Chapter 4201: Extreme rage!

4201 Extreme rage!

“The ruins of the Ji clan Saint Emperor!”

I did have the Holy Emperor’s relic with me, ” Chen Xiaobei said. but I mistakenly thought that I had destroyed the Golden Lion cloud piercing tower and affected Ji Ningyuan’s cultivation. So, I gave it to Ji Ningyuan as compensation!

silly boy ... I really don’t know what to say to you ... the woman rubbed her head in confusion.

“What’s in the ruins?” Chen Xiaobei asked.

those ruins belong to the great traitor, Ji Junyao!

“Back then, the ancestors of the five major Alliance clans joined forces to kill Ji Junyao!” The woman said helplessly. Everything he had was taken by the ancestors of the five major Alliance clans!”

“You mean, there’s nothing in the ruins?” Chen Xiaobei’s eyes widened.

“Ji Junyao’s things really don’t have anything! But ...”

“In order to kill Ji Junyao, the ancestors of the five major Alliance clans set up a ‘five extreme destruction formation’ at that place!” The woman said helplessly. This formation is at the level of Saint Emperor!”

“Once Ji Ningyuan obtains the formation, the power of the Ji clan will skyrocket! The entire eternal Sacred Emperor domain will be completely ruled by them, and they will fall into an abyss of suffering and an eternal apocalypse!”

Obviously, with the Ji clan’s style of doing things, once they became the sole ruler of the eternal sacred imperial domain, all the weak people would be bullied, killed, toyed with, and even slaughtered by them!

Deep waters, eternal damnation, and bloodshed ... This was already a foreseeable future!

In fact, if it wasn’t for the existence of the White thunderwoman, Ji Ningyuan would have long since descended upon the world and turned the eternal Saint imperial domain into a living hell!

“Wait a minute ... There’s something I don’t understand!”

that five extreme destruction formation has reached the level of a Holy Emperor. It must have a huge amount of energy to activate it! Chen Xiaobei said. Logically, the ancestors of the five clans shouldn’t have left any extra energy ...”

“What can Ji Ningyuan do with a formation without any energy? Could it be that he has the energy of a Saint Emperor?”

Chen Xiaobei’s suspicion was justified.

Without energy, the formation could not bring any substantial improvement to the Ji family.

“No! You are underestimating the [five extreme destruction formation]! This formation can activate the corresponding level of energy according to the amount of energy poured into it!”

let’s assume that Ji Ningyuan has already broken through to the six stars Saint King realm, ” Ji Jinlu said. he can inject his Saint Qi into the five extreme destruction formation and generate the power of a six stars Saint King!

“And the power of this array is basically invincible against those of the same level! At that time, I will no longer be his match ... After defeating me, Ji ning will be able to do whatever he wants in the eternal Sacred Emperor domain, and no one will be able to stop him ...”

Powerful!

It was so powerful that it could be called abnormal!

A person who wasn’t invincible in the same realm could use the five extreme destruction formation to activate the power of invincibility with his own Saint Origin Energy!

The most important thing was that this formation had reached the level of a Saint Emperor!

Even if he was only a one star Saint Emperor, to be invincible among those of the same level was already quite terrifying!

“By the way, you just said that you are no longer Ji Ningyuan’s match. So, are you the White thunderwoman they’re talking about?” Chen Xiaobei asked.

yes. In the eternal Sacred Emperor domain, people call me the White Lightning lady ... the woman nodded.

so, your cultivation base is at the six star Saint King realm!? Chen Xiaobei asked again.

yes ... the woman said.

“If that’s the case, why don’t we go and kill Ji Ningyuan tonight?”

“Ji Ningyuan said that his cultivation was interrupted, so I’m afraid he hasn’t broken through to the next level yet!” Won’t everything be fine if we get rid of him tonight?”

“Silly boy! Not a single word of Ji Ningyuan’s words could be trusted! If he says he hasn’t broken through, then there’s an 80 to 90 percent chance that he has!”

right now, his cultivation is at the same level as mine, ” the White thunderwoman said in a deep voice. I don’t have the confidence to win if he rashly barged into Golden Lion sacred city. Moreover, Ji Ningyuan is extremely scheming. It’s impossible for him to not have a backup plan!

a backup plan?!

Chen Xiaobei tensed up. “My friend is still in Golden Lion sacred city. I’m afraid Ji Ningyuan will use her as a hostage!”

“It seems that you’re not really stupid!”

"To deal with a cunning old man like Ji Ningyuan, we have to plan before taking action. Otherwise, we might fall into his trap at any time!" The White thunderwoman paused for a moment and continued.

"Since that's the case, let's get to the bottom of his background first!" Chen Xiaobei then released Ji Yunxie from the Meru space.

"I just complimented you for not being stupid," the White thunderlady said with a frown, "why are you acting so silly again?" A person like Ji Yunxie would never tell the truth! It's no use letting him out!"

"I don't need him to speak!" Chen Xiaobei grinned and then took out the mutant Holy Spirit.

"This ... What is this? Holy Spirit? No... No... while white thunderlady was knowledgeable, she had never seen or heard of Chen Xiaobei's mutated Sacred Spirit. She was stunned.

"Heaven peeking eye technique!" Chen Xiaobei ignited his mental power and began to search through Ji Yunxie's memories.

On the side, white thunderlady pouted, her beautiful eyes wide open.

She had been treating Chen Xiaobei as an innocent and silly boy all this while.

However, at this moment, the White thunderlady had a whole new level of respect for Chen Xiaobei. She was even praising him in her heart ...

As expected of a reincarnator of Pangu! I really underestimated him!

what an animal!!!

When Chen Xiaobei peeked into Ji Yunxie's memories, his face turned green and he was burning with anger.

In Ji Yunxie's memories, there were many scenes of innocents being tortured and killed. Dismembering by a thousand cuts, splitting a carriage, cutting at the waist ... He used every possible method!

The main point was that most of the people who were killed were innocent ordinary people.

They had not offended Ji Yunxie in any way. It could even be said that disaster came from the heavens when a man was sitting at home.

On a whim, Ji Yunxie would randomly capture ordinary people and kill them!

The torture was inhumane!

There were even some images of Ji Yunxie stomping an infant into a pulp of flesh! He threw it into the boiling oil! Even to the point of being gnawed on by the most evil wild dogs!

He was simply insane and extremely perverted!

These images had a huge impact on Chen Xiaobei's mental state, and he was now extremely furious!

"Rumble!"

Chen Xiaobei's body suddenly exploded with a terrifying rage!

Accompanied by an extremely tyrannical pressure, even white thunderwoman, who was standing at the side, was so frightened that her face changed, and her heart beat wildly!

"Calm down ... You calm down ... Can you hear me?"

The White thunderlady quickly shook Chen Xiaobei's shoulder and said, "Silly boy! What's wrong with you? Don't scare me!"

In a moment of desperation, she opened her arms and hugged Chen Xiaobei tightly.

Chapter 4202: get to the bottom of things!

"Don't be afraid ... I'm here ... Relax ... Relax ..."

Bai leiniu hugged Chen Xiaobei and gently stroked his head, comforting him.

"No... Big sister ... Why are you hugging me? You're taking advantage of me ..."

Chen Xiaobei was stunned.

I was just in a state of extreme anger, why did this woman suddenly Come and Hug Me?

"Little bastard! What nonsense are you spouting?"

The White thunderlady blushed and let go of Chen Xiaobei. She mumbled, "When my daughter is scared, as long as I hold her like this, she can relax very quickly ... I just want to comfort you ..."

"Your daughter?" you already have a daughter?! Chen Xiaobei asked.

"Nonsense!" I told you! the White thunderwoman said angrily. according to seniority, you should call me aunt!

Chen Xiaobei did not comment but sighed. "Sigh ... What a pity ..."

"What's a pity?" The White thunderlady furrowed her brows and asked.

too bad you're already married, otherwise ... Chen Xiaobei stopped.

"Little rascal? You're not thinking of hitting on me, are you?" The White thunderlady's face turned even redder, and she raised her hand to pull Chen Xiaobei's ear.

"Swish!"

Chen quickly dodged and said, "You really think you're my aunt? In terms of age, I'm also a few million years old! How can I let you pull my ears? This is outrageous!"

Chen Xiaobei had been cultivating in the divine sunlight cache for a long time. If converted to real time, he was indeed a few million years old!

"Hmph!" The White Thunder lady glared at Chen Xiaobei, "In the future, if you dare to have any crooked thoughts, I promise to wring your ears off!"

