Red Envelope Group of the Three Realms

Chapter 4121: Front and back pincers!

“Done!”

Chen Xiaobei revealed his human form and said, “the seal on the map is guarded by Saint Duke’s Emperor ring. Even if li xiangsi has a pinnacle Saint weapon, she can’t use it to break the seal.

that is to say, unless I release her of my own accord, li xiangsi will be trapped for more than a year before she has a chance to come out.

moreover, even if she breaks the seal and escapes, she’ll definitely be exhausted and her vitality greatly damaged. She won’t be able to escape from me at all.

Chen Xiaobei was extremely calm and smart.

At the critical moment just now, not only did he protect ning qingzhe, but he also came up with a perfect plan to take down li xiangsi.

The entire process was done in one go, as smooth as floating clouds and flowing water. It was simply an art!

Of course, for this perfect ending, Chen Xiaobei had to pay a huge price!

First, activating Saint Duke’s Emperor ring had consumed the Saint Origin Energy equivalent to a Saint King level Saint Meridian.

Before this, Chen Xiaobei had only managed to gather four portions of this level of Saint Qi from the eight trigrams Dragon trapping tower and the falling star flying swan.

Now that he had used it once, Chen Xiaobei only had three chances to activate his Holy King-level trump card.

Moreover, Saint Duke’s Emperor’s ring had to suppress li xiangsi, so it had to be kept in beixuan’s Saint-naming map for a while. It meant that he had lost a trump card.

Secondly, activating the beixuan Saint-sealing scroll had also consumed a portion of Saint Origin Energy equivalent to a peak Saint Meridian.

This energy was naturally far from the level of a Saint King, but it was still not a small amount.

Fortunately, Chen Xiaobei sold three pinnacle Saint weapons under fan he’s guidance. Now, he had enough Saint origin crystals and Saint Origin Energy to activate a pinnacle Saint weapon 300 times.

After deducting this one, he could still activate it 299 times.

This way, Chen Xiaobei would not have to worry about running out of energy for his pinnacle true divine rank trump card for a while.

After that, Chen Xiaobei’s Dharmakaya returned to his body and put away the Dragon’s edge and ning qingzhe’s stone statue.

“Now, it’s time to rush to Blue Moon City!”

Chen Xiaobei took a deep breath and headed back to blue Moon City with fan he and gumoko.

As soon as Chen Xiaobei left, a large group of people followed him.

The leader of the group was a young man. Both of his cheeks were swollen like a pig’s face, and there were clear palm prints on his face.

That’s right!

He had followed Chen Xiaobei all the way here, and he had brought hundreds of elites with him!

He was holding back all his energy to catch up to Chen Xiaobei and take revenge for the two slaps on his face!

However, after Chen Xiaobei transformed into the purple mist, they lost track of him and were attracted by the battle here!

young master, I’ve already sensed that the kid is flying north!

A black-robed old man spoke in a faint voice, like a ghost in the dark night, making one’s hair stand on end.

“Didn’t elder ye just say that he couldn’t sense that kid’s location? Why did you suddenly sense it again?” Ye linyun asked, confused.

Elder ye narrowed his eyes and said coldly, ” “Actually, I could also sense it just now, but it was intermittent, so I couldn’t be completely sure!”

She could sense Chen Xiaobei’s purple Qi Dharmakaya?

The old man’s strength could be seen from his words!

One star Saint King level!

However, he could only sense it intermittently, so it should only be an early stage one star Saint King!

Of course, as long as he was a Holy King, he would be a huge threat to Chen Xiaobei!

From this, it could be seen that ye yanmo and ye Lingyun had really put in a lot of effort to get revenge.

They had actually sent out one of the nine great saint Kings under Emperor Hong Tian.

They really thought too highly of Chen Xiaobei.

But then again, this was also a sign of the enemy’s intelligence!

Since he wanted to take revenge, he should have sent the Holy King directly to settle the matter, not send some random fish to give him experience! If Chen Xiaobei managed to escape, it would bring them a lot of trouble!

since elder ye has locked onto them again, let’s just chase them!

“We’re about to enter the North, which is very far from Hong Tian city. Ye Zhilan can’t catch up with us!” Ye Lingyun said.

With elder ye’s strength, he could have caught up with Chen Xiaobei a long time ago.

However, ye Lingyun was smart enough to avoid attracting ye Zhilan’s attention if a war broke out. That was why he followed Chen Xiaobei and did not make a move.

At this moment, everyone was already far away from the East, and ye Zhilan was out of her reach.

He could already make a move on Chen Xiaobei!

“Yes, sir!”

With a wave of his sleeve, elder ye led everyone and chased at full speed.

At this moment, it could be seen that it wasn’t an easy task for a Saint King to shatter the void. He had used up a lot of energy. Otherwise, elder ye would have brought everyone to shatter the void.

Of course, this was not a big deal.

Even if elder ye could not bring them to shatter the void, he could still provide them with a lot of speed. The only thing they would have to do was delay their pursuit of Chen Xiaobei.

.....

At the same time.

Chen Xiaobei only knew that he had successfully taken down li xiangsi, but he did not know that he was now surrounded by enemies from both sides.

Elder ye and ye Lingyun’s group had the combat power of a Saint King.

In front of Blue Moon City, ning Tiancheng had already set up an inescapable net.

In the elder Hall of Blue Moon City, LAN mengchen, LAN long, and LAN Shunyi had their cultivation sealed and were bound by iron chains, unable to move.

And on the throne in the hall, ning Tiancheng’s original body sat.

He was wearing a green robe with nine lifelike golden dragons embroidered on it with Black Gold threads.

He turned his left hand up, and a Golden Dragon-shaped oil lamp appeared in his palm.

A pale-white flame was dancing in the lamp.

From this tiny flame, an extremely strange aura was emitted. It was as if this flame was the fire of the apocalypse, the original sin that turned the world into hell!

Horror, evil, desolation, sorrow ... Countless oppressive auras were gathered there!

It was as if countless vengeful souls were wailing, struggling, and in despair ...

He didn't reveal much of his own pressure. On the contrary, the aura of the Dragon-shaped oil lamp suppressed the entire space and made it feel unusually heavy, even suffocating.

"Greetings ... Greetings, Emperor Tian Sheng ..."

At this moment, a young man walked in and knelt on the ground, his head touching the ground as he bowed in an extremely humble manner.

"Speak!" Ning Tiancheng coldly spat out a word.

as per your orders, the sacred ice heavenly soul bracelet in LAN mengchen's possession is now under my control ... I can activate the defensive formation of LAN Yue city at any time! The young man said in a trembling voice.

"Mm, get up!"

Ning Tiancheng said indifferently, "you've done well by providing information and doing your job well!" If I can take Chen Xiaobei down today, you will become my personal disciple! The sacred ice heavenly soul bracelet, the LAN clan, and the Bai clan will all be yours!"

thank you, Emperor Tian Cheng ... Thank you, Emperor Tian Cheng ... the young man kowtowed with all his might. He was extremely emotional.

[Red Envelope Group of the Three Realms](#)

Chapter 4122: Wrong judgment!

4122 Wrong judgment!

At this moment, the young man kneeling at ning Tiancheng's feet was Bai San of the blizzard city's Bai family!

On the surface, this kid was inferior to white seventeen in every way. But in fact, he was as scheming as a poisonous snake in the dark. He didn't show his head easily, but once he did, it was enough to kill!

It was because he had noticed the strange pattern of the three-eyed Saint blade on the Saint devouring axe that he had drawn ning Tiancheng over.

When Chen Xiaobei took out the Saint devouring axe, white three did not say a word. He waited until he was far away from Chen Xiaobei and was absolutely safe before he started his plot.

It could be seen that his treachery and hiding of his true strength was not inferior to any experienced martial artist.

More importantly, he had not told his father Bai wangu about this. He even wanted to use ning Tiancheng's power to directly seize control of the Bai family after the matter was over.

According to the conditions he had discussed with ning Tiancheng, after the matter was settled, the sacred ice heavenly soul ring, the LAN family, and the Bai family would all belong to him!

It was obvious that he was extremely ambitious!

"Someone's coming!"

At this moment, ning Tiancheng suddenly stood up, his eyes exuding an extremely strong killing intent.

As a powerful Saint King, ning Tiancheng would lock onto anyone who approached lanyue city.

“Let’s go out immediately!” White three also stood up, eager to take down Chen Xiaobei.

After all, in white three’s eyes, he had the Holy ice heavenly soul bracelet and could control the Holy King-grade formation in Blue Moon City. He could definitely kill Chen Xiaobei.

Once he succeeded, he would be able to realize his ambition.

