#### Chapter 4221: outrageous!

“Not good! This old fellow’s Qi deviation has already exceeded my imagination!”

Chen Xiaobei was shocked.

In Chen Xiaobei’s calculations, the old man would either go crazy and have a mental breakdown or explode to death.

However, at this moment, old man remnant wing’s body was rapidly expanding, and an extremely terrifying energy spread out!

This energy was probably related to old man can Yi’s Sage Emperor cultivation base. It could also be related to the ultimate form of the Holy abyss. In short, from the current situation, if he exploded and died, it would probably produce an extremely terrifying energy!

“Hurry up! Follow me!”

Chen Xiaobei quickly took out his heaven and earth embryo membrane.

Then, he brought the White thunderwoman and Ji Ningyuan into the heaven Earth embryo membrane.

The level of the heaven and earth embryo membrane should be the same as the heavenly Dao!

It might be a mid to high level Holy Emperor!

The old man with Broken Wings was probably a one or two star divine Emperor!

Even if he exploded and the energy he released was stronger than his own cultivation base, it would not be able to break through the defense of the embryo membrane of heaven and earth!

After entering the embryo membrane, they arrived at the beixuan great world.

“Whoosh ...”

As soon as Chen Xiaobei returned, he felt a huge wave of energy rushing toward him.

Obviously, with the upgrade of the beixuan great world, the daily energy supply had greatly increased.

With sufficient energy and the help of the divine sunlight cache, LAN Mengcheng had already digested all the inheritance power and reached the three star Saint King realm.

After that, she stopped consuming energy.

Moreover, she and Liu xuanxin, who was a four star Saint King, were there.

In addition, there were two other two star sacred king-level North Mystic sacred Kings from the sacred Phoenix City.

In addition, there were 28 North mystic saints and billions of people of the North Mystic world.

At the moment, the beixuan realm could provide Chen Xiaobei with one peak one-star Saint King level energy every day.

“Whoosh ...”

this ... This is the means of the sky burial Yuan sacred clan!

White Thunder was the third core elder of the Saint pan clan, so she naturally knew what the sky burying Yuan sacred clan was up to.

“That’s right!”

Pangu world! Chen Xiaobei said. it’s been controlled by the heavenly Dao all this time! Through my hard work and some opportunities, the heaven Earth embryo membrane that originally belonged to the heavenly Dao has fallen into my hands! So, I upgraded Pangu great world and turned it into the current beixuan great world!”

“You ... How can you use the enemy’s methods? If that’s the case, what’s the difference between you and the enemy?” White thunderlady panicked.

“The difference between me and the enemy?” Chen Xiaobei shrugged and said, ” “You’ll know when you walk around! Instead of listening to me, why don’t you use your own eyes to see!”

“Good! You wait for me!” The White thunderwoman was a six star Saint King, and she had the ability to shatter the void.

It didn’t take long for her to pass through the Three Realms and return to the North profound world, which was above the heaven realm.

“How is it? Did you see that?” Chen Xiaobei asked.

“I see it! You’ve done well!”

“I can see all the races living in peace!” The White thunderwoman praised. He saw the prosperity of the people! Even though you’ve extracted a portion of their energy every day, their days will definitely be better and happier! This is much stronger than the heavenly Dao!”

Obviously, when the heavenly Dao took control of the beixuan great world, it regarded all living beings as ants.

The heavenly Dao did not care about the happiness of all living beings. It only cared about whether its rule was stable!

Therefore, he had incited countless tribulations time and time again. He had used the catastrophe of the entire macro world to eradicate the people and forces that threatened his rule!

Every time there was an immeasurable cultivation tribulation, there would be countless casualties. Even a large number of untainted land would collapse because of the cultivation tribulation!

One could imagine that the heavenly Dao did not care about the life and death of all living things at all!

On the other hand, Chen Xiaobei was shouldering the will of all the races in the universe. He was doing his best to ensure that all the races could live in peace, prosperity, and happiness.

Of course, Chen Xiaobei did not have the ability to defeat the heavenly axiom, much less the sky-burier Yuan sacred clan!

Therefore, Chen Xiaobei had no choice but to use the power of all living beings in this world.

He would wait for the day Chen Xiaobei defeated the sky-burier sacred clan!

Not only would it make all the races in the universe happier, but it would also return true freedom to them!

This was the biggest difference between Chen Xiaobei and the heavenly Dao!

The White thunderwoman was very smart, and she understood everything.

So, she did not hold back her praise for Chen Xiaobei.

In fact, deep down in her heart, she admired Chen Xiaobei's way of doing things.

Chen Xiaobei had done something that no one else could have imagined! He had even done what others did not dare to do!

In the long river, one of the reincarnators of Pangu would eventually be able to free the Saint pan race!

The White thunderlady believed that this reincarnator must be Chen Xiaobei!

Childe Chen, shouldn't we go back!?

the storm of the old man's body exploding should have subsided by now, " Ji Ningyuan said tentatively. we can't just stay here. We have to go out and find a way to get out of the seal!

Obviously, hiding in the embryo membrane of heaven and earth was only an urgent matter, but it couldn't solve the fundamental problem.

There were still many unknown things outside the world membrane, and there was even a Saint Emperor level seal.

If he could not break the seal, no matter how strong Chen Xiaobei was, no matter how well he did, it would all be meaningless!

"Alright! Let's go out and take a look!"

Chen Xiaobei then brought white thunderlady and Ji Ningyuan out of the heaven and earth fetal membrane.

It took the White thunderlady quite some time to travel to the beixuan realm.

Hence, the terrifying explosion had ended.

However, an unbelievable scene appeared at the scene.

The chains that had bound old man Broken Wings had all shattered, turning into scrap metal on the ground.

The surrounding iron walls also cracked one after another, revealing lines of cracks that allowed light to pass through.

Light transmission?

Chen Xiaobei and Bai leiniu immediately realized.

This was not a seal!

It was a magic treasure!

The explosion had shattered the Dharma Treasure!

In other words, as long as they passed through these cracks, they would be able to return to the real world.

This was definitely great news!

However, this was not the most incredible part.

No one would have dreamed that the old man with Broken Wings, who should have exploded and died, would be sitting on the spot, perfectly fine.

Not only was he completely fine, even the severely burned ROC wings had completely recovered.

He just sat there quietly, as if nothing had happened.

However, the clothes on his body were no longer there. This proved that he had indeed exploded! His clothes had long been blown to pieces!

His body exploded, but he didn't die! Instead, he had recovered from his injuries!

[ what ... What is going on? ]

White thunderwoman and Ji Ningyuan were both stunned! He couldn't understand!

But at that moment, Chen Xiaobei thought of an answer!

he ... Could he be!?

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4222: -imitation!**

He looked at the old man with Broken Wings, whose body was intact after the explosion.

No, it couldn't be called remnant wings anymore, because both his wings had been completely restored.

Chen Xiaobei suddenly thought of something!

That's right!

It was the life imprint of the sage Emperor!

Earlier, Chen Xiaobei had used the snake spirit clan's special ability to learn about the secret of the Holy Emperor's life seal from Ning Tiancheng's mind!

Ning Tiancheng had a master from the sky burying Yuan sacred clan!

His master had once given him a Holy Emperor's life mark. As long as this mark was there, no one under the Holy Emperor could kill Ning Tiancheng's body!

Even if his body was crushed, as long as the sacred Emperor's life imprint was still there, his body would be able to recover to its peak state.

Attention! It was to recover to his best state!

In other words, when Ning Tiancheng was seriously injured, he could completely commit suicide to complete the instant recovery of the injury!

This was exactly the same as the situation of the old man in front of him!

His body exploded and then quickly recovered!

Could it be that this old man in front of him was Ning Tiancheng's master?

No! Not necessarily!

After all, it wasn't only Ning Tiancheng's master who had the Holy Emperor's life imprint! Perhaps some divine emperors who specialized in cultivating the body would also have it!

So, this was just Chen Xiaobei's speculation. He would have to ask the old man for the details!

"Young master Chen! Hurry ... Hurry up and run! That ... That old thief had escaped! He can kill all of us with a single finger!"

Ji Ningyuan directly screamed.

Obviously, the old man's death was caused by Chen Xiaobei.

With the pride of a Saint Emperor, he would definitely take revenge for this! Chen Xiaobei and the others would have to suffer a million times more!

"Xiaobei ..."

