#### Chapter 4141: Hidden trump card!

4141 Hidden trump card!

Ning Tiancheng (Chen Xiaobei): " after ning Tao escaped, I made a deal with ye Zhilan. She gave ning Tiancheng to me! And I didn't kill ning Tiancheng. Now, he's in my hands!

Ning Tianhao, "what?!" You're saying that third brother isn't dead? (Shocked)

Ning Tiancheng (Chen Xiaobei): He was living well now! As long as I'm willing, I can reunite you all at any time!

Ning Tianhao, "who are you lying to?" I will never believe such stupid words!

Ning Tiancheng (Chen Xiaobei): " fine. Let's just pretend that ning Tiancheng is dead. Do you want to take his body with you? "

Ning Tianhao replied, "of course!" Tell me immediately, where is third brother's body! Immediately!

Ning Tiancheng (Chen Xiaobei): " that's weird ... You don't care about a living person. Instead, you're interested in a dead body!

Ning Tianhao, "cut the crap!" Tell me immediately, where is third brother's body!

Ning Tiancheng (Chen Xiaobei): " if you want ning Tiancheng's body, you'll have to escort me out of the city in secret! As long as we leave Tianyuan city, I will tell you everything you want to know!

Ning Tianhao, "out of the city!" This was impossible! Young master Xuan Yong Fei Yan has personally arrived, and the Tianyuan clan of Tianyuan city is fully cooperating with him. They have already closed the city gates and are about to carry out a thorough search! You definitely won't be able to get out!

Ning Tiancheng (Chen Xiaobei): " it's simple. Go to ning Tiancheng and tell him that he suspects that I've already left the city. Ask him to search the city! Xuanyong Feiyan thinks that he has control of the entire city and doesn't need you two. Naturally, he will allow you to search the city!

Ning Tianhao, "why should I believe you?"

Ning Tiancheng (Chen Xiaobei): " you'll escort me out of the city. I'll be right beside you. If I lie to you, you can just kill me. Not only can you take revenge for ning Tiancheng, but you can also help Xuan Yong Feiyan. Such a good deal, you don't want to do it?

Ning Tianhao, "this ..."

After a short hesitation, ning Tianhao finally made a decision.

Ning Tianhao: I'll do as you say! I'm going to find young master Xuan Yong Fei Yan now, I'll contact you after I get out of the city!

Ning Tiancheng (Chen Xiaobei): " alright! I'll wait for your news!

After that, Chen Xiaobei told fan he about the plan.

“Young master Chen, you can’t be so careless about this!” Fan he was extremely anxious. Ning Tianhao and ning Tianhan are both extremely powerful Saint Kings, and they have an irreconcilable feud with you. If you trust them easily, you’ll probably be doomed forever!”

“Don’t worry!”

I don’t think so! Chen Xiaobei said, ” even though it was just a short conversation, I could feel that something was wrong with ning Tianhao!

“What’s wrong?” Fan he asked doubtfully.

ning Tianhao, as the Big Brother, doesn’t seem to care if the third brother, ning Tiancheng, is alive or not. Instead, he cares about where ning Tiancheng’s body is!

“I understand ...”

Fan he nodded his head and said, ” this is just like a bait. As long as ning Tianhao wants to get his hands on ning Tiancheng’s body, he must follow young master Chen’s instructions! This will give us an opportunity!”

“That’s right!”

“There’s another important reason!” Chen Xiaobei said. Ning Tianhao must have heard about my power from ning Tao!”

“From ning Tao and ning Tianhao’s point of view, if it wasn’t for ye Zhilan’s help, I would have been killed by ning Tiancheng! So, they won’t put me in their eyes at all!”

I’ve thrown out the bait that ning Tianhao and ning Tianhan wanted the most, and they think that they have control over my life and death. Naturally, they won’t play any tricks!

“On the contrary, it would be more convenient for them to take action if they could bring me out of the city safely! This is to prevent xuanyong Feiyan or the Tianyuan clan from finding out about the secret, and all of their efforts will be in vain!”

Chen Xiaobei was very smart.

After some calculations, fan he felt much more at ease, ” according to what you said, ning Tianhao and ning Tianhan should be able to send us out of the city safely ... But what should we do after we get out of the city? ”

“You must know that ning Tianhao is an early two-star Saint King, and ning Tianhan is a one-star Peak Saint King. Once we’re outside the city, they’ll definitely use force. At that time, young master will probably still be in danger!”

From fan he’s point of view, Chen Xiaobei’s plan would allow him to leave the city, but he would still have to face powerful enemies after leaving the city.

After all, the second brother, ning Tianhan’s strength was already on par with ye Zhilan! Not to mention, there was also ning Tianhao, who was a whole realm stronger!

Chen Xiaobei could not fight any one of these two enemies!

“Don’t worry! Since I’m doing this, I naturally have a way to defeat them!” Chen Xiaobei raised his eyebrows, looking very confident.

“H-how is this possible? Could it be that young master Chen is still hiding his strength?”

“But, last time, if ye Zhilan didn’t come, young master wouldn’t even be able to defeat ning Tiancheng!” Fan he couldn’t believe it.

“Who told you I can’t beat ning Tiancheng?” Chen Xiaobei laughed.

After Chen Xiaobei sent Blue Moon City into the heaven and earth membrane, he did not hide in the membrane, nor did he use the chaos Space door to escape back to the beixuan great world. Instead, he chose to stay where he was.

From an outsider’s point of view, Chen Xiaobei had no choice but to stay.

But the truth was, the reason Chen Xiaobei stayed was because he had the ability to defeat ning Tiancheng!

Even if ye Zhilan did not come, Chen Xiaobei would still be safe and sound.

Of course, the method to defeat ning Tiancheng was Chen Xiaobei’s biggest secret.

That was why Chen Xiaobei did not mention anything about it, assuming that it was ye Zhilan who had saved him.

young master, do you ... Really have a way?! Fan he’s eyes were wide open as he swallowed his saliva.

Ning Tianhao and ning Tianhan, two powerful Saint Kings!

How was Chen Xiaobei going to win?

From fan he’s point of view, it was impossible for Chen Xiaobei to do that unless he had a trump card of the same level!

But if Chen Xiaobei really had such a trump card, why did he not use it when he was fighting ning Tiancheng?

Fan he couldn’t understand.

Ding! Ning Tianhao has sent you a message.

“Don’t make wild guesses, just wait and see!”

Chen Xiaobei smiled at fan he and said, ” “Let’s go. Ning Tianhao has sent a letter. We can set off now!”

After that, fan he and Li xiangsi put on their human skin masks to cover their faces.

Chen Xiaobei, on the other hand, showed his true self.

After all, he had already revealed his identity to the enemy, so there was no need to waste the mask. He could just face it head-on.

At the north gate of Tianyuan city.

Chen Xiaobei met up with ning Tianhao and ning Tianhan at the meeting place.

### Red Envelope Group of the Three Realms

#### **Chapter 4142: The sacred Emperor's seal!**

4142 The sacred Emperor's seal!

Ning Tianhao and ning Tianhan were both dressed in luxurious robes, and their faces were full of anger. They exuded the aura of an Emperor!

When they saw Chen Xiaobei, their eyes were filled with murderous intent. They wanted to tear Chen Xiaobei apart and slice him into pieces!

There was no doubt that the hatred between them and Chen Xiaobei had reached an irreconcilable level. There was no way they would let Chen Xiaobei go!

However, Chen Xiaobei had already predicted this.

First of all, ning Tianhao and ning Tianhan were eager to know the clues of ning Tiancheng's 'body'! There must be an extremely important secret behind this!

Secondly, ning Tianhao and ning Tianhan did not want to start a conflict with Chen Xiaobei in the city! That would attract the attention of xuanyong Feiyan and the Tianyuan clan!

In the end, to ning Tianhao and ning Tianhan, Chen Xiaobei was not even a match for ning Tiancheng. He was no threat to them! As long as Chen Xiaobei was by their side, he would not be able to escape from them!

So, ning Tianhao and ning Tianhan would definitely bring Chen Xiaobei to a safe place far away from Tianyuan city.

Until they reached the safe zone, Chen Xiaobei was absolutely safe.

Of course, as soon as they reached the safe zone, ning Tianhao and ning Tianhan would unleash all their anger and hatred on Chen Xiaobei! Use all means to find out the whereabouts of ning Tiancheng's 'body'!

It was obvious that the hatred between the two sides could only be resolved with life and blood!

This point was without any suspense!

However, for now, ning Tianhao and ning Tianhan still had to suppress their anger and hatred. It was more important to leave the city first.

