Red Envelope Group of the Three Realms

Chapter 3971: Can You Break Through?

“What ... What do you have in mind?”

Bo Xun was stunned and confused.

“ since the energy can leak out, it means that there is a hole in this space wall! ” “ it’s not like that! ”
Chen Xiaobei said, “ as long as I can find the loophole, I’ll be able to get in! ”

“ how ... How is this possible?! ”

“ what? ” Boxun said in surprise, “ the space on the other side is huge, and it only sends out a little energy from time to time. This means that even if there is a loophole, it is very small. It is impossible to find it easily! ”

Indeed, the purple-white space was boundless, and the hole might only be as big as the eye of a needle. It would be countless times more difficult to find it than to find a needle in a haystack.

“Just watch and see!” Chen Xiaobei smiled.

“Chi ...”

Then, Chen Xiaobei summoned a well-built little boy.

This little boy was a demon. His cultivation had already reached the peak stage of the sage-to-be realm. However, he had yet to fully transform into a human form. This meant that his original form was a high-level demon beast! One needed to reach an extremely high realm to be able to completely transform into a human!

The features of a demon beast that remained on his body were twelve Golden Cicada wings!

That’s right!

The little boy was the twelve-winged Golden Cicada, Xiao ‘er!

“Hiss ...”

As soon as he came out, the waiter took a deep breath, and then exclaimed with a greedy look, “ It smells so good! What’s delicious?”

As a top-tier glutton, Xiao ‘er had a very strong sense of smell!

He liked to eat anything, and the higher the grade, the more fragrant it smelled and tasted!

Without a doubt, the aura of the primordial violet vapor had been locked onto by the waiter at the first moment.

Xiao ‘er did not even need Chen Xiaobei’s instruction and flew over to him.

“Hiss ... Hiss ...”

After a while, the waiter stopped flying. He put his mouth on the space wall of the purple-white space and sucked hard on something as if he was sucking on fruit juice.

At the sight of this scene, Boxun, Blue Dragon, and Mo Luo Wutian were all dumbfounded.

It was obvious that the waiter had found the hole in the spatial wall and started to absorb the energy of the primordial violet vapor.

Wasn't it said to be harder than finding a needle in a haystack? It was actually easily solved by a little foodie!

The strength of a glutton was really incredible!

"waiter, you can move away after taking two breaths. I still have important matters to attend to!" Chen Xiaobei said.

"Wait ... Wait ..."

The waiter looked like a Hungry Ghost that had just been reincarnated. He lay on the wall of the space, unwilling to leave.

Although this little guy was a glutton, he was still very obedient to Chen Xiaobei. Usually, he would listen to Chen Xiaobei if he told him not to eat.

However, the waiter did not relent.

It wasn't that he was disobedient, but that something special was about to happen.

"Whoosh ..."

All of a sudden, the spirituality and celestial core power in the waiter's body had an extremely strong fluctuation. It was like a volcano erupting, suddenly soaring.

It was fine if it soared, but the key was that after it soared, it did not fall back!

"This ... This ..."

Everyone, including Chen Xiaobei, was dumbfounded by what they saw. "this little guy has actually broken through!"

"Whoosh ..."

He had actually broken through the bottleneck in such a short period of time and became a one-star true sage!

In other words, he was at the realm of zenith heaven golden immortal of origin!

As the golden light dissipated, the cicada wings on Xiao 'er's back also disappeared. He had finally turned into a complete human form!

"Bro bei! I've broken through! I've broken through!"

Xiao 'er flew over excitedly and held Chen Xiaobei's hand, jumping and jumping around happily.

Chen Xiaobei was happy for Xiao 'er.

Earlier, he had only wanted to ask the waiter for help, but he had never expected that the little fellow would actually break through a major cultivation realm.

This was a huge surprise.

It also confirmed Chen Xiaobei's suspicion that the amount of Primal Chaos purple Qi in this space was much more than all the primal Chaos purple Qi He had found in the past!

"Alright, you guys wait for me here for a moment. I'll go in and get the primordial violet vapor myself!" Chen Xiaobei said.

Now that he had found the loophole, Chen Xiaobei could enter the purple-white space.

However, at this moment, Boxun and blue Dragon both raised their objections.

"Sir Holy master! Don't act rashly!"

Bo Xun hurriedly said, "back then, I forcefully slashed the spatial wall with my sword and suffered a very strong backlash!" This means that the space in front of us has a strong sense of self-protection!"

" if you enter it rashly, I'm afraid you'll suffer an extremely intense rejection. The backlash you'll suffer will be countless times stronger than what I suffered back then! "

Obviously, Bo Xun's worry was very reasonable.

The backlash from this space was meant to prevent outsiders from entering.

...

If Chen Xiaobei were to force his way in, the consequences would be unimaginable.

" that's right ... Bro bei, you can't take the risk ... "

LAN long frowned and said, "although I don't know what the primordial violet vapor is, I can feel an extremely terrifying pressure!" If we enter rashly, I'm afraid our lives will be in danger!"

" mm, I understand your concerns. However, I naturally have my own ways! "

Chen Xiaobei smiled confidently.

"Whoosh ..."

Chen Xiaobei's primordial spirit left his body.

Other people's primordial spirits were all illusory spirit bodies.

However, Chen Xiaobei's primordial spirit was very, very special. It was the exact same physical body as his actual body!

If not for the fact that they had seen Chen Xiaobei's primordial spirit leaving his body, they would have thought that this was Chen Xiaobei himself!

This was the special ability that Chen Xiaobei's primordial spirit had developed after consuming the jieyin's blood essence!

...

It could make his primordial spirit manifest into anything he had devoured, and it would be exactly the same as the physical body!

Back then, Chen Xiaobei had used this ability to transform into a Holy demon and crippled mo Luo Wutian in one fell swoop.

"Whoosh ..."

Chen Xiaobei's primordial spirit had turned into a stream of purple Qi.

That's right!

This was the purple Qi that Chen Xiaobei had devoured from Yan Lingshi!

Yan Lingshi had turned into a demon from primordial violet Qi. Although her Natal violet Qi was not primordial violet Qi, it was of the same kind as the origin!

"Swish!"

Under everyone's shocked gazes, Chen Xiaobei entered the hole in the purple-white spatial wall.

As expected, the space's self-preservation power did not repel Chen Xiaobei.

As Chen Xiaobei explored the space, he could feel the dense primordial violet Qi.

"If I absorb some of this energy now, will it help me break through to the next major realm?"

Chen Xiaobei suddenly had a question in his mind.

If he broke through a major realm, wouldn't he not need to use force to prove his Dao?

Chen Xiaobei decided to give it a try!

"Hiss ..."

With a thought, he quickly absorbed the vast amount of primordial violet vapor into his primordial spirit.

[Red Envelope Group of the Three Realms](#)

Chapter 3972: Peak True Sage Level!

"Strange ... I've absorbed enough energy ... But there's no sign of a breakthrough ..."

By right, after Chen Xiaobei had absorbed a certain amount of Hong Meng immortal Qi, he should have broken through to the next level, from a peak-stage quasi-Saint to a one-star true Saint.

However, the amount of Primal Chaos purple Qi that Chen Xiaobei was absorbing was three times that of Xiao 'er.

However, he still had no intention of breaking through.

“Even if I don’t break through a major realm, it should at least bring me some benefits, right? We can’t just waste the energy we’ve absorbed from the primordial violet vapor, can we?”

Chen Xiaobei was a little depressed.

Wouldn’t it be a pity if it was useless after absorbing so much primordial violet vapor?

If Chen Xiaobei were to share the energy he had just absorbed with someone else, it would allow three peak-stage pre-Saints to become one-star true saints.

It would be such a waste to just waste it like this!

“No! I don’t believe this! Don’t tell me that the energy I’ve absorbed just disappeared into thin air?”

Chen Xiaobei calmed himself down and continued to absorb the energy from the primordial violet Qi.

According to the law of conservation of energy, the absorbed energy could not disappear into thin air. As long as he continued to absorb it, there would be a qualitative change caused by the quantitative change, and then all the absorbed energy would be used!

“Whoosh ...”

Chen Xiaobei did not stop until he had achieved his goal!

Finally!

When Chen Xiaobei had absorbed ten times the amount of Primal Chaos purple Qi that Xiao ‘er had absorbed, the change finally broke out!

Chen Xiaobei’s practicing body had undergone a very obvious change.

First of all, the primordial chaos holy light on the Dharmakaya became more condensed and dazzling. It was like the sublimation of spiritual light, turning into a light of a higher level!

Secondly, the aura and pressure emitted by the practicing body had also been greatly improved!

“This ... This ... My magical body has advanced!”