At this moment, even the White thunderwoman became nervous. She said in a deep voice, "Can your Heaven Earth membrane stop this person? If I can't, I'll have to use my strongest trump card!"

Just now, the White thunderlady had said that if the old man dared to hurt Chen Xiaobei, she would make him die a horrible death!

At first, everyone thought that she was just saying it out of anger.

However, at this moment, she had proven that she was not angry! If Chen Xiaobei had not been able to break out of the situation, she might have used her strongest trump card!

A trump card that could defeat a Sage Emperor!

White thunderlady! This was not simple!

“No! Don’t worry!”

Chen Xiaobei said, “I’ve modified the one word Saint destroyer curse! Even if he doesn’t die from the explosion, he will definitely lose his mind!”

“Mental disorder? “No... No way ...” Ji Ningyuan couldn’t believe it.

“Right! Xiao bei is right!” “Xiaobei’s right!” White thunderlady said with certainty. Otherwise, that old thief would have killed his way here after we’ve talked for so long!”

this ... Ji Ningyuan’s expression froze, and he said awkwardly, “ that seems to be the case ... That old thief looked like he was in a daze and didn’t pay attention to us!

“Go over and see what’s going on!” Chen Xiaobei ordered.

“Me!” Ji Ningyuan took a deep breath and said in surprise, “ “Young master Chen! Please don’t make fun of me! Even if he’s mentally unstable, as long as his body is healthy, he can still kill me with a single slap!”

“Nonsense! I know all of this. Otherwise, why would I ask you to come?” Chen Xiaobei retorted.

I ... Ji Ningyuan’s face turned green.

It was obvious that he was Chen Xiaobei’s enemy! Of course, Chen Xiaobei would let him do something so dangerous!

“Hurry up! Don’t talk nonsense! Otherwise, I’ll kill you first!” Chen Xiaobei threatened.

“Yes ... I ... I’ll go!” Ji Ningyuan had no other choice. If he listened to Chen Xiaobei, he might be able to live, but if he did not, he would die.

Soon after.

Ji Ningyuan was like a child who had done something wrong. He tiptoed toward the old man.

The old man’s eyes were dull, and he didn’t move at all, as if he didn’t even notice Ji ning approaching.

“Old ... Old senior ...”

master! Ji Ningyuan tentatively called out as he walked closer. He was so nervous that he was trembling.

However, the old man didn’t have any reaction at all. He just sat there in a daze.

“He ... He’s not dead, is he? Why isn’t there any aura at all?”

Ji ning boldly observed the old man for a moment, then reached out a finger with confusion, trying to see if the old man was still breathing.

“Swish!”

However, at that moment, the old man suddenly moved!

He also raised a finger and pointed it at Ji Ningyuan!

“Mother of God!”

The old man suddenly moved, and Ji Ningyuan was so scared that he took three steps back and fell to the ground.

Without a doubt, that old man’s finger was enough to crush Ji Ningyuan.

“Mother of God!”

However, to everyone’s surprise, the old man also screamed, and then copied Ji Ningyuan’s actions, falling to the ground and trembling.

“Old senior! You ... You’re not dead?”

Ji Ningyuan’s face turned green. His pupils shrank, and his expression twisted. He was about to lose his courage.

“Old senior! You ... You’re not dead?”

Following that, the old man mimicked Ji Ningyuan’s actions and words, and he really did it!

“That old man seems to be imitating Ji Ningyuan!” White thunderwoman’s sharp senses detected a problem.

“It should be!”

I don’t know! Chen Xiaobei said. the Qigong deviation has caused a mental breakdown. It’s the primordial spirit that’s injured. Even if his physical body can recover, his mind can’t!

“If that’s the case, then it’ll be easy!” The White thunderwoman’s eyes flickered, and she boldly speculated, “ if we can control this old man, he will be a powerful trump card for you!

“I think so too!” “But before that, I need to see if I can pry into his memories!” I suspect that he might be from the sky burial Yuan sacred clan!”

“Really?” White thunderlady couldn’t believe her eyes.

“It’s possible!” Chen Xiaobei nodded and walked over.

“Young master Chen ... What should we do now?” Ji Ningyuan asked in a trembling voice.

“Young master Chen ... What should we do now?” The old man also learned from Ji Ningyuan and trembled, which was very funny.

“Don’t move!” let’s go! Chen Xiaobei said. Then, he used his heaven-peeking eye.

“Alright!” Ji Ningyuan nodded.

“Alright!” The old man also nodded.

whoosh ... then, the ability enveloped him.

The old man seemed to be in conflict and shook his head desperately.

“Whoosh ...”

In the next moment, the heaven peeking eye technique’s special ability power actually directly dispersed, and he was completely unable to pry into the old man’s memories.

It was obvious that the heaven peeking eye technique was only a Saint King’s ability. Unless the other party was willing, it would not work on a Saint Emperor.

“I have no choice ... I can’t access his memories ...”

“Let’s leave this place first!” Chen Xiaobei sighed. Ji Ningyuan, you’re in charge of stabilizing this old man! In addition, you can call him old Feng from now on!”

“Leave ... Leave? Will it be more dangerous outside?” Ji Ningyuan looked nervous.

### Red Envelope Group of the Three Realms

#### **Chapter 4223: Doing something big!**

4223 Doing something big!

“Leave ... Leave? Will it be more dangerous outside?” Old Feng asked.

It was obvious that they were inside one of the sealing treasures of old crazy’s enemy.

At this moment, even though the magic treasure had been destroyed by old crazy’s explosion, everyone was not 100% safe.

That was because an even more powerful enemy might appear outside the Dharma Treasure.

“The strong enemy should not be here! Otherwise, he would’ve checked it immediately after the Dharma Treasure was destroyed!”

Chen Xiaobei made the right guess.

Indeed, this was a very high-level magic weapon. Furthermore, it sealed an important person like old Feng. If something went wrong, the other party would definitely check it at once.

From this, it could be seen that not only was this magic weapon not in the hands of the enemy, there was no one else around the magic weapon.

“Let’s go! Let’s go out and take a look first!”

Ji Ningyuan! Chen Xiaobei said, “ take old Feng out of here!

as ... As you wish ... Ji Ningyuan was depressed, but he knew very well that he couldn’t escape the fate of being cannon fodder.

“Woof! Whoosh!”

After that, Ji ning flew away, and Mad Dog followed.

After a while, Chen Xiaobei and the White thunderlady finally moved and flew out of the cracks.

When they returned to the real world, Chen Xiaobei and Bai linu could not help but gobble down the food.

They saw that the Dharma Treasure that sealed them was a brass gourd.

It could be seen that this gourd was placed in an extremely special blessed Grotto-heaven.

There were tables, chairs, and bookshelves in this paradisiacal land. Clearly, there were people living here.

At the same time, this paradise was filled with extremely dense Saint Origin Energy.

He could even confirm that there was an extremely huge Holy Meridian under this blessed Grotto-heaven.

It might even be a Saint Emperor level Saint vein!

However, at this time, there was not a single person in the Blessed Grotto-heaven.

It was obvious that the owner of the brass gourd had gone out to do something.

“Little white! Get ready to shatter the void! Let’s return to eternal Sacred Emperor domain!” Chen Xiaobei said.

what did you call me?! The White thunderlady couldn’t help but frown.

ERM ... I don’t know your name yet, so I’m just going to call you Xiaobai ... Chen Xiaobei said.

“You’re the one with little white!” Bai leinu said unhappily,”remember, my name is su mi!” You should call me aunt su!”

su ... Su mi!? Chen Xiaobei was so shocked that his head was buzzing.

Chen Xiaobei had heard of this name more than once when he was in the upper realm of the yuan Sage! He was filled with curiosity towards this woman who was known as the number one expert and number one beauty in Yuan Sheng!

He had never thought that the White thunderlady he had spent so much time with was that famous and extraordinary woman!

No wonder she was the one who gave her daughter the dragon clan’s jade pendant that hid the ten strands of primordial violet vapor!

Right!

Su mi also had an adopted daughter!

It was none other than ao lengqiu!

The most embarrassing thing for Chen Xiaobei was that ao lengqiu’s cultivation had been sealed and he was locked up in the spirit-condensing space!

If su mi knew about this, the consequences would probably be ...

“Why are you in a daze? It’s as if you’ve done something wrong!” Su mi was suspicious.

He had to admit that this woman was really super beautiful!

She was the most beautiful woman Chen Xiaobei had ever seen since he came to the heavenly Saint land!