The process was simple.

Ning Tianhao had received xuanyong Feiyan's orders, and the guards at the city gates did not dare to stop him.

Chen Xiaobei, fan he, and Li xiangsi followed ning Tianhao and ning Tianhan out of the north gate and away from Tianyuan city.

They traveled a long way up north.

Ning Tianhao and ning Tianhan stopped flying in the desolate Black Rock mountains.

Fan he's heart skipped a beat as he tensed up.

He knew very well that from this second on, fatal danger could descend at any moment.

Although li xiangsi didn't know what had happened, she had been intimidated by ning Tianhao and ning Tianhan's anger along the way. Her face was pale, and her heart was so suppressed that she was almost suffocating.

It was obvious that ning Tianhao and ning Tianhan were enemies and not friends!

"The one surnamed Chen! We've already brought you out of the city according to our agreement. Now, it's time for you to fulfill your promise!"

Ning Tianhan stood at the side, his eyes shining fiercely, like a poisonous snake in the dark, ready to launch a fatal blow at any time!

"Young master ..."

Fan he and Li xiangsi retreated and hid behind Chen Xiaobei. They did not even dare to breathe.

In such a tense situation!

He was facing two terrifying Saint Kings!

Any normal person would feel fear from the bottom of their heart!

After all, on the surface, Chen Xiaobei was only an intermediate four star true Saint, and his strongest trump card was only an early-stage one star true Saint!

No matter how he looked at it, Chen Xiaobei did not have the ability to fight him head on!

Once the battle started, Chen Xiaobei would definitely lose.

"Don't worry, I can handle it!"

Chen Xiaobei waved his hand dismissively.

Those who did not know Chen Xiaobei well would think that he was just trying to act cool!

However, those who knew Chen Xiaobei well would know that Chen Xiaobei was so calm because he had everything under control!

Chen Xiaobei's hidden cards could not only defeat ning Tiancheng, but also ning Tianhao and ning Tianhan!

Of course, before the battle, Chen Xiaobei was also very curious about their secret.

"I'm very curious, why do you have to get ning Tiancheng's body?" Chen Xiaobei raised his eyebrows and asked.

"Cut the crap!"

“My big brother is patient, but I don’t have much patience!” Ning Tianhan shouted. Tell me the location of my third brother’s body, or I’ll turn you into a corpse right now!”

“He’s really irritable! This is not good!”

I’ll tell you the truth. Ning Tiancheng’s body has already been crushed into dust! Chen Xiaobei said.

“Impossible!”

no! ning Tianhan immediately denied and said, “ my third brother’s body definitely can’t be turned into ashes!

“Heh, that’s strange!” Chen Xiaobei raised his eyebrows and continued to show off his acting skills, “ “At that time, ye Zhilan made a move and blasted ning Tiancheng until he didn’t even have a corpse left. He turned into ashes under my eyes!”

“What do you know?”

“My third brother’s corpse is different from others!” Ning Tianhan said seriously. Even if it’s shattered ...”

“Second brother!”

At this moment, ning Tianhao suddenly spoke and stopped him. “This secret can only be known by the three of us!”

“Big brother! You’re too cautious!”

“Today, this kid will die without a doubt!” Ning Tianhan said with murderous intent. Big brother, are you still afraid of a dead man leaking your secret?”

Everything was just as Chen Xiaobei had planned.

Ning Tianhao and ning Tianhan had found out about Chen Xiaobei’s strength from ning Tao, so they had no intention of letting Chen Xiaobei live.

“Hmm ... You’re right!” Ning Tianhao’s eyes turned cold as he looked at Childe Chen, Fan he, and Li xiangsi. He said coldly, “None of them will live today!”

“You little brat! You’d better leave and tell me the truth!”

Ning Tianhan glared at Chen Xiaobei and said, “ “My third brother’s body has been strengthened by the life imprint of a Saint Emperor. Even if that b \* tch ye Zhilan destroyed his body and destroyed his soul, his body will quickly reform and return to its original state!”

“Saint Emperor? Could he be the legendary heavenly Lord Primal Chaos?” Chen Xiaobei’s eyes narrowed.

A Sage Emperor was above an Emperor.

According to the classification of cultivation levels, it should be at the primal Chaos heavenly venerate level.

At this cultivation level, the first thing that came to Chen Xiaobei's mind was the heavenly Dao!

"That's right! Then my Sacred Emperor is a chaos heavenly venerate that my third brother met in his early years!"

Ning Tianhan said, "although my third brother is dead now, the life imprint of that Saint Emperor is still in my three bodies!" So, we have to get back third brother's body no matter what!"

"I finally understand!"

you guys are such Good Brothers! Chen Xiaobei said. A Sacred Emperor's life imprint is even more important than your own brother! Are you all looking forward to ning Tiancheng's early death so that you can inherit that mark?"

Ning Tianhao and ning Tianhan both kept silent and did not deny it.

In their view, the Holy Emperor's life imprint was not only more important than ning Tiancheng, but more important than everything in the world!

this mark ... What's the use of it? " Fan he asked in embarrassment.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4143: You'll die first!**

4143 You'll die first!

Fan he was really curious, " I've been listening for a long time. This Sage Emperor's life imprint can only restore ning Tiancheng's corpse to its original state. He's already dead. What's the use of a corpse? " How could such a useless mark be more important than the Brotherhood?"

Chen Xiaobei and Li xiangsi were also confused.

Fan he's words were right on point.

The Holy Emperor's life imprint sounded very Grand, but in reality, it had almost no meaning.

However, ning Tianhao and ning Tianhan even hoped that their third brother, ning Tiancheng, would die early for the sake of this Holy Emperor life mark!

From this, it could be seen that the Saint Emperor's life imprint wasn't just for repairing dismembered corpses. It definitely had other extremely important uses!

That was why fan he had asked that question ...

Just what was the use of the sage Emperor's life imprint?

"Idiot! What do you know!"

Ning Tianhan was very irascible and shouted angrily, " "The sage Emperor's life seal carries the sage Emperor's Supreme might and great fortune! Great profound mystery! Ordinary people can't understand it at all!"

“However, we’ve all seen it with our own eyes. No matter how shattered third brother’s physical body is, even if his clone’s bones are shattered, as long as the sage Emperor’s life seal isn’t damaged, his flesh and blood can be regenerated and he can return to his original appearance!”

“A physical body like this can be said to be undying and imperishable! Because of this, even if third brother’s primordial spirit is destroyed, his corpse can still be restored to its original state!”

Everyone was shocked by his words!

“I see!”

“As long as I have the Holy Emperor’s seal of life, my body and soul will be immortal!” As long as the primordial spirit is preserved, the entire person is equivalent to being immortal!”

no wonder the elder brother wishes for his younger brother to die early for the sake of this mark!

“With such an imprint, all experts below the Saint Emperor realm would be able to experience a qualitative increase in their strength!”

Obviously, the ning family had always been managed by ning Tiancheng. Ning Tianhao and ning Tianhan didn’t care at all. They only wanted to become stronger.

Over the years, ning Tianhao and ning Tianhan had become cultivation maniacs who would do anything to improve their strength.

For ordinary people, the higher the cultivation, the harder it would be.

At a time when their cultivation couldn’t be easily improved, the sacred Emperor’s life imprint on ning Tiancheng naturally became something they dreamed of.

“I’ve already said all the nonsense!”

“Give me an answer in three seconds, or I’ll kill one person every three seconds!” Ning Tianhan said with murderous intent.

“Whoosh ...”

Chen Xiaobei was calm and confident.

Fan he and Li xiangsi, on the other hand, were unable to remain calm. They were facing two extremely powerful Saint Kings!

The enemy had not even made a move, but fan he’s face was already pale and he was breaking out in a cold sweat. If not for his trust in Chen Xiaobei, he would have run away.

Li xiangsi’s face was pale and her body was trembling. If her life was not in Chen Xiaobei’s hands, not only would she run away, but she would also join the enemy and turn against Chen Xiaobei.

“Three seconds are up!”

Ning Tianhan’s eyes narrowed, and he asked coldly, ” “Tell me, who do you want to die first?”

Fan he and Li xiangsi both gasped when they heard this.

Could it be that his death had arrived?

“Who will die first?”

of course! Chen Xiaobei raised his eyebrows. you’ll die first!

“What?”

Ning Tianhan was instantly furious, “you little bastard!” Was his brain kicked by a donkey? I’m not any weaker than that b \* tch ye Zhilan! Even if she came here personally, she wouldn’t be able to protect you! You still want me to die? You’re crazy!”

