Red Envelope Group of the Three Realms

Chapter 4111: Fight ten thousand!

4111 Fight ten thousand!

On the battlefield, Chen Xiaobei and the other two were surrounded by the enemy.

Although fan he was an early 9-star true sage, more than half of the experts in the Yan Yun Palace were stronger than him.

Moreover, fan he had already made a deal with Chen Xiaobei that he would not risk his life for Chen Xiaobei.

As for gumoko, its strength was so weak that it could be ignored.

In other words, at this moment, the three of them had already fallen into a difficult situation with only a slim chance of survival.

Chen Xiaobei was his only hope of breaking out of this situation! He could not count on anyone else except himself!

“Don’t attack! Let this young master have some fun!”

Ye Lingyun narrowed his eyes and approached Chen Xiaobei.

At first, ye Lingyun thought that Chen Xiaobei was only a peak three-star true divine and that the guard could defeat Chen Xiaobei.

But now, ye linyun realized that Chen Xiaobei seemed to be hiding an interesting trump card.

Ye Lingyun had never seen or heard of such a thing. His interest was piqued on the spot.

Like an old cat catching a mouse, it had to play with it.

At that moment, ye Lingyun thought that victory was in his hands and wanted to have some fun with Chen Xiaobei.

“Whoosh ...”

Ye Lingyun took a step forward, and his entire body burst with a dazzling primordial chaos Divine splendor that was like a Nebula.

peak four star true sage!

Chen Xiaobei was able to determine his opponent’s cultivation level from the fluctuation of his Saint Qi.

The guard was only an early-stage four-star true divine, so Chen Xiaobei could not fight above his level. But now, ye Lingyun’s cultivation was three small realms higher than the Guard’s!

It was obvious that if they were to fight with their own strength, no three-star Peak true sage would be able to fight against a four-star Peak true sage!

Luckily, other than his strength, Chen Xiaobei still had a lot of trump cards.

Not to mention anything else, just the chaos mark alone still had a special ability that had not been used.

“Boom boom boom ...”

So, when ye linyun’s attack came down on him, Chen Xiaobei was not moved at all. In fact, he even felt like laughing.

Chen Xiaobei, on the other hand, did not even try to Dodge. He stood there calmly.

“Chi ...”

In the next moment, as expected, the chaos Mark’s fifth ability appeared.

The twelfth-grade Green Lotus of Samsara emerged and directly absorbed the energy of ye Lingyun’s attack.

And this energy produced an effect that Chen Xiaobei had never expected.

Whoosh ... Whoosh ...

Chen Xiaobei could clearly feel that the energy from the grade 12 Green Lotus of reincarnation was flowing through his body like a raging river, washing through his limbs and bones, and even his state of mind!

This feeling was like being reborn.

However, its essence and effect were definitely countless times better than the cleansing.

“Little brat! Isn’t your ability able to fight back? Why aren’t you making a move? I’ve already made preparations to block it!”

On the other hand, ye Lingyun did not know about the changes that were happening to Chen Xiaobei’s body.

Chen Xiaobei’s defeat of the guard was the counterattack of the Red Lotus of Hellfire and the Black Lotus of destructions.

However, at this moment, the green Lotus of reincarnation did not retaliate.

Ye Lingyun gathered his thick and heavy protective Saint Qi in an attempt to block Chen Xiaobei’s counterattack.

Ye Lingyun would never have thought that his short defense would cause him to lose his only chance of winning!

“Hua ... Hua!!!”

In the next moment, the special feathering and marrow cleansing in Chen Xiaobei’s body was completed, and his body and mind underwent a mysterious transformation.

At the same time, Chen Xiaobei’s Saint Qi began to fluctuate intensely!

This fluctuation was an extremely large surge.

After the surge, Chen Xiaobei's Saint Origin Energy fluctuations stabilized and did not drop anymore.

what!!!!

Seeing this scene, everyone present was dumbfounded. Their scalps went numb and they could not believe their eyes.

t-t-t-t-t-t-t-t-you've broken through! Ye Lingyun took a deep breath and was dumbfounded.

"Childe Chen actually broke through a major realm at this time! It's really a blessing in disguise!" Fan he and Gu Moke were also extremely shocked.

In the distant sky.

Ye Zhilan's bright eyes flickered, and a trace of surprise appeared on her elegant and graceful face. "This kid's luck is too good!"

"What's the use of being lucky?"

"Even if he has broken through a major realm, he will still die today!" Ye yanmo said coldly. My son Ling Yun is three minor realms higher than him, so he won't let him Live!"

"What if cousin Ling Yun is defeated?" Ye Zhilan gently pursed her red lips, a strange light in her eyes.

"This is impossible!"

"If that kid uses external forces, he might be able to turn the tables around. However, in terms of pure strength, he definitely can't defeat my son, Lingyun!" Ye yanmo said firmly.

"If he wanted to use external forces, he would have done so long ago!" Ye Zhilan said.

"You mean, he deliberately didn't use any external force? Isn't this just looking for death?" "In this world, there's definitely no one who can fight someone three levels above him!" Ye Yanming said. Definitely not!"

"Let's wait and see!" Ye Zhilan said indifferently.

[ding Yingying's cultivation: early-stage four-star true sage. Lifespan: 45050791 trillion years! [physical body: 999 zhaoheng] [combat power: 999 zhaoheng!] Primordial spirit attack-peak true sage level!

awesome!!!

On the battlefield, Chen Xiaobei was extremely excited and surprised.

In fact, before this, Chen Xiaobei did not know the effect of the green Lotus of reincarnation.

Even when he was being reborn by the special energy, Chen Xiaobei did not expect to break through to the next level.

This was a huge surprise for Chen Xiaobei.

More importantly, the battle situation had completely reversed from this moment on.

ye linyun, we don't have any grudges. If you back down now, I won't make things difficult for you!

Chen Xiaobei took a step forward, exuding a powerful aura.

It was as if ye linyun was the weak one and Chen Xiaobei had to let him go.

"What?"

However, ye linyun had no idea about Chen Xiaobei's combat power. He continued to shout arrogantly, "So what if you've broken through a major realm? You're still three minor realms lower than me! You're not going to make things difficult for me? I want you to die!"

"Boom ..."

Before he could finish his sentence, ye linyun's body once again exploded with strong Saint Qi.

Earlier, ye linyun was just toying with Chen Xiaobei like a monkey. He did not even use his full strength.

However, ye linyun had been angered by Chen Xiaobei, so he used his strongest power.

"Little brat! I'll let you know what despair is!"

Ye Lingyun took a step forward and flew up into the sky. His body was like a graceful swan as he waved his arms. Like a meteor shower, he unleashed endless power.

At this moment, any other early-stage four-star true sage would have been killed in seconds.

However, Chen Xiaobei was not afraid at all. He said calmly, "I can take on 10000 of them!"

[Red Envelope Group of the Three Realms](#)

Chapter 4112: You're the one I'm hitting!

4112 You're the one I'm hitting!

"F * ck! You've humiliated me too much!"

Without a doubt, Chen Xiaobei's words were extremely humiliating to ye linyun!

How dare a mere early four-star true sage say that he could beat ten thousand of ye linyuns!

This was not just looking down on ye Lingyun anymore, he was looking down on him! Ye Lingyun had never been humiliated like this before.

Moreover, it was under the eyes of everyone!

Ye Lingyun felt that this was a great humiliation. If he did not kill Chen Xiaobei, he would lose all his face!

"Boom boom boom ... Boom boom boom ..."

Ye Lingyun increased his strength again, using all his strength to kill Chen Xiaobei in one hit and save his face.

"I'll give you a chance. Since you're not backing off, don't blame me for being blind!"

Chen Xiaobei growled.

“Saint pan, Mahayana true body!”

Chen Xiaobei’s body suddenly changed.

“Whoosh ...”

The first transformation was the twelve blood essences of the twelve Pangu clan. They transformed into the twelve blood-red Dharma forms of the twelve ancestors of sorcery, forming a giant blood wheel!

With this power, Chen Xiaobei’s combat power was 10000 times stronger than his peers!

“Swish!”

The second change was when the bell of the East Emperor rang, and the true spirit of Pangu’s primordial spirit was added to Chen Xiaobei’s primordial spirit avatar!

In an instant, Chen Xiaobei’s Dharmakaya was summoned, shining with the light of the sun, moon, and stars. The combat power of his Dharmakaya was raised by one small realm, and he was now comparable to an intermediate four-star true sage!

“Whoosh ...”