Chen Xiaobei was shocked. He did not expect his cultivation to not break through, but the quality of his avatar to advance!

Chen Xiaobei’s Dharmakaya was originally a one-star true divine.

At this level, all the changes of the Dharmakaya could only be hidden from experts who were less than or equal to one-star true sage! At the same time, all the special abilities of the Dharmakaya were only effective on people who were less than or equal to a one-star true sage!

And at this moment!

The quality of Chen Xiaobei’s Dharmakaya had been raised to two-star true divine!

Simply put, Chen Xiaobei’s Dharmakaya was now in the form of his Natal purple Qi, which could only fool a two-star true Saint. However, the Blue Dragon would be able to see through Chen Xiaobei’s true nature!

Similarly, Chen Xiaobei's Dharmakaya's abilities were only effective against two-star true saints. They were completely ineffective against the Blue Dragon!

Of course, if the Dharmakaya continued to advance, then it would not be difficult to deal with the Blue Dragon. It could even deal with the more powerful true sage!

"Continue, continue! I'm going to absorb all the primordial violet vapor here!"

Chen Xiaobei was excited.

One had to know that his avatar was an extraordinary existence!

It had once devoured the celestial eradication sword Qi, the essence blood, the heavenly Dao Sage Lotus imprint, and many other extremely powerful things!

If the avatar's quality was improved, all abilities could be upgraded!

At the same time, the level of devouring would also increase!

For example, when Chen Xiaobei was consuming the divine Lotus of heaven's path's Mark, he had to consume many times. However, after his Dharmakaya was upgraded, the number of times he could consume the mark was greatly reduced!

If he could increase the quality of his Dharmakaya to Holy King level, Chen Xiaobei could even try to consume the good fortune Jade plate fragment! It could even devour the broken pieces of the Pangu axe!

"Hiss ... Hiss ..."

That was why Chen Xiaobei used all his strength to absorb the primordial violet Qi in the space!

This space had existed since the war between Pangu and the heavenly Dao. After billions of years, it had accumulated an extremely rich amount of primal purple Qi!

The harvest was so bountiful that it couldn't even fit this space, so it would overflow from the hole in the space wall!

So, this time, Chen Xiaobei's Dharmakaya would be greatly improved.

Of course, Chen Xiaobei did not idle while he was absorbing the energy. He thought of another problem.

"It seems that after inheriting the blood essence of the ancestral Saint Pangu, my cultivation base is no longer only related to my primordial spirit! It was even more closely related to the physical body! That's why I didn't break through in my cultivation when I absorbed the primordial violet vapor's energy!"

As long as one's primordial spirit absorbed the primordial violet vapor's energy, one could break through the bottleneck of a major realm.

However, Chen Xiaobei was different!

His cultivation base was not only dependent on his primordial spirit, but also on his body, his blood essence!

To put it simply, after inheriting the blood essence of the ancestral Saint Pangu, Chen Xiaobei had already embarked on the path of the ancestral Saint Pangu.

Only by proving one's Dao with force could one break through to the true sage realm!

It was precisely because the body was so important that he had to gather all the bodies of the twelve ancestors of sorcery to prove his Dao! It wasn't to gather all the primordial spirits of the 12 Wu tribes!

"Since I can't make a breakthrough in my cultivation, I'll just focus on improving the quality of my avatar! If the Dharmakaya is strong enough, it can even suppress a true sage!"

Chen Xiaobei made up his mind and continued to absorb the energy of the primordial violet Qi.

Time slowly passed by ...

Despite Chen Xiaobei's incredible flying speed, he was still able to stay in this space for two days and two nights!

Finally, Chen Xiaobei had absorbed all the energy from the primordial violet Qi.

...

Chen Xiaobei's Dharmakaya had reached the pinnacle of true divine!

He was only a step away from becoming a saint King!

"It's so cool!"

Chen Xiaobei was extremely excited.

"Whoosh ..."

Chen Xiaobei conjured a black celestial eradication sword Qi!

The intense energy fluctuation even caused the surrounding air to distort! The terrifying killing intent was hundreds of millions of times stronger than before!

"Even a peak true sage would be severely injured if this sword were to slash down! Anyone below the pinnacle of true sage can be killed!"

Chen Xiaobei felt really good.

However, at this moment, his primordial spirit and magical body were very weak.

"Whoosh ..."

...

Chen Xiaobei then absorbed the Qi into his Dharmakaya.

After that, the weakness of his primordial spirit and magical body was removed.

"It's a pity that although my Dharmakaya is strong, the amount of mental energy required to activate it is extremely huge. Activating any of the abilities of a peak true sage would exhaust my mental energy and cause me to fall into a coma ..."

Although his ability had become stronger, his consumption had also increased.

In other words, even though Chen Xiaobei had obtained a new king Bomb, it could only be used once in a battle! Furthermore, he had to ensure victory. Otherwise, he would definitely die a tragic death at the hands of the enemy after falling unconscious!

Of course, no matter what, to be able to have a Wang bomb was definitely a great and profitable deal!

Alright! Chen Xiaobei was in a good mood. Next, I'll have to go get the primordial violet Qi and the good fortune Jade plate fragments!

Red Envelope Group of the Three Realms

Chapter 3973: Black Sea Ice!

Very quickly, Chen Xiaobei arrived at the center of the space!

The primordial violet vapor and the good fortune Jade Disk fragment were both here.

In fact, Chen Xiaobei had already seen it when he was absorbing the energy. He was just in a good mood and did not want to stop.

Chen Xiaobei was observing it closely.

Everything was in line with his initial judgment.

In front of him, there was a strand of primordial violet vapor that was as thick as a finger and more than 20 centimeters long. It was much bigger than the ones he had found before!

At the same time, a palm-sized good fortune Jade Disk fragment was floating nearby.

In the past, when the ancestral Saint Pangu fought against the heavenly Dao, the Pangu axe and the Jade plate of fate exploded after a collision. The fragments flew to all parts of the universe.

Therefore, where there were fragments of the Pangu axe, there would be fragments of the good fortune Jade plate.

The good fortune Jade Disk was a Supreme treasure used by the way of heaven to seal the Hong Meng purple Qi. Therefore, where there were fragments, there would also be Hong Meng purple Qi.

"This is too good! This much primal purple Qi could allow the heaven punishing Purple Lotus to grow greatly! The special ability of the human path imprint will also be greatly strengthened!"

Chen Xiaobei was very happy.

He didn't expect that this trip to the demon world would have such a huge harvest.

It was really awesome!

"Whoosh ..."

Chen Xiaobei then absorbed the primal Chaos purple Qi into his humanity seal.

Then, a strong energy fluctuation suddenly exploded.

The amount of primordial violet vapor he absorbed this time was very large, possibly dozens of times more than before. Naturally, the changes produced were also more intense than before.

“Chi ... Chi ...”

Chen Xiaobei could clearly feel that there was a storm brewing in the humanity mark, cleansing the heaven-killing Purple Lotus, allowing it to sublimate, advance, and break through!

As expected, as time passed, the howlsy Purple Lotus began to grow.

In the end, the flower bud even showed signs of blooming!

He still remembered that the prime of Tongtian once said that when the Lotus in Chen Xiaobei’s hand grew and bloomed, it would be the time of the fourth infinite cataclysm!

At this moment, the flower bud had already grown and was gradually maturing. It looked like it was just a little bit away from blooming!

“This time, I’ve absorbed too much primordial violet vapor! It almost caused the heaven punishing Purple Lotus to bloom! If it really explodes for the fourth time, I don’t even know how to deal with it ...”

Chen Xiaobei was still a little scared.

Based on the evidence that he had gathered, Chen Xiaobei could conclude that the immeasurable catastrophe was actually a super catastrophe that the heavenly axiom had plotted behind the scenes!

The ultimate goal of this calamity was to eliminate all the people or forces that posed a threat to the heavenly Dao!

And this time, the heavenly axiom’s biggest target was Chen Xiaobei!

Chen Xiaobei was well aware of this.

However, Chen Xiaobei was not sure what would happen after the infinite cataclysm. He wasn’t even sure if he could deal with all of that!

Luckily, the heaven-killing Purple Lotus was just a little bit away from blooming. Chen Xiaobei still had a chance to become stronger.

“Whoosh ...”

Then, Chen Xiaobei released some celestial core power to wrap around the fragment of the good fortune Jade Disk, completely blocking it from the heavenly aura to prevent Pangu’s will from rejecting it.

“This good fortune Jade Disk fragment is also very big, but it contains too much energy of the great Dao of nature, which can’t coexist with Pangu’s will! Otherwise, if I were to forge this fragment into a magical treasure, it would definitely be extremely powerful!”

