

Envelope 4191

Red Envelope Group of the Three Realms

Chapter 4191: Explosive luck!

4191 Explosive luck!

This huge secret was related to ning Tiancheng's master. Its importance far exceeded that of the "Yuan Sage's eternal curse"!

That's right!

This secret was related to the Holy Emperor's life mark in ning Tiancheng's body!

The sacred Emperor was heavenly Lord Chaos!

Chen Xiaobei did not know this at first, but after reading ning Tiancheng's memory, Chen Xiaobei realized that this Holy Emperor's life Mark came from ning Tiancheng's master!

The life imprint of the sky burying Yuan sacred clan!

One-star heavenly Lord of Chaos!

With the protection of this mark, no one under heavenly venerate Primal Chaos could destroy ning Tiancheng's body!

Even if ning Tiancheng's body was blown to pieces, as long as the life mark was still there, a drop of blood, or even a cell, could give birth to a new body!

The main point was that the physical body that was derived would be at its peak!

This was equivalent to having an undying body!

No!

This was even more heaven-defying than the immortal body!

Think about it, if ning Tiancheng's body was seriously injured, he could completely destroy his body and then quickly derive a new body at its peak state!

This way, as long as ning Tiancheng's primordial spirit was not destroyed, under the circumstances of not meeting a Saint Emperor level opponent, he could completely restore a full state body at any time and place, directly resurrecting with full blood!

"This Saint Emperor's life imprint is too heaven-defying!"

Chen Xiaobei gasped in surprise after reading the relevant memory.

Thinking back, in the battle of Blue Moon City, if it wasn't for li xiangsi's super big Green hat that made ning Tiancheng's mental breakdown, he would definitely have had the chance to escape!

Even if ye Zhilan's cultivation level was higher! But she didn't know ning Tiancheng's Secret at all!

Ning Tiancheng could completely escape!

He would risk losing his physical body and find an opportunity to escape with his primordial spirit. When he reached a safe place, he would be able to revive with full health and completely escape from danger!

However, it was a pity that the old saying was true.

Even heroes can't stand the beauty!

Although ning Tiancheng wasn't a hero, he had indeed fallen in love too deeply and ruined everything!

"Why isn't there any information on ning Tiancheng's master ... Where can I find him?"

Chen Xiaobei's brows furrowed. He had almost searched through ning Tiancheng's memory, but he could not find the most important information.

That's right!

The most important piece of information was about ning Tiancheng's master!

First of all, ning Tiancheng's master was from the sky burying Yuan sacred clan. If he found his location, he might be able to find the core base of this mysterious clan.

One should not forget that Chen Xiaobei's responsibility was not just to defeat the heavenly axiom, but to defeat the entire sky-burier Yuan divine clan!

Only in this way could they free all the enslaved people of Saint pan!

Therefore, ning Tiancheng's master was the biggest and only breakthrough at present!

Secondly, the sacred Emperor's life imprint in ning Tiancheng's body had been personally strengthened by his master.

In other words, either his master or a more powerful divine Emperor would do it himself. Otherwise, there was no way Chen Xiaobei could take out the seal and use it!

Chen Xiaobei could not get a higher level Holy Emperor to help him. So, the best and only way to use the Holy Emperor's life mark was to find ning Tiancheng's master, take care of him, and then benefit from it!

"I really didn't ..."

However, even after Chen Xiaobei had read through all of ning Tiancheng's memories, he still could not find the answer.

He didn't know where ning Tiancheng's master was, and he couldn't contact him.

Chen Xiaobei could only recognize him when he saw him in person.

This meant that unless ning Tiansheng's master appeared in Chen Xiaobei's sight, the possibility of finding this person was almost zero.

"Forget it, forget it ... I'll deal with the current matter first. I'll think about the future later ..."

Chen Xiaobei then put ning Tiancheng back into the Meru space.

The trillions of Yuan Shen in the third and fourth master's storage space were transferred into the beixuan Saint-sealing scroll.

Finally, Chen Xiaobei burned another portion of his pinnacle true Saint energy and used the grade 12 Golden Lotus of merit to replenish the mental power that he had just used.

I don't lack energy now. I'll cultivate one more time and make up for my lifespan. Then, I'll go to the palace of the Ji clan!

Chen Xiaobei was very calm.

The luckier he was, the calmer he was.

He would definitely not allow such a thing to happen to him.

"Chi ..."

Chen Xiaobei called gumoke over and activated the divine sunlight cache.

Whoosh ... Whoosh ... Whoosh ...

After that, Chen Xiaobei started to burn his energy repeatedly to activate the grade 12 Green Lotus of reincarnation's special ability.

Since Chen Xiaobei had taken out the three star Holy King level energy from the White Dragon battle armor, he did not lack any energy at all.

He activated the special ability of the green Lotus of reincarnation 3000 times in one go.

With the help of his special ability, Chen Xiaobei's cultivation speed had increased exponentially.

At the same time, Chen Xiaobei quickly absorbed the energy and began to cultivate, raising his cultivation as quickly as possible.

A wave of operations seemed to have consumed a huge amount of energy.

However, in reality, this little consumption was just the tip of the iceberg for the energy of a three star Saint King.

The main point was that this consumption of energy had greatly increased Chen Xiaobei's cultivation speed.

To everyone's surprise, Chen Xiaobei had broken through a small realm in just ten minutes.

[ding Yingying's cultivation: pinnacle of four stars true sage. Lifespan: 900 billion years! Primordial spirit attack-peak true sage level! (P.S. Physique and combat power are too weak and hard to calculate. Let's just skip them in the future ...)

One small realm every ten minutes!

This kind of speed was simply awesome!

The last time Chen Xiaobei went from intermediate four-star true sage to advanced true sage, it took him three days in real life!

From this, it could be seen that the role of energy was simply huge and immeasurable!

In theory, Chen Xiaobei only needed to use more energy to increase his cultivation speed!

Of course, there was no need for that. Ten minutes was fast enough, and Chen Xiaobei still had that little time!

However, even if he had enough energy, there was still a core problem that prevented Chen Xiaobei from leveling up!

That was the bottleneck between the major realms!

At present, there was no other way to break through this bottleneck except to refine the Qilin's body!

Therefore, once Chen Xiaobei reached the level of a major realm, no matter how much energy Chen Xiaobei had, he would be stuck and could not continue to level up.

This was the case right now!

"What a huge loss! I activated the grade-twelve Green Lotus of reincarnation 3000 times, but the special ability still didn't lose its effect. However, I couldn't continue to cultivate! It's a waste of energy ..."

As the number one profiteer in the Three Realms, Chen Xiaobei could not accept the fact that he was doing a losing business.

But!

Chen Xiaobei's explosive luck changed the situation once again!

Red Envelope Group of the Three Realms

Chapter 4192: It's surprisingly smooth!

4192 It's surprisingly smooth!

"Whoosh ..."

All of a sudden, the remaining Dharma power of the green Lotus of reincarnation merged into Chen Xiaobei's body.

Then, the Saint Qi in Chen Xiaobei's body began to fluctuate, and the intensity of the fluctuations increased by a trillion times!

this ... Isn't this luck too good!?

Chen Xiaobei's face was filled with joy and excitement.

Just a moment ago, Chen Xiaobei was worried that he would reach a bottleneck in his cultivation and waste the continuous effect of the green Lotus of reincarnation.

Chen Xiaobei did not have to worry about the losses anymore.

This was because not only was this operation not a loss, but it was also a huge profit!

"BOOM!"

Very quickly, Chen Xiaobei's Saint Qi calmed down. It was like a huge mountain had settled down, maintaining a very high level and did not fall any further!

That's right!

With the help of the green Lotus of 3000 reincarnations, Chen Xiaobei was lucky enough to break through to the next realm!

His Saint Qi fluctuations were maintained at the early five stars Saint King realm!

[ding Yingying's cultivation level: early-stage five-star true sage. Lifespan: 2.7 trillion years! Primordial spirit attack-peak true sage level!]

"This feels good! His lifespan had been greatly increased! In times of danger, I can step into the pseudo realm of a three star Saint King within ten seconds. This way, as long as I don't encounter a four star Saint King, I will have the power to fight!"

Chen Xiaobei's face was full of excitement. He was extremely satisfied with this unexpected result.

By now, Chen Xiaobei had figured out all the necessary secrets.

At the same time, the fusion of the White dragoncry battle armor had turned the demonic Dragon's edge into a three star Holy King, and provided Chen Xiaobei with a three star Holy King level energy.

The last and most pleasurable part was that he had broken through a major realm without any preparation.

