Chapter 4211: There's a good discussion!

4211 There's a good discussion!

"Liar!"

That man's laughter was like a bolt of lightning, striking Ji Ning's head and making it buzz. He even wanted to die.

The reason why Ji Ningyuan's primordial spirit was controlled by Chen Xiaobei was because he was afraid of Chen Xiaobei's backer.

And now, the elite in the depths of the dimension had personally said that Chen Xiaobei was lying!

This meant that Chen Xiaobei did not have any backing.

He, Ji Ningyuan, had been completely deceived!

He was a six star Saint King! The Ji clan's ancestor! She had been tricked into giving her life to Chen Xiaobei!

It was simply stupid to the extreme! It was extremely laughable!

"You little brat! You ... You deserve to die!"

Ji Ningyuan tightly clutched his chest. He almost couldn't suppress the urge to vomit blood.

"Who are you calling a brat? Do you want to die?"

Chen Xiaobei's eyes were filled with killing intent.

"I ..."

"I ... I was wrong ... I won't dare to do it again ..." Ji Ningyuan was terrified.

After all, it was because he was afraid of death that he let Chen Xiaobei control his primordial spirit. Now, in order to live well, he could only be Chen Xiaobei's Lackey.

Chen Xiaobei ignored him and looked down at the woman in his arms, "Do you have any extra white Lightning God-slaying talismans? I want to control the rest of the Ji clan Saint Kings!"

you're so mean ... white thunderlady smiled slyly.

She had already seen through Chen Xiaobei's trick but did not expect him to control all the Holy Kings.

He had just deceived the old one, and now he wanted to wipe out the young one.

How ruthless!

I still have three sets of White Lightning God-slaying talismans ... You can have them all ... the White thunderlady said as she handed the three white thunderballs to Chen Xiaobei.

three is not enough ... There are more than 30 people ... Chen Xiaobei frowned.

“Do you think white Lightning God-slaying talismans are cabbages?” “It took me thousands of years and a huge amount of resources to finally make these talismans” The White thunderwoman grumbled.

“Uh ...”

Chen Xiaobei calculated and said, “This White Lightning God-slaying talisman is so precious, I think we should use it sparingly! You’ve killed all the powerful Saint Kings of the Ji clan, and the remaining one-star and two-star Saint Kings are not worthy of me wasting the White Lightning God-slaying talisman!”

As soon as he said that, the thirty-odd Saint Kings in the distance all looked as humble as dogs.

Being looked down upon by Chen Xiaobei, a mere five-star true Saint, they were naturally unhappy. However, in front of the White thunderlady, they were like a bunch of ants. They did not dare to act rashly.

Furthermore, their old ancestor had already become Chen Xiaobei’s dog. How could they dare to resist?

At this moment, even if Chen Xiaobei said that they were a pile of poop, they would have to nod and admit it!

“Little brat! Come over here! Come over and talk to this old man!”

At this time, the deep and slow voice came from the depths of the space again.

Just by listening to this voice, one could basically judge that it was an old man with one foot in the grave. He was either in poor health or at the end of his life.

However, Chen Xiaobei did not dare to be careless.

That was because, if he was not mistaken, the terrifying suction force that had sucked everyone away and the surrounding flames that were burning their Saint Qi were all related to the old man!

Even if one used one’s toes to think, one would know that this old man was definitely an extremely terrifying existence.

More importantly! Chen Xiaobei had another theory when he fought Ji Jinliang!

That was, after the ancestors of the five major Alliance clans besieged Ji Junyao, none of them died. However, they never left this place.

In other words, the ancestors of the five major Alliance clans might have all died at the hands of the old man in the depths of space.

“Senior, please wait! My friend is seriously injured, I have to help her heal first!”

Chen Xiaobei made an excuse.

Try to buy as much time as possible and see if he can think of a way to break out of this situation.

“Whoosh ...”

While he was thinking, Chen Xiaobei did not forget to burn his energy and activate the grade 12 Golden Lotus of merit's special ability to heal the White thunderwoman's injuries.

"Little brat! You have quite a lot of energy in your hands!" The old man in the depths of the space was very curious.

yes ... I obtained a three star Saint King's energy by chance! Chen Xiaobei answered honestly.

The old man in the depths of the dimension was obviously very powerful. Chen Xiaobei tried his best to speak the truth in order to gain his trust and not to provoke his patience.

"If you give this energy to this old man, this old man will help your friend heal. What do you think?" The old man in the depths of the space said.

"R-really?" Chen Xiaobei could not believe it.

"Heh, this little fellow is really insensible!" The old man in the depths of the space said indifferently, "If this old man wants to kill you, it'll be as easy as crushing a group of ants! Is there a need to lie?"

Chen Xiaobei and the others tensed up as if they had been struck by lightning.

Everyone had witnessed the old man's strength.

In addition, the ancestors of the five major Alliance clans might all die at his hands.

It was clear that he definitely had the power to kill everyone. His power might even reach the level of a Saint Emperor!

Just the thought of it was creepy and numbing.

"What the old senior said makes sense!"

Chen Xiaobei paused and tried to change the topic, " however, old senior, you are so powerful that you could've taken everything from me directly. Why did you discuss it with me? "

"Because I'm bored!"

The old man in the depths of the space said,"I've been sealed here for countless trillions of years!" The last time five people came in was a trillion years ago!"

"You're an interesting little fellow. I don't want to become your enemy, so I'm discussing this with you! In the future, I'll have you to talk and laugh with me. It'll be more interesting for the rest of my life!"

Chen Xiaobei immediately asked, "The five people who came in last time, have they also become friends with you, old senior?"

"Yup!"

"The five of them are not bad," the elder in the depths of the space said indifferently,"but it's a pity that when they entered, their primordial spirits were already severely injured!"

"They probably overused their mental energy. This old man can't treat this kind of injury, so within a thousand years, they all died."

“Trillions of years after the five of them died, no one else came! Today, you are the second group of people this old man has seen!”

this ... Chen Xiaobei was shocked.

Assuming the elder in the depths of the dimension was not lying, this meant that even the Saint Emperor progenitors of the five major clans could not leave this strange dimension!

Would Chen Xiaobei and the others not be trapped here?

“Little guy, you really want to go out, don’t you?” The old man in the depths of the dimension seemed to be able to read Chen Xiaobei’s mind and said, “As long as you give me enough energy, I have a way to get you out!”

“Is ... Is this true?” Chen Xiaobei could not believe it.

[Red Envelope Group of the Three Realms](#)

Chapter 4212: A terrifying physical body!

4212 A terrifying physical body!

Obviously, Chen Xiaobei did not have a hundred percent trust in this special old man.

After all, if he really had a way to leave, why would he still stay here?

However, the old man’s words were not completely untrustworthy.

This was because Chen Xiaobei had already analyzed that the progenitors of the five major Alliance clans, even with the help of the five-direction extermination formation, were no match for Ji Junyao.

Therefore, according to the old man, it was possible that the ancestors of the five major Alliance clans had overdrawn their psyche power to unleash a power that was strong enough to kill Ji Junyao.

The old man’s words might be half-true, but Chen Xiaobei did not believe them completely.

“Of course it’s true!”

The old man said in a deep voice, “I have cultivated the” ultimate form of the Holy abyss “to the point of perfection!” Just a little more and he would be able to break through the mortal gates and break free of all restraints! I have no need to lie to you!”

The old man’s tone was somewhat dissatisfied, and it seemed that he was not very patient.

In order to calm him down, Chen Xiaobei compromised and said, “Alright, I’m willing to believe in you, senior!”

After all, the old man had the upper hand. Besides, Chen Xiaobei and the rest would not be able to get out of this place!

So, even if the old man’s words were half-truth, Chen Xiaobei had no choice but to give it a try.

There might be a chance of survival if he tried, but if he didn’t, he would die.

In other words, Chen Xiaobei had no other choice!

“Don’t be in a hurry to release your Saint Qi, come closer to this old master!” this sealed space has a Supreme origin burning sacred flame, ” the elder said. once your Saint Origin Energy is exposed, it will be completely burned and wasted in the end!

A sealed space?

The Supreme origin burning sacred flame?

The old man’s words revealed two more important pieces of information.