” this ... ” Chen Xiaobei thought for a moment. ” the good fortune Jade Disk fragment and the will of the ancestral Saint Pangu can not co-exist. The only way out for the good fortune Jade Disk fragment is to be refined or swallowed by my dharma body! ”

“However, the good fortune Jade Disk is a Primal Chaos heavenly venerate level treasure. Even if it’s broken, the level of the fragment won’t be lower than a Holy King level! I have no way to refine it!”

” as for devouring, the quality of the Dharmakaya is still a little lacking. It must advance from the peak true sage level to the Saint King level to be able to devour the good fortune Jade plate fragment ... ”

Chen Xiaobei sighed helplessly.

It was a good thing for Chen Xiaobei that the howlsy Purple Lotus was on the verge of blooming.

However, Chen Xiaobei’s Dharmakaya almost reached the Holy King level.

Otherwise, he would have devoured the good fortune Jade Disk fragment by now.

Of course, one should always be content with what they have. Chen Xiaobei had already gained enough today, and he was already super, super satisfied. There was no need to be greedy.

Soon after.

Chen Xiaobei left the space and put the good fortune Jade Disk fragment into his infinite space ring. Then, he returned to his physical body.

” bro bei ... You ... You did it, right? ” The Blue Dragon asked in surprise and anticipation.

“Of course.” Chen Xiaobei smiled. His calm aura told everyone that he had everything under control.

“Truly worthy of being Sir Holy master!” Boxun sighed, his eyes full of admiration for Chen Xiaobei.

One must know that Bo Xun had been here since ancient times! In such a long time, what he had gained was not even one ten-thousandth of what Chen Xiaobei had gained!

This was the difference between people!

” God Chen, you’re really invincible ... ” at the side, mo Luo Wu Tian was like a deflated balloon as he continued to flatter Chen Fan.

Before today, Chen Xiaobei had completely crushed mo Luo Wutian.

From today onwards, Chen Xiaobei would leave mo Luo Wutian in the dust. He would never be able to catch up to Chen Xiaobei. He could only look at his back and be loyal to him. Otherwise, he would die for sure!

“Let’s go! Let’s go get the Black Lotus of destructions now! We can’t miss tomorrow’s decisive battle in the devil World!”

...

Chen Xiaobei immediately led the group away from the Holy Land.

Soon after.

Under the guidance of mo Luo Wu Tian, everyone arrived at the Black Ice sea at the extreme north of the devil realm!

Knowing the gap between him and Chen Xiaobei, he did not dare to play any tricks!

“God Chen, the Black Lotus of destructions is right under the Black Ice sea! There’s a special Palace there. After entering the palace, you’ll enter an independent space where the Black Lotus of world destruction is!”

Mo Luo Wu Tian told him everything he knew honestly.

“What’s wrong? You don’t plan to go down with me?” Chen Xiaobei asked, squinting his eyes.

” I ... I don’t dare to go down ... ” mo Luo Wutian was helpless and said, ” ” I’ve betrayed the demonic Dao. Once I enter the domain of the Black Lotus of destructions, I might be killed ... ”

“It looks like you’re not lying!” Chen Xiaobei could tell from his expression and tone that he was really afraid of death.

It was clear that the Black Lotus of destructions was really at the bottom of the Black Sea!

” alright, you can go into the Meru space first. If I find out that you’re lying to me, you’ll die a very, very ugly death! ”

...

Chen Xiaobei’s eyes focused on the black ocean.

[Red Envelope Group of the Three Realms](#)

Chapter 3974: Devil Lord Ji Du!

He dove into the black Ice sea.

Chen Xiaobei, Blue Dragon, and Bo Xun quickly headed toward the bottom of the sea.

There was nothing unusual along the way. Chen Xiaobei could not even sense the aura of the Black Lotus of destructions.

“Bro bei, is mo Luo Wutian lying to you?”

The Blue Dragon was a three-star true sage. His primordial spirit perception could cover the bottom of the sea, but he didn’t find anything unusual.

“I don’t think so, unless he wants to die!” Chen Xiaobei said.

Boxun also said, “I also think that mo Luo Wu Tian is not lying!” This black ice sea was the place where spiritual energy was the scarcest in the demon world. Normally, no living being would set foot here! If it were me, I would also hide the Black Lotus of destructions here!”

“Hmm, let’s continue diving! We’ll find the palace that mo Luo Wutian mentioned and we’ll find out the answer!” Chen Xiaobei said.

Although the Black Sea was deep, the three of them were extremely fast and reached the bottom of the sea in no time.

However, it was strange.

Mo Luo Wu Tian had clearly stated that he had to enter the space where the Black Lotus of destructions was hidden through a Palace.

However, the crowd could not see anything that looked like a Palace.

“Bro bei! Drag out mo Luo Wu Tian! Let him give us an explanation!” The Blue Dragon said impatiently.

“Alright!”

Chen Xiaobei nodded and summoned Moro Wutian.

“Mother of God! God Chen! You ... You want my life?”

As soon as mo Luo Wu Tian came out, he saw that he was at the bottom of the Black Sea. He was so frightened that his pupils shrank and his scalp went numb. He almost peed himself.

In fact, from mo Luo Wutian’s current reaction, one could also judge that he was not lying.

Because he had really betrayed the demonic Dao, the Black Lotus of destructions would definitely not tolerate him.

It was because of this that he was so afraid.

” boom boom boom ... Boom boom boom ... ”

As expected, the moment mo Luo Wu Tian appeared, a terrifying commotion immediately broke out at the bottom of the sea.

The seabed trembled violently, and a huge chasm the size of a Dragon appeared. The sand and mud boiled, making the dark sea even more pitch-black.

At the same time, a terrifying demonic Qi emerged from the cracks.

“Help! God Chen, help! Help!” He cried.

” ah! ” mo Luo Wutian screamed. He was so scared that he grabbed Chen Xiaobei’s sleeve tightly.

“Get lost!”

Chen Xiaobei released a burst of celestial core power and forced mo Luo Wutian back.

At the same time, his immortal essence spread out, pushing away the surrounding seawater and sand so that he could see his surroundings clearly.

With Chen Xiaobei’s current cultivation, he could easily lift up all the water in the Black Sea.

After their vision was restored, everyone immediately saw it.

A pitch-black Palace rose from the huge chasm on the seabed.

Mo Luo Wutian knelt on the ground and kowtowed desperately towards the palace. He kept repenting and begging for mercy. He was already afraid to the core.

“Whoosh ...”

Then, a demonic shadow walked out of the palace.

Everyone was shocked.

“Mo Luo Wu Tian! Didn’t you say that this was where you hid the Black Lotus of destructions? How could there be someone else here?”

Chen Xiaobei’s eyes turned cold.

” I ... I don’t know ... ” mo Luo Wu Tian was on the verge of tears.

He only wanted to live and did not dare to lie to Chen Xiaobei. He did not know how such a top-secret place could be known by anyone else.

“Bro bei! There were outsiders here! Even if the Black Lotus of destructions is here, it’s probably under someone else’s control!” The Blue Dragon warned vigilantly.

“I just want to know who that person is.” Chen Xiaobei stared at the demonic shadow, but he could not see its face.

“Wutian! Boxun! How did you two get together?”

The specter flew over and said condescendingly, ” ” the last time I saw you was when I was fighting for the position of ancestor devil with Luo Yi. In the blink of an eye, so many years have passed. It’s really touching! ”

“You ... You are?” Mo Luo Wutian was slightly stunned. He felt that this tone was somewhat familiar.

The demonic shadow waved his sleeve and dispersed the black mist that shrouded his body.

It was a strange demon with black metal skin, four wings, and three tails!

His eyes were like a Green Ghost, emitting an evil light. His body was filled with an extreme killing pressure and bloodthirsty! Extremely brutal! He was extremely cold! Absolutely without the slightest emotion!

” you ... You’re devil Emperor Ji Du!? ”

Bo Xun immediately recognized the man’s identity. In an instant, he gasped and his pupils shrank.

Devil Lord Ji Du!

Outsiders might not know, but all the demons were extremely familiar with this person!

This person was once a super powerful heavenly Saint demon that was on par with Luo Yi!

He even had an unprecedented battle with Luo Yi to decide who would become a demon and control the demon world!

...

Although Ji Du lost to Luo Yi in the end, at least his life was not in danger.

From this, it could be seen that Ji DU’s cultivation was not much worse than Luo Yi’s at that time.

One must know that in that era, Luo Yi's strength could almost be said to be the strongest in the wilderness! He could even crush Hongjun!

In the past, Hongjun joined forces with great immortal Yang Mei, Grandmaster Yin Yang, and Grandmaster Qian Kun to besiege luohou, but they were still beaten badly by luohou!