Before entering the Ji's Palace, Chen Xiaobei had already made the most preparations and was in his best condition.

This was because Chen Xiaobei knew very well that fortune and disaster were closely linked.

Soon after.

Chen Xiaobei and Ji jinzhi returned to the real world.

To Chen Xiaobei's surprise, his luck was still there! It was so smooth that Chen Xiaobei could not believe it.

Ji jinlian had only briefly reported her background to the guards at the palace gate, and not only was she not stopped, but she was also not stopped at all.

Not long after, the higher-ups of the Ji clan actually came out to welcome him.

Led by the current Ji clan Emperor, 200 Saint Kings of the Ji clan were all present.

In an instant, the entrance of the Ji clan's Palace was filled with flowing lights and colors, looking extremely sacred. Even the heavens and earth had a huge auspicious Dharma!

This Grand scene could be seen clearly from any corner of the main city!

Chen Xiaobei was not the only one who was shocked. Even Ji jinlian herself did not expect to have such a huge influence!

“My name is Xuan Heng! He’s the ruler of Golden Lion sacred city, and also the current patriarch of the Ji clan!”

The leader, the Ji clan’s Imperial Emperor in a golden robe, spoke first. His tone was calm and friendly, and his eyes were filled with the love of an elder as he looked at Ji jinlian.

Under the illumination of the golden light, Ji xuanheng appeared extremely sacred and solemn. He gave off the feeling of an honest elder, very kind, and easy to get close to.

“My name is Ji jinlian, and I come from Pangu world!” Ji Jinlu said as she bowed respectfully.

“Good! Very good! We’ve been waiting for you!”

Ji xuanheng was in a good mood. He did not forget to remind Chen Xiaobei, ” “This is your friend, right? Come, come, come, let’s enter the city together. I’ll give the order to set up a family banquet to welcome you!”

“Right! He’s my friend!” “There’s one more important thing we need to do before the family banquet,” said Ji jinlian.

“What is it?”

Ji xuanheng’s expression changed slightly, and he immediately said, ” “Just say it, I’ll send someone to do it, you don’t have to trouble yourself!”

Chen Xiaobei’s heart skipped a beat.

Chen Xiaobei had a feeling that Ji xuanheng was not as good as he looked.

Of course, this was just Chen Xiaobei’s feeling. Without any evidence, he could only keep his mouth shut.

Ji Jinlu didn’t notice anything strange and continued to speak respectfully, ” “No need! We have to handle this ourselves!”

“Alright!”

go ahead! Ji xuanheng smiled. no one in Golden Lion sacred city will dare to stop you!

“Many thanks! The thing we want to do is in the palace!” Ji Jinlu said.

“Then, please!” Ji xuanheng waved his hand, and the people behind him immediately made way for him. They were very cooperative.

Ji Jinlu did not think too much about it and brought Chen Xiaobei straight to the location of the Ji clan’s ancestral relic.

At the same time, Ji xuanheng gave a look to the young Holy Kings beside him, telling them to follow.

Meanwhile, Ji xuanheng led the remaining Saint Kings to the main hall.

this Golden Lion sacred city is too powerful ... Chen Xiaobei said in a low voice as he walked.

It was obvious that the Ji clan already had two hundred Saint Kings!

The number of Saint Kings outside of the clan in the entire Golden Lion sacred city probably exceeded twenty thousand! This kind of comprehensive strength was even more powerful than Tianyuan city!

As the Overlord of Golden Lion sacred city, Ji xuanheng's strength had far surpassed the Tianyuan clan's patriarch!

It was no exaggeration to say that Golden Lion holy city was the most powerful force Chen Xiaobei had encountered since he came to the heavenly Saint land!

"That's right ... I'm also very proud of our tribe's prosperity!" Ji Jinlong nodded, her face filled with pride.

"Who's there?"

Chen Xiaobei, who was always on guard, suddenly turned around and locked his eyes on her.

"It's US!"

At this moment, six or seven young Saint Kings of the Ji clan flew over.

They were all young, but they were able to reach the Saint King realm, which showed that they were very talented.

Of course, the main point was that they had an extremely powerful backer behind them!

The Ji clan's terrifying Foundation was even more important to them than their own talents!

"I am Emperor Xuan Heng's eldest grandson, Ji Yunxie. The people around me are my cousins! Everyone here is young, so I brought them here to see if there's anything they can help with!"

The young man in the lead had a smile on his face. He was elegant and spoke with fervor and assurance. Just like his grandfather, he gave off a very good feeling.

However, among the seven Young Ji clan Saint Kings, only Ji Yunxie had a smile on his face. The rest of them were expressionless, and their eyes were filled with coldness and disdain.

Two of the girls were staring at Ji Jinlu with jealousy and hatred in their eyes.

[Red Envelope Group of the Three Realms](#)

Chapter 4193: The Ji clan's old ancestor!

4193 The Ji clan's old ancestor!

"Many thanks! However, there was no need to help! We can handle it ourselves!"

Ji jinlian was in a good mood. She could understand that it was inevitable for those unfamiliar young people to have some conflicting emotions, so she did not think too much about it.

However, Chen Xiaobei noticed every single detail and became even more vigilant.

"Sure, you don't need our help. Can you let us take a look?"

Ji Yunxie was still smiling as he asked cheerfully.

As the saying goes, don't hit a smiling person.

Ji Jinzhi did not want to reject Chen Xiaobei's offer again as that would be too inhumane.

Obviously, Ji Jinlu did not dare to make the decision on her own. It was up to Chen Xiaobei to decide whether to agree to Ji Yunxie's request.

"We'll see! No problem!"

yes! Chen Xiaobei agreed.

It was obvious that Chen Xiaobei would not trust Ji Yunxie so easily.

However, at this moment, Chen Xiaobei and Ji Jinzhi were already inside the Ji clan's Palace. If the other party wanted to play any tricks, Chen Xiaobei and Ji Jinzhi would not be able to escape.

So, Chen Xiaobei agreed to Ji Yunxie's request.

If there was nothing fishy about the Ji family, it was no big deal to let them see.

If the Ji family was up to something, Chen Xiaobei could use this opportunity to take down Ji Yunxie and the others, and then he would have a chance to negotiate with Ji Xuanheng.

"This brother is really straightforward! I'm definitely going to make friends with you!"

Ji Yunxie grinned and nodded at Chen Xiaobei.

"Then let's go!"

Now that Ji Jinlian was no longer stuck in the middle, she was naturally in a better mood.

Then, under Ji Jinlian's lead, the group went deep into the core of the Ji Palace.

In this huge Palace city, there was a small palace garden where the entire Ji clan lived. The environment was very good, but of course, not everyone could set foot in it.

However, the other six young men's faces were getting uglier and uglier. They had even begun to whisper and curse.

"What the hell is this? If you go any further, you'll reach the old ancestor's Palace! Normally, we can't set foot in here at will, so what right do these two ants have to do so?" Ji Qianqing pursed her red lips and complained.

"Exactly!"

Ji Mengxue's face was also full of resentment. "Our ancestor is in a life-or-death seclusion to break through to the next realm. If we disturb our ancestor and miss the opportunity to break through, it would be equivalent to shaking the destiny of our Ji clan! It's a capital crime!"

These two women were both one star Saint Kings. They had good looks and figures.

Unfortunately, both of them looked like resentful women, and their temperament was very bad, which was annoying.

The four men around them agreed with them. They looked at Chen Xiaobei and Ji Jinchuan with disdain and even started to view them as enemies.

“All of you, shut up!”

Ji Yunxie turned around and glared at them.

The smile on Ji Yunxie’s face suddenly disappeared. His originally amiable and carefree expression was instantly swept away. In its place was a brutal and ruthless pressure. It was as if he had transformed from a young master to a demon from hell.

“Hiss ...”

The six young Saint Kings all gasped and shut their mouths, not daring to say another word.

By then, Chen Xiaobei and Ji Jinzhi had reached the bottom of a tower that was surrounded by auspicious clouds.

“Bro bei, it’s here!”

Ji Jinlu’s eyes narrowed as she looked up at the top of the tower.

“Alright, leave the rest to me!”

Chen Xiaobei nodded. He was about to take action when he was stopped.

“Wait a moment, you two!”

Ji Yunxie hurriedly flashed over from behind and said in a deep voice, “My clan’s old ancestor is cultivating in this Golden Lion cloud piercing tower! Right now, he’s at the juncture of cultivation and is already faintly touching the opportunity for a breakthrough ... We must not disturb him!”

