendship was more important than life! Chen Xiaobei would never have any evil thoughts, so he had made the right choice!

"Brother Xiaobei!"

Seeing Chen Xiaobei's hesitation, Minghe said, "I'm not giving you any benefits! I'm begging you to protect me and my clansmen! If you don't care about this, my clan will be exterminated! We'll definitely die!"

"Alright then!"

of course! Chen Xiaobei nodded and said, "since you've already put it this way, I can't reject you anymore! I'll keep ABI and yuantu. Later, I'll move the Shura race into the jianmu world for protection. Brother, you can recuperate in peace! As long as I'm alive, the Shura will not suffer any more casualties!"

"Good! That's great! With brother Xiaobei's words, our Shura clan will be saved!" Minghe was so excited that he was overjoyed.

After the war, the Shura's elites had all died. Without Chen Xiaobei's protection, the Western religious sect's next attack would be enough to destroy the entire Shura.

But now, with Chen Xiaobei's protection, the Shura had the chance to recuperate. With enough time, they would be able to recover.

Of course, in order to better protect his tribesmen, Minghe entrusted the Red Lotus of fire to Chen Xiaobei. It could also help Chen Xiaobei and save his life at a critical moment.

"In addition! The location of the red karmic fire Lotus is a forbidden area in the earth realm!"

I haven't been in there for billions of years," Minghe said seriously. I don't know what it's like inside ... It might be fatal, so you must be careful ...

"I understand! I know what to do!" Chen Xiaobei then put away Avici and yuantu.

As for the Three Treasures of guidance, Chen Xiaobei kept them for now! He would think of another way to deal with it after he used up all the spiritual energy inside!

In addition, Ksitigarbha's primordial spirit had been temporarily sealed by Chen Xiaobei into the beixuan Saint-sealing painting.

Lady Nuwa was worried that Ksitigarbha would threaten the safety of the prime of Tongtian. Now, Chen Xiaobei had solved that problem perfectly.

When he had the time later, he could extort another stroke from the heavenly Dao!

It was simply wonderful!

### Red Envelope Group of the Three Realms

#### **Chapter 3909: breakthrough**

After the resources and hostages were taken care of, the next step was a huge project.

Chen Xiaobei kept the unholy blood sea into the verdant Emperor divine gourd and sent it into the jianmu world.

After that, he used the verdant Emperor immortal gourd to transport the Shura race's home to the jianmu world several times.

Finally, all the spirit veins in the Shura race's territory were transferred to the creation Wood World.

This way, the Shura would be able to live the same life as before, but the most important thing was that they would be absolutely safe!

With the safety of his tribesmen ensured, Minghe could finally enter the unholy blood sea to recuperate in peace.

After settling everything down, Chen Xiaobei and the treasure Daoist set off on their journey to find the red karmic fire Lotus!

Avici and yuantu not only found the key to the red karmic fire Lotus, but they also had the spiritual ability to guide it.

Under the guidance of these two divine weapons, Chen Xiaobei and treasure Daoist quickly headed into the deepest part of the underground.

Just as Ksitigarbha had said, the closer they got to the forbidden place, the worse the surrounding environment became.

The dark green will-o'-the-wisp burned the earth. Anyone below the mystic Divine level who stepped into it would definitely be turned into ashes.

The White, ghostfang-like bolts of lightning rumbled in the dark sky. From time to time, one or two bolts of lightning would strike down, creating cracks on the ground comparable to that of a Dragon.

Even though Chen Xiaobei was already a nine-Star Mystic God, if he was struck by this lightning, he would either die or be crippled.

“Junior Brother Xiaobei! I’ll take care of the rest of the journey. You should quickly raise your cultivation! By the time we reach our final destination, the environment will probably be many times worse than it is now!”

Treasure Daoist raised his suggestion with a slight frown.

“En, senior brother duo Bao’s words make sense, we’ll do as you say!”

Chen Xiaobei nodded and returned to the Meru space.

ABI and Yuan tu were left to the treasure Daoist so that he could continue to move forward according to the guidance.

After entering the Meru space, Chen Xiaobei immediately called for Fu Tian Xin ‘er and asked her to help him activate the divine sunlight cache.

“Swish!”

Chen Xiaobei then took out the nine-colored Qilin’s body.

Chen Xiaobei had made a deal with Hongjun and released the nine-colored Kirin, five formations demonic Emperor, Guangchengzi, and Maitreya!

However, what was released was only their primordial spirits. Moreover, their primordial spirits had their cultivation crippled.

In other words, the heavenly axiom had destroyed mother Nuwa’s cultivation, while Chen Xiaobei had destroyed four people who had the potential to become Saints.

Chen Xiaobei did not lose anything.

The nine-colored Qilin’s body could provide Chen Xiaobei with a large amount of special energy that could help him increase his cultivation.

“Whoosh ...”

Using the secret technique of transforming into a Qilin, Chen Xiaobei entered a state of cultivation.

He broke through the minor realms one by one. Then, he also broke through the major realms.

The nine-colored Kirin was a peak-stage Sage-to-be. The energy contained in its body was much richer than the one Chen Xiaobei had.

