Chapter 4041: Not even a hair will be hurt!

“So ... So terrifying ...”

Xia Yilian’s face was pale and her heart was beating wildly. Although she was hiding behind Hongjun, she could still feel a terrifying pressure that could destroy the world and crush the ancient times. It was as if her heart would be crushed.

“What a sin ...”

On the other side, Taishang Laojun also hid behind Hongjun in a hurry, his face full of sorrow and helplessness.

Apparently, the Grand Supreme elderly Lord knew that there were many other living beings in the ancient desolate land. Whether it was the survivors of the Sorcerer tribe or some beasts, they were all innocent lives.

However, at this moment, Hongjun’s terrifying attack had already doomed the ancient Barrens land to destruction!

Including Chen Xiaobei, all life in the ancient Barrens land would be wiped out!

He would definitely not leave anyone alive!

To the Grand Supreme elderly Lord, this was a sin that made him feel heartache!

” die!!! ”

However, at the same time, Hongjun’s face showed no other expression except for Ji DU’s anger.

In Hongjun’s eyes, the ancient desolate land and the innocent lives were not worth mentioning.

As long as he could kill Chen Xiaobei, Hongjun would not hesitate to destroy the entire universe!

Clearly, this was the essence of the heavenly Dao, and also the essence of the immeasurable catastrophe!

This was just as the saying went ...

The heavenly Dao is heartless, treating all living things as stray dogs!

“Dead? Hehe, if you can hurt a single hair on my head, then I’ll admit defeat!”

However, in the face of an attack that could destroy the entire ancient Barrens land, Chen Xiaobei remained calm and composed.

What?

Everyone was shocked by his words.

To the crowd, Chen Xiaobei’s death was certain. There was no chance of winning.

But Chen Xiaobei said that Hongjun could not even hurt him.

“You little brat! You still don’t forget to show off even when you’re about to die!” Xia Yilian rolled her eyes at Chen Xiaobei as if she was looking at an idiot.

“Is ... Is this true?” Taishang Laojun was stunned. He could not believe it, but he really hoped that Chen Xiaobei was telling the truth, that Chen Xiaobei would survive.

“If I can’t hurt you! As a Dao ancestor, how can I still have the face to live in this world? It’s better to just kill yourself!” Hongjun was extremely furious, and his murderous intent was unprecedented.

“Boom boom boom ...”

At the same time, Hongjun’s Saint Qi was already right in front of Chen Xiaobei!

Chen Xiaobei would not be able to defend against a Holy King’s power, and he would not be able to escape from a Holy King’s speed.

But!

Suddenly, Chen Xiaobei took out something!

It was a translucent ball that shone with nine different lights. It expanded rapidly and became like a huge umbrella, covering Chen Xiaobei!

” boom boom boom ... Boom boom boom ... ”

In the next moment, Hongjun’s Saint origin power hit the huge, translucent umbrella that was shining with nine-colored light.

No one would have thought that even after gathering a tiny bit of Saint Origin Energy, they would still be unable to pass through.

She could not even touch him, so how could she hurt Chen Xiaobei?

” what ... What is that thing?!”

Xia Yilian and the Grand Supreme elderly Lord were dumbfounded. They could not believe their eyes.

” heaven ... Heaven ... Heaven and earth embryo membrane! ”

Hongjun gasped. His eyes were as wide as a bull’s, and his mouth was so wide open that a fist could fit in.

From their reactions, one could tell that the heaven Earth embryo membrane was the top secret of the heavenly Dao.

In this macro world, perhaps only Hongjun and the Zhenyuan immortal knew the truth.

The Grand Supreme elderly Lord and Xia Yilian, as well as the other Saints, did not know anything.

“Chi ...”

At the same time, behind Chen Xiaobei, Futian Xin ‘er had already opened the spatial gate.

“Old man Hongjun! I’m leaving! You, the exalted Dao ancestor, should keep your word! Kill yourself and don’t continue to live in this world shamelessly!”

Chen Xiaobei grinned.

As the saying goes, gossip is a fearful thing.

Chen Xiaobei’s words were like an explosive slap to Hongjun’s face.

“Swish!”

As soon as he finished speaking, Chen Xiaobei rushed into the portal with the heaven Earth membrane.

Then, the portal closed and Hongjun could not predict where Chen Xiaobei was going.

“Chen Xiaobei! I swear to be irreconcilable with you!”

Hongjun’s whole face twisted, as if he had eaten a stinky bug. He was so depressed that his heart and liver were penetrated.

After a long while, Hongjun gradually calmed down.

At the same time, the Grand Supreme elderly Lord also perked up his ears, curious about the answer.

“Sigh ...”

Hongjun sighed. “ both of you are loyal. I don’t mind telling you this secret. ” he said.

Loyal?

As soon as this was said, Xia Yilian and the Grand Supreme elderly Lord both wanted to laugh.

Of course, they didn’t dare to show any expression on their faces.

“The embryo membrane of the heavens and earth is a heavenly Dao treasure! It has the ability to create worlds!”

Hongjun said, “ back then, the way of heaven used this embryo to give birth to the First World. It was the legendary world of the way of heaven! ”

“ such a powerful treasure should be in the hands of the heavenly axiom. How did it end up in Chen Xiaobei’s hands? ” Taishang Laojun asked hurriedly.

“ I’ll have to go into the details of Pangu’s rebellion, which caused the collapse of the heavenly Dao world! ”

“ later, Pangu merged his soul and energy into the embryo membrane of heaven and earth, and gave birth to the untainted world, or to be more precise, the great world of Pangu, ” Hongjun said quickly.

“The law of space in Pangu great world is extremely special, and not even the great Dao of nature can enter it! You can’t take anyone or anything out or put in!”

“Therefore, the great Dao of heaven can’t take back the embryo membrane of the world outside of Pangu world! He could only entrust the heaven Earth fetal membrane to someone he could trust! And this person is Zhen Yuan Zi!”

Obviously, Hongjun’s words were not entirely true.

Pangu had broken the chaos of the world of the heavenly way and brought new life to all living beings, but Hongjun had called it a rebellion!

Hongjun claimed that he trusted the Zhenyuan immortal and did not mention anything about absorbing his fate energy and luck!

From this, it could be seen that the way of heaven and Hongjun had been deceiving all living beings.

Even at this moment, Hongjun did not tell the whole truth.

” the way of heaven can’t enter Pangu world. No wonder we’ve never seen it before ... ” Xia Yilian said in embarrassment.

“Do you still need to say that?” ” if the heavenly axiom’s true body could enter this world, Chen Xiaobei would have nowhere to hide. He would be dead in an instant!” Hongjun said.

“Master! Since the heaven Earth membrane has been given to zhenyuanzi ... Does that mean that Chen Xiaobei has already captured him?” Taishang Laojun asked.

“No!”

Hongjun’s eyes were gloomy as he said, ‘zhenyuanzi has betrayed us! The heaven and earth embryo membrane is hidden in the river map of the book of Luo. If zhenyuanzi didn’t tell him, Chen Xiaobei wouldn’t have known!”

As soon as he finished his words, Hongjun’s communication jade talisman suddenly rang.

[ding! The heavenly axiom has sent you a message!]

[Red Envelope Group of the Three Realms](#)

Chapter 4042: A seven day deadline!

“Hiss ...”

Seeing the Jade talisman, Hongjun took a deep breath. His face changed dramatically, and he became extremely nervous, as if someone had caught his braid.

“Master, what happened?” Xia Yilian asked curiously.

” it’s a letter from the heavenly Dao Saint. Don’t interrupt ... ” Hongjun nodded and held up the communication jade talisman with great respect.

Xia Yilian and the Grand Supreme elderly Lord were stunned at the same time, and could not help but feel nervous.

Without a doubt, in their hearts, Hongjun was already an extremely powerful existence, and the way of heaven was an existence that even Hongjun revered.

Even if the way of heaven was not here, Hongjun was still very cautious, as if he was walking on thin ice.

Xia Yilian and the Grand Supreme elderly Lord did not dare to be negligent.

However, Xia Yilian and the Grand Supreme elderly Lord were a little puzzled. This was the ancient Barrens! Without the Three Realms immortal network, how could the heavenly Dao's information be sent?

However, Hongjun did not explain, and Xia Yilian and Taishang Laojun did not dare to ask.

The heavenly axiom asked, "what happened?" Just now, I sensed the violent fluctuation of Pangu world!

Hongjun, "reporting to the heavenly Dao Saint venerable!" When Chen Xiaobei showed up in the ancient Barrens, I had to deal with him personally, and that's why there was such a huge wave!

[heavenly Dao: you'll personally take action?] Did that mean that Chen Xiaobei was already dead? (Surprise)

Hongjun, "No... No... I'm ashamed!" Chen Xiaobei had run away ...

[heavenly Dao: ran away?] Do you take me for an idiot? With your strength, how could you let him escape without caring about the cost?