I’ll take some things. It’ll be done soon. It won’t cause too much of an impact! Chen Xiaobei said.

this ... Ji Yunxie’s expression froze, and he said in a daze, “Brother, wait a moment. Let me ask my father before making a decision!”

alright ... Chen Xiaobei nodded.

After all, they were in their territory, and Chen Xiaobei could not force his way in.

Right now, the best thing to do was to avoid conflict with Ji Shi. Otherwise, Chen Xiaobei would be trapped in an unresolvable situation!

“Wait a moment ...”

Ji Yunxie immediately used a communication rune and got in touch with Ji Xuanheng.

“Swish!”

In an instant, Ji Xuanheng appeared in front of everyone.

chief ... Ji Jinlian bowed respectfully.

Chen Xiaobei, on the other hand, was on high alert.

“I heard from Yun Xie that you are going to take something out of the Golden Lion cloud piercing tower?” “What do you want?” Ji Xuanheng asked.

this ... Ji Jinchuan did not want to say it out loud. After all, this was Chen Xiaobei's Secret.

"I want to get some inheritance items!" Chen Xiaobei said.

"Inheritance!"

As soon as he said that, Ji xuanheng, Ji Yunxie, and the young Saint Kings of the Ji clan around them all had a huge change in expression. It was as if their most sensitive nerves had been provoked, and they all became nervous.

"How can this young master take the inheritance of my clan?" Ji xuanheng asked tentatively.

"You're mistaken! This inheritance does not belong to your Ji clan!" Chen Xiaobei said.

if it doesn't belong to the Ji clan, why would it be in the Golden Lion cloud piercing tower?! Ji xuanheng's expression did not change, but he asked impatiently.

this inheritance item is something my clan's ancestor asked the Ji clan's ancestor to pass on! "If you don't believe me, I have a way to verify it!" Chen Xiaobei said.

"What is it?" Ji xuanheng asked again.

"I'm the only one who can take out the legacy item!" None of you can obtain it. You don't even know it exists!"

how ... How is this possible?! Ji xuanheng could not believe it.

Chen Xiaobei shrugged and said, "The inheritance item I want is ten wisps of purple Qi. You can try. If you can take it out, I don't want it anymore!"

ten wisps of purple Qi?!

Ji xuanheng's expression froze as he exchanged a look with Ji Yunxie.

The two of them shook their heads in confusion.

Just as Chen Xiaobei had said, not only did they not have the Hong Meng immortal Qi, they did not even know about its existence.

"How is it? Me? Or do you guys want to take it?" Chen Xiaobei asked.

this ... Ji xuanheng's brows furrowed slightly. After hesitating for a moment, he said, "young master, you can do it. However, you must not disturb our ancestor's cultivation!"

I'll try. In theory, it won't have any effect! Chen Xiaobei said.

The young Saint Kings of the Ji clan all looked displeased.

They were the best of the younger generation in the Ji clan. Normally, they were not allowed to get close to the cloud piercing tower. But now, Chen Xiaobei had gained the privilege to be above them!

This made them very unhappy!

They even hoped that Chen Xiaobei would alert the old ancestor and be sentenced to death!

“Whoosh ...”

Chen Xiaobei took a step forward and formed his Pangu true form!

Red Envelope Group of the Three Realms

Chapter 4194: A terrifying anomaly!

4194 A terrifying anomaly!

Chen Xiaobei took a step forward and merged with Pangu’s essence, Qi, and spirit to reveal his true Pangu form!

In the next moment, under the illumination of the blood-red Holy Ring, the Holy brilliance of the sun, moon, and stars glowed, and the entire space changed color!

Whoosh ... Whoosh ... Whoosh ...

Then, the 10 streams of primordial violet vapor hidden in the Golden Lion’s cloud-piercing tower emerged and slithered toward Chen Xiaobei like 10 spiritual snakes.

what ... What’s that?!

Seeing this scene, everyone from the Ji clan was confused and shocked.

As the rulers of this place, even they themselves did not know about the existence of the primordial violet vapor.

Of course, what shocked them even more was that there was a unique spiritual fluctuation in the primordial violet vapor.

Ordinary people were not sensitive to these fluctuations, but those in the Saint King realm could clearly feel it.

This unique spiritual fluctuation had already reached the level of a Holy Emperor!

In other words, he was at the primal Chaos heavenly venerate level, which was above the Holy King level!

Because of this, the appearance of the primal purple Qi had a huge psychological impact on the Saint Kings of the Ji clan.

Moreover, there were ten strands of primordial violet vapor here!

In an instant, the smiles on Ji xuanheng and Ji Yunxie’s faces froze.

The other six young Holy Kings of the Ji clan were all dumbfounded. Their pupils shrank, and the way they looked at Chen Xiaobei had completely changed! From the initial disdain, it turned into shock, and even fear!

Although the Ji clan was very powerful, they were still far from the level of a Saint Emperor!

If Chen Xiaobei reached the level of a Holy Emperor, or if he had the support of a Holy Land, then the Ji clan would lose the initiative and might even be dominated by Chen Xiaobei!

At the thought of this, Ji xuanheng and Ji Yunxie could not help but secretly rejoice! Fortunately, he had put on a smile from the beginning and was friendly enough. If they offended Chen Xiaobei, the consequences would be unimaginable!

Because of that, they immediately made up their minds to not have any conflict with Chen Xiaobei before they found out more about him!

“Chi ...”

As the 10 streaks of primal purple Qi entered his body, the howlsy Purple Lotus advanced once again and reached the ninth grade.

At this level, he was still a distance away from achieving rank-12.

It seemed like Chen Xiaobei’s judgment was not wrong. Even with the help of the Luo clan to pass down the primal Chaos purple Qi, it was still not enough to make the heaven-destroying Purple Lotus reach its full potential.

“Whoosh ...”

Then, Chen Xiaobei dispersed his Pangu true form and returned to his body. everything is going well. I’ve got what I wanted. I’ll leave now!

Chen Xiaobei’s good luck was still working. Things were going very smoothly and did not cause too much of a commotion. He did not have to worry about alerting the Ji clan’s ancestor.

More importantly, Chen Xiaobei had been keeping his guard up even though he was lucky. He had already noticed that there was something wrong with Ji Yunxie. Coupled with the hostile attitude of the young people of the Ji family, Chen Xiaobei could not let his guard down!

Therefore, the first thing Chen Xiaobei did after getting the primal Chaos purple Qi was to leave Golden Lion Saint City!

“Young master Chen, please wait!”

yes! Ji xuanheng hurriedly said, “ I’ve already ordered for a grand family banquet to be prepared. All the servants are busy, and all the members of the Ji clan will be dressed up to attend ... I’m afraid it’s not appropriate for you to leave now!

Although Ji xuanheng did not dare to offend Chen Xiaobei, he would not let Chen Xiaobei go so easily.

After all, this great clan leader of the Ji clan was not a good person who only knew how to smile.

Just think about it, with his lofty status in Golden Lion sacred city, why would he be so affable to these two ants and always smile?

The reason could only be one word!

It wasn’t because of family, but ...

Benefits!

“Jinchuan, we’re family!”

Ji Yunxie also hurriedly spoke up and advised, " "Many of the elders from the ancestors and great-ancestors at the family banquet want to see you! You can't leave, or else the elders will be worried!"

It was obvious that Ji Yunxie was very smart, and he had a clear goal!

He had grasped onto Ji Jinlu's emotional ups and downs, and immediately played the family card, which had instantly achieved the effect.

this ... Ji Jinlu was taken aback. She could not refuse. She looked at Chen Xiaobei, hoping that he would stay. That way, she would be able to regain her family.

Ji Yunxie could not help but reveal a sinister smile when he saw that his strategy had succeeded.

Although this sinister smile disappeared in a flash, it was enough to reflect Ji Yunxie's true face.

He, Ji Yunxie, could intimidate all his cousins in an instant with just a violent and ruthless pressure!

It was not hard to imagine that his power and tyranny in the family had reached a point where his peers feared him, but he did this to Ji Jinlian.

As the saying goes, there must be a demon behind everything!

This once again proved that Ji Yunxie and Ji Xuanheng were the same, two-faced and hiding daggers in their smiles!

In their hands, kinship was just a bargaining chip!

Benefits were their true pursuit!

"I'm really sorry, I'm in a hurry ..."

The more attentive the other party was, the calmer Chen Xiaobei was, and the more he could sense the danger.

Ji clan's Golden Lion sacred city was a place he couldn't stay for long!

But!

Just as Chen Xiaobei was about to reject the offer, something unexpected happened!

"Boom boom boom ..."