From this, it could be seen that the old man was also trapped here. It was indeed not an easy thing to get out!

“Good! Senior, please wait!” Chen Xiaobei agreed.

The White thunderlady tugged at Chen Xiaobei’s sleeve and shook her head.

The White thunderlady did not believe the old man and did not want Chen Xiaobei to get close to her.

“I said it before, I’m going to take a gamble! There’s no turning back!”

Ji Ningyuan and the other Saint Kings stayed where they were, not daring to get close.

Ji Ningyuan was cursing Chen Xiaobei in his heart. He wanted Chen Xiaobei to die. As long as Chen Xiaobei died, Ji Ningyuan would be free!

In the depths of the space.

The surrounding iron walls had been burned red by the fire, as if molten iron would drip down at any time.

However, the strange thing was that Chen Xiaobei and the White Thunder lady were not hurt in this environment.

It was clear that this special flame would not hurt anyone, but would burn up all Saint Origin Energy.

At this moment, the flames were becoming more and more intense. It could be imagined that even if a trace of Saint Qi leaked out, it would be immediately burned to ashes, unlike the entrance, where Saint Qi was released for a moment before being burned.

It was not difficult to guess that this special flame was one of the main reasons why the old man was trapped.

This caused the old man to be unable to use his Saint Origin Energy, so no matter how strong he was, it was meaningless.

Finally, in the deepest part of the space, the old man’s true appearance was revealed!

It was a skinny, hunchbacked, bald old man.

The most peculiar thing about him was the pair of white-feathered eagle wings on his back.

However, this pair of wings had been severely burned by the fire and was already very damaged. In the severely burned areas, one could even faintly see the burnt bones.

These burns were not left here!

One could imagine that the old man must have experienced a terrifying battle before he was sealed here. His wings and even his entire body were severely burned before he was sealed here.

However, it was strange that the old man's wings were severely burned, but the injuries on his body had completely recovered.

He could only faintly see that the burnt skin had slightly hidden its color after it recovered.

This might be related to the "ultimate Holy abyss" that the old man cultivated.

This should be a body refining technique.

After all, in this space where Saint Origin Energy could not be used, the only thing the old man could rely on was his body.

Of course, the person who had sealed him had probably thought of this long ago.

Other than the Supreme incinerating vital spirit Fire around him, the old man's body was also bound by dozens of chains, tightly binding his limbs and neck.

A large number of chains intertwined together, like an inescapable net, enveloping the old man in the middle.

He didn't even need to think to know that the material of these chains must be extremely hard. Therefore, even if the elder's body was abnormally strong, he couldn't break free.

"Little brat! Follow my instructions and give me all your Saint Qi! As long as I succeed in my sacred body, I'll definitely take you out of here!"

The old man looked at Chen Xiaobei, his voice full of excitement.

It was not hard to tell that the old man really wanted to leave this place, and Chen Xiaobei was his biggest hope.

"Old senior, please speak!" Chen Xiaobei said.

put all your Saint Origin Energy and Saint origin Mystic crystals into a Sumeru space," the old man said. then, leave the space behind. You can hide in the side!

okay ... Chen Xiaobei was a little confused but he still did as she said.

After all, the old man really wanted to get out of here. If he could get out, Chen Xiaobei would have the chance to do so.

After that, Chen Xiaobei put the remaining energy and all the Saint Qi Mystic crystals into an enemy's inventory.

After that, Chen Xiaobei and Bai leiniu stepped aside.

"Hiss!"

Then, the old man took a deep breath.

His powerful physique allowed his lungs to contain an extremely powerful force.

Suddenly, a strong suction force sucked in the storage space that Chen Xiaobei had left behind.

Chen Xiaobei and Bai leiniu were shocked by what they saw.

The two of them recalled the huge suction force at the same time!

That terrifying suction force that even Ji Ningyuan couldn't resist was actually completely released by the power of the old man's lungs!

Just by taking a breath, it could make a six star Saint King unable to resist!

This old man's physical body was simply unimaginable to the extreme!

It was terrifying!

"Whoosh!"

The next moment, the storage space was directly sucked into the old man's mouth.

Then, the old man opened the storage space in his mouth.

The huge amount of energy was directly absorbed into his sea of Qi dantian.

Hundreds of millions of Saint origin Mystic crystals were chewed up and swallowed like jelly beans.

To Chen Xiaobei, these energy and Mystic crystals were a huge fortune.

However, in less than ten seconds, it was completely devoured by the old man. It didn't even feel like it was enough to fill the gaps between his teeth.

"Whoosh ..."

Immediately after, the old man began to circulate his body-tempering cultivation technique.

Not long after, Chen Xiaobei and Bai leiniu witnessed a miracle!

[Red Envelope Group of the Three Realms](#)

Chapter 4213: The old man's concession!

4213 The old man's concession!

The old man's burnt wings began to recover at a speed visible to the naked eye.

One had to know that the stronger the body, the more difficult it was to recover from injuries.

The White thunderwoman was like this. With her six star Saint King level body, if she didn't have any medicine or special ability of the same level, it was almost impossible for her to recover quickly.

This old man's soul might have already reached the level of a Saint Emperor.

Even if he used Saint Emperor-level medicine and abilities, he might not be able to recover in a few seconds.

Not to mention, the old man had only used a portion of energy that was close to the level of a three star Saint King. It was still far from the level of a Saint Emperor.

From this, it could be seen that the "ultimate form of the Holy abyss" that the old man cultivated was definitely a super terrifying body-tempering technique!

The level of this body refining technique was definitely beyond the level of a Saint Emperor, and it was far from just one star. It was probably at the level of a mid-stage Saint King!

It was because of this that the old man's injuries could recover at an extremely fast speed with minimal energy consumption.

Of course, the old man's wings were severely burned.

At this moment, he had probably recovered less than one-tenth of his injuries.

In other words, if he wanted to completely recover from his injuries, he would need at least ten portions of three star Saint King level energy.

"Old senior ... Can you treat my friend now?" Chen Xiaobei asked.

Chen Xiaobei could tell that the old man's injuries had not fully recovered. There was no way he could break free from the seal. So, Chen Xiaobei only asked the old man if he could cure white thunderlady.

"Of course you can!"

"I'll now explain the" ultimate form of the Holy abyss "to your friend. If she can learn it, her injuries will naturally heal!" The old man said calmly. Of course, if she can't learn it, then don't blame me!"

"What?" Both Chen Xiaobei and Bai leiniu frowned.

He didn't dare to trust this old man 100%.

It seemed that this old man was not a good person. He had said that if Chen Xiaobei handed over the energy, he would cure Bai legnu.

But in the end, he was so cunning and despicable.

One had to know that the ultimate form of the Holy abyss had reached the level of a middle-stage Saint King. Even if Bai leinu was given millions of years, she might not be able to learn it, let alone recite it once.

This old man was obviously trying to cheat Chen Xiaobei of his energy.

The reason why he wanted to cheat was clearly because of the Supreme essence burning fire's existence, so he couldn't use force.

If he was forced into a corner, Chen Xiaobei could put all the energy into the medium and let it be burned by the Supreme incinerating vital spirit Fire.

That was why the old man tried to persuade Chen Xiaobei to make a deal with him.

"You're detestable!"

The White thunderwoman was a woman after all, and she gritted her teeth in anger.

She knew that Chen Xiaobei's cultivation was not high. To him, the energy was a huge fortune. It was a huge amount of effort that Chen Xiaobei had put in to save it.

Having been tricked away by the old man just like that, white thunderlady was furious.

More importantly, Chen Xiaobei was tricked because he wanted to help her heal.

This made white thunderlady even more furious!

If not for her injuries, she would have fought for Chen Xiaobei even if she could not defeat the old man.

"I'm fine, I'm fine ..."

Chen Xiaobei quickly comforted the agitated white thunderlady and said, "This old senior is an expert, he wouldn't lie to us!"

"Ah?" The White thunderlady was taken aback, "have you lost your mind?" Wasn't this lying? Then there would be no more swindlers in the world!"

"The old senior only said that he would help you heal, he didn't say how!" If he passed on the cultivation technique, it would be equivalent to fulfilling his promise. If we can't learn it, then we can only blame ourselves!"

this ... white thunderlady was dumbfounded.