"Don't worry! I'm not interested in married women!" Chen Xiaobei pursed his lips.

"Primal Chaos! Are you saying that you're interested in me just because I'm not married?" White thunderlady immediately grew anxious.

"You ... Are you a single mother? Dumped by a wild man?" Chen Xiaobei was dumbfounded. He did not expect such a ridiculous thing to happen to this woman. Just how strong was that wild man?

"You're talking nonsense! I'm still a Virgin!" The White thunderlady stomped her feet in anger and raised her hand to pull Chen Xiaobei's ear.

"Pfft ... How can a Virgin have a daughter? I've read a lot of books, you can't lie to me!" Chen Xiaobei quickly dodged and escaped from the demon's claws again.

"You can just anger me to death!"

The White thunderwoman's smooth and delicate face was already red as blood, and she said with slight annoyance, "My daughter was adopted! When she was young, her parents were killed, and I was the one who raised her!"

"Uh ..."

Chen Xiaobei was stunned. "Then you should've made things clear earlier ... You've caused me to misunderstand for so long ..."

"Now I understand!" "Remember, I'm your aunt!" The White thunderwoman retorted. Don't have any crooked ideas!"

ahem ... Chen Xiaobei quickly changed the topic."Let's get back to the main topic! I've already figured out the situation of the higher-ups of the Ji clan!"

"Hurry up and tell me!" White Thundergirl calmed herself down. She was no longer a little girl, and she could tell what was more important!

"As you expected, Ji Ningyuan has already broken through a major realm and reached the early stage of sacred king meteor. My friend, Ji Jinyan, has also been taken hostage by them!"

yes! Chen Xiaobei said, "tomorrow, Ji Ningyuan will gather all the Saint Kings of the nings to go to the Holy Emperor's remains! After 10 days, Ji Ningyuan will have 100% confidence in defeating you!"

"He's really impatient!"

"He's going to make his move tomorrow. If we don't stop him!" The White thunderlady frowned. Everything will be too late!"

"Don't worry, I have a way to deal with Ji Ningyuan tomorrow!" Chen Xiaobei grinned and said confidently, "this old man dared to scheme against me. I'll make him pay back with interest!"

"What are you going to do?" White thunderlady asked.

"No need to ask, just follow my arrangements tomorrow!" Chen Xiaobei smiled confidently.

you little rascal ... white thunderwoman snorted, clearly annoyed.

She was no ordinary woman!

Not only in the eternal Sacred Emperor domain, but in many other large domains, she was a famous legendary figure!

Many of the overlords saw her as a nightmare, and they were extremely afraid of her and avoided her!

But this Chen Xiaobei was acting like a leader in front of her, telling her to follow his orders!

This was too much!

However, even though she was angry, she could only endure it.

Because Chen Xiaobei had indeed done something that she could not. He knew something that she did not.

So, listening to Chen Xiaobei's plan was her best and only choice!

Soon after.

Once again, Chen Xiaobei entered a state of cultivation.

The operation would only start on the second day, so he had to make the best use of his time and improve his strength as much as possible.

Whoosh ... Whoosh ... Whoosh ...

Just like before, Chen Xiaobei ignited another 3000 portions of pinnacle true Saint energy and activated the grade 12 Green Lotus of reincarnation's special ability 3000 times, greatly increasing his cultivation speed.

The effect of 3000 special abilities was the same as the last time he cultivated.

However, with the advancement of a major realm, the difficulty of the cultivation this time had also increased significantly.

Under the same special ability effect, the time spent was a hundred times more than the last time, which was nearly seventeen hours.

Of course, these 17 hours were in the real world.

In the sunlight realm, Chen Xiaobei had probably spent millions of years.

Of course, compared to his entire lifespan, a mere million years was just a drop in the bucket.

[ding Yingying's cultivation Level: Intermediate five-star true sage. Lifespan: 8.1 trillion years! Primordial spirit attack-peak true sage level!]

I've broken through another minor realm. My current lifespan can last for thirty seconds in the three stars Saint King realm. This is a huge improvement for me!

Chen Xiaobei was very satisfied with the result.

Even though the higher one's cultivation level was, the more difficult it would be to cultivate, the longer one's lifespan would be extended after a breakthrough.

To Chen Xiaobei, this would increase the chances of him using his trump card!

Then, Chen Xiaobei returned to the real world.

At this moment, the sky was already bright, and the White thunderlady was already waiting in the courtyard, looking extremely anxious.

The moment she saw Chen Xiaobei, she ran up to him and said, "What the hell are you doing? Didn't they say that they would act today? How can you still sleep in? The sun was high in the sky! Perhaps Ji Ningyuan has already succeeded!"

"Calm down, calm down!" don't you know what it means to be the Mantis stalking the cicada, unaware of the Oriole behind? " Chen Xiaobei shrugged.

"I only know that the early bird gets the worm!" The White Lightning female referee said.

"It's better to come at the right time than early!" Chen Xiaobei chuckled and activated the communication rune that he had taken from Ji Yunxie.

Now that Chen Xiaobei had access to Ji Yunxie's memories, he could contact Ji Yunxie's trusted aide through the communication rune.

Chapter 4203: Direct assault!

4203 Direct assault!

Using Ji Yunxie's communication rune, Chen Xiaobei managed to contact a young man named Ji Zhan.

According to Ji Yunxie's memories, this Ji Zhan was the illegitimate son of the concubine of an ordinary elder in the Ji family.

Her father was an ordinary elder, and her mother was a concubine.

One could imagine that Ji Zhan's status in the Ji family was only slightly higher than that of the servants.

Ji Zhan's father followed Ji Yunxie's father. Therefore, Ji Zhan naturally became one of Ji Yunxie's many followers.

"Cousin Yunxie ... You ... You're looking for me?" Ji Zhan asked. (Unbelievable)

It was obvious that Ji Zhan's status was low and never caught Ji Yunxie's eye.

Therefore, when he received Ji Yunxie's message, Ji Zhan could not believe it was true.

Of course, this was one of the reasons why Chen Xiaobei chose Ji Zhan.

Ji Zhan was not liked by Ji Yunxie, so his loyalty was probably not high. Chen Xiaobei planned to try to turn Ji Zhan into one of his hidden chess pieces.

Ji Yunxie (Chen Xiaobei): "I went out yesterday. I didn't make it back to my family in time. Where are you now?"

Ji Zhan replied, "cousin, we have arrived at the easternmost Heng Yue mountain range under the guidance of our ancestor!" They were about to find the ruins!

Ji Yunxie (Chen Xiaobei): "okay! Tell me the exact location. I'll get there as soon as possible!"

Ji Zhan said, "no problem. I'll send you the location now!"

Not long after, Ji Zhan sent Chen Xiaobei the exact location.

The address was very detailed, and all the details of the location were clear. Chen Xiaobei did not have to waste his energy on studying it.

It could be seen that although Ji Zhan's status was not high and he was not in an important position, he was actually very capable and had strong execution abilities.

If he could, he would be able to help Chen Xiaobei.

Ji Yunxie (Chen Xiaobei): "I have another task for you!"

Ji Zhan, "cousin, what are your orders?"

Ji Yunxie (Chen Xiaobei): "can you help me take a look at Ji Jinchuan? what's her condition now?" Then, help me pass a message to her!

Ji Yunxie (Chen Xiaobei):

Ji Zhan said, "Oh, she's right next to our ancestor. She's trying to open the relic by using the Saint Emperor's jade pendant! It seemed that the Holy Land jade pendant was closely related to her and only she could control it!"

Ji Yunxie (Chen Xiaobei): Very good! Help me pass the message to her! Don't open the ruins too quickly!

Ji Zhan, "ah?" This ... Why is this happening?

Ji Yunxie (Chen Xiaobei): I haven't arrived yet! If the ruins were to open early, wouldn't I not be able to get any benefits?

Ji Zhan thought, "uh ... That's true, but this ruin was chosen by our ancestor!" Even if there were benefits, he would have full authority to arrange it! Even if you're here, you have to listen to the ancestor!

Ji Yunxie (Chen Xiaobei): The so-called opportunity was left for the fated! Why did the old ancestor bring everyone to the ruins together? in fact, it was to see who had the opportunity!

Ji Zhan, "I ... I understand!" You also want to try your luck!

Ji Yunxie (Chen Xiaobei): If Ji Jinlu opened the ruins earlier and someone else got the opportunity before me, wouldn't I suffer a huge loss?

Ji Zhan replied, "yes ... I will!" But ... Will Ji Jinli listen to you?