Hongjun, "heavenly Dao Saint venerable, please listen to my explanation ..."

The heavenly Dao, shut up! I don't want to hear your excuses! With your strength, I have every reason to suspect that you have formed an alliance with him and that you let him go on purpose!

Hongjun, "No... No... I don't dare to ..."

[the heavenly Dao: heh, there's no knowing what's in a person's heart!] Besides, I'm still a world away from you! Who knows if you really don't dare to? Or was he pretending not to dare?

It was obvious that the way of heaven did not trust Hongjun one hundred percent.

In fact, since the heavenly Dao could not enter this world, he did not trust anyone in this world.

That was why he wanted to sign a life-and-death contract with all the heavenly path sages. They had to use life and death to control every heavenly path Saint.

However, sect master Tongtian and mother Nuwa had both betrayed the heavenly Dao.

Therefore, the way of heaven immediately suspected that Hongjun had betrayed them.

Hongjun, the Saint venerable of the heavenly path! Everything I've said is true. If I have any other thoughts, the heavenly Dao Saint venerable can kill me with a thought!

[heavenly Dao: don't talk about those useless things!] Whether or not you have a change of heart, prove it with your actions!

Hongjun, "what are your orders, heavenly Dao Saint venerable?" I'm willing to risk my life to do anything, and I won't let you down!

“Heaven’s will-find zhenyuanzi and retrieve the river diagram of the book of Luo!” In these trillions of years, the embryo membrane of heaven and earth had already given birth to a whole new world!

“The will of the heavens ... For me, Pangu world has lost all its value!” I want you to start destroying this damn world! Complete and utter destruction!

[the heavenly Dao ... I want all the heavens and worlds to be turned into dust!] I want all the B * stars of the Saint pan clan to be annihilated!

[the heavenly Dao ... It’s been billions of years!] I’ve already purchased the restrictions of Pangu’s space law! Today, he could finally destroy it completely! He could finally be unrestrained! Hahaha ...

Hongjun,”heavenly Dao Saint venerable ... Can ... Can you let me say something first ...”

The heavenly Dao, shut up! This Lord hasn’t finished speaking! I asked you to destroy Pangu world so that we can find Chen Xiaobei! Let’s see where he can hide after destroying everything in this world.

[heaven’s will: this is the only chance I’m giving you!] Capture Chen Xiaobei, and you will prove your loyalty! If you can’t even catch Chen Xiaobei, that means you’re on the same side as Chen Xiaobei! This Lord will definitely make you wish you were dead!

Hongjun, [No... Heavenly Dao Saint venerable, please listen to me ...]

[heavenly Dao: if you have a fart, spit it out!]

Hongjun: ” don’t be angry ... The ... The embryo membrane ... It’s already ... Already in Chen Xiaobei’s hands ... ” he thought.

Hongjun: ” please don’t be angry, heavenly Lord ... Chen Xiaobei was able to escape because he used the heaven and earth membrane to block my attack. I didn’t collude with him to let him go ... ”

[heaven’s will: you ... Why didn’t you say so earlier???]

Pfft ...

Hongjun almost vomited blood. He had wanted to say it for a long time, but the way of heaven didn’t allow him to!

Hongjun,”please calm down, heavenly Dao Saint ... Please calm down ...”

[heavenly Dao: idiot!] Do you know? For the sake of the New World, how did I survive for billions of years? (Furious)

[the heavenly Dao: all my efforts, all my schemes, all my hopes, and even my life!] And now, all of this was in Chen Xiaobei’s hands! How do you expect me to calm down?

Hongjun: ” we’ve already come to this. We have to think of something else ... We have to capture Chen Xiaobei as soon as possible and take back the heaven Earth membrane ... ”

The heavenly Dao: I’ll let you think of a way! Capture Chen Xiaobei in ten days! Otherwise, I’ll make you die without a burial place! (Threat)

Hongjun,”ten ... Ten days?!” (Face turning green)

The heavenly axiom asked, "what's wrong?" Is it too long? Then seven days! If I don't see Chen Xiaobei's head in seven days, I'll take your dog head!

Hongjun thought, "this ... Seven days it is ... I will try my best!"

After putting away the Jade talisman, Hongjun felt like dying.

Hongjun was the Dao ancestor, the unquestionable strongest expert in Pangu world.

However, in front of the way of heaven, Hongjun was as humble as a dog. His freedom was restricted, his dignity was trampled on, and he couldn't even decide his own life and death.

One word, pathetic!

In fact, the reason why sect leader Tongtian, goddess Nuwa, and Taoist Cundi betrayed the way of heaven was that they couldn't stand such a situation and wanted to break all of it!

However, for the sake of freedom and dignity, they were willing to risk their lives to go against the heavens!

In comparison, Hongjun was weak, pathetic, and even more pitiful!

Although he was the most powerful man in this world, he didn't dare to fight with his life on the line. He didn't even dare to straighten his back!

They were bowing and bending their knees, submissively! It was not an exaggeration to say that he, a Dao ancestor, was inferior to a dog!

"Master ... You don't look too good ... What happened?" Taishang Laojun asked.

" the heavenly axiom wants me to catch Chen Xiaobei in seven days ... That's impossible ... " Hongjun said with a frown.

"Master ..." Xia Yilian said. "Didn't primordial origin suggest that we use the prime of Tongtian to threaten Chen Xiaobei? I think that this method is still feasible!"

" no! " Hongjun shook his head. " if this was possible, we would have caught Chen Xiaobei long ago! "

Xia Yilian smiled slyly and said, "it's the same method. We can do the opposite!"

"Rebel?" "How?" Hongjun was confused.

[Red Envelope Group of the Three Realms](#)

Chapter 4043: A plan to break out of the situation!

" since we can't threaten Chen Xiaobei by killing the prime of Tongtian, we might as well let him go! "

Xia Yilian said, "when the time comes, I'll secretly cast a curse on sect leader Tongtian to determine his location!" As long as the prime of Tongtian goes to see Chen Xiaobei, we will be able to track him down and find him!"

"Hmm, that's a good idea!"

Hongjun thought carefully for a while and said, " "In this situation, Chen Xiaobei is far more important than the prime of Tongtian! I'll use the prime of Tongtian as bait. As long as I can get Chen Xiaobei out, I can report back to the heavenly axiom!"

"That's right! The heavenly Dao had long said that it would do so at all costs! Sect master Tongtian was naturally one of the prices! As long as we can get Chen Xiaobei, the heavenly Dao will be satisfied!" Xia Yilian said.

"Good! Then it's decided!"

Hongjun said, " Tongtian might notice my spell. I'm asking the heavenly Dao Saint for a more advanced spell. " The two of you take my token and head to the Daluo heaven Holy prison to transfer sect master Tongtian to The Purple Cloud Palace!"

"Yes, sir!"

Taishang Laojun and Xia Yilian immediately cupped their hands and accepted the order.

Hongjun nodded and added, " "After today's battle, the two of you have become my most trusted confidants! As long as we succeed, I'll definitely report this to the heavenly Dao and reward you accordingly!"

"Thank you, master!" Taishang Laojun and Xia Yilian immediately thanked him, but they still couldn't help but laugh.

For today's battle, Xia Yilian had persuaded Hongjun to come. Naturally, he was a very loyal official! Besides, Hongjun had seen Chen Xiaobei kill Taishang Laojun, so he did not doubt Taishang Laojun's loyalty!

In this way, the two people with their own thoughts, Tai Shang Lao Jun and Xia Yi Lian, Tong Shi became Hongjun's most trusted person!

It was really ironic!

The 36th level of the highest heaven.

Hongjun returned to the Zixiao Palace to practice the advanced positioning spell.

Xia Yilian and the Grand Supreme elderly Lord went to the Holy prison, ready to bring out sect master Tongtian.

What was interesting was that on the way to the Holy prison, the Grand Supreme elderly Lord and Xia Yilian both made an excuse to leave.

The two of them hid in the dark and used their communication Jade talismans to send a message to Chen Xiaobei.

Because Chen Xiaobei wanted to contact the Grand Supreme elderly Lord, Fu Tian Xin 'er helped him open the spatial gate to heaven.

As soon as he connected to the Three Realms divine network, Chen Xiaobei received a message from Taishang Laojun.

Taishang Laojun, Xiaobei! Are you there? Please reply quickly if you receive it. It's urgent!

Chen Xiaobei, "I'm here ... I was just about to contact you!" I've taken the Tai Chi diagram with me, and I'm returning it to you!

Taishang Laojun, no need! I was the one who intended to give you the Tai Chi diagram! There's also the energy to activate the power three times. Make good use of it and protect yourself!

Chen Xiaobei: " alright then! I'll do as you say! "

Clearly, Chen Xiaobei still had a lot of difficulties ahead of him. He needed more trump cards and more energy!

So, Chen Xiaobei did not need to be polite with Taishang Laojun about the Tai Chi diagram.