“I’m afraid this kid is an idiot ...”

Ning Tianhao’s face was full of disdain and disgust. “Don’t you know your own worth? You’re at death’s door and you still dare to speak such arrogant words, you’re really stupid to the extreme!”

There was no doubt that in the eyes of ning Tianhao and ning Tianhan, Chen Xiaobei could not even defeat ning Tiancheng. He could be said to be very weak and could not escape from their palms. How dare he want ning Tianhan to die first?

This was simply the biggest joke in the world! It was hopelessly stupid!

“Ancestral Saint, open the chaos!”

However, Chen Xiaobei had already revealed his hidden trump card!

Chen Xiaobei did not argue with ning Tianhao and ning Tianhan’s mockery. Instead, he wanted to show them who was the real idiot!

[ ding Yingying’s cultivation base: early stage one star Saint King. Lifespan: 58050791 trillion years! [ physical body: xxxxx! ] [ combat power: xxxxx! ] Primordial spirit attack-peak true sage level!

Burning 100 billion years of life!

Chen Xiaobei had used the ancestral saint’s nine mutant abilities to open the chaos, breaking through the true Saint level and entering the Holy King level!

Pseudo realm!

An early-stage one-star true sage!

“What? This ... How is this possible?”

Seeing this scene, ning Tianhao, ning Tianhan, fan he, and Li xiangsi were all dumbfounded. Their scalps were numb, and their three views were shattered. They even began to doubt their lives.

They could not imagine that Chen Xiaobei, who was only a four star true Saint a second ago, had become a one star Holy King in the blink of an eye!

Such a huge contrast, such a terrifying improvement, it was simply like a dream, it was unbelievable!

However, this was only the beginning!

Hua ... Hua ... Hua ... Hua ...

Then, the Saint Qi in Chen Xiaobei's body started to surge like waves.

Each wave was higher than the previous, stronger than the previous!

Moreover, there were three obvious pauses at the node of the fourth surge. Then, it stopped falling and stabilized at the highest wave strength!

That's right!

Chen Xiaobei's pseudo-realm had broken through four times in a row.

From an early stage one star Saint King, he broke through to the middle stage, late stage, peak stage, and at the fourth wave, he broke through a major realm!

[ ding Yingying's cultivation base: early-stage two stars Holy King. Lifespan: 1 trillion years! [ physical body: 9999 zhaoheng! ] [ combat power: 9999 zhaoheng ] Primordial spirit attack-peak true sage level!

Nearly 600 billion years of his life had been used up in exchange for Chen Xiaobei's two star Holy King pseudo-realm!

"Oh my God ... This ... This, this, this ..."

Seeing this scene, everyone felt as if they were struck by lightning.

It was as if they had seen a miracle that was impossible to happen in this world. Even ning Tianhao and ning Tianhan were dumbfounded. Their mouths were half open, and their brains had short-circuited.

Fan he stood rooted to the ground, his eyes wide open like a bull's, almost popping out of his head.

Li xiangsi couldn't help but pinch herself. She used the pain to confirm that she wasn't dreaming.

In an instant, Chen Xiaobei had reached the two star Holy King level!

Even if there were a hundred million ning tianchengs, they would not be enough to kill Chen Xiaobei.

Luckily, ye Zhilan had a good character. Otherwise, Chen Xiaobei could have just grabbed her and spanked her.

"I'll let you die first! You'll die first!"

Chen Xiaobei's eyes locked onto ning Tianhan.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4144: Extreme despair!**

4144 Extreme despair!

"Boom boom boom ..."

As Chen Xiaobei looked at ning Tianhan, two terrifying bolts of purple-gold lightning shot out from his eyes.

Like two purple-gold Thunder Dragons, they carried an earth-shaking pressure and crushed towards ning Tianhan.

“Oh my God ... Help ... Big brother, help ...”

Ning Tianhan was so scared that he peed his pants and screamed.

Even though he was a one star pinnacle Saint King, he was no match for Chen Xiaobei, who was an early two star Saint King. He was like an ant against a Dragon.

At this moment, apart from asking his elder brother, who was also an early two star Saint King, for help, ning Tianhan had no other way.

“Second brother, you can go in peace ...”

However, no one expected that ning Tianhao would be completely unmoved. He just stood there and looked at everything coldly. He said without a trace of emotion, “Big brother guarantees that he will definitely take revenge for you!”

Obviously, ning Tianhao and ning Tianhan were both cultivation maniacs who did not care about anything.

Besides cultivating and becoming stronger, nothing else was important in their eyes. They had even left the ning family 10000 years ago and abandoned their family.

Because of this, at the moment of his second brother ning Tianhan’s life and death, the eldest brother ning Tianhao chose to watch coldly.

The reason was simple.

There was only one life mark of a Saint Emperor. Ning Tianhao and ning Tianhan would have to fight for it sooner or later!

They all expressed that for this mark, they hoped that ning Tiancheng would die early.

Therefore, even if ning Tianhao temporarily obtained this mark, he still had to be on guard against ning Tianhan’s schemes at all times.

Rather than taking the risk, it was better to watch ning Tianhan die!

This way, ning Tianhao could have the Holy Emperor’s life imprint all to himself. After he killed Chen Xiaobei and the others, there would be no second person in the world who would know about this secret.

That was why ning Tianhao did not care about ning Tianhan’s life. He just took out his magical treasure and prepared to fight Chen Xiaobei.

Boom ... Boom ... Boom ...

The next moment, Chen Xiaobei’s two purple-gold lightning bolts struck ning Tianhan at an unavoidable speed.

Without any suspense, ning Tianhan's body was directly blown to pieces, turning into a pile of minced meat on the ground.

All that was left was a broken primordial spirit, which fell to the ground listlessly like a dead leaf in the wind.

spare me ... Young master Chen, spare me ...

Ning Tianhan's primordial spirit was already on the verge of death.

He didn't even have the strength to escape, let alone fight. He could only lie on the ground and beg for mercy.

"Swish!"

Chen Xiaobei did not have time to waste on ning Tianhan. He took a step forward and charged at him.

One had to know that opening the primal Chaos was an extremely abnormal and heaven-defying ability!

However, the higher the pseudo realm, the shorter the duration of the technique.

Chen Xiaobei only had five seconds left to defeat ning Tianhao.

In other words, Chen Xiaobei had to kill ning Tianhao!

"Swish!"

At the same time, ning Tianhao had already sent out his Dharma Treasure.

It was a red-gold lotus flower, exuding a domineering aura of extreme yang.

"Whoosh ..."

The power of the Golden Lotus was released, and it combined perfectly with ning Tianhao's Saint Qi.

It was as if they were a pair of partners that complemented each other. After they joined together, they could erupt with a power greater than one plus one.

It was obvious that The Crimson Gold lotus was a two-star Saint King weapon!

And it was ning Tianhao's life treasure!

When the two powers were unleashed to the extreme and combined, it was equivalent to the power of a middle-stage two-star Saint King!

"You little brat! You're dead!"

you're dead! ning Tianhao let out a furious roar. His empty eyes looked at Chen Xiaobei as if he was looking at a dead body.

It was obvious that ning Tianhao was confident in himself and the Crimson Golden Lotus!

He did not need ning Tianhan's help. He was confident that he could defeat Chen Xiaobei on his own.

"Shua shua ... Shua shua ..."

In the next moment, the red-gold lotus flower was like an endless snow storm, releasing red-gold petals.

In the sky, each petal was as big as a sun.

Countless scorching Suns shrouded the top of his head. The light was so bright that it was difficult to open one's eyes. The terrifying energy even caused time and space to tremble.

It could even be said without any exaggeration that if this strike were to land on the ground without anyone blocking it, it would be able to shatter the space within a radius of a trillion kilometers!

Within this area, ordinary Saint King level forces would be razed to the ground, not even chickens and dogs would be left!

“So strong ... So terrifying ...”

Fan he and Li xiangsi's eyes widened at the sight.

The extreme fear made their pupils constrict and bloodshot. Their breathing and heartbeat stopped, and their limbs were extremely cold.

It was terrifying!

It shook their minds and nerves, as if it could make them collapse at any time!

heh, I'm not targeting anyone within the two star Saint King realm. Everyone is my younger brother!

However, even in such a situation, Chen Xiaobei was still smiling and looking calm, as if the terrifying power in front of him was just a normal scene.

“Saint pan, Holy Blood Essence Ring, true spirit Dharmakaya!”

Chen Xiaobei activated his super power again!

“Shua shua shua ...”