If Hongjun hadn't submitted to the way of heaven and become a saint in that battle, he would have died a long time ago! How could there still be the high and mighty Saint King level Dao ancestors of today?

One could only imagine how terrifying Luo Yi's strength was back then!

And this Ji Du in front of him was once as famous as luohou and even had a battle with luohou.

Although he was defeated.

However, the strength of Ji Du was already self-evident.

"Grandpa Ji Du, help ... Help ..."

Mo Luo Wutian immediately cried out in alarm, as if he had seen a life-saving straw.

...

"Shut up!"

However, Ji Du just said with a cold face, "Although I'm moved to see an old friend again, you've betrayed the demonic path! I'm here to kill you under the orders of the Black Lotus of destructions!"

"What?"

Mo Luo Wutian gasped, and his face turned green.

It was only then that he realized that the only person who could save him was Chen Xiaobei.

"God Chen, save me ... Save me ... You're the only one who can save me now ... I'm begging you!"

Like a dog, mo Luo Wutian kneeled beside Chen Xiaobei's feet, kowtowing and begging.

"Don't waste your energy! No one can stop you!"

Ji DU's eyes were indifferent and his tone was calm, but it gave off an extremely overbearing pressure that was unquestionable.

Chen Xiaobei stepped forward and said, "One must keep one's word! I promised mo Luo Wu Tian that as long as he did not lie to me, I would let him Live!"

"Who are you? Why does your body have the will of the demonic path!" Ji DU's eyes were filled with shock as he asked.

[Red Envelope Group of the Three Realms](#)

Chapter 3975: I Don'T Want To Win Too Easily!

"Me?"

"I'm the master of the Black Lotus of destructions!" Chen Xiaobei said with a smile.

“What?”

Ji Du was stunned for three seconds, then he roared in anger, “What are you? He actually dared to say that he was the master of the Black Lotus of destructions? Believe it or not, I’ll kill you as well!”

“Idiot! Look at what this is!”

Chen Xiaobei’s face turned cold as he took out the demonic mark and showed it to Ji Du.

“What ... What ... What is this?”

Ji Du had never seen a demonic Dao mark before, but he could clearly feel the pure demonic Dao will.

“Whoosh ...”

At the same time, a black demonic Qi was released from the palace and poured into Ji DU’s head.

Then, Ji DU’s expression changed slightly. He suppressed his anger and said in a deep voice, “I’ve received the decree of the Black Lotus of world destruction. It says that you are the new demon ancestor recognized by the demon Dao!”

“Heh, isn’t that it?”

“I’m the new demonic ancestor, the owner of the Black Lotus of destructions!” Chen Xiaobei said. “I have the right to pardon mo Luo Wutian!” Of course, he betrayed the devil Dao, so I will let him live as a slave and use his entire life to atone for his sins!”

As soon as he said that, mo Luo Wutian finally heaved a sigh of relief.

At this moment, mo Luo Wutian even felt that Chen Xiaobei was super domineering. He even admired Chen Xiaobei a little.

But!

Ji Du shook his head, “although you’ve obtained the recognition of the demonic path!” However, the Black Lotus of destructions has not submitted to you!”

“What do you mean?”

Chen Xiaobei frowned. “the approval of the demonic path is the approval of the Black Lotus of destructions. You think it’s just because you said it didn’t submit to you?”

“Of course my words don’t count! However, the rule of our fiend ancestor is that the strong are respected!”

Ji DU’s eyes suddenly became cold and his battle intent gradually boiled, “Back then, Rahu first obtained the recognition of the devil Dao! However, I can still challenge him! As long as I defeat him, the demonic path will acknowledge me!”

“Understood!”

“what do you mean?” Chen Xiaobei raised his eyebrows. “you want to challenge me and win the demonic path’s approval?”

“Right!”

Ji Du sneered, “ I want to challenge you. If you don’t dare to accept it, you will lose the recognition of the demonic path! ”

As for Ji Du, he had already reached the half-step true sage realm when he fought with Luo Yi.

After so many years, although Ji Du had not become a saint, his strength had been constantly improving. He was absolutely invincible among his peers.

Therefore, Ji Du was very confident that he could defeat Chen Xiaobei.

No!

To be precise, in Ji DU’s eyes, Chen Xiaobei was a pitiful little ant that could be easily crushed.

It didn’t take any effort at all.

“Ha, what a joke!”

But before Chen Xiaobei could say anything, Blue Dragon laughed, “ “You’re Ji Du, right? I advise you to tuck your tail between your legs and keep a low profile! You don’t know anything about bro bei’s trump card!”

Blue Dragon had seen Chen Xiaobei’s trump card many times.

Avici sword, yuantu sword, intentionless bead, Golden Dragon scissors, any one of them could kill Ji Du billions of times.

However, at this moment, mo Luo Wutian’s face was filled with despair, “ “I’m finished ... I’m dead ... I’m dead this time ...”

“Why the hell would you die?” “ you have bro bei’s protection! What are you afraid of? ” the Blue Dragon said.

“Brother LAN ... You don’t know ...”

Bo Xun frowned and explained hurriedly, “ “ we demons can’t use Dharma Treasures in our challenges. We have to rely on our own strength to determine the winner ... Only in this way can we obtain the recognition of the demon Dao! ”

“What? I can’t use magic treasures?”

Blue Dragon panicked on the spot and immediately changed his words, “ “Bro bei! This challenge was not fair! We can’t accept this! Let him go to wherever he wants to cool off!”

The Blue Dragon was very clear about Chen Xiaobei and Ji DU’s cultivation.

Although it seemed like there was only a difference of one minor realm between the two of them, but at this height, the difference of one minor realm was a natural chasm that could not be made up!

The battle between the two sides would definitely not have any suspense!

Chen Xiaobei would definitely lose!

“Alright! It’s best if you don’t accept my challenge!”

Ji Du sneered disdainfully, “we demons despise cowards the most!” Those who don’t dare to accept the challenge will not only be disapproved by the demon Dao, but even the entire demon race will despise and spurn them!”

” this ... ” the Blue Dragon was speechless. His face turned red and he felt extremely aggrieved.

It was clear that he could not accept this challenge. If they really fought, Chen Xiaobei would not even know how he died.

However, if he did not accept it, Chen Xiaobei would lose the demonic path’s recognition, the demonic mark, and the Black Lotus of destructions.

This kind of loss was so huge that it was enough to make people collapse! It was countless times more painful than cutting his flesh and bleeding.

“Bro bei! We won’t accept it!” The Blue Dragon finally made a decision. ” “Although the losses are a bit big, at least I’m still alive! As the saying goes, where there is life, there is hope! In the future, we can get even better!”

” hmm ... Brother LAN is right ... ” Boxun nodded. He did not want Chen Xiaobei to die.

After all, Boxun now believed in the ancestral Saint Pangu! They were extremely loyal to Chen Xiaobei! He didn’t want to see Pangu’s bloodline end just like that!

...

At the same time, mo Luo was also nodding his head with all his might. “Don’t accept it ... Don’t accept it ...”

From what he could see, if Chen Xiaobei accepted the challenge, he would die for sure, and so would he.

If Chen Xiaobei admitted defeat, he might be able to continue protecting mo Luo Wutian.

“Hahaha This is ridiculous!”

Ji Du really thought that Chen Xiaobei was going to give up and laughed, ” “Coward! Hand over the demonic imprint! Get out of my sight! I’ll dirty my eyes if I look at you one more time!”

“Are you done?” Chen Xiaobei did not change his expression and said, ” “You’re done, I have another question! Does that mean that I can subdue the Black Lotus of destructions as long as I don’t use a magic treasure to defeat you?”

“Ah?” Ji Du was stunned and thought he had heard wrong, “What did you just say? You ... You want to defeat me? Just you? Hahahaha ...”

Without a doubt, Ji Du had a hundred percent chance of winning against anyone below the true divine level, let alone Chen Xiaobei!

If he could go back in time, Ji Du was confident that he could defeat Luo Yi with his current strength!

A peak true sage was invincible!

He was absolutely invincible!

...

"Answer my question." Chen Xiaobei did not want to waste his breath on Ji Du.

"Ha, that's right! As long as you can defeat me, you will be able to keep the demonic Dao's recognition. Naturally, the Black Lotus of destructions will also recognize you!"

"But, do you dare to accept my challenge?" he said with extreme disdain.

"I accept!"

"Just use your ultimate move!" Chen Xiaobei said. I don't want to win too easily, it's boring!"

Red Envelope Group of the Three Realms

Chapter 3976: Ancestor Devil Above!