When he achieved the final victory in the future, he would naturally repay the Grand Supreme elderly Lord.

Taishang Laojun, [I'm in a hurry to find you because Hongjun has just received the heavenly law's decree to capture you within seven days!]

Taishang Laojun: Don't be too optimistic! Xia Yilian gave Hongjun an idea to let go of Junior Brother Tongtian! I'm using this to lure you out!

Chen Xiaobei-let my Sifu go? What the hell are they doing?

Taishang Laojun: " they're planning to cast a positioning spell on Junior Brother Tongtian. As long as you meet him, they'll be able to lock onto your position immediately! "

"Hehe, that's such a stupid idea!"

Taishang Laojun: You already have a way to break out of this?

Chen Xiaobei: " I have the embryo membrane of heaven and earth. It's no lower than the heavenly Dao. As long as I send shizun into the embryo membrane, the positioning spell will be blocked by it. Then, Hongjun will not be able to lock onto his position! "

Taishang Laojun, "yes, yes, yes!" This was indeed a good idea!

[not only that, the heaven and earth fetal membrane should be able to block the life and death contract of the heavenly Dao!] In other words, after his master entered the embryo membrane of heaven and earth, the heavenly Dao could not kill him even if it wanted to!

Taishang Laojun, "is ... Is this really possible?"

Chen Xiaobei: " I'm 70% sure! "

Taishang Laojun, 70%? That would be too risky! If anything happens, you and Junior Brother Tongtian will be in danger!

Chen Xiaobei: " don't worry! I have a way to make up for the other 30%! "

Taishang Laojun, "how?"

Chen Xiaobei-using the core law of Pangu world!

Taishang Laojun,"this ... I understand!" (Surprise) just now, Hongjun said it! The natural laws of Pangu great world were extremely domineering, and the natural laws of space alone could shut the door of the great Dao of nature!

Chen Xiaobei: As long as I merge the natural laws of Pangu world into the embryo membrane of the world, I'll be one hundred percent sure that I can keep my master safe!

Taishang Laojun: " if all of this can be realized, I would like to ask you to send me and my disciples into the embryo of heaven and earth! " Can I?

Chen Xiaobei: However, it's not appropriate for you to reveal your position now! When my plan is completely realized, I'll naturally come back to pick you up!

Taishang Laojun,"good, good, good!" I'll be waiting for your good news then!

Chen Xiaobei: I already have a clear direction for this plan, and I won't make you wait too long!

[Grand Supreme elderly Lord, if possible, I hope you can save all living beings in Pangu world!] He would bring them into a new world!

Chen Xiaobei-of course! All living beings in Pangu great world are the descendants of Saint pan, and I have the duty to protect them! "Moreover, my plan can only proceed smoothly if I protect them!

Taishang Laojun,"why is that?" (Puzzled)

[because, in order for me to obtain the core law of Pangu world, I must first obtain the approval of the five marks!] Immortal! Buddha! People! Dark! Devil! Only by protecting the living beings of the various races can I obtain the approval of the five paths!

Taishang Laojun: " it sounds complicated. But as long as you have a plan, I believe you can do it! "

Chen Xiaobei,"I'll do my best to complete your wish!"

Taishang Laojun: " alright, I won't talk to you anymore. I'm afraid that if we delay too long, Xia Yilian will become suspicious! "

Chen Xiaobei, Xia Yilian? Heh, you don't have to worry! She just sent me a message, and I haven't replied yet. She's going to waste more time!

Taishang Laojun, what? Xia Yilian sent you a message? You and her?

Chen Xiaobei: " I've worked with her before, but she's too ambitious. She's vicious and she's tried to plot against me many times! " So, she and I are still enemies. If I have the chance, I will definitely get rid of her!

Taishang Laojun: " alright, then reply to her message first! I'll keep an eye on her for you, and I'll let you know immediately when I get the chance to get rid of her!

Chapter 4044: The Lord of the immortal realm!

After exiting the private chat with Taishang Laojun, Chen Xiaobei immediately switched to Xia Yilian's private chat.

Xia Yilian-Chen Xiaobei! According to our previous agreement, you should give me the primordial violet vapor!

Chen Xiaobei thought to himself, 'heh, shameless people are invincible!' You lured Hongjun here and almost killed me. How dare you ask me for the Hong Meng immortal Qi?

Xia Yilian,"I ... I didn't mean to attract Hongjun here!"

Chen Xiaobei-I'm a straightforward person! Others may not know your true colors, but I know them all! If you didn't do it on purpose, I'll cut my head off for you!

Xia Yilian: Let's not talk about what happened before! Now, I have an extremely important piece of information. Do you want to know?

Chen Xiaobei:

Taishang Laojun had already told Chen Xiaobei everything about Xia Yilian.

At this moment, Chen Xiaobei finally saw Xia Yilian's shamelessness!

She was the one who came up with the idea of letting the prime of Tongtian go and luring Chen Xiaobei out.

The moment he turned around, Xia Yilian had come to Chen Xiaobei's place to sell him the information.

He really did not miss out on both ends.

Xia Yilian,"this news is about your master!" Do you really not want to know?

Chen Xiaobei: " Hmph! I don't even believe a single punctuation mark of your words. Do you think I want to know? "

Xia Yilian, I'm not lying! As long as you give me the primordial violet vapor, I will tell you the news about your master! I guarantee that you'll be satisfied with this piece of news!

"Bitch! You still want to scheme Against Me!"

Chen Xiaobei's eyes turned cold, " "You tricked me into giving you the Hong Meng immortal Qi, and then you asked Hongjun to catch me. Two birds with one stone! Fortunately, the elderly Lord told me the inside story in advance. Otherwise, you would've really gotten your way!"

Clearly, Chen Xiaobei had always been a loyal and devoted person. He was also a person who respected and worshipped the prime of Tongtian.

If Taishang Laojun had not informed him beforehand, knowing Chen Xiaobei's personality, he would not have hesitated even if he knew it was a trap.

Chen Xiaobei-I'm not giving you the primal Chaos purple Qi! If you have a fart, then hurry up and let it out! I don't have time to waste with you!

Xia Yilian, "you ..." (Despicable)

It was obvious that Xia Yilian was completely under Chen Xiaobei's control.

Furthermore, Xia Yilian was also worried that if they delayed for too long, the Grand Supreme elderly Lord would become suspicious.

Xia Yilian had no choice. She could only take a step back and think of another plan.

Xia Yilian, I'll tell you the truth! Hongjun was going to release sect master Tongtian! However, he would cast a positioning spell on sect master Tongtian! As long as you meet sect master Tongtian, Hongjun will be able to lock onto your position!

Chen Xiaobei: I don't believe you! (Disdainful)

After sending the message, Chen Xiaobei exited the private chat.

Even through the communication jade talisman, he could imagine that at this moment, Xia Yilian was definitely half dead from anger.

She had thought that her plan was flawless. On one hand, she could force Chen Xiaobei to hand over the Hong Meng immortal Qi. On the other hand, she could trick Chen Xiaobei into meeting with the prime of Tongtian so that Hongjun could capture Chen Xiaobei!

In this way, she, Xia Yilian, could become a completely free true sage. At the same time, she could also make a great contribution to Hongjun.

This was killing two birds with one stone. Just thinking about it made him feel great.

However, Xia Yilian would never have thought that her plan was a joke in front of Chen Xiaobei.

Chen Xiaobei ignored her, and her plan could not be carried out.

She was really so angry that she wanted to vomit blood!

"Xin 'er! I'm going to the Buddha realm!"

After that, Chen Xiaobei called for Futian Xin 'er and headed to the Western Buddhist realm.

Now, the Western Buddhist realm had been taken over by Taoist Cundi. As the backbone of the Buddhist realm, the Golden Cicada master Guanyin was trying to put it back on the right track.

Cundi, Guanyin, and the Golden Cicada were all Chen Xiaobei's subordinates.

So, in reality, Chen Xiaobei had already become the Lord of the Buddhist realm.

After arriving in the Buddha realm.

Chen Xiaobei took out the grade 12 Golden Lotus of merit and quickly sensed the location of the Buddhist mark!

He immediately rushed over.

At the end of the Western end of the Buddhist realm, Chen Xiaobei found the Buddhist mark.

The eight core nomological laws of the Buddhist realm turned into eight light balls, flying around and gathering around the grade twelve Golden Lotus of merit, forming the shape of nine stars.

The nine stars gathered together and the mark shrunk to the size of a palm, falling into Chen Xiaobei's palm.

This was the mark of Buddhism!

Now that Chen Xiaobei was the Lord of the Buddhist realm, all he needed to do was to make a promise to the seal and swear to protect the people of the Buddhist realm with his life to gain its approval!

"Whoosh ..."

With a wave of mysterious energy, the Buddhist seal merged into Chen Xiaobei's dantian.