He could not understand why Chen Xiaobei would help the old man.

In her eyes, Chen Xiaobei was smart, quick-witted, and decisive. He would not show mercy when it was time to be ruthless. He was a typical hero.

However, why did a formidable person like him have to swallow his anger when he was clearly being deceived? You still want to speak up for a scammer?

For a moment, she could not help but feel disappointed in Chen Xiaobei.

"Hahaha ... At least you know what's good for you!"

The old man laughed hideously, "to tell you the truth, I just need to take a deep breath, and the two of you will become my meals!" However, since you're so good at making this old man happy, this old man will spare your lives for the time being!"

"Old senior, don't be in such a hurry!" "You haven't fulfilled your promise yet!" Chen Xiaobei said.

"What?" The old man frowned and said unhappily, "are you crazy?" Even if I were to reveal the "ultimate Holy abyss" mantra, your friend would never be able to learn it! It's a waste of time and effort!"

"What if I learn it?" Chen Xiaobei asked.

this is impossible! Absolutely impossible! The old man didn't even think about it and directly rejected it.

"That's right ... How is that possible?" Even white thunderlady couldn't believe it.

After all, it was an intermediate Saint Emperor cultivation method. Anyone below Saint Emperor would find it extremely difficult to learn.

Even if he recited it thousands of times, he still wouldn't be able to learn it, let alone just once.

"How about this!"

I'm sorry! Chen Xiaobei raised his eyebrows. Old senior, just recite the incantation once. If I can't master it, I'll order Ji Ningyuan to take all the Saint Qi and Saint Qi Mystic crystals from everyone outside!

When the old man heard that, he said disdainfully, "heh! The energy in their hands, this old man will naturally get it. I don't need you to order me!"

"Is that so?"

Chen Xiaobei shouted, "Ji Ningyuan! If I don't do anything in ten minutes, take out all your Saint Origin Energy and Saint origin Mystic crystals and destroy them! Otherwise, I'll take your life immediately!"

Yes, sir ... Ji Ningyuan immediately replied.

He did not want to die, so he could only listen to Chen Xiaobei.

this ... the old man was stunned, and his brows furrowed. He also shouted, "Ji Ningyuan! As long as you give me all your Saint Origin Energy and Saint origin Mystic crystals, I can help you kill this brat! I'll return your freedom!"

"You want to kill me?" "You can't use your Saint Qi now!" Chen Xiaobei laughed. Let's see if you kill me first, or if I kill Ji Ningyuan first!"

"Don't!"

In the distance, Ji Ningyuan panicked on the spot. "Old senior! Please don't do anything to young master Chen, otherwise, he will definitely kill me! If I can't live, I won't let you get any energy!"

Ji Ningyuan had become Chen Xiaobei's loyal dog in order to survive.

This result almost made him die of anger.

If he had to die like this, he would definitely not be able to accept it. He would definitely make everyone unhappy before he died!

All of a sudden, the scene formed a three-legged tripod.

If the old man killed Chen Xiaobei, Chen Xiaobei would kill Ji Ningyuan, and Ji Ningyuan would expose all the energy in his body.

"Good! Very good!"

In the end, the old man stepped back, stared at Chen Xiaobei and said coldly, "According to what you said, I will recite the mental technique of the ultimate Holy abyss "! If you can't learn it, then make Ji Ningyuan hand over all his energy!"

Red Envelope Group of the Three Realms

Chapter 4214: -wait and see!

“Good! Deal!”

I’ll destroy all the energy! Chen Xiaobei said. but, if there’s any mistake in the mantra you mentioned, I’ll still destroy all the energy!

The old man was simply disdainful to the extreme, “Hmph!” Even if I die, I won’t believe that you can learn it on the first try! There’s no need to fake it!”

Indeed, it wasn’t just the old man who didn’t believe it. Even the White thunderwoman didn’t believe it, let alone Ji Ningyuan and the others.

Everyone was certain that Chen Xiaobei would not be able to learn it in one go.

From the old man’s point of view, even if he told Chen Xiaobei the real incantation, Chen Xiaobei would not be able to learn it. So, there was no need to lie.

Moreover, everyone was sealed here, and it was impossible for them to leave.

Therefore, as long as the old man obtained all the energy, he could kill everyone. He didn’t have to worry about the mental cultivation method of the “ultimate Holy abyss” being leaked!

Because of this, the old man was disdainful and too lazy to fake it!

“Listen well! This old man will only say it once!”

Following that, the old man started to recite the Heart Sutra.

In the beginning, everyone was listening carefully.

A mid Saint Emperor super body refinement technique was extremely attractive to everyone present.

However, it didn’t take long for everyone to realize that they had thought too much.

First, it was the thirty-odd Saint Kings of the Ji clan. It was like they were listening to a heavenly book. They were so confused that they couldn’t even understand the first sentence of the chant.

Then, Ji Ningyuan also gave up. Although he could understand some of the content, he still couldn’t understand most of it.

In this kind of half-understanding situation, he didn’t dare to cultivate rashly.

If there was a problem, the lightest consequence would be Qi deviation, and the heaviest consequence would be exploding and dying. It was not a joke.

Then, after a while, white thunderwoman gave up as well.

Her talent was much higher than Ji ning’s.

However, even so, her understanding of the “ultimate Holy abyss” was still far from reaching the standard for cultivation.

It could only be said that she had a deeper understanding than Ji Ningyuan, but she couldn't learn it at all.

At the same time.

Chen Xiaobei's face was expressionless, as if he was in a daze.

Everyone thought that Chen Xiaobei was the first one to give up. They were confused and started to stare blankly.

But in fact, Chen Xiaobei was doing this on purpose to numb the old man.

Only by pretending that he couldn't learn it on the surface would the old man reveal the true heart Sutra.

If Chen Xiaobei showed that he could learn it, the cunning old ghost would definitely change his mind and tell him a fake Heart Sutra.

Just like that, Chen Xiaobei pretended to be dumb, but in his heart, he was trying to digest the essence of the ultimate form of the Holy abyss!

Unlike the others, Chen Xiaobei had the scholar heart!

Although the scholar heart originated from the scholar heart pill, which was at the celestial immortal level.

However, the effect of this pill was to amplify a person's learning ability to the extreme.

In other words, the learning ability of the scholar heart was not limited to the divine fairy level, but was related to the person who had the scholar heart.

Chen Xiaobei's talent was extraordinary, and he had been recognized as the number one genius countless times.

More importantly, Chen Xiaobei had grown up on earth and experienced countless life and death situations!

A scheme! Break the situation! Negotiation! Reasoning! A game! A business deal!

These things that seemed to have nothing to do with studying were slowly improving Chen Xiaobei's mind! Comprehension! Vision! The structure! And their way of thinking!

All of these improvements meant that Chen Xiaobei's learning ability had reached a level that was far beyond that of ordinary people.

The effect of the scholar heart was to maximize one's learning ability.

In other words, the stronger a person's learning ability, the better the effect of asking for the saint's heart! When Chen Xiaobei had the learning ability of a Saint King, he could be asked to increase his learning ability to the level of a Saint Emperor!

Because of this, even if the pill was only a divine-level pill, after Chen Xiaobei's learning ability was enhanced by the scholar heart, it would far surpass the divine-level pill.

“Alright! I’m done!”

The old man with Broken Wings pouted and said impatiently, “Who among you learned it? He could directly come out and use the heart technique! If even one of you can learn it, this old man will no longer make things difficult for you!”

Everyone shook their heads helplessly.

From the White Lightning lady Ji Ningyuan to the low level Saint Kings, they were all willing but unable to do anything. He wanted to learn it even in his dreams, but his strength didn’t allow him to.

“Heh, I’ve already said that telling you the mental cultivation method is a complete waste of energy and strength! With ants like you, it’s impossible for you to learn the high-tier body-tempering techniques of the heavenly sanctuary!”

The old man with Broken Wings glanced at the crowd in disdain, as if he was looking at a group of weak and incompetent ants.

“Alright! According to the bet, that Chen kid can’t threaten Ji Ningyuan anymore!” “Ji Ningyuan, gather everyone’s storage space and send it to me!” The old man with Broken Wings ordered.

this ... Ji Ningyuan hesitated, but when he saw that Chen Xiaobei did not respond, he had no choice but to agree.”As you command! I’ll send it over to the old senior now!”