Just thinking about it made white three extremely excited. He didn’t want to wait a second longer.

“Stop!”

However, ning Tiancheng was even calmer. He narrowed his eyes and said coldly, “There are two groups of people! The distance between the two is less than a hundred li!”

“This ...”

Chen Xiaobei? ” white three was surprised. could the group of people behind be Chen Xiaobei’s backup? ”

“There’s a Saint King behind us!”

Ning Tiancheng carefully sensed it and said, “The other party should have already noticed my existence! A battle is inevitable!”

“Then ... What should we do?” White three gulped nervously.

don’t worry, I’ll send someone to stop the Holy King. Then, we’ll capture Chen Xiaobei as soon as possible! ning Tiancheng said calmly.

Outside Blue Moon City.

wait! Chen Xiaobei stopped and asked, “fan he, with your cultivation, can you sense what’s going on in the city?”

“I can, but I can only sense those with lower cultivation than me! I have no way of knowing about ning Tiancheng’s situation ... “On the contrary, if there are no accidents, we have already been locked on by ning Tiancheng!”

“I don’t want to drag you down, so you can leave first! Wait for me at the nine mystical city. If I can escape today, I will naturally go there to find you!” Chen Xiaobei said.

this ... fan he’s expression faltered as he hesitated.

After all, he had taken two of Chen Xiaobei’s Seven Star Saint items. It would be a little disloyal to leave just like that.

“Listen to me!”

“You go first. Help me gather as much information as you can!” I want to know more about the Holy Spirit race! There are also people who call them heresy!”

heresy ... Heresy!?

“Young master Chen, why are you interested in this?” fan he’s face changed.

don’t ask anymore. Help me gather some information. If I can survive, I’ll slowly explain to you! ” Oh! Chen Xiaobei said, ” I also want to know the secret behind the martial arts competition of the southern region!

“Good! I’ll definitely do my best!” Fan he nodded his head heavily. He had a mission to accomplish and could put down his hesitation.

He could not help Chen Xiaobei even if he stayed, but he could help Chen Xiaobei by leaving.

As he thought of this, fan he no longer hesitated as he turned around and left.

Moreover, if he didn’t leave now, he might not be able to.

young master Chen ... Someone’s coming ... There are people in front and behind ... at this time, gumoko, whose face was pale, said in embarrassment.

Unlike fan he, gumoko was Chen Xiaobei’s enemy. After being controlled, it was just a loyal dog. So, he could not leave. He had to face life and death with Chen Xiaobei.

At this moment, even with gumoko’s cultivation, he could sense that someone was approaching. It could be seen that the two groups of people were very close.

“Strange ... It’s normal for people to come from the front, but why are there people behind?” Chen Xiaobei was confused.

I don’t know ... gumoko’s face was filled with confusion. He had long lost his calm due to nervousness and fear, and could hardly think normally.

“Swish!”

Without a word, Chen Xiaobei kept the gumoco into the Meru space.

After that, Chen Xiaobei’s Dharmakaya left his body and quickly retracted his physical body, turning into a purple Qi Dharmakaya.

Chen Xiaobei was very calm.

The abnormality at this moment would definitely lead to changes.

There was no need to rush to attack, first see the variables clearly, know yourself and know your enemy, and you can win a hundred battles!

“Shua shua ... Shua shua ...”

Soon, a group of about a hundred people behind them charged over.

Ye Lingyun and Holy King elder ye were leading the group.

“It’s him!”

Chen Xiaobei, who was hiding in the dark, did not move. He immediately understood.

It turned out that the pursuer behind them was ye linyun, who had come for revenge!

“Strange ... Why is he gone again?”

Elder ye stopped flying. He squinted his eyes and carefully sensed the situation around him.

Even though he was a Saint King, he was only an early one star Saint King. He could not sense Chen Xiaobei's purple Qi Dharmakaya.

At this moment, he could sense the existence of a trace of purple Qi.

However, the feeling was intermittent, sometimes not, and he could not lock onto it.

“Woof! Whoosh!”

At the same time, from the direction of Blue Moon City, two extreme shadows charged over!

One of them held a battleaxe and without a word, he activated his power and chopped down at elder ye's head!

a Saint King grade true treasure!!!

Elder ye was shocked and quickly focused his attention on the person who had just arrived. did that kid call for reinforcements?!

“That kid is indeed extraordinary!” Ye Lingyun swallowed his saliva and immediately became nervous.

Ye linyun recalled Chen Xiaobei's strength, talent, aura, and dominance ... All of these showed that he had an extraordinary background.

Naturally, ye Lingyun thought that Chen Xiaobei must have a very powerful backer.

Ye Zhilan had thought of this long ago, but ye Lingyun's brain was obviously half a beat slower.

Of course, these were all their guesses and misunderstandings.

Chen Xiaobei did not have any backing.

At this moment, the man with the Saint King level battle-ax was called ning lang, and he had been sent by ning Tianzheng.

Ning Tiancheng had mistakenly thought that ye Lingyun and the rest were Chen Xiaobei's helpers, and ye Lingyun had also thought that ning lang was Chen Xiaobei's backup!

“This is going to be exciting! A dog biting a dog, a mouth full of fur!”

Chen Xiaobei, who was hiding in the dark, almost burst out laughing.

[**Red Envelope Group of the Three Realms**](#)

Chapter 4123: Risking his life to protect!

4123 Risking his life to protect!

“Boom boom boom ...”

Ning Lang’s attack had already formed, and there was no room for explanation.

“Young master, step back. I’ll fight him!”

As a Saint King, elder ye wasn’t afraid. With a wave of his sleeve, it was as if a night had fallen.

Terrifying Saint Origin Energy burst out, no weaker than the opponent’s battle-axe.

“Boom boom boom ... Boom boom boom ...”

In an instant, elder ye and ning lang were already fighting.

It was difficult to determine the winner in a battle between equals.

“Swish!”

On the other side, there was another person from the ning family.

This person’s name was ning Tao, and he was ning Lang’s brother. He was highly regarded by ning Tiancheng.

Ning Tao saw that the battle was in a stalemate. He pulled out a golden sword and charged at ye linyun.

“This is bad!”

Ye Linyun’s expression changed drastically, and he almost peed his pants.”That ... That ... That Scarlet Gold sword is also a Saint King grade weapon!”

Elder ye was the only one-star Saint King among the people he had brought with him. The rest of them were all late-stage true saints.

It wasn’t an overstatement to say that a single sword strike from the opponent could kill all of them hundreds of times!

protect the young master!

Elder ye was originally unable to get away from ning Lang’s entanglement.

However, this old man was surprisingly loyal!

In the middle of the battle, he turned around and pounced on ye linyun.

In this way, elder ye’s back was completely exposed to ning Lang’s attacks.

“Boom boom boom!”

Ning lang held the axe with both hands and activated the power of a Saint king again.

“BOOM!”

Although elder ye had his protective Saint Qi, he had to use most of his power to protect ye linyun.

Therefore, elder ye’s protective Saint Qi was directly shattered by the axe.

Although his protective Saint origin had blocked a part of the battle-ax's power, the remaining power still fell on elder ye's body.

"Swish ..."

Elder ye's back was instantly split open, and a terrifying wound that almost ran through his back was cut open.

The wound was so deep that the bone could be seen!

One could see that the bone armor in elder ye's body was like black jade, shining with a luster.

It could be seen that the Saint King's body was extremely powerful! Furthermore, on the basis of his flesh and blood, there was an extremely special change!

Of course, the battle-ax in ning Lang's hand was also at the level of a one-star Saint King. Elder ye did not block it with all his strength, so it was inevitable that he would be seriously injured!

Blood gushed out, and flesh was exposed. If it was an ordinary person, they would have fallen to the ground and lost their ability to fight.

However, under such circumstances, elder ye still managed to rush in front of ye Lingyun in time.

"Clang!!!"

At the same time, ning Tao's Scarlet Gold long sword was already approaching.

Fortunately, elder ye had held back earlier. At this moment, he fully activated his Saint Qi defense and finally blocked ning Tao's sword.

"Shua shua ... Shua shua ..."

Of course, the heavily injured elder ye could only protect ye Lingyun alone.

Hundreds of ye family's henchmen were all exposed to the aftermath of the sword.

Even the aftershock of a battle between Saint Kings was too terrifying for a true Saint to withstand.

With the sound of metal clashing, hundreds of true saints of the ye clan were all cut into pieces by the sword Qi. Even their primordial spirits were destroyed. Not a single one was left!

"Mother ... Mother ..."

Ye Lingyun was so scared that he peed his pants and screamed hysterically.

He didn't even care about elder ye who was seriously injured. He turned around and ran at the first moment, not even looking at elder ye.