First of all, the twelve blood essences of Pangu's ancestral Saint had turned into the twelve blood-red Dharma images of the twelve ancestors of sorcery, forming a huge ring behind Chen Xiaobei.

In an instant, blood light shot into the sky!

The unparalleled pressure and the vast blood color were like an endless sea of blood that pushed upward!

Just the light alone was enough to make the countless Golden Suns in the nine Heavens lose their color and turn blood red!

In that instant, Chen Xiaobei's power, with the help of the blood essence Holy Ring, was 10000 times stronger than those of the same level!

“Chi ...”

The donghuang Bell rang, and Chen Xiaobei's Dharmakaya was summoned.

In an instant, the avatar shone with the light of the sun, moon, and stars, illuminating everything in the world.

Once the Saint pan true Spirit's avatar appeared, Chen Xiaobei's power was raised by a small realm, and it was still 10000 times stronger than those of the same level!

Whoosh ... Whoosh ... Whoosh ...

Saint Pan's true spirit avatar did not even move. The Saint vitality that was naturally emitted from its body had formed a huge storm around Chen Xiaobei!

These energy storms were unimaginably terrifying. Even the aftershocks were comparable to the power of a peak true sage. It was enough to flatten a city with billions of people!

my God ... This ... This ... What kind of monster is this kid!?

Ning Tianhao's face turned green.

Just a second ago, he was confident that he could defeat Chen Xiaobei on his own and take all the benefits for himself.

However, at this moment, he was completely dumbfounded. Never in his wildest dreams would he have thought that Chen Xiaobei's power had suddenly become 10000 times stronger than his.

His state of mind was completely occupied by a certain emotion ...

That was despair!

An unparalleled despair!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4145: Special change!**

4145 Special change!

"Chi ..."

In an instant, the twelve witches 'blood essence Holy rings shone with the Holy Light of the ancestors!

Above the nine Heavens, countless Crimson-golden blazing Suns were baptized by the blood light and slowly dispersed in the sky. They were assimilated by the blood light and became countless blood-red blazing Suns!

my God ... This ... This ... How is this possible?!

Ning Tianhao's jaw dropped as if he had seen a ghost. His entire body was frozen on the spot!

He had never seen such terrifying power in his entire life!

It wasn't that he had never seen the power of a two star Saint King before, but he had never seen a two star Saint King erupting with such terrifying power!

Not only had he not seen it, he had not even heard of it!

“It’s ... It’s terrifying ...”

On the other side, ning Tianhan’s primordial spirit let out a desperate cry.

Ning Tianhan was also shocked by Chen Xiaobei’s power. His mental state was on the verge of collapse.

Childe Chen has actually hidden his strength so deeply ... I can’t imagine it. Who is he? ”

Fan he and Li xiangsi were so shocked that their eyes and mouths were wide open, and all the hair on their bodies stood up.

Originally, fan he was just a man who was paid to do things for others. He was not Chen Xiaobei’s subordinate.

But at that moment, fan he suddenly had the thought of submitting to Chen Xiaobei. His intuition told him that following Chen Xiaobei would bring him a great future.

At the same time, li xiangsi’s mentality was gradually changing.

At first, she thought that Chen Xiaobei was just relying on ye Zhilan’s power. But now, she could see that Chen Xiaobei’s strength was enough to crush ye Zhilan.

Even if ye Zhilan had not come that day, Chen Xiaobei could have dealt with ning Tiansheng.

More importantly, Chen Xiaobei’s strength at such a young age could only mean that the power behind him must be terrifying!

Perhaps, the power behind Chen Xiaobei was even stronger than the Yap family! In fact, they could even compete with the Xuan Yong clan!

Li xiangsi’s heart was about to jump out of her throat at the thought of this.

If li xiangsi’s previous humbleness was only to save her own life, then from this moment on, she was truly afraid of Chen Xiaobei.

This young man was like a bottomless abyss.

“Swish!”

The next moment, Chen Xiaobei’s Saint pan true spirit avatar, which was shining with the light of the sun, moon, and stars, was like a bolt of lightning, charging towards ning Tianhao.

Just like before, Chen Xiaobei’s speed was so fast that he could not Dodge.

Ning Tianhao did not even have time to react when Saint Pan’s true spirit arrived in front of him.

A sword-like whistle could be heard.

One of the hands of the Saint pan true spirit waved quickly and the hand blade swept across.

uh ... Pfft!!!

The next moment, ning Tianhao’s body was dismembered, and blood and organs spurted out!

“Mercy ... Young master Chen, please spare me!”

The moment he dismembered ning Tianhao's body, his primordial spirit was already in Chen Xiaobei's palm.

Chen Xiaobei crushed ning Tianhao's Dharmakaya and his primordial spirit, rendering him unable to fight. He was like a fish on the chopping board.

"Woof! Whoosh!"

Chen Xiaobei released two streams of saintly celestial energy and put ning Tianhao and ning Tianhan's storage space into his bag.

this wave of attacks has almost emptied my previously accumulated lifespan ... I have to recover some of my health!

Chen Xiaobei then started to look through the two guys' assets.

The two of them had found a total of 100 million Saint origin Mystic crystals!

In other words, it was equivalent to one hundred billion Saint origin crystals or one hundred portions of peak true sage Energy.

To Chen Xiaobei, this amount of energy was not a lot because it was not enough to activate a Saint Royal weapon. But it was not a small amount either because it could be used to activate a pinnacle true Saint weapon a hundred times, or it could be used for cultivation!

In addition, in ning Tianhan's storage bracelet, he found a peak one-star true sage level treasure.

This magical equipment was a longbow made of crystal.

Looking at the quality, it was not bad. Furthermore, it could be used to kill enemies in the dark, so it was very practical.

The only flaw was that this longbow was usually driven by ning Tianhan's own Saint Qi, so there was no extra energy in it.

If Chen Xiaobei wanted to use it, he would have to inject energy into the longbow himself.

Then, the most important gain was ning Tianhao's two-star Saint weapon, the Golden Lotus.

Chen Xiaobei had already seen its power. It was above average among its peers.

The bad part was that there was no energy.

To activate it once, Chen Xiaobei needed to find a two star Saint King level Holy Meridian. It was extremely difficult.

Other than the Saint origin Mystic Crystal and the two Saint Royal weapons, there were a lot of other high-grade items. However, none of them were of use to Chen Xiaobei. They were basically recycled goods.

However, these resources were of a higher grade and would take a longer time to be melted down.

So, Chen Xiaobei decided to stay for the time being.

Then, Chen Xiaobei took out the Saint devouring axe and pointed it at the two men.

“Hiss ...”

Ning Tianhao and ning Tianhan both gasped. They felt a strong killing intent and begged for mercy, “young master Chen, please spare us ... Don’t kill us ... We’re willing to be your slaves ... We’ll be your servants ...”

“Heh, save your strength! If you cut the grass and don’t remove the roots, it will grow again in the spring wind! I can’t let you go!”

Chen Xiaobei activated the Saint devouring Axe’s special ability and swallowed the two primordial spirits.

Chen Xiaobei did not kill them because he wanted the Saint devouring axe to consume their primordial spirits and use the mental power contained in their primordial spirits.

More importantly, ning Tao had run away and caused Chen Xiaobei a lot of trouble.

This time, Chen Xiaobei was not going to let ning Tianhao and ning Tianhan go.

“Woof! Whoosh!”

In an instant, the two primordial spirits were devoured by the Saint devouring Dao axe.

Then, the strange patterns on the three-eyed Saint Sword started to change.

The energy seeped out, and golden flames burned around the three-eyed Saint Sword. It was very cool.

After all, the Saint devouring axe and the three-eyed Saint blade were only peak true saints. Now that they had devoured the primordial spirits of two Saint Kings, their spiritual power was full.

If it had been an ordinary peak Saint weapon, it would have exploded.

I can’t go on like this ... Energy keeps leaking out. If this goes on, these two primordial spirits will be devoured for nothing!

Chen Xiaobei frowned. He did not like this kind of energy-wasting state.

Whoosh ... Whoosh ... Whoosh ...

However, right at this moment, the Saint devouring Dao axe underwent another unique change.

#### **Chapter 4146: Squandering plaything!**

4146 Squandering plaything!

Just as Chen Xiaobei was having a headache over the loss of energy, the Saint devouring axe underwent another transformation.

It actually absorbed the blood essence of ning Tianhao and ning Tianhan’s dismembered bodies and swallowed them directly.

“This ... This Saint devouring Dao axe is the same as the waiter, is it also the reincarnation of a Hungry Ghost? I’m already full, and I still want to eat ...”