Even the stunning ye Zhilan was slightly inferior to her!

Moreover, she was not only good-looking and had a good figure, but more importantly, she exuded a mature, elegant, and intellectual aura from her bones.

She kept saying that she was Chen Xiaobei’s aunt!

It also evolved her charm into another special taste!

“It’s ... It’s nothing!”

“Get ready!” Chen Xiaobei said. I’m about to do something big! We’ll leave immediately after we’re done!”

alright ... su mi did not pursue the matter any further. After this life-and-death trial, she had developed a huge trust in Chen Xiaobei. In fact, she even admired him a little.

Since Chen Xiaobei said that he was going to do something big, she would not argue with him over a small problem. She immediately got ready to break the void and leave this place.

“Swish!”

The next moment, Chen Xiaobei put the broken Brass gourd into his heaven and earth embryo membrane.

This was a treasure of the Holy Land level.

There was no way Chen Xiaobei would miss it.

However, even though this magic treasure was broken, it was hard to say if it still had a spiritual connection with its original owner.

So, Chen Xiaobei sent the gourd into the embryo membrane.

With the laws of space in beixuan, even if the gourd was still connected to its owner, it would be completely cut off. Chen Xiaobei would have to find a way to slowly repair and control this magical treasure.

Whoosh ... Whoosh ... Whoosh ...

Then, Chen Xiaobei took out the Saint devouring axe and started to absorb as much Saint Qi as he could.

Since the essence of the Saint devouring axe was the true spirit of the axe, it could contain an extremely large amount of Saint Origin Energy.

If it was any other magic treasure, it wouldn’t be able to store too much Saint Qi.

As for the Saint devouring Dao axe, it could completely empty the entire Saint Emperor-grade Holy Meridian under his feet if he had enough time.

Of course, the condition was that he had enough time!

Chen Xiaobei had touched the enemy's core, and the enemy could attack at any time.

That was why Chen Xiaobei had su mi get ready to break through the void and leave this place.

"Whoosh ..."

As time passed.

Chen Xiaobei had almost absorbed a five star Saint King's energy.

"What?"

But at this moment, old Feng suddenly stopped imitating Ji Ningyuan and looked at the entrance of the cave with surprise.

Clearly, old Feng was a Saint Emperor. Even if he was mentally unstable, his senses and reactions were still far better than everyone else present.

"Someone might be coming! Let's retreat!"

Chen Xiaobei was very decisive. He immediately led the group to retreat.

As the saying goes, indecisiveness leads to chaos!

The cultivation of the owner of the brass gourd was higher than old Feng's. If they were really blocked in the cave by him, they would all die without a doubt!

"Swish!"

As su mi broke through the void, everyone successfully returned to eternal Sacred Emperor domain.

Moreover, he had returned to Golden Lion sacred city.

At this moment, the surviving Saint Kings of the Ji clan had all returned, and they were all very worried.

In the battle of the ruins, the core Holy Kings of the Ji clan were either killed by su mi or dragged away by Ji xuanheng to be meat shields.

The remaining powerful Saint Kings all followed Ji Ningyuan and Ji xuanheng into the ruins.

The Saint Kings who had returned were all relatively weak and useless.

In the past, the Ji clan dominated the eternal Sacred Emperor region, tyrannical and tyrannical. They had a lot of blood feuds, and they had lost the hearts of the people!

At this moment, none of the core Holy Kings had returned. The Ji clan could suffer the revenge of the entire region at any time!

Fortunately, just as everyone was feeling the most anxious, Ji Ningyuan returned!

At the same time, there was also Chen Xiaobei, su mi, and a dull-looking old man!

### Red Envelope Group of the Three Realms

#### **Chapter 4224: The place I want to go the most!**

4224 The place I want to go the most!

After that, Ji Ningyuan announced to the crowd that Ji xuanheng and the thirty-odd Saint Kings of the Ji clan had died in battle.

At this point, he was the only one left in the Ji clan's upper echelons, along with a few dozen weak and useless Saint Kings.

This attack didn't just damage his vitality, it completely shattered his Foundation.

As for him, he had to leave with Chen Xiaobei and could not stay to protect Golden Lion sacred city.

If that happened, Golden Lion sacred city would become the target of public criticism and the entire eternal sacred imperial domain would seek revenge on Golden Lion sacred city.

Therefore, Ji Ningyuan decided to merge the entire Golden Lion sacred city into the beixuan great world.

Only in this way could they protect the Ji clan! At the same time, it would protect the people in the city!

This suggestion naturally received the approval of all the members of the Ji family and the people in the city. Some people even discussed in private that the ancestor of the Ji family had finally done something that humans would do!

However, in reality, this decision was made by Chen Xiaobei.

Chen Xiaobei did not want to see the eternal sacred imperial domain fall into chaos, and he did not want to see the innocent people get hurt!

The main point was that the Ji family was part of the Saint pan Alliance, after all. Ji Junyao's betrayal could not be blamed on the entire Ji family.

Chen Xiaobei believed that the fall of the Ji clan was related to their leader.

As long as they could live a stable, normal, and restrained life in the beixuan great world, they would soon be able to return to the right path.

After all, they were part of the Saint pan Alliance, so they were not bad in nature.

Chen Xiaobei was willing to give them a chance to turn over a new leaf.

"Whoosh ..."

After that, Chen Xiaobei used a portion of three star Holy King level energy to move the entire Golden Lion sacred city to the beixuan great world.

To the old Chen Xiaobei, three star Holy King level energy was all he had! It was an incomparably huge amount of energy.

But now, Chen Xiaobei was holding a five star Holy King energy in his hand. A three star Holy King energy was just a drop in the ocean. He did not feel the pinch at all.

After consuming so much energy, the holy city of Golden Lions was even larger than the entire beixuan great world in terms of both scale and population! More!

However, all the powerful Holy Kings had died.

Therefore, the supply of energy couldn't bring much change to the beixuan great world.

To Chen Xiaobei, it did not mean much.

Of course, this was only the appetizer!

With the merging of Golden Lion sacred city, the number of North Mystic sages had increased to sixty! The number of North Mystic sacred king spots had also increased to ten!

Chen Xiaobei even made a special trip back to the beixuan world.

Ji jinlian and Ji Zhan each received a North Mystic Saint and a North Mystic sacred king spot.

LAN Mengcheng and Liu xuanxin would nominate the rest of the candidates from Blue Moon City and Saint Phoenix City. Chen Xiaobei would then decide on the rest.

When the 10 North profound sacred Kings and 60 North profound Saints arrived, the energy supply experienced a massive increase.

Basically, it could provide one portion of two star Saint King level energy every day.

A portion of two star Saint King level energy was equivalent to a trillion portions of one star Peak Saint King level energy.

This was a leap in essence!

Even though it was not a lot for Chen Xiaobei.

However, only by accumulating a lot of points could a tall building be built from flat ground!

Chen Xiaobei knew this better than anyone else!

After that, Chen Xiaobei took some time to study the brass gourd.

It was obvious that Chen Xiaobei had no way of controlling a magical treasure of this level. He had no idea how to repair it.

When Chen Xiaobei tried to get the gourd to recognize him as its master, he was met with resistance from the spirit.

It could be seen that this brass gourd was not completely damaged. Its interior still maintained a spiritual connection with its original owner.

Therefore, Chen Xiaobei had made the right choice by sending it into the heaven and earth fetal membrane.

Otherwise, its Holy Emperor master would have found Chen Xiaobei through their spiritual connection.

The consequences would be unimaginable.

Chen Xiaobei had no choice but to hand the gourd over to the prime of Tongtian for safekeeping.

The North Mystic sacred king and the other Saints could come over to study it together when they were not busy to see if there was a possibility of solving the problem.

Although the possibility was extremely low, there would always be gains from more research.

After that, Chen Xiaobei returned to the real world.

At this point, there was nothing left in the eternal sacred imperial domain that was worth staying for.

After some slight adjustments, they headed straight for the cangsheng heavenly region!

The place where the cangsheng heaven region was located was where the Luo clan was.

Originally, the place Chen Xiaobei wanted to go to the most was the cangsheng heavenly region because his wife and daughter were there.

However, not all the regions in the Holy Land were connected to each other. So, Chen Xiaobei did not even know how to get to the Cang Sheng heavenly region.

However, it was all good now. With su mi around, he could just shatter the void and go to the place he wanted to go.

When he arrived at Cang Sheng heavenly region, Chen Xiaobei finally understood why he could not find a way to get here before.