" now, of the five marks, only the immortal mark is not subdued! "

Chen Xiaobei furrowed his brows and thought, " " the situation in the immortal world is very complicated. Although I have obtained the grade-twelve Green Lotus of reincarnation, I'm not the master of the immortal world yet ... I'm afraid the immortal Dao mark won't easily acknowledge me ... "

The immortal realm was the heaven realm, and there were a total of thirty-six heavens.

As far as the current situation was concerned, Hongjun was the only ruler of the immortal world.

However, Chen Xiaobei's strength was not enough to defeat Hongjun, so he could not become the Lord of the celestial realm.

"If I want to obtain the celestial Dao imprint's recognition, I have to become the master of the celestial realm. Looking at the current situation, there's only one way!"

" let's make Hongjun betray the immortal Dao, " Chen Xiaobei thought. " just like what happened to mo Luo Wutian. As long as Hongjun betrays the immortal Dao, he will be rejected by the immortal mark. He might even become the enemy of the immortal mark! This way, the immortal Dao mark will most likely recognize me!"

" but what can we do to make Hongjun betray the way of celestial immortality? "

Although he had come up with a solution, he had no idea how to do it.

Of course, Chen Xiaobei was still very, very smart.

After a short period of contemplation, he finally thought of the key to break out of this situation.

He immediately took out his communication jade talisman and contacted Xia Yilian.

" I've thought about it. I don't care if what you said is true or not. As long as you help me with one thing, I can give you the Hong Meng immortal Qi! "

Xia Yilian,"what is it?" Hurry up and tell me!

"I'm going to Mount Buzhou in an hour. Help me get Hongjun here!"

Xia Yilian, you ... What do you mean by this? (Puzzled)

It was obvious that Xia Yilian could not understand Chen Xiaobei's request.

Chen Xiaobei was going to Mount Buzhou? What was the point of luring Hongjun over? Could it be that Chen Xiaobei could defeat Hongjun?

No! This was impossible! Absolutely impossible!

Xia Yilian could not understand.

Chen Xiaobei-I don't need to explain to you! You just have to answer, do you agree or not?

Xia Yilian, I ... I promise you! This time, you must give me the primordial violet vapor! Otherwise, don't even think about getting me to help you next time! (Solemn)

Chen Xiaobei: I promise, there won't be a next time!

[Red Envelope Group of the Three Realms](#)

Chapter 4045: 100% chance of winning!

The thirty-six levels of daluotian.

In an independent space, there was a Saint prison that even heavenly path Saints could not escape from.

Goddess Nuwa had told Chen Xiaobei that the divine prison had a formation that could not be broken without the combined power of the four sages.

In addition, Hongjun had personally set up a Saint King level restriction.

Without Hongjun's permission, no one would be able to get out of the prison.

At this moment, the Grand Supreme elderly Lord was holding a token given by Hongjun, which could lift the restriction of the Saint prison.

According to the plan, the Grand Supreme elderly Lord and Xia Yilian were to bring sect master Tongtian to the Zixiao Palace to see Hongjun.

"Senior brother on the stage, please wait! Don't release the heavenly Grandmaster yet!"

Just as the Grand Supreme elderly Lord was about to remove the restriction, Xia Yilian hurriedly stopped him.

"What's wrong?"

Taishang Laojun was very confused,"wasn't this your idea?" Why did you change your mind?"

" I ... I just received a report. My men saw Chen Xiaobei heading towards Mount Buzhou! " Xia Yilian said.

"Your people? Did he see Chen Xiaobei? This ... How is this possible?" Taishang Laojun was stunned and said in disbelief, " I've never heard of you having your own forces ..."

" I haven't established a sect, but I still have a few people under me that I can use ... " Xia Yilian said."Please wait a moment, senior brother. Allow me to report to master! As long as Sifu is prepared, he will not let Chen Xiaobei escape again!"

" this ... " the Grand Supreme elderly Lord was stunned again. His expression did not change, but his heart began to feel nervous.

After all, the Grand Supreme elderly Lord did not know if Xia Yilian was telling the truth.

Immediately after, Xia Yilian flew to The Purple Cloud Palace to see Hongjun. Taishang Laojun was worried, so he immediately followed.

In The Purple Cloud Palace.

Hongjun had already told the heavenly axiom about Xia Yilian's plan and had successfully obtained an extremely mysterious positioning spell. He was currently studying it.

"Eh? Why did you two come back? Where's the heavenspan expert?"

Hongjun slowly raised his head and looked at Xia Yilian and Taishang Laojun with a puzzled expression.

"Reporting to master ..."

" yes! " Xia Yilian said, " my men saw Chen Xiaobei just now. He's on his way to Mount Buzhou! "

"What!"

" what? " Hongjun's expression changed slightly. " is it true? "

"True!" Xia Yilian nodded heavily, her acting skills off the charts."However, I still have to ask master to hurry over as soon as possible! If we're late, Chen Xiaobei might have already left!"

"Alright!"

Hongjun immediately stood up. His eyes, which were as deep as the black holes of the universe, suddenly bloomed with nine-colored holy light. His killing intent was burning. He was about to rush over.

Obviously, Hongjun trusted Xia Yilian very much now.

After all, when Xia Yilian advised Hongjun to go to the ancient Barrens, they really did meet Chen Xiaobei.

Therefore, Hongjun did not suspect Xia Yilian at all. He would never have thought that Chen Xiaobei had already set up a trap for him.

"Master, please wait!"

Taishang Laojun was full of anxiety and hurriedly asked, " " that Chen Xiaobei has the heaven and earth fetal membrane. It can block your attack ... If you kill him like this, he'll escape again ... "

"Heh, you think he's invincible just because he has the heaven Earth fetal membrane?"

Hongjun took out a white jade ring with a Dragon carved on it from the Meru space and said indifferently, " "This is Saint Duke's Emperor ring! You should know its special ability's effect!"

" Saint ... Saint Duke!?" The Grand Supreme elderly Lord was stunned when he saw this, and he became even more anxious.

“What is this? Senior brother, please enlighten me!” Xia Yilian asked.

It was obvious that only the most powerful beings in the heaven realm knew about the Saint Duke clan. A junior like Xia Yilian knew nothing about it.

“Oh, the Saint Duke clan is one of the most ancient clans in this world! However, due to some unforeseen circumstances, the Saint Duke clan was exterminated ... And their greatest strength is to seal their opponents “treasures and abilities!”

” the white jade ring in master’s hand now belongs to the first Saint Duke Emperor. It has reached the level of a one star Saint King. It can seal all magical treasures and abilities of the same level! ”

“Sealed? Magic treasure? Special ability? I understand!”

Xia Yilian was very smart and immediately understood.”Shizun can use this ring to seal Chen Xiaobei’s magical storage items, so that he can’t take out the heaven Earth embryo membrane! It can also seal the special ability within that space, making it impossible for him to open the space gate!”

“Not bad!”

Hongjun smiled and said, ” I didn’t expect him to have the embryo membrane of heaven and earth. Otherwise, he wouldn’t have been able to escape. ” If I go now, I’ll definitely be able to capture him, and there won’t be a next time!”

” this ... ” Xia Yilian could not help but swallow her saliva.

Obviously, she still wanted to get the Hong Meng immortal Qi from Chen Xiaobei. If Chen Xiaobei was really caught by Hongjun, then everything would be over.

However, things had already come to this, and Xia Yilian could no longer change anything.

” master, please take me with you. I want to see Chen Xiaobei die with my own eyes! ” Xia Yilian said.

Since there was no way to change the situation, Xia Yilian could only follow them to the scene and see if she could get her hands on Chen Xiaobei’s storage treasure and steal the Hong Meng immortal Qi when Hongjun was not looking!

It was obvious that Xia Yilian was very smart, quick-witted, and bold.

But, unfortunately, her opponent was Chen Xiaobei.

She would never have thought that Chen Xiaobei did not even have the Hong Meng immortal Qi.

No matter how hard she thought, she could not outplay Chen Xiaobei.

“Good! You’ll come with me!” ” yes! ” Hongjun nodded and said, ” if we can capture Chen Xiaobei, you will be the hero! ”

“Thank you, master!” Xia Yilian cupped her hands in thanks, not revealing any trace of what she was thinking.

” Grand Supreme, you stay in The Purple Cloud Palace and wait for orders! ” Hongjun gave another order and left with Xia Yilian.

“No... I have to tell Xiaobei!” As soon as Hongjun and Xia Yilian left, Taishang Laojun took out a communication jade talisman.

Taishang Laojun, Xiaobei! Are you in Buzhou Mountain? Retreat quickly!

Chen Xiaobei: Is it Hongjun?

Taishang Laojun, “how did you know?”

Taishang Laojun, “what ... What are you doing?” (Shocked)

Chen Xiaobei thought, ‘it’s time to kill Hongjun!’

Taishang Laojun, [solved?] Hongjun? Xiaobei! You’re joking, right? If you have this ability, why didn’t you do anything in the ancient Barrens?