However, elder ye still displayed extreme loyalty.

He hovered in the air and stopped in place. Blood was flowing out behind him, but he had no intention of retreating.

"Old man, your young master has run away! You still want to stay?"

Ning lang held the battle-ax with both hands, his eyes full of mockery.

It was obvious that he was mocking elder ye's foolish loyalty.

Under such circumstances, if elder ye did not care about ye Lingyun, he would still have a chance to escape.

However, elder ye chose to stay and delay the opponent.

Fighting one against two, he was destined to die. Elder ye had no chance of winning at all!

"I owe the ye family my life. Even if I die today, I will protect young master Lingyun and leave!" Elder ye's eyes were cold and determined.

This old man was not bad!

Chen Xiaobei was secretly impressed by elder ye.

In this world, there were very few people who could put their faith above life and death.

Elder ye owed Madam ye his life, so he had to pay with his life.

On the other hand, ye Lingyun ran away immediately, not caring if elder ye was Dead or Alive.

It was impossible for elder ye not to be bitterly disappointed by such an action, but he still would rather die than retreat.

Faith trumped life and death!

Such a person was worthy of Chen Xiaobei's admiration and respect!

"This old man is so stupid that he's beyond saving!"

Ning Lang's killing intent was released, and he said coldly, " "Since you want to die, I'll fulfill your wish!"

"Whoosh ..."

As soon as he said that, ning lang waved the Saint King battle-ax in his hand and slashed at elder ye.

"I'll go after that kid!"

Ning Tao, on the other hand, took his golden sword and went around the battlefield to pursue ye linyun.

"Stop right there!"

Seeing this, elder ye once again showed his extreme battle intent that disregarded life and death.

Just like before, elder ye turned around and pounced on ning Tao with all his might.

This time, elder ye, who was seriously injured, had no energy left to protect himself. All his Saint Qi was concentrated in front of him!

In other words, elder ye could stop ning Tao's pursuit again!

However, without the protection of Saint Qi, his back would be completely exposed to Ning Lang's battle-axe!

No matter how strong a Saint King's body was, this axe would be enough to dismember him!

If his primordial spirit was severely injured, Elder Ye would be completely defeated!

Although all of this had not happened yet, everyone with discerning eyes could see it clearly!

Elder Ye was using his life to buy time for Ye Lingyun to escape!

Regardless of whether Ye Lingyun could escape in the end, Elder Ye had already done his best and lived up to his promise!

"Falling stars, flying swan!"

Chen Xiaobei could not help but make his move.

Firstly, Chen Xiaobei respected Elder Ye's character.

Secondly, only when the Sandpiper and clam fought could the third party benefit. If the Nings defeated Elder Ye easily, Chen Xiaobei would not be able to get the most out of it.

So, Chen Xiaobei had to make a move.

"Swish!"

The falling stars and flying Hongs, which looked like jade birds, suddenly soared into the sky.

In an instant, the Saint Origin Energy equivalent to a Saint King's Saint vein was burned out, and the power of a Saint King suddenly erupted.

What's going on?!

Ning Lang and Ning Tao were shocked.

Because neither of them was a Holy King, they did not know about Chen Xiaobei's existence.

The falling star flying Swan's appearance had caught them both off guard.

The point was that in that moment just now, they had a hundred percent chance of winning. They were not on guard at all and did not expect such a sudden change!

Chen Xiaobei's choice to attack now was enough to turn the tide!

[Red Envelope Group of the Three Realms](#)

Chapter 4124: Extreme rage!

4124 Extreme rage!

boom boom boom!!!

With a loud bang, the falling stars and The Flying Swan soared into the sky. The Jade Bird form bloomed with an extremely dazzling and resplendent light, like a white jade ROC that covered the sky and the sun, exuding an extremely terrifying power!

The falling star flying swan was aiming at ning lang, who was attacking Chen Xiaobei from behind with his battle axe!

Although ning lang was holding a Saint King level battle-ax, his cultivation base was far weaker than a Saint King's. In addition, he was defenseless. Whether it was his speed or his consciousness, he could not react in time to this sudden change!

"Boom ..."

In the blink of an eye, the White-Jade ROC Dharma power came crashing down!

Just the White holy light alone had destroyed ning Lang's body and soul. He was killed instantly!

"Rumble ..."

Then, the White jade ROC flapped its wings and burst out countless shock waves that looked like white jade stars, enveloping ning Tao.

"Clang!!!"

At this moment, ning Tao's golden sword had hit elder ye's protective Saint Qi, and the two sides were evenly matched!

In this way, ning Tao was directly exposed to the falling star flying Swan's attack!

"I'm finished ..."

Ning Tao wailed in despair and gave up on resisting.

Of course, against a Saint King, even if he didn't give up, he would still die without a doubt.

Unless ...

"Woof! BOOM!"

In the next moment, the Saint King battle-ax that was already falling suddenly turned around and slashed toward falling star flying swan with the power that hadn't been released earlier.

The White jade stars blasted out by the White jade ROC were all shattered by the battleaxe.

In the end, the power of the battleaxe and the falling star flying swan were evenly matched.

With the disappearance of the White jade ROC, ning Tao had at least managed to keep his life!

"Emperor Tian Sheng! It's Emperor Tian Sheng!"

Ning Tao was overjoyed. He clenched the golden sword in his hand and quickly retreated.

Therefore, even if ning lang was killed, the owner of the battleaxe was still ning Tiancheng!

Ning Tiancheng had already sensed what had happened here, so at the critical moment, he had activated his battleaxe to counterattack and save ning Tao's life.

"Woof!"

In an instant, an extreme shadow charged over at an unbelievable speed.

That's right!

Ning Tiancheng really came!

His left hand was behind his back, and his right hand was holding the Dragon-shaped oil lamp. Inside the lamp cover, the white flame was still dancing, and a terrifying pressure instantly enveloped the entire area!

"So ... So ... So strong ..."

Elder ye was already seriously injured. Under the influence of the Dragon-shaped oil lamp, his face turned pale and his breath became unstable. Even his state of mind was extremely unstable.

"Emperor Tian Sheng!"

Ning Tao hurriedly flew over and stood respectfully beside ning Tiancheng, then hysterically complained, "Ning lang is dead! He did not know who had killed him in the dark! The Emperor must take revenge for him!"

"Swish!"

Ning Tiancheng's mind moved, and the battleaxe flew back directly, floating behind him, emitting bursts of holy light, making his pressure heavier and more domineering!

His eyes were locked on one direction! It emitted a terrifying killing intent that was almost tangible!

For a moment, no one dared to look him in the eye!

Your Majesty ... ning Tao swallowed his saliva and did not dare to speak again.

"What ... What is going on?" Elder ye, on the other hand, was confused. He had no idea who had saved his life. He didn't know what ning Tiancheng was looking at at at this moment.

"Whoosh ..."

And in the direction ning Tiancheng was looking at.

Chen Xiaobei returned to his human form, and the falling star flying swan also flew back and hovered behind Chen Xiaobei.

Obviously, ning Tiancheng's cultivation level was much higher than elder ye's. So, elder ye could not lock onto Chen Xiaobei, but ning Tiancheng could!

This way, the purple Qi Dharmakaya would lose its invisibility effect and Chen Xiaobei would reveal his true form!

he's the one who saved me ... elder ye finally confirmed that Chen Xiaobei was his Savior when he saw that the falling star flying swan was Chen Xiaobei's treasure.

"You must be Chen Xiaobei, right?"

Ning Tiancheng was not in a hurry to attack. He was still locked on to Chen Xiaobei with murderous intent.

"It's me!"

Chen Xiaobei was neither humble nor arrogant.

Even though the pressure from Ning Tiancheng and the Dragon-shaped oil lamp was not small, it was not enough to crush Chen Xiaobei's state of mind.

"You've got guts, kid! He actually dared to come over!"

Ning Tiancheng said coldly, "you should be very clear about the current situation. The hostages are in my hands. If you don't want them to die, give up resisting now. Kneel at my feet and pay the price for what you've done!"

"What's the hurry?"

"Do you think that you're the only one in the world who knows how to take a hostage?" Chen Xiaobei said.

Ning Tiancheng's eyes narrowed and he said coldly, "I'm different from you! You'll die for the hostages! However, I will not give up my revenge for the sake of the hostage!"

"Really?" Chen Xiaobei laughed.

"Nonsense! You destroyed the holy city that my Ning clan has operated for trillions of years. If we don't take revenge, where will our reputation go?"

Ning Tiancheng said unyieldingly, "I can say this now. No matter what hostage you have, I will take revenge on you today!" Even if you execute the hostage right now, I will not waver!"