After saying that, Ji Ningyuan gathered all the interspatial spaces of the Ji clan’s Saint Kings into his own interspatial space.

Then, Ji Ningyuan took his storage space and walked to the old man.

alright, put the storage space where it is, and then, step aside! Old man remnant wing ordered.

yes ... Ji Ningyuan didn’t dare to refuse.

“Wait a moment!”

Suddenly, Chen Xiaobei, who had been playing dumb, raised his hand and snatched Ji Ningyuan’s inventory.

“You little brat! Do you want to go back on your word?”

you’re the one who set the bet! You’ve already lost! If you don’t hand over what I want, all of you will die!!! the old man with Broken Wings was enraged.

“Don’t rush!”

I’m a man of my word! If I lose, I’ll give you this storage space! Chen Xiaobei said.

“Then why aren’t you bringing it over?” “You’ve lost this bet without a doubt!” The old man with Broken Wings said impatiently.

“Who said I lost?” Chen Xiaobei shrugged and smiled. I’ve already thoroughly comprehended the mental technique of the “ultimate form of the Holy abyss “. I can now use it in front of you!

“What?”

Everyone was shocked.

However, after a brief moment of shock, everyone showed absolute distrust.

“You little brat! Do you think I’m an idiot?” “Back then, it took me 30000 years to master the ‘ultimate form of the Holy abyss!’” Old man remnant wing shouted angrily. Just you? You won’t be able to learn it even if you take 300 million years!”

At the same time, Ji Ningyuan and the others secretly looked at Chen Xiaobei with disdain.

If this kid can learn it, we’ll chop off our heads and use them as urinals!

hehe! Chen Xiaobei chuckled. whether I’ve learned it or not, why don’t you just open your eyes wide and see? “

[Red Envelope Group of the Three Realms](#)

Chapter 4215: A strong threat!

4215 A strong threat!

“Whoosh ...”

Chen Xiaobei did not waste any more time. He started to use the ultimate form of the Holy abyss in front of everyone!

At the same time, Chen Xiaobei took out the Saint devouring axe and absorbed a peak true divine energy from it.

As he activated the heart technique, the huge amount of energy was quickly consumed.

At the same time, Chen Xiaobei’s physical strength began to increase.

The most obvious change was that his spiritual power and physical strength were recovering at an extremely fast speed! The effect was even better than the special ability of the twelfth grade Golden Lotus of merit!

Then, a series of strange, twisted patterns began to appear on Chen Xiaobei’s skin.

When these strange patterns connected, they formed the pattern of dragon scales.

The Dragon scales glowed with a special radiance that was a mixture of purple gold and blood. It was extremely dazzling.

At the same time, Chen Xiaobei could clearly feel that his physical defense had increased by at least one small realm.

Terrifying!

The body-tempering effect of the ultimate form of the Holy abyss was so terrifying that it made one’s scalp go numb!

Using the same amount of peak true Saint energy, the grade 12 Golden Lotus of merit could only heal injuries and mental energy.

However, the ultimate form of the Holy abyss could heal his injuries, physical strength, and mental power. Most importantly, it could increase his physical defense by one small realm.

That's right!

This was the power of a Saint Emperor level body refinement technique!

It was unreasonably strong!

It was simply a cheat-like existence!

how ... How is this possible?!

Old man remnant wing was dumbfounded. the profound meaning of the Holy abyss, strengthening of the bloodline ... You ... You really learned the mental technique of the ultimate form of the Holy abyss???"

His words were like a clap of thunder, causing a huge impact on everyone's heart.

my God ... Young master Chen actually learned it ... This ... This can't be a dream, right?" Ji Ningyuan and the other Saint Kings were all scared out of their wits. They couldn't stop trembling, and even their world views were completely shattered.

"So ... So powerful ... This talent is simply terrifying to the extreme!" The White thunderwoman's face turned pale as if she had just received a huge shock."I've never seen such a terrifying talent in my life ..."

Chen Xiaobei stopped his cultivation and looked at old man broken wing with interest.

"How is it? Who's the winner of our bet?" Chen Xiaobei grinned.

this ... the old man with Broken Wings 'face turned green.

Just a moment ago, he was full of disdain and looked down on Chen Xiaobei, thinking that he had already won!

At this moment, not only did he lose without any temper, it was as if he had been slapped by an invisible hand, his face was swollen!

That was depressing!

my dear nephew ... the White thunderlady looked at Chen Xiaobei curiously and asked, " "Why did you have dragon scales on your body just now? Could it be that you are also a descendant of the Dragon race?"

The White thunderlady was a White Lightning Jade Dragon. So, when she saw the Dragon scales on Chen Xiaobei's body, she felt a sense of familiarity and curiosity.

I'm not a descendant of the Dragon race. I've only fused with the bloodline of the witch Dragon. You can call me the descendant of the Dragon! Chen Xiaobei chuckled and realized that something was not right. "Don't call me nephew! It's too uncouth!"

“Soil?” “In terms of seniority, you should call me aunt!” The White thunderwoman was confused and insisted.

“You can call me Xiao bei, but I won’t call you Auntie!” Chen Xiaobei shrugged.

The White thunderwoman frowned slightly, but she didn’t insist. She asked, “ then, why did the Dragon scales appear on your body when you were cultivating the ultimate form of the Holy abyss? ”

the old senior has already said that the profound meaning of the Holy Gulf is to strengthen one’s bloodline! Chen Xiaobei said. When your bloodline is strengthened to the state of the ultimate Holy abyss, you will be able to manifest the ultimate form of the Holy abyss!”

“This ... This body-tempering technique can even change the form of one’s body?” White thunderlady was shocked.

“Yup!”

that’s right! Chen Xiaobei nodded. the wings behind the old senior are actually the manifestation of the ultimate form of the Holy abyss. However, he is still one step away from it! Otherwise, I should be able to transform into some kind of super high level ROC form!”

Obviously, Chen Xiaobei had already learned the ultimate form of the Holy abyss, so he had a good understanding of its essence. At the same time, he could also see the nature of the old man with Broken Wings.

I see ... the White thunderlady nodded and looked at Chen Xiaobei.

Firstly, Chen Xiaobei was related to the dragon clan, which made her feel very close to him.

Secondly, Chen Xiaobei’s talent had amazed her. Her impression of him had suddenly become much higher.

At the same time, Ji Ningyuan and the others were stunned by Chen Xiaobei’s words.

They were only afraid of Chen Xiaobei.

From this moment on, they were starting to admire Chen Xiaobei.

“Hiss ...”

However, at that moment, old man remnant wing suddenly took a deep breath.

It was obvious that this cunning and despicable old man would not admit defeat so easily.

Furthermore, the mental cultivation technique of the “ ultimate form of the Holy abyss ” was a crucial secret to him. He could not let anyone else know about it.

“Shit ...”

Chen Xiaobei was so shocked that he pushed her away.

Then, the terrifying suction force pulled Chen Xiaobei towards the old man.

“Bang!”

Chen Xiaobei's body slammed into the chains that bound the old man.

If not for the chains, Chen Xiaobei would have been sucked into the old man's mouth.

With the old man's terrifying physique, he could kill Chen Xiaobei with one bite.

The old man with Broken Wings could not bite Chen Xiaobei with the chain in between, but the terrifying suction force had Chen Xiaobei stuck to it, unable to escape.

"Stinky old man! What are you trying to do?"

Chen Xiaobei's entire body was stuck to the intertwining chains, and he could not even speak.

"Hiss ..."

The old man continued to inhale and did not answer.

"Xiaobei ..."

The White thunderwoman immediately grew anxious and shouted, "Old man! You'd better not hurt Xiaobei! Otherwise, I'll let you die without a burial place!"

As soon as she said this, Ji Ningyuan and the others all looked at her with a very strange expression.

Was this woman crazy? He was already seriously injured and could not fight at all!

And you want old man broken wing to die without a burial place?

How was that possible?

"I'm fine! Don't come any closer!"

"This old man is chained up like a mummy! He can't hurt me at all!" Chen Xiaobei said loudly. When he's done breathing, I'll naturally come down!"