Ji Yunxie (Chen Xiaobei): "tell her that I've discussed this with Childe Chen. This is what Childe Chen wants!"

Ji Zhan, Childe Chen? Which young master Chen?

Ji Yunxie (Chen Xiaobei): " don't ask anymore. Hurry up and pass on the message! It'll be too late if we're too late!

Ji Zhan: " alright ... I'll go now. However, the ancestor is always with Ji jinlian. I'm worried that I won't have the chance to pass on the message ...

Ji Yunxie (Chen Xiaobei): " don't worry! I'll find a way to lure them away!

Ji Zhan,"okay ... Okay ..."

After the communication ended.

Chen Xiaobei grinned at Bai leiniu and said, " "Let's go! Let's go to the Ji clan Saint Emperor's ruins!"

"You ... You've already determined the location of the ruins?" The White thunderlady's expression faltered upon hearing this.

"Of course!" I don't know! Chen Xiaobei laughed. if I don't even have this ability, how can I be a reincarnator of Pangu? "

this ... the White thunderlady pouted her red lips and looked at Chen Xiaobei with a burning gaze.

Just a moment ago, she was still criticizing Chen Xiaobei for sleeping in.

She sighed. She had really underestimated Chen Xiaobei.

"Let's go quickly! Ji Ningyuan has already started to open the ruins. We have to hurry over!" Chen Xiaobei said.

it might be too late if we fly over now ... the White thunderwoman frowned.

"Who said we're flying over? Directly stomping through the void!" Chen Xiaobei said.

"No! Shattering the void will cause too much of a commotion and we'll be discovered immediately!" The White thunderlady rejected.

"I just want Ji Ningyuan to find out!" don't worry! Chen Xiaobei said, " when the time comes, you can lure him away. I have other plans!

"Do you have any other arrangements?"

"Don't do anything stupid!" The White thunderwoman was worried. All the Saint Kings of the Ji clan are present, and if you're not careful, you'll die!"

"Don't worry, just do as I say!" Chen Xiaobei smiled, as if everything was under his control.

O-okay ... although she was worried, she still respected Chen Xiaobei's decision and did not say anything else.

Then, Chen Xiaobei told them the exact location.

"BOOM! Swish ..."

As the White thunderwoman took a step forward, the void shattered, and a dark spatial storm tore open a bottomless Rift.

She grabbed Chen Xiaobei's hand and took him into the void.

On the other side.

In a boundless dark-gray Mountain range, Ji Ningyuan had arrived with all the Saint Kings of his clan.

Everyone's eyes were focused on Ji Jinlian.

Ji Jinlu didn't let them down. She held the Saint Emperor's jade pendant with both hands and activated her spirituality, locking the entrance to the ruins.

"Boom boom boom ..."

As Ji Jinlu continued to channel her spiritual power, a huge crack that was tens of thousands of meters long began to appear on the mountain where the entrance of the ruins was.

It was as if a mountain had been split in half by a God's battle axe.

"Boom boom boom ..."

However, at this moment, an even more intense commotion instantly attracted everyone's attention.

The air cracked open, and the White thunderwoman appeared like a white shadow.

"Whoosh ..."

The White thunderlady waved her hand, and white smoke and dust filled the air!

Like a thick fog, it enveloped everyone from the Ji clan!

"Not good! Quickly Dodge!"

Ji Ningyuan maintained his vigilance at all times and locked onto the White thunderwoman at the first moment. He used all his strength to rush towards her!

"Chi ..."

The vast majority of the White smoke and dust that enveloped the area was scattered by Ji ning!

However, there was still a small portion of the White smoke that fell down!

"Boom boom boom ..."

In an instant, the ethereal smoke and dust suddenly exploded with a thunderous sound!

The wisp of smoke turned into a trillion bolts of White Lightning!

In an instant, heaven and earth were shocked!

[Red Envelope Group of the Three Realms](#)

Chapter 4204: There's a change in plans!

4204 There's a change in plans!

"Shenluo White Lightning! Destroy the heavens and earth!"

"It's her! It's that woman!"

All of a sudden, all the Saint Kings of the Ji clan started screaming. They were like a group of ants on a hot pan, running around without a care.

Even the vast majority of the shenluo White Lightning had already been blocked by Ji ning.

However, this small amount of White Lightning was enough to kill anyone at the scene.

This was the terror of a six star Saint King!

Even if there were five star Saint Kings among the Ji clan's higher-ups, they were as insignificant as ants in front of this terrifying power!

In order to fight for a chance of survival, they had to use all their strength!

"BOOM! BOOM! Boom ..."

An earth-shaking explosion suddenly sounded.

With every explosion, a core elder was struck by the White Lightning.

Those who were hit would die without a doubt!

Moreover, the bones, blood, and internal organs of each of the deceased had all collapsed into a puff of white dust and disappeared with the wind!

The primordial spirits of all the dead were also destroyed after their bodies collapsed.

With their primordial spirits destroyed, even if Ji Ningyuan, that old monster, had monstrous means, he would not be able to let them be reborn.

And each of these core elders who were killed had an important role in the Ji family! It was like the foundation of a huge Pavilion!

With the death of these core elders, the Ji clan's building had suffered an immeasurable amount of damage!

Even if Ji Ningyuan, the core pillar, was still there, it would be difficult for him to support the crumbling and collapsing building on his own!

Without a doubt, this attack had greatly damaged the Ji family, and their overall strength had dropped by at least two or three levels! It would be impossible to recover in the next trillion years!

However, this was only the beginning!

"Woof!"

A bolt of White Lightning, like a spirit snake with eyes, bypassed the weak Saint Kings and directly struck the current clan leader of the Ji clan, Ji xuanheng!

Ji xuanheng dodged with all his might.

The deadly White Lightning was about to take his dog life!

However, at this moment, he, the clan leader, actually did something that left everyone dumbfounded and their scalps tingling!

“Shua shua shua ...”

In an instant, Ji xuanheng released more than a dozen streams of Saint Origin Energy, which swept all of his clansmen to his side.

No one had ever dreamed of this! The clan leader, Ji xuanheng, had actually used the flesh and blood of his clansmen as a shield to buy himself some time to struggle at death’s door.

“Father!”

Seeing this, an ordinary-looking young man in the crowd suddenly screamed hysterically.

This young man was Ji Zhan!

His father had also been pulled to Ji xuanheng’s side!

“BOOM!”

In a flash, Ji Zhan didn’t have time to do anything! He could only watch helplessly as his father and more than ten elders of the family were turned into ashes by the White Lightning!

Of course, although these people had died under the White Lightning, they were still alive.

However, Ji Zhan and the rest of the clan knew that the real murderer was Ji xuanheng!

This clan leader was simply shameless to the extreme. For his own survival, he completely disregarded his blood and family ties!

In that instant, only nine core elders of the Ji clan were killed by the White Lightning.

However, there were a total of 17 people who had been captured by Ji xuanheng as human shields and died in his place.

Ji Zhan didn’t care what other people thought.

However, at this moment, all of Ji Zhan’s hatred and killing intent was directed at Ji xuanheng!

After all, Ji xuanheng was a lowly bastard.

Since he was young, he had never received any warmth from the family. The only one who cared for him was his father, who always took him by his side, gave him advice, nurtured him, and invested a lot of resources in him.

To put it bluntly, in Ji Zhan’s eyes, Ji xuanheng was just a stranger with the same surname.

And now, Ji xuanheng had killed Ji Zhan’s father!

“Revenge for killing my father! We can’t live under the same sky!”

Ji Zhan's eyes were bloodshot, and the veins on his forehead were bulging. He charged at Ji xuanheng like a madman.

In fact, Ji Zhan didn't need to make a move. The White Lightning just now could still kill Ji xuanheng.

After all, seventeen low-to mid-tier Holy Kings were like paper in front of the White Lightning. They couldn't nullify much of its power.

The remaining power was enough to kill Ji xuanheng!

"BOOM!"

However, at this moment, Ji Ningyuan sent out a beam of Saint Qi from the sky to offset the remaining power of the White Lightning.

It was obvious that Ji ning was at the same level as the White thunderwoman.

Just now, Ji Ningyuan hadn't been able to disperse all the White Lightning.

However, in a battle between experts, as long as Ji Ningyuan was given a moment, it would be enough for him to save the situation!

"Boom boom boom ..."

As Ji Ningyuan's Saint Qi arrived first, all the White Lightning that hadn't been killed yet were annihilated.