Chen Xiaobei sighed. the energy is constantly leaking out. No matter how much energy I consume, it’s all a waste. It’s meaningless!

Just as Chen Xiaobei had said, not only was the three pupil Holy crest surrounded by golden flames, there were also blood-red flames!

Obviously, although ning Tianhao and ning Tianhan had died without an intact body, their broken bodies were also Saint King level bodies. The vitality, Qi, blood, and essence contained in them could all be transformed into extremely powerful energy!

“Swish!”

However, just as Chen Xiaobei was feeling sorry for the waste of energy, ning Tianhao’s Golden Lotus suddenly flew up on its own.

The Crimson Gold lotus was ning Tianhao’s Natal Dharma Treasure.

Logically speaking, after ning Tianhao’s primordial spirit was devoured, The Crimson Gold lotus should have no owner.

However, at this moment, a very wonderful scene appeared ...

“Whoosh ...”

Surprisingly, the lotus flower was connected to the Axe’s spirit, as if it had recognized the axe as its new master.

However, thinking about it, it seemed to be related to ning Tianhao.

Ning Tianhao’s body, blood essence, and primordial spirit had all been devoured by the Saint devouring Dao axe.

In other words, the Lotus seemed to have become the life-bonded magic treasure of the Saint devouring Dao axe.

“A magic treasure becoming the owner of a magic treasure? This ... How is this possible?”

Chen Xiaobei could not believe his eyes.

On the other side, fan he and Li xiangsi were dumbfounded and couldn’t say a word.

This kind of outrageous situation had already far exceeded their knowledge. They simply couldn’t understand it with their current thinking.

However, this was only the beginning.

The Saint devouring Dao axe was still operating in a strange way.

“Swish!”

Just like the situation just now, this longbow was probably ning Tianhan’s life treasure.

“Woof! Whoosh!”

What happened next was even more unexpected!

The Saint devouring Dao axe had devoured both the Golden Lotus and the crystal longbow!

“F \* ck!”

Chen Xiaobei’s scalp went numb as if he had been struck by lightning.

Even though he had won the battle easily, Chen Xiaobei had lost most of his lifespan.

He had hoped that these two Saint King weapons would be able to make him feel better, but they were all devoured by the Saint devouring Dao axe.

As the number one profiteer in the Three Realms, Chen Xiaobei felt that this deal was a huge loss!

“Whoosh ...”

As the two Saint Royal weapons were devoured, a third layer of silver flames appeared around the three-eyed Saint edge mark.

“What the f \* ck!”

Chen Xiaobei could not take it anymore, ‘this wastrel! It’s going to be a waste to swallow so much energy?’

One had to know that this energy was burning and not simply leaking out!

If the energy was leaked, Chen Xiaobei could still absorb it. However, he could not recover the energy that was consumed by burning!

The two Saint Royal weapons were like two cooked ducks that flew away before Chen Xiaobei could even enjoy them.

Isn’t it infuriating?

This wastrel!

“Chi ... Chi ...”

However, just as Chen Xiaobei was feeling annoyed, the Saint devouring Dao axe started to emit a special wave of energy.

These fluctuations were easy to sense.

“You still want to eat other things? Are you crazy?”

As the owner of the axe, Chen Xiaobei could sense that the axe wanted to devour more things.

“Chi ... Chi ...”

The waves of energy from the Saint devouring Dao axe were still going on, and it didn’t show any signs of stopping.

From the looks of it, if he wasn't satisfied, this wastrel would not stop.

"I'm scared of you ..."

After all, Chen Xiaobei's most valuable trump card was still the Saint devouring axe. He had no choice but to satisfy it.

"Chi ..."

Chen Xiaobei took out all the resources from ning Tianhao and ning Tianhan's storage space and let the Saint devouring axe continue to consume them.

Whoosh ... Whoosh ...

This wastrel did not hold back. In the blink of an eye, he had finished everything, not even leaving a single piece for Chen Xiaobei.

"This is really infuriating ..."

Chen Xiaobei felt his head throb.

This was definitely a huge loss.

In the words of earth, this was like losing one's lifespan and magical equipment and resources!

"Chi ... Chi ..."

However, the Saint devouring Dao axe didn't seem to have any intention of stopping. It was still emitting the same fluctuations, craving for more energy.

"Is there an end to this?"

"I'm going to put you away right now! You can go and cause a scene!" No... No... "

Chen Xiaobei had already invested two Saint Royal weapons and a lot of precious resources. He was not willing to give up just like that.

"Woof! Whoosh!"

Chen Xiaobei gritted his teeth and took out the 100 million Saint origin Mystic crystals he had just obtained, as well as the 100 million Saint origin Mystic crystals he got from ye Zhilan when he was selling his treasures.

"Swish!"

Next, Chen Xiaobei took out the heaven and earth furnace.

Previously, he had refined a huge amount of resources and accumulated a rich spiritual aura of heaven and earth.

Now, Chen Xiaobei only had a few important trump cards and dozens of pinnacle true divine energy.

It was obvious that Chen Xiaobei was going all in!

Whoosh ... Whoosh ...

The Saint devouring Dao axe didn't hold back either. It quickly absorbed all the spiritual aura of heaven and earth and then started devouring the Saint origin Mystic crystals.

Chen Xiaobei's heart was bleeding as he watched the 200 million Saint origin Mystic crystals disappear.

If this was still not enough to feed this wastrel, then Chen Xiaobei really had no other choice.

"Woof! Boom boom boom ..."

Just as the Saint origin Mystic Crystal was about to be used up, a terrifying energy fluctuation burst out from the Saint devouring Dao axe.

In an instant, fan he and Li xiangsi were thrown off their feet by the strong wind. They were sent flying hundreds of meters before they could stabilize themselves.

One had to know that this was only the energy wave that had spread out. The wind that it created was enough to blow fan he, who was a Nine Star true Saint, a few hundred meters away!

One could only imagine how terrifying the energy fluctuations were!

"Young master Chen ... Are you alright ..."

It took fan he a Herculean effort to stabilize himself and to keep li xiangsi by his side. He quickly turned to look at Chen Xiaobei.

"Chi ..."

Chen Xiaobei was still standing there, unaffected by the terrifying energy.

It was as if the energy belonged to Chen Xiaobei and would not hurt him at all.

"I was wrong ..."

Chen Xiaobei stood where he was, the Holy Light of the three-colored flame falling down, looking sacred and majestic.

"You're not a prodigal! It definitely isn't!"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4147: The Holy Dragon slays the Dragon!**

4147 The Holy Dragon slays the Dragon!

"Woof! Boom boom boom ..."

The frenzied fluctuations were like a tsunami, an ocean overturning, and heaven and earth turning upside down.

Fan he and Li xiangsi retreated again and again. Even when they were thousands of meters away, they still found it difficult to stabilize their bodies.

The desolate Black Rock Mountain range beneath his feet was directly flattened! The mountain range was crushed into dust, forming a Black Desert with a radius of ten thousand miles!

Terrifying!

It was incomparably terrifying!

One had to know that this was only the energy fluctuation emitted by the Saint devouring Dao axe. It was far from comparable to the power!

If the Saint pan Dao devouring axe was at its current level, it could probably split the heaven and earth in half!

That's right!

After devouring all the resources that Chen Xiaobei could use, the Saint devouring Dao axe had undergone an unexpected change!

That was a major realm breakthrough!

At this moment, the Saint devouring Dao axe had made a breakthrough and reached the level of a one-star Saint King.

Furthermore, he had broken through three minor realms in a row, directly reaching the peak of a one star Saint King.

In other words, as long as Chen Xiaobei had enough energy, he would be invincible against anyone below two star Holy King!

Without a doubt, this result was definitely a super huge surprise!

Just a moment ago, Chen Xiaobei was still complaining about how the Saint devouring Dao axe was a wastrel that had caused him to lose a lot of money.

Chen Xiaobei had completely changed his mind. He even felt that he had made a profit.

One had to know that with the quality of the Saint devouring Dao axe, it was definitely invincible against those below the heavenly Lord of Chaos.

If the Saint devouring Dao axe was a ferocious Tiger, then the Golden Lotus and the crystal longbow were like two little sheep.

Using two little sheep in exchange for a ferocious Tiger was a great deal for Chen Xiaobei.

One had to know that the Saint devouring Dao axe was already a peak one-star Saint King weapon, and it would be a two-star Saint King weapon if it was upgraded.

At that time, a casual swing of the axe could easily cut the red-gold lotus flower into pieces.

Although they were of the same rank, the difference in quality was so huge that it could not be made up for! Not even a trillion pure-gold lotuses could be exchanged for the pan Saint devouring Dao axe!

now, energy and lifespan have become the top priority again ...