Clearly, no matter how terrifying the old man's body was, his lungs had a limit.

He couldn't take in endless breaths.

"Bang ..."

As expected, the old man with Broken Wings stopped breathing and Chen Xiaobei landed in front of him.

It seemed like he really could not do anything to Chen Xiaobei.

However, this was not the case.

He had stopped breathing to threaten Chen Xiaobei!

"Little brat! This old man can absorb and also spit!"

"Think about it," old man remnant wing threatened, "with my power, can I turn you into a pile of meat with a single breath?"

Chen Xiaobei was shocked!

[Red Envelope Group of the Three Realms](#)

Chapter 4216: Terrifying breath!

4216 Terrifying breath!

Not only Chen Xiaobei, but everyone around him was also shocked and nervous.

Indeed, old man broken wing's breath could not hurt anyone.

However, with his terrifying power, he could turn the White thunderwoman and Ji Ningyuan, who were six star Saint Kings, into meat paste with just a breath.

Chen Xiaobei, who was only a five-star true Saint, was even more so!

Even if he had billions of lives, he would not be able to withstand the old man with Broken Wings 'single breath!

"So, you're threatening me like this because you want to renege on your debt?"

Chen Xiaobei did not dare to act rashly.

In fact, it was not that he did not dare to act rashly, but that Chen Xiaobei had no way of solving the crisis at hand.

"This old man controls the power of life and death, so what if I renege on my debt?"

It was obvious that this old man remnant wing was cunning, despicable, and completely shameless.

He didn't care about seniority at all! He didn't care about his face!

In any case, it's clear that they're bullying the weak! I'm just bullying you!

Unconvinced?

If you're not convinced, you can only endure it!

"But you want to kill me!"

Chen Xiaobei's dark eyes seemed to be able to see through the old man.

"Don't try to be smart! This old man will definitely not let you Live!"

The old man with Broken Wings squinted his eyes. His emaciated face was like a bag of bones. He was gloomy and full of killing intent.

"If you wanted to kill me, you wouldn't have inhaled just now. You would have exhaled!" If you really want to kill me, there's no need to threaten me with nonsense!"

The old man with Broken Wings 'mouth twitched.

Obviously, Chen Xiaobei had seen through him. He was embarrassed, but there was nothing he could do.

“Pfft!”

In the next moment, the old man flew into a rage out of humiliation and directly exhaled a breath at the crowd.

The speed and power of this breath were far above that of a six star Saint King.

One could even see with the naked eye that the space was distorted wherever the aura passed. There were even spiderweb-like cracks.

It was barely understandable to kill someone by exhaling!

As for exhaling and tearing space apart, it was already terrifying to an unimaginable level!

Everyone’s three views were torn apart by the terrifying breath, along with the space!

“Pa! Whoosh ... Whoosh ...”

The old man with Broken Wings’s breath was extremely fast, and it only lasted for one-thousandth of a second. No one could react in time.

A terrifying explosion erupted from the crowd.

Then, except for Ji Ningyuan, all the Saint Kings of the Ji clan were torn to pieces by the breath.

In an instant, blood splattered everywhere and broken corpses covered the ground. It was simply terrifying to the extreme.

The Saint Kings were like paper. They couldn’t resist at all.

Even their primordial spirits were torn apart and annihilated on the spot.

“Oh my ...”

Ji Ningyuan took a deep breath, and his pupils couldn’t help but contract. His face was ashen, and cold sweat kept pouring down like rain!

More than thirty Saint Kings were annihilated by a single breath!

The terror of this old man with Broken Wings was like a nightmare that ruthlessly pierced through Ji Ningyuan’s mind!

This Grand old ancestor of the Ji clan was directly scared silly!

If he hadn’t abstained from food and water, he would have been so scared that he would have peed and defecated on the spot!

“It’s ... It’s terrifying ...”

The White thunderwoman was also stunned. Her face was pale, her pupils shrank, and her lips trembled, ” “Sage Emperor! This ... This is the true power of a Saint Emperor ... It’s already exceeded the limits of a Saint ruler ... It’s on a completely different level ...”

“So strong!”

Chen Xiaobei's state of mind was so strong that he did not lose his composure like Ji Ningyuan and the White thunderlady.

But Chen Xiaobei had to admit that this old man was really strong, so strong that it made one's hair stand on end.

"Little brat! You are very smart! This old man truly doesn't want to kill you! However, as you can see, I can kill whoever I want here! That includes your lackeys and your women!"

Old man remnant wing's voice was cold as he continued to threaten.

Obviously, the old man with Broken Wings had used his breath to kill the Saint Kings to vent his anger and to warn the others.

If Chen Xiaobei did not do as he was told, he would kill Ji Ningyuan and then white thunderwoman.

As soon as he said this, Ji Ningyuan and the White thunderwoman's expressions changed again.

Of course, the White thunderwoman's expression was more complicated.

I'm not his woman ...

It wasn't!

"Don't kill them!"

Chen Xiaobei looked at the old man and said, "Speak! What do you want me to help you with?"

The reason why the old man did not kill Chen Xiaobei but instead threatened him was because Chen Xiaobei still had some value to him.

"Smart!"

Old man remnant wing said, "I have another heavenly sanctuary cultivation technique here. It's of a higher grade than the ultimate Holy abyss!" However, I've been studying it for so long, but I still can't master it ..."

"Understood!" "You want me to learn this technique and then teach you how to learn it?" Chen Xiaobei asked.

Obviously, the old man with Broken Wings was also shocked by Chen Xiaobei's talent.

Although he did not say it, his actions had already admitted that his learning talent was not as good as Chen's.

That was why he did not kill Chen Xiaobei. He wanted to make use of Chen Xiaobei's talent to achieve his own goal.

"That's right!"

I'll tell you the cultivation technique, " old man remnant wing said. you learn it first and then guide me!

"What if I can't learn it?" Chen Xiaobei retorted.

The old man with Broken Wings said coldly, "If you can't learn or teach me, then it means you have no value! I will kill all of you!"

Obviously, this old man was not only cunning and shameless, but also ruthless.

He would never show mercy to those who were of no use to him and knew his secret.

Only a dead person would not reveal the secret of the "ultimate form of the Holy abyss".

Even if everyone couldn't get out, only dead people could make him feel at ease.

"He's really ruthless!"

Chen Xiaobei said, "Tell me about the higher level cultivation technique. I want to see how difficult it is!"

"You better listen carefully! This heart technique is extremely profound and obscure. If you mishear one word, all your previous efforts will be in vain!" The old man with Broken Wings composed himself and said solemnly, "this technique is called the 'one word Saint-Killing Curse'!"

Then, he began to slowly explain the cultivation technique.

Chen Xiaobei focused and started to listen.

Not far away, the White thunderwoman and Ji Ningyuan were both extremely nervous.

Even though Chen Xiaobei's learning talent was amazing ...

However, the "one word Saint destroyer curse" was of a higher level than the "ultimate Holy abyss"!

He had reached the level of a Sage Emperor! Even if it was just one major realm higher, the difficulty of learning it would increase by hundreds of millions of times!

Would Chen Xiaobei be able to learn it?

[Red Envelope Group of the Three Realms](#)

Chapter 4217: Using talent!

4217 Using talent!

One had to know that old man broken wing had spent a total of 30000 years to learn the ultimate form of the Holy abyss!

However, he had been studying the 'one word Saint destroyer curse' for trillions of years and had never managed to master it!

One could imagine that the difficulty of these two cultivation techniques were on completely different levels.

So, even if Chen Xiaobei had performed very well earlier, there was still a chance that he would not be able to master the one word Saint-killer curse!

If he couldn't learn it!

The 30-odd Holy Kings from the Ji clan were the same as Chen Xiaobei!

Of course, Ji Ningyuan and the White thunderwoman would also be killed!

“Alright, I’m done. Do you want me to read it again?”

Very quickly, the old man with Broken Wings had read out all the cultivation techniques.

After all, this skill was very profound and obscure, so he felt that he needed to read it out to Chen Xiaobei a few more times.

“No need!”

But Chen Xiaobei shook his head and fell into deep thought.

“Just once? This ... This can’t be ...”