However, even though White Thunder was completely annihilated, everyone could see that the first person Ji Ningyuan protected wasn't a clan member with a weaker cultivation, but the despicable clan leader, Ji xuanheng.

It was obvious that a large number of core members of the Ji clan had already died. If something happened to Ji xuanheng, Ji Ningyuan, this ancestor, would become a mere commander!

As for the weaker clansmen, even if they were related by blood, Ji Ningyuan didn't put them in his eyes at all!

Ji Zhan had a deep understanding of this!

He had never been taken seriously by his clansmen!

Of course, at this moment, many people had the same feeling as Ji Zhan!

His heart was extremely cold!

"Pfft ..."

Ji Zhan wanted to rush over and avenge his father, but the Saint Qi collision sent him flying hundreds of meters away, slamming into the mountain wall.

It was obvious that he was only a one star Saint King, and it was impossible for him to avenge his father.

The difference in strength was like a huge chasm!

Ji Zhan felt that he would never be able to overcome this in his life. There was no hope of avenging his father!

"You ... Are you okay ..."

At this moment, Ji jinlian ran over to check on Ji Zhan.

In the entire Ji family, the one who cared the most about family ties was Ji jinlian, who had just returned to the family a day ago.

"I'm fine ..."

Blood trickled down the corner of Ji Zhan's mouth, but he was still very tough.

"It's good that you're fine ..."

Ji jinlian pursed her lips and said in a low voice, "The patriarch is in the wrong, but you can't take revenge! Swallow this and you can live for a few more years ..."

"Help me open the ruins ..." He said.

Ji Zhan glared at Ji jinlian and said, "As long as I can obtain the legacy, I can avenge my father! Please help me ... I beg you ..."

Obviously, Ji Zhan's attitude had changed drastically.

Furthermore, from Ji Zhan's point of view, the person who gave him the order was Ji Yunxie! Ji Zhan had already decided to take revenge, so he didn't need to listen to orders!

"I'm sorry ... I can't help you ..." He said.

Ji Jinlu shook her head and said in a serious tone, "You and I are both too weak. Once the ruins open, we will definitely not be able to escape from Ji Ningyuan and Ji xuanheng's demonic grasp! They're all trash and don't deserve the Saint Emperor's remains!"

this ... Ji Zhan frowned. "You mean you won't open the ruins for them?"

"Yes, I am!"

no! Ji Jinlu said firmly. unless bro bei gets here, I will not help them even if I have to die today!

Obviously, Ji xuanheng's sudden action had not only chilled the hearts of his people, but also allowed Ji jinlian to see through their true colors.

This also messed up Chen Xiaobei's original plan!

However, at this moment, a wisp of purple Qi floated to Ji jinlian's side.

[Red Envelope Group of the Three Realms](#)

Chapter 4205: I'll control it!

4205 I'll control it!

"Jin Lu! I'm coming! Let's open the ruins! Try not to make any noise!"

That's right, this wisp of purple Qi was Chen Xiaobei's Dharmakaya!

Even though the plan was not as fast as the change of events, Chen Xiaobei was already there, and he could take advantage of the chaos to open the remains!

"Good! Please wait a moment, it'll be ready in a moment!" Ji Jinlu immediately held the jade pendant tightly and activated its spirituality.

"Boom boom boom ..."

At the same time, the White thunderwoman and Ji Ningyuan had already started fighting.

This terrifying battle instantly attracted everyone's attention.

That was why no one noticed Chen Xiaobei's purple Qi dharma body, and no one noticed Ji Jinchuan opening the ruins.

"You ... You are bro bei?"

Ji Zhan looked at the wisp of purple Qi and asked in shock.

"Yes, in fact, I'm also the young master Chen who spoke to you this morning!" Chen Xiaobei said.

"In the morning?" Ji Zhan didn't understand.

"I have already captured Ji Yunxie alive! I was the one who used his communication rune to find you!" Chen Xiaobei explained.

"I ... I see!"

Ji Zhan was surprised and said in a low voice, "You and the White thunderwoman are companions, right? I ... I want you to help me take revenge! As long as you help me take revenge for my father's death, my life is yours!"

"Don't get too excited! Even if you didn't say anything, I would have gotten rid of Ji Ningyuan and Ji xuanheng!"

"These two guys are the cancer of the Ji family!" Chen Xiaobei said coldly. If he didn't get rid of them, the core higher-ups of the Ji clan would forever be occupied by scum who committed all kinds of evil! The entire clan will die!"

"You're right ... The White thunderlady has already announced that she will exterminate the entire Ji clan in 10 days!"

"In fact, that's what all the innocent people in eternal sacred imperial domain are thinking!" Ji Zhan said with a frown. Our Ji family has long angered the public ... It's just that before white thunderlady appeared, no one dared to say anything ..."

Just as Chen Xiaobei had said, if the Ji clan continued to do evil, they would not have a good ending.

don't worry. This time, the higher-ups of the Ji clan will be completely purged, but they won't be exterminated! "As long as the descendants of the Ji family turn over a new leaf, there will always be a place for you in this world!"

It was obvious that the Ji clan's bullying of the weak in the eternal sacred imperial domain had long angered the masses.

If the upper echelons were completely wiped out, the other powers of the eternal sacred imperial domain would definitely come for revenge. At that time, the entire Ji clan would be annihilated and the Golden Lion sacred city would be massacred!

"If you really can't, I'll just take you in!" Chen Xiaobei said.

take ... Take us in ... Ji Zhan was dumbfounded. He could not understand what Chen Xiaobei meant.

"Boom boom boom ..."

At the same time, a special space gate appeared on the mountain wall.

bro bei! The ruins are open! We can go in now! Ji Jinlu said excitedly.

"Good! Let's go!"

Chen Xiaobei turned around.

He saw that the White thunderwoman and Ji ning's battle was evenly matched, so they shouldn't be in any danger.

So, Chen Xiaobei was relieved and entered the ruins.

Ji jinlian and Ji Zhan followed him in.

At the same time, the deafening rumbles of the battle in the sky were deafening. No one had noticed the opening of the ruins, including Ji xuanheng. Everyone was still paying close attention to the development of the battle and had no time to care about anything else.

"Swish!"

After passing through the portal, Chen Xiaobei and the other two entered an independent space.

All he could see was nothingness. In this dark space, it was as if nothing existed.

"There's no saint Qi! There were no heavenly treasures! There are no treasures or secret Arts ... This ... Could it be that the ruins have been emptied?" Ji Zhan furrowed his brows, his face full of surprise.

"Don't tell me that we've worked so hard for nothing?" Ji jinlian's expression was also unsightly.

This was because the Saint Emperor's jade pendant in Ji jinlian's hand had completely lost its spirituality after she entered this dark space of nothingness. It no longer gave her any guidance.

"Don't worry! No one has been to this ruin before!" of course not! Chen Xiaobei grinned. in fact, I'm the only one who can take the Fortune here!

"Why ... Why is that?" Ji jinlian and Ji Zhan were both stunned.

that's because this ruin was not left behind by the Holy Emperor of the Ji clan. It was left behind by the ancestors of the five major Alliance clans! Chen Xiaobei said.

“What ... What’s going on?” Ji Jinlian and Ji Zhan were completely confused.

a long, long time ago, the Ji clan was actually one of the six major Alliance clans of the Saint Pan. However, the Holy Emperor of the Ji clan, Ji Junyao, betrayed the Alliance and helped the enemy defeat the Saint Pan clan!

then, the five Alliance clans will take revenge. They will set up the five-direction extermination formation here and kill Ji Junyao! Chen Xiaobei said.

“If I’m not wrong, Ji Junyao used a jade pendant to record the location of this place before he died! Therefore, you can find this place by following the guidance of the jade pendant!”

however, this space was created by the ancestors of the five major Alliance clans. Therefore, Ji Junyao’s jade pendant lost its effect completely after he entered this space!

Hearing this, Ji Zhan was confused and confused.

Ji Jinlian, on the other hand, was quick to understand and she said excitedly, “I understand! These ruins were the remains of the ancestors of the five major Alliance clans! And they were loyal to the Alliance! So, as long as Bro Bei can form the true form of Pangu, he should be able to activate the formation and obtain the treasures they left behind!”

“That’s right!”

Chen Xiaobei stepped forward.

He would merge Pan Gu’s spirit, energy, and spirit, and show the true form of Pan Gu!

Hua ... Hua ... Hua ... Hua ... Hua ... Hua ...

As the real entity of Pangu showed its divinity, a strange change happened in the dark space.