This was because the cangsheng heavenly region was a whole level stronger than the other regions that Chen Xiaobei had been to.

As the saying goes, birds of a feather flock together.

The powerful regions were naturally connected to the equally powerful regions by the teleportation formations. They rarely came to the weaker regions.

That was why Chen Xiaobei could not use the portal to get to Cang Sheng heavenly region from the other regions he had been to.

this is the highest level of the earth Sanctuary. If we go any higher, we will reach the legendary Sky Sanctuary!

Su mi said, "I've never been to the heavenly sanctuary either. That's because that's the level of a Saint Emperor. Without that cultivation, if I head there rashly, I might be trampled to death like an ant!"

"The top of the earth Saint realm?"

Chen Xiaobei observed his surroundings.

The air here was filled with pure Saint Qi, and the weakest of the pedestrians on the streets were at the true Saint realm.

Those with status and status were all Saint Kings.

Even six star Saint Kings like su mi and Ji Ningyuan were not rare.

From the small to the big, the overall strength of the cangsheng heavenly region was indeed far beyond any of the previous big regions.

the Luo clan's Saint Duke City is just up ahead!

Su mi raised her hand and pointed forward.

They saw an unimaginably huge city in front of them! In terms of scale, this city alone could be compared to a large region from before!

One could imagine that the population of the city could be compared to a large region.

More importantly, this city was very special.

It was divided into two parts, the ground and the air.

In the air above the center of the huge city on the ground, there was another small city floating in the sky.

Needless to say, that was the place where the members of the Luo clan lived.

It was also the place that Chen Xiaobei wanted to go the most!

### Red Envelope Group of the Three Realms

#### **Chapter 4225: Face-saving!**

4225 Face-saving!

"Xiaobei, I won't be following you into the city this time!"

When they arrived at Saint Duke City, su mi brought up her idea, " I have some private matters to attend to. We'll contact each other through communication runes later!

"What is it? Do you need my help?" Chen Xiaobei asked.

no need. It's a small matter. I can settle it quickly. On the other hand, if you encounter any trouble, contact me as soon as possible. I'll come and help you! Su mi said.

"Don't worry, with Ji Ningyuan here, there shouldn't be any problems!" Chen Xiaobei said.

At this moment, Ji Ningyuan was comforting old Feng, and he said embarrassedly, "Yes, I will protect young master Chen!"

The strange thing was that after coming to the cangsheng heaven domain, old crazy no longer imitated Ji Ningyuan. Instead, he was like a child, pestering Ji Ningyuan.

Chen Xiaobei guessed that old Feng was like a chick or a duckling, treating the first person he saw as his mother.

Ji Ningyuan was the first person old crazy saw after his mental breakdown. He probably saw Ji Ningyuan as his mother.

This situation was very comical, but it seemed to be the case.

However, with old Feng's current mental state, he basically couldn't help.

On the other hand, Chen Xiaobei had to protect her by putting a human skin mask on her to prevent her identity from being exposed.

After all, old crazy's enemy was extremely terrifying. Chen Xiaobei would never be able to fight against them. So, he had to protect old crazy's identity at all times and not reveal it.

The thing that gave Chen Xiaobei the biggest headache was that old Feng's cultivation was too high!

Chen Xiaobei did not dare to send him into the heaven and earth membrane, nor did he dare to lock him in the Meru space. If he went crazy, no one would be able to control him, and the consequences would be unimaginable!

Fortunately, Ji Ningyuan was able to stabilize old Feng and keep him under control for the time being.

After that, su mi left first.

"Swish!"

Chen Xiaobei then summoned Luo Tianzhou from the Meru space.

Chen Xiaobei explained the situation.

Luo Tianzhou was naturally extremely excited. I didn't expect the Luo clan to have developed to such a scale in the otherworldly Saint realm. I'm so proud of it!

"Don't be too happy yet!"

"I understand!"

my mission is to help you obtain the 10 primordial violet vapor that has been passed down in the Luo family for generations, " Luo Tianzhou said. before this mission is completed, I will stand on your side unconditionally. Even if the family threatens me, I will not waver!

"Very good!" alright! Chen Xiaobei nodded. then, you can sense the location now. Once we enter the city, we will head straight to the legacy location. Try not to cause any trouble!

"Understood!" Luo Tianzhou nodded his head and immediately began to focus on his comprehension.

At the same time, Chen Xiaobei released another primordial spirit from the Meru space.

The primordial spirit was Luo Yuan.

Luo Yuan was the member of the Luo family who had tried to assassinate Chen Xiaobei.

However, he was caught by Chen Xiaobei, and the second group of assassins from the Luo family ignored him! Disheartened, he had completely surrendered to Chen Xiaobei!

“Luo Yuan, we’re going to Saint Duke City!” “I might need your help for the next operation!” Chen Xiaobei said.

Luo Yuan was stunned and his face was full of shock, “ bro ... Bro bei, why are you in Saint Duke City?!

“What do you mean? I can’t come?” Chen Xiaobei asked.

No... It’s not that you can’t come ... But with your strength, how can you reach this place!? Luo Yuan was surprised and puzzled.

“Your cultivation isn’t that strong either! If you can come, why can’t I?” Chen Xiaobei retorted.

Obviously, Luo Yuan was only a one-star true divine. He was far weaker than Chen Xiaobei!

“I ... I’m not qualified to come here!”

“Saint Duke City is located at the top of the earth Holy region, and it’s under the control of the core members of the Luo family!” Luo Yuan said. I live in Little Saint Duke City, which is in another region. I can’t come here without an order!”

“There’s such a saying?” we’re all members of the Luo family! We can’t stay here, and we can’t come here as we please! What’s the meaning of this?” Chen Xiaobei asked.

the Grand Elder of the Luo family is very concerned about his reputation ... In his eyes, any adult member of the Luo family who can’t reach the Saint ruler realm is useless. They will only embarrass him if they stay in Saint Duke City!

that’s why all the members of the Luo clan will be sent to minor Saint Duke City if they can’t reach the Saint King realm by the time they become adults. They can’t come to Saint Duke City without permission! Luo Yuan said.

I see ... Chen Xiaobei’s expression turned complicated.

However, thinking about it carefully, it was really the case.

After coming to Cang Sheng heavenly region, the lowest level of people Chen Xiaobei had seen were all one-or two-star true saints.

Those who had a bit of status and power were all Saint Kings.

One could imagine how ridiculous it would be for a one-star true Saint like Luo Yuan to stay in Saint Duke City and still not be as powerful as the lowest-level servants.

Therefore, the old ancestor of the Luo family had chased out all these weak family members.

Out of sight, out of mind.

“Then, what about Subhuti and my daughter? Is he also in Little Saint Duke City?” Chen Xiaobei suddenly became nervous.

yeah ... They are all in Little Saint Duke City ... Luo Yuan said awkwardly.

why didn’t you tell me earlier ... Chen Xiaobei was having a headache.

uh ... You didn't ask me earlier ... Luo Yuan was embarrassed and said, " let's go. We'll be able to see the saintess and the little saintess when we get back to the city!

there's no rush. I have something to take. After I get it, I'll make a trip to Little Saint Duke City! Chen Xiaobei said.

There was still a month before the martial arts competition of the southern region.

As long as everything went well, Chen Xiaobei could find the time to go to Little Saint Duke City.

"Bro bei! I can sense it!"

"The location of our clan's ancestor's inheritance is in the floating city ... I'm afraid it'll be very difficult to get in ..." Luo Tianzhou said in a deep voice.

"It's not difficult! It's absolutely impossible!" Luo Yuan said embarrassedly, "if you want to enter the floating city, you have to be the Holy King of the Luo clan!" Or you are a trusted retainer of the Luo clan's Saint King! Otherwise, it's absolutely impossible to enter!"

this ... This is going to be troublesome ... Luo Tianzhou was stunned and immediately became anxious.

"Let's go! Let's enter the city first!" that's right! Chen Xiaobei said, " if we really can't do it, we'll find a way to befriend the Holy King of the Luo clan! Anyway, I have to get the primordial violet vapor as soon as possible!"

Even though there was still a month left, Chen Xiaobei still had to unravel the secret of the heart of Hongmeng after he obtained the last ten strands of Hongmeng purple Qi!

Therefore, time was still very tight.

They had to take action immediately!

#### **Chapter 4226: Red Feather Army!**

4226 Red Feather Army!

After that, the group entered the city.

