#### Chapter 3931: Undercover

3931 Undercover

The white bone Spirit lied!

She didn't give LAN Mengcheng to the heavenly Lord Yuanshi at all! In fact, she did not even catch LAN Mengcheng!

Because there were two!

First, if she had sent LAN Mengcheng to the heavenly Lord Yuanshi, she should have sent the storage bracelet as well!

Secondly, if she had a way to send the item away, she would not have stayed where she was and waited for help. Instead, she would have left the great void universe directly!

If the storage bracelet really did belong to LAN Mengcheng, then Chen Xiaobei's biggest worry could be resolved. The dead end that he had no way to solve would be loosened!

After all, Chen Xiaobei had always been a loyal person. If LAN Mengcheng was in the enemy's hands, he would be threatened and restricted. It would be impossible to break out of this situation.

However, if LAN Mengcheng was not in the enemy's hands, then Chen Xiaobei would have one less thing to worry about. He could always think of a way to break out of this situation.

"Let's go!"

After getting his hands on the light blue storage bracelet, Shakya Tathagata had completely lost interest in the white bone Spirit.

After all, he had to consider the clan of Enlightenment's face and couldn't kill the white bone Spirit on the spot.

With that, Shakya Tathagata turned around and led everyone away.

The white bone Spirit was stunned on the spot, her face full of disappointment and regret.

whoosh ... Whoosh ... Whoosh ...

A few minutes later, the chanism's main force finally arrived at the scene.

The number of people was similar to that of the Western religious sect. The main force was also a unit of 1000 people, and their cultivation was all above the divine level.

There were also three people in charge of leading the group.

One of them was immortal Tai Yi, one of the twelve golden Immortals of the clan of enlightenment, and the other was Pagoda-bearing Heavenly King Li Jing.

After Li Jing had been released Along with the Gods of the heavenly court, he had gained the absolute trust of the enemy. He had been sent by the heavenly Lord Yuanshi to carry out this important task.

Speaking of which, immortal Tai Yi and Li Jing were also related.

Immortal Taiyi was the master of Nezha.

Back then, after Nezha committed suicide, it was immortal Tai Yi who protected his primordial spirit and helped him to rebuild his lotus root body, which allowed him to come back to life.

With Li Jing and Nezha's relationship, it would not be difficult for Chen Xiaobei to take down immortal Tai Yi.

However, the problem was that above Li Jing and immortal Tai Yi, there was still a leader of this operation!

Lamp-burning Daoist!

Burning lamp Taoist was the Deputy sect leader of the clan of enlightenment. Not only did he have a higher cultivation, but he also had 24 sea-stabilizing beads, which were Saint weapons!

The most important thing was that this was an extraordinary task. The heavenly Lord of the origin might have given dipamkara Taoist other magic weapons in secret, which might even be a high-level holy weapon!

For this reason, when Li Jing and immortal Tai Yi took action, they had to obey Daoist dipamkara's words.

Especially Li Jing, he did not dare to openly help Chen Xiaobei. Otherwise, he would die and his family would be implicated!

"Greetings, Daoist burning lamp! Greetings, immortal Tai Yi! We pay our respects to the pagoda-bearing Heavenly King!"

The white bone Spirit quickly came forward and saluted respectfully. Then, it impatiently explained what had happened.

"What? Chen Xiaobei was in the great void universe? And you caught him?"

Hearing this, everyone was shocked, and the expressions on their faces became extremely complicated.

After all, they had been dreaming of capturing Chen Xiaobei! And it was not just them. Even heavenly Lord Yuanshi and even the Dao ancestors were trying their best to capture Chen Xiaobei at all costs! However, none of them had succeeded!

However, the white bone Demon was able to capture Chen Xiaobei alive.

This was definitely a huge shock to everyone.

However, at the same time, this was also a huge regret.

Chen Xiaobei had been taken away by the Western religious sect!

What kind of concept was this?

It was equivalent to the Chanism's effort, energy, and time to finally bear a huge fruit on a fruit tree!

However, this fruit was directly taken away by the Western religious sect!

"Damn it!"

Daoist Dipamkara's entire face was twisted, as if he had eaten a cart full of popsicles, and he felt depressed.

If they could catch Chen Xiaobei, they would be able to achieve great things and even have the chance to be recognized by the heavens and become a saint, reaching the peak of their lives.

However, just because he was a little slow in bringing reinforcements, the cooked Fat Duck had flown away!

At the thought that he had missed the opportunity to reach the peak of his life, burning lamp Daoist was so depressed that he wanted to vomit blood.

master ... What should we do now?!

Li Jing looked at Daoist Dipamkara respectfully and asked.

That's right!

The lamp-burning Daoist was Li Jing's master!

At the beginning of the last immeasurable cultivation tribulation, Li Jing's first master was a loose immortal without a sect, named immortal Du'e.

However, after the immeasurable cultivation tribulation, in order to protect himself and his family, Li Jing turned to the clan of enlightenment and became a disciple of the burning lamp Daoist.

This was Li Jing's style!

Li Jing had already planned his way out. He would use Nezha to give Chen Xiaobei the demonic Black Dragon Bone and even form an alliance with Chen Xiaobei before he caused a ruckus in the heavenly court!

However, this Alliance had never been made public from the beginning to the end!

In this way, after the cultivation tribulation, no matter which side won, Li Jing would be able to protect himself. It was very brilliant!

"I can't accept this result!"

Daoist burning lamp composed himself and said angrily, "The LAN family's legacy and Chen Xiaobei were both taken away by the Western religious sect! It means that our operation this time is a complete waste of effort, a complete failure! It's fine if I don't make any contributions, but when I return, the heavenly Lord Yuanshi will definitely punish me!"

Originally, Daoist burning lamp getting the LAN family's inheritance storage bracelet could still be considered a contribution! If they could capture Chen Xiaobei, it would be a great achievement!

However, the credit was gone in the blink of an eye, and it had become a punishment!

This kind of reversal was like falling directly from heaven to hell. Dipamkara Daoist could not accept it at all!

"Then what should we do?" Immortal Tai Yi asked.

Obviously, burning lamp Daoist was the Supreme Commander of this operation, and the next step of the plan was entirely up to him.

"Go! Come with me to chase after the Western religious sect!"

Without much hesitation, burning lamp Daoist gritted his teeth and said, "I want them to spit out everything they took!"

"I ... I'm afraid that's not realistic ..."

Immortal Tai Yi said awkwardly, "the Western religious sect will never hand over the benefits!" If we use force, we might end up in a war!"

Obviously, immortal Tai Yi was still cautious and did not support a head-on conflict with the Western religious sect.

However, at this moment, Li Jing said in a deep voice, "I support master's decision! The people of the Western religious sect were becoming more and more outrageous! They had to be taught a lesson! Don't let them forget that the clan of enlightenment is the greatest Sage! This was related to the face of the heavenly Lord Yuanshi! We can't back down!"

Li Jing's words were meant to create chaos so that he could save Chen Xiaobei.

Moreover, Li Jing was smart enough to use the name of heavenly Lord Yuanshi.

um ... I ... I support it too ... even if immortal Tai Yi did not want to have a conflict with the Western religious sect, he did not dare to damage the reputation of heavenly Lord Yuanshi!

"Everyone! Follow me!"

Burning lamp Daoist had long been furious. With the support of Li Jing and immortal Tai Yi, he had no more concerns. Like an enraged Tiger, he rushed forward.

.....

Up ahead, the Western religious sect had Chen Xiaobei under their control as they arrived at a planet they had occupied.

There was a magical formation here. Once it was activated, everyone would be able to return to the heavenly realm, the headquarters of the Western religious sect!

[Red Envelope Group of the Three Realms](#)

**Chapter 3932: release**

Shakya Tathagata, the formation has already started to activate. In just a moment, we will be able to return to the heaven realm.

Guanyin's tone was calm, as if she didn't take this matter to heart.

In stark contrast, Shakyamuni was so excited that he had completely forgotten his status and dignity as a Buddha. Rubbing his hands together, he was counting the benefits that he would get when he returned with a radiant smile!

"Hurry up! Faster! I can't wait!"

Shakya raised his chin and said proudly, "The world says that I have no hope of proving my way. In the entire Western sect, only abundant treasures, Maitreya, and you, Guanyin, have a chance of becoming a saint!"

"However, everything will change today! 'After I capture Chen Xiaobei, I will be recognized by the heavens and become the third heavenly path Saint of the Western religious sect!' Hahaha ..."

Clearly, Shakya Tathagata had been feeling extremely sullen all this while.

In the Western religious sect, his strength was second only to the treasure Daoist.