Five huge halos began to shine in the space.

They were like five bright stars in the endless universe!

Vast! Dazzling! It was constantly emitting a vast and endless ancient aura!

He could even sense the auras of the ancestors of the five major Alliance clans from the five giant light balls.

They were all extremely powerful existences. They had probably all reached Saint Emperor.

Standing in the middle of the five auras, even Chen Xiaobei, who had a strong mental state, could not help but feel like an ant.

Chen Xiaobei was awestruck by the sight of the five stars.

It was as if he had seen a peak in the world. Even his vision and state of mind had improved.

This was an unimaginable shock that struck directly at the soul.

Both Ji Jinlian and Ji Zhan were stunned. Their breathing and heartbeats stopped, and they even felt ashamed of their own inferiority. They wanted to kneel down and worship the daoless aura with utmost respect.

“I am a reincarnator of Pangu! “I will bear the will of the five clans! I should be the one to control the [five directional extermination formation]!”

Chen Xiaobei stood proudly with his head held high and made a great wish.

Red Envelope Group of the Three Realms

Chapter 4206: An unknown danger!

4206 An unknown danger!

It bore the will of the five clans!

Just like how he had been acknowledged by the five marks of Pangu's great world, once Chen Xiaobei bore the will of the five Alliance clans, he would be carrying all of them on his shoulders!

Chen Xiaobei had to protect the prosperity, glory, peace, development, reproduction, and inheritance of the five Alliance clans!

This was a great wish, a great merit, and a great responsibility!

If Chen Xiaobei could do it, then the five directional extermination formation would naturally be under his control!

“Chi ...”

As expected, the five light orbs, which were as big as stars, seemed to have sensed Chen Xiaobei's spirituality. They resonated with him in response.

“Shua shua shua ...”

Immediately after, the five light orbs began to spin rapidly.

The giant sphere was shrinking and gathering around Chen Xiaobei.

When they reached Chen Xiaobei, the five light orbs were arranged into a three-dimensional array.

Upon closer inspection, one would find that each ball of light contained countless extremely profound and complicated runes.

It could be seen that each ball of light was an independent array that gathered the lifetime of attainments of the ancestral emperors of their respective races.

There was an extremely mysterious connection between the five magic formations, and the energy that was injected into the magic formation could be reinforced by the magic formation, causing it to explode with even more power.

this array is too powerful!

if I'm not wrong, Ji Junyao's strength is one level higher than the Five Ancestors! Chen Xiaobei exclaimed.

"Logically speaking, it's impossible for the ancestors of the five clans to defeat Ji Junyao! However, with this formation, the ancestors of the five clans worked together to defeat the enemy and kill the traitor!"

"Of course, the ancestors of the five clans might have paid a price in that battle, but no matter what, the effect of this formation is beyond dispute! Even if he reached the level of a one star divine Emperor, he could still be considered a trump card!"

"Chi ..."

As he spoke, the mysterious array formed by the five balls of light shrunk to the size of a coin and fused into Chen Xiaobei's left hand.

From then on, this trump card belonged to Chen Xiaobei.

Chen Xiaobei grinned, his face full of confidence.

At this point, it could be said that the situation was under Chen Xiaobei's control.

However, there were still some unseen variables that could bring about an unimaginably huge crisis.

"That's not right ..."

At this moment, Ji Zhan couldn't help but swallow his saliva and said, "Childe Chen, according to your speculation, the ancestors of the five clans defeated Ji Junyao in the end. Why didn't they take the array away?"

Obviously, this formation was extremely powerful. If they brought it back, it could directly increase the overall strength of the five major Alliance clans.

A Saint Emperor level formation was enough to allow the five major Alliance clans to dominate their respective regions.

However, just as Ji Zhan had said, the ancestors of the five clans didn't take the formation away after they won. This was very problematic.

perhaps the formation was left for the reincarnators of Pangu! Ji Jinlu said.

"No!"

However, Chen Xiaobei quickly rejected the idea. "The ancestors of the five clans can't be sure that reincarnators of Pangu can come here! In fact, if I hadn't met the White thunderwoman yesterday, this formation would have already fallen into Ji Ningyuan's control!"

It was obvious that the ancestors of the five clans did not leave the formation with them for the sake of the reincarnators.

Instead, it was because of some irresistible reason that they couldn't take the formation away.

"Could it be that in order to defeat the stronger Ji Junyao, the ancestors of the five clans sacrificed their lives to unleash their greatest power?" Ji Jinlu thought for a while and asked.

According to Chen Xiaobei's guess, Ji Junyao's strength was one level higher than the Five Ancestors.

They were all Saint emperors!

According to the White thunderlady, the [five directional extermination formation] could at most make one invincible among those of the same cultivation level, but it was far from enough to allow one to fight those of a lower cultivation level!

It was clear that the ancestors of the five clans had paid a big price besides to activate the formation!

Because of this, Ji Jinlu guessed that in order to eliminate the traitor, they might have sacrificed their lives and died together with the traitor.

"That's possible!"

Chen Xiaobei thought about it and said, "The [five directional extermination formation] will only be buried here if all of them die! Otherwise, the secret of this place would have been exposed long ago!"

"Is there another possibility?" "There are more fatal dangers in this place," Ji Zhan said embarrassedly. "The ancestors of the five clans didn't die in the battle, but they fell into an unknown danger ..."

"Don't guess blindly! There was no evidence at all! It's purely fabricated!" Ji Jinlian said unhappily.

I ... I'm not making a wild guess ... Ji Zhan shook his head and said awkwardly, "Before young master Chen subdued this formation, it was in a state of semi-ownership!"

"That's right!"

of course! Chen Xiaobei nodded. before I form the true body of Pangu, this formation can't sense me at all! This is an intentional concealment!"

Ji Zhan continued, "think about it!" If the ancestors of the five clans died in battle, the formation should be ownerless and it shouldn't have been hidden!"

"You mean ... The ancestors of the five clans are still alive? It can be remotely controlled?" Ji Jinlian was shocked.

"Right! I'm guessing that they've been sealed in a certain domain and can only use some secret techniques to create a weak connection with the formation!"

they might not be able to activate the formation," Ji Zhan speculated. but they can still hide the formation. The formation will only show itself when someone they acknowledge appears!

"That makes sense!" Chen Xiaobei was 70% convinced.

This was because Chen Xiaobei had experience in this area!

Fuxi and white thunderlady's master were living examples.

They were all sealed and could no longer control the outside world. However, they could still communicate with the outside world through some secret techniques.

That was why Chen Xiaobei had every reason to believe Ji Zhan's speculation.

"Go! Let's go out! Let's end this quickly and leave this place!"

Chen Xiaobei did not want to take the risk, nor did he have the time and energy to do so. He decided to leave the ruins with Ji Zhan and Ji Jinzui.

However, at this moment, a large number of Ji clan members poured into the space gate at the entrance of the ruins.

With the clan leader Ji xuanheng as the leader, a total of over thirty people entered.

Of course, this was only a small portion.

After all, most people were already bitterly disappointed and would not come in to risk their lives.

They were willing to work for the family, but they were afraid that they would be caught by Ji xuanheng again. If that happened, they would really die with grievances.

"Oh no, they must have discovered that the ruins have been opened!"

Chen Xiaobei's brows were tightly knitted together, and he looked extremely anxious.

Even though there were only about thirty of them, Ji xuanheng alone was an existence that Chen Xiaobei could not defeat!

Chapter 4207: The price of rescue!

4207 The price of rescue!

The situation changed all of a sudden.

The enemy had discovered that the ruins had opened, and Ji xuanheng had barged in with more than thirty people.

At this time, the White thunderwoman should still be fighting with Ji Ningyuan.

If the White thunderwoman did not come in, Chen Xiaobei, Ji Jinzha, and Ji Zhan would all be dead. Even if they used all their trump cards, they would not be able to defeat these enemies.

"Ji Jinlu! You traitor! How dare they collude with outsiders to break into the ancestral ruins! You're simply disgraceful!"

Ji xuanheng roared, his entire body emitting a burning rage.

Of course, he did not attack Chen Xiaobei and Ji Jinlu immediately.

After all, finding the opportunities in the ruins was more important than anything else.

"Everyone, spread out and search for opportunities!"

Ji xuanheng waved his hand, and the thirty-odd people who had followed him in dispersed.

This huge dark space seemed to be boundless, and there was nothing above and below their feet. The thirty people quickly disappeared into the darkness.

“Ji Jinlu! Get over here!”