Everyone in Saint Duke City was extremely proud.

The old ancestor of the Luo clan chased away the weak clansmen, and the city guards ordered them around.

Although they entered the city successfully, they were questioned thoroughly before they entered the city.

A mere guard at the gate actually didn't even give face to Ji Ningyuan, a six-star Saint King! In the end, it was only after Ji Ningyuan stuffed some Saint origin Mystic crystals into his hands that the guards finally let him through!

Everyone in Saint Duke City was extremely proud of themselves.

It was as if the people of Saint Duke City were born to be superior to others and it was only natural for them to look down on outsiders.

It was the same when they entered the city.

Chen Xiaobei and Luo Tianzhou rolled their eyes at him because of their low cultivation.

Fortunately, there was still Ji Ningyuan who could hold the fort, so no one would come to find trouble.

And the most eye-catching person in the group was crazy old man!

First of all, no one below Saint Emperor could see through his cultivation. Coupled with his crazy behavior, he was very eye-catching on the streets, and the number of heads he turned was much higher than that of beautiful women!

Luckily, Chen Xiaobei had put on a human skin mask for him. Otherwise, with so many people around, his identity would have been exposed.

“Swish!”

At this moment, someone suddenly flew across the sky. Judging from its speed, it was probably a one star Saint King. Although he was not a Big Shot in Saint Duke City, he was still far above the lower class!

Saint Kings flying wasn't something rare.

However, less than a second after the man flew up, a shocking scene happened.

“Swish!”

A Crimson light whistled through the air at an extremely fast speed and pierced through the man's body in an instant!

The stream of light was so fast that it was hard to see with the naked eye.

It was not until the arrow had pierced through the man's body that it could be clearly seen that it was an arrow made of Crimson Metal.

“Woah! Whoosh ...”

In the next moment, the man's body quickly collapsed from the spot where the arrow had passed through, turning into dust that was blown away by the wind.

“So strong! Who shot the arrow?” Luo Tianzhou's face was filled with shock.

Even Ji Ningyuan was amazed. this Arrow's special ability is too strange. It can actually turn a Saint King's body and primordial spirit into sand, directly killing them. This is simply unbelievable!

“It's ... It's the Crimson feather Army under Emperor Crimson pole!”

Luo Yuan swallowed and said, “Crimson Emperor Luo Chiji is a Seven Star Saint King! This area is under his jurisdiction. Non-members of the Luo clan are not allowed to fly in the air. Anyone who violates this will be killed without mercy!”

As soon as he said that, everyone was shocked again!

The size of Saint Duke City was comparable to a lower-level region!

Just Luo Chiji alone had jurisdiction over a trillion miles of land, and could be said to be a high-ranking official.

Luo Chiji's Red Feather Army was also quite terrifying. They could kill a one star Saint King with a single arrow, and no one knew where the arrow came from.

It was simply terrifying!

"Swish!"

However, at this moment, another person flew into the air.

"Strange, strange ... Luo Chiji's rules were very clear. Apart from members of the Luo clan, no one is allowed to fly in the air! Moreover, a Saint King had just been killed! Why is someone flying into the sky again?"

Ji Ningyuan was very confused, but he didn't do anything.

But before he could finish his sentence, Chen Xiaobei suddenly flew up into the sky and pounced on the man.

The person who flew up was a little girl who looked to be only four or five years old.

Her skin was snow-white, her facial features were exquisite, her big blinking eyes, her chubby little face, and her two black braids made her look extremely cute.

Chen Xiaobei pounced on the little girl.

He didn't think much.

This was because Chen Xiaobei had his own daughter. He did not want his daughter to be in danger like this little girl.

"Swish!"

Chen Xiaobei grabbed the little girl's chubby little hand and pulled her down from the sky.

"What are you doing?"

The little girl asked in a childish voice.

For some reason, the little girl's big eyes were staring at Chen Xiaobei, and he could not help but be lost in thought.

"I ..."

Chen Xiaobei was about to explain when he was shocked.

"Shua shua ... Shua shua ..."

In an instant, dozens of Crimson Shadows appeared from all directions. A few of them even broke through the void.

It was clear that these people had all reached the Saint King realm.

They wore the same crimson armor and carried a Crimson longbow on their backs. They also carried a large number of Crimson arrows.

If there were no accidents, they were the Red Feather Army under Luo Chiji.

“Shua shua ... Shua shua ...”

In an instant, dozens of Red Feather Army Holy Kings nocked their arrows and pointed them at Chen Xiaobei.

“Let go of the little saintess!”

A Red Feather Army Commandant took a step forward. A two star Saint King’s Saint Origin Energy was already gathered on the tip of his arrow, ready to kill Chen Xiaobei at any moment.

“Bro bei!”

Luo Tianzhou was shocked, but he was completely helpless.

Ji Ningyuan was cowering at the side. He had the ability to deal with the Red Feather Army, but he could not afford to offend Luo Chiji. So, he would not help Chen Xiaobei unless it was absolutely necessary.

“Little saintess?”

Chen Xiaobei looked down at the little girl that he had protected and thought of his own daughter.

His daughter was also called the little saintess by Luo Yuan.

However, that was in Little Saint Duke City.

With Luo puti’s cultivation, it was impossible for her to bring her daughter to Saint Duke City. Even if she did, she would not be protected by so many Red Feather Army soldiers.

More importantly, his daughter had just been born, probably not even a year old.

The little girl in front of him was about four or five years old.

This was not Chen Xiaobei’s daughter.

“Don’t be nervous! I’m not trying to hurt her! I was afraid that she would be shot by you, so I dragged her down from the sky!”

Chen Xiaobei let go of the little girl’s hand as he explained.

“You guys, bring the little saintess here!”

The Commandant of the Red Feather Army ordered, but he did not put down the bow and arrow in his hand!

“Yes, sir!”

The two red Feather Army Saint Kings walked over and said respectfully, “Little saintess, we’ll take you back!”

It could be seen that the two red Feather Army Saint Kings were extremely respectful to the little girl. He only dared to speak in a low voice and didn't dare to pull her.

From this, it could be seen that the Luo clan in Saint Duke City was equivalent to the Supreme royal family. They were superior in every way, and no one was allowed to disrespect them!

"I'm not going back!"

The little girl pouted and said willfully, "I'm bored to death from learning etiquette and mental memorization every day! I want to go to mother, none of you are allowed to stop me!"

Then, the little girl took Chen Xiaobei's hand and blinked her big, watery eyes, "Uncle, you're a good person. Can you take me to my mother?"

"Me?"

Chen Xiaobei was stunned. "I just entered the city not long ago, so I don't know where your mother is ..."

I don't know ... the little girl pouted, looking very disappointed.

It could be seen that she had left her mother for a long time, and she missed her very much.

"Swish!"

At this moment, another extreme shadow suddenly descended. The surrounding Red Feather Army soldiers all knelt on one knee to welcome him, their expressions full of reverence.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4227: Best teacher!**

4227 Best teacher!

The person was wearing a Crimson Royal robe and a Crimson Gold crown!

He had sword-like eyebrows and bright eyes, and he was full of heroic spirit. An extremely powerful pressure spread out as if he was an Overlord who had been through hundreds of battles. In the blink of an eye, he had the magnificence of an Iron Horse.

For a moment, not only the Red Feather Army, but even the surrounding passers-by had an expression of extreme respect.

He didn't even need to think to know that this person was Emperor Crimson extreme, who was in charge of this region of a trillion kilometers!

Seven stars Saint King realm!

Luo Chiji!

"Wuming! You, come over here!"

Luo Chiji looked at the little girl and ordered in a stern tone.

Nameless?

Chen Xiaobei was taken aback. Why would such a cute little girl have such a weird name?

"I'm not going over!" Little nameless grabbed Chen Xiaobei's hand tightly.

Because her hands were too small, she could only hold one of Chen Xiaobei's fingers with each hand. She was so cute.

"Little brat! You've abducted the little saintess, so I can kill you on the spot!"

Luo Chiji looked at Chen Xiaobei coldly, raised his chin and threatened, "I advise you to send Wu Ming over immediately. Otherwise, I won't repeat myself!" He said.

Arrogant! Overbearing! He was supercilious!

Without a doubt, in Luo Chiji's eyes, Chen Xiaobei was just an ant. He could end Chen Xiaobei's life with a single thought.

"Who are you to this child? Father?" Chen Xiaobei asked fearlessly.

Luo Chiji frowned and said, "I'm her uncle!"