Old man remnant wing was dumbfounded.

He had studied it for trillions of years, but he still couldn’t learn it.

If Chen Xiaobei could learn it on the first try, wouldn’t he be slapped in the face?

If he were to compare himself to Chen Xiaobei, he would think that he was an idiot! All his years had been wasted!

However, this time, Chen Xiaobei did not have it as easy as before.

This time, he was lost in thought. In the blink of an eye, more than ten hours had passed.

“Will it work or not?”

Old man remnant wing said impatiently, “if you didn’t hear me clearly, I can read it a few more times for you!” However, if you want to keep stalling for time like this, I don’t mind killing your lackeys first!”

“Don’t, don’t ...”

Ji Ningyuan looked as if he’d been struck by lightning, and he immediately began to cry and beg.

Obviously, to the old man, Ji Ningyuan was just Chen Xiaobei’s dog. He was not as important as white thunderlady.

So, the old man could kill Ji Ningyuan at any time to warn Chen Xiaobei.

This scared Ji Ningyuan.

He was even willing to kneel down and call Chen Xiaobei ‘daddy’.

She only hoped that Chen Xiaobei would not continue to remain silent.

Even if he didn’t learn it once, he could do it a few more times!

If he kept silent, old man broken wing would suspect that Chen Xiaobei was just trying to buy time. By then, he would be the first one to die.

“You two, stop talking!”

At this moment, the White thunderwoman said in an unpleasant tone, “Xiao bei’s talent is the best I’ve ever seen in my life! He would definitely be able to learn it! You’ll only distract him if you keep talking!”

“Hmph! This little girl has seen the world?” you’re right! the old man with Broken Wings said disdainfully. this kid is talented, but he’s not at the level where he can learn the ‘one word Saint destroyer curse’ in one go!

“Alright! I’ve learned it!”

Chen Xiaobei’s words shocked all four of them!

you ... You’ve learned it!?

The old man with Broken Wings and Ji Ningyuan were both dumbfounded. They couldn’t believe their ears.

“I knew that Xiaobei would be able to learn it!”

I’ve been learning from master for many years! I’ve heard all sorts of legends about geniuses, but none of them can compare to Xiaobei!

It was clear that Bai leiniu’s trust in Chen Xiaobei was not unreasonable.

The White thunderlady’s master was the third core elder of the Saint pan clan.

This person was definitely a late-to mid-stage Saint Emperor, or even a peak Saint Emperor.

The geniuses that he mentioned were all geniuses!

On the other hand, none of the geniuses that her master had mentioned could compare to Chen Xiaobei.

Therefore, she believed that Chen Xiaobei would be able to learn it.

Chen Xiaobei did not disappoint her.

She was in a good mood, and her impression of Chen Xiaobei had improved greatly.

“You have no proof!”

“If you want me to believe you, you’ll have to use the ‘one word Saint destroyer curse’ once right now!” Old man remnant wing said solemnly.

it’s not difficult to circulate it once, but it will consume a portion of three stars Saint King level energy! it’s a nine-star divine Emperor cultivation technique! Chen Xiaobei said. even if you’re only at the beginning, you’ll need a lot of energy!

this ... the old man with Broken Wings was stunned and hesitated.

Obviously, in this special sealed space, any bit of energy was extremely precious.

Not to mention that it was three stars Saint King level energy.

All the energy Chen Xiaobei had given old man broken wing was not even a three star Holy King.

In other words, the old man with Broken Wings had not only given Chen Xiaobei the one word Saint destroyer incantation, but he had also given Chen Xiaobei a huge amount of energy.

alright, you can take energy from the storage dimension for your own use!

After hesitating for a moment, old man remnant wing gritted his teeth and took a step back.

The interspatial spaces of everyone in the Ji clan were all gathered in Ji ning's interspatial space.

Old man remnant wing had already regarded this storage dimension as his own. Any use of the energy in it would require his permission.

"Good! I'll get it done!"

Chen Xiaobei grinned and started to look through his inventory.

Ji Ningyuan and more than thirty Saint Kings of the Ji family had a total of ten billion Saint origin Mystic crystals.

However, they did not have many Saint weapons.

Ji ning didn't have a Saint King weapon, and from the thirty-some Saint Kings, he only found ten one-star and two-star Saint King weapons, and one three-star Saint King weapon.

From this, it could be seen that in the eternal Saint Emperor domain where the Ji clan was located, Saint King weapons were a rare resource. There might not even be a six star Saint King weapon in the entire domain.

As for the one-star or two-star Saint Royal weapons, their owners had corresponding cultivation and could use Saint origin power to activate them. Thus, these Saint Royal weapons didn't have any energy.

Fortunately, the owner of the three star Saint King weapon seemed to be a two star Saint King, so it had the power to activate its power once.

"Swish!"

Chen Xiaobei took out the three-star Saint Royal instrument and absorbed all the energy into his body.

"Give me your storage space!"

Old man remnant wing immediately shouted.

"Take it!"

Chen Xiaobei shrugged and put the three star Saint Royal item back into his inventory. Then, he threw it to old man can Yi.

Since he had already obtained the most important energy, the rest of the things were completely useless in this space, so there was no harm in giving them to him.

Perhaps he could even get it back in the future!

“Dammit! There’s only so many Saint origin profound crystals left!”

The old man with Broken Wings peeked and was so angry that his eyes widened.

It was not easy to get a three-star Holy King’s energy, but Chen Xiaobei had it all.

“Whoosh ...”

At the same time, Chen Xiaobei had already started to channel his Qi.

Red Envelope Group of the Three Realms

Chapter 4218: Nine Star divine Emperor level!

4218 Nine Star divine Emperor level!

As Chen Xiaobei started to practice the one word Saint-killer mantra, the huge amount of energy started to burn.

A magnificent Dharma appeared on Chen Xiaobei’s body.

One by one, special characters appeared, accompanied by their origins, history, development, and everything that was derived from them!

Xuan, the path of creation’s sacred ancestor, the creator of xuandu’s North Pole sacred domain! It represented good fortune and contained the power of endless opportunities ...

Pan, the divine ancestor of the Dao of creation, the creator of Saint Pan’s longevity heaven! It represented creation and had endless power of creation ...

[Life] was the divine ancestor of the path of longevity and the creator of the boundless longevity heaven’s Holy region! It represented longevity and had the power of endless life ...

Hong, the sacred ancestor of the Dao of origin, the creator of the extreme origin realm heavenly sacred region! It represented the origin and had endless power of evolution ...

In addition, there were also origin, origin, extreme, destruction, and nothingness!

There were a total of nine words, accompanied by five thousand words of detailed explanation!

All the words were shining with a bright light that could compete with the sun and the moon! It also exuded an extremely heavy, Holy, pure, and Supreme pressure!

“Whoosh ...”

When the nine words were gathered together, it meant that Chen Xiaobei had successfully completed one cycle of the one word Saint-killer curse.

And at this moment, that three stars Saint King level energy had also been completely consumed.

Chen Xiaobei chose the ‘life’ word from the nine words!

“Whoosh!”

In an instant, it was as if all the energy had poured into the Word “life.”

Then, the bright word 'life' merged into Chen Xiaobei's palm.

It was like a rune mark that was closely related to Chen Xiaobei's spirituality, and he could activate his special ability at will.

did ... Did you succeed???"

Everyone's eyes widened in disbelief.

"One word to kill a Saint! Live!"

Chen Xiaobei was too lazy to explain, so he activated his special ability.

"Swish!"

From the size of a coin, it instantly expanded to a hundred meters in radius, enveloping the White thunderwoman's head.

The light of the Word "life" fell on white thunderwoman, making her look like a Holy and Noble goddess.

"It's ... It's so comfortable ..."

Then, the White thunderwoman let out a soft cry.

The heavy injuries on her back began to recover at an extremely fast speed.

After the recovery, her skin was white and delicate, and there were no scars at all!

"It's amazing!"

not only have my injuries recovered," the White thunderlady continued, "my Saint Origin Energy, spiritual energy, and physical energy have all been restored to their peak!

this ... This is godly ... Ji Ningyuan was stunned. He couldn't believe this was real.