With a burst of extremely terrifying vibrations, the Golden Lion cloud Piercing Pagoda beside him suddenly collapsed!

Huge cracks appeared all over the tower. As if it had been struck by lightning, the tower collapsed completely!

"My God ... This ... What is going on?"

The young Saint Kings of the Ji clan were all stunned.

Their faces turned pale and their scalps went numb. They even screamed, " "This ... This Golden Lion cloud Piercing Pagoda is the Holy Land of my tribe! It's the totem of my Ji clan! It was also the core symbol of Golden Lion sacred city! Why ... Why did it suddenly collapse?"

"Shua shua ... Shua shua ..."

The Golden Lion cloud Piercing Pagoda was extremely important. In an instant, the two hundred Saint Kings of the Ji clan gathered from all directions!

At the same time, a large number of family members and battle generals had gathered from all over the city. There were probably more than a thousand Saint Kings!

Furthermore, there were still Saint Kings coming over!

"Bro bei ... This ... This ..."

Ji jinlian was dumbfounded. She didn't even dare to dream of such a scene.

More importantly, the Ji clan's ancestor was still cultivating in seclusion inside the tower.

Furthermore, he had reached a critical point in his cultivation and could not be affected in any way.

At this moment, the entire Golden Lion cloud Piercing Pagoda had collapsed, and thousands of Saint Kings were alarmed. The impact of this was needless to say!

Even if all the Saint Kings here were to join forces, they would not be as powerful as the Ji clan's old ancestor!

"I ..."

At the same time, Chen Xiaobei himself was stunned and speechless.

Red Envelope Group of the Three Realms

Chapter 4195: Under the ruins!

4195 Under the ruins!

There was no doubt that Chen Xiaobei could think of all the things that Ji jinzhi could think of. In fact, he might have thought even deeper than her! Even further!

This time, Chen Xiaobei had really gotten himself into big trouble!

Even without the Ji clan's elder, the Saint Kings around him would be enough to make Chen Xiaobei die without a burial!

ancestor ... Ancestor ... Are you alright!?

Ji Yunxie ran toward the ruins like a filial son. Tears were streaming down her face. Her acting was even better than Chen Xiaobei's!

Ji xuanheng stopped Chen Xiaobei, stopped smiling and said, " "Young master Chen! You promised me just now that you wouldn't affect the ancestor. Now that things have become like this, you have to give me an explanation!"

Ji xuanheng did not dare to use force because he was worried that Chen Xiaobei might have a Holy Emperor-level force behind him.

But now that Chen Xiaobei was in the wrong, Ji xuanheng would not let him off!

He would not let Chen Xiaobei go so easily!

"I ... I don't know why it's like this ..." He said.

Chen Xiaobei frowned, feeling guilty.

After all, on the surface, it did seem like he was in the wrong.

you think you'll be fine just because you don't know?!

At the same time, Ji Qianqing and Ji mengxue rushed over and shouted like shrews.

"Our ancestor is in seclusion to break through to a higher realm! They had already reached the most critical juncture! Now, it's all ruined by you, you little brat! Do you know how serious the situation is?"

These two young women were very emotional, and they instantly moved everyone around them.

All of a sudden, thousands of Holy Kings looked at Chen Xiaobei with hostility, pressure, and even killing intent!

The extremely oppressive atmosphere made Ji jinlian almost breathless. His state of mind was in turmoil, and his brain was in a mess. He was even about to short-circuit!

Luckily, Chen Xiaobei's mind was strong enough to keep calm. this matter started because of me. I'm willing to take full responsibility!

"You'll take responsibility? How are you going to take responsibility?" "Do you know that in ten days, our ancestor will have a battle with our fated enemy?" Ji Qianqing shouted angrily. Once we lose, our Ji clan will be faced with a disaster in the blink of an eye!"

"The ancestor is the one who bears the fate of the entire Ji clan!" Ji mengxue continued. Now, you've ruined our ancestor's cultivation! It's equivalent to sending my entire clan to death! You must die today!"

It was obvious that these two women were not easy to deal with!

With the two of them singing the same tune, Fanning the cold wind and lighting a will-o'- the-wisp, it instantly made everyone at the scene angry and filled with killing intent!

"You're right! This brat ruined our ancestor's plan. Even if he's cut into a thousand pieces, it won't be enough to atone for his sins!"

in ten days, our Ji clan will face a great disaster. This kid will be a sinner of all time!

"Kill him! A thousand cuts! Grind his bones and scatter his ashes!"

Without a doubt, Chen Xiaobei had not only disturbed the Ji family's elder's cultivation, but he had also angered the entire Ji family! This included all of the Ji clan's retainers and even the entire Golden Lion sacred city!

Although Ji xuanheng was the city Lord and clan leader, the most powerful person in the Ji clan was actually this old ancestor who lived behind the scenes.

The entire Ji family, all the family members, and the people in the city all relied on this ancestor to have everything they had now.

Chen Xiaobei's actions would cause the Ji family's elder ancestor to be defeated in ten days, and the entire Golden Lion sacred city would be doomed.

Therefore, Chen Xiaobei had angered everyone.

Chen Xiaobei's fate seemed to have been sealed!

Even if Chen Xiaobei had prepared his strongest trump card, sufficient energy, and was in his best condition, he would still die in this situation!

There was absolutely no suspense!

Whoosh ... Whoosh ... Whoosh ...

Some hot-tempered Saint Kings had already released the mixed-essence Saint light.

Although most of these Saint Kings were one or two star realm, and only a small number of them were three star Saint Kings ...

However, among the core upper echelons of the Ji clan, led by Ji xuanheng, there were at least ten super experts of the four star Saint King realm.

As for Ji xuanheng's original body, he was even a late-stage five star Saint King.

In this situation, even if Chen Xiaobei used up all his life, he could only defeat opponents below four star Holy King!

Furthermore, he had to win within ten seconds!

If he exceeded the time limit, Chen Xiaobei would not even be able to defeat a three star Holy King!

"It's over ... It's completely over ..."

Ji Jinlu was in complete despair. Chen Xiaobei had no chance of survival in this situation.

Once everyone attacked, it would be Chen Xiaobei's doomsday!

"Jinchuan ... Get ready to retreat ..."

At the same time, Chen Xiaobei had run out of ideas.

He could only use the chaos mark to open a space gate and return to the beixuan great world.

Without a doubt, this was a stupid method!

Once he returned to the beixuan great world, he would have to return to the same place he was at now!

With the power of the Ji family's higher-ups, the next time Chen Xiaobei returned, even if he had transformed into a purple Qi Dharmakaya, he would still be discovered! Even if he couldn't get out of this Palace, he would still be beyond redemption and die!

So, returning to the beixuan great world would only delay the inevitable!

Unless Chen Xiaobei never left the beixuan world, he would have to face the wrath of the entire Ji family sooner or later!

Of course, at this moment, this was already the only way!

If they retreated, they might die a little later.

However, if they didn't retreat, they would die now, and it wouldn't be a good death!

However, Chen Xiaobei had a huge question in his mind!

The Golden Lion cloud Piercing Pagoda had already collapsed, so why wasn't there any movement from the Ji clan's old ancestor? Even if he could not cultivate it, he should not have died in the ruins, right?

At the same time!

In the ruins ...

old ancestor, are you alright ... Ji Yunxie's mouth was sealed by Saint Origin Energy the moment he opened his mouth.

"I'm fine!"

He saw a handsome man with a cold aura sitting cross-legged in the ruins. The Golden primordial chaos holy light enveloped him, and not a speck of dust could be seen on him.

It was obvious that this man who looked to be in his twenties was actually a trillion years old.

He was the ancestor of the Ji clan, Ji Ningyuan, who was hiding behind the scenes!

At that moment, the Golden primordial chaos Divine light enveloped him. Not only did it isolate the dust, but it also isolated his voice.

Ji Ningyuan pulled Ji Yunxie into the golden light and sneered, "I was the one who caused the collapse of the Golden Lion cloud Piercing Pagoda!"

what ... What's going on?!

Ji Yunxie's face was filled with bewilderment as he anxiously asked, "Aren't you in a life-or-death seclusion? Why did he have to interrupt his cultivation? In ten days, the White thunderlady will definitely come ... How are you going to fight her?"

[Red Envelope Group of the Three Realms](#)

Chapter 4196: attacking the heart!

"If Bai Lei comes, then so be it. Why should I be afraid of her?"

Ji Ning sat in the golden light, looking very calm.

It was as if the White thunderwoman who would bring disaster to the Ji clan was no longer his match.