"So it's not father! No wonder you don't know how to love your child!" she's still so young. She's the time to be playful and active. If you ask her to learn this and that every day, there's no way she'd be willing to go back! Chen Xiaobei said.

"Mere ants! What do you know?"

Luo Chiji said angrily, "Wu Ming is a super genius that only appears once in a trillion years in our Luo clan! Even the ancestor had admitted that Wu Ming's talent was above his! If we don't start sculpting this unpolished jade from a young age, how can we bring out the full potential of her talent?"

what? "Chen Xiaobei was annoyed. Saint Duke's Luo family is one of the most powerful families in the world! Don't they even have the courage to give their children a normal childhood? Why must you force your will on a child? If word gets out, outsiders will say that your Luo clan is relying on a little girl to keep up appearances. Wouldn't that be a big joke?"

Just as Chen Xiaobei had said, the Luo family was so eager to make little nameless into a talent that they would sacrifice their child's childhood! It was as if he had to rely on a little girl to keep up the facade!

It would definitely not be good if this kind of thing spread out.

"If the Luo family is really capable, you should let your child have a good childhood and let her develop her talent freely. Then, she can finally become a mentally and physically healthy genius!

"I don't want to leave a shadow in her childhood. This will only hinder her Dao heart and cause her to lose personality! If it was light, his future would be at a standstill. If it was serious, his personality would be twisted and he would be a psychopath! You should carefully consider the consequences!"

Obviously, what Chen Xiaobei had said was exactly what he hoped for his daughter.

Putting himself in his shoes, Chen Xiaobei also hoped that little nameless, who was by his side, could have a healthy and happy childhood!

Not only should they be healthy physically, they should also be mentally healthy.

Many children had an unhealthy shadow in their hearts when they were young, causing their personalities to be distorted when they grew up. They would then commit crimes and harm others and themselves.

“What you said is logical and clear, but it’s all just empty talk!” I don’t believe that you can help a kid who only knows how to play all day become a genius! Luo Chiji said disdainfully.

“Why don’t we have a bet?” Chen Xiaobei said.

“How do we bet?” Luo Chiji asked.

“What have you been letting little nameless learn recently?” Chen Xiaobei asked again.

learn etiquette in the day, and Saint Duke’s dragon slaying Art in the Afternoon and at night! Luo Chiji said.

“How’s her progress with Saint Duke’s dragon slaying skill?” Chen Xiaobei asked.

you only know how to come out and mess around. It’s been half a month and you can’t even recite the three thousand words Heart Sutra! Luo Chiji’s face was full of disappointment.

“We’ll bet on this!”

I’ll bring her around the city today. I’ll spare an hour for her to learn Saint Duke’s dragon slaying skill! Chen Xiaobei said.

“What?”

Luo Chiji’s expression froze for a moment, and his face suddenly filled with anger, “You little brat! Do you take me for an idiot? Saint Duke’s dragon slaying art has reached the level of a one star Saint King. Even I can’t learn it in an hour, let alone Wu Ming!”

Chen Xiaobei shrugged. first of all, a one star Saint King is too low for me! Secondly, I feel that little nameless’s talent is much better than yours. What you can’t do, she can definitely do it!”

“Hehe!” Little Wu Ming lifted his chin proudly and looked at Chen Xiaobei with his big, watery eyes.

It was obvious that Luo Chiji was usually very strict with little nameless. He always accused little nameless of being playful and causing trouble, but he never praised him.

So, when Chen Xiaobei said that little nameless was better than Luo Chi, the little girl was overjoyed.

In fact, what a child needed the most at the growing stage was the recognition of the adults! Praise and support would be a great help in building confidence and keeping a child happy!

“The third and most important point! I should be the most outstanding teacher in the world!” Chen Xiaobei shrugged and said.

“You’re really shameless! How dare you call yourself a teacher when you’re not even fully grown yet!” Luo Chiji said with disdain.

In Luo Chiji's eyes, only those who had established their own sects were qualified to be called teachers!

A frivolous person like Chen Xiaobei, who had a low cultivation level, was an insult to the word 'teacher'! He was simply shameless!

"Uncle! I believe you!"

However, little nameless gave Chen Xiaobei his strongest support.

She did not know about Chen Xiaobei's abilities. She only saw Chen Xiaobei as a good friend and supported him unconditionally.

Their childhood friendship was so pure and firm!

"Emperor Crimson pole!"

At this time, even Ji Ningyuan, who had been acting like a coward, stood up and respectfully said, "please believe in my young master. I'm willing to use my life to guarantee that my young master will definitely do what he says!

Obviously, he would not dare to ask Ji Ningyuan to protect Chen Xiaobei.

However, Ji Ningyuan knew Chen Xiaobei's learning ability very well. He was 100% sure that Chen Xiaobei could do it.

Therefore, he had decided to vouch for Chen Xiaobei with his life. To put it bluntly, he was doing Chen Xiaobei a favor at no cost. He wanted Chen Xiaobei to remember his good deeds. Perhaps, he could spare Chen Xiaobei's life at a critical moment.

your young master!?

Sure enough, Luo Chiji's expression slightly changed as he said in surprise, " "You, a six star Saint King, called a five star true Saint a young master? Who is this kid?"

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4228: Everyone's disdain!**

4228 Everyone's disdain!

A six star Saint King was not a Big Shot in Saint Duke City, but he was at least above average.

That was why Ji ning called Chen Xiaobei 'Childe'. That was why Luo Chiji was so curious, and even on high alert.

Don't forget, this was the cangsheng heavenly domain, the top of the earth Holy domain!

One step further up and he would be able to reach the extremely powerful heavenly sanctuary!

Luo Chiji had been to the heavenly sanctuary before, so he knew how terrifying it was!

In the vast heavenly sanctuary, there were countless unfathomable existences! Mysterious! Profound! Crouching tigers and hidden dragons! He definitely couldn't let his guard down!

Luo Chiji had every reason to suspect that Chen Xiaobei was from the heavenly sanctuary.

More importantly, beside Ji Ningyuan, there was a crazy old man whose cultivation Luo Chiji could not see through at all!

Suddenly, the way Luo Chiji looked at Chen Xiaobei had completely changed. His voice had also become much gentler. "May I ask who this young master is?"

"It doesn't matter who I am!"

what's important is that I have a deep relationship with your Luo family! Therefore, I don't want to be your enemy, and there's no need to lie to you! If I say that I can help little nameless learn Saint Duke's dragon slaying art in an hour, she will definitely be able to learn it!"

this ... Luo Chiji's expression froze, and he was even more puzzled.

He, Luo Chiji, could be considered a core upper echelon of the Luo clan.

He knew that there were many old friends of the Luo clan, but none of them were like Chen Xiaobei.

Could it be that Chen Xiaobei was the descendant of an old friend?

As Luo Chiji thought about it, his hostility towards Chen Xiaobei diminished. "Since you're so confident, why don't you teach nameless now? If she can really learn it in an hour, I'll make the decision to give her three days off!"

"Really?" Little nameless's expression froze. His large, watery eyes instantly lit up with excitement.

Children loved to play by nature.

It could be seen that she almost never had a vacation.

Therefore, when she heard that she would be on a three-day break, she could not believe her ears.

"It's true!"

yes! Luo Chiji nodded heavily and said, "in three days, the young members of the clan will be assessed. As long as you can recite Saint Duke's dragon slaying mantra, you will pass! If you can learn it completely, you will have exceeded the task! Perhaps the seventh elder will even reward you!"

"Good! Then it's decided!" Little nameless jumped up excitedly, like a little bird, cheering and jumping for joy.

"This ..."

When little Wu Ming heard this, he started to worry again.

She raised her head and looked at Chen, "Uncle, can you really let me learn Saint Duke's dragon slaying skill? This is a one star Saint King grade cultivation technique, even I find it a little difficult to recite it ..."

Obviously, although little nameless was very talented, his cultivation was still too low. He was only a one-star true Saint.

Saint Duke's dragon slaying technique had reached the level of a one-star Saint King.

This was the same as letting the children in kindergarten learn the knowledge in University.

Not to mention learning it, even memorizing it was difficult. He could not understand the meaning at all.

Because of this, little nameless was worried that he wouldn't be able to learn it.

After all, the learning time was only one hour.

Even an innocent child would know that this was almost impossible.

"Don't worry!"

However, Chen Xiaobei was full of confidence. If it was a one star Saint Emperor level cultivation technique, it might be a bit difficult, but a mere one star Saint King level cultivation technique is nothing!