However, many, many years ago, the Dao ancestor Hongjun had once asserted that Shakya and Rulai had no hope of proving their way.

After so many years, the tables had really turned. The tides had changed, and he had turned the tables and attacked the heavenly path sages, slapping the Dao ancestor Hongjun in the face!

What kind of god-like plot was this?

Just the thought of it made Shakya Buddha extremely excited. If it wasn't for the fact that he had to activate the space formation to leave the great void universe, he wouldn't even be willing to stay here for a second longer.

"Oh right! Where is the Golden Cicada?"

Shakyamuni was extremely excited but at the same time, he was on high alert. He knew that Chen Xiaobei was the key to his success.

Chen Xiaobei had been under the watch of the Golden Cicada master.

"The Golden Cicada? he was here just a moment ago ... Guanyin frowned slightly, and a trace of uneasiness appeared in her bright black eyes.

"Call him over! He was going back soon! Don't cause any trouble!" Shakya Tathagata used a commanding tone as he ordered sternly.

"Mm ..."

Guanyin nodded her head and remained calm on the surface. However, she was a little unhappy with Shakya's attitude.

In fact, the orthodoxies and beliefs of the Western religious sect were very good. They taught people to have a pure heart and few desires, and to be kind.

However, with the passage of time and the life and death tests of the cultivation tribulations, many high-level members of the Western religious sect, including jieyin Taoist, had a great change in their hearts.

They had completely forgotten about the things that orthodoxies and beliefs advocated.

All of them were after fame and fortune, fighting for power and influence. For their own interests, they would use all kinds of despicable and shameless means. Just a little bit of achievement and they would be proud and forget themselves.

Shakya Tathagata was a typical example!

At this moment, he was using a superior-subordinate relationship to order Guanyin.

More importantly, he had no intention of giving the credit to Guanyin and the Golden Cicada!

Selfish! A vile character intoxicated by success!

Where was the appearance of a Buddha?

In fact, among the higher-ups of the Western religious sect, there were very few people who still held fast to the heart of Buddhism and were devout in their beliefs!

Guanyin could be considered one.

Therefore, she couldn't stand the way Shakya Tathagata was behaving.

From the small to the big, one could see that she also disliked the other high-level members of the Western religious sect.

“Chi ...”

The White veil fluttered and Guanyin flew up with the wind.

From the looks of it, she was following the orders of Shakya Rulai to look for the Golden Cicada master. However, in reality, she and the Golden Cicada master had already planned another scheme in the dark!

In a hidden place far away.

The Golden Cicada master brought Chen Xiaobei over.

“Monk Tang! Sanzang! The flowery monk!”

“Do you still remember?!” Chen Xiaobei said impatiently. Back then, we exchanged red packets? Do you still remember the indescribable picture I sent you? If you still have a conscience, then let me go! I can't go to the Western religious sect. The old thief will cut me into pieces!”

“Cough cough ...”

The Golden Cicada Master's Fair and Handsome face could not help but turn red with embarrassment as he said awkwardly, " I've said it many times. I want those indescribable pictures to resist the temptation and cultivate my Dao heart!

"Don't try that! You flowery monk!" Chen Xiaobei raised his eyebrows and said, " As long as you let me go, I'll send you a car full of those pictures! If it's not enough, I'll send you a video! I guarantee you'll be satisfied!"

"Ahem ... I'm not that kind of person ..."

The Golden Cicada master coughed and could not help but ask in a low voice, " "What's a video? Is it more tempting than the pictures?"

"Do you still need to ask?"

of course! Chen Xiaobei grinned evilly. as long as you're not a eunuch, you won't be able to resist that kind of video! Whether you want to do embarrassing things or cultivate your Dao heart, that is your best choice! Believe in bro bei! I'm so happy!"

uh ... the Golden Cicada master was a little tempted and he swallowed his saliva.

"What are you guys talking about?"

However, at this moment, Guanyin flew over at high speed.

"Ha? Uh ... We were just saying that the weather was great today!" The Golden Cicada master could only laugh awkwardly.

it's over ... Chen Xiaobei's heart sank.

Originally, the Golden Cicada was about to be tempted, but Guanyin's sudden arrival completely ruined his original plan.

After all, Chen Xiaobei had never had any contact with Guanyin. There was no friendship between them.

Furthermore, Guanyin looked like an upright person. Even if Chen Xiaobei wanted to make a deal with her in private, he would not stand a chance.

However, what Guanyin said next was something that Chen Xiaobei never expected.

"We must retreat immediately! Otherwise, it'll be too late!"

Guanyin gave the Golden Cicada a look.

"Should ... Should we let Chen Xiaobei go?"

The Golden Cicada master was stunned for a moment before he asked tentatively.

"Let him go! Let's talk after we leave!"

Guanyin gave an affirmative answer.

Obviously, Guanyin was still hesitating whether she should let Chen Xiaobei go or not.

However, her conversation with Shakyamuni had made her determined to let Chen Xiaobei go.

“Alright!”

The Golden Cicada master nodded and removed all the talismans that sealed Chen Xiaobei’s power.

“Let’s go!”

Guanyin said without hesitation.

“Woof! Buzzzzzz! Yi ...”

Before Chen Xiaobei could ask anything, Guanyin flew into the sky, followed by the Golden Cicada who was dragging Chen Xiaobei behind. It seemed like they were going to leave the planet and get away from the Western religious sect’s territory.

This was very strange!

As Chen Xiaobei was being dragged along by the Golden Cicada master, his mind was filled with questions!

However, since his power had been unsealed, it was enough to prove that Guanyin and the Golden Cicada had no ill intentions. That was why Chen Xiaobei did not say anything along the way. He just wanted to leave this troublesome place with them first!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3933: Alliance**

However, the plan was not as fast as the change!

Guanyin, Chen Xiaobei, and the Golden Cicada had just flown to the sky above the planet when they immediately retreated.

That was because the clan of Enlightenment’s Army had already arrived. The two of them almost bumped into each other!

If they really ran into each other, Guanyin and the Golden Cicada would not be a match for the clan of enlightenment.

They had no choice but to retreat to the small planet.

Of course, they didn’t return to Shakya Rulai’s side. Instead, they found a hidden place to hide.

Chen Xiaobei quickly voiced out his doubts after he had calmed down.

“Sister Guanyin! Why did you let me go? Aren’t you a loyal member of the Western religious sect?”  
Chen Xiaobei asked.

Guanyin and the Golden Cicada had formed an alliance, and Guanyin was the leader of the Alliance. That was why Chen Xiaobei did not have to ask the Golden Cicada.

“That’s right! I’m a die-hard fan of the Western religious sect! Because of this, I must let you go!”  
Guanyin said.

“Huh!”

Chen Xiaobei was confused, “Why am I getting more and more confused? The Western religious sect and I have an irreconcilable enmity! If you let me go, you will be betraying the Western religious sect! Betraying your faith ...”

“No! You’re wrong!”

Guanyin shook her head and said seriously, “The one you’re enemies with is Daoist jieyin, not the Western religious sect! Therefore, I’m not betraying the Western religious sect by letting you go. I’m doing this for the good of the Western sect!”

why do you say that?! Chen Xiaobei felt that there was a deeper meaning to Guanyin’s words.

“The higher-ups of the Western religious sect have long been corrupted! They’re selfish and only care about their own interests, power, and status. As for orthodoxies and beliefs, they’ve already thrown them to the back of their minds!”

“I’ve wanted to change all of this for a long time,” Guanyin said in a deep voice, “but I realized that I couldn’t do it alone! I even wanted to seek Dao ancestor’s help, but Dao ancestor ignored me! Therefore, I must seek the help of external forces!”

Clearly, the Dao ancestor represented the will of the heavenly Dao, and everything was based on the interests of the heavenly Dao!

The internal corruption of the Western religious sect would cause internal conflicts and disputes within the great sage’s sect. This would severely slow down the development of the great sage’s sect and might even cause its strength to regress.

Such a situation was what the heavenly Dao was most happy to see.

The purpose of the heavenly path was to enslave all the forces and living beings in the great thousand world.

Any force or person that could affect the heavenly Dao would be schemed against, suppressed, and eventually destroyed!

For this reason, Hongjun would not interfere with the internal affairs of the Western religious sect.

If the Western religious sect went further and further in the wrong direction, they would never be a threat to the heavenly Dao, and it would save them the trouble of plotting and suppressing.

And this was also the most desperate part of Guanyin!

Since Dao ancestor didn’t want to help, Guanyin could only find someone else to help.

And now, who in the heavenly Dao world could help?

There was only one answer!