“You ... You have a way to defeat white thunderwoman?”

Ji Yunxie asked with great curiosity.

Ji Ningyuan smiled and said, “I broke through three months ago!” He’s been in closed-door cultivation all this time to sense the changes in the new realm!”

“This ... This, this, this ...”

Ji Yunxie was completely stunned. He trembled as he said, “Con...Congrat... Even if you can’t defeat the White Thunder lady, you won’t lose to her! The Fortune of our Ji family can last for another trillion years!”

“Can’t win?”

Ji Ningyuan’s eyes narrowed, and his face instantly darkened!

In an instant, an extremely terrifying pressure descended. It was as if the heavens and earth were collapsing and the universe was shattering!

“Hiss ...”

Ji Yunxie sucked in a breath of cold air. His heart trembled and his pupils contracted. He felt as if he was an ant in the vast space that was being crushed into dust and obliterated by the heaven and earth!

“Plop ...”

Ji Yunxie immediately knelt on the ground, his head covered in cold sweat. “Victory! The old ancestor would definitely win! We will definitely win ...”

Ji Ningyuan slightly restrained his pressure and said indifferently, “This time, I’m going to get rid of white thunderlady. From now on, no one will be able to threaten my life! No more!”

“Yes, yes, yes ... Our ancestor will live for thousands of generations and will never be destroyed!” Ji Yunxie kowtowed with all his might. His clothes were already drenched in cold sweat.

“Whoosh ...”

Then, a corner of the Golden holy light that covered Ji Ningyuan spread out, and he slowly said, “I’m fine! Don’t make things difficult for young master Chen!”

The voice was very calm and unruffled, but with the support of a powerful aura, it made everyone present feel as if it was a thunderous roar!

“Yes, sir!”

Everyone bowed to the ruins and retracted their Holy splendor. They did not even dare to show any hostility to Chen Xiaobei!

Obviously, in the Ji family, Ji Ningyuan was the retired emperor, and his words were like imperial edicts.

"I'm fine, but I can't cultivate anymore!"

Ji Ningyuan didn't show himself and continued, "I seemed to have heard that young master Chen was willing to take responsibility for his actions? I wonder if this is true?"

As soon as he said that, Ji Qianqing and Ji mengxue both lowered their voices and disdainfully said, "You're just an ant, why should you take responsibility? He had no strength! He wanted a Foundation, but he didn't! Is he even worthy?"

"Pa! Pa!"

In the next moment, two crisp sounds erupted!

Ji Qianqing and Ji mengxue were slapped in the face by two invisible hands!

Two bloody and glaring palm marks were left on her fair face that she had taken care of so carefully!

Plop ... Plop ...

The two of them didn't dare to say anything. They knelt on the ground and kowtowed to the ruins.

In the ruins, Ji Ningyuan's voice came, "I'm sorry for the lack of discipline in my upbringing, young master Chen! Let's get back to the main topic!"

Chen Xiaobei calmed himself down and said, "This matter started because of me, so I'm willing to take responsibility! However, I really don't know what else I can do for something that even you can't handle."

Obviously, Chen Xiaobei did not know that Ji Ningyuan was the one who destroyed the Golden Lion cloud piercing tower. He only thought that he was in the wrong.

As a man, Chen Xiaobei had to take responsibility.

"Since Childe Chen is so responsible, I'll be direct!"

Ji Ningyuan said in a deep voice, "in 10 days, our Ji clan will have a great battle that will decide our fate!" This old man is no longer able to cultivate! Therefore, I have to increase my strength through other means!"

With this, he finally revealed Ji Ningyuan's true purpose!

At the same time, he had also exposed his true colors!

Hypocritical! Cunning! He was extremely sinister!

By secretly destroying the Golden Lion cloud piercing tower and making Chen Xiaobei feel guilty, he, Ji Ningyuan, would be standing on the moral high ground!

Moreover, he had broken through to a higher level three months ago, but he lied that he could not continue to cultivate. This made Chen Xiaobei feel even more guilty!

On top of that, the safety of billions of people in the city would be threatened because of this, and Chen Xiaobei would be held in moral high regard!

No matter what Ji Ningyuan's request was, Chen Xiaobei had to accept it!

Otherwise, Chen Xiaobei would not change his mind. He would be shameless, unkind, and irresponsible. He could not even be considered a man!

"Please tell me, how can I improve my strength?"

" yes! Chen Xiaobei said, " as long as I can help, I will do my best to help you!

As the saying goes,"go up against the enemy's strategy, go up against the enemy's heart"!

Ji Ningyuan was an expert in mental attacks!

Now that things had come to this, even if he could not figure out Chen Xiaobei's strength, even if Chen Xiaobei really had a Holy Emperor-level support behind him, he, Ji Ningyuan, could still have Chen Xiaobei in the palm of his hand!

In comparison, Ji xuanheng and Ji Yunxie also wanted to take the path of attacking the heart. However, compared to Ji Ningyuan, this old monster, they were simply insignificant. They were on completely different levels.

"Straightforward!"

"As far as I know, you and Jin tu are both from Pangu world!" Ji Ningyuan said immediately.

"This ..."

Chen Xiaobei immediately realized that something was wrong. "That's not right! Haven't you been cultivating in seclusion? How does he know about us? How do you know the name of Jin Lu?"

It was obvious that Ji Ningyuan had stopped his closed-door cultivation long ago.

Ji Ningyuan had already noticed Chen Xiaobei and Ji jinzui when the two hundred Holy Kings of the Ji clan came out to welcome them.

Then, Ji Ningyuan released his divine sense to observe every move and every word of Chen Xiaobei and Ji jinzhi.

That was why he had destroyed the Golden Lion cloud piercing tower and schemed against Chen Xiaobei.

However, Chen Xiaobei had caught on to Ji Ningyuan's lie!

Of course, the old monster was an old monster after all. This kind of question was not difficult for him at all.

"Yunxie just told me!"

Ji Ningyuan's voice was calm, and he wasn't nervous at all when he lied.

Just as he finished speaking, Ji Yunxie walked out from the ruins and said with certainty, " "The forefather just asked who was causing trouble outside? I explained the situation to you ..."

I see ... Chen Xiaobei could not find any flaws in his explanation.

“Childe Chen, you and Jin Lu are from Pangu great world. Have you heard about the remains of Saint Emperor Ji?” Ji Ningyuan continued.

The Saint Emperor’s remains!

Chen Xiaobei and Ji Jinchuan’s expressions changed.

It was obvious that Ji xuanheng and Ji Yunxie’s solicitous and friendly attitude, and Ji Ningyuan’s scheming were all for this purpose!

Of course, Ji Ningyuan was obviously one step ahead!

First, he would make Chen Xiaobei feel guilty, and then he would use the lives of the innocent people in the city to morally kidnap him!

Chen Xiaobei could not refuse him!

Red Envelope Group of the Three Realms

Chapter 4197: Lost the opportunity!

4197 Lost the opportunity!

“We’ve heard ...”

” of course! Chen Xiaobei said, ” not only have we heard of it, but we were also supposed to go to the remains to find out what it is!

As soon as he said this, Ji Ningyuan’s face immediately revealed a look of surprise.

Of course, at this moment, he was hiding under the ruins, so no one could see his expression.

Then, Ji Ningyuan said in an extremely hypocritical way, ” “Logically speaking, the ruins are left behind by the predecessors for the fated person to inherit! Originally, this was an opportunity that belonged to young master Chen ...”

“But!”

“Ten days from now, Golden Lion sacred city will face a great calamity. I urgently need to increase my strength so that I can deal with the powerful enemies and protect the safety of my entire clan and the entire city ...” Ji Ningyuan said.

Hypocritical!

This Ji Ningyuan was simply hypocritical to the extreme!

Everything he did was for the Ji clan Saint Emperor’s remains!

However, at this moment, he was acting like he didn’t want the opportunity in the ruins, but for the sake of his people and his people. He had to take this opportunity!

At this point, Chen Xiaobei was the one who had made a mistake, so it was reasonable for him to lose the legacy site!

And he, Ji Ningyuan, had instead become a great gentleman who served the country and the people! A true man!

Of course, the main point was that if Chen Xiaobei really had a Holy Emperor-level support behind him, then Ji Ningyuan would not be able to find any fault in this matter!

In this way, he, Ji Ningyuan, would be able to take the Holy Emperor's remains for himself in a steady and open manner!

"I understand what you mean!"

Chen Xiaobei had no other choice but to say, "If the Saint Emperor's remains can help you increase your strength, I'm willing to give up this opportunity!"