At the same time, Ji xuanheng shouted and released his Saint Qi, trying to catch Ji jinlian.

Obviously, in Ji xuanheng’s opinion, the Saint Emperor’s jade pendant in Ji Jinlong’s hands was the key to finding an opportunity.

“Jin Lu! He threw the jade pendant away! Hurry up!” Chen Xiaobei reacted quickly and shouted.

“Swish!”

Ji jinlian shuddered and threw the jade pendant into the darkness almost instinctively.

courting death!?

Ji xuanheng was furious, but he was also worried about losing the jade pendant.

He had no choice but to stop his attack and turn to the direction of the jade pendant.

“You guys go back to the Meru space first!”

Chen Xiaobei did not have time to think. He quickly put Ji Jinlu and Ji Zhan into the Meru space.

After all, the enemy was so powerful that they could not be defeated.

“Bro bei? What are you going to do?”

Both Ji Jinlu and Ji Zhan were worried for Chen Xiaobei.

However, there was not enough time for them. Chen Xiaobei did not even have time to say anything before he sent them into the Meru space.

“Swish!”

As expected, Ji xuanheng had already retrieved the jade pendant and was now charging straight at Chen Xiaobei.

“Little bastard! I want you to die!”

Ji xuanheng was a five star Holy King. His strength was far beyond what Chen Xiaobei could handle. Once he got close, Chen Xiaobei would die!

“BOOM!”

However, at this critical moment, a terrifying explosion was heard from the space gate.

A white Thunderbolt that looked like an ancient war Dragon suddenly blasted out and struck towards Ji xuanheng.

That’s right!

It was white thunderlady!

Although she was fighting with Ji ning, she was also paying attention to the situation in the ruins.

When she saw Ji xuanheng and his men rush into the ruins, she knew that Chen Xiaobei might be in danger.

Therefore, she arrived in time and blasted out this terrifying White Lightning.

“Mother of God!”

Ji xuanheng had been charging at Chen Xiaobei with all his might, ready to kill him on the spot.

However, at this moment, facing the attack of the six star Saint King, Bai leonu, he, Ji xuanheng, was so scared that his face turned pale and his scalp went numb. His heart almost stopped beating.

The terrifying White Lightning Dragon was like the Supreme Being of the ancient times. Its aura was majestic and its pressure alone could shake time and space and crush everything!

At that moment, Ji xuanheng and Chen Xiaobei had switched sides.

The situation just now was that Chen Xiaobei could not stop Ji xuanheng no matter what.

In the current situation, Ji xuanheng would not be able to stop white thunderlady no matter what.

“Swish!”

With a flash of lightning, time and space seemed to be torn apart!

Ji xuanheng’s body was split into two as if he had been cut in half at the waist.

Along the wound, the two pieces of the corpse collapsed and turned into a white illusion.

Then, his essence spirit was destroyed without leaving a trace.

A dignified five stars Saint King, the leader of the Ji clan, was destroyed by the White thunderwoman in one strike! There was no suspense!

Strong!

He was extremely strong!

“Are you alright?”

what’s going on? ” the White Lightning Dragon asked Chen Xiaobei.

It turned out that this White Lightning Dragon wasn’t an illusory image, but the true body of the White thunderlady.

The Dragon’s body was like a flawless white jade. Every dragon scale was shining brightly.

At the same time, trillions of White Lightning bolts were released from her dragon body. They jumped violently, distorted, and refracted, like a set of extremely cool Thunder armor.

“I’m fine! He had already obtained the opportunity! We can defeat Ji Ningyuan!”

Chen Xiaobei grinned. He was very excited.

“Boom boom boom ...”

Before Chen Xiaobei could finish his sentence, another explosion came from the portal.

The power of this explosion was no weaker than the White thunderlady's body.

It was obvious that it was Ji Ningyuan's attack.

“Quickly Dodge!”

Chen Xiaobei's pupils constricted in shock.

“BOOM!”

However, Ji Ningyuan was a six star Saint King, the same level as white thunderlady. His attack was definitely faster than Chen Xiaobei's reaction.

Before Chen Xiaobei could finish his sentence, a terrifying Golden Lion had already pounced on the White Lightning Dragon.

“Uh ...”

As the White thunderwoman wailed, the White Lightning Dragon was knocked away by the Golden Lion.
white thunderlady!!!

Chen Xiaobei was shocked and quickly rushed over.

At the same time, Chen Xiaobei's brows were tightly knitted together, and he looked extremely remorseful.

It was clear that the battle between the White thunderwoman and Ji Ningyuan was originally evenly matched.

But just now, in order to save Chen Xiaobei, she had to escape from the battle!

In a battle between experts, even a split second of distraction would bring about painful consequences.

If the White thunderwoman wanted to forcefully break away from the battle, she would definitely have to pay a price.

White thunderwoman had probably been injured when they retreated from the battle.

Ji Ningyuan was naturally in hot pursuit, and once again gave the White thunderwoman a heavy blow from behind.

The huge white Lightning Dragon flew forward for a few thousand meters and could barely stabilize its body.

It was obvious that her injuries had already greatly worsened.

“Pfft ...”

By the time Chen Xiaobei caught up to it, the White Thunder Dragon had already spat out a mouthful of blood. His spirit seemed to be very dispirited.

“Run ... Don’t worry about me ... Run ...”

At the last moment, the White thunderwoman urged Chen Xiaobei to escape, “ you’re a reincarnator of Pangu. You can’t die Here!

Even though she didn’t say it, it was obvious that she couldn’t continue fighting.

So, her only choice was to let Chen Xiaobei escape.

“I’m not leaving!”

Chen Xiaobei was determined, as if he was not afraid of death, and he rushed towards her.

Chapter 4208: Terrifying suction force!

4208 Terrifying suction force!

“Die! You all have to die!”

Ji Ningyuan’s furious voice immediately followed.

Ji ning hovered in the air above the spatial gate. It was obvious that he was going to seal off the path of retreat and not let anyone escape.

At the same time, two huge golden balls of light condensed in his hands.

The ball of light was like a sun, emitting golden flames that looked like dragons and snakes. These flames quickly condensed into a three-headed Golden Lion.

Without a doubt, he was trying to kill them all.

“I’m finished ...”

The White thunderwoman let out a sigh of despair as blood trickled down the corner of her mouth.

Even his physical and mental energy could not support it. The White Lightning Dragon’s body shrank and returned to its human form.

When she returned to her human form, one could see that there were two terrifying wounds on her back.

The first wound was left by her when she tried to save Chen Xiaobei.

As for the second wound, it was caused by the Golden Lion right after she had killed Ji xuanheng.

These two wounds were very serious.

In the deepest part of the wound, white bones and internal organs could be seen.

Of course, the most important thing was that her primordial spirit had also been severely injured, which was the most fatal!

And all of this was to save Chen Xiaobei ...

“Don’t worry! With me here, I won’t let anything happen!”

Chen Xiaobei rushed over and pulled her into his arms.

Whoosh ... Whoosh ... Whoosh ...

Then, Chen Xiaobei started to pour energy into the grade 12 Golden Lotus of merit.

Then, he activated his special ability in an attempt to heal her.

However, the special ability of the grade 12 Golden Lotus of merit was only at the peak of the true sage level.

The White thunderwoman’s body and primordial spirit were both at the level of a six star Saint King.

But Chen Xiaobei did not care about that.

The vast amount of energy was quickly burned out as if it was free.

Chen Xiaobei had to protect her at all costs.

Even if the effect was weak, even if he had to use up all his energy, Chen Xiaobei would not back down.

The reason why she was in this state was to save Chen Xiaobei.

“It’s too late ... Quickly think of a way to escape! Hurry up ...”

She could tell that Chen Xiaobei’s burning of energy was not very effective.

If this continued, it would be a complete waste of energy and precious time to escape.

“Stop talking!”

Chen Xiaobei frowned and said, “Ji Ningyuan is blocking the exit, I can’t get out at all! Now, he could only take a gamble! If I lose, I’ll die with you today!”

bet ... Bet on what!? The White thunderwoman’s brows furrowed, and her face was as pale as a sheet of paper.

“Roar ... Roar ... Roar ...”

At the same time, Ji Ningyuan had already condensed three Golden Lions with the most powerful power.

As the Golden Lion roared, the three Dharma laksanas suddenly pounced over. They were like falling stars with terrifying power.

There was no doubt that in her current state, she could only block one Golden Lion.

The remaining two Golden Lions were more than enough to crush Bai linu and Chen Xiaobei into dust.