Just now, Chen Xiaobei had burned his pinnacle true divine energy to activate the grade 12 Golden Lotus of merit as if it was free. But in the end, it had little effect on white thunderlady.

As soon as the word 'life' was activated, Bai linu's injuries quickly recovered.

Even his physical condition had recovered to its peak.

This was truly too miraculous!

The White thunderlady was staring at Chen Xiaobei with her beautiful eyes.

Not only did he have a good impression of Chen Xiaobei, but he also admired Chen Xiaobei from the bottom of his heart. In fact, he even had a little admiration for Chen Xiaobei!

"Heavens! He ... He ... He actually learned the 'one word Saint destroyer curse' in one try! He's crazy ... He's completely crazy!"

At the same time, old man broken wing's face twisted. His expression was extremely complicated.

Excitement! Surprise! Astonishment! Shocking! It was even horrifying!

This result, he really, really didn't dare to believe it!

However, Chen Xiaobei had already used his 'life' special ability!

Facts spoke louder than words, and old man remnant wings had no choice but to believe it!

"Little brat! Hurry up! Hurry up and teach me how to cultivate the one word Saint destroyer curse! Hurry up!"

The old man with Broken Wings said impatiently.

At the same time, Chen Xiaobei was also very excited. One could even say that he was ecstatic.

This was because the special ability of the word 'life' wasn't as simple as healing.

The nine Star divine Emperor level secret skill, 'one character Saint-Killing Curse', was even more powerful than Chen Xiaobei had imagined.

To be able to learn this secret skill was a huge surprise for Chen Xiaobei.

Furthermore, not only did this secret skill possess an extremely heaven-defying special ability, it also contained some huge secrets of utmost importance.

Chen Xiaobei even suspected that old man broken wing was imprisoned here because of the secret behind it.

One had to know that anyone who had the ability to imprison old man broken wing here definitely had the ability to kill him. Why not?

That's right!

It was most likely because of the secret behind the "one word Saint destroyer curse"!

Now that Chen Xiaobei had understood this secret skill, it meant that he knew the most important thing!

These secrets were both opportunities and bargaining chips!

As long as he could keep these secrets in his hands, Chen Xiaobei would have the ability to negotiate with the old man, or even the stronger person who had sealed the old man!

And once these secrets were known by a second person, there was a risk of them being leaked!

Once it was revealed, these secrets would be worthless!

There was no way Chen Xiaobei would teach old man broken wing how to practice the one word Saint-killer curse!

"Don't be in such a hurry!"

Chen Xiaobei said, "I'm not good at teaching others. Let me sort out my thoughts first. How should I teach you so that you can learn it? after all, your aptitude is so poor. If you don't understand the content, you won't be able to learn it!"

I ... old man remnant wing was so depressed that he wanted to vomit blood.

He was already a Supreme expert who dominated a region billions of years ago.

But now, Chen Xiaobei was saying that she had poor aptitude.

It was really infuriating!

However, Chen Xiaobei had the upper hand! No matter how angry this old man was, he could only hold it in!

“Good! “Think about it ...” The old man with Broken Wings paused and said, “I don’t know. you can take your time to think about it. But for now, you can first heal the injuries on my wings!

Obviously, old man broken wing’s wings were the manifestation of his bloodline, and also the core essence of the ultimate form of the Holy abyss.

Healing his injuries would be of great help to him in his attempt to break through to the pinnacle level of the Holy abyss.

Chen Xiaobei shrugged and said, “ I can’t ... the level of this ‘one word Saint destroyer curse’ is too high and it consumes a lot of mental energy. I might need to rest for a few days before I can use my ability a second time!

this ... the old man with Broken Wings frowned. but, looking at your current state, it doesn’t look like your spiritual power is empty at all!

“Are you the one who knows the one word Saint destroyer curse? Or am I the one who knows?” Chen Xiaobei said impatiently.

this ... old man remnant wing was speechless.

In fact, Chen Xiaobei did not need to use any of his mental power to heal Bai legnu.

On the contrary, the [Life] special ability had given Chen Xiaobei a huge boost!

[Red Envelope Group of the Three Realms](#)

Chapter 4219: No unusual words!

4219 No unusual words!

No one would have thought that Chen Xiaobei’s strength had changed so much!

To a true Saint like Chen Xiaobei, a Nine Star divine Emperor’s one word Saint-Killing Curse was like a mortal being blessed with the Halo of a God!

Chen Xiaobei could only use one of the nine words.

But now, Chen Xiaobei had received an unimaginable boost from the endless life force!

Physical strength, mind power, and Saint origin power, these three types of power that were closely related to life, had directly increased by a trillion times!

Right!

You didn’t see wrong!

It directly increased by a trillion times!

As a five-star true sage, he had the power of a peak true sage!

In other words, Chen Xiaobei could now fight opponents four levels above him without using any special ability!

With Chen Xiaobei's current strength, he could easily defeat any Enemy Below the Holy King level!

He could use his own mental energy to activate a peak true Sage's special ability. If he used all his mental energy, he could even activate the power of a one star Saint King!

This was a terrifying improvement. It was really like a mortal wearing a God's Halo!

A mortal body on par with a God!

Chen Xiaobei's five-star true divine body was comparable to a peak true divine!

The benefits that this word brought to Chen Xiaobei were enough to break the legend of fighting against those of a higher cultivation level!

To this day, no matter where Chen Xiaobei had been, there had never been a case of someone fighting someone of a higher cultivation level!

But now, Chen Xiaobei could fight opponents four levels above him! When combined with his special ability trump card, he could even touch the bottom line of a one star Saint King!

This was simply terrifying to the extreme!

Of course, the reason why most people couldn't fight above their cultivation realm was because they were too weak! It was because they could not be like Chen Xiaobei, who had the aura of a God!

This 'divine' Halo was a peak Saint Emperor cultivation technique!

Only high level and true peak divine emperors could learn it.

However, Chen Xiaobei's unparalleled talent, state of mind, vision, mindset, courage, and the amplification of his literary Saint heart allowed him to do things that most people could not!

Therefore, the real power was not the scholar heart! It was the real Chen Xiaobei who had gone through countless schemes!

Only Chen Xiaobei was worthy of this 'God' Halo!

Furthermore, there was an even more important point!

Chen Xiaobei's understanding and usage of the 'life' word had not reached its peak!

Just now, Chen Xiaobei had only used one portion of three star Holy King level energy, which meant that he had only cultivated the 'life' character to the first grade!

In other words, if Chen Xiaobei had more energy, he could continue to cultivate the [Life] character from first grade to Supreme grade. The benefits he would get would increase exponentially!

By then, Chen Xiaobei would be able to fight against the strongest Holy King with his true divine body without using any special abilities!

This was no longer a battle that transcended realms! It was a battle that transcended dimensions!

Just thinking about it made one's scalp numb!

He had to admit that a peak Saint Emperor cultivation technique was terrifying!

This was a huge surprise for Chen Xiaobei!

And at this moment ...

Chen Xiaobei claimed that his mental power was exhausted. In other words, he wanted to stall the old man so that he could figure out a way to break out of this situation.

Time slowly passed.

Old man remnant wing's patience was wearing thin.

However, he still chose to endure it and continue waiting.

He was even reluctant to use the ten billion Saint origin Mystic crystals in Ji Ningyuan's storage space.

He felt that if Chen Xiaobei could point out the essence of the one word Saint-killer curse, he would be able to learn it.

After he learned it, he would be able to use the energy to quickly recover from his injuries. There was no need to use it early.

He even felt that as long as he learned the 'one word Saint destroyer curse', combined with the ultimate Holy abyss and his own cultivation as a Saint Emperor, he would definitely have a chance to break the seal and escape!

What humans were most afraid of was hope!

As long as there was a glimmer of hope, he would patiently wait!

A few more hours passed.

Even the White thunderwoman and Ji Ningyuan had lost their patience, and they couldn't hide the anxiety in their hearts.

Finally, Chen Xiaobei opened his mouth. I've roughly sorted out my thoughts, so I'll teach you how to cultivate now!"

"Good! That's great!" Old man remnant wing was extremely excited and immediately put on an expression of serious learning.

At the same time, the White thunderwoman and Ji Ningyuan also perked up their ears, wanting to see if they could learn from him.