As soon as these words were spoken, Ji Ningyuan's mood was naturally great. Even Ji xuanheng and Ji Yunxie were extremely excited. The excitement in their hearts was already written on their faces.

The Saint Emperor's remains!

Heavenly venerate Primal Chaos!

The opportunities in it were enough to raise the Ji clan's overall strength by several levels!

This was the ultimate goal that they had schemed to achieve!

"Jinchuan, give them the jade pendant!" Chen Xiaobei made his final decision.

However, as a man, the most basic bottom line was to correct one's mistakes and be willing to admit to their actions.

So, even though Chen Xiaobei was reluctant to part with this opportunity, he did not miss it. He immediately asked Ji jinluan to hand over the divine Emperor's token.

In the dark, this might be a sign that luck was at its peak and about to fall!

This time, if Chen Xiaobei really lost the chance at the Holy Emperor's remains, all his good luck from before would not be able to offset this huge loss!

Of course!

The main reason for this was that Chen Xiaobei did not know that he had been tricked by Ji Ningyuan!

In fact, Chen Xiaobei had not done anything wrong!

If he knew the truth, Chen Xiaobei would never give up the opportunity to Ji Ningyuan even if it cost him his life!

"Whoosh ..."

At the same time, Ji Ningyuan impatiently released a beam of Golden Saint Qi and stopped in front of Ji jinlian.

"Bro bei ... I ..."

Ji Jinli looked at Chen Xiaobei with a conflicted expression.

Obviously, the Ji clan's Holy Emperor's relic was a bet between Ji Jinlu and Chen Xiaobei.

At this moment, she had to hand it over again, and she felt extremely apologetic.

Seeing that Chen Xiaobei did not deny it, Ji Jinzha took out a White Lion-shaped jade pendant and placed it on the Golden holy light.

"Swish!"

Ji Ningyuan's golden holy light swept up the Saint Emperor's jade pendant and flew back to the ruins.

Soon, Ji Ningyuan laughed proudly and said, "With the Fortune in the Saint Emperor's ruins, I'll definitely be able to defeat white thunderlady! He definitely could! Hahaha ..."

"If there's nothing else, we'll be leaving now!" Chen Xiaobei took his leave.

"You can leave! Jinchuan, stay!" "This token was passed down by Jin Lu after all," Ji Ningyuan said in a deep voice, "we'll need her help in case we need to open the ruins!"

Obviously, Ji Ningyuan was not only scheming, but he was also very intelligent.

Even when he was at his proudest, he still didn't forget to consider what would happen next.

More importantly, the appearance of the ten primordial violet vapor had made Ji Ningyuan wary of Chen Xiaobei.

If Chen Xiaobei had the support of the Holy Emperor, then Ji Jinli would be the bargaining chip between Ji Ningyuan and Chen Xiaobei.

In this way, Ji Ning had not only thought about what to do after he died, but also had a backup plan!

This old monster was sinister and cunning! More difficult to deal with than a Fox!

"Jinchuan, are you willing to stay?"

Chen Xiaobei shook his head, signaling Ji Jinchuan not to stay.

However, at this moment, Ji Jinlian was completely kept in the dark. She did not know about the conspiracy of this whole thing, nor did she notice the despicable faces of the Ji clan's higher-ups.

"I'm willing to stay ..."

"I'm not strong enough," said Ji Jinlu. "I won't be of much help to bro bei in the future. Besides, if I'm really needed to open the ruins, I'll stay and help out the Ji family!"

"O-okay ... Chen Xiaobei had no choice but to agree to Ji Jinlu's request." "Then you take care, I'll be leaving now!"

"Take care, bro bei! In the future, if I can do it, I'll make it up to bro bei!" Ji Jinzhi pursed her lips. She felt like she owed Chen Xiaobei a lot.

Chen Xiaobei waved his hand and walked out of the palace without a word.

In the ruins.

Ji Yunxie returned to the golden light and did not allow his voice to leak out. "Forefather, you're just going to let that kid go? Aren't we going to take the ten wisps of purple Qi that he just obtained?"

Human nature was greedy!

Ji Yunxie's greed was insatiable!

Not only did he cheat the sage Emperor's token, but he also wanted to take the primal Chaos purple Qi!

"Let him go!"

even a rabbit will bite when it's anxious," Ji Ningyuan said indifferently. besides, we can't even judge the depth of that kid's abilities. It might not be a good thing to force him into a corner!

"Why don't I go and test his limits?" Ji Yunxie probed.

"You can't!"

Ji Ningyuan said solemnly, "right now, the most important thing is to open the ruins and defeat the White thunderwoman!" If you don't have full confidence, don't cause any more trouble!"

"Understood!" Ji Yunxie nodded. Although he agreed, his eyes could not help but reveal a greedy look.

That was ten Saint Emperor primordial violet vapor!

Ji Yunxie was such a greedy person, how could he give up so easily?

"Let everyone disperse!"

"Pass on my order. Tomorrow morning, all the Saint Kings of the Ji clan are to gather and head to the Saint Emperor's remains!" Ji Ningyuan ordered.

"Yes, sir!" Ji Yunxie accepted the order and left the ruins.

.....

After leaving the palace, Chen Xiaobei did not stop and left Golden Lion sacred city.

Today, being able to come out alive was already a great fortune in the misfortune! If they didn't leave the city, they would be courting death!

However, not long after he left the city, Chen Xiaobei realized that someone was following him!

[Red Envelope Group of the Three Realms](#)

Chapter 4198: The mysterious woman!

4198 The mysterious woman!

"Strange ... Who's following me ..."

Chen Xiaobei was on high alert, but at the same time, he was very confused.

In Golden Lion sacred city, Chen Xiaobei only had contact with the Ji clan. If the Ji clan wanted to follow Chen Xiaobei, they would definitely send someone with a higher cultivation level than Chen Xiaobei.

Since they were following him, and their cultivation was higher than Chen Xiaobei's, there was no chance that Chen Xiaobei would notice them.

But now, Chen Xiaobei had easily discovered the person who was following them!

This was too abnormal!

"Could it be that he's not from the Ji clan?" Chen Xiaobei could not understand.

Chen Xiaobei then sped up to see how the man would react.

However, the man was able to catch up to Chen Xiaobei easily. He maintained the same distance as Chen Xiaobei but refused to catch up.

This feeling made Chen Xiaobei very uncomfortable. It was as if he was being toyed with by someone, and he could not escape from the enemy's grasp.

The feeling of being controlled by someone was really unpleasant.

"Who is it? Come out!"

Chen Xiaobei knew that he could not get rid of her, so he stopped.

They were already far away from Golden Lion sacred city. No matter who it was, Chen Xiaobei would not be able to continue his operation.

"Whoosh ..."

Suddenly, a white figure appeared in front of Chen Xiaobei.

It was like an illusionary shadow of smoke and dust. As it wavered, it slowly condensed into a real form. It was actually an extremely beautiful woman.

"Who are you?"

Chen Xiaobei did not know who this woman was, but he felt that she looked familiar. He could not figure out why.

The woman had a pretty face and delicate features. She seemed to be in her twenties.

She looked very young, but her entire person exuded a mature charm. Coupled with her curvy and hot figure, she had a more charming temperament than those young girls.

In the heavenly Saint realm, even an old monster like Ji Ningyuan looked young.

One could imagine that the woman in front of him should be someone of considerable age.

If she was ugly, she would be called an old Auntie! If you're beautiful, you'll be called a top-grade mature elder sister!

The woman in front of him was not just an ordinary beauty. She was the kind of beauty that one could endure looking at. The more one looked at her, the more beautiful she became. The more one looked at her, the more interesting she became!

Ye Zhilan was probably the most beautiful woman Chen Xiaobei had ever seen since he came to the heavenly Saint land.

However, compared to the woman in front of him, ye Zhilan was probably a little inferior!

Luckily, Chen Xiaobei had seen countless beauties.

If it was someone else, they would have been enchanted and their bones would have gone soft.

"It doesn't matter who I am. Answer a few of my questions first!" He said.

The woman's voice was very pleasant to the ears.

Gentle, intellectual, with a hint of rustling, like the soft spring breeze, it drilled straight into people's bones.

"Of course it matters who you are! Otherwise, why would I answer your question?"

Chen Xiaobei furrowed his brows. He felt that this woman was very strange.

"Little brat! You were followed by two one star Saint Kings as soon as you left the city. If it wasn't for me, you would have been dead by now!"

The woman's eyes were like peach blossoms, with stars in them. She glared at Chen Xiaobei. It was as if her eyes could speak.