“It’s over ... I’m dead this time ...”

The White thunderwoman closed her eyes in despair, her hands gripping tightly onto Chen Xiaobei’s clothes.

Even though she was a six star Holy King, she still claimed to be Chen Xiaobei's aunt.

However, in the face of death, she was just like an ordinary little girl-nervous, afraid, weak and helpless.

Wu ... Hiss!!!

However, at this moment, a terrifying sound suddenly erupted in the dark void!

The loud noise sounded like someone had taken a deep breath!

However, it was hundreds of millions of times louder than the sound of normal breathing!

Moreover, what followed the sound was an unimaginably terrifying suction!

The terrifying degree of this suction force could simply be said to be inconceivable!

Ji Ningyuan's three-headed Golden Lion Dharma form was so close to killing Chen Xiaobei and the White thunderlady.

It was needless to say how fast a six star Saint King was.

However, the suction force in the dark void was countless times faster than the Golden Lion.

In an instant, Chen Xiaobei and Bai leiniu were sucked into the darkness.

However, that did not mean that Chen Xiaobei and Bai leiniu were safe.

That was because the three Golden Lions were also sucked in!

This was simply strange to the extreme!

A normal suction force should only be able to absorb physical objects.

As for the three-headed Golden Lion, it was a body of energy condensed from Saint Qi, but it was also sucked away.

What was even more exaggerated was that the suction force did not stop.

Then, more than 30 of the Ji clan's statues were sucked in from all directions.

Like a vacuum cleaner, the Saint Kings were unable to resist.

"What ... What is going on?"

Seeing this scene, Ji Ningyuan was dumbfounded.

He didn't dare to think too much. He turned around and rushed to the space gate behind him, trying to escape from the scene.

However, never in his wildest dreams would he have thought that he, a dignified six stars Saint King, who was only one step away from the space gate, would actually still be unable to escape the engulfing force of the suction!

"Woof!"

The six star Saint King Ji Ningyuan also couldn't resist at all, and he fell directly into the depths of the darkness.

In an instant, the sky and earth spun, and space distorted.

Even someone as strong as Ji Ningyuan felt like his body was about to fall apart.

Terrifying!

It was extremely terrifying!

After an unknown amount of time, the surrounding space had completely changed.

At a glance, the surroundings were surrounded by iron walls.

Moreover, there was a raging fire burning in all directions.

Chen Xiaobei and Bai leiniu were the first to be sucked in.

When she first came in, she was still very dizzy, but she gradually calmed down.

this ... This can't be the old Lord's alchemy furnace, right ...

The first thing that came to Chen Xiaobei's mind was the pill furnace that Taishang Laojun used to make Monkey King's pills.

"Old Lord? A pill furnace?"

The White thunderlady was confused. She had no idea what Chen Xiaobei was talking about.

"Woof! Buzzzzzz! Whoosh!"

Immediately after, the three Golden Lions were also sucked in.

However, the three Golden Lions had been greatly weakened in the process of the spinning and space distortion.

What was even more unbelievable was that after the three Dharma laksanas entered the impenetrable space, they all burned up and then disappeared as if they had evaporated.

"What ... What's going on?"

Chen Xiaobei and Bai leiniu were both shocked and confused.

[Red Envelope Group of the Three Realms](#)

Chapter 4209: Life and death game!

4209 Life and death game!

At this moment.

The surrounding iron walls were all burned red.

However, Chen Xiaobei and Bai leiniu could not feel the heat.

And that was the strange thing!

This kind of Inferno that wouldn't hurt anyone evaporated the power of a six star Saint King in an instant!

Strange!

It was extremely strange!

Chen Xiaobei and Bai leiniu looked at each other. They had never seen or even heard of such a scene!

"Shua shua ... Shua shua ..."

Soon, Ji Ningyuan and more than thirty Ji clan Saint Kings were also sucked in one after another.

what ... What the hell is this place?!

Ji Ningyuan's brows were tightly furrowed, his face full of shock and suspicion.

Because the suction force just now was too terrifying, Ji Ningyuan didn't dare to act rashly for a while.

It was only when all 30-odd people had gathered around him that he turned his attention to Chen Xiaobei and Bai leiniu.

"Little brat! Is this your doing again?"

Ji Ningyuan stared at Chen Xiaobei.

At the same time, the White thunderlady was also looking at Chen Xiaobei with her beautiful eyes.

She knew that this was not Chen Xiaobei's doing.

This was because Chen Xiaobei had said that if he lost, he would die.

This meant that everything that was happening was not within Chen Xiaobei's control.

Of course, even though white thunderwoman knew about it, she wouldn't say anything.

At this point, she no longer had the ability to fight. Her life and death were in Chen Xiaobei's hands. If he said something wrong, it might ruin Chen Xiaobei's plan.

"Heh, you guessed right! This is the trap I set up in advance!"

At this moment, Ji Ningyuan's side still had the absolute upper hand.

Chen Xiaobei had to rely on his own strength to stabilize the situation.

Obviously, acting was also a part of Chen Xiaobei's strength, and it was one of his many hidden skills.

you ... You set this up?!

Ji Ningyuan was immediately shocked, and his entire person became nervous.

When Chen Xiaobei took the Hong Meng immortal Qi from the Golden Lion cloud piercing tower, Ji Ningyuan had suspected that Chen Xiaobei might have a Holy Emperor-level backer.

And just now, although the level of that terrifying suction force could not be determined, it was definitely far higher than that of a six star Saint King.

The combination of these two things made Ji Ningyuan nervous.

If this was really Chen Xiaobei's plan, and if a divine Emperor really appeared, Ji Ningyuan would not be able to survive even if he had a hundred million lives.

"Cut the crap! Now, I'll give you two choices!"

Chen Xiaobei glared at her, acting as if he had everything under control.

At the same time, Chen Xiaobei's overbearing aura spread out and enveloped the entire area.

After going through more and more life-and-death situations, more and more eye-openers, and more and more upgrades, Chen Xiaobei's state of mind had been growing, even faster than his cultivation!

Therefore, the pressure that Chen Xiaobei was releasing was definitely powerful.

"Hiss ... Hiss ... Hiss ..."

Instantly, a series of gasps could be heard from the crowd.

Including Ji Ningyuan himself, all the Holy Kings of the Ji clan were shocked by Chen Xiaobei's aura.

Even someone as strong as Ji Ningyuan couldn't help but feel his heart palpitate, his scalp going numb, and all the hair on his body standing up. He felt as if an unprecedented and powerful ancient Overlord had appeared in front of him, as if he could destroy everything with a flick of his finger!

The remaining 30 Saint Kings were in an even worse state.

They were so shocked that their pupils shrank, their eyes trembled, their faces were pale, and they were at a loss.

They were like a group of frightened chicks, shrinking their necks, swallowing their saliva, and trembling uncontrollably.

"What ... What choice do you want to give me?"

Of course, the pressure wasn't invincible. After a short period of adjustment, Ji Ning had already recovered.

The surrounding Saint Kings also gradually recovered.

However, as long as he could intimidate them, it would be very beneficial for Chen Xiaobei.

"I'll give you two choices!"

"First, destroy your own cultivation and kneel down to apologize! Second, I'll ask my friend to come out and exterminate you all!"

your ... Your friend?! Ji Ningyuan swallowed his saliva, his eyes full of fear, and said awkwardly, "The suction force just now, was it your friend's doing?"

“That’s right!” Chen Xiaobei was expressionless, but he almost burst out laughing in his heart.

In the past, they would wait for Chen Xiaobei to dig a hole before they jumped in.

Ji Ningyuan, on the other hand, dug his own hole and jumped into it.

Chen Xiaobei had not even told her how powerful his friend was, but Ji Ningyuan had already made the connection.

This was a typical case of being too smart for one’s own good!

It would save Chen Xiaobei the trouble of lying to him!

“Ji Ningyuan! My patience is limited! My friend doesn’t even put you in his eyes! If it wasn’t for the sake of Ji Jinlian, all of you would have been dead bodies by now!”

Chen Xiaobei took the opportunity to continue to exert pressure.

“I ...”

Ji Ningyuan immediately panicked.

He was afraid of death and Chen Xiaobei’s friends.

However, he could not bear to destroy his own cultivation!

To reach the realm of a six star Saint King, he could be said to have gone through countless hardships and endured trillions of years ...

More importantly, if he destroyed his own cultivation, even if Chen Xiaobei did not kill him, he would lose everything he had now!

From a high and mighty ancestor, he had become a good-for-nothing cripple.