"What? You want me to use my ultimate move? You brat are also too pretentious. You're clearly one minor realm lower than me, and you actually still dare to be so arrogant! Don't you know how to spell the word "death"?"

Ji Du suddenly became furious, his whole body was filled with fighting spirit and killing intent.

In his eyes, Chen Xiaobei was like an ant that could be easily killed.

By right, Chen Xiaobei should not have accepted the challenge. He should have handed over the demonic mark and run away with his tail between his legs.

However, not only did Chen Xiaobei accept the challenge, he even said that he did not want to win too easily.

In Ji DU's eyes, this was a provocation! It was a slap in the face! It was even more humiliating!

Because of this, he instantly exploded with unprecedented anger!

If Ji Du had been mocking Chen Xiaobei with a relaxed attitude earlier, then from that moment on, Ji DU's attitude had completely changed. He had become brutal and violent, determined to kill Chen Xiaobei!

"Whoosh ..."

As soon as he finished speaking, a black immortal essence burst out of Ji DU's body. The primordial chaos holy light was like an endless black Sea, covering the entire space as if it was going to drag the world into endless darkness!

"So strong! With Ji DU's current strength, he could definitely be called the number one person under true sage! It's too terrifying ..."

Mo Luo Wu Tian couldn't help but let out a cry of despair, " "God Chen! Quickly take out your magic weapon and kill Ji Du, otherwise, you're dead!"

Even Bo Xun's face was filled with shock, and his eyes revealed extreme anxiety. " "He's too strong! Ji Du was much stronger than the ancient times! If he went back in time, he might even be able to defeat Luo Yi! Sir Holy master! This battle is not to be joked about!"

"Bro bei! I'll help you!" Blue Dragon did not have time to persuade Chen Xiaobei. He charged at him with his frost spear.

"You, back down!"

However, Chen Xiaobei did not even turn his head. Instead, he shouted at Blue Dragon to stop.

"This ..."

Blue Dragon, a three-star true divine, was intimidated by Chen Xiaobei's aura and instinctively obeyed Chen Xiaobei's orders!

"Little brat! You really have guts! I, Ji Du, promise that I will tear your body into pieces! It will refine and devour your primordial spirit! I'll make you disappear from the Three Realms and six paths, never to be reincarnated!"

Ji Du raised his hands as if he was holding up a black sky. He gritted his teeth and his voice was extremely fierce!

"Oh, really?"

Chen Xiaobei raised his left hand and pointed his index and middle fingers together like a sword.

"Clang!!!"

In an instant, a terrifying sword cry reverberated in the surroundings!

A black sword Qi appeared on Chen Xiaobei's fingertip!

At the same time, the sword Qi exuded a terrifying killing intent that was enough to shock the entire world! It could even be said to be the number one killing Qi in the Three Realms and six paths!

For a moment, everyone at the scene, including Ji Du, was so shocked that their faces turned pale and their pupils shrank!

"That ... That's ..."

Ji Du gasped and couldn't help but scream, " immortal-killing sword Qi!!! "

Chen Xiaobei was too lazy to waste his breath. He waved his hand and the sword Qi was released.

The next moment, the celestial eradication sword Qi crushed out at an unbelievable speed!

The small sword Qi rapidly expanded and strengthened in the process of flying, gradually turning into a huge black sword that was hundreds of meters long!

At this moment, Jidu's immortal essence and primordial chaos holy light were both black. At the same time, the surrounding ocean was also black!

But!

The moment the immortal-slaying sword Qi was released, all the darkness in the surroundings seemed to lose its color and turn gray!

It was as if they were not on the same level at all!

“Oh my ...”

Ji Du was frightened, his face was pale, and even his brain had short-circuited. He subconsciously used his strongest power!

Earlier, when Chen Xiaobei asked him to use his ultimate move, he was very disdainful.

At this moment, he was so frightened that he used all his strength.

“Boom boom boom ...”

Ji Du was indeed very powerful. The power he produced when he used all his strength was extremely terrifying!

Chen Xiaobei had seen many half-true divine.

Even before Ji Du appeared, he had always been recognized as the strongest person under the Saint.

Chen Xiaobei was certain that all the half-step true divines he had met, including the treasure Daoist, would not be a match for Ji Du.

Ji Du was the true strongest expert under the Saint realm.

If it was any other peak quasi-Sage, they wouldn't even be able to take half a move in front of Ji Du and would die without a burial ground!

Unfortunately, Ji DU's opponent was Chen Xiaobei!

No one knew that Chen Xiaobei had been devouring the primordial violet Qi for two days and two nights in Saint fortune! The quality of his avatar had already reached the peak of true sage!

Chen Xiaobei had only used a little bit of his mental power, but the power of the celestial-slaying sword Qi had already reached the level of a one-star true divine!

“Woof!”

As the immortal-killing sword Qi streaked across, Ji DU's celestial core power and mixed-essence divine splendor were split in half from the middle like paper. He couldn't resist at all!

Where the sword pointed, even the Black Ice sea was split apart!

The ocean water that was tens of thousands of feet deep was split into two. A sword shadow shot into the sky, and even the boundless black clouds in the sky were split into two!

...

Seeing this, everyone present was stunned.

The space fell into a deathly silence, so quiet that one could hear a pin drop!

Mo Luo Wu Tian and Bo Xun were dumbfounded. Their mouths were wide open and could not close for a long time.

Even someone as strong as the Blue Dragon was so shocked that his three views were shattered, and he even began to doubt his life.

Chen Xiaobei was only a peak-stage pre-Saint, but he could unleash true Saint power without any magical items! This was simply inconceivable!

If they hadn't seen it with their own eyes, no one would have believed it!

"Uh ..."

Not far away, Ji Du was even more stunned. His pupils shrank, his eyes trembled, his limbs were cold, and he couldn't help swallowing.

Drip ... Drip ... "

On Ji DU's cheek, a sword mark was cut open and blood kept dripping.

There was no doubt that Chen Xiaobei had gone easy on him. Otherwise, Ji DU's head would have been split open like a watermelon.

...

"Plop ..."

Before Chen Xiaobei could say anything, Ji Du knelt on the ground.

"Bang! Bang! Bang! Bang!"

Without a word, Ji Du kowtowed three times.

Then, Ji Du raised his head and said devoutly.

"Great ancestor devil! Ji Du thanked him for not killing him! In this life, he would be loyal to The Fiend ancestor until death! If I have any disloyal thoughts, I will suffer a thousand tribulations and be abandoned by the devil Dao, not allowed to exist in this world!"

[Red Envelope Group of the Three Realms](#)

Chapter 3977: Three Great Elites!

Obviously, Ji Du had admitted defeat!

He knew very well that he was no match for Chen Xiaobei without his magical equipment!

So, Chen Xiaobei had won this battle!

The demonic path would still acknowledge Chen Xiaobei, and naturally, Chen Xiaobei would become the master of the Black Lotus of destructions!

And Ji Du was a devout believer of the demonic path! They could even be said to be die-hard believers!

It was because of this that he had been hiding beside the Black Lotus of destructions and acting according to its orders!

Since Chen Xiaobei had become the master of the Black Lotus of destructions, he was also the master of Jidu!

That was why Ji Du kneeled down to Chen Xiaobei after he admitted defeat to show his loyalty!

“Get up! From now on, you’ll be following me!”

Chen Xiaobei’s tone was calm. He did not emit any pressure or anger. However, he had the aura of a superior, giving him a sense of superiority.

To Chen Xiaobei, Ji Du was not a threat at all.

Since he was loyal, Chen Xiaobei would keep him and give him a chance and a future! If he was not loyal, Chen Xiaobei could kill him with a flip of his hand!

This was the confidence of a superior!

There was no need for pressure or anger. A calm attitude was the spirit to truly control the overall situation!

It was because of this courage that Chen Xiaobei kept Ji DU’s name, giving him a chance to redeem himself!

“Many thanks, fiend ancestor!”

Ji Du was truly loyal to the demonic Dao. He was grateful to Chen Xiaobei for not killing him. He would be 100% loyal to Chen Xiaobei.

“What’s in the palace?”

Chen Xiaobei looked at the Black Palace and asked.

“It’s just an ordinary independent space inside that hides the Black Lotus of destructions! There’s nothing special about it!” Ji Du replied.

” mm ... ” Chen Xiaobei nodded and walked into the black Palace.

Sure enough, it was just as Ji Du had said.

“Whoosh ...”

Chen Xiaobei activated the demonic mark.

Then, the Black Lotus of destructions fused into the core of the seal and replaced the previous Black Lotus clone.

With that, the special ability of the demonic mark would be directly raised to the peak of true sage level.

Soon after.

Chen Xiaobei left the Black Palace and returned to the surface of the Black Ice sea with the others.