"Really?" Little nameless looked at Chen Xiaobei in disbelief.

"Of course! I'll be a dog if I lie to you!" Chen Xiaobei smiled.

The surrounding Red Feather arrow guards all looked at him with disdain.

Even though they did not dare to say it out loud, they were certain that Chen Xiaobei was lying to the children.

He actually dared to say that it was a one star Saint Emperor level cultivation technique, although it was a little difficult!

He was simply super pretentious!

A one star Saint Emperor cultivation technique was a top secret to anyone below Saint Emperor!

Even if you were a peak Saint King, you would almost never have the chance to come into contact with Saint Emperor level cultivation techniques!

Even if he came into contact with it, he would definitely not be able to learn it!

He still dared to say that a one star Saint Emperor cultivation technique was a little difficult? You speak as if you know how to!

At the same time, Luo Chiji probably had the same thought, so he tested himself, "You mentioned a one star Saint Emperor cultivation technique, do you really know it? Or was it just a casual remark?"

"Ha, no, how could I?" Chen Xiaobei smiled.

Chen Xiaobei knew the importance of a Holy Emperor-tier cultivation technique.

As the saying goes, an innocent man gets into trouble because of his wealth.

Saint Emperor cultivation techniques were something that even peak Saint Kings could only dream of.

If outsiders knew that Chen Xiaobei knew a Holy Emperor-tier cultivation technique, he would be hunted down by many.

Luo Chiji heaved a sigh of relief when he heard Chen Xiaobei say that he would not. From the looks of it, Chen Xiaobei was not the descendant of some Big Shot.

The Red Feather arrow guards looked down on Chen Xiaobei even more.

He didn't know how to do it at all, and he still had the face to say it!

As expected, he was a pretentious d \* ck!

However, Luo Chiji and these red Feather arrow guards would never have thought of this.

Chen Xiaobei had not only mastered the one-star Holy Emperor-Level Ultimate form of the Holy abyss!  
He had even learned the peak Saint Emperor one word Saint destroyer curse!

Once the truth was revealed, it would be enough to scare them to death!

Even the entire heavenly Saint realm would shake!

"Let's go, follow me back to the palace!"

Luo Chiji spread out his hands and led everyone back to his palace.

After all, Saint Duke's dragon slaying technique was one of the Luo clan's ultimate techniques.

He couldn't possibly teach on the streets.

They entered the palace.

Ji Ningyuan and Luo Tianzhou were catching spirit butterflies in the garden with old Feng.

Chen Xiaobei brought little nameless and Luo Chiji into the study room.

At the same time, the Red Feather arrow guards were guarding the study.

Obviously, Luo Chiji was only being polite on the surface. If Chen Xiaobei dared to lie to him, he would not let Chen Xiaobei leave alive.

Even if old Mad's strength was unfathomable, this was the Luo clan's Saint Duke City!

Even a Tiger had to lie down! Even a Dragon had to coil up!

Of course, if Luo Chiji knew that old Feng had the strength of a Saint Emperor, he would not think this way.

After all, this was only the top level of the earth Sanctuary, which was still below the heavenly sanctuary!

Even the ancestor of the Luo clan was beneath the sacred Emperor!

If old Feng was willing to fight for Chen Xiaobei, Saint Duke City, which was below the Saint Emperor level, could be turned into ashes in the blink of an eye.

Time passed by quickly.

An hour passed in the blink of an eye.

Chen Xiaobei, Xiao Wuming, and Luo Chiji walked out of the study room.

In an instant, Ji Ningyuan, Luo Tianzhou, and all the red-feathered arrow guards focused their gazes on him.

## Red Envelope Group of the Three Realms

### **Chapter 4229: presumptuous request**

“He’s out! Do you think the little saintess will be able to learn it?”

“Are you dreaming? How can you learn it?”

there are still a few minutes left from the hour. They’ve probably given up!

“Yup! How old was the little saintess? It’s very difficult to read all the heart techniques in such a short time! Don’t even mention learning it!”

“That kid is a pretentious d \* ck! Let’s see how Emperor Crimson pole deals with him!”

All of a sudden, the Red Feather arrow guards were whispering to each other.

All of them looked at Chen Xiaobei as if he was a pretentious d \* ck who deserved a beating. They all wanted to teach him a lesson.

“Will bro bei be okay?”

On the other hand, Luo Tianzhou was not aware of Chen Xiaobei’s learning ability. He was worried as he listened to the red-feathered arrow Guard’s complaints.

After all, Chen Xiaobei and Luo Chiji had a bet.

If Chen Xiaobei lost, Luo Chiji would have the upper hand.

By then, Chen Xiaobei would have to bear the consequences.

“Don’t worry ...”

Ji Ningyuan shrugged and said indifferently, “ “Childe Chen’s learning ability is something I have never seen before! It was unimaginably powerful! It’s just that little nameless is too young. If he was a few years older, I’m afraid half an hour would be enough!”

Ji Ningyuan had seen Chen Xiaobei learn the ultimate form of the Holy abyss in an hour, and then learn the one word Saint-killer curse in a few hours!

A few hours later, Chen Xiaobei had modified the contents of the one word Saint destroyer incantation and taught it to old Feng!

Before this, old Feng had studied the one word Saint destroyer curse for a very, very long time.

However, Chen Xiaobei’s modification had gone unnoticed by old Feng!

This was quite terrifying!

Learning ability! Teaching ability! A creation ability that could draw inferences from one case!

Chen Xiaobei had reached an unbelievable level in all three abilities!

That was why Ji Ningyuan had blind faith in Chen Xiaobei and was not worried that Chen Xiaobei would fail.

“Wuming, are you ready?” Luo Chiji’s expression was very complicated.

From Luo Chiji’s expression, one could tell that Chen Xiaobei had taught him well in the last hour.

Luo Chiji had never seen such an outstanding teacher like Chen Xiaobei.

The Saint Duke’s dragon slaying technique was easily dismembered into many parts by Chen Xiaobei.

Then, every part of the essence could be explained extremely thoroughly.

Even Luo Chiji’s own understanding of Saint Duke’s dragon slaying art could not compare to Chen Xiaobei’s.

Moreover, Chen Xiaobei had used simple language and vivid metaphors to explain the essence of the plan to children.

And little nameless’s talent was extremely outstanding.

Even the old ancestor of the Luo family said that his talent was not as good as little nameless’.

This was the perfect combination of a great teacher and an outstanding disciple.

Hence, even if little nameless was only five years old, he should be able to learn it.

Once little nameless successfully performed Saint Duke’s dragon slaying skill, he would immediately break the historical records of the entire Luo clan, and even the entire earth Holy region!

At the age of four, he had learned the cultivation technique of a one-star Saint King with the cultivation of a one-star true Saint!

This was definitely a record that no one had ever set before!

It was enough to shake the earth Saint realm!

Even the heavenly sanctuary would place great importance on it!

It was because of this that Luo Chiji was shocked and full of anticipation.

But!

All of these were just Luo Chiji’s beautiful expectations!

The expectation was beautiful, but reality was often cruel.

Luo Chiji was still very worried. Did little nameless learn it? Can you use the heart technique normally?

If little nameless couldn’t use his heart technique, then everything that had happened before would be meaningless.

It could be seen that although Luo Chiji was very strict with little nameless, he still wished for the best for him.

Therefore, at this moment, Luo Chiji was the most nervous person.

“I ...”

Little nameless didn't have much confidence himself.

She kept her red lips pursed and stared at the ground as if she had made a mistake.

"Relax!"

Chen Xiaobei patted her head and said softly, "As long as you do as I say, you will definitely succeed! You're a smart child! I believe that you can do it!"

"En!"

Little nameless had a good impression of Chen Xiaobei. Hearing Chen Xiaobei's words, she was suddenly filled with confidence.

"I'm ready!"

Under everyone's gaze, little nameless walked into the arena.

"Whoosh ..."

The next moment, she absorbed the Saint Origin Energy in the space and started to practice Saint Duke's dragon-slaying art.

This little girl was really talented!

As she started to chant, she focused her mind and tried to recall the method that Chen Xiaobei had taught her.

Usually, children her age would not have such self-control.

It was rare to even be quiet for a while, let alone focus.

"Swish!"

In the next moment, an extremely pure Saint Qi gushed out of little nameless 'body. It continued to form a huge Heavenly Sword Dharma.