Chen Xiaobei: “ I just came up with this idea. And it can only be done on Mount Buzhou! ”

Taishang Laojun, are you confident?

Chen Xiaobei thought, 80% chance of winning!

Taishang Laojun, 80%? Do you know that Hongjun has the Saint Duke clan’s Emperor’s Supreme treasure, which can seal all your Dharma Treasures and special abilities?

Chen Xiaobei, “Saint Duke’s treasure?” (Smile) ha, now, I have a 100% chance of winning!

[Red Envelope Group of the Three Realms](#)

Chapter 4046: Personally arrest him!

Taishang Laojun, [little north!] Did you even read my message carefully? Hongjun had a Saint Duke treasure! Why did your chances of winning increase instead of decrease?

Because, to Hongjun, my only trump card is the heaven Earth membrane! If he did not have Saint Duke’s treasure, he would have used a stronger killing move and a more sinister scheme! Therefore, I only have an 80% chance of winning!

Chen Xiaobei thought, ‘but now, he has Saint Duke’s treasure. It can counter my heaven and earth embryo membrane!’ This way, he would not have to use any other killer moves, and he would not have to think about schemes! Therefore, my chances of winning are 100%!

Taishang Laojun, “this ...” (Half-understanding, half-believing)

Chen Xiaobei: Don’t worry! Help me keep an eye on my master! Don’t let Xia Yilian harm my master!

Taishang Laojun, [you don’t have to worry about that. Xia Yilian has gone to Mount Buzhou with Hongjun!] Now, I’m in charge of everything in the 36 heavens! I can even release Junior Brother Tongtian!

Chen Xiaobei, “is ... Is this true?”

Taishang Laojun, [of course it’s true!] The trick we played in the ancient Barrens was very successful. Hongjun thought you really wanted to kill me, so he now trusts me very much!

Taishang Laojun: " just now, Hongjun said that he would let Junior Brother Tongtian go, so he gave me his Dao ancestor's token. He didn't even take it back when he left!

Chen Xiaobei: " you have the Dao ancestor's token? " That's great! After I settle Hongjun, I will come to the 36th layer of heaven to find you! Let's save my master!

Taishang Laojun,"O-okay!" Since you're so confident, then I won't say anything more! I hope you can succeed soon. I will wait for you at the 36th layer of heaven! I won't leave until we meet!

Chen Xiaobei-see you!

Taishang Laojun put away the communication jade talisman and frowned.

Even though he supported Chen Xiaobei verbally, he was still worried about Chen Xiaobei deep down.

After all, Hongjun was fully prepared to destroy Chen Xiaobei's trump card. This was not a joke!

If Chen Xiaobei's plan failed, he would be dead. There was no other option.

.....

Buzhou Mountain.

Chen Xiaobei was one step earlier.

According to the grade 12 Green Lotus of reincarnation, Chen Xiaobei was sure that the immortal mark was hidden in this mountain.

This Buzhou Mountain was the center of the untainted land in the prehistoric times, the pillar that supported the sky!

Back then, Zhurong and Gonggong, the ancestors of sorcery, had fought on Mount Buzhou. They had broken the sky Pillar and cracked the sky, bringing a disaster to the world. Fortunately, Nuwa had sacrificed herself to nourish the heavens, and the disaster was averted.

It was also because of this that goddess nūwa obtained immeasurable merits and became the only Sage to attain Dao with merits among the Seven Sages of the heavenly path.

Hongjun established the system of heavens and realms with the Three Realms as the central axis.

Buzhou Mountain was still the core of the heaven realm. It carried the will of the immortal path and suppressed the fate of the immortal tribe.

Therefore, it was obvious that the immortal mark was in Buzhou Mountain.

However, Chen Xiaobei was not the Lord of the celestial realm, so he could not summon the celestial mark.

Of course, the grade 12 Green Lotus of reincarnation could sense the immortal Dao Mark's summoning.

So, Chen Xiaobei went to the location of the celestial mark and waited for Hongjun to arrive.

"Chen Xiaobei is really there! Good disciple! You've really made a great contribution!"

Hongjun and Xia Yilian arrived at Mount Buzhou in no time. They were still quite a distance away, but Hongjun had already located Chen Xiaobei.

No... No... The credit goes to Sifu ... Xia Yilian said humbly, her eyes fixed on Chen Xiaobei.

She did not care about the credit at all. All she was thinking about was how she was going to get Chen Xiaobei's storage treasure as soon as he was killed by Hongjun. How could he take out the primordial violet vapor without anyone knowing?

Chen Xiaobei shouldn't have noticed us yet!

Hongjun observed from a distance and said, "Right now, Chen Xiaobei is only holding a battle axe, and there is no heaven Earth membrane! The heavens are really helping me!"

"Whoosh ..."

Then, Hongjun threw out the Saint Duke Emperor ring.

This small ring flew directly over and emitted a special spiritual light in the sky.

A thin layer of white light enveloped Chen Xiaobei's territory, which was a hundred thousand feet in radius.

"Hahaha! Chen Xiaobei is finished!"

that's right! Hongjun was overjoyed. Saint Duke's Emperor ring's power has been activated! Within Saint Duke's territory, Chen Xiaobei can't take out the heaven Earth membrane or open the portal with his power! Now, he's already a turtle in a jar, and I'll definitely capture him!"

Everything was going according to Chen Xiaobei's plan!

If Hongjun didn't have the Saint Duke Emperor ring, he would have planned and prepared even more!

But now, Hongjun had successfully used Saint Duke's Emperor ring to seal Chen Xiaobei's magical treasures and abilities. This made him overjoyed and even a little overjoyed!

That was why Chen Xiaobei's chances of winning had increased!

This is bad!

When Xia Yilian saw this, she was filled with anxiety and secretly cursed.

Chen Xiaobei was an idiot! You asked me to attract Hongjun, but I didn't make any preparations. How can I get the Hong Meng immortal Qi if I'm defeated by Hongjun?

Obviously, the more successful Hongjun was, the less chance Xia Yilian would have to get the Hong Meng immortal Qi!

"Master!"

Xia Yilian had no choice. She could only make up her mind and said, "I want to catch Chen Xiaobei myself! Please grant my wish, master!"

“You’re going to catch them?” you are only a peak-stage Sage-to-be, and Chen Xiaobei is a half-step true sage. How are you going to catch him? ”

“This disciple has his own way! However, please don’t get close for the time being, so as not to alert the enemy!” Xia Yilian said.

“You’re really confident?” Hongjun was skeptical.

“Yes! This disciple is confident!” Xia Yilian nodded heavily.

“Alright then!”

yes! Hongjun replied, “ you played a huge role in capturing Chen Xiaobei! I won’t fight with you for credit! Catch That Kid! The heavenly Dao’s reward will definitely allow you to have a meteoric rise and even have the opportunity to be on equal footing with your master!”

equal ... Equal status?! Xia Yilian could not help but swallow her saliva.

“That’s right!”

“As long as you can catch Chen Xiaobei!” Hongjun said. The heavenly Dao has a way to cultivate you into the second Saint King after me! This is your great fortune! You must grasp it!”

hiss ... Xia Yilian sucked in a breath of cold air. She was extremely surprised.

As long as he caught Chen Xiaobei! Xia Yilian would be able to get the primordial violet vapor at the first moment! Then, he would be rewarded by the heavenly Dao! She would become a saint King that was not controlled by the heavenly Dao! Just thinking about it made him feel great!

Xia Yilian did not delay any further and flew straight towards Chen Xiaobei.

[Red Envelope Group of the Three Realms](#)

Chapter 4047: The Supreme ruler!

Chen Xiaobei!

Xia Yilian flew over, and with a calm expression, she calmly said, I didn’t manage to persuade Hongjun. He didn’t want to come in person ...

“Hongjun is not coming?” Chen Xiaobei laughed.

If Taishang Laojun had not informed him, Chen Xiaobei would not have been able to tell if Xia Yilian was telling the truth.

However, Taishang Laojun had already sent a message.

Chen Xiaobei knew immediately that Xia Yilian was lying.

However, he had to admit that Xia Yilian’s acting was really good. Even a top actor like Chen Xiaobei could not see any flaws in her lie.

yes, Hongjun won’t come. Otherwise, I wouldn’t dare to meet you. Don’t you think? ” Xia Yilian said.

“Then, what are you doing here?” Chen Xiaobei asked.

"I have a treasure to give you in exchange for the primordial violet vapor!" Xia Yilian stretched out her right hand and clenched it tightly, as if she was holding something extremely important.

"What's that?" Chen Xiaobei asked curiously.

this is an extremely precious treasure. I stole it from Hongjun! Xia Yilian walked over and slowly approached Chen Xiaobei. She slowly extended her right hand, which was holding the thing, in front of Chen Xiaobei!

"Do you think this thing is more valuable than the primordial violet vapor?" Chen Xiaobei was even more curious.