The third change was the activation of Chen Xiaobei’s Dharmakaya’s ability, 10000 techniques return to one. A huge blood-red swastika appeared in the center of the blood wheel of the twelve ancestral witches!

The 10,000 techniques return to one had increased the combat power of Chen Xiaobei’s Dharmakaya by one small realm, making it comparable to a late-stage four-star true sage!

“Swish!”

For the fourth change, Chen Xiaobei’s avatar released Pangu’s Natal aura. It was like a blood-red Dragon, circling around the blood wheel!

Three elements gathered, true body Mahayana!

10,000 techniques return to one, Mahayana full circle!

Chen Xiaobei’s Dharmakaya’s combat power had increased by another small realm. It was now comparable to a peak four-star true Saint!

The fourth mutation was to raise one’s cultivation level by three small realms. At the same time, one would be 10000 times stronger than those of the same level!

In other words, Chen Xiaobei’s Dharmakaya combat power was enough to crush ye linyun! There was absolutely no suspense!

“Whoosh ...”

The next moment, Chen Xiaobei waved his hand lightly, as if he was chasing away a mosquito. He did not use much strength!

However, this casual wave of his hand had produced an extremely terrifying result!

“Bang Bang Bang ... Bang Bang Bang ...”

Ye Lingyun’s Meteor shower was like fireworks during a Festival. It exploded some distance away from Chen Xiaobei.

Ye Lingyun’s all-out power was destroyed by the dazzling light. He could not even touch a hair on Chen Xiaobei’s head.

With a snap of his fingers, he easily resolved the attacks that filled the sky!

It was clear at a glance who was stronger and who was weaker!

how ... How is this possible?!

In an instant, ye Lingyun felt as if he had been electrocuted. It was as if he had seen a ghost. His pupils shrank and his eyes trembled. Endless surprise, shock, and fear gushed out of his heart!

“Swish!”

Chen Xiaobei’s Dharmakaya had already arrived in front of ye linyun!

“Save me ... Save me ...”

Ye linyun’s hair stood on end and he almost peed his pants.

Just a moment ago, he was still saying that he wanted Chen Xiaobei to know what true despair was.

At that moment, ye Lingyun felt true despair.

He knew that he was no match for Chen Xiaobei. If Chen Xiaobei were to attack him, he would be either dead or injured!

protect my son!!!

In the distance, ye yanmo roared and rushed over.

However, he was too late!

From the very beginning, ye yanmo had never taken Chen Xiaobei seriously. He was certain that Chen Xiaobei would lose.

Therefore, at this moment, ye yanmo did not expect such a situation to occur. From reaction to action, he was delayed by a few seconds.

In the true Saint realm, even a second of hesitation could determine the final result, let alone a few seconds.

“Swish!”

Before anyone could come to his aid, Chen Xiaobei’s hand was already on ye linyun’s throat.

“Don’t come near me ... Don’t come near me ...”

Ye linyun was so afraid of death that he started wailing hysterically.

The guards and servants around did not dare to get any closer. None of them would be able to bear the responsibility if they angered Chen Xiaobei and hurt ye Lingyun!

“Whoosh ...”

Even ye yanmo suddenly stopped and shouted, “Little brat! Don’t hurt my son! Otherwise, I’ll make you regret it!”

“Are you threatening me?” Chen Xiaobei sneered.

“That’s right! I’m threatening you!”

Ye yanmo did not show any weakness and said arrogantly, “This is Hong Tian city! It’s my ye family’s territory! My father, Emperor Hong Tian, has nine Saint Kings under him! If you dare to hurt my son, you won’t be able to leave here alive!”

Obviously, ye yanmo had the right to be arrogant!

His father, ye Hongtian, was the strongest in the Eastern Region of the southern region and ranked second on the ‘southern region heaven ranking’. He was even stronger than the corpse Holy Emperor!

More importantly, ye Hongtian had nine Saint Kings under his command!

If there were no accidents, ye Yanyun and ye Zhilan would be two of these nine great saint Kings!

Even if it was only an early one-star Holy King, Chen Xiaobei would not be able to fight against it!

That was why ye yanmo was so arrogant. Even though his son was in Chen Xiaobei’s hands, he still dared to threaten Chen Xiaobei.

“Little brat! Did you hear my father’s words?”

Ye Lingyun composed himself and suppressed the shock in his heart. He began to be arrogant.”I advise you to let me go obediently. Otherwise, you’ll definitely suffer the cruelest torture in this world! I can make you regret being born into this world!”

At this point, the surrounding guards and ministers all heaved a sigh of relief.

As long as Chen Xiaobei was not a lunatic, he would not dare to hurt ye linyun.

“Pa!!!”

However, just as ye Lingyun finished speaking, a crisp sound exploded, shocking everyone at the scene.

It was a resounding slap!

Chen Xiaobei only used about 10% of his strength.

Half of ye linyun’s face swelled up, and a dark purple palm print could be clearly seen on his face.

Ye Lingyun had wanted to kill Chen Xiaobei to save his face.

With this slap, ye Lingyun had completely lost his face.

Not only that, even ye yanmo had been slapped in the face by an invisible force, and his reputation had been completely destroyed.

He had wanted to threaten Chen Xiaobei, but Chen Xiaobei was not afraid at all. With one slap, Chen Xiaobei had shattered the entire ye family's reputation and authority.

"You little brat! You dare to hit me! You don't want to live anymore!" Ye linyun roared, baring his teeth.

"Pa!"

you! Chen Xiaobei slapped him again. I'm slapping you!

Red Envelope Group of the Three Realms

Chapter 4113: No one dared to stop him!

4113 No one dared to stop him!

"Pfft ..."

Ye Lingyun spat out a mouthful of blood and some broken teeth.

Even though they were of the same cultivation level, Chen Xiaobei's strength was so strong that ye Lingyun could not withstand it.

If Chen Xiaobei had not used 10% of his strength, it would not have been ye linyun's teeth that would have been crushed but his skull.

father ... Father, save me!!!

Ye Lingyun spat out a mouthful of blood after being slapped. He no longer dared to be arrogant in front of Chen Xiaobei. He could only turn to ye yanmo for help.

"Little brat! Didn't you hear what I just said? Do you think you'll have a good end for not putting the ye family in your eyes?" Ye yanmo was flustered and exasperated as he glared at her.

"Ha, your ye family is very strong, but so what?" now, your precious son is in my hands. Your threats are like farts to me. Other than being extremely smelly, it's meaningless! Chen Xiaobei said.

Obviously, the ye family was indeed powerful. If it were anyone else, they would have admitted defeat.

However, Chen Xiaobei was a person who could be persuaded by reason but not forced by force. Ye yanmo used the ye family to threaten Chen Xiaobei. Not only did he not scare Chen Xiaobei, but it would only make ye Lingyun suffer more.

"You ..."

Ye yanmo was speechless.

Of course, he knew that Chen Xiaobei had the final say in this matter.

"Whoosh ..."

At this moment, ye Zhilan flew down from the sky. Her long dress fluttered like a graceful swan, and her temperament was like that of an otherworldly saintess. Just by standing in front of everyone, she instantly stunned the entire scene.

She walked elegantly towards Chen Xiaobei and stopped at the perfect spot.

Chen Xiaobei was on high alert, but he could not sense any hostility from ye Zhilan.

This girl was born with an elegant temperament and exuded a strong affinity. She was very easy to get close to people.

“Young master Chen.”

Ye Zhilan nodded slightly and said calmly, the conflict between us has not developed to an irresolvable stage. There is no need to fight to the death. What do you think? ”

He had to admit that this woman was very smart. She saw through the two most important points of the situation with one glance!

Secondly, if they continued to cause a scene, ye Lingyun would die and Chen Xiaobei’s net would be broken!

And she had pointed out the key and the pros and cons of the matter with a simple sentence!

The main point was that her appearance was like a stepping stone for ye yanmo to step down, and the ye family’s face could be more or less preserved.

“Yes, yes, yes! Zhilan is right!”

Ye yanmo immediately reacted and said in a deep voice, ” we don’t have any grudges against each other. It’s just a small misunderstanding. There’s no need to threaten each other’s life!

“Finally, someone who understands!” Chen Xiaobei ignored ye yanmo and looked at ye Zhilan.

Chen Xiaobei was well aware of the consequences of this, so he only slapped ye Lingyun twice. If ye Lingyun’s life was really in danger, he would not let the ye family off.

“Young master Chen has already shown mercy to cousin Ling Yun. I’m willing to guarantee that as long as young master Chen lets cousin Ling Yun go, we can minimize the issue between us and minimize the issue! I definitely won’t find young master Chen for revenge!”