"Two Saint Kings following me? Do you think I'll believe you just because you say so?" Chen Xiaobei had a strong immunity to pretty women, but he was also very wary of strangers. His intelligence would never drop after seeing a beautiful woman.

I ... the woman furrowed her brows and looked a little annoyed."I was too heavy-handed, and the two of them were turned into ashes ..."

"The dead can't testify, I don't believe you!" Chen Xiaobei said, "Either you tell me who you are! Otherwise, stay away from me! You've been following me, could it be that you're coveting my handsomeness?"

The woman's face turned red and she said,"you little rascal!" Don't be rude! In terms of seniority, you should call me aunt!"

"In terms of seniority?" "Who are you?" Chen Xiaobei asked. You and I are not related, so we can't talk about seniority!"

"Shut up! Follow me and you'll understand!" The woman suddenly approached Chen Xiaobei, grabbed his hand, and pulled him into a cave below.

what the hell are you doing?! Chen Xiaobei panicked.

The cave was not big, and it was difficult to accommodate two people.

Chen Xiaobei and the woman were squeezed together.

“Shut up! You idiot!”

The woman held Chen Xiaobei’s hand with one hand and quickly covered his mouth with the other.

“Oh ...”

Chen Xiaobei was dumbfounded. He wanted to resist, but the woman was too strong for him to break free.

The cave was so small that Chen Xiaobei could barely breathe.

But soon, Chen Xiaobei stopped struggling and fixed his eyes on the sky outside the cave.

“Shua shua shua ...”

He saw several extreme shadows flying over from the distance.

Chen Xiaobei recognized a few of them!

The person in the lead was Ji Yunxie, and behind him were Ji Qianqing and Ji mengxue, whose faces were red and swollen!

This was already three Saint Kings!

Behind them, there were more than a dozen powerful figures with intense Holy Radiance and sharp eyes. Their cultivation must be high!

“Cousin Yunxie! Had that kid already sneaked away? How detestable! It’s too easy on him!” Ji Qianqing clutched her face and gritted her teeth in hatred.

Ji mengxue’s face was full of resentment and vexation. “If we had known earlier, we would have chased them ourselves! Letting two early one star Saint Kings chase after you is a waste of time!”

“All of you, shut up!”

Ji Yunxie furrowed his brows and said, “I asked an outsider to chase after him to test that brat’s limits!” Now, we’ve lost contact with those two. I’m afraid they’ve been killed by that kid!”

“This ...”

Ji Qianqing and Ji mengxue’s expressions changed drastically. They said in disbelief, “That kid is only a five star true sage! How could you kill two Saint Kings?”

“Idiot!”

Ji Yunxie said unhappily, “do you know why the ancestor didn’t touch this kid?” It was because they suspected that he had a powerful backer! Now, it seemed that the old ancestor’s worry was right! That kid is definitely not as simple as he looks!”

“What should we do now?” Ji Qianqing asked.

Ji Yunxie narrowed his eyes and thought for a moment before saying, "Let's go back. In any case, the ones who were killed were two unimportant retainers, so there's no need to continue chasing! To avoid causing more trouble and making the ancestor unhappy!"

yes ... the surrounding people didn't dare to say anything. They all nodded and were about to leave.

In the cave.

"Tell me, what are your plans now?" The woman had already let go of Chen Xiaobei's mouth.

Chen Xiaobei stopped struggling. The truth was that the woman had really killed the two one star Holy Kings sent by Ji Yunxie.

Chen Xiaobei said coldly, "Help me capture Ji Yunxie, and I'll believe you completely!"

"That's easy. After you succeed, you have to answer all my questions!" The woman's brows twitched, and she flashed out like a white ghost.

Red Envelope Group of the Three Realms

Chapter 4199: I know everything!

4199 I know everything!

"Swish!"

The spotlessly white spirit was like a cloud of smoke. It did not seem to be moving very fast, but Chen Xiaobei could not see it clearly.

Even the people of the Ji clan, who had higher cultivation, could not see it clearly.

Bang ... Bang ... Bang ...

In the next moment, apart from Ji Yunxie, everyone's body exploded.

However, it was a very strange explosion.

The voice was soft, and there wasn't much movement. Most importantly, there wasn't a single drop of blood in the body that exploded!

His bones, blood, and internal organs all turned into a cloud of white dust and disappeared with the wind!

Everyone's primordial spirits appeared briefly in the air after their bodies exploded.

But then, they all dissipated, like smoke blown away by the wind, ethereal, and scattered.

what ... What's going on?!

Seeing the scene before him, Ji Yunxie, who was the only one left, was completely dumbfounded.

In an instant, a large group of living people turned into dust before his eyes, including his two cousins, Ji Qianqing and Ji mengxue!

One had to know that the cultivation of these two cousins was not low. Moreover, they were both protected by precious treasures.

He had actually disappeared from the face of the earth just like that?

It was simply unbelievable!

Ji Yunxie even suspected that he was hallucinating!

For a moment, Ji Yunxie's pupils shrank and his body trembled. He swallowed his saliva non-stop and his scalp went numb. He felt as if his heart was about to fly out of his throat!

"Who is it? Come out! Come out!"

Ji Yunxie's guts were about to split apart, and his entire body was trembling. "I am the young master of the Ji clan! If you dare to harm me, you're dead! My ancestor is the number one expert in the eternal sacred imperial domain! Don't ... Don't do anything stupid!"

"Swish!"

As soon as he finished speaking, a white holy light enveloped Ji Yunxie!

"Hmm ... Who is it? Who was it? Let me go ... Let me go ... MMM ..."

"Swish!"

The next moment, the woman's body turned from illusionary to real and she waved at Chen Xiaobei.

"Idiot, why are you still standing there? Hurry up and come over!"

"Ah ... Oh!"

Chen Xiaobei was really stunned.

The woman's beauty was not enough to shock Chen Xiaobei, but her strength had shocked him.

Chen Xiaobei could not see her movements at all. He could not even tell her cultivation level from the fluctuations of her Saint Qi.

This was enough to prove that the woman's cultivation was far higher than all the Holy Kings that Chen Xiaobei had ever met!

Furthermore, she had not used her full strength in her attack just now! It was as if he had deliberately hidden his strength, allowing his Saint Qi to fluctuate at will. This was a whole new level!

"They ... They're all dead?"

Chen Xiaobei flew to the woman's side, his face full of shock.

"Dead? you only said you wanted to capture Ji Yunxie, but you didn't say you wanted to capture anyone else!" The woman shrugged her shoulders with a matter-of-fact expression, as if she had just killed a group of ants instead of a group of Saint Kings.

so ... So strong ... even Chen Xiaobei, who had a strong mental state, was shocked.

“Now you believe me?” The woman glanced at Chen Xiaobei with her beautiful eyes.

“I do ... Can I not?” you’re so strong ... Chen Xiaobei said. if you’re an enemy, how can I survive? ”

alright, then we’ll get rid of Ji Yunxie. Let’s find a place to discuss serious business! The woman said.

“Wu...Wu... Wu ...”

Ji Yunxie thought that he was going to be killed and struggled with all his might. Unfortunately, his mouth was blocked by the White Saint Qi and he couldn’t even beg for mercy.

stop howling. I don’t want to kill you for the time being!

Chen Xiaobei looked at the woman and said, ” “Seal his cultivation and leave him to me!”

“Oh.”

The woman didn’t ask any further and did as she was told. She didn’t care about Ji Yunxie’s fate at all.

After that, Ji Yunxie’s fortune and spirituality were sealed and kept into the Meru space by Chen Xiaobei.

“Where are we going now?” Chen Xiaobei asked.

“You’ll know when you get there!” With a wave of her sleeve, the woman turned into a white shadow. Even Chen Xiaobei turned into white smoke and disappeared from the spot.

“Whoosh ...”

A moment later, the two of them returned to Golden Lion sacred city.

“Why ... Why did you bring me back?” what?! Chen Xiaobei was dumbfounded. the higher-ups of the Ji family are like tigers and wolves. If they know that I’m back, we’ll be in big trouble!

“Idiot, with me here, do you still need to be afraid of that group of useless chickens and dogs from the Ji clan?” The woman smiled and led Chen Xiaobei into a small house in the north of the city.

The courtyard was very elegant, with green bamboo and pine trees, red walls and gray tiles. Just like this woman, it exuded a special charm.

“Clay chickens and pottery dogs? You ... You’re too arrogant ...”