“Bro bei, where are we going next?”

Blue Dragon asked.

“We’re not going anywhere, we’re just going to wait here!” Chen Xiaobei said.

“Wait? What are you waiting for?” “ what? ” Blue Dragon was very confused. “ tomorrow is the final battle in the demonic realm. Shouldn’t we go there in advance? ”

“There’s no need to go there in advance.”

Chen Xiaobei shook his head, looked up at the sky and said, “ “With such a huge commotion just now, I think that as long as my enemies aren’t blind, they will definitely come to check! If we can settle them today, it won’t be a problem even if we don’t go to the decisive battle tomorrow!”

“Understood!” Blue Dragon calmed himself down, clenched the ice spear in his hand, and stared at the sky eagerly.

“Whoosh! Whoosh! Whoosh ...”

Just as Chen Xiaobei had expected, three extreme shadows appeared in the sky and flew towards him.

Although there weren’t many of them, they were extremely fast.

“ it’s them ... Hongjun personally sent them! ”

Mo Luo Wutian’s pupils shrank. He looked at the sky nervously.

“Who are they?”

Chen Xiaobei asked.

“The White-browed Daoist in the black robe on the left is daolord Lu ya! The young and handsome man in the middle was Peacock great bright King Kong Xuan! The red-robed lady on the right is someone you know, celestial Chen. She’s the Hong Meng flower Goblin Xia Yilian!”

Mo Luo Wutian’s voice trembled. It was as if he was filled with fear towards the three people who had come.

“ immortal Luya and Kong Xuan both turned to Hongjun?! ” Ji Du and Bo Xun were also surprised, and their expressions were extremely complicated.

As for Xia Yilian, they had never heard of her before. They were just curious and did not take her seriously.

After all, compared to the famous Daoist Lu ya and wisdom King Kong Xuan, the name Xia Yilian was not well-known at all.

Speaking of Daoist Lu ya, first of all, let’s talk about Zhao Gongming, the most powerful man in the tribe of severity’s outer sect!

Although Zhao Gongming was not the direct disciple of the prime of Tongtian, his strength had definitely reached the level of a direct disciple!

In the previous immeasurable cultivation tribulation, Zhao Gongming had killed Jiang Ziya with a divine whip in his first battle!

Attention! It was really an instant kill!

His whip had pierced through Jiang Ziya's body and soul, crushing his Dharmakaya and nascent soul, and seriously injuring his essence soul!

If Guangchengzi had not arrived in time to protect a wisp of Jiang Ziya's vital spirit and extend his life with the sacred pill given by heavenly Lord Yuanshi, Jiang Ziya would have died long ago!

In addition, half of the twelve golden Immortals of the clan of enlightenment had been defeated by Zhao Gongming! Huang Long had been captured alive! Guangchengzi, chijingzi, perfected daohang, immortal Yuding, and immortal Lingbao were all severely injured!

...

Thinking back to the last immeasurable cultivation tribulation, Zhao Gongming rode a Black Tiger, held a divine whip, and 24 sea calming pearls floated beside him. When the enemy saw him from afar, they would be so scared that they would throw away their armor!

In the end, the clan of enlightenment could do nothing to Zhao Gongming. They could only ask Daoist Lu ya to curse Zhao Gongming to death with the nail-head seven arrow book!

From this, it could be seen that Daoist Lu ya was extremely powerful and his methods were sinister and cunning. He was an extremely difficult person to deal with!

It was no wonder that mo Luo Wu Tian, Bo Xun, and Ji Du still had lingering fears towards daolord Lu ya!

Furthermore, mother Nuwa had mentioned that daolord Lu ya was a promising candidate to become the new Sage! It was clear that his strength had already reached the peak of the heavenly Dao world!

Moreover, the peacock Emperor, Kong Xuan, was an even more powerful figure. He had defeated countless powerful enemies, including Daoist Luya!

In fact, Kong Xuan was on the side of the tribe of severity at the beginning. He had defeated the clan of enlightenment, the 12 golden Immortals, and even the Vice leader of the clan of enlightenment, dipamkara Taoist!

However, the Daoist jieyin intervened and took Kong Xuan away, regardless of his seniority!

Originally, sect leader Tongtian wanted to rescue Kong Xuan, but in order to protect herself, Kong Xuan betrayed the tribe of severity and was even willing to be the Mount of Daoist jieyin!

Finally, he even assisted the guiding Taoist to hunt down sect leader Tongtian after the four sages broke through the fairy slaying sword formation!

It could be seen that Kong Xuan's character was very low. She didn't care about friendship or backbone at all. In order to protect herself, she didn't even care about respect!

...

Of course, even though he had a bad character, it was undeniable that he was extremely powerful!

His name was also on the list of new sages given by mother Nuwa.

Moreover, in terms of battle records, Kong Xuan was stronger than Daoist Lu ya.

It was no wonder that mo Luo Wu Tian, Ji Du, and Bo Xun were all afraid of him.

Because of this, Xia Yilian really had no sense of existence in front of Lu ya and Kong Xuan.

“Interesting!”

Chen Xiaobei raised his brows and smiled evilly.

Red Envelope Group of the Three Realms

Chapter 3978: Five-Colored Divine Light!

In order to achieve great things, one’s strength was not in numbers!

At this moment, although Hongjun had only sent three people, there was no doubt that they were all the best of the best.

However, to Chen Xiaobei, the three people that Hongjun had sent out were a very interesting combination.

Lu ya, Kong Xuan, and Xia Yilian all had the hope of becoming a saint.

Immortal Luya was the enemy of the tribe of severity, and Kong Xuan was the traitor of the tribe of severity. Chen Xiaobei would not let them go so easily.

And the most interesting thing was that Xia Yilian had also come.

She was Chen Xiaobei’s hidden chess piece, and she would be able to turn the situation around.

Of course, Chen Xiaobei was very confident in today’s battle. In terms of strength and trump cards, he was not inferior to Luya or Kong Xuan. So, he might not use Xia Yilian as a hidden chess piece.

“Woof! Buzzzzzz! Whoosh!”

Soon, the three of them were right in front of Chen Xiaobei.

“Chen Xiaobei! It’s you!”

Daoist Lu ya furrowed his brows and appeared extremely surprised. ” ” why are you in the demonic realm?! ”

“If you guys can come, why can’t I?” Chen Xiaobei smiled calmly.

“Lu ya! Don’t waste your breath on him!”

The great bright Prince Kong Xuan was extremely overbearing and overbearing. He didn’t speak any nonsense and was about to attack.”Directly use your trump card and defeat him. Capture him alive and the Dao ancestor will definitely reward you heavily!”

Only Xia Yilian stood silently at the side. She did not speak, and there was no expression on her face. It was impossible to tell what she was thinking.

“You want to catch my bro bei? In your dreams!”

Blue Dragon lifted his frost spear and flew forward to protect Chen Xiaobei. He was ready to fight the enemy.

Chen Xiaobei did not say anything. He just stood there quietly.

After all, the Blue Dragon was a three-star true sage and the frost spear was a seven-star Saint weapon. Wouldn't it be a piece of cake for them to deal with a few half-step true sages?

“You reckless fool! Do you think you can defeat us?”

Kong Xuan's eyes were cold. Although he was at an absolute disadvantage in cultivation, he was not afraid at all.

There was no doubt that he had an extremely powerful trump card in his hands.

As for how strong they were, the answer would only be revealed after they fought.

“I'm a three-star true sage. How can I not defeat you? Then I'll just kill myself!”

The Blue Dragon was furious. He had never been provoked by someone weaker than him like this.

“Swish!”

The Blue Dragon held the spear with both hands and suddenly stabbed at Kong Xuan with the momentum of the Blue Dragon emerging from the sea.

The Blue Dragon did not waste spiritual Qi to activate the power of the magical treasure. Instead, it used its own Saint Qi to condense an ice-sealed war Dragon Dharma image, intending to kill Kong Xuan.

“Brother LAN, don't be careless!”

Seeing this, Bo Xun hurriedly shouted, “Kong Xuan has a six-star Saint weapon, the five-colored divine light! It's invincible among those of the same level, and it can wipe out all Dharma Treasures and attack the opponent's primordial spirit directly!”

” a six-star Saint weapon?! ”

Blue Dragon was shocked.

He was only a three-star true sage. If he was not aware of Kong Xuan's attack, Kong Xuan's five-colored divine light could definitely catch him off guard. Once his primordial spirit was injured, he would definitely lose the battle!

“Whoosh ...”

Fortunately, with Bo Xun's reminder, the Blue Dragon's reaction was fast enough and it immediately activated the power of the ice spear.