After that, Chen Xiaobei started his lecture.

After talking for less than three minutes, Ji Ningyuan gave up. At the fifth minute, the White thunderwoman couldn't keep up.

However, this was only the introductory part of the one word Saint destroyer curse.

It was obvious that Ji Ningyuan and the White thunderwoman couldn't even cross the threshold.

However, old man broken wing was much more powerful than them. As he listened, he kept nodding and mumbling to himself, "hmm ... Right, right, right ... Why didn't I think of this before? brilliant!"

It had to be said that the old man with Broken Wings was quite talented!

The main point was that he was a Saint Emperor himself. He had the vision, experience, structure, and way of thinking of a Saint Emperor!

With Chen Xiaobei's guidance, he had explained all the essence of the technique to him! All the things that he couldn't figure out were sorted out for him in one step!

Therefore, he learned very quickly!

After about seven days, he had completely mastered it!

Alright, next, you can try to circulate the incantation for one cycle! Chen Xiaobei said.

"Alright!"

The old man with Broken Wings couldn't wait any longer. He immediately crushed all the 10 billion Saint origin Mystic crystals and absorbed the energy.

His cultivation had already reached the level of a Holy Emperor, so he did not need as much energy as Chen Xiaobei.

10 billion Saint origin Mystic crystals were enough for him to form the first character.

"Whoosh ..."

At first, everything went smoothly. One after another, large characters appeared around old man remnant wing.

The first eight words went very smoothly.

However, the old man with Broken Wings could not form the last word no matter how hard he tried!

"What's going on ... I've already mastered it ... I'm only missing the last word to complete a complete cycle! I must condense it! I will!"

Old man remnant wing was extremely anxious, desperately trying to complete this final step.

He gritted his teeth, his eyes were red, the veins on his forehead were popping, and his whole body was trembling.

It could be seen that he had almost used all his strength!

"Whoosh ..."

Finally, after a long stalemate, the last word “no” appeared.

However, there was a huge abnormality in the last word!

Red Envelope Group of the Three Realms

Chapter 4220: Reverse calculation!

4220 Reverse calculation!

The first eight words were shining with a bright light that could compete with the sun and the moon.

However, the last word was dull.

Furthermore, as time passed, the word ‘no’ became even darker, like a black hole. It seemed to be devouring everything and turning everything into nothingness.

Old man remnant wing panicked on the spot, “you brat!” Quickly help this old man take a look! What was going on? Why did the word ‘Wu’ become like this? Why is it completely out of my control?”

“Who are you calling a little brat?”

Chen Xiaobei’s lips curled into an evil smile.

“I said you’re a little brat! Why? You’re not convinced? Immediately tell me what the problem is! Otherwise, I’ll kill your woman immediately!”

The old man with Broken Wings bared his teeth and threatened.

However, Chen Xiaobei was no longer afraid of him. He said calmly, “Alright! Try and kill one! I promise you, you will die a worse death than her!”

“Boom boom boom ...”

As soon as Chen Xiaobei finished his sentence, the dark ‘Wu’ character suddenly became violent and thunderous. It was like a black hole storm that not only wanted to devour everything but also destroy everything, leaving nothing behind!

“Oh! Pfft ...”

Instantly, old man remnant wing’s expression turned extremely ugly. The blood in his chest churned, and he couldn’t help but vomit a mouthful of blood.

what ... What’s going on?!

Seeing this scene, both white thunderwoman and Ji Ningyuan were stunned.

The old man with Broken Wings was also shocked. He looked at Chen Xiaobei with extreme fear and said, “you ... What did you do?!”

Chen Xiaobei shrugged and smiled. “In the past few hours, I’ve modified the one word Saint destroyer curse a little! The last and most crucial part, the circulation sequence of the technique, was completely messed up by me!”

“So, at this moment, your qi and blood are flowing in reverse! A light case of Qi deviation, a heavy case of body explosion and death! If you’re quiet, you can still hold on for a while. If you’re as irritable as before, you’ll die very soon!”

“What!” Old man remnant wing’s face contorted as if he had been electrocuted. His eyes were so wide that they looked like they were about to pop out of their sockets.

“Pfft ...”

This impatience caused him to spit out another mouthful of blood, and his face turned pale.

Oh my God ... Young master Chen actually used the one word Holy extermination curse to plot against the old senior ... This ... This is too terrifying! Ji Ningyuan’s eyes were wide open and his fear of Chen Xiaobei deepened.

“Modifying a cultivation technique is much more difficult than learning one,” the White thunderwoman said. This required drawing inferences from one case and drawing parallels! Moreover, after the modification, he couldn’t let the old thief see through his flaws! This is the most difficult part!”

Both Ji Ningyuan and the old man with Broken Wings were shocked. They looked at Chen Xiaobei as if he was a terrifying monster!

Without a doubt, the current result had completely subverted their three views and even made them start to doubt their lives.

“Kid ... Oh no! Young master Chen ... I beg you to have mercy! Spare this old man once ... This old man is willing to serve you like a dog and a horse, and serve you for the rest of my life!”

The old man’s tone softened, and he looked at Chen Xiaobei with a pleading look.

“You’re quick-witted! I’m naturally more than happy to have a Sage Emperor as my Lackey!” Chen Xiaobei smiled.

“No!”

However, at this moment, the White thunderwoman immediately said, “My White Lightning God slaying talisman can’t control the essence spirit of a divine Emperor! In reality, when they reach Saint Emperor, their souls have already evolved into another form!”

“I see!”

Chen Xiaobei shrugged and said, “Old man, it’s a pity that you can’t be my dog! Therefore, you can only wait for your cultivation to go berserk!”

“No... I can! I swear that I’ll be loyal to you. If I break this oath, I’ll die a horrible death and have no descendants! The entire clan will be exterminated!”

The old man was really afraid of death. He swore that Chen Xiaobei would spare his life.

“Heh, old Sly Fox, you’re still playing tricks now?”

if I'm not wrong, your children and grandchildren would have been killed a long time ago! Chen Xiaobei laughed. your entire family was slaughtered! To use these to swear a poison oath, only you can think of it!"

you ... How did you know?!

The old man with Broken Wings was shocked, and his expression became complicated.

there are many secrets hidden within the one word Saint destroyer curse. I can roughly guess it with a little deduction!

I think you're the first one to discover this skill, " Chen Xiaobei said. but, many people are after it!

"Later on, someone stronger than you made a move and sealed you. They even threatened you with the lives of your entire clan! However, you refused to hand over the cultivation method, so your clansmen were killed one by one!"

of course, your decision is correct. If you hand over the cultivation technique, not only will your entire clan be exterminated, but even you will die!

"That's why you would rather be sealed for countless years than to let go! Because you know that you can only take revenge if you are alive!"

As soon as he said this, white thunderwoman and Ji Ningyuan were both shocked.

Old man remnant wing's face was filled with shock, which quickly turned into sadness and pain.

Chen Xiaobei's analysis was correct!

Under the threat of a powerful enemy, old man remnant wing's entire clan would be annihilated regardless of whether they handed over the cultivation technique or not.

The old man with Broken Wings could only survive if he kept the technique to himself.

He could only endure the humiliation and endure it!

Only then would he have a chance to take revenge!

you're also a pitiful person. However, a pitiful person must have something hateful about him!

"If you had told me the truth from the start and wanted to work with me, I would have helped you!" However, you schemed against me, threatened me, and even tried to kill my ... Friends! So, I will not forgive you! Whether you live or die will depend on your good fortune!"

this ... old man remnant wing's face turned pale, and he fell into endless despair.

Life or death, it all depended on fate!

However, once one was possessed by the devil, even if they survived, they would become crazy and stupid! What was the difference between this and death?

This was the price he had to pay for threatening Chen Xiaobei.

More importantly, he had once tried to kill Bai linnu, and that was something that Chen Xiaobei could not forgive.

“Boom boom boom ...”

Soon, the black hole storm around the wordless character became more and more serious.

Old man remnant wing’s qi and blood had already reversed to the point where they were in serious conflict.

Qi deviation happened in an instant!

“Uh ... Ah!”

With a shrill cry, old man remnant wing’s skinny body suddenly swelled up like a bomb that was about to explode!