That was Chen Xiaobei!

Only Chen Xiaobei could fight against the jieyin priest! To fight against Dao ancestor Hongjun! He could even fight against the heavenly Dao himself!

This was the main reason why Guanyin had let Chen Xiaobei go!

“Sister Guanyin, I have to make it clear. Although I thank you for letting me go, this doesn’t mean that I will help you! After all, it’s not good for you or me if the Western religious sect becomes stronger!”

Chen Xiaobei said seriously.

Chen Xiaobei knew the nature of the heavenly axiom very well. If the Western religious sect managed to solve its internal problems, it would become even stronger. If it went one step further, it would be suppressed and destroyed by the heavenly axiom!

“No! You’re mistaken!”

Guanyin immediately shook her head and said, “my goal is not to make the Western religious sect stronger!” I only hope that the Western religious sect can find its original heart and stick to its past orthodoxy and belief! I hope everyone can be merciful! Kindness! Six root of tranquility!”

“Understood!”

Chen Xiaobei was a smart man. He immediately understood Guanyin’s true intention.

It was obvious that as a loyal member of the Western religious sect, Guanyin had truly not forgotten her original heart and stuck to her faith!

She didn’t want to see the orthodoxy and belief of the Western religious sect being replaced by interests and power! She wanted to find that peaceful and pure Western world!

This was her great wish!

If he wanted to do that, he would need Chen Xiaobei’s help!

since you already understand, then, can you help us? ”

Guan Yin calmed herself down and looked at Chen Xiaobei sincerely.

“Sure!”

Chen Xiaobei calmed himself down and said, “ I even have a plan! That was to start with the Daoist jieyin and purge all the corrupted Western religious leaders from top to bottom! After that, you’ll be the one to select the most loyal followers of the Western religious sect to fill the vacancy in the higher-ups!”

this ... Guanyin hesitated.

Obviously, she didn’t want to make a big deal out of this! If all the higher-ups were eliminated, the Western religious sect would definitely be stained with blood!

“Sister Guanyin! You should know better than me!”

“The Western religious sect now is like a man who is beyond cure!” Chen Xiaobei said. It was not something that could be recovered with medicine! He had to use the knife to cut off the tumor! He even

had to scrape his bones to cure the poison before he could completely eradicate the root of the disease! Otherwise, you will only be able to treat the symptoms and not the root cause, and the illness will relapse sooner or later!”

“Mm ...”

Guanyin was silent for a moment, then nodded heavily and said, “What you said makes sense! We’ll do as you say!”

It was obvious that Guanyin had thought about this matter countless times.

Although she didn’t want to be too extreme! However, just as Chen Xiaobei had said, if he only treated the symptoms and not the root cause, the illness would relapse sooner or later. Then, everything that he was doing now would be meaningless!

Chen Xiaobei said seriously, “Since sister Guanyin has agreed, then from now on, we will officially form an alliance! I promise you, I will do what I say!”

“So, what should we do next?” The Golden Cicada master, who had been silent all this while, could no longer hold it in.

“Don’t rush!”

Chen Xiaobei smiled evilly and said, “Let’s go out and watch the fight between Chanism and Western religious sect! When they’ve bitten enough, I’ll make my move and capture them all in one fell swoop!”

“All ... All of them in one fell swoop? Do you have the strength to do so?” The Golden Cicada master looked at Chen Xiaobei in disbelief.

“Whether I have the strength or not, won’t you know if you come with me to take a look?” Chen Xiaobei smiled, exuding a strong sense of confidence.

“This ...”

The Golden Cicada master and Guanyin looked at each other and their expressions were filled with shock! Curiosity! And anticipation!

On the other side.

The clan of enlightenment and the Western religious sect were already in a confrontation.

Burning lamp Daoist and Shakya Tathagata both stepped forward and came to the center. They were all ready to fight as if a great battle would break out at any moment!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3934: Die!**

3934 Die!

“Shakya! You have to hand Chen Xiaobei over! Otherwise, I’ll make sure you’ll have to bear the consequences!”

Burning lamp Daoist was furious and his attitude was very tough. He was not here to discuss at all.

After all, this matter was related to the face of heavenly Lord Yuanshi. If he was not strong enough, he would lose his face! It was Chanism's face!

"What a joke!"

However, it was clear that Shakyamuni wasn't someone to be trifled with as well. He bellowed, "You and I both know how important Chen Xiaobei is. I will never hand him over to you! If you're not convinced, you can talk to the Saint!"

"Don't use jiejin Daoist to pressure me!"

"We were the ones who caught Chen Xiaobei first!" Burning lamp Daoist said angrily. It was snatched by you! Even if this matter was brought up to the Dao ancestor, your Western religious sect is in the wrong! I advise you to take care of yourself and not make a big deal out of this!"

"Cut the crap!"

I can't hand him over! Shakya Tathagata said disdainfully. If you're so capable, then go and cause a ruckus in front of the Dao ancestor. Let's see what he has to say!

"Woof! Buzzzzzz! Yi ..."

Burning lamp Daoist's face turned black, and he immediately took out 24 sea-stabilizing pearls and threatened, "Since you're not willing to hand her over! Then don't blame me for being impolite!"

"Whoosh ..."

Shakya Tathagata did not show any weakness as he took out a glazed Buddha lamp and said with a strong aura, "You think I'm afraid of you? If you want to fight, then fight! I'm not afraid of you!"

Obviously, the level of the glazed Buddhist lamp was similar to that of the sea-calming divine Pearl. Therefore, Shakya Tathagata was not afraid at all and wanted to fight it head-on.

Clang clang clang ... Clang clang ...

At the same time, everyone from the clan of enlightenment and the Western religious sect took out their weapons. Once the big shots of both sides started fighting, a full-scale war would definitely break out.

"Shakya! I'll give you one last chance! Don't you regret it!"

Daoist Dipamkara's eyes were cold, and the 24 sea-calming divine pearls floated behind his head, shining with holy light and unparalleled power.

"Swish!"

However, at this moment, Li Jing had already thrown out his magical treasure!

"Bang!"

In an instant, a disciple of the Western religious sect was turned into a meat paste by Li Jing's exquisite Pagoda!

Obviously, Li Jing did it on purpose. He didn't give dipamkara Daoist and Shakya any chance to negotiate and directly intensified the conflict.

It was like lighting the fuse of a bomb!

A great battle instantly erupted!

"Dammit! I'll fight it out with you!"

Shakya Tathagata was determined to take all the credit for himself. He would never hand over Chen Xiaobei. Moreover, his disciple had been killed, which made him furious.

"Whoosh ..."

The glazed Buddhist lamp suddenly activated the power of a one-star Saint level and shrouded down on dipamkara Daoist.

"Shua shua shua ..."

Burning lamp Daoist did not dare to be careless and immediately took out the 24 sea-stabilizing pearls to face the enemy.

"Whoosh, whoosh, whoosh ..."

at the same time, all the members of both sides immediately began to fight to the death.

The battle soon fell into chaos.

Li Jing was very smart. After he started the fight, he found an opportunity to slip out of the battlefield and find where Chen Xiaobei was being held.

Meanwhile, Chen Xiaobei and the others had been observing the battle. When they saw that Li Jing had retreated, Chen Xiaobei immediately contacted Li Jing with his communication jade talisman.

Li Jing immediately flew to Chen Xiaobei's side.

Seeing that Chen Xiaobei was free, Li Jing and the Guanyin Golden Cicada looked at each other and smiled. Clearly, they were on the same side.

"Bro bei! You're amazing!"

Li Jing couldn't help but praise, "to think that I've tried so hard to save you. I didn't expect that you'd already escaped on your own!"

it's not me! It's my friend! Chen Xiaobei smiled.

Guanyin and the Golden Cicada looked at each other with mixed emotions. They thought that Chen Xiaobei would have to rely on them to regain his freedom.

But now, it seemed that even without them, Chen Xiaobei would still be fine.

After all, Pagoda-bearing Heavenly King Li Jing's strength was quite terrifying. Coupled with his identity as a hidden chess piece in chanism, he could easily create an opportunity to rescue Chen Xiaobei.

Moreover, the Chanism had the upper hand in the battle. This meant that even if Guanyin and the Golden Cicada did not let Chen Xiaobei go, Li Jing would still be able to save him.

Guanyin and the Golden Cicada looked at Chen Xiaobei in a different light. Once again, they realized how unfathomable Chen Xiaobei was. He could turn the impossible into possible!

“Since Bro Bei is free now, I should hurry back to the battlefield! Otherwise, my identity as a hidden chess piece will be exposed, and my family may be in danger!”