Even if he used his toes to think, he knew how miserable his life would be!

This was simply countless times more unbearable than death!

“Whoosh ...”

In the next moment, Ji Ningyuan suddenly released a large amount of Saint origin power.

“Do you want to die?”

Chen Xiaobei’s face did not change, but his heart clenched.

In terms of acting, Chen Xiaobei had not shown any flaws!

Looking at Ji Ningyuan’s posture, he was probably desperate and wanted to gamble with his life!

This was going to be troublesome!

Without a doubt, if Ji Ningyuan were to make a move, Chen Xiaobei would definitely be defeated and killed!

“Little brat! I, Ji Ningyuan, would rather die than destroy my cultivation! Call your friend out! Even if I die, I’m going to drag you and white thunderlady down with me! One for two, I won’t lose out!”

Ji Ningyuan’s expression was already twisted, and he bared his teeth as if he had fallen into madness.

Just as Chen Xiaobei said, Ji Ningyuan was taking a gamble!

In any case, he would rather die than destroy his cultivation.

This life was equivalent to risking it.

If Chen Xiaobei really had a powerful friend, then Ji Ningyuan would admit defeat!

However, if Chen Xiaobei was just acting, then Ji Ningyuan had made the right bet!

He had to admit that Ji Ningyuan was not only smart, but he was also bold enough at the critical moment!

The courage to gamble with his life was no less than Chen Xiaobei’s.

It could be said that Ji Ningyuan was an excellent enemy in all aspects!

Chen Xiaobei’s plan was about to fail!

However, in the next second, there was a turn of events!

Chapter 4210: So depressed that I want to die!

4210 So depressed that I want to die!

“Whoosh ...”

Just as Ji Ningyuan was about to bet his life on Chen Xiaobei ...

However, the special flames in this space had an effect.

This kind of harmless flame directly rose up and covered Ji Ningyuan’s Saint Qi.

Then, Ji Ningyuan’s Saint origin power began to burn, and it evaporated at an extremely fast speed, leaving nothing behind.

how ... How is this possible?!

Seeing this scene, Ji Ningyuan and the other Saint Kings of the Ji clan were all stunned.

Just a second ago, Ji Ningyuan had decided to gamble with his life to see if Chen Xiaobei had a Holy Emperor-level backing!

The evaporated Saint Qi convinced Ji Ningyuan that this was Chen Xiaobei’s trap. There was a powerful being protecting Chen Xiaobei from behind the scenes!

At the same time, the thirty Saint Kings around them were completely terrified.

“Old ancestor, admit defeat! You’re a dignified six star Saint King, and your Saint Origin Energy has completely evaporated! The enemy’s terror has already exceeded my imagination!”

“Old ancestor ... This enemy can not be defeated ... There is still a chance of survival if you admit defeat! Otherwise, you’ll definitely die ...”

“Old ancestor ... Please take pity on us descendants! As long as you admit defeat, we can live!”

Obviously, the Saint Qi that had evaporated into thin air was something that no one had ever seen or heard of.

Based on their current knowledge, they could no longer explain this phenomenon.

The only possibility was that Chen Xiaobei’s friend was indeed a level that was way above a Holy King.

In such a situation, they definitely didn’t have the slightest chance of winning.

None of these people wanted to die, so they all tried to persuade Ji Ningyuan to surrender.

Pfft ...

Chen Xiaobei almost burst out laughing.

He had thought that his plan would fail.

He didn’t expect that by chance, he would be able to take advantage of the terrain, and with Ji Ningyuan’s thirty pig teammates, the situation would be instantly reversed.

Now that things had developed to this point, Ji Ningyuan’s fighting spirit, which was already very low, had been reduced even more.

Because he believed that he could never win.

However, he did not seem to have any intention of surrendering.

He took a step forward, looked at Chen Xiaobei and said, ” “Kid, I, Ji Ningyuan, would rather die than be a cripple! Kill me, then let go of my descendants!”

Obviously, Ji Ningyuan was a formidable character in his life, and he was absolutely unwilling to turn from a high and mighty ancestor into a cripple that everyone could bully.

At this moment, he would rather die than destroy his own cultivation.

He wanted to protect his last bit of dignity.

Even in death, he was still the ancestor of the Ji clan!

“.....”

Chen Xiaobei was speechless.

He didn’t have the ability to kill Ji Ningyuan, nor did he have any friends behind the scenes.

At this moment, Ji ning was unwilling to destroy his own cultivation, so this matter was completely unsolvable.

Chen Xiaobei could not do anything to him.

“How about this!”

However, right at this moment, the White thunderwoman spoke, “ Ji Ningyuan, I have a way to keep you alive without crippling your cultivation! It all depends on whether you’re willing to accept it!”

This smart woman seemed to have noticed Chen Xiaobei’s difficulties and decided to help him.

what method?! Ji Ningyuan immediately asked.

Obviously, Ji Ningyuan was also a human, and he was also afraid of death.

The reason why he would rather die than cripple his cultivation was also to preserve his dignity as a human.

At this moment, the White thunderwoman had a way to preserve his dignity and his life.

He had no reason not to be tempted!

“I have a White Lightning God slaying talisman! As long as you let me seal this talisman into your primordial spirit, you won’t die and your cultivation won’t be crippled!”

White thunderlady waved her hand and a lightning talisman appeared.

White Lightning God-killer!?

Ji Ningyuan’s expression became very unsightly, and he said awkwardly, “ I remember that once this talisman seals an essence soul, you can kill it with a thought ...”

“That’s right!”

“As long as I can control the life and death of your primordial spirit, you will no longer be a threat to us!” Only in this way can you preserve your cultivation and your life!”

Chen Xiaobei’s eyes lit up and he gave her ten thousand likes in his heart.

The White thunderwoman’s white Lightning God-slaying talisman was actually equivalent to Saint-King-level dog food.

Controlling the other party’s primordial spirit was equivalent to controlling the other party’s life and death.

It was equivalent to subduing a loyal dog that had to listen to him.

Once Ji Ningyuan became his loyal dog, not only would he be able to solve the current predicament, he would also be able to give Chen Xiaobei the help of a six star Holy King!

A six star Saint King!

What kind of concept was this?

Chen Xiaobei’s current enemies, the xuanyong clan and the Tianyuan clan, multiplied by 100 million, were still not a match for a six star Holy King!

Chen Xiaobei was so excited! Even in his dreams, he hoped that Ji Ningyuan would agree!

“O-okay ...”

After a short period of thinking, Ji Ningyuan finally agreed.

He was a very smart and calm person.

In his opinion, if he didn't listen to white thunderlady, he would die!

After listening to the White thunderwoman's words, he only needed to temporarily submit, and there would always be other variables in the future!

As long as the White thunderwoman died, he, Ji Ningyuan, would still be able to regain his freedom!

Therefore, after a comprehensive analysis, he decided to follow white thunderlady's plan.

“At least you know what's good for you!”

The White thunderwoman wanted to stand up but found that the bones in her back were severely injured. She could not stand up at all and could only lean against Chen Xiaobei's arms.

I'll do it ... Chen Xiaobei said as he hugged her.

mm ... the White thunderlady nodded. Her face was red and she did not dare to look at Chen Xiaobei.

“Whoosh ...”

Chen Xiaobei took the White Lightning divine talisman from her and activated it with his spirituality.

“Swish ...”

In the blink of an eye, a tiny white lightning bolt directly drilled into Ji Ningyuan's primordial spirit at a speed that was difficult to be seen by the naked eye.

The special flame in this space seemed to only be effective against Saint Origin Energy. It didn't burn and evaporate the lightning that originated from the talisman.

“Whoosh ...”

In the next moment, the White Lightning God-slaying talisman wrapped around Ji Ningyuan's primordial spirit like a golden hoop.

And this talisman was cast by Chen Xiaobei!

So, the person controlling Ji Ningyuan was Chen Xiaobei!

With just a thought from Chen Xiaobei, Ji Ningyuan's primordial spirit would be destroyed and he would die!

“Done!”

Chen Xiaobei grinned.

The surrounding Saint Kings all heaved a sigh of relief. They were finally safe.

However, in the next second, a laugh came from the depths of the space.

“Hahaha ... What a cunning little thing! I’ve ruled the heavenly sanctuary for billions of years, but this is the first time I’ve seen a liar like you!”

In an instant, everyone’s expression changed.

Ji Ningyuan’s face turned green, and his expression was extremely distorted. It was as if he had eaten a cart full of poop, and he was so depressed that he wanted to die!