Despite his excitement, Chen Xiaobei quickly calmed down.

“Without energy, the Saint pan Dao devouring axe is useless. Without lifespan, the nine ancestral transformations is useless! The two super trump cards are now in standby mode. We have to increase our lifespans and accumulate energy as soon as possible ...”

The more powerful the trump card, the more it would consume.

This was also the main reason why Chen Xiaobei did not use the nine ancestral Saints transformation when he first faced ning Tiancheng.

“Young master! Let’s hurry up and leave!”

At this moment, fan he flew over with li xiangsi and reminded, ” “The commotion just now was too big, anyone within a hundred million miles would have noticed it. Perhaps even xuanyong Feiyan and the Tianyuan clan will come!”

“Hmm, wait a moment!”

Chen Xiaobei nodded and put away the Saint devouring axe.

Then, Chen Xiaobei released the ancestral Dragon, the primordial Phoenix, and the Qilin from the Sumeru dimension.

“This is the upper province of the yuan Sage!”

” I’ll go! Chen Xiaobei said, ” try to sense the location of your ancestors. We’ll go to whoever is closer!

“Yes, sir!”

The ancestral Dragon, the primordial Phoenix, and the origin Qilin immediately began to comprehend carefully.

Then, the three of them told him the location they had sensed. Their initial judgment was that the ancestral Dragon should be the closest.

After that, the primordial Phoenix and the beginning Qilin returned to the Meru space while the ancestral Dragon stayed behind with Chen Xiaobei to make it easier for them to follow up.

Finally, Chen Xiaobei let Yan Lingshi out.

This girl had a certain connection with the heavenly Dao. He had followed her here to see if he could find any clues about the heavenly Dao.

It was not safe before, so Chen Xiaobei had her stay in the Meru space.

Since they would not encounter any enemies for the time being, Chen Xiaobei asked her to come out and set off with the rest.

Following that, the group headed north of the upper Yuan Sage region according to the ancestral Dragon’s senses.

There was a sea in the North, called the divine Dragon.

On the edge of the sea of the sacred Dragon, there was a huge main city. Its size was almost the same as the Hong Tian city of the ye clan of the southern region.

In the heavenly Saint realm, one could roughly tell the strength of a force by looking at the size of the main city.

To be on par with the ye clan of the southern region, there was at least one three star Saint King and nine one or two star Saint Kings in this main city.

Without a doubt, this was a very powerful force.

At least for now, this was a giant that Chen Xiaobei could not shake.

Chen Xiaobei would not want to mess with a city like this, but the reality had already set them on a path of hostility!

This was because ...

The name of the city was dragon slaying!

To build the Dragon slaying city by the Holy Dragon Sea! It was clear that the master of dragon slaying city and the dragon clan had a conflict that was as incompatible as fire and water!

Both sides were unable to completely suppress each other. It was clear that there were many wars and conflicts between them!

Fortunately, Yan Lingshi had sensed the danger ahead of time, so they did not enter the city.

After asking the people who were leaving the city, he got a rough idea of the situation.

Fan he and zu long were both from the Dragon race. If they were to enter the city recklessly, they would instantly become the target of public criticism!

After that, the group went around dragon slaying city and dived into the Holy Dragon Sea at an extremely far shore.

After diving all the way down and reaching a depth of hundreds of thousands of meters, a magnificent and huge underwater main city appeared in front of everyone's eyes.

"What a big city! It's a hundred times bigger than the Dragon slaying city just now!" Yan Lingshi's beautiful eyes flickered with excitement.

Such a huge main city was almost one-third the size of the beixuan great world!

Such a large scale was a breath of fresh air for Yan Lingshi. It was an eye-opener.

"Strange ..."

this is a city! Chen Xiaobei frowned. judging from the size of this city, it should be a powerful force on par with the xuanyong clan. How could dragon slaying city be so arrogant? " This doesn't make sense ..."

Fan he and zu long shook their heads helplessly.

To them, this was a whole new world. They had no idea what was going on.

As for li xiangsi, Chen Xiaobei had already locked her up in the Meru space and asked her to continue trying to get ning Tiancheng to speak.

After all, li xiangsi's communication rune was already under Chen Xiaobei's control. The request to investigate the purple-eyed Holy Spirit had already been sent to the relevant personnel. Chen Xiaobei only had to wait for the news. He did not need li xiangsi outside.

"Lingshi, can you sense good or bad luck this time?" Chen Xiaobei asked.

Yan Lingshi stared at the undersea Holy Dragon City for a while. She shook her head and said, "I can't sense it ... My sense of good and bad is still the same, sometimes effective and sometimes not ..."

"Alright! We'll know when we enter the city!" Chen Xiaobei held Yan Lingshi's hand and protected her by his side. Then, they flew down to the main city.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4148: sneak in!**

When Yan Lingshi first met Chen Xiaobei in the Hong Meng Demon Realm, she claimed that she was a half-immortal with the special ability to sense good and bad luck.

This ability might be related to her primordial violet Qi.

However, the biggest problem was that it was sometimes effective and sometimes not, so it could only be considered half a fairy.

At this moment, Yan Lingshi could not sense the good or bad luck of this trip.

Chen Xiaobei had no choice but to be more alert. He kept Yan Lingshi by his side and told fan he and zu long to be more alert.

"Stop!"

At the entrance of the Holy Dragon City, there were a large number of Water Tribe warriors in armor and holding blades.

They had strict military discipline and an awe-inspiring aura. One could tell at a glance that they were veterans who had been on the battlefield and killed enemies.

Moreover, they were also very cautious, as if they were always on guard against the enemy.

"Who are you people?"

The leader of the water Tribe warriors was wagging his eel-like tail and swimming over.

"We're here to look for our family ..."

Chen Xiaobei quickly asked the ancestral Dragon to come.

Clearly, everyone had already thought of what to say before they came.

"My family's elder is from the Holy Dragon City. Before he passed away, he told me that he had a distant relative in the Holy Dragon City. He asked me to come and look for him ..." Zu long said directly.

“You said you’re from Holy Dragon City?” The leader of the Warriors sized up the ancestral Dragon suspiciously.

“It wasn’t me ...”

he’s an elder of my tribe,” zu long quickly explained. he came from Holy Dragon City, while I was born somewhere else!

“That means you’re not from the Holy Dragon City!”

The warrior leader’s eyes narrowed and he said solemnly, “You can leave! Those who are not from Holy Dragon City are not allowed to enter the city!”

“Although I wasn’t born in the Holy Dragon City, I’m still a Dragon ...” Zu long frowned.

The leader of the Warriors interrupted the ancestral Dragon and said in a deep voice, “You’re indeed a Dragon! However, the dragons outside Holy Dragon City could no longer be trusted! Many of the dragons outside have already been subdued or roped in by the enemy. Once they enter the city, they will be a great disaster!”

“Brother! Please believe me! I’m here with no ill intentions!” Zu long tried to explain.

“Save it! Which evil person would admit that they are about to do evil?” The leader of the Warriors said.

I ... I’m really not an evil person ... zu long frowned and didn’t know what to say.

He had thought that he would be able to obtain permission to enter the city by relying on his identity as a Dragon.

He didn’t expect the other party to be so cautious. If he didn’t have any evidence, the ancestral Dragon wouldn’t be able to explain it.

“Alright! I don’t think you’re a bad person, so I’ll talk to you a little more!”

The leader of the Warriors sighed and slowly said, “ a long, long time ago, our Holy Dragon City was one of the three most powerful forces in the yuan Sage upper region!

“After that, a Dragon bribed by an enemy sneaked in and won the trust of the Emperor. He then secretly poisoned the Emperor!”

it directly caused our Holy Dragon city’s strength to decline by a thousand feet. Otherwise, the Emperor of the Holy Dragon would be able to destroy a small city like the dragon-slaying city with a flick of his finger. How could they have the chance to be so arrogant? ”

After a pause, the warrior leader said solemnly, “You should understand now, right? Although I don’t think you’re a bad person, the Holy Dragon city’s iron law forbids outsiders from entering! Even if you make it sound like a heavenly flower, I can’t let you in!”

this ... zu long was helpless and couldn’t refute.

After all, the Holy Dragon City had undergone great changes. It was completely reasonable for them to be vigilant.

“Forget it, let’s leave first ...” He said.

Chen Xiaobei was a reasonable man. He stopped zu long and left.

However, Chen Xiaobei did not plan to leave the sea of the Holy Dragon immediately. Instead, he went to an area of the sea far away from the Holy Dragon City.