“It’s so comfortable to talk to smart people!” Chen Xiaobei’s lips curled into a knowing smile.

This was not a big issue. Chen Xiaobei had already slapped ye Lingyun twice. Of course, he could accept the outcome of the reconciliation.

Chen Xiaobei’s concern was ye Yanling’s revenge.

Ye Zhilan saw through Chen Xiaobei’s concerns and stepped forward to vouch for him, eliminating his worries.

No nonsense, no beating around the bush, straight to the point!

He was really smart!

Childe Chen ... You can not trust her so easily ... gumoke wiped off his cold sweat. "If you let them go and the other party reneges, we'll be dead!"

Fan he nodded his head at the side. It was obvious that he didn't dare to believe ye Zhilan's guarantee.

However, Chen Xiaobei was not worried at all. He let go of ye Lingyun and smiled at ye Zhilan. "I believe you!"

"Why?" Ye Zhilan's expression was slightly startled and she was a little hesitant.

"Because you're a smart person!" Chen Xiaobei smiled.

"Father! Help me take revenge! Kill this kid! Just kill him!" On the other side, ye Lingyun howled and ran back to ye yanmo's side, like a primary school student who had been greatly wronged.

"Whoosh ..."

Ye yanmo didn't hesitate, and his entire body burst with the primordial chaos Divine light.

It was like a tide in the sky, causing the color of heaven and earth to change and the time and space to tremble.

Saint King!

Ye Yanyun was an early-stage one-star Saint King!

"Shua shua ... Shua shua ..."

At the same time, the guards and henchmen surrounded Chen Xiaobei, forming an inescapable net. They did not give Chen Xiaobei any chance to escape.

"We're finished ..."

Gumoko's face turned green as his pupils contracted uncontrollably. His heart beat rapidly as if it was about to jump out of his throat.

A few seconds ago, he was still reminding Chen Xiaobei to be careful of the enemy going back on his words.

He didn't expect that he was right.

At this moment, a catastrophe had already enveloped them. Even if Chen Xiaobei could fight with ye yanmo, the ye family still had eight other Holy Kings and one emperor Hong Tian!

No matter how he looked at it, this was a dead end with no solution!

"Young master Chen ... You've harmed me ..."

Fan he's face was ashen as he wailed in pain.

He had promised Chen Xiaobei that he would follow Chen Xiaobei for three years and not do anything life-threatening.

Who would have thought that on the first day she followed Chen Xiaobei, she would be led into a hopeless situation!

At this moment, fan he's intestines were turning green from regret.

"You little brat! Your time of death has arrived! Hahaha ..."

Ye Lingyun grinned hideously. His mouth was still bleeding, and his face was swollen like a pig's head, making the scene very strange.

"Whoosh ..."

At the same time, ye yanmo had already activated his Saint Qi and was ready to attack Chen Xiaobei.

"Uncle!"

Suddenly, ye Zhilan stepped forward and stood in front of Chen Xiaobei. "My guarantee is not just for show!"

She didn't say much, but she was very imposing.

He wasn't just saying it!

In other words, he must ensure Chen Xiaobei's safety!

"Zhilan! You ..."

For a moment, even someone as strong as ye yanmo had to stop his attacks.

The surrounding people didn't dare to move.

It was not hard to tell that ye Zhilan's strength was probably above ye yanmo's!

"I'll take her away first, and I'll explain to uncle later!" Ye Zhilan said calmly.

this ... ye yanmo hesitated.

"Father! Don't let that kid off! No... ye Lingyun couldn't take it on the spot and started to make a scene.

"Let's go!" Ye Zhilan ignored ye Lingyun and left with Chen Xiaobei and the other two.

No one dared to stop him.

[Red Envelope Group of the Three Realms](#)

Chapter 4114: Undercurrents surging!

4114 Undercurrents surging!

He left the Yan Yun Palace.

Gumoke and fan he felt as though they were in a dream, they could not believe that they were still alive.

In that situation, the ye family should have just attacked Chen Xiaobei and killed him on the spot. There was no need for them to keep their promise.

Even if the news spread, no one would dare to say anything.

Hence, both gumoko and fan he thought that this was a hopeless situation.

However, under such circumstances, Chen Xiaobei chose to believe in ye Zhilan. It was a gamble with his life on the line.

Luckily, Chen Xiaobei won the bet!

Otherwise, the three of them would have been beheaded and died without an intact corpse!

“Why?”

Ye Zhilan suddenly asked as they walked.

“What do you mean why?” Chen Xiaobei asked calmly.

“Why do you believe me?” Ye Zhilan said.

In fact, both of them had not made things clear just now. Ye Zhilan could not understand why Chen Xiaobei would bet his life on her.

“Because of my talent!”

don't say that I'm not being humble. I'm very talented in fighting people three levels higher than me. No smart person would want to be my enemy! Moreover, you're not just smart!”

you're right ... ye Zhilan nodded.”Your talent is truly astonishing! I'm guessing that your background and backing are extremely powerful! Therefore, I don't want the ye family to become your enemy!”

so that's the case ... gumoke and fan he were enlightened.

It was because ye Zhilan was someone who could see further and think deeper. That was why she wanted to protect Chen Xiaobei. This was to prevent the ye family from becoming enemies with the forces behind Chen Xiaobei.

Of course, Chen Xiaobei did not have any powerful backing.

This was purely a game.

If ye Zhilan wasn't here and the enemy didn't think about the deeper things, the battle just now would have been inevitable!

After observing Chen Xiaobei's talent, confidence, dominance, and strength ... Ye Zhilan could not help but suspect that Chen Xiaobei had a powerful backer behind him.

Because she was smart enough!

So, Chen Xiaobei won the bet! And it was almost a 100% win!

“Right, I heard that you're here to sell peak Saint artifacts.” Ye Zhilan said.

“Yeah, are you interested?” Chen Xiaobei asked.

“Of course I'm interested!”

Ye Zhilan said, "Peak Saint artifacts are very rare and an extremely important resource! In the southern region, a peak Saint artifact could almost determine the ownership of a city or a land! All great factions desire even more peak Saint artifacts!"

Indeed, in the southern region, many small forces didn't have Saint King level trump cards. Peak Saint artifacts were their strongest trump cards, so the more the better.

However, there were only a limited number of pinnacle Saint weapons. Some pinnacle true saints didn't even have such a treasure. Therefore, it had become an extremely rare resource. Even if one had money, they might not be able to buy it.

"If you're interested, I'll sell it to you!" Chen Xiaobei shrugged and said.

"Re ... Really?" Ye Zhilan's expression froze. Her bright eyes that were as clear as a spiritual spring revealed deep surprise. You don't seem to be interested in peak Saint weapons at all!

It's of little value. It's tasteless, but it's a pity to throw it away. That's why I want to sell it! Chen Xiaobei said.

Chicken ... Chicken ribs!? Ye Zhilan was taken aback. She looked at Chen Xiaobei with a complicated expression, as if she was looking at a monster.

A pinnacle Saint item that was extremely rare and important to others was actually of little value to Chen Xiaobei!

Ye Zhilan was so smart that she could see through everything with a glance.

But now, she realized that she could not see through Chen Xiaobei at all. This handsome young man was like a bottomless black hole, unfathomable, and even made her feel a little afraid.

"How is it? Do you want it?" Chen Xiaobei asked.

"I want it!"

Ye Zhilan composed herself and said, "However, I don't have that much cash. I'll have to pay my respects to grandfather before I can carry out the transaction! Moreover, my Ye family doesn't have enough cash, so I hope that Saint Qi can be used to replace a portion of the money!"

"No problem!" Chen Xiaobei agreed.

Since that's the case, you guys can wait at my Zhilan Palace Hall first. I'll meet grandfather as soon as possible and come to trade with you! Ye Zhilan said.

After that ...

Chen Xiaobei and the other two were sent to Zhilan Palace.

Ye Zhilan went straight to Hong Tian Palace in the center of the city to pay her respects to Ye Hong Tian.

On the other side.

Ye Lingyun cleaned his wound briefly and continued to make a scene with his swollen face.

“Father! How can you let that kid go so easily? He beat me up like this! “We can’t let him go ...” Ye Lingyun didn’t give up.

“Be quiet!”

“What can I do if ye Zhilan wants to protect that kid?” ye yanmo frowned.

“What’s so great about ye Zhilan? Father, you’re her uncle! Don’t tell me she still dares to offend her superior?” “Besides, even if ye Zhilan wanted to fight, she’s not father’s match!” Ye Lingyun said unhappily.