In order to save Chen Xiaobei, Li Jing had taken a huge risk.

no problem. You go back first and protect yourself. I’ll naturally come to clean up the mess later! Chen Xiaobei smiled.

After that, Li Jing quietly returned to the battlefield.

On the battlefield, there were two Saint weapons. Therefore, the cultivation of Shakyas and burning lamp Daoist was not that important! The outcome of the battle was completely dependent on the strength of these two Saint weapons!

The power of the sea-calming divine Pearl was considered first-rate among magic treasures of the same level. It could suppress the glazed Buddhist lamp.

As the battle progressed, Shakyas Tathagata was being completely suppressed.

At the same time, the Western religious sect lacked Guanyin and the Golden Cicada, while the clan of enlightenment had Li Jing and immortal Tai Yi.

Therefore, Chanism still had the advantage in the group battle.

If this continued, it wouldn’t be long before all the members of the Western religious sect present were completely annihilated!

Of course, Shakyamuni would not just sit and wait for death.

Moreover, since he was sent by the Daoist Jieyin, he must have other trump cards in his hands!

“Woof!”

With a strong gust of wind, Shakyas Tathagata took out a huge green flag!

In an instant, many of the people present were taken aback!

“That ... Could that be the legendary Green Lotus flag? It was one of the five sacred flags! It’s controlled by Daoist Jieyin!”

“Heavens! If he didn’t remember wrongly, that was a Seven Star Saint weapon! Jieyin Daoist had actually given Shakyas Rulai such a terrifying trump card! This ... What should we do?”

“What do we do? We ... We’ll all be annihilated ...”

With the appearance of the green Lotus flag, the clan of enlightenment, which had the upper hand, was instantly reversed and suppressed!

Without a doubt, unless the burning lamp Daoist could take out a magic weapon of the same level, the clan of Enlightenment's members would all be exterminated here, not even half of their primordial spirit would be left!

"Shit!"

However, burning lamp Daoist did not seem to expect that Shakya Tathagata would have such a terrifying trump card in his hands!

To be more precise, honored Lord of the origin did not expect jieyin to be so ambitious! In order to achieve his goal, he was really willing to give up anything!

"Hahaha! Old dipamkara! Accept your death!"

When Shakya Tathagata saw that the outcome was already decided, he was extremely excited. His killing intent was overflowing, and he didn't have a single bit of mercy in his heart.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 3935: arrival**

this is bad ... The original Saint only gave me a five star Saint weapon ... I can't fight with Shakya ...

Daoist burning lamp's face turned green.

If he had known this would be the result, he wouldn't have started the battle just now.

That's not right! It didn't seem like he was the one who initiated the battle! It was Li Jing who had attacked first!

However, even if Li Jing attacked first, the lamp-burning Daoist had nothing to say. After all, he was the one who looked like he was going to start a war. Li Jing was only supporting him with his actions, and there was nothing wrong with that!

Moreover, now that the situation had turned out this way, how could the lamp-burning Daoist have the mood to blame Li Jing? It was more important to think about how to save his life first!

"Stop! Everyone, stop!"

Dipamkara Daoist shouted and quickly put away the sea calming divine Pearl, saying, "Shakya! Let's have a good talk! I don't want Chen Xiaobei anymore! You can just take it away!"

"Hehe, I was the one who caught Chen Xiaobei! What right do you have to say yes or no?" Shakya laughed coldly.

"Yes, yes, yes ... You're right! I'm not qualified ..."

Burning lamp Daoist nodded his head repeatedly and said, "This is all my fault! I'll take my men and leave now ..."

"You only want to leave now? It's too late!"

Shakya Tathagata squinted his eyes and his face was filled with maliciousness, "I don't want this matter to be spread! Therefore, all of you must be killed today!"

Chen Xiaobei's importance did not need further explanation.

If the heavenly Lord of the origin knew that Chen Xiaobei was taken away by Shakya Tathagata from the white bone Spirit, he would not let the matter rest!

Therefore, only the dead would keep a secret!

If Shakya wanted to claim all the credit for himself, he had to kill all the members of the clan of enlightenment!

"Spare me ... Spare me ..."

Daoist burning lamp gasped, his face full of pleading.

At the same time, all the members of the clan of enlightenment were wailing. Some of them who were afraid of death even knelt down.

"Whoosh ..."

However, it was impossible for Shakyamuni to let them go. He waved the green Lotus flag and was ready to kill everyone!

Pale holy light covered the entire space, and sharp light shot down like huge green swords piercing through the sky. They were sharp and violent, as if they were going to shatter the planet completely!

"It's over ... It's completely over ..."

Led by dipamkara Daoist, all the members of the clan of enlightenment wailed in despair. Some of the more timid ones even peed their pants while crying.

In the face of death, Emyrean gods and true immortals were no different from mortals!

Who would want to die if they could live?

However, Li Jing's reaction was different from the others.

There was no fear of death on Li Jing's face, only absolute trust in someone or something!

Li Jing's confidence was because he had just met Chen Xiaobei!

Li Jing trusted Chen Xiaobei so much that he had entrusted his life to Chen Xiaobei.

Now that Chen Xiaobei had said that he could clean up the mess, Li Jing believed him!

"Whoosh ..."

Sure enough, in the next moment, the power of a Seven Star Saint level exploded from the distance!

It was a white prayer bead that looked like a gemstone but also like chalcedony!

The Holy white light that it emitted directly overwhelmed the green light of the green Lotus flag!

It could be seen that the quality of this string of white prayer beads was obviously higher even though they were both Seven Star Saint artifacts!

Seeing this, everyone exclaimed in shock.

that ... That's one of the three guiding treasures, the intentionless bead!!! Daoist burning lamp's pupils shrank and his eyes trembled. He was so frightened that he screamed, " could it be that the original body of Daoist jieyin has come? "

One must know that the three jieyin treasures were jieyin Taoist's magic weapons. In the Western religious sect, seeing any one of the three jieyin treasures was like seeing the jieyin Taoist himself.

One Shakya Tathagata was already enough to make dipamkara Daoist fall into despair. Now that there was another Daoist jieyin, dipamkara Daoist would not even know how he died!

"Martial uncle, calm down!"

"If Daoist jieyin is here, why would he suppress Shakya Rulai?" immortal Tai Yi asked in a deep voice.

this ... Daoist dipamkara swallowed his saliva and said awkwardly, " I was too nervous ... My brain was a little muddled! The person who had come was definitely not Daoist jieyin! He's definitely here to help us!"

"But, the intentionless bead is still in that person's hands?" Li Jing asked in confusion.

In fact, Li Jing was also very curious. How did the Three Treasures end up in Chen Xiaobei's hands?

"I ... I don't know ..."

The lamp-burning Daoist shook his head, not knowing why."However, we just have to watch! When that person defeats Shakya Rulai, everything will be clear!"

"Who are you? Who the hell are you?"

Shakya Tathagata turned pale with fright as he roared in the direction of the power.

One must know that he, Shakya Tathagata, was only one step away from success. He would be able to reach the peak of his life soon.

However, because of the appearance of the intentionless bead, the first wave of the green Lotus flag's power was completely suppressed. Not to mention killing people, they couldn't even kill a single enemy!

Whoosh ... Whoosh ...

Of course, Shakya Tathagata would not give up on this once-in-a-thousand-years opportunity so easily. He waved the green Lotus flag twice in a row, unwillingly, activating the double power.

"Woof! Whoosh!"

However, in the distant sky, two powerful forces also burst out.

One of them came from a Golden Pagoda, while the other came from a floating dust!

From the energy fluctuations, these two magical treasures had also reached the seven Star Saint level! Moreover, the quality was also above that of the green Lotus flag!

Without a doubt, the double power of the green Lotus flag was once again suppressed.

At the same time, the crowd was once again in shock.

“That’s the radiant treasure Pagoda and the nine abandonments floating dust! The other two items to receive the Three Treasures!” Daoist burning lamp was already dumbfounded.

Immortal Tai Yi’s scalp went numb.

Even Li Jing could not figure out how Chen Xiaobei could have all three treasures of guidance.

“Saint jieyin! Did you come? Why did you stop me?”

Shakya Tathagata had already given up on resisting as the spiritual Qi within the green Lotus flag had been exhausted.

At this moment, to Shakya, the appearance of the three jieyin treasures meant that the original jieyin Taoist had arrived. However, he could not figure out why jieyin Taoist wanted to stop him.

“Idiot! Open your eyes and see clearly who I am!”

Suddenly, Chen Xiaobei flew over from afar.