"Oh, if that's the case, I'll kill Li Xiangsi now!" Chen Xiaobei shrugged, his eyes turning cold.

"Wait!"

It was as if Ning Tiancheng's reverse scale had been touched, his whole body tensed up, and he asked in an extremely serious tone, "Who did you say you were going to kill?"

"Li Xiangsi!"

Chen Xiaobei's every word was like a Thunderbolt that struck Ning Tiansheng's heart.

"Little bastard! If you dare to touch Xiangsi! I'll make sure you're beyond redemption and suffer endless torture, never to be in peace!"

Ning Tiancheng roared like a mad beast, ready to pounce on Chen Xiaobei and tear him to pieces.

Of course, Ning Tiansheng would not believe Chen Xiaobei so easily.

He immediately sent out a message with a communication rune.

However, neither Li Xiangsi nor Ning Qingzhe replied.

In the end, it was the city Lord of fengzui city who replied, confirming that a battle had taken place at li xiangsi's residence and that both li xiangsi and ning qingzhe had disappeared.

This time, ning Tiancheng had to believe it even if he didn't!

"Little bastard! He immediately put up a similar post! Immediately!"

Ning Tiancheng instantly fell into a berserk state, his eyes wide open and his teeth clenched. The pressure on his body was more than a hundred times stronger than before.

On the side, ning Tao's expression changed drastically. His entire body trembled, and he could not even hold his sword firmly.

Elder ye was also extremely uncomfortable. An invisible pressure crushed his body and mind. He felt as if his heartbeat and breathing were about to stop, and his state of mind could collapse at any moment.

It was terrifying!

At this moment, the Furious ning Tiancheng was simply terrifying to the extreme!

From this, it could be seen that ning Tiancheng's feelings for li xiangsi were really deep!

"Ha!"

Facing the terrifying ning Tiancheng, Chen Xiaobei was not shocked. Instead, he laughed.

[Red Envelope Group of the Three Realms](#)

Chapter 4125: Origin of the primordial spirit!

4125 Origin of the primordial spirit!

Chen Xiaobei laughed.

The angrier ning Tiancheng was, the more it showed that he cared about li xiangsi, and the higher Chen Xiaobei's chances of winning the negotiation.

"Didn't you say that no hostage would be able to shake you?" Chen Xiaobei asked.

"Little bastard! Release him immediately!"

Ning Tiancheng bared his teeth and roared, "Otherwise, I, ning Tiancheng, will definitely kill you and everyone related to you in this world! I will let you taste the most painful torture in the world and make you regret being born!"

"Don't say this nonsense!"

Chen interrupted impatiently, "If I let li xiangsi go now, there's a 10000% chance that you won't let me live. Even the hostage in your hands will die!"

"Then tell me! How can I let go of xiangsi!" Although ning Tiancheng was extremely furious, he didn't want anything to happen to li xiangsi.

So, at this moment, ning Tiancheng suppressed his anger and listened to Chen Xiaobei's conditions.

“It’s simple!”

no! Chen Xiaobei said, “ I want you to hand over the entire Blue Moon City and the primordial spirits of all the members of Fengyan city!

“No problem!”

Ning Tiancheng did not hesitate, but he changed the topic. “However, before I release her, I need to make sure that xiangsi is safe!”

“Sure!”

yes! Chen Xiaobei nodded. when we exchange the hostages, I’ll let you see li xiangsi alive and kicking! Of course, if anything happens to the hostage I want, I’ll make li xiangsi pay the price!”

“Good! Follow me!” Ning Tiancheng was no longer in the mood for revenge. He only wanted to save li xiangsi as soon as possible.

He turned around and flew back to blue Moon City first.

Ning Tao didn’t dare to stay any longer and quickly chased after him.

“Elder ye, you should leave first!”

Chen Xiaobei was not in a hurry. He turned around and looked at elder ye.

Chen Xiaobei respected elder ye from the bottom of his heart and did not want him to be involved in any more danger.

“No! This old man won’t leave ...”

Elder ye shook his head and said with difficulty, “ “This old man owes the ye family a life. Now that I have paid this debt, I don’t want to go back ...”

Obviously, elder ye had already seen through ye Lingyun and his son’s heartless faces.

His heart turned cold! Disappointment! He even looked down on them!

Now that he had paid back what he owed the ye family, elder ye would naturally not serve the ye family anymore.

even if you don’t go back to the ye family, you can’t stay here. Otherwise, your life will be in danger! Chen Xiaobei said.

“This old man already knows the situation here! Therefore, I can’t leave!” “Young master Chen just saved my life. I can’t let young master Chen be in danger alone!” Elder ye said.

this ... Chen Xiaobei was stunned.”You want to follow me?”

“This old man is not talented! If young master Chen doesn’t mind, this old man’s life is yours!” Elder ye’s face was pale, but he was full of heroic spirit.

The kindness of a drop of water would be repaid with a fountain. Even if he died, he would not avoid it!

This was how a man should be!

Seeing this, Chen Xiaobei's impression of elder ye improved.

Chen Xiaobei was overjoyed that such a person was willing to follow him.

"Good! From now on, you will follow me!"

Chen Xiaobei waved his hand, and rays of golden light shot out.

"Whoosh ..."

The golden light landed on elder ye's body and started to heal the injuries on his back at an extremely fast speed.

"What ... What kind of energy is this? It's amazing!" Elder ye was dumbfounded and extremely shocked.

this is one of my special abilities. It's used to heal people's injuries. I guess you can call it the power of merit! Chen Xiaobei said.

"Merit?" Elder ye's face was filled with confusion.

That's right!

The golden light was the special ability of the twelfth grade Golden Lotus of merit!

When Chen Xiaobei was fighting, the grade 12 Golden Lotus of merit had appeared and absorbed the energy of the enemy's attack. It had transformed into a special type of energy and was stored in the chaos mark.

This special energy was the power of 'virtue' at this moment.

Of course, the name 'merit' was just something that Chen Xiaobei came up with on the spot. It was not accurate, but it could be called that for the time being.

At this point, all five abilities of the chaos mark could be used!

Red karmic fire Lotus, absorb the enemy's energy and activate the karmic fire Blood fountain to counterattack!

The Black Lotus of destructions could absorb the energy of the enemy and launch a counterattack with 30% more power!

The monster sky Purple Lotus absorbed the enemy's energy and turned it into its nutrients and energy!

The green Lotus of reincarnation could absorb the energy of the enemy and transform it into energy that had a high-level cleansing effect on the user!

The Golden Lotus of merit absorbed the energy of the enemy and transformed it into energy that could heal injuries and recover mental energy!

Of course, the heaven punishing Purple Lotus was only fourth grade. When it reached the twelfth grade, its special ability might change.

At the same time, when the howlsy Purple Lotus reached grade twelve, the chaos mark would be completed, and it would probably undergo a qualitative transformation.

"Phew ... Many thanks, young master Chen! This old man's injuries have healed!"

Soon, elder ye's injuries were healed. He heaved a sigh of relief and thanked Chen Xiaobei again.

"In the future, we're all family, so there's no need to be so polite!" Chen Xiaobei smiled.

"What are your plans, young master?" Elder ye asked.

"I have to go to Blue Moon City to save her! As for you, you can head to the nine mystical city to look for a person called fan he!" Chen Xiaobei said.

"No! I can't let young master risk his life alone!" "Even if I have to die, I want to die with you, young master!" Elder ye said solemnly.

"No! You must leave!"

no! Chen Xiaobei shook his head and said, "ning Tiancheng is way stronger than you! There's no point in you coming with me! On the contrary, you can only help me in the future if you leave early! Rather than die in vain, it's better to serve in the future!"

this ... elder ye was a smart person. He knew that Chen Xiaobei was right.

"It's decided! We'll meet again in the nine mystical city!" Chen Xiaobei's tone was firm and unyielding.

Chen Xiaobei then flew toward Blue Moon City.

Elder ye was stunned on the spot, his face full of confusion.

However, after a brief moment of hesitation, he agreed with Chen Xiaobei, " "Rather than going to die, it's better to live and think about how I can help young master!"

.....

Blue Moon City.

Ning Tiancheng had already brought LAN Mengcheng, LAN long, and LAN Shunyi out.

As for the commoners of the LAN family, they were all trapped in the city.

"Swish!"

Chen Xiaobei flew over, looked down at the illusion and said, " "Everyone from the LAN family is fine, but where are the primordial spirits of the people from Fengyan city?"

"Whoosh ..."

Ning Tiancheng didn't hesitate. For the sake of li xiangsi's safety, he didn't care about the billions of primordial spirits in the city.

They saw ning Tiancheng raise the Dragon-shaped oil lamp in his hand.