No... ye yanmo shook his head. three years ago, ye Zhilan was indeed no match for me ... However, after three years of life-and-death seclusion, her cultivation level has improved greatly. Her abilities are already one minor realm higher than mine!

“What!” Ye linyun’s eyes widened like a bull’s and his scalp went numb.”How did ye Zhilan do it? Three years to break through a minor realm? Is she still human?”

As the eldest grandson of the ye family, ye Lingyun was far behind ye Zhilan in terms of wisdom and state of mind.

At that moment, ye Lingyun was even more ashamed when he compared his cultivation base! To put it bluntly, he, the eldest grandson of the ye family, was not even comparable to a speck of dust under ye Lingyun’s feet!

“In the future, don’t ever provoke ye Zhilan!”

“If nothing goes wrong, she will become the young master of the ye family and inherit your grandfather’s position in the future!” Ye yanmo said.

“What?”

Ye Lingyun jumped up immediately and shouted with great resentment, “ ye Zhilan is a first rank female. What right does she have to inherit the position of the family head? ”

“With her cultivation!”

“Of the nine great saint Kings under your grandfather and the five kings of the ye clan, ye Zhilan is already at the top!” Ye yanxun said. Although the remaining four great Holy Kings had stronger experts, they were all outsiders! Therefore, ye Zhilan is the only candidate!”

“Damn it!”

“If not for ye Zhilan, the next family head would have been my father!” Ye Lingyun gritted his teeth. This b * tch! Simply dammit!”

“Calm down!”

Ye yanmo narrowed his eyes and said gloomily, “Ye Zhilan is only a young master for the time being! Before your grandfather leaves Hong Tian city, she might not be safe!”

Ye linyun's eyes lit up and he said excitedly, "Father, do you already have a way to deal with ye Zhilan? Hurry up and tell me! I can't wait!"

Red Envelope Group of the Three Realms

Chapter 4115: Sudden change!

4115 Sudden change!

"I don't need to do anything, I just need to wait quietly!"

"Three months from now, the southern region martial arts competition will be held. Ye Zhilan narrowly escaped with her life!" Ye yanmo said indifferently.

"The southern region Grand martial arts competition?"

"Shouldn't this kind of competition stop at a certain point?" ye linyun asked.

"It used to be! However, it's different this time!" Ye Yan narrowed his eyes and a sinister smile appeared on his face.

"What's the Difference?" Ye linyun asked impatiently.

"This time's martial arts competition is a duel to the death!" "Furthermore, the top young geniuses of the entire southern region will appear!" Ye Yanming said. There are even heretical powerhouses who are above the minor heaven board!"

"What!"

"What's a heretical powerhouse?" ye Lingyun asked in surprise. There was someone in the younger generation that could surpass the minor heaven ranking? How ... How could this be possible? I've never heard of it before!"

"The world is so big, there are countless things you haven't heard of!"

"I only heard about it recently!" Ye yanmo replied indifferently. Somewhere in the southern domain, there was a group of powerful cultivators! The so-called heretics were people whose origins were unknown, and who could not even tell if they were humans or ghosts? Is it a demon or a demon?"

"Oh my God ... There's actually such an existence in this world?" Ye linyun was shocked and couldn't help but ask, "What's so special about the martial arts competition of the southern region? Why is it that even a rare existence has to get involved?"

"I don't know ..."

Ye yanmo shook his head and said, "the secret behind this southern region martial arts competition is far beyond what we can understand!" We'll just take care of ye Zhilan's corpse and not care about anything else!"

"Understood!"

"As long as father can become the next head of the ye family, nothing else matters!" Ye Lingyun nodded heavily.

"It's good that you understand!" Ye yanmo said in a deep voice, "in the next three months, bear with it as much as you can. Don't provoke ye Zhilan!" After three months, the ye family will be under the rule of us father and son!"

"I understand! But ..."

Ye Lingyun rubbed his swollen cheeks and frowned in pain. "However, I've been beaten up by an outsider today. I really can't take this lying down!"

"Don't worry about that!"

Ye yanmo's eyes flashed coldly, " "We can't provoke ye Zhilan for the time being, but ye Zhilan can't protect that kid forever! Get someone to follow that kid. As long as he leaves ye Zhilan's protection, kill him immediately!"

.....

Zhilan Palace.

After a long wait, ye Zhilan finally returned.

Childe Chen, there are 100 million Saint origin Mystic crystals and 200 peak-stage Saint Origin Energy in this Meru space. You can count them!

Ye Zhilan took out a Xumi space and handed it to Chen Xiaobei.

After checking, the things in the space were exactly the same as what ye Zhilan had said.

these are three peak Saint artifacts. Take a look!

After that, Chen Xiaobei took out LAN Yitian's three pinnacle Saint weapons and gave them to ye Zhilan.

"No problem!" Ye Zhilan checked them briefly and put away the three peak Saint weapons. She said, " the deal is successful. What are your plans next, young master Chen? "

"You and I just met by chance. Why are you asking me about my plans?" Chen Xiaobei laughed. Don't tell me you've taken a fancy to me?"

"Young master Chen! Please conduct yourself with dignity!"

Ye Zhilan's face was slightly red as she explained, "It's my grandfather's wish. If young master Chen doesn't have any urgent matters, perhaps you can stay in Hong Tian city for a period of time!"

pfft ... Chen Xiaobei was amused by ye Zhilan.

Such a powerful female saint King was actually embarrassed by a small joke.

The sharp contrast made her seem especially innocent and pure.

"What are you laughing at?" Ye Zhilan glared at Chen Xiaobei.

"It's nothing,"

I'm going to Jiuxuan city soon. I won't be staying here any longer. Please thank Celestial Emperor Hong Tian for my kindness! Chen Xiaobei said.

"What are you going to do in nine mystical city?" Ye Zhilan continued to ask.

"If you're not interested in me, I don't need to answer this question!" Said Chen Xiaobei with a smile.

Obviously, Chen Xiaobei was always on guard. He would not tell her everything just because she was pretty.

It would look better if he rejected her tactfully.

"I ..."

Ye Zhilan was a smart person. She knew that Chen Xiaobei did not want to talk about it, so she did not continue asking. "Since that's the case, I wish Childe Chen all the best. We'll meet again!"

"We'll meet again!" Chen Xiaobei smiled. They would meet again during the southern region martial arts competition.

.....

Using the portal in Hong Tian city, Chen Xiaobei, Gumoke, and Fan he arrived at nine mystical city.

According to their plan, they would be able to leave the southern region and head to the other Holy regions through the teleportation portal at the core of the nine mystical city.

Luo Tianyu sensed that the Luo clan was in the Cangsheng heaven domain, while Ji Jinlu sensed that the Ji clan was in the eternal Sacred Emperor domain. As for the ancestral Dragon, the primordial Phoenix, and the primordial Qilin, the summoning they felt came from the upper province of the Yuan Sage.

The three of them arrived at the core teleportation array of the nine mystical city and asked the manager.

The manager of the Cang Sheng heaven region and the Yuan Sage upper region had never heard of them. It was clear that these two sacred regions were extremely far from the South. Even the transmission array was not connected, so they could not travel freely.

Fortunately, the teleportation array in Jiuxuan city could directly go to the eternal Sacred Emperor domain where the Ji clan was located.

Chen Xiaobei wanted to go to the Cangsheng heavenly region where the Luo clan was located.

However, taking a step back, the eternal sacred imperial domain was also a good choice.

For one, the ten strands of primordial violet vapor that the Ji clan's ancestor was responsible for passing on to the reincarnator of Pangu were all there. Secondly, the heritage Site of an Imperial Emperor from the Ji clan was also there.

As long as this operation went well, Chen Xiaobei's strength would increase greatly.

It was still very much worth looking forward to!

But!

Just as Chen Xiaobei paid the teleportation fee and was about to leave, a huge change happened!

[ding! LAN mengchen has sent you a message!]

The communication rune was like a communication device built into his brain, and Chen Xiaobei could receive any messages at once.

“LAN Mengcheng, Chen!” I’ll give you four hours! Go back to blue Moon City. Otherwise, I’ll slaughter Blue Moon City just like I massacred wind flame city!

“This ...”

Chen Xiaobei’s heart clenched as if he had been struck by lightning.

The massacre of wind flame city was ning Tiancheng’s masterpiece!

LAN Mengcheng and the entire LAN Yue city had fallen into ning Tiancheng’s hands. If Chen Xiaobei did not return, the LAN family would be annihilated!

how did this happen?!

Chen Xiaobei’s brows were tightly knitted together, and he looked extremely anxious.