The Three Treasures of guidance were shining with the divine splendor of the primordial chaos. They were like three guardian spirits, flying around Chen Xiaobei.

#### **Chapter 3936: harvest**

“Chen? Chen Xiaobei?”

All of a sudden, everyone present, whether they were members of the clan of enlightenment or the Western religious sect, screamed in shock.

Chen Xiaobei’s Return to Freedom and his presence in front of them was something that they could not even dream of.

What was even more unbelievable was that the three seven-star Saint weapons that represented Daoist jieyin were all in Chen Xiaobei’s hands.

Isn’t this a little too crazy?

It was simply unbelievable!

Of course, other than shock, everyone’s heart was instantly filled with extreme fear!

Chen Xiaobei was holding the Three Treasures of guidance, and the green Lotus flag in Shakya’s hand had run out of spiritual Qi. This meant that everyone’s life and death were in Chen Xiaobei’s hands!

“Spare ... Spare me ...”

Led by dipamkara Daoist, all the members of the clan of enlightenment wailed.

However, they were begging for mercy from Shakyamuni earlier. Now, they turned around and started to beg for mercy from Chen Xiaobei.

“We ... We can talk this out ... Please don’t kill us ...”

At the same time, Shakya Tathagata and all the members of the Western religious sect were all terrified.

“Heh, aren’t you all thinking of taking me back to receive my reward? Why did you all change your mind?”

Chen Xiaobei looked down at everyone and asked with a cold smile.

“I don’t dare ... I don’t dare ... I don’t dare ...”

Burning lamp Daoist and Shakya Buddha shook their heads.

Just a moment ago, they were still fighting for the credit. They had even started to fantasize about how they would be able to reach the peak of their lives after bringing Chen Xiaobei back.

But now, they were denying it, as if they had never thought of capturing Chen Xiaobei.

This series of denial was like a series of slaps on their own faces.

In order to survive, these two old men had completely lost all their face.

“Ha.”

Chen Xiaobei smiled, not wanting to waste his breath on them. “If you want to live, you’ll have to destroy your own cultivation and hand over your Storage Treasures!”

“This ... This ...”

As soon as he said that, everyone present was stunned.

They could still accept handing over their Storage Treasures. After all, they could always earn more money later.

However, they found it very, very difficult to accept the condition of self-destruction of cultivation! This was not a joke! If one’s sea of Qi and dantian were crippled, one could no longer cultivate! In this life, he would be like a cripple, living in this world where the strong were respected, even more lowly than ants! What was the point of living such a life?

my patience is limited. If you don’t do as I say in half a minute, kill without mercy!

However, Chen Xiaobei did not care whether they accepted it or not. There were two paths in front of them, life and death. Chen Xiaobei did not care how they chose to go!

Of course, Chen Xiaobei could not let Li Jing and immortal Tai Yi destroy their own cultivation. So, he kept his eyes on dipamkara and Shakya.

What he meant was that as long as these two old men destroyed their own cultivation, it didn’t matter whether the others were destroyed or not!

“We ... We’ll hand over our Storage Treasures now ...”

Some quick-witted disciples immediately ran over and respectfully handed over their storage bracelets to Chen Xiaobei, then stood at the side, far away from the crowd.

In this way, it was equivalent to dividing life and death into two camps!

Those who had handed over their Storage Treasures could stay alive if they gathered together, but those who didn't do anything would only die!

Li Jing understood what Chen Xiaobei meant. He quickly pulled immortal Tai Yi to hand over his storage treasure and stood on the side of the living!

"It seems like the remaining people want to die?"

Chen Xiaobei squinted his eyes and directed the pennant of light towards the group of people.

Once this Seven Star Saint weapon erupted with its power, it was enough to completely obliterate everyone!

spare me ... Please spare me, God Chen ... I'm willing to destroy my cultivation!

Daoist burning lamp looked at the rapidly approaching bright treasure Pagoda and was completely scared out of his wits.

In that split second, he had no time to think. There was only one thought left in his mind, to live!

"Bang!"

With a single thought, a terrifying wave of celestial core power blasted into his sea of Qi dantian!

In the next moment, his dantian exploded, and a huge bloody hole appeared on his body.

At the same time, his dharma body crumbled and his primordial spirit was severely injured. He was almost half-dead! Just like that, the cultivation base that he had painstakingly cultivated for countless years was completely wasted!

Upon seeing this, those who were hesitating instantly collapsed! Even Daoist burning lamp had given up! What else was there for him to persist in?

"Spare me ... Please spare me, God Chen ..."

Before Shakya could finish his sentence, he activated his celestial core power and, like burning lamp Daoist, exploded his sea of Qi dantian. His ancient cultivation base was destroyed!

God Chen, please spare us ... We were wrong ... We know we were wrong ...

At the same time, all the remaining members of the two religions took out their Storage Treasures and ran to Chen Xiaobei. He raised his storage treasure high and offered it to Chen Xiaobei!

"This is more like it!"

Chen Xiaobei then released his celestial core power and collected all 2000 of the magical storage items!

After a simple inventory check, he found a large number of superior-grade spiritual Jade.

Of course, to Chen Xiaobei, it was not even enough to fill the gaps between his teeth.

All of these spirit jades added together were barely enough to activate a two-star Saint weapon once. It could be said to be pitifully little.

Of course, this was also very normal.

After all, once one's cultivation level was high, it was difficult to improve further. Therefore, powerful cultivators would put their focus on improving their Dharma Treasures. They would only keep enough spiritual Jade and put the rest into their Dharma Treasures!

So, even though Chen Xiaobei had more than 2000 magical storage items, he did not get much spiritual Jade.

Of course, other than the spiritual jades, these magical treasures were still rich in resources. Furthermore, they were all of high grade. In the storage magical treasures of dipamkara Daoist and Shakya, one could even find a few sacred objects!

Of course, these things were not of much use to Chen Xiaobei, so they were all used for refining!

Other than the spiritual Jade and the resources, Chen Xiaobei had only kept four things!

That's right!

They were the four Saint weapons!

The 24 sea-stabilizing pearls of Daoist burning lamp! Shakya's glaze Buddha lamp! The green Lotus flag that Daoist jiejun had lent to Shakya Rulai! And the nine Dragons Heavenly Fire shield, a five-star Saint weapon lent by heavenly Lord Yuanshi to dipamkara Taoist!

Of course, other than the nine Dragons Heavenly Fire shield, the other three holy items did not have any spiritual Qi in them. Chen Xiaobei could not use them even if he had them, so he could only keep them for now.

"God Chen, can we go now?"

The group of enemies asked in grief.

"We can't!"

Chen Xiaobei smiled evilly and rejected the idea.

#### **Chapter 3937: clue**

"I only said that I would spare your lives. When did I say that I would let you go?"

Chen Xiaobei kept all the items into his infinite space ring and took out the beixuan Saint-sealing scroll.

"Whoosh ..."

With a single thought from Chen Xiaobei, everyone except for dipamkara and Shakya Tathagata was sucked into the space of the map and sealed.

Of course, Li Jing and immortal Tai Yi were also sealed.

This was because Li Jing would continue to be Chen Xiaobei's spy, and he might even be able to turn immortal Tai Yi into a spy.

Therefore, Chen Xiaobei had sealed them up to avoid suspicion from the enemy. It would also be safer for them when they were undercover.

As for burning lamp Daoist and Shakya Tathagata, they were left behind naturally because they had more value to them!

"Old dipamkara!"

Chen Xiaobei looked at the dying Daoist dipamkara and asked, " Who was the third ancient immortal that you reincarnated into, other than Zhurong and Holy Mother GUI Ling? "

"You ... How did you know ..."

Daoist dipamkara was shocked. He did not expect Chen Xiaobei to know the identities of two of his reincarnated ancient Celestials.

Zhurong was Di Jiang's brother and Chen Xiaobei's most important ally in his path of cultivation.

At the same time, Zhurong's reincarnated body was sealed in the Meru space.

As for Holy Mother GUI Ling, she was one of the five personal disciples of sect master Tongtian! She was also Chen Xiaobei's fourth Senior Sister! Chen Xiaobei was Laowu!

She was very powerful, and she could fight several of the twelve golden Immortals of the clan of enlightenment alone!

Back when sect master Tongtian set up the ten thousand Immortals formation, Holy Mother GUI Ling was also in it. When ju liusun of the clan of enlightenment fled, she rushed out of the formation to chase after him!

At that time, ju liusun was already dead!

However, at the critical moment, jieyin Taoist appeared and suppressed Holy Mother GUI Ling with the power of a heavenly path Saint.

Then, the White Lotus boy, who was sitting on the Daoist, locked up the Holy Mother GUI Ling.