Of course, as one's cultivation base continued to improve, the amount of energy consumed would also increase. Especially in the quasi-sage realm, the consumption of energy for each minor realm was several times or even dozens of times that of the previous one!

It was precisely because of this that the improvement brought by this wave of cultivation was actually not too much.

[ ding Yingying's cultivation base is at the early stage of three-star primordial chaos golden immortal. Lifespan: 133590 billion years! [ physical body: 100 billion eternity! ] Combat power: 100 billion eras! [ primordial spirit attack: sacred level! ]

With the nine-colored Kirin's body completely refined, Chen Xiaobei's cultivation had increased by four levels, reaching the level of a three-star quasi-Sage.

Compared to the past, the increase in four major realms was very little.

However, the quality of the improvement of each realm was much better than before.

His lifespan had increased by a total of 120 trillion years! His physical body and battle prowess had also increased by 100 billion times.

It could be said that the actual improvement of these four major realms was much more than the improvement of all the previous realms combined!

"This feels so good!"

Chen Xiaobei let out a long breath. The increase in his strength made him feel extremely comfortable.

I'm getting closer and closer to the peak of the sage-to-be realm!

wait! Chen Xiaobei said, "once I reach that height and gather the bodies of the twelve ancestors of sorcery, I will be able to prove my Dao with my own strength. I will become a saint like the ancestral Saint Pangu, a Saint who is not controlled by the heavenly Dao!

"That's fast ..."

Mother Nuwa, who was standing to the side, couldn't help but sigh.

It had only been three years since Chen Xiaobei joined the red envelope group.

Chen Xiaobei had grown from an ordinary young man to a Saint. He was even a heaven-defying expert who had the hope of overthrowing the heavenly Dao.

If he had not seen it with his own eyes, it would have been hard to believe that all of this had happened in just three years!

"Oh right! Xiaobei!"

Mother Nuwa composed herself and said, I didn't tell you before, but I can tell you my identity as an ancient immortal reincarnated into this world!

reincarnated as an ancient immortal?! Chen Xiaobei's face was filled with surprise and anticipation.

In fact, Chen Xiaobei could already guess that one of the ancient Celestials that goddess Nuwa reincarnated into must be an ancestral witch!

After all, lady Nuwa had only mentioned this when Chen Xiaobei was looking for the ancestral witch's body!

Emperor Jiang, the candle Dragon, xuanming, and Houtu were all on Chen Xiaobei's side.

In addition, the giant ray was once the reincarnation of Guangchengzi, and the she bi corpse was the reincarnation of the nine-colored Qilin. Before Chen Xiaobei handed Guangchengzi and the nine-colored Kirin to Hongjun, he had already asked them to cancel their primordial spirit contracts with the reincarnated ancient deity.

Although the ju mang and the she bi Shi were no longer by Chen Xiaobei's side, they had regained their freedom. When the time was right, they could come back and join Chen Xiaobei's side.

In addition, the witch's bedding was the reincarnation of the Daoist of many treasures, an ancient immortal. Before he regained his freedom, he was also forced to break the primordial spirit contract. Therefore, his reincarnation as an ancient immortal was still in the Western sect.

In addition, Zhurong was the reincarnation of Daoist burning lamp, and Gonggong was the reincarnation of South Pole immortal Weng.

Although Zhurong and Gonggong were both locked in the spirit condensation space, their primordial spirit contracts were firmly controlled by the enemy.

From this, it could be seen that bedclothes, Zhurong, and Gonggong would not be able to regain their freedom easily! Chen Xiaobei had to think of another way to save them!

Other than the ones mentioned above, there were only three ancestors of sorcery left!

Qiang Liang, Tian Wu, Guo Zi!

Under Chen Xiaobei's expectant gaze, mother Nuwa calmed herself down and said, "My reincarnation as an ancient immortal is ..."

#### **Chapter 3910: mutation**

"Guo Zi, Zhao Gongming, and the nine-headed fierce beast!"

When mother Nuwa said this, she couldn't help but pause.

Chen Xiaobei's face was filled with shock.

Guo Zi was one of the twelve ancestors of sorcery. Chen Xiaobei had to find her and protect her.

Zhao Gongming was an important disciple of the tribe of severity, and Chen Xiaobei had to ensure his safety.

As for the nine neonate, it was one of the ten pillars of the heavenly court of the demon race. Although Taiyi did not specifically mention it, it would definitely be protected if it could be.

“It seems like I don’t have to introduce these three reincarnated ancient Immortals one by one!”

you mentioned that you wanted to collect all the bodies of the twelve ancestors of sorcery,” goddess nūwa continued. Guo Zi’s body has been found by him!

“This ...”

Chen Xiaobei frowned and said, “ before Hongjun let you out, he must have forced you to remove the primordial spirit mark on the reincarnated ancient immortal. Guo Zi and the other two should be under the control of the enemy!

“Zhao Gongming and the nine neonate are both under control!”