[Red Envelope Group of the Three Realms](#)

Chapter 4116: An eye for an eye!

4116 An eye for an eye!

Without a doubt, Chen Xiaobei was caught off guard by this sudden change.

He never expected that ning Tiancheng would actually attack the LAN family!

Logically speaking, ning Tiancheng and the LAN family had nothing to do with each other. It was even more impossible for ning Tiancheng to know the relationship between the LAN family and Chen Xiaobei.

“It’s the Bai family!”

Chen Xiaobei’s mental state was strong enough to keep his calm. He quickly figured out the key to the problem.

Back then, Chen Xiaobei had used the Saint devouring axe to devour LAN Yitian’s primordial spirit.

On both sides of the axe, there were strange patterns of the three-eyed Saint blade.

At that time, Chen Xiaobei was on the high platform, and people from afar could not see the pattern clearly. Even if they did, they would not recognize it.

Other than LAN Mengcheng, there were only the three Bai family members left.

Chen Xiaobei did not think much of it.

Now that he thought about it, it must have been the father and son of the Bai family who recognized the strange pattern of the three-pupil Holy edge and told ning Tiancheng the news, which made ning Tiancheng attack the LAN family.

“Childe Chen, what happened?”

Fan he noticed Chen Xiaobei’s unusual behavior and quickly asked.

“Ning Tiancheng caught someone who was very important to me!” Chen Xiaobei did not hide anything and told the truth.

“What!” “Young master Chen!” Fan he was shocked and said awkwardly. This matter has nothing to do with me!”

“I know! It’s none of your business!” Chen Xiaobei said.

Obviously, fan he did not know about Chen Xiaobei’s relationship with the LAN family, so it could not have been fan he who leaked the secret.

As for gumoko, it was now shivering at the side, not daring to speak.

This guy definitely wouldn’t dare to leak the secret.

Chen Xiaobei’s guess was that it was the Bai family who had leaked the information.

“What do you plan to do?” Fan he asked.

save people!?

Fan he swallowed his saliva and replied awkwardly, “You have to think clearly! Once he went, he would have to face ning Tiancheng head-on! Let’s not talk about the outcome first. There’s one thing that’s extremely disadvantageous to you, and that’s the hostage!”

The reason why Chen Xiaobei did not want to fight with ning Tiancheng was because ning Tiancheng had the primordial spirits of everyone in Fengyan city.

As long as ning Tiancheng had a hostage, Chen Xiaobei would be under his control.

Moreover, at this moment, not only did ning Tiancheng have Zhaoyi’s primordial spirits in his hands, but he also controlled the life and death of the entire LAN family.

In this situation, even if Chen Xiaobei had a Saint King level trump card, he would not be able to use it.

“I know the situation is not in my favor!”

that’s why I’m telling you the truth now. I want to ask you if you have a way to get out of this! Chen Xiaobei said calmly.

I ... fan he’s expression faltered as he stammered, “I do have an idea! But ...”

“But what?” Chen Xiaobei quickly asked.

I ... I don’t dare to say ... fan he gulped down a mouthful of saliva, looking extremely conflicted.

“Swish!”

Without another word, Chen Xiaobei took out the other Seven Star Saint item and said, “Tell me your method, and this Seven Star Saint weapon will be yours!”

“This ...”

Fan he’s eyes flashed with a fiery heat.

As a mercenary merchant, fan he had no way to resist such a price.

However, he seemed to have a huge concern and still did not dare to say the way to break the situation.

“Young master Chen, actually, you don’t have to save her ...”

Fan he said in a deep voice, “just pretend you don’t know anything and don’t go!” If ning Tiancheng can’t find you, the hostage might still be safe ...”

“No! I must go!”

no! Chen Xiaobei said, “ning Tiansheng has my woman. The other hostages are of no value to him. He will kill them all! The billions of innocent people of the two races must not die because of me!”

It was obvious that deep in Chen Xiaobei’s heart, there was an indescribable feeling for Fengyan city.

The city Lord Jiu e who kept his promise, the people who were simple and honest, and the woman who pushed Chen Xiaobei out of the gates of hell at the most critical moment.

Chen Xiaobei could not stop thinking about it.

More importantly, ning Tiancheng had gone to Fengyan city to hunt Chen Xiaobei down.

The entire Fengyan city had been destroyed because of Chen Xiaobei.

Now, there were billions of people in wind flame city, and Chen Xiaobei’s physical body had been destroyed by ning Tiancheng.

Chen Xiaobei could not stand by and watch their primordial spirits be destroyed.

On top of that, the LAN family had also become ning Tiancheng’s hostage. They had also suffered an undeserved calamity because of Chen Xiaobei.

If the entire LAN family were to be slaughtered, Chen Xiaobei would feel guilty.

More importantly, was Chen Xiaobei going to meet LAN Mengcheng in the future?

The two of them had just gotten intimate with each other. If Chen Xiaobei were to carry the souls of the entire LAN family, their relationship would end as well.

Chen Xiaobei did not want the innocent to die because of him!

Chen Xiaobei had to protect his relationship with LAN Mengcheng and save her from the evil clutches of the enemy!

For personal or official reasons, Chen Xiaobei had to return to Blue Moon City.

Therefore, Chen Xiaobei's attitude was very firm, and he was even giving off an unquestionable pressure.

Gumoko's face turned pale from fear, and he did not even dare to breathe.

He was afraid that Chen Xiaobei would take his life with a single thought.

Fan he's cultivation level was higher than Chen Xiaobei's, so he was able to calm himself down, but he did not dare to persuade Chen Xiaobei to leave.

"Since young master Chen has made up his mind ... Then I'll take a gamble!" Fan he took a deep breath and said, "to deal with ning Tiancheng, young master Chen can only give him a taste of his own medicine!"

"You mean ... You want me to go and get a hostage too?" Chen Xiaobei immediately understood what was going on.

It was obvious that this was a way to break out of this situation.

Other than that, there was no way Chen Xiaobei could have protected everyone.

"This is a good idea, but I'm afraid ordinary hostages won't be able to threaten ning Tiancheng!"

of course! Chen Xiaobei said, "right now, I have the primordial spirits of ning Ziyao, ning Changfeng, and the other top ten peak true divine! But I'm worried that ning Tiancheng will sacrifice these hostages in exchange for my life!"

It was obvious that Chen Xiaobei had used up all the Holy Meridian to destroy the sacred city that the nings had been running for billions of years.

Cutting off one's path to wealth was like killing one's parents!

On top of that, Chen Xiaobei had crippled the ten pinnacle true saints of the nings, destroyed their physical bodies, injured their primordial spirits, and crippled their cultivation.

To put it bluntly, the primordial spirits of these ten people were equivalent to trash.

Using them as hostages, ning Tiancheng would probably not even care.

With ning Tiancheng's brutal personality, he would definitely sacrifice these ten people to take revenge on Chen Xiaobei.

of course, a normal hostage won't work!

"If young master Chen wants to threaten ning Tiancheng, we have to catch that woman!"

"A woman?" "Who is she?" Chen Xiaobei asked.

[**Red Envelope Group of the Three Realms**](#)

Chapter 4117: Target locked!

4117 Target locked!

"Li xiangsi!"

Fan he lowered his voice and said, "she is ning Tiancheng's most beloved woman!" As long as we can capture her, we can force ning Tiancheng to exchange hostages!"

"Who's Li xiangsi?"

Gumoko was puzzled, "I've been in the ning Corporation for many years, but I've never heard of this woman. Moreover, with ning Tiancheng's character, he would never let go of the enemy who destroyed the ning family's sacred city for a woman!"

"This is a top secret that few people know about!"

"Li xiangsi was originally a slave with a low status, but because of her beauty, ning Tiansheng took a liking to her. After a long time, they fell in love ..." Fan he said.

"Originally, ning Tiancheng wanted to marry li xiangsi, but he was rejected by my big brother, ning Tianhao! For the sake of the ning family's face, and for his own future, ning Tiancheng had no choice but to hide li xiangsi!"

although li xiangsi is hidden outside the ning family's sacred city, ning Tiancheng often goes to accompany her. He has deep feelings for her!

"Later on, li xiangsi was poisoned, and the antidote could only be found in the great forbidden area, Dark Moon absolute heaven! After ning Tiancheng found out, he ignored the opposition of his family and risked his life to break into the forbidden area, Dark Moon absolute heaven!"

"In the end, ning Tiancheng got the antidote, but he was also seriously injured! It took me three thousand years to recover!"