However, this White Lotus boy had raised a demonic mosquito, and after it was accidentally released, it found Holy Mother GUI Ling, whose power had been sealed, and absorbed all of her blood essence and cultivation, causing her to die immediately.

By the way, the demonic mosquito wasn't satisfied after sucking the Holy Mother GUI Ling dry, so it used its special ability to suck the twelve-grade Golden Lotus of merit, the most precious treasure of the Western religious sect! In the end, the third grade was sucked away by the demonic mosquito, and it was reduced to a ninth grade Golden Lotus of merit!

Yuan meant that among the five Saint lotuses formed by the five seeds of the green Lotus of chaos, the Golden Lotus of virtue was the lowest level, except for the ungrown heaven-destroying Purple Lotus! He simply couldn't reach the peak stage of Saint level!

And this demonic mosquito had been cultivating arduously since then, and its strength had skyrocketed! However, he lived in seclusion and rarely appeared in front of the world. As such, no one could say for sure how strong he was!

However, the name of Daoist Wen had long been known by everyone in the universe!

“Cut the crap!”

“I’ll ask, you answer!” Chen Xiaobei said impatiently. I’ll kill you if you dare to say any more nonsense!”

“Yes, yes, yes ...”

Burning lamp Daoist gasped and quickly said, “ my three reincarnated ancient Immortals are the ancestor of sorcery Zhurong, Holy Mother GUI Ling, and Huang Tianhua ...

“Yellow sky transformation? It seems to be a disciple of your clan of enlightenment!”

Chen Xiaobei frowned. He had wanted to save one more person, but the third reincarnated ancient deity was a member of the clan of enlightenment.

However, this was also very normal. There were too many people participating in the winter solstice festival, so you couldn’t just choose anyone you wanted! Therefore, after dipamkara Taoist chose two important figures, it was completely reasonable to choose an insignificant one to fill in the gap.

“Where is my fourth Senior Sister now?” Chen Xiaobei asked.

“I sent Holy Mother GUI Ling to the South Pole immortal Palace, to help South Pole immortal Weng find Gong Gong’s dead body!” Answered dipamkara hurriedly.

Chen Xiaobei had already found out that the Grand Wizard, Gonggong, was the reincarnation of the immortal Weng of the South Pole.

According to what he said, South Pole immortal Weng was looking for the body of the Grand Wizard, Gong Gong! Meanwhile, Holy Mother GUI Ling was following and assisting South Pole immortal Weng.

“Good! Very good!”

Chen Xiaobei raised his eyebrows and smiled evilly.

Chen Xiaobei was now in control of dipamkara’s life and death. He could ask him to cancel the primordial spirit contract at any time, and then Holy Mother GUI Ling could regain her freedom.

And the point was, South Pole immortal Weng didn’t know that Holy Mother GUI Ling had regained her freedom!

This way, Holy Mother GUI Ling could perfectly become Chen Xiaobei’s spy and help Chen Xiaobei retrieve the Gonggong’s body.

Of course, this was not the time to cancel the primordial spirit contract. He still had to wait!

“What about Zhurong’s body? Have you found it?” Chen Xiaobei asked.

“I did find it ...”

“But there’s a seal on the corpse, and only Zhurong himself can remove it!” Daoist burning lamp said resentfully. Even if the heavenly Lord Yuanshi tried to break the seal by force, he might destroy the corpse ... So ...”

that’s right! Chen Xiaobei laughed. so, Zhurong’s body is not with you chanism! It’s still at the place where you found it!

“Yes! Zhurong’s body is still in the same place ...”

“However, the heavenly Lord Yuanshi has already sent people to guard that place day and night. I’m afraid it’s impossible to get Zhurong’s body ...” Dipamkara added.

“What’s wrong? With my current strength, is it not enough to obtain Zhurong’s corpse?” Chen Xiaobei asked, frowning.

“God Chen, you are indeed very powerful ...”

“However, that place has been set up with a restrictive spell,” dipamkara Daoist said awkwardly. “Once there’s any movement, it will immediately alert the heavenly Lord Yuanshi!” I’m afraid that God Chen won’t be able to handle him!”

Obviously, dipamkara was really afraid of death. So, he told Chen Xiaobei everything, no matter how big or small. He did not want Chen Xiaobei to be killed and drag him down with him.

Chen Xiaobei chuckled, “Primal Chaos City leader is a cunning old fox. He won’t let me get Zhurong’s body so easily. Let him guard Zhurong’s body for me. When the time is right, I’ll go back and get it!”

If Chen Xiaobei wanted to prove his Dao with force, he would have to collect all the bodies of the twelve ancestors of sorcery.

There was still a long way to go. There was no need to fight to the death with the heavenly Lord Yuanshi. Not only might he not succeed, but he might also be hunted down by the heavenly Lord Yuanshi.

Therefore, the correct choice was to find the wizard ancestor’s corpse that was easy to obtain first, then gnaw on the hard bones later!

“First, cancel the primordial spirit contract of Zhurong!” Chen Xiaobei ordered.

yes ... Daoist burning lamp didn’t dare to play any tricks and obediently did as he was told.

Then, Chen Xiaobei released Zhurong from the seal and let him reunite with Di Jiang and the others.

Then, Chen Xiaobei turned to look at Shakyamuni.

#### **Chapter 3938: -shock**

“Hiss ...”

Shakya Tathagata took in a cold breath and said respectfully, “What do you want to ask me? I will definitely tell you everything I know!

“First, tell me who your reincarnated ancient Immortals are.” Chen Xiaobei said.

“Yes ...”

“My reincarnated ancient Immortals include the crimsonbright horned dragon and fairy feiche. Both of them died in battle during the last mission ... The last reincarnated ancient immortal is fairy bixiao ...”

Chen Xiaobei had never heard of the two reincarnated ancient Celestials who had died in battle. It did not matter if they were Dead or Alive.

However, the fairy bi Xiao that Shakya mentioned was very important to Chen Xiaobei.

That’s right!

This fairy bi Xiao was also one of the disciples of the tribe of severity, the younger sister of the three fairies!

In order to avenge her brother Zhao Gongming, it was fairy sanxiao who set up the nine tunes holy river formation with the primeval Dipper, which cut off the three flowers on the top of the head of the twelve golden Immortals of the clan of enlightenment and wiped out the five Qi in their chests. If it were not for honored Lord of the origin and Taishang Laojun who broke the formation, the twelve golden Immortals of the clan of enlightenment would have disappeared from the world!

After that, the Grand Supreme elderly Lord didn’t take things to the extreme. He captured his eldest sister, fairy Yunxiao, and sealed her under the Qilin cliff.

However, honored Lord of the origin was merciless and used the three treasure Jade to kill his second sister and Qiong Xiao! Then, he used the origin treasure box to turn his little sister, green heaven fairy, into a pool of blood!

Moreover, fairy Yunxiao’s sudden death after a period of time, although there was no clear evidence, had every reason to suspect that it was also the work of heavenly Lord Yuanshi!

Fairy sanxiao was powerful for a while, but she died with a grudge. In the end, her primordial spirit was sealed by Investiture of the Gods, and she became the third lady of the heavenly court, the immortal official in charge of the toilets!

Their lives were full of legends, and even more so, they were filled with regret and pity! After his death, his primordial spirit was sealed. It was an extreme humiliation and even more infuriating!

So, Chen Xiaobei had been holding a grudge in his heart. He had to save the three sky fairies and pay them back for all the suffering and humiliation they had suffered!

Because of this, when he heard the name ‘fairy bi Xiao’, Chen Xiaobei’s calm state of mind was greatly shaken!

“Speak! Where is fairy bi Xiao now?”

Chen Xiaobei asked in a serious tone.

Shakya Rulai didn’t dare to waste any time and quickly replied, “ fairy bi Xiao is in the secret treasure of the nine Palace mountain in the 32nd heaven of the heaven realm. I’ve arranged for her to lie in ambush there and prepare to snatch the corpse of the Grand Wizard she bi ...

she bi Shi!?

Chen Xiaobei frowned.

When Chen Xiaobei caught the nine-colored Qilin, he had already confirmed that the she bi corpse was one of the nine-colored Qilin's reincarnated ancient Celestials.

Moreover, the nine-colored Kirin had already confirmed that he had sent the she bi corpse to search for the body of the wizard ancestor. The fire spirit Holy Mother, who was also a disciple of the tribe of severity, was also with them.

Before Chen Xiaobei and Hongjun made the deal, he had already asked the nine-colored Kirin to cancel the primordial spirit contract.