"Shua shua ... Shua shua ..."

In an instant, trillions of primordial spirits came out of the White flames in the lampshade and poured into Blue Moon City.

Red Envelope Group of the Three Realms

Chapter 4126: desperate!

“Shua shua ... Shua shua ...”

Upon closer inspection, it turned out that the trillion primordial spirits had condensed into the White flame.

It was no wonder that the white flame emitted a hellish aura. It was terrifying, sinister, desolate, and sorrowful ... It was as if countless vengeful spirits were wailing, struggling, and desperate ...

“It seems that after ning Tiancheng destroyed other people’s bodies, he imprisoned his primordial spirit in the oil lamp! After that, they will convert it into their own lifespan!”

Chen Xiaobei saw everything and thought to himself, “If ning Tiancheng is related to the heavenly Dao, then this Dragon-shaped oil lamp must be the most important clue!”

fortunately, I’ve caused chaos in the ning clan during this period of time, so ning Tiancheng didn’t have time to refine these primordial spirits and saved them ...

Seeing Zhao Yi’s primordial spirit being released, Chen Xiaobei could finally relax.

As long as the primordial spirits of the people of Fengyan city were still there, Chen Xiaobei could resurrect them.

Chen Xiaobei even had a bold idea that he could give all of them a new life in one go!

“That’s weird ... Why isn’t she here?”

Chen Xiaobei carefully observed the released primordial spirits.

There were many familiar faces among them, including the castellan Jiu e and many of the higher-ups, whom Chen Xiaobei had met before.

However, Chen Xiaobei did not see the girl among the primordial spirits!

That girl had pushed Chen Xiaobei out of the gates of hell at the moment of life and death, while she herself had been killed!

Even though they had only met for a split second, the girl’s face had been deeply imprinted in Chen Xiaobei’s heart. He could never forget it!

Chen Xiaobei had been observing her closely, but he did not see her.

“Ning Tiansheng!”

Chen Xiaobei said, “You’d better not play any tricks. If you hide a hostage, you’ll regret it!”

“Nonsense!”

Ning Tiancheng said disdainfully, "compared to xiangsi, these hostages are not even as good as ants!" I don't care about keeping it for myself! She wouldn't be so stupid as to let xiangsi take the risk for a few hostages!"

Obviously, ning Tiancheng took li xiangsi very seriously and didn't seem to be lying.

"....."

Chen Xiaobei had nothing to say and continued to observe.

Where are you? Why can't I see you?

However, at this moment ...

A familiar fragrance appeared.

This fragrance blended into the breeze, faintly discernible. It was like the scent of cherry blossoms, light and elegant.

Is that you?

Chen Xiaobei was taken aback.

This was not the first time he had smelled this special fragrance.

Obviously, this was not a coincidence!

However, the fragrance did not answer him. It only made Chen Xiaobei feel at peace.

"Phew ..."

Chen Xiaobei let out a long breath and thought, "I should first solve the current predicament and ensure everyone's safety! You must be thinking the same, right?"

"Little brat! Why are you in a daze?"

Ning Tiancheng urged impatiently, "let me see it immediately, or don't blame me for killing everyone here!"

"Open your eyes wide and look carefully!"

Chen Xiaobei took out the beixuan Saint-sealing painting.

"Whoosh ..."

The next moment, the seal was lifted, and Li xiangsi was released.

But Chen Xiaobei was prepared!

The emperor's ring of Sheng Jue pressed down on li xiangsi's head, sealing her Dharma Treasures and abilities.

At the same time, the falling star flying swan was placed at li xiangsi's throat. If ning Tiancheng dared to do anything, Chen Xiaobei would kill li xiangsi on the spot.

“Xiangsi!”

After seeing li xiangsi, ning Tiancheng’s expression changed instantly. He was excited and eager, and even his hands were trembling slightly.

But at this moment, what ning Tiancheng felt was more shock!

That was because li xiangsi’s eyes had the vertical pupils of a snake. The hair on her head had turned into dozens of black spiritual snakes, wriggling their bodies.

Ning Tiancheng had never seen li xiangsi like this.

However, li xiangsi’s aura didn’t change. Ning Tiancheng was sure that it was the woman he loved deeply!

Tiancheng!?

Li xiangsi was equally shocked. She had never expected that she would be released, and in front of ning Tiancheng.

For a long time before that, li xiangsi had always pretended to be a weak woman.

The scene at this moment completely destroyed li xiangsi’s character setting.

She felt that she couldn’t explain it clearly no matter what, and she didn’t know how to face ning Tiancheng.

However, what she didn’t expect was that ning Tiancheng gave an extremely affectionate answer, ” “No need to explain! No matter what you’ve become, I’ll always love you!”

F * ck!

This bootlicker was really hopeless!

Even as an outsider, Chen Xiaobei could not help but curse in his heart.

It was not uncommon for people to suck up to him, but it was Chen Xiaobei’s first time seeing someone like ning Tiansheng who sucked up to him without thinking.

The most ironic thing was that above ning Tiangang’s head, there was already a lush green grassland.

Chen Xiaobei’s heart ached for ning Tiansheng.

“Tiancheng! Save me ... Save me ...”

Li xiangsi hurriedly transformed back into her human form and put on an aggrieved and weak look, desperately asking for help.

“Don’t worry! I will definitely protect you!”

Ning Tiangang looked at Chen Xiaobei and said, ” “Little brat! Let’s do as you say, we’ll exchange hostages now!”

“Whoosh ...”

However, at this moment, the great city-guarding formation of Blue Moon City was suddenly activated, enveloping the entire city.

“What’s going on?” Chen Xiaobei asked.

Ning Tiancheng’s face turned cold, and he roared, “White three! What the hell are you doing! Close the formation immediately!”

“White three?” Chen Xiaobei looked at the top of the city wall.

They saw white three standing on top of the city wall, anxiously shouting, “Emperor Tian Sheng! You promised me that you would kill Chen Xiaobei! If he doesn’t die, there will never be a Day of Peace!”

Clearly, the sudden change in the situation had caused white three’s life to be in danger.

Once the hostages were exchanged, ning Tiancheng would not have any trump card to restrain Chen Xiaobei. Once Chen Xiaobei escaped, white three, the person who leaked the secret, would not only not get any benefits, but would also be killed.

Therefore, at this moment, Bai San would never agree to exchange hostages.

“White three! You’re just a dog under my feet! You don’t have the right to teach this Emperor how to do things!”

Ning Tiancheng shouted angrily, and his pressure instantly enveloped white three.

“Emperor Tian Sheng! Don’t force me!”

White three’s face turned deathly pale. He said in desperation, “If you don’t give me a way out, I’ll take all the hostages in the city with me! At that time, your woman will also die without a doubt!”

“You dare to threaten me?” Ning Tiancheng’s eyes were like knives, full of killing intent.

[Red Envelope Group of the Three Realms](#)

Chapter 4127: no solution!

“Right! I’m threatening you!”

“You promised to hand over the LAN and Bai family to me!” Right now, I’ve gained nothing and my life is in danger. Shouldn’t I threaten you?”

“Idiot!”

Ning Tiancheng’s eyes narrowed and he roared, “Why do you think I would give you the Holy ice heavenly soul ring? It’s not because you’re worthy, but because I don’t like you!”

you ... You don’t like it!? White three’s expression froze, not understanding what ning Tiancheng meant.

whoosh ... BOOM!!!

They saw ning Tiancheng wave his hand!

A ray of green-gold holy light suddenly condensed into a green spear with a nine-headed Golden Dragon coiling around it, and it blasted towards Blue Moon City!

Like thunder and meteorites, the impact created a terrifying shock and explosion. Even the sky and earth trembled and changed colors. Time and space were torn apart!

“BOOM!”

In the next moment, the array guarding Blue Moon City directly collapsed, unable to withstand a single blow!

Tyrannical! Overbearing! Absolutely crushing!

“This ... This, this, this ...”

White three was scared silly.

And the doubts he had just now were instantly answered.

The reason why ning Tiancheng gave the sacred ice heavenly soul ring to white three was not because white three was worthy of it, but because ning Tiancheng did not think highly of the sacred ice heavenly soul ring.

How arrogant was this! How supercilious!

Of course, ning Tiancheng absolutely had the right to be arrogant! He definitely had the right to look down on everyone!

One had to know that this was an early stage one star Saint King level array. To break it in one move, ning Tiancheng’s cultivation had to be at least two minor realms higher!

In other words, ning Tiancheng’s strength was at least a late-stage one star Saint King!

At this time and place!

This was absolute power!

In fact, it was so powerful that it could not be resisted!