Fan he composed himself and said, "for li xiangsi's sake, ning Tiancheng can even throw away his life!" If we can capture this woman, ning Tiancheng will definitely be willing to exchange hostages!"

"I didn't expect this ning Tiancheng to be a man of character!" Chen Xiaobei narrowed his eyes and looked at gumoke.

"I remember!"

"A long time ago, ning Tiancheng did indeed go into seclusion for three thousand years and did not meet with outsiders. There was even a rumor that he had died!" It seems like what fan he said did happen back then!"

"No need to doubt! I'm 100% sure of this!"

Fan he replied, "young master Chen asked me to gather information about the three monarchs of the ning clan, and I've already used all my connections!" The information about li xiangsi was given to me by someone from the nine mysteries dark sect, so it can't be wrong!"

nine ... Nine mysteries secret sect!?

Gumoko gasped and exclaimed, "Fan he! You've hidden it too deeply! He actually knows someone from the number one intelligence organization in the southern region!"

I've roamed the pugilistic world for so many years. I naturally have my own connections and Foundation. Otherwise, how could I have survived until today?" fan he replied indifferently.

It was obvious that fan he was not a simple person!

The information gathering this time had revealed the tip of the iceberg of his network!

Now that he thought about it, fan he had also mentioned the Gu Yin clan, who had a death grudge with the ning clan!

Even the ning clan couldn't find the Gu Yin clan, but fan he was able to contact them.

With fan he's help, Chen Xiaobei's reward was definitely worth it!

"Good! We've now locked onto the target!"

Chen Xiaobei was no longer suspicious, but he frowned and said, " but since li xiangsi is ning Tiancheng's most loved person, she will definitely receive the best protection. It's easier said than done to catch her.

"That's what I'm worried about!"

"I know where li xiangsi is hiding, but I'm not sure what kind of protection she has around her!" That's why I was hesitating whether I should tell young master Chen about this!"

Fan he had been so afraid of Chen Xiaobei that he had even advised Chen Xiaobei to give up on saving Blue Moon City.

That was because fan he wasn't sure how strong li xiangsi's protection was.

If the protection Force was too strong, Chen Xiaobei and the others would be walking right into the trap.

More importantly, ning Tiancheng was a Holy King. He had the ability to shatter the void. If they were to alert the enemy, ning Tiancheng would arrive in an instant and Chen Xiaobei and the other two would not be able to escape death.

However, Chen Xiaobei seemed to have his own plans. He said fearlessly, " "Don't worry about the protection Force. It's easy as long as you know the specific location! Time waits for no man, we'll go there immediately!"

alright then ... since fan he had already decided to take a gamble, he naturally wouldn't waste any more time.

.....

Fengzui city.

It wasn't a big city, but it was definitely suitable for living in seclusion.

Located in the South of the southern region, far away from war and disputes, the weather was pleasant all year round. The Maple leaves in the city changed color with the Four Seasons. No matter what color it was, it was enough to intoxicate people, hence the name drunken maple.

ning Tiancheng arranged for li xiangsi to stay in such a paradise. He really has deep feelings for her!

Chen Xiaobei could not help but sigh as he walked through the city.

His heart even throbbed. If he had the chance, he also wanted to live in seclusion here with his beloved.

[I'll stop the car and sit in love maple forest late at night, the frost leaves redder than the flowers in February!]

How pleasant and romantic!

there's an extremely elegant xiangsi garden by the qinghuai River in the south of the city. That's where li xiangsi lives!

young master Chen! fan he lowered his voice and said, " before we come up with a plan, don't get too close. We don't want to alert the enemy!

"It's fine!"

Chen Xiaobei said confidently, " ning Tiancheng is an early one-star Saint King. The power to protect li xiangsi should be below the Saint King realm. I can come and go as I please!

how ... How is this possible?! Fan he couldn't believe it.

"Whoosh ..."

The next moment, Chen Xiaobei summoned his Dharmakaya and kept his physical body in the Meru space.

Then, the practicing body transformed into a thin stream of purple Qi.

"What ... What is going on? I can't sense young master Chen's presence at all!"

Fan he exclaimed in shock.

"Wait for me here!"

let's go! Chen Xiaobei ordered, and then he headed to Xiang si garden in the south of the city.

After Chen Xiaobei had devoured all of jieyin's blood essence, his 10000 techniques return to one was completed, and all his Dharmakaya abilities had reached the pinnacle of true divine.

That was why no one below the Holy King level could detect Chen Xiaobei's purple Qi Dharmakaya.

Xiangsi garden.

This was a very, very elegant garden House. It was neither large nor luxurious, but it exuded an elegant and unique atmosphere from the inside out.

From this, it could be seen that the female owner of this house should also be so elegant and unique.

"Whoosh ..."

Chen Xiaobei's purple Qi Dharmakaya floated into the house with the wind.

It was strange. Although the size of the house was not large, it was definitely not small either. However, there was not a single servant inside or outside.

The surroundings were frighteningly quiet, to the point that one could even hear a pin drop.

Those who didn't know better would think that this was an empty house.

Chen Xiaobei kept going deeper.

Finally, when they were close to the master bedroom, they heard some movement.

this ... What does this mean?!

Chen Xiaobei was taken aback. He felt a little awkward, and then shocked.

Because at this moment, a man and a woman's voice could be heard from the bedroom.

Furthermore, this sound was indescribable!

[Red Envelope Group of the Three Realms](#)

Chapter 4118: The inside story is gradually becoming clear!

4118 The inside story is gradually becoming clear!

The master bedroom! A man and a woman! It was indescribable!

The clues were easily linked together!

With Chen Xiaobei's quick-witted brain, he was able to figure out the answer immediately.

ning Tiancheng has been cuckolded???"

Chen Xiaobei was shocked.

Who was ning Tiancheng?

He was one of the three emperors of the ning clan! A powerful Saint King! He was a tyrant who could easily massacre a city and exterminate an entire clan!

Such a character had actually been cheated on?

The most ironic thing was!

He, ning Tiancheng, had deep feelings for this woman. He had even risked his life for her and been seriously injured!

However, he had been cuckolded!

At this moment, Chen Xiaobei even sympathized with ning Tiancheng!

If ning Tiancheng knew the truth, he would definitely be so angry that he would vomit blood! Once this matter was leaked, ning Tiancheng's face would be completely swept to the ground, and the entire ning family would become a joke!

"Fiery golden eyes!"

Chen Xiaobei used his x-ray vision to look at the bedroom door.

As expected, the scene he saw with his own eyes was exactly the same as what he had speculated earlier.

The woman's looks and figure could probably only be considered above average, but there was an extremely special aura in her bones that seemed to have a magical attraction to men.

Even Chen Xiaobei, who had a strong mental state, could not help but be dazed.

Of course, Chen Xiaobei had seen countless beauties, so he was not so lost in them that he quickly regained his senses.

The man beside her looked more ordinary.

He had neither good looks nor good temperament. He was the kind of person who couldn't be found in a crowd.

In fact, he didn't even have any endurance.

Chen Xiaobei had only spent 30 seconds looking at it, and the indescribable journey had ended.

"Xiangsi ..."

"Every time I'm with you, I feel like I'm the happiest man in the world!" The man said gently.

Li xiangsi smiled charmingly and said, " qingzhe, it's been so many years. I'm also very happy to have you by my side. I'm very satisfied!"

You're satisfied my ass!

Chen Xiaobei could not help but complain.

"In that case, let's go together! Leave this place and go to a place where no one knows us. I will give you the best life!" The man named qingzhe patted his chest and promised.

"No! I can't go with you ..."

Li xiangsi shook her head without hesitation. "You know your temper, ning Tiancheng! Even if we run to the ends of the earth, he won't let us go!"

"Don't worry!"

The man named qingzhe continued, " although foster father won't let us go, I've already thought of a foolproof plan. We'll escape from the southern region and go to a hidden place. Foster father won't be able to find us!

"Foster ... Foster father?"

Chen Xiaobei felt as if he had been struck by lightning. He felt that his world view was shattered. At the same time, he sympathized with ning Tiancheng even more.

Ning Tiancheng was actually cheated on by his own adopted son?

Chen Xiaobei could roughly guess what had happened.

At this moment, the man's name was ning qingzhe. Ning Tiancheng must have arranged for him to be here to protect li xiangsi.

However, ning Tiancheng couldn't come over often, so li xiangsi and ning qingzhe had an indescribable relationship!

The house was empty, and it was naturally ning qingzhe's arrangement.

At the same time, it could be seen that ning Tiancheng trusted ning qingzhe very much! Ability! Strength! Talent! He should be very outstanding in all aspects!