In other words, the she bi Shi and the fire spirit mother had regained their freedom.

According to Chen Xiaobei's plan, after the she bi Shi found the body, she would bring the fire spirit Holy Mother to join Chen Xiaobei.

However, Chen Xiaobei had greatly underestimated the enemy's ability!

It was unknown how Daoist jieyin had calculated she Bishi's movements, but he had already sent his men to set up an ambush. He was waiting for she Bishi to take out the corpse of his ancestor of sorcery, and then he would launch a sneak attack to snatch it.

What annoyed Chen Xiaobei even more was that the Western religious sect had sent fairy bi Xiao to ambush them.

Moreover, fairy bi Xiao should not be the only one in the sneak attack team. There might be other members of the tribe of severity. This was equivalent to letting the members of the tribe of severity attack their own people!

"How's the situation now?" Chen Xiaobei quickly asked.

"I don't know ... When fairy bi Xiao was sent out, I came to the great void universe ..."

however, you don't have to worry too much, God Chen. Even if they succeed in their ambush, I have a way to snatch the she bi corpse and his body for you!

"What do you have in mind?" Chen Xiaobei asked.

Shakya raised his eyebrows and said with confidence, "fairy bi Xiao is holding the Golden Dragon scissors, and her strength is extremely powerful. As the master of the contract, I only need to order fairy bi Xiao to secretly betray us, and we will be able to wipe out the entire ambush team. The she bi corpse and the corpse of the ancestor of sorcerers will naturally be easily captured!

"Heh, this is your wondrous plan?"

Chen Xiaobei sneered, "Do you think you're still Senior Sister bi Xiao's contract master? Cancel the primordial spirit contract immediately!"

"This ..."

Shakya's expression froze up. Instantly, he was speechless and could only do as he was told.

There was no doubt that fairy bi Xiao was absolutely 100% loyal to the Jie sect. Therefore, she would completely annihilate the enemies without the command of the contract master, and then act together with the she bi corpse fire spirit Holy Mother!

What Chen Xiaobei needed to do now was to rush to the nine Palace mountain to meet them.

"Also, I have another question!"

Chen Xiaobei asked, "How's the situation with the Warlock's bedding?"

One should know that the Warlock was the reincarnation of the Daoist of many treasures. Before Daoist jieyin released Daoist of many treasures, he had asked Daoist of many treasures to cancel the primordial spirit contract and control the Warlock.

"The bedding is now sealed in the Holy Palace by Daoist jieyin!"

"Jieyin Daoist is planning to use the same evil technique that he used to control the Daoist of many treasures to control the Warlock's bedding. He's in the process of casting it now and will succeed in seven days!" Said Shakya Tathagata hurriedly.

"Very good! Seven days is enough for me to save the bed!" Chen Xiaobei smiled, as if everything was under his control.

save ... Save ... This ... How is this possible?! "God Chen, are you really going to fight the Saint of jieyin head on?"

"Stupid!"

Chen Xiaobei laughed, "Then, we can save the Warlock's bedding!"

this ... Shakya Tathagata's face was stunned as his face was filled with shock.

In fact, the Daoist jieyin had been spreading the news that the Daoist of many treasures had broken the control of the evil art and escaped from the Western religious sect.

So, no one knew that Chen Xiaobei had used the Daoist's ear in exchange for Daoist duo Bao's freedom! After all, Chen Xiaobei was the nemesis of the heavenly axiom. The Daoist would not dare to let anyone know about his deal with Chen Xiaobei!

More importantly, the way of heaven was in urgent need of a new Saint to replace sect leader Tongtian. Now that Daoist yingyin had sent away so many treasures, the way of heaven had lost a new Saint! This was equivalent to tearing down the heavenly Dao! Once the matter was exposed, Daoist jieyin would definitely be severely punished by the heavenly Dao!

Chen Xiaobei's words made Shakyamuni's scalp tingle!

Who would have thought that Chen Xiaobei was the one who saved treasure Daoist!

Furthermore, Chen Xiaobei was going to use the same method to save the Warlock!

"How ... How is this possible?"

## Red Envelope Group of the Three Realms

### Chapter 3939: collapse

Of course, Chen Xiaobei would not explain too much to Shakyamuni. After he knew everything he wanted to know, Chen Xiaobei put both Shakyamuni and dipamkara into the beixuan Saint-naming scroll!

“Woof! Whoosh!”

Immediately after, Guanyin and the Golden Cicada flew over from afar and asked, “What’s our next step?”

It was obvious that during the earlier exchange, Guanyin and the Golden Cicada did not show themselves.

So, they had a lot of choices for their next move. They could either become spies in the Western religious sect or accept Chen Xiaobei’s orders and go on another mission.

However, Chen Xiaobei gave a different answer, “For the next step, I need you to do me a favor!”

After that, a light blue storage bracelet appeared in Chen Xiaobei’s hand.

This storage bracelet was the one that Shakya Tathagata had asked for from the white bone Spirit. It seemed to be something extremely important!

“Help?”

Guanyin immediately understood what Chen Xiaobei meant. “You’re looking for the owner of this storage bracelet, right?”

“It seems that I was right! This storage bracelet really belongs to mengchen!” Chen Xiaobei was excited. From Guanyin’s tone and expression, he could immediately confirm that the owner of the storage bracelet was LAN Mengcheng!

“Yes, that’s her!”

Guan Yin nodded. when we first arrived at the great void universe, we heard that an extremely beautiful half-step true sage had appeared. It caused quite a stir. After observing her in secret, we realized that she was LAN mengchen!

after that, Shakya Tathagata plotted to capture LAN mengchen and took her storage bracelet. He was planning to send her back to the Western religious sect for Daoist jieyin to deal with her, but she was rescued by someone at that time!

“What!”

Chen Xiaobei was shocked, “Who’s so powerful that he could save mengchen from your hands?”

“If I’m not mistaken, it should be someone from the LAN family!”

Guanyin said, "that person's strength is extremely terrifying. He's already reached the three star Saint level!" He had broken the law of space and descended into the great void universe from a different space before taking LAN mengchen away! Only her storage bracelet is left!"

"The LAN clan?"

Chen Xiaobei quickly asked, " "Sister Guanyin, how can you be so sure that he's from the LAN family? Also, where is the LAN family's headquarters? Where am I supposed to find mengchen?"

"I can't be completely sure! However, I heard with my own ears that the man who came to save her addressed LAN Mengcheng as young master!" "As for the headquarters of the LAN family, I'm afraid it's in the heavenly Saint realm!" Guanyin said.

"Young master? The heavenly Saint realm?" Chen Xiaobei was shocked again.

It was not hard to understand why the people of the LAN family addressed LAN Mengcheng as young master. After all, LAN Mengcheng had received the highest inheritance left behind by the ancestors of the LAN family!

But Chen Xiaobei did not expect LAN Mengcheng to go to the heavenly Saint land!

Of course, no matter what, as long as he could confirm that LAN Mengcheng was safe, Chen Xiaobei could rest easy.

Guanyin continued, "after that, the white bone Spirit took on the appearance of one of our own and tricked the storage bracelet away. Then, she used LAN Mengcheng's communication jade talisman to trick you!" You'll know what happened after that!"

"Mm ..."

"Why is the storage bracelet empty?" Chen Xiaobei asked. Where do the things inside go?"

Chen Xiaobei had seized all their storage bracelets, but he did not find anything special. LAN Mengcheng's storage bracelet was empty as well.

this storage bracelet was empty from the start. There's only LAN Mengcheng's communication jade talisman in it, and nothing else! Guanyin said.

that's strange ... Chen Xiaobei frowned. looking at the color of this storage bracelet, mengchen must have taken it from the land of inheritance. It's impossible that it doesn't have a special purpose ...

"Special use?" Guanyin was a little confused.

"The biggest question is, where did mengchen's original storage bracelet go?" Chen Xiaobei asked.

Obviously, LAN Mengcheng had her own storage bracelet! Inside were the magical treasures and spiritual stones that Chen Xiaobei had given her, as well as some pills and other things!

Although the value of these things was not high, it was not to the extent of them disappearing into thin air!

after LAN Mengcheng was captured, she only had one storage bracelet on her. She didn't see anything else! Guanyin said.

"I'm guessing ..."

"I'm afraid there's another layer of space in this storage bracelet!" Chen Xiaobei said. Only mengchen could open it! The important things were all placed inside! And the commonly used communication Jade talismans are placed in outer space!"

"We can't rule out that possibility, but we can't prove it!" Guanyin said.

"Chi ..."

However, just as he was speaking, the storage bracelet suddenly vibrated and emitted a special spiritual light that was as cold as ice and water!