” bro bei ... We can’t enter the city. There’s no point in staying in the ocean ... zu long said helplessly.

Fan he and Yan Lingshi had no choice but to stand aside quietly.

“We’re not entering the city!”

” I’m not here! Chen Xiaobei said, ” we’re here to get the 10 primordial violet vapor that the divine Dragon ancestor left behind on behalf of the Saint pan clan. As for the feud between the divine Dragon City and the Dragon slaying city, I don’t want to get involved ...

“Bro bei, what do you mean?” Zu long didn’t understand.

you can sense its location. I have the earth escape immortal puppet. We can take the primal Chaos purple Qi when no one is looking. Then, we can leave without a hitch! Chen Xiaobei said.

Obviously, Chen Xiaobei did not want to get into a conflict with the Holy Dragon City. Taking the items and leaving was the best choice.

that’s a good idea, but ... zu long was still hesitant, ” “There might be other changes in the vicinity of the location I sensed! For example, guards, crowds, formations ... All of them can cause chaos and danger!”

“Now that things have come to this, we can only take one step at a time!” let’s use the earth escape Holy gourd to get closer first. Then, we’ll observe the situation on the ground. We’ll take whatever we can. If we can’t, we’ll think of another way!

“Alright, that’s the only thing we can do now!” Zu long nodded.

Even though Chen Xiaobei’s plan might not be the final blow, it was better than doing nothing.

The best result would be that he could get ten strands of primordial violet vapor without anyone knowing.

The worst result would be that he would not be able to obtain the primal Chaos purple Qi after escaping underground and then retreat safely.

“Lingshi, fan he, you guys go back to the Meru space first!” Chen Xiaobei said.

“I won’t be going back for the time being!”

“I’ll stay here and receive the message from the communication runes!” Fan he replied. I’ll think of a way to get someone to investigate the situation in Holy Dragon City and dragon slaying city in case of emergency!”

“Alright!” Chen Xiaobei nodded.

After that, Yan Lingshi returned to the Xumi space while fan he stayed behind. Chen Xiaobei and zu long activated their earth escape divine gourd and entered the Holy Dragon City from the bottom of the sea.

Even though it was not difficult for Chen Xiaobei to burrow underground with his current cultivation, it would still cause some movement and energy fluctuations.

The biggest advantage of the earth escape immortal puppet was that when it was underground, the outside world would not be able to detect any movement, it was definitely the best divine tool for infiltration.

No matter how cautious the guards of the Holy Dragon City were, it was unlikely that they would notice an invasion underground.

Very quickly, Chen Xiaobei and the ancestral Dragon managed to reach the location where the ancestral Dragon had summoned them.

Then, the two of them slowly approached the ground.

At a safe distance, Chen Xiaobei used his golden gaze fiery eyes to look at the ground and observe the situation.

“Bro bei, what’s the situation up there? Can we go up?” Zu long asked impatiently.

“No...”

Chen Xiaobei shook his head and said, ” “Up there, it seems to be a young girl’s boudoir. There are four maidservants inside. We will be discovered as soon as we go out! Once we attract experts, I’m afraid we won’t be able to escape even if we have wings!”

It was obvious that although the Holy Dragon city’s strength had plummeted, they could still compete with the Dragon slaying city.

In other words, there was at least one three star Saint King in the Holy Dragon City!

If Chen Xiaobei went out rashly and alerted the enemy, he would be dead for sure!

“What should we do now?” Zu long asked helplessly.

let’s take a look first ... It seems like the mistress is back ... Chen Xiaobei focused his attention and continued to use his x-ray vision.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4149: Venomous spirit of the Barbarian tribe!**

4149 Venomous spirit of the Barbarian tribe!

Through his fiery golden eyes, he saw a slim and elegant young woman enter the room.

The woman was handsome, her eyebrows were like swords, her eyes were full of stars, and her skin was as white as snow.

However, on her cheeks, there were some White Dragon scales that had not faded. On her forehead, there were dragon horns that looked like white Lightning.

A pair of sharp dragon horns that looked like a warrior's helmet.

In addition, the battle armor that was as white as Jade on her body made her look very handsome and extraordinary.

bro bei, can you sense his cultivation level? "

Zu long said impatiently, "if we can defeat him, why don't we just do it?" After taking the primordial violet vapor, leave immediately!"

I'm not sure. Maybe it's two star Holy King, or even higher ... Chen Xiaobei shook his head.

Although the woman was emitting some Saint Qi, he could not confirm her cultivation level. After all, Chen Xiaobei's cultivation level was much lower than hers. He could not tell her exact cultivation level!

two-star ... Saint King!? Zu long gasped and said awkwardly, " "Then let's retreat and think of another way ..."

Chen Xiaobei was only worried about the two-star Holy King. The woman's cultivation level was higher than a two-star Holy King.

Even if Chen Xiaobei had the ability to fight against such a powerful being, he would not be able to defeat him easily. If they were to engage in a battle, the other powerful beings in Holy Dragon City would be drawn to them.

Because of this, if he couldn't kill this woman in seconds, he must not make a move.

Otherwise, if they were to alert the enemy, not only would their lives be in danger this time, but even if they successfully escaped, it would be much more difficult and dangerous the next time they wanted to come back!

"No hurry ... Let's wait and see!"

Chen Xiaobei observed the situation above him carefully. At the same time, he was also thinking of a way to break out of this situation.

Chen Xiaobei had once owned a two star Saint Royal weapon.

That was ning Tiancheng's Golden Lotus.

However, there was no energy in this Saint Royal weapon. So, even if Chen Xiaobei took it out, it would be useless. He just let the Saint devouring axe consume it.

As of now, the Saint devouring Dao axe had already reached the level of a peak one-star Saint King!

Although he was not as strong as a two-star Holy King, he had given Chen Xiaobei a chance to break out of this situation!

The three-eyed Saint Sword!

Originally, this special ability could only be used against enemies below the Saint King level.

However, as the Saint devouring Dao axe broke through to the next level, the grade of this ability had also increased.

Furthermore, the Saint devouring axe had devoured the primordial spirits of ning Tianhao and ning Tianhan. By overdrawing the spiritual power in their primordial spirits, he could activate the three-eyed Saint blade of a two-star Saint King.

In other words, if the woman's cultivation was below three star Saint King, the three-eyed Saint Sword could imprison her.

By then, not only would Chen Xiaobei be able to get what he wanted, he would not have to hurt this woman, and he would not have to make an enemy out of the entire Holy Dragon City. It was the best of both worlds.

That was why Chen Xiaobei did not leave immediately. Instead, he hid underground and continued to observe the woman, hoping to find out more details to confirm her cultivation level.

"Miss, the hot water is ready. We will help you change ..."

At this moment, the four maidservants in the room walked over and began to help the woman take off her armor.

Breastplate, gauntlets, shoulder guards, boots ...

Gradually, the White jade-like armor on the woman's body was taken off.

She was only left with her undergarments, and her figure was simply perfect.

There were still some White Dragon scales on her body that had not faded, but there were not many of them.

The higher the bloodline level of the demonic beasts, the harder it was for them to take human form!

This woman had already reached the realm of a Holy King, but she had yet to fully transform. One could imagine that the level of her bloodline had definitely reached the level of a Holy King's middle ring. It might even be close to the level of heavenly Lord Chaos!

"The four of you can wait for me outside. I want to have a good rest ..."

The woman instructed before turning around to take a bath.

"Woof! Buzzzzzz! Buzzzzzz! Whoosh!"

However, at this moment, the four maidservants from before suddenly pounced on the woman.

The originally weak and harmless maidservant suddenly revealed a ferocious face, and her hands turned into sharp claws, stabbing at the woman's vital parts from different directions!

Due to the close distance and the fact that the woman was caught off guard, the four people's claws pierced her body.

Logically speaking, this woman's cultivation level was extremely high, and her physical strength was also very strong. Those of lower cultivation could not even scratch her.

However, these four monsters had extremely strange abilities.

Hua ... Hua ... Hua ... Hua ...

Their claws glowed with a dark green light and directly corroded the woman's skin like a strong acid corroding metal.

"You guys ... Uh ..."

The woman didn't even have time to turn her head before she let out a dry, painful cry.

Her skin started to rot and the eight sharp claws dug deeper and deeper into her skin, reaching her internal organs and bones.

If the sharp claws continued to pierce, the woman's internal organs would be pierced and rotted, and her bones and tendons would break and rot.

Her physical body would collapse in an instant.