"Of course! Look carefully and you'll know that I'm not lying to you!" Xia Yilian slowly opened her palm, as if she was showing off an extremely valuable item. She was very focused and had a ceremonial feeling.

"Woof!"

Chen Xiaobei raised the Saint devouring axe and aimed it at Xia Yilian's throat!

"Swish!"

Even though he could not activate the Saint devouring Axe's power, Chen Xiaobei's cultivation was higher than Xia Yilian's, and the sharpness of the axe was beyond doubt.

The axe swept past, and Xia Yilian's extremely beautiful head was directly chopped off from her neck.

"Pfft ..."

Instantly, blood spurted out, and the beautiful body that had made countless men bow to her fell to the ground, becoming a straight five-headed corpse.

At that moment, Xia Yilian thought that her acting was perfect and flawless. She did not expect that Chen Xiaobei's curiosity was also an act.

Chen Xiaobei did not believe Xia Yilian's words from the very beginning.

"Whoosh ..."

As for the treasure in Xia Yilian's hand, it was actually a cloud of Black Poison gas that leaked out from the gaps between her fingers.

Obviously, Xia Yilian did not steal any of the treasures. She was planning to use her acting skills to attract Chen Xiaobei's attention, and then release the poisonous gas to attack Chen Xiaobei.

Therefore, Xia Yilian was not wronged by Chen Xiaobei's sudden attack.

"Save me! Shizun, save me!"

Immediately after, Xia Yilian's primordial spirit flew out of the corpse. Without any hesitation, she screamed at the top of her lungs, seeking Hongjun's help.

boom boom boom!!!

The next moment, Hongjun activated his nine-colored Saint Qi and turned it into a nine-colored Heavenly Sword, which he thrust at Chen Xiaobei.

“Chen Xiaobei! Your death is here!” Xia Yilian’s primordial spirit revealed a sinister smile. master has set up a trap in advance and sealed your magical treasures and special abilities. With this attack, you will definitely be destroyed. There is no doubt about it!

“Hurry up ... Hurry up ...”

Meanwhile, Chen Xiaobei ignored Xia Yilian. He held his breath and concentrated on releasing his spirituality, trying to communicate with the celestial mark.

That’s right!

This was the key to Chen Xiaobei’s victory!

Before that, Hongjun was the well-deserved ruler of the heaven realm! He created the heaven realm, and he had indeed protected the heaven realm for many years!

Therefore, the immortal mark acknowledged Hongjun, and Chen Xiaobei’s spirit could not communicate with it.

And from this moment on, everything would change.

Hongjun’s power was extremely terrifying. If no one could resist it, it would be enough to crush Mount Buzhou and wipe out the largest, most prosperous, and most populated thirty-two levels of heaven in the heaven realm!

The will of the immortal Dao marks was to protect the heaven realm and all living things in the heaven realm!

At this moment, Hongjun’s power had seriously violated the will of the immortal mark!

Furthermore, even though Chen Xiaobei’s treasures and abilities were sealed, there was still the grade 12 Green Lotus of reincarnation hidden in his body, which had the same origin as the immortal mark!

Hongjun’s power was enough to destroy the grade 12 Green Lotus of reincarnation, which was also a huge threat to the immortal Dao marks!

Therefore, Hongjun’s current power not only went against the will of the immortal print, but also posed a great threat to it!

If he went against the will of the immortal mark, the mark would no longer recognize Hongjun.

And the huge threat would make the immortal Dao marks seek external protection in order to protect themselves.

“Whoosh ...”

Chen Xiaobei had already calculated everything. The moment Hongjun’s power came down on him, the spirit of the immortal mark had communicated with Chen Xiaobei.

“If you acknowledge me as your master, I’m willing to protect the celestial world until my last breath!”

Chen Xiaobei made a promise.

“Chi ...”

The next moment, the humanity mark merged into Chen Xiaobei’s body and combined with the grade 12 Green Lotus of reincarnation, turning into a nine-star celestial mark!

whoosh ... Whoosh ... Whoosh ...

Immediately after, the immortal Dao, Buddha Dao, human Dao, netherworld Dao, and fiend Dao, the five marks, all started to move automatically.

Earlier, when the five divine lotuses gathered, there was a change and they combined to form the chaos Green Lotus Dharma form.

At this moment, when the five marks were gathered, a similar change occurred.

One had to know that each mark was formed by the eight core laws of the corresponding world and the corresponding Holy Lotus!

At that moment, all the core nomological laws of the five marks had fused together to form a brand new eight nomological laws!

At the same time, at the core of the nine Star Pearl, the five Saint lotuses merged again to form the chaos Green Lotus Dharma!

In this way, a brand new eight core marks were formed. With the chaos Green Lotus as the core, they formed the shape of nine stars, which was a brand new mark!

There was no mistake!

This was the Pangu chaos seal!

Pangu created the world and gave birth to the great world!

And this chaos mark was the core of the world!

When a person was willing to protect the world with his life, he would become the owner of the chaos seal, and the Supreme ruler of the world!

This person was Chen Xiaobei!

“I’ve succeeded!”

Chen Xiaobei grinned and swung the Saint devouring axe.

At this moment, even though the Saint Duke’s Emperor ring had activated its special ability, the Saint devouring Dao axe had the ability to break through special abilities!

With a swing of the axe, the White spiritual light around Chen Xiaobei was split apart. The seal that Chen Xiaobei had received was lifted in an instant!

This time, however, Chen Xiaobei did not take out the heaven and earth fetal membrane!

Pangu-chaos spatial law!!!

Red Envelope Group of the Three Realms

Chapter 4048: A big surprise gift!

“Whoosh ...”

Words of law!

As Chen Xiaobei shouted, an invisible wall of space was erected in front of him!

That’s right!

Chen Xiaobei had already gained control of the Pangu chaos mark, and the laws of space he could control had already reached the highest level in Pangu world!

In other words, at this moment, even if the heavenly Dao were to make a move, it would not be able to penetrate this spatial wall!

As for Hongjun’s power, there was no need to mention it!

“Boom boom boom ...”

The terrifying nine-colored Saint Qi slammed into the invisible wall of space, but it could not penetrate it at all. It was blocked and could not touch Chen Xiaobei at all.

how ... How is this possible?!

Seeing this scene, Xia Yilian’s primordial spirit and Hongjun, who was far away, were all dumbfounded.

This unbelievable scene was full of an extremely strong visual impact. It directly subverted their three views and made them start to doubt their lives!

They would never have thought that Chen Xiaobei had another trump card other than the heaven and earth fetal membrane!

“Whoosh ...”

Of course, the dimension wall that Chen Xiaobei had activated did not trap Xia Yilian’s primordial spirit.

Therefore, when Hongjun’s Saint origin power hit the spatial wall, the terrifying shock wave spread in all directions and crushed everything.

In just an instant, Xia Yilian’s primordial spirit was wiped out. Her corpse was also crushed into powder, not leaving a trace.

Just like that, Xia Yilian, this ambitious venomous woman, ended up with her body destroyed and her bones turned to dust. She deserved it.

that ... That ‘@@ s ... The great Dao of space of Pangu world?!

After all, Hongjun was a Dao ancestor Saint King. He soon saw through the mystery and said confidently, “Chen Xiaobei, you’re really something! However, you still can’t beat me today!”

“Swish!”

Although Chen Xiaobei had become the owner of the Pangu chaos mark, he still needed to use a lot of energy to activate the mark!

From Hongjun’s point of view, Chen Xiaobei would have to use up all his mental power to use this level of space law.

Therefore, Hongjun was very confident that he could take Chen Xiaobei down today.

“Woof!”

Hongjun was extremely fast. He was about to reach Chen Xiaobei and take him down.

get out of Pangu great world!

Suddenly, Chen Xiaobei shouted, ” “Chaotic space laws! Fission!”

“Swish!”

Following Chen Xiaobei’s roar, a spatial Rift appeared in front of Hongjun!

how ... How is this possible?!

Hongjun had never thought that Chen Xiaobei could use the laws of space in Pangu great world.

Therefore, Hongjun was not prepared for the appearance of the space crack. It was too late for him to slow down even if he wanted to!

“Whoosh!”

Like a shooting star, Hongjun rushed out of Pangu world through the crack in space!

“Close!”

Chen Xiaobei closed the dimensional rift!

That’s right!

This was Chen Xiaobei’s way of dealing with Hongjun!

In terms of strength, Chen Xiaobei could not possibly kill Hongjun!

However, the wall of space in Pangu world was impenetrable by the way of heaven. Therefore, as long as Hongjun was driven out, the inside of the world would be absolutely safe!

“Phew ... It’s finally done!”

Chen Xiaobei heaved a sigh of relief and said, ” fortunately, I’ve absorbed enough Saint Qi in the ning clan’s sacred city. Otherwise, it would be impossible to activate the chaotic space law twice in a row!

Obviously, Hongjun’s judgment was wrong!