However, there was one thing that Chen Xiaobei did not understand ...

Although ning qingzhe was outstanding, he could not be compared to ning Tiancheng!

Ability! Strength! Power! Status! Even in terms of appearance and figure, ning Tiancheng had an absolute advantage!

More importantly, ning Tiancheng was deeply in love with li xiangsi! For li xiangsi, he could risk his life and even not look for other women!

From a woman's point of view, ning Tiancheng was definitely a good man.

But why did li xiangsi still betray him?

Was it because he was empty, lonely, and cold?

This was clearly unreasonable!

"No! I can't go with you!" Li xiangsi rejected ning qingzhe.

This made Chen Xiaobei even more confused!

Since li xiangsi had already betrayed ning Tiancheng, why was she still unwilling to leave?

This was simply courting death! Seeking death!

"Why? In the past few years, how many times have I mentioned leaving? Why won't you agree to it? Why is this happening?"

Ning qingzhe's emotions suddenly became a little agitated. "Don't tell me you're afraid of being hunted down by him! These were all excuses! There's no end to the heavenly Saint realm. According to my plan, he won't be able to catch us!"

"Calm down!"

Li xiangsi's eyes narrowed and she said in a deep voice, "I know you've been waiting for a long time, but now is not the time to leave!" He said.

"In the past, I would have waited for you! However, things were different now. The ning clan's holy city was in ruins! Ning Tiancheng could completely withdraw from his position as the city Lord! When that

time comes, he'll be with you every day, and we won't have another chance! Do you understand? Do you understand?"

Ning qingzhe was getting more and more emotional. It was obvious that he had deep feelings for li xiangsi.

Li xiangsi was slightly moved. She sighed. "Now that things have come to this, I'll tell you the truth!"

"The truth? What truth?" Ning qingzhe asked in surprise.

"Ning Tiancheng has a special technique that can refine other people's primordial spirits and convert them into his own lifespan!" Li xiangsi said.

Chen Xiaobei was shocked.

Before, gumoko had mentioned that ning Tiancheng had cultivated this kind of evil art.

Coincidentally, the heavenly Dao had also mastered this evil art, which was why Ji Jinlu, Luo Tianzhou, and LAN Shunyi had been able to live until now.

Because of this, Chen Xiaobei even suspected that ning Tiansheng had something to do with the heavenly axiom.

At this moment, li xiangsi's words once again confirmed this point.

"No... No way ... Foster father has always taught me everything, but I've never heard him mention this special technique!" Ning qingzhe asked in surprise.

"Oh, you underestimate ning Tiancheng too much!"

Li xiangsi said, "on the surface, he sees you as his own son!" But in fact, I didn't completely trust you! He's even wary of me! I heard about this evil art from an outsider!"

this ... ning qingzhe was speechless.

After all, he had done something wrong to ning Tiancheng. What face did he have to ask for ning Tiancheng's trust?

"Calm down and listen to me!" Li xiangsi continued, "the reason why I'm with you is actually for this special technique!"

"What?" Ning qingzhe's eyes widened as if he had been struck by lightning.

Li xiangsi said, "ning Tiancheng kept the special technique a secret. I'm afraid only his own son can receive his teachings!" However, he can't have children ..."

"So, you're with me only to have children? You've never had true feelings for me?" Ning qingzhe's eyes were filled with despair, and his face was pale. "Where are our children? After all these years, did we not even have a child?"

[Red Envelope Group of the Three Realms](#)

Chapter 4119: The snake-haired heretic!

4119 The snake-haired heretic!

of course we have children. In fact, we've had no less than a hundred!

Li xiangsi slowly got out of bed and put on a light veil. She stroked her abdomen with both hands and said calmly, "However, there is no need to give birth to these children!"

"What?"

Ning qingzhe jumped up from the bed, gritted his teeth, and asked, "What the hell are you talking about? Explain yourself clearly!"

Li xiangsi said indifferently, "with ning Tiancheng's character, that special technique will definitely be passed on to men and not women!" Therefore, there was no need for the girl to be born! In addition, that special technique is extremely profound and can't be cultivated by ordinary people. Therefore, there's no need to give birth to a boy with insufficient talent!"

What do you mean there's no need to be born!? Ning qingzhe enunciated every word, his face contorted.

In fact, he had already guessed the answer.

However, he couldn't believe that the woman he had treated so sincerely over the years would turn out to be such a vicious lunatic!

Even a vicious Tiger would not eat its own children!

This woman wouldn't even let go of her own child. If she wasn't a lunatic, what was she?

Ning qingzhe couldn't believe it and couldn't accept it, so he had to hear the truth from li xiangsi.

"I've learned a special technique that allows me to know the gender and talent of the fetus after one month of pregnancy! Since there's no need to be born, I'll just melt it in my stomach!" Li xiangsi's expression remained unchanged, as if everything was natural.

you ... How could you do this?! Ning qingzhe's eyes were bloodshot, and the veins on his forehead were bulging. He was on the verge of collapse!

"I don't have a choice!"

Li xiangsi said, "once the child is born, there's a possibility that ning Tiancheng will find out that it's not his own child!" At that time, I will definitely die without a burial place! Therefore, she could not give birth to any unnecessary children! I have to do it even if I can't!"

Obviously, it was excusable that ning Tiancheng couldn't give birth to a child because he couldn't keep li xiangsi company.

However, if one day, li xiangsi gave birth to a child, ning Tiancheng might find a flaw.

So, from li xiangsi's point of view, one more child meant one more risk. So, in order to protect herself, she killed one child after another that she was not satisfied with in her own womb.

Over the years, she had killed more than a hundred children with her own hands!

From a normal person's point of view, this woman was simply insane and inhumane. She was even worse than a beast!

"Pa!!!"

Ning qingzhe didn't allow any explanation. He rushed up and slapped li xiangsi's face hard.

There was no doubt that the amount of sincerity ning qingzhe had given over the long years was equivalent to the pain in his heart at this moment.

His state of mind was completely unable to remain calm, and he was on the verge of going crazy.

"Calm down and listen to me!"

Li xiangsi's face was expressionless and she didn't look remorseful at all. Instead, she said indifferently, "now, I'll give you two choices. You can either maintain the status quo or I'll make you shut up forever!

you want to kill me?! Ning qingzhe's expression was ferocious and he was in a state of madness."You actually want to kill me? Hahaha ..."

"If you want to die, I don't mind fulfilling your wish!" "To be honest, you're just a tool to me!" Li xiangsi said indifferently.

tools?!

Ning qingzhe stopped laughing, and a murderous look appeared in his eyes."I do want to die! But, can you kill me?"

"Why can't I?" Li xiangsi retorted.

"I! Ning qingzhe! The number one genius in the ning clan's sacred city!"

Ning qingzhe roared, " it's precisely because I'm so talented that I was adopted by ning Tiancheng! My cultivation has reached the pinnacle of the true Saint realm, and I can crush those of the same level! Who under the Saint King realm can kill me?"

"Whoosh ..."

As he spoke, a terrifying round holy light burst out of ning qingzhe's body.

The small bedroom exploded in an instant.

Under the impact of the aftermath of the strong wind, it spread from the entire house to the vast area of the southern part of the city. Countless houses were directly razed to the ground, and the ordinary people were like withered leaves in the wind, blown away.

For a moment, the entire fengzui city was shaking.

"What powerful strength!"

Fortunately, Chen Xiaobei was in the form of purple Qi. Otherwise, with his cultivation, he would have been blown away by the wind.

It had to be said that this ning qingzhe was indeed powerful.

Although he was not invincible among his peers, he was definitely one of the best.

For example, the ten pinnacle true saints that Chen Xiaobei had killed earlier could barely compete with ning qingzhe even if all ten of them combined.

It could be seen that ning qingzhe's strength was not just for show!

In this world, strength was the truth!

It was no wonder that an outsider like ning qingzhe could gain ning Tiancheng's favor and become the emperor's adopted son. In the ning family's sacred city, he also had a pivotal position.

I know you're talented, otherwise I wouldn't have chosen you as a tool! li xiangsi said indifferently, "It's not an exaggeration to say that you have the potential to become a saint King. If you don't die today, you will definitely surpass ning Tiancheng in the future!"

"Since you already know, why do you still want to kill me?" Ning qingzhe gritted his teeth. His killing intent had already reached its peak.

There was no doubt that ning qingzhe was utterly disappointed in li xiangsi at that moment and hated her to the core.

He could make a move at any time and kill li xiangsi directly.

"On what basis?"