"Clang"

In an instant, the sword slashed down, and a vast power burst out.

It was as if a vast torrent from the primordial era had transformed into an unparalleled sword that could annihilate all living things. Even a true dragon would find it difficult to withstand a single sword!

"Success! It's a success!"

Seeing this, Luo Chiji cheered in surprise.

"It's successful? This ... How is this possible?"

At the same time, the Red Feather arrow guards around him felt as if they had been struck by lightning.

Dumbfounded, his scalp tingled, and he couldn't believe his eyes.

At the same time, they were all red in the face, as if they had been slapped by an invisible hand.

They thought that Chen Xiaobei was just acting cool to trick the kids.

However, the truth was that Chen Xiaobei had really taught the nameless Saint Duke the Dragon slaying skill within an hour. He was truly an excellent teacher!

“Uncle! I’ve succeeded! I’ve succeeded! Yay!”

Little nameless was overjoyed. After dispersing his Dharma form, he jumped up and pounced on Chen Xiaobei.

The little girl wrapped her arms around Chen Xiaobei’s neck and hung onto him like a koala.

Her snow-white little round face was brimming with a flower-like brilliant smile.

[ bro bei is so awesome! ]

Luo Tianzhou swallowed his saliva. He was in awe of Chen Xiaobei.

“I’ve said it before, young master Chen can do it ...”

Ji Ningyuan shrugged his shoulders. He had long expected this outcome.

Of course, Ji Ningyuan had also begun to reevaluate Chen Xiaobei.

Although this young man was only a five-star true Saint, the foundation and power he displayed were above Saint Kings and even more powerful than ordinary Saint emperors.

Ji Ningyuan had even started to consider if he should submit to Chen Xiaobei.

If they followed Chen Xiaobei, they might be able to get a brighter future!

“This young master! I have a presumptuous request that I hope you can agree to!” Luo Chiji looked at Chen Xiaobei, cupped his hands and bowed, his face sincere.

#### **Chapter 4230: No generation gap!**

4230 No generation gap!

Luo Chiji was a Seven Star Saint King. He was not at the top of the Luo clan, but he was definitely an extremely respected core upper echelon of the direct line.

Right now, in front of everyone, Luo Chiji was bowing to Chen Xiaobei.

This was not only giving Chen Xiaobei face, but also lowering Luo Chiji’s own status.

It could be seen that he was very sincere.

“What is it?”

Chen Xiaobei asked.

Originally, Chen Xiaobei did not want to meddle in other people’s business.

After all, time was of the essence. The southern region martial arts competition was only a month away.

However, considering Luo puti and her children, and that Chen Xiaobei was going to enter the floating city himself, he decided to listen to Luo Chiji's opinion.

If he could help Luo Chiji, Chen Xiaobei would also be able to get some benefits.

Furthermore, Luo puti and the child might be able to get some benefits.

"I would like to invite young master to be the head exalt of our Luo clan! He specializes in teaching the Luo clan's descendants how to cultivate!"

Luo Chiji said with great sincerity, 'in return, young master will receive the status and treatment of a core elder of the Luo clan! At the same time, you'll get one billion Saint origin Mystic crystals as a reward every month!"

So, Luo Chiji wanted Chen Xiaobei to be a teacher for the Luo family!

It was clear that Luo Chiji was really shocked by Chen Xiaobei's level of education.

The conditions he offered were also very, very sincere!

A monthly salary of one billion Saint origin Mystic crystals was definitely a huge sum of money.

More importantly, Chen Xiaobei would become the Grand priest of the Luo clan and receive the treatment of a core elder.

This meant that Chen Xiaobei would become a part of the Luo clan, and his status would be extremely high, even higher than Luo Chiji's.

If Chen Xiaobei needed help, the Luo clan would help him.

Chen Xiaobei was in danger, and the Luo clan had to protect him.

Without a doubt, this was the best condition Luo Chiji could offer.

Chen Xiaobei was tempted.

Back in Pangu world, the clan leader of lesser Saint Duke City had once sent someone to assassinate Chen Xiaobei.

The reason was that Chen Xiaobei was not good enough for Luo puti.

Once Chen Xiaobei became the high priest of Saint Duke City, the clan leader of the city would have to kneel down and call Chen Xiaobei Grandpa.

The clan leader would not dare to stop Chen Xiaobei and Luo puti from being together.

And this was the best way to solve this problem.

After all, Luo puti was a member of the Luo clan. If Chen Xiaobei were to attack her, it would cause casualties and turn her family into enemies. That was not good!

Using the identity of the high priest to resolve this matter would be a matter of course.

After that, Chen Xiaobei could even bring Luo puti and the children to Saint Duke City to live a better life.

Of course, Chen Xiaobei would not let the mother and daughter leave him. He would definitely let them live in the beixuan realm.

Before that, all Chen Xiaobei had to do was to bring them back to his side safely.

"I can consider your suggestion."

but, I have something important to do right now. It might take some time, " Chen Xiaobei said.

"What's the matter? I might be able to help!" Luo Chiji was very excited and offered to help.

After all, if Chen Xiaobei really agreed to become the head exalt of the Luo clan, it would be a great contribution to Luo Chiji.

Perhaps, the Luo clan's ancestor might even reward Luo Chiji if he was happy.

That was why Luo Chiji was so excited. He could not wait to help Chen Xiaobei solve his problem so that Chen Xiaobei could start teaching!

"I want to take something from the floating city!" Chen Xiaobei looked up at the sky above Saint Duke City.

"Take what?" Luo Chiji was very confused.

"I'll take an inheritance item!"

yes! Chen Xiaobei said, " this item was passed down by my ancestors, the ancestors of the tuoluo clan. I'm the only one who can retrieve it. "

how ... How is this possible? " Luo Chiji frowned and said,"I've never heard of such a thing!"

"It does exist!" "If you don't believe me, you can bring me there and I'll see the truth!" It's just like how you saw me teaching little nameless!"

this ... Luo Chiji was stunned.

Indeed, what he didn't know didn't mean it was fake.

Just like earlier, he did not believe that Chen Xiaobei would be able to teach little nameless in an hour, but in the end, Chen Xiaobei had really done it.

Therefore, the best way to prove that the thing Chen Xiaobei was talking about was to bring Chen Xiaobei there.

Luo Chiji thought for a moment and said,"I can bring you there, young master. But before you take the item, you must inform the ancestor!" After all, I don't have the right to decide what I can take and what I can't ..."

"Sure." Chen Xiaobei nodded.

"Then let's wait for three days." Luo Chiji said,'the ancestor is in seclusion most of the time, so you might not be able to see him! However, he will definitely come out of seclusion in the clan's written exam three days later!"

“Alright, I’ll wait for three days!” Chen Xiaobei nodded.

After all, the Luo clan was Luo puti’s mother clan.

More importantly, Luo puti and her daughter were still in the hands of the Luo clan.

So, Chen Xiaobei could only follow the Luo clan’s rules. Unless it was absolutely necessary, there would be no conflict.

“Men! Arrange a few guest rooms!” Luo Chiji ordered.

After that, the servants in the palace arranged for a guest room.

This was the top floor of the earth Sanctuary, and the Saint Qi in the air was quite pure and abundant.

Luo Tianzhou and Ji Ningyuan immediately entered their rooms and began to absorb the free energy to cultivate.

Originally, old Feng had been pestering Ji Ningyuan, as if he had treated Ji Ningyuan as his mother.

He didn’t even give Ji Ningyuan a chance to cultivate.

However, what was interesting was that little nameless mysteriously gave old Feng a piece of candy, and the two of them actually became good friends.

He was playing with the butterflies and birds in the garden.

Only then did Ji Ningyuan shake off old Feng, this burden, and hide in his room to cultivate.

It could be seen that after old crazy went berserk, his intelligence was about the same as a one or two year old baby. He and little nameless had a kind of feeling of mutual appreciation.

In the words of the Earthlings, there was no generation gap between the two of them, so they could play together.

After playing for a while, old crazy even treated little nameless as his big sister.

Wherever little nameless went, old crazy would follow, almost inseparable.

Chen Xiaobei had nothing to worry about. He entered his room and started to move forward.

However, Chen Xiaobei’s cultivation was different from the others.

In order to keep it a secret, Chen Xiaobei even entered the Meru space.

“Start cultivating! In three days, I’ll reach the peak of true sage!”

Chen Xiaobei set a small goal for himself, and then he started to burn his energy on a large scale.