"Ka ka ka ..."

In the next second, Chen Xiaobei's palm was covered in frost, almost completely frozen!

"Swish!"

Chen Xiaobei was shocked, but he reacted quickly enough to throw the storage bracelet out before his hand was frozen.

Chen Xiaobei's physical strength was very high, and with the demonic saint's bloodline that Pangu had chosen, he could withstand the extremely low temperature!

But now, Chen Xiaobei's palm was almost frozen into ice!

One could only imagine how terrifying the extraordinary spiritual light emitted by the storage bracelet was!

It was not an overstatement to say that if Chen Xiaobei's entire body was frozen, his physical body would be completely useless!

"Whoosh ..."

Chen Xiaobei quickly took out the demonic saint's strange fire to expel the cold Qi from his body. Fortunately, it was not a big deal.

"Ka ka ka ... Ka ka ka ..."

However, at the same time, a large area of the ground where the storage bracelet had fallen began to freeze! The frozen area instantly turned into a World of Ice and snow!

"Quickly fly! Don't Touch the Light!"

Chen Xiaobei shouted and flew into the air with Guanyin and the Golden Cicada.

Who dared to think about it!

The storage bracelet's special ability exploded faster and faster, and the area covered by the ice grew larger and larger. In a short moment, the entire planet was completely frozen into an ice ball!

“It’s the LAN family’s special ability!”

Guanyin immediately saw through the mystery and said, “freeze everything!” Destroy everything!”

“Frozen? It crumbled?”

Chen Xiaobei had a bad feeling about this.

“BOOM!”

In the next moment, the frozen Planet exploded!

At the star’s core, an extremely huge spatial Rift had appeared!

“Shua shua ... Shua shua ...”

Then, many blue shadows rushed out of the crack and surrounded Chen Xiaobei and the other two!

#### **Chapter 3940: Crushing**

##### 3940 Crushing

The dark blue shadows were powerful warriors in Ice Armor. They had strong bodies and sharp weapons. More importantly, they all exuded one-star Saint level primordial chaos sacred splendor!

There were more than 1000 people, and they were so powerful. It was clear that they were definitely from the heavenly Saint realm!

“Not good! It should be the LAN family who has come for revenge!”

Guanyin was very alert and immediately thought of the other party’s identity.

After all, LAN Mengcheng had been rescued. Therefore, the Western religious sect’s members were naturally regarded as enemies by the other party. Revenge was only a matter of time.

“God Chen! Hurry up and explain to them! Please don’t do anything! Otherwise, we’ll be in trouble!”  
The Golden Cicada master said nervously.

“Mm ...”

Chen Xiaobei nodded, then flew up to her and said, “Everyone, please calm down! I’m mengchen’s friend! Ask her to come out and meet us!”

“Hmph! Just based on your pathetic inferior race! Are you worthy of being our young master’s friend?”

At this time, a man wearing a blue cloak and wearing armor that looked like ice crystals flew out from the middle of the thousands of Ice Armor Warriors. He was holding an ice spear!

Obviously, this man was the leader of the ice Armor Warriors!

“I’m not joking! you’d better tell Mengcheng that I’m Chen ... Chen Xiaobei was about to reveal his identity, but the other party did not give him the chance to finish his sentence.

“Cut the crap! The great elder is furious that you murdered the young master and has already given the order to kill you! Don’t think that I’ll believe you just because you made up a few lies!”

The leader of the ice Armor Warriors raised the ice spear in his hand.

“Shua shua shua ...”

In the next moment, at least ten Warriors in Ice Armor rushed up with their sabers.

“It seems like this battle is inevitable ...”

Guanyin and the Golden Cicada both revealed looks of pity and sorrow.

Originally, this battle could have been avoided, but the other party did not listen to the explanation, so it was destined to be a bloody death.

“Don’t waste your energy, you’re not my match!”

Obviously, Chen Xiaobei did not want to start a war with the LAN family. After all, LAN Mengcheng was already the young master, and most of the time, she had not yet established herself. If Chen Xiaobei started a massacre, it would definitely affect LAN Mengcheng negatively!

whoosh, whoosh, whoosh ...

Chen Xiaobei did not use his magical equipment to kill the enemy. Instead, he summoned thousands of Saint beasts.

These Saint beasts were the ones he had taken from Saint Duke’s enemies.

There were a total of 1000 one star Saint level Saint beasts. Some of them had reached the middle to late stage of one star Saint level, and some of them were even at the pinnacle of one star true Saint level!

“Hiss ...”

Seeing this, the ten Ice Armor Warriors who had just rushed out all took a deep breath. Not only did they not dare to move forward, but they also looked scared and couldn’t help but retreat.

One had to know that other than their own cultivation, demonic beasts also had a special talent that could suppress humans of the same level!

Furthermore, there were many demonic beasts that were even stronger than the ice Armor Warriors!

In this way, even if the 1000 Ice Armor Warriors attacked together, they would still be defeated, let alone the 10 Ice Armor Warriors!

“Eh!”

The leader’s expression froze for a moment, and he revealed a very surprised look. “Isn’t this a Saint Beast tamed by the Saint Duke? Why do you have it? And there are so many of them!”

Chen Xiaobei said, “As you can see! You’re not my match! But I didn’t attack you! Isn’t this enough to prove that I don’t want to be enemies with the LAN family?”

“This ...”

The leader was not stupid. He understood what Chen Xiaobei meant.

If Chen Xiaobei was an enemy, the 1000 Saint beasts would have already charged at him.

However, understanding was one thing, but the leader could not make a decision on his own. “I don’t care what you say! In short, I have the great elder’s strict order in my hands to kill the enemy without mercy! If you don’t do as I say, I will be punished!”

“So you’re saying that even though you know you’re going to lose, you still want to fight me?” Chen Xiaobei glared at him, feeling very displeased.

Since the other party was being unreasonable, he could only use his fists to speak.

“Little brat! You’re too arrogant!”

The leader was also a little unhappy and said coldly, “Do you think you can defeat me with just 1000 Saint beasts?”

“Whoosh ...”

As soon as he finished speaking, the ice spear in the leader’s hand slowly emitted an extremely powerful spiritual fluctuation!

It could be seen that the strength of this spiritual fluctuation had reached the level of a Seven Star Saint!

No wonder he was so confident and didn’t take the 1000 Saint beasts seriously.

In front of a Seven Star Saint weapon, they were just a thousand ants!

In his eyes, Chen Xiaobei only had 1000 holy beasts under his control and he was already so arrogant. He was simply stupid! Brainless! He didn’t know the immensity of heaven and earth!

He did not want to waste any more time with Chen Xiaobei. He was about to activate his power to end the battle so that he could report back to the great elder!

Ice River Heavenly Star explosion!!!

The leader let out a furious roar, and the ice spear in his hand directly exploded with a terrifying power that was like thousands of rivers flowing!

In an instant, it was as if the entire great void universe had entered an Ice Age! Many nearby planets were directly frozen! Even on a planet hundreds of millions of miles away, heavy snow fell! In every corner of the great void universe, the temperature could be felt dropping!

There was no doubt that if this attack came down, not to mention a thousand Saint beasts, even millions or even hundreds of millions would be instantly frozen into ice dregs!

Even his essence spirit would be frozen! Disillusionment in the extreme cold!

“Woof! Whoosh!”

However, Chen Xiaobei was not affected at all. In fact, he even felt like laughing!

He immediately took out the Banner of Light and the nine Li horsetail whisk!

These were two of the three guiding treasures. Among the seven Star Saint weapons, they were considered to be of high quality!

Even though the leader's ice spear was also a high-grade seven-star weapon, with two against one, the battle had completely lost its suspense!

Two waves of power blasted out, directly shattering the phenomenon of the myriad Ice River and crushing the other party's power!

The remaining power suddenly pressed down like a mountain, causing the leader's heart to turn cold and his soul to scatter. He even almost stopped breathing!

It was obvious that his own cultivation was not high and he was completely relying on the ice spear to fight! However, his Dharma Treasure was no match for Chen Xiaobei. He was defeated and his death was imminent!

"Phew ..."

However, Chen Xiaobei kept his magical treasure and spared the leader's life at the last moment.

you ... You ... Why didn't you kill me ...

The leader was still in shock. His forehead and back were covered in cold sweat, and his hands and feet were cold. He really thought that he was going to die. He did not expect Chen Xiaobei to show mercy and let him go!

"From now on! Your life belongs to me!"

Chen Xiaobei's face was calm, and his tone was extremely domineering. A strong pressure was exuded from him, like an imperial edict that could not be doubted!