Chen Xiaobei activated the law of space. He did not use his mental power at all. Instead, he used the divine vitality that he had absorbed with the divine Lotus in the ning clan’s sacred city!

However, the level of the chaotic spatial dimension laws was extremely high. Although it had only taken less than a second to use it twice, it had exhausted all the energy in the Pangu chaos seal!

If Hongjun had not rushed out of the dimensional crack, Chen Xiaobei would not have been able to use any of his Protogenia.

However, it was all within Chen Xiaobei's calculations.

It could be said to be very smooth.

"Next, I'm going to the 36 heavens to save my master! After that, I'll transfer all those who have signed the life-and-death contract into the heaven and earth embryo. This way, even the heavenly Dao can't do anything to me!"

Chen Xiaobei did some simple calculations and was about to ask Futian Xin'er to open the portal.

"What?"

However, Chen Xiaobei was unable to open the Sumeru space and release her.

He looked up and saw that Saint Duke's Emperor ring was still in the sky.

"Hahaha! I can still get this treasure! It's so good!"

Chen Xiaobei flew up.

"Whoosh ..."

Chen Xiaobei released his spirituality and established a connection with Saint Duke's Emperor ring, allowing the treasure to recognize him as its owner.

The original owner of the Emperor ring was Hongjun.

However, at this moment, Hongjun was no longer in this world, and the spiritual connection had been completely cut off. Therefore, it had become an ownerless object and naturally recognized a new master!

"What the f * ck! So much energy!"

When Chen Xiaobei took Saint Duke's Emperor ring, he was so surprised and happy that he started to laugh uncontrollably.

this one star Saint King grade Saint Duke Emperor ring has enough energy to activate its power three times!

if I can extract this energy, I will be able to merge Pan Gu world into the embryo membrane of the world, and create a new world of a higher level!

"When the time comes, there might still be some energy left, which can be used to activate the Pangu chaos seal! It's so cool!"

Chen Xiaobei felt so good.

Chen Xiaobei did not expect Hongjun to leave behind such a big gift after he was kicked out of the house!

Chen Xiaobei was so excited that he wanted to thank Hongjun a hundred times!

“Chi ...”

But of course, Chen Xiaobei still had things he needed to do. He put the Saint Duke Emperor ring on his finger, opened the Sumeru space, and let out Fu Tian Xin ‘er.

Chen Xiaobei returned to the jianmu world through the portal.

Then, through the portal, Chen Xiaobei arrived at the 36th level of allheaven.

Originally, there was a restriction placed by Hongjun in daluotian. No one below the Saint King realm could enter and leave freely without the decree of the Dao ancestor.

However, at this moment, Hongjun’s Dao ancestor token was in the hands of the Grand Supreme elderly Lord, and the restriction was completely lifted.

Chen Xiaobei entered the 36th level of overarching heaven.

After meeting with Taishang Laojun, Chen Xiaobei explained the situation to him.

The Grand Supreme elderly Lord was naturally shocked! Surprise! Shocking! He was even ecstatic! He was unable to calm down for a long time!

Of course, the two of them had already arrived at the Holy jail while they were talking!

He used the Dao ancestor token to remove the restriction.

He could finally save sect master Tongtian!

[Red Envelope Group of the Three Realms](#)

Chapter 4049: The three great saint beasts!

“Whoosh ...”

Chen Xiaobei and Taishang Laojun went through the portal and entered the Holy jail.

It was a huge, dark space that was like a bottomless pit.

At a glance, it was all dark.

“Chi ...”

However, before Chen Xiaobei could even see the prime of Tongtian, the defenses of the Holy jail had already been activated.

In the dark sky, a bloody array map suddenly appeared!

The runes on the diagram were clearly not clear, but one could feel a bone-chilling killing intent! There was also an incomparably sharp Supreme Sword intent!

Chen Xiaobei and Taishang Laojun could not help but shiver and their expressions changed.

It was as if the number one God of Slaughter had descended upon the world, and the lives of all living beings in the universe could be destroyed with a single thought!

“What a terrifying killing intent and sword intent!”

Chen Xiaobei’s eyes narrowed. He needed to guard his heart to prevent it from being affected by the terrifying pressure.

“It’s ... It’s the celestial slaying sword formation!”

The Grand Supreme elderly Lord’s expression was also very unsightly. He took a deep breath and appeared to be uneasy.

“Whoosh ...”

Of course, the Grand Supreme elderly Lord had the Dao ancestor’s seal, so everything was under his control.

With the Taishang Laojun’s intention, the celestial eradication sword formation immediately calmed down.

fairy slaying sword formation!?

Chen Xiaobei was surprised and happy. I’ve long heard of the name of this sword formation. I’ve finally seen it today!

“Not only did I see it! Now, you are its master!”

The Grand Supreme elderly Lord smiled indifferently and waved the Dao ancestor token in his hand.

“Swish!”

In the next moment, the blood-red formation in the sky quickly shrank and turned into a piece of blood-stained leather cloth, which then fell into the hands of the Grand Supreme elderly Lord.

This was really the sword formation diagram of the celestial eradication sword formation!

“Woof! Buzzzzzz! Buzzzzzz! Whoosh!”

Then, from the North, South, East, and West of the dark space, a long sword flew over!

Immortal execution! Kill Immortals! Immortal trap! Immortal end!

These four Swords were the legendary number one killing weapon of the heavenly Dao, the four celestial slaying swords!

The four Swords were all peak Saint weapons.

On their own, none of these four Swords could be ranked in the top ten Saint weapons of this great world.

However, when the four Swords gathered together, in addition to the sword formation, they could unleash an extreme lethality that was above the Pangu flag. It was said that it could not be broken without the joint efforts of the four Saints!

Back then, sect master Tongtian set up the formation, and Taishang Laojun, heavenly Lord Yuanshi, Taoist Cundi, and Taoist Daoist zhuandao entered the formation at the same time. They each used their trump cards to crack the God-killing sword formation!

From this, it could be seen that the celestial eradication sword formation could basically be regarded as an invincible existence under the Holy King realm!

The reason why it was 'basically' was because of the Saint devouring Dao axe!

If he used the Saint devouring Dao axe to fight against the immortal-slaying sword formation, the Saint devouring Dao axe might still be slightly better!

Therefore, to be precise, below Saint Kings, the Saint devouring Dao axe was ranked first, and the immortal-slaying sword formation was ranked second!

Of course, this ranking was only for the current stage!

In the future, if Chen Xiaobei entered the heavenly Saint realm, there was a high chance that something as special as the Saint devouring axe would appear!

Moreover, Chen Xiaobei was smart. He would be able to strengthen, fuse, and refine even more powerful magical equipment! Therefore, the ranking of the Dharma Treasures would change sooner or later!

"Come! Xiaobei! Take it!"

Taishang Laojun handed the four Swords and the formation to Chen Xiaobei.

"This ... This celestial eradication sword formation originally belonged to master. Let's ask him first!"

Chen Xiaobei did not accept it immediately out of respect for the prime of Tongtian. It was his bottom line.

"Alright," he said.

The Grand Supreme elderly Lord smiled and nodded.

Then, he waved the Dao ancestor token again, and the darkness in the space immediately dissipated.

Then, the people locked up in the sanctuary were revealed one after another.

That's right! Sect master Tongtian was not the only one imprisoned in this Holy prison!

At a glance, one could see nine figures.

These nine people were all imprisoned by Saint Origin Energy that shone with nine-colored spiritual light. They seemed to be in a deep sleep and did not move at all.

Chen Xiaobei only recognized two of them!

One of them was sect master Tongtian, and the other was Daoist jieyin.

Previously, Chen Xiaobei had tricked jieyin, and he was supposed to be executed when he was captured. However, he was lucky and was still alive.

There were seven people left.

Taishang Laojun recognized three of them, "ancestral Dragon! Yuan Feng! The origin Qilin! They ... They were all locked up in the Holy jail! My God ... This ... This is unbelievable!"

"Ancestral Dragon? Yuan Feng? The beginning Qilin?"

Chen Xiaobei looked at the three of them.

The ancestral Dragon was a middle-aged man with white hair and a tall figure. He gave off a wild aura.

Yuan Feng's form was that of a beautiful and elegant woman. Although she was in a deep sleep, she could still display a noble and divine temperament.

The original Qilin was a handsome man. He was the most handsome man Chen Xiaobei had ever seen in Pangu world.

Of course, even though the three of them were in human form, they were Saint beasts in essence.

And they were the three earliest Sacred Beasts in the formation of Pangu world.

He was also the earliest clan leader of the Dragon, Phoenix, and Qilin clans.

the first immeasurable catastrophe was a bloody battle between the Dragon Tribe and the Phoenix tribe. After that, the Qilin tribe was also involved. The three tribes were in a chaotic battle and they were almost exterminated! The Grand Supreme elderly Lord explained.