Although the five-colored holy light was said to be invincible among those of the same level, it was still one realm lower than the ice spear. Logically speaking, if the five-colored holy light could not brush away the ice spear, the victory would 100% belong to Blue Dragon.

But!

However, there was a huge difference between the actual situation and the theoretical analysis!

“Swish!”

In an instant, Kong Xuan waved her hand.

” how ... How is this possible?! ”

The next moment, the Blue Dragon let out an incredulous cry.

Never in his wildest dreams did he expect that the ice spear in his hand would fly out of his control and fall on the ground far away.

Moreover, he felt that the spiritual connection between him and the ice spear seemed to have been severed.

In the past, he only needed to think about it and the ice spear would fly back to his hand.

However, at this moment, no matter how he tried, the ice spear did not have any reaction. It just quietly whipped the ground far away, not moving at all.

That’s right!

This was one of the special abilities of the five-colored holy light!

“Swish!”

Then, the five-colored divine light suddenly expanded. After brushing away the ice spear, it suddenly rushed toward the Blue Dragon’s dantian!

This was the second special ability of the five-colored holy light, which was specialized in hurting people’s primordial spirit!

The Blue Dragon’s cultivation realm was far lower than the five-colored divine light. If it was hit in the vital spirit, it would be defeated instantly. Not only would it completely lose the ability to fight, but it would also be seriously injured and would not be able to recover easily!

“Heavens ... How could this be?”

...

In the distance, Bo Xun couldn’t help but scream, ” “Isn’t the five-colored divine light a six-star Saint weapon? Why was the power that he was unleashing at this moment at the peak of a seven-star true sage? That’s impossible ...”

It was clear that the information Bo Xun provided to Blue Dragon was correct.

However, Bo Xun had never dreamed that the level of the five-colored holy light had actually increased, much higher than he had expected!

No wonder the frost battle spear was dropped so easily!

” it should be Hongjun who helped Kong Xuan to improve the level of the five-colored divine light ... ”
mo Luo Wutian said in fear.

As soon as he said that, everyone came to a realization.

No wonder Kong Xuan didn't take the Blue Dragon seriously. It was because Hongjun had helped him strengthen his trump card.

The enhanced five-colored divine light had reached the pinnacle of a seven-star true Saint. Even Chen Xiaobei's Golden Dragon scissors would not be a match for it, let alone Blue Dragon's ice spear.

After all, the five-colored divine light was Kong Xuan's strongest trump card in the last immeasurable cultivation tribulation. It was invincible among its peers and shocked the Three Realms.

They were both at the peak of the seven Star true sage realm, so the Golden Dragon scissors might not be a match for them.

“Whoosh ...”

...

At this moment, the five-colored holy light was already bombarding the Blue Dragon at an extremely fast speed. With the Blue Dragon's cultivation base and speed, it was simply impossible for him to Dodge.

“I'm finished ...”

At that moment, Blue Dragon's face turned pale and his eyes were filled with despair.

He was a mighty expert of the Saint realm beyond the heavens, yet he had to suffer in a lower realm below the Saint realm.

He really died with his eyes wide open!

“Ling jiuxiao!”

But in that moment of life and death, Chen Xiaobei suddenly appeared in front of Blue Dragon to protect it!

” bro bei!? ”

The Blue Dragon was shocked, and his face was full of anxiety. ” “Quickly Dodge! Don't lose your life for me!”

Blue Dragon knew that Chen Xiaobei's strongest trump card was the Golden Dragon scissors!

The Golden Dragon scissors were no match for the five-colored divine light!

“Poof! Yi ...”

However, in the next moment, a mysterious energy wave appeared and the five-colored divine light that landed on Chen Xiaobei's body was absorbed into Chen Xiaobei's body. At the same time, Chen Xiaobei was not hurt at all.

" how ... How is this possible?!"

The Blue Dragon was shocked.

At the same time, the evil smile on Kong Xuan's face completely froze.

[Red Envelope Group of the Three Realms](#)

Chapter 3979: Know The Truth!

" this ... This is impossible! "

Kong Xuan was dumbfounded. She could not believe her eyes. " why can't the five-colored divine light hurt Chen Xiaobei? "

At the same time, not only Kong Xuan, but everyone present was shocked.

Especially Xia Yilian, who was originally expressionless. At this moment, her eyes suddenly became a little complicated.

However, the change in her expression only lasted for a moment. She quickly restrained herself and no one noticed it.

"Bro bei! Are you alright?"

Blue Dragon was surprised and happy. He was worried that Chen Xiaobei would lose his life, but he did not expect Chen Xiaobei to be unscathed.

At the same time, Bo Xun and Ji Du also heaved a sigh of relief, but they were also extremely shocked.

Among all of them, only mo Luo Wutian knew the mystery.

However, he did not dare to reveal Chen Xiaobei's Secret. He would not be able to withstand Chen Xiaobei's anger.

Obviously!

The reason why Chen Xiaobei was unharmed and the five-colored divine light had disappeared was all because of the humanity mark!

At that moment, after the human Dao seal absorbed the larger strand of primordial violet vapor, it had already grown to the point where it was about to bloom.

Therefore, the strength of the human path imprint had also been greatly improved.

The original human path seal could only resist the power of a five-star true sage.

However, the current human path seal could already resist the power of an eight-star true sage.

If the heaven punishing Purple Lotus bloomed and grew to grade twelve, it would be able to resist the power of a nine-star true sage.

Of course, the special ability of the people Dao imprint was not only to resist, but also to absorb! The power of the five-colored divine light had already been absorbed and converted into energy, becoming the nourishment for the howlsky Purple Lotus.

It was because of this that an unbelievable scene appeared.

“I don’t believe in this!”

Kong Xuan composed herself. Although she was shocked, she was not so frightened.

“Swish!”

Kong Xuan waved the five-colored divine light again.

A powerful force was directed at Chen Xiaobei.

Since Chen Xiaobei did not have any magical treasure, the five-colored divine light was aimed at Chen Xiaobei’s primordial spirit.

This time, Chen Xiaobei did not Dodge.

He had already used his human path imprint, he would need to wait for a day and a night before he could use it again.

However, Chen Xiaobei still had the demonic mark and the netherworld mark in his body. It was not that Chen Xiaobei was targeting anyone, but everyone here was his little brother, so there was no need to worry.

“Chi ...”

With a strange energy wave, the power of the five-colored divine light was once again blocked, and Chen Xiaobei was not hurt at all.

“Heavens! How did Chen Xiaobei do it? Is he invincible?”

Kong Xuan was stunned, Luya was stunned, Boxun was stunned, and Ji Du was also stunned.

At the same time, Xia Yilian was even more unable to calm down. An extremely complicated expression appeared on her face once again.

But this time, her expression stayed on her face for a longer time.

Some were shocked, some were surprised, and some were surprised. They did not expect Chen Xiaobei to be unscathed.

At the same time, there was a look of disappointment on her face, as if she was hoping that Chen Xiaobei would be killed.

In the end, she was caught in a dilemma. It seemed that she wanted Chen Xiaobei to die, but at the same time, she didn’t really want him to die.

Chen Xiaobei was so focused on the battle that he did not notice Xia Yilian’s expression.

Otherwise, Chen Xiaobei would have suspected that his hidden chess piece had already been instigated by the enemy! He had become the enemy's anti-spy!

"This ... This is the underworld Dao seal, the aura of the red karmic fire Lotus!"

On the other side, Blue Dragon and Mo Luo Wutian already knew what had happened.

They had all felt the same aura before.

The next moment, a mysterious blood spring fell from the sky and landed on Kong Xuan's head.

That's right!

This was the special ability of the netherworld imprint!

Back in the underworld, the same blood fountain had been poured into Mo Luo Wutian's head, and his life was now in Chen Xiaobei's hands!

"What ... What the hell is going on?!"

Kong Xuan was shocked and tried to Dodge.

However, the speed of the blood spring was as fast as the five-colored holy light. Kong Xuan, who was only a half-step true Saint, couldn't Dodge it.

In an instant, the blood poured over Kong Xuan's head and into her body.

"Chen Xiaobei! What did you do to me? You ... What have you done to me?"

Kong Xuan's pupils shrank and her eyes trembled. Her limbs turned cold instantly and her whole body trembled. Cold sweat kept pouring down her body like rain!

At this moment, even though they didn't know what had happened, they were still confused.

However, Kong Xuan could vaguely feel that her primordial spirit seemed to be shackled by an invisible chain.

...

"That blood fountain is the manifestation of the netherworld Dao's soul-snatching laws! Your primordial spirit and soul are already under my control. With a single thought, I can obliterate your primordial spirit and completely obliterate you!"

Chen Xiaobei's expression and tone were calm.