In an instant, the trillions of people in the city let out their most desperate wails.

“So strong ...”

Even Chen Xiaobei’s expression changed, and his heart was filled with anxiety.

In fact, even before today, Chen Xiaobei already knew that ning Tiancheng was not as simple as he looked.

Because of this, even though Chen Xiaobei had obtained some Saint King level trump cards, he still felt that his chances of winning were not high. In fact, he did not even plan to fight ning Tiancheng head-on in the short term.

At this moment, Chen Xiaobei finally saw ning Tiansheng’s true strength!

Blue Moon City's great array was broken in an instant!

This was enough to show that all of Chen Xiaobei's Saint-King level trump cards would be crushed by ning Tiancheng!

Before this, Chen Xiaobei had only thought that his chances of winning were not high.

At this point, Chen Xiaobei had already realized that he had no chance of winning.

"Swish!"

With the sound of the wind, ning Tiancheng teleported to white three's side.

In the blink of an eye, white three's body turned into ashes as if it had been burned by a fire.

He didn't even have the time to scream before his primordial spirit was also annihilated.

"Swish!"

With another wind howl, ning Tiancheng had already returned to his original spot, and the Holy ice heavenly soul ring appeared in his hand.

The next second, ning Tiancheng threw the Holy ice heavenly soul bracelet to Chen Xiaobei and said coldly, " now, immediately exchange hostages!

Powerful! Overbearing! Haughty!

At this moment, there was only li xiangsi left in ning Tiancheng's eyes!

Nothing could stop him from saving the woman he loved!

"Alright ... We'll exchange!"

Chen Xiaobei knew that he could not afford to fight this battle. Protecting the hostages and leaving safely was his only choice.

"Swish!"

Chen Xiaobei took out his heaven and earth embryo membrane!

It was obvious that the best way to safely retreat was to take everyone with him, or even the entire city!

"Whoosh ..."

Then, Chen Xiaobei burned two Saint King-level Holy meridians worth of Saint Qi.

When this energy was added to the heaven Earth membrane, it could merge the entire lanyue city into the beixuan great world.

"I'm going to take Blue Moon City!" As he spoke, Chen Xiaobei sent the heaven and earth fetal membrane to the top of lanyue city.

"Let him go first!"

Ning Tiancheng roared, and then released a ray of Saint Qi, covering the entire lanyue city.

If he did not stop, Chen Xiaobei would not be able to keep Blue Moon City.

“Let’s release them together!”

Chen Xiaobei slowly retreated to the vicinity of Blue Moon City.

Ning Tiancheng slowly walked towards li xiangsi.

Of course, Saint Duke’s Emperor ring and falling star flying swan were still by li xiangsi’s side, controlling her life and death.

“I’ll count to three, and we’ll stop together!”

Chen Xiaobei took a deep breath and counted, ” “One! Two! Three ...”

Without a doubt, this was a game with great variables. Intuitively, both sides might go back on their word!

However, this was an exchange that no one would regret!

Because ning Tiancheng cared a lot about li xiangsi, and Chen Xiaobei also cared a lot about the people in the city!

Neither side wanted to take any risks.

Therefore, completing the exchange was their best choice.

“Woof! Whoosh! Whoosh!”

As soon as he finished speaking, ning Tiancheng withdrew the Saint Qi that had enveloped Blue Moon City! Chen Xiaobei also recalled the falling star flying swan and Saint Duke Emperor’s ring!

“Whoosh ...”

Then, Chen Xiaobei merged the entire lanyue city into the heaven and earth membrane, making it a part of the beixuan great world.

As long as Chen Xiaobei could retreat, the LAN family and the people of Fengyan city would be safe.

However, Chen Xiaobei did not have the chance to escape!

Because ning Tiancheng had also put li xiangsi into the Meru space and then rushed towards Chen Xiaobei!

With ning Tiancheng’s speed, Chen Xiaobei would not be able to open the portal to return to the beixuan great world in time!

In fact, Chen Xiaobei could have opened it earlier, but he did not!

Because ning Tiancheng was very likely to be related to the heavenly Dao!

Chen Xiaobei had used a space gate to escape from ning Tiancheng before.

Just as fan he had said, ning Tiancheng might have already prepared a trump card to deal with the space gate! If Chen Xiaobei did the same thing again, not only would he not be able to escape, he might even drag the entire beixuan great world down with him!

Chen Xiaobei did not dare to take the risk, so he did not open the portal earlier!

At this moment, there was another option, which was to temporarily hide in the embryo membrane of heaven and earth.

With the level of the heaven and earth embryo membrane, ning Tiancheng definitely wouldn't be able to break it in a short time.

However, if ning Tiancheng was really related to the heavenly Dao, he would probably take the heaven and earth embryo membrane to find the heavenly Dao.

By then, Chen Xiaobei would not be able to escape, and the beixuan world would be doomed!

So, after some careful consideration, Chen Xiaobei decided to reject both options!

Without a doubt, this was already a dead end!

"Little bastard! Accept your death!"

Ning Tiancheng's roar was like thunder, hurting Chen Xiaobei's eardrums.

"Boom boom boom ..."

Ning Tiancheng's power was approaching Chen Xiaobei at an unassailable speed.

[Red Envelope Group of the Three Realms](#)

Chapter 4128: There's no choice!

4128 There's no choice!

In an instant, ning Tiancheng's body exploded with holy light!

Nine golden dragons coiled around the green main body, like a dragon pillar in the sky. Its holy aura shook the universe!

The power of a late-stage one star Saint King was enough to turn this entire Prefecture into ruins!

If Chen Xiaobei was unable to withstand this power, he would not be the only one who would die!

All the innocent people in Liang Province would be buried alive!

"Stop!"

However, right at this moment, a woman's voice rang out from the void!

It was like the sound of Sanskrit that filled the sky. No one knew where it came from, but everyone could hear it clearly!

"Whoosh ..."

The next moment, the void cracked, and a dark vortex with twisted lightning storm suddenly appeared in front of Chen Xiaobei!

“Boom boom boom ...”

Ning Tiancheng’s all-out attack hit the dark vortex, causing a loud bang! The loud noise alone was enough to shake the entire Liangzhou!

However, the state was not reduced to ruins, and Chen Xiaobei was not hurt.

That was because the Thunderbolt storm vortex that tore the void had completely blocked ning Tiancheng’s all-out attack.

“Who is it?”

Ning Tiancheng was shocked, and his pupils couldn’t help but contract.

Although the person had not revealed his true self, ning Tiancheng could already feel that the person’s strength was probably above his.

“So scary ... Tiancheng! Protect me ...”

On the other side, li xiangsi was so frightened that her face turned pale and her heart trembled.

In the face of such a terrifying and strong enemy, li xiangsi didn’t dare to let ning Tiancheng stay far away from her.

“Alright!”

Ning Tiangang calmed himself down and stopped chasing Chen Xiaobei. He turned around and went back to li xiangsi.

“Thank you for your help, miss ye!”

“Swish!”

a beautiful figure slowly walked out of the Thunderbolt storm that had shattered the void.

Her long dress fluttered like a graceful swan, and her temperament was like that of an otherworldly Saint!

Her face was beautiful beyond compare, and her pair of beautiful eyes were like a spiritual spring, clear and transparent, sparkling and flawless!

That’s right!

The person who had just arrived was the number one young genius of the Hong Tian Ye clan, the female prodigy who was ranked tenth on the ‘southern region little heaven ranking’!

Ye Zhilan!

“Swish!”

And behind ye Zhilan, there was another figure. It was elder ye.

Chen Xiaobei had asked elder ye to wait for him at jiuxuan city, but he did not leave! He stayed where he was and thought of a way to help Chen Xiaobei!

And that was to invite ye Zhilan over!

Finally, in this moment of life and death, ye Zhilan and elder ye stepped through the void and successfully protected Chen Xiaobei!

miss ye!?

Ning Tiancheng's eyes narrowed and he asked solemnly, "May I ask, what is your relationship with Emperor Hong Tian?"

Obviously, although the southern region was large, the strongest power of the ye family was definitely Hong Tian city in the East. Therefore, ning Tiancheng guessed ye Zhilan's identity almost immediately.

"Hong Tian Emperor is my grandfather!" Ye Zhilan landed beside Chen Xiaobei.

Elder ye followed closely behind Chen Xiaobei.

There was no need to say anything. The two of them had made it clear that they would protect Chen Xiaobei.

"He is a direct descendant of Emperor Hong Tian! I'm sorry ... I'm sorry ..."

Ning Tiancheng couldn't help but swallow his saliva. The killing intent all over his body quickly converged, and even his pressure was deliberately hidden. He didn't dare to be presumptuous in front of ye Zhilan.