"Yes, I know about this too ..."

of course! Chen Xiaobei nodded and said, " I also know that the war between the three races was instigated by the heavenly axiom! In fact, the goal of every immeasurable catastrophe is to get rid of the forces that pose a threat to the heavenly Dao!"

"Well ... Now that you've said that, I understand why they're locked up here!"

The Grand Supreme elderly Lord said, "some time ago, the heavenly Dao has always wanted to create a new Saint!" The ancestral Dragon, the primordial Phoenix, and the original Qilin were all peak-level sages-to-be and were the best candidates. However, they all refused to sign the life-and-death contract, so they were caught and locked up here!"

Chen Xiaobei nodded. it seems like the ancestral Dragon, primordial Phoenix, and Shi Qilin have all seen through the nature of the heavenly Dao. Moreover, they are the earliest Sacred Beasts and were born from Pangu. They are the descendants of the Saint pan race. Today, I will save them as well!

"Hmm, no problem!" Taishang Laojun frowned slightly and said, " "But there are still four people left, and even I have not seen them before. I wonder who they are?"

"Don't worry about them for now! Let my master out first! We'll discuss the other matters later!" Chen Xiaobei said.

"Alright!" Taishang Laojun waved the Dao ancestor token to seal sect leader Tongtian's nine-colored Saint Qi and then immediately dispersed.

“Uh ... Hmm? How did I wake up?”

Sect leader Tongtian slowly opened his eyes in disbelief.

“Master!”

Chen Xiaobei was overjoyed and immediately flew over.

Chapter 4050: Dao vindication

“Xiaobei? It’s really you!”

Sect leader Tongtian was a little surprised, and then he said with surprise, “The fact that you’re able to enter the Holy jail means that everything outside is under your control! Good! That’s great! As expected, you didn’t disappoint me!”

There was no doubt that the prime of Tongtian had always trusted Chen Xiaobei the most.

It was not an exaggeration to say that everything the prime of Tongtian did revolved around Chen Xiaobei.

Since the establishment of the red envelope group, it was the prime of Tongtian who pulled Chen Xiaobei into the group, took him in as a disciple, and gave him all the best resources.

All his schemes! All the plans! All of them were centered around Chen Xiaobei!

For Chen Xiaobei’s sake, the sky reaching church had gone against the entire group!

For Chen Xiaobei’s sake, the prime of Tongtian forcefully took the tear of the great void and was locked up in Hongjun keep!

For Chen Xiaobei’s sake, the prime of Tongtian had risked his life and future to cut off one of jieyin’s ears and was imprisoned!

For Chen Xiaobei’s sake, the prime of Tongtian was even prepared to be executed!

It was obvious that the prime of Tongtian trusted Chen Xiaobei without reservation! Sometimes, even Chen Xiaobei himself was not confident that he could survive the Tribulation, but the prime of Tongtian had always believed that Chen Xiaobei could do it!

As the saying goes, if you treat me as a Kingdom Knight, I will repay you with a Kingdom Knight!

The prime of Tongtian trusted Chen Xiaobei at all costs, and Chen Xiaobei fulfilled the wish of the prime of Tongtian at all costs!

Finally!

Today!

At this very moment!

Chen Xiaobei had handed in a perfect answer!

He didn't betray the trust of sect master Tongtian!

"Is master all right?"

what's wrong? " Chen Xiaobei asked, worried about the prime of Tongtian.

"Don't worry, the heavenly Dao has been absorbing my energy all this time, so other than the Saint Qi in my body being empty, I haven't suffered any damage. Everything is fine!"

Sect leader Tongtian smiled.

Speaking of which, sect leader Tongtian also looked young and very handsome. In terms of appearance and temperament, he was even slightly better than the beginning Qilin!

Chen Xiaobei finally let out a sigh of relief and said, " now, I have complete control over Pangu great world, but I can't get rid of the heavenly Dao yet. Master, you still have the life-and-death contract with you. So, please enter the embryo membrane of the world first!

"Heaven Earth embryo membrane?" Sect leader Tongtian was a little surprised and confused.

Chen Xiaobei took out the heaven Earth membrane and entered it with the prime of Tongtian and Taishang Laojun.

After that, Chen Xiaobei explained the whole thing, including the nature of the natural fetal membrane.

"Understood!"

yes! sect leader Tongtian nodded and said, " before you eradicate the heavenly Dao, I'll stay in the embryo membrane of heaven and earth, and my life won't be in danger!

"Yes, I am!"

yes! Chen Xiaobei nodded. not only is Sifu inside, I will also merge the entire Pangu world into the embryo membrane of heaven and earth! Moreover, I've already rescued all of my senior brothers and sisters. At that time, you can reunite with them!"

"Good! We'll do as you say!" Sect leader Tongtian had a smile on his face. He had never been in a better mood.

"Junior Brother!" At this time, Taishang Laojun interrupted and asked, " "There are four strangers in the Holy jail, do you know their identities?"

I don't know ... sect leader Tongtian said, " "When I was locked up in the Holy jail, those four were already there. I'm guessing that they might be existences from the ancient times ..."

hmm ... It seems that we can only get the answer by awakening them ... Grand Supreme elderly Lord said.

"" Push this matter back a little!"

Xiaobei, you're not a Saint yet, " said sect leader Tongtian. this is the most important thing!

Chen Xiaobei nodded. don't worry, Sifu. The bell of the East Emperor and the bodies of the twelve ancestors of sorcery are in my hands. I can become a saint at any time!

"Since everything is ready, why don't I break through the realm now!" Sect leader Tongtian said.

"Good! I'll listen to shizun!"

Chen Xiaobei nodded and immediately took out the eastern Emperor Bell and the twelve ancestors of sorcery's bodies.

"Whoosh!"

In the next moment, an extremely strong spiritual energy suddenly burst out.

It was said that the bell of the East Emperor was Taiyi's accompanying sacred artifact, and it was the original soul of the ancestral Saint Pangu!

The essence of the twelve ancestors of sorcery was the twelve drops of blood essence of the Holy ancestor Pangu!

These two came from the same source, and when they gathered together, they naturally burst out with an extremely strong spiritual resonance.

"This ..."

However, Chen Xiaobei was puzzled. the spirituality of the eastern Emperor Bell and the twelve ancestors of sorcery's corpses resonate with each other, but they did not communicate with my spirituality at all ... They have excluded me. What should I do? "

"We are not sure how to use force to prove the way ... Why don't you try to activate the power of the bell of the East Emperor!" Taishang Laojun said embarrassedly.

"No! I know what's going on!"

Sect leader Tongtian's eyes narrowed and he said in a deep voice, "The essence of proving the Dao with strength is to reunite with the true body of Pangu! The core of the true form was the essence! Qi! God! Right now, I already have my essence blood and origin soul, but I still lack Pangu Qi!"

"Pangu's Qi?" Taishang Laojun's expression was slightly startled, " Yi Qi turning San Qing!?"

"That's right!"

Sect leader Tongtian composed himself and then moved his mind.

"Whoosh ..."

Then, a wisp of clear air came out of sect leader Tongtian's glabella and condensed into the mark of Pangu Shangqing!

"Whoosh ..."

At the same time, a wisp of clear air emerged from the Grand Supreme elderly Lord's glabella, which then condensed into the Pangu Grand Pure Seal!

“We still lack the heavenly Lord Yuanshi!” “I killed him in the ancient Barrens ...” Chen Xiaobei said.

“Xiaobei, don’t panic!”

Taishang Laojun said, “when we left the ancient land, Hongjun asked me to collect Yuan Shi’s body!” His corpse is in my hands!”

Obviously, the Grand Supreme elderly Lord was famous for being a good person. The dirty and tiring work of collecting corpses was naturally handed to him.

“Swish!”

Taishang Laojun’s mind moved, and the body of heavenly Lord Yuanshi flew out of the storage space.

Of course, Hongjun had already grabbed the corpse tightly. The purple straw Cape and the storage space had been taken away.

After all, the Grand Supreme elderly Lord was only collecting the corpses and would definitely not get any benefits.

However, Hongjun did not expect that there was a wisp of Pangu Qi in the body of the heavenly Lord of the origin!

“Whoosh ...”

With the Grand Supreme elderly Lord’s guidance, a wisp of clear air spread out and condensed into the Pangu Jade Clear Seal!

The so-called Yi Qi turning San Qing! He was referring to the Taishang Laojun of the Grand Pure one, the heavenly Lord of the primordial beginning of the Jade pure one, and the sect master Tongtian of the high pure one!

The three of them were all formed by a trace of core power from Pan Gu’s life!

At this moment, three streams of Pangu Qi were released, which were the legendary three green Pangu imprints!

“Whoosh!”

Then, an even more terrifying spiritual fluctuation burst out.

The three seals of Pangu’s pure one combined into one and transformed into Pangu’s Natal aura.

Essence, Qi, and spirit gathered!

The true body of Pangu reappeared!