“However, Guo Zi was sent out by me to search for his body, so he wasn’t present when the incident happened!” Mother Nuwa said in a deep voice. Moreover, he had already sent news that his body had been found! In other words, as long as you find Guo Zi before the enemy, you can take him and his corpse under your command!”

“Good! That’s great! This is really a great help to me!” Chen Xiaobei was extremely excited.

There was no doubt that this information from goddess nūwa was very important. As long as Chen Xiaobei could find Guo Zi in advance, he would be one step closer to attaining Dao through force. More importantly, he could save more time and energy!

“Where should I go to find Guo Zi?” Chen Xiaobei asked.

his location is in the great void universe. It’s easy for you to go there. “As long as you enter the great void universe, you can use the communication jade talisman to contact Guo Zi. You will be able to meet up with him very soon!”

“Understood!”

Chen Xiaobei nodded, his face lit up with excitement.

The great void universe had already been merged into the chaos Blood Sword by the prime of Tongtian. Chen Xiaobei only needed to take out the sword and enter the great void universe with a thought.

“But ...”

Chen Xiaobei furrowed his brows again, looking worried and anxious.

“But what?” Mother Nuwa’s expression froze for a moment, and she was a little puzzled.

Chen Xiaobei frowned. if we can think of Guo Zi, Hongjun must have thought of it as well. Perhaps he’s already trying to find a way to kill Guo Zi!

As soon as he said that, Nuwa’s expression changed drastically.

At the side, Futian Xin 'er asked curiously, " "Xiaobei, isn't the great void universe in your chaos Blood Sword? The entrance is already under your control, how could the enemy enter?"

"Silly girl!"

you're the one in control of the jianmu world! Chen Xiaobei said. you can open the portal to the other worlds! Other people would naturally have similar methods! Otherwise, goddess nūwa would not have been able to let Guo Zi enter the great void universe!"

this ... Fu Tian Xin 'er's expression froze, and her beautiful eyes were filled with anxiety.

"Xiaobei is right!"

Mother Nuwa composed herself and said solemnly, "The heavenly path's Saints have their own ways of entering the universe! If I can send Guo Zi into the great void universe, Hongjun can send his minions in too!"

Chen Xiaobei nodded. that's why we have to make every second count if we want to find Guo Zi. If we're too late, he'll fall into the enemy's hands. Then, many of our previous plans will be ruined!

"Don't be in such a hurry!"

Goddess nūwa's eyes narrowed and she said in a deep voice, " "Guo Zi is very smart and won't be exposed for a while! So, Xiaobei, you should focus on finding the red karmic fire Lotus! For you, this is also of utmost importance!"

"Understood!"

let's go! Chen Xiaobei said. I'm leaving now! With senior brother duo Bao's speed, he should be about to reach his destination!"

After that, Chen Xiaobei returned to the real world.

As expected, the surrounding illusory realm was many times worse than before.

The dark green flame had become a sea of fire that covered the entire space. The terrifying temperature was enough to burn an ordinary pre-Saint into ashes.

Fortunately, Chen Xiaobei had reached the level of a three-star quasi-Sage after his cultivation. He also had the protection of the demonic Dragon Slayer divine armor, so he was not afraid of the flames.

At the same time, the heavenly Dao's lightning turned purple! It surged and rumbled as if countless Purple Dragons were shuttling back and forth in a dark green nightmare. It was extremely terrifying! It was extremely tyrannical! Without the demonic Dragon Slayer divine armor, even a three-star quasi-Sage like Chen Xiaobei would not be able to withstand the purple lightning!

"The environment here is really terrifying. Ordinary people don't even dare to set foot here! It's definitely the best choice for collecting treasures!"

Chen Xiaobei observed his surroundings and could not help but sigh.

“That’s right, the level of danger here is far beyond our imagination! More importantly, this damn place is giving off an extremely uncomfortable aura!”

Treasure Daoist couldn’t help frowning, looking a bit apprehensive. If there are no accidents, the danger we’ve seen is not the extreme. Something more terrifying is probably waiting for us.

“Something even more terrifying ...”

Chen Xiaobei took a deep breath and observed the illusion around him. “In my opinion, there’s no way to go any further. This should be the core of the forbidden area. If we go any further, we’ll be far away from the core!”

“No! The path ahead is no longer in front, but here ...”

Treasure Daoist handed both Avici and yuantu to Chen Xiaobei and said, “Next, you will be in charge of these two swords. Only you can become the master of the red karmic fire Lotus ...

a sword!?”

Chen Xiaobei’s eyes lit up. “Yes! ABI and yuantu were the keys to finding the Red Lotus of fire! Since it’s a key, it can open a certain door!”

“Whoosh ...”

After Chen Xiaobei took Avici and yuantu, he immediately used his spiritual connection.

As expected, immediately after, an extremely huge change occurred.

“Phew ... Phew ...”

The green sea of fire around them started to surge crazily! It was like a hurricane formed from dark green flames, wreaking havoc in the entire space!

boom boom boom ... Boom boom boom ...

The dark purple Thunderbolts also began to shuttle back and forth and explode crazily as if they were about to transform into a real Dragon and look down on this part of the world!