However, it was this calm tone that exuded a domineering aura of having the entire situation under control.

Life and death were all in the hands of a single thought.

Even someone as strong as Kong Xuan was just a lowly ant that could be killed at any time.

"No... I don't believe it! Do you think you can control my primordial spirit just because you said so? Do you think I, Kong Xuan, am scared?"

Kong Xuan let out a roar of shock and anger. Although he could feel that his primordial spirit was shackled by invisible shackles, he could not accept this fact.

In a moment of desperation, Kong Xuan even revealed Xia Yilian's Secret without thinking.

"didn't you, Chen Xiaobei, use the same method to deceive Xia Yilian?" "Dao ancestor has already exposed your tricks!" Kong Xuan shouted angrily. Do you think I'll fall for the same trick again?"

"Oh?"

Chen Xiaobei turned to look at Xia Yilian.

...

"Kong Xuan! Don't spout nonsense!" Xia Yilian panicked on the spot.

"Xia Yilian! What are you afraid of?" "no!" Kong Xuan said, "the Dao ancestor has already said that the Red Lotus on you is the mark of the divine Lotus of heavenly law. It's not Chen Xiaobei's curse! He can't control your life or death!"

"I ..." Xia Yilian was instantly speechless, and her expression became very ugly.

When Chen Xiaobei transferred the seal of the divine Lotus of heavenly law into Xia Yilian's body, he lied to her that it was a deadly curse. Xia Yilian was afraid of death, so she had to submit to him and become Chen Xiaobei's hidden chess piece.

However, when Xia Yilian came to Hongjun's side, he exposed Chen Xiaobei's lie.

Xia Yilian knew that her life and death were not in Chen Xiaobei's hands.

That was why when the five-colored divine light attacked Chen Xiaobei for the second time, Xia Yilian had hoped that Chen Xiaobei would die.

However, Xia Yilian still had other plans in mind. She did not really want Chen Xiaobei to die.

That was why he had that complicated expression on his face.

"Xia Yilian, do you really not want to work with me anymore?"

Chen Xiaobei was very calm, as if he did not care if Xia Yilian knew the truth or not.

Chapter 3980: I'll Be Back When I Count To Ten!

"I ..."

Xia Yilian was stunned. She did not know how to answer Chen Xiaobei.

In fact, when Chen Xiaobei was about to be killed by the five-colored divine light, Xia Yilian was in a dilemma.

She wanted Chen Xiaobei to die so that no one would know about her secret. It was an ugly stain on her reputation, and she did not want anyone to know how she got to where she was today.

On the other hand, she did not want Chen Xiaobei to die. Because she had great ambitions and was not willing to be inferior to Hongjun. Only by working with Chen Xiaobei could she realize her ambitions.

As the saying goes, the person who understands you the most is often your enemy!

It was because Chen Xiaobei knew Xia Yilian's ambitions very well that he was not worried that she would find out the truth.

Even if she knew the truth, she could not suppress her ambition.

On the contrary, Kong Xuan and Lu ya, who were her companions, did not understand how terrifying Xia Yilian was.

Kong Xuan was still shouting foolishly, "Chen Xiaobei! Your lie has been exposed! You can't control anyone's life and death! You want to lie to me with the same lie? Do you think I, Kong Xuan, am a three-year-old child?"

"Ha, you don't believe me?" Chen Xiaobei smiled as a thought crossed his mind.

"Whoosh ..."

As expected, a terrible pain burst out from her primordial spirit!

The primordial spirit wasn't a physical body, so the pain it felt was an extremely torturous mental pain!

In an instant, Kong Xuan felt a splitting headache. Her state of mind seemed to collapse, and her primordial spirit was severely injured. She lost all combat power and even fell into a state of exhaustion.

"Spare me! Please spare me ..."

Kong Xuan screamed hysterically. He knew better than anyone else that Chen Xiaobei was not lying!

Kong Xuan's life and death were in Chen Xiaobei's hands.

If Chen Xiaobei wanted him dead, even the heavenly axiom would not be able to save him.

At this moment, Kong Xuan had no choice but to beg for mercy.

He knelt on the ground and spat out blood. Although his primordial spirit and mind were suffering from inhumane pain, he had no time to care about the pain. He could only kowtow and beg for mercy.

"Whoosh ..."

Chen Xiaobei did not kill Kong Xuan. Instead, he deactivated the blood fountain and said, "You can live if you want, but from today onwards, you, Kong Xuan, are my Mount! Do you have any objections?"

"Yes, yes, yes ... As long as I can live! I'm willing to be your Mount! I'm willing ..." Kong Xuan nodded her head like a chick pecking at rice.

The reason Chen Xiaobei did not kill Kong Xuan was to humiliate him and make him pay for his betrayal. At the same time, it was a slap to the face of the way of heaven and Hongjun.

In the last immeasurable cultivation tribulation, Kong Xuan betrayed the tribe of Jie and became the Mount of jieyin Taoist.

Now, he had betrayed Chen Xiaobei again and became Chen Xiaobei's Mount.

In other words, he was Chen Xiaobei's dog.

However, for the way of heaven and Hongjun, he was a candidate for the new Sage.

The new Sage was like a dog!

The result was like a loud slap to the face of the way of heaven and Hongjun!

"that's terrifying ... How did Chen Xiaobei do it?!"

Daoist Lu ya, who was standing at the side, was so shocked that his pupils shrank and his scalp went numb. His fighting spirit and will to fight had disappeared. He did not dare to fight Chen Xiaobei.

After all, Daoist Lu ya did not know that the netherworld Dao seal could only be used once a day.

Therefore, Daoist Lu ya was afraid that he would end up like Kong Xuan, being controlled by Chen Xiaobei and becoming a lowly Lackey.

"Swish!"

Without any hesitation, Daoist Lu ya immediately took out a red gourd.

"It's the immortal flying knife!"

Bo Xun and Ji Du had sharp eyes and saw the essence of the gourd at a glance.

The immortal slaying flying blade wasn't referring to the gourd, but the seven-inch short blade hidden in it.

This blade was also a six-star Saint weapon, and it had shone brilliantly in the last immeasurable catastrophe. He wouldn't draw his blade easily, but once he drew his blade, he would definitely take a person's head.

Many disciples and allies of the tribe of severity were killed by this saber.

Of course, at this moment, immortal Luya took out the immortal flying knife not to fight, but to escape.

"Swish!"

He threw the red gourd high into the air and instantly activated the power of a peak seven-star true Saint.

Obviously, this magic weapon had been strengthened and upgraded by Hongjun. It was much more powerful than the last immeasurable cultivation tribulation.

However, the five-colored divine light, which was known to be invincible among its peers, could not even hurt Chen Xiaobei.

Therefore, Daoist Lu ya knew very well that his immortal slaying dagger could not hurt Chen Xiaobei.

Because of this, he could only escape!

"Whoosh!"

Luya jumped onto the gourd.

Obviously, he knew that his cultivation was too low, so he wanted to escape with the speed of the immortal flying knife.

“Senior brother Luya, wait for me!”

At this moment, Xia Yilian seemed to have made up her mind and shouted, “I swear to God that I will never work with Chen Xiaobei! Senior brother Luya, take me with you! Don’t abandon me!”

...

“Come over quickly!”

Luya paused for a moment and waited for Xia Yilian to jump onto the gourd.

“Whoosh!”

In the next moment, the calabash exploded with the speed of a peak seven-star true Saint. It brought Luya and Xia Yilian out of everyone’s sight.

“Bro bei! We can’t let them get away!”

Blue Dragon’s brows were tightly knitted together, clearly anxious.

“God Chen! You ... Why didn’t you stop them?”

Mo Luo Wu Tian was also dumbfounded. He said nervously, “If they rush out of the devil World, they will contact Hongjun directly! With Hongjun’s cultivation, he can kill his way here in a short time. At that time, all of us will die without a burial place!”

Bo Xun and Ji Du were also dumbfounded. They could not figure out why Chen Xiaobei would let a Tiger return to the mountain.

“Calm down!”

Even so, Chen Xiaobei’s expression did not change. His tone was calm as if everything was under his control.

...

“We can’t stay calm ...” Boxun said with a sad face, “Once Hongjun comes to the devil World, not only will we die, but the entire devil tribe will also be destroyed by him!”

“The demon race will be exterminated! Even the demonic world will be completely destroyed!” Ji Du wailed.

“I’m going to die ... I’m going to die ...” tears were streaming down Mo Luo Wutian’s face. He was in extreme despair.

Seeing that everyone was really worried, Chen Xiaobei smiled and said, “You will count from one to ten. The escaped enemies will naturally return!”

How ... How is this possible?! Everyone’s expression froze, not daring to believe it at all.