Li xiangsi's brows twitched. Strange scales suddenly appeared on her beautiful face!

They looked like dragon scales, but they were sharper and shone with a seven-colored luster!

Her eyes turned into vertical pupils, like the eyes of a snake!

Her black hair flew up and turned into dozens of twisting spiritual snakes!

When she opened her mouth again, she was already filled with fangs and her tongue had turned into a snake's tongue. It was extremely terrifying!

you ... You're a demon!?

Ning qingzhe was shocked, and his expression changed drastically. He shook his head repeatedly. "No! You're not a demon! Your aura is something I've never seen or heard before!"

"Oh, Yao? That's too low!"

Li xiangsi smiled indifferently. The spirit snakes on her head stretched out their necks, and hundreds of Snake Eyes stared at ning qingzhe.

who the hell are you?!

Ning qingzhe's pupils shrank, and the Saint Qi in his body suddenly exploded. He was about to launch a fatal attack.

"Have you heard of the Holy Spirit?"

Li xiangsi's brows twitched. Her eyes glowed with a rainbow-colored light.

"Whoosh ..."

At the same time, the eyes of the hundred spirit snakes on her head also emitted the same light.

Then, an extremely strange scene appeared.

Crack ... Crack ... Crack ...

Ning qingzhe's Saint Qi had been petrified!

Then, ning qingzhe was petrified!

It had become a huge stone statue!

"Other than the 'Holy Spirit'! We also have another title!"

Li xiangsi revealed an evil smile and said coldly, "A rare ... Heretic!"

Red Envelope Group of the Three Realms

Chapter 4120: domineering attack!

Holy Spirit?

A heretic that never appeared in this world!

Chen Xiaobei, who was not too far away, could see and hear everything clearly.

To Chen Xiaobei, be it the Holy Spirit or the heretic, he did not know anything about them.

However, as an Earthling, Chen Xiaobei thought of a legendary figure through li xiangsi-the Queen of snake hair, Medusa!

However, the Li xiangsi in front of him was obviously many levels stronger than Medusa!

The legendary Medusa on earth could only turn people who looked at her into stone statues.

However, at this moment, not only did li xiangsi petrify ning qingzhe, but she also petrified the Saint Qi that ning qingzhe had released!

It could petrify both physical and energy bodies!

This was li xiangsi's ability!

By the same logic, li xiangsi could definitely petrify the power of the enemy's attack!

In theory, this skill was invincible!

As long as the enemy's attack and body were petrified, the enemy would not be able to touch him at all!

However, in reality, this skill would be limited by li xiangsi's cultivation base.

At the very least, she couldn't petrify Holy King level existences.

Otherwise, she could completely petrify ning Tiancheng's attack, control him, and then slowly interrogate him about the special technique. It would save her a lot of trouble and scheming.

"Whoosh ..."

At the same time, a special energy appeared in li xiangsi's palm.

This kind of energy could make people feel its power and lethality, but it was not quite the same as Saint Qi.

Perhaps, it was because of this special energy that ning Tiancheng and ning qingzhe were unable to see through li xiangsi's cultivation! He had thought that she was a weak woman with an ordinary cultivation base and had been deceived by her until now!

"Shatter! What a pitiful tool!"

Li xiangsi raised her hand and was about to blast the energy onto ning qingzhe's stone sculpture.

According to Earth's myths and legends, as long as Medusa's head was cut off, the petrification of the person she petrified would be removed and they would return to normal.

This also showed that the petrification on ning qingzhe's body could be removed.

Therefore, if li xiangsi wanted to silence him completely, she had to break the stone statue and crush ning qingzhe's body and primordial spirit like a stone.

"Swish!"

Suddenly, Chen Xiaobei moved!

On one hand, Chen Xiaobei felt that ning qingzhe was very pitiful. He was used as a tool to deceive his feelings, and hundreds of his children were killed mercilessly. It was inhumane.

On the other hand, Chen Xiaobei felt that ning qingzhe still had some value to him.

So, Chen Xiaobei's current action was to save ning qingzhe.

"Whoosh ..."

Chen Xiaobei summoned the Dragon's edge.

"Woof!"

In an instant, a huge Tai Chi Eight Trigrams appeared in front of the stone statue and steadily blocked li xiangsi's energy.

From this, it could be seen that li xiangsi's cultivation was indeed below that of a Saint King.

Therefore, her energy couldn't break through the defense of the demonic Dragon's edge, which was fused with the Tai Chi diagram.

"Who's there?"

Li xiangsi was shocked. She immediately looked around with her Snake eyes wide open.

The dozens of spirit snakes on her head were also twisting their bodies and scanning the surroundings.

It was obvious that as long as he locked onto his target, the seven-colored radiance would be able to petrify the enemy.

However ...

Chen Xiaobei's purple Qi Dharmakaya could not be detected by anyone below the Holy King level.

Even though li xiangsi had hundreds of Snake Eyes, she could not find Chen Xiaobei.

"Whoosh ..."

Li xiangsi had no choice. She immediately turned her gaze and fixed it on the Dragon's edge.

Although she could not find Chen Xiaobei, she could petrify the Dragon's edge. After all, the Dragon's edge was so powerful that she could not just leave it alone.

In an instant, li xiangsi's Snake Eyes, as well as the eyes of the dozens of spirit snakes above her head, all locked onto the Dragon's edge.

According to the situation just now, the Dragon's tribulation, which was also at the peak of the true sage realm, would be petrified just like ning qingzhe! Even the Tai Chi Eight Trigrams would be petrified and lose its threat!

"Chi ..."

However, at this moment, a thin layer of white light suddenly scattered down from the sky like smoke and fog. With li xiangsi as the center, it enveloped the entire territory within a radius of 10000 feet.

"Hmm? Why is my Holy Spirit power not working?"

The next moment, li xiangsi turned pale with fright.

No matter how hard she tried, she couldn't activate the petrification ability.

"What's that?"

Subconsciously, li xiangsi raised her head to look at the sky. Soon, she saw a white jade ring with dragon patterns.

That's right!

This was the one star Saint King grade Saint Duke Emperor ring!

Its special ability was to seal all magical treasures and special abilities below the Saint King level!

Li xiangsi's cultivation had not reached the level of a Saint King, so her Saint spirit abilities were naturally sealed and she could not use them!

"Clang"

At the same time, the Dragon's edge turned into a black knife and slashed at li xiangsi.

Under normal circumstances, not only would the enemy's magical equipment and abilities be sealed within the range of Saint Duke's Emperor's ring, but Chen Xiaobei's own magical equipment and abilities would also be sealed.

However, at this moment, the Dragon's edge was no longer a magic weapon.

When it became a Saint artifact, the black demon Dragon's demon spirit transformed and sublimated. It fused with life force and evolved into a true life!

Therefore, the Tribulation of the demonic Dragon was no longer a magical treasure, but a demon!

The black blade was just one of the transformations of the Dragon's edge!

Because of this, the Tribulation of the demonic Dragon would not be sealed and could continue to attack.

Moreover, the Dragon's edge did not consume Chen Xiaobei's energy. Instead, it consumed the Saint Qi in his sea of Qi dantian.

It could even be said that the Dragon's edge and the Saint Duke Emperor's ring were a perfect match!

"Whoosh ..."

After all, li xiangsi was no ordinary woman. With a thought, she directly released a strong protective Saint origin power.

Clang!

After a loud explosion, the Dragon's edge seemed to have hit an iron wall. Li xiangsi was not hurt.

"Who is it? Come out! Come out!"

After li xiangsi blocked the Dragon's edge, she was even more frightened. She desperately scanned her surroundings, trying to find Chen Xiaobei's position.

She knew very well that she was trapped in a cage. Although she could still resist the Dragon's tribulation for the time being, it was only a matter of time before she was captured.

Only by quickly finding and defeating the enemy would she have a chance of survival.

Obviously, her intuition was very accurate!

However, she didn't expect that she would be defeated so quickly!

"Whoosh ..."

Suddenly, Chen Xiaobei took out the beixuan Saint-sealing painting.

This map had merged with the mountain river Map and had become a peak Saint weapon. It could seal all enemies below the Saint King level.

Even a pinnacle true sage would need at least a year to break through the seal after being sealed in the map without a magic treasure of the same level! Even if he had a magic treasure of the same grade, he would be trapped for ten days to half a month!

At this moment, the beixuan Saint-naming painting was placed above Saint Duke's Emperor ring.

"Whoosh ..."

The sealing ability was activated immediately, and together with Sheng Jue's Emperor ring and Li xiangsi, they were all sucked into the map.