Even without considering her family background, ye Zhilan's strength was above ning Tiancheng.

Moreover, ye Zhilan was the granddaughter of Emperor Hong Tian and had the support of the most powerful force in the 208 States in the East. Even when the ning clan was at its peak, they could not compare to her.

To put it bluntly, ning Tiancheng was already terrified!

Of course, in addition to panic, ning Tiancheng's heart was also filled with incomparable shock!

She would never have thought that Chen Xiaobei was actually related to ye Zhilan!

Suddenly, ning Tiancheng looked at Chen Xiaobei with eyes full of surprise, shock, and disbelief! Of course, it also revealed a trace of fear and unwillingness!

Without a doubt, ning Tiancheng did not dare to attack Chen Xiaobei anymore.

At least, not for the time being!

"Tiancheng ... Let's go ..."

Li xiangsi was very smart. When she saw that the situation was not right, she wanted to escape immediately.

"You want to leave? I'm afraid it won't be that simple!"

Ye Zhilan took a step forward and said coldly, "You have killed hundreds of my ning family's vassals, and this debt has not been settled yet!"

Clearly, ye Zhilan's visits were not all for Chen Xiaobei.

As the saying goes, you have to look at the owner before you hit the dog!

The ye clan was a top-tier noble clan that dominated the Eastern Region of the southern region. If their henchman was killed, it would be a slap to the master's face!

If this debt was not settled, wouldn't the ye family become the joke of the entire southern region?

"I swear! When he killed them, he definitely didn't know it was a ye family servant ..."

Ning Tiancheng didn't have any temper and asked in a low voice, "However, the big mistake has already been made, and I dare not quibble ... I hope miss ye can explain how this matter can be resolved ..."

"You have two choices!"

Ye Zhilan said calmly, "first, I'll take the lives of a million people from your ning clan!" Second, you will pay with your life!"

Ning Tiancheng and Chen Xiaobei were both shocked.

He had never expected such an elegant and beautiful girl like ye Zhilan to be so overbearing!

If one person from the ye family died, ten thousand people from the ning family would have to pay with their lives!

One had to know that after the ning clan's sacred city was destroyed, most of the clan members of the collateral branches and branches had scattered.

Now, only a few hundred thousand direct blood relatives were still gathered around ning Tiancheng.

A million lives for it was equivalent to exterminating the entire ning clan!

However, if ning Tiancheng didn't accept the first path, he would have to pay with the life of a late-stage one-star Saint King!

Overbearing! Domineering! Decisive killing!

At this moment, ye Zhilan was like an Empress who ruled the world!

When an Emperor was angry, millions of corpses would be buried!

Of course, ye Zhilan wasn't a brutal person. She was defending the dignity of the top wealthy class! To defend the prestige of Imperial Emperor Hong Tian!

"Miss ye ... Can ... Can we discuss this ... Please ... Let the ning Corporation live ..."

Ning Tiancheng's body trembled, his face pale. He no longer had any of the emperor's Majesty, not even his dignity.

However, ye Zhilan's expression didn't change at all. She only said indifferently, "You're not qualified to bargain! Ten seconds! If you don't give me an answer, I'll take it as you want to pay with your life!"

this ... ning Tiancheng took a deep breath.

Of course, he didn't want to die.

However, if he didn't die, all the core members of the ning family would be completely wiped out!

Even his two brothers in the Central Plains would not be able to escape death!

In the southern region, no one could save the people the ye clan wanted to kill except for the nine mystical city of the central region!

So, at this moment, ning Tiancheng actually had no choice!

Red Envelope Group of the Three Realms

Chapter 4129: kill the heart!

"I'll pay with my life ..."

Finally, ning Tiancheng sighed and begged, "After I die, please don't make things difficult for my woman, miss ye!"

After he finished speaking, ning Tiancheng stepped forward and protected li xiangsi behind him.

Obviously, the reason why ning Tiancheng had chosen to die was not only to protect the direct descendants of the ning family, but also to protect li xiangsi.

He loved this woman with all his heart and his life!

Such deep affection was rare in the world!

"Tian Cheng ..."

Li xiangsi looked extremely nervous, but she was relieved inside.

There were too many secrets hidden behind her back, and she definitely did not want to die Here.

At this moment, seeing ning Tiancheng risk his life to protect her, she even felt a little happy in her heart.

She didn't care about ning Tiancheng at all.

In her eyes, ning Tiancheng was just another tool.

Although she didn't get ning Tiancheng's Secret, at least she could keep her life, which was more important than anything else.

sigh ... Chen Xiaobei sighed. He even sympathized with ning Tiancheng.

At the same time, ye Zhilan looked at ning Tiancheng and said, "I promise you that I won't make things difficult for this woman. As for whether the others agree or not, I don't care!

Someone else?

Ning Tiansheng and Li xiangsi's eyes fell on Chen Xiaobei.

Clearly, Ye Zhilan was settling the Ye family's accounts.

As for Chen Xiaobei, he would have to settle the score himself.

"Tian Cheng ..."

Li xiangsi immediately put on a weak and aggrieved look, looking at Ning Tiancheng.

"Don't worry! I will not let anything happen to you!"

Ning Tiancheng gently patted Li xiangsi's head.

"Young master Chen! Everything that happened before was my fault! I'm the one who massacred the Fengyan city. No matter how much resentment you have, you can just direct it at me! Don't get xiangsi involved! I'm begging you! Young master Chen!"

Ning Tiancheng begged and kowtowed.

At this moment, he had already put down all his dignity and was even more inferior than a dog.

"This ..."

Chen Xiaobei was shocked by what he saw.

She didn't expect that Ning Tiancheng would actually kneel, kowtow, and beg to his enemy for Li xiangsi.

At the same time, Li xiangsi didn't say a word and continued to act weak and innocent. She didn't care about Ning Tiancheng at all and only cared about her own life.

"Swish!"

Chen Xiaobei could not stand it anymore. He took out Ning Qingzhe's stone statue.

"Shit!" Li xiangsi was shocked. It was as if she had been electrocuted, and her mind was in a mess.

"Qingzhe?"

Ning Tiancheng was stunned for a moment, but he quickly recognized the stone statue and said in surprise, "What's with this stone statue? Why aren't there any clothes?"

Ning Qingzhe had just jumped out of bed when he was petrified.

Naturally, he had no clothes.

"Li xiangsi, shouldn't you be the one saying what you did? Or do you want me to say it for you?" Chen Xiaobei said.

"I ... I don't know anything!" Li xiangsi's expression changed drastically, and she denied it.

"If I'm not mistaken, this should be the petrification ability of the snake-haired heretic!" Ye Zhilan said.

"Snake-haired heretic? Snake hair?"

Ning Tiancheng was stunned. When Chen Xiaobei let li xiangsi out, she had snake hair.

“Xiangsi! Are you the one who turned qingzhe into this?” Ning Tiancheng was not stupid and immediately guessed it.

In the next moment, ning Tiancheng’s expression changed drastically, and he had goosebumps all over his body.

Snake hair! Petrification! A naked stone statue!

When these clues were put together, an unsightly picture would appear as long as one made the connections!

And this scene was enough to cause a devastating blow to ning Tiancheng’s heart!

How much he had loved li xiangsi before was how much pain he was in his heart right now!

“Tiancheng! It’s not what you think ...” Li xiangsi’s pupils shrank as she explained, “ It was ning qingzhe who wanted to mess with me, so I petrified him ...

“Xiangsi! “I’m not blind, am I ...” Ning Tiancheng’s voice was choked, and his eyes were full of despair.

Obviously, what ning Tiancheng had seen and what li xiangsi had said were two completely different things.

Ning qingzhe’s stone sculpture was lifelike and detailed.

It could be seen that ning qingzhe was in a post-deed state, and there was even sweat on his body!

Furthermore, ning qingzhe’s face was filled with extreme killing intent. He didn’t want to violate li xiangsi at all, but to kill her!

These details directly exposed li xiangsi’s lie!

At the same time, it also delivered a fatal blow to ning Tiancheng’s state of mind!

“Pfft ...”

Ning Tiancheng’s body leaned forward and he spat out a large mouthful of blood.

He was dispirited and out of his wits. His eyes were hollow and even a little dazed.

“Tiancheng! Tiancheng, what’s wrong with you?!”

Li xiangsi was shocked and hurriedly shouted.

However, ning Tiancheng had no reaction at all. He stood in place like a zombie.

“Stop shouting!”

Ye Zhilan said indifferently, “his state of mind has collapsed and he’s already possessed by the devil!” His mental state is no different from dementia!”

a-idiot!? Li xiangsi’s face turned pale, and her body trembled.