What was even more strange was that her primordial spirit couldn't leave her body, as if it was sealed in her body. If her body died, her primordial spirit would also be destroyed!

This was the most fatal!

"Ao lengqiu! The Holy Dragon city's number one genius, the female war god, is famous all over the world. I didn't expect that she would be so weak!"

The four monsters pulled out their sharp claws one after another, not intending to kill him immediately.

evil poison spirit!?

Ao lengqiu strenuously turned his gaze over, and his pupils instantly shrank as he sucked in a breath of cold air.

The four monsters had skin like toads, dark green eyes, sharp fangs, and long tongues that almost reached their chests.

At the same time, their arms were like the tentacles of an octopus, which could be extended.

On his arm, there were many pustules-like protrusions that were constantly secreting dark green venom.

One could tell that the reason they were able to break through Ao Lengqiu's physical defenses was partly due to their special abilities, and partly due to this special venom.

However, their cultivations were not high. They were only at the peak of the true Saint realm.

From this, it could be seen that they were best at sneak attacks.

evil poison spirit!?

At the same time, Chen Xiaobei was also curious. "Could this be a branch of the Holy Spirit race?"

Previously, he had said that the Holy Spirit race lived in a special space and rarely appeared.

However, every time they appeared, they would fight for resources with the outside world.

At this moment, if these four monsters were also from the Holy Spirit clan, their goal would not be as simple as killing people!

He must have other plans!

### Red Envelope Group of the Three Realms

#### **Chapter 4150: Are you ordering me?**

4150 Are you ordering me?

Chen Xiaobei was very calm. He knew that the situation was critical but he did not make a move!

He had to figure out the ins and outs before he could decide on his next move. Only by knowing himself and his enemy could he win a hundred battles!

“We have no grudges against each other ... Why did you plot against me ...”

Ao lengqiu’s entire body collapsed onto the ground. Dark green poisonous blood was flowing out of his wounds continuously, and his spirit, Qi, and soul were getting weaker and weaker.

A leader with a scar on his face walked out from the four barbarian poison spirits and said coldly, “we’re killers from the reverse Moon Palace. Someone offered one billion Saint origin Mystic crystals to buy your life. It’s that simple!

“Who is it? Who wants to kill me?” Ao lengqiu’s brows furrowed as he said solemnly, “Is it the battle of the abyss of dragon slaying city?”

“Of course not!” “The Dragon slaying Pingyuan clan may have a deep grudge against you, but they can’t take out so many Saint origin Mystic crystals!” The poison spirit leader laughed.

“Who else is there? I don’t think I have any other enemies ... ao lengqiu’s face was filled with astonishment, and he could not figure out the reason no matter how much he thought about it.

hehe, by right, we’re assassins, so we can’t reveal our employer’s information. However, if you’re willing to give me some benefits ... We can answer your question! The leader of the poison spirits said.

It was not difficult to see that these venomous spirits were very greedy, and they did not follow the rules.

If one were to say that fan he was a gentleman who loved money and obtained it in the right way! In that case, these brutal poison spirits were unscrupulous and had no bottom line for their own benefits!

I can ... I can give you my storage space ... ao lengqiu said with great difficulty.

“Heh, do you think we’re fools?” The brutal poison spirit leader sneered. as long as you die, your White Dragon roar armor, your storage space, and even your body will all belong to us. We don’t need you to give us anything!

you ... ao lengqiu was incomparably enraged, and he gritted his teeth tightly.

However, she did not have the right to bargain. Everything could only be decided by the leader of the venomous spirits.

there's a secret compartment under my bed ... in order to find out who the murderer was, ao lengqiu had no other choice.

"Swish!"

The brutal poison spirit leader's mind moved and he directly lifted the bed. Sure enough, he found a small secret compartment on the floor.

"What's inside?" The leader of the poison spirits asked.

it's a jade pendant that my mother left me ... ao lengqiu said in a low voice.

"Jade? What the hell is this?"

"We want a treasure!" The poison spirit said unhappily. He wanted money! He wanted resources! I don't want those gaudy pieces of trash!"

this is the most valuable item I have with me ... ao lengqiu said with a sad voice, " although I don't know what use it has, this jade pendant is regarded as the most precious treasure in the Holy Dragon City!

The poison spirit leader's eyes narrowed and he immediately released a burst of Saint Qi.

"BOOM!"

The secret compartment was shattered.

"Swish!"

Then, the head of the venomous spirit extended its tentacle-like front claws and pulled out a pure white jade pendant from the rubble.

"This broken thing can be considered a clan protection treasure?"

The leader of the venomous spirits looked at the jade pendant in disgust. After a few seconds, he threw the jade pendant to the ground.

"What rubbish! It had no spirituality at all! It's worthless!" The leader of the venomous spirits threatened, " ao lengqiu, my patience is limited. If you don't have anything of value, then you can just die!

"This jade pendant is truly the most precious treasure of my clan! I'm not lying to you! Take this jade pendant and you can exchange it for anything you want from the Emperor of the sacred Dragon! Believe me! I'm not lying to you!" Ao lengqiu howled in grief.

"Nonsense! When he sees the Emperor of the sacred Dragon, he will definitely fight us to the death!" The leader of the venomous spirit barbarian immediately revealed his killing intent, " "Since you can't take out anything of value, then go to hell!"

"Whoosh ..."

The leader of the venomous spirits condensed his Saint origin power, and pustules protruded all over his body, excreting a large amount of dark green venom.

This venom could actually flow into his Saint Origin Energy.

It was like an enchantment on Saint Origin Energy, adding an extremely strong corrosive ability to Saint Origin Energy. It could even break through an opponent's physical defense and even corrode Saint King weapons. It was extremely tyrannical!

Without a doubt, ao lengqiu was extremely weak right now. Once a large amount of poisonous liquid entered his body, his physical body would instantly be rendered useless, and his primordial spirit would be obliterated.

"No... Don't kill me! listen to me ... My mother is ... ao lengqiu was completely flustered, and he wanted to use his mother to persuade the other party.

"Swish!"

However, the leader of the venomous spirits had no intention of listening to ao lengqiu's nonsense. It quickly circulated its Saint Origin Energy and blasted it toward ao lengqiu.

"BOOM!"

However, at this moment, the ground suddenly cracked open!

A battle-axe with a Holy Radiance flew out and instantly cut through the leader's Saint Origin Energy!

"Shua shua shua ..."

Before the leader of the venomous spirits could react, three of its companions had been killed by the battle-ax without any resistance.

The three heads rolled on the ground, and dark green blood spurted out of the wounds on their necks.

At the same time, they didn't see their primordial spirits come out.

In other words, they were indeed from the Holy Spirit clan!

Li xiangsi had said before that the Holy Spirit clan didn't cultivate the primordial spirit, only the Holy Spirit! The moment they died, the sacred Spirit would enter the sacred Spirit world!

Since the three venomous spirits in front of him did not have primordial spirits, it could prove that they were indeed from the Holy Spirit race.

"Swish!"

Then, the Saint devouring Dao axe flew to the front of the leader of the venomous spirits!

An extremely terrifying pressure descended, as if it was the Supreme God of death that could destroy the heavens and crush all living beings with a snap of his fingers!

"Hiss ..."

The brutal poison spirit leader took a deep breath. His pupils shrank and his eyes trembled. He felt like he was facing an extremely terrifying existence and could be crushed to death at any time. He was like a pitiful little ant and didn't dare to move.

"Woof! Whoosh!"

Then, Chen Xiaobei and zu long jumped out of the ground.

"Who ... Who are you?"

Ao lengqiu looked at Chen Xiaobei and the ancestral Dragon in shock. His body was shaking uncontrollably. Clearly, he was still in fear of death.

"Don't worry, we're here to save you!" Chen Xiaobei smiled.

"Senior! Let's have a good talk!"

The leader of the venomous spirit barbarian was terrified and begged for mercy, "Ao lengqiu is not dead yet. However, senior, you have already killed three of my companions! You've finally gotten your revenge, so please show mercy and spare my life ..."

"Cut the crap!"

"Hand over the antidote and tell me who the culprit is, and I'll spare your life!" Chen Xiaobei said.

"I'll say ... I'll say ... The murderer is the seventh miss of Tianyuan city, Tianyuan fengwu!"

The leader of the venomous spirit quickly took out a small bottle and handed it to Chen. "Senior, can I ... Can I get lost now?"

"No! You must die!"

Before Chen Xiaobei could say anything, ao lengqiu turned to Chen Xiaobei and shouted, "Who's that! Kill this guy!"

"Are you ordering me?" Chen Xiaobei's face was cold and his tone was very unhappy.