Ji Yunxie said that his ancestor is the most powerful person in eternal sacred imperial domain! Chen Xiaobei said. you don’t even care about him? ”

The woman smiled disdainfully and said,”Ji Ningyuan?” Heh, she’s so feminine and despicable, so shameless! He has never been worthy of my eyes! He’s even less worthy of being the number one expert!”

Chen Xiaobei was stunned again. “Who the hell are you? Could it be Ji Ningyuan’s enemy in ten days? I think she’s called ... White thunderlady?”

“Don’t be a busybody! You should leave after you answer my questions!” The woman said in a domineering manner.

sure ... Go ahead ... Chen Xiaobei nodded. Since the woman had helped him take down Ji Yunxie, he should let her have her way.

“Did you get something from the Golden Lion cloud piercing tower?” The woman asked directly.

“Right!” Chen Xiaobei nodded.

“Ten strands of primordial violet vapor?” The woman asked directly.

Chen Xiaobei was stunned. “You ... How did you know?”

Even the people of the Ji clan could not recognize the primordial violet vapor. They did not even know of its existence.

However, this beautiful woman in front of him knew it so clearly!

Without a doubt, her identity was not simple!

“Yes, you’re the person I’m looking for!”

the ancestors of the six races have helped Saint pan inherit 60 wisps of Hong Meng immortal Qi, ” the woman said directly. how many have you got now? ”

you ... You even know this!? Chen Xiaobei was even more surprised. He was now more curious about the woman’s identity than ever.

“Answer me!” “How much primordial violet vapor did you get?” the woman asked.

50 ... 50 ... Chen Xiaobei answered.

The woman silently calculated and said, ” it looks like I’m only missing the ten from the Luo clan!

“No... Elder sister ... Who are you? How do you know everything?” Chen Xiaobei was not only shocked, but also panicking.

What else did this woman know?

Chapter 4200: extremely evil!

This woman was too scary!

Her cultivation was so high that Chen Xiaobei could not see through her, but she could see through his secret!

Right now, Chen Xiaobei had already lost the opportunity to enter the Ji clan’s Holy Emperor’s remains. If something went wrong with the Hong Meng Sacred Heart, all his efforts after leaving the southern region would be for naught!

“Don’t be nervous, I’ll tell you the truth!”

The woman could tell that Chen Xiaobei was worried. She said, ” “My master is the third core elder of the Saint pan clan, and my mission is to help the reincarnators of the Pangu clan! Therefore, I know a little about reincarnators of Pangu!”

“Is this true ... The Saint pan clan was enslaved by the sky burial Yuan sacred clan billions of years ago! How could the third core elder of the Saint pan clan be your master?” Chen Xiaobei questioned.

The woman said, “my master used a secret technique to communicate with me through an essence soul and true spirit!” Years of careful teaching and guidance allowed me to have today’s cultivation!”

I see ... Chen Xiaobei was taken aback. He immediately thought of the Fuxi Dharma form in the Dragon trapping tower.

Obviously, the woman was not lying.

In the heavenly Saint realm, there were indeed some secret techniques that could allow one to communicate with the outside world even if they were sealed.

but, how do you know that I still haven’t obtained the primordial violet vapor of the Luo clan? ” Even though Chen Xiaobei trusted her, he was still very confused.

After all, before Chen Xiaobei told her about the primordial violet Qi, the woman knew that Chen Xiaobei still had not obtained the primordial violet Qi from the Luo clan!

Could she be a prophet?

“That’s simple! The Luo clan was the most powerful among the six major Alliance clans! With your abilities, it will be very difficult for you to enter the core of the Luo clan! And you said yourself that you only have ten strands of primordial violet vapor left. So, the answer is obvious!”

The woman smiled faintly, her lips as red as roses.

Obviously, this woman was very smart. Not only did she know the actions of the reincarnators of Pangu, but she also had a deep understanding of the six major clans.

“Amazing!”

Chen Xiaobei continued to ask, ” “Did you just say the six major alliance families? Since we are allies, why are you so unfriendly to the Ji family?”

Clearly, there was a huge contradiction between what this woman said and what she did.

On one hand, her master was the third core elder of the Saint pan clan, and the Ji clan was one of the six major Alliance clans.

She had just casually killed the Ji clansmen like she was killing ants ...

Not to mention being friendly, this was clearly a great enmity towards the Ji clan! It could even be hatred!

The woman’s bright eyes turned cold as if there were ice crystals in them. She said seriously, “Back then, the Saint pan clan wasn’t any weaker than the sky-burial sacred clan! The reason why we were defeated was because there was a traitor in our ranks!”

a traitor!? Chen Xiaobei tensed up. was it the Ji family’s betrayal that led to the Saint pan clan’s defeat? ”

“That’s right!”

the only Saint Emperor of the Ji clan, Ji Junyao, changed sides during the war back then. He destroyed the formation that protected Saint pan! the woman said.

this formation has gathered the power of billions of Saint pan experts. When one of the formation eyes was destroyed, all the Saint Qi in the formation went into chaos and flowed in reverse. In the end, it created a terrible explosion!

“In that explosion, billions of Saint pan experts were devoured by their own energy and died! The patriarch of the Saint pan clan, who was in charge of the formation, became the center of the explosion and died on the spot with his eyes wide open!”

The woman said coldly, “in this battle, the Saint pan clan has been completely defeated!” You should already know what happened after that! The territory of the Saint pan clan has been taken away by the sky burying Yuan sacred clan!”

the people of Saint pan have been reduced to pigs, dogs, and animals. They have been imprisoned and enslaved. From birth to death, they have been providing energy to the sky burial Yuan sacred clan without stopping! Without freedom, you’re better off dead!”

Chen Xiaobei finally understood the whole story, but his expression was complicated.

although Ji Junyao is a traitor, this is his own fault. He shouldn’t have implicated his children and grandchildren ... Chen Xiaobei said.

Chen Xiaobei could tell that this woman’s hostility was not only directed at Ji Junyao, but at the entire Ji family!

“Do you think that the descendants of the Ji clan are all good things?”

The woman’s eyes were full of disdain as she coldly said, “ “With Ji Ningyuan as the leader, the core higher-ups of the Ji clan are all despicable, shameless, and cruel characters! None of their children are easy to deal with!”

“I just killed Ji Qianqing and Ji mengxue! These two women have been using the heart and blood essence of seven-year-old boys to refine pills all year round. They said that the pills can cheer up their spirits, make them glow and become more beautiful!”

“Also, the Ji Yunxie you locked up, on the surface, he looks elegant and friendly, but in reality, he kills without batting an eye. Furthermore, he loves to torture and kill innocent people. His methods are cruel and infuriating! The citizens of Golden Lion sacred city all call him the butcher of the infernal domain!”

At this point, the coldness in the woman’s eyes was about to condense into real ice.

“From the small to the big, the Ji clan’s younger generation is so vicious and brutal, it’s a great sin! The faces of the Ji clan’s core upper echelon, do you want me to continue?” The woman said coldly.

Chen Xiaobei frowned and said, “ “To be honest, I’ve long felt that the Ji clan’s higher-ups are not what they look like, and there must be a conspiracy! But I didn’t expect them to be so vicious!”

“You’re so stupid!”

“If I’m not wrong, the Golden Lion cloud piercing tower was destroyed by that old bastard Ji Ningyuan!” The woman said angrily. You’ve already fallen into his trap!”

how ... How is this possible?! Chen Xiaobei could not believe his eyes.

the Golden Lion cloud Piercing Pagoda is the symbol of the Ji clan, and it’s also a forbidden area that outsiders are not allowed to enter. It’s protected by a five star Saint King grade formation!

The woman was slightly stunned and said, “I’m not trying to put you down!” With your current strength, you won’t even be able to damage the walls of the Golden Lion cloud piercing tower!”

this ... Chen Xiaobei did not waste any more time and started to calculate.

Chen Xiaobei was very calm and smart. He had been kept in the dark the whole time, but now, this woman had seen through him!

“Dammit! I’ve really been tricked!” Chen Xiaobei’s brows were tightly knitted together, and he looked very upset.

This time, the loss was huge, and Ji jinlian was in danger.

This was a huge blow to the master schemer Chen Xiaobei.

However, Chen Xiaobei was not to be blamed for this. After all, he did not know about the situation in the Golden Lion cloud piercing tower or Ji Ningyuan!

Ignorance was not a crime! It could only be said that the enemy was too sinister! It was simply impossible to guard against!

“There must be a reason why Ji Ningyuan destroyed the Golden Lion cloud Piercing Pagoda!”

The woman’s eyes narrowed, as if she could see through everything. “Tell me, what benefits did he take from you?”