Don't look at how nervous she was, she wasn't actually concerned about ning Tiancheng, but because ning Tiancheng was her last life-saving straw.

killing people to destroy their hearts ... Young master Chen, you're really good!

Ye Zhilan's eyes narrowed as she looked at Chen Xiaobei.

This woman was very smart. She could often see through the deeper nature that others couldn't.

"Miss ye is really wrong this time ..."

Chen Xiaobei shook his head and said, "I originally had some sympathy for ning Tiancheng and wanted him to see this woman's true face before he died ... I didn't expect that his state of mind would be destroyed like this ..."

"What do you plan to do now?" ye Zhilan asked noncommittally.

"Me?"

Chen Xiaobei was surprised. "Miss ye, you're too polite. Don't you have the final say here?"

Obviously, Chen Xiaobei knew his limits.

The overall situation was completely under ye Zhilan's control, and he had no right to speak at all.

After all, he had only met ye Zhilan once and did not have a deep friendship with her. He must not cross the line. Otherwise, it would be awkward if he could not end the scene.

"Young master Chen, you have the final say in this matter!"

However, ye Zhilan's attitude was beyond Chen Xiaobei's expectations.

"Why ... Why is that?" Chen Xiaobei was very confused.

because young master Chen saved elder ye and ye Lingyun!

Ye Zhilan said, "elder ye watched me grow up. No matter how outrageous ye Lingyun is, he's still my cousin!" If it wasn't for Childe Chen, the two of them would have died without a burial place!"

Chen Xiaobei's eyes lit up. He gave her a thumbs up and praised, "Miss ye really knows how to clearly distinguish between kindness and hatred. I'm impressed!"

"Get to the main point!" Ye Zhilan said.

Oh? " Chen Xiaobei raised his eyebrows. if that's the case, then I'll help myself!

Chapter 4130: Paragon Overlord!

4130 Paragon Overlord!

"I want to take ning Tiancheng and Li xiangsi with me!"

Chen Xiaobei said.

“Sure!”

Ye Zhilan’s mind moved, and she directly released two traces of Saint Qi, rolling ning Tiancheng and Li xiangsi over.

He also used a secret technique to seal ning Tiancheng and Li xiangsi’s cultivation.

“Many thanks!”

Chen Xiaobei grinned and was about to put the two into the Meru space.

“Woof! Whoosh!”

However, at that moment, ye Zhilan took away ning Tiancheng and Li xiangsi’s storage space.

“This ...”

Chen Xiaobei was stunned. “These two storage spaces ...”

cough, cough ... elder ye quickly reminded, “ young master Chen, don’t be too greedy ... It’s not easy for miss Zhilan to come here. We can’t let her return empty-handed ...

I understand ... Chen Xiaobei said, “ “I have a small request ... Can you give me ning Tiancheng’s Dragon-shaped oil lamp? I don’t want anything else, I just want that oil lamp!”

“Swish!”

Ye Zhilan took out the Dragon-shaped oil lamp and observed it carefully.”What’s so special about this lamp? It doesn’t seem to be a magic treasure ...”

After careful observation, ye Zhilan discovered that the material of this oil lamp was very, very special. It could be said that it had never been heard of or seen before.

However, this oil lamp had no spirituality and no grade. It was not a magical treasure at all.

It was just an oil lamp made of special materials.

That was all!

I don’t know ... Chen Xiaobei shook his head. There was no way he would reveal the secret.

“Speak!” Ye Zhilan’s gaze swept towards li xiangsi.

“I’m not sure ...”

Li xiangsi shook her head and said in a low voice, “ “I only know that ning Tiancheng almost never leaves his hand! I’ve also asked him what’s so special about him, but he refused to say anything ...”

Chen Xiaobei frowned. He had a bad feeling.

“Leave this oil lamp with me for the time being!” “When you think of what’s so special about it, come and tell me. I’ll decide if it’s going to stay or not then!” Ye Zhilan said.

Clearly, ye Zhilan was not a fool.

On the contrary, she was a female heaven's favorite with many dreams and pursuits.

She was certain that this oil lamp was not ordinary, so she would not give it to Chen Xiaobei so easily. If there was a chance, she would like to have a share of it.

"Can we discuss this?" Chen Xiaobei asked.

"There's no need to discuss!" Ye Zhilan smiled. leave the oil lamp with me. As long as you can solve the mystery, you can contact me at any time. I'll shatter the void and deliver the goods to your door. You don't have to come all the way here to find me!

this ... Chen Xiaobei was speechless.

It was obvious that ye Zhilan had already made up her mind. It was meaningless to say anything more and it would affect their friendship.

then, we'll do as you say ... Chen Xiaobei finally agreed.

Although he did not get the lamp, the key to unlock the secret of the lamp was in Chen Xiaobei's hand.

That was ning Tiancheng!

If he could solve the mystery, it would not be too late for Chen Xiaobei to take back the lamp!

If he couldn't solve the secret, it didn't matter whose hands the oil lamp was!

"Straightforward!"

Ye Zhilan nodded and turned to leave.

"Wait a moment!"

Chen Xiaobei was surprised. "Something seems to be missing!"

"What?"

Ye Zhilan was also stunned.

"This is bad!"

what?! Chen Xiaobei exclaimed, " ning Tao Ran away with two Saint Royal weapons!

"Who's ning Tao?" Ye Zhilan was very confused.

Because, before she came, ning Tao had already taken the two Saint Royal weapons that originally belonged to ning Tiancheng and escaped in the chaos.

One was a battleaxe, and the other was a Scarlet Gold longsword!

This was a priceless Saint Royal tool! It was a huge loss to lose two at once!

More importantly, once ning Tao Ran away, the other two Saint Kings of the ning clan would know what happened today!

Ning Tianhao and ning Tianhan would not dare to mess with the ye family, but they would definitely come after Chen Xiaobei!

this ning Tao has no effect on miss ye, so I won't explain any further ... Chen Xiaobei said."I still have other things to do. We'll meet again!"

"Miss Zhilan, take care!" Elder ye cupped his hands and followed Chen Xiaobei.

"Young master Chen ... You're not simple!"

Ye Zhilan's eyes narrowed as she stared at Chen Xiaobei's back."Elder ye has served you for hundreds of millions of years. Now, I'll leave my ye family with you! What kind of magic power is in your body?"

.....

Jiuxuan city.

Elder ye broke through the void and brought Chen Xiaobei to the city.

The reason why it had descended outside the city was because the ruler of the nine mystical city, the Xuan family, was too powerful!

This jiuxuan city was a hundred times the size of Hong Tian city!

However, other than the Saint Kings of the Xuan family, no one was allowed to shatter the void in the city. Otherwise, it would be disrespectful to the Xuan family, and it would be a capital crime!

"Young master, we've arrived!"

Elder ye looked at the huge city in front of him and sighed, " I haven't been here for many, many years ... The Supreme atmosphere of the nine mystical city in the Central Plains is still as bright as ever ...

"Just how powerful is the nine mystical city?" Chen Xiaobei looked at the majestic and endless city walls and could not help but feel a sense of longing.

how strong is he ... elder ye sighed and fell into deep thought."The southern domain can be divided into five parts, East, West, South, North, and middle. Each part has its own powerful faction!"

"The five most powerful forces are Hong Tian city in the East, corpse Palace in the North, heart shifting Palace in the West, mang Mountain City in the South, and nine mystical city in the central region! Even if all four of them were to join forces, they wouldn't be able to defeat the nine mystical city!"

"Apart from that, putting aside the combined strength of the various major powers, the strength of the nine mystical city's city Lord, Xuan Yongyu, had already reached the peak of three star Saint King a long time ago, and he was unrivaled in the southern region! Now, it is very likely that he has already broken through to four-star!"

four stars Saint King!?

Holy corpse Emperor! Chen Xiaobei was shocked. Holy corpse Emperor is only an early three star Holy King! In front of this Xuan Yongyu, I'm as weak as an ant!"

"That's right!"

of course! elder ye nodded and said, " it's not an exaggeration to say that Xuan Yongyu alone can sweep across the entire southern region. He can destroy hundreds of large provinces in the blink of an eye!

so strong ... Chen Xiaobei could not help but sigh.

The gap between each minor realm above the Saint realm was unimaginably huge.

Xuan Yongyu's height was something that even the corpse Saint Emperor and Emperor Hong Tian could only look up to.

This was a true sovereign!

Of course, Chen Xiaobei was also looking forward to that kind of height!

He wondered when he would be able to touch it.

"Let's go! Let's enter the city first!"

there's something special about the beixuan realm after it merged with Blue Moon City. I need to deal with it now! Chen Xiaobei said.
